

intermediate filament cytoskeleton organization

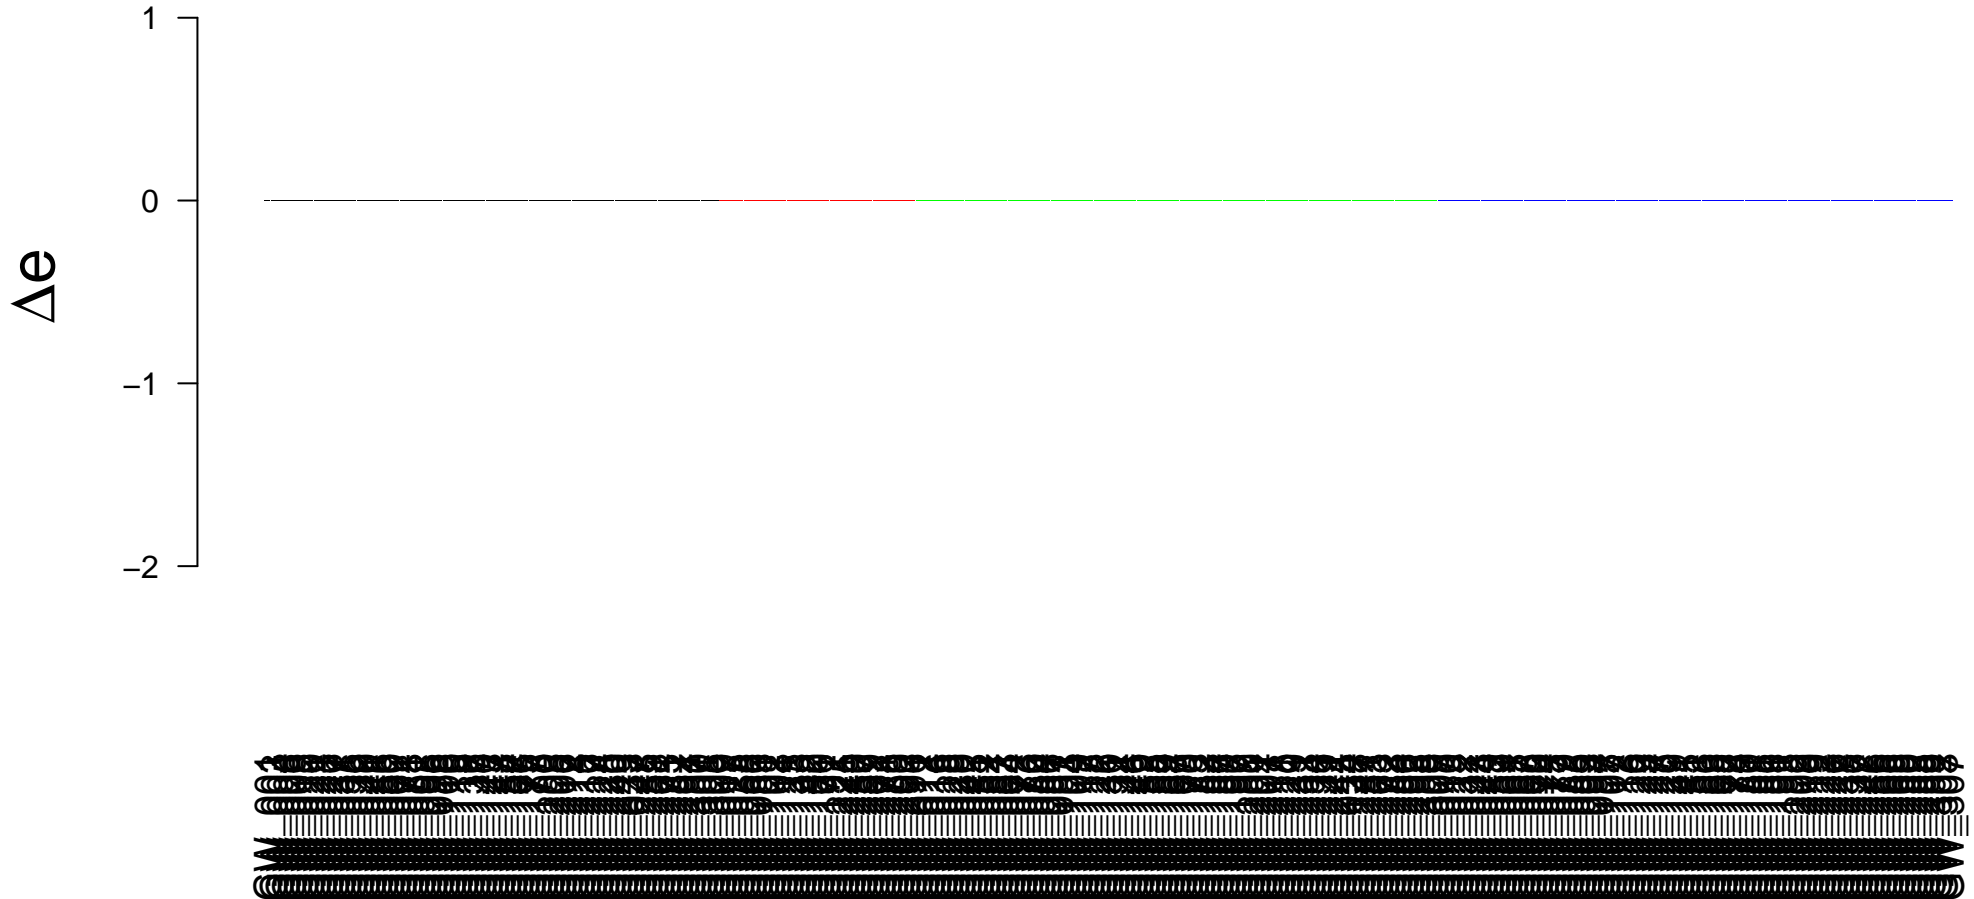

intermediate filament cytoskeleton organization

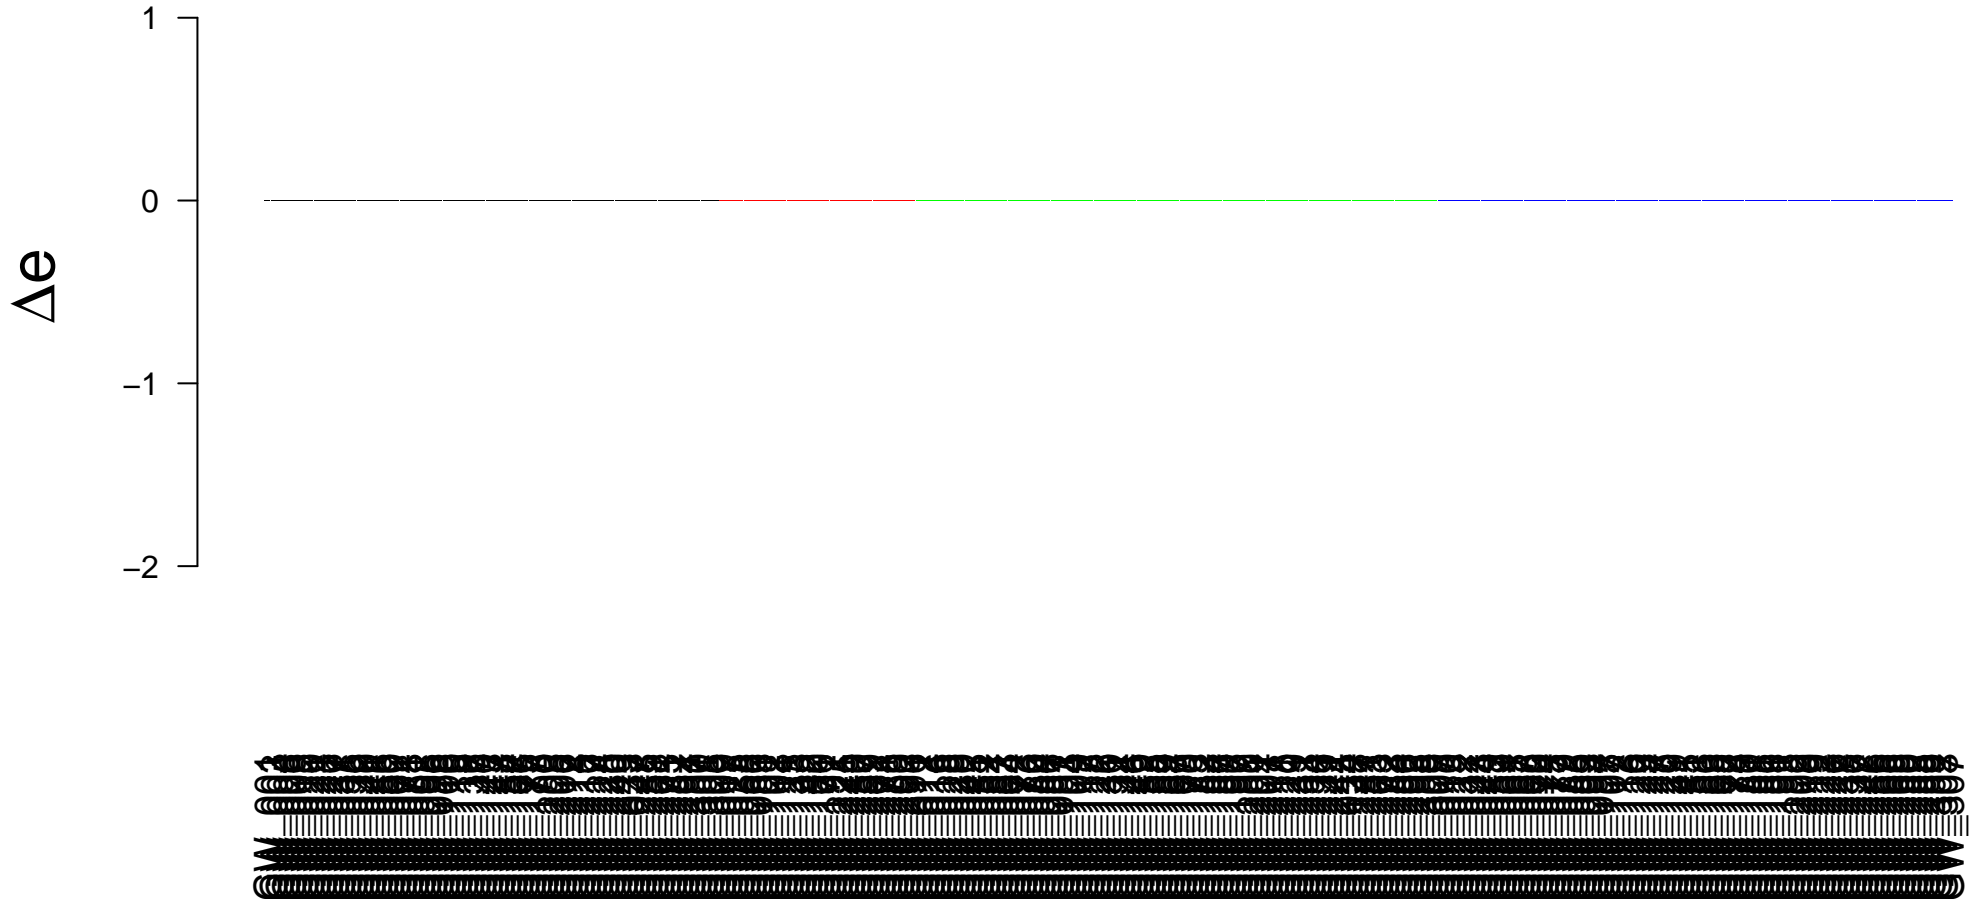

Enrichment in spots: intermediate filament cytoskeleton organization

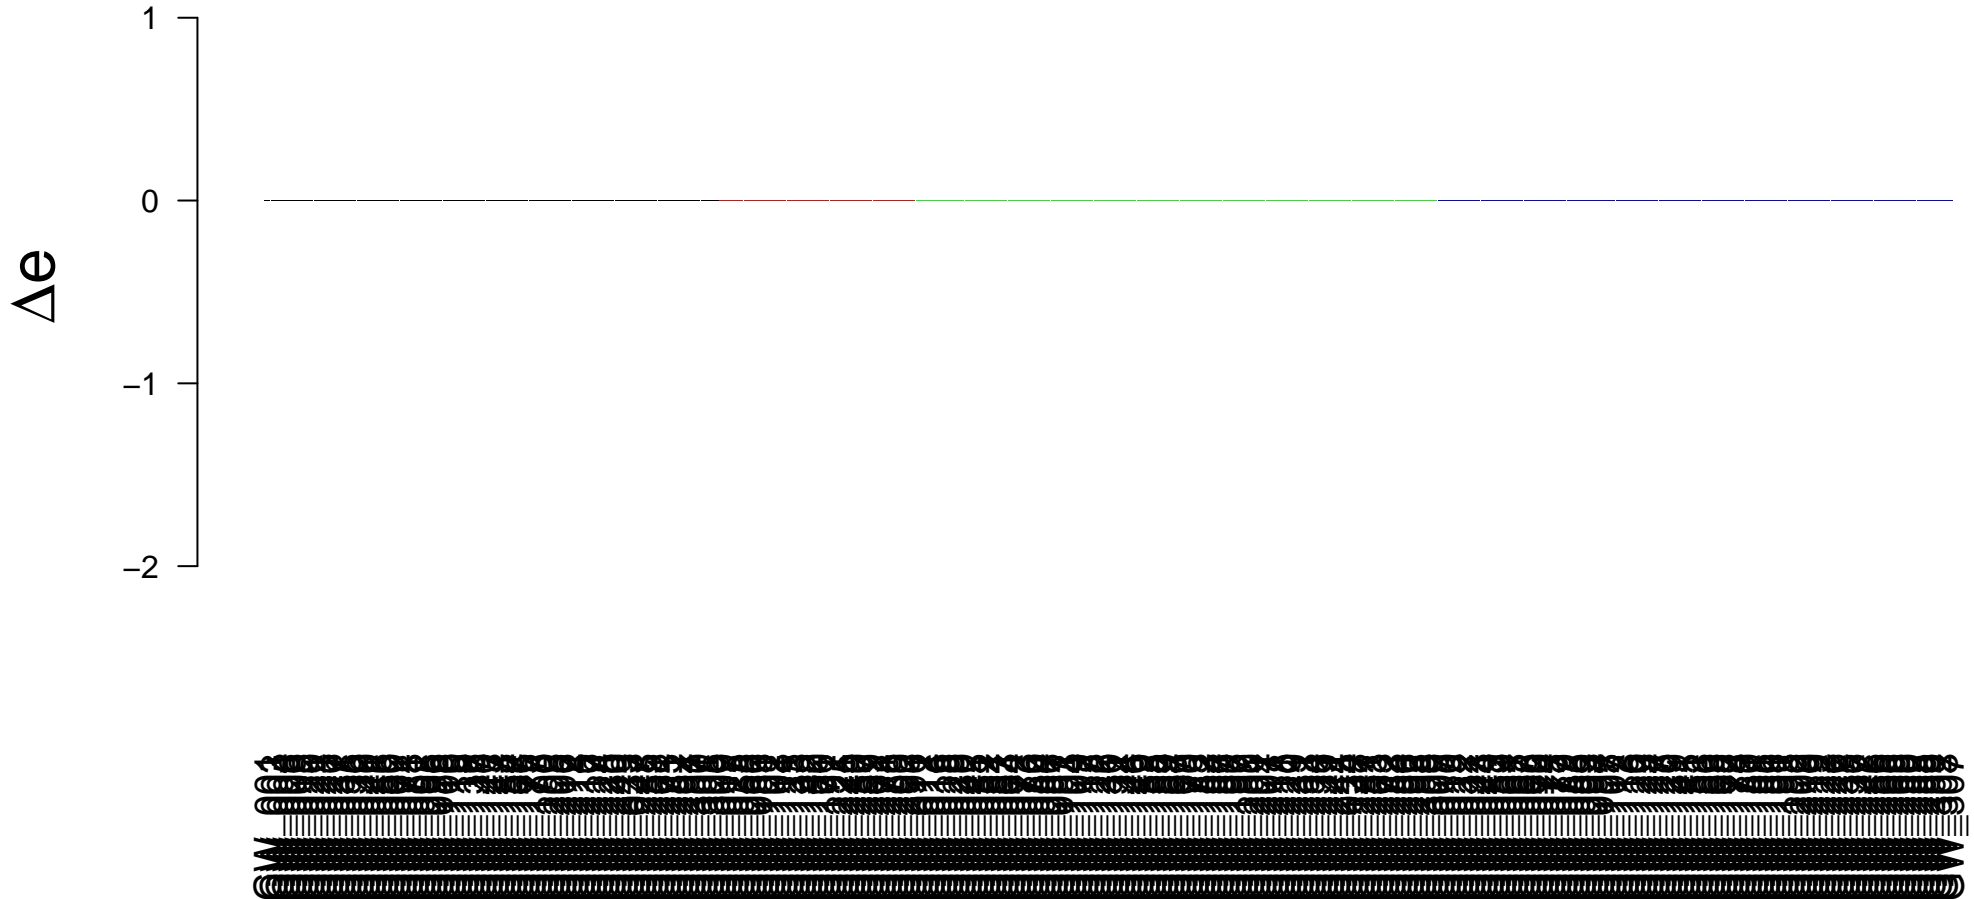

Expression of intermediate filament cytoskeleton organization in Spot A

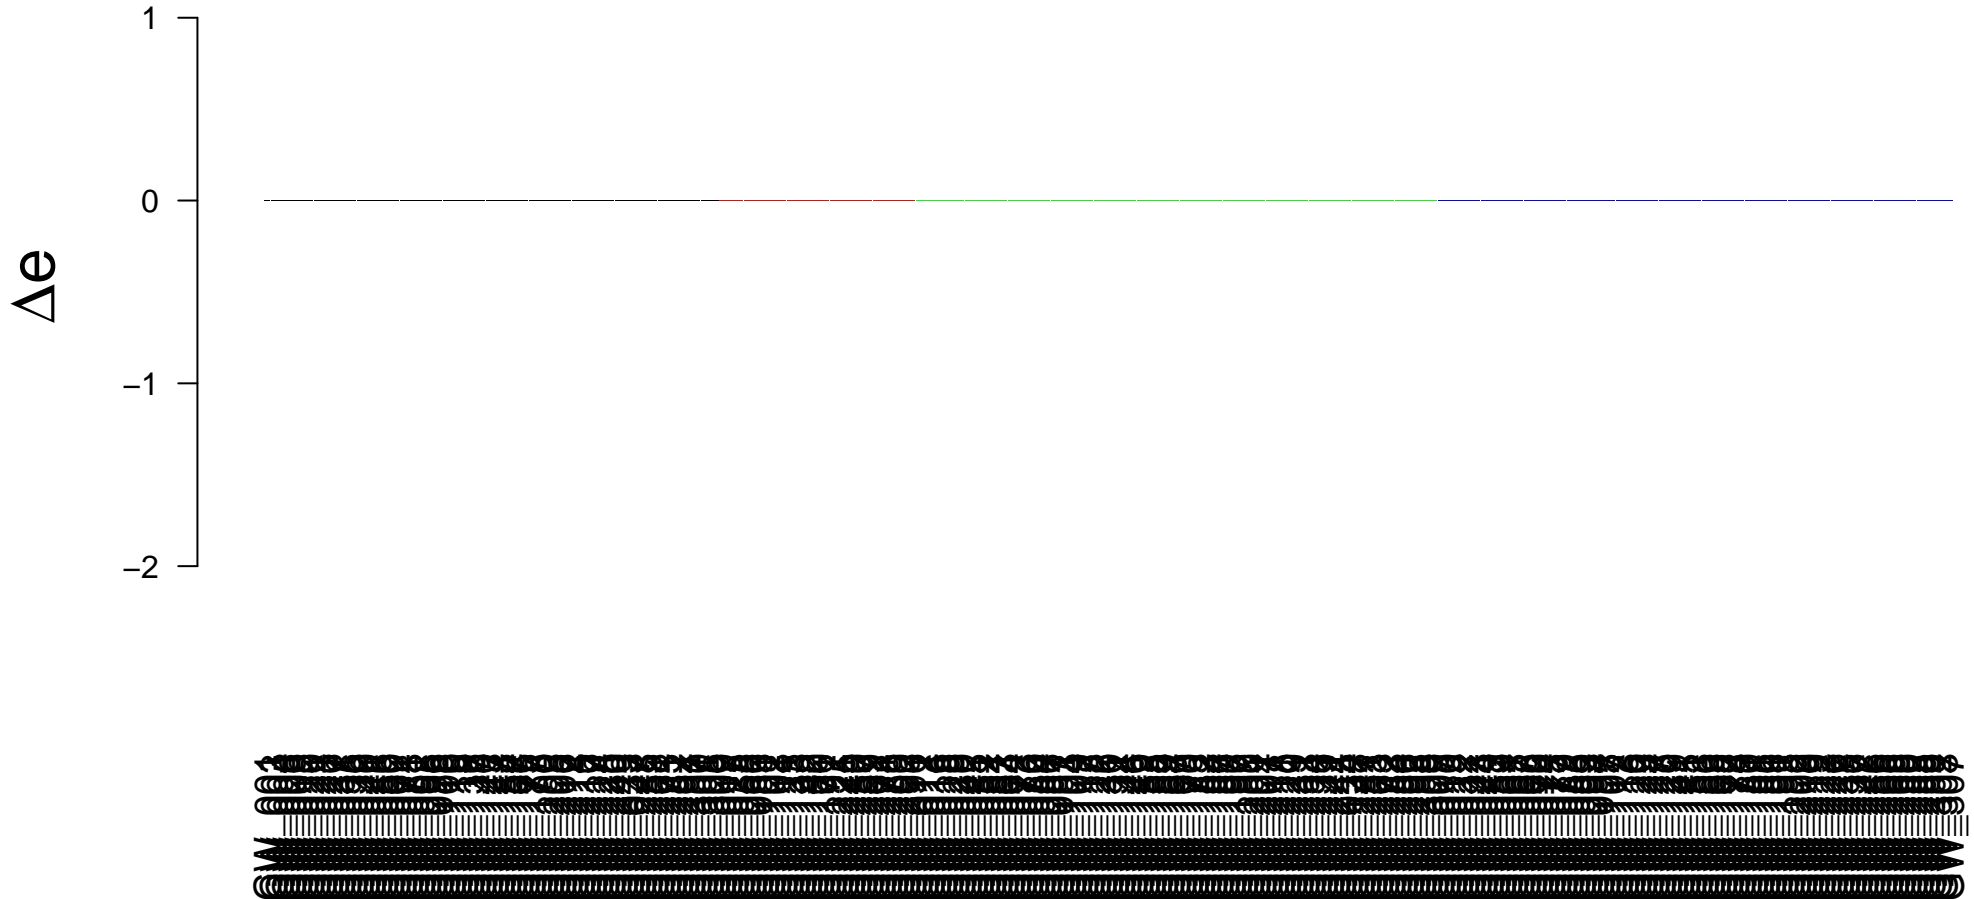

Expression of intermediate filament cytoskeleton organization in Spot B

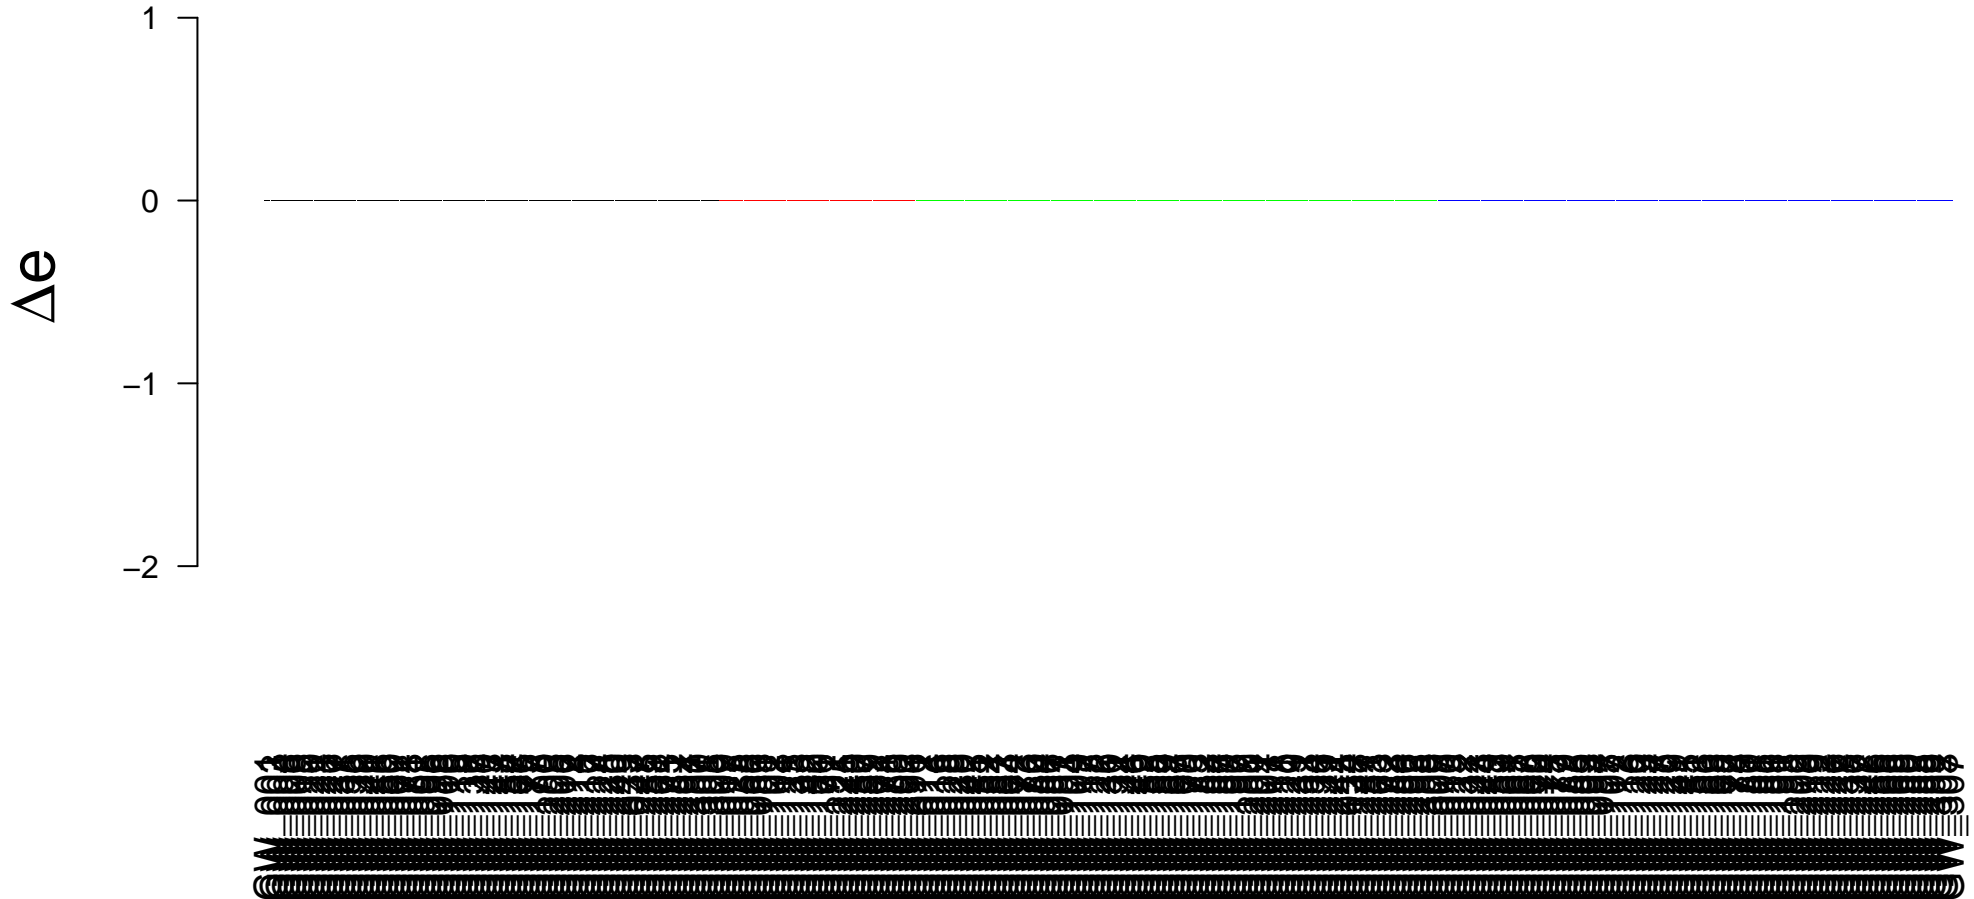

Expression of intermediate filament cytoskeleton organization in Spot C

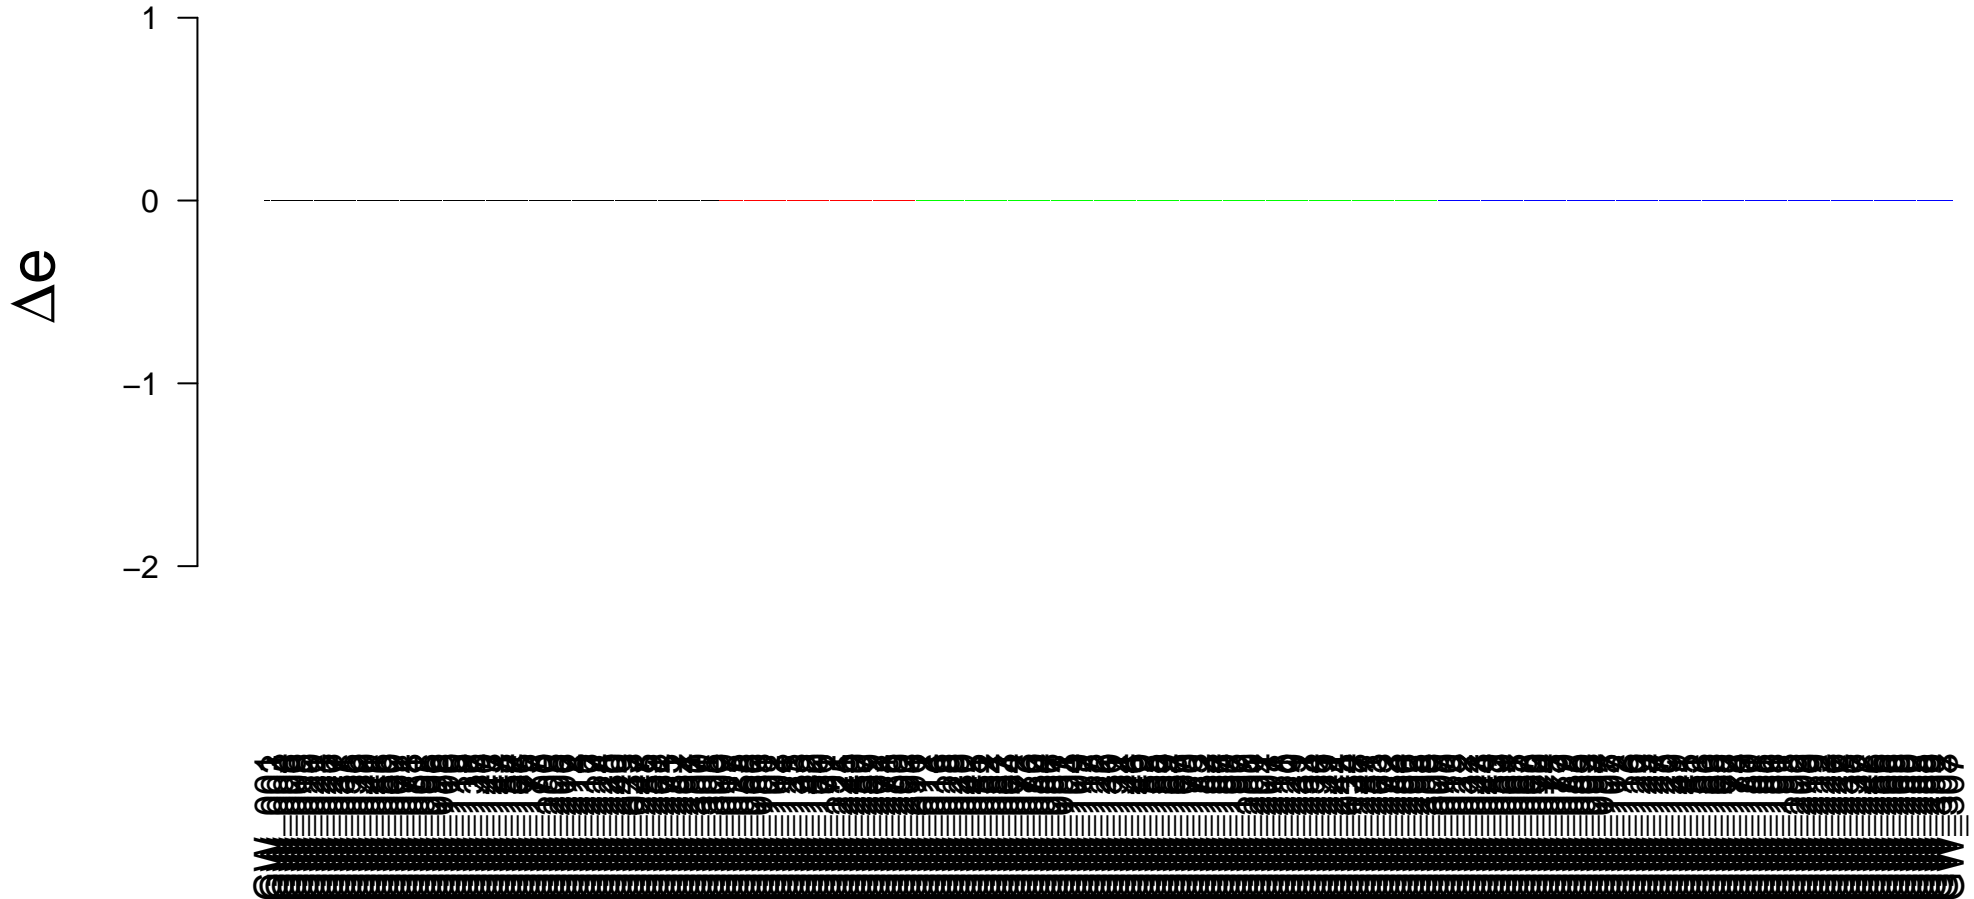

Expression of intermediate filament cytoskeleton organization in Spot D

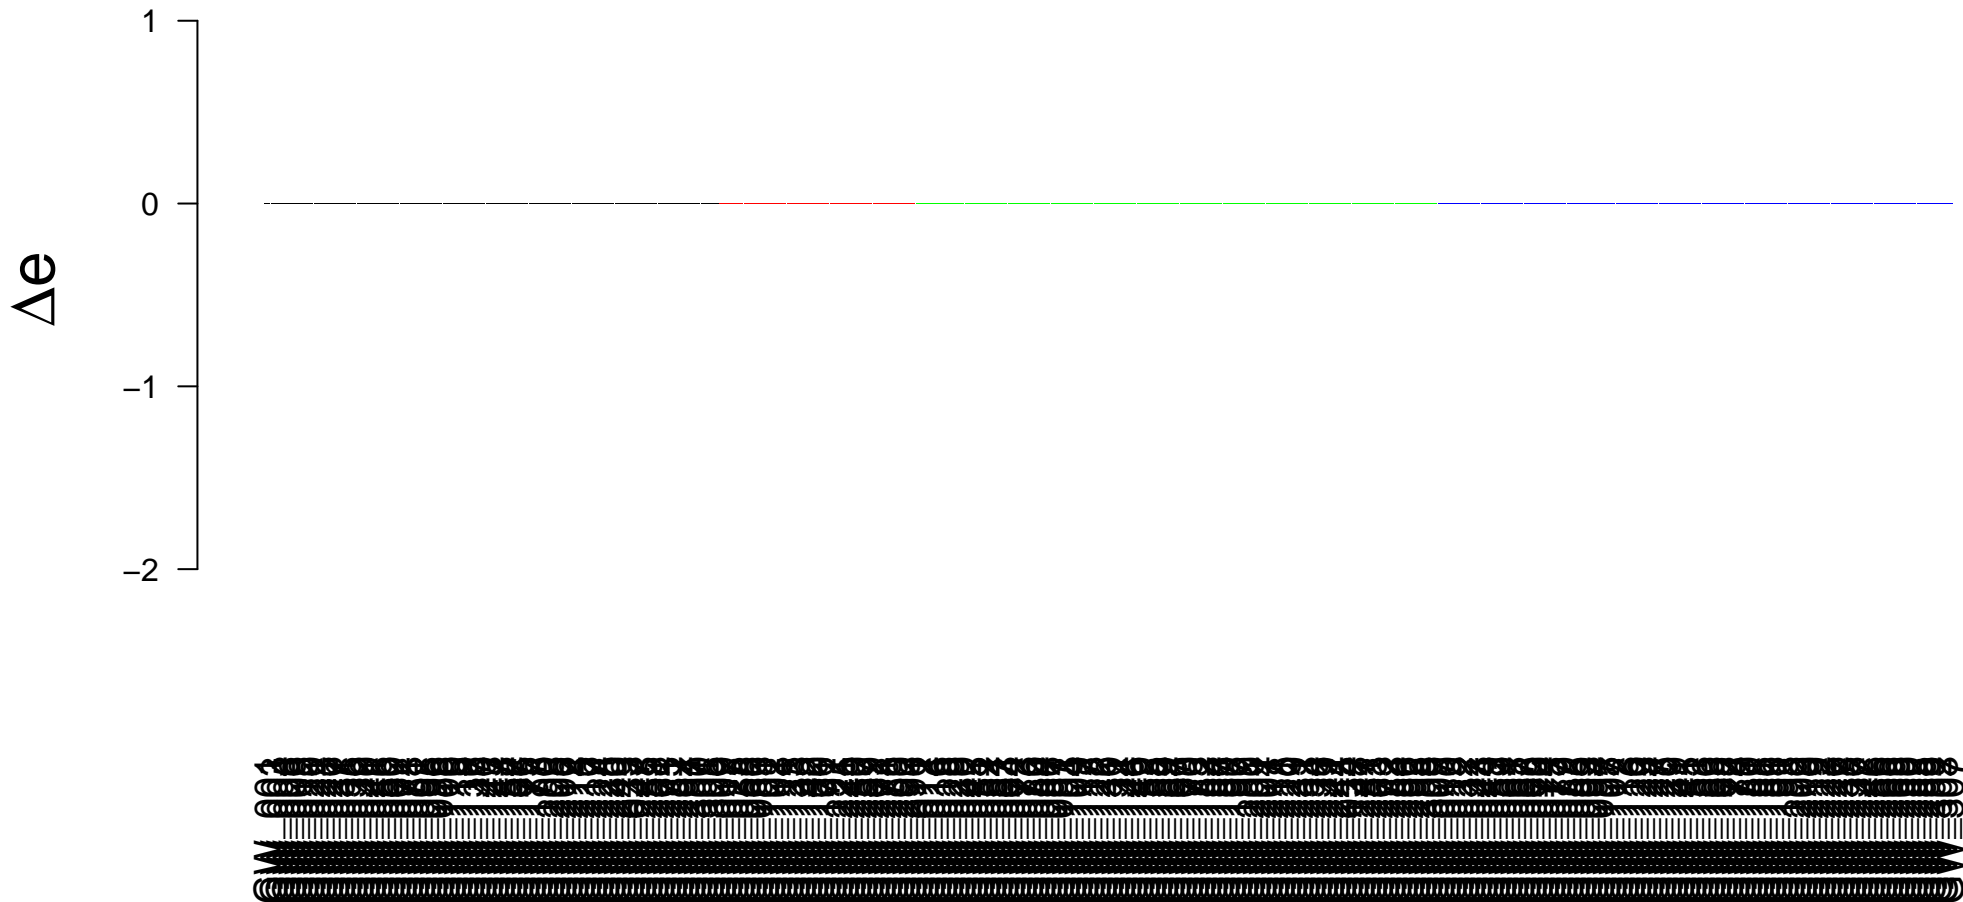

Expression of intermediate filament cytoskeleton organization in Spot E

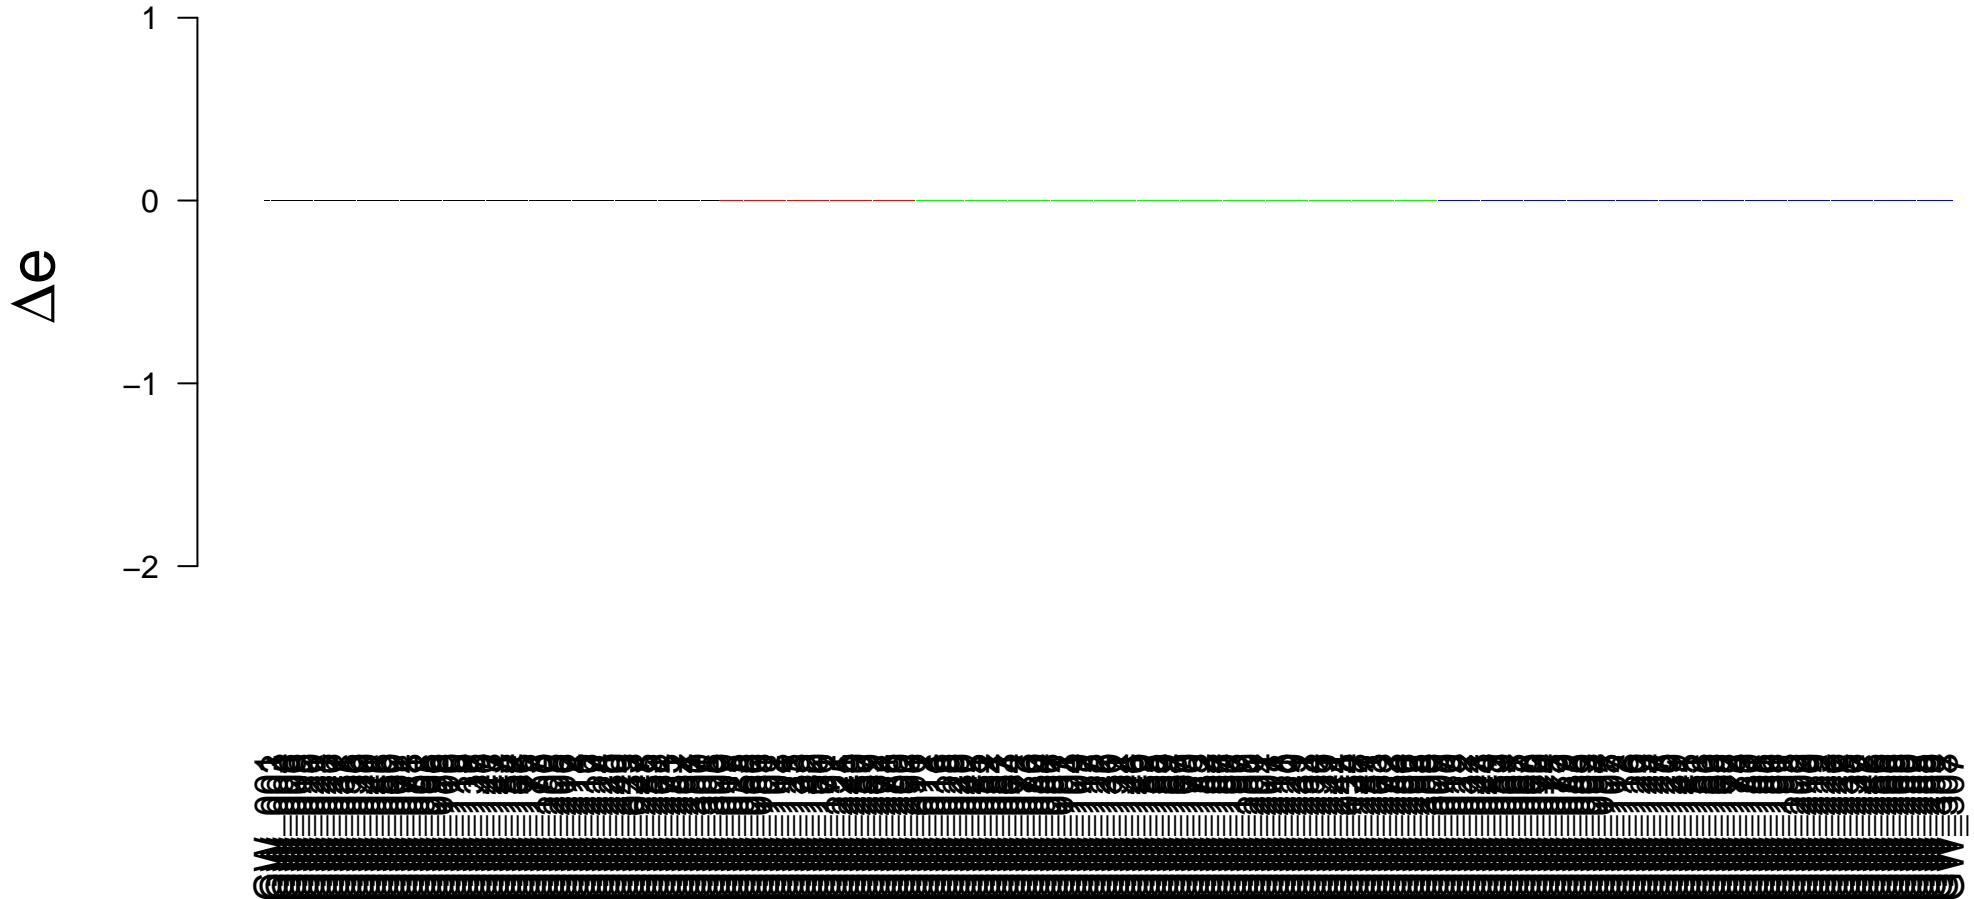

Expression of intermediate filament cytoskeleton organization in Spot F

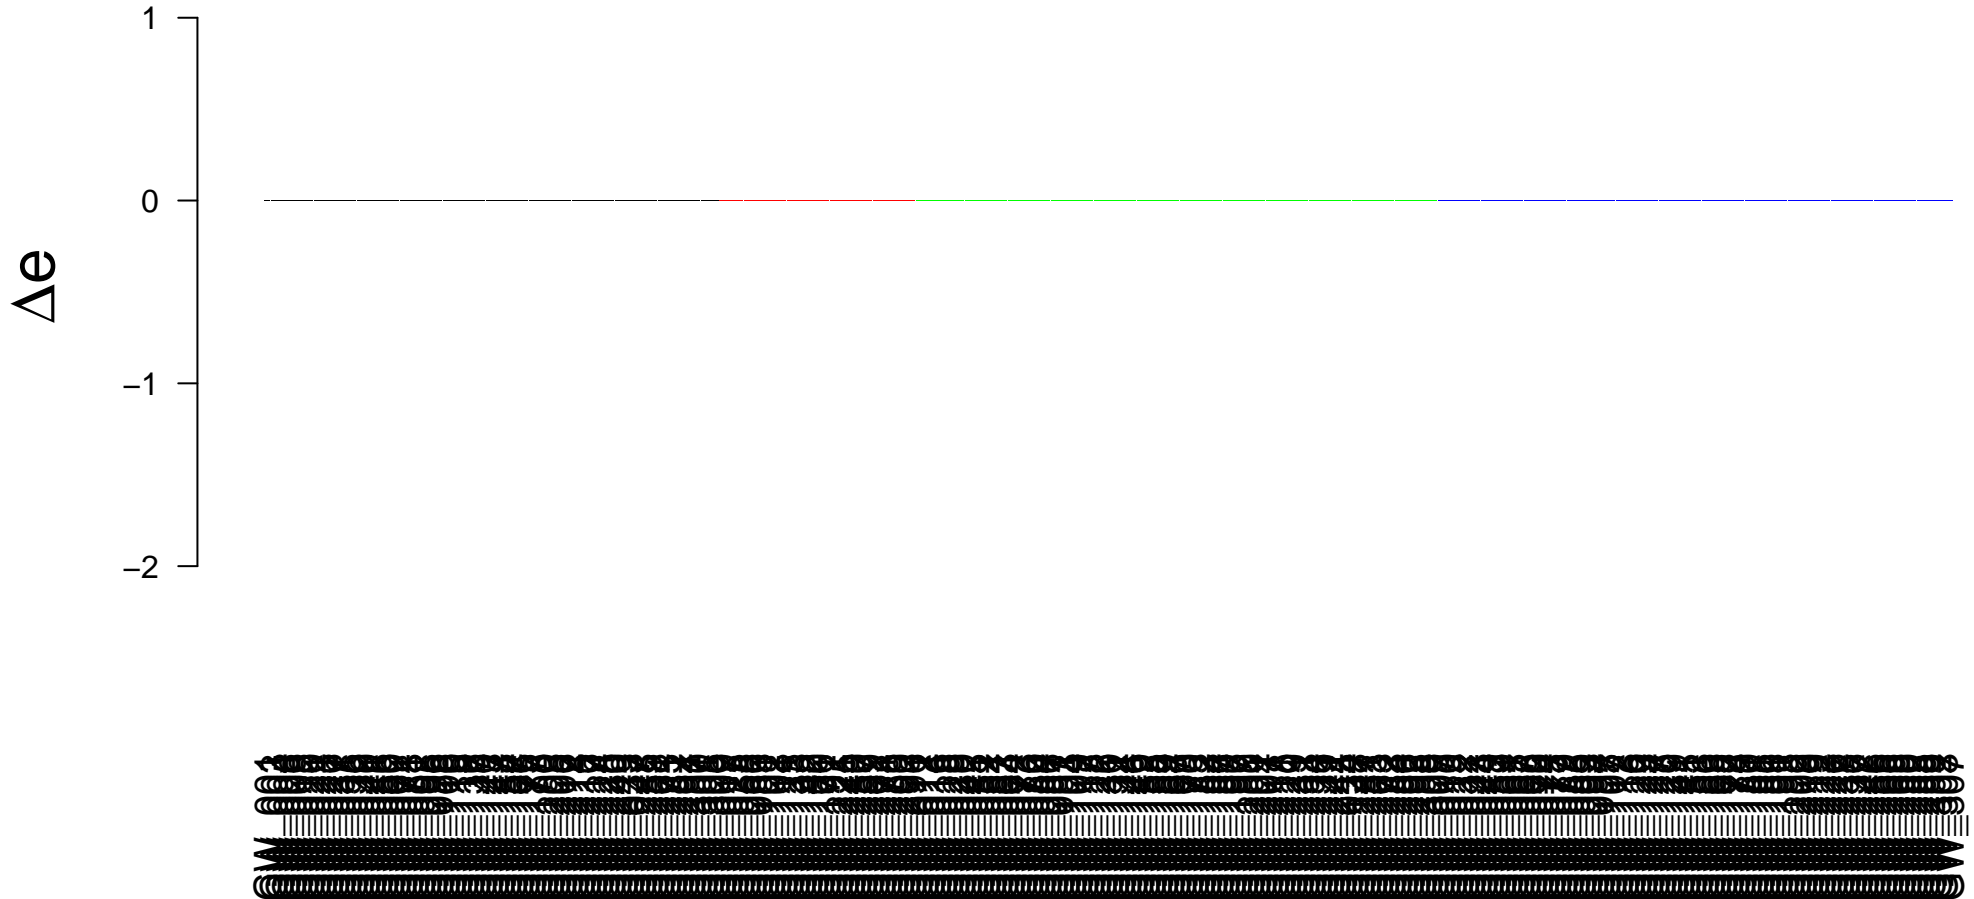

Expression of intermediate filament cytoskeleton organization in Spot G

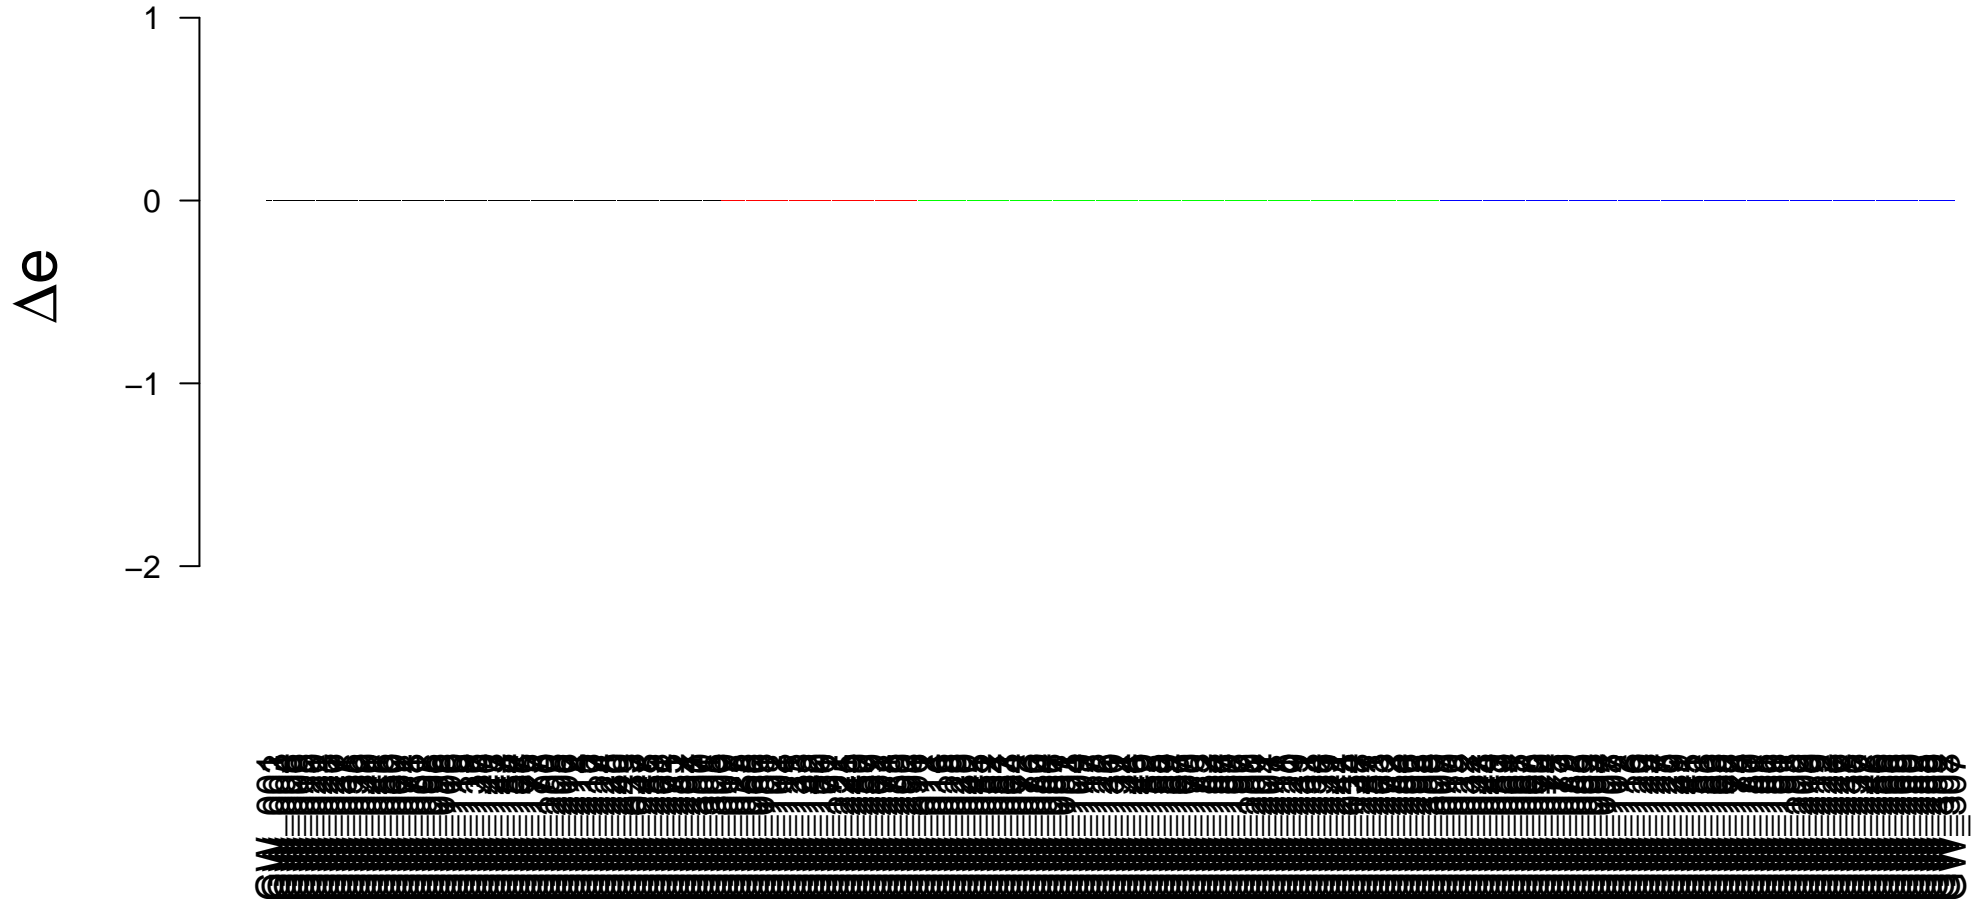

Expression of intermediate filament cytoskeleton organization in Spot H

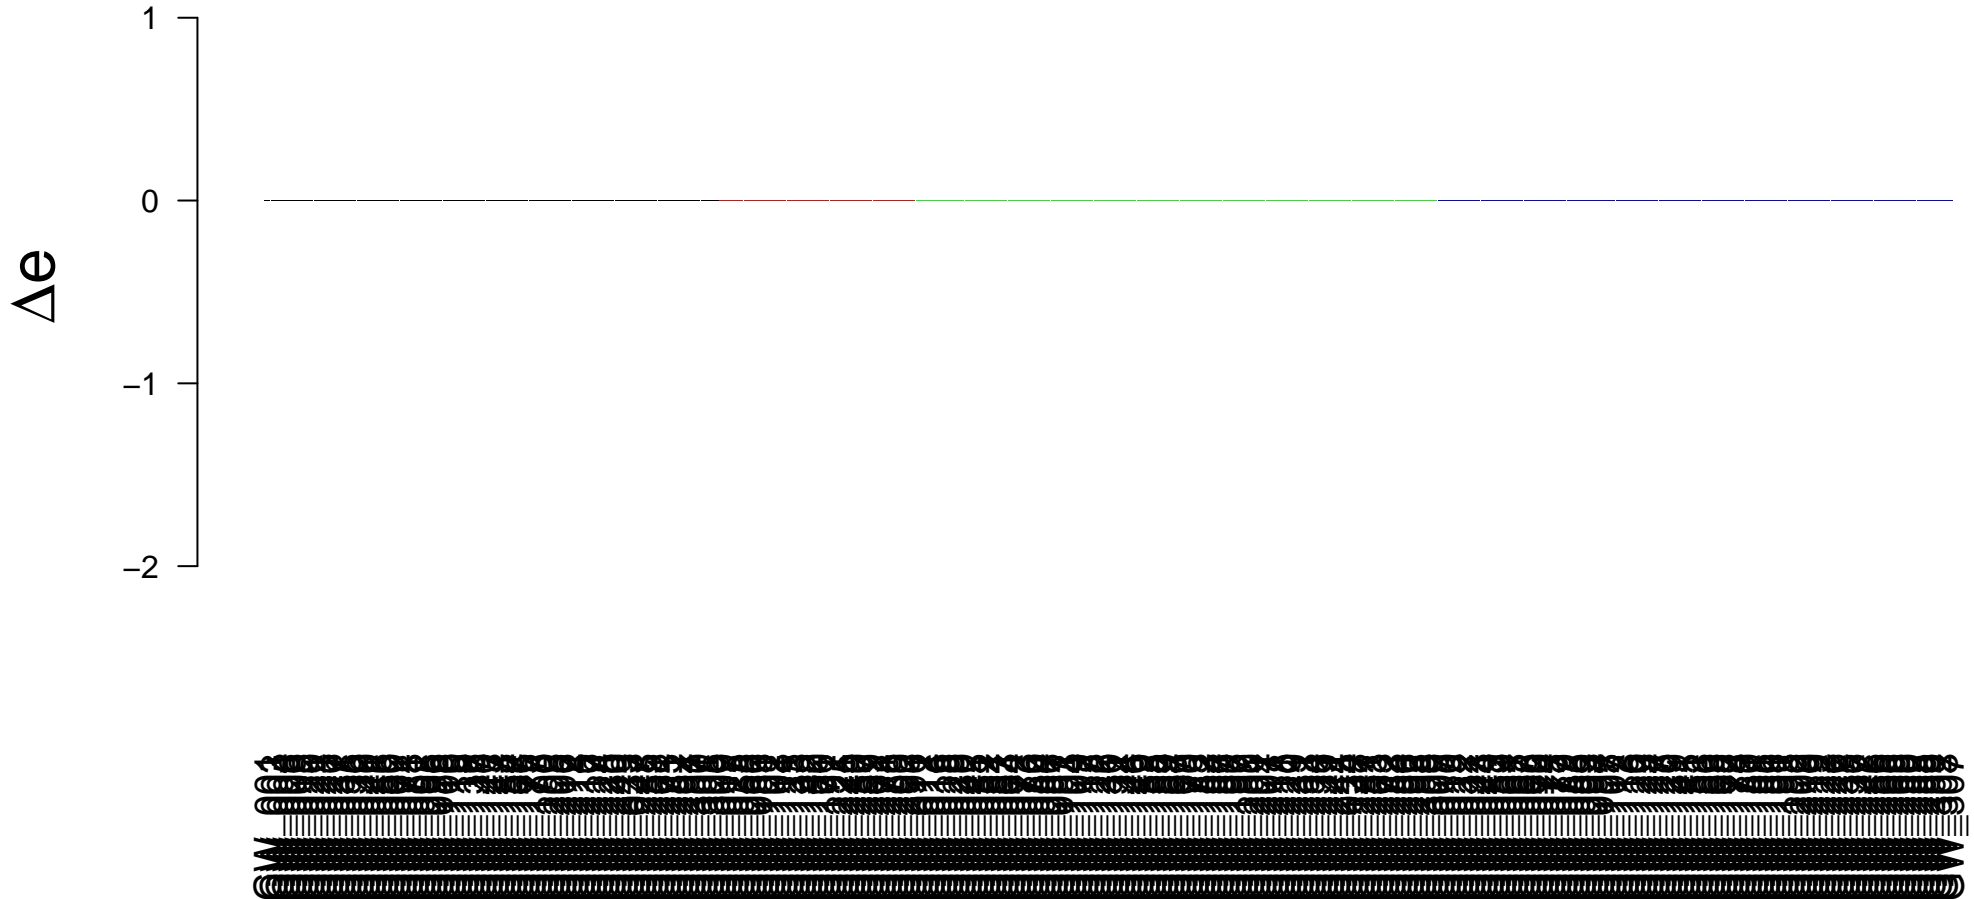

Expression of intermediate filament cytoskeleton organization in Spot I

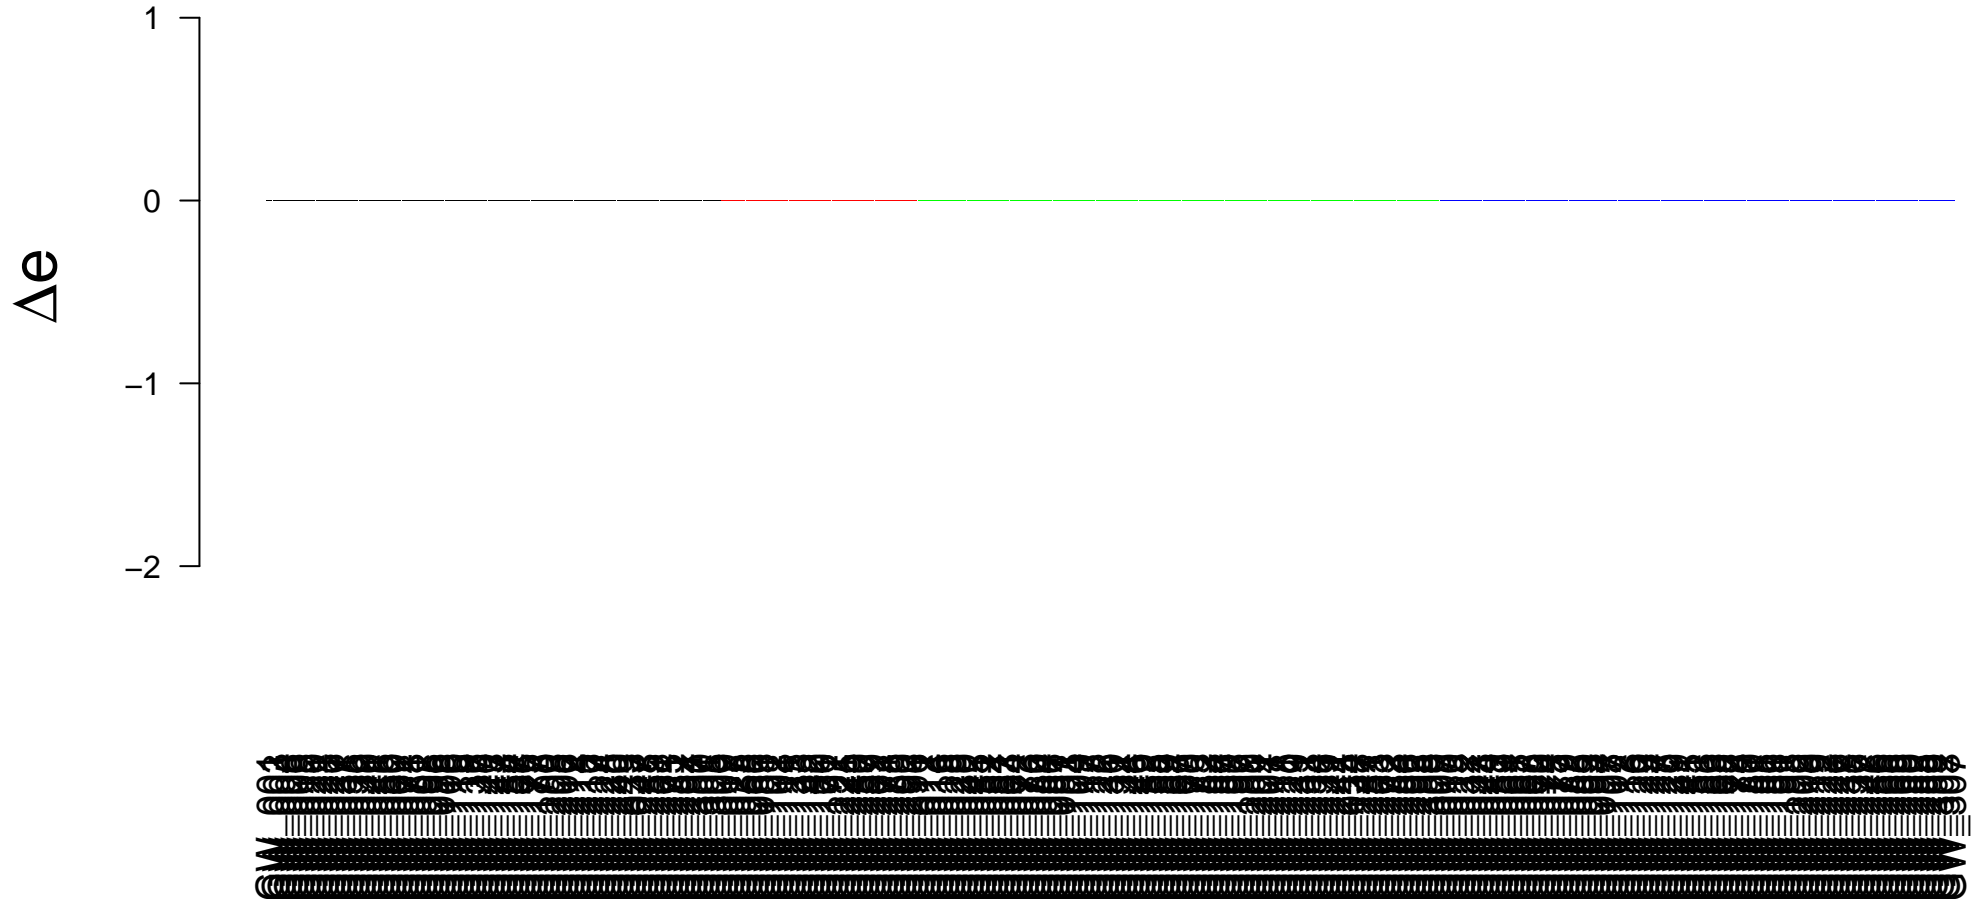

Expression of intermediate filament cytoskeleton organization in Spot J

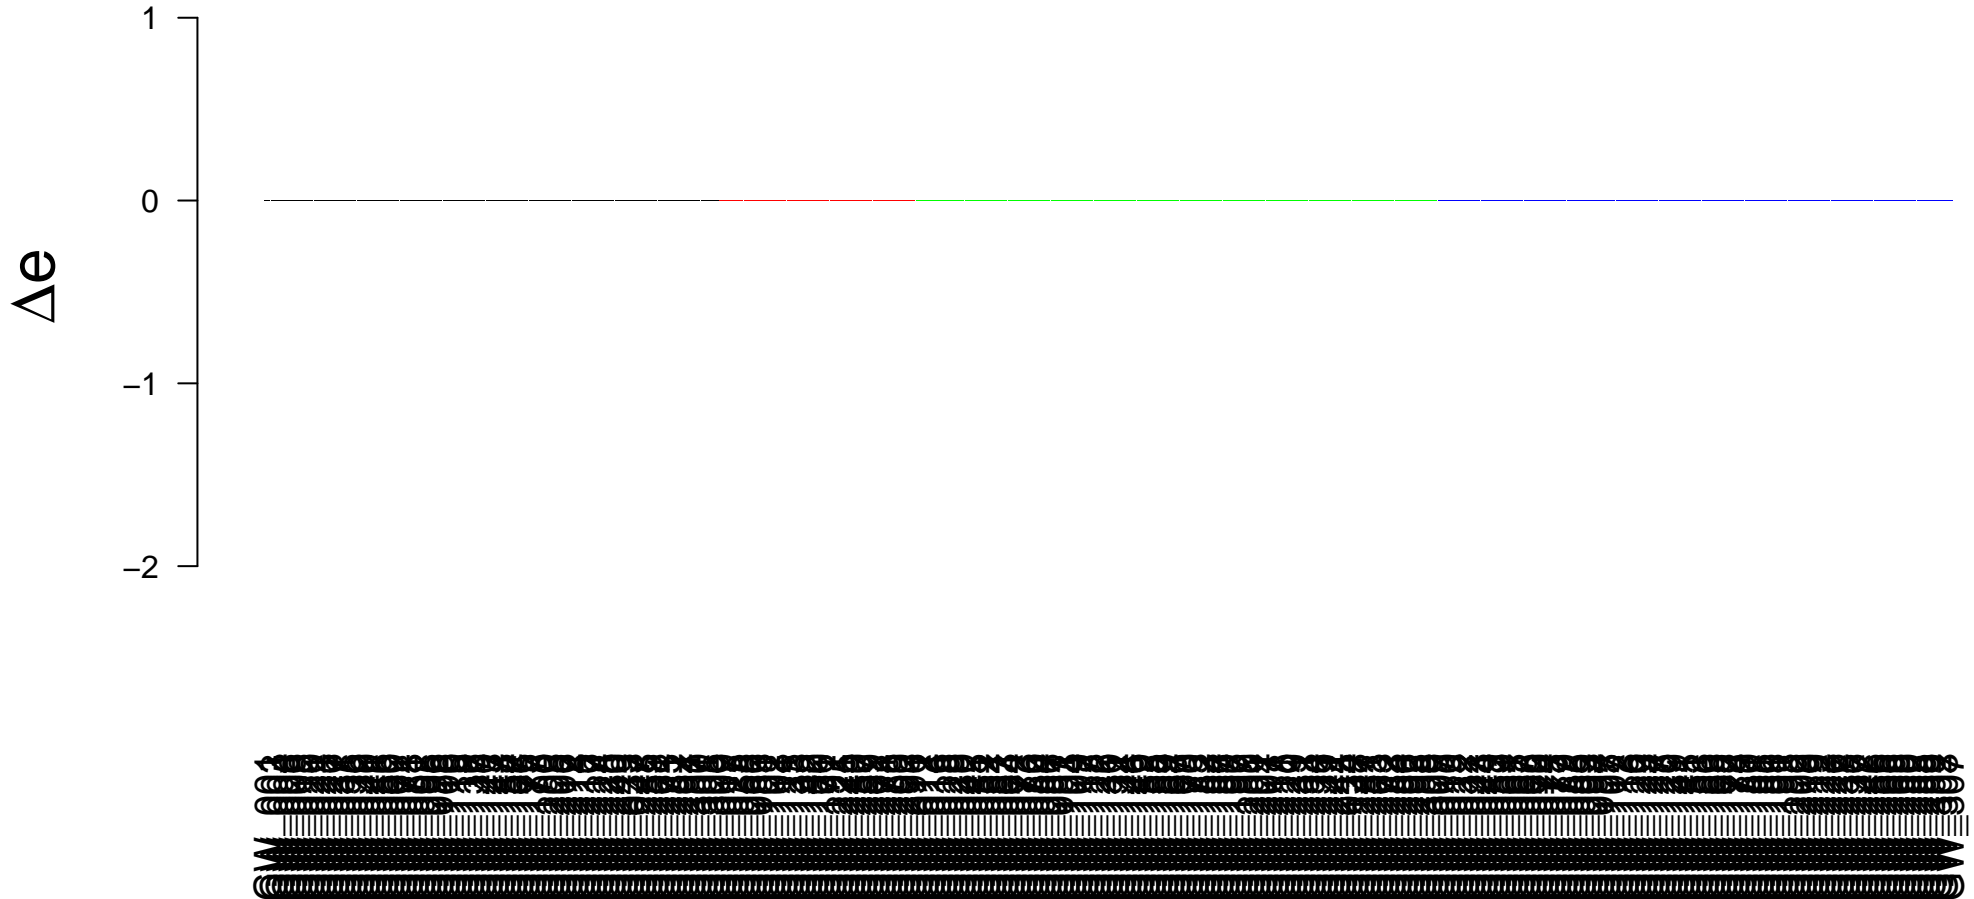

Expression of intermediate filament cytoskeleton organization in Spot K

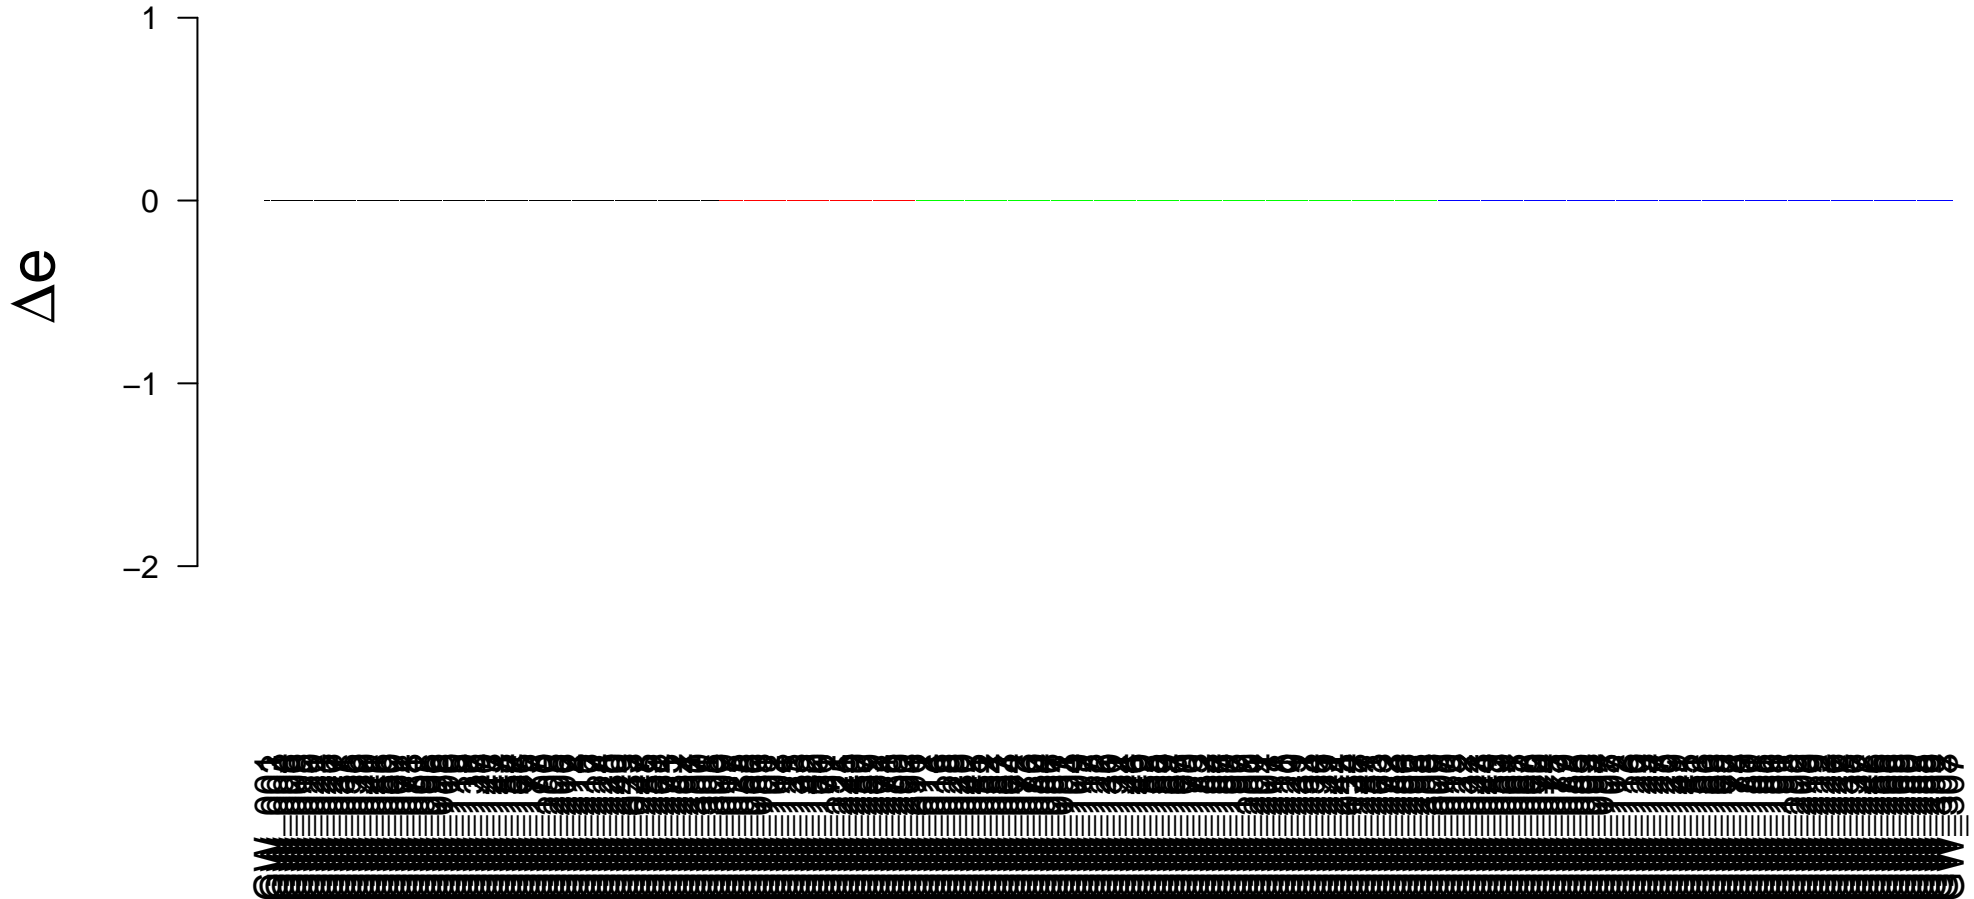

Expression of intermediate filament cytoskeleton organization in Spot L

Expression of intermediate filament cytoskeleton organization in Spot M

Expression of intermediate filament cytoskeleton organization in Spot N

Expression of intermediate filament cytoskeleton organization in Spot O
