

metallocarboxypeptidase activity

metallocarboxypeptidase activity

Enrichment in spots: metallocarboxypeptidase activity

Expression of metallocarboxypeptidase activity in Spot A

Expression of metallocarboxypeptidase activity in Spot B

Expression of metallo-carboxypeptidase activity in Spot C

Expression of metallo-carboxypeptidase activity in Spot D

Expression of metallo-carboxypeptidase activity in Spot E

Expression of metallocarboxypeptidase activity in Spot F

Expression of metallocarboxypeptidase activity in Spot G

Expression of metallocarboxypeptidase activity in Spot H

Expression of metallocarboxypeptidase activity in Spot I

Expression of metallocarboxypeptidase activity in Spot J

Expression of metallocarboxypeptidase activity in Spot K

Expression of metallocarboxypeptidase activity in Spot L

Expression of metallocarboxypeptidase activity in Spot M

Expression of metallo-carboxypeptidase activity in Spot N

Expression of metallocarboxypeptidase activity in Spot O

Expression of metallocarboxypeptidase activity in Spot P

Expression of metallocarboxypeptidase activity in Spot Q

Expression of metallo-carboxypeptidase activity in Spot R
