

mammary gland epithelial cell proliferation

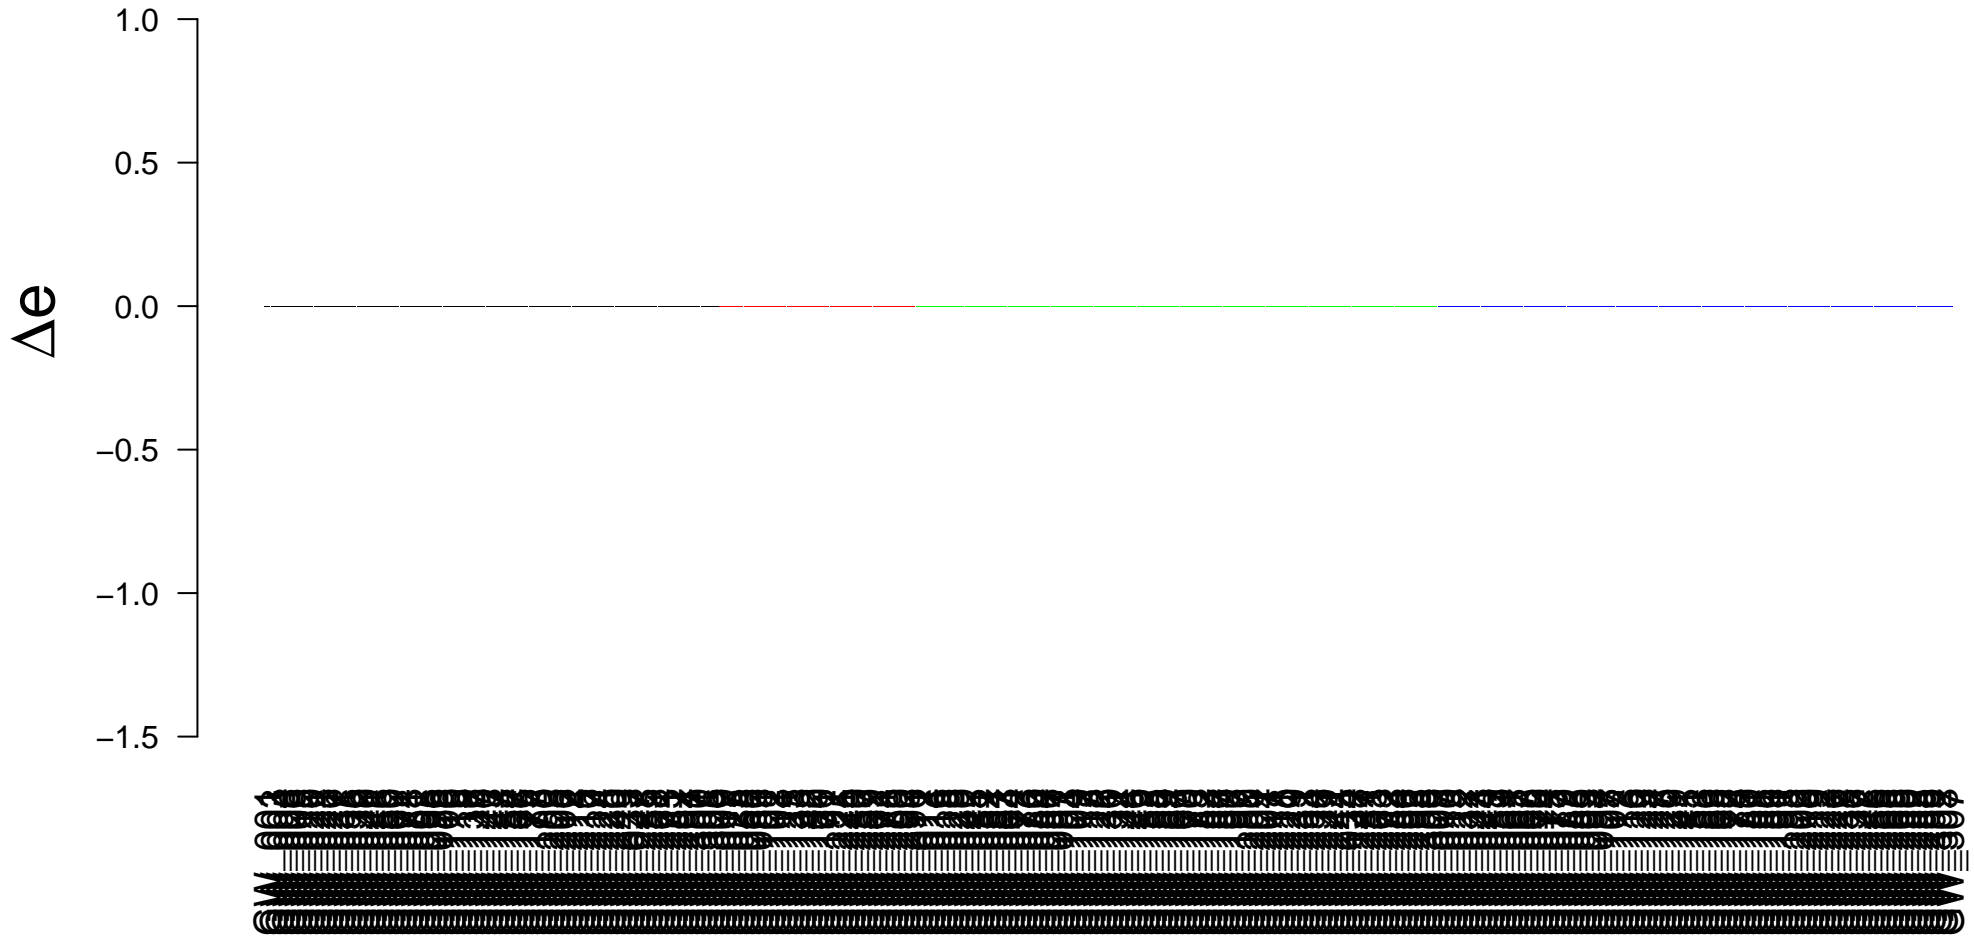

mammary gland epithelial cell proliferation

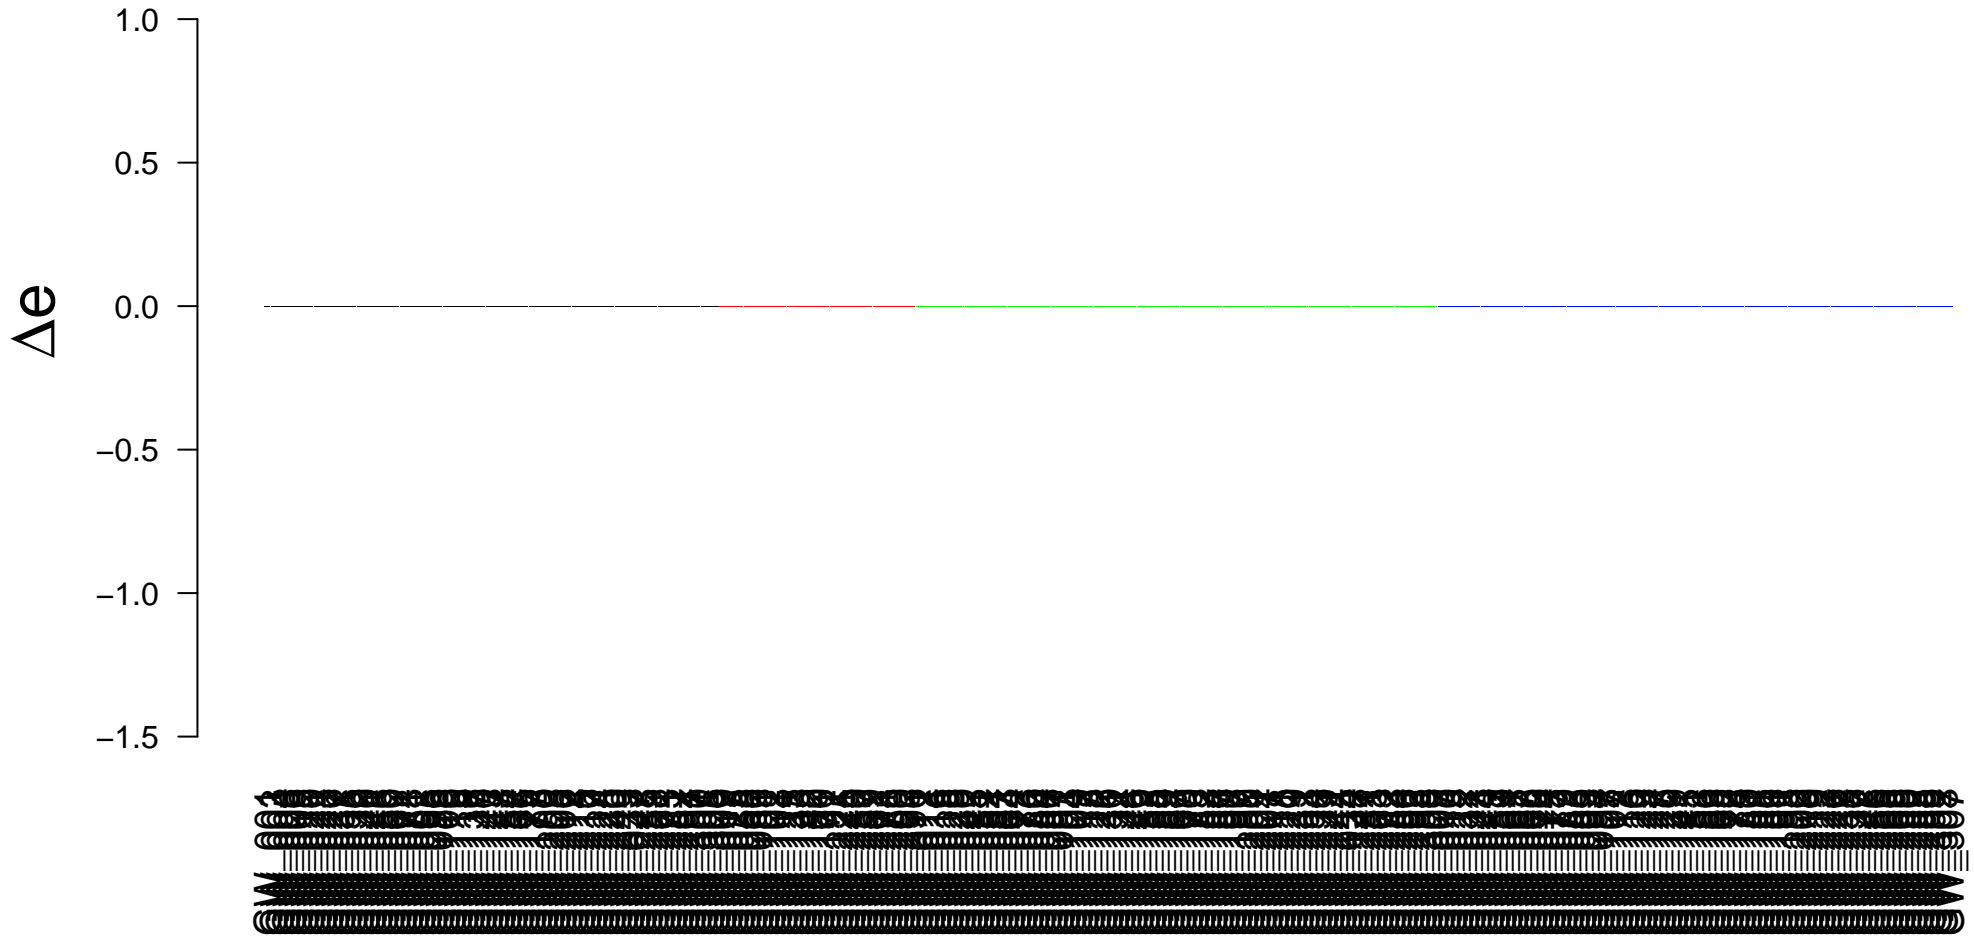

Enrichment in spots: mammary gland epithelial cell proliferation

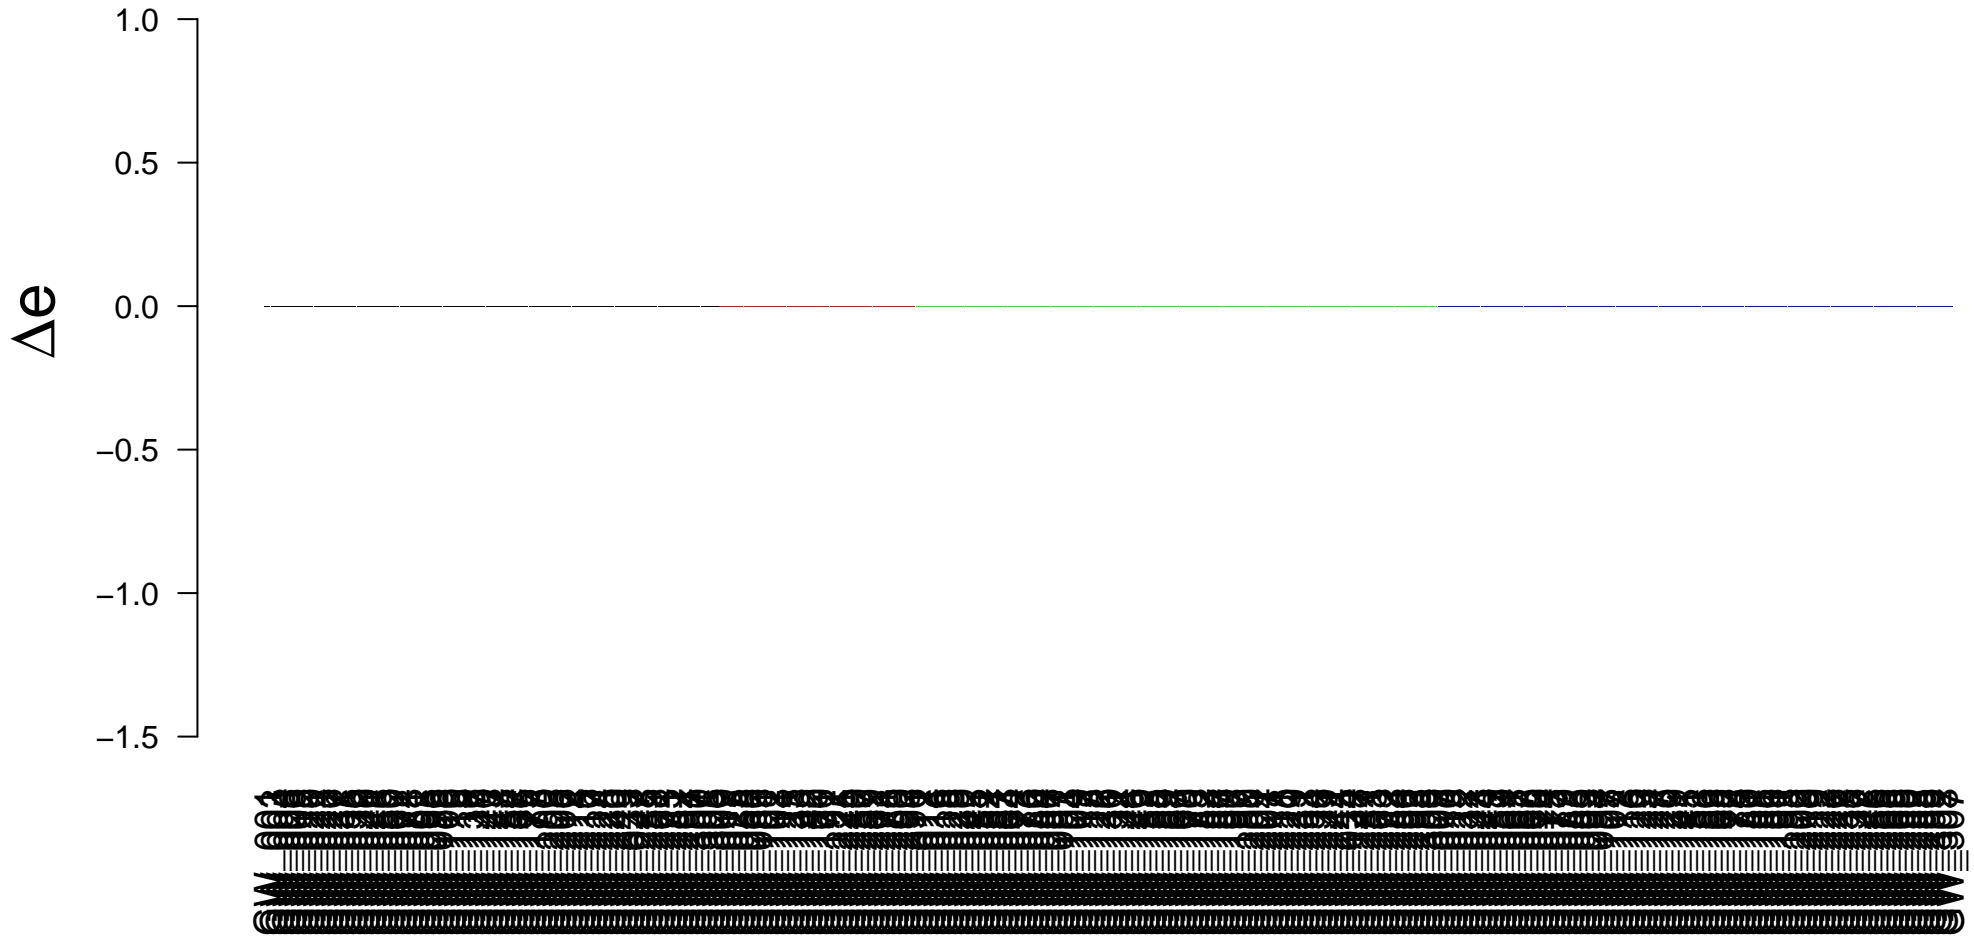

Expression of mammary gland epithelial cell proliferation in Spot A

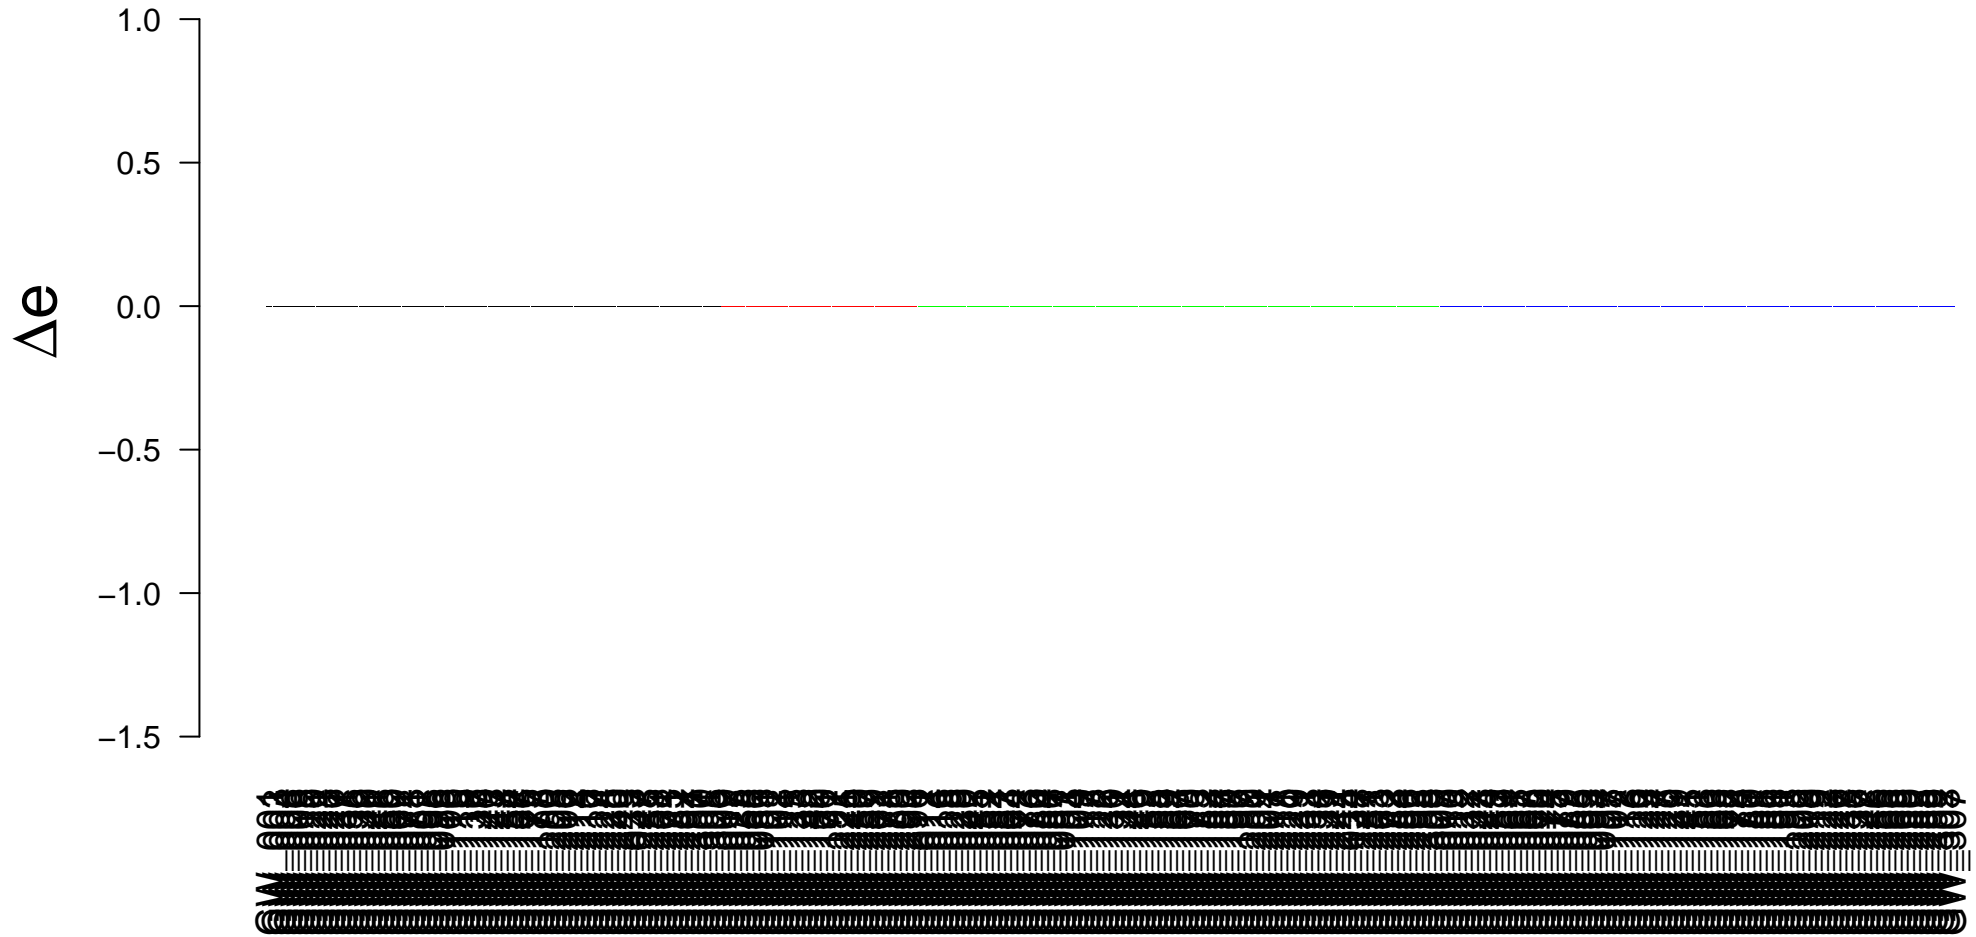

Expression of mammary gland epithelial cell proliferation in Spot B

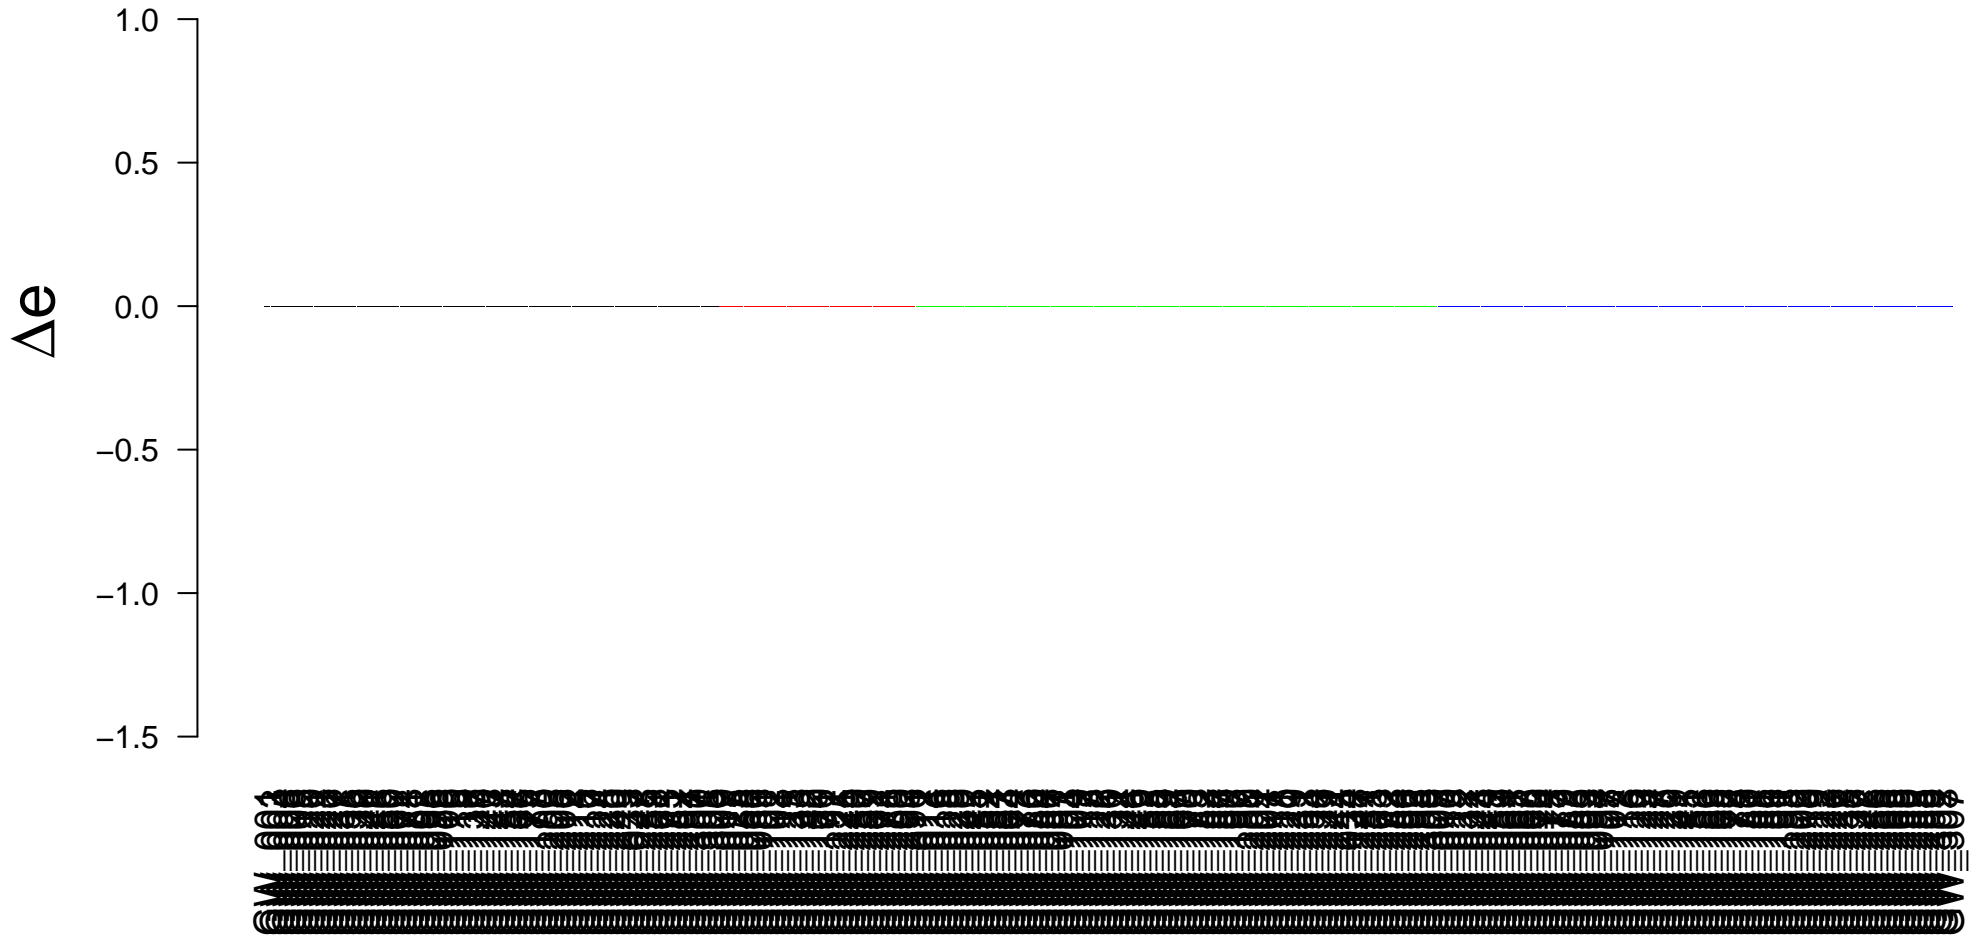

Expression of mammary gland epithelial cell proliferation in Spot C

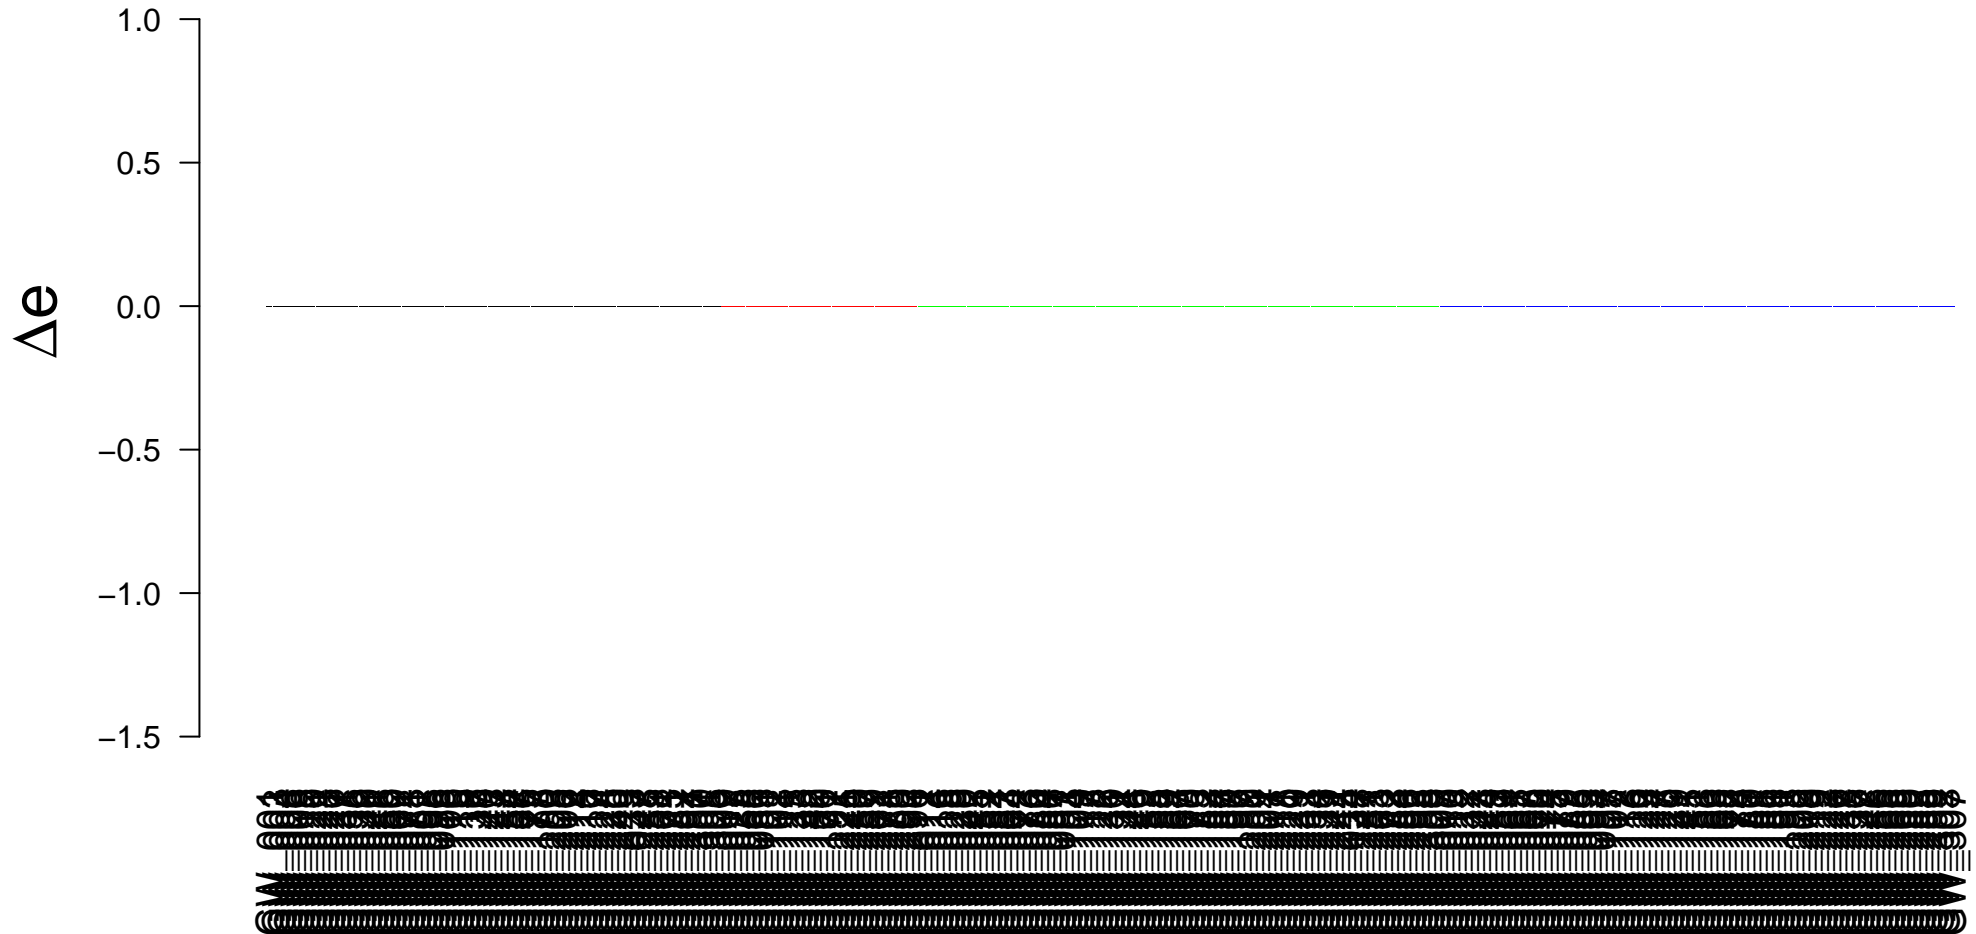

Expression of mammary gland epithelial cell proliferation in Spot D

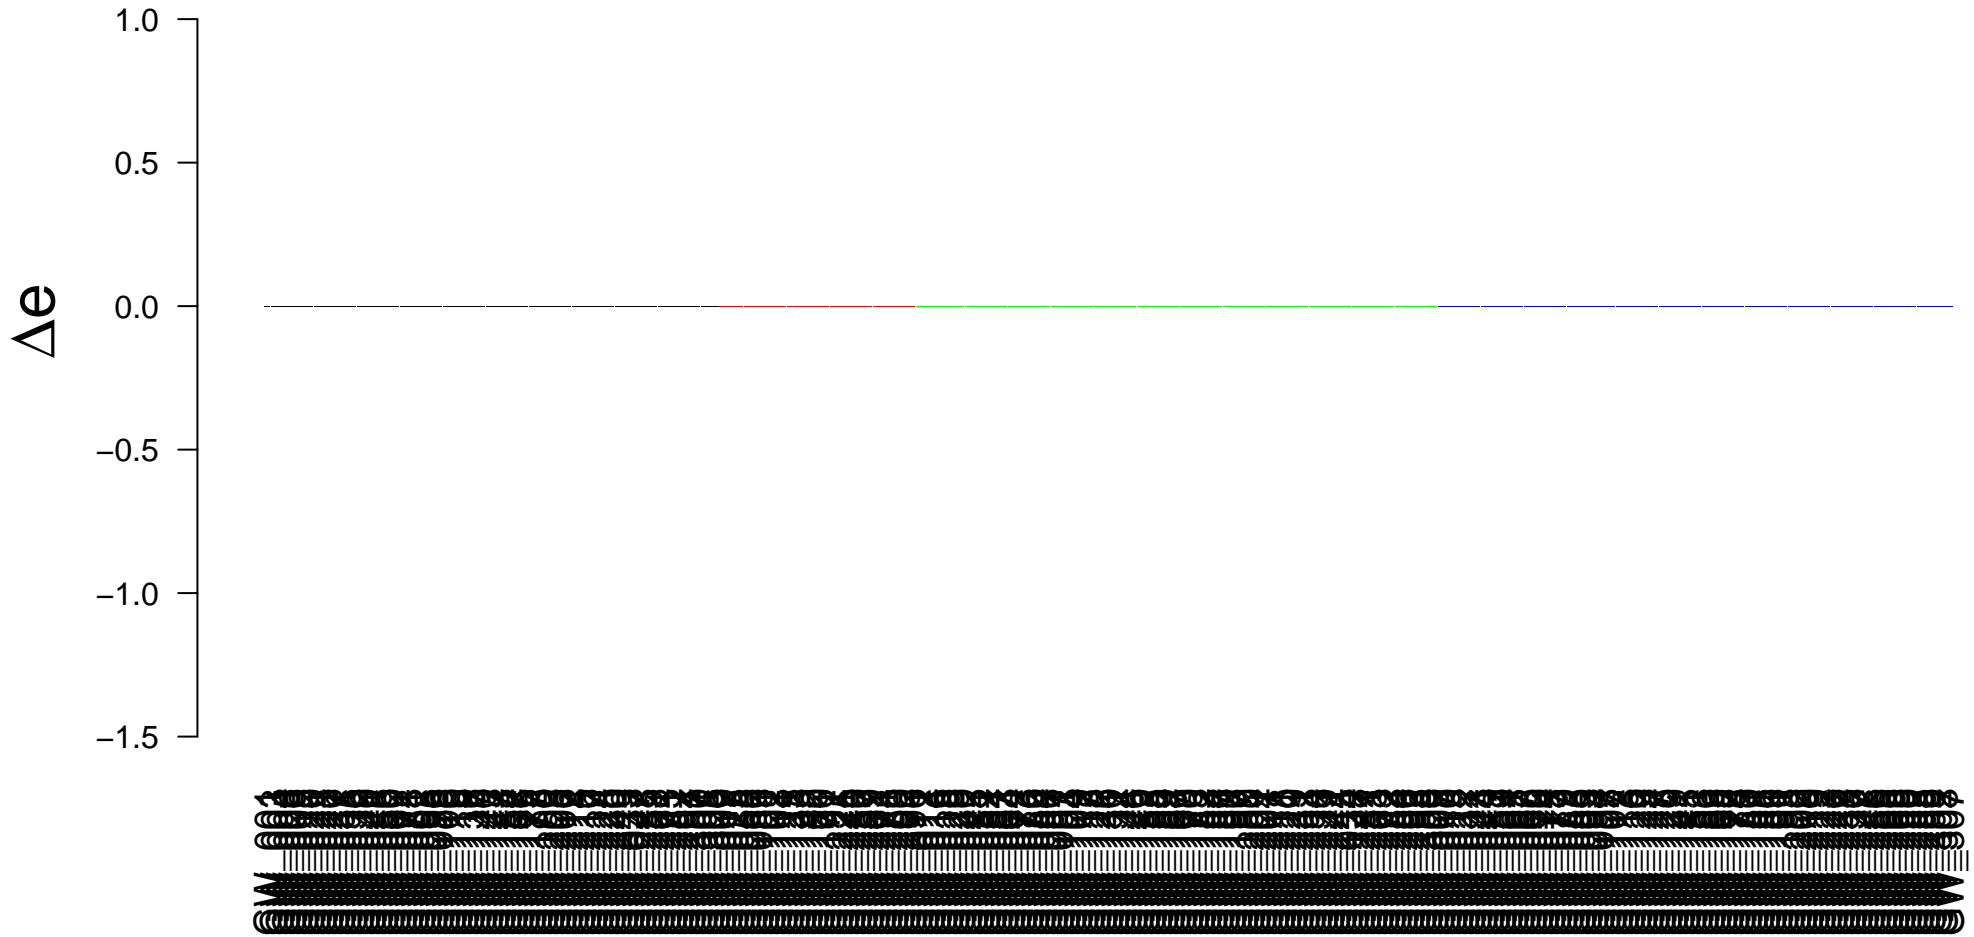

Expression of mammary gland epithelial cell proliferation in Spot E

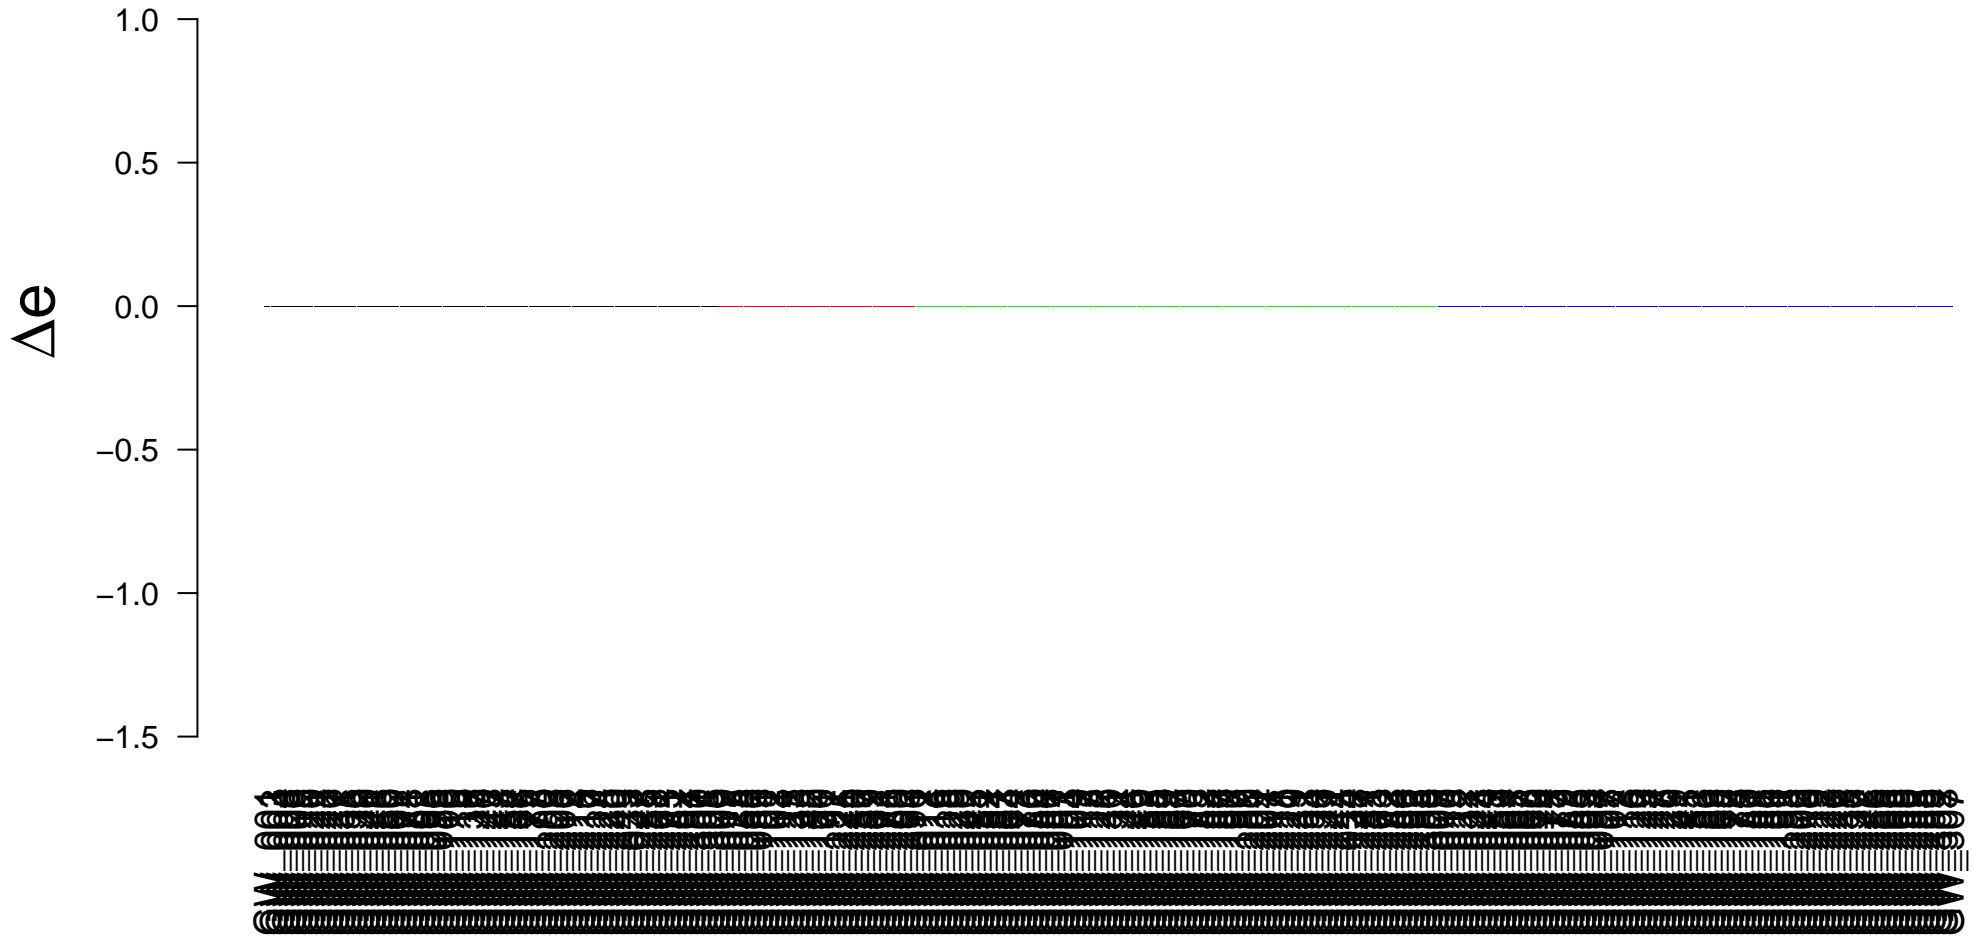

Expression of mammary gland epithelial cell proliferation in Spot F

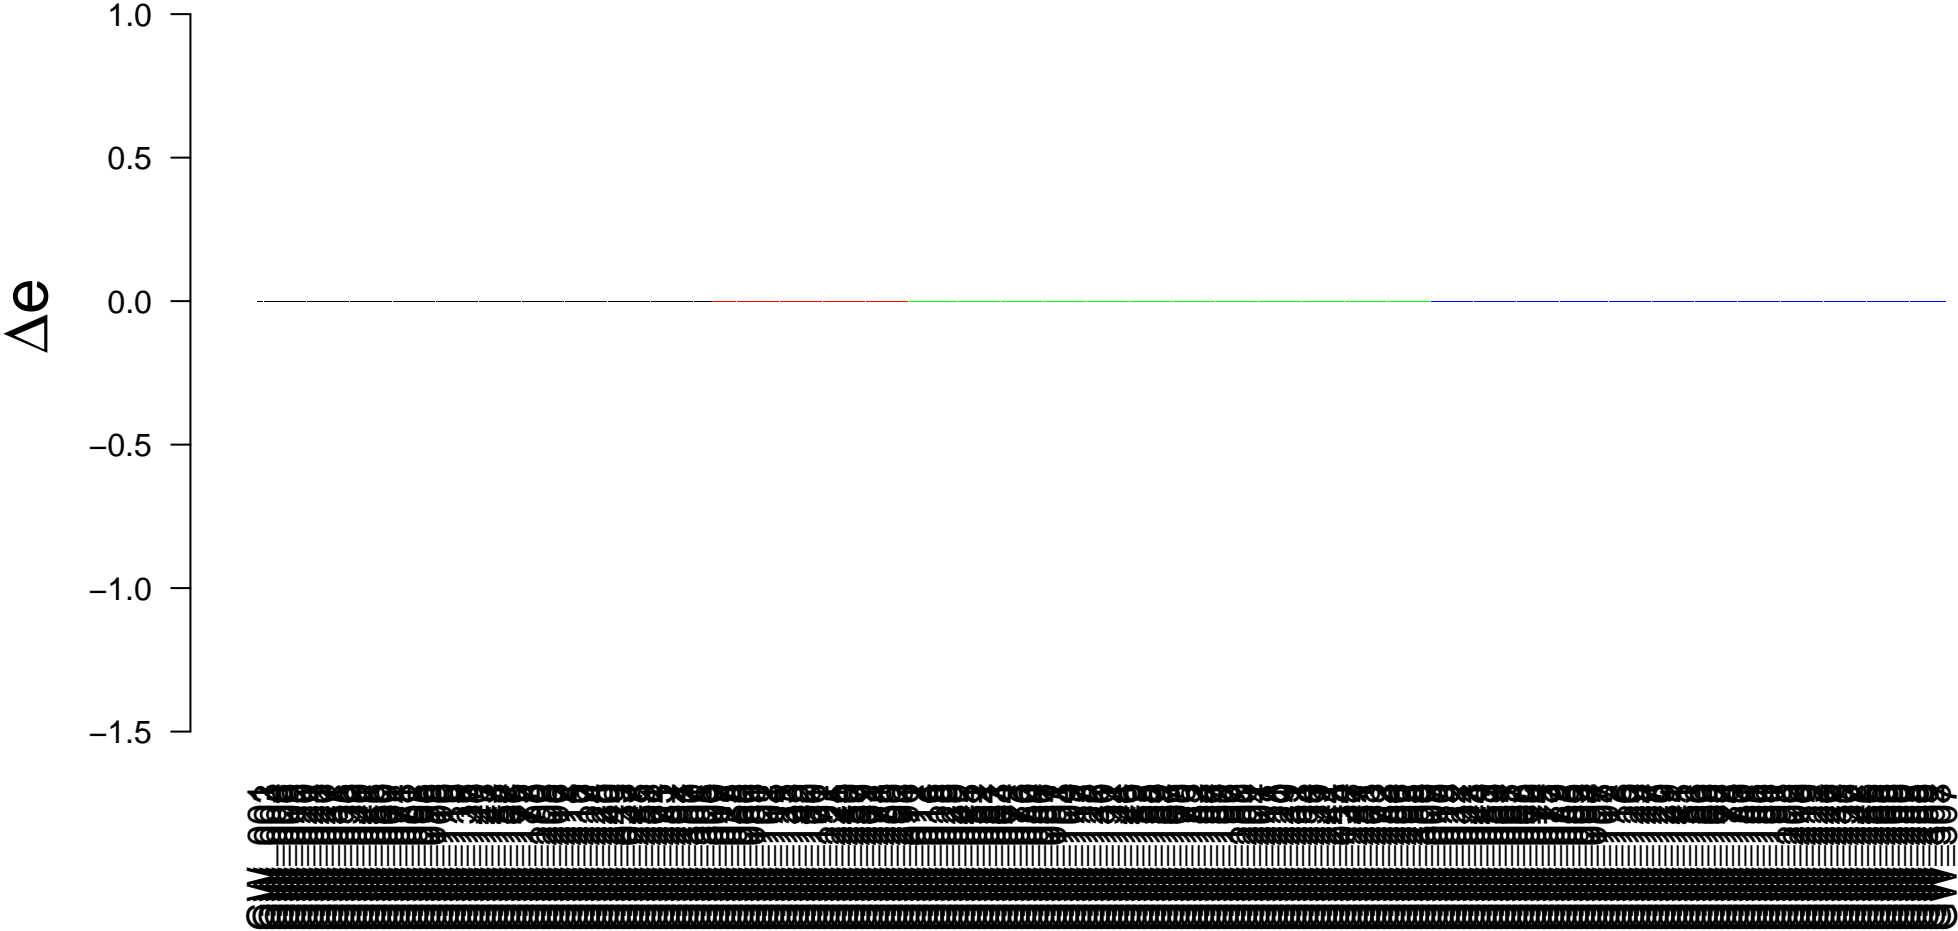

Expression of mammary gland epithelial cell proliferation in Spot G

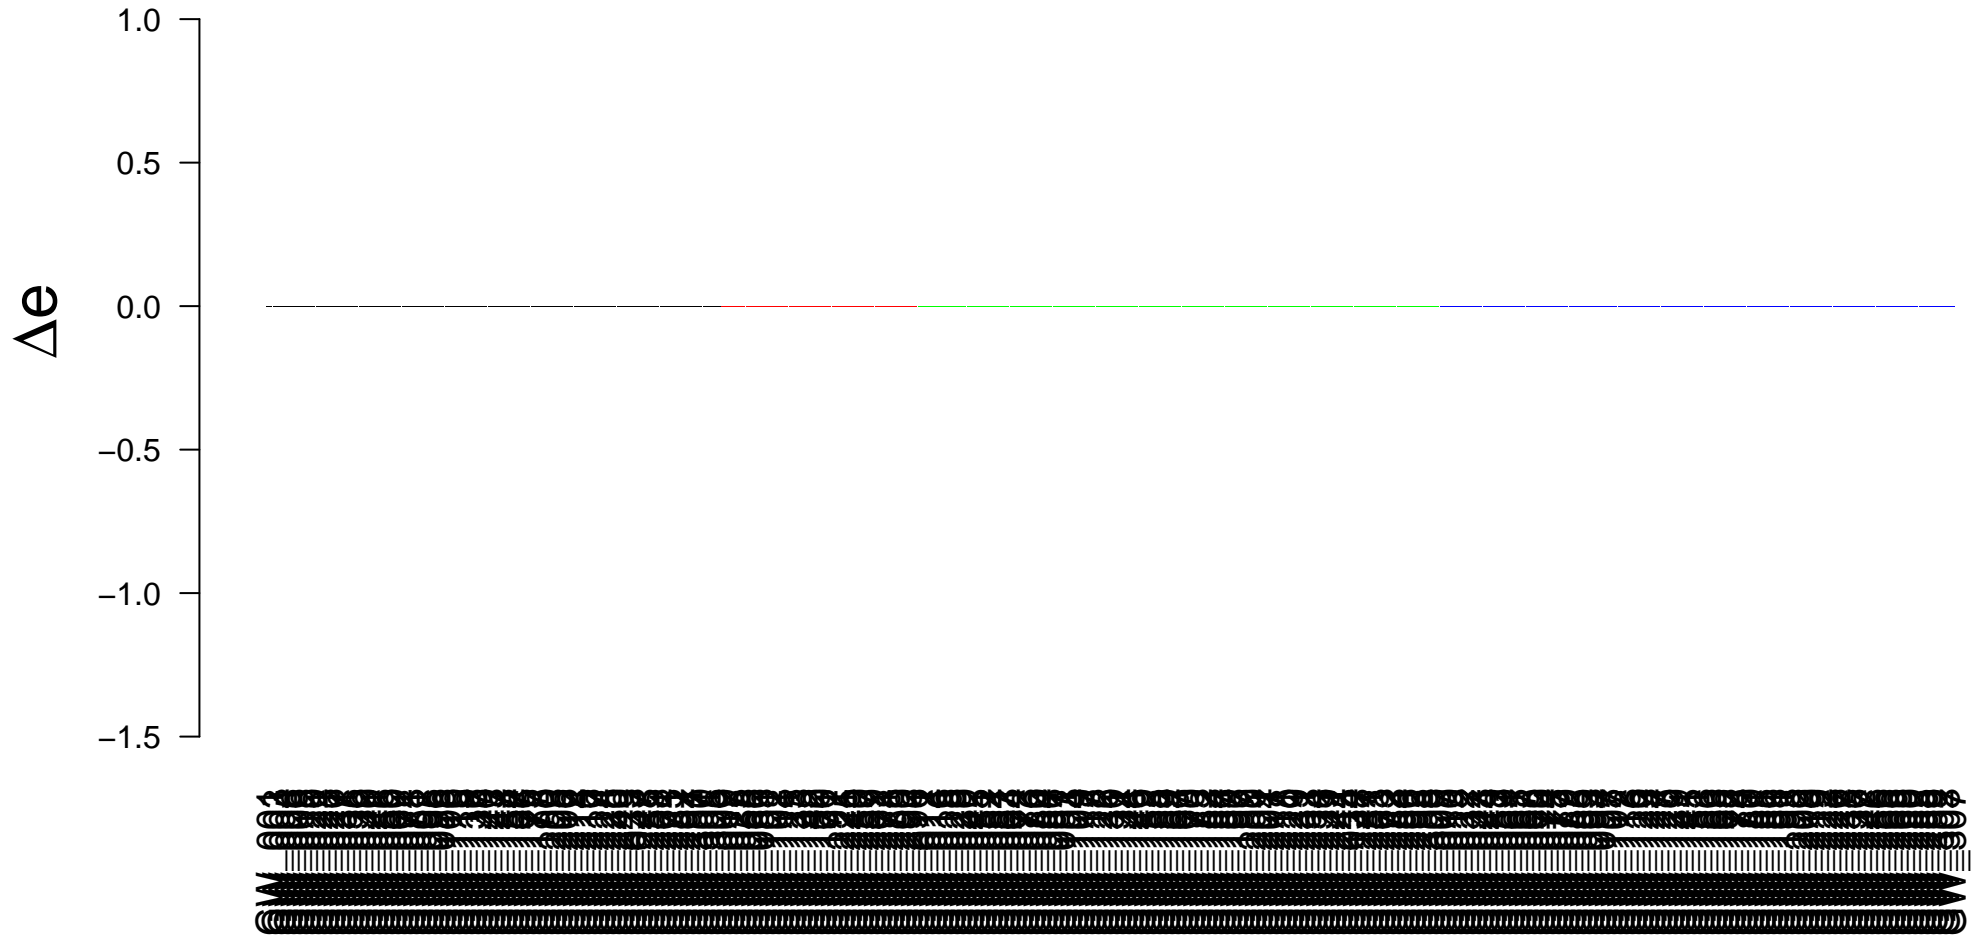

Expression of mammary gland epithelial cell proliferation in Spot H

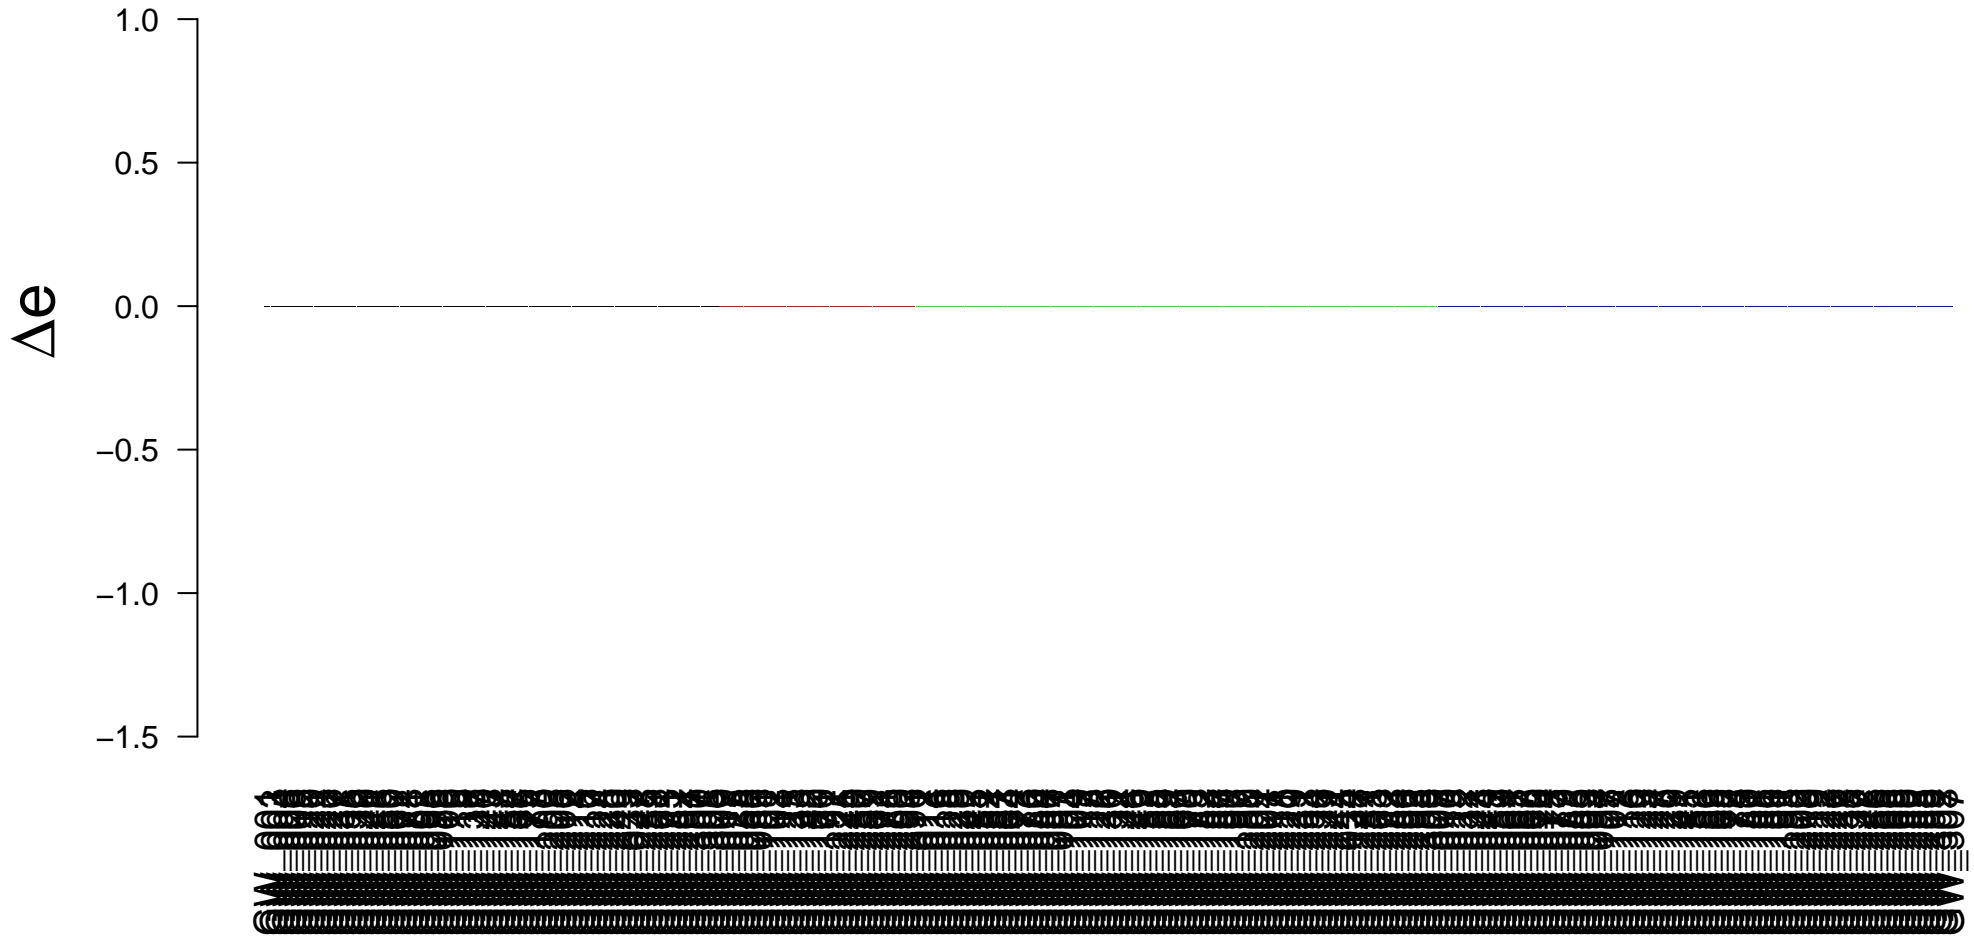

Expression of mammary gland epithelial cell proliferation in Spot I

Expression of mammary gland epithelial cell proliferation in Spot J

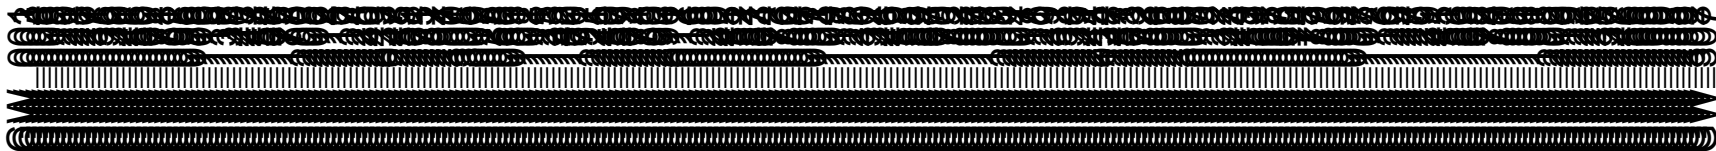

Expression of mammary gland epithelial cell proliferation in Spot K

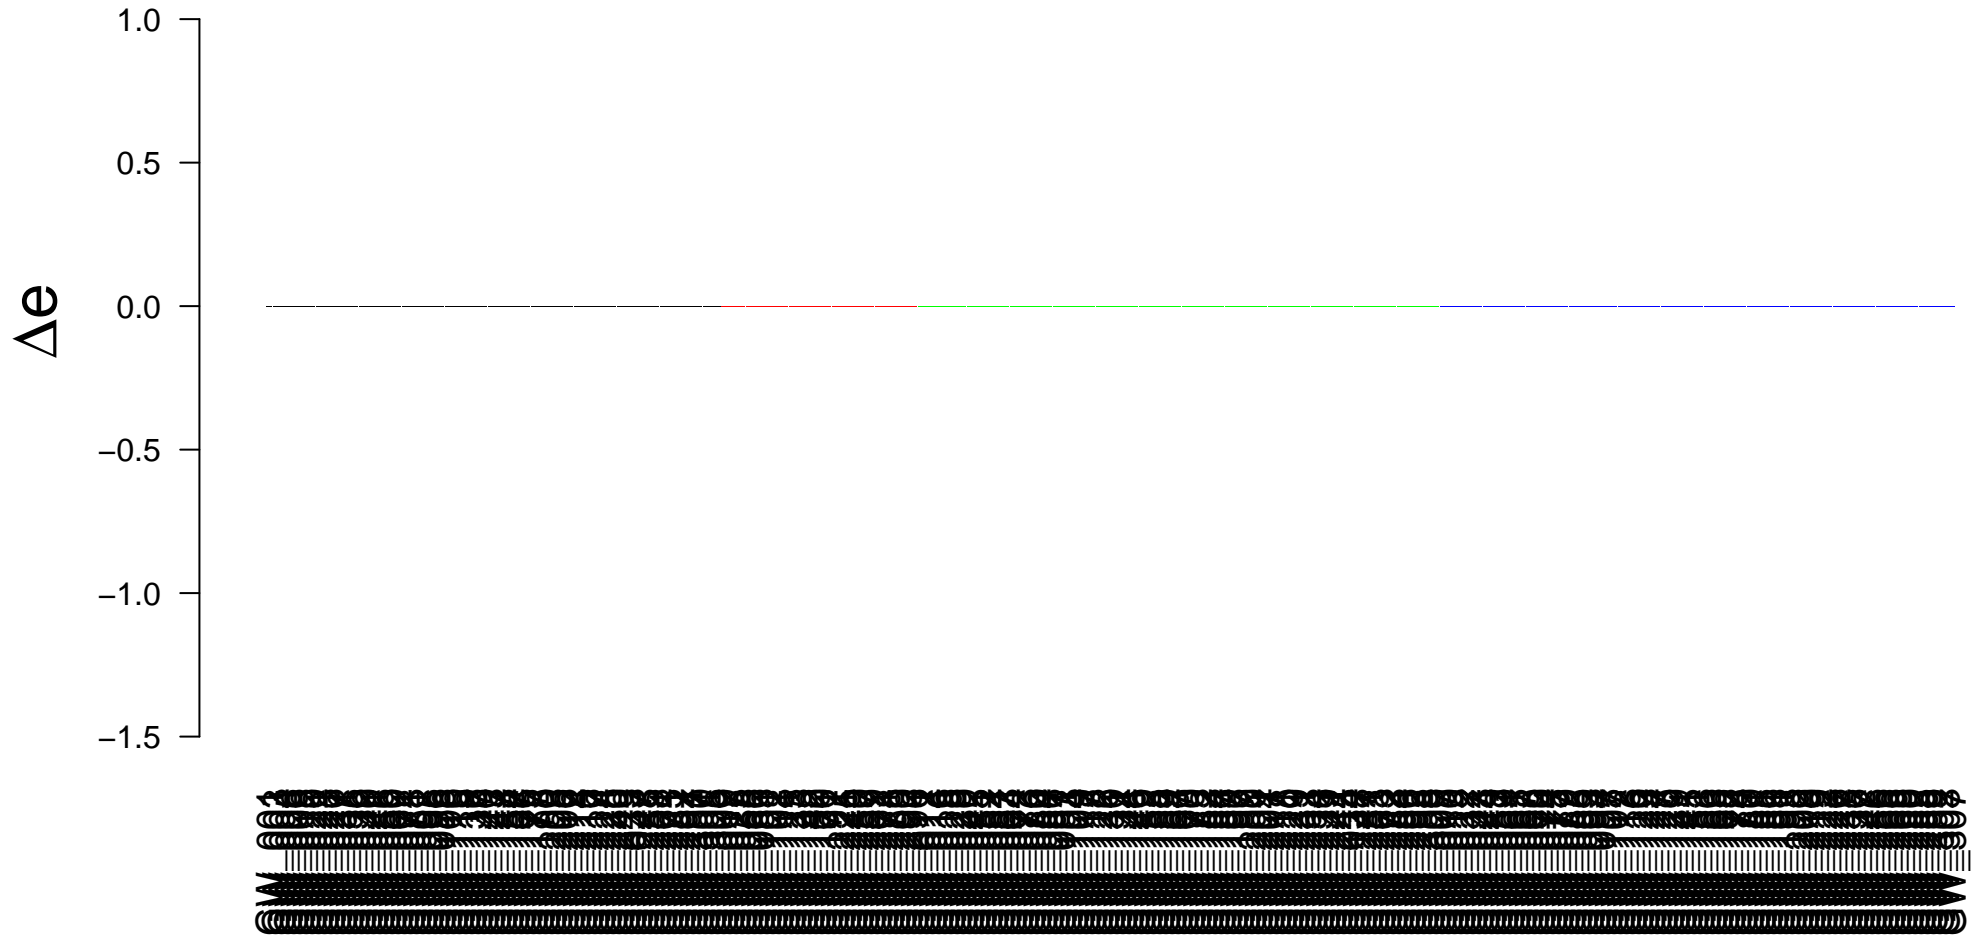

Expression of mammary gland epithelial cell proliferation in Spot L
