

mitochondrial ATP synthesis coupled proton transport

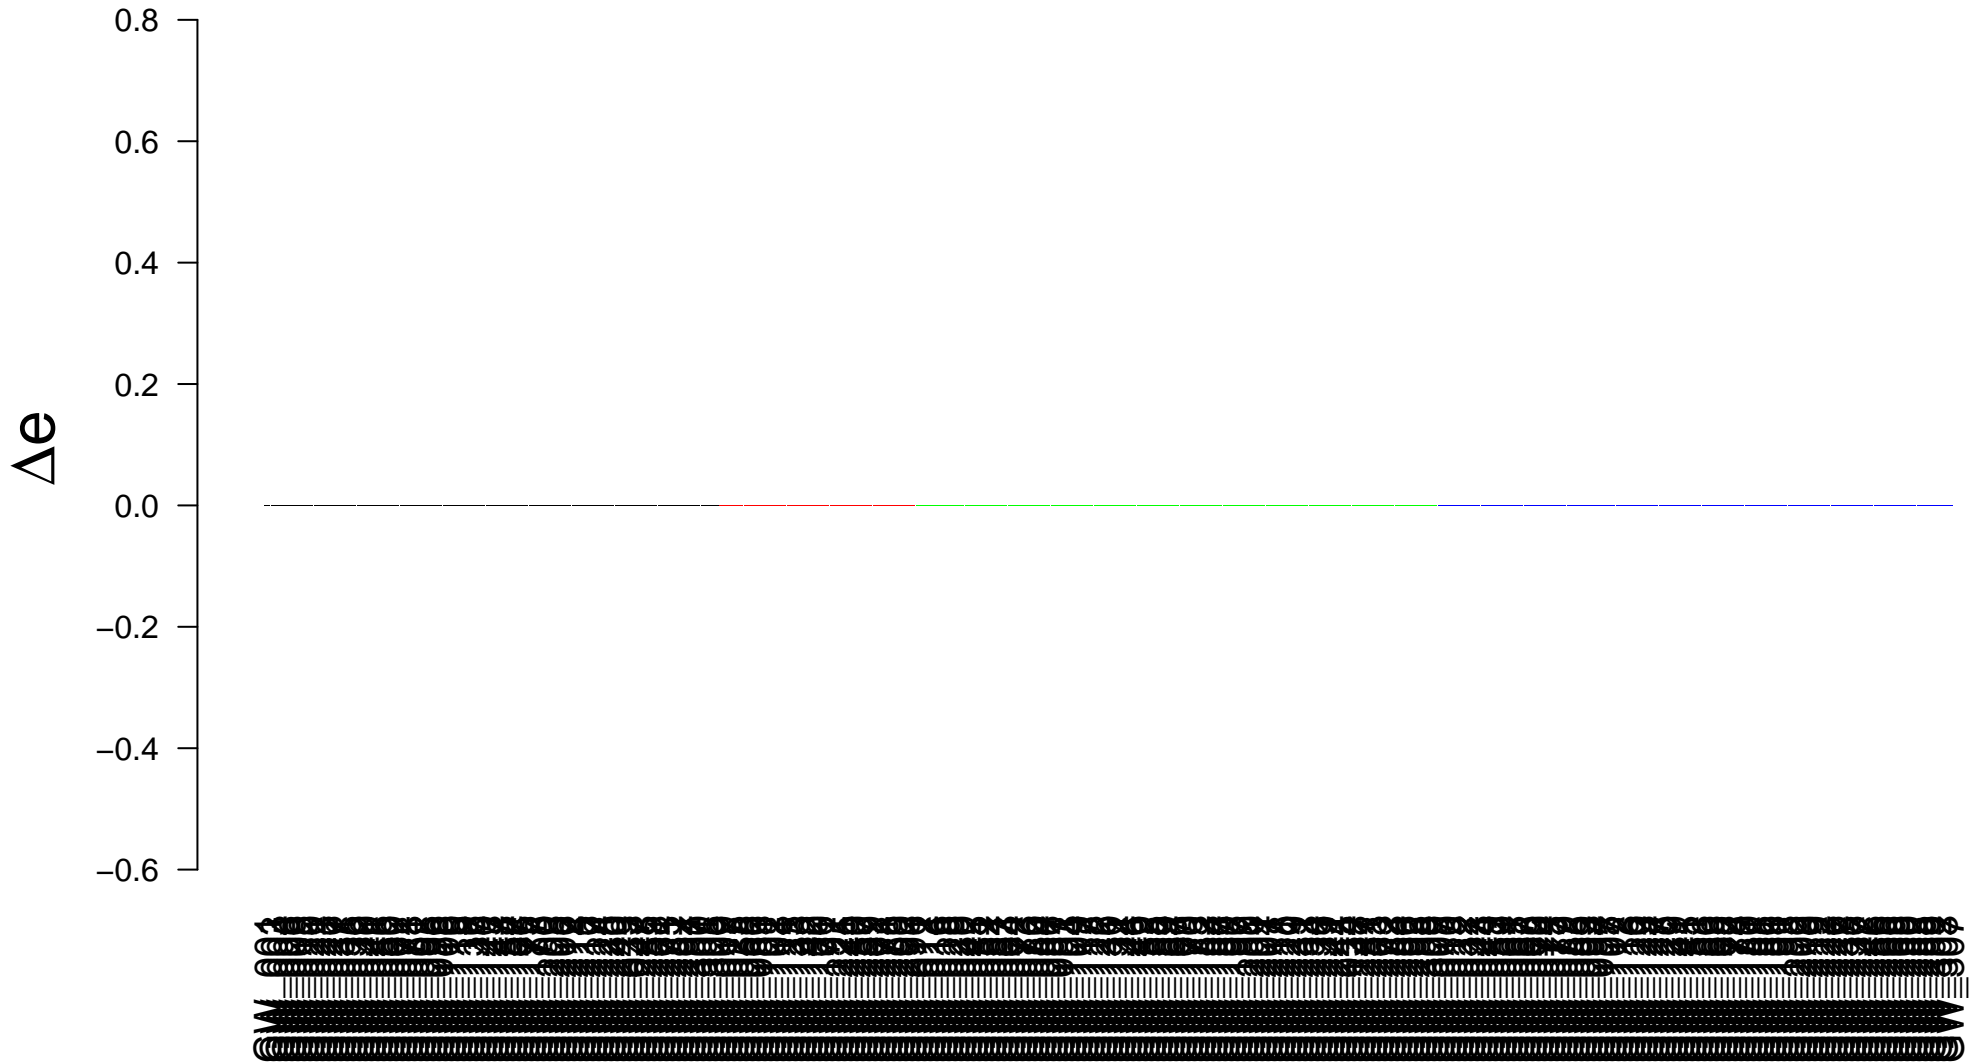

mitochondrial ATP synthesis coupled proton transport

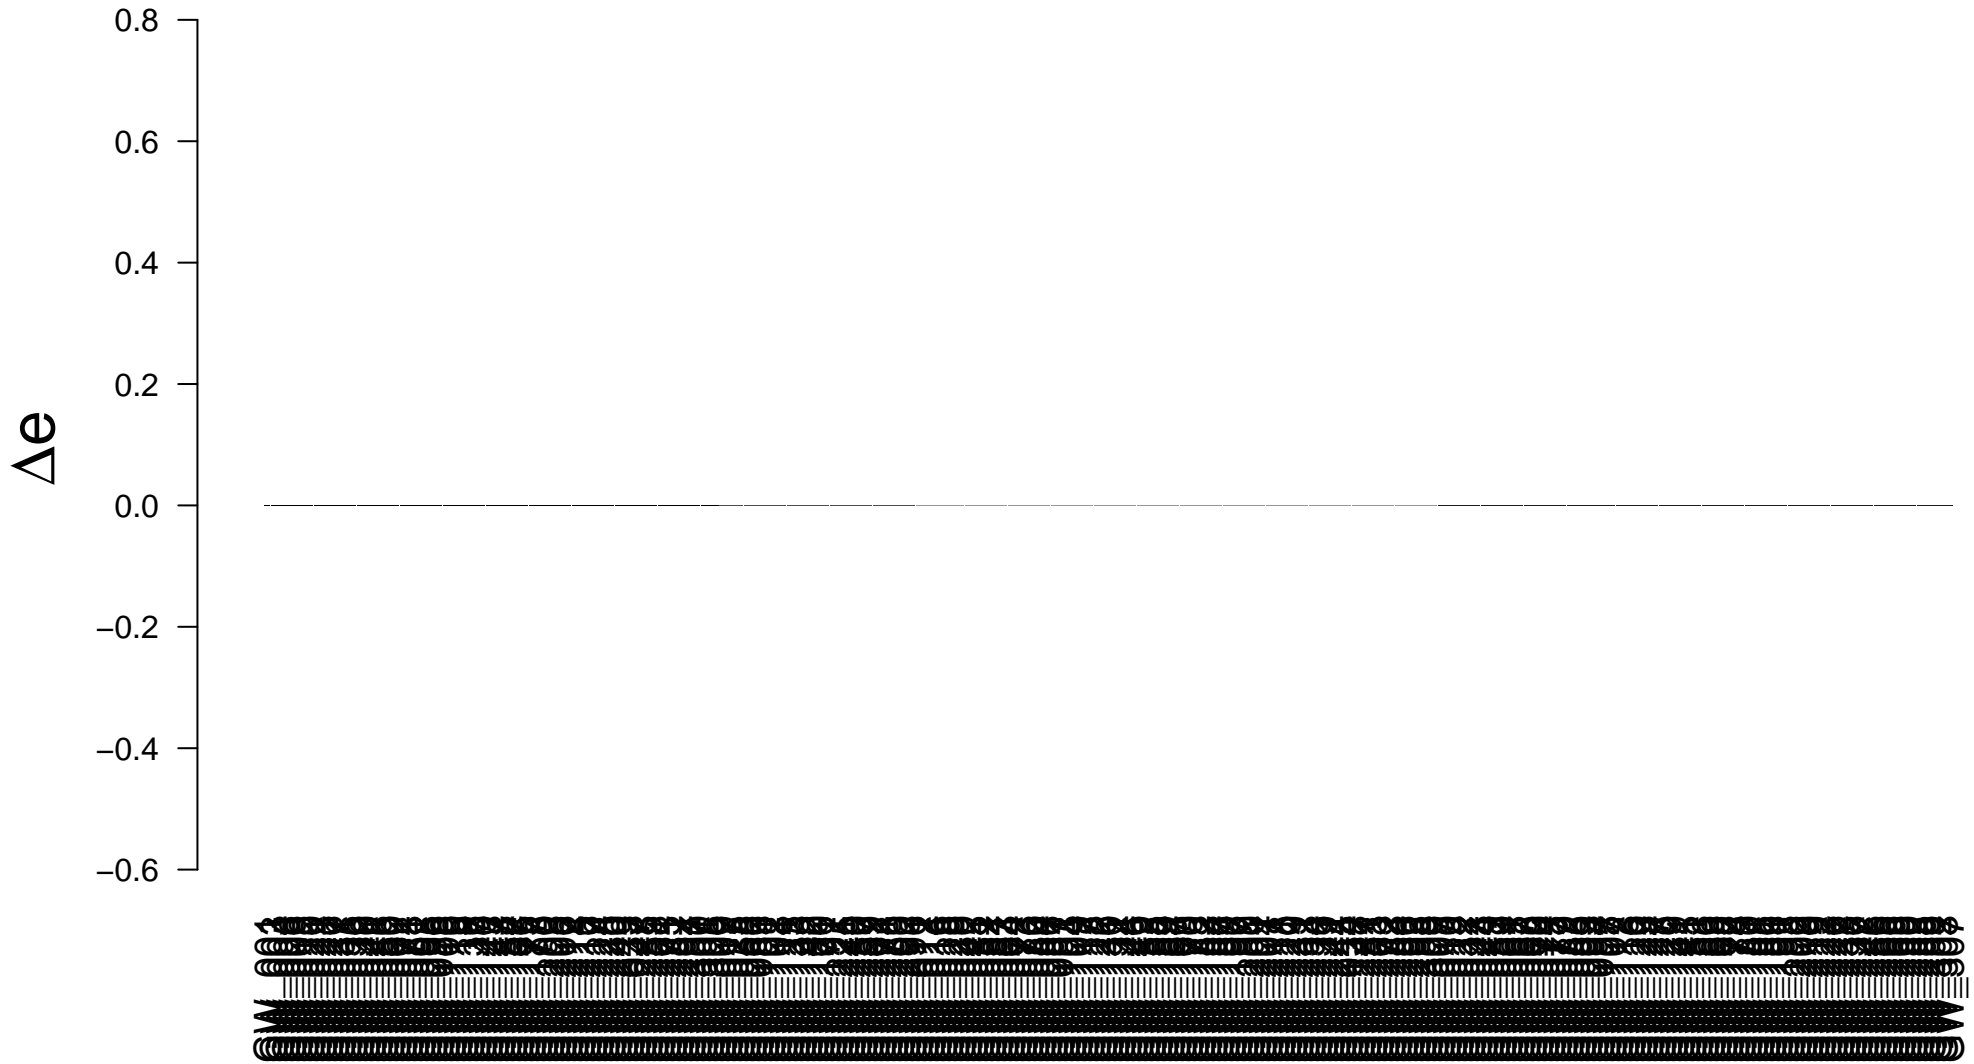

Enrichment in spots: mitochondrial ATP synthesis coupled proton transport

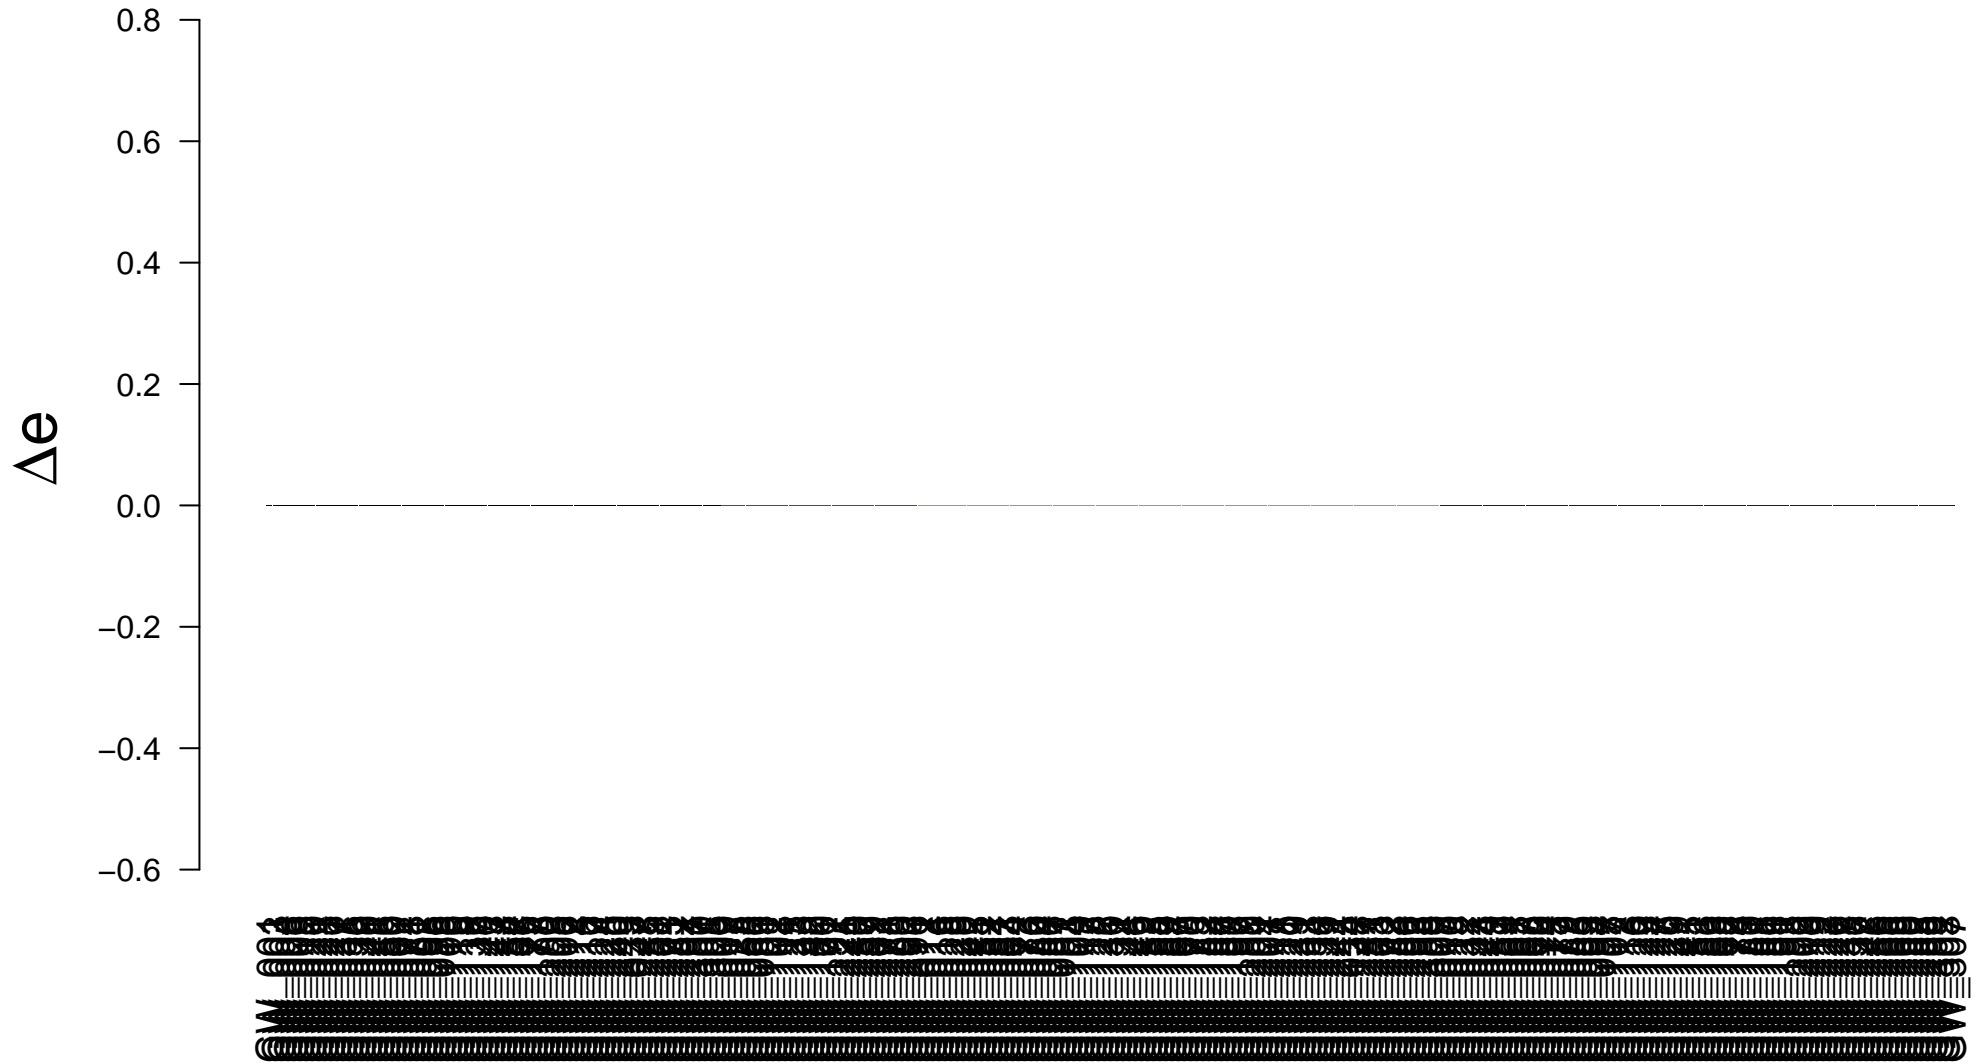

Expression of mitochondrial ATP synthesis coupled proton transport in Spot A

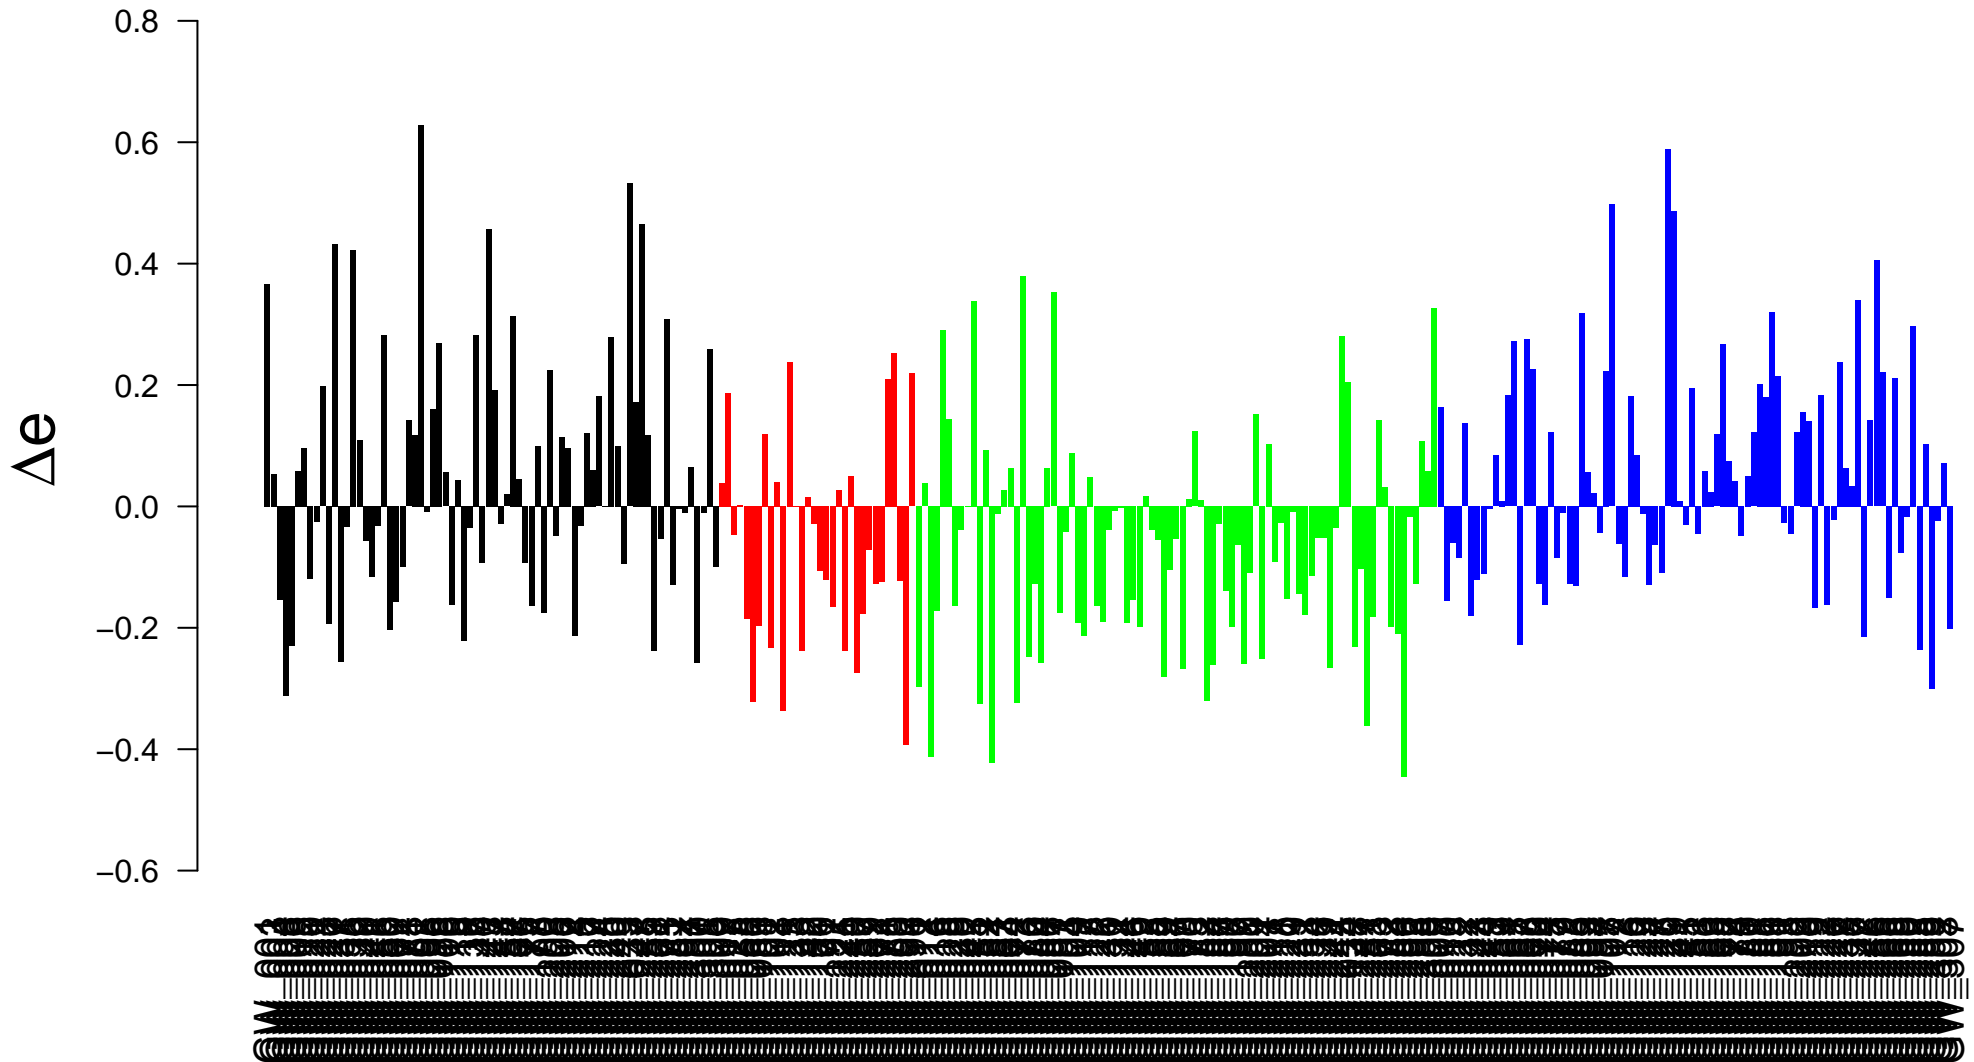

Expression of mitochondrial ATP synthesis coupled proton transport in Spot B

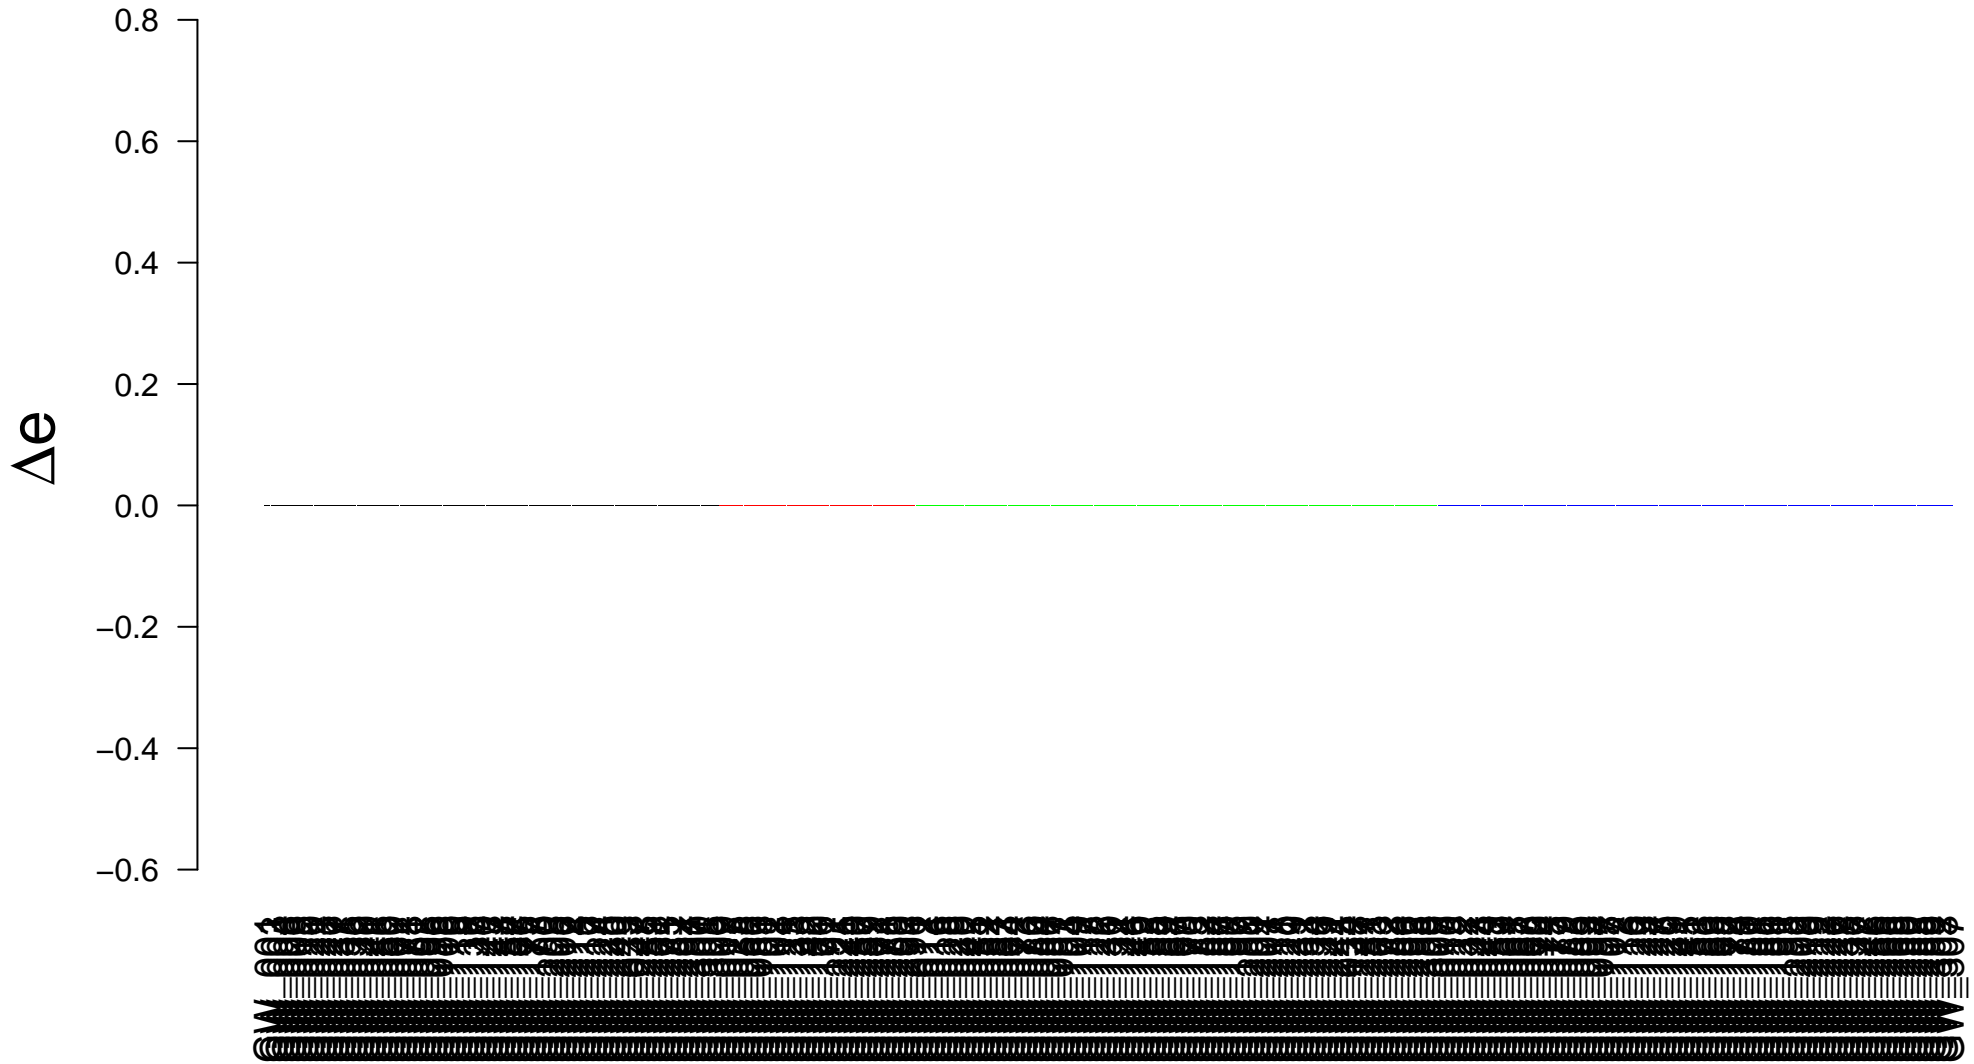

Expression of mitochondrial ATP synthesis coupled proton transport in Spot C

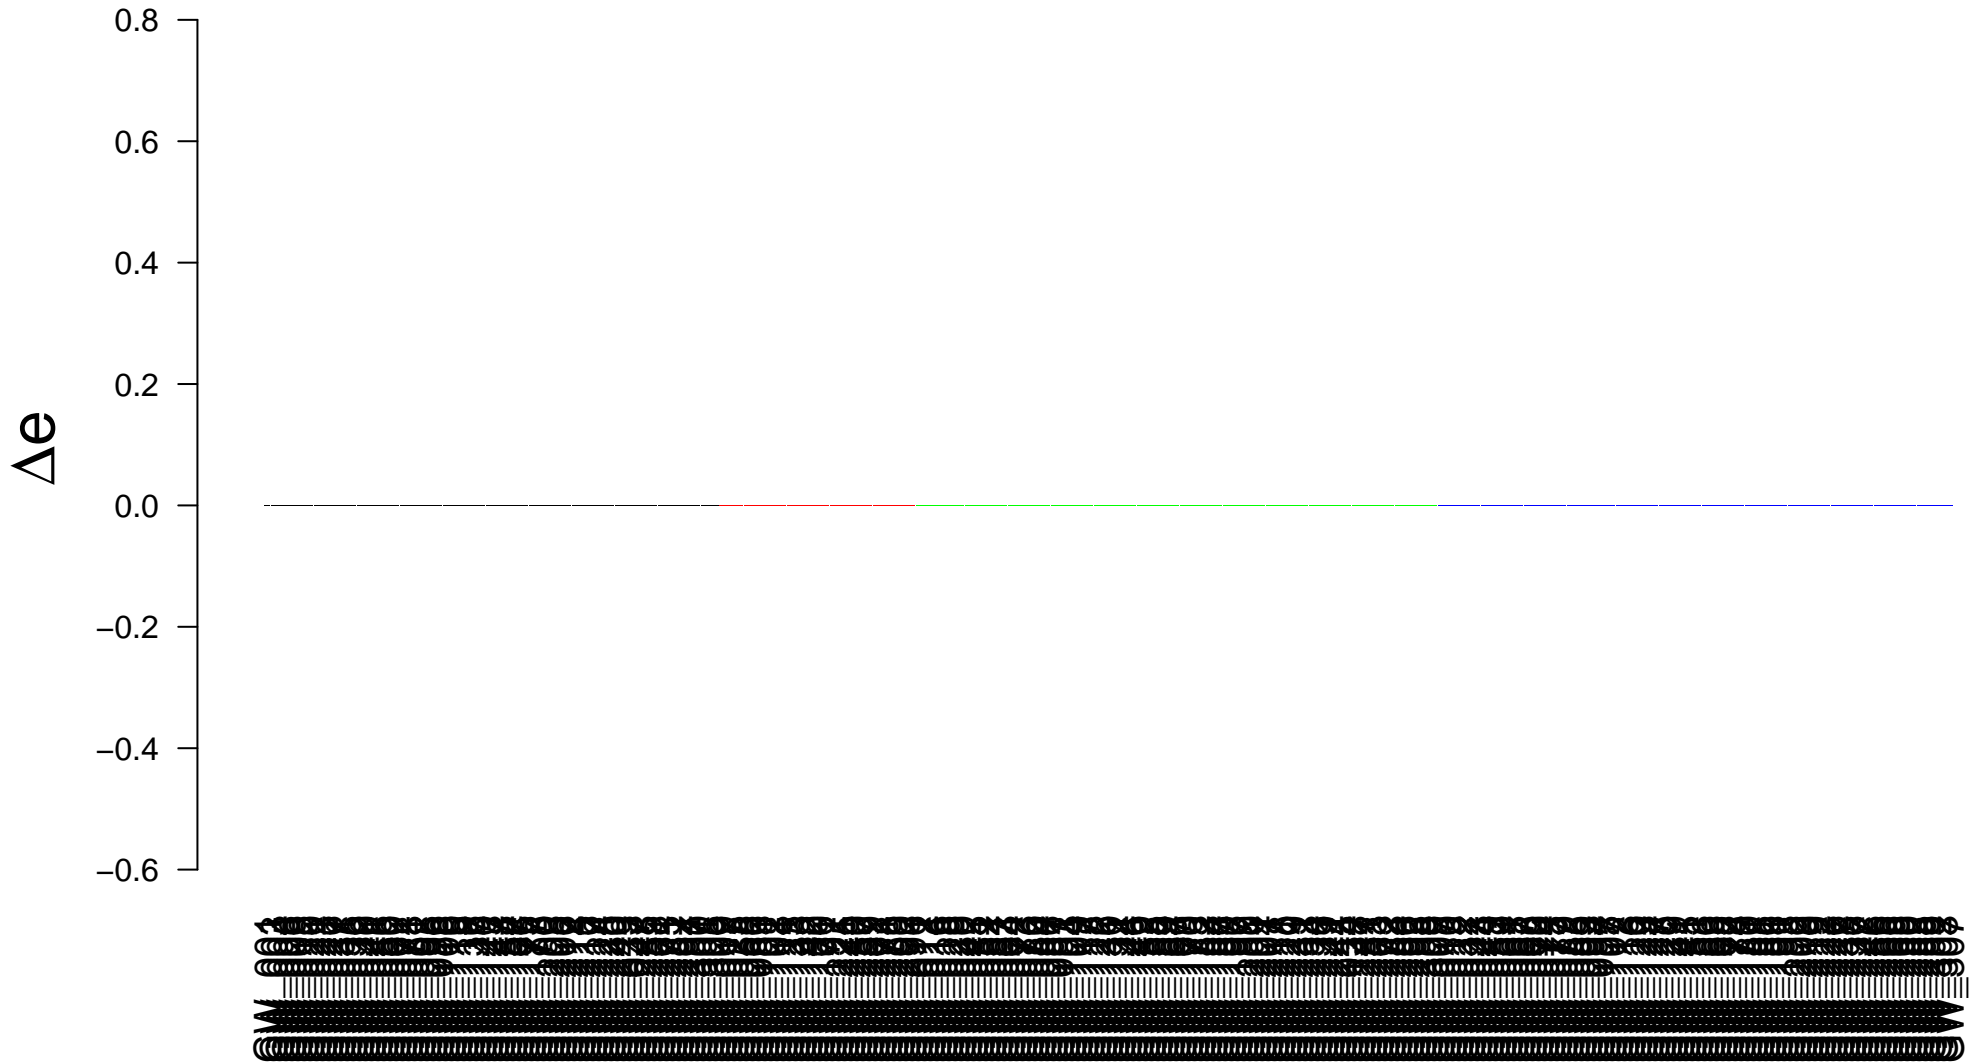

Expression of mitochondrial ATP synthesis coupled proton transport in Spot D

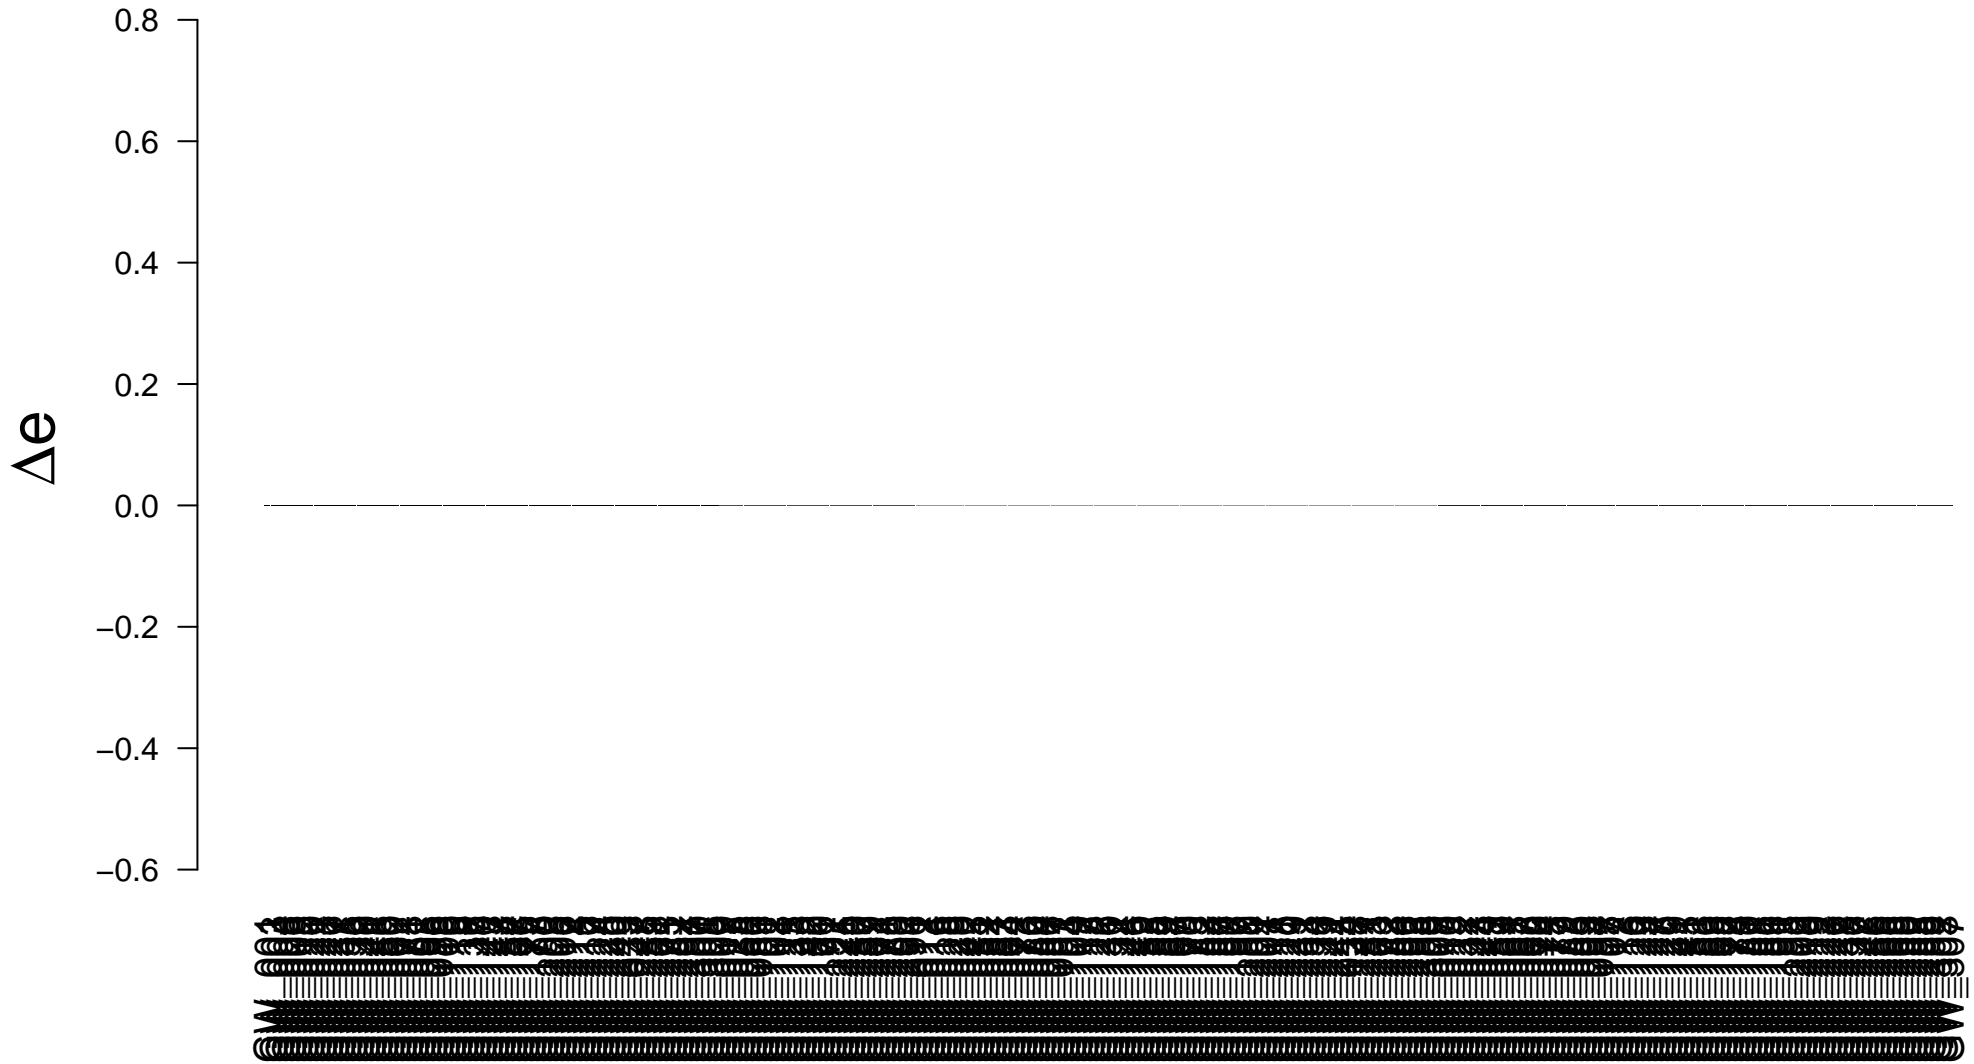

Expression of mitochondrial ATP synthesis coupled proton transport in Spot E

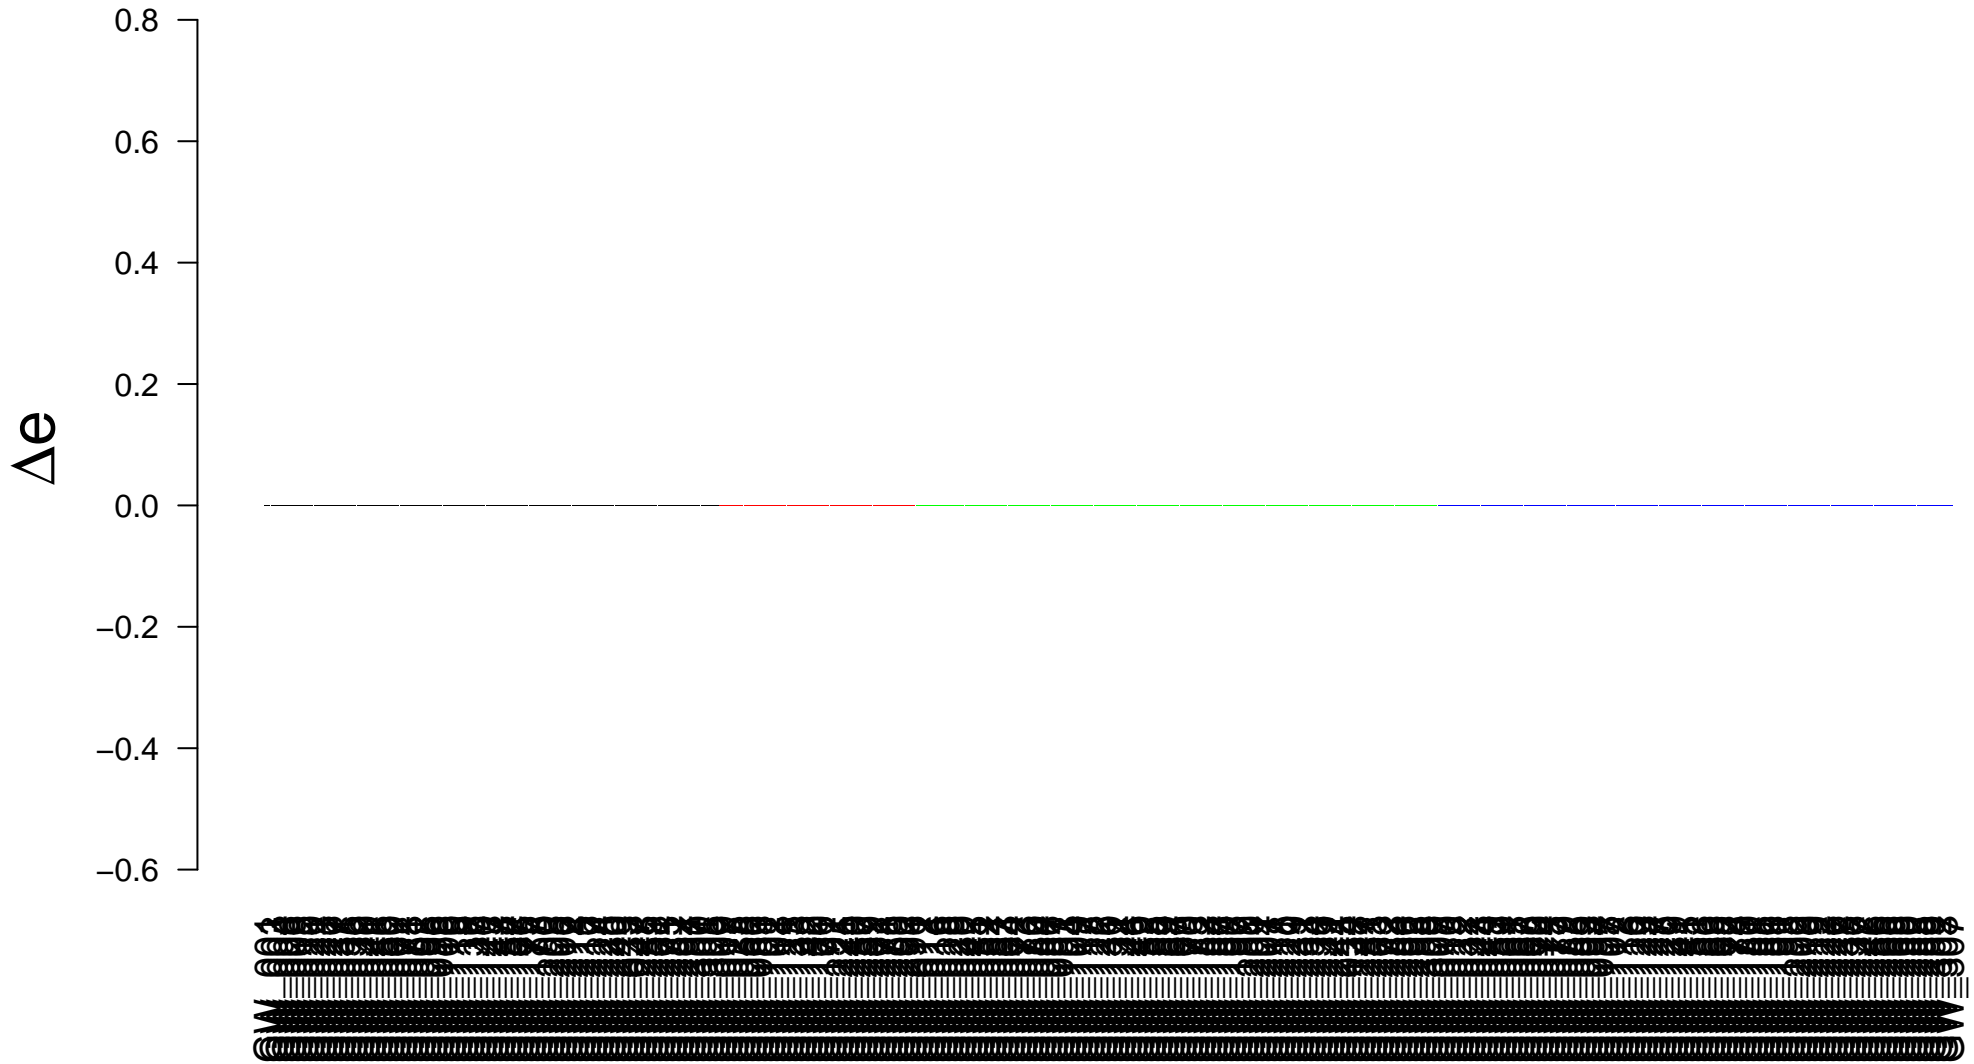

Expression of mitochondrial ATP synthesis coupled proton transport in Spot F

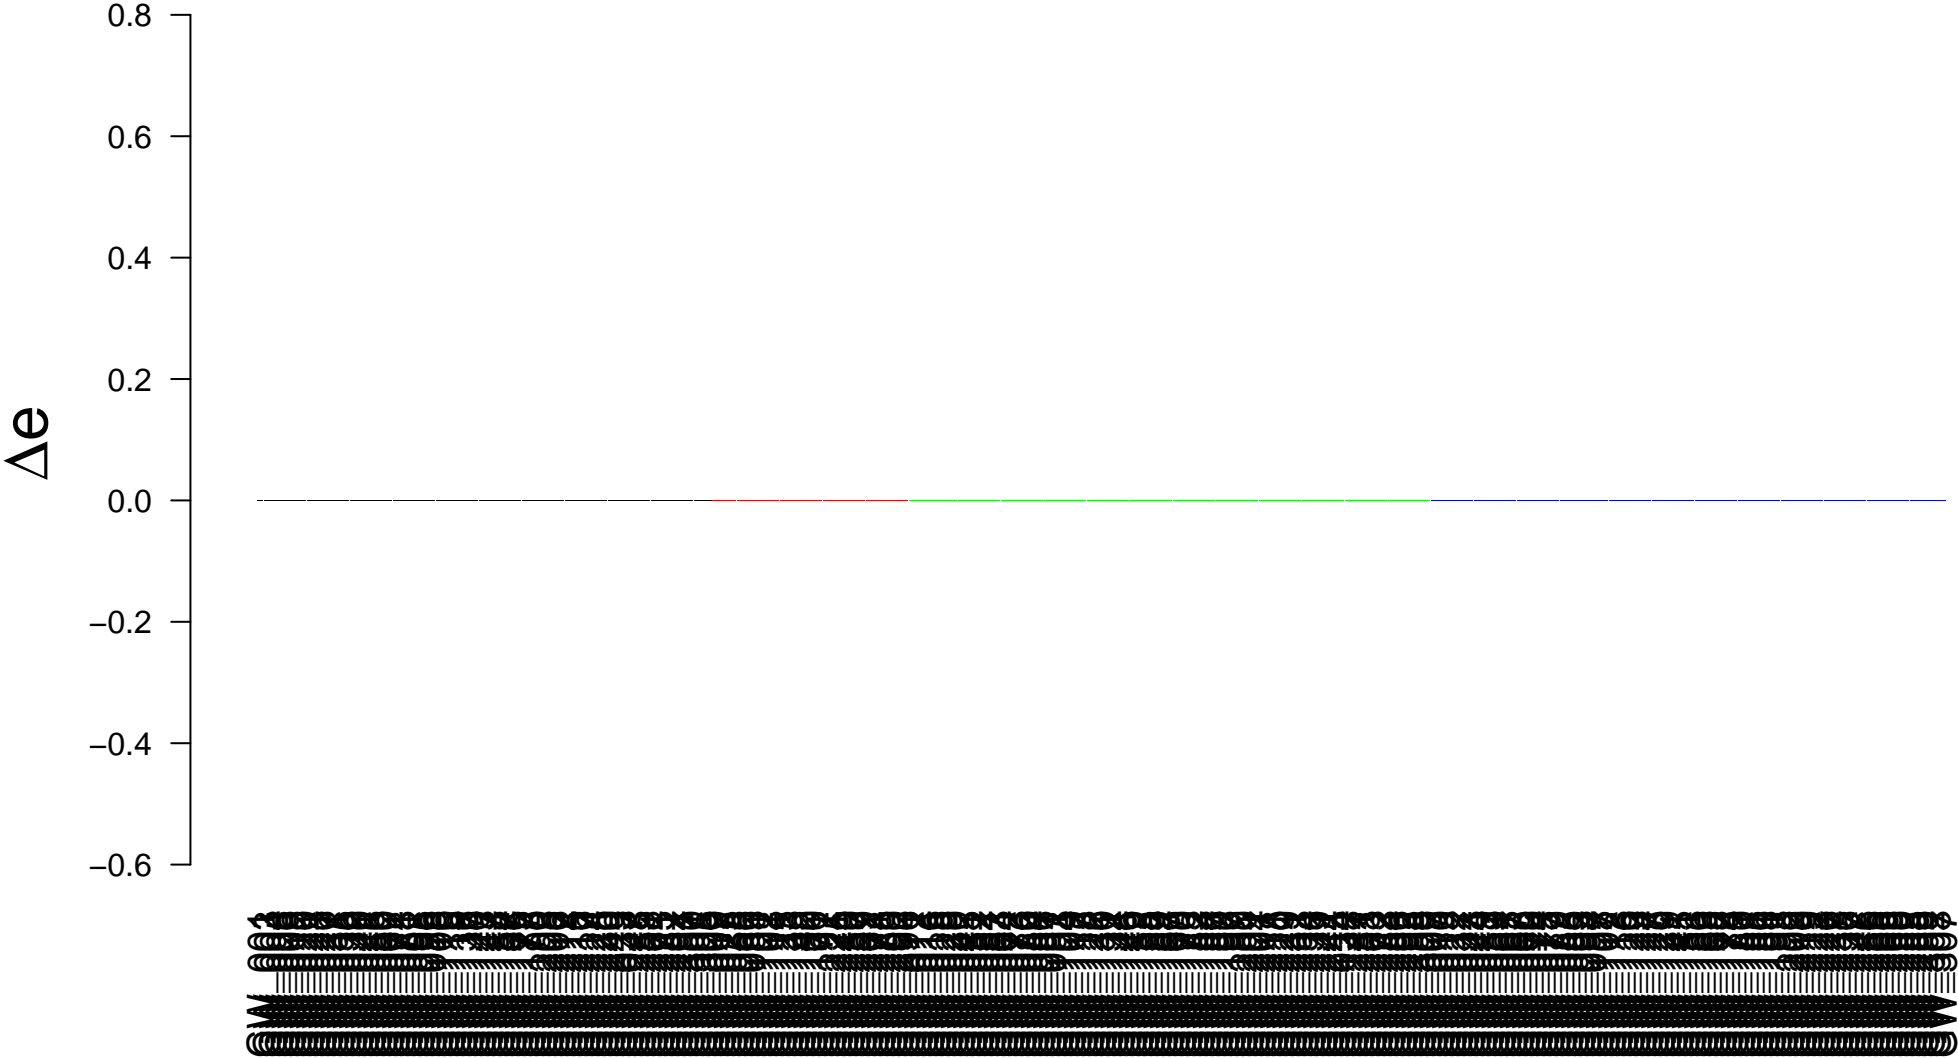

Expression of mitochondrial ATP synthesis coupled proton transport in Spot G

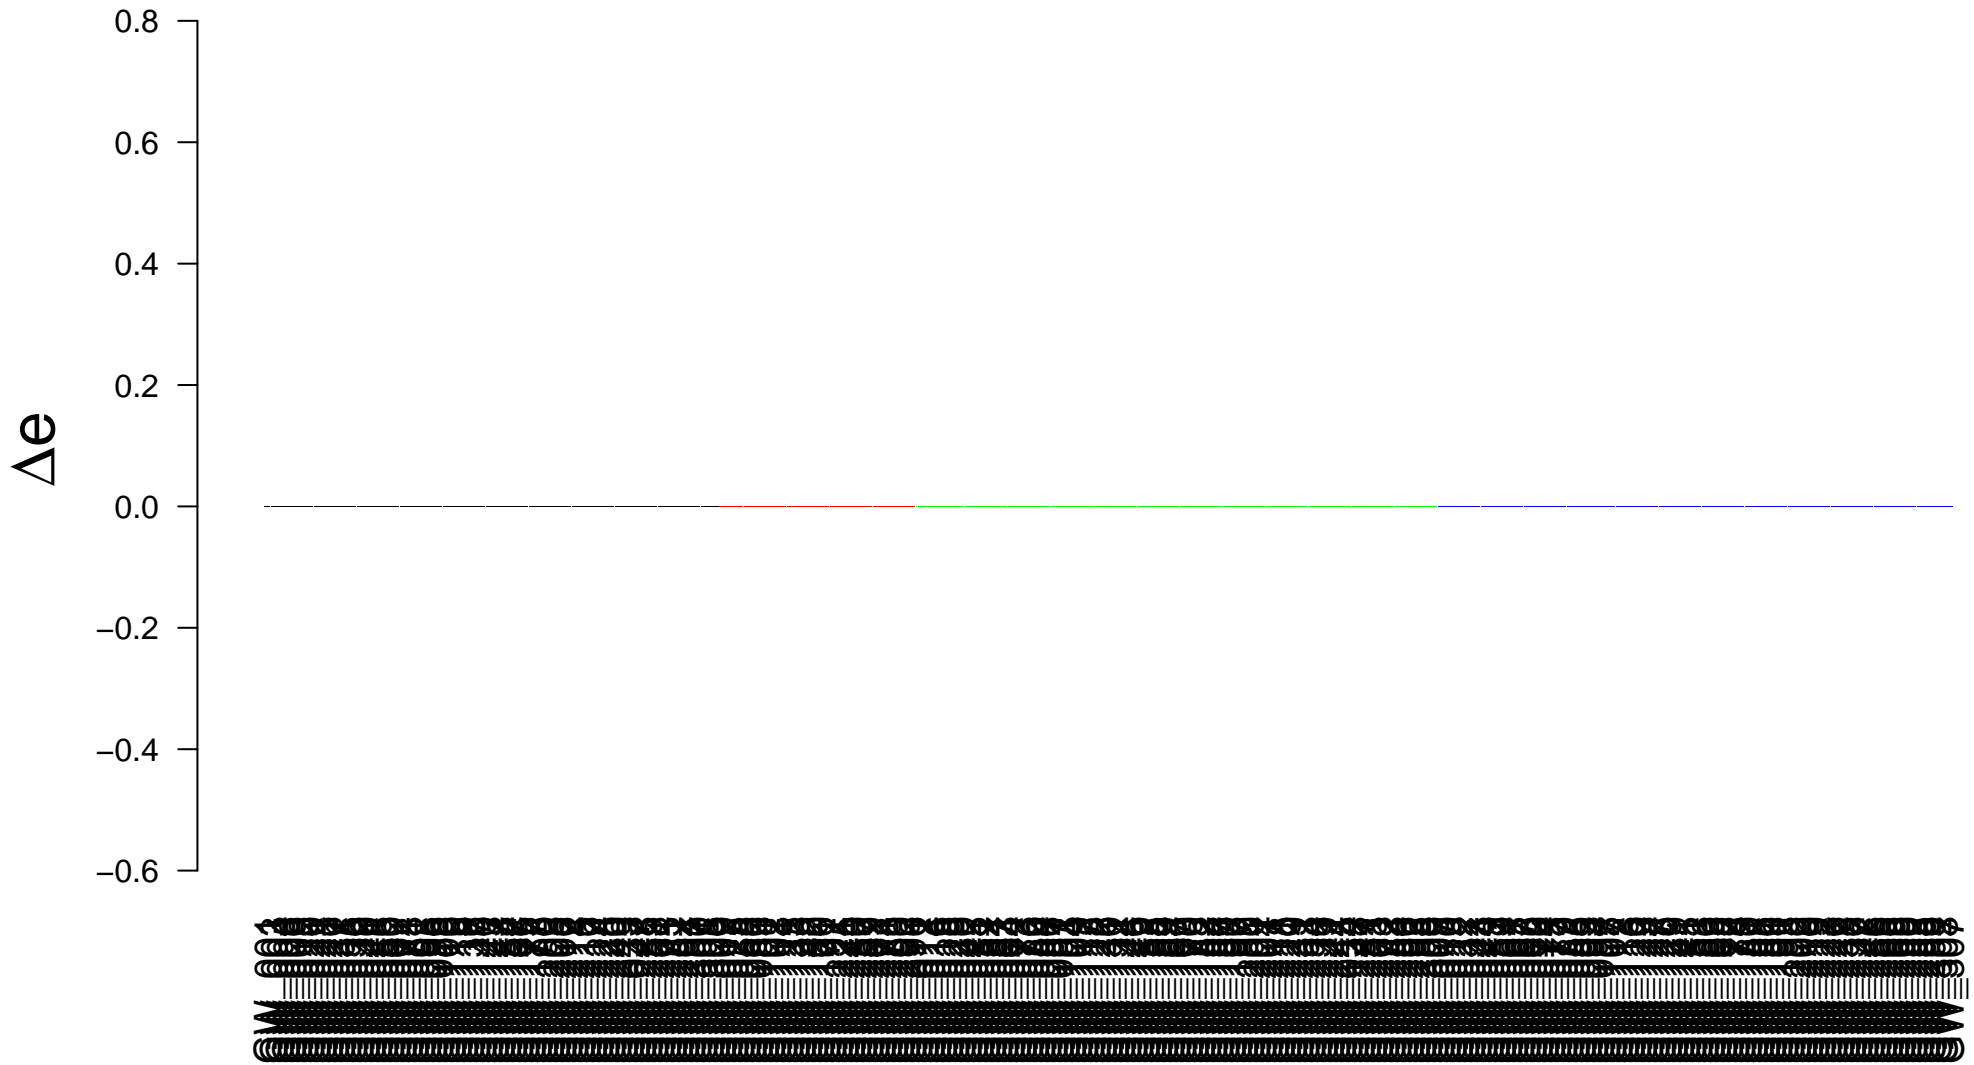

Expression of mitochondrial ATP synthesis coupled proton transport in Spot H

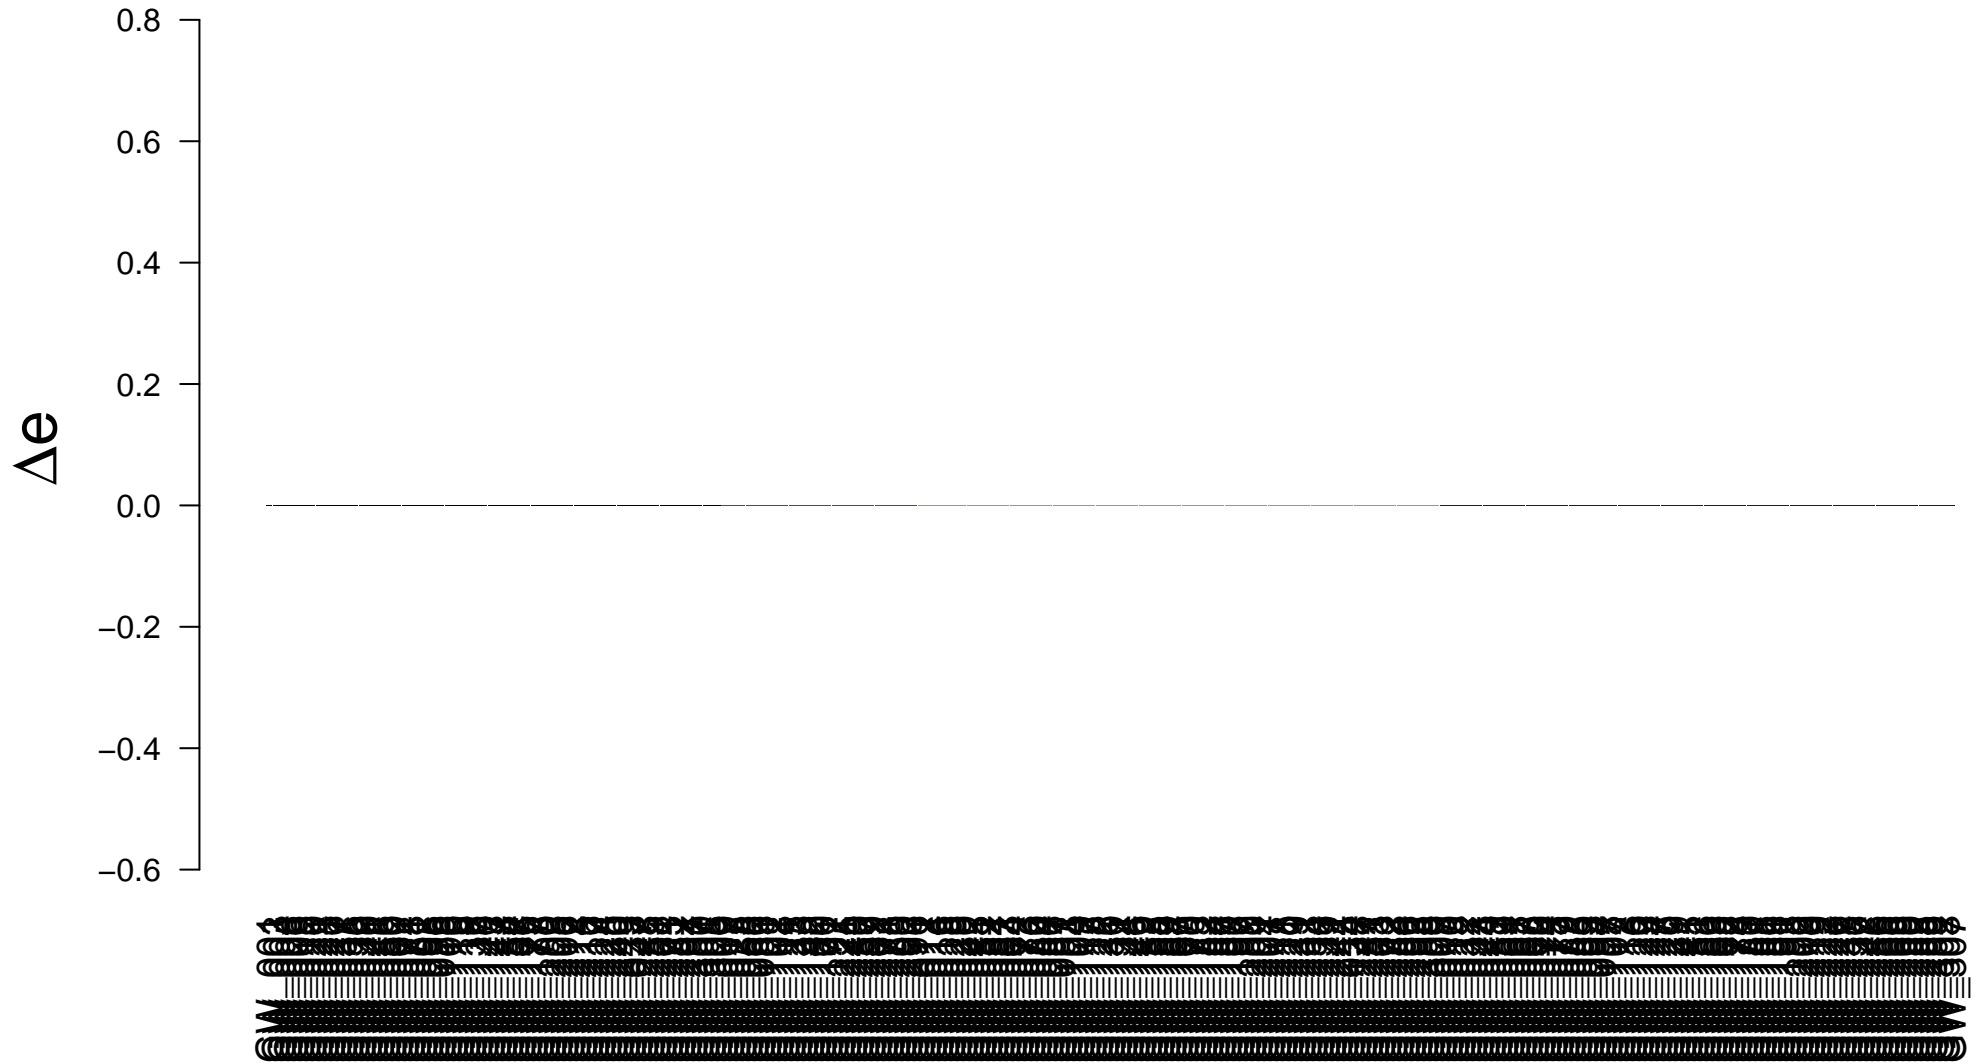

Expression of mitochondrial ATP synthesis coupled proton transport in Spot I

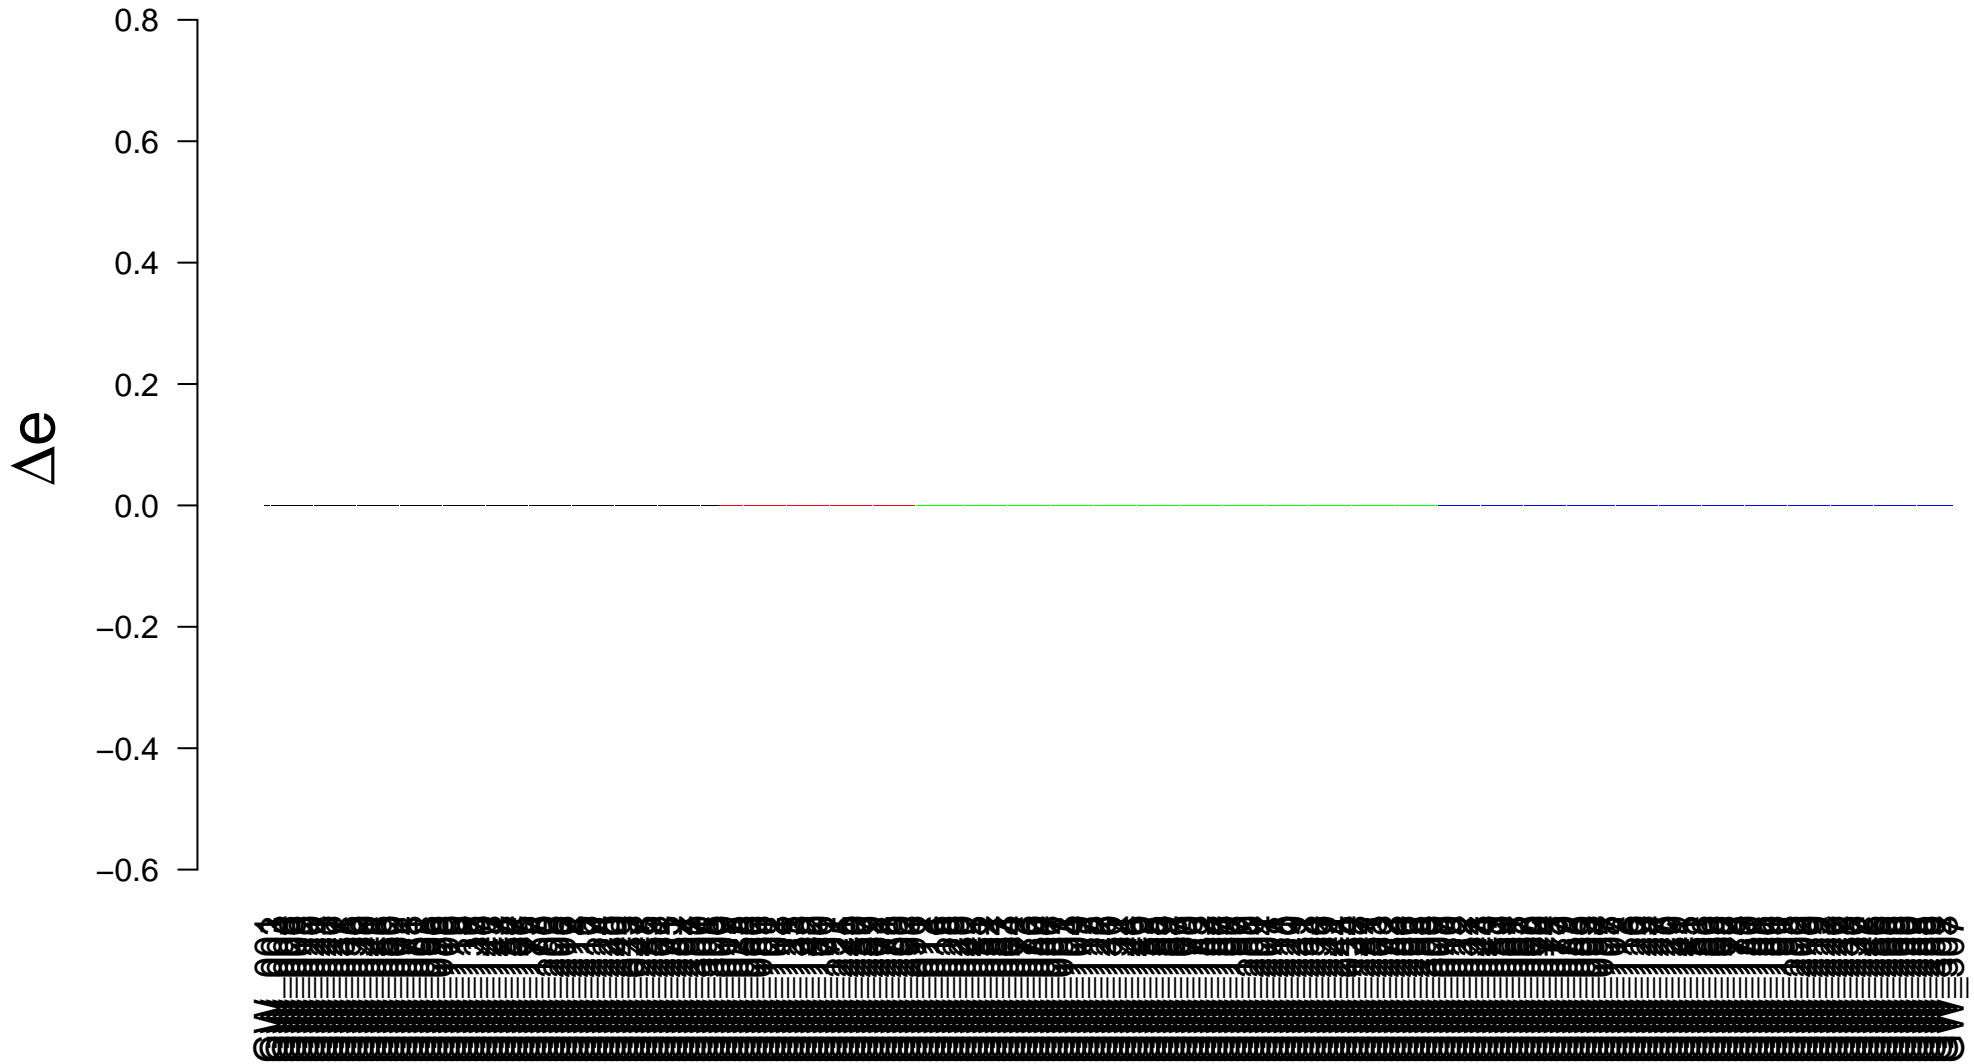

Expression of mitochondrial ATP synthesis coupled proton transport in Spot J

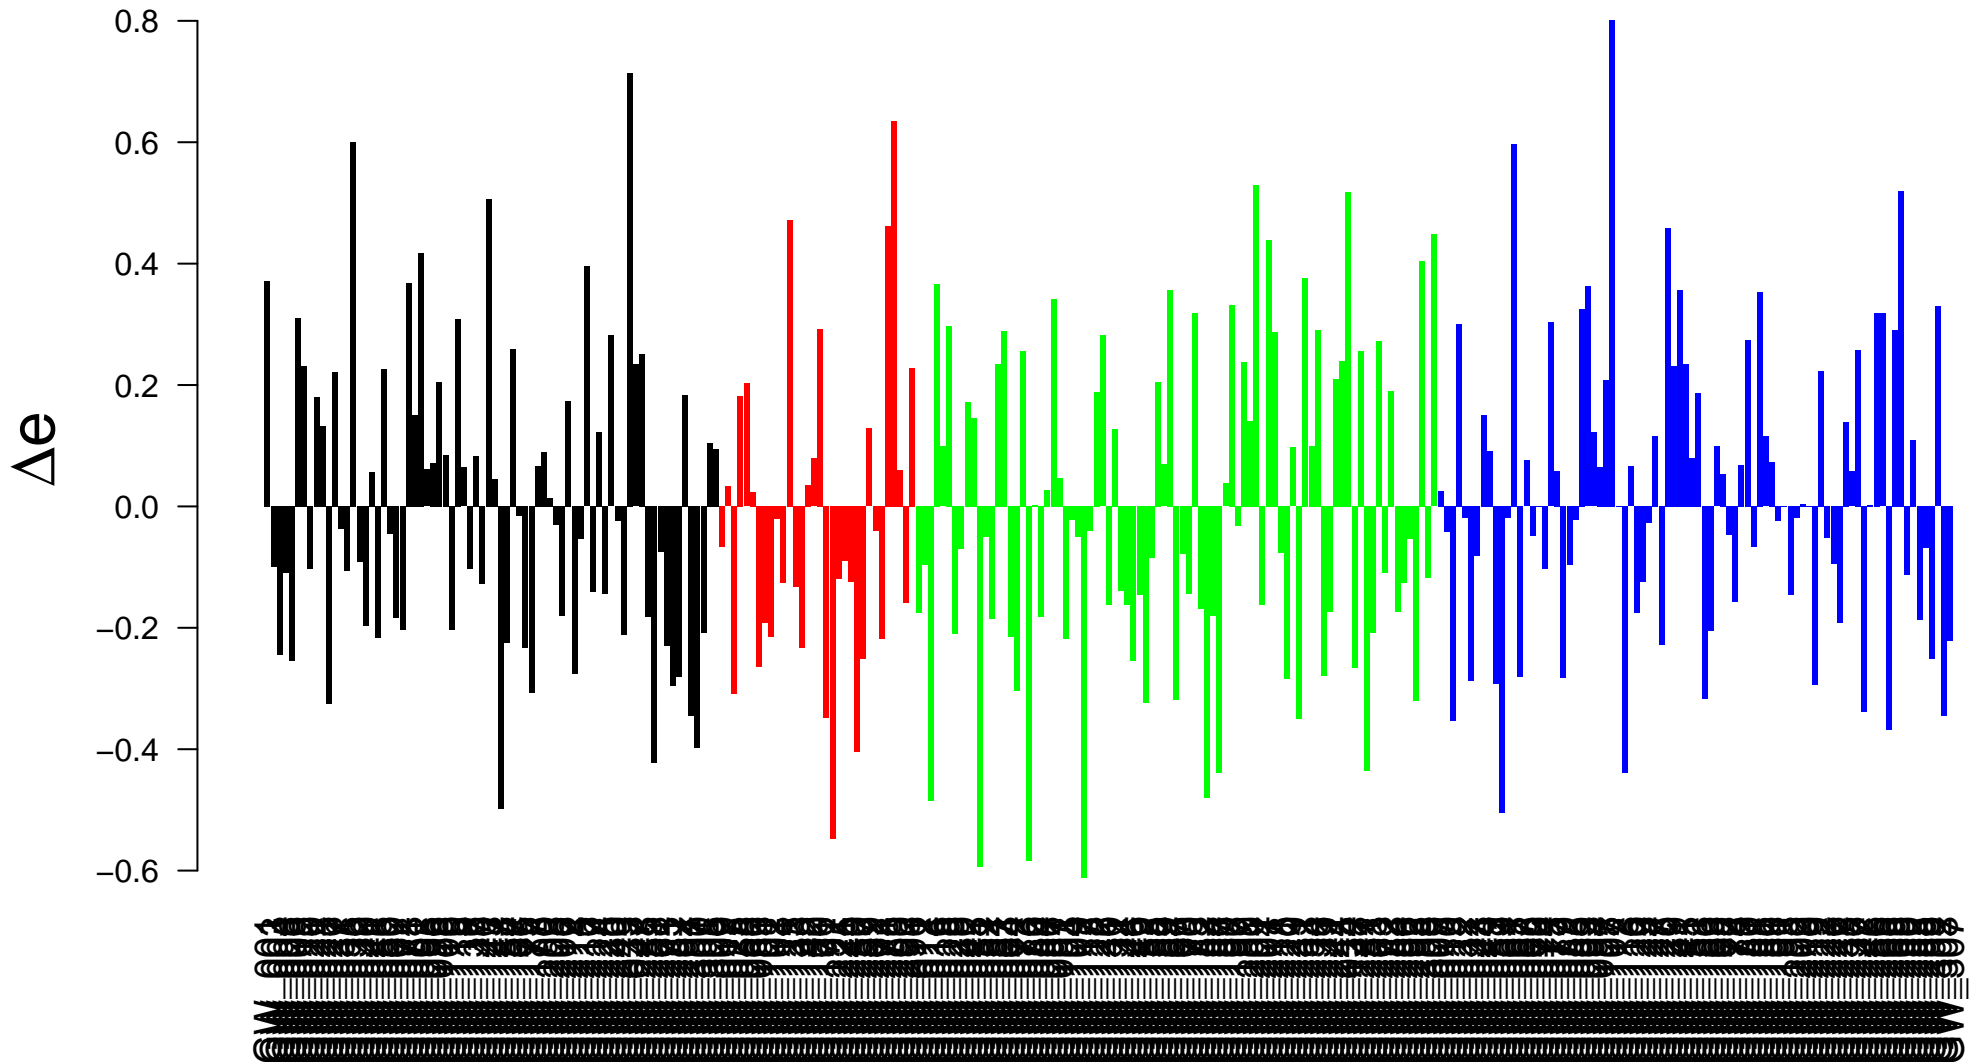

Expression of mitochondrial ATP synthesis coupled proton transport in Spot K

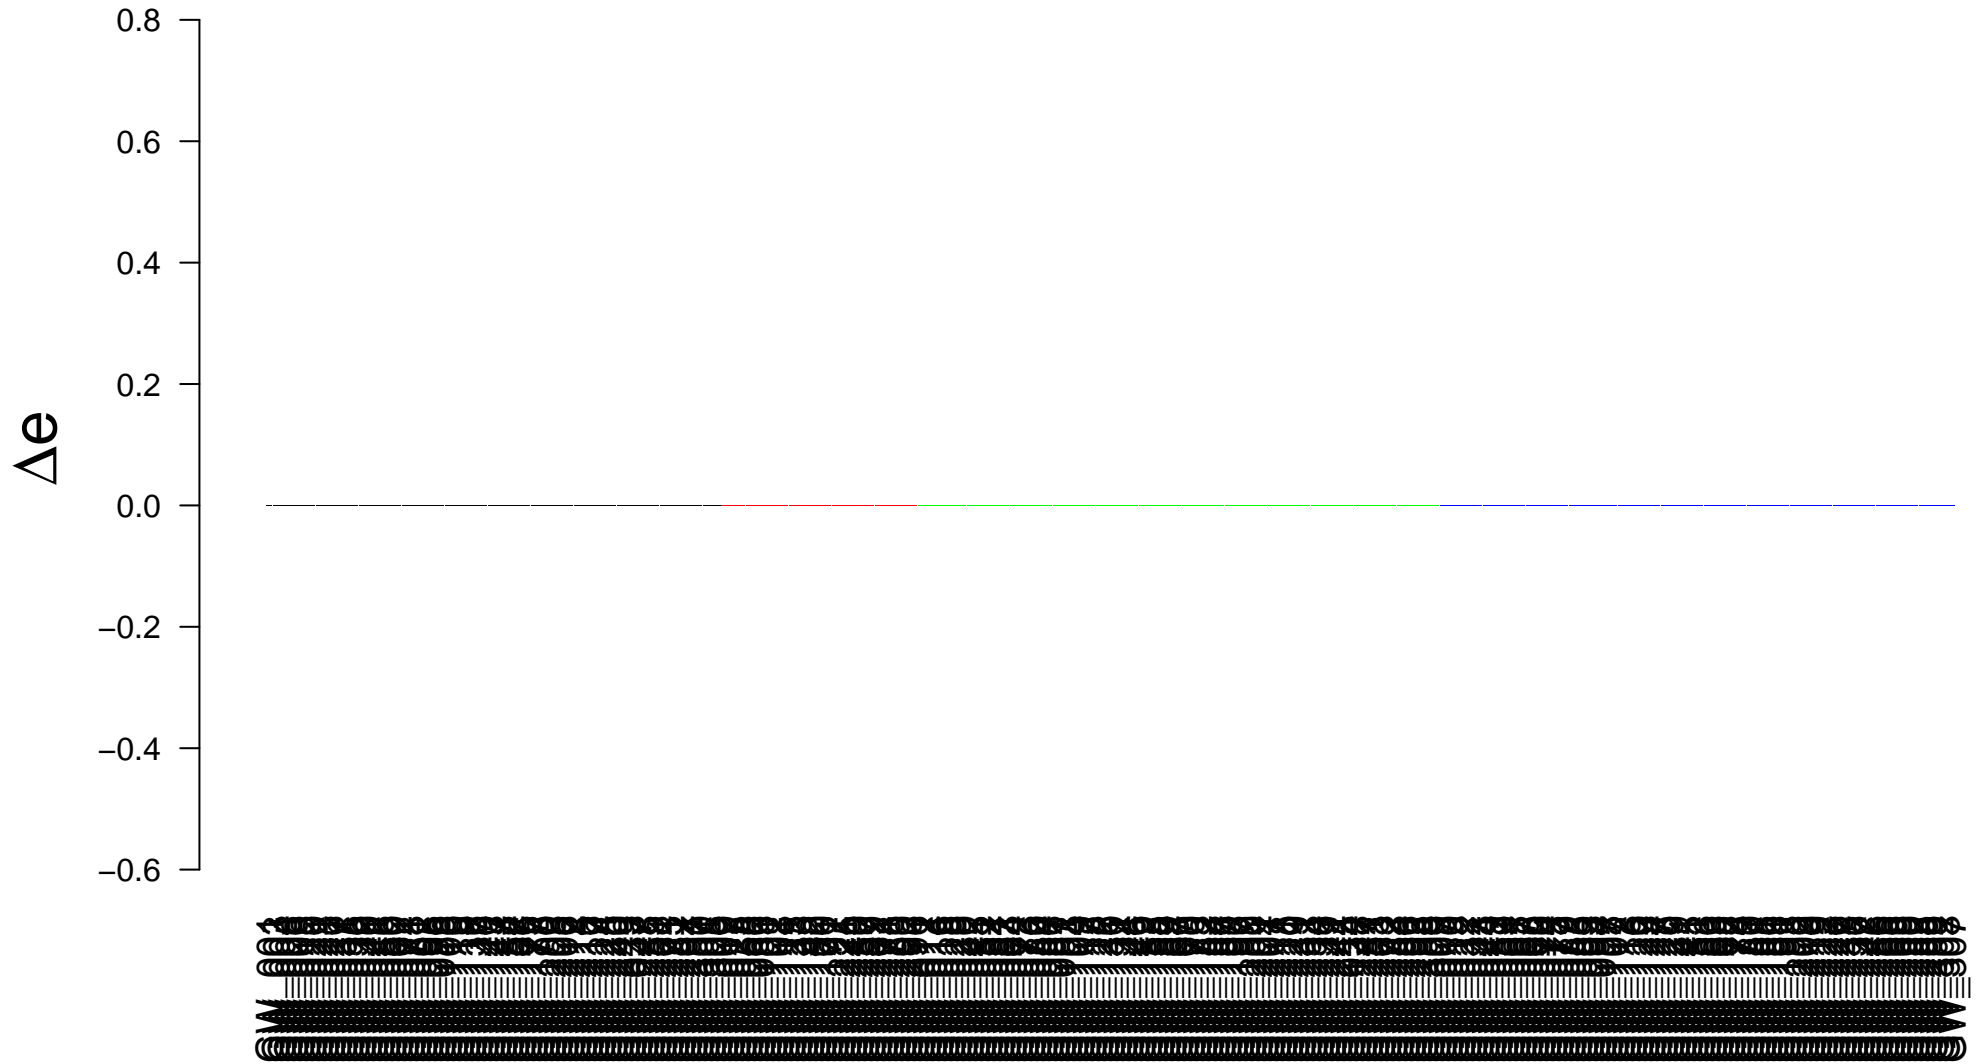

Expression of mitochondrial ATP synthesis coupled proton transport in Spot L

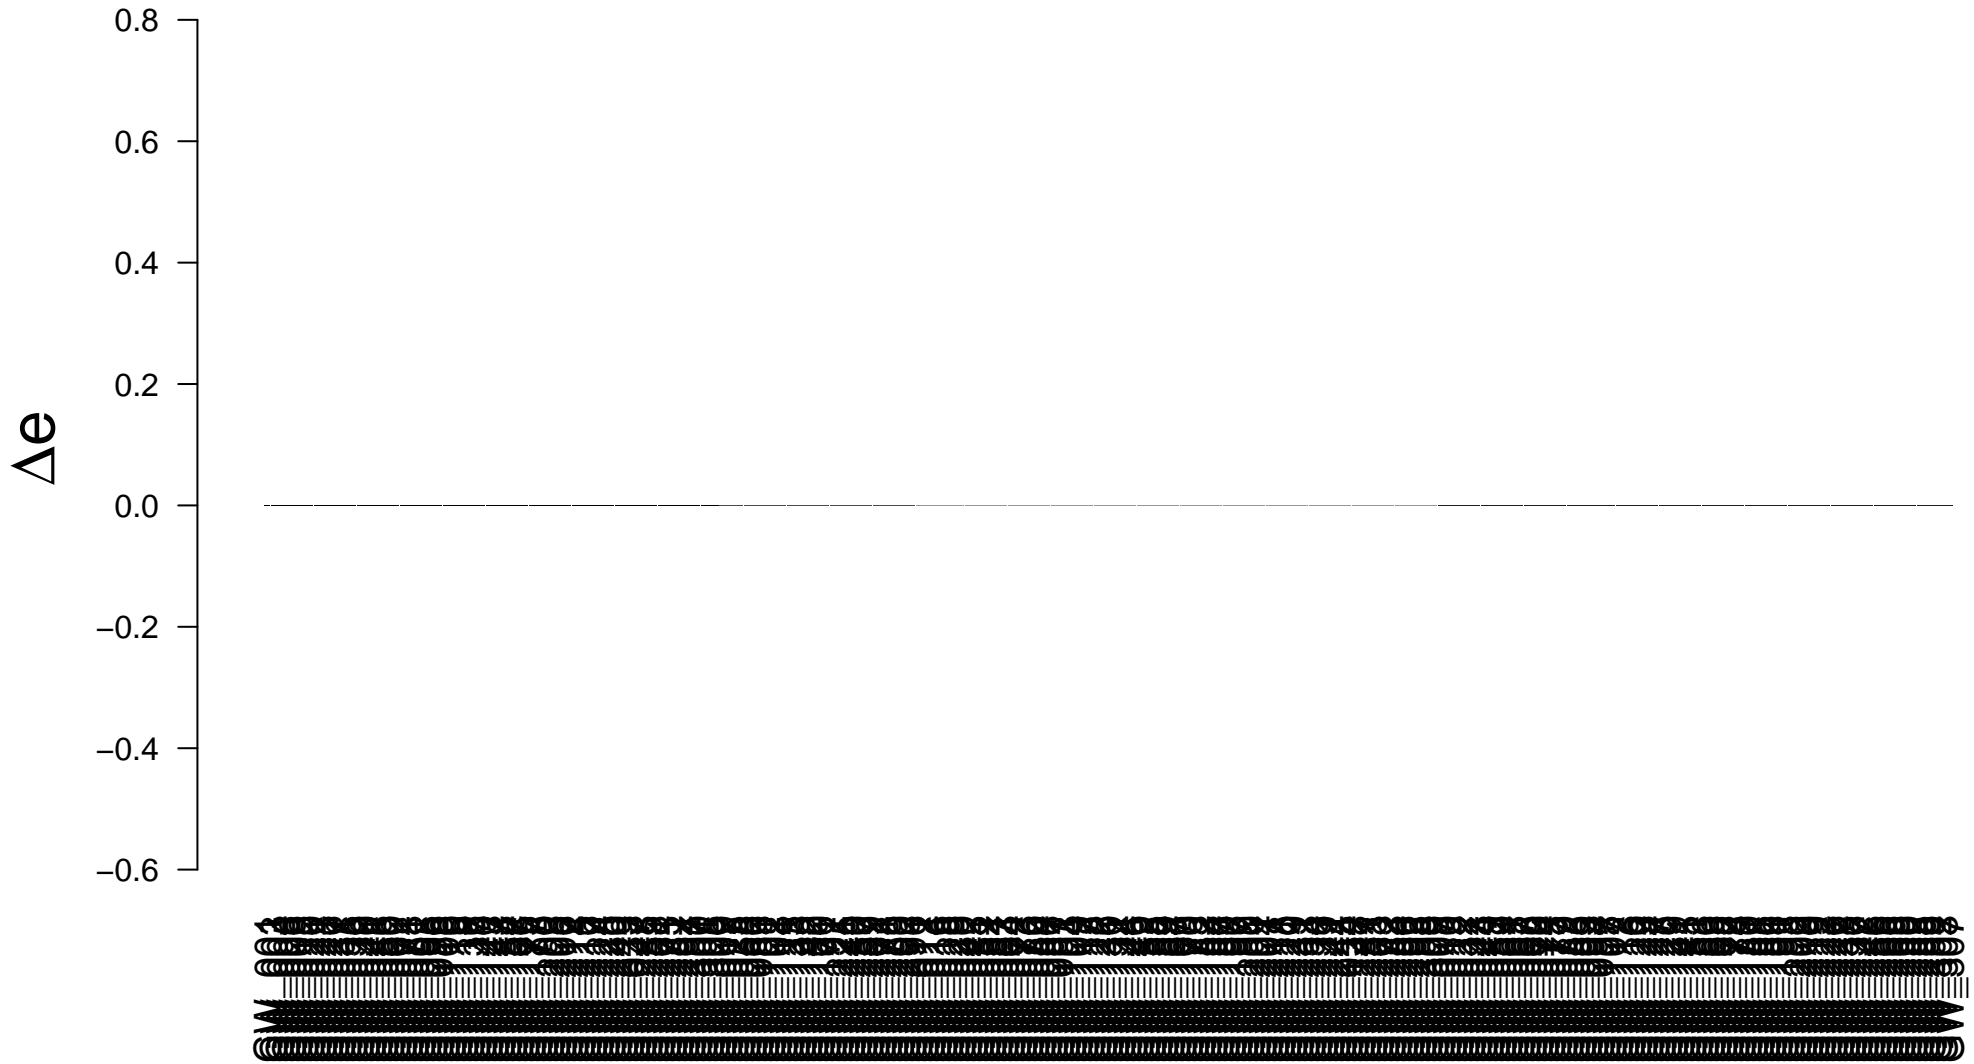

Expression of mitochondrial ATP synthesis coupled proton transport in Spot M

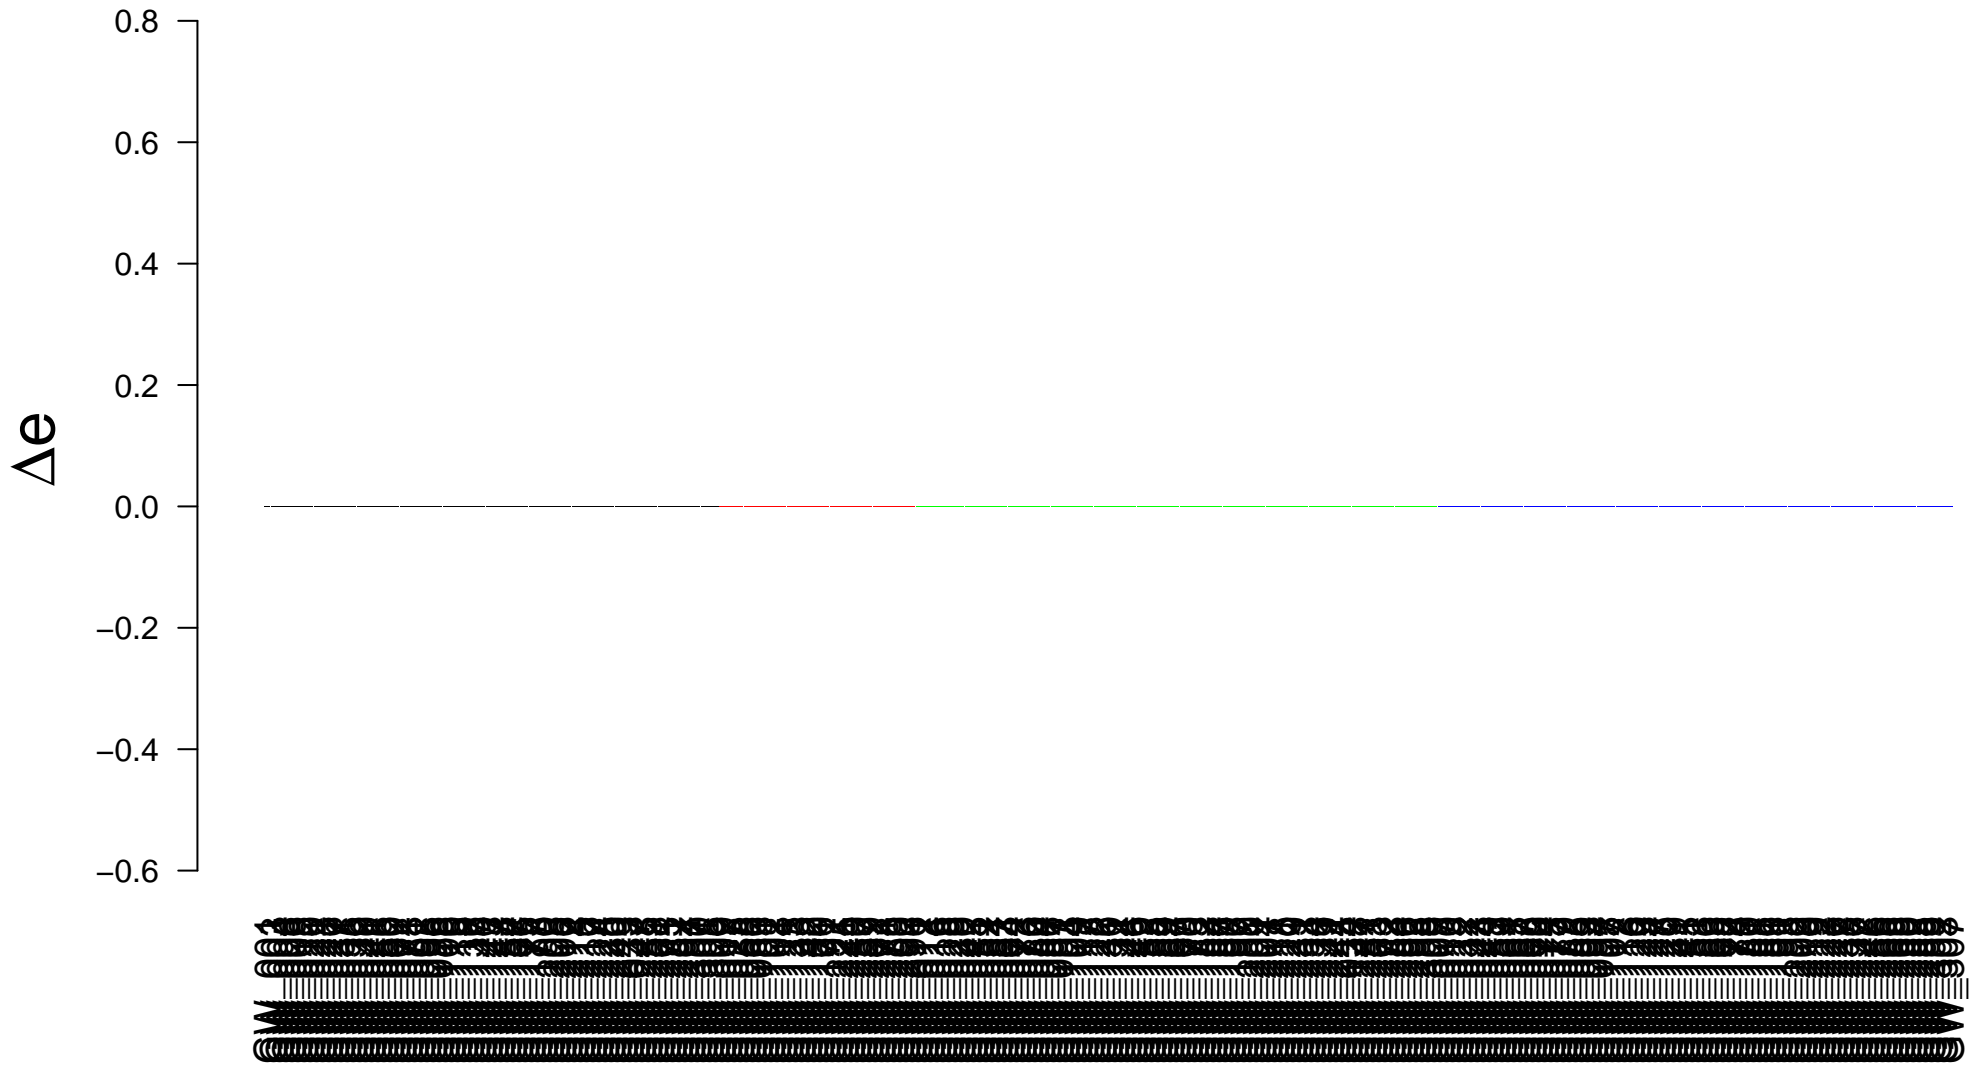

Expression of mitochondrial ATP synthesis coupled proton transport in Spot N

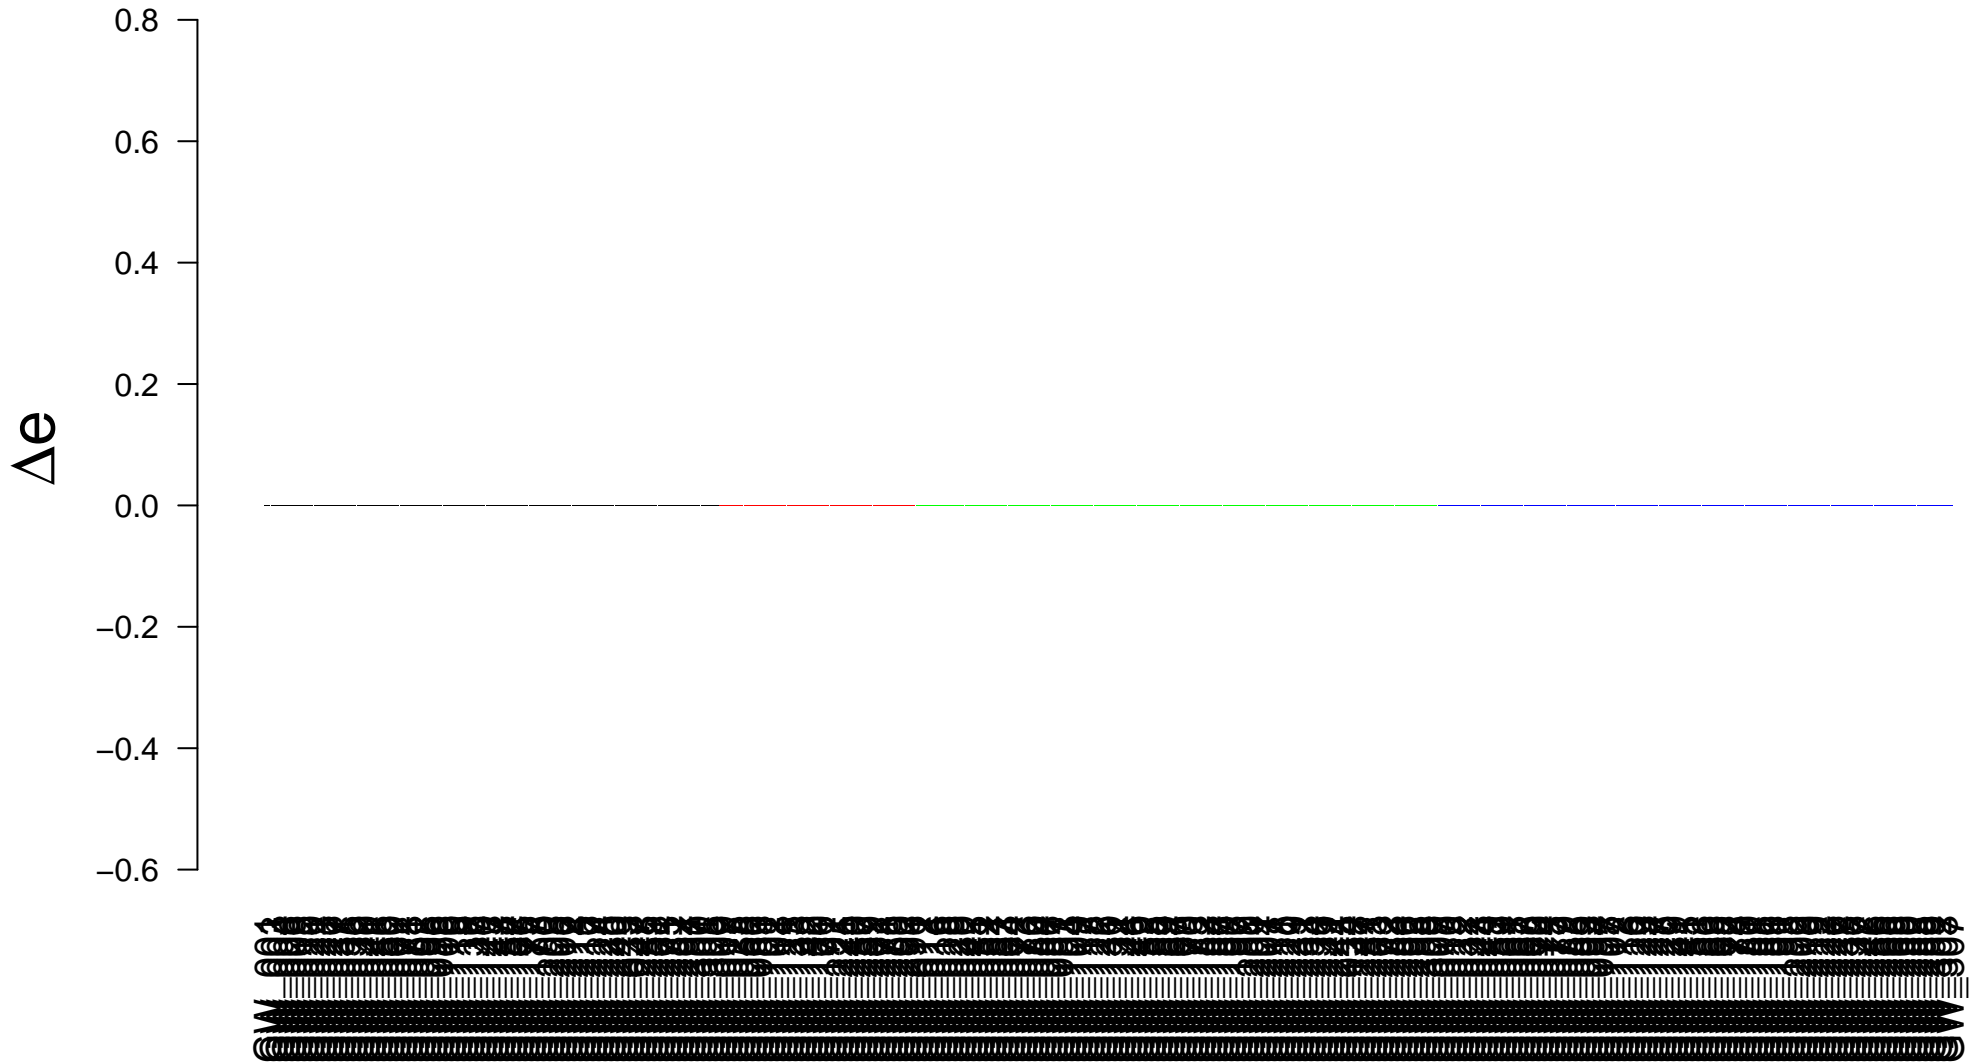

Expression of mitochondrial ATP synthesis coupled proton transport in Spot O

Expression of mitochondrial ATP synthesis coupled proton transport in Spot P

Expression of mitochondrial ATP synthesis coupled proton transport in Spot Q

Expression of mitochondrial ATP synthesis coupled proton transport in Spot R
