Enrichment in spots: lipid particle

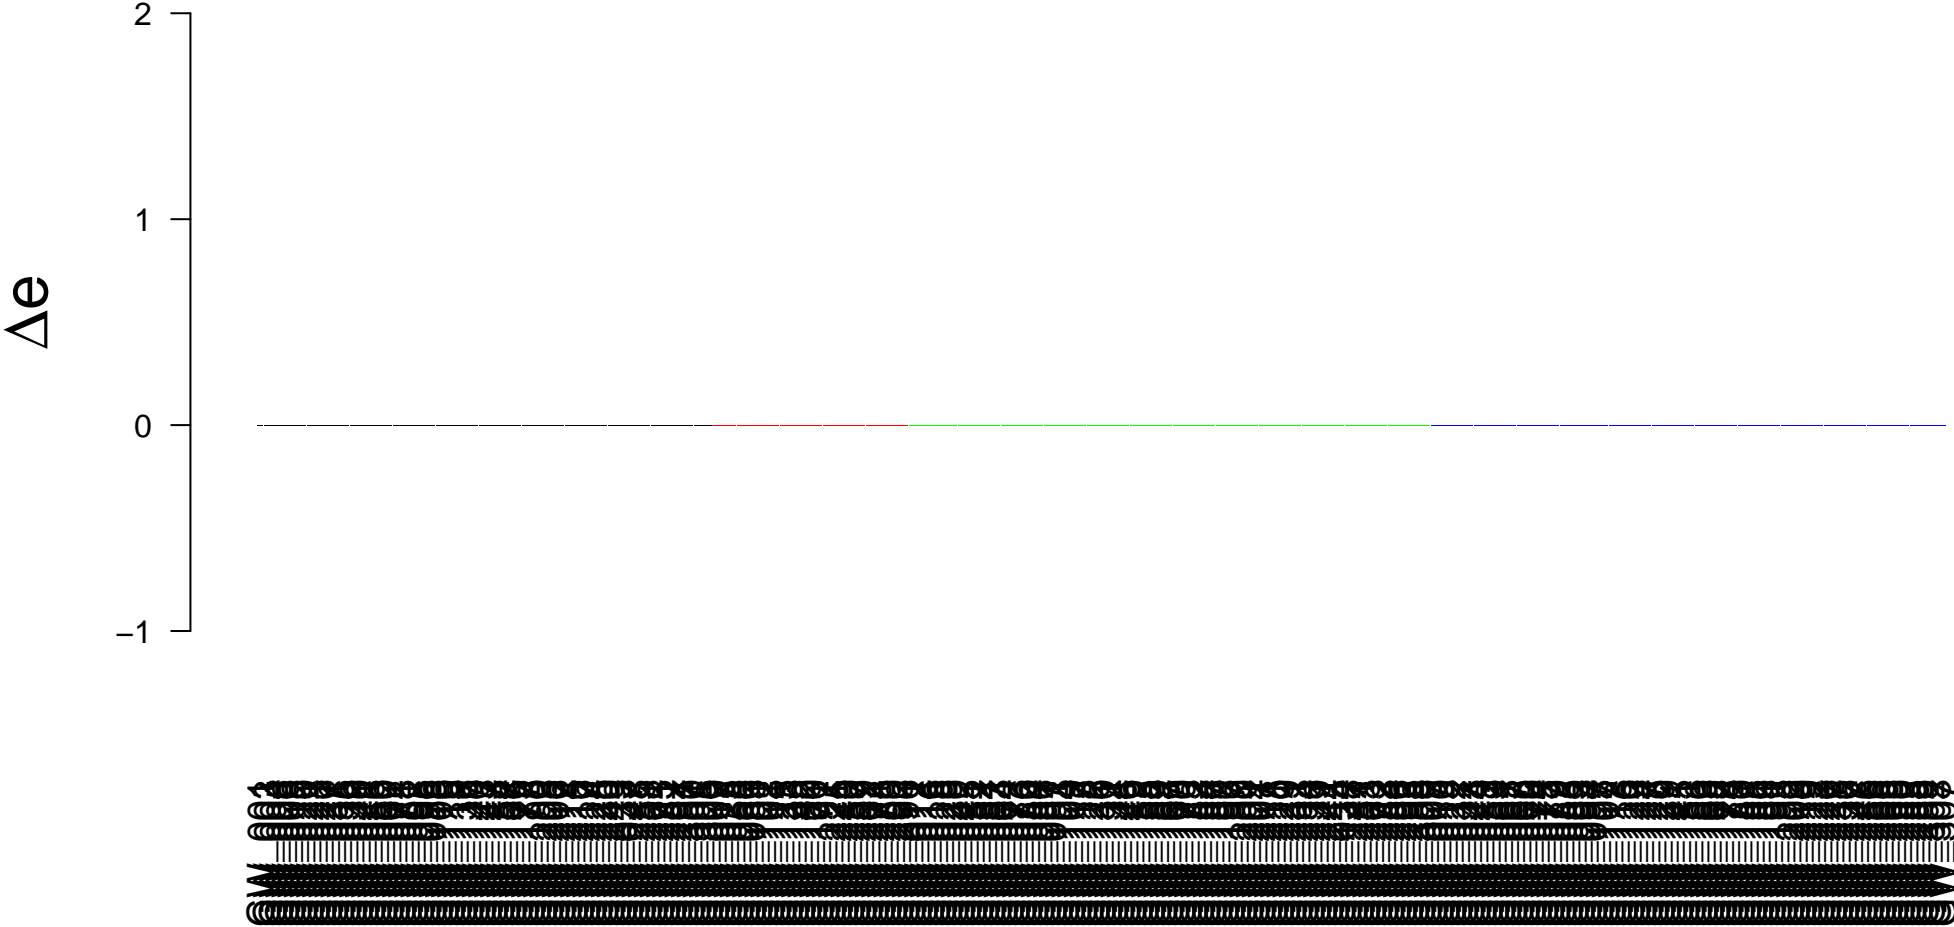

Expression of lipid particle in Spot A

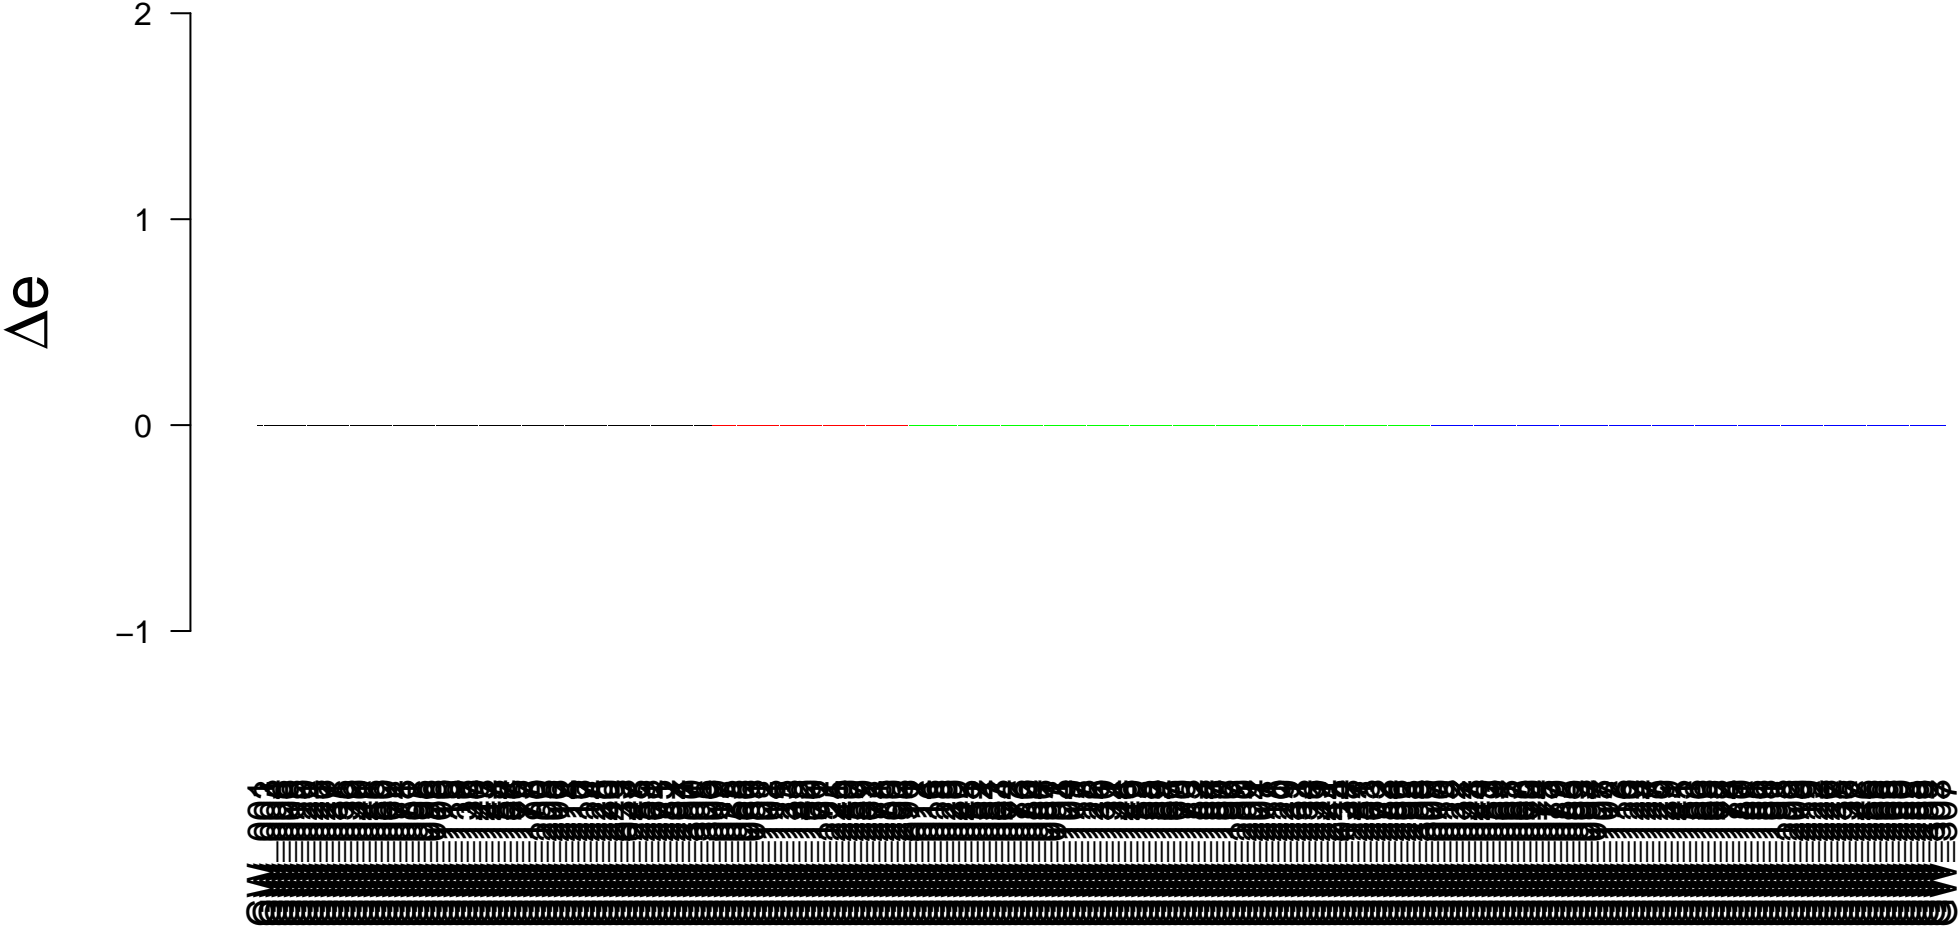

Expression of lipid particle in Spot B

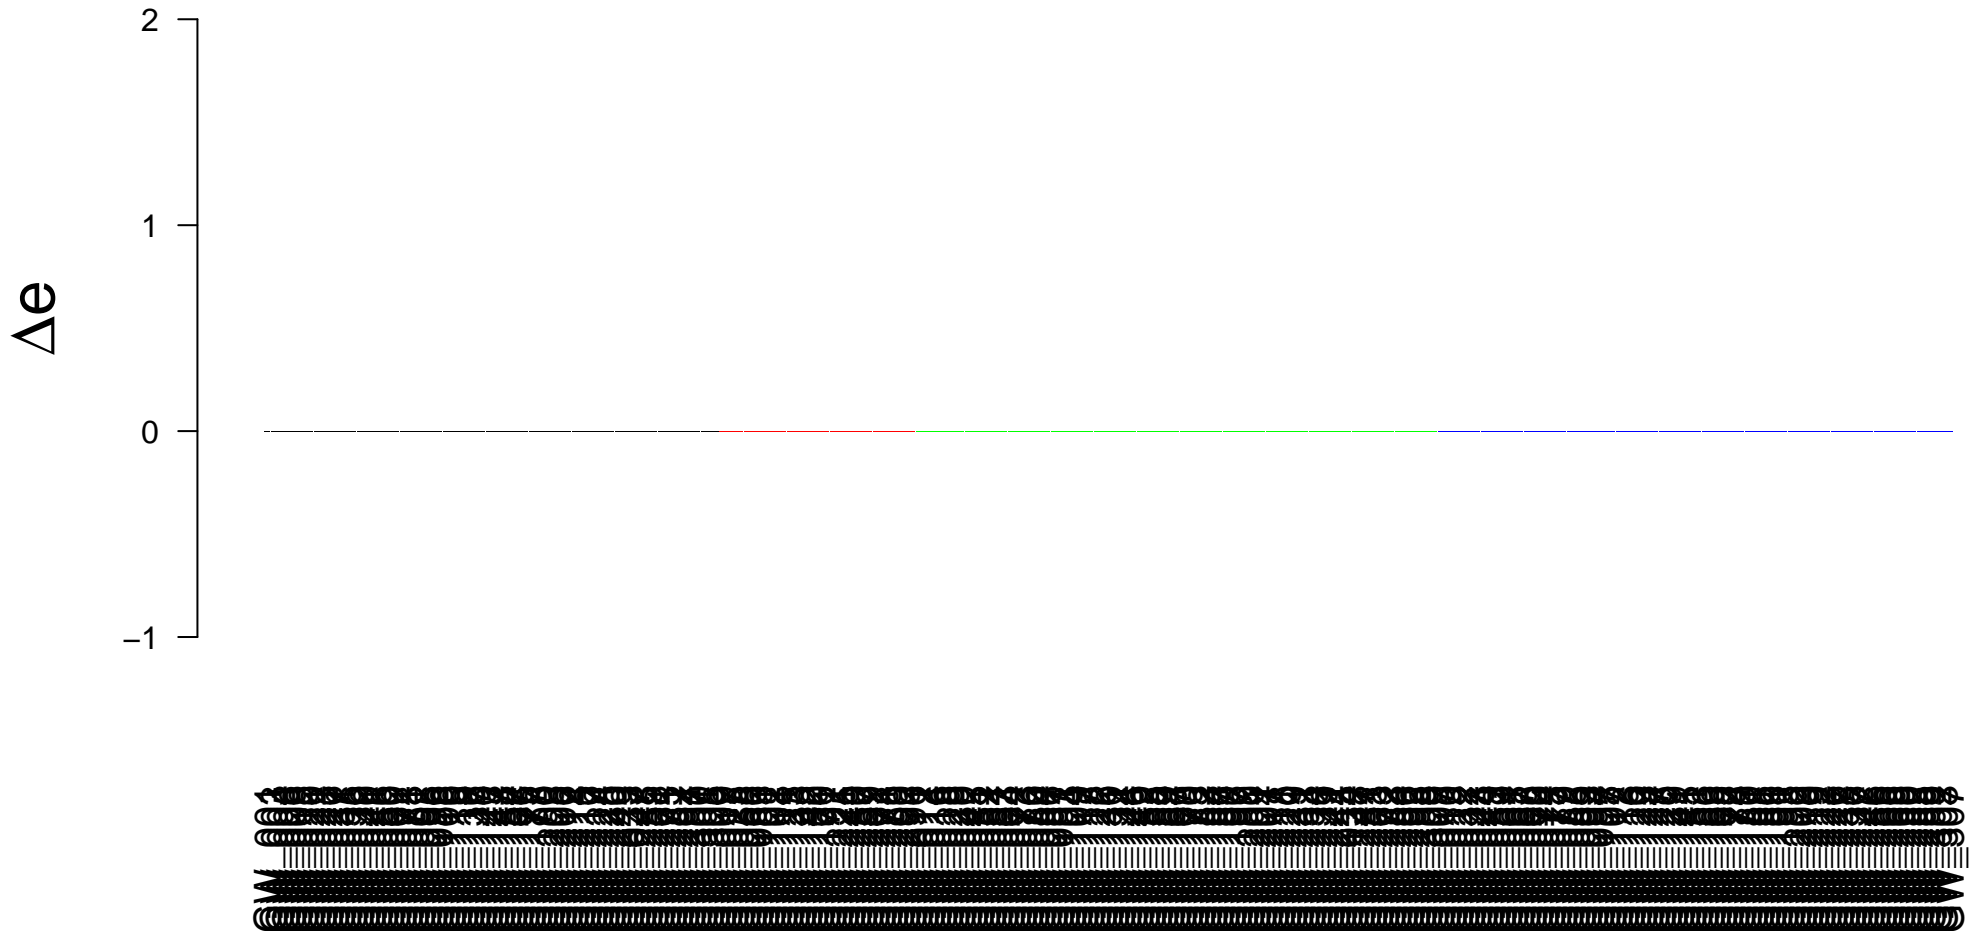

Expression of lipid particle in Spot C

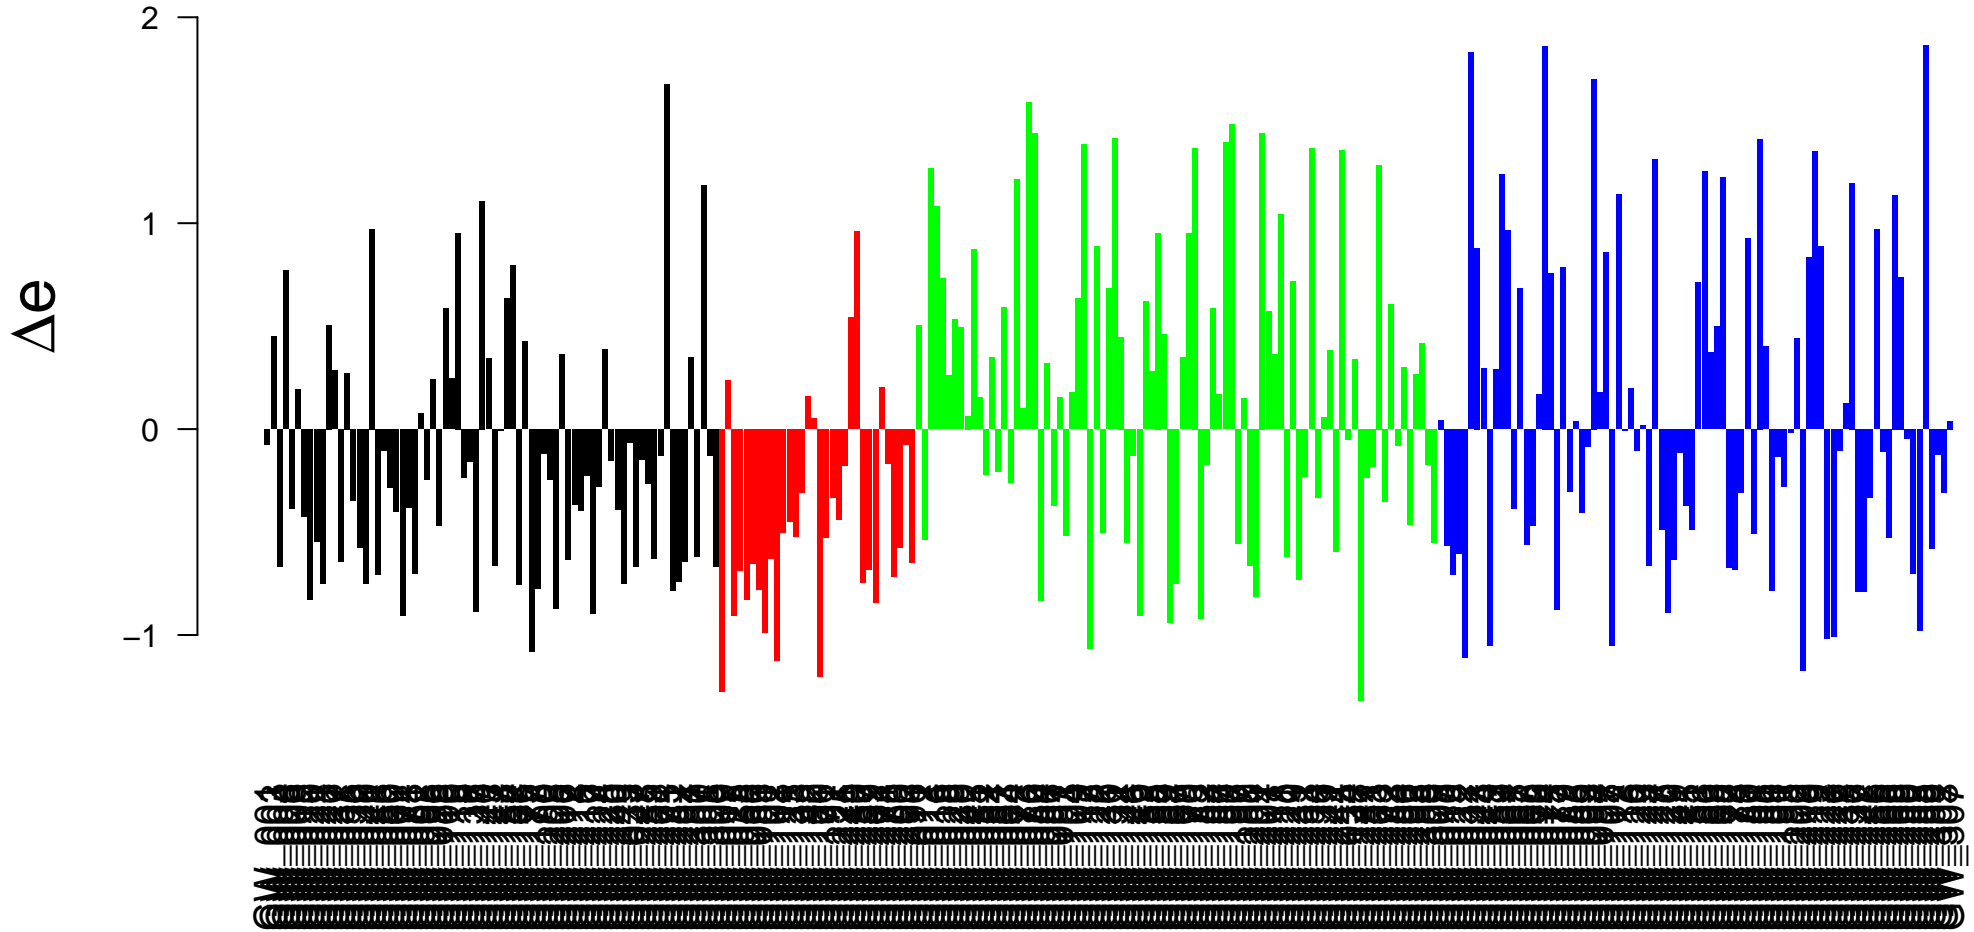

Expression of lipid particle in Spot D

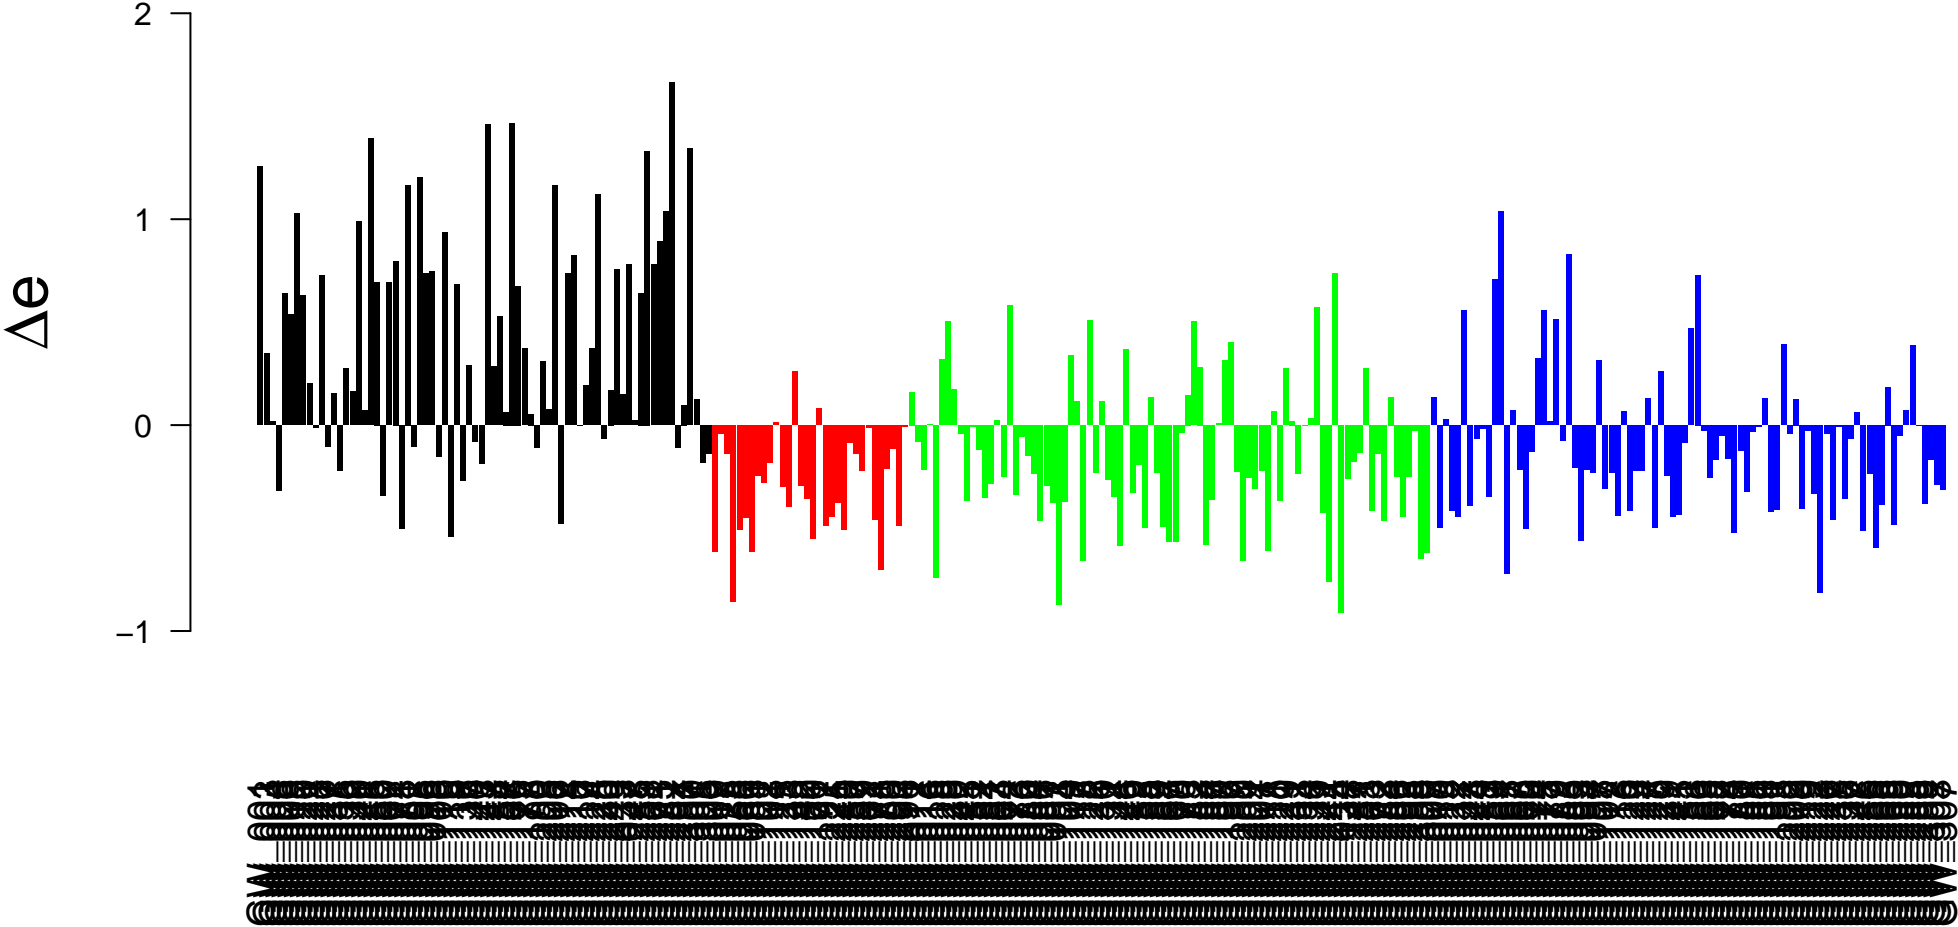

Expression of lipid particle in Spot E

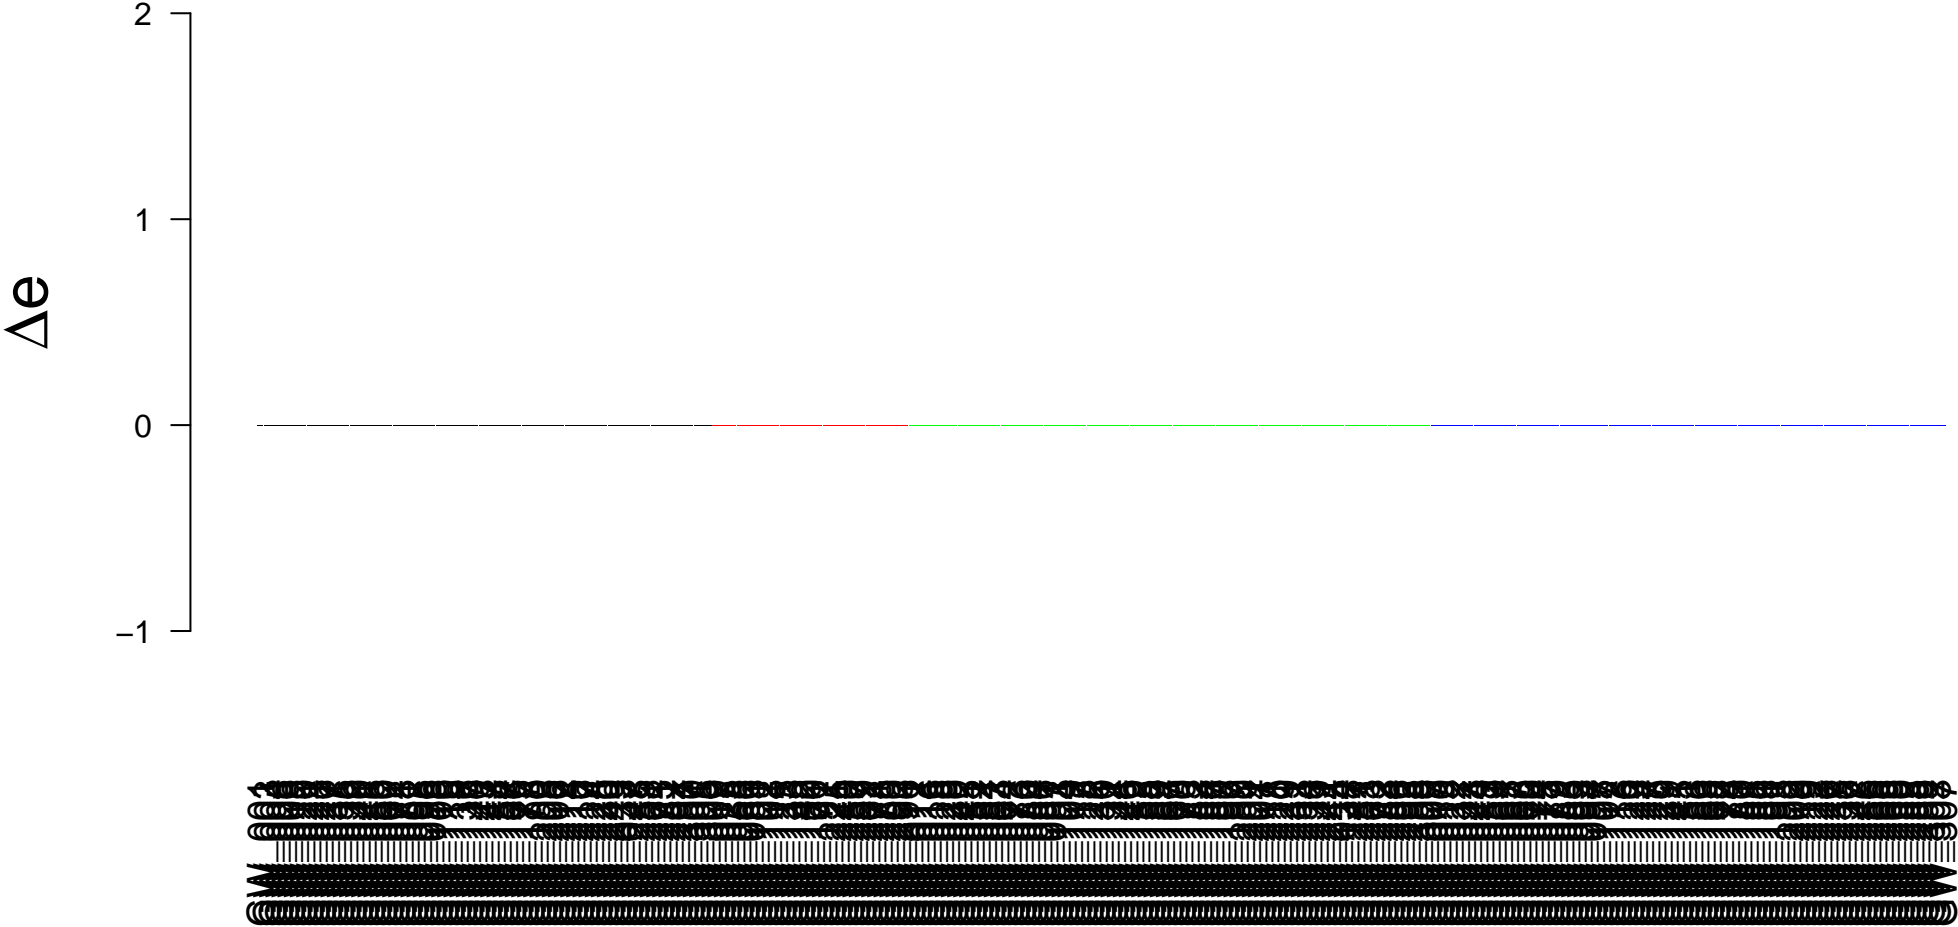

Expression of lipid particle in Spot F

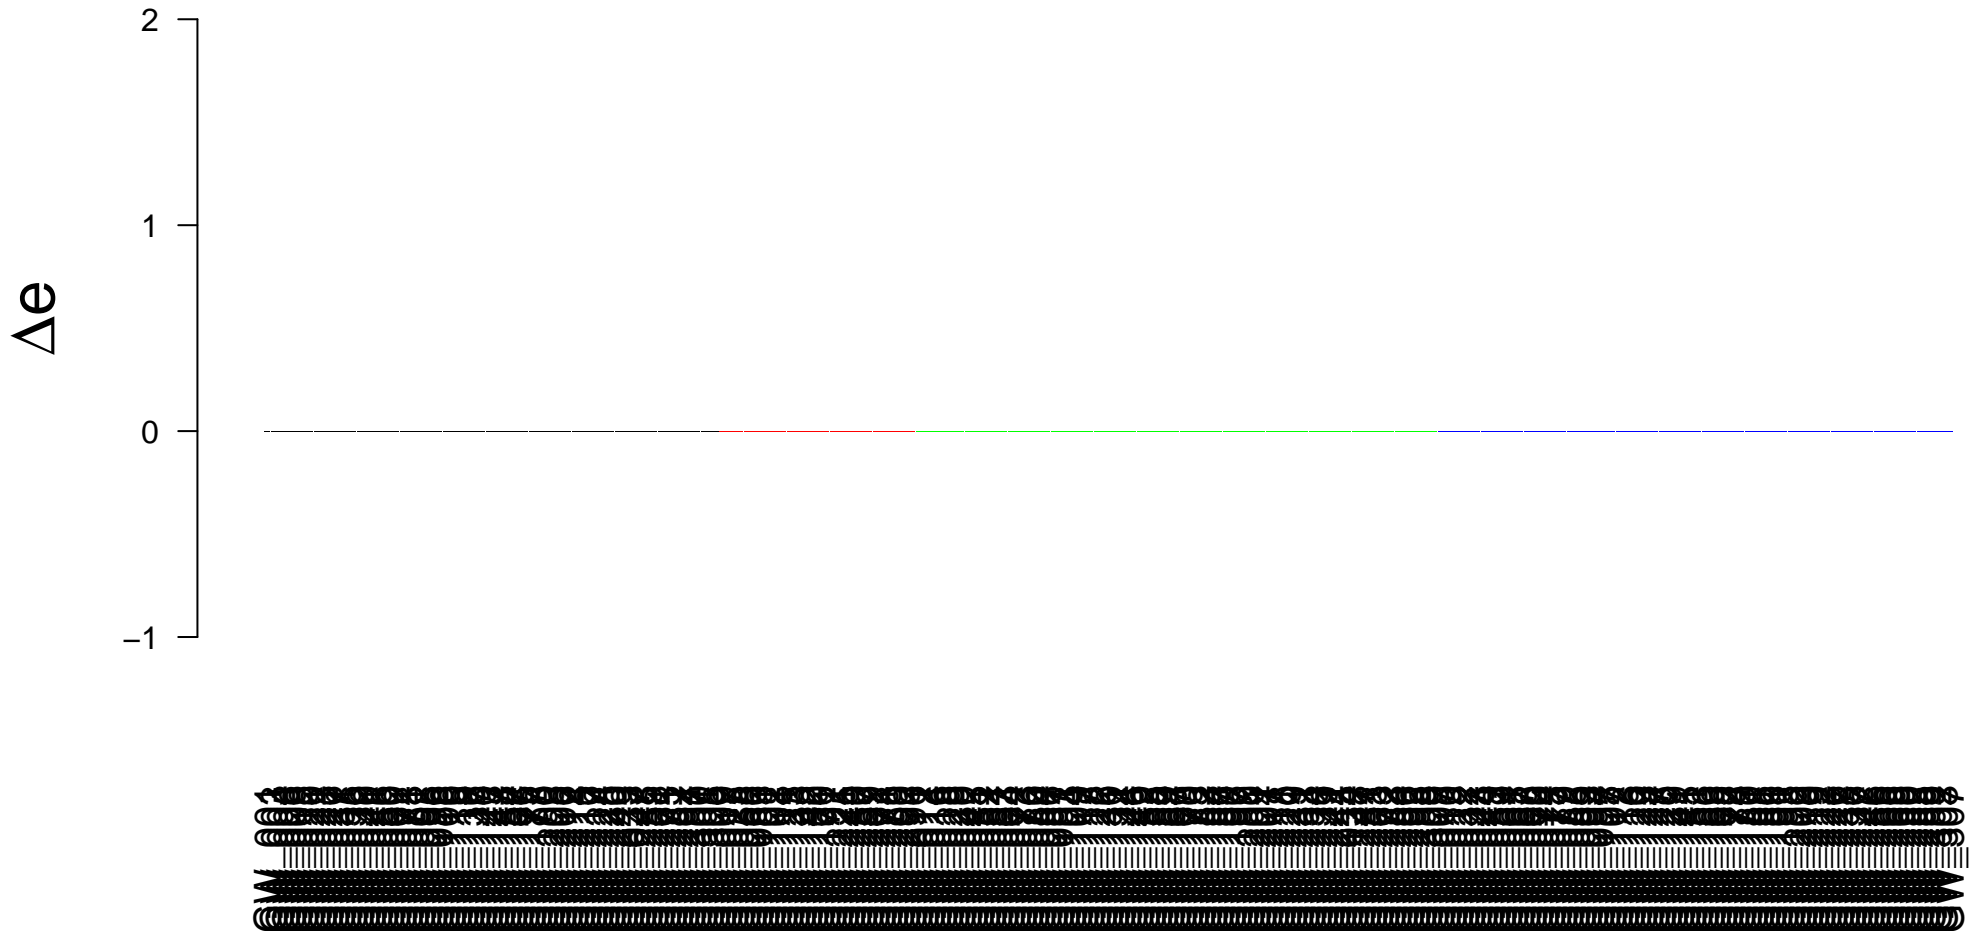

Expression of lipid particle in Spot G

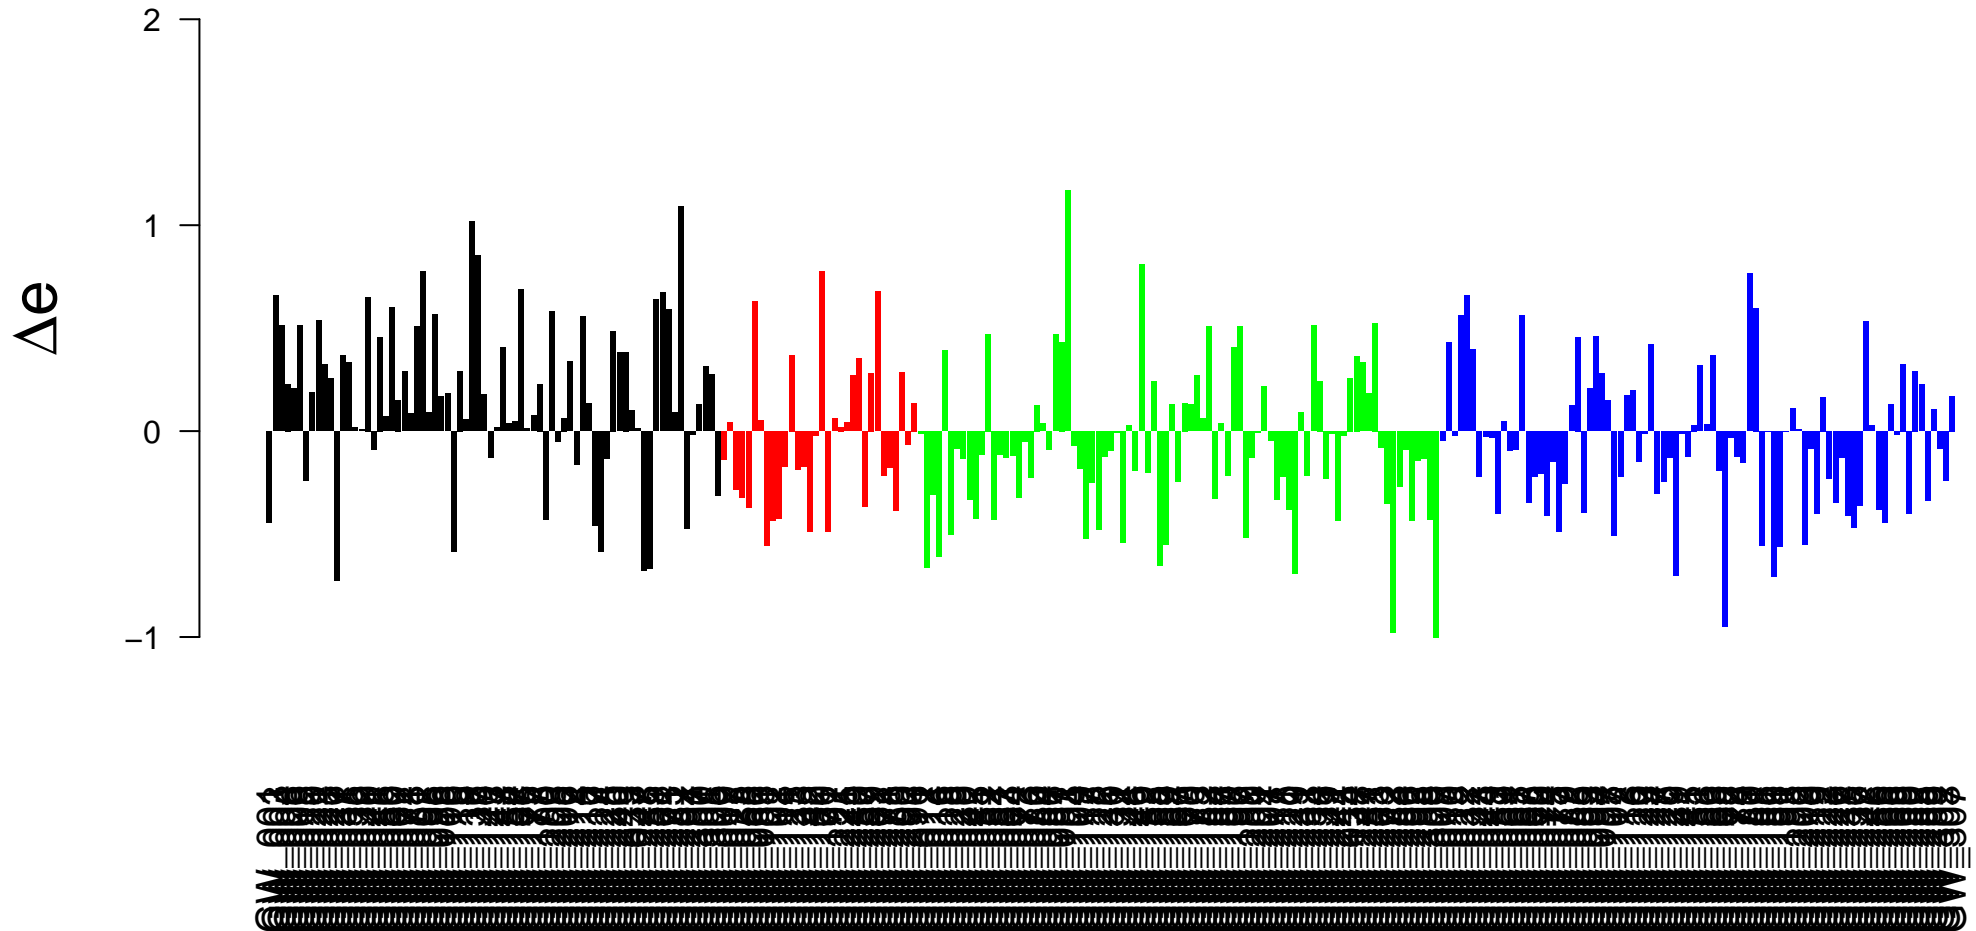

Expression of lipid particle in Spot H

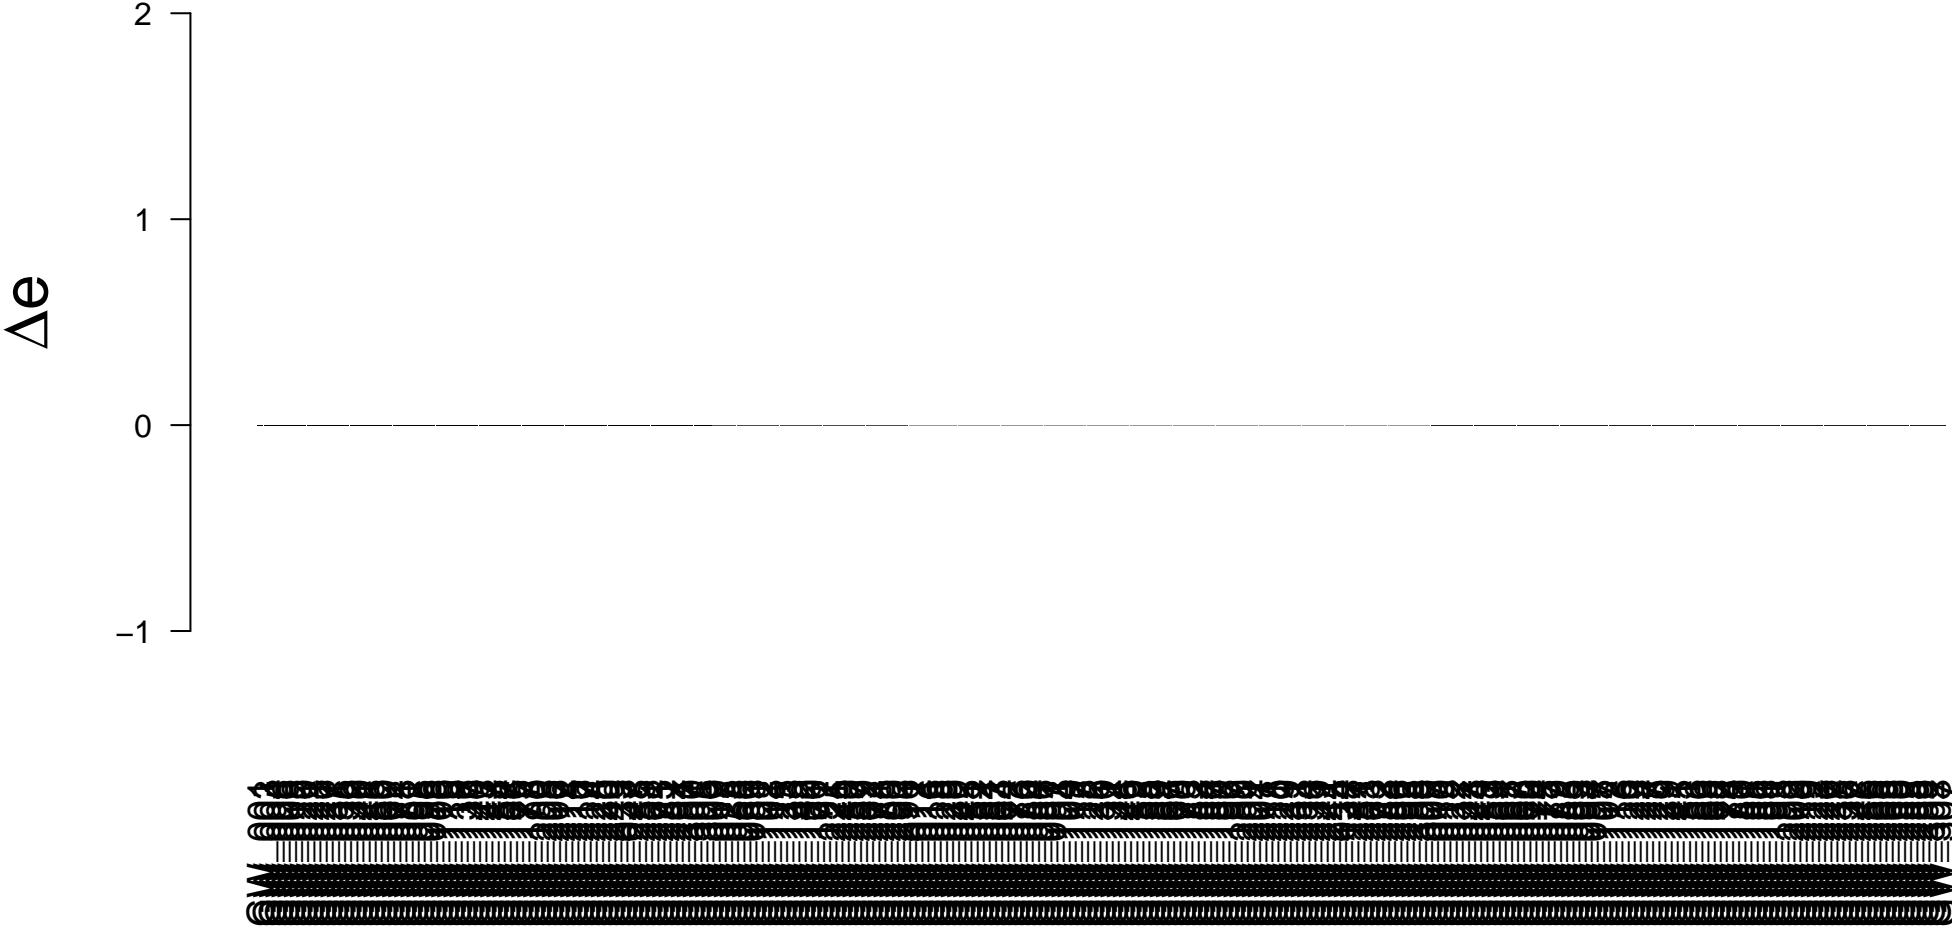

Expression of lipid particle in Spot I

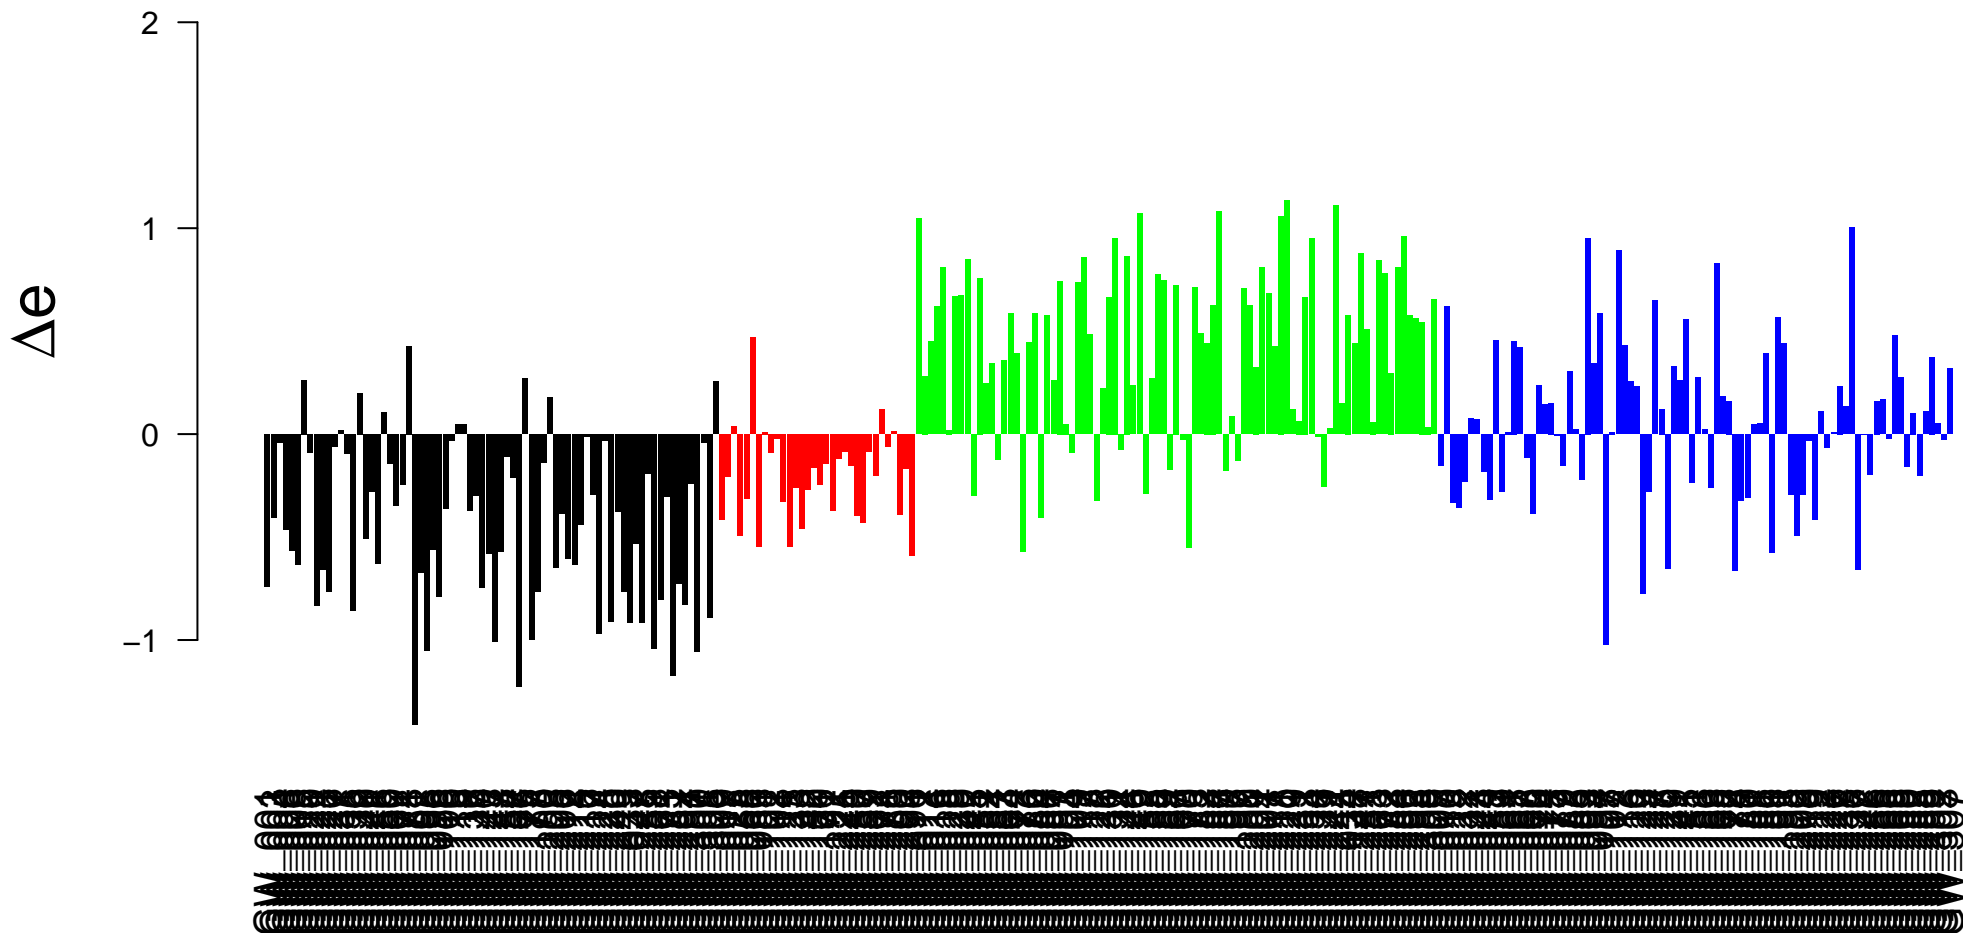

Expression of lipid particle in Spot J

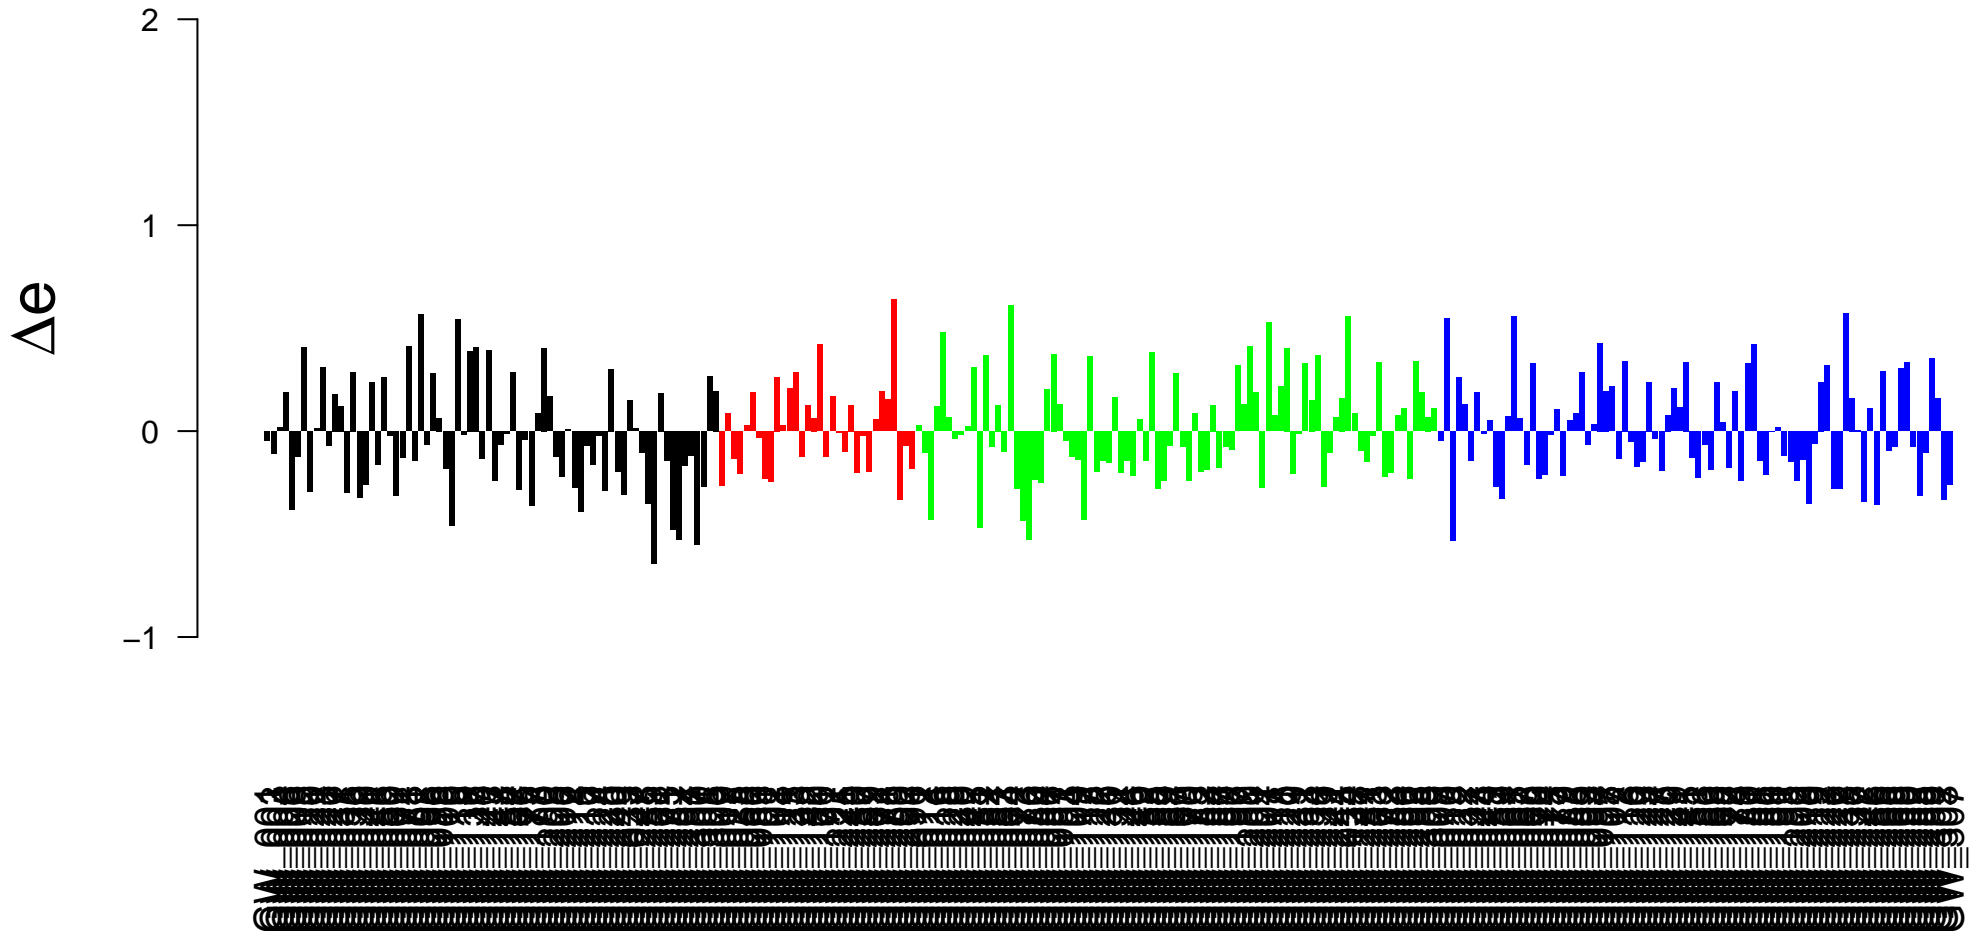

Expression of lipid particle in Spot K

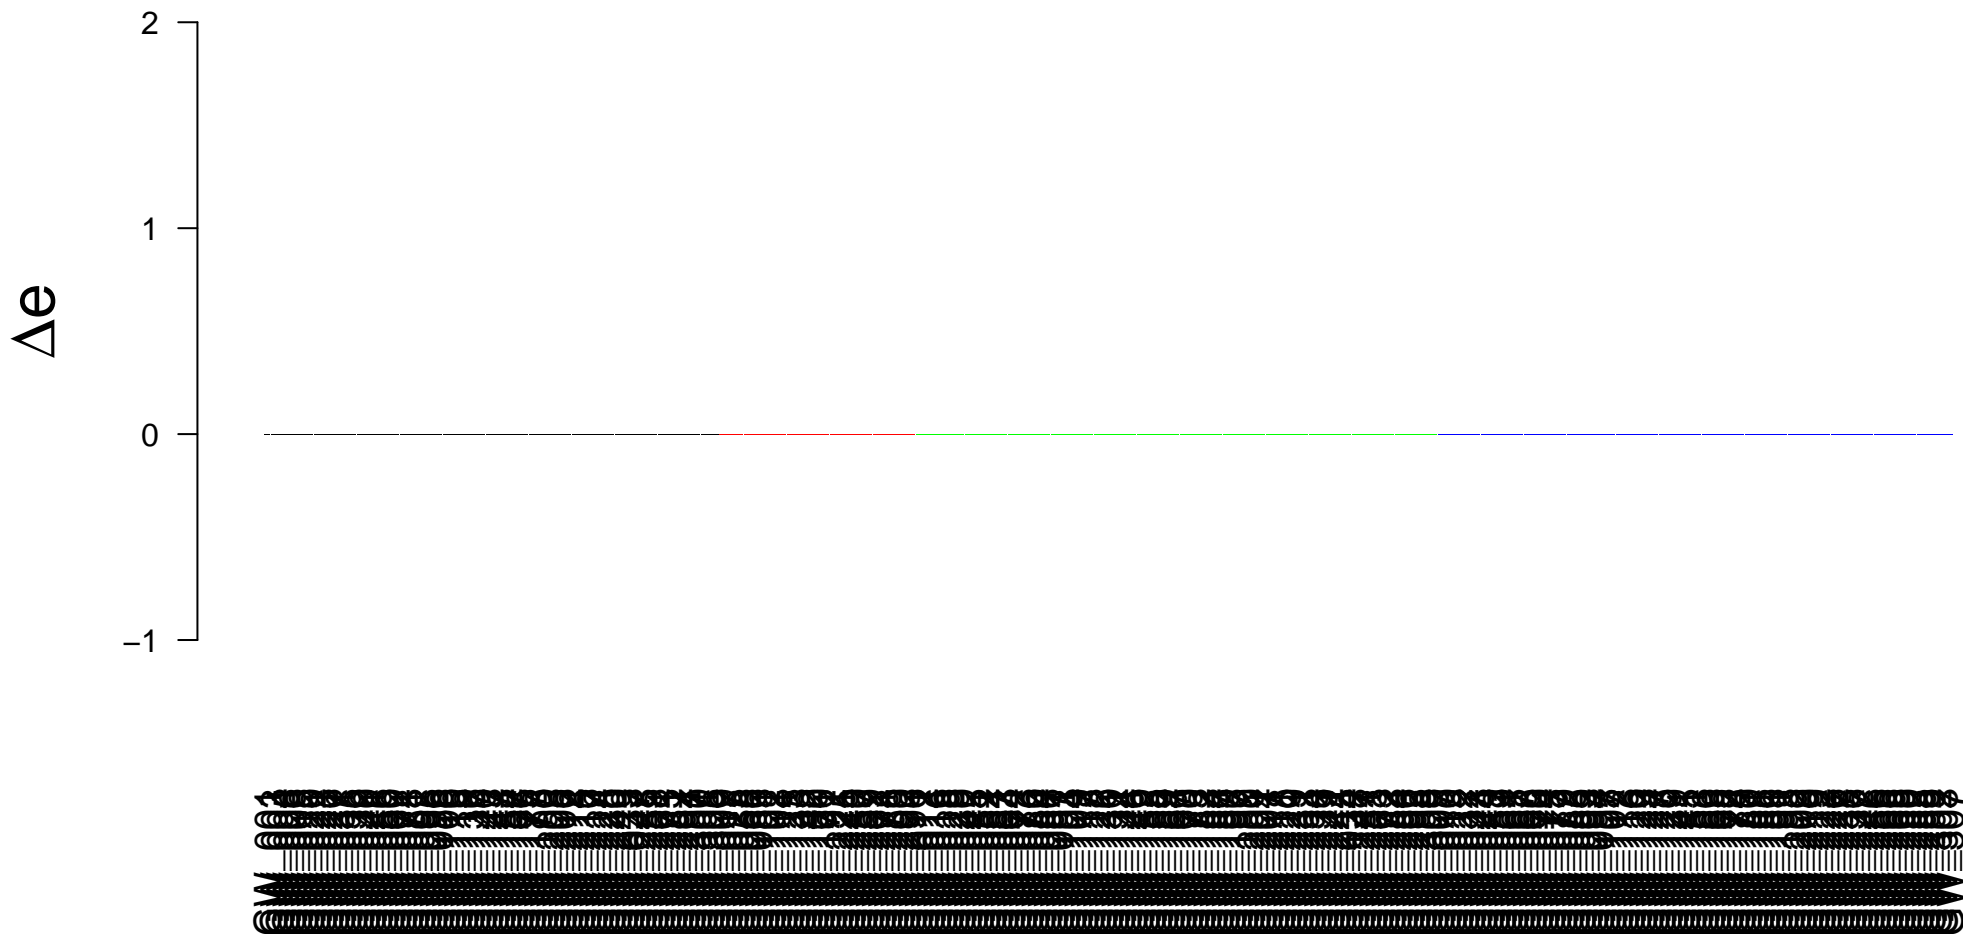

Expression of lipid particle in Spot L

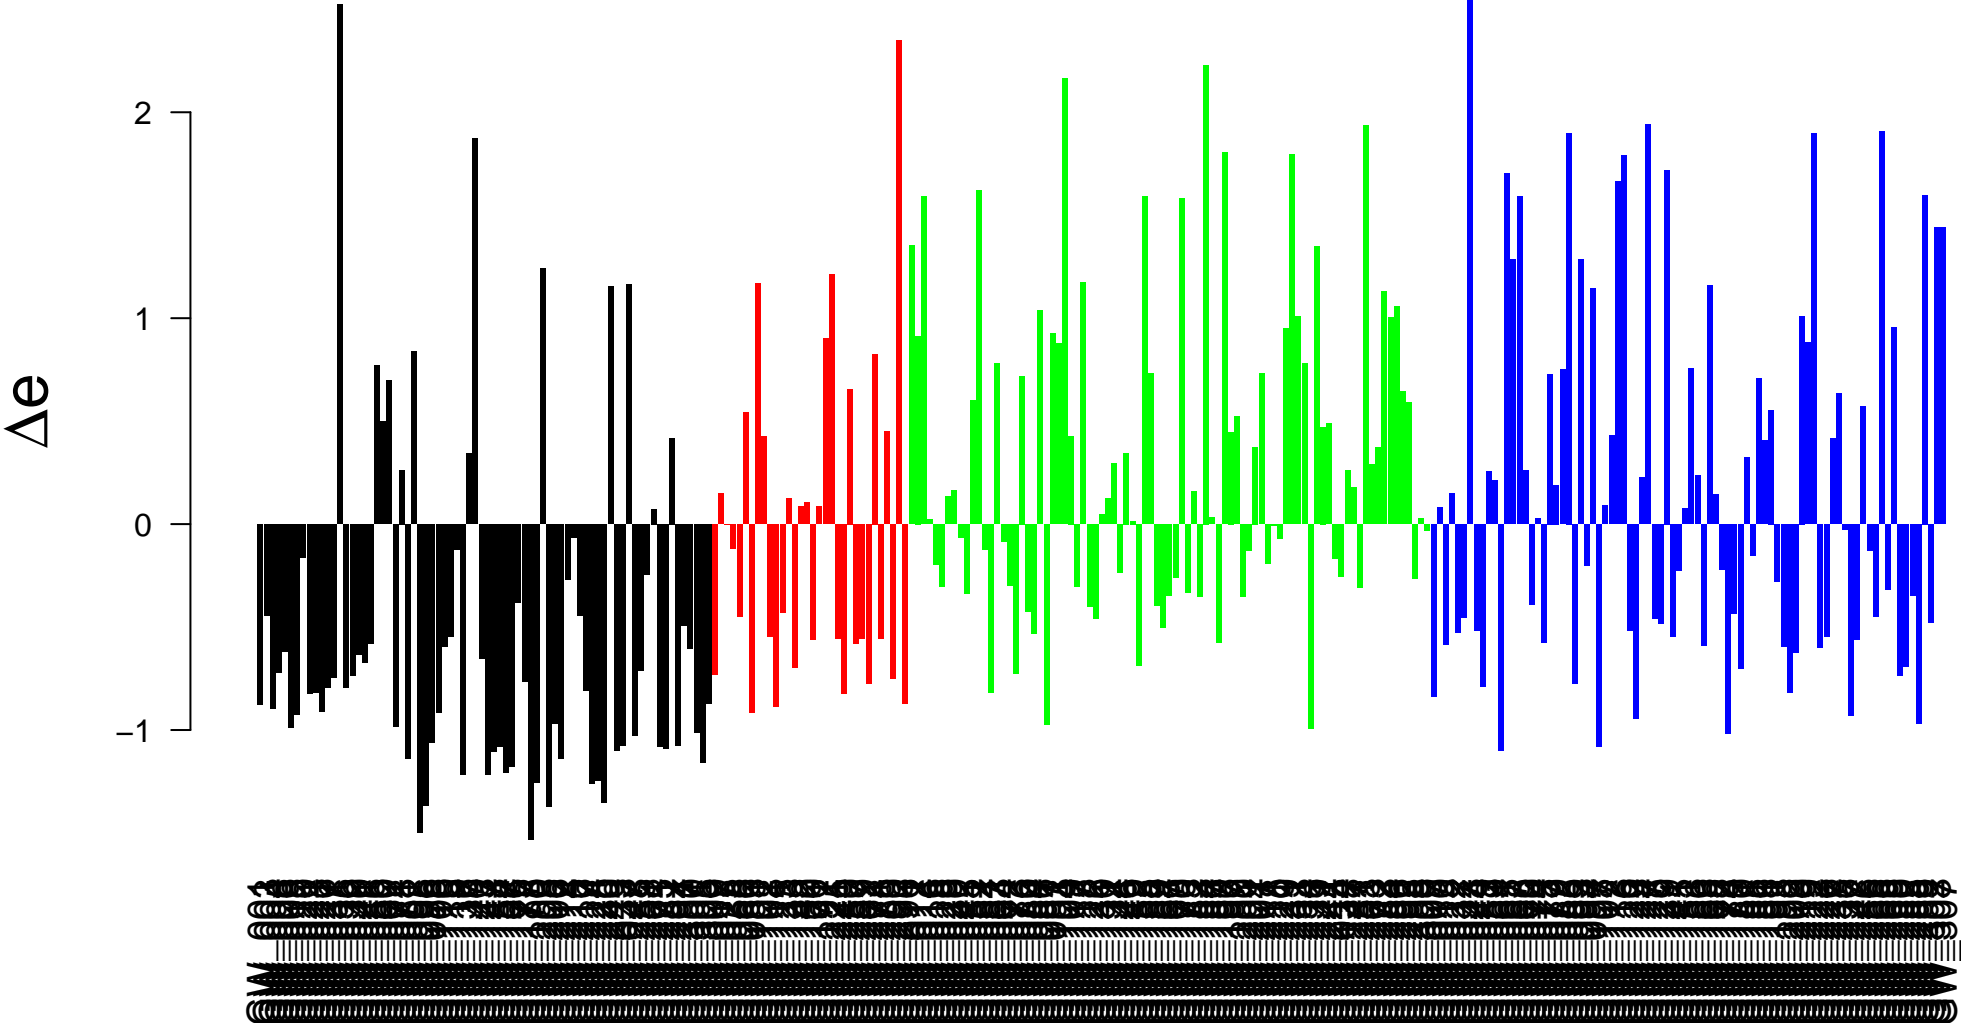

Expression of lipid particle in Spot M

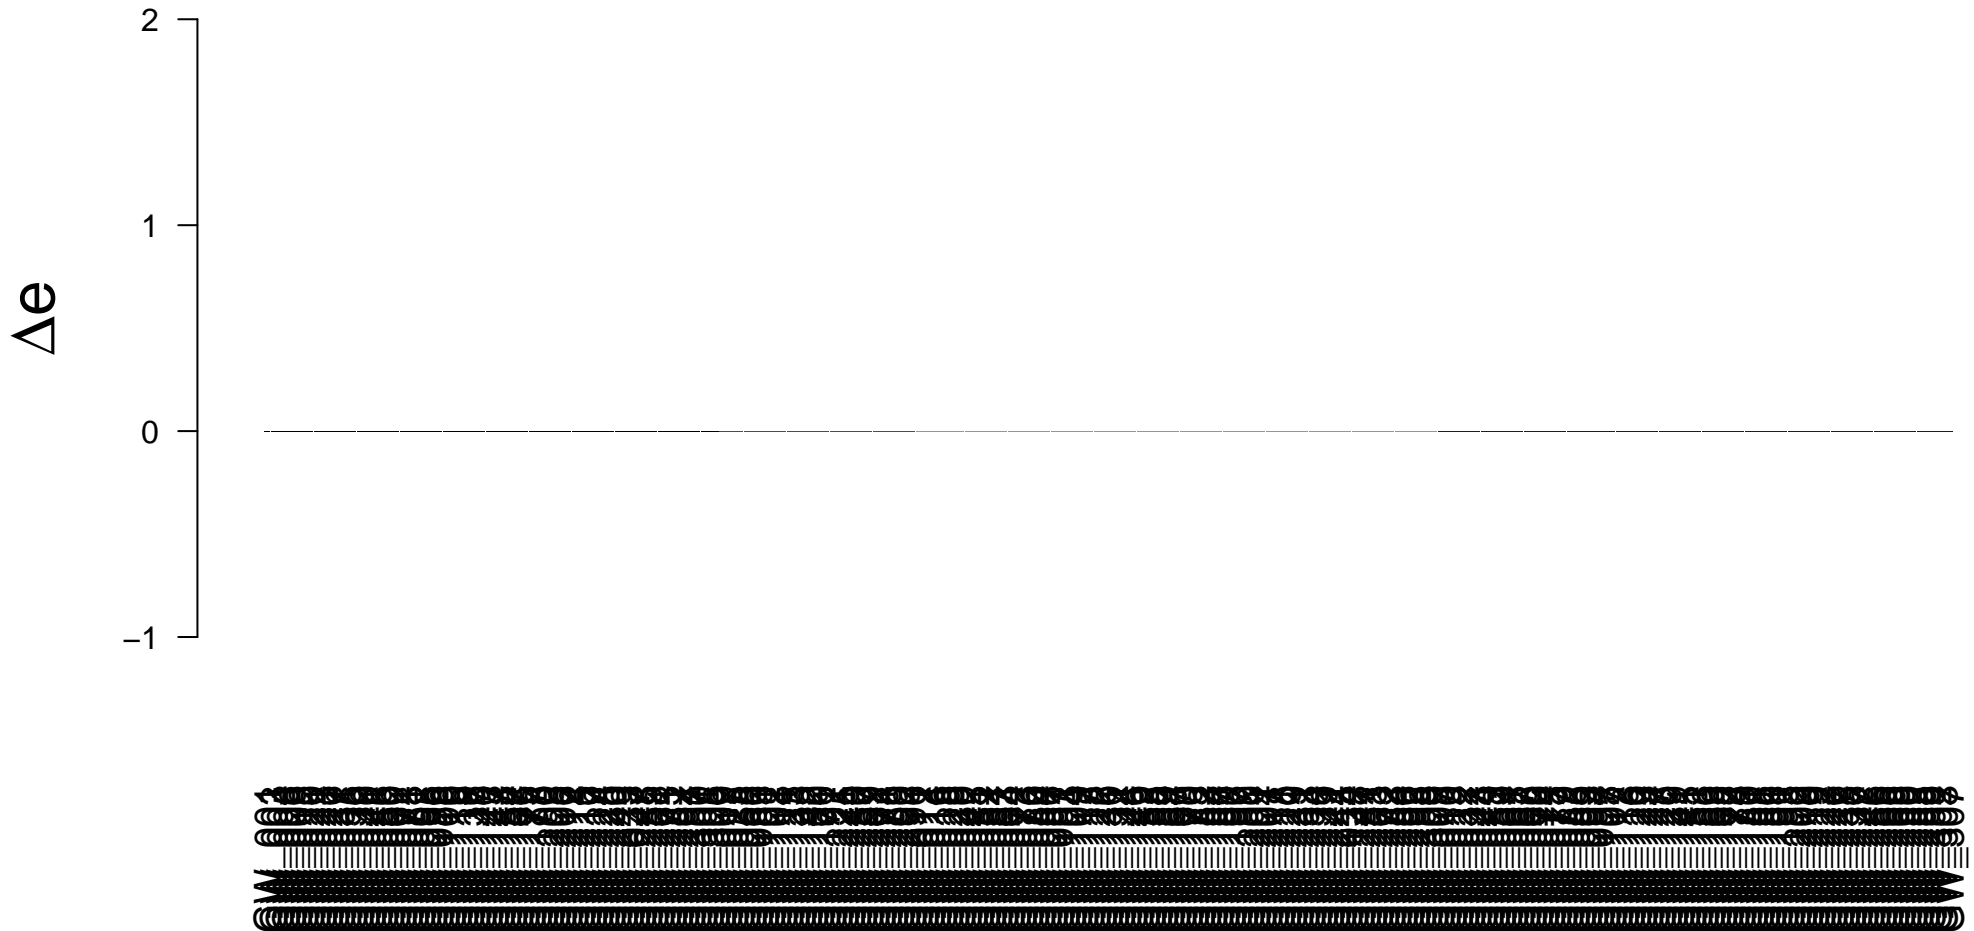

Expression of lipid particle in Spot N

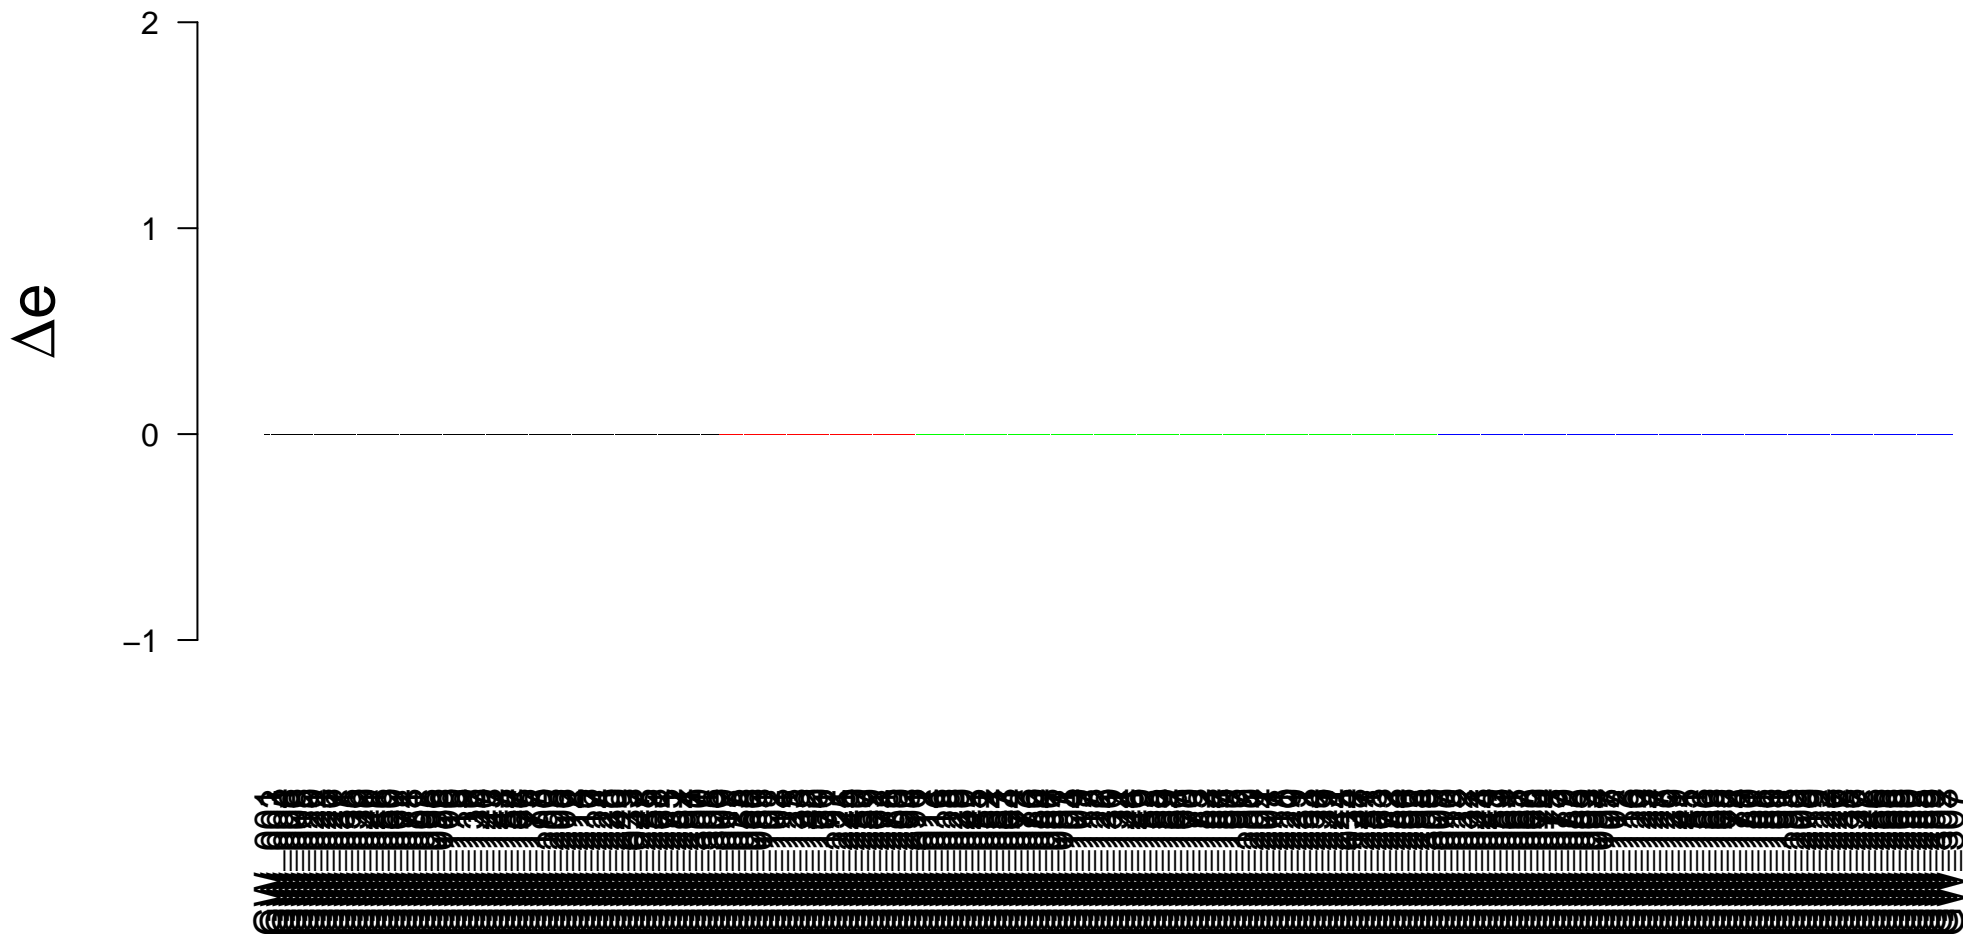

Expression of lipid particle in Spot O

Expression of lipid particle in Spot P

Expression of lipid particle in Spot Q

Expression of lipid particle in Spot R
