

microvillus membrane

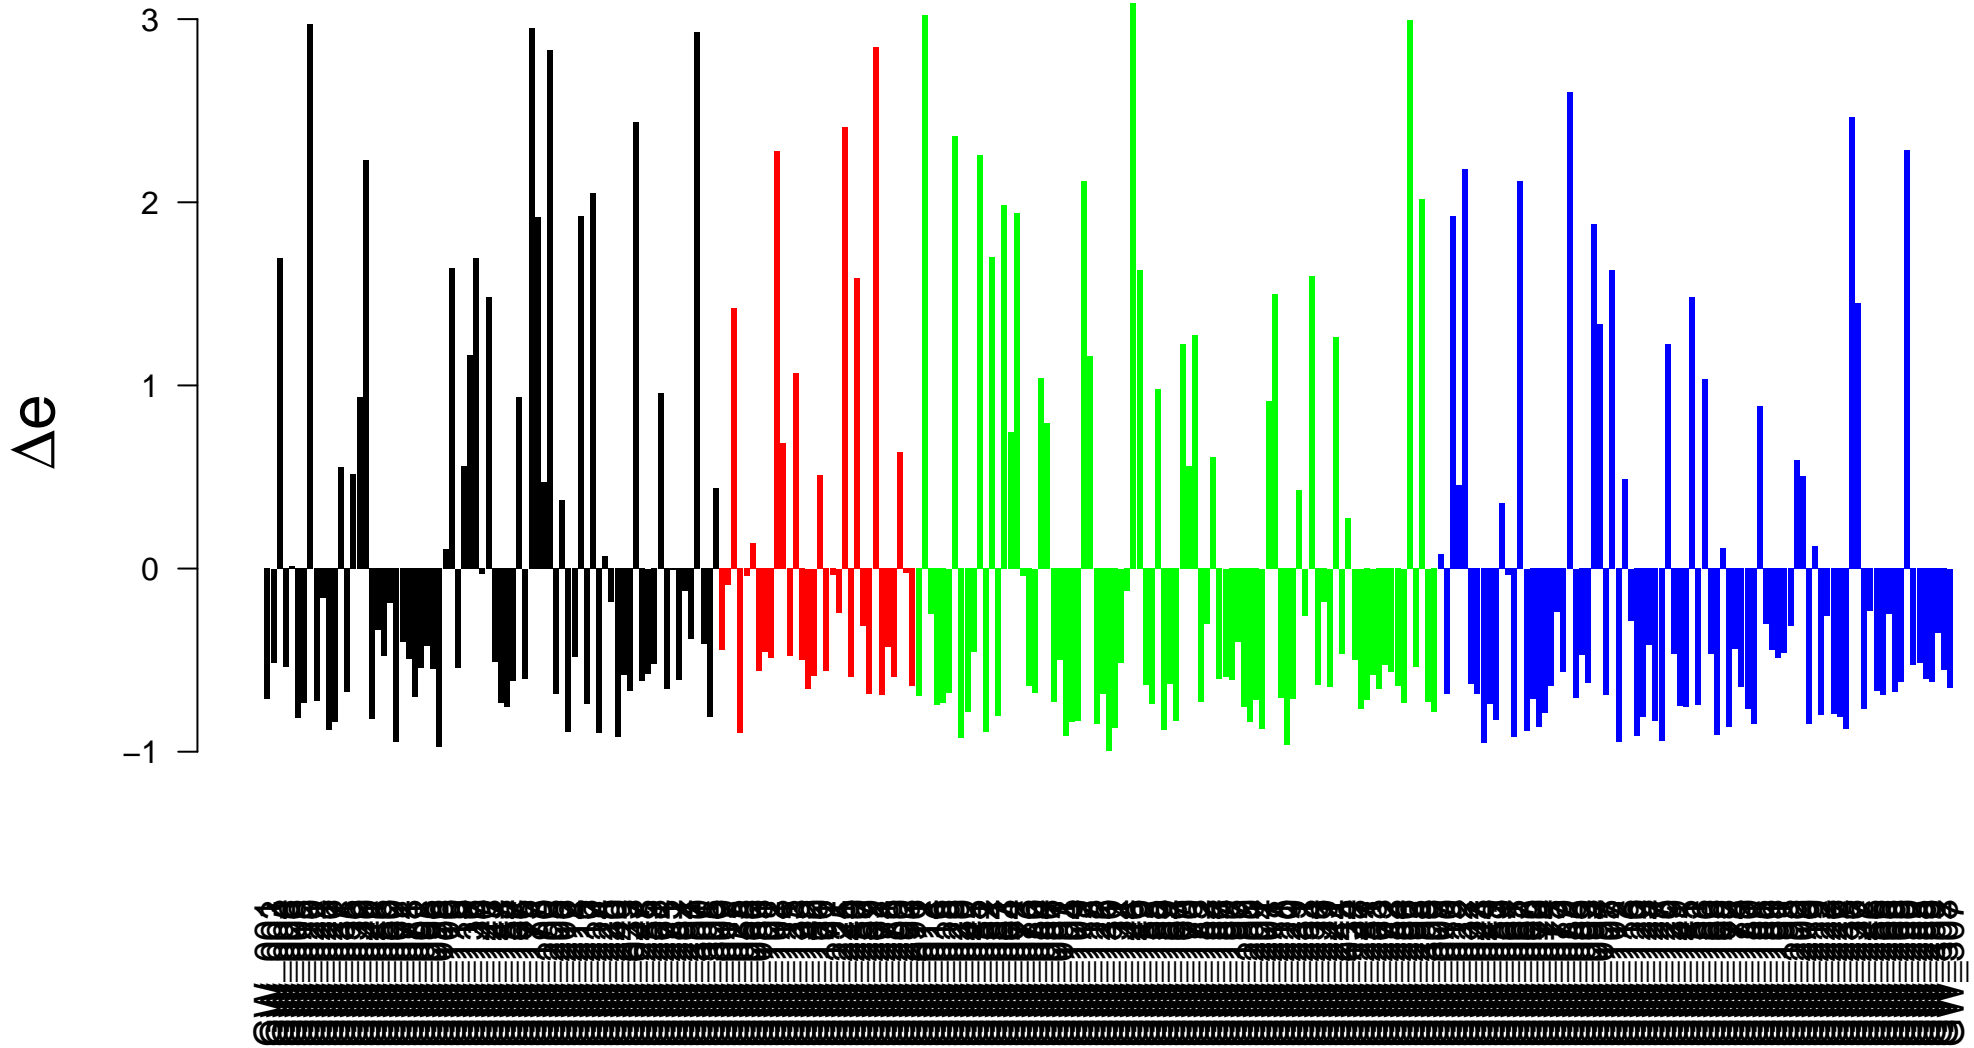

# microvillus membrane

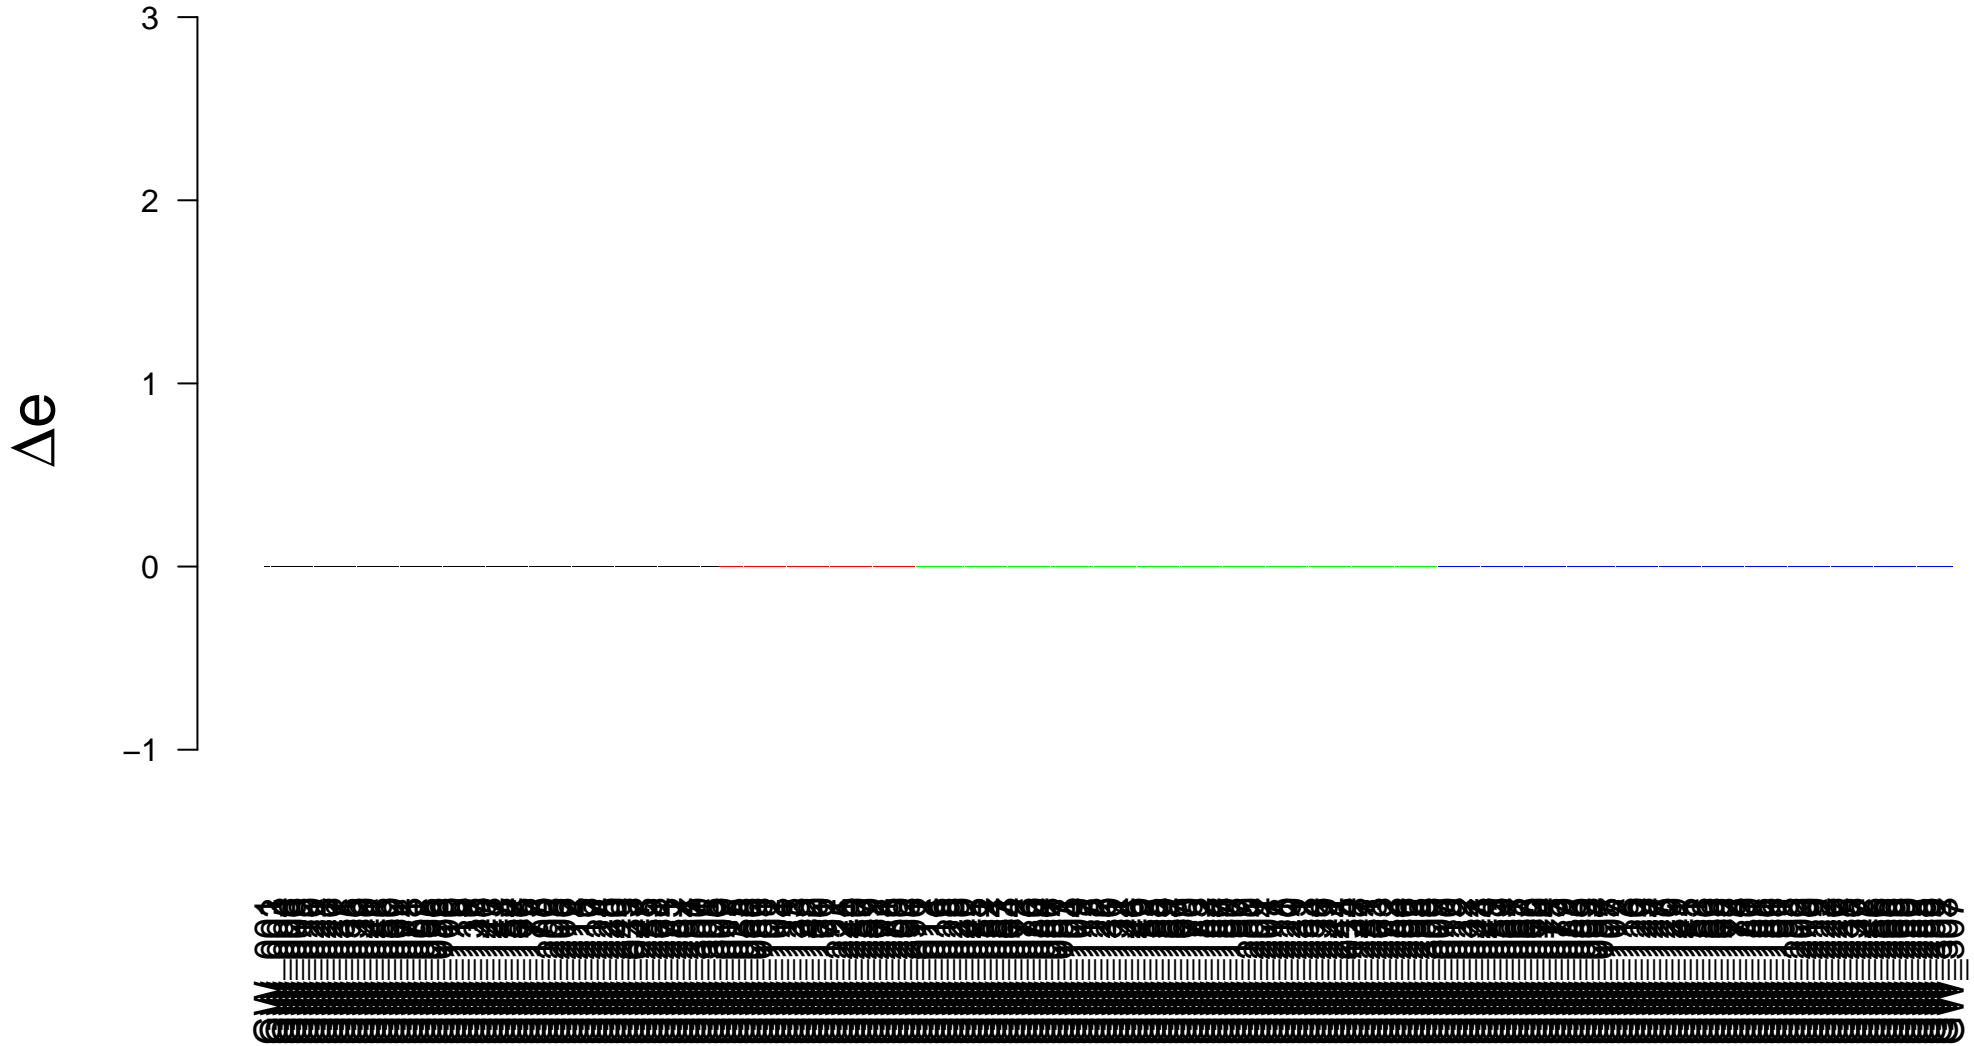

### Enrichment in spots: microvillus membrane

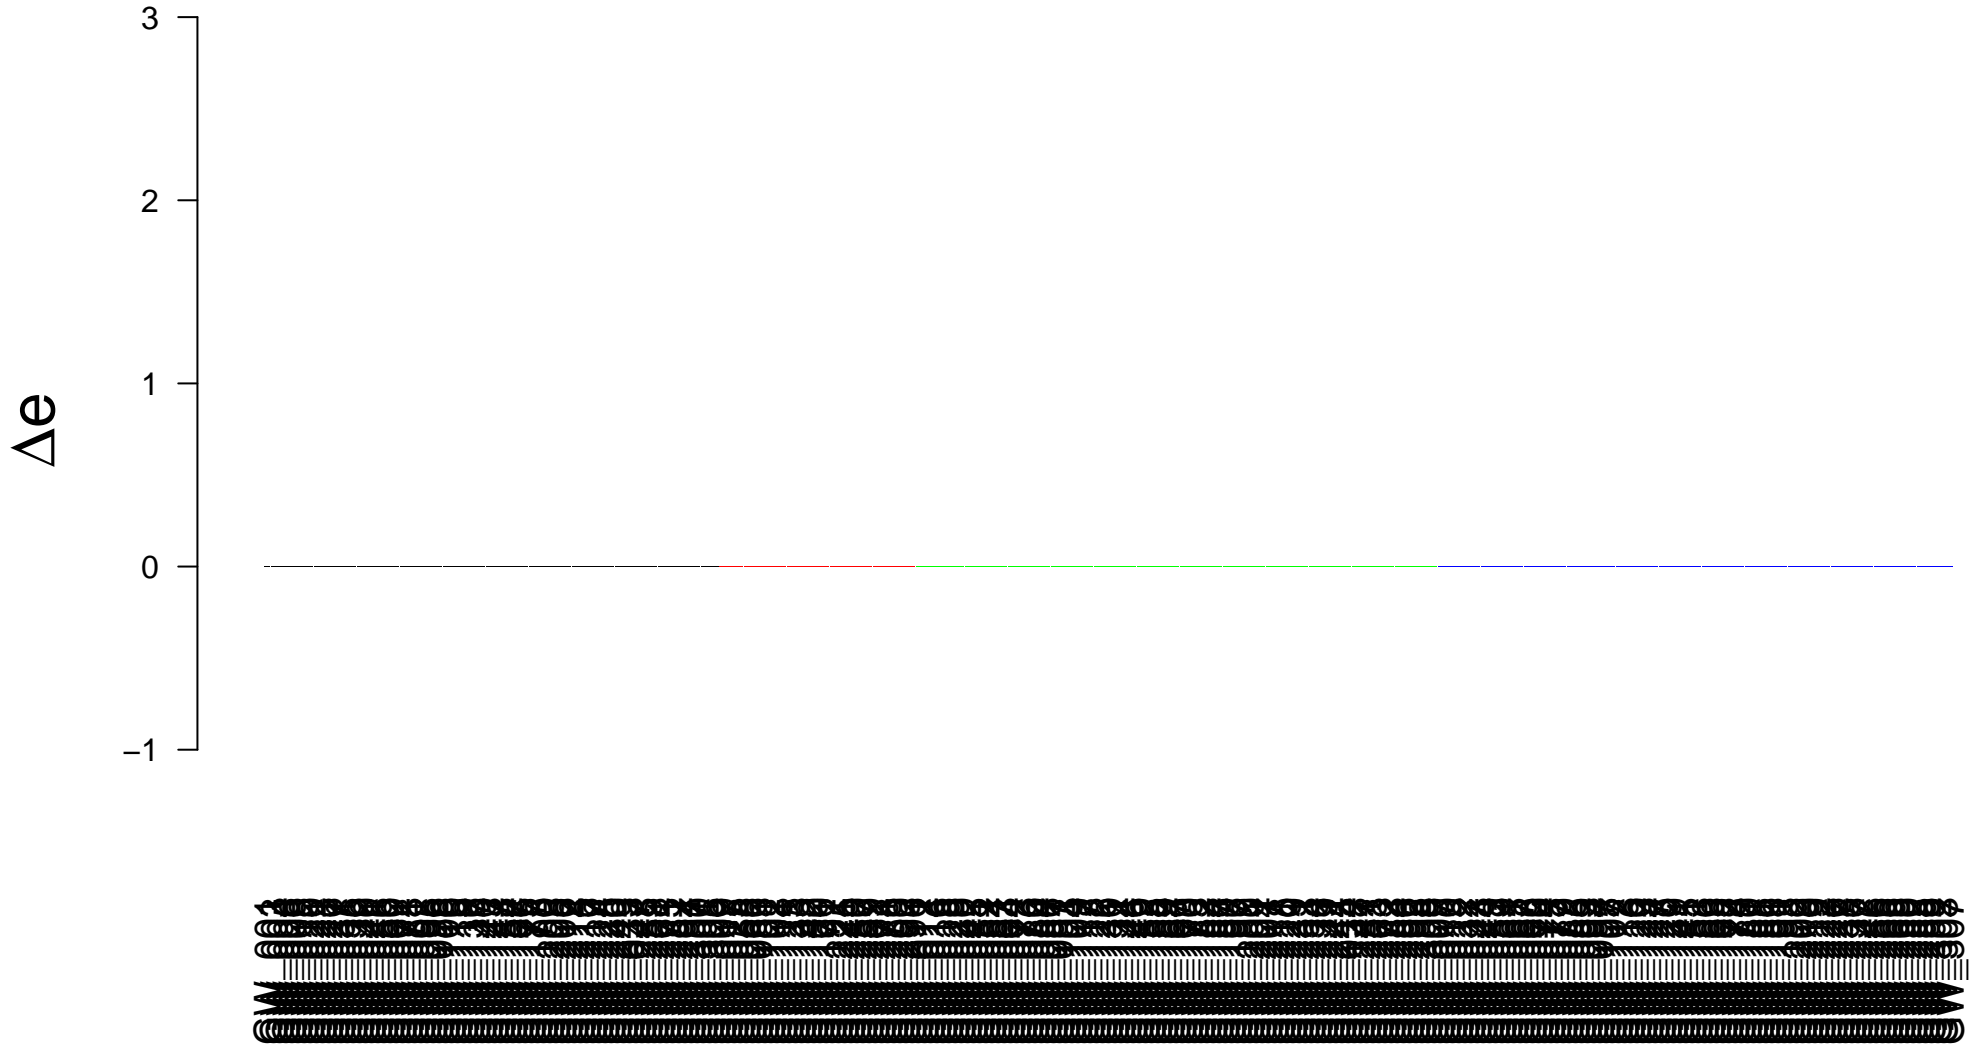

# Expression of microvillus membrane in Spot A

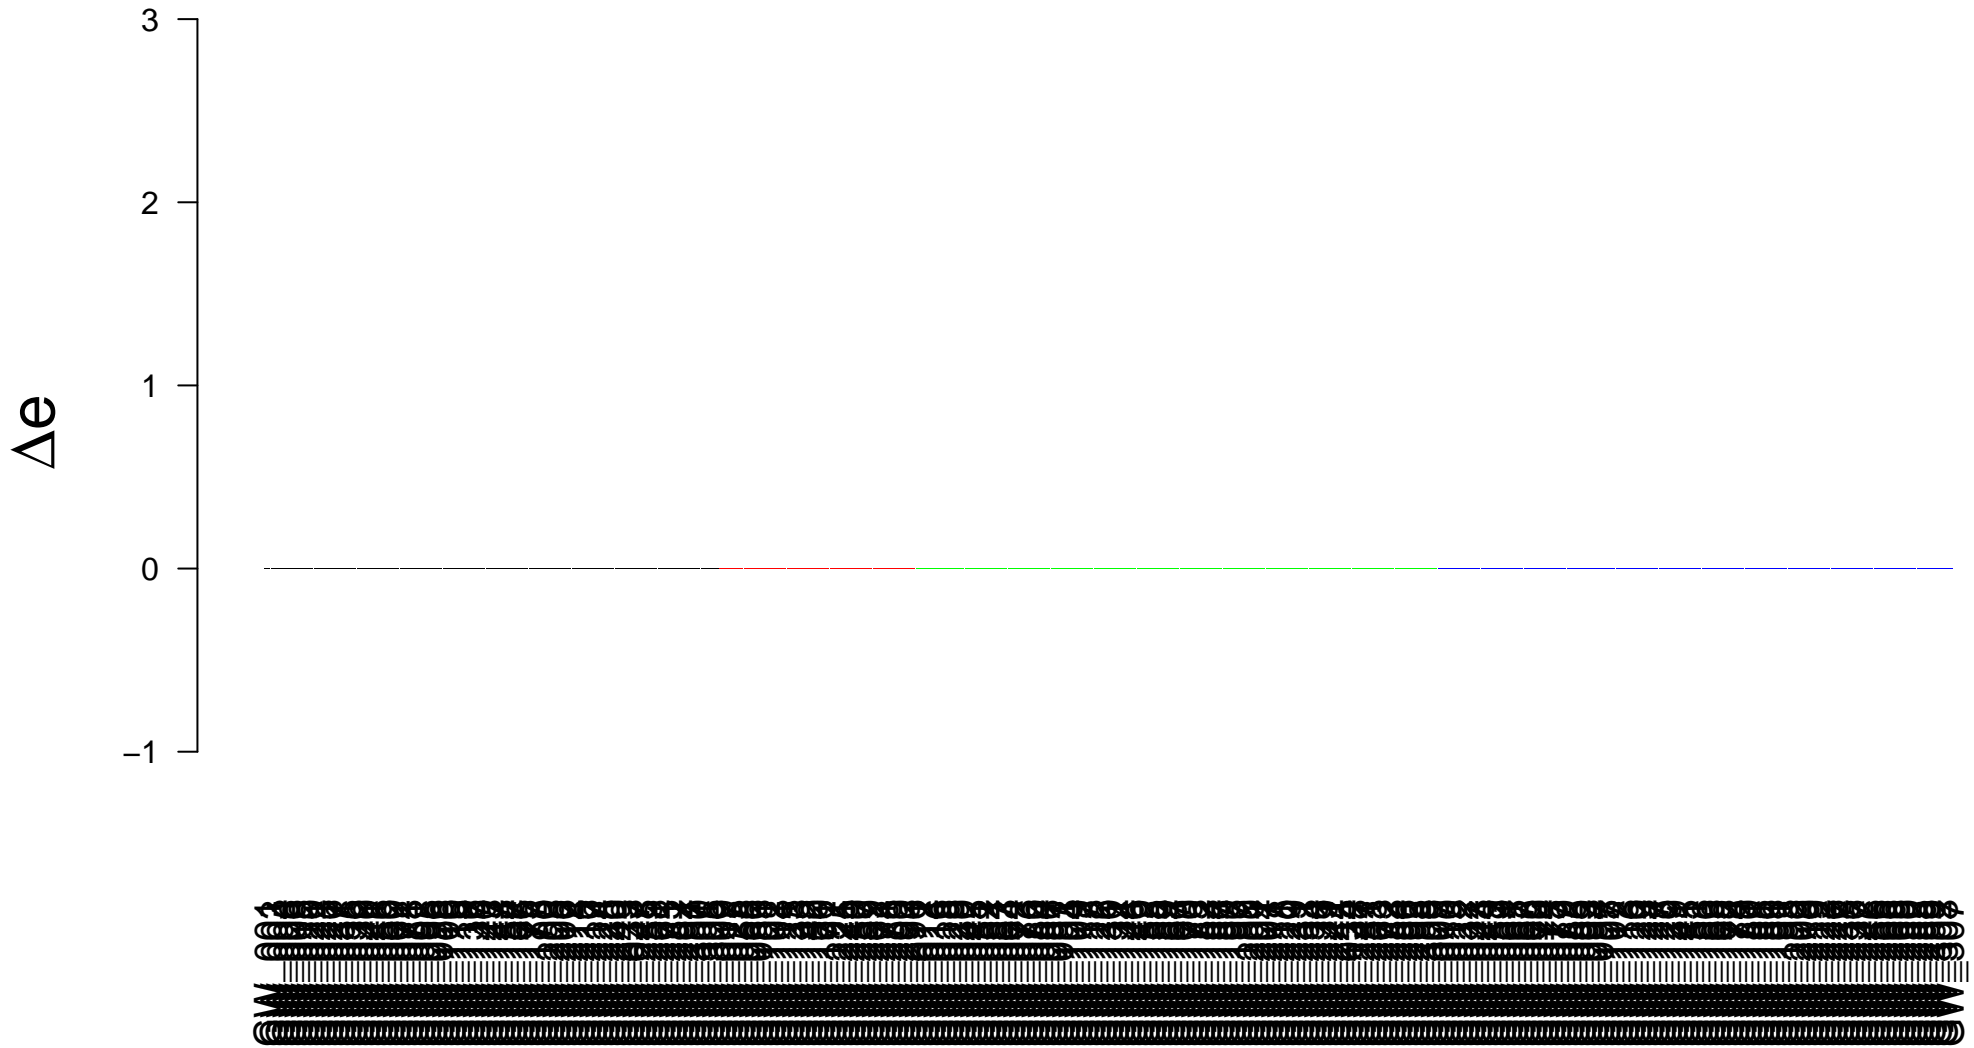

# Expression of microvillus membrane in Spot B

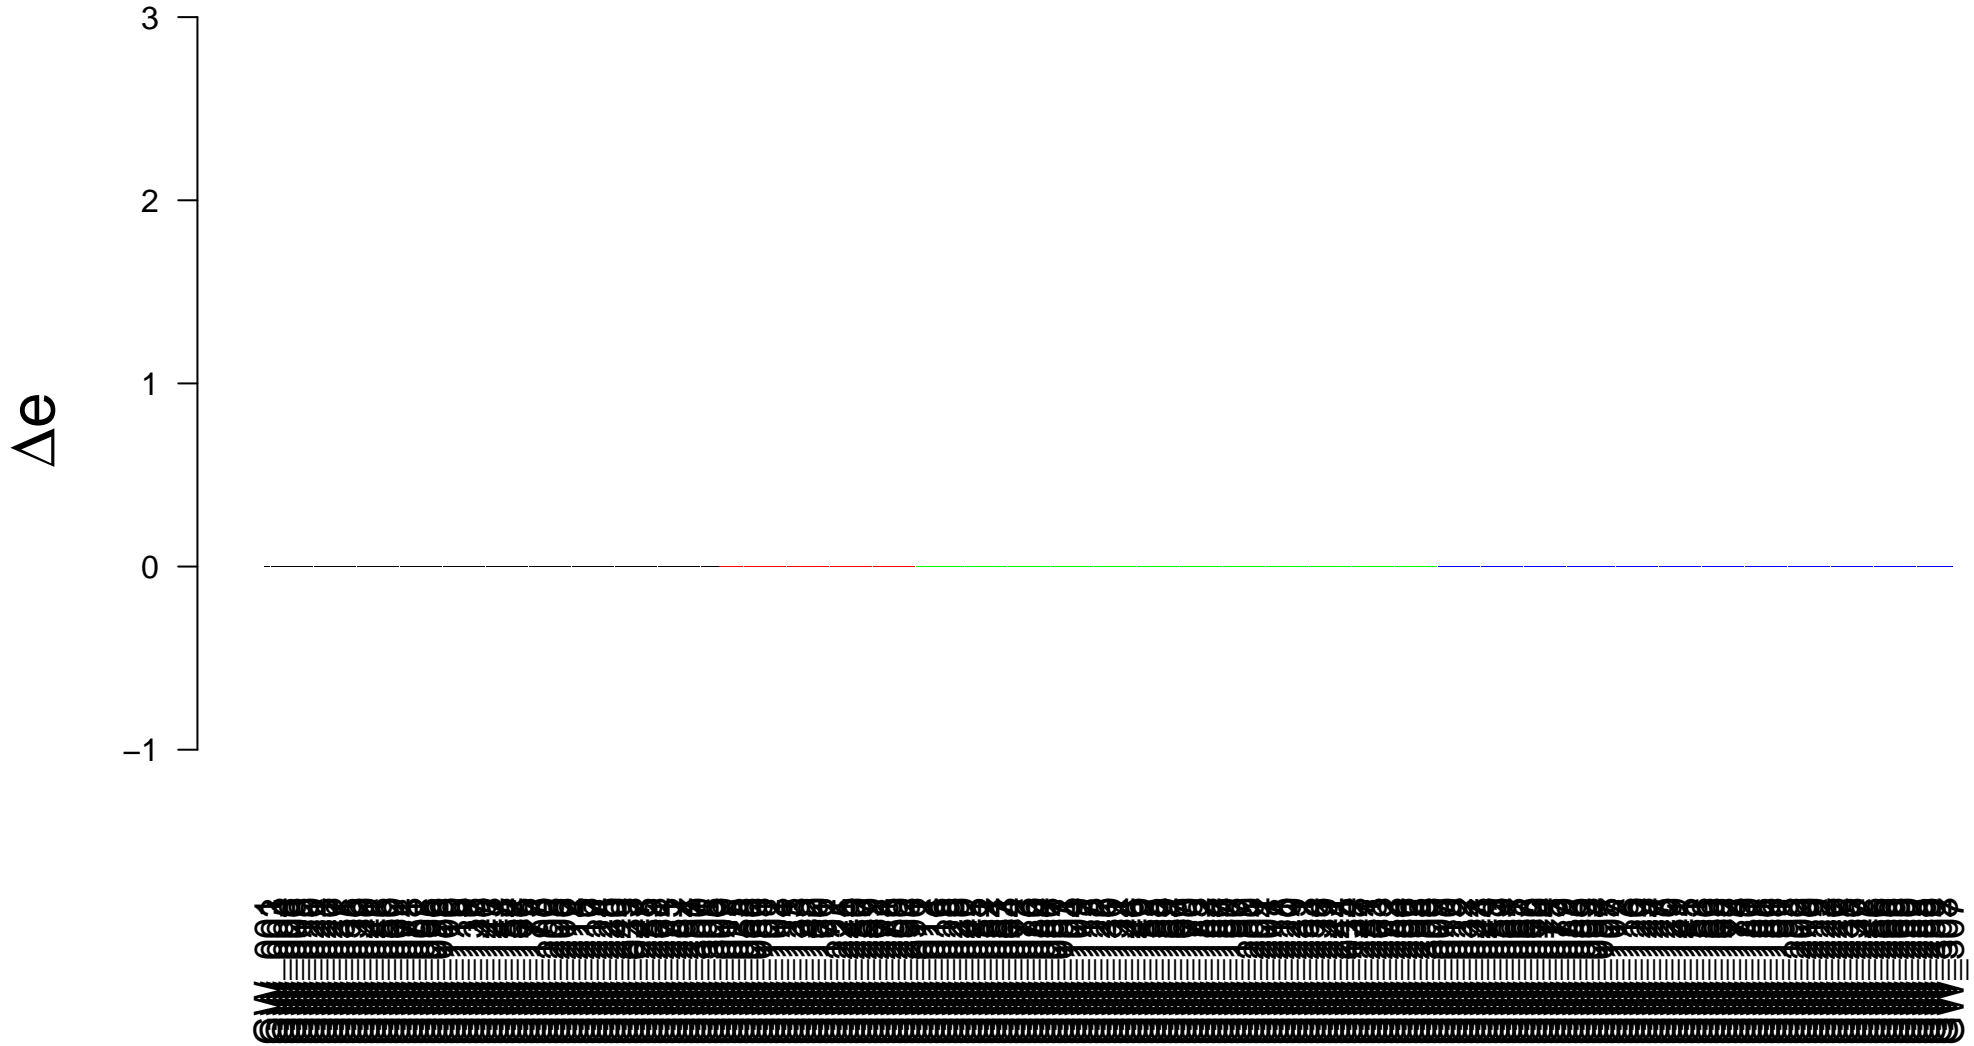

# Expression of microvillus membrane in Spot C

# Expression of microvillus membrane in Spot D

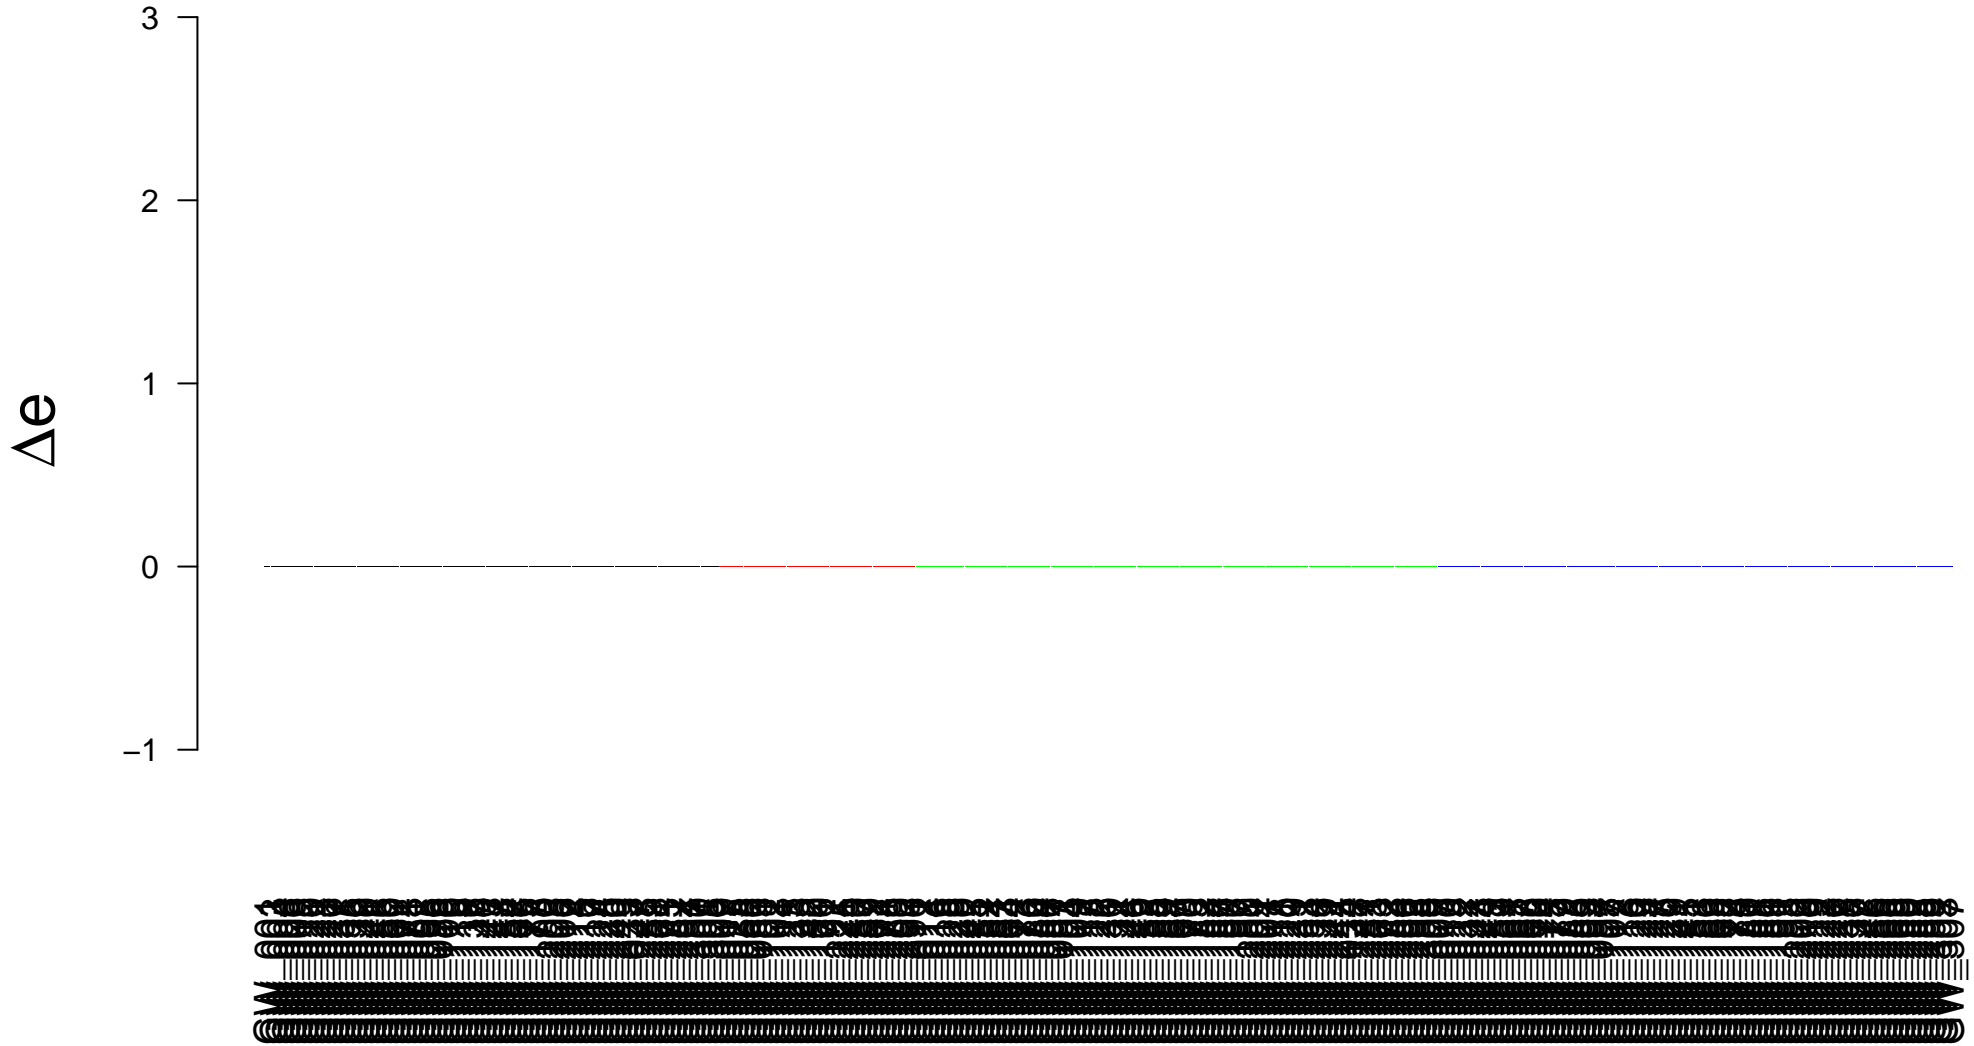

# Expression of microvillus membrane in Spot E

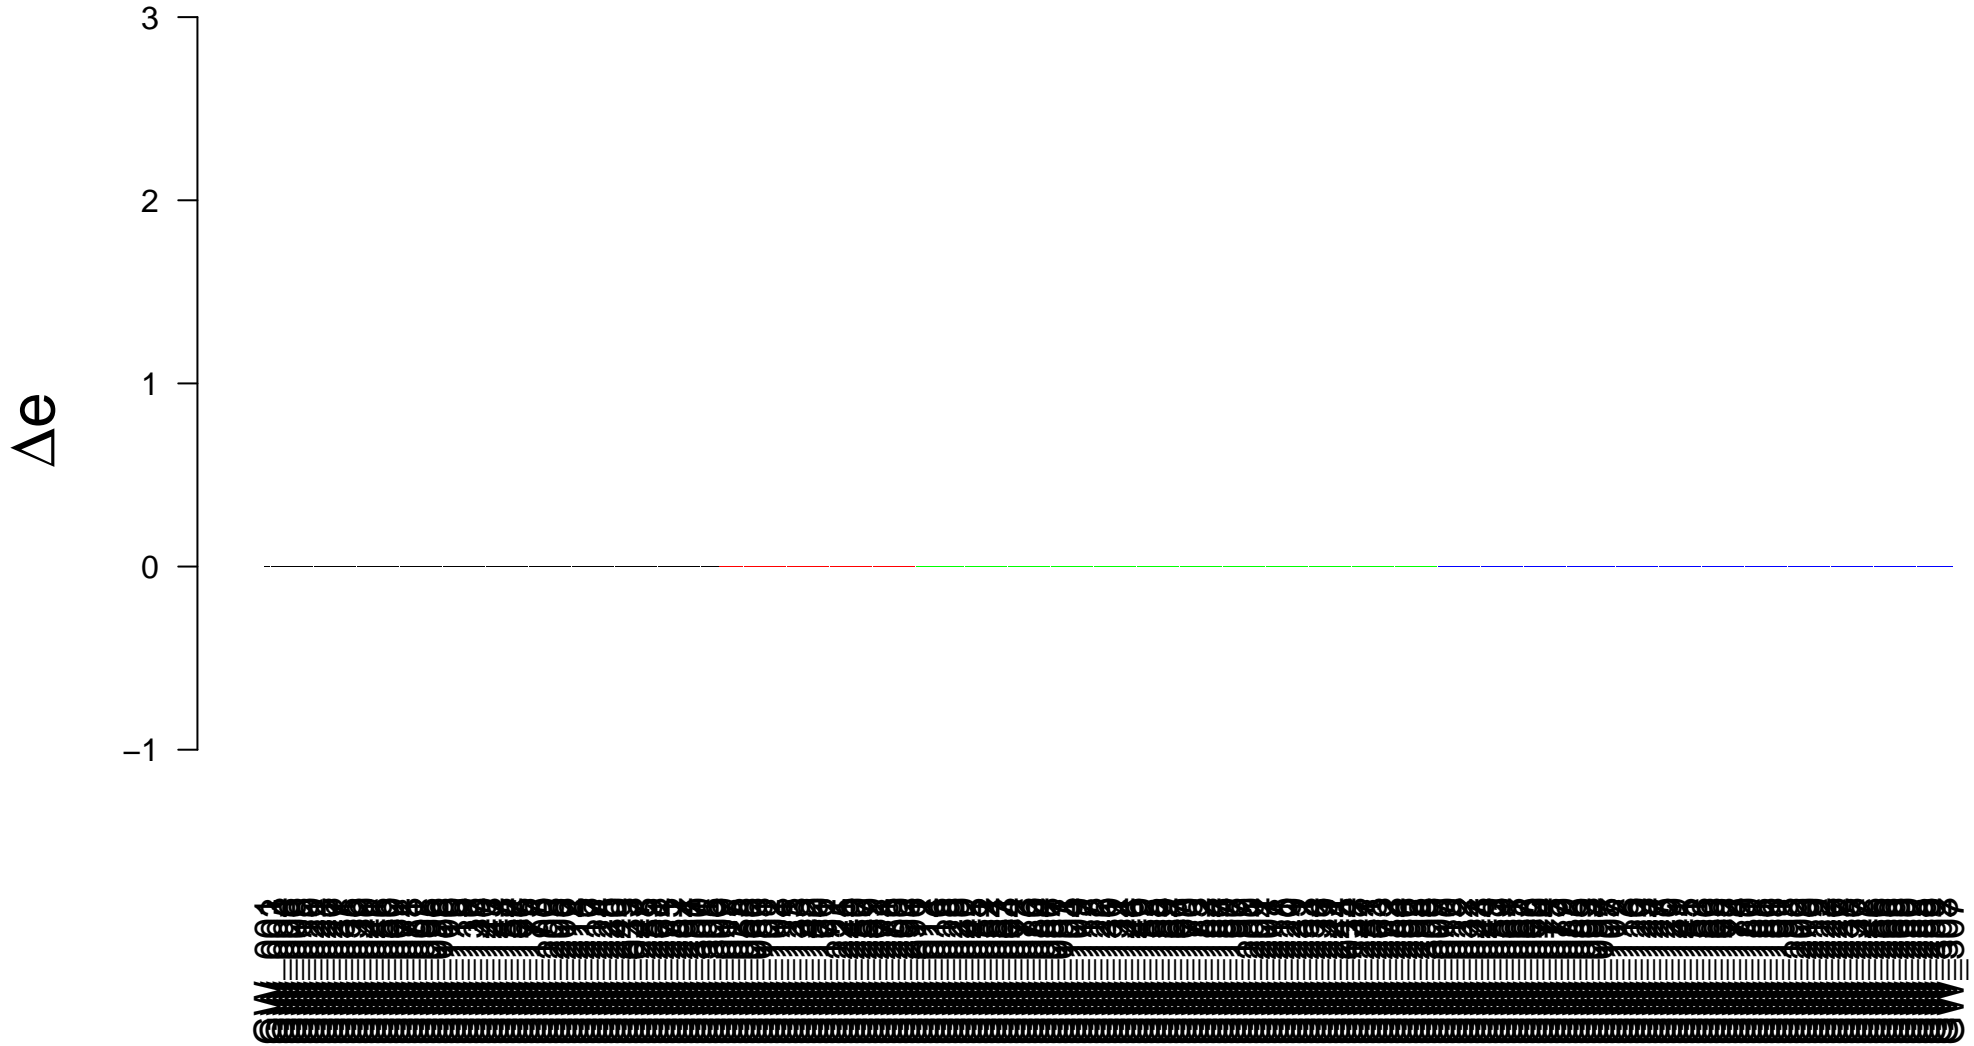

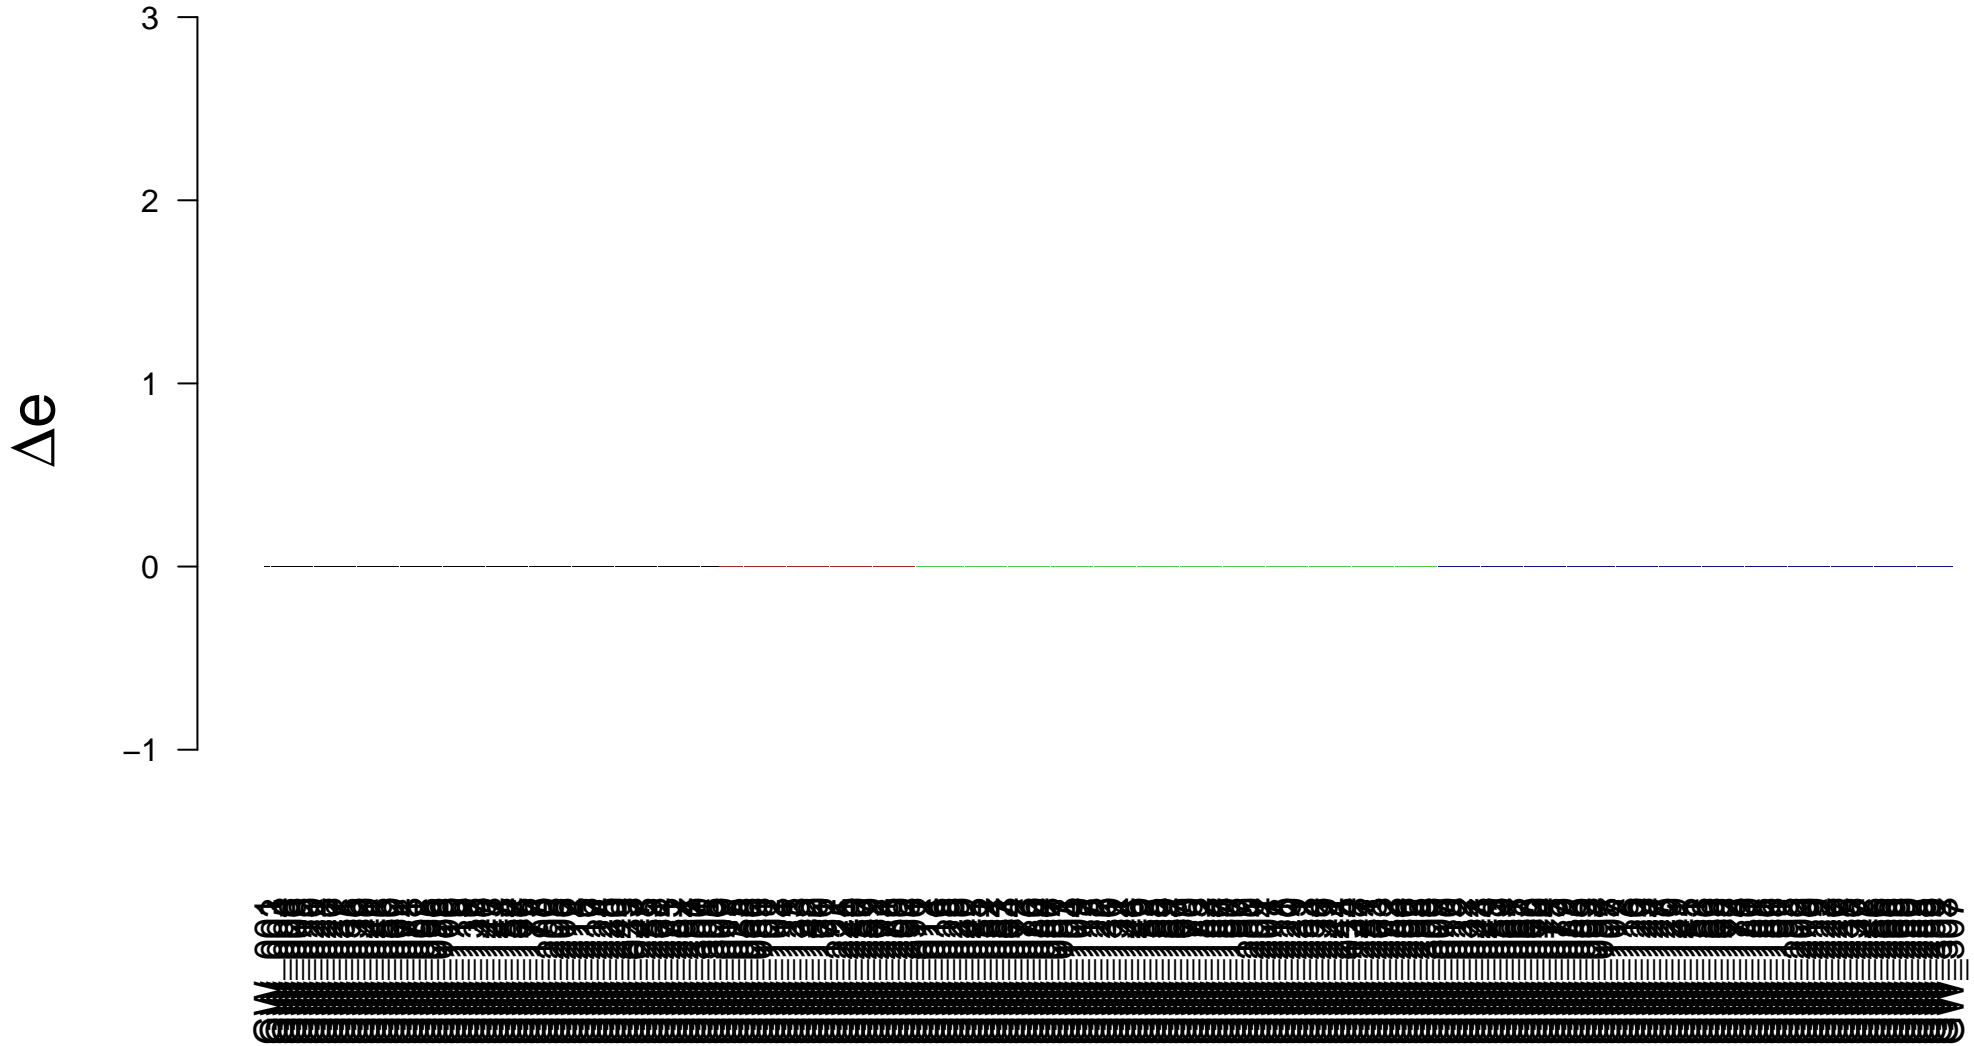

# Expression of microvillus membrane in Spot F

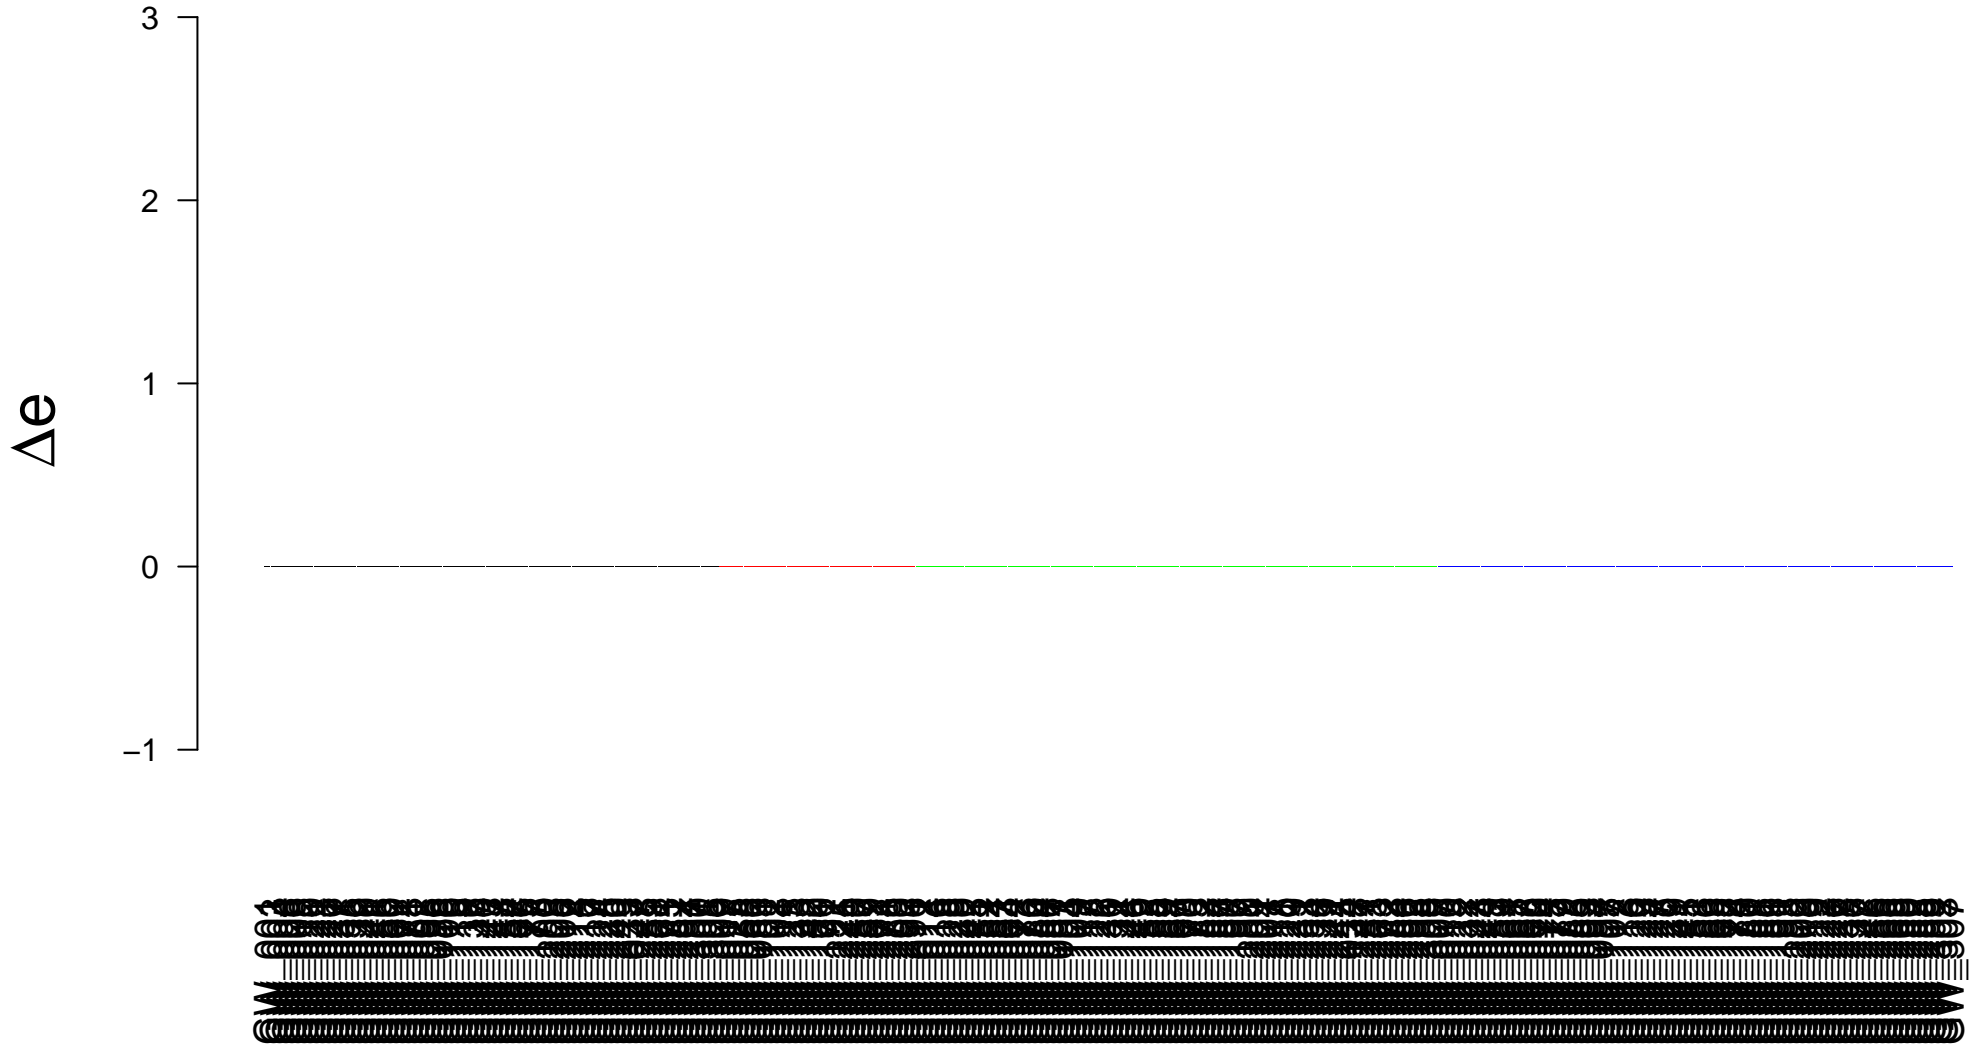

# Expression of microvillus membrane in Spot G

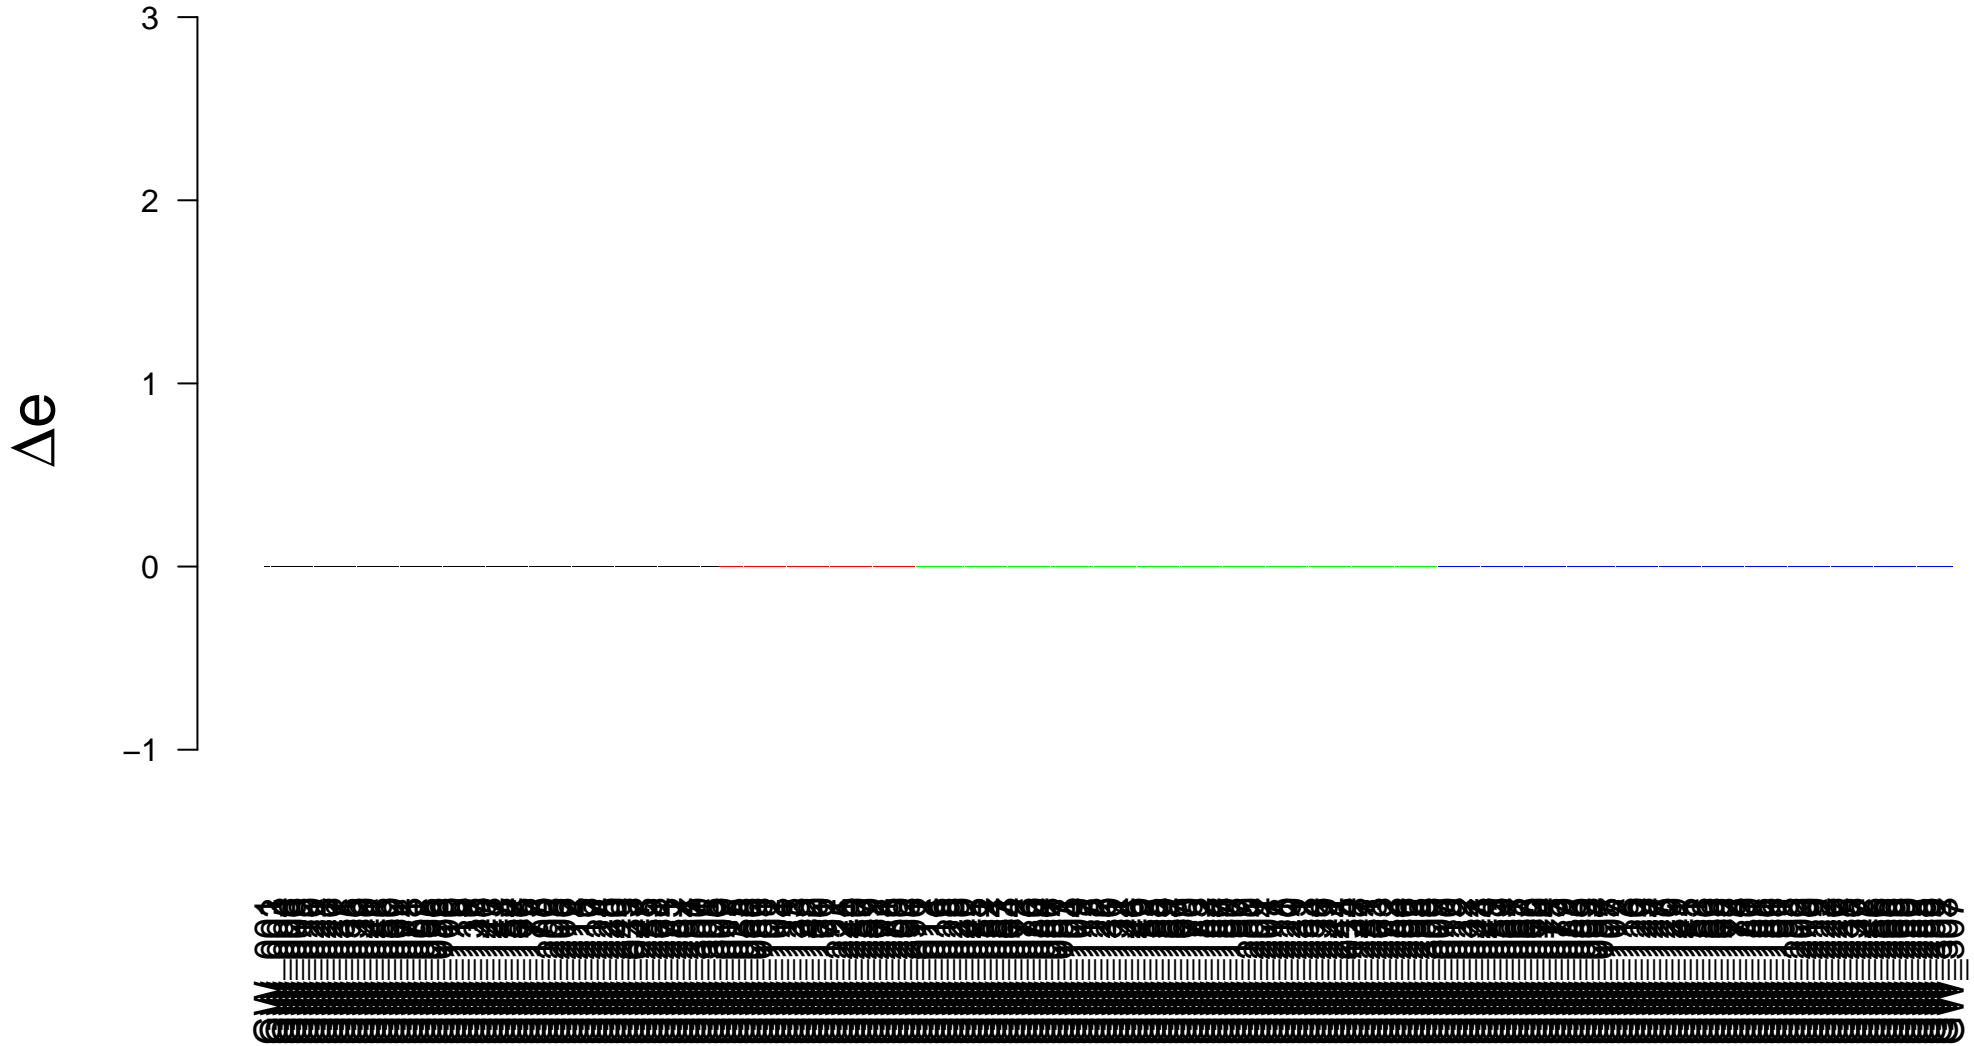

# Expression of microvillus membrane in Spot H

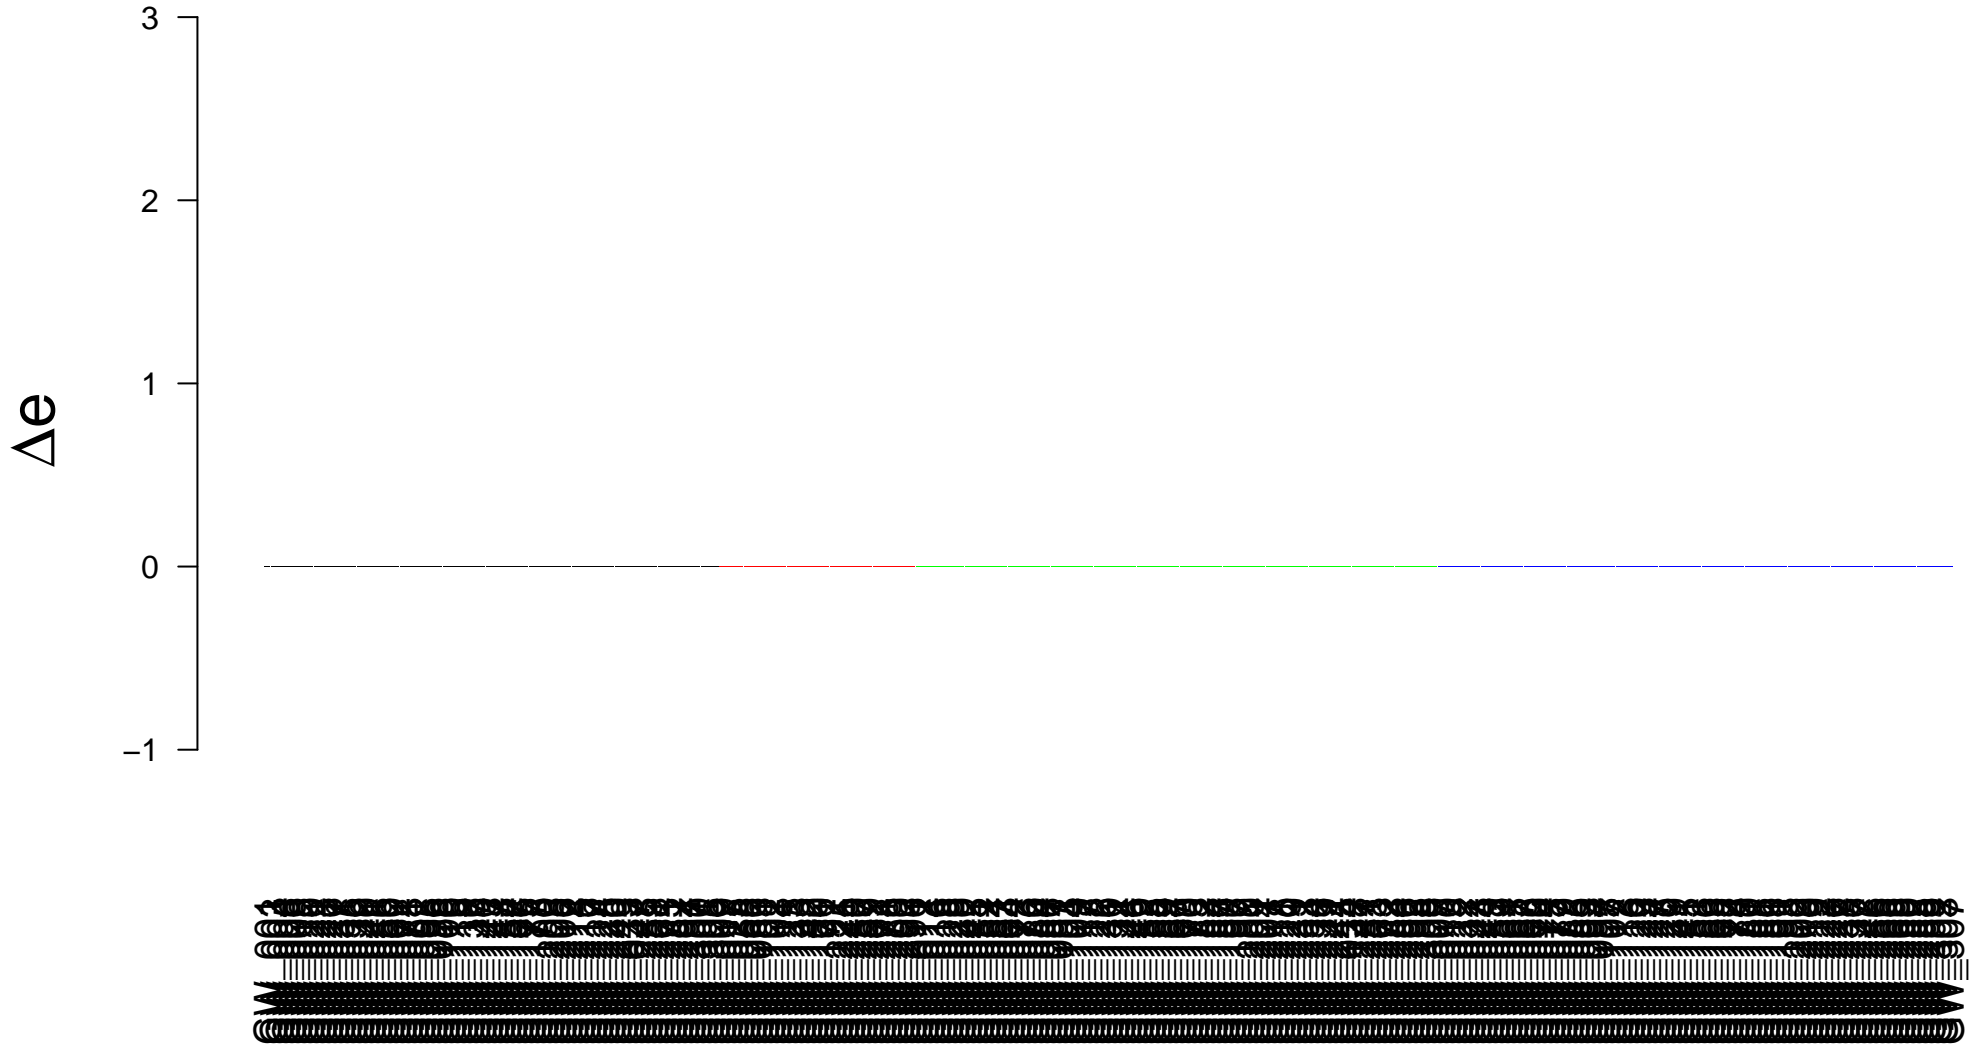

# Expression of microvillus membrane in Spot I

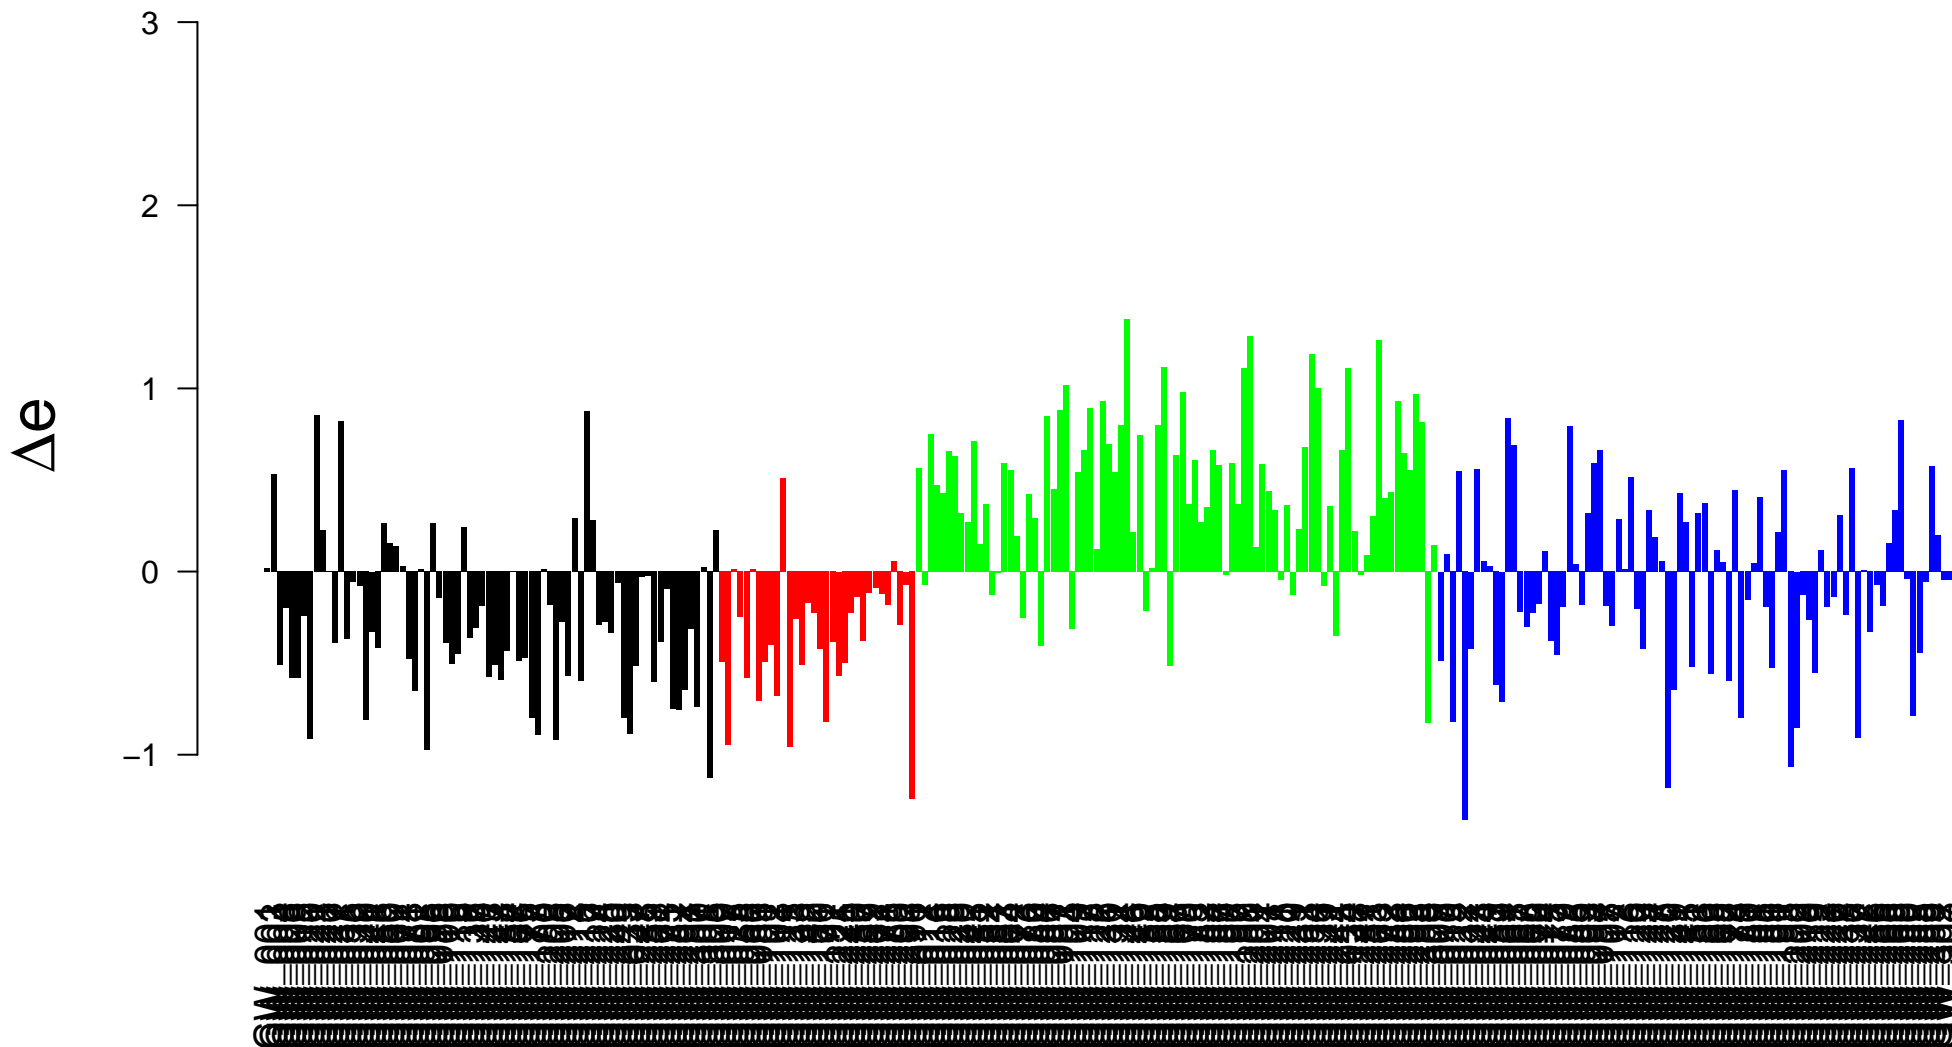

# Expression of microvillus membrane in Spot J

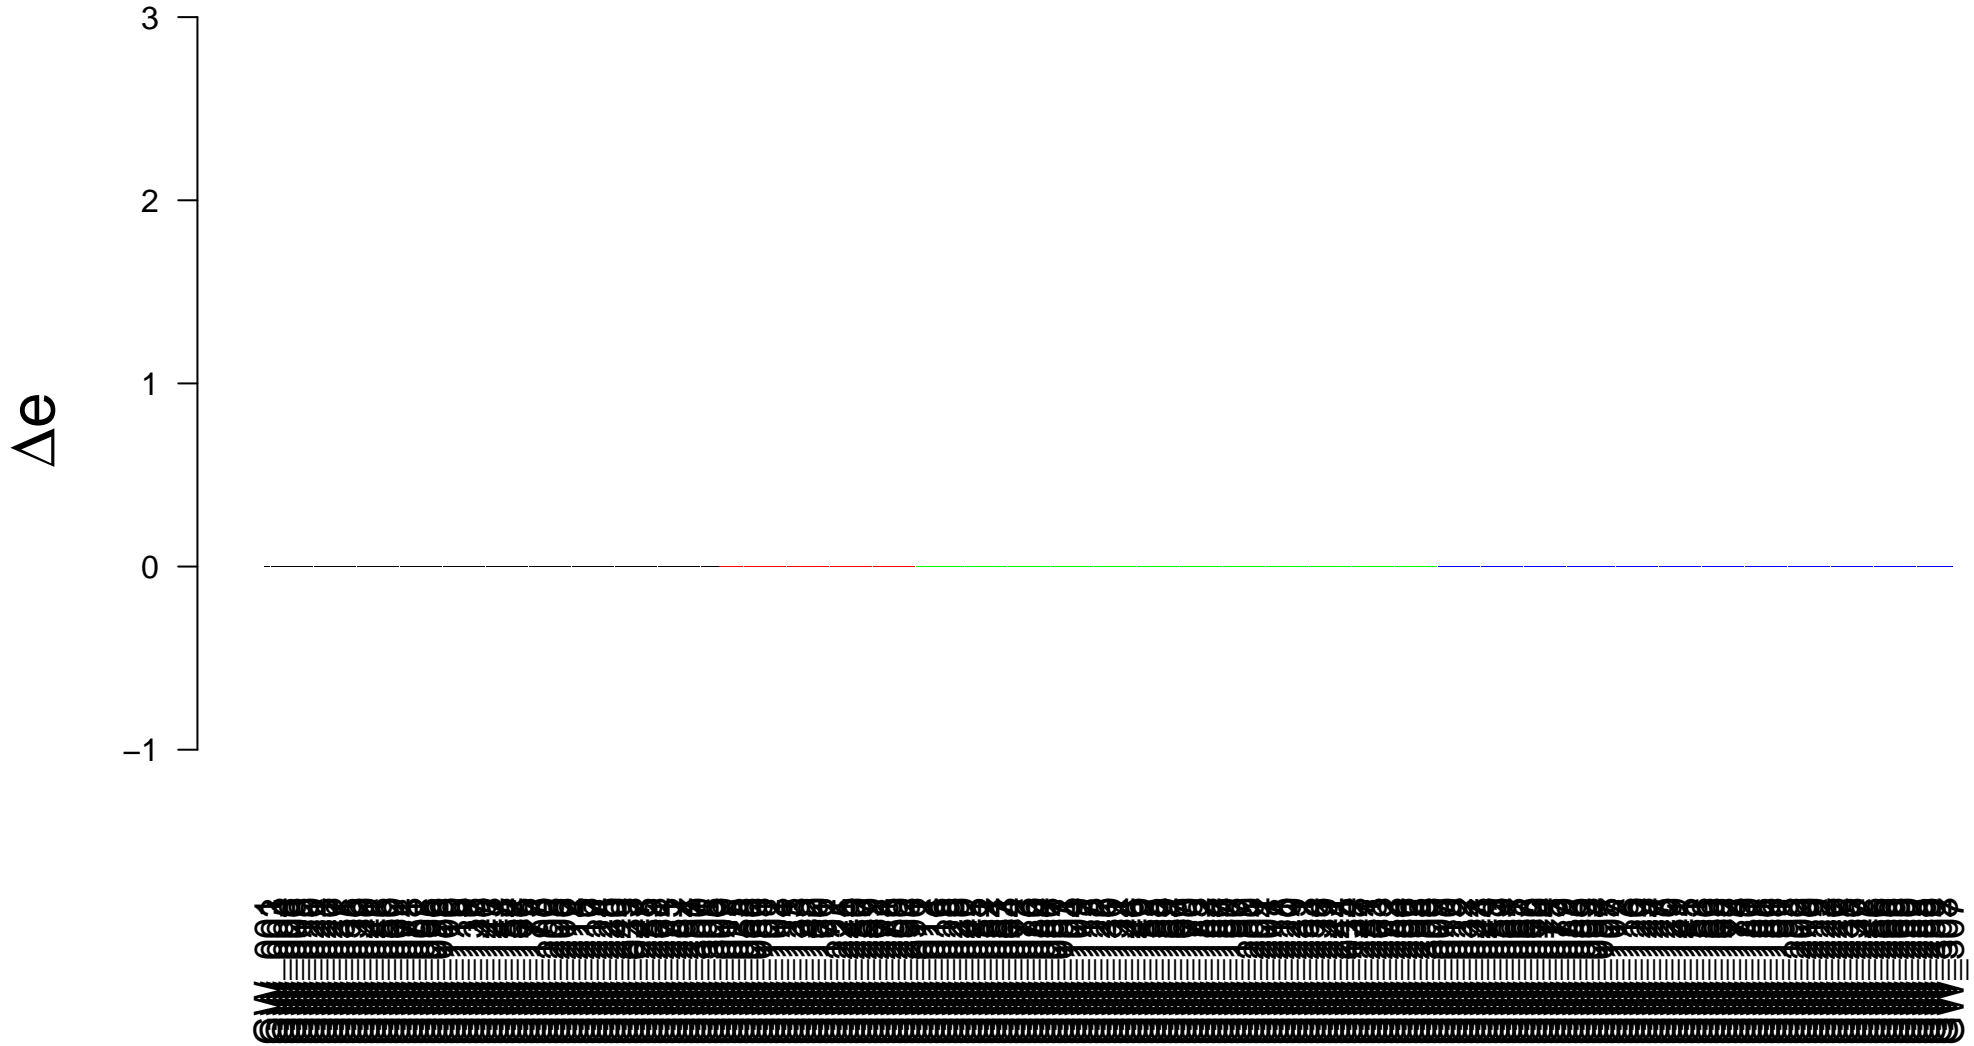

# Expression of microvillus membrane in Spot K

# Expression of microvillus membrane in Spot L

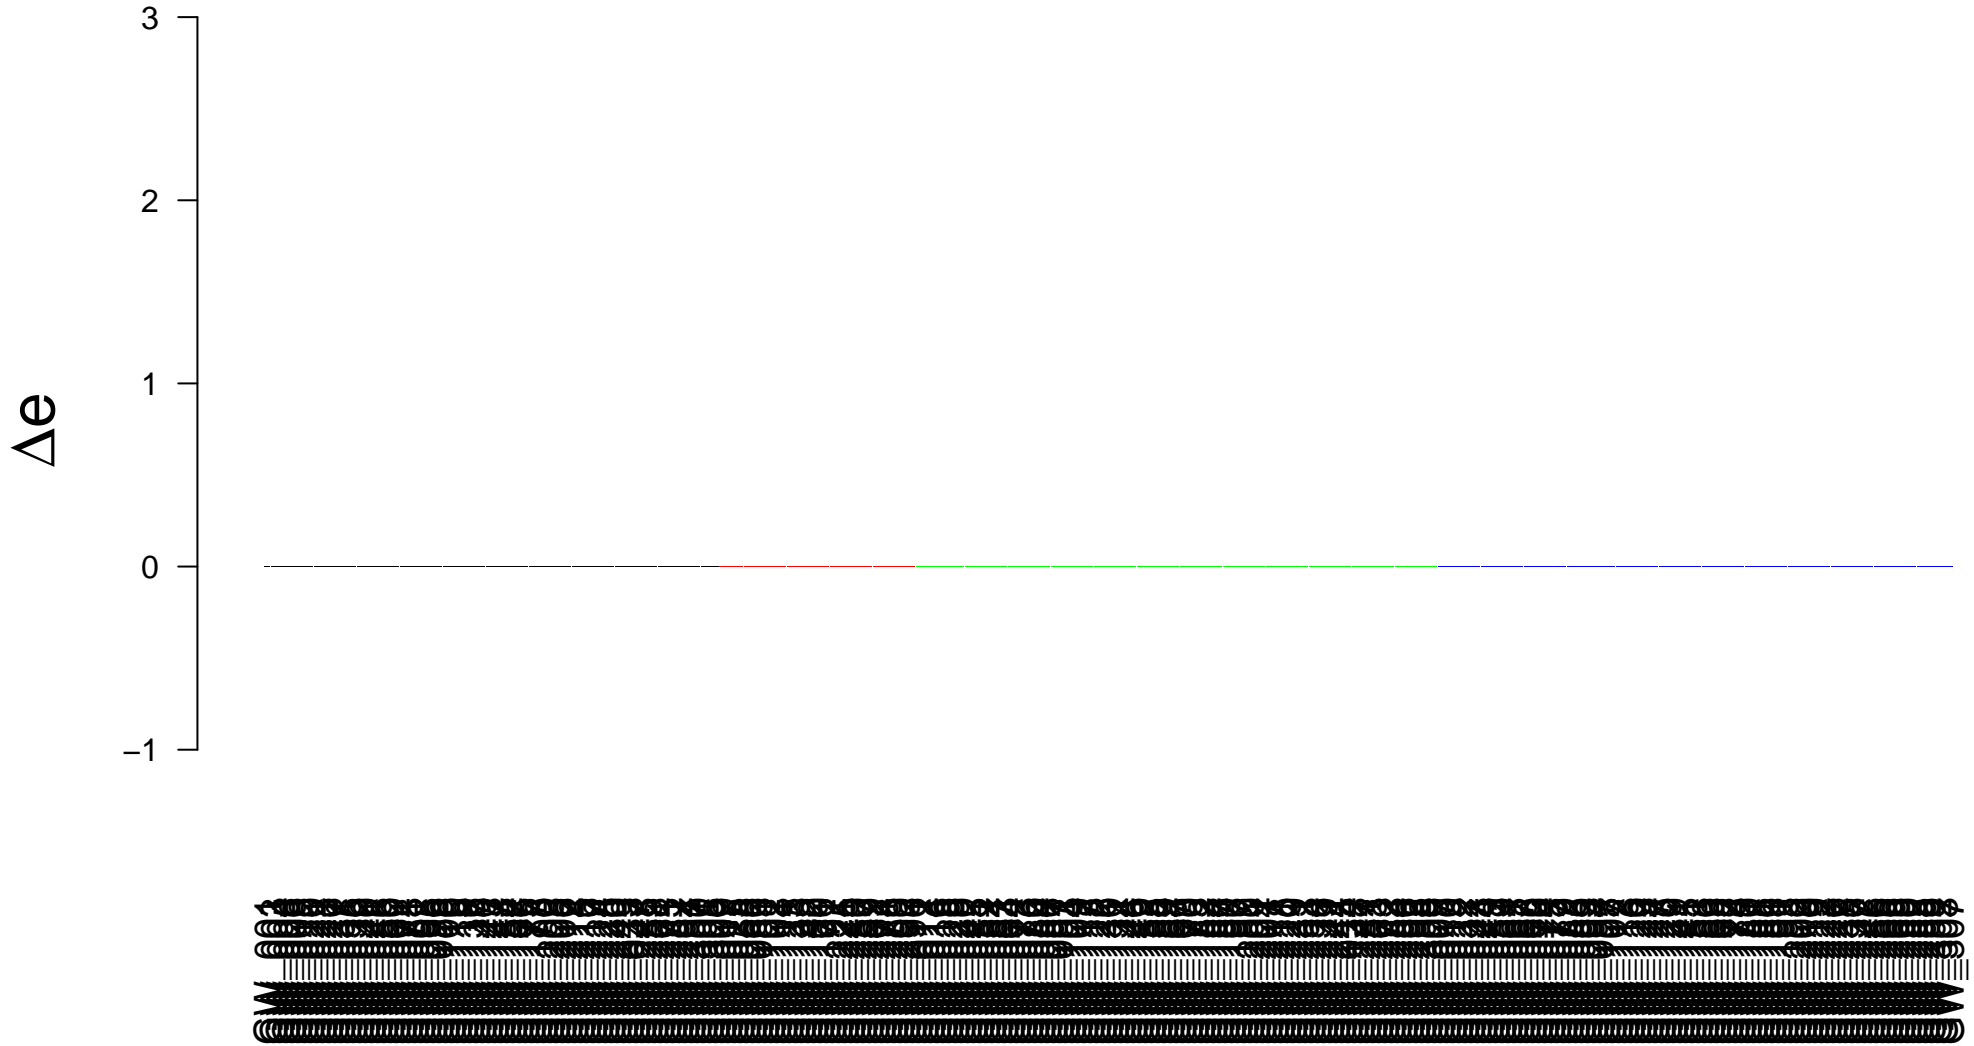

# Expression of microvillus membrane in Spot M

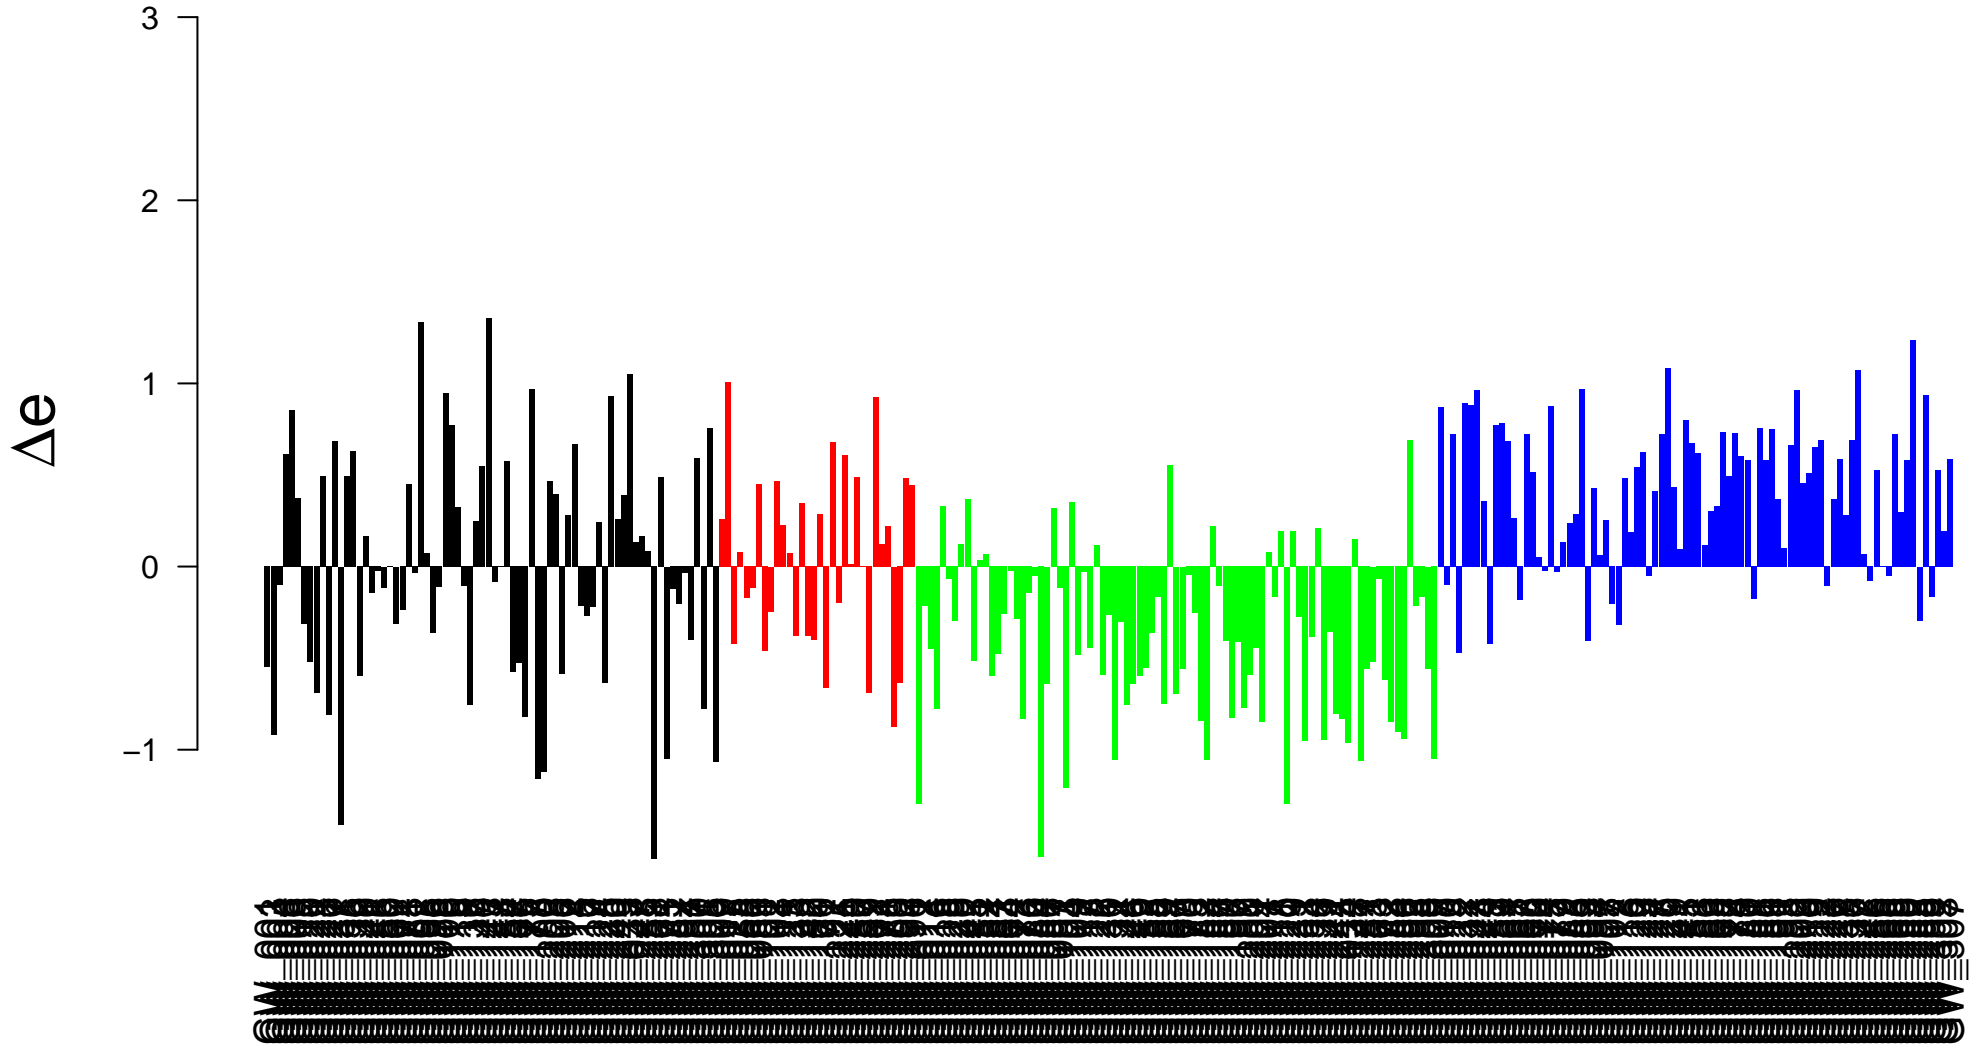

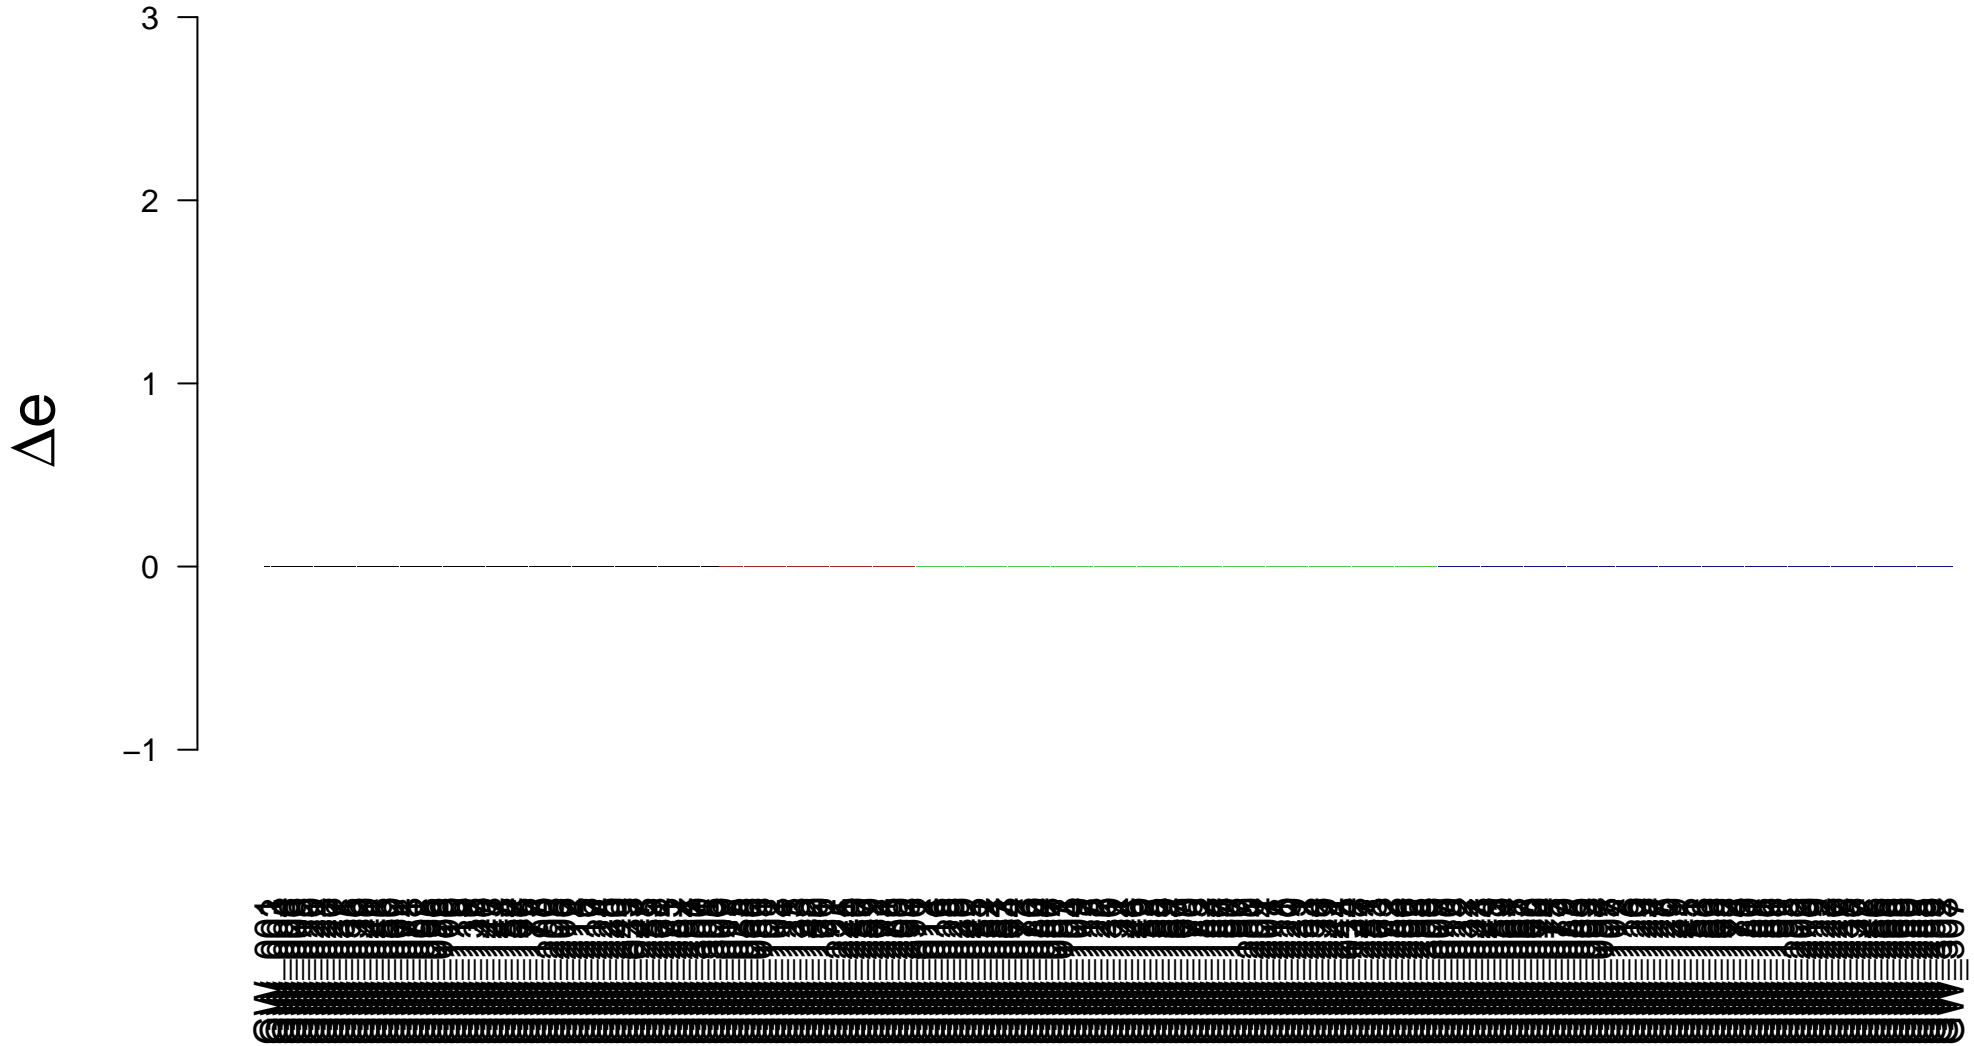

# Expression of microvillus membrane in Spot N

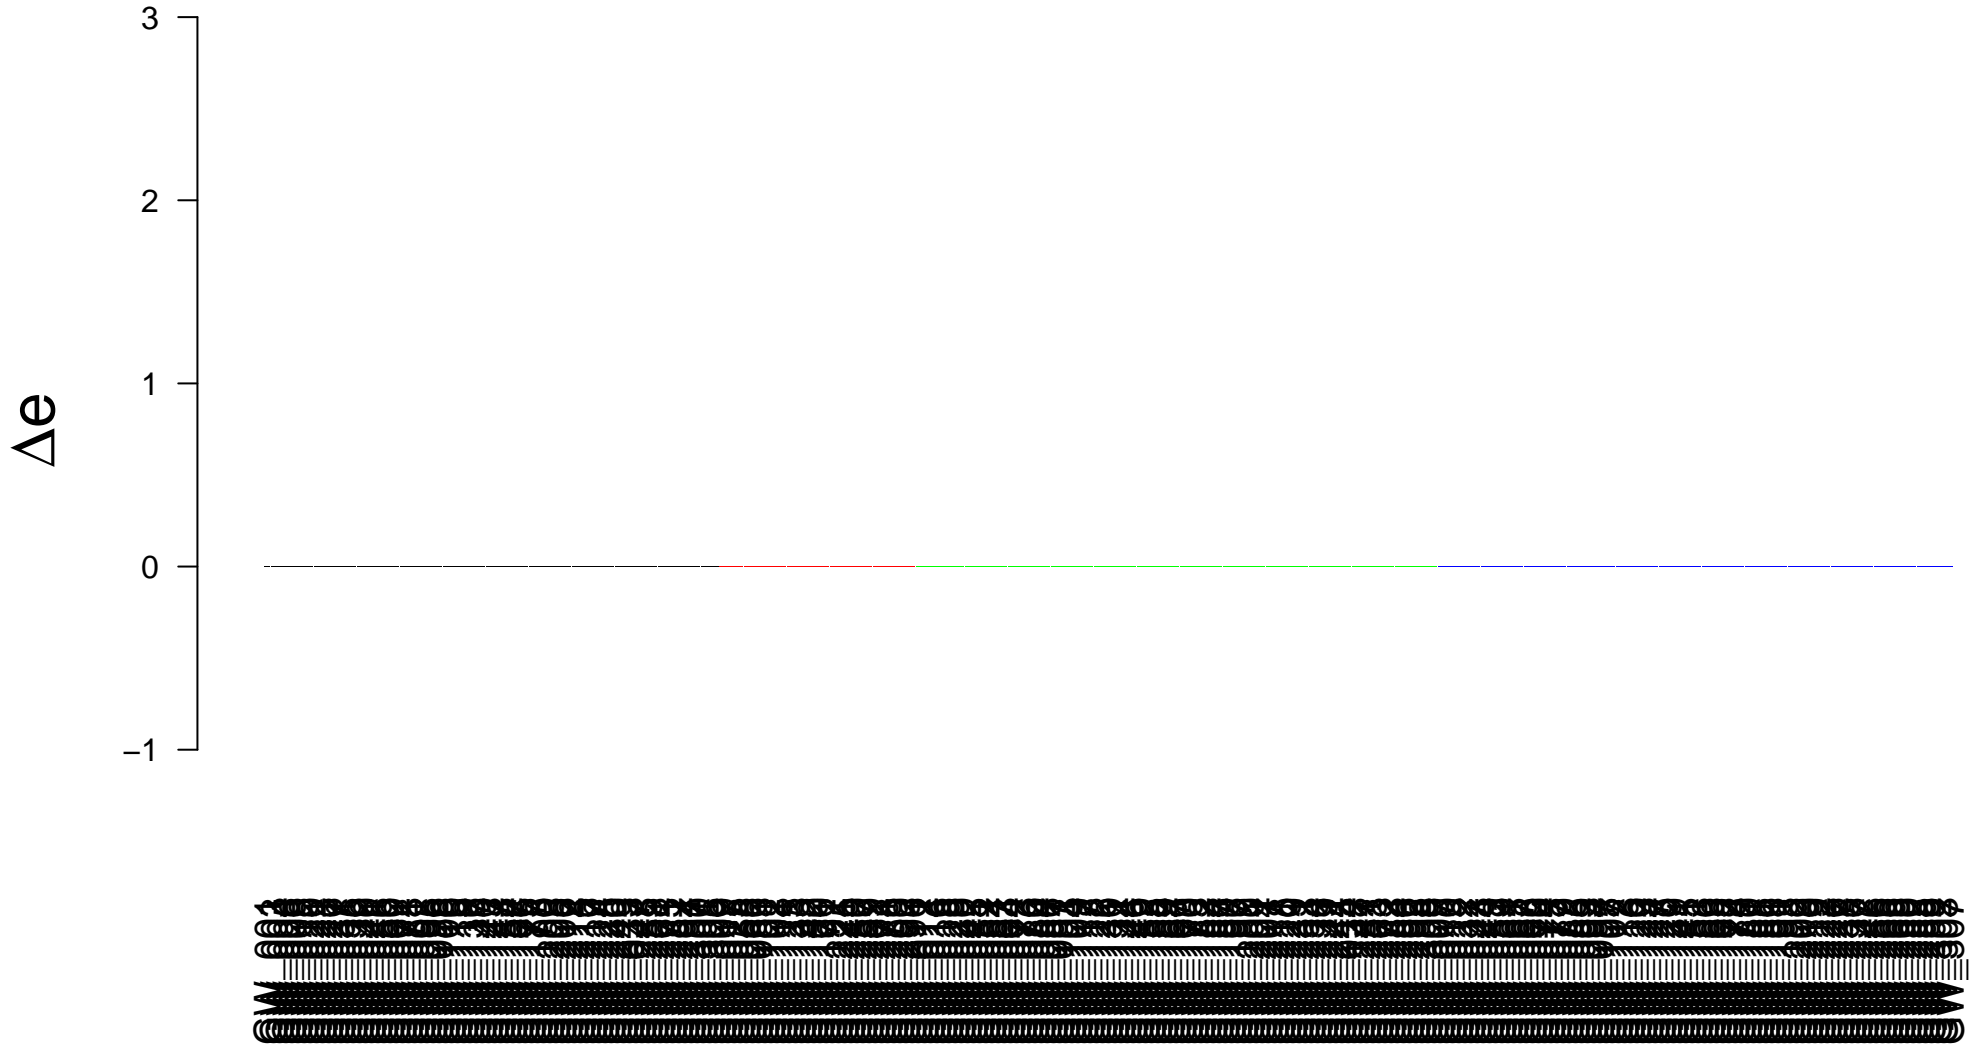

# Expression of microvillus membrane in Spot O

# Expression of microvillus membrane in Spot P

# Expression of microvillus membrane in Spot Q

# Expression of microvillus membrane in Spot R
