

male meiosis

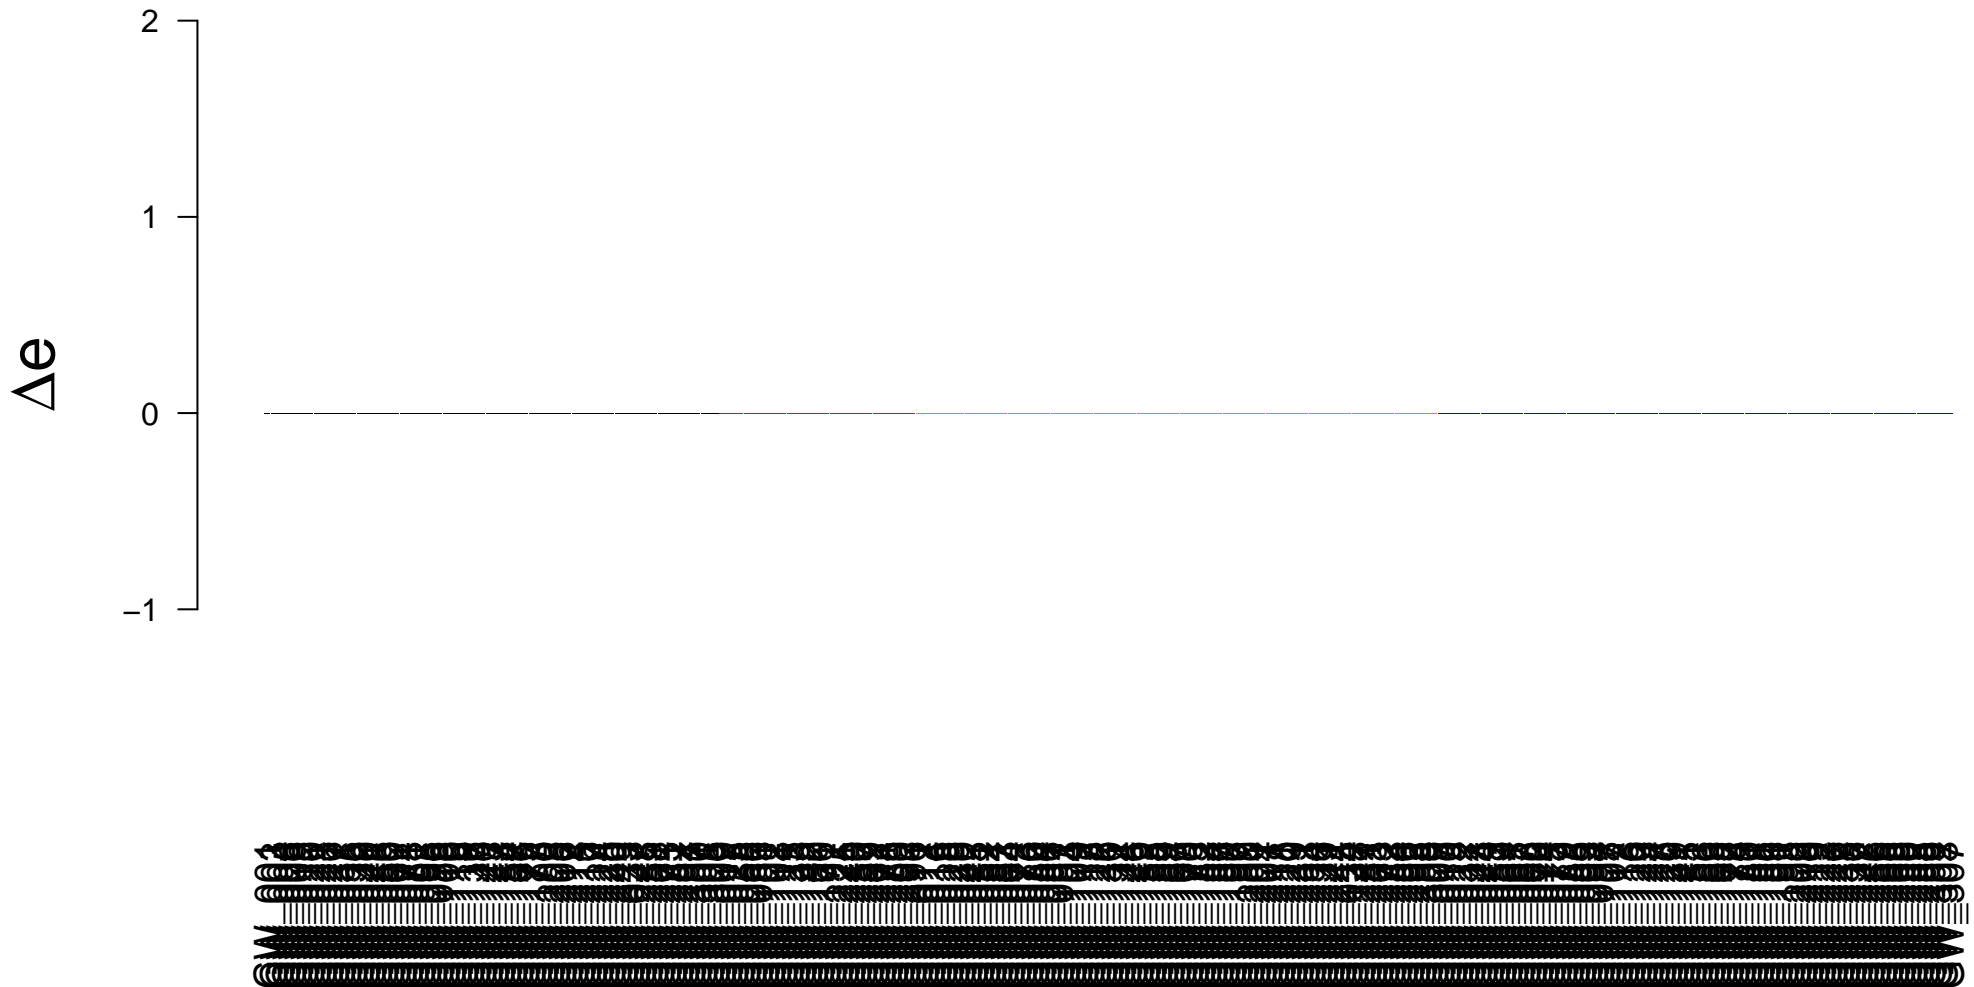

male meiosis

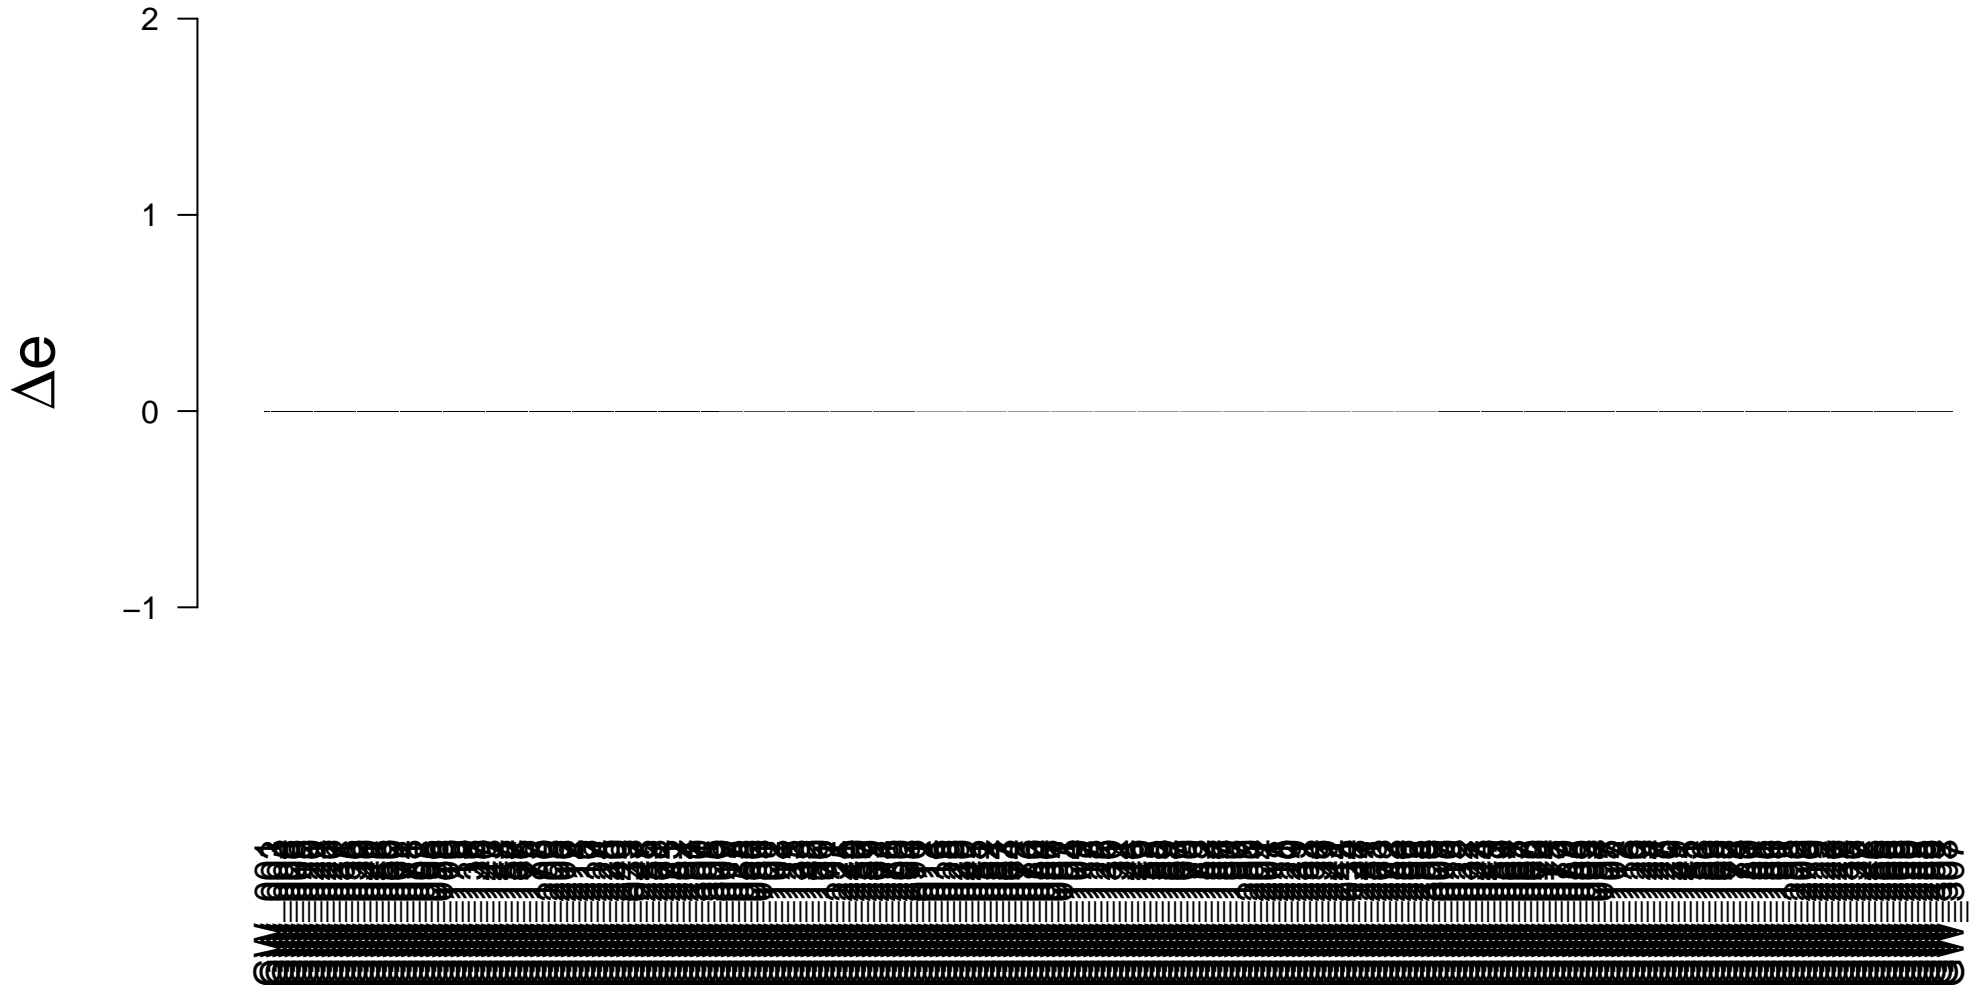

### Enrichment in spots: male meiosis

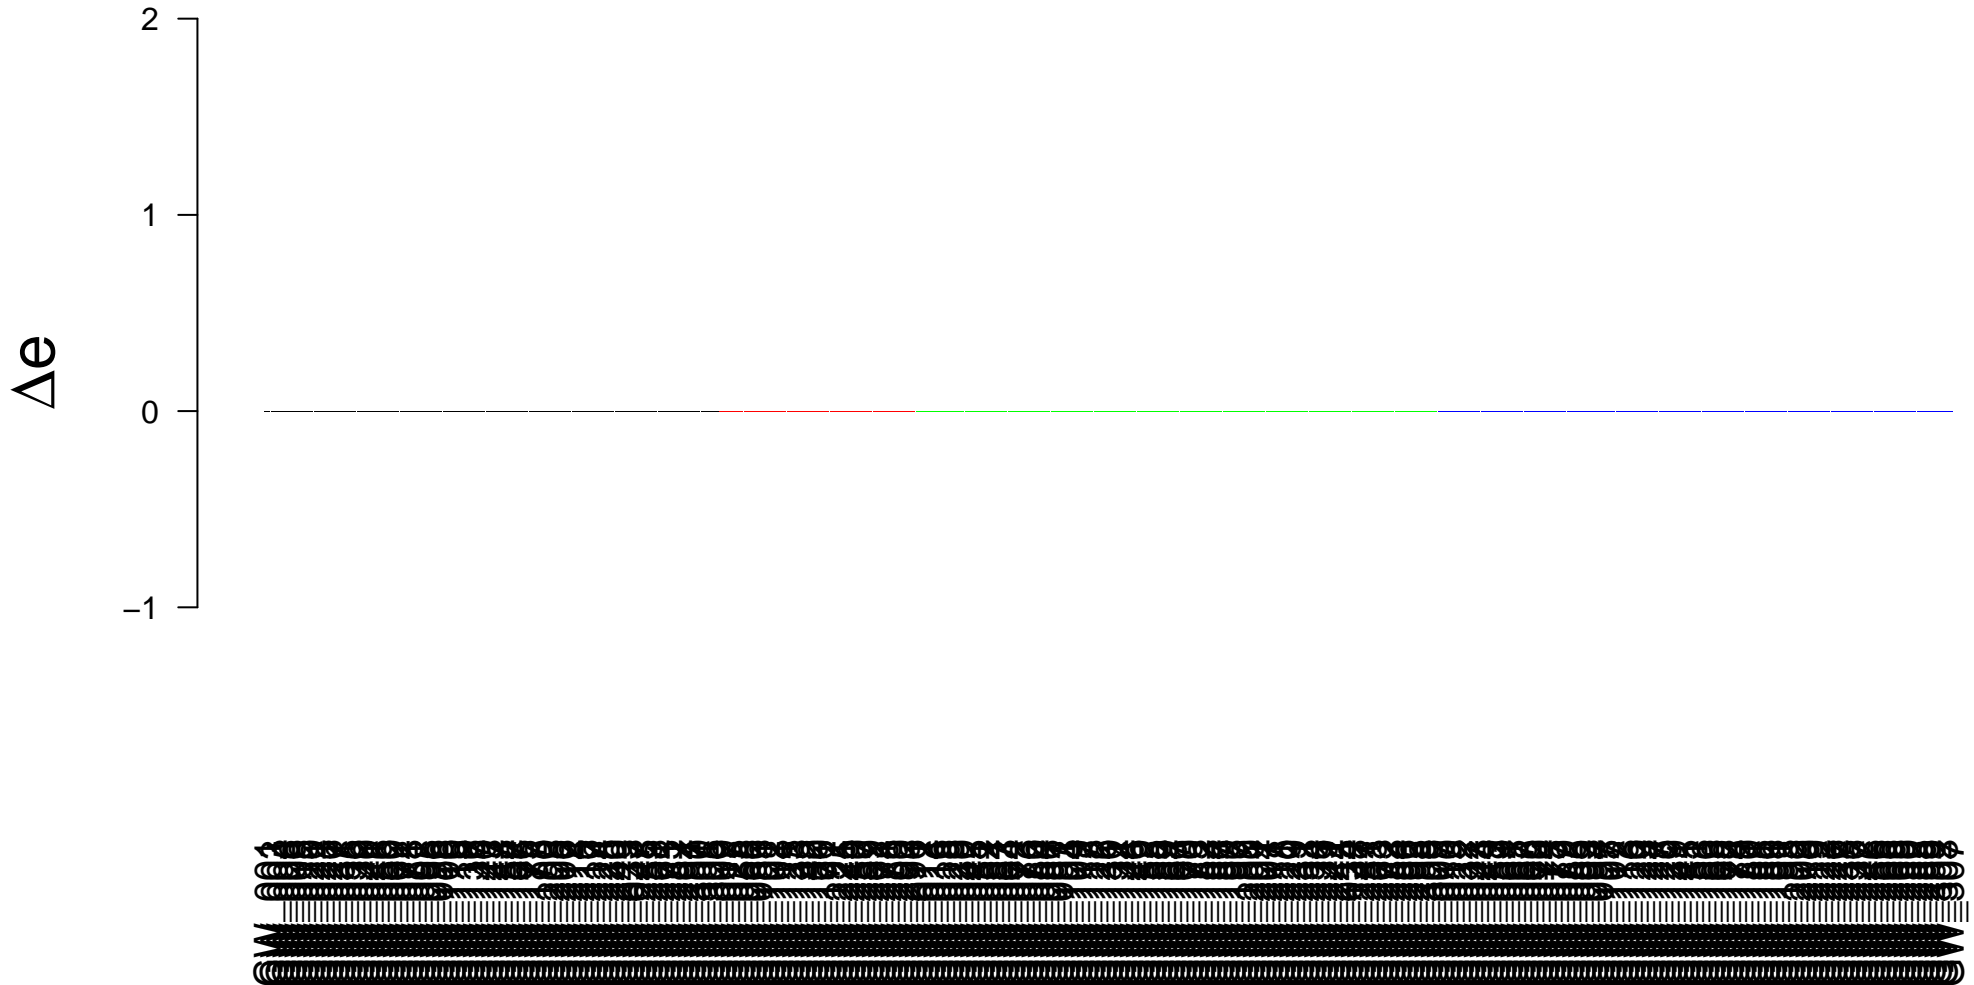

# Expression of male meiosis in Spot A

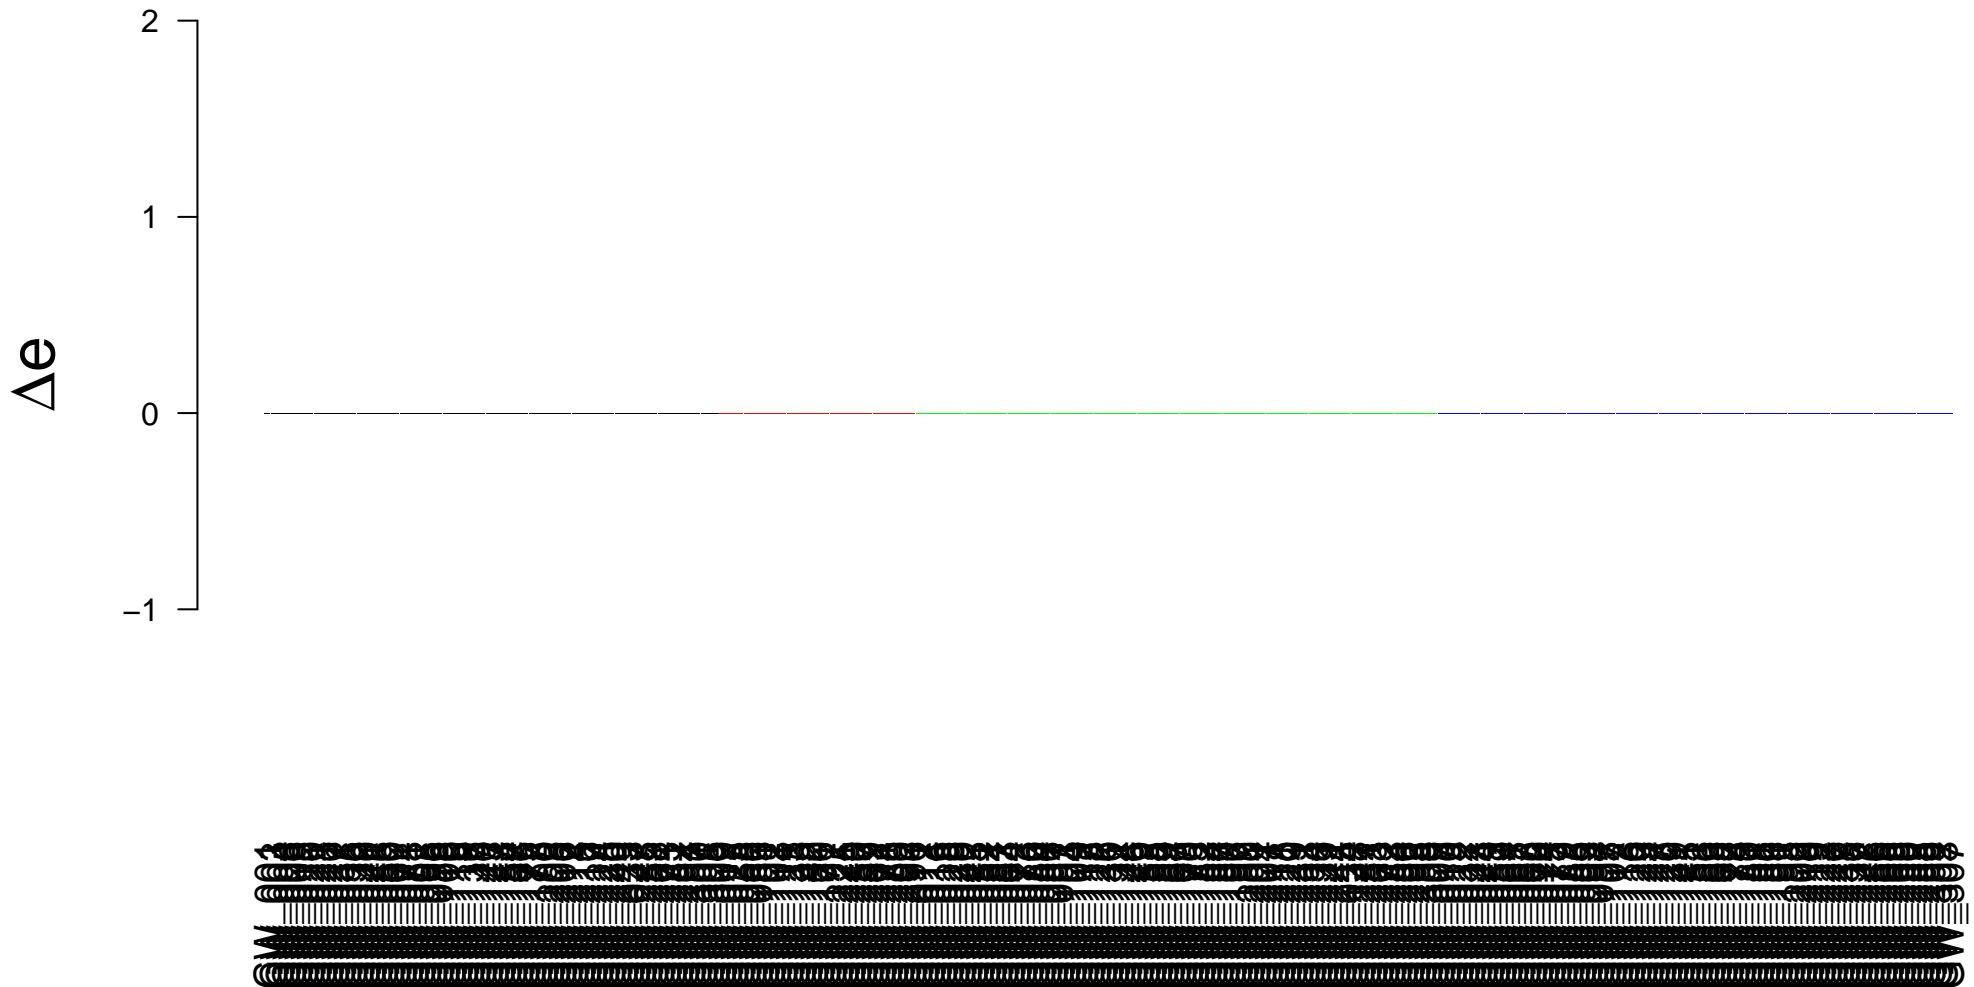

# Expression of male meiosis in Spot B

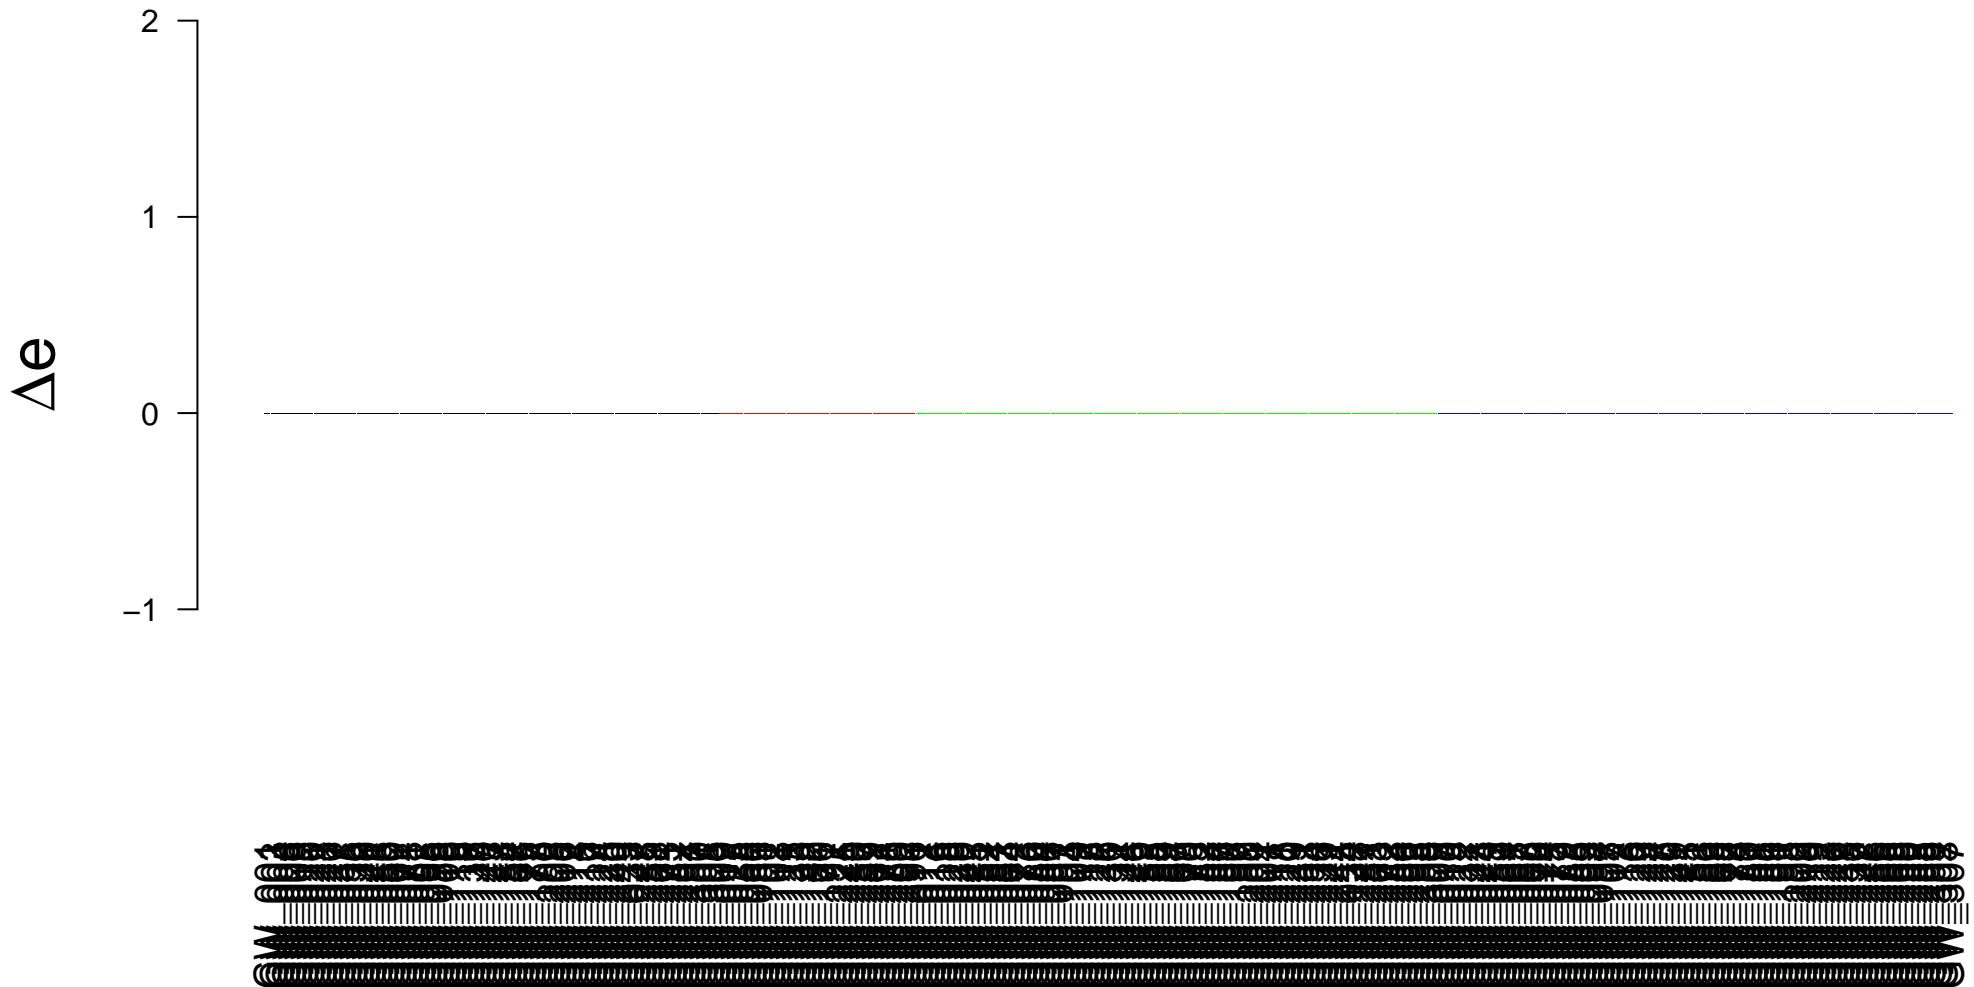

# Expression of male meiosis in Spot C

# Expression of male meiosis in Spot D

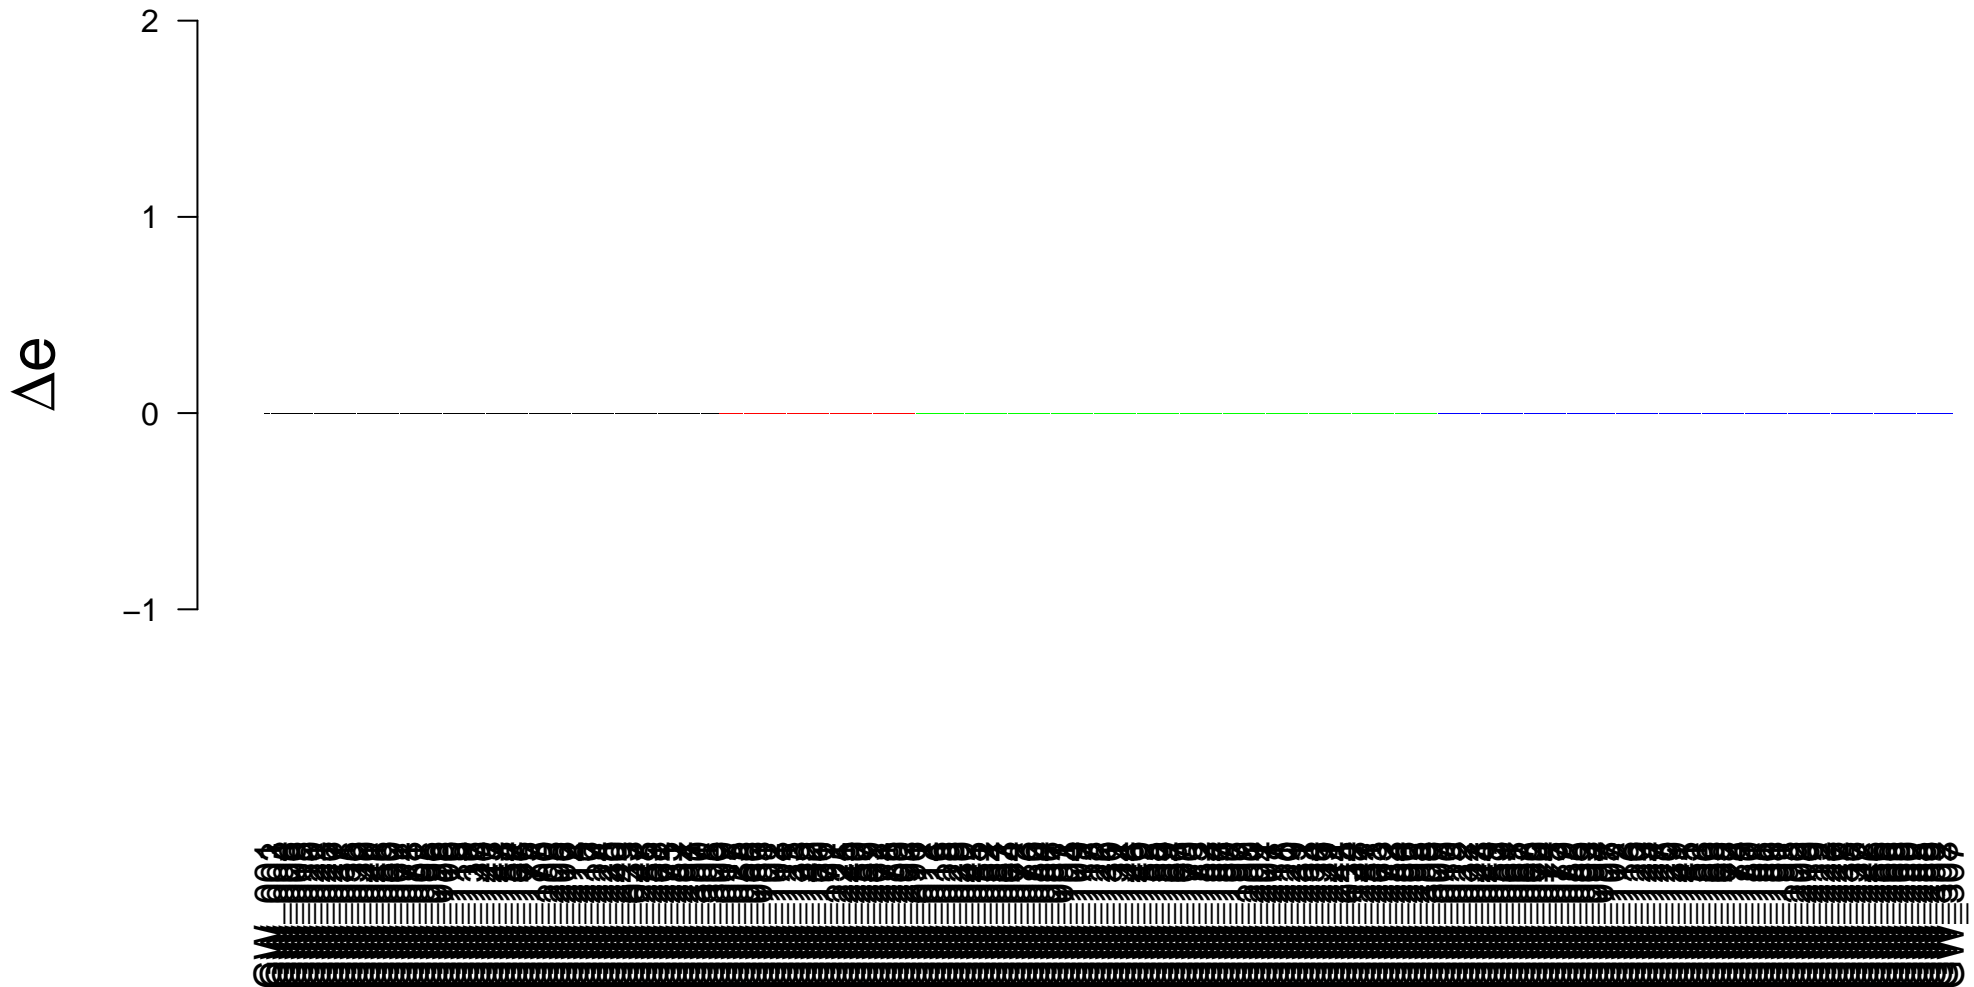

# Expression of male meiosis in Spot E

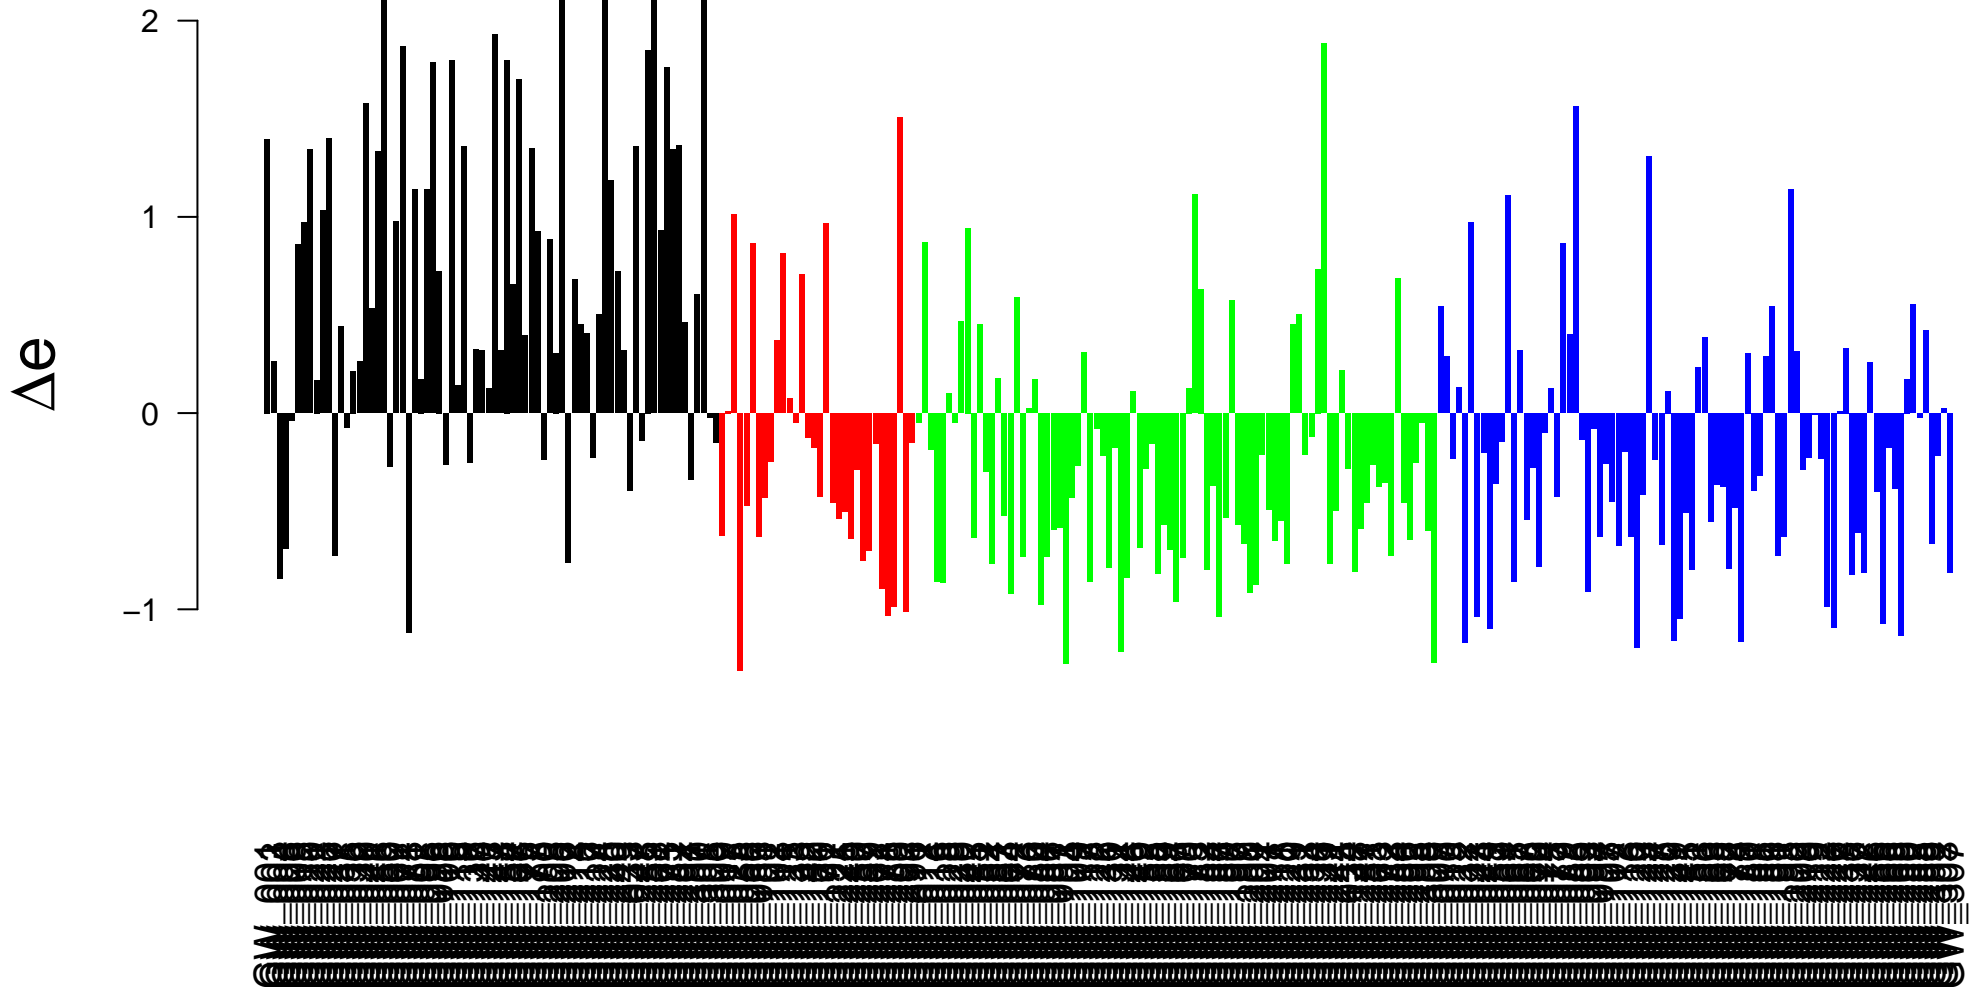

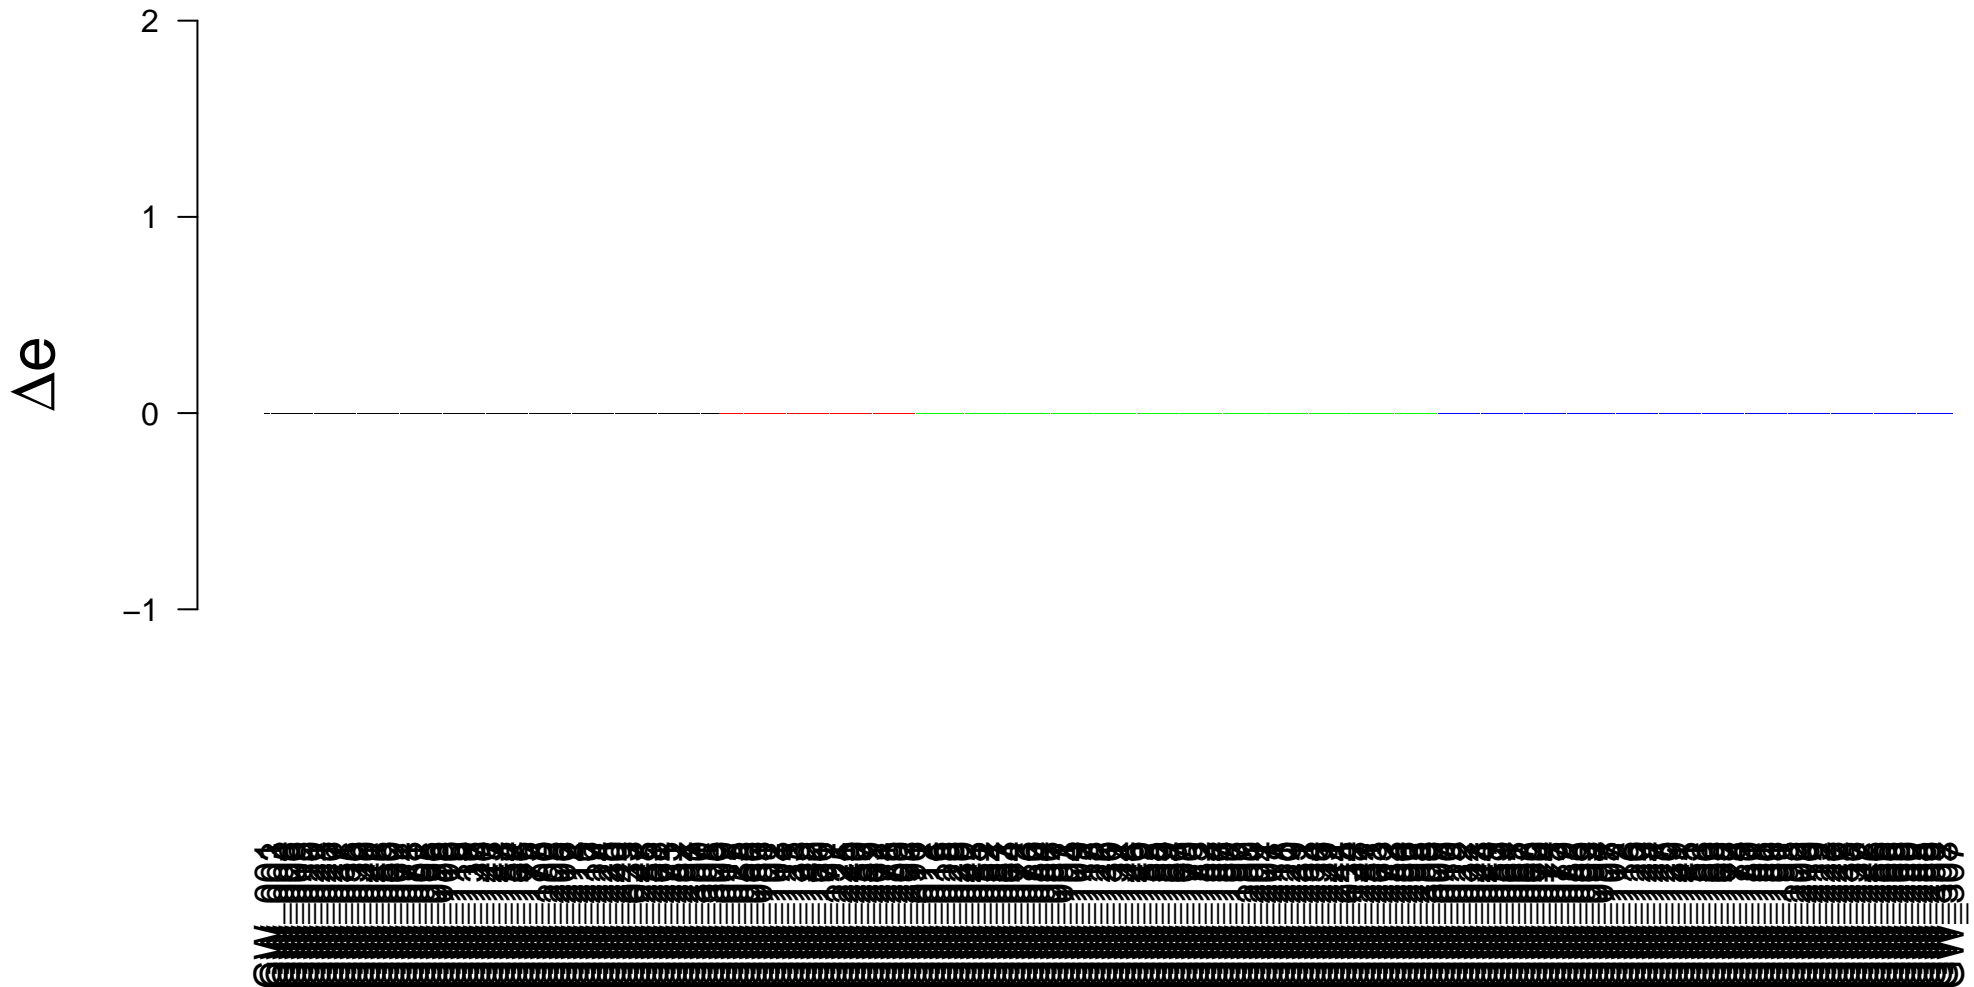

# Expression of male meiosis in Spot F

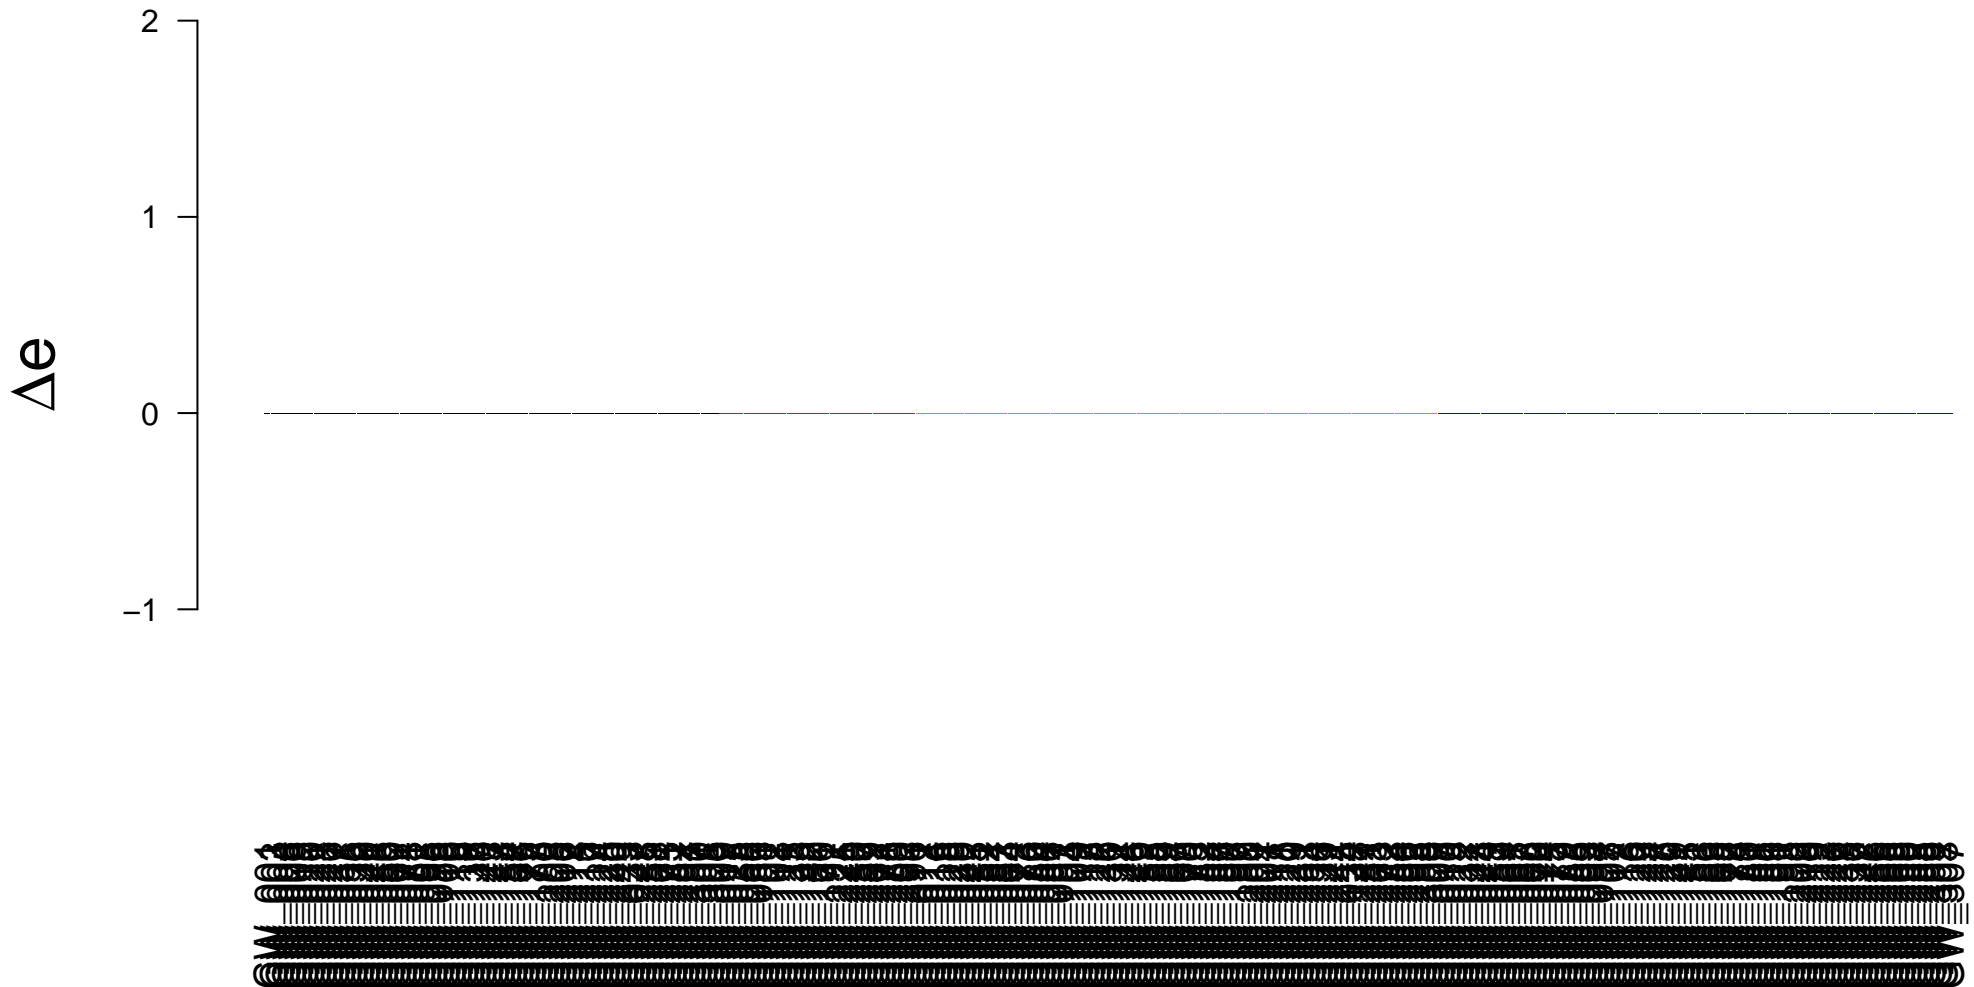

# Expression of male meiosis in Spot G

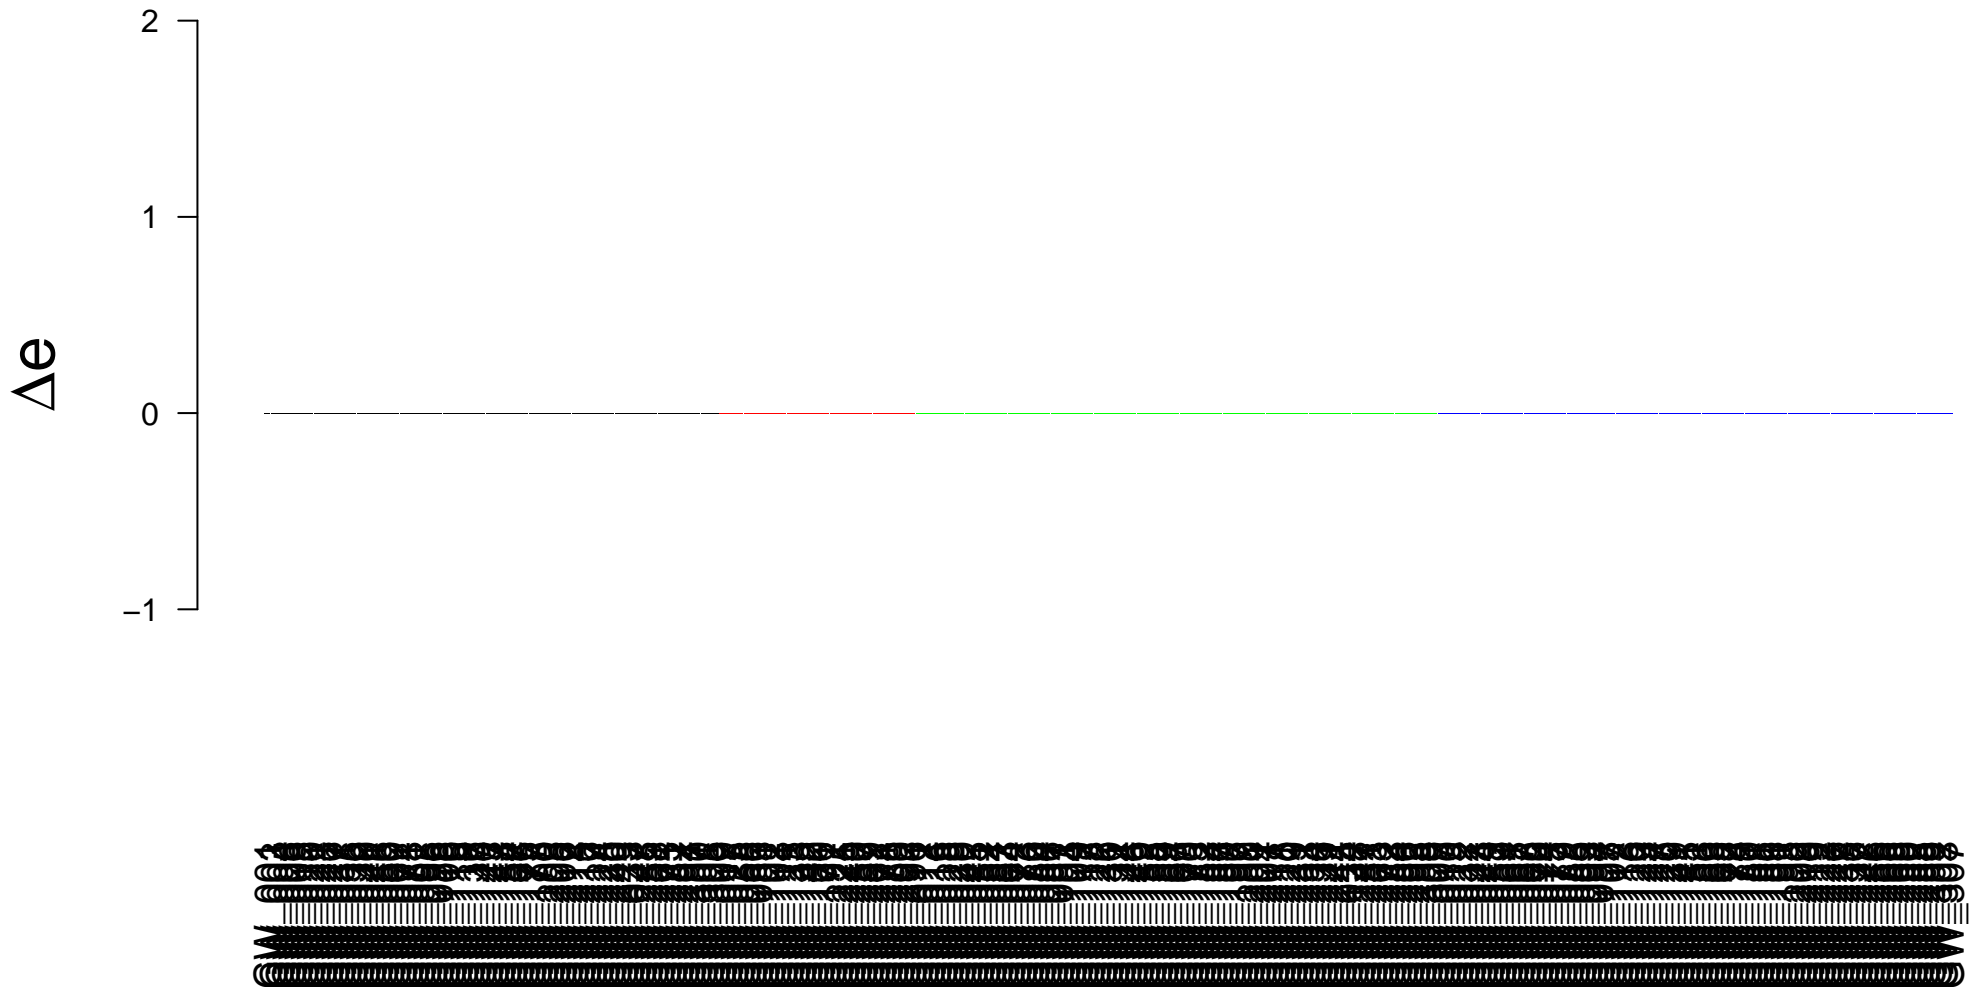

# Expression of male meiosis in Spot H

# Expression of male meiosis in Spot I

# Expression of male meiosis in Spot J

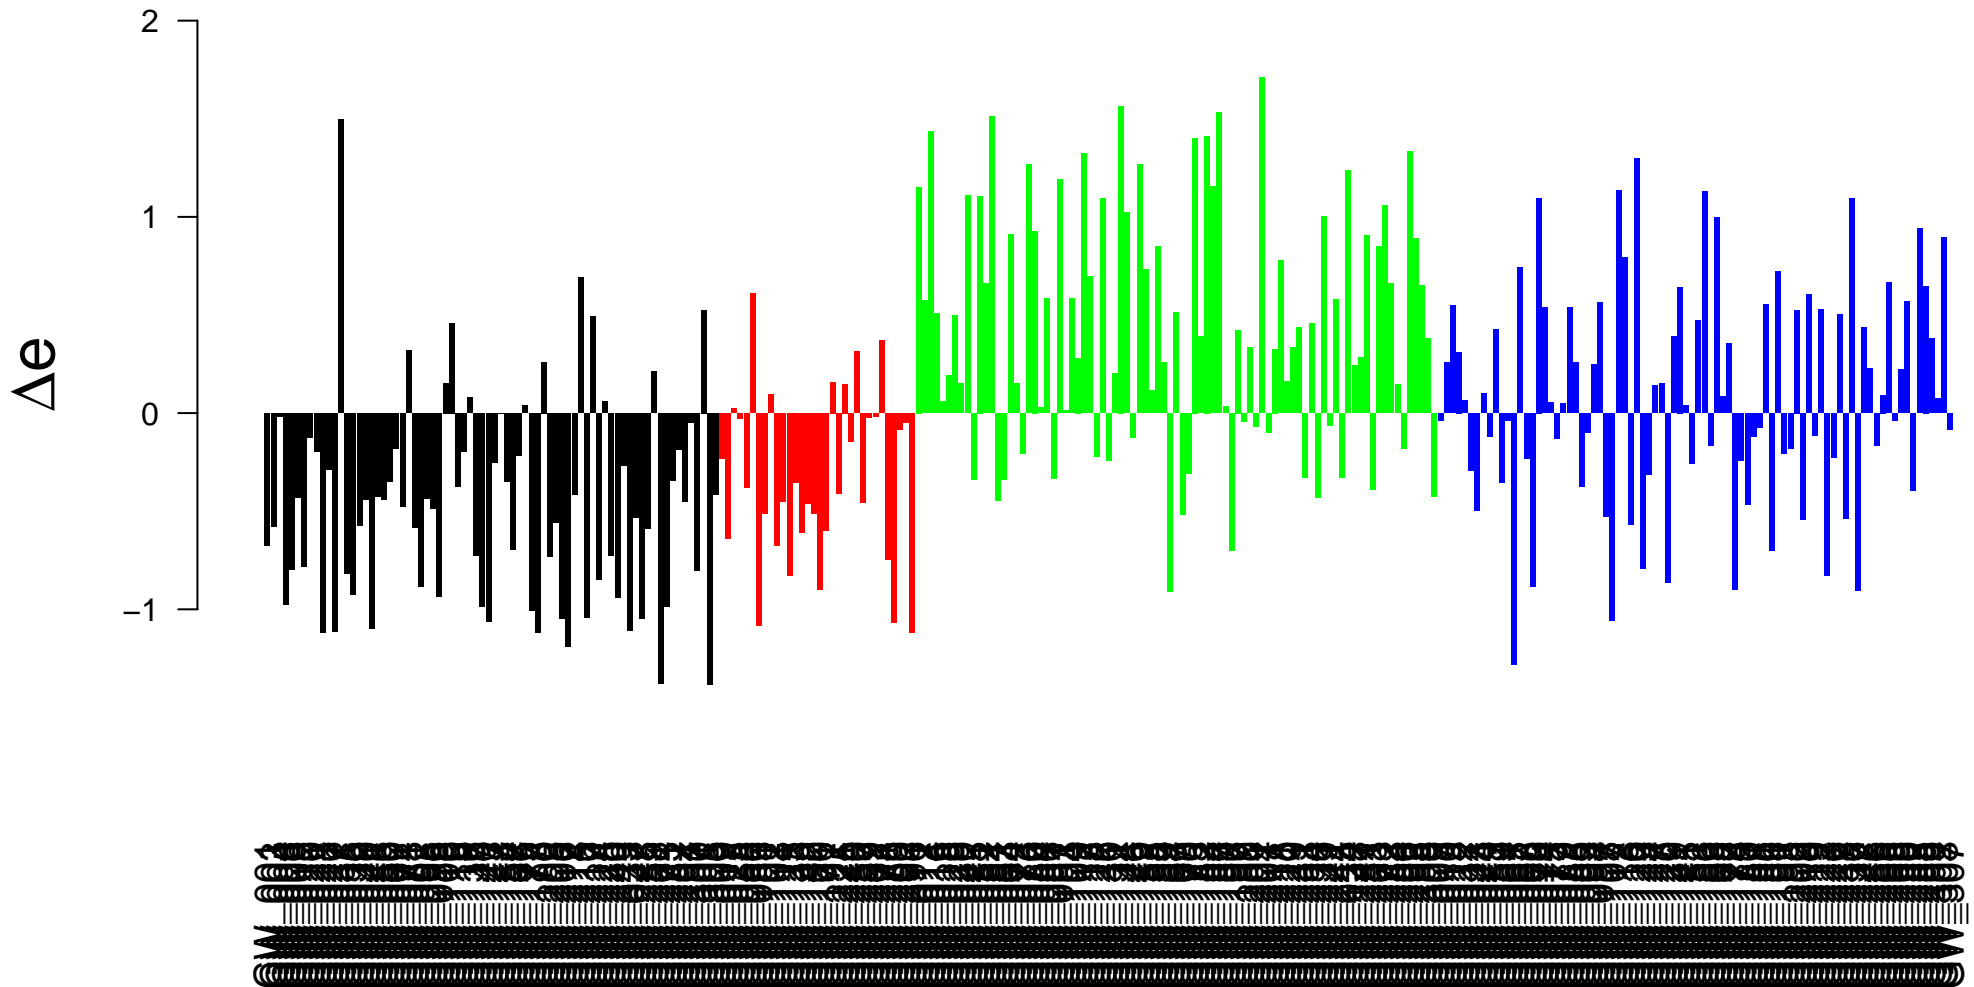

# Expression of male meiosis in Spot K

$\Delta e$
