

monocyte differentiation

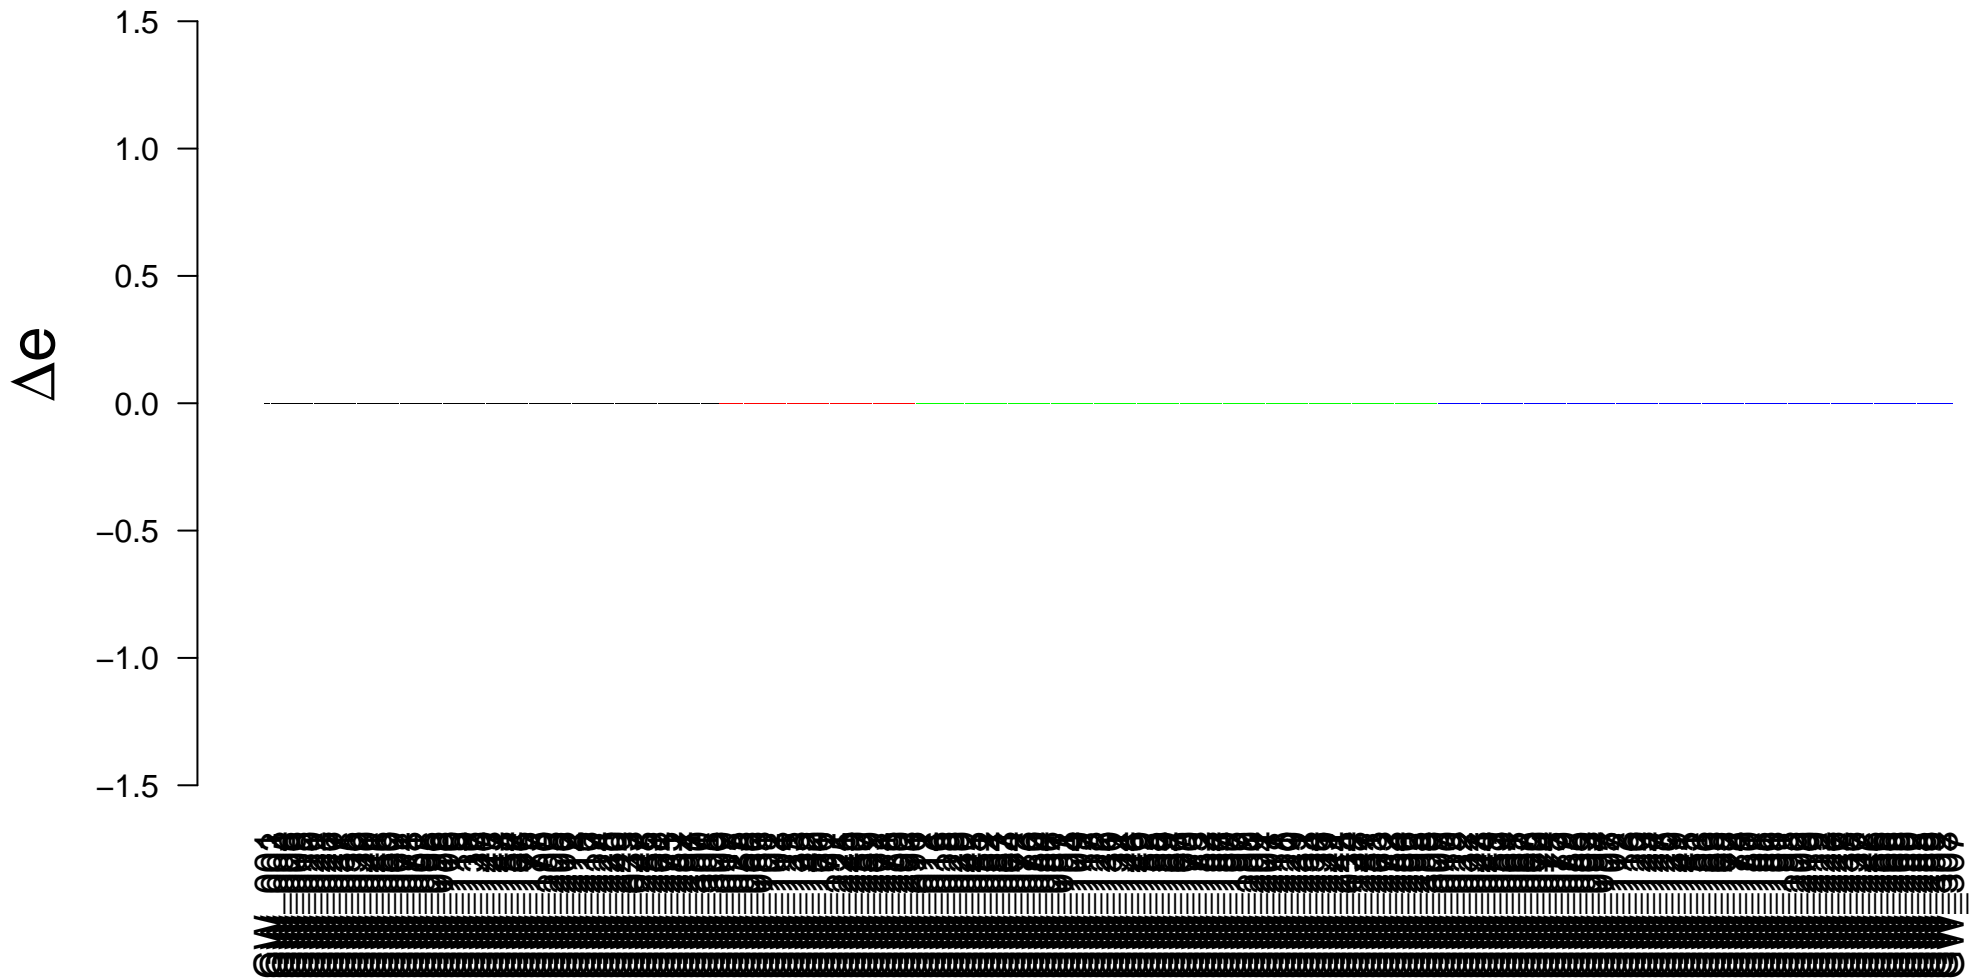

monocyte differentiation

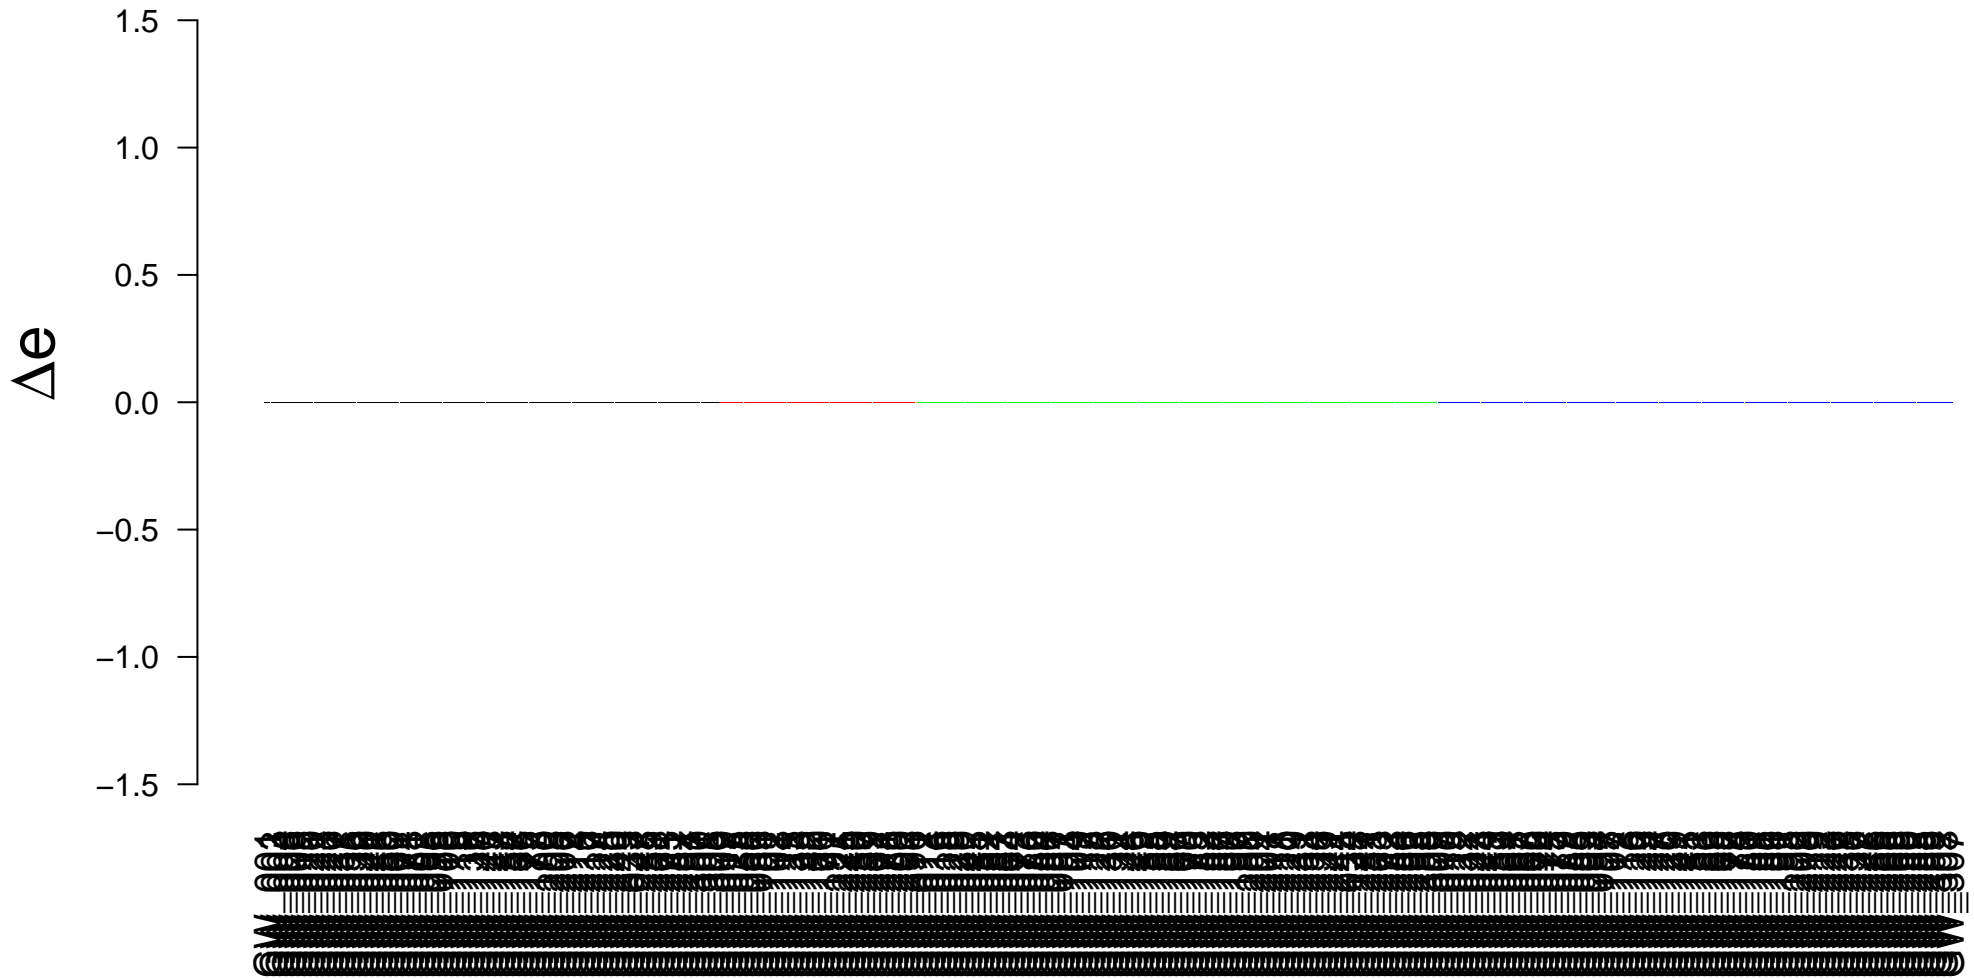

Enrichment in spots: monocyte differentiation

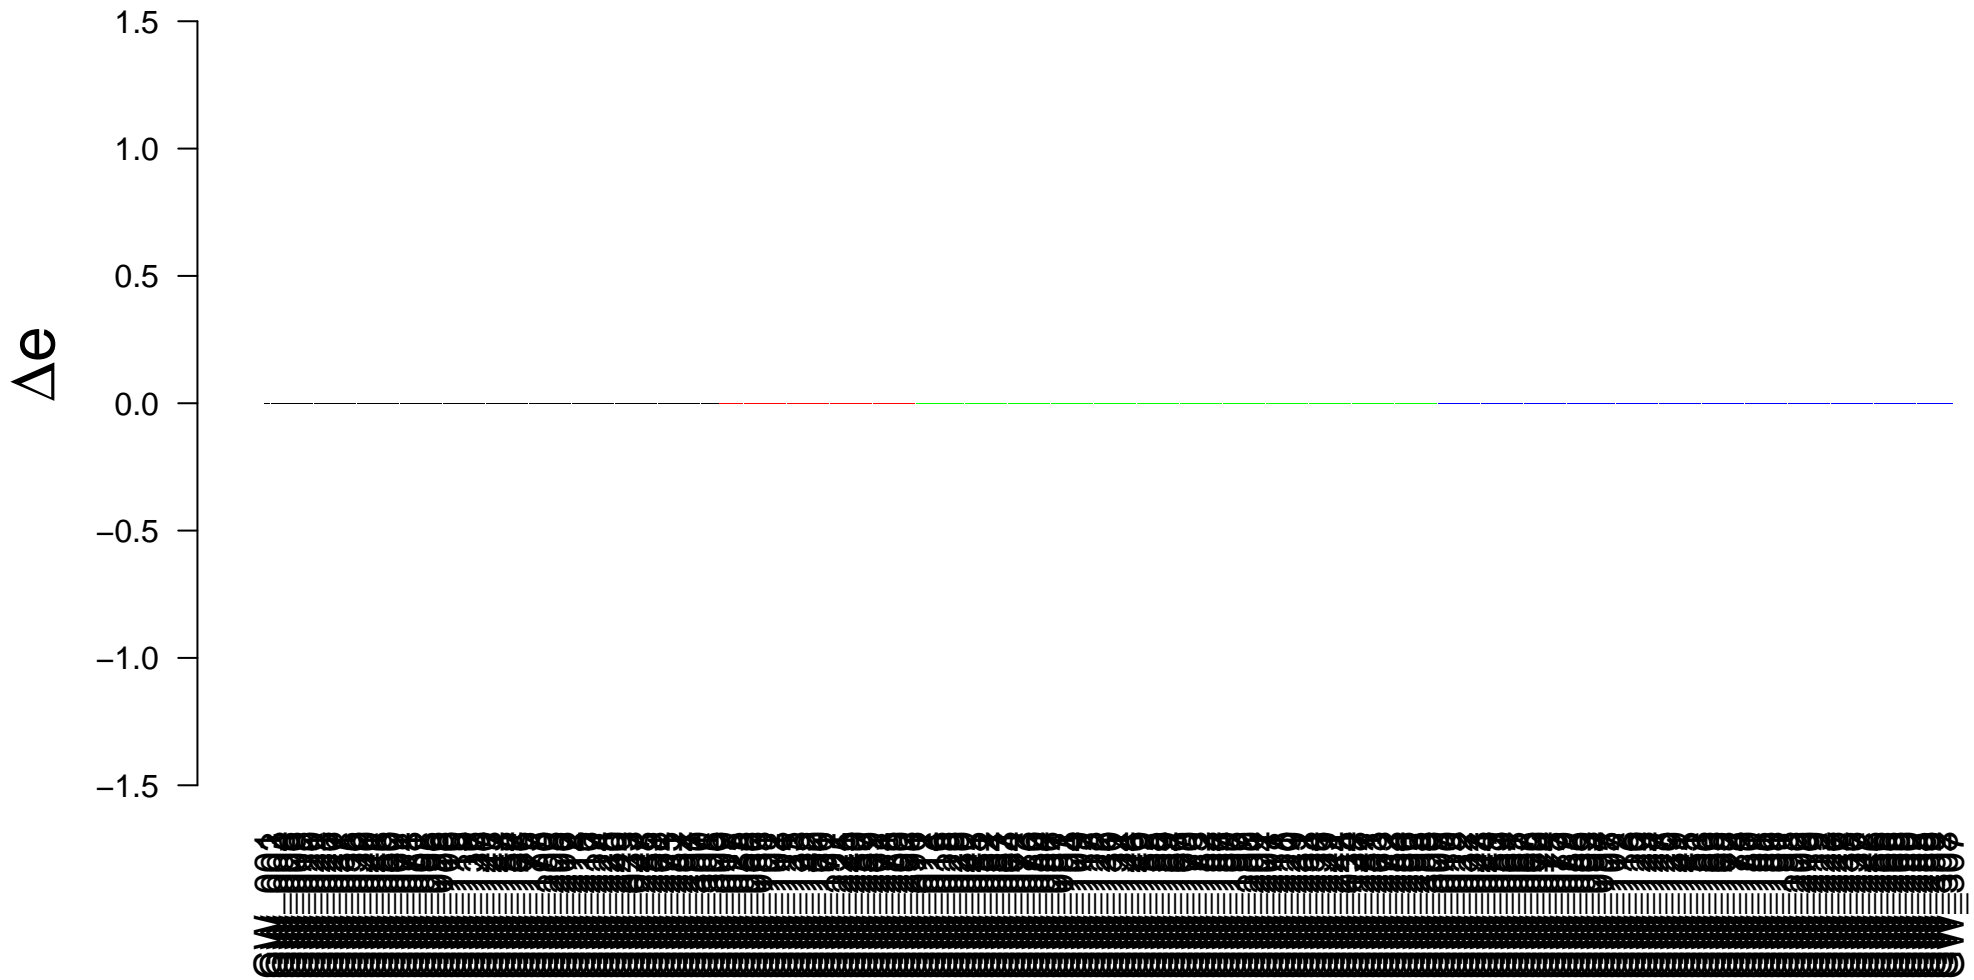

Expression of monocyte differentiation in Spot A

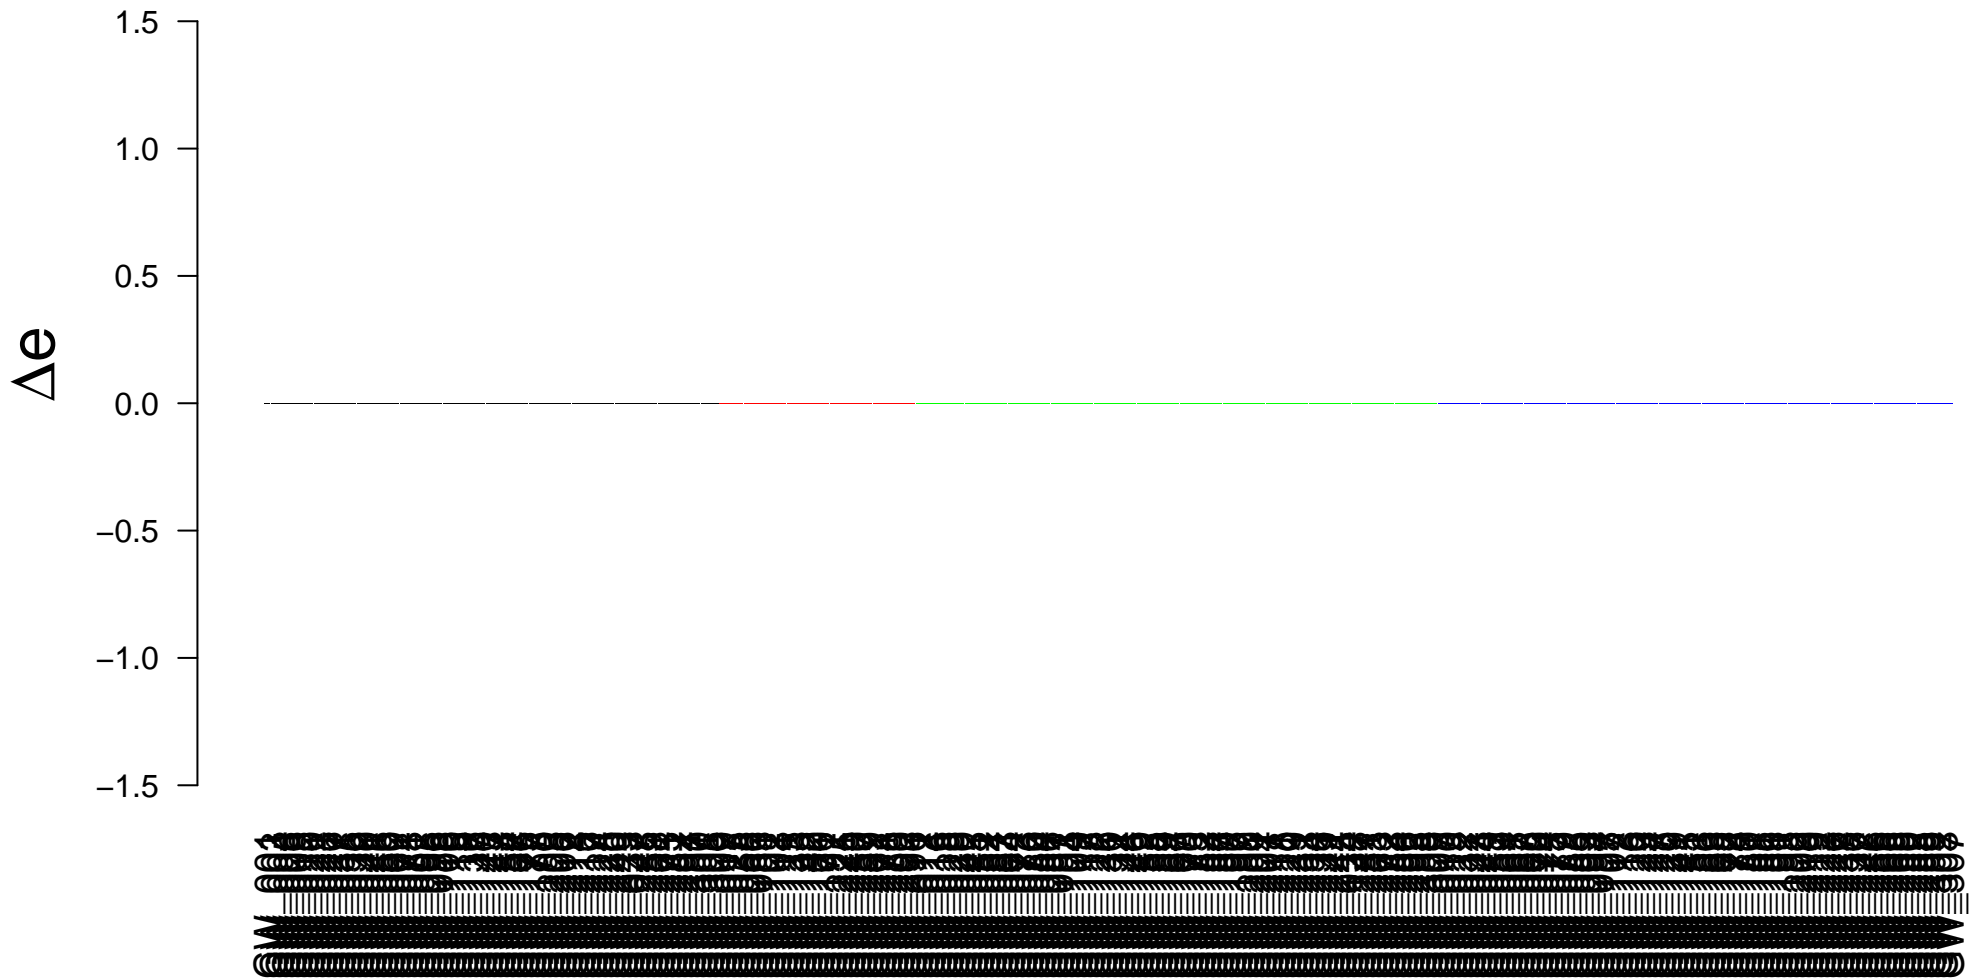

Expression of monocyte differentiation in Spot B

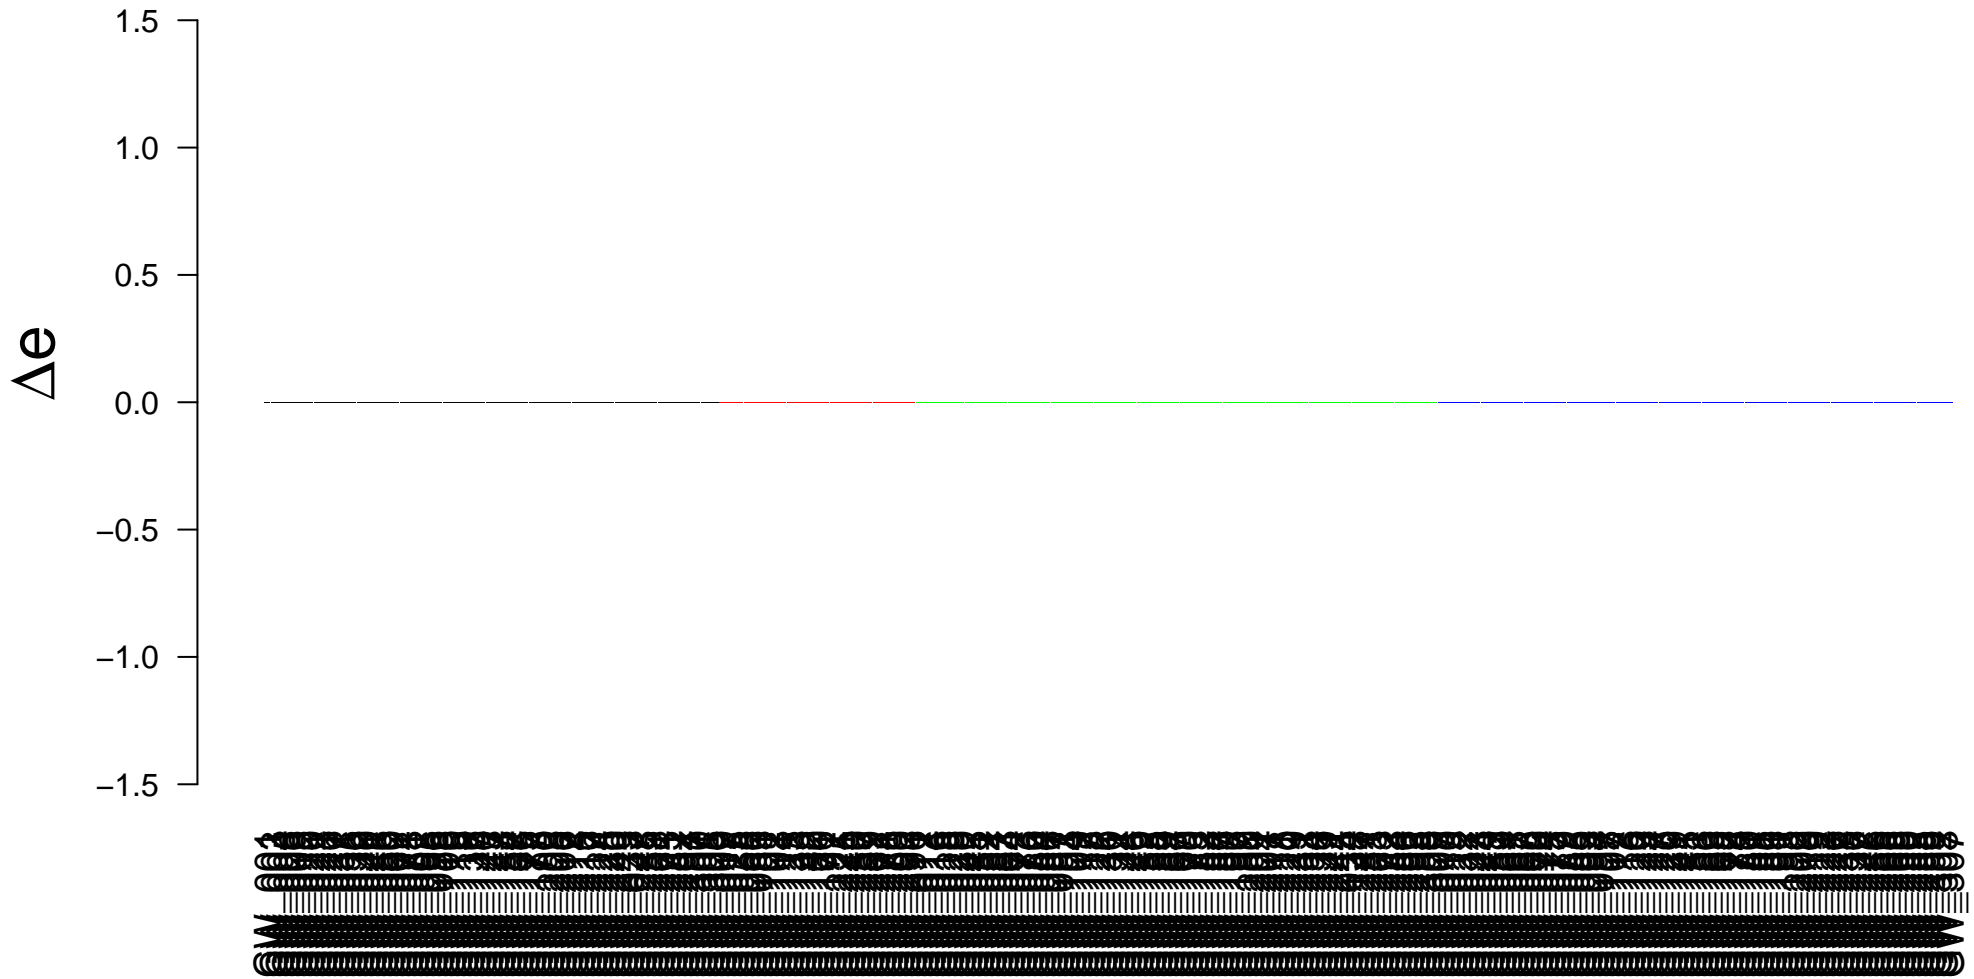

Expression of monocyte differentiation in Spot C

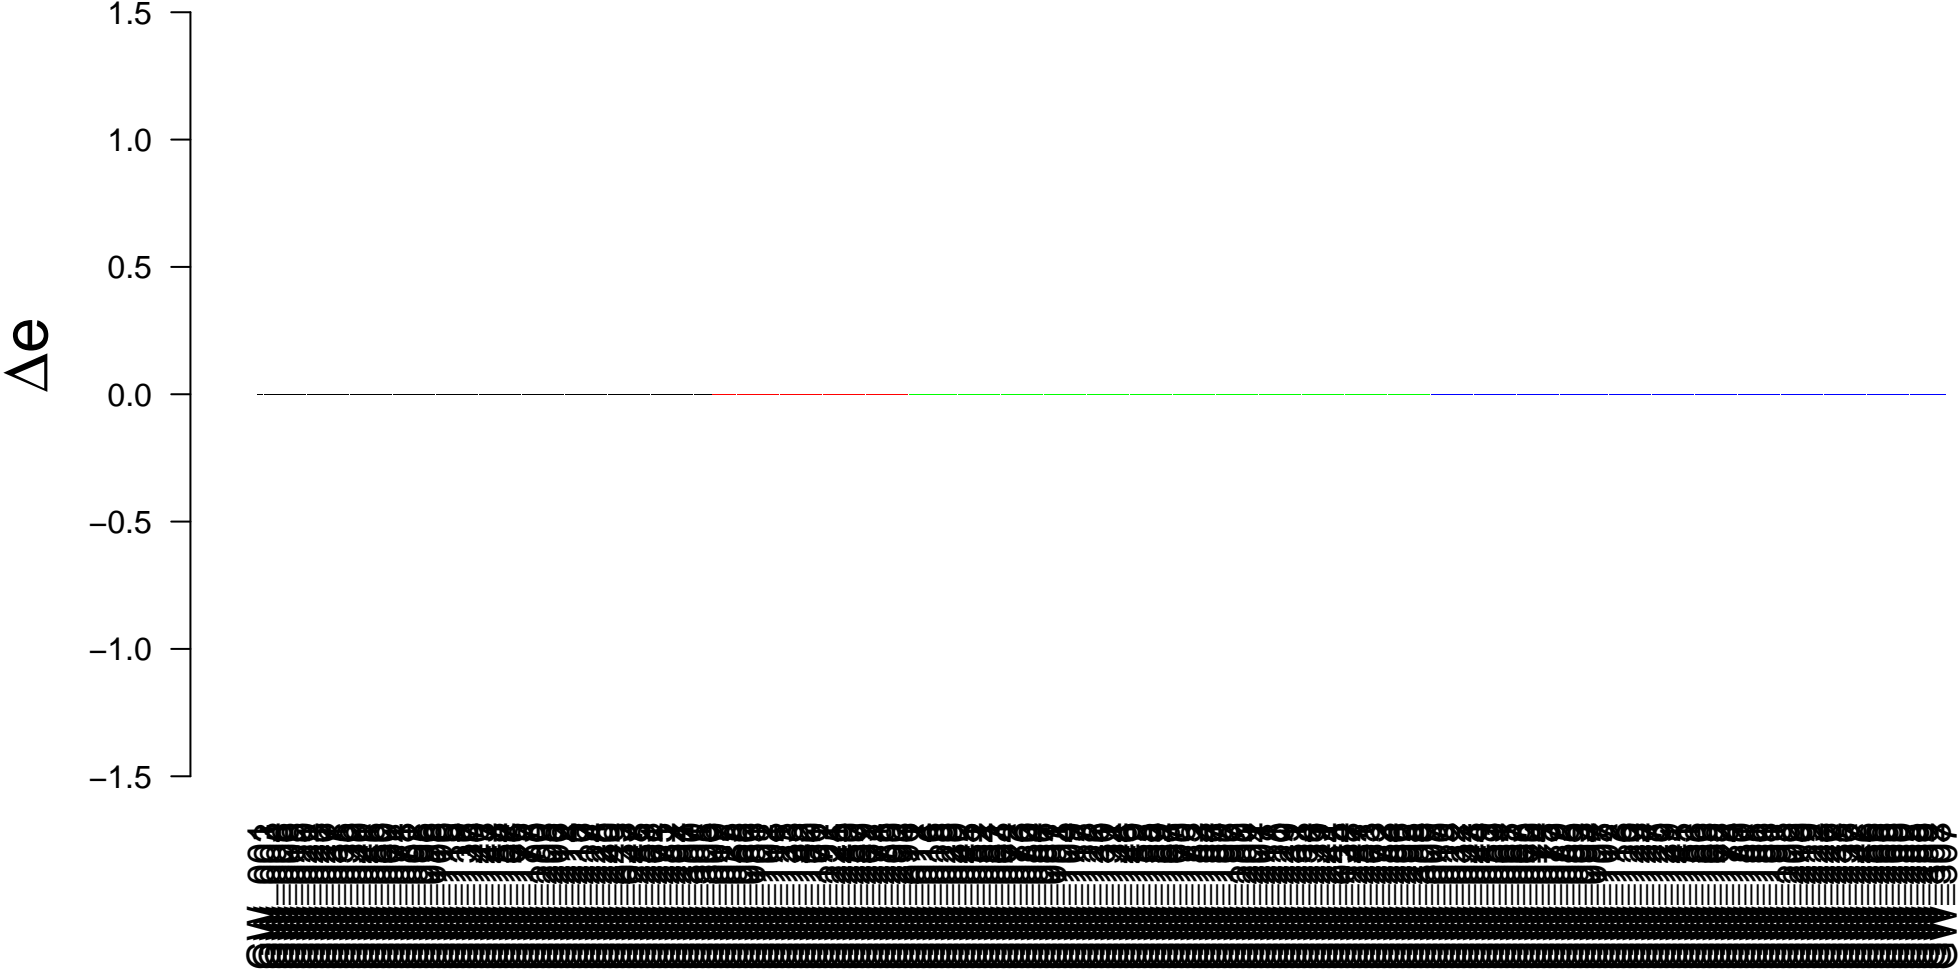

Expression of monocyte differentiation in Spot D

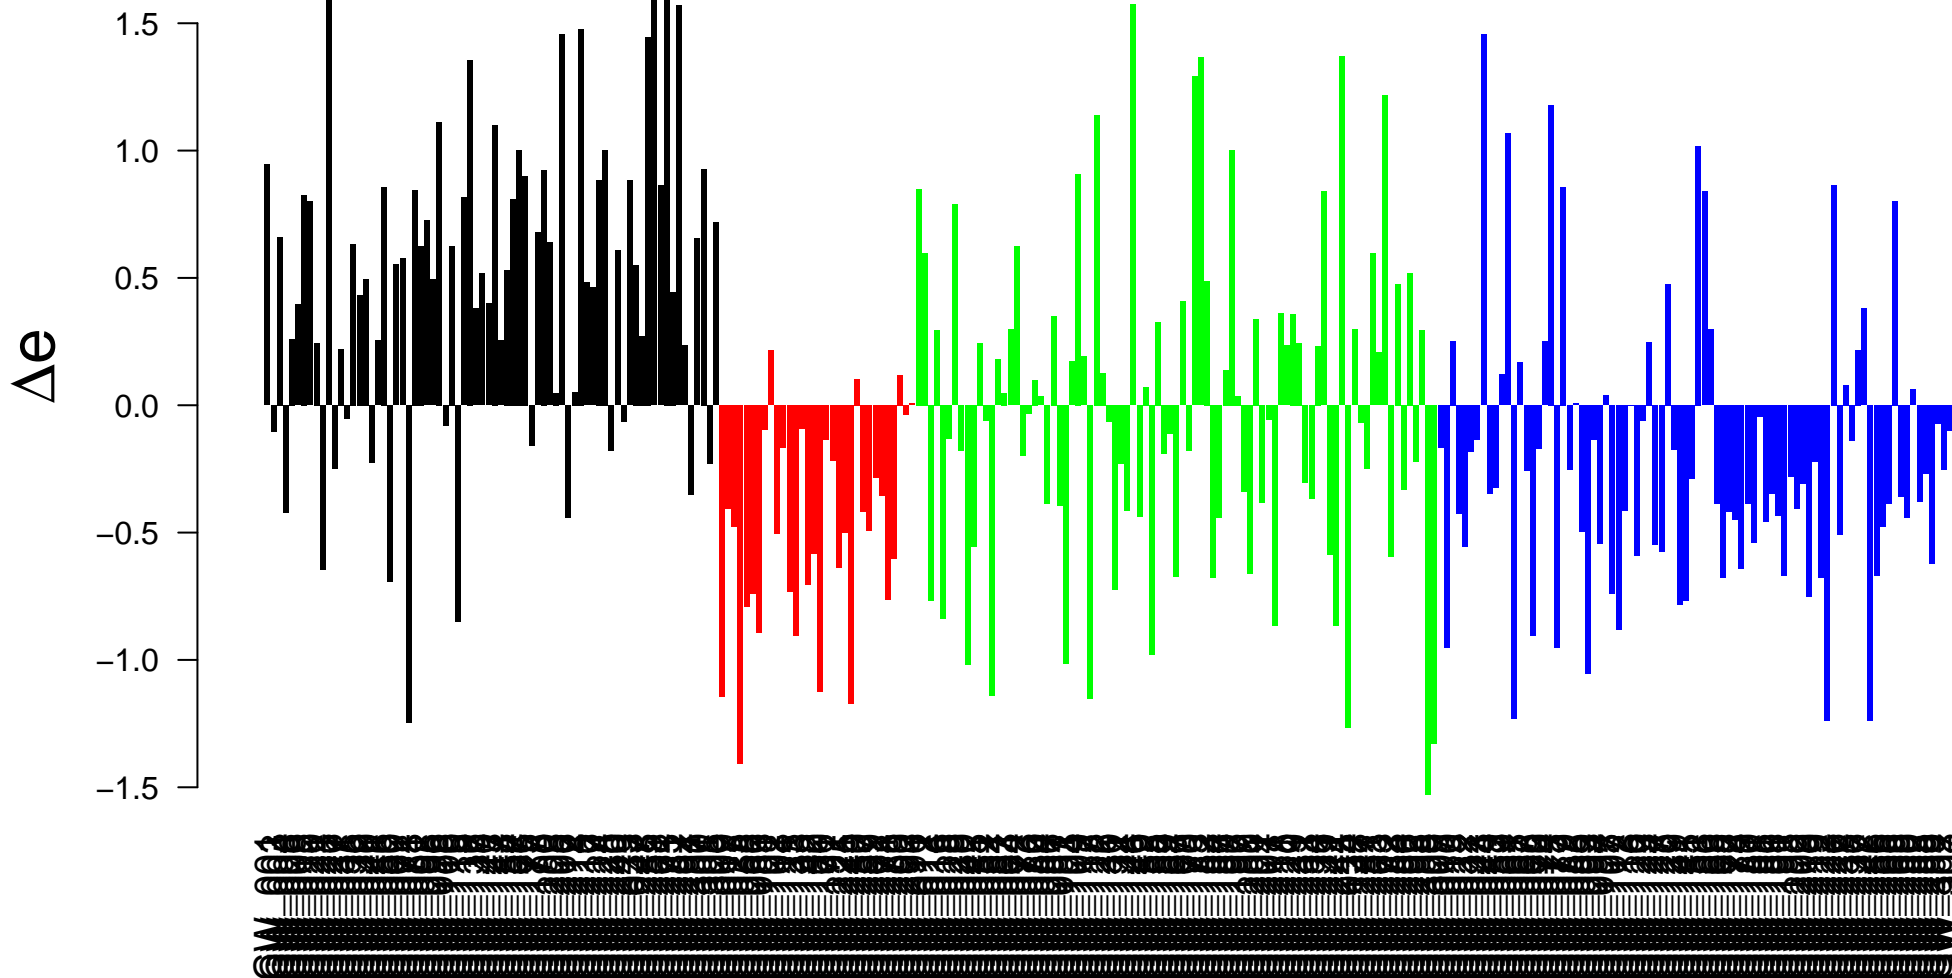

Expression of monocyte differentiation in Spot E

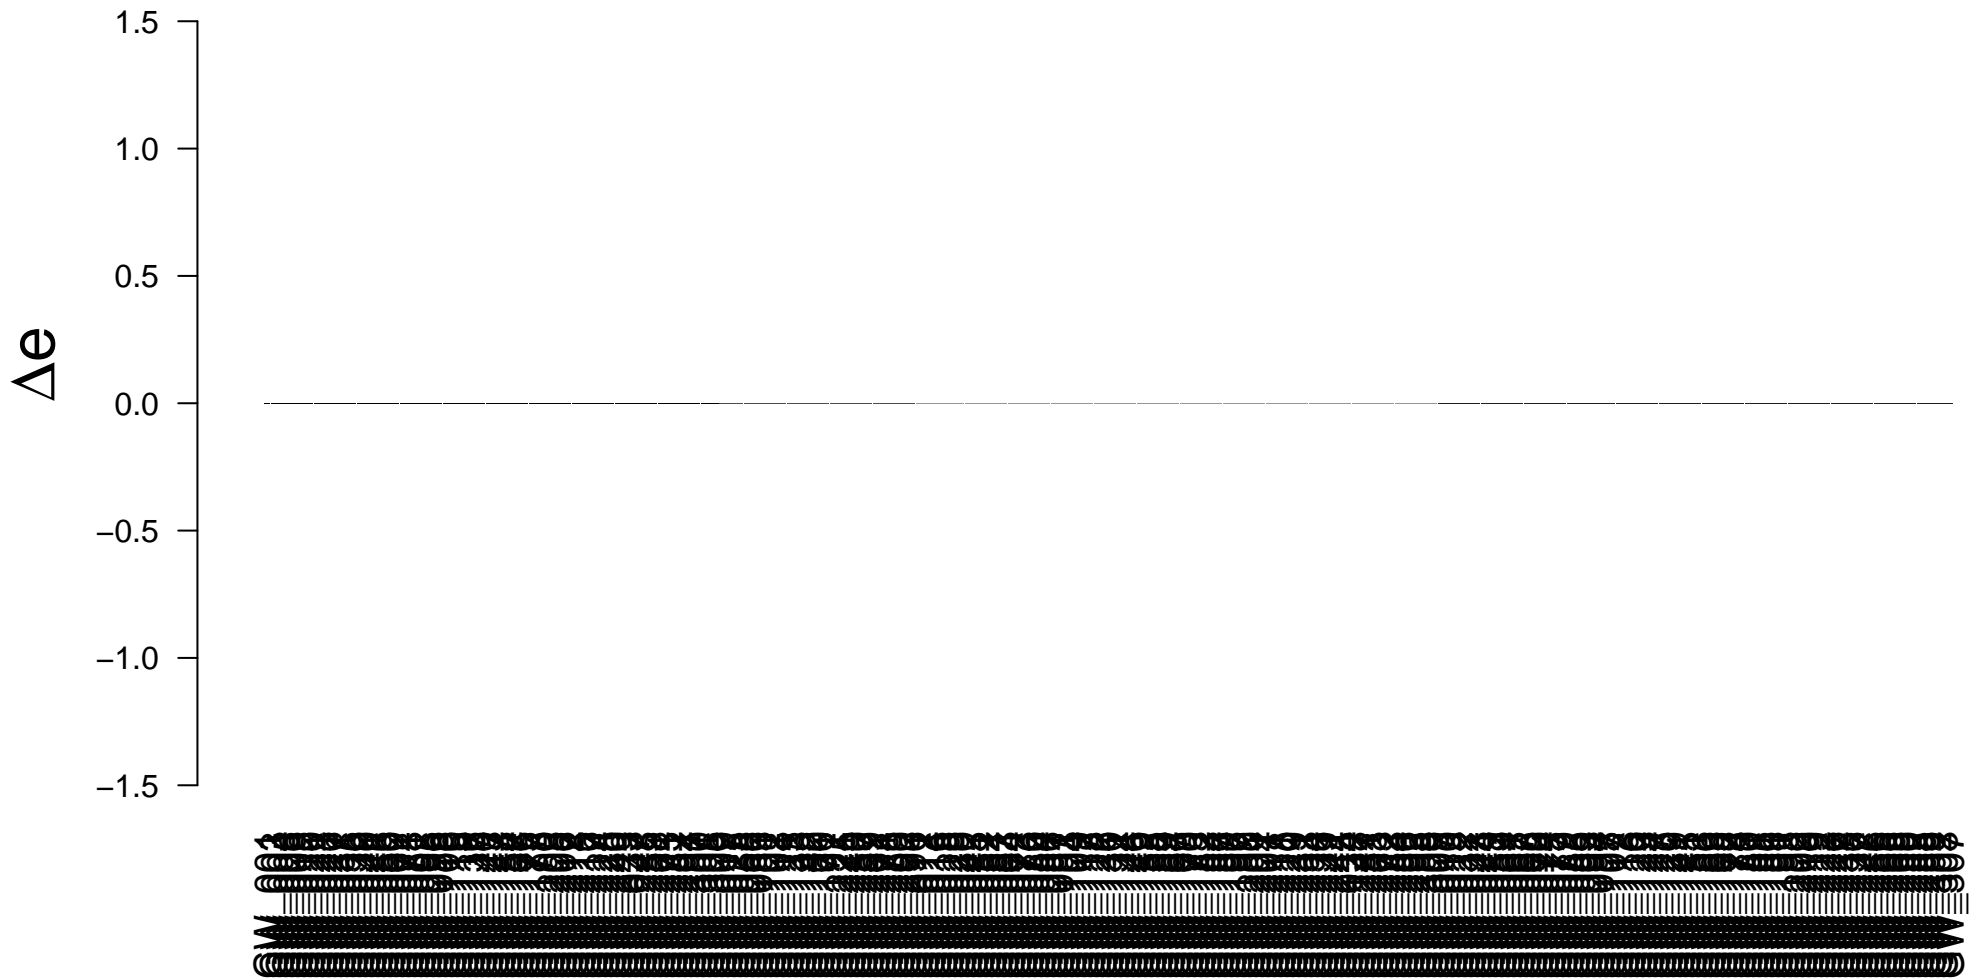

Expression of monocyte differentiation in Spot F

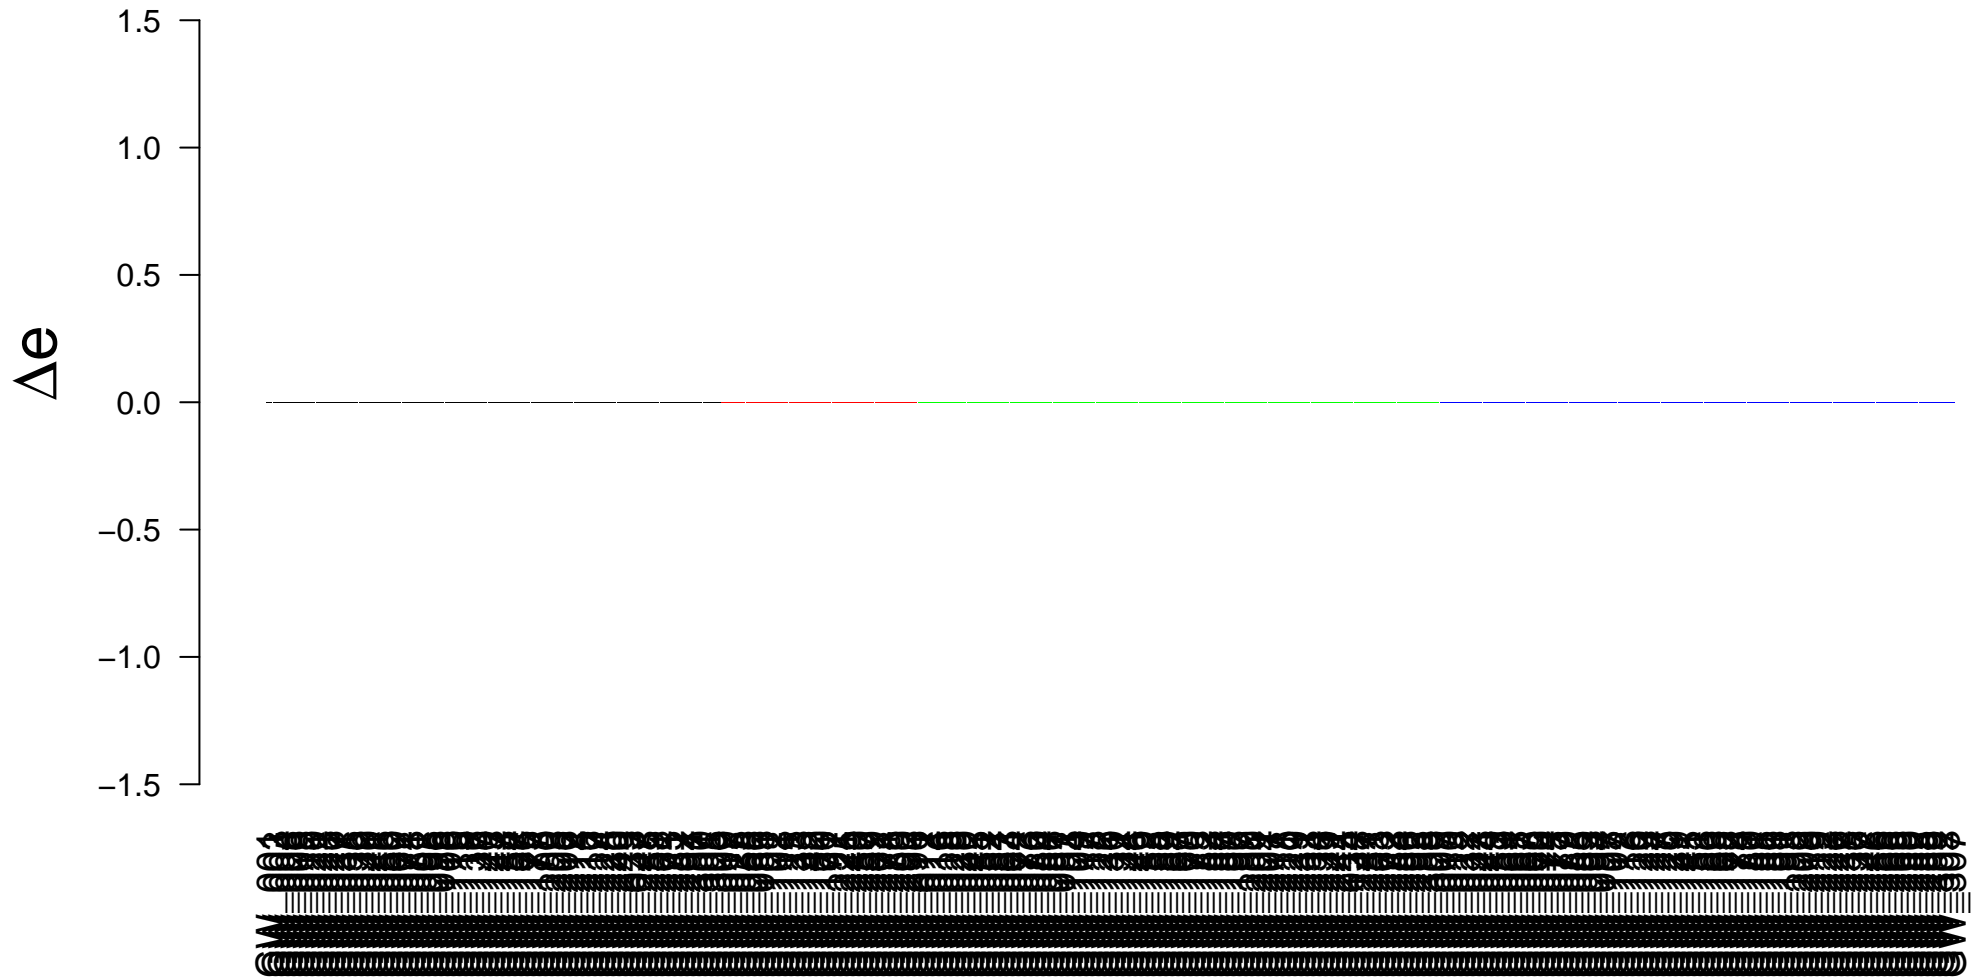

Expression of monocyte differentiation in Spot G

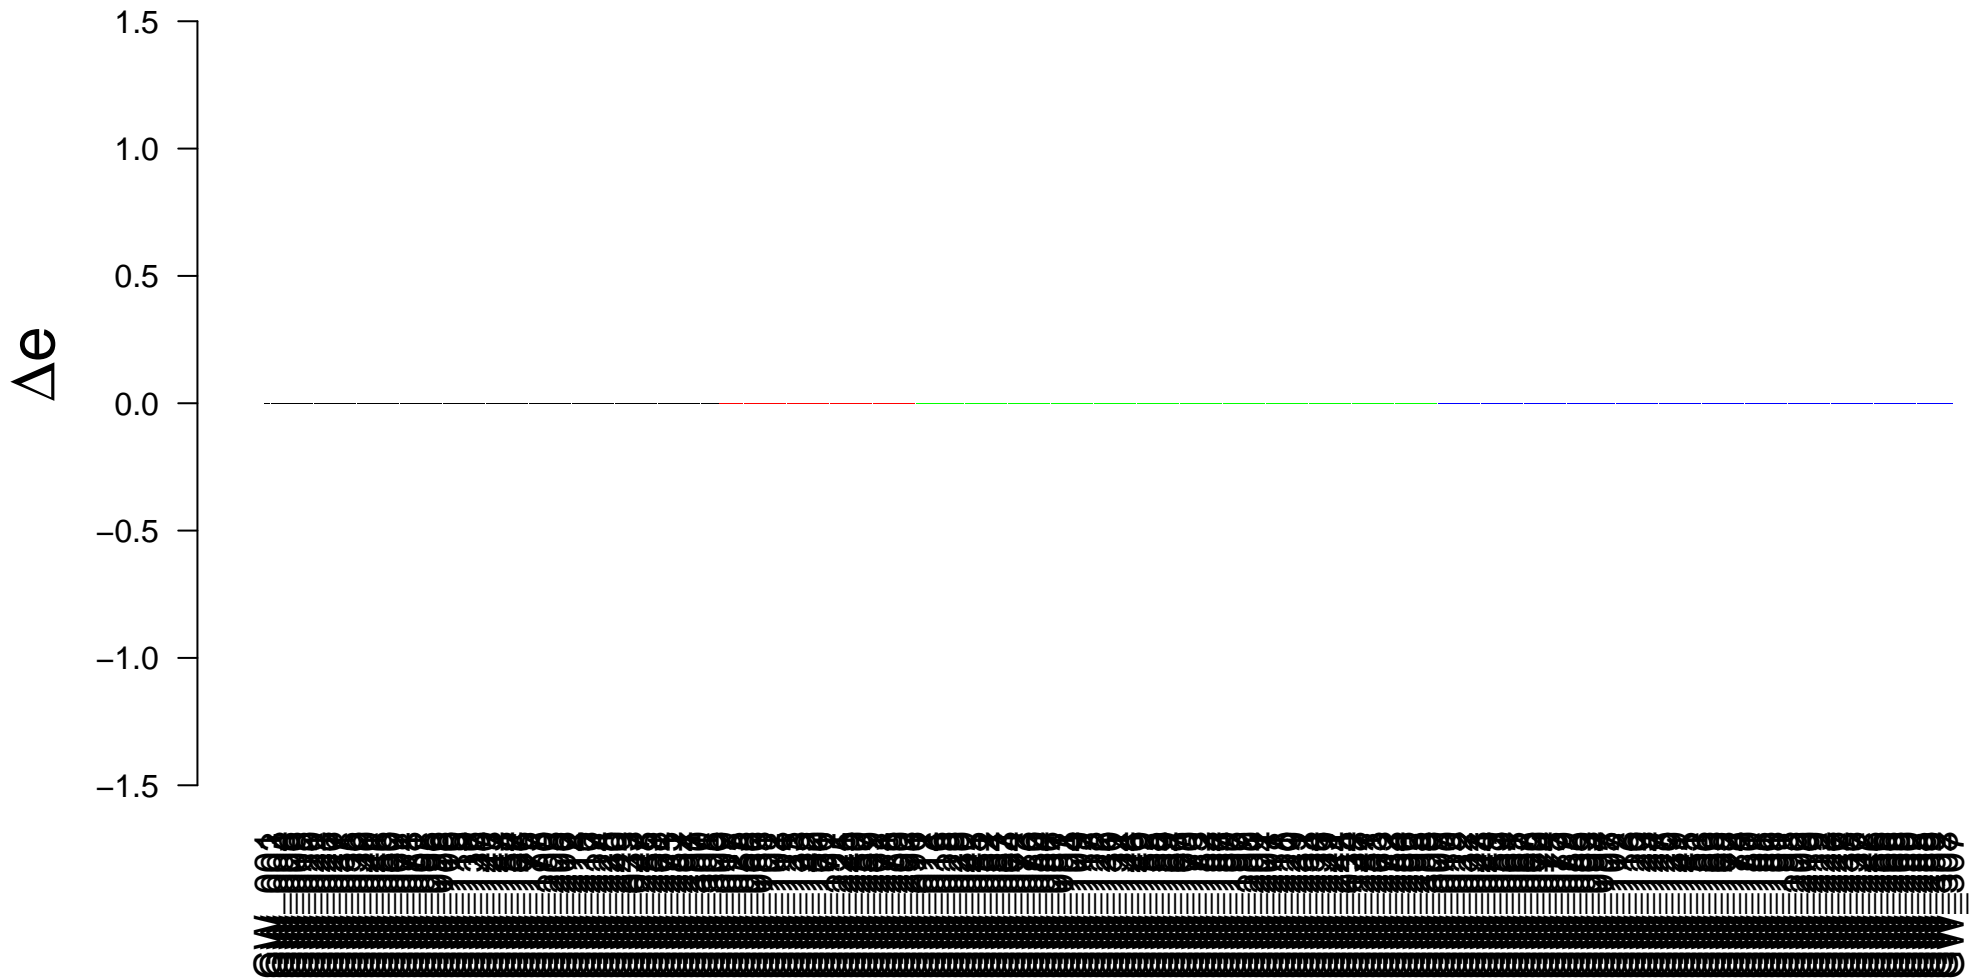

Expression of monocyte differentiation in Spot H

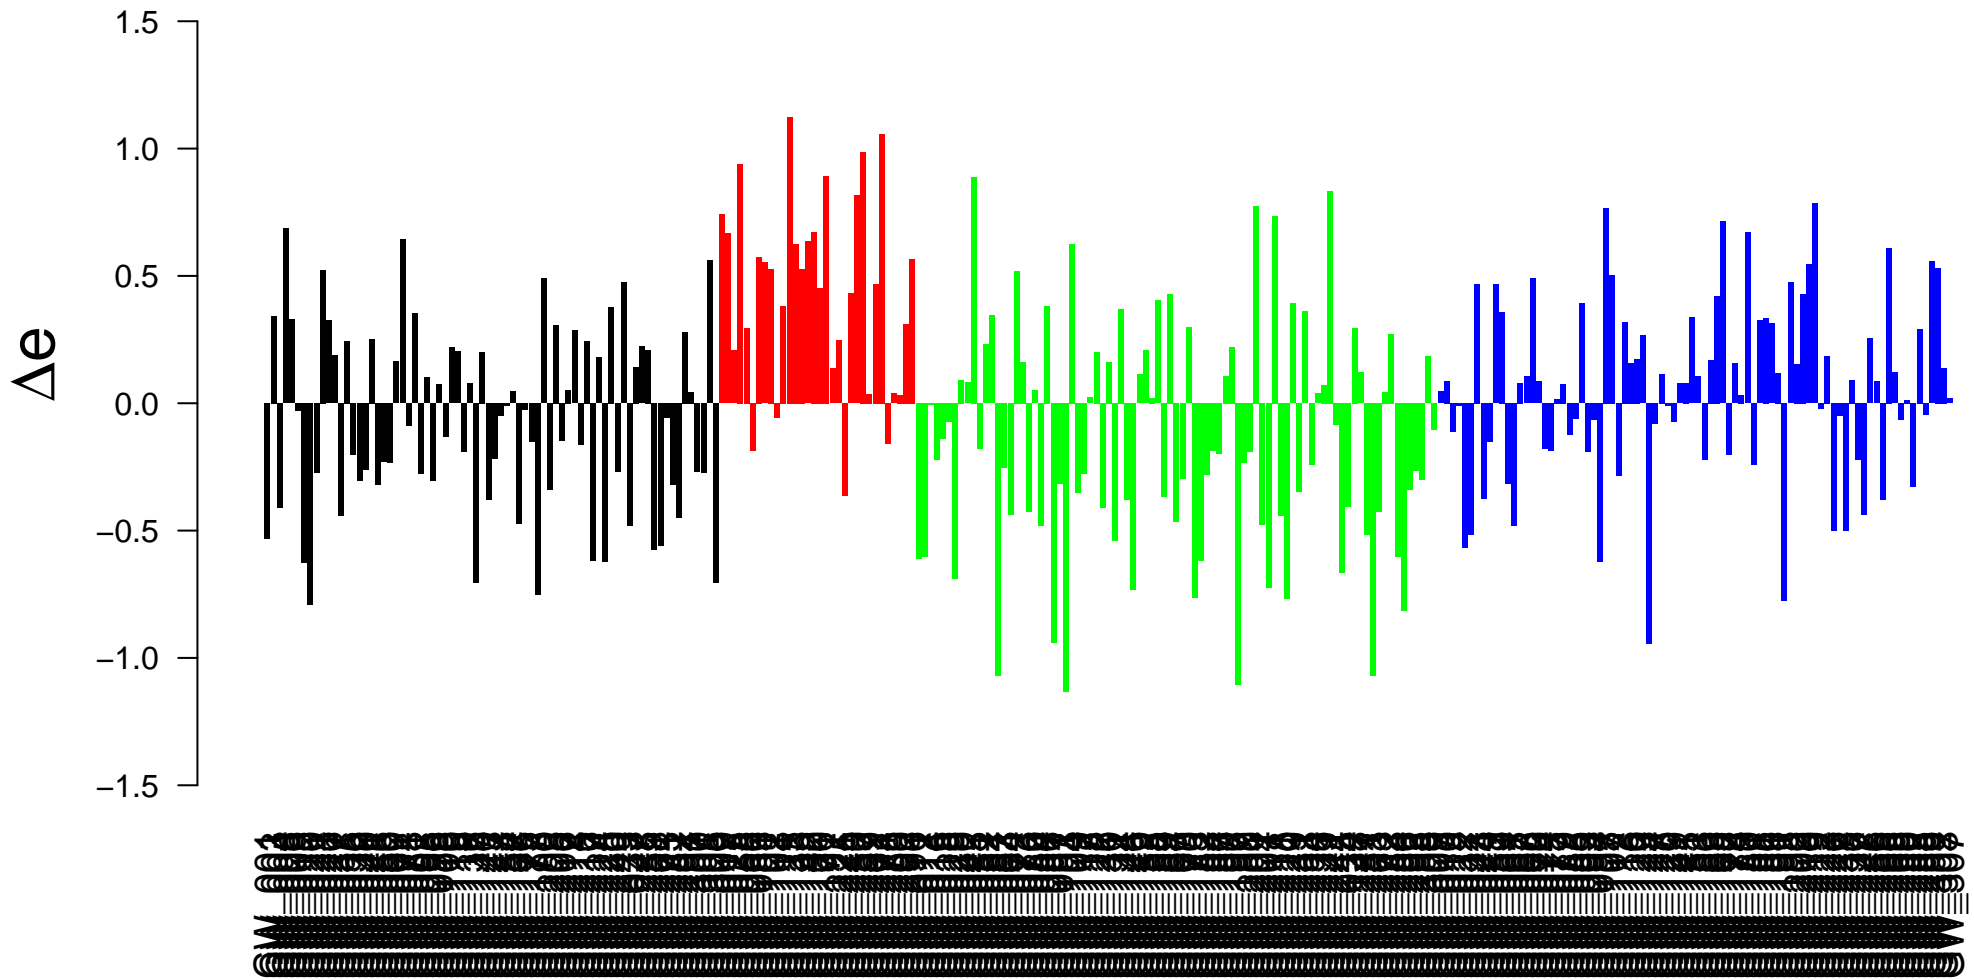

Expression of monocyte differentiation in Spot I

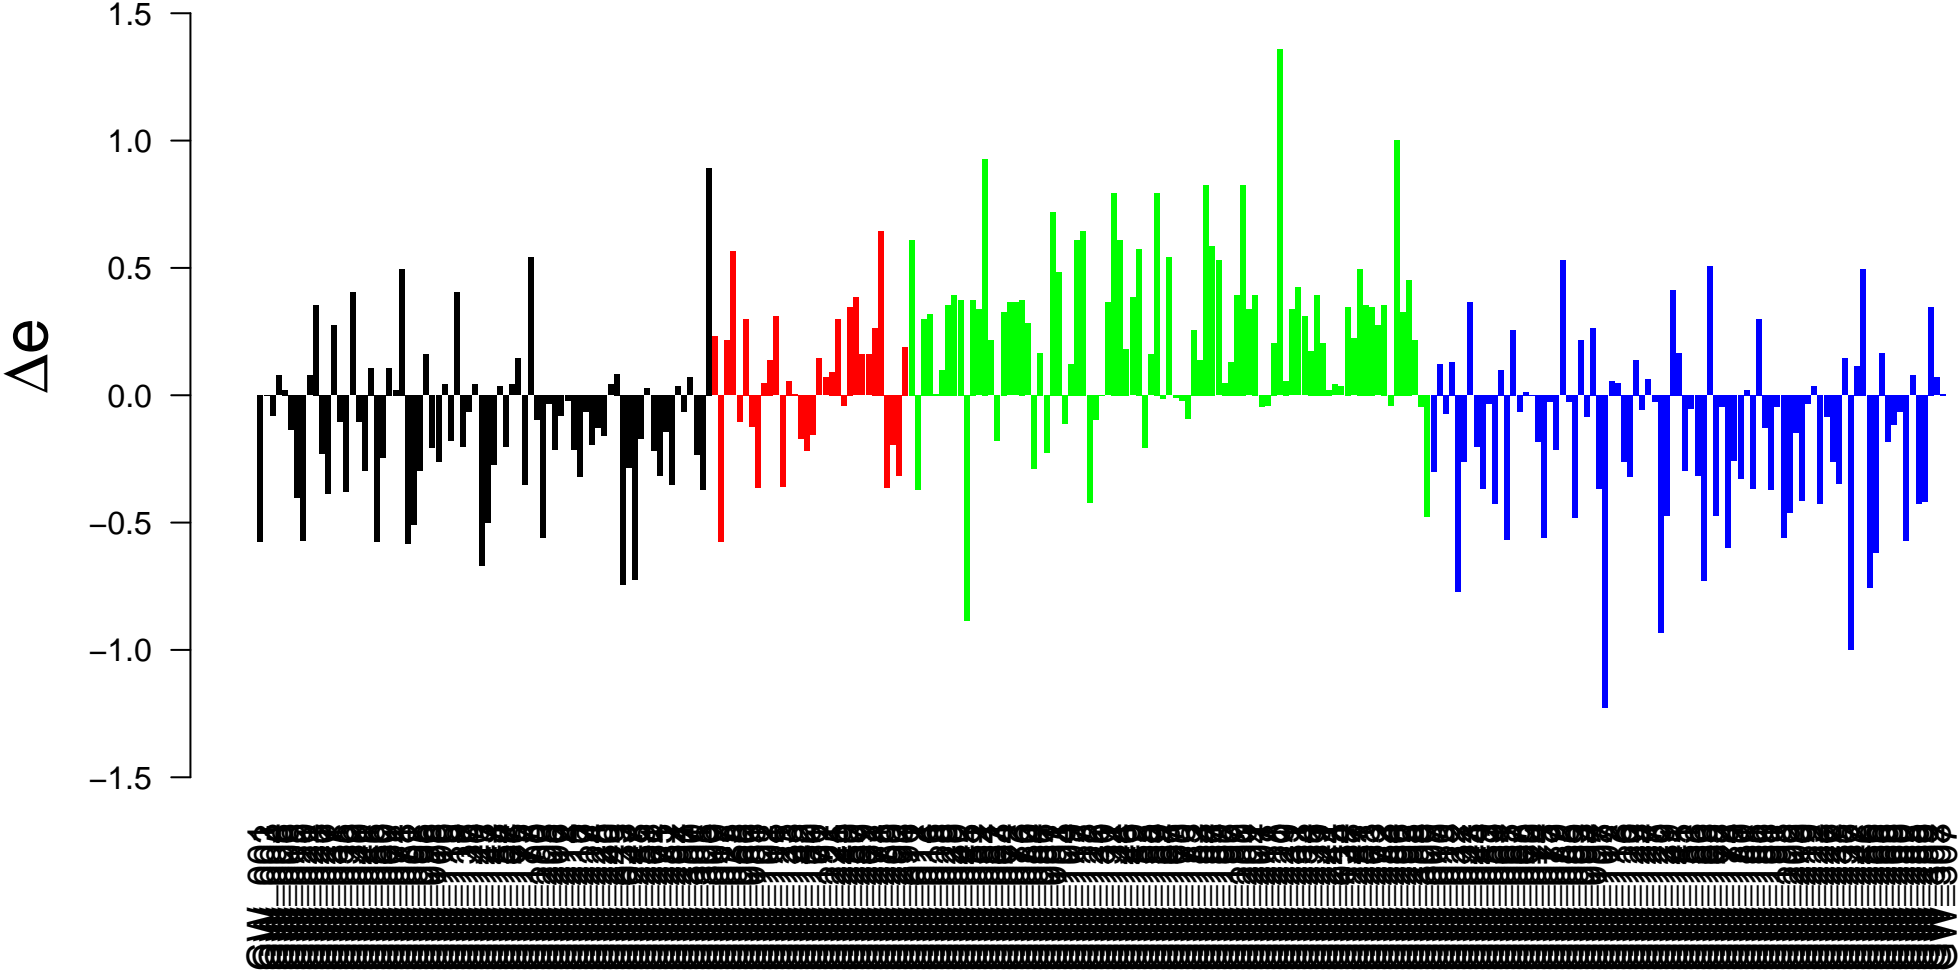

Expression of monocyte differentiation in Spot J

Expression of monocyte differentiation in Spot K

Expression of monocyte differentiation in Spot L

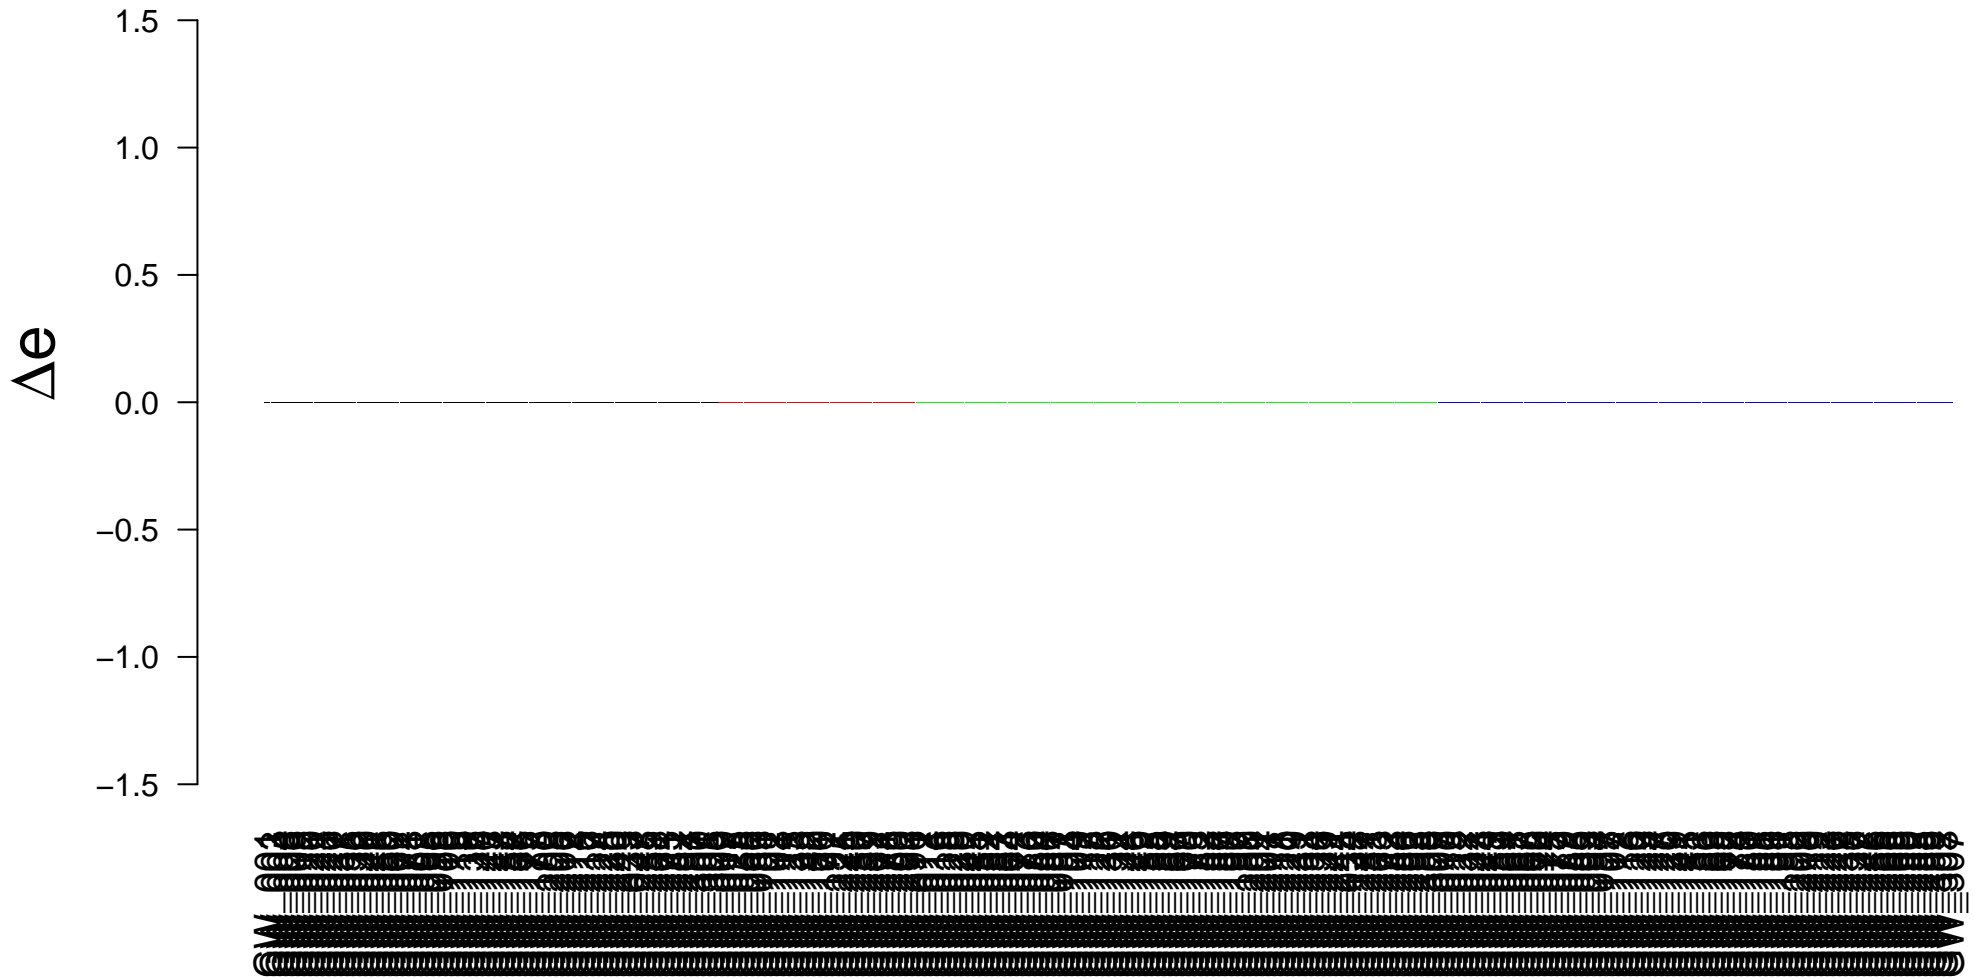

Expression of monocyte differentiation in Spot M
