

mitochondrial electron transport, NADH to ubiquinone

mitochondrial electron transport, NADH to ubiquinone

Enrichment in spots: mitochondrial electron transport, NADH to ubiquinone

Expression of mitochondrial electron transport, NADH to ubiquinone in Spot A

Expression of mitochondrial electron transport, NADH to ubiquinone in Spot B

Expression of mitochondrial electron transport, NADH to ubiquinone in Spot C

Expression of mitochondrial electron transport, NADH to ubiquinone in Spot D

Expression of mitochondrial electron transport, NADH to ubiquinone in Spot E

Expression of mitochondrial electron transport, NADH to ubiquinone in Spot F

Expression of mitochondrial electron transport, NADH to ubiquinone in Spot G

Expression of mitochondrial electron transport, NADH to ubiquinone in Spot H

Expression of mitochondrial electron transport, NADH to ubiquinone in Spot I

Expression of mitochondrial electron transport, NADH to ubiquinone in Spot J

Expression of mitochondrial electron transport, NADH to ubiquinone in Spot K

Expression of mitochondrial electron transport, NADH to ubiquinone in Spot N

Expression of mitochondrial electron transport, NADH to ubiquinone in Spot O

Expression of mitochondrial electron transport, NADH to ubiquinone in Spot P

Expression of mitochondrial electron transport, NADH to ubiquinone in Spot Q

Expression of mitochondrial electron transport, NADH to ubiquinone in Spot R
