

intracellular receptor signaling pathway

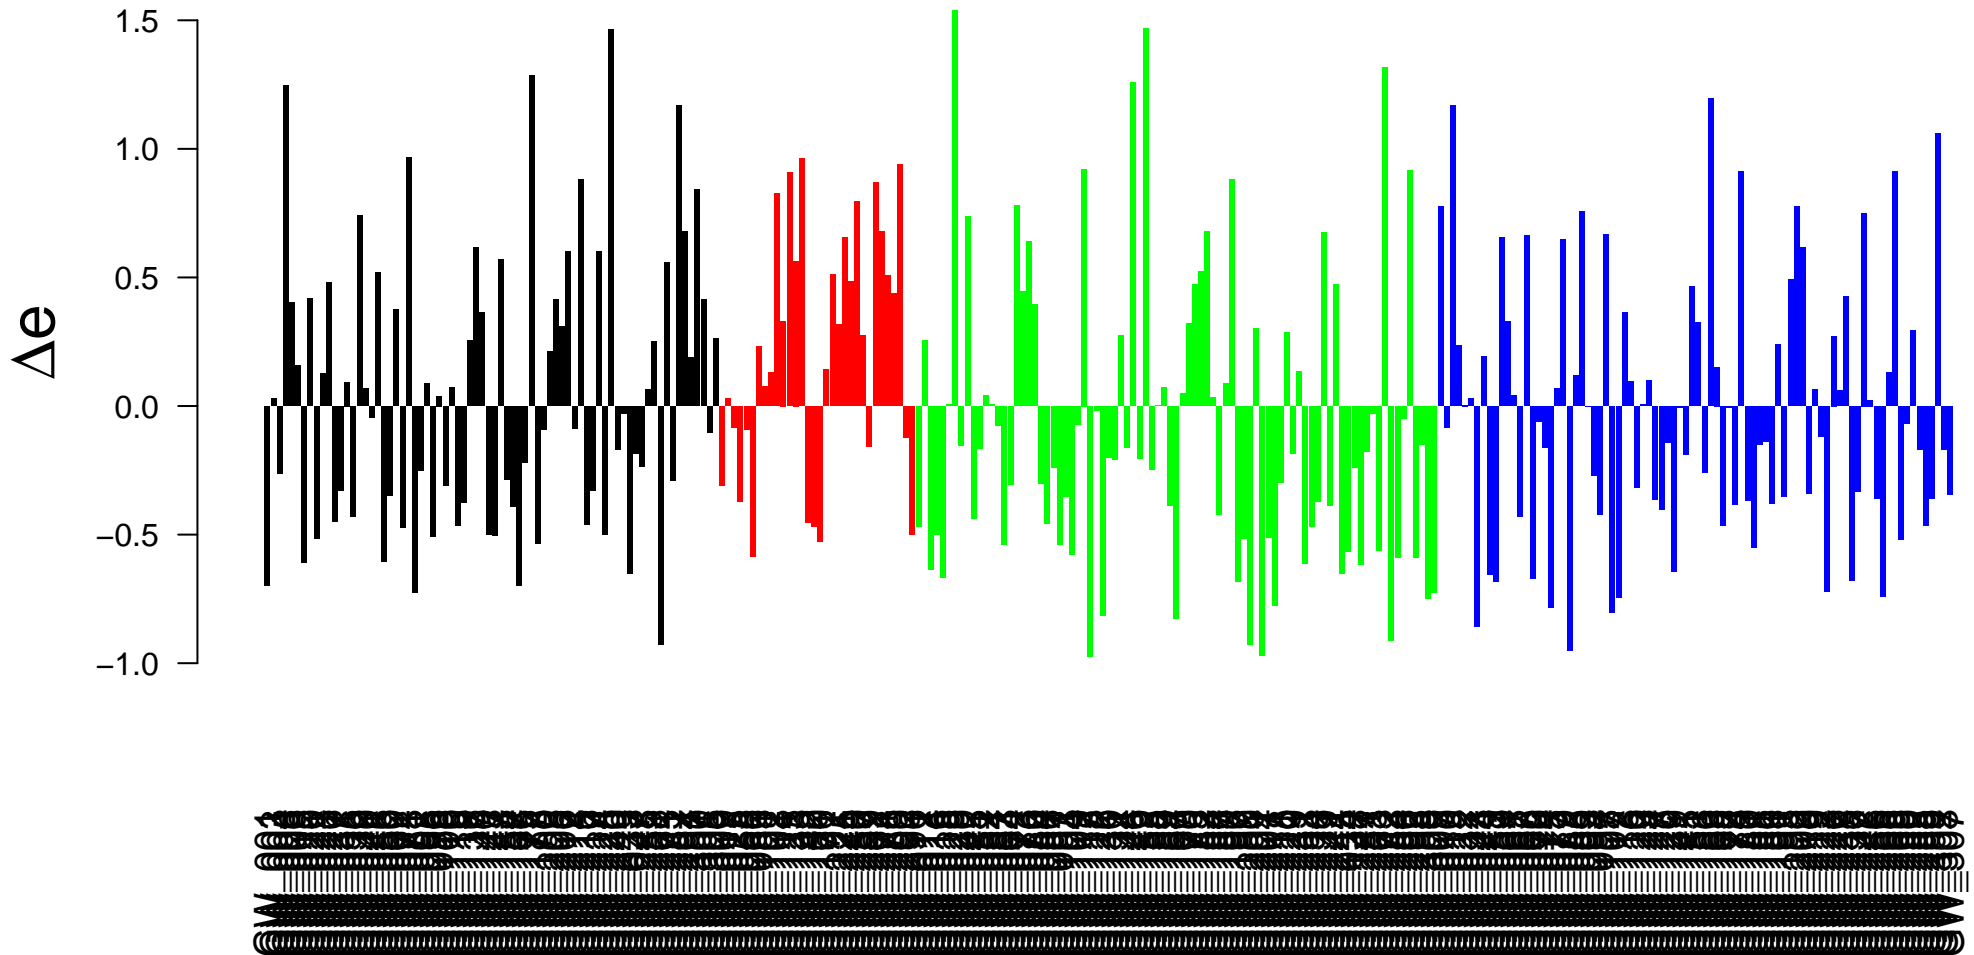

intracellular receptor signaling pathway

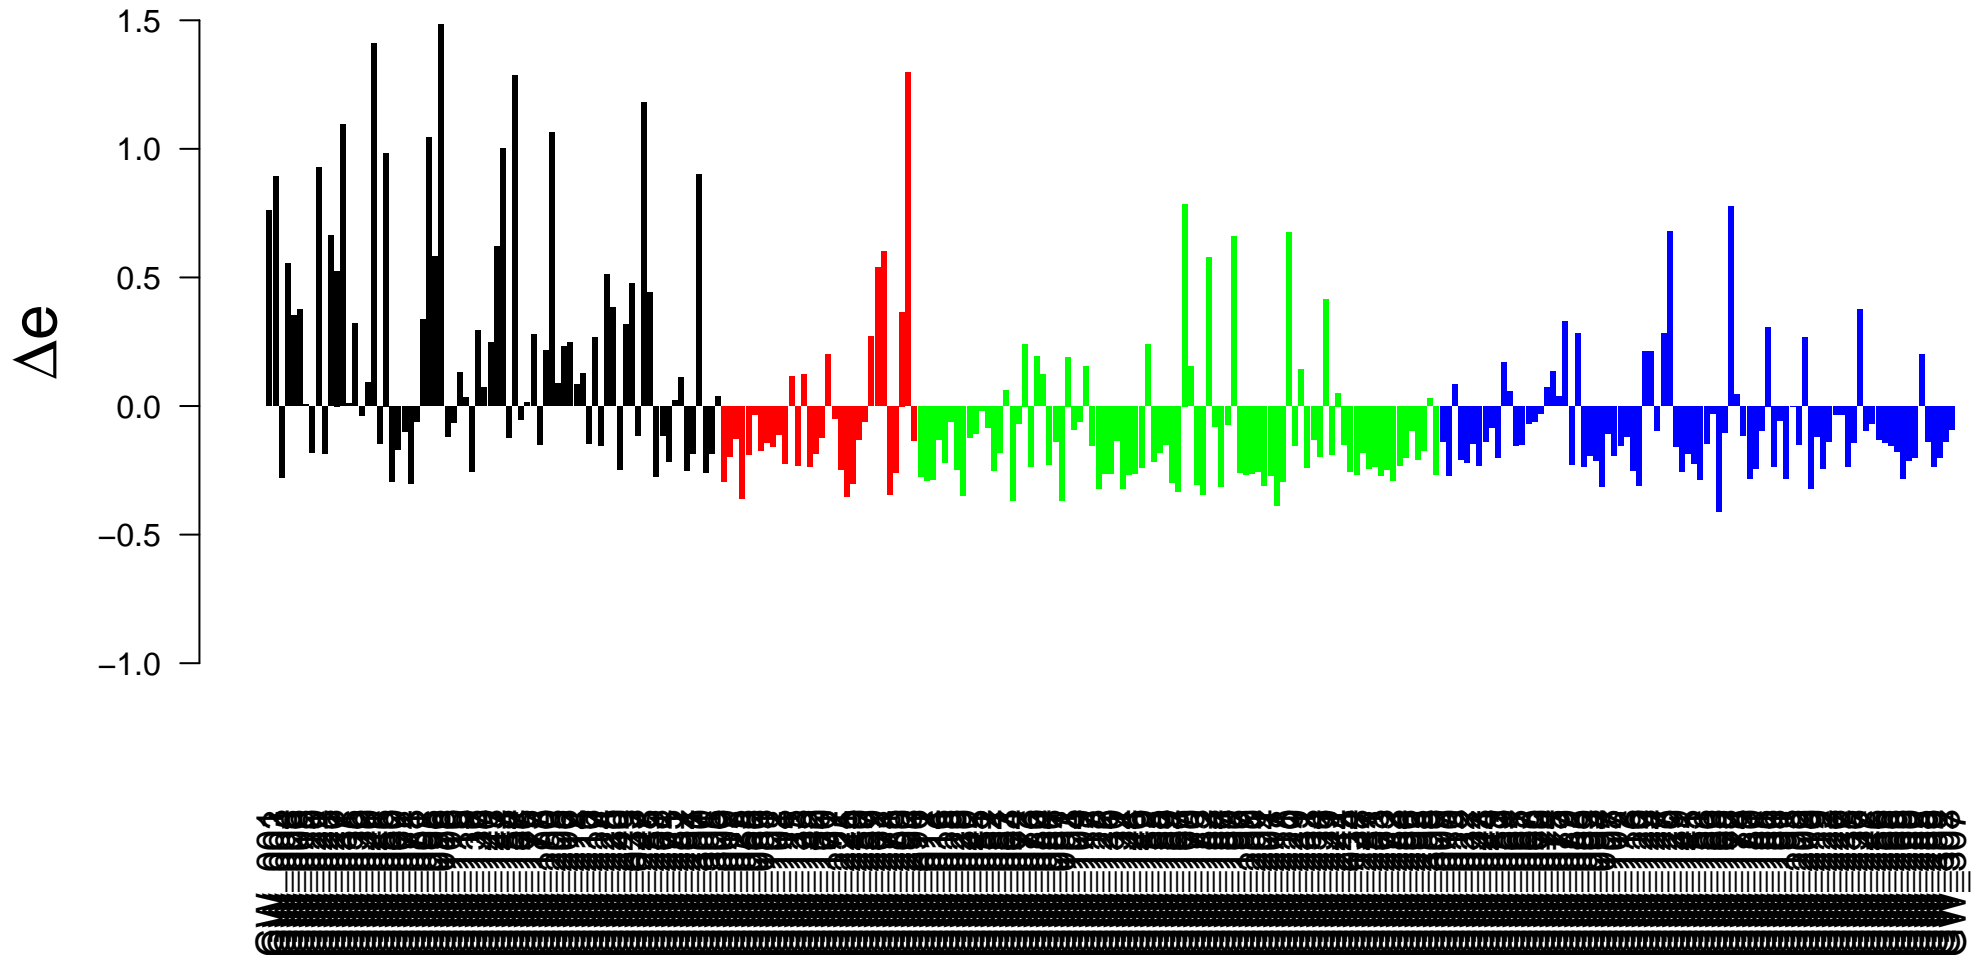

Enrichment in spots: intracellular receptor signaling pathway

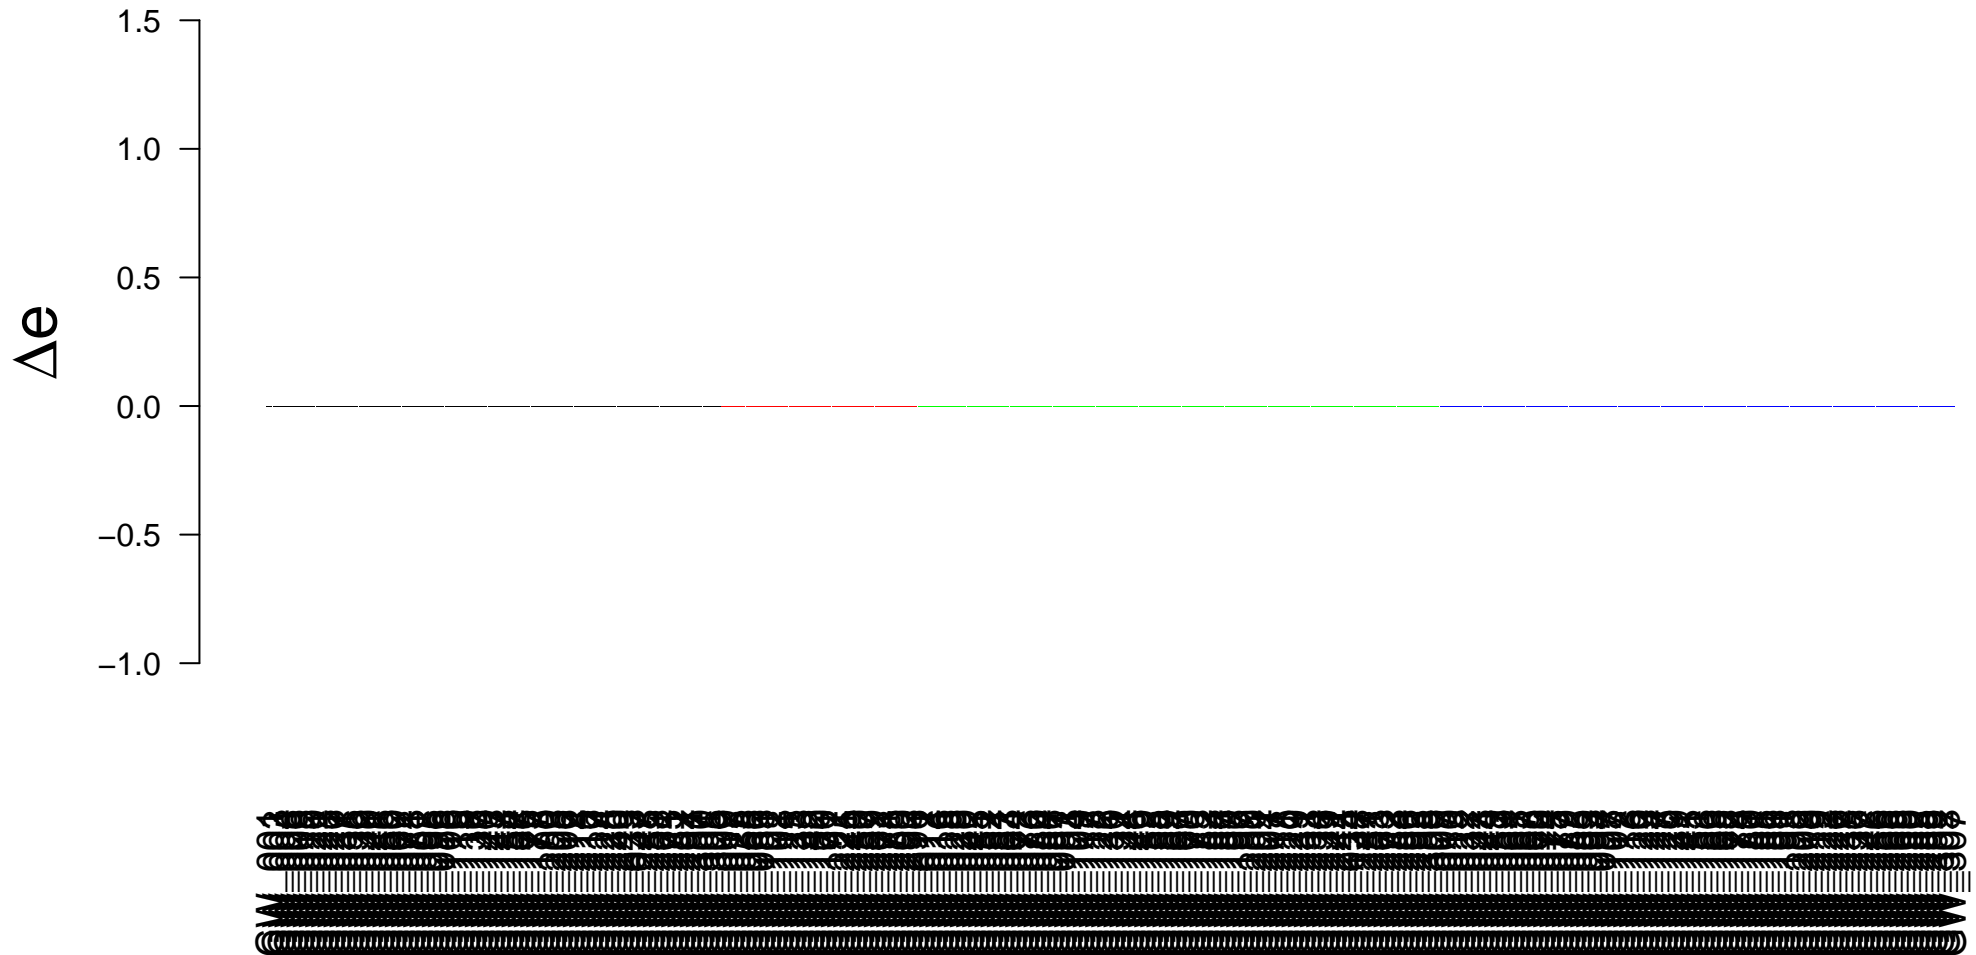

Expression of intracellular receptor signaling pathway in Spot A

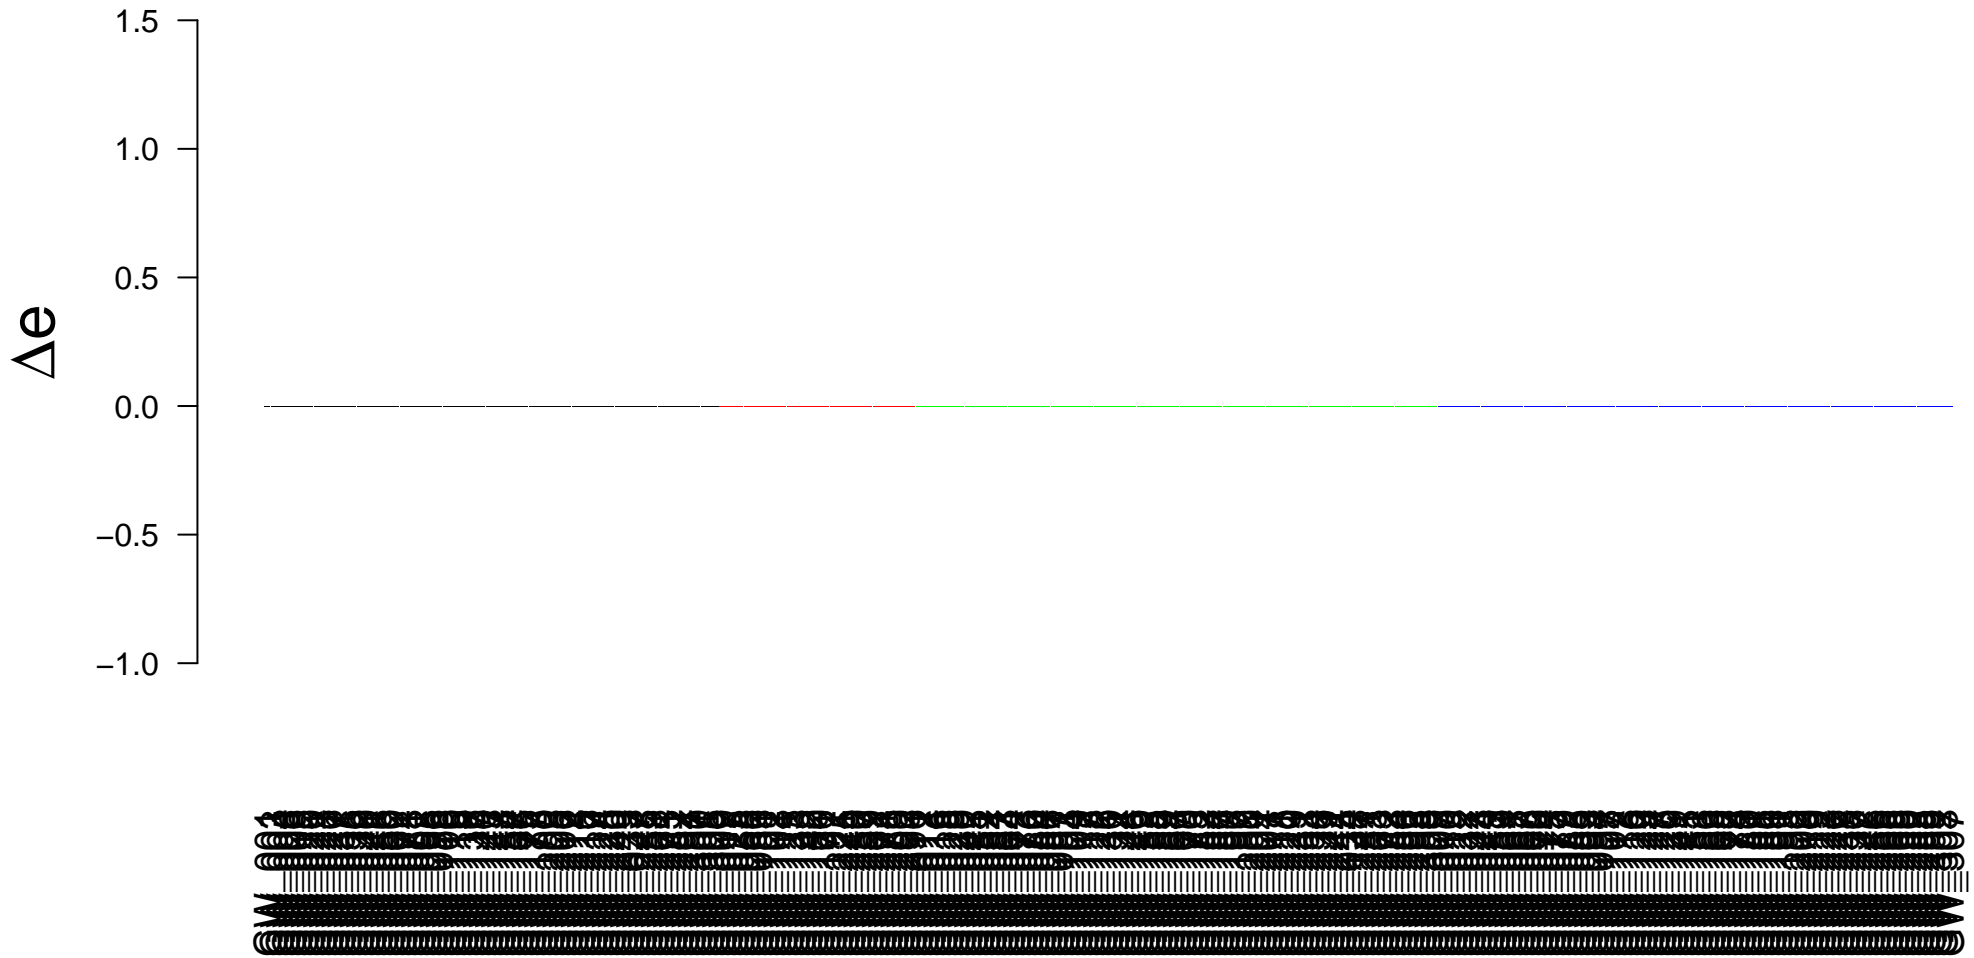

Expression of intracellular receptor signaling pathway in Spot B

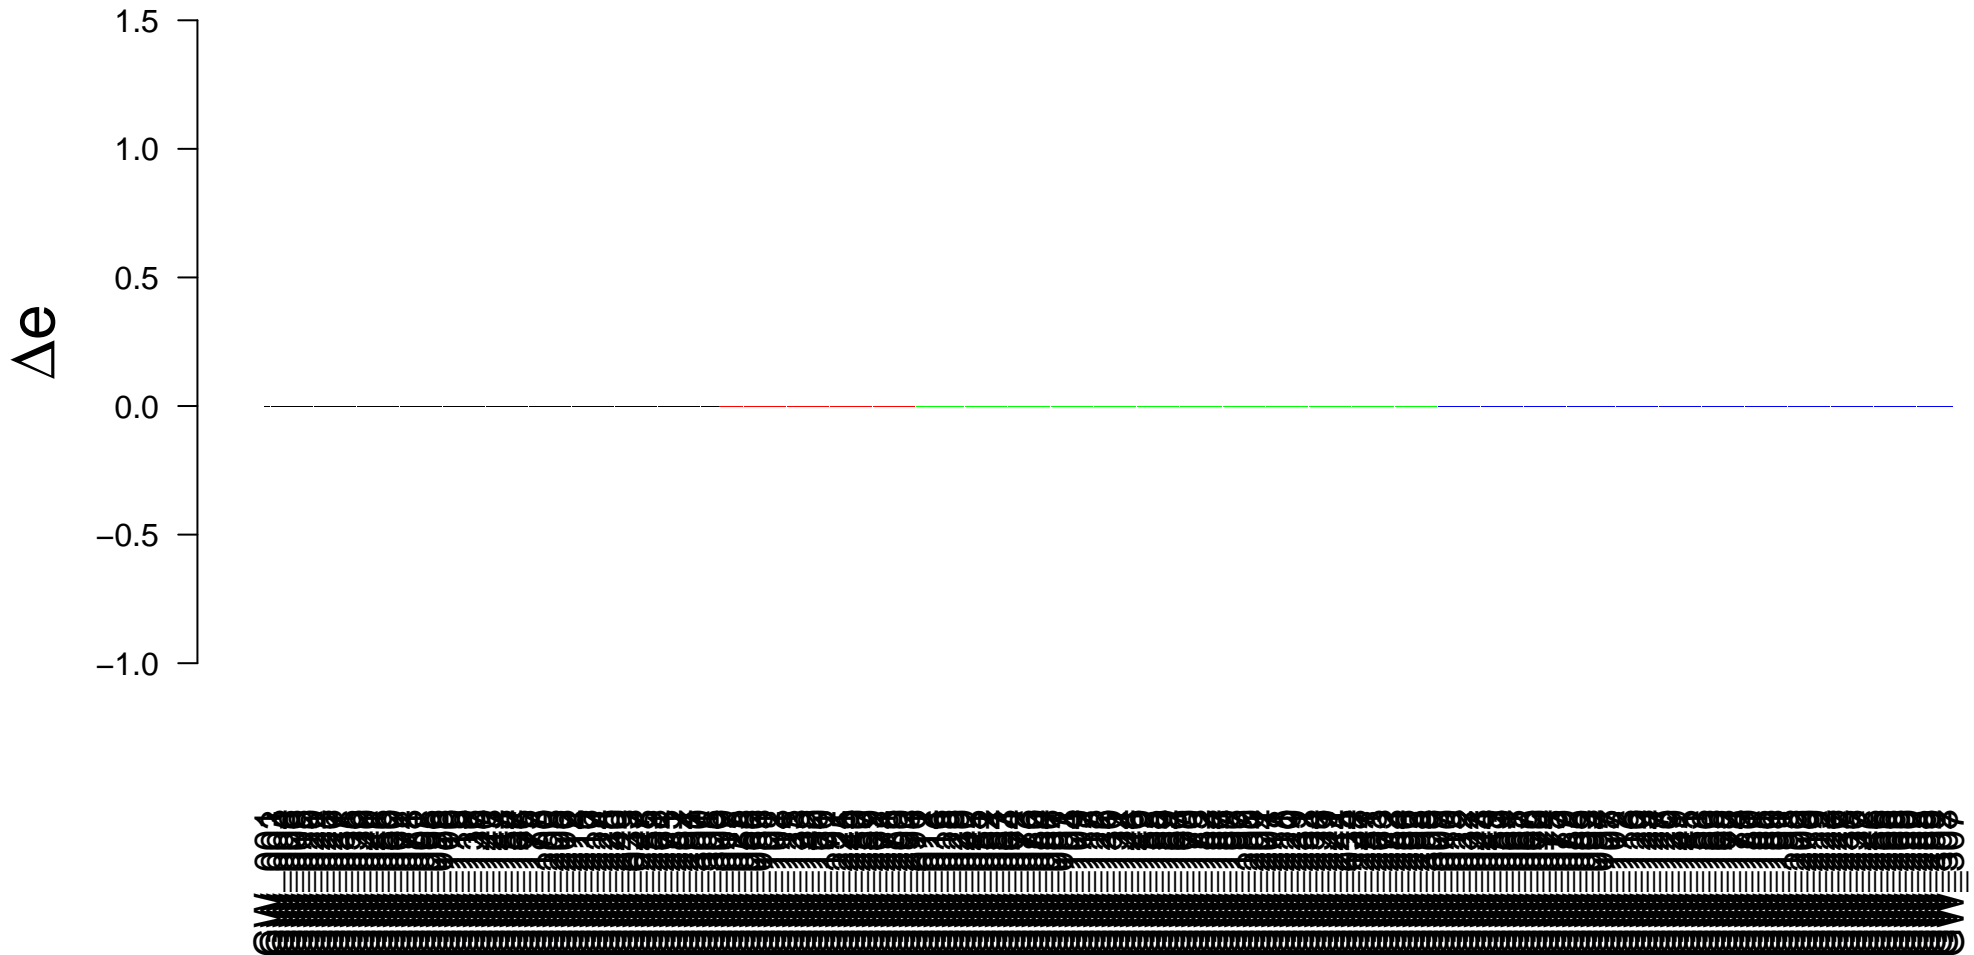

Expression of intracellular receptor signaling pathway in Spot C

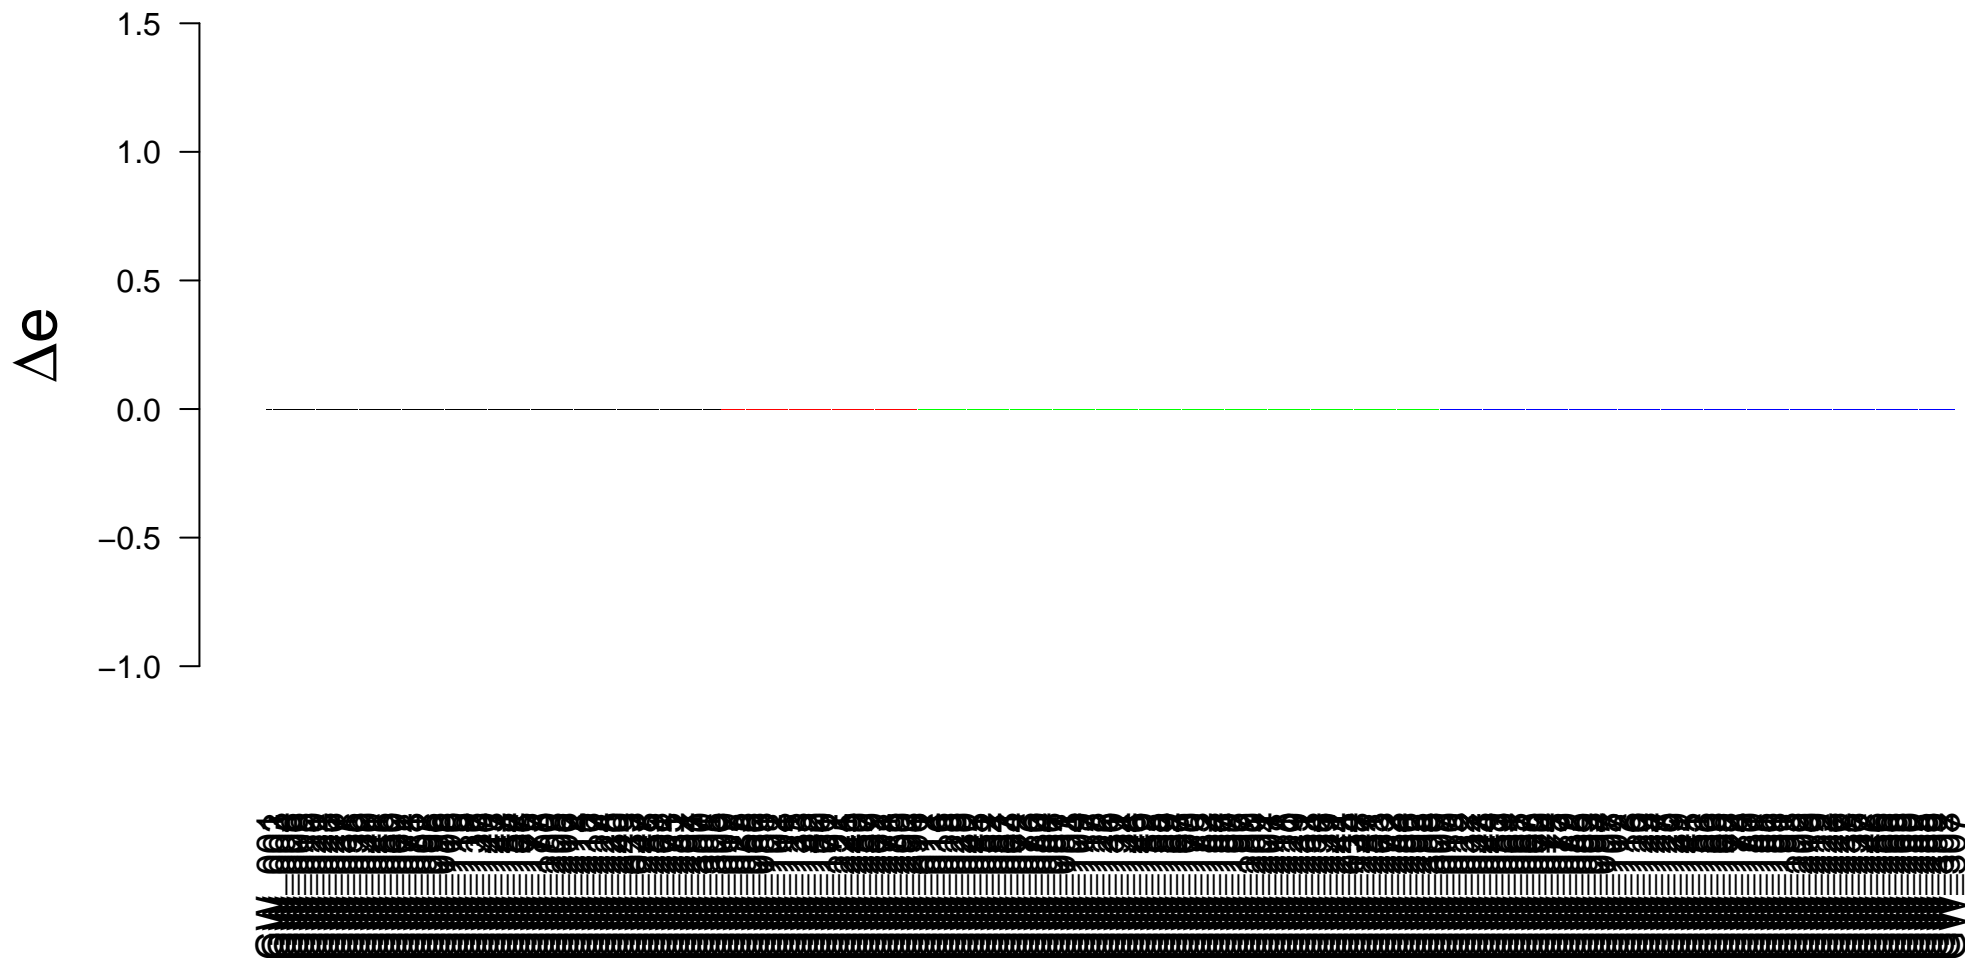

Expression of intracellular receptor signaling pathway in Spot D

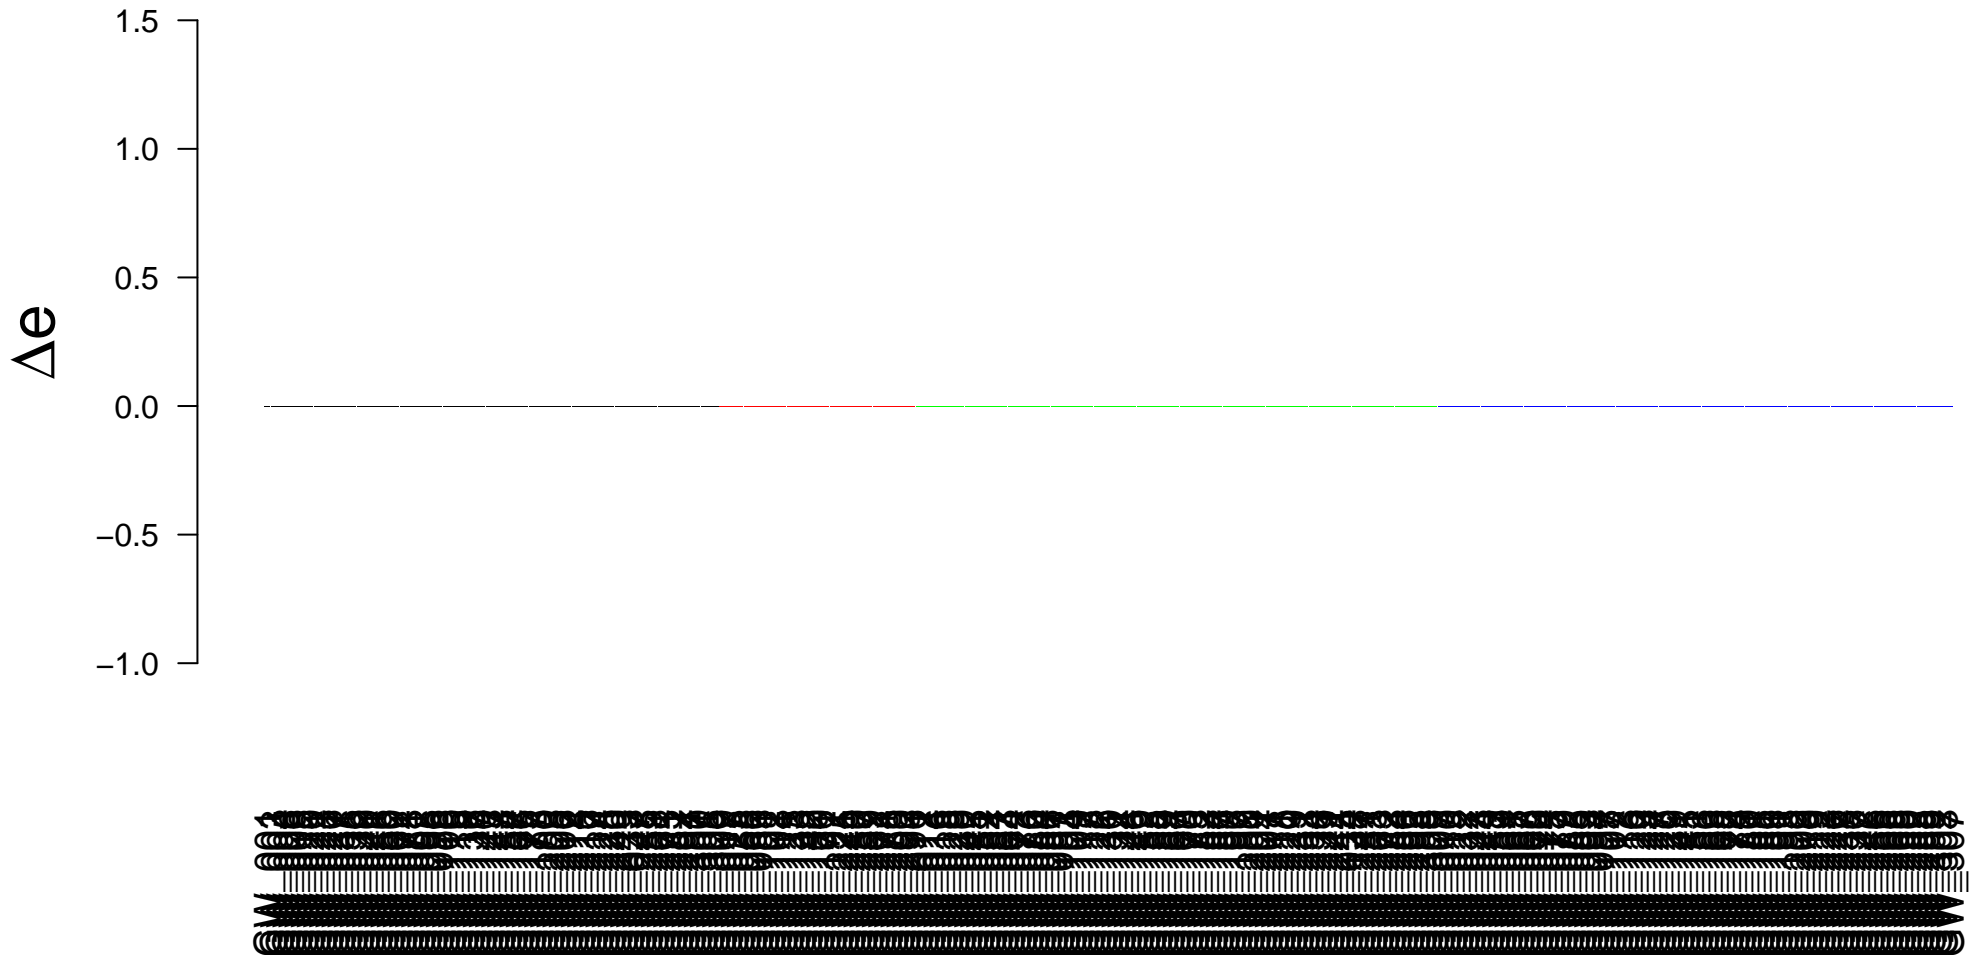

Expression of intracellular receptor signaling pathway in Spot E

Expression of intracellular receptor signaling pathway in Spot F

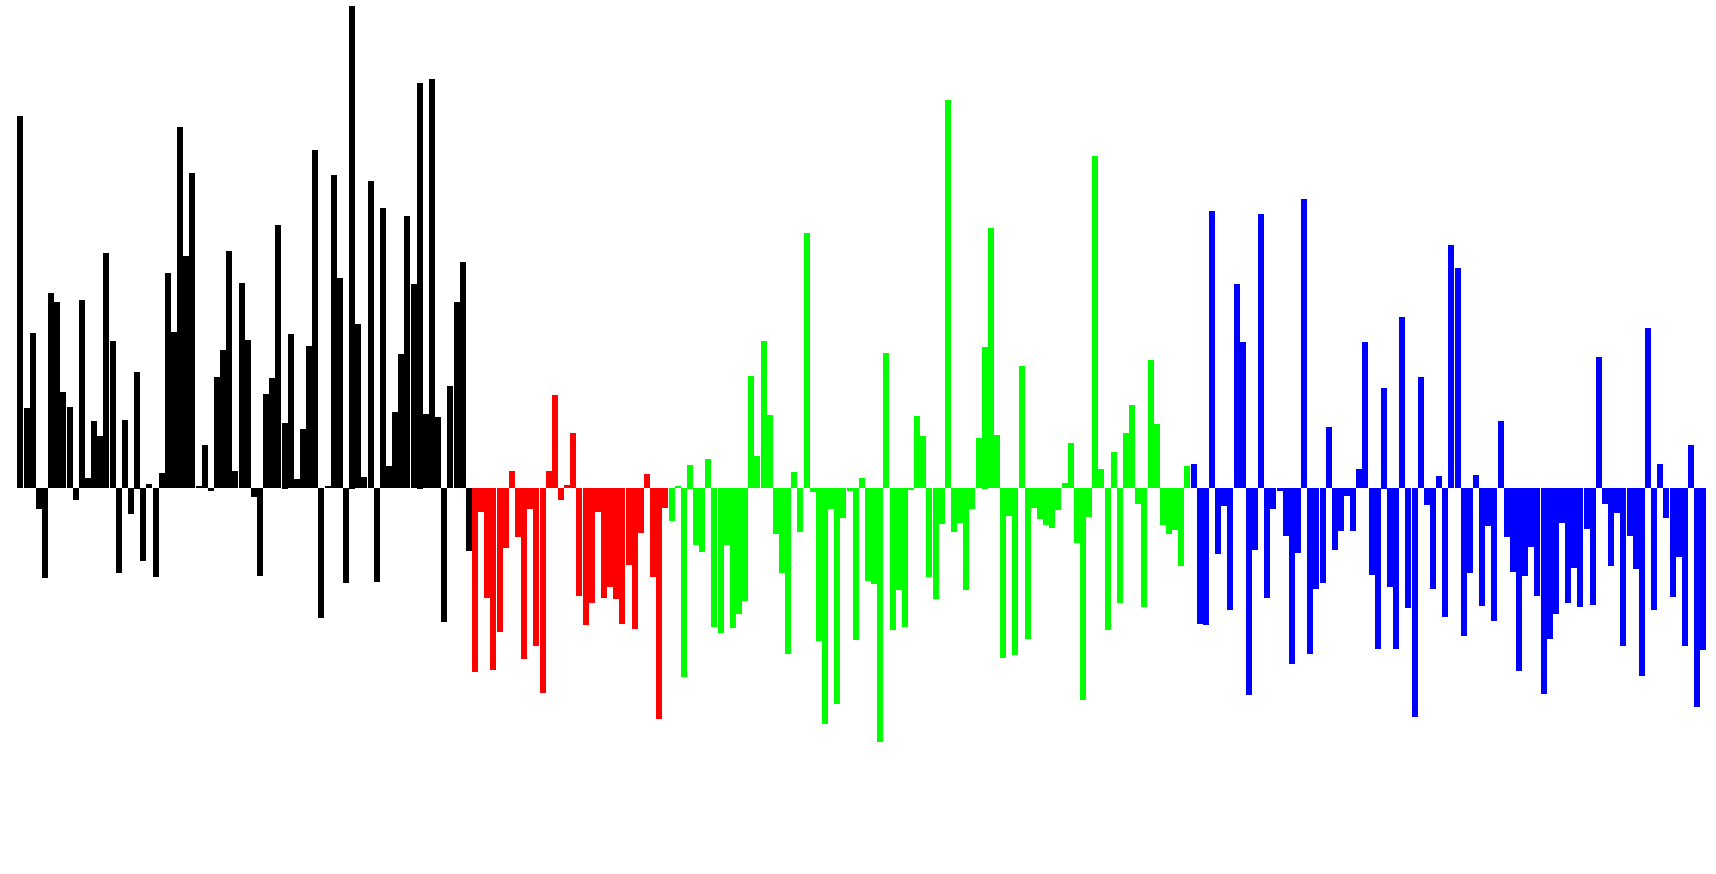

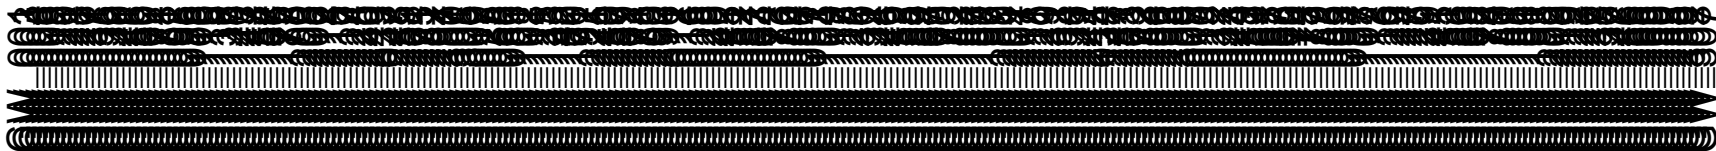

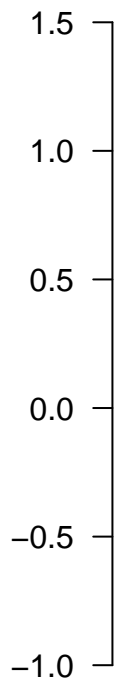

Expression of intracellular receptor signaling pathway in Spot G

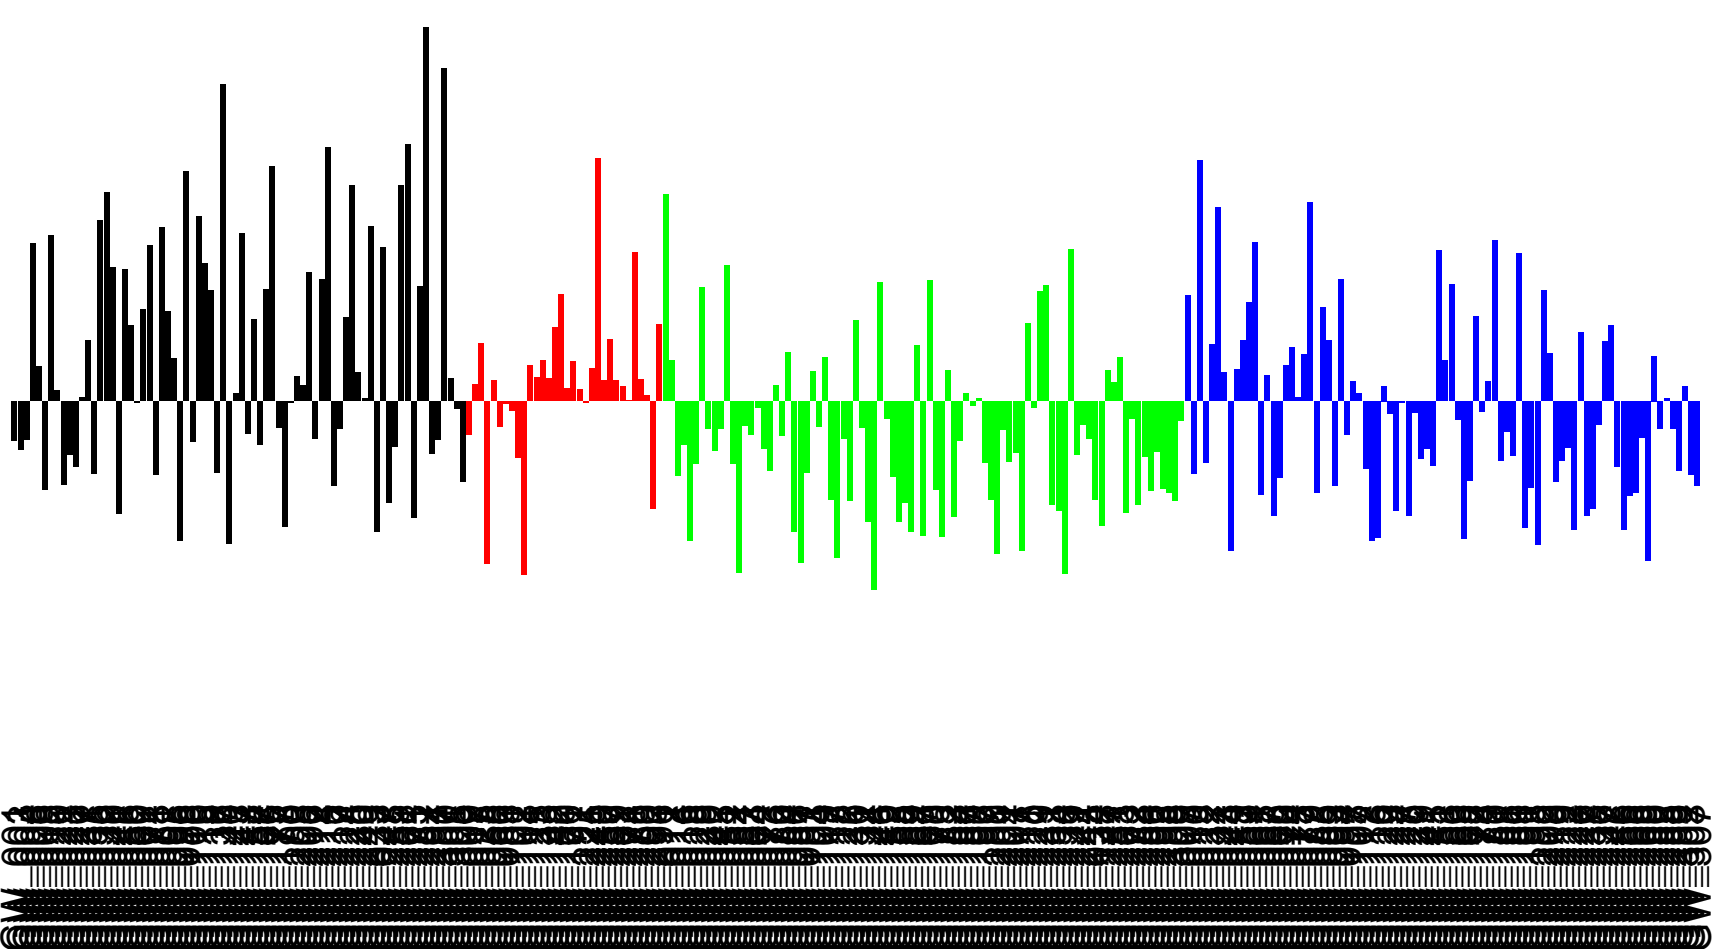

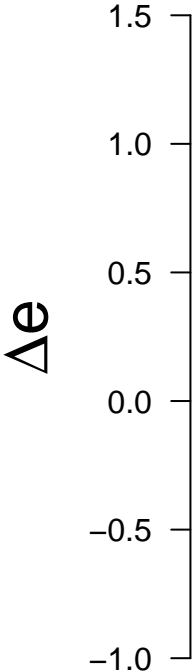

Expression of intracellular receptor signaling pathway in Spot H

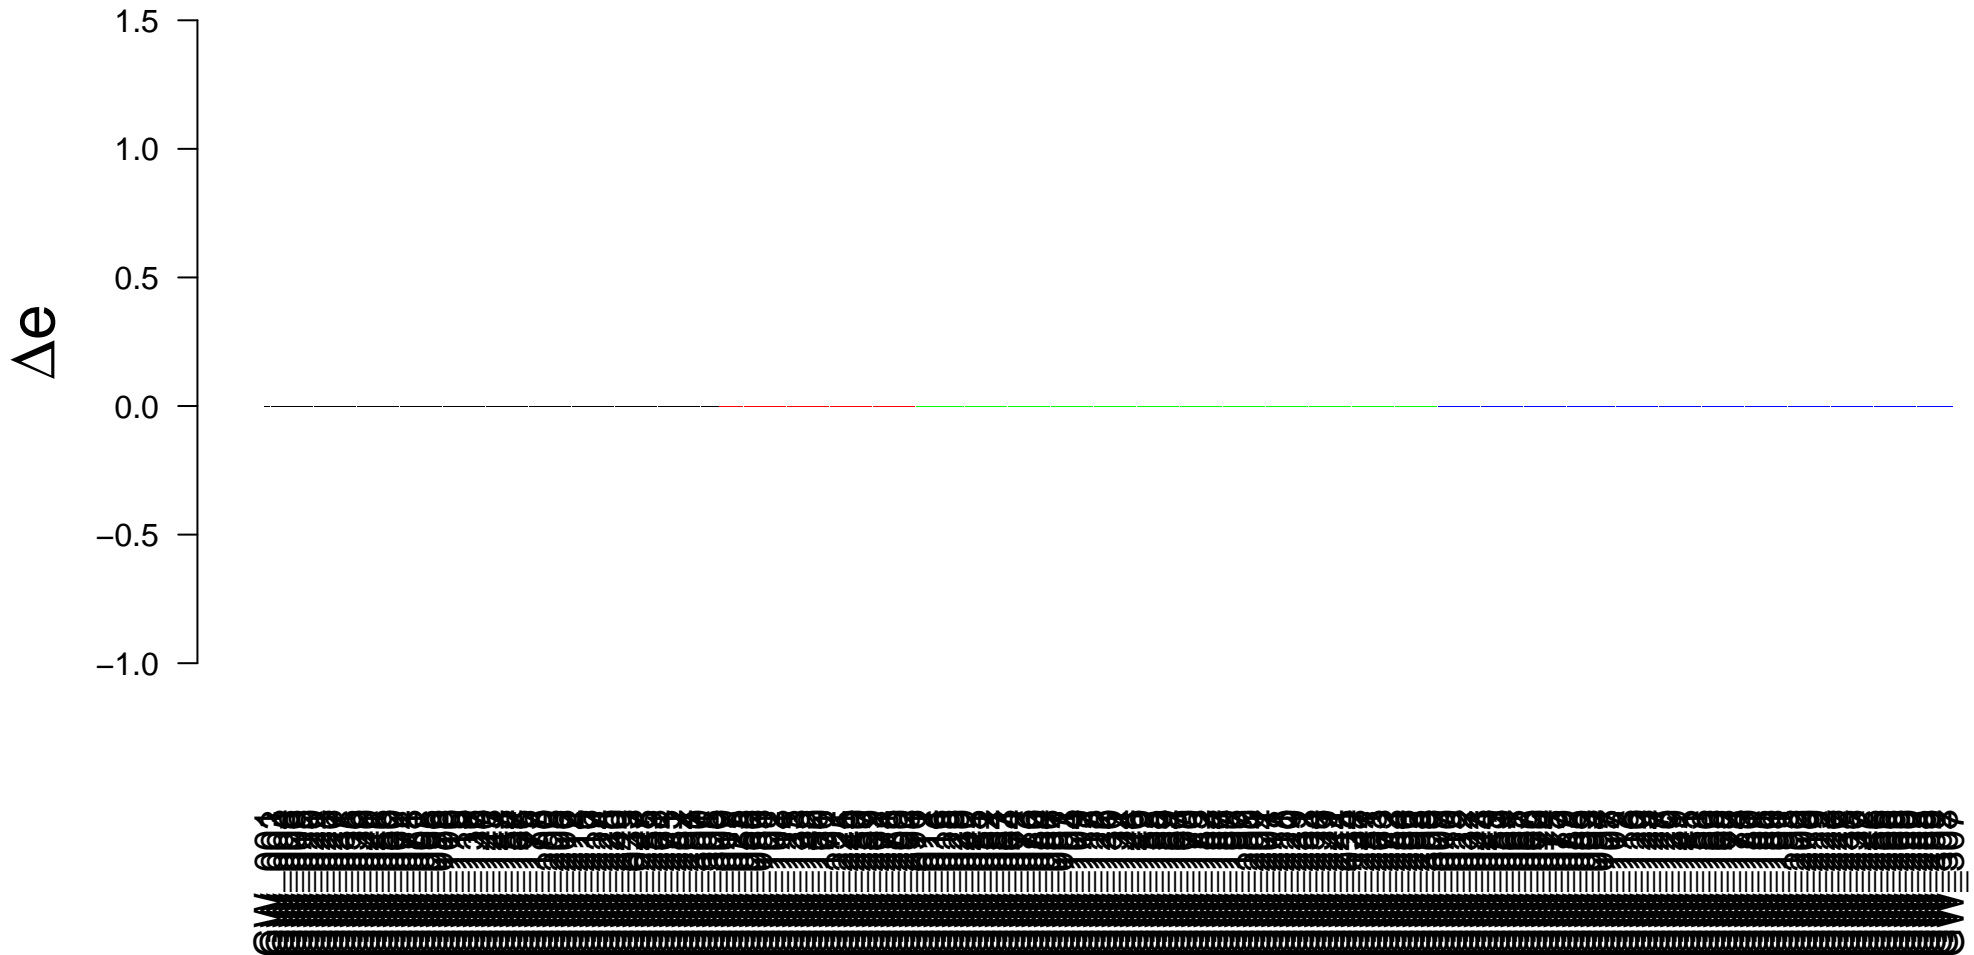

Δe

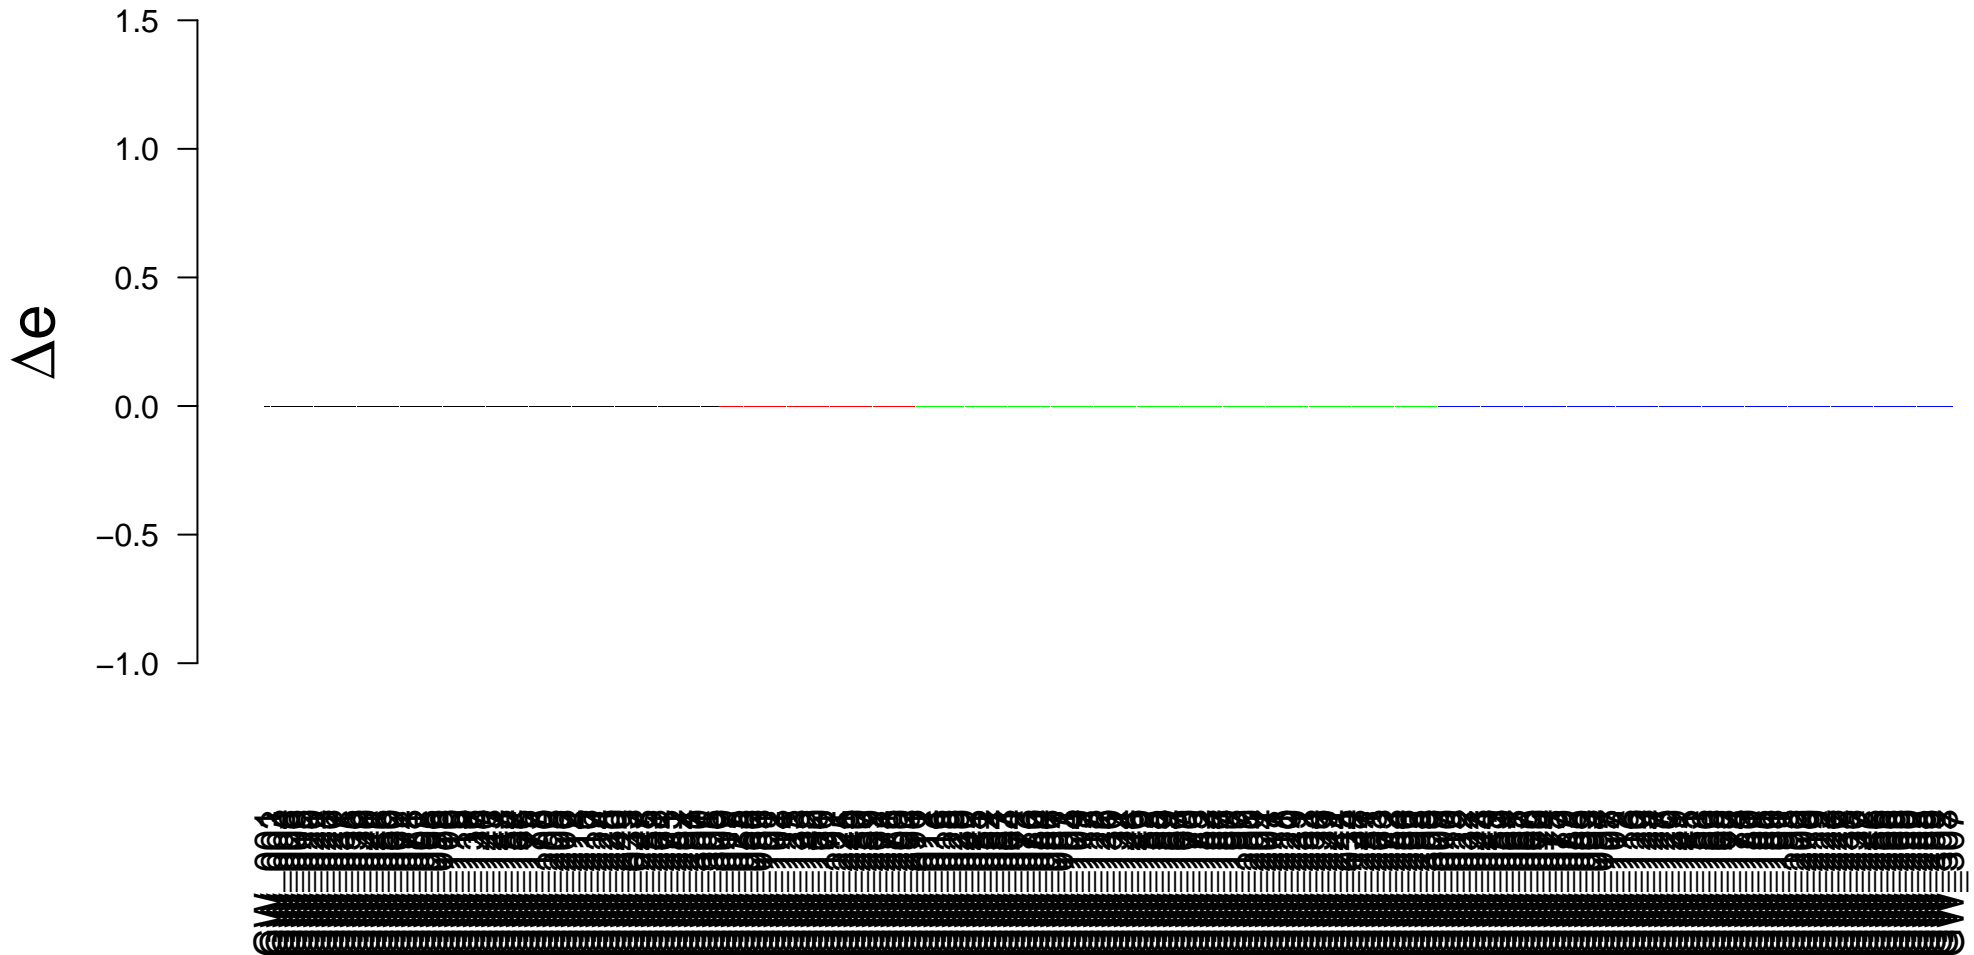

Expression of intracellular receptor signaling pathway in Spot I

Expression of intracellular receptor signaling pathway in Spot J

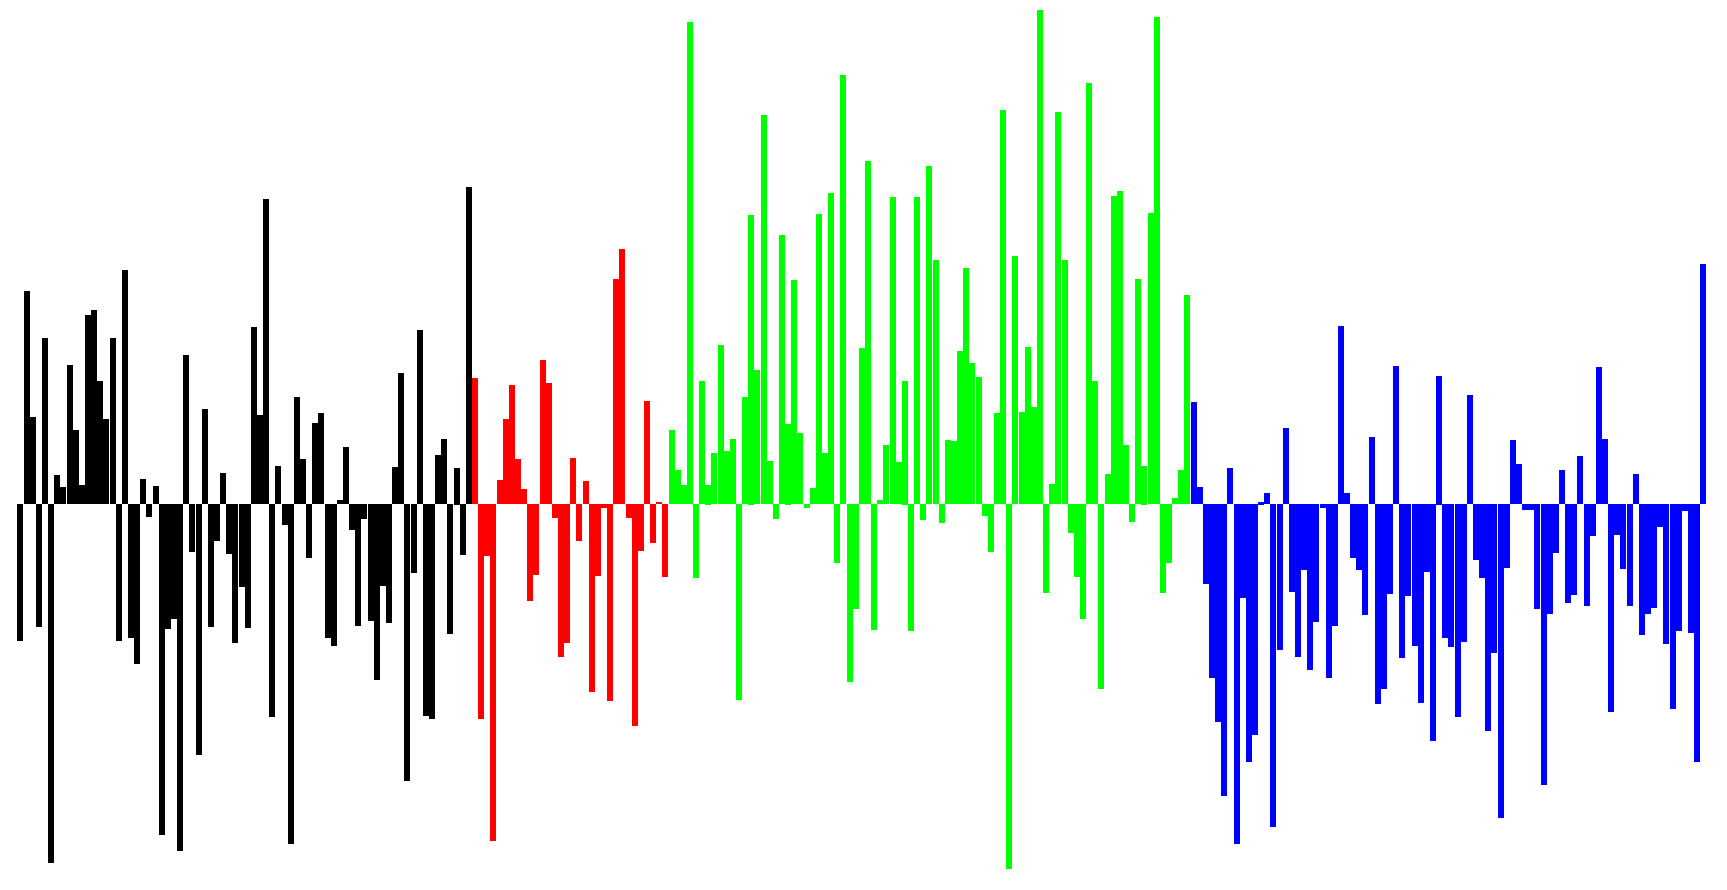

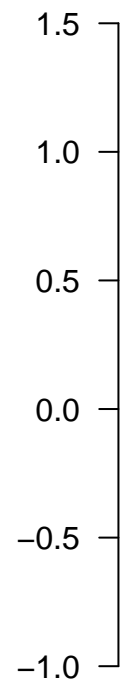

Expression of intracellular receptor signaling pathway in Spot K

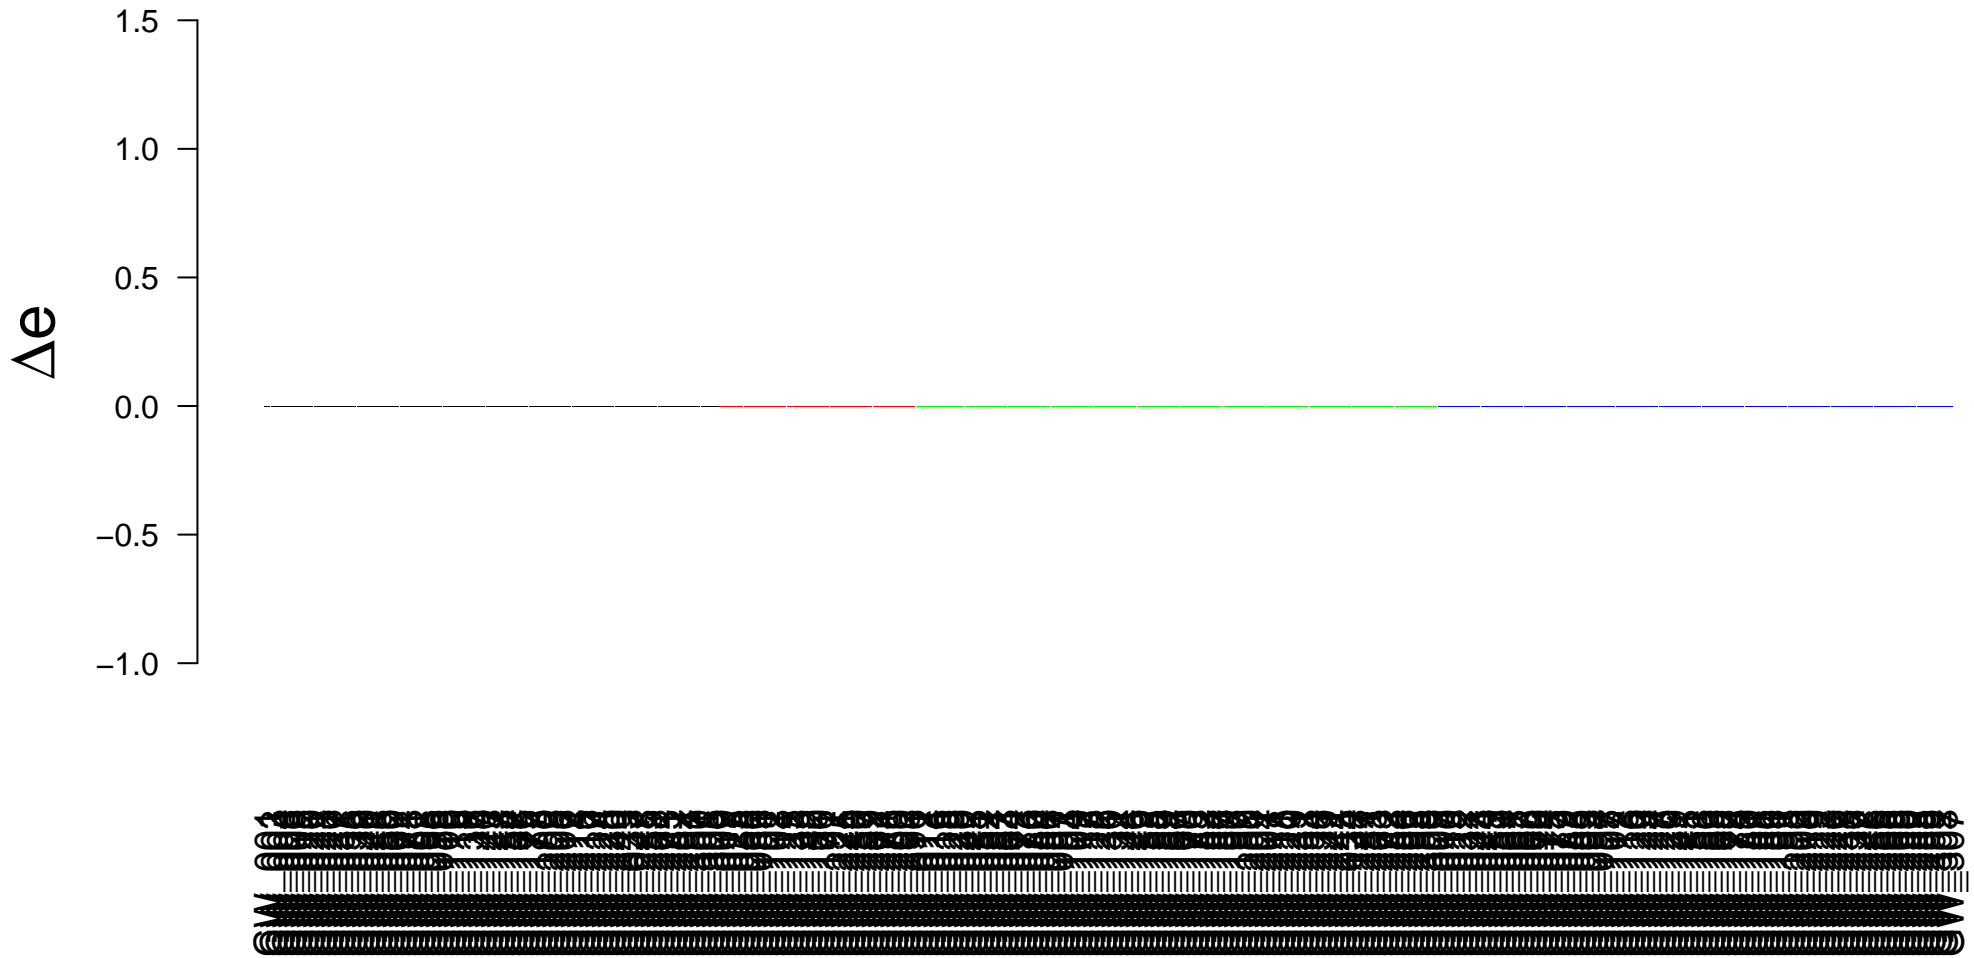

Expression of intracellular receptor signaling pathway in Spot L

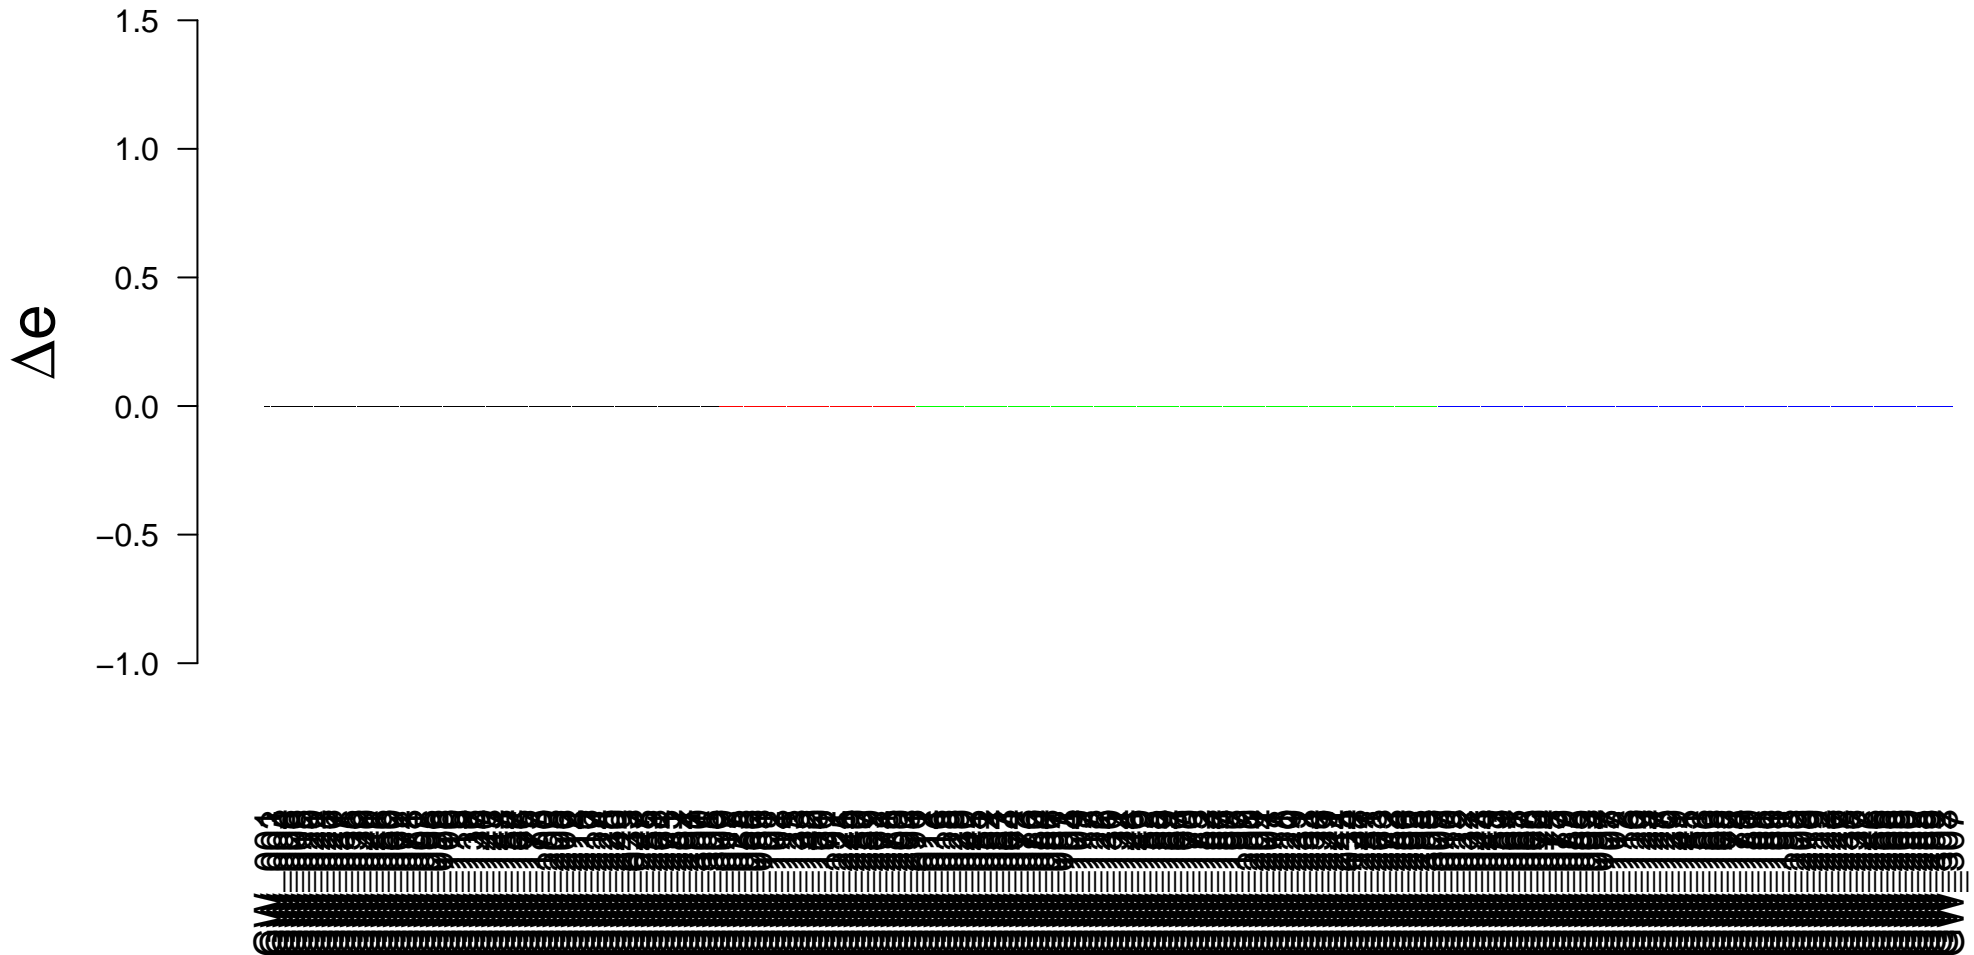

Δe

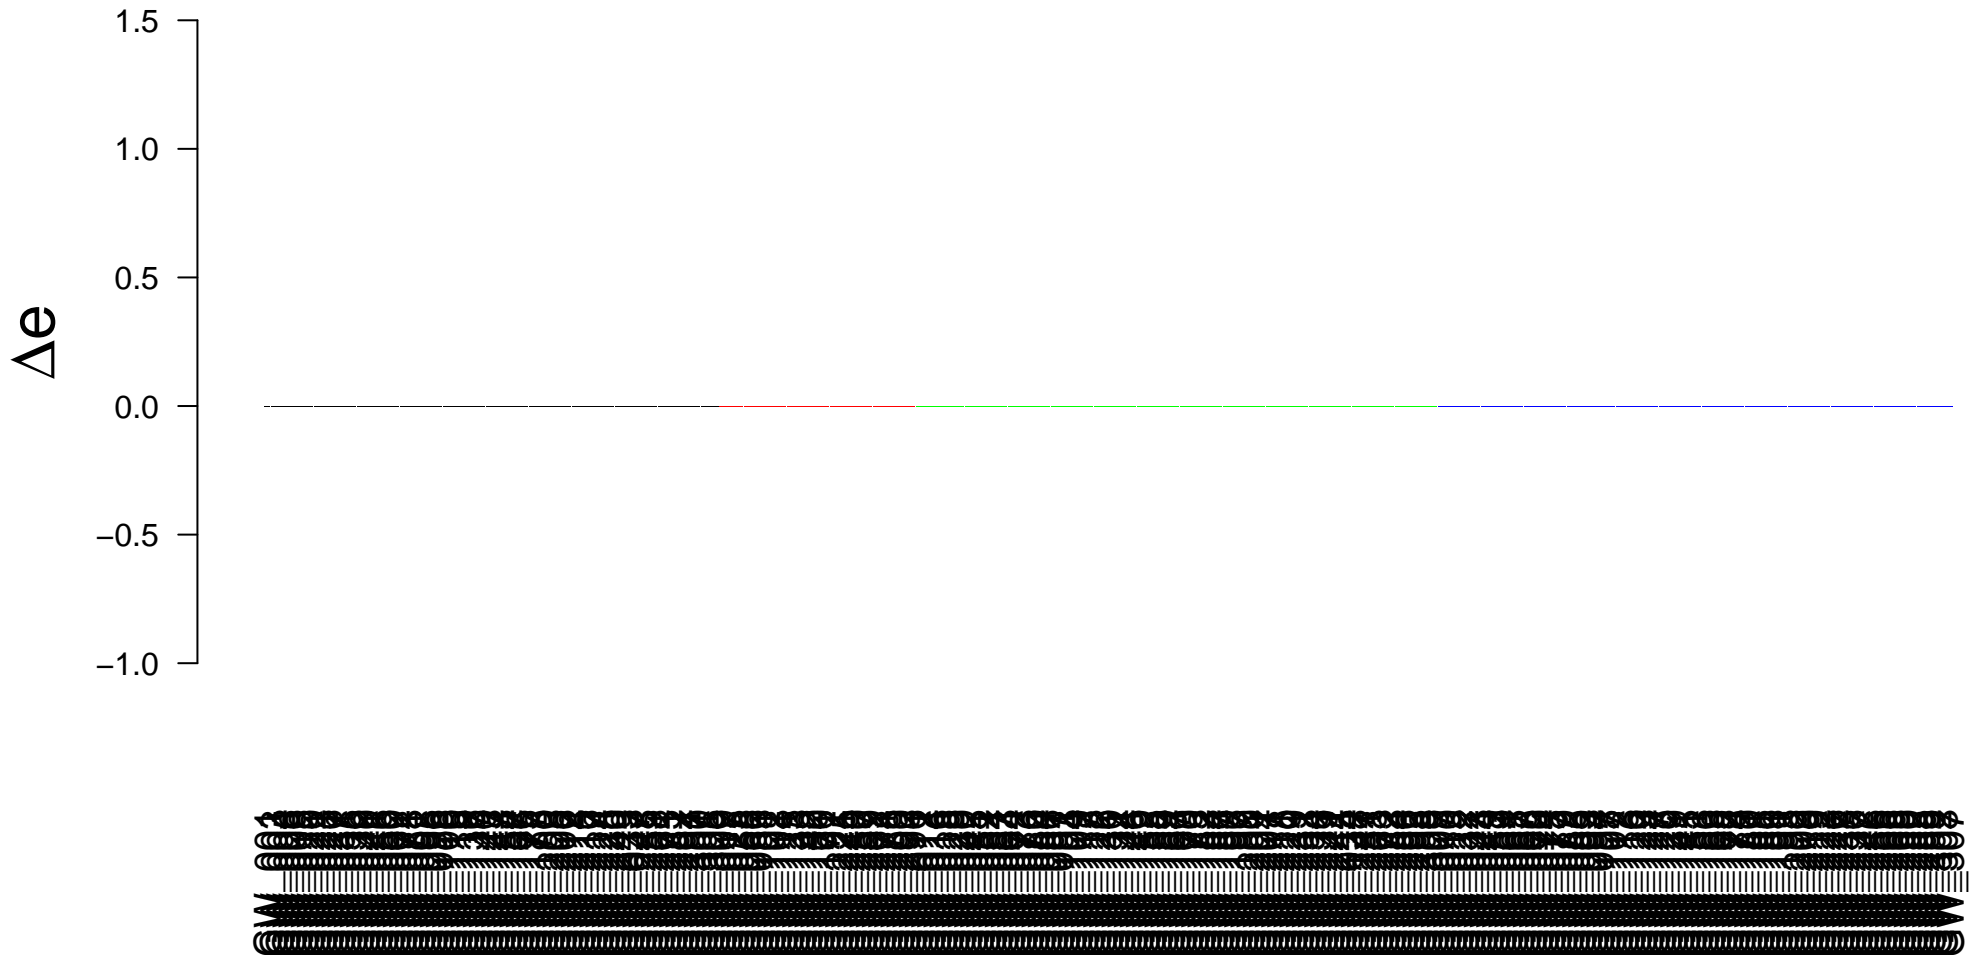

Expression of intracellular receptor signaling pathway in Spot M

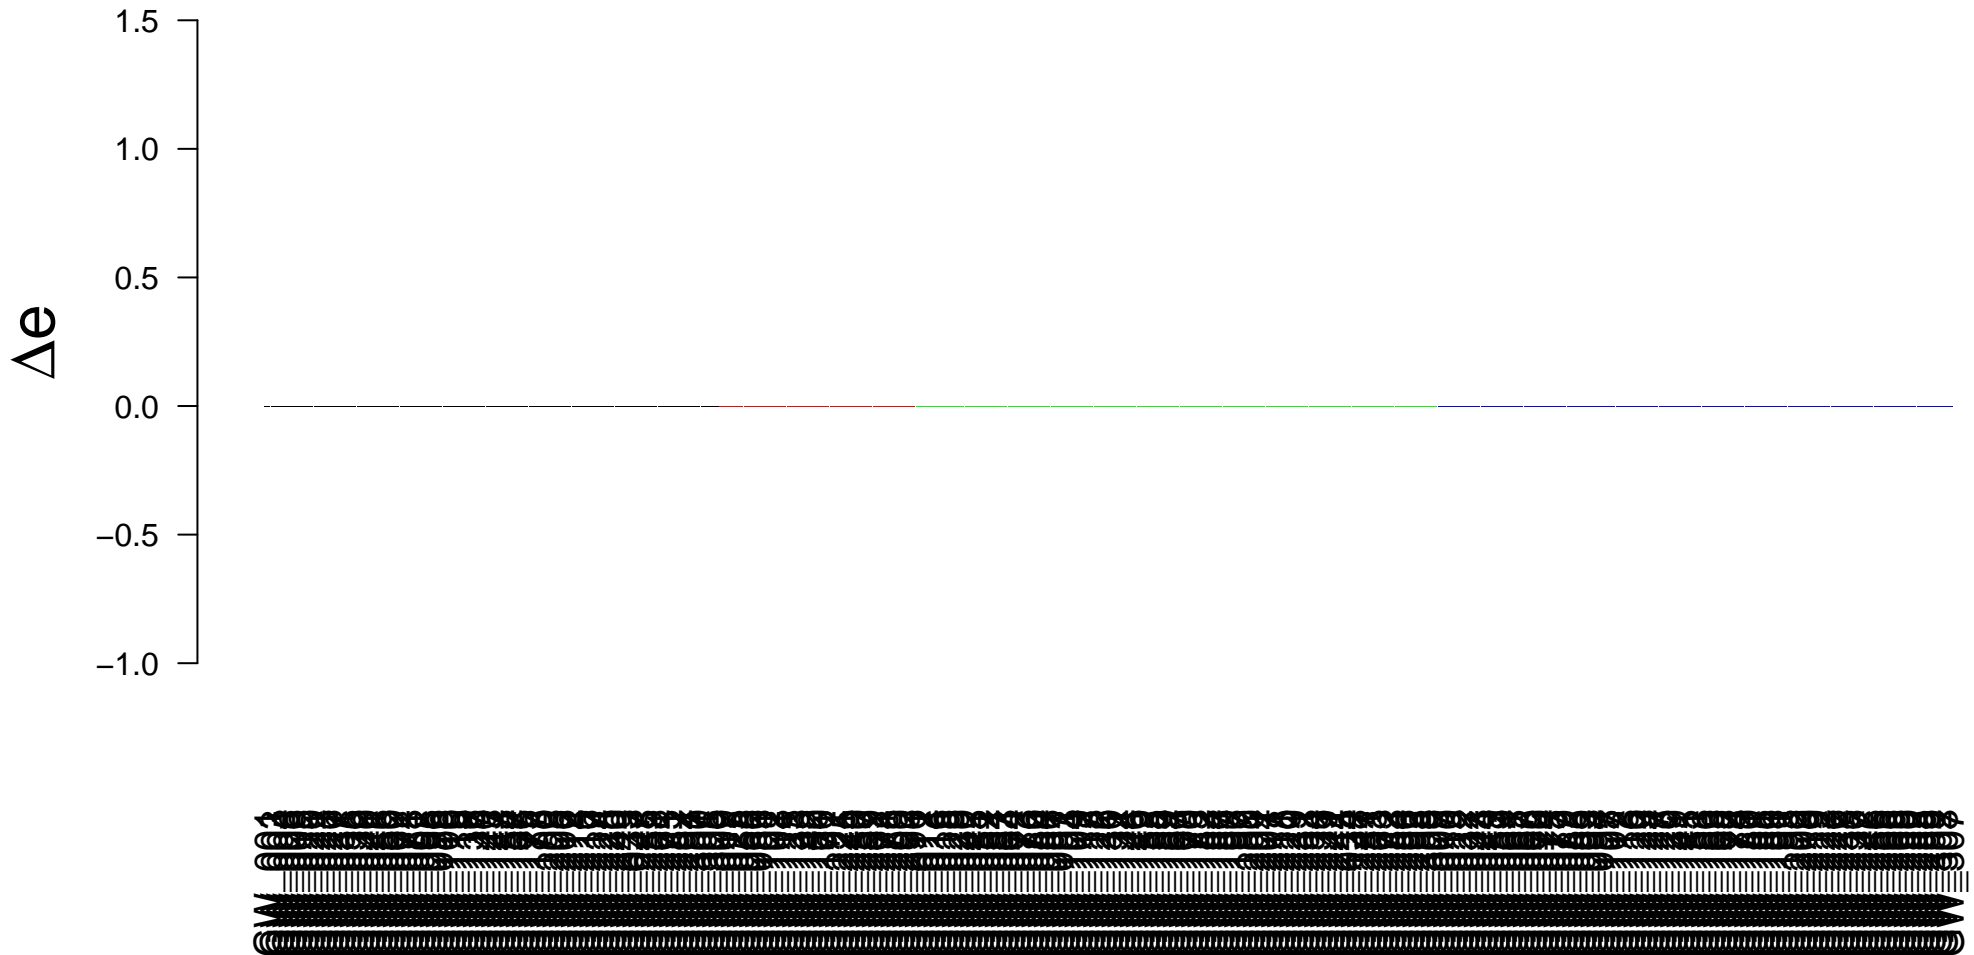

Expression of intracellular receptor signaling pathway in Spot N

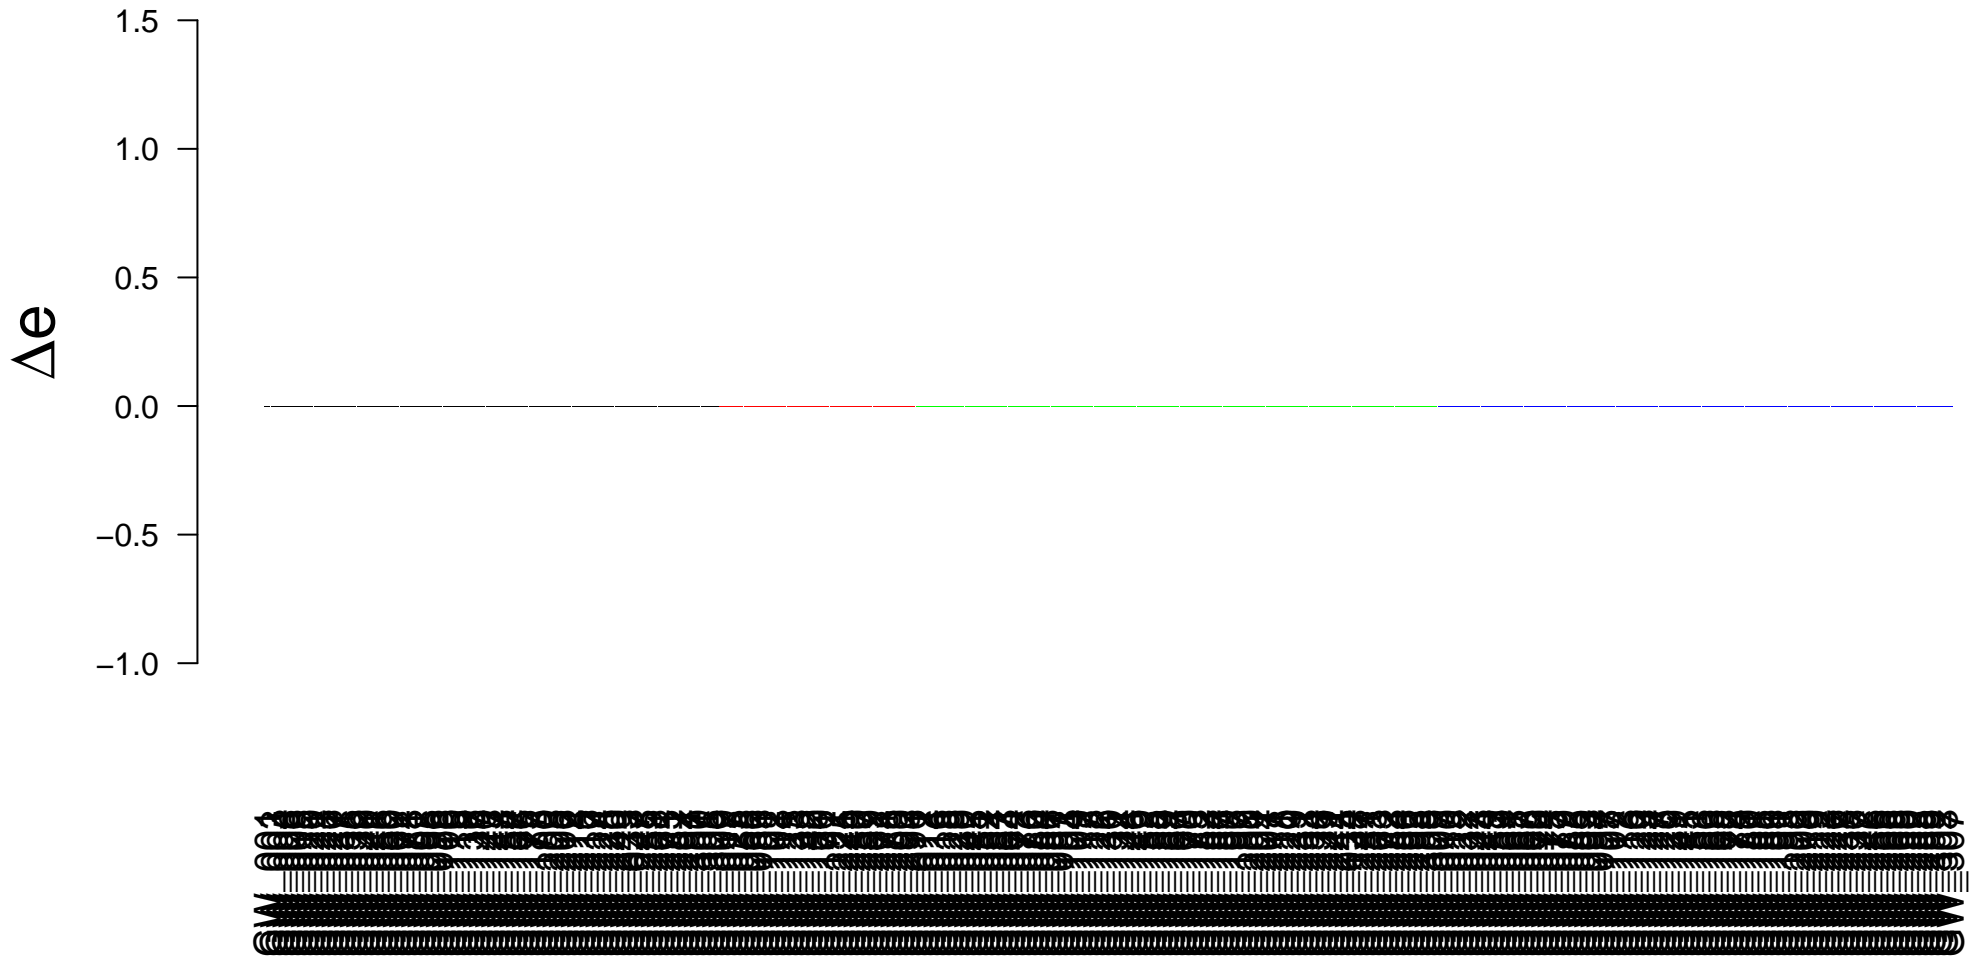

Expression of intracellular receptor signaling pathway in Spot O

Expression of intracellular receptor signaling pathway in Spot P

Expression of intracellular receptor signaling pathway in Spot Q

Expression of intracellular receptor signaling pathway in Spot R
