

microtubule-based movement

microtubule-based movement

Enrichment in spots: microtubule-based movement

Expression of microtubule-based movement in Spot A

Expression of microtubule-based movement in Spot B

Expression of microtubule-based movement in Spot C

Expression of microtubule-based movement in Spot D

Expression of microtubule-based movement in Spot E

Expression of microtubule-based movement in Spot F

Expression of microtubule-based movement in Spot G

Expression of microtubule-based movement in Spot H

Expression of microtubule-based movement in Spot I

Expression of microtubule-based movement in Spot J

Expression of microtubule-based movement in Spot K

Δe

Expression of microtubule-based movement in Spot L

Expression of microtubule-based movement in Spot M

Δe

Expression of microtubule-based movement in Spot N

Expression of microtubule-based movement in Spot O
