

macrophage differentiation

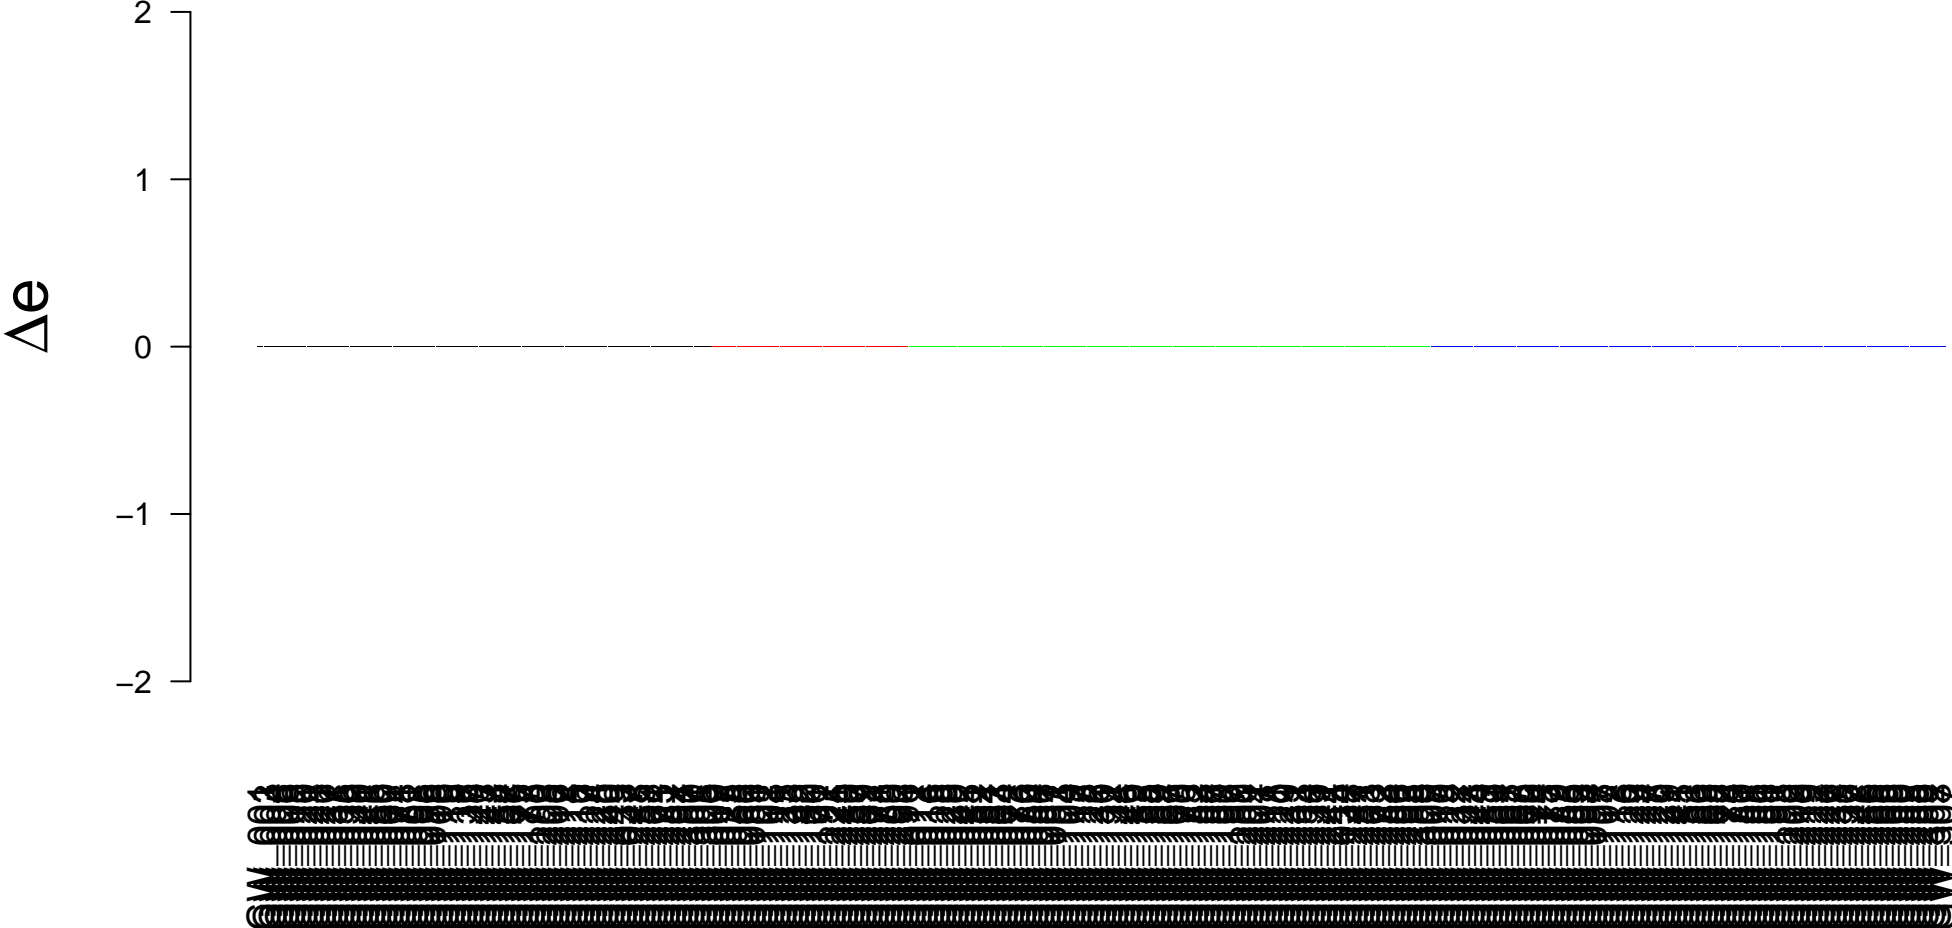

macrophage differentiation

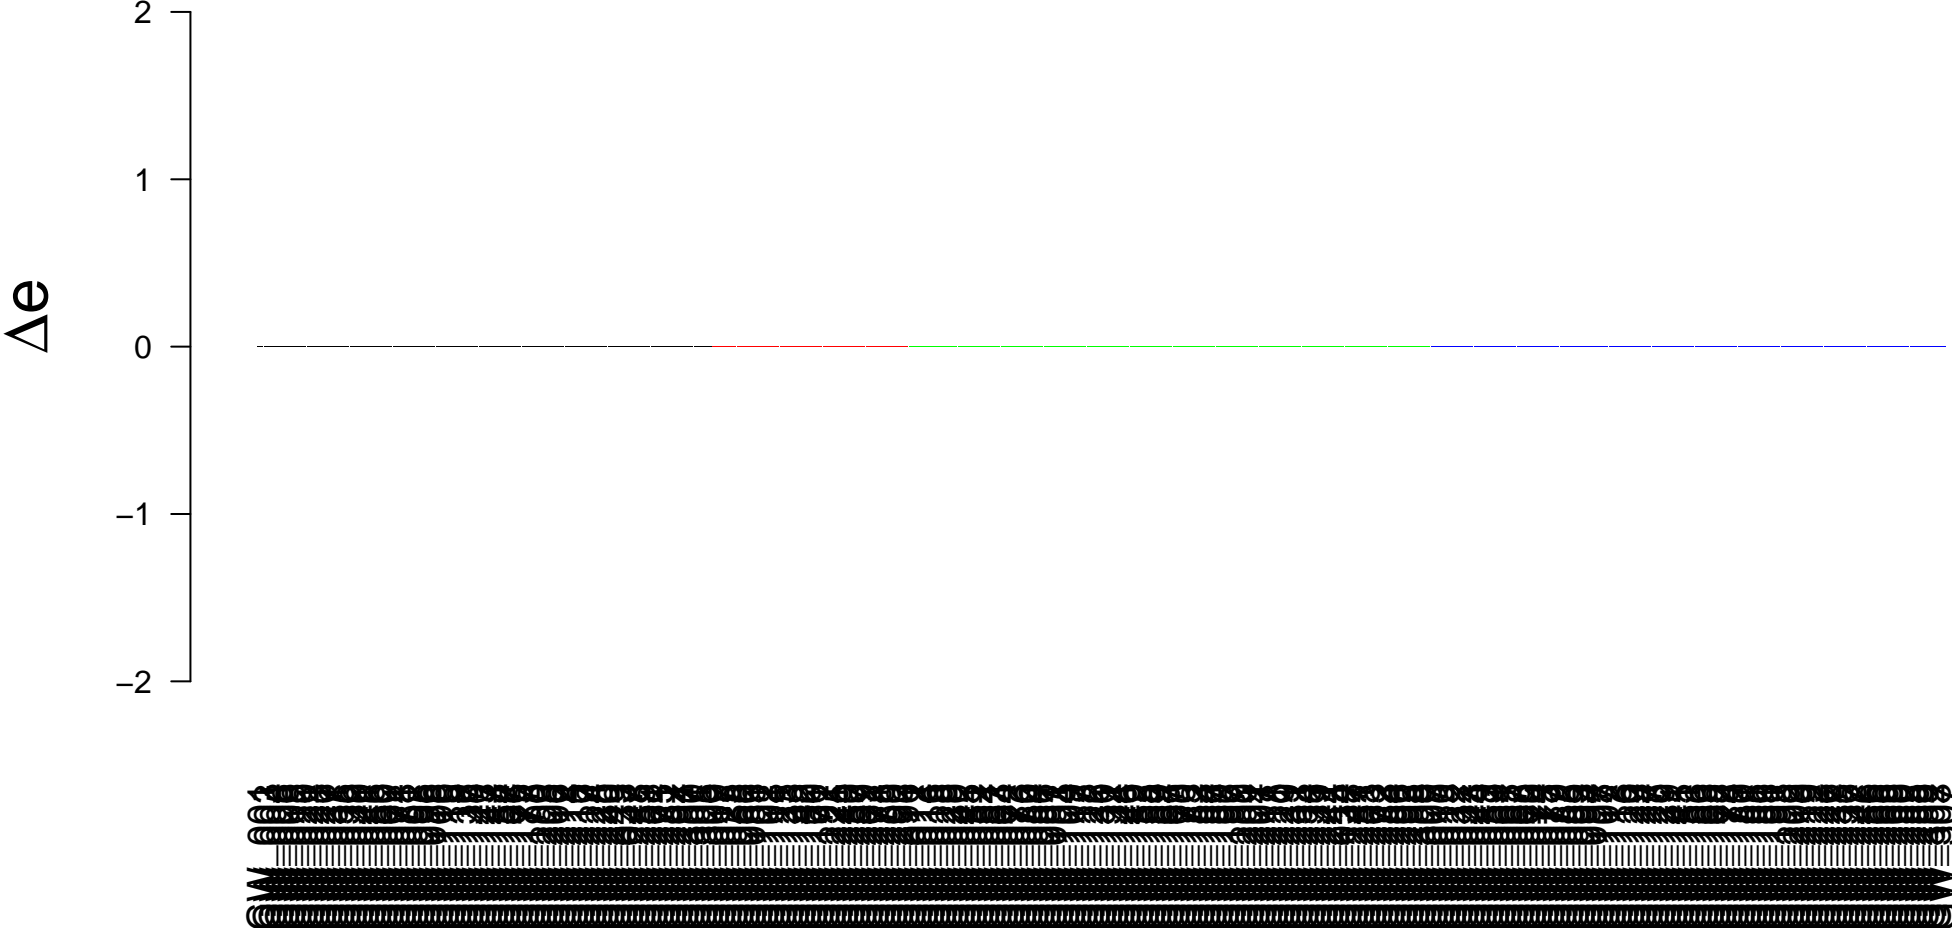

Enrichment in spots: macrophage differentiation

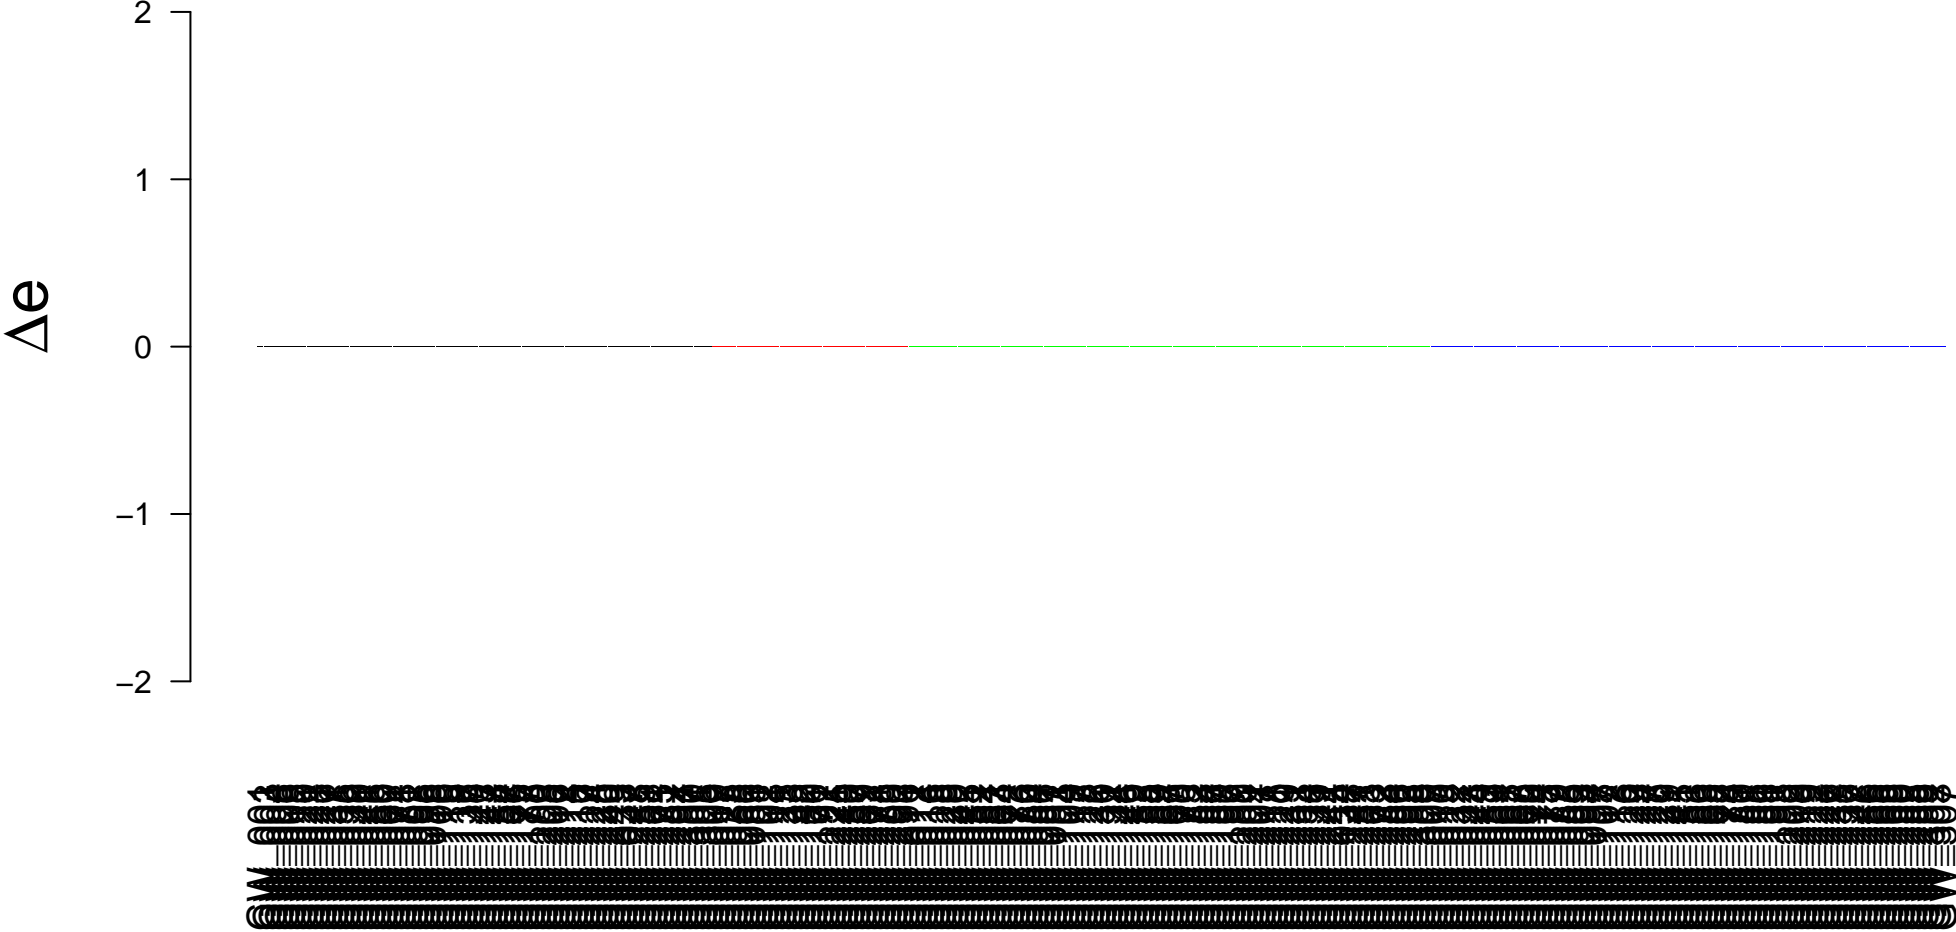

Expression of macrophage differentiation in Spot A

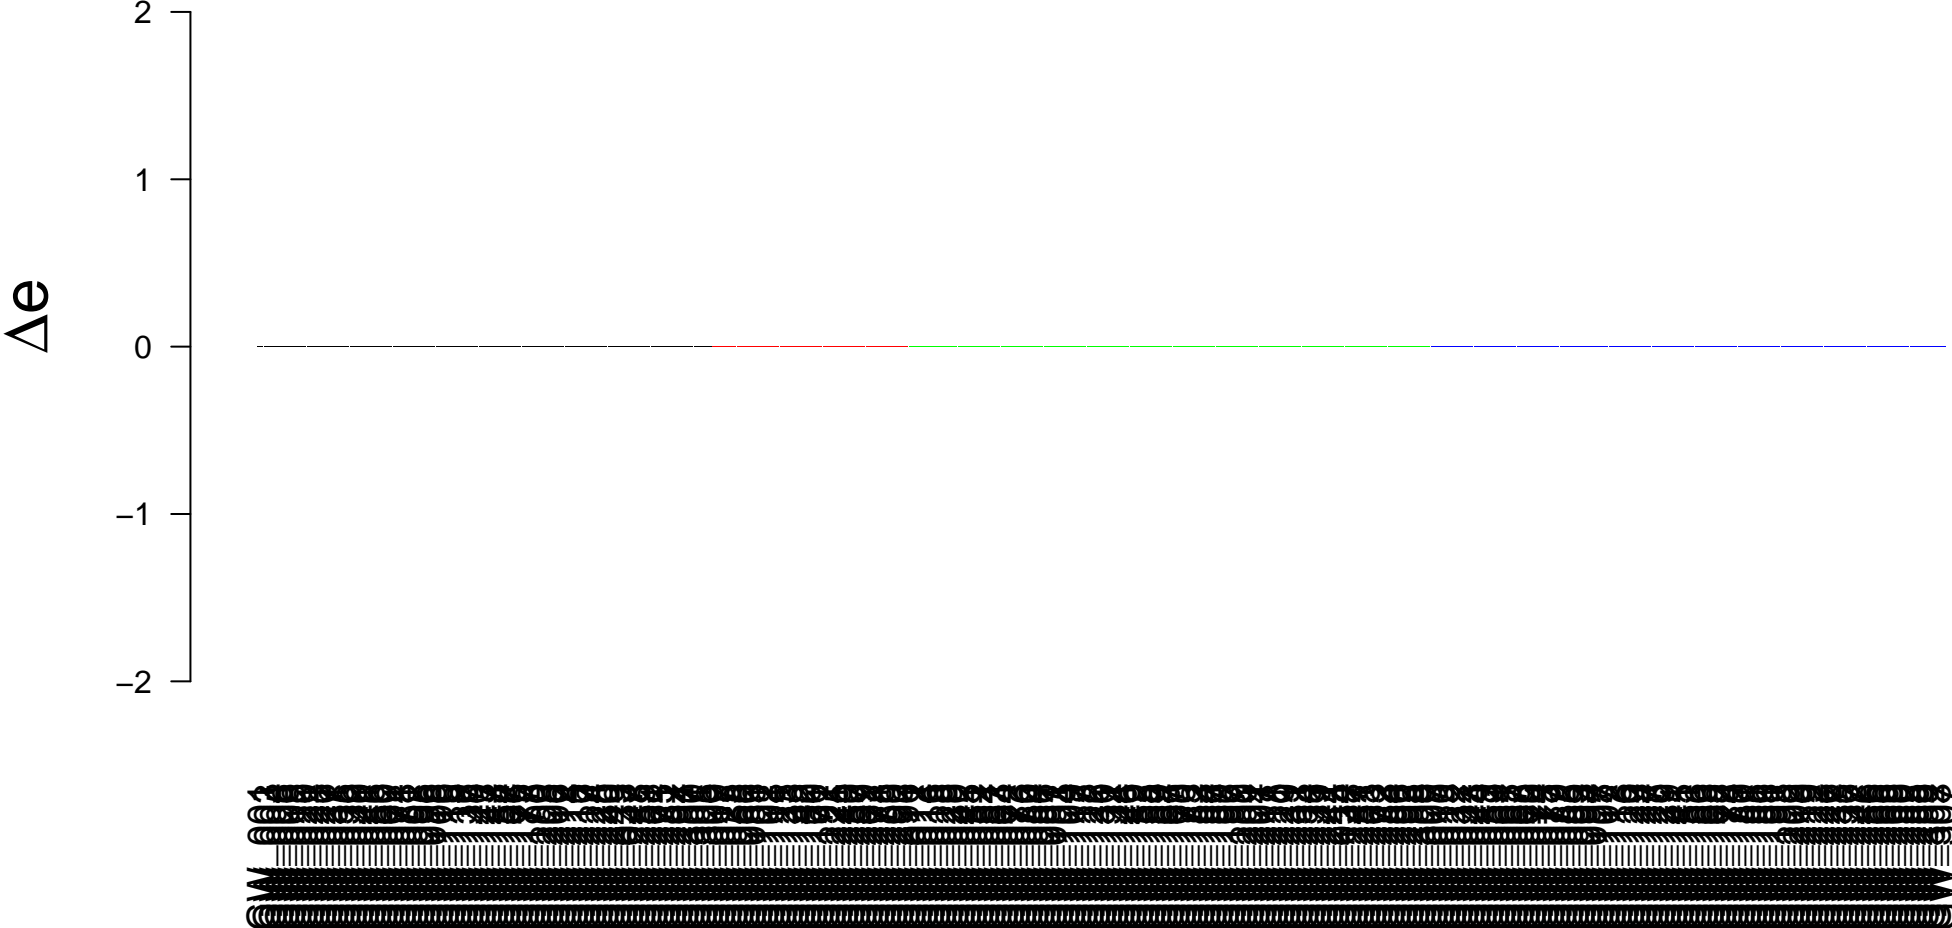

Expression of macrophage differentiation in Spot B

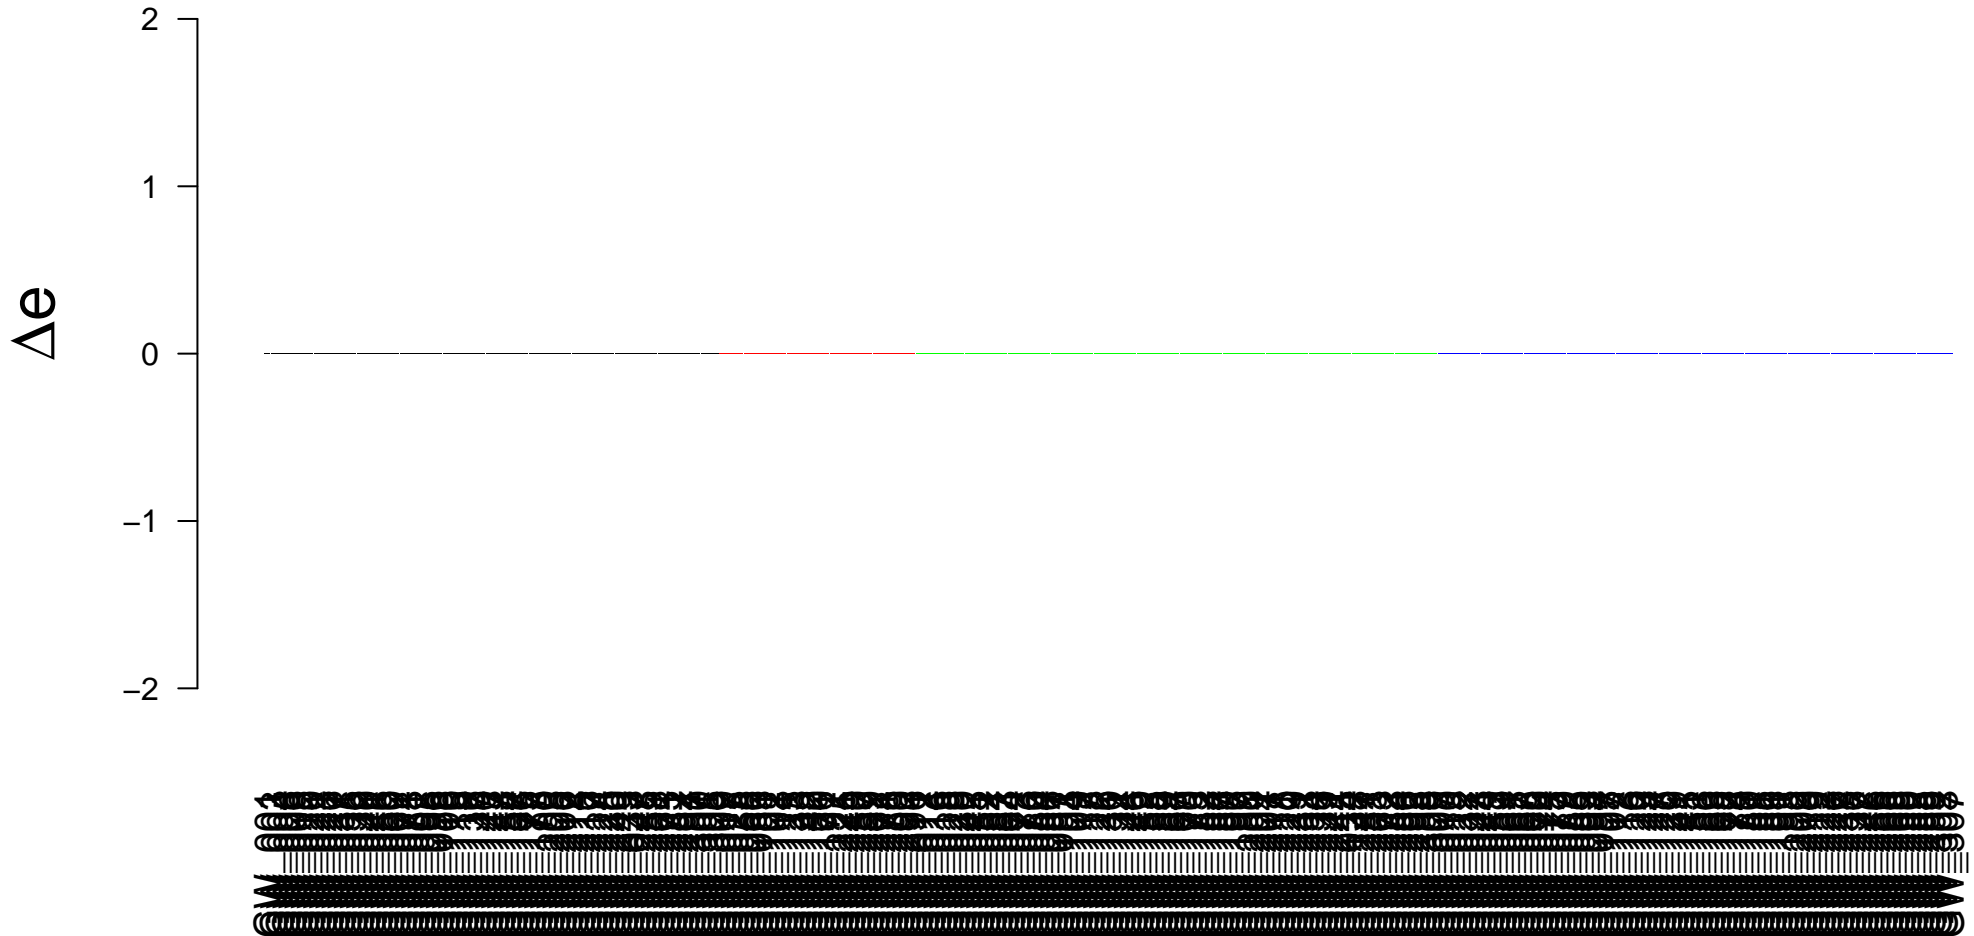

Expression of macrophage differentiation in Spot C

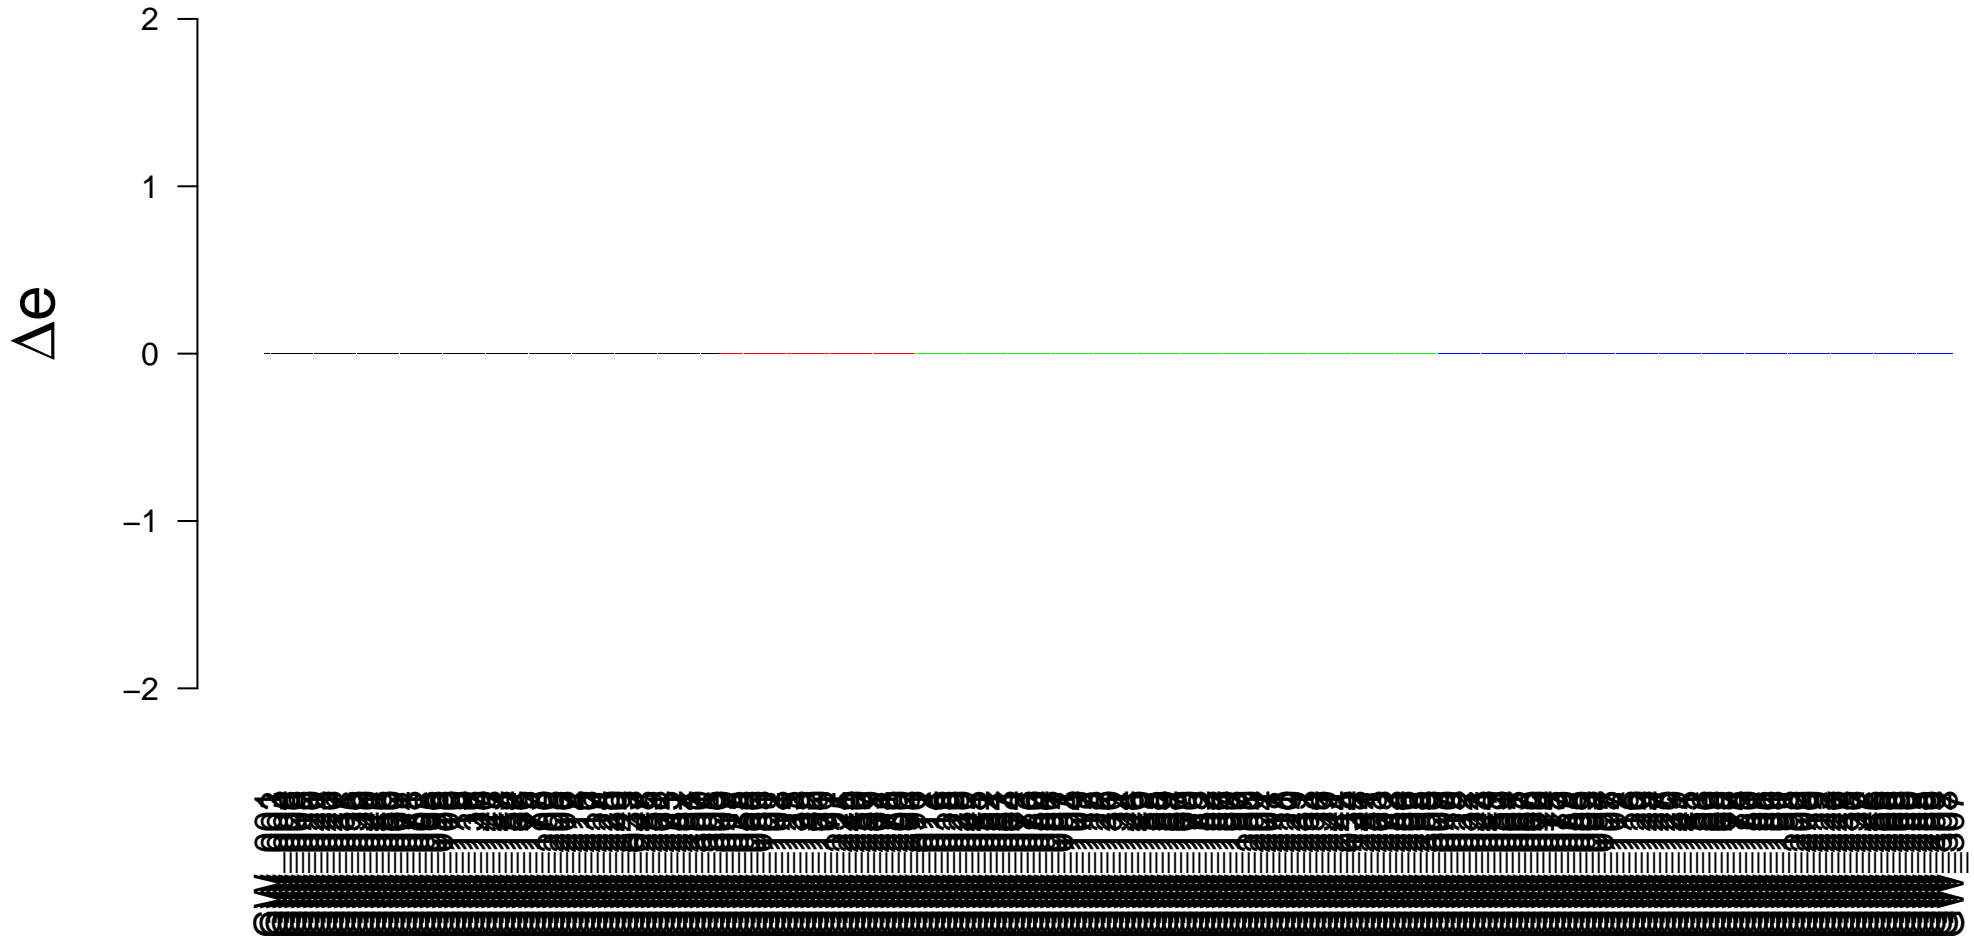

Expression of macrophage differentiation in Spot D

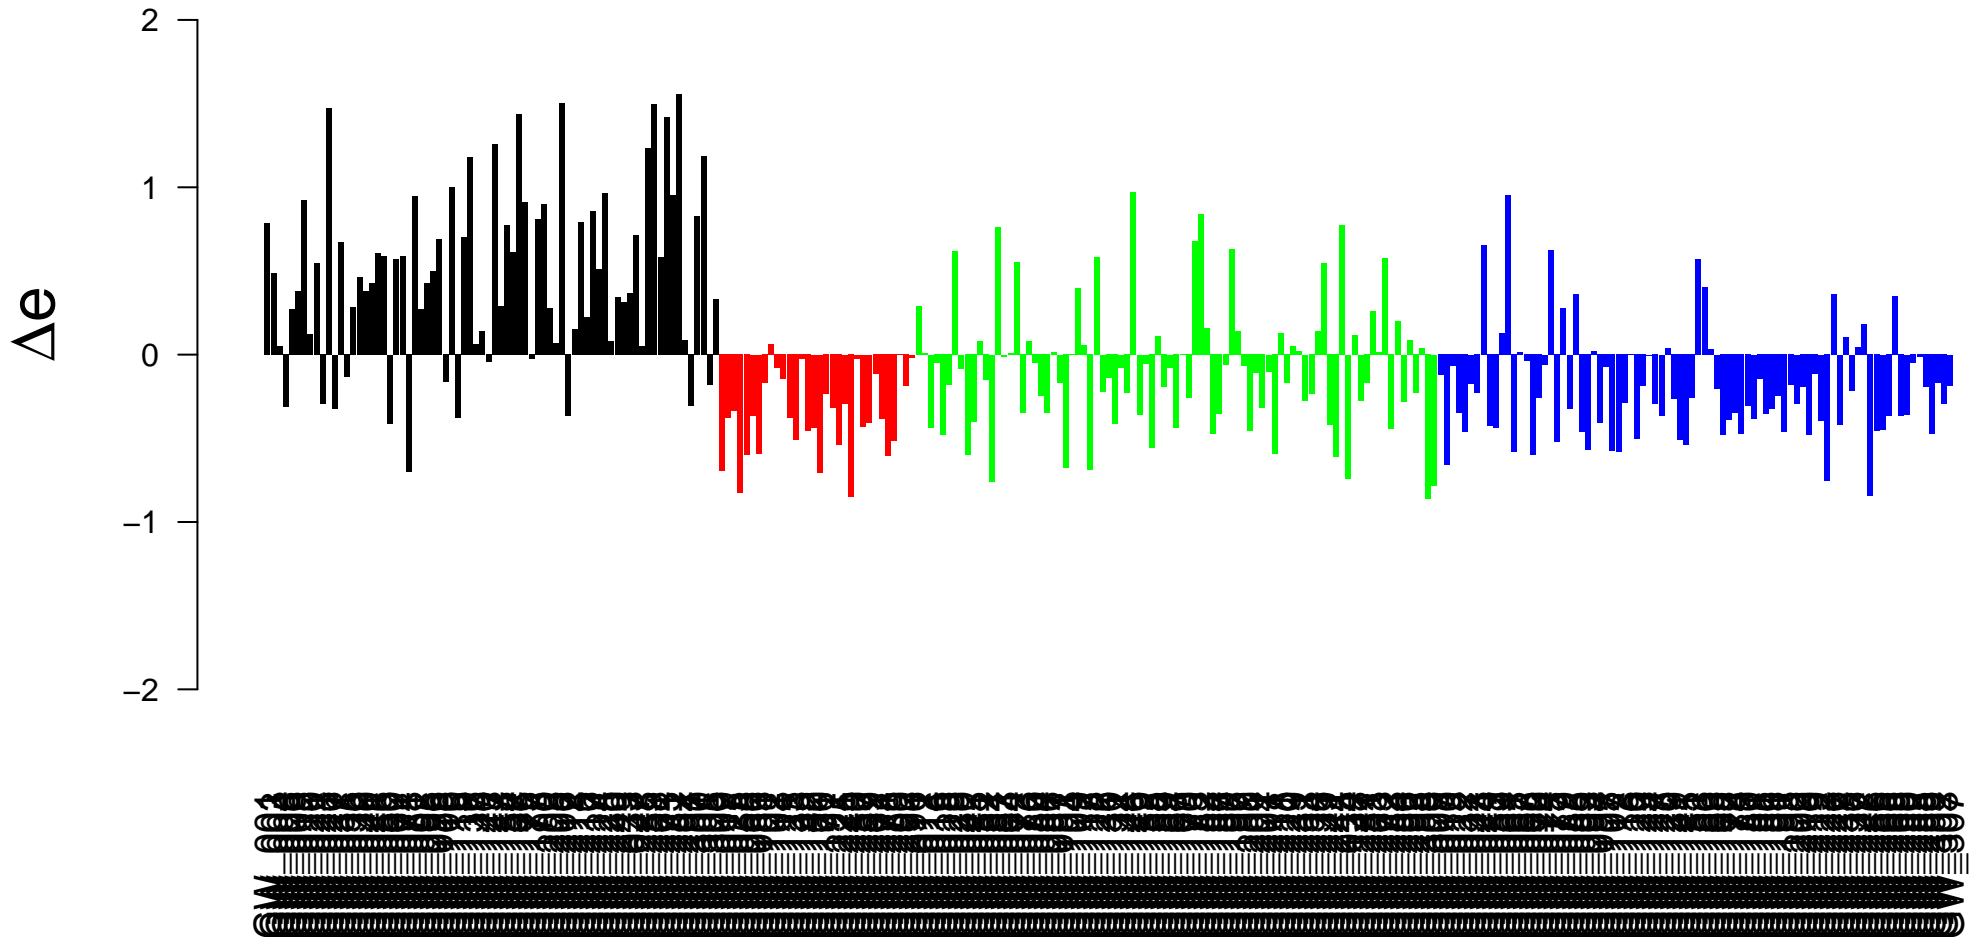

Expression of macrophage differentiation in Spot E

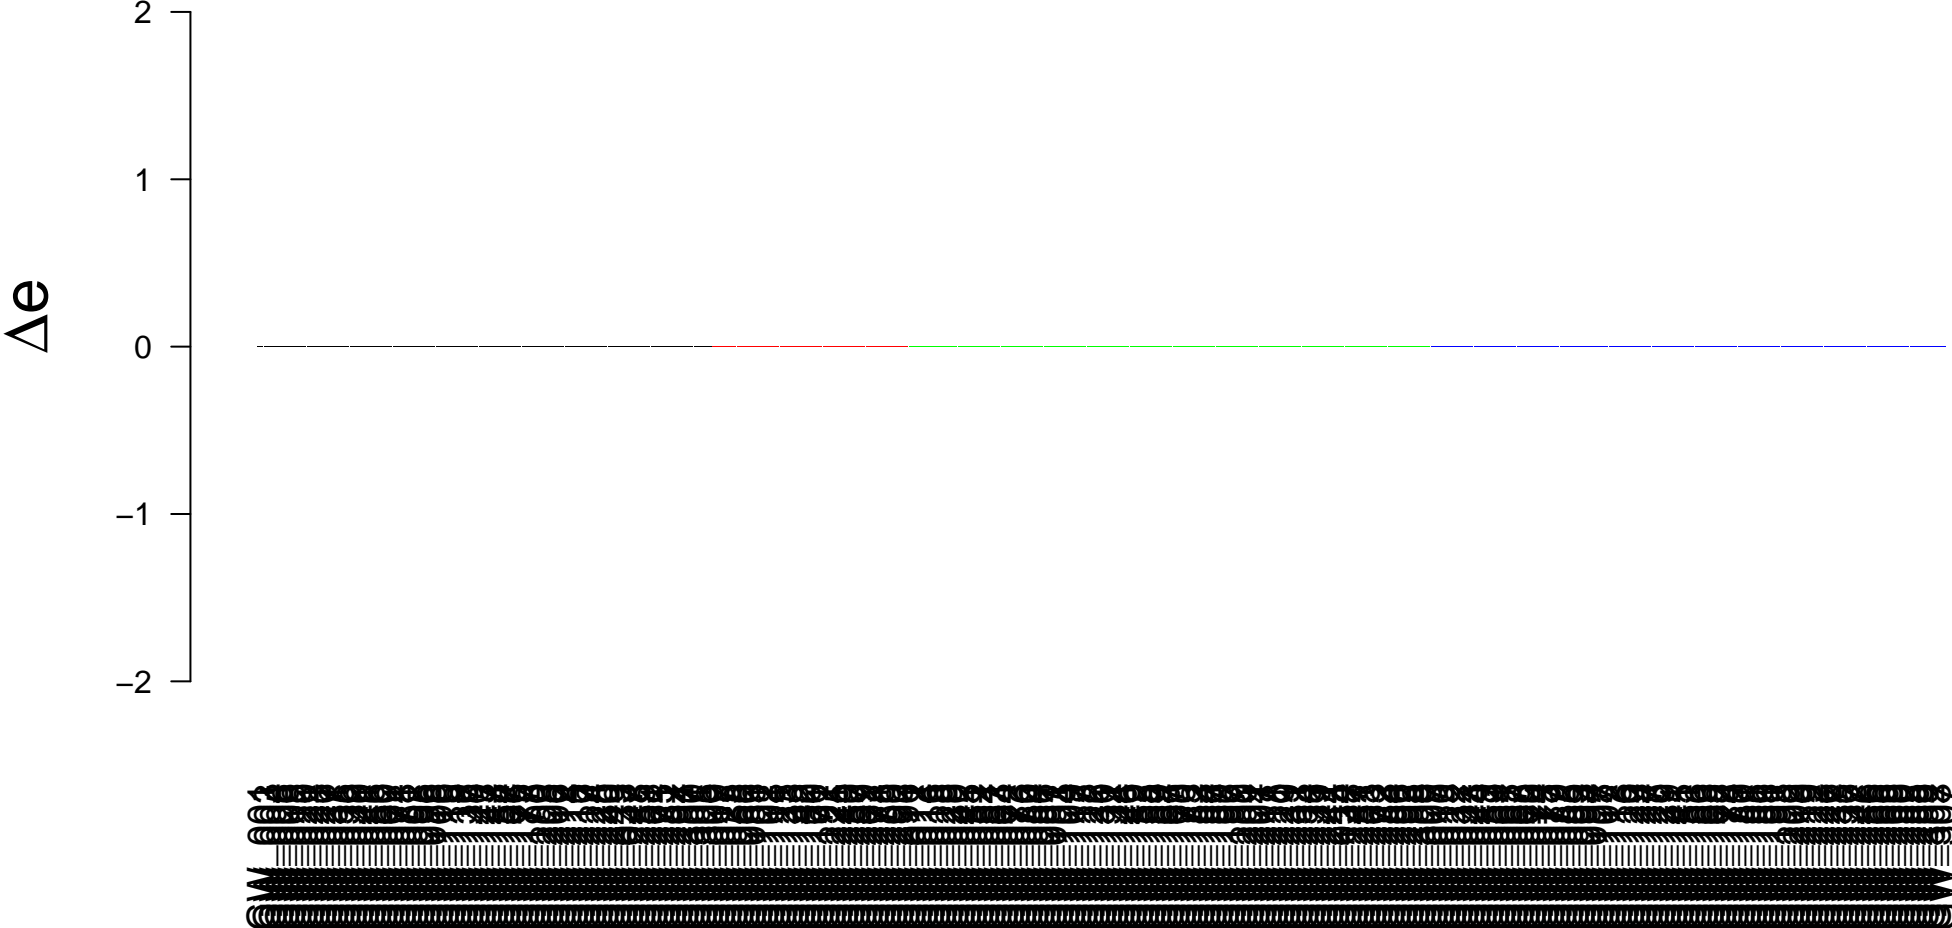

Expression of macrophage differentiation in Spot F

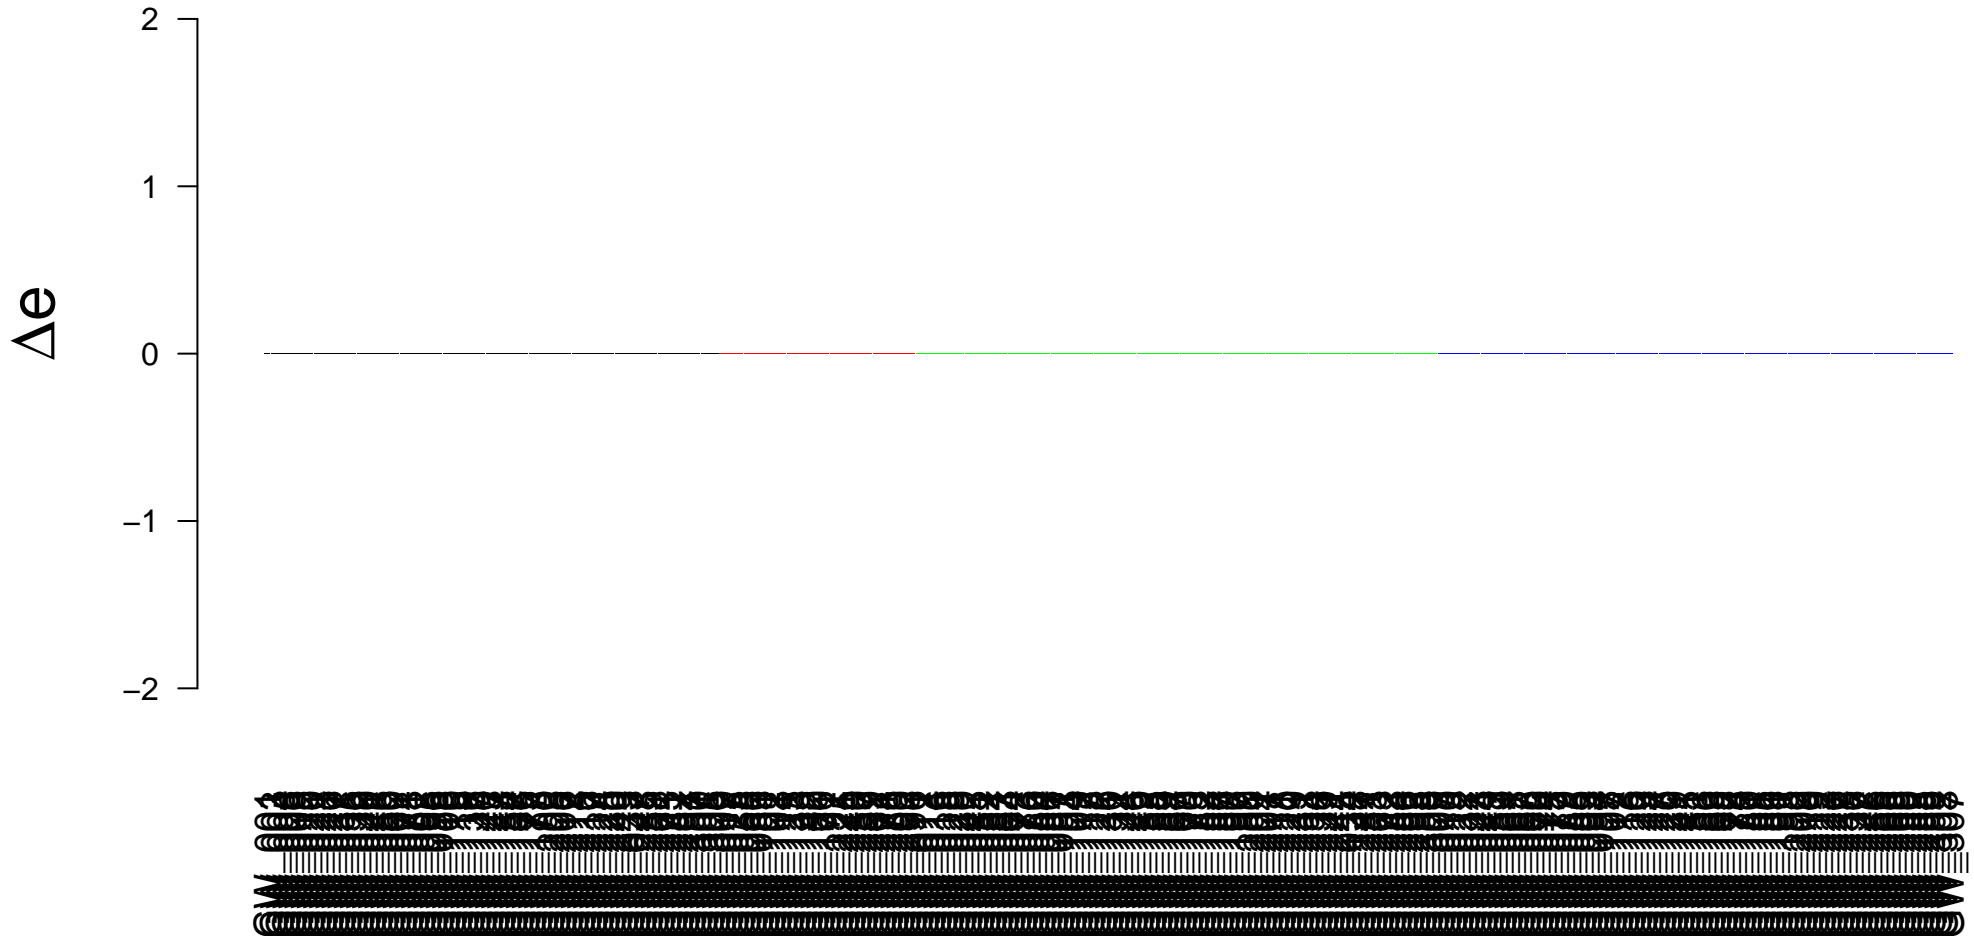

Expression of macrophage differentiation in Spot G

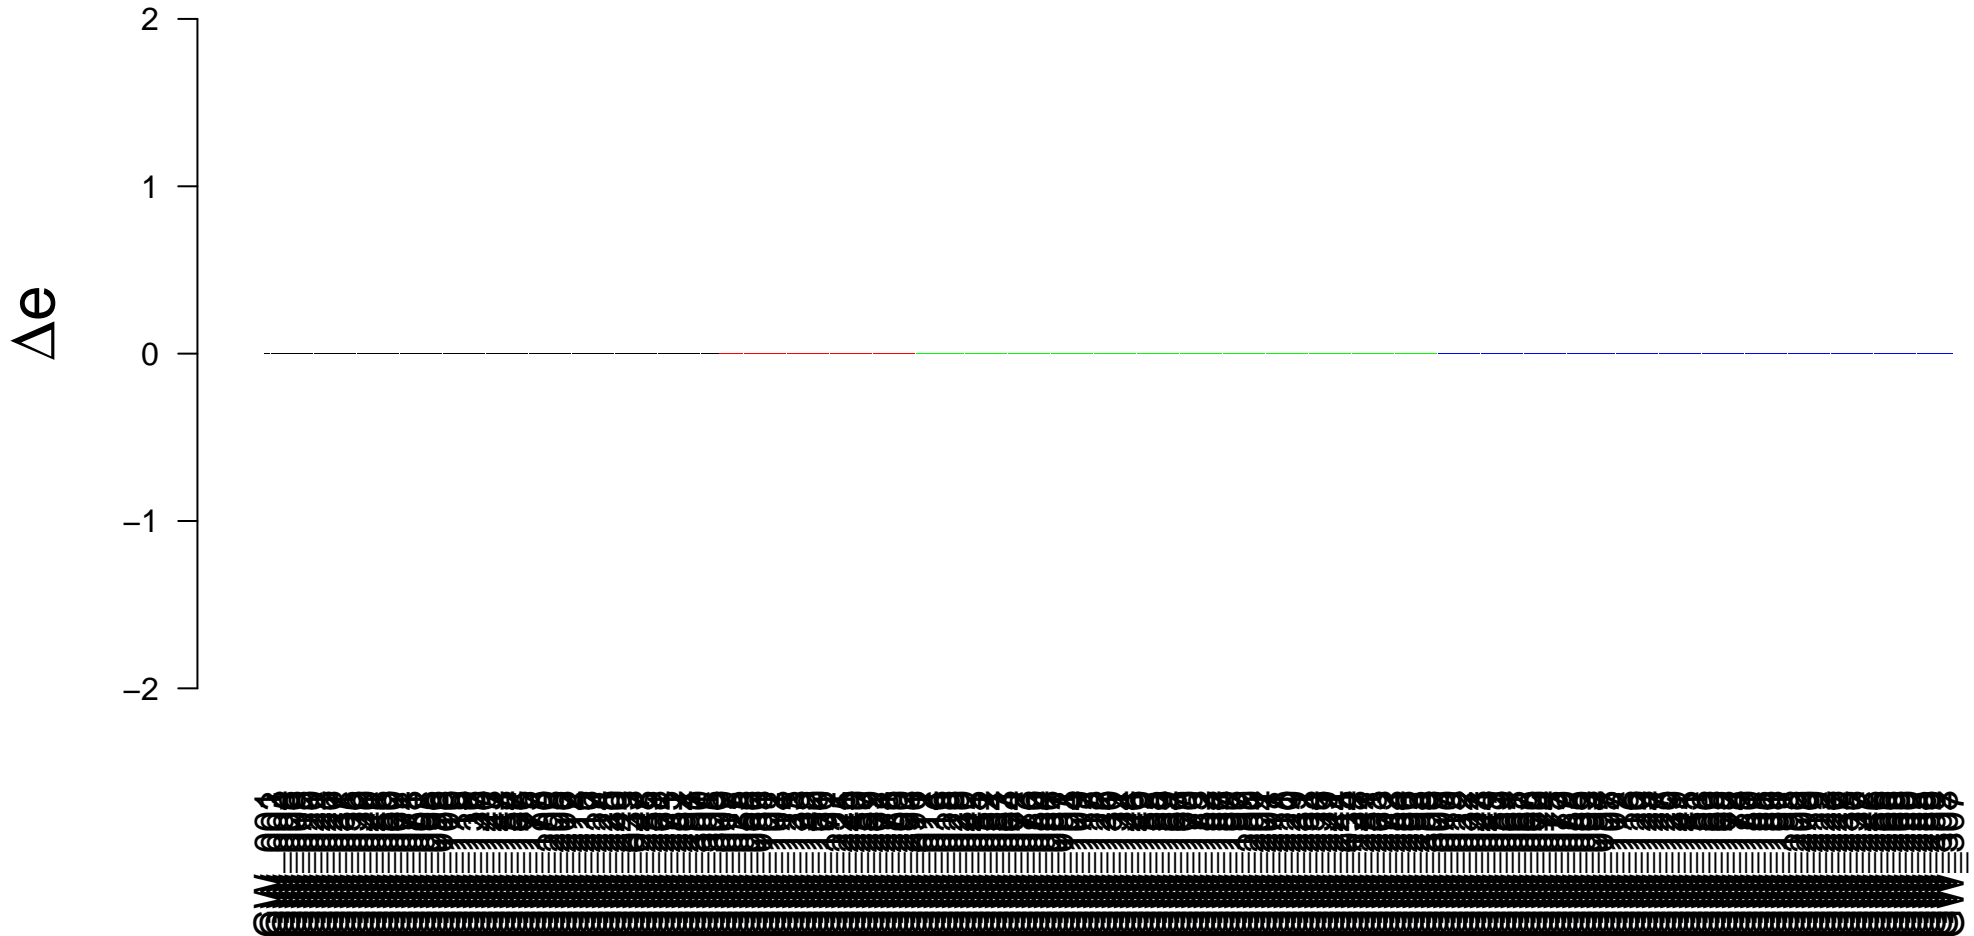

Expression of macrophage differentiation in Spot H

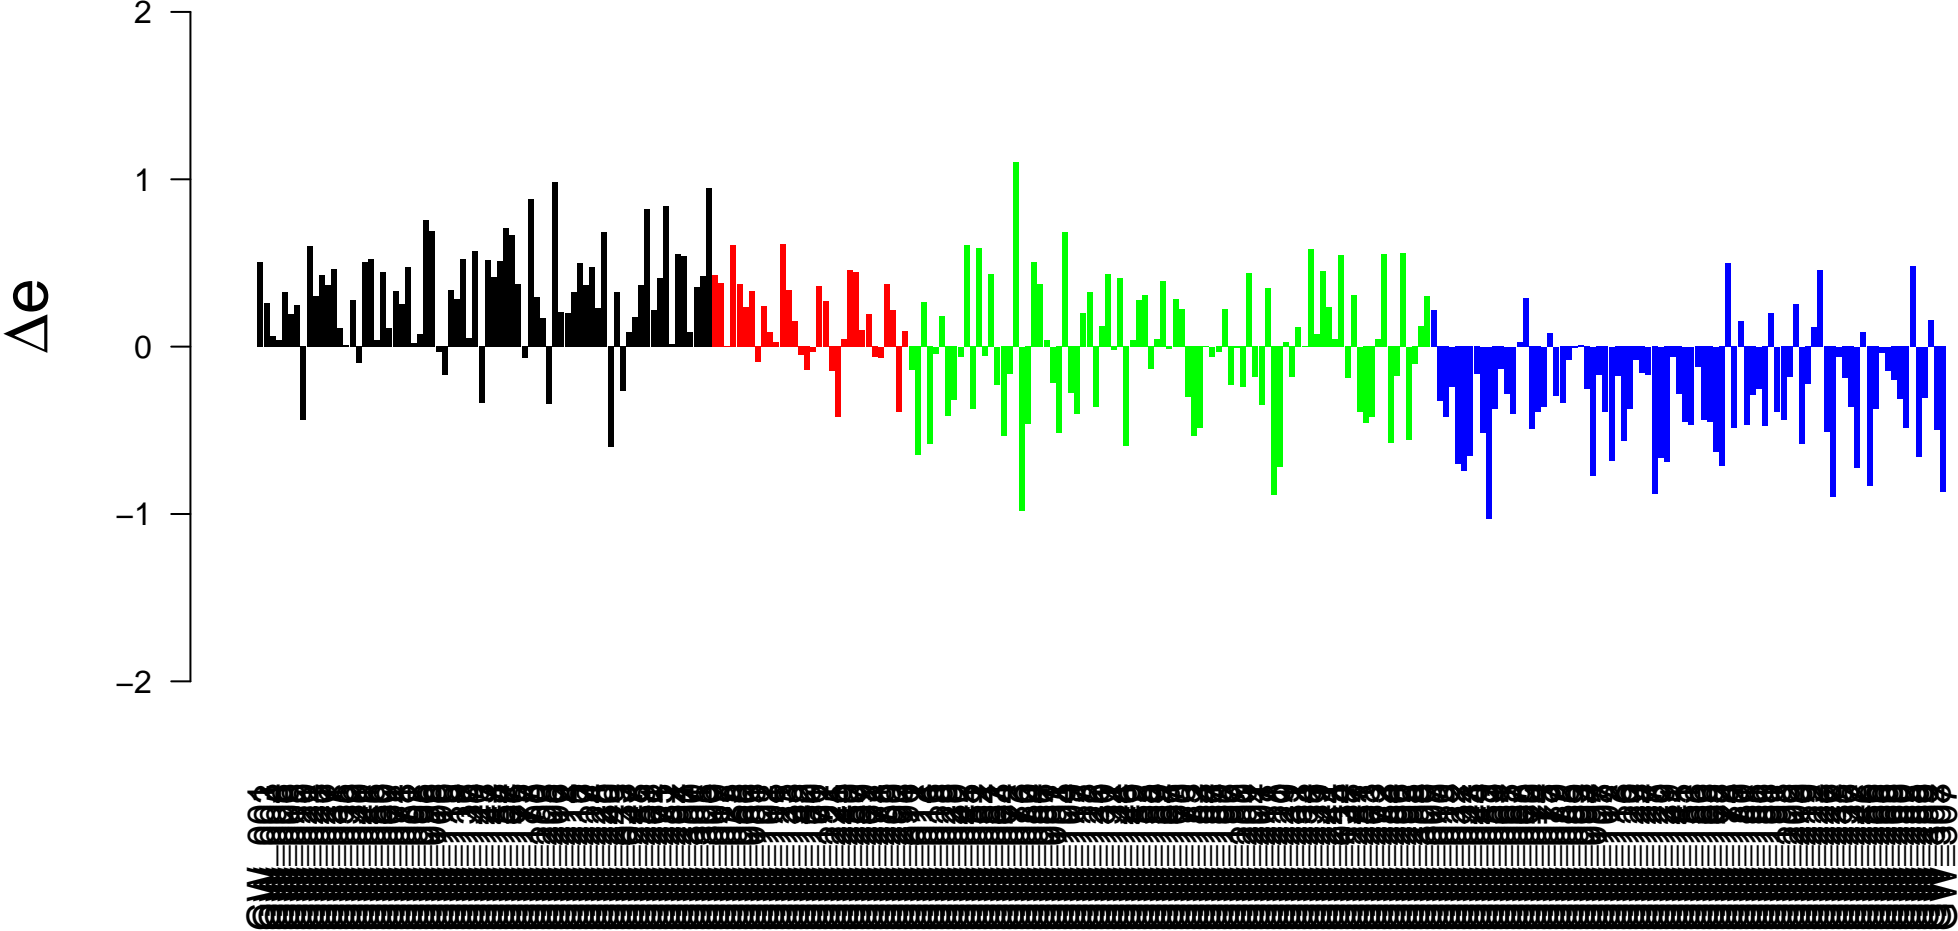

Expression of macrophage differentiation in Spot I

Expression of macrophage differentiation in Spot J

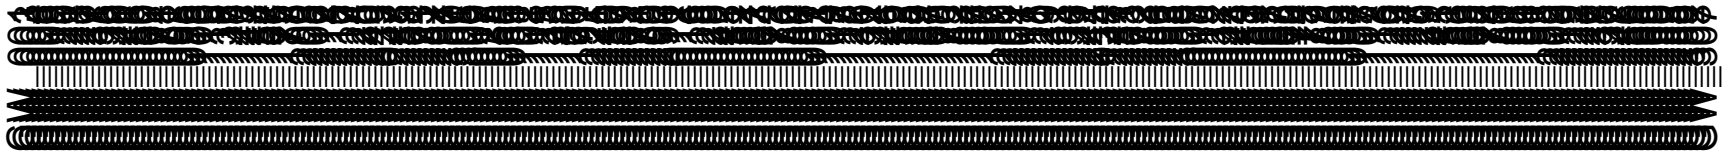

Expression of macrophage differentiation in Spot K

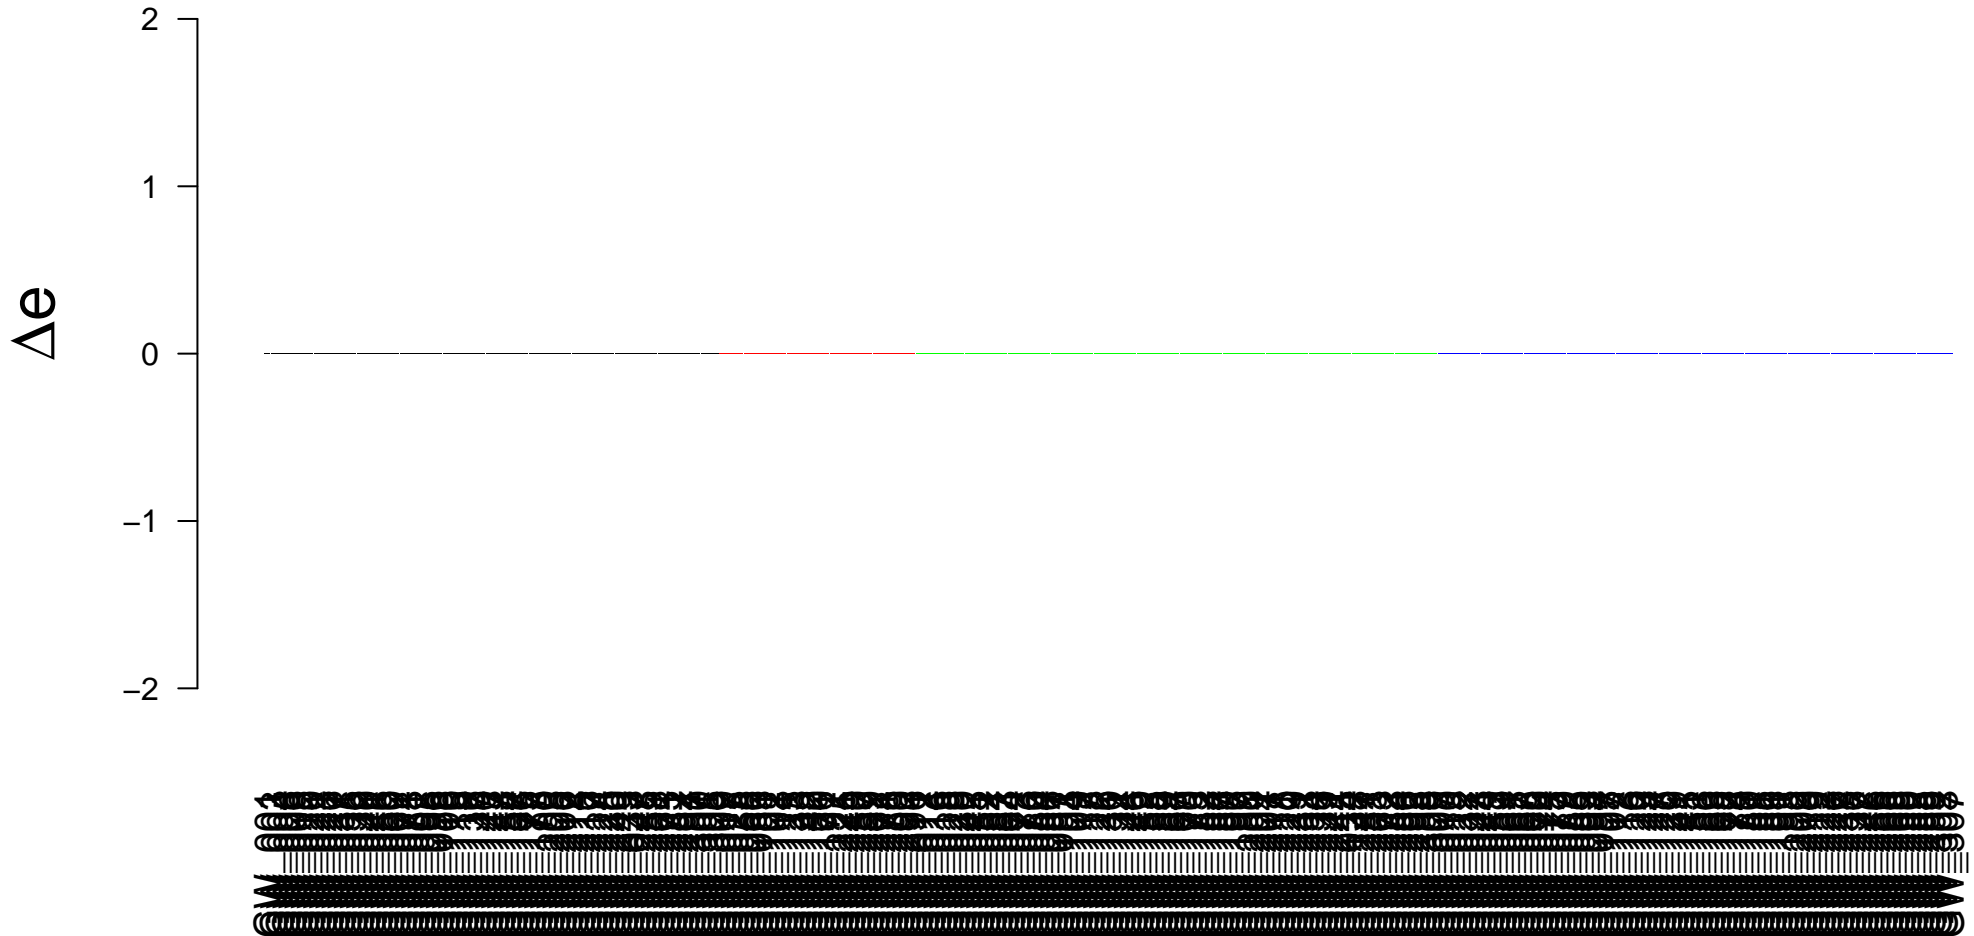

Expression of macrophage differentiation in Spot L
