

mitochondrial respiratory chain complex I

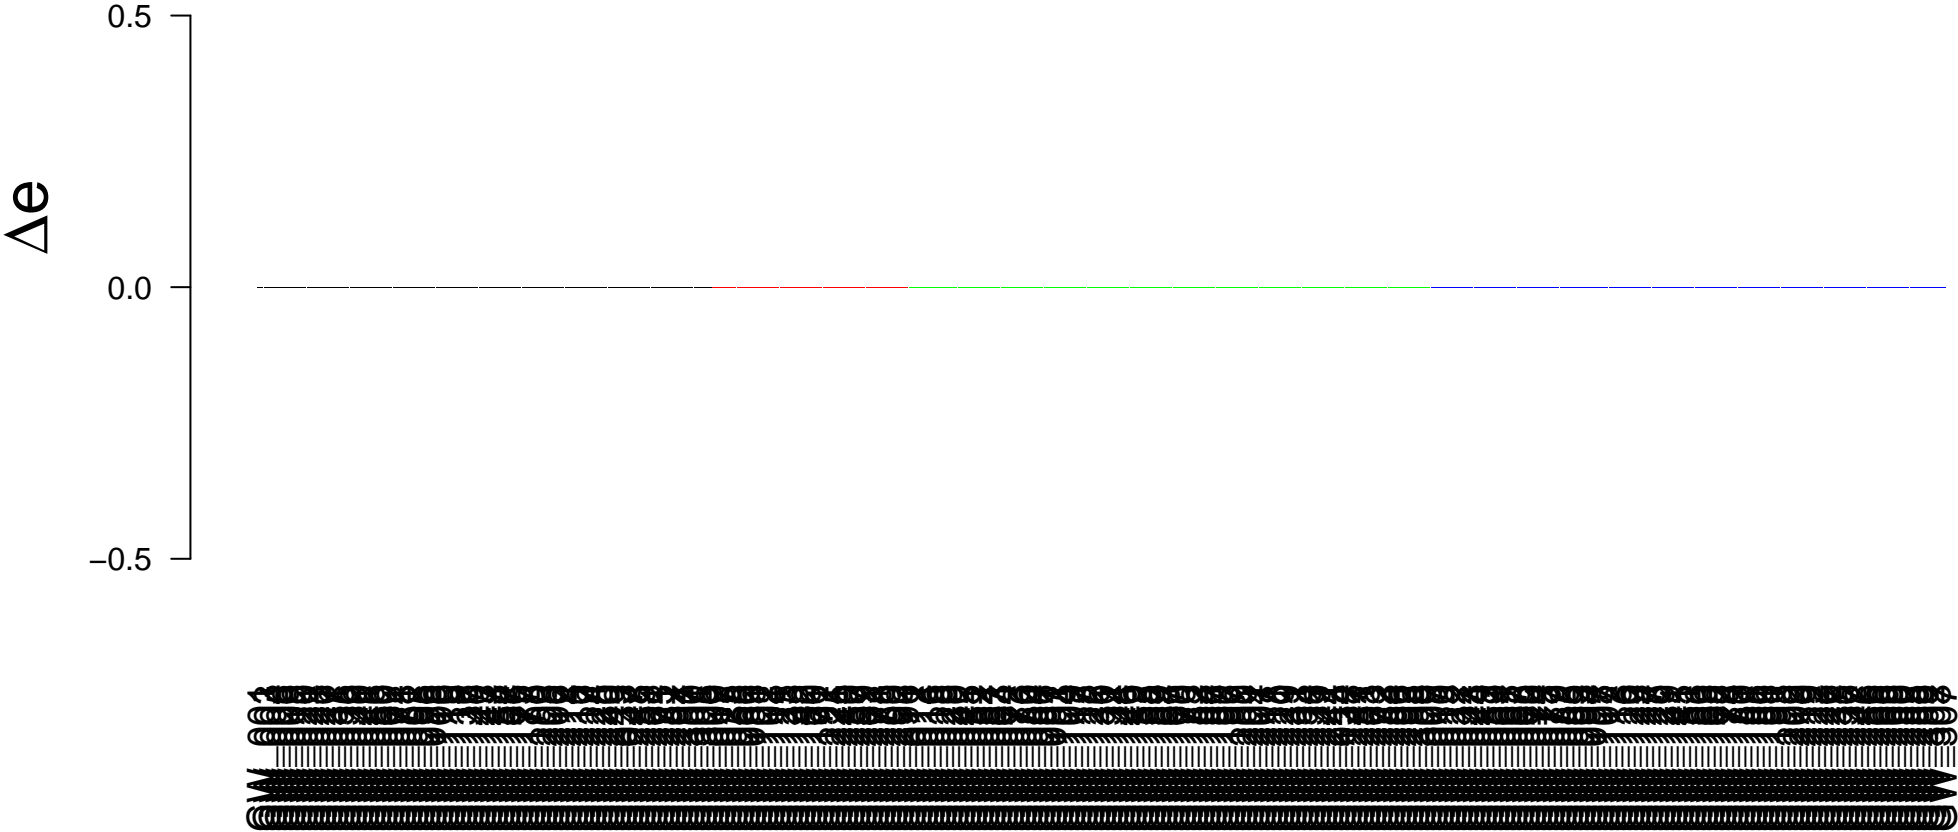

mitochondrial respiratory chain complex I

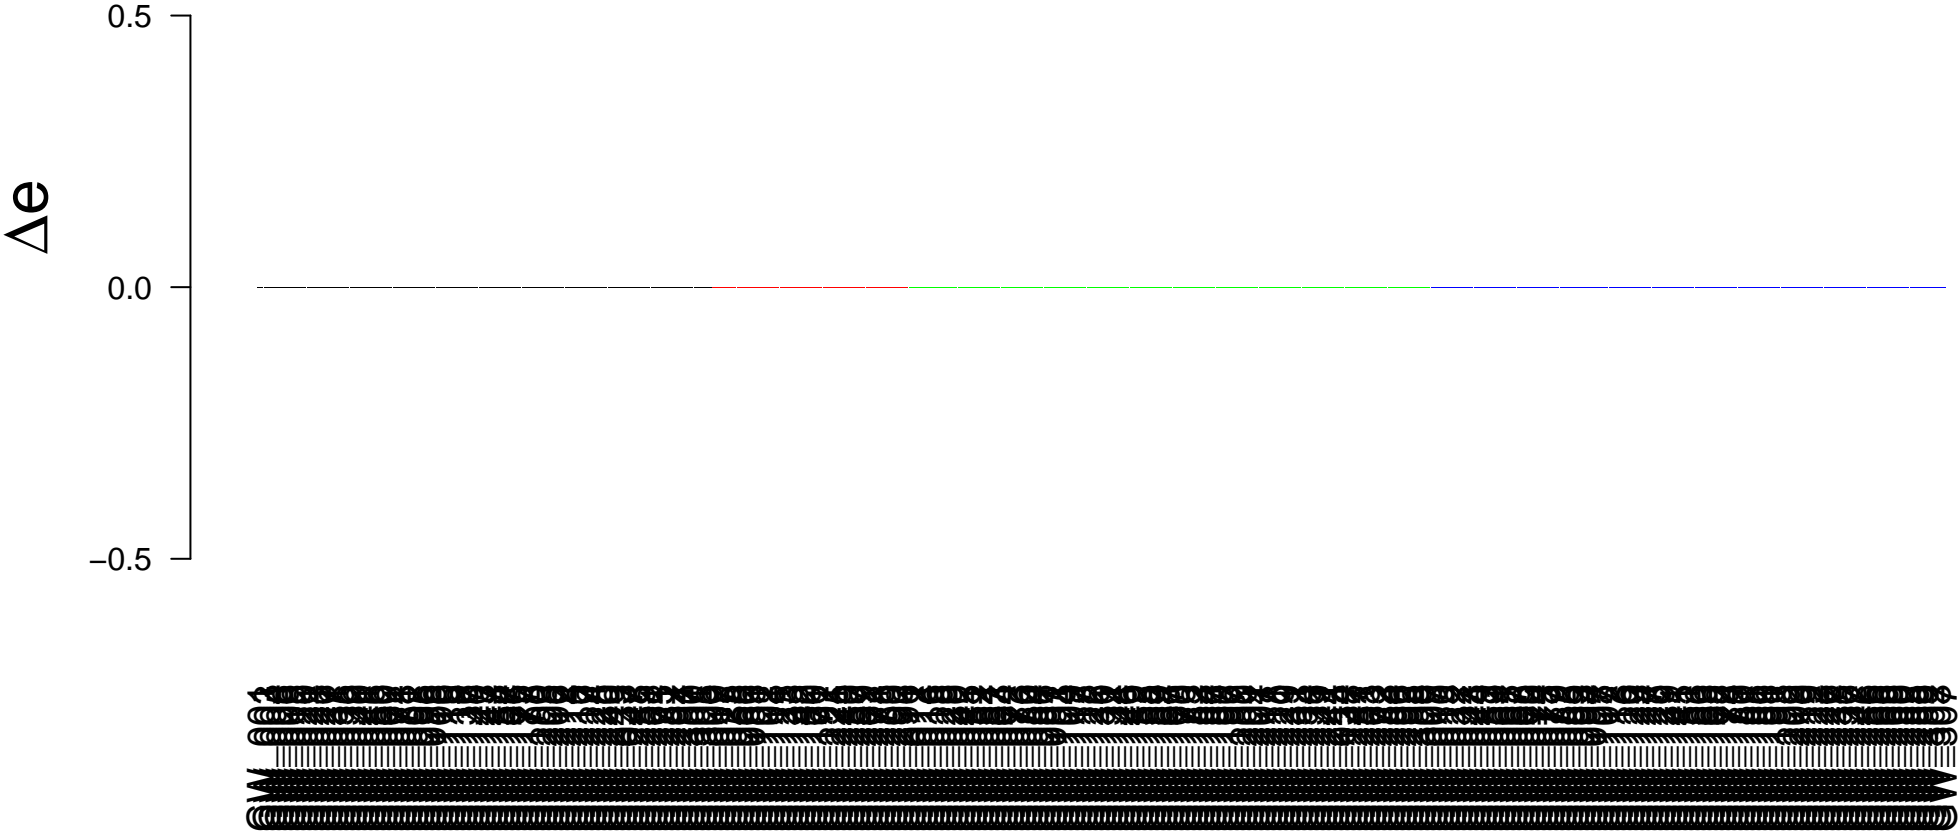

Enrichment in spots: mitochondrial respiratory chain complex I

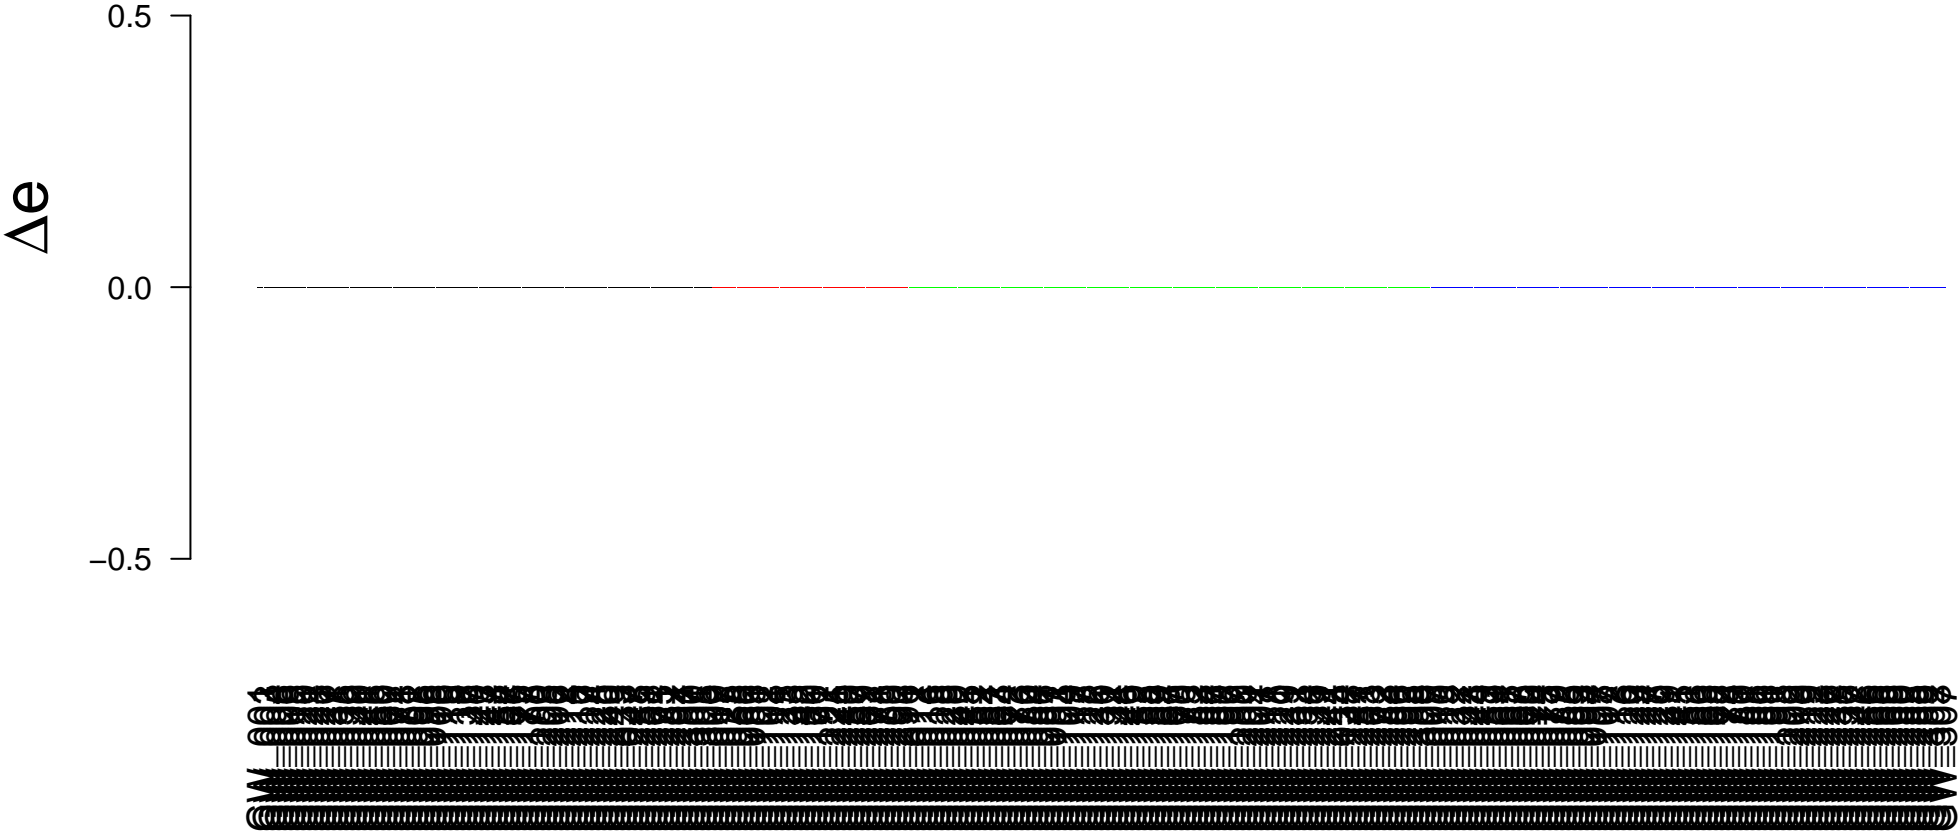

Expression of mitochondrial respiratory chain complex I in Spot A

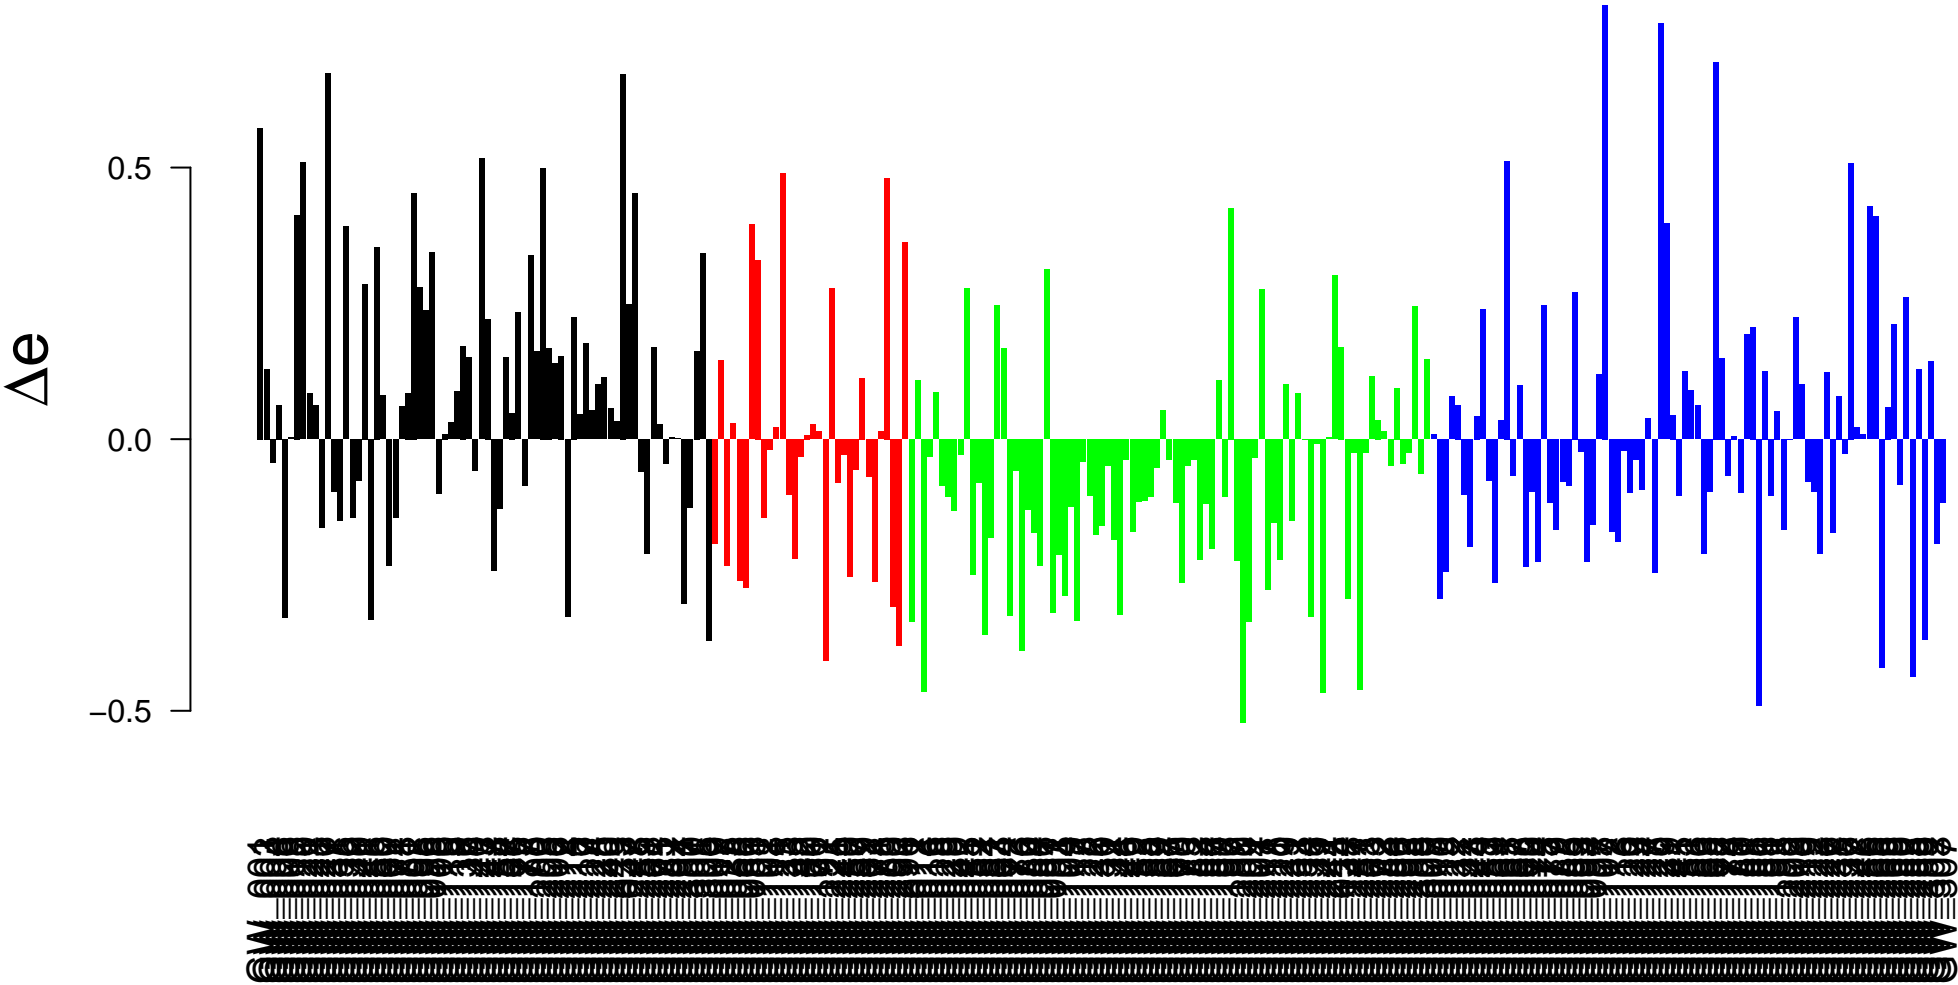

Expression of mitochondrial respiratory chain complex I in Spot B

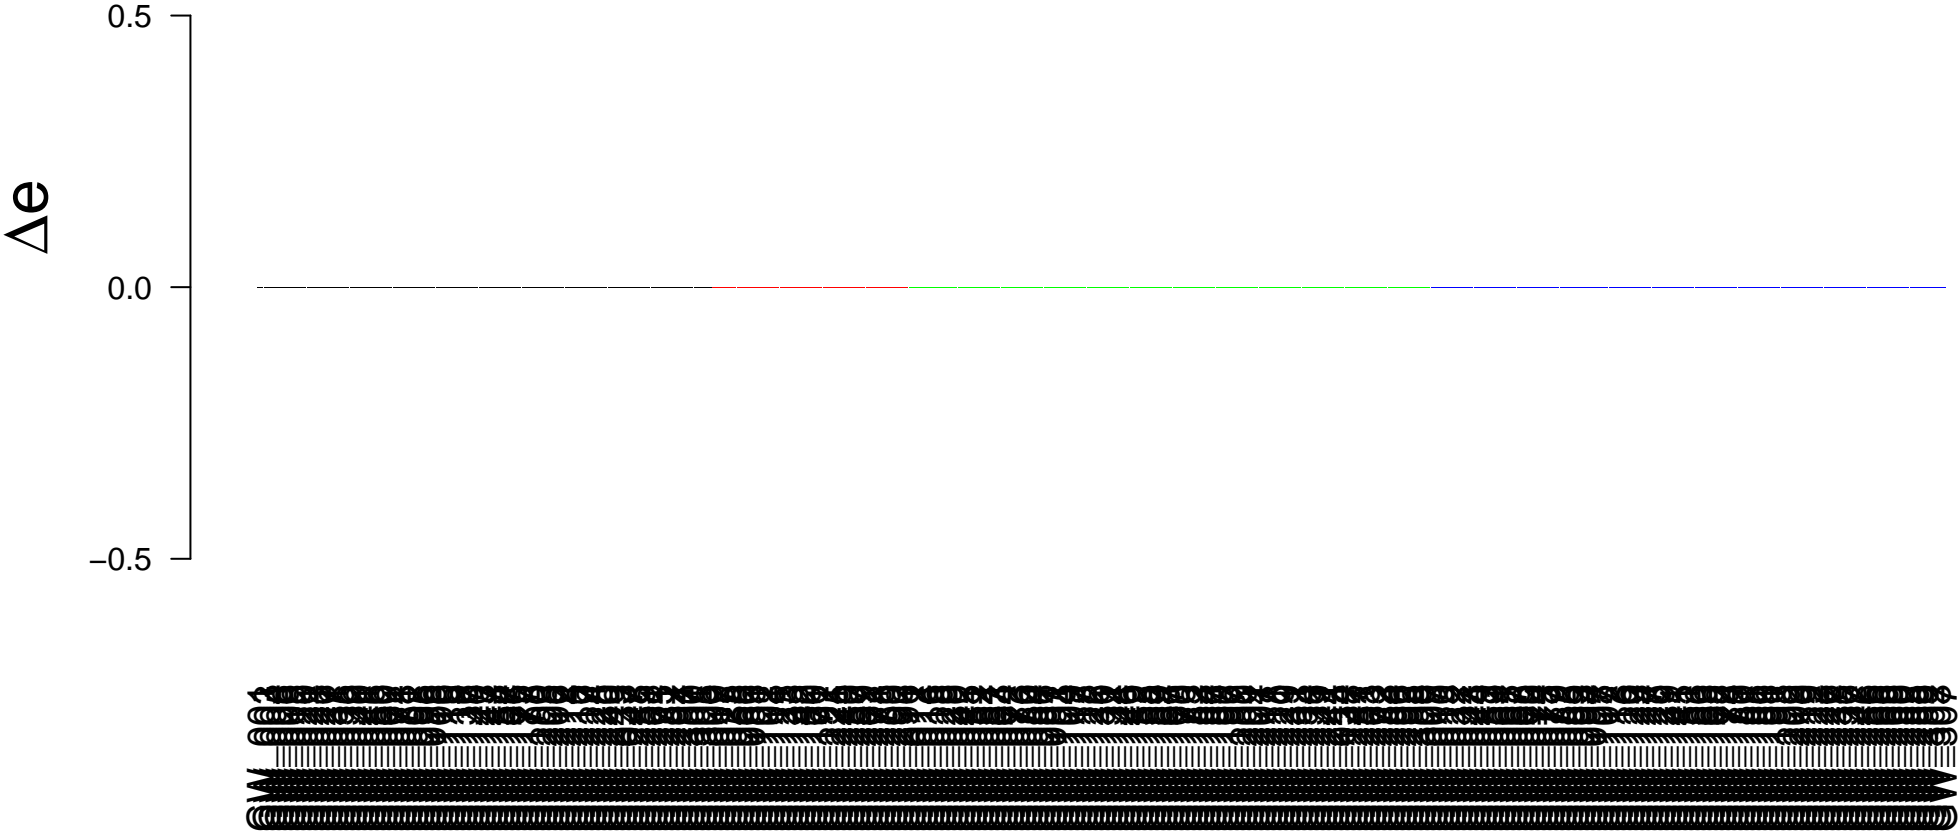

Expression of mitochondrial respiratory chain complex I in Spot C

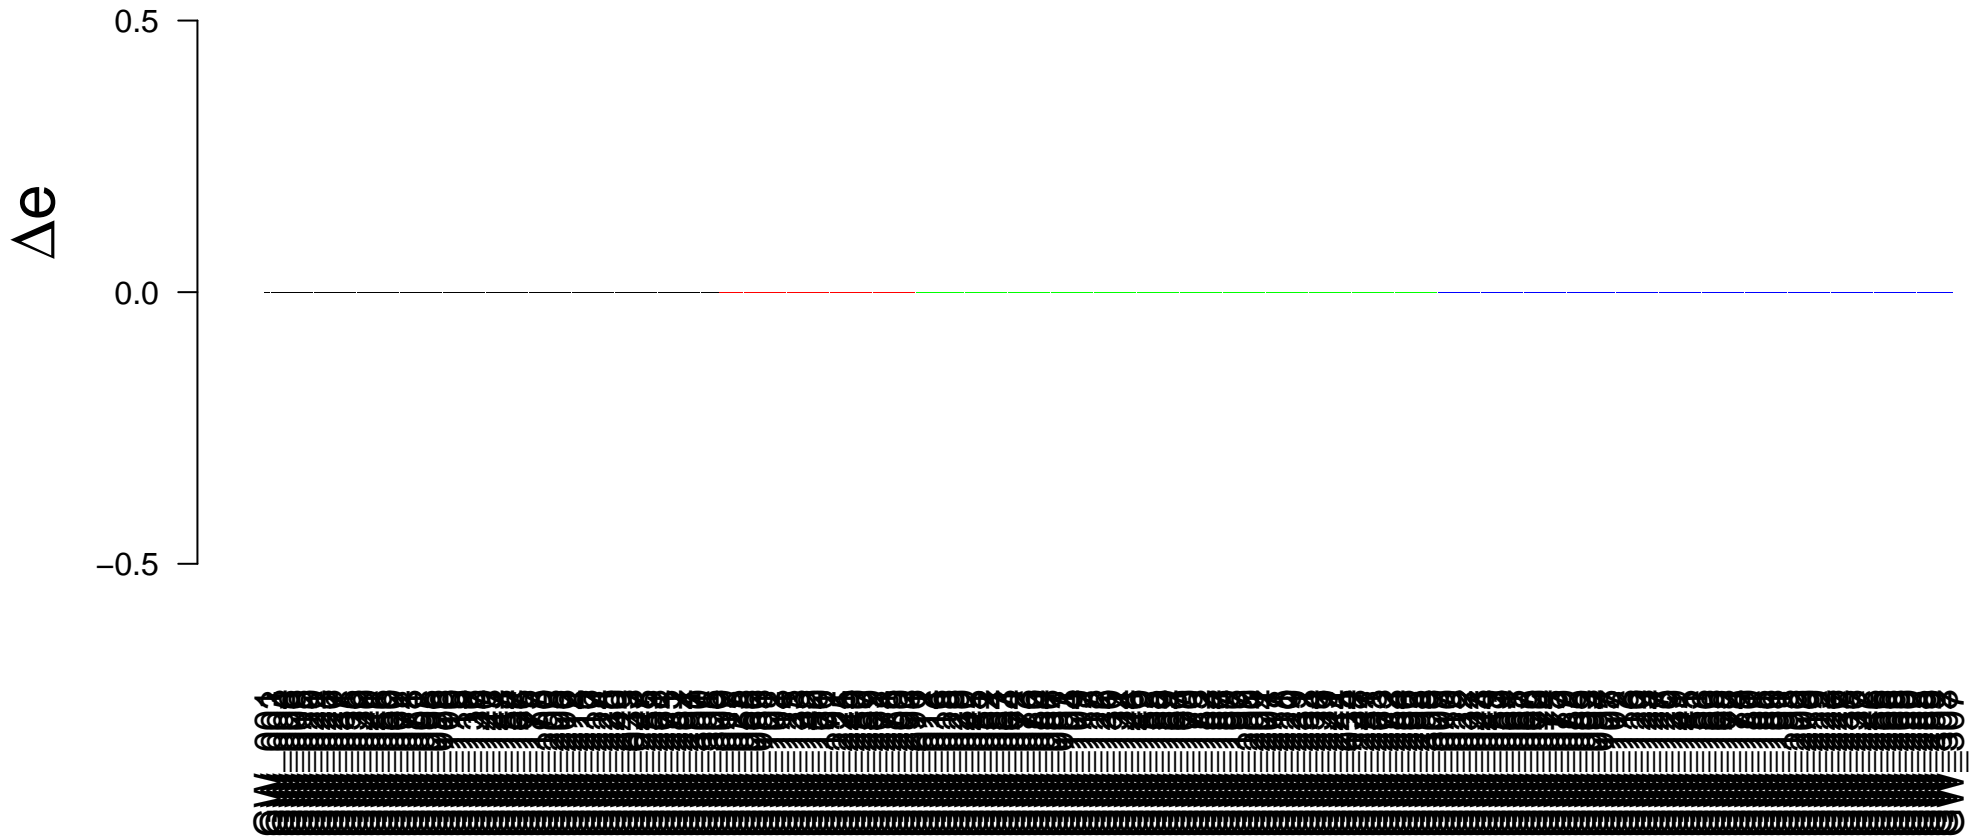

Expression of mitochondrial respiratory chain complex I in Spot D

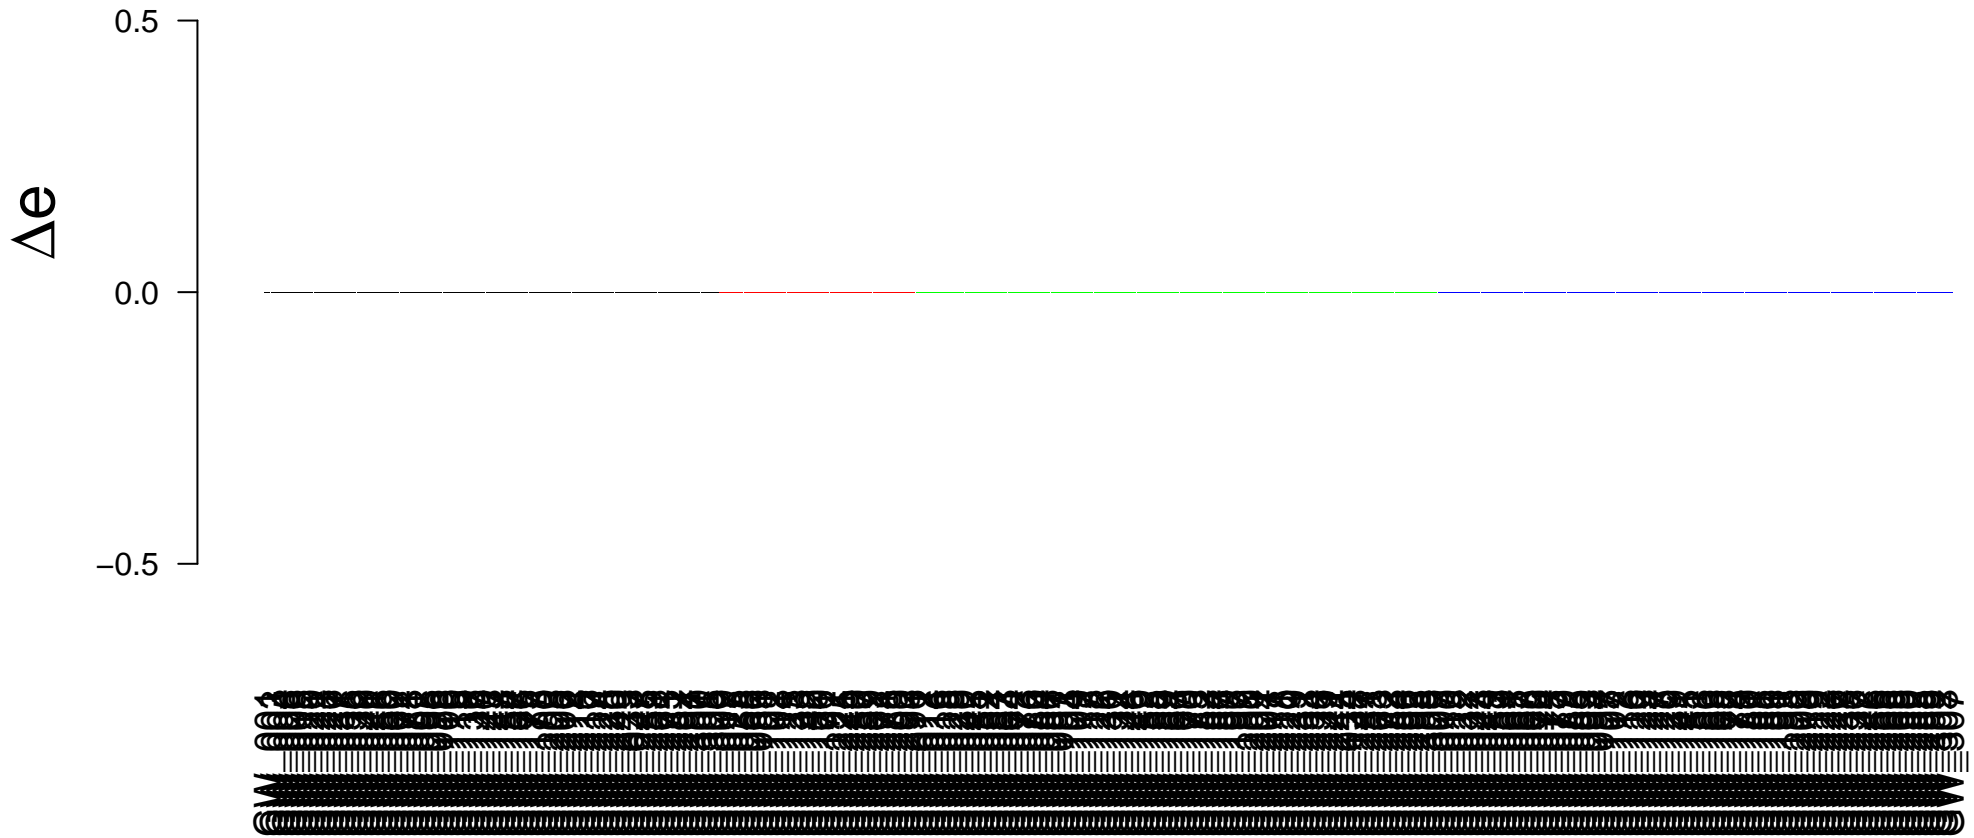

Expression of mitochondrial respiratory chain complex I in Spot E

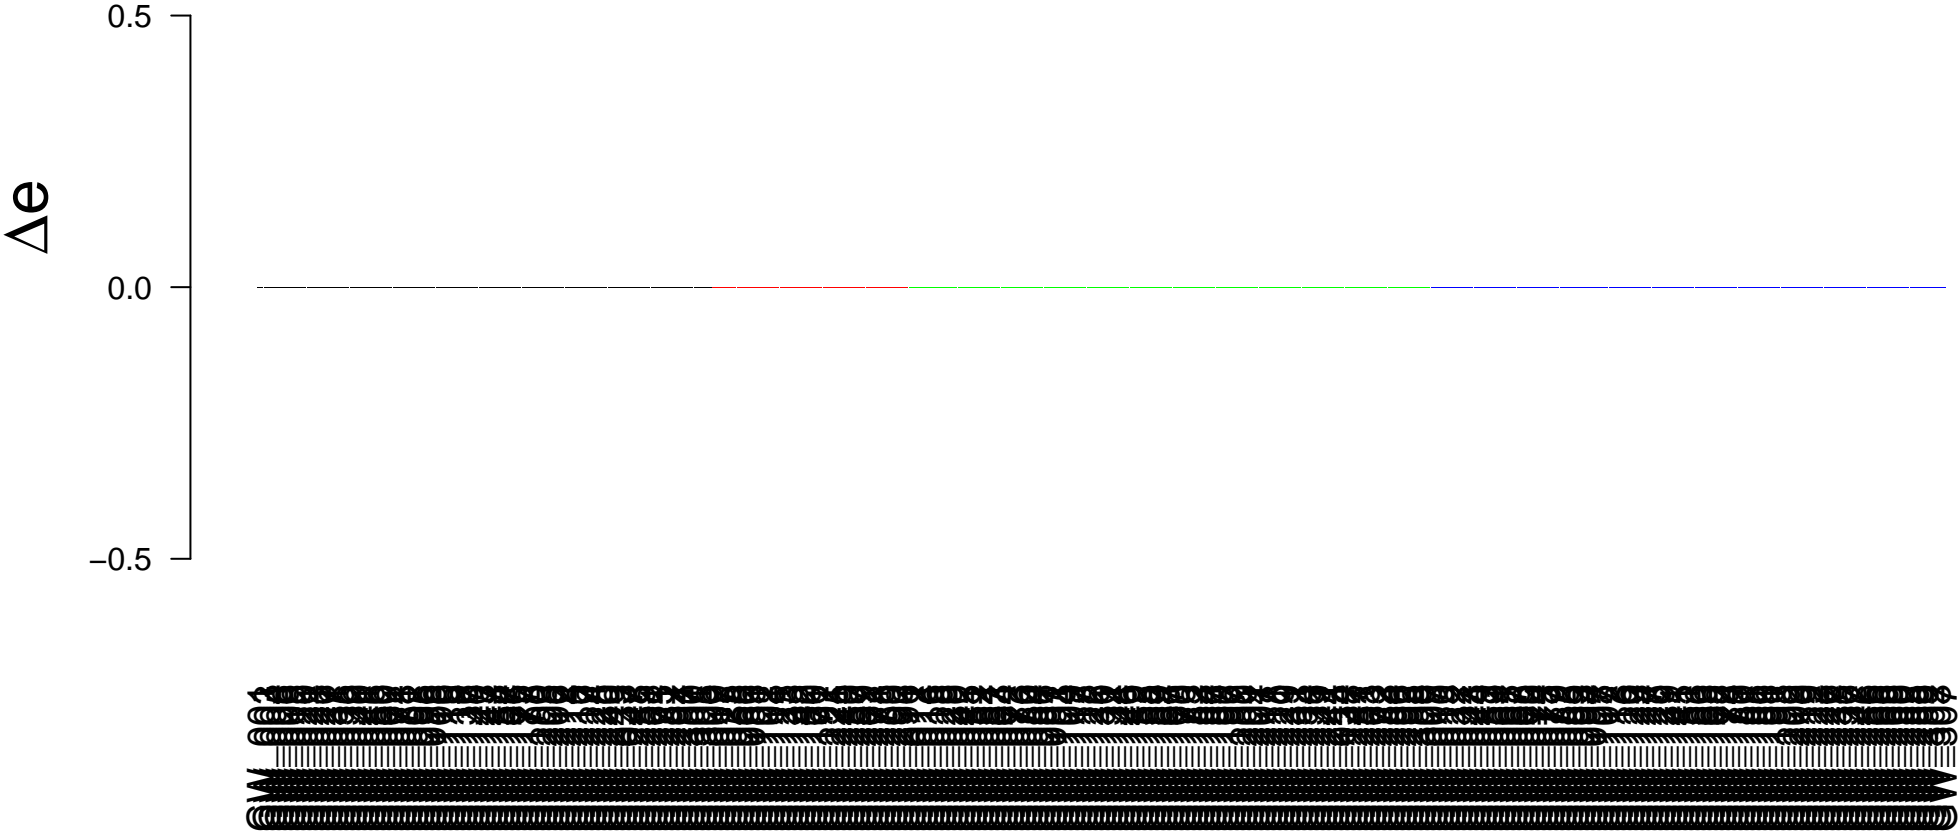

Expression of mitochondrial respiratory chain complex I in Spot F

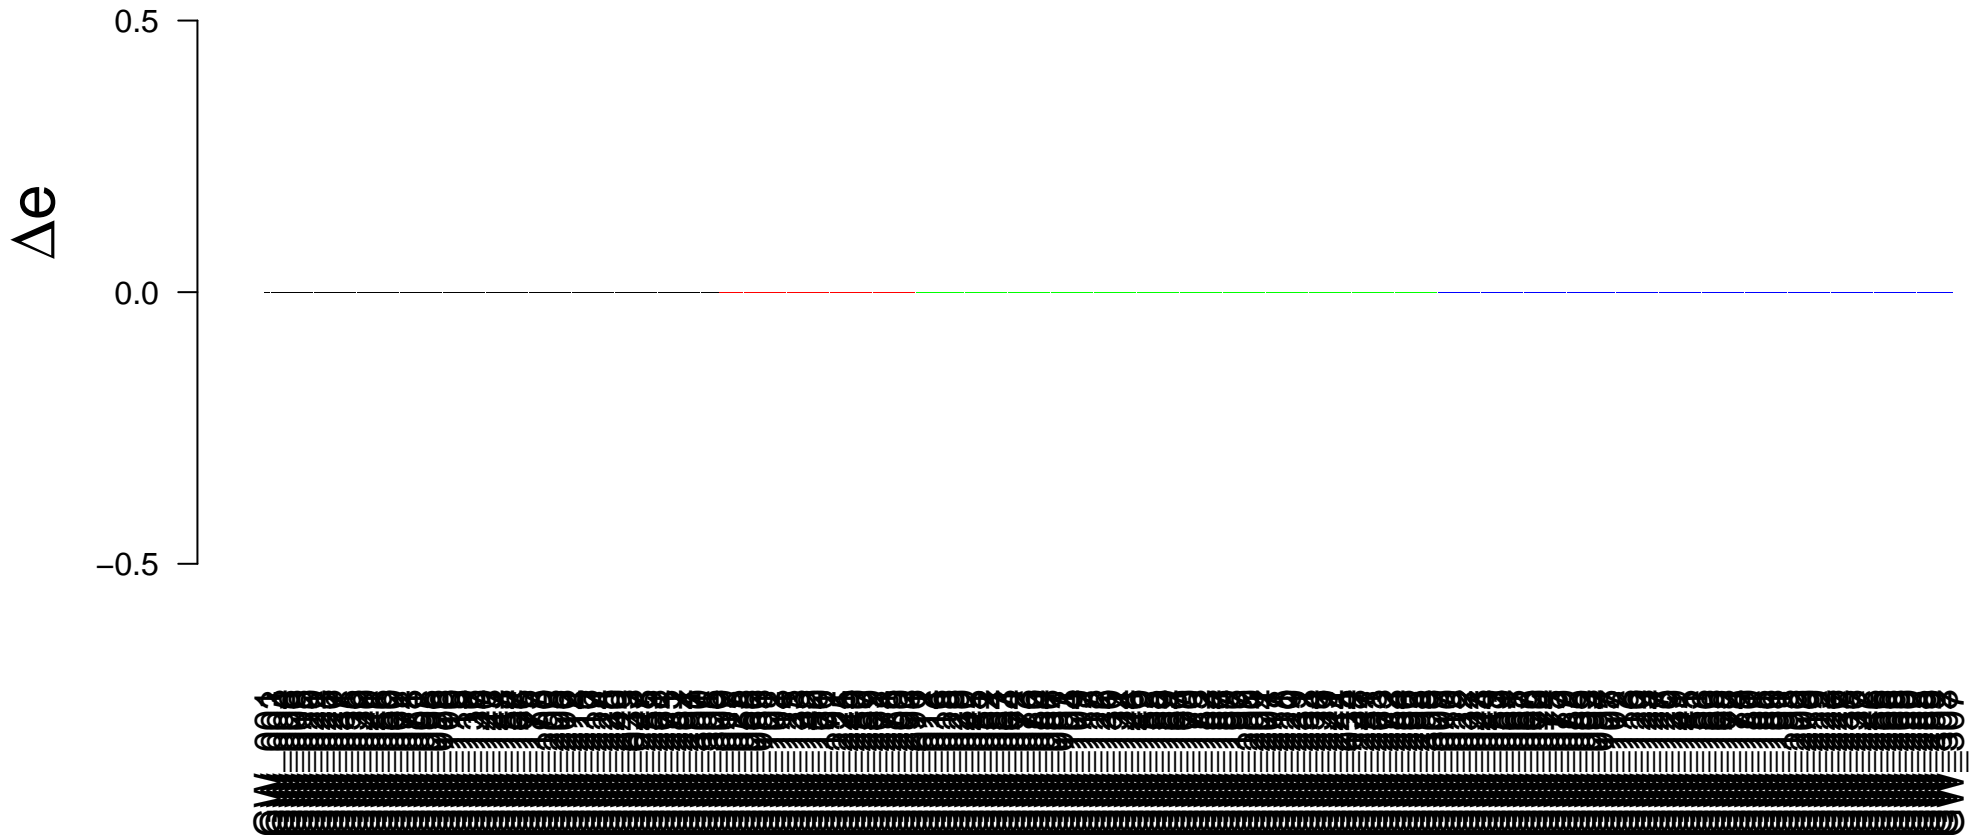

Expression of mitochondrial respiratory chain complex I in Spot G

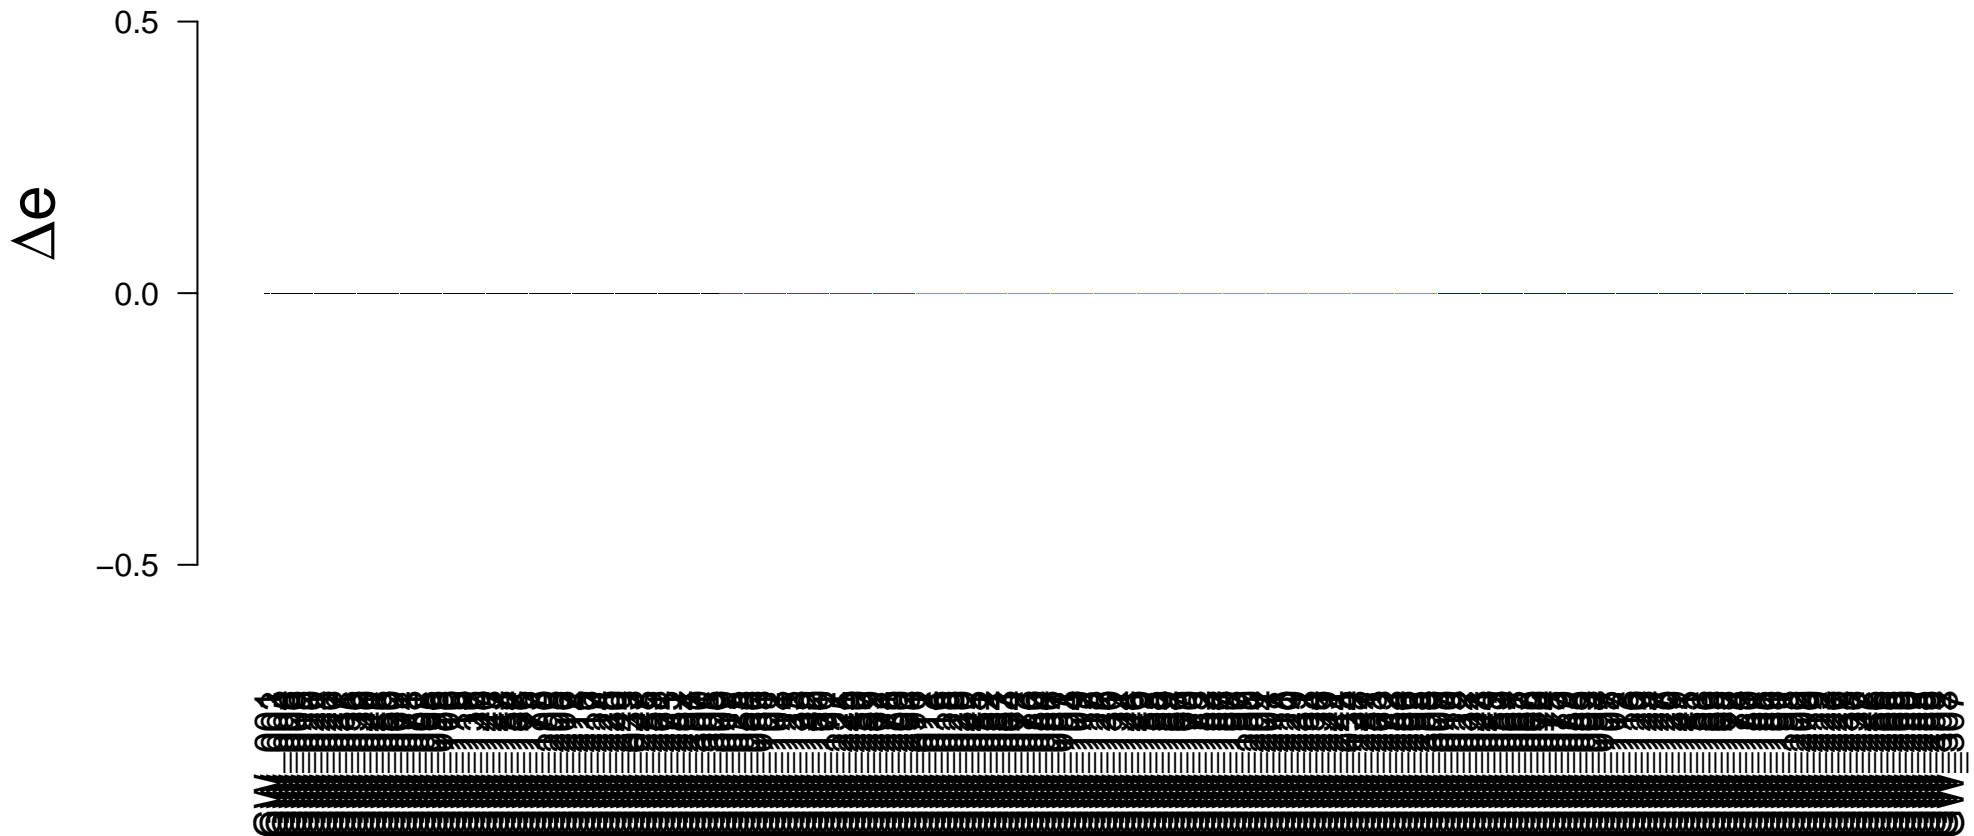

Expression of mitochondrial respiratory chain complex I in Spot H

Expression of mitochondrial respiratory chain complex I in Spot I

Expression of mitochondrial respiratory chain complex I in Spot J

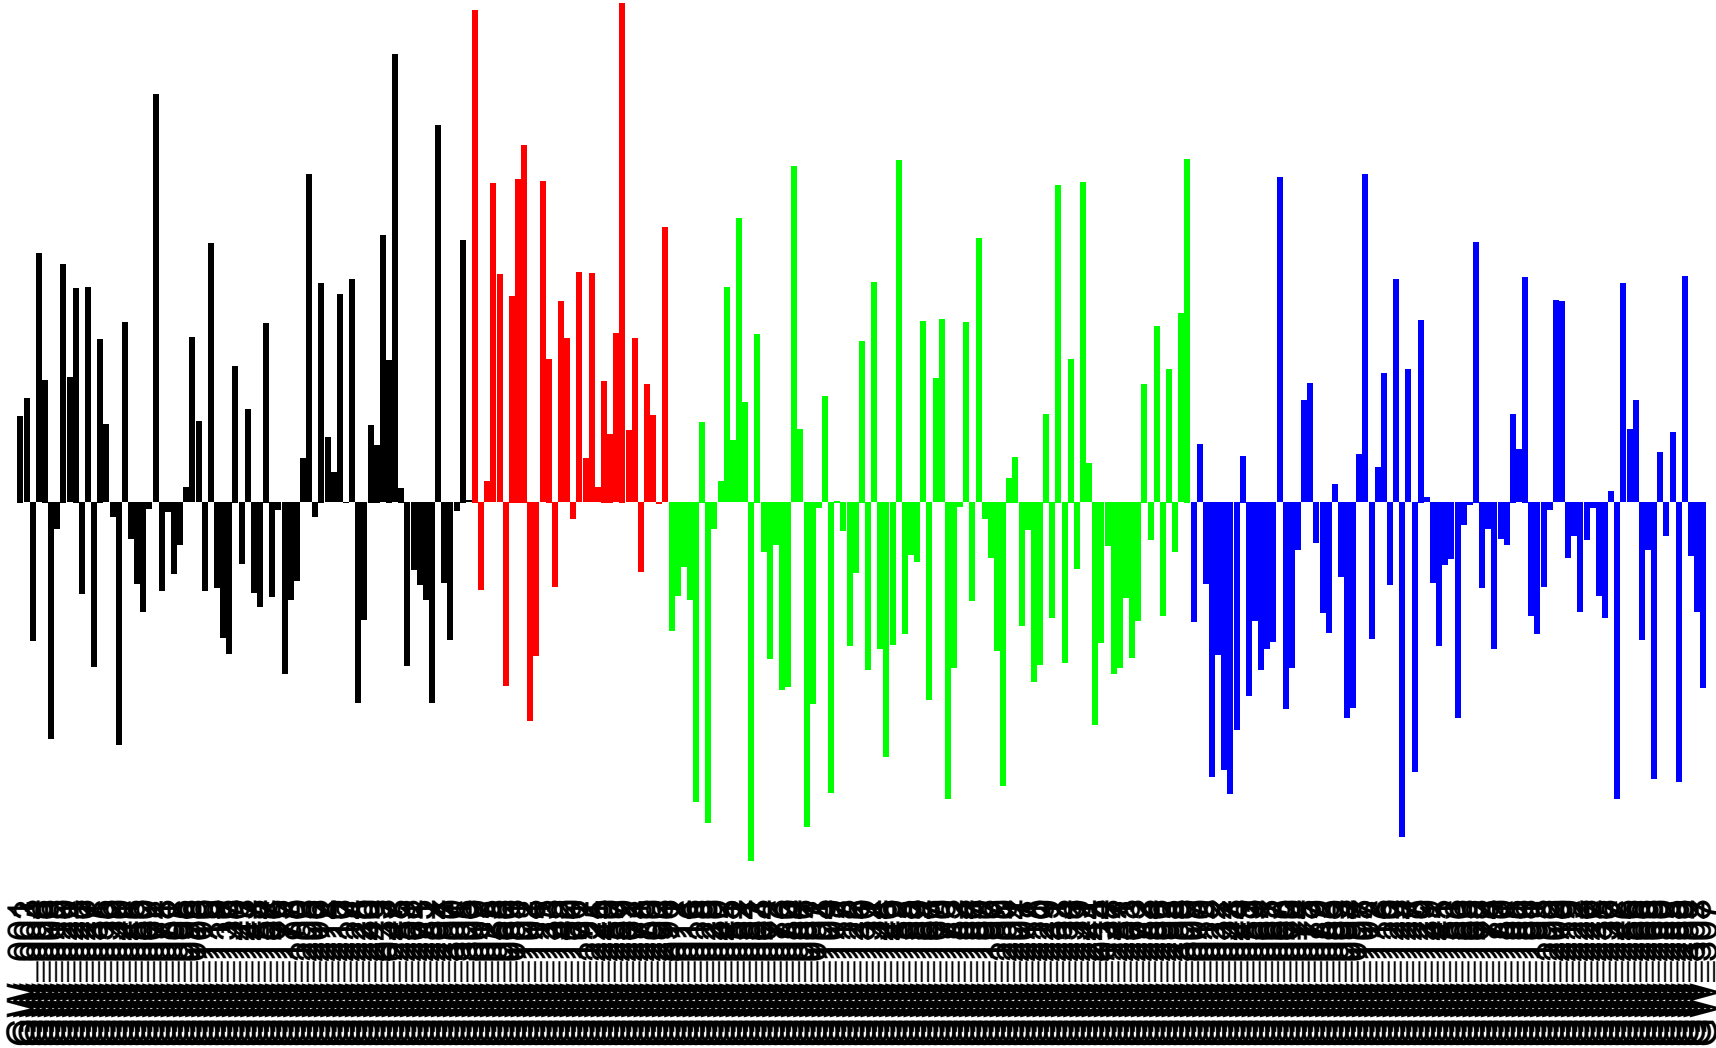

Expression of mitochondrial respiratory chain complex I in Spot K
