

metalloexopeptidase activity

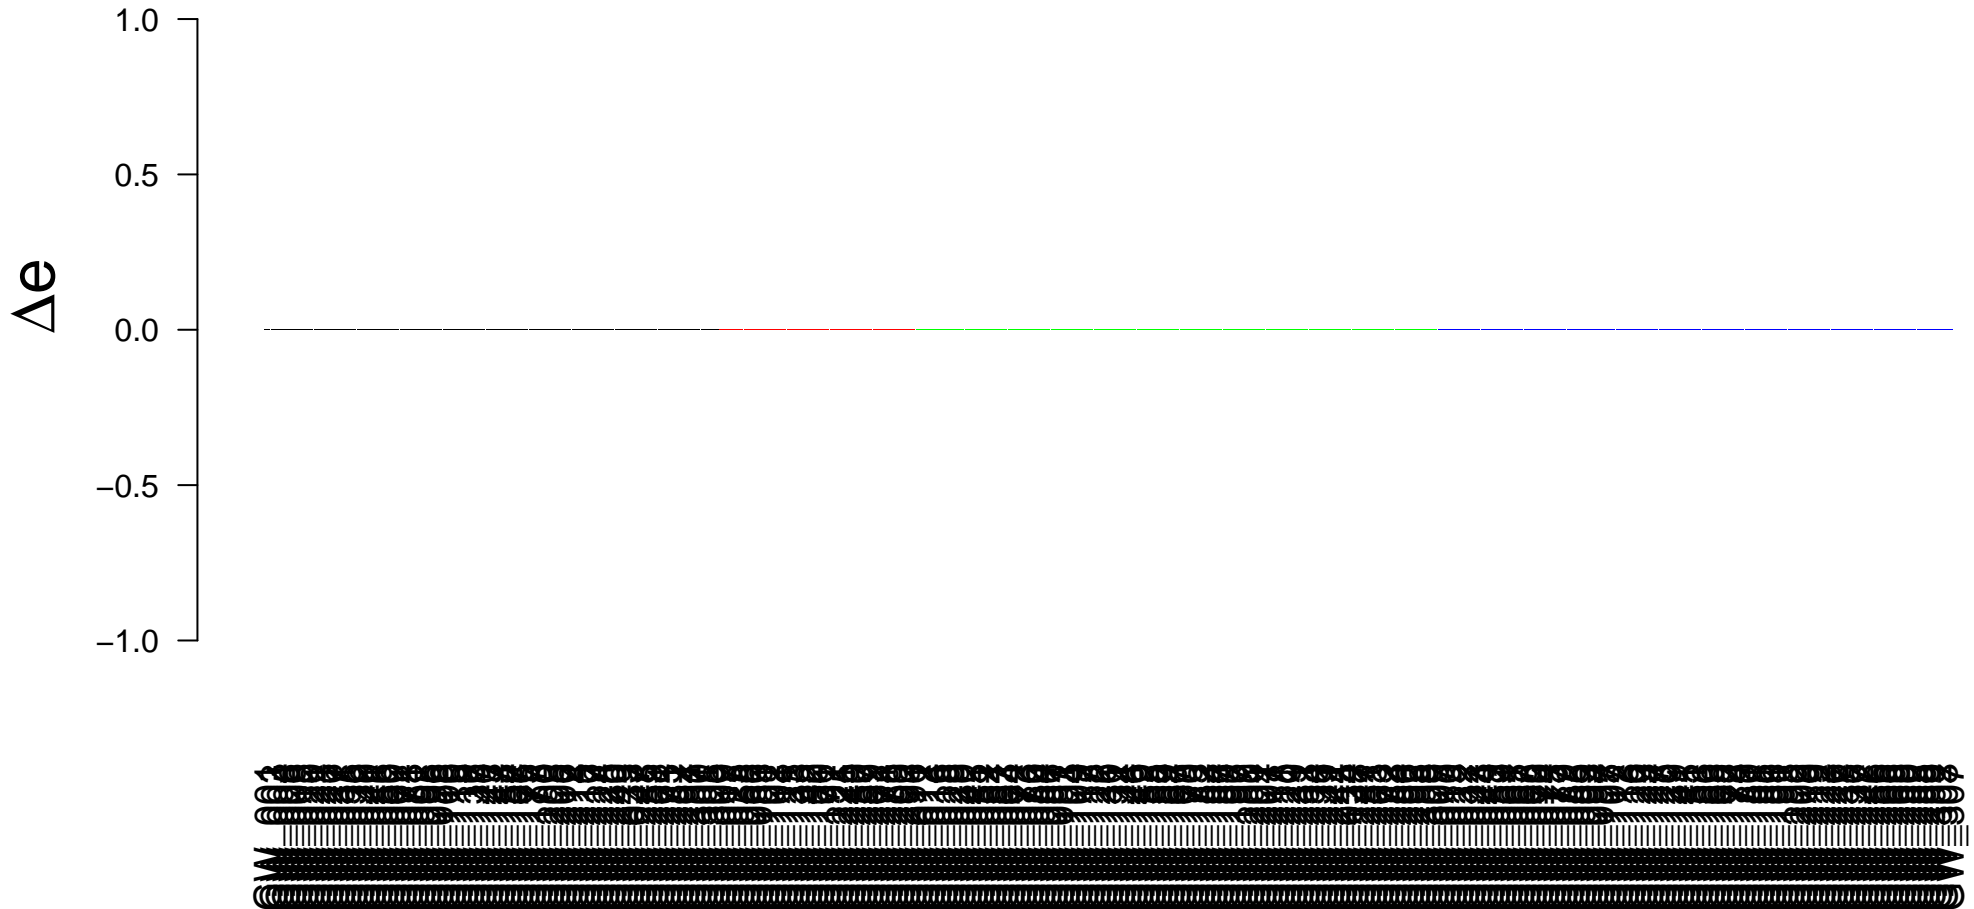

metalloexopeptidase activity

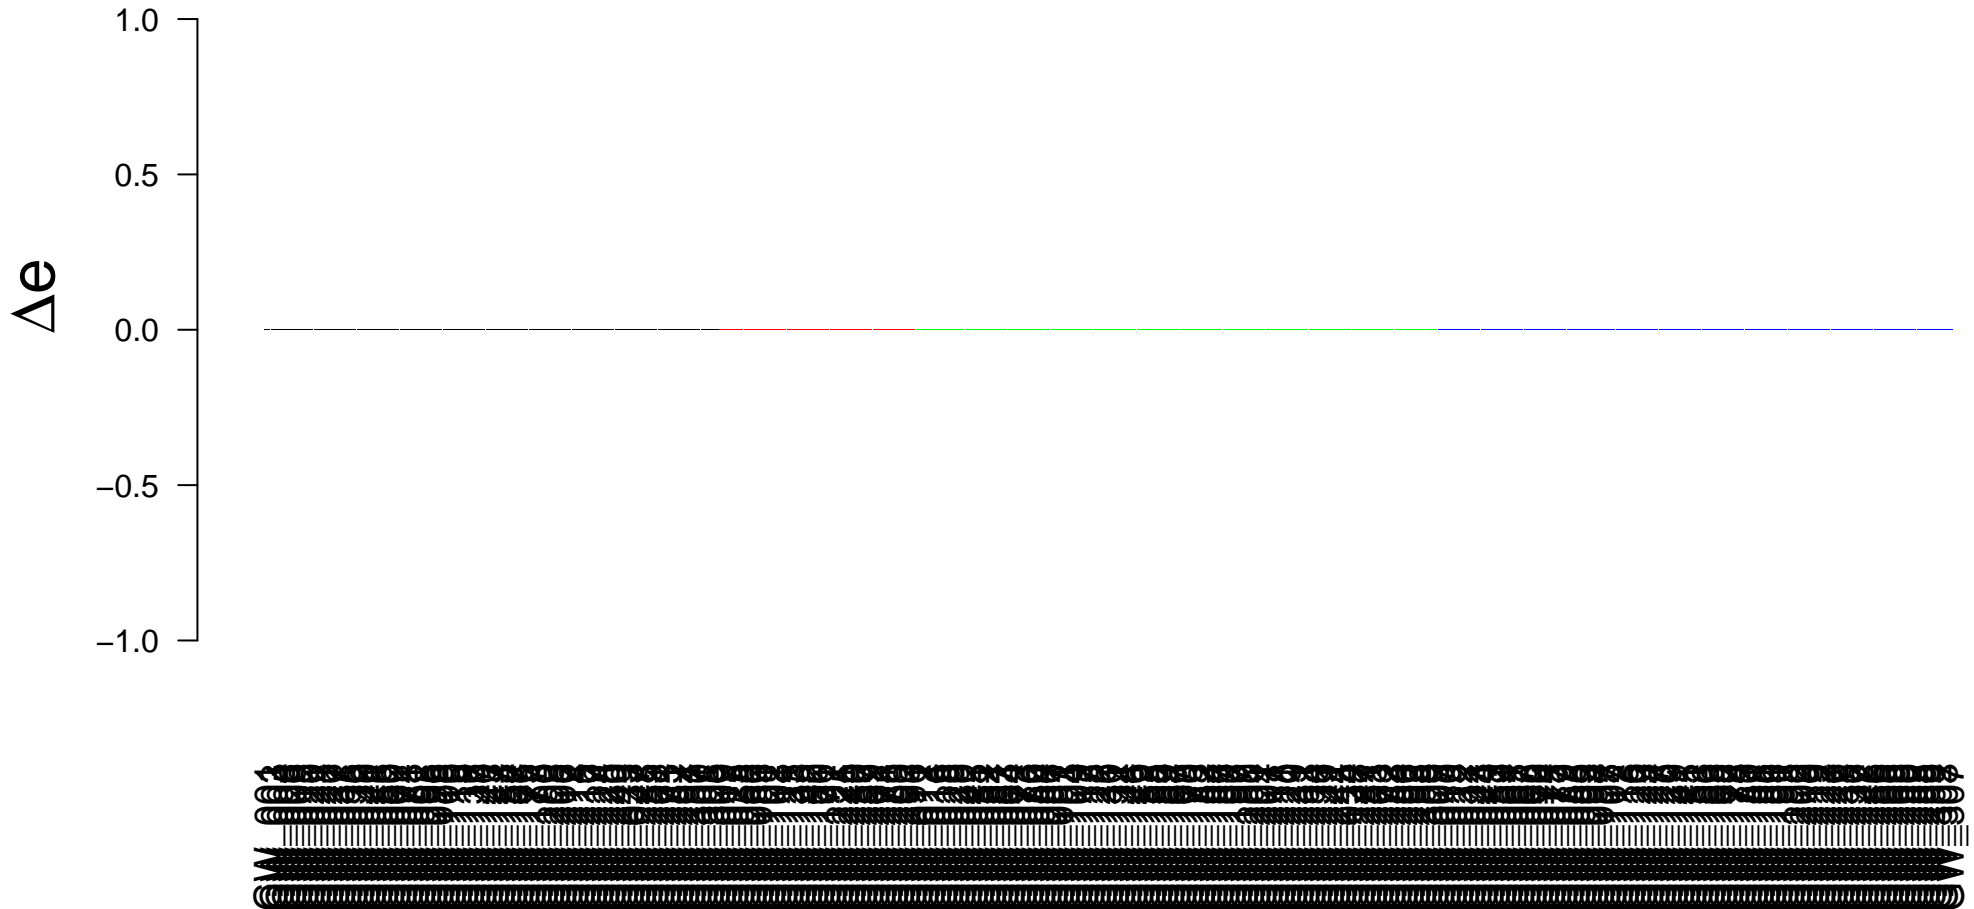

Enrichment in spots: metalloexopeptidase activity

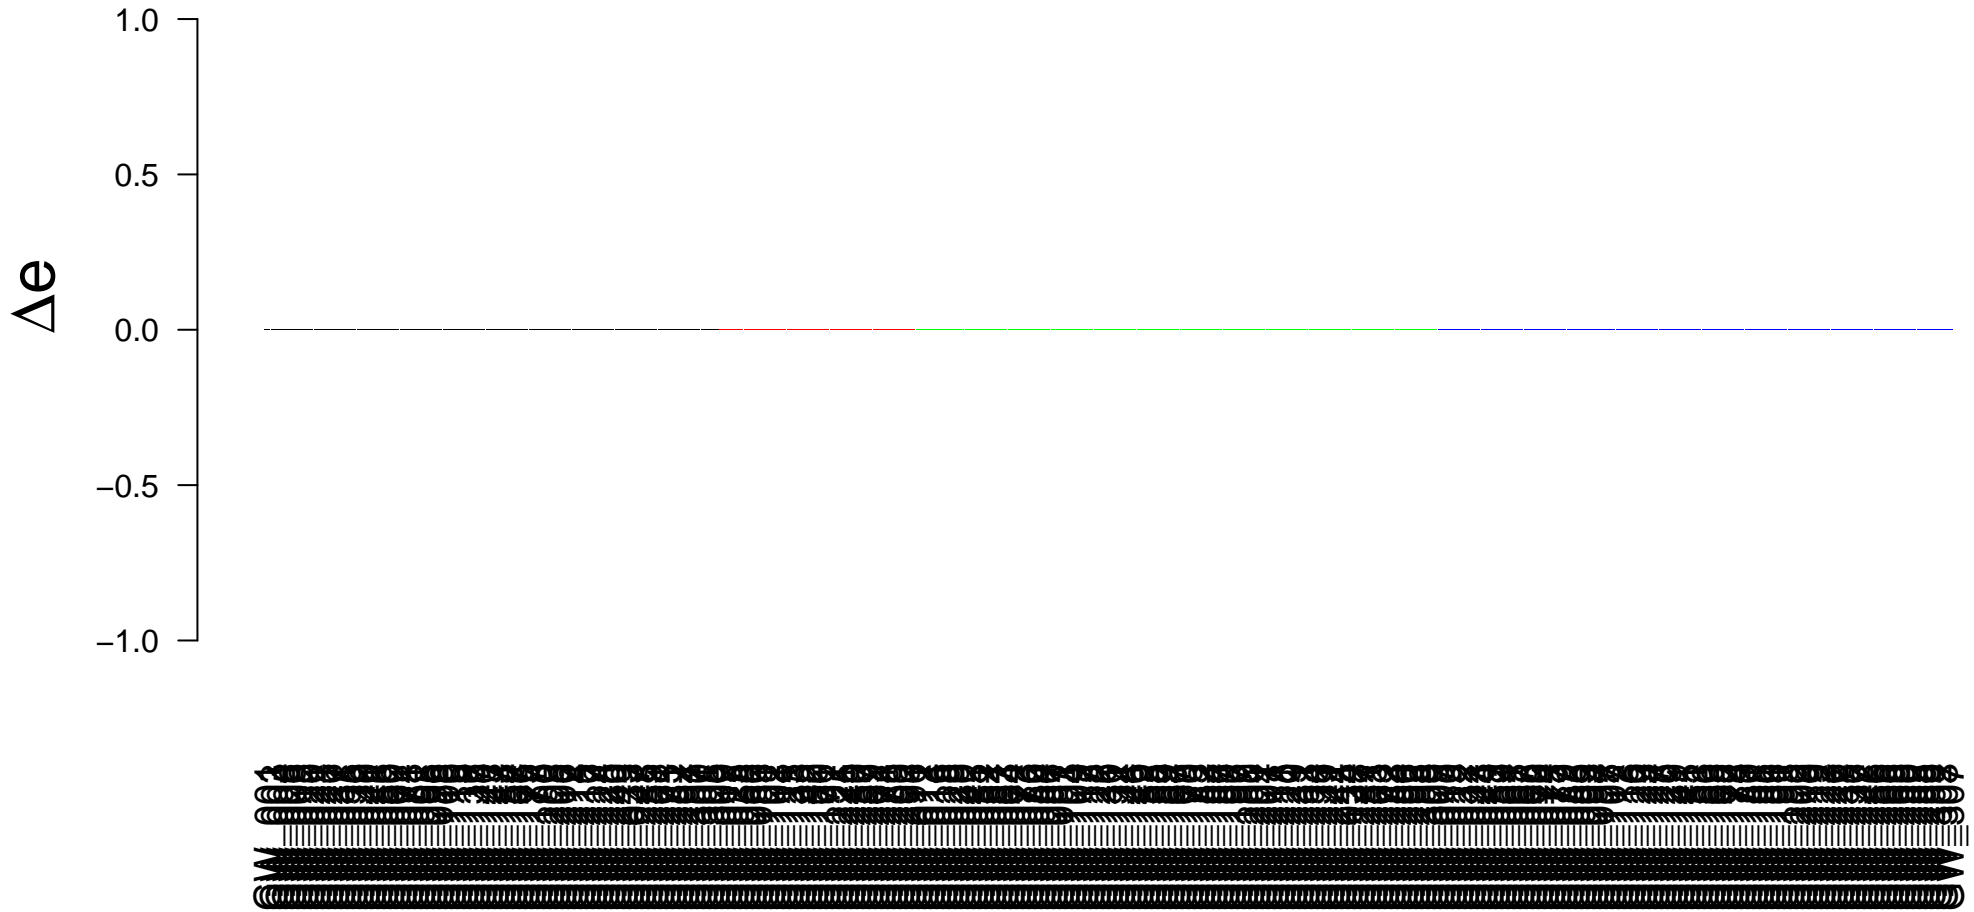

Expression of metalloexopeptidase activity in Spot A

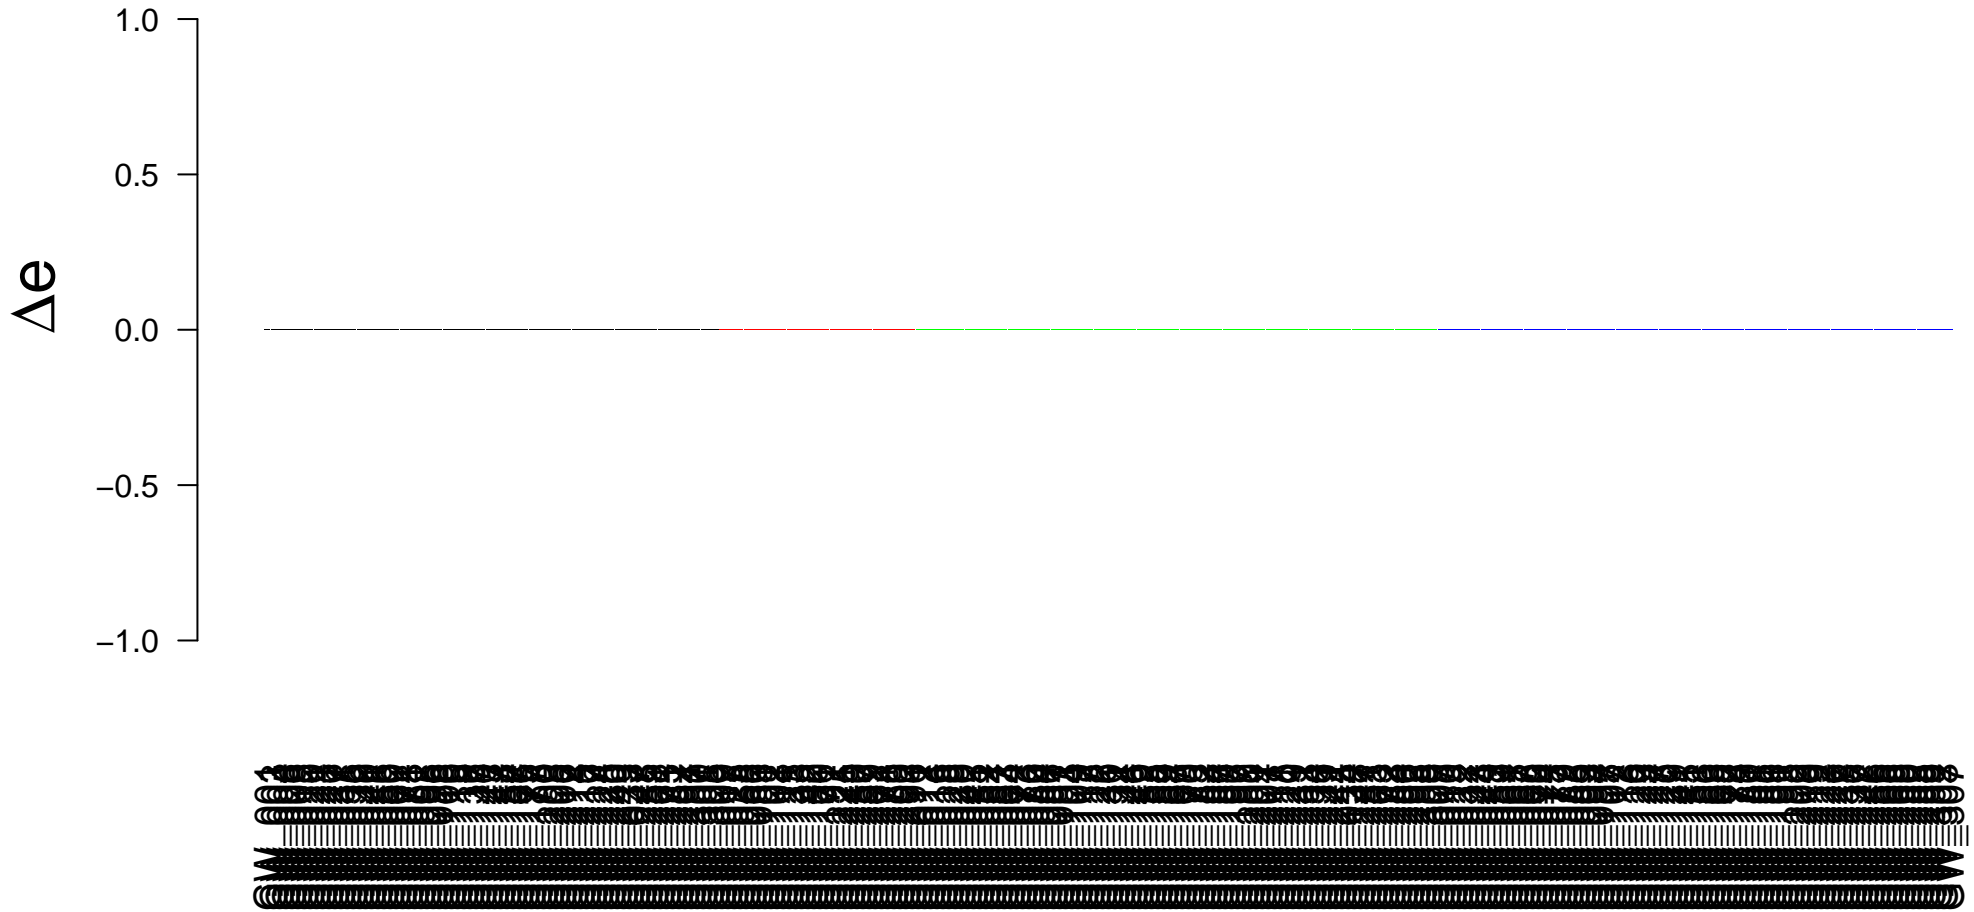

Expression of metalloexopeptidase activity in Spot B

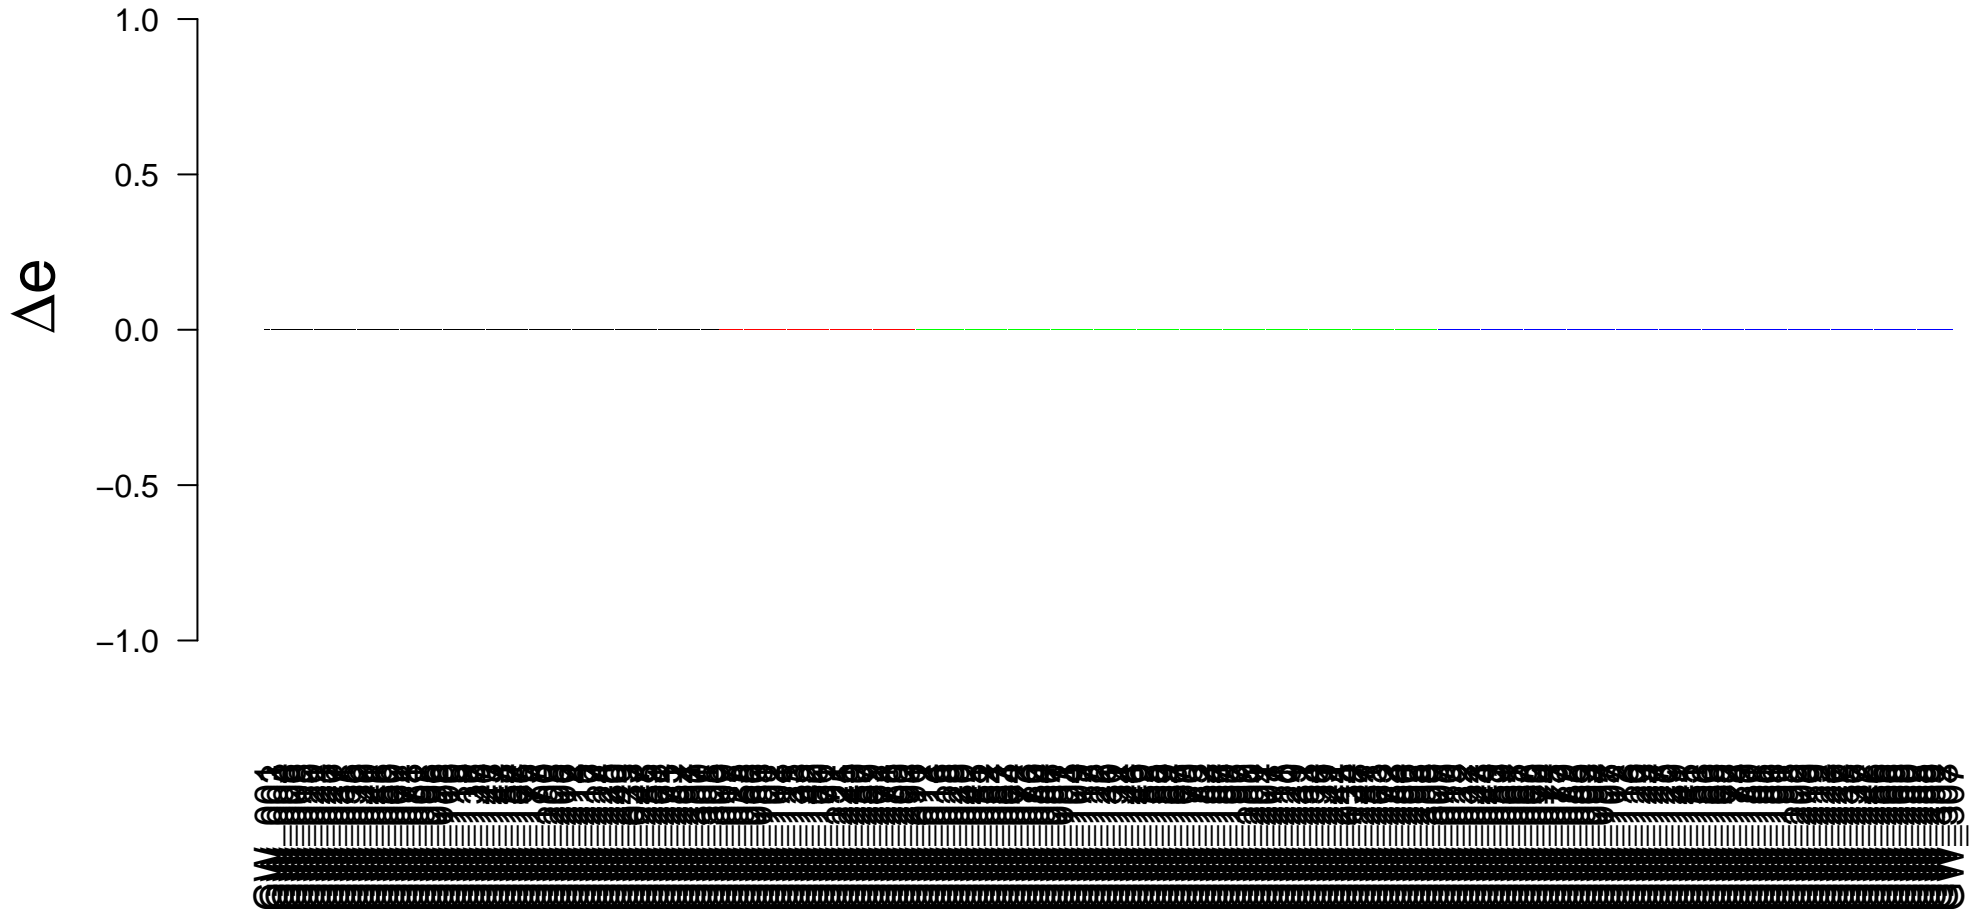

Expression of metalloexopeptidase activity in Spot C

Expression of metalloexopeptidase activity in Spot D

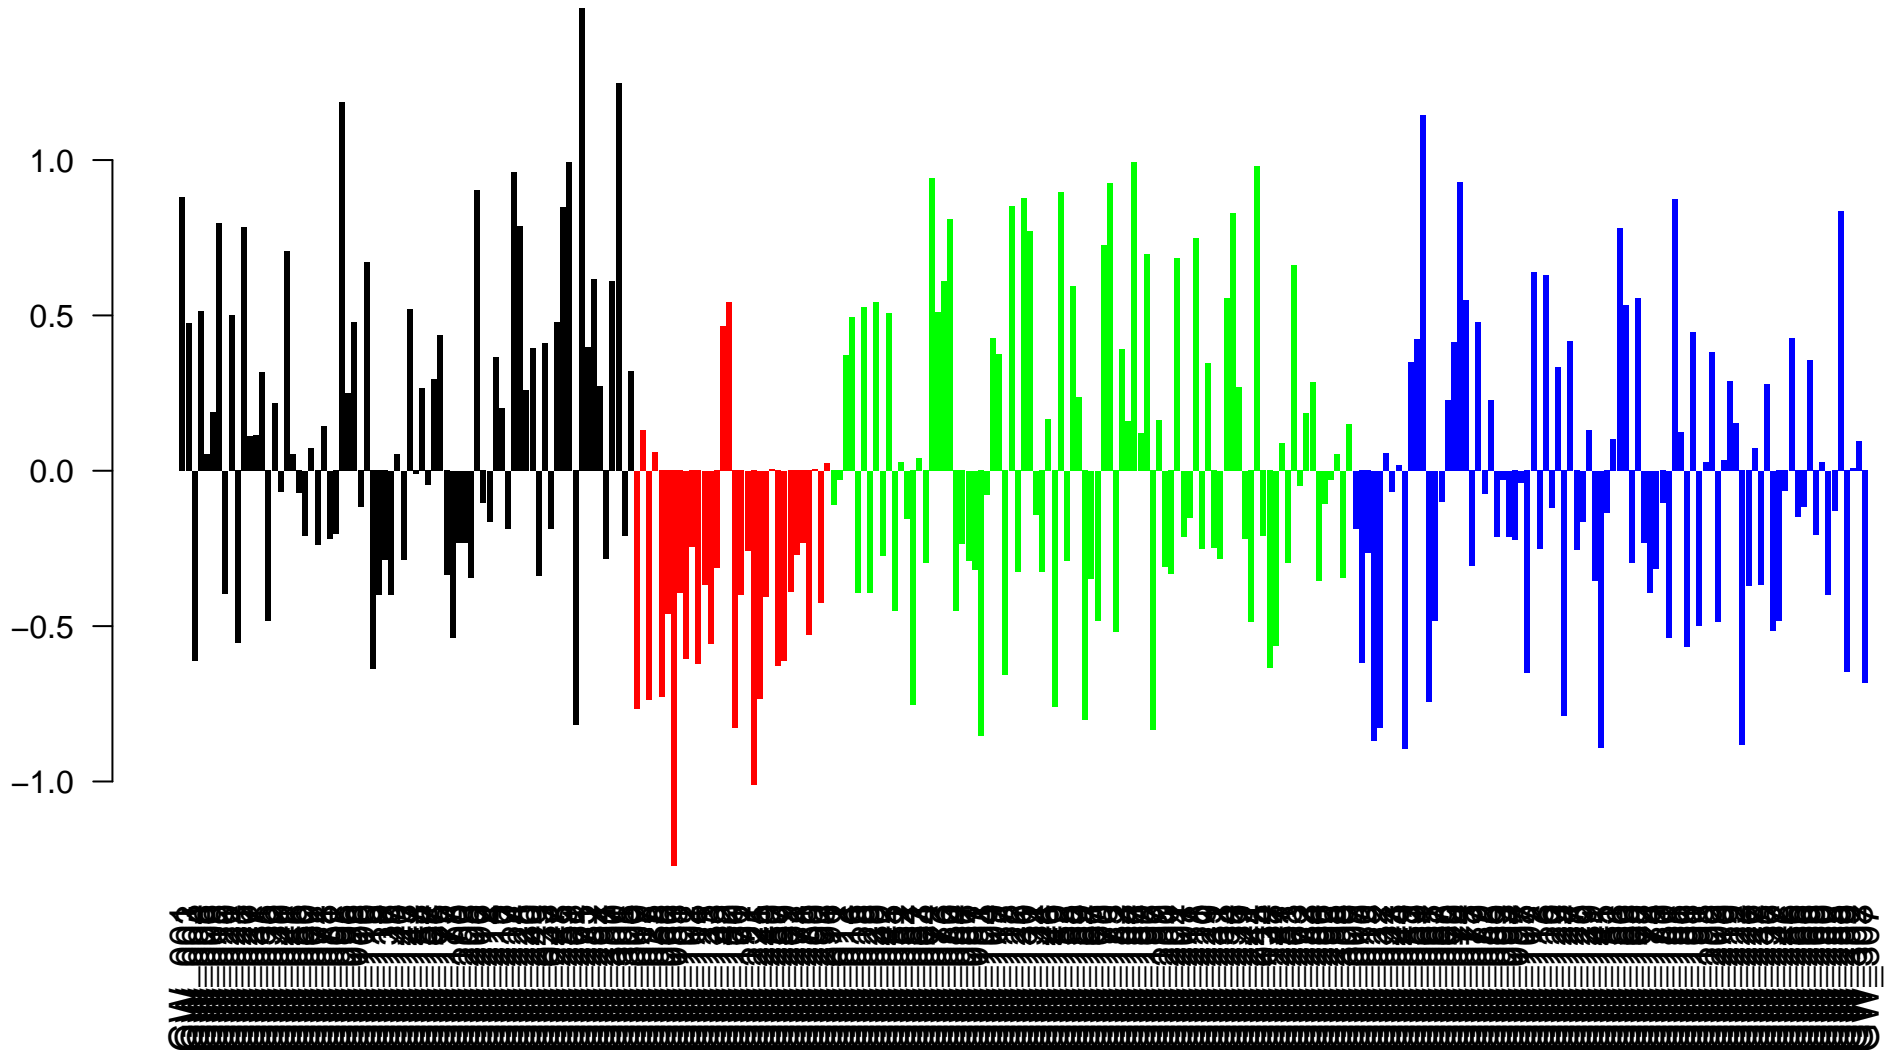

Expression of metalloexopeptidase activity in Spot E

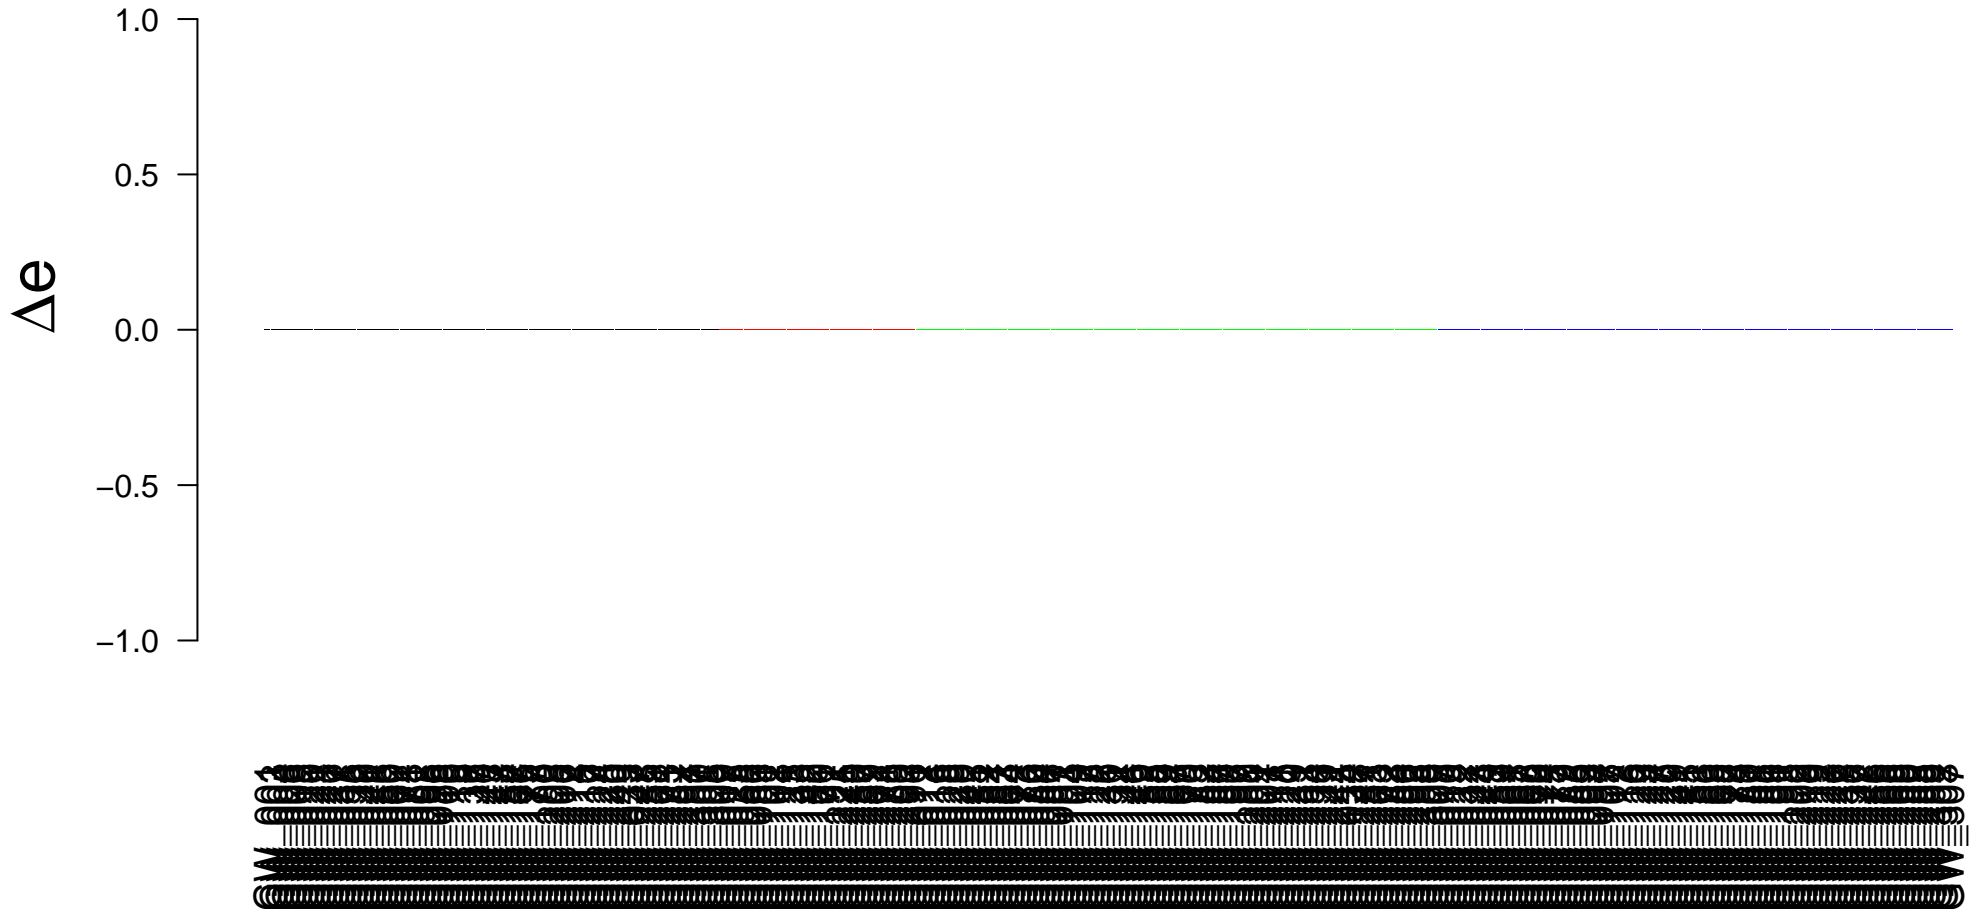

Expression of metalloexopeptidase activity in Spot F

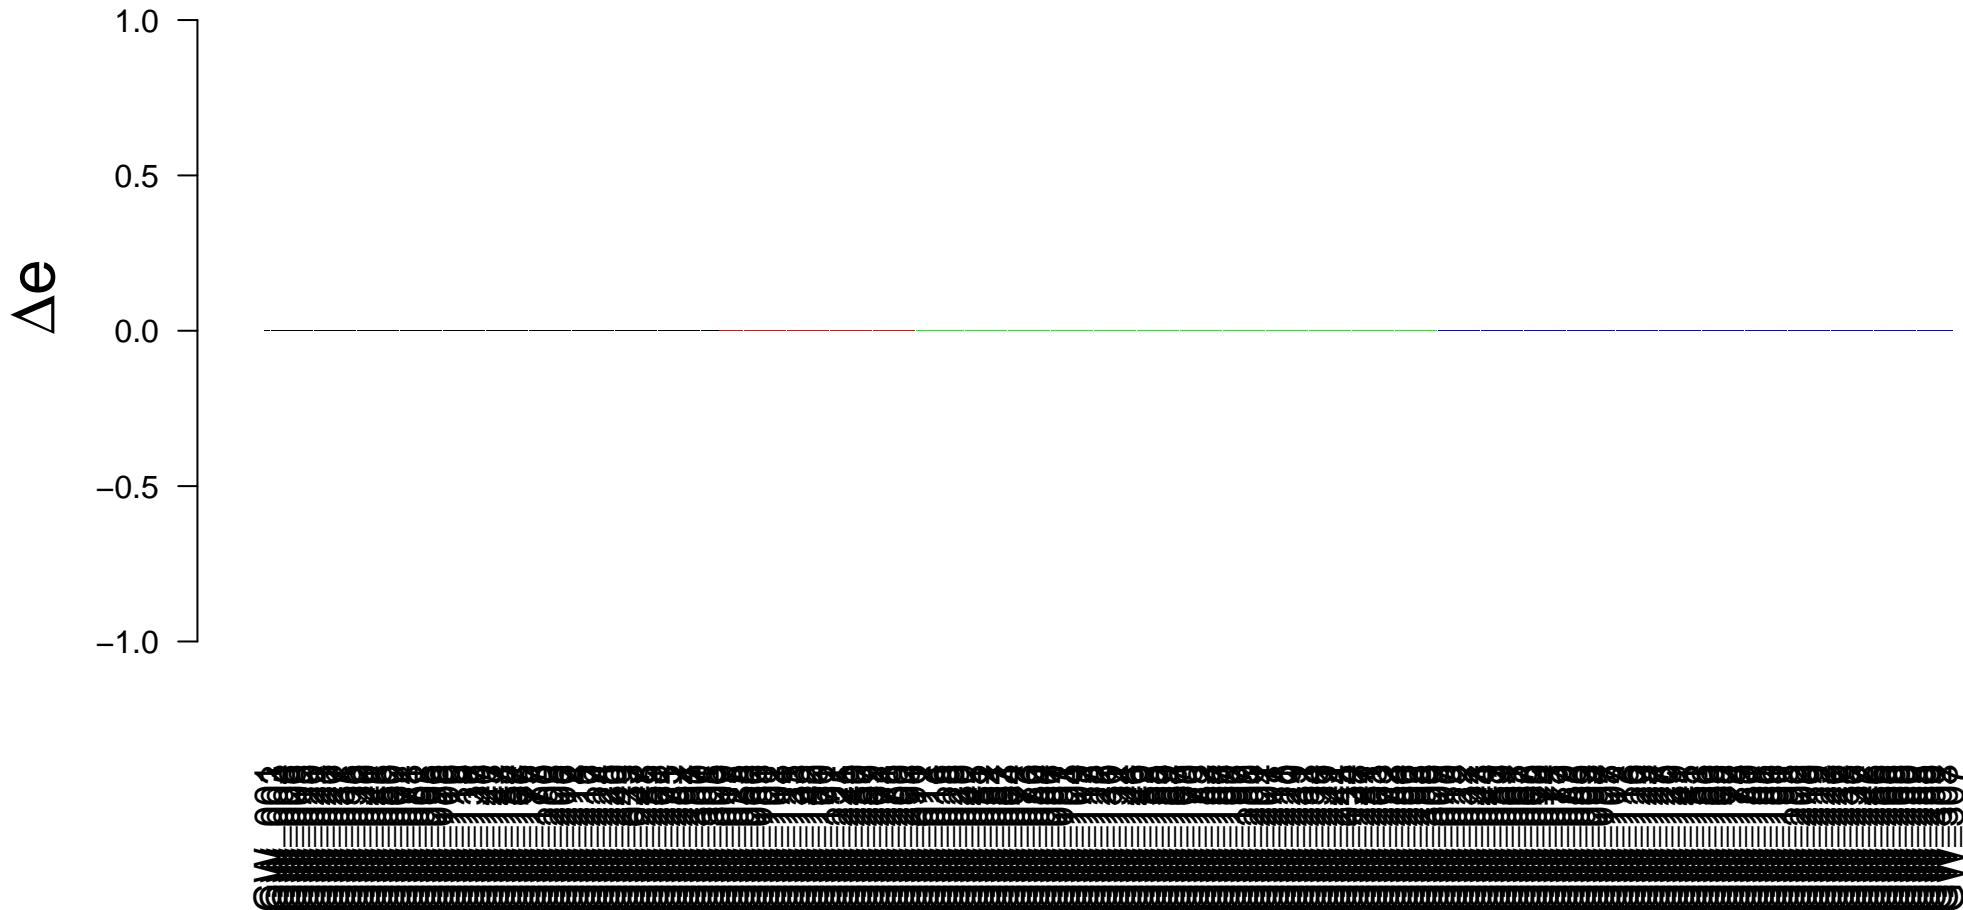

Δe

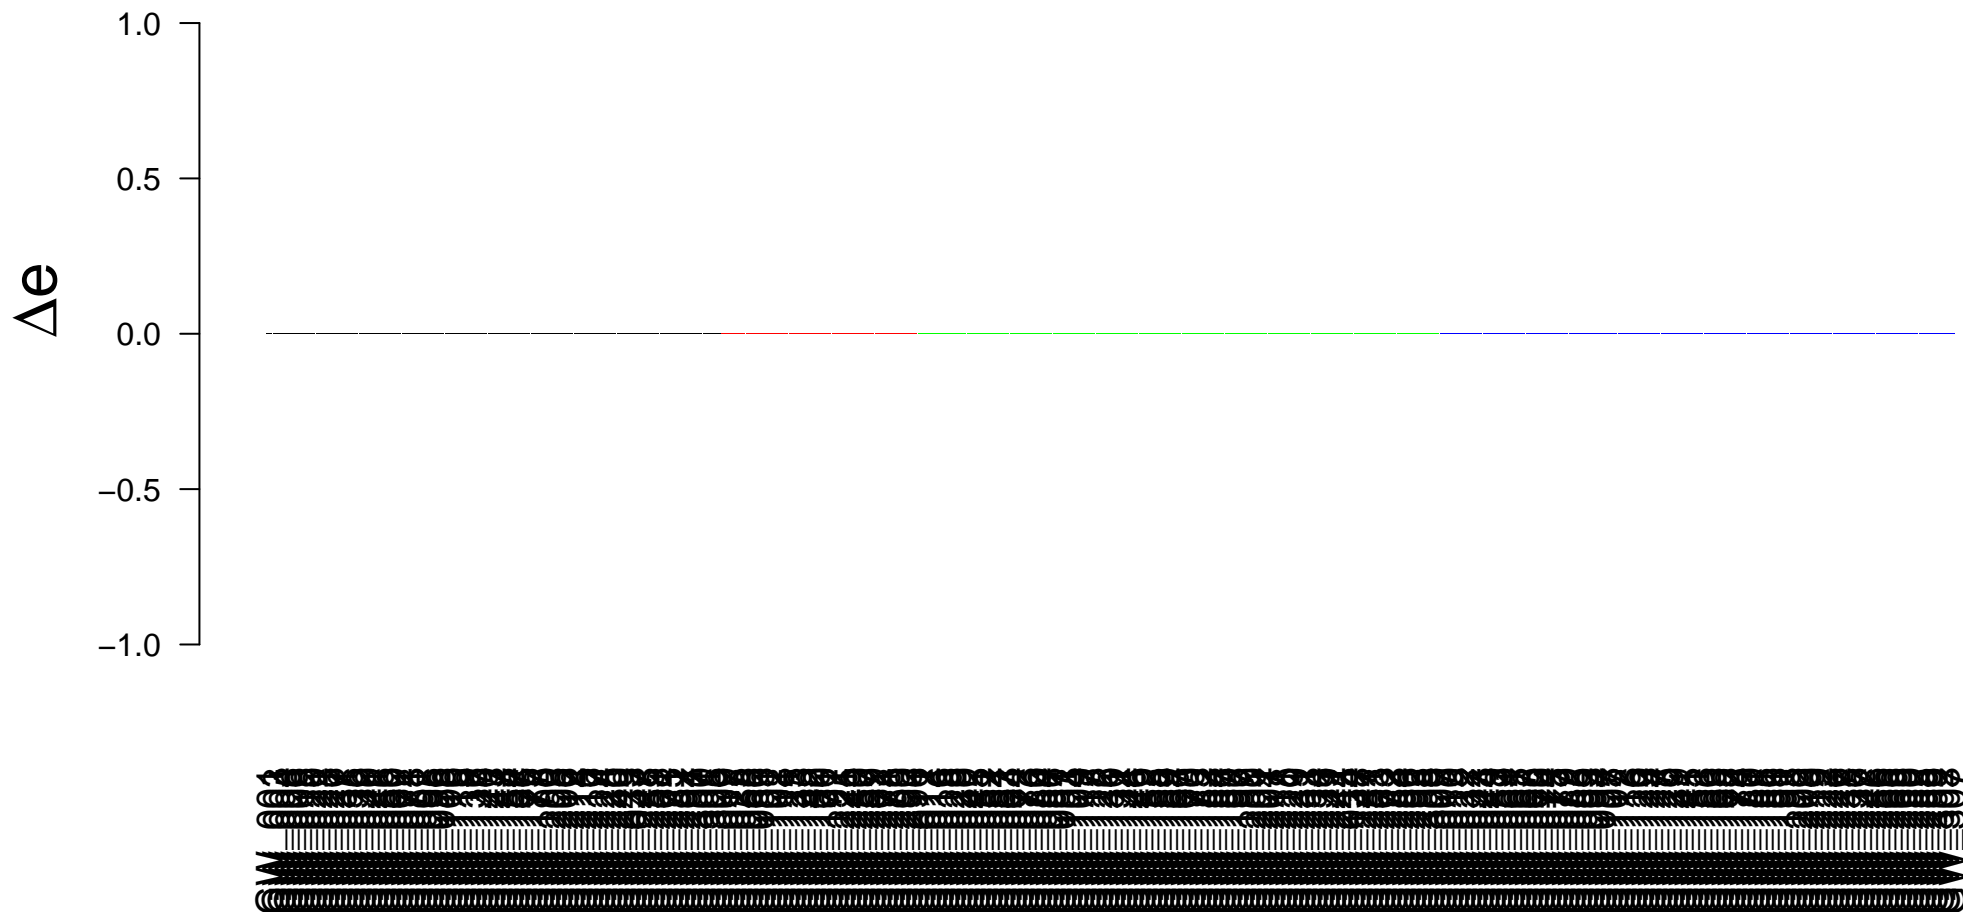

Expression of metalloexopeptidase activity in Spot G

Expression of metalloexopeptidase activity in Spot H

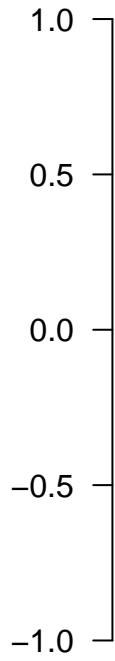

Expression of metalloexopeptidase activity in Spot I

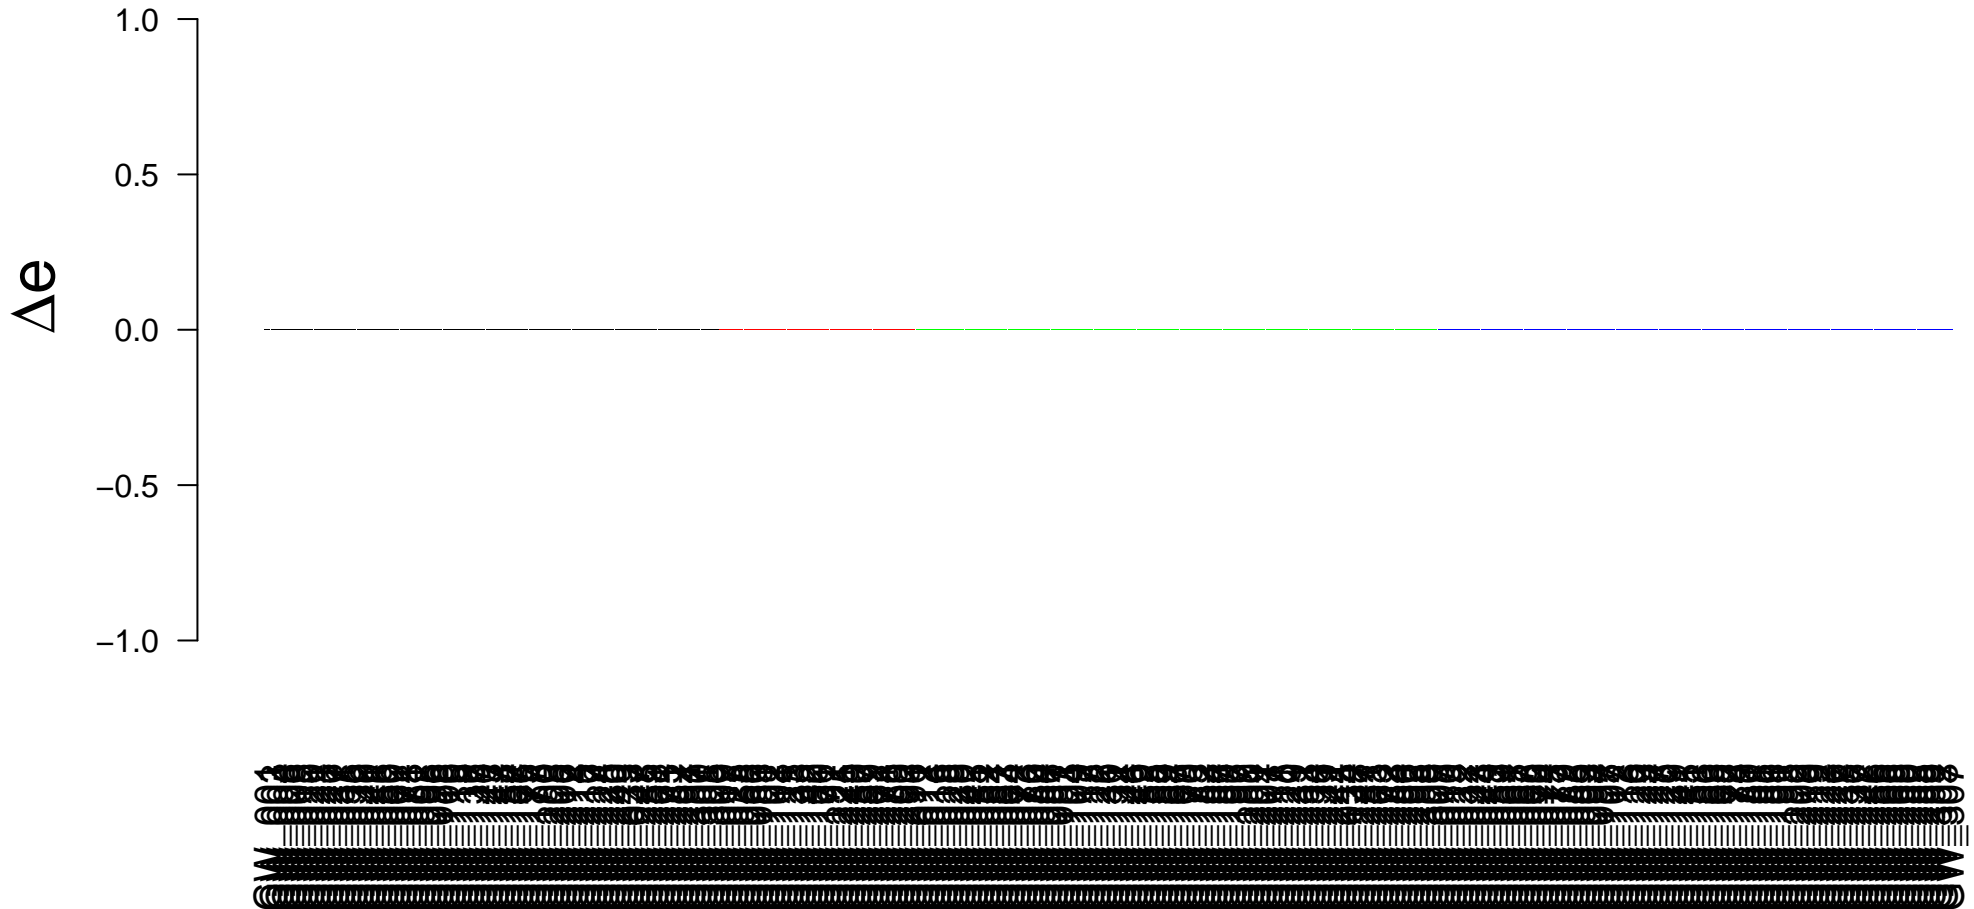

Expression of metalloexopeptidase activity in Spot J

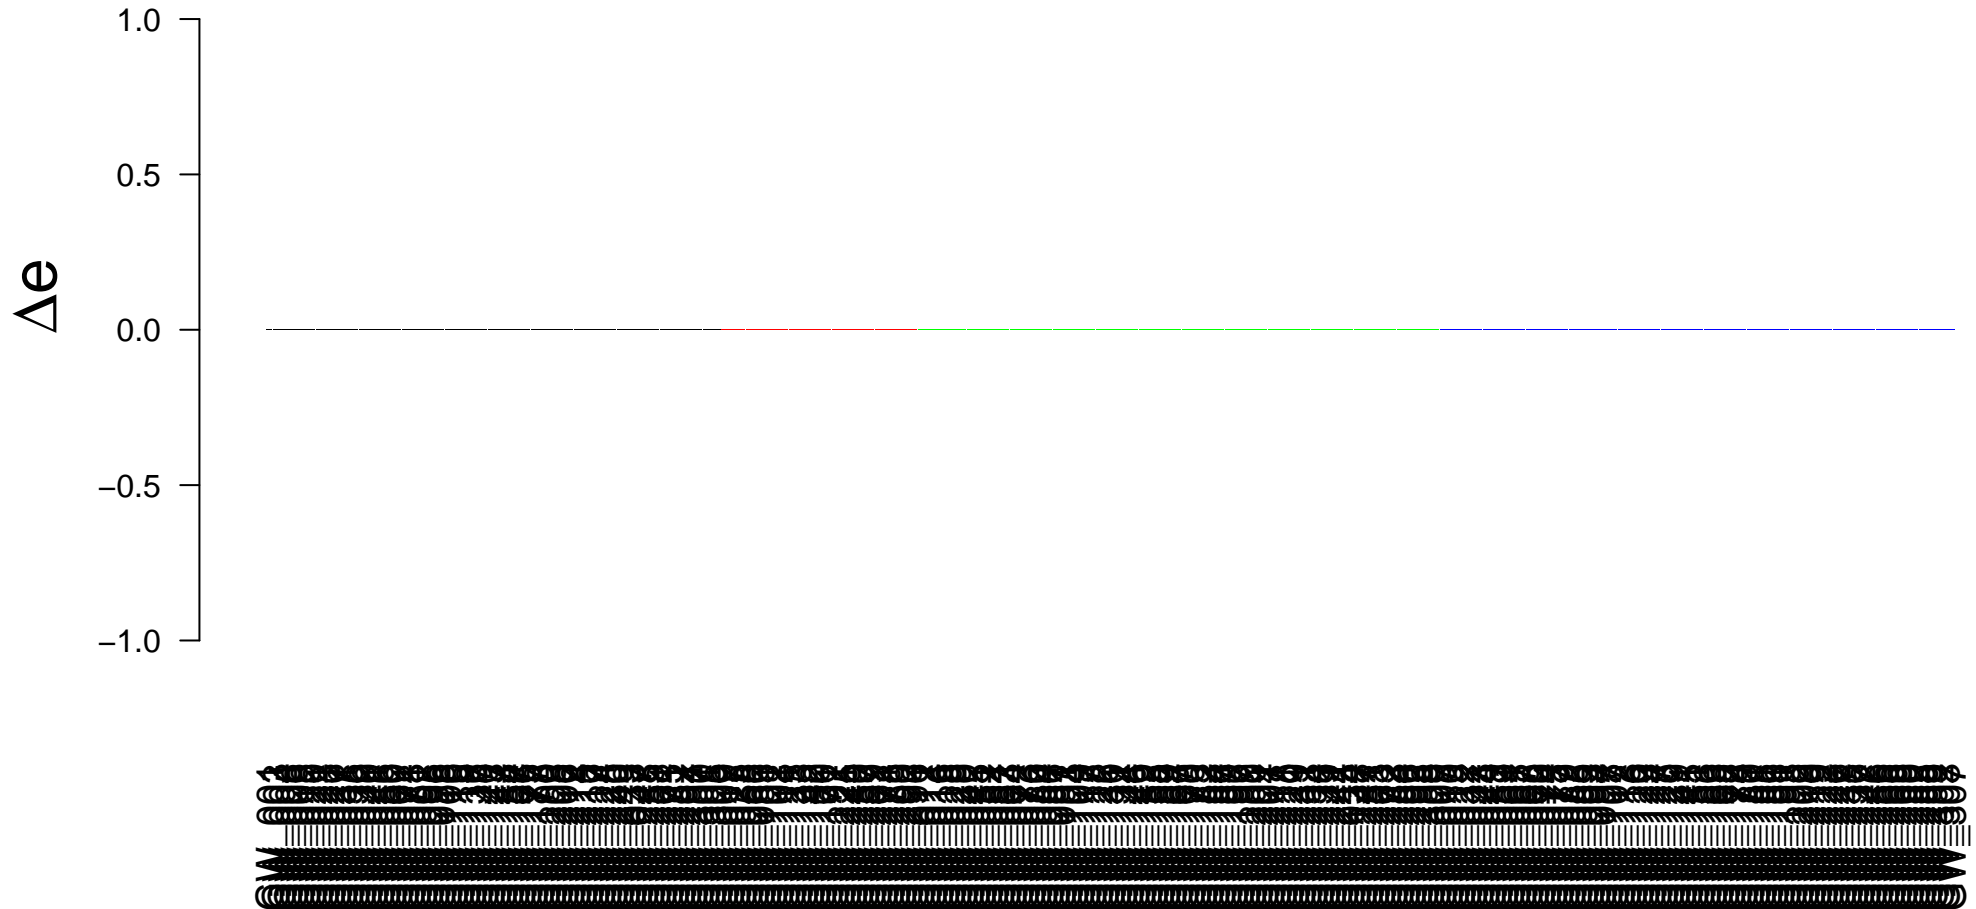

Δe

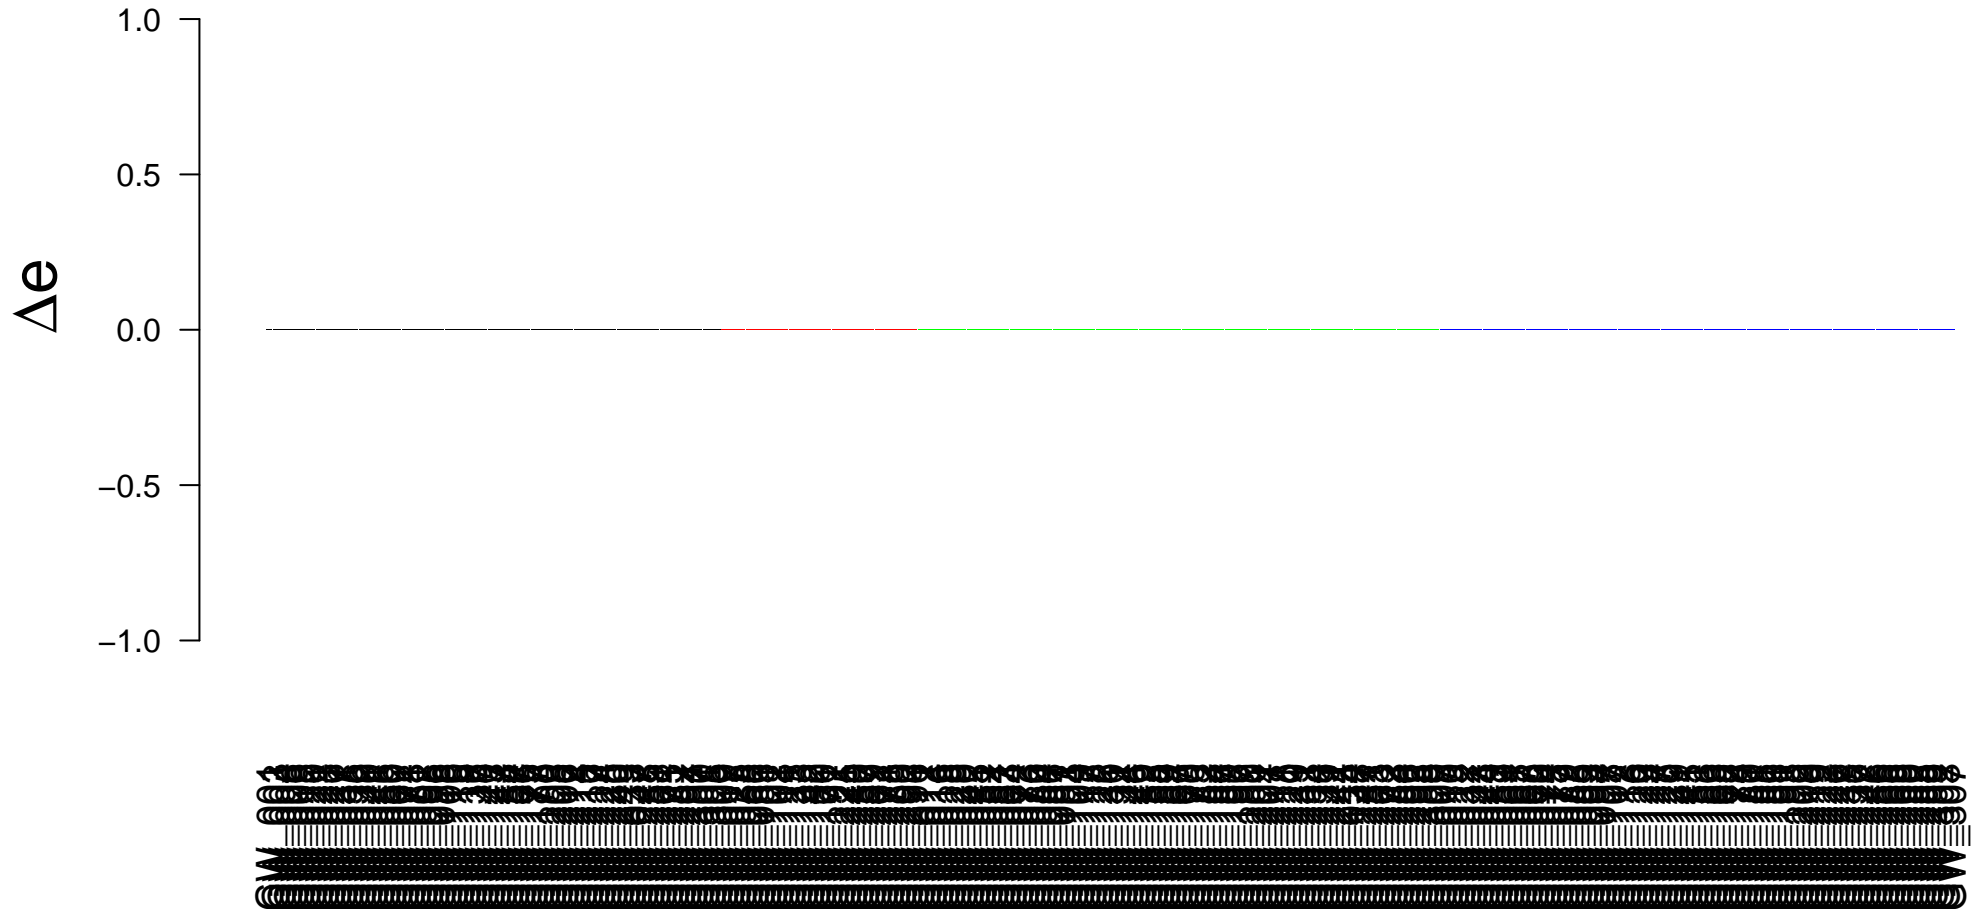

Expression of metalloexopeptidase activity in Spot K

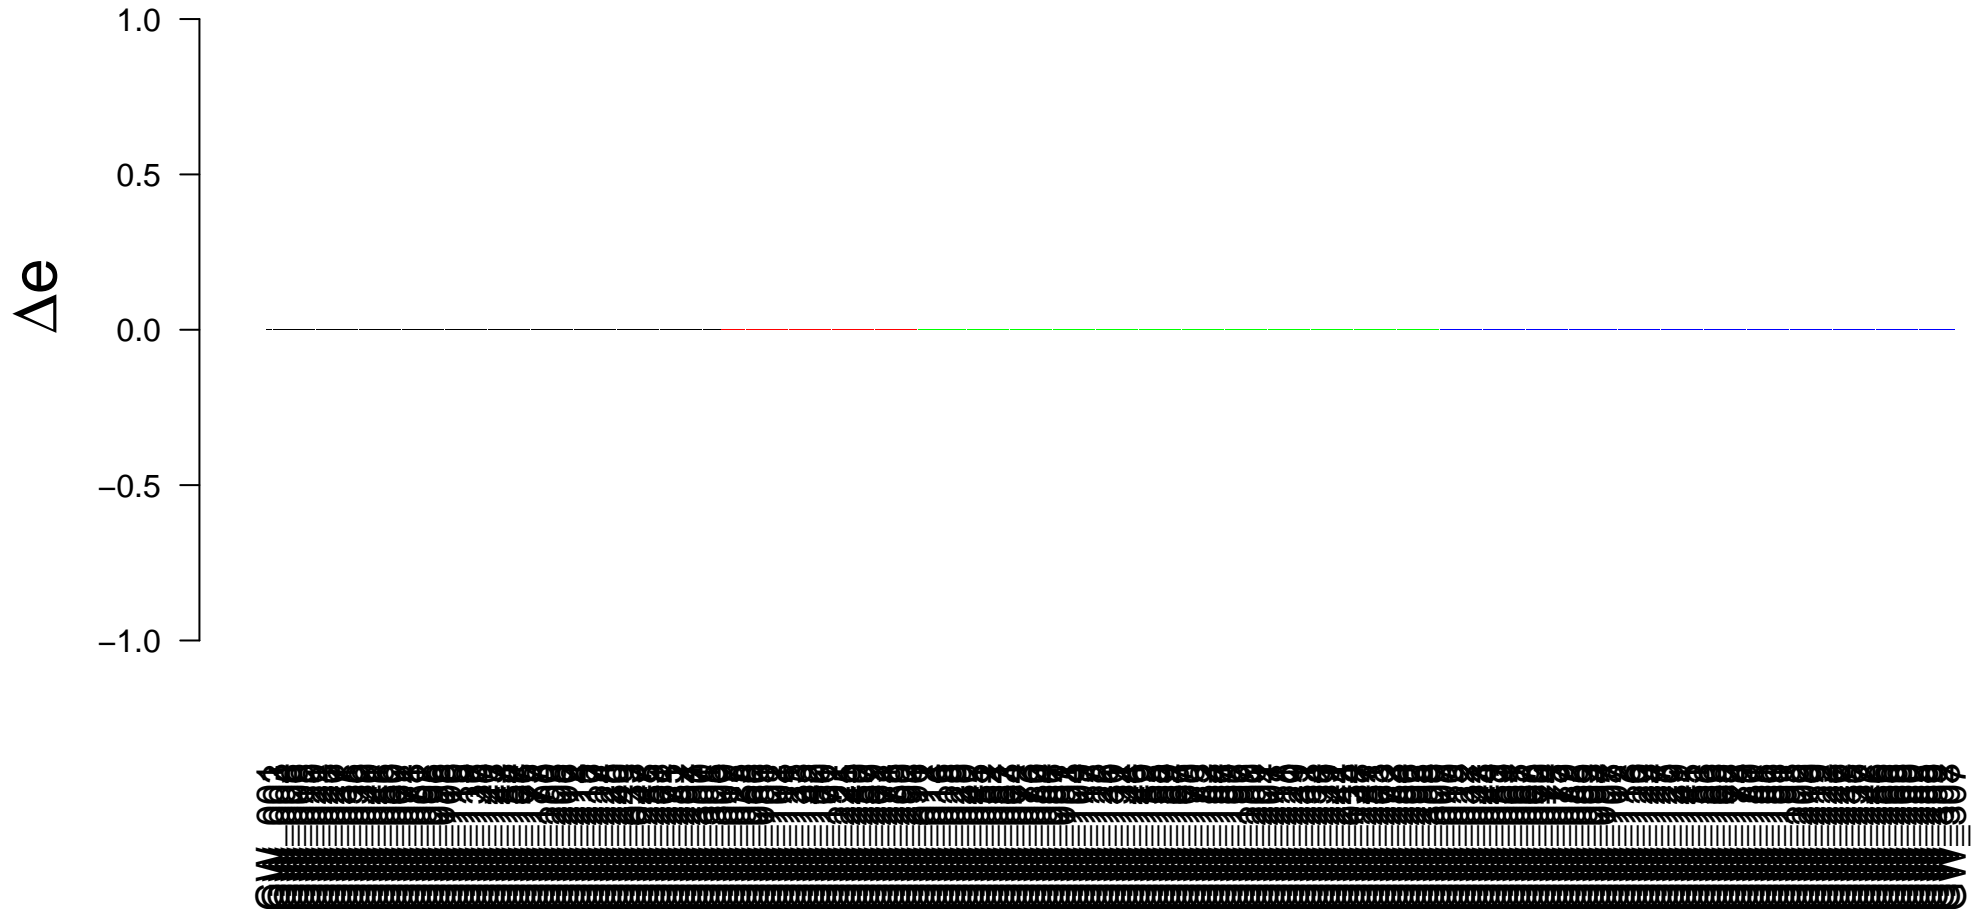

Expression of metalloexopeptidase activity in Spot L

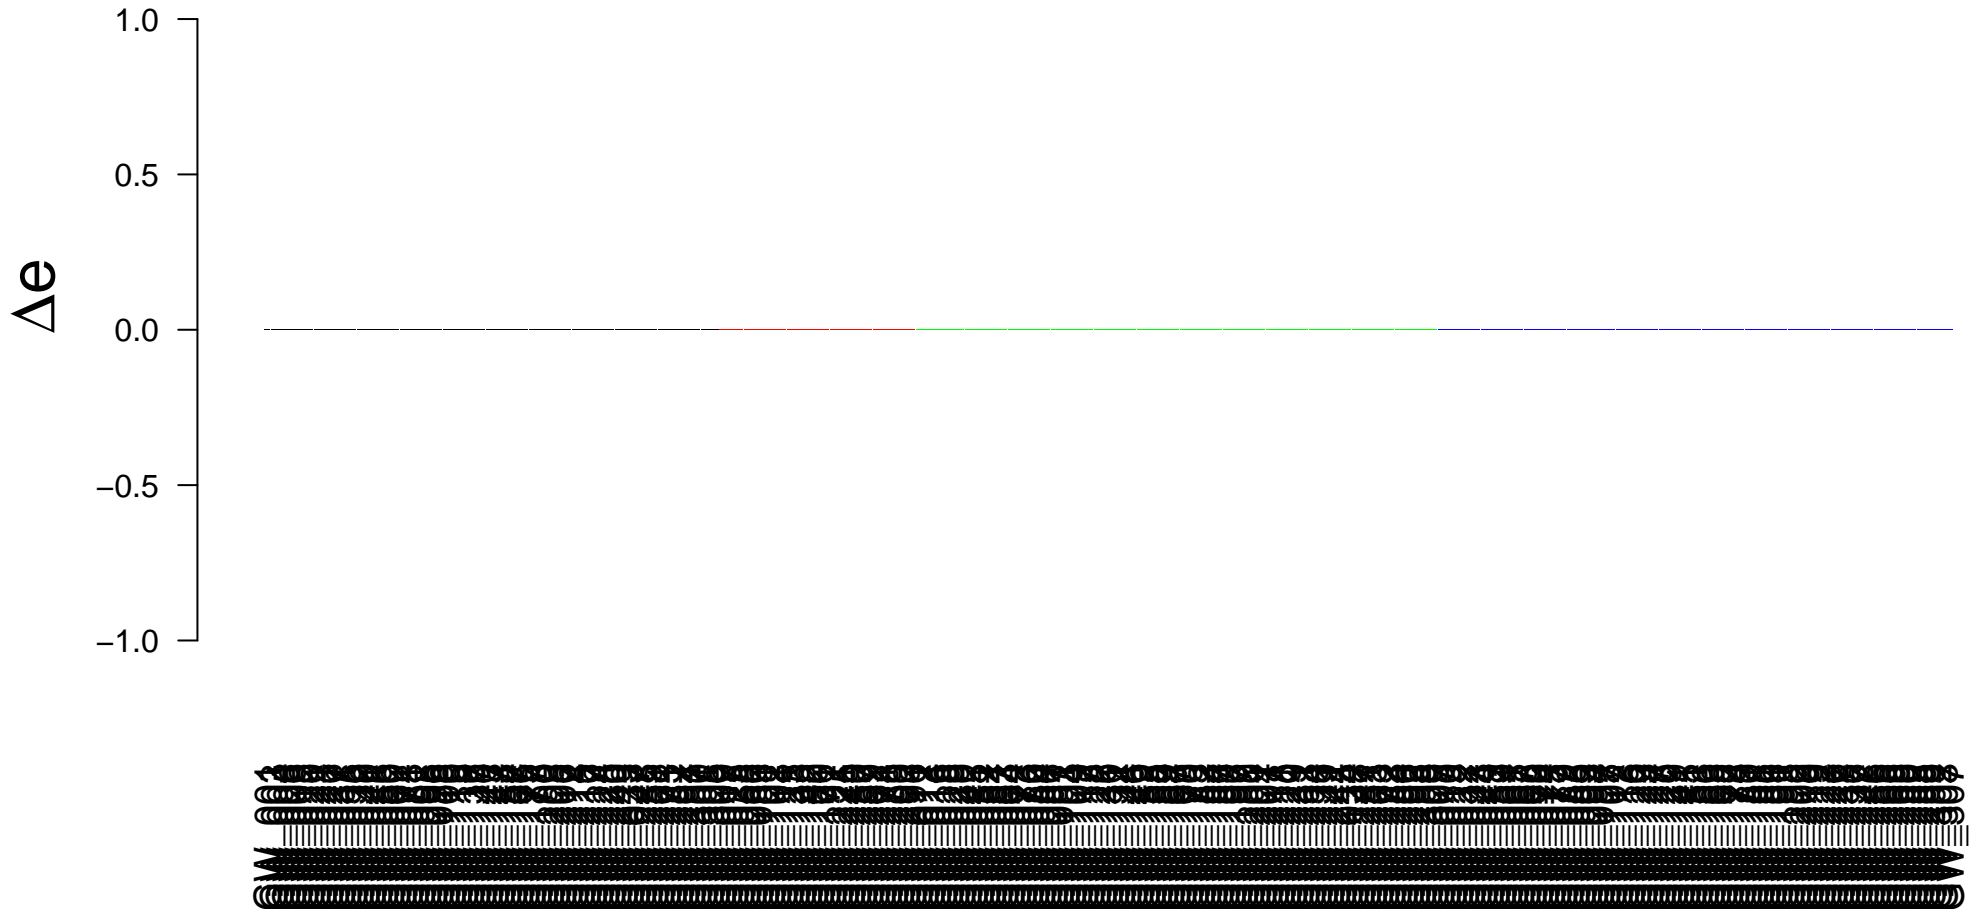

Expression of metalloexopeptidase activity in Spot M

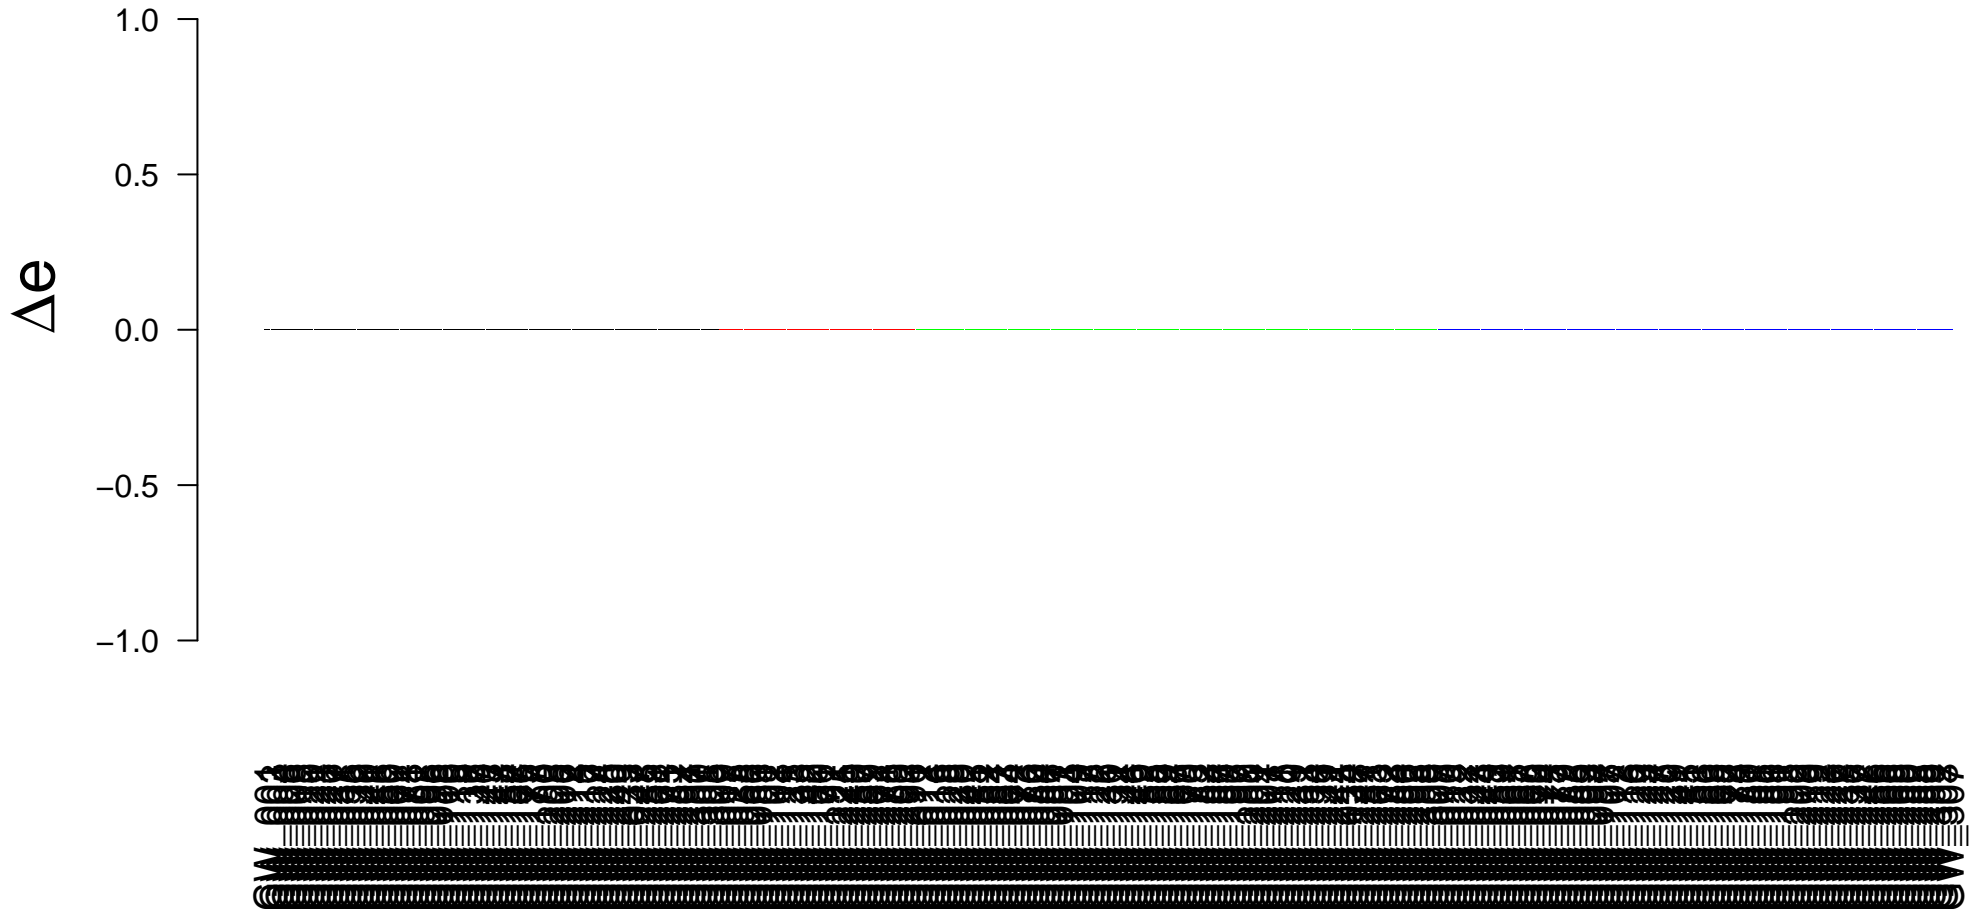

Expression of metalloexopeptidase activity in Spot N

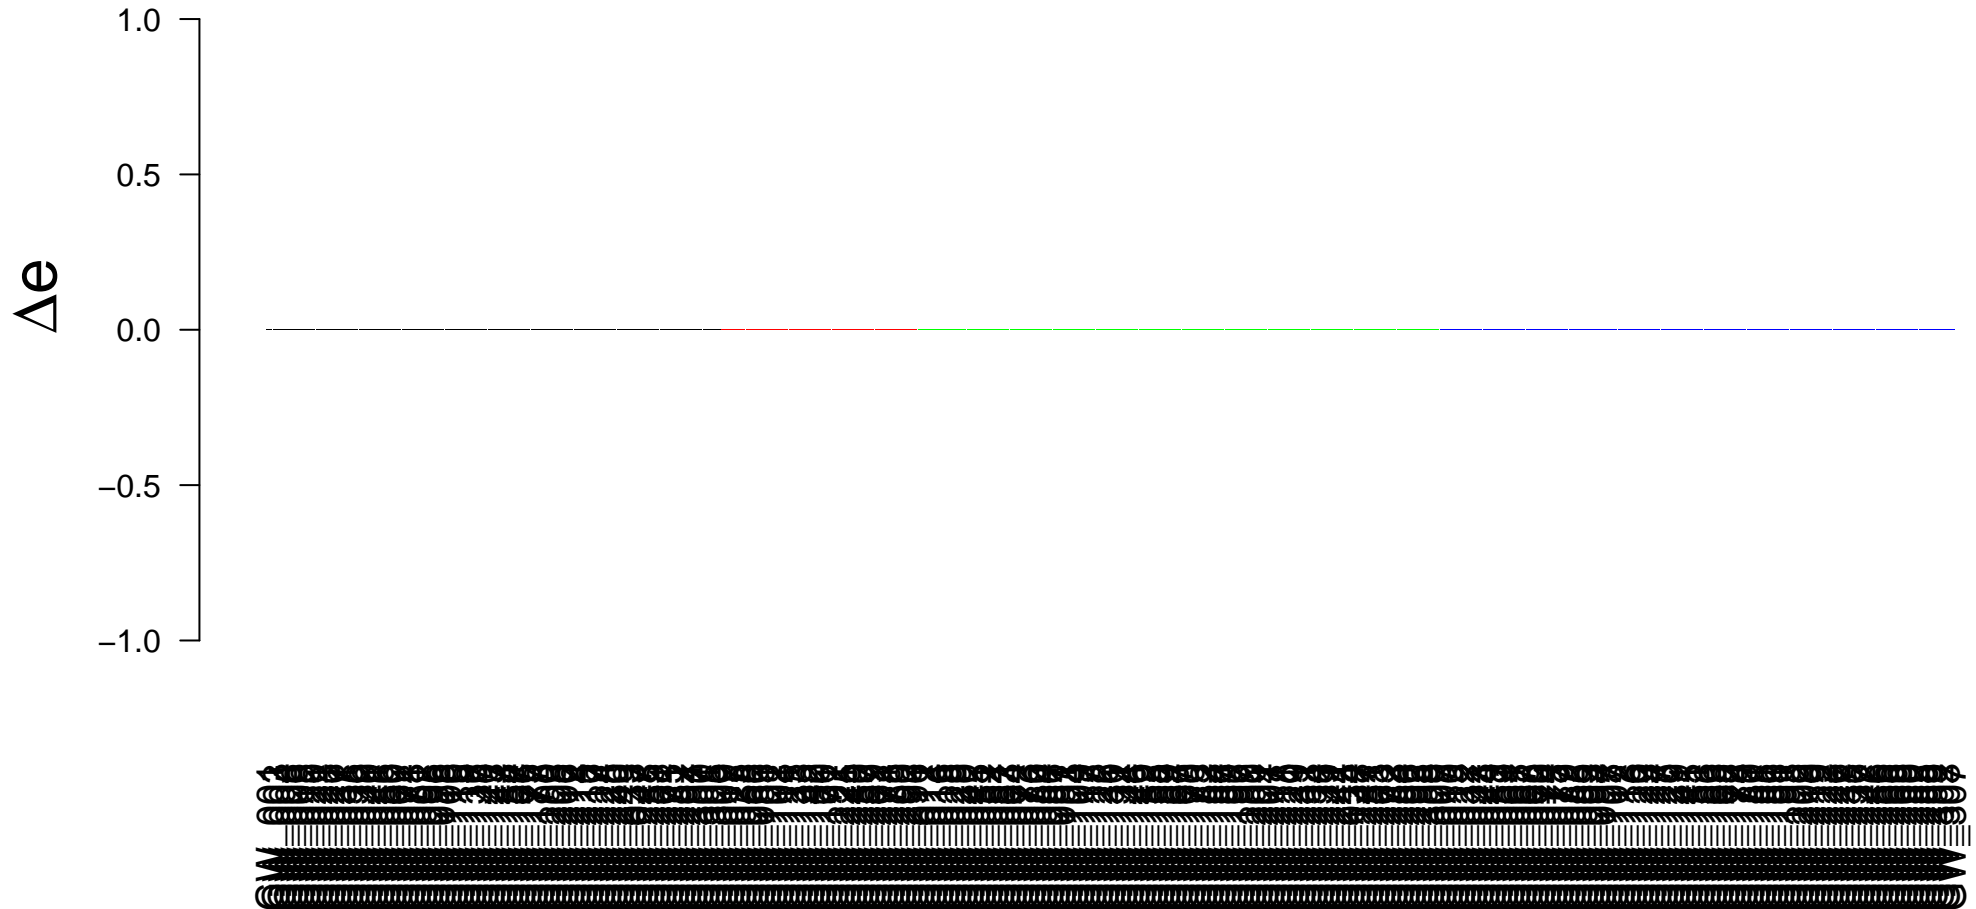

Expression of metalloexopeptidase activity in Spot O

Expression of metalloexopeptidase activity in Spot P

Expression of metalloexopeptidase activity in Spot Q

Expression of metalloexopeptidase activity in Spot R
