

molecular_function

molecular_function

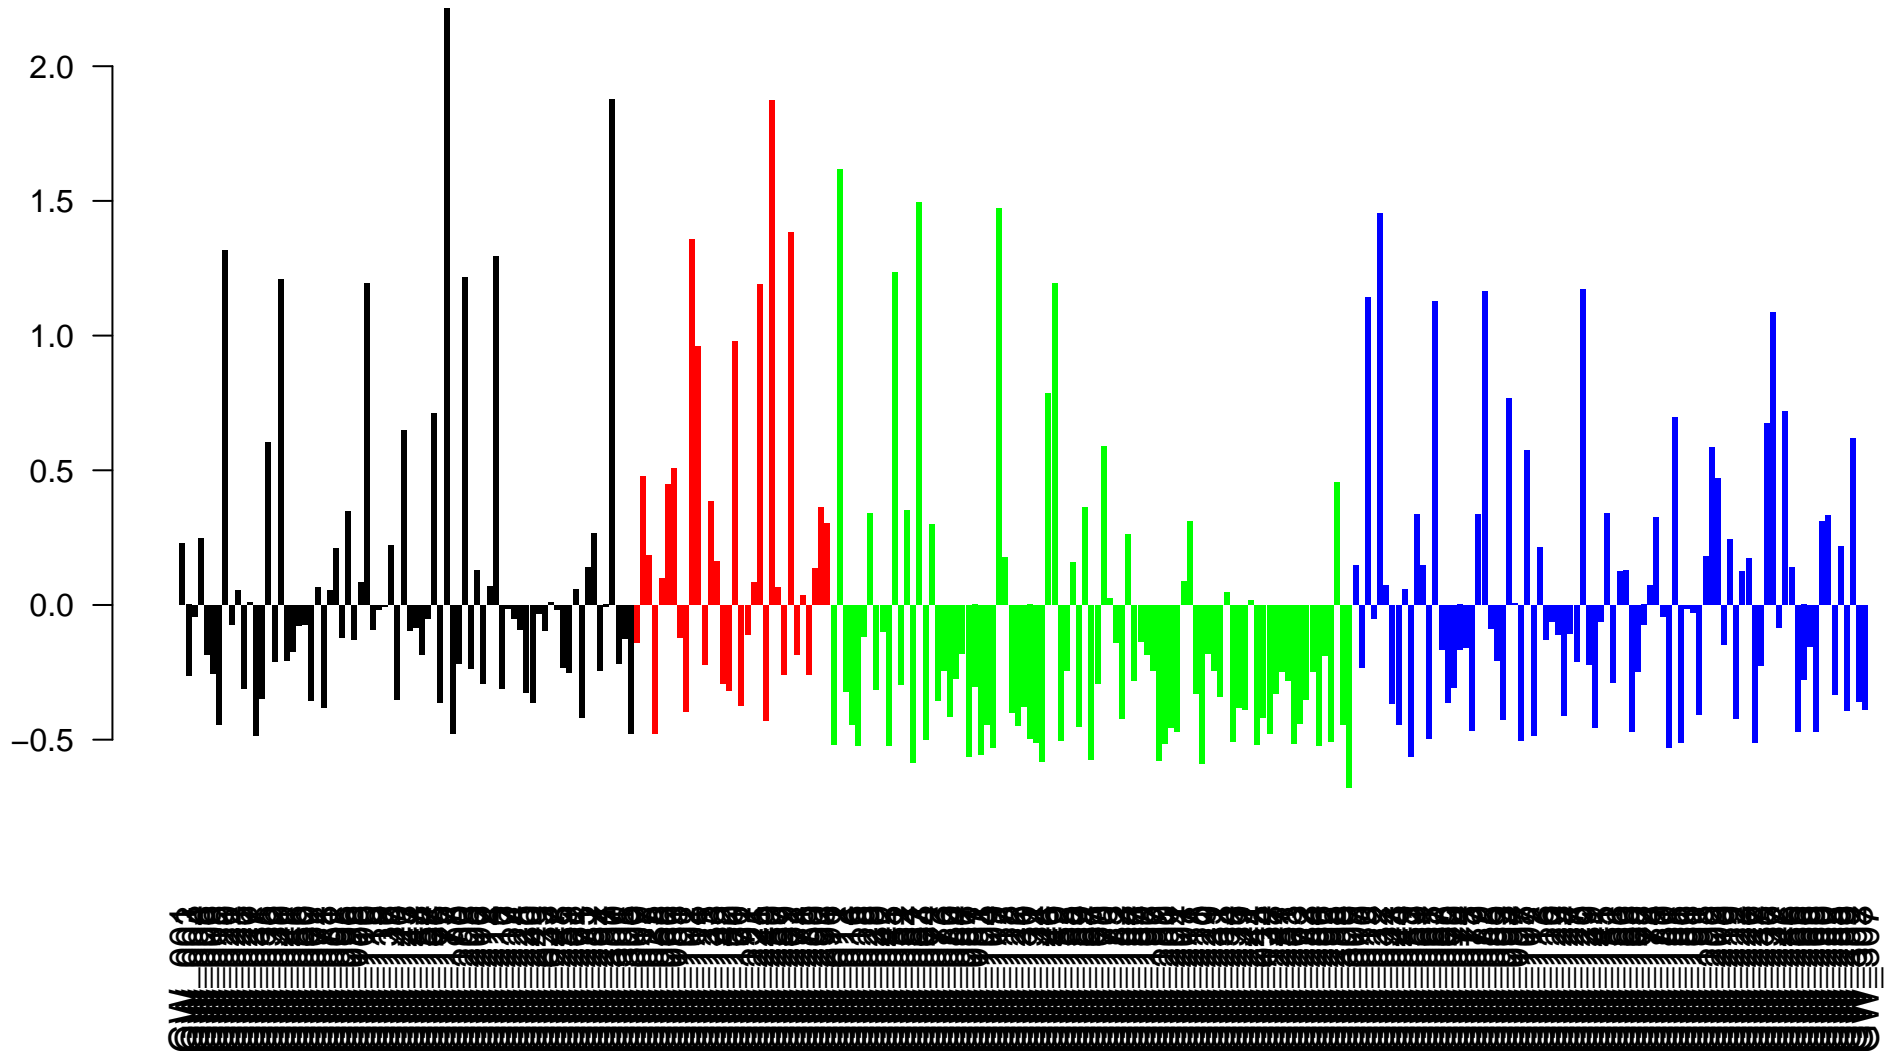

Enrichment in spots: molecular_function

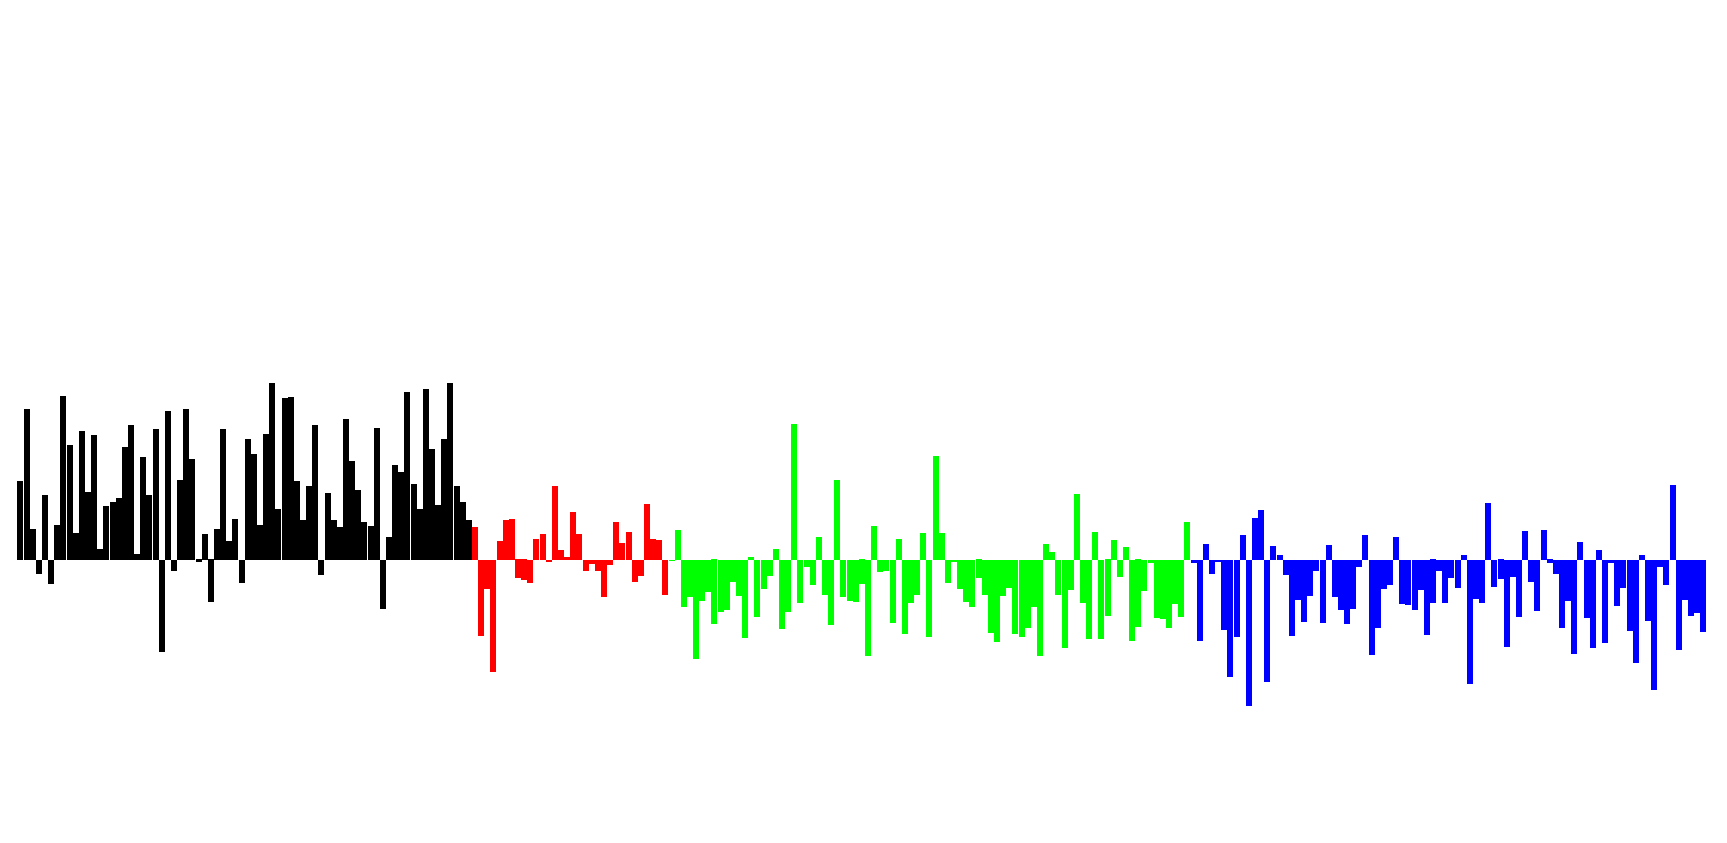

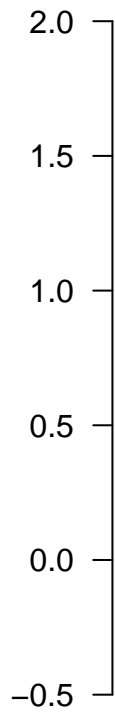

Expression of molecular_function in Spot A

Δe

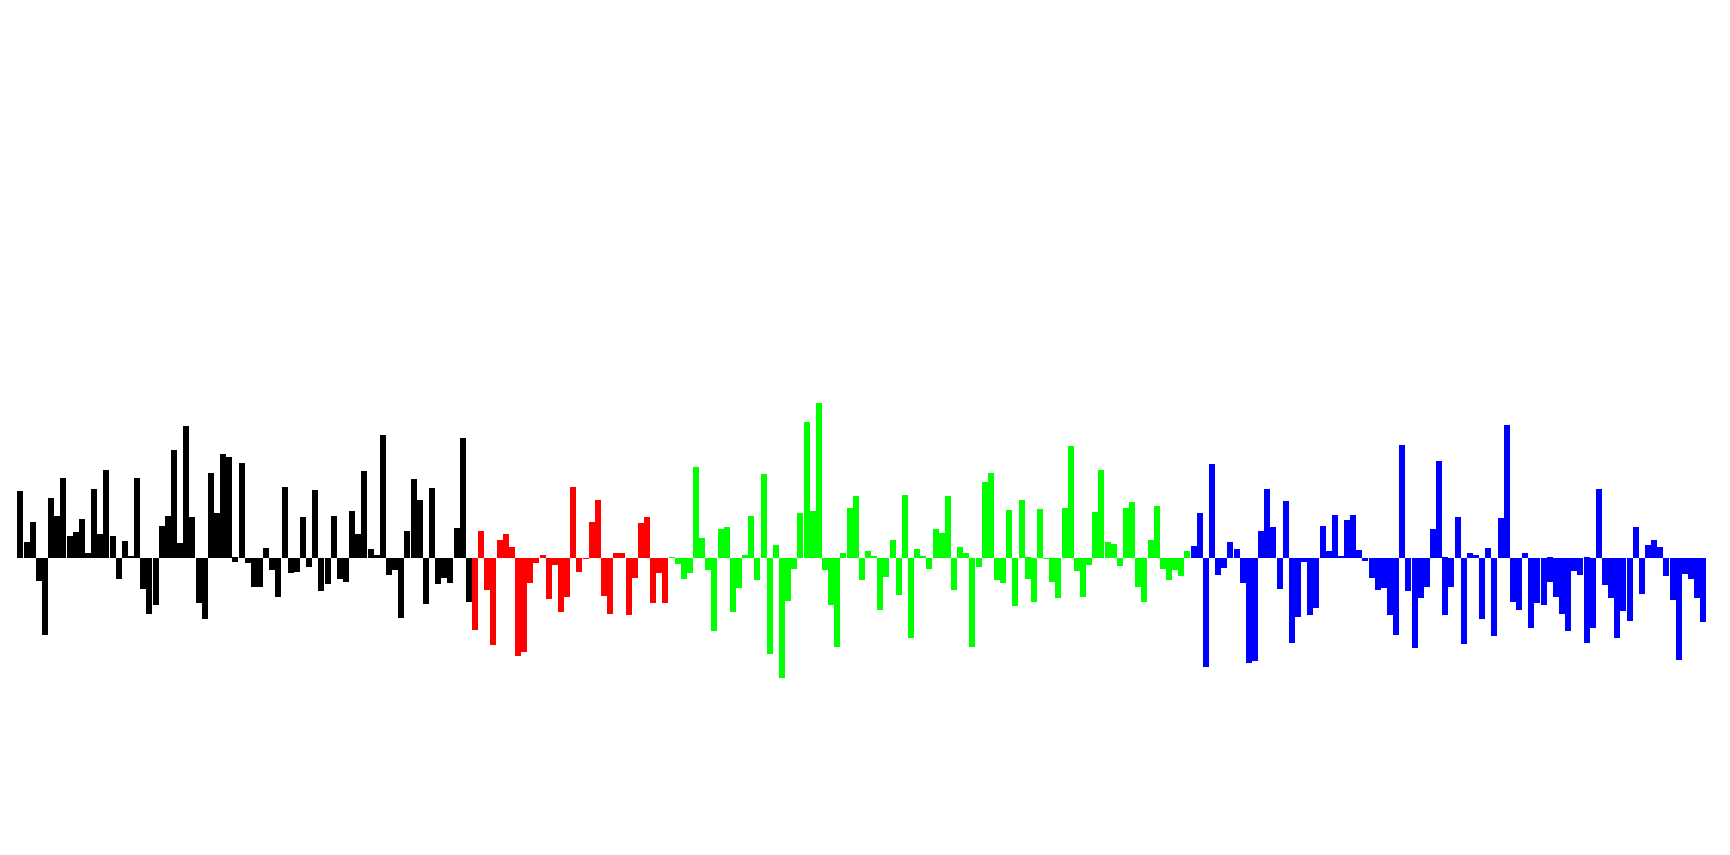

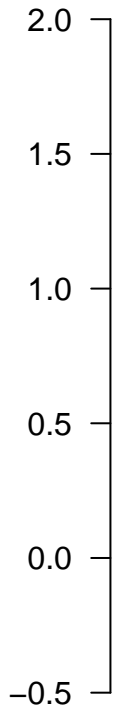

Expression of molecular_function in Spot B

Δe

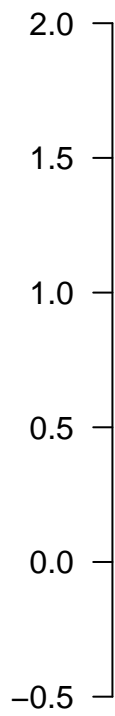

Expression of molecular_function in Spot C

Δe

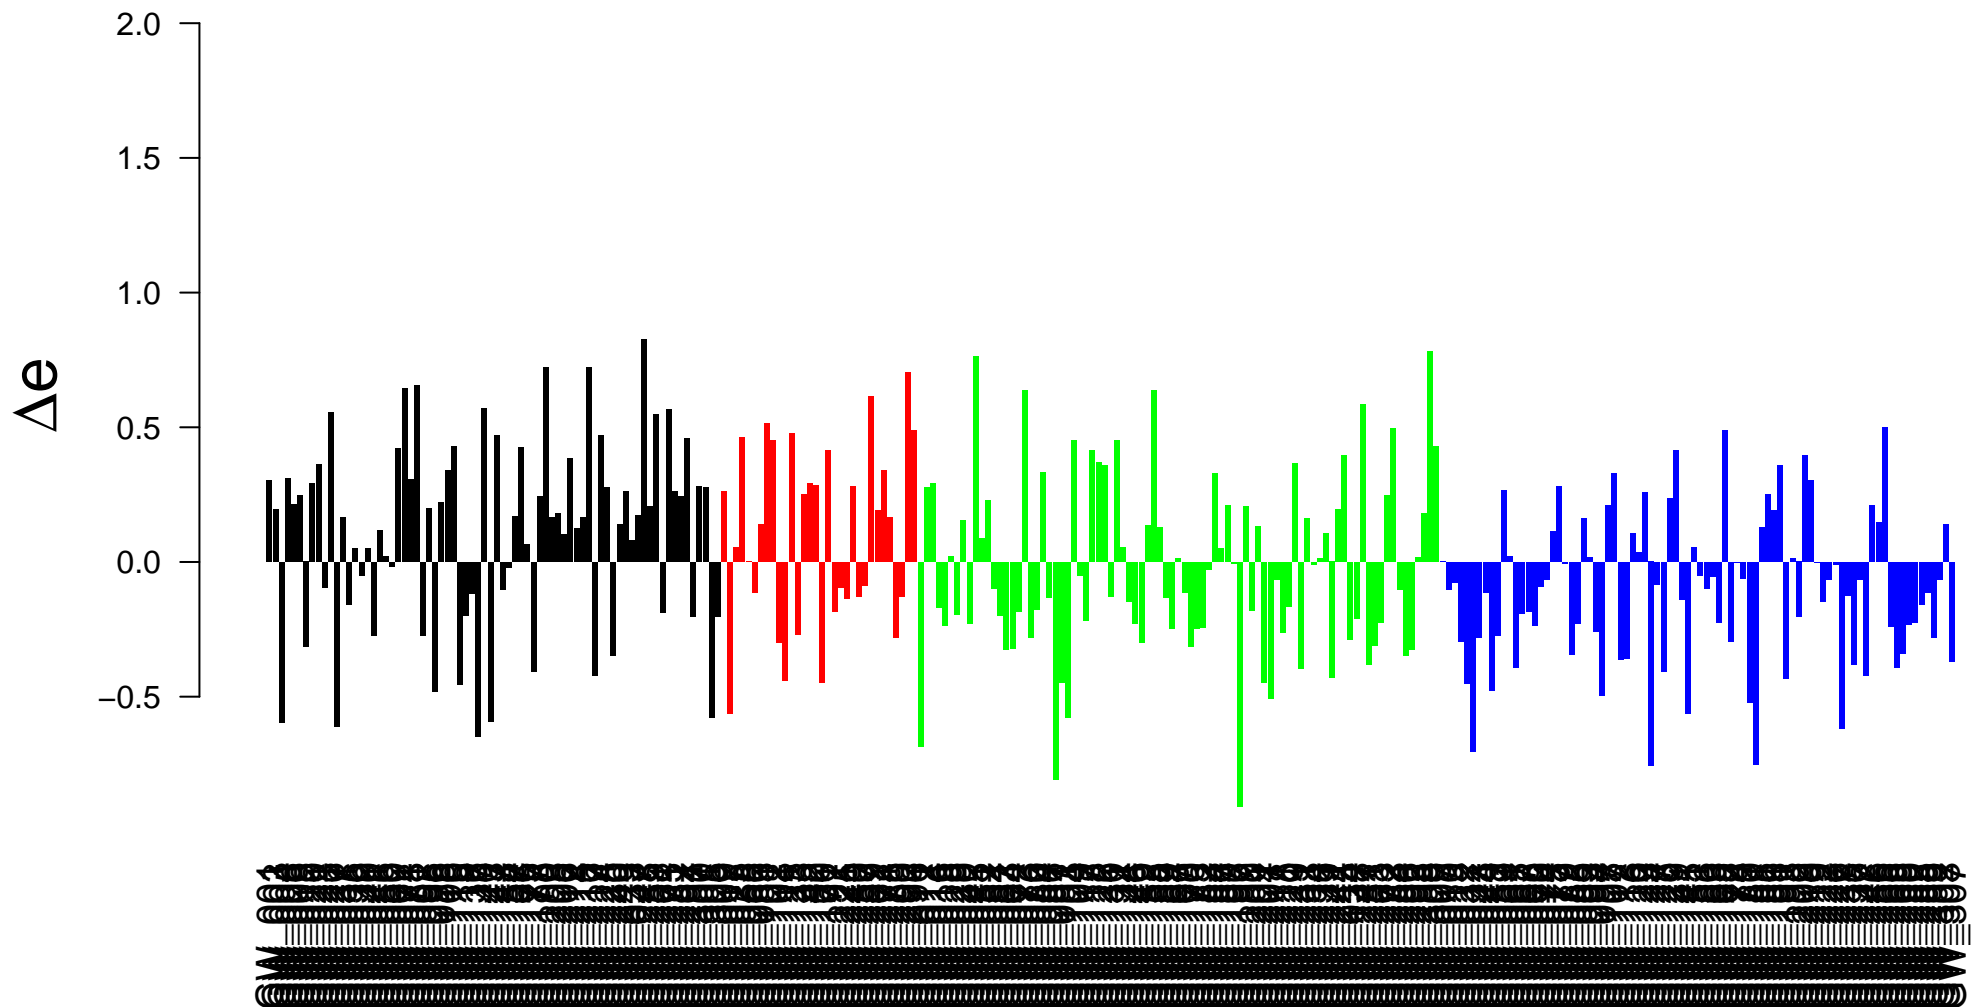

Expression of molecular_function in Spot D

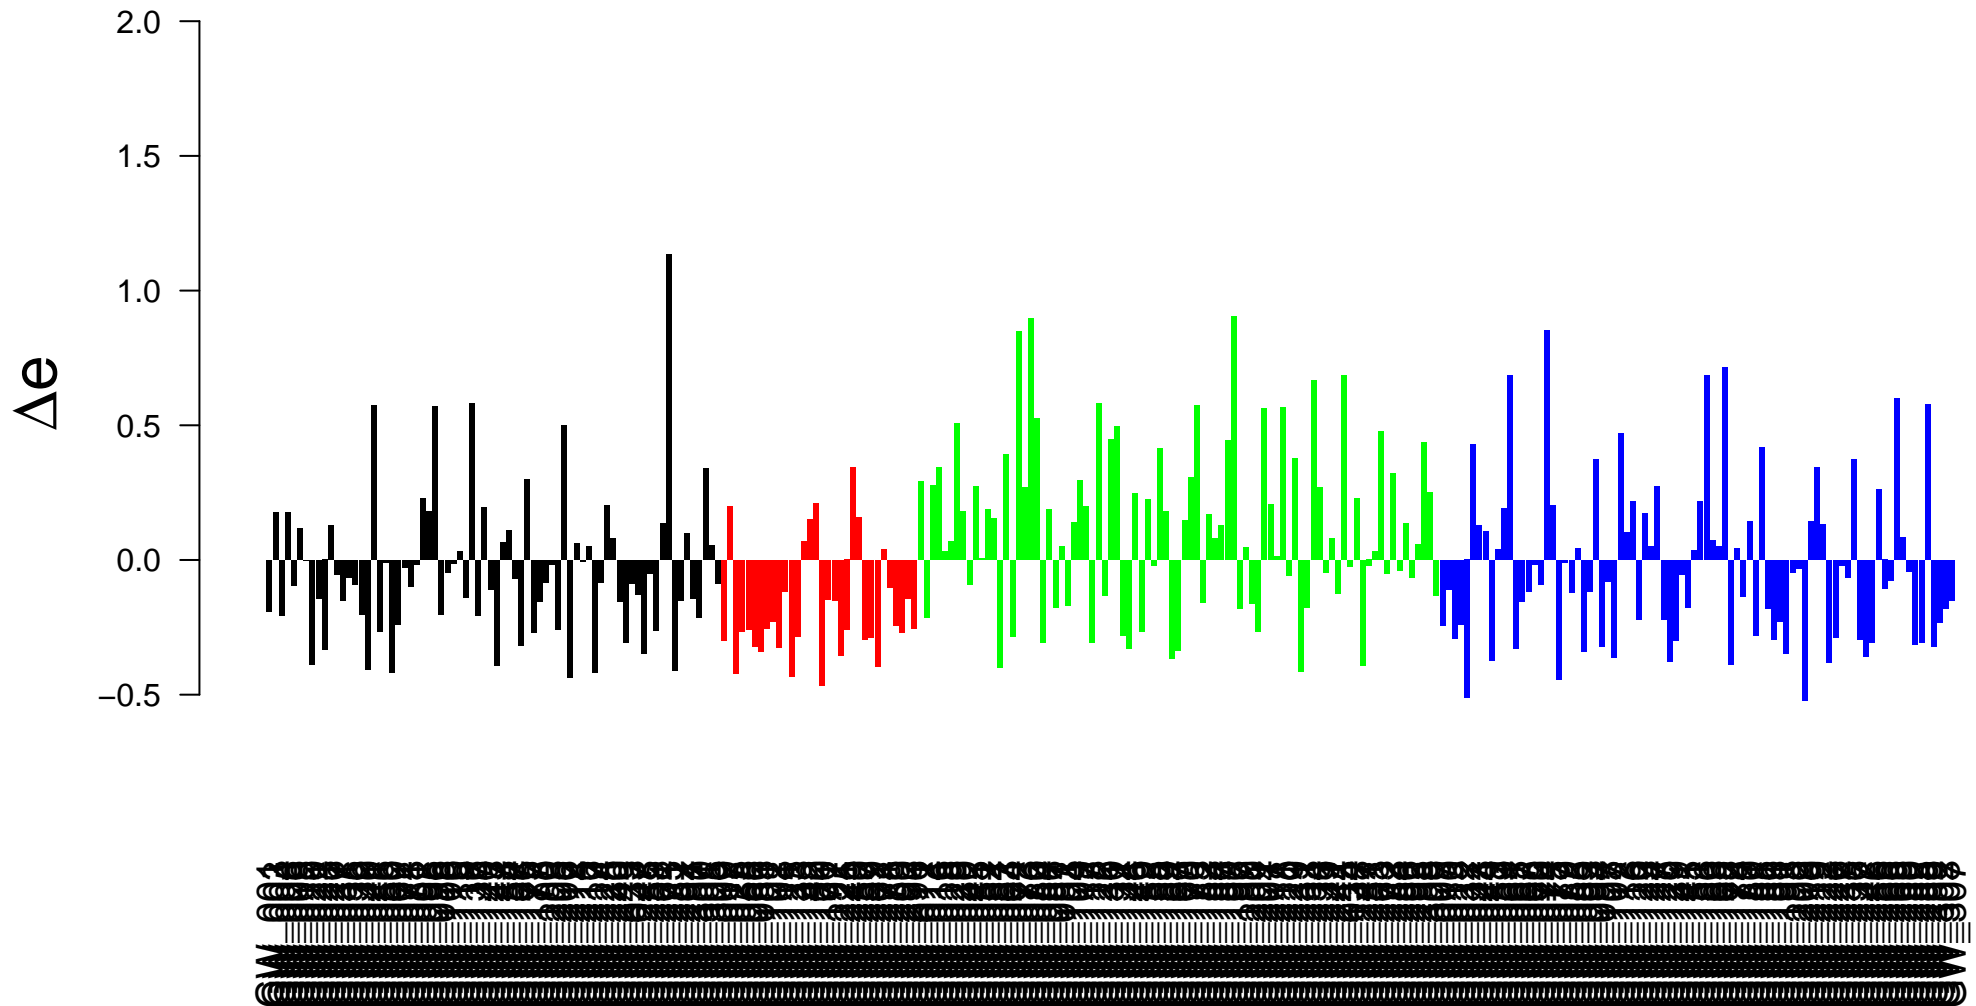

Δe

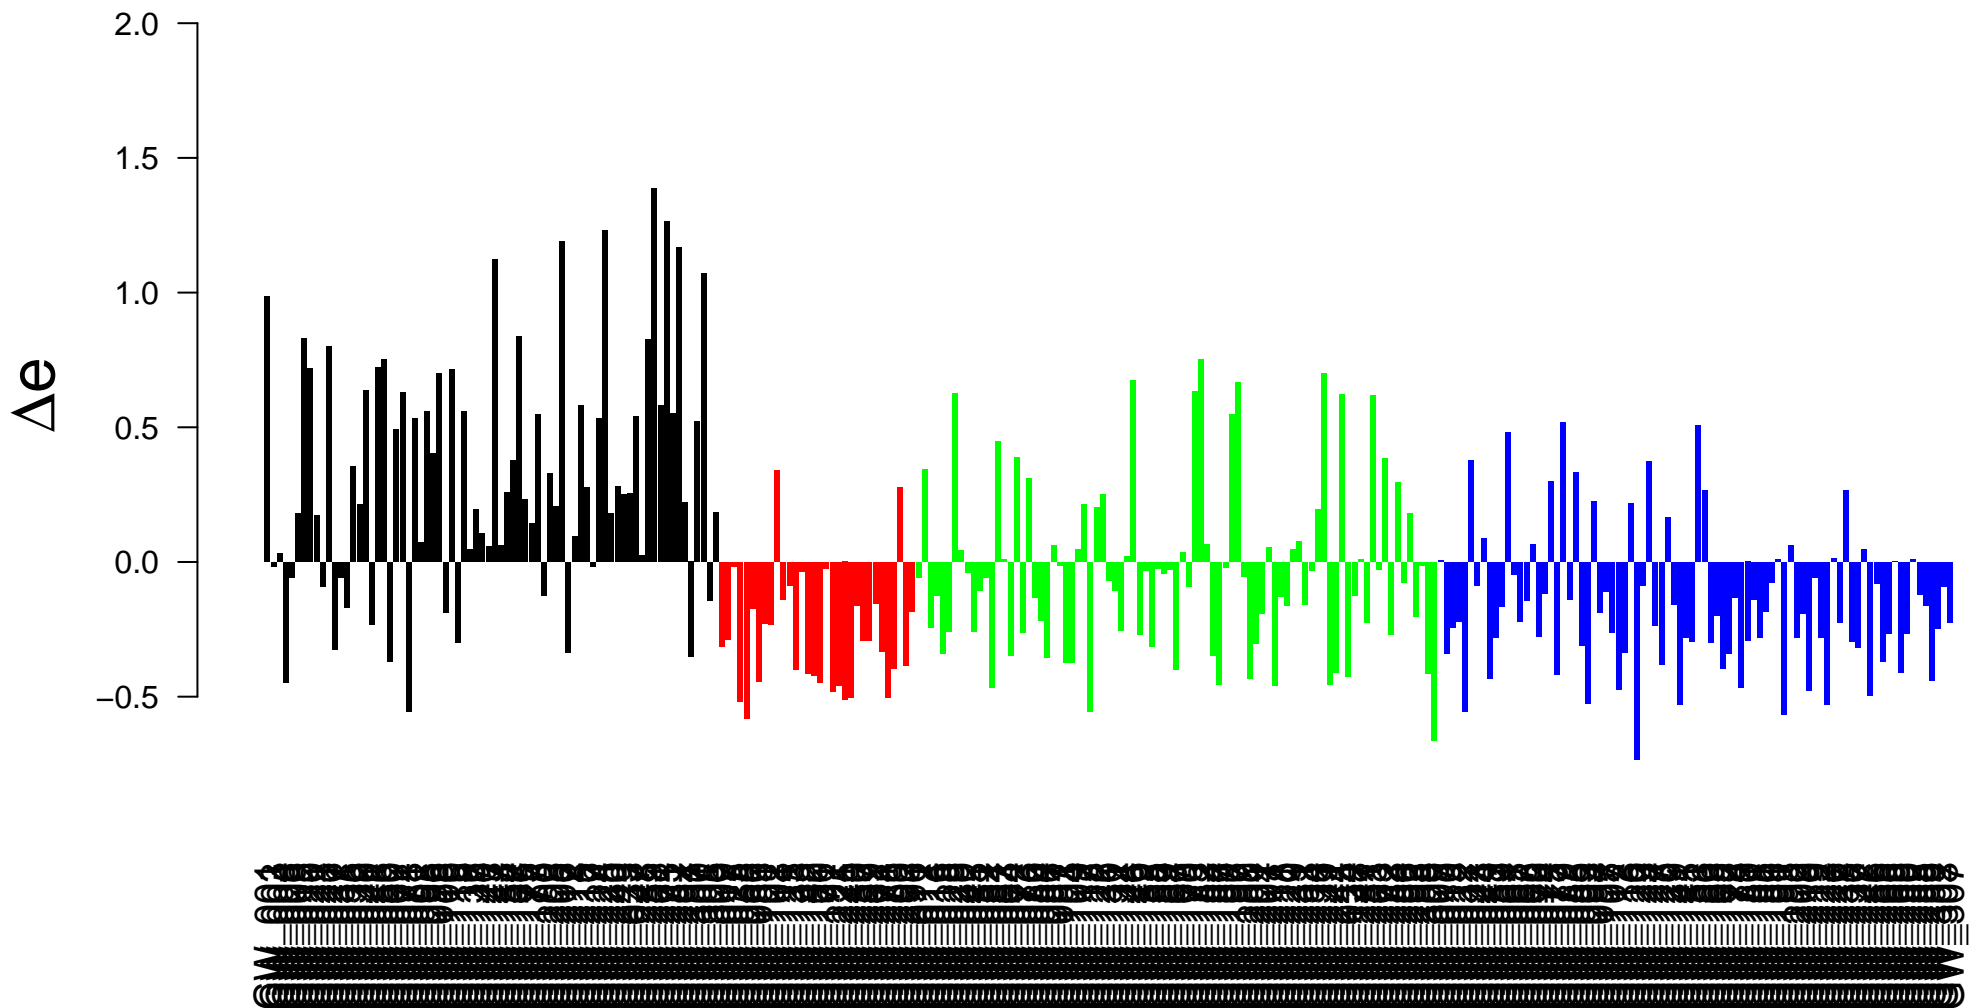

Expression of molecular_function in Spot E

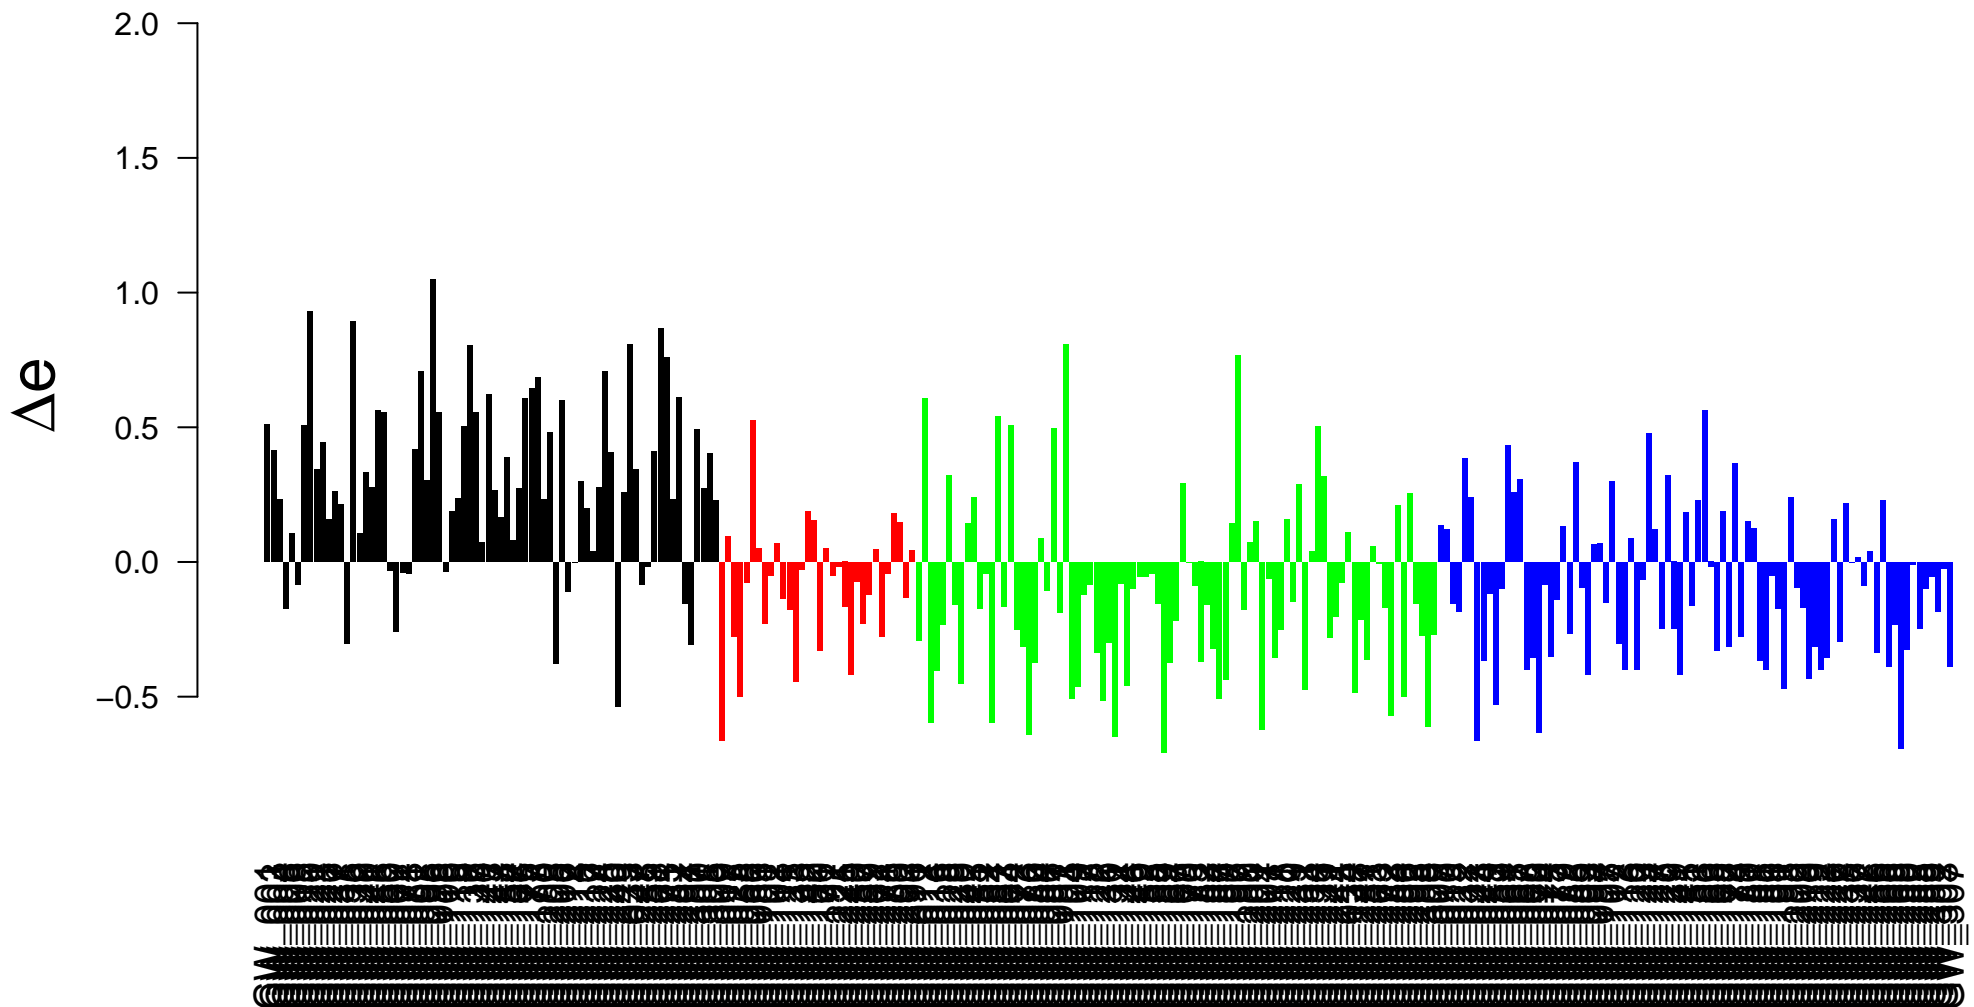

Expression of molecular_function in Spot F

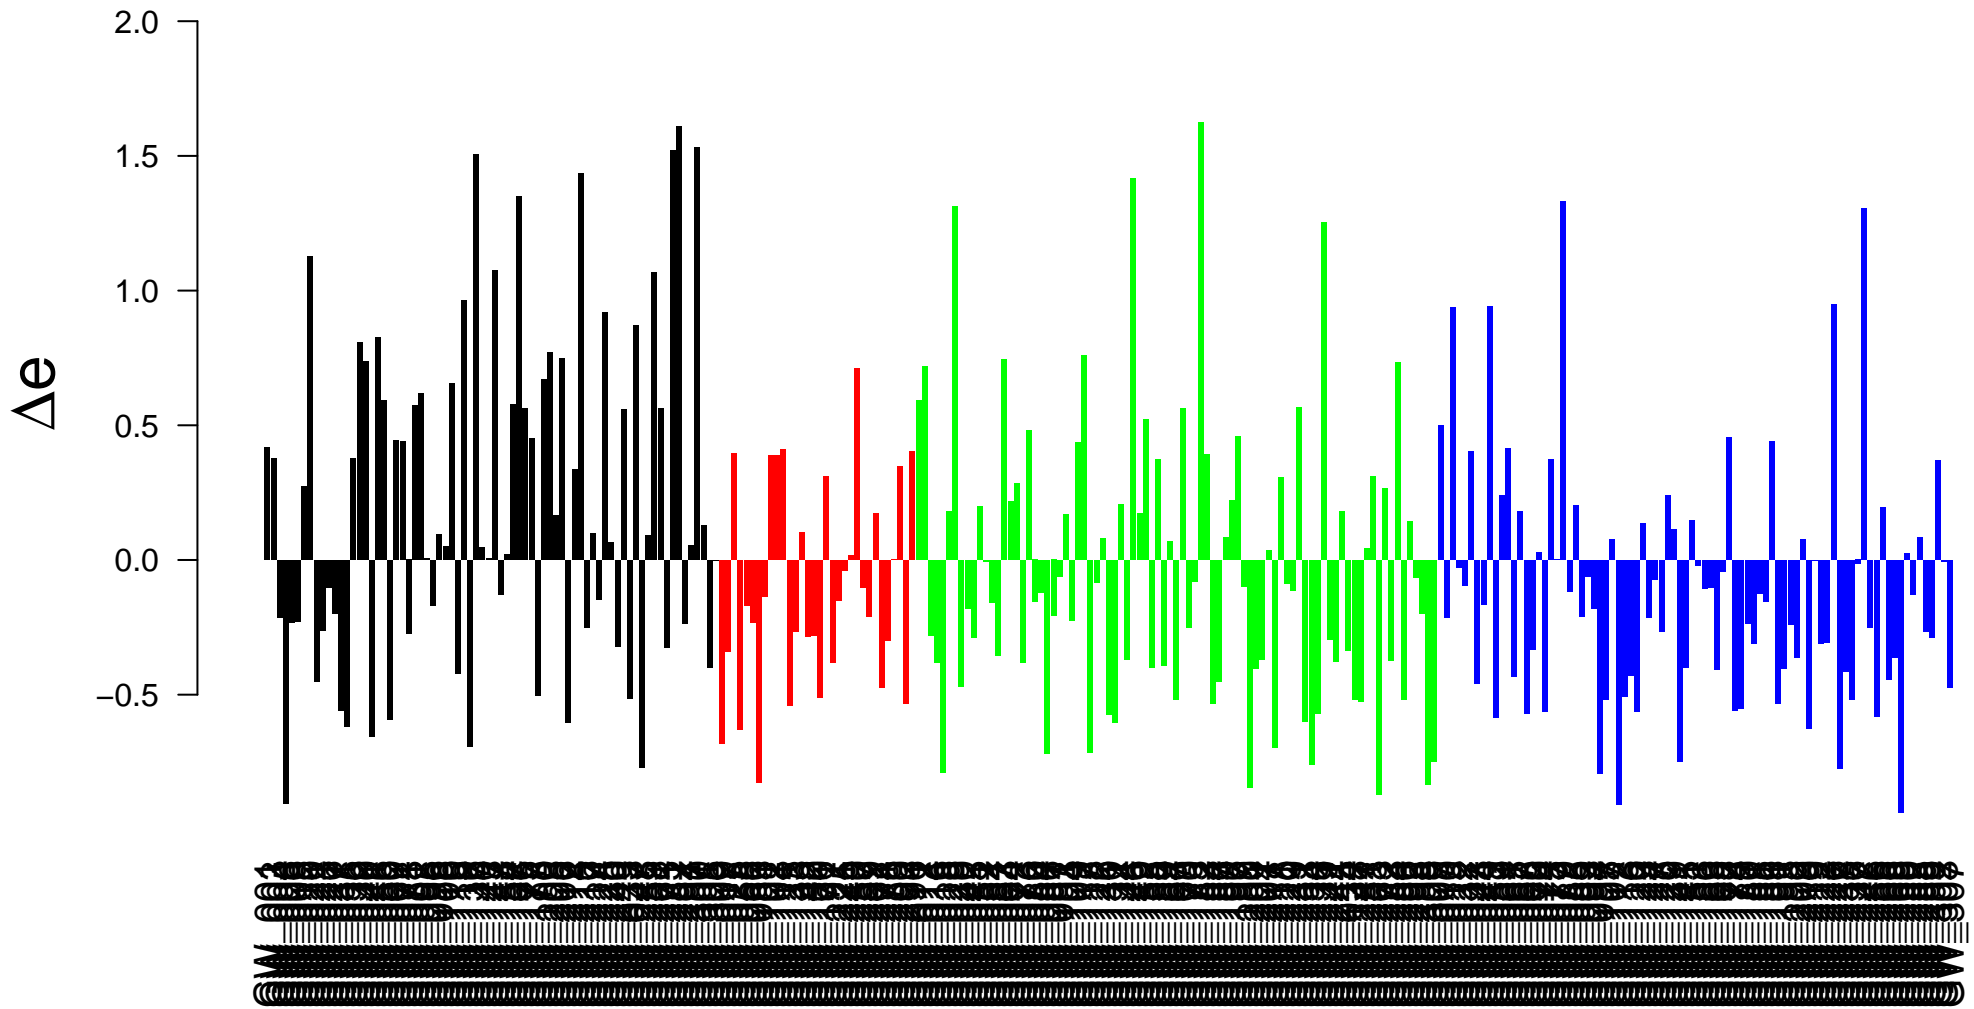

Expression of molecular_function in Spot G

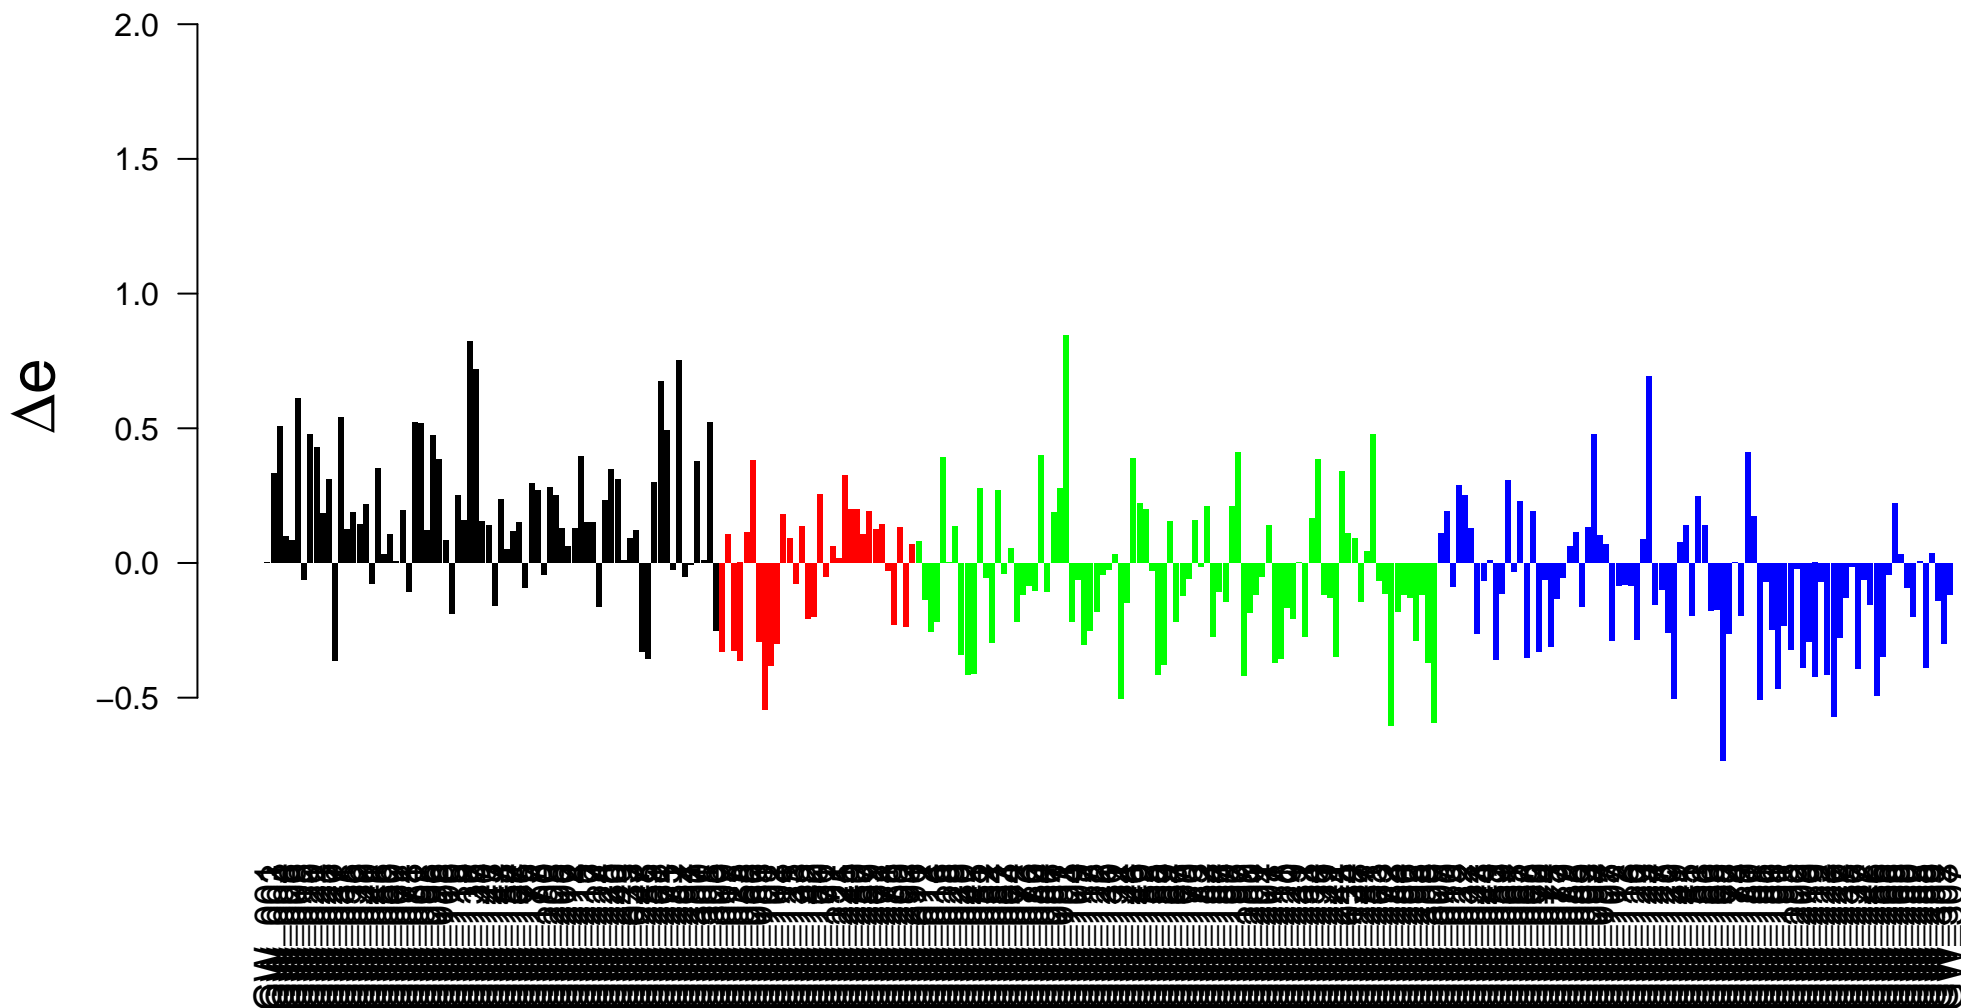

Expression of molecular_function in Spot H

Expression of molecular_function in Spot I

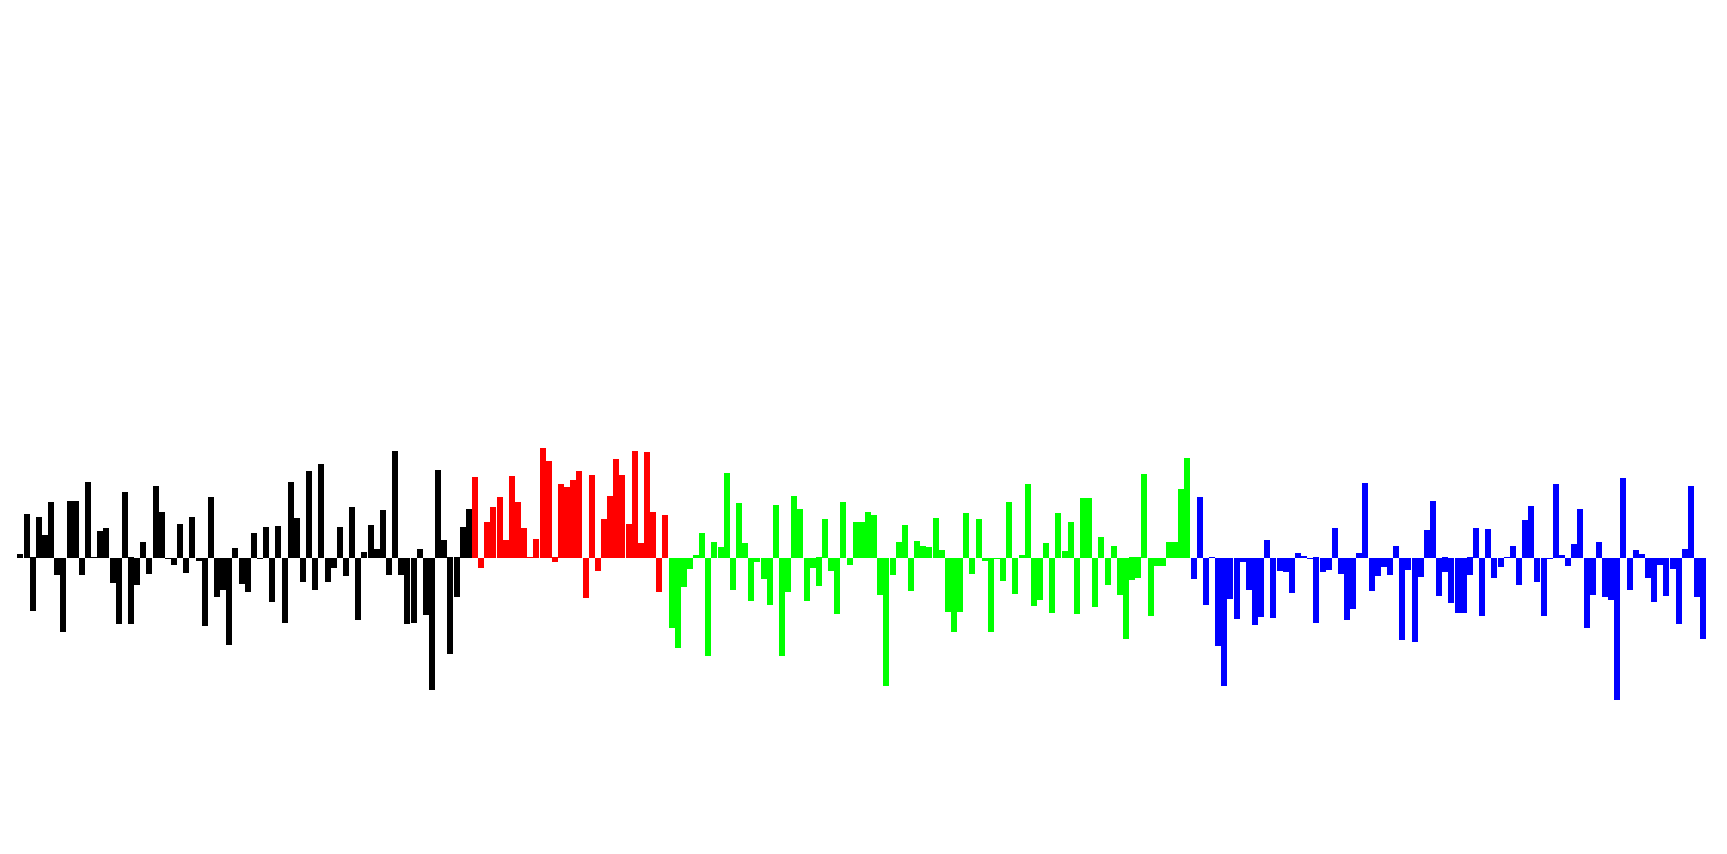

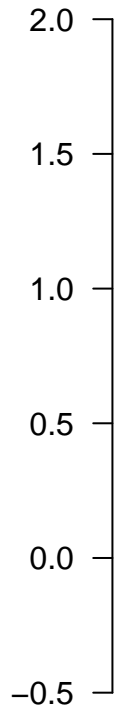

Expression of molecular_function in Spot J

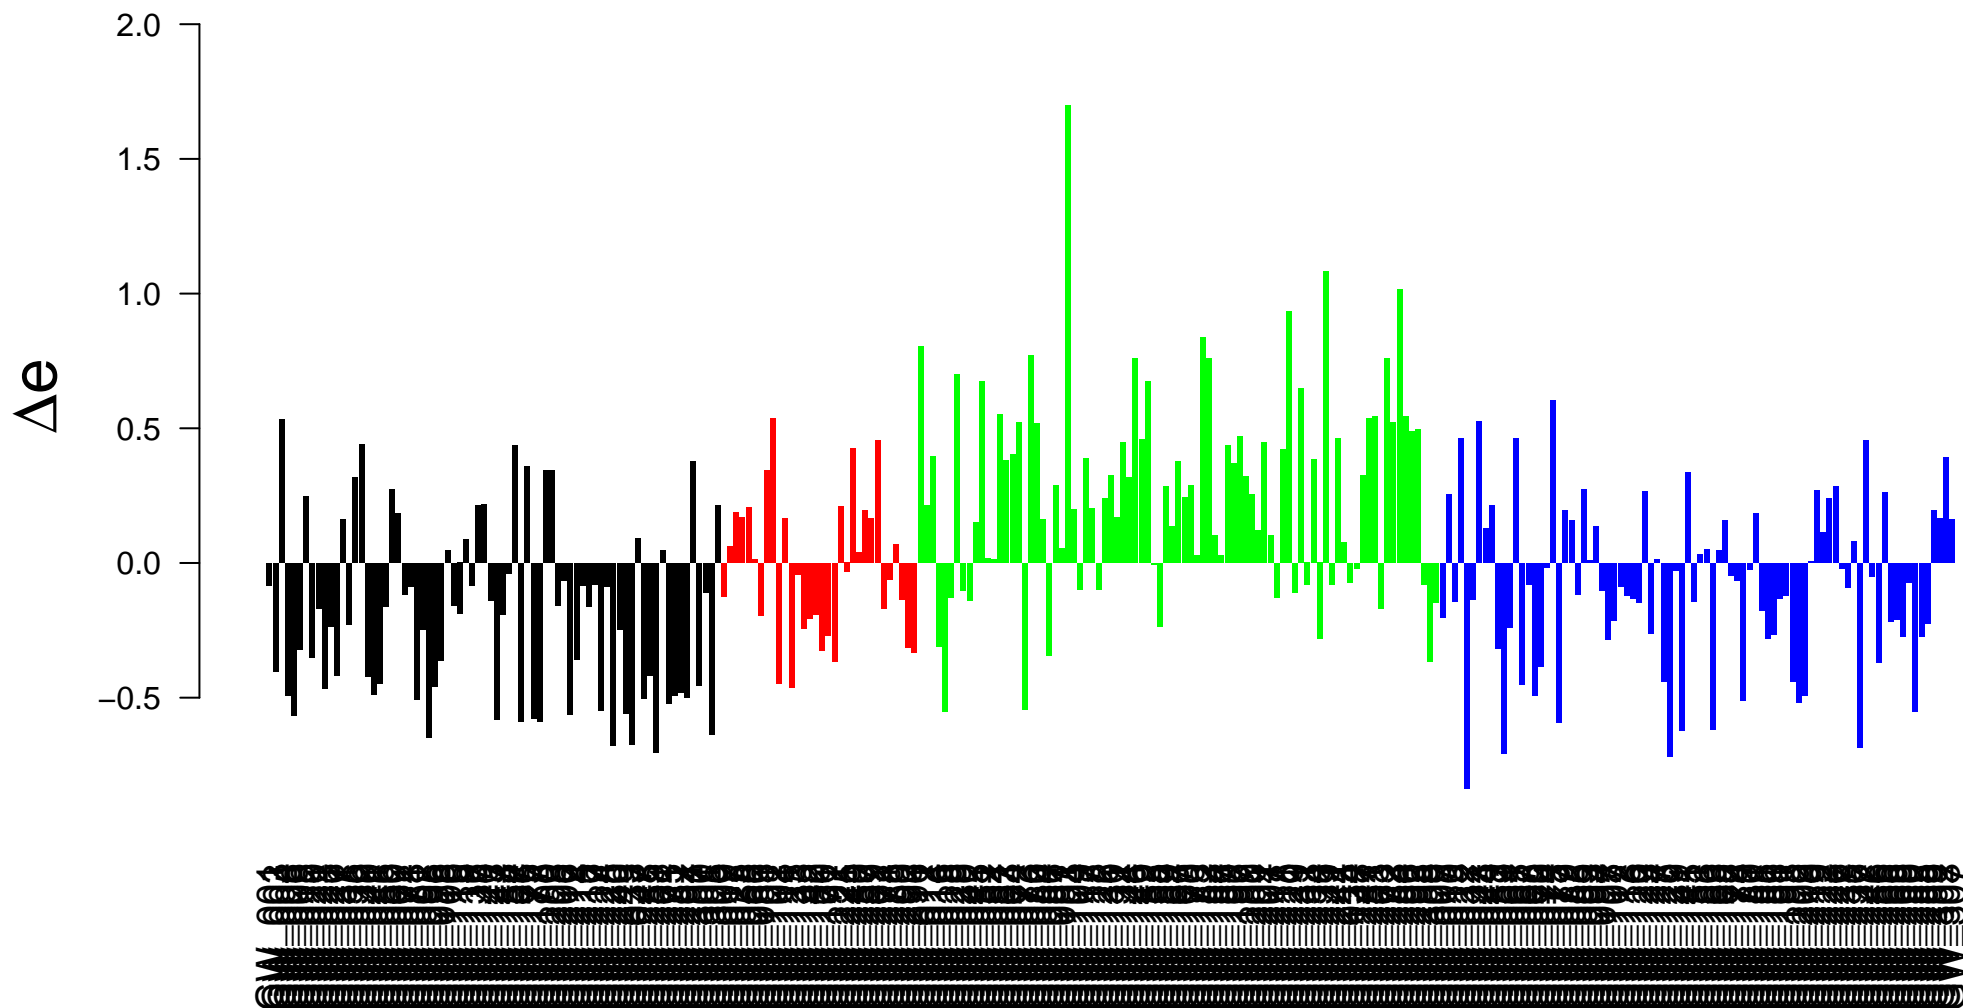

Expression of molecular_function in Spot K

Δe

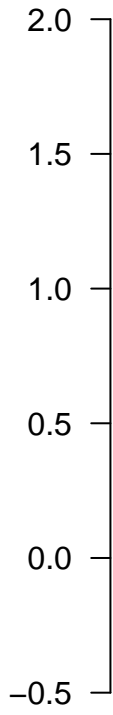

Expression of molecular_function in Spot L

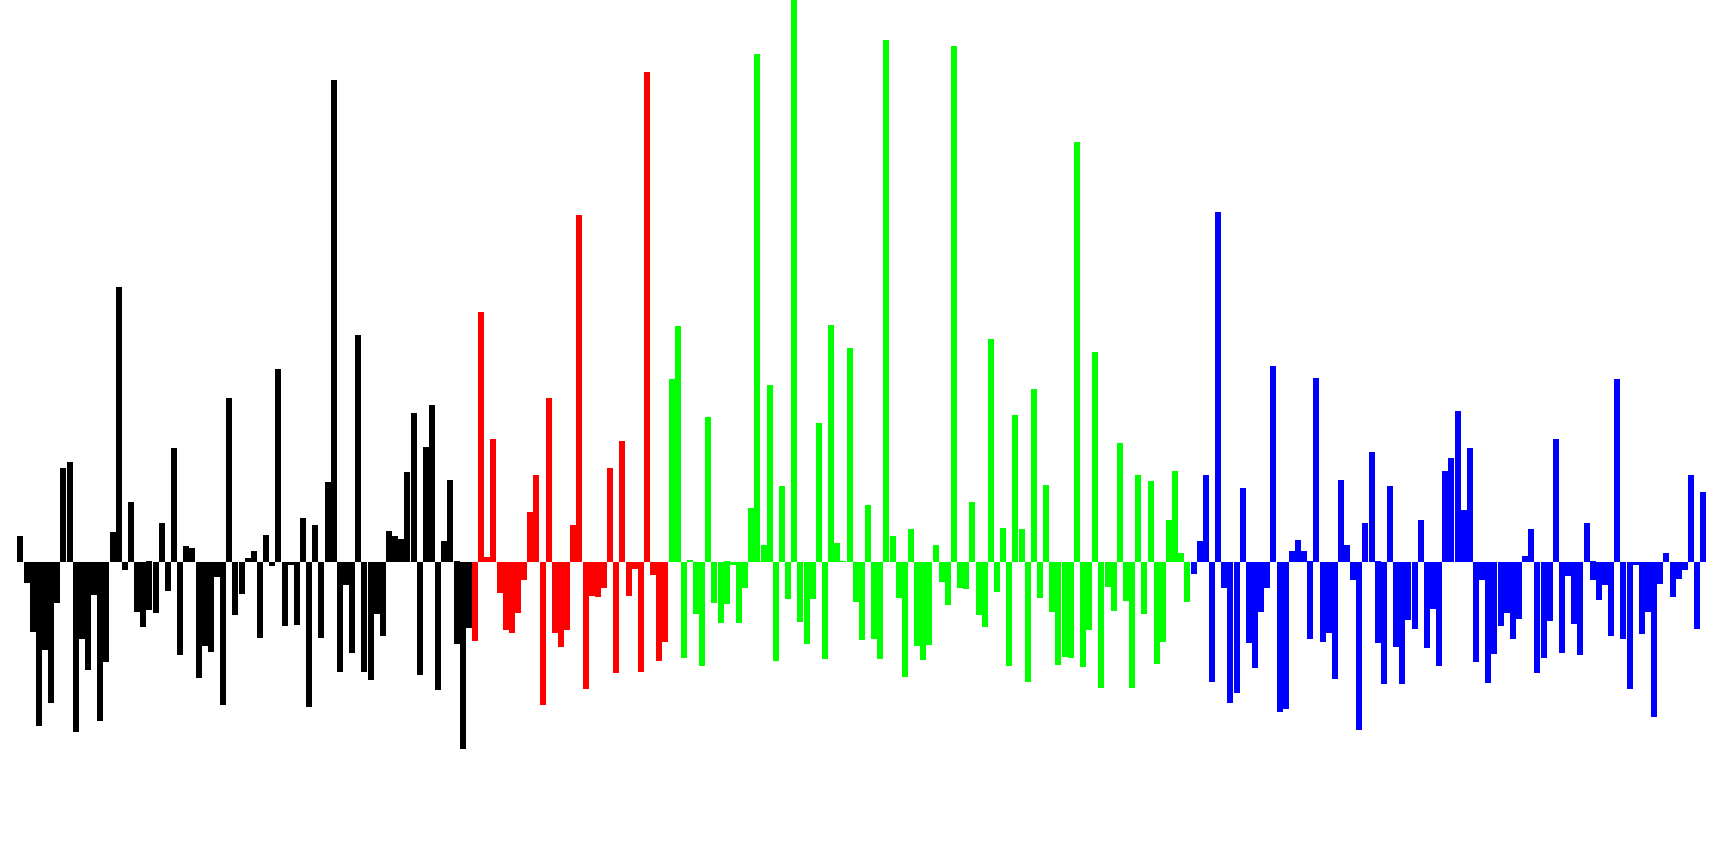

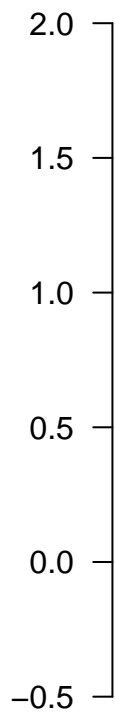

Expression of molecular_function in Spot M

Δe

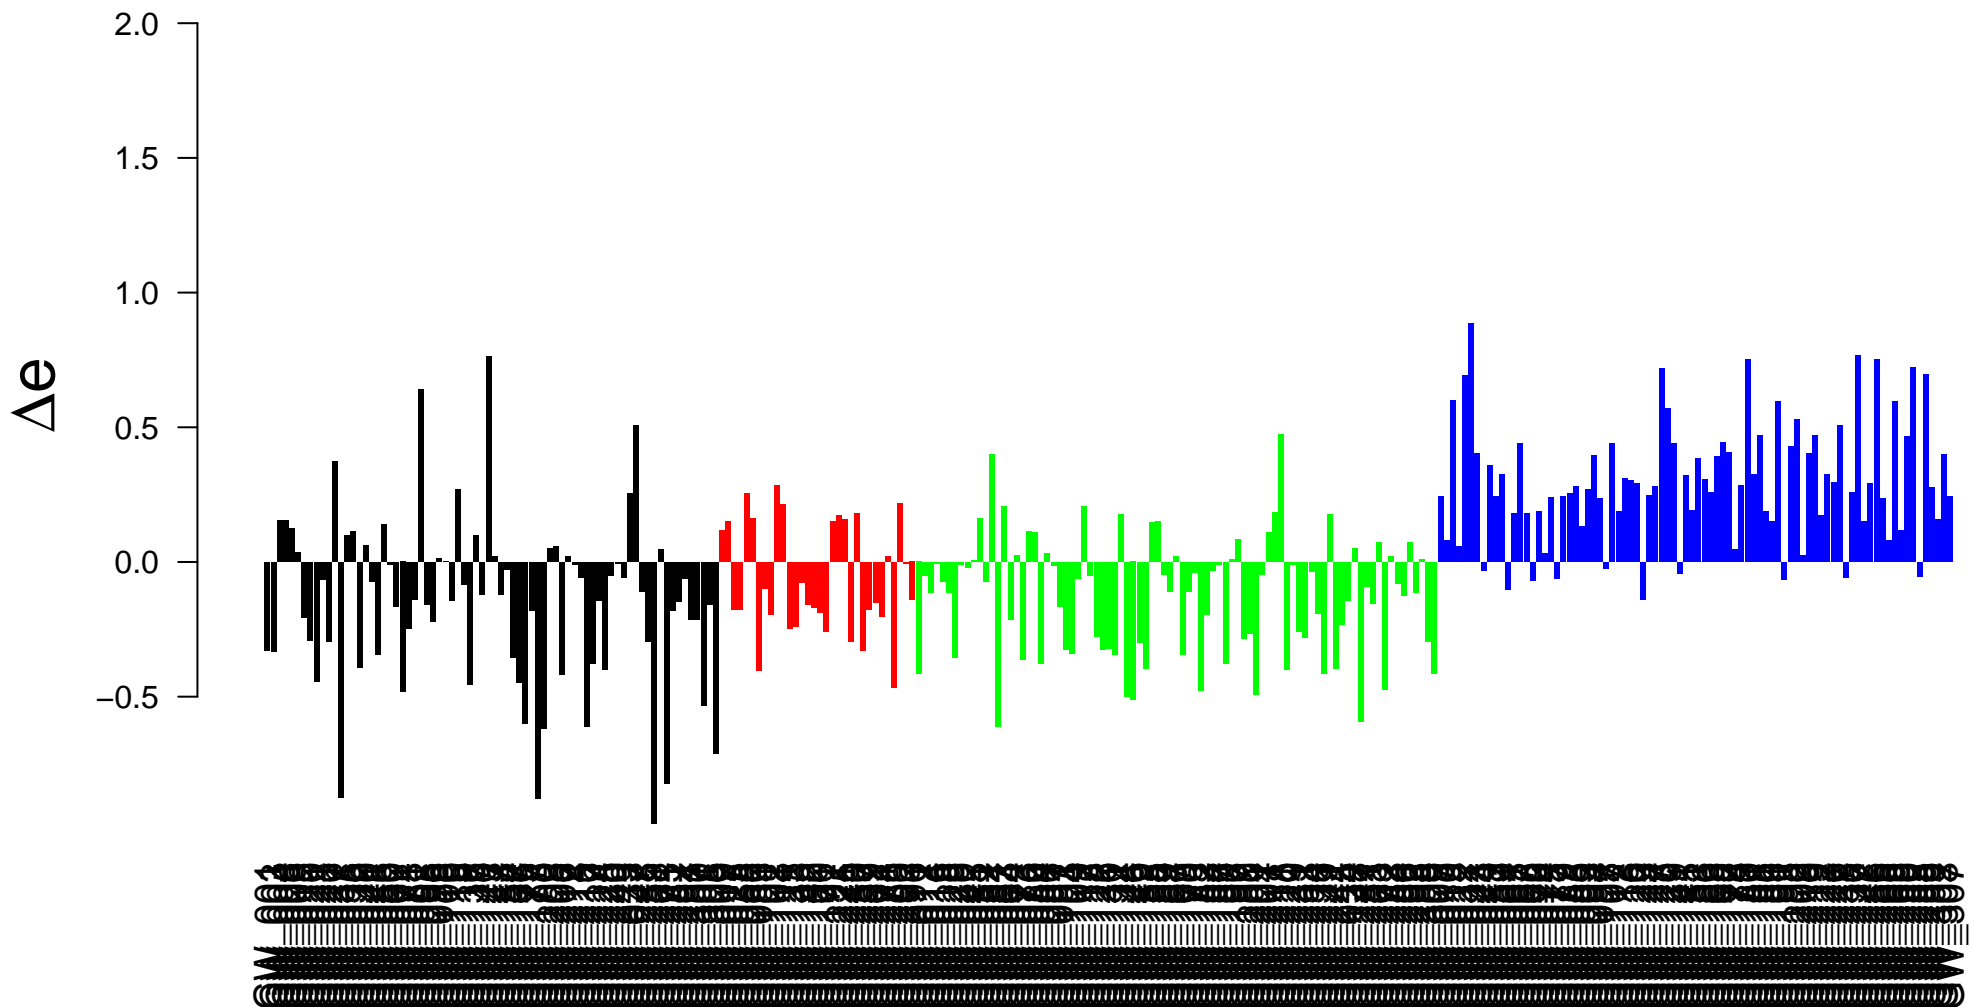

Expression of molecular_function in Spot N

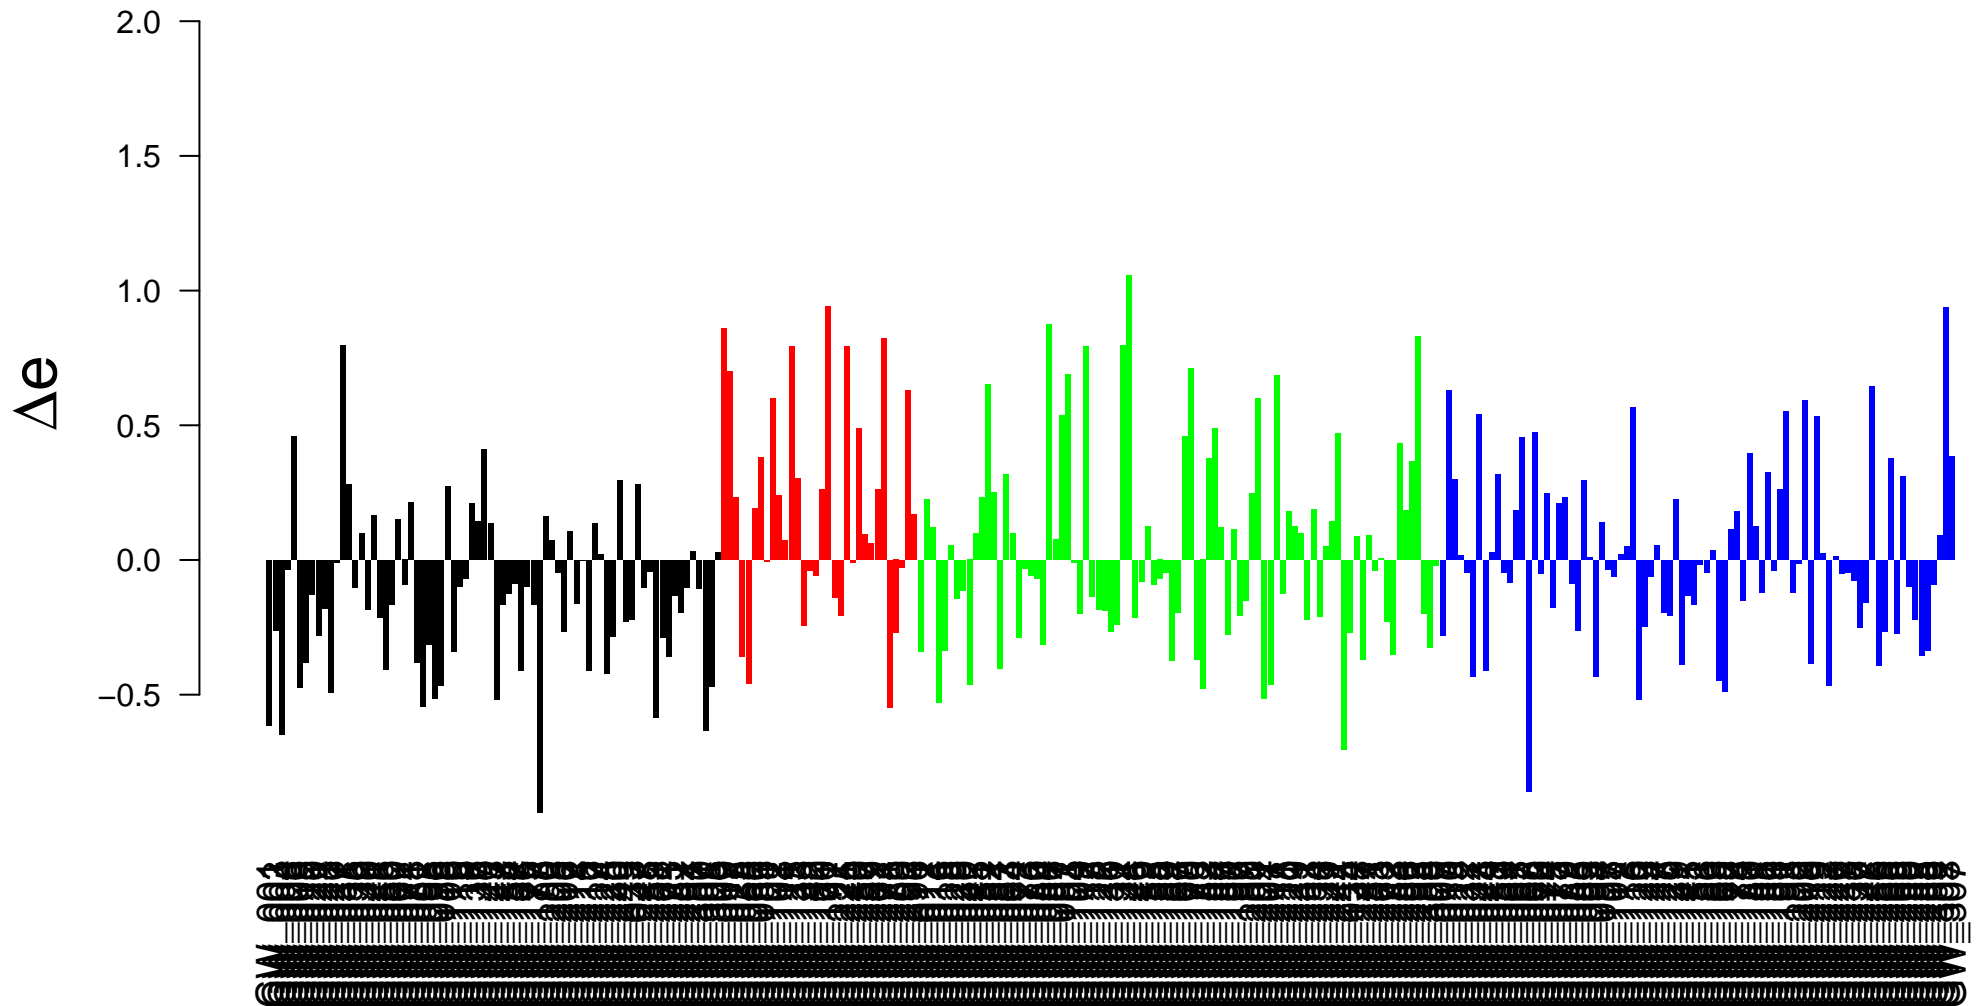

Δe

Expression of molecular_function in Spot O

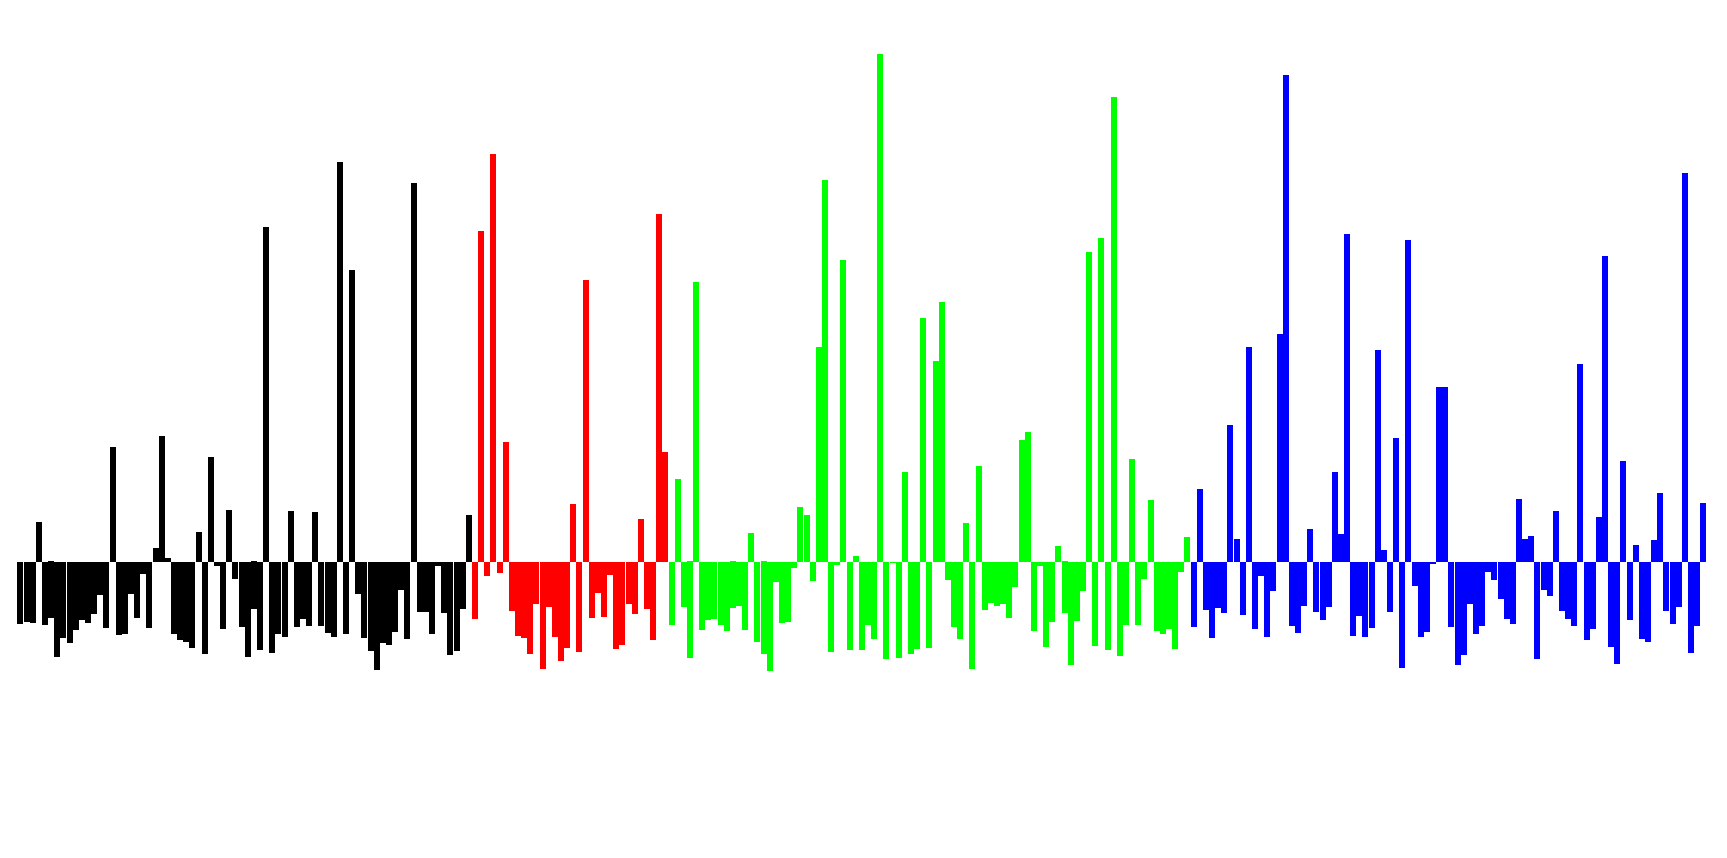

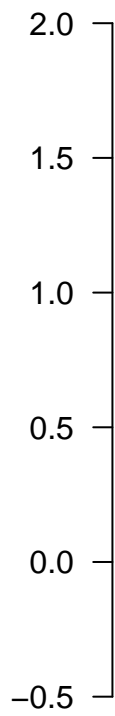

Expression of molecular_function in Spot P

Expression of molecular_function in Spot Q

Δe

Expression of molecular_function in Spot R
