

# melanocyte differentiation

# melanocyte differentiation

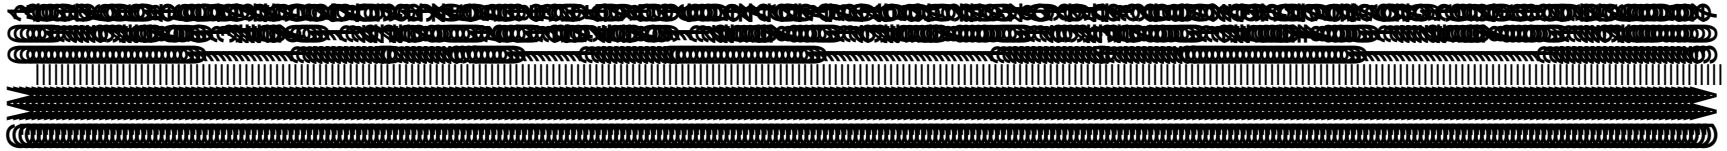

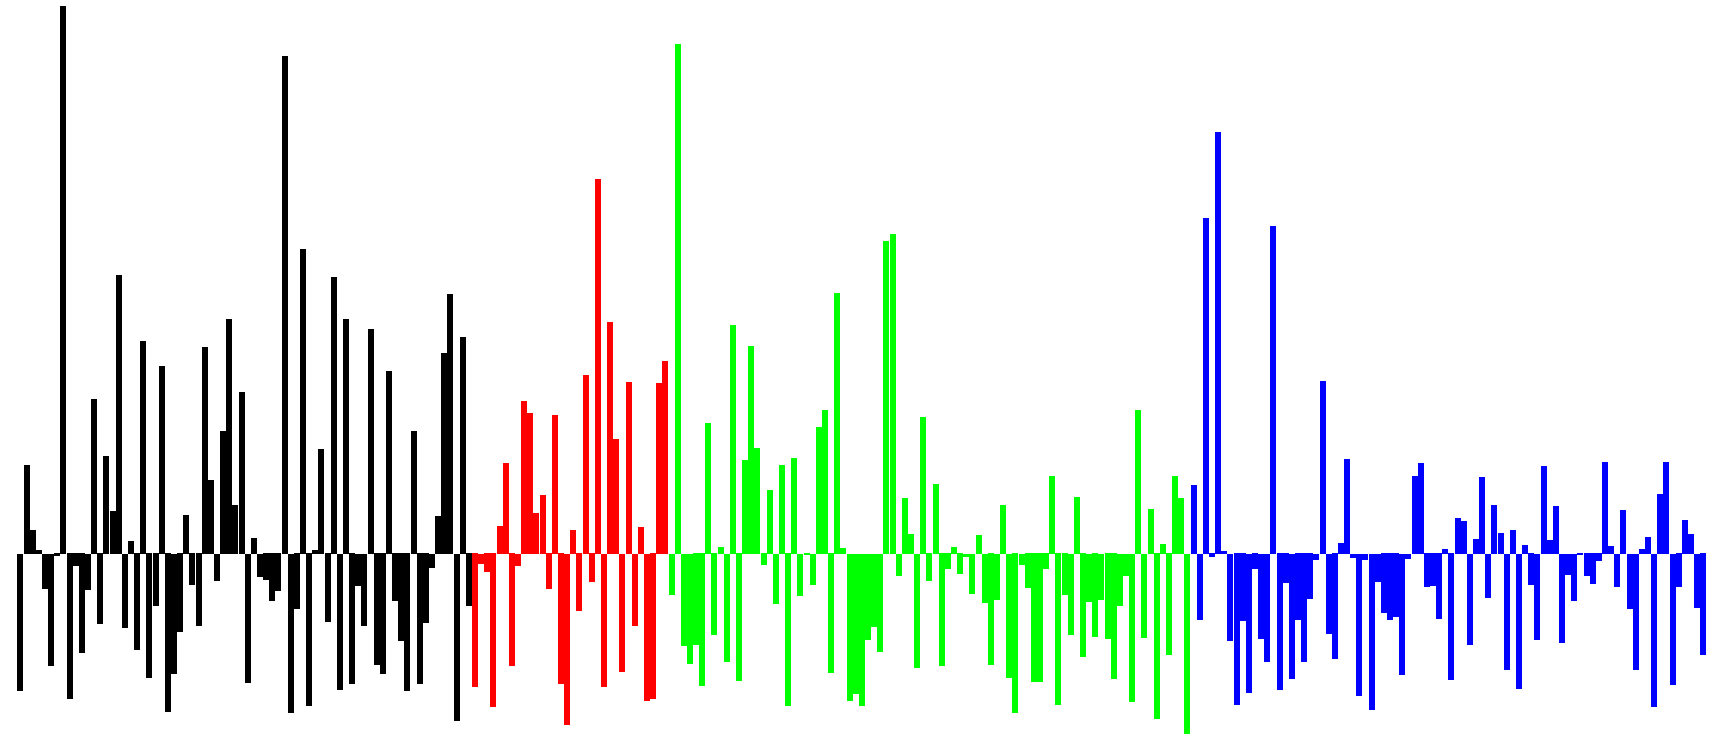

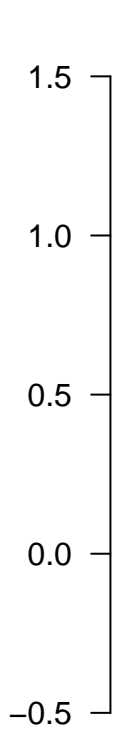

### Enrichment in spots: melanocyte differentiation

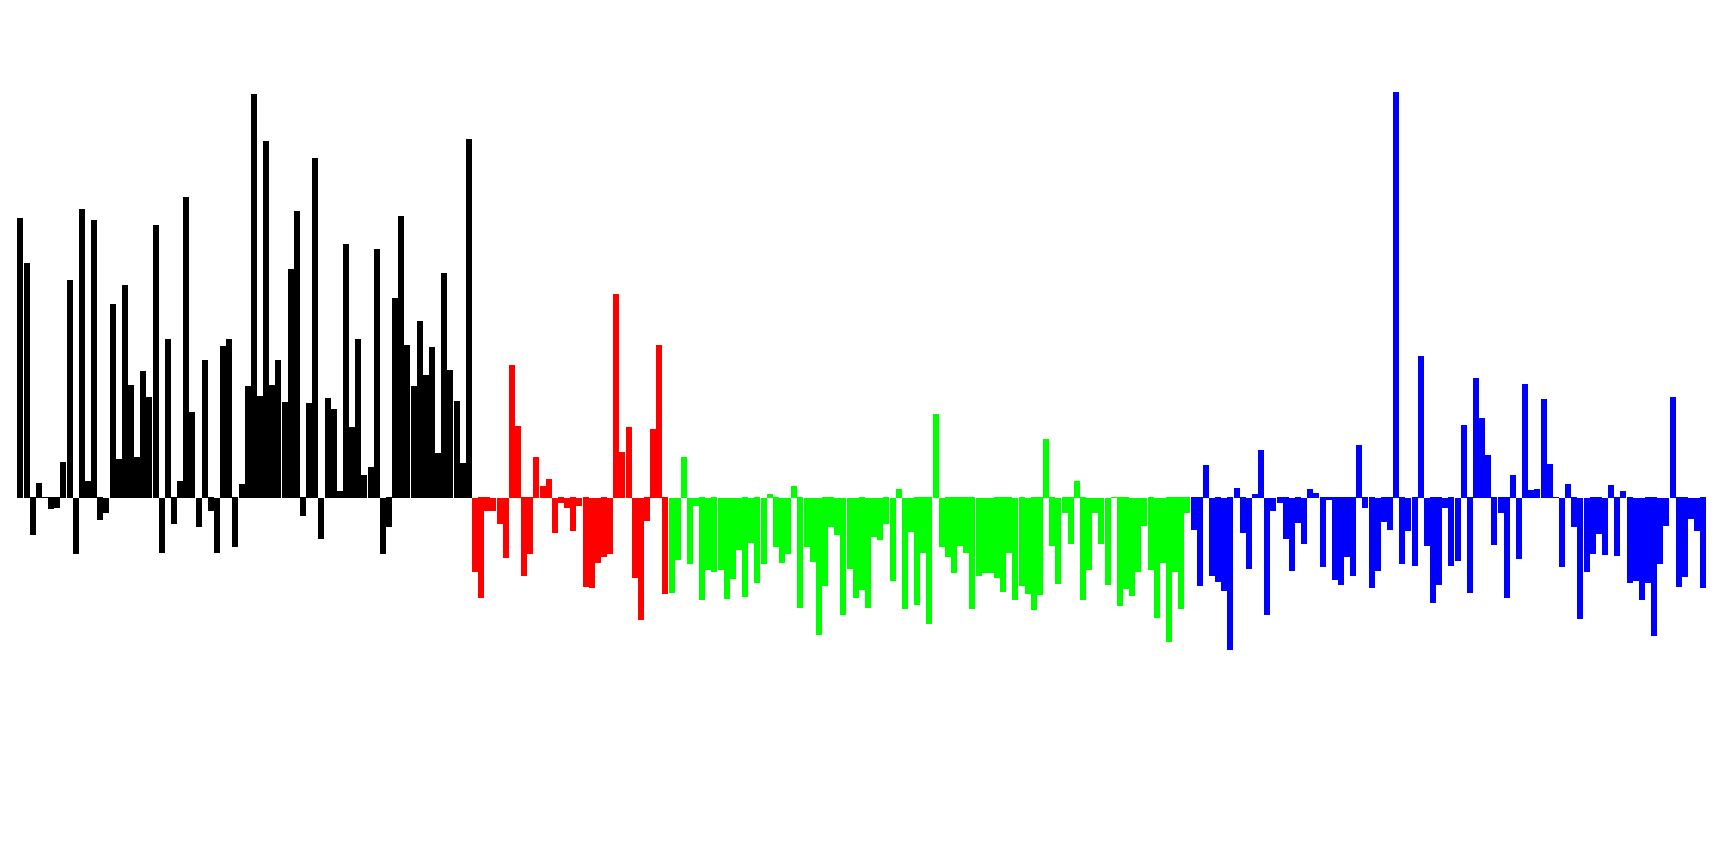

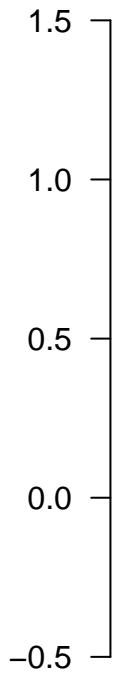

# Expression of melanocyte differentiation in Spot A

$\Delta e$

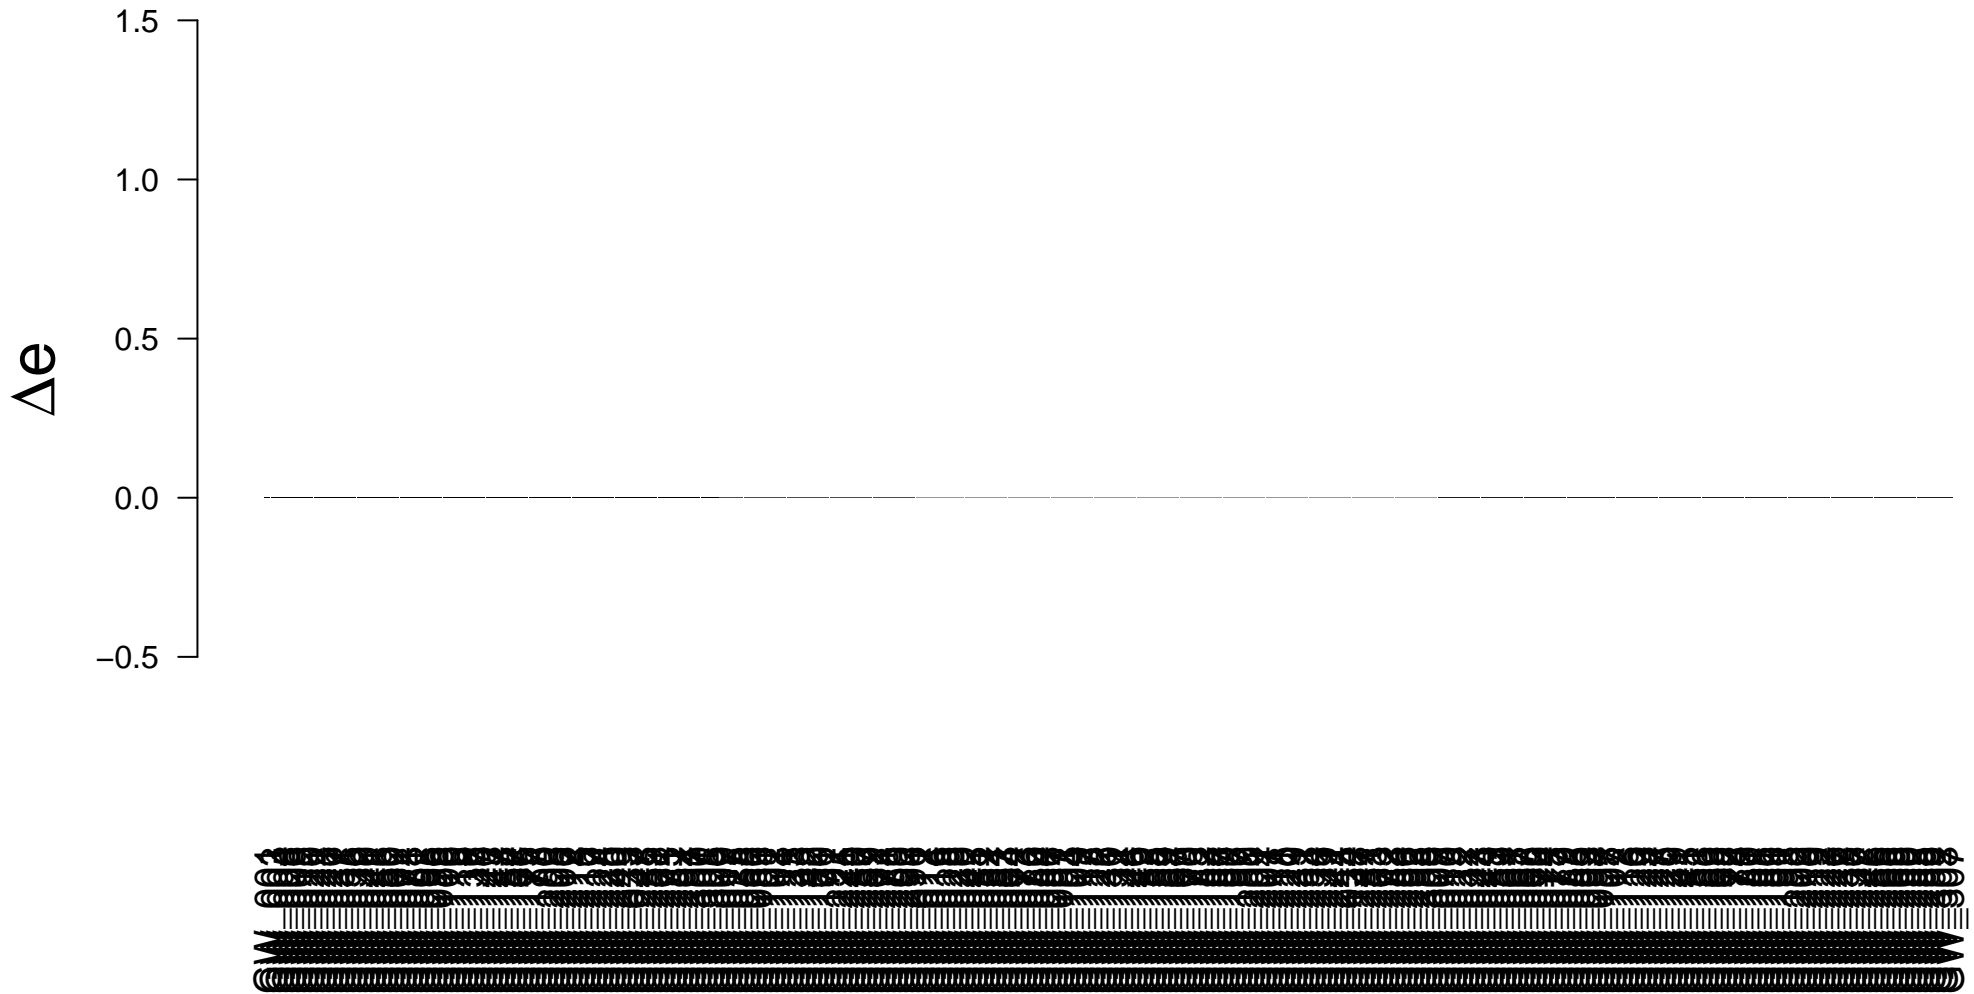

# Expression of melanocyte differentiation in Spot B

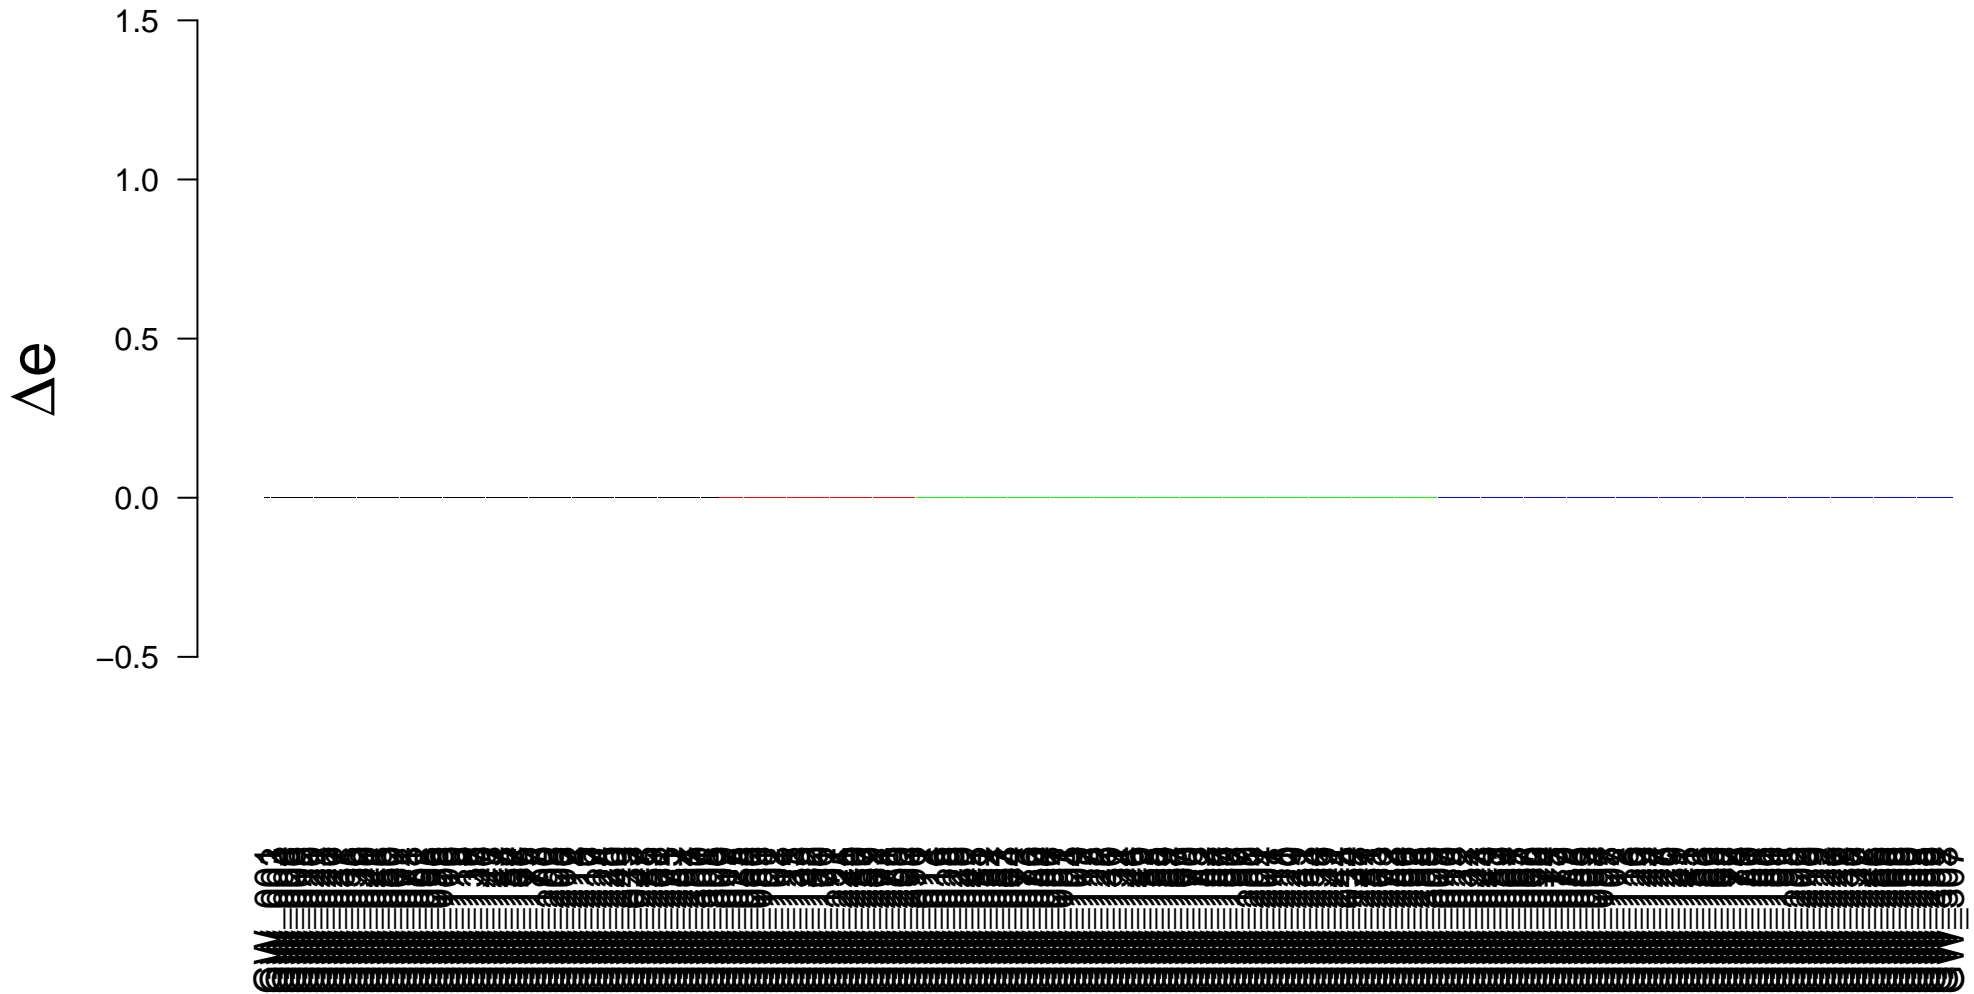

$\Delta e$

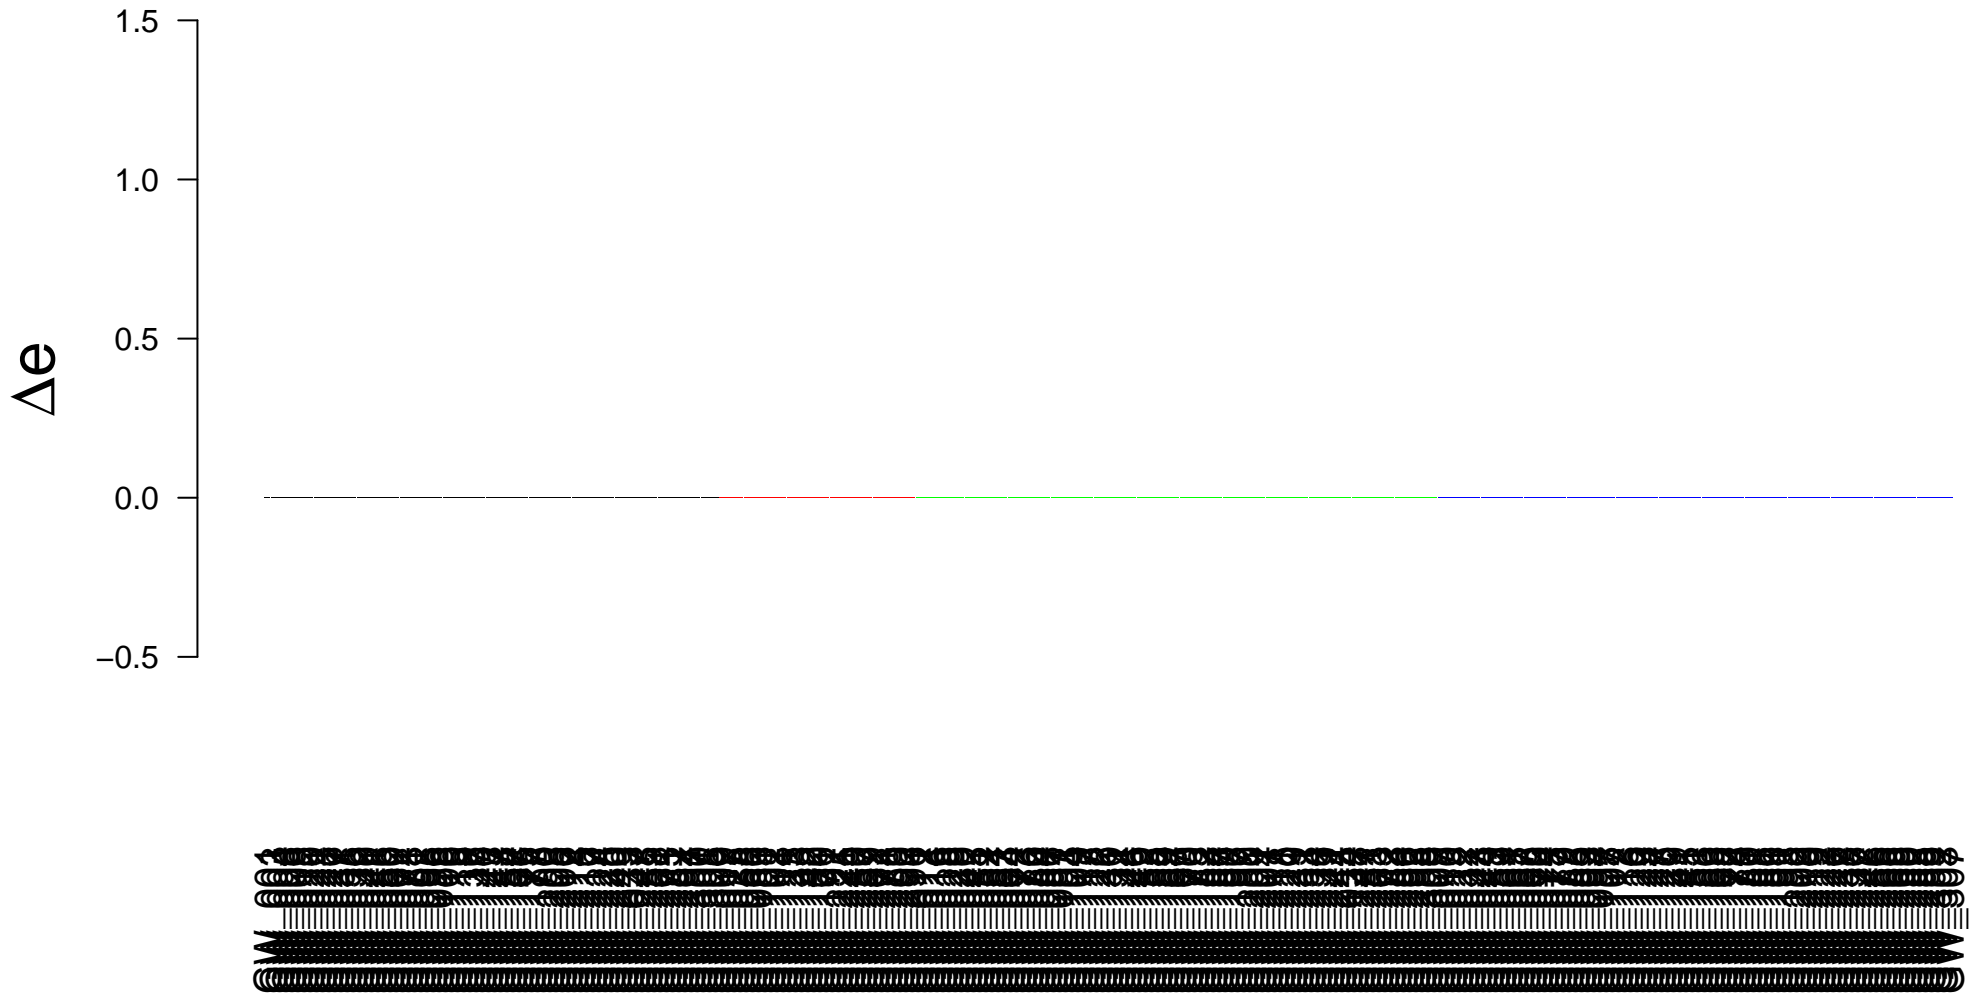

# Expression of melanocyte differentiation in Spot C

# Expression of melanocyte differentiation in Spot D

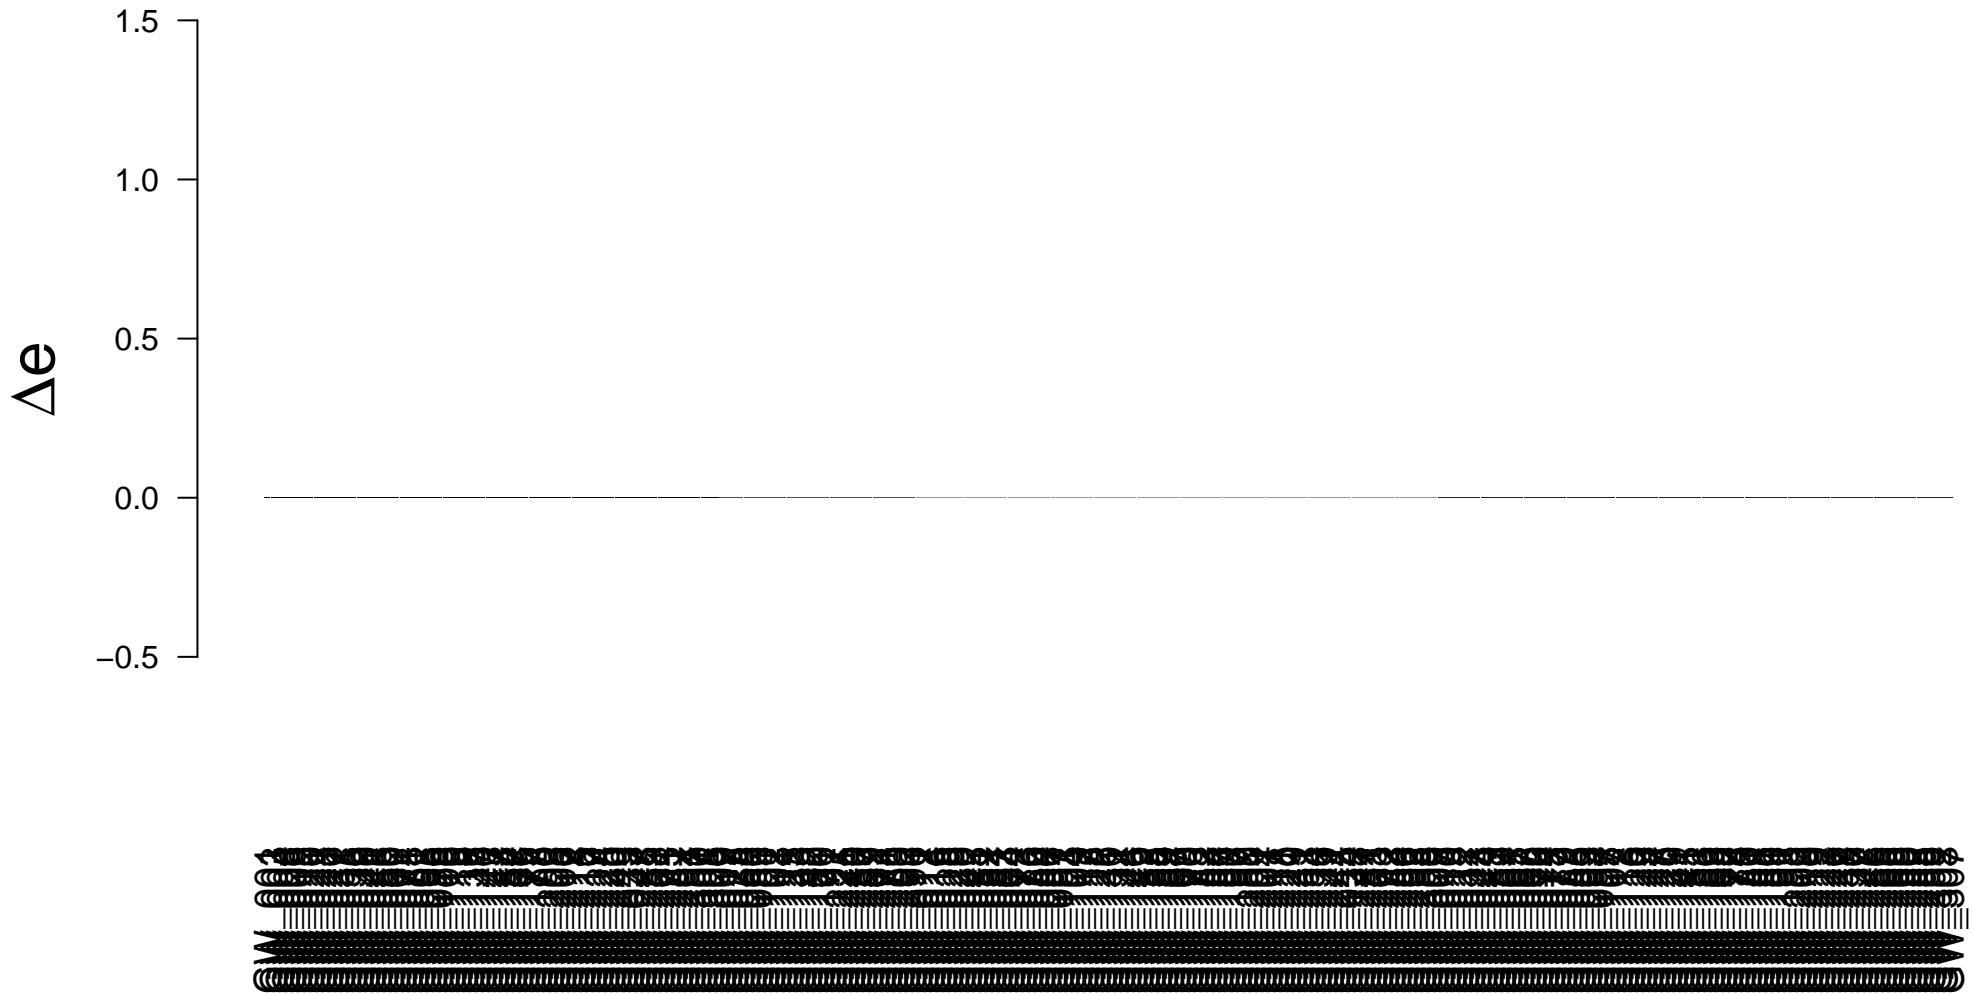

# Expression of melanocyte differentiation in Spot E

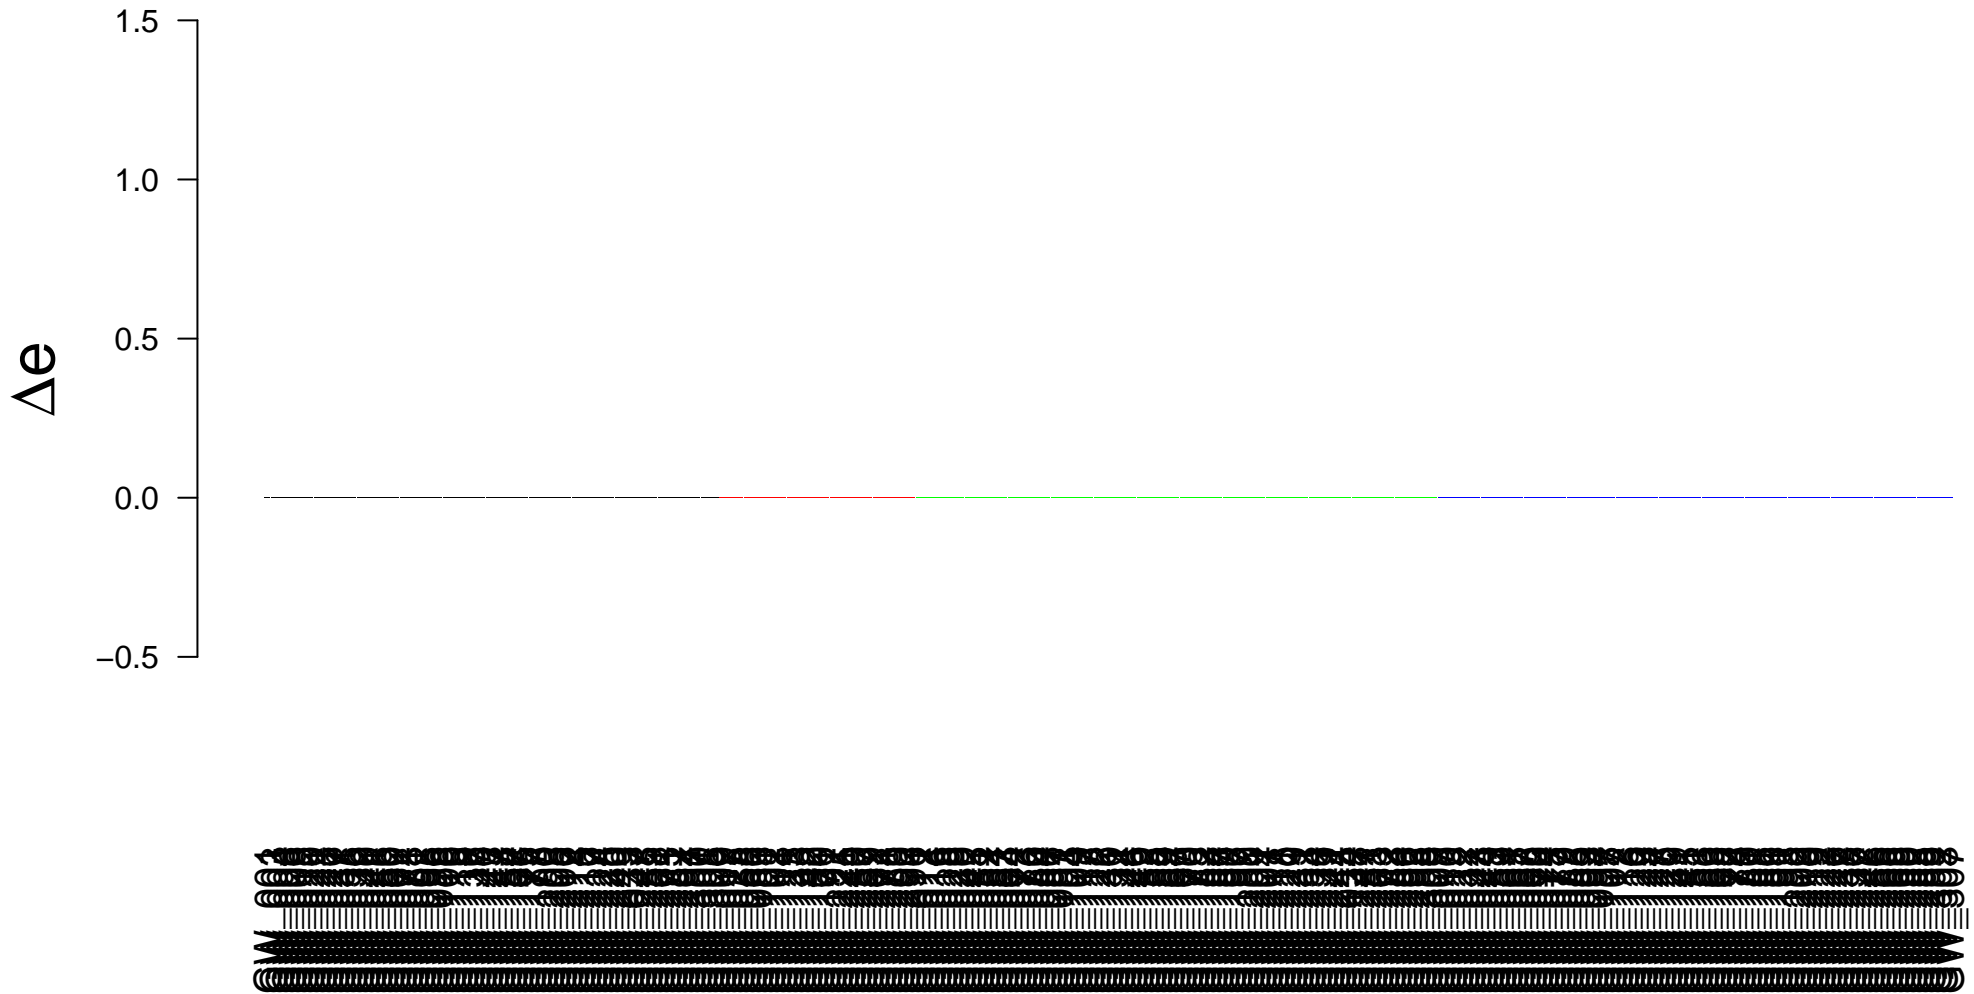

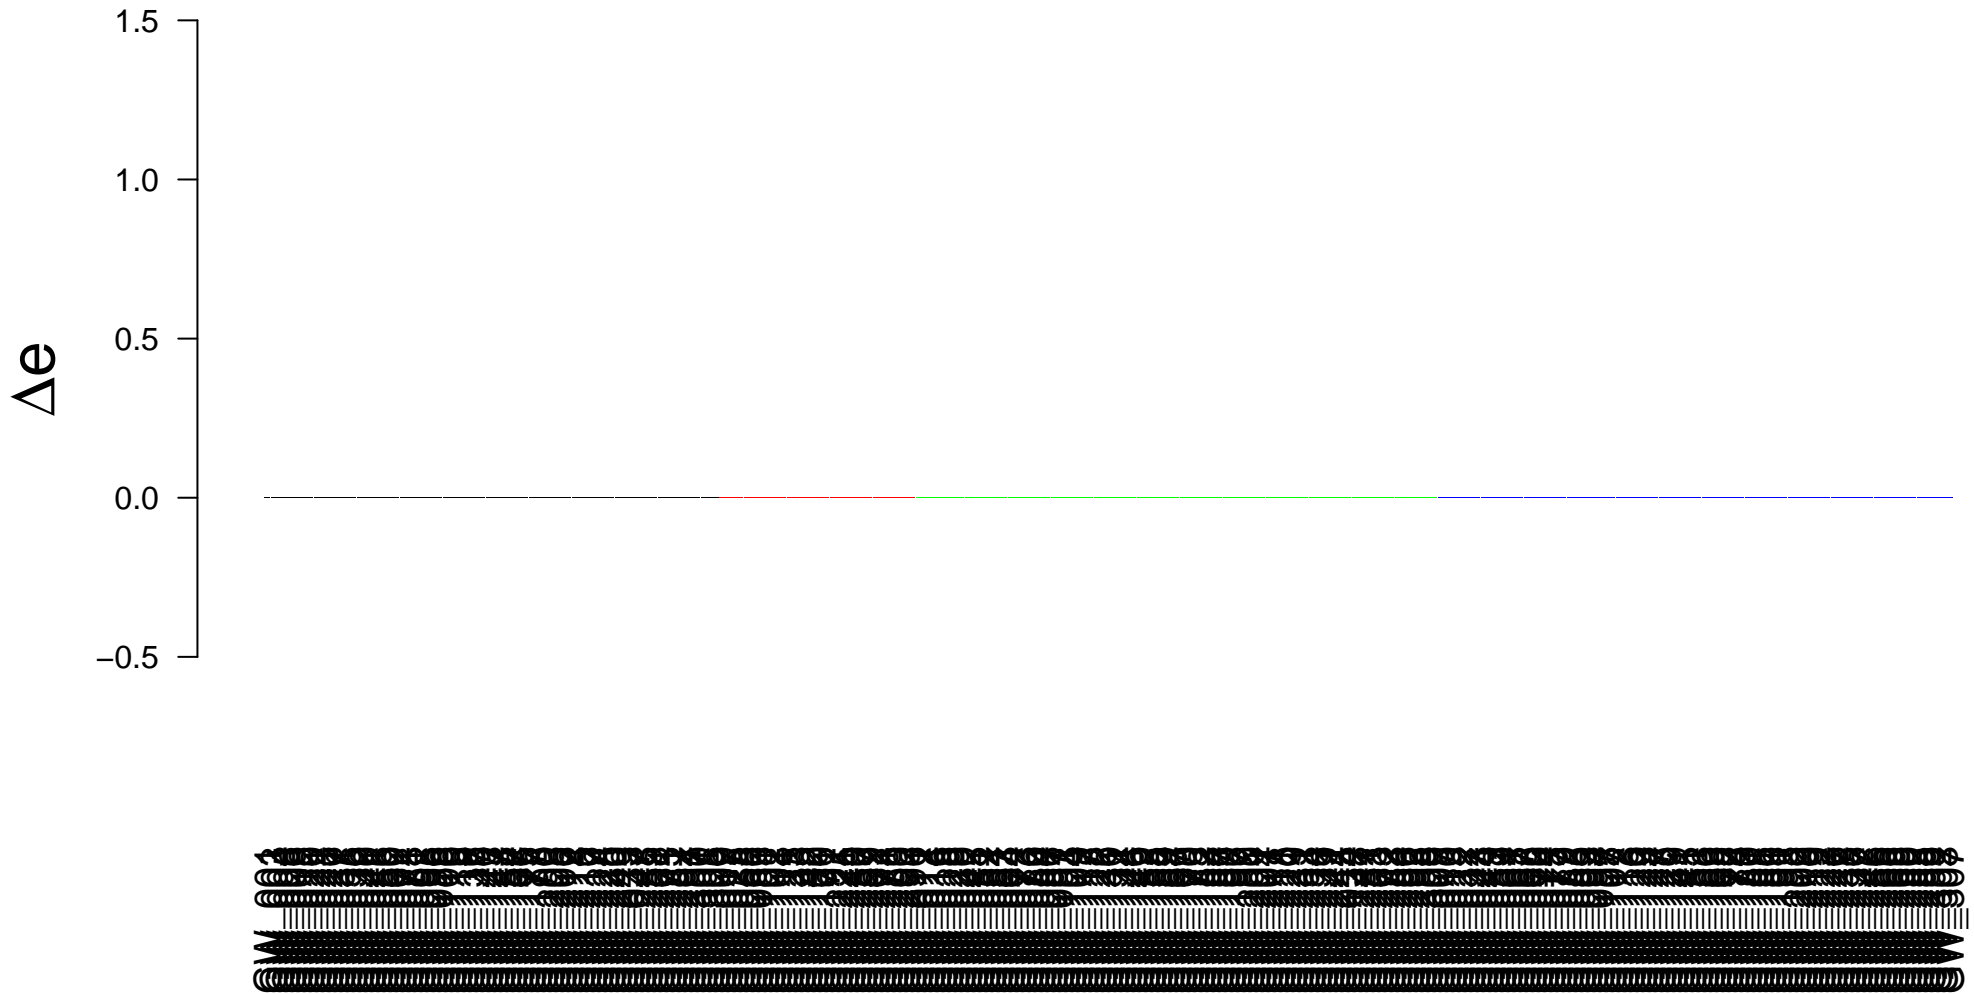

# Expression of melanocyte differentiation in Spot F

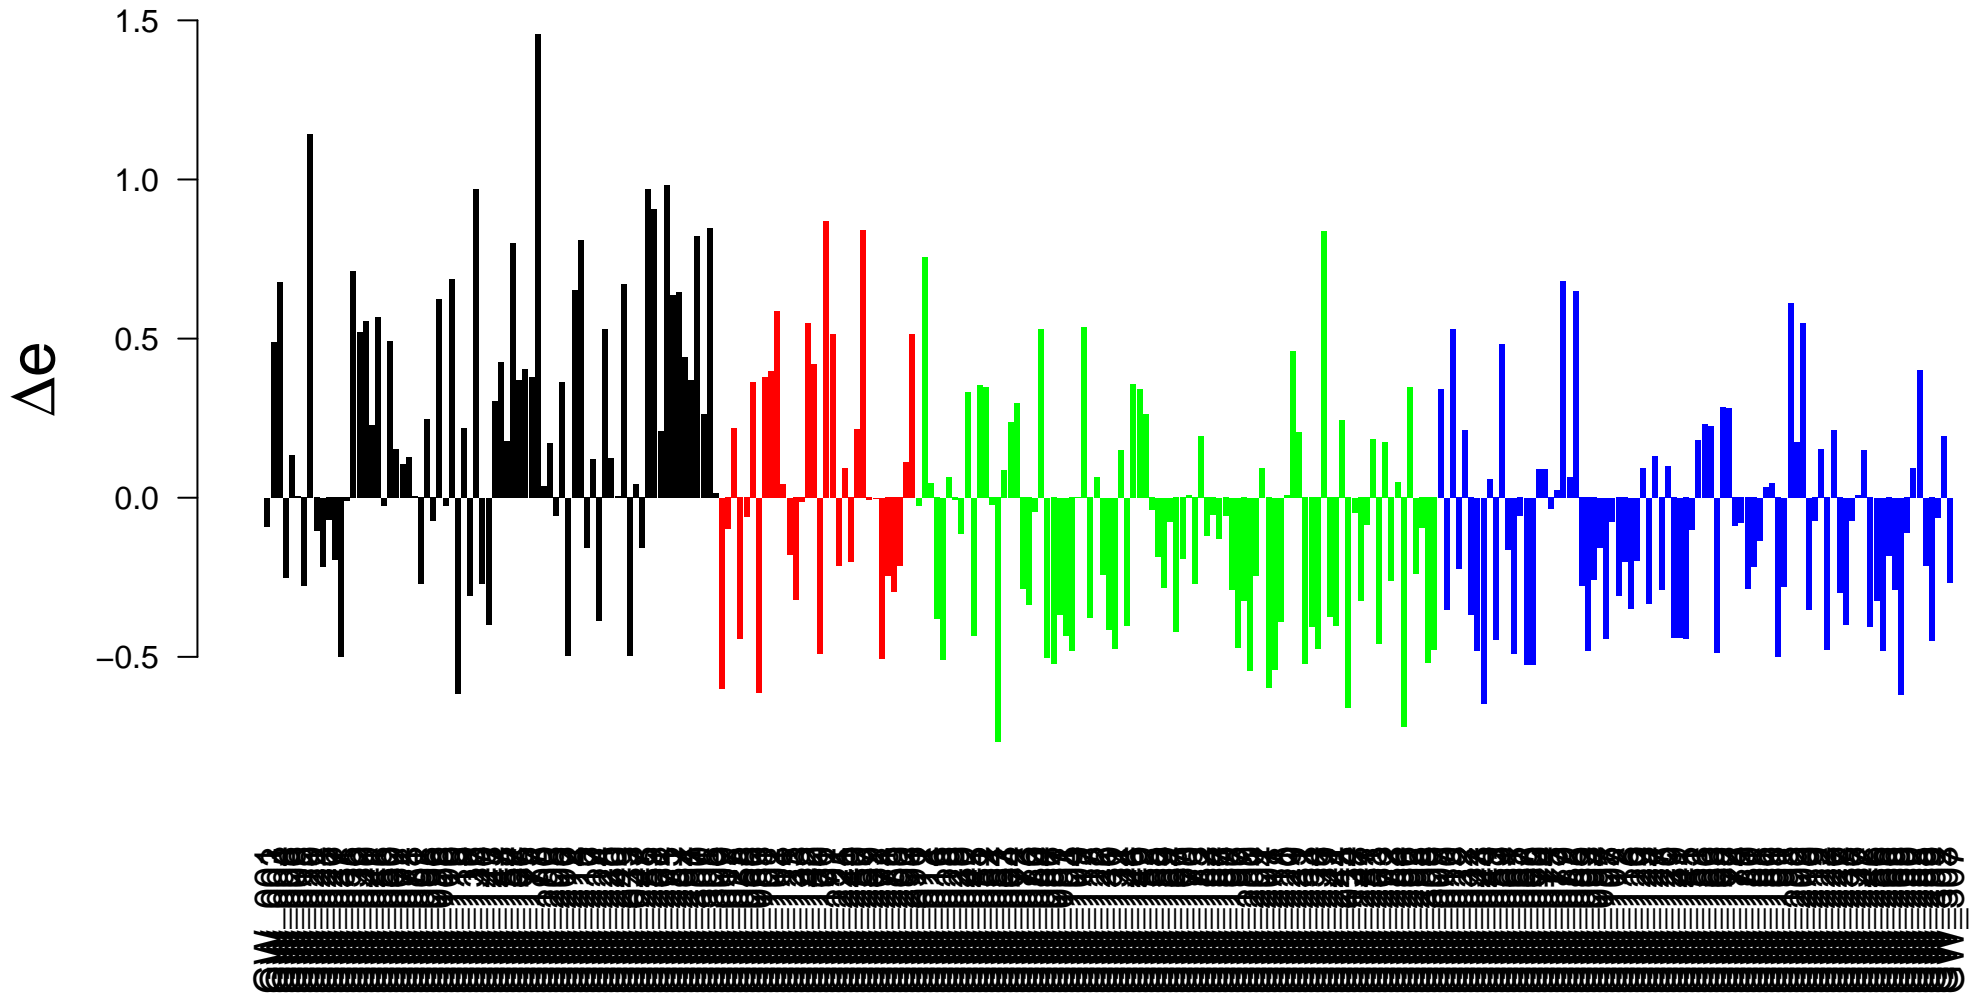

# Expression of melanocyte differentiation in Spot G

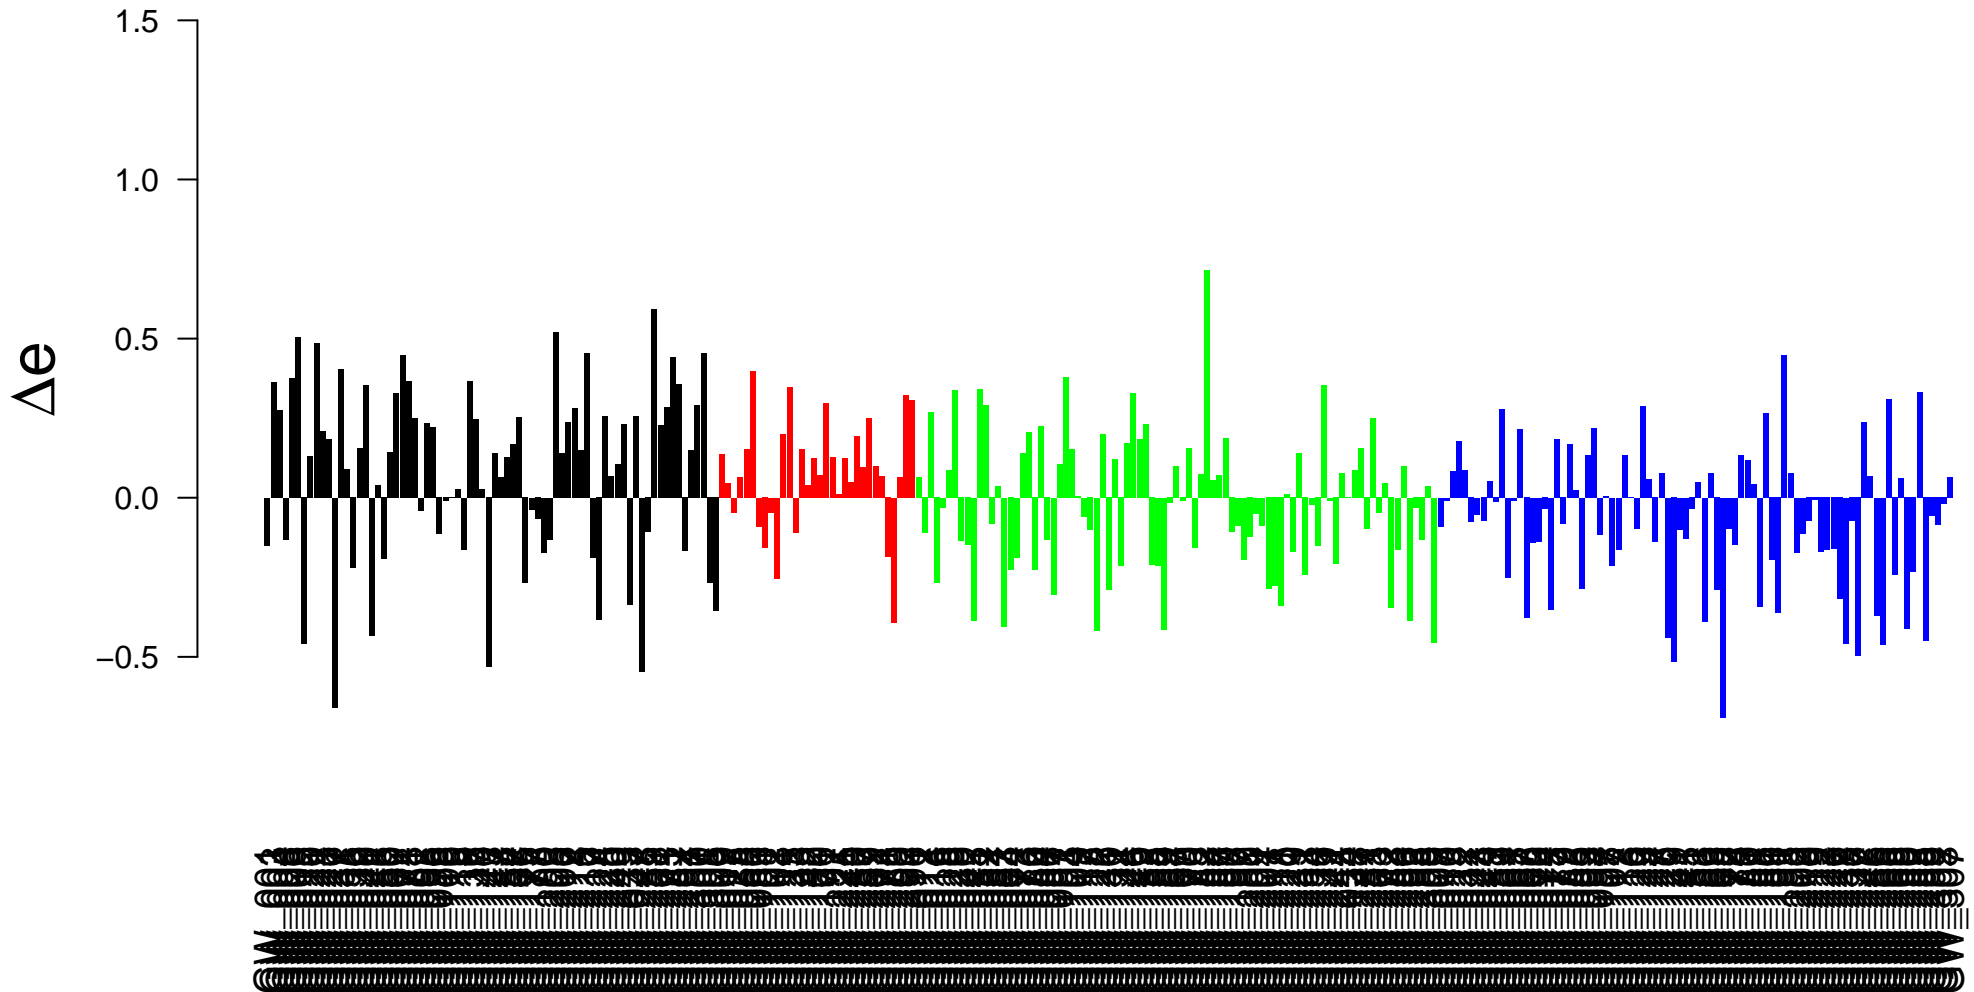

# Expression of melanocyte differentiation in Spot H

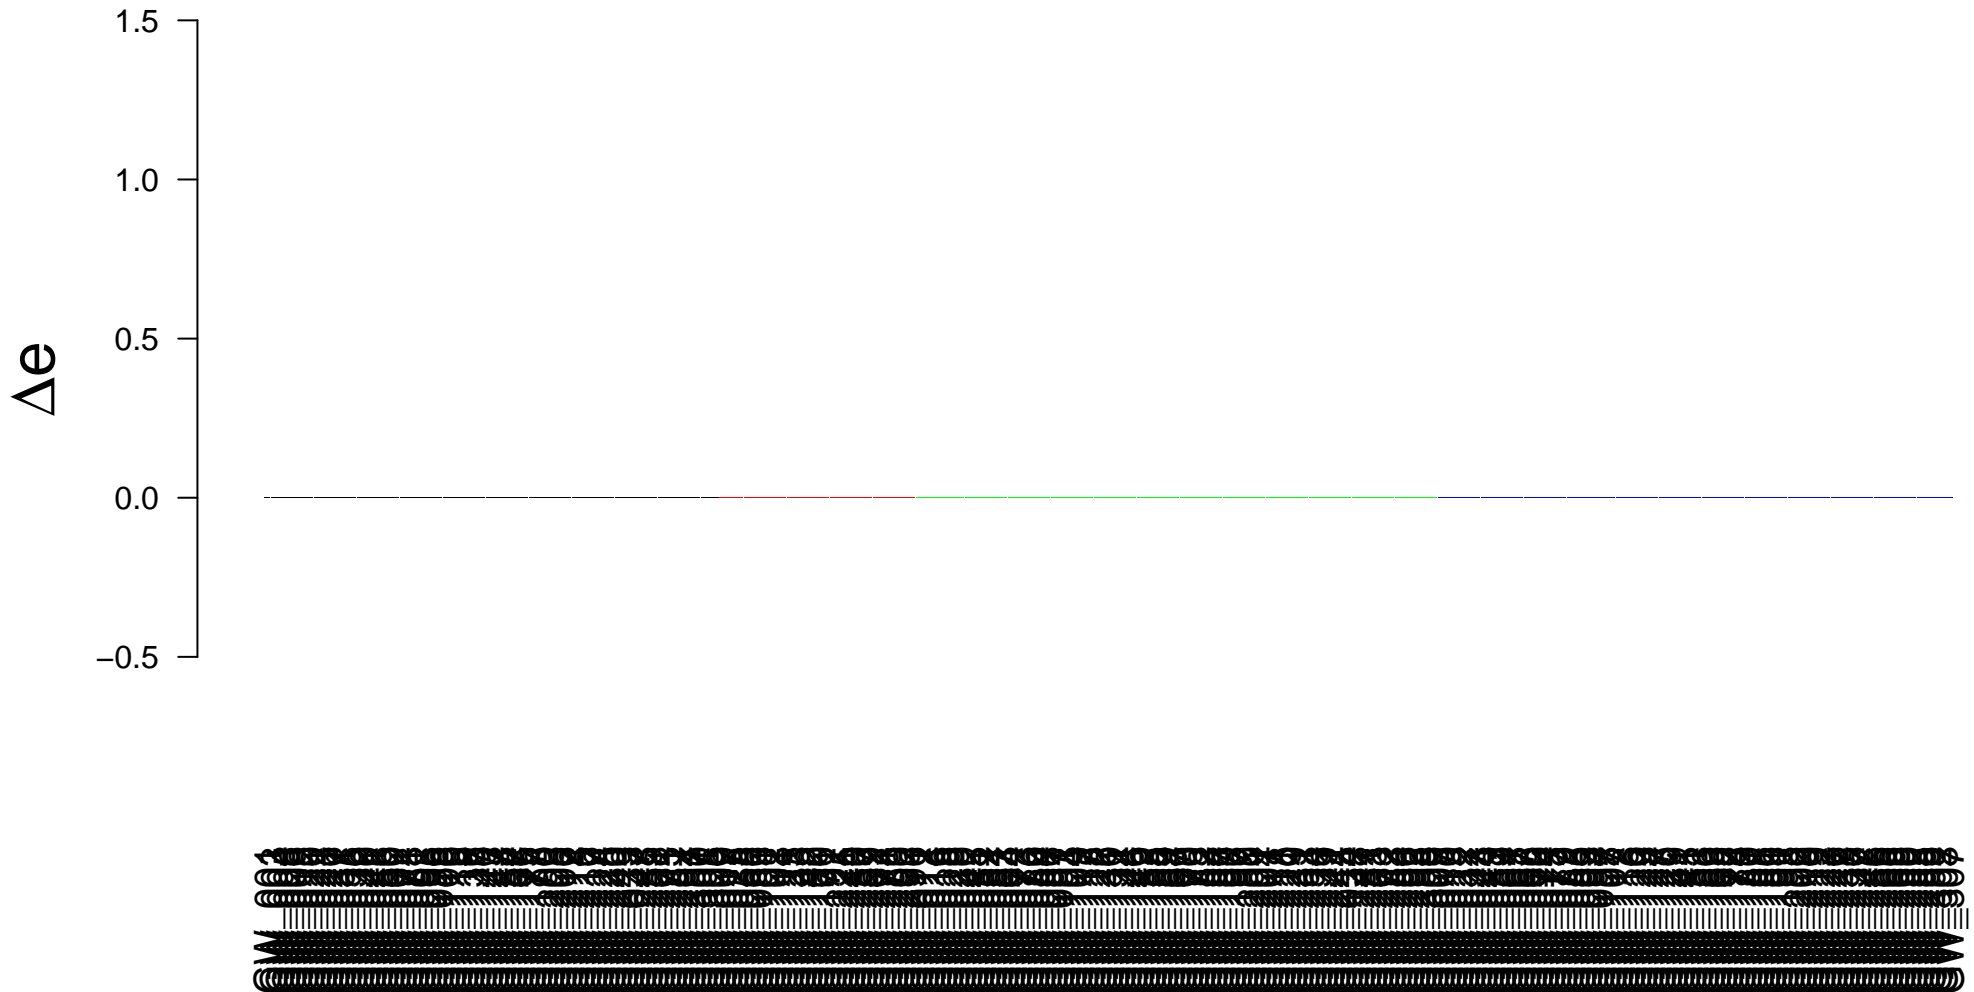

# Expression of melanocyte differentiation in Spot I

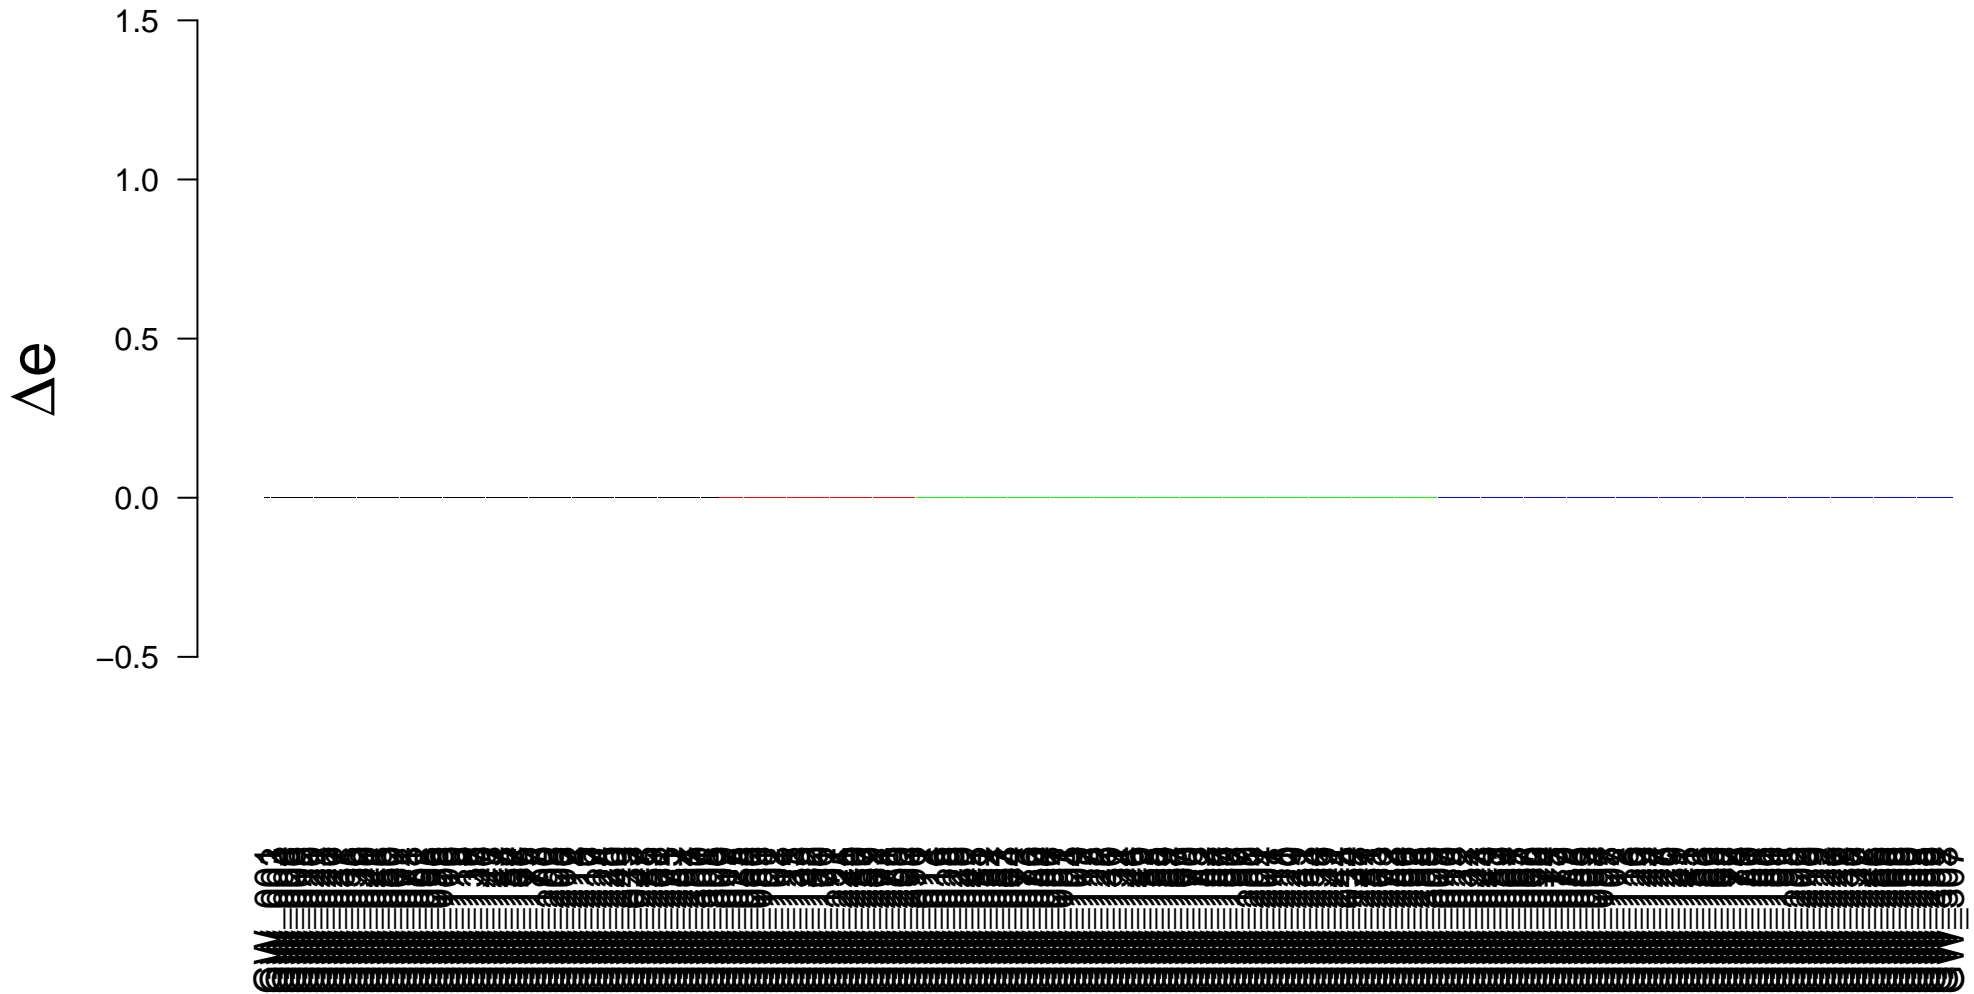

# Expression of melanocyte differentiation in Spot J

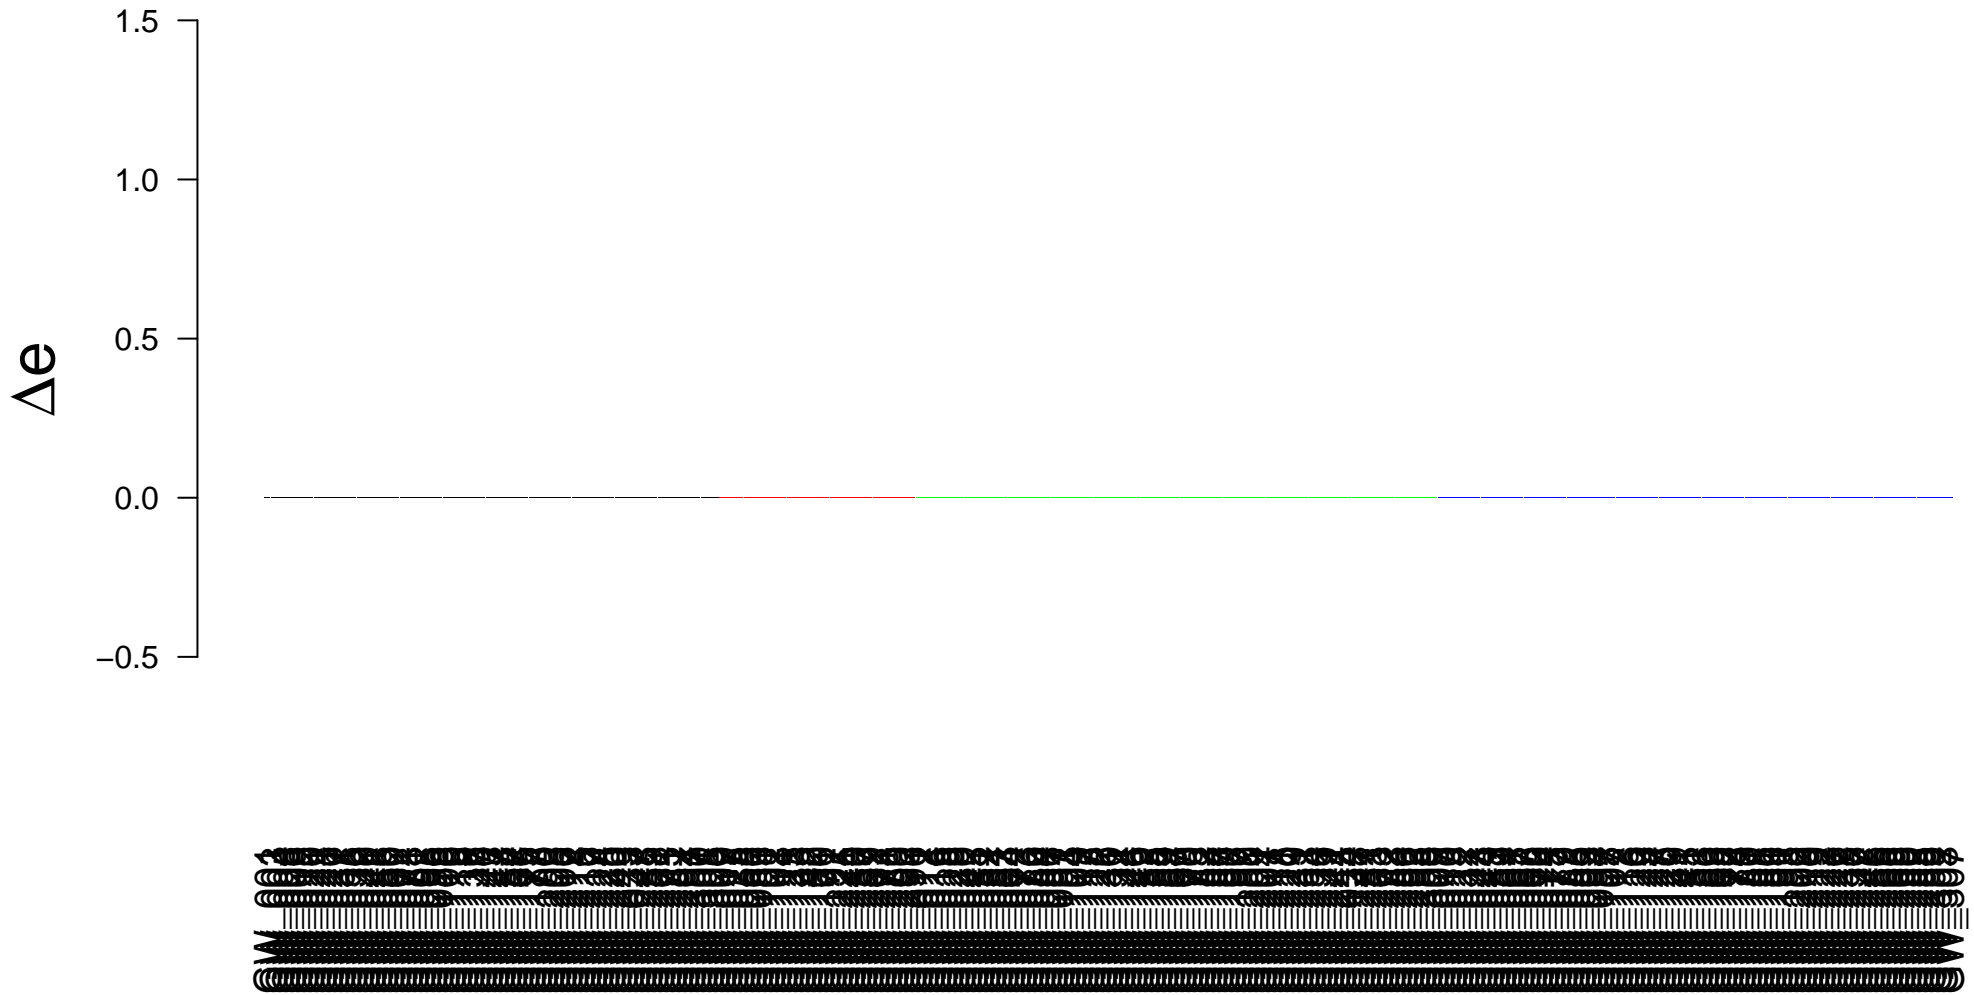

# Expression of melanocyte differentiation in Spot K

# Expression of melanocyte differentiation in Spot L

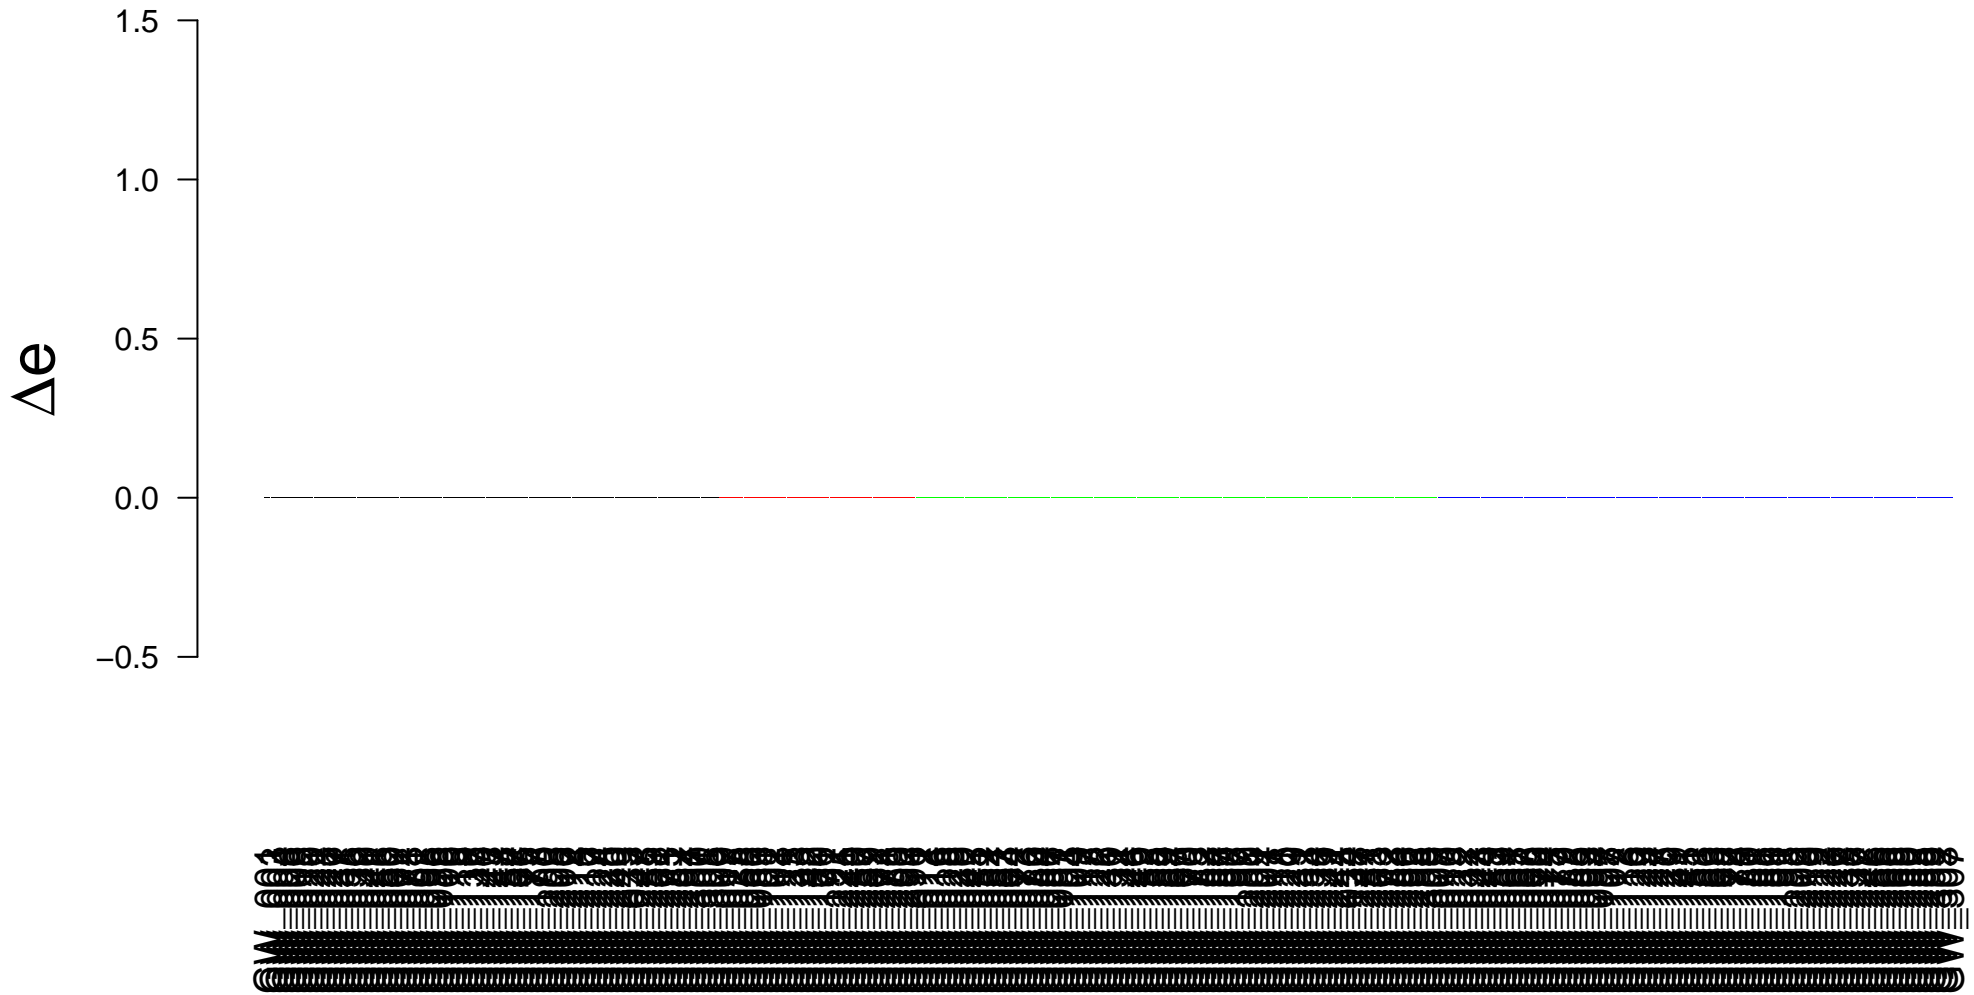

# Expression of melanocyte differentiation in Spot M

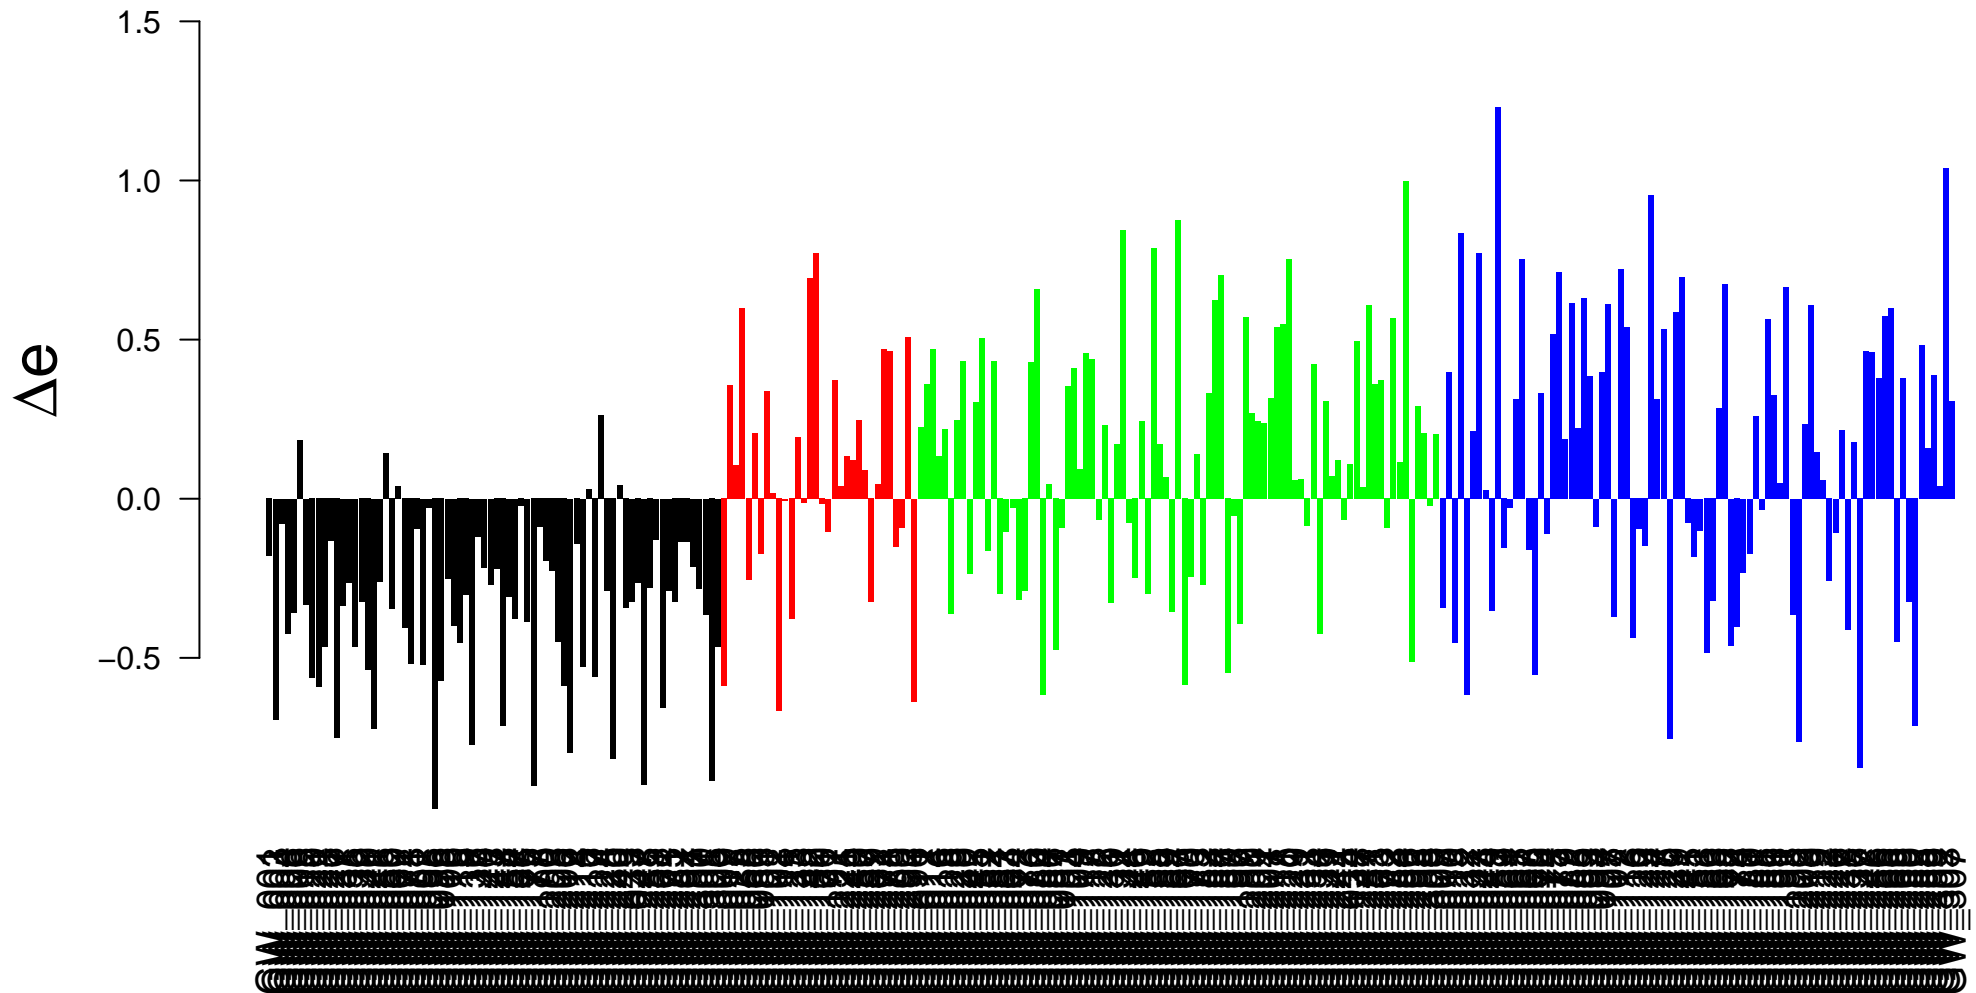

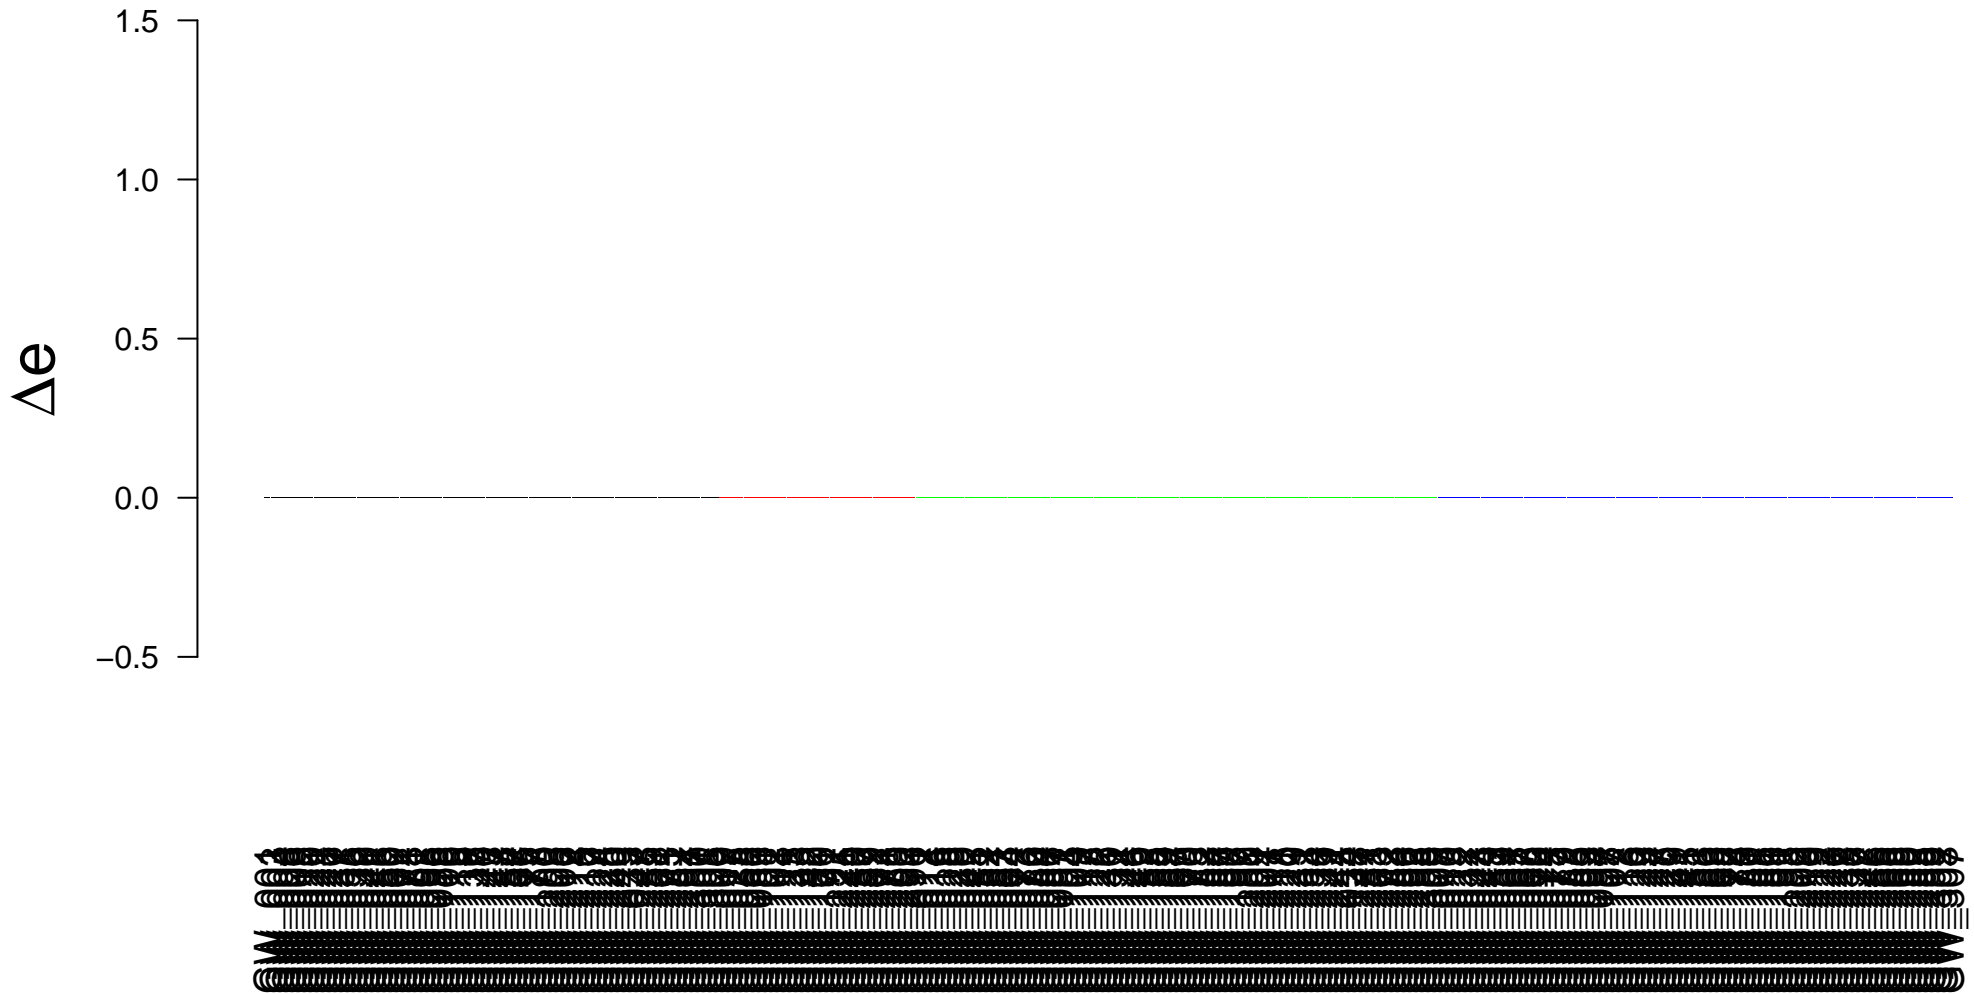

# Expression of melanocyte differentiation in Spot N

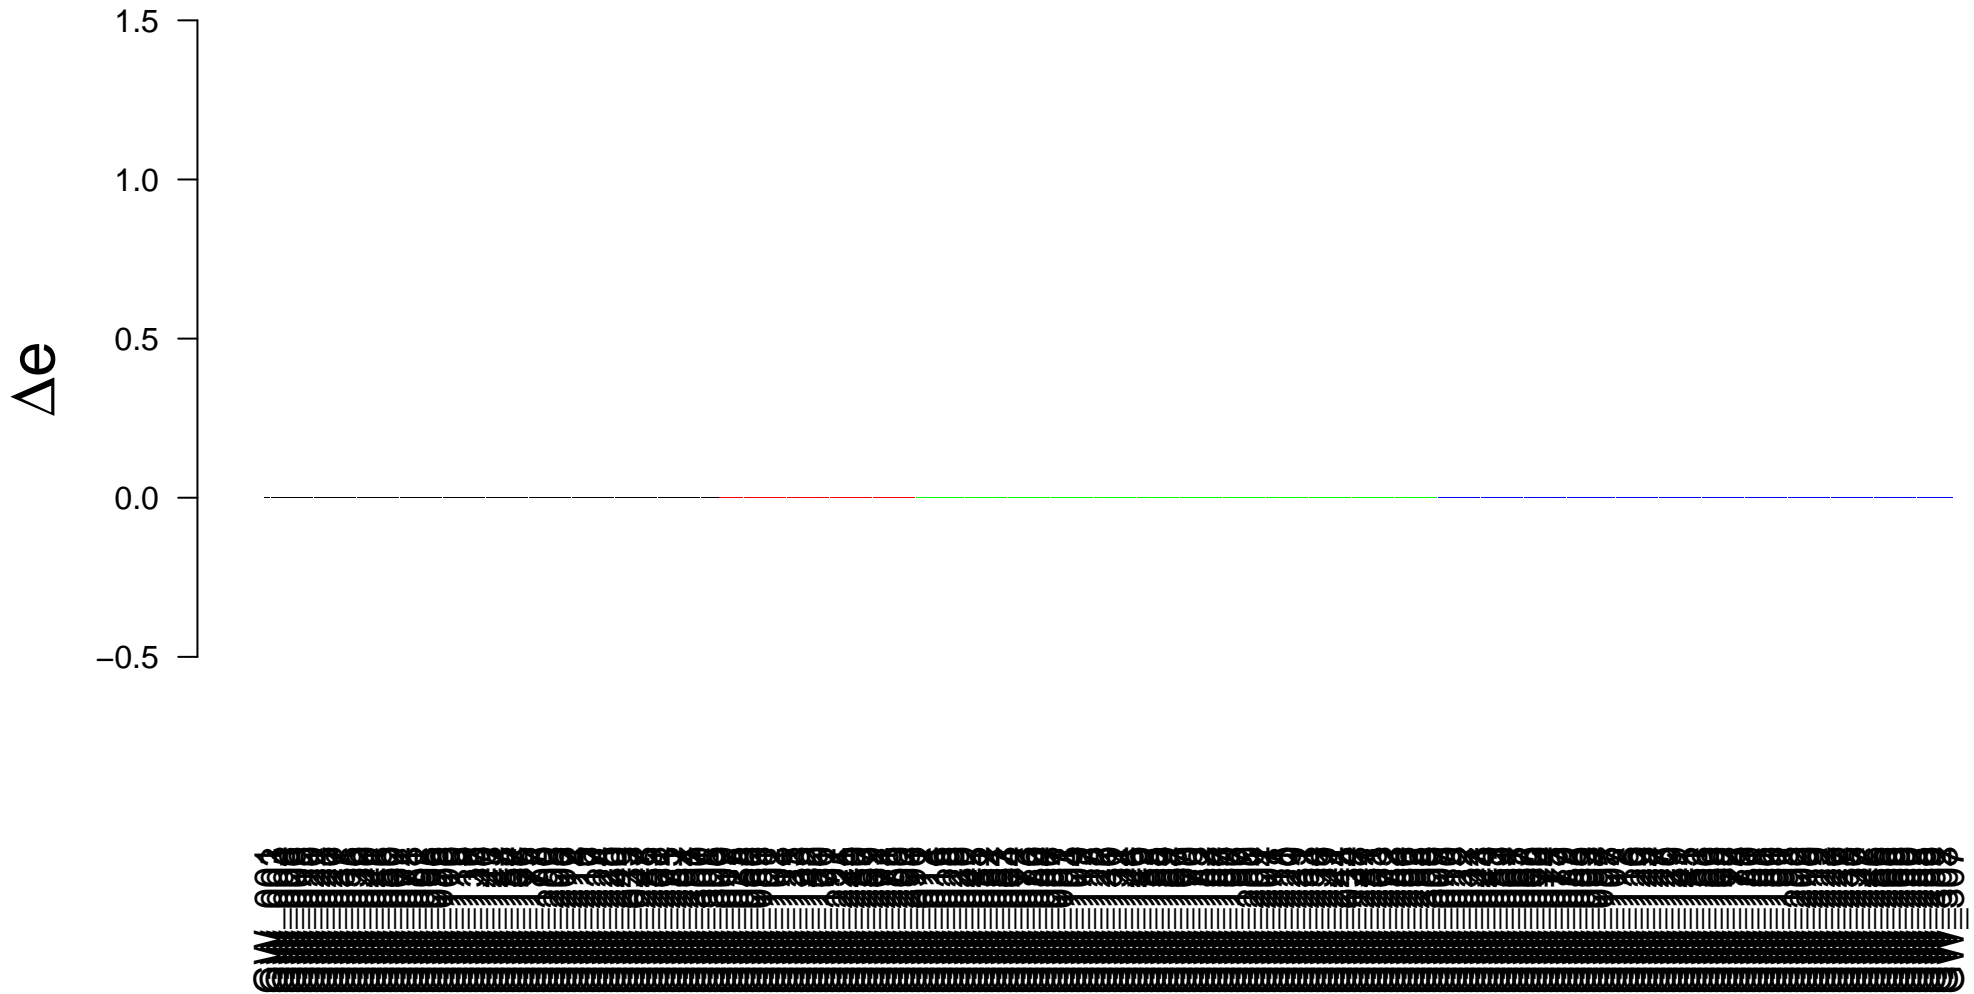

# Expression of melanocyte differentiation in Spot O

# Expression of melanocyte differentiation in Spot P

# Expression of melanocyte differentiation in Spot Q

# Expression of melanocyte differentiation in Spot R
