

lymph node development

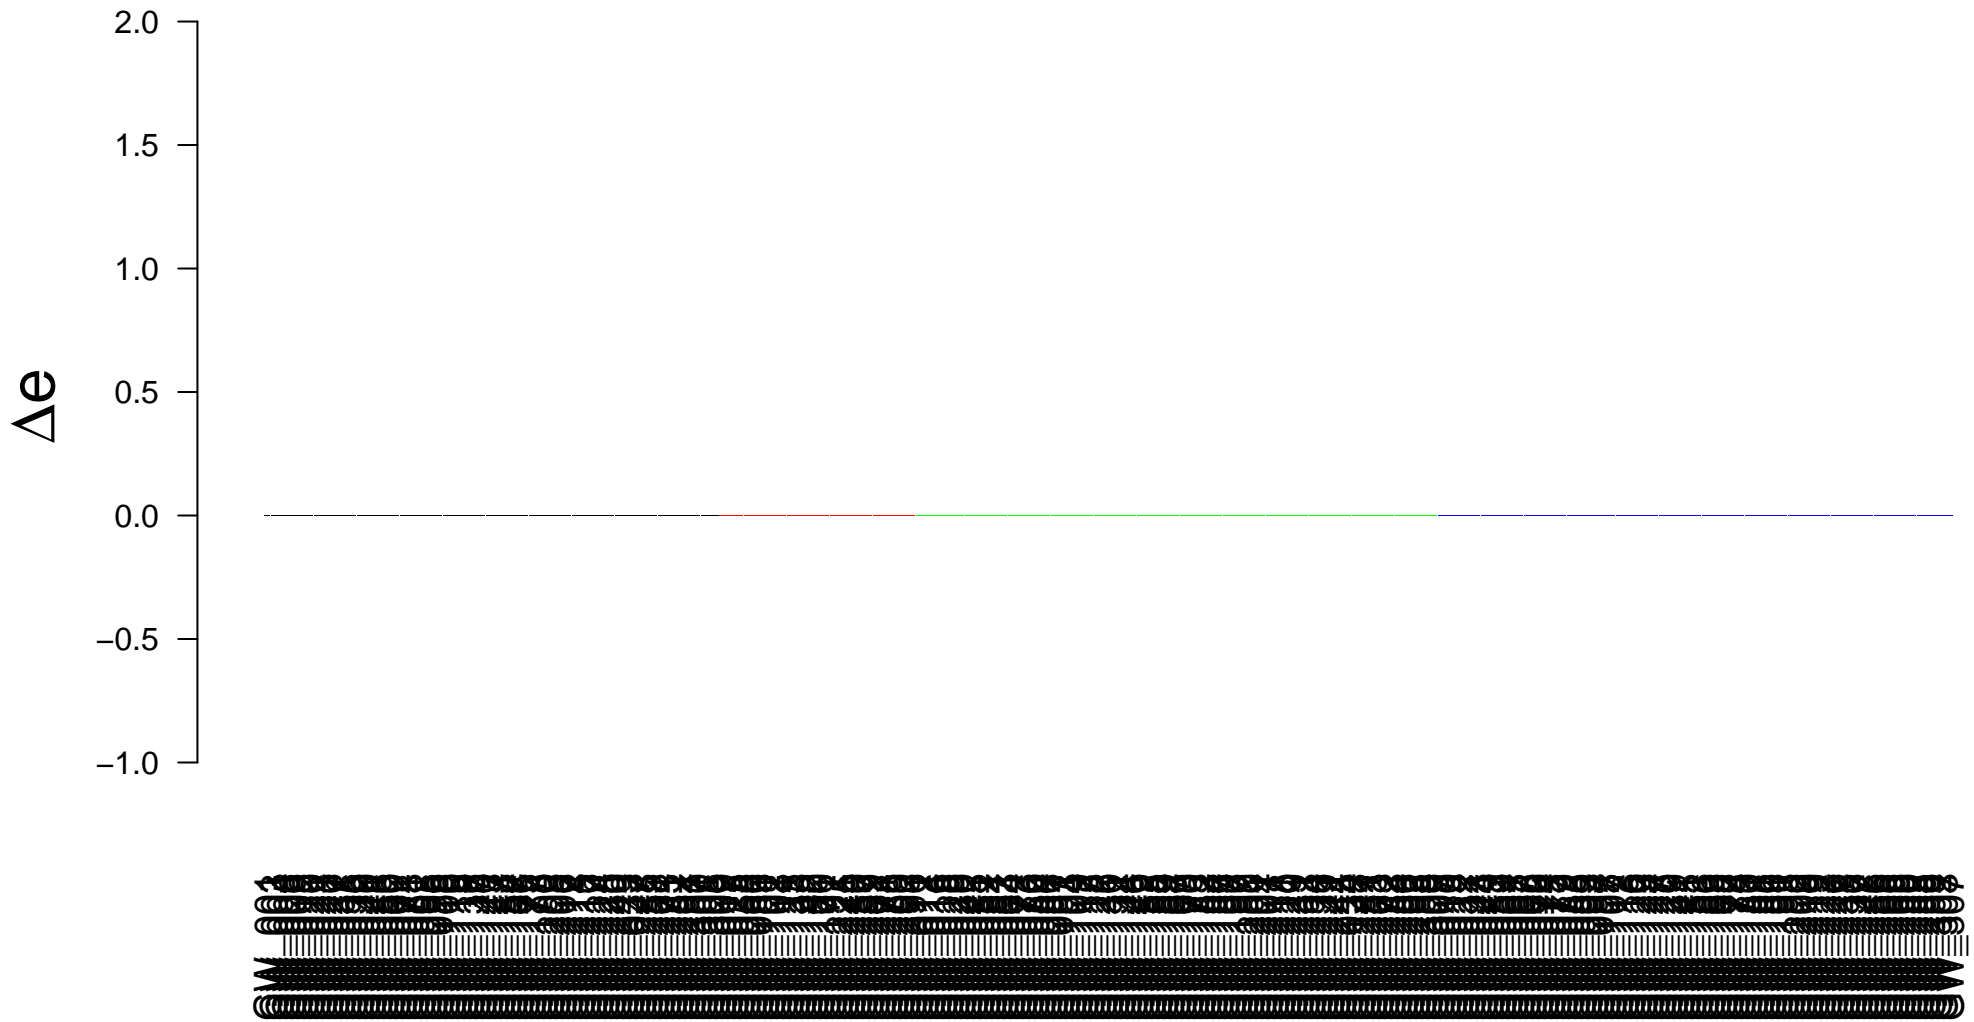

lymph node development

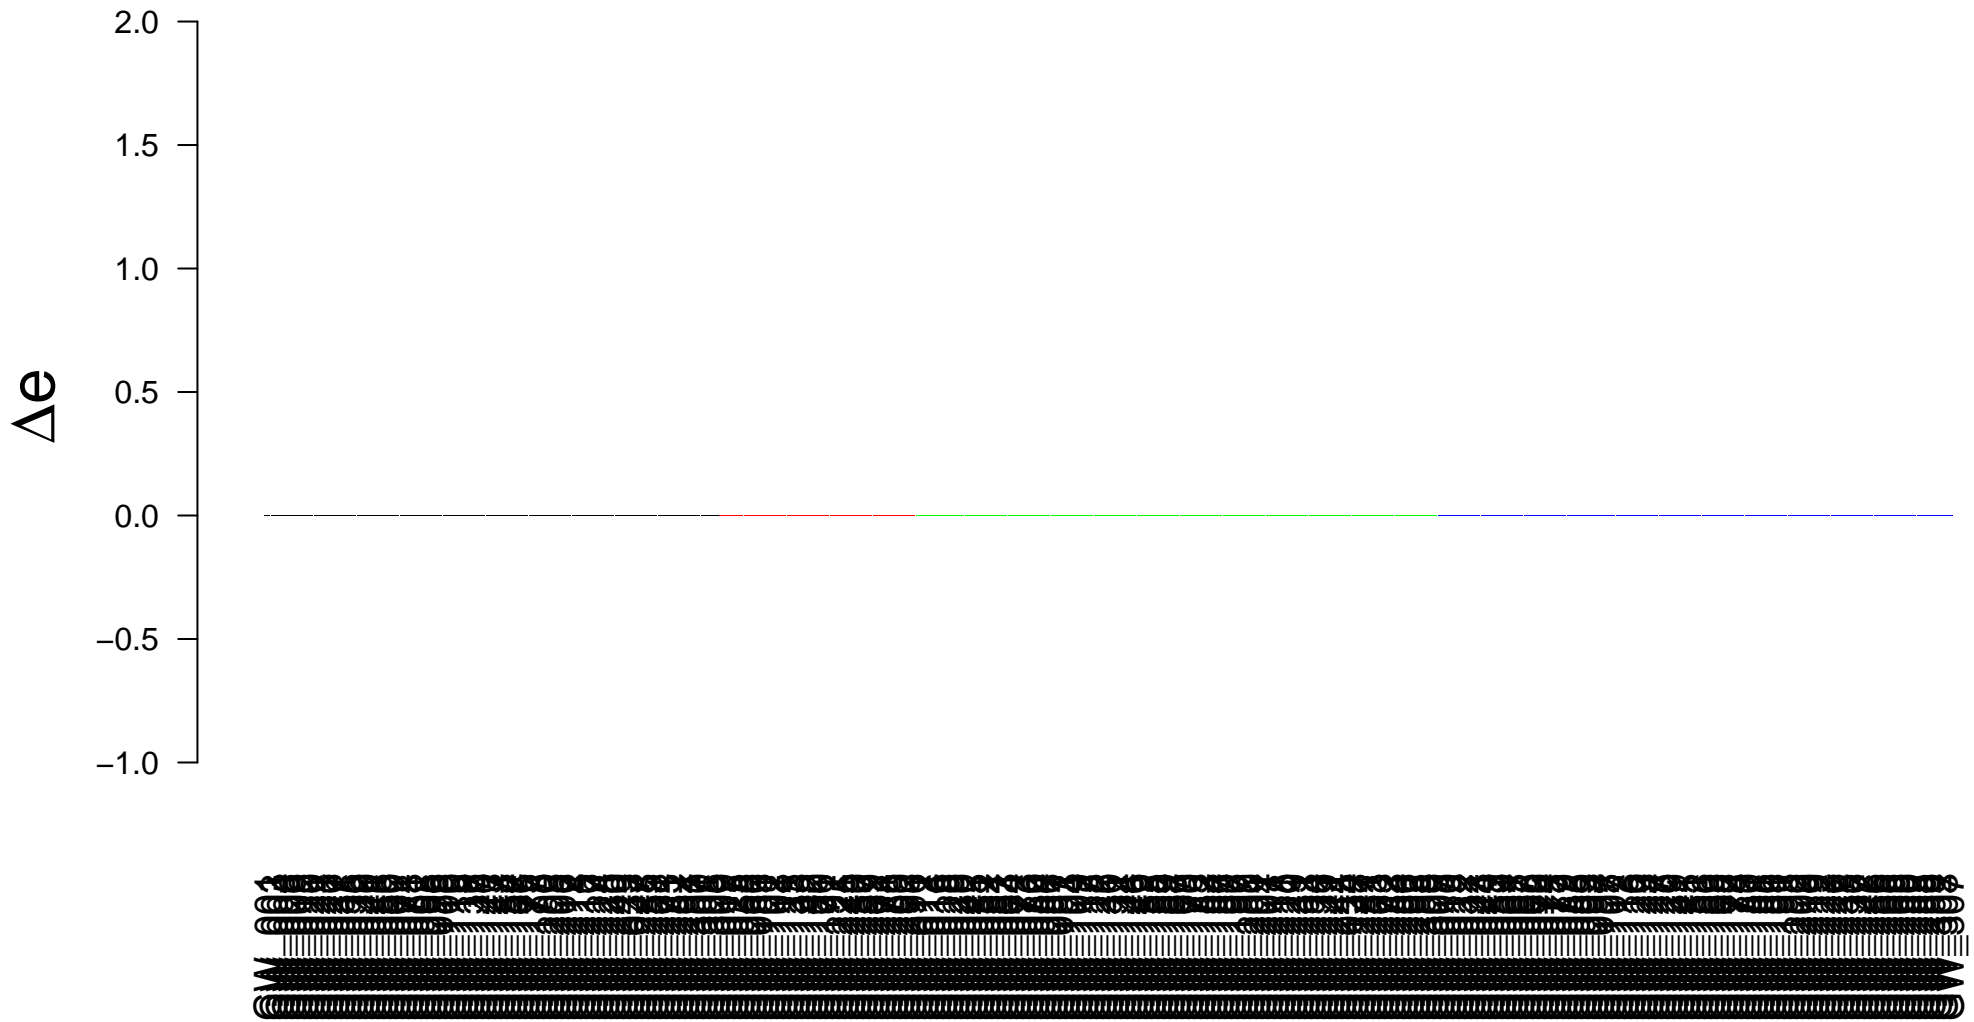

Enrichment in spots: lymph node development

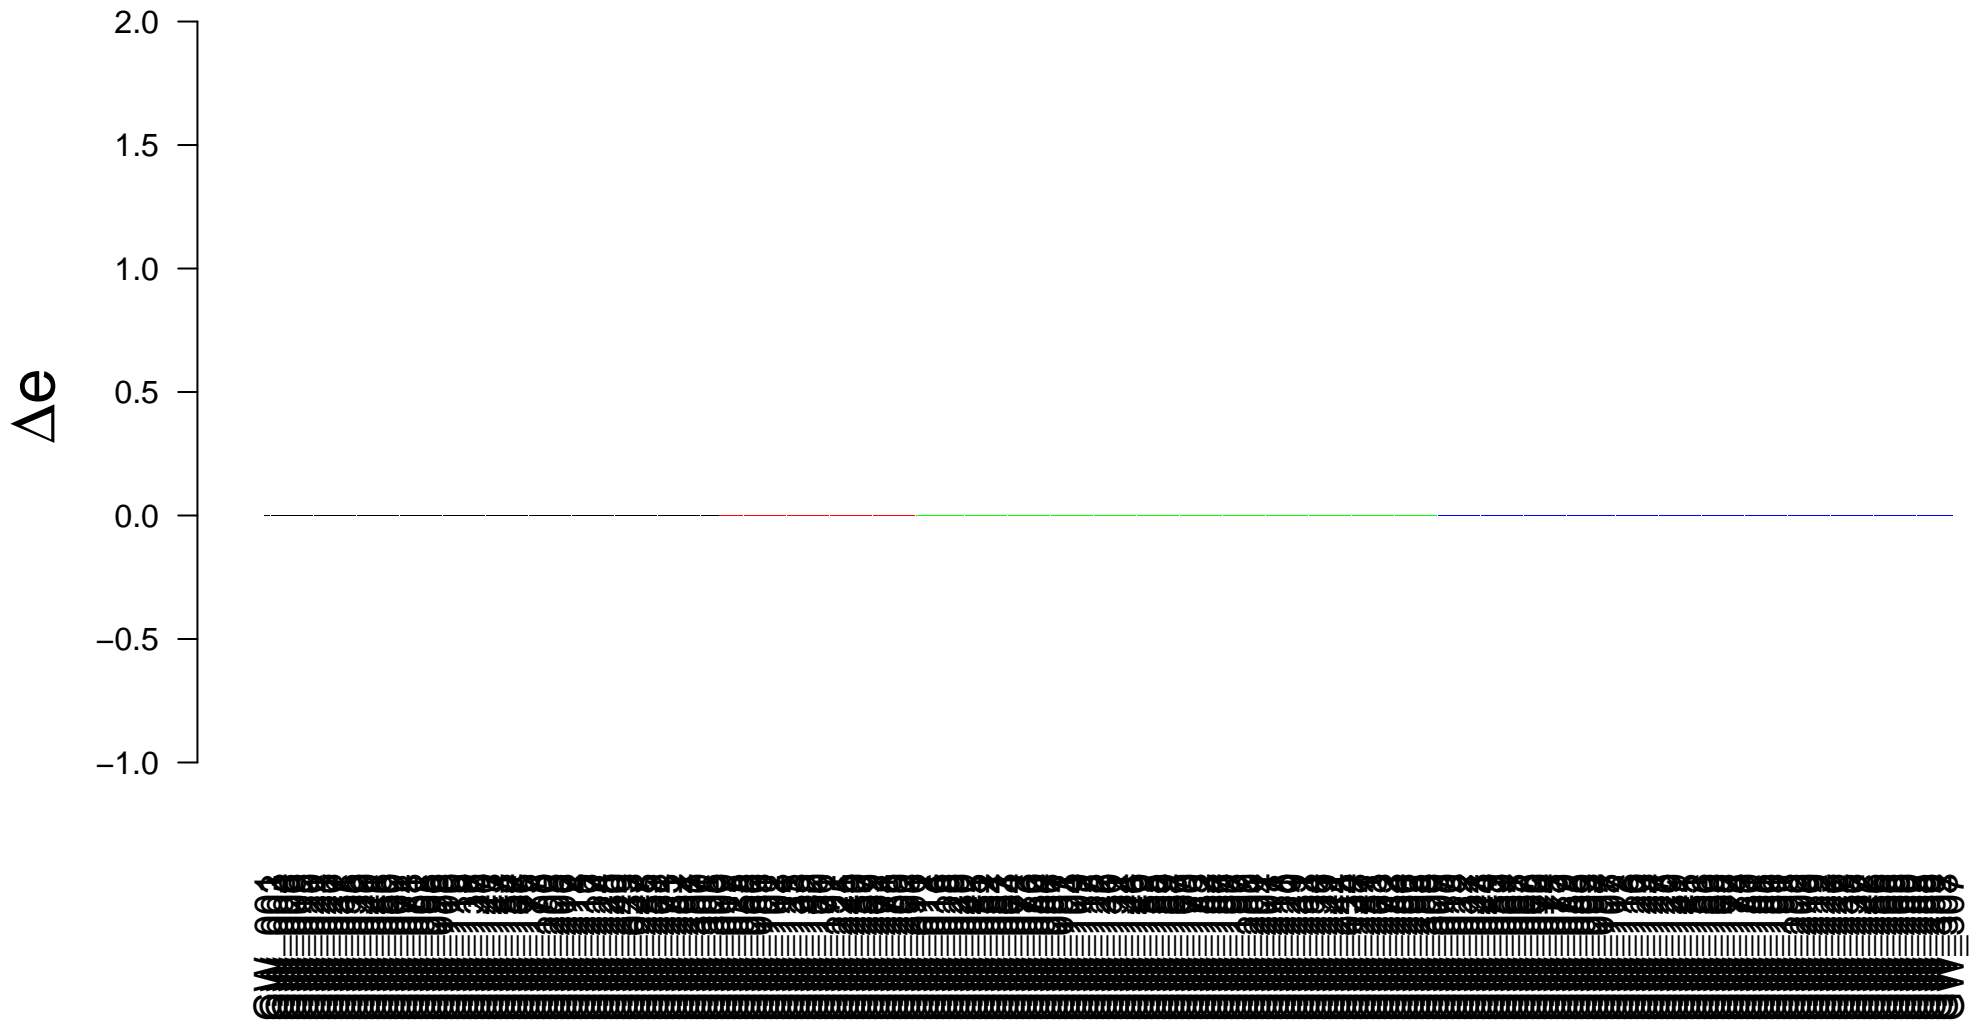

Expression of lymph node development in Spot A

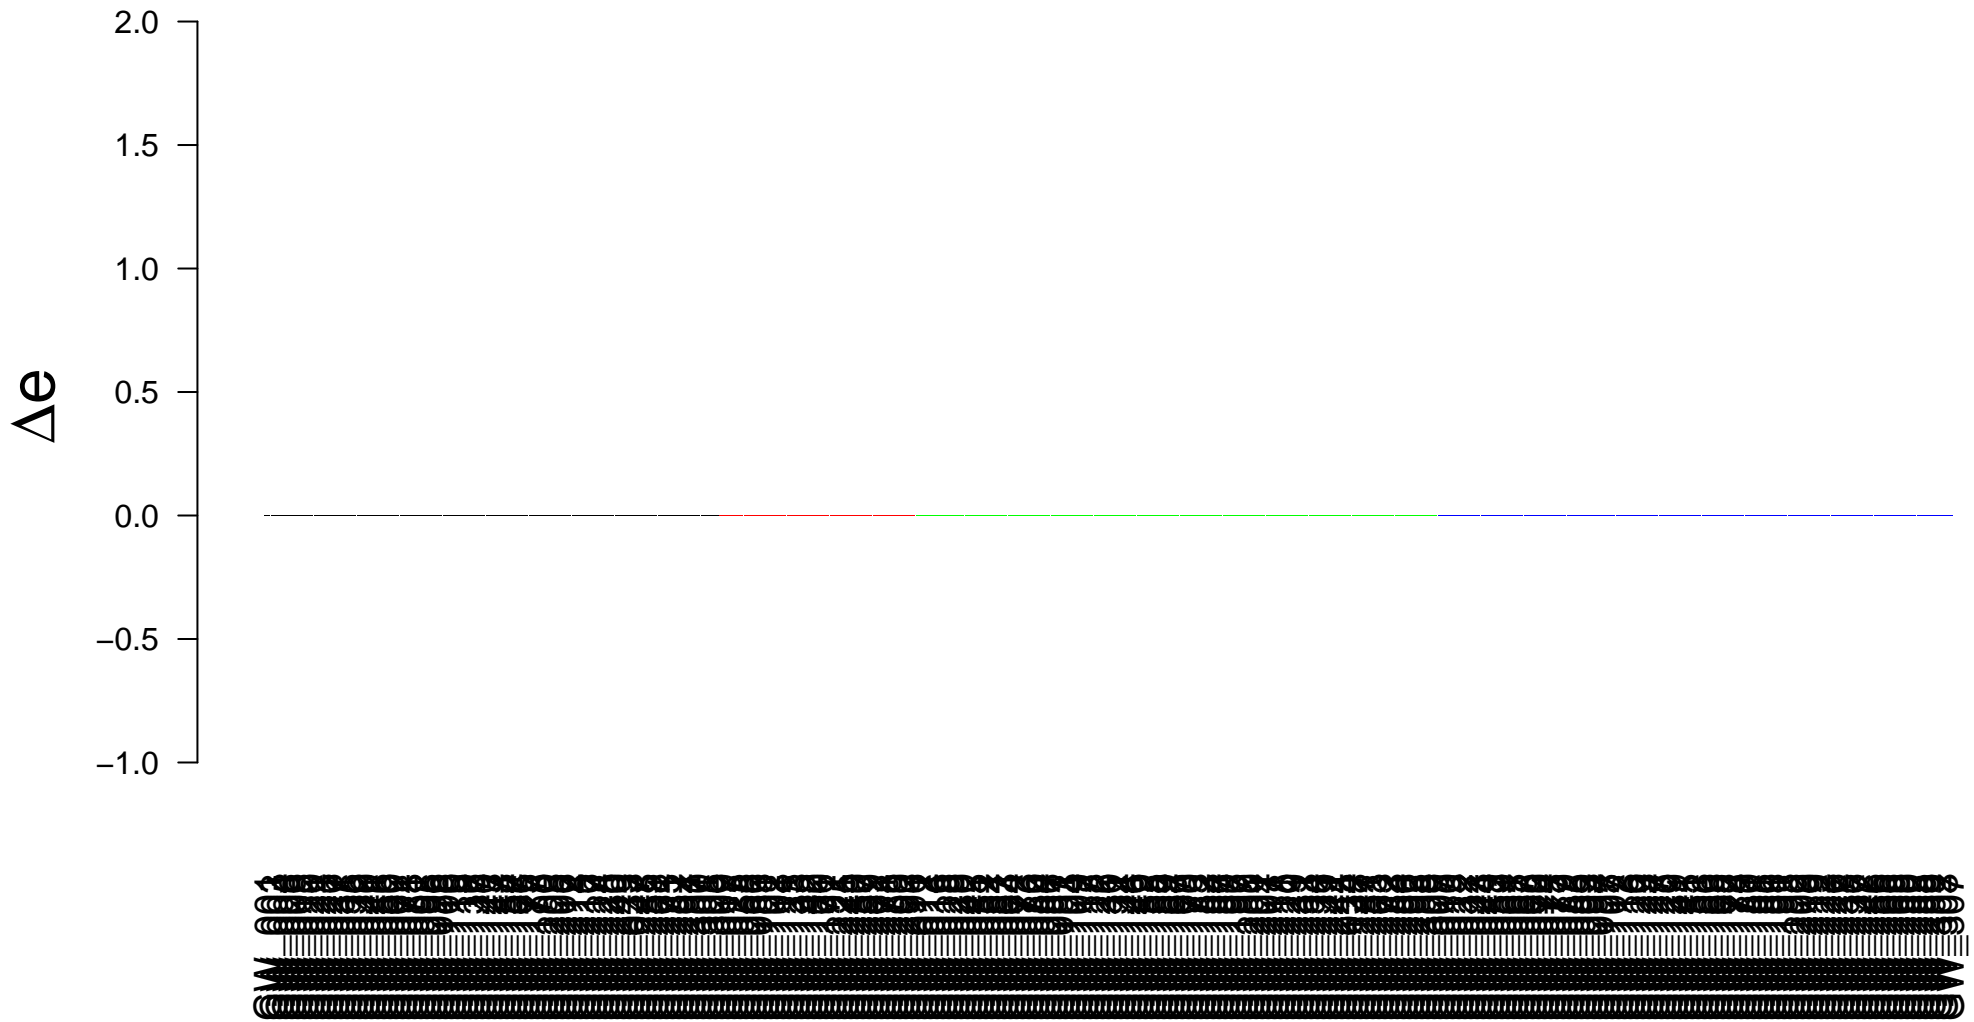

Expression of lymph node development in Spot B

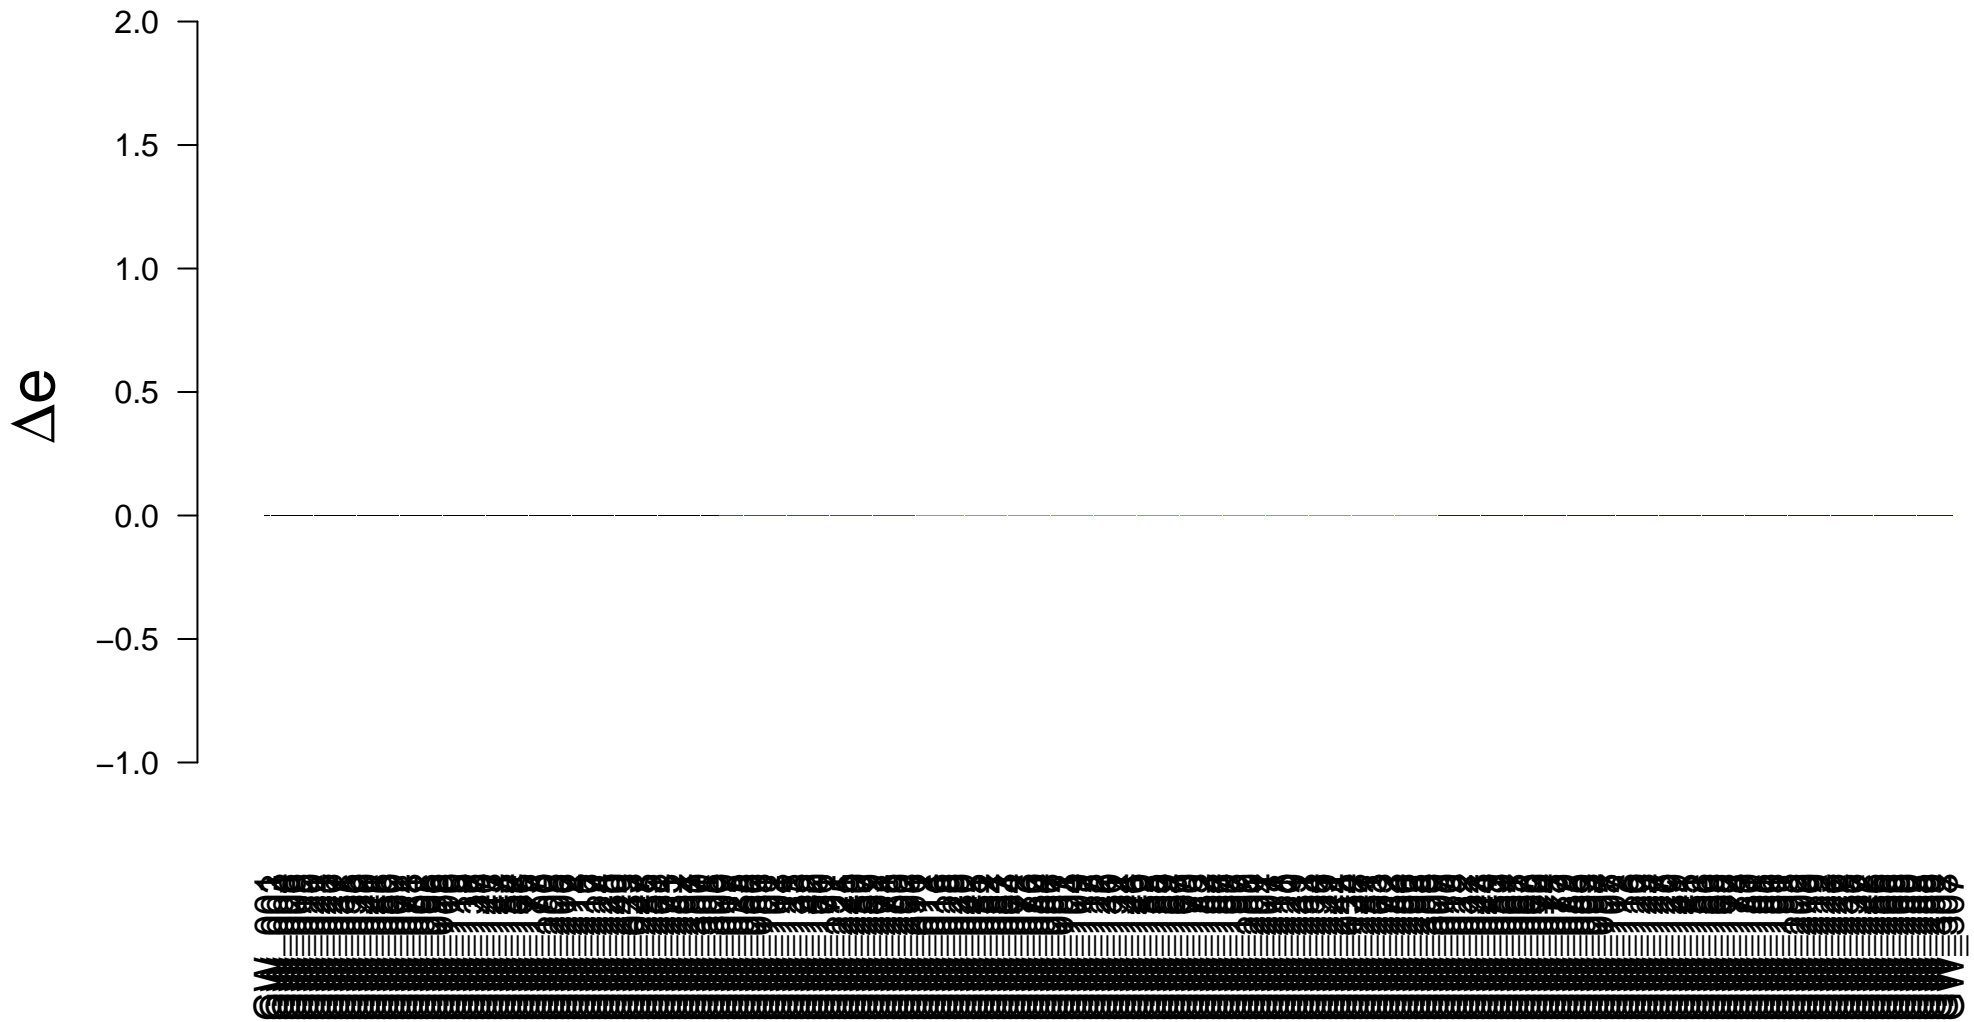

Expression of lymph node development in Spot C

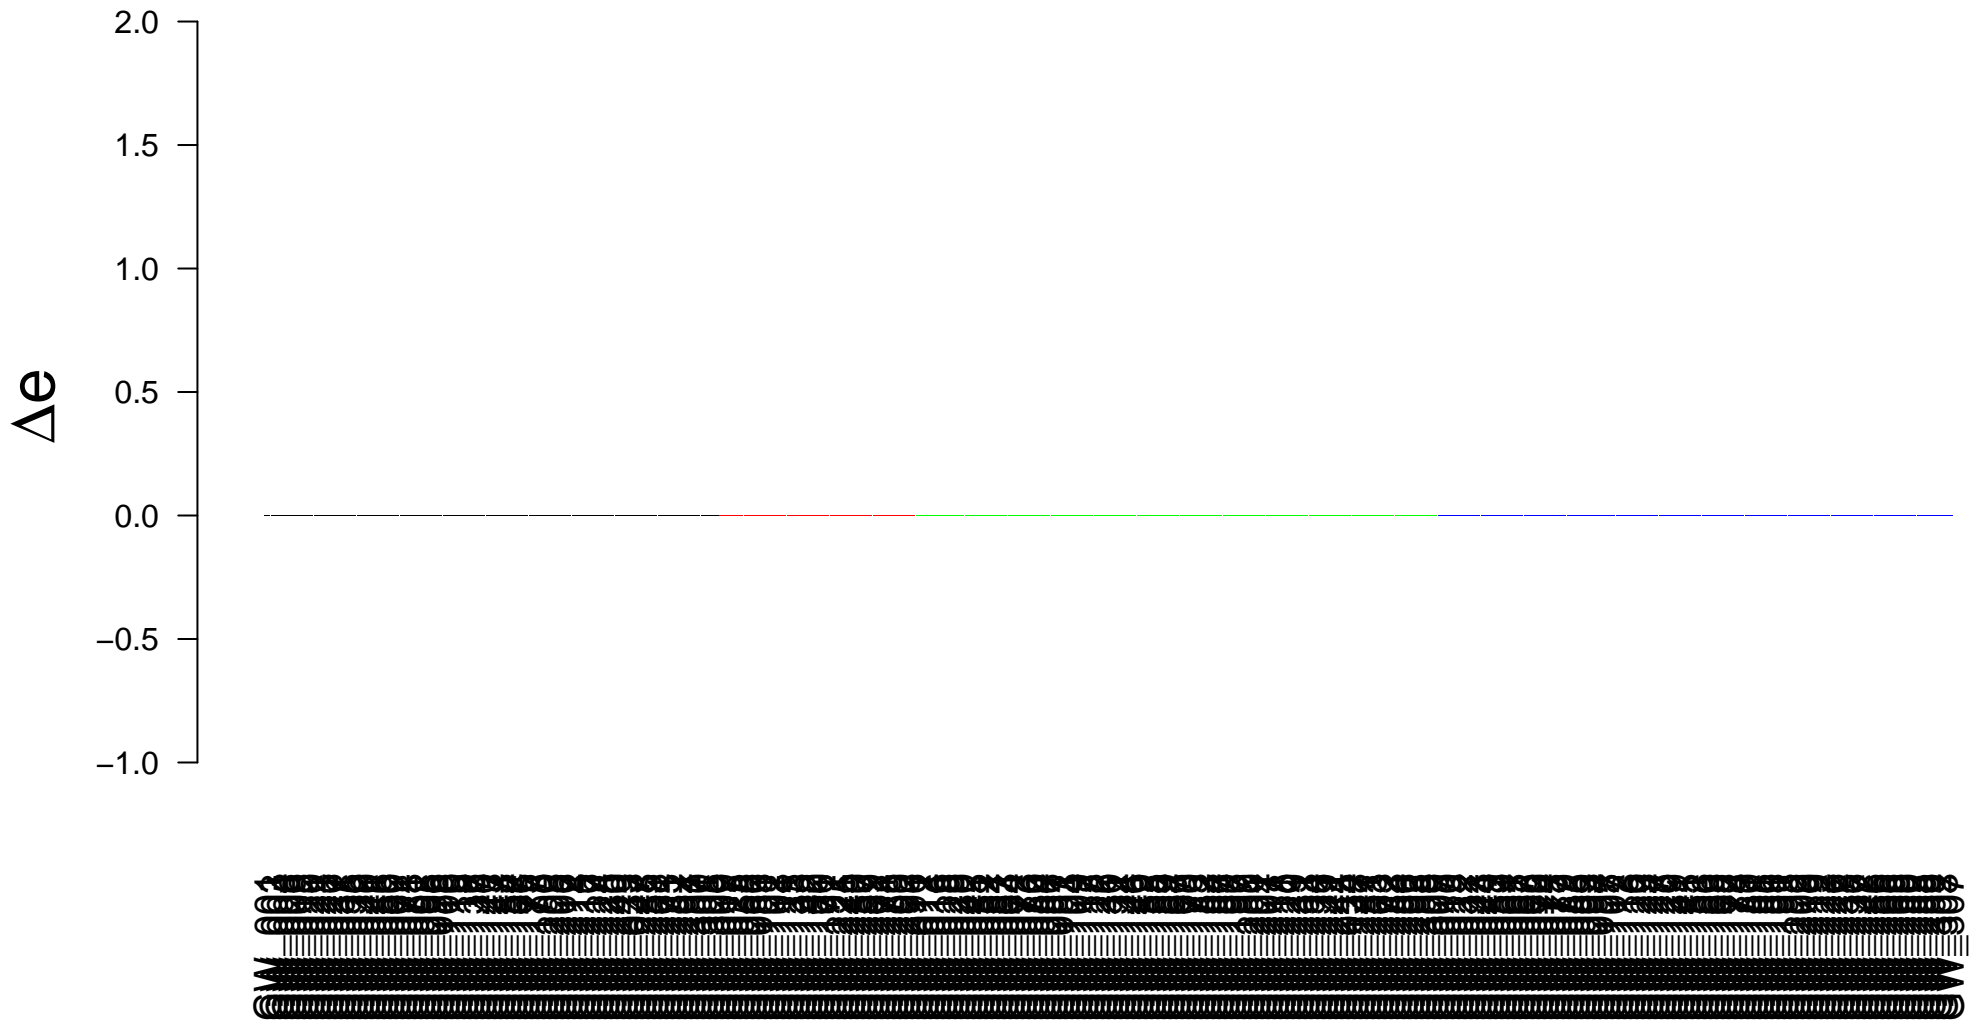

Expression of lymph node development in Spot D

Expression of lymph node development in Spot E

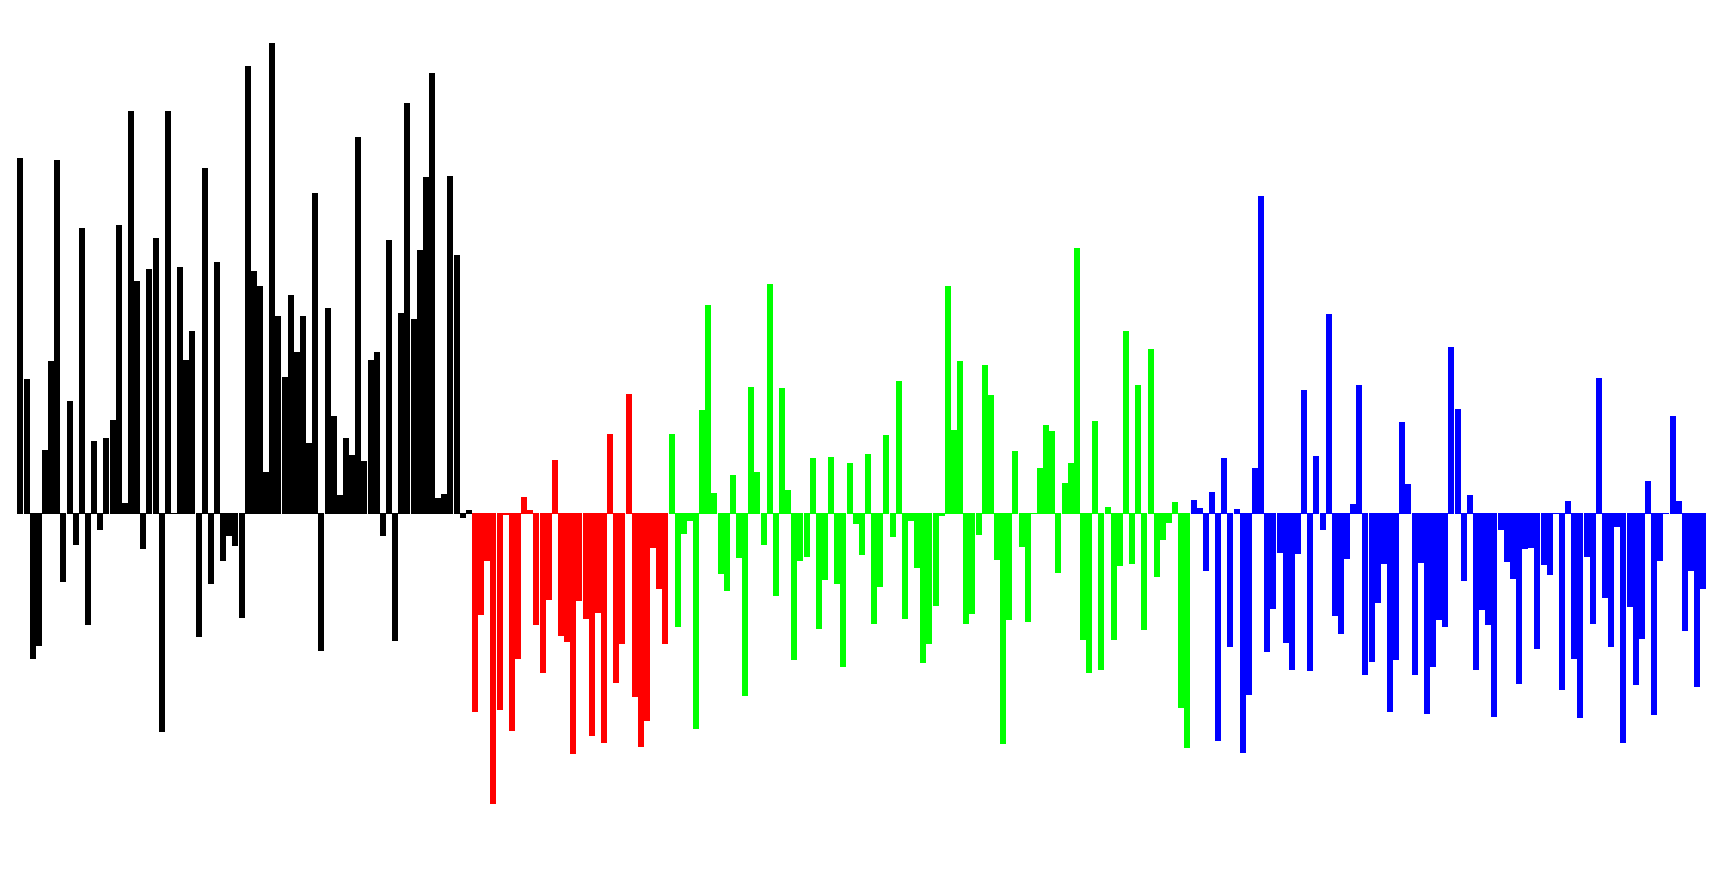

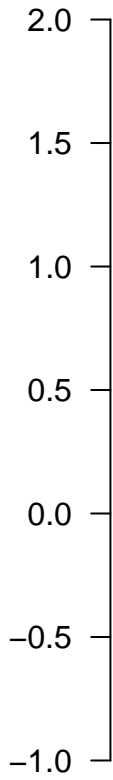

Expression of lymph node development in Spot F

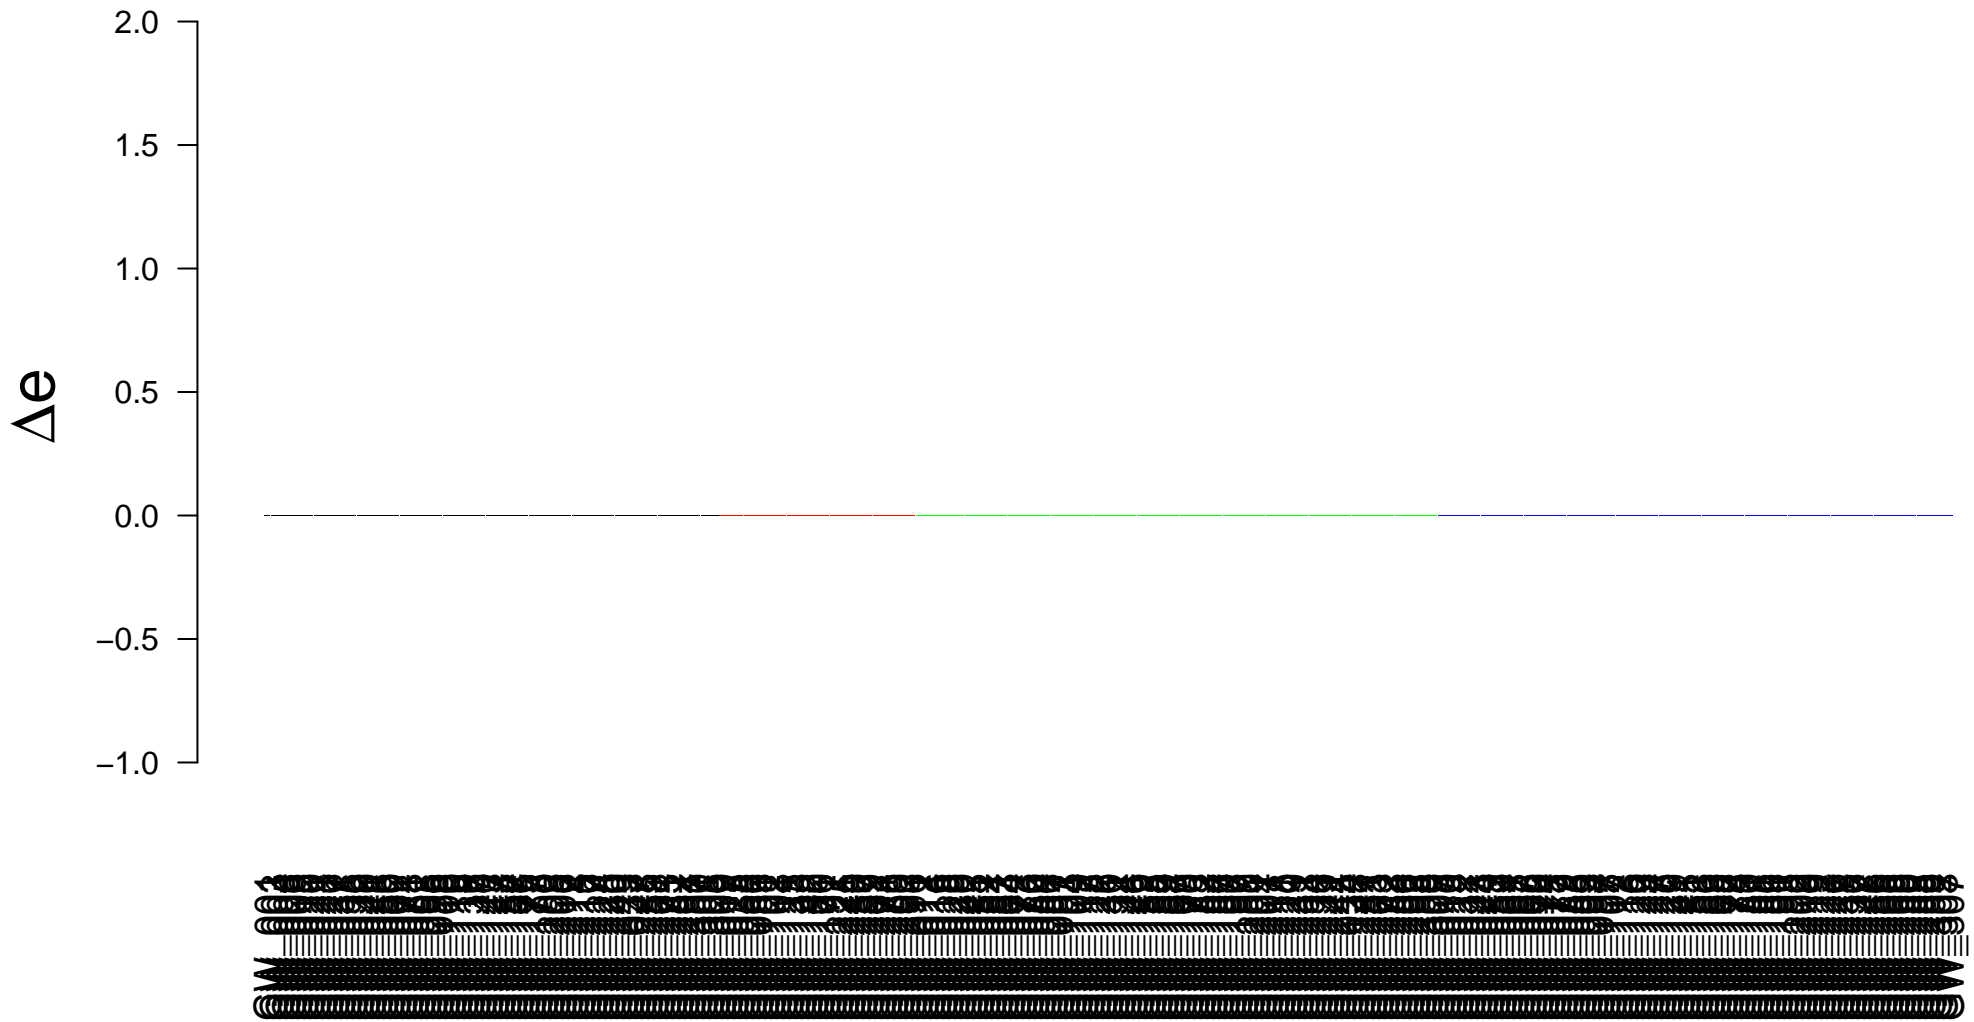

Expression of lymph node development in Spot G

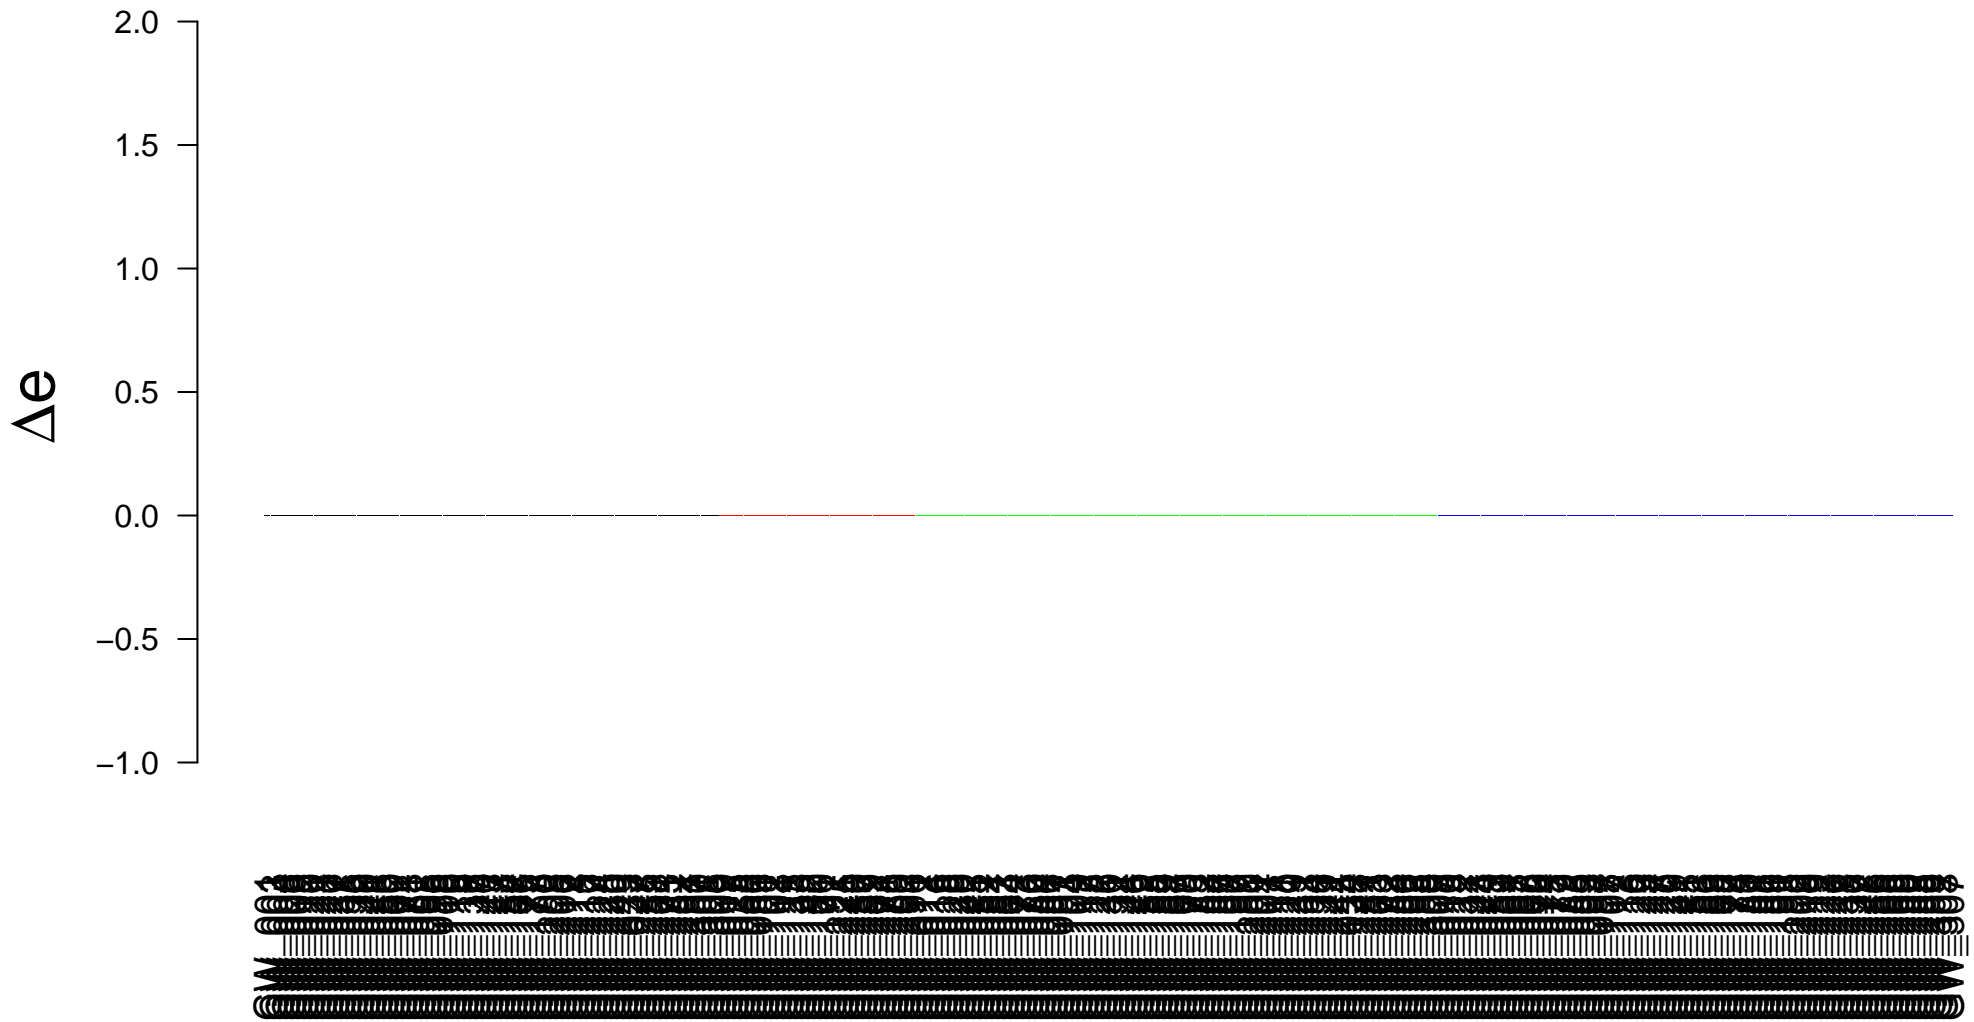

Δe

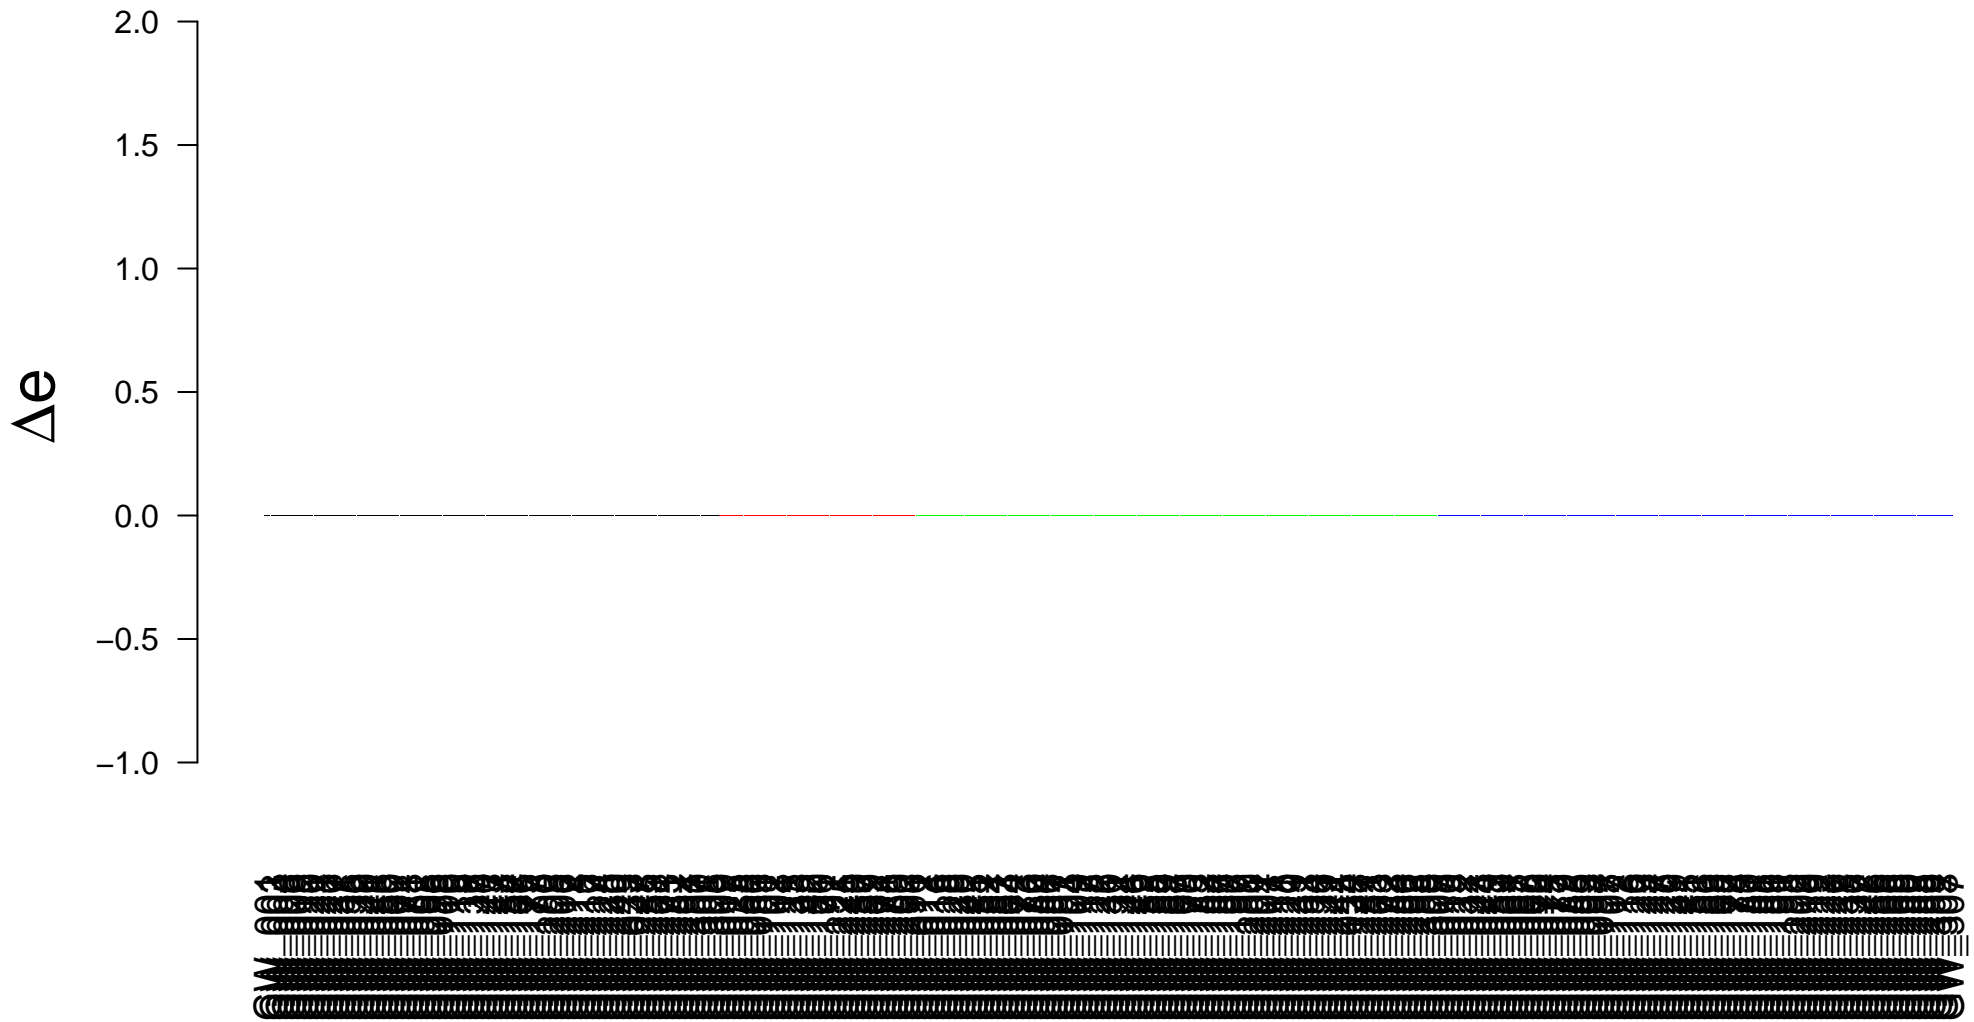

Expression of lymph node development in Spot H

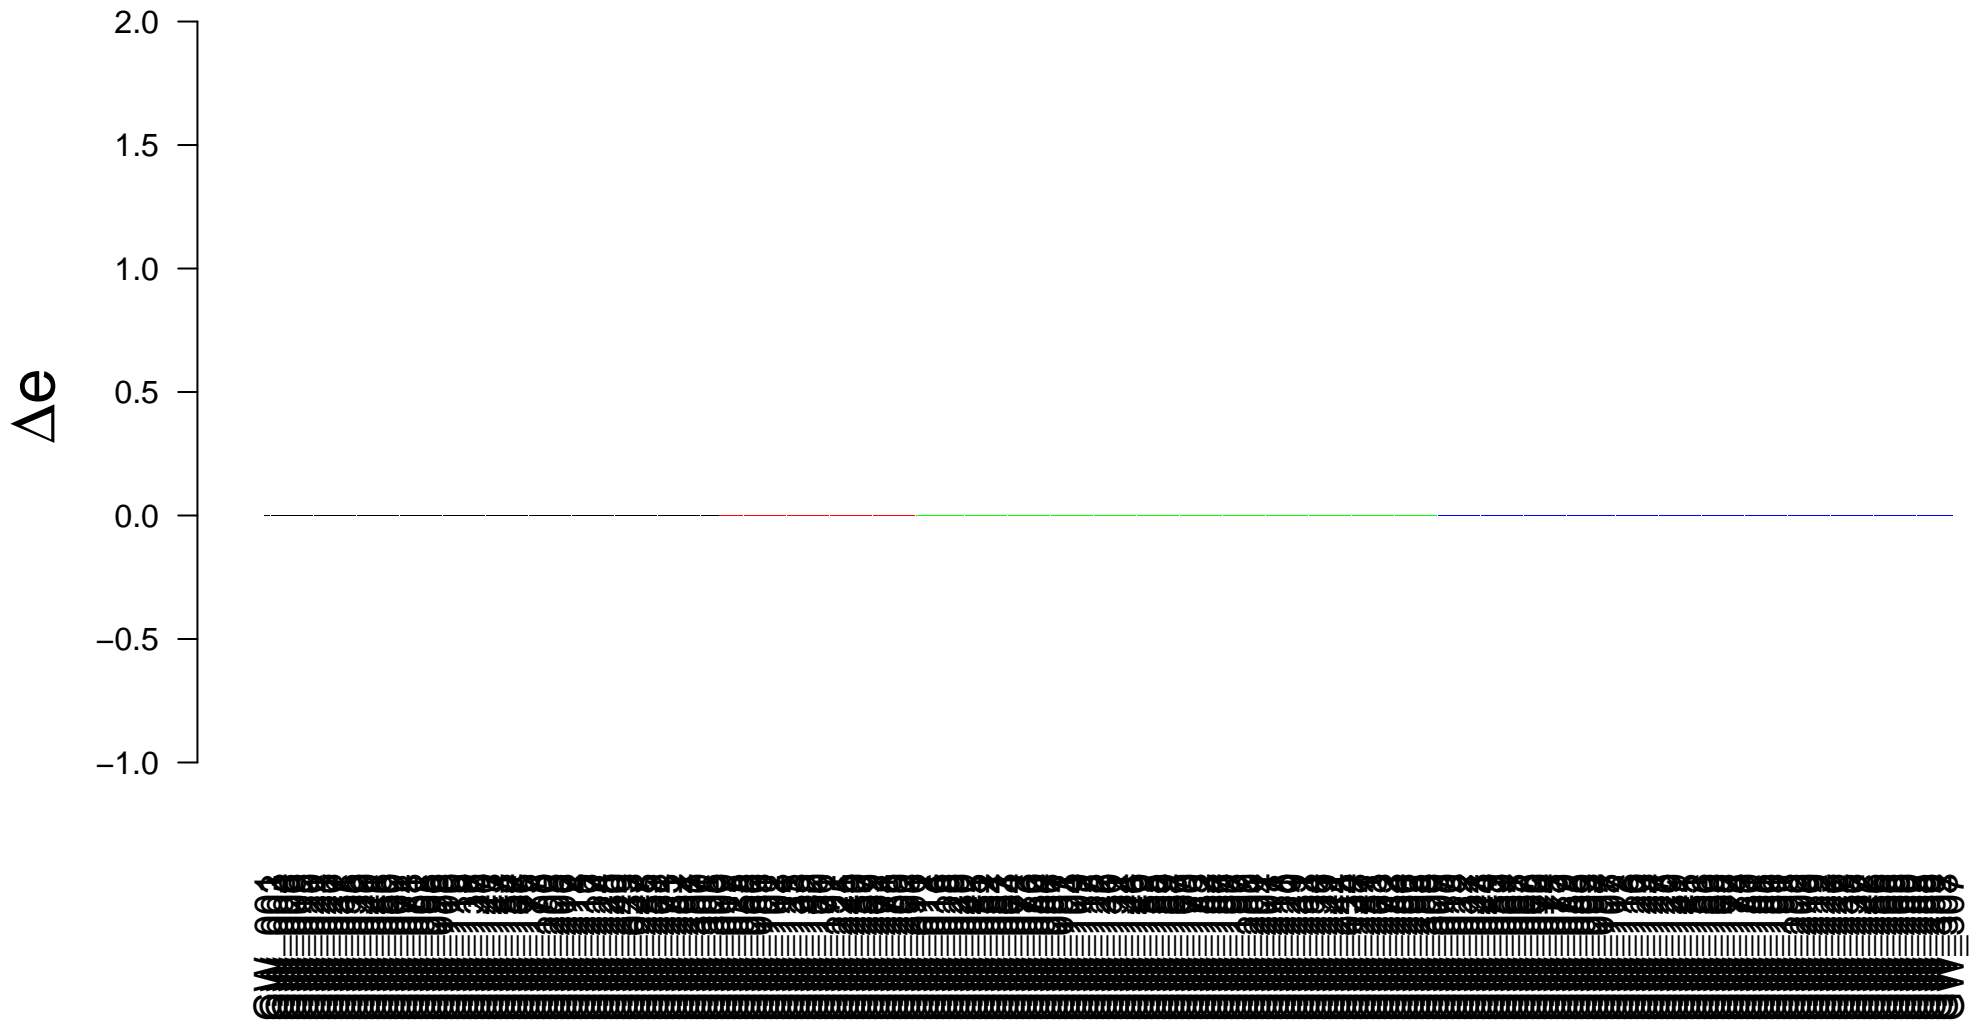

Expression of lymph node development in Spot I

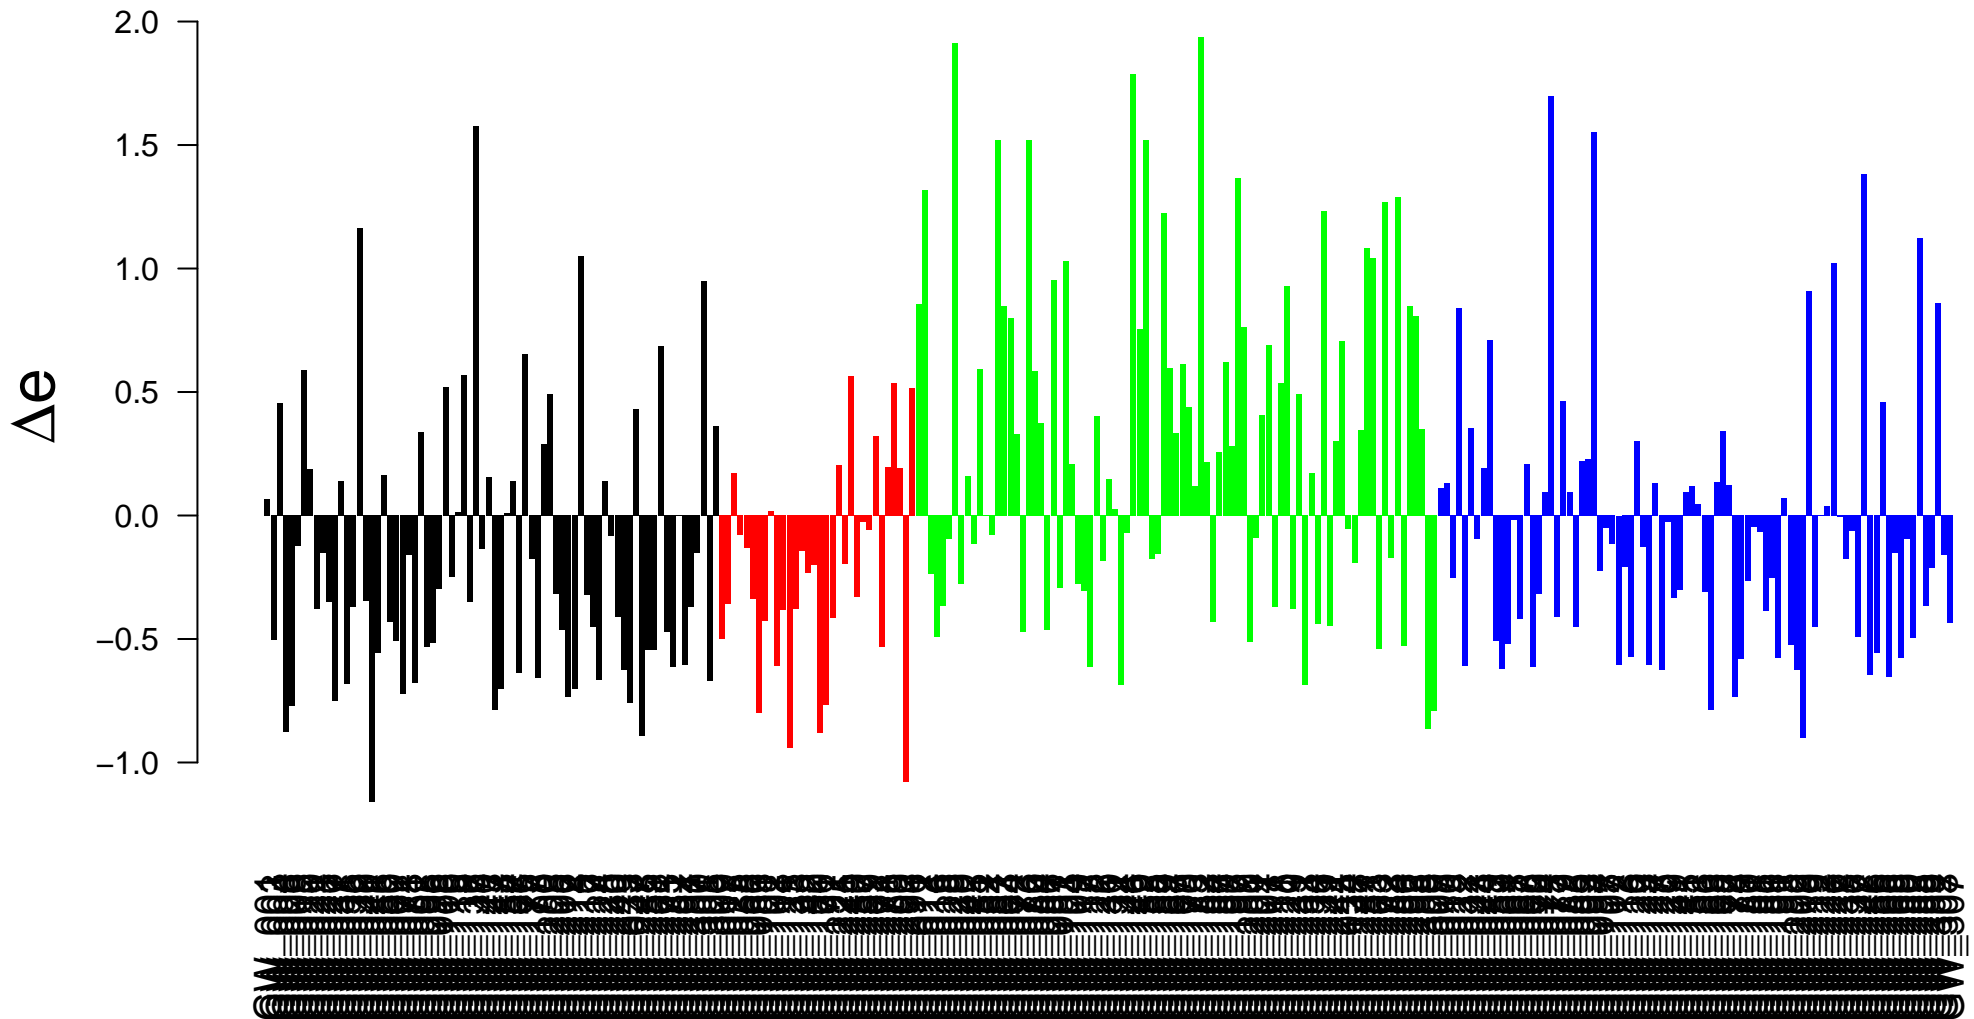

Expression of lymph node development in Spot J

Expression of lymph node development in Spot K

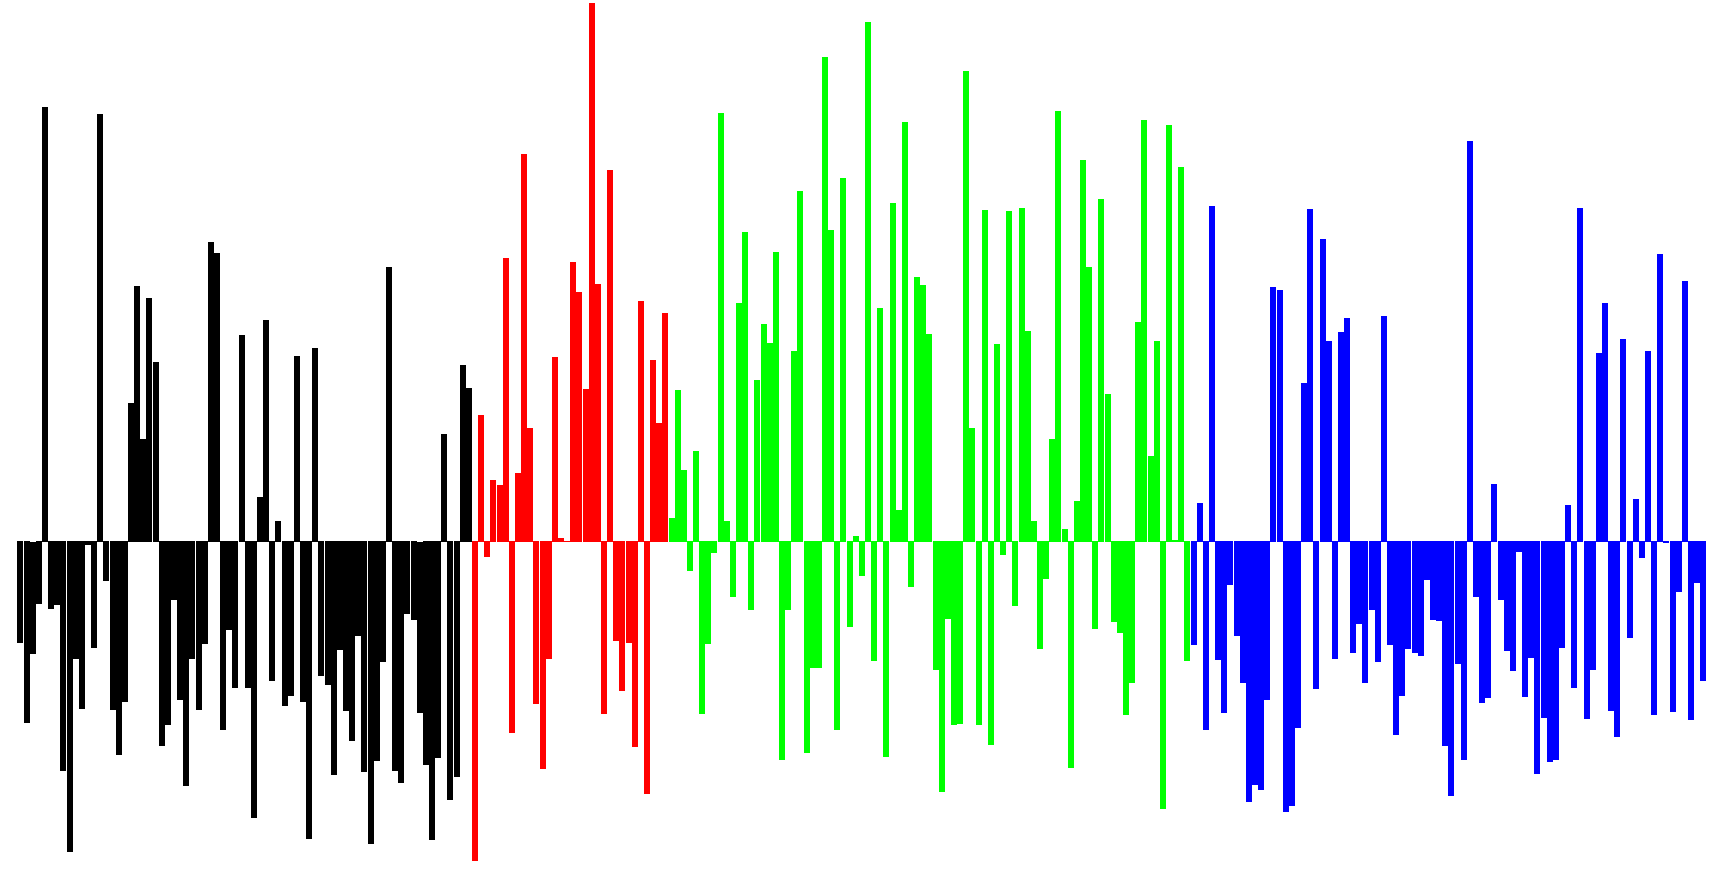

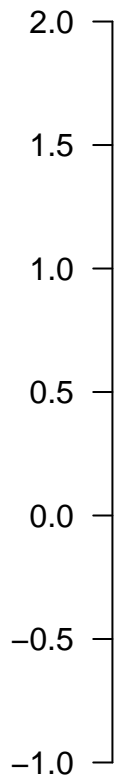

Expression of lymph node development in Spot L

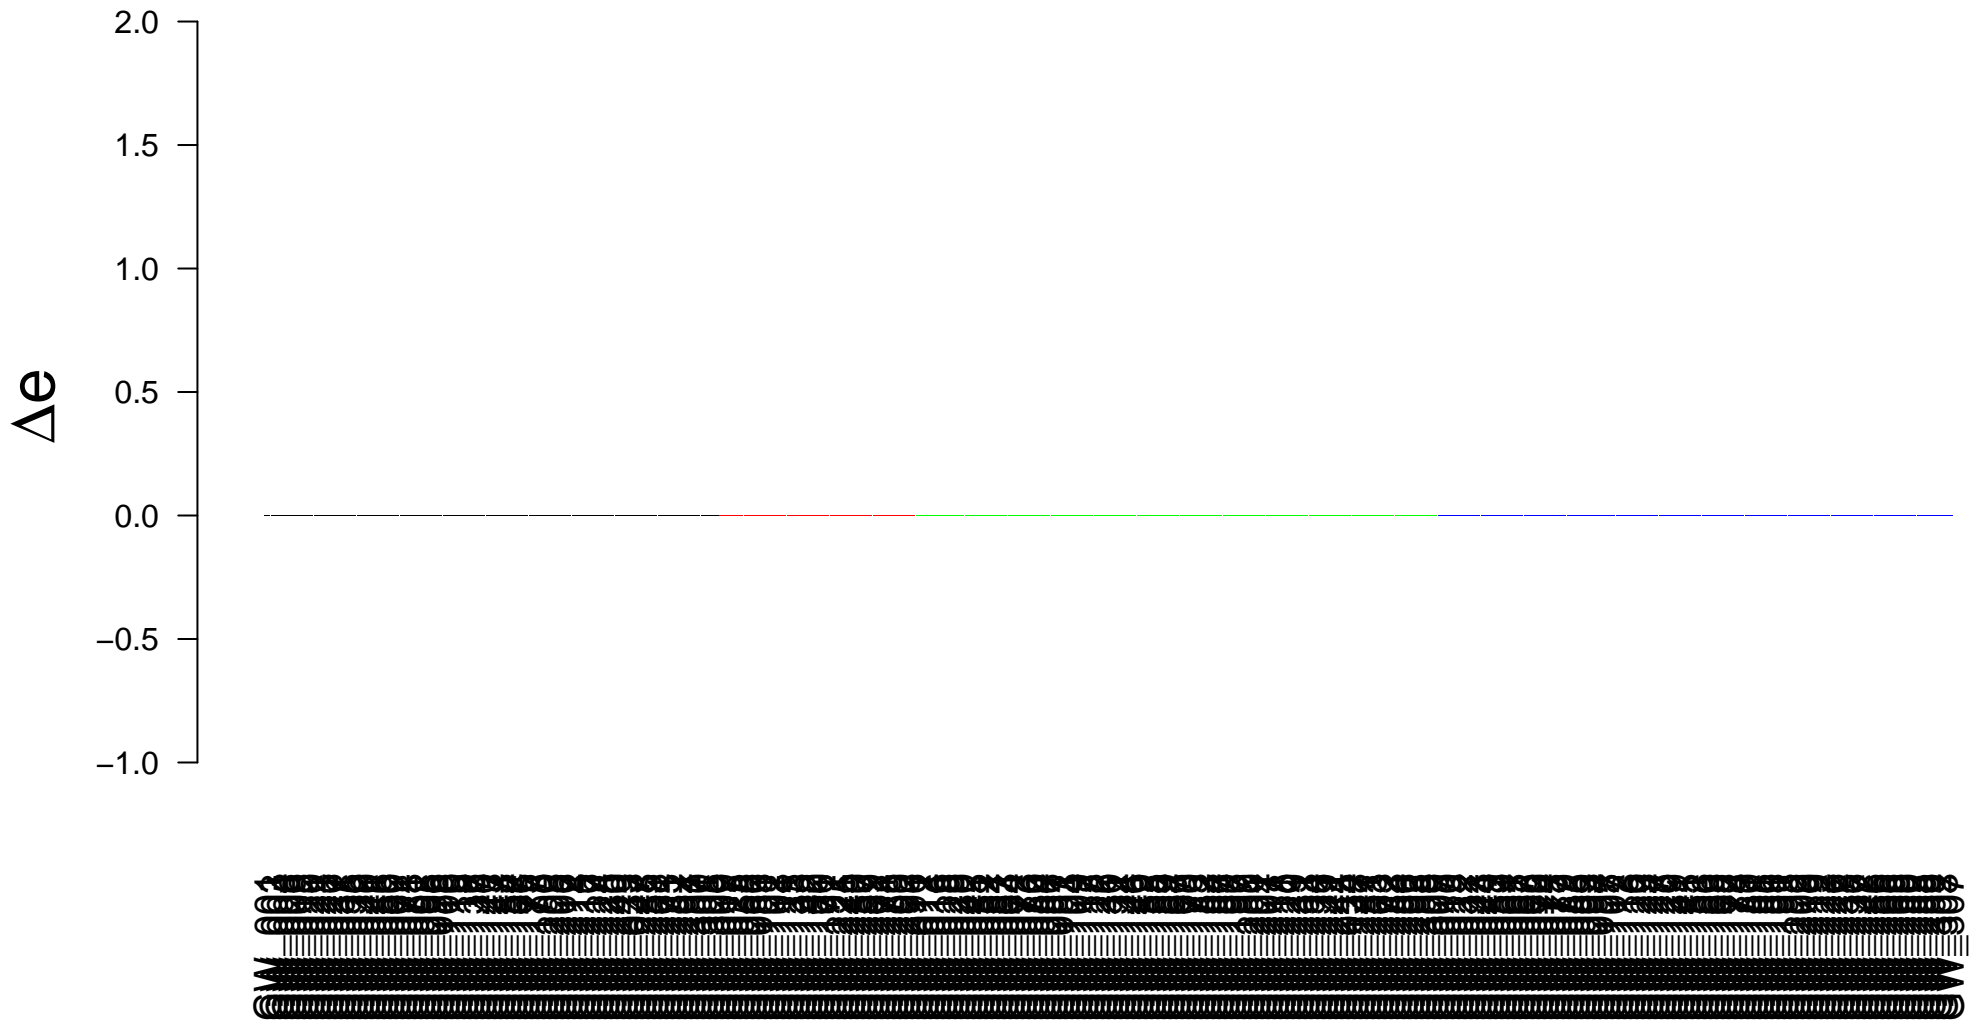

Expression of lymph node development in Spot M

Δe

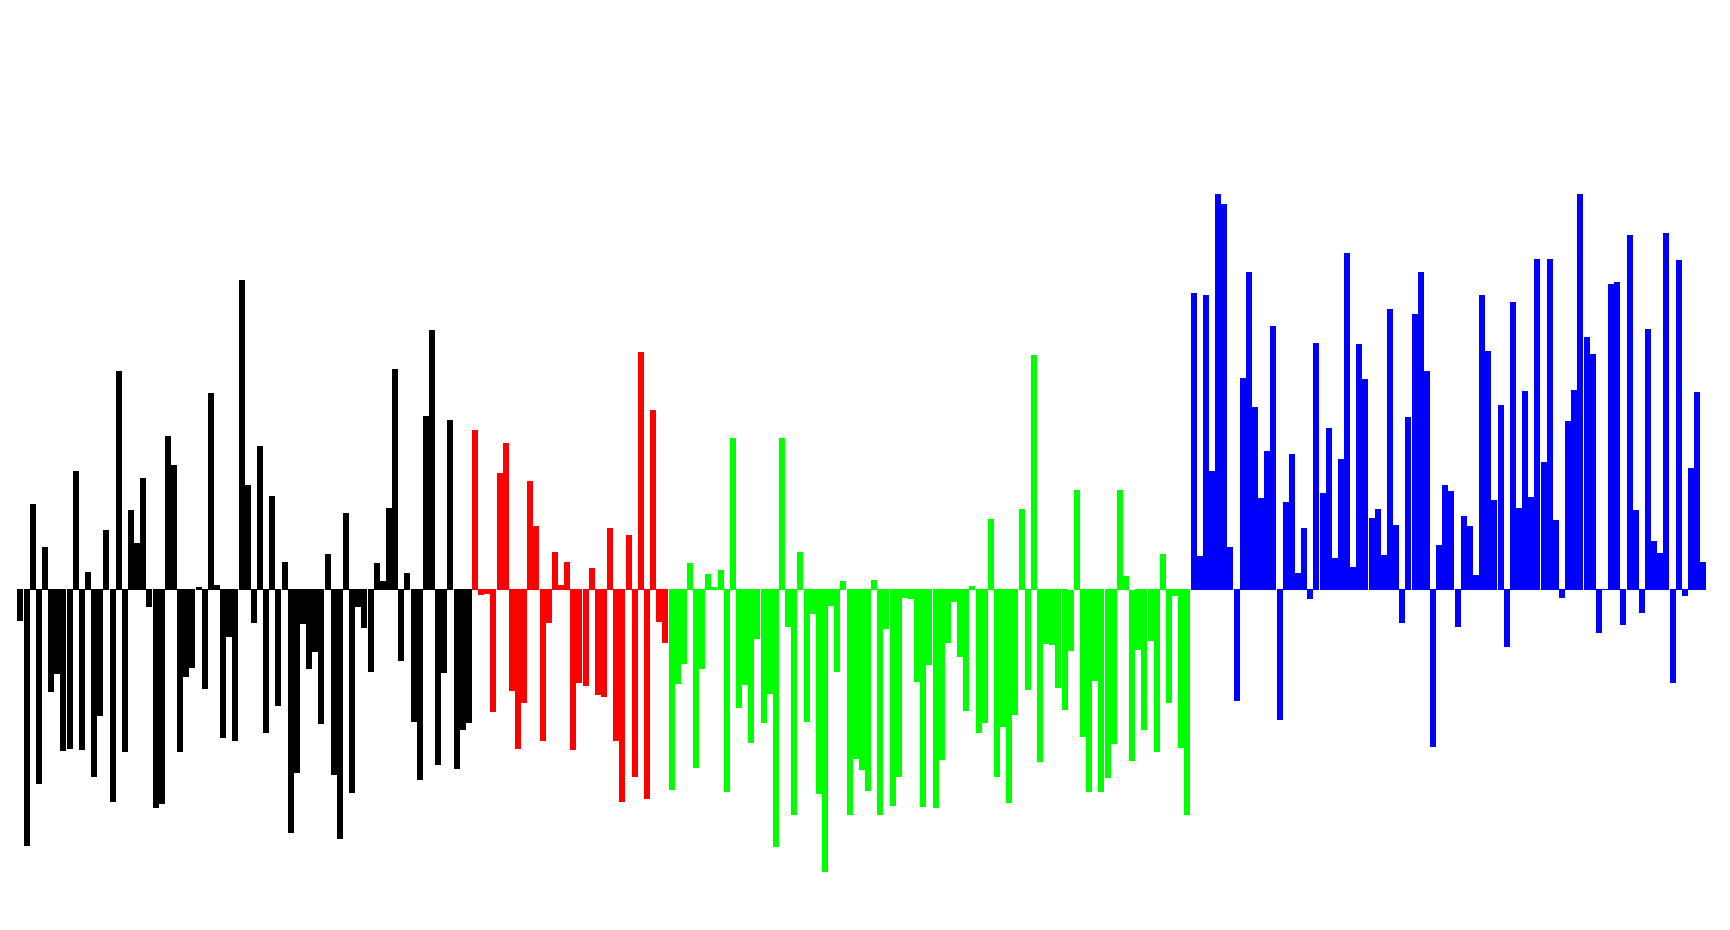

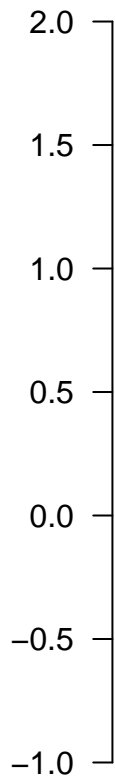

Expression of lymph node development in Spot N

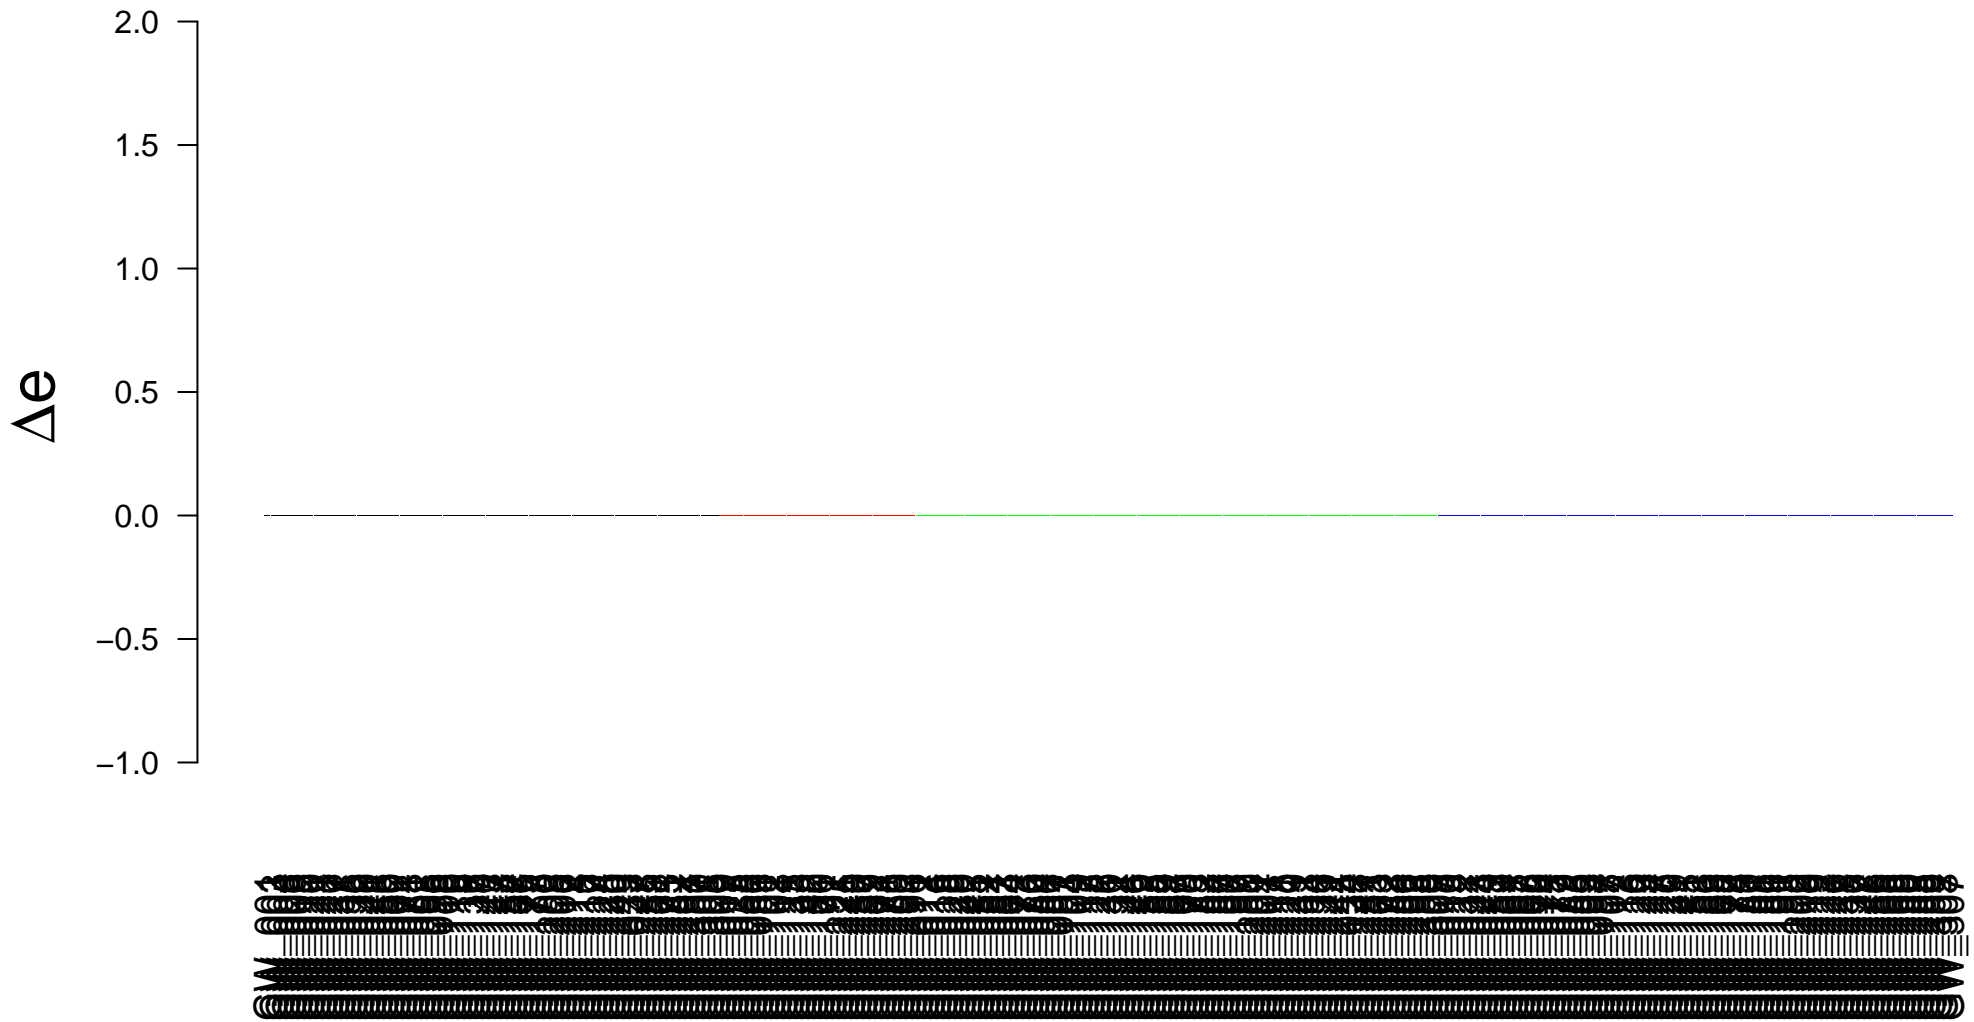

Expression of lymph node development in Spot O

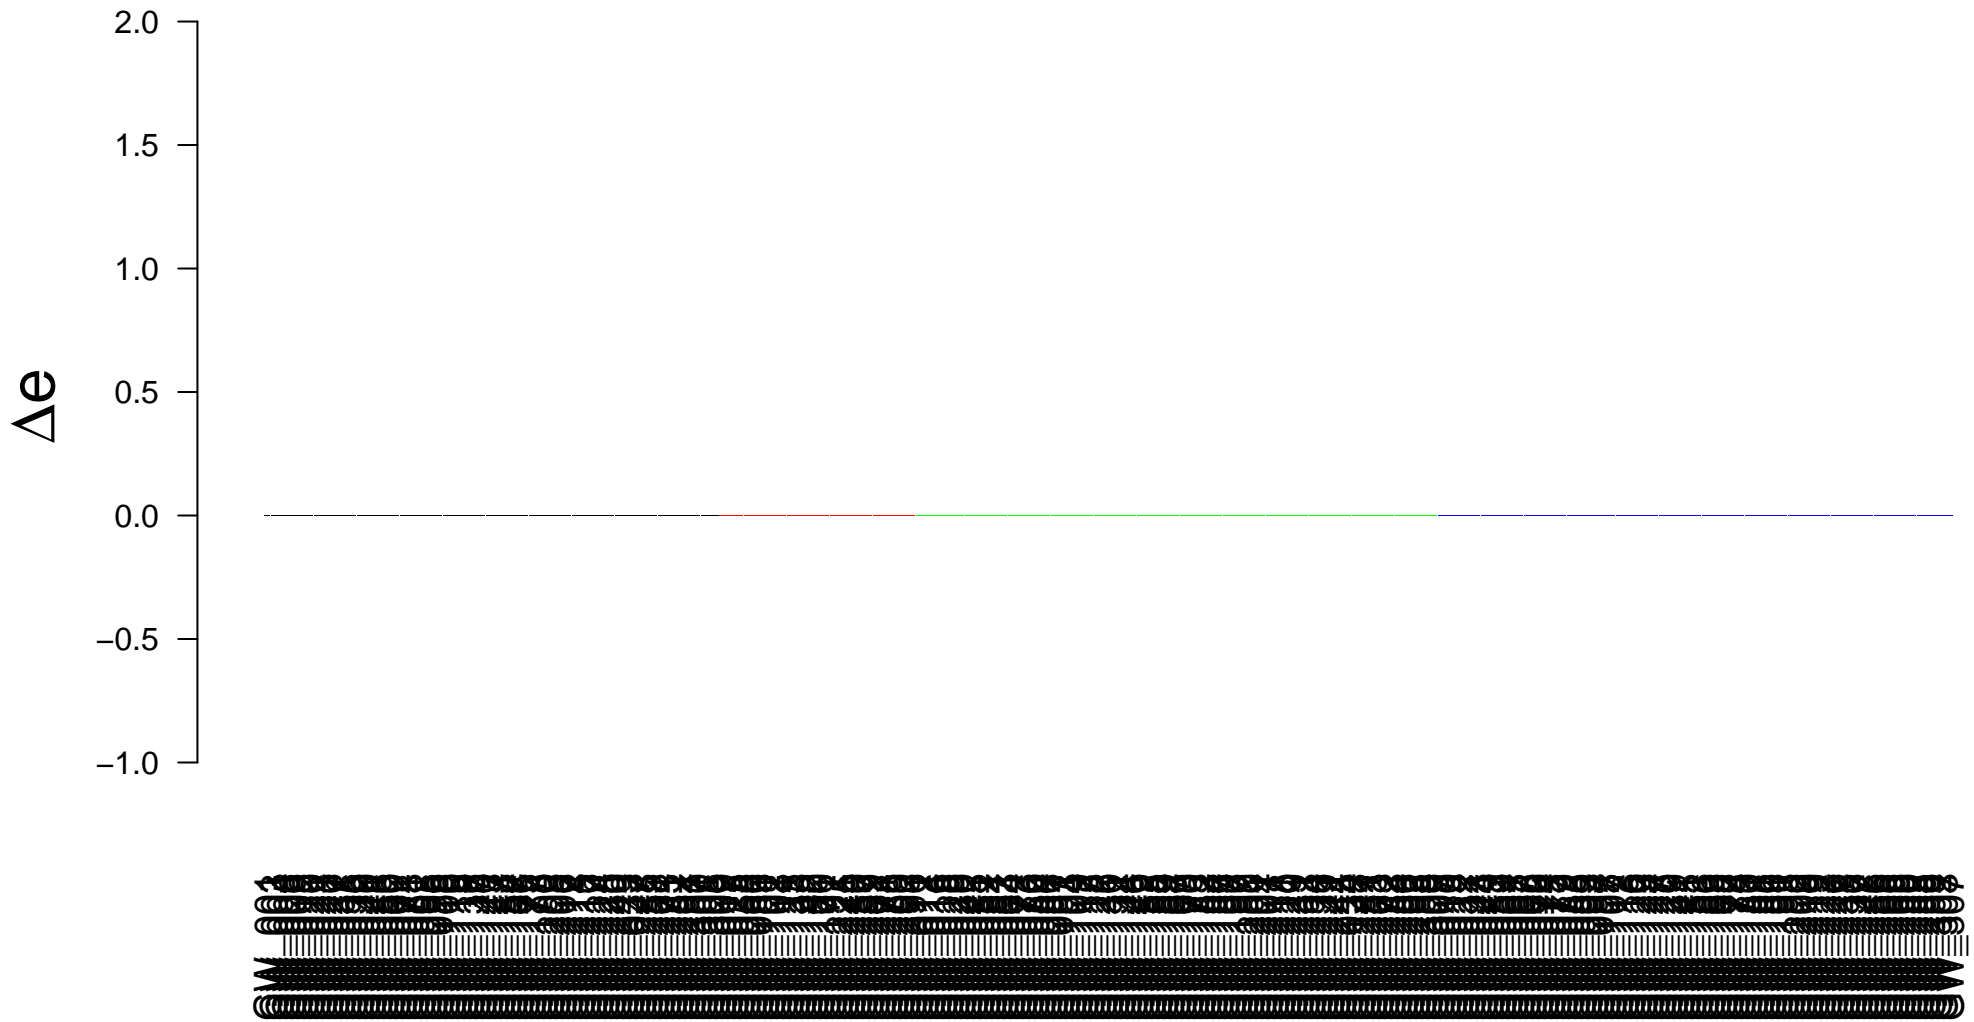

Δe

Expression of lymph node development in Spot P

Expression of lymph node development in Spot Q

Expression of lymph node development in Spot R
