

### lipid biosynthetic process

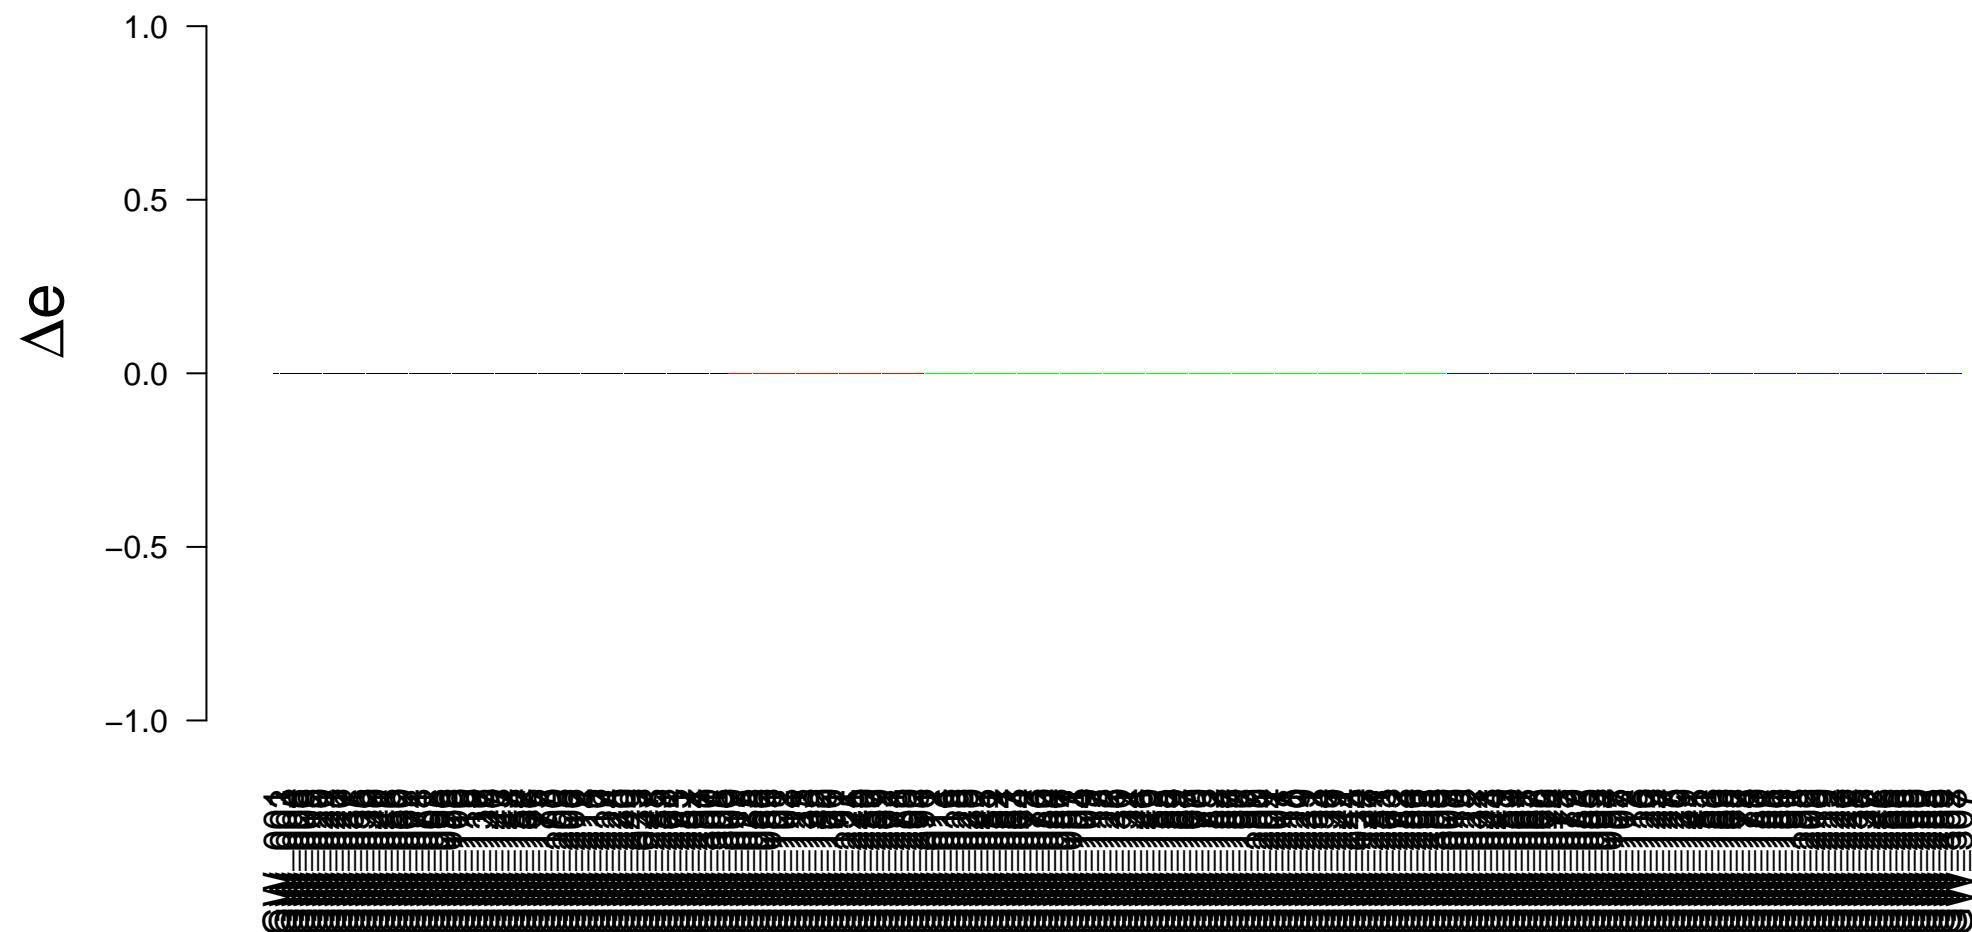

### lipid biosynthetic process

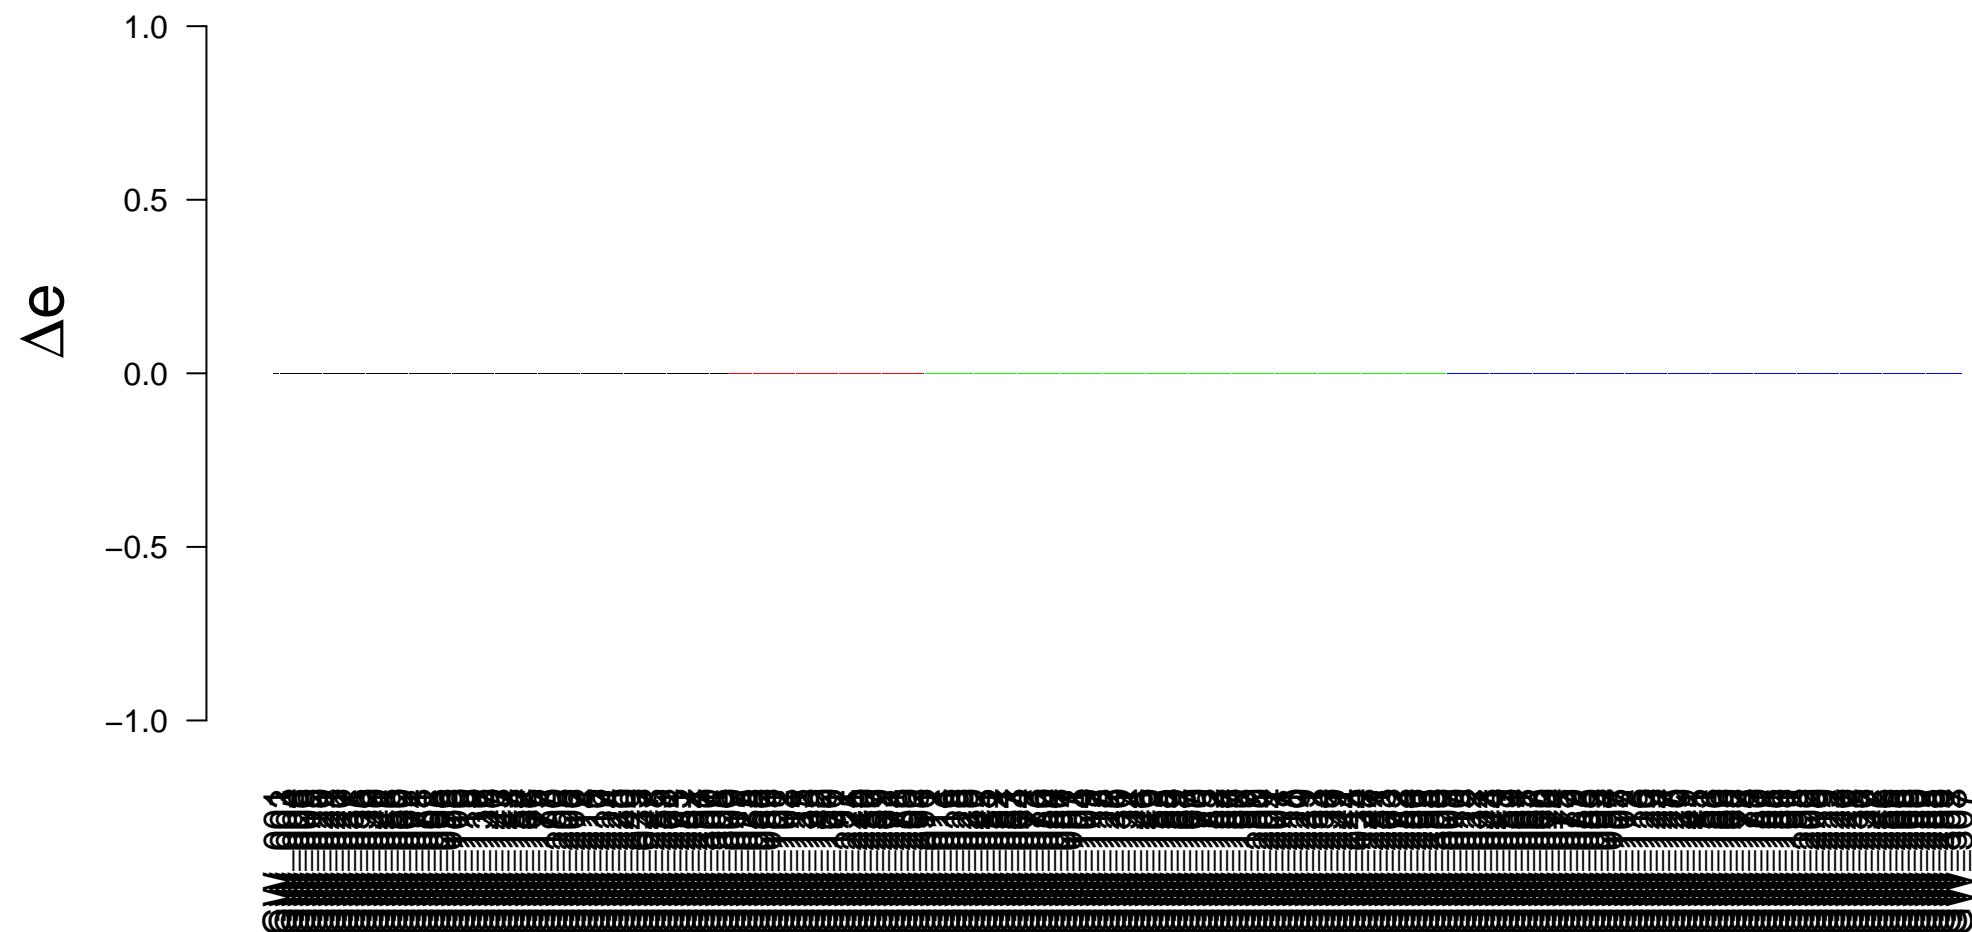

### Enrichment in spots: lipid biosynthetic process

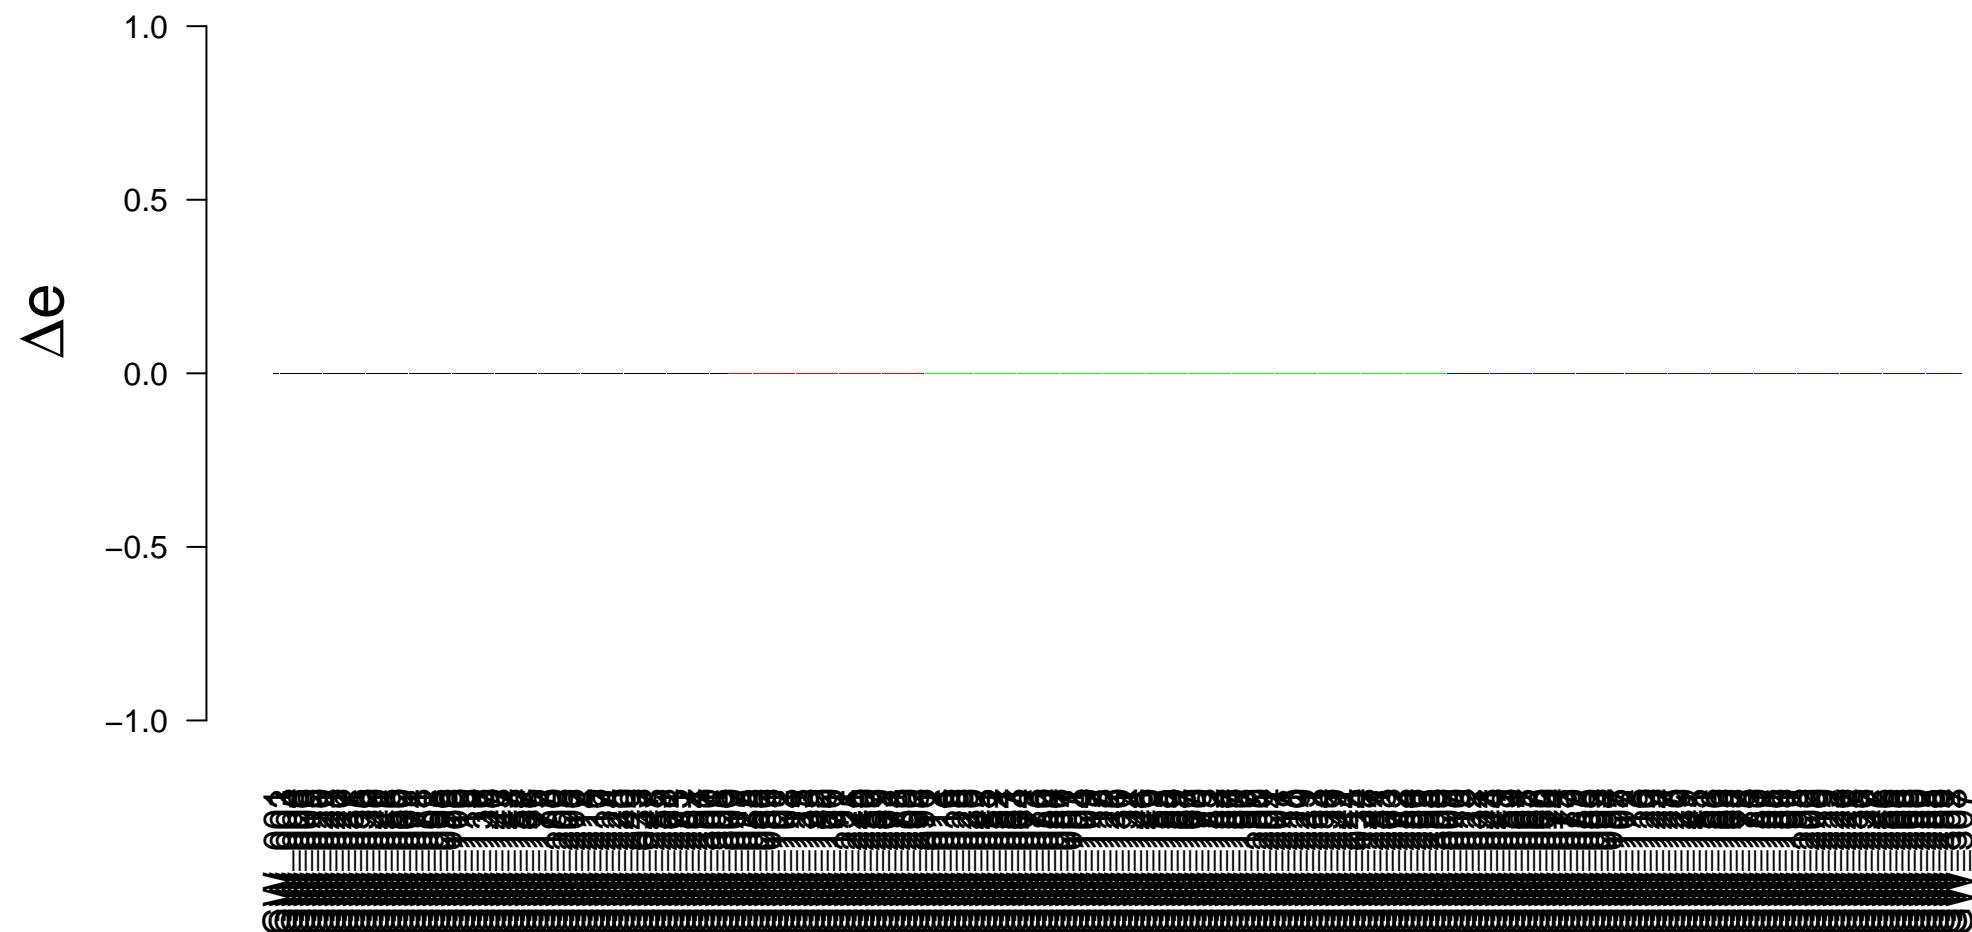

### Expression of lipid biosynthetic process in Spot A

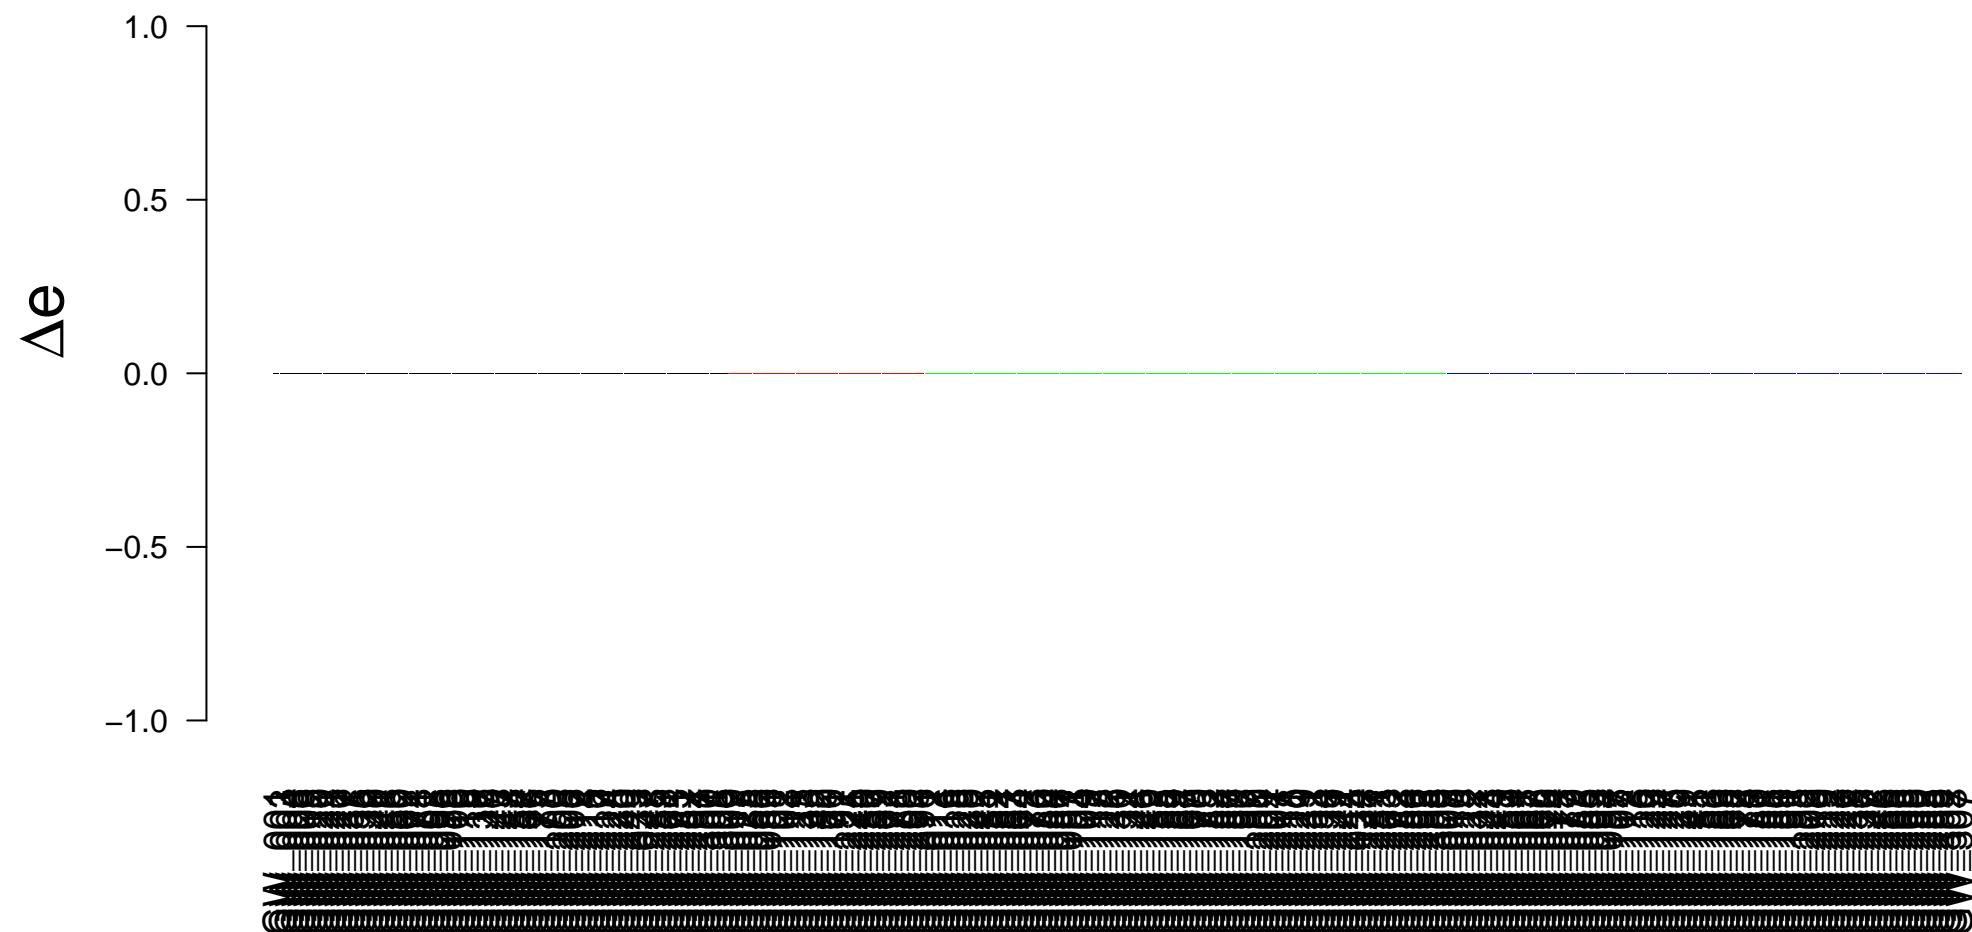

### Expression of lipid biosynthetic process in Spot B

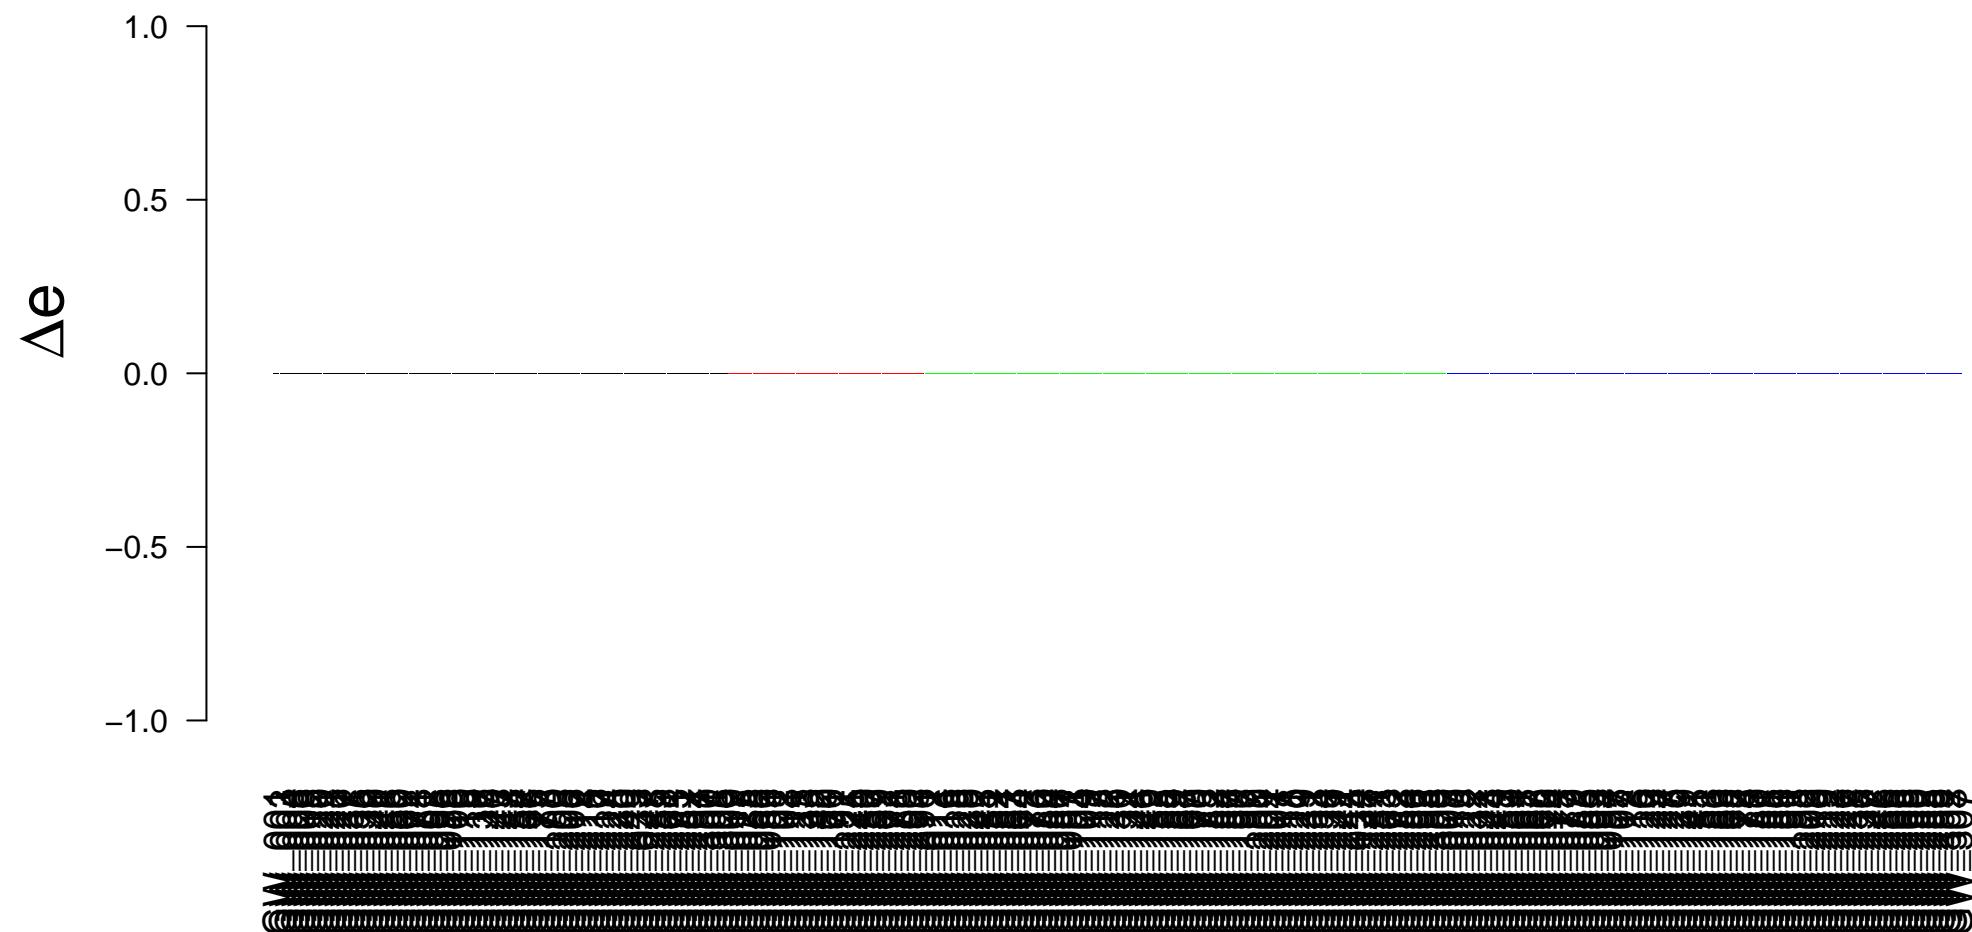

### Expression of lipid biosynthetic process in Spot C

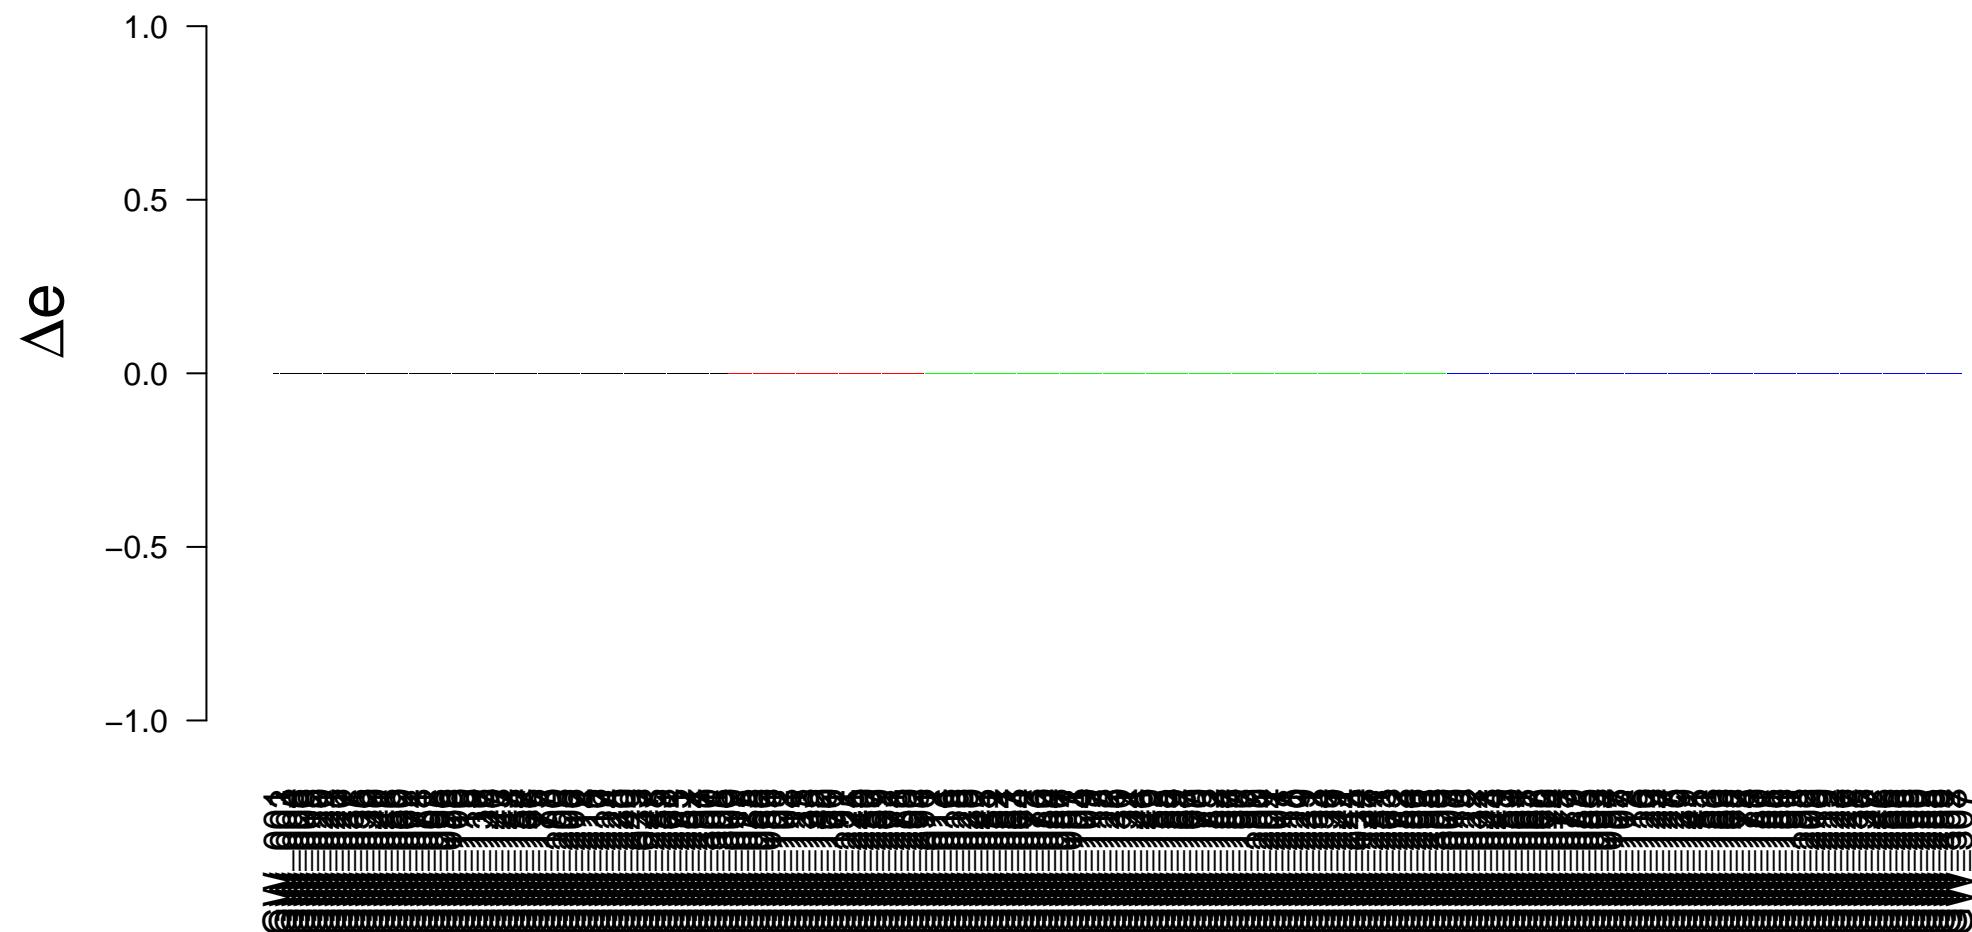

### Expression of lipid biosynthetic process in Spot D

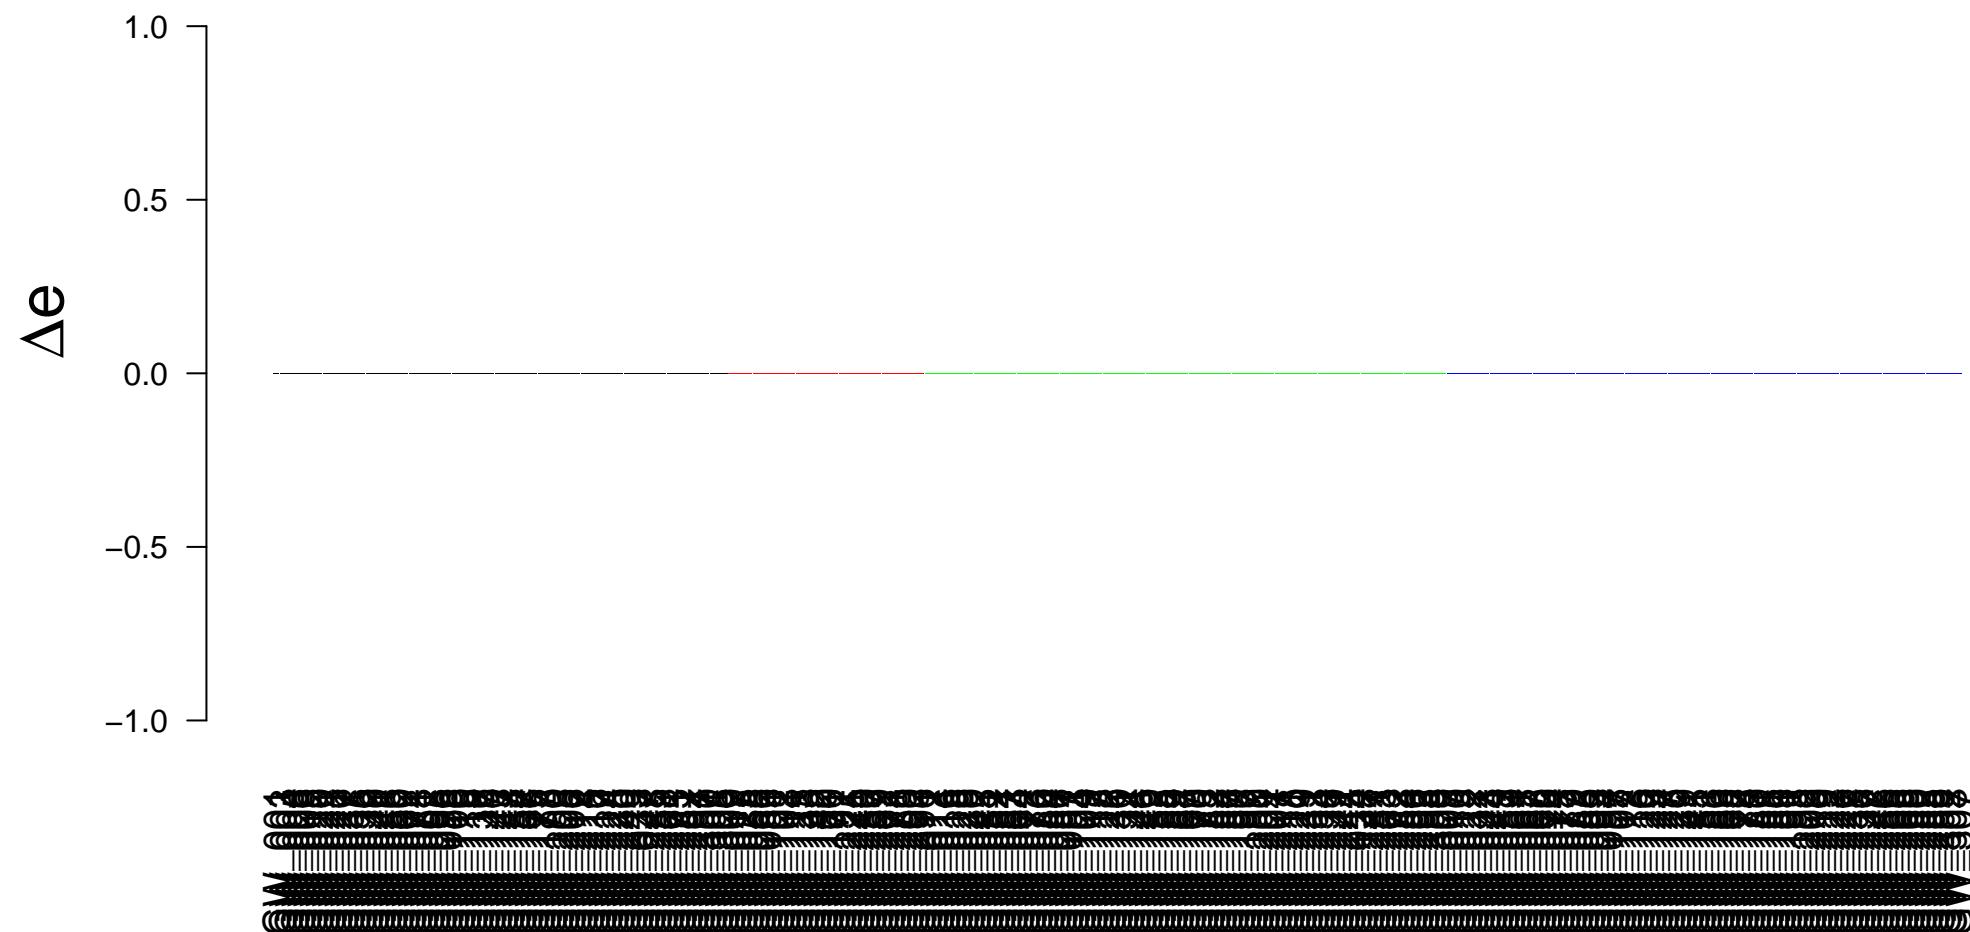

### Expression of lipid biosynthetic process in Spot E

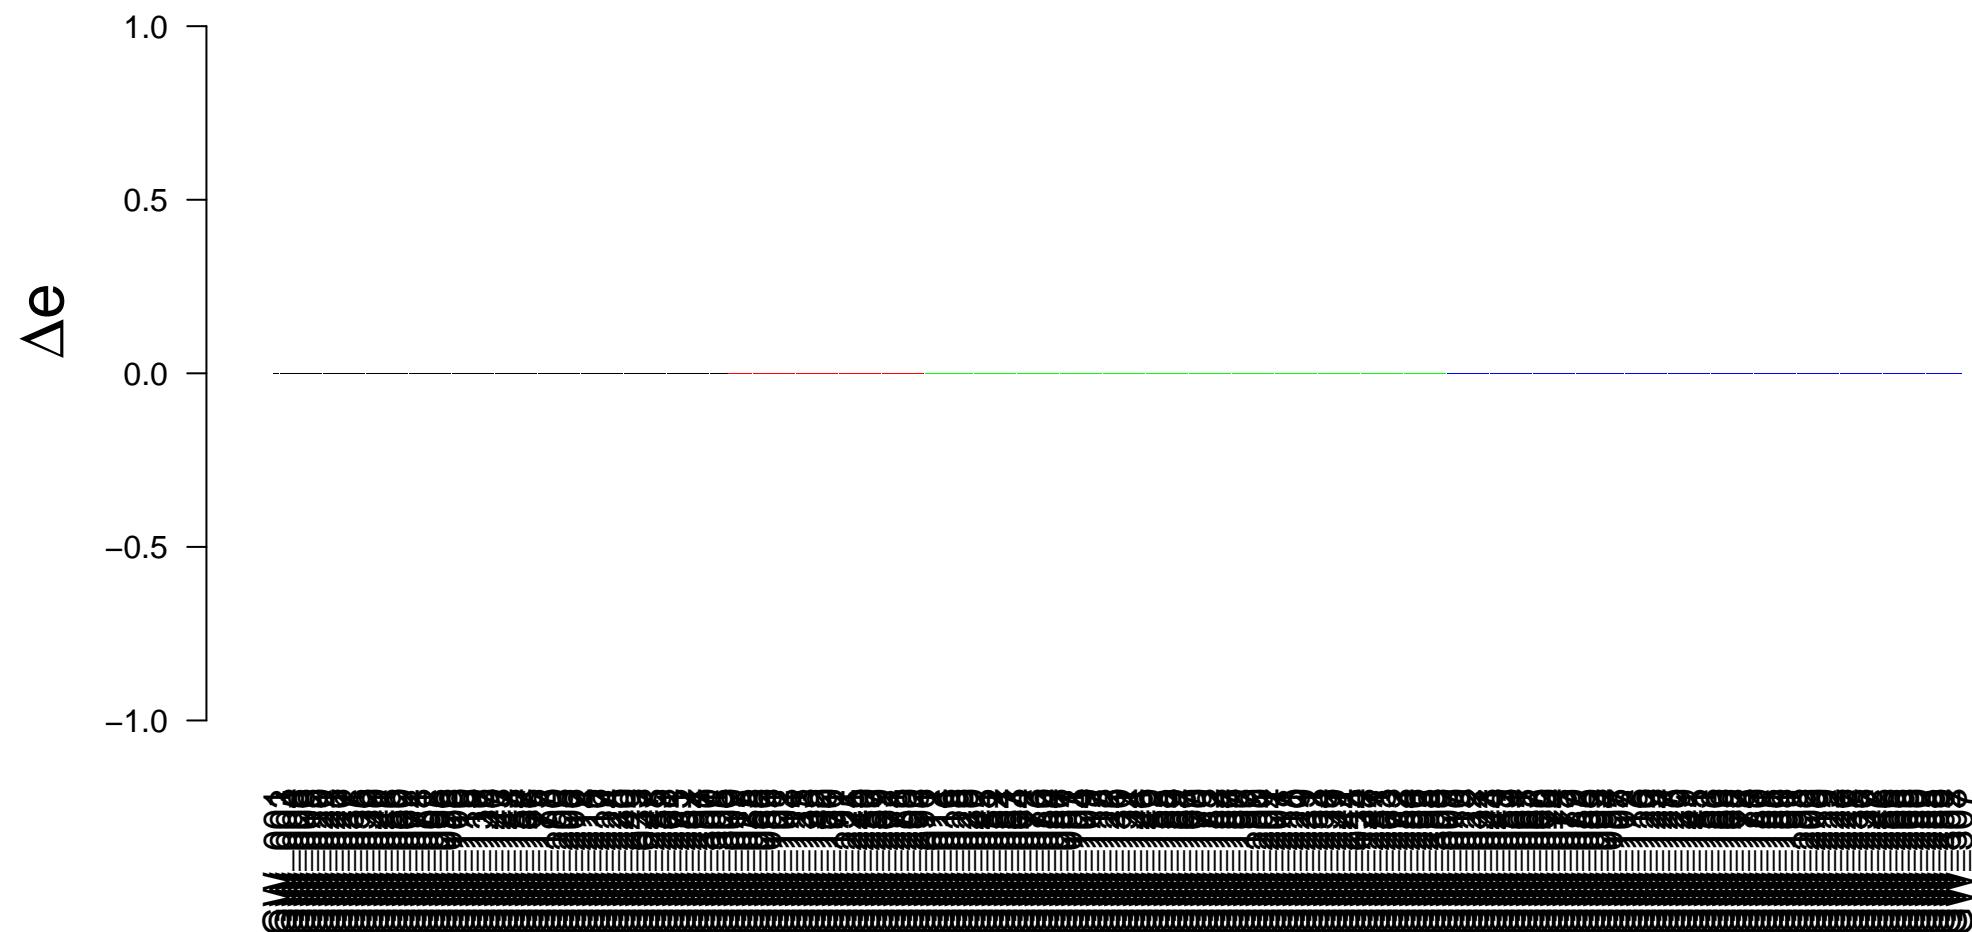

### Expression of lipid biosynthetic process in Spot F

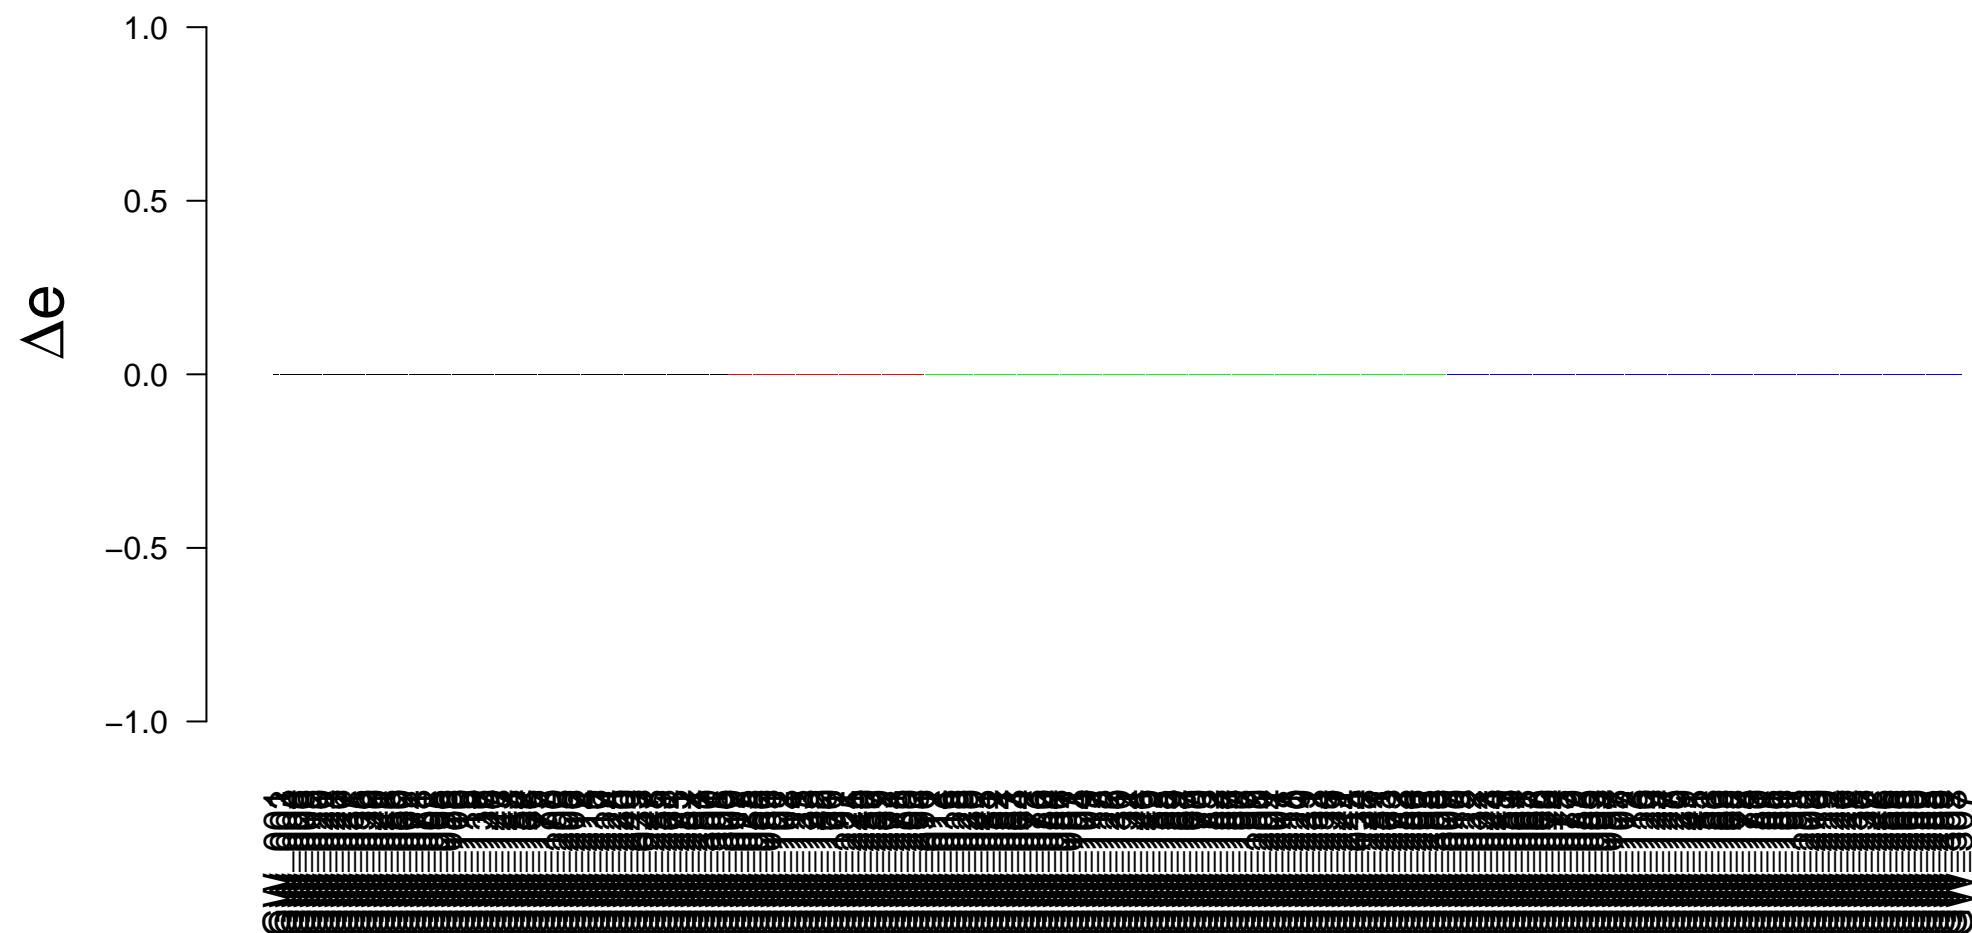

### Expression of lipid biosynthetic process in Spot G

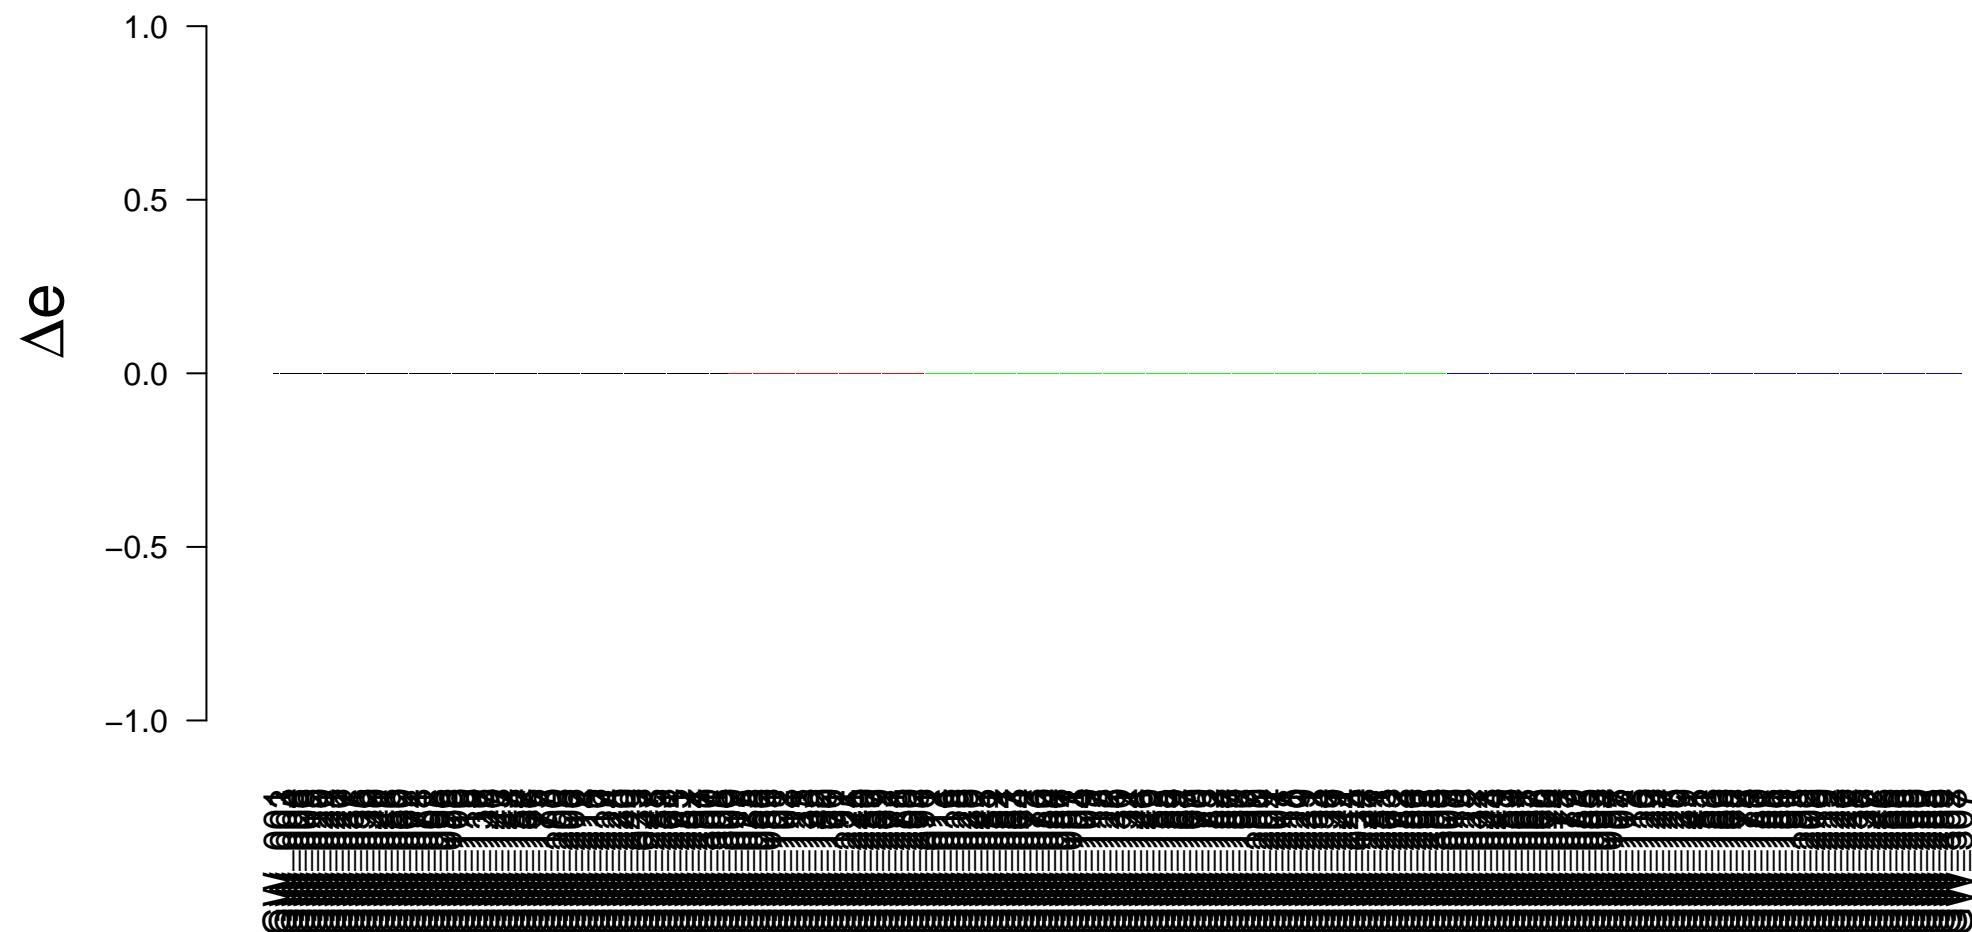

### Expression of lipid biosynthetic process in Spot H

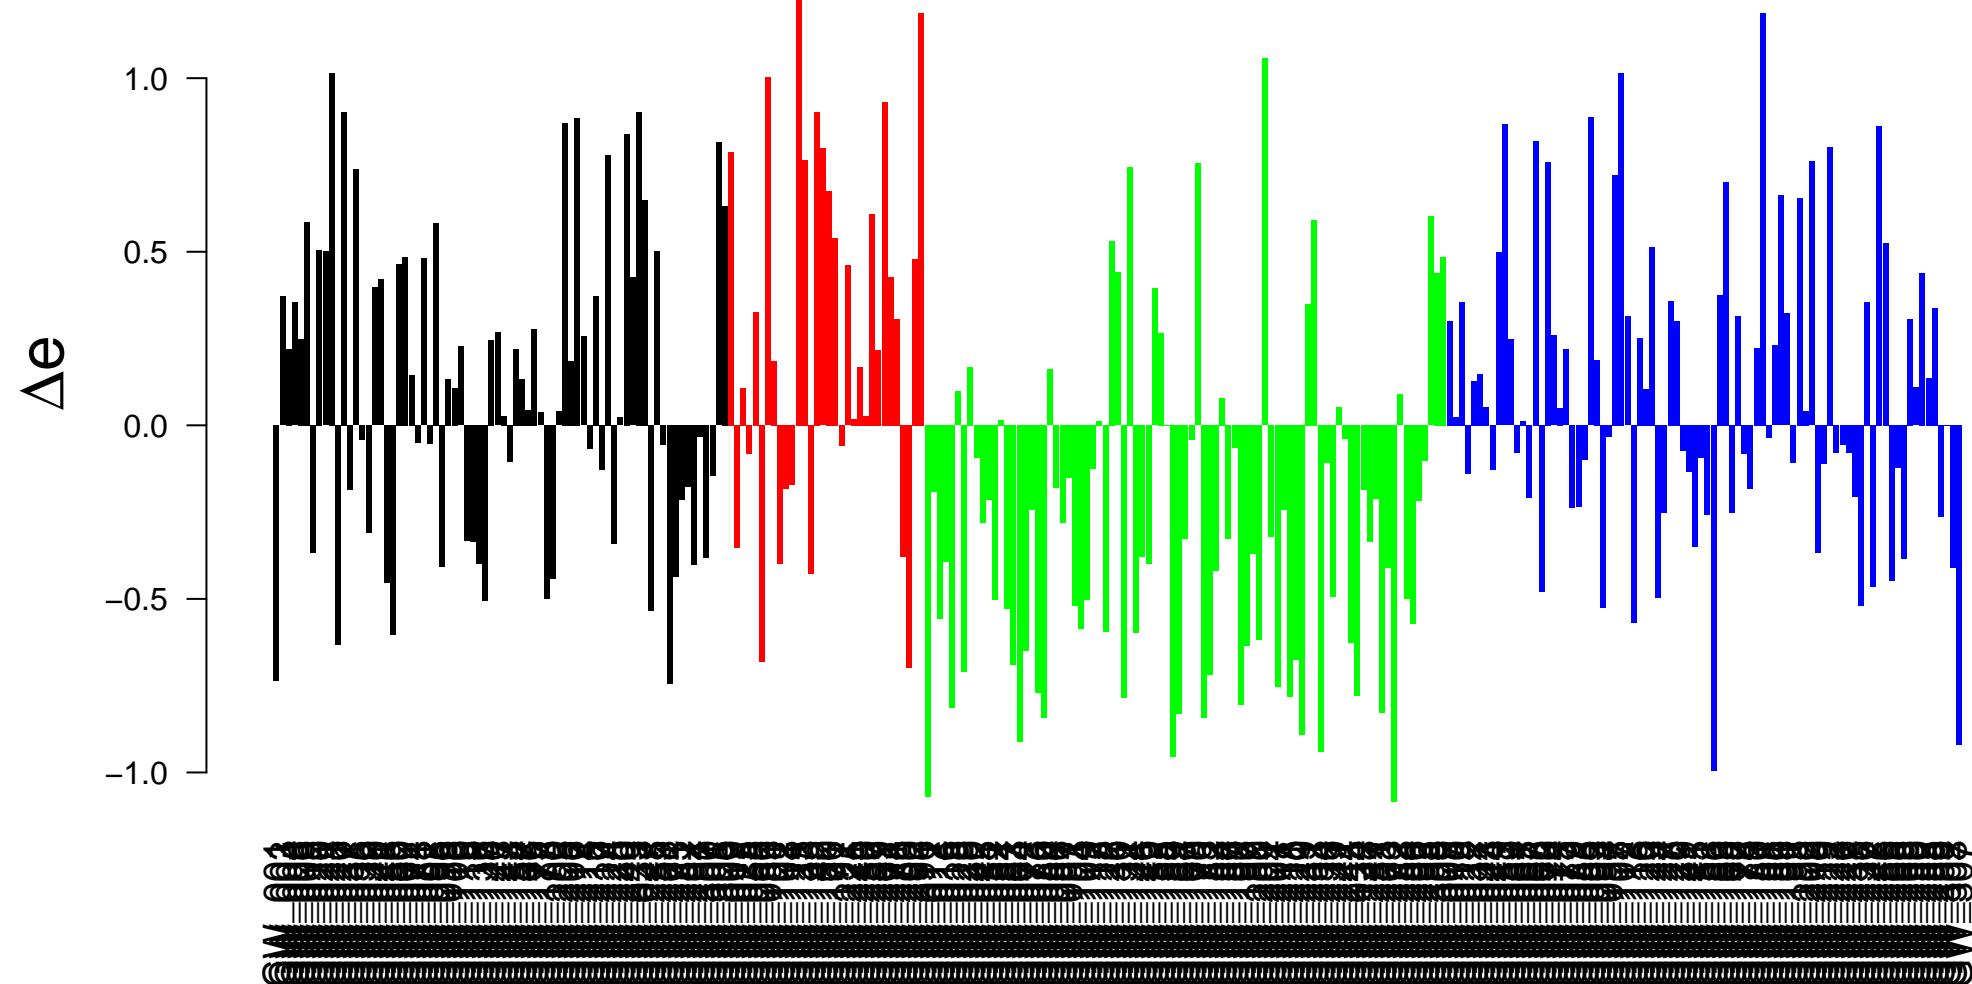

## Expression of lipid biosynthetic process in Spot I

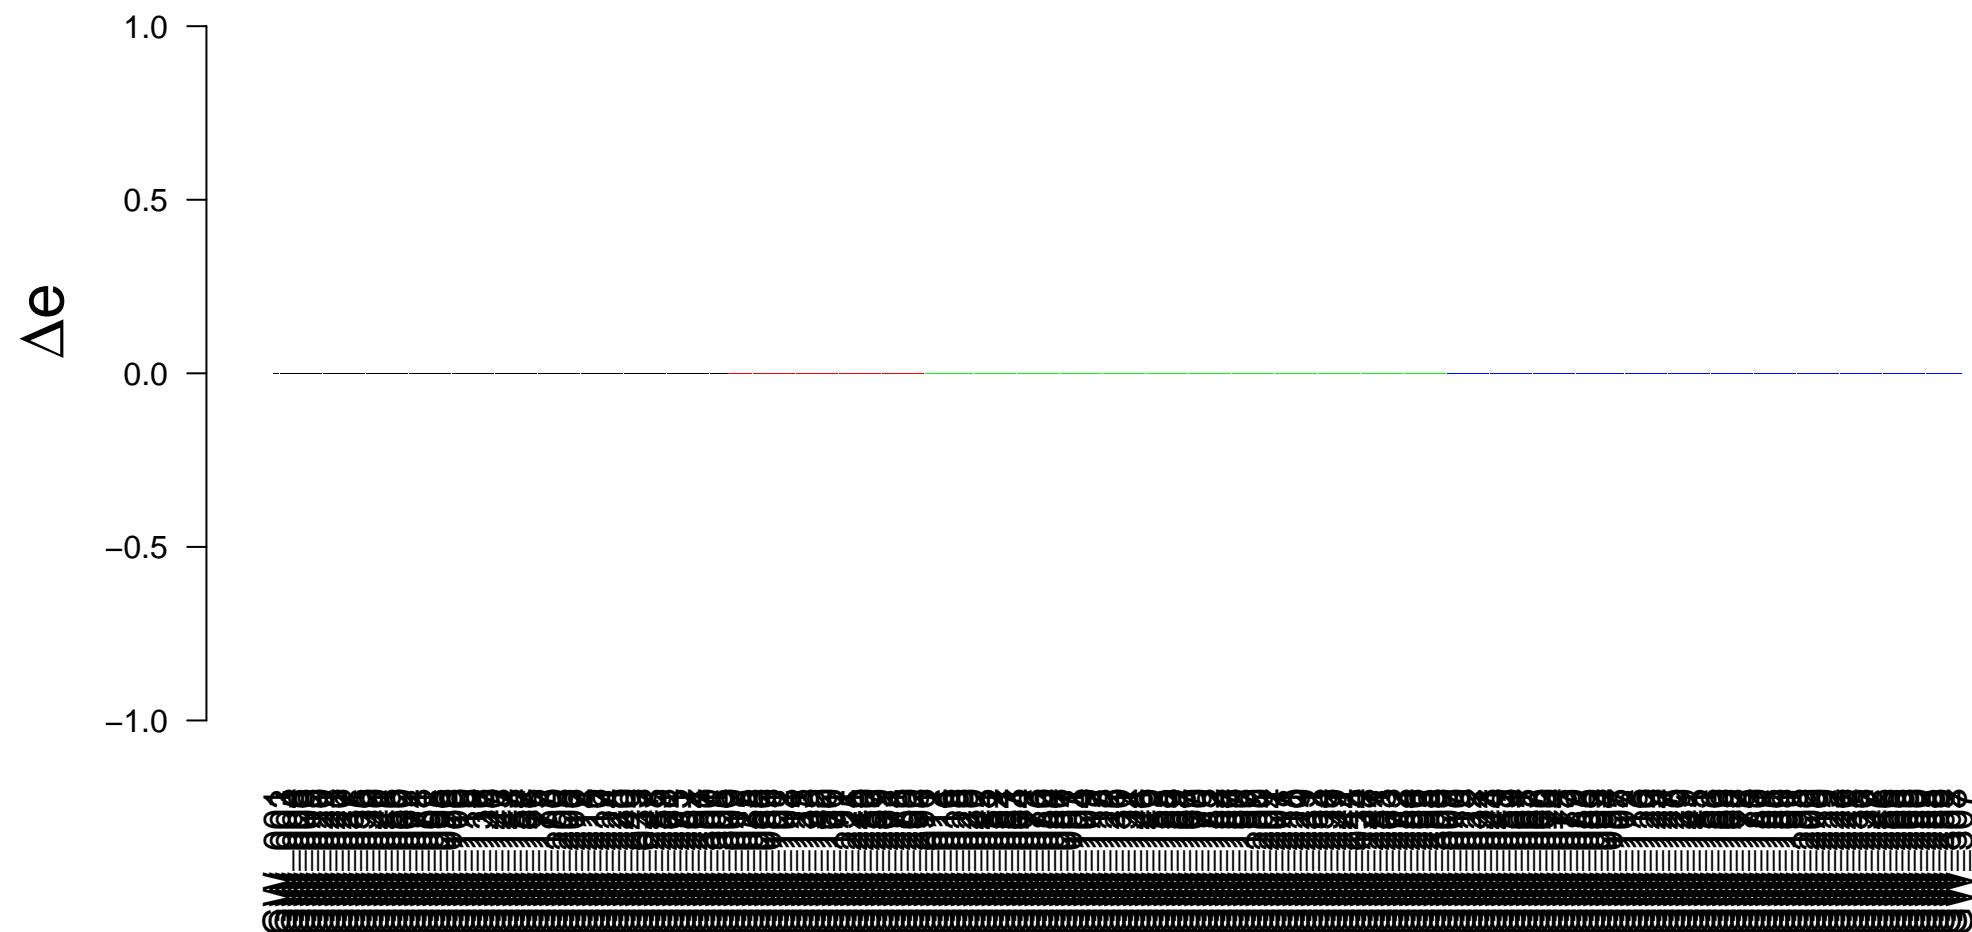

### Expression of lipid biosynthetic process in Spot J

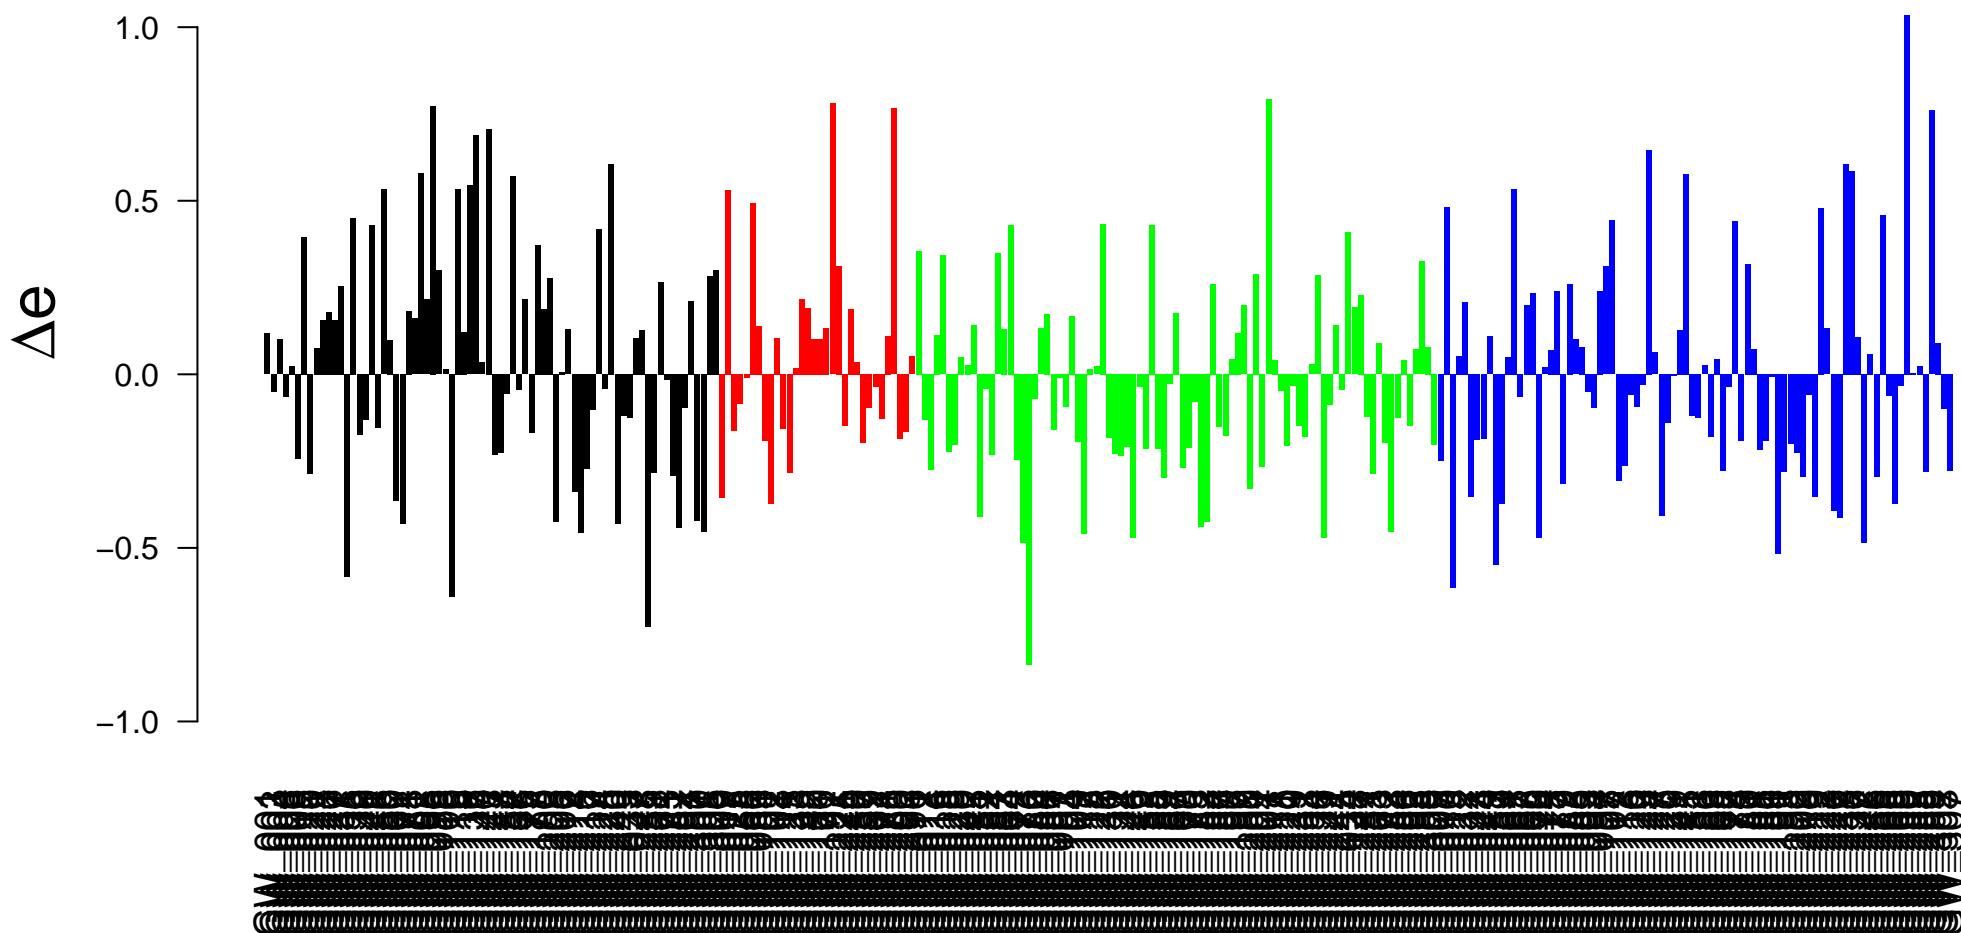

### Expression of lipid biosynthetic process in Spot K

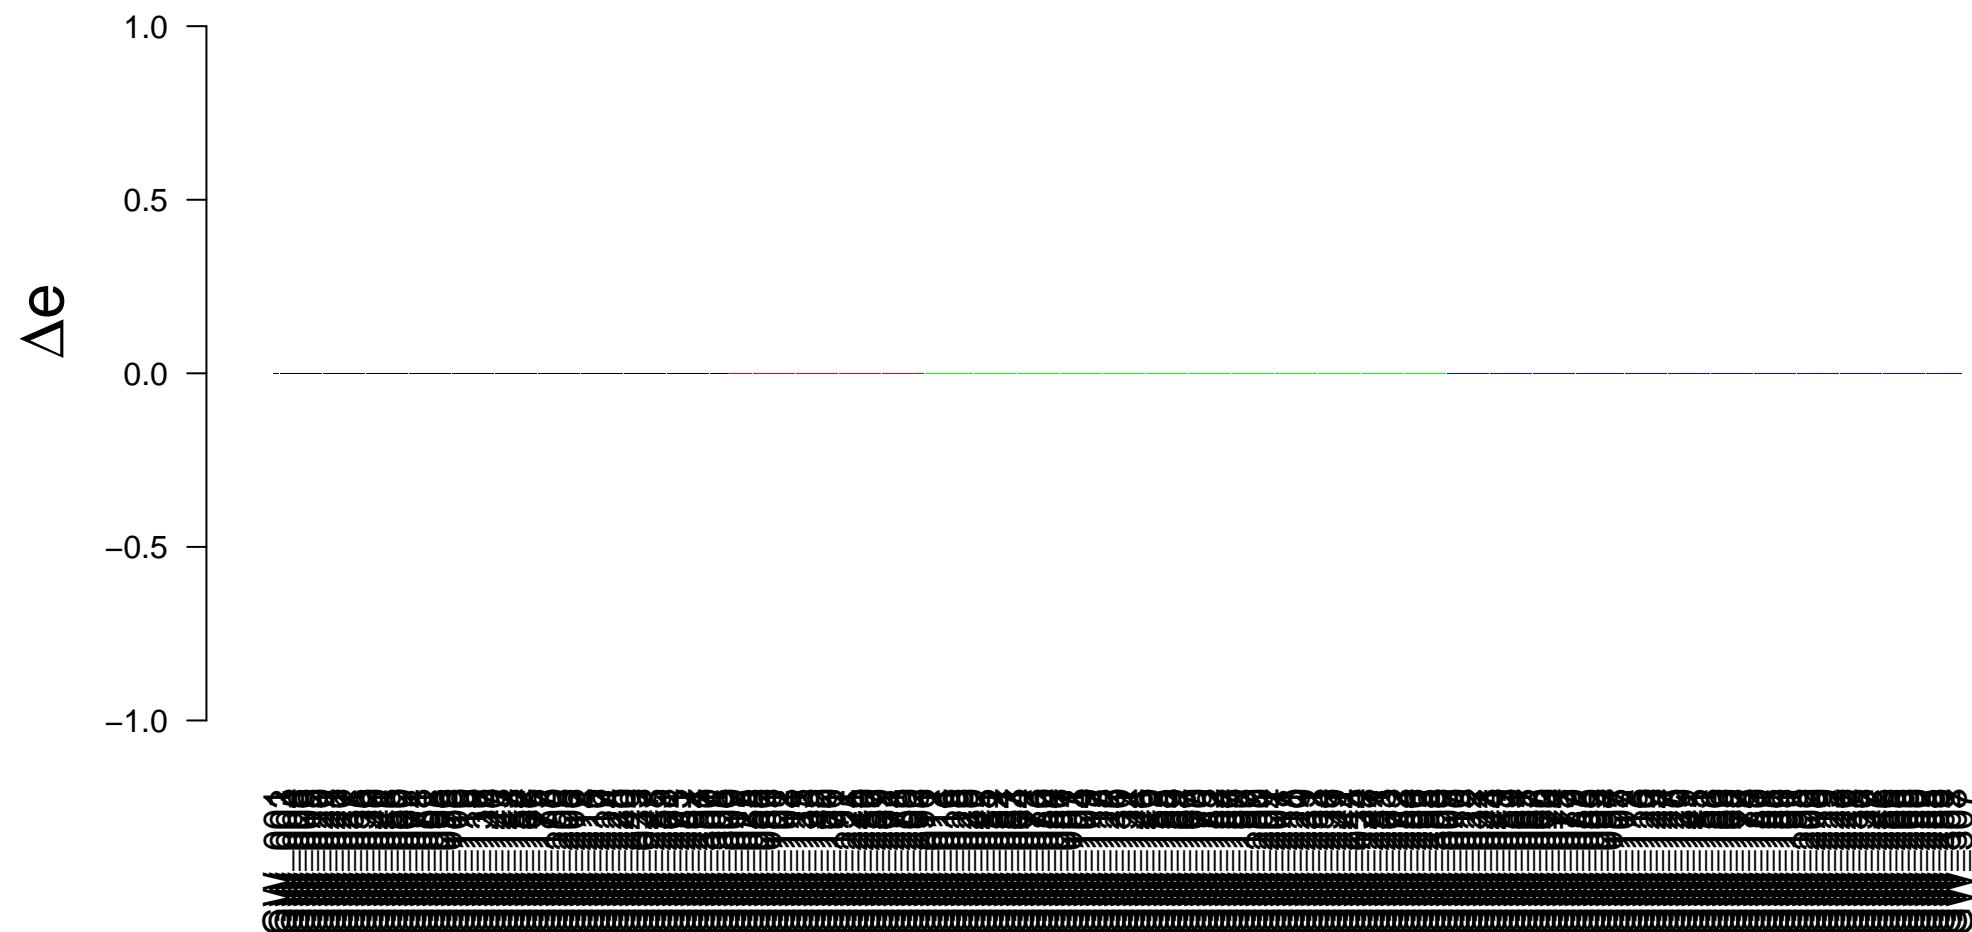

### Expression of lipid biosynthetic process in Spot L

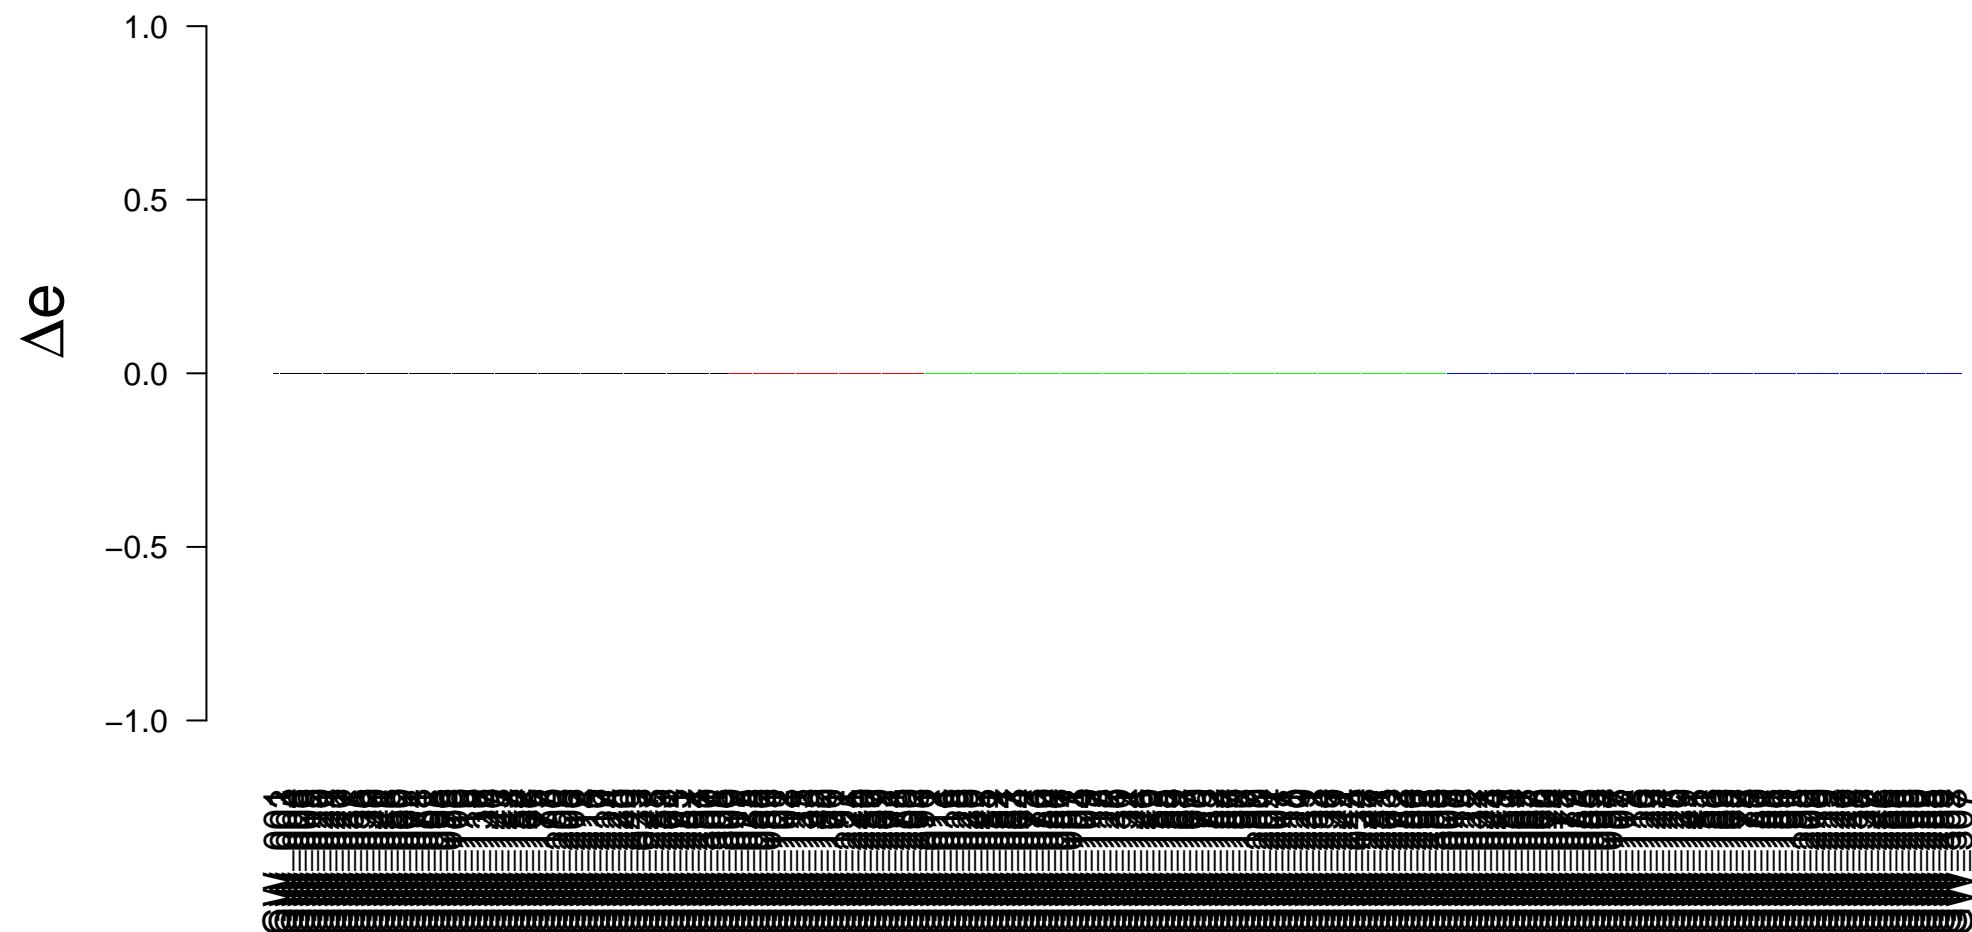

## Expression of lipid biosynthetic process in Spot M

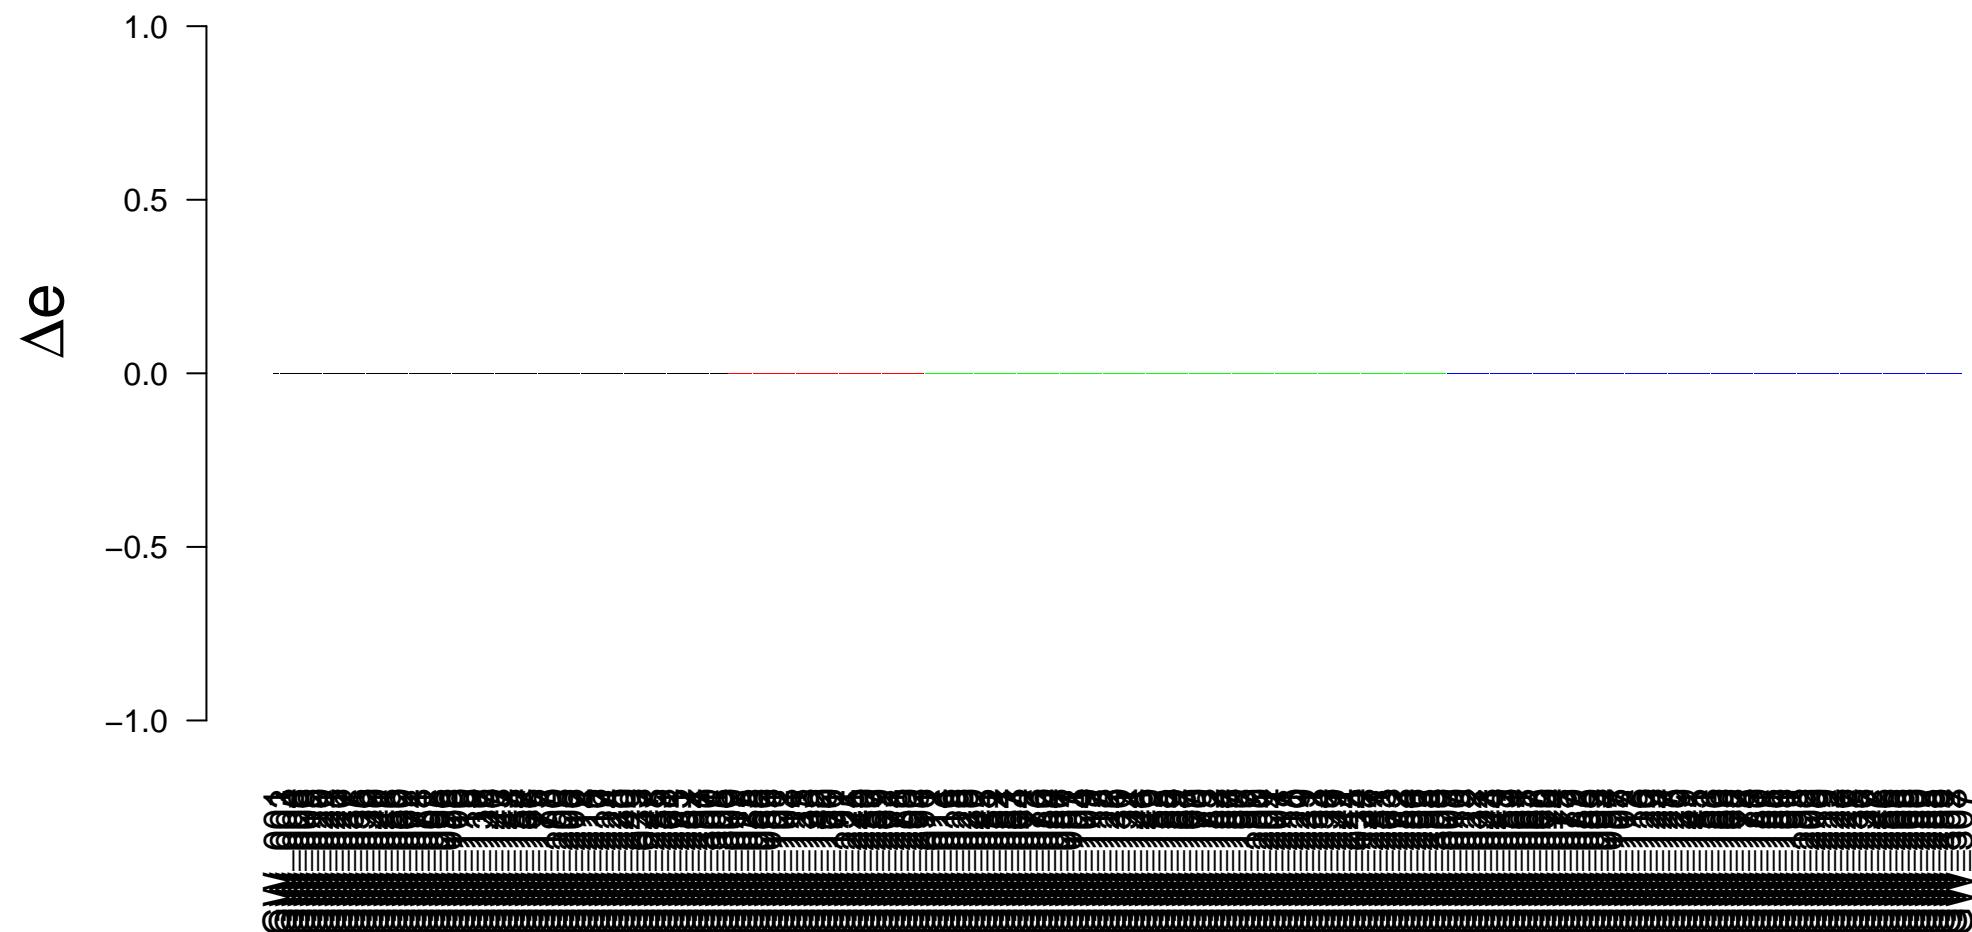

### Expression of lipid biosynthetic process in Spot N

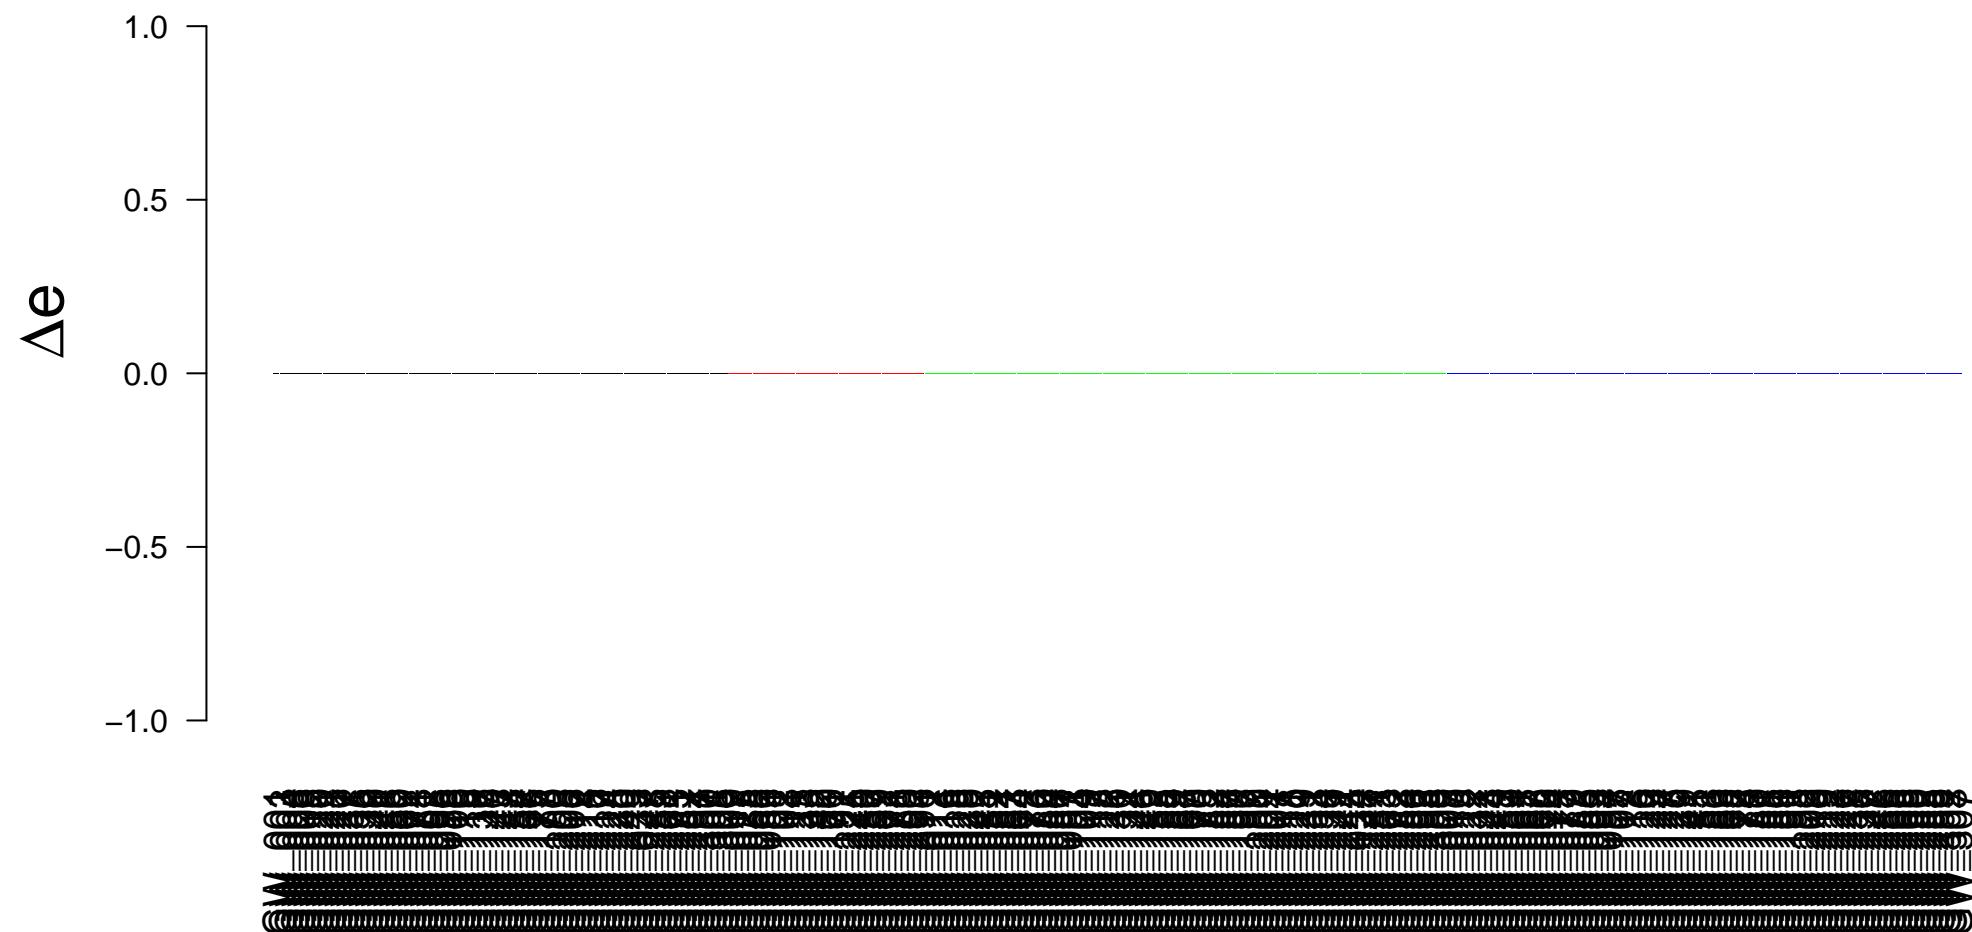

### Expression of lipid biosynthetic process in Spot O

### Expression of lipid biosynthetic process in Spot P

### Expression of lipid biosynthetic process in Spot Q

## Expression of lipid biosynthetic process in Spot R
