

integral to plasma membrane

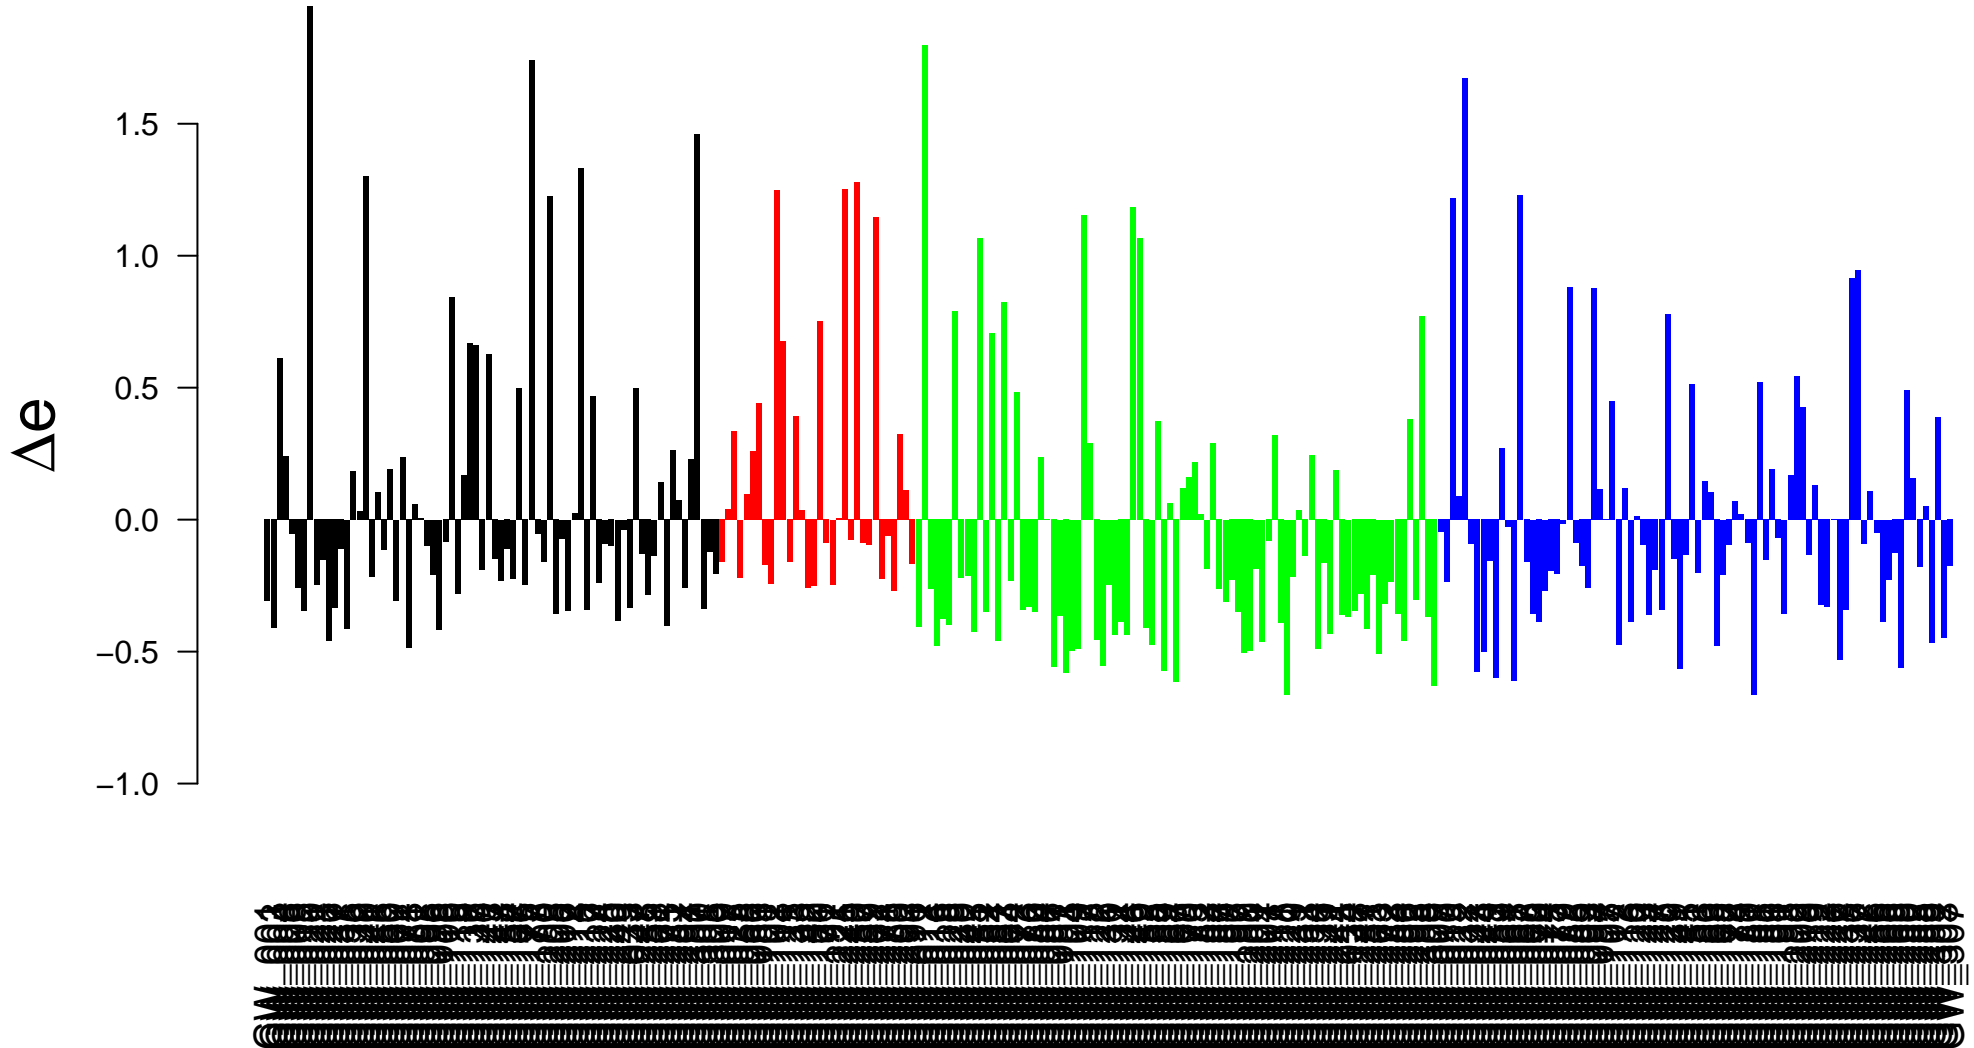

# integral to plasma membrane

# Enrichment in spots: integral to plasma membrane

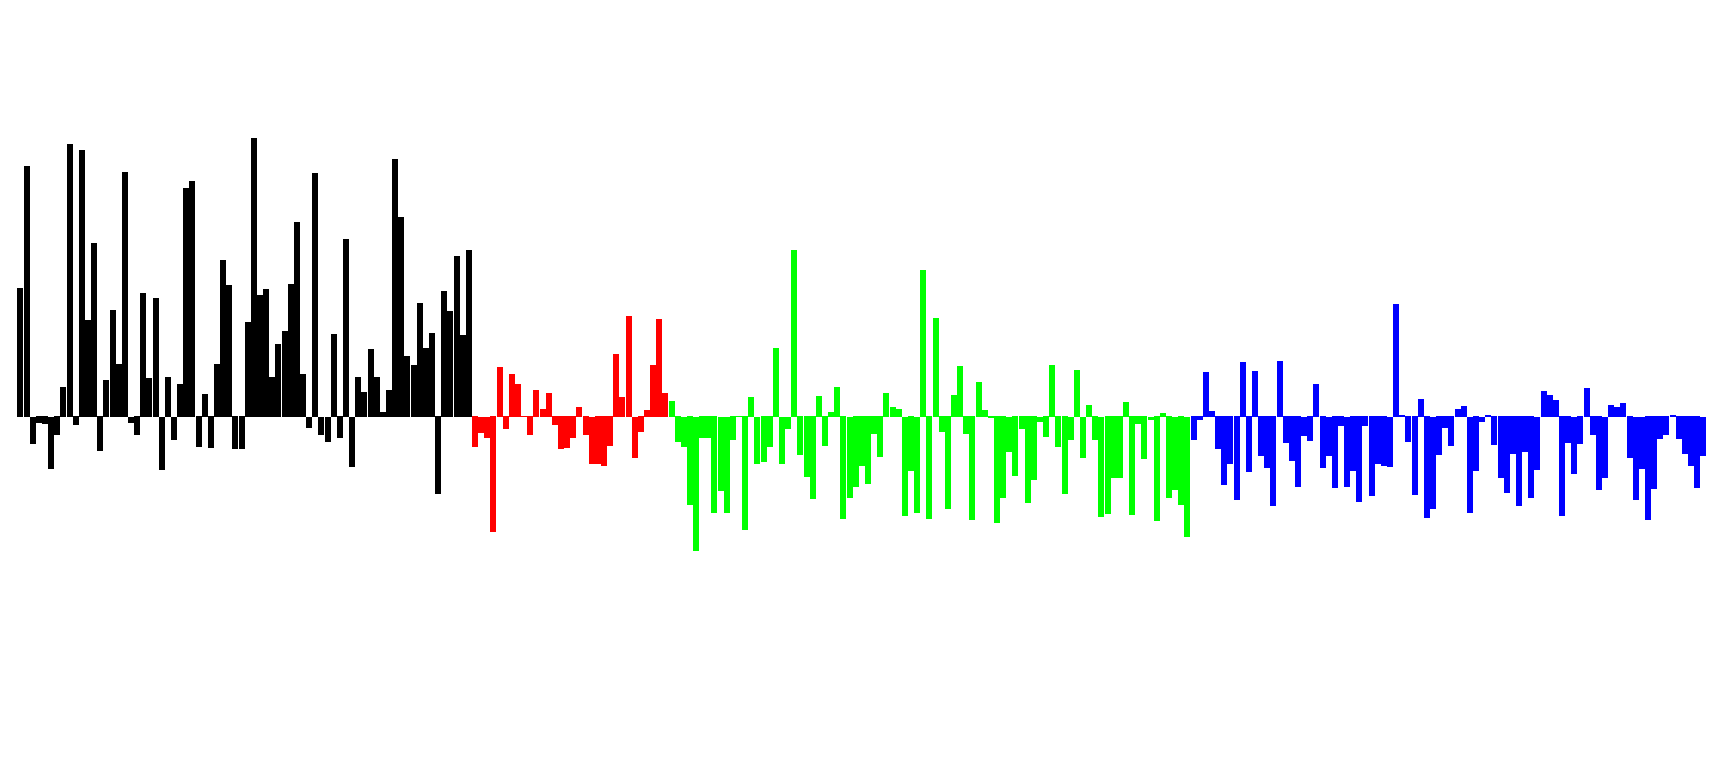

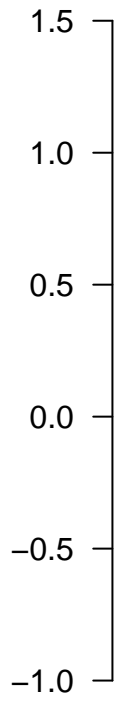

# Expression of integral to plasma membrane in Spot A

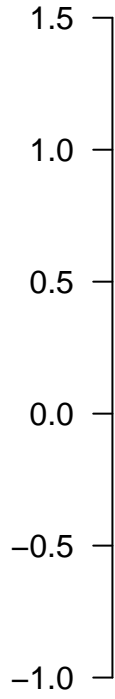

# Expression of integral to plasma membrane in Spot B

$\Delta e$

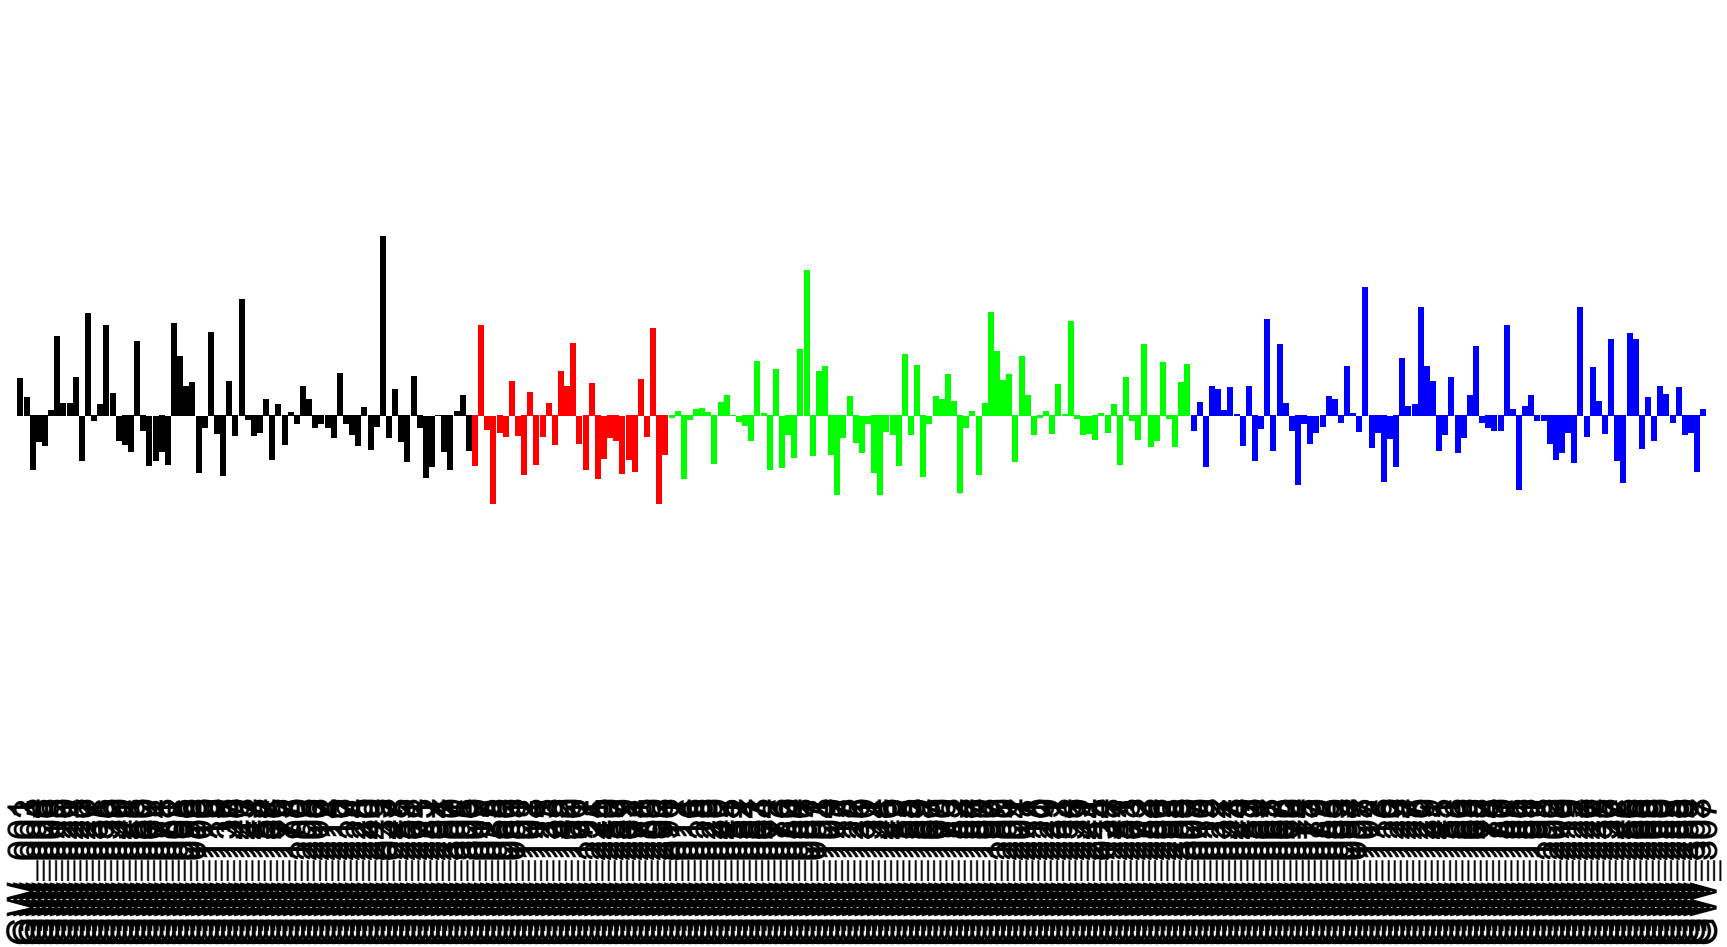

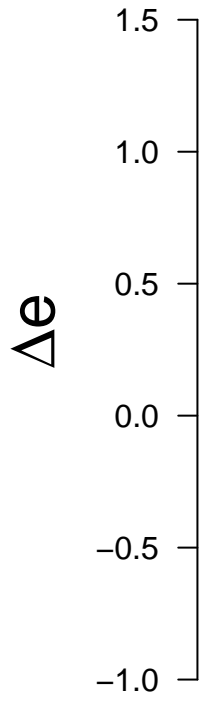

# Expression of integral to plasma membrane in Spot C

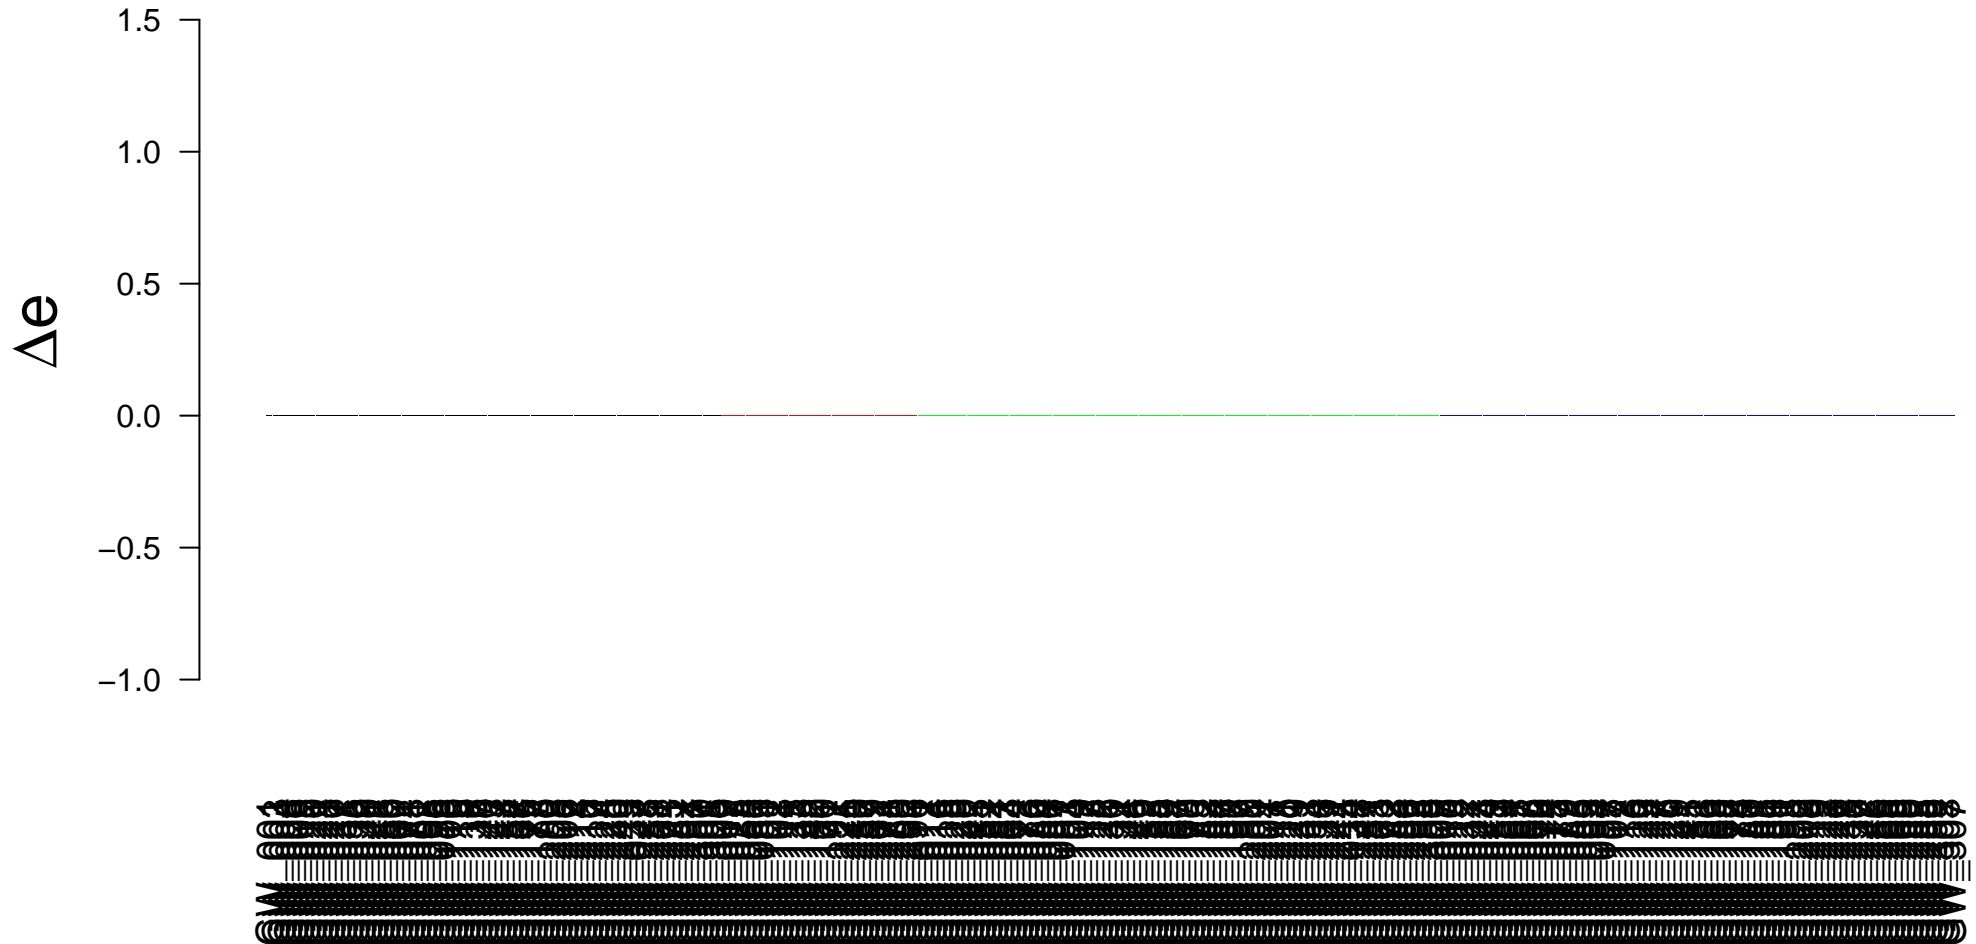

$\Delta e$

# Expression of integral to plasma membrane in Spot D

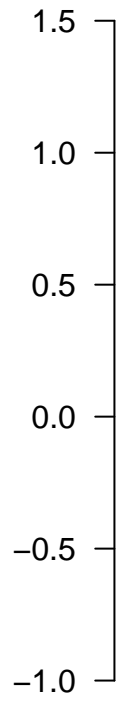

# Expression of integral to plasma membrane in Spot E

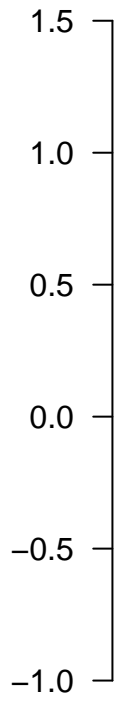

# Expression of integral to plasma membrane in Spot F

$\Delta e$

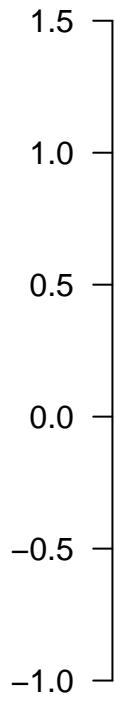

# Expression of integral to plasma membrane in Spot G

$\Delta e$

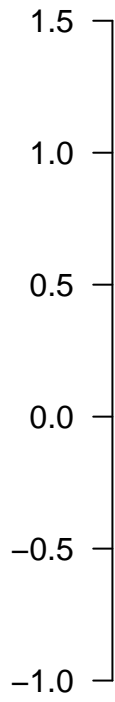

# Expression of integral to plasma membrane in Spot H

$\Delta e$

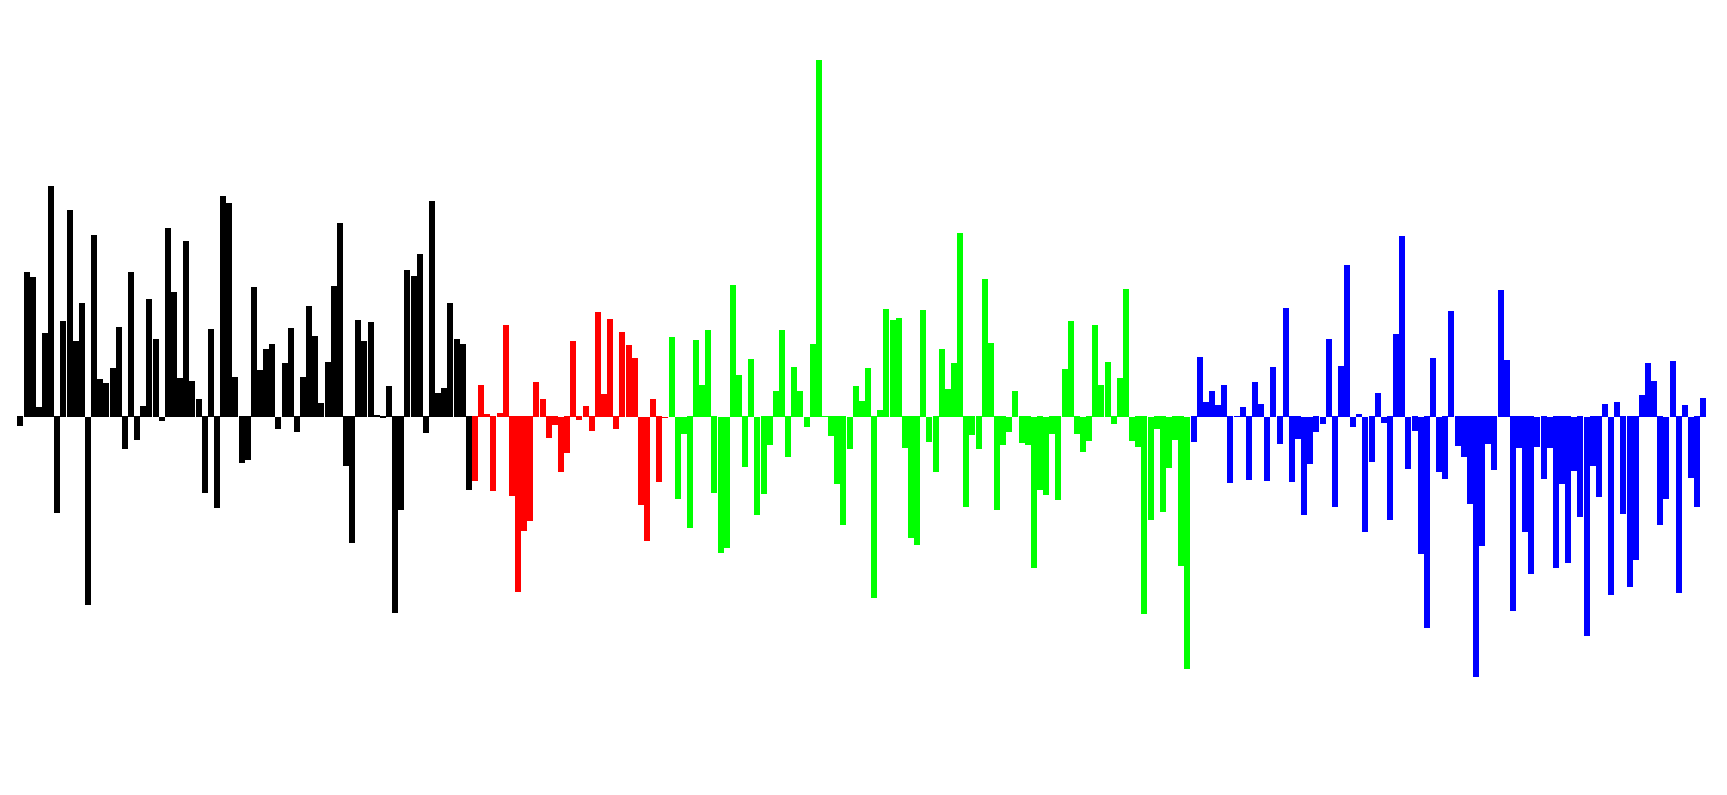

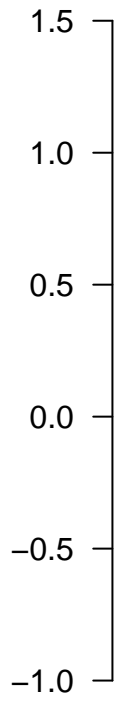

# Expression of integral to plasma membrane in Spot I

$\Delta e$

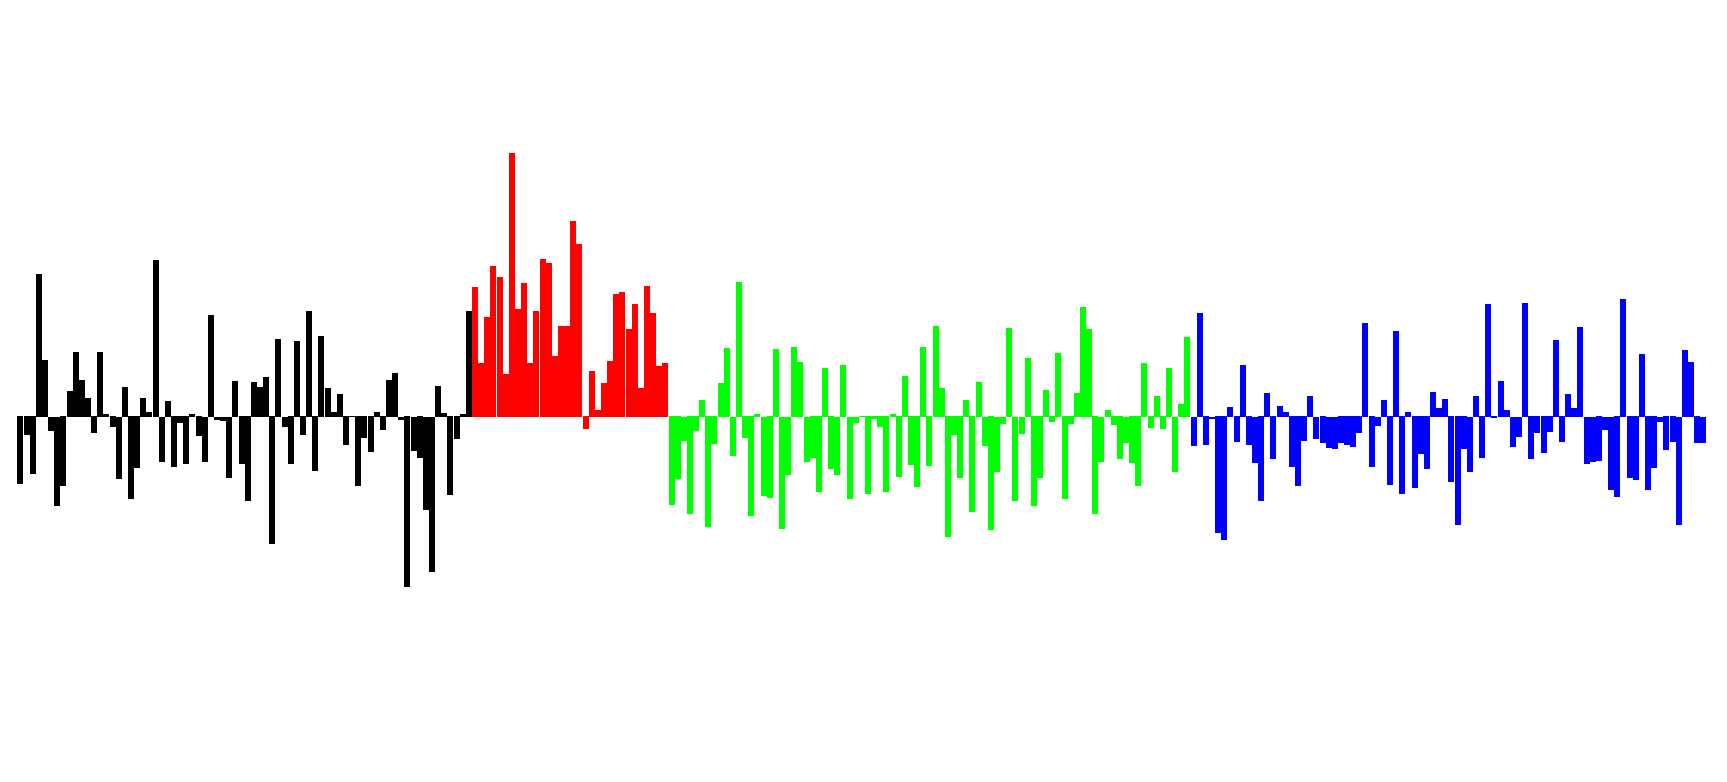

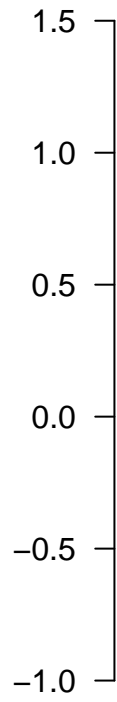

# Expression of integral to plasma membrane in Spot J

$\Delta e$

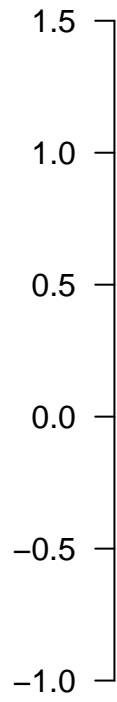

# Expression of integral to plasma membrane in Spot K

$\Delta e$

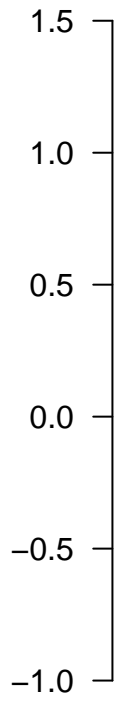

# Expression of integral to plasma membrane in Spot L

$\Delta e$

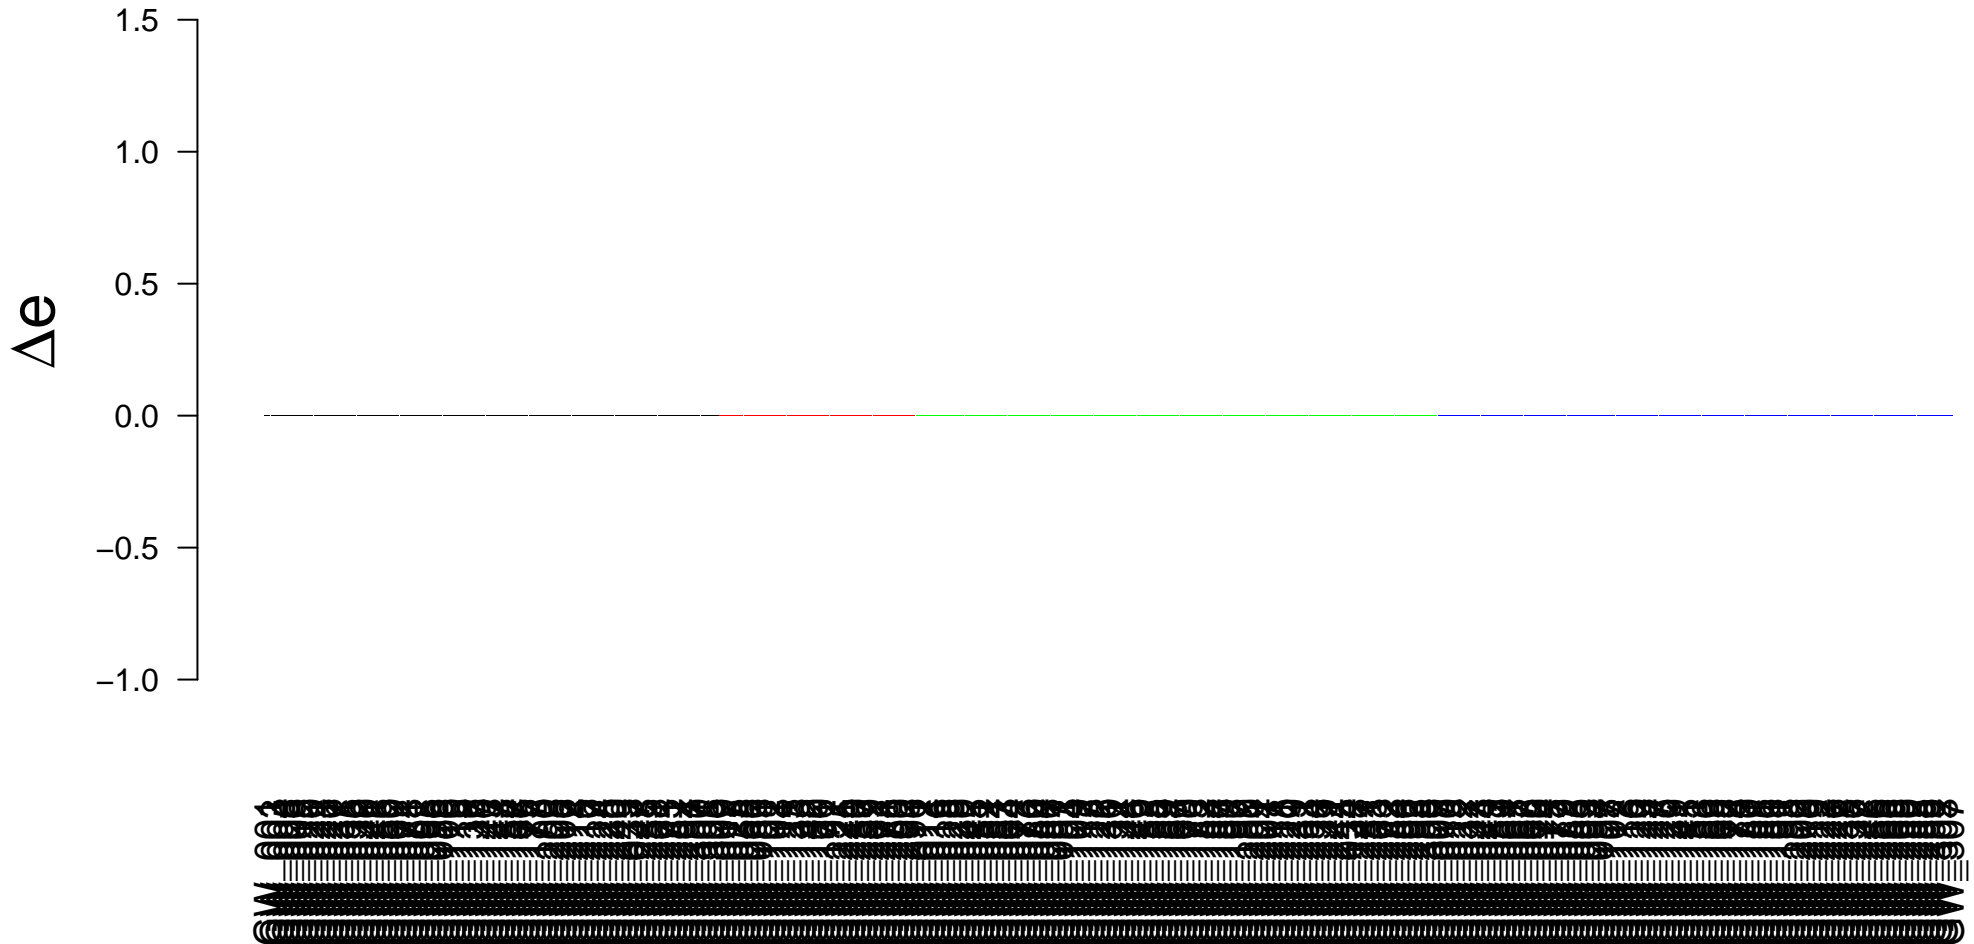

# Expression of integral to plasma membrane in Spot M

$\Delta e$

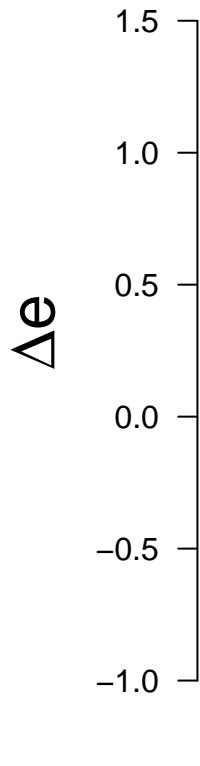

# Expression of integral to plasma membrane in Spot N

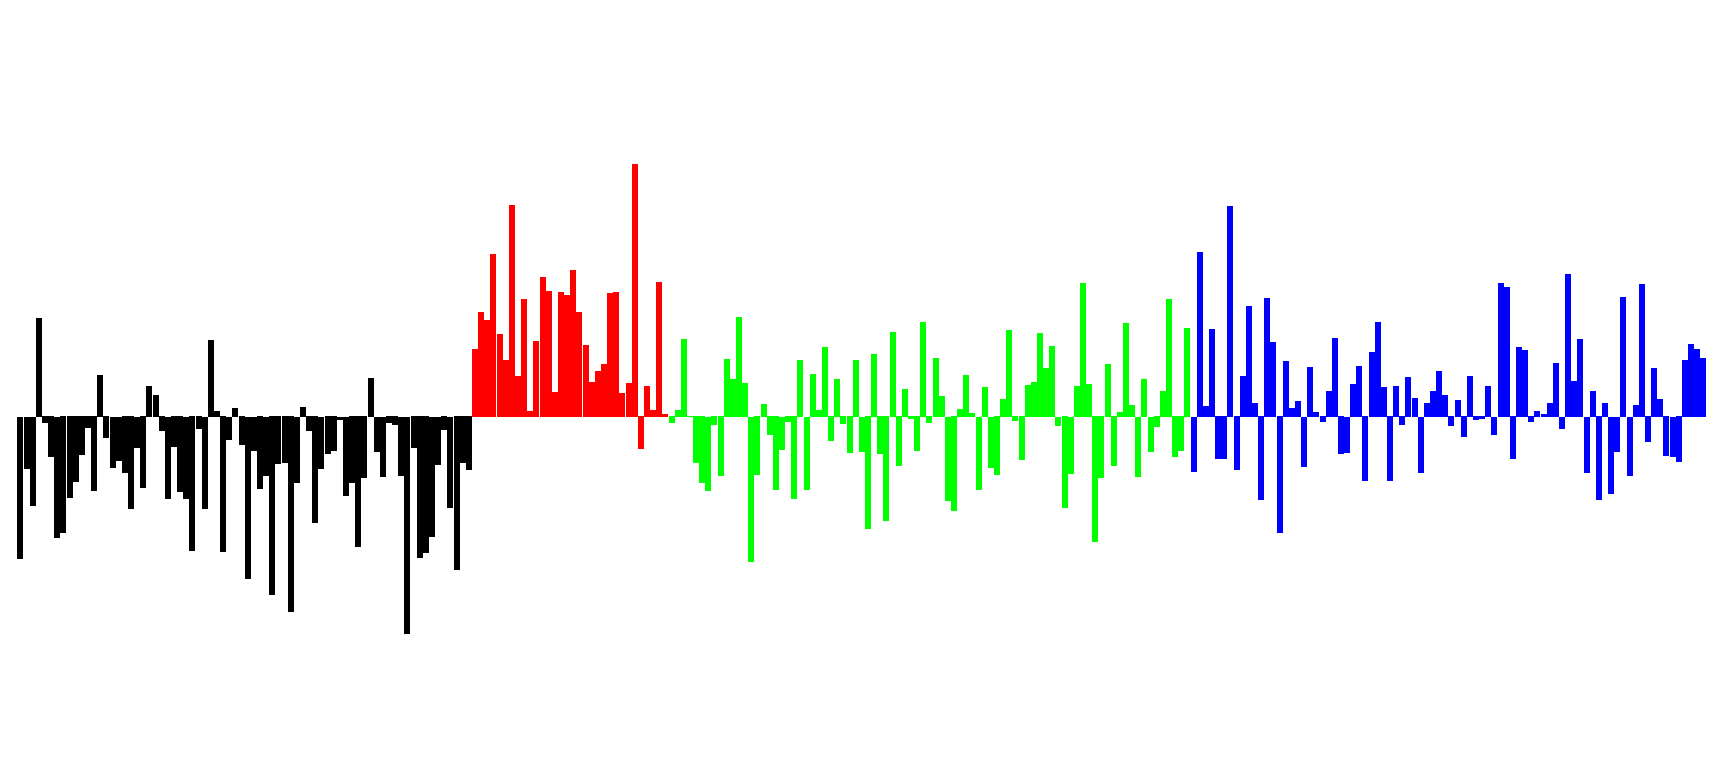

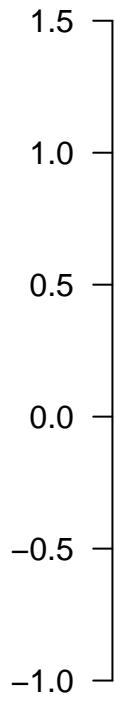

# Expression of integral to plasma membrane in Spot O

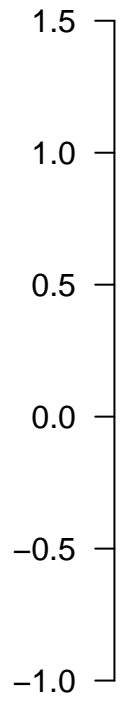

# Expression of integral to plasma membrane in Spot P

$\Delta e$

# Expression of integral to plasma membrane in Spot Q

$\Delta e$

# Expression of integral to plasma membrane in Spot R
