

microfilament motor activity

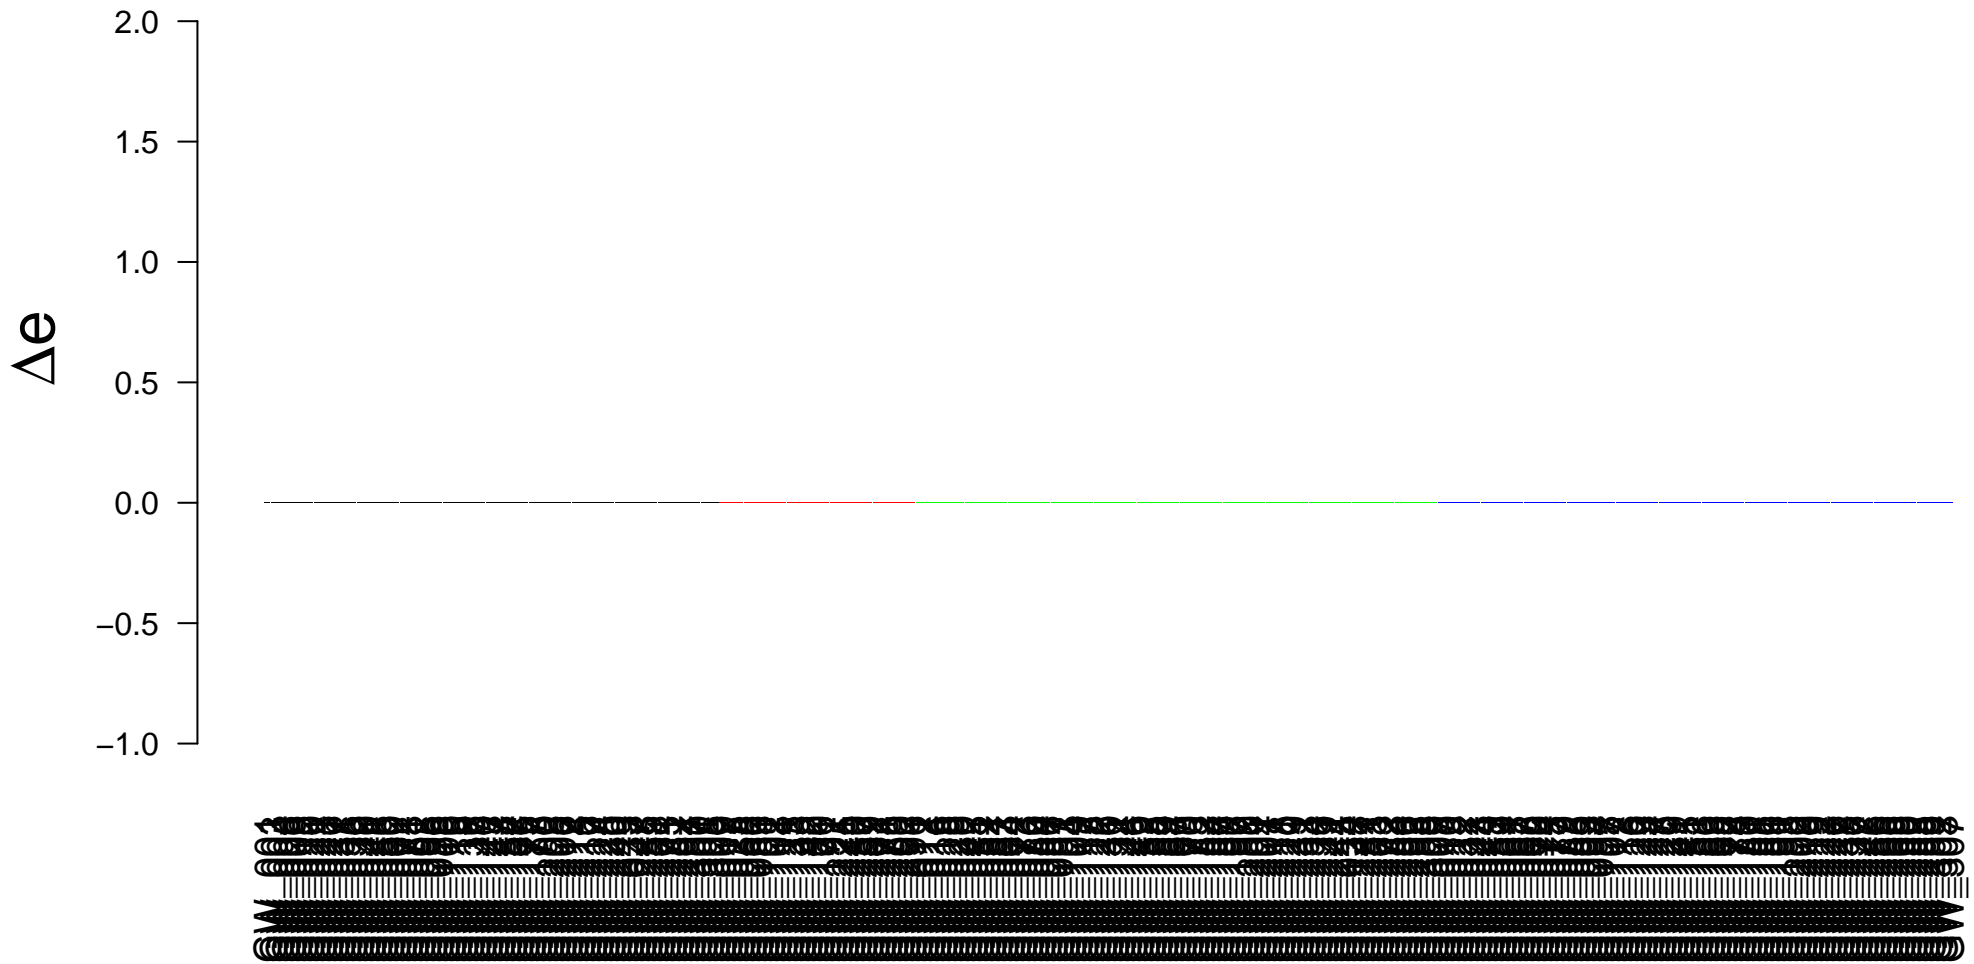

microfilament motor activity

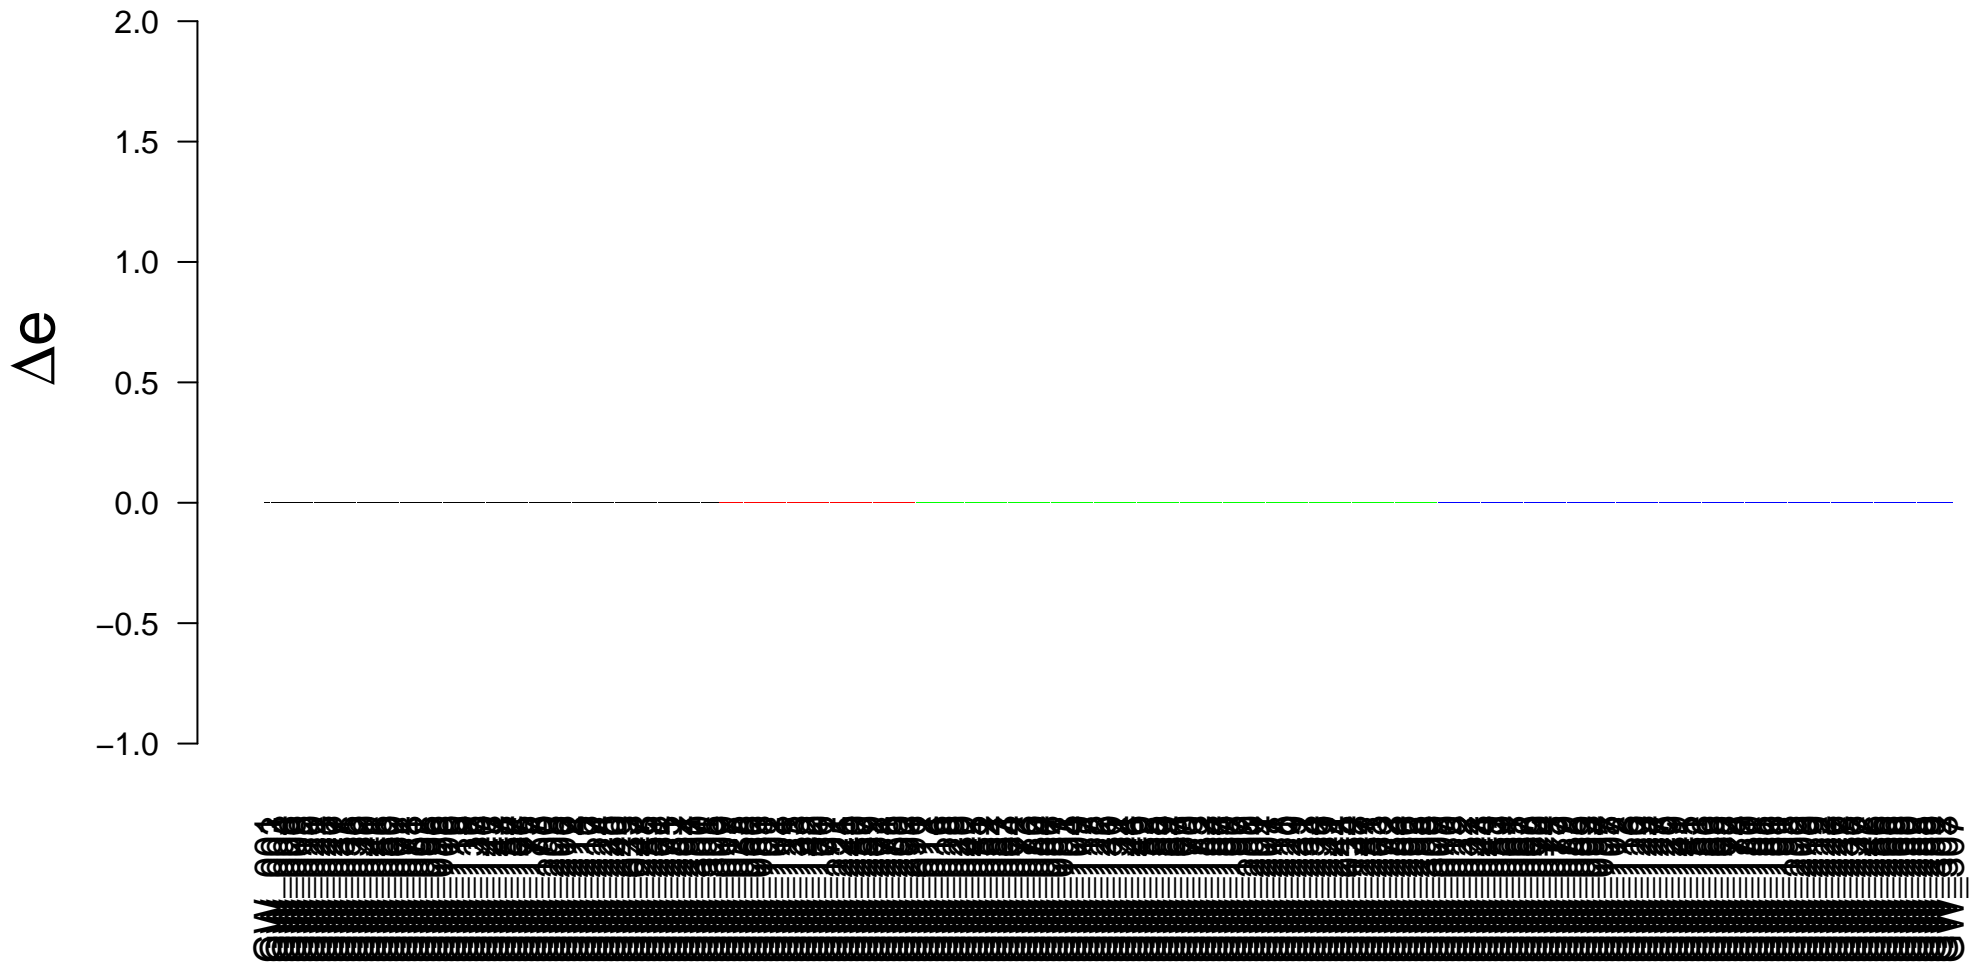

Enrichment in spots: microfilament motor activity

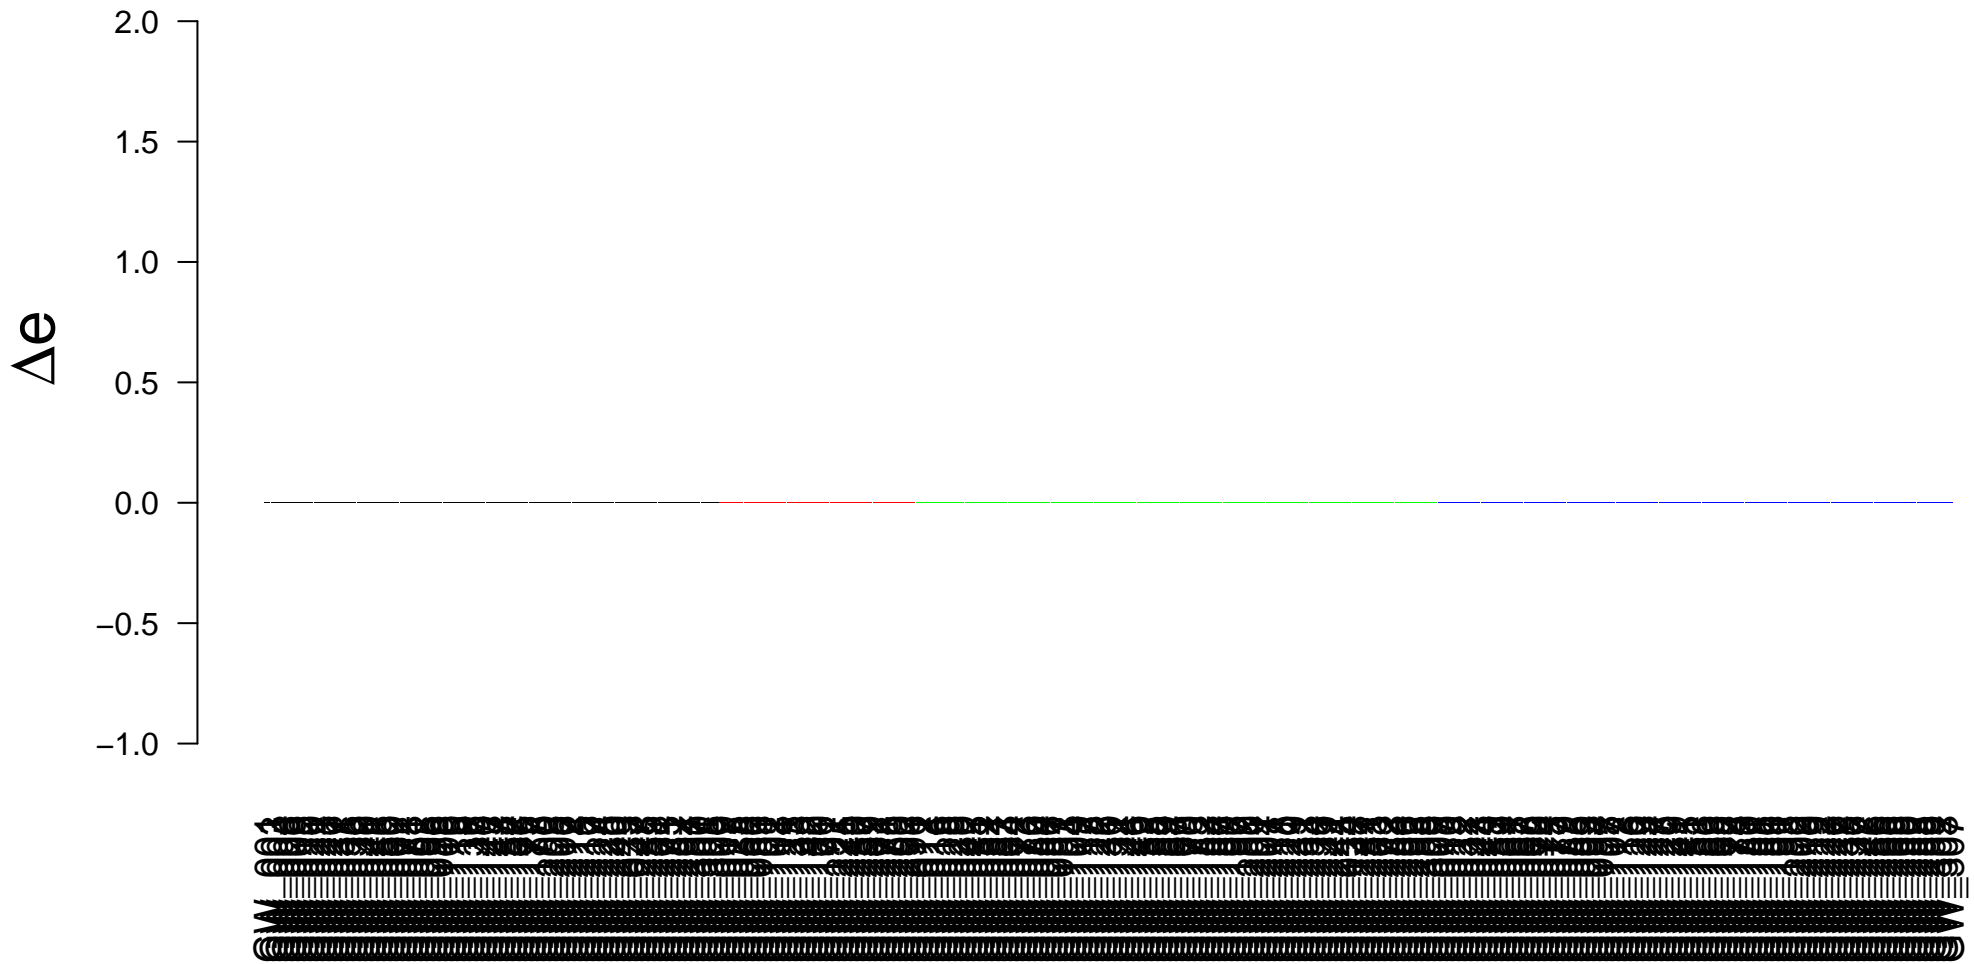

Expression of microfilament motor activity in Spot A

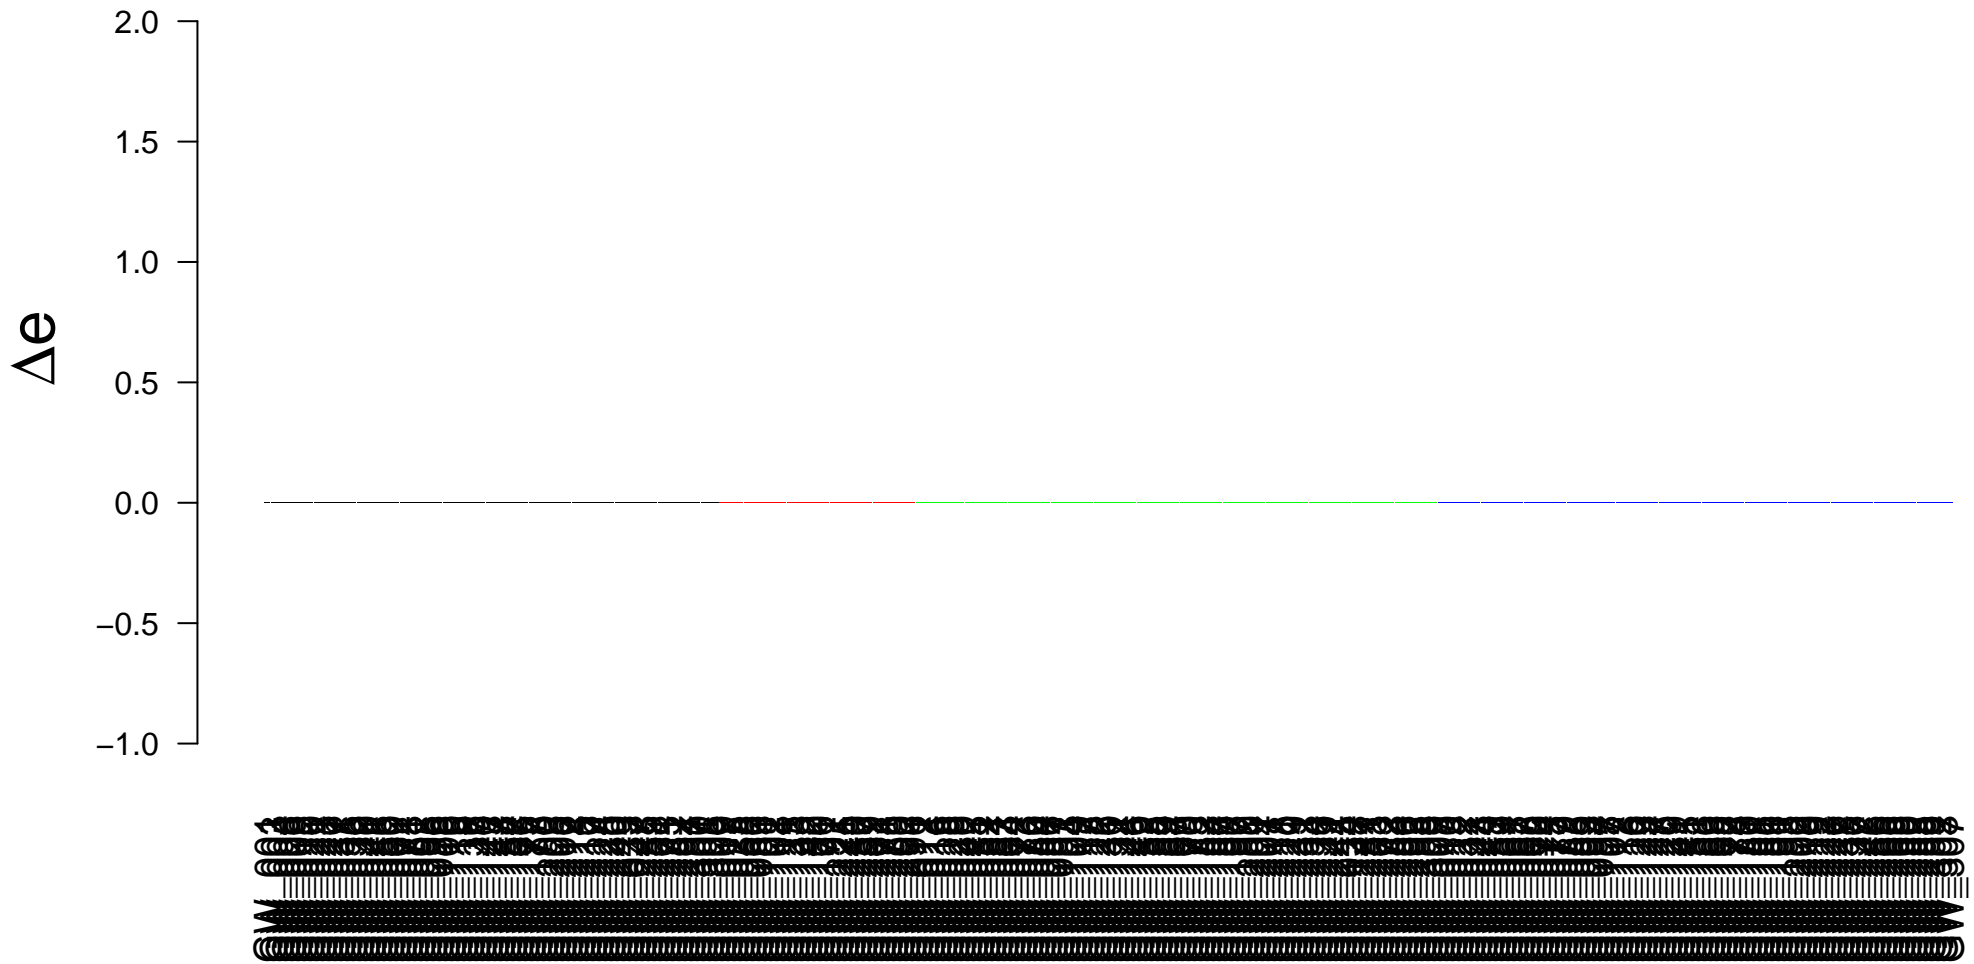

Expression of microfilament motor activity in Spot B

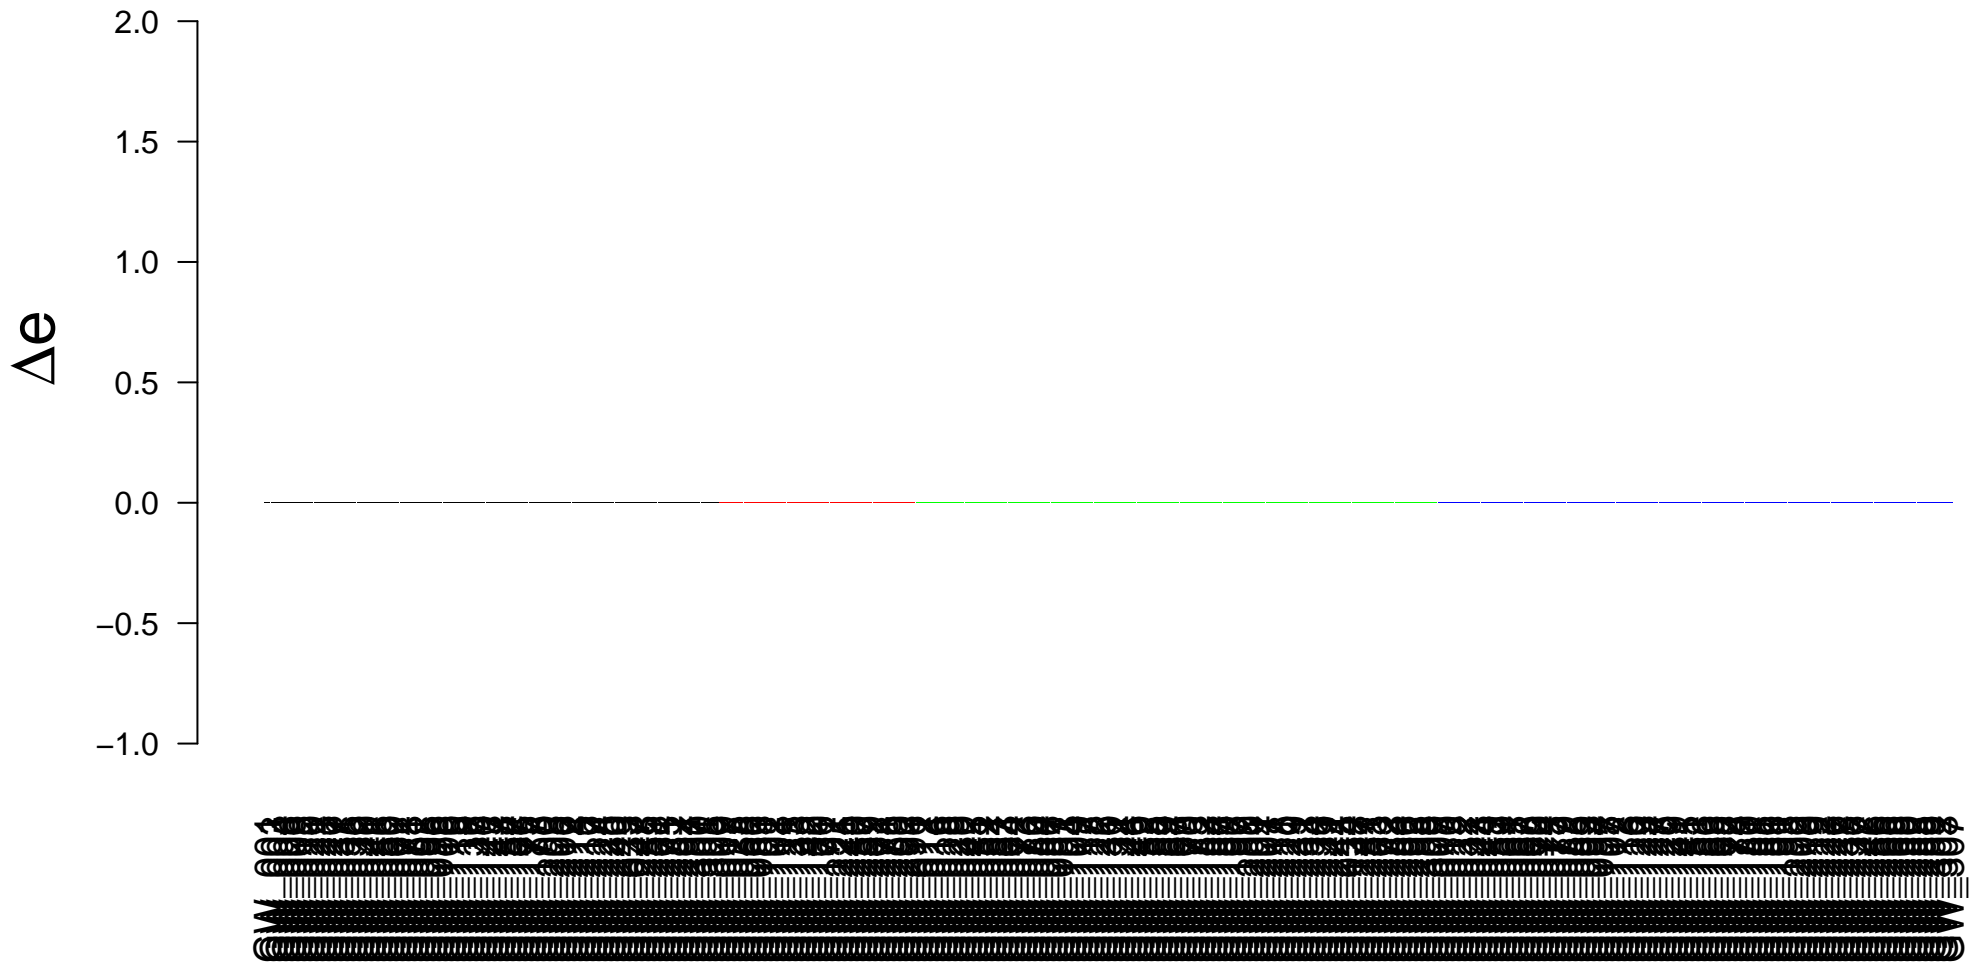

Expression of microfilament motor activity in Spot C

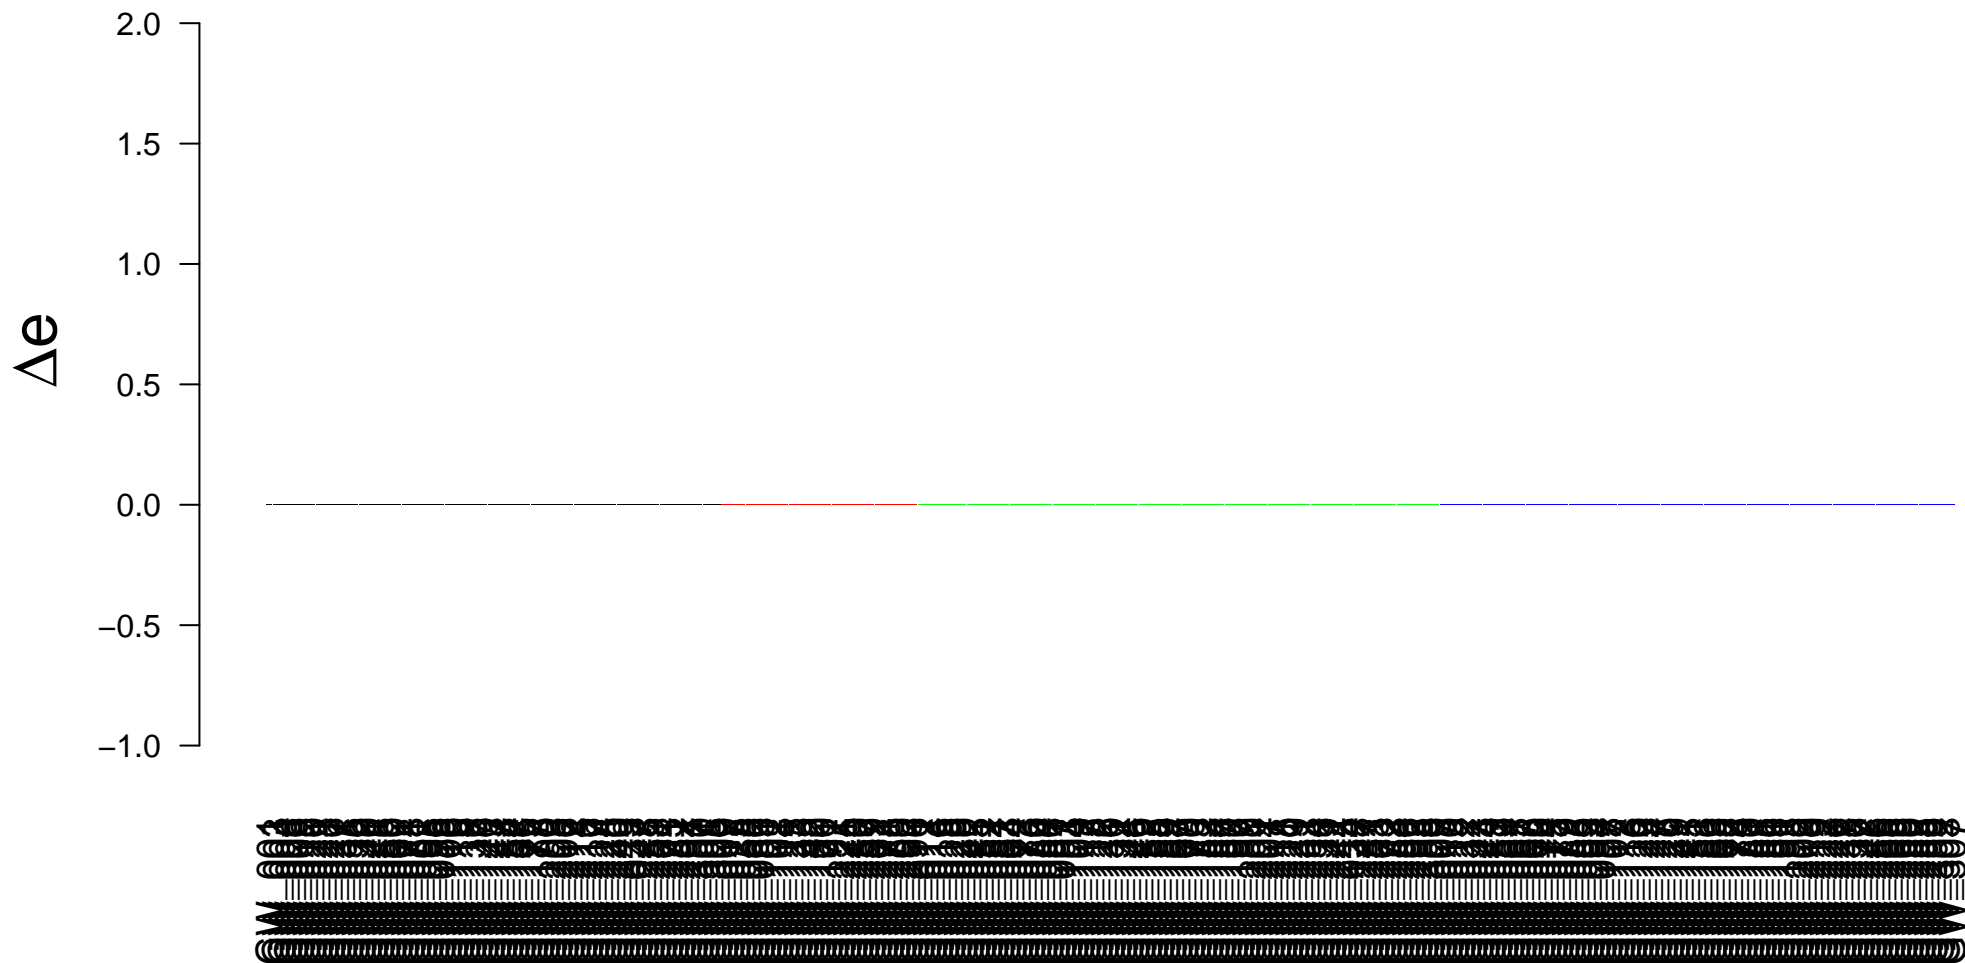

Expression of microfilament motor activity in Spot D

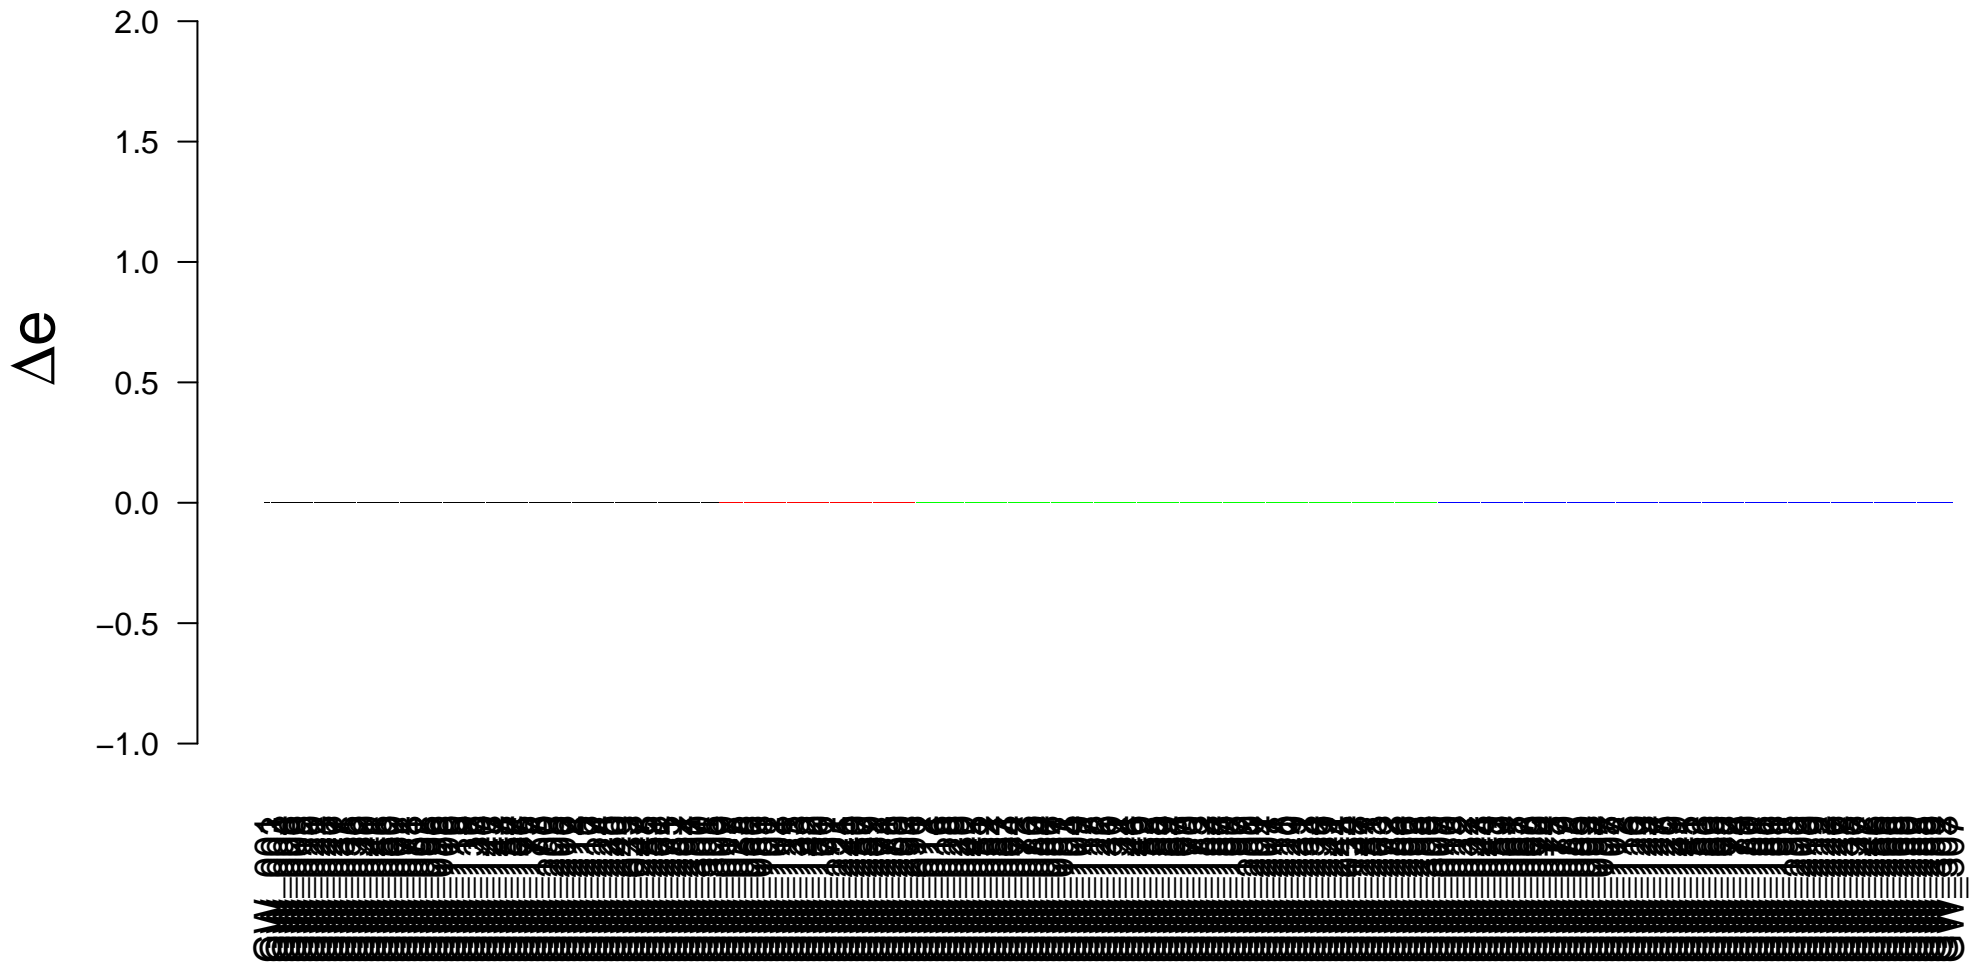

Expression of microfilament motor activity in Spot E

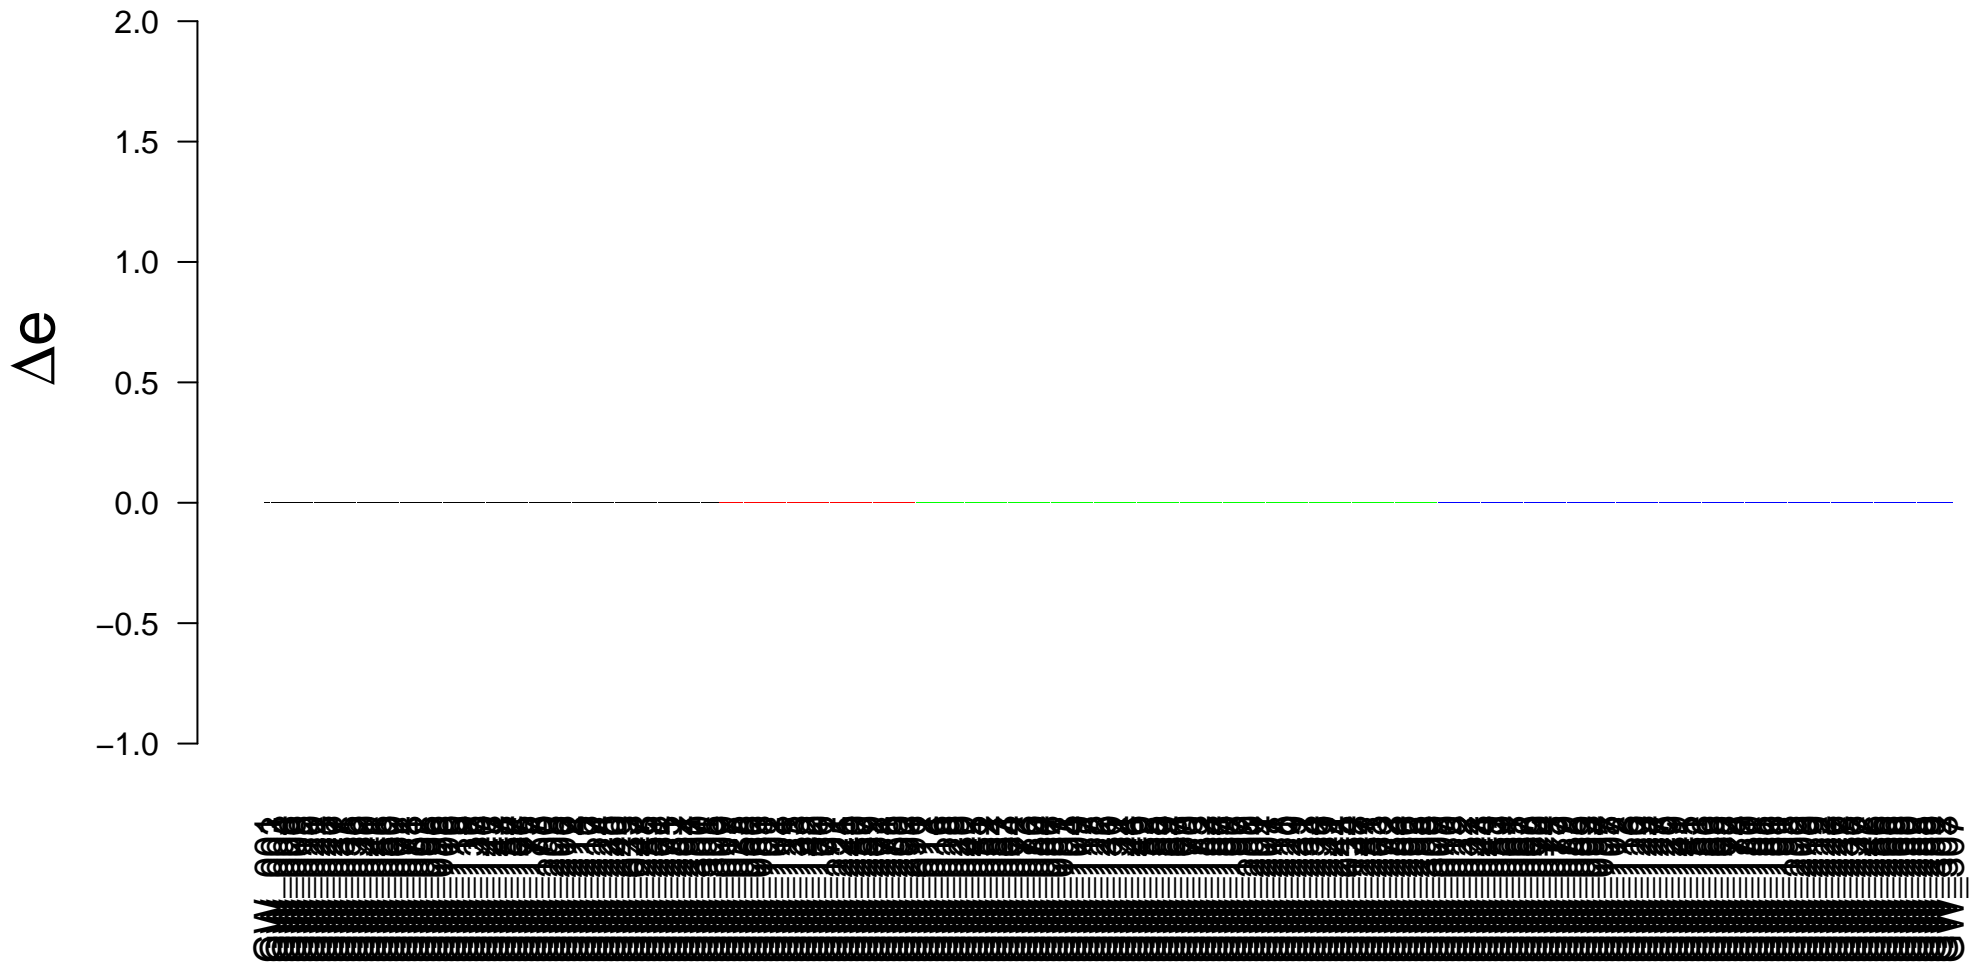

Expression of microfilament motor activity in Spot F

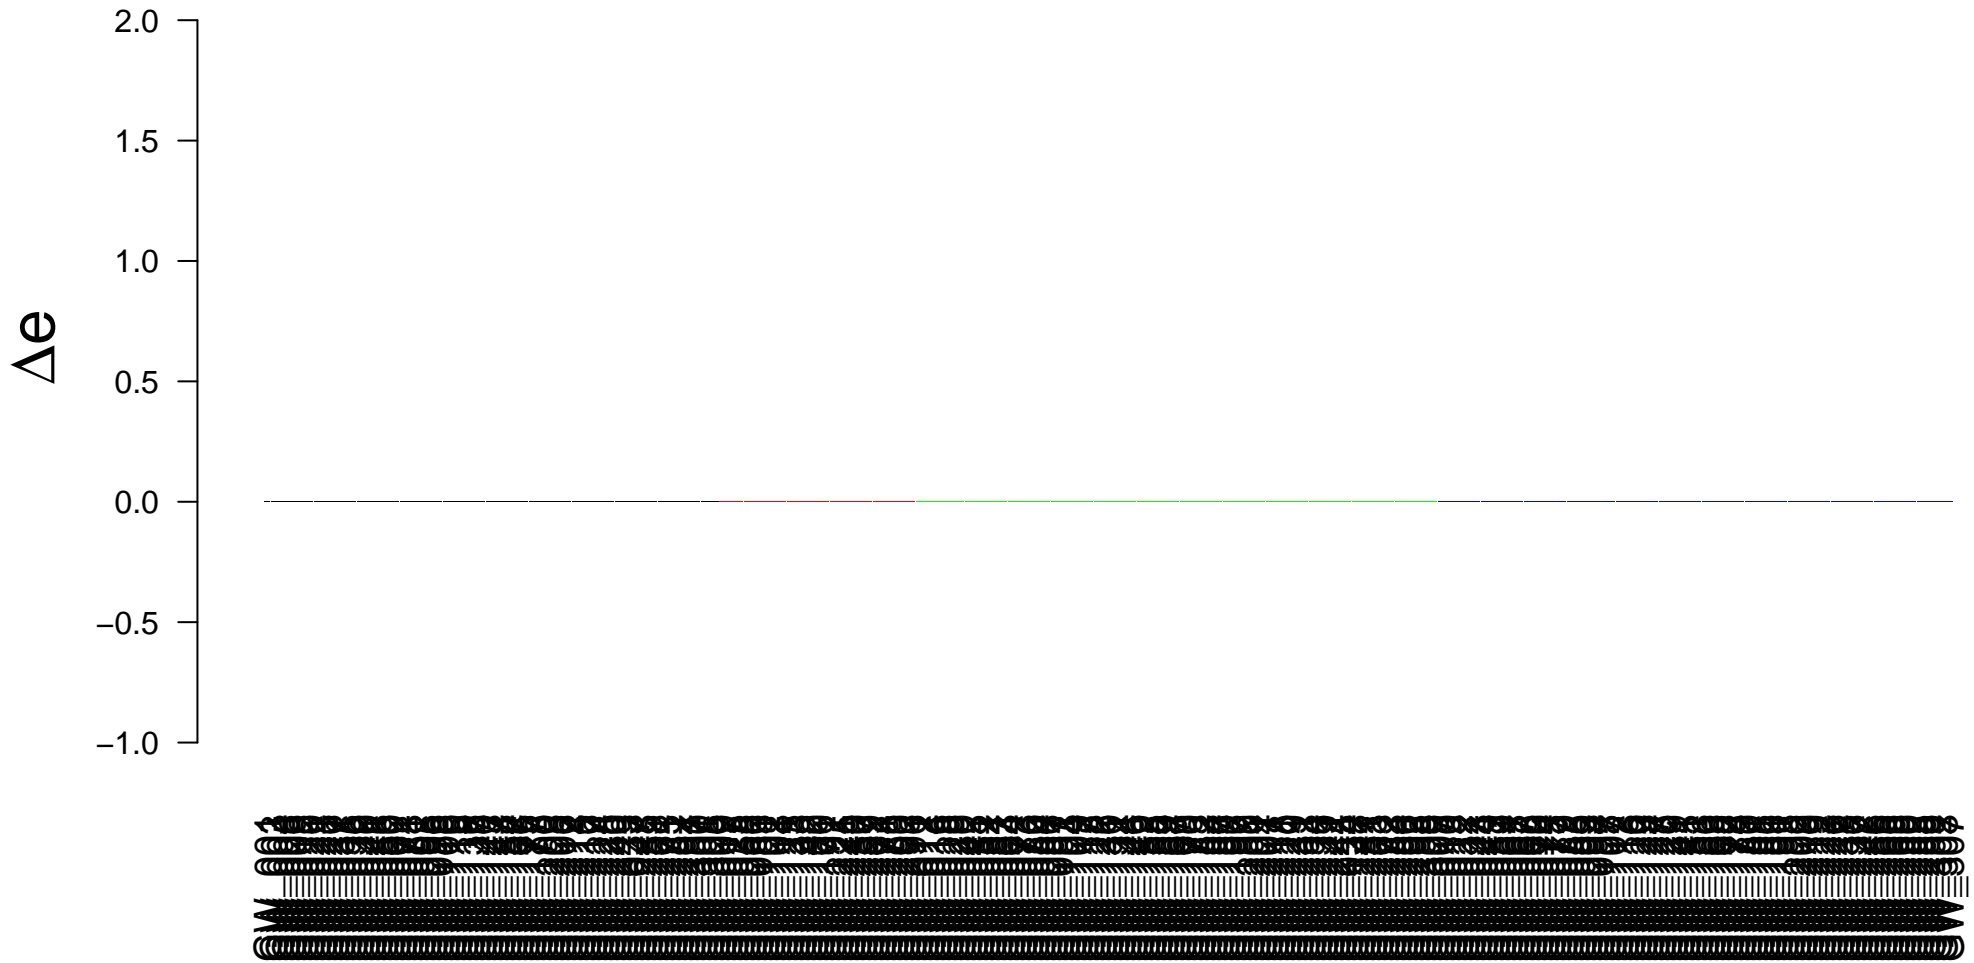

Expression of microfilament motor activity in Spot G

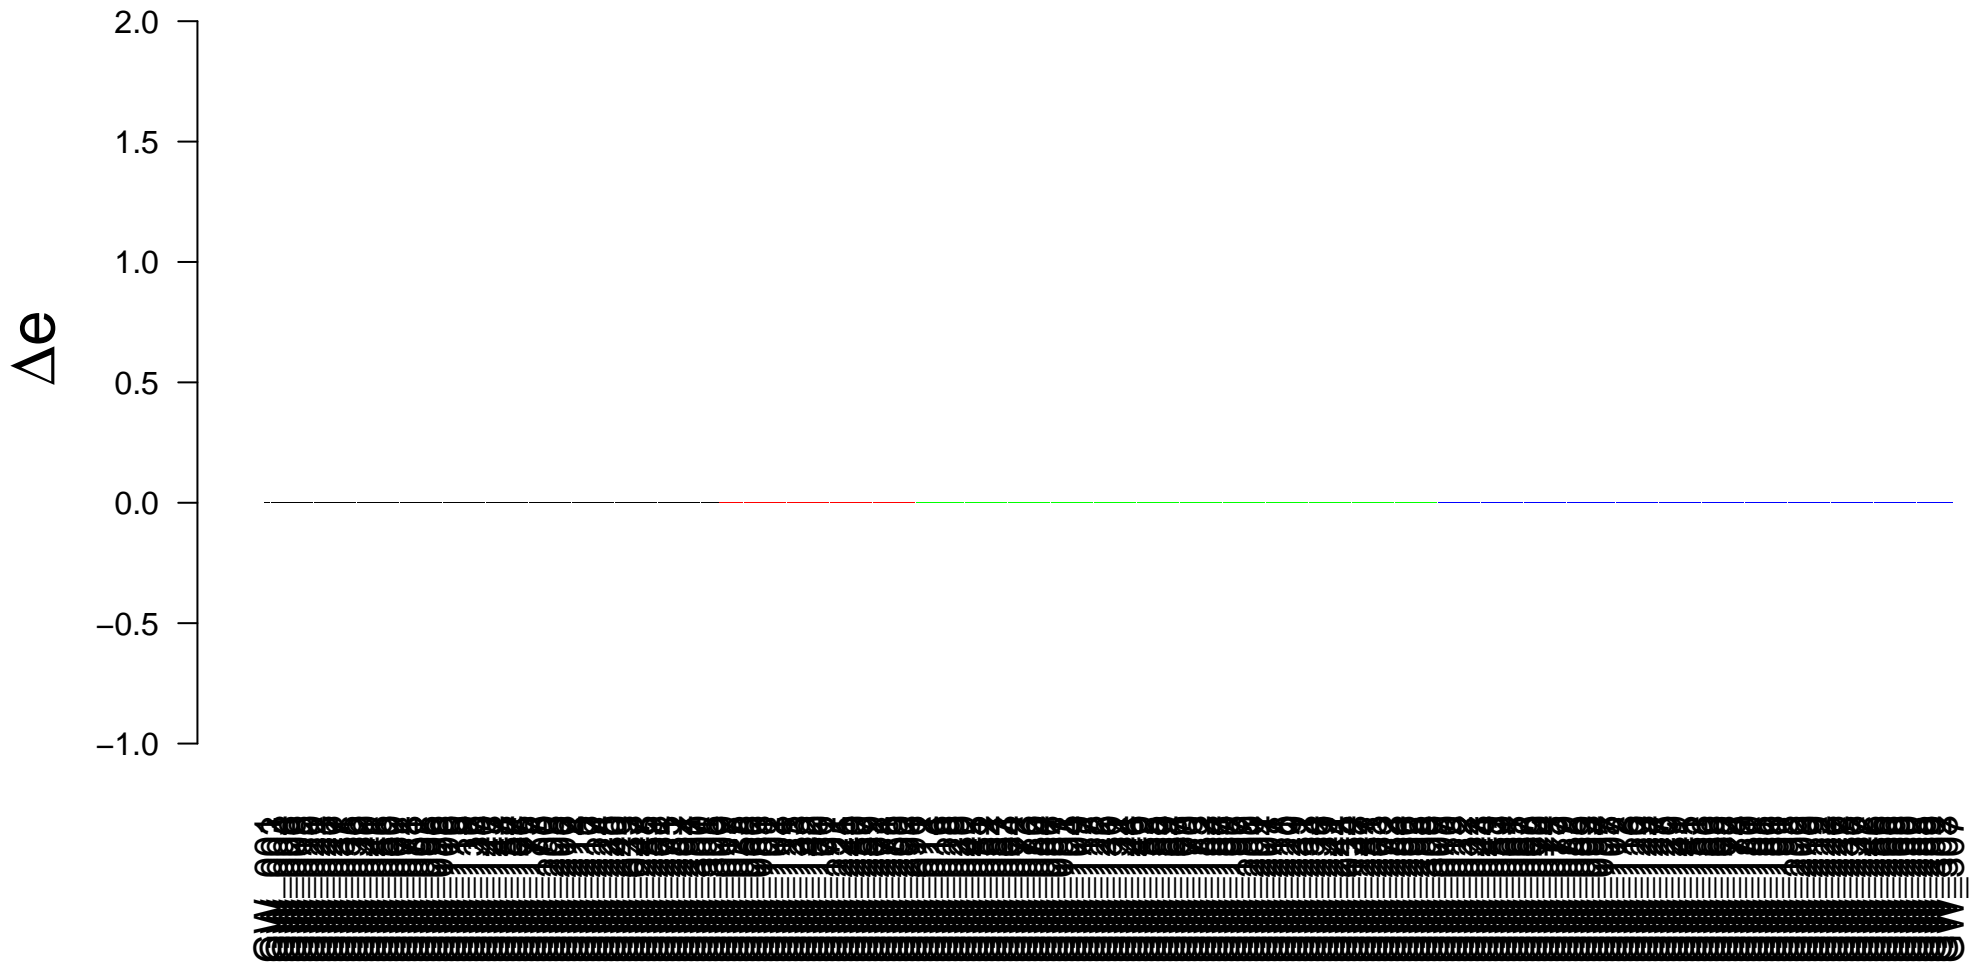

Expression of microfilament motor activity in Spot H

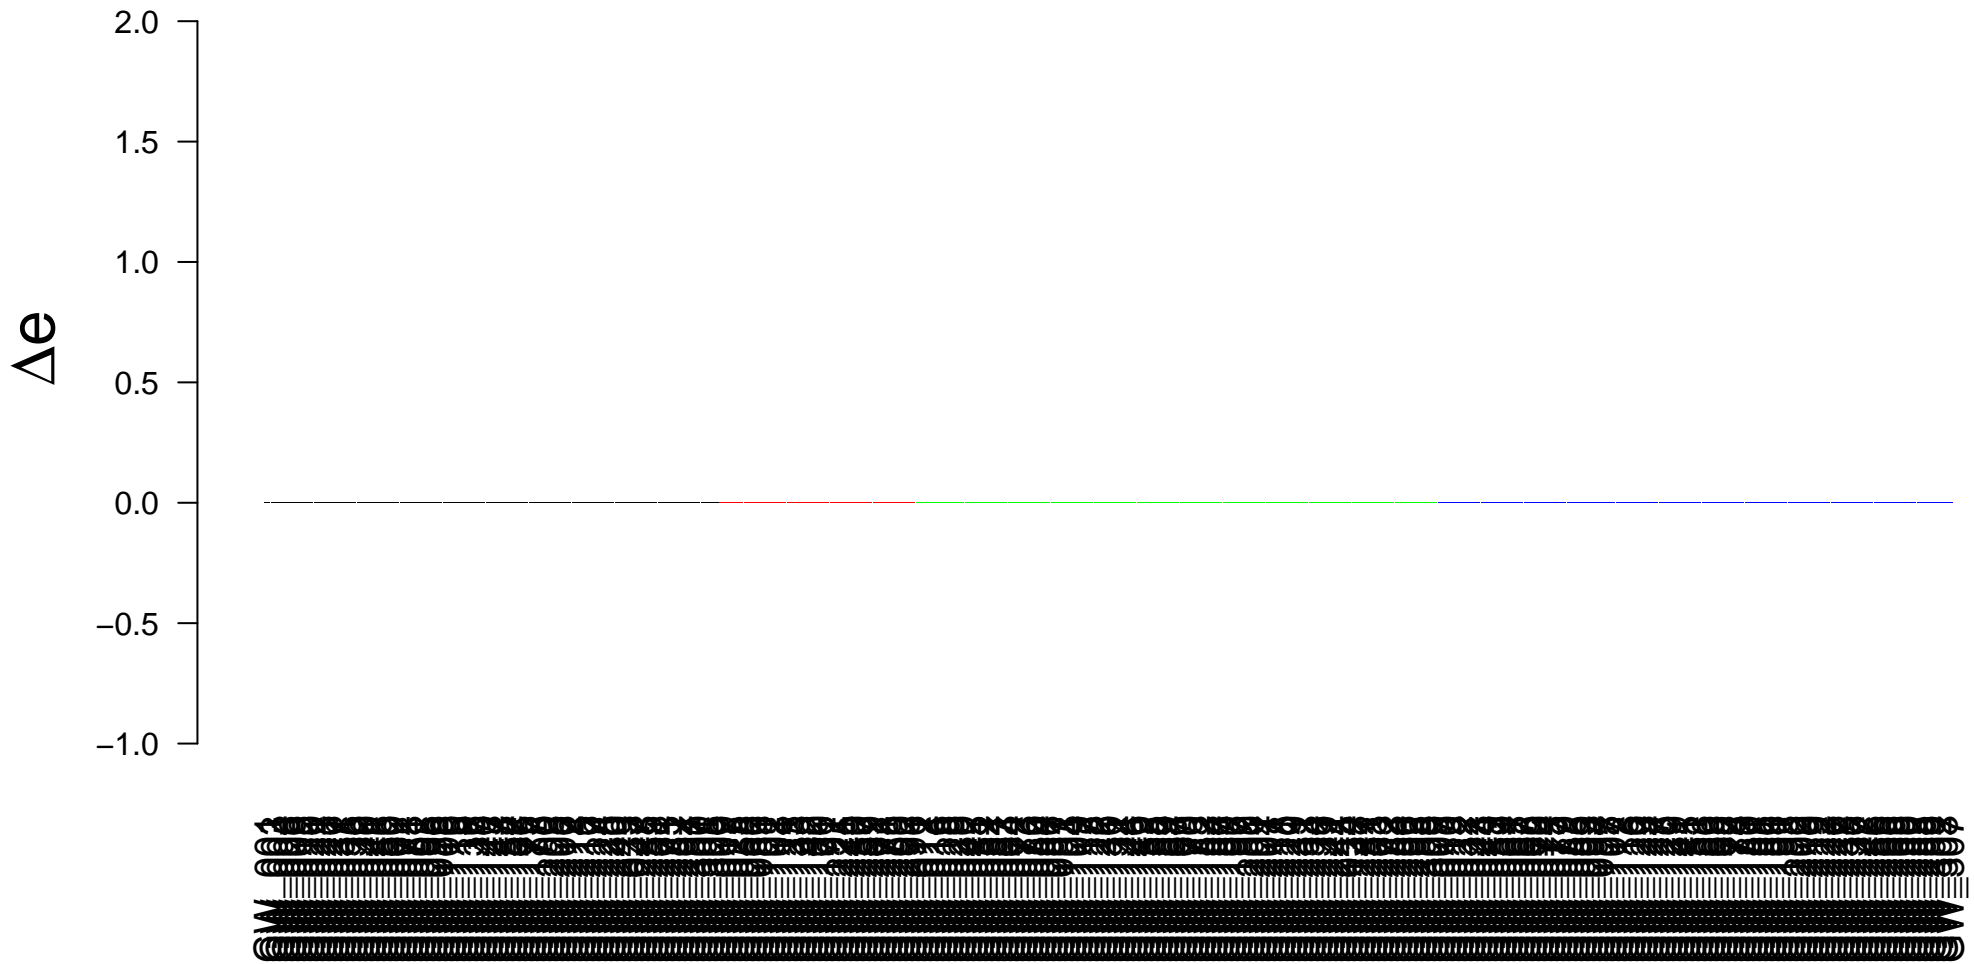

Expression of microfilament motor activity in Spot I

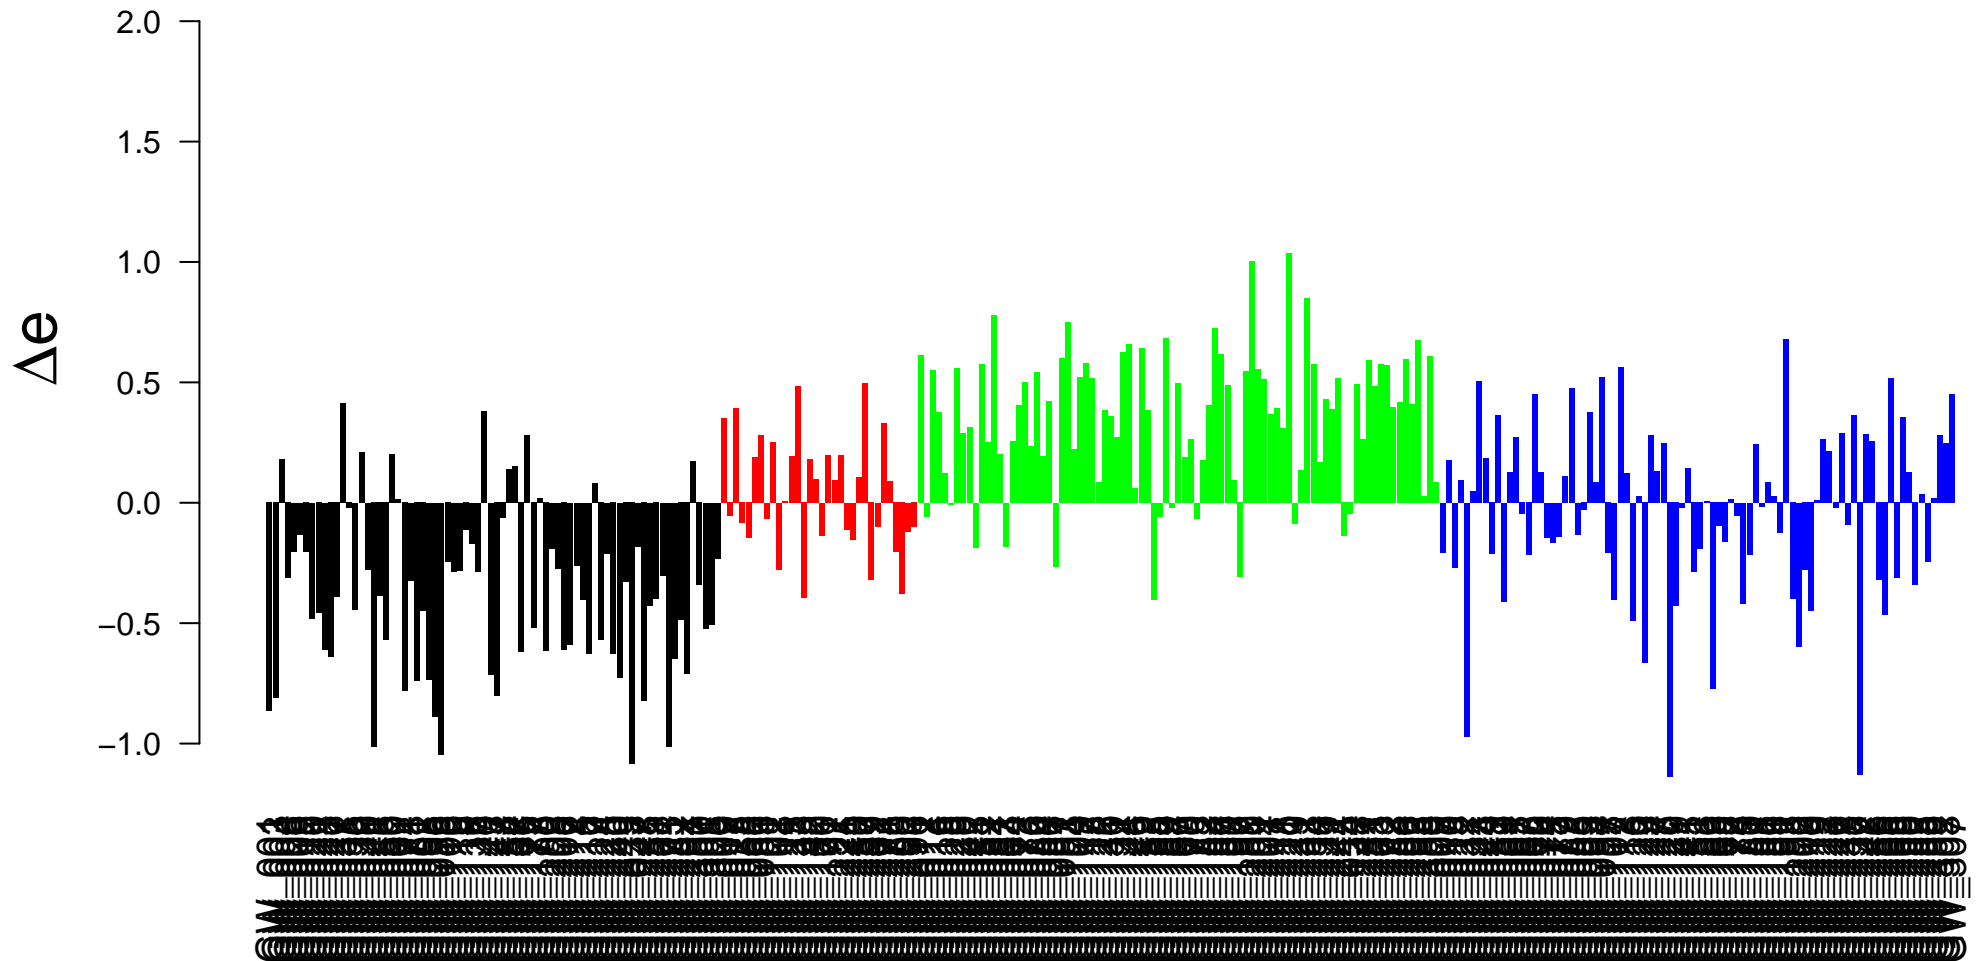

Expression of microfilament motor activity in Spot J

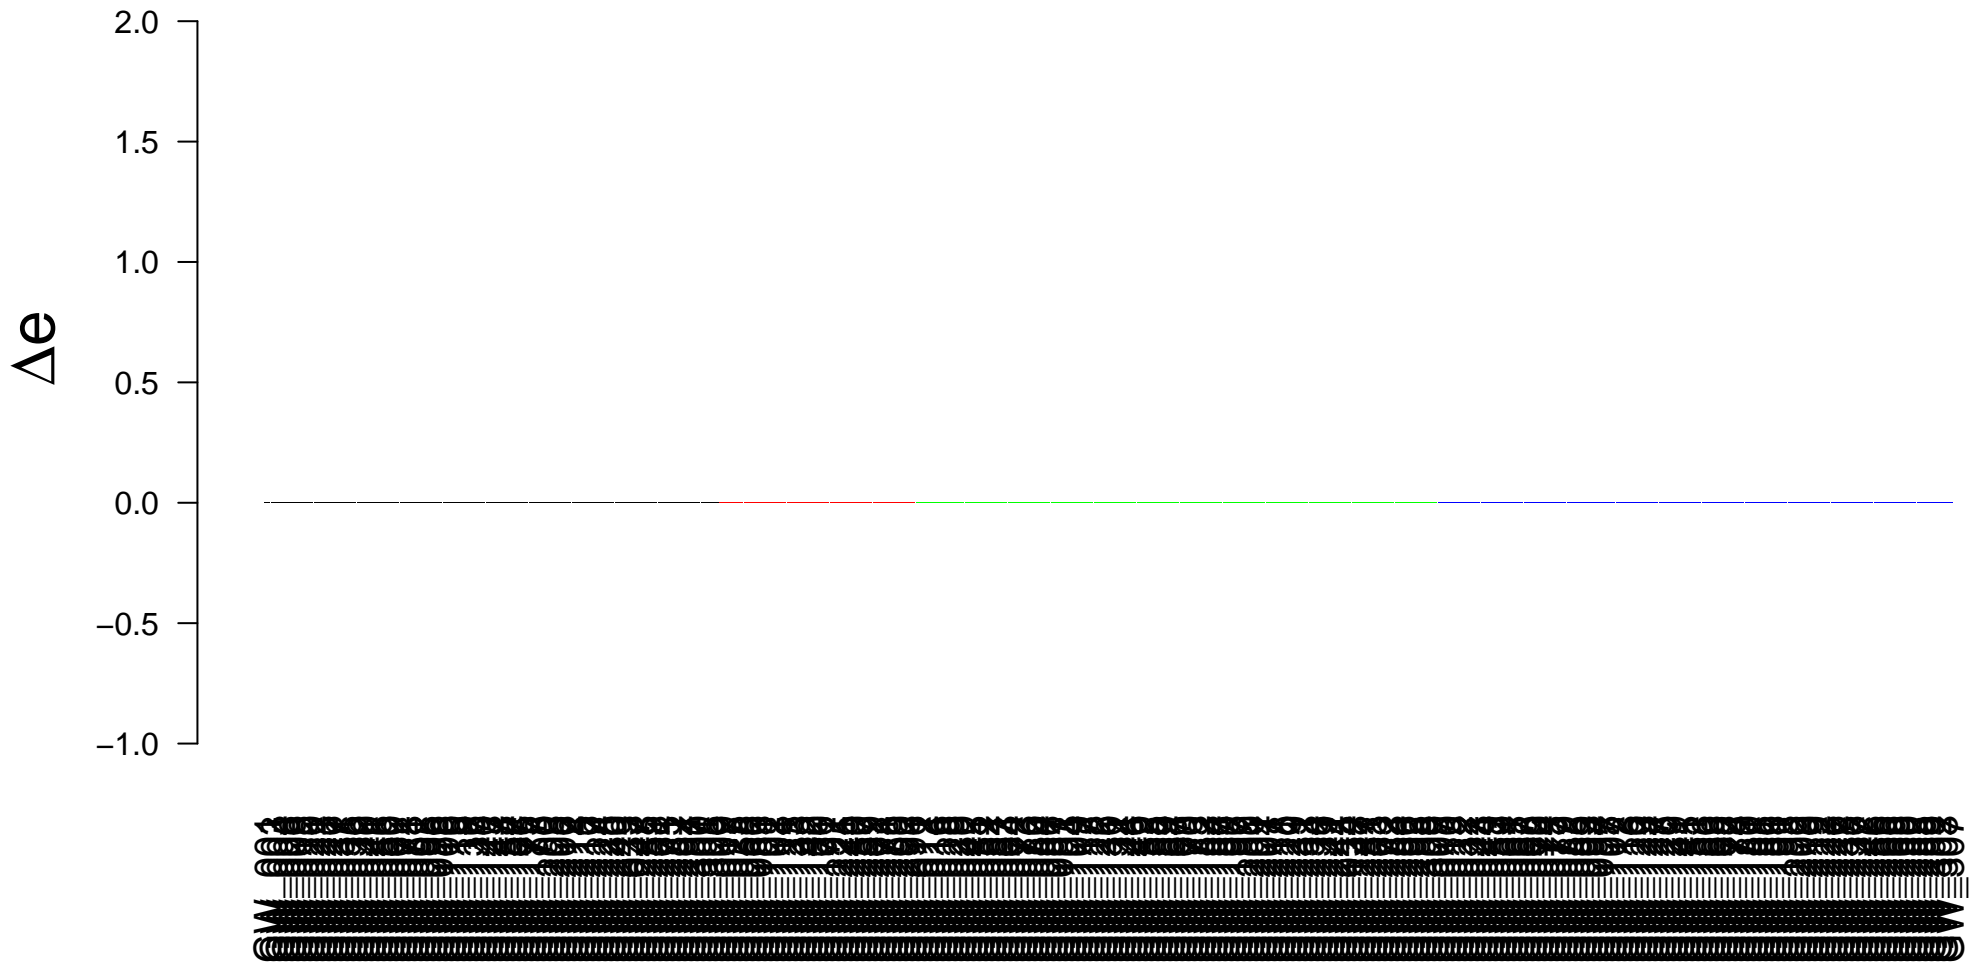

Expression of microfilament motor activity in Spot K

Expression of microfilament motor activity in Spot L

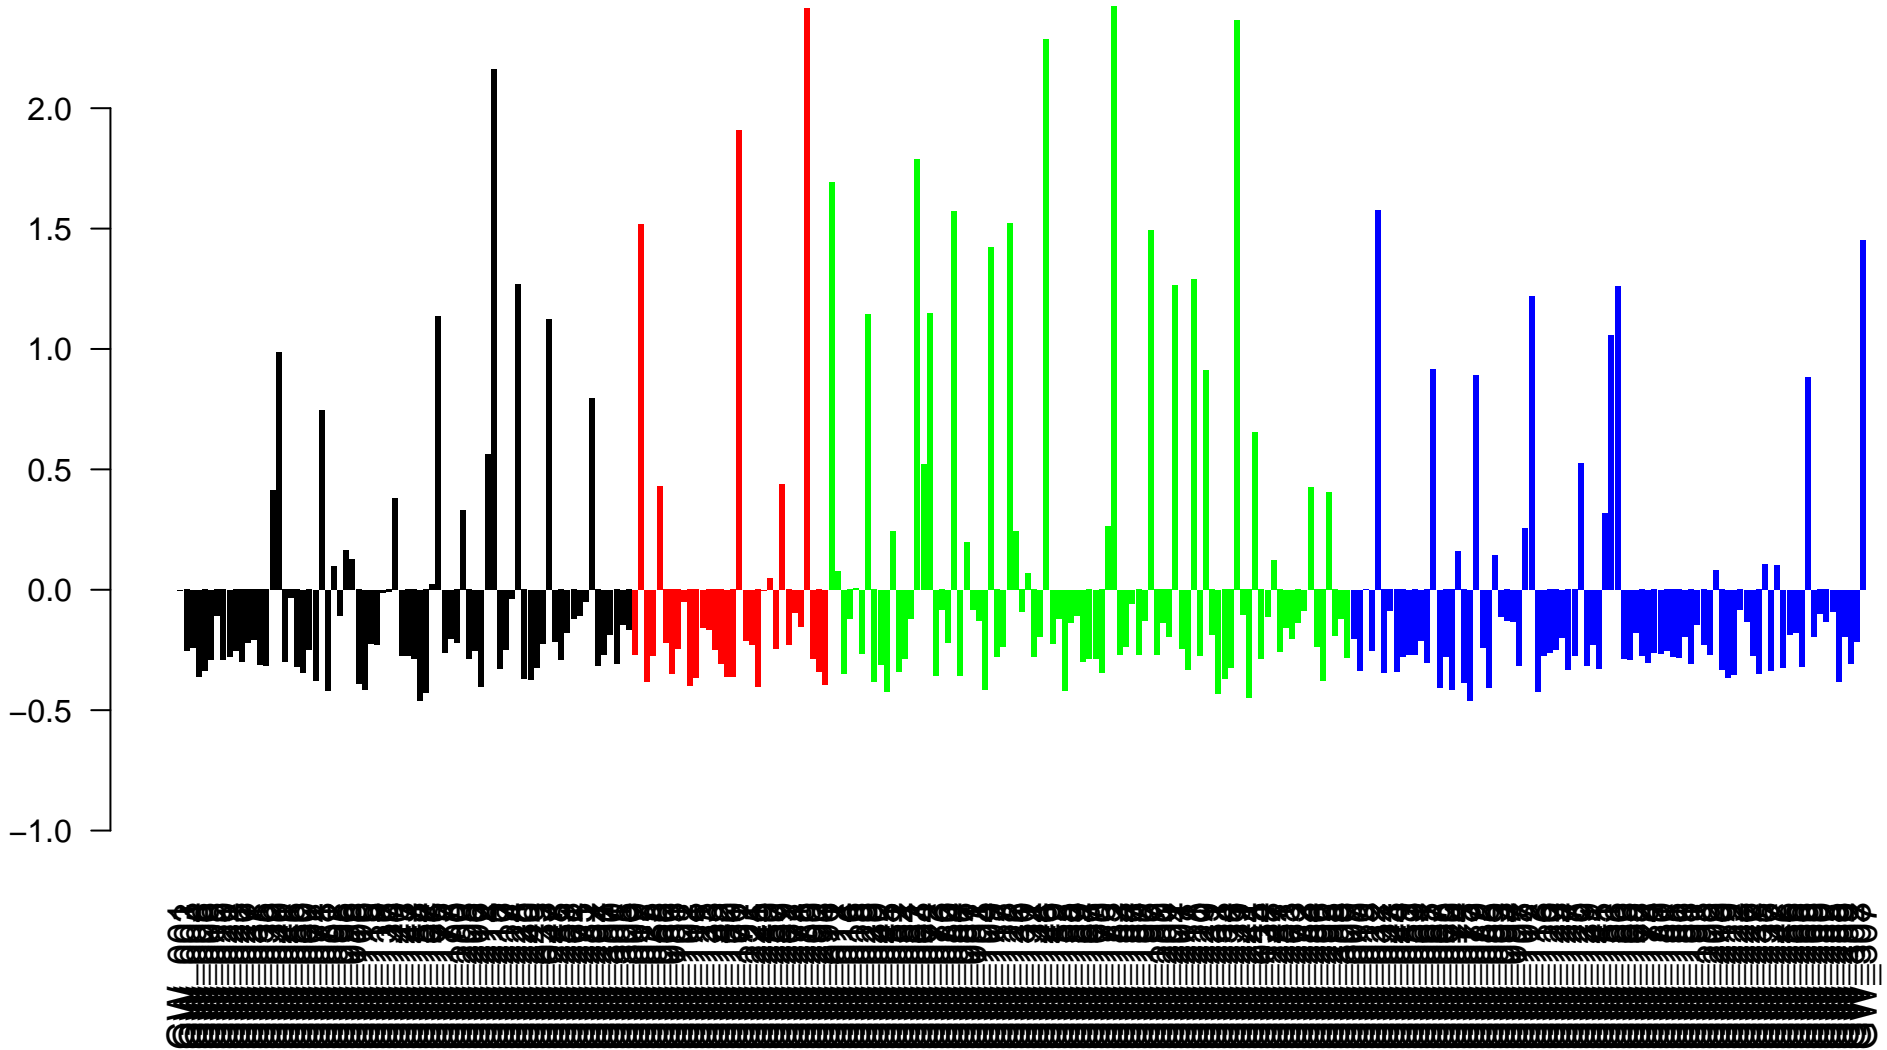

Expression of microfilament motor activity in Spot M

Expression of microfilament motor activity in Spot N

Δe

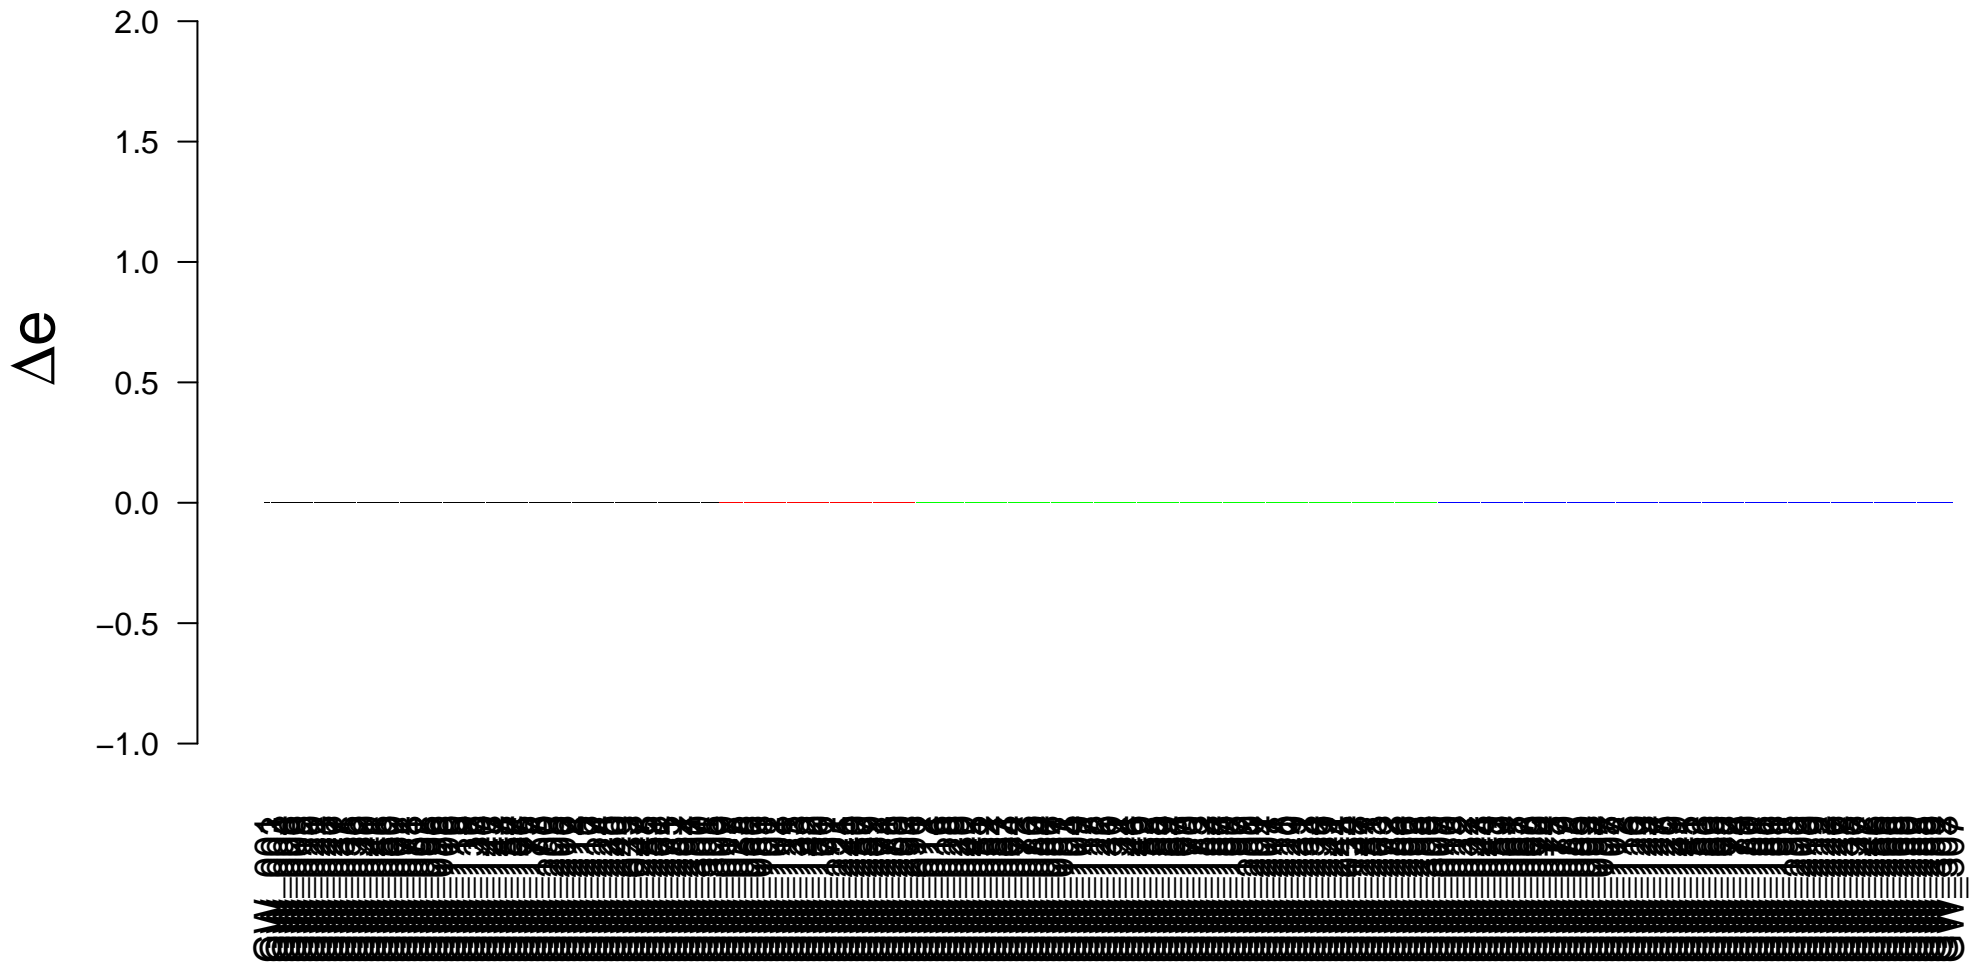

Expression of microfilament motor activity in Spot O
