

isomerase activity

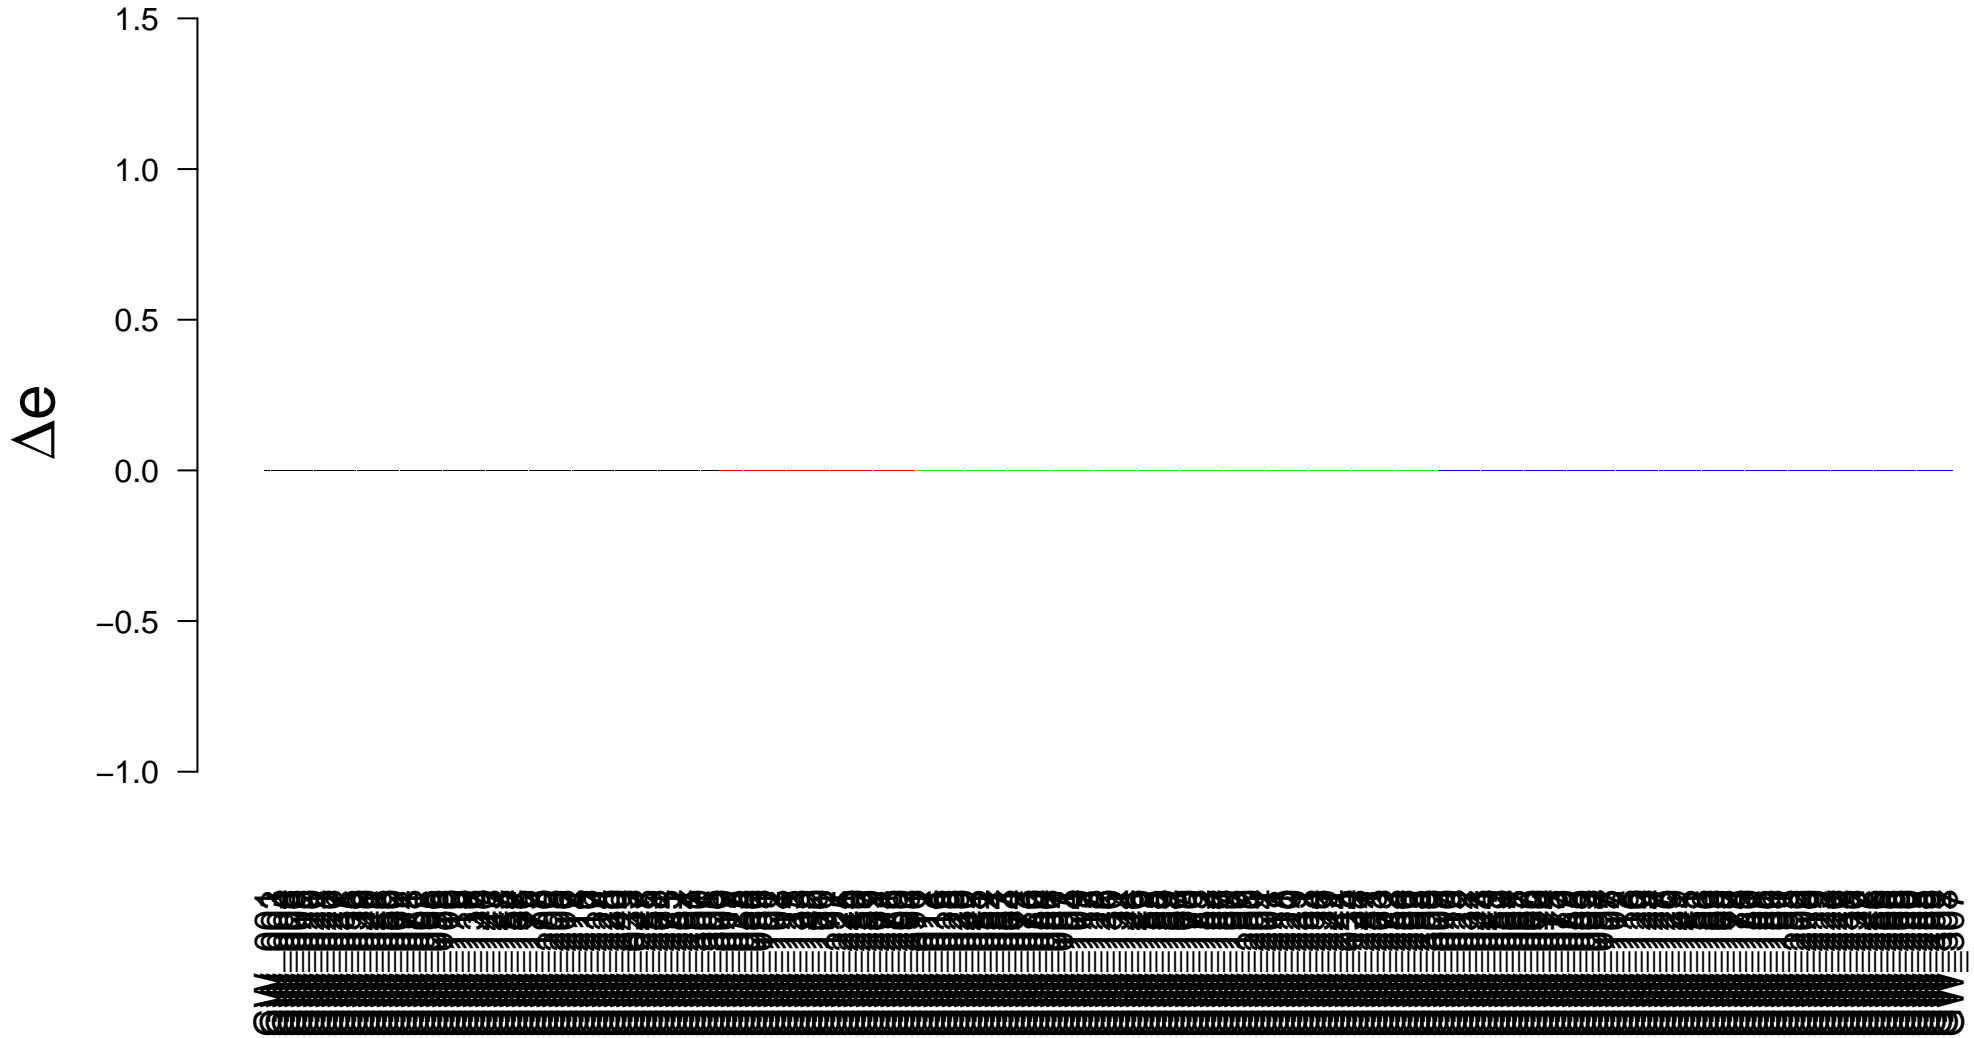

isomerase activity

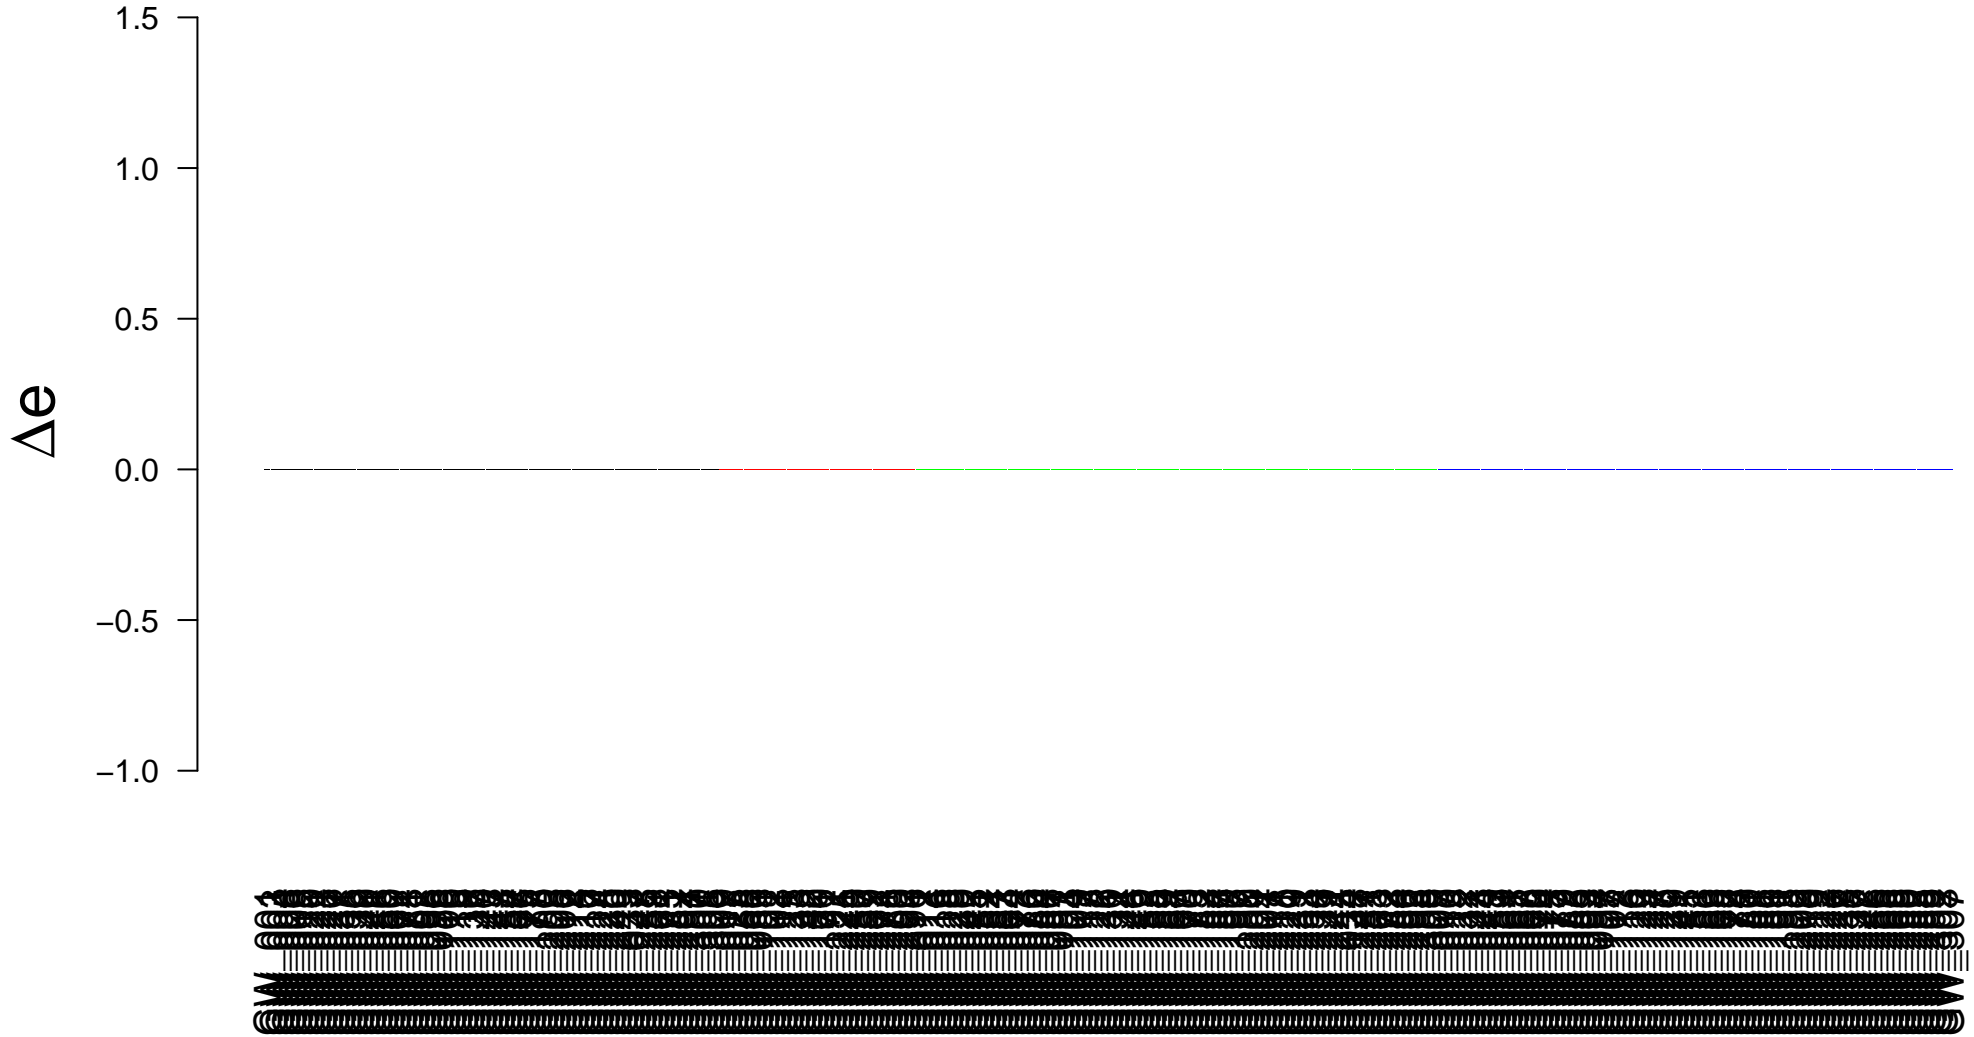

Enrichment in spots: isomerase activity

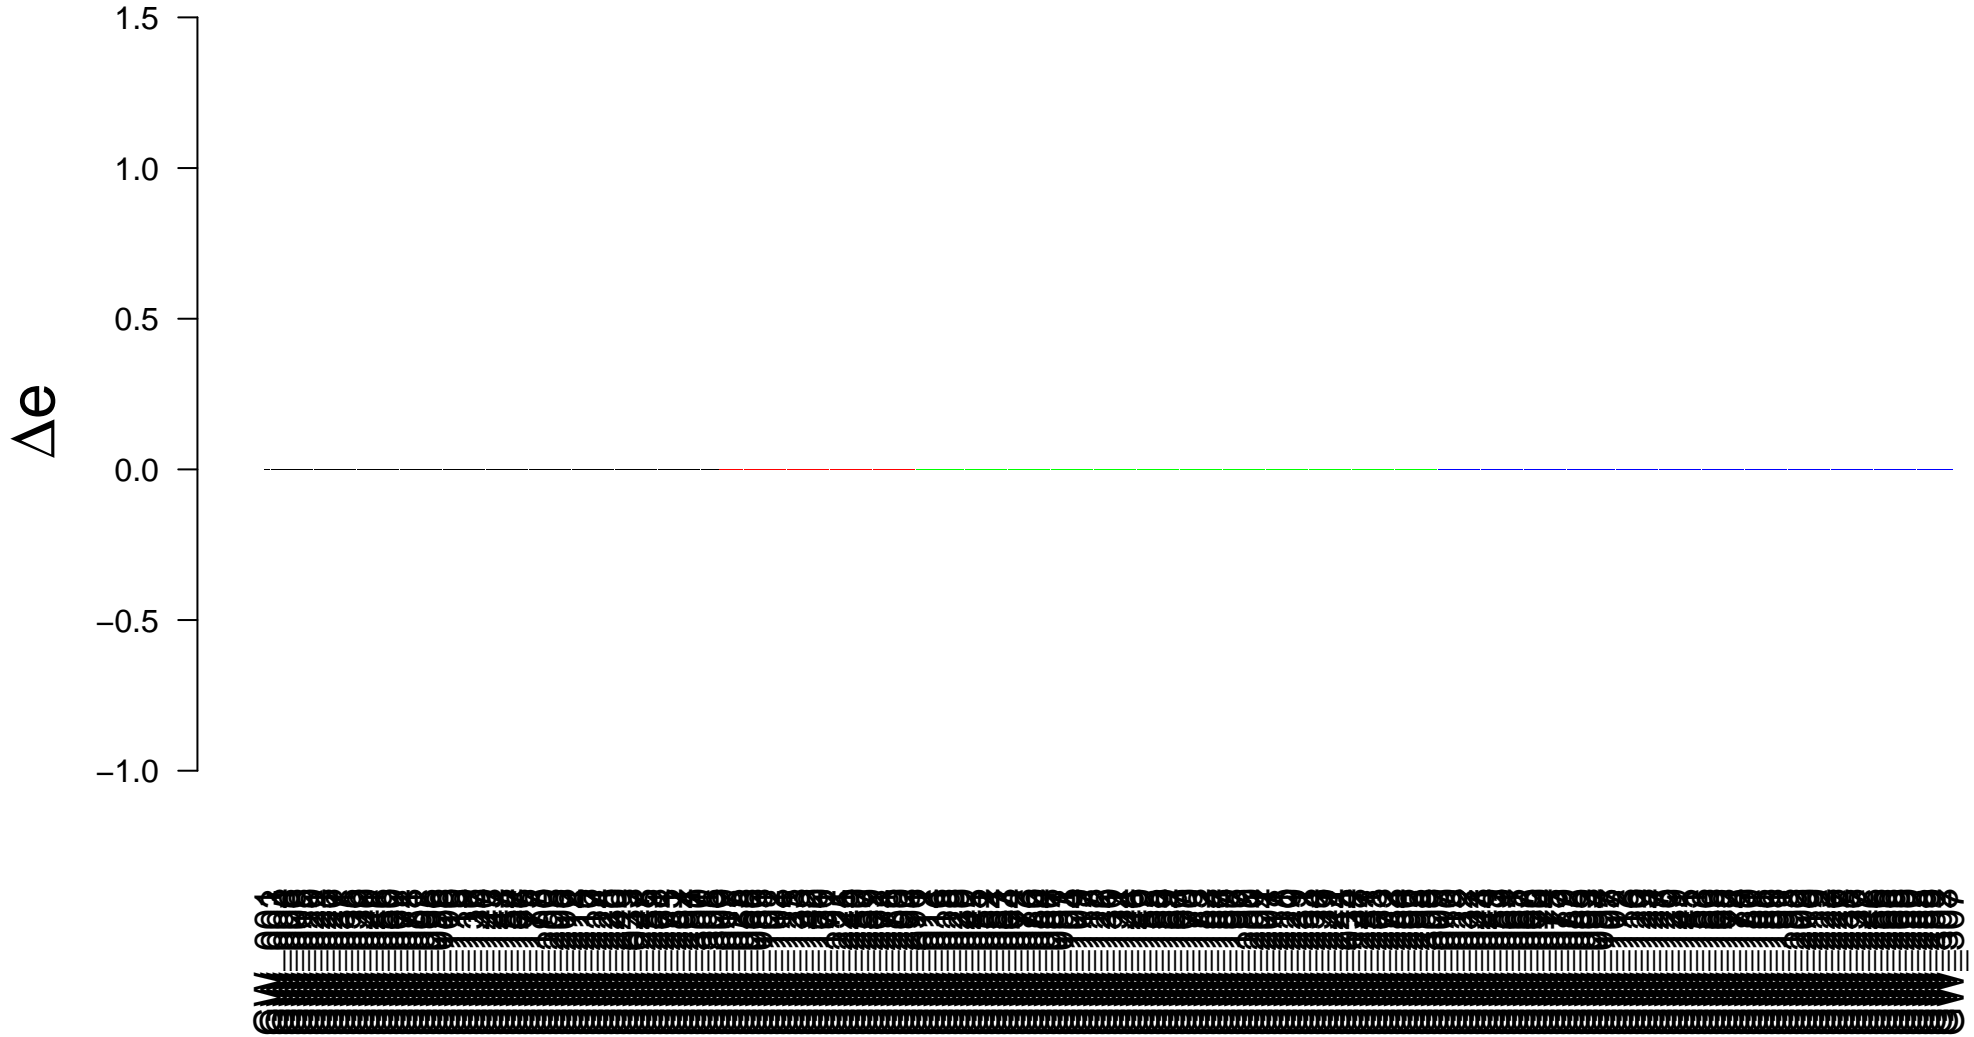

Expression of isomerase activity in Spot A

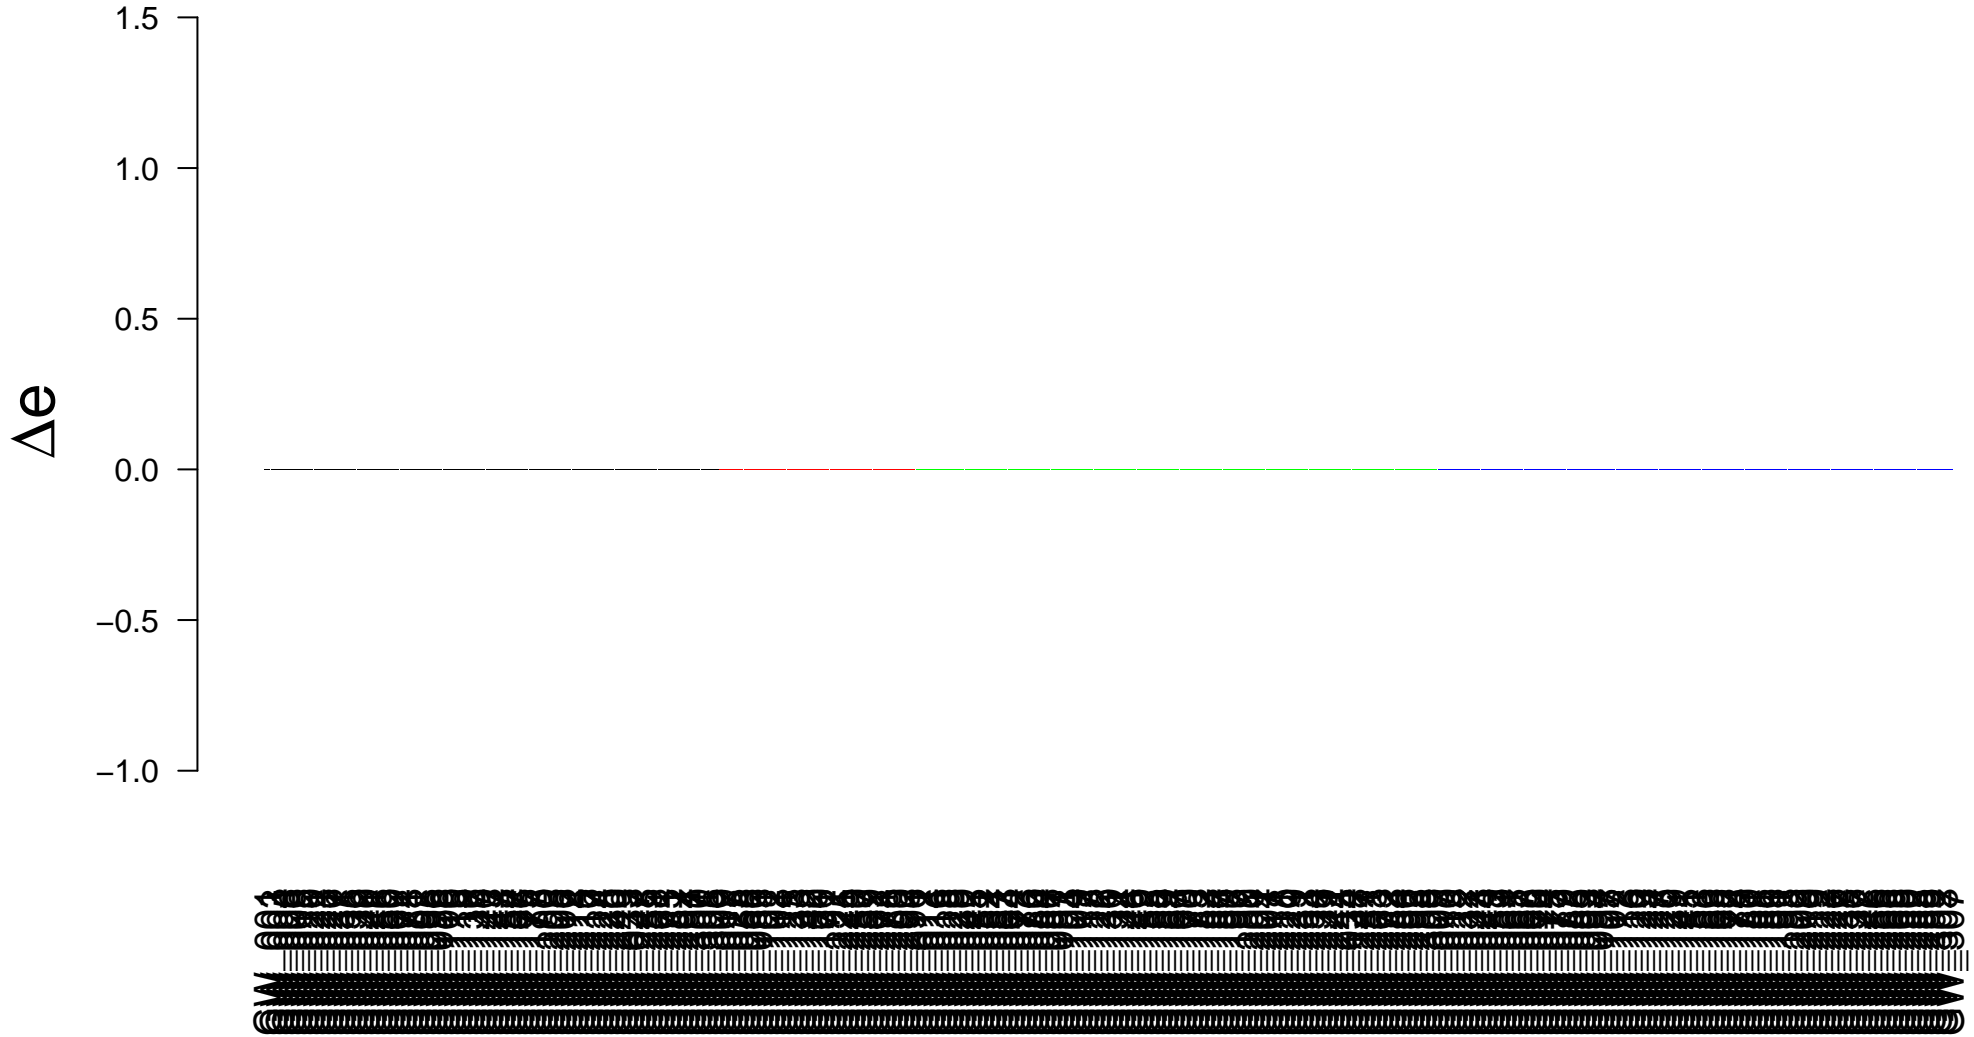

Expression of isomerase activity in Spot B

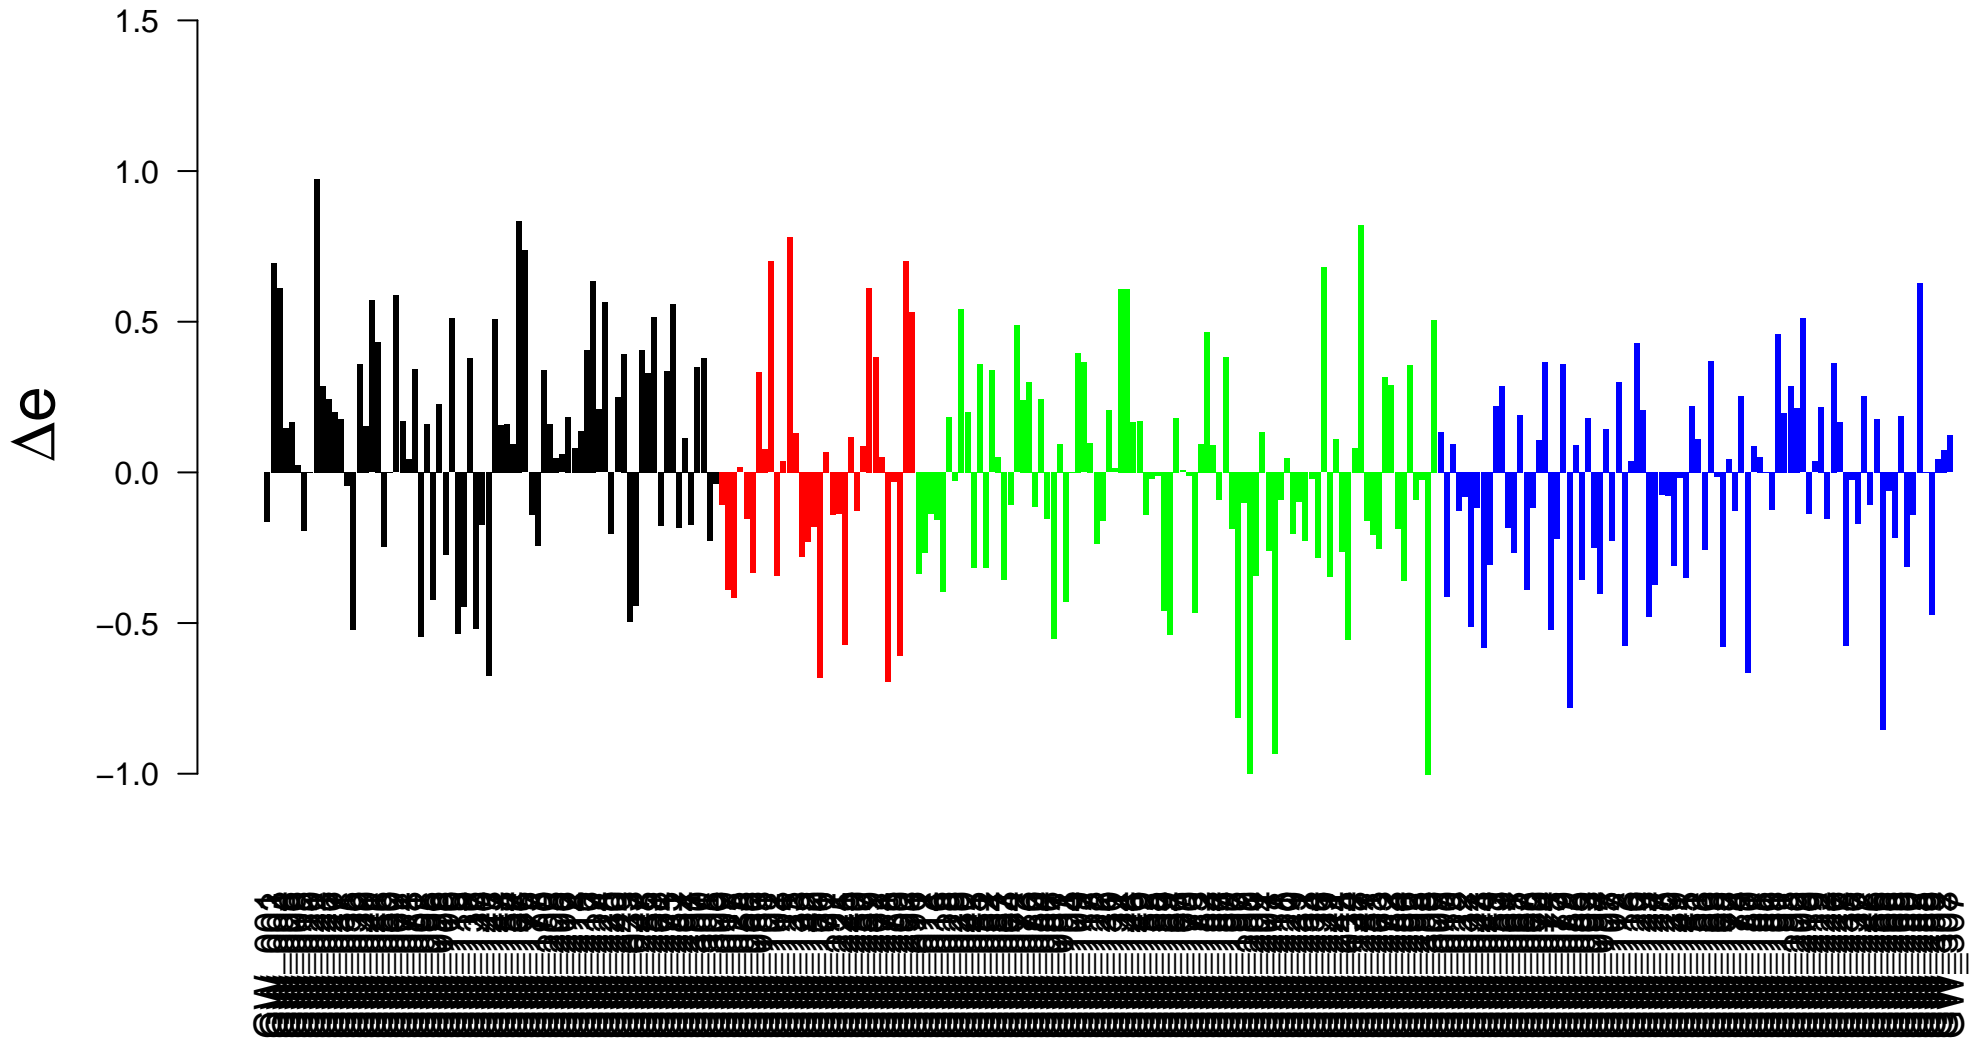

Expression of isomerase activity in Spot C

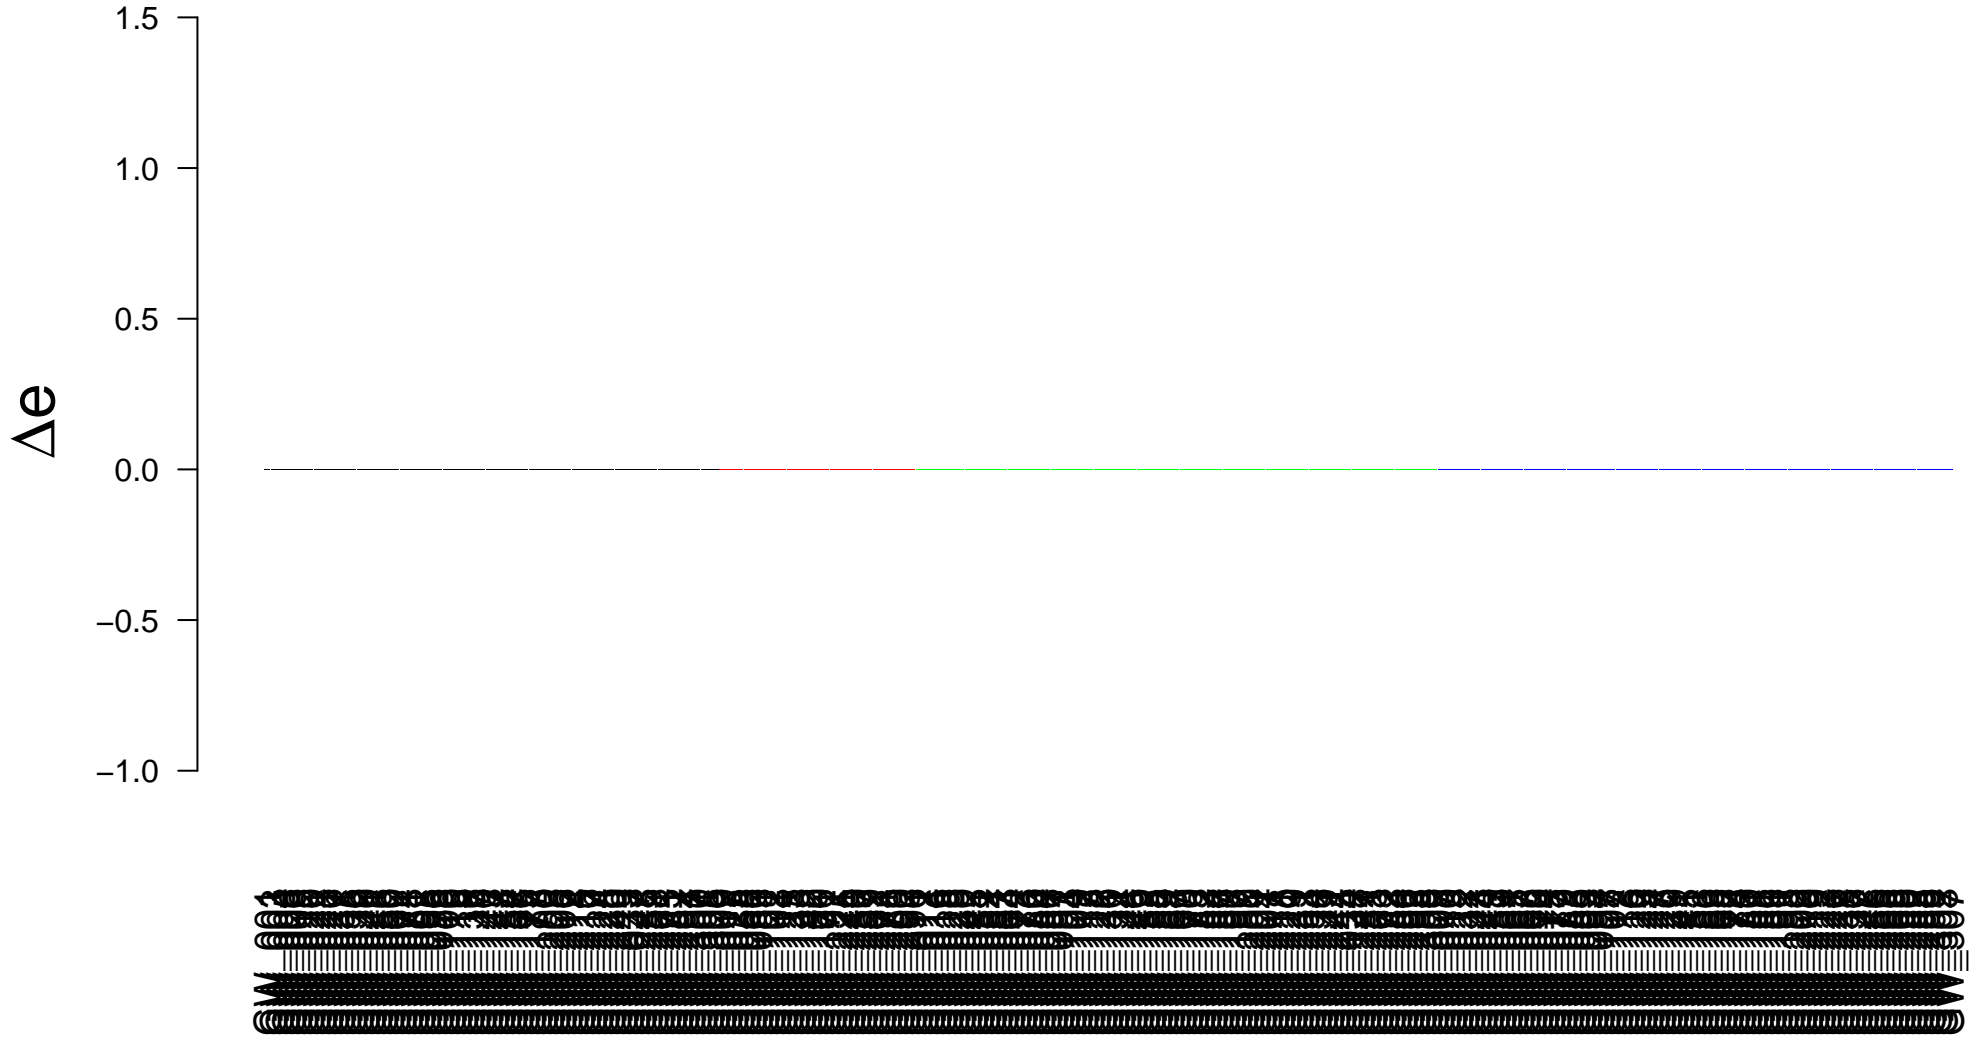

Expression of isomerase activity in Spot D

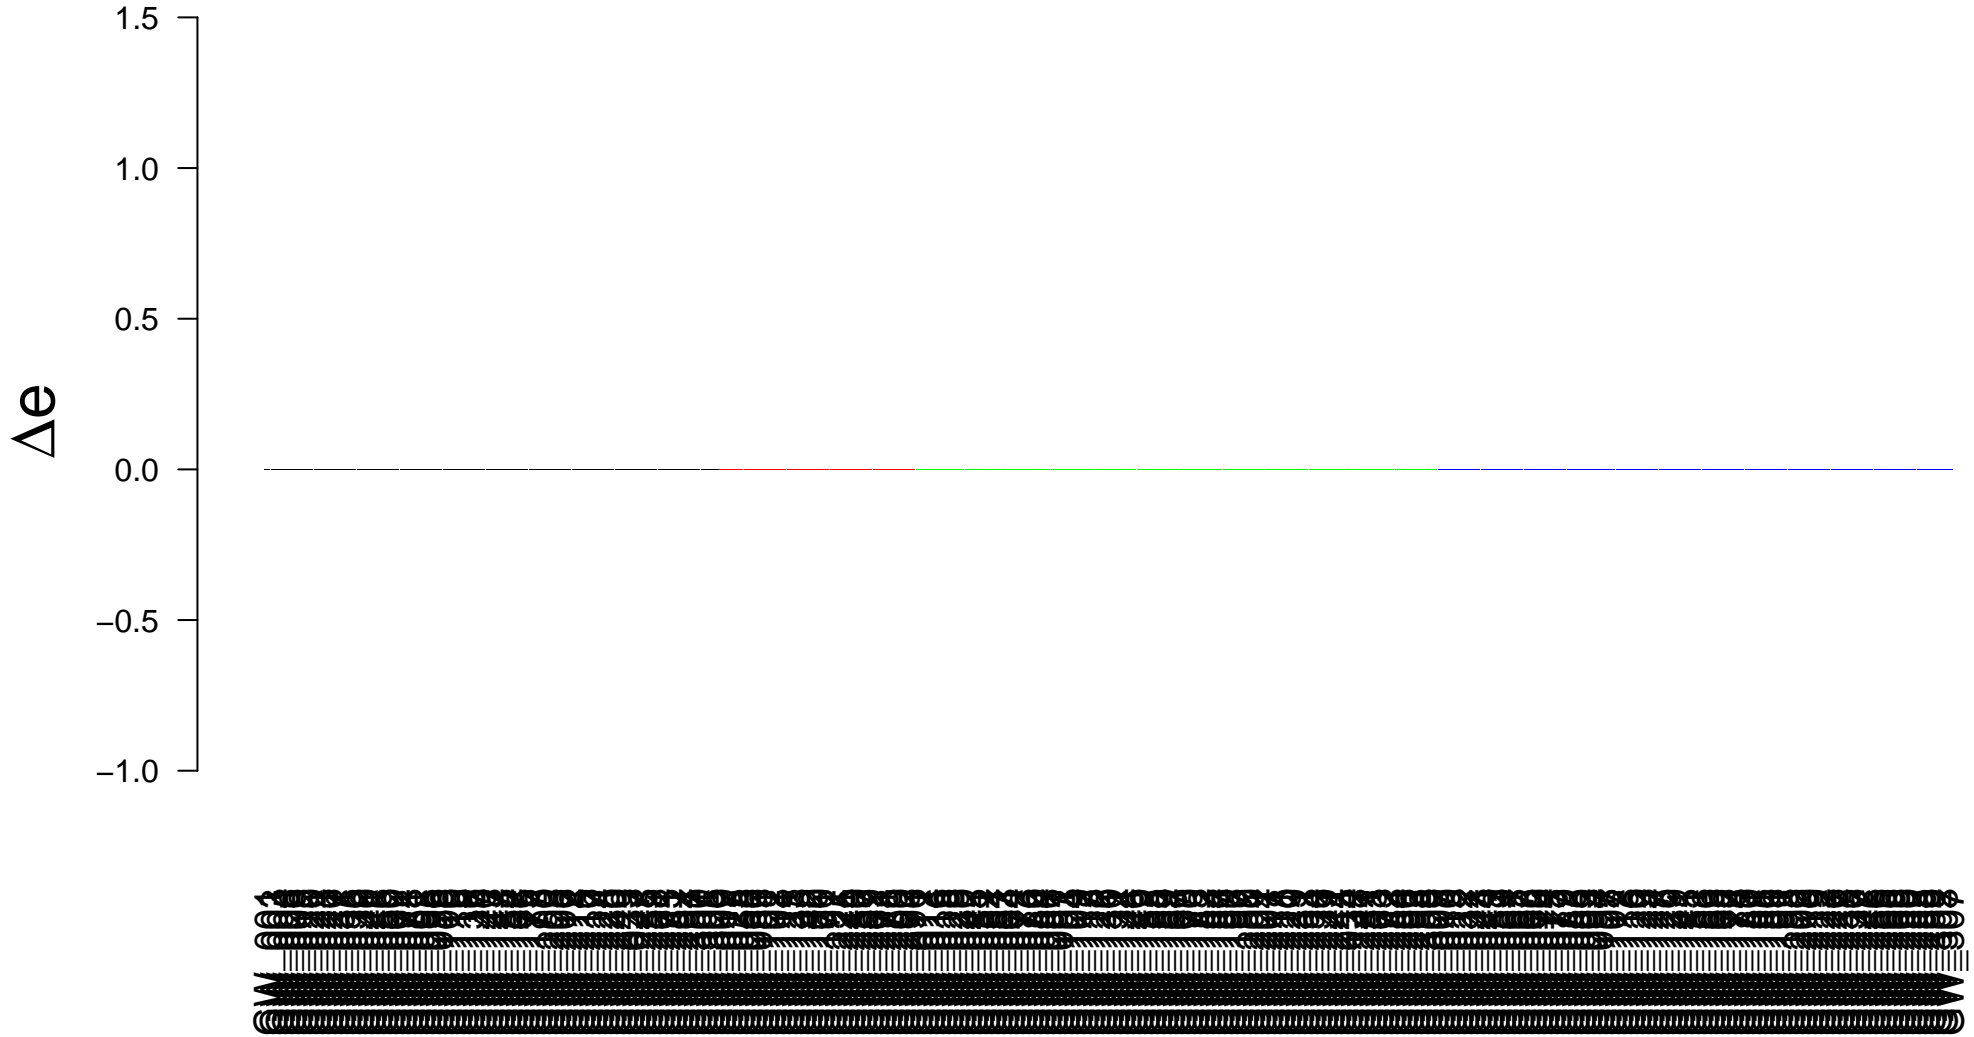

Expression of isomerase activity in Spot E

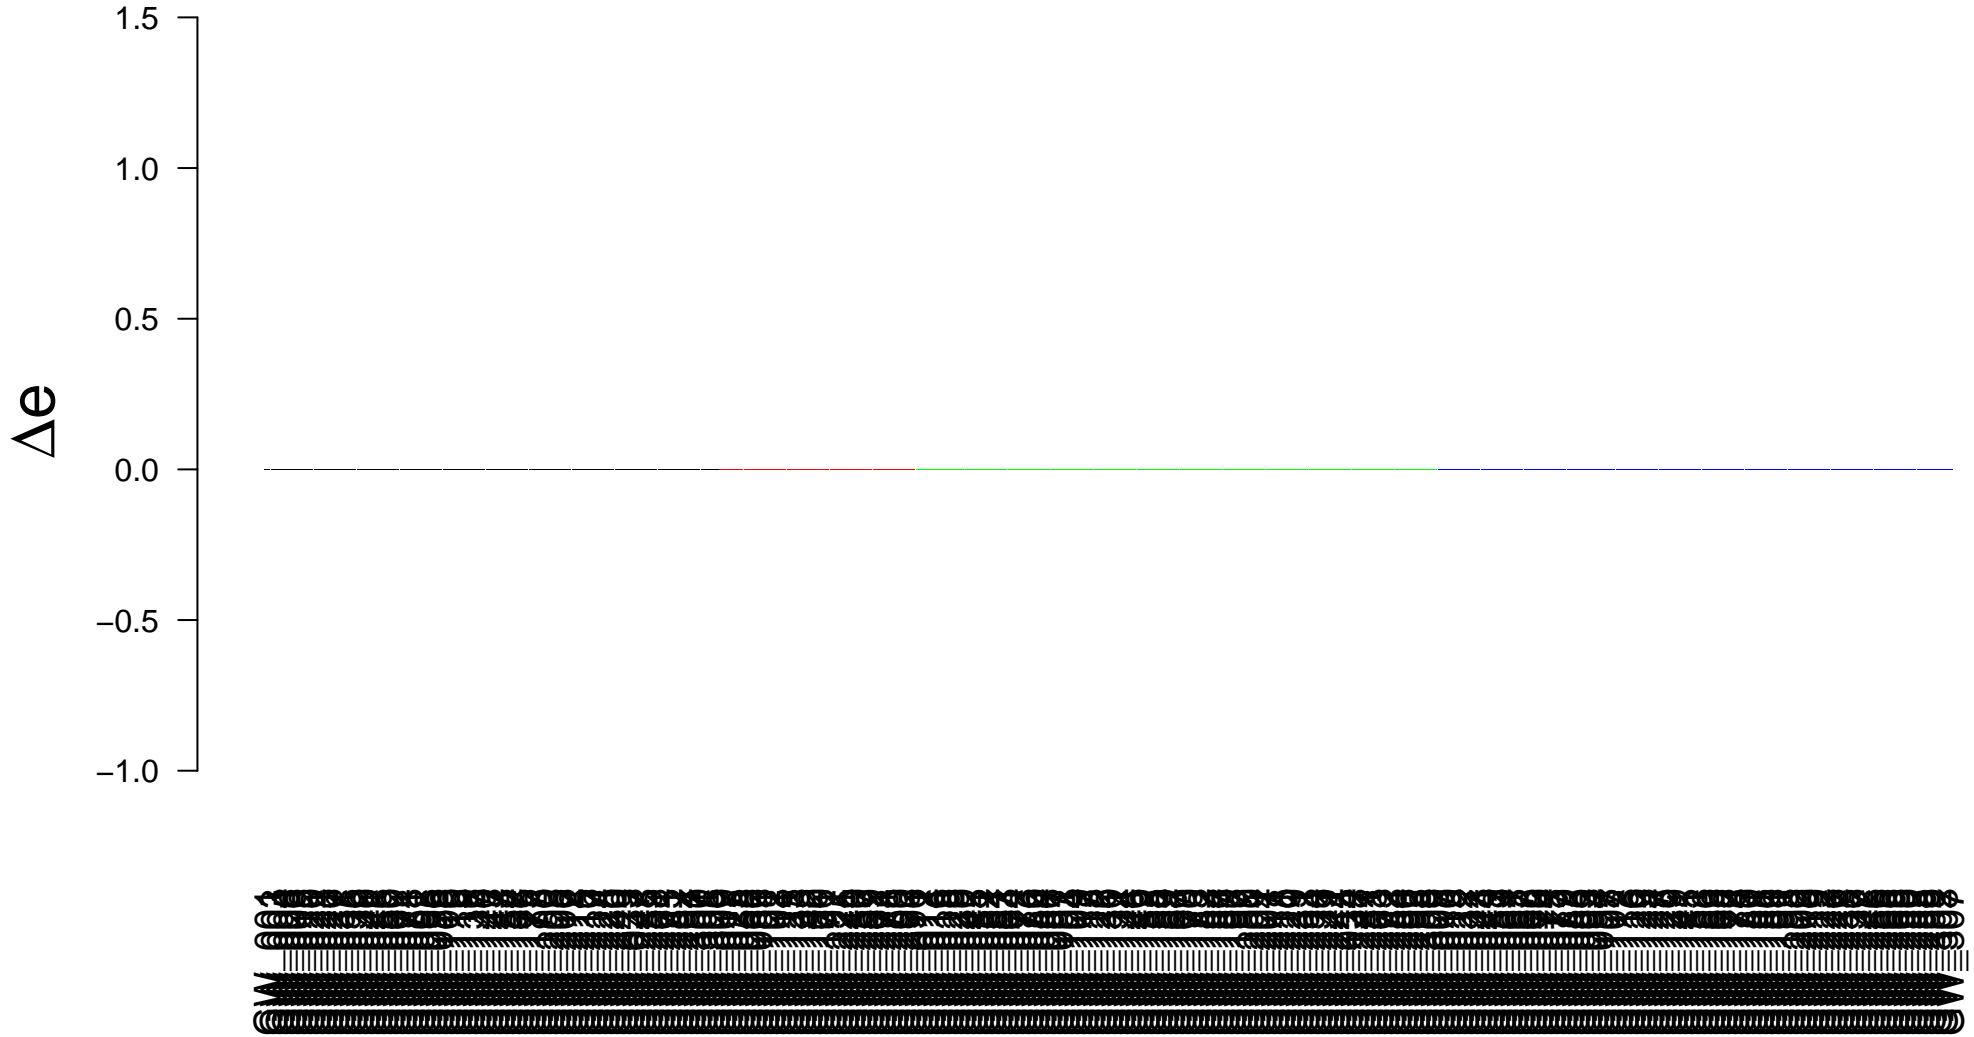

Expression of isomerase activity in Spot F

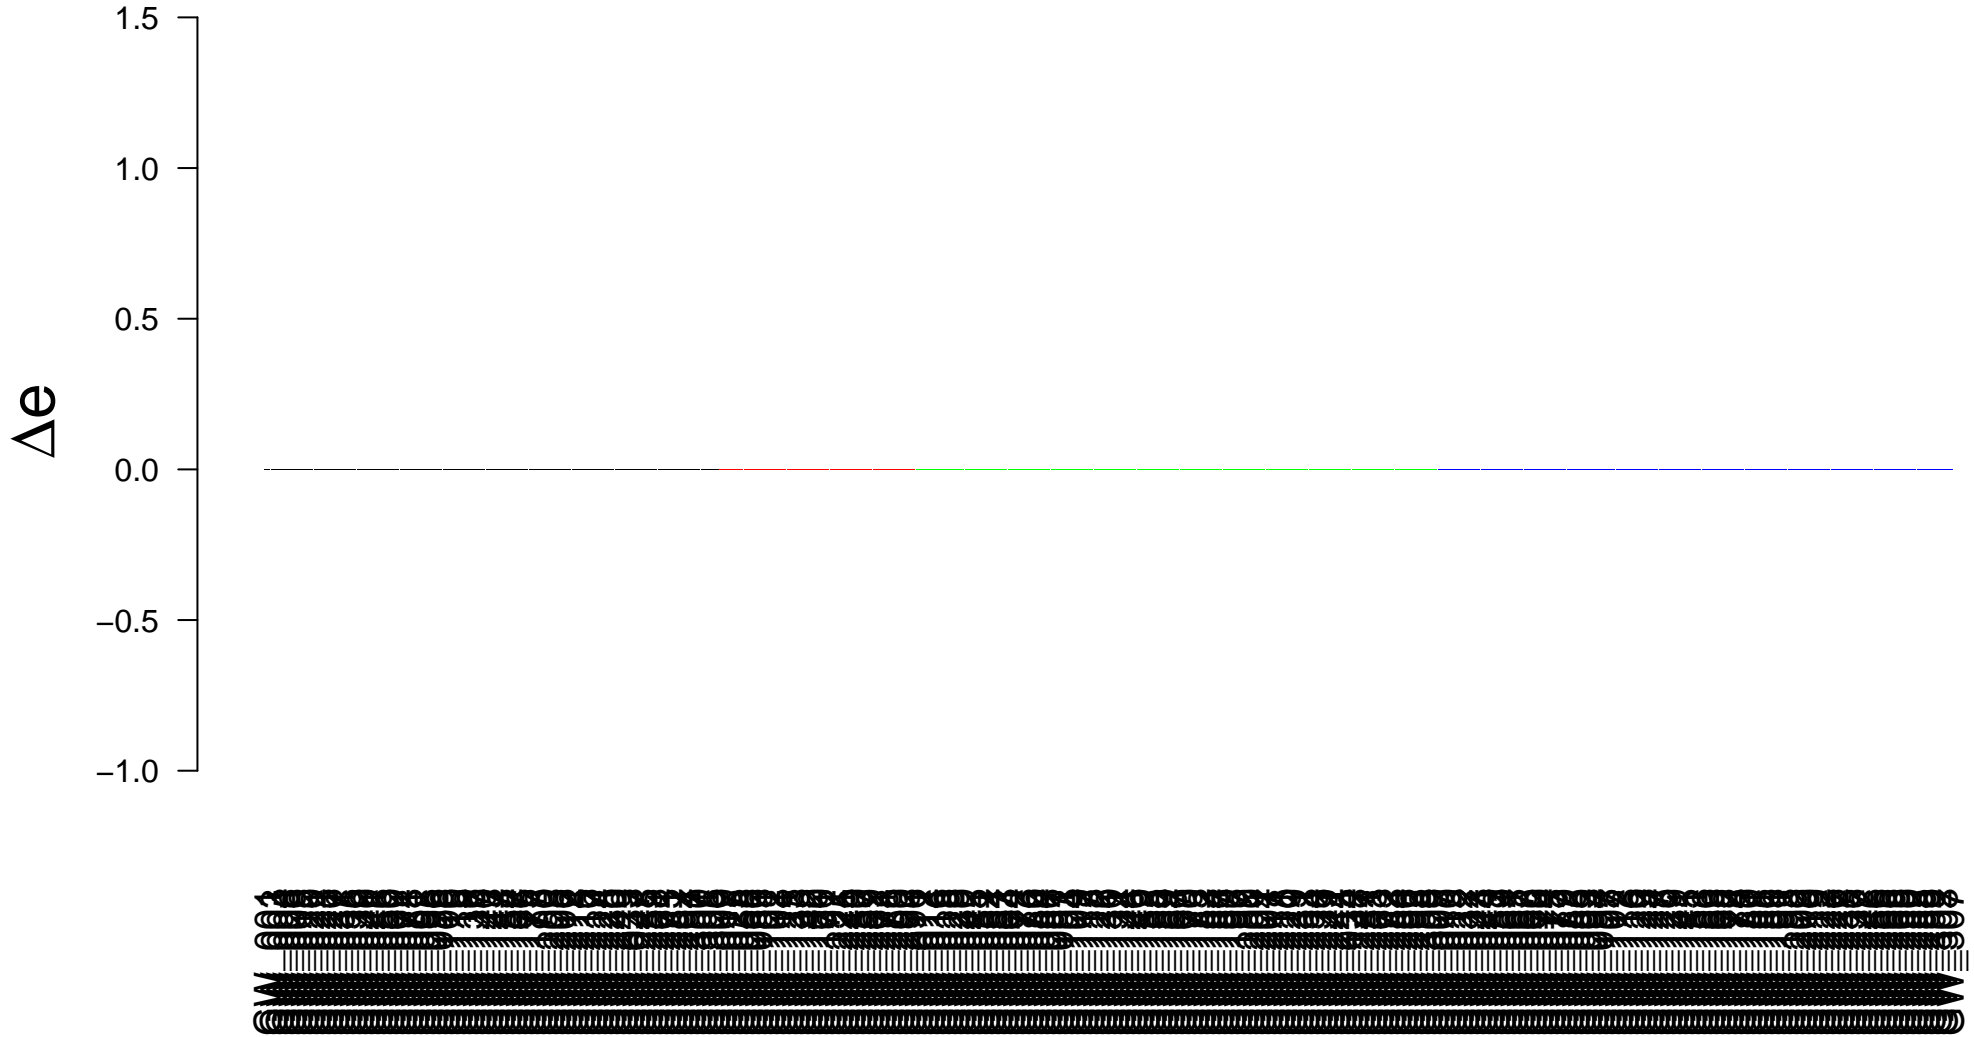

Expression of isomerase activity in Spot G

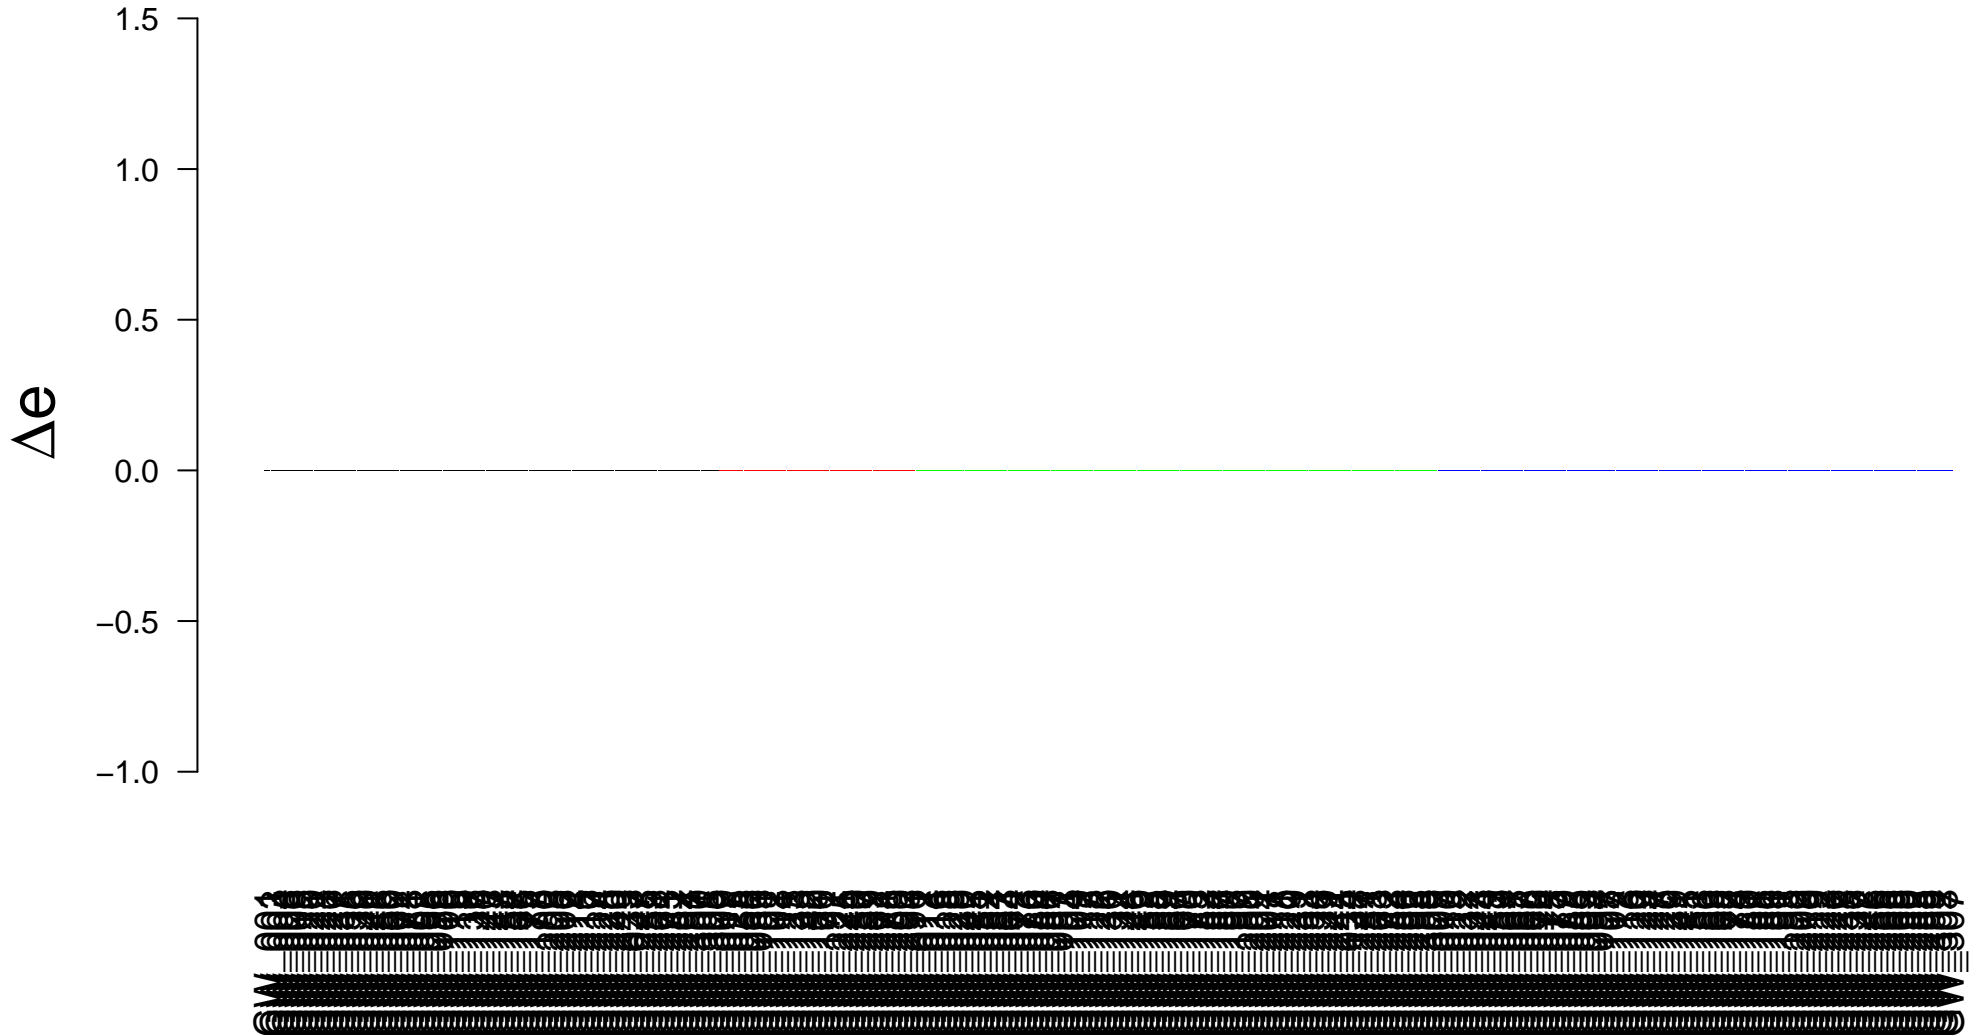

Expression of isomerase activity in Spot H

Expression of isomerase activity in Spot I

Expression of isomerase activity in Spot J

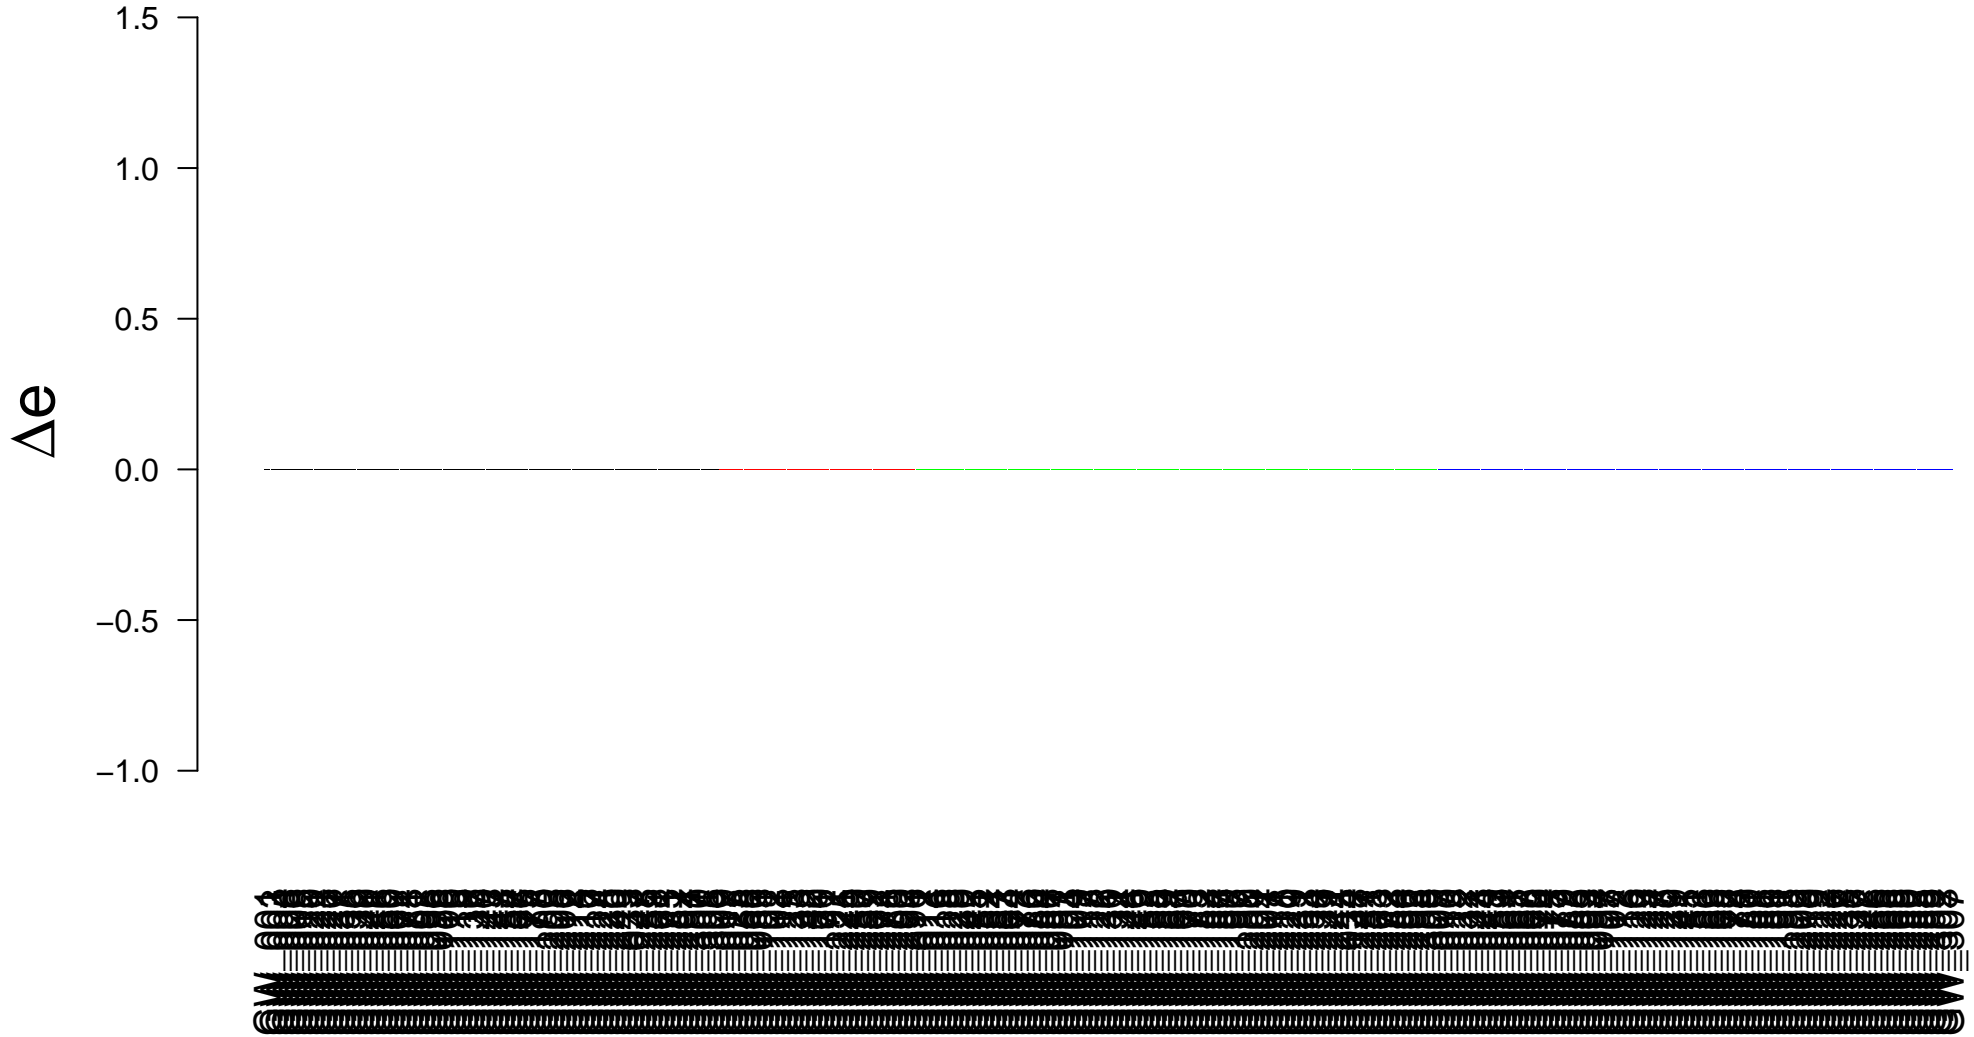

Expression of isomerase activity in Spot K

Δe

Expression of isomerase activity in Spot L

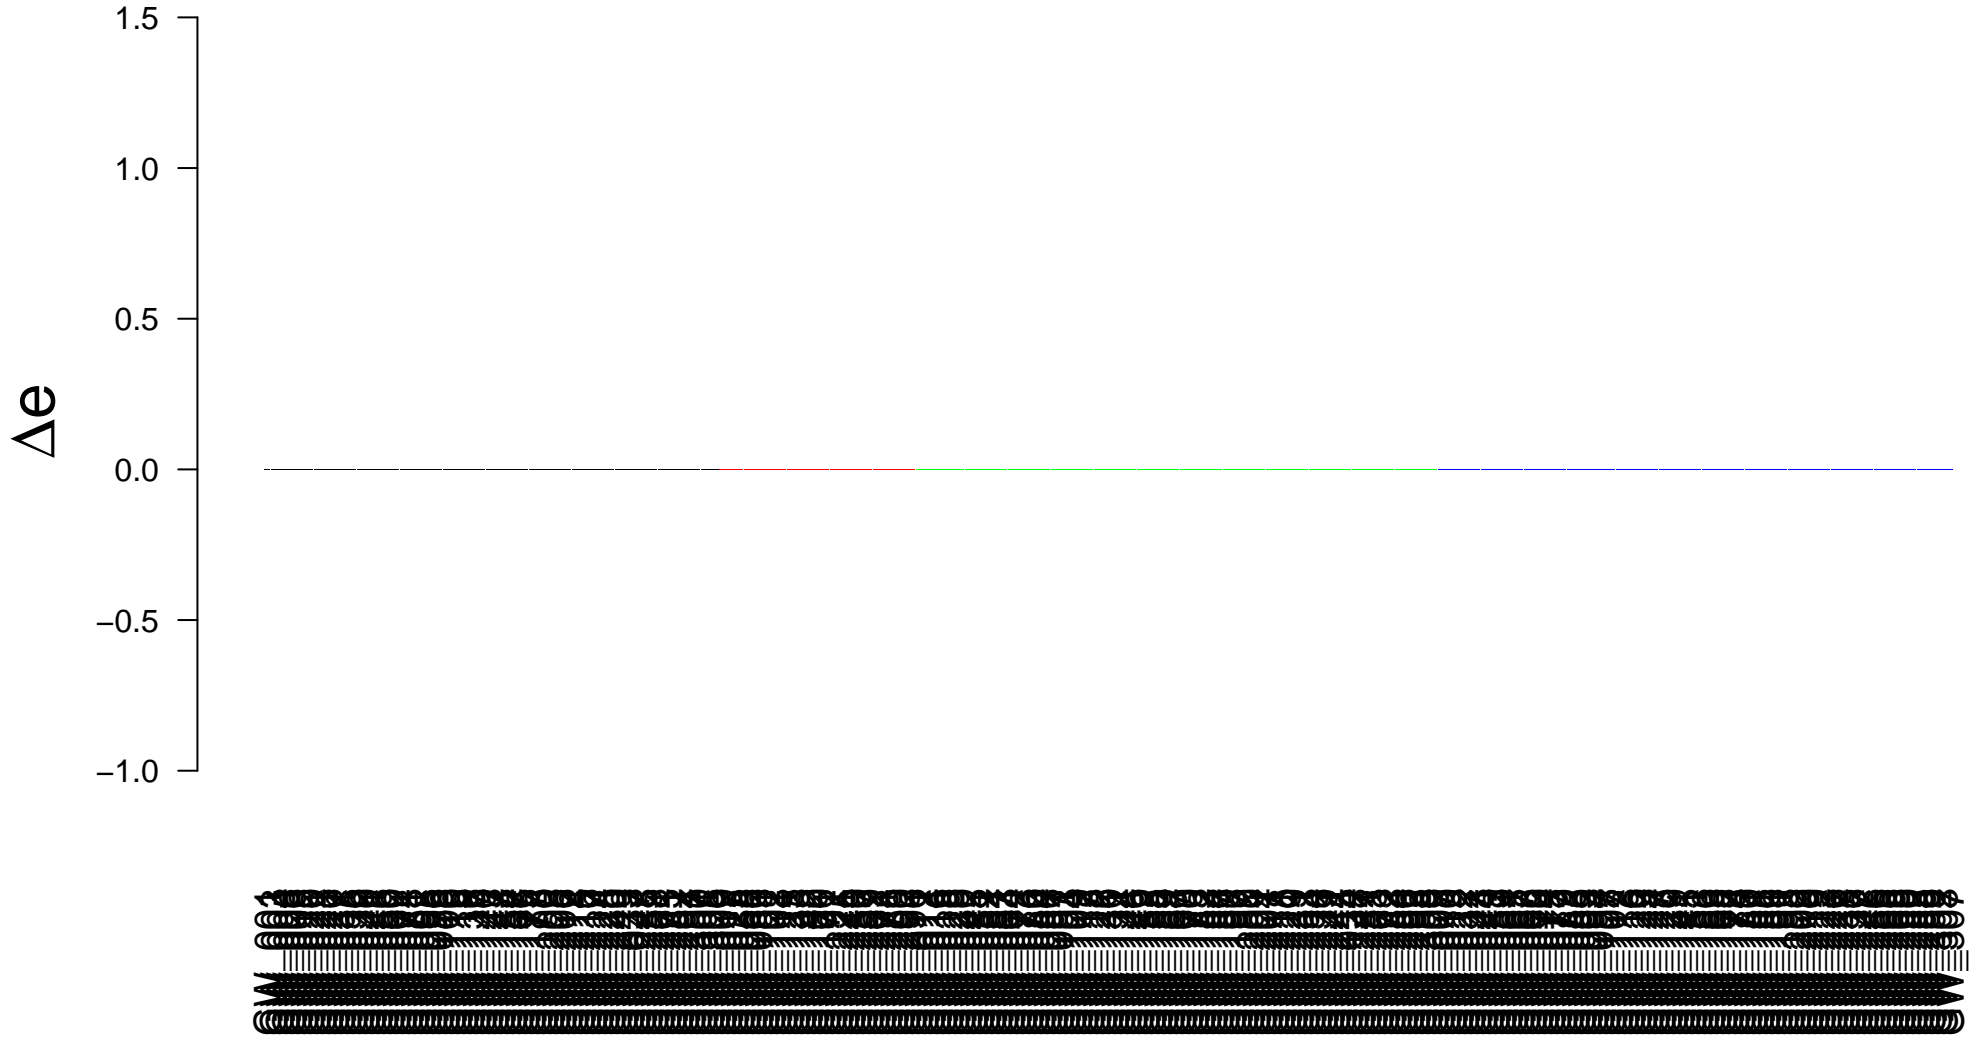

Expression of isomerase activity in Spot M

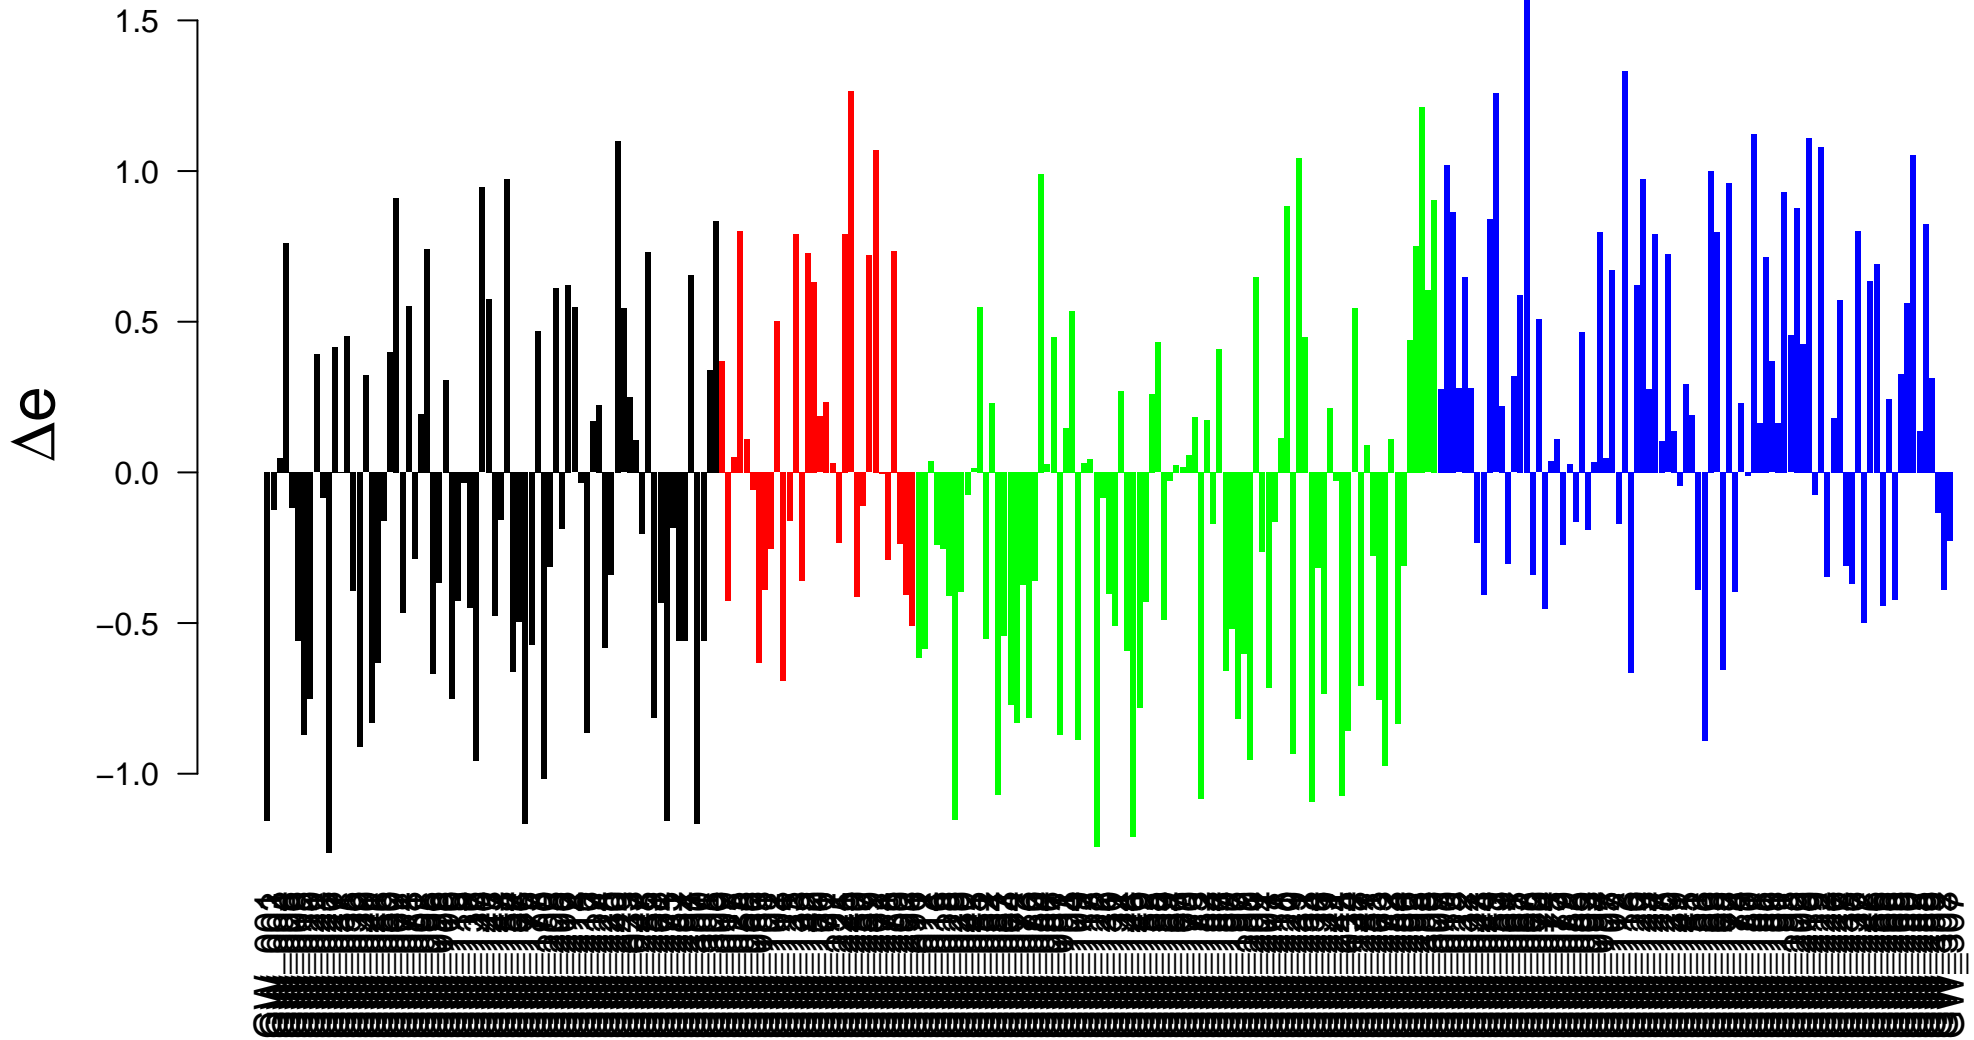

Δe

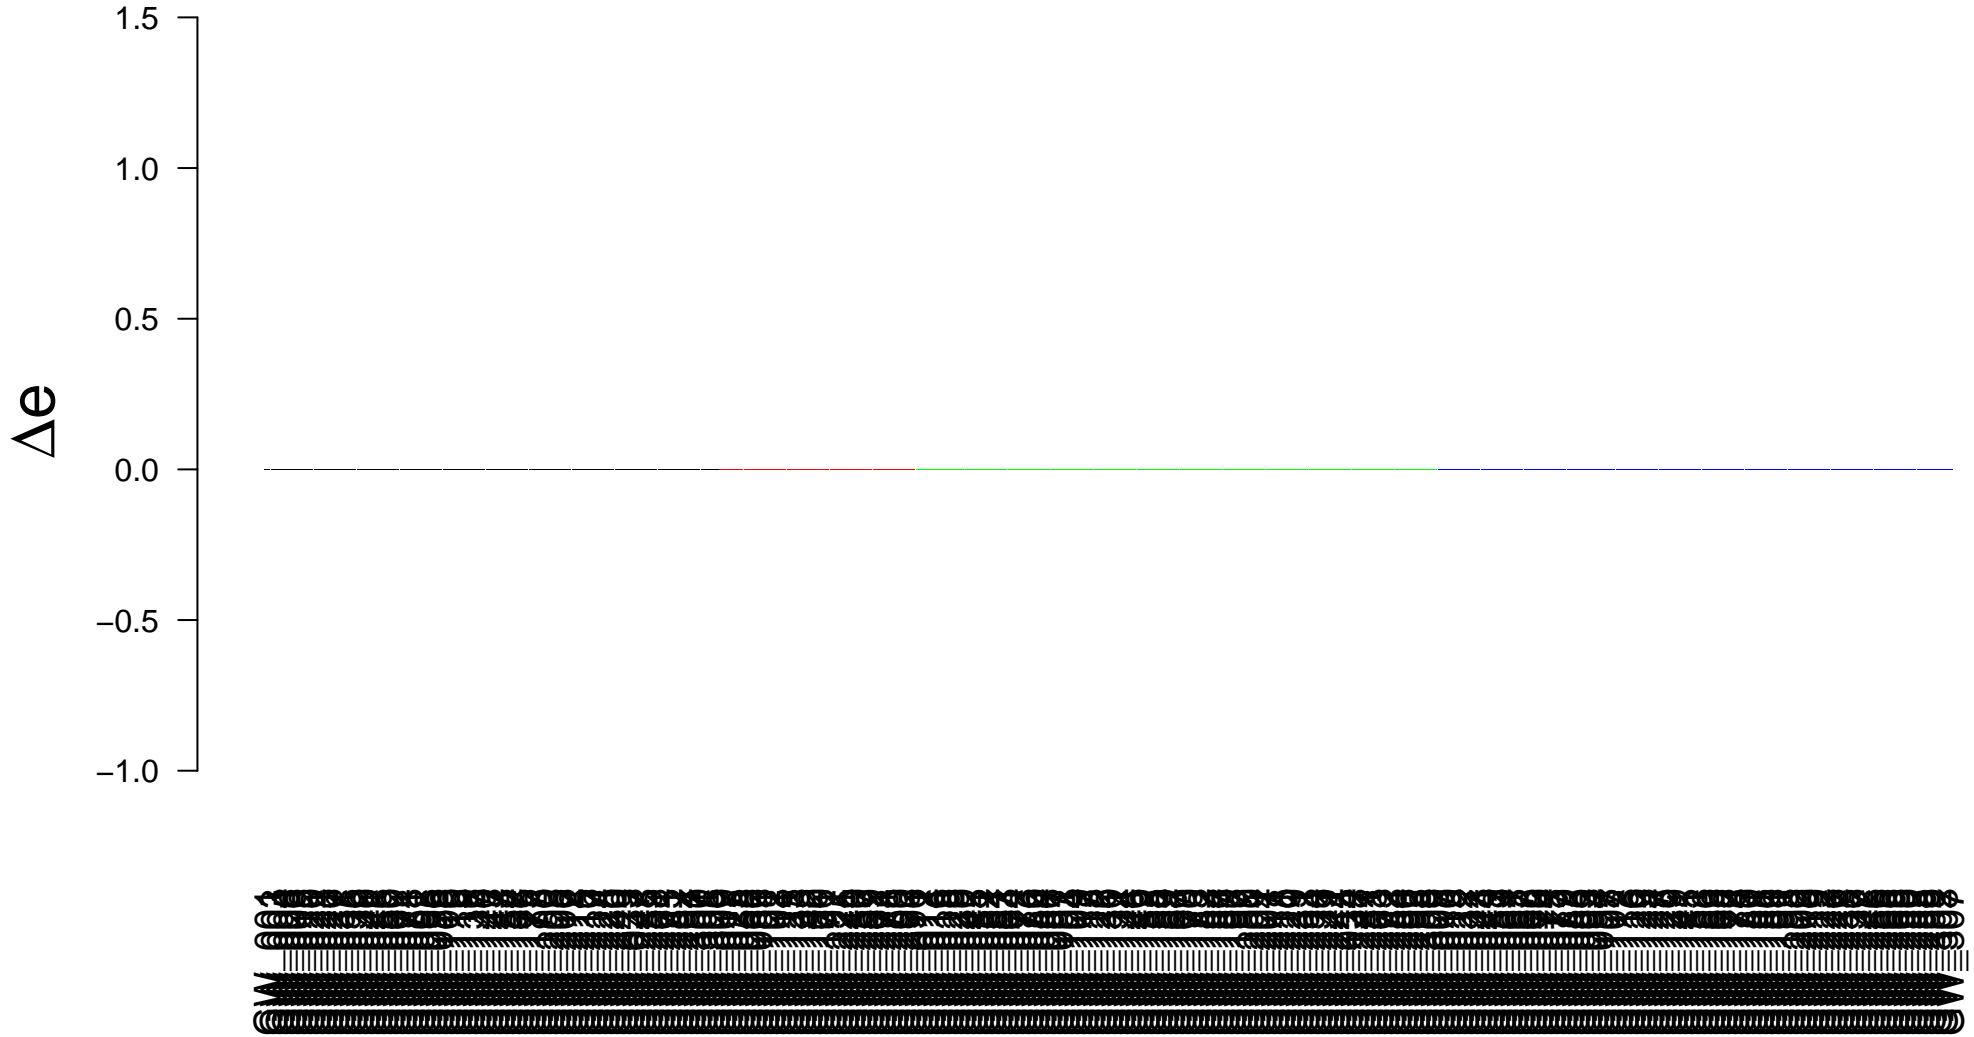

Expression of isomerase activity in Spot N

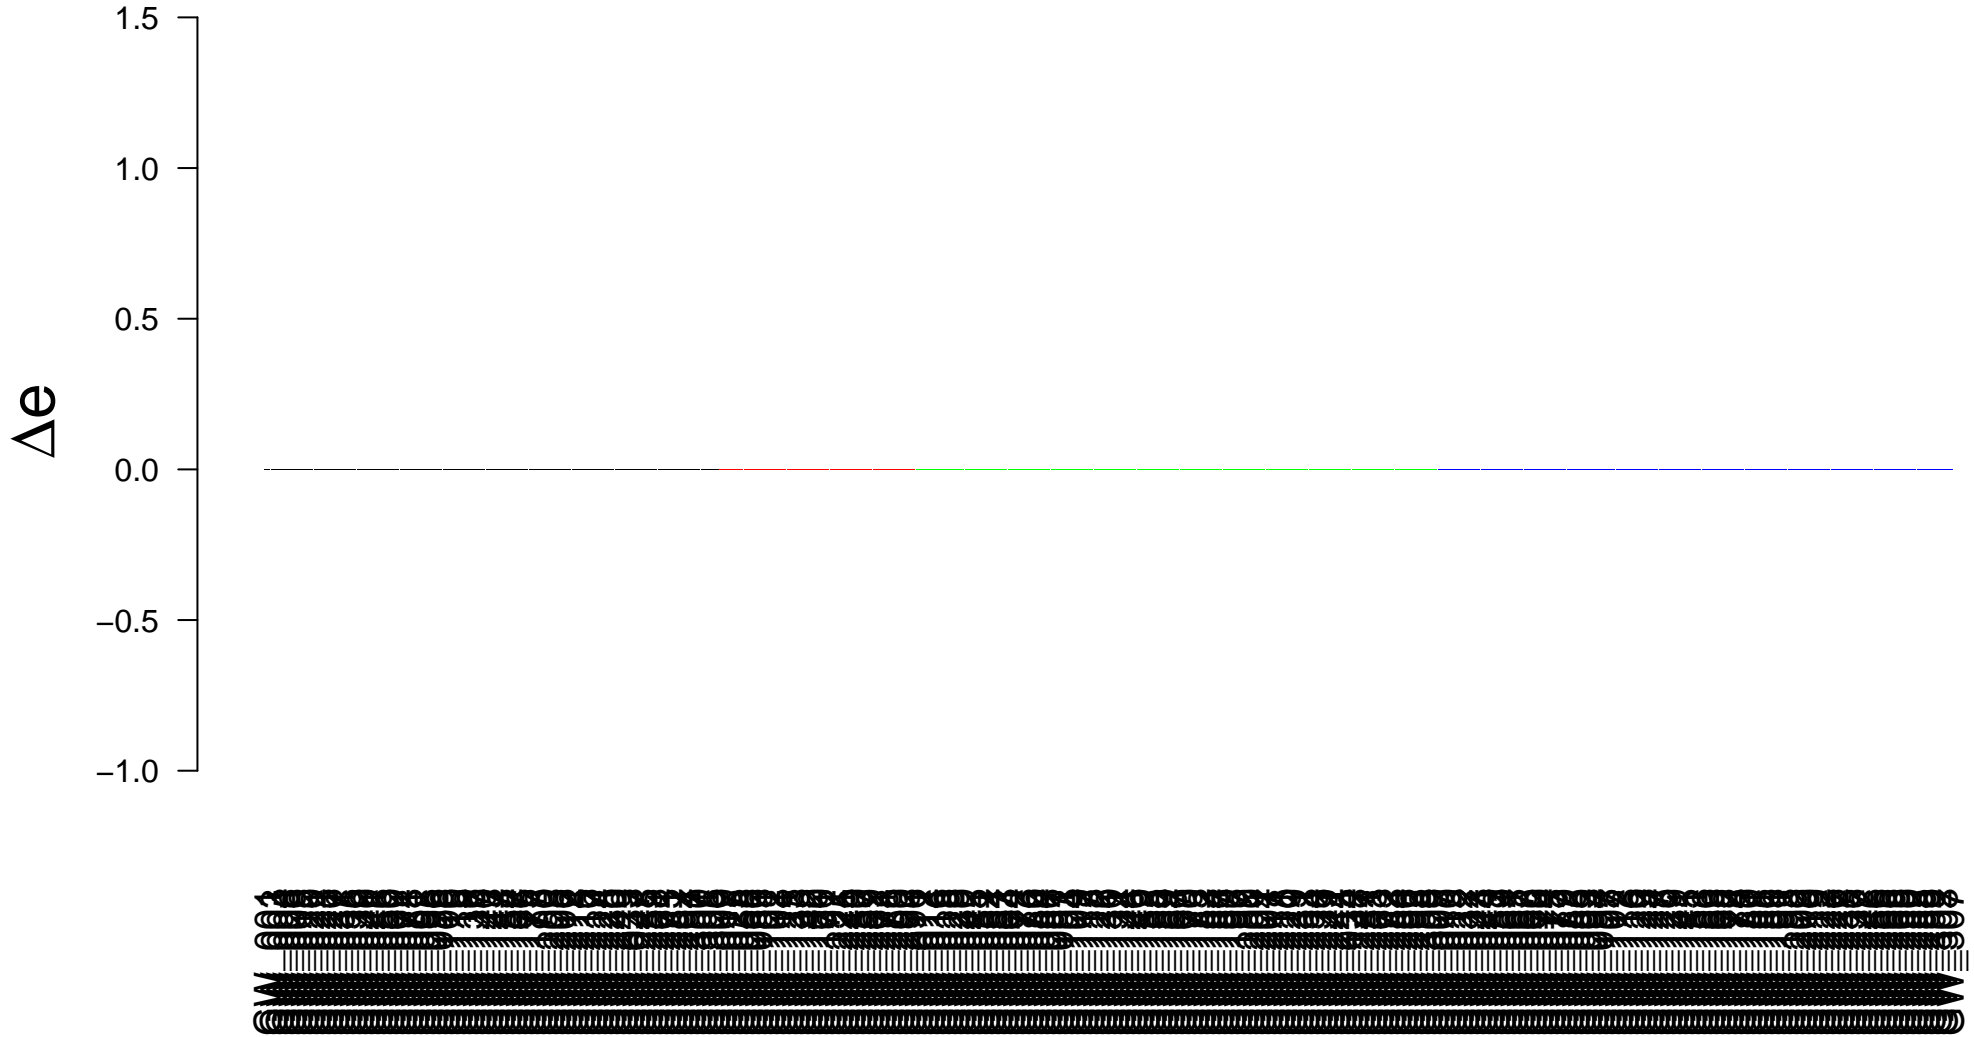

Expression of isomerase activity in Spot O

Expression of isomerase activity in Spot P

Expression of isomerase activity in Spot Q

Expression of isomerase activity in Spot R
