

# leukotriene metabolic process

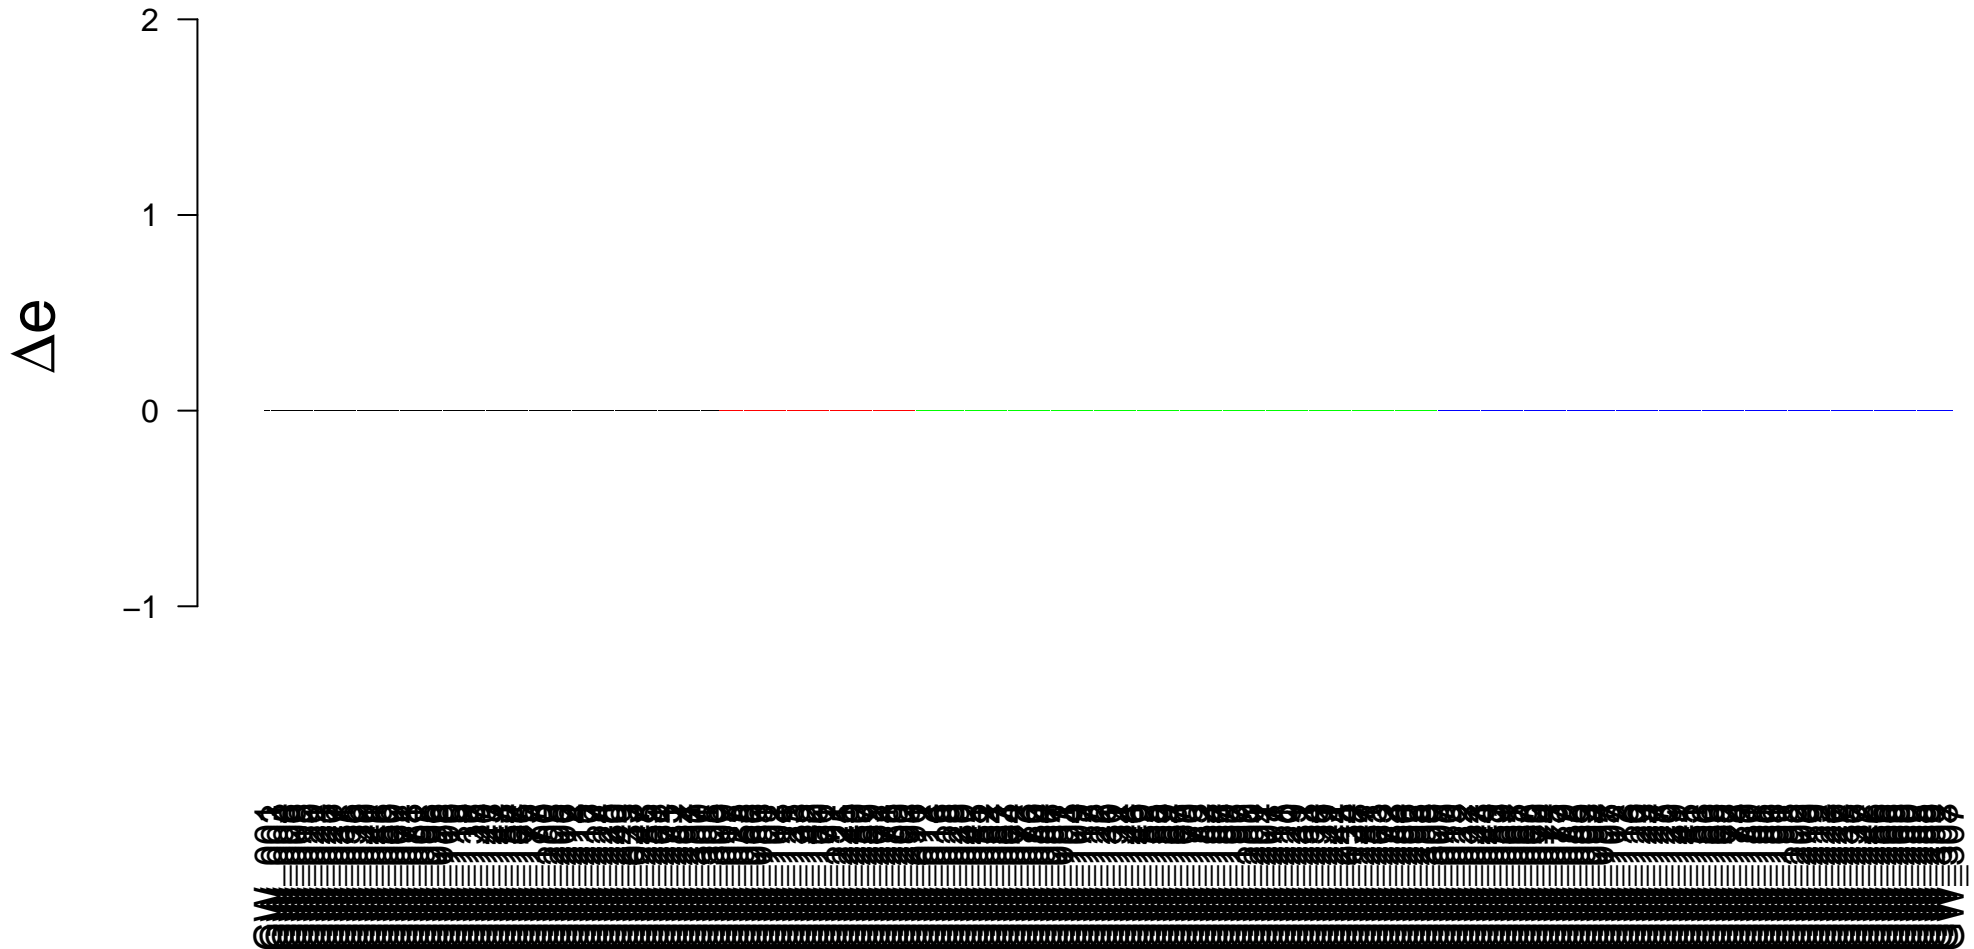

# leukotriene metabolic process

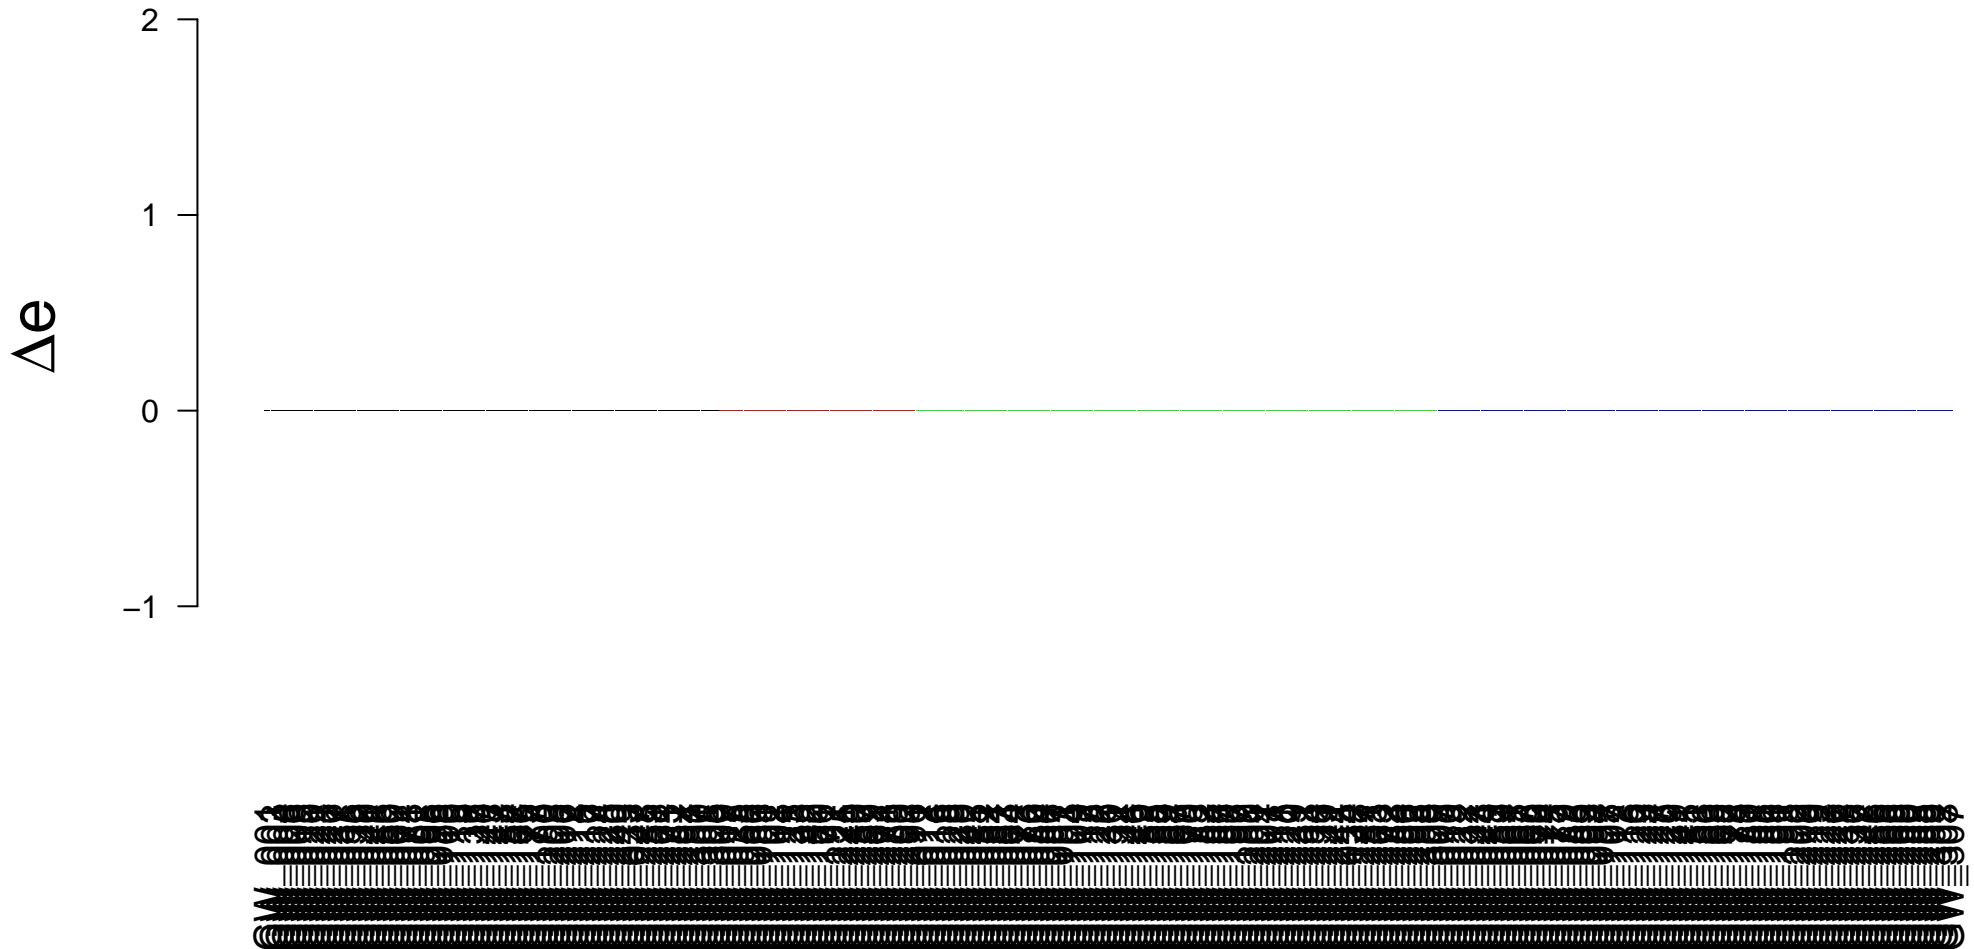

Enrichment in spots: leukotriene metabolic process

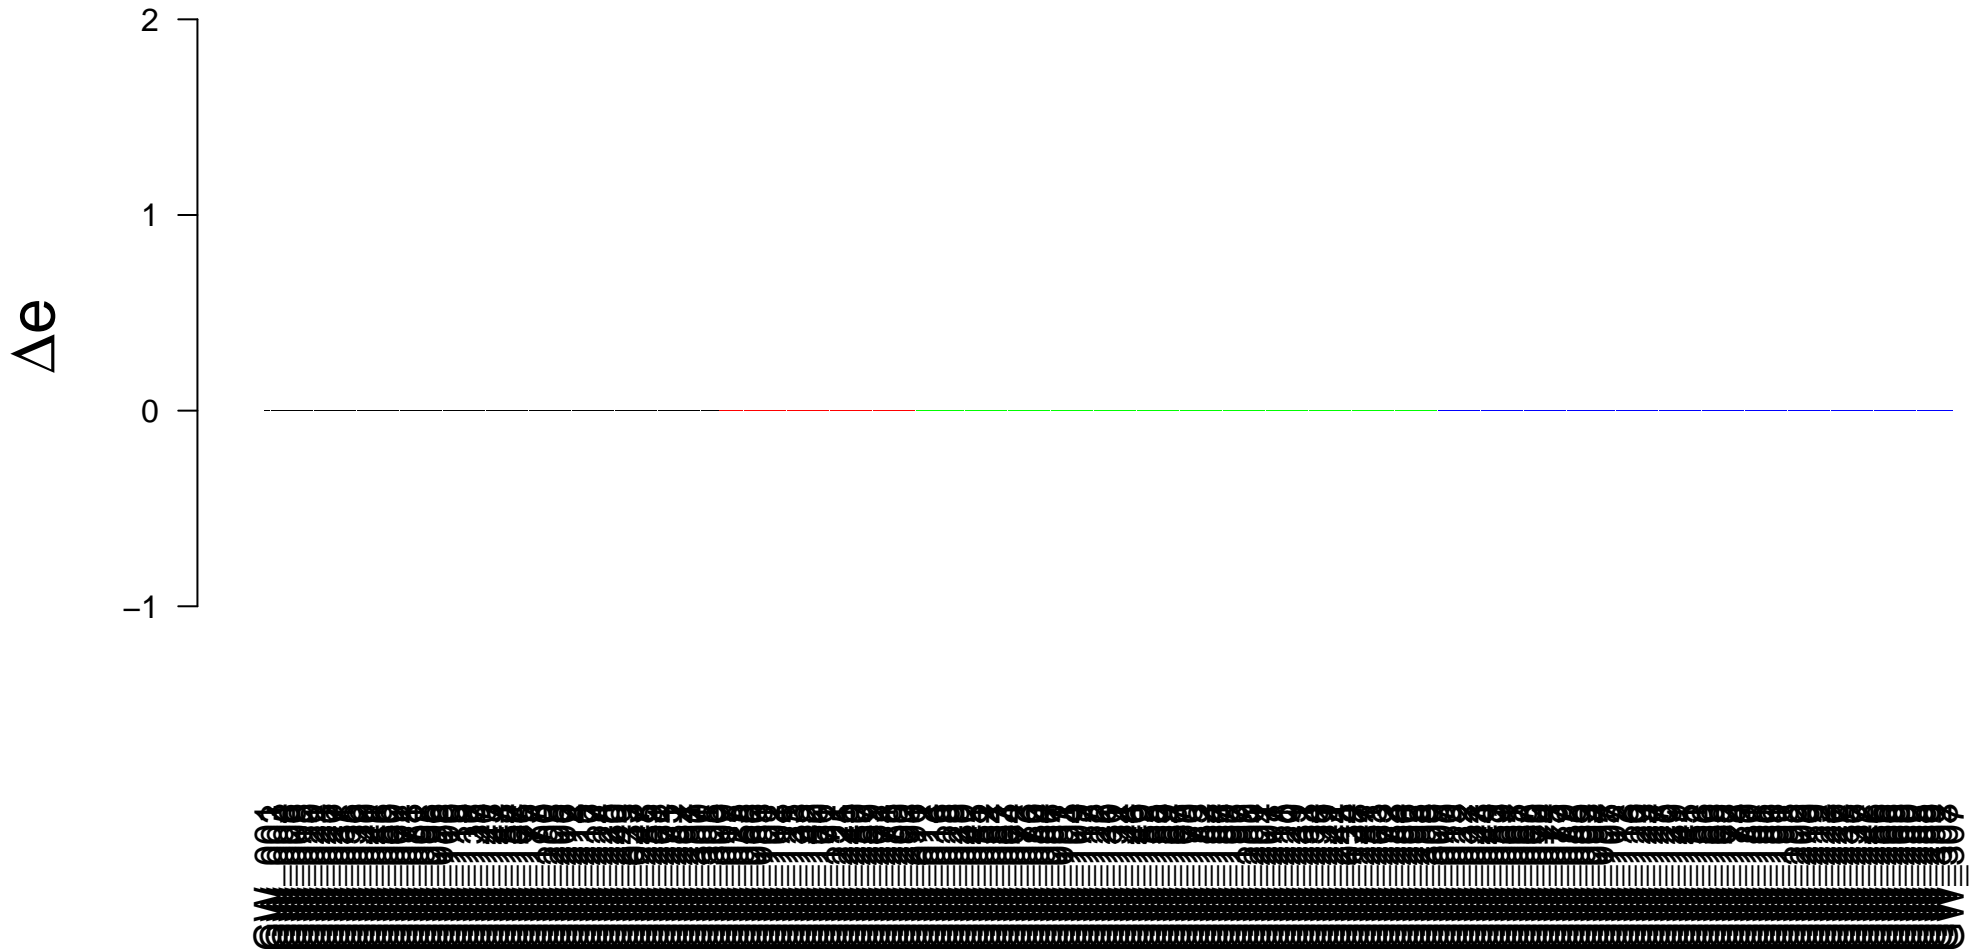

# Expression of leukotriene metabolic process in Spot A

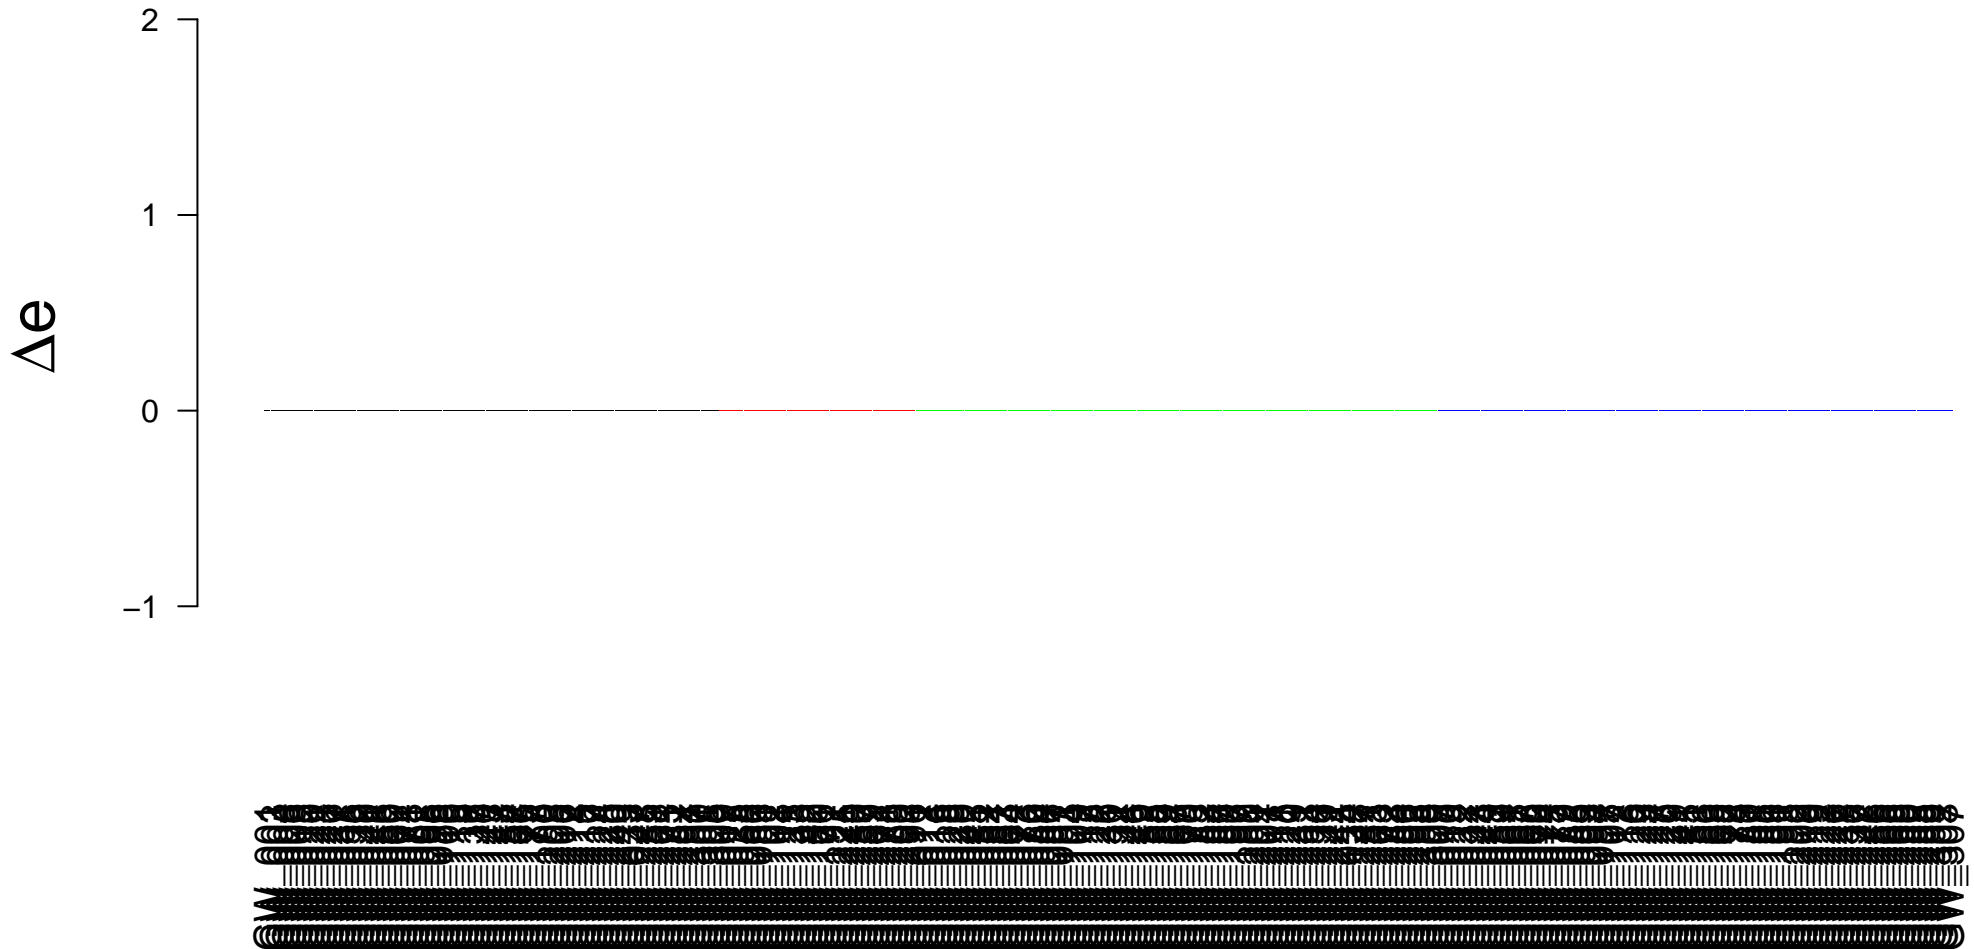

# Expression of leukotriene metabolic process in Spot B

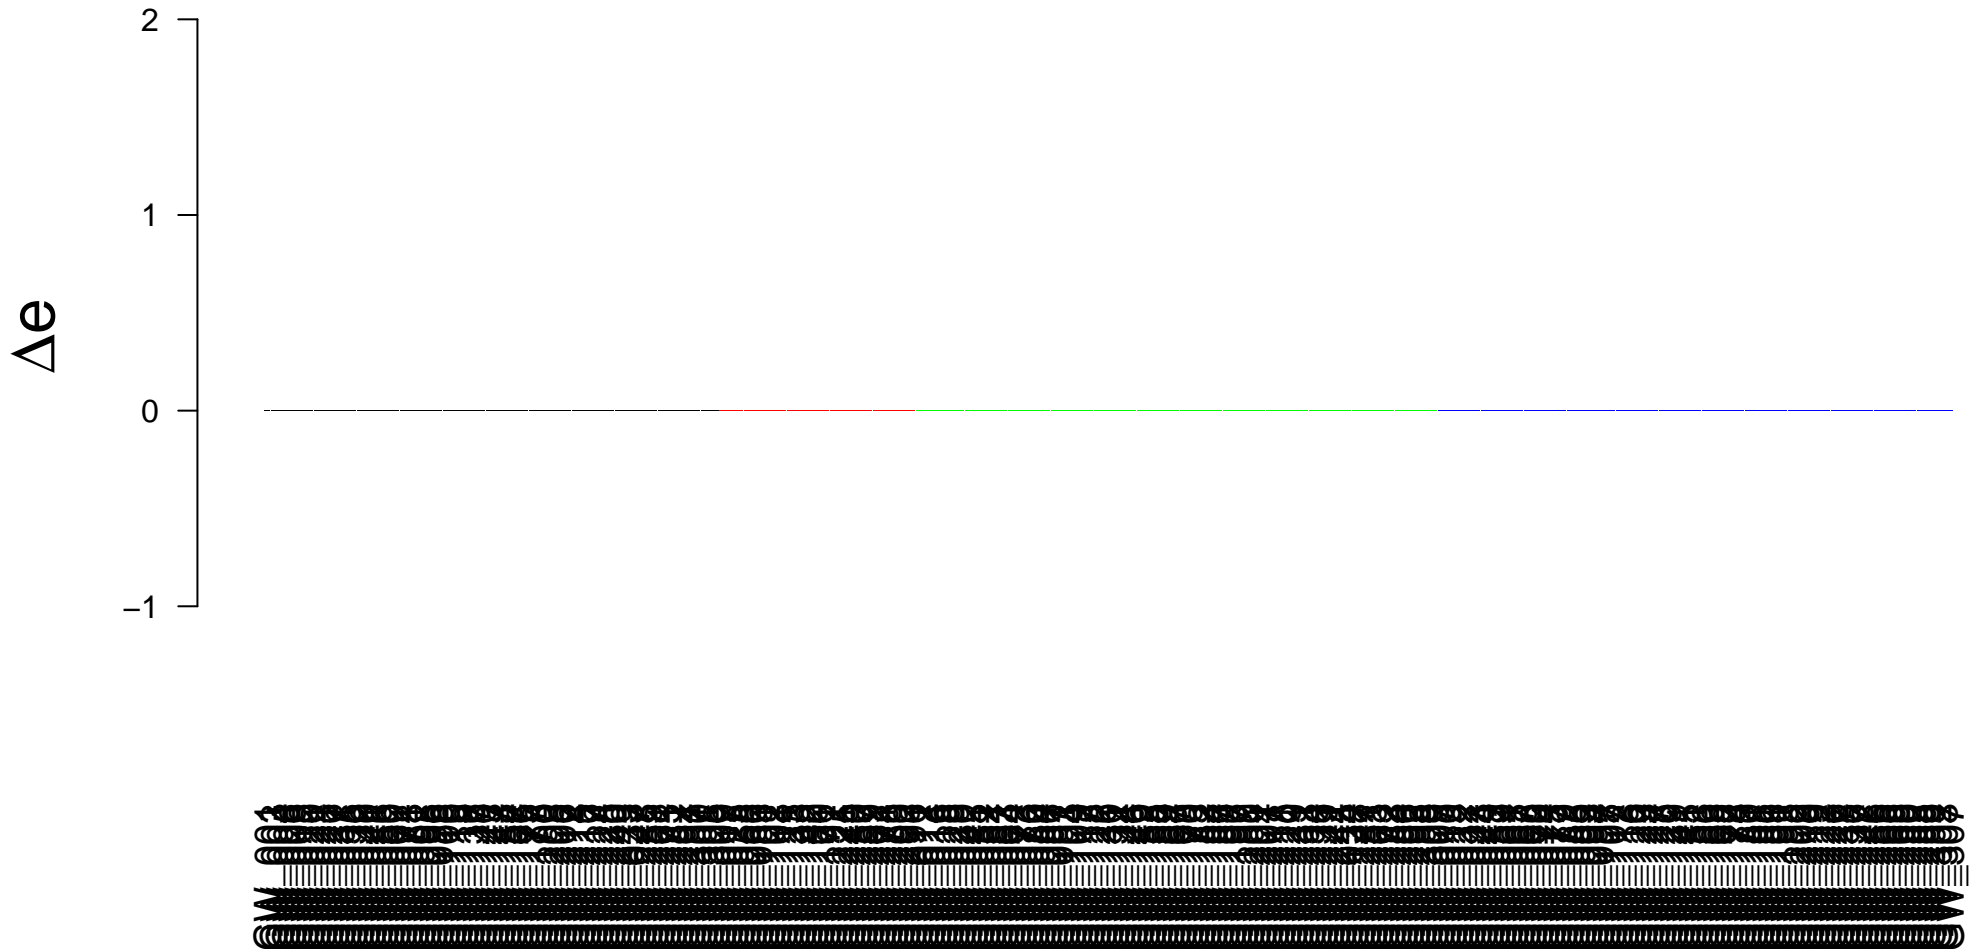

# Expression of leukotriene metabolic process in Spot C

# Expression of leukotriene metabolic process in Spot D

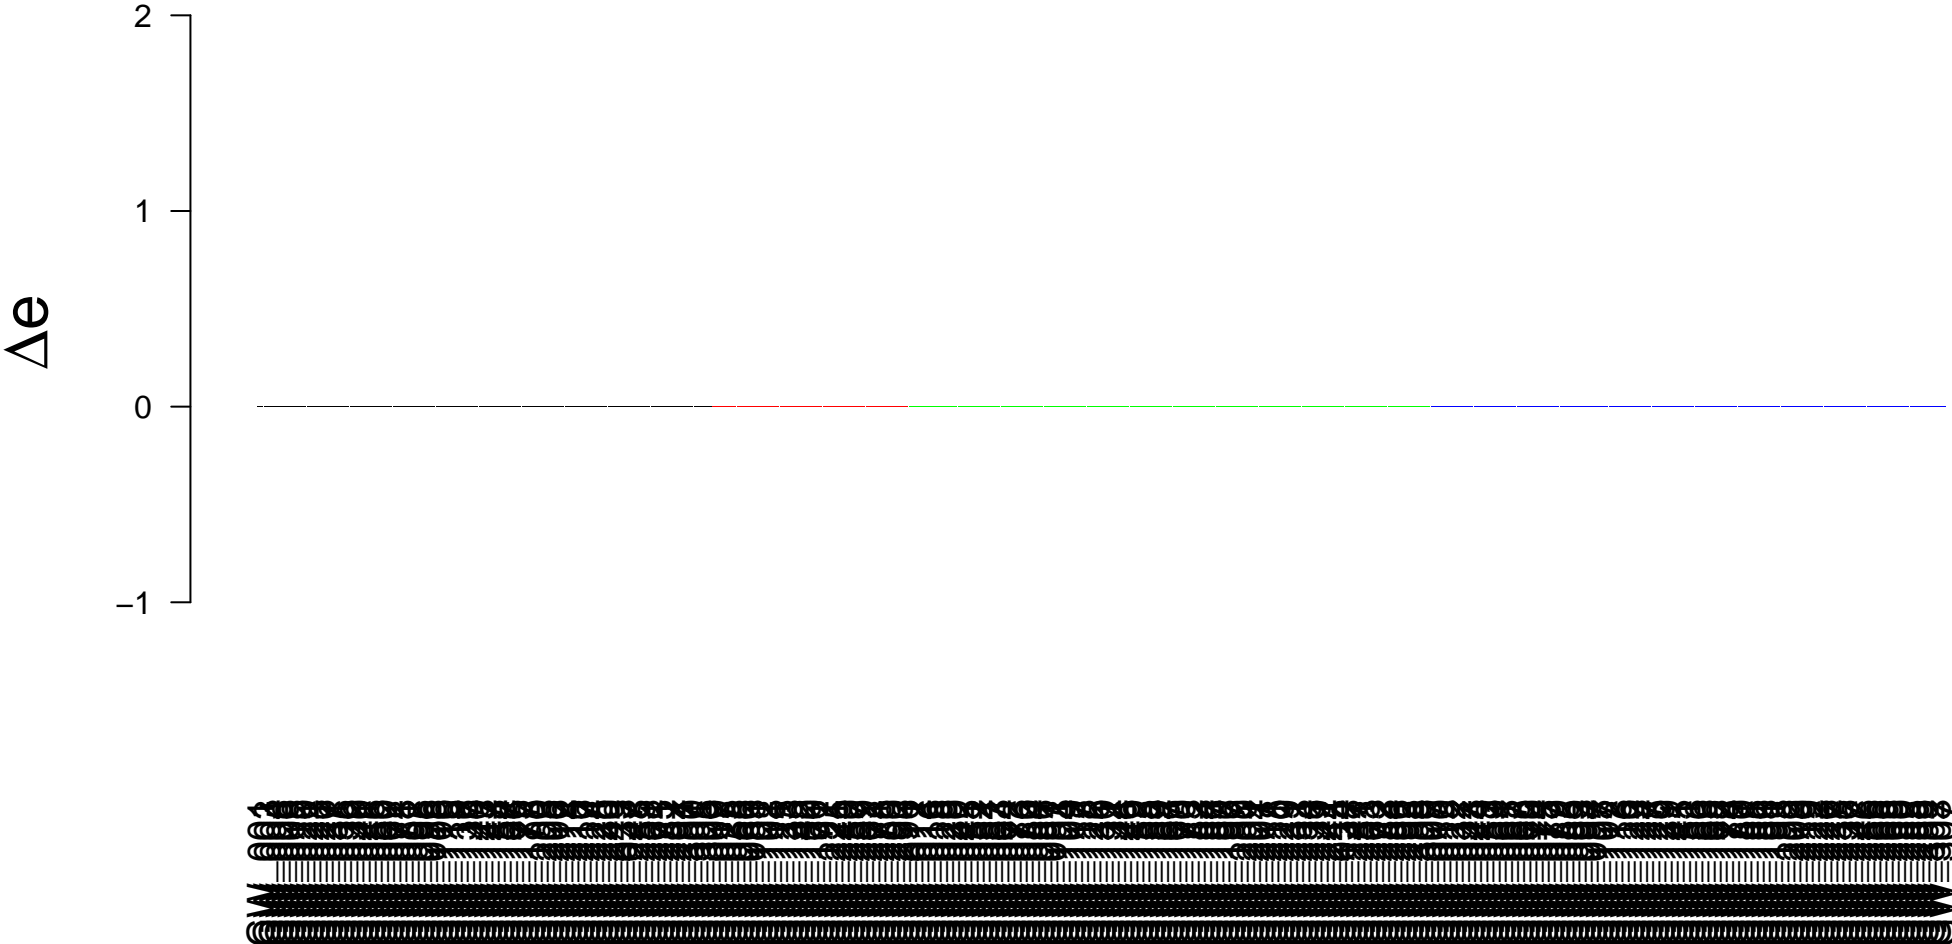

# Expression of leukotriene metabolic process in Spot E

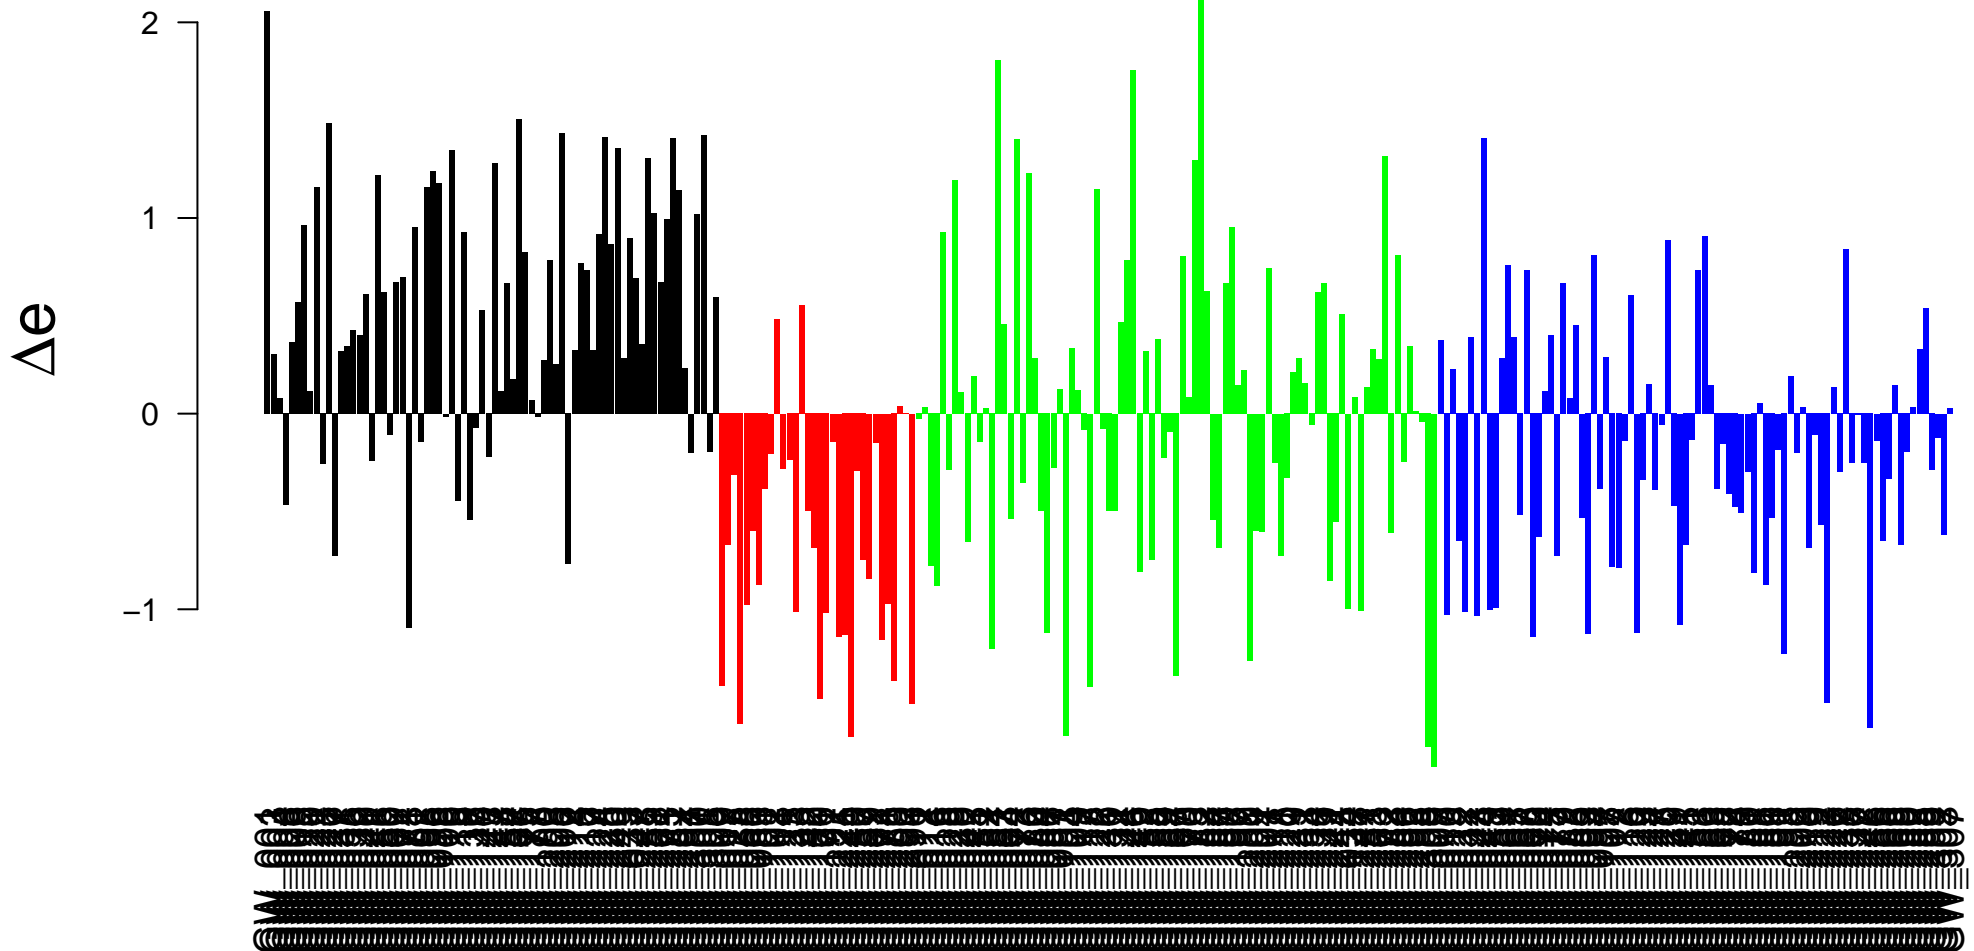

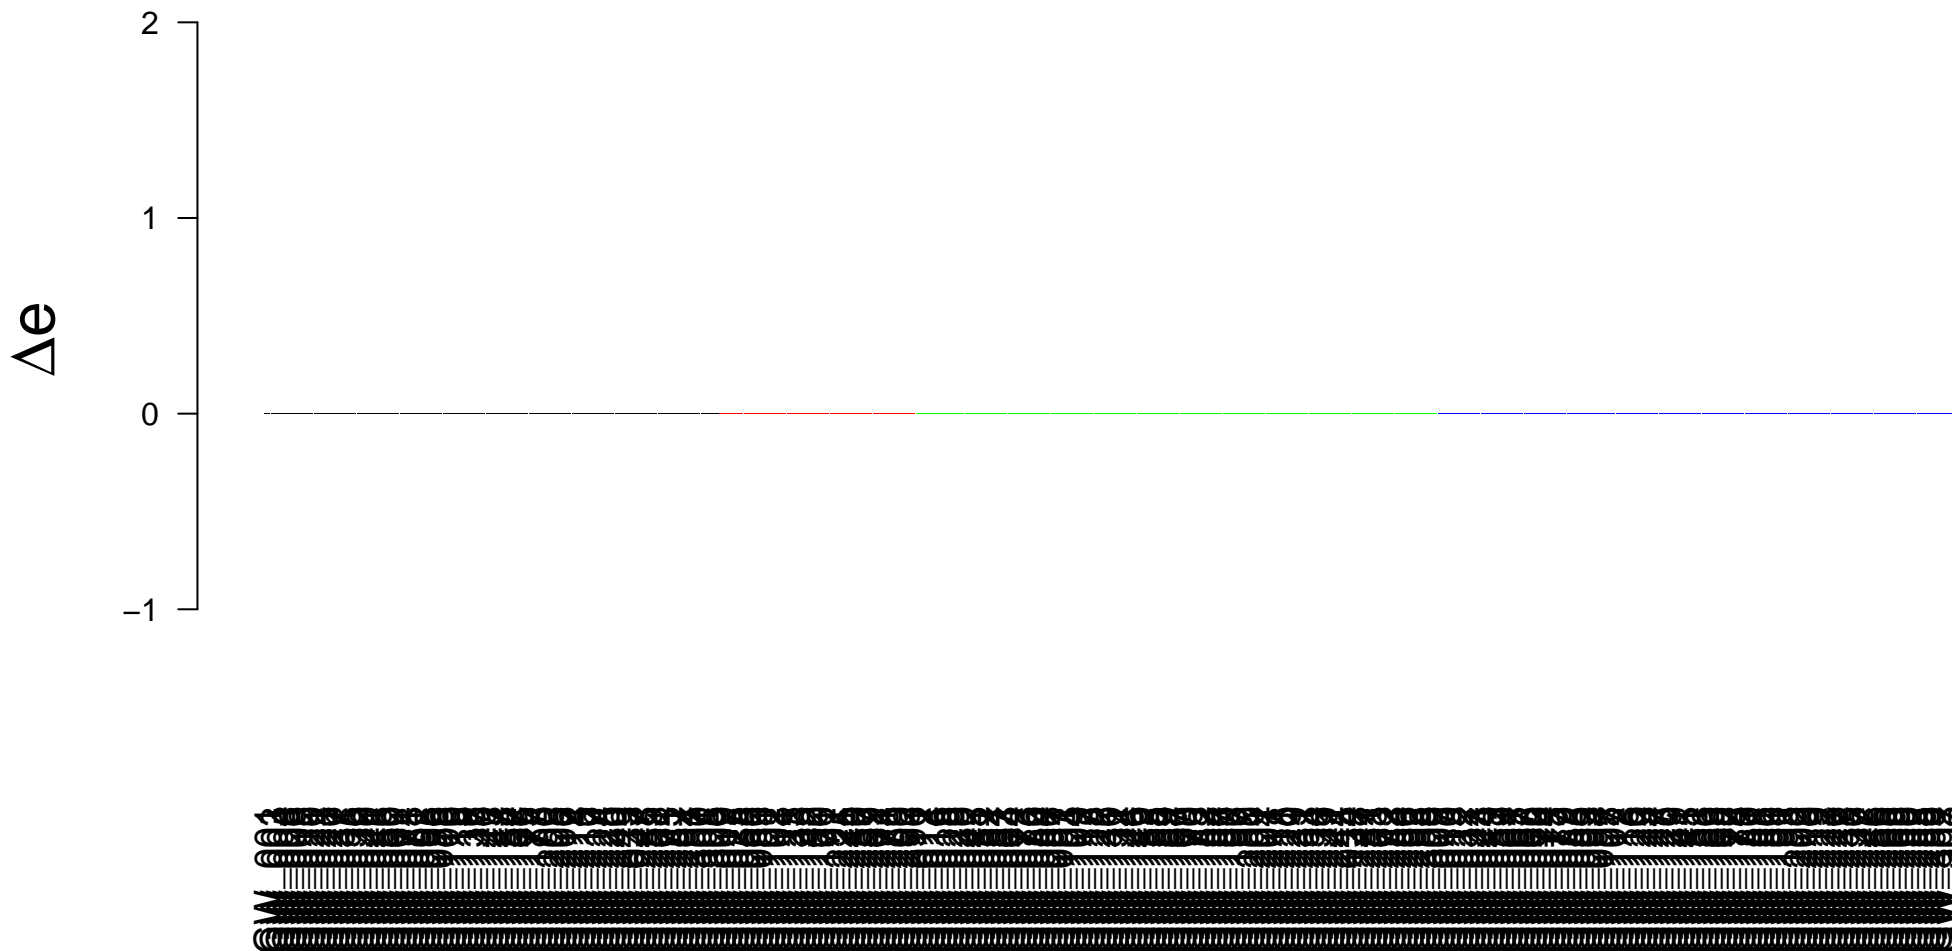

Expression of leukotriene metabolic process in Spot F

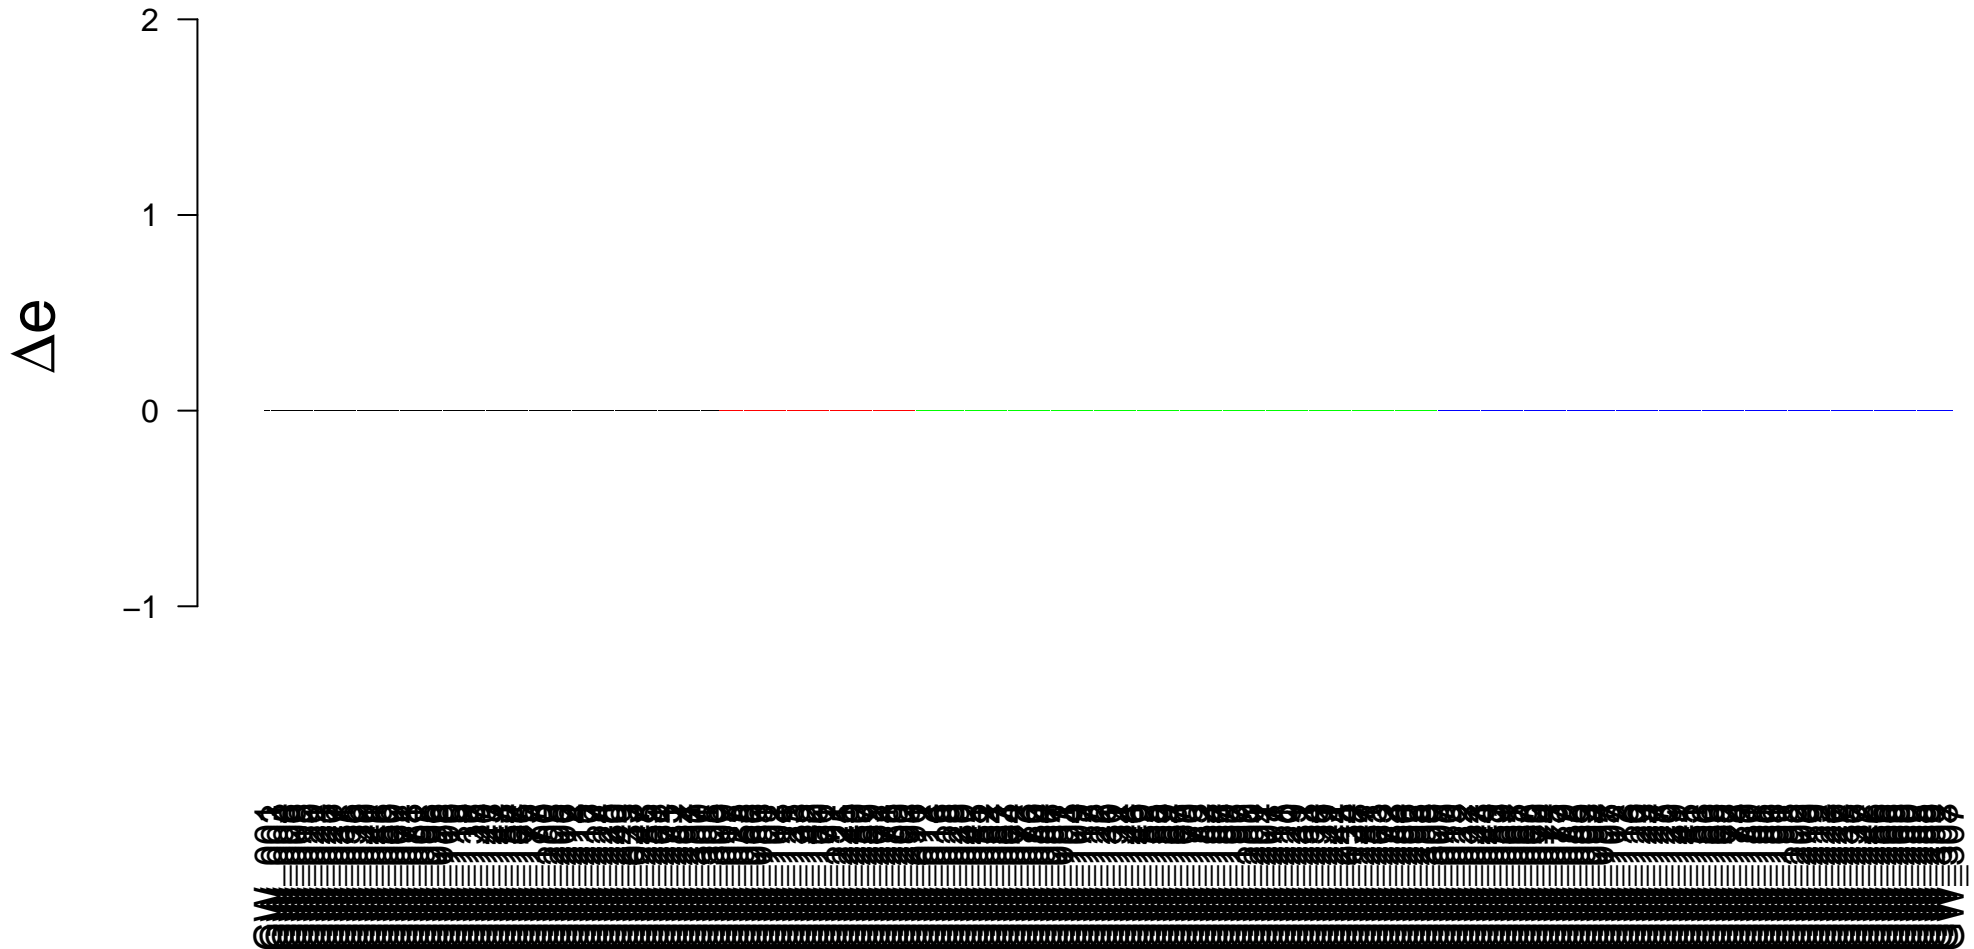

# Expression of leukotriene metabolic process in Spot G

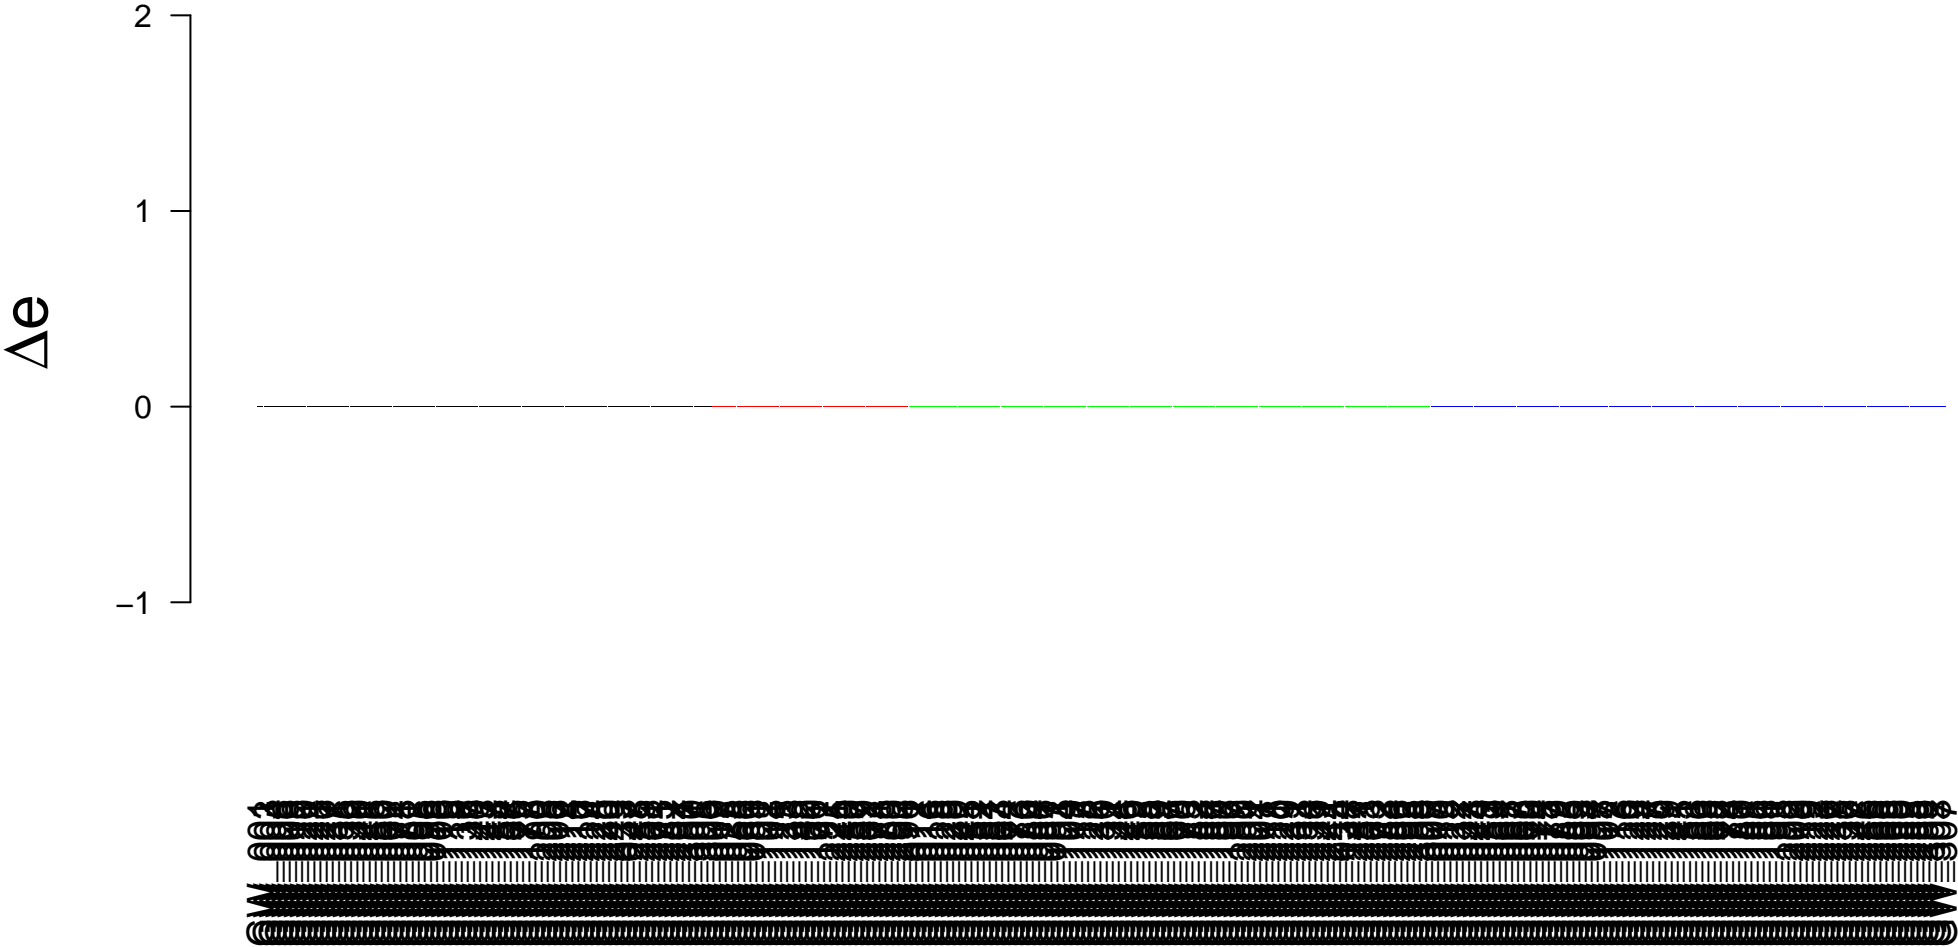

# Expression of leukotriene metabolic process in Spot H

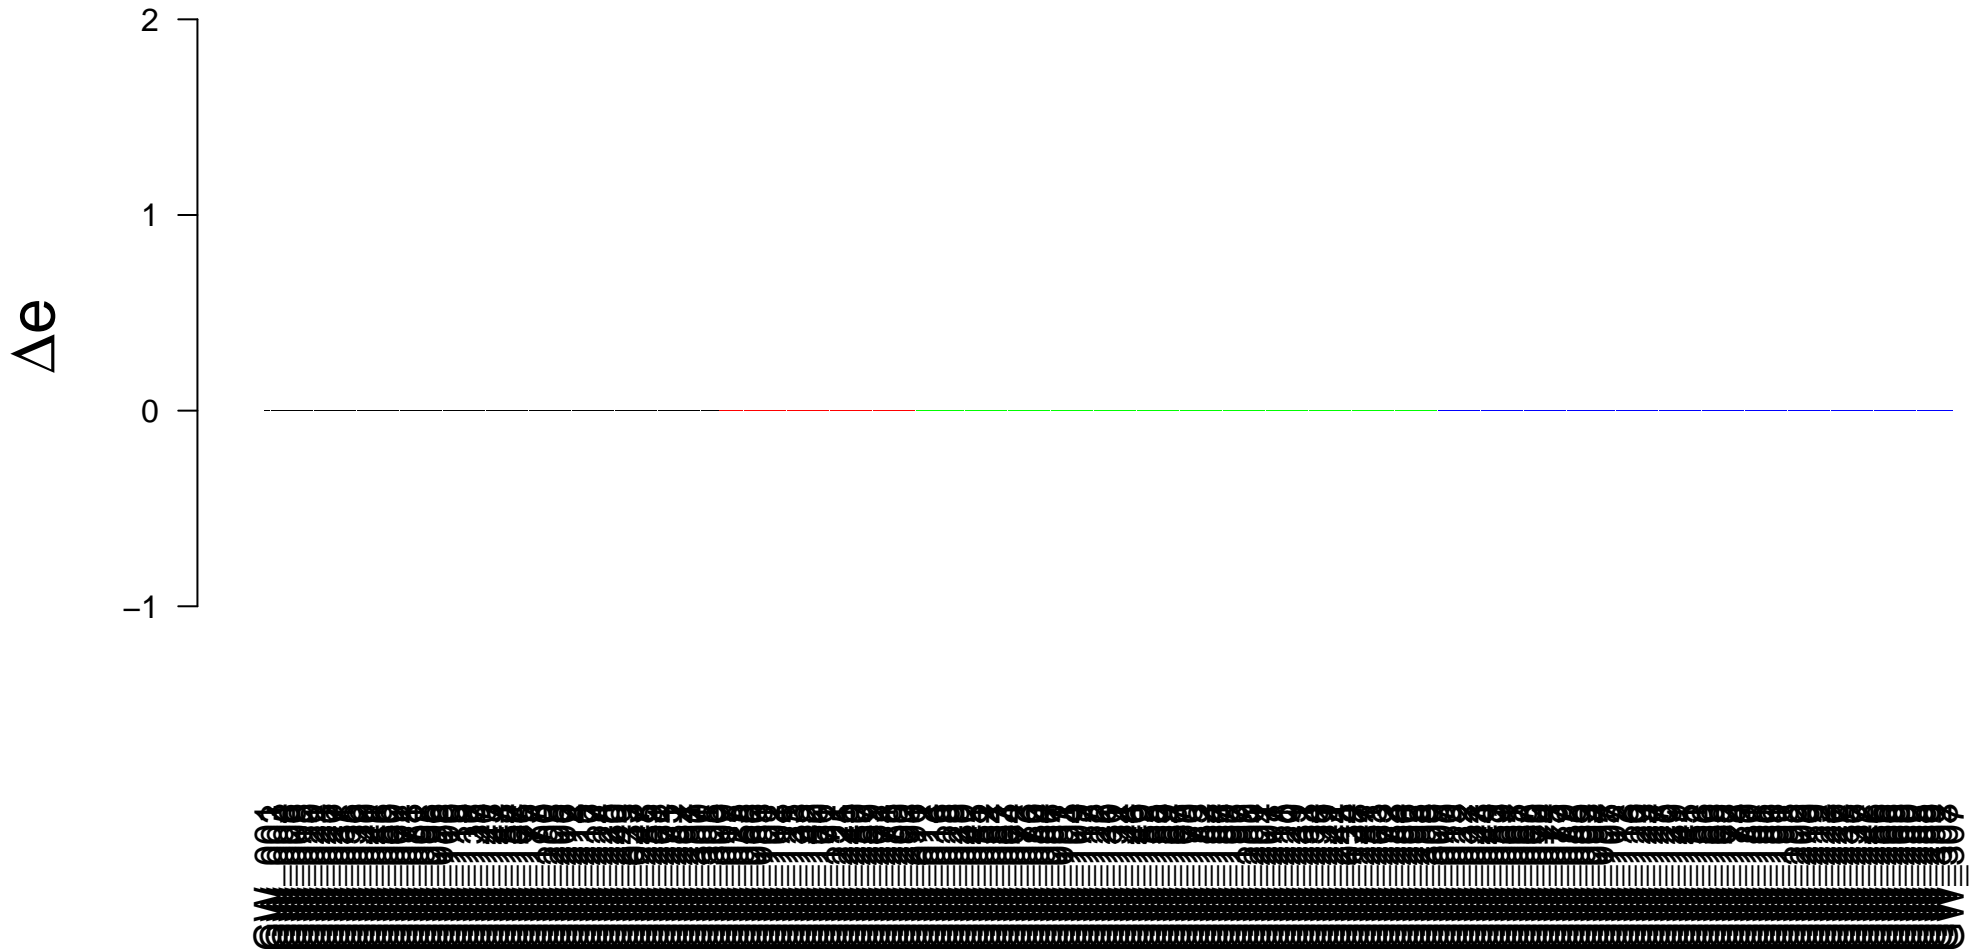

# Expression of leukotriene metabolic process in Spot I

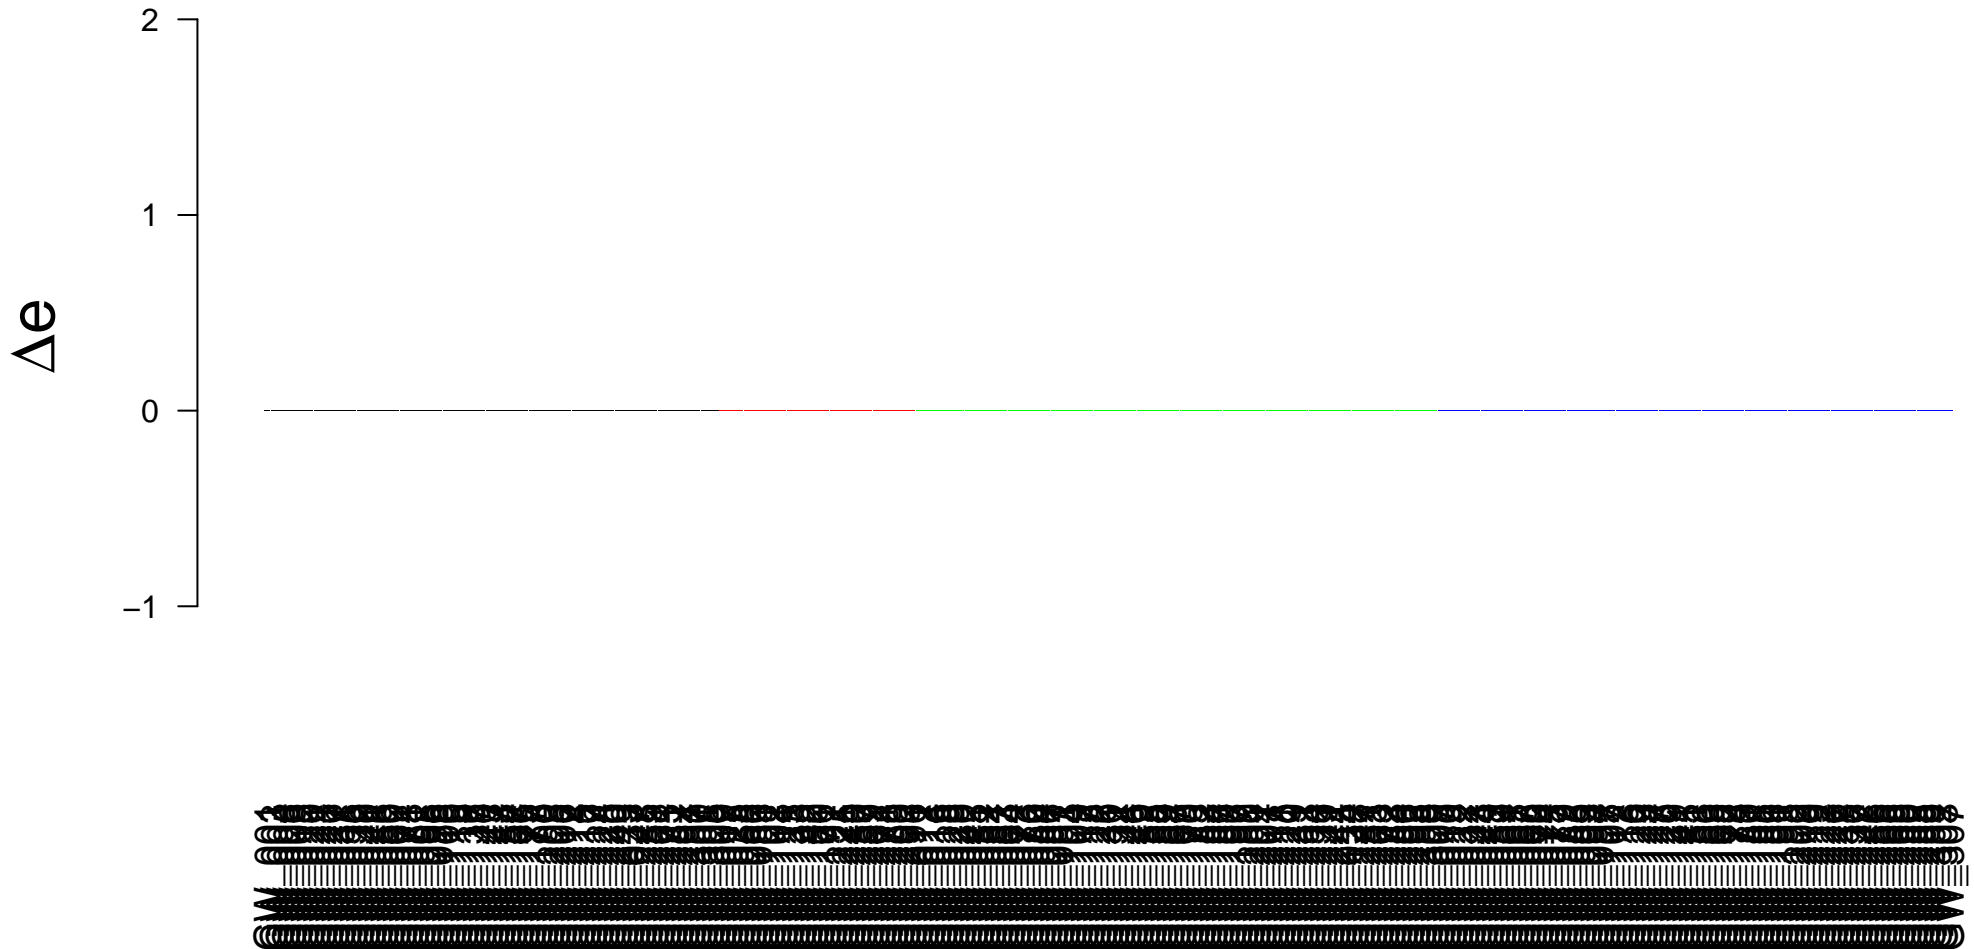

Expression of leukotriene metabolic process in Spot J

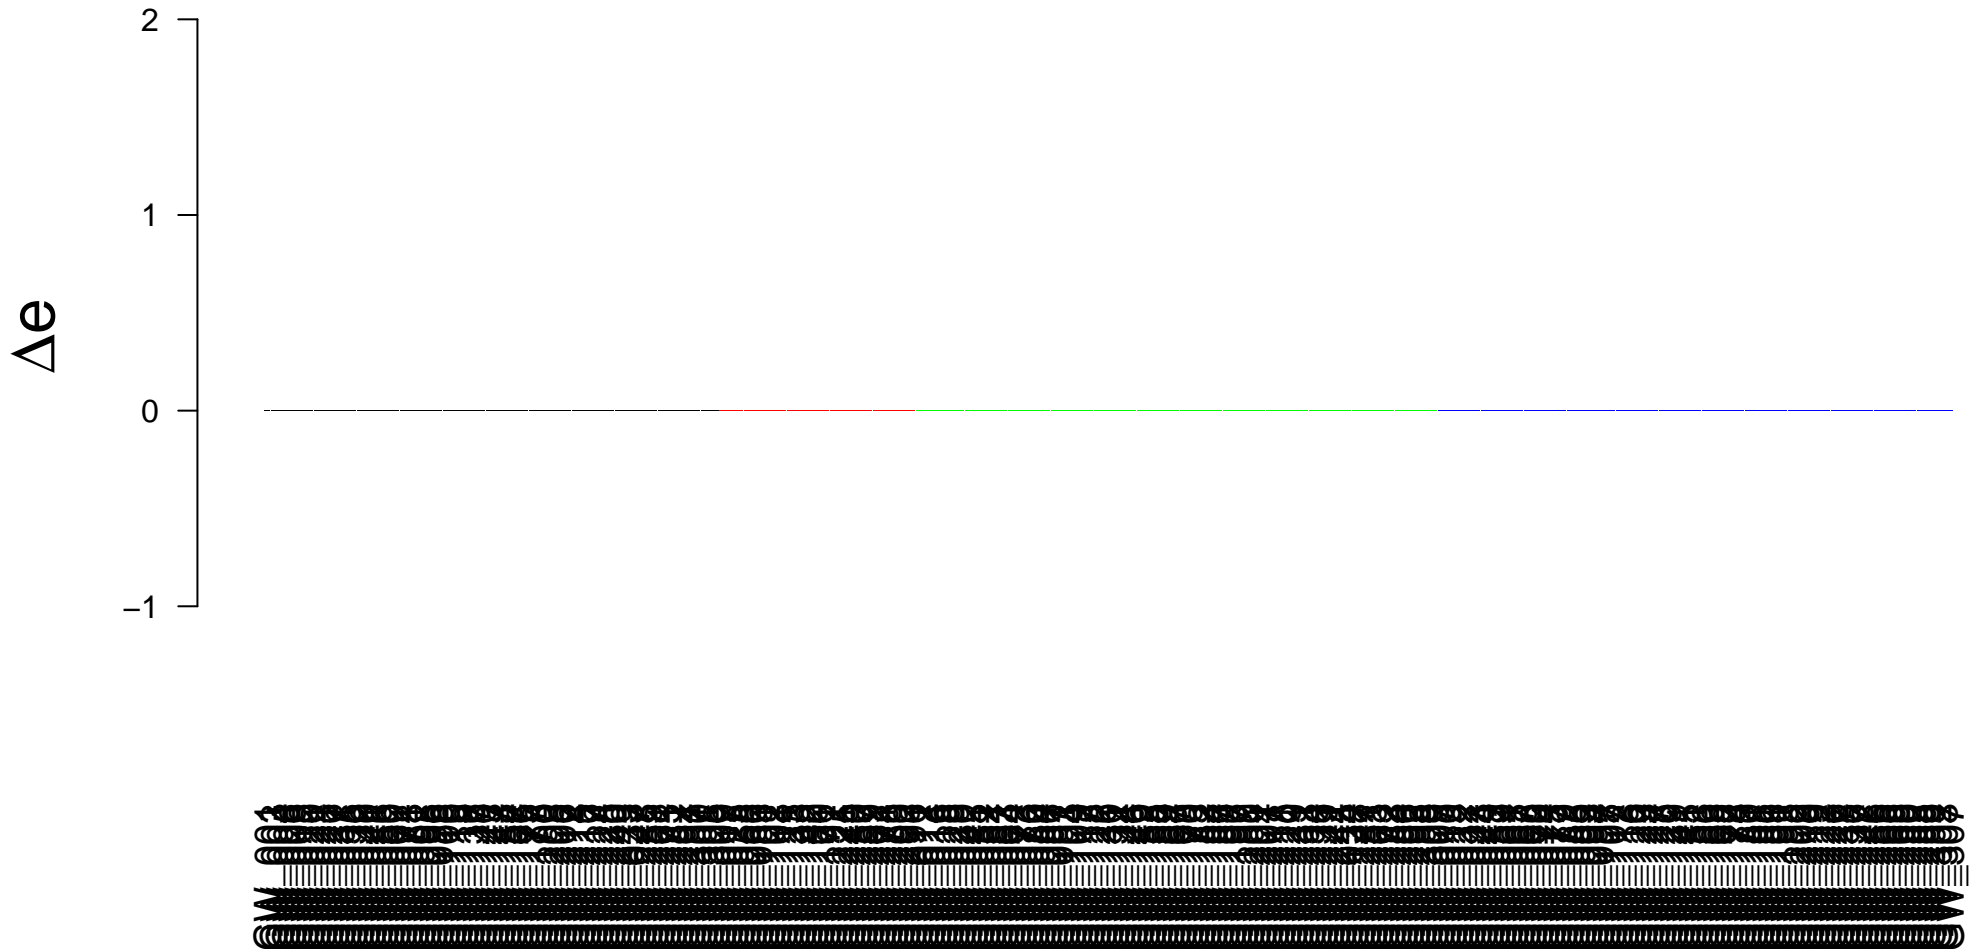

# Expression of leukotriene metabolic process in Spot K

# Expression of leukotriene metabolic process in Spot L

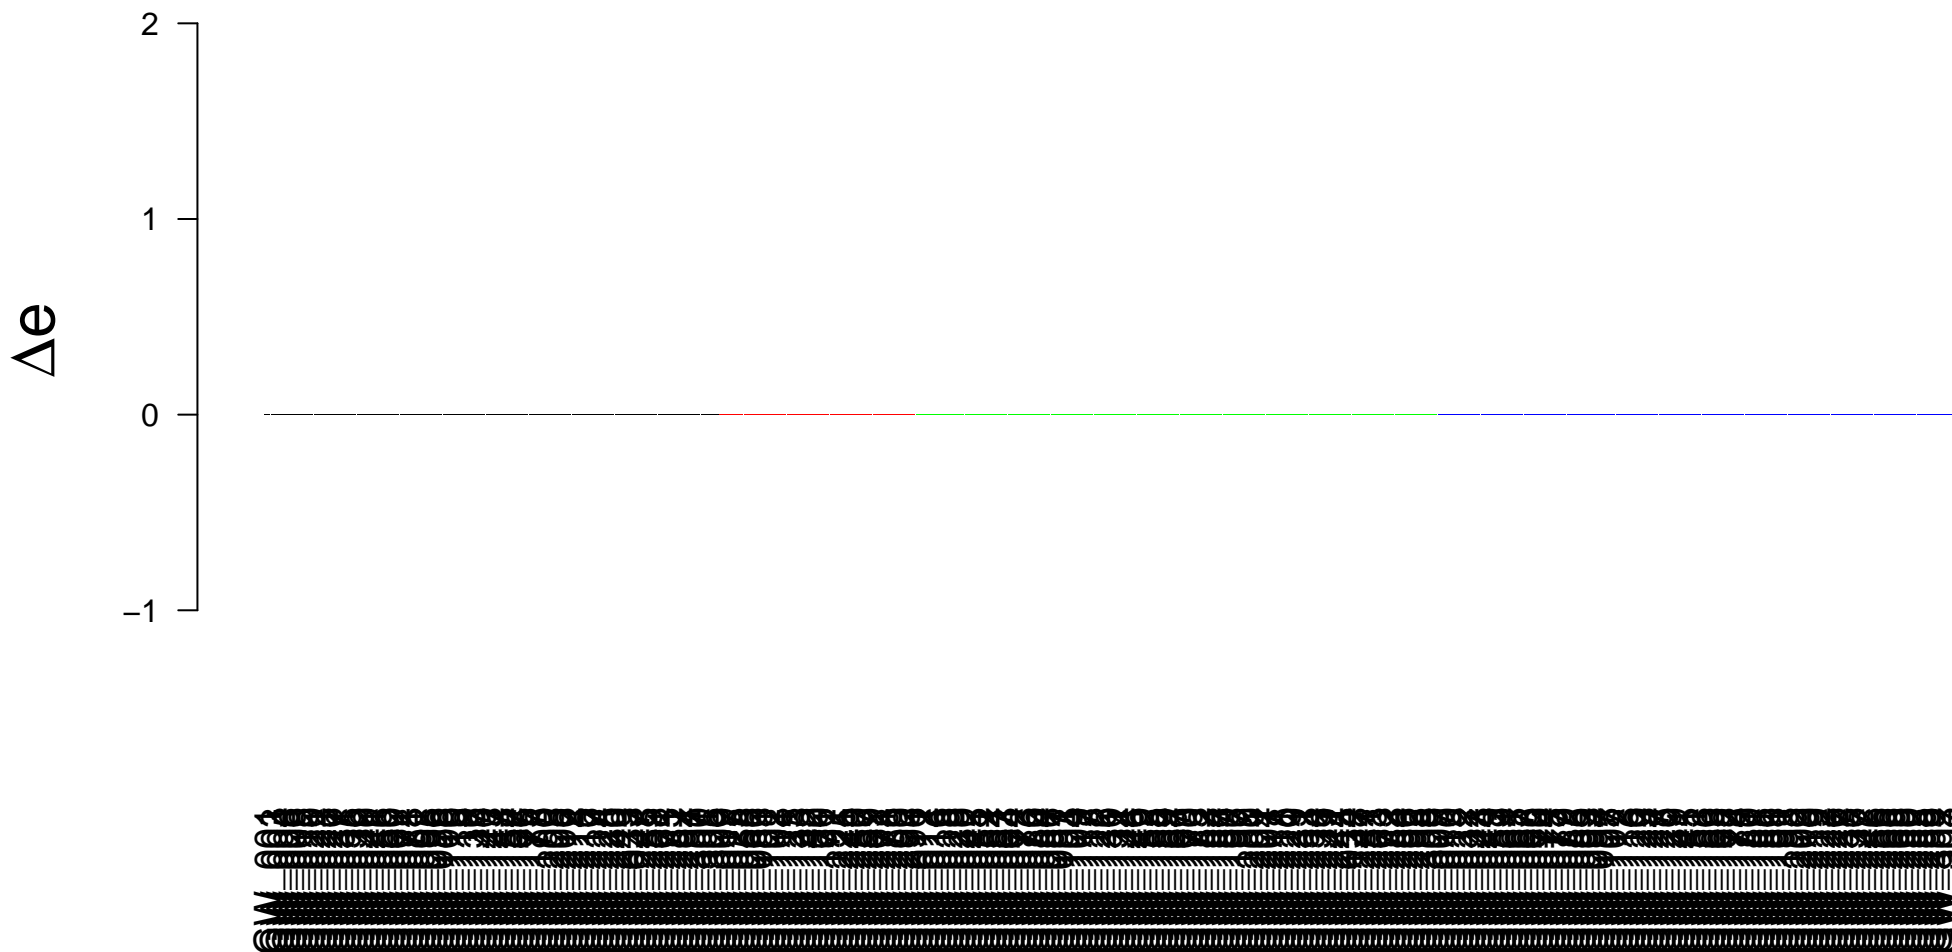

# Expression of leukotriene metabolic process in Spot M

# Expression of leukotriene metabolic process in Spot N

# Expression of leukotriene metabolic process in Spot O
