

mitochondrial respiratory chain complex I assembly

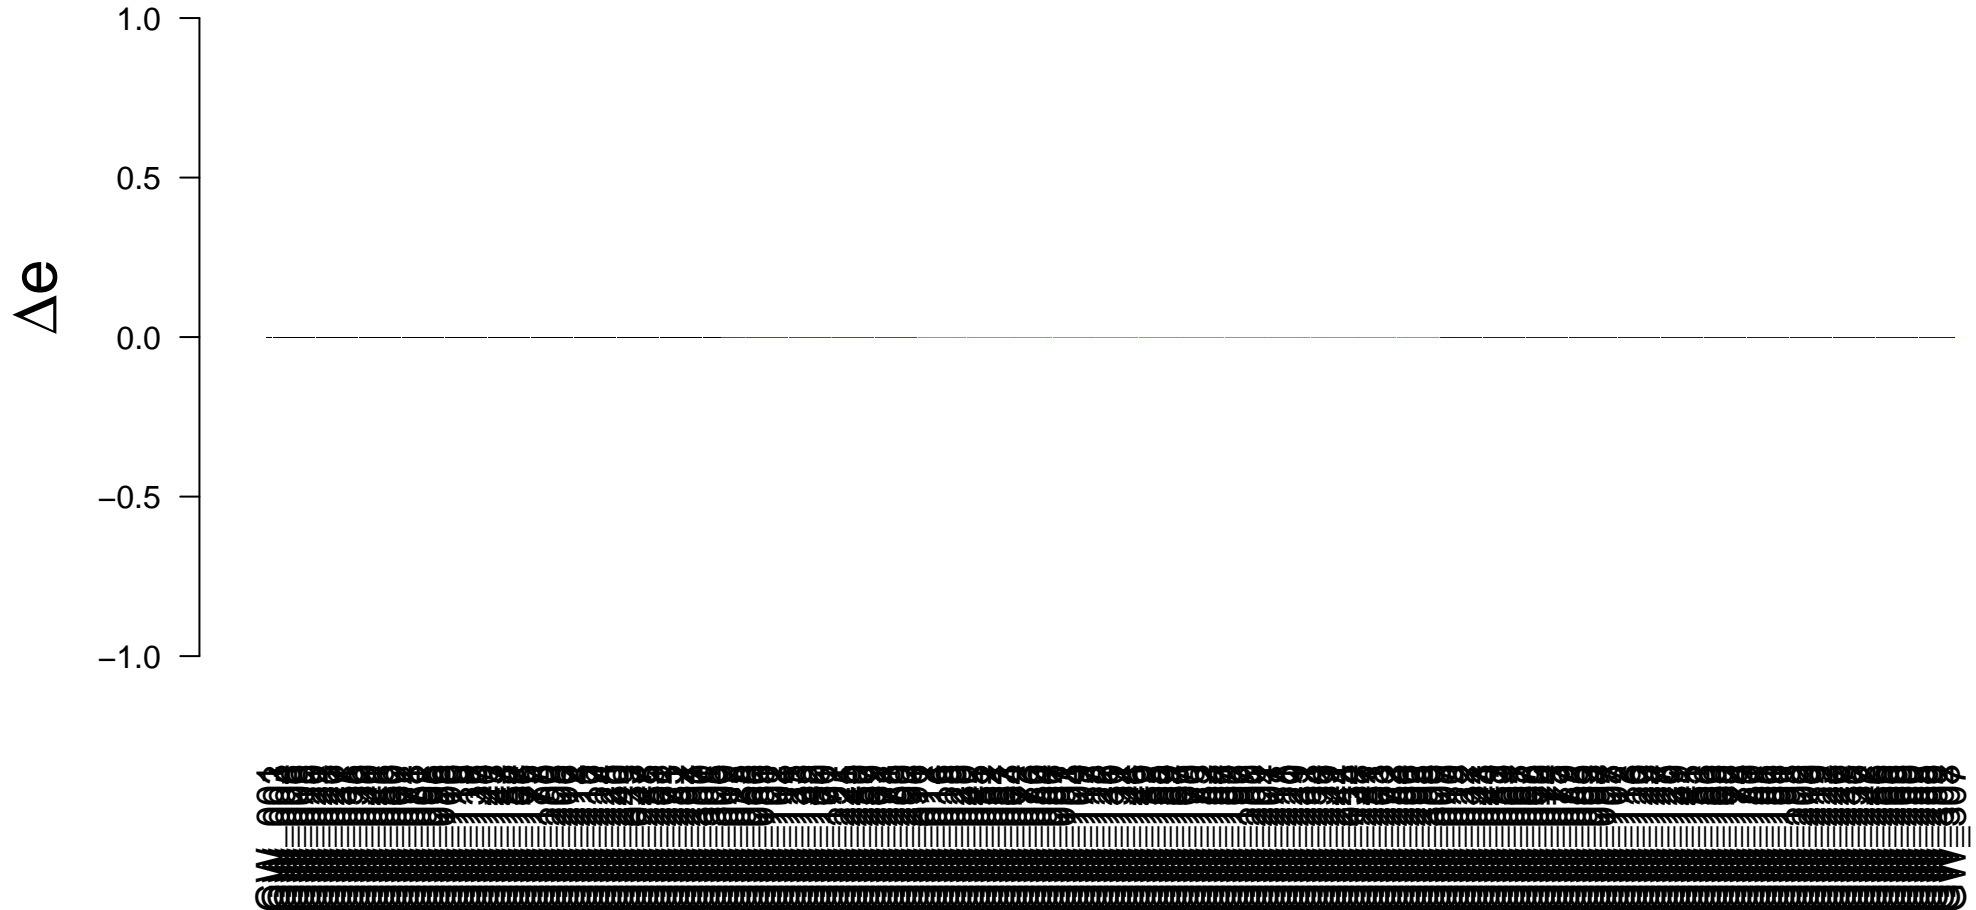

mitochondrial respiratory chain complex I assembly

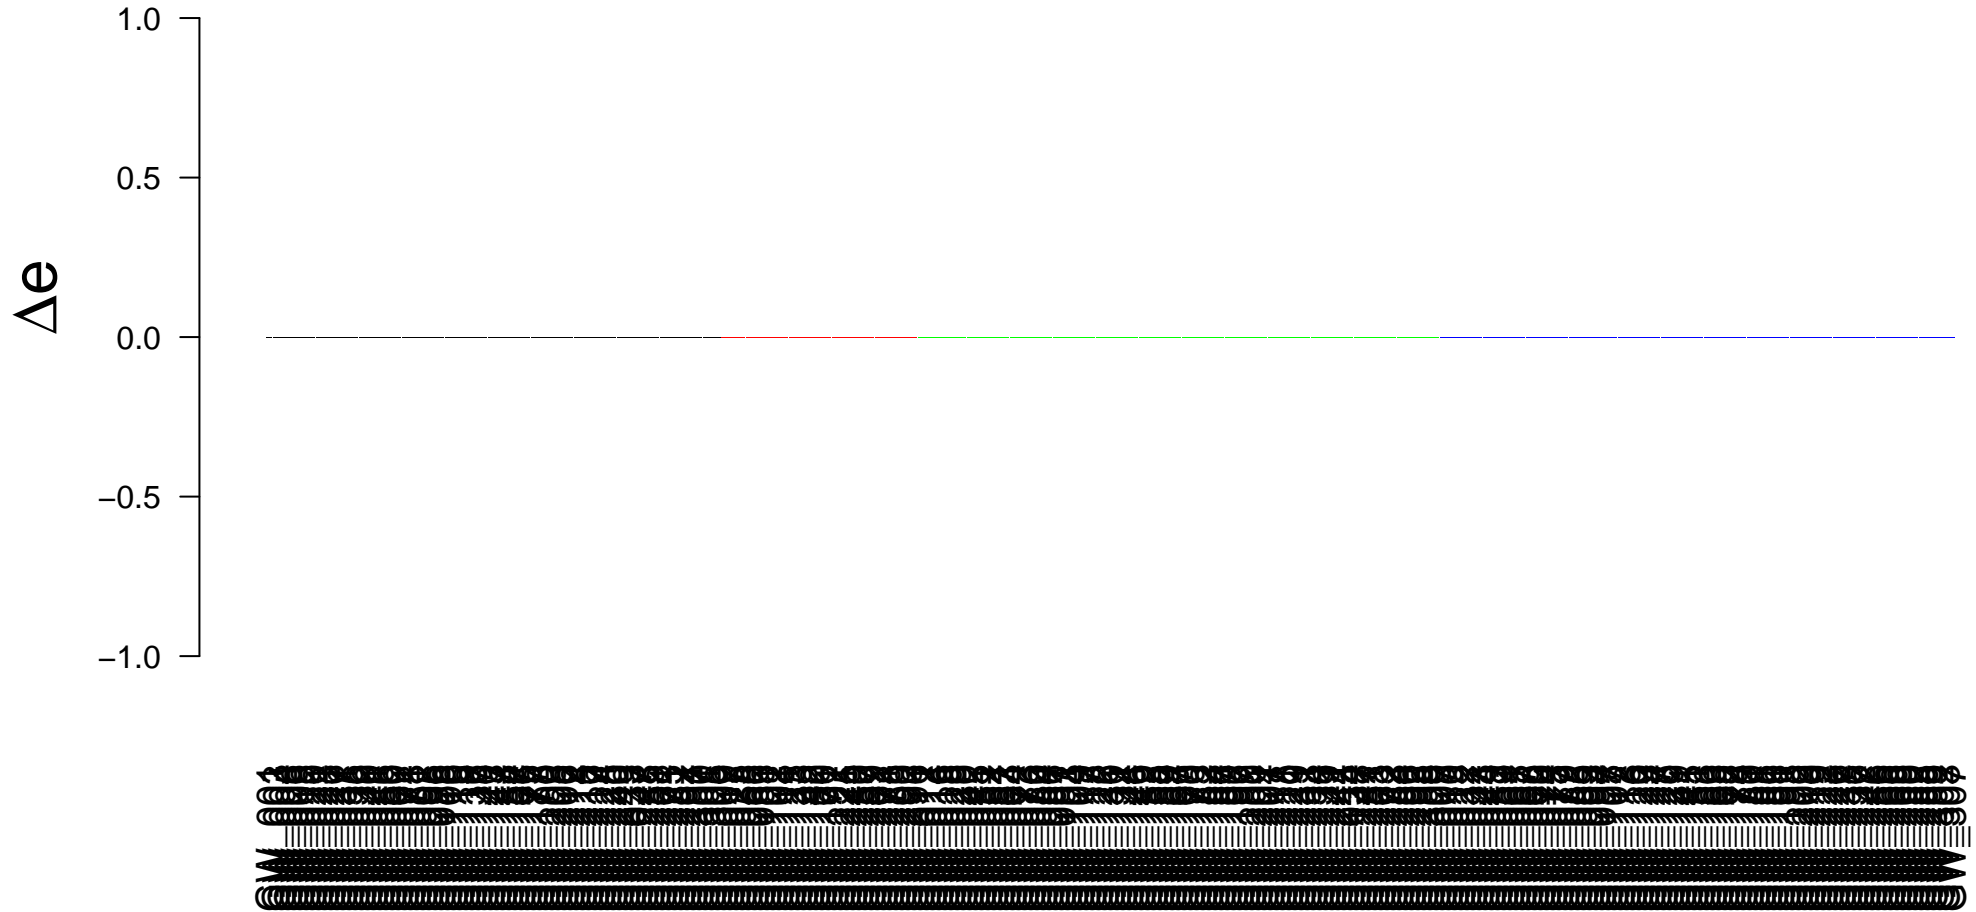

Enrichment in spots: mitochondrial respiratory chain complex I assembly

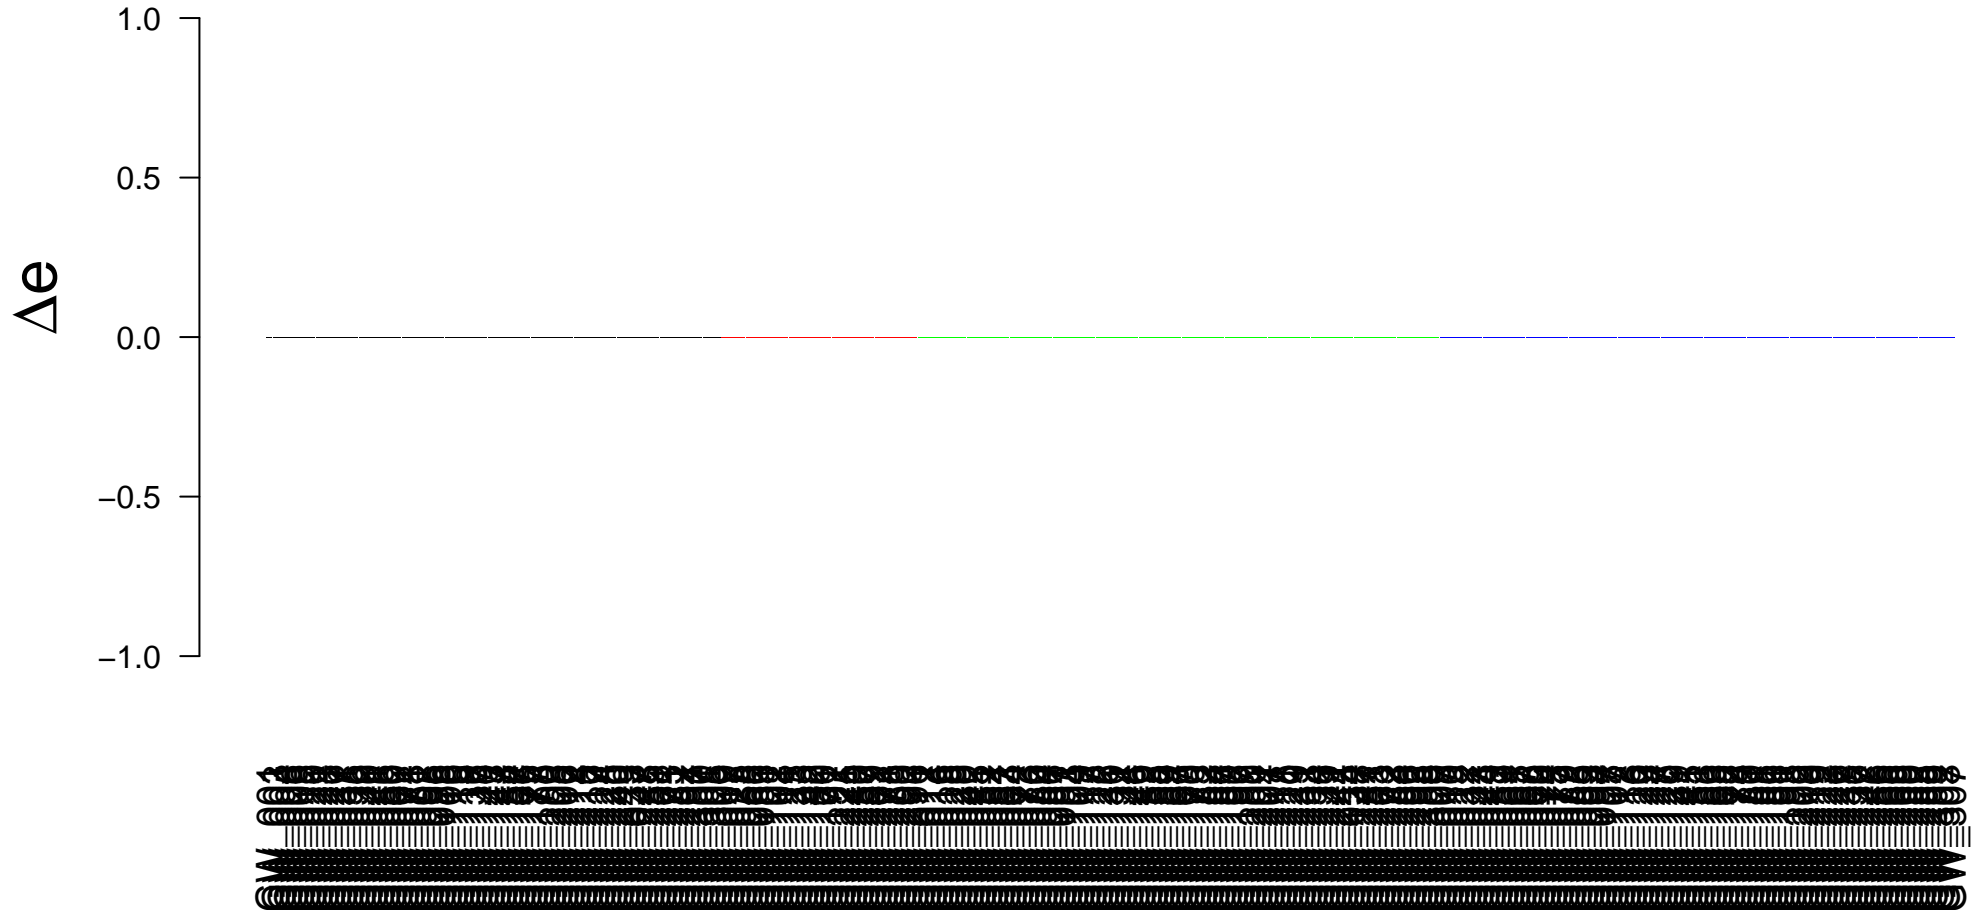

Expression of mitochondrial respiratory chain complex I assembly in Spot A

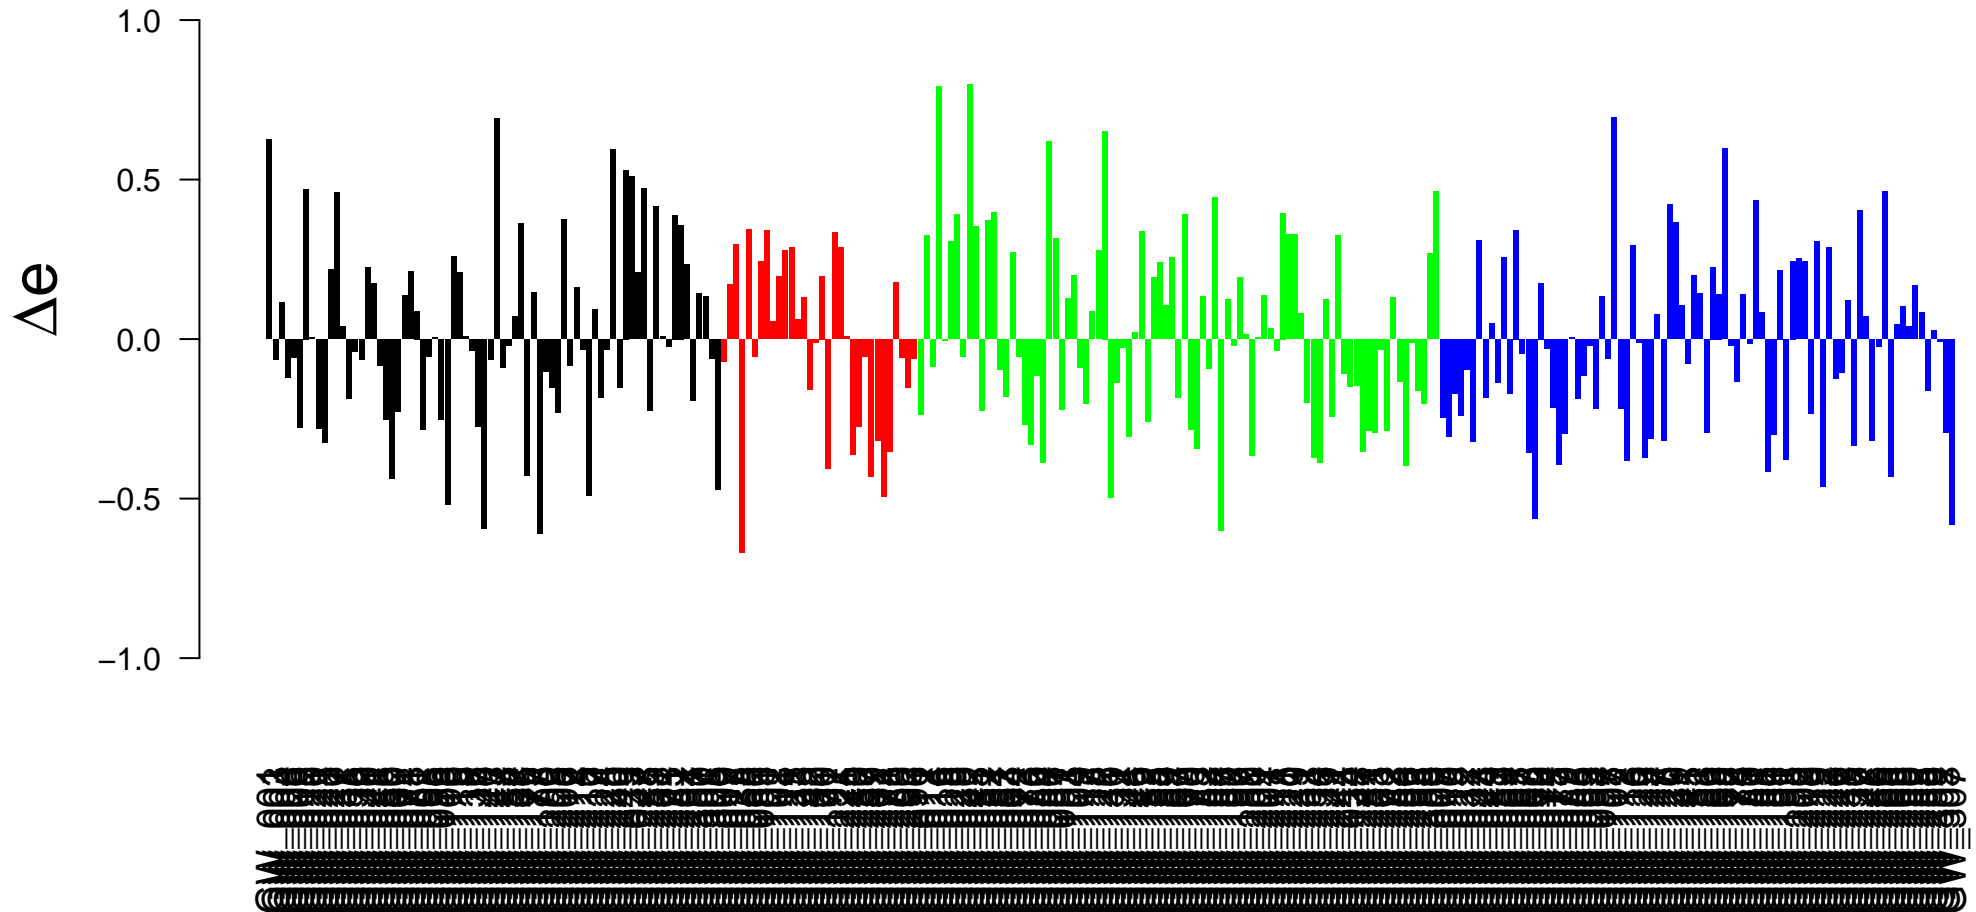

Expression of mitochondrial respiratory chain complex I assembly in Spot B

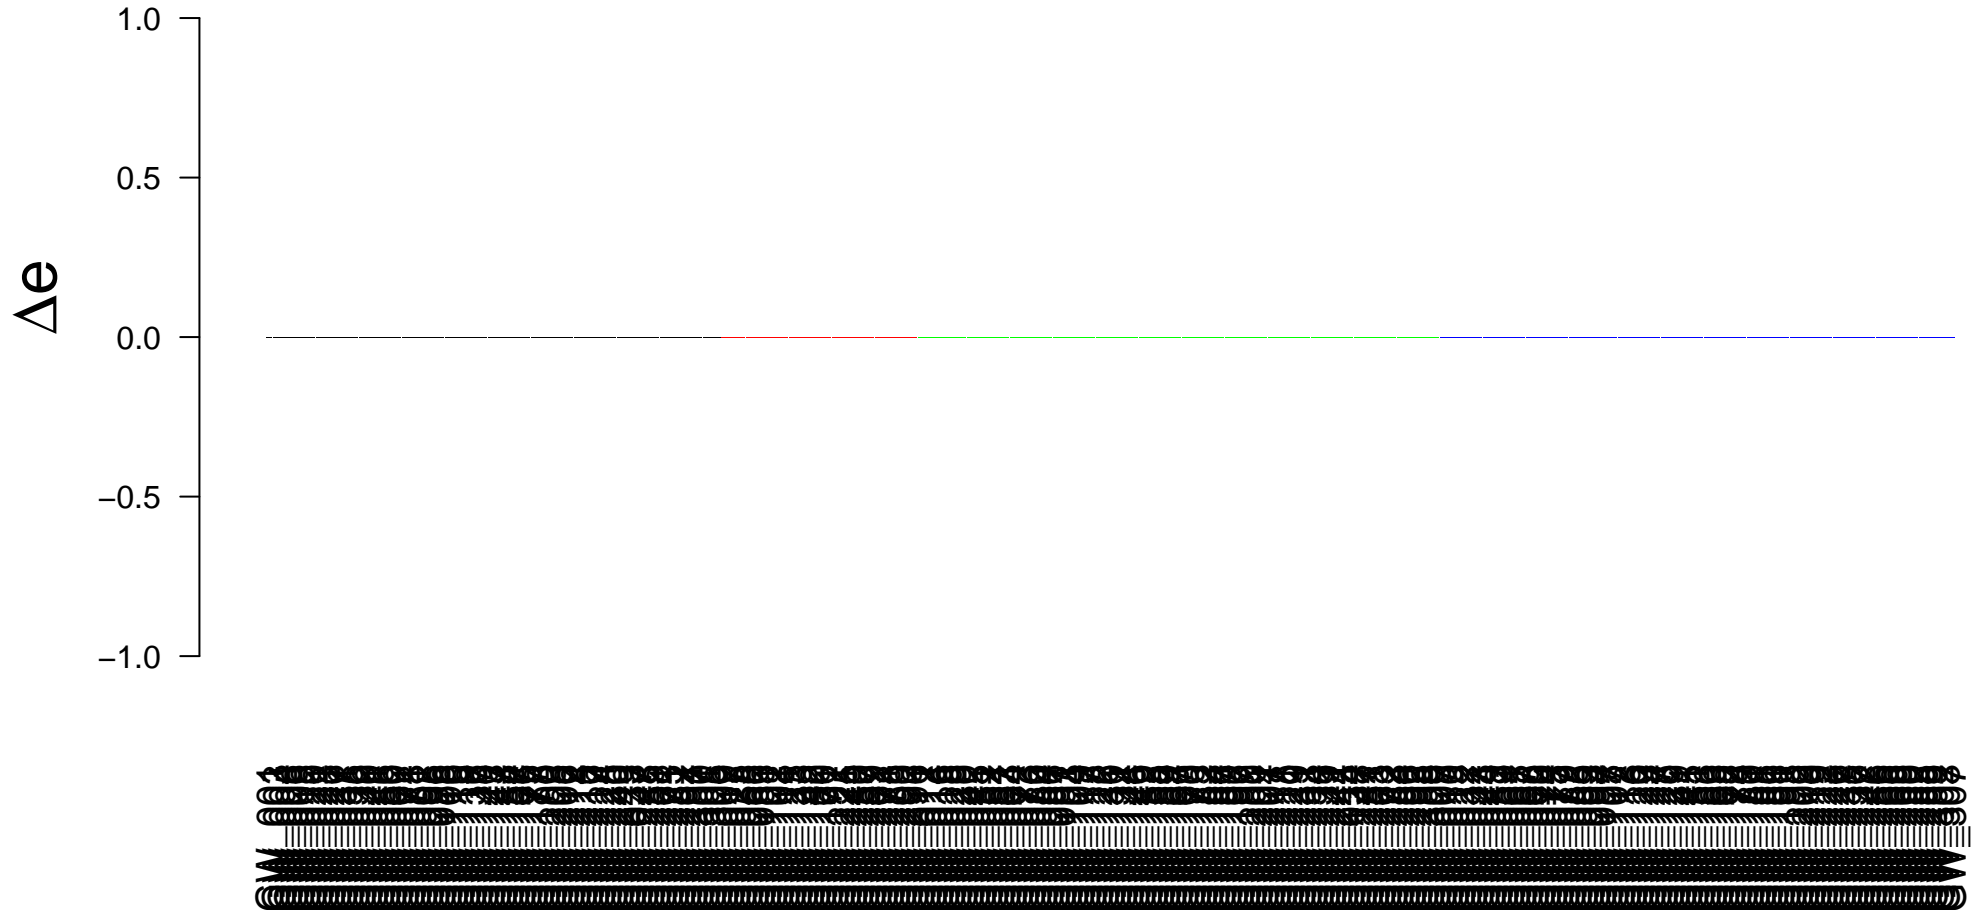

Expression of mitochondrial respiratory chain complex I assembly in Spot C

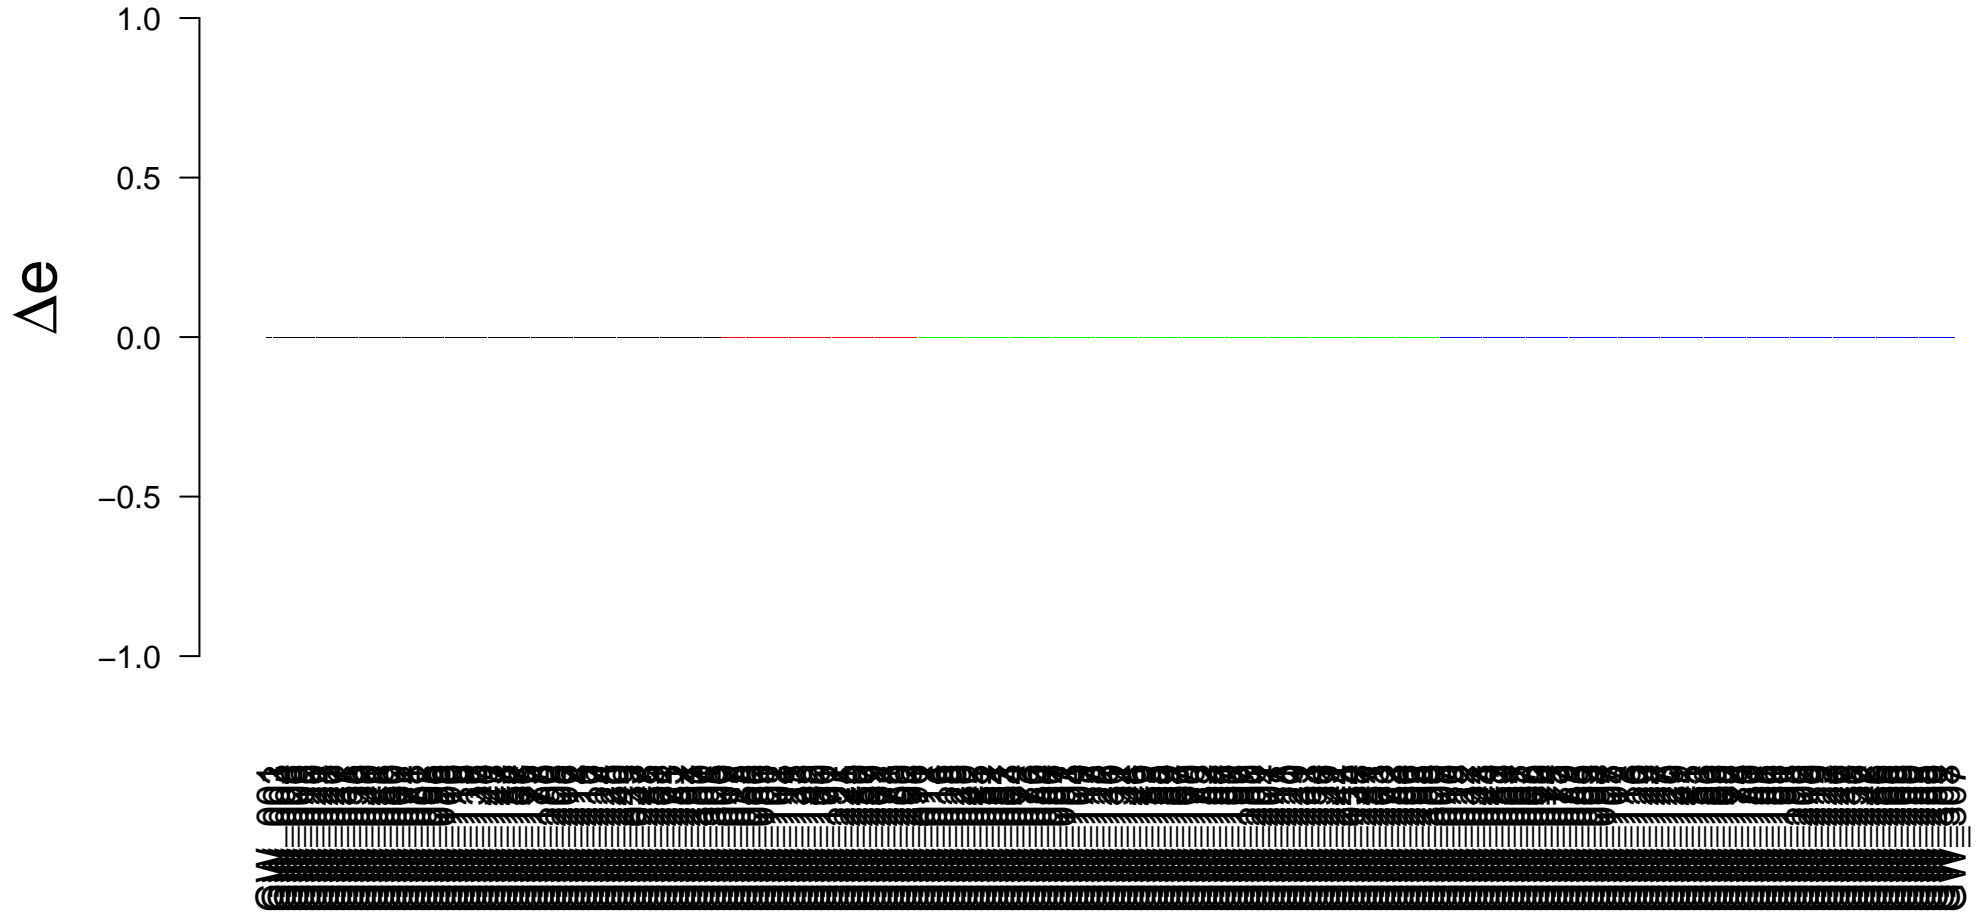

Expression of mitochondrial respiratory chain complex I assembly in Spot D

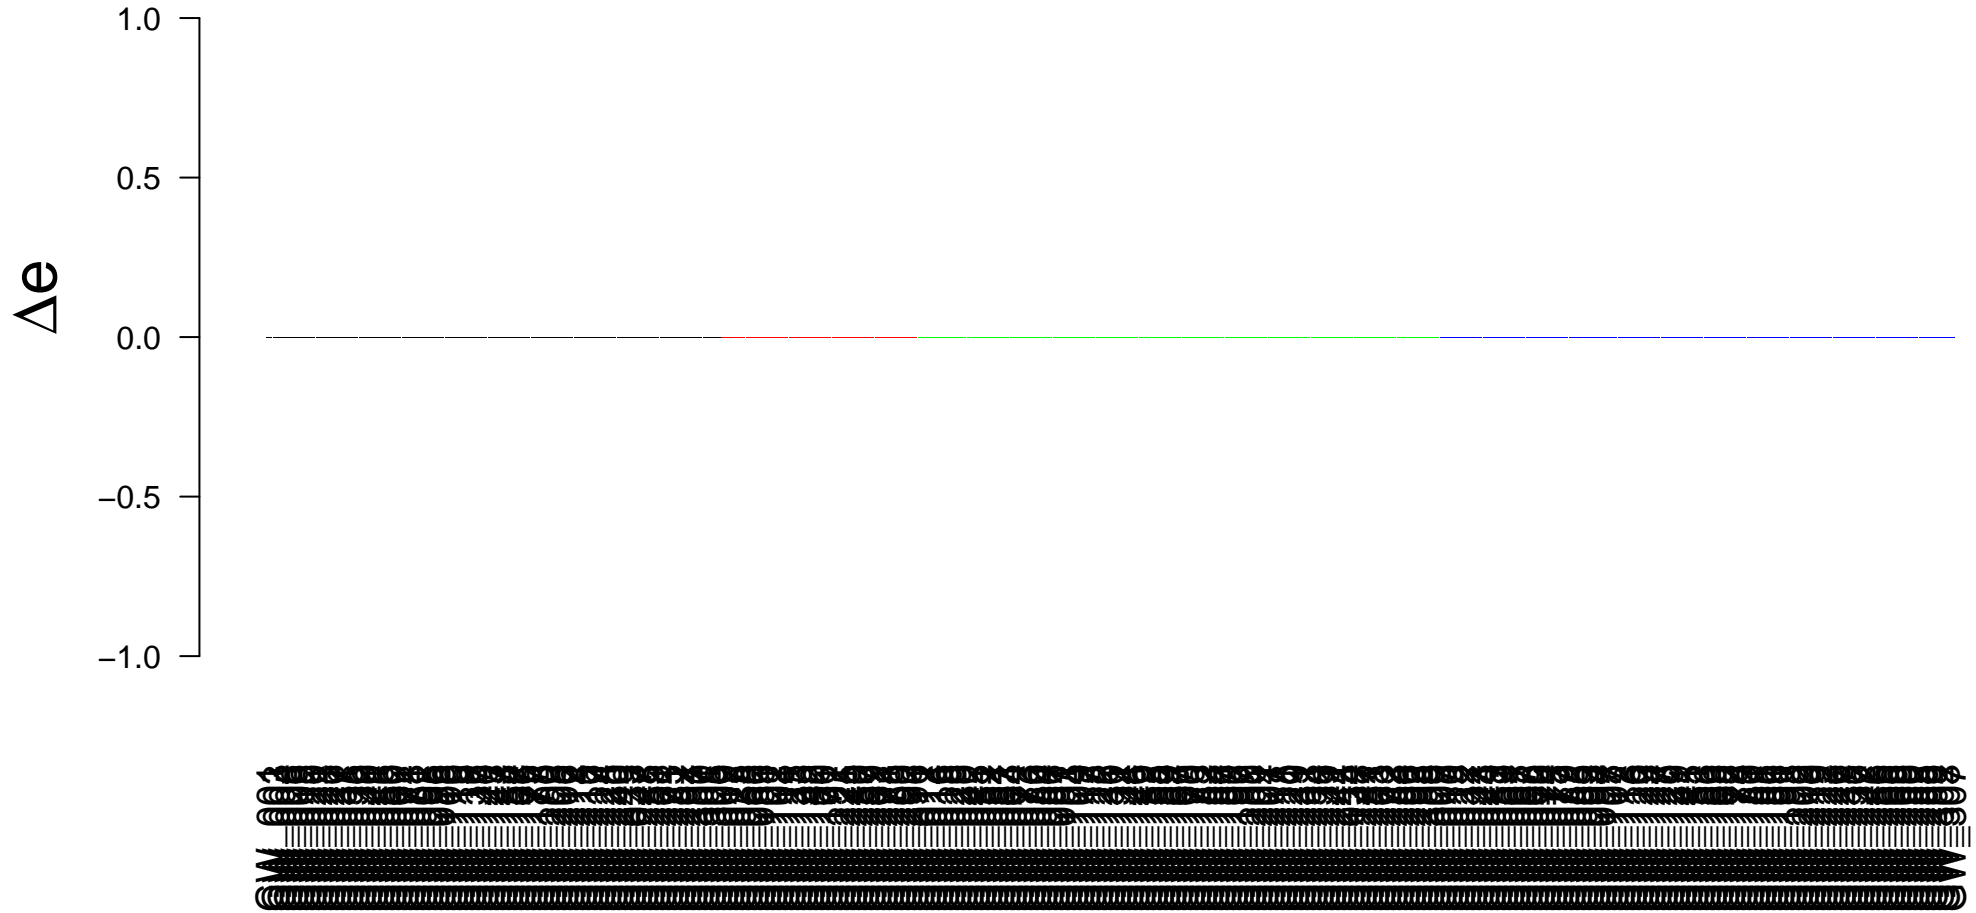

Expression of mitochondrial respiratory chain complex I assembly in Spot E

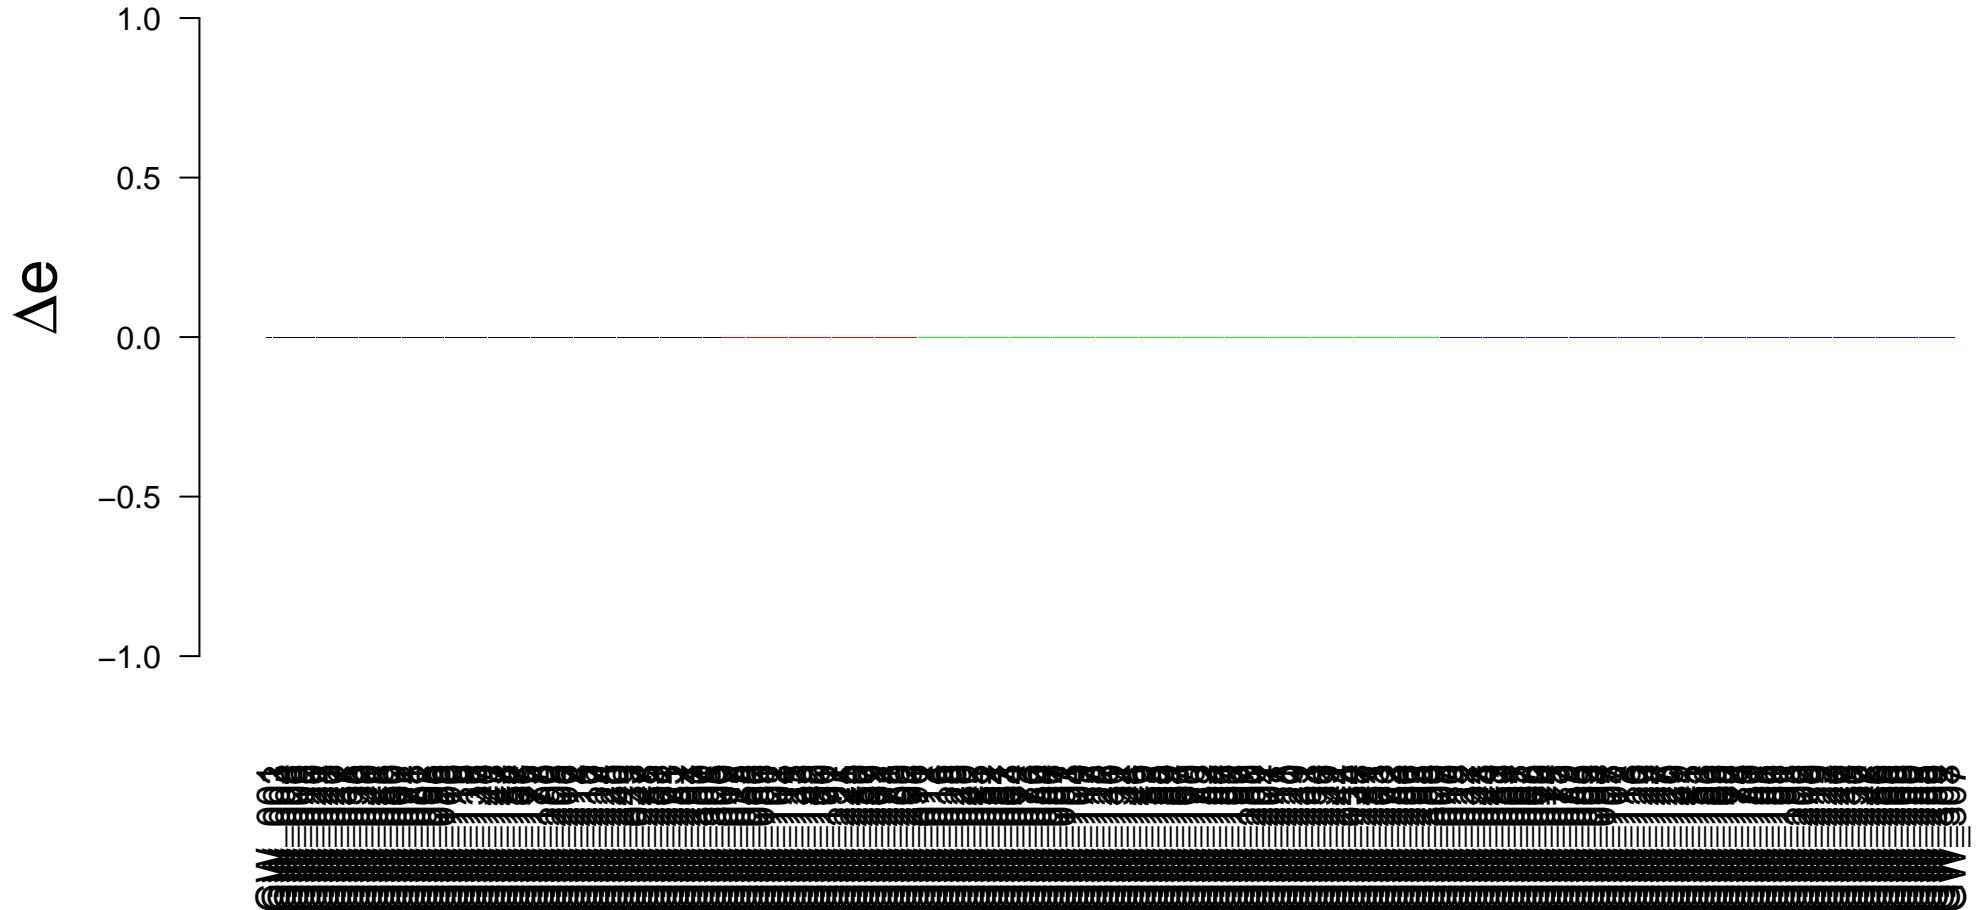

Expression of mitochondrial respiratory chain complex I assembly in Spot F

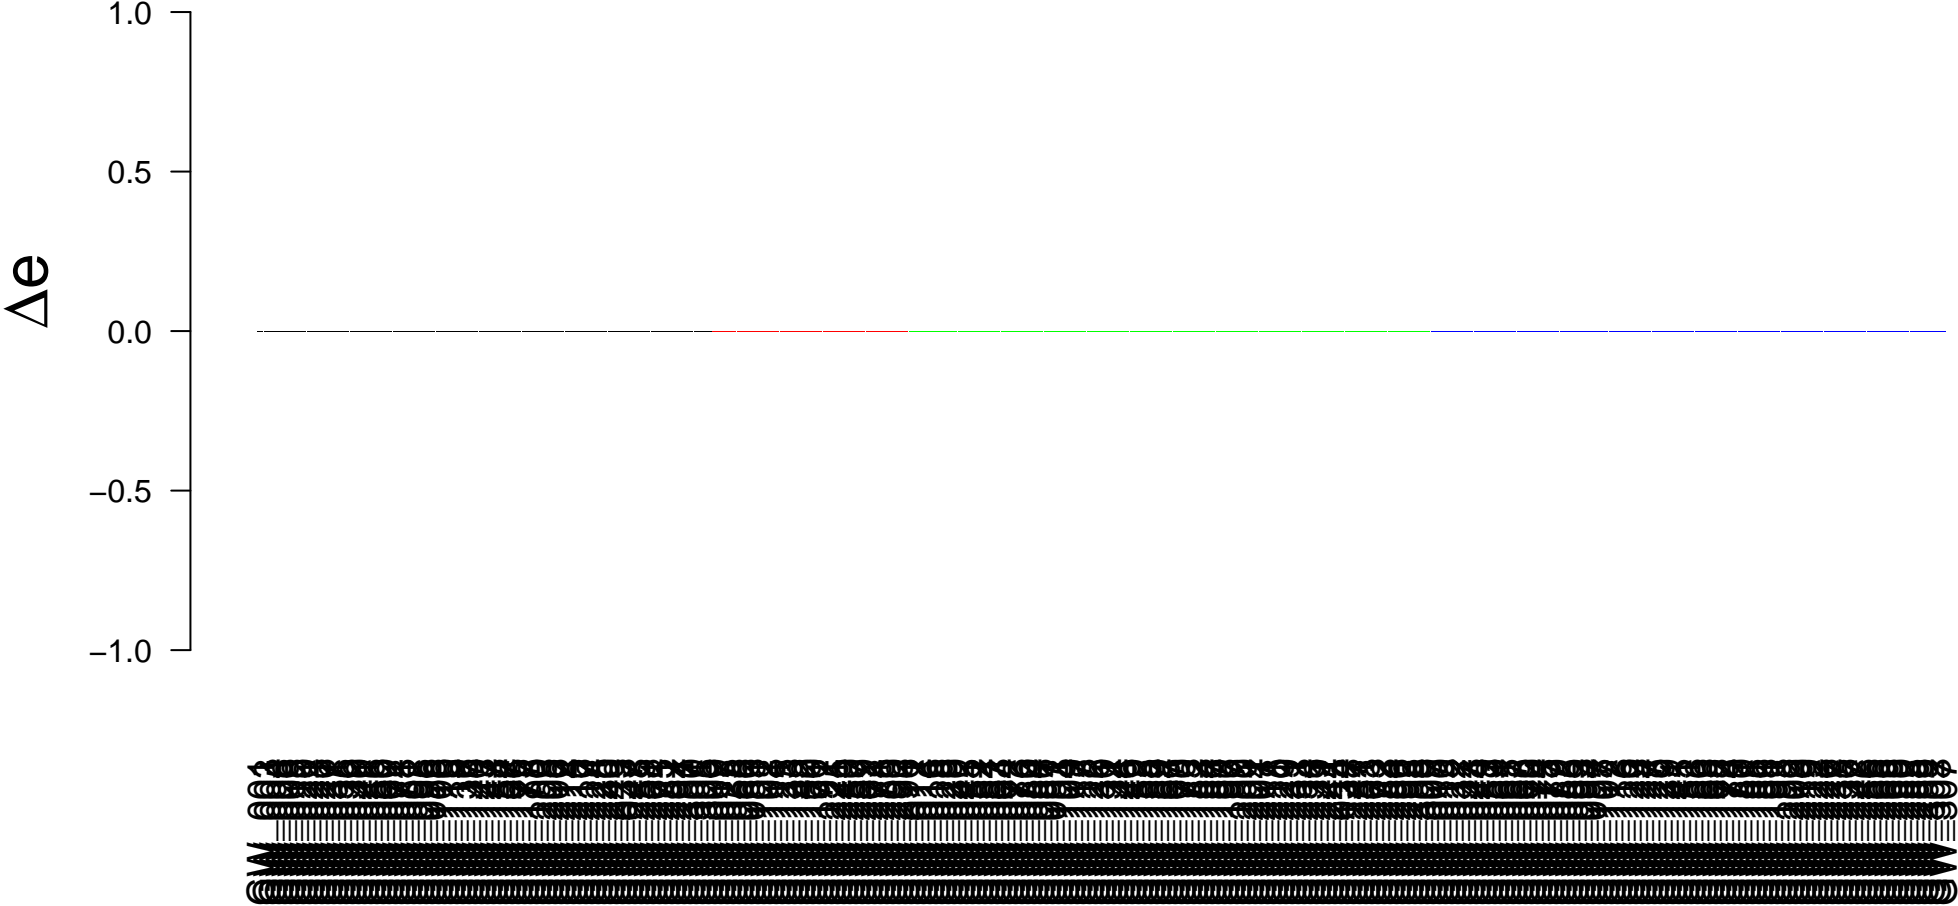

Expression of mitochondrial respiratory chain complex I assembly in Spot G

Expression of mitochondrial respiratory chain complex I assembly in Spot H

Expression of mitochondrial respiratory chain complex I assembly in Spot I

Expression of mitochondrial respiratory chain complex I assembly in Spot J
