

long-term synaptic potentiation

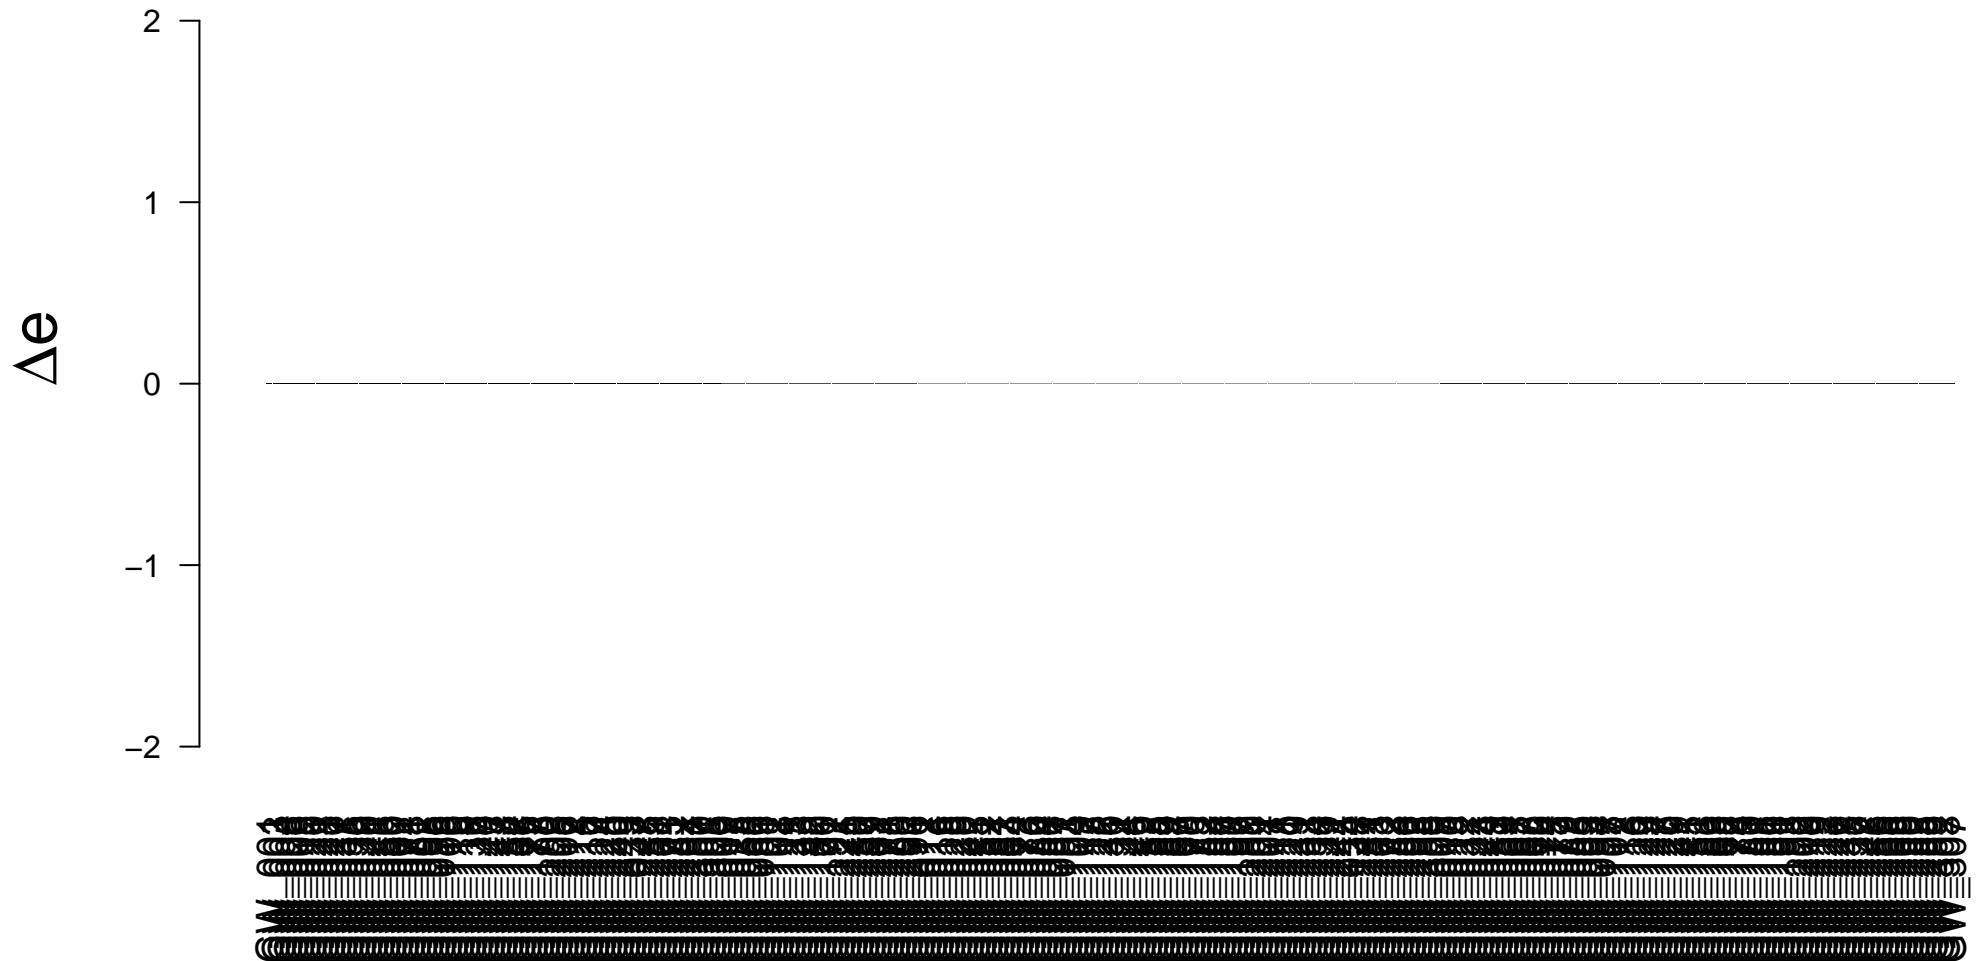

long-term synaptic potentiation

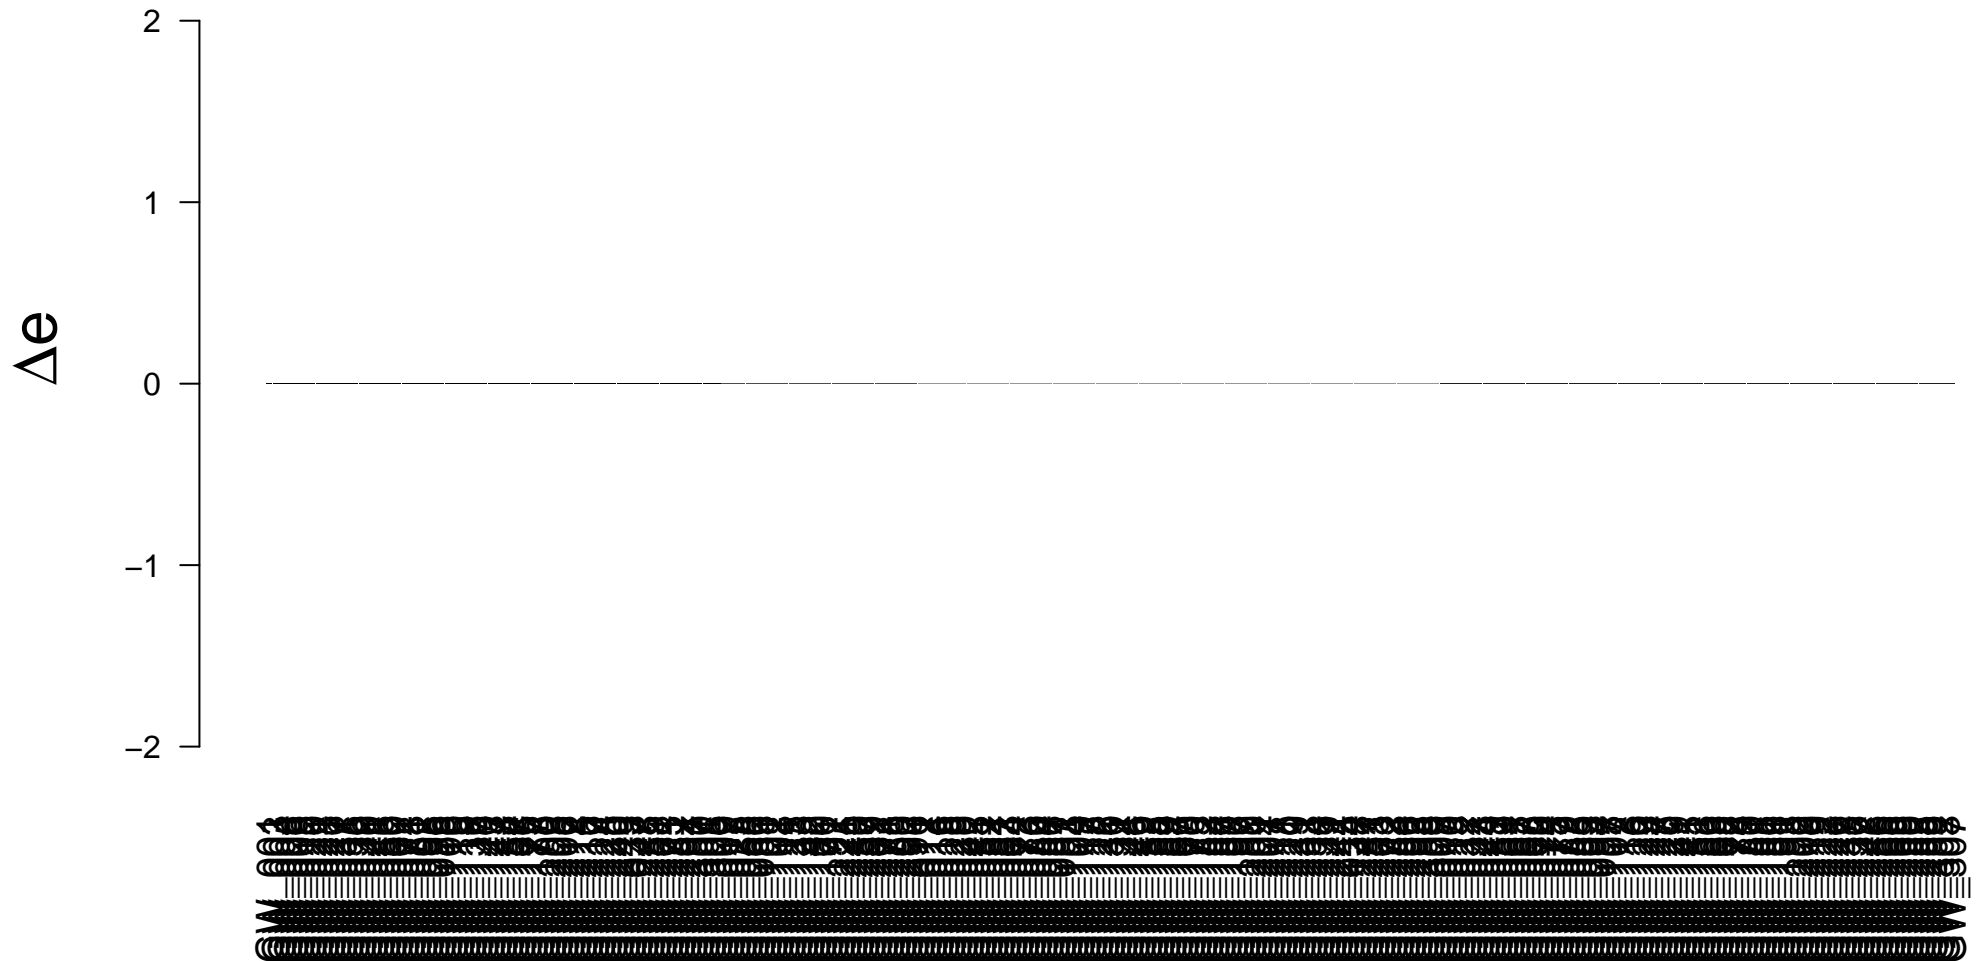

Enrichment in spots: long-term synaptic potentiation

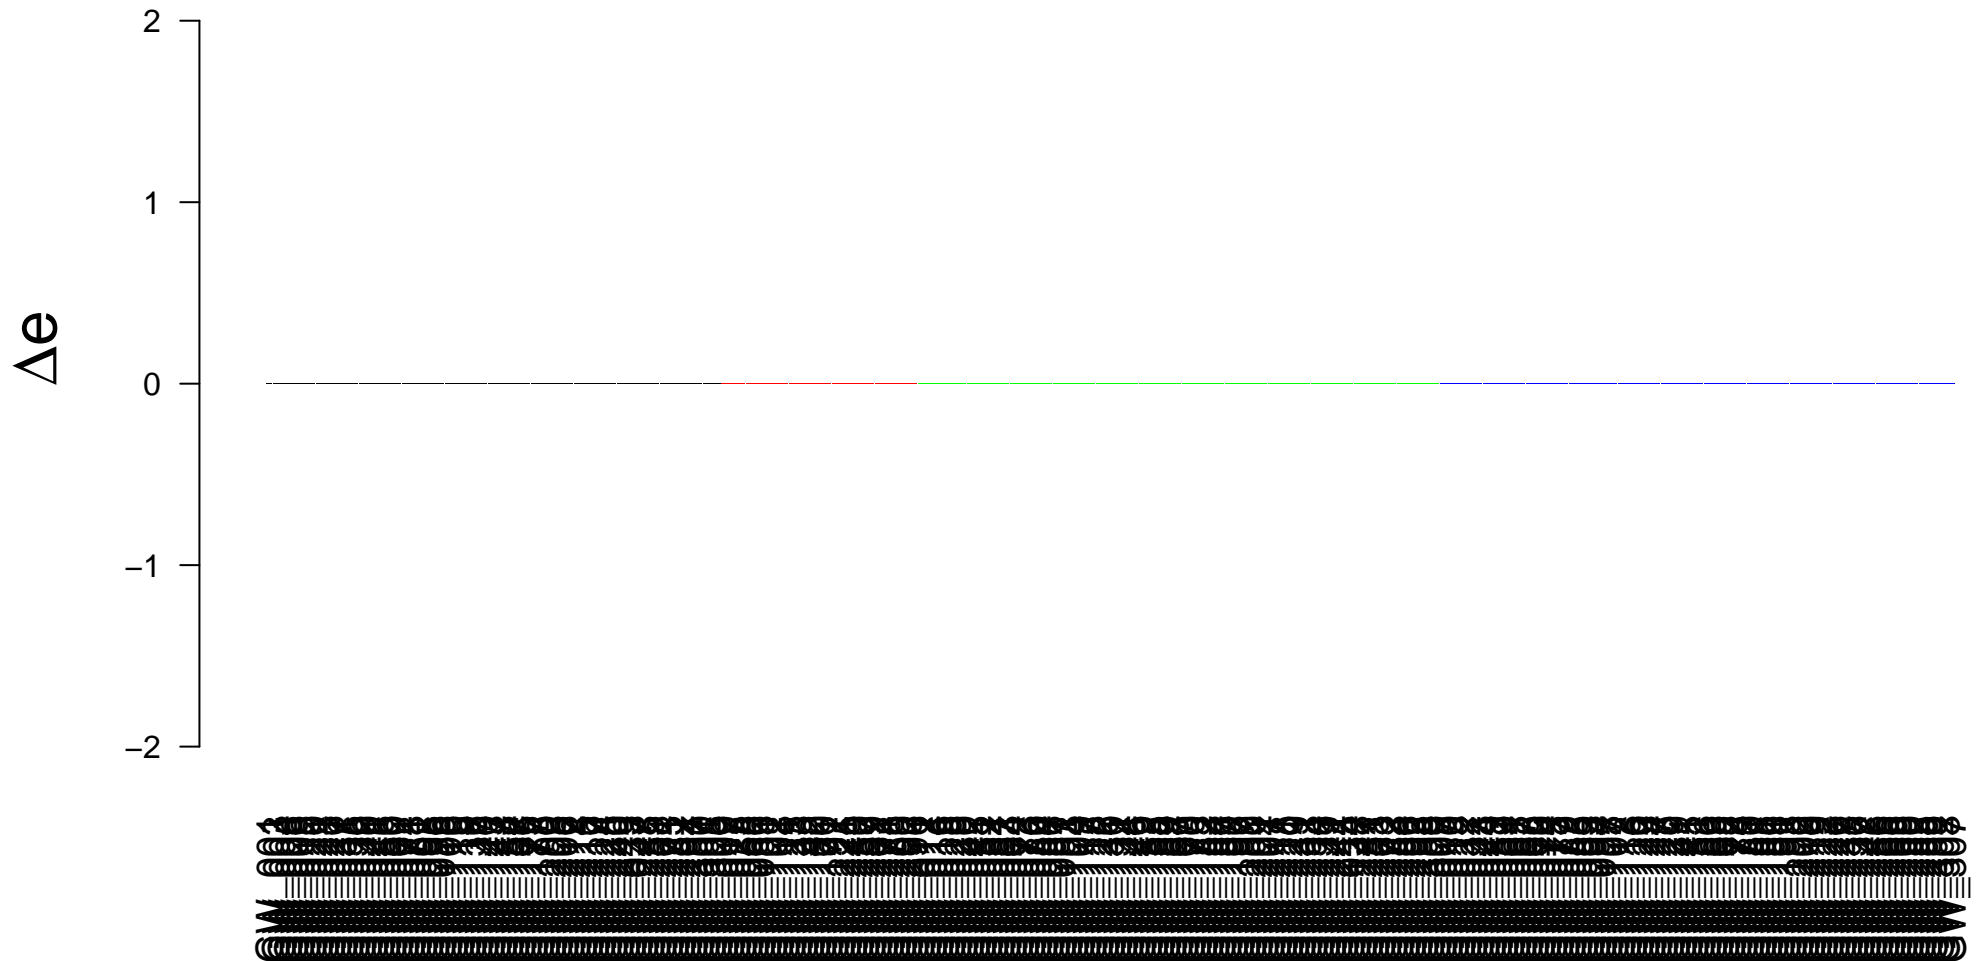

Expression of long-term synaptic potentiation in Spot A

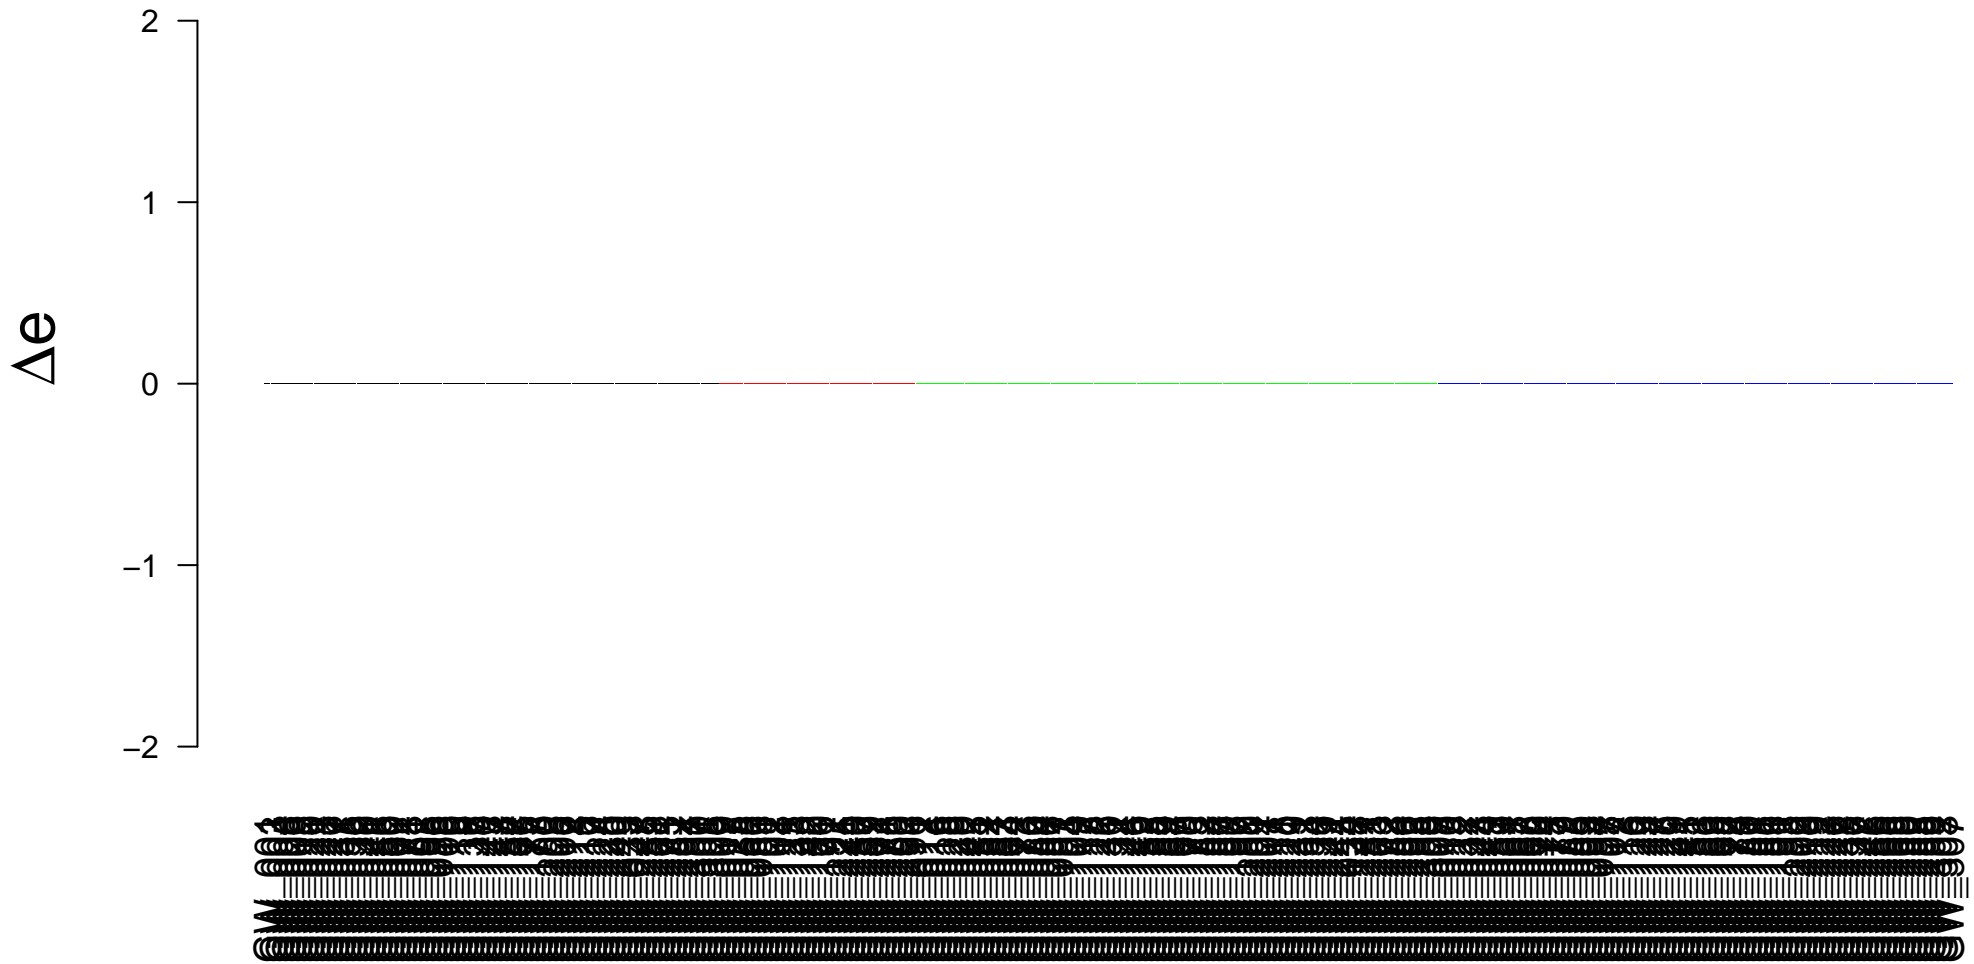

Expression of long-term synaptic potentiation in Spot B

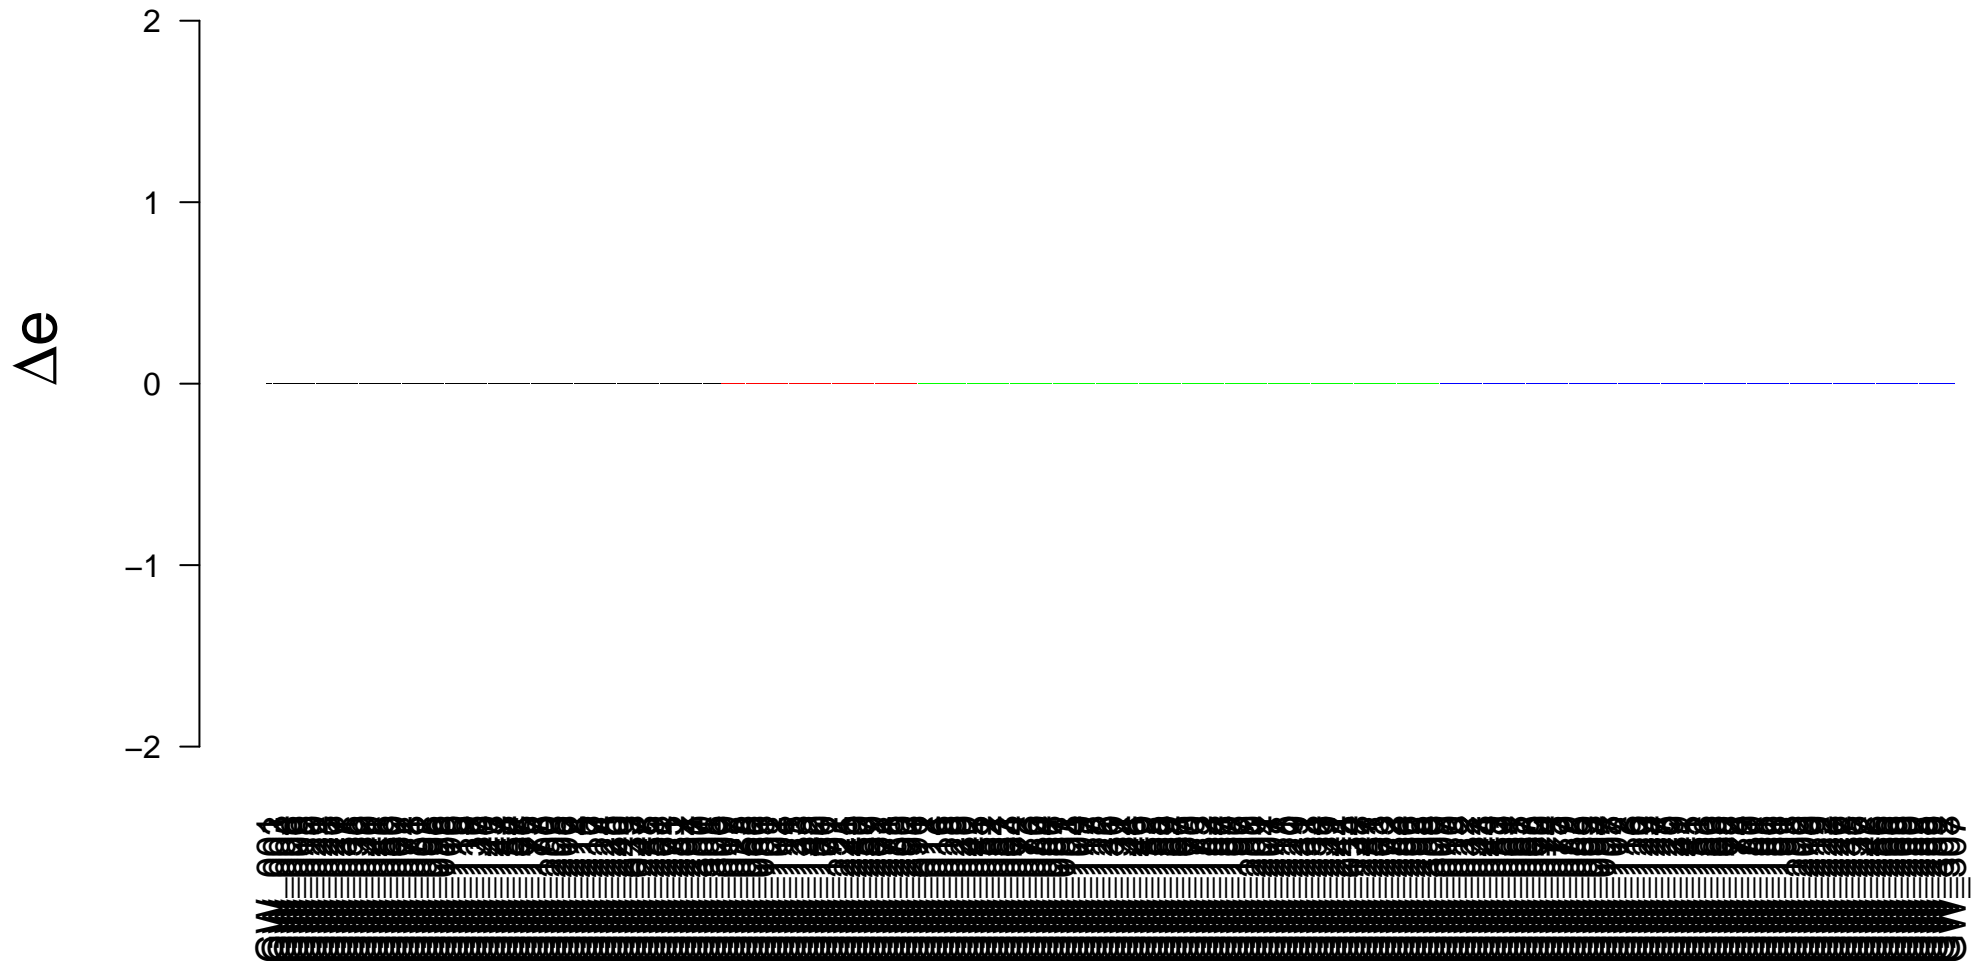

Expression of long-term synaptic potentiation in Spot C

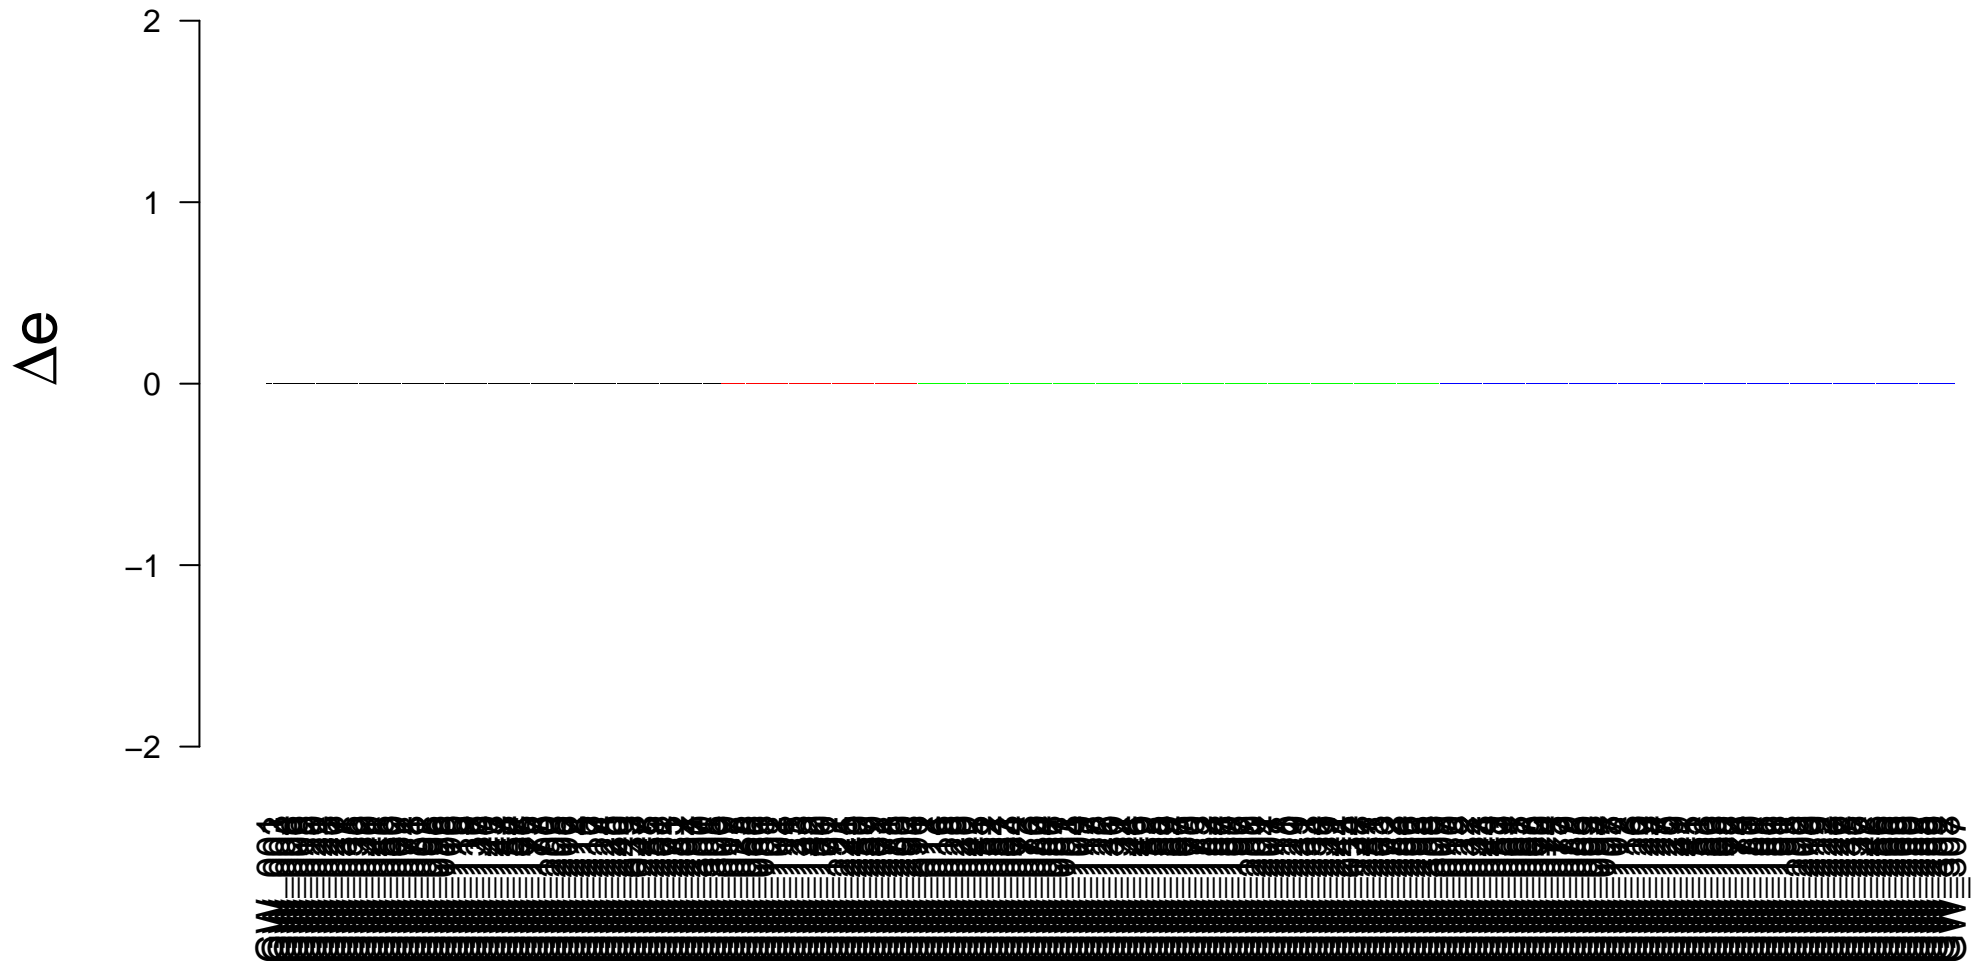

Expression of long-term synaptic potentiation in Spot D

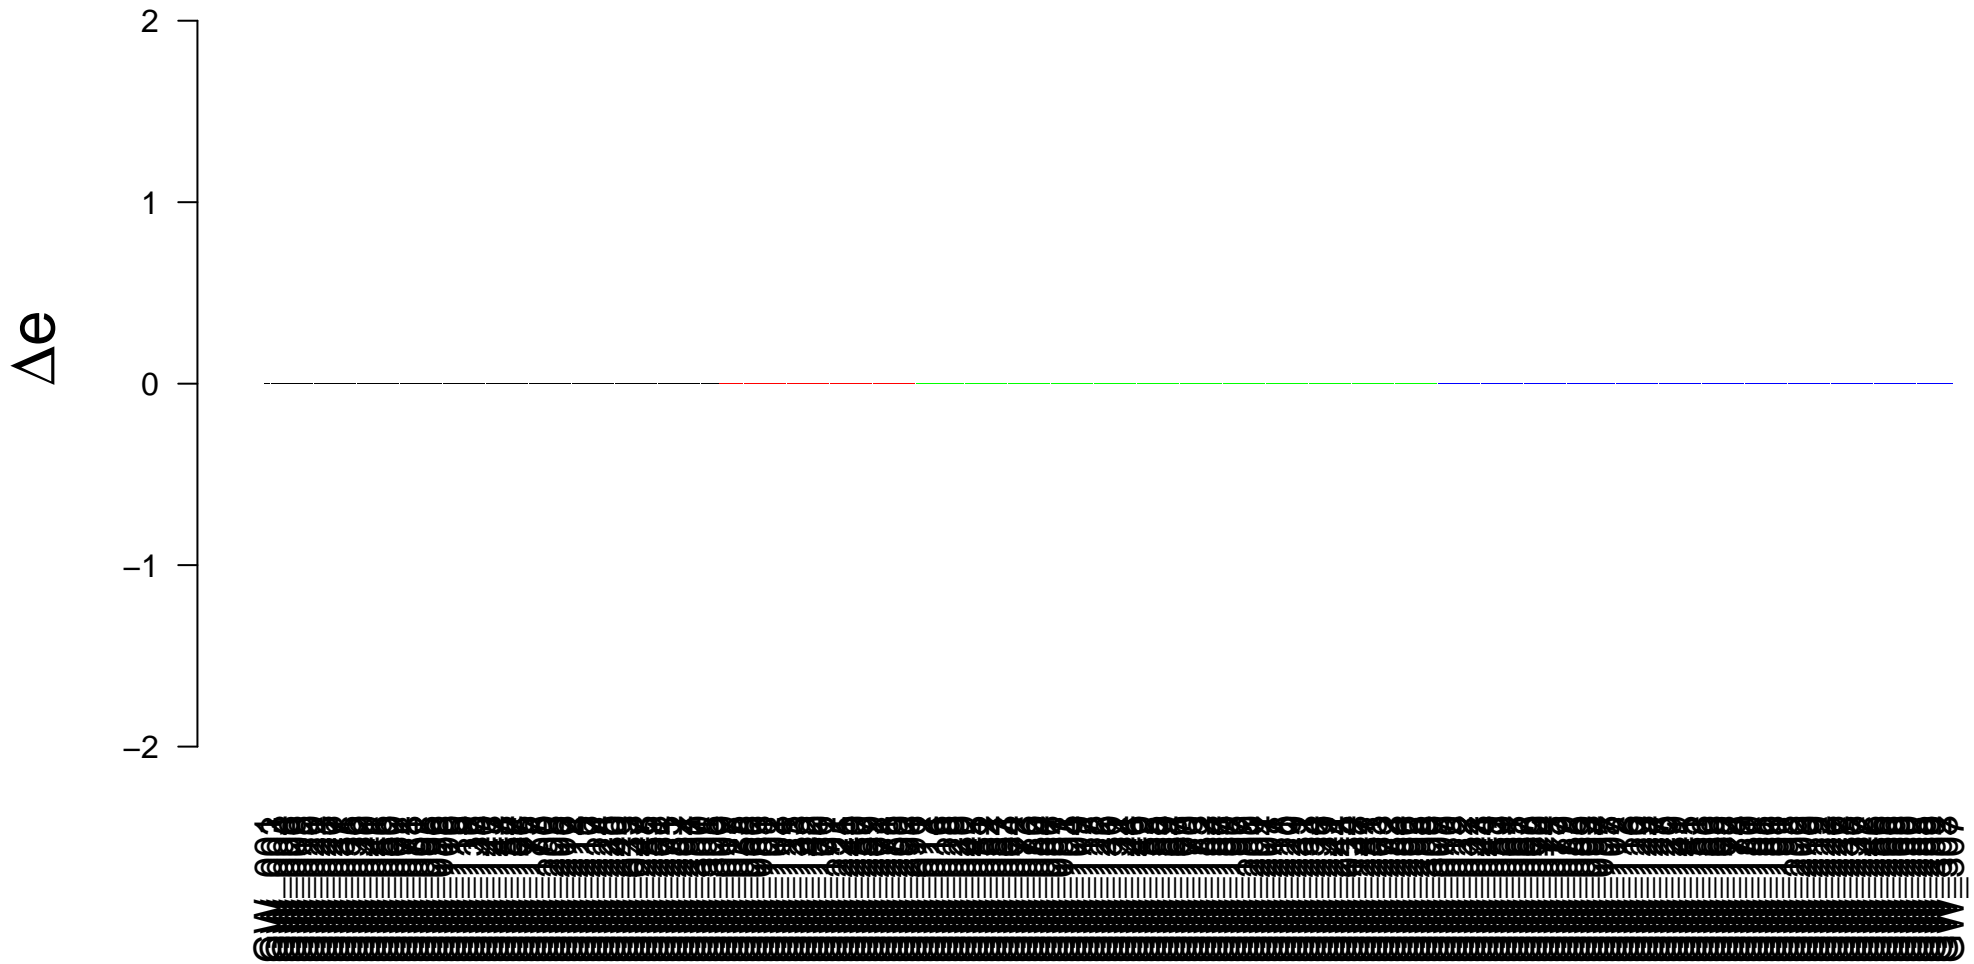

Expression of long-term synaptic potentiation in Spot E

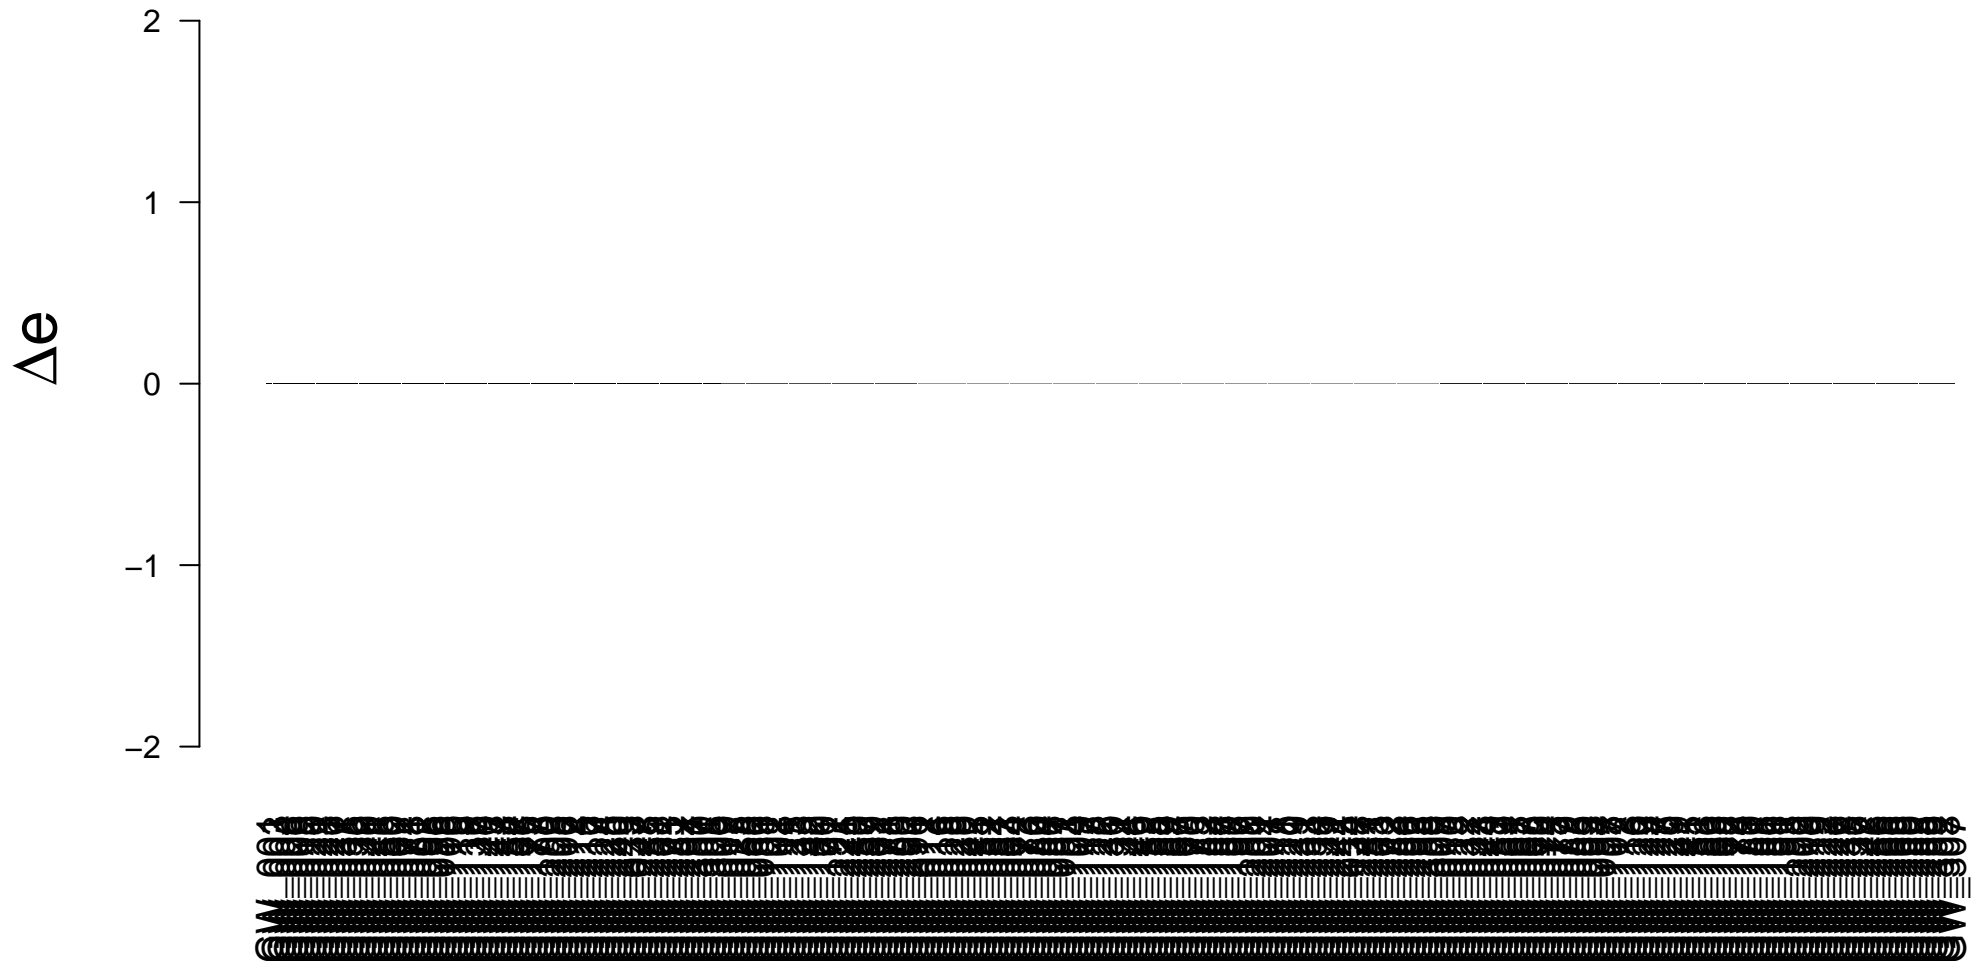

Expression of long-term synaptic potentiation in Spot F

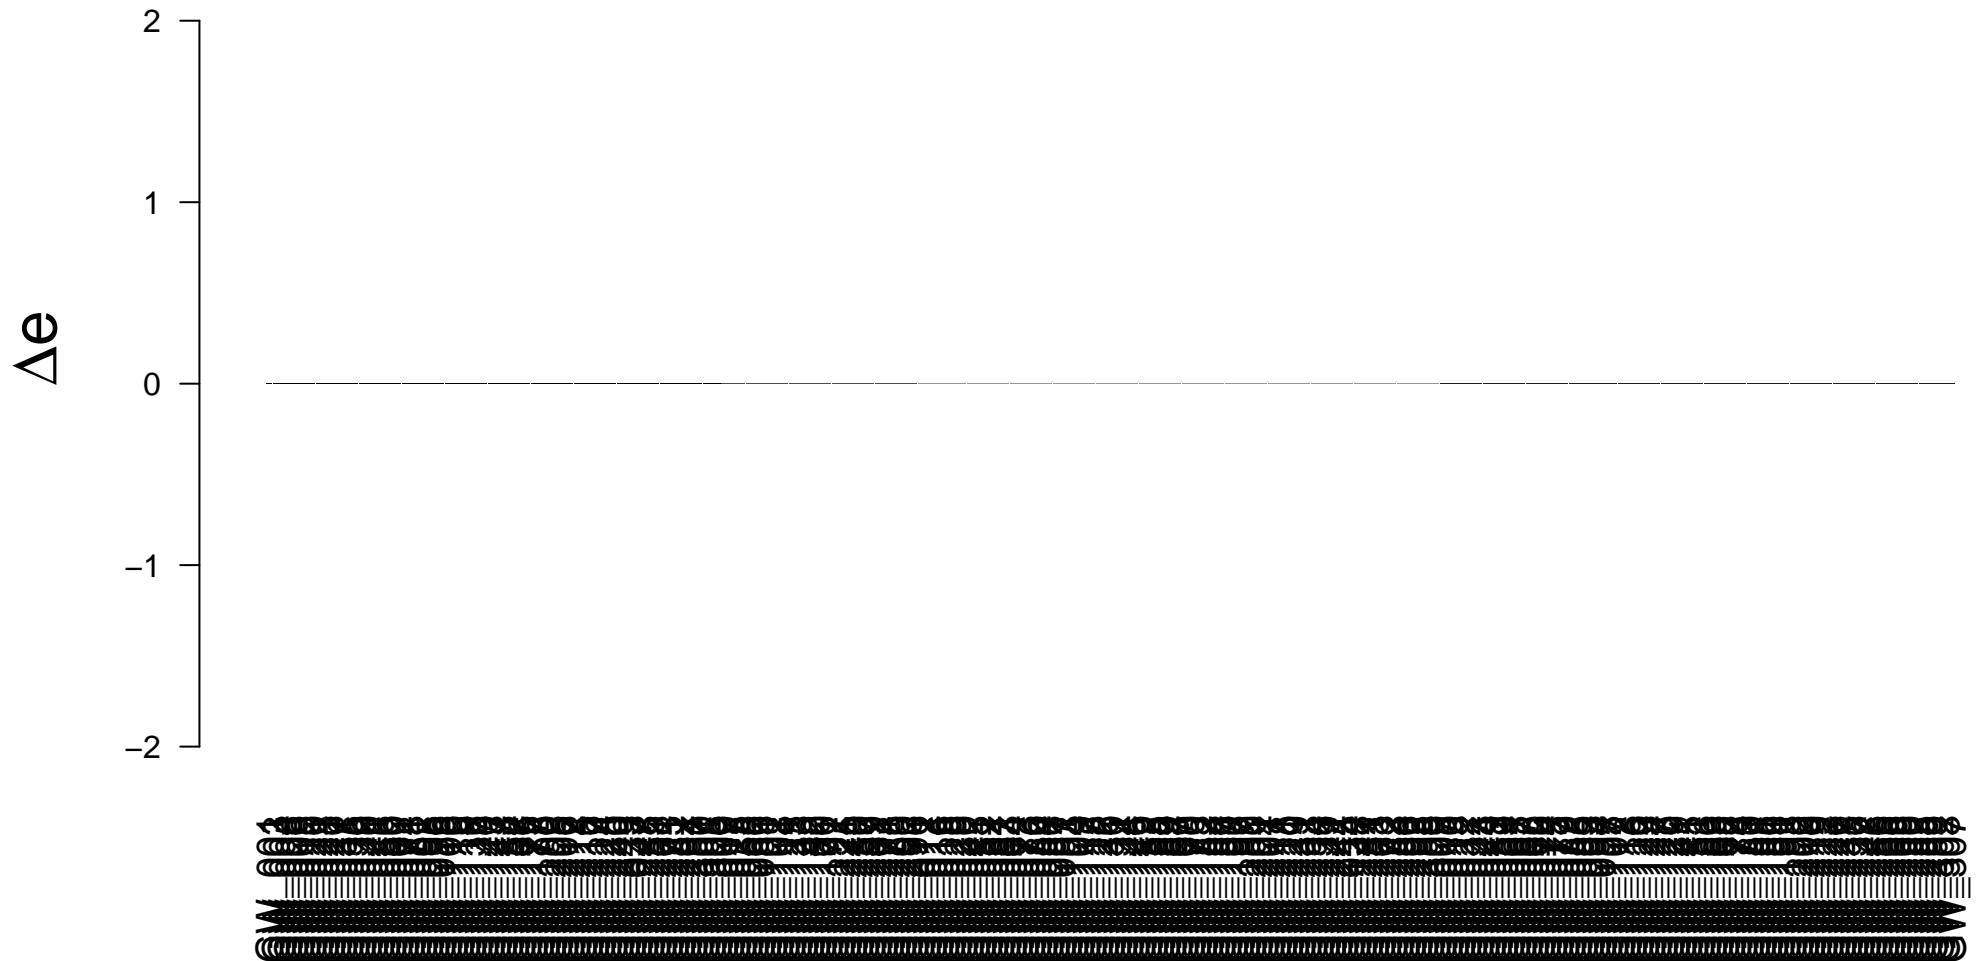

Expression of long-term synaptic potentiation in Spot G

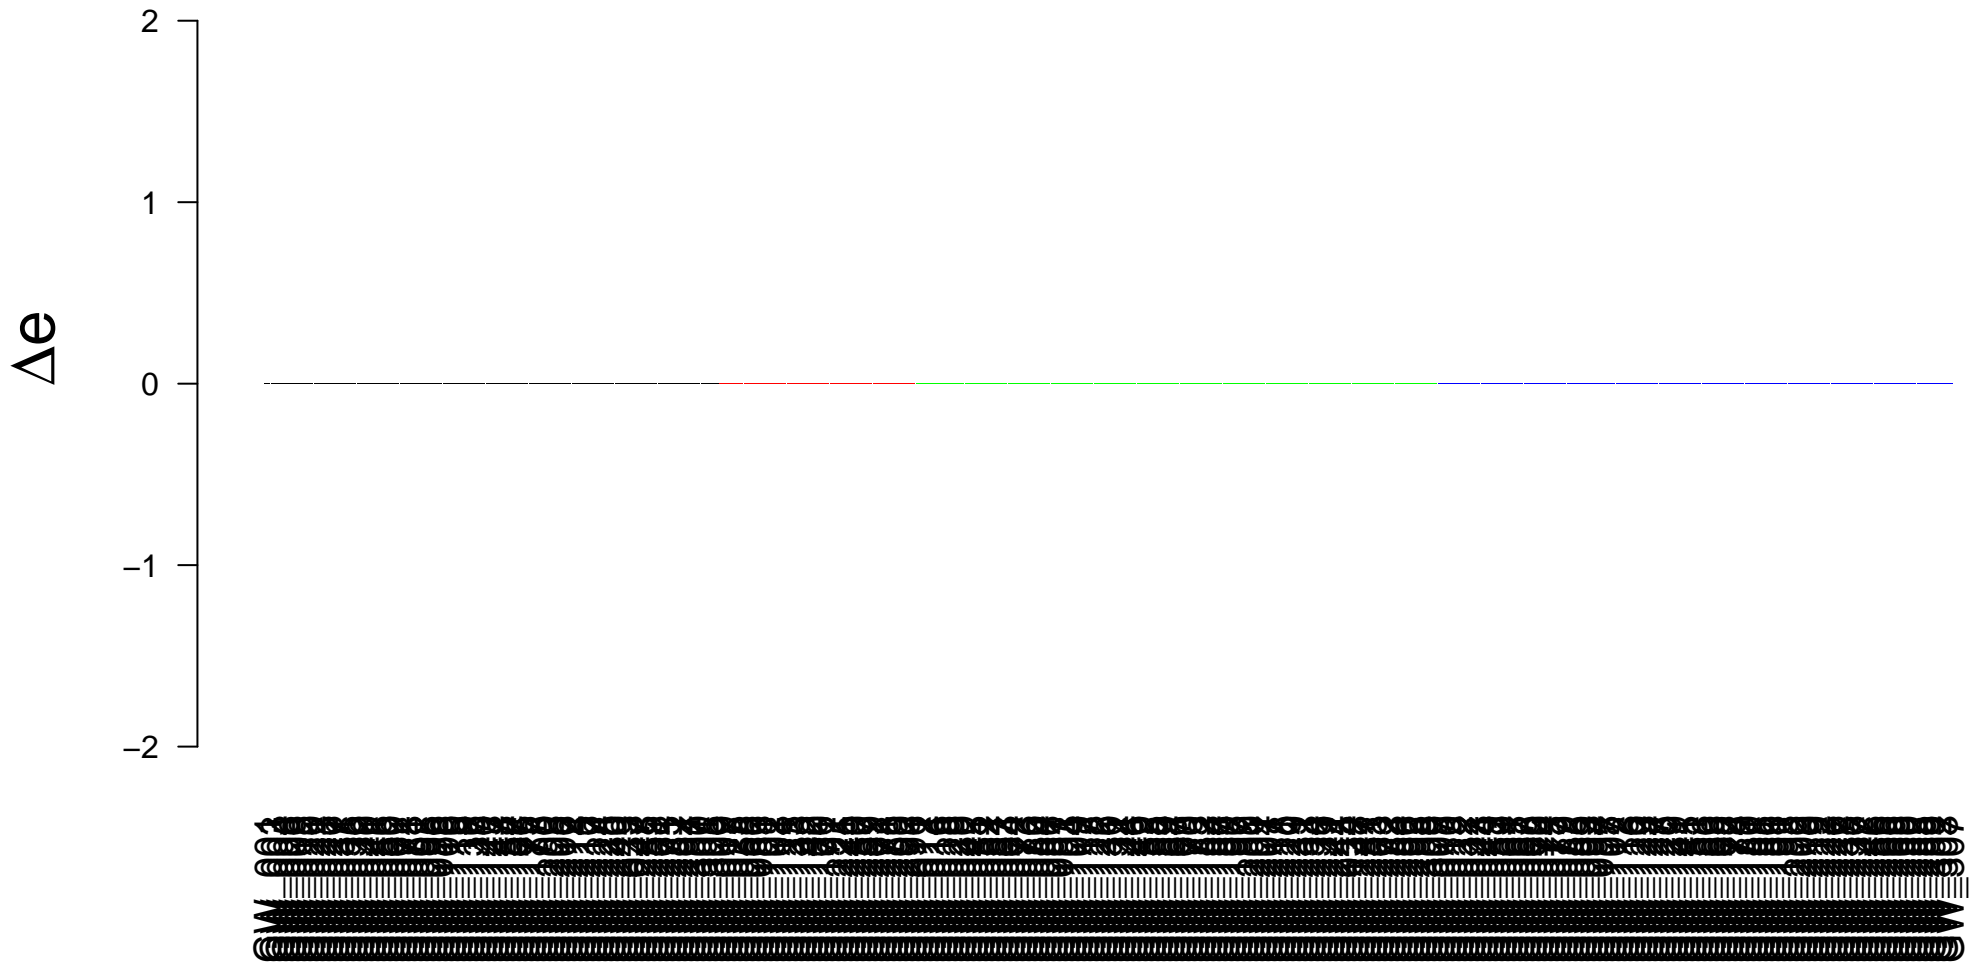

Expression of long-term synaptic potentiation in Spot H

Expression of long-term synaptic potentiation in Spot I

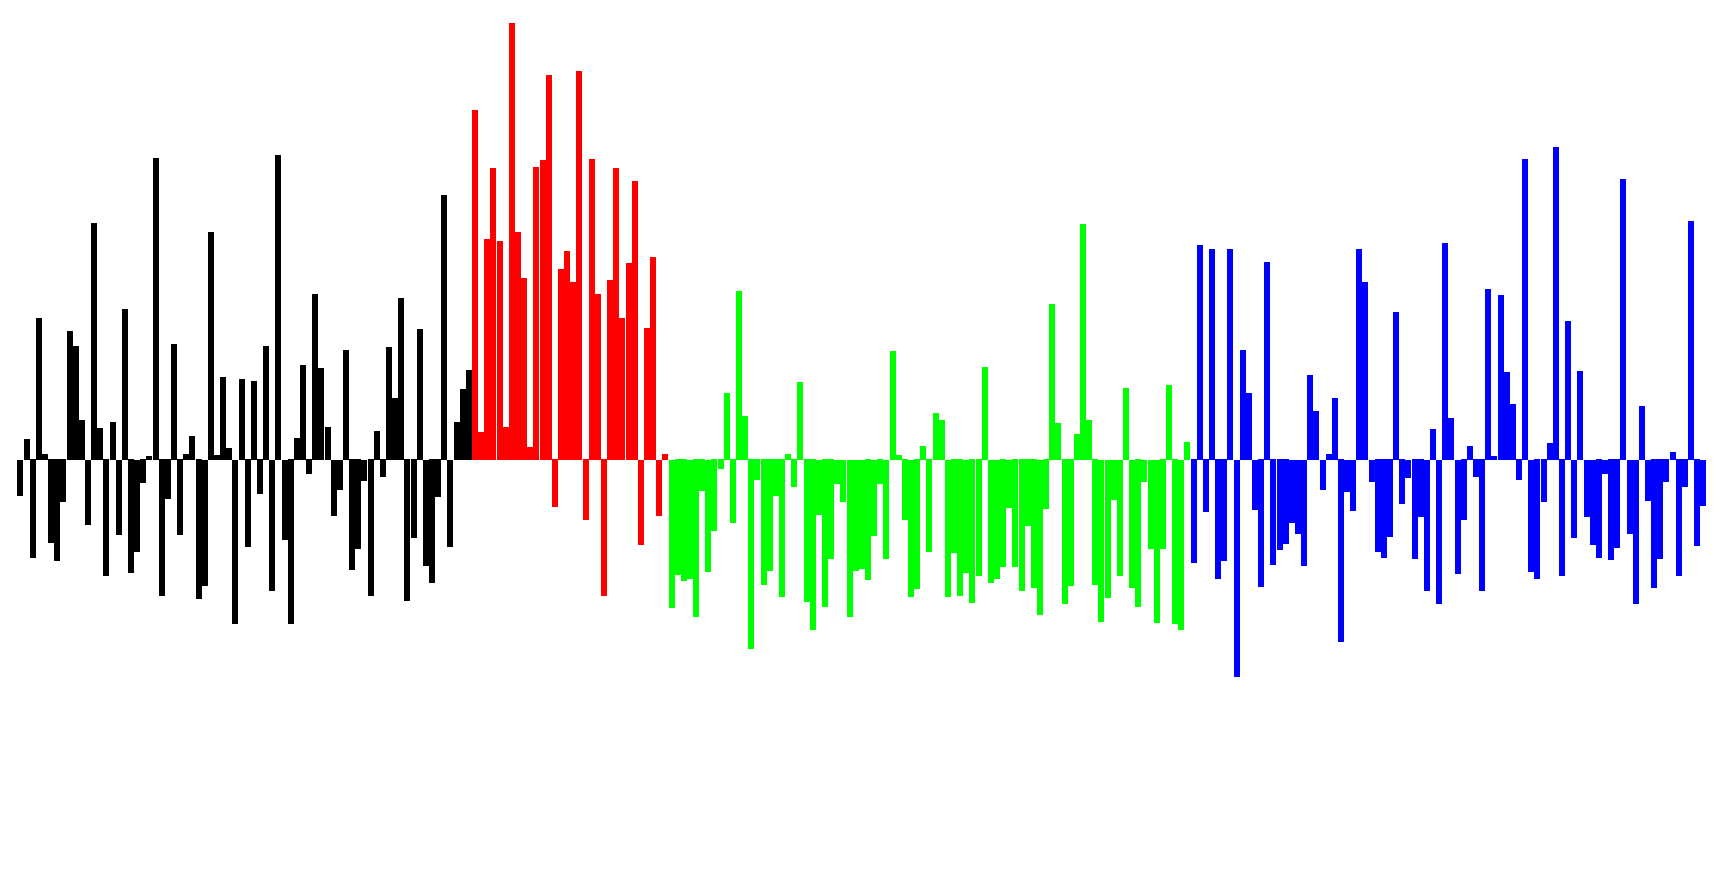

Expression of long-term synaptic potentiation in Spot J

Expression of long-term synaptic potentiation in Spot K
