

muscle cell differentiation

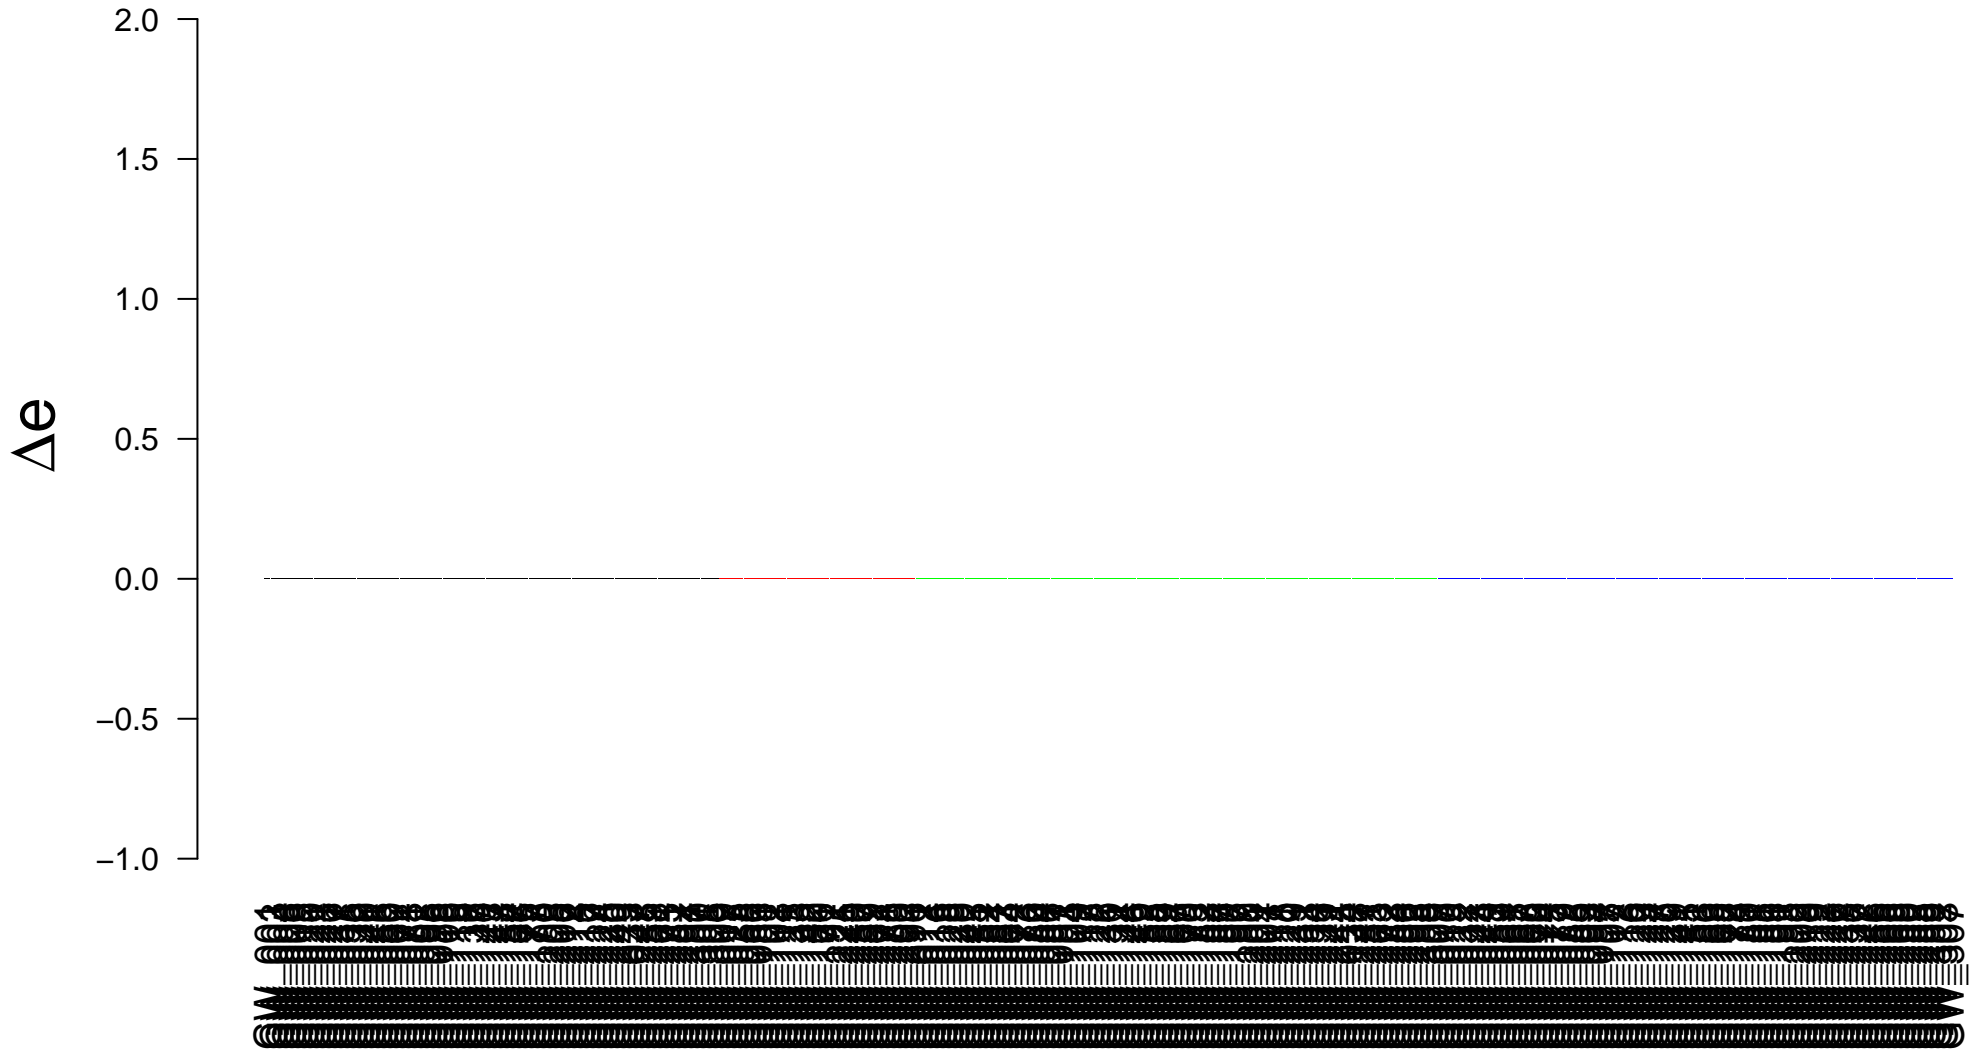

muscle cell differentiation

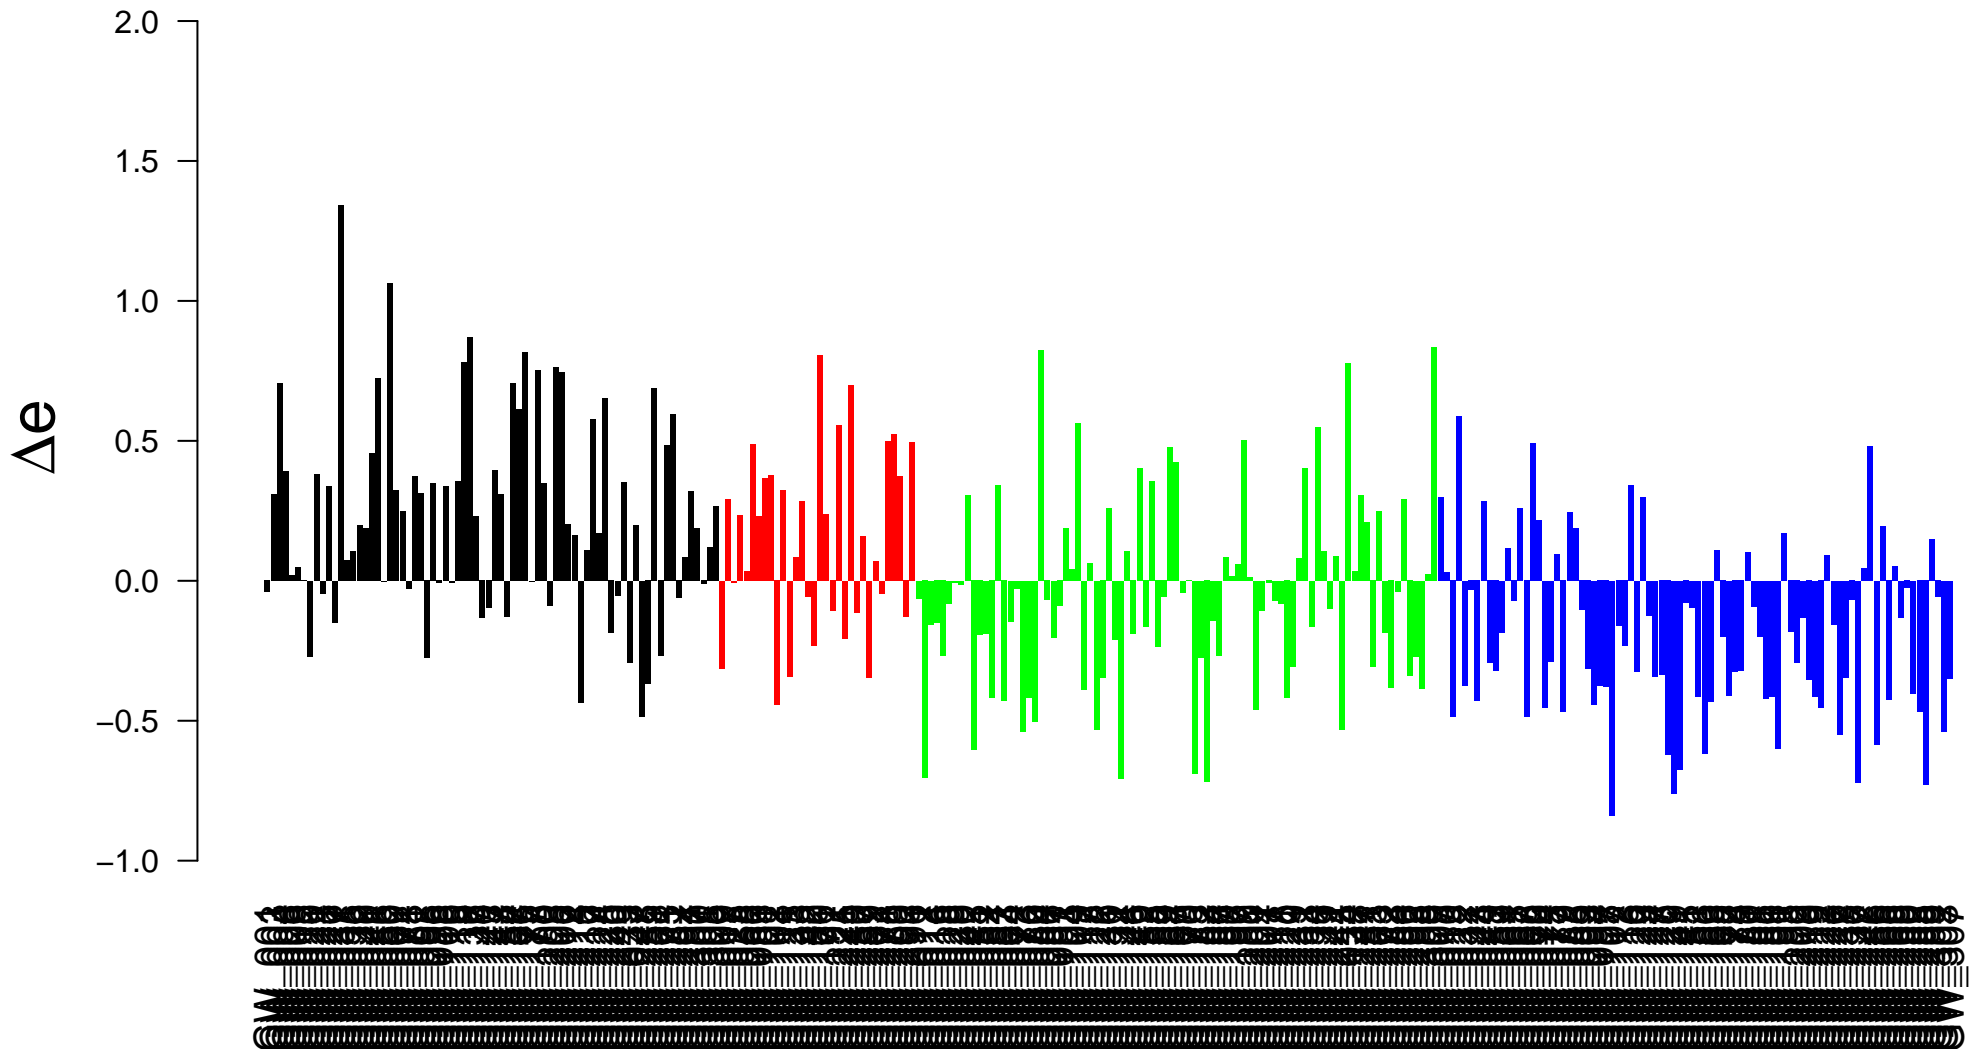

Enrichment in spots: muscle cell differentiation

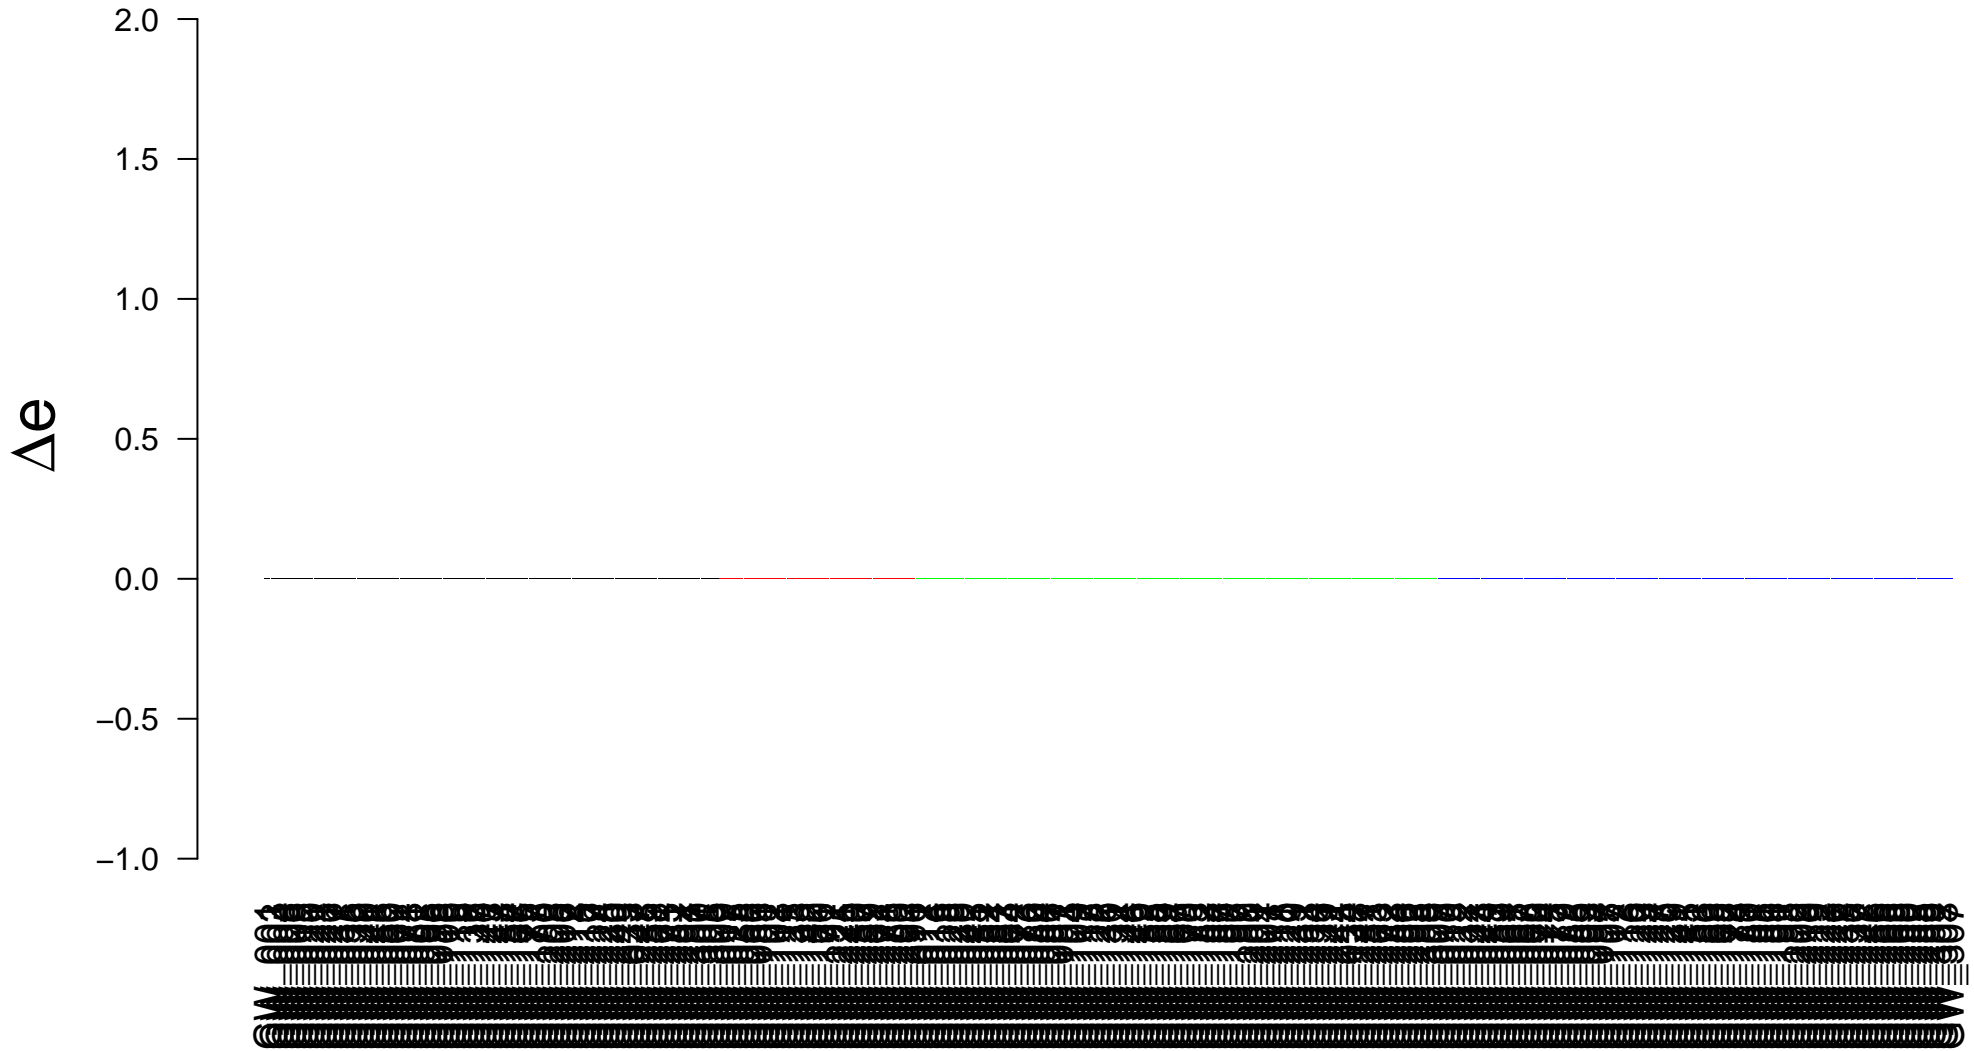

Expression of muscle cell differentiation in Spot A

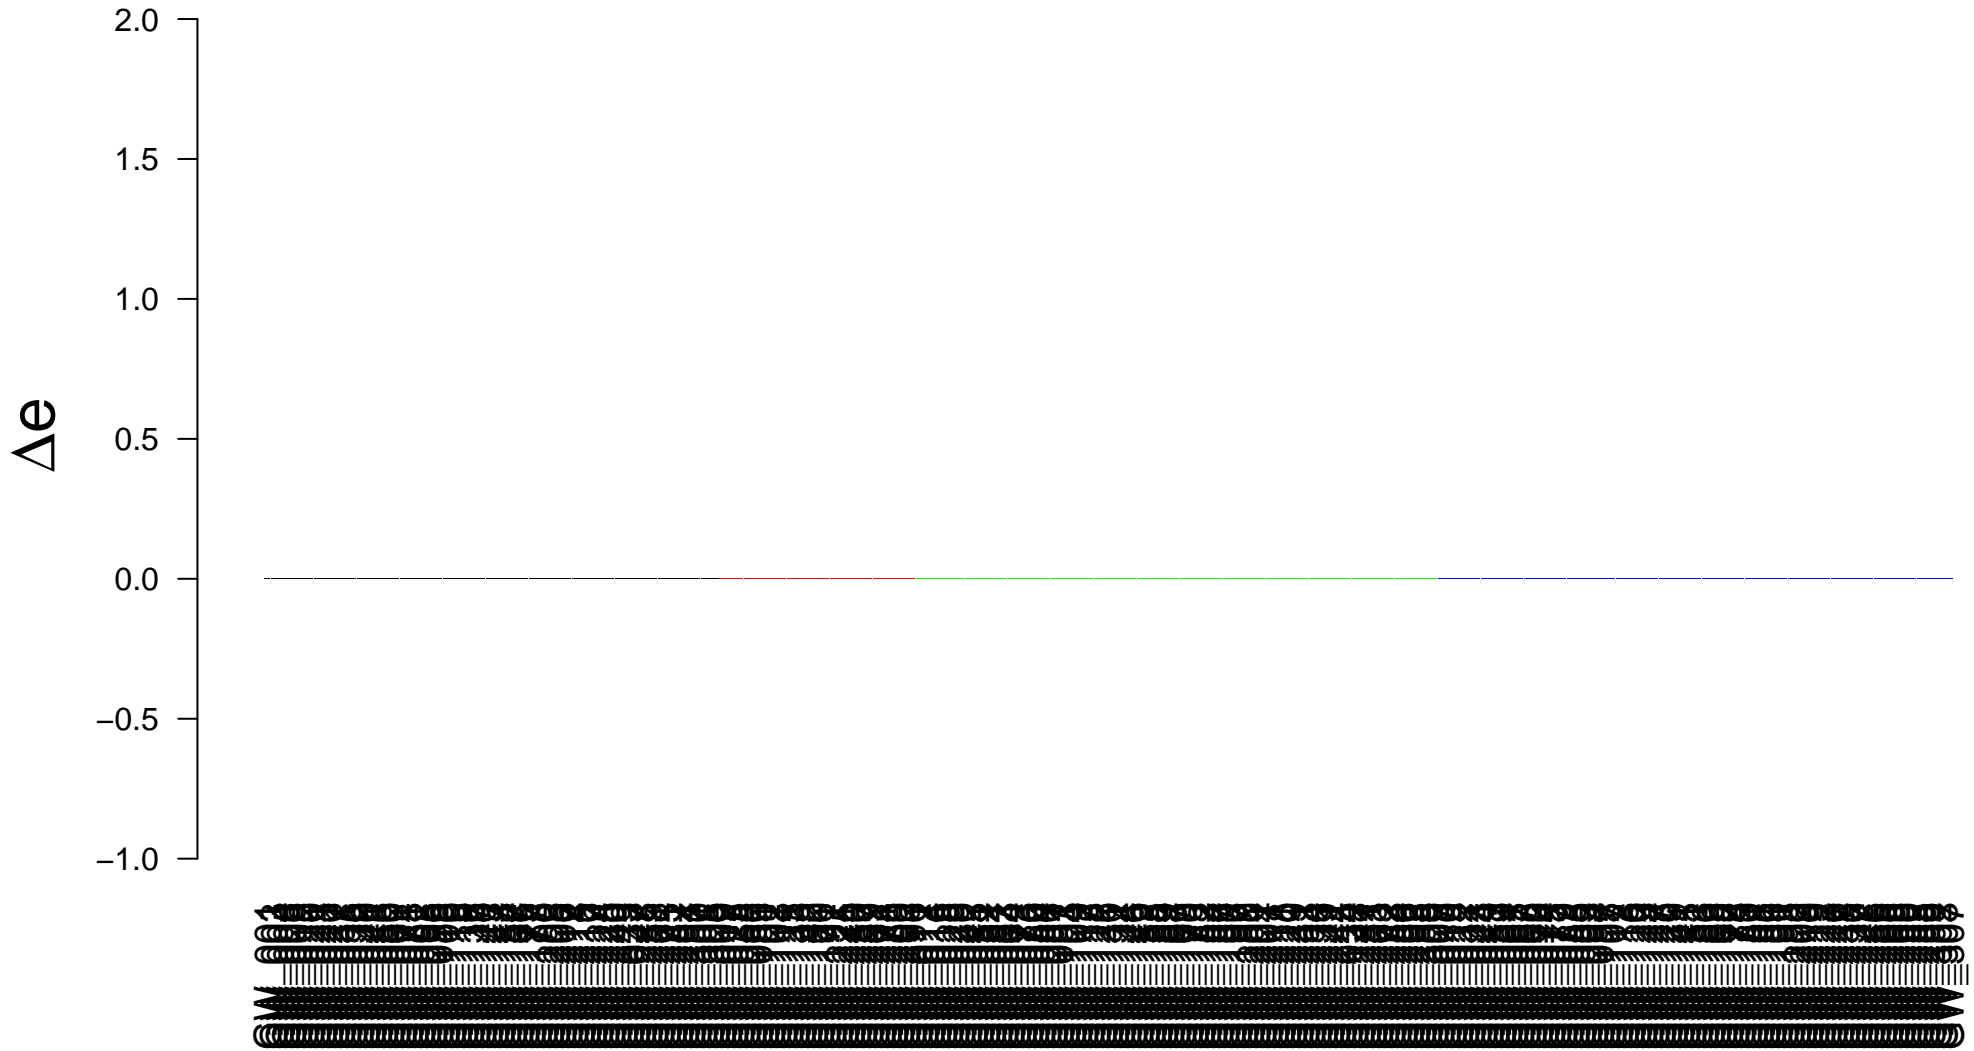

Expression of muscle cell differentiation in Spot B

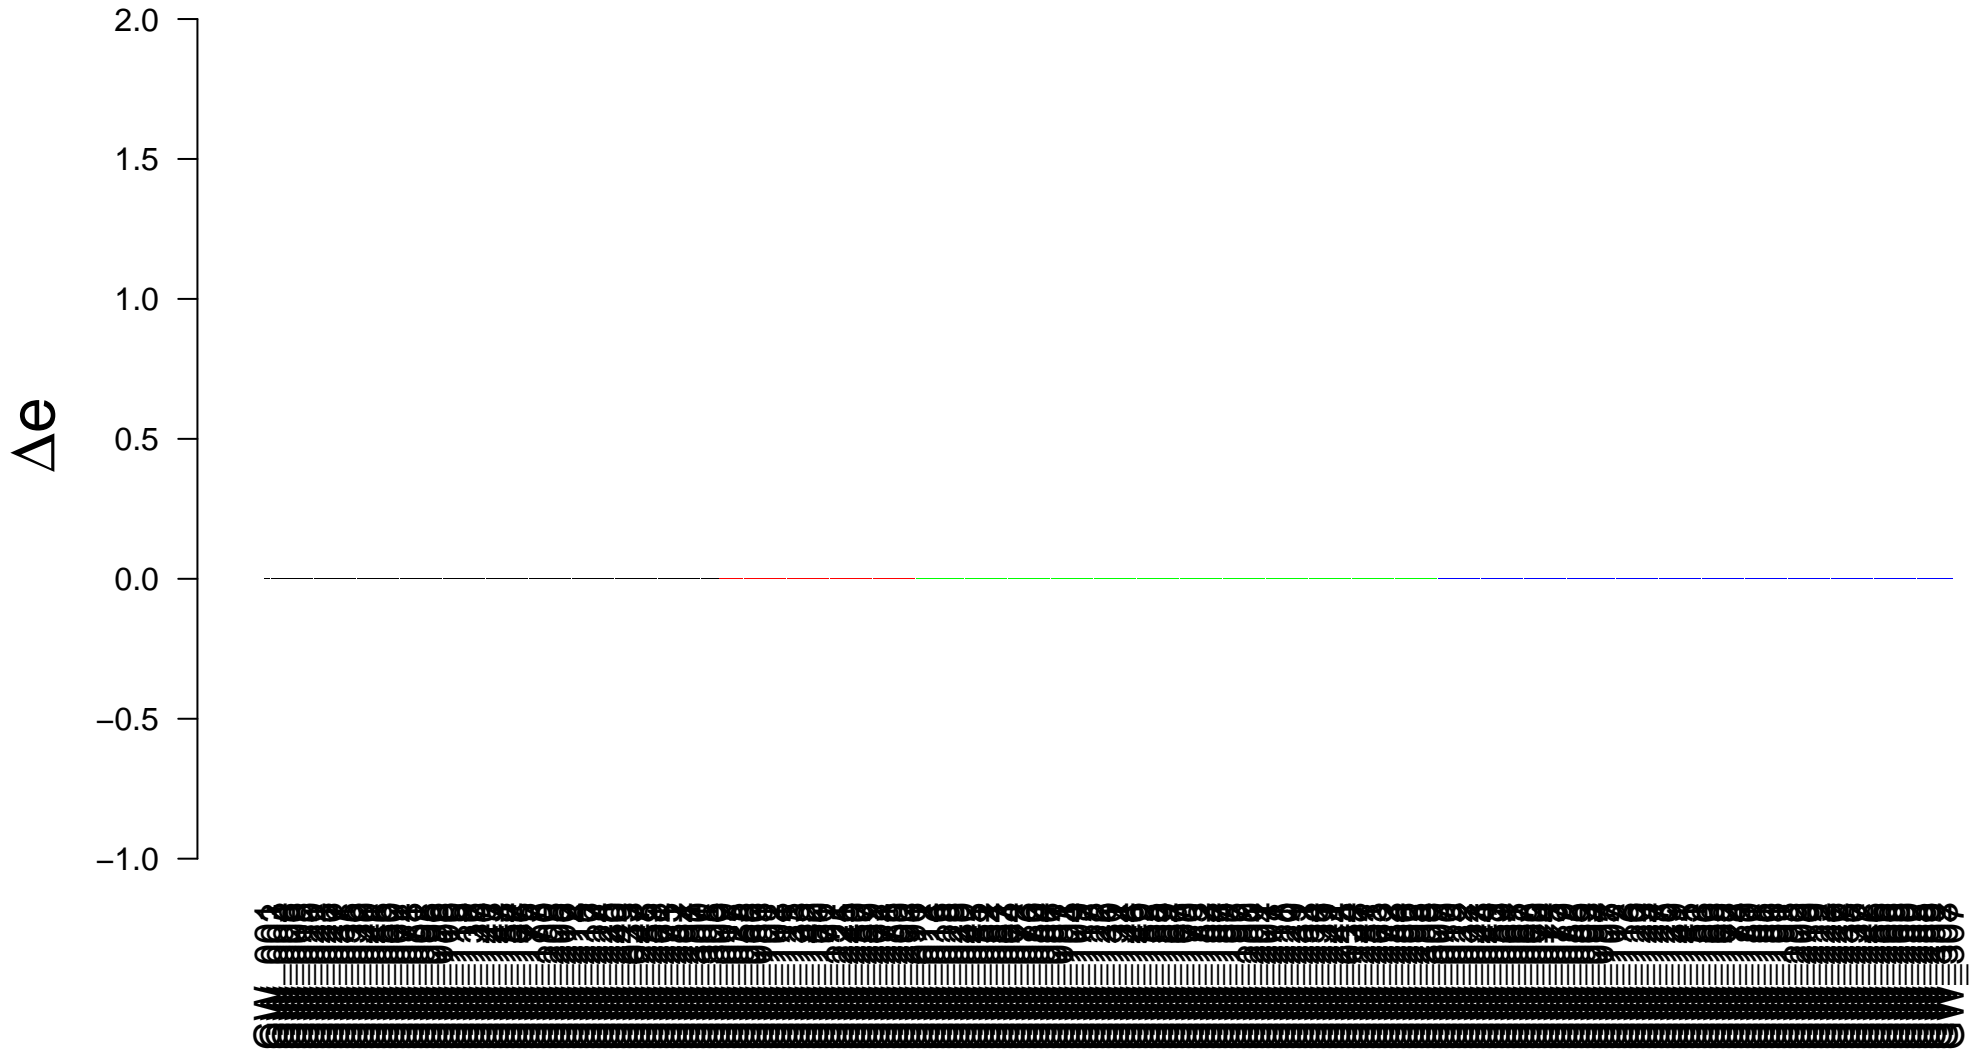

Expression of muscle cell differentiation in Spot D

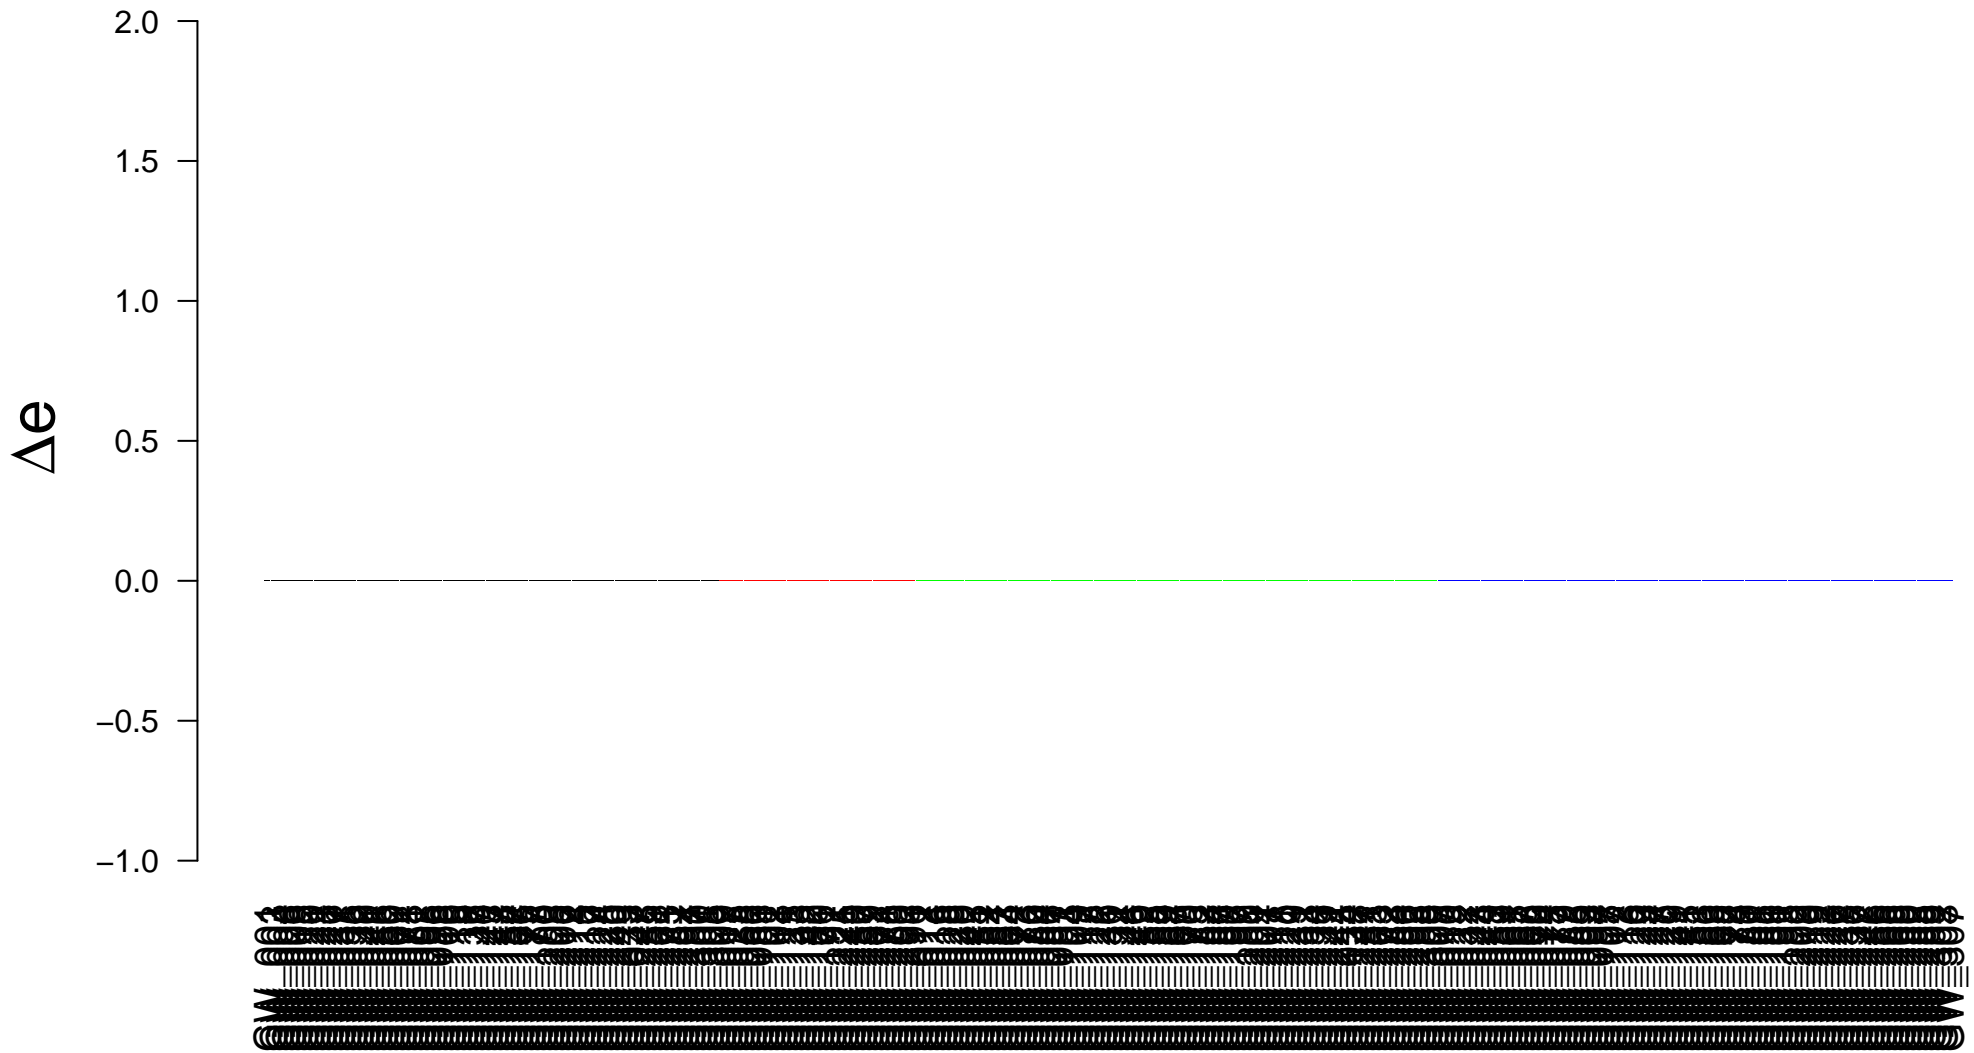

Expression of muscle cell differentiation in Spot E

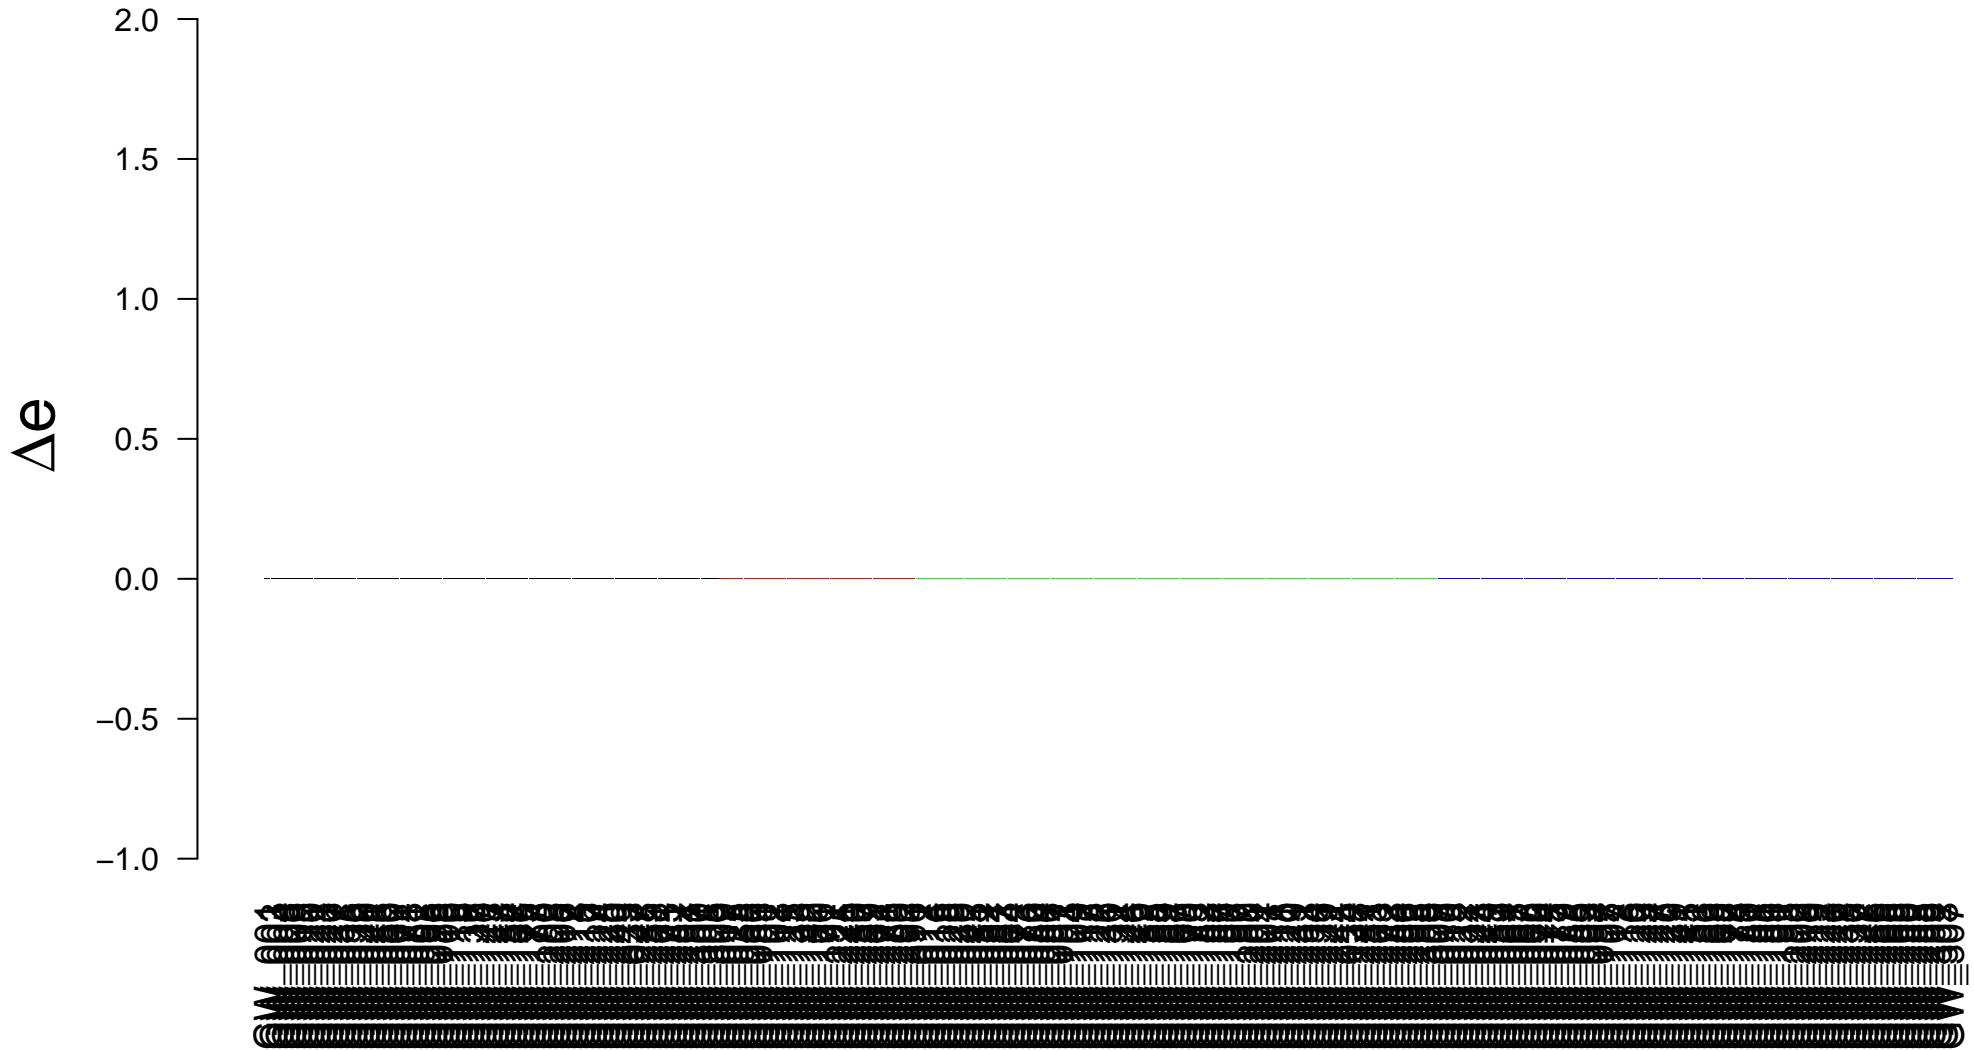

Expression of muscle cell differentiation in Spot F

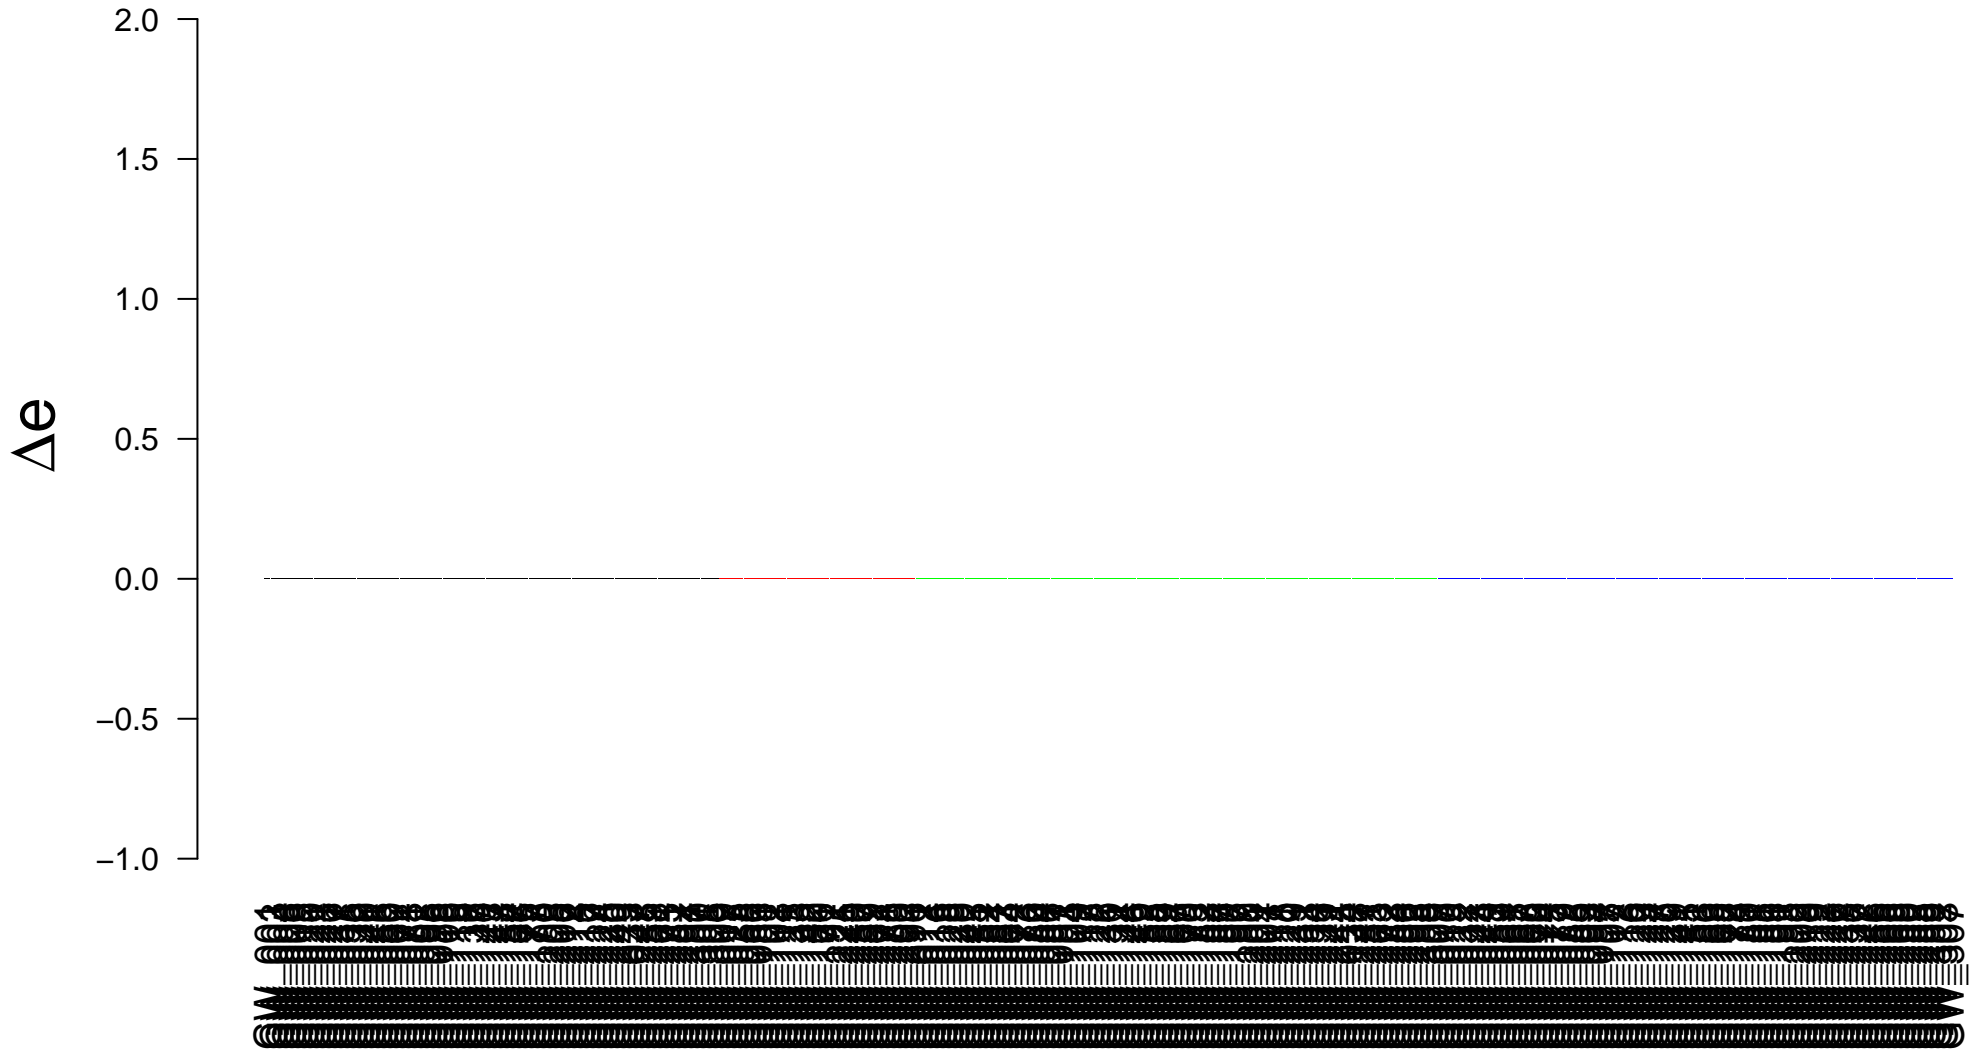

Expression of muscle cell differentiation in Spot G

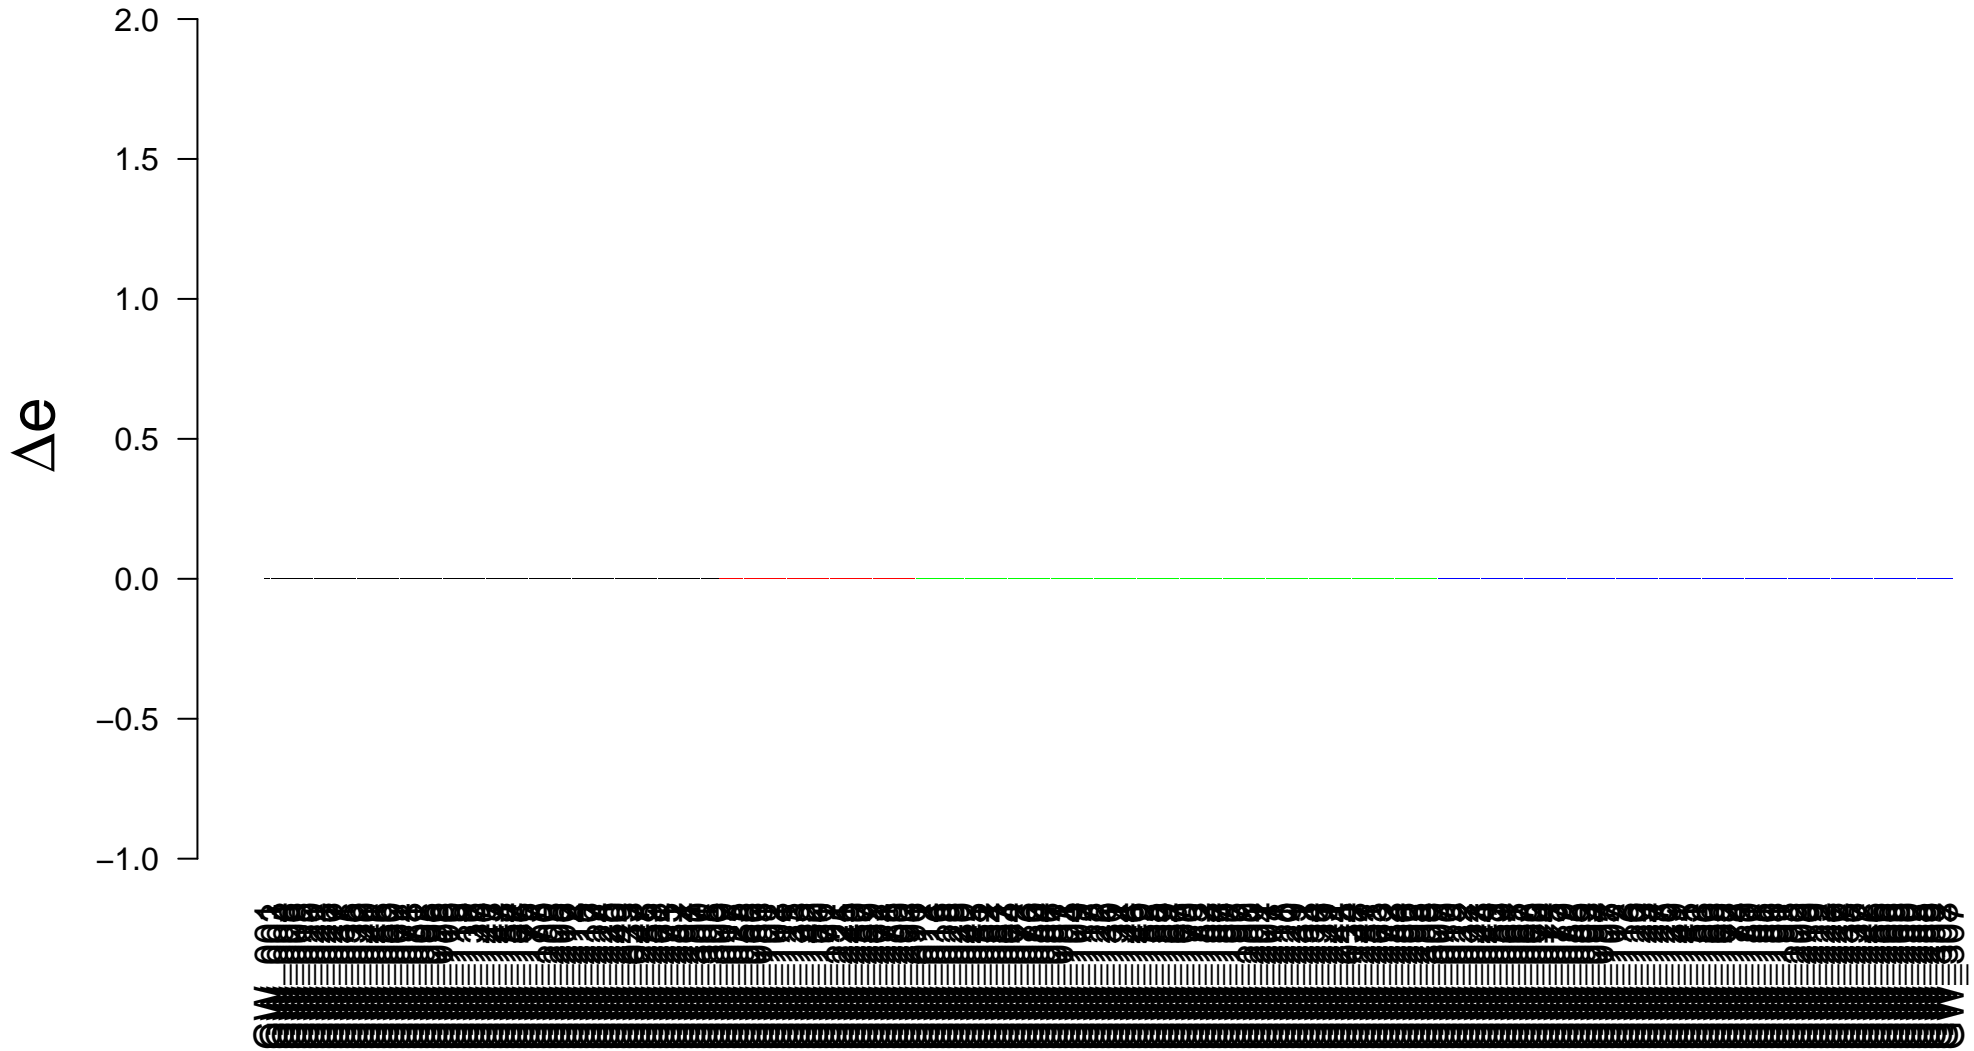

Expression of muscle cell differentiation in Spot H

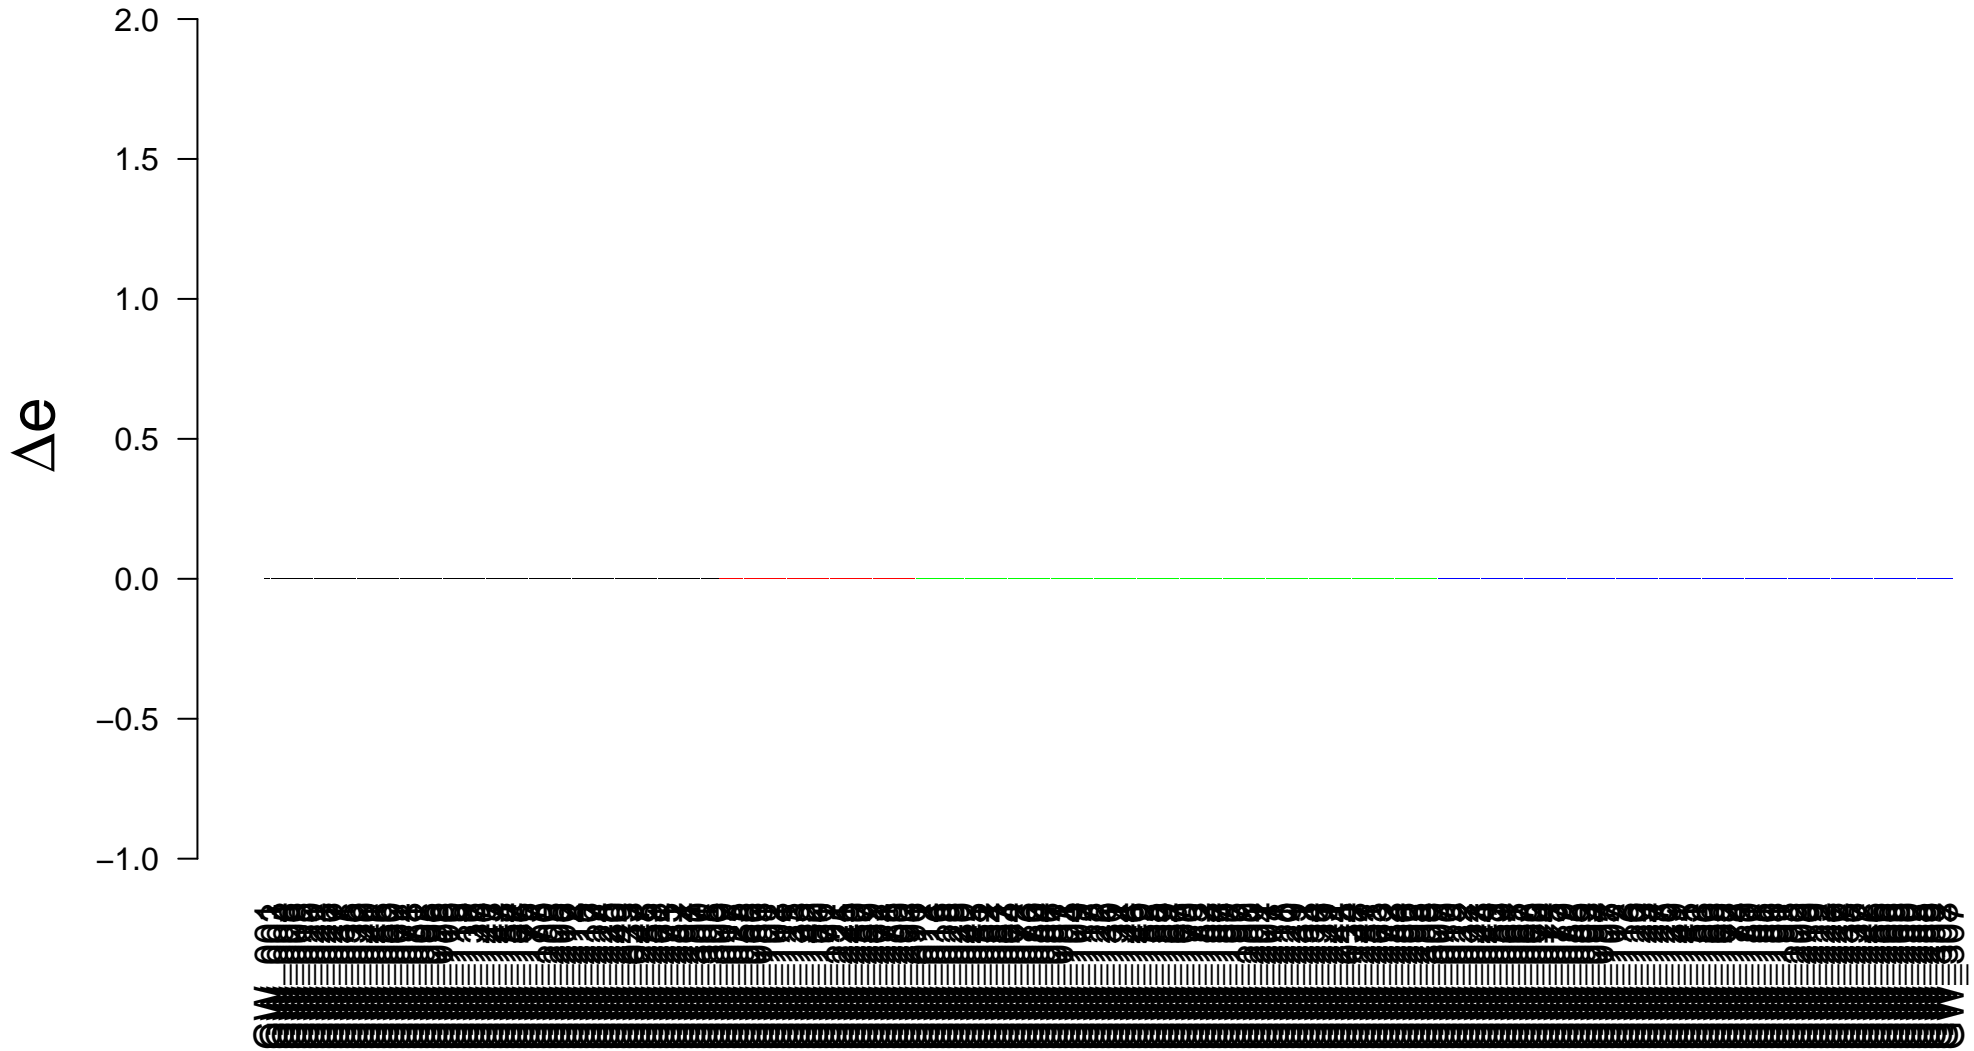

Expression of muscle cell differentiation in Spot I

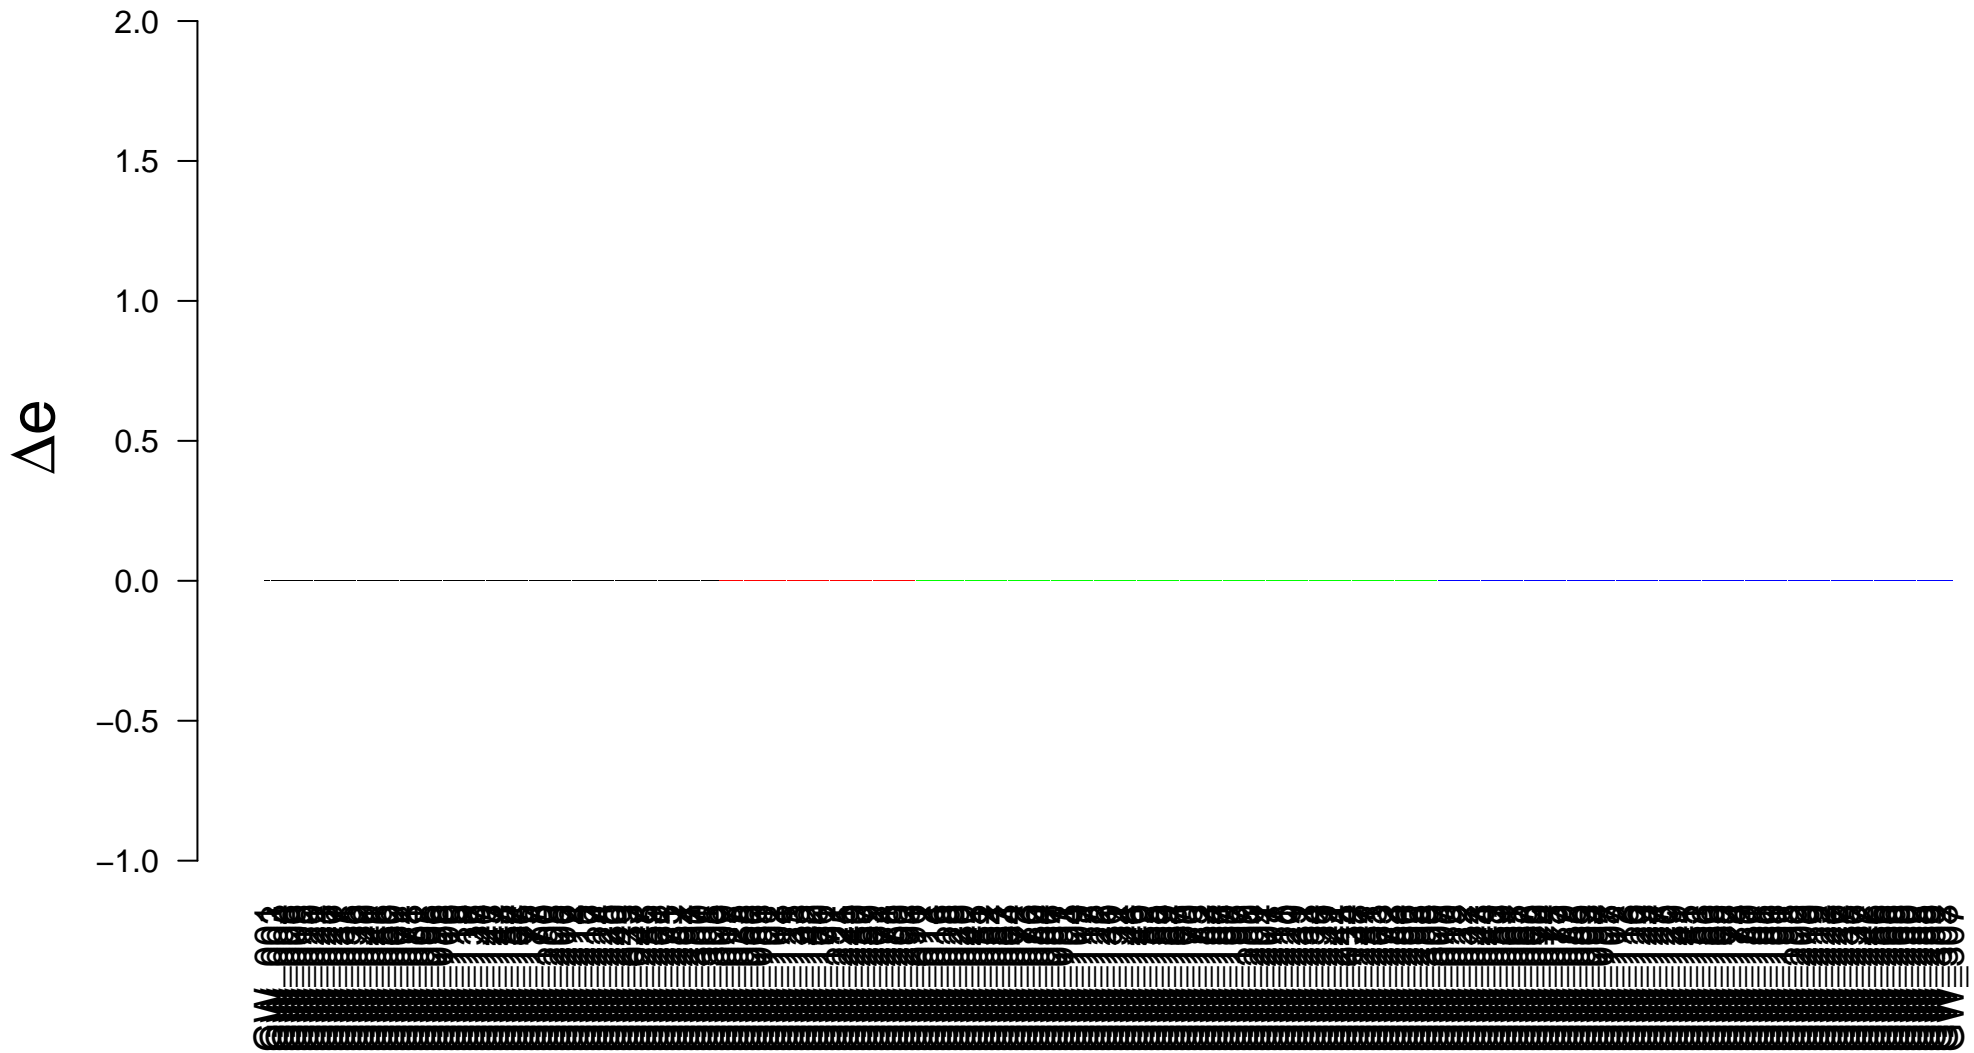

Expression of muscle cell differentiation in Spot J

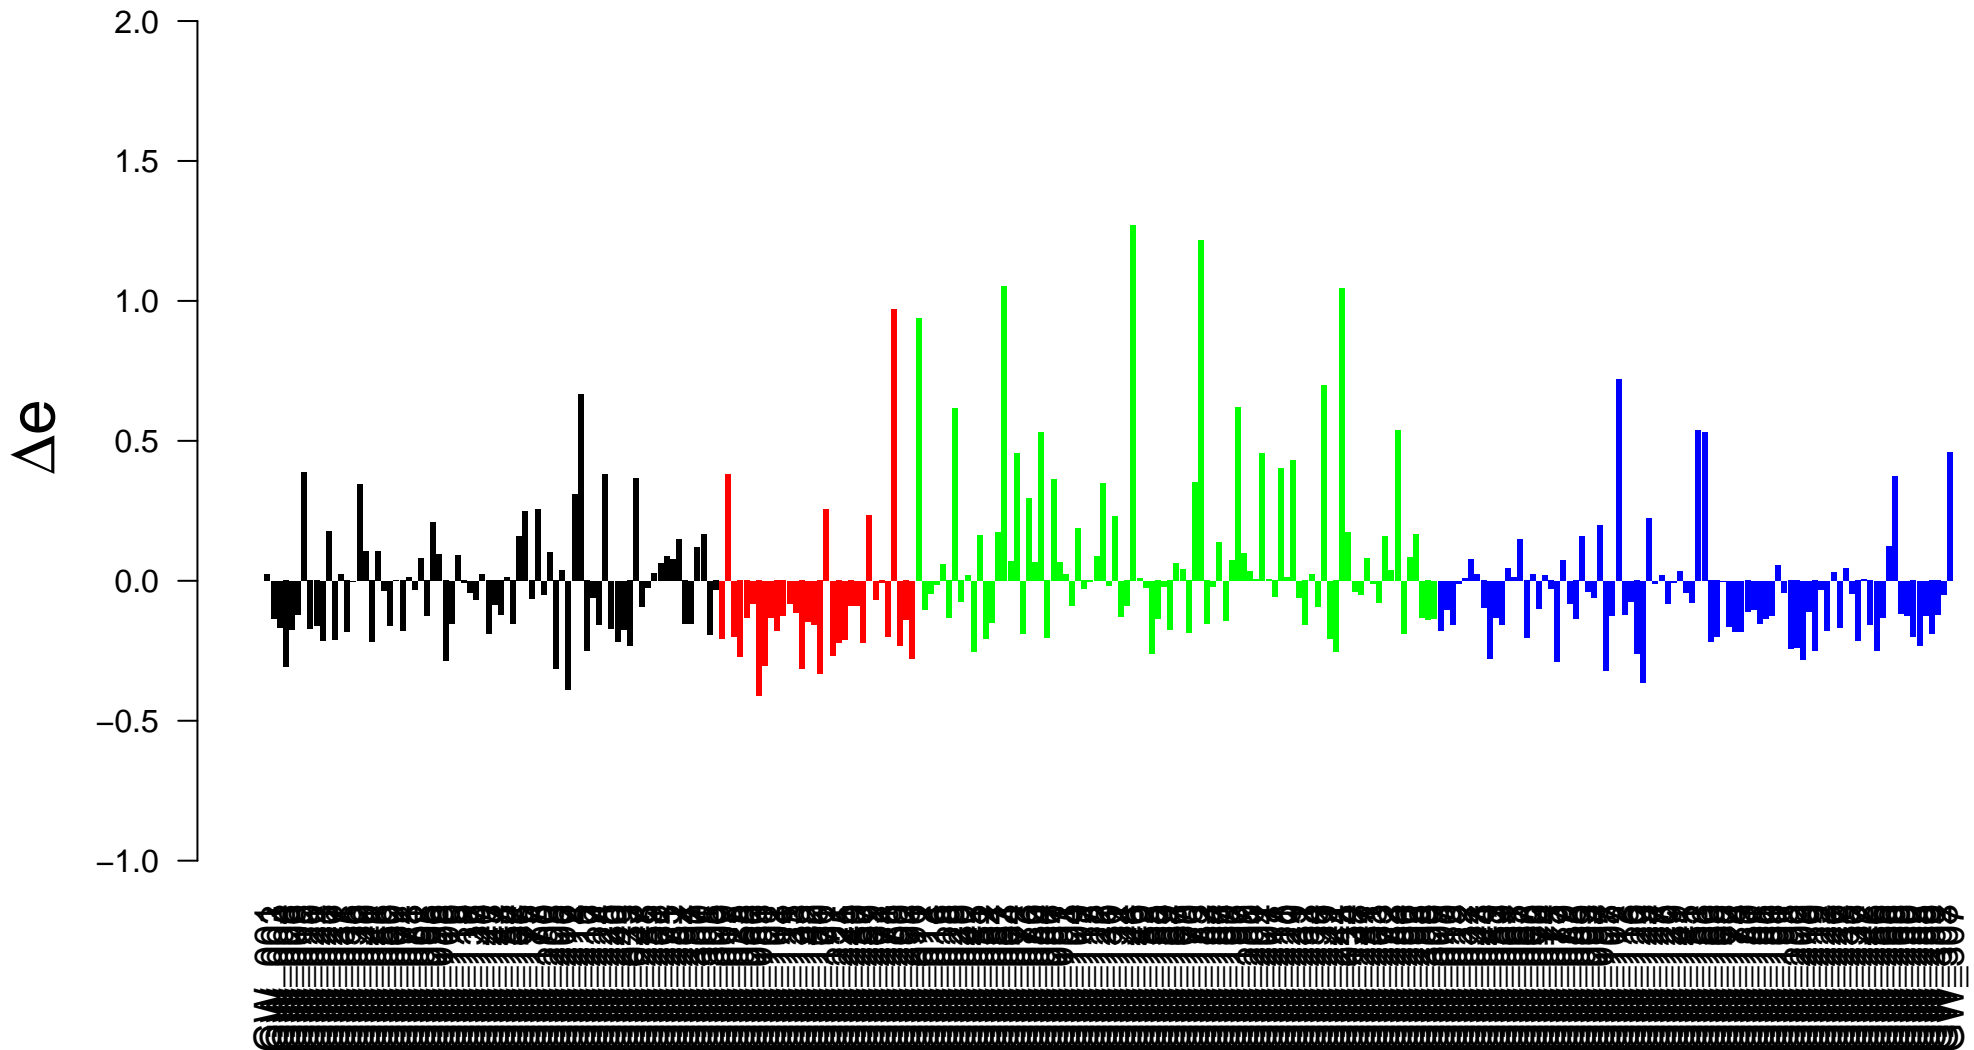

Expression of muscle cell differentiation in Spot K

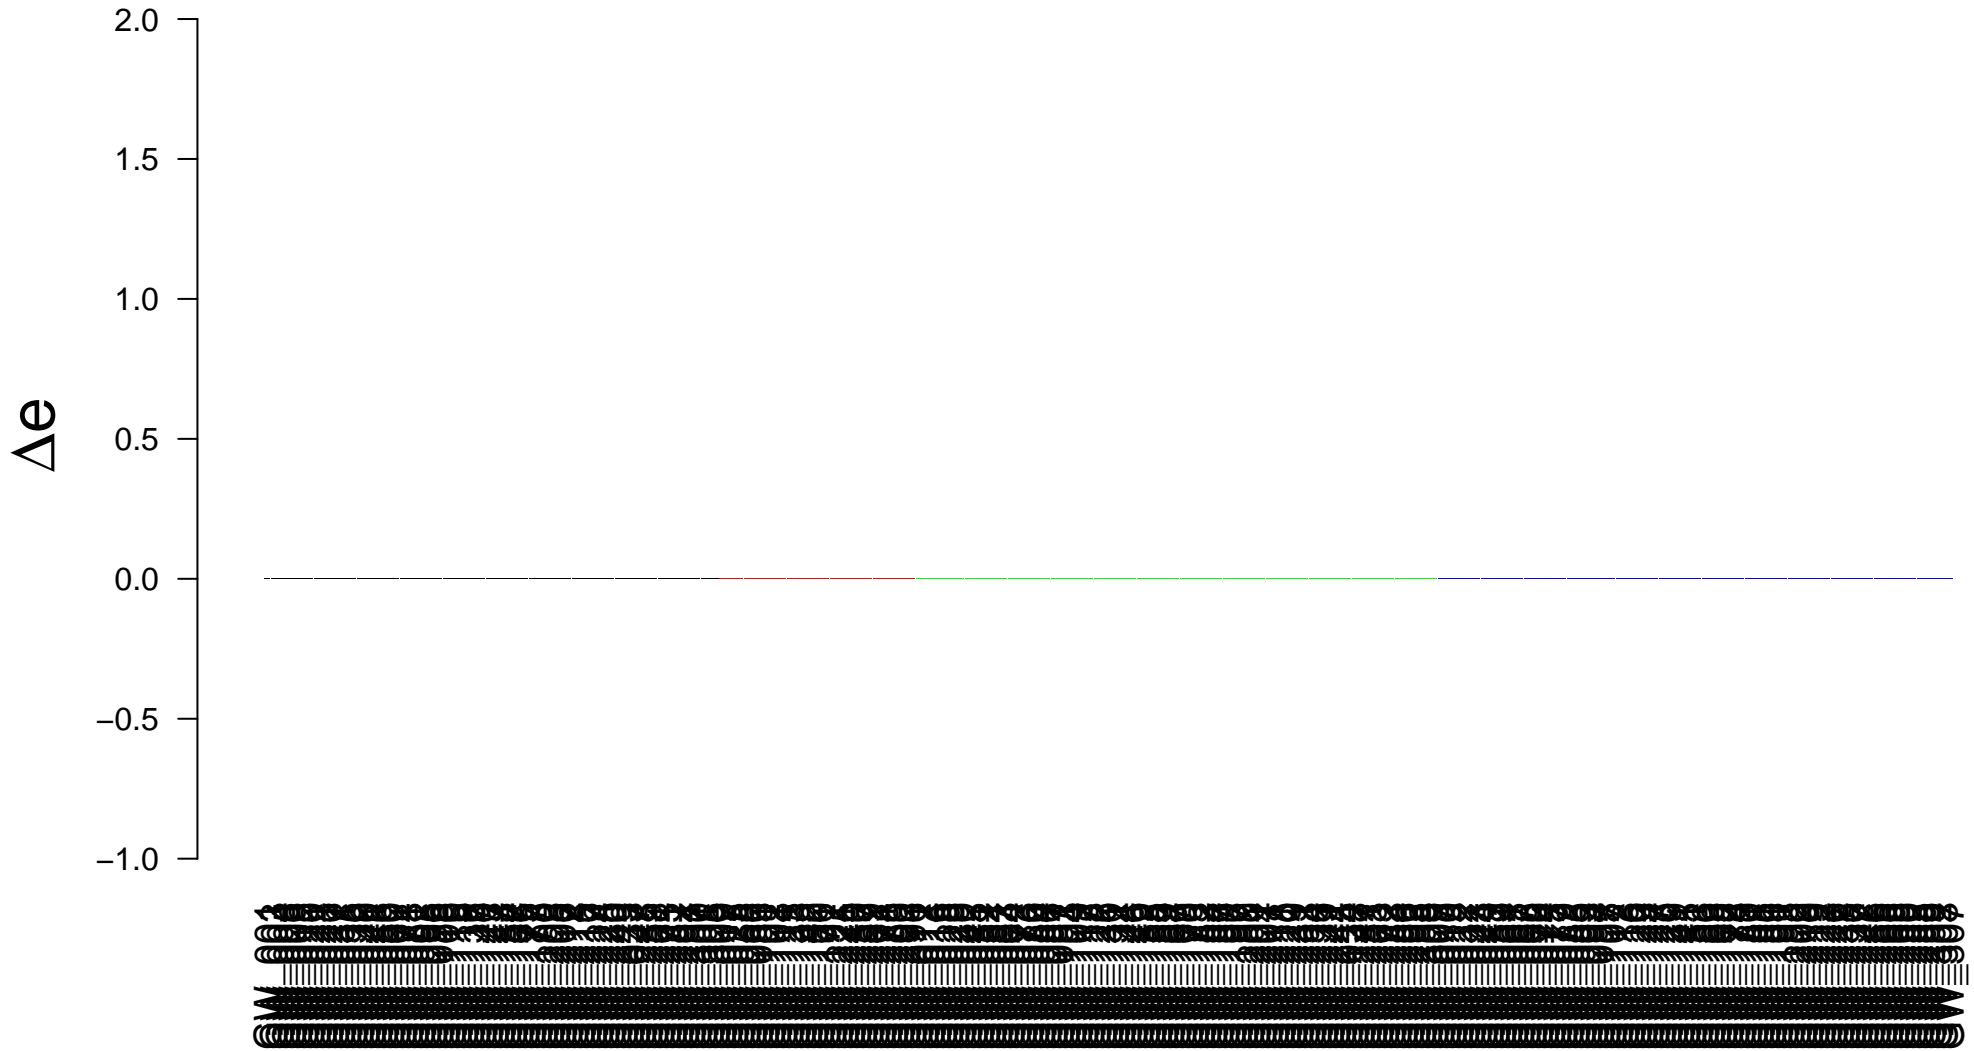

Expression of muscle cell differentiation in Spot M

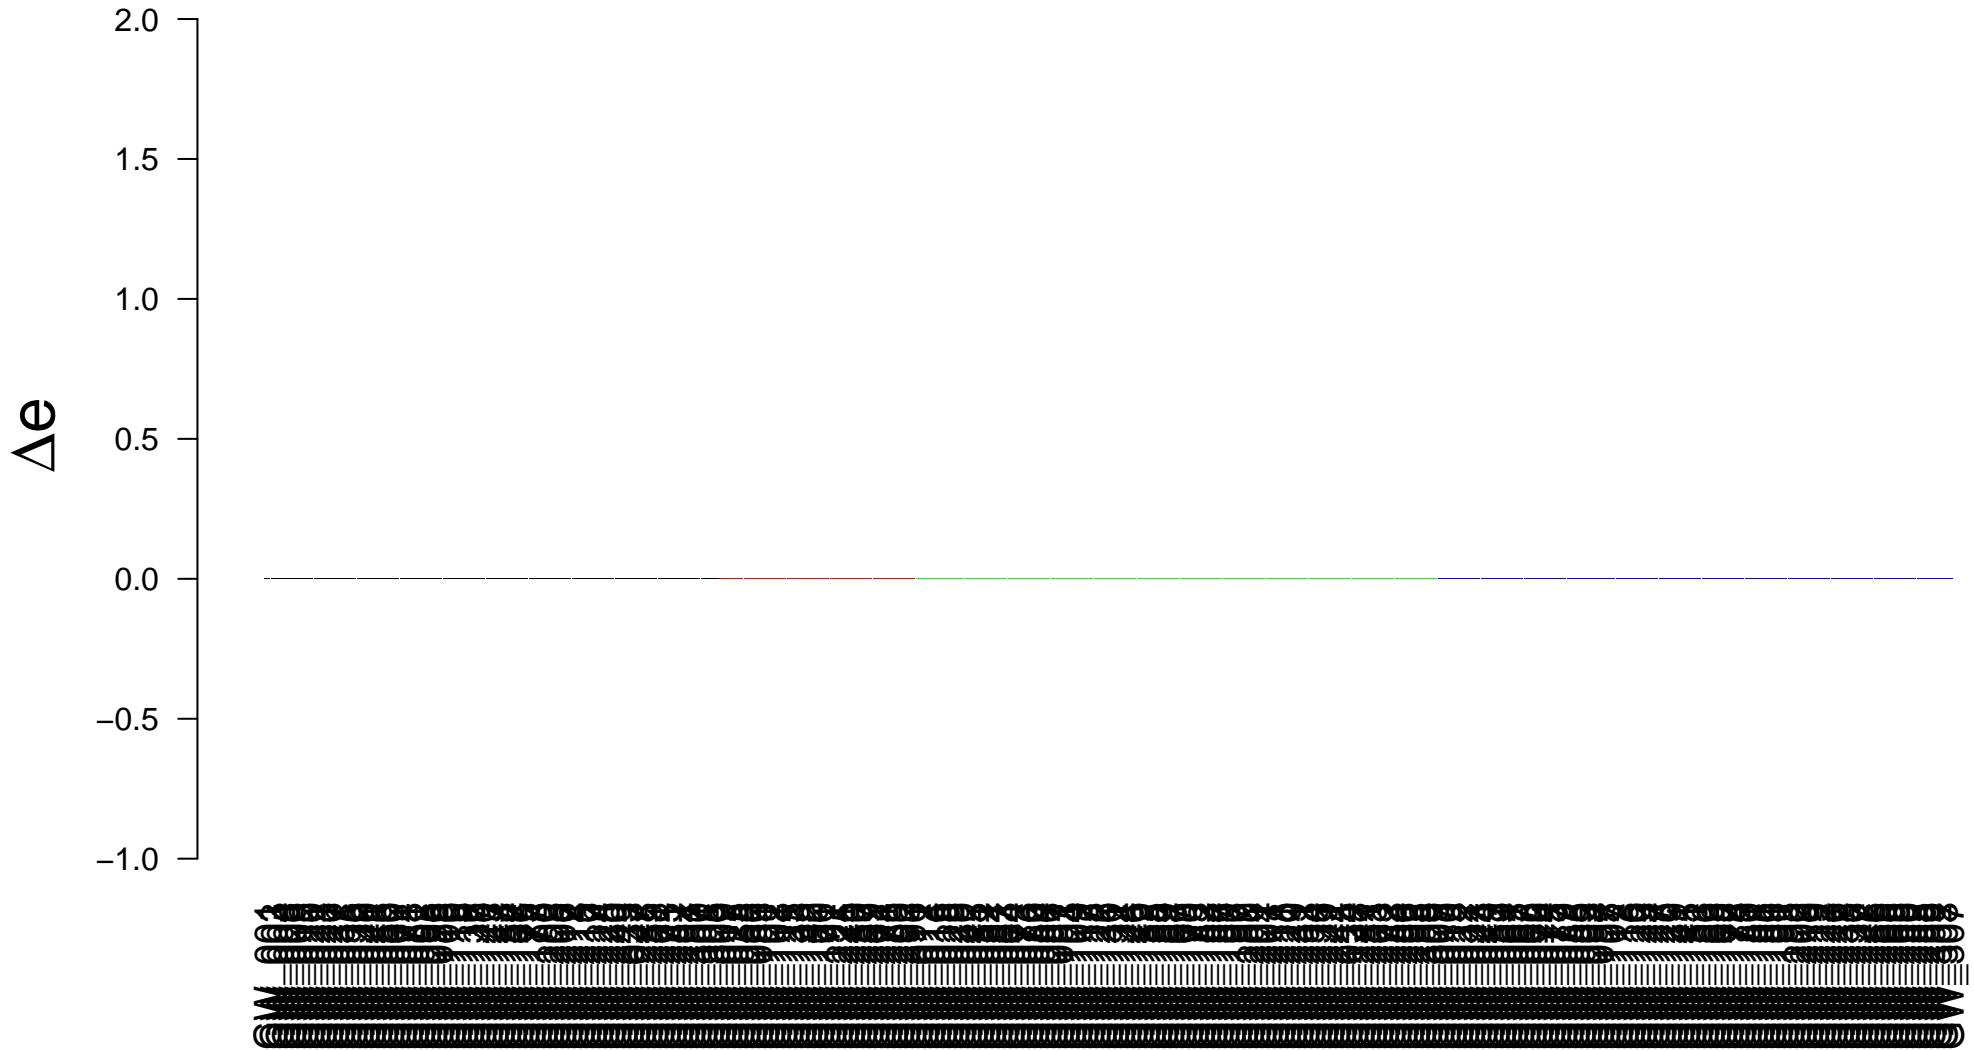

Expression of muscle cell differentiation in Spot N

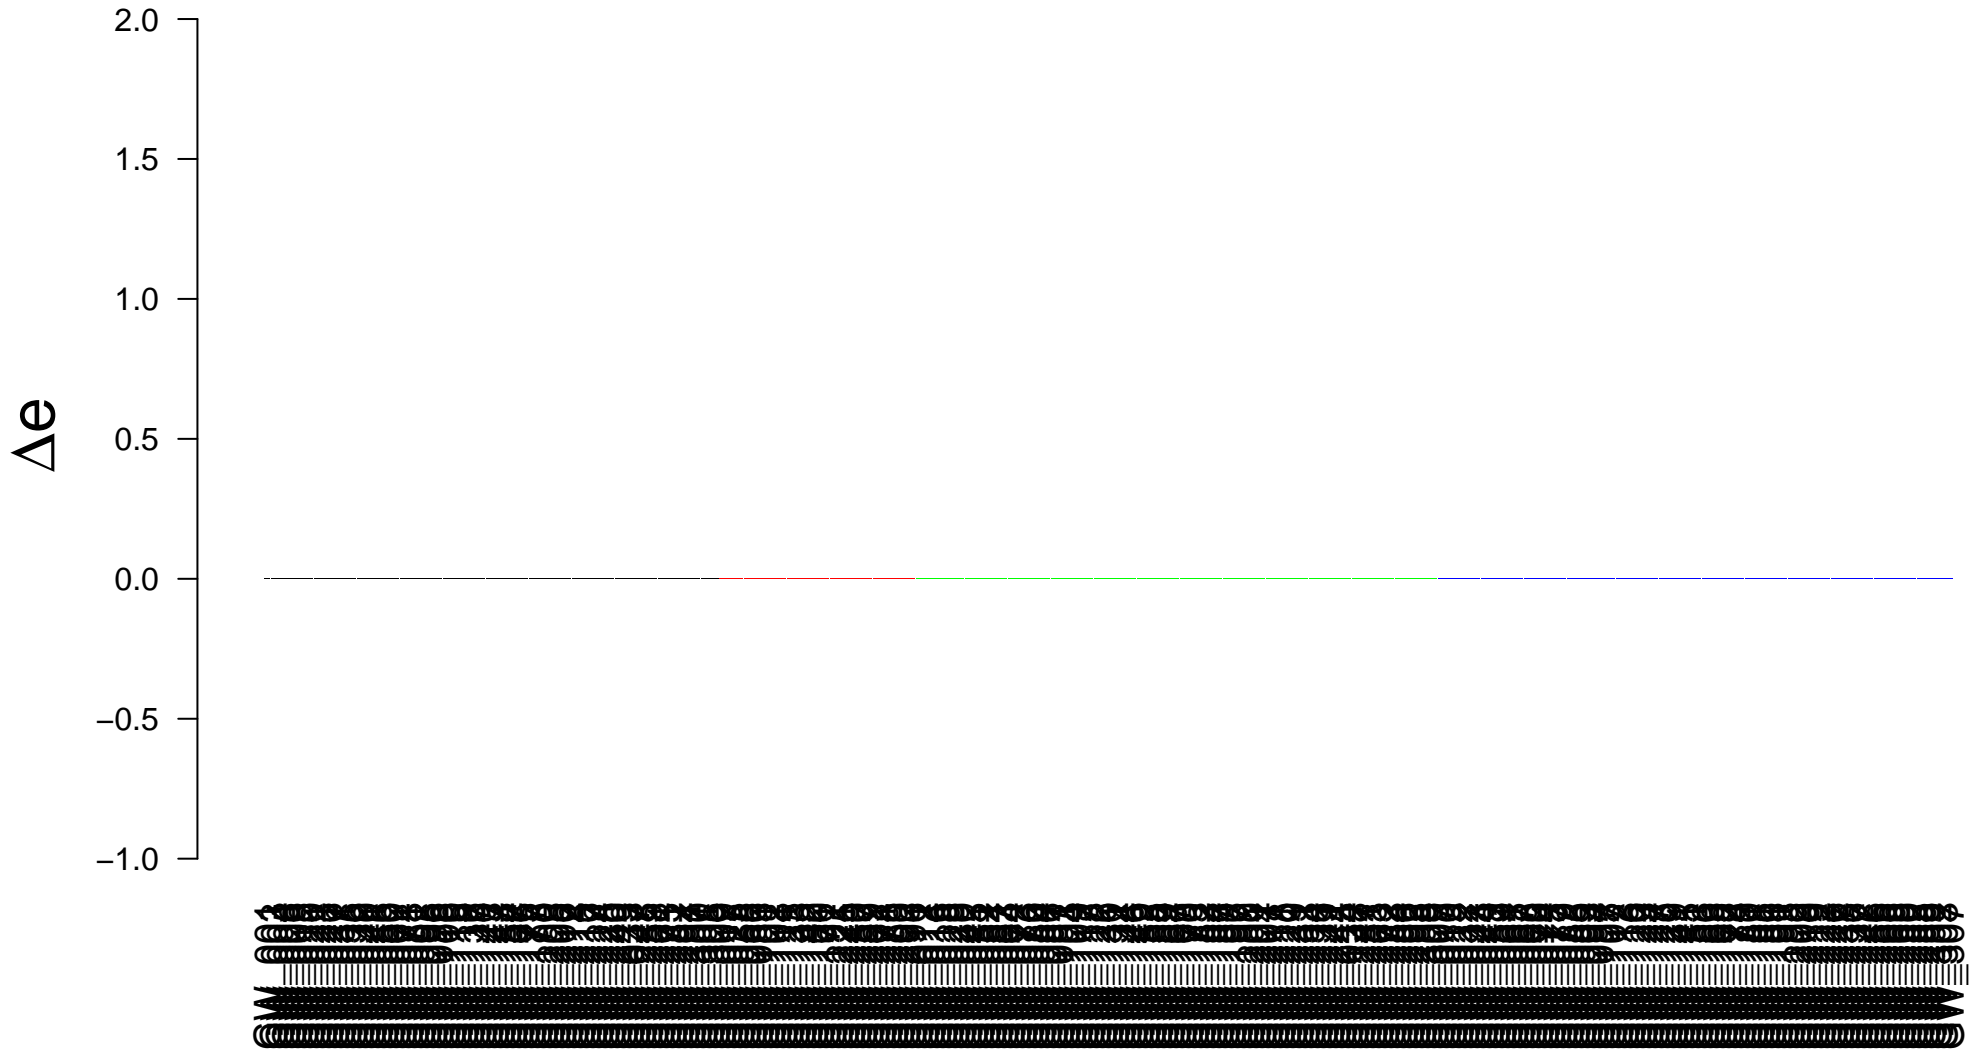

Expression of muscle cell differentiation in Spot O

Expression of muscle cell differentiation in Spot P

Expression of muscle cell differentiation in Spot Q

Expression of muscle cell differentiation in Spot R
