

mRNA polyadenylation

mRNA polyadenylation

Enrichment in spots: mRNA polyadenylation

Expression of mRNA polyadenylation in Spot A

Expression of mRNA polyadenylation in Spot B

Expression of mRNA polyadenylation in Spot C

Expression of mRNA polyadenylation in Spot D

Expression of mRNA polyadenylation in Spot E

Expression of mRNA polyadenylation in Spot F

Expression of mRNA polyadenylation in Spot G

Expression of mRNA polyadenylation in Spot H

Expression of mRNA polyadenylation in Spot I

Expression of mRNA polyadenylation in Spot J

Expression of mRNA polyadenylation in Spot K

Expression of mRNA polyadenylation in Spot L
