

late endosome membrane

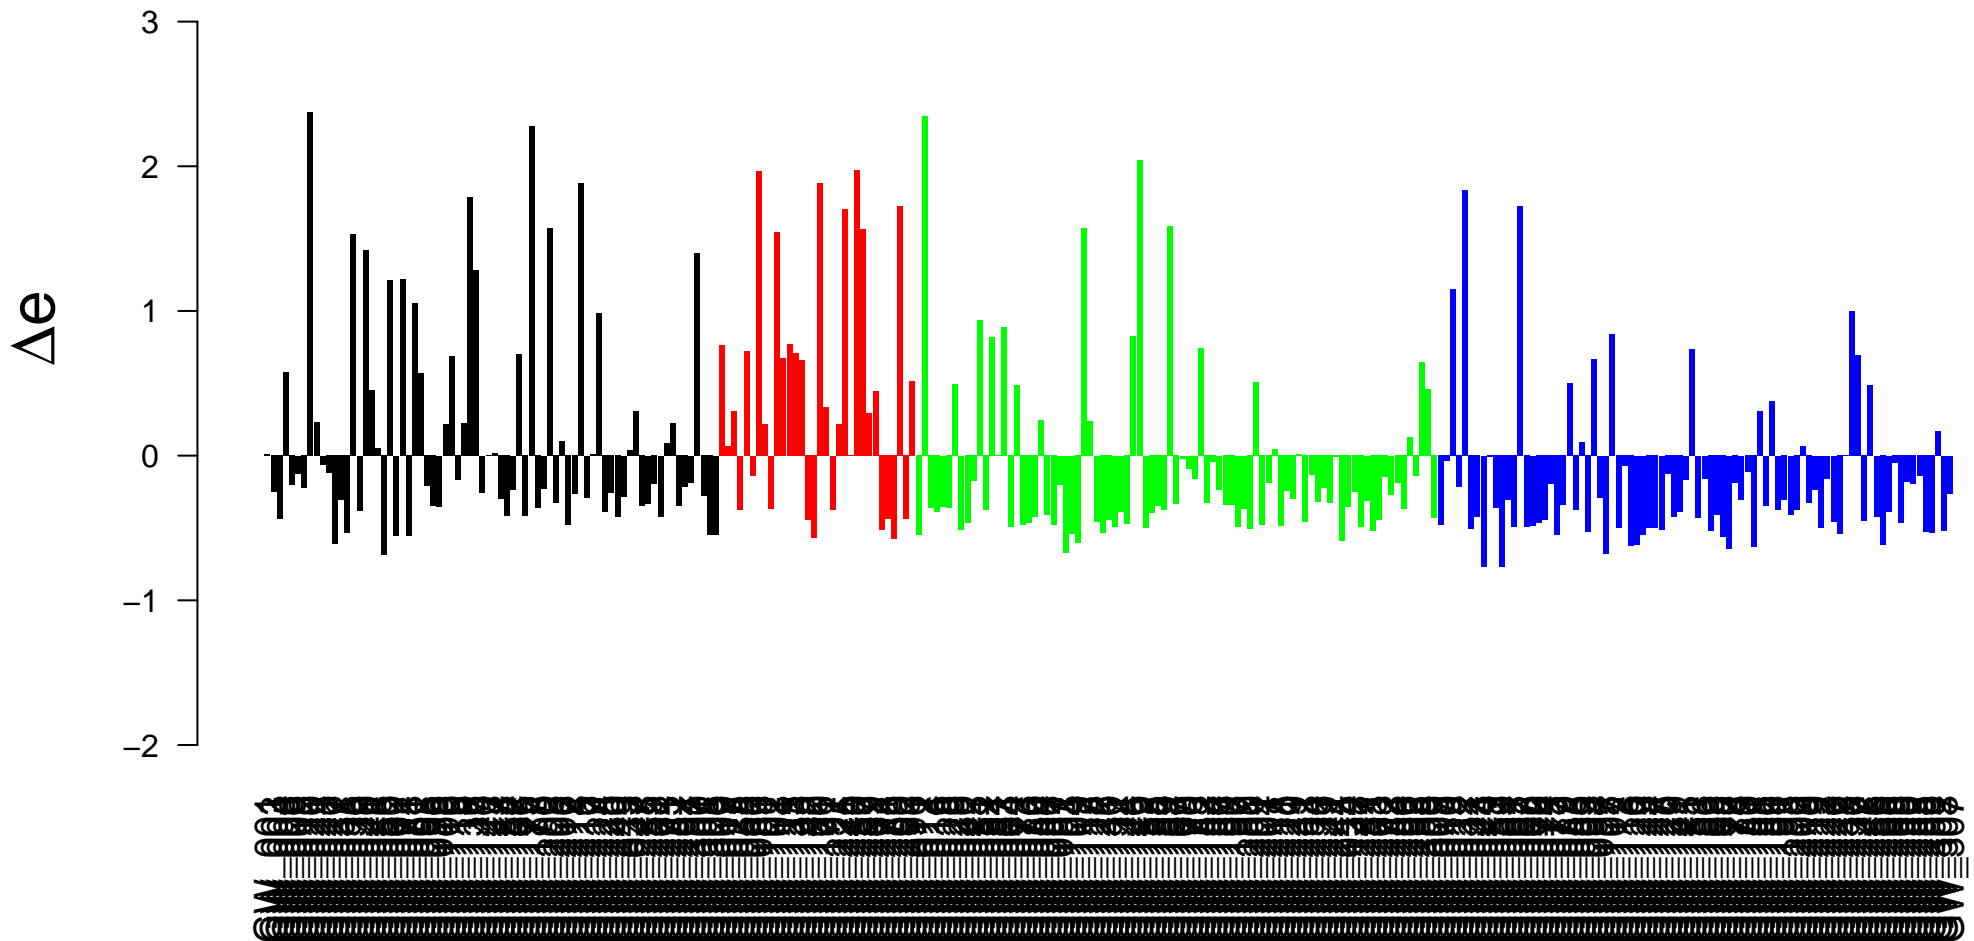

late endosome membrane

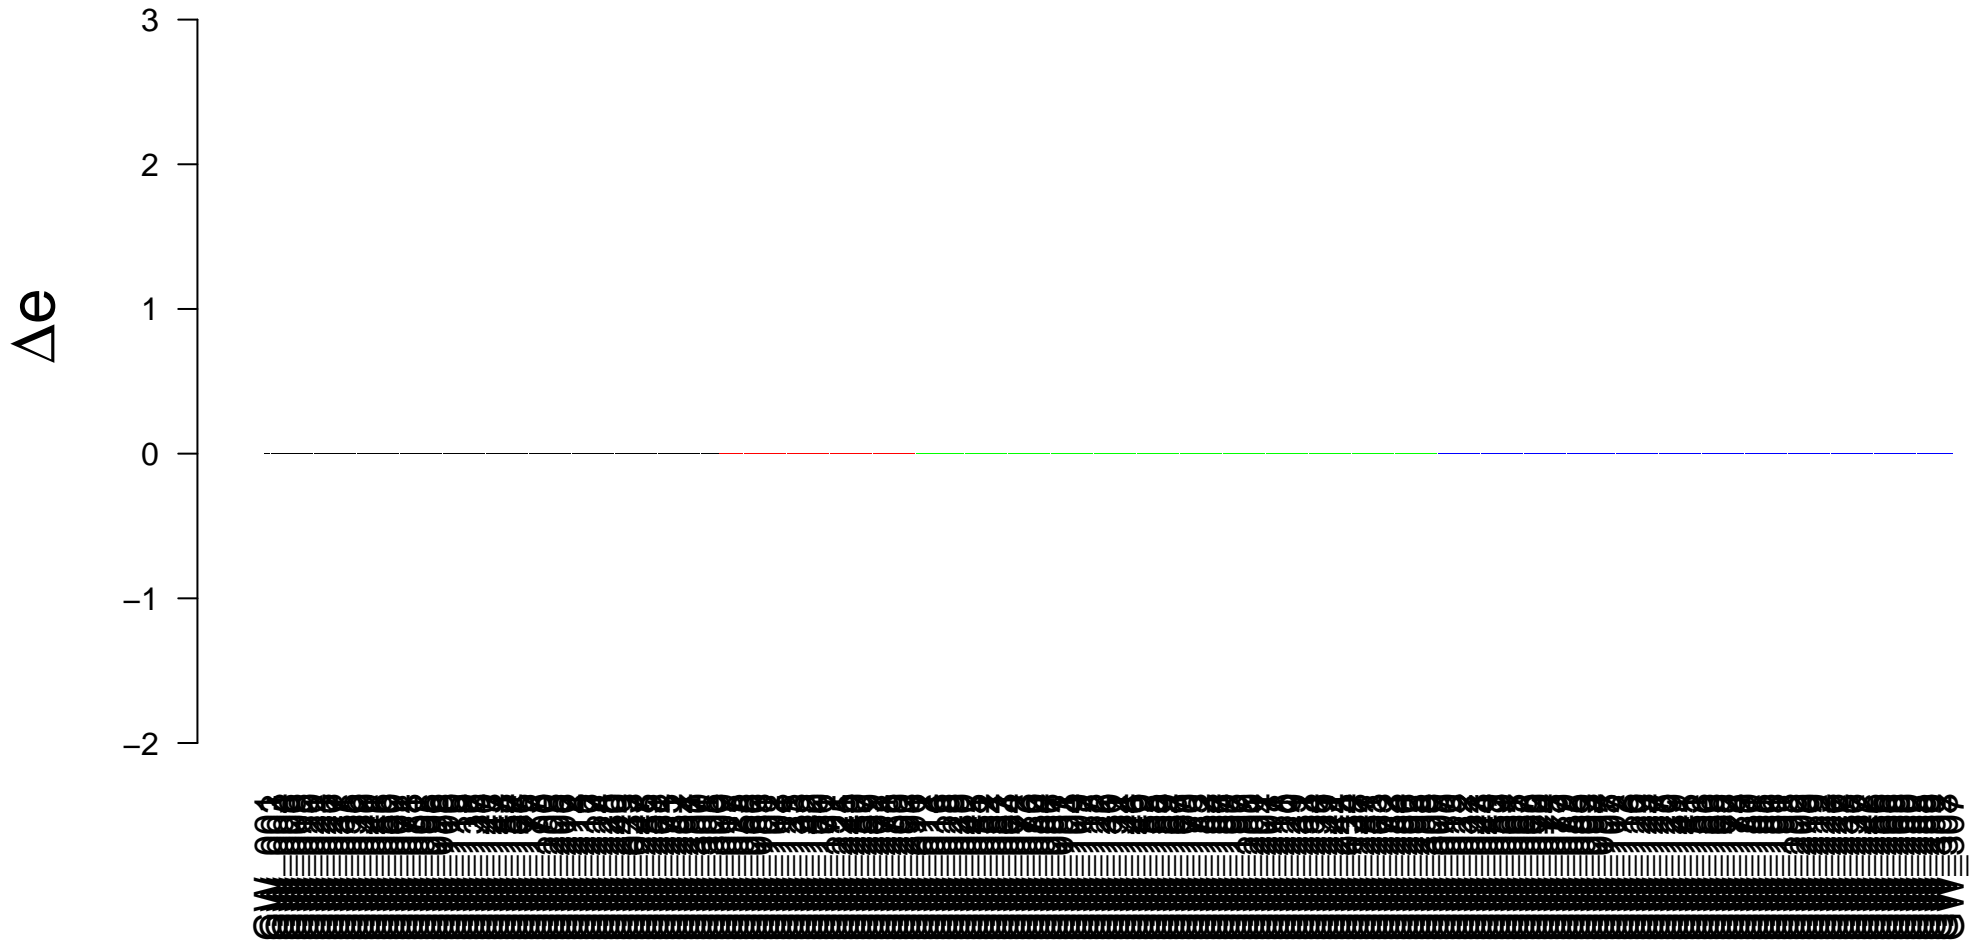

Enrichment in spots: late endosome membrane

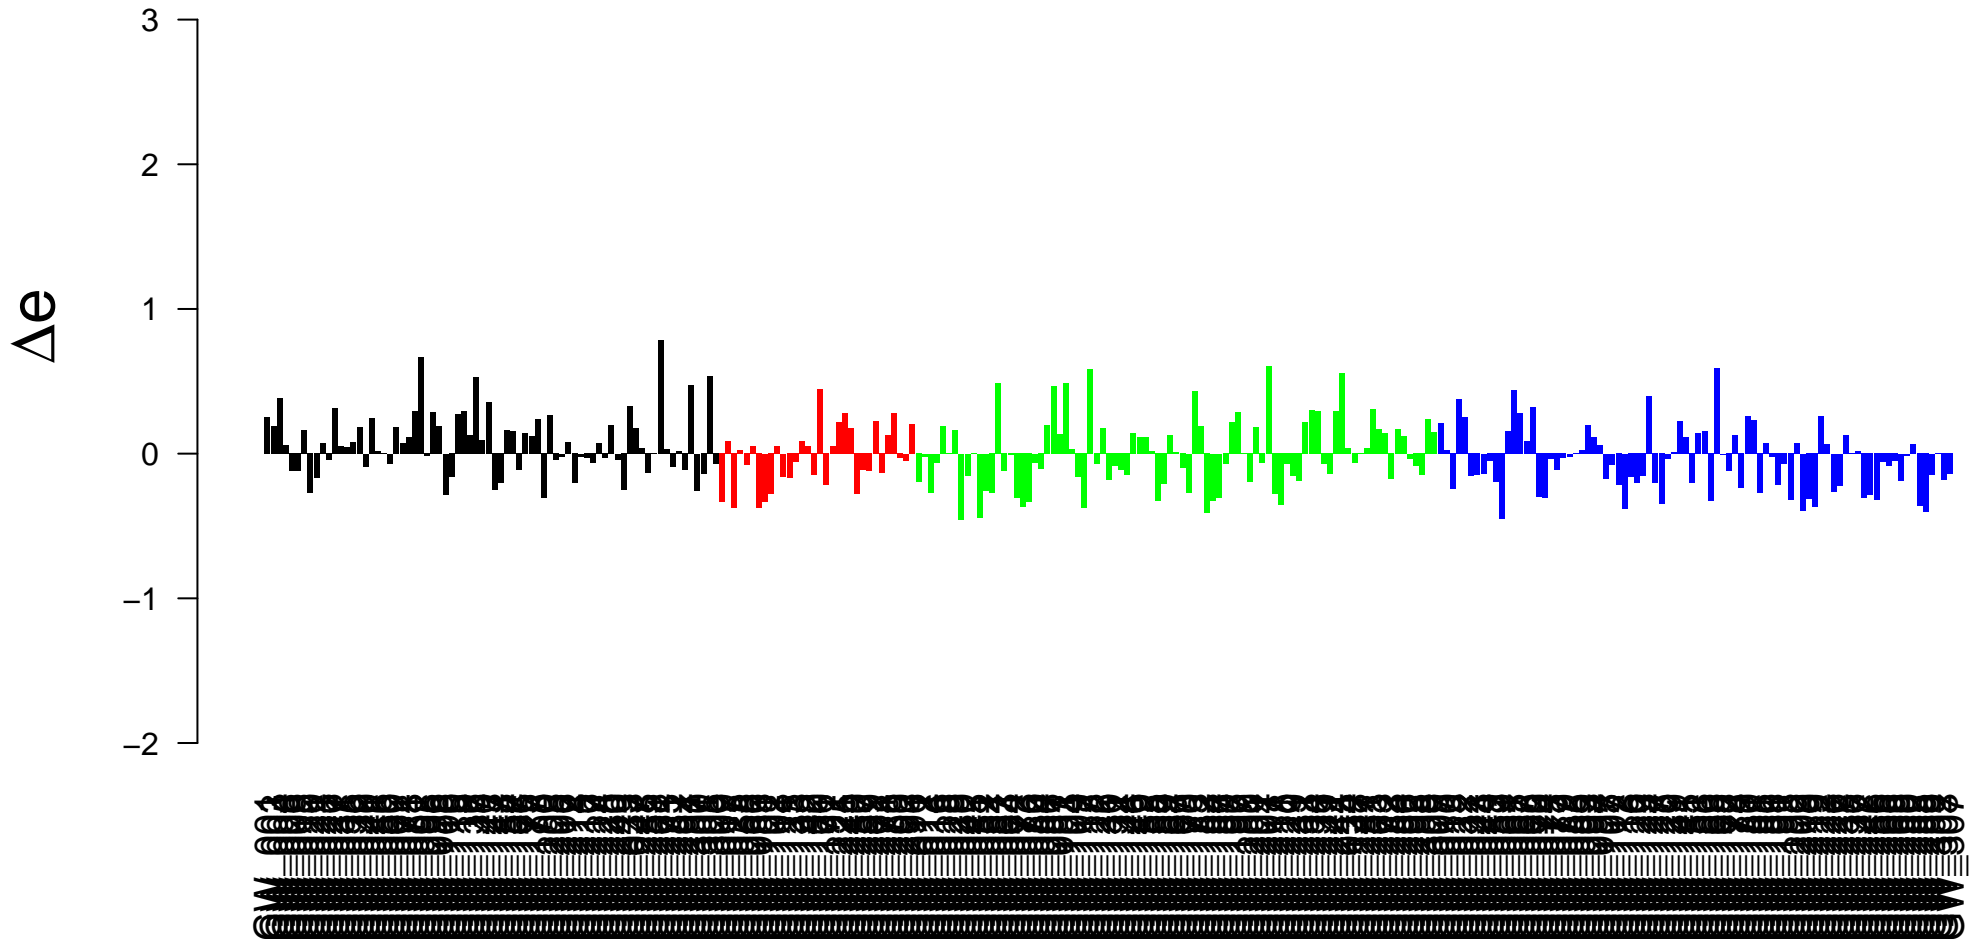

Expression of late endosome membrane in Spot A

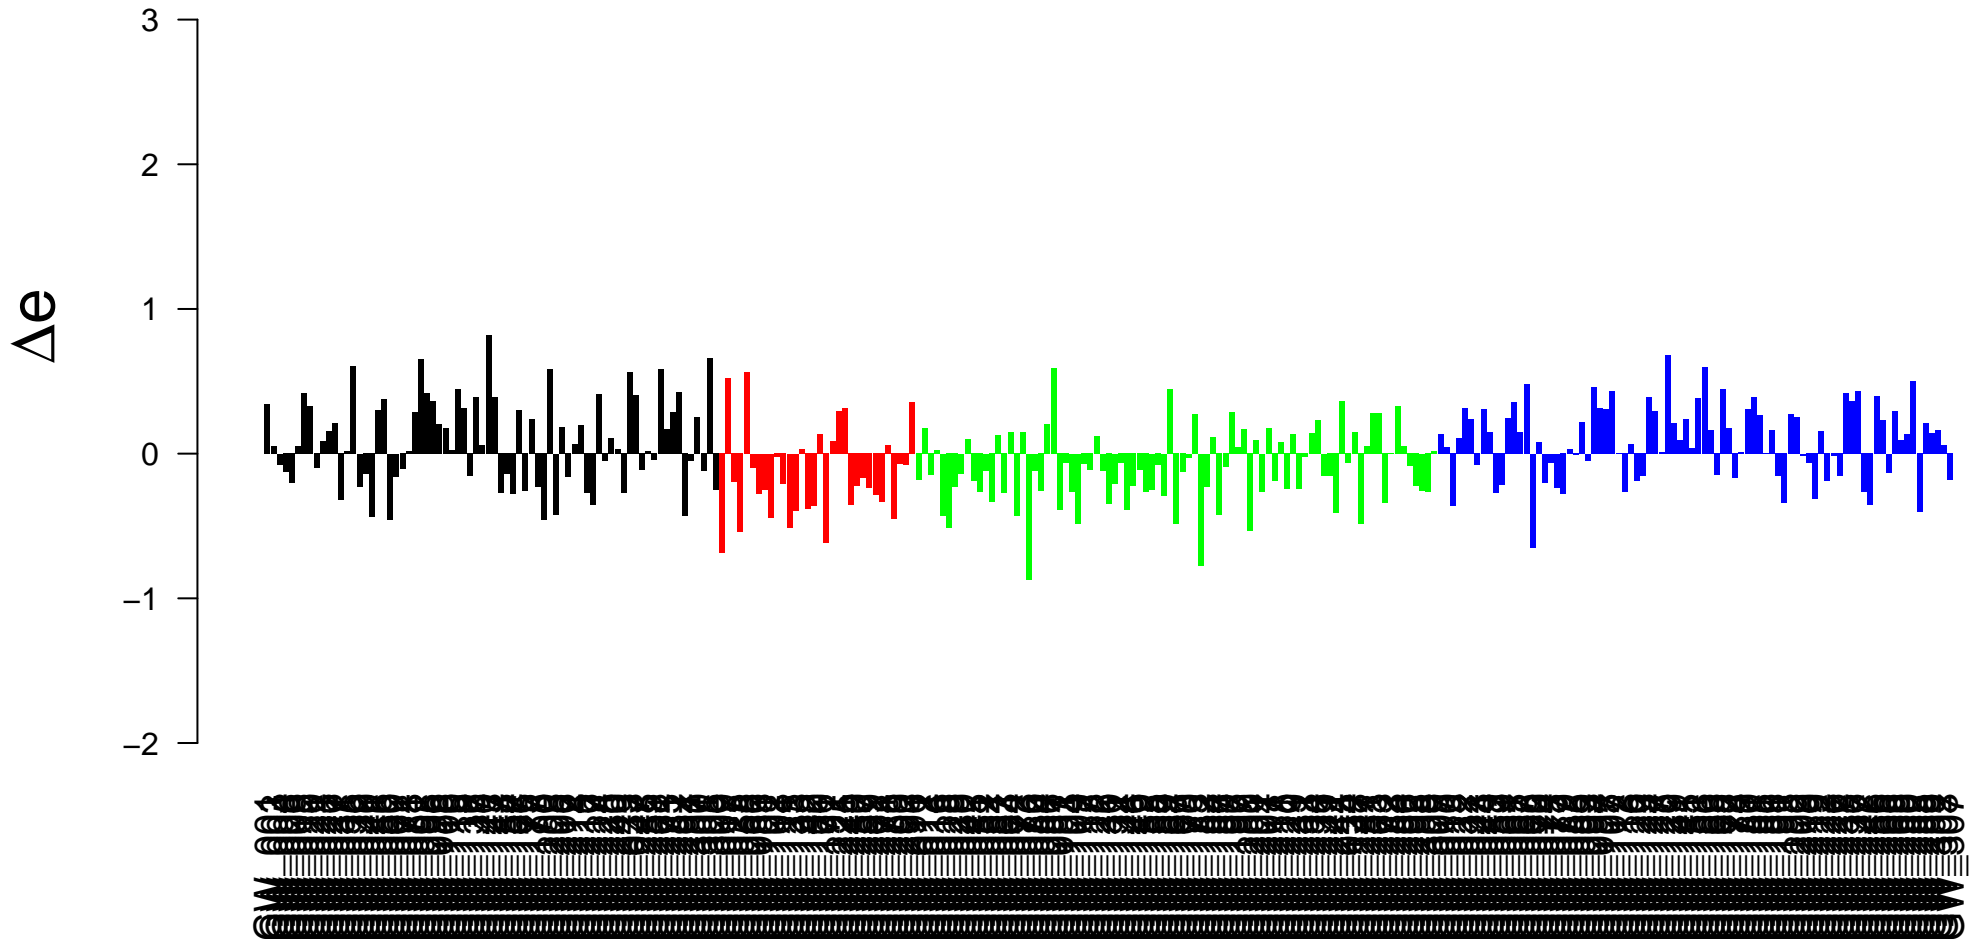

Expression of late endosome membrane in Spot B

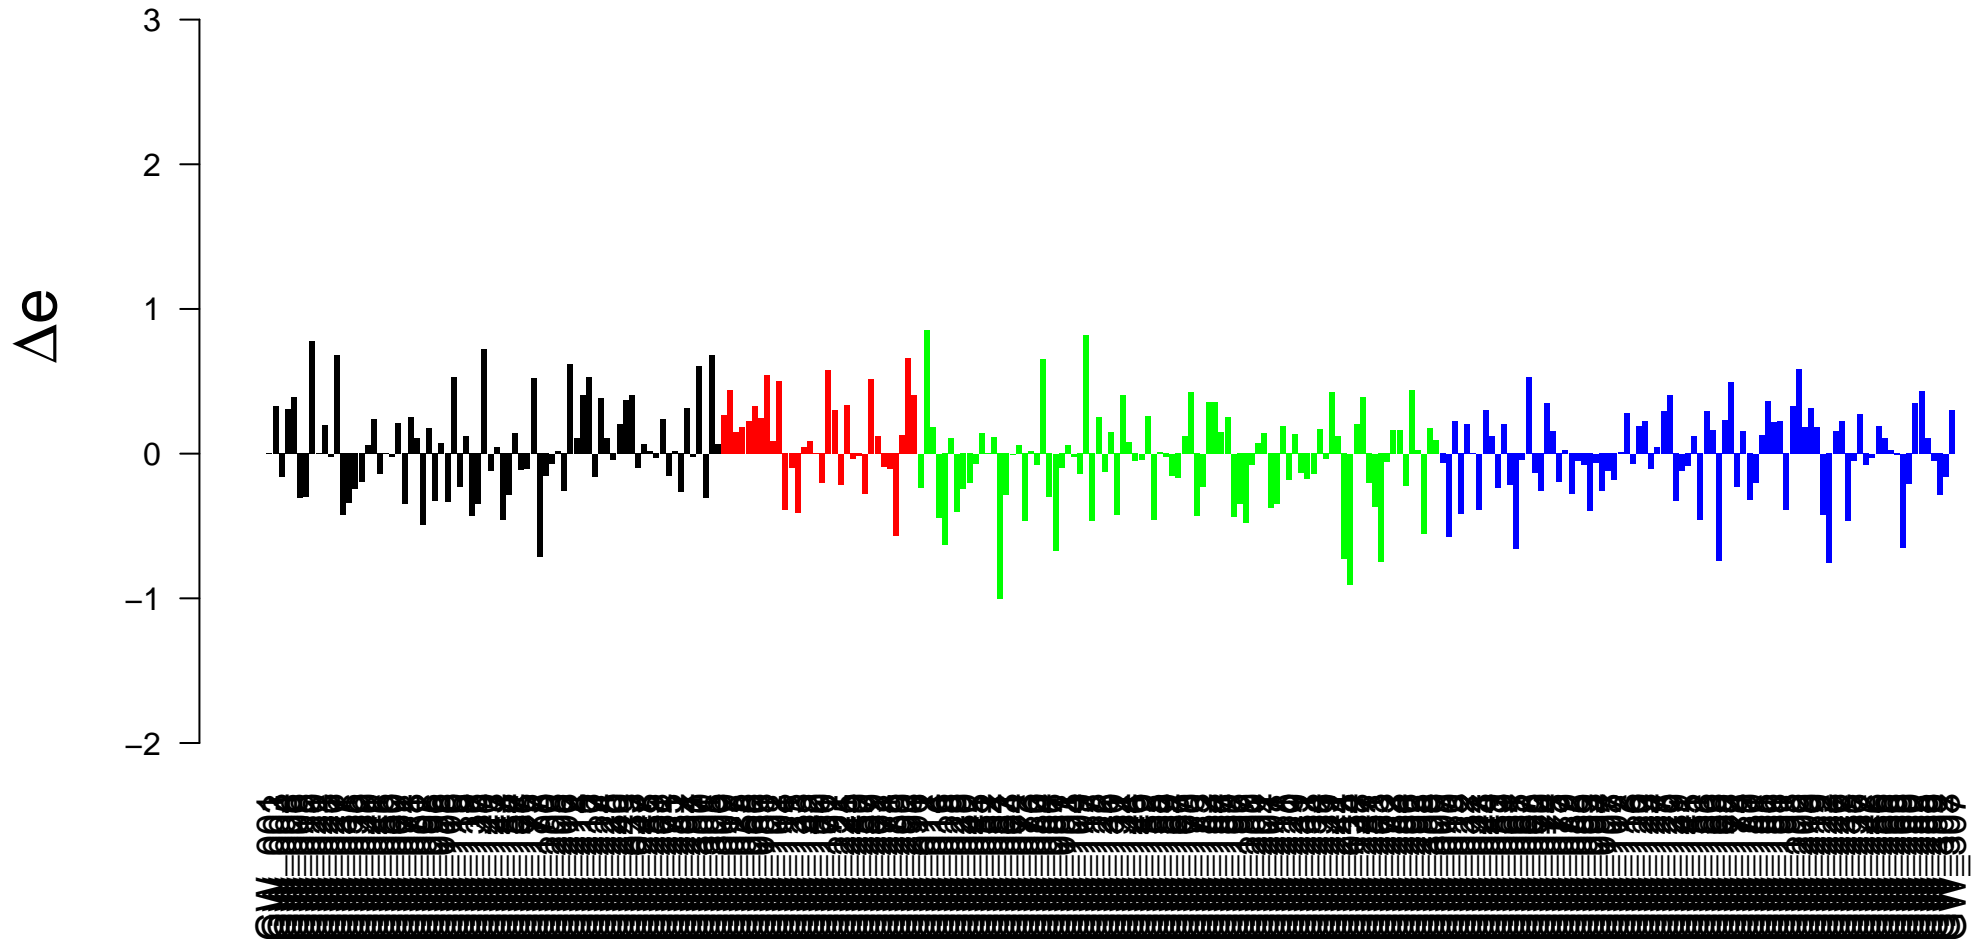

Expression of late endosome membrane in Spot C

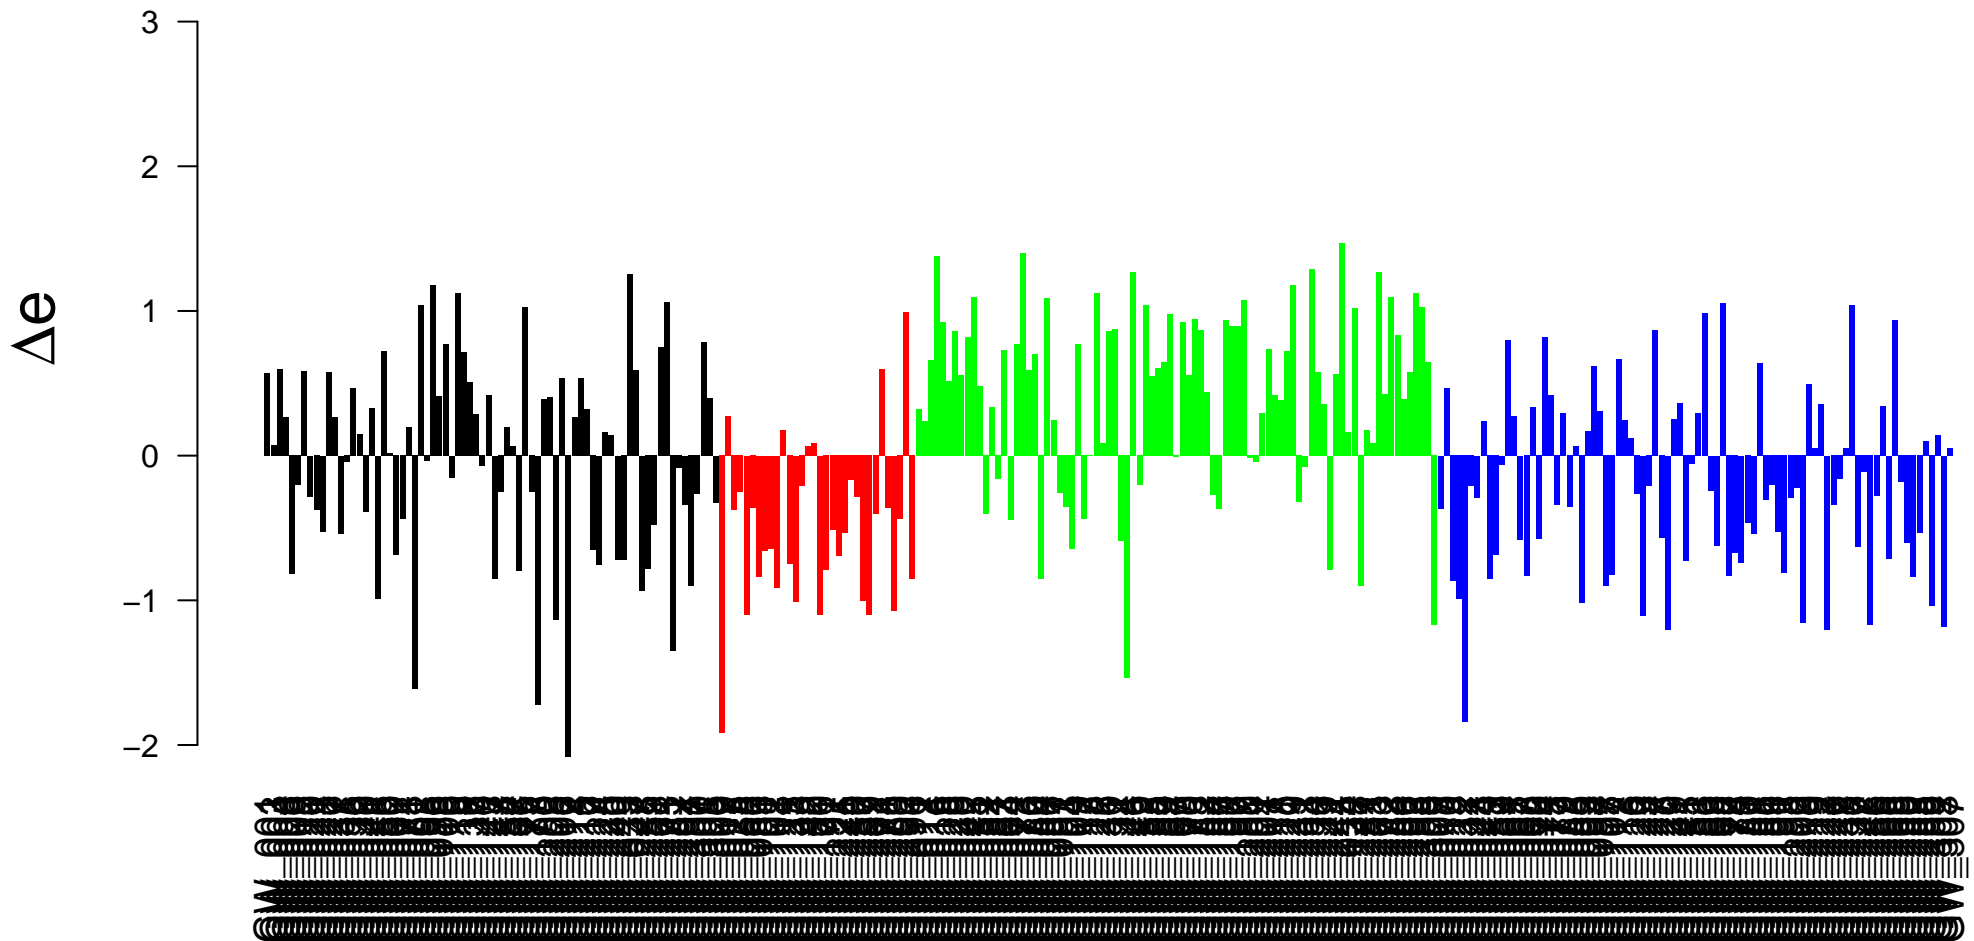

Expression of late endosome membrane in Spot D

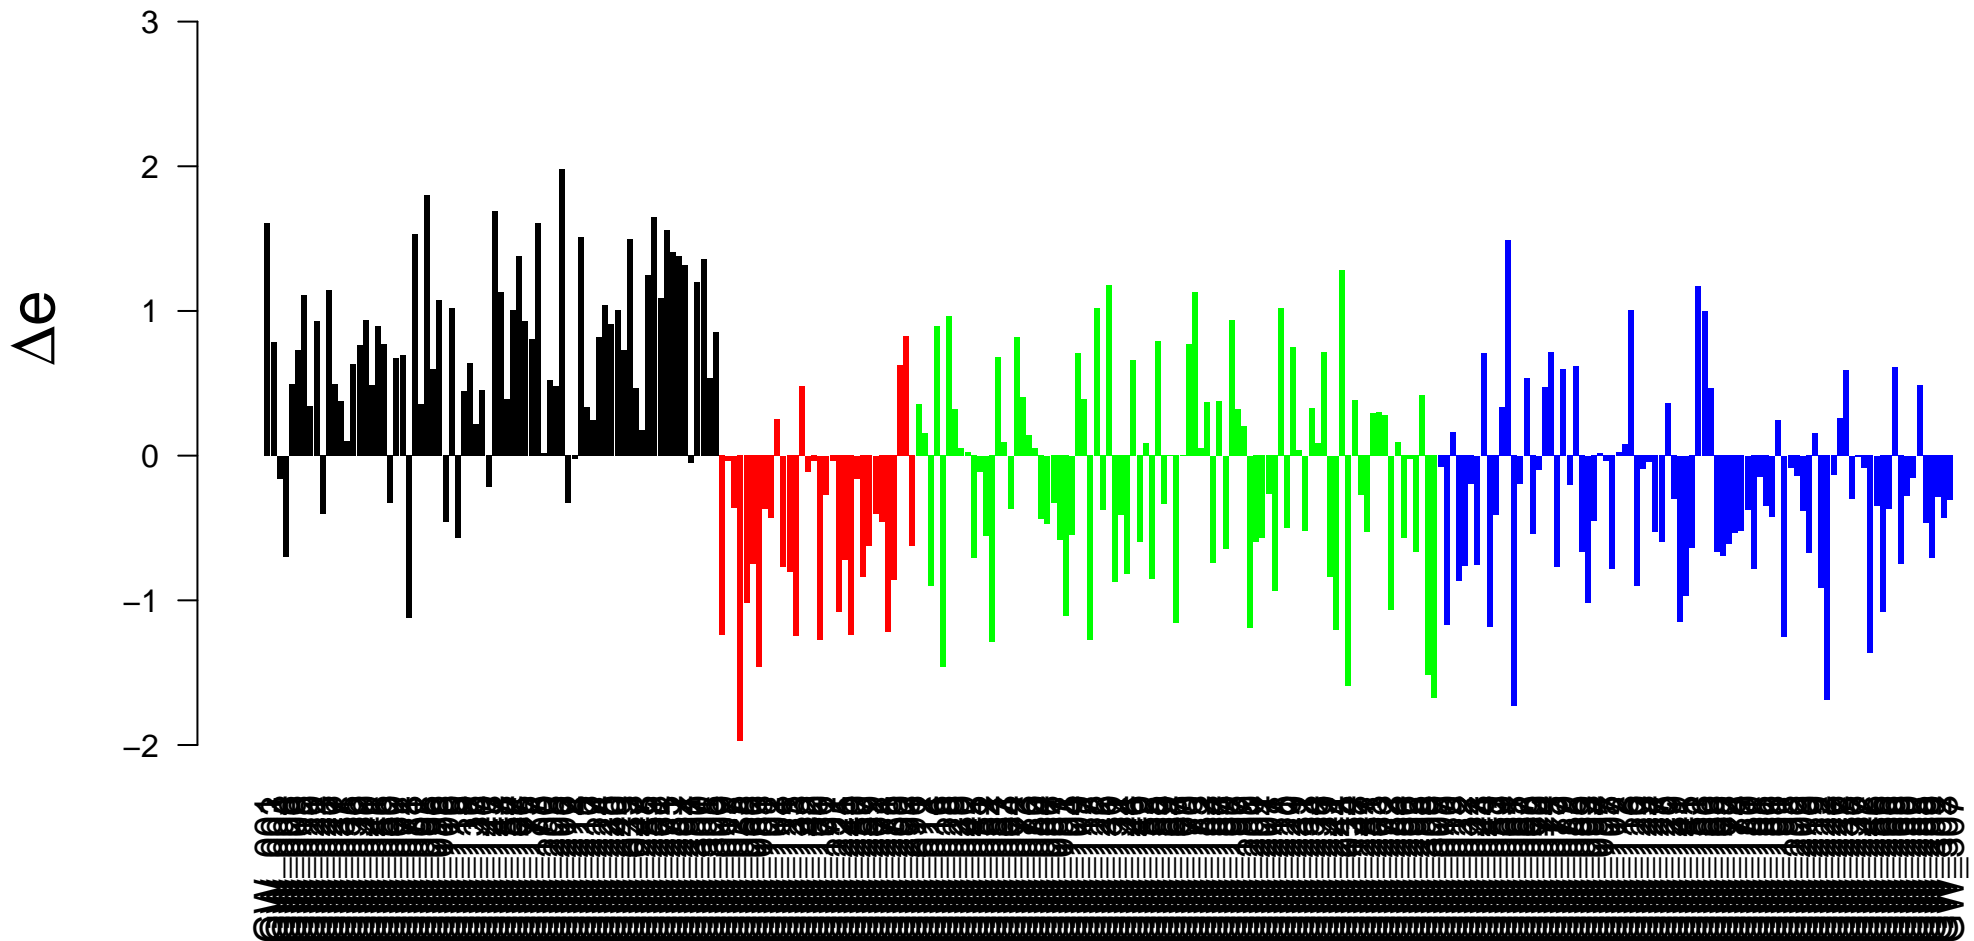

Expression of late endosome membrane in Spot E

Expression of late endosome membrane in Spot F

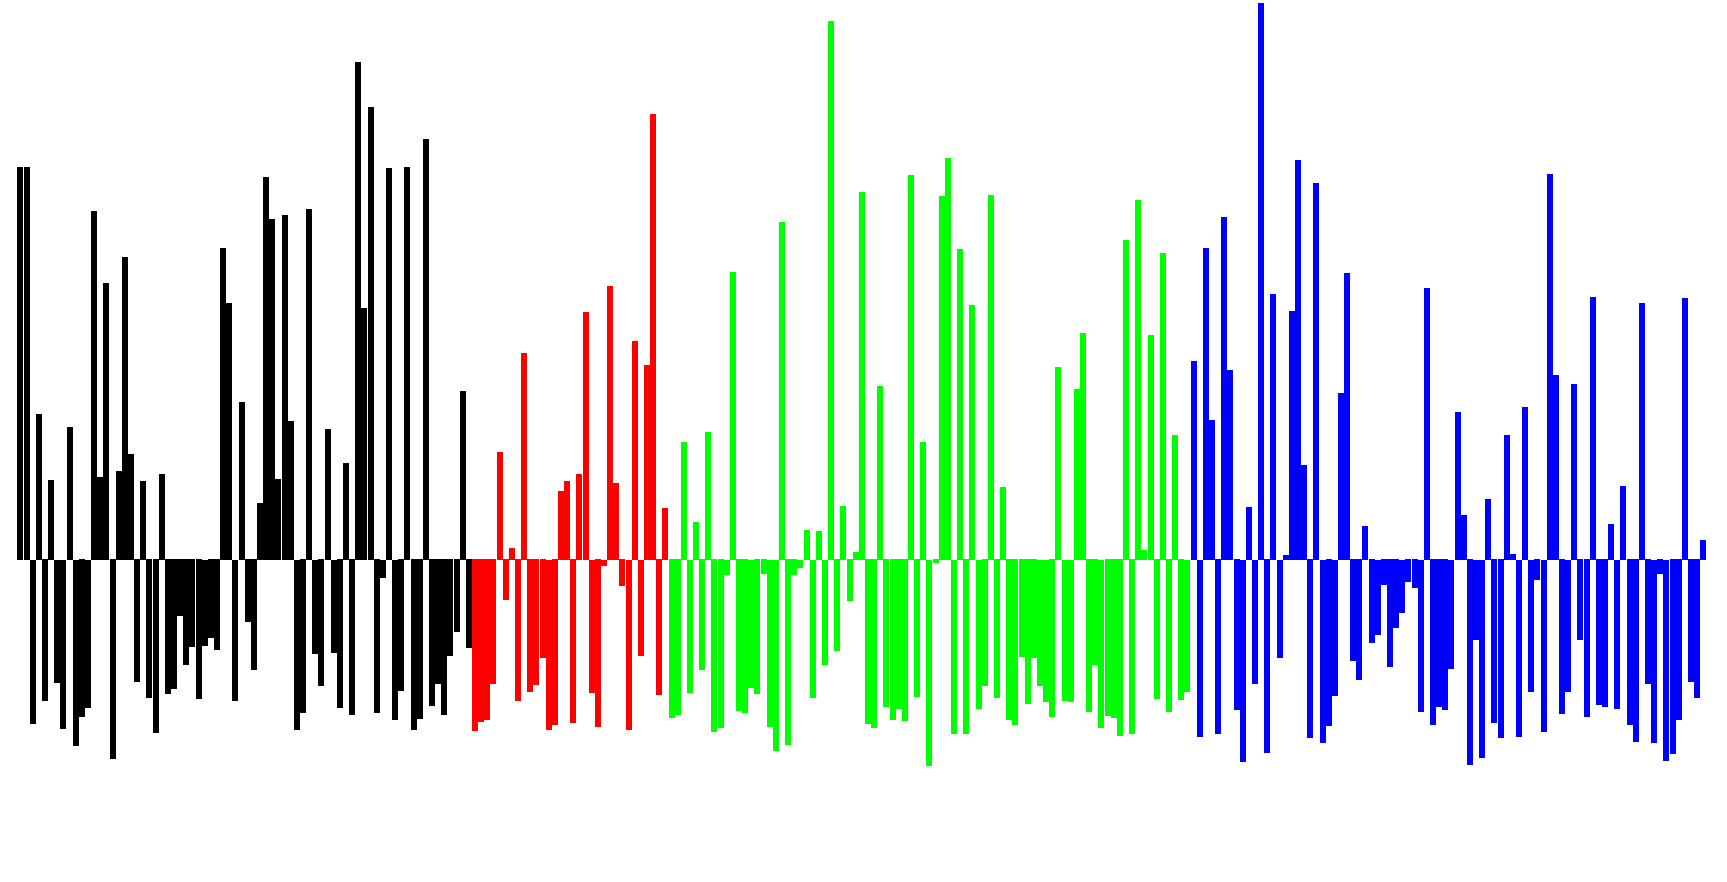

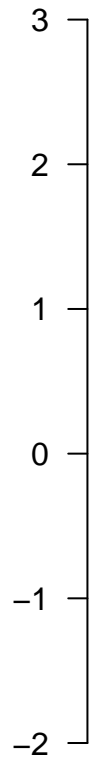

Expression of late endosome membrane in Spot G

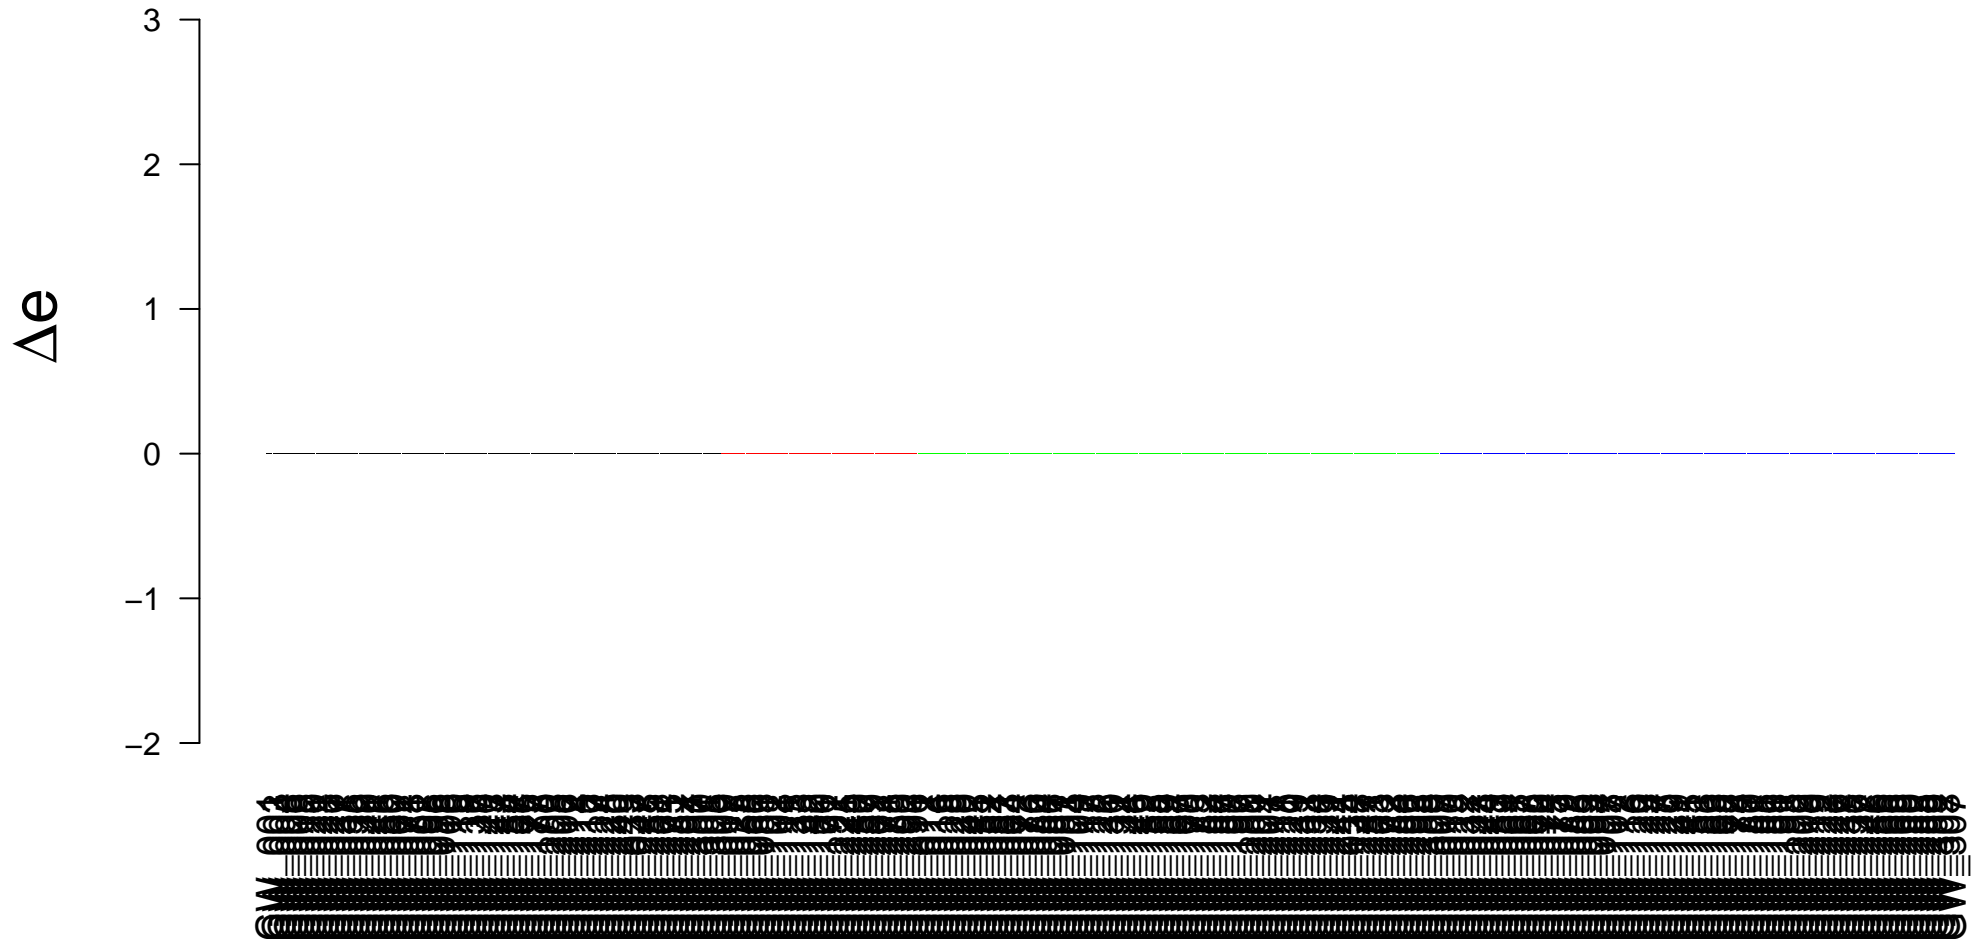

Expression of late endosome membrane in Spot H

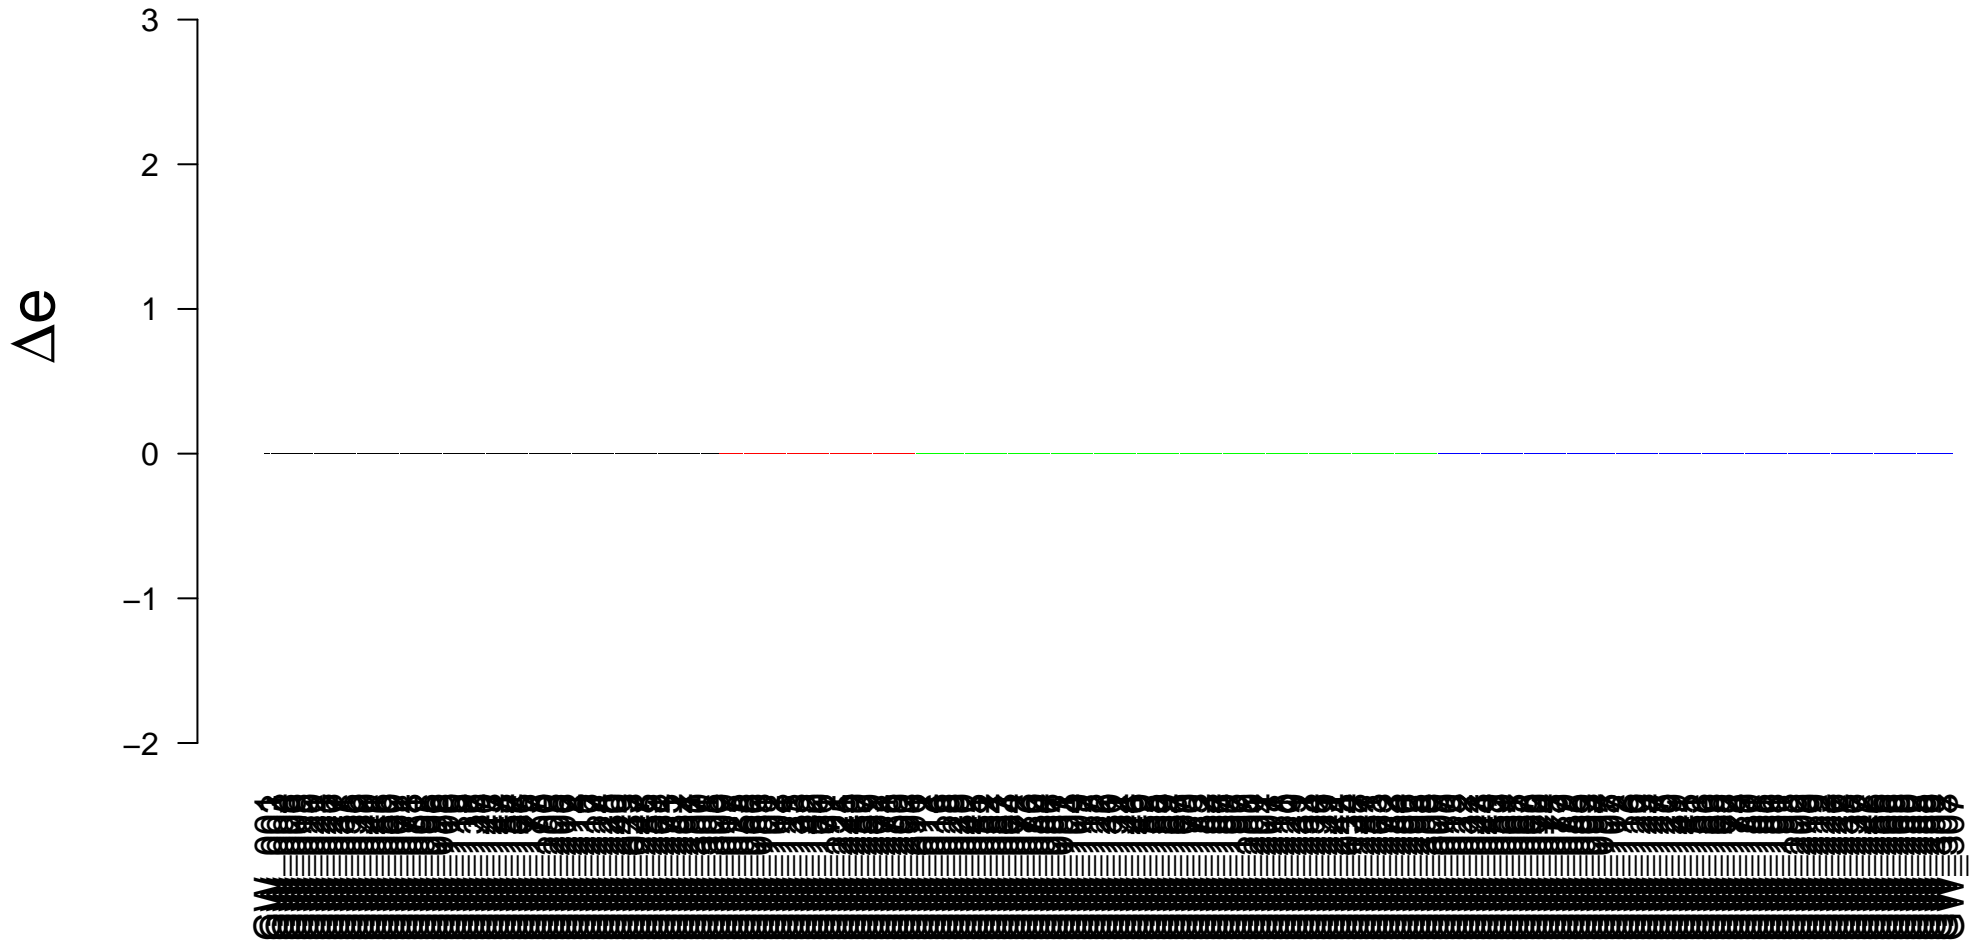

Δe

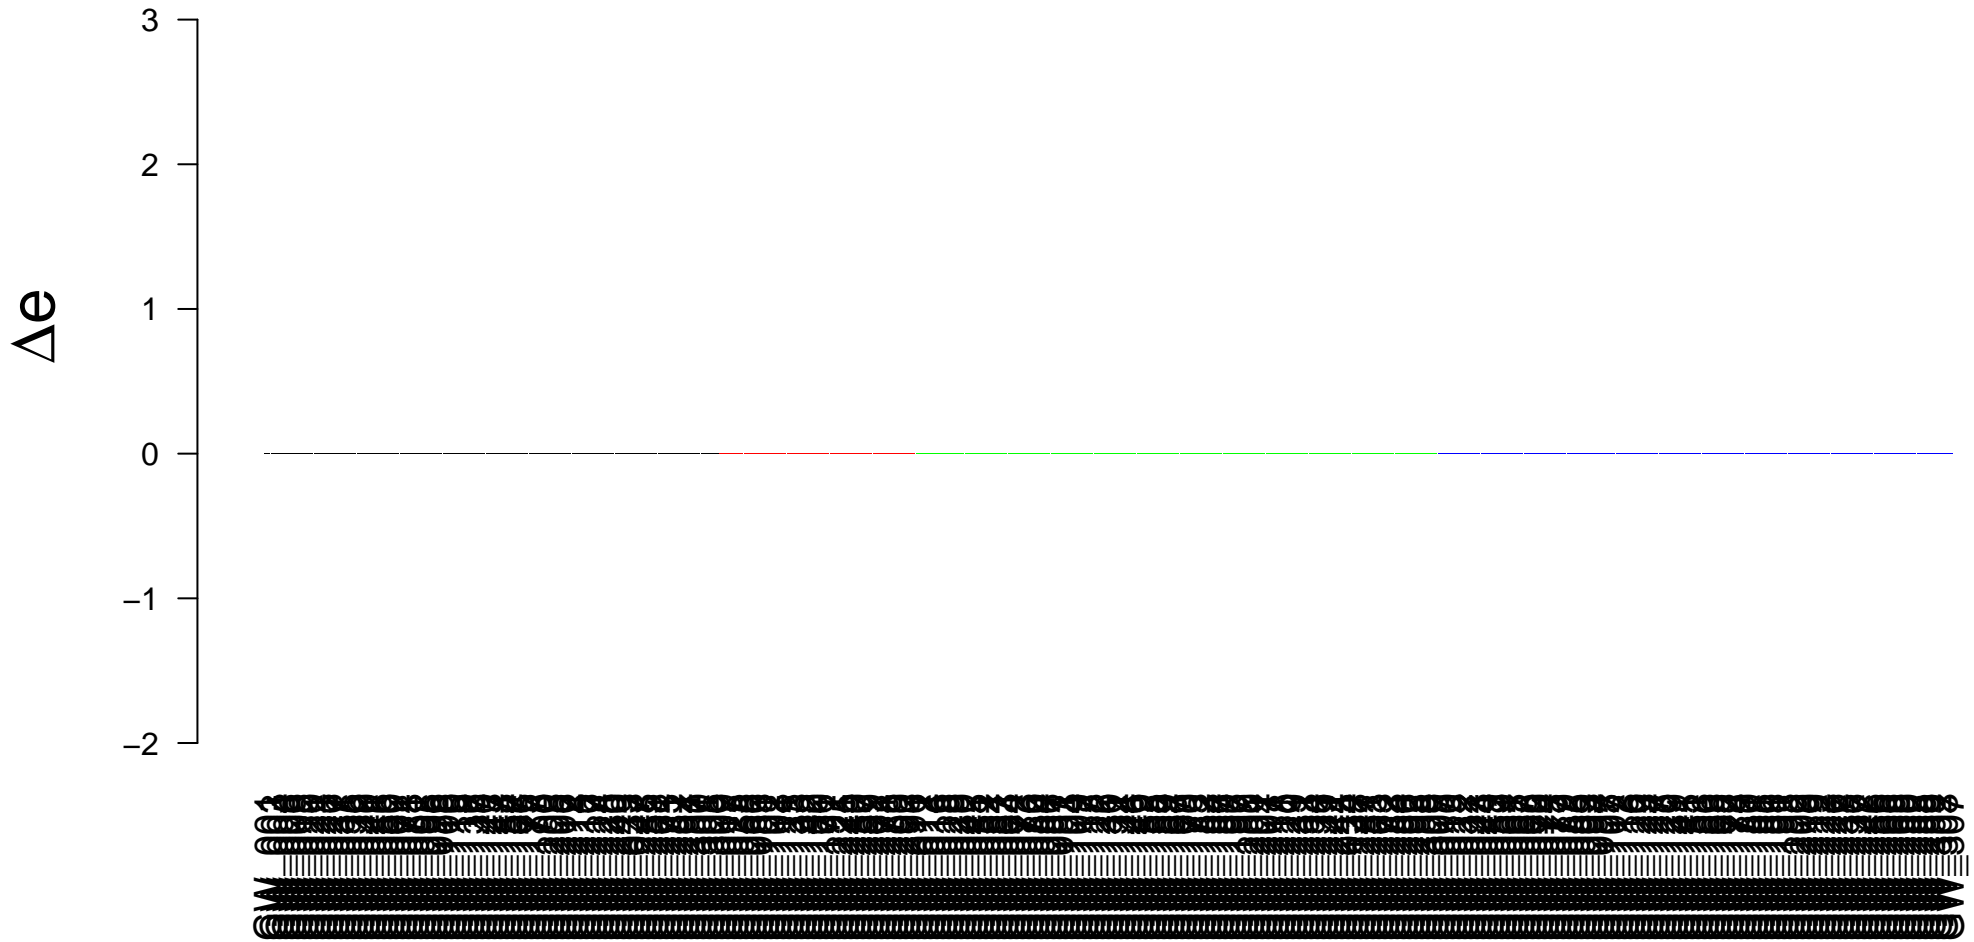

Expression of late endosome membrane in Spot I

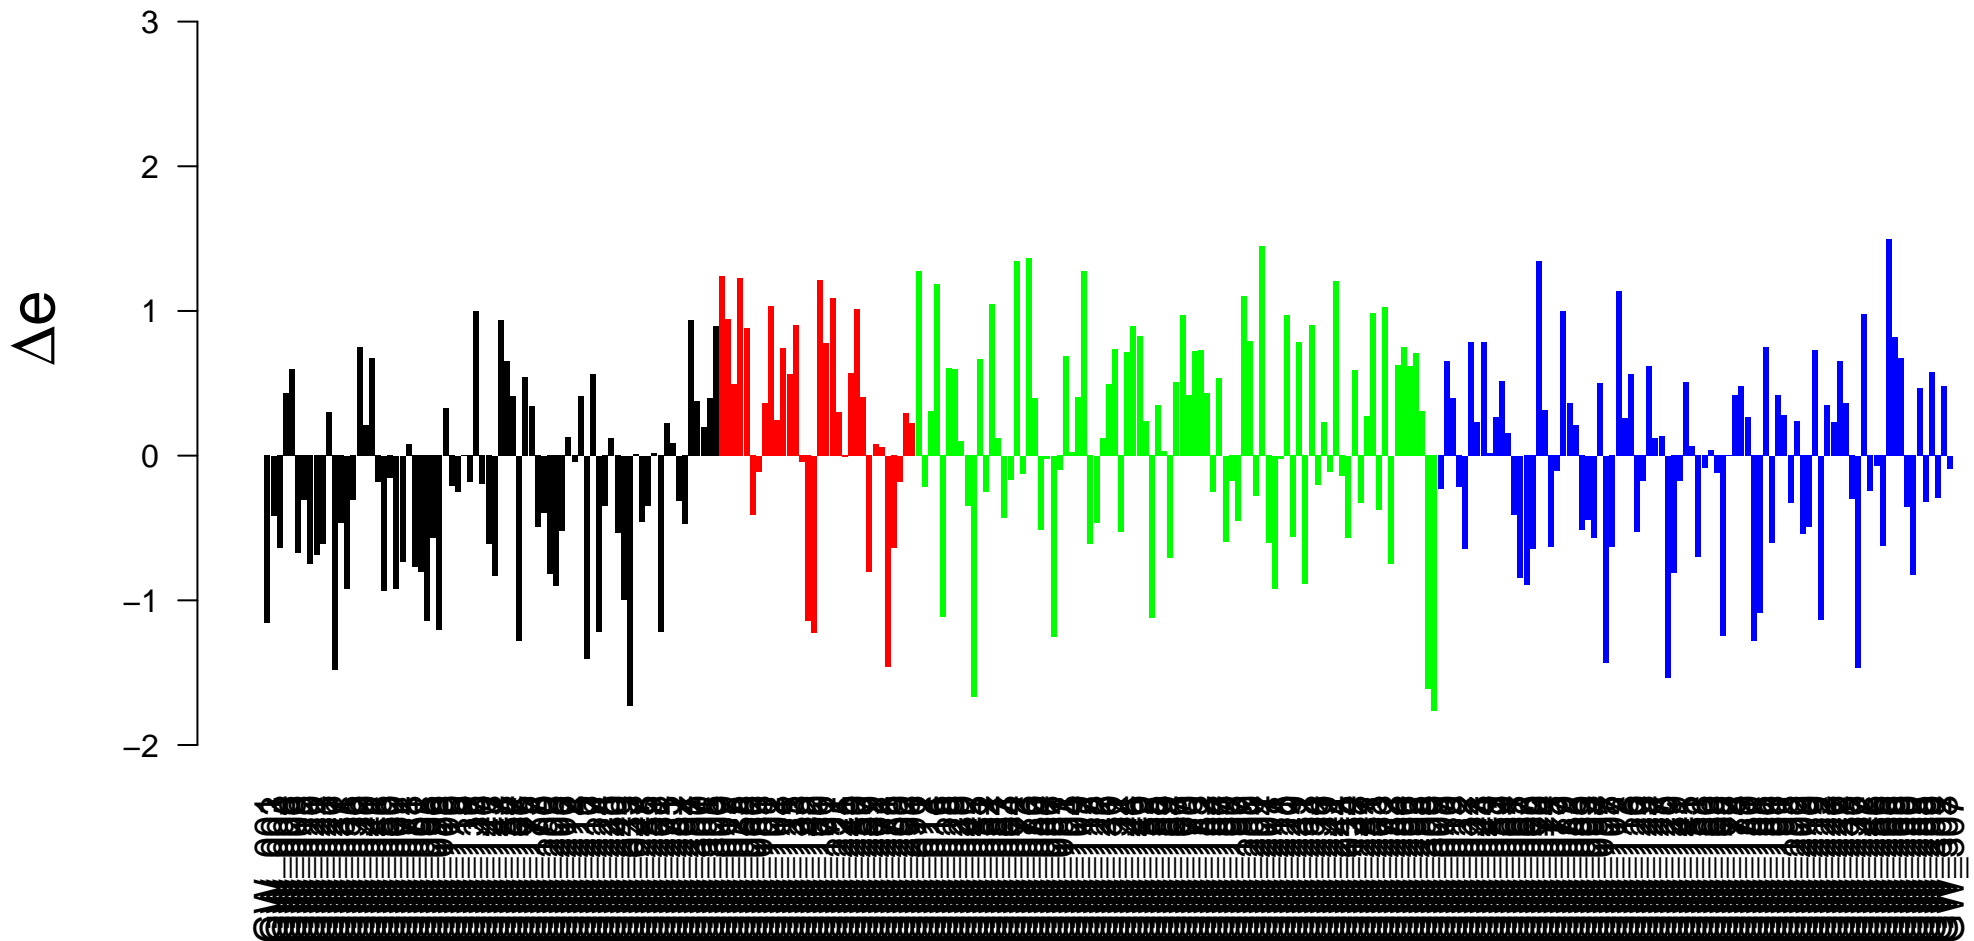

Expression of late endosome membrane in Spot J

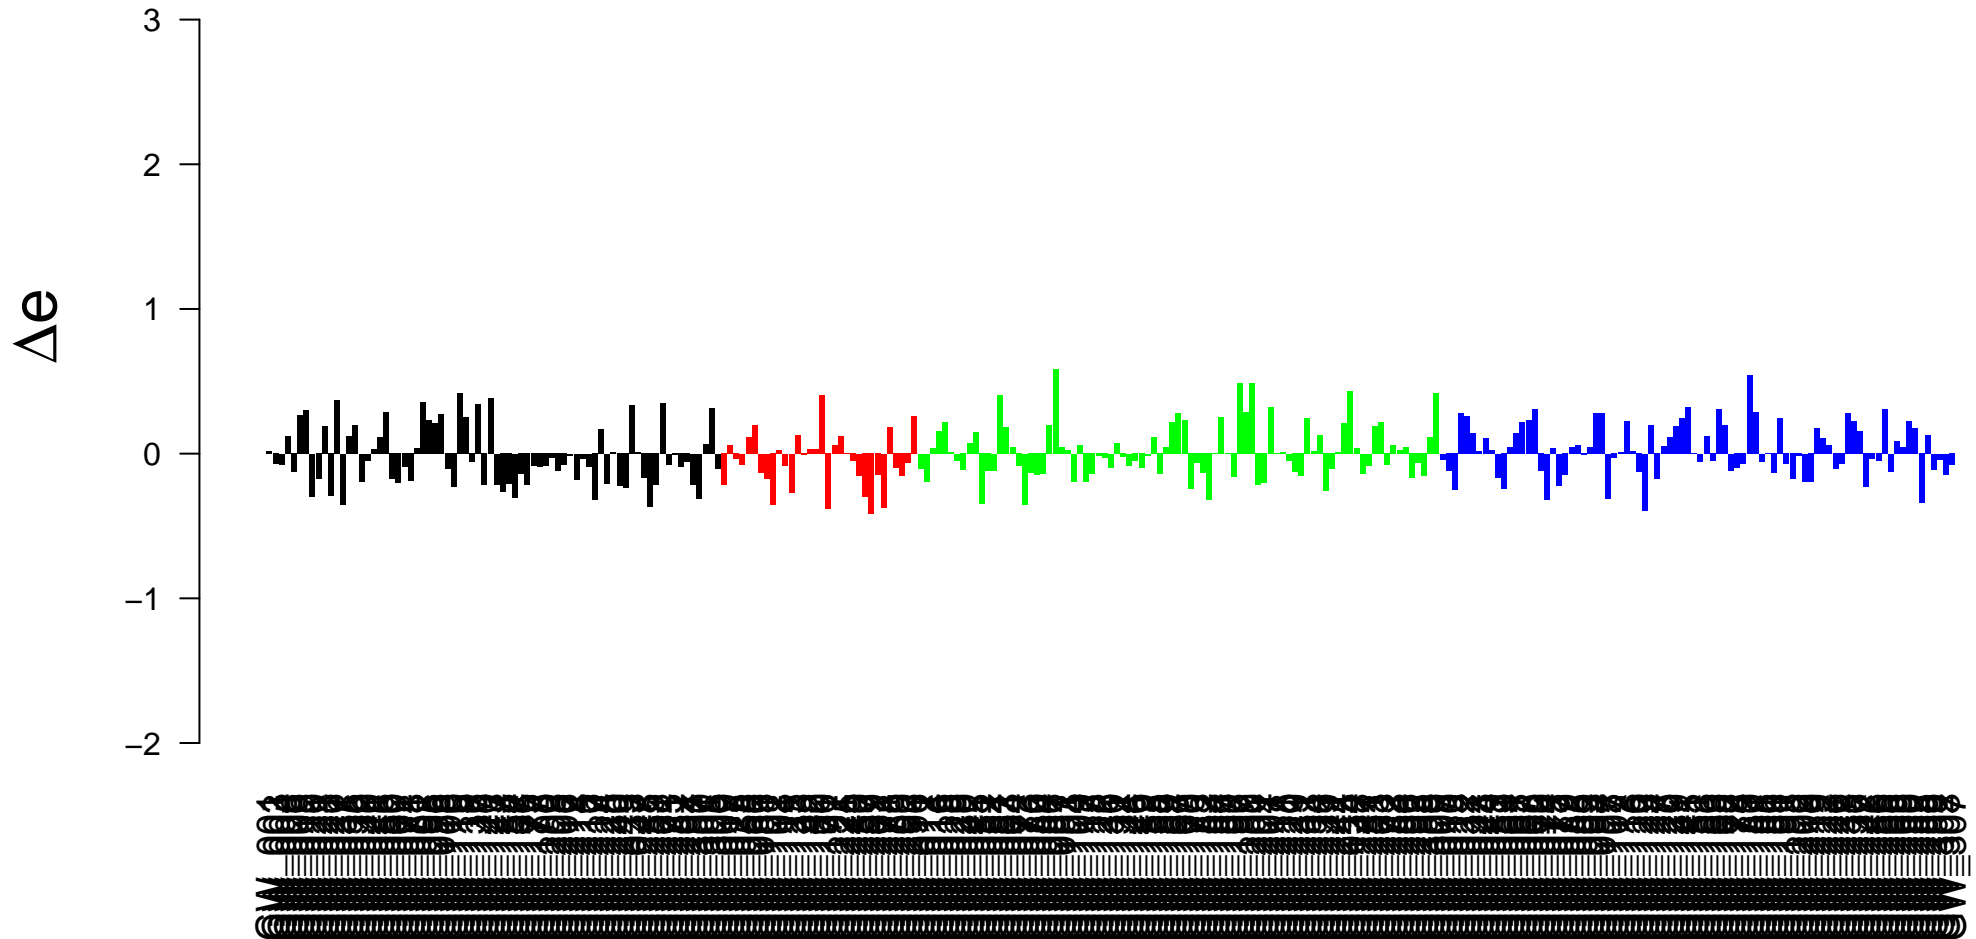

Expression of late endosome membrane in Spot K

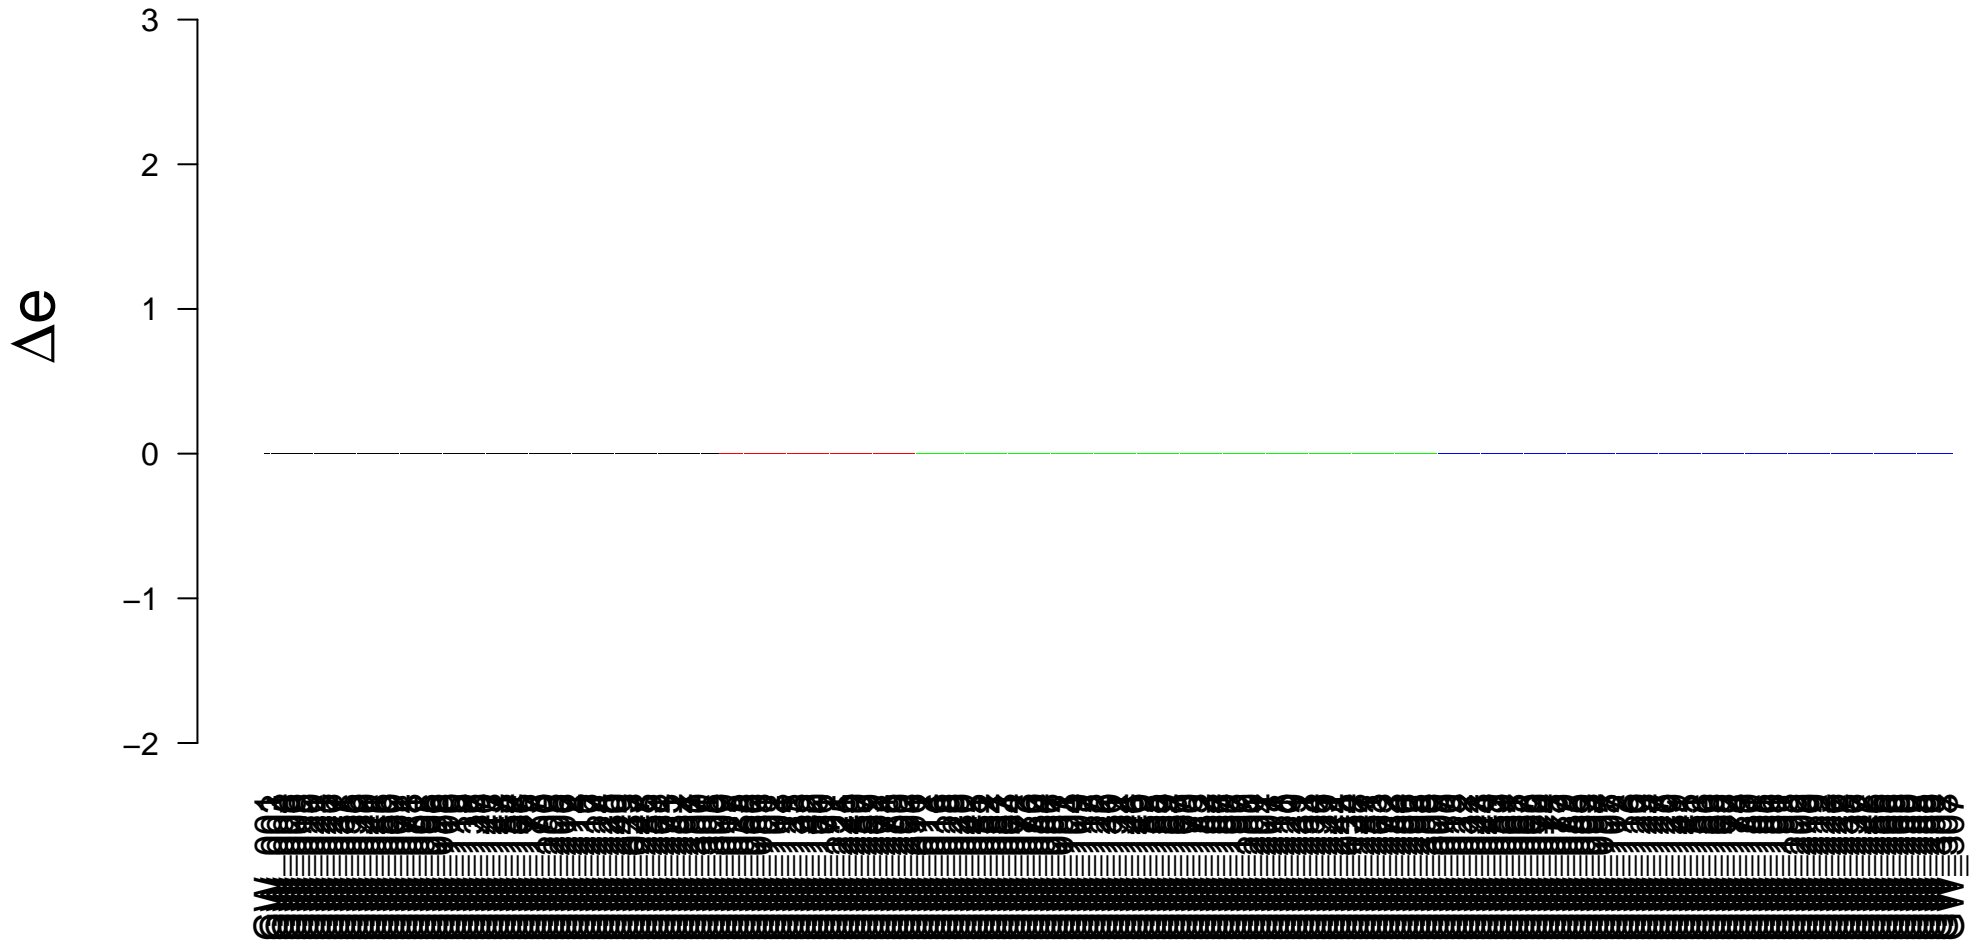

Expression of late endosome membrane in Spot L

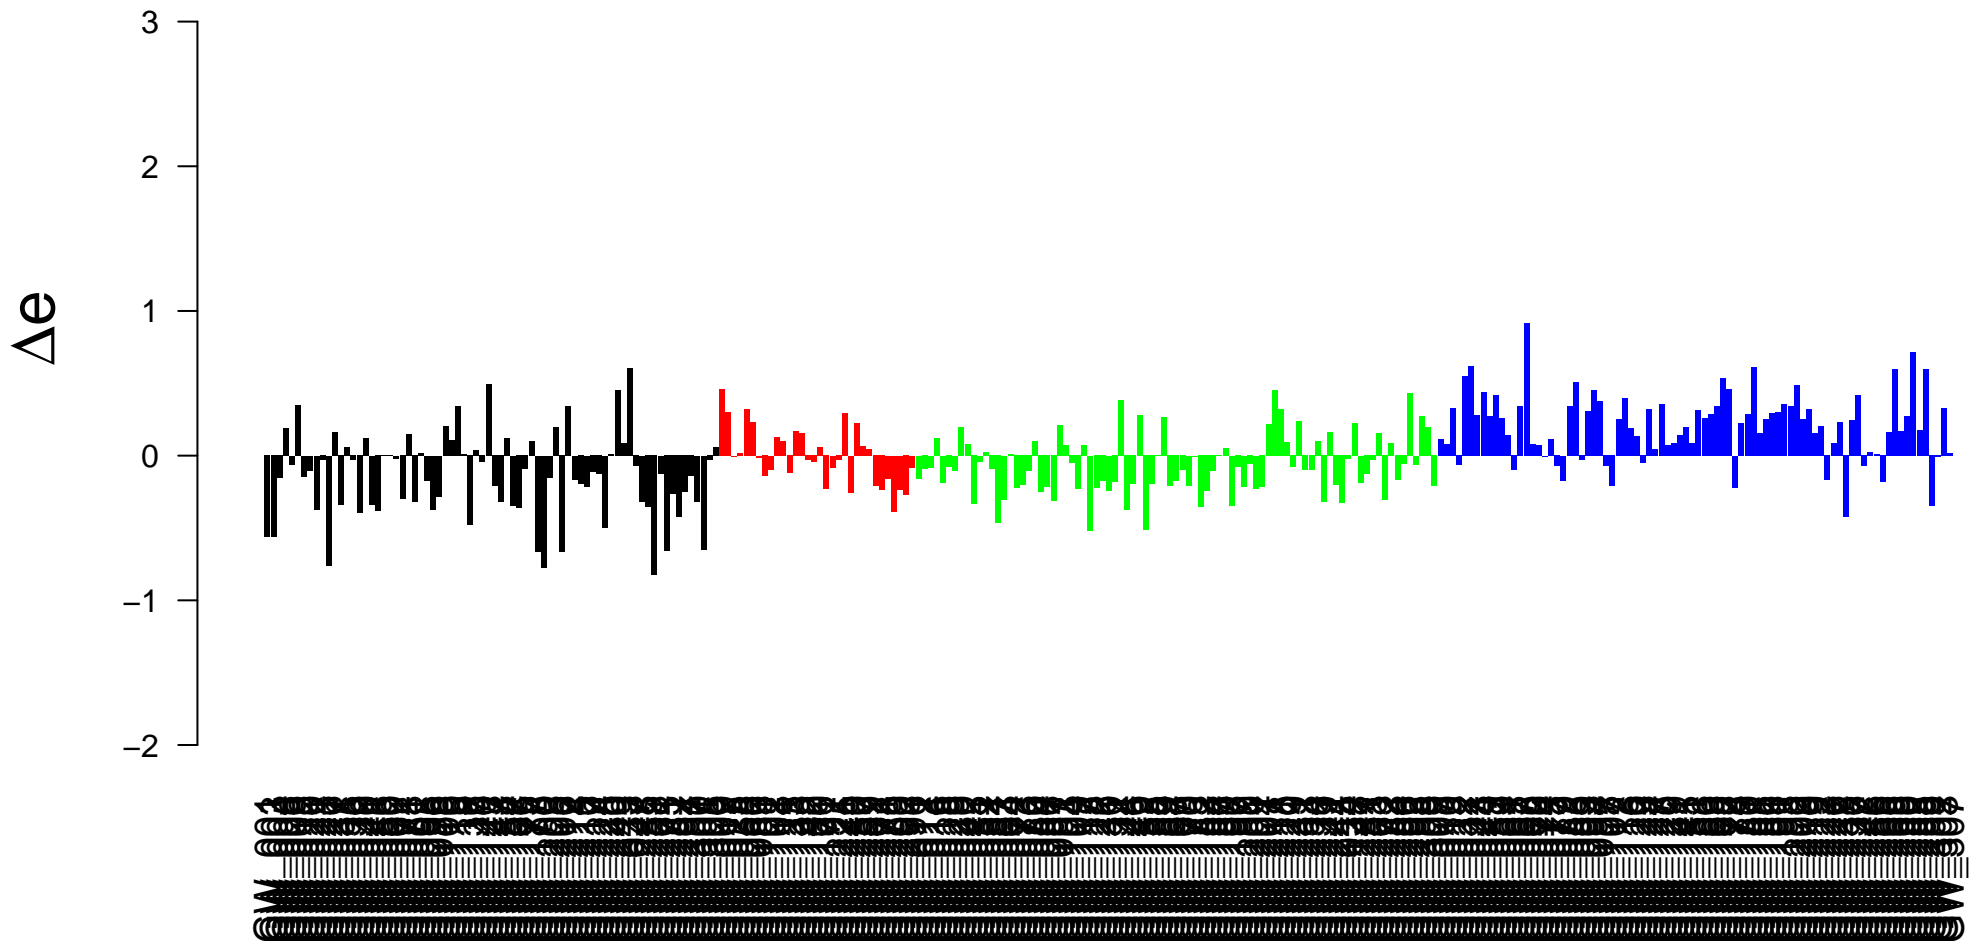

Expression of late endosome membrane in Spot M

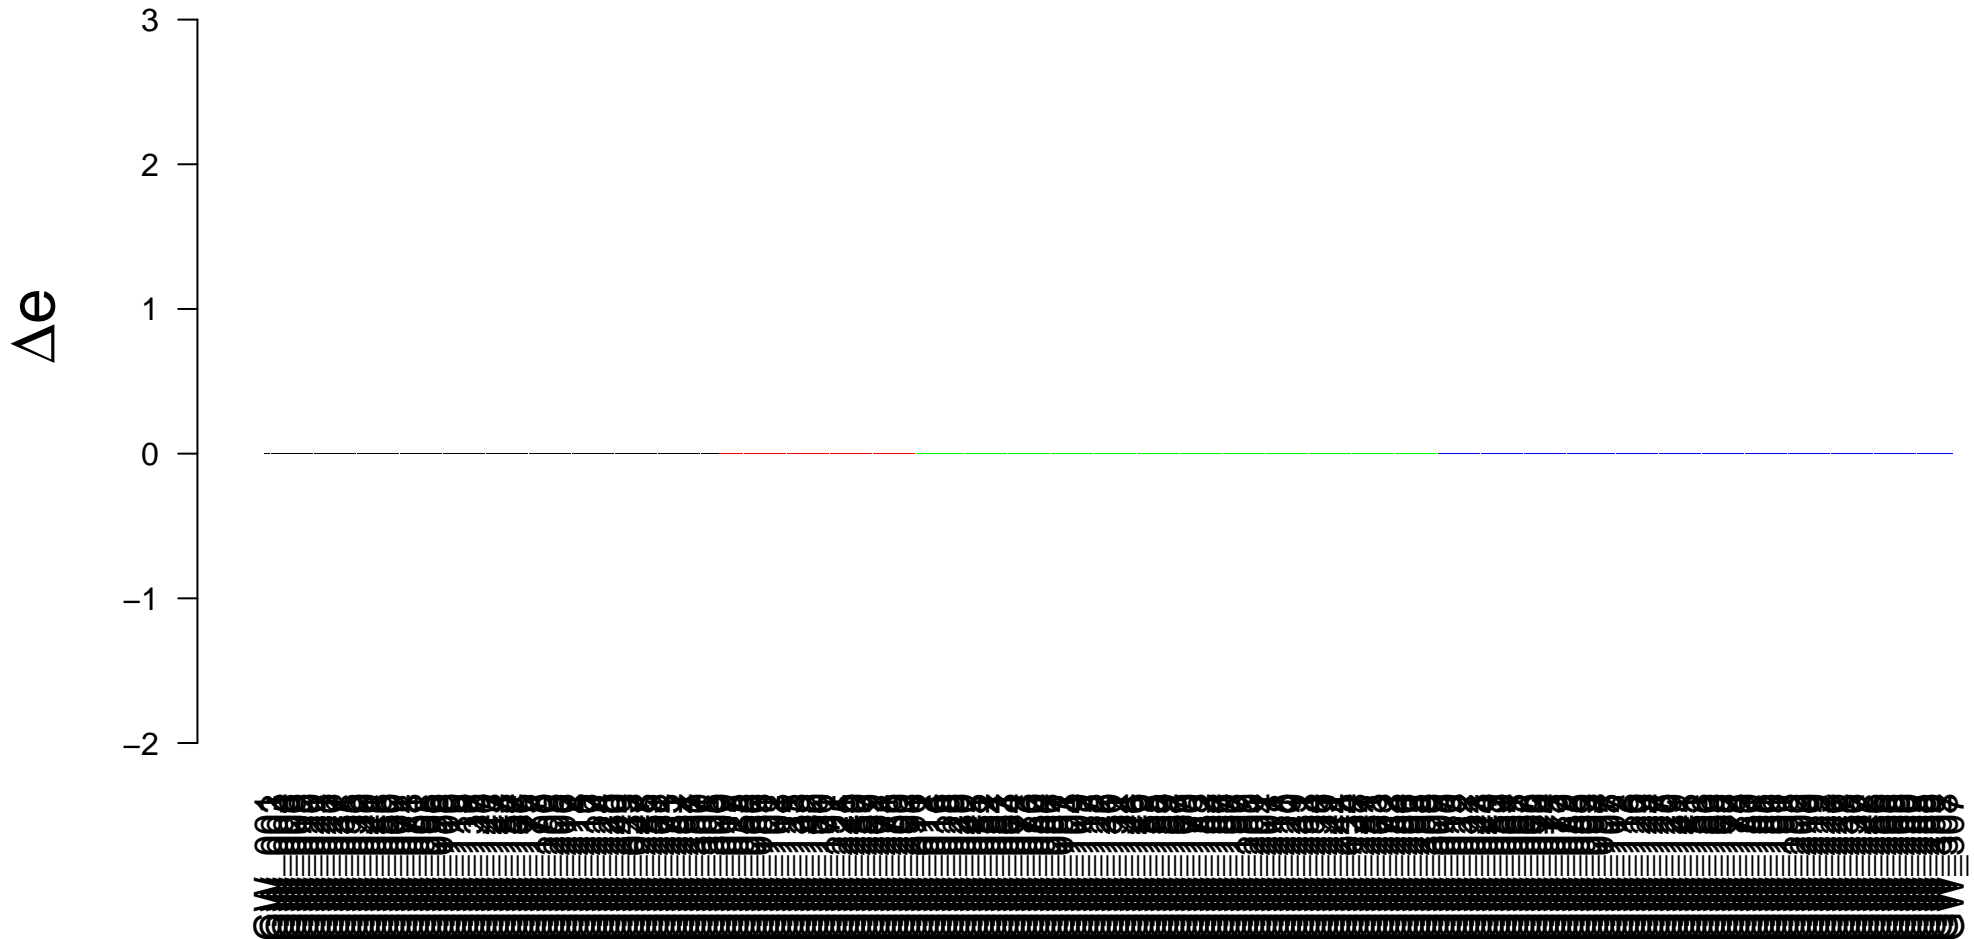

Expression of late endosome membrane in Spot N

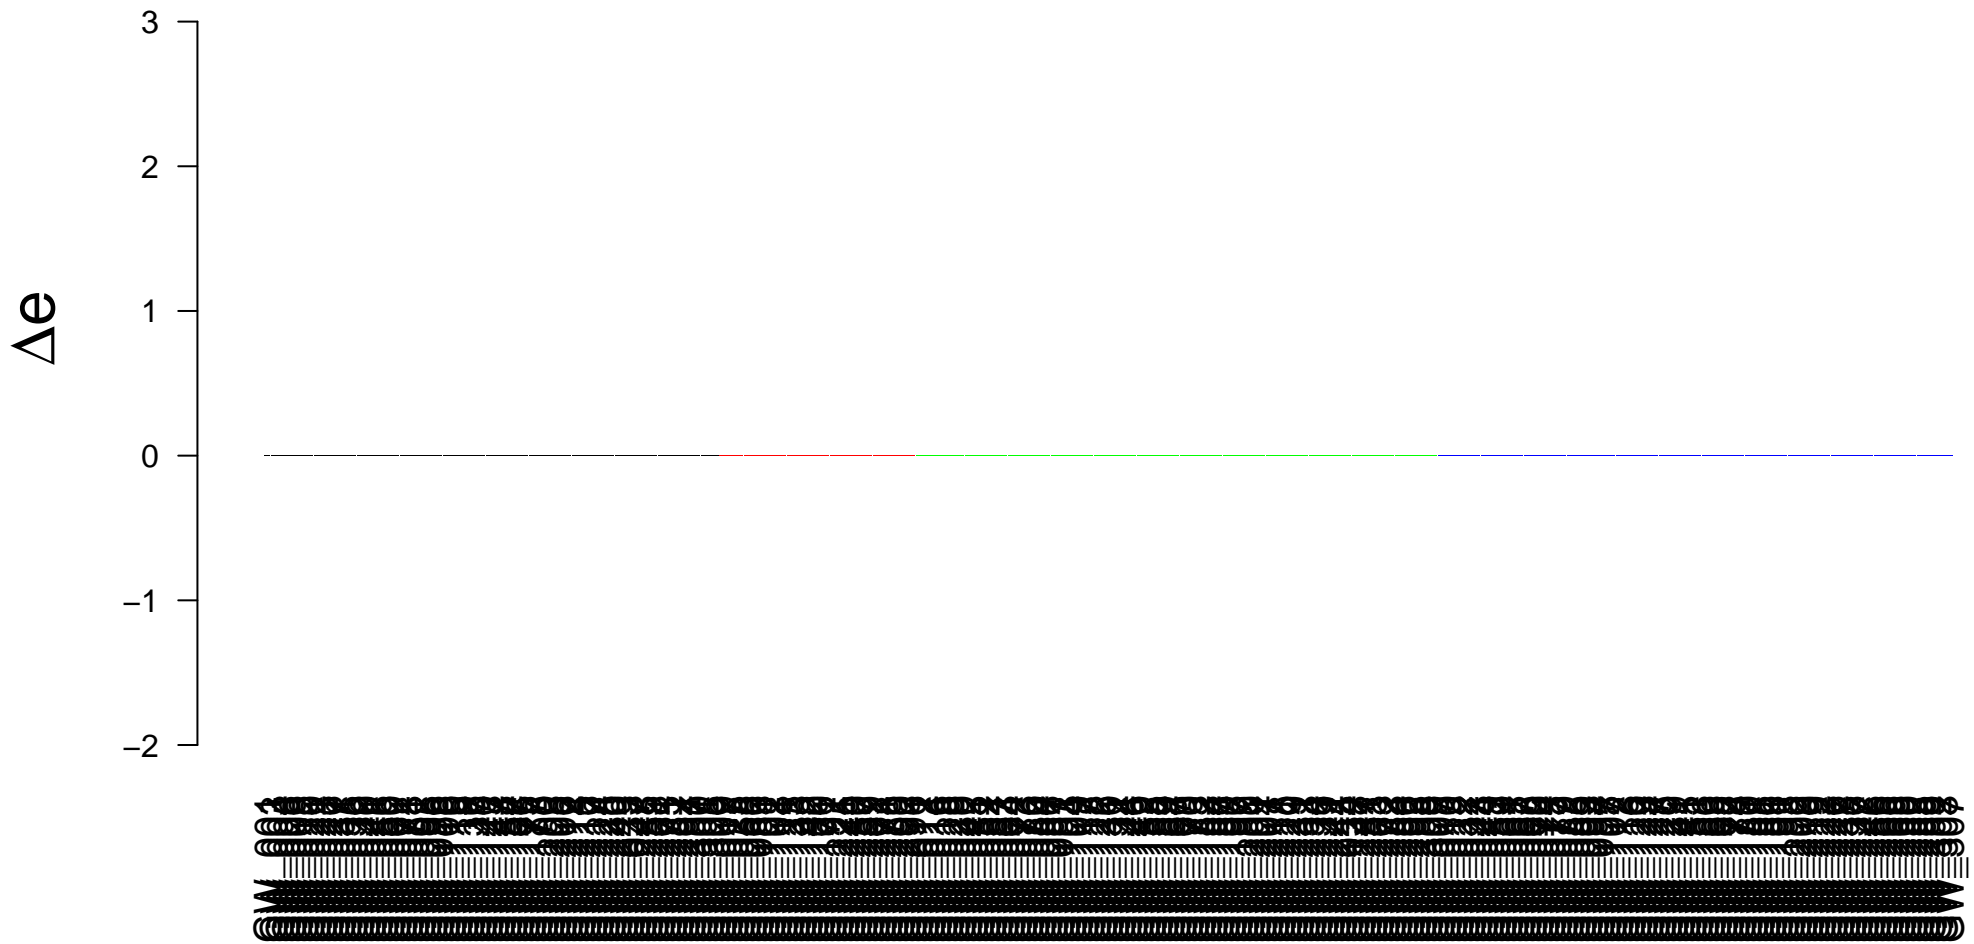

Expression of late endosome membrane in Spot O

Expression of late endosome membrane in Spot P

Expression of late endosome membrane in Spot Q

Expression of late endosome membrane in Spot R
