

mitogen-activated protein kinase kinase binding

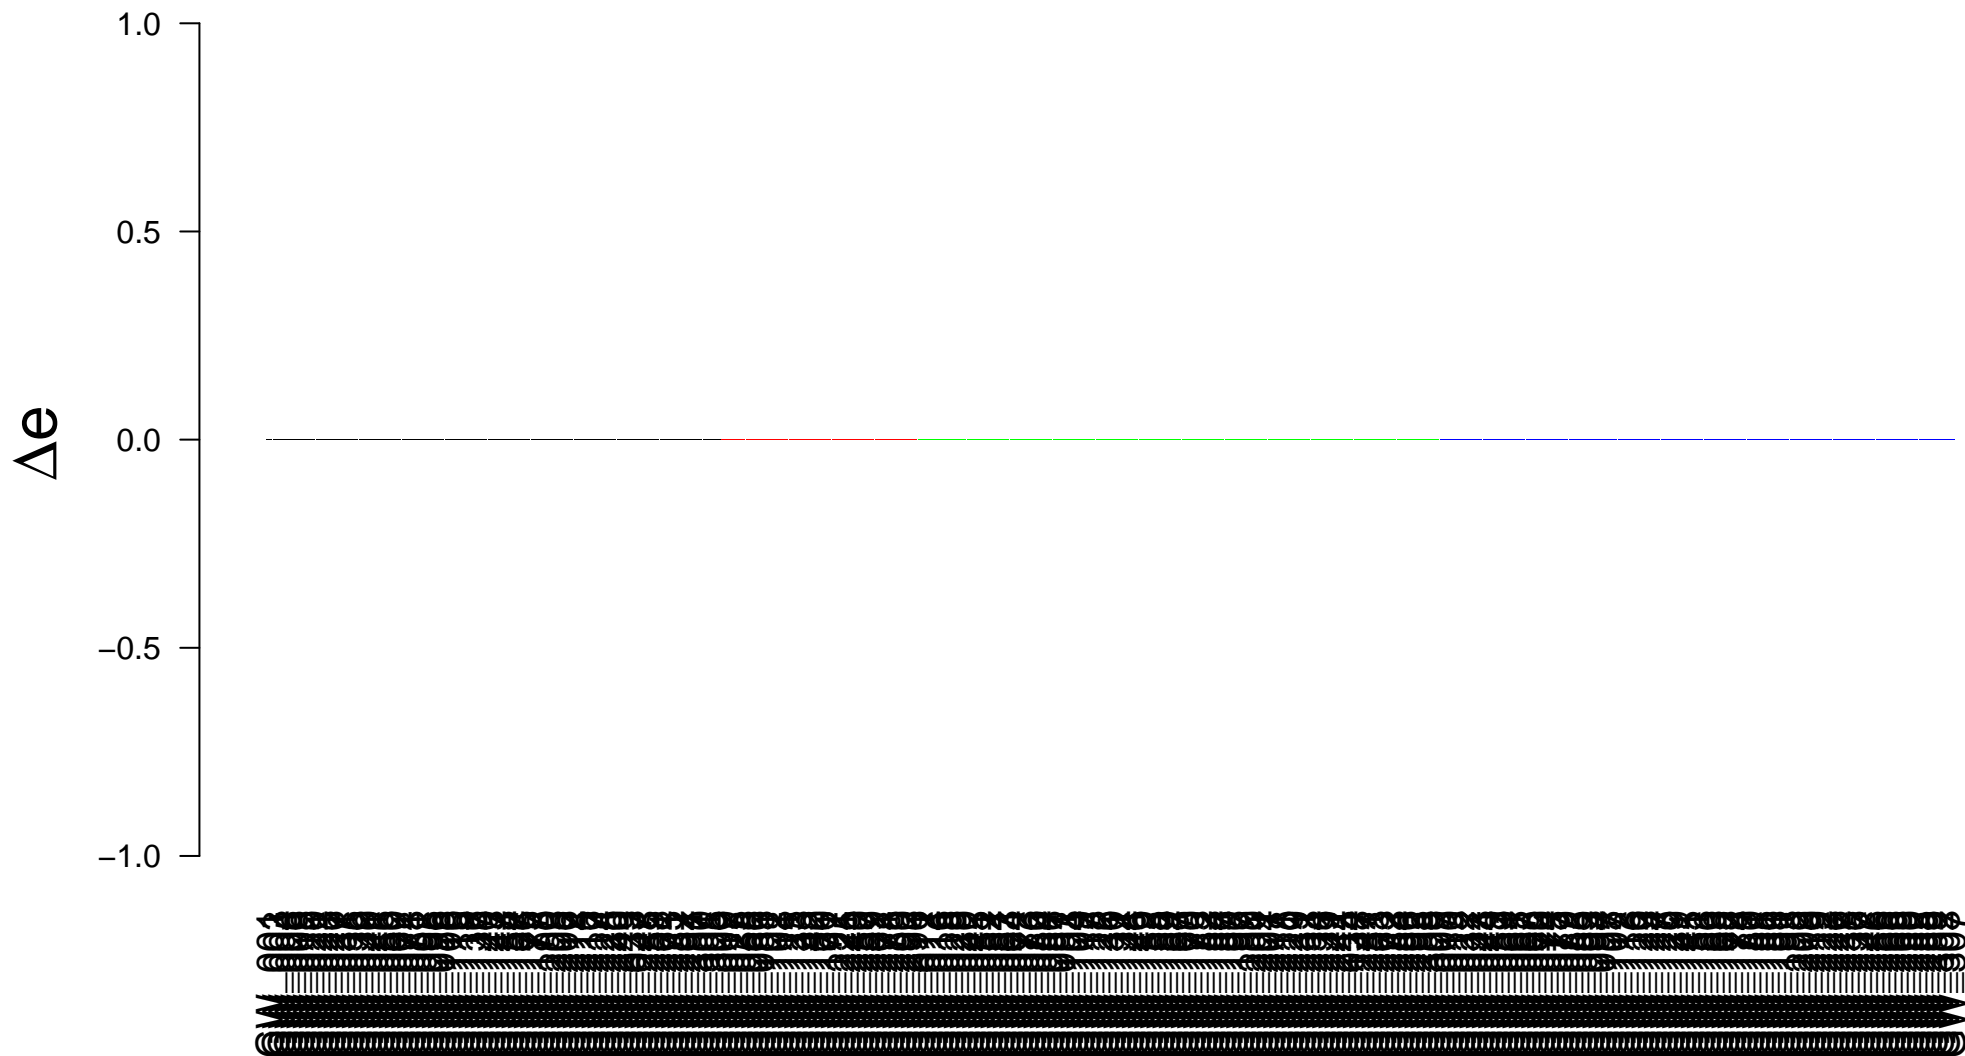

mitogen-activated protein kinase kinase binding

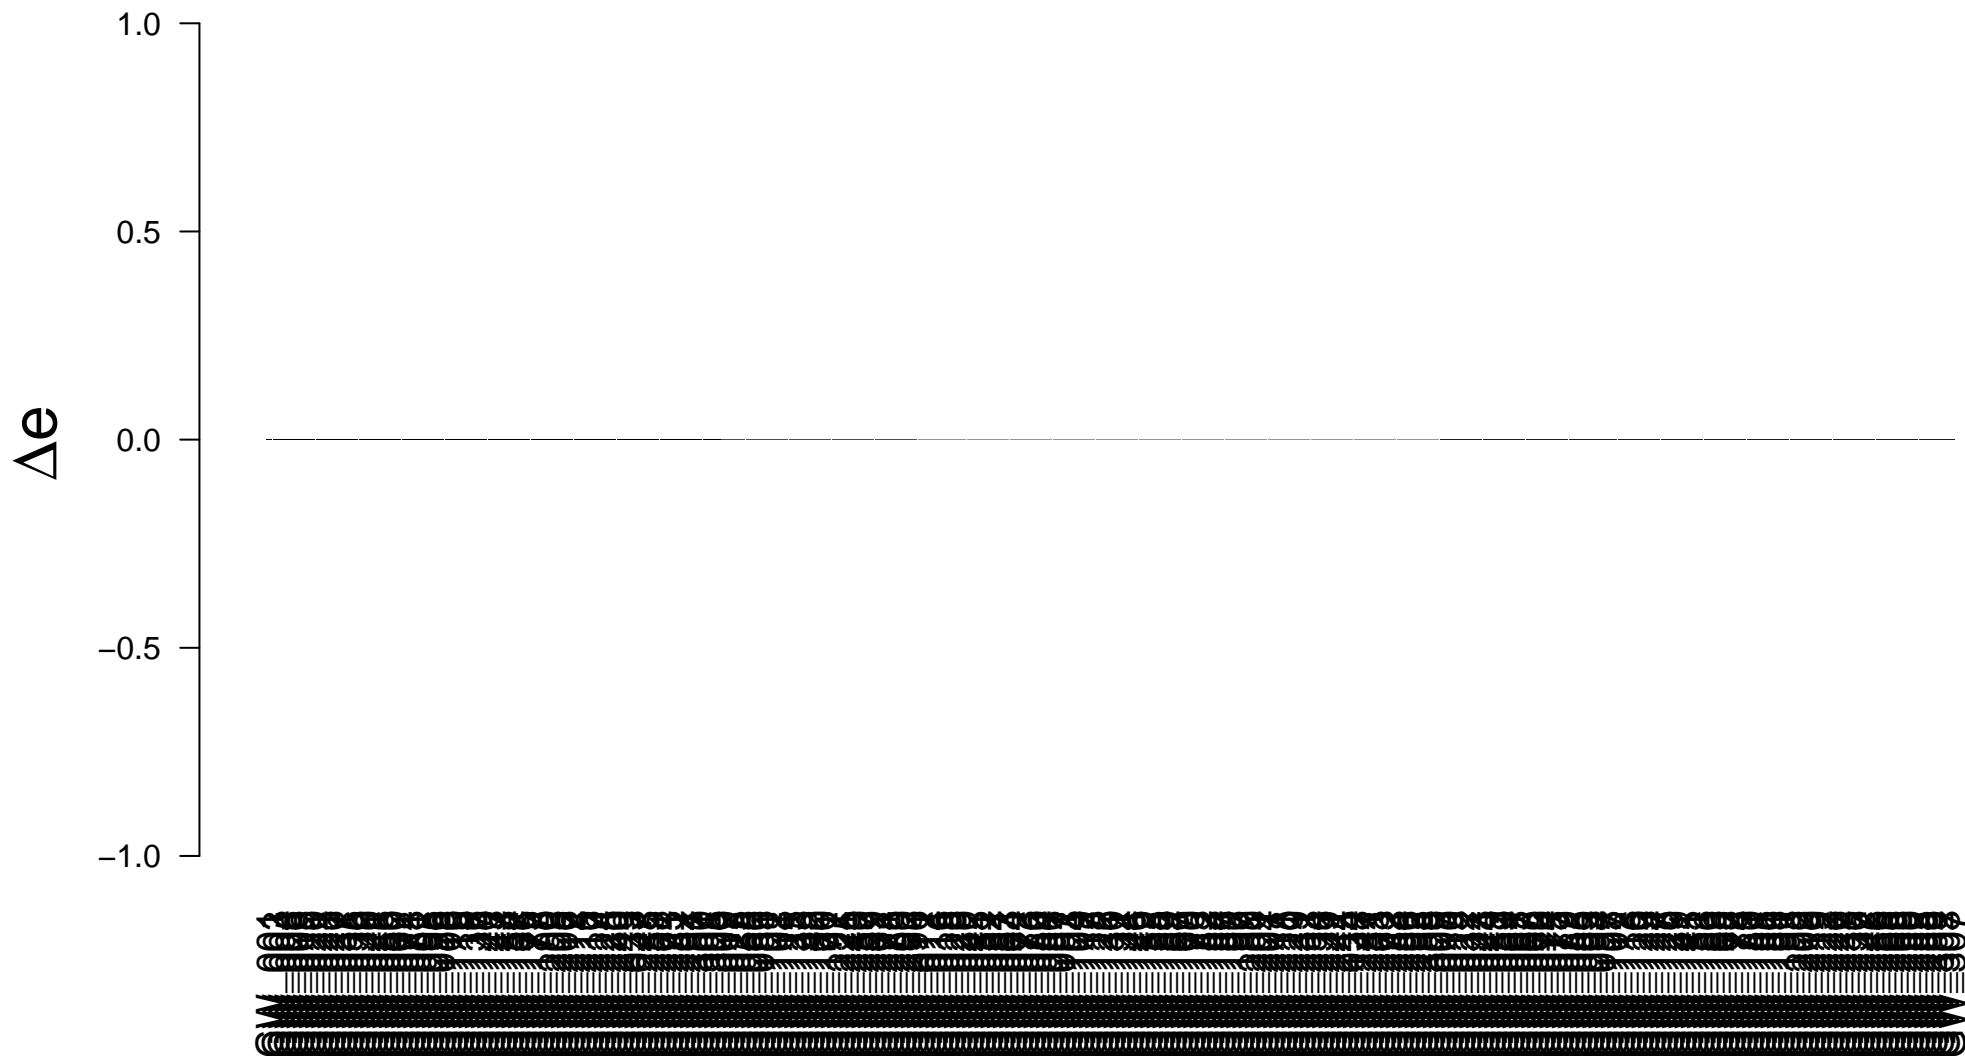

# Enrichment in spots: mitogen-activated protein kinase kinase binding

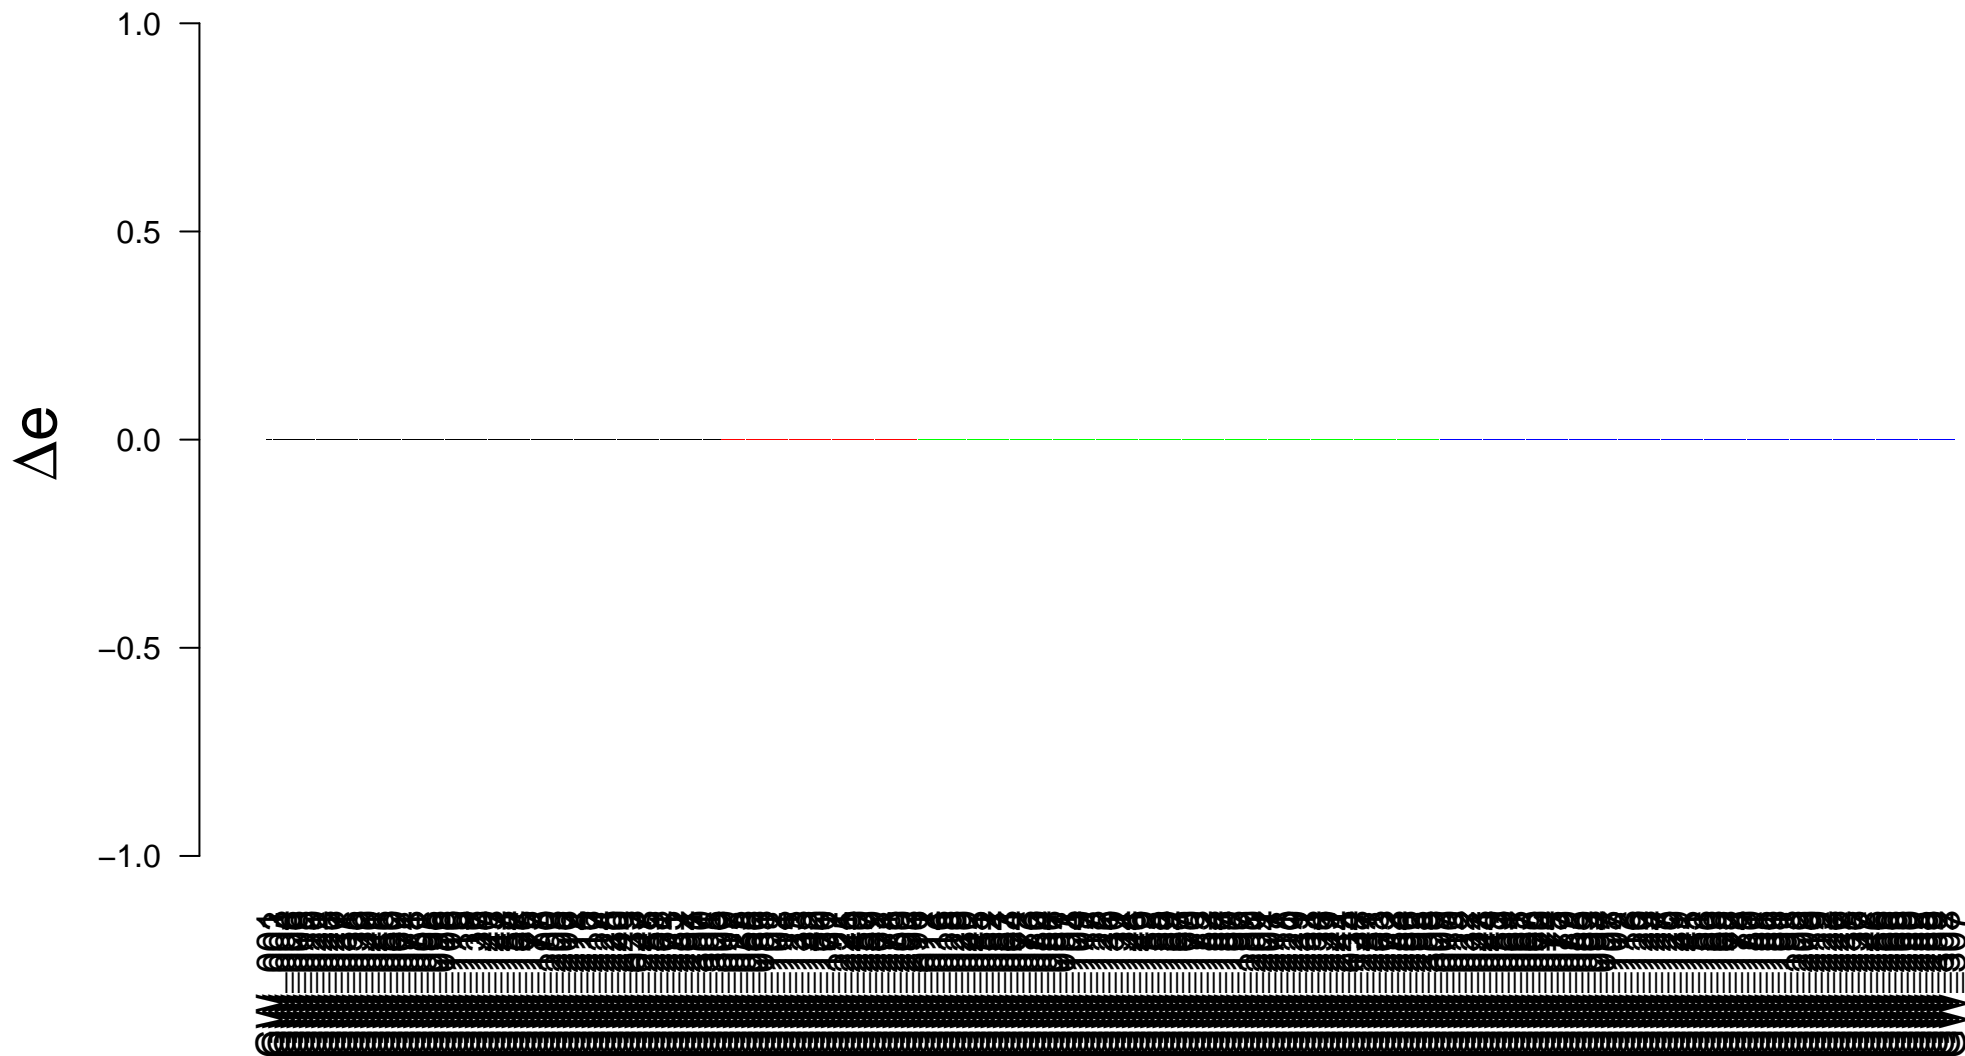

# Expression of mitogen-activated protein kinase kinase binding in Spot A

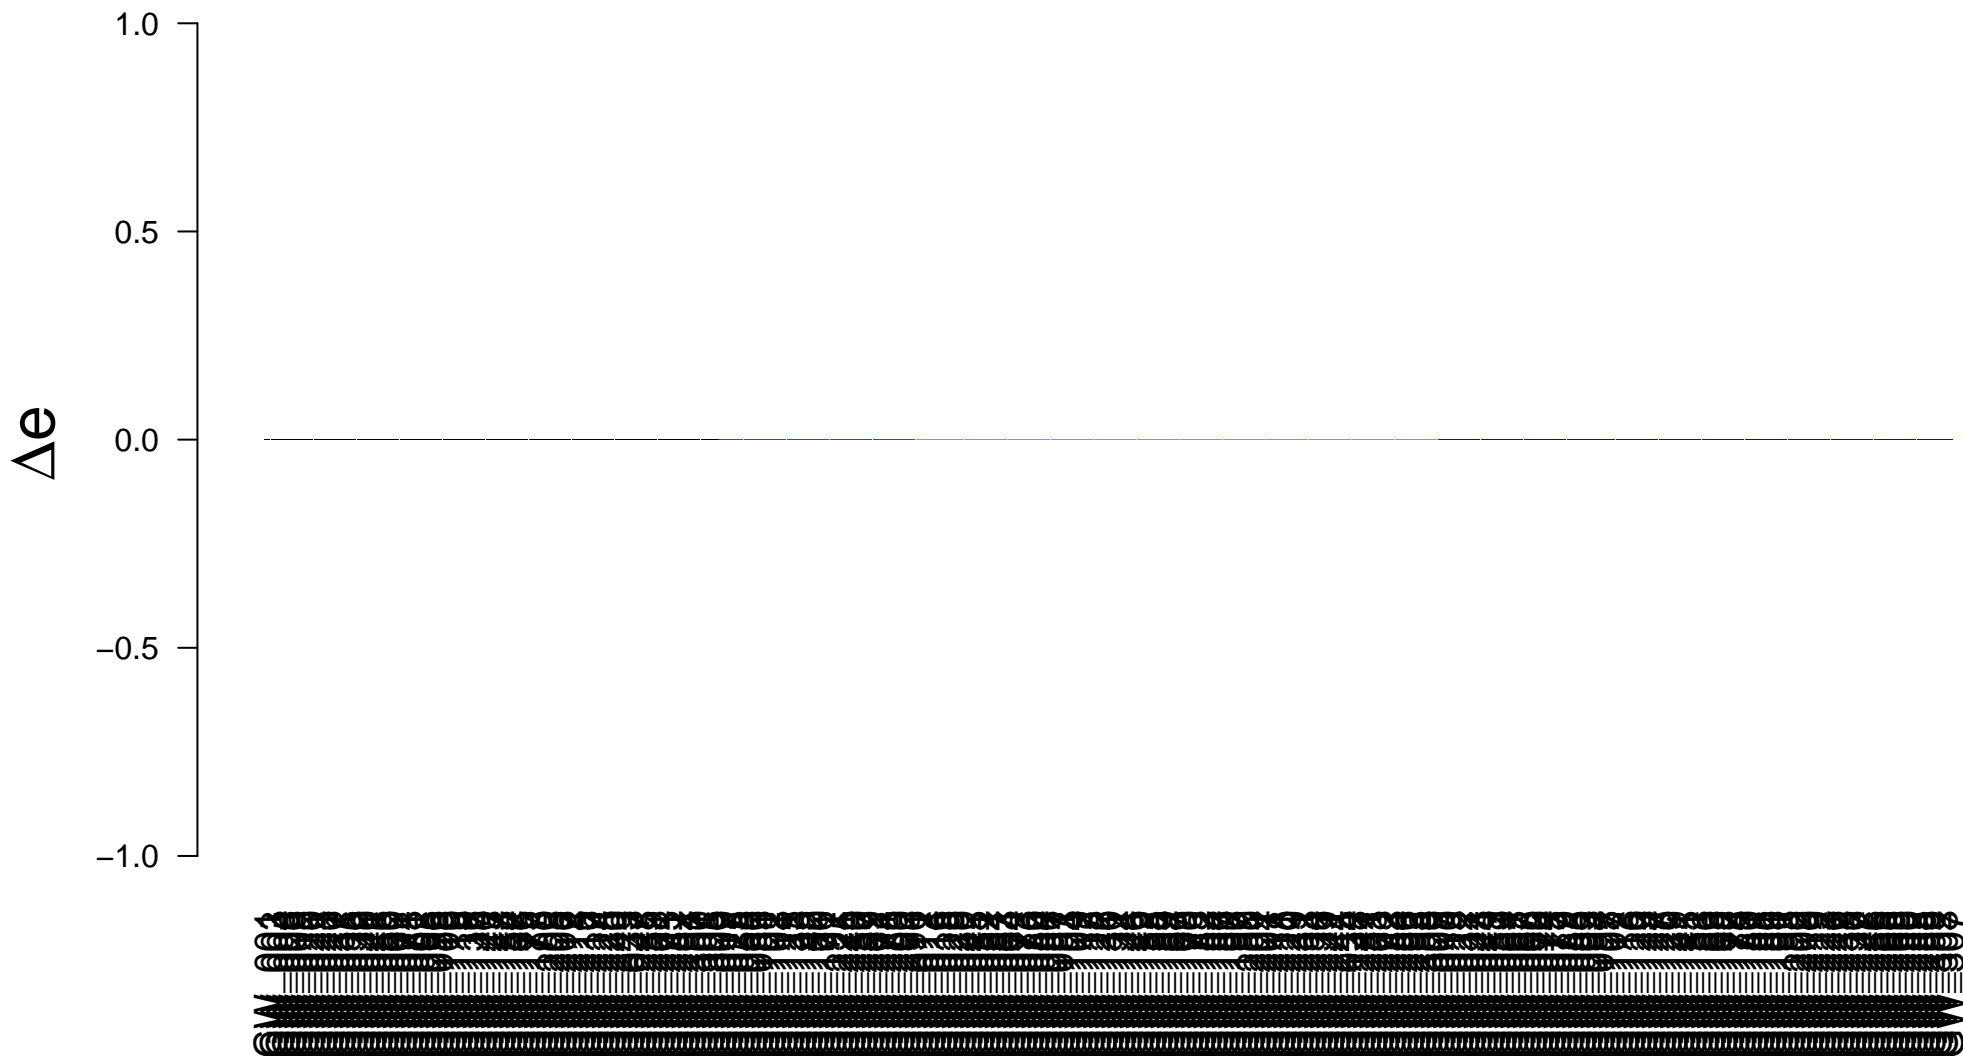

# Expression of mitogen-activated protein kinase kinase binding in Spot B

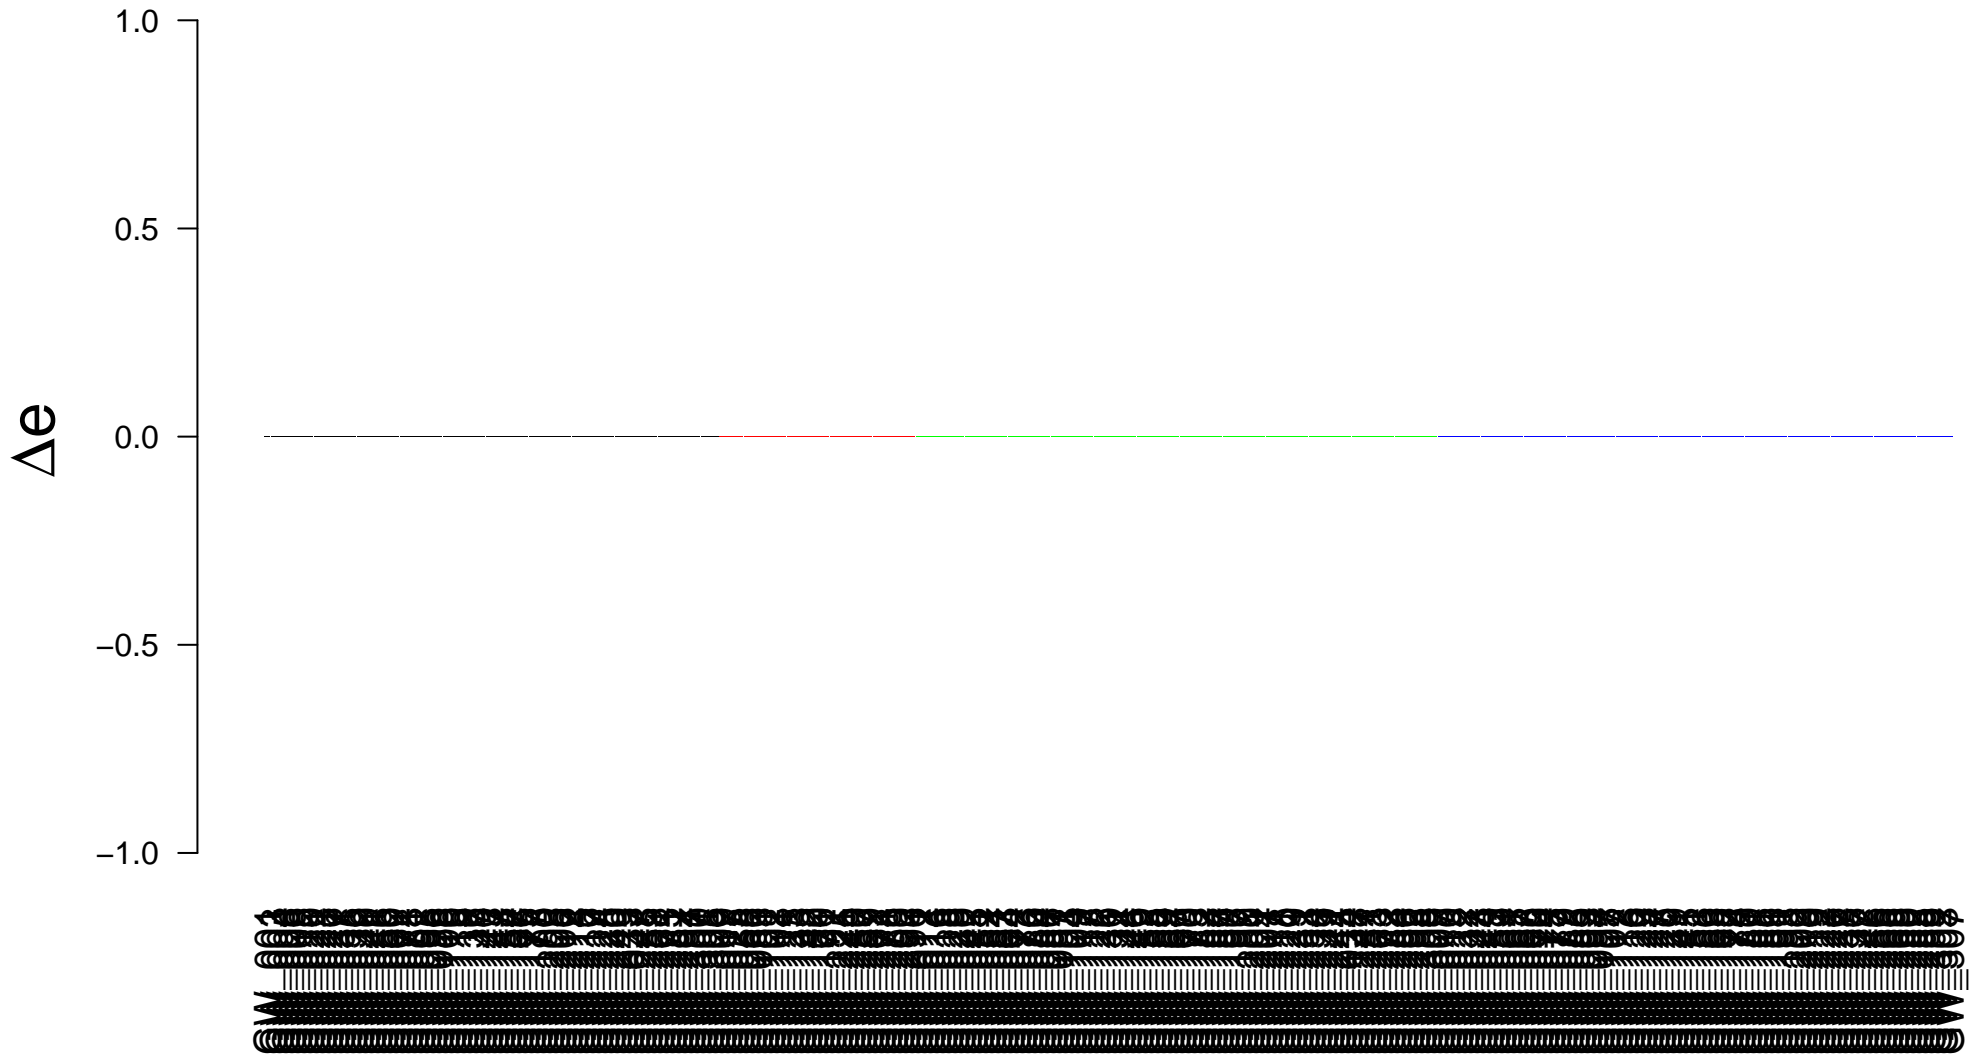

# Expression of mitogen-activated protein kinase kinase binding in Spot C

# Expression of mitogen-activated protein kinase kinase binding in Spot D

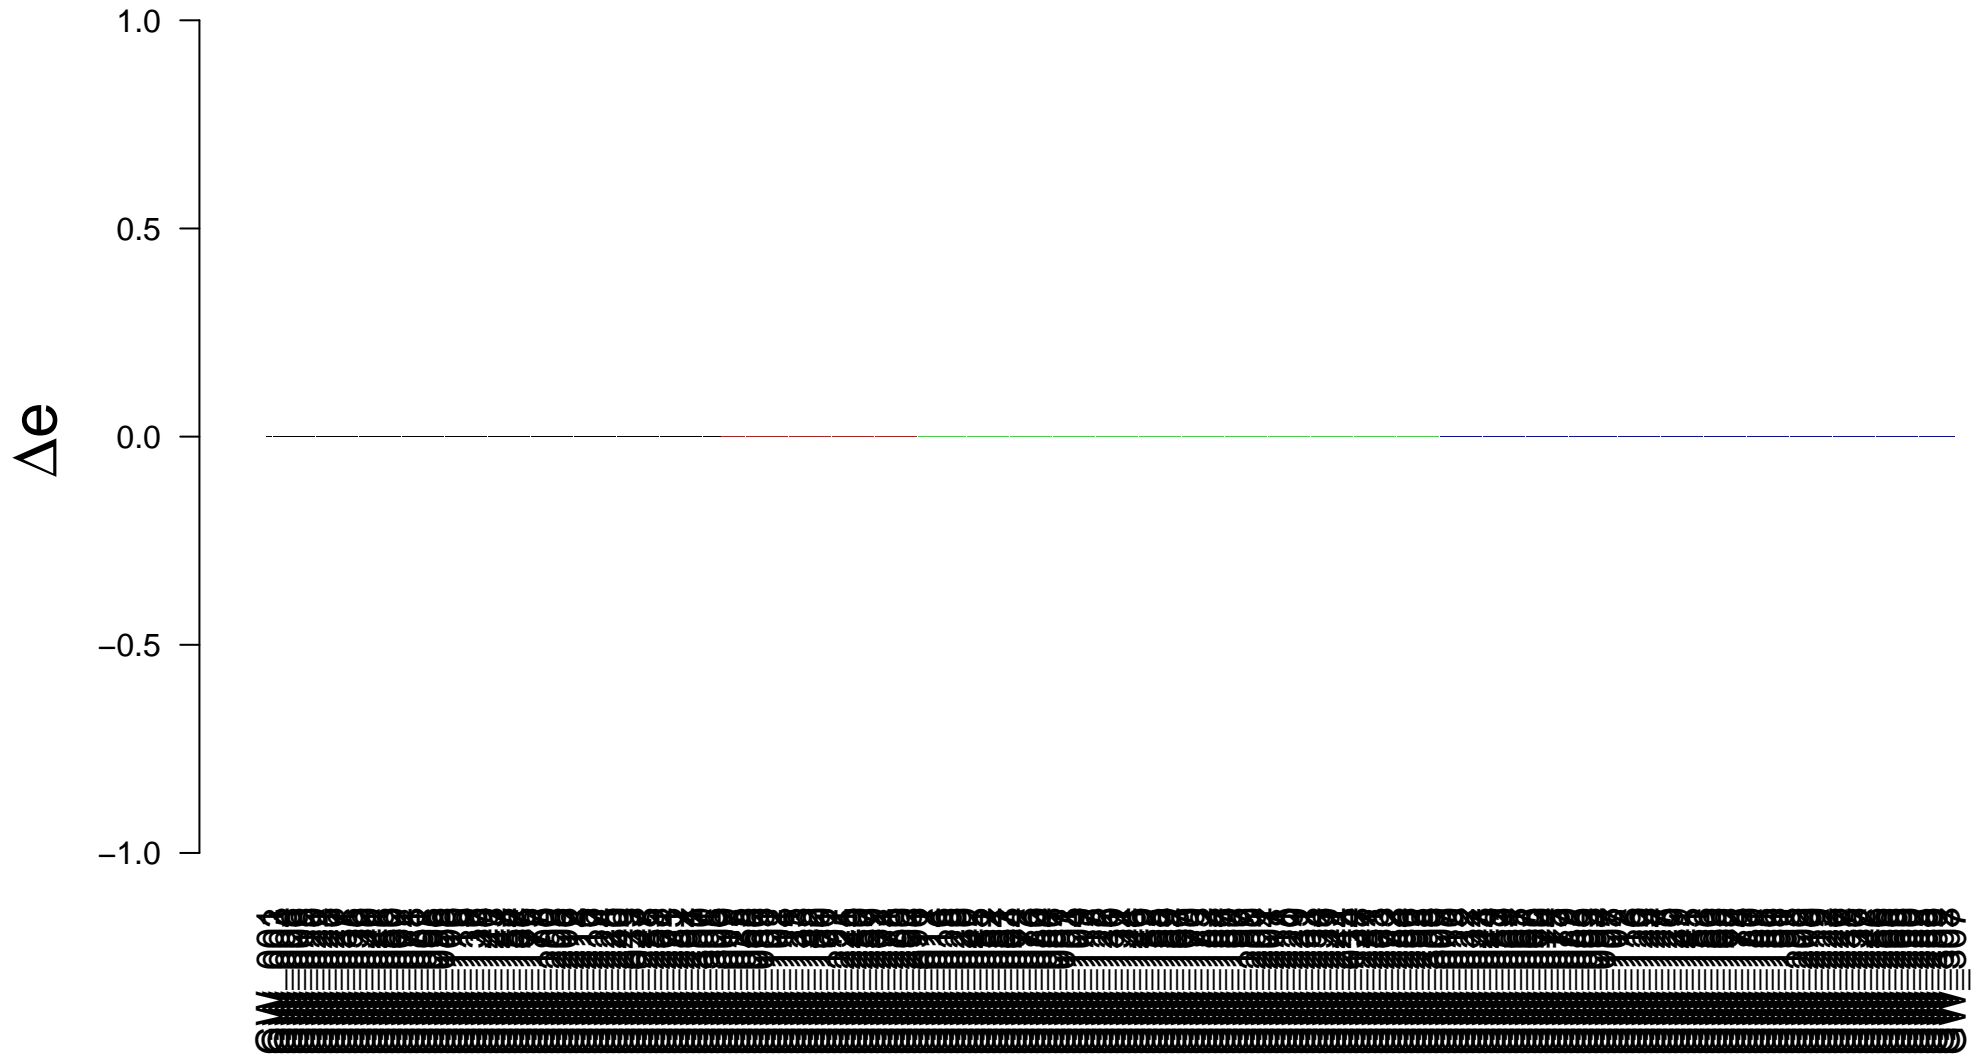

# Expression of mitogen-activated protein kinase kinase binding in Spot E

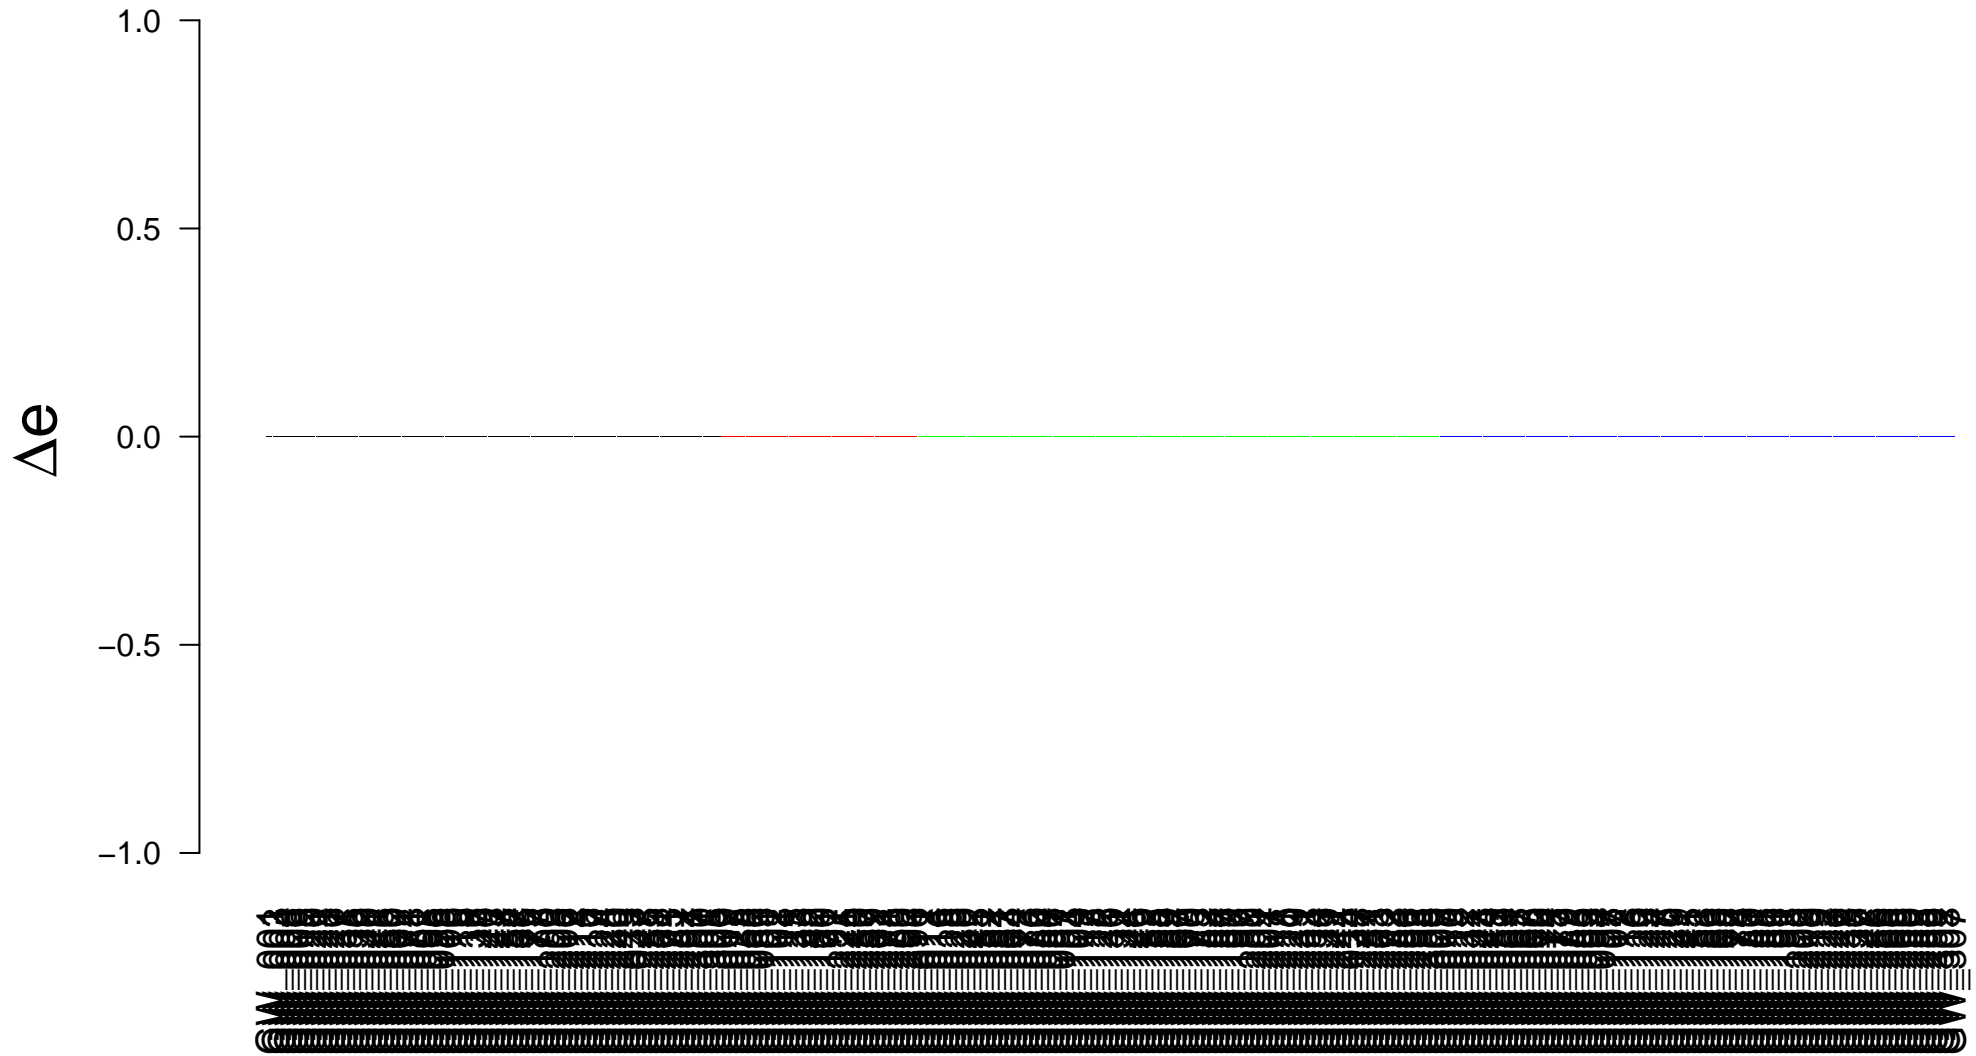

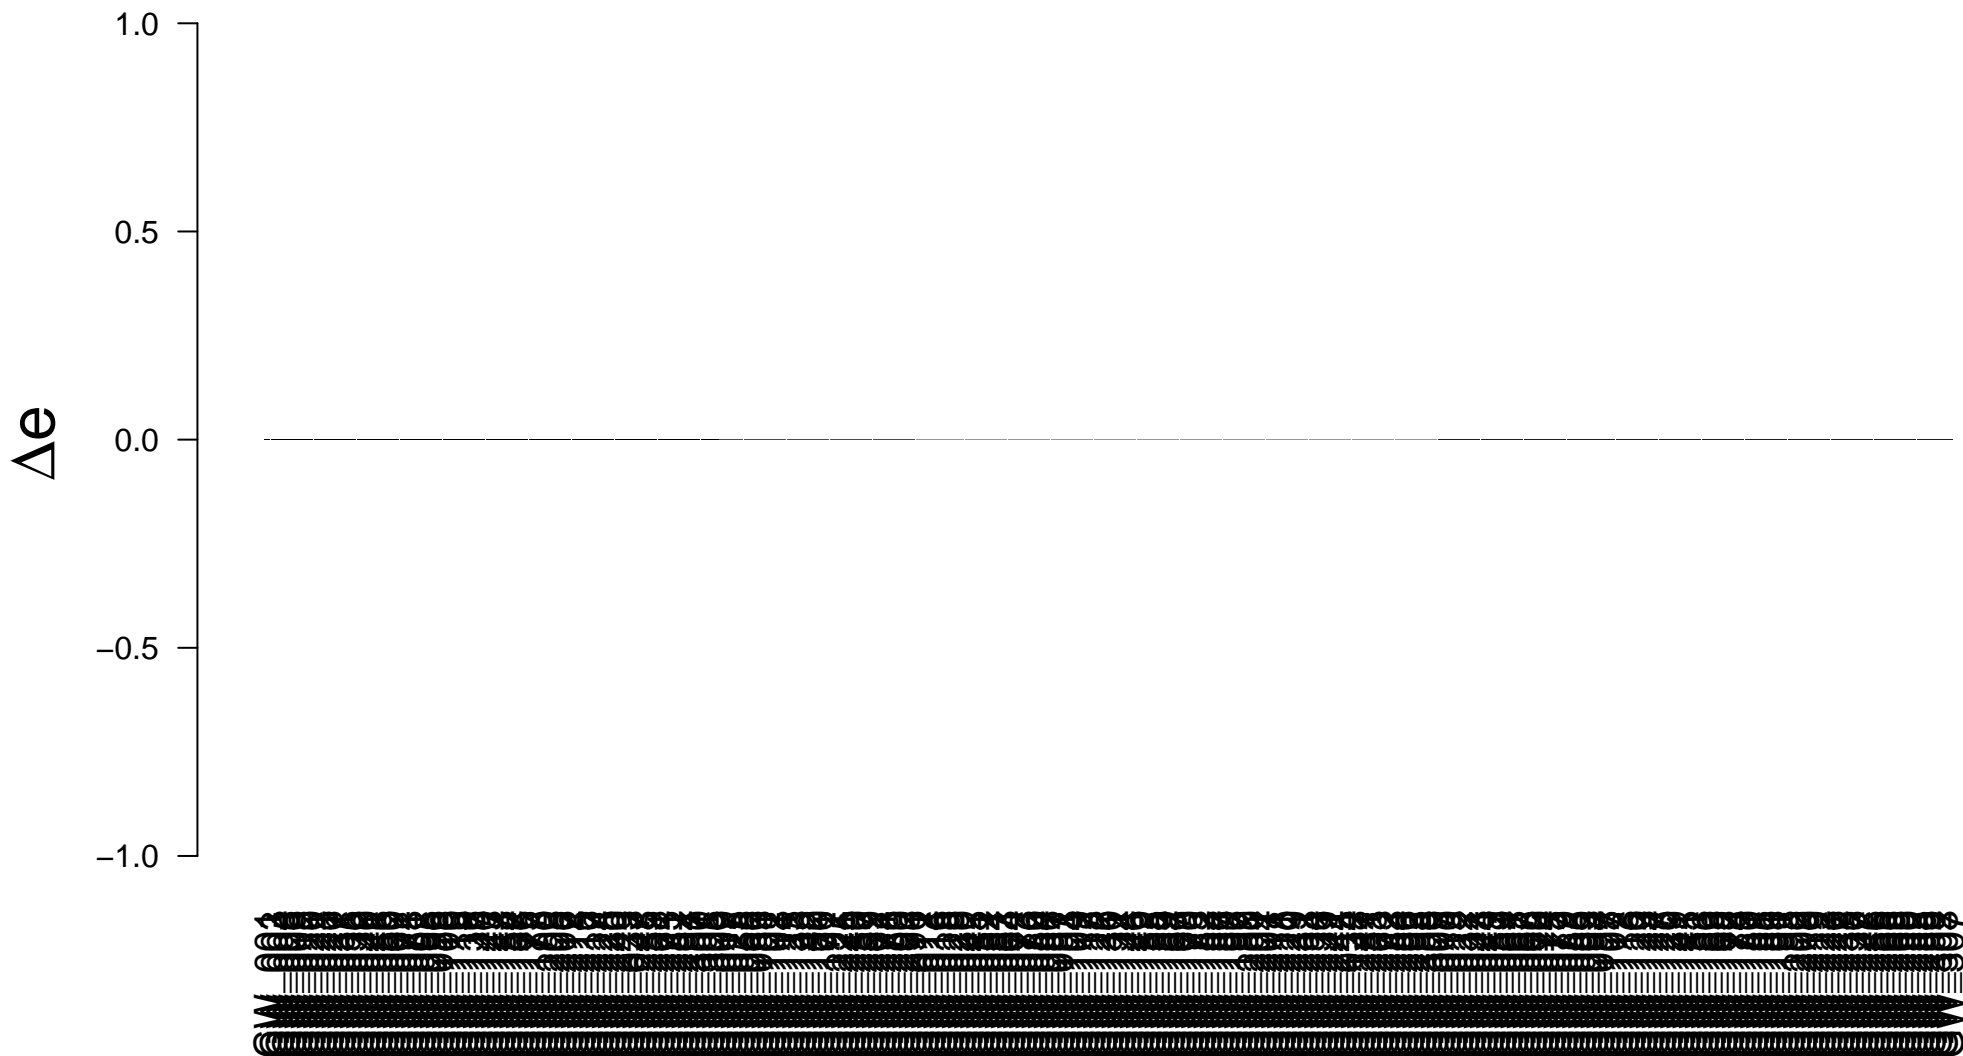

# Expression of mitogen-activated protein kinase kinase binding in Spot F

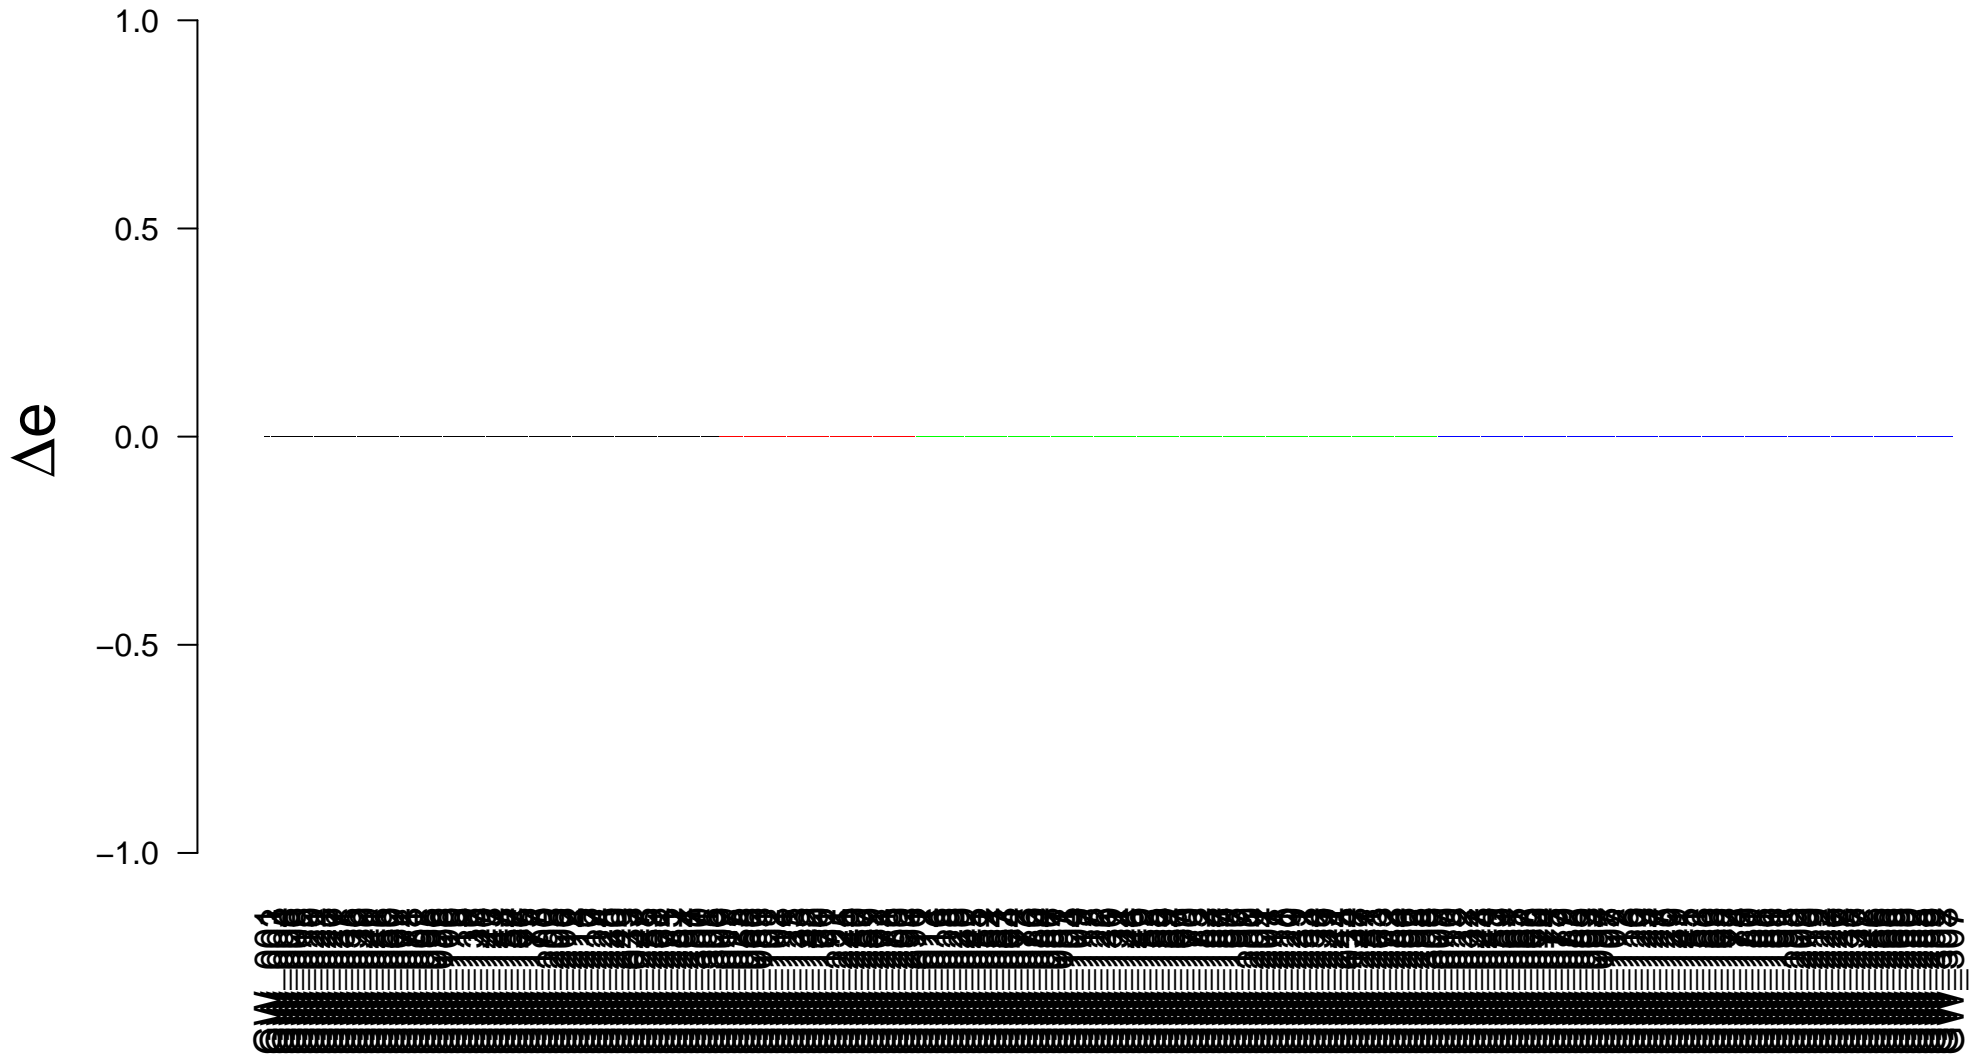

# Expression of mitogen-activated protein kinase kinase binding in Spot G

# Expression of mitogen-activated protein kinase kinase binding in Spot H

# Expression of mitogen-activated protein kinase kinase binding in Spot I

# Expression of mitogen-activated protein kinase kinase binding in Spot J
