

monoxygenase activity

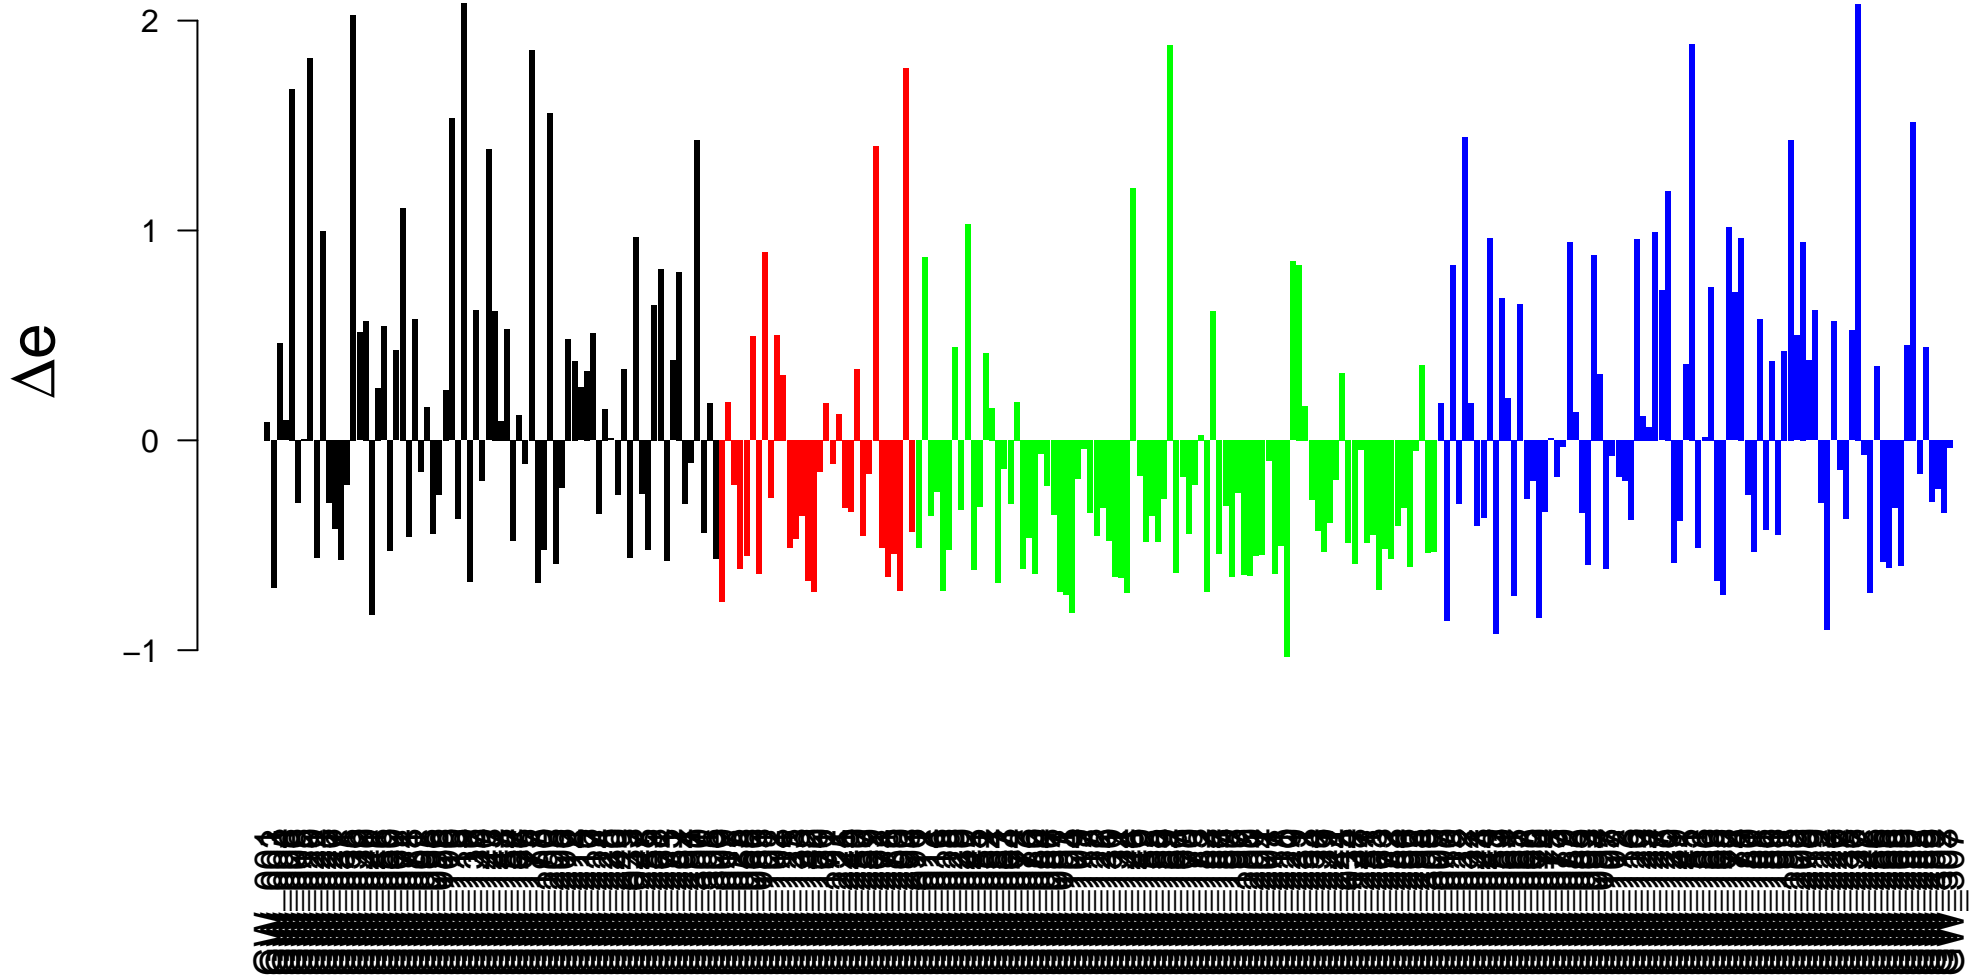

monooxygenase activity

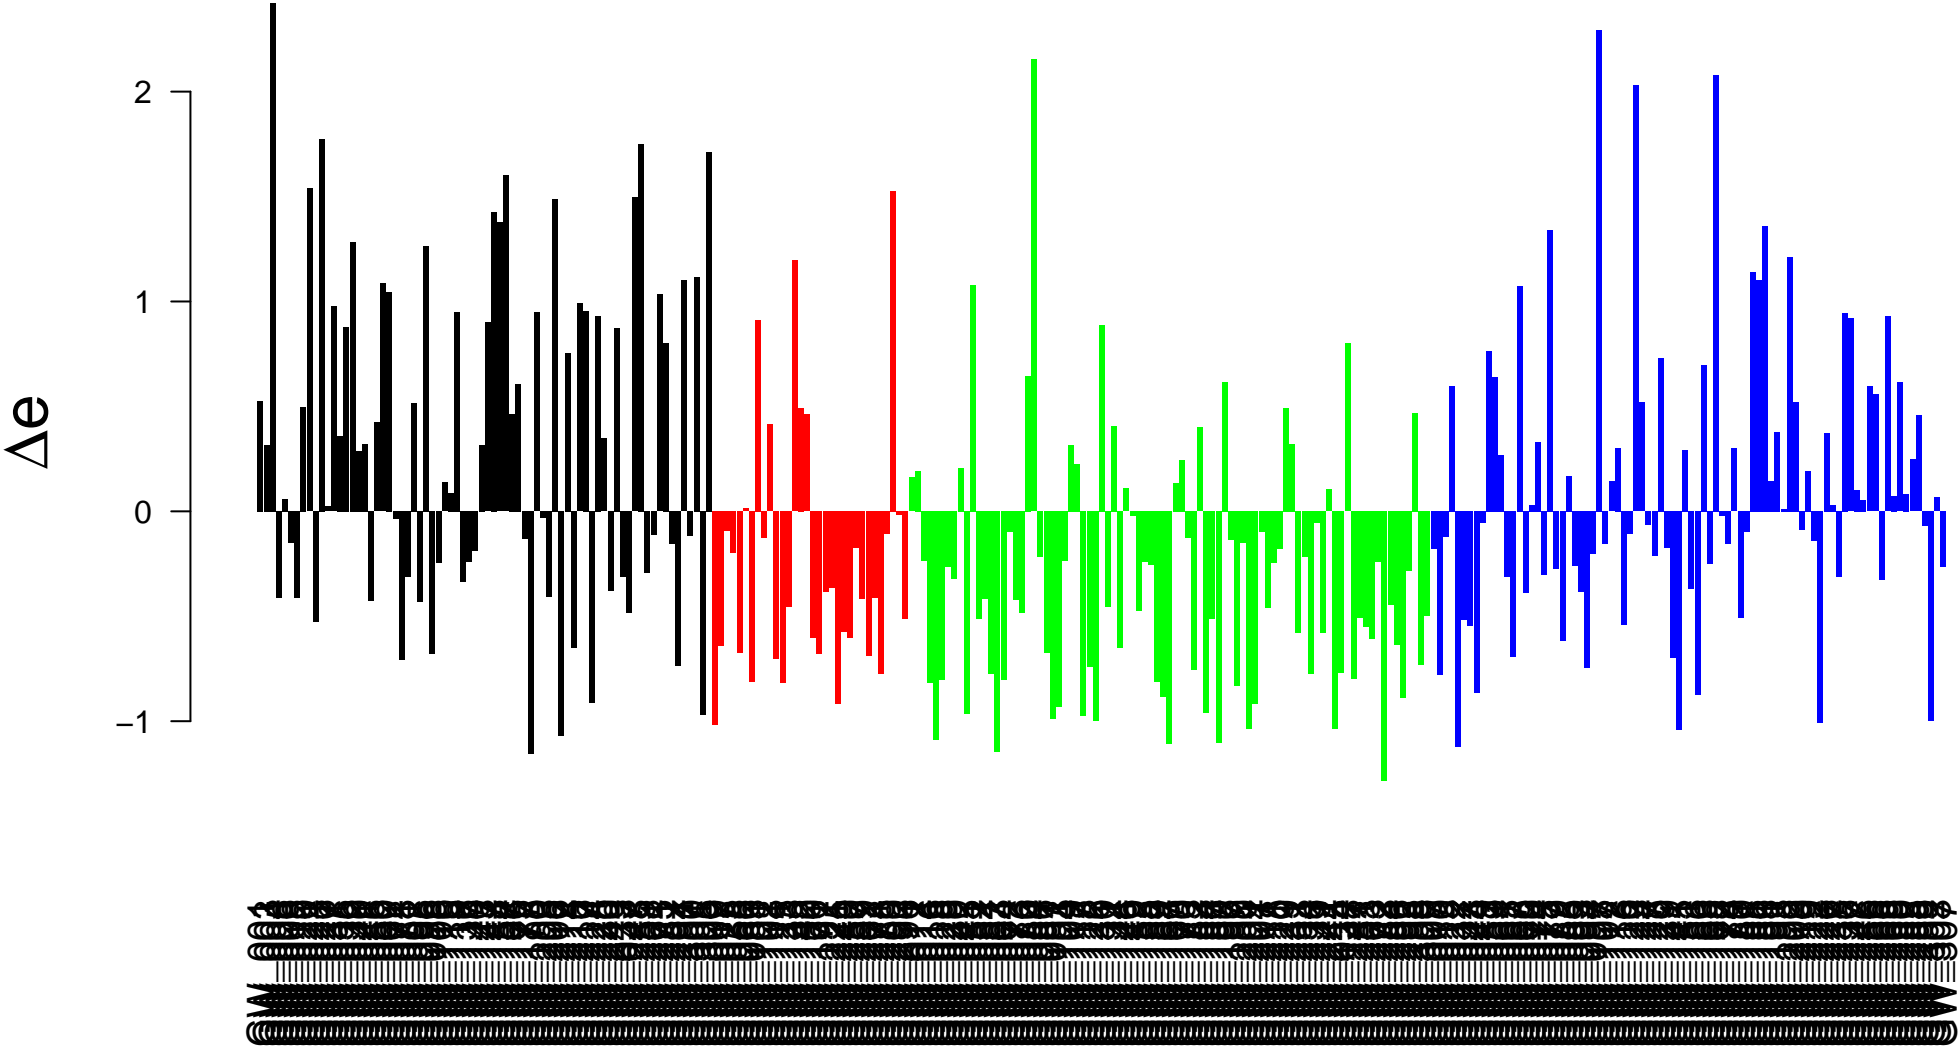

Enrichment in spots: monooxygenase activity

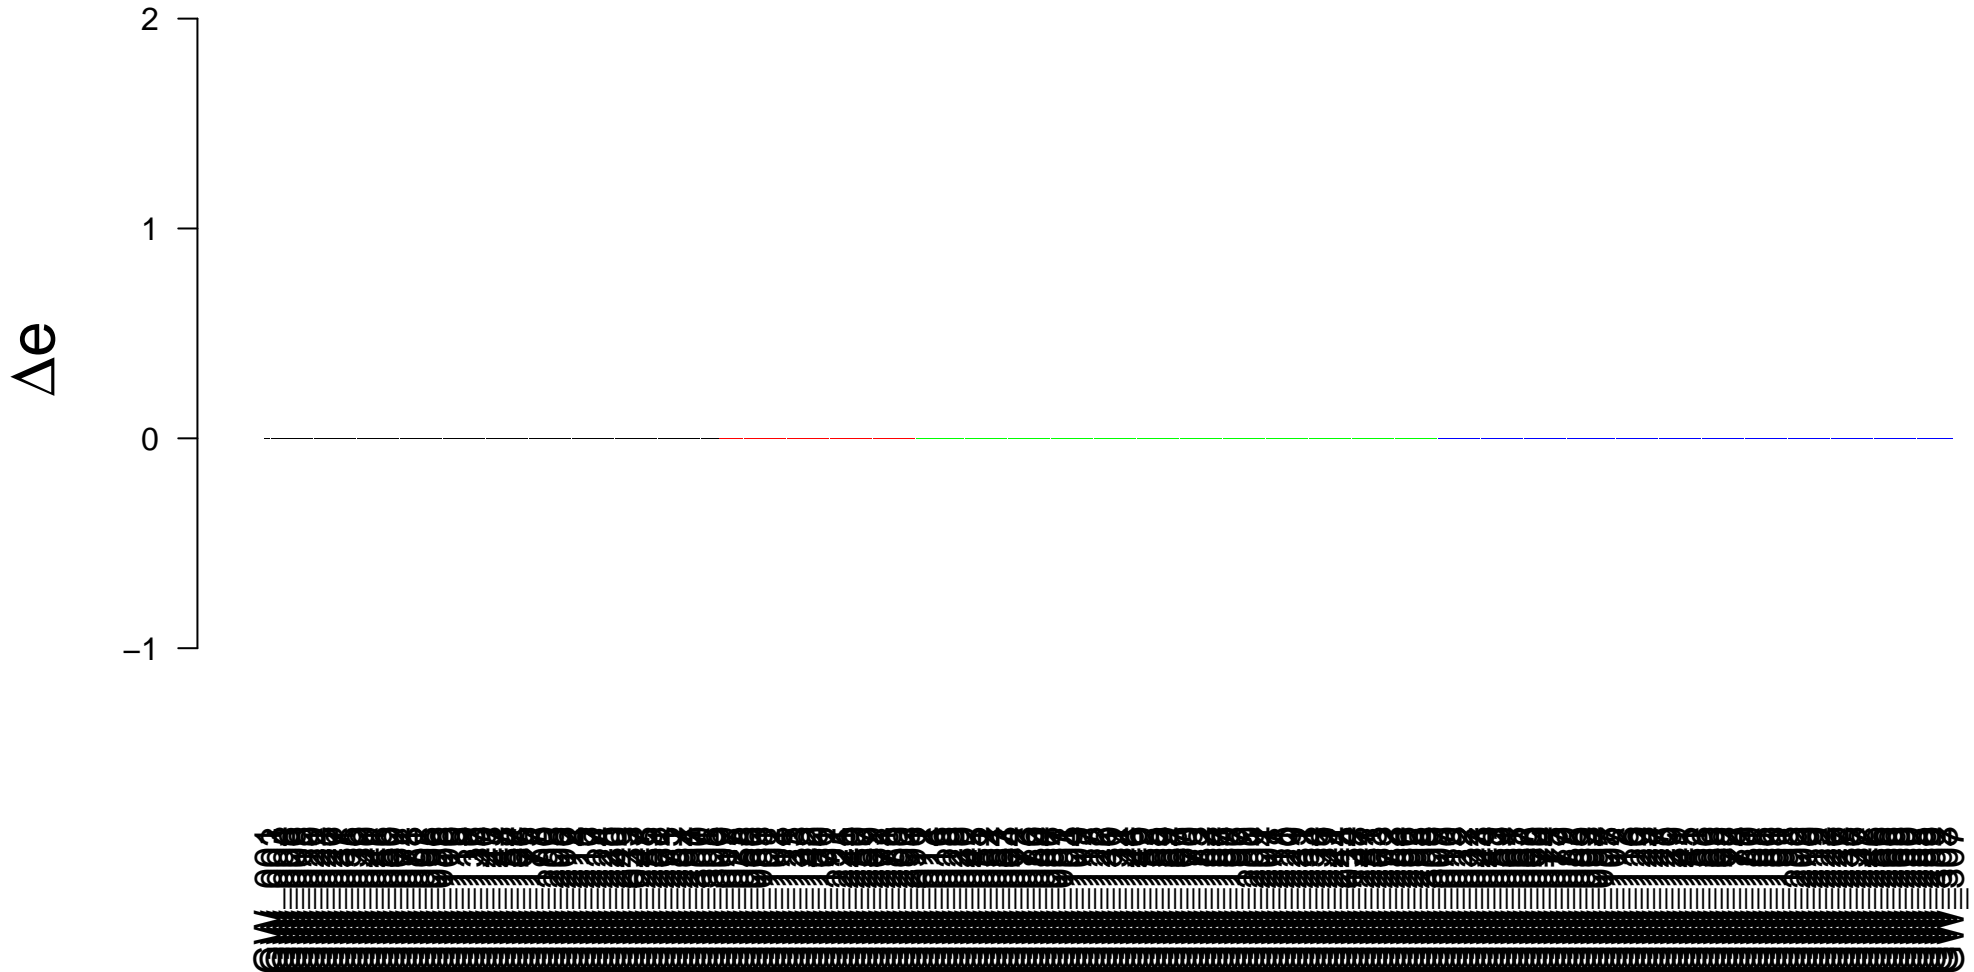

Expression of monooxygenase activity in Spot A

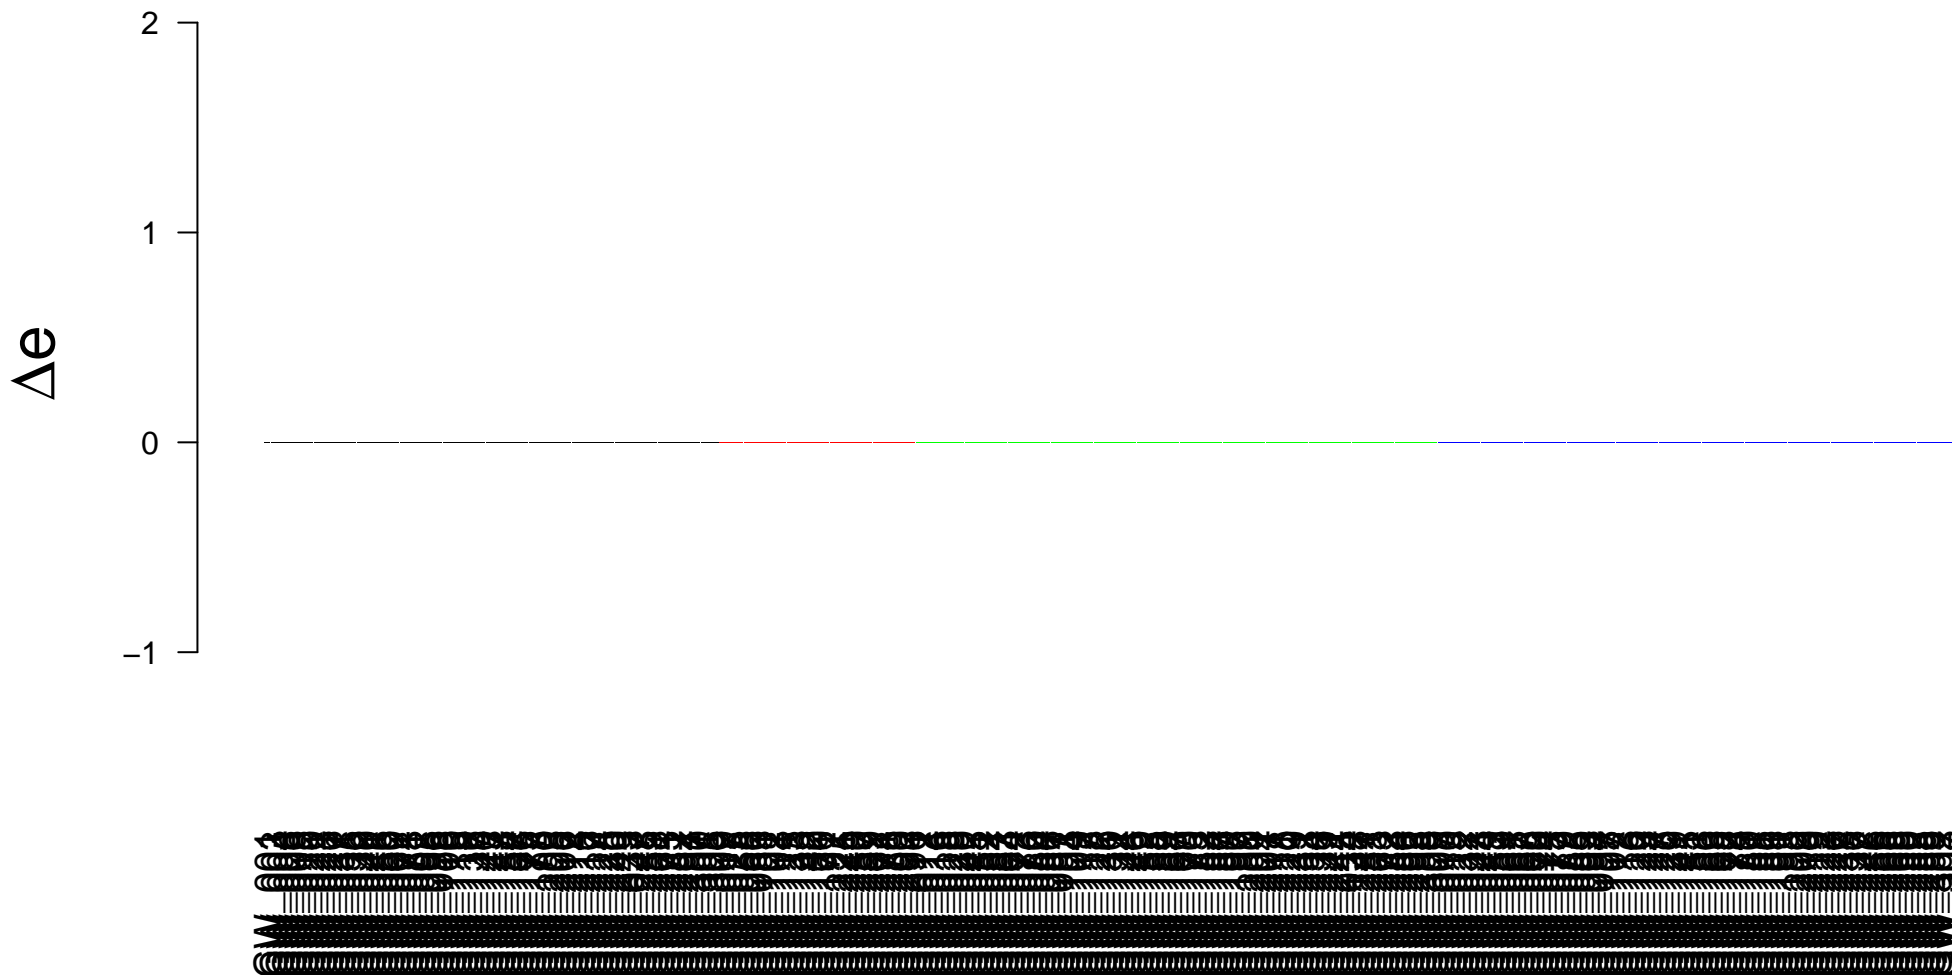

Expression of monooxygenase activity in Spot B

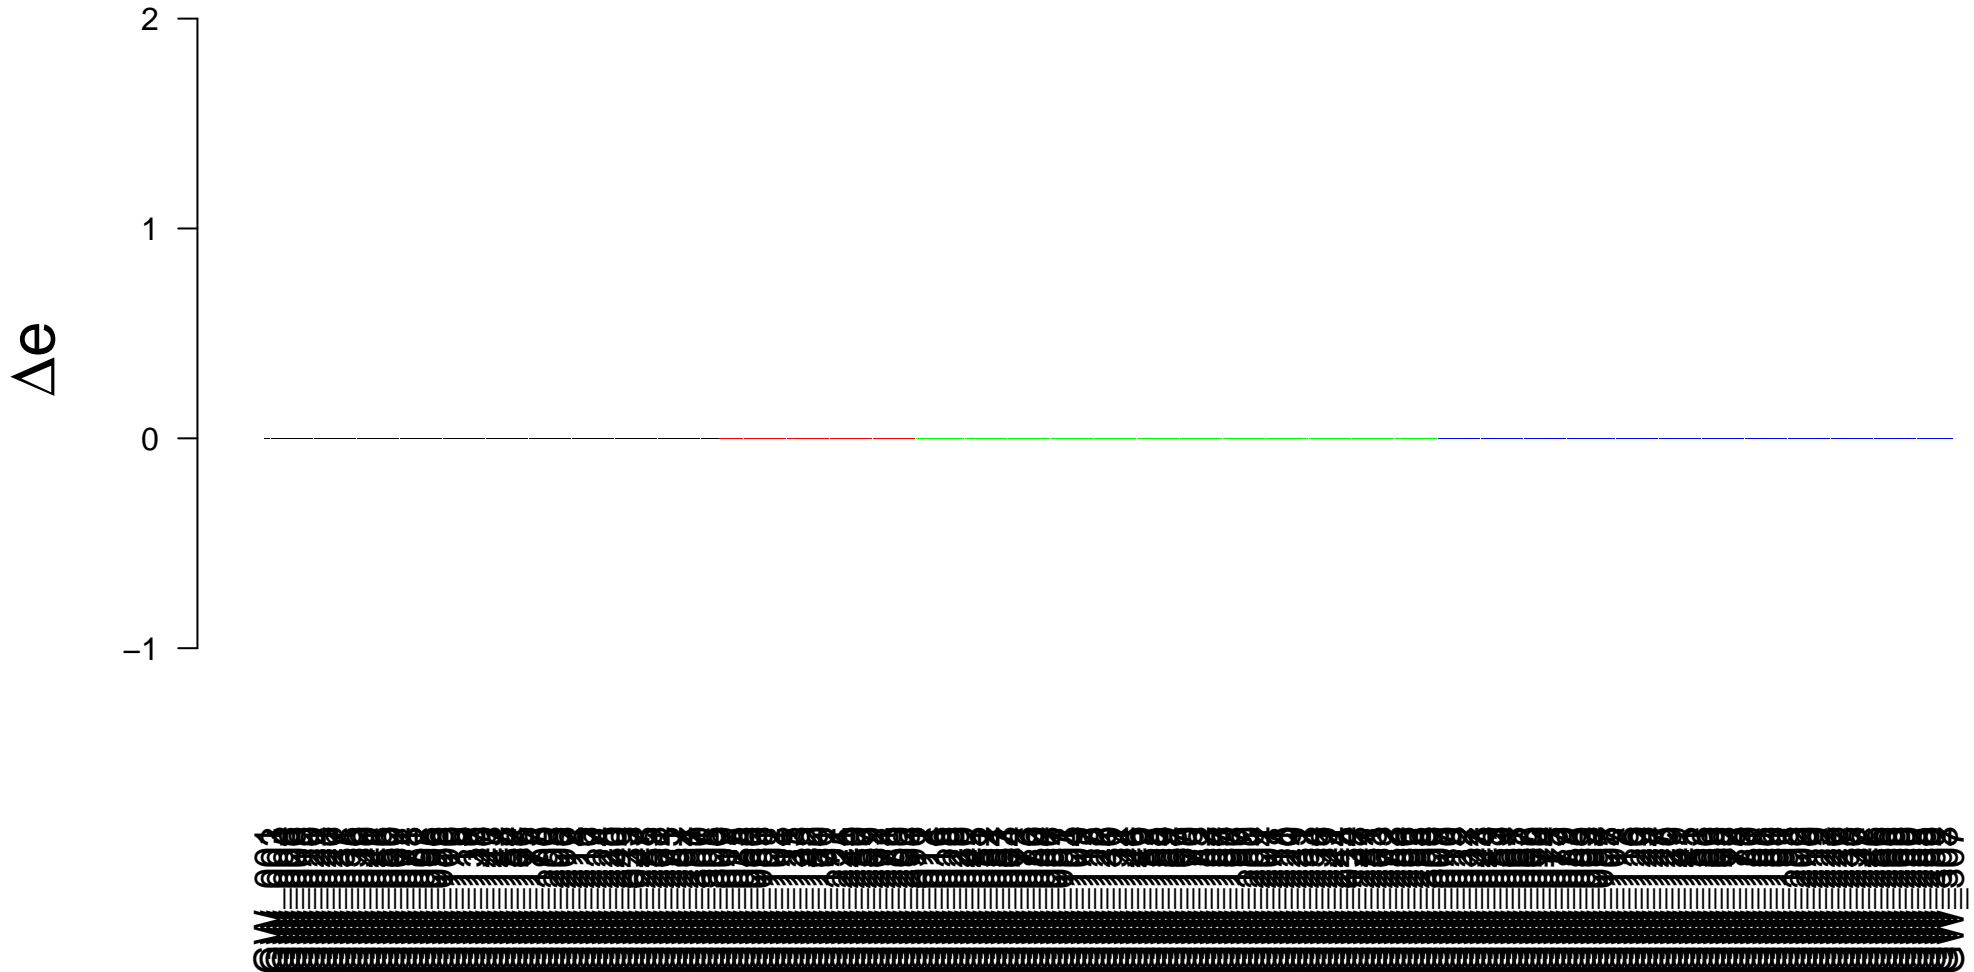

Expression of monooxygenase activity in Spot C

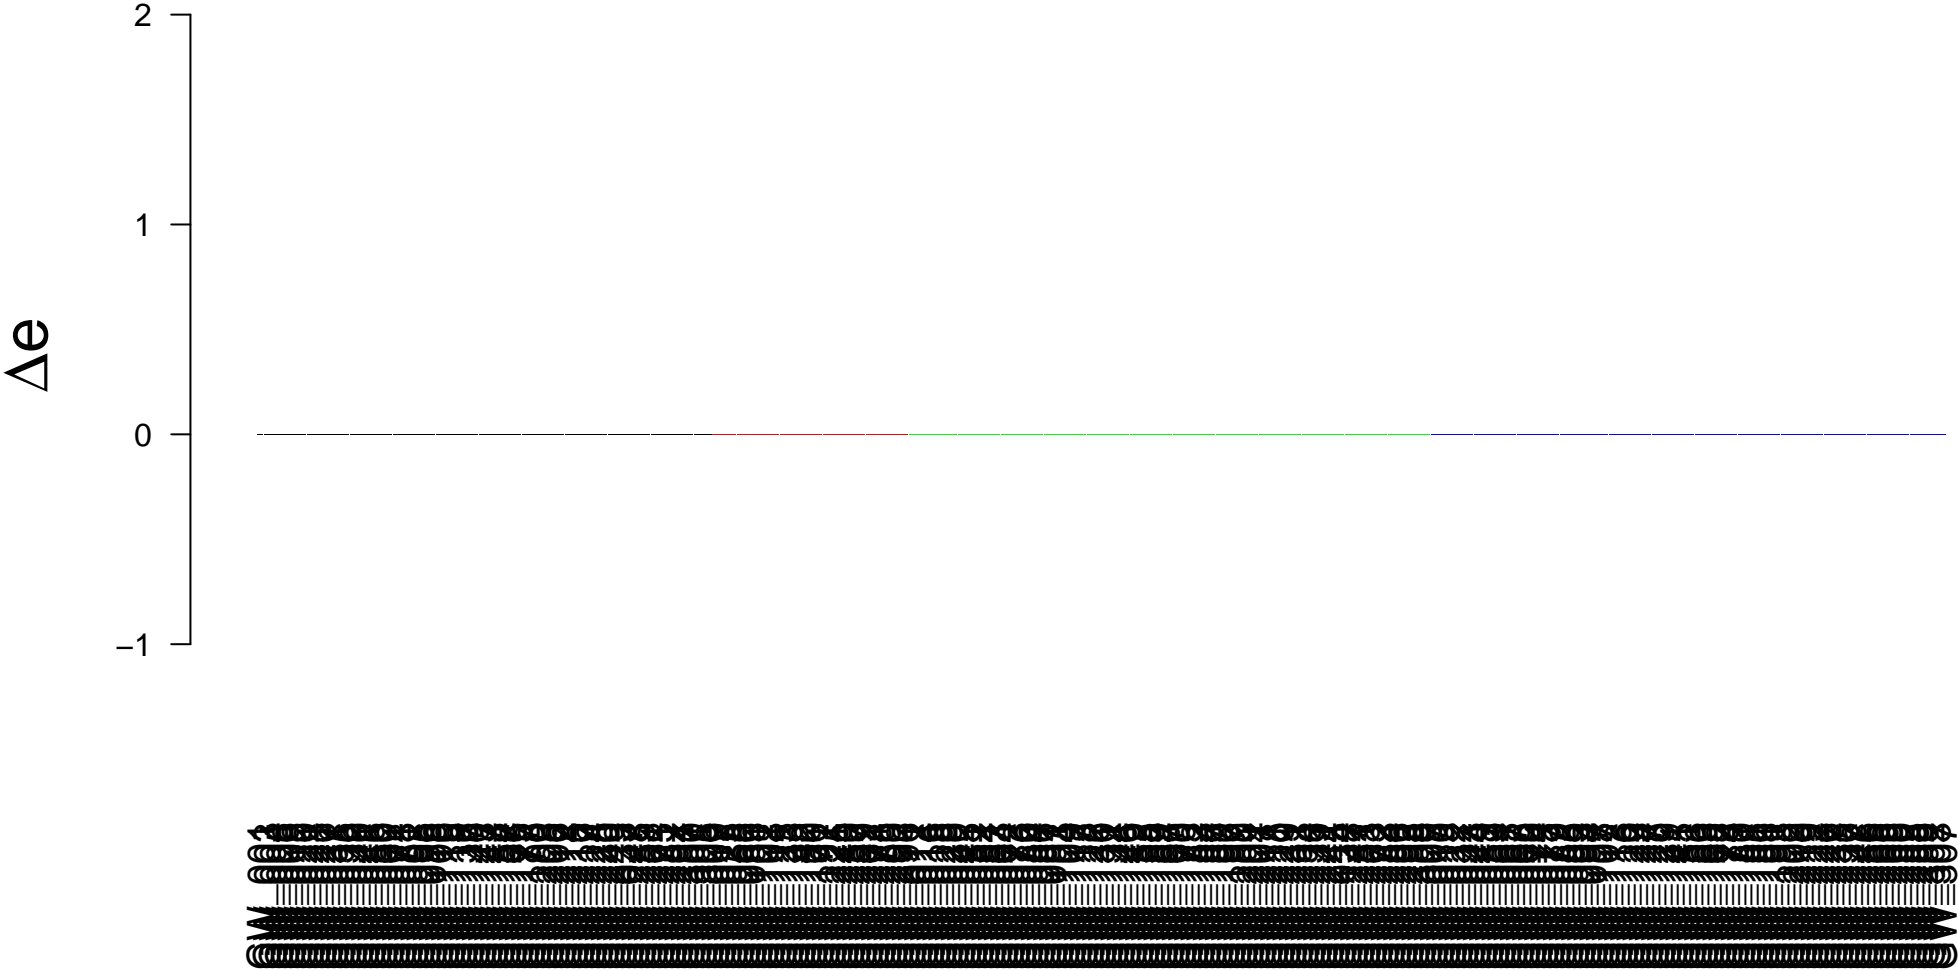

Expression of monooxygenase activity in Spot D

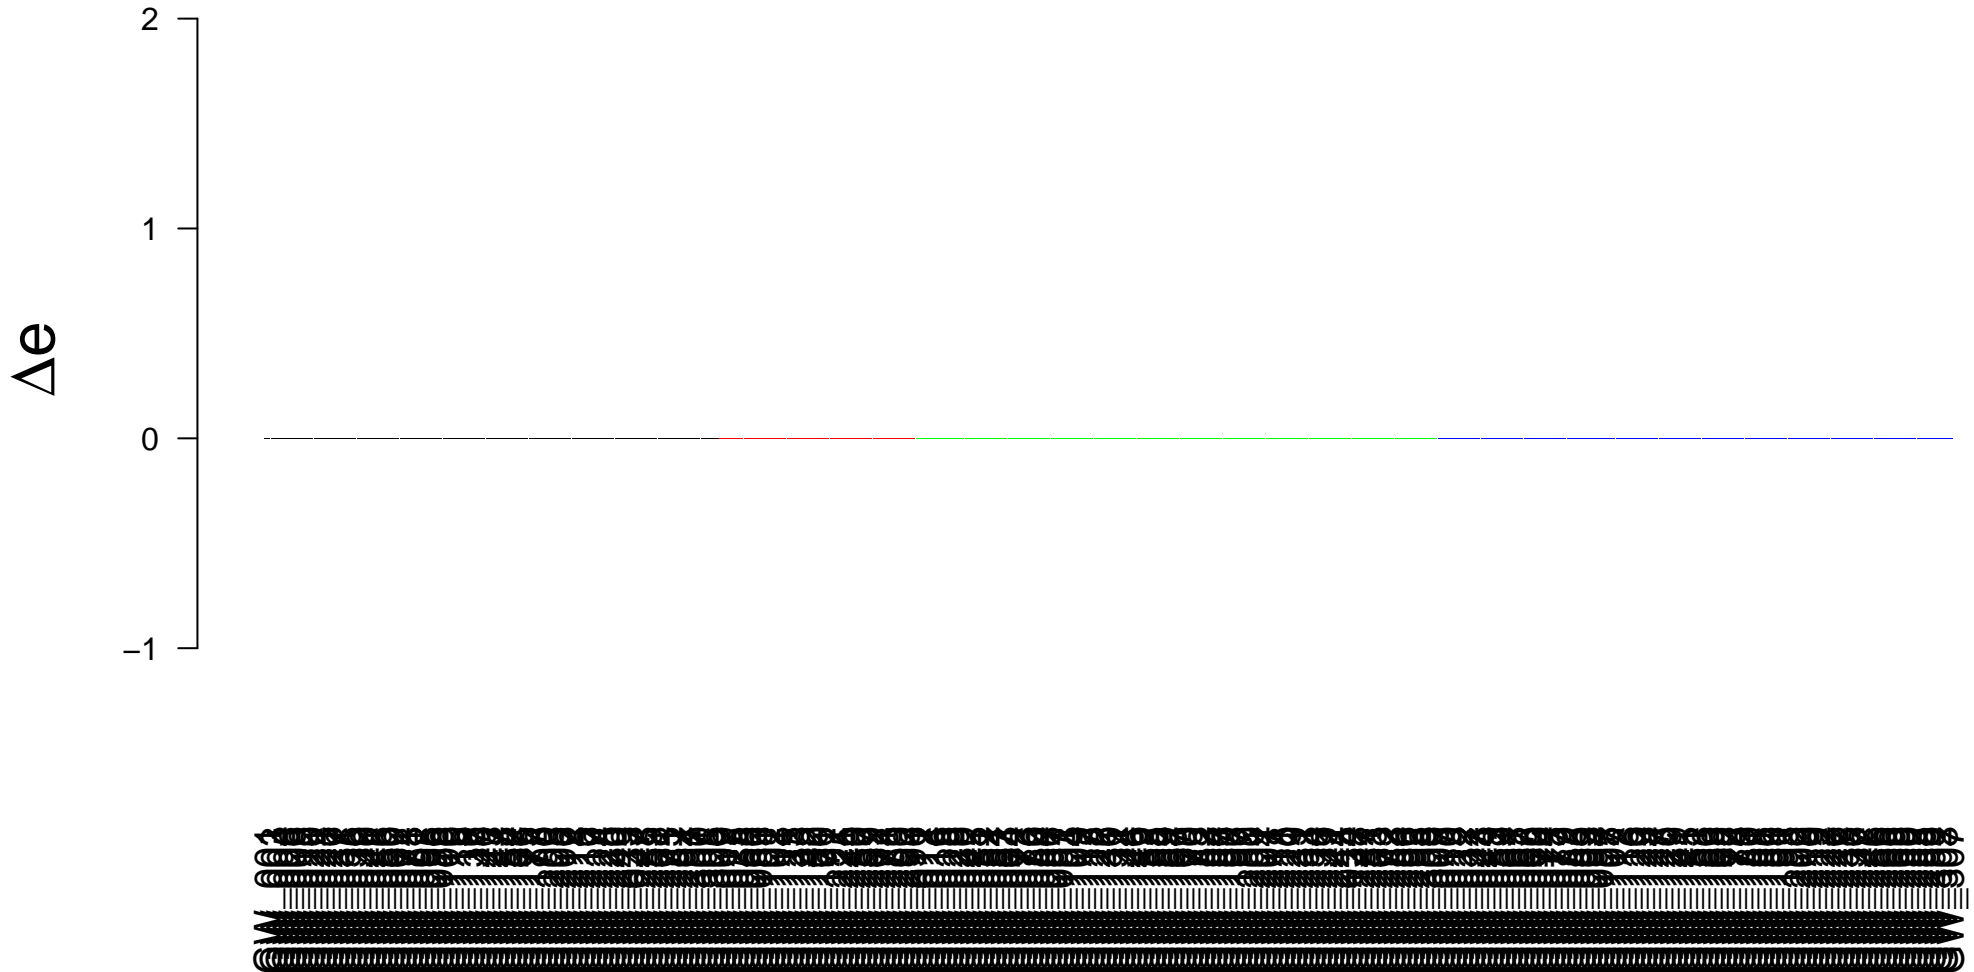

Expression of monooxygenase activity in Spot E

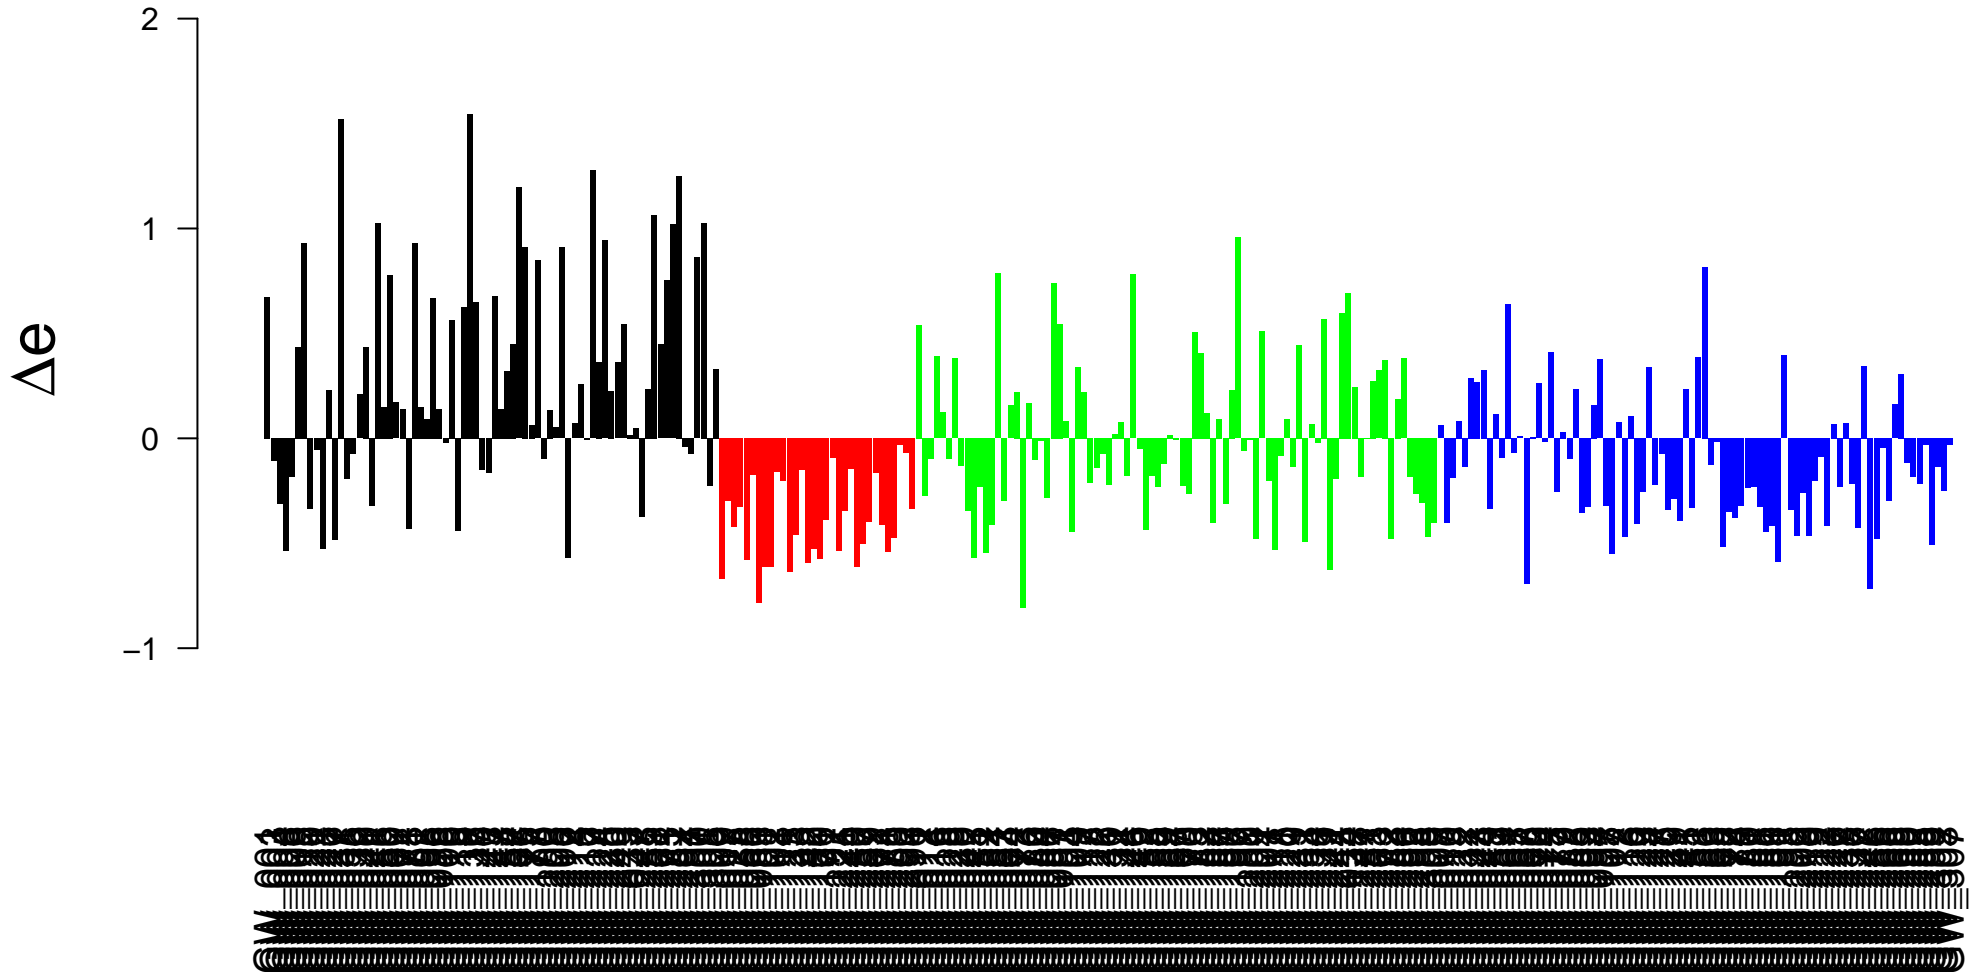

Expression of monooxygenase activity in Spot F

Expression of monooxygenase activity in Spot G

Expression of monooxygenase activity in Spot H

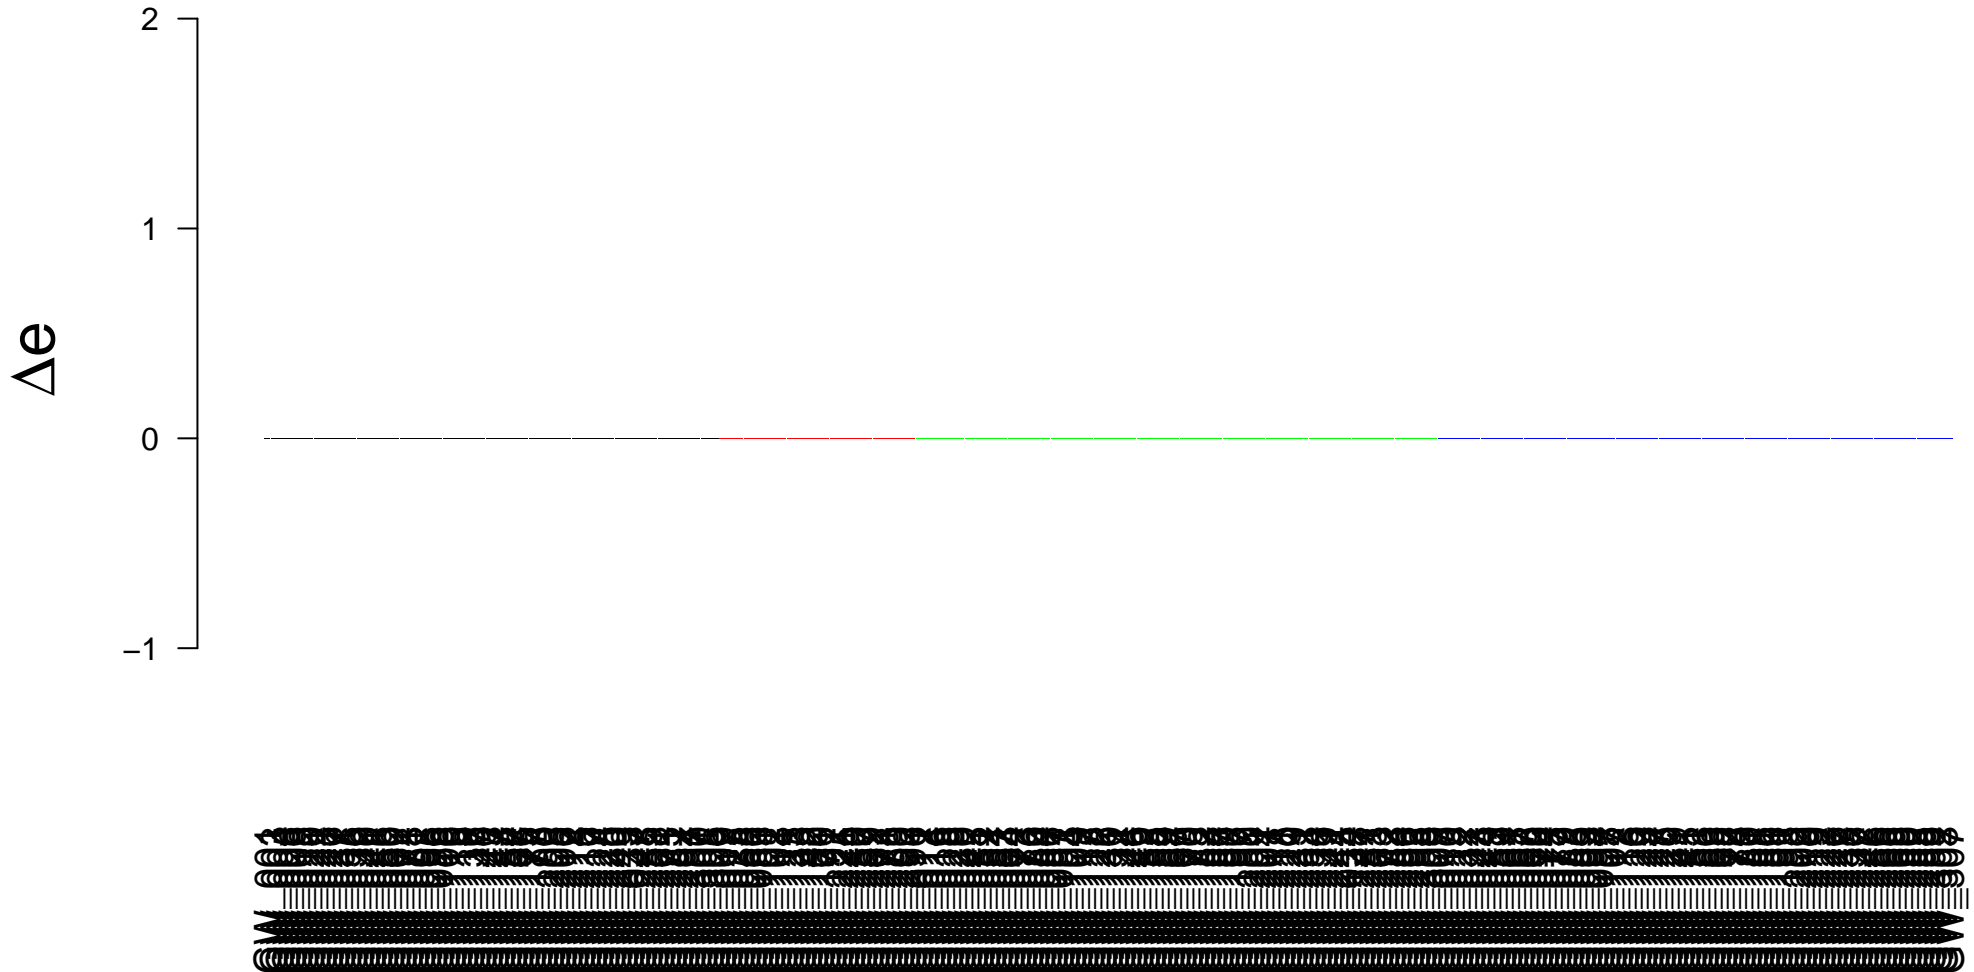

Expression of monooxygenase activity in Spot I

Expression of monooxygenase activity in Spot J

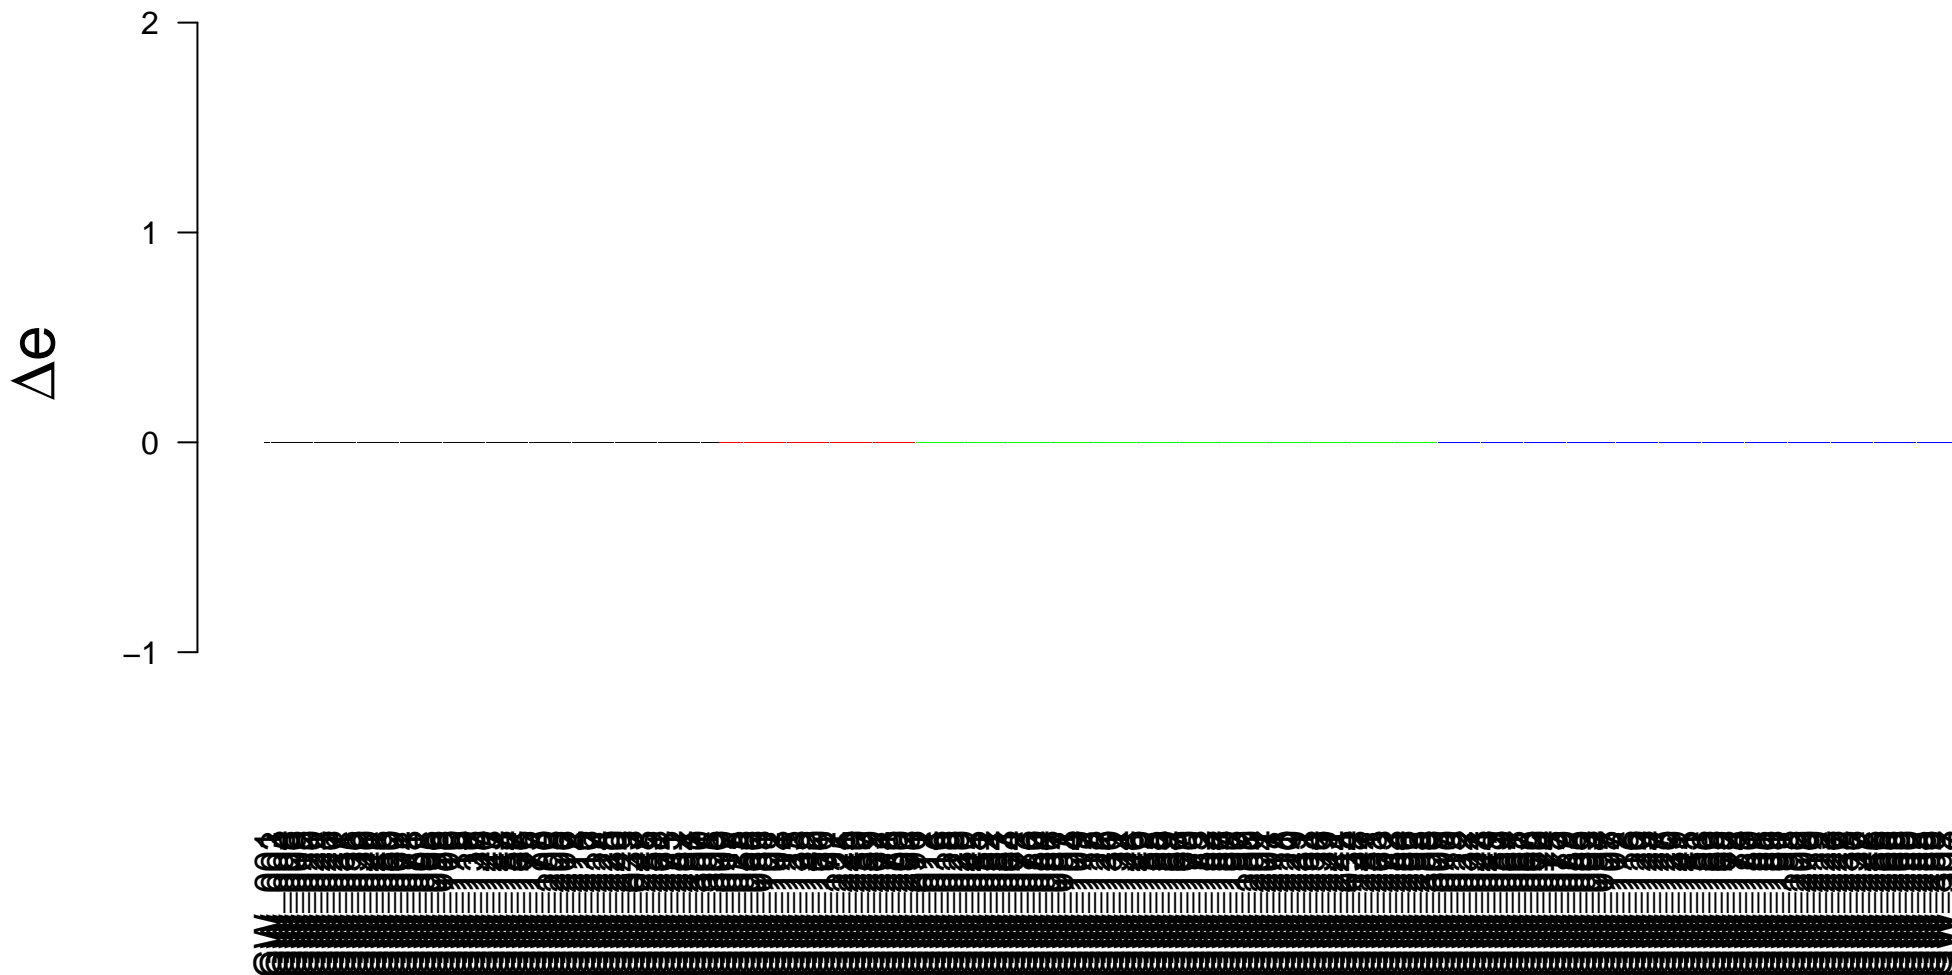

Expression of monooxygenase activity in Spot K

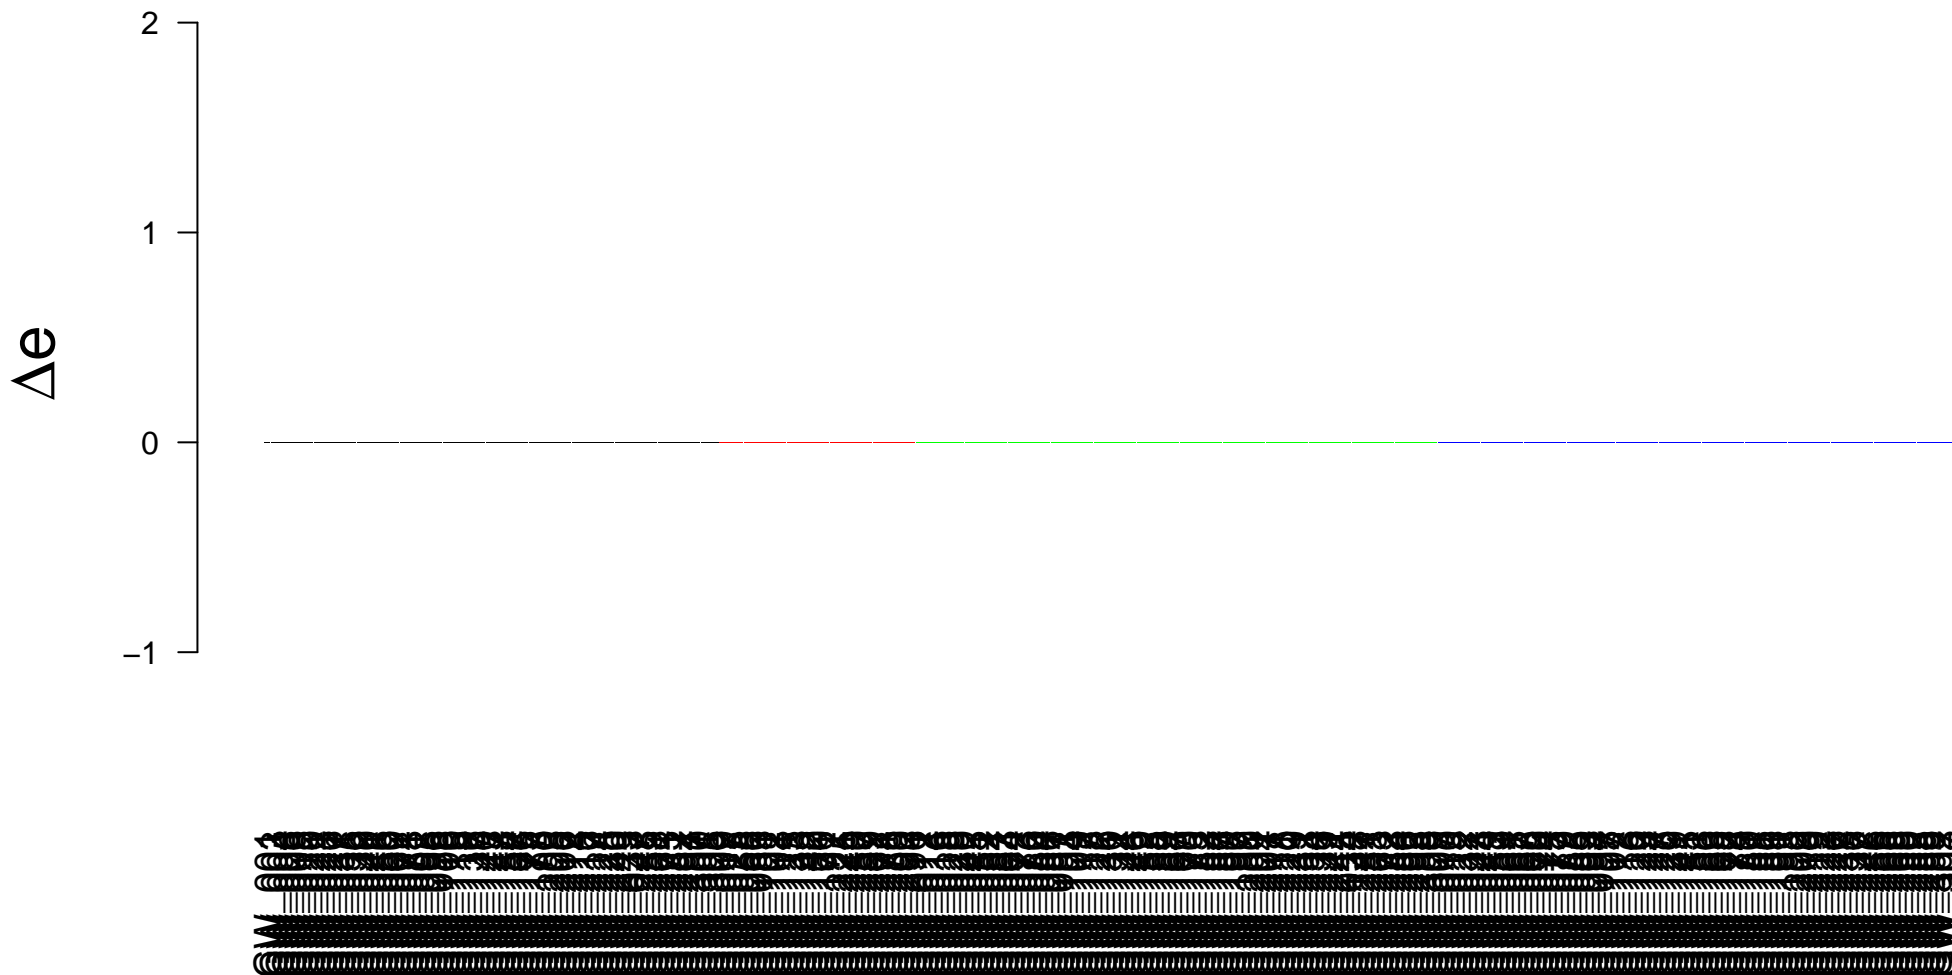

Expression of monooxygenase activity in Spot L

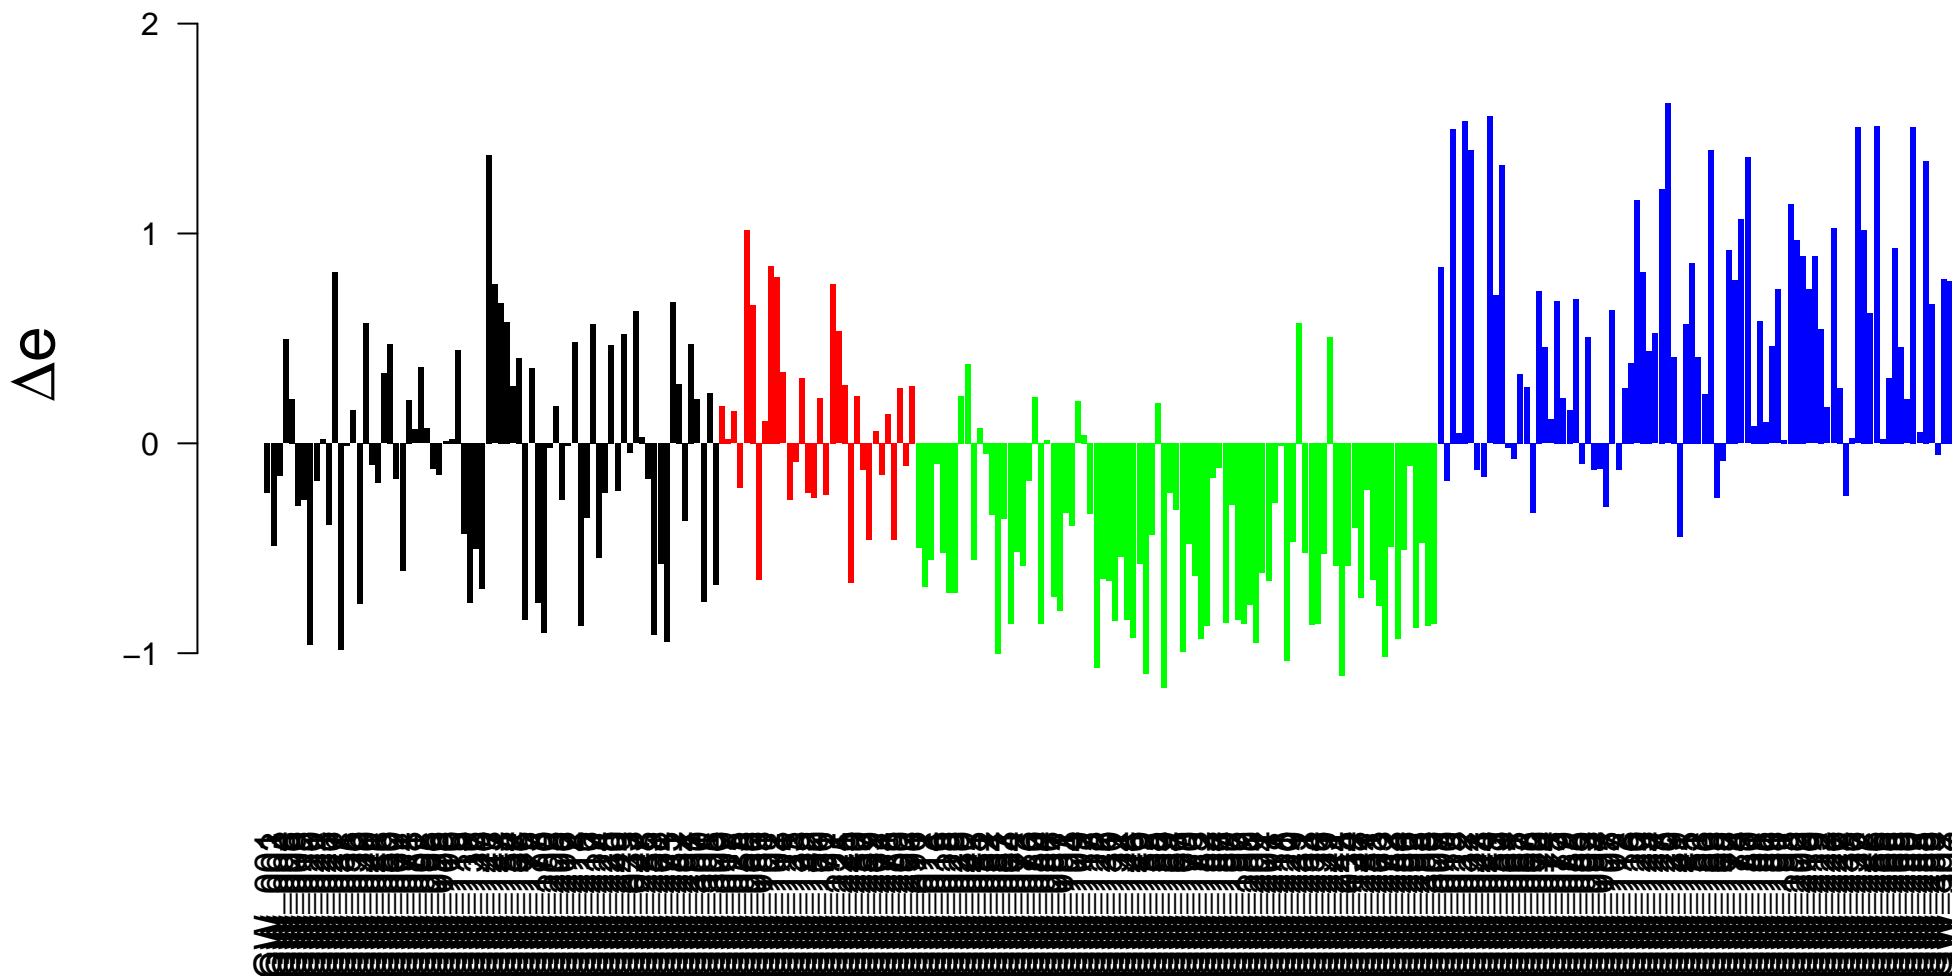

Expression of monooxygenase activity in Spot M

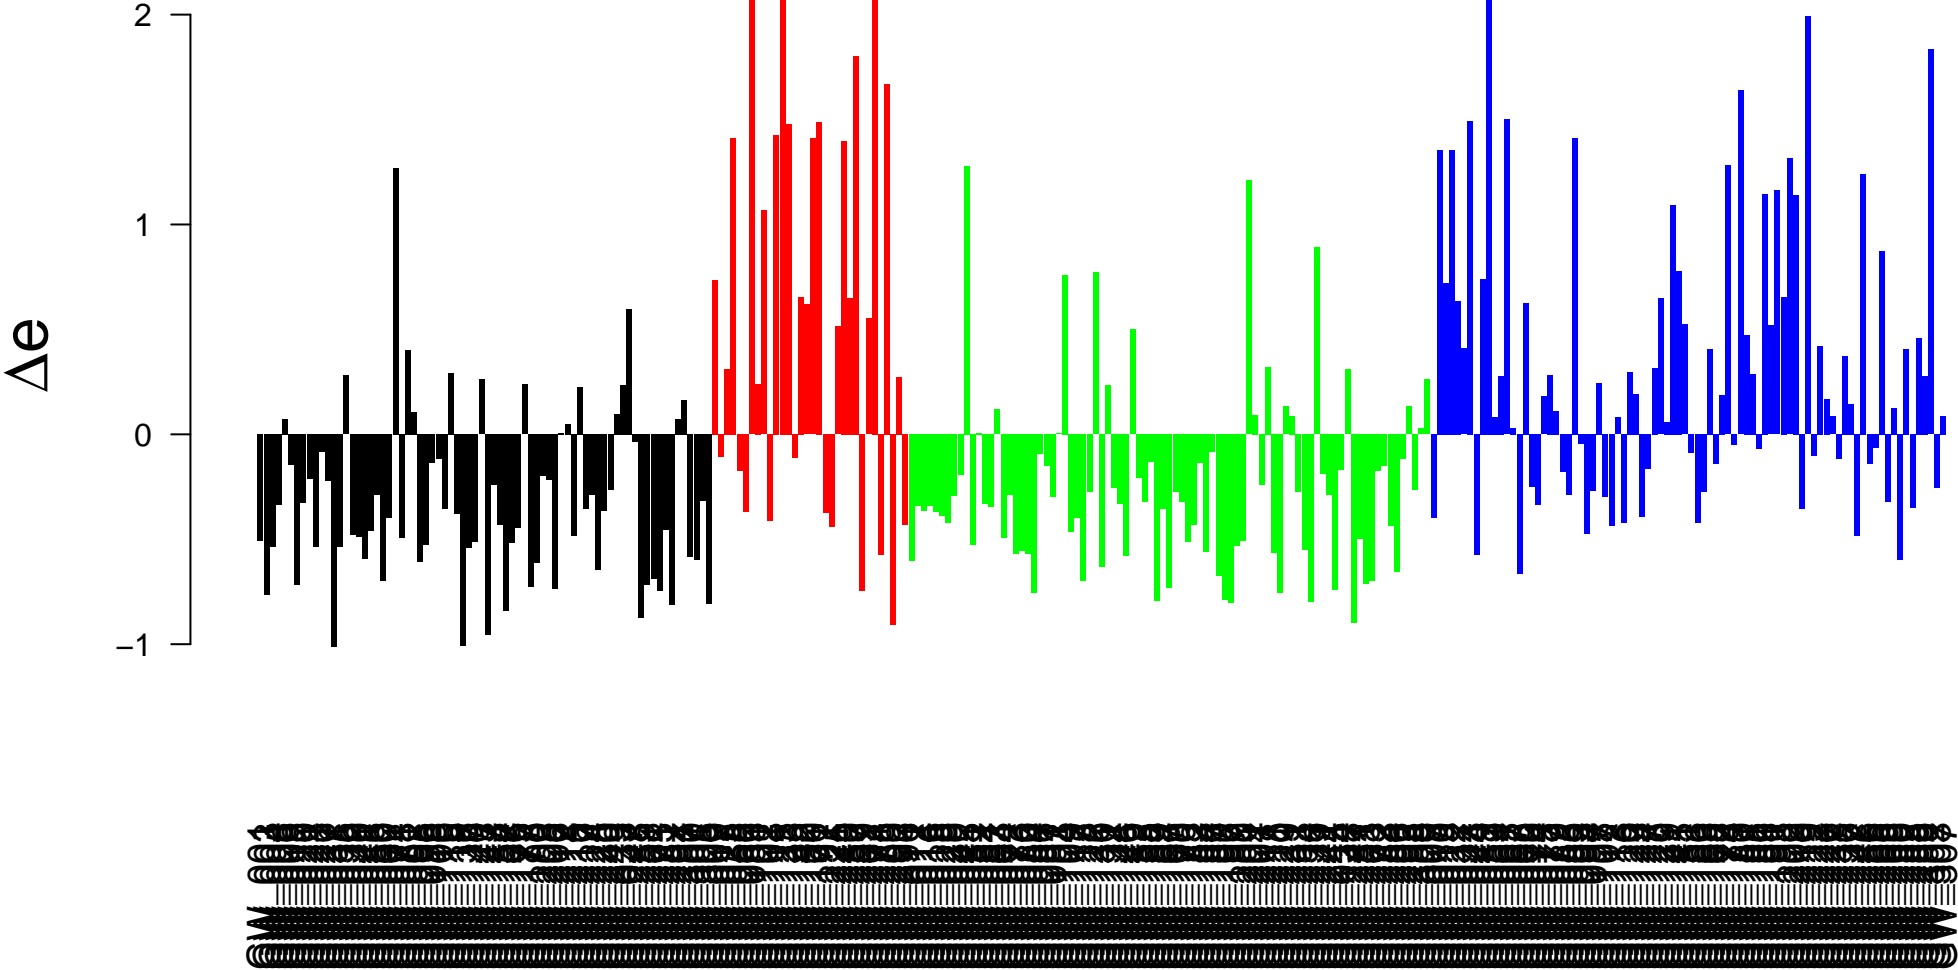

Expression of monooxygenase activity in Spot N

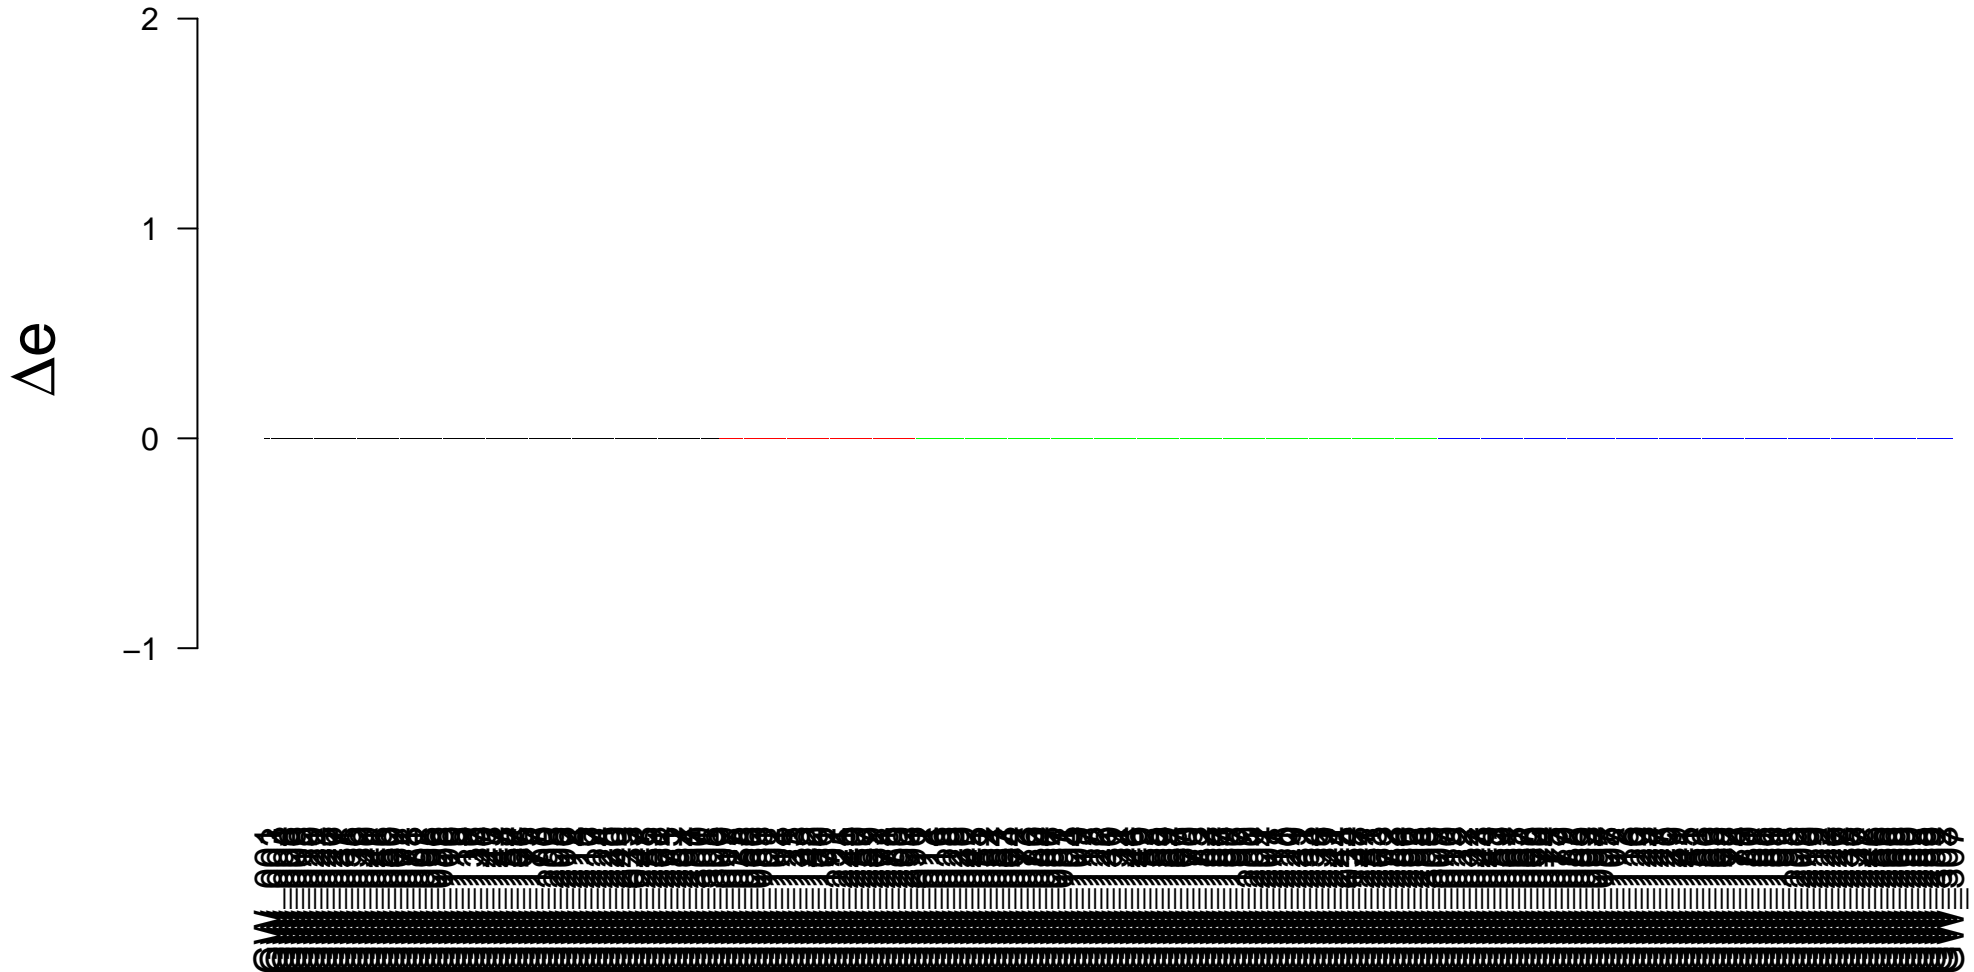

Expression of monooxygenase activity in Spot O

Expression of monooxygenase activity in Spot P

Expression of monooxygenase activity in Spot Q

Expression of monooxygenase activity in Spot R
