

lipid transporter activity

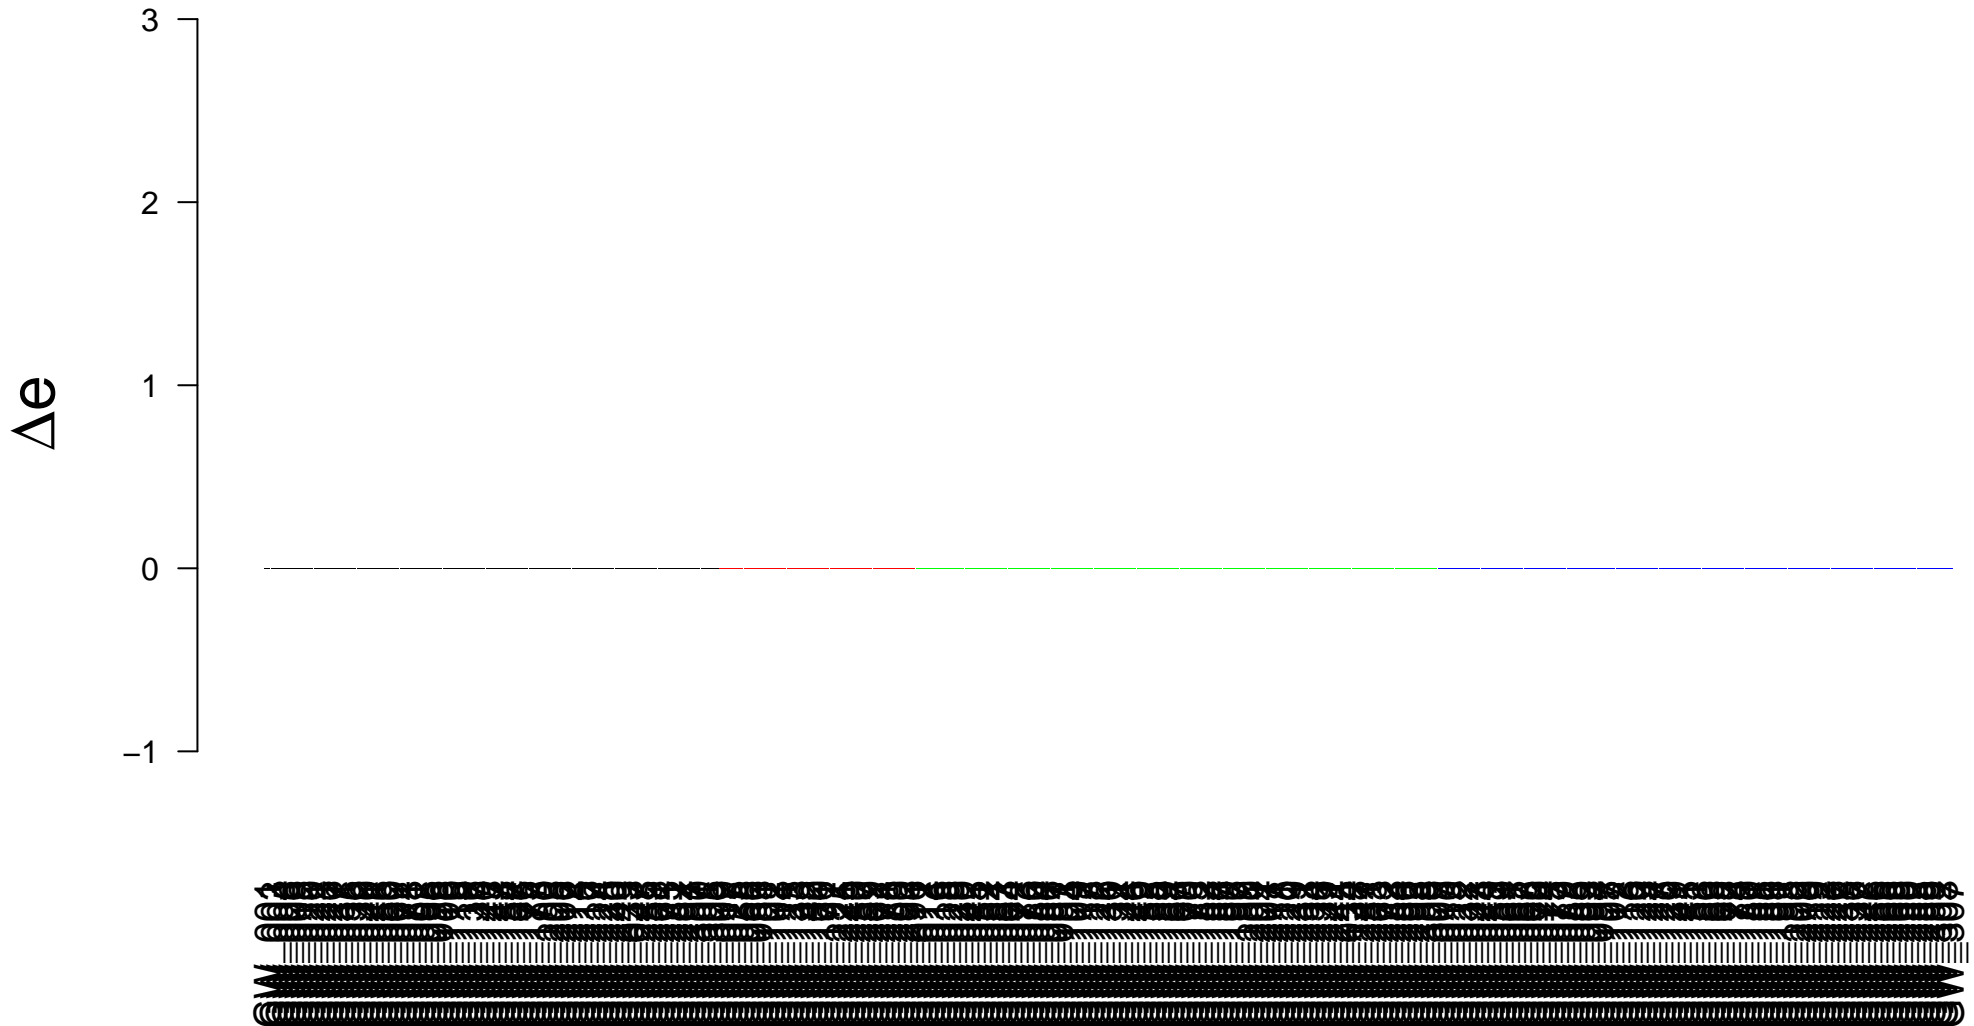

lipid transporter activity

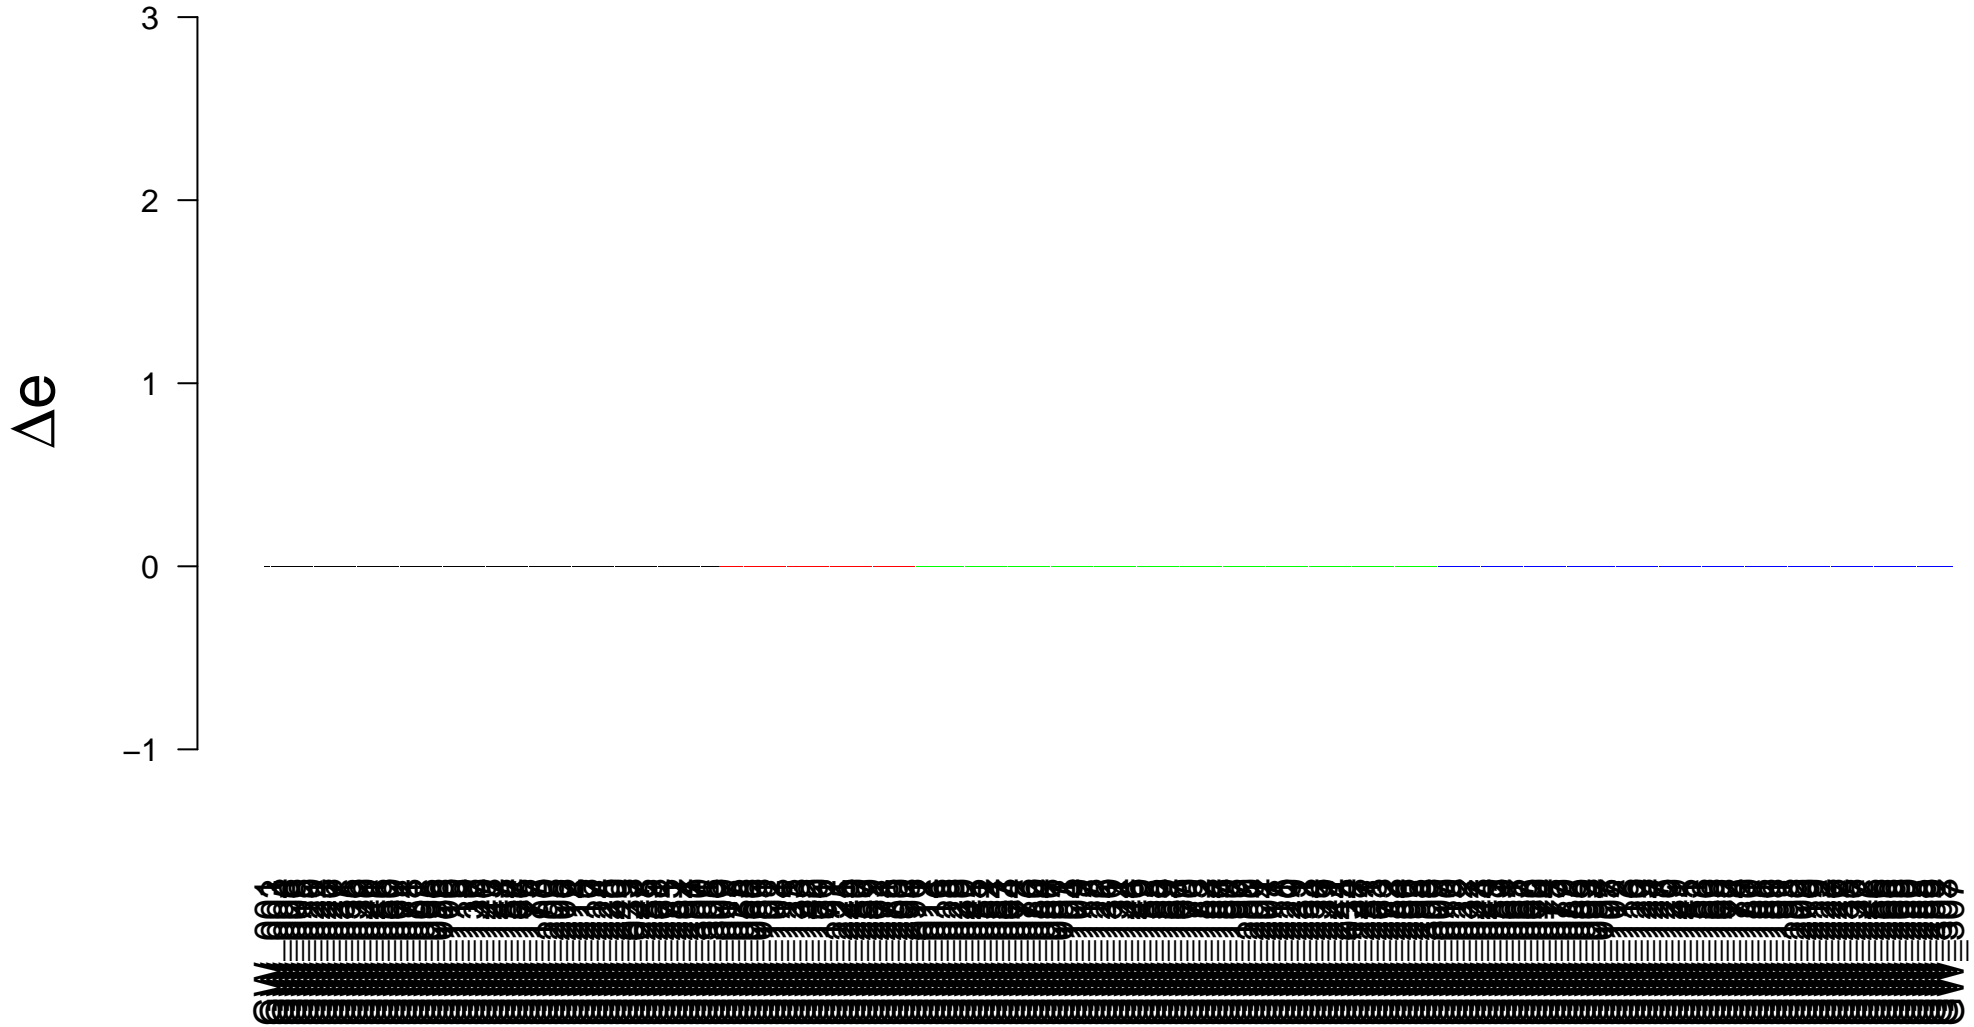

Enrichment in spots: lipid transporter activity

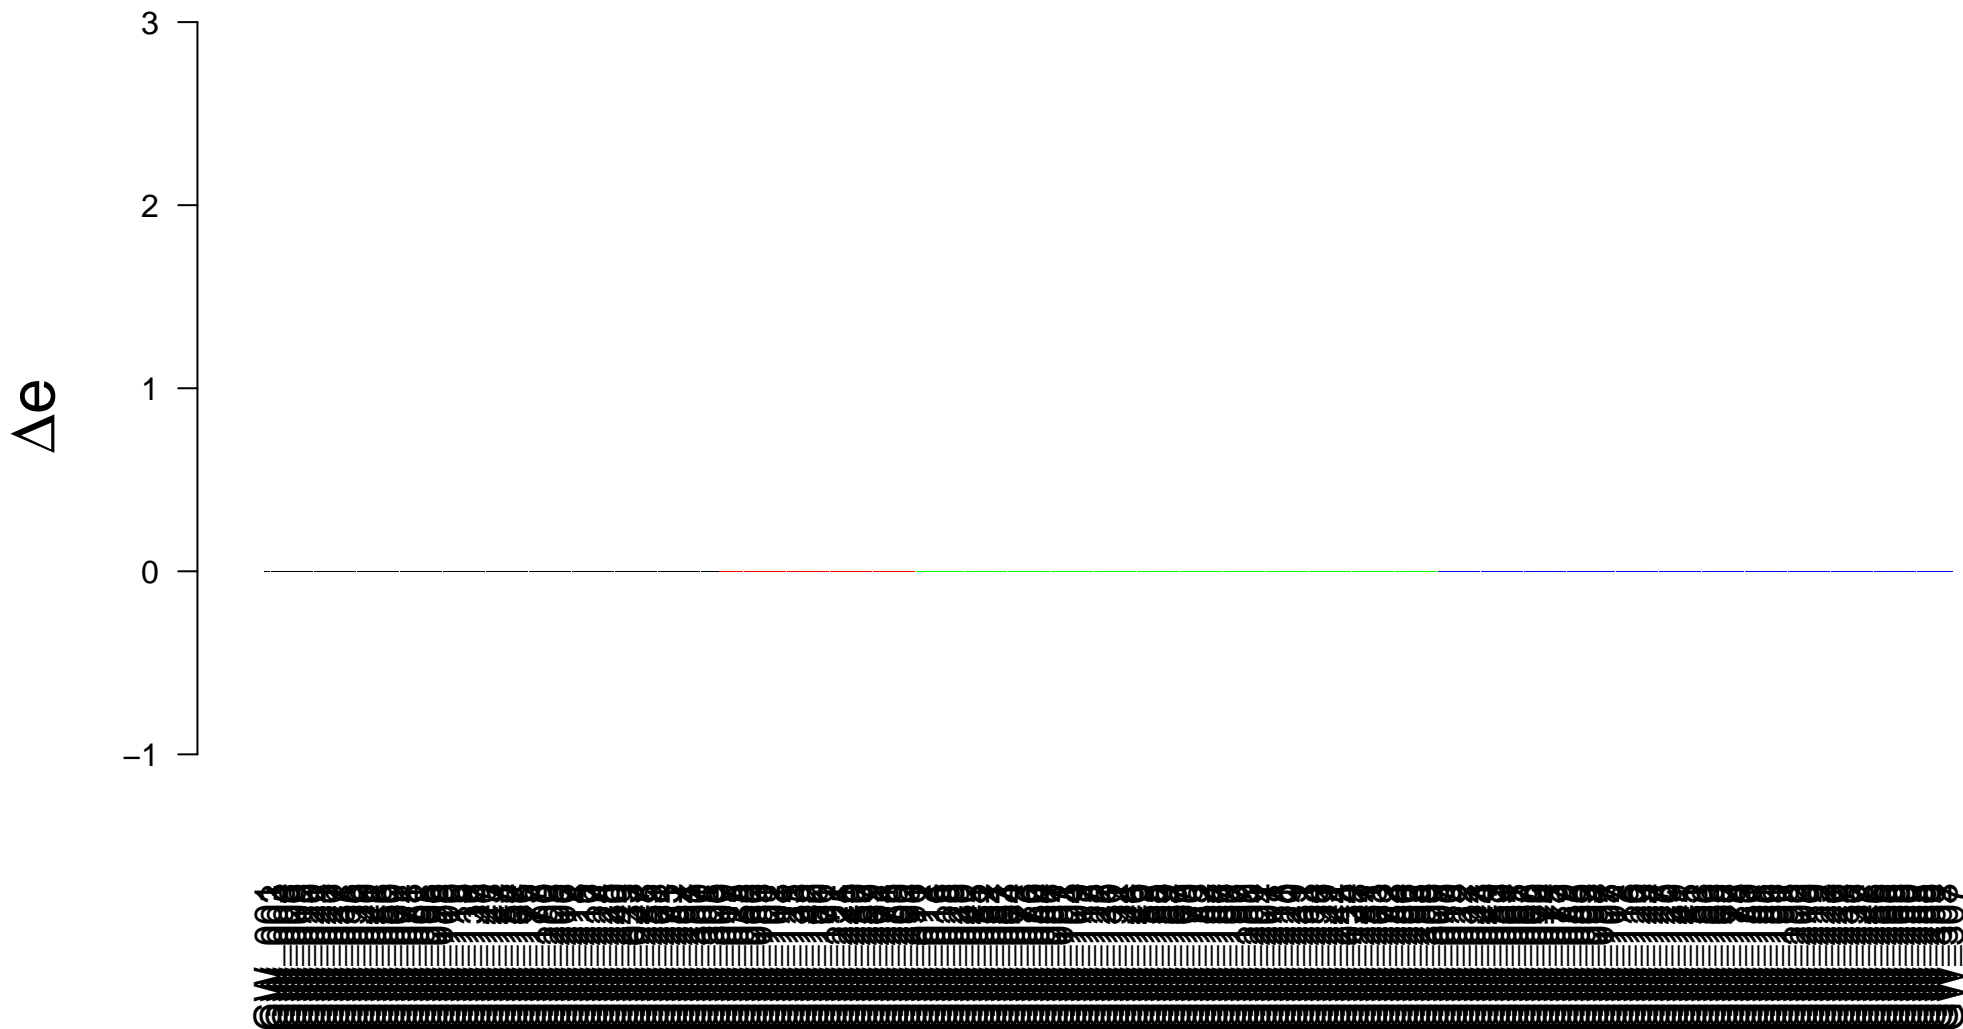

Expression of lipid transporter activity in Spot A

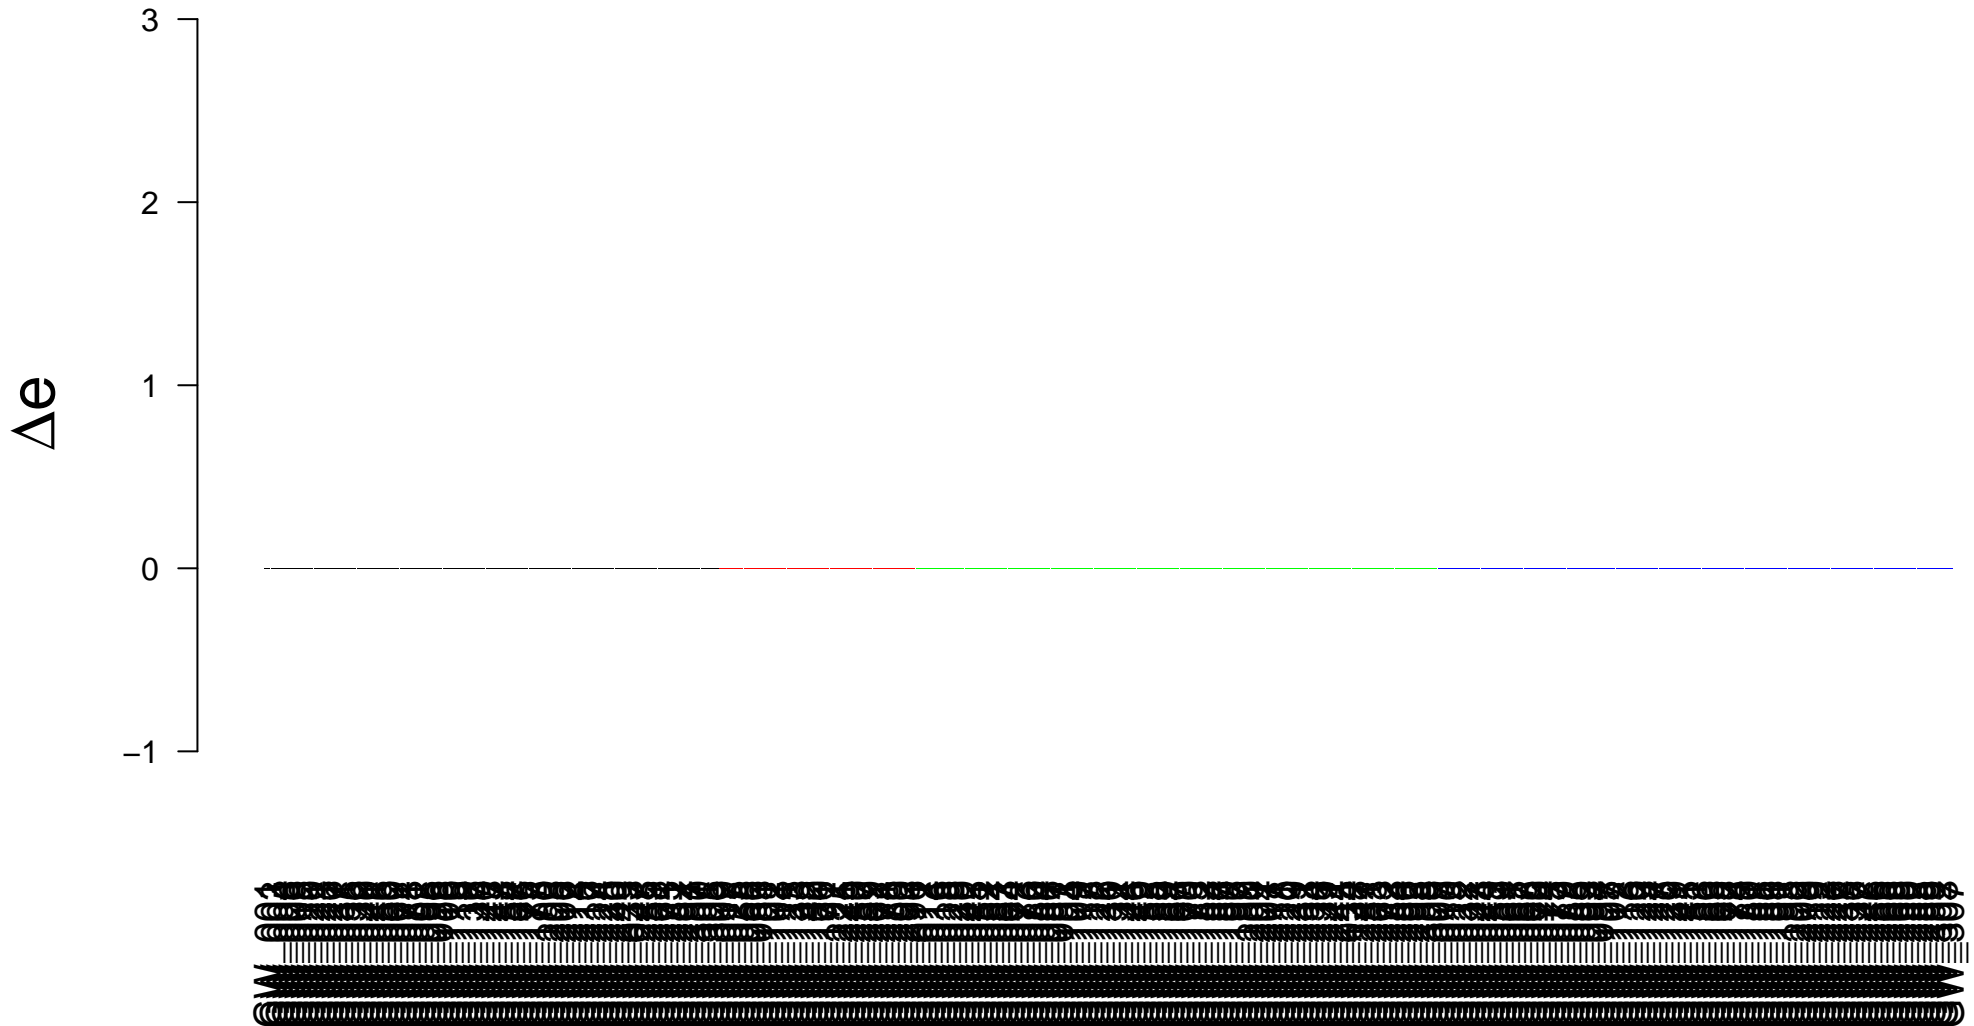

Expression of lipid transporter activity in Spot B

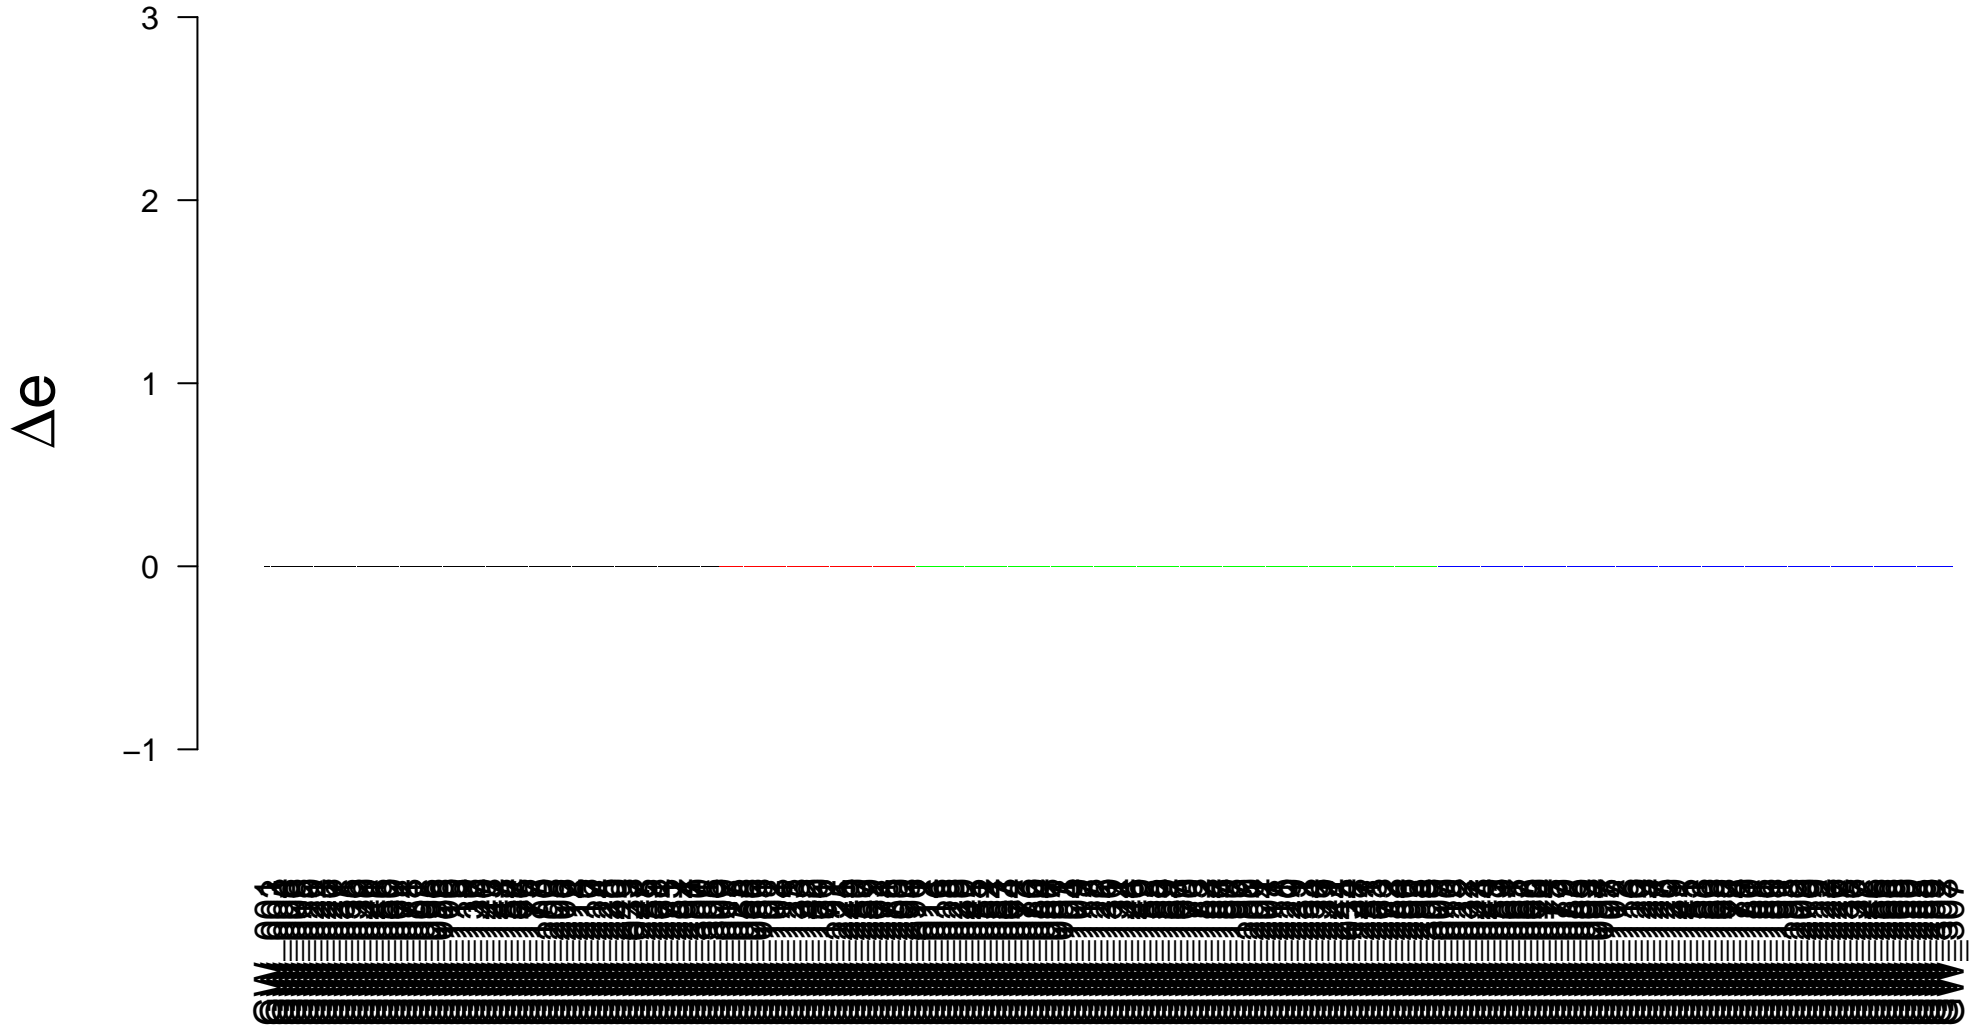

Expression of lipid transporter activity in Spot C

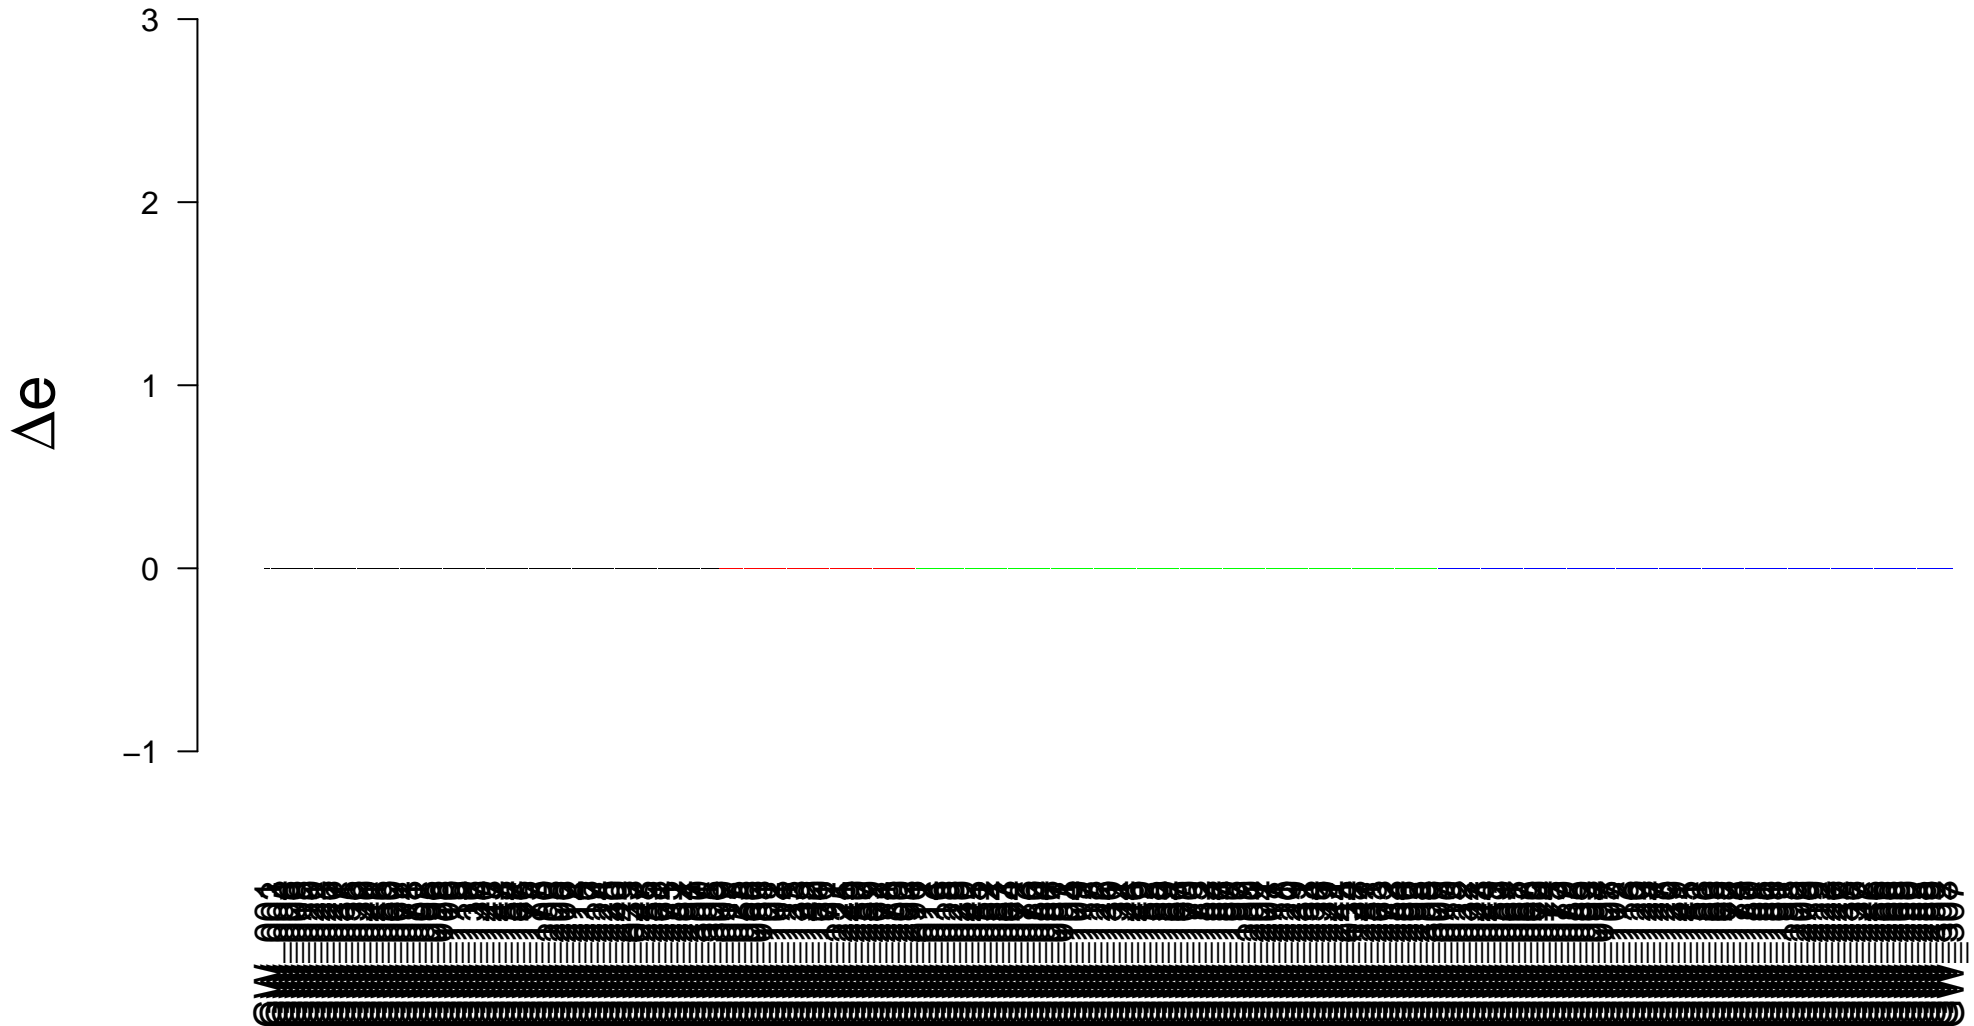

Expression of lipid transporter activity in Spot D

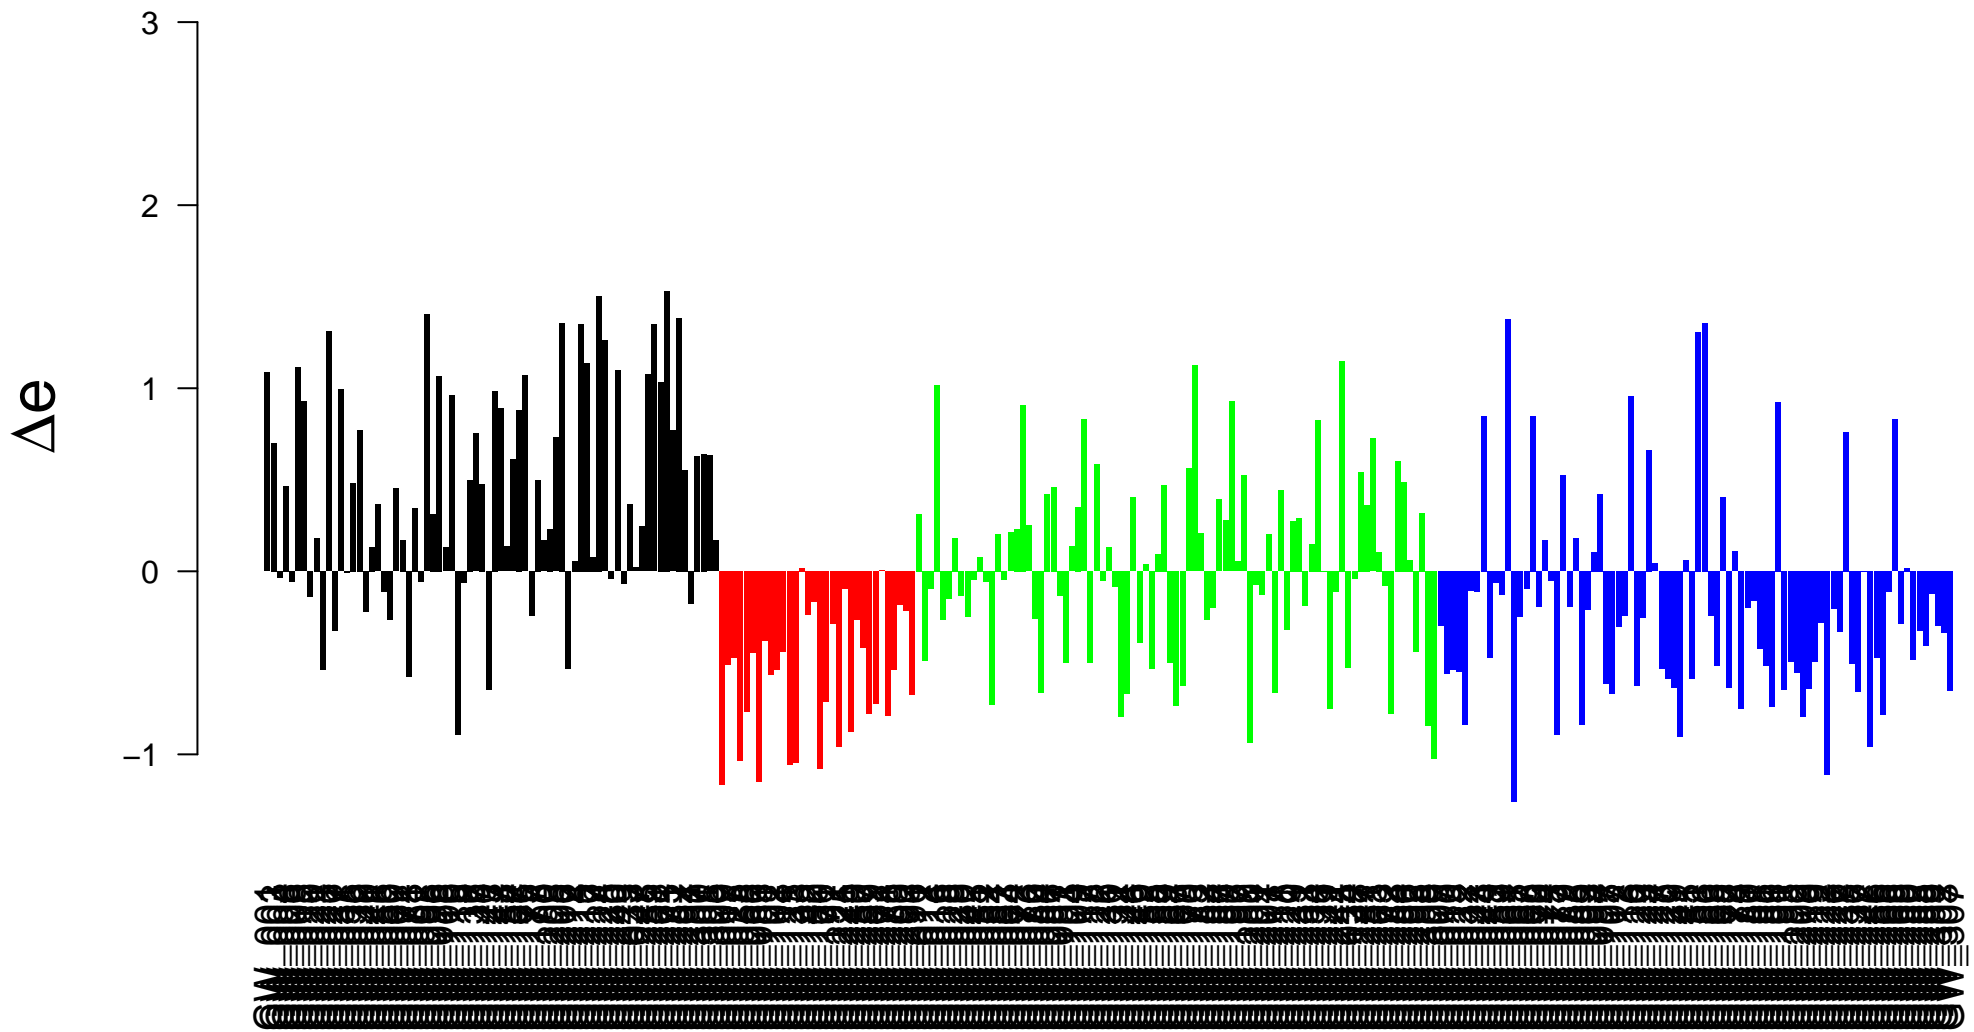

Expression of lipid transporter activity in Spot E

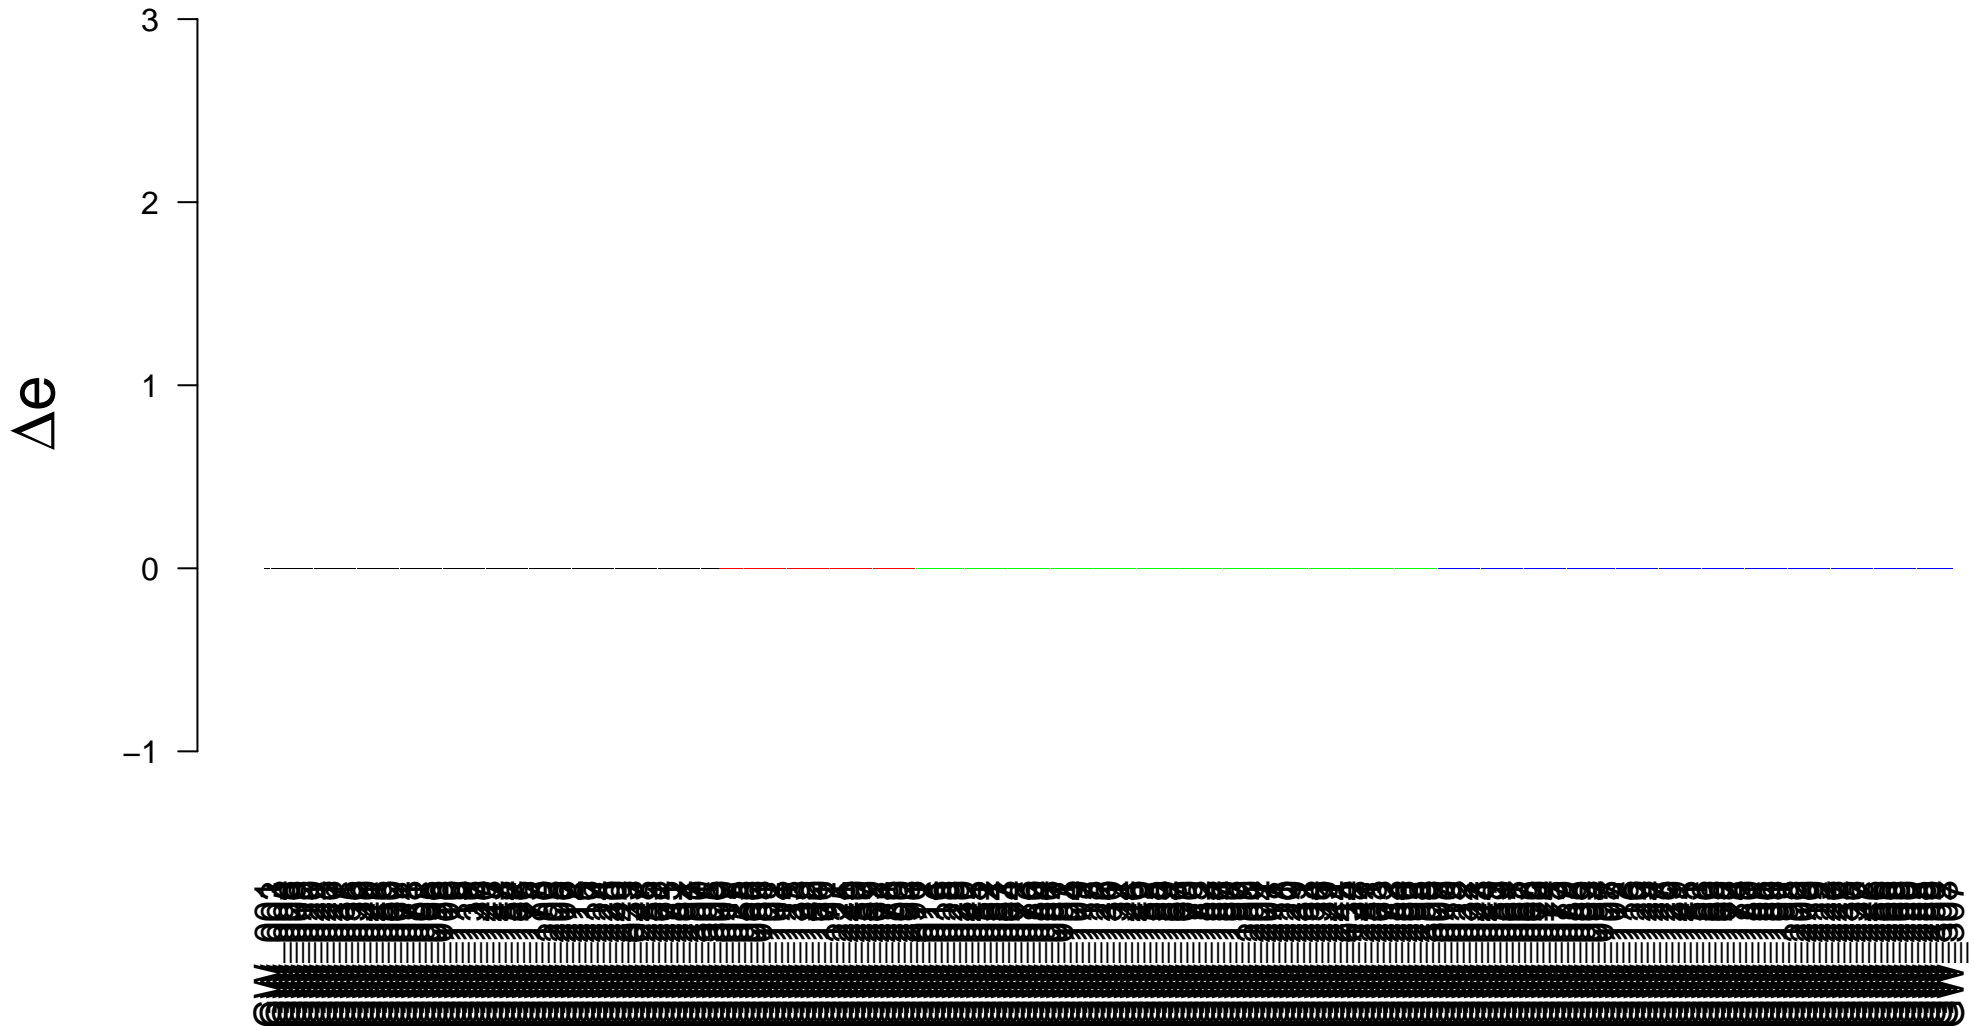

Expression of lipid transporter activity in Spot F

Expression of lipid transporter activity in Spot G

Expression of lipid transporter activity in Spot H

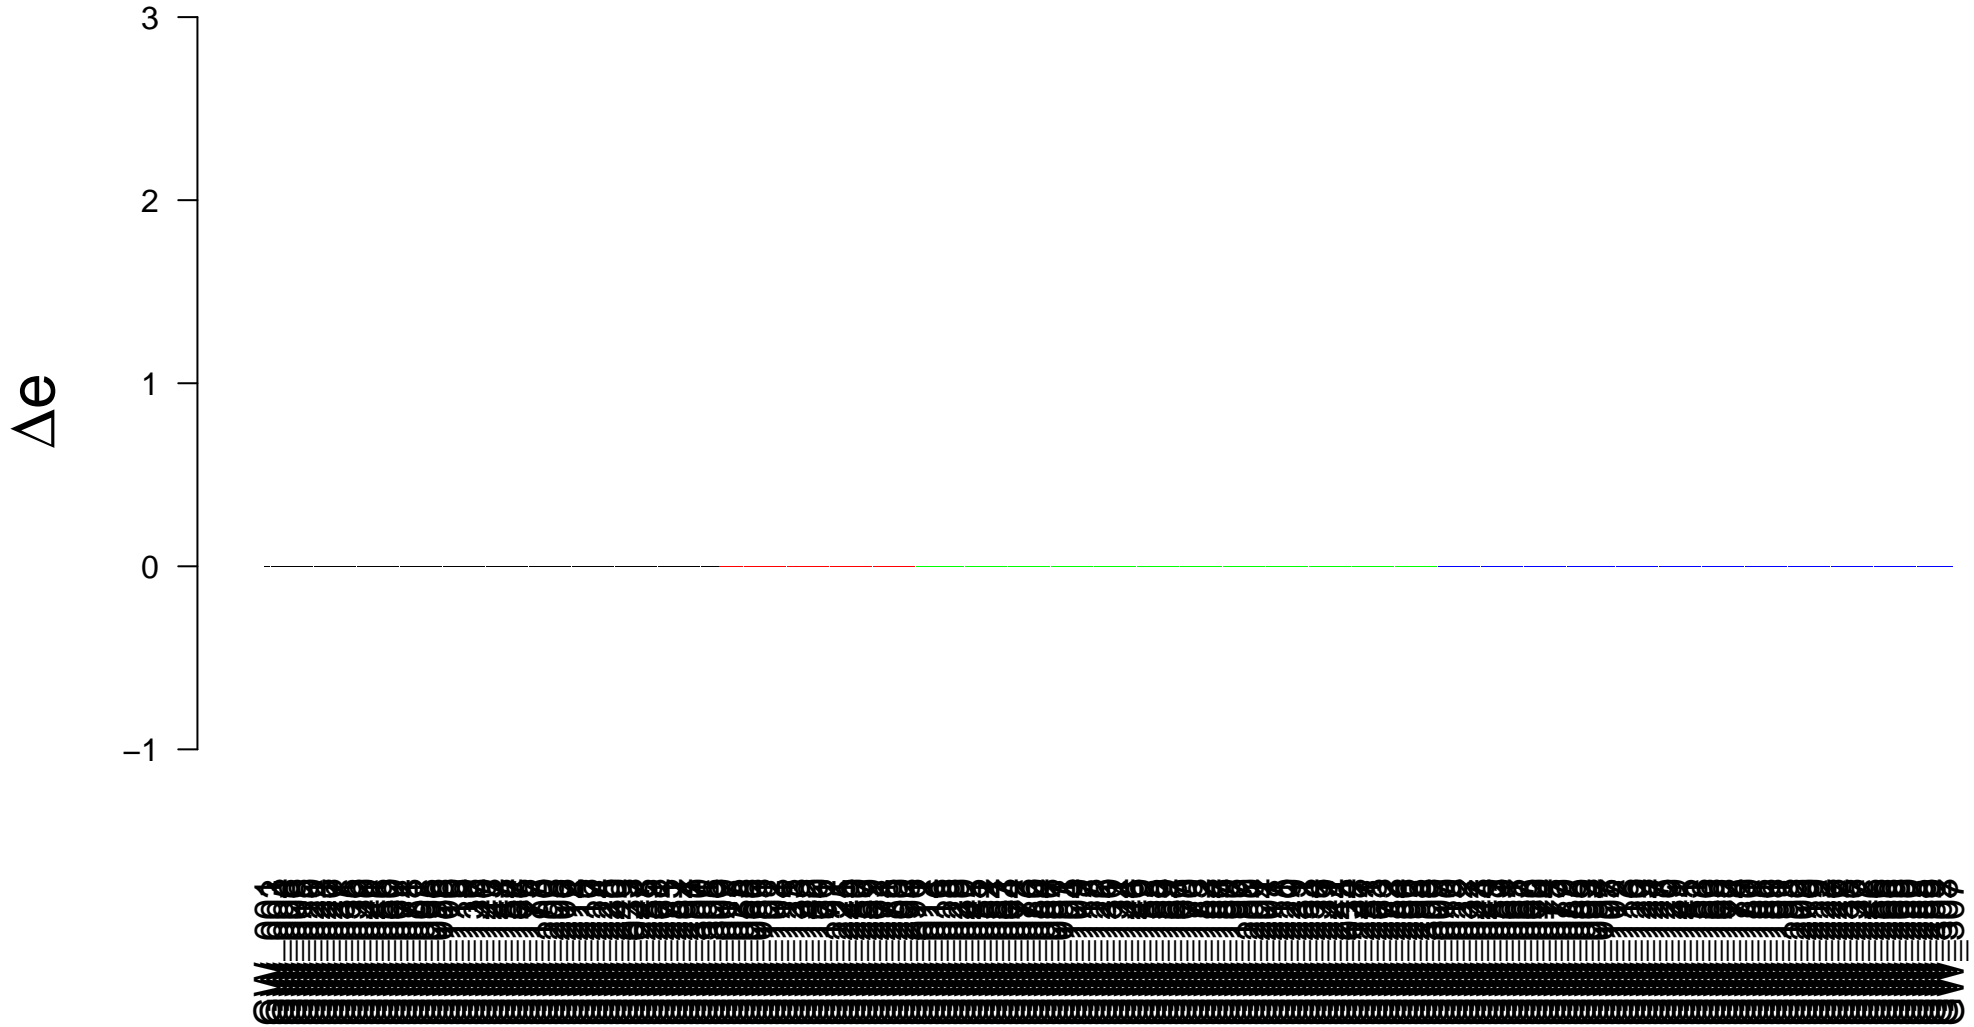

Expression of lipid transporter activity in Spot I

Expression of lipid transporter activity in Spot J

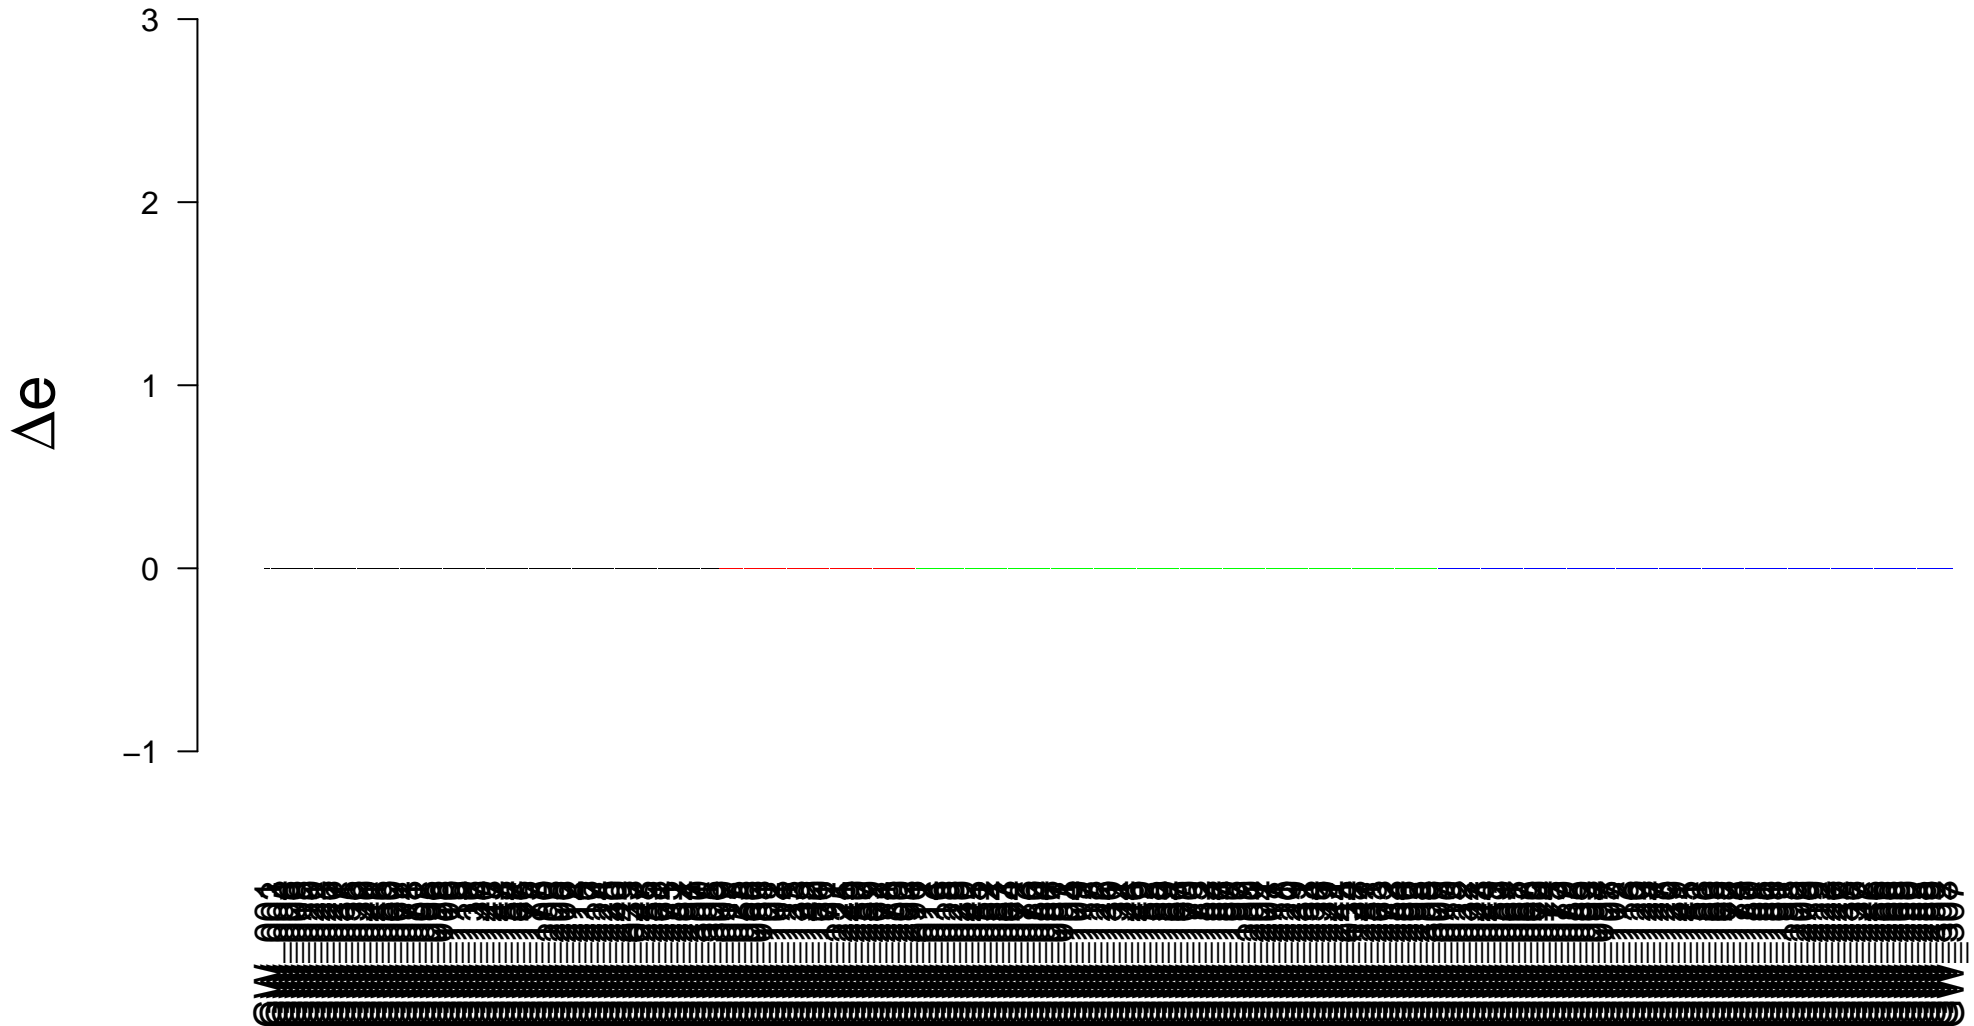

Expression of lipid transporter activity in Spot K

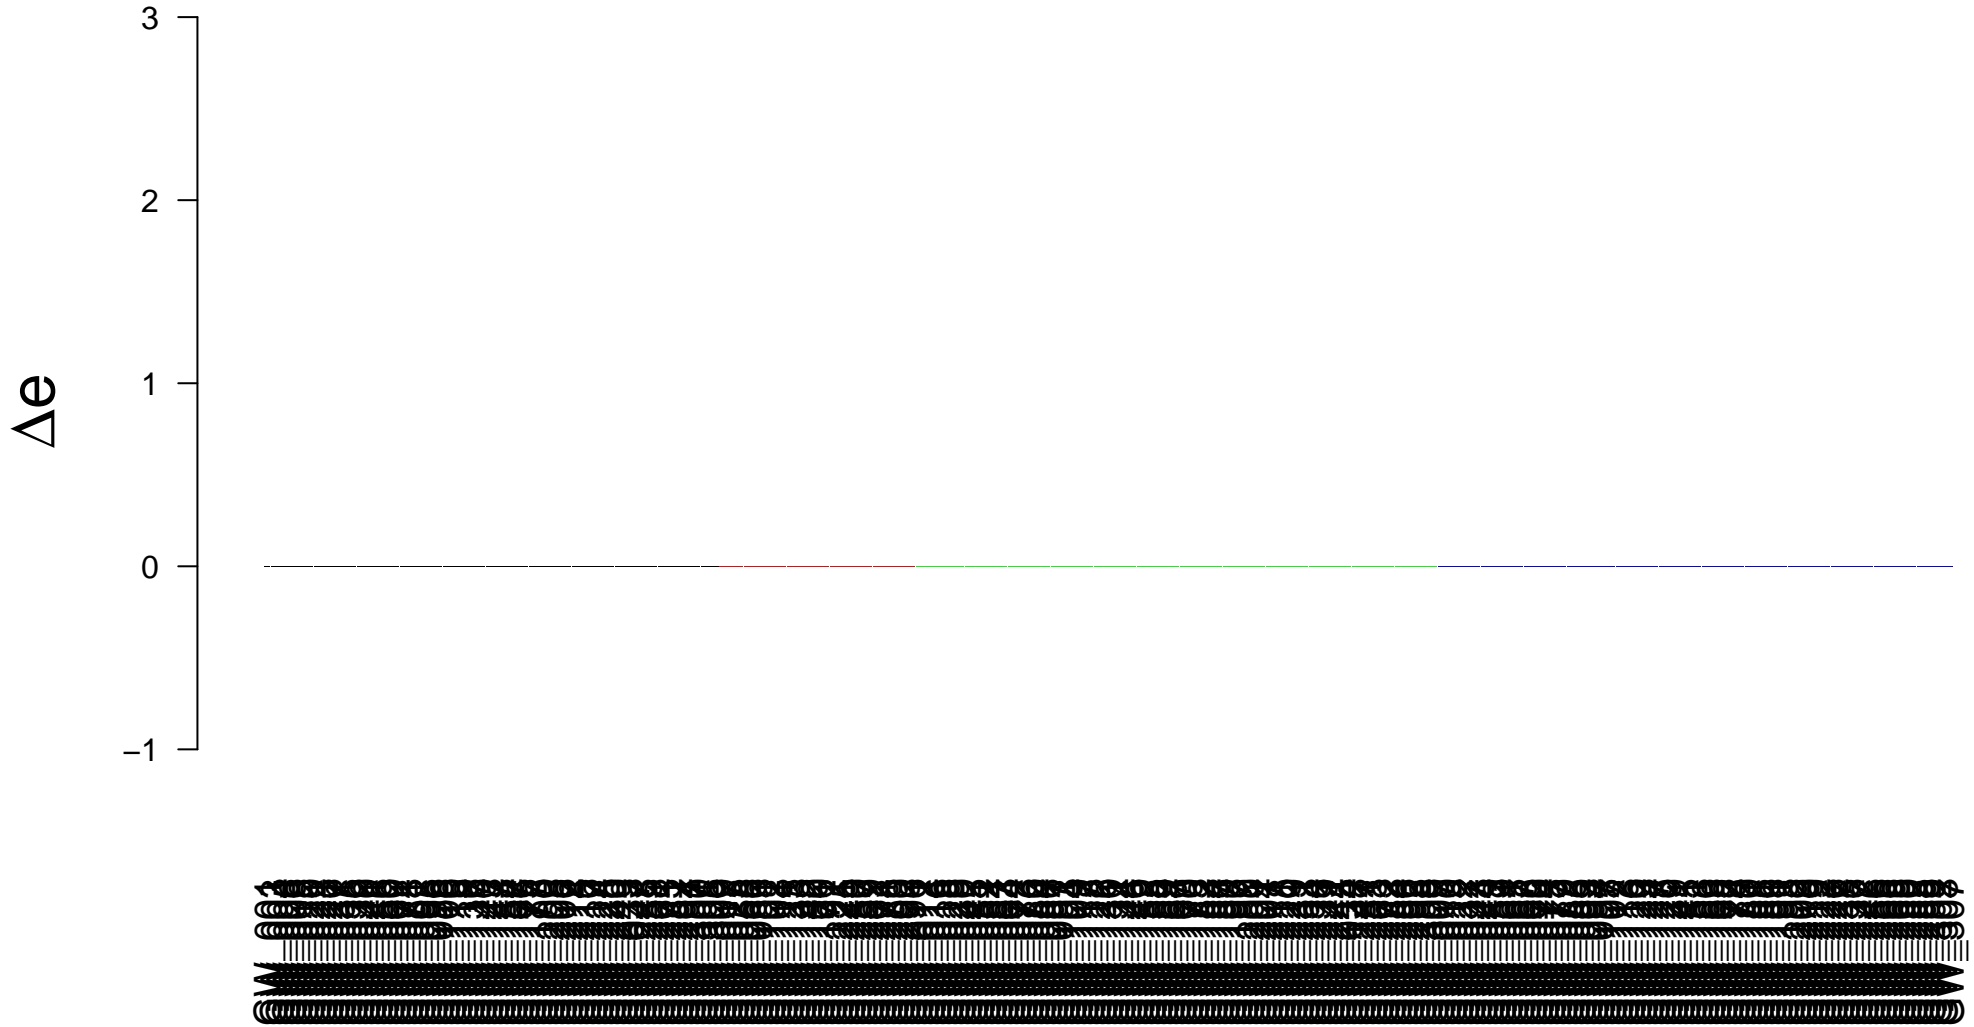

Expression of lipid transporter activity in Spot L

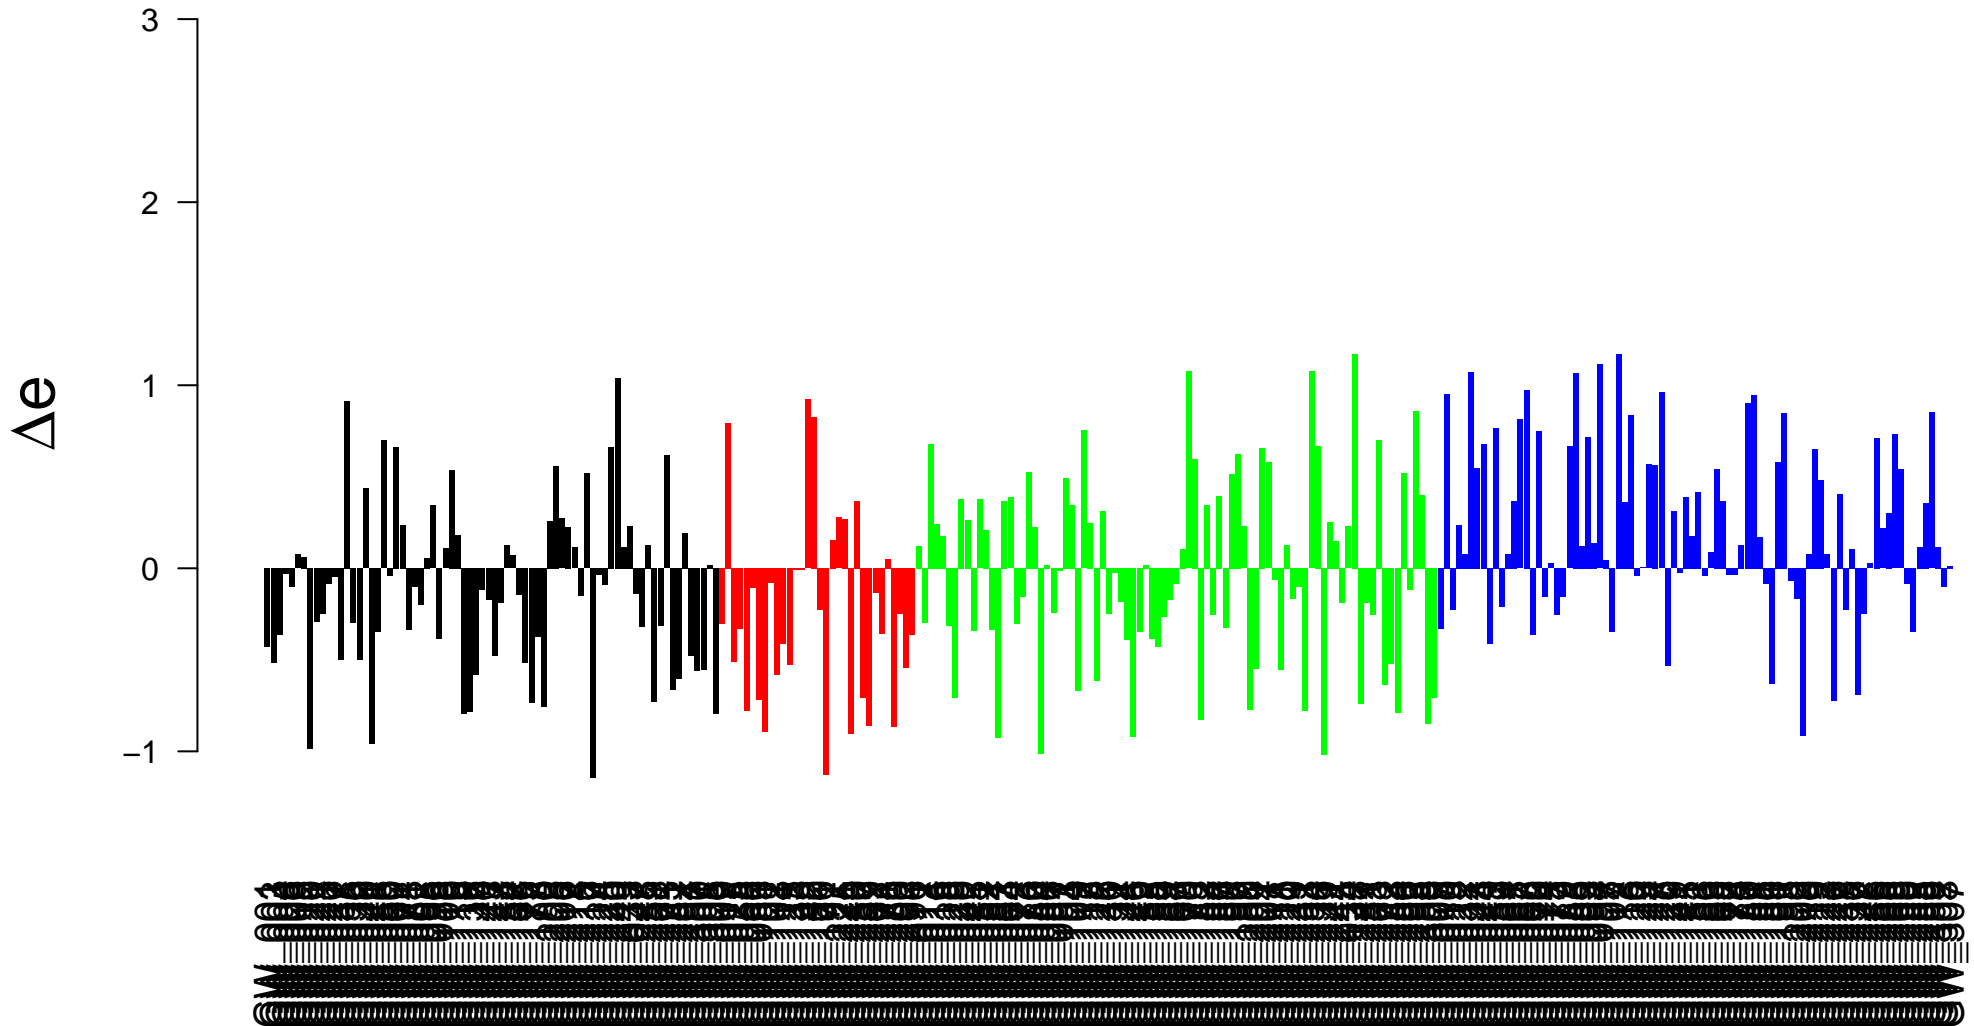

Expression of lipid transporter activity in Spot M

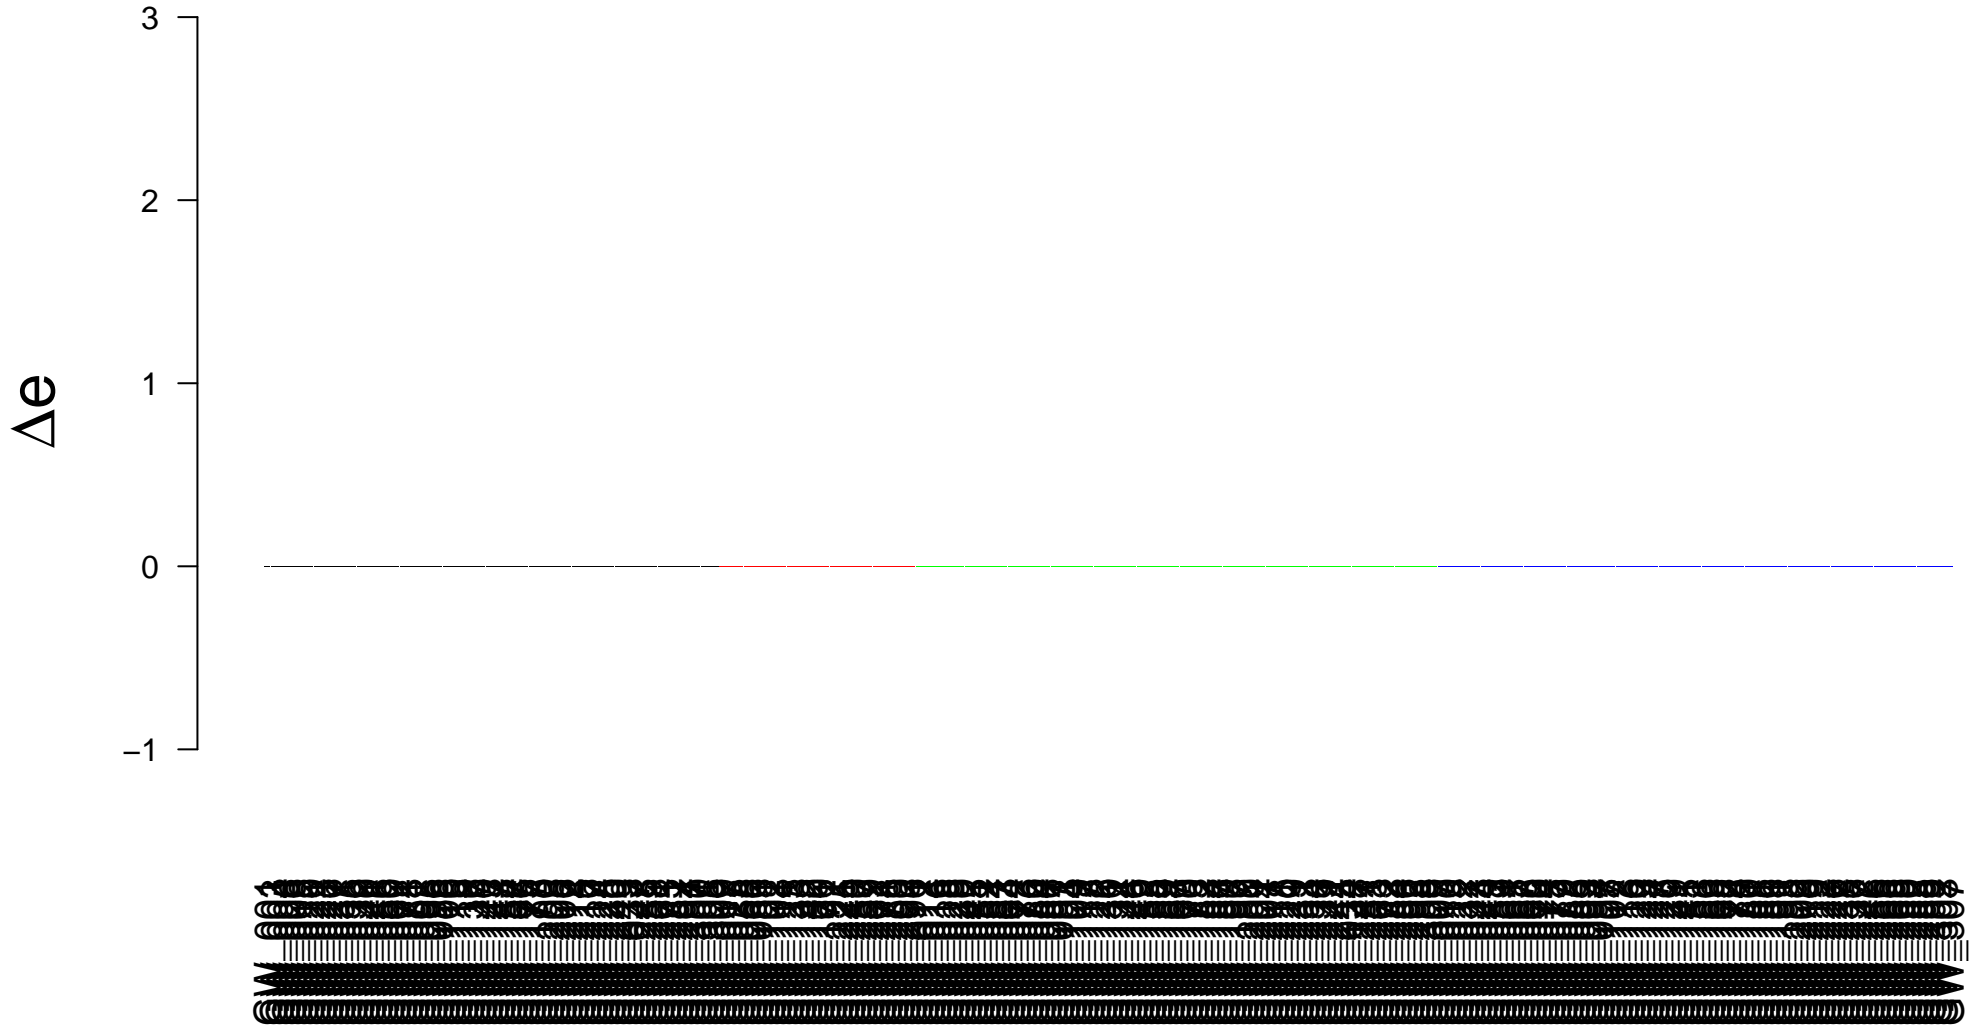

Expression of lipid transporter activity in Spot N

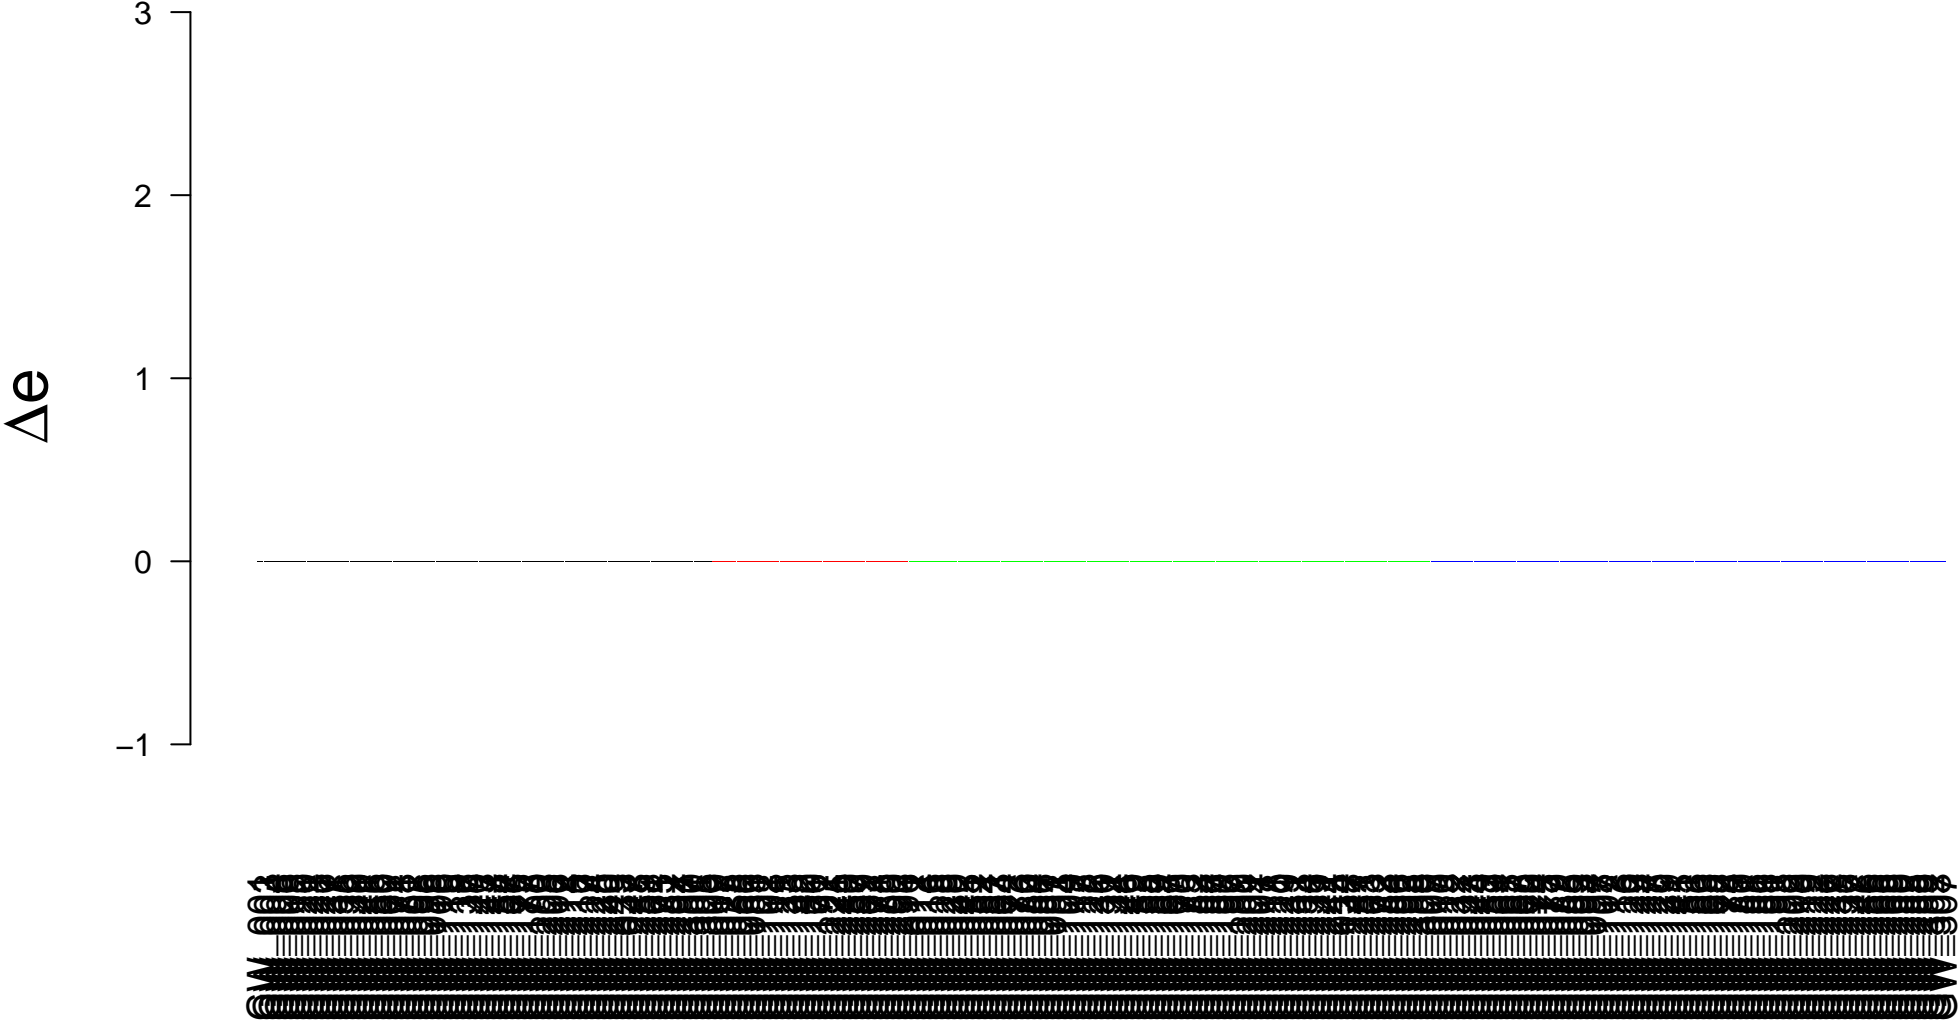

Expression of lipid transporter activity in Spot O

Expression of lipid transporter activity in Spot P

Expression of lipid transporter activity in Spot Q

Expression of lipid transporter activity in Spot R
