

intracellular transport

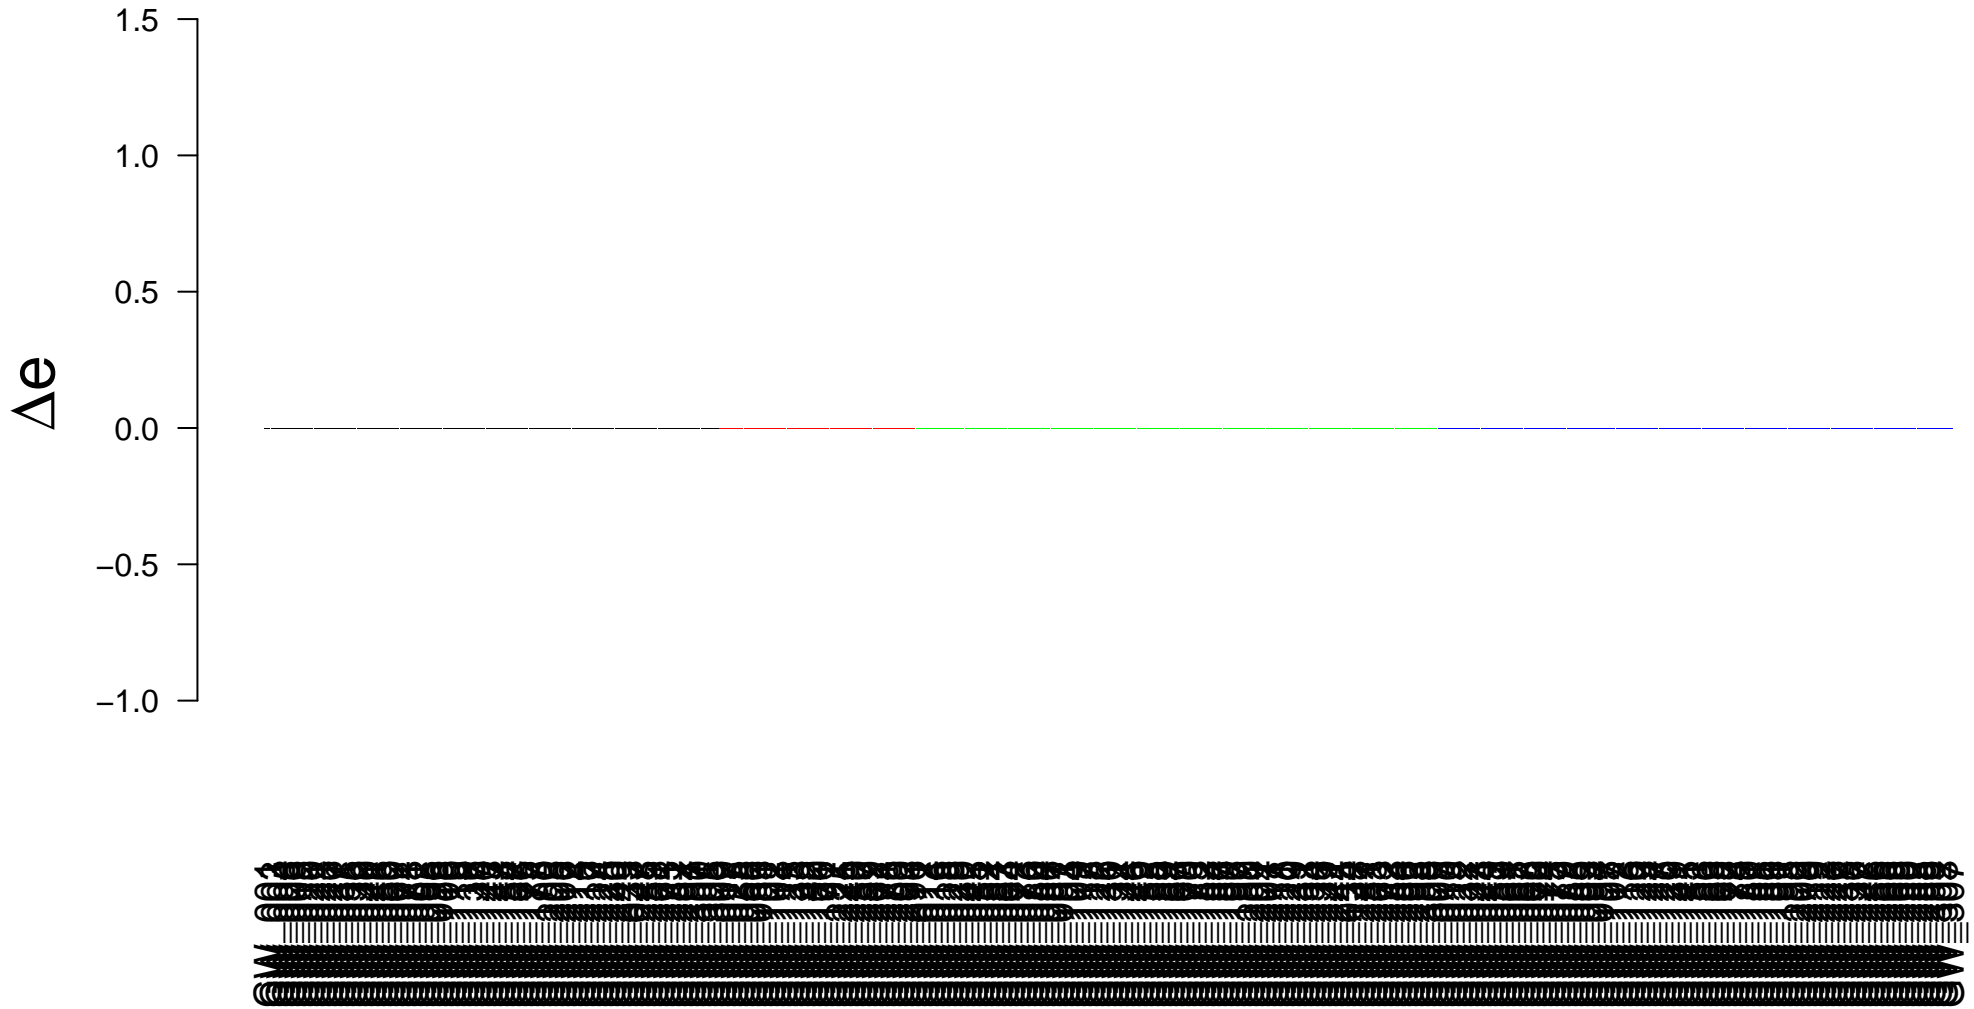

intracellular transport

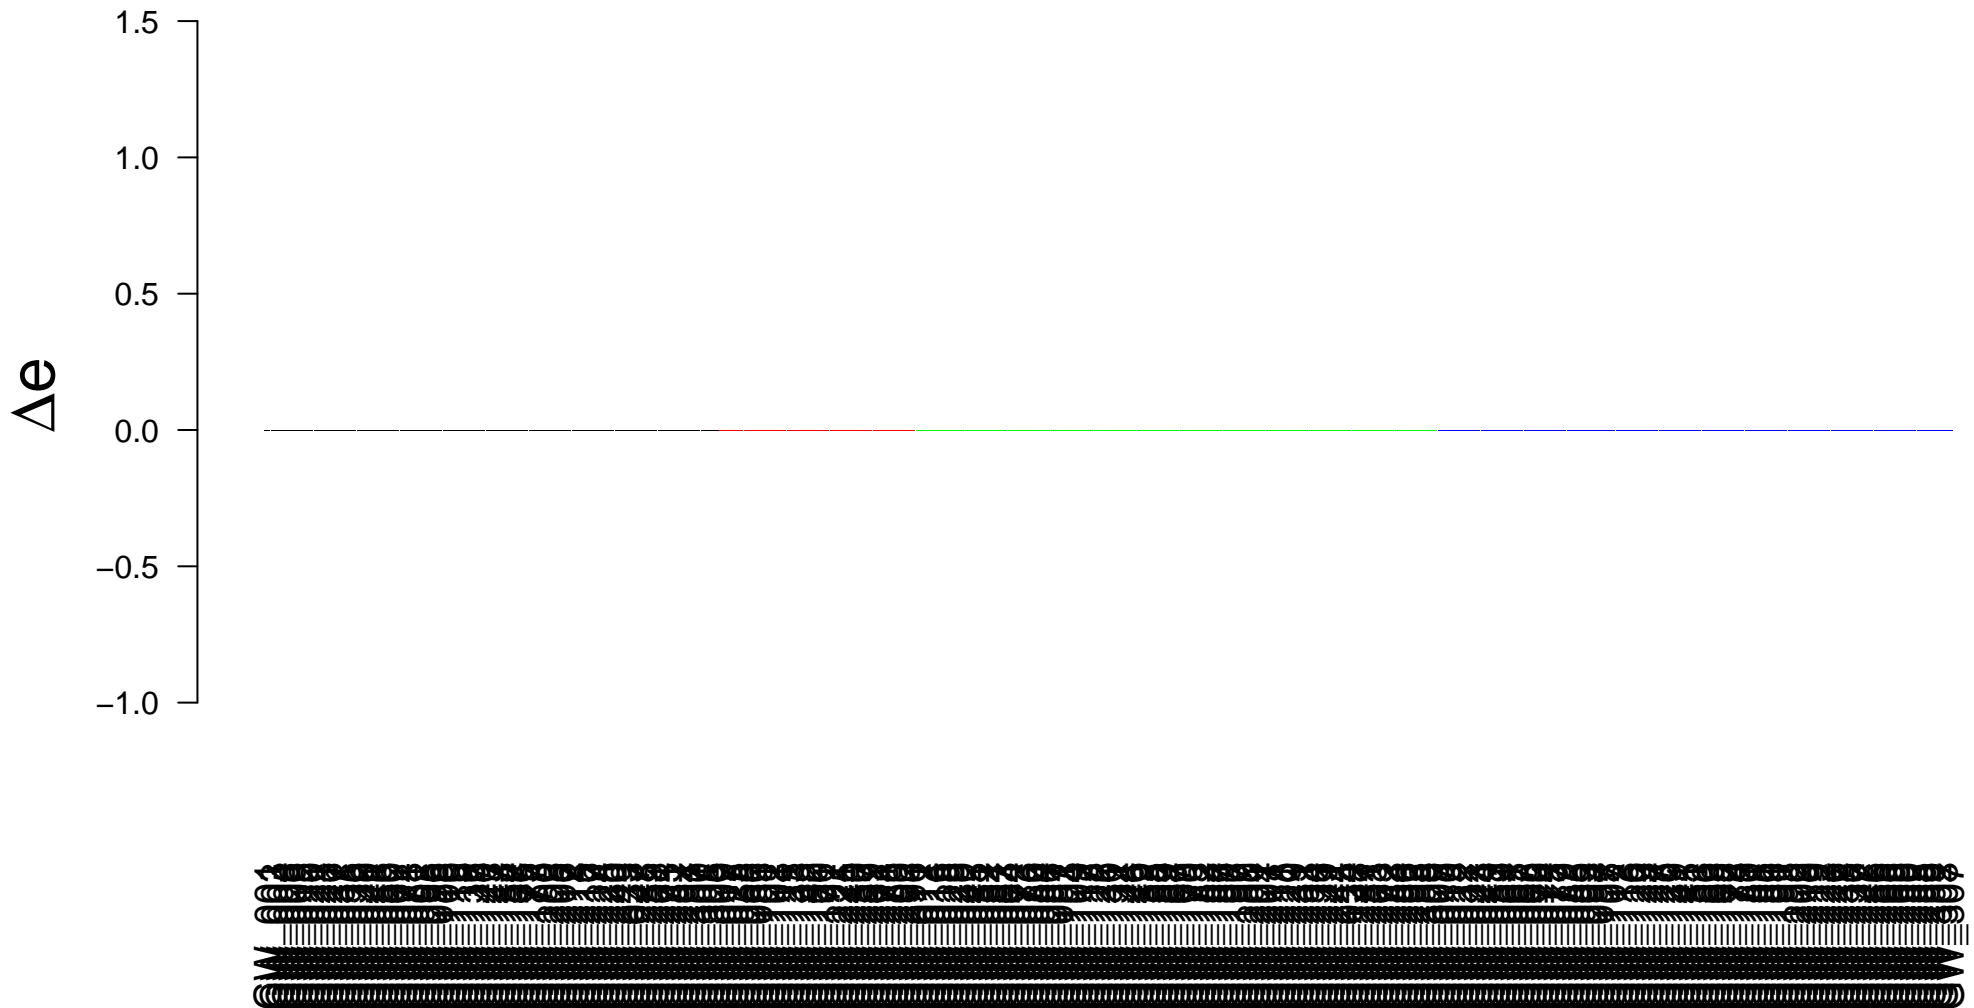

Enrichment in spots: intracellular transport

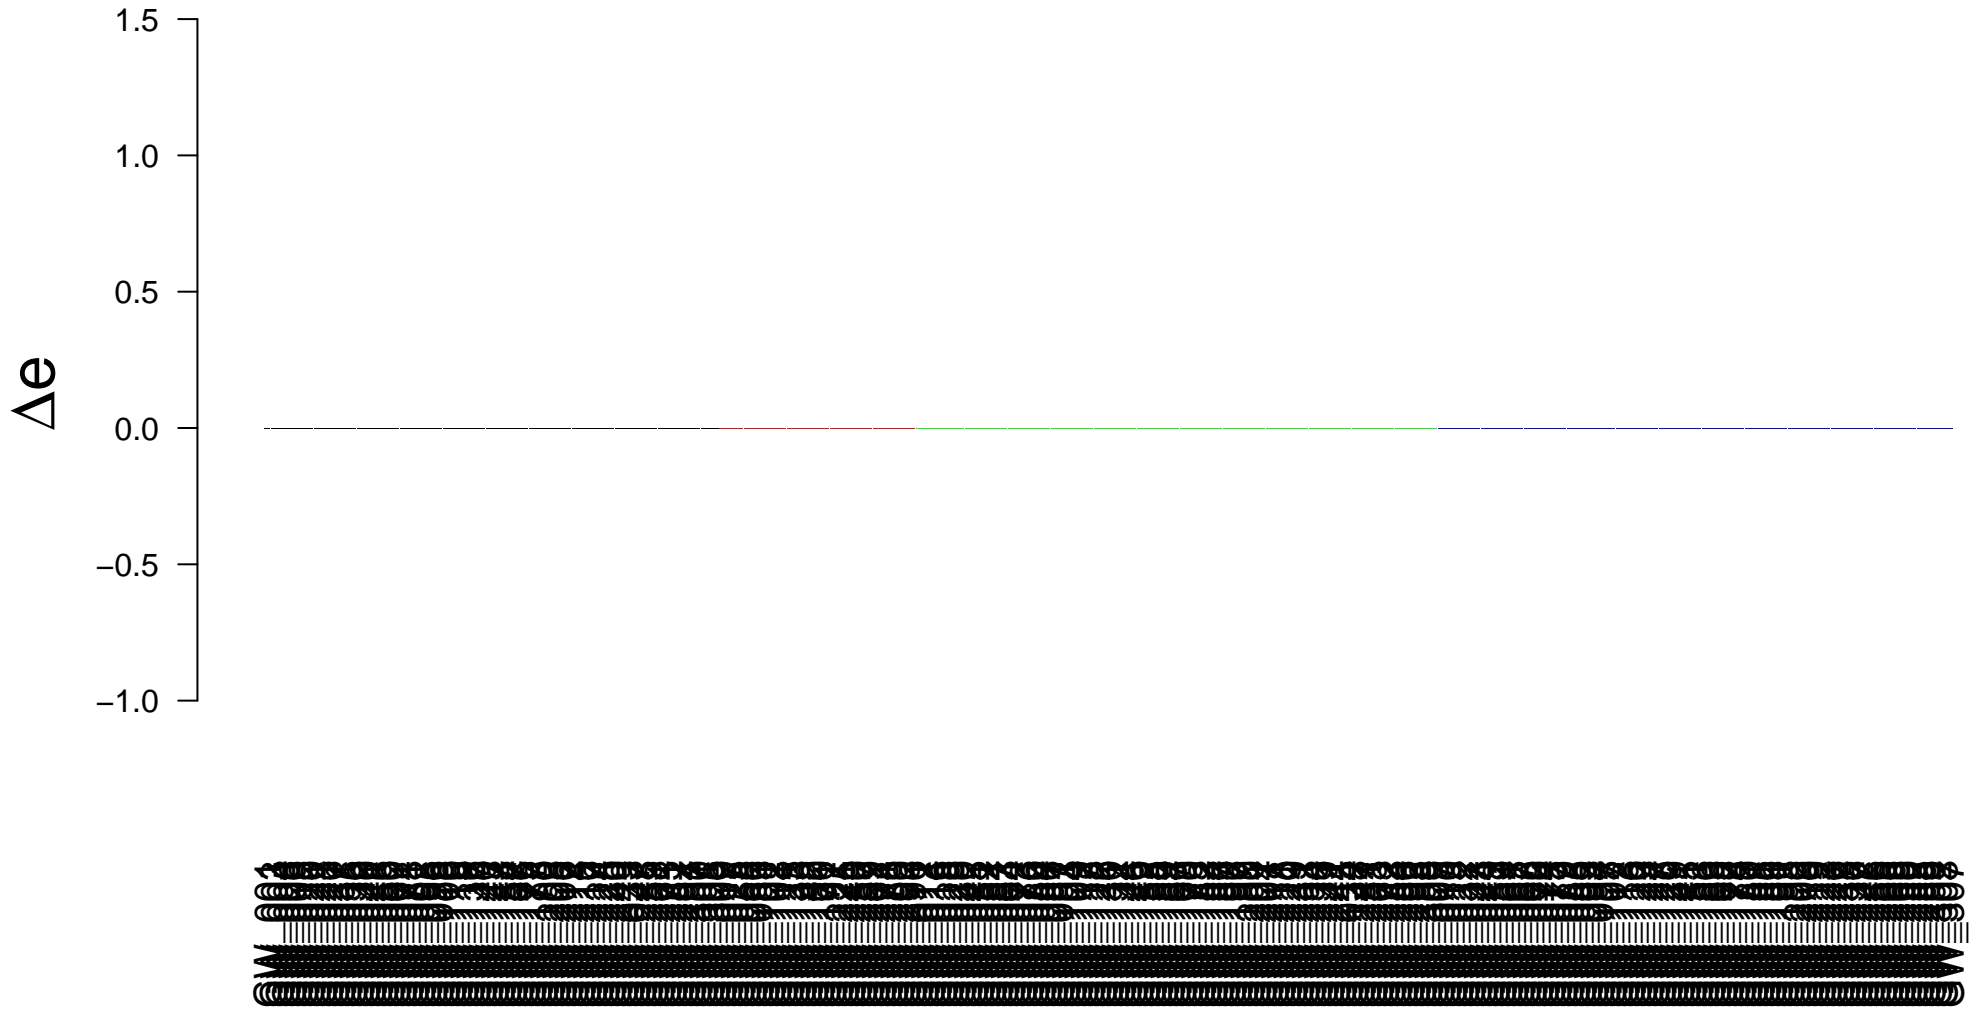

Expression of intracellular transport in Spot A

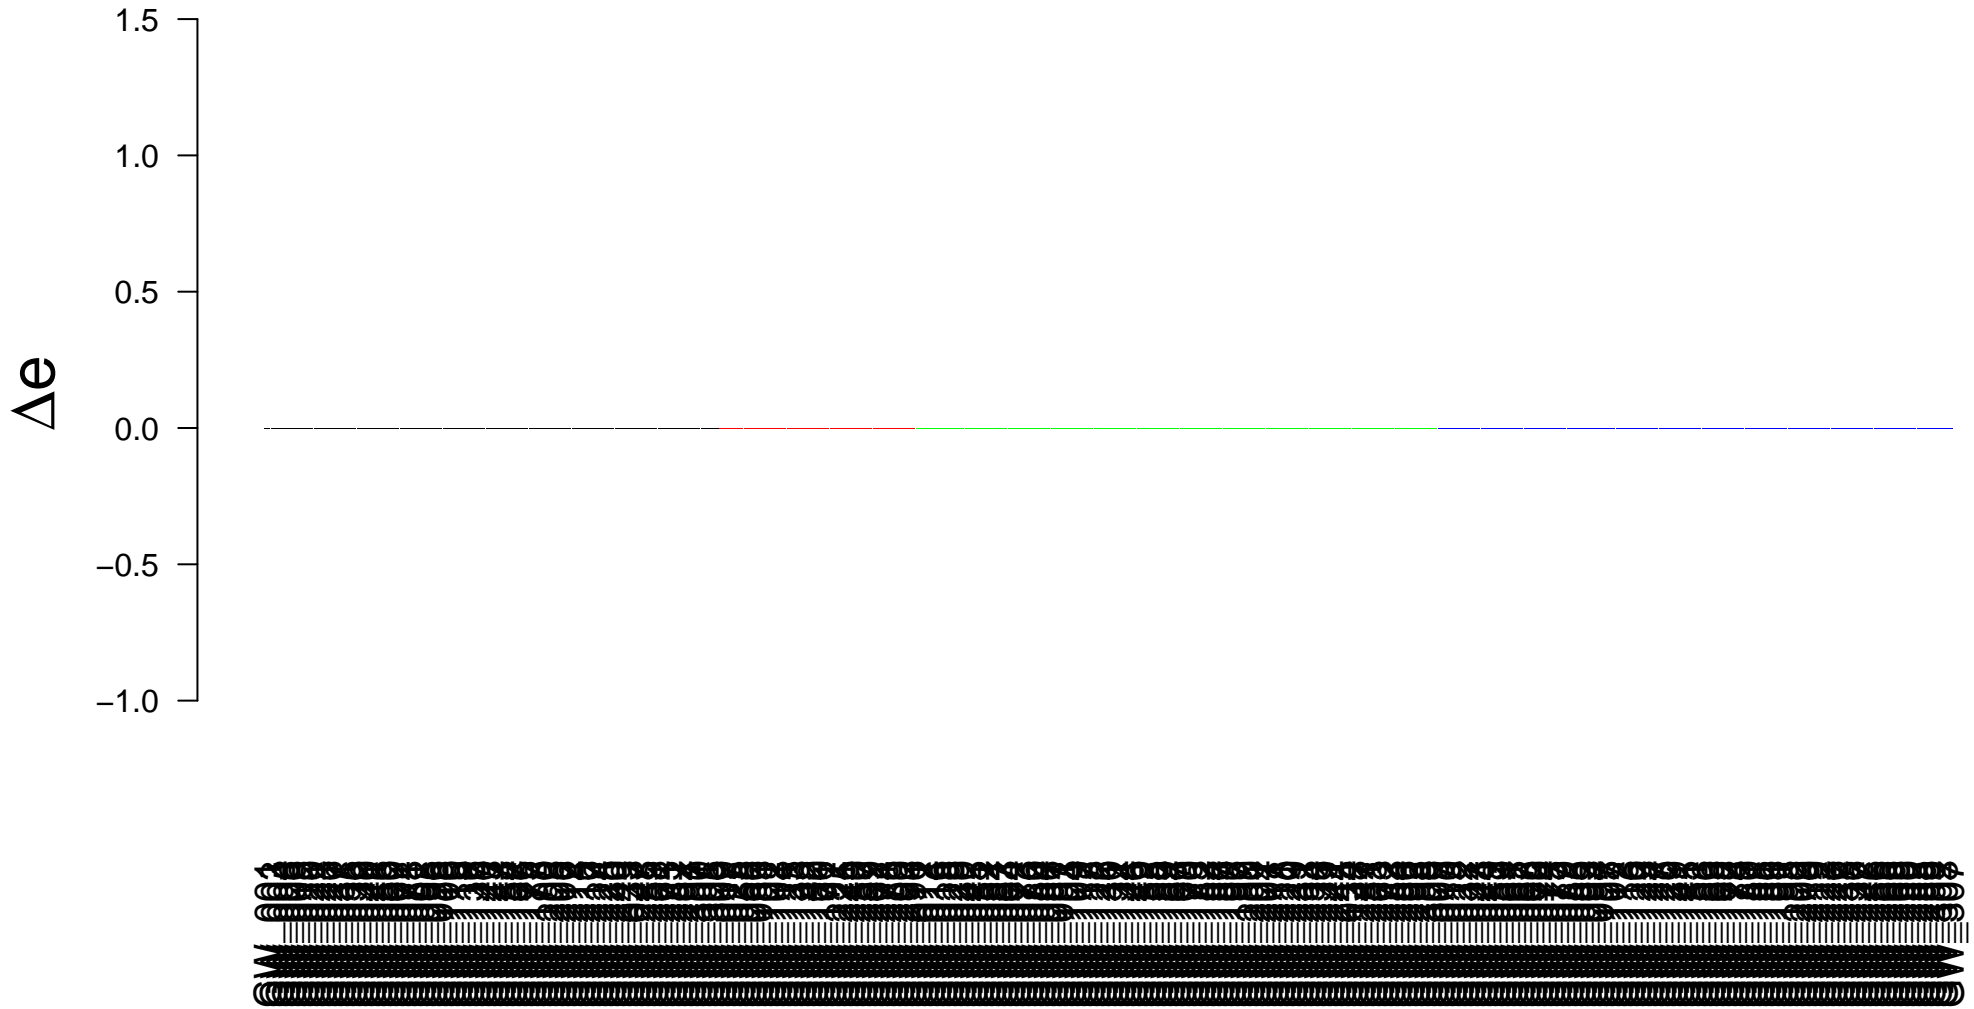

Expression of intracellular transport in Spot B

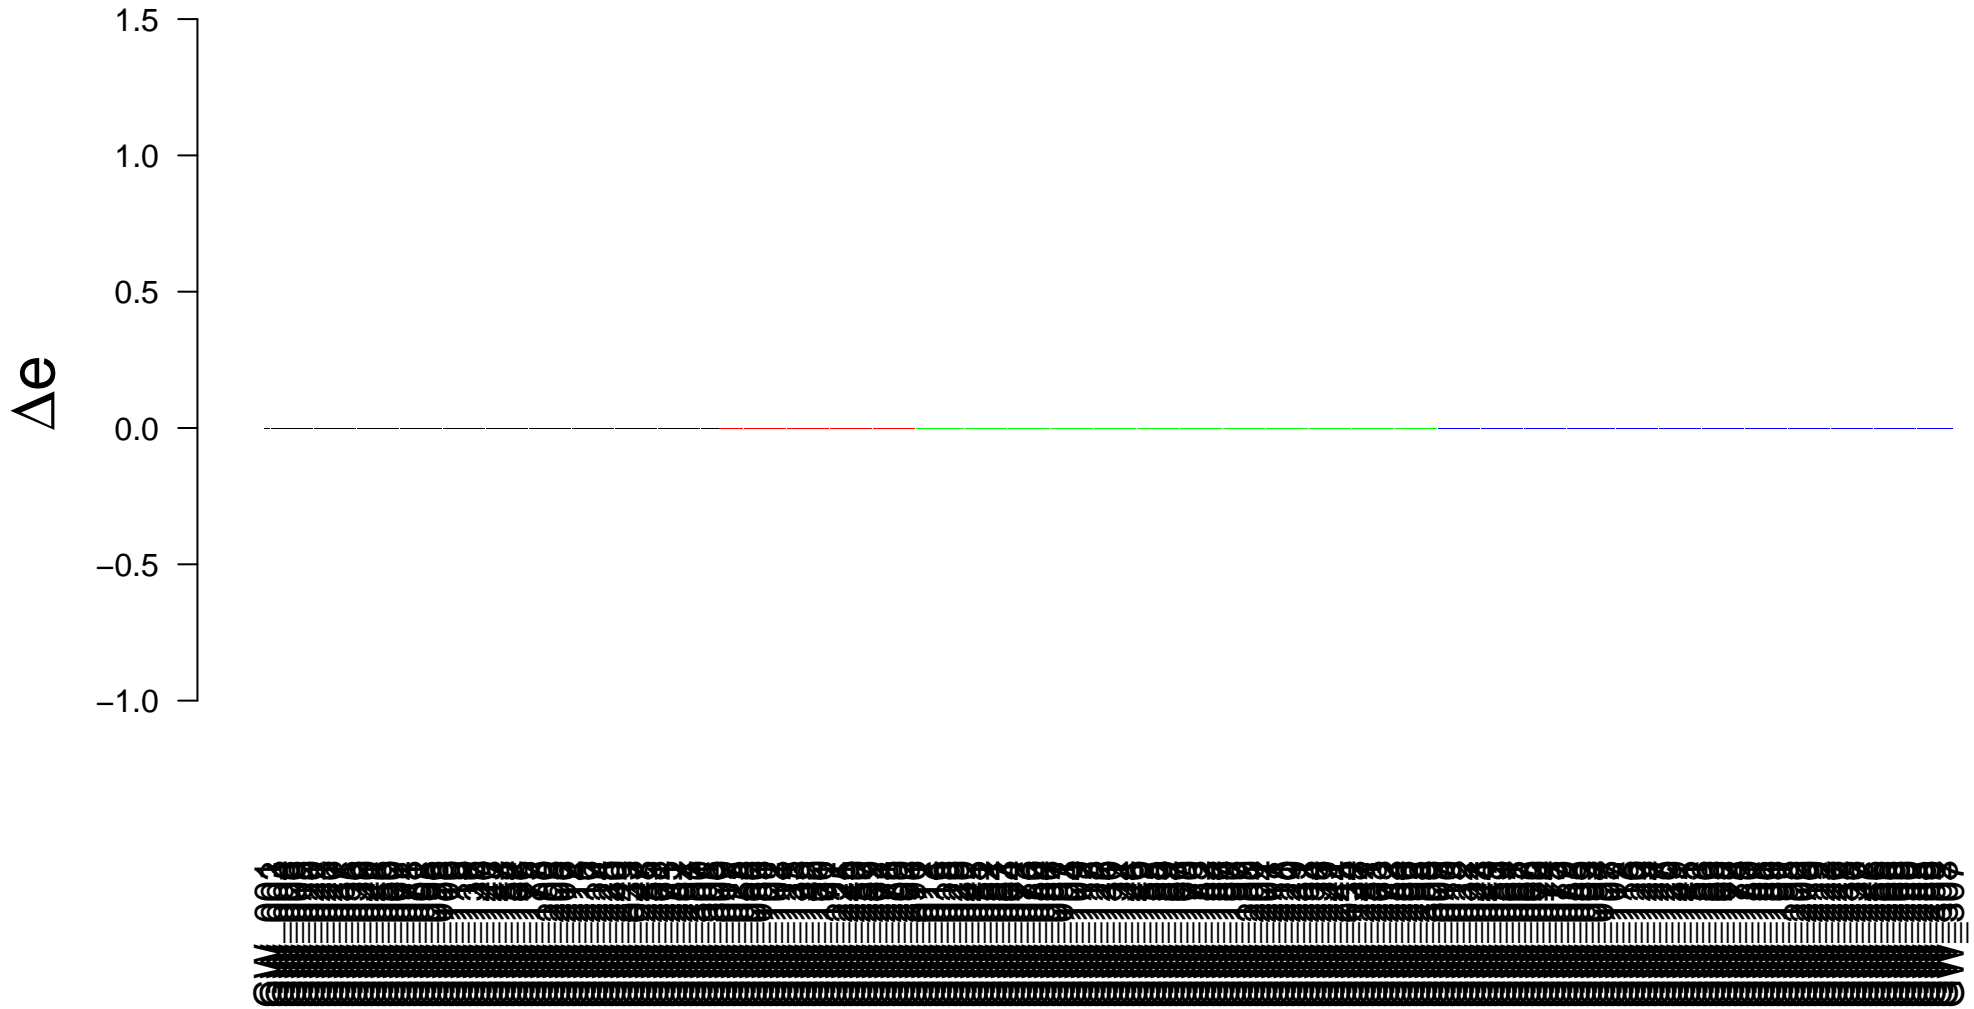

Expression of intracellular transport in Spot C

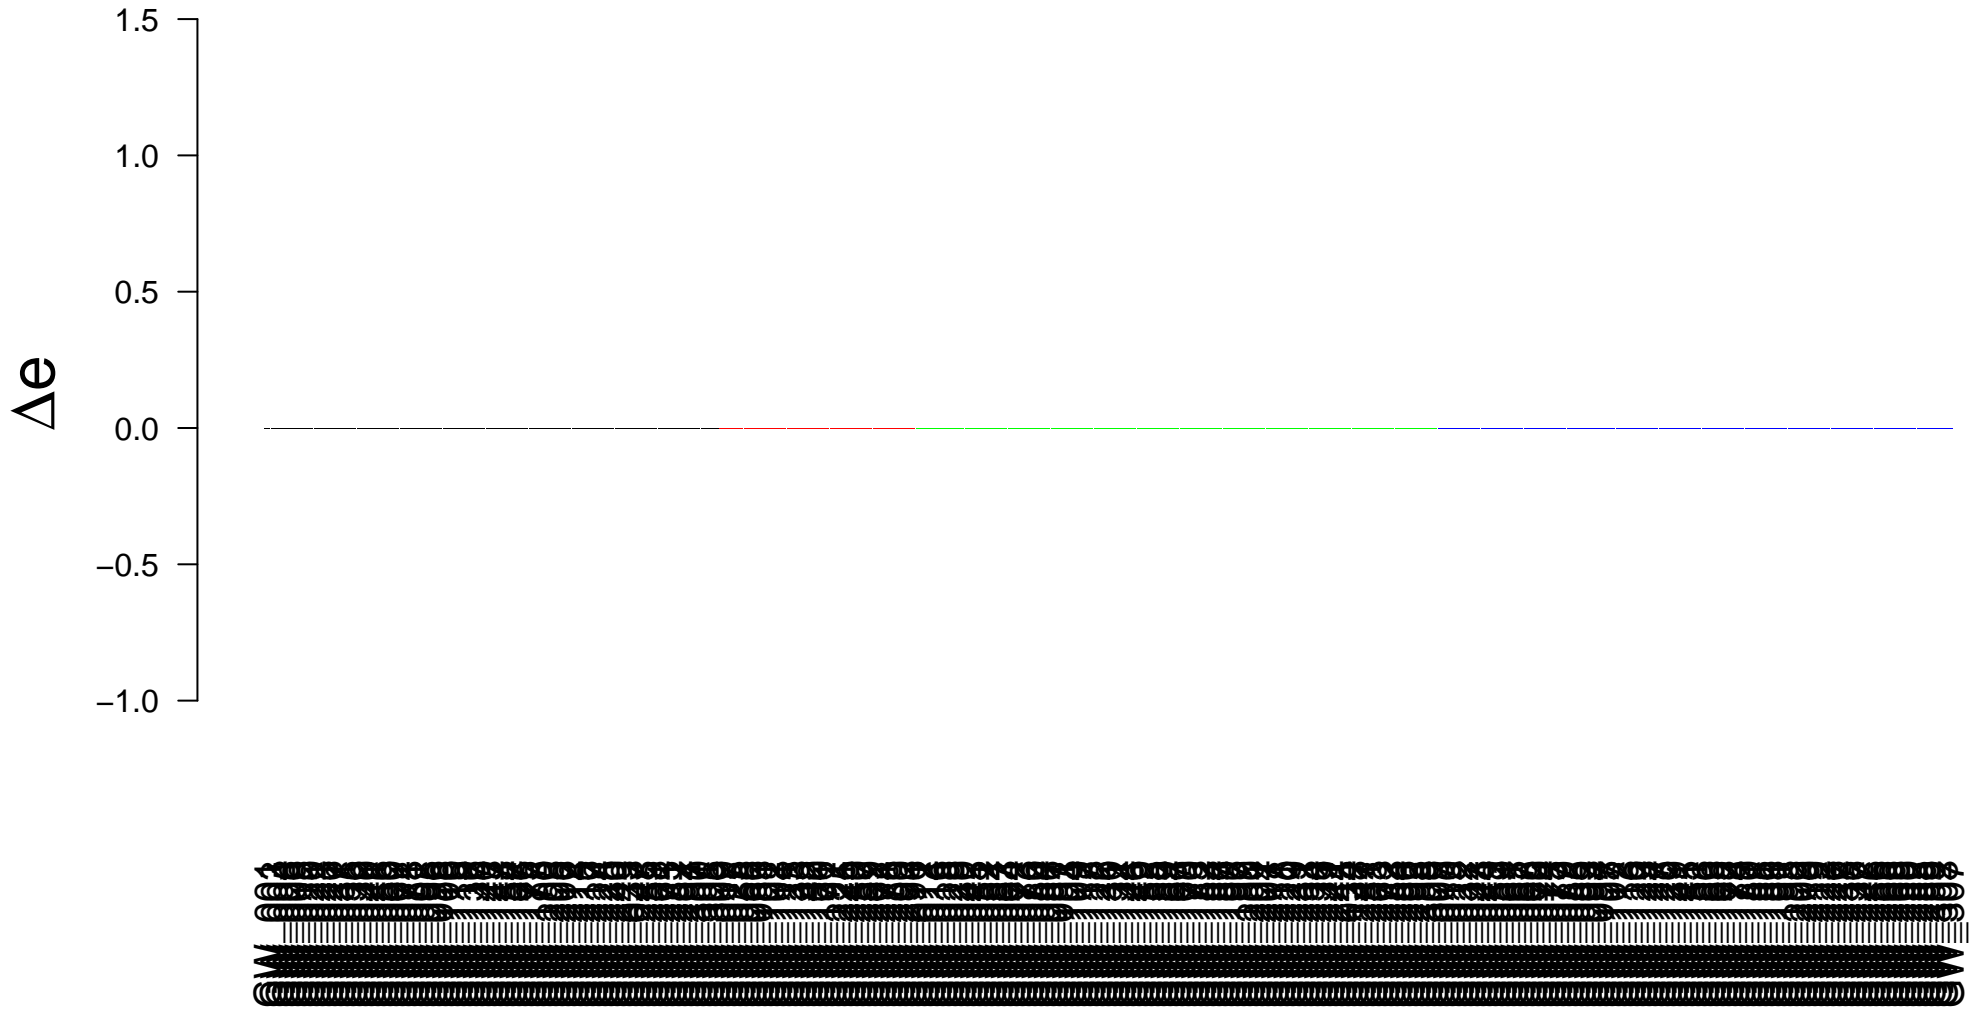

Expression of intracellular transport in Spot D

Expression of intracellular transport in Spot E

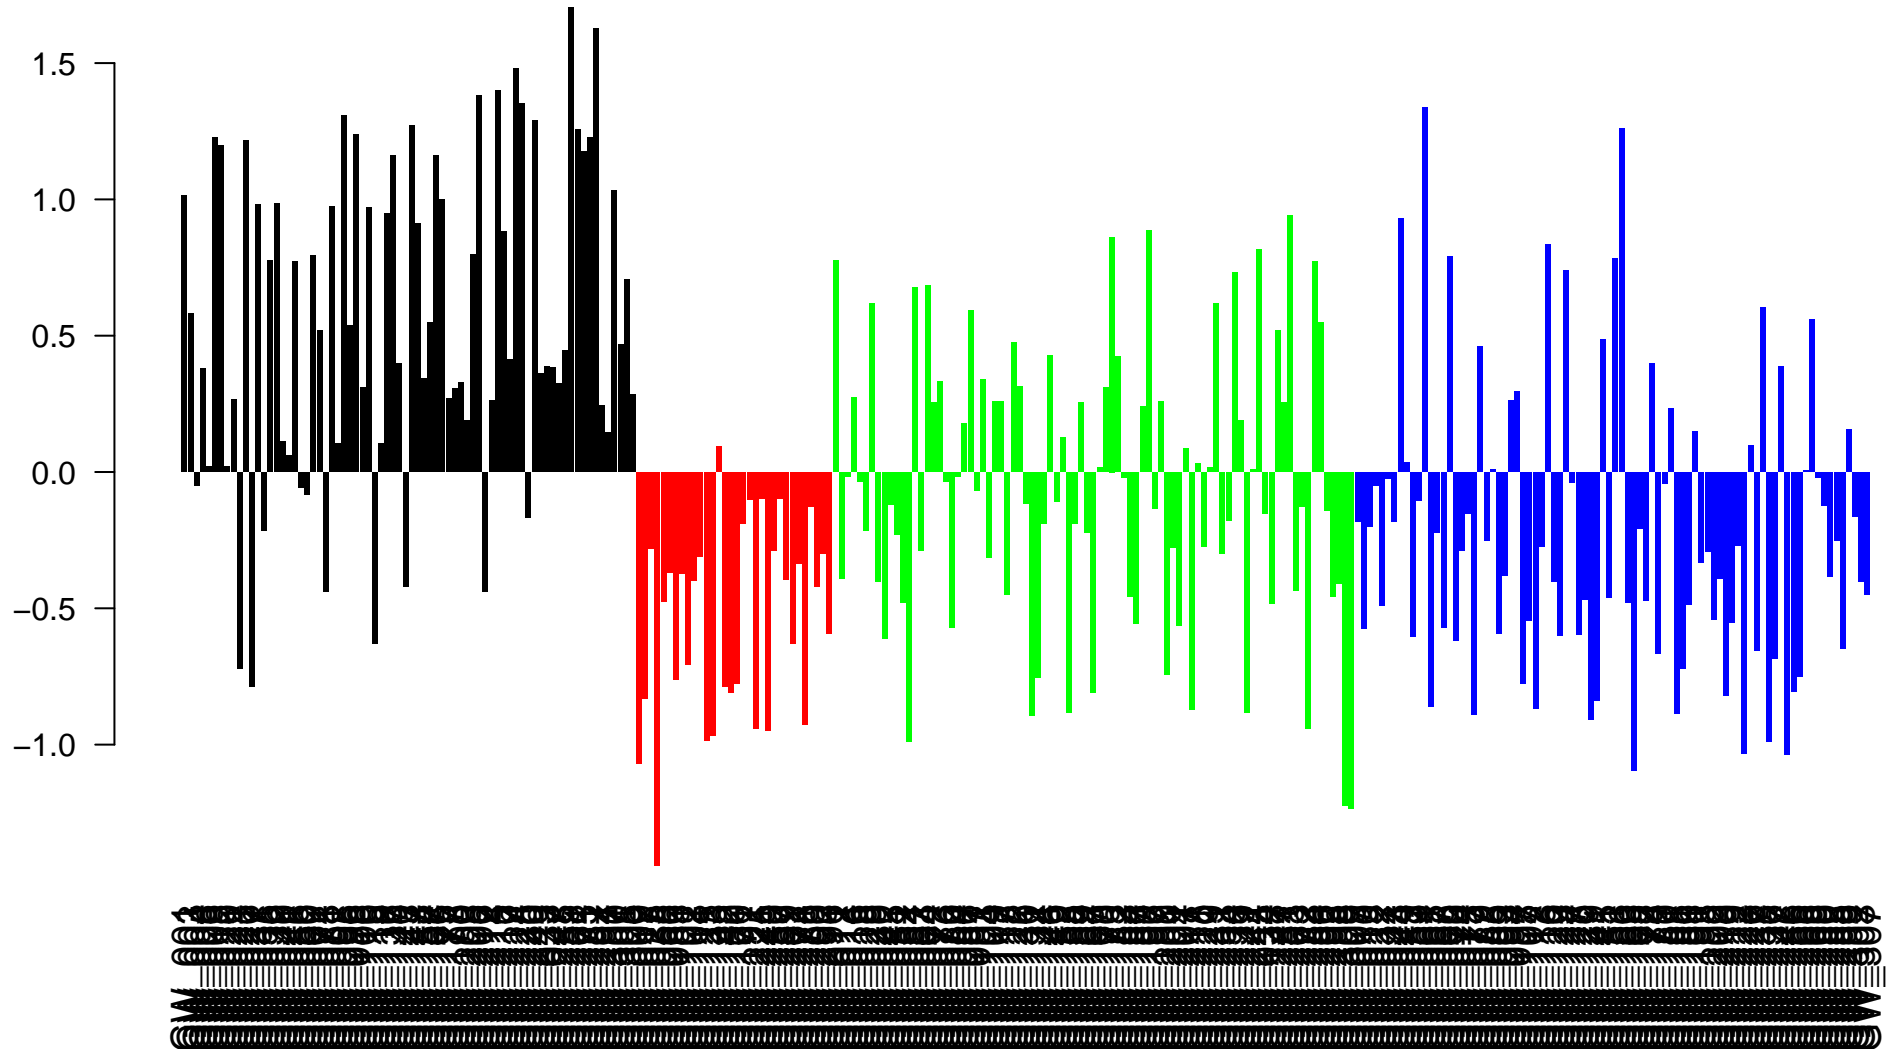

Expression of intracellular transport in Spot F

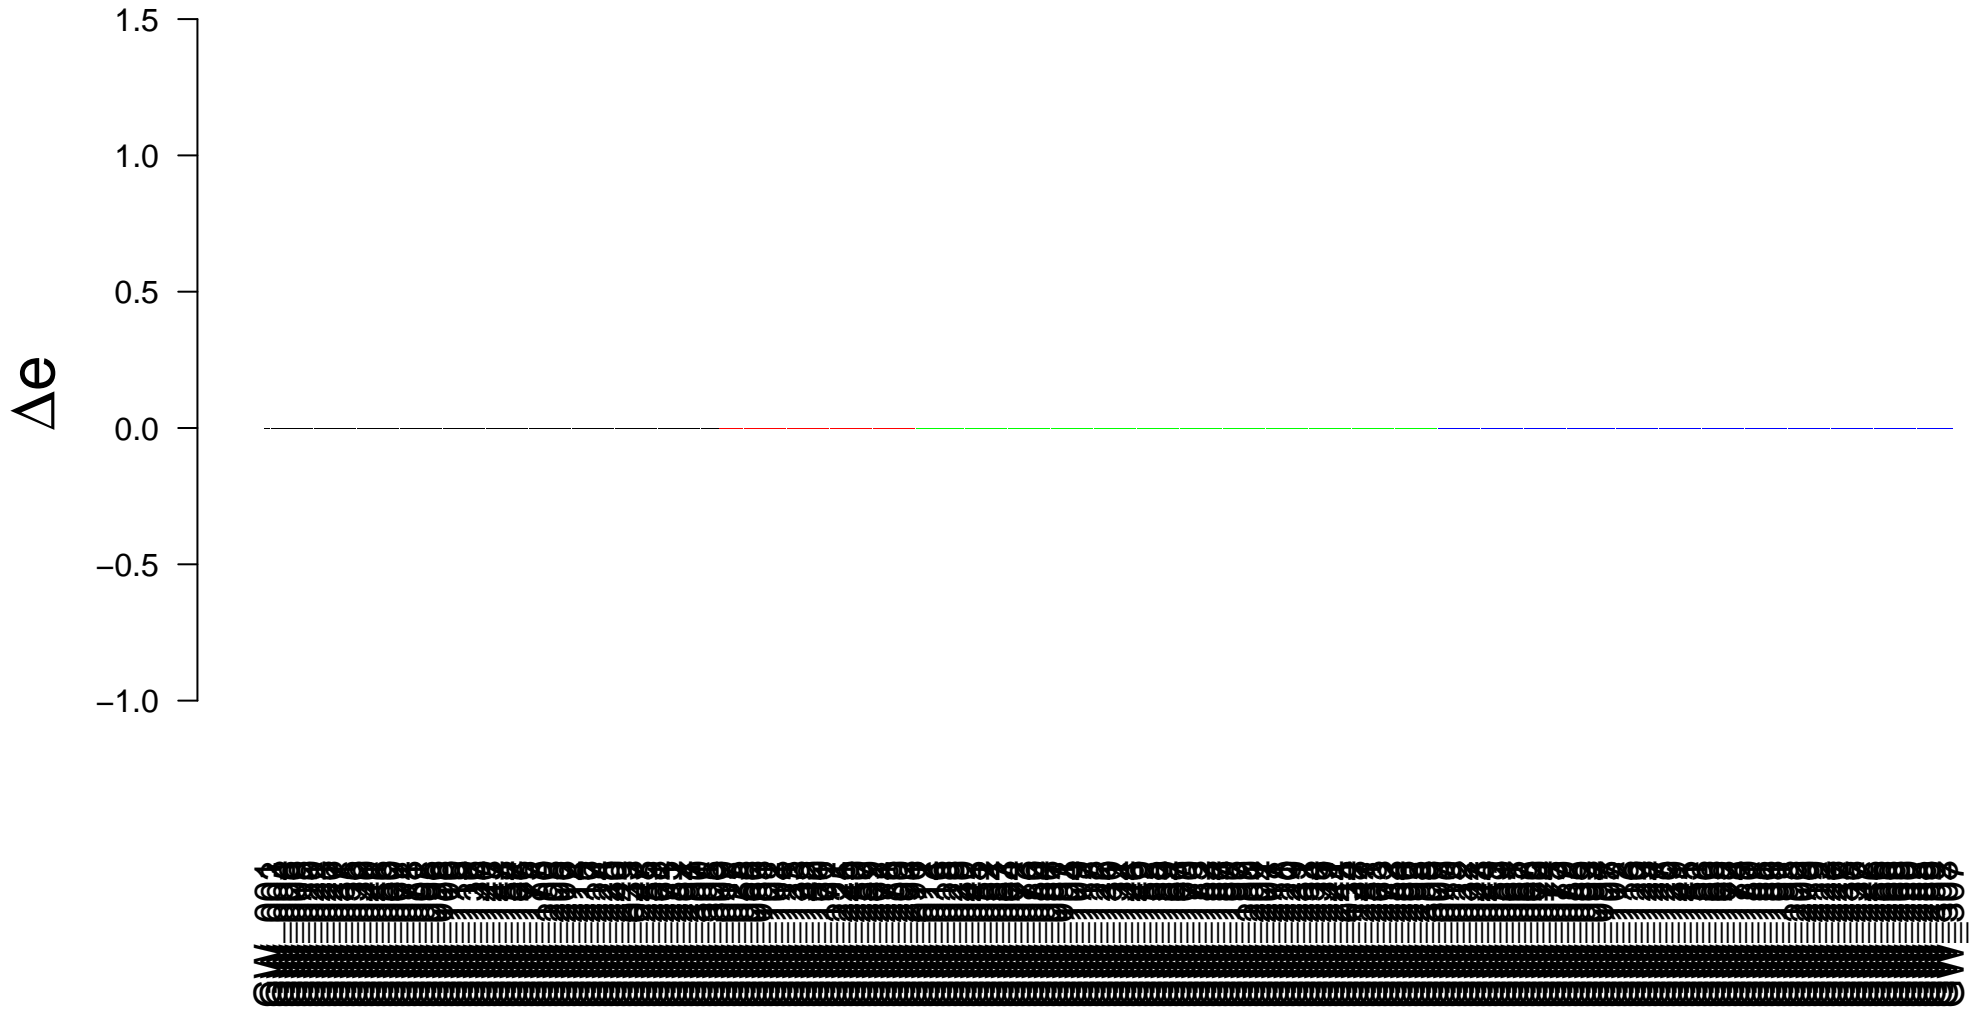

Expression of intracellular transport in Spot G

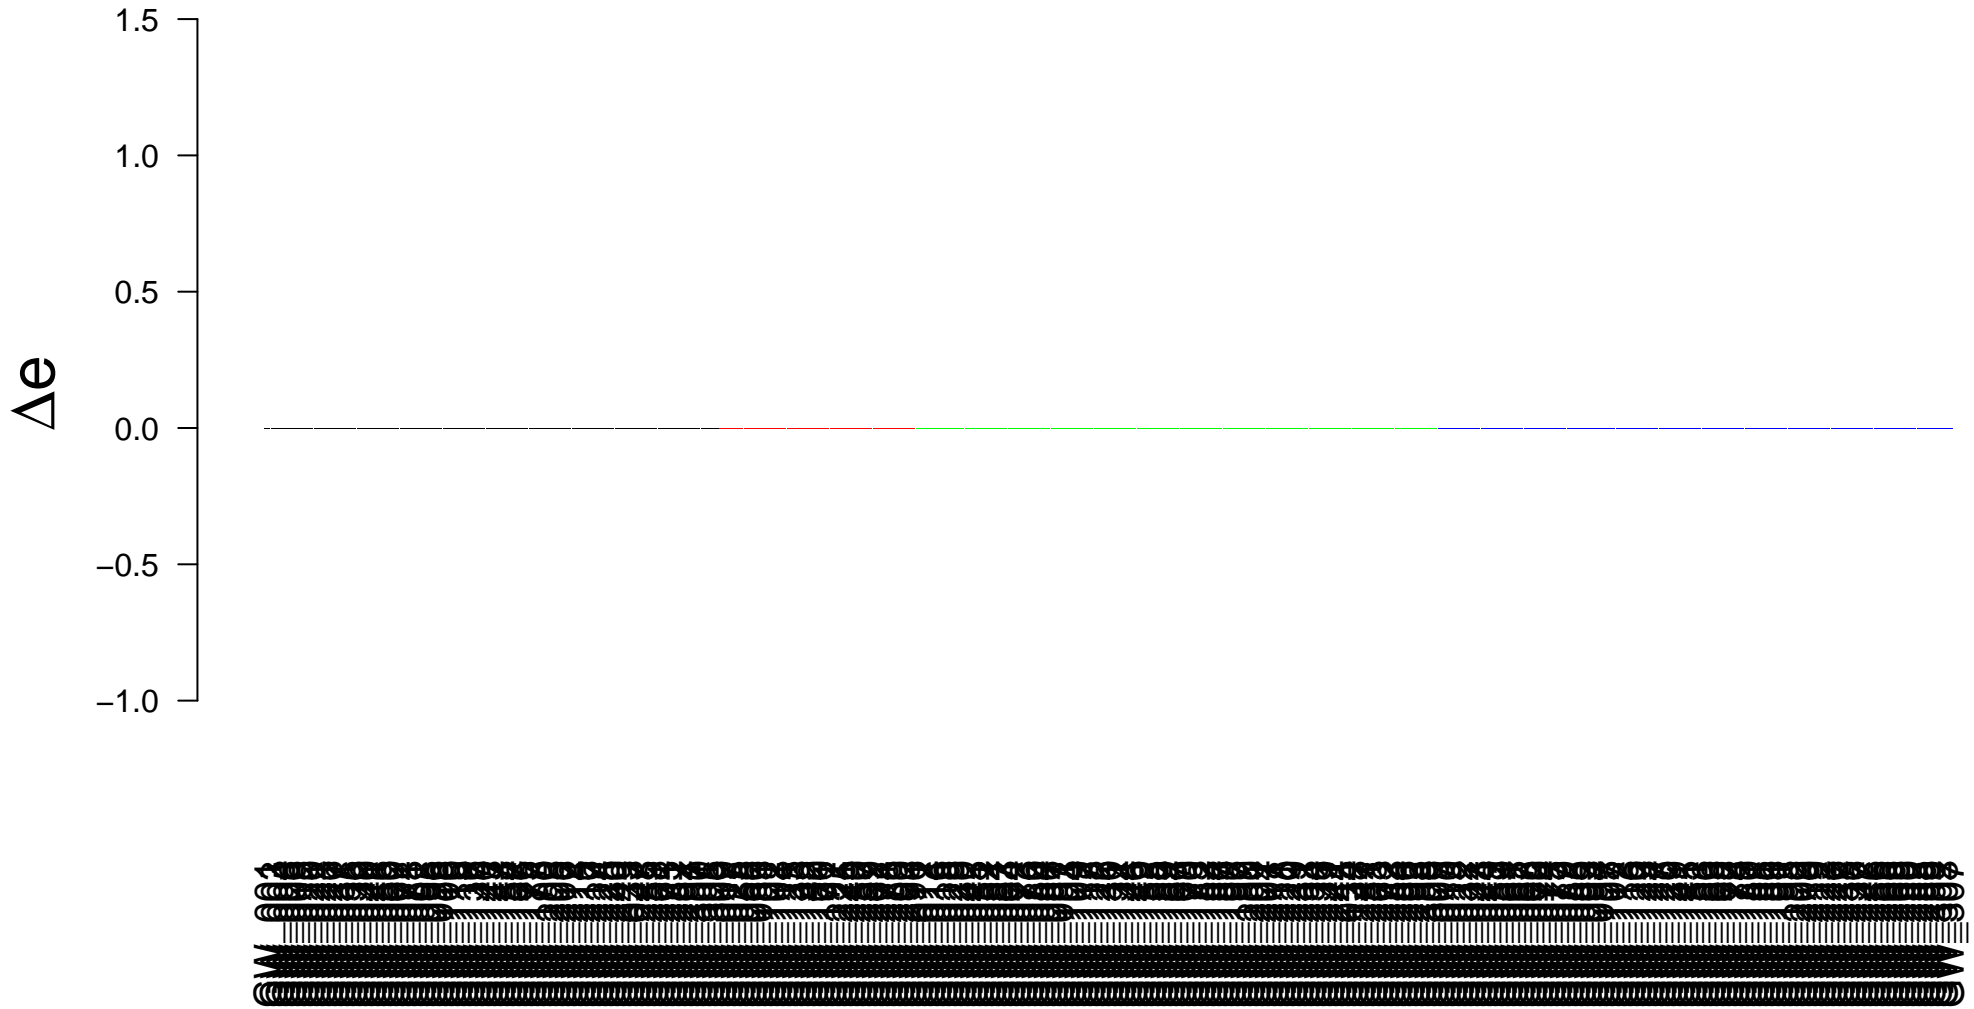

Δe

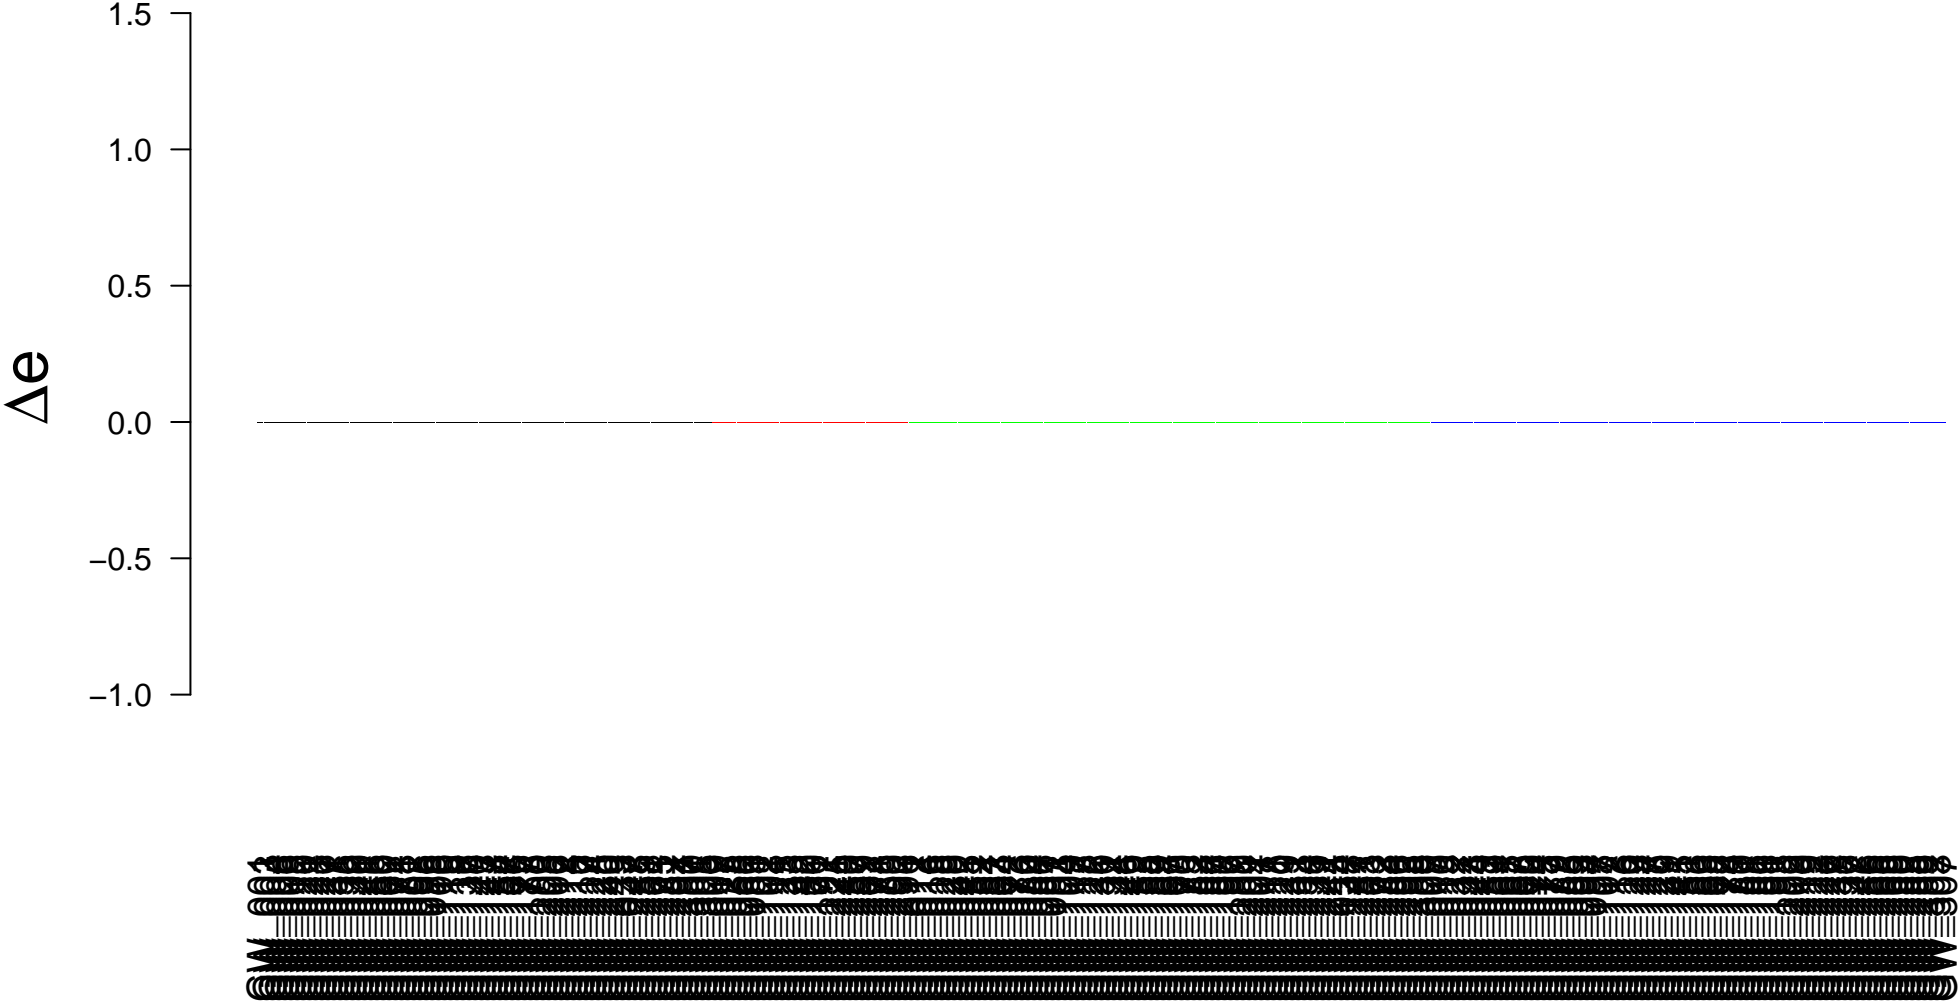

Expression of intracellular transport in Spot H

Expression of intracellular transport in Spot I

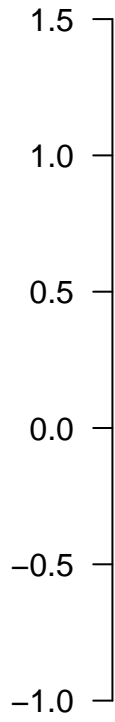

Expression of intracellular transport in Spot J

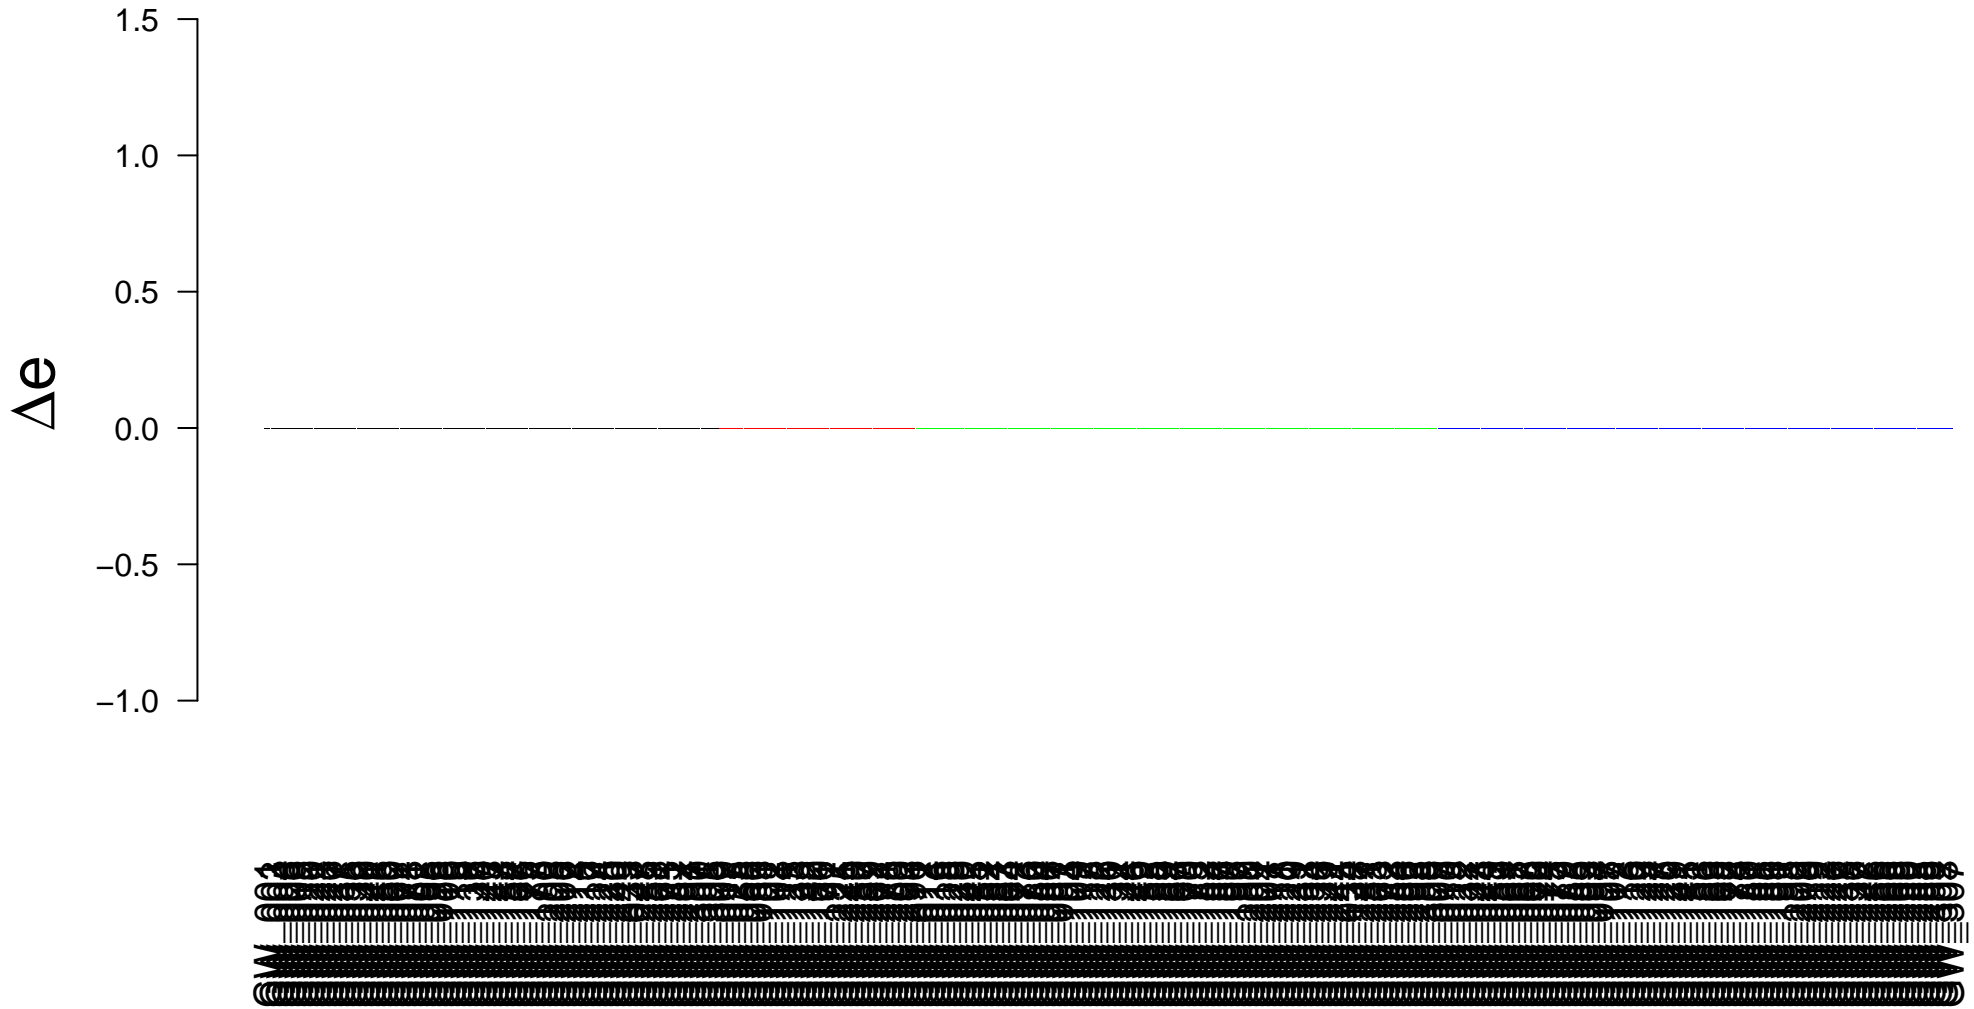

Expression of intracellular transport in Spot K

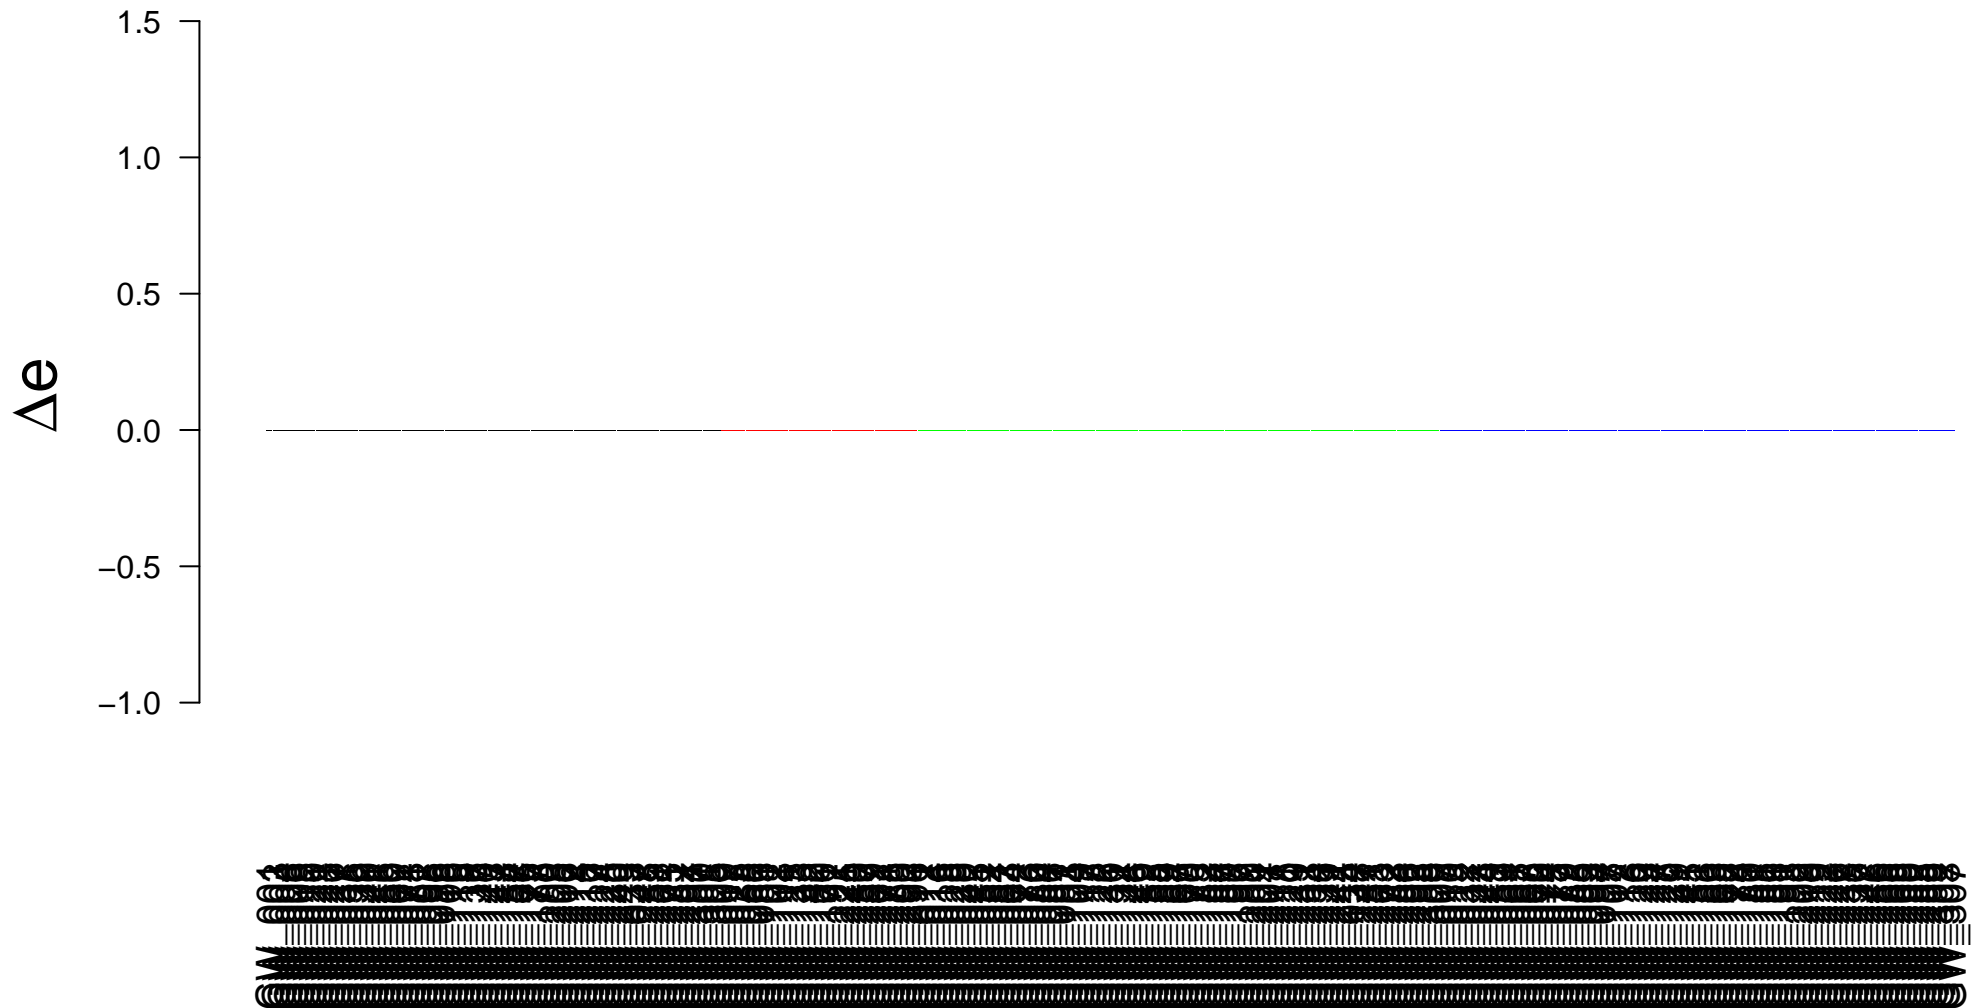

Δe

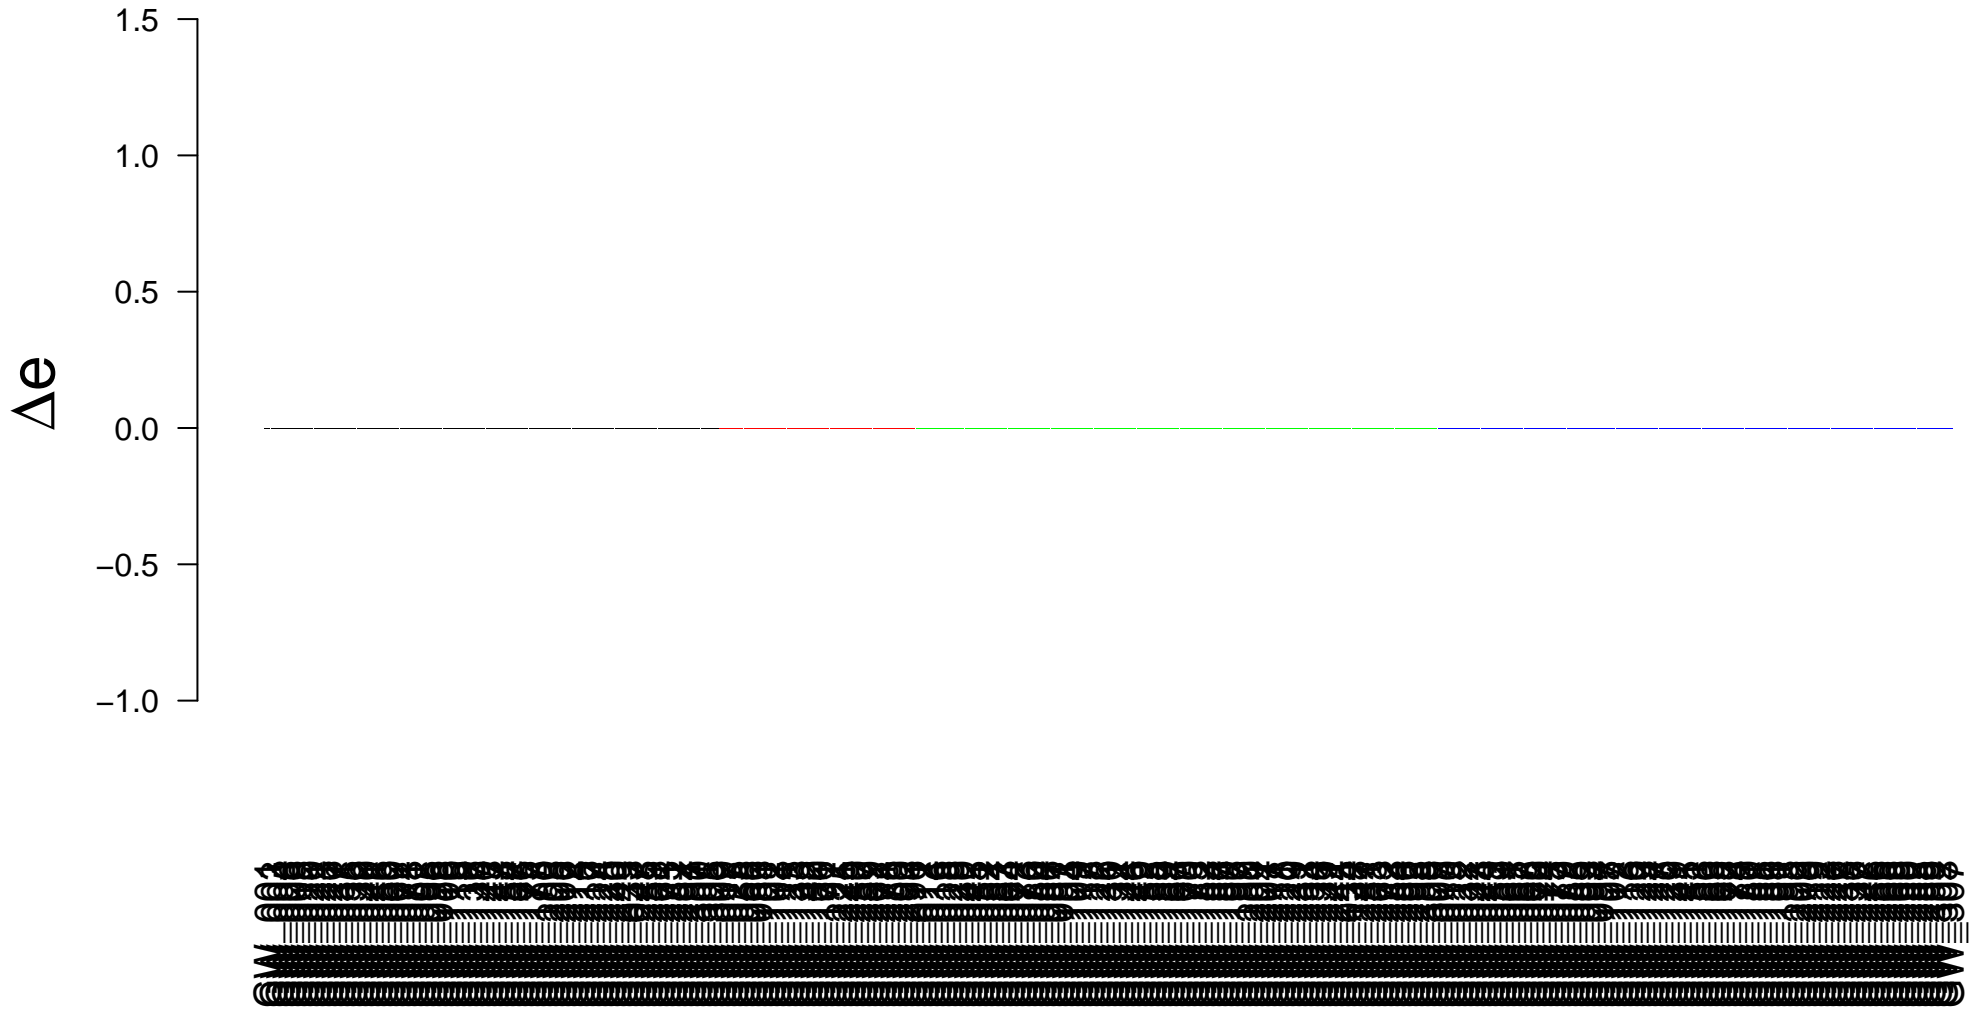

Expression of intracellular transport in Spot L

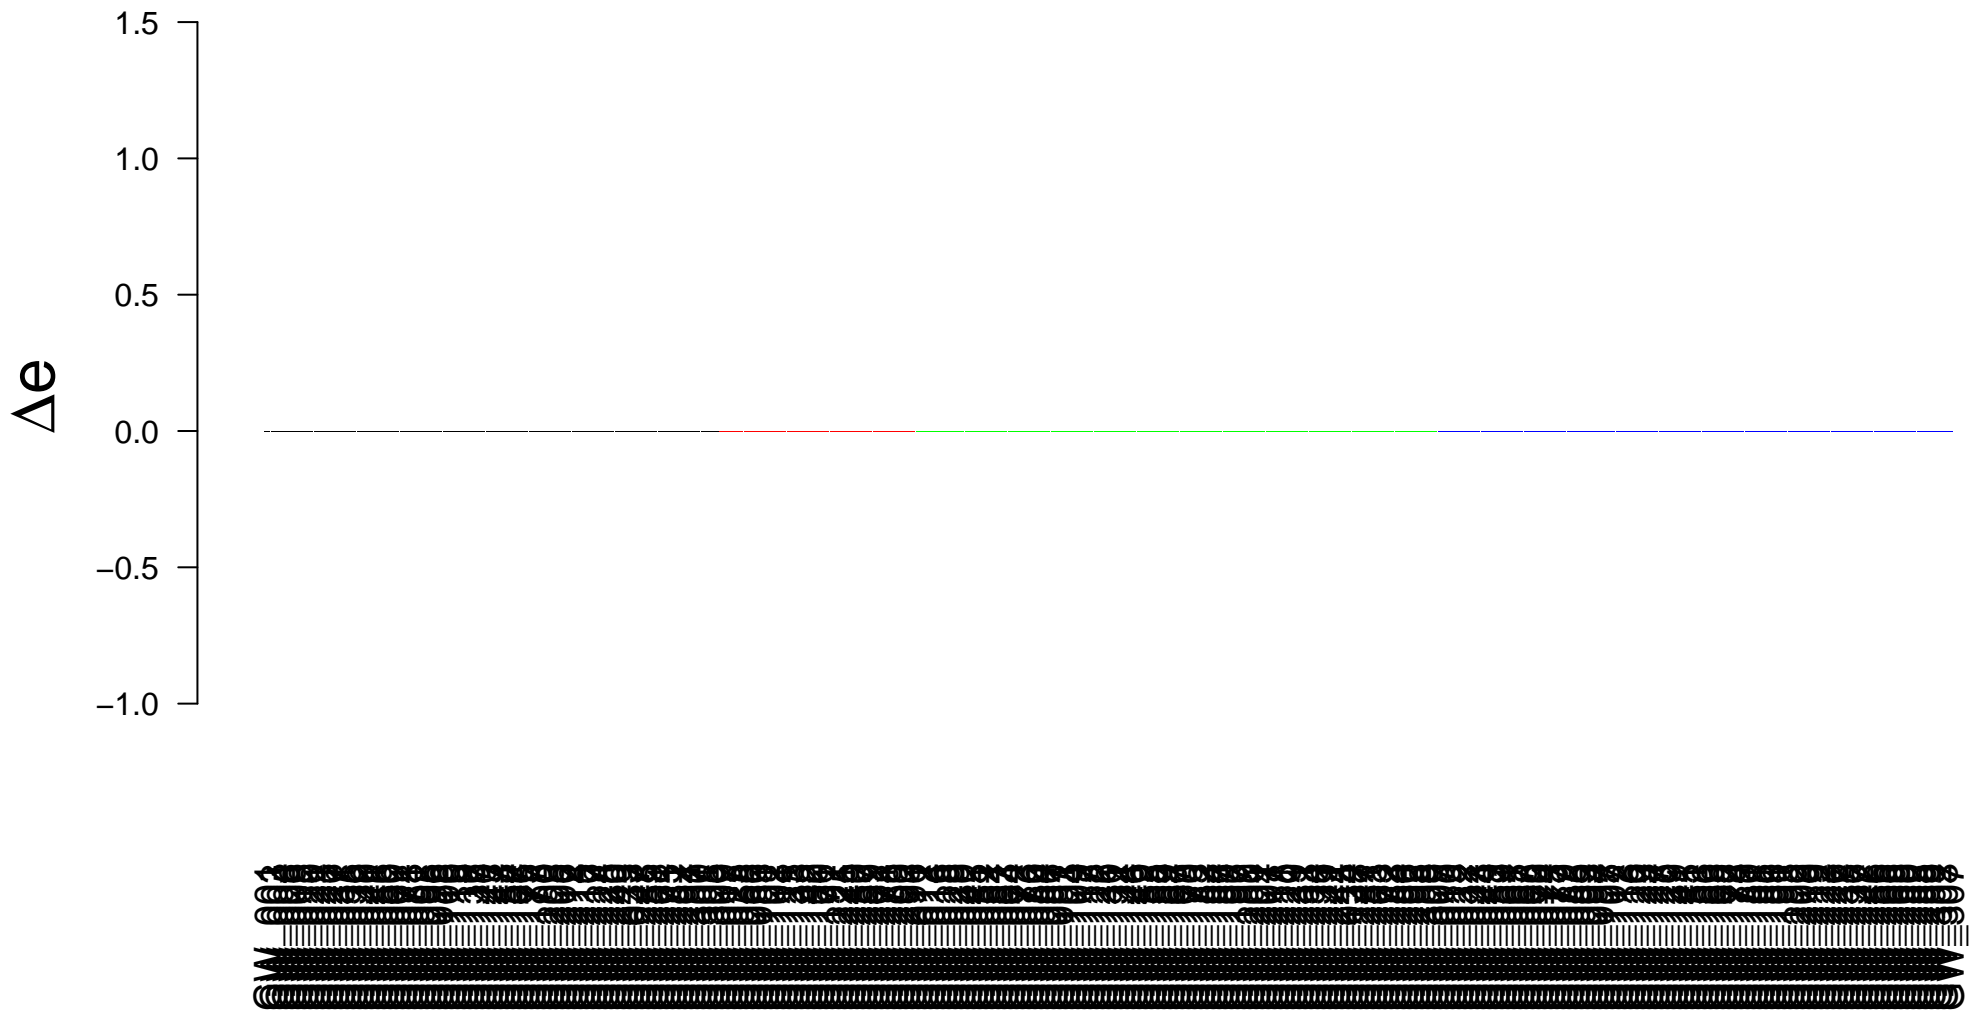

Expression of intracellular transport in Spot M

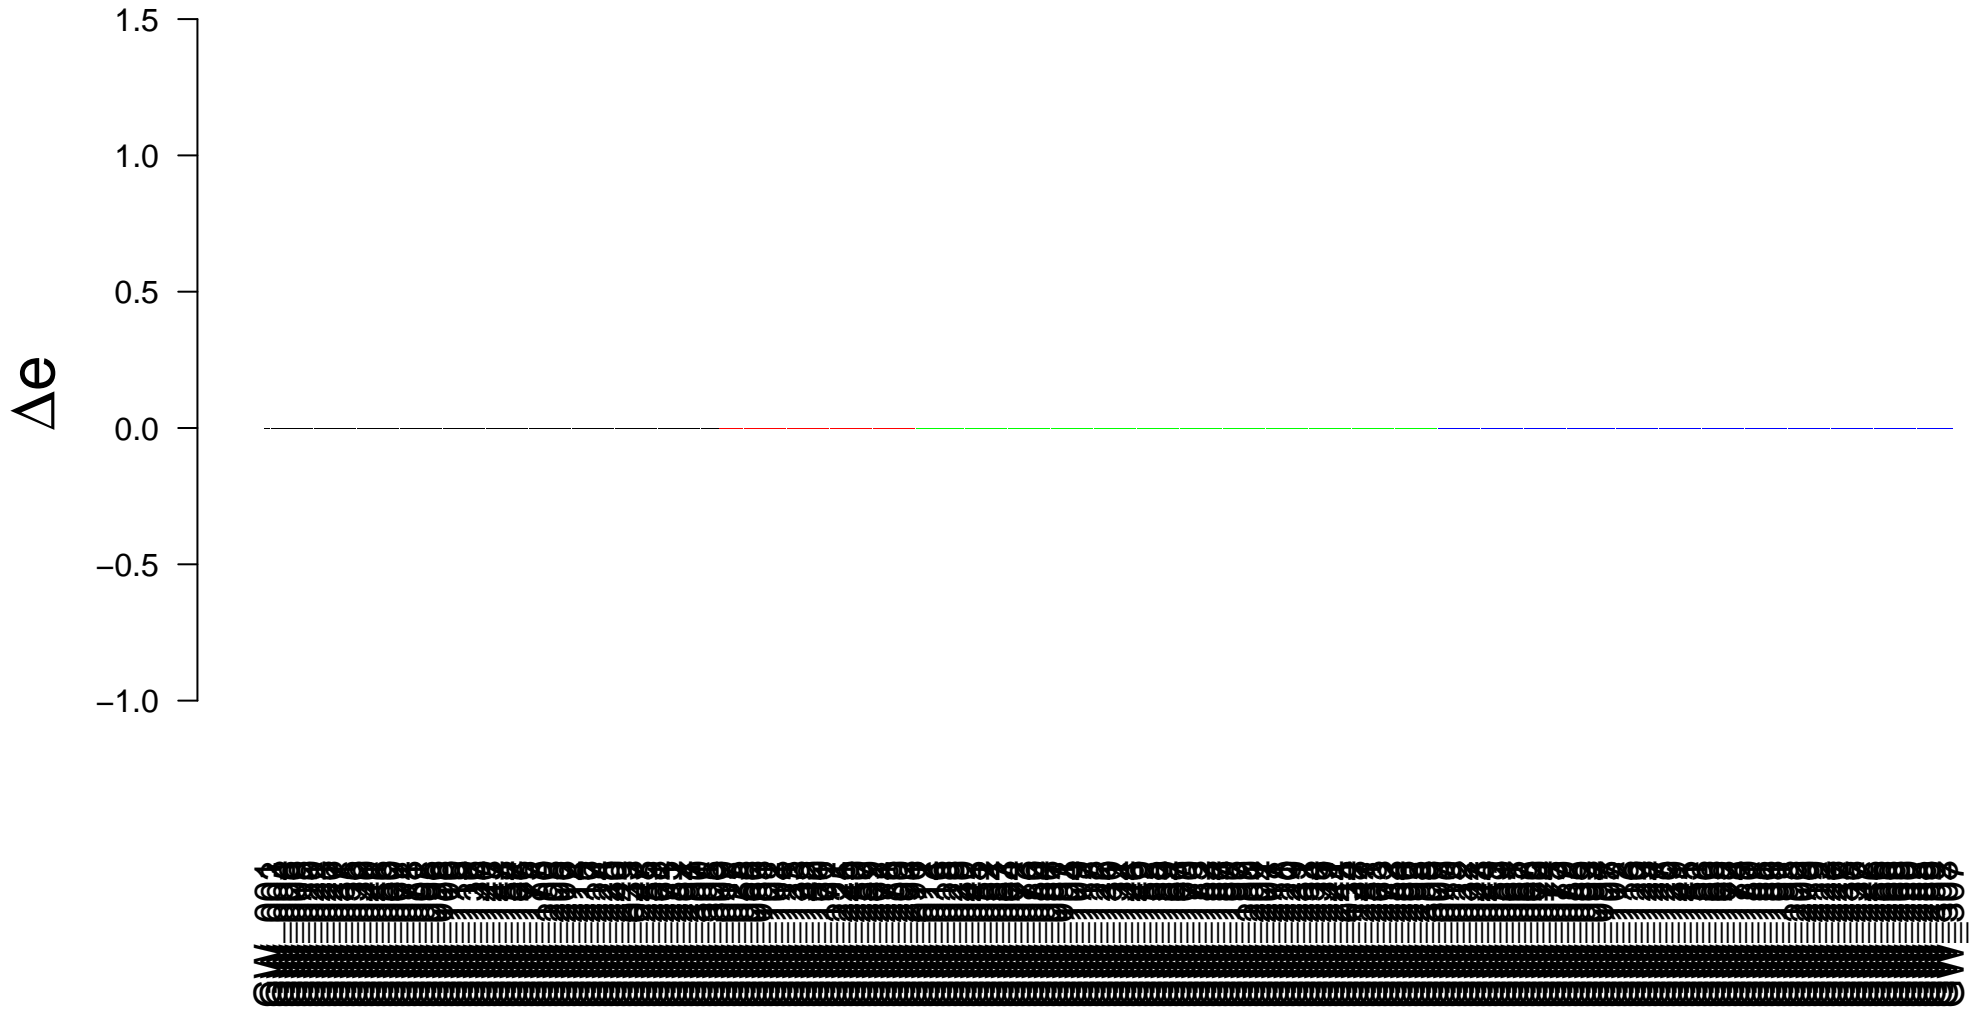

Expression of intracellular transport in Spot N

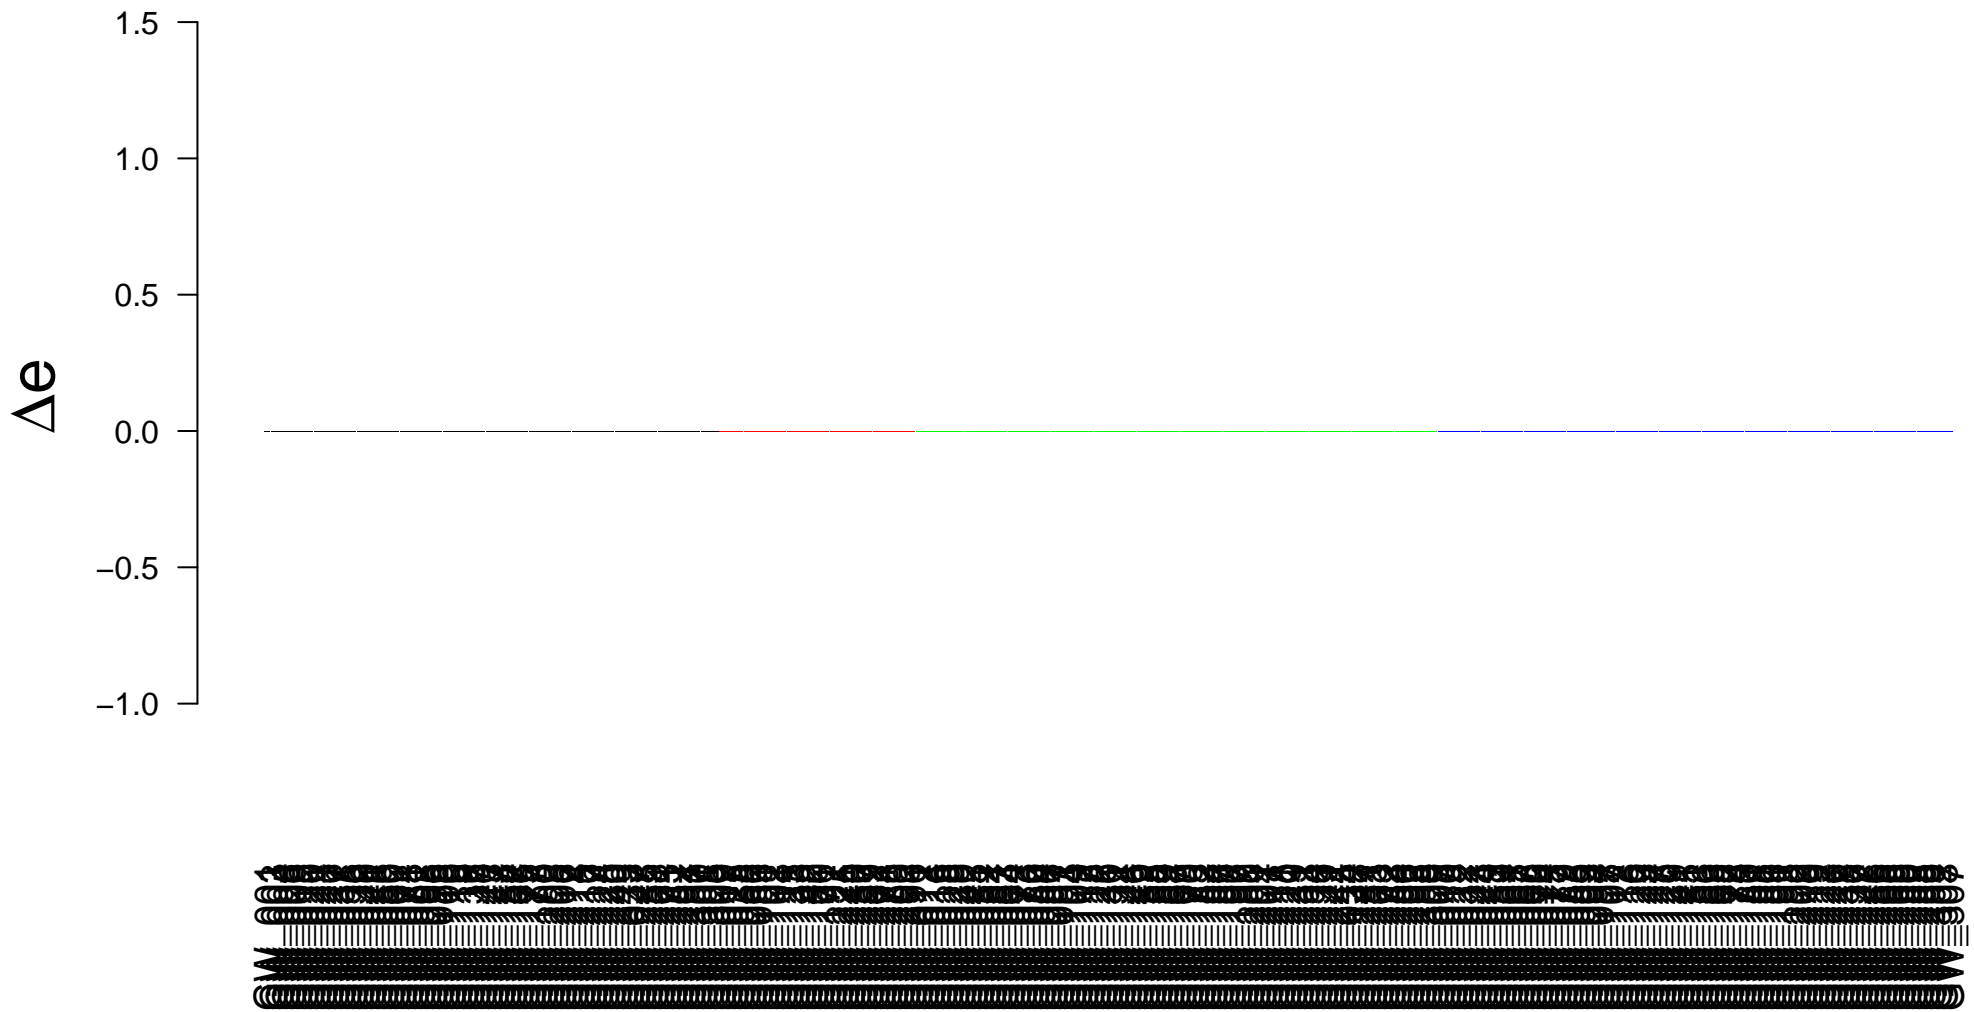

Expression of intracellular transport in Spot O

Expression of intracellular transport in Spot P

Expression of intracellular transport in Spot Q

Expression of intracellular transport in Spot R
