

membrane protein ectodomain proteolysis

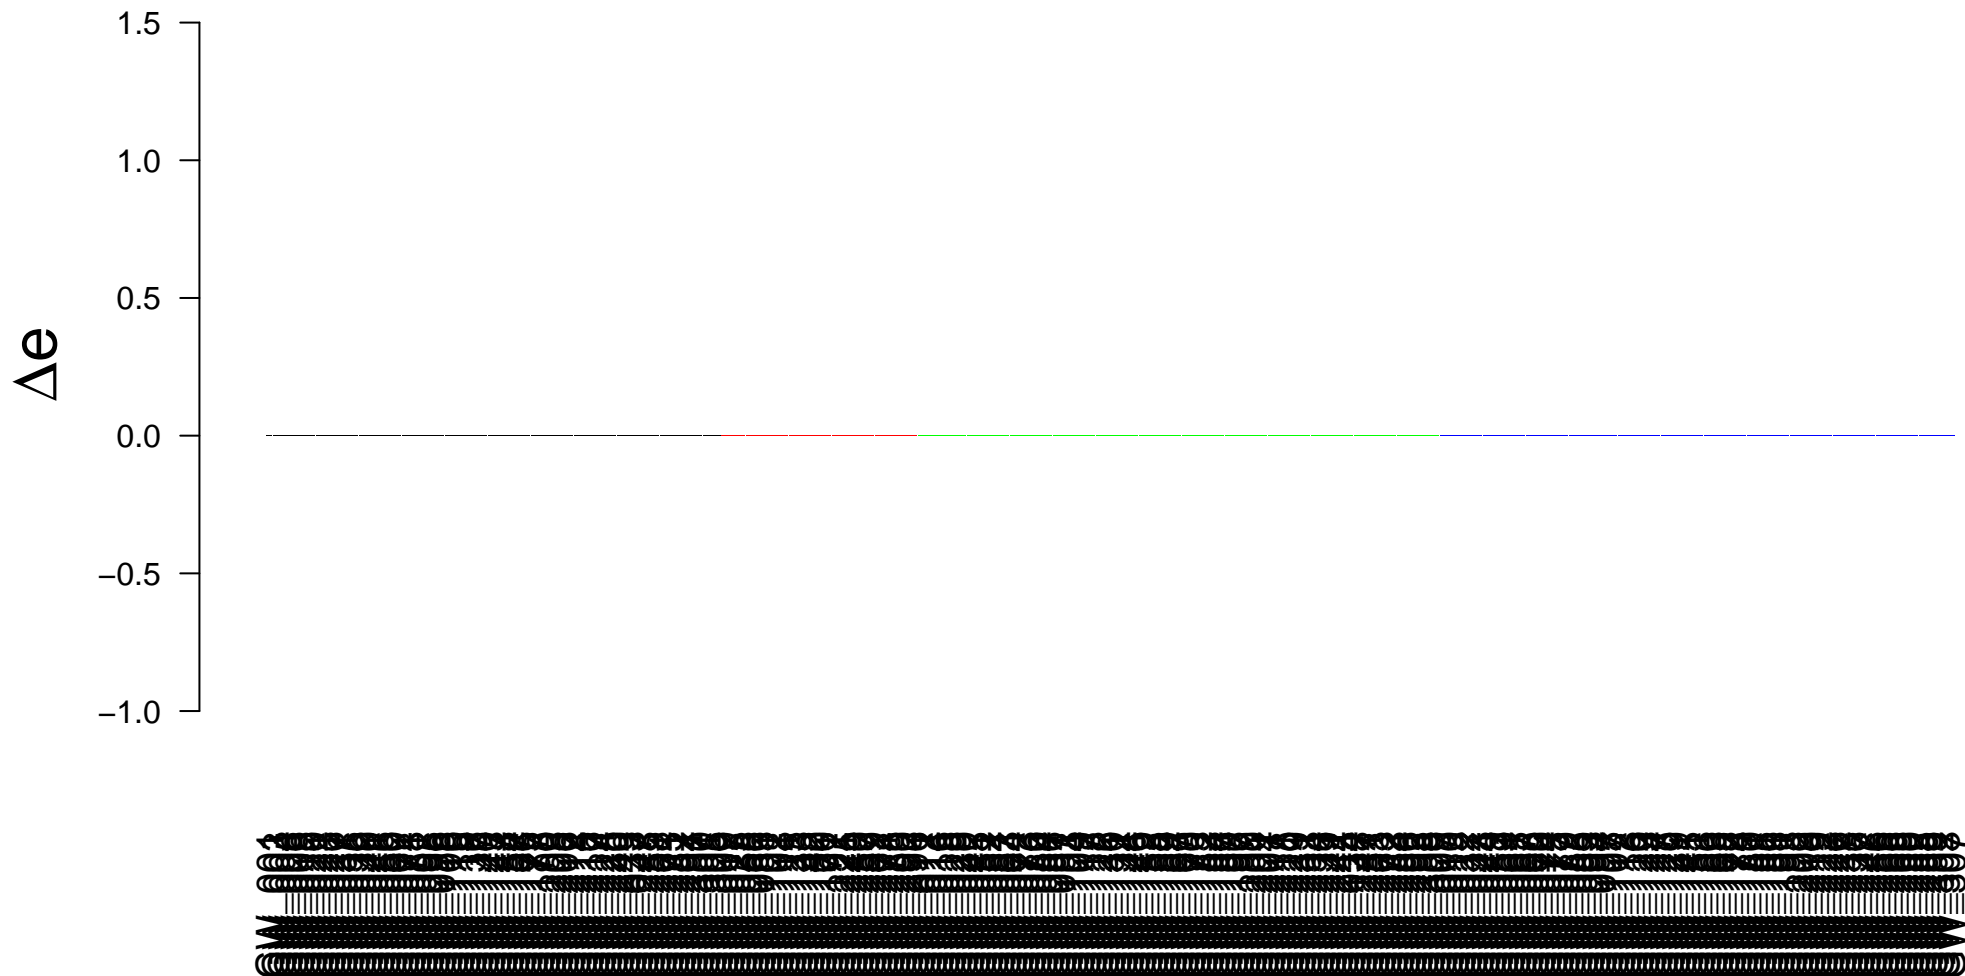

membrane protein ectodomain proteolysis

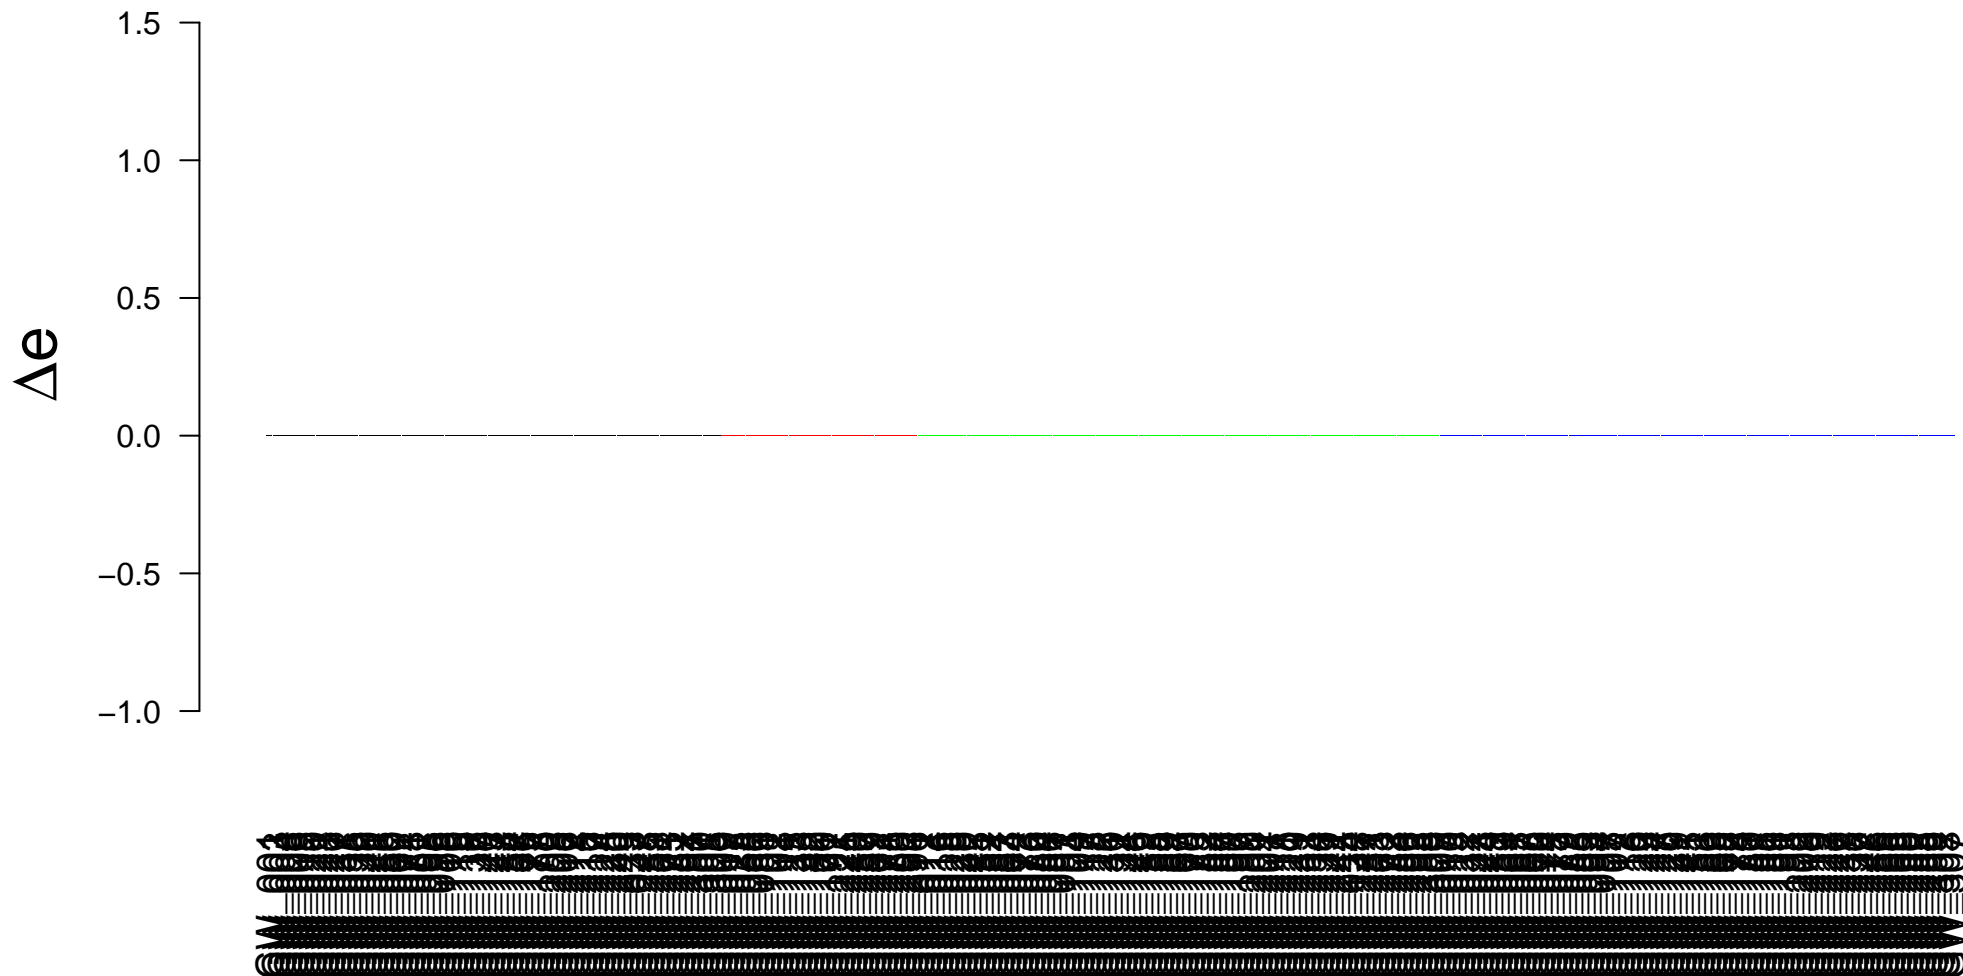

Enrichment in spots: membrane protein ectodomain proteolysis

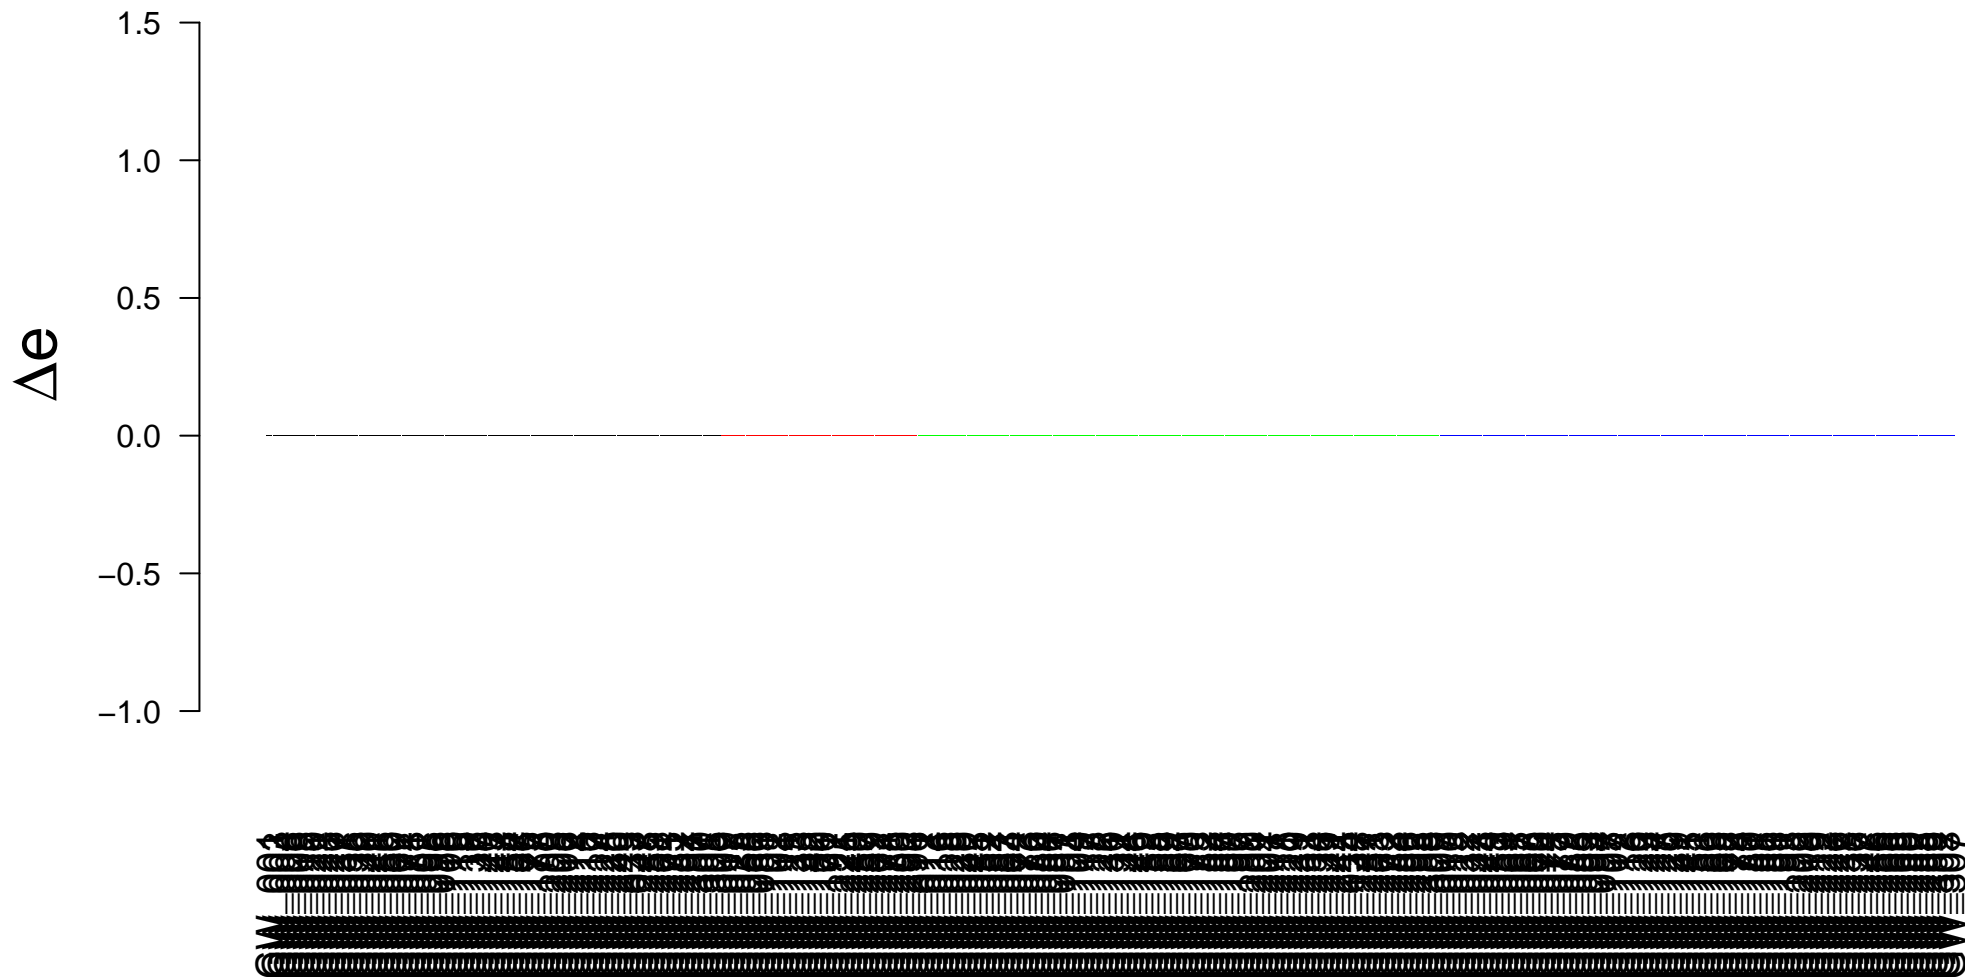

Expression of membrane protein ectodomain proteolysis in Spot A

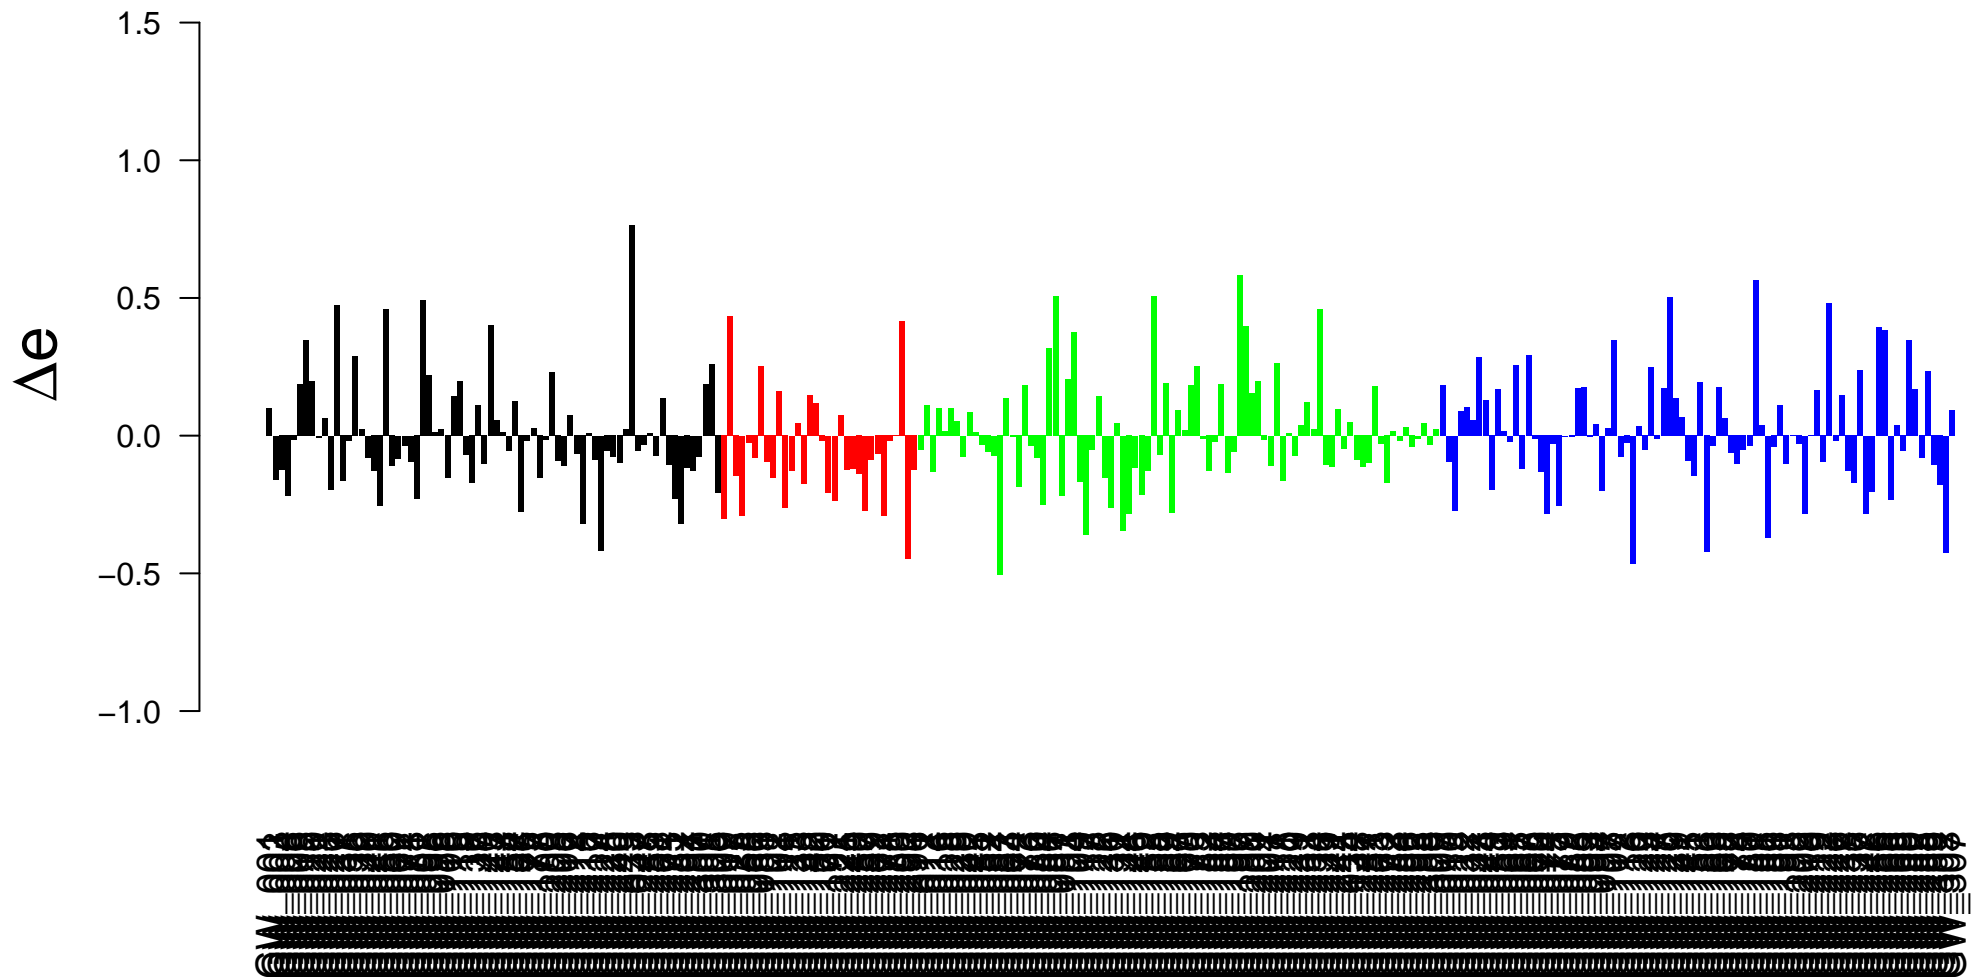

Expression of membrane protein ectodomain proteolysis in Spot B

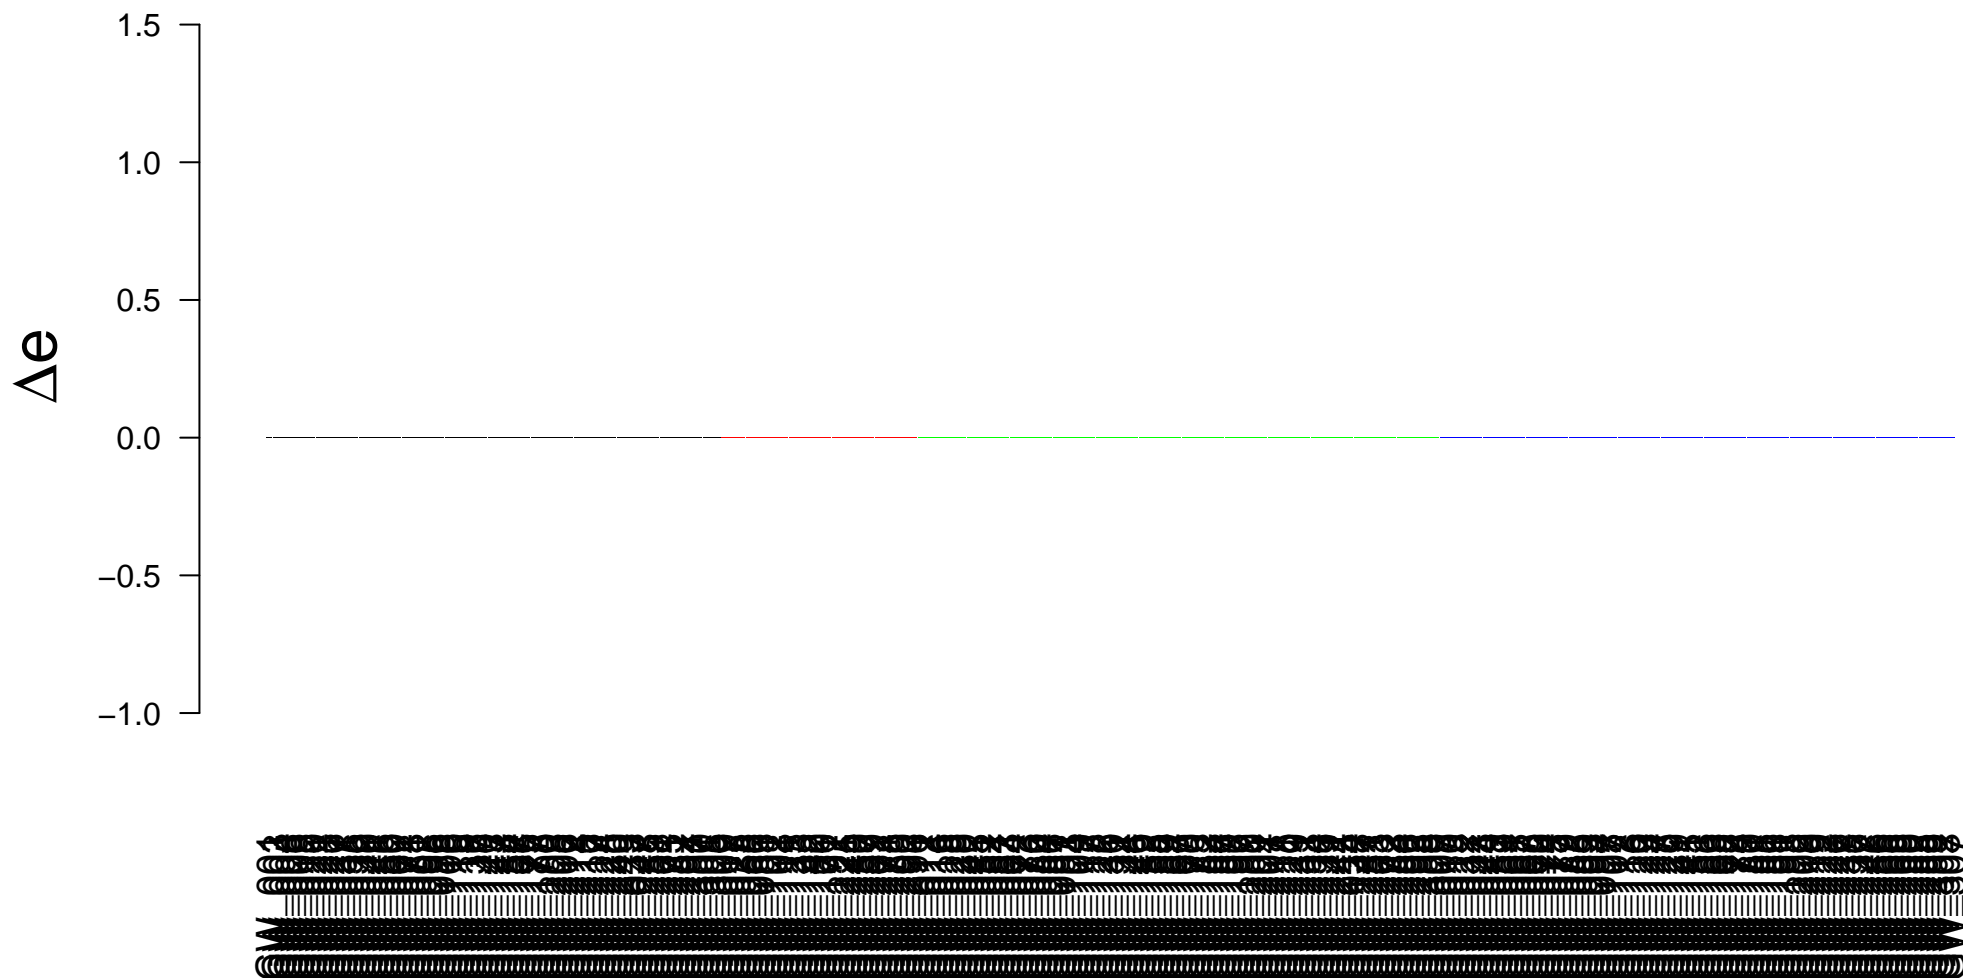

Expression of membrane protein ectodomain proteolysis in Spot C

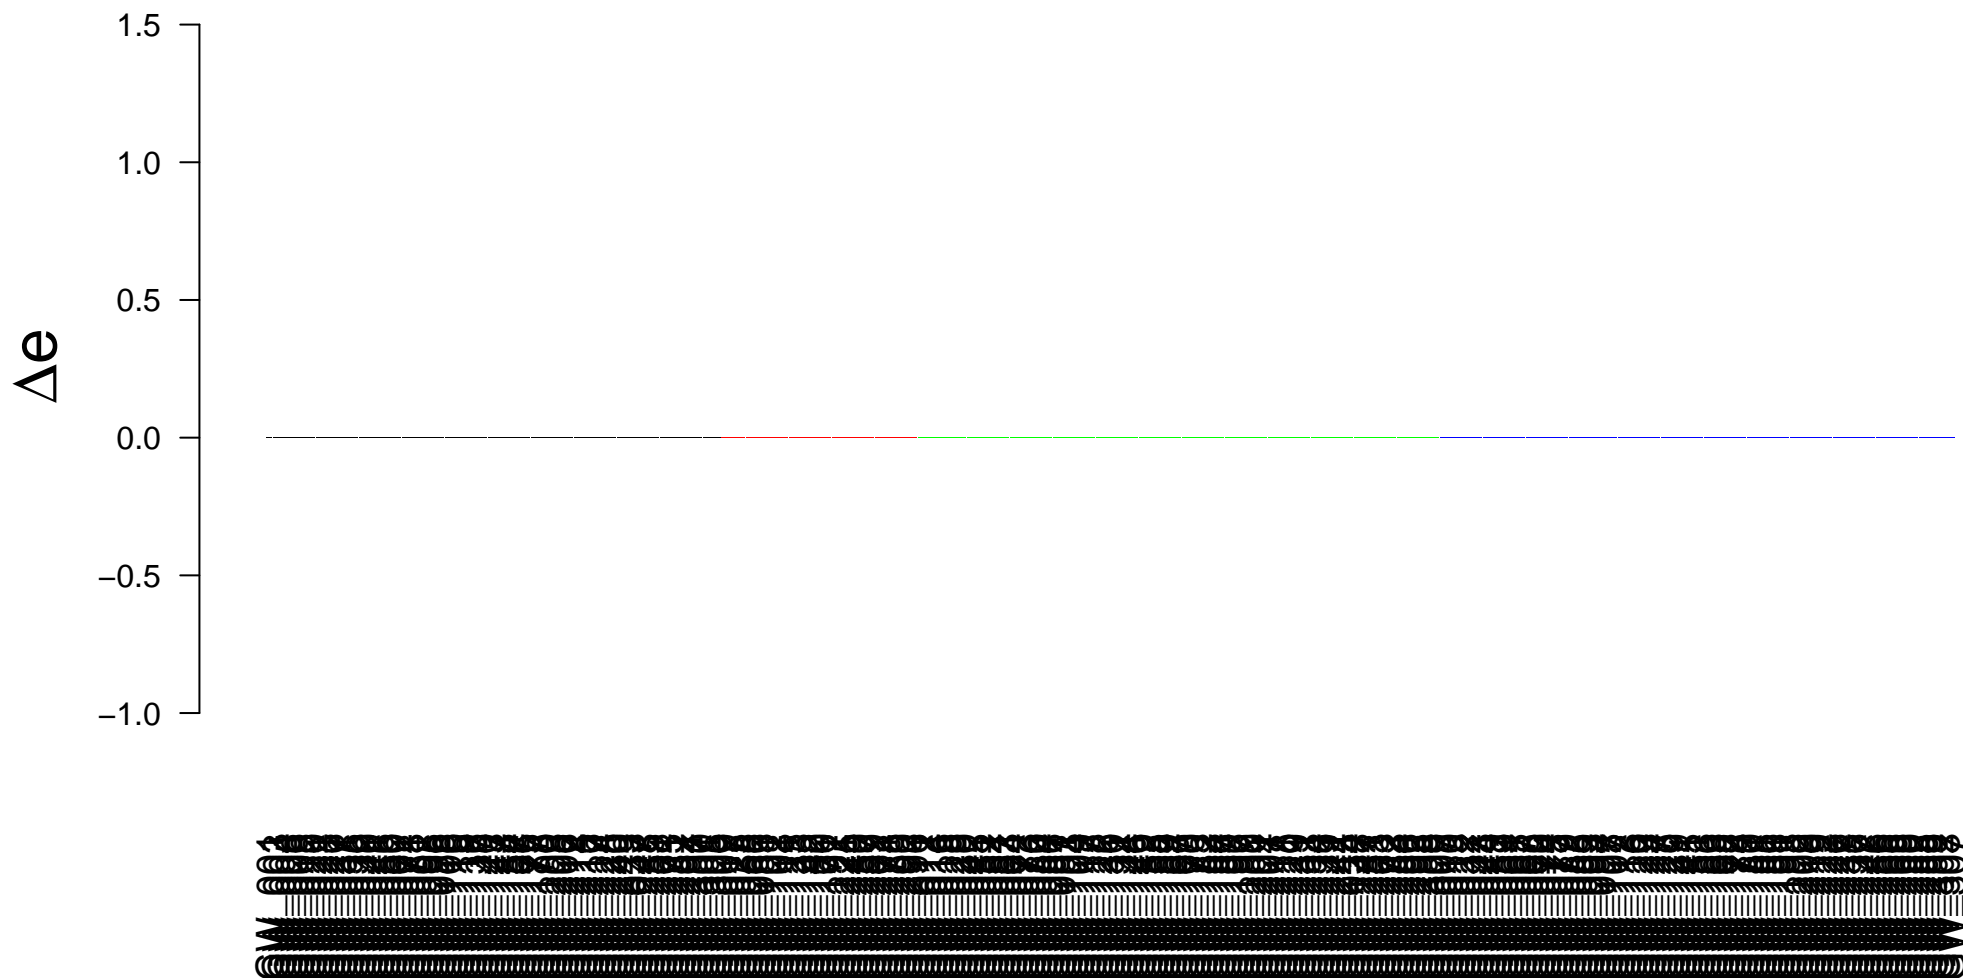

Expression of membrane protein ectodomain proteolysis in Spot D

Expression of membrane protein ectodomain proteolysis in Spot E

Expression of membrane protein ectodomain proteolysis in Spot F

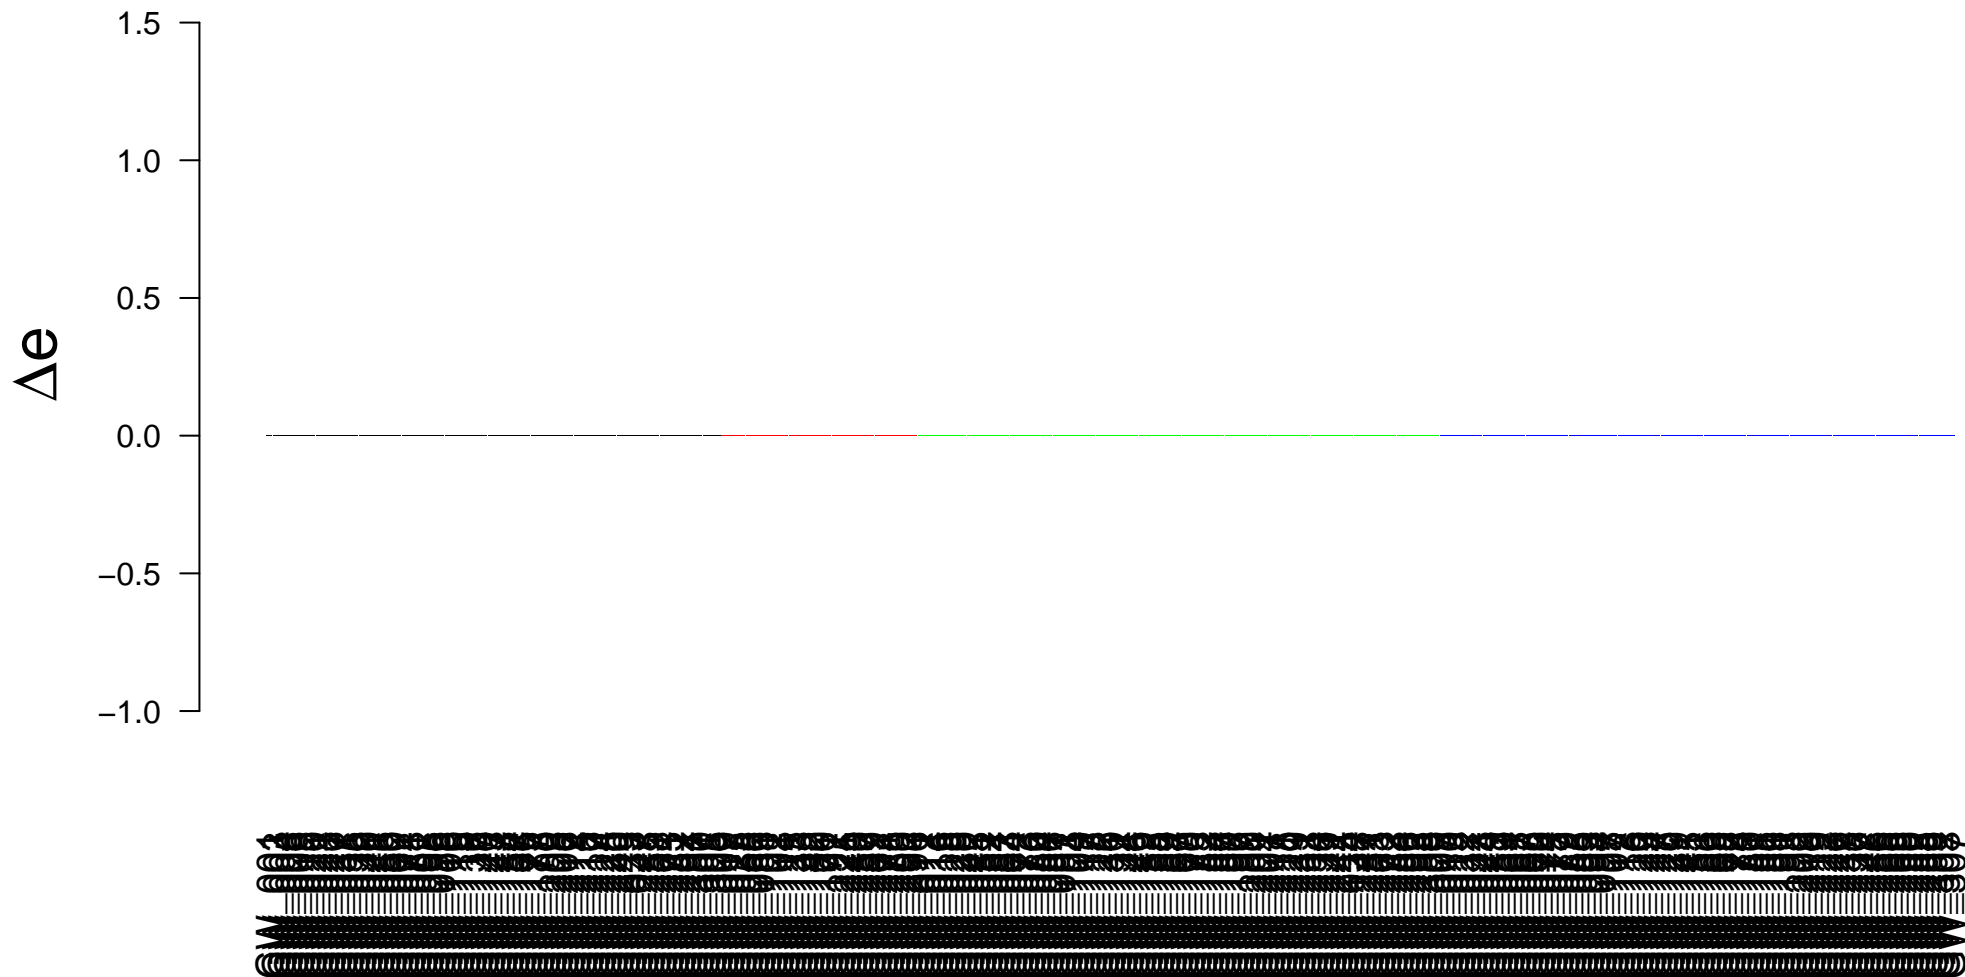

Expression of membrane protein ectodomain proteolysis in Spot G

Expression of membrane protein ectodomain proteolysis in Spot H

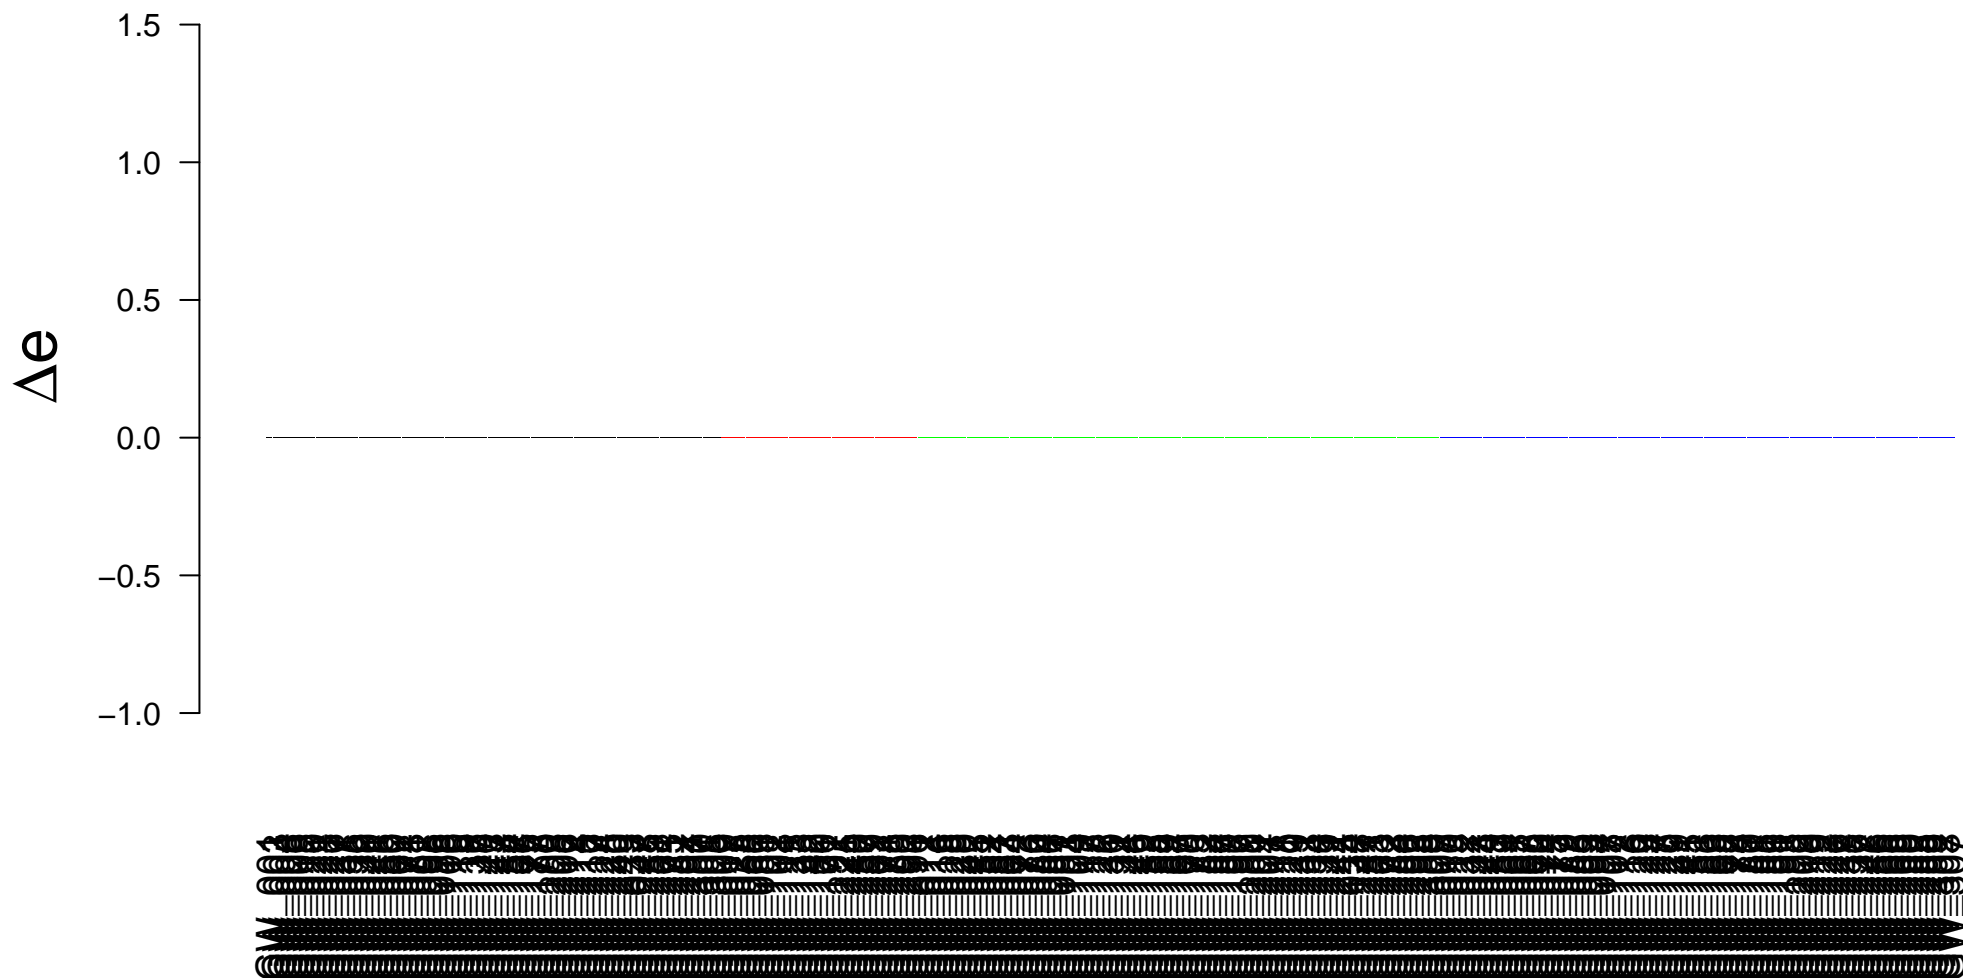

Expression of membrane protein ectodomain proteolysis in Spot I

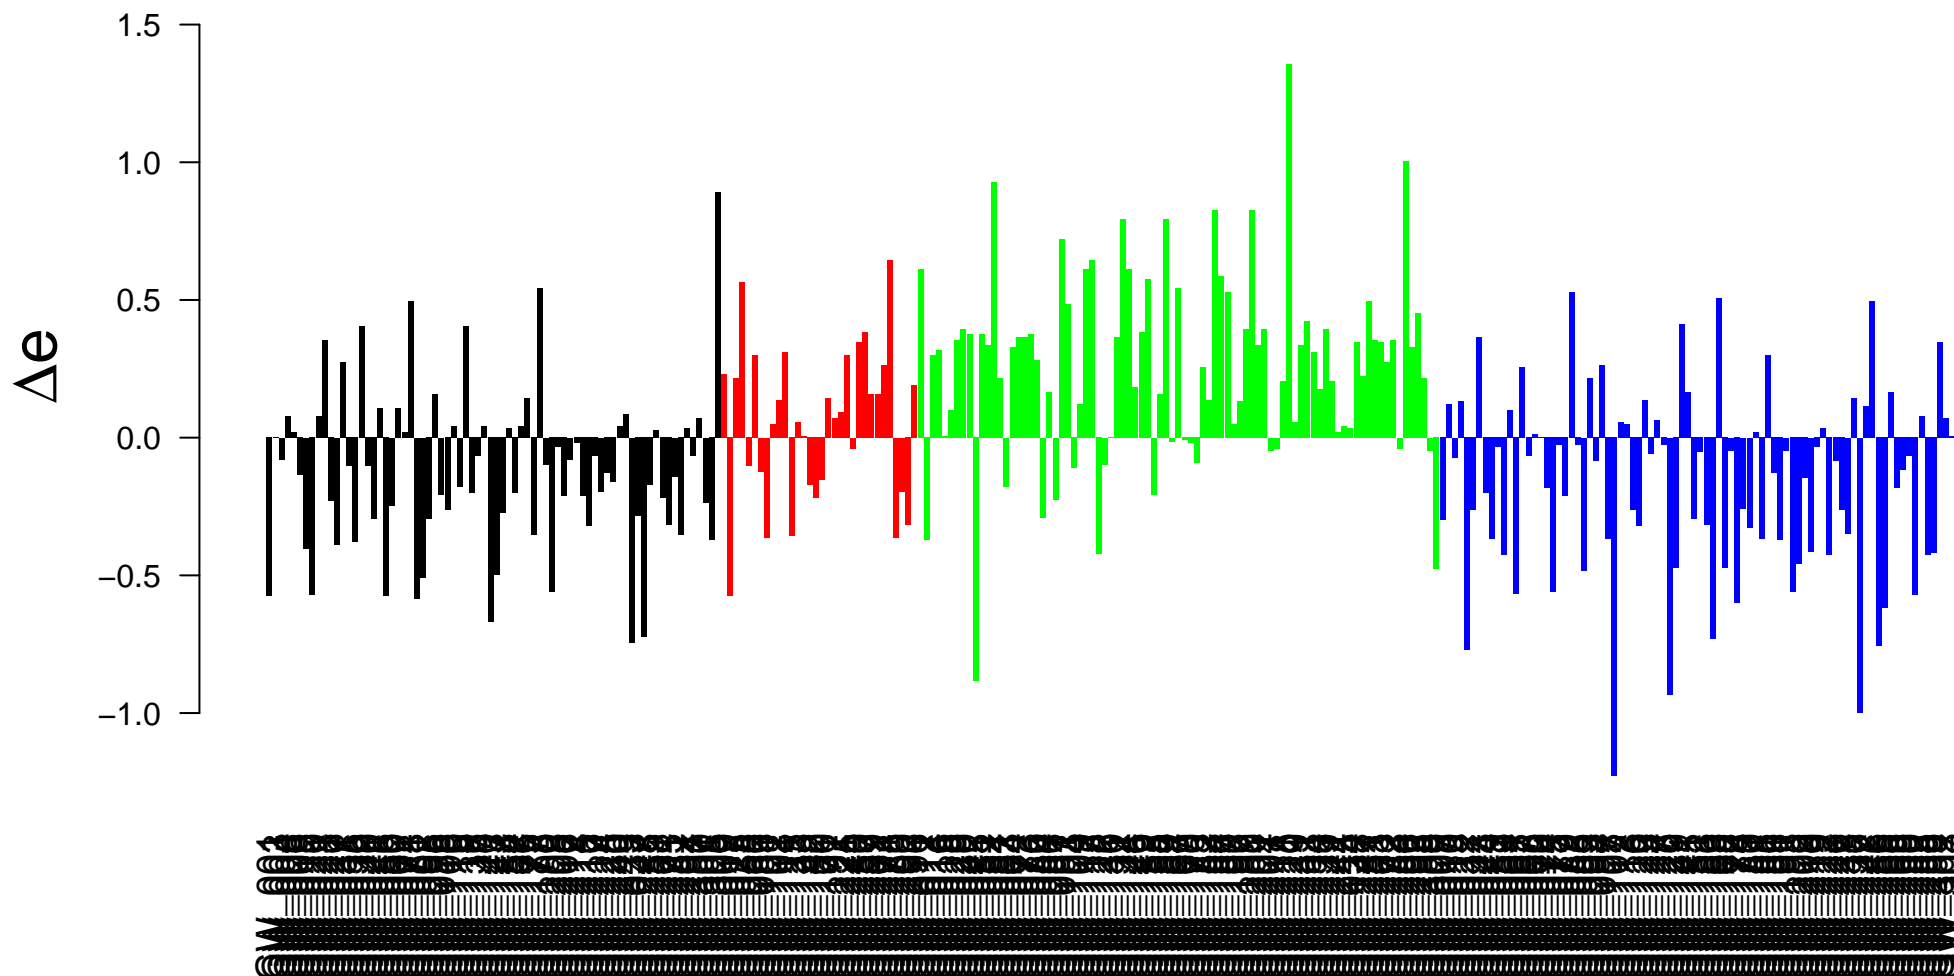

Expression of membrane protein ectodomain proteolysis in Spot J

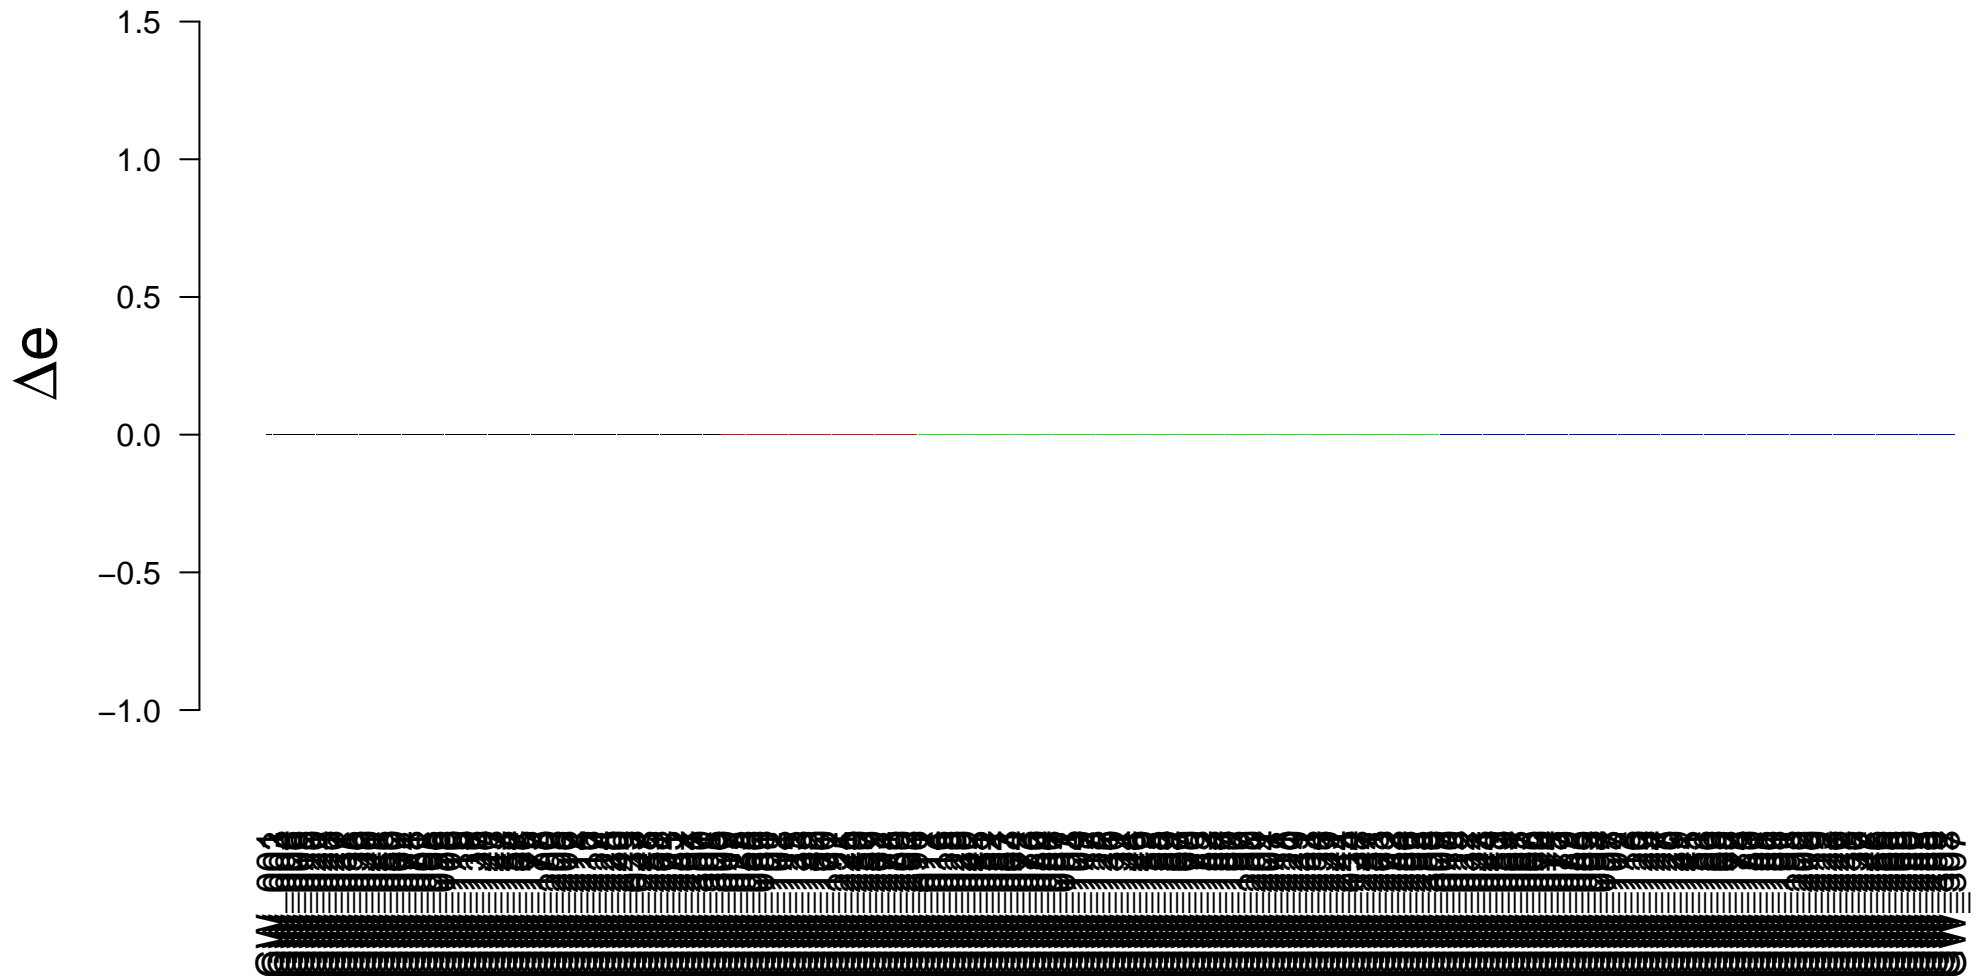

Expression of membrane protein ectodomain proteolysis in Spot K

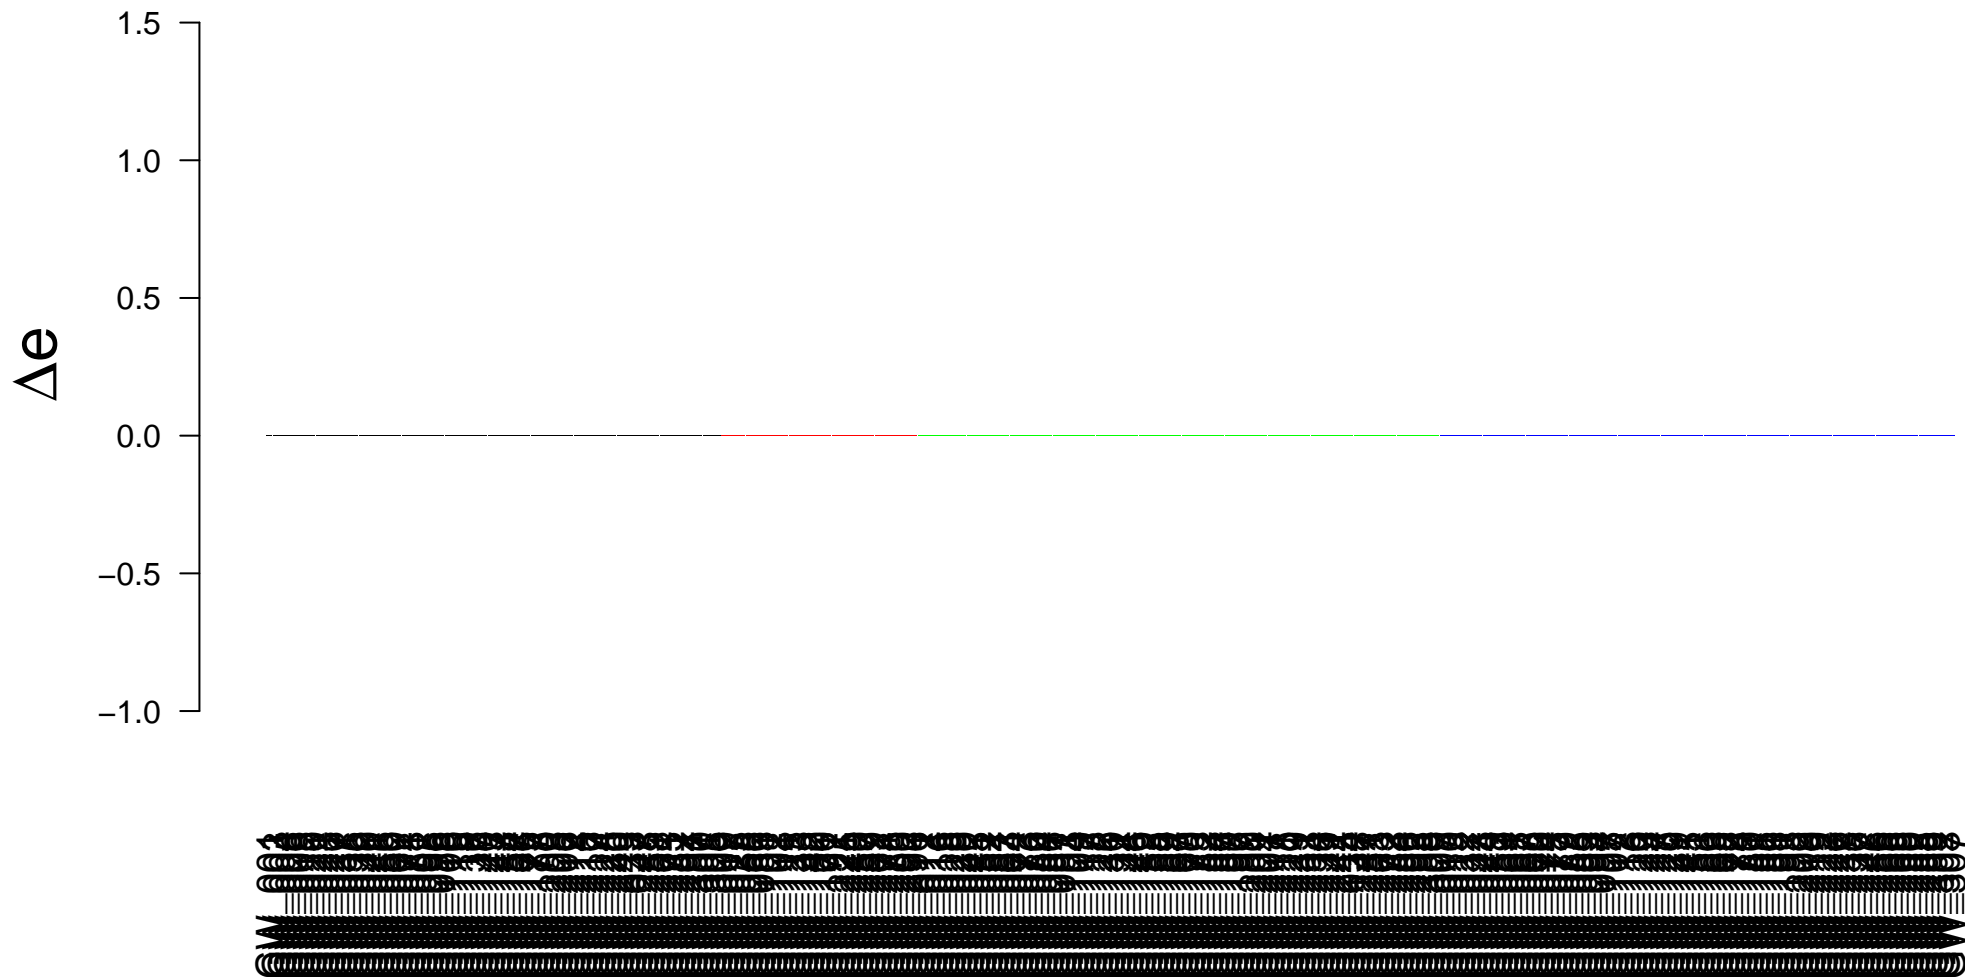

Expression of membrane protein ectodomain proteolysis in Spot L

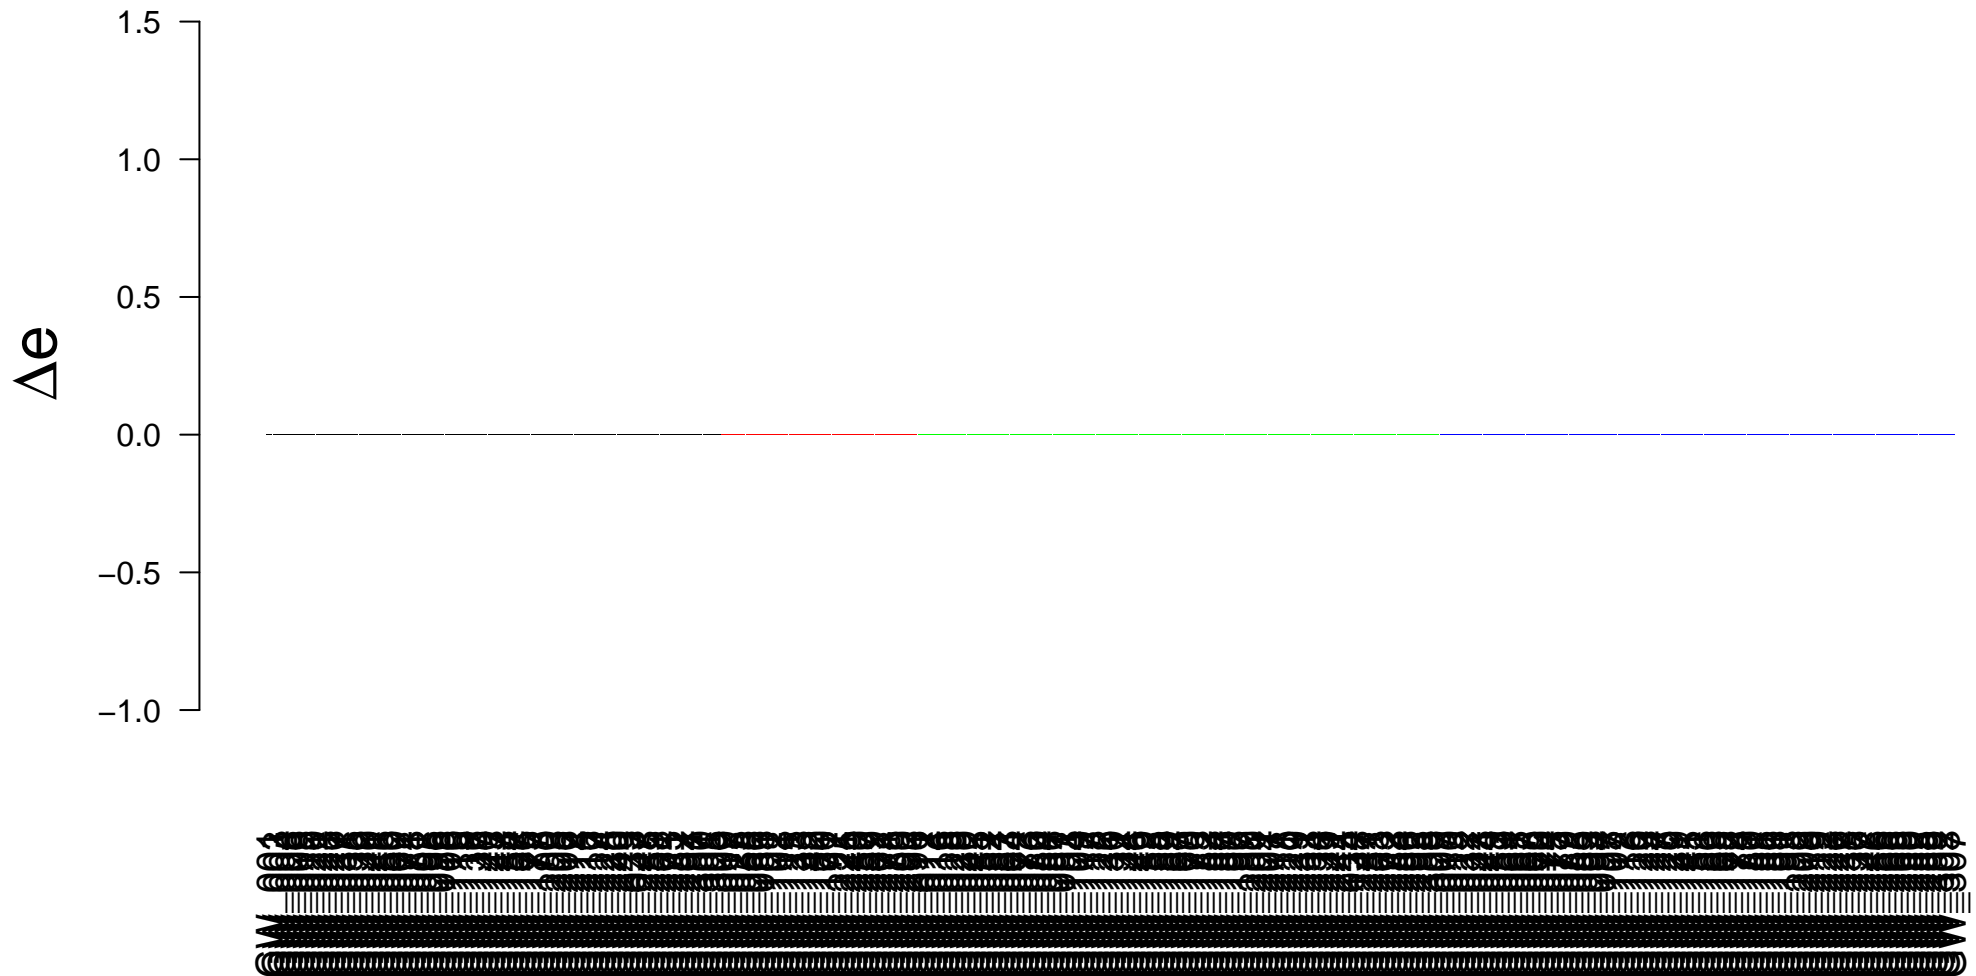

Expression of membrane protein ectodomain proteolysis in Spot M

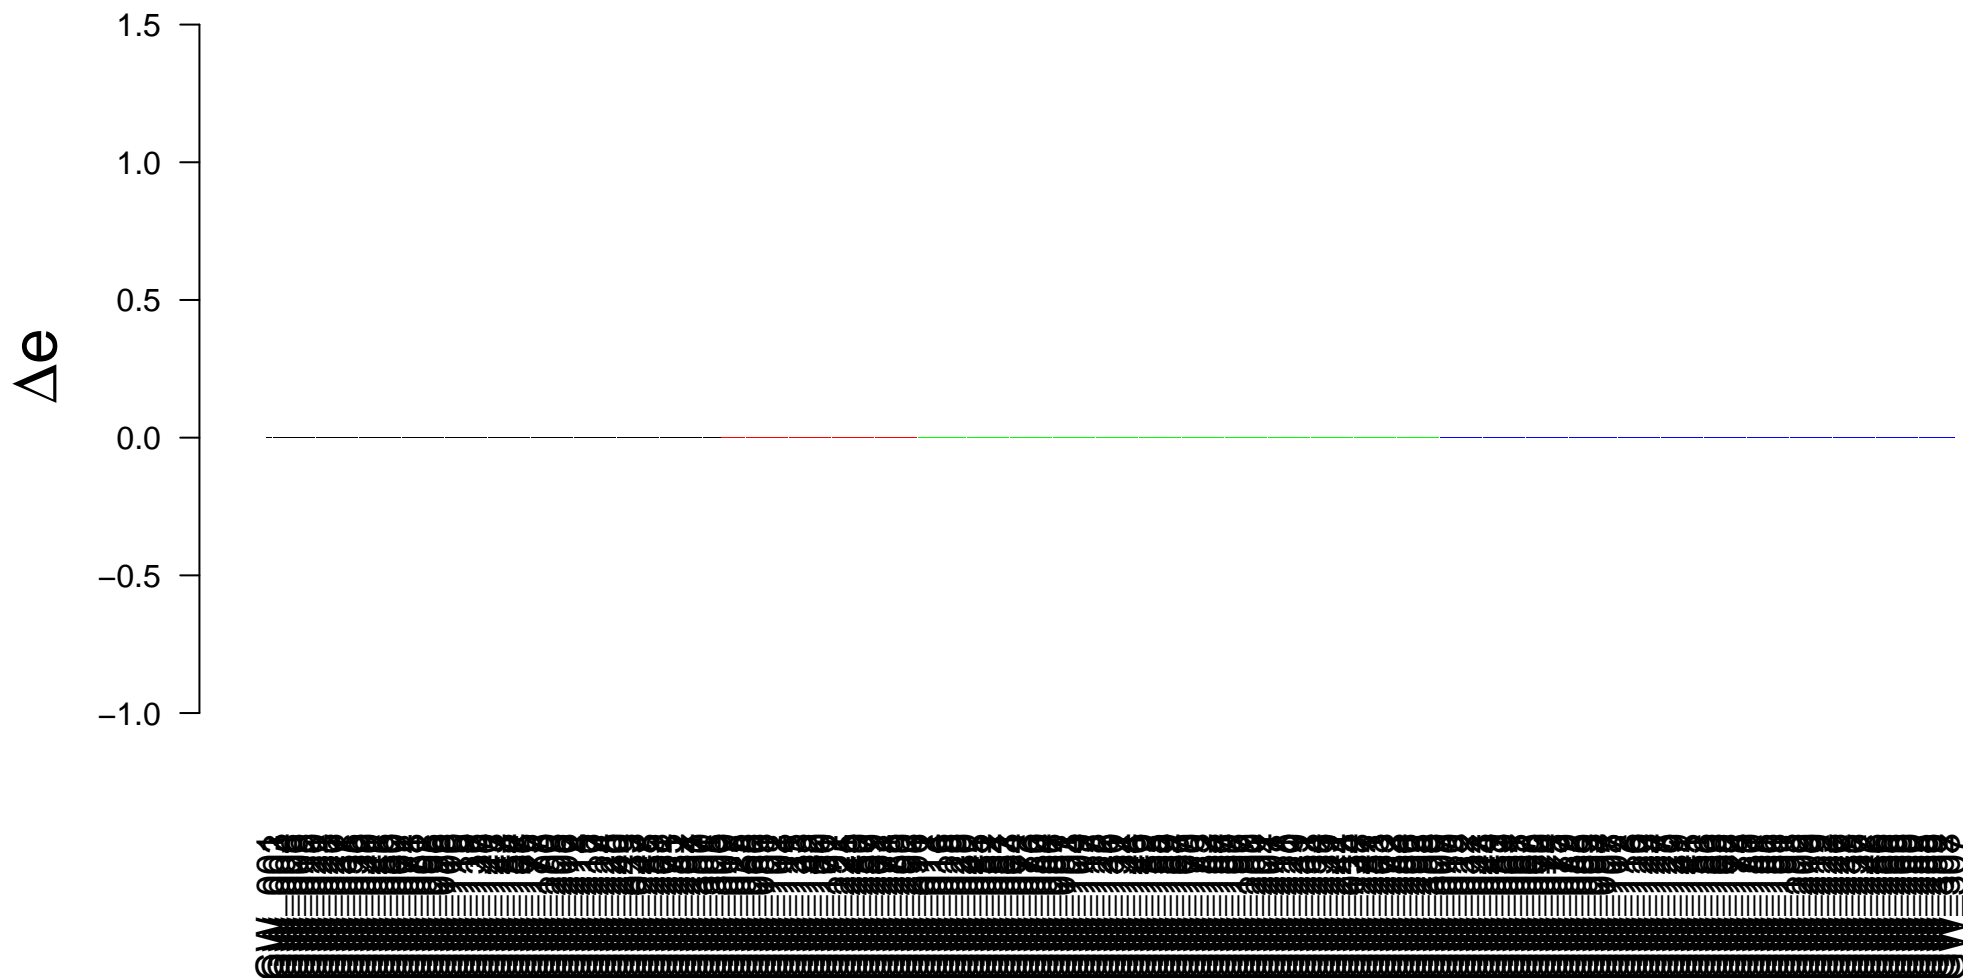

Expression of membrane protein ectodomain proteolysis in Spot N

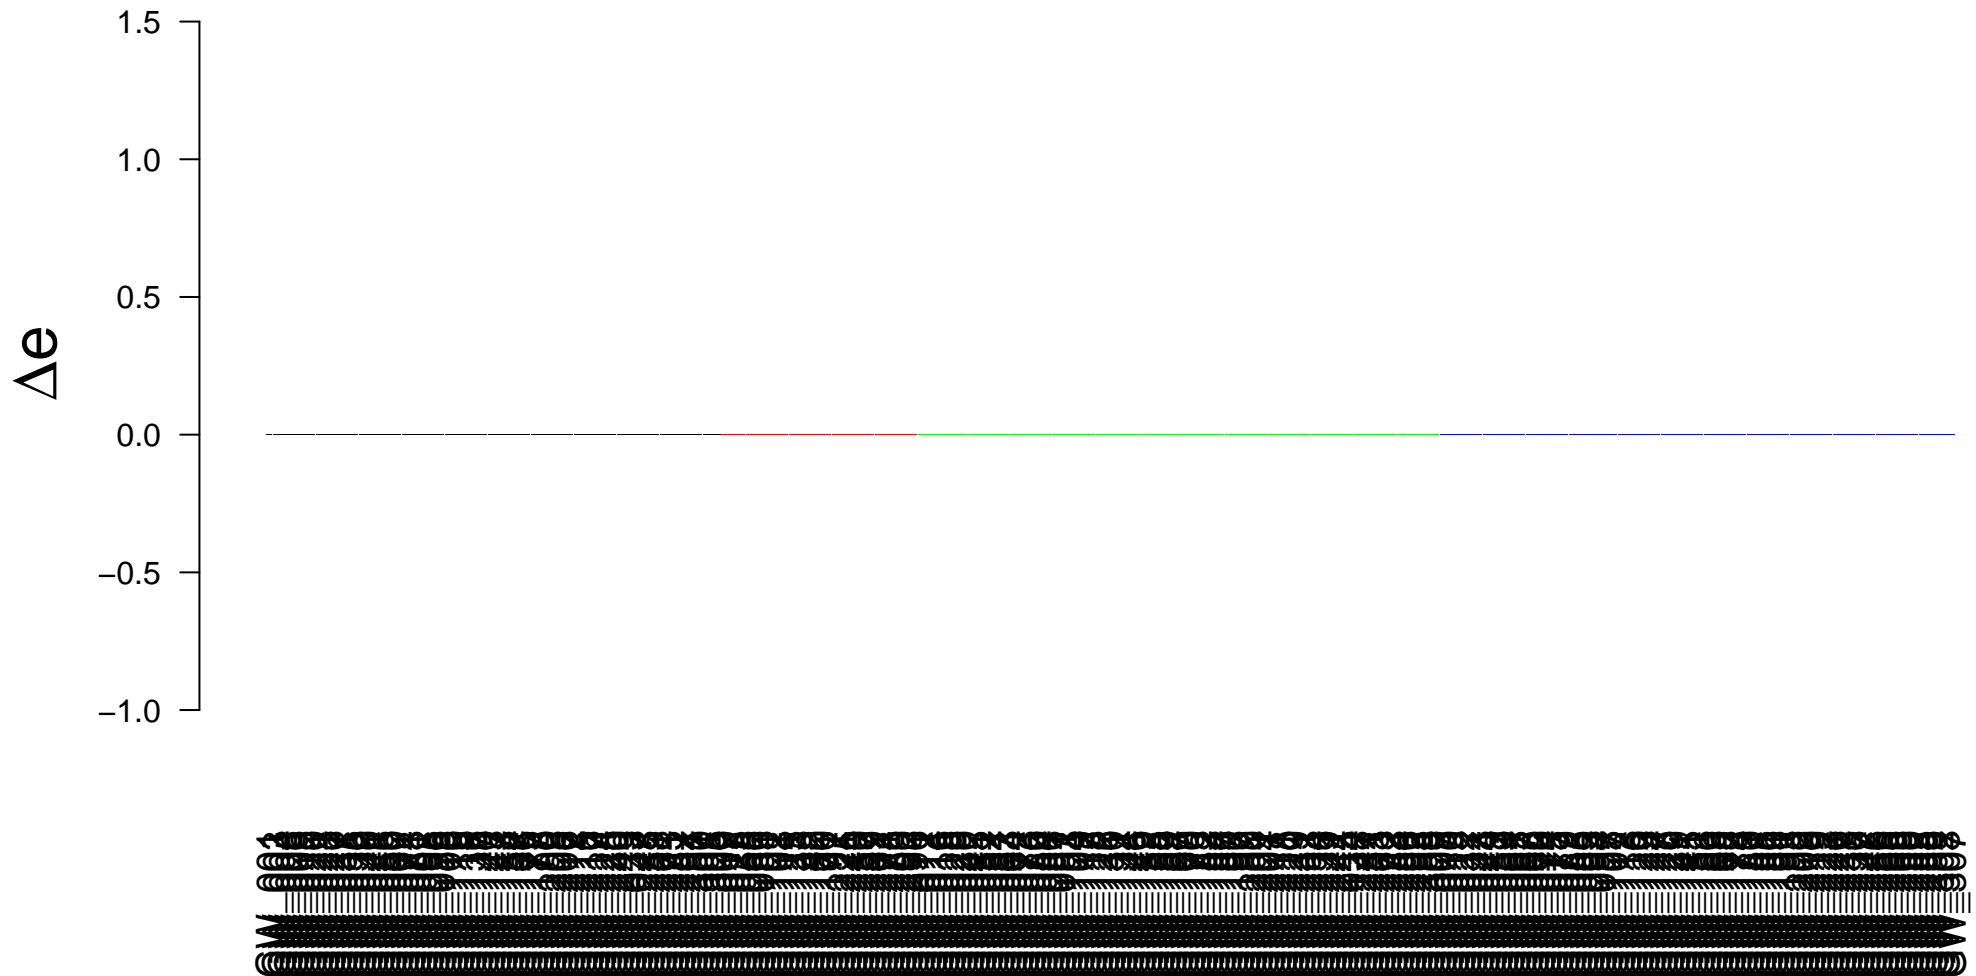

Expression of membrane protein ectodomain proteolysis in Spot O

Expression of membrane protein ectodomain proteolysis in Spot P

Expression of membrane protein ectodomain proteolysis in Spot Q

Expression of membrane protein ectodomain proteolysis in Spot R
