

membrane depolarization

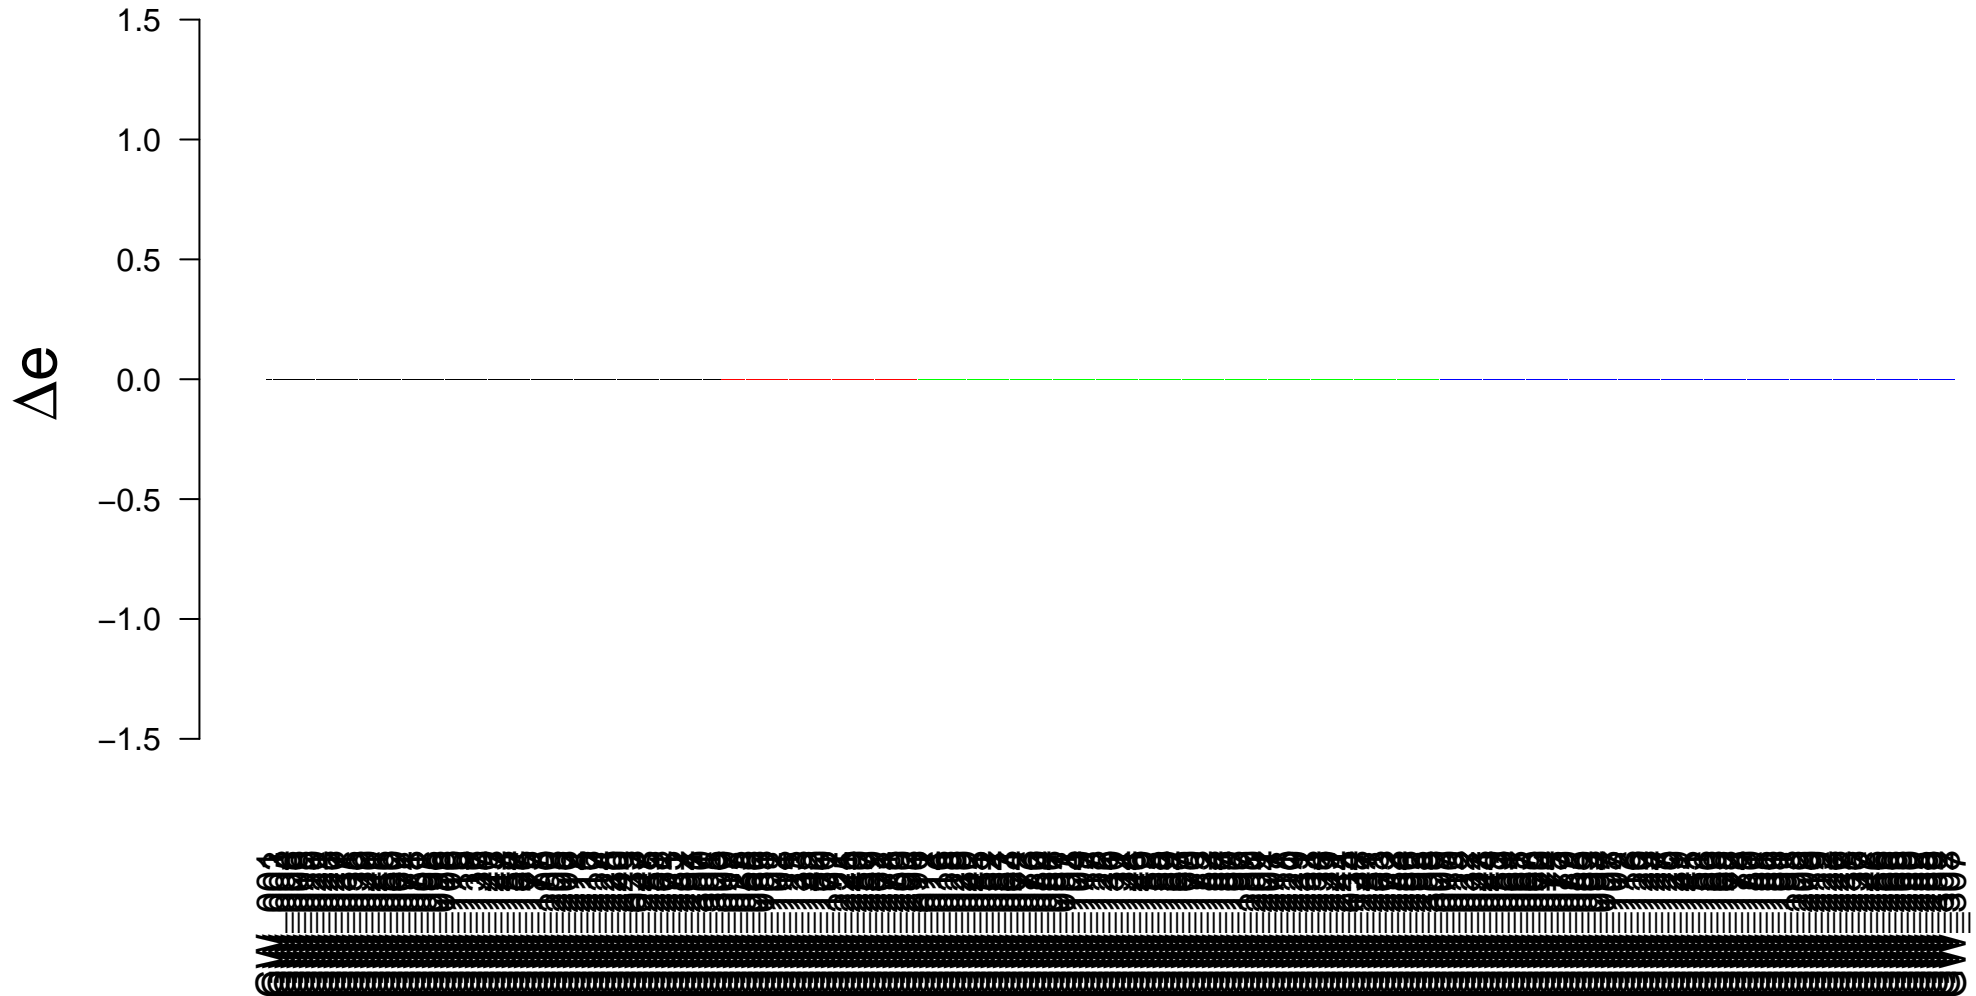

membrane depolarization

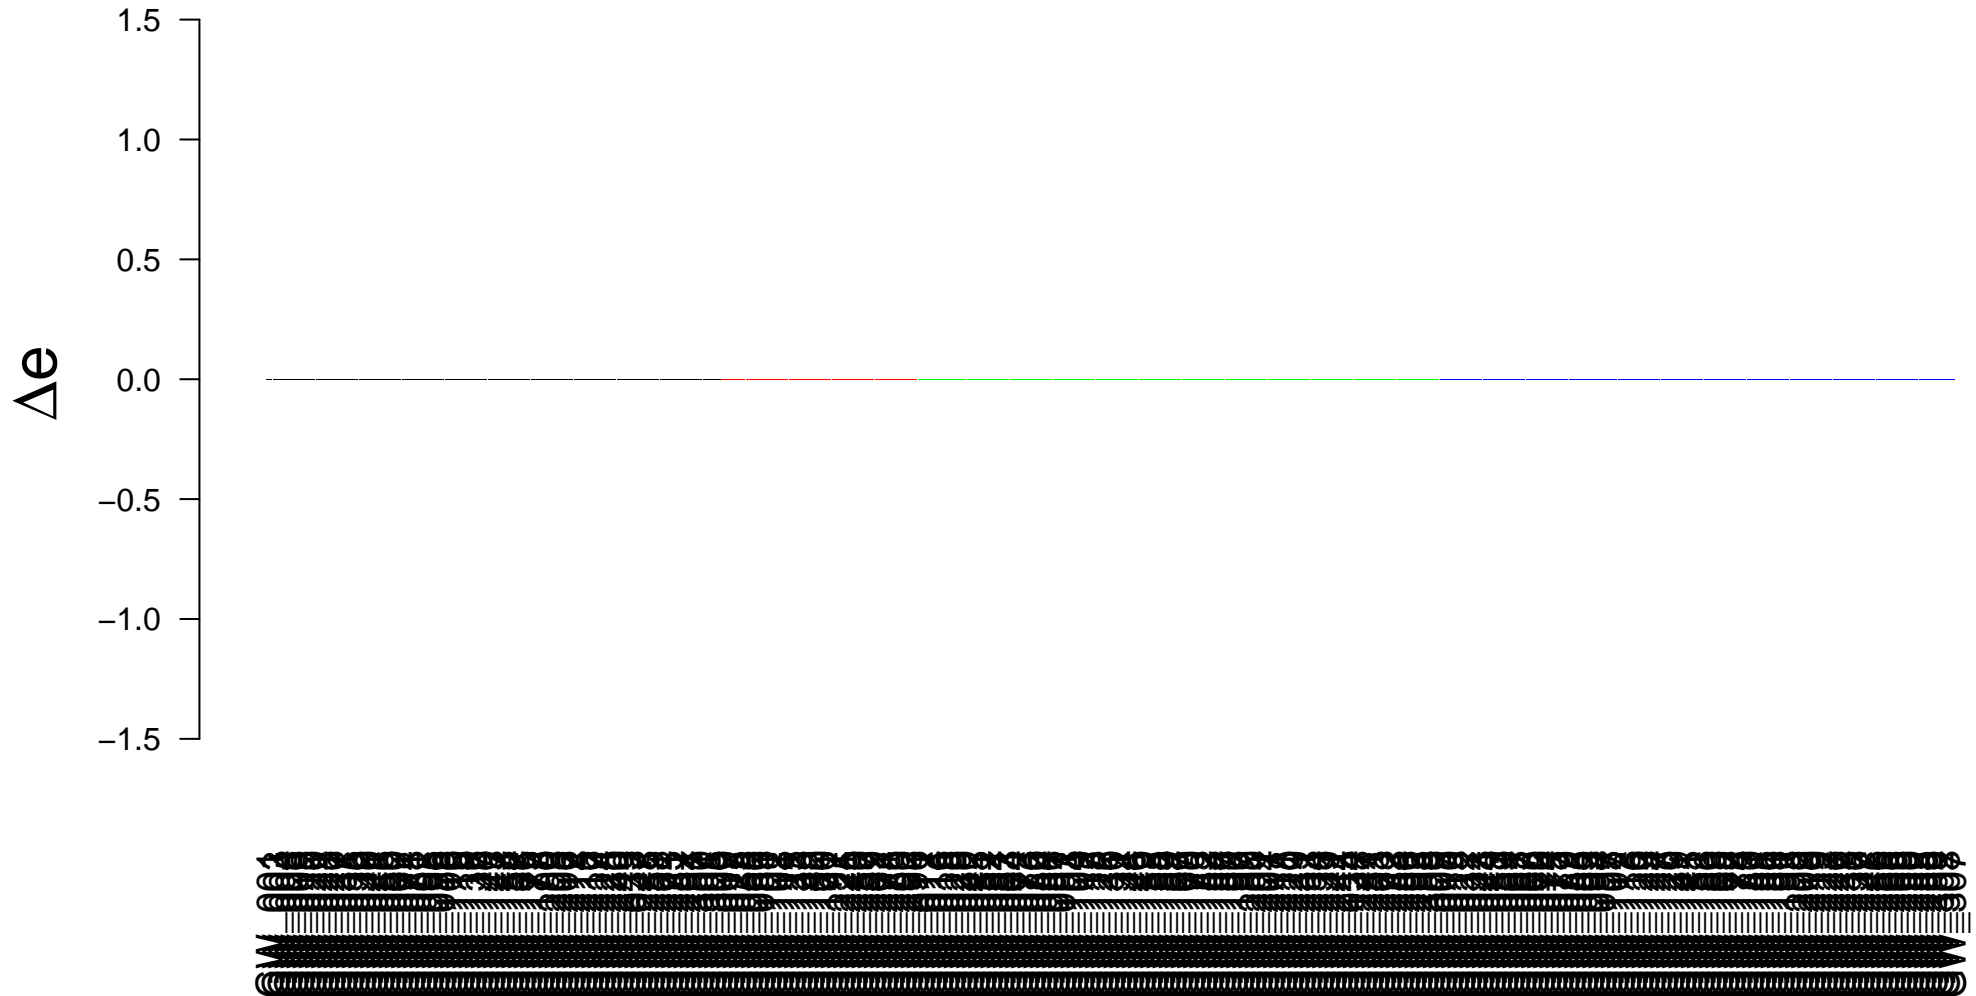

Enrichment in spots: membrane depolarization

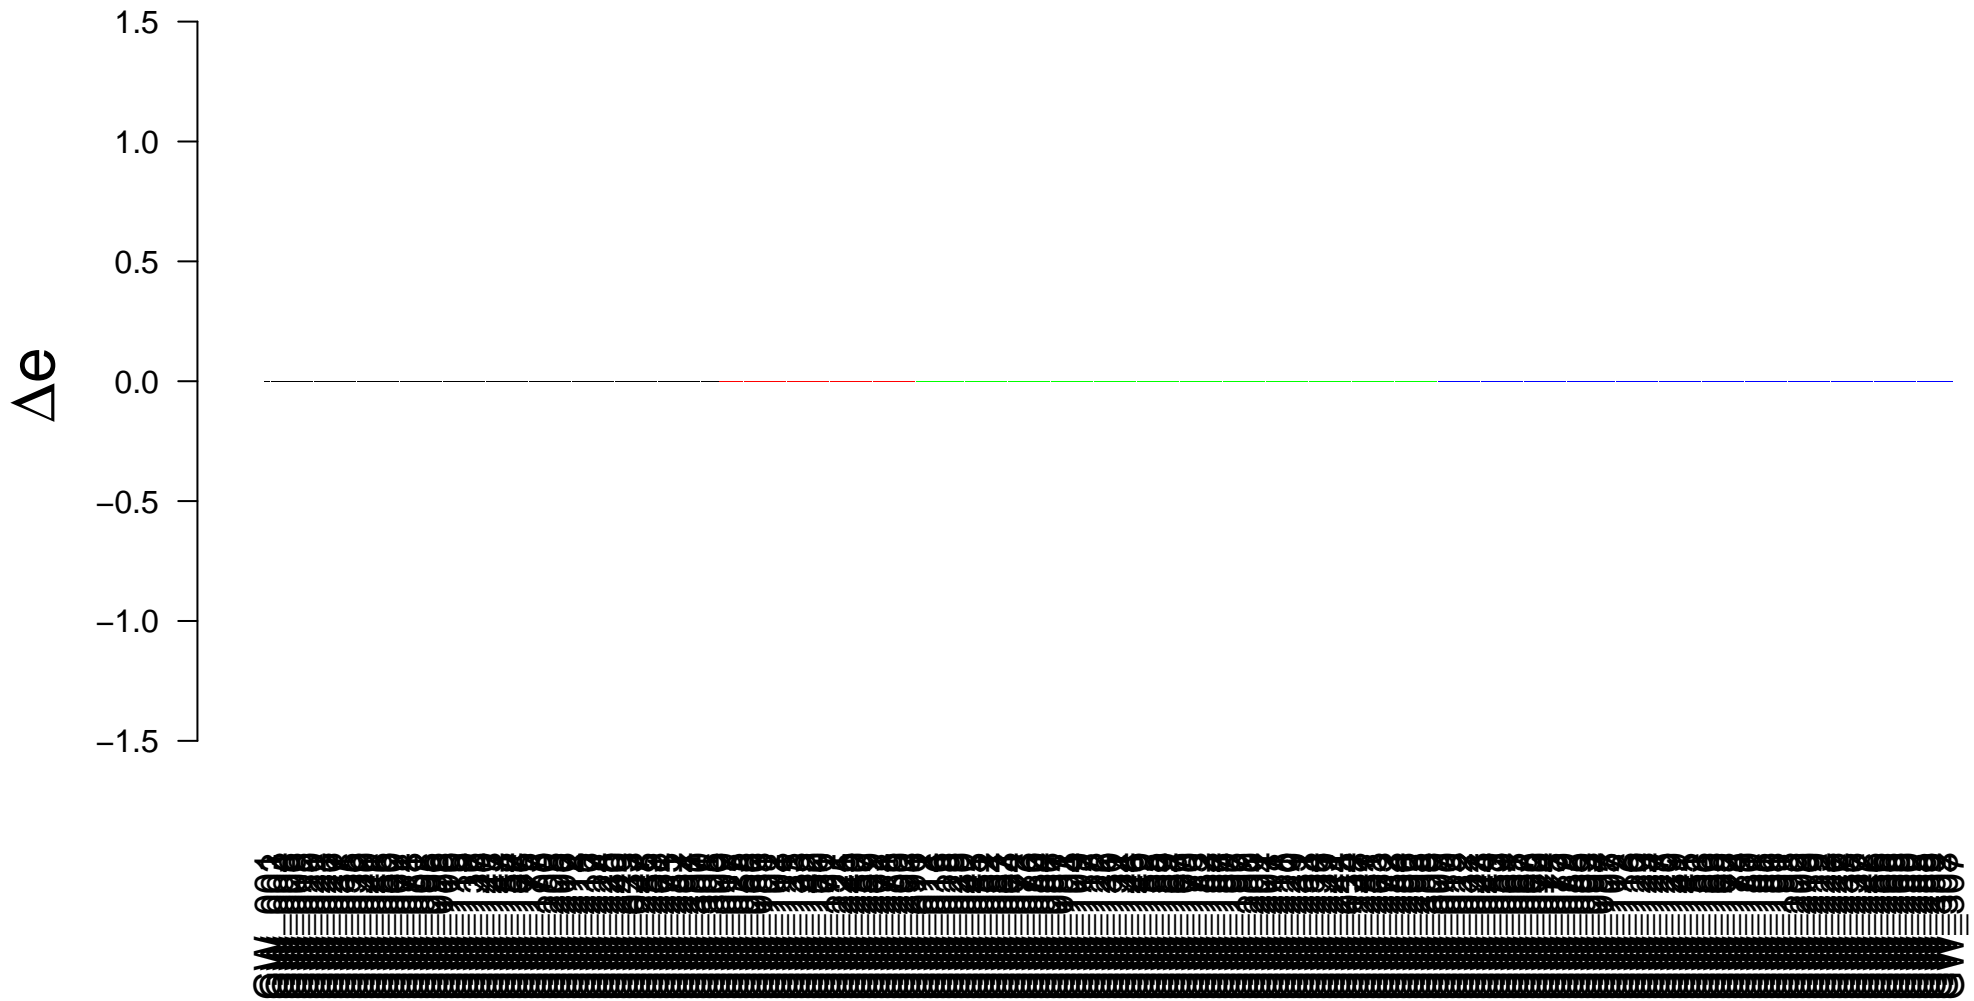

Expression of membrane depolarization in Spot A

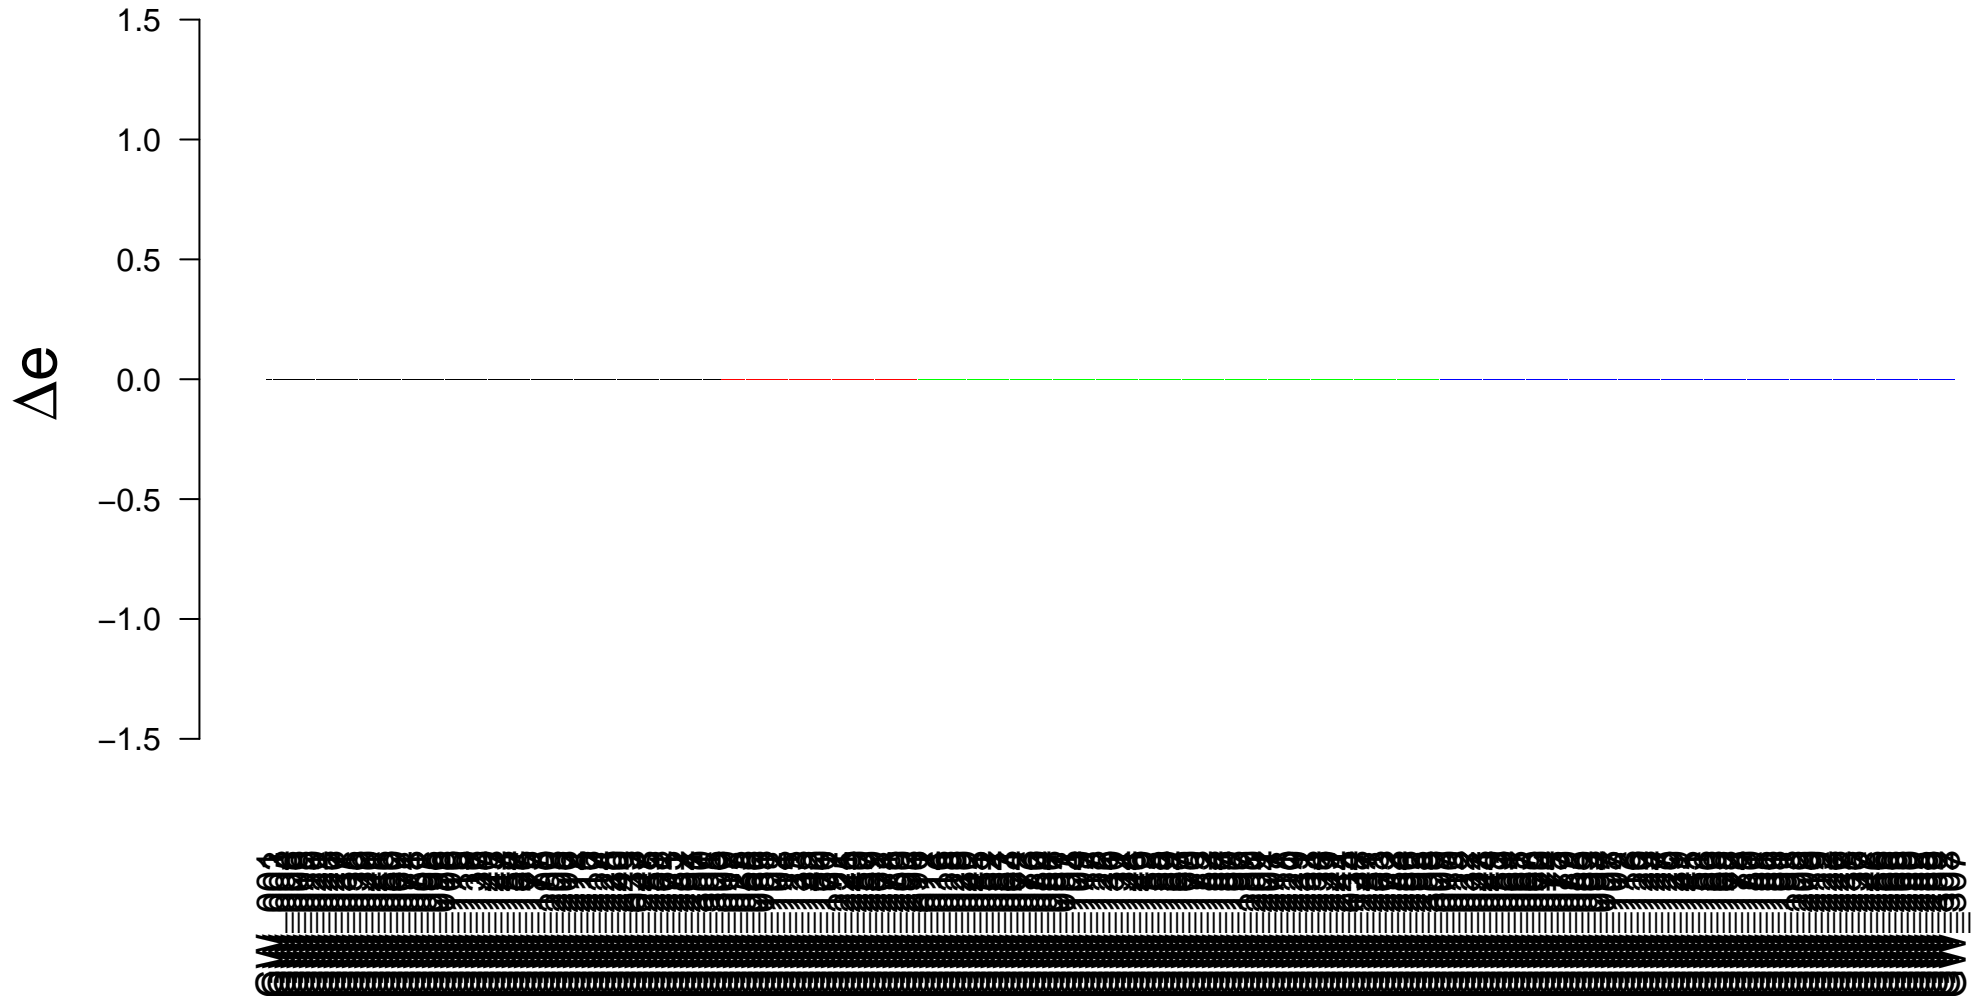

Expression of membrane depolarization in Spot B

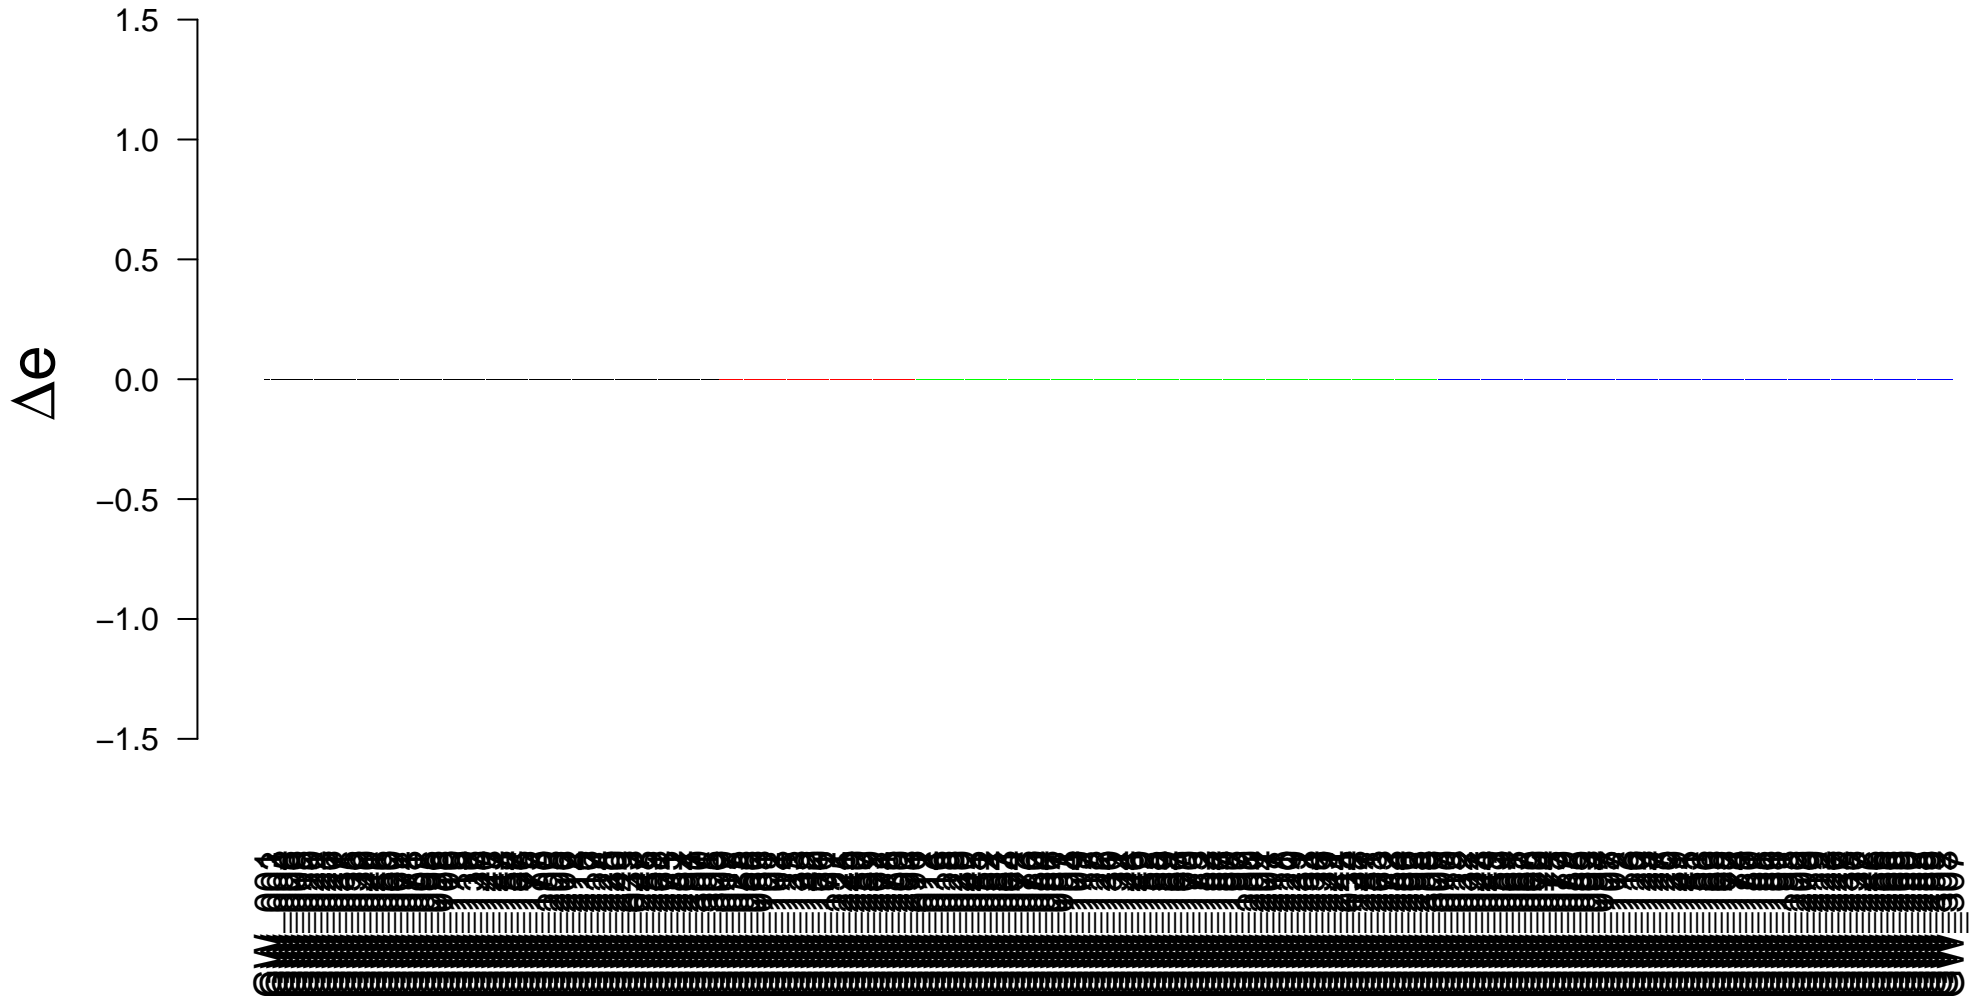

Expression of membrane depolarization in Spot C

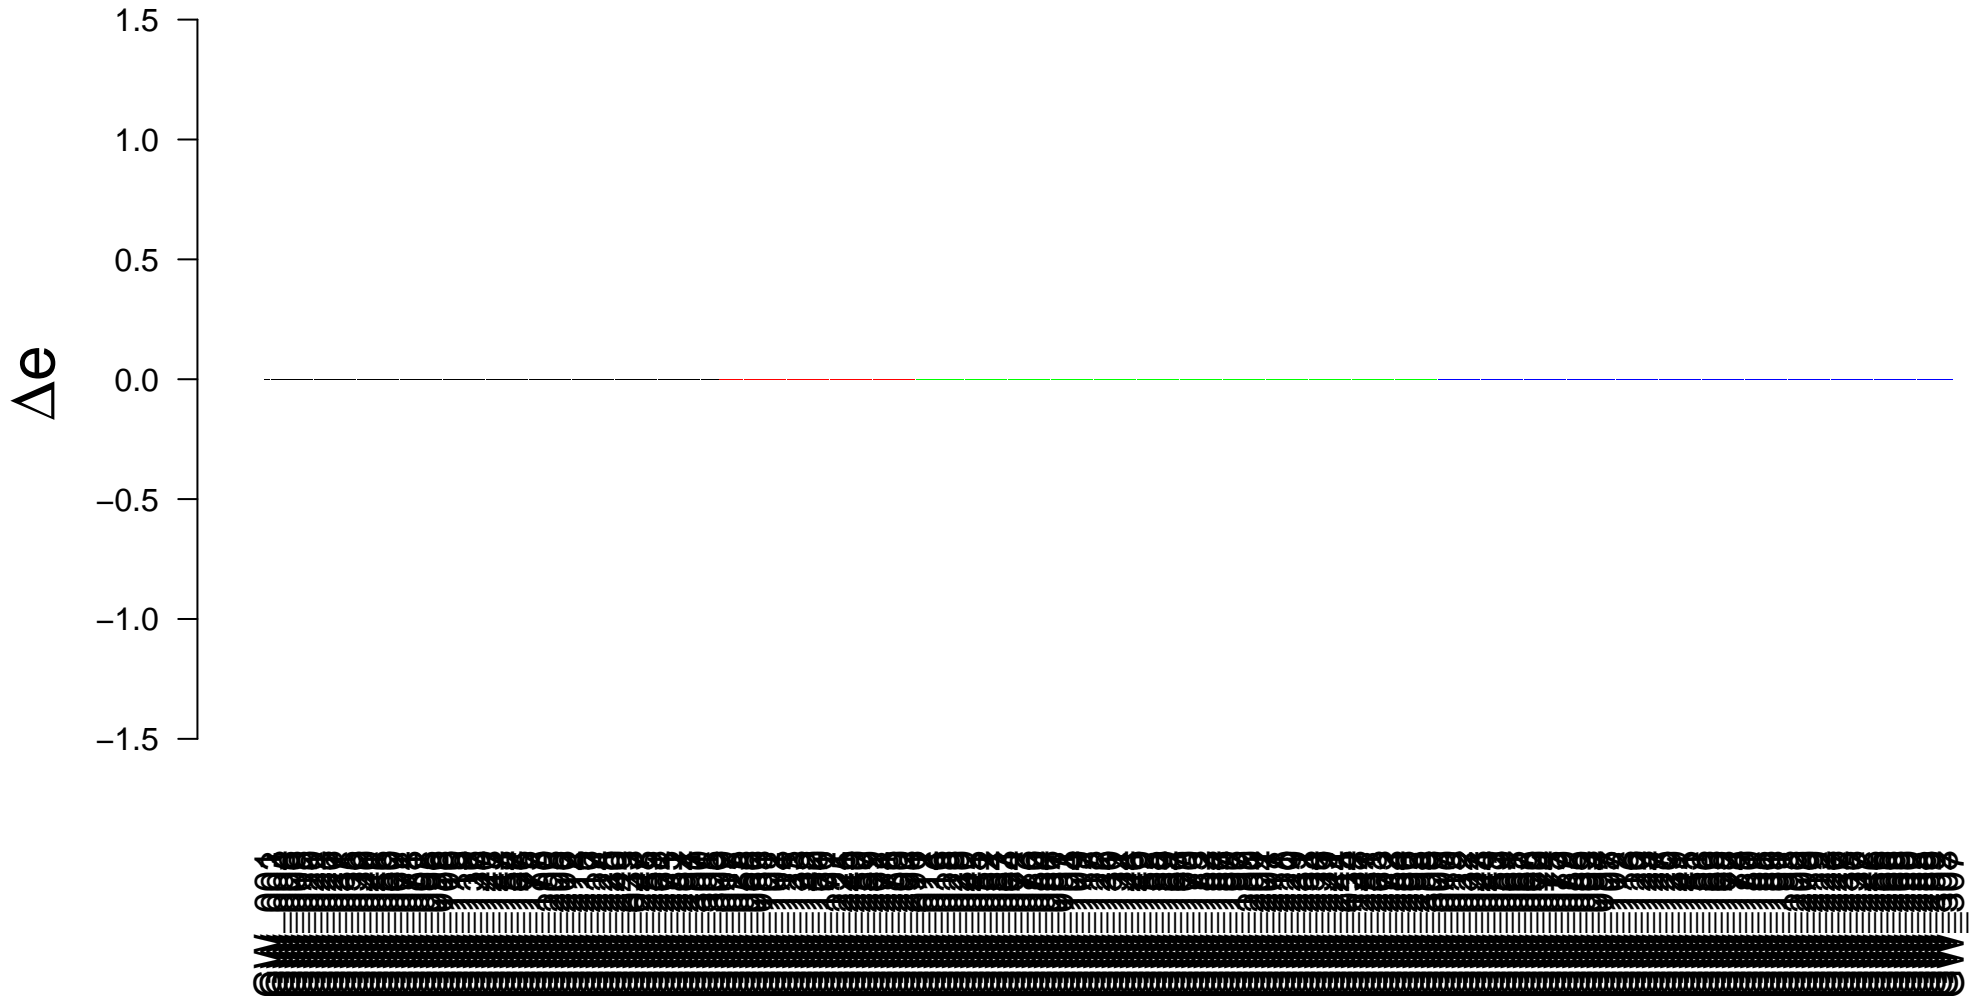

Expression of membrane depolarization in Spot D

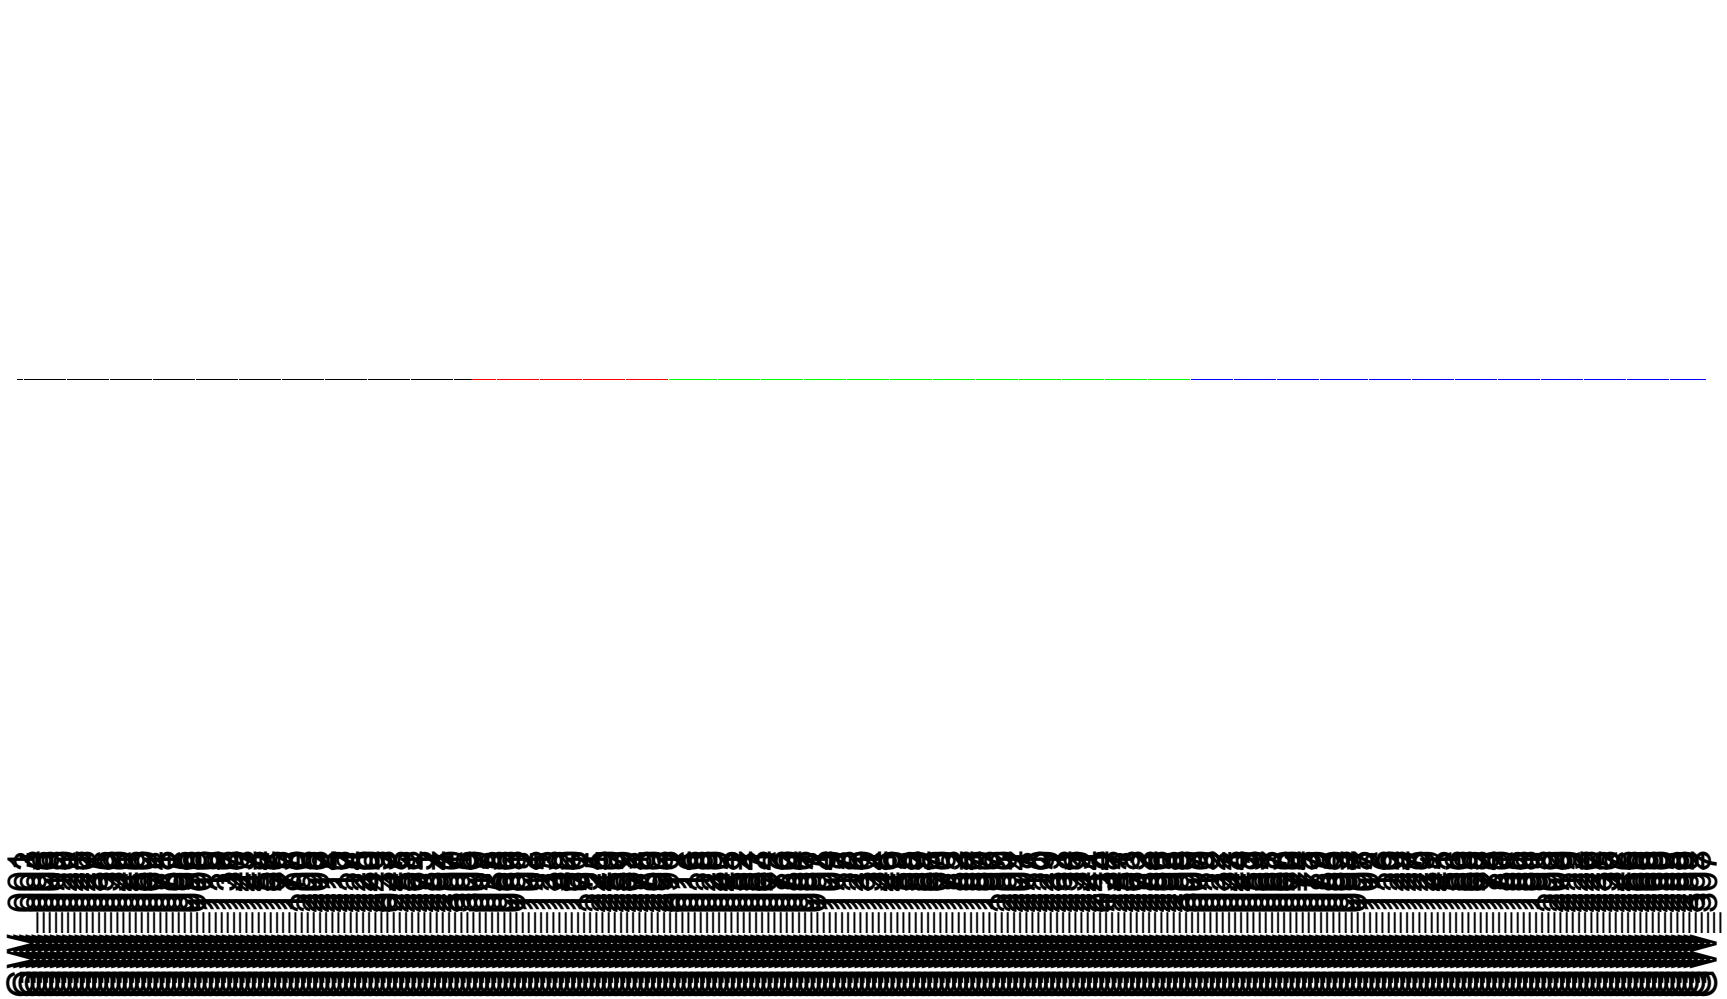

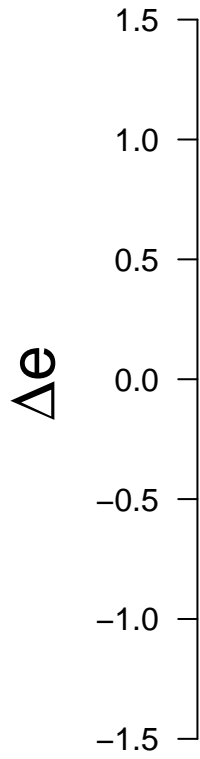

Expression of membrane depolarization in Spot E

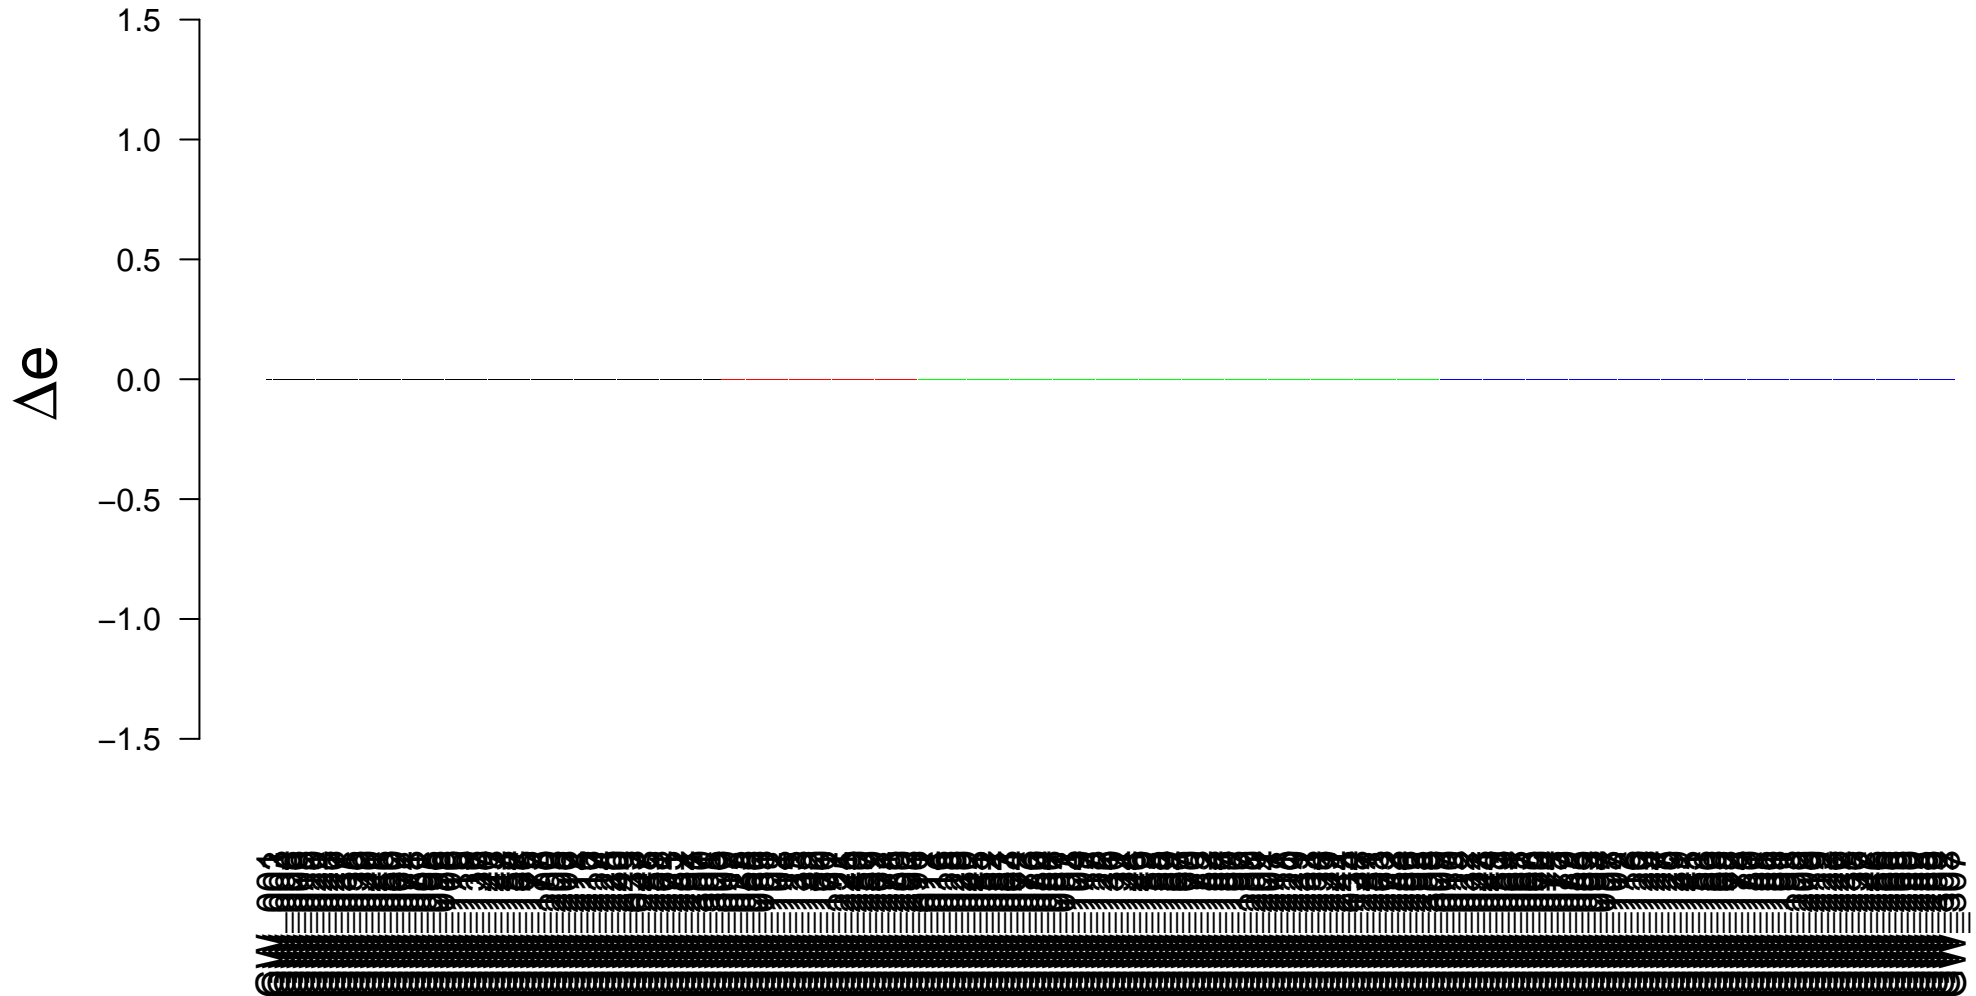

Expression of membrane depolarization in Spot F

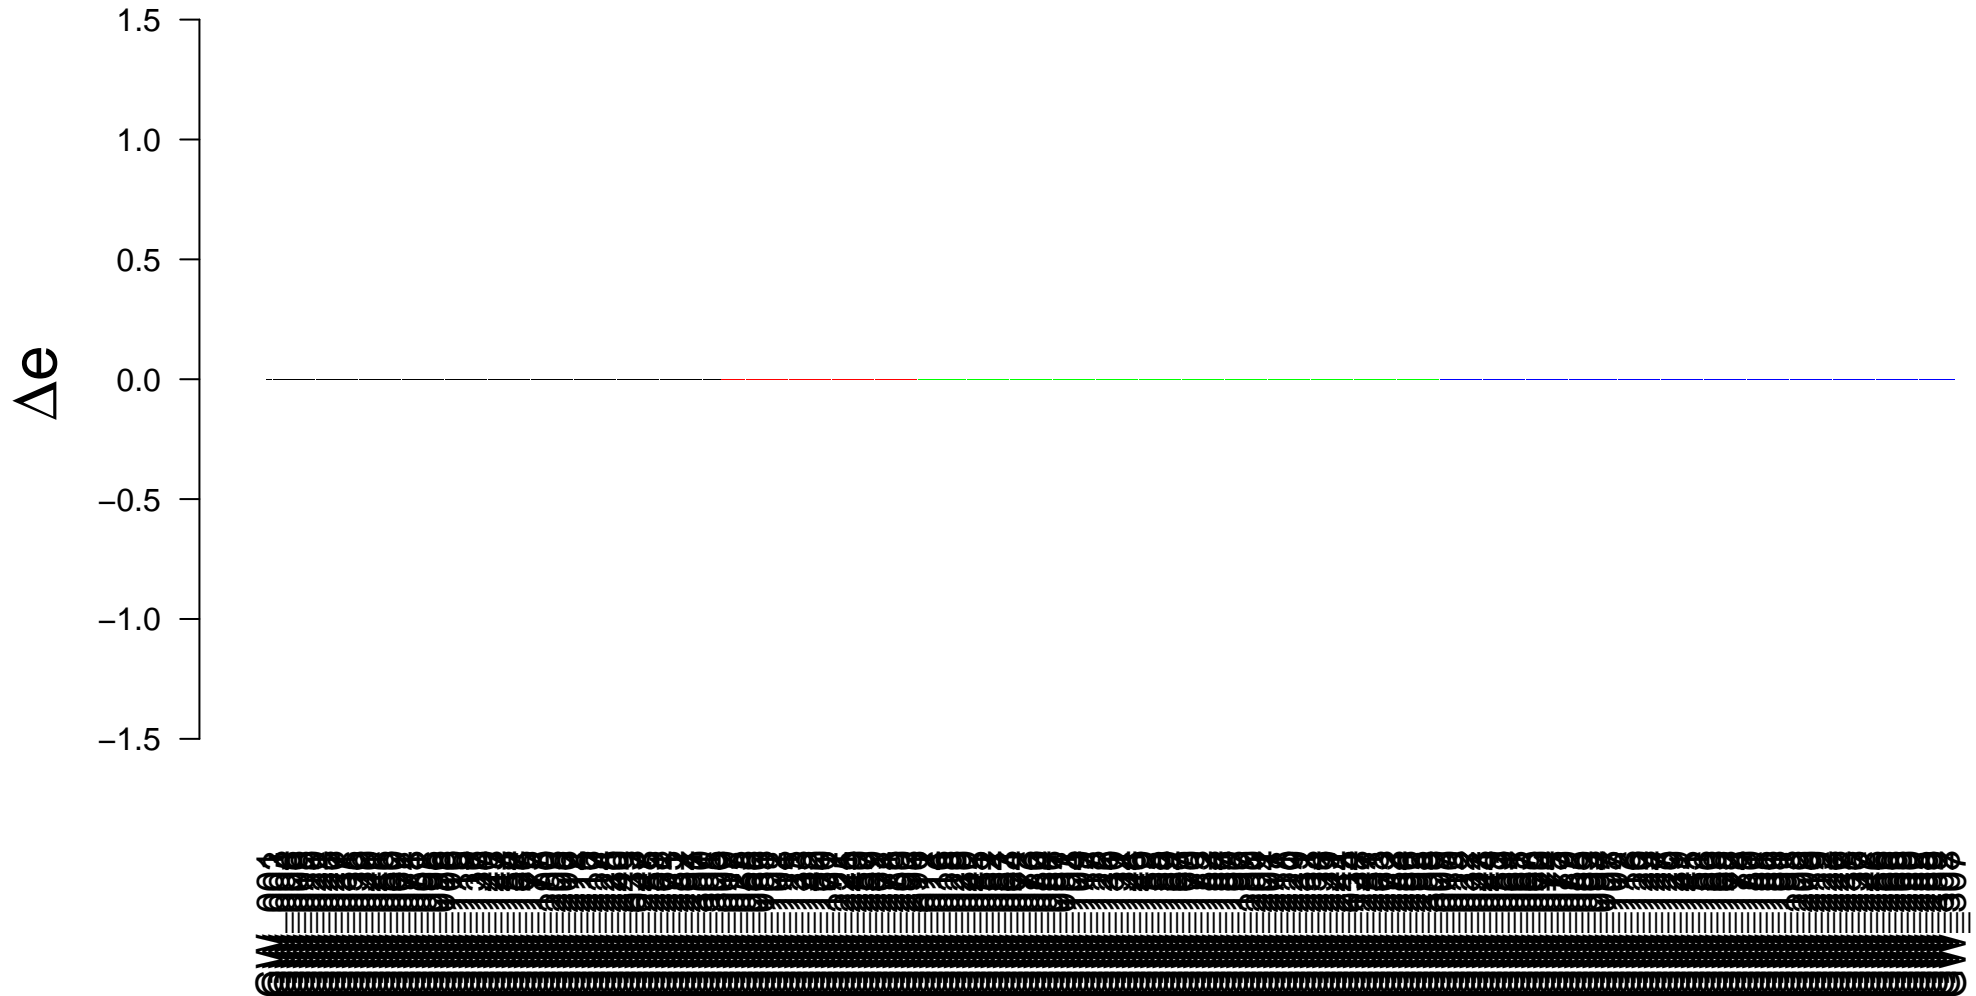

Expression of membrane depolarization in Spot G

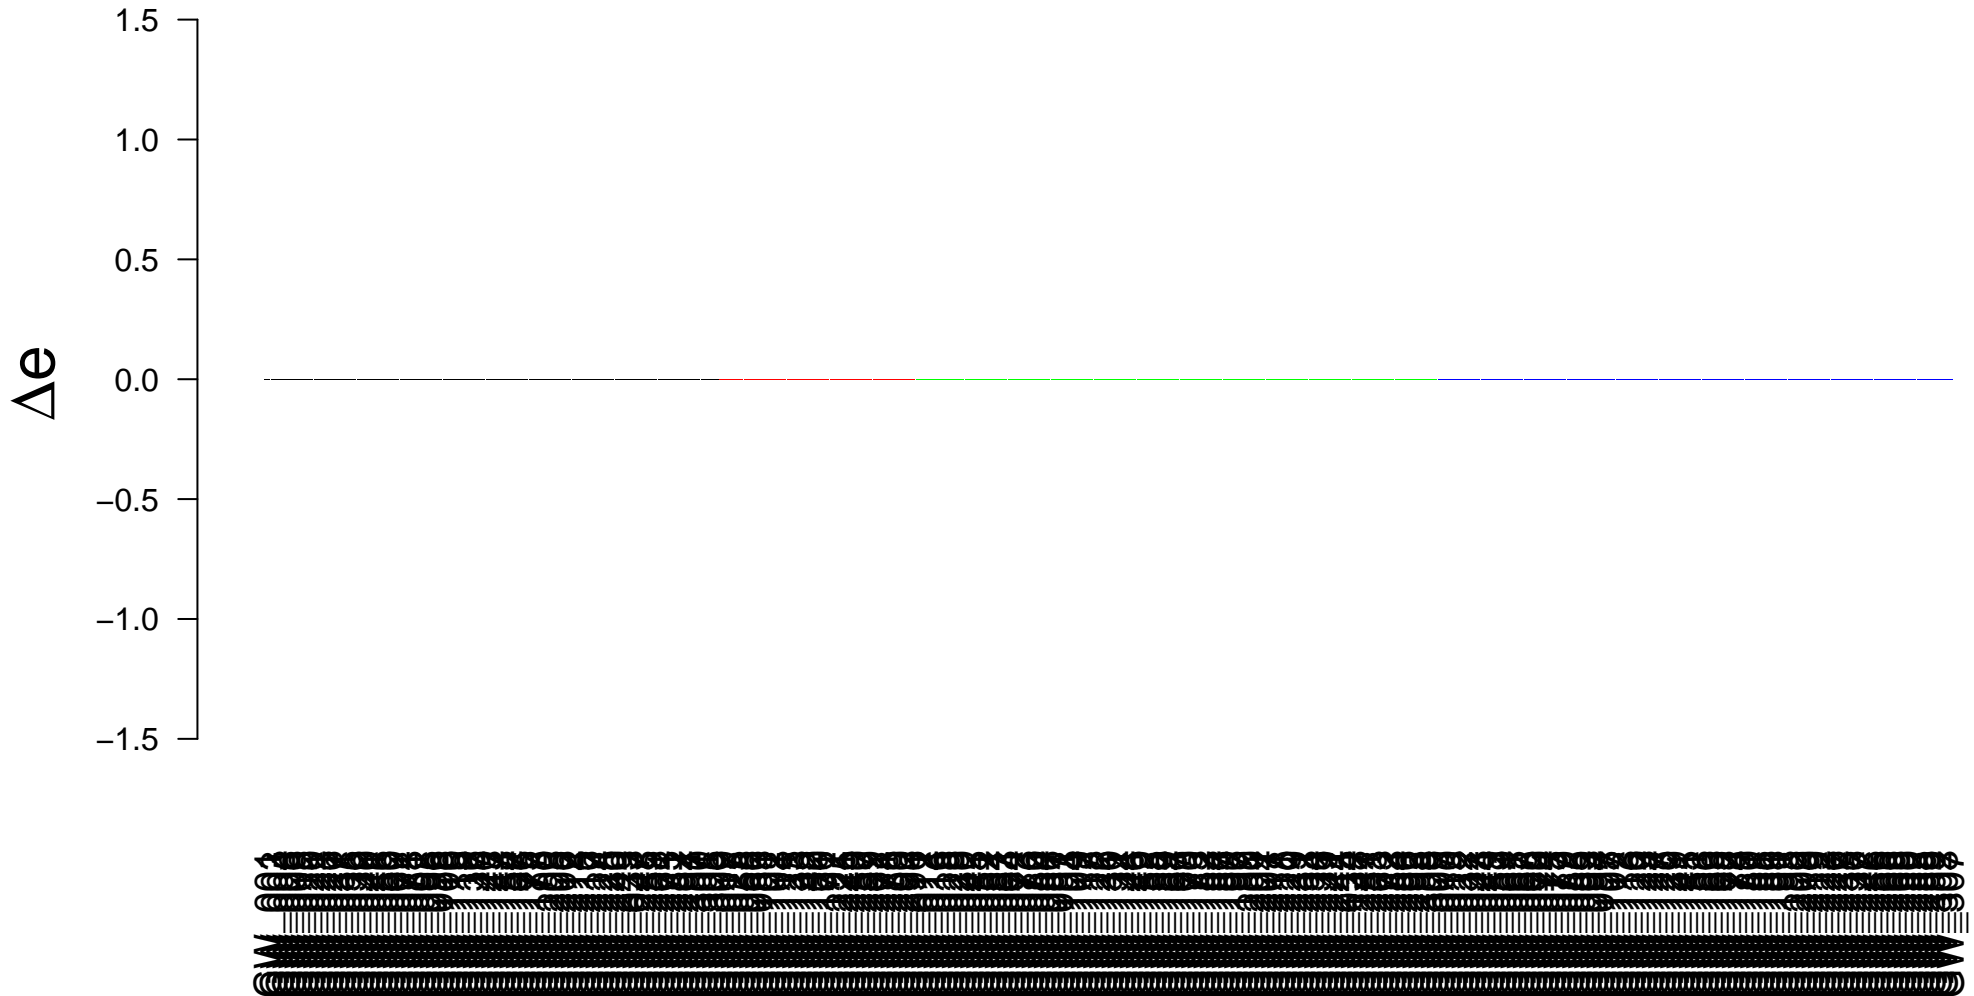

Expression of membrane depolarization in Spot H

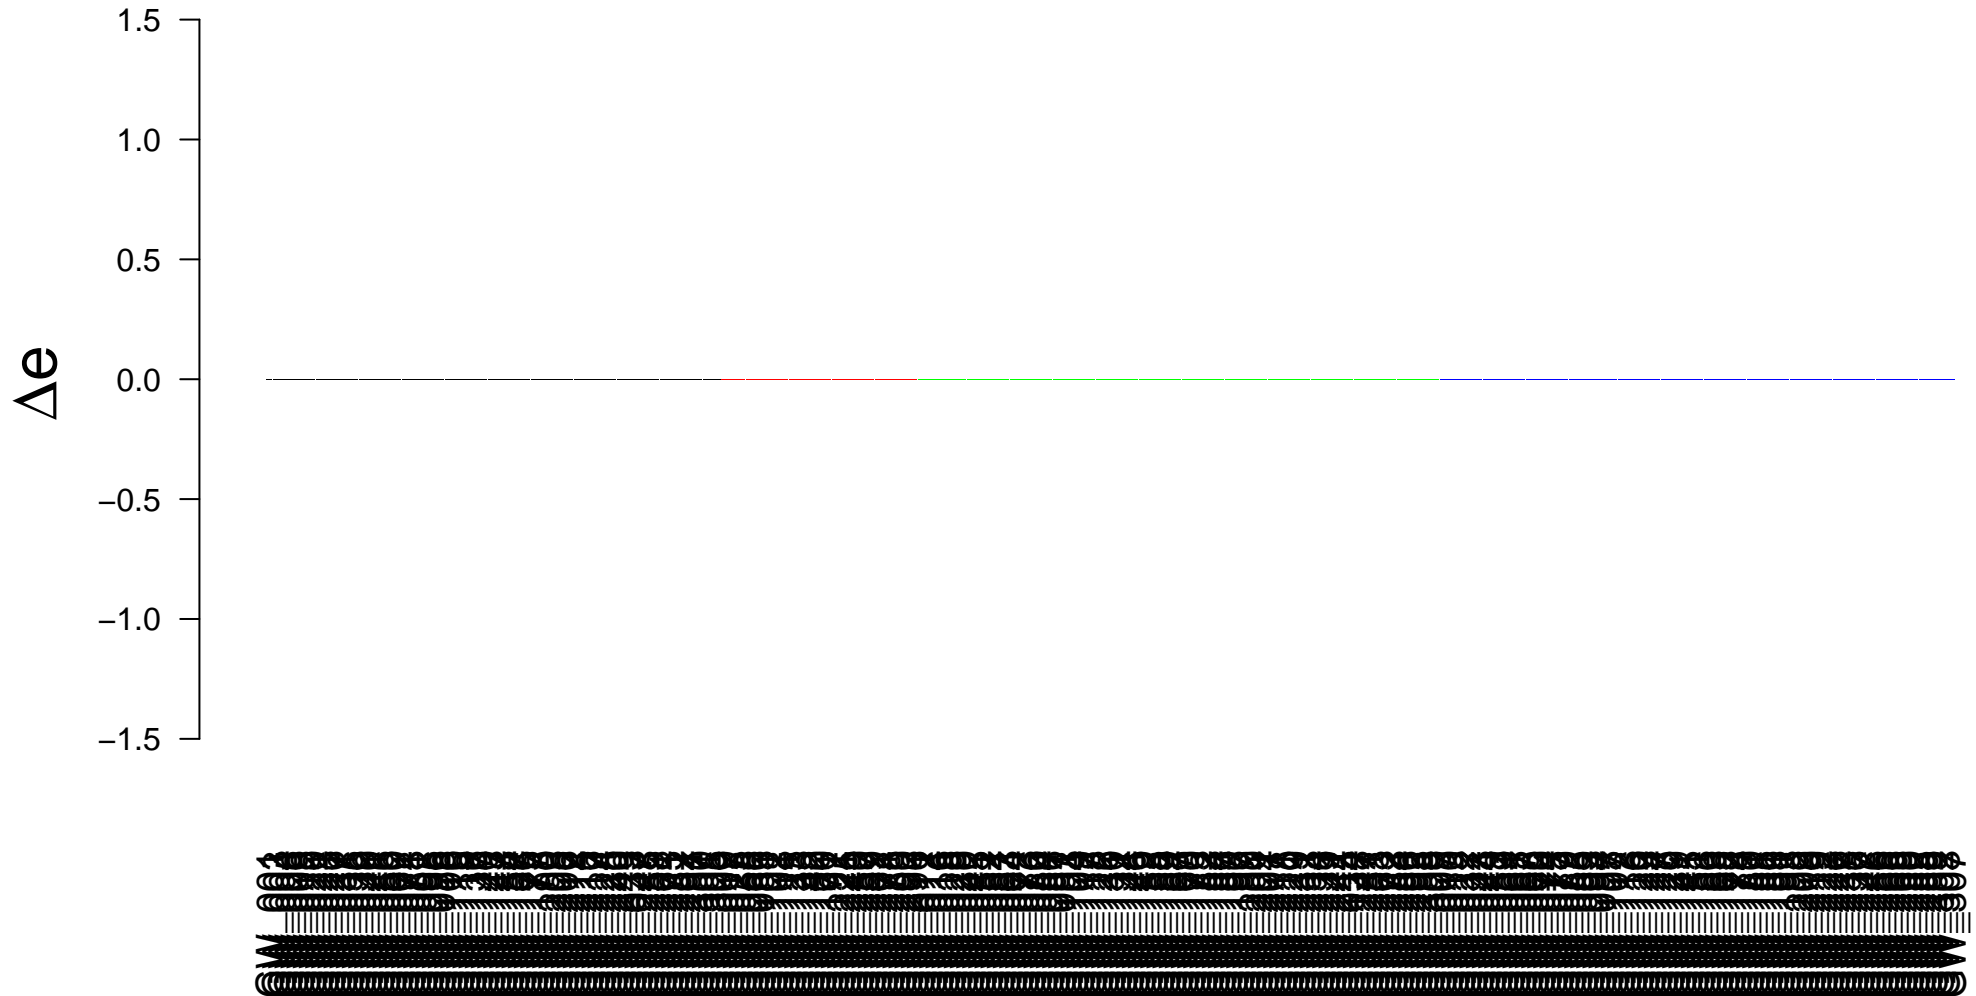

Expression of membrane depolarization in Spot I

Expression of membrane depolarization in Spot J

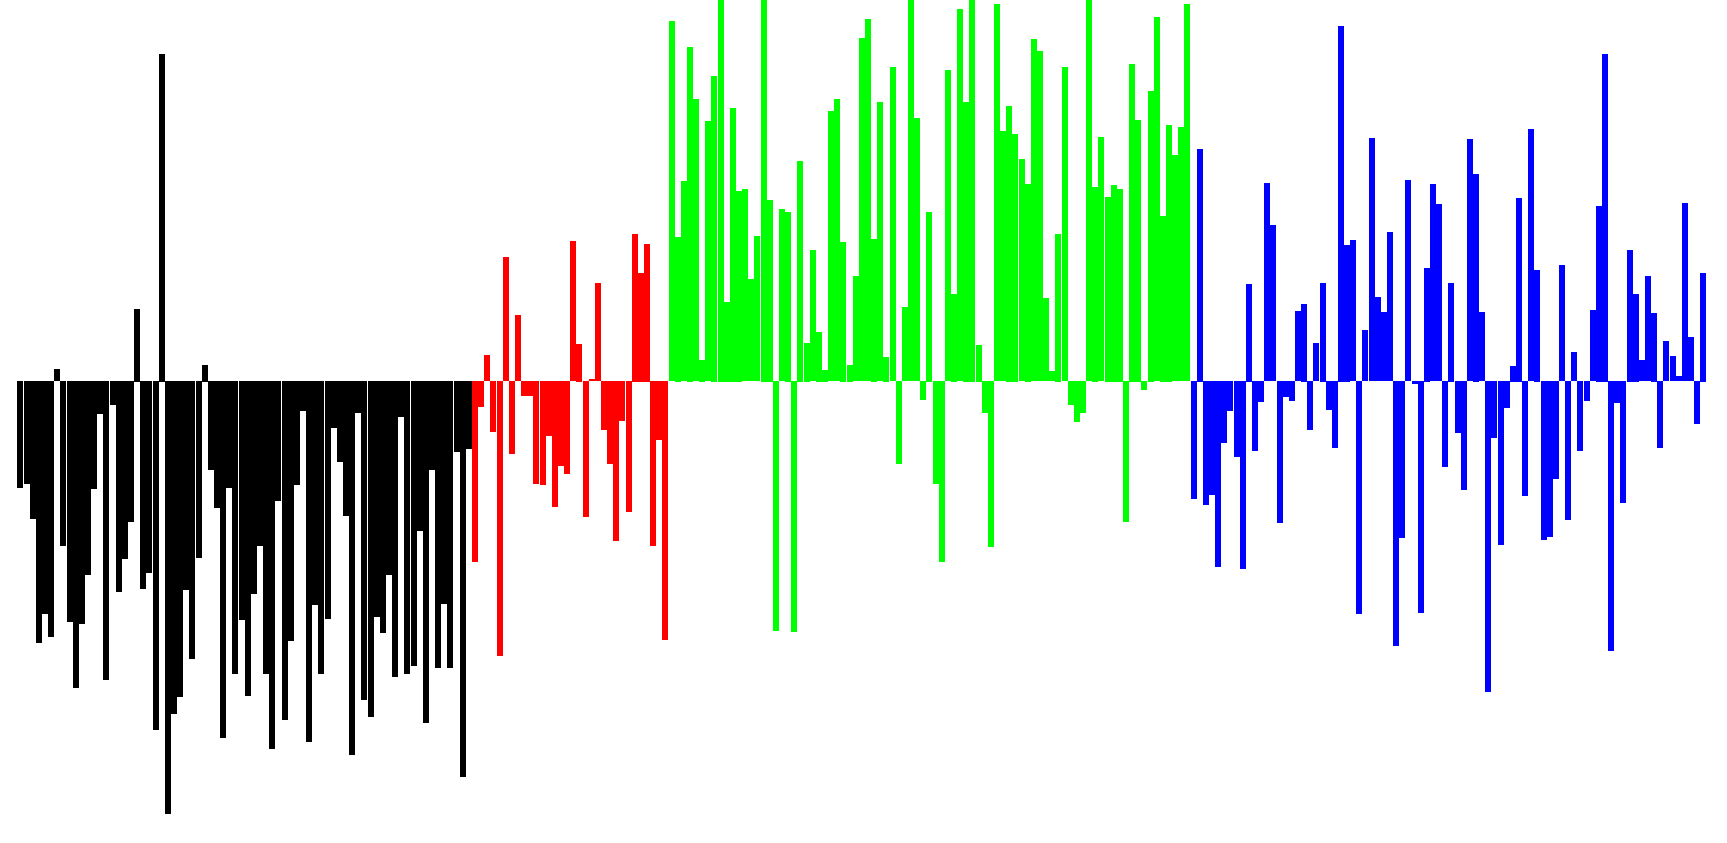

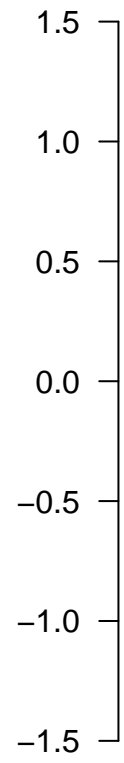

Expression of membrane depolarization in Spot K

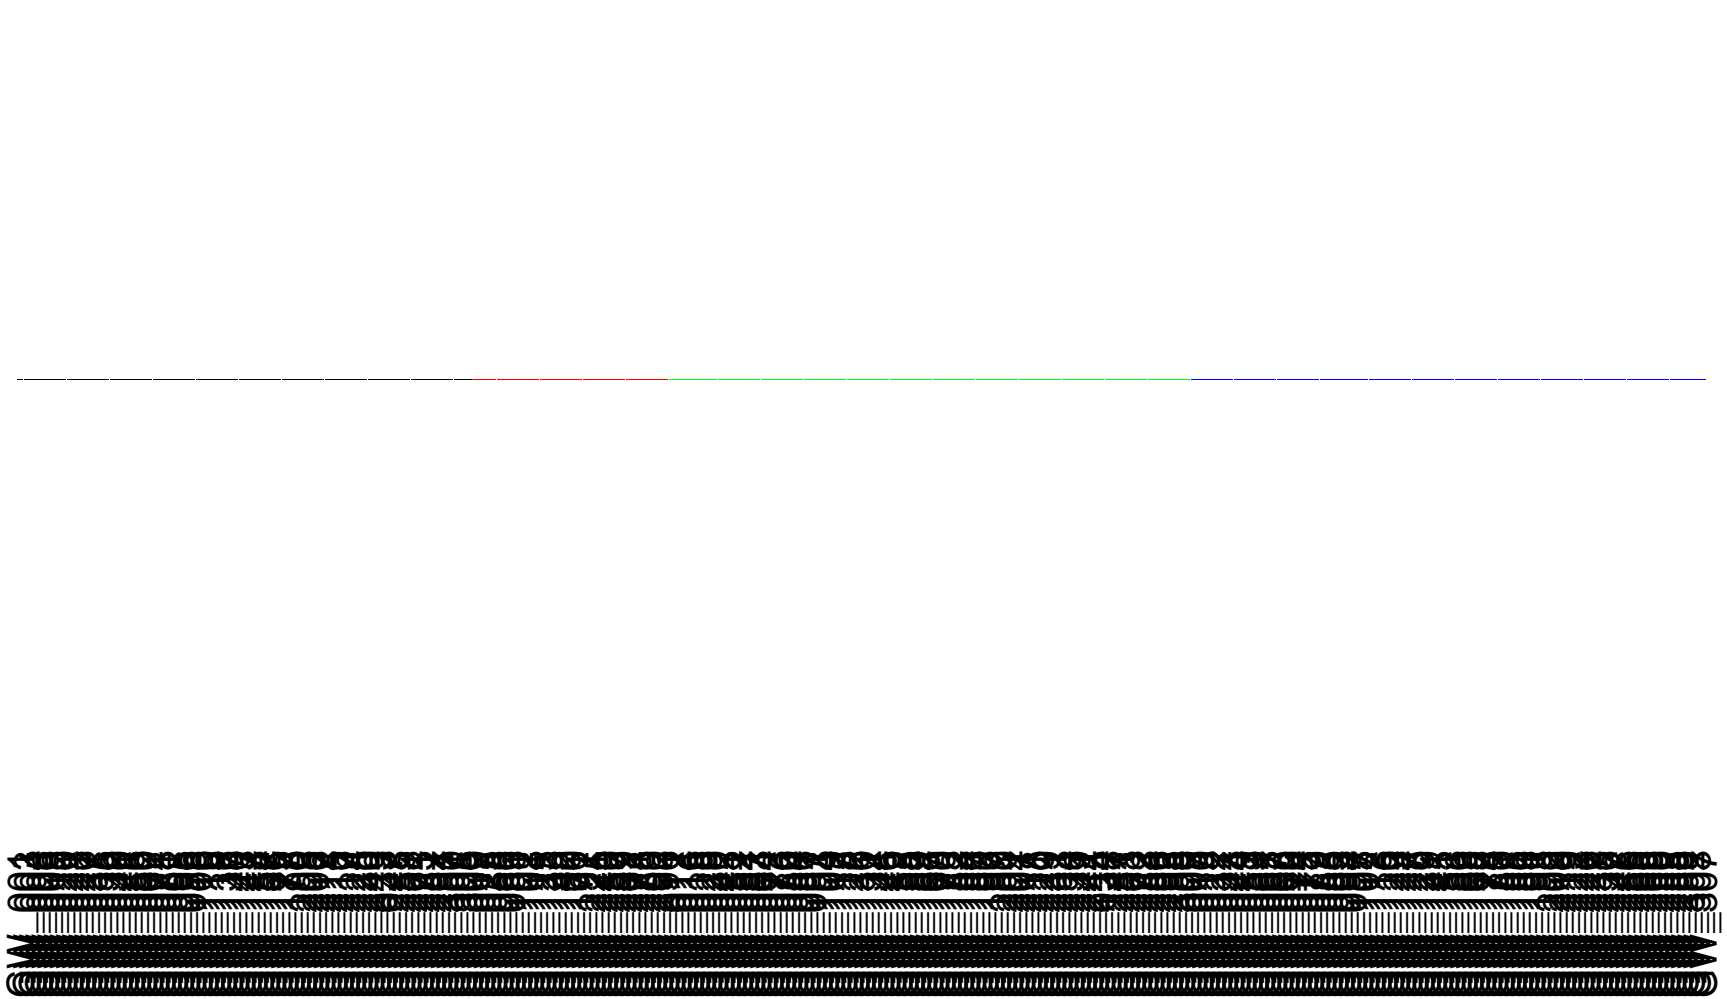

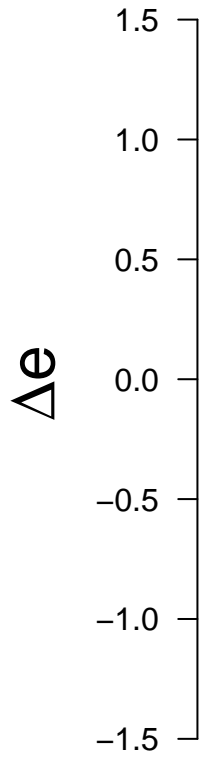

Expression of membrane depolarization in Spot L

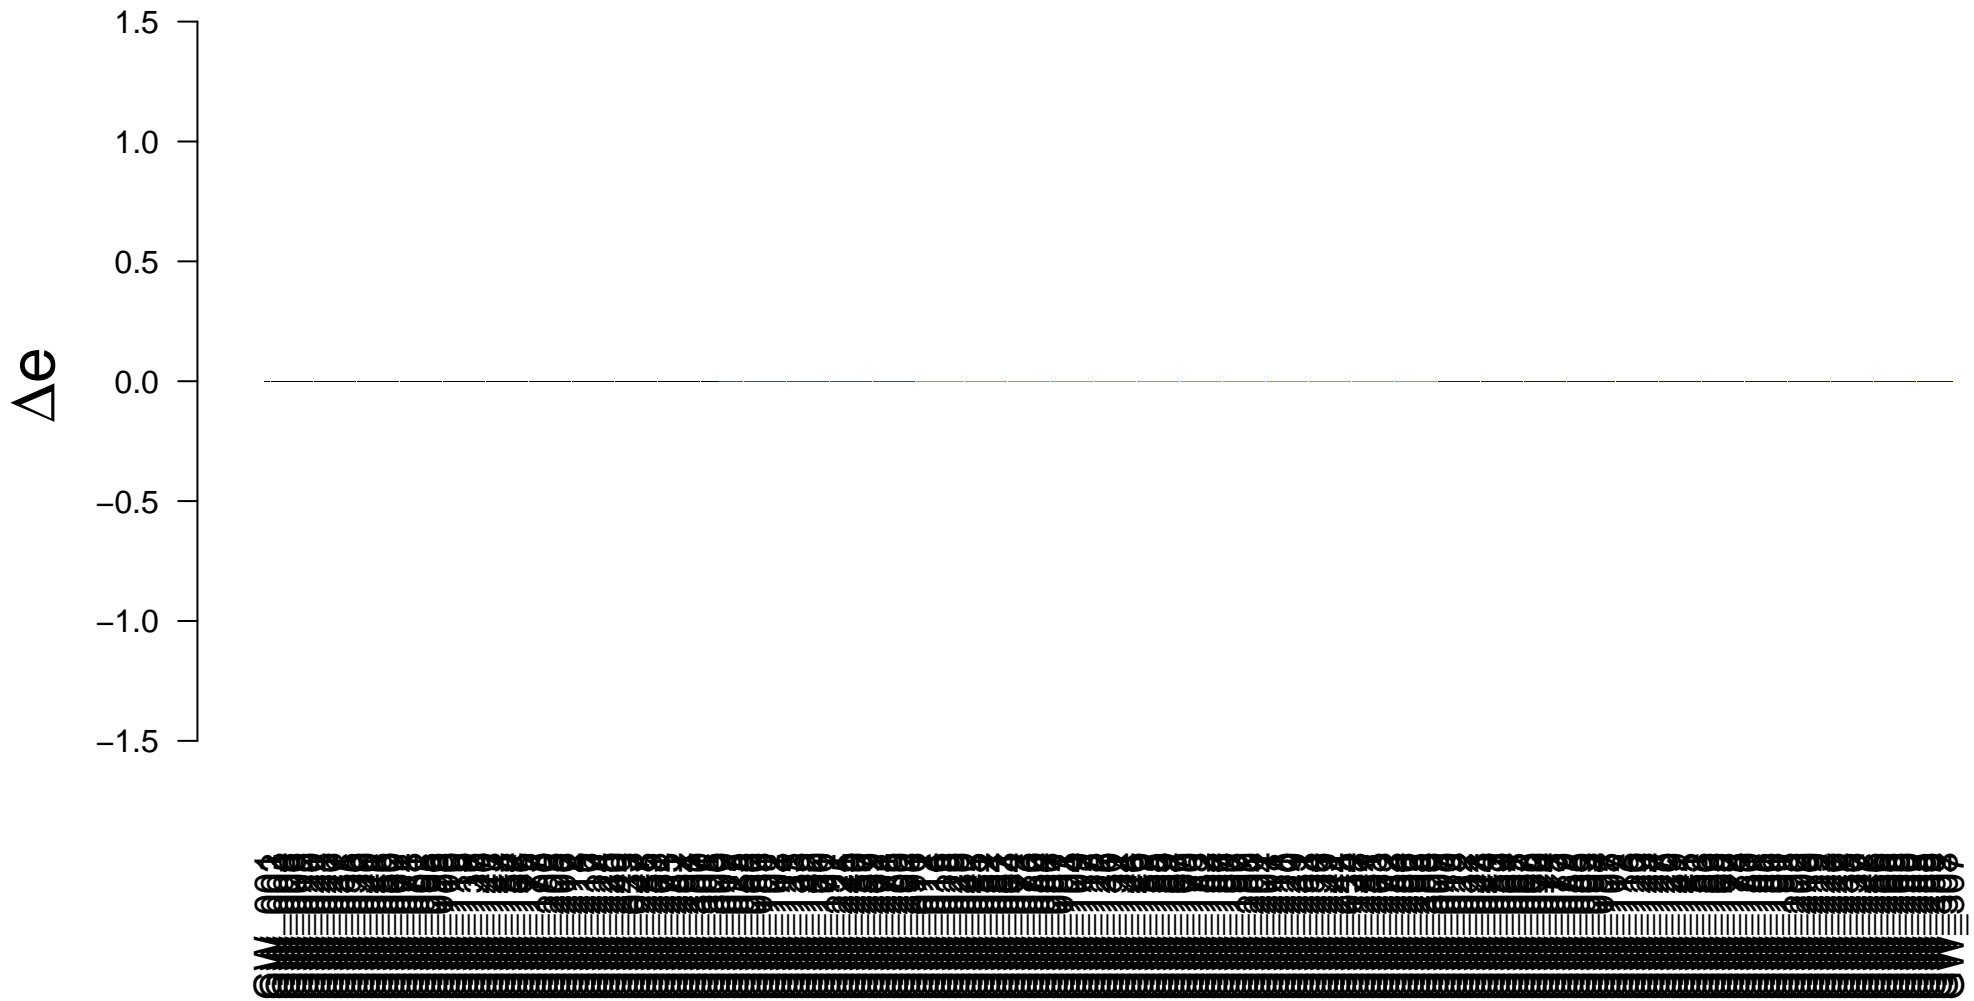

Δe

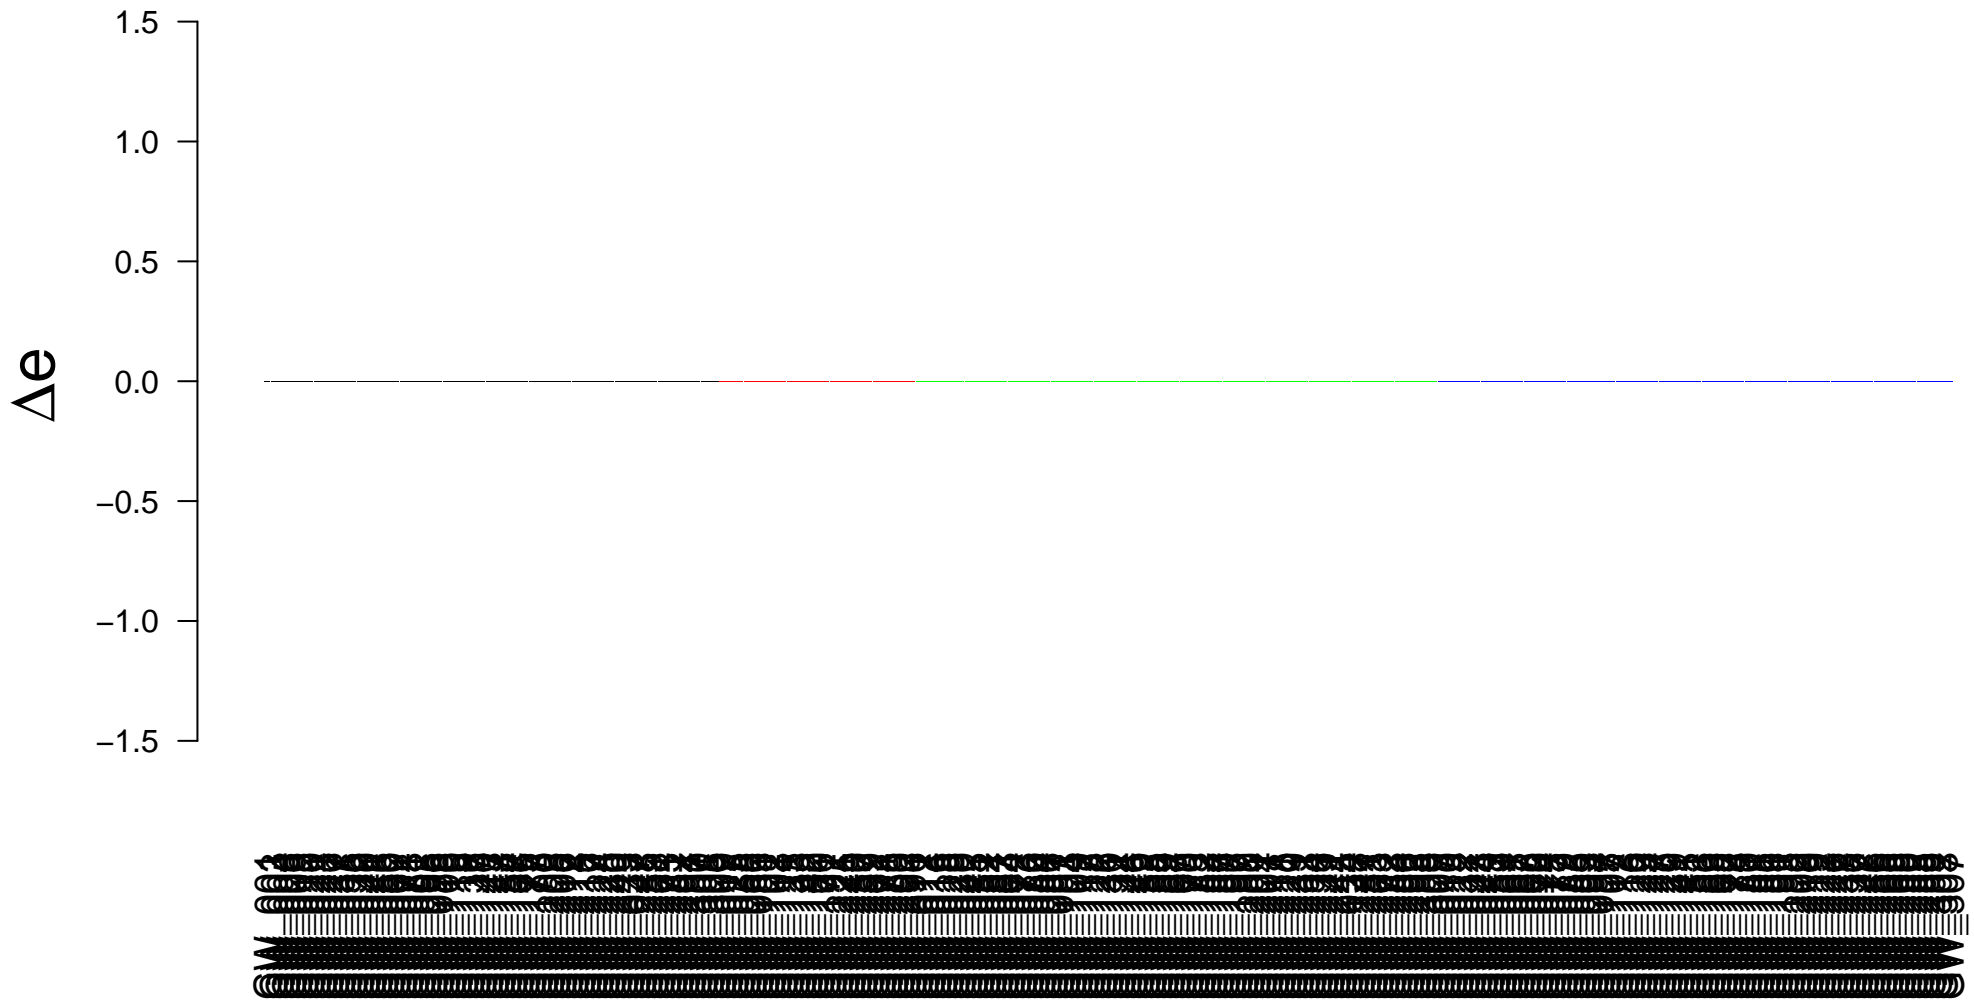

Expression of membrane depolarization in Spot M

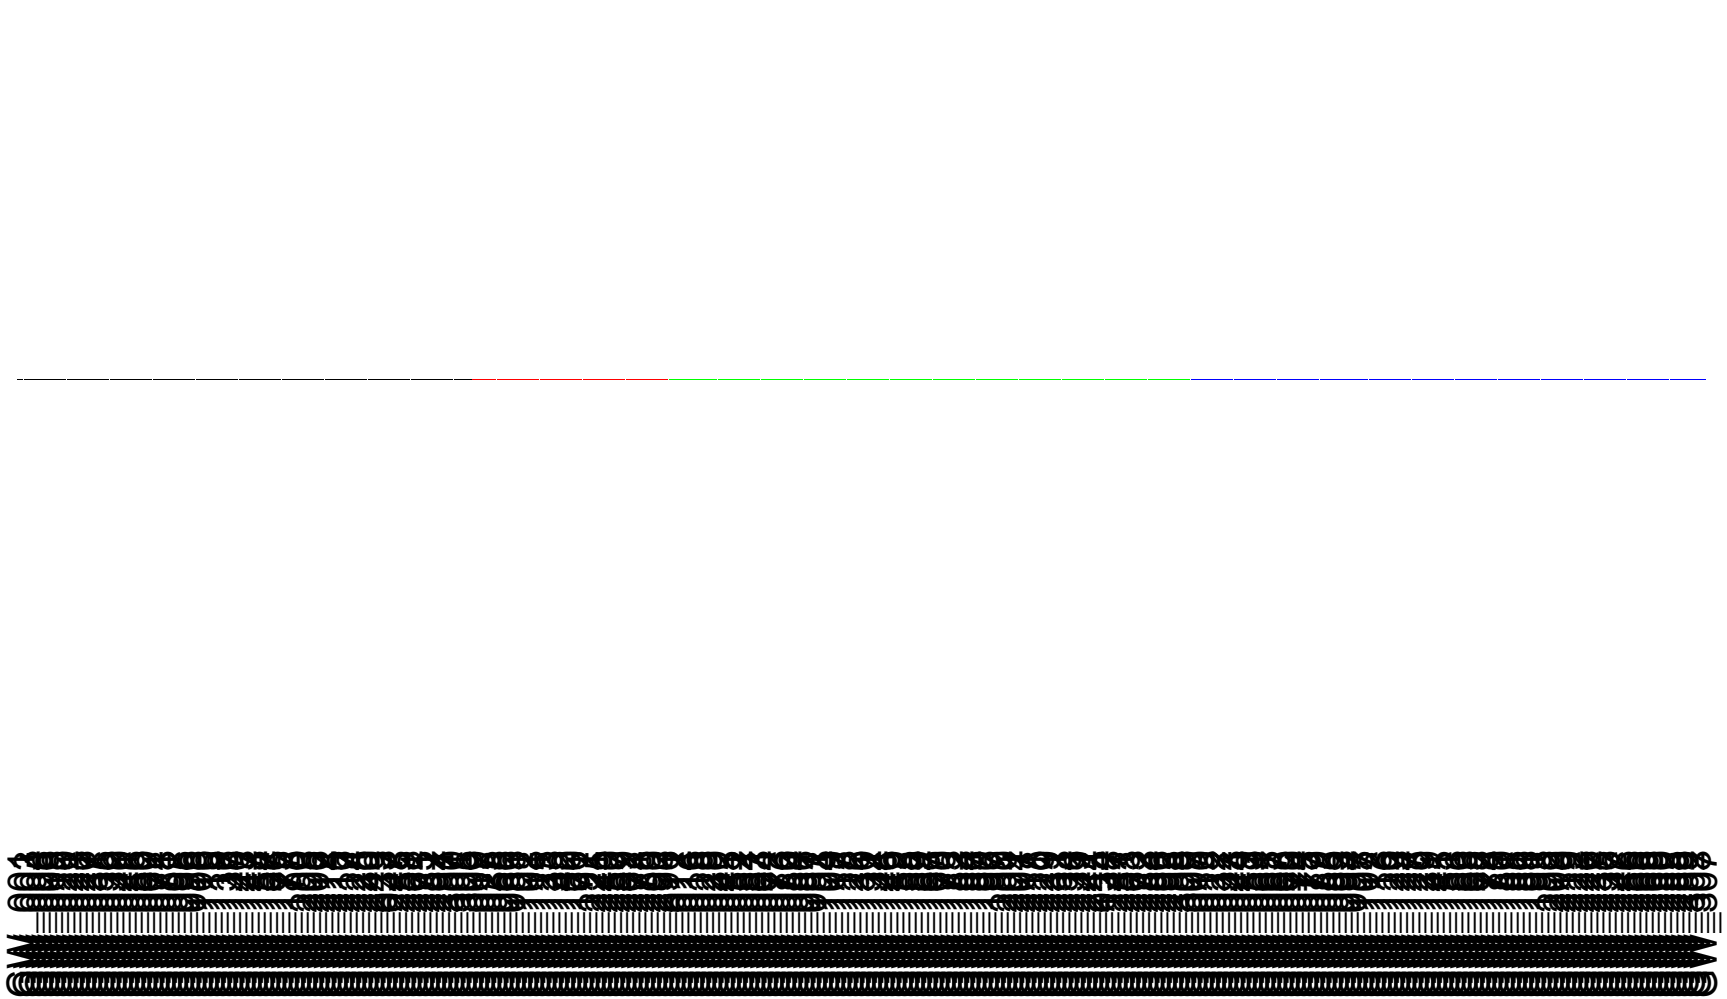

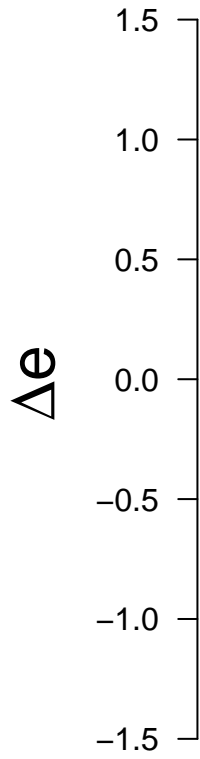

Expression of membrane depolarization in Spot N

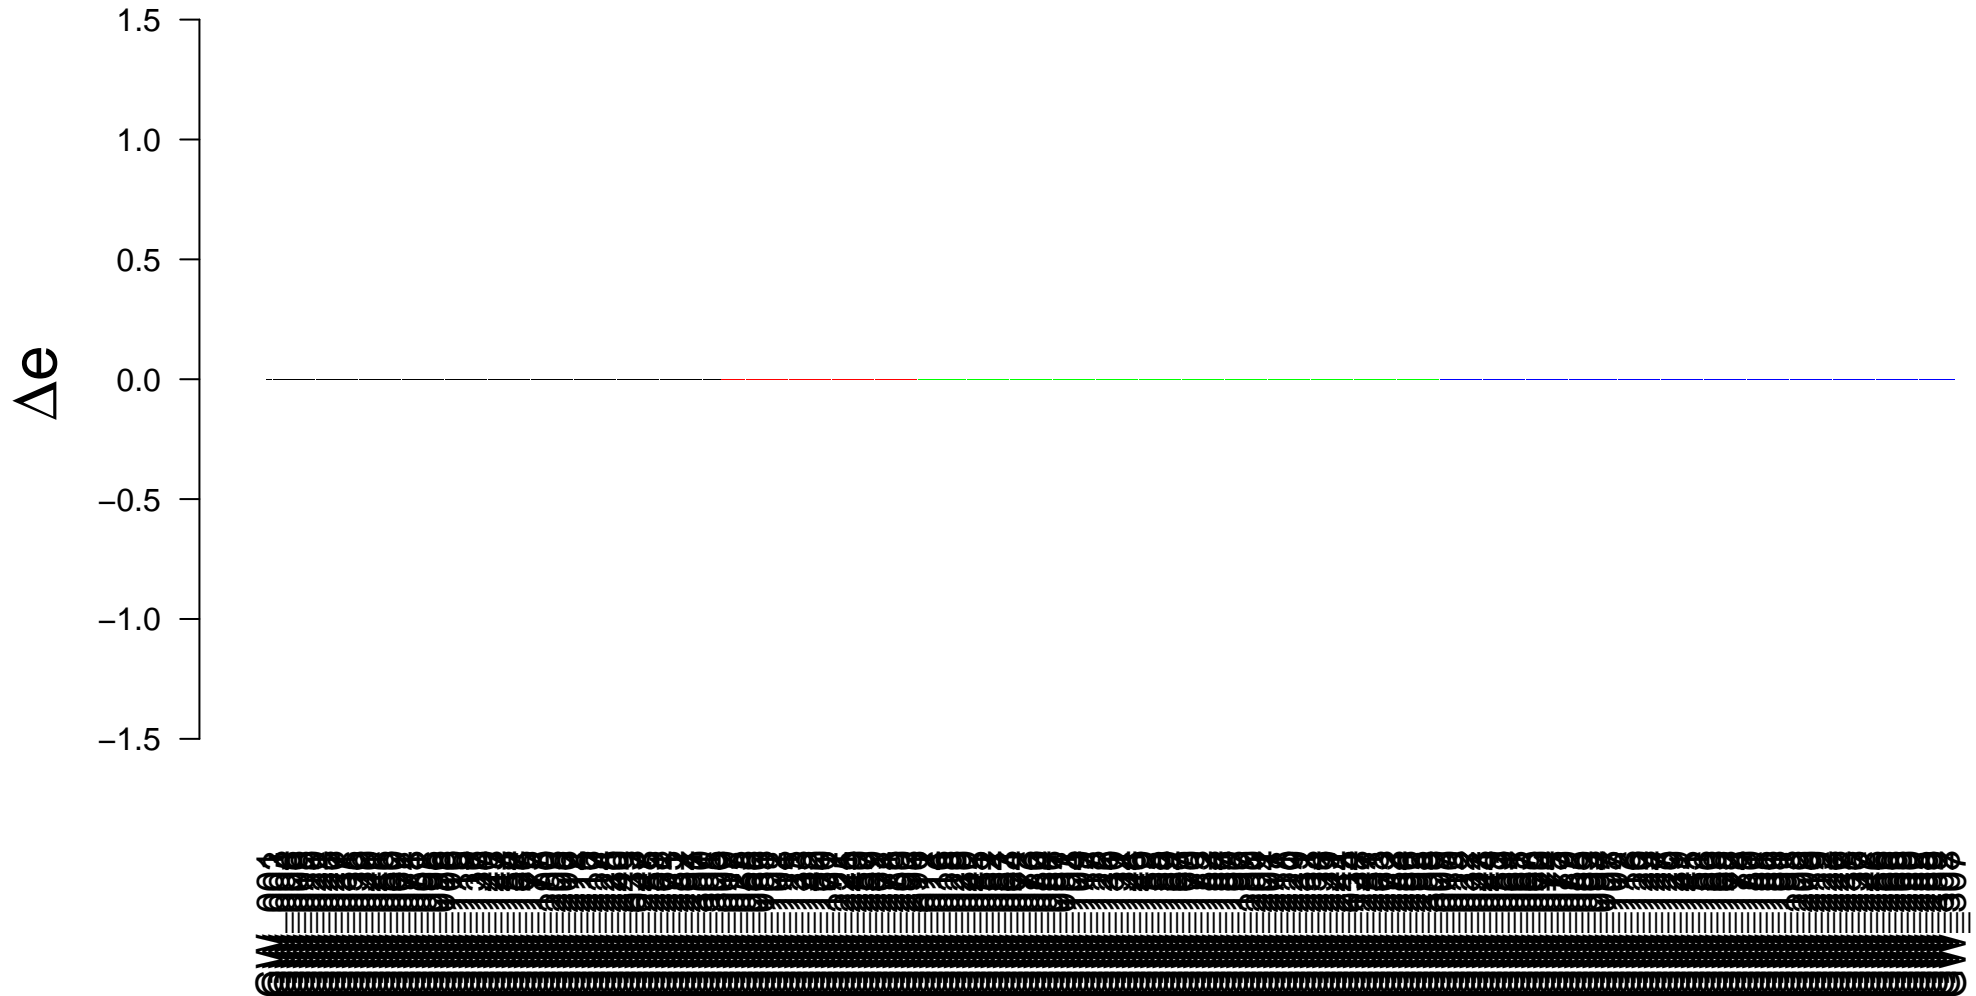

Expression of membrane depolarization in Spot O

Expression of membrane depolarization in Spot P

Expression of membrane depolarization in Spot Q

Expression of membrane depolarization in Spot R
