

metallopeptidase activity

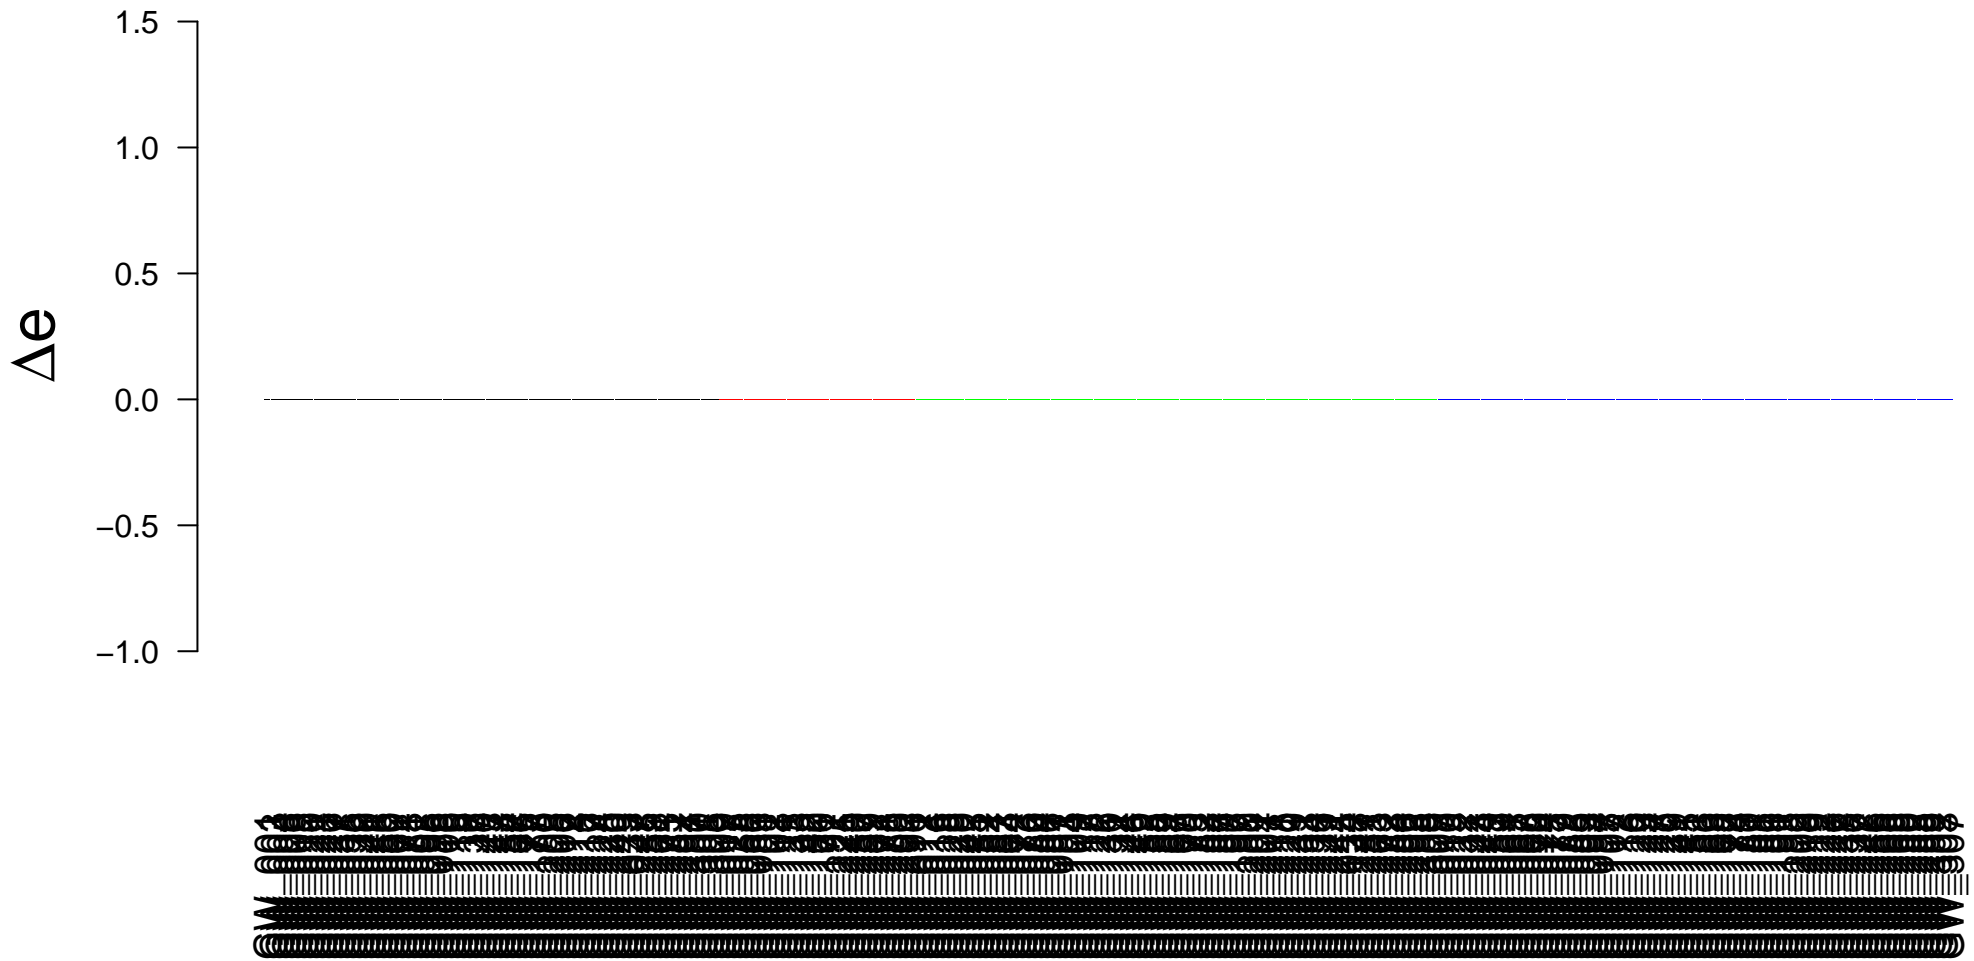

metallopeptidase activity

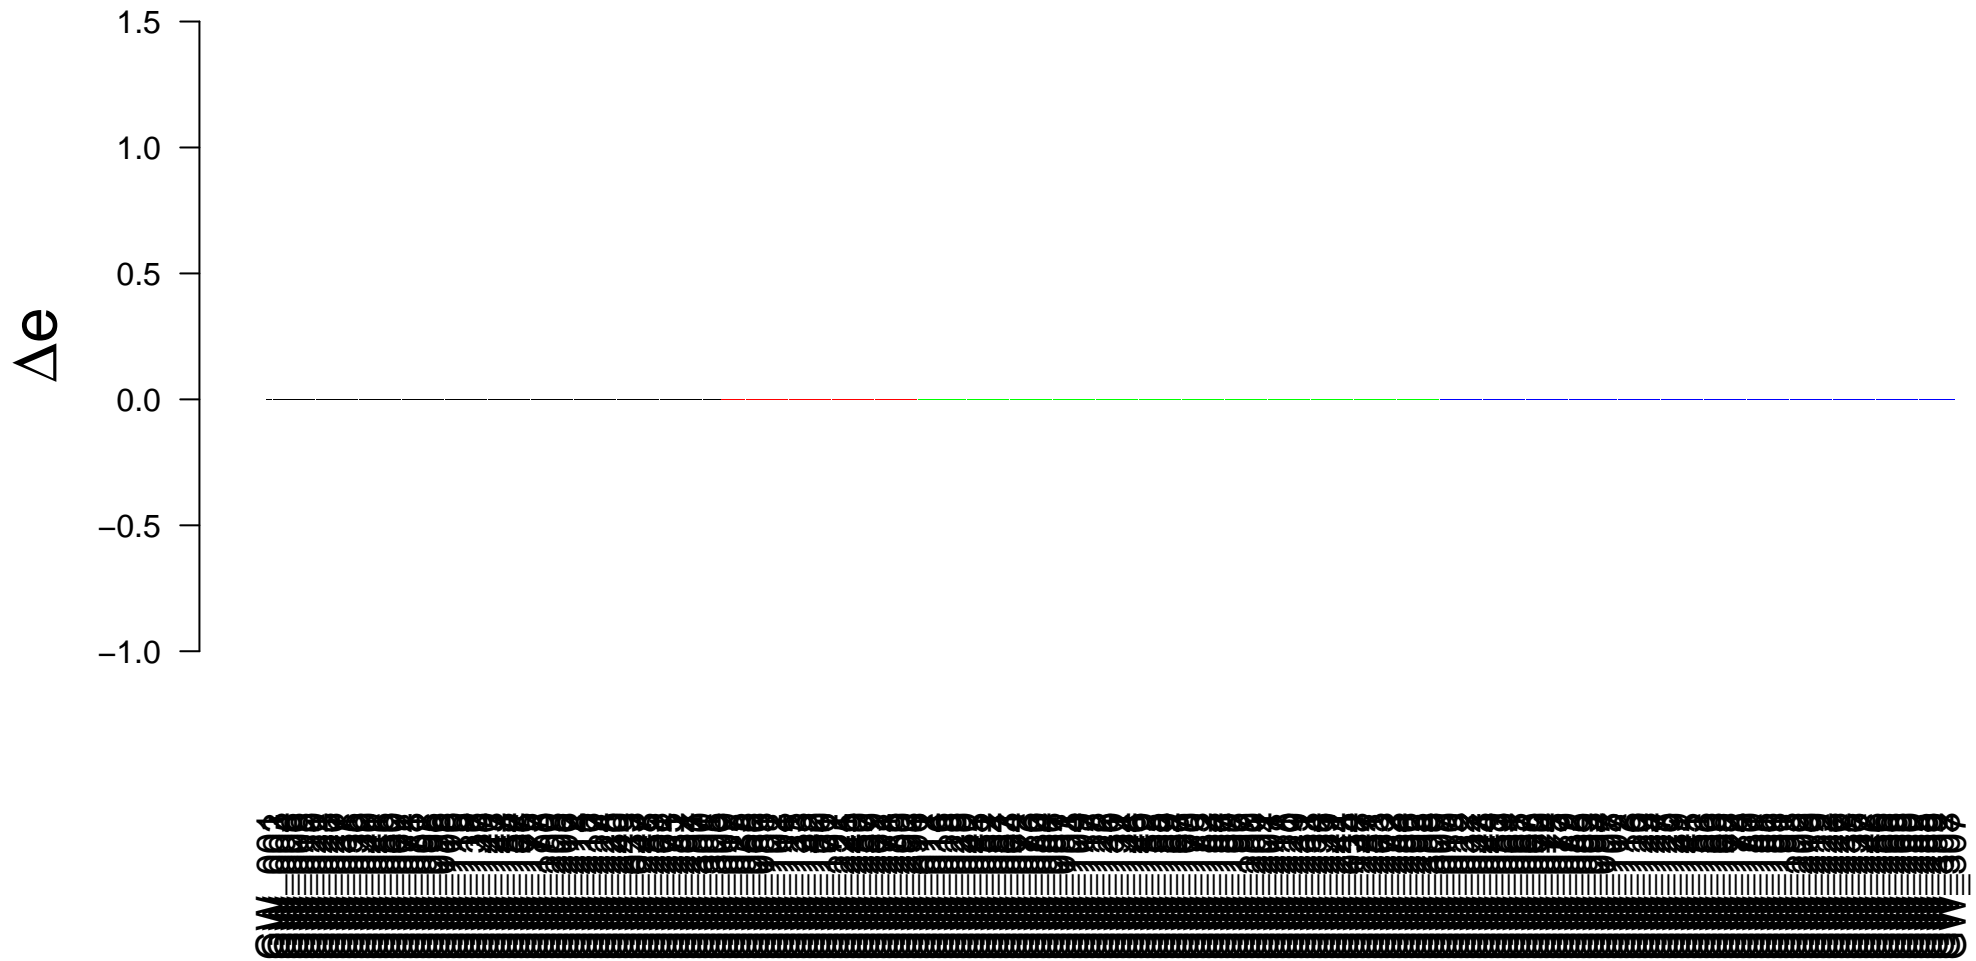

Enrichment in spots: metallopeptidase activity

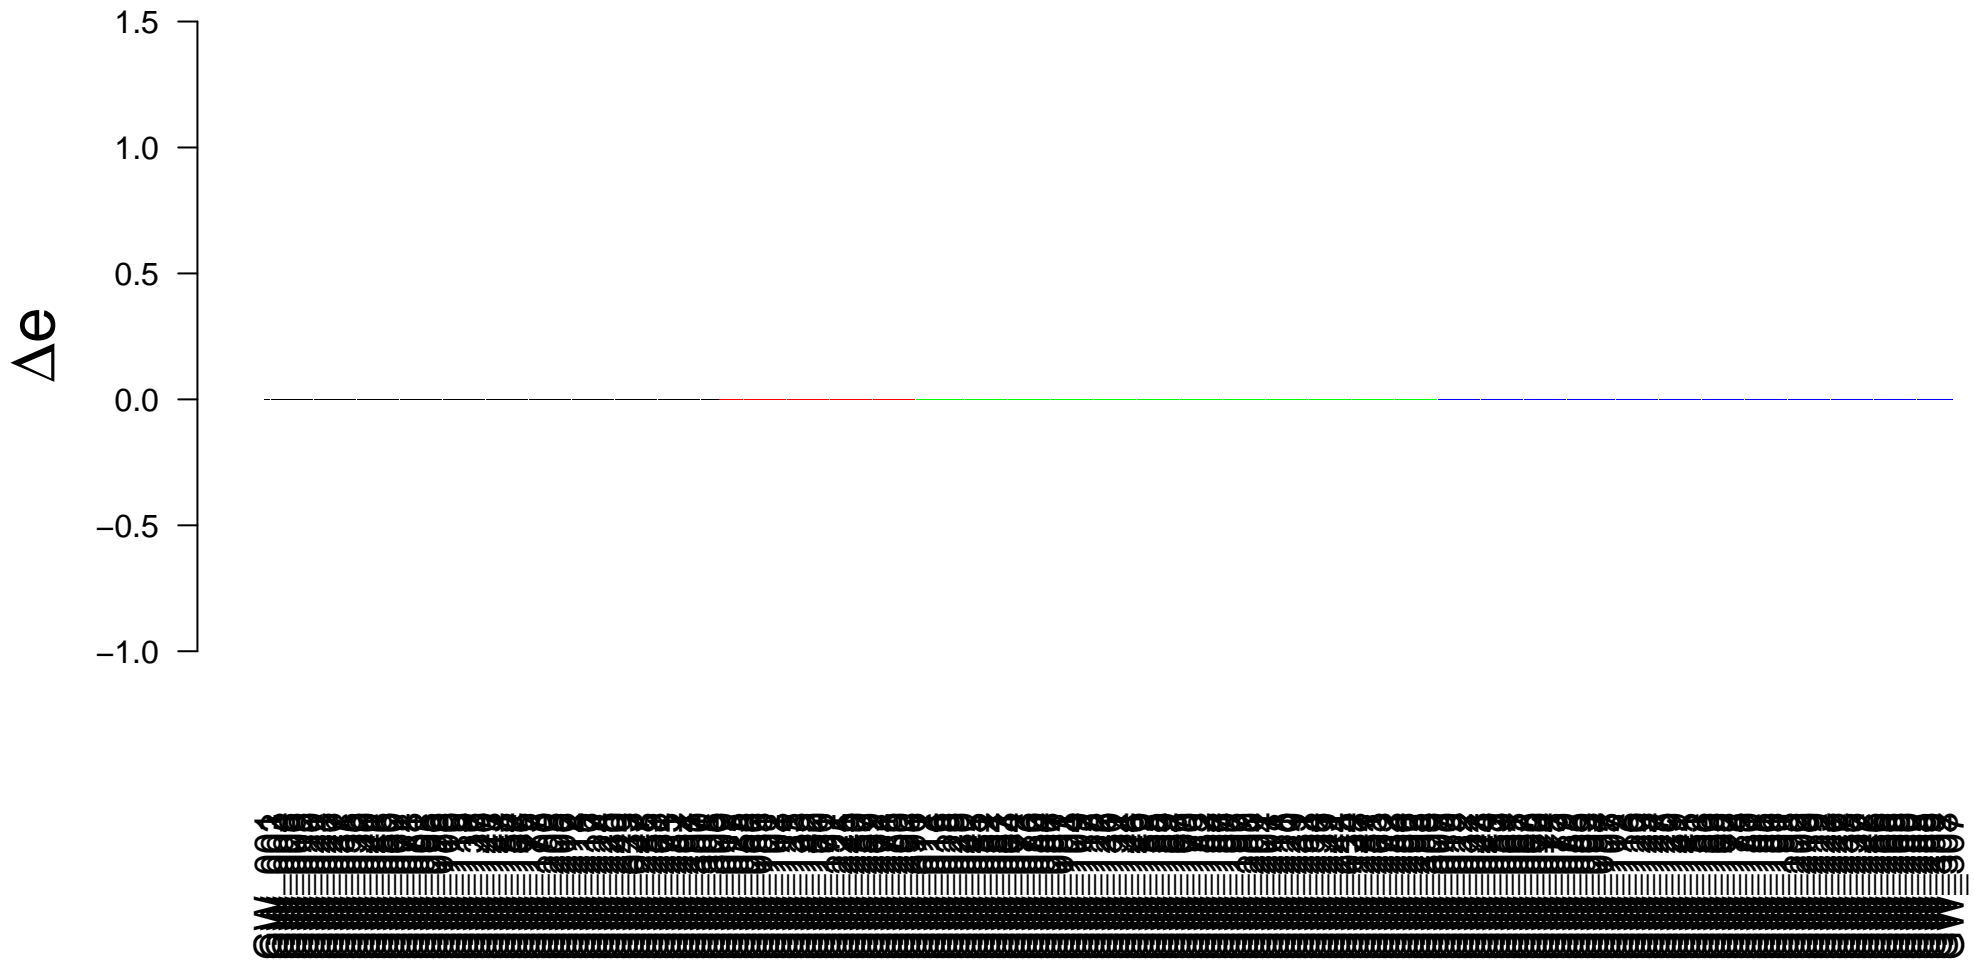

Expression of metallopeptidase activity in Spot A

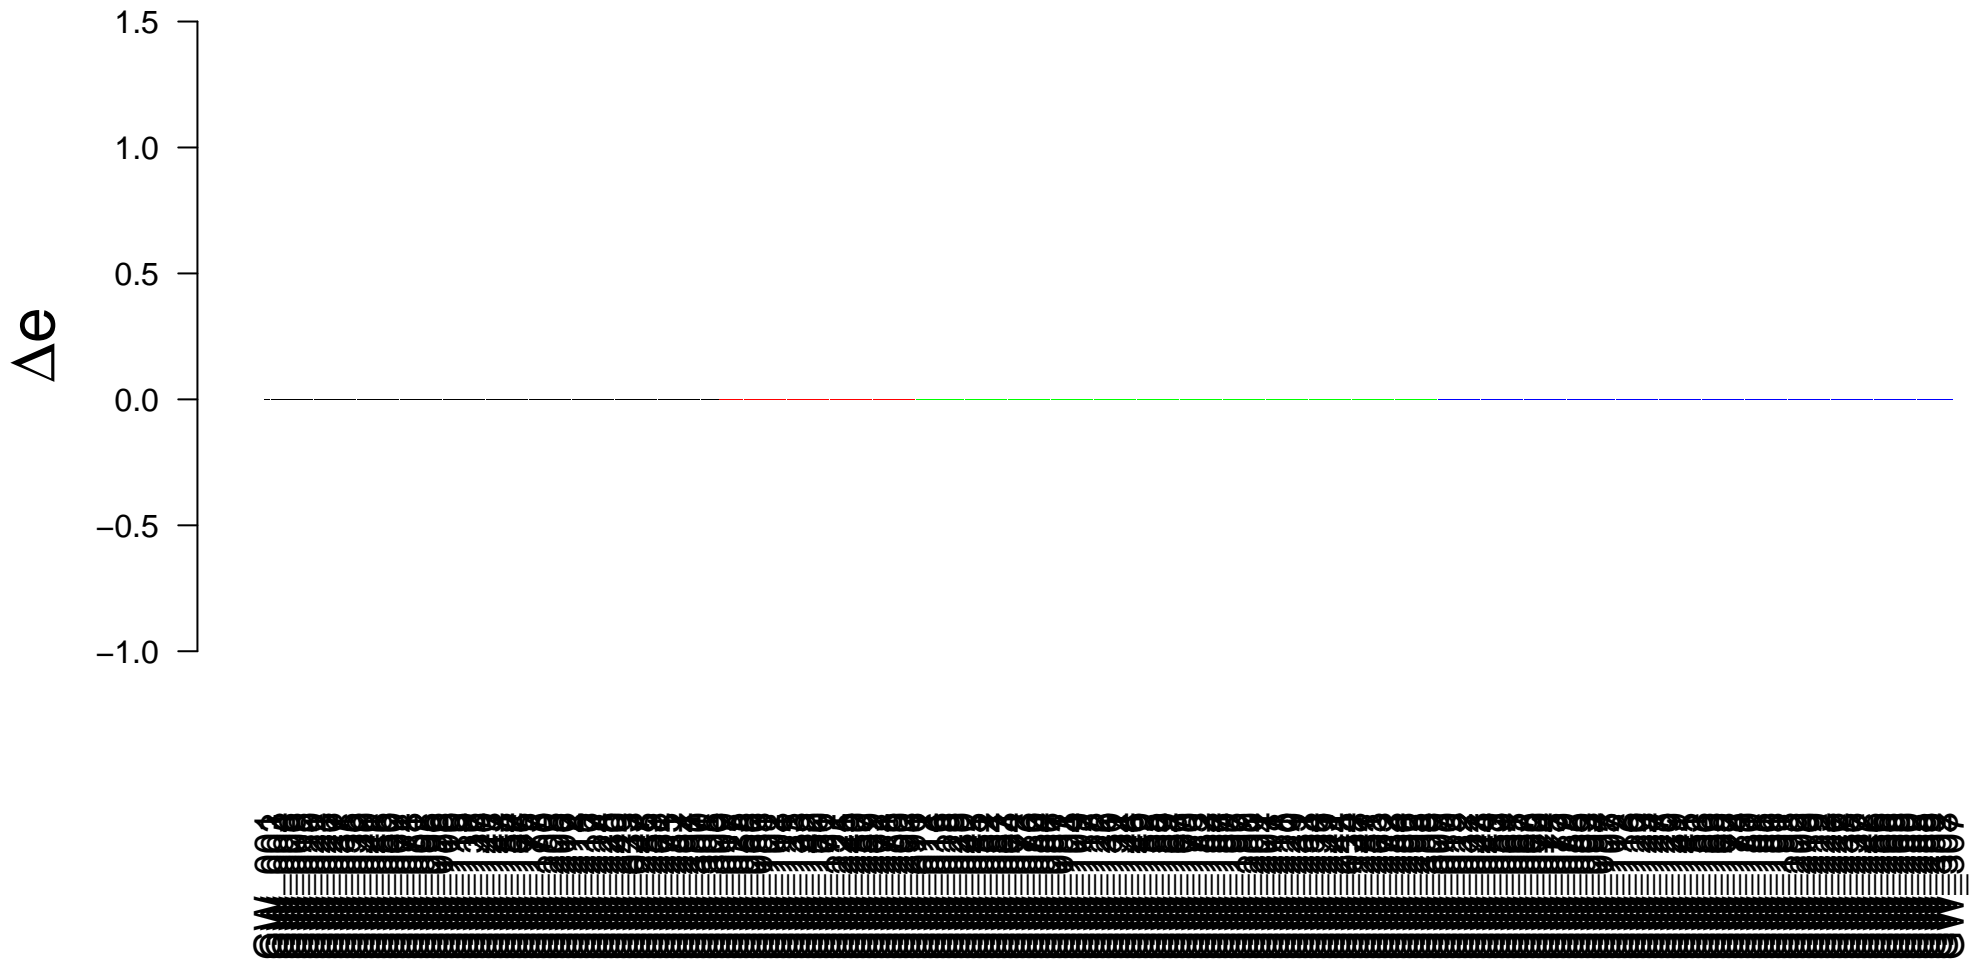

Expression of metallopeptidase activity in Spot B

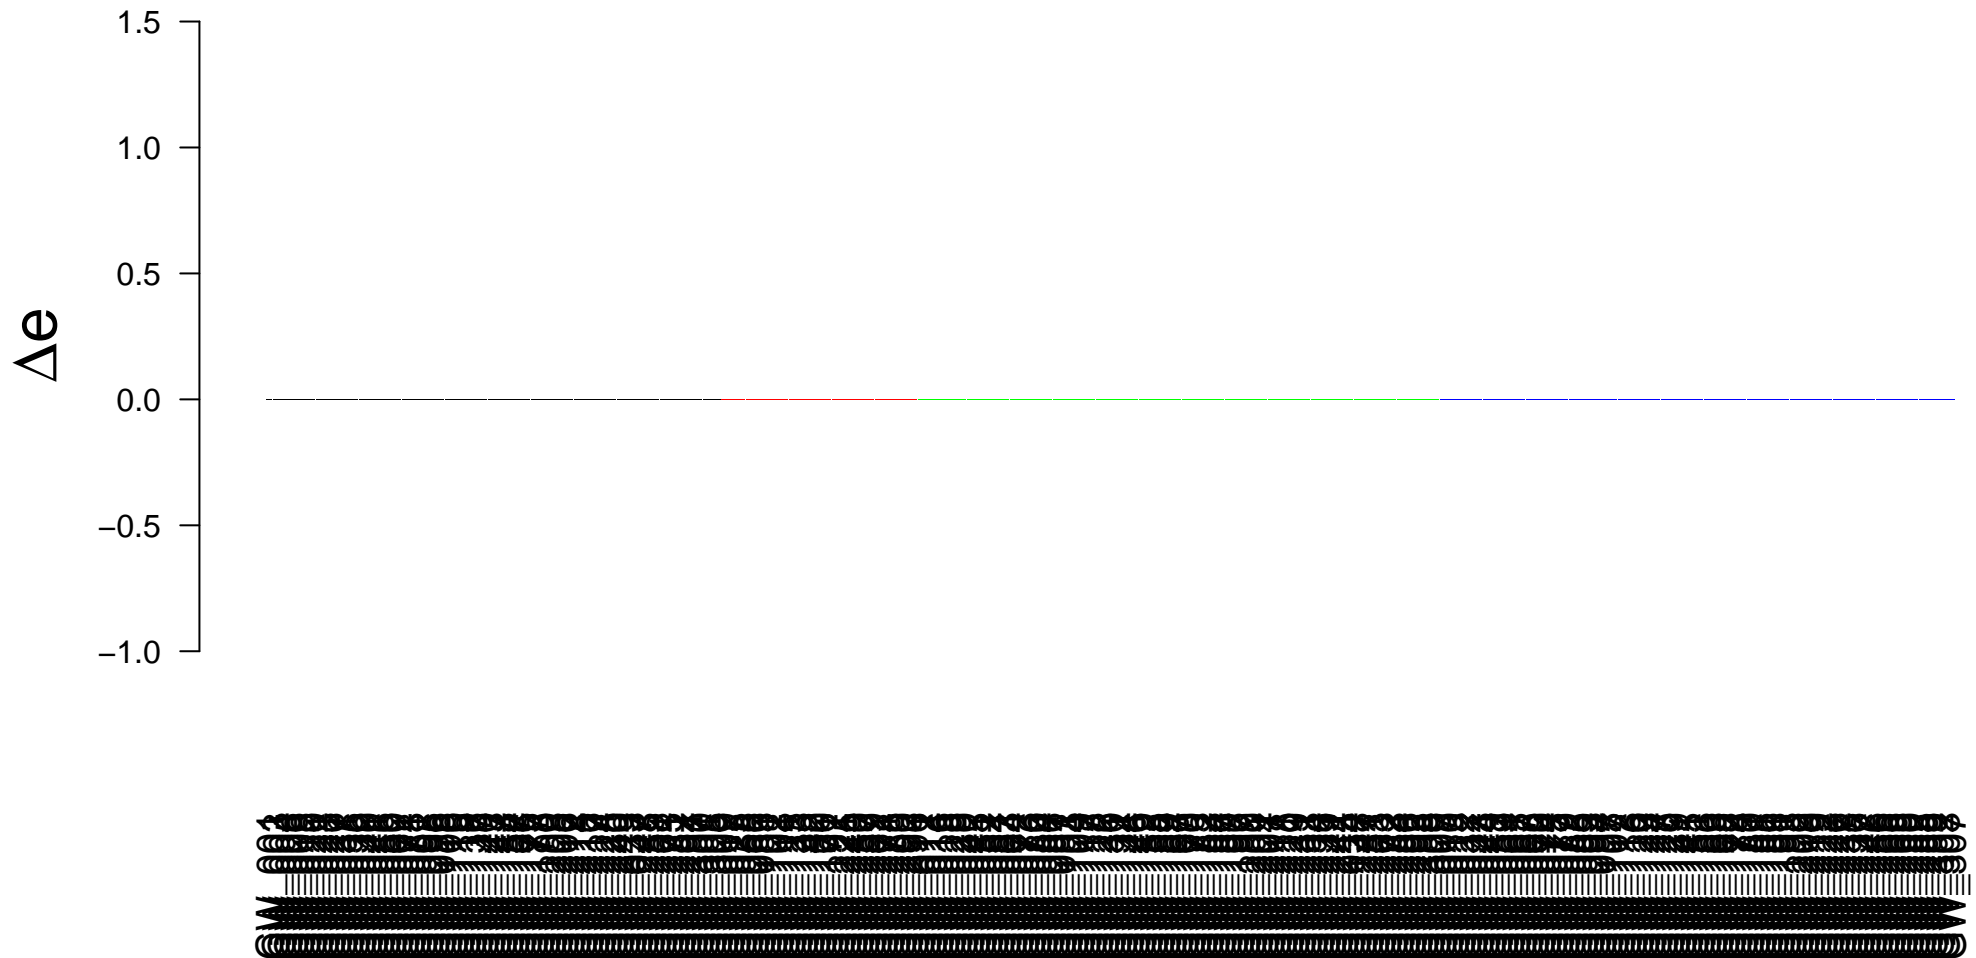

Expression of metallopeptidase activity in Spot C

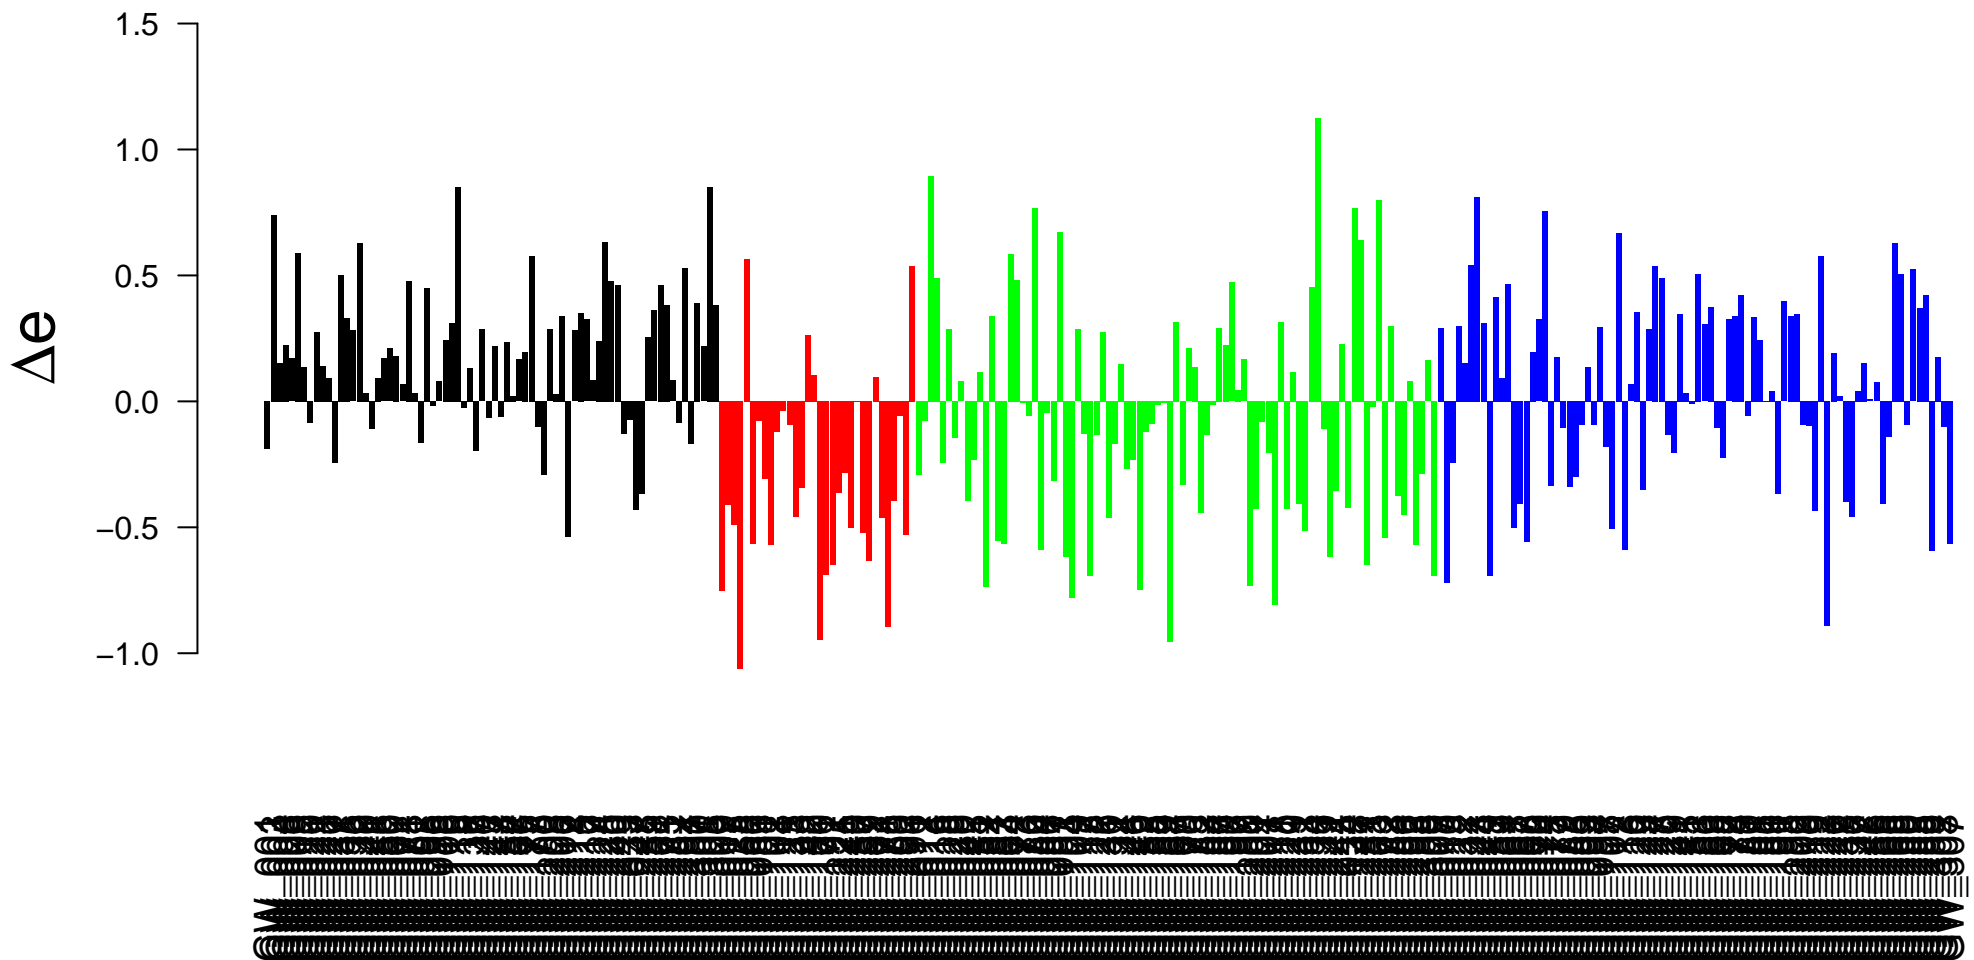

Expression of metallopeptidase activity in Spot D

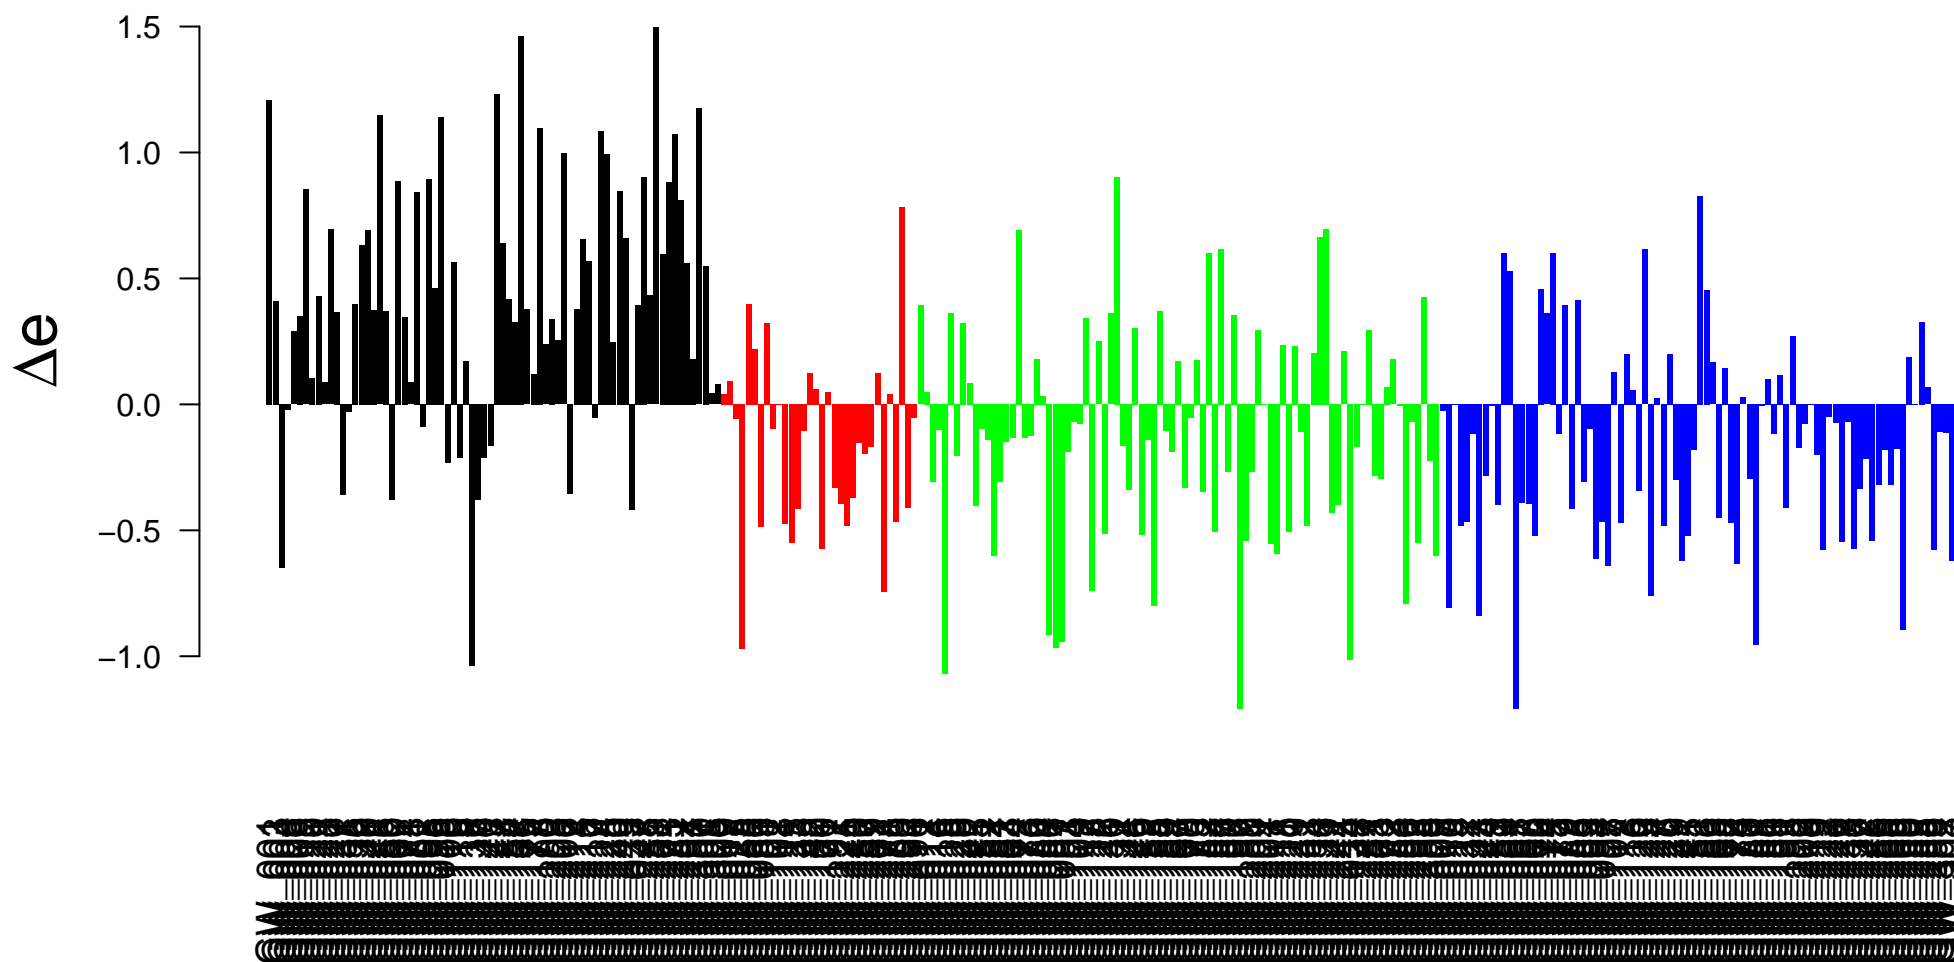

Expression of metallopeptidase activity in Spot E

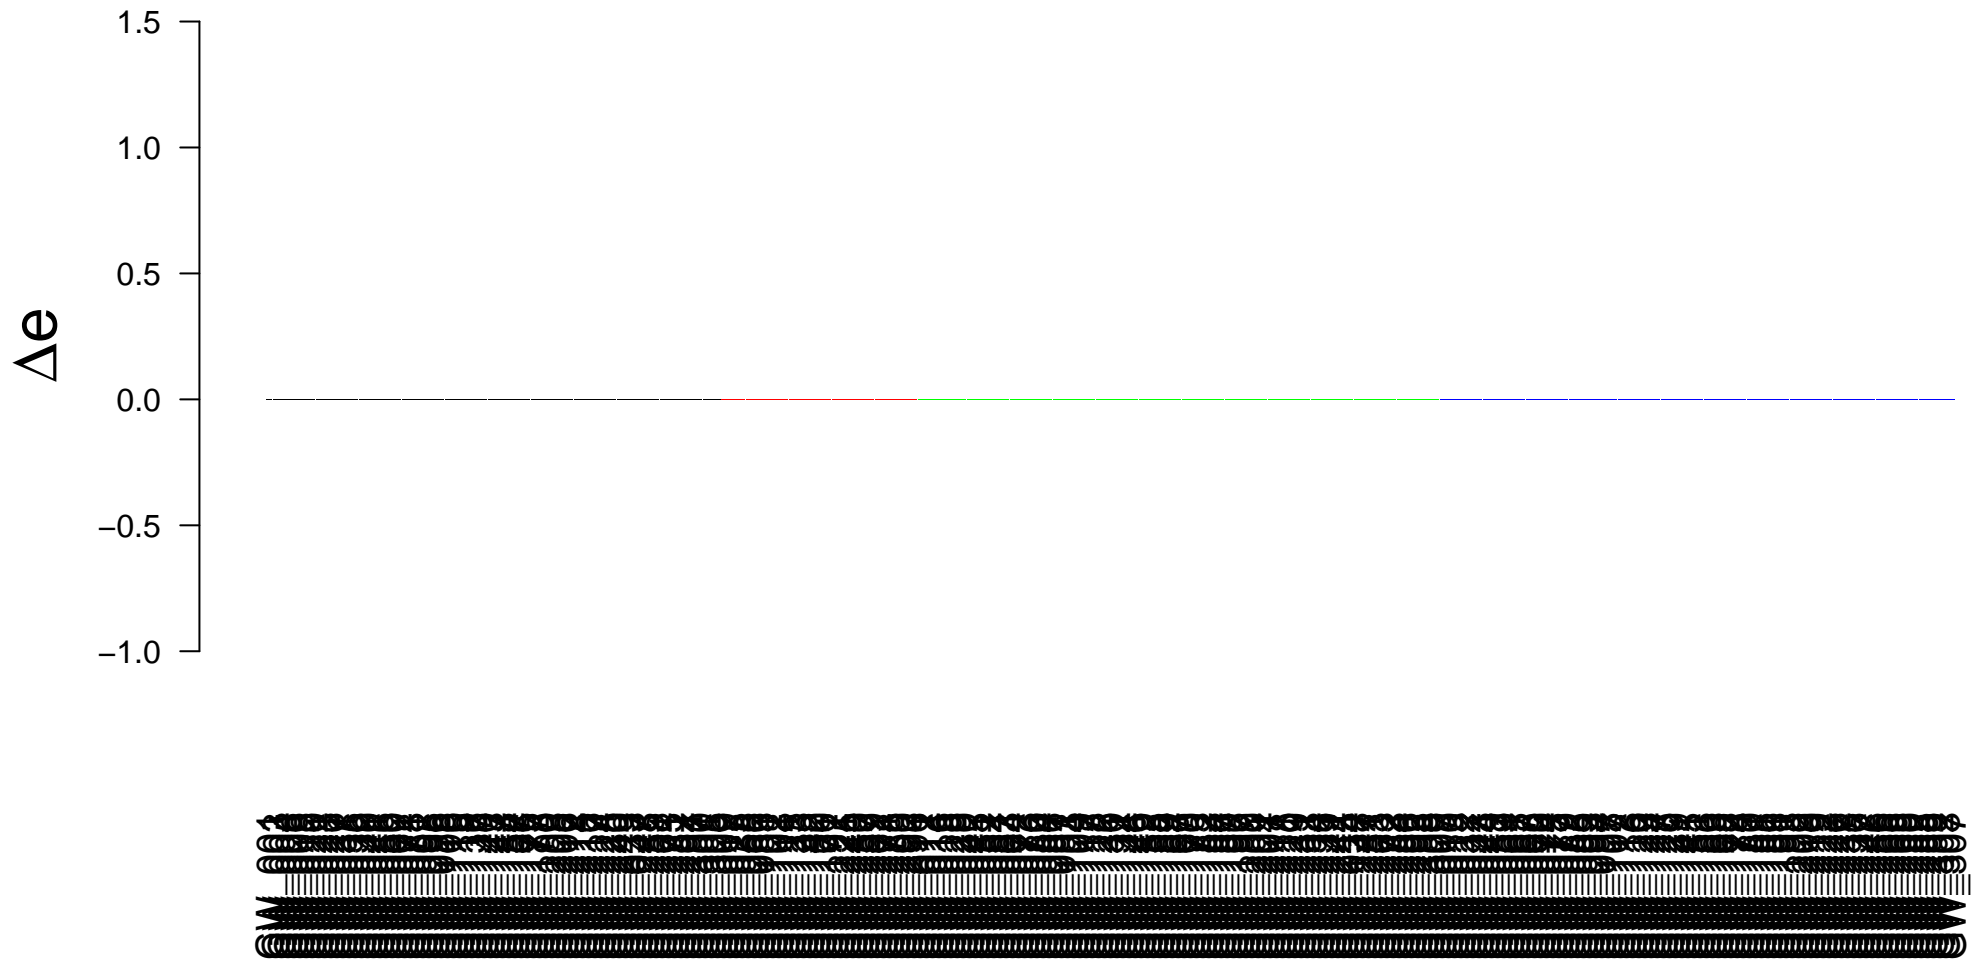

Expression of metallopeptidase activity in Spot F

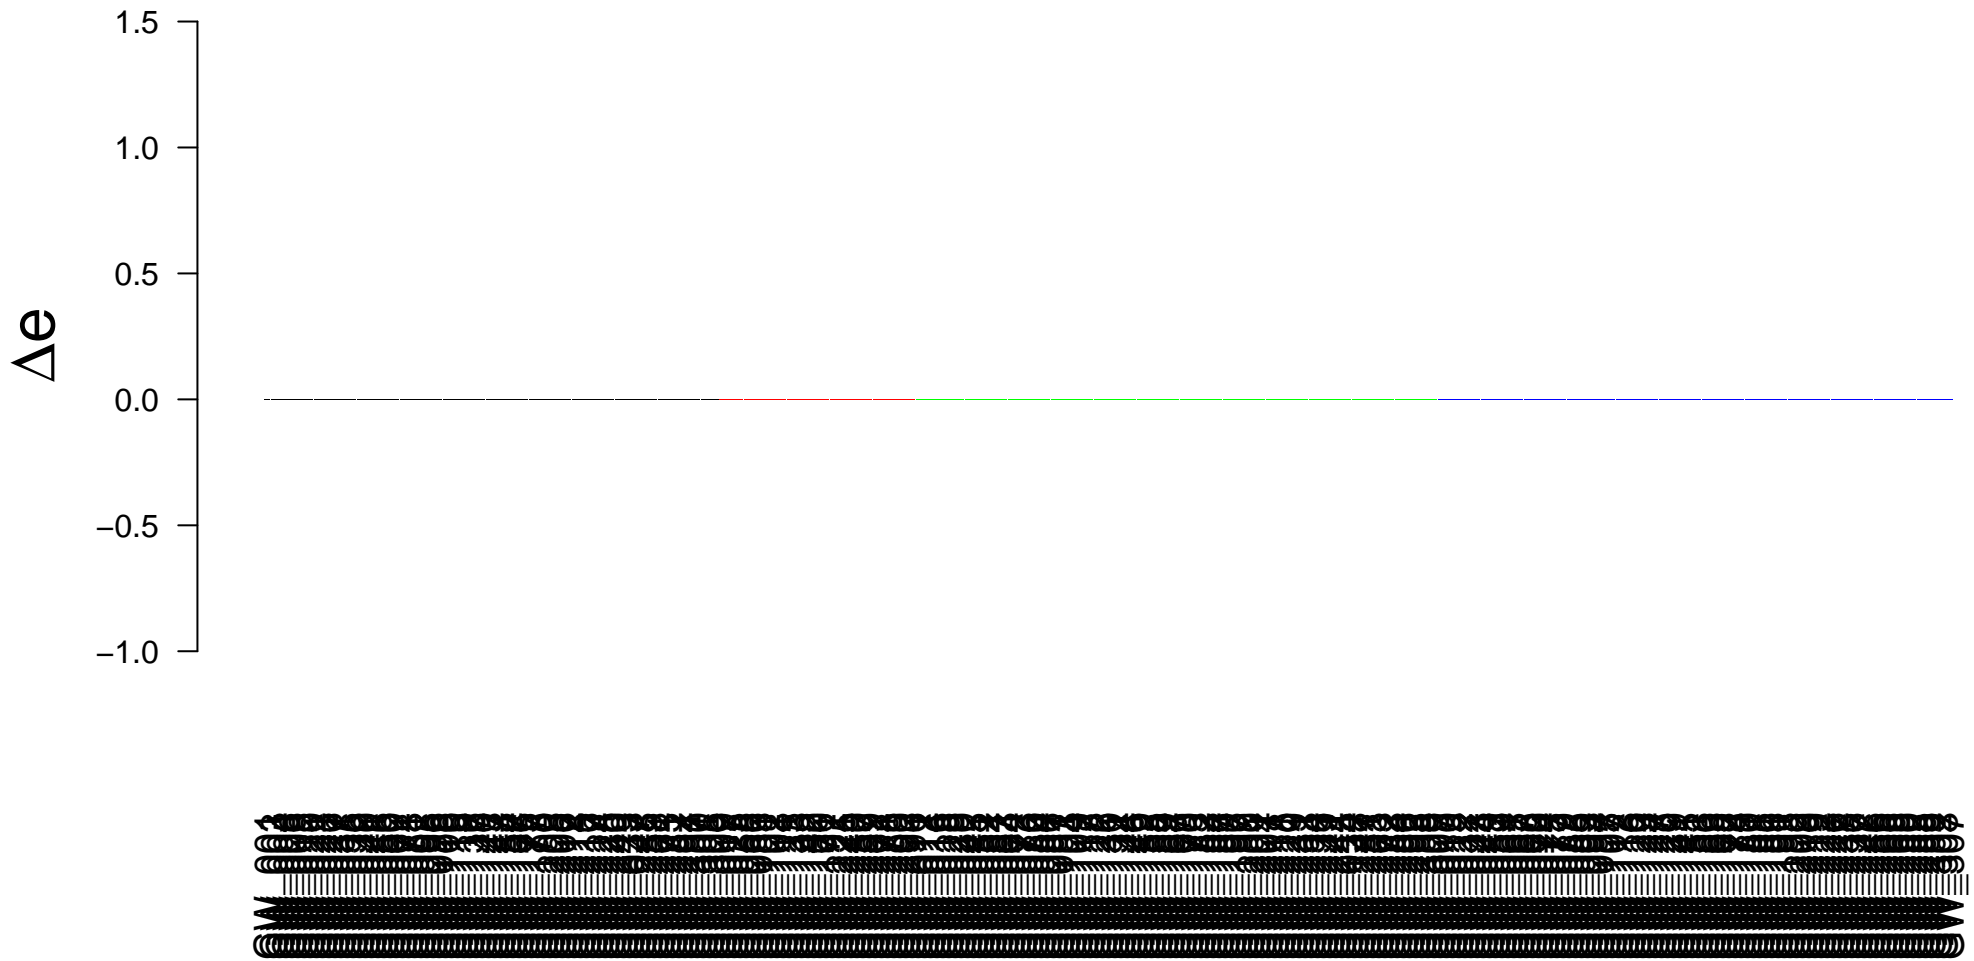

Expression of metallopeptidase activity in Spot G

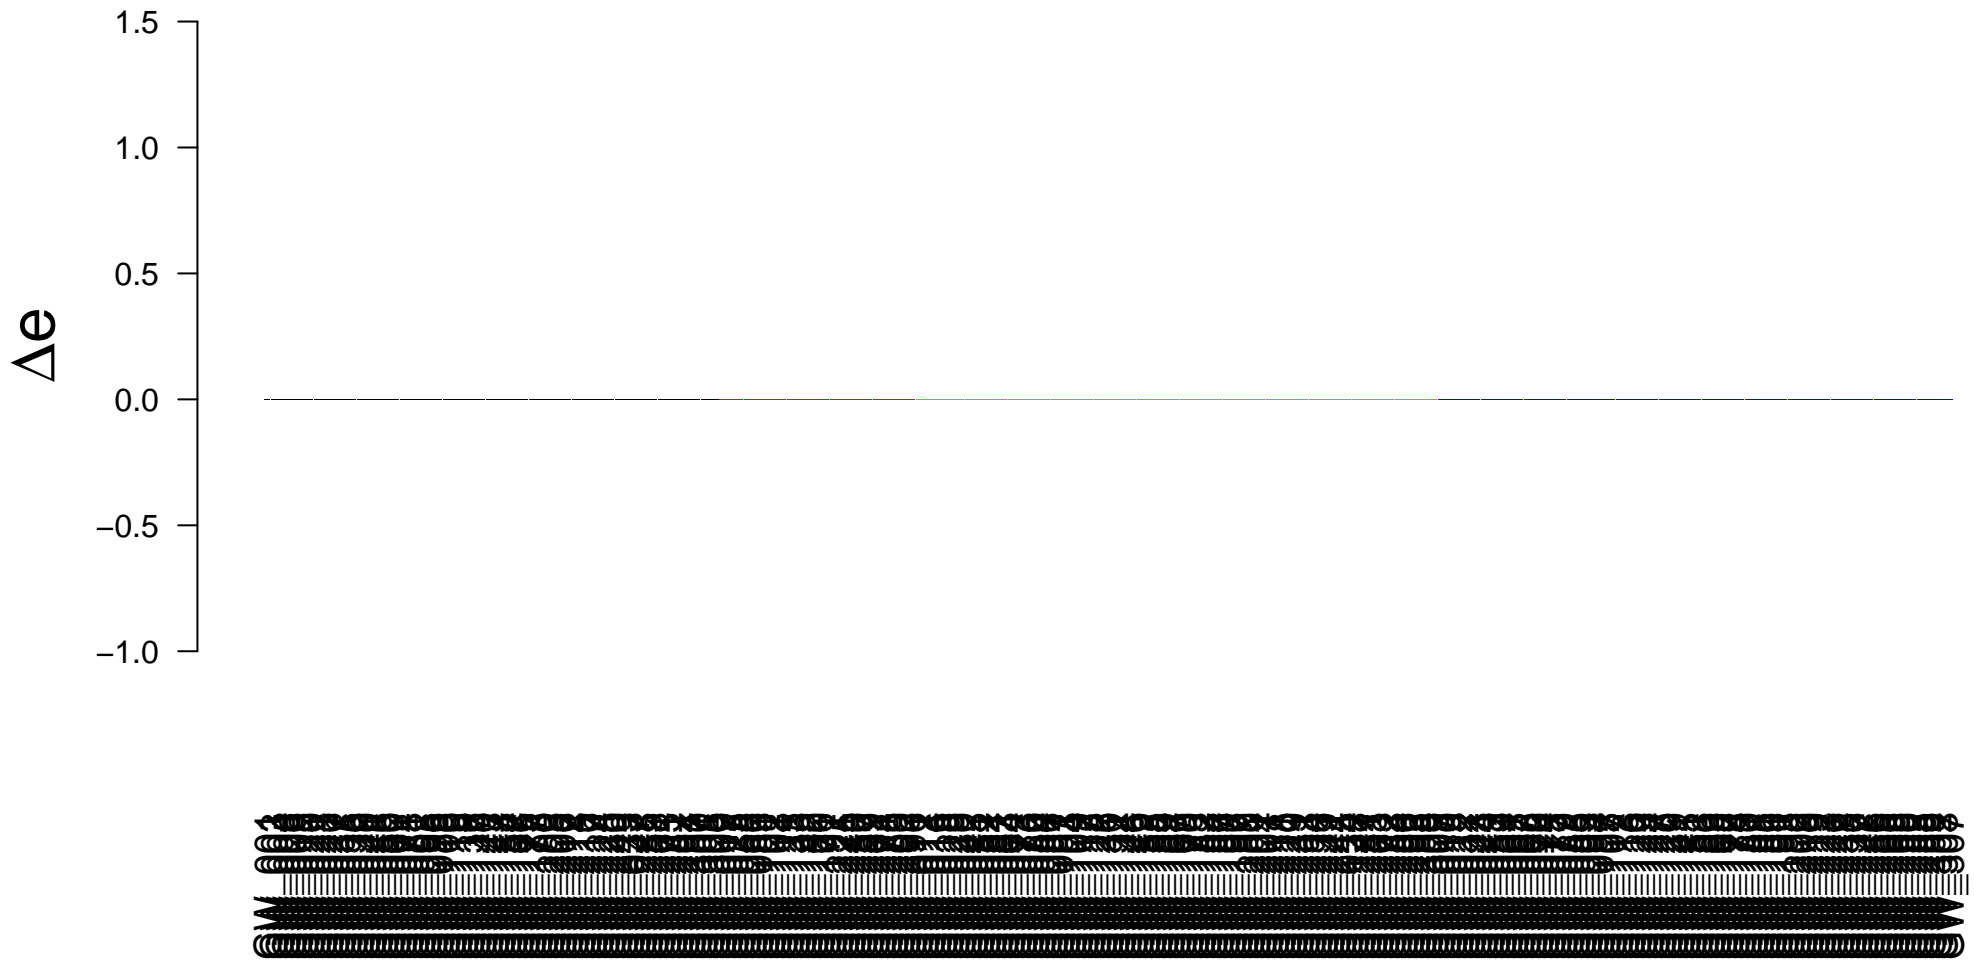

Expression of metallopeptidase activity in Spot H

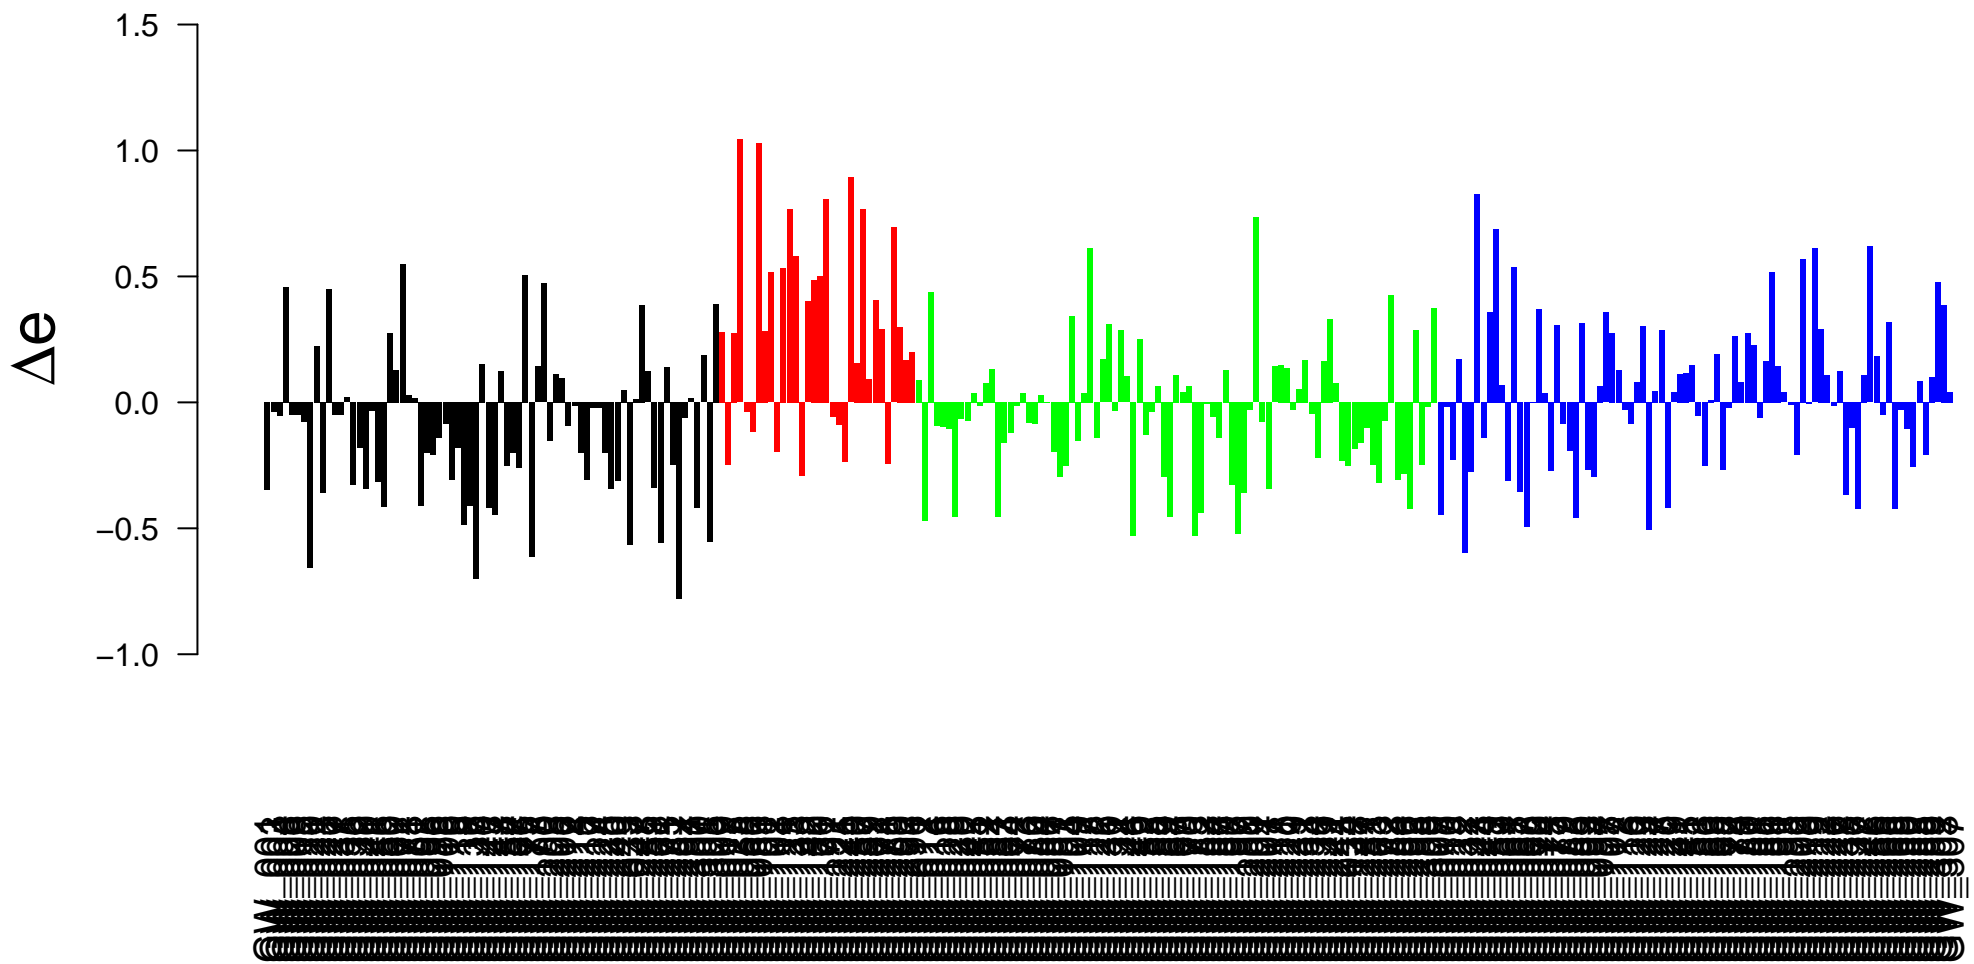

Expression of metallopeptidase activity in Spot I

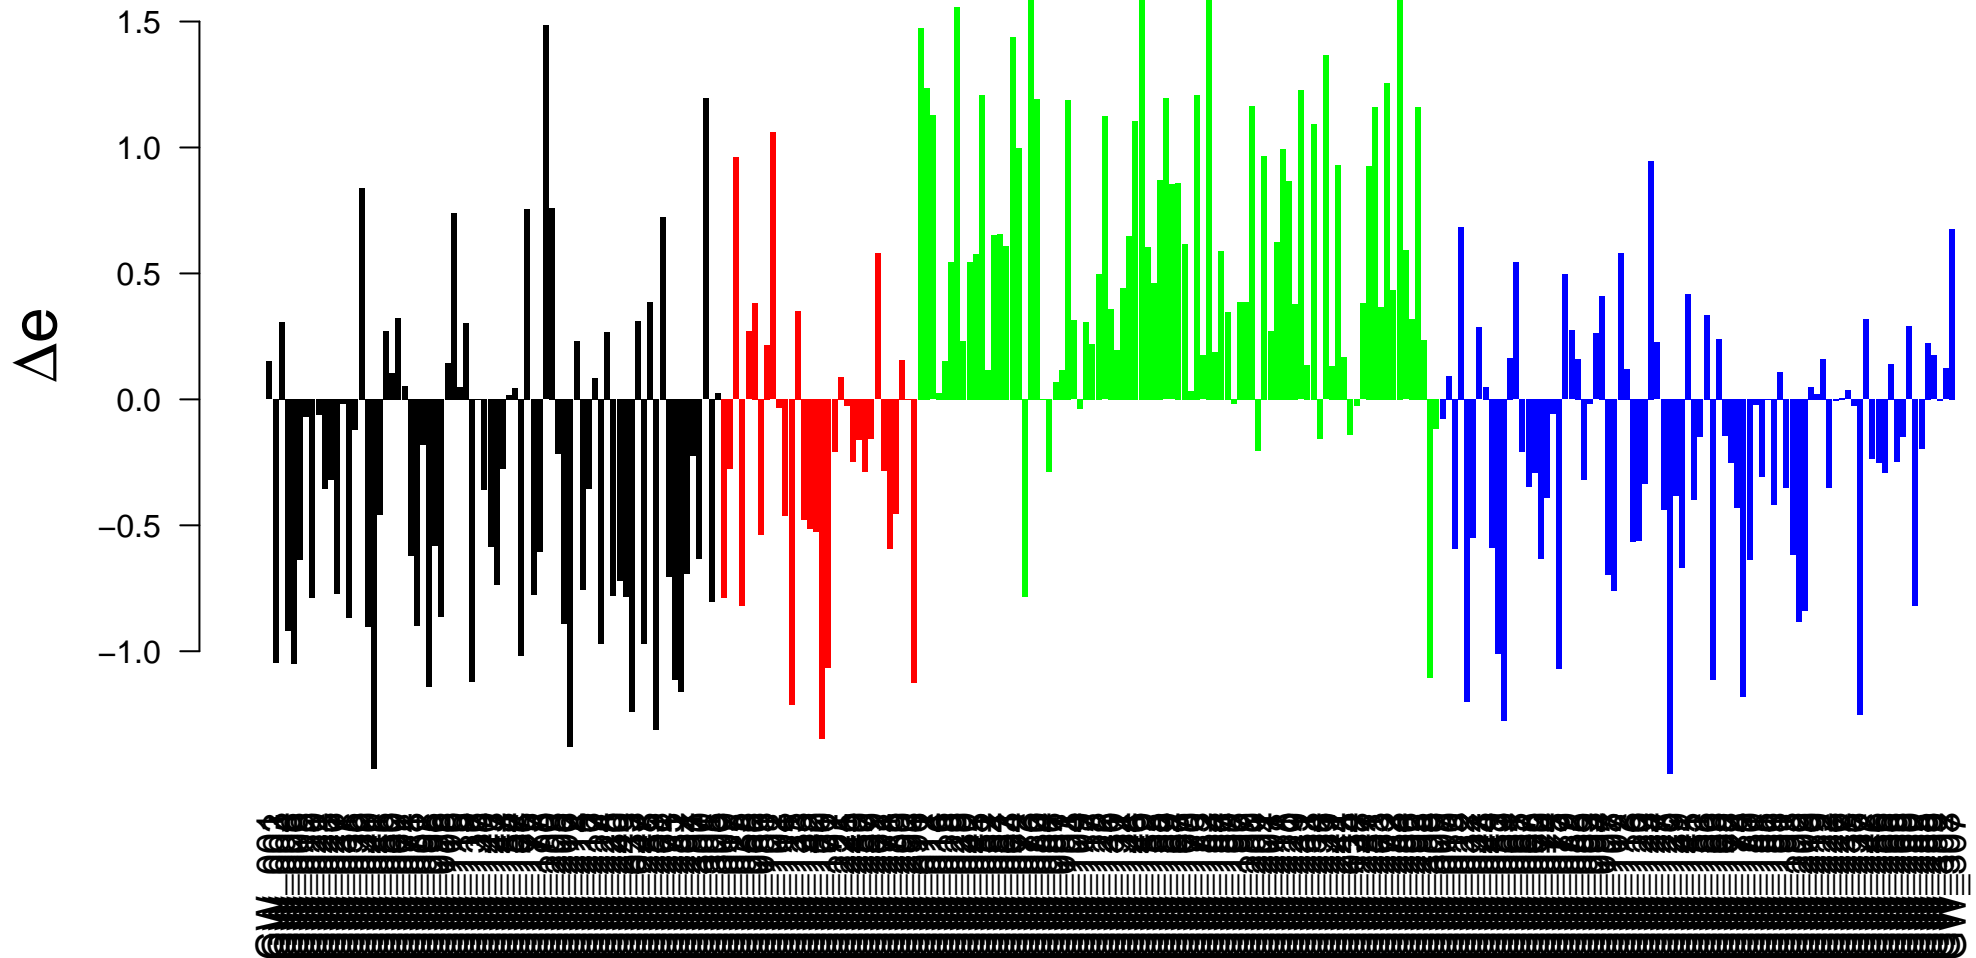

Expression of metallopeptidase activity in Spot J

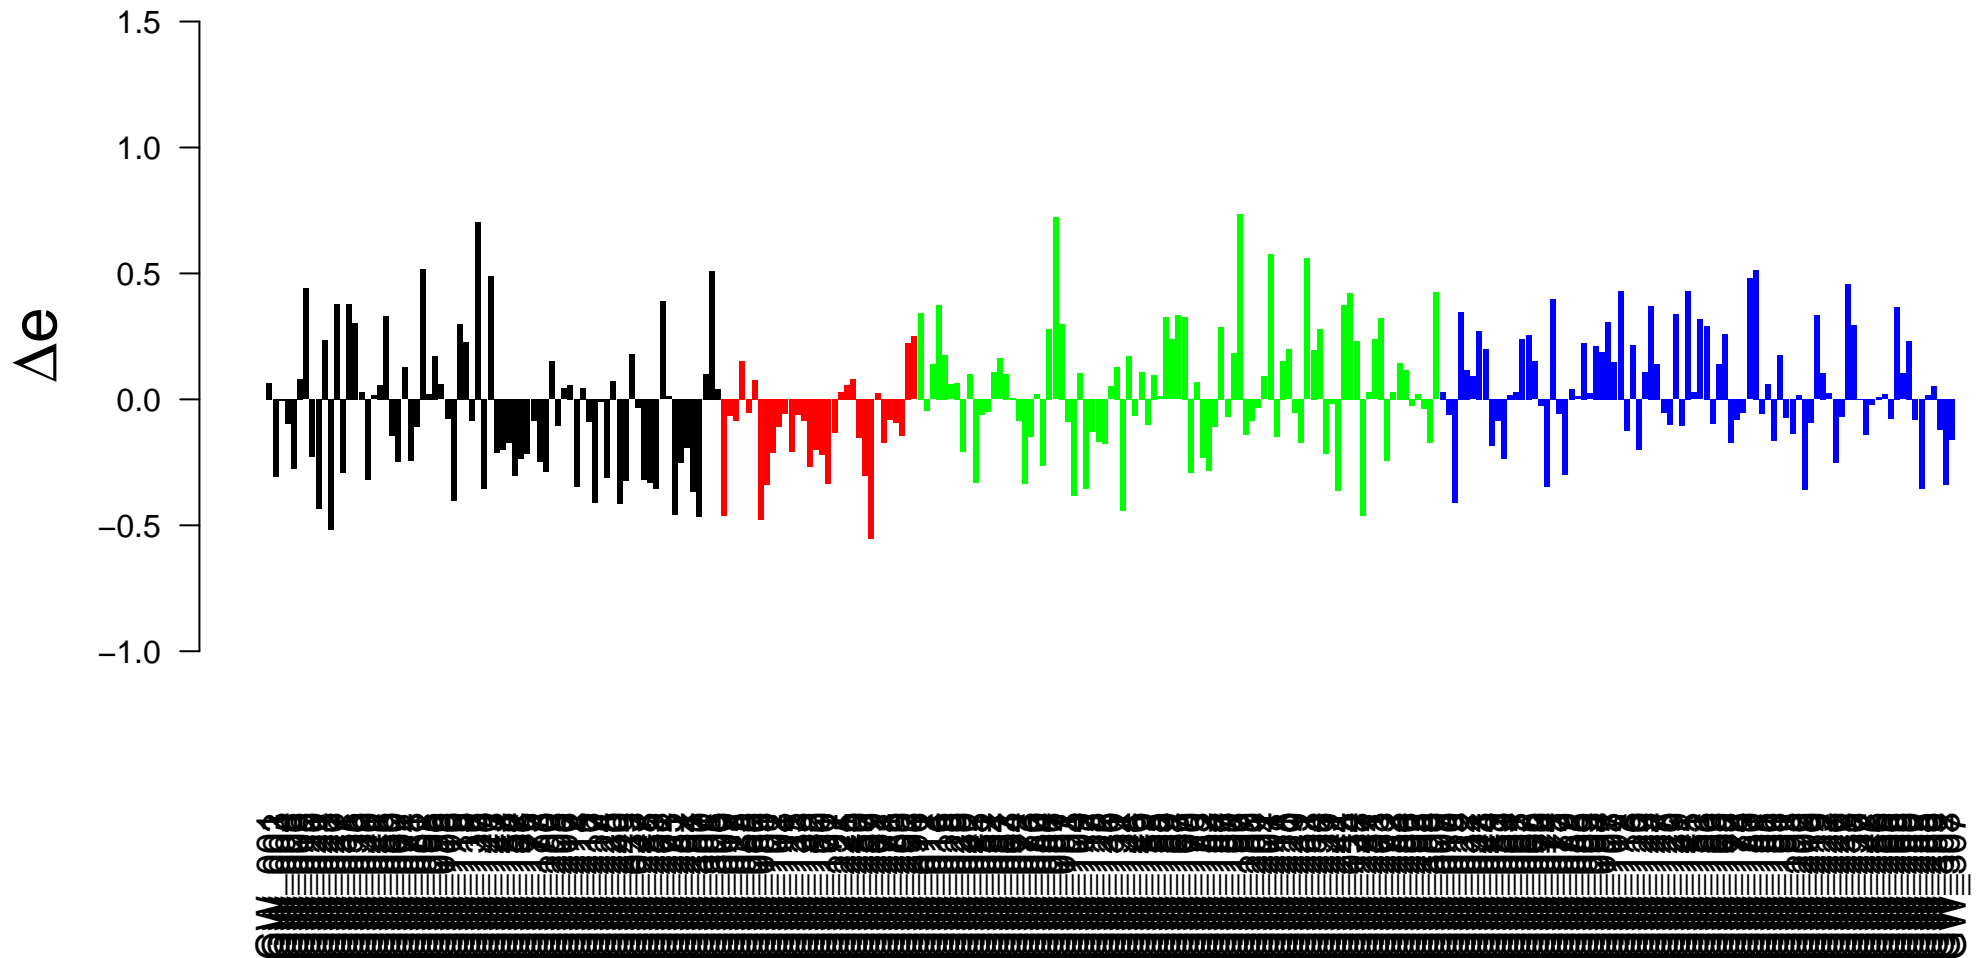

Expression of metallopeptidase activity in Spot K

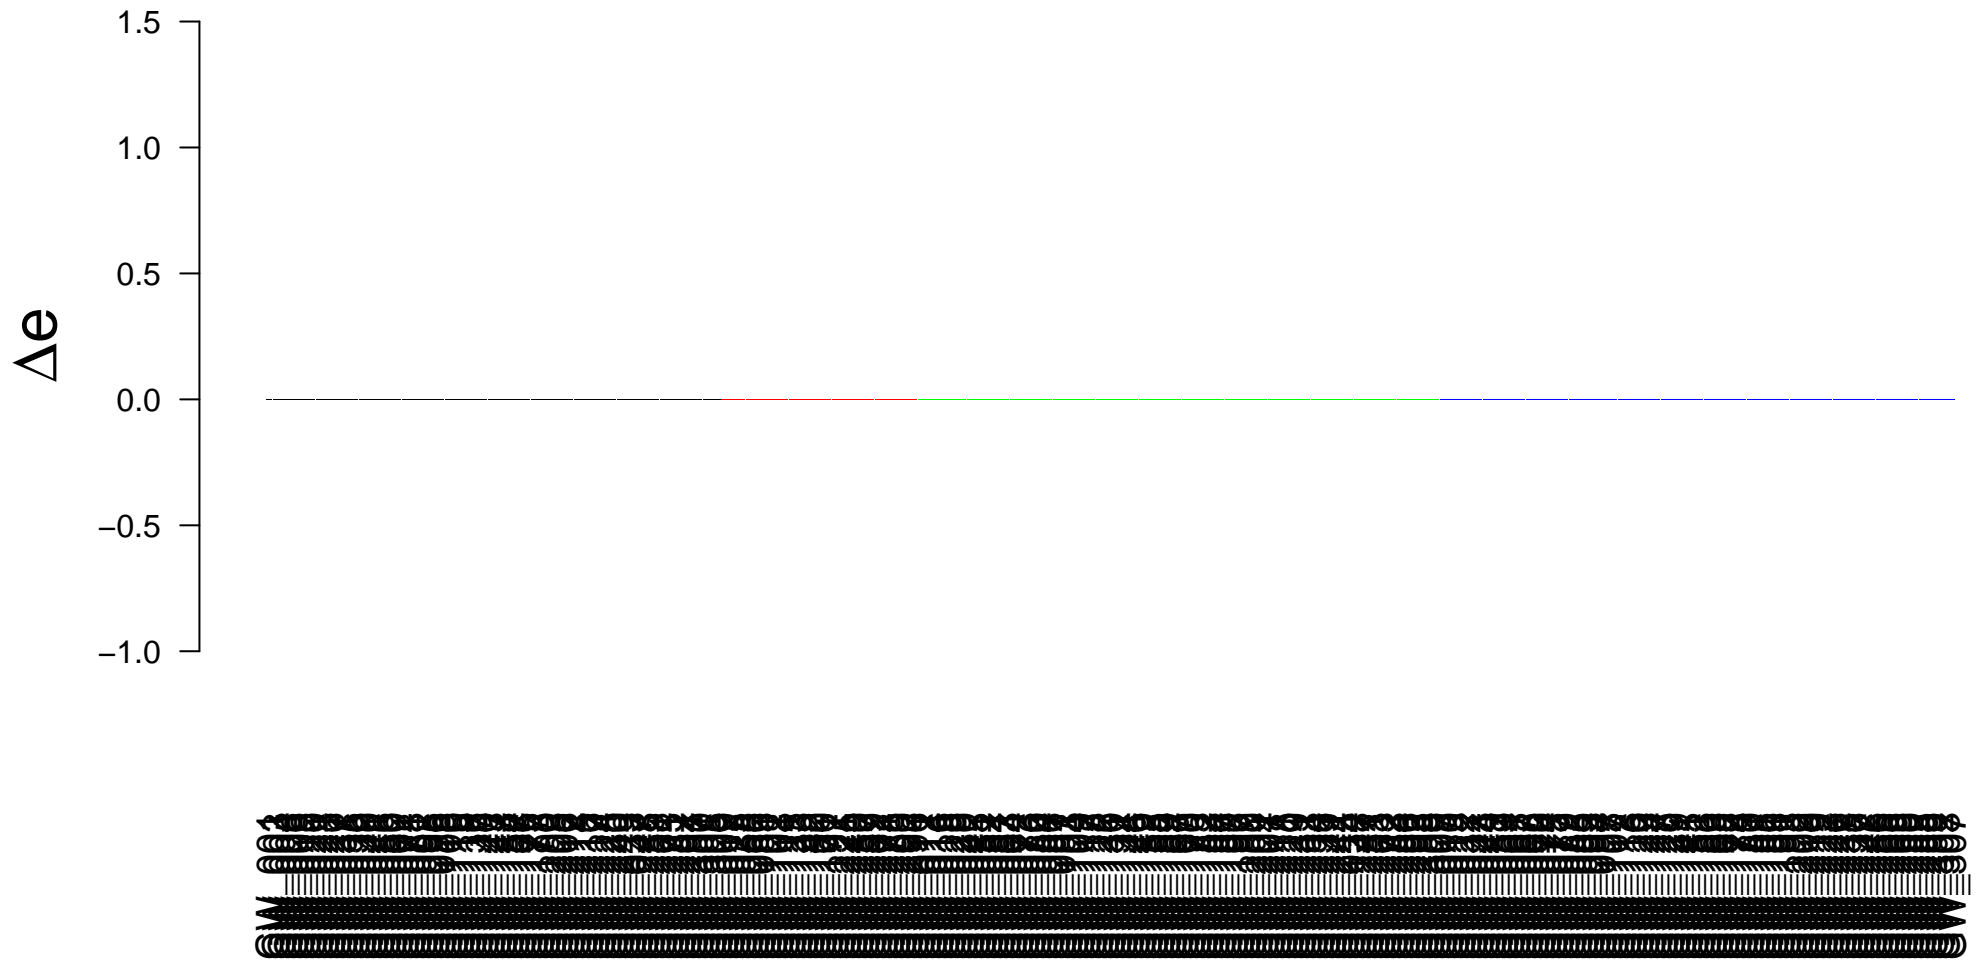

Expression of metallopeptidase activity in Spot L

Expression of metallopeptidase activity in Spot M

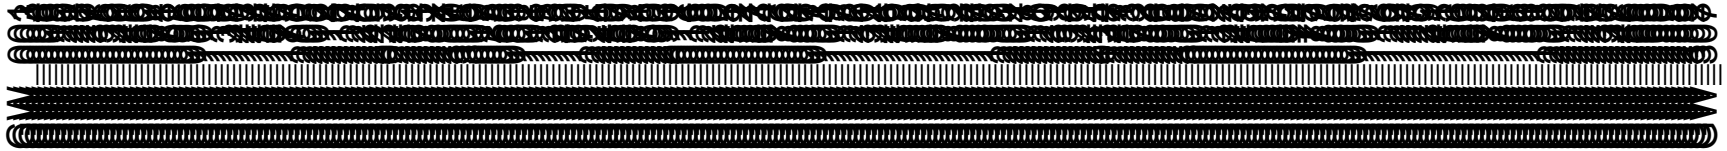

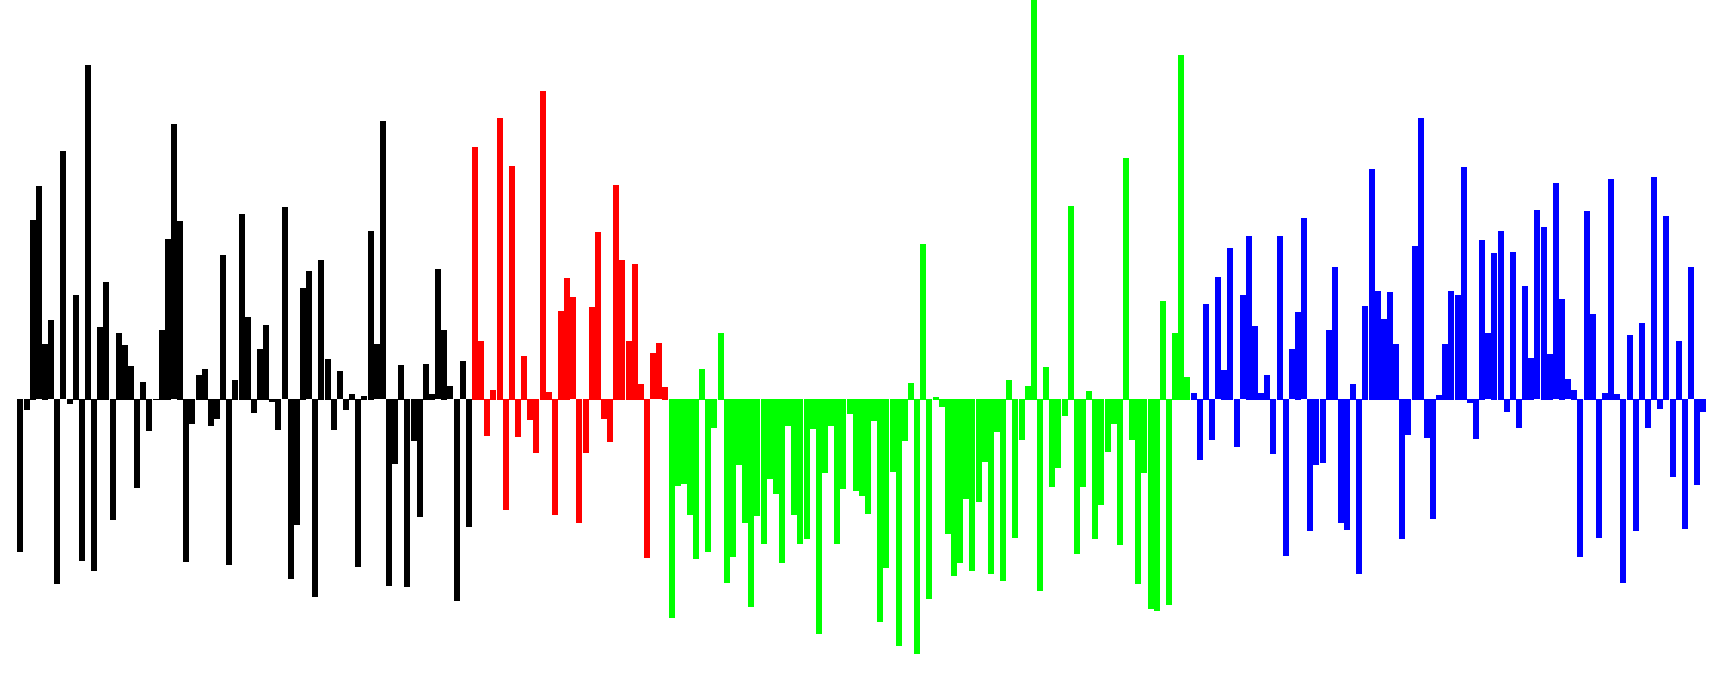

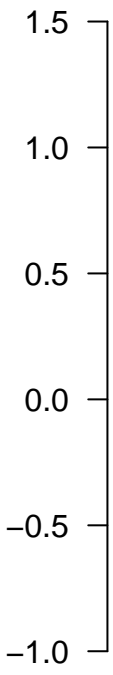

Expression of metallopeptidase activity in Spot N

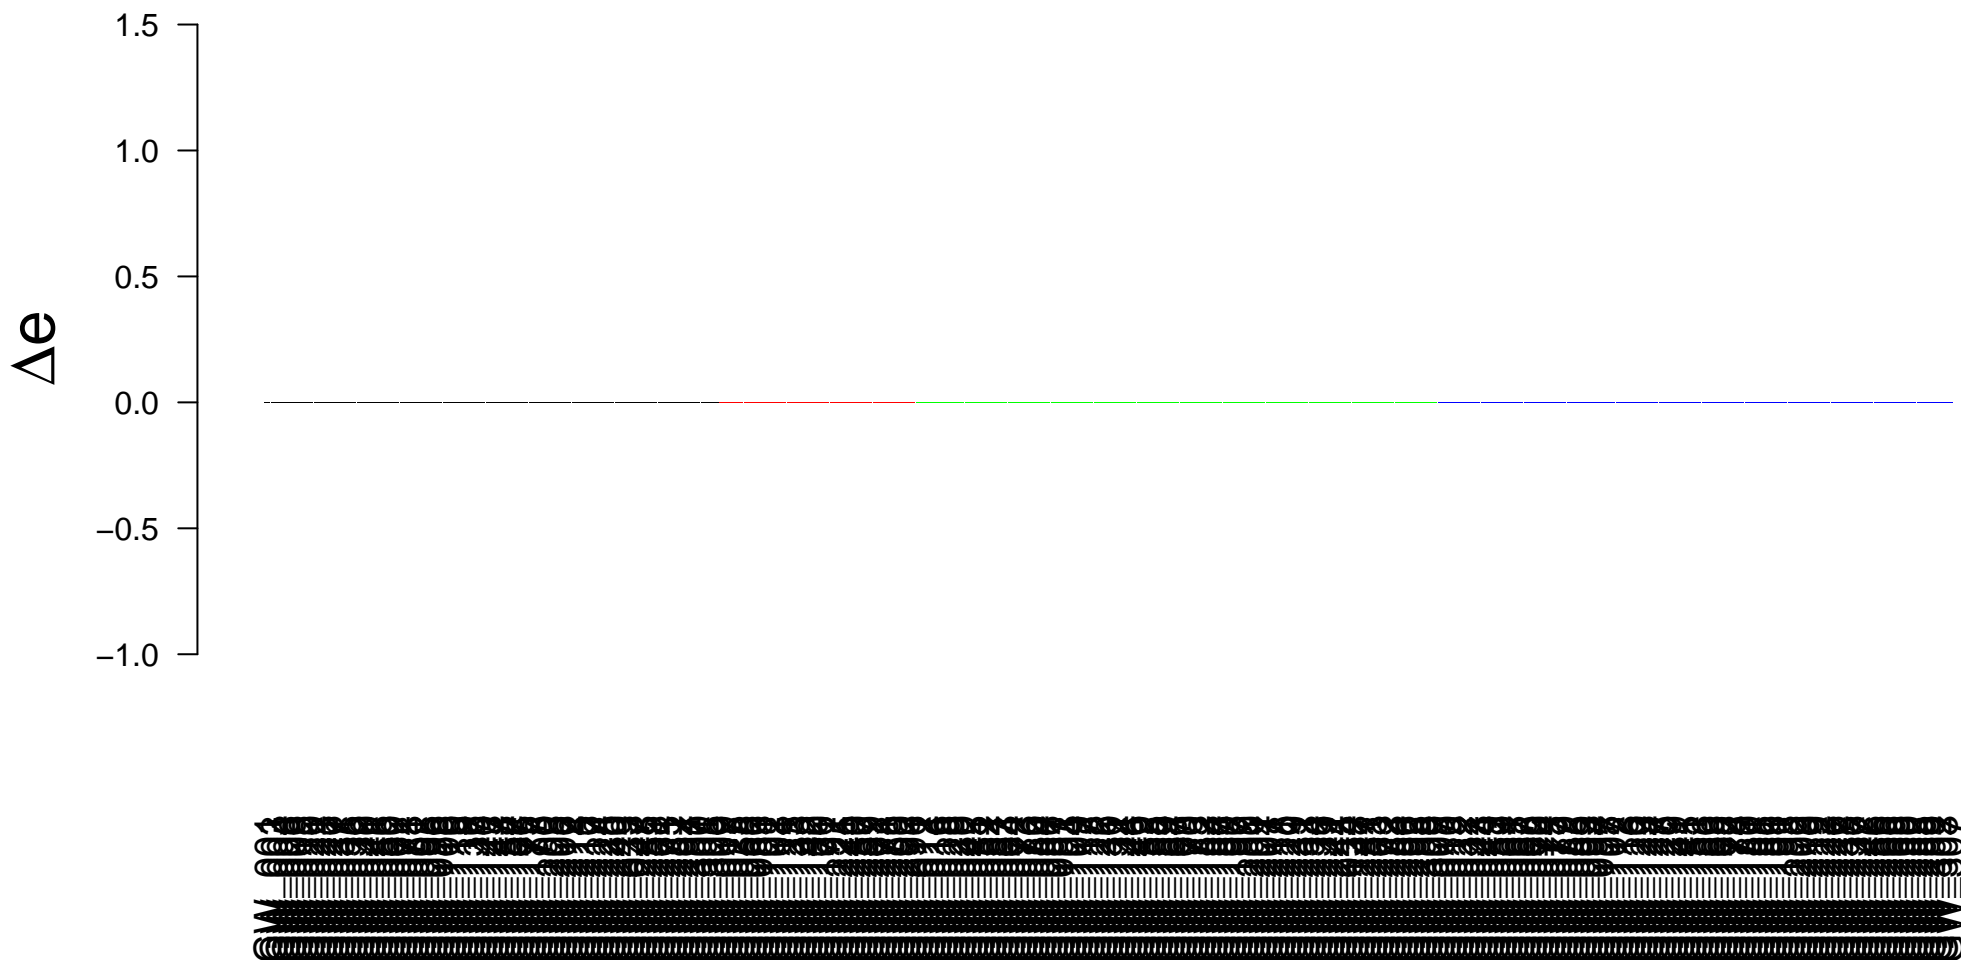

Expression of metallopeptidase activity in Spot O

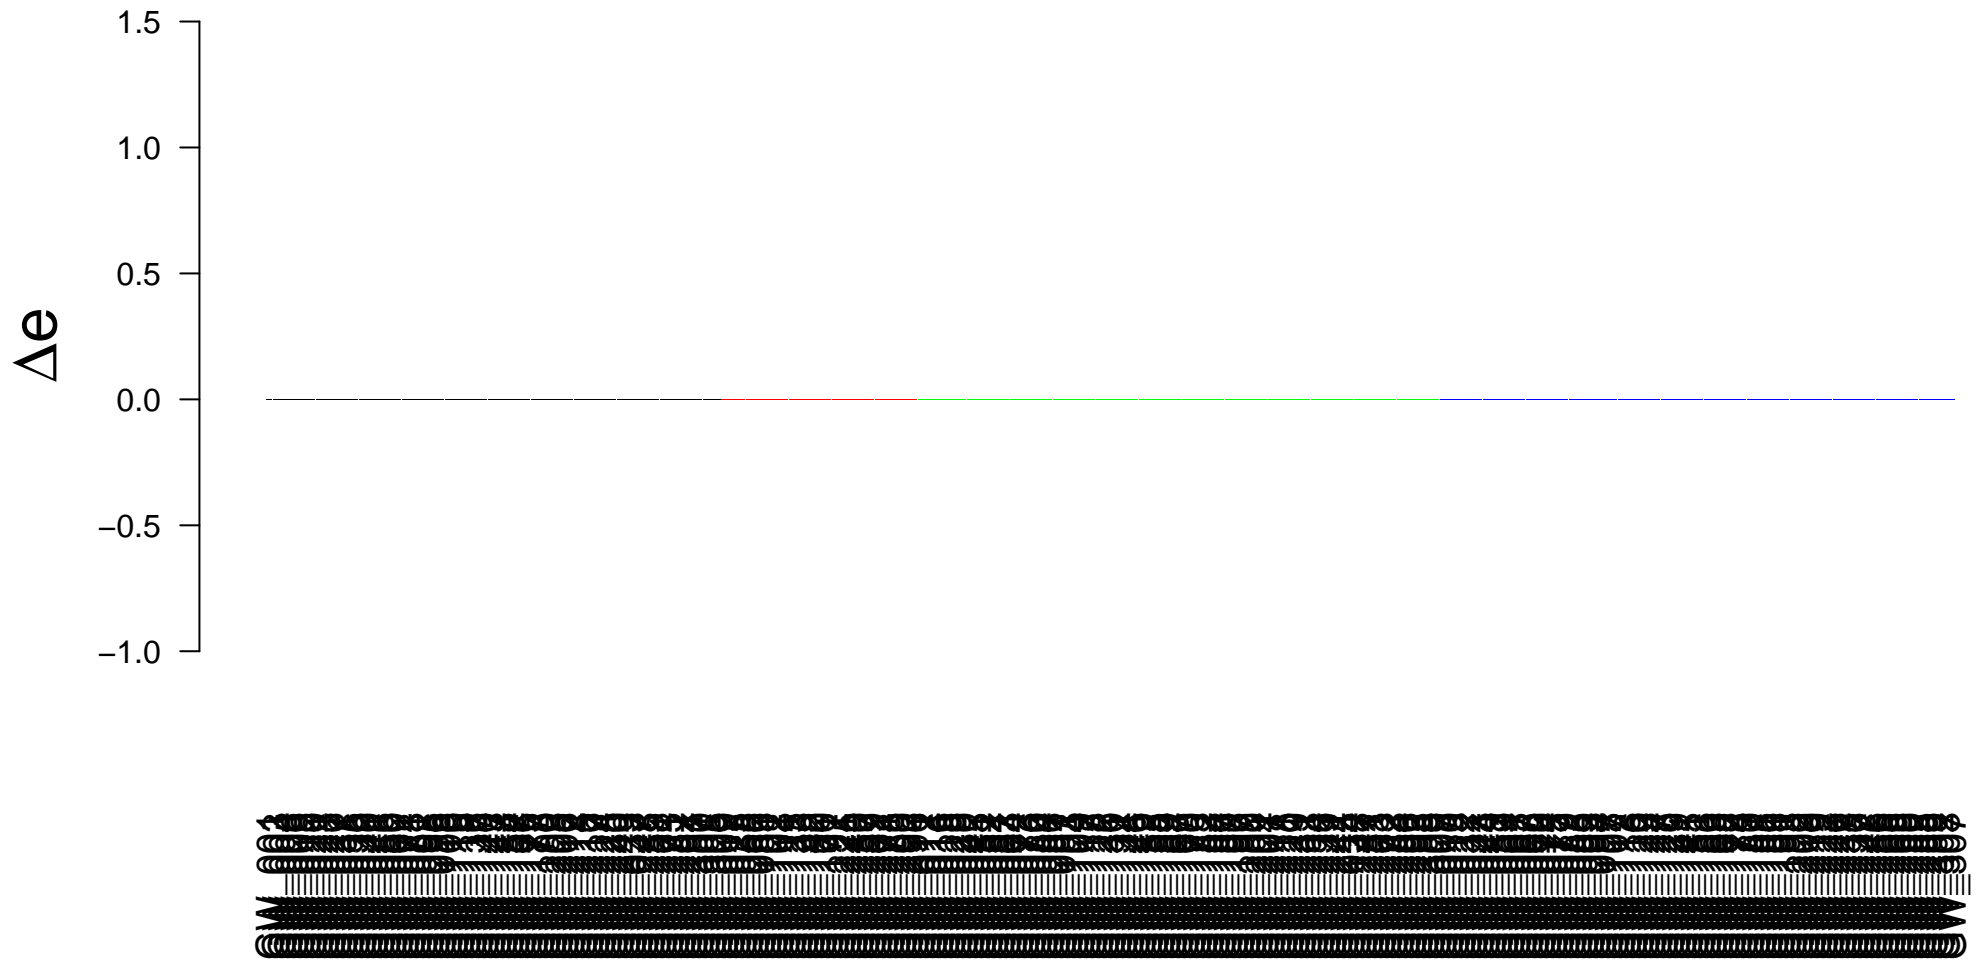

Δe

Expression of metallopeptidase activity in Spot P

Expression of metallopeptidase activity in Spot Q

Expression of metallopeptidase activity in Spot R
