

muscle fiber development

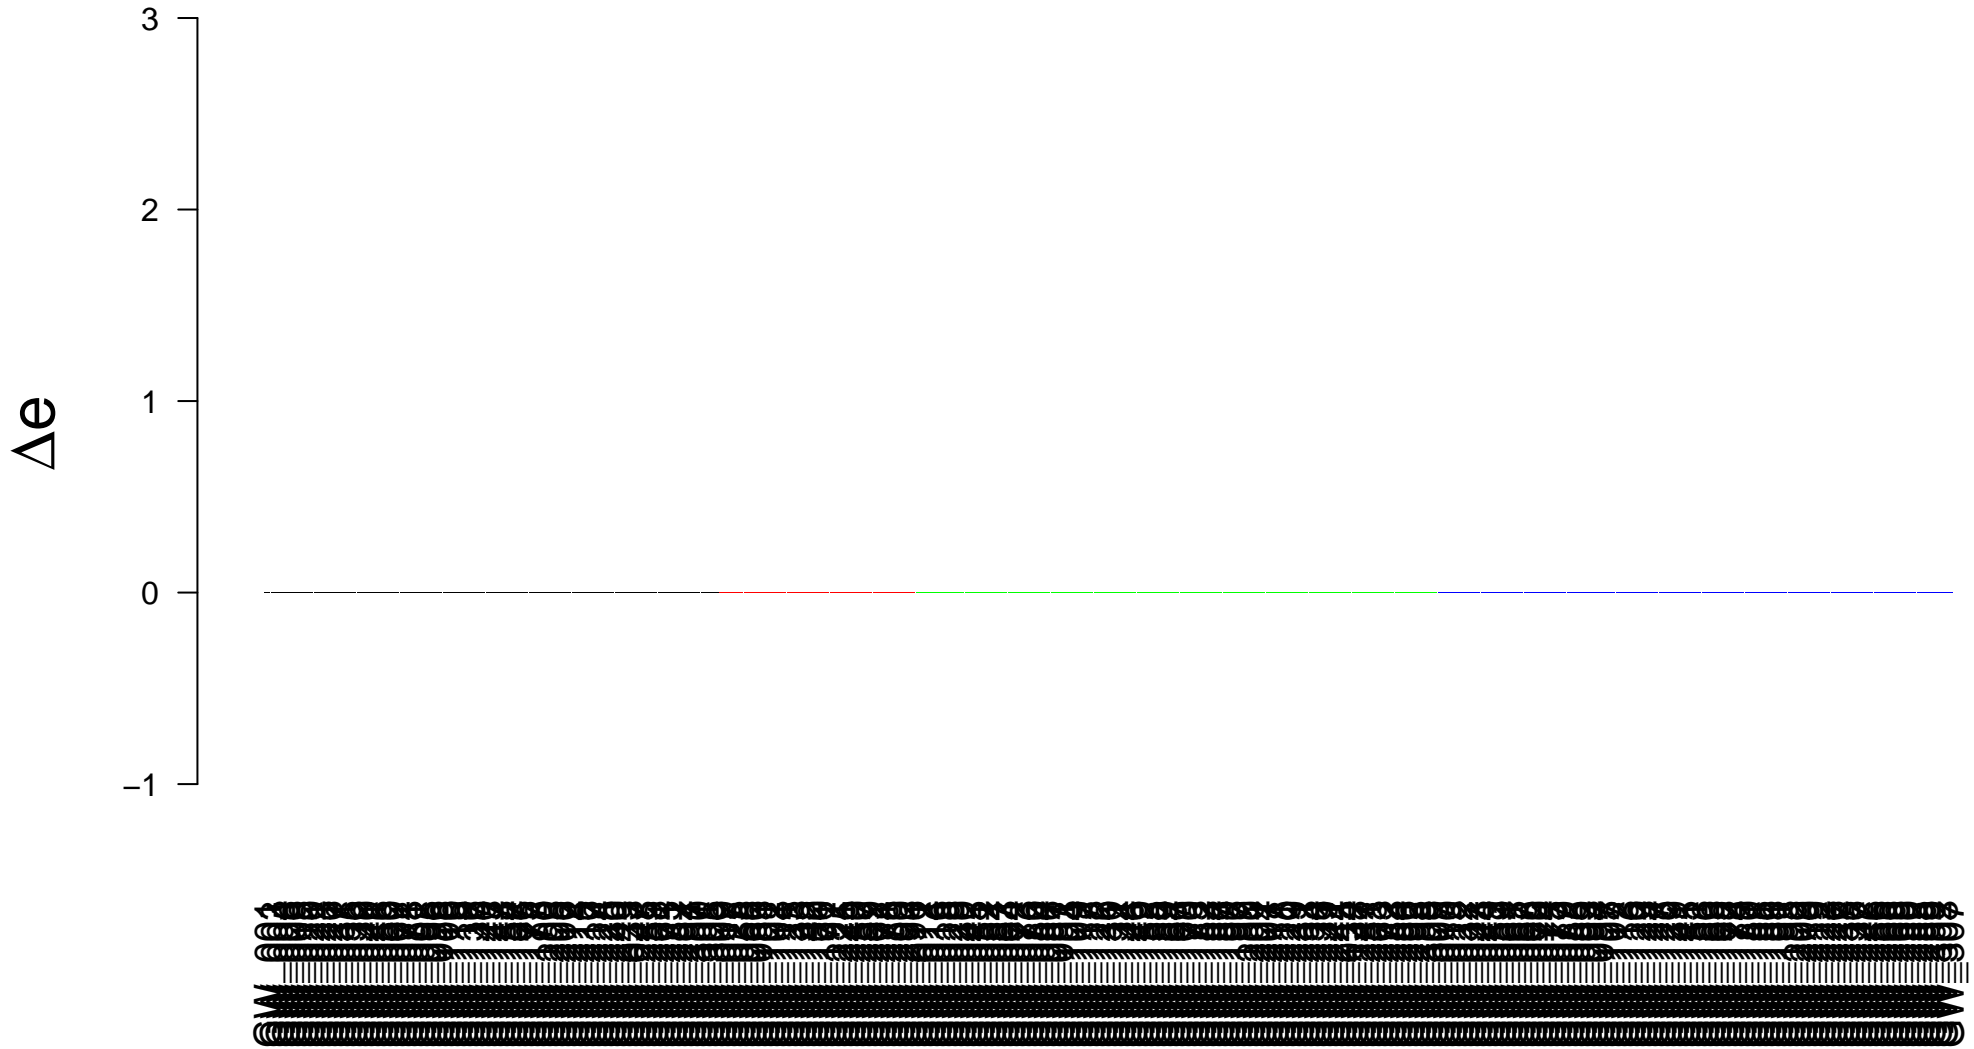

muscle fiber development

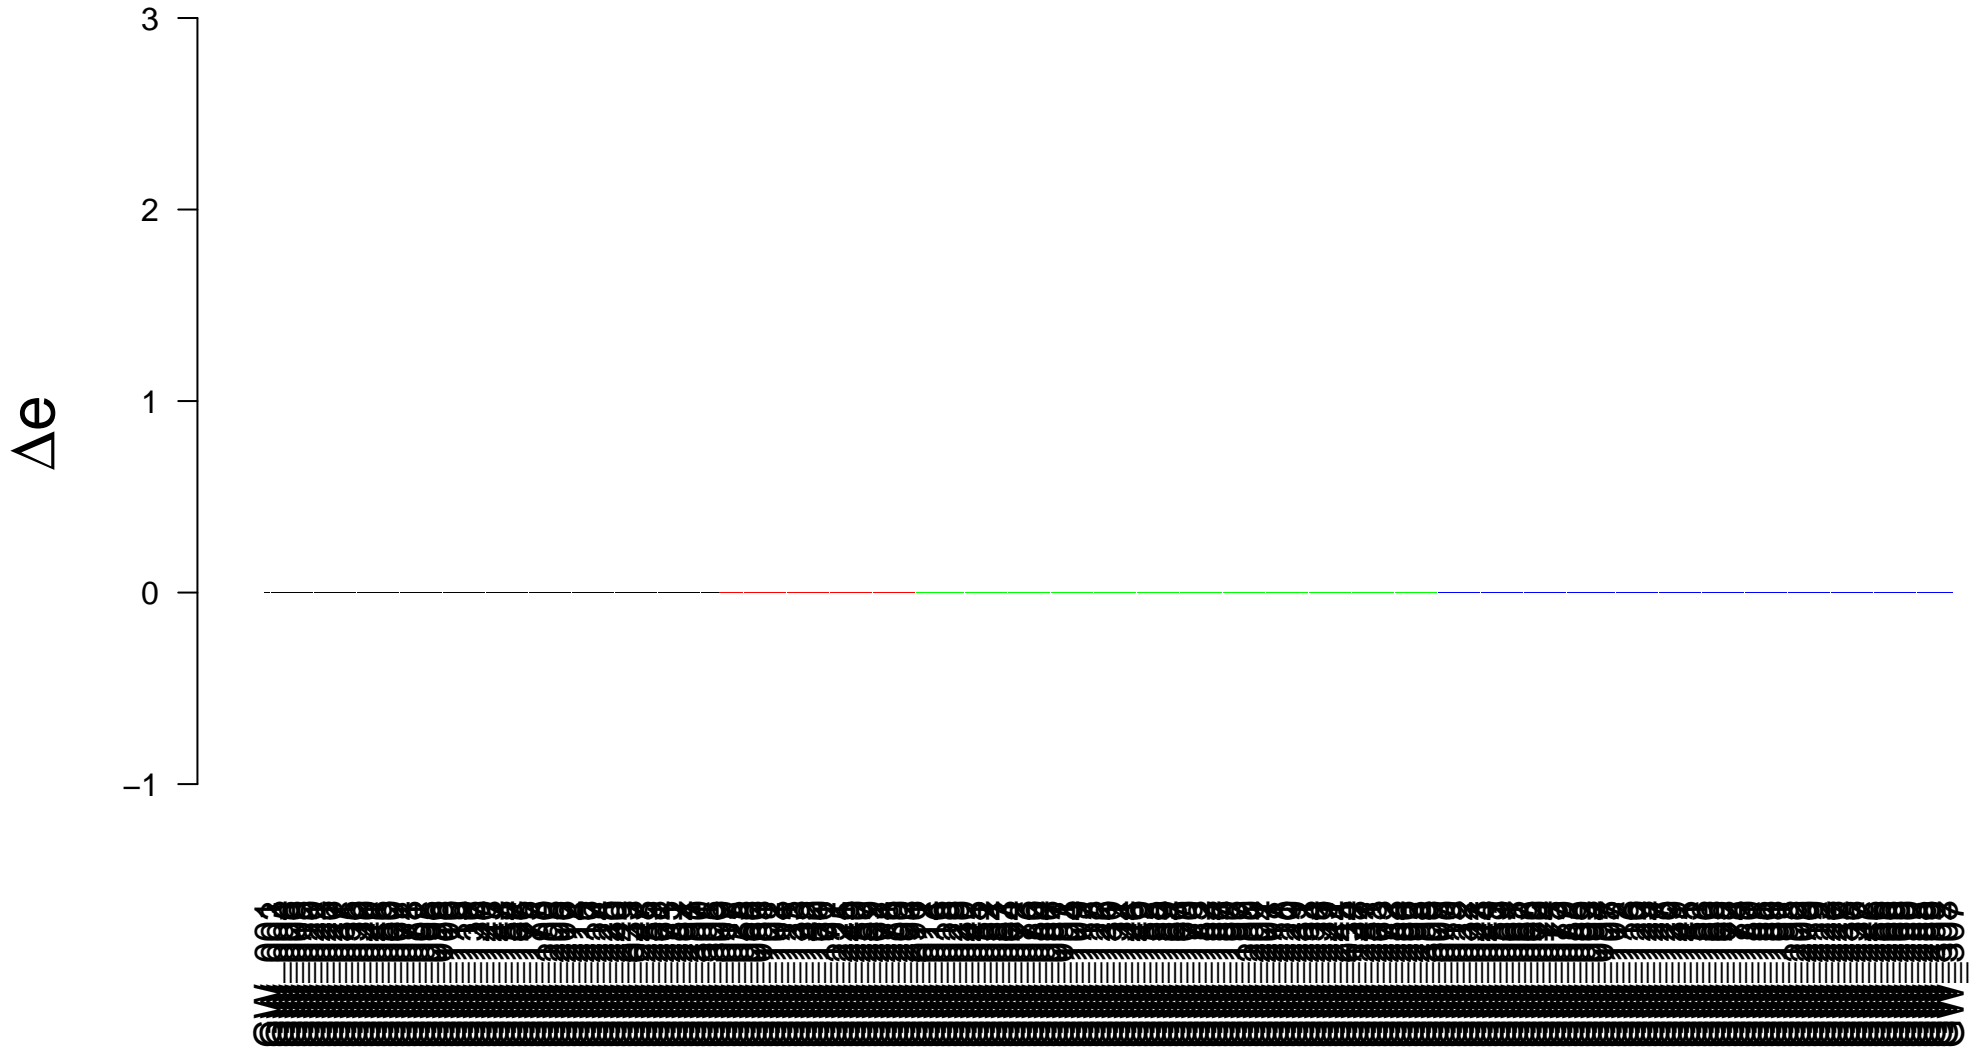

Enrichment in spots: muscle fiber development

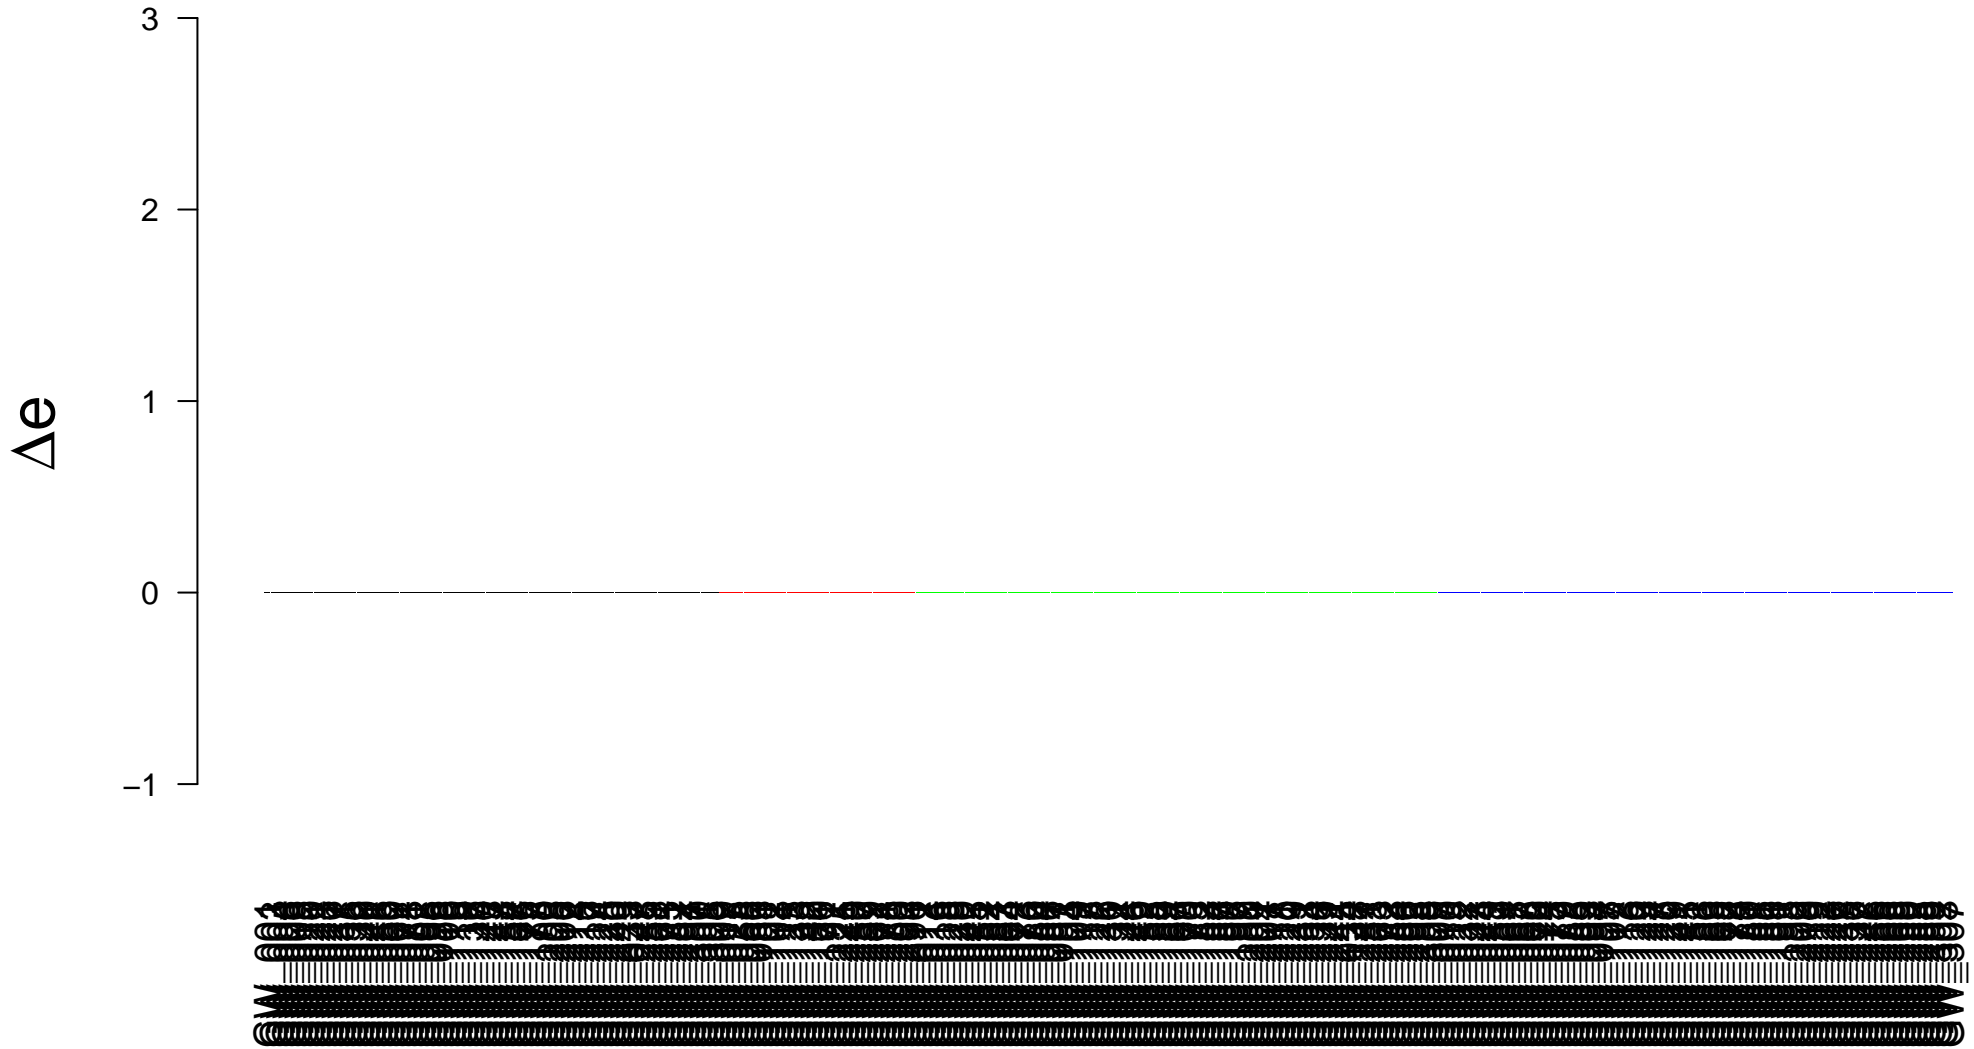

Expression of muscle fiber development in Spot A

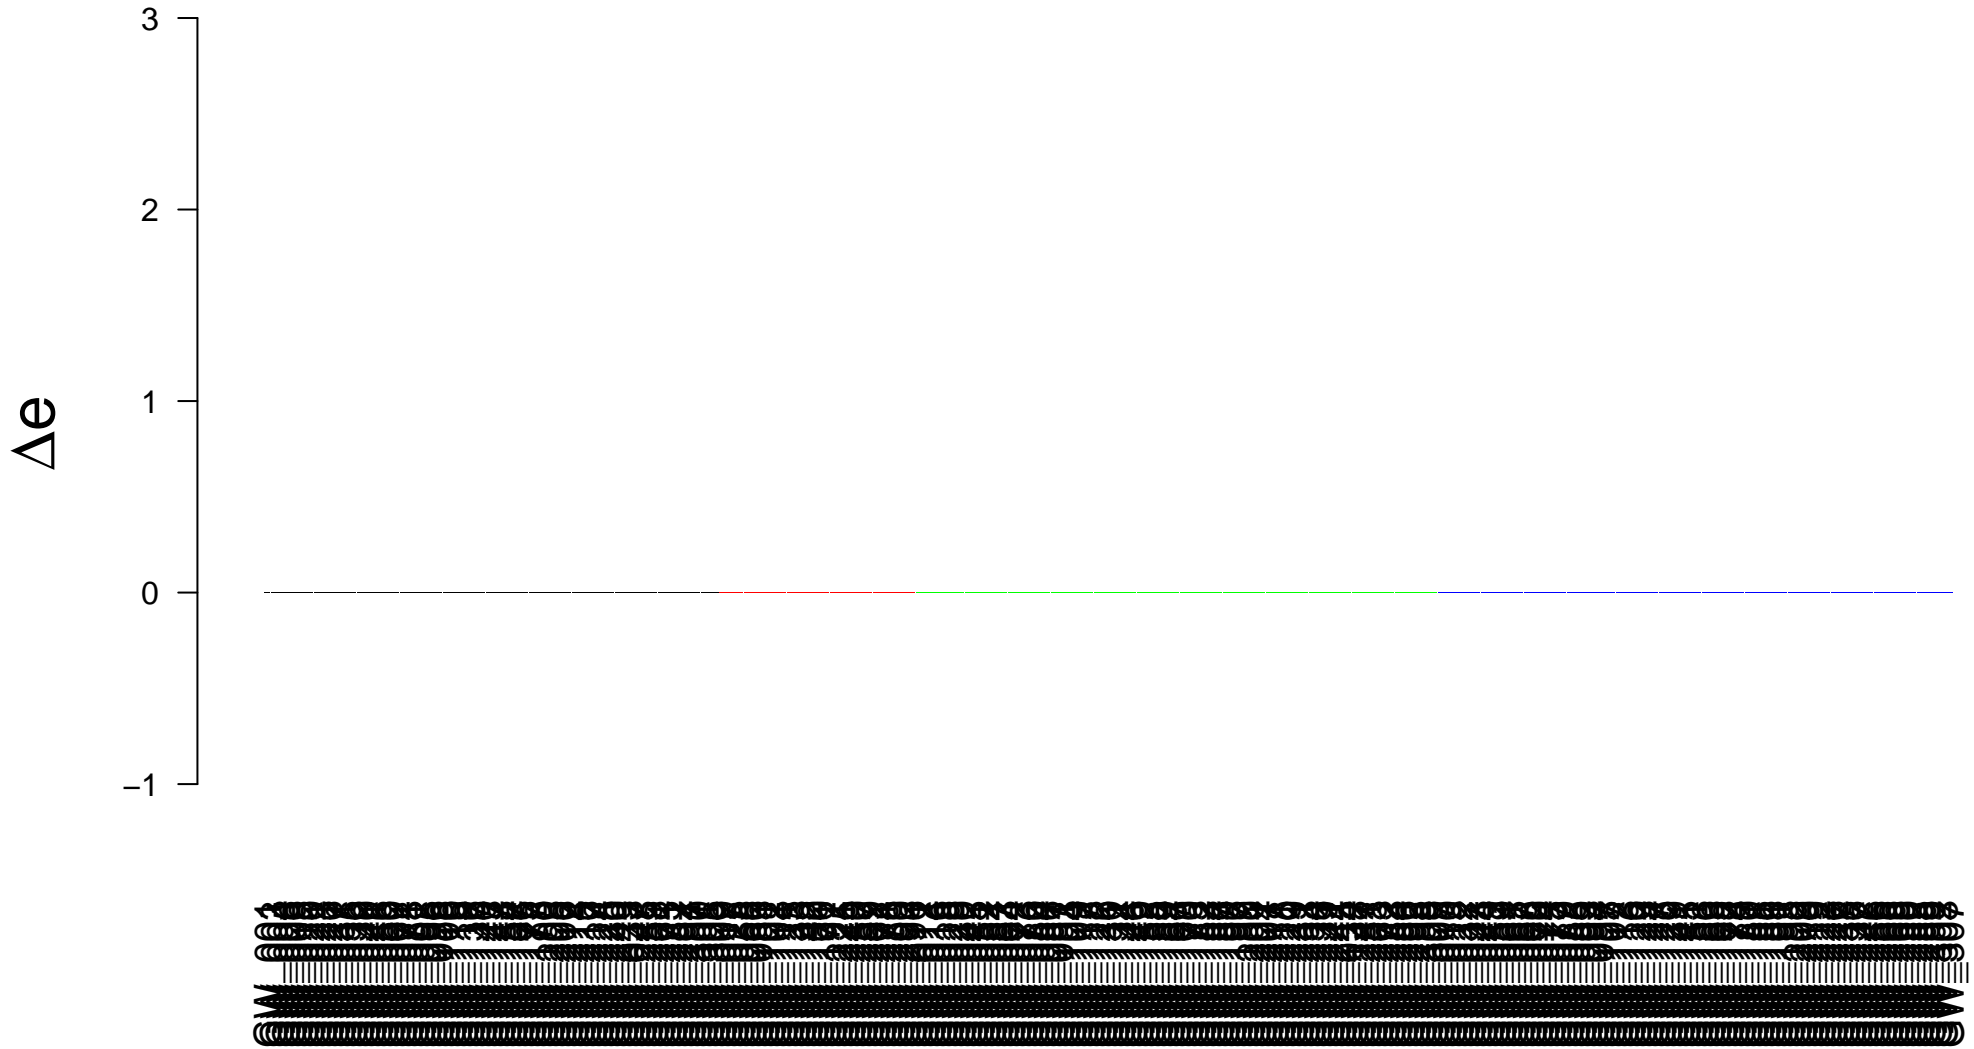

Expression of muscle fiber development in Spot B

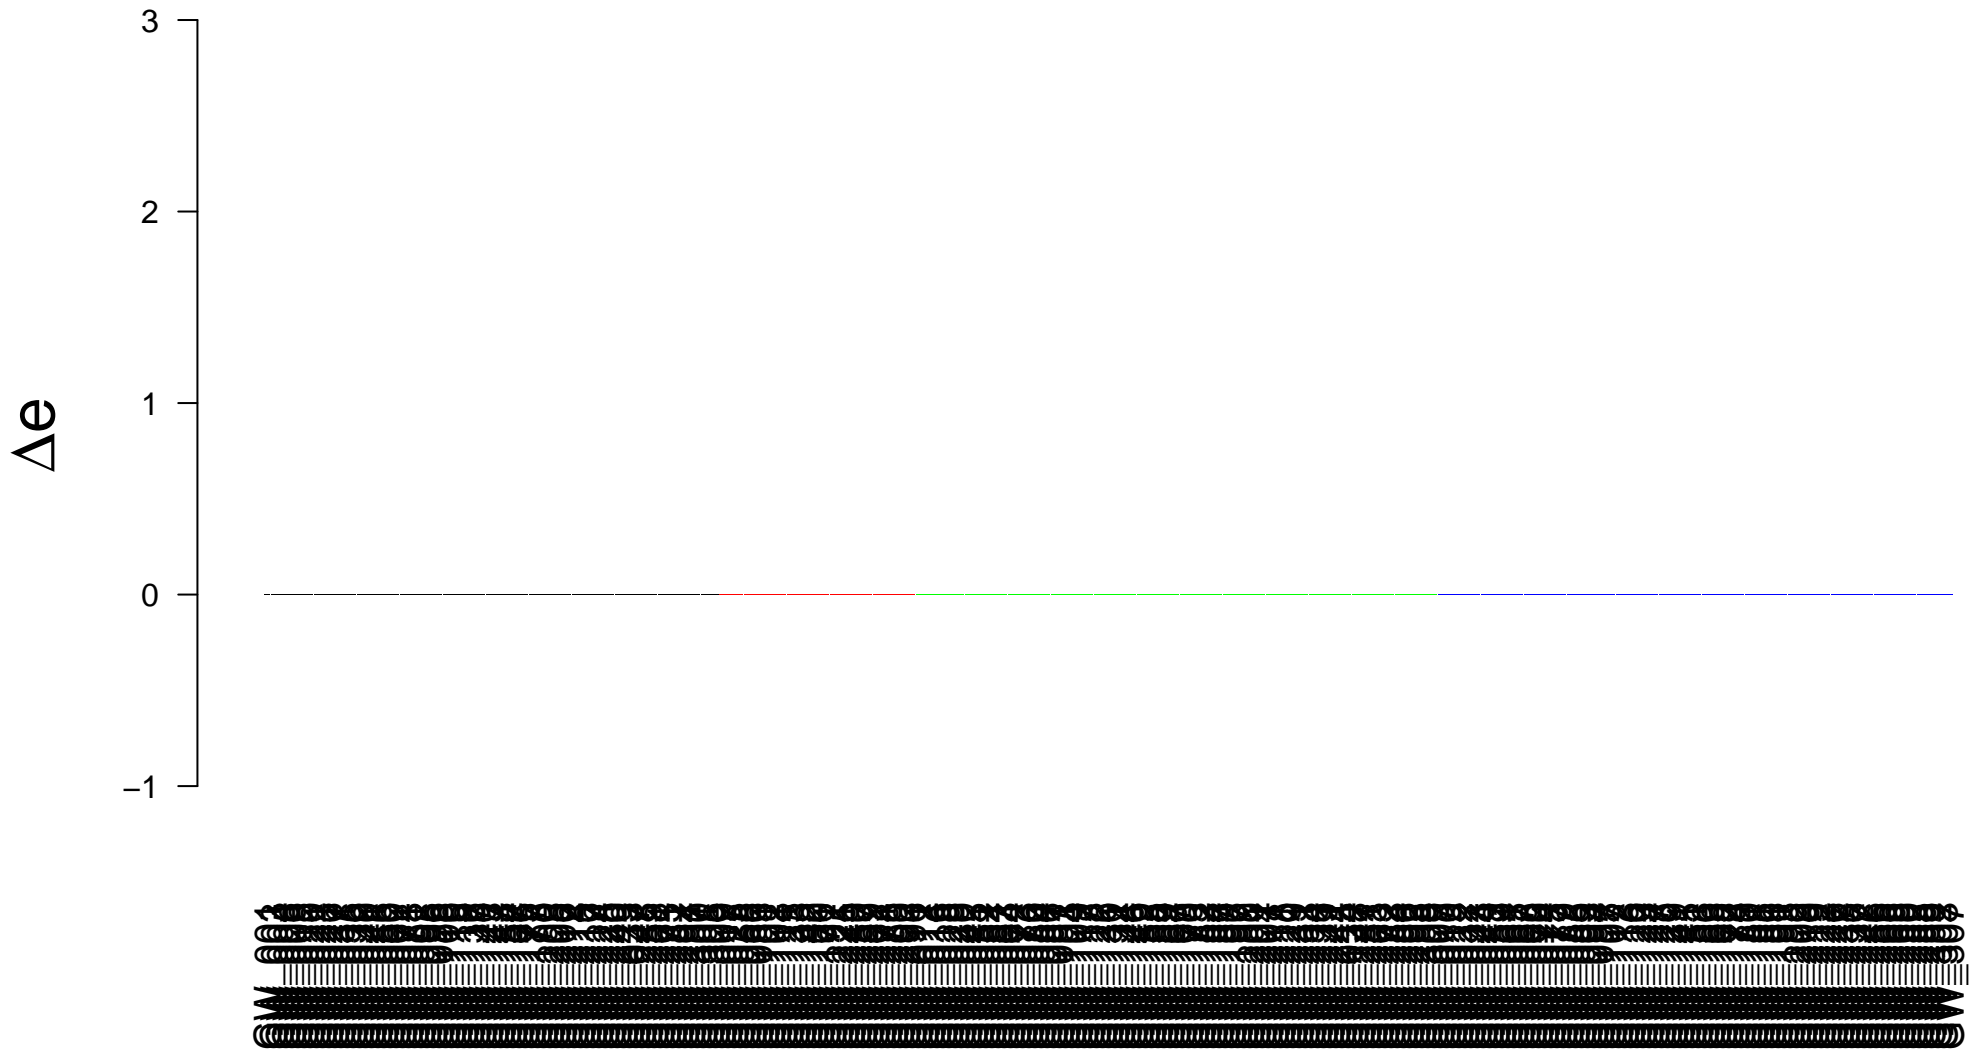

Expression of muscle fiber development in Spot C

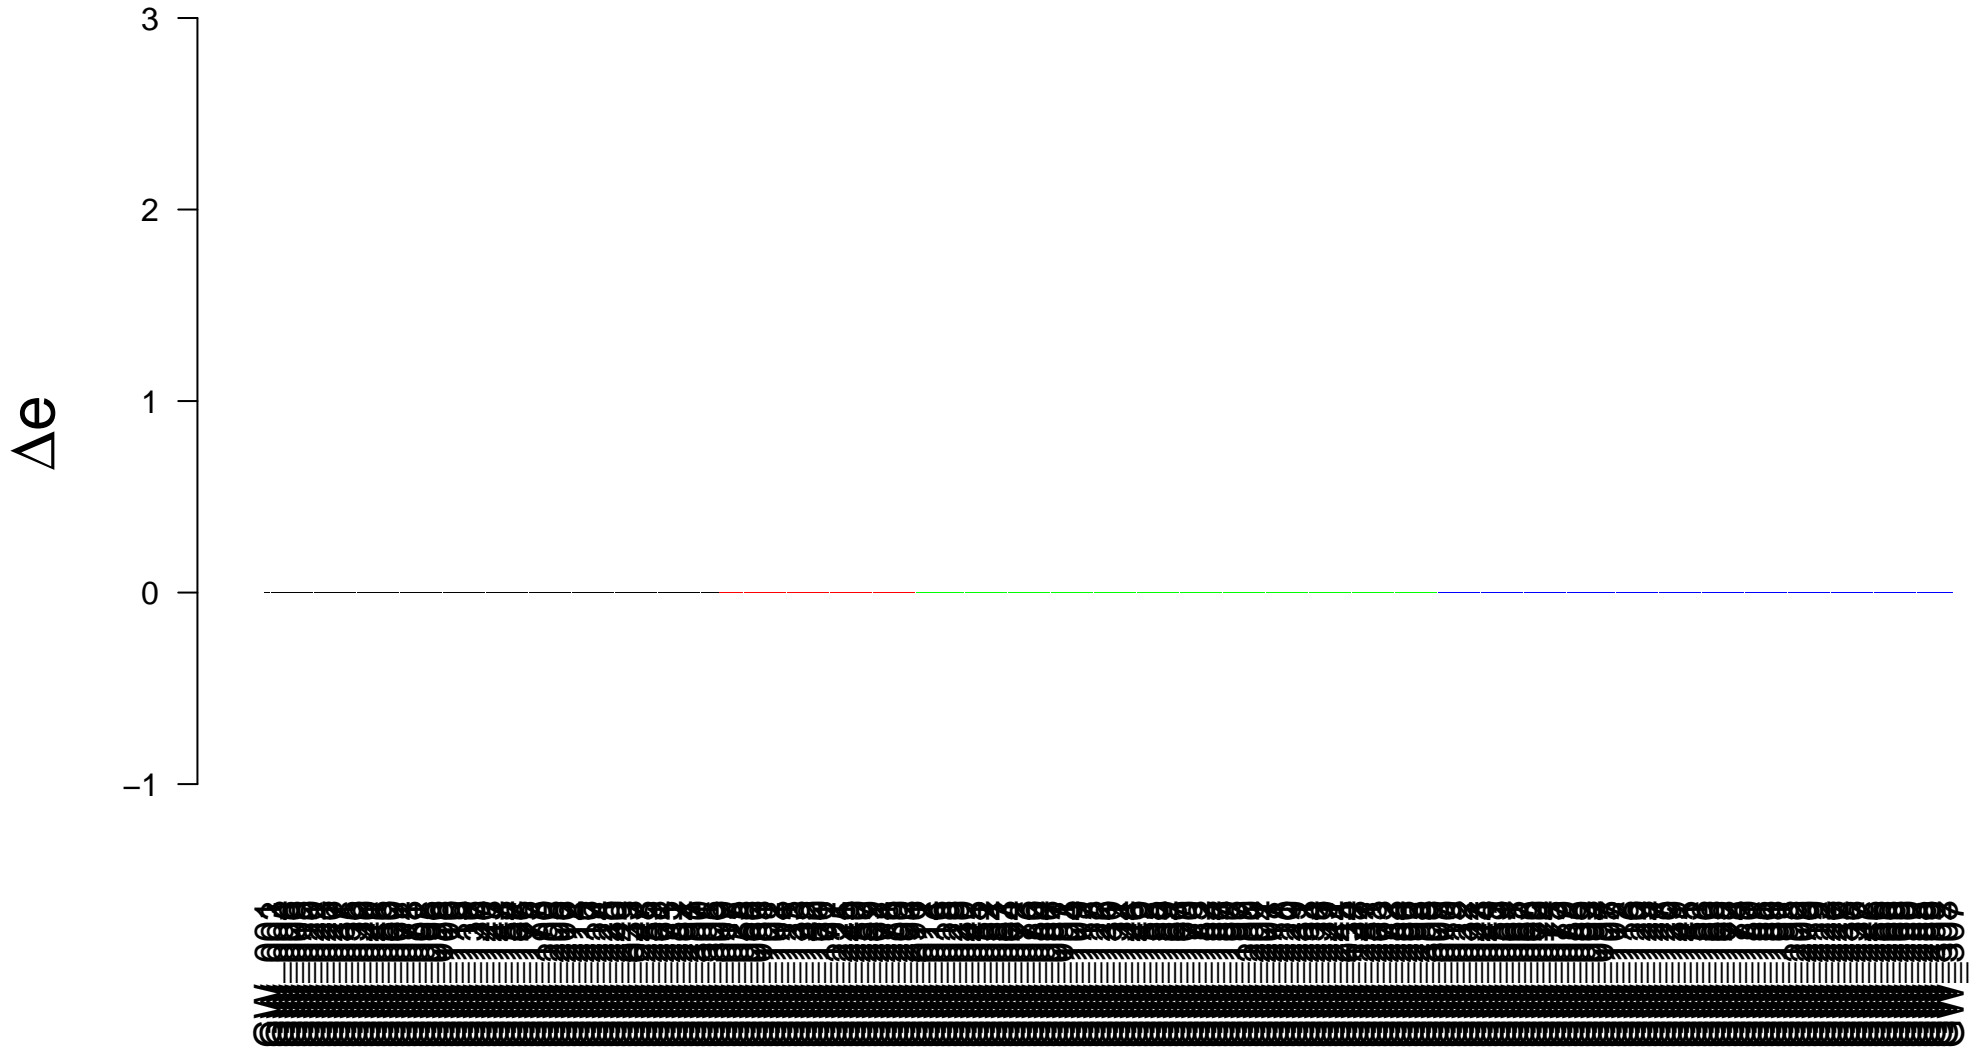

Expression of muscle fiber development in Spot D

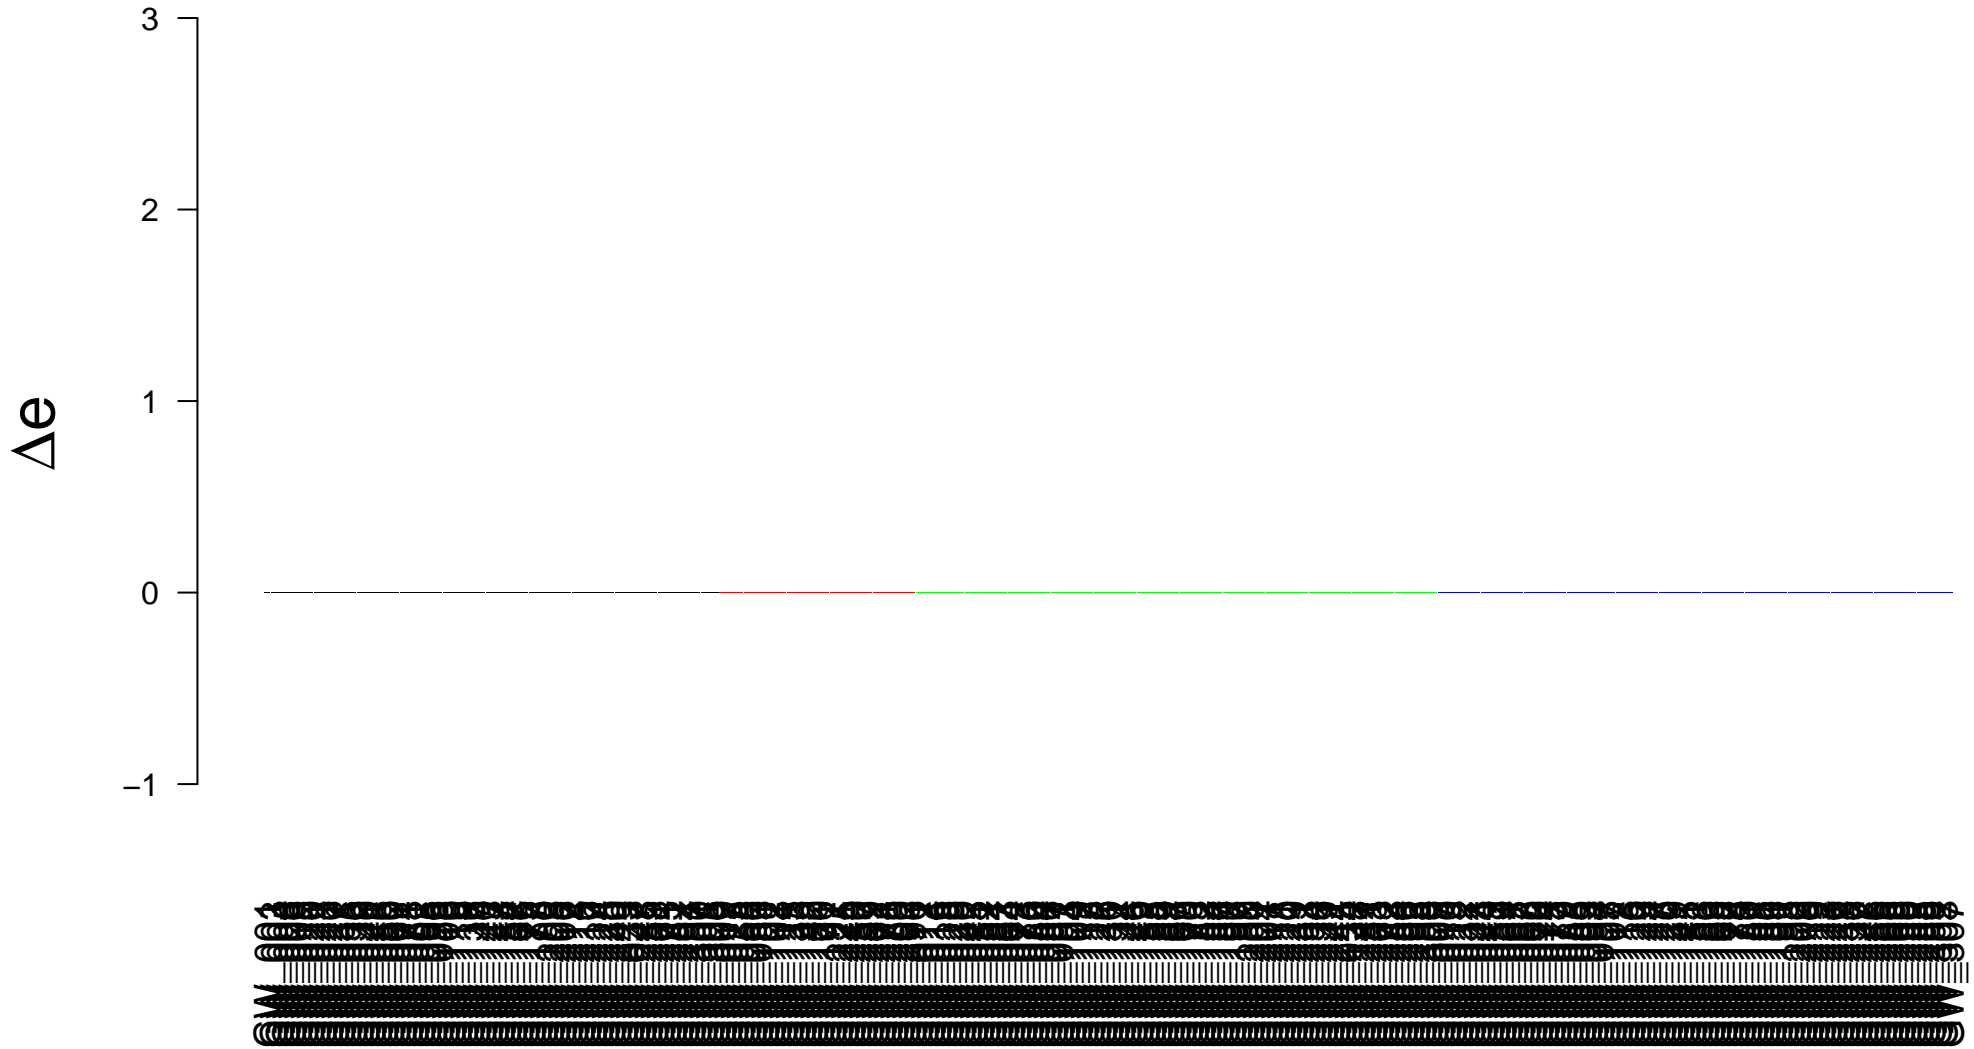

Expression of muscle fiber development in Spot E

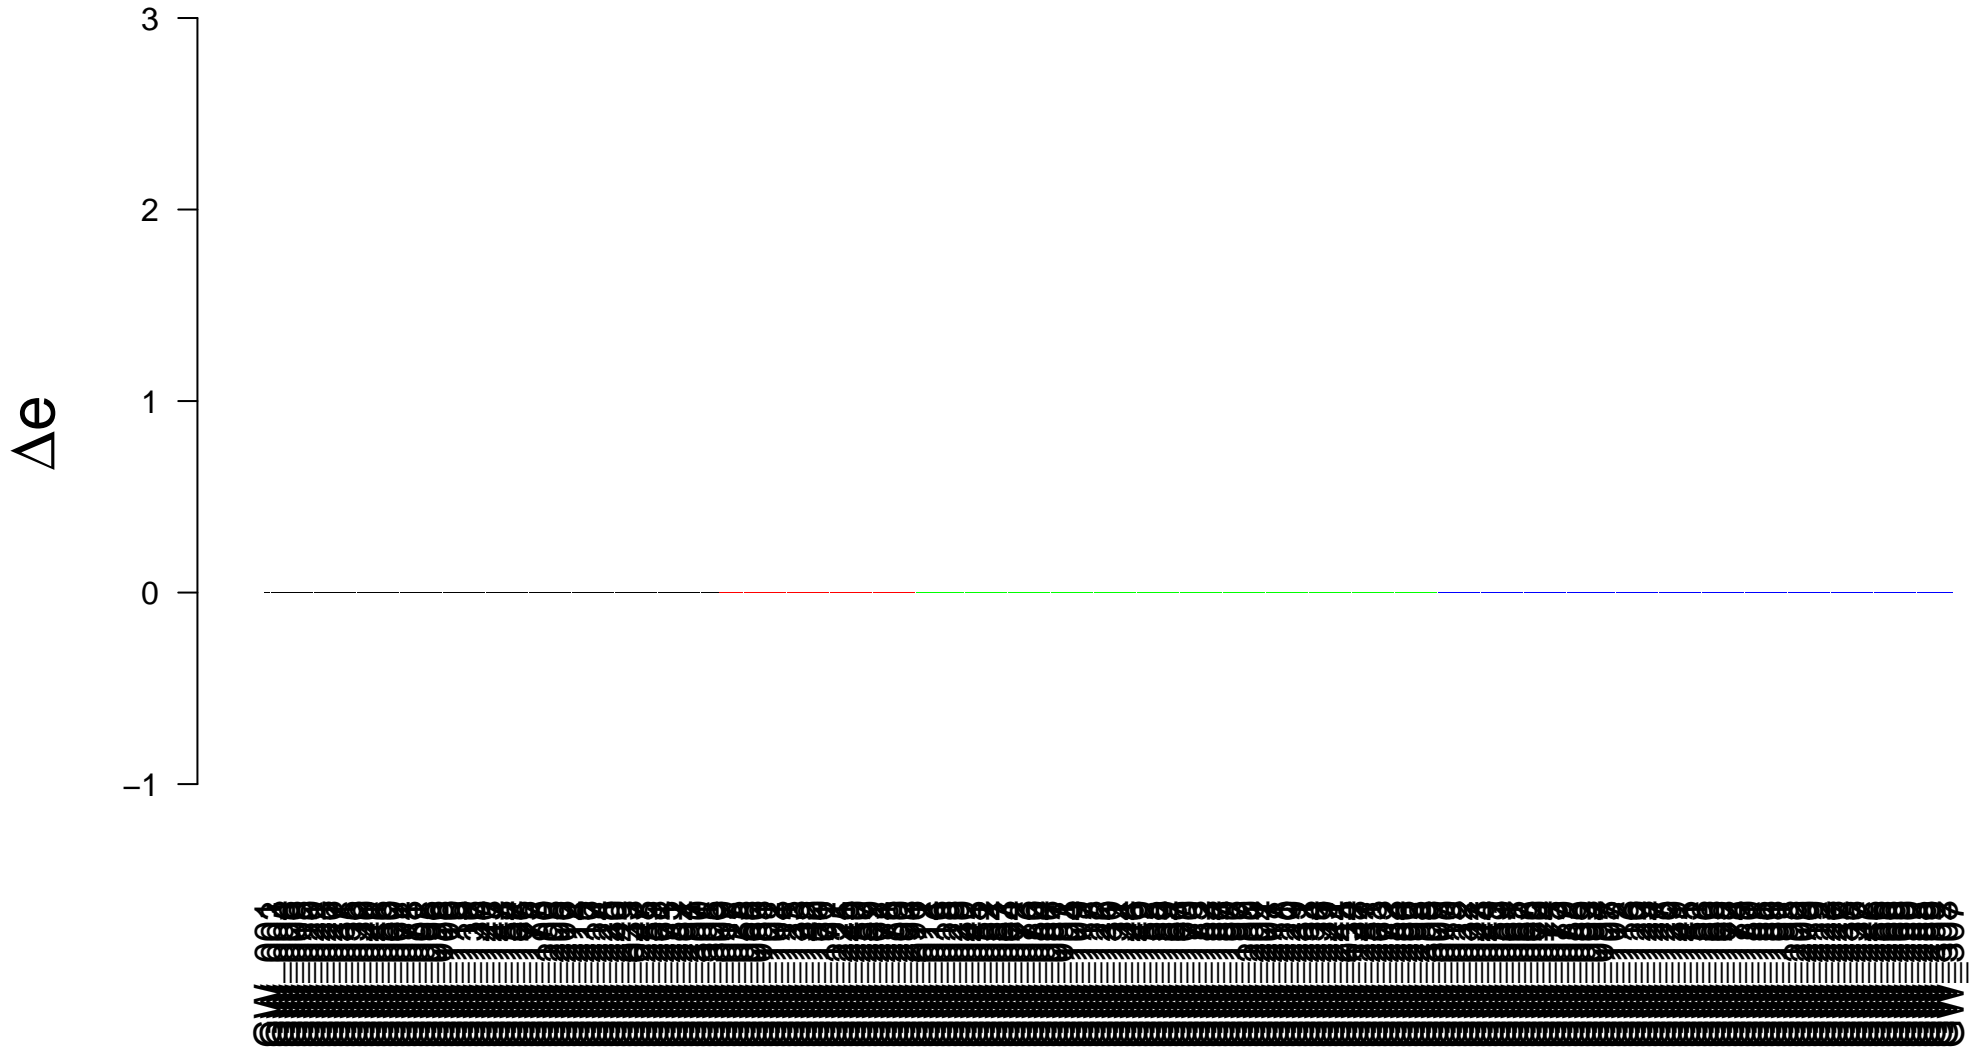

Expression of muscle fiber development in Spot F

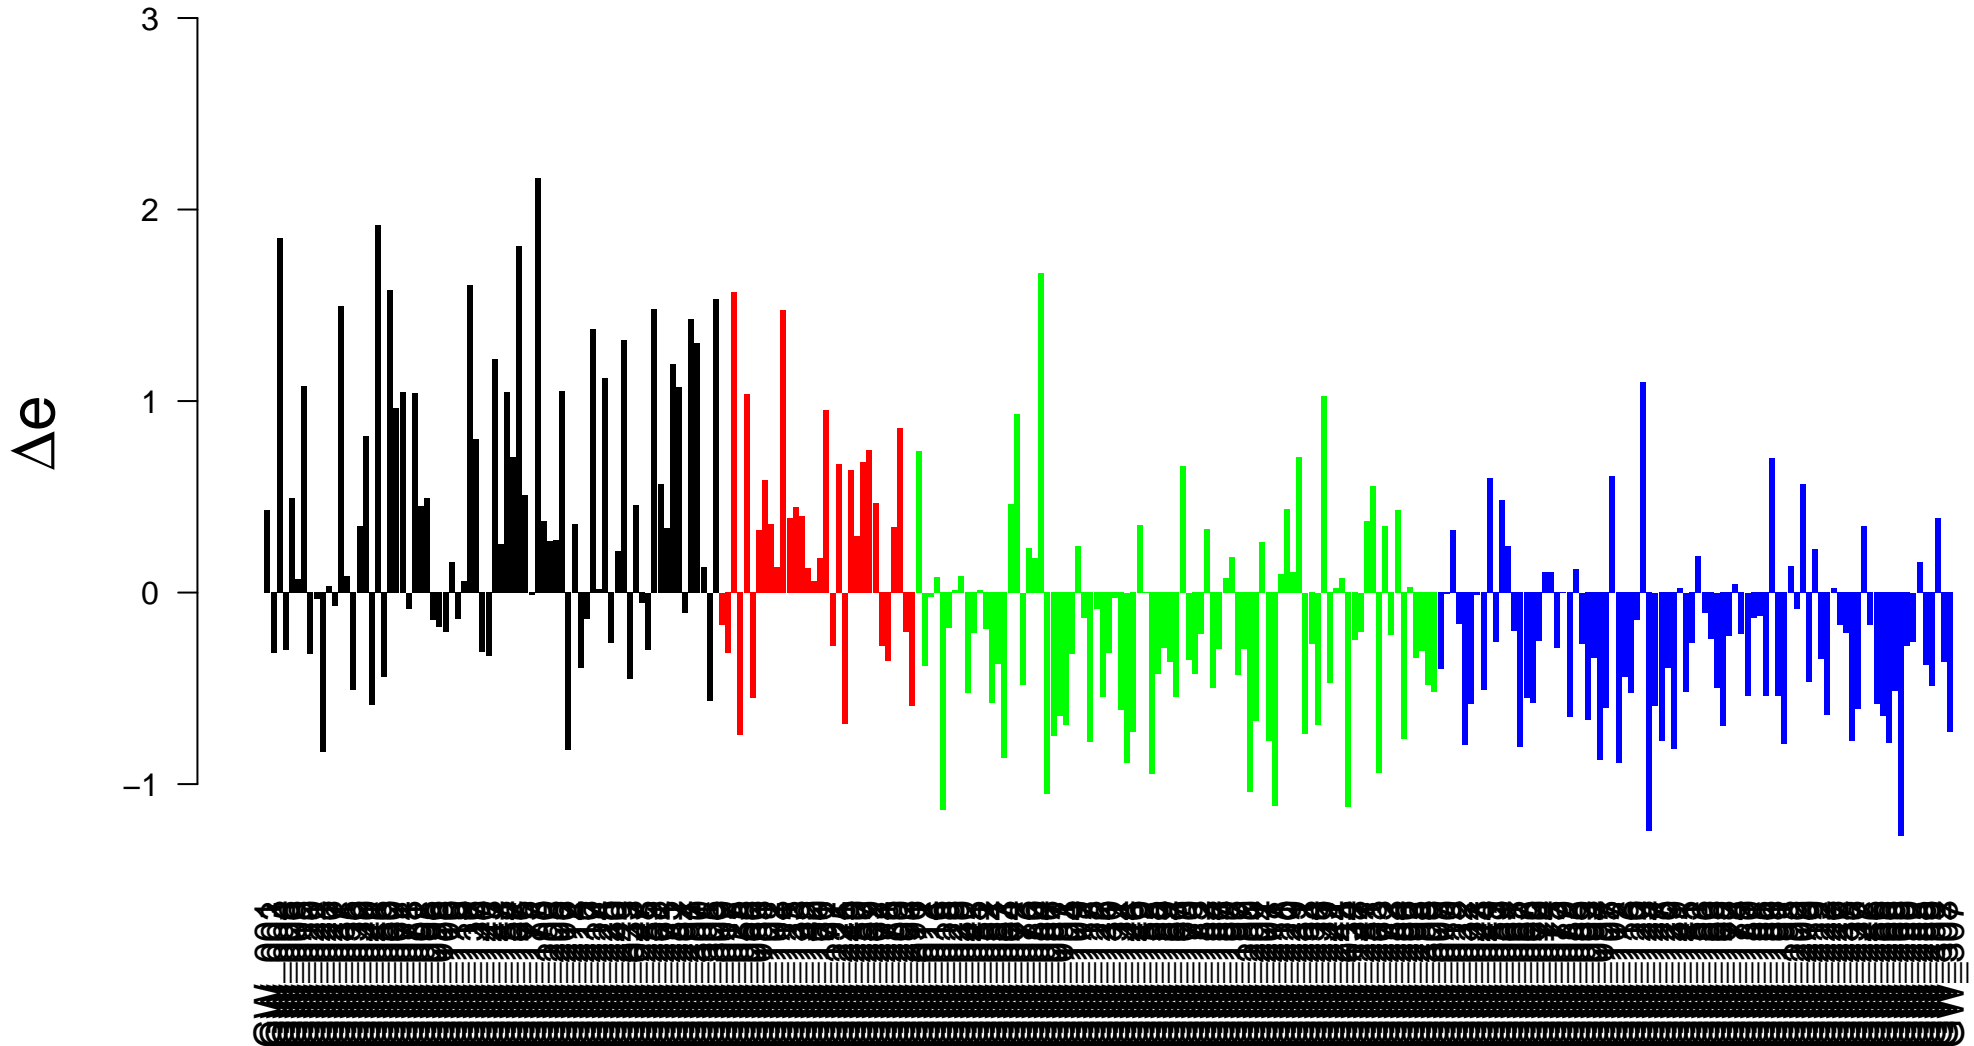

Expression of muscle fiber development in Spot G

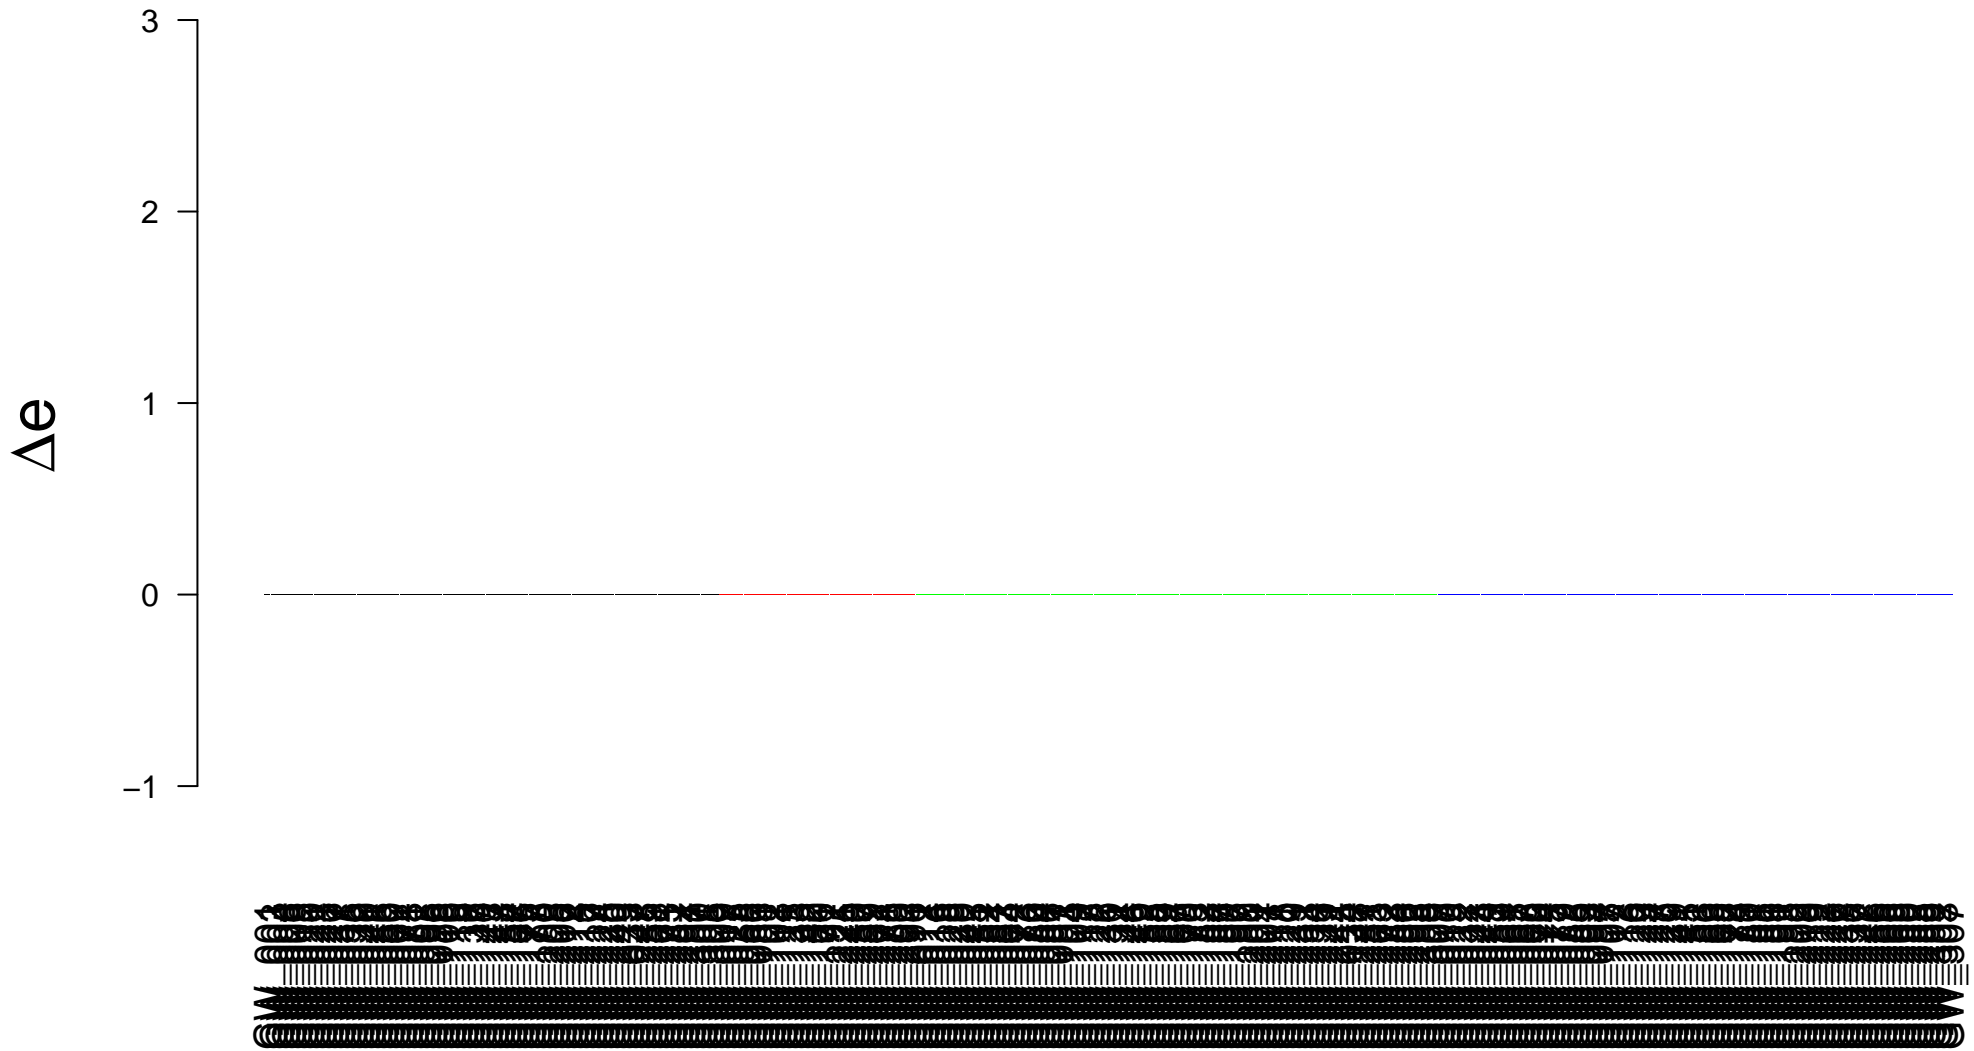

Expression of muscle fiber development in Spot H

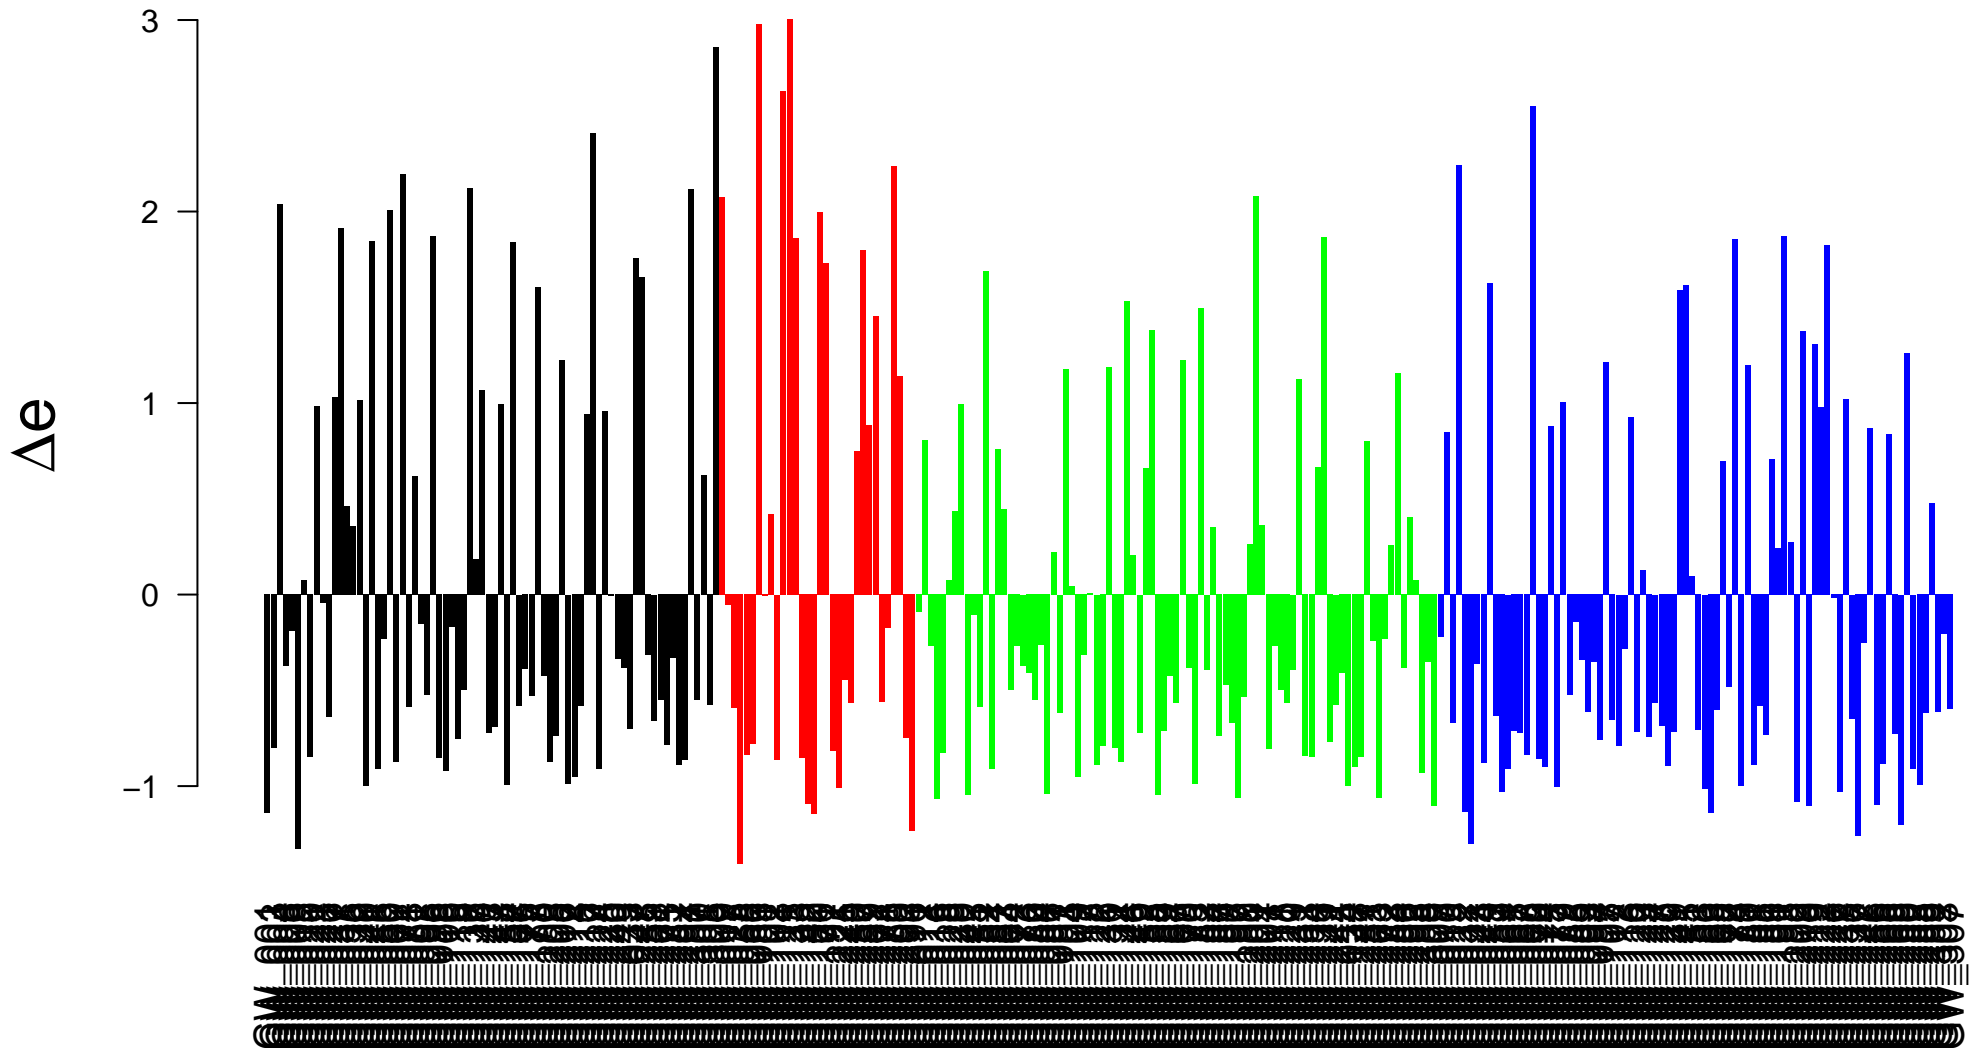

Expression of muscle fiber development in Spot I

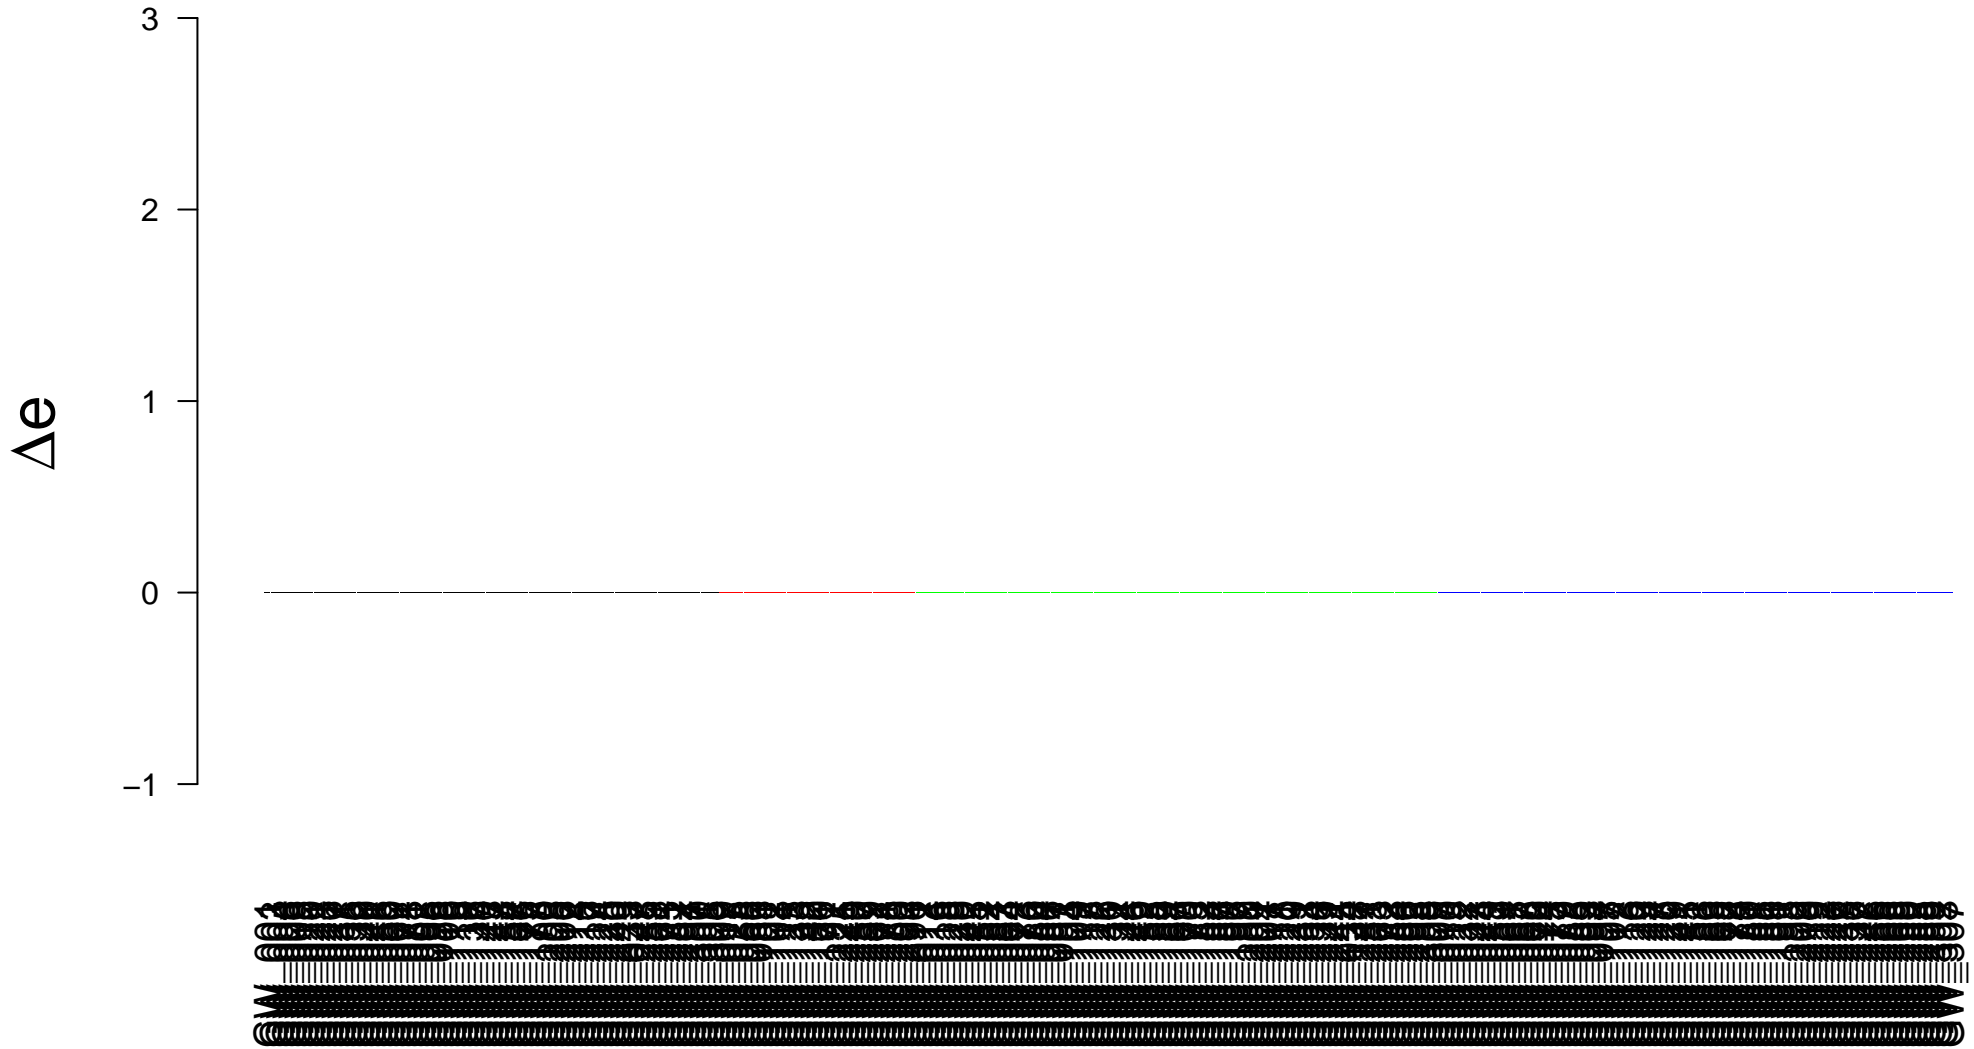

Expression of muscle fiber development in Spot J

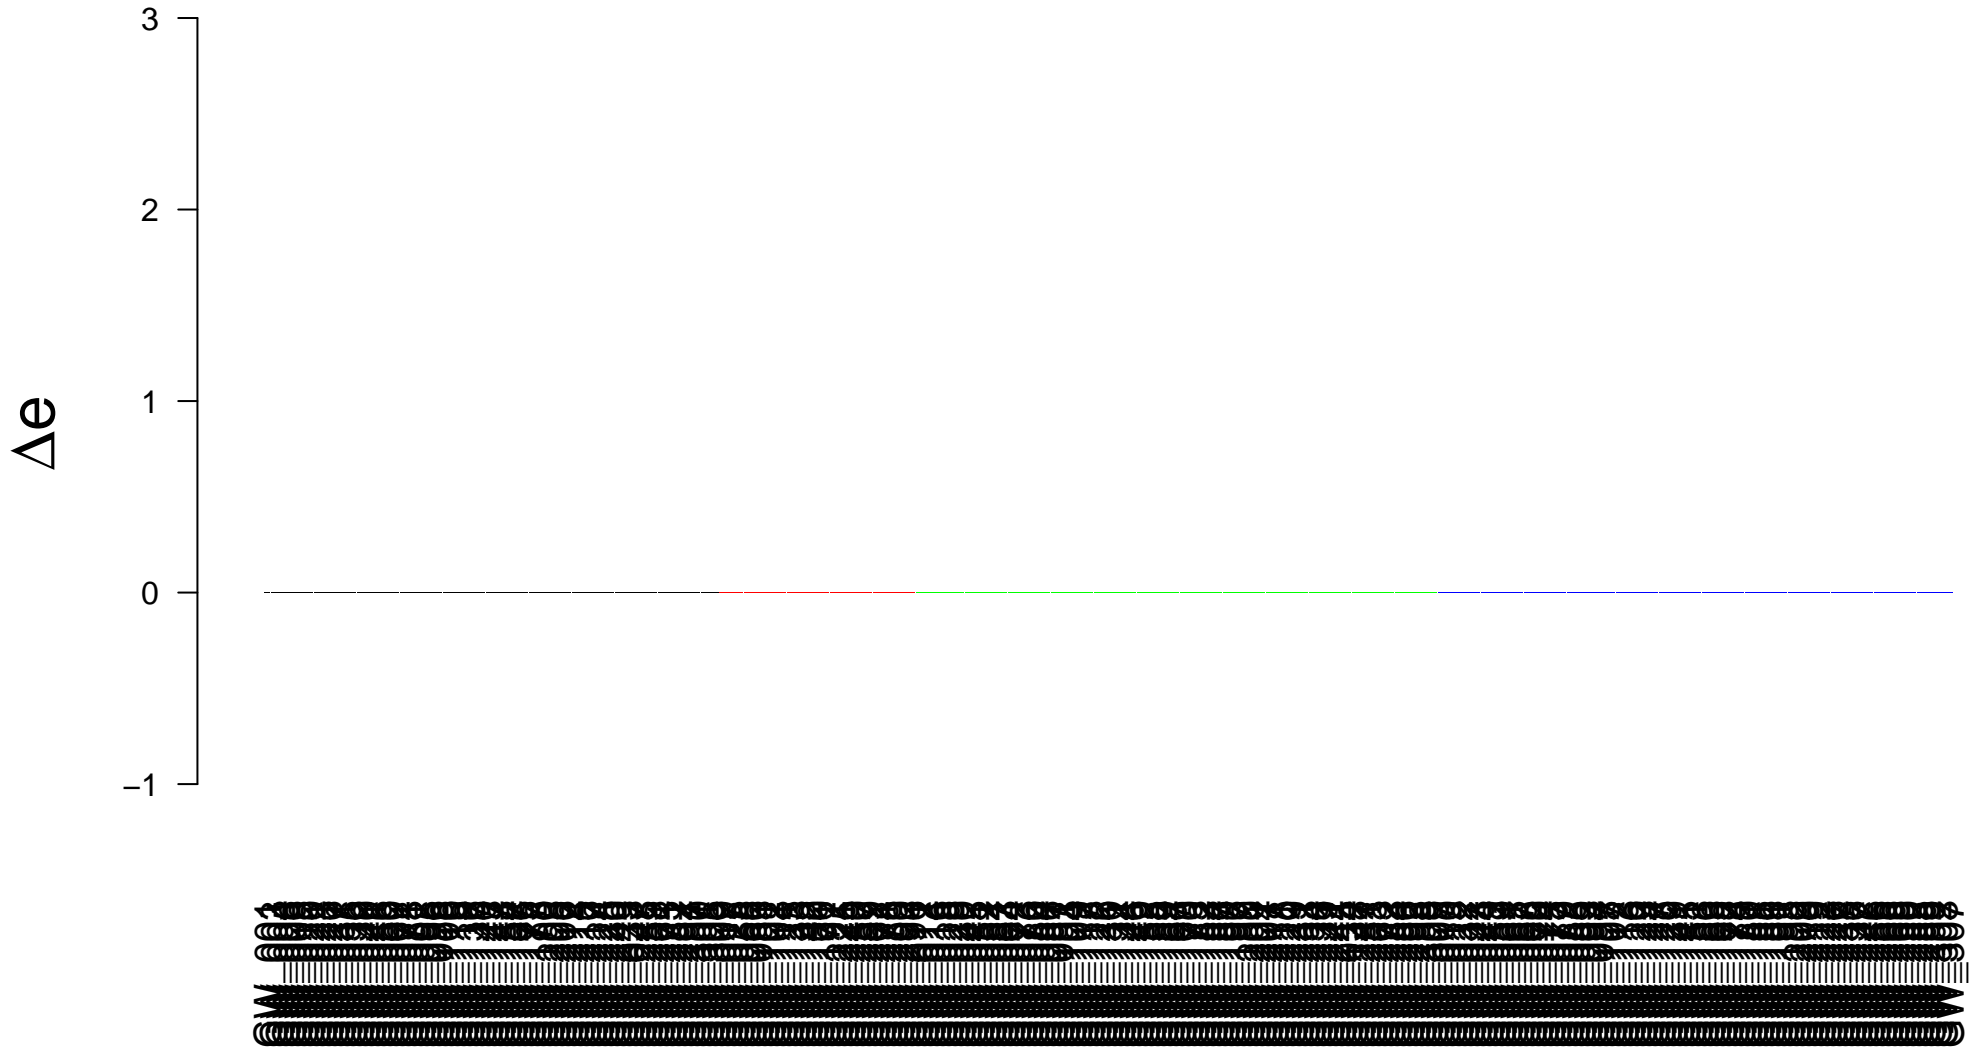

Expression of muscle fiber development in Spot K

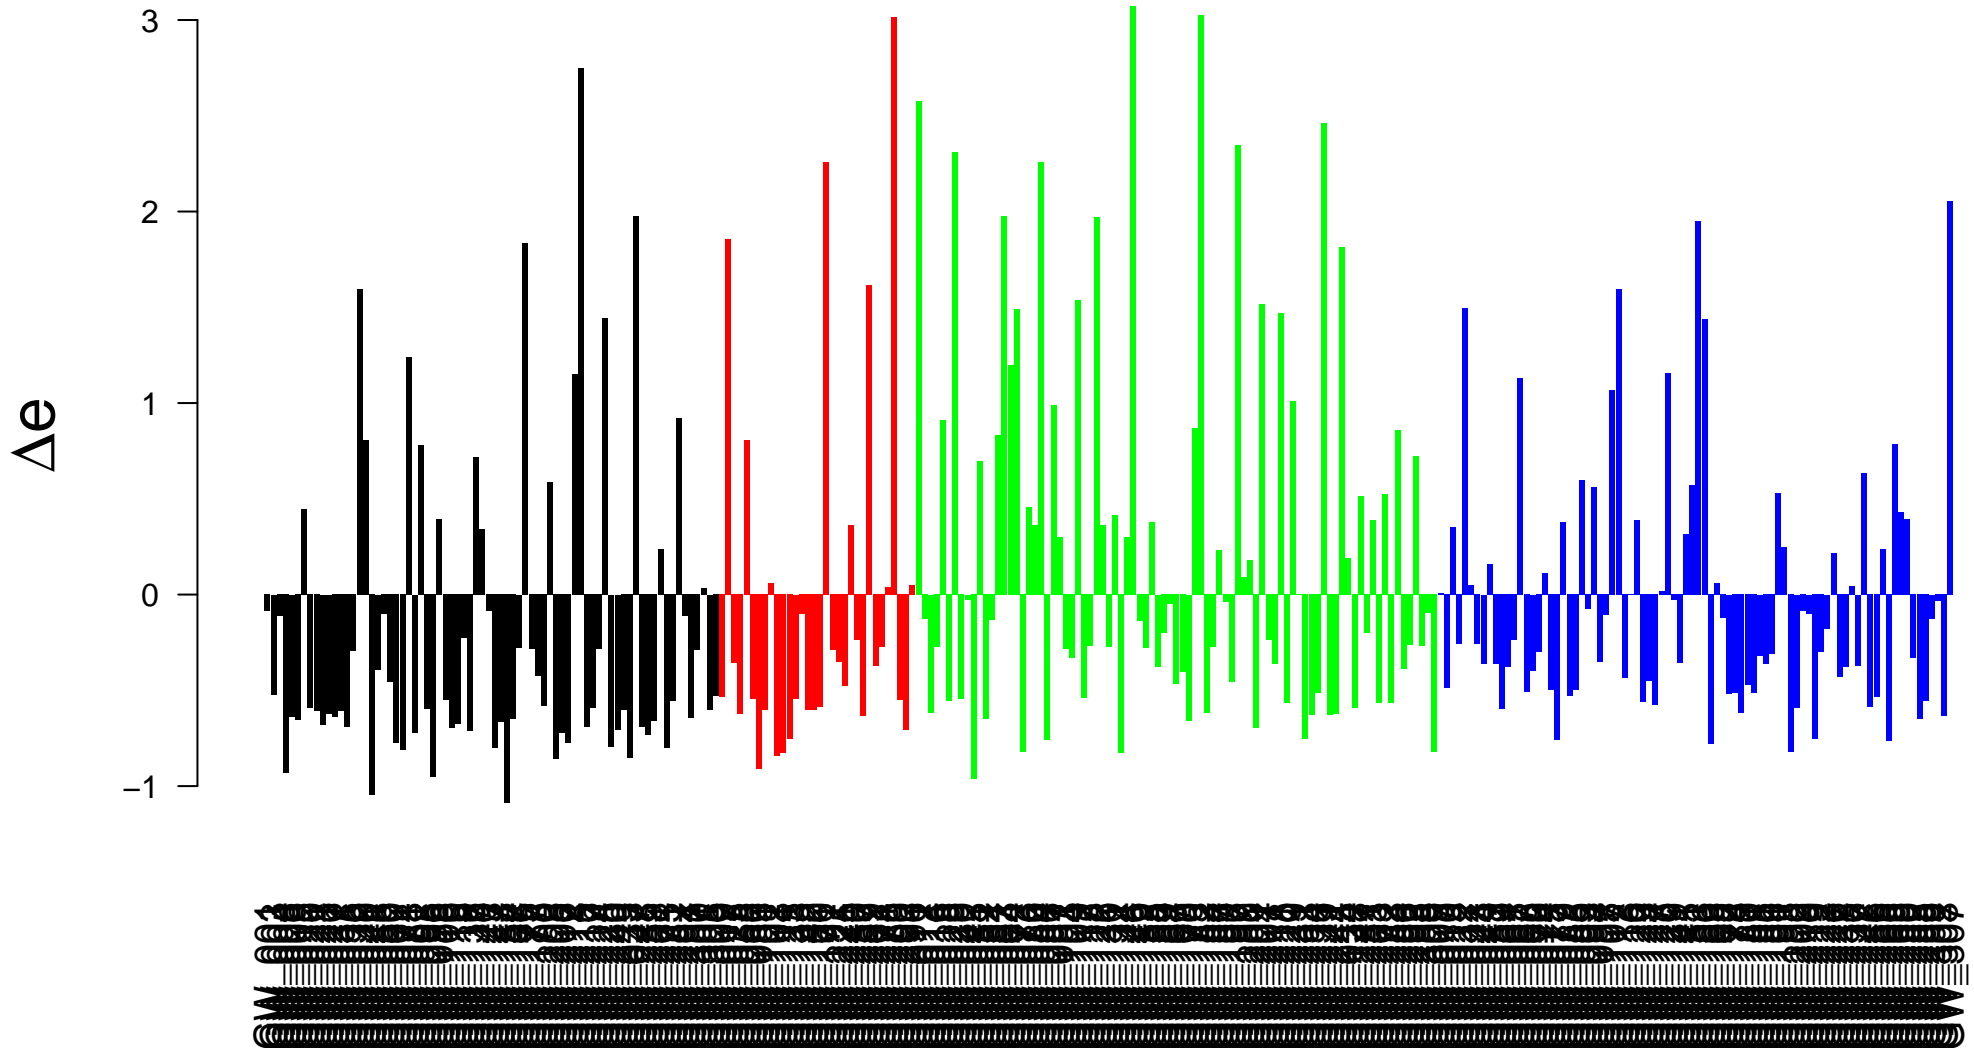

Expression of muscle fiber development in Spot L

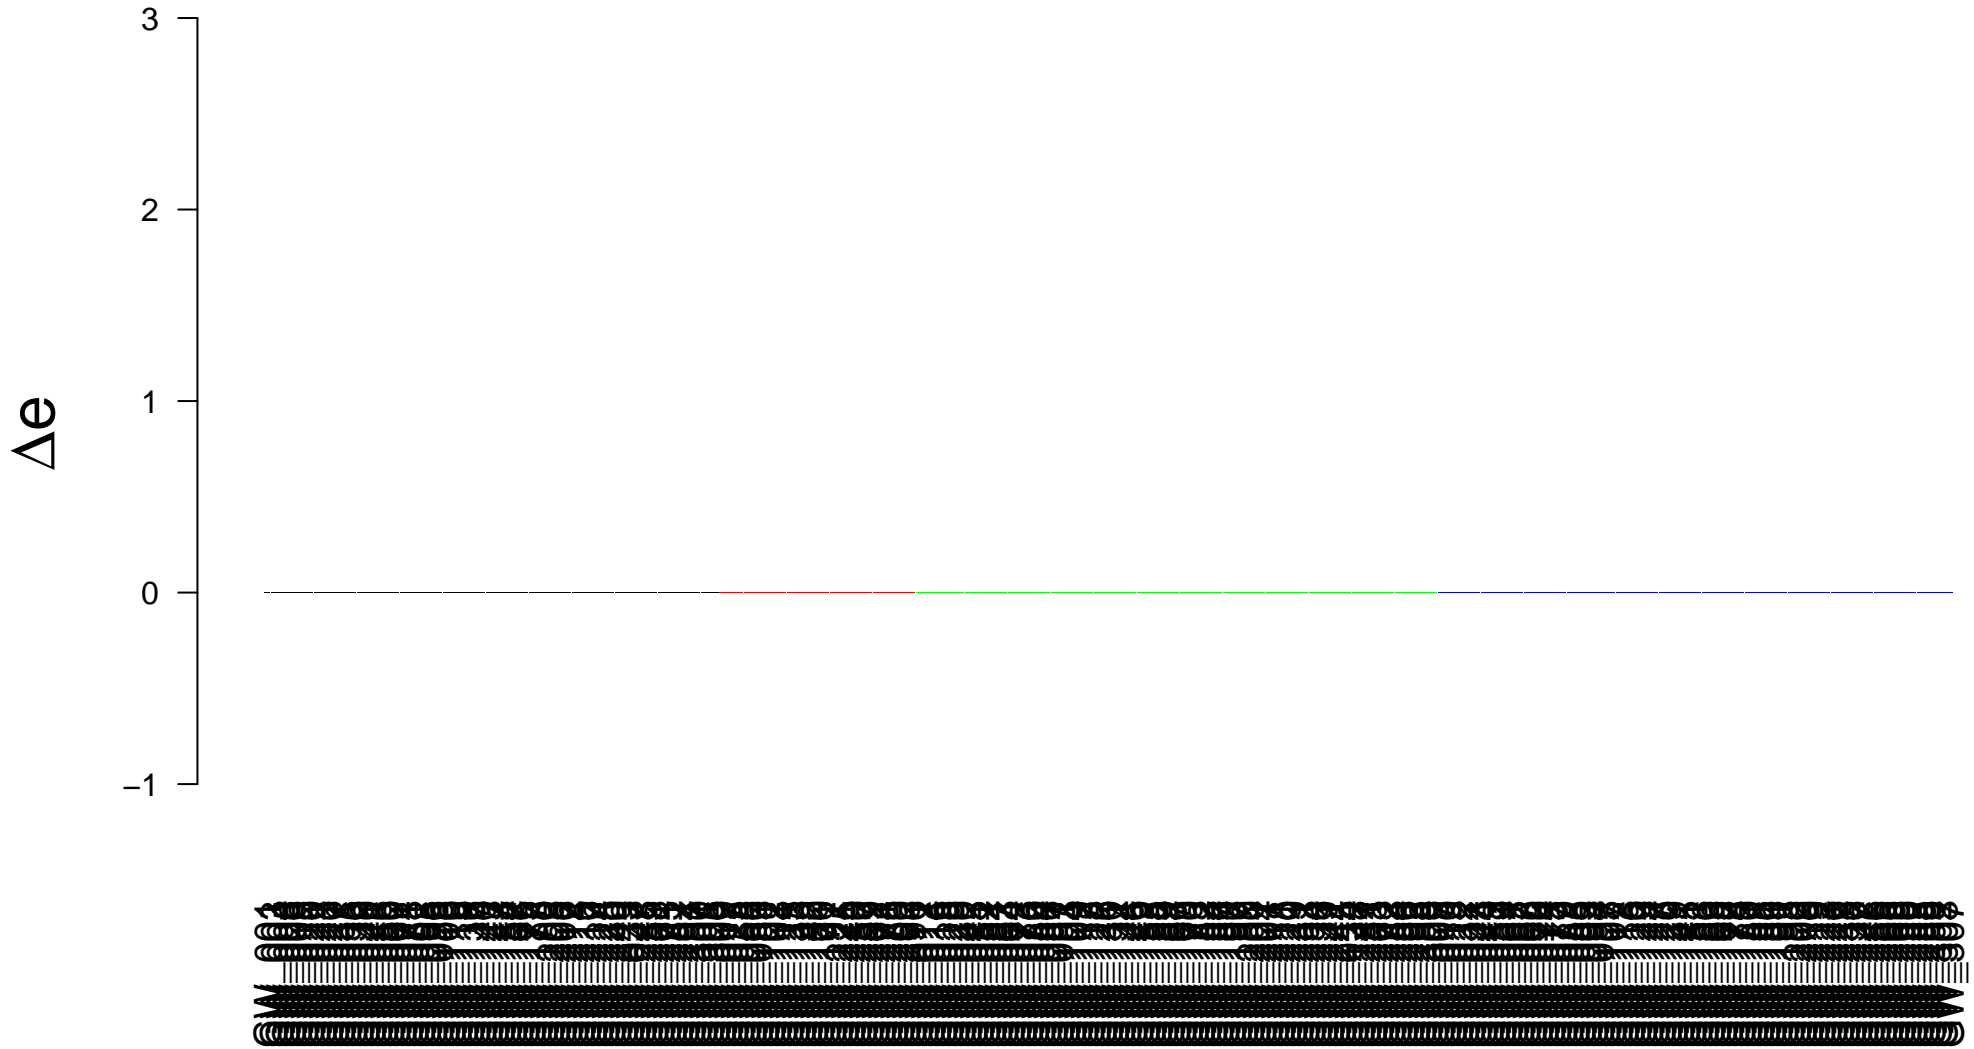

Expression of muscle fiber development in Spot M

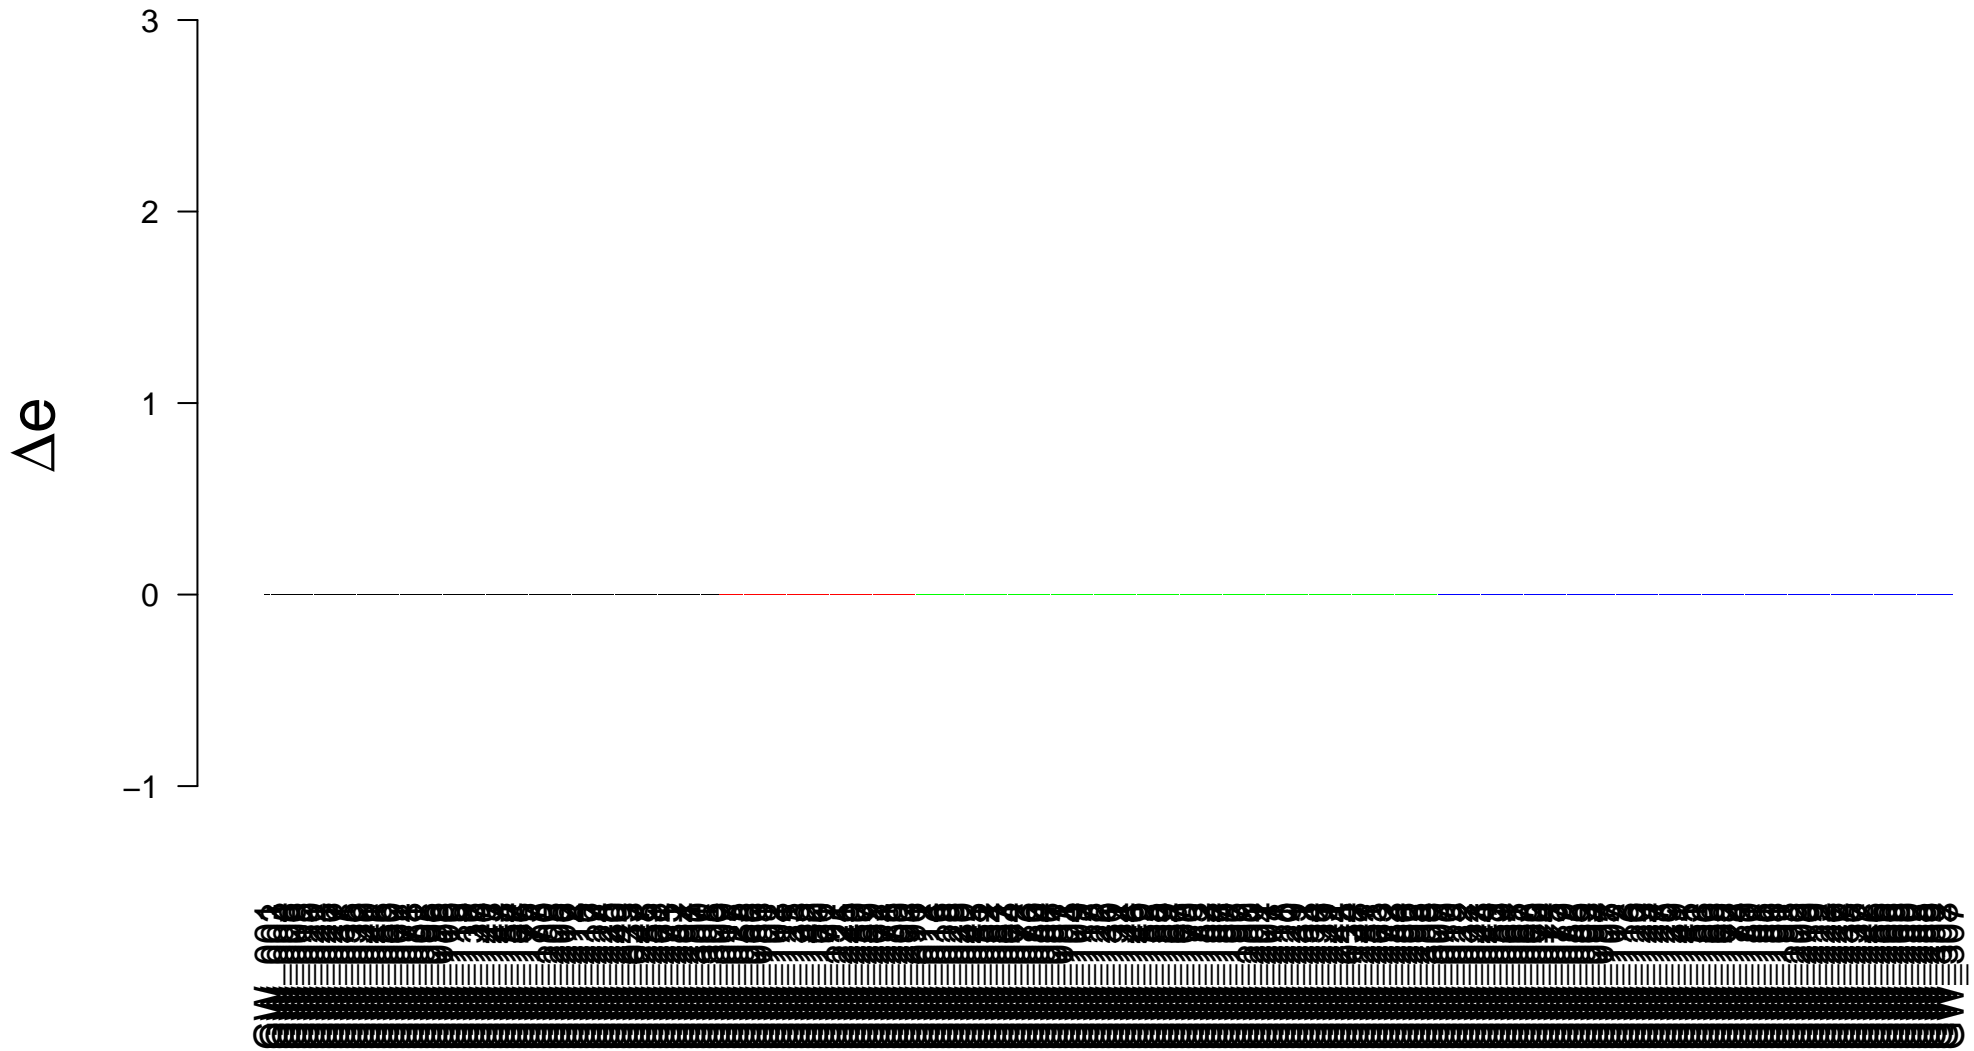

Expression of muscle fiber development in Spot N

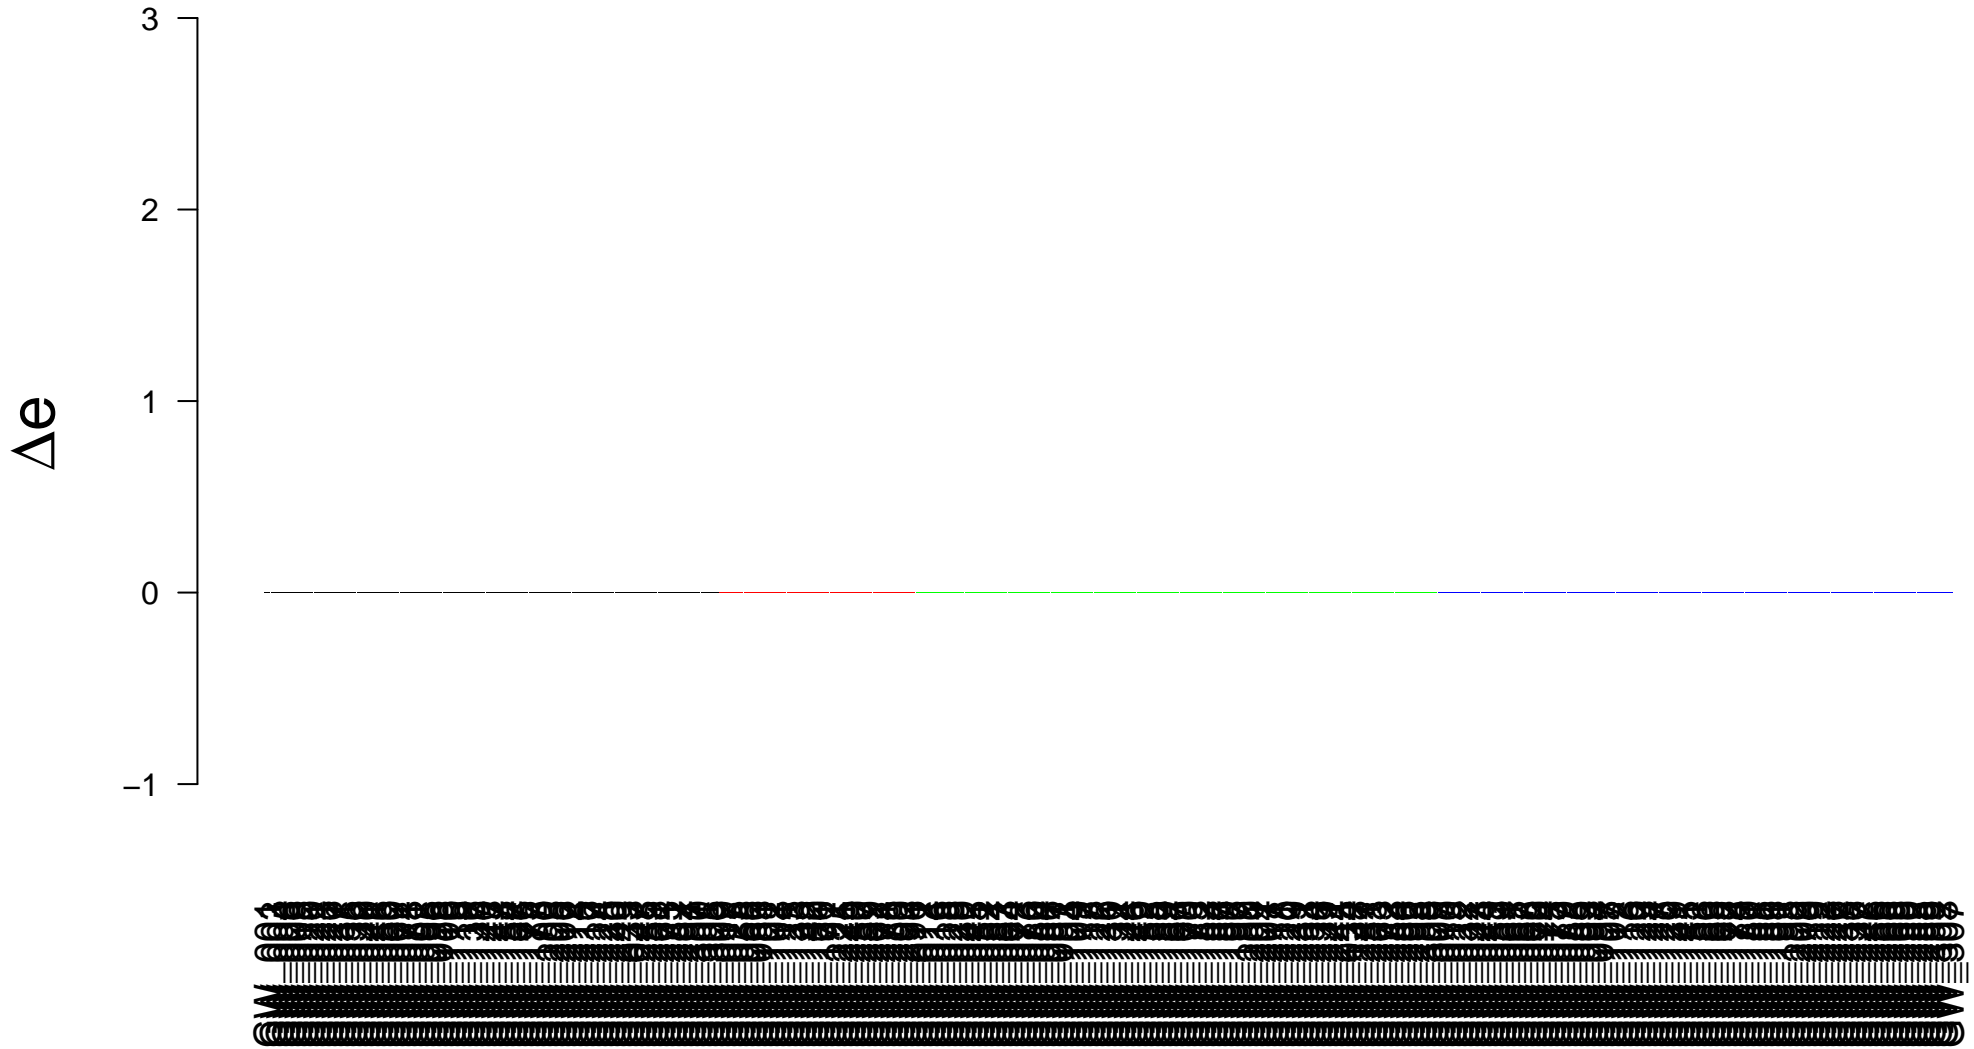

Expression of muscle fiber development in Spot O

Expression of muscle fiber development in Spot P

Expression of muscle fiber development in Spot Q

Expression of muscle fiber development in Spot R
