Expression of myeloid cell differentiation in Spot C

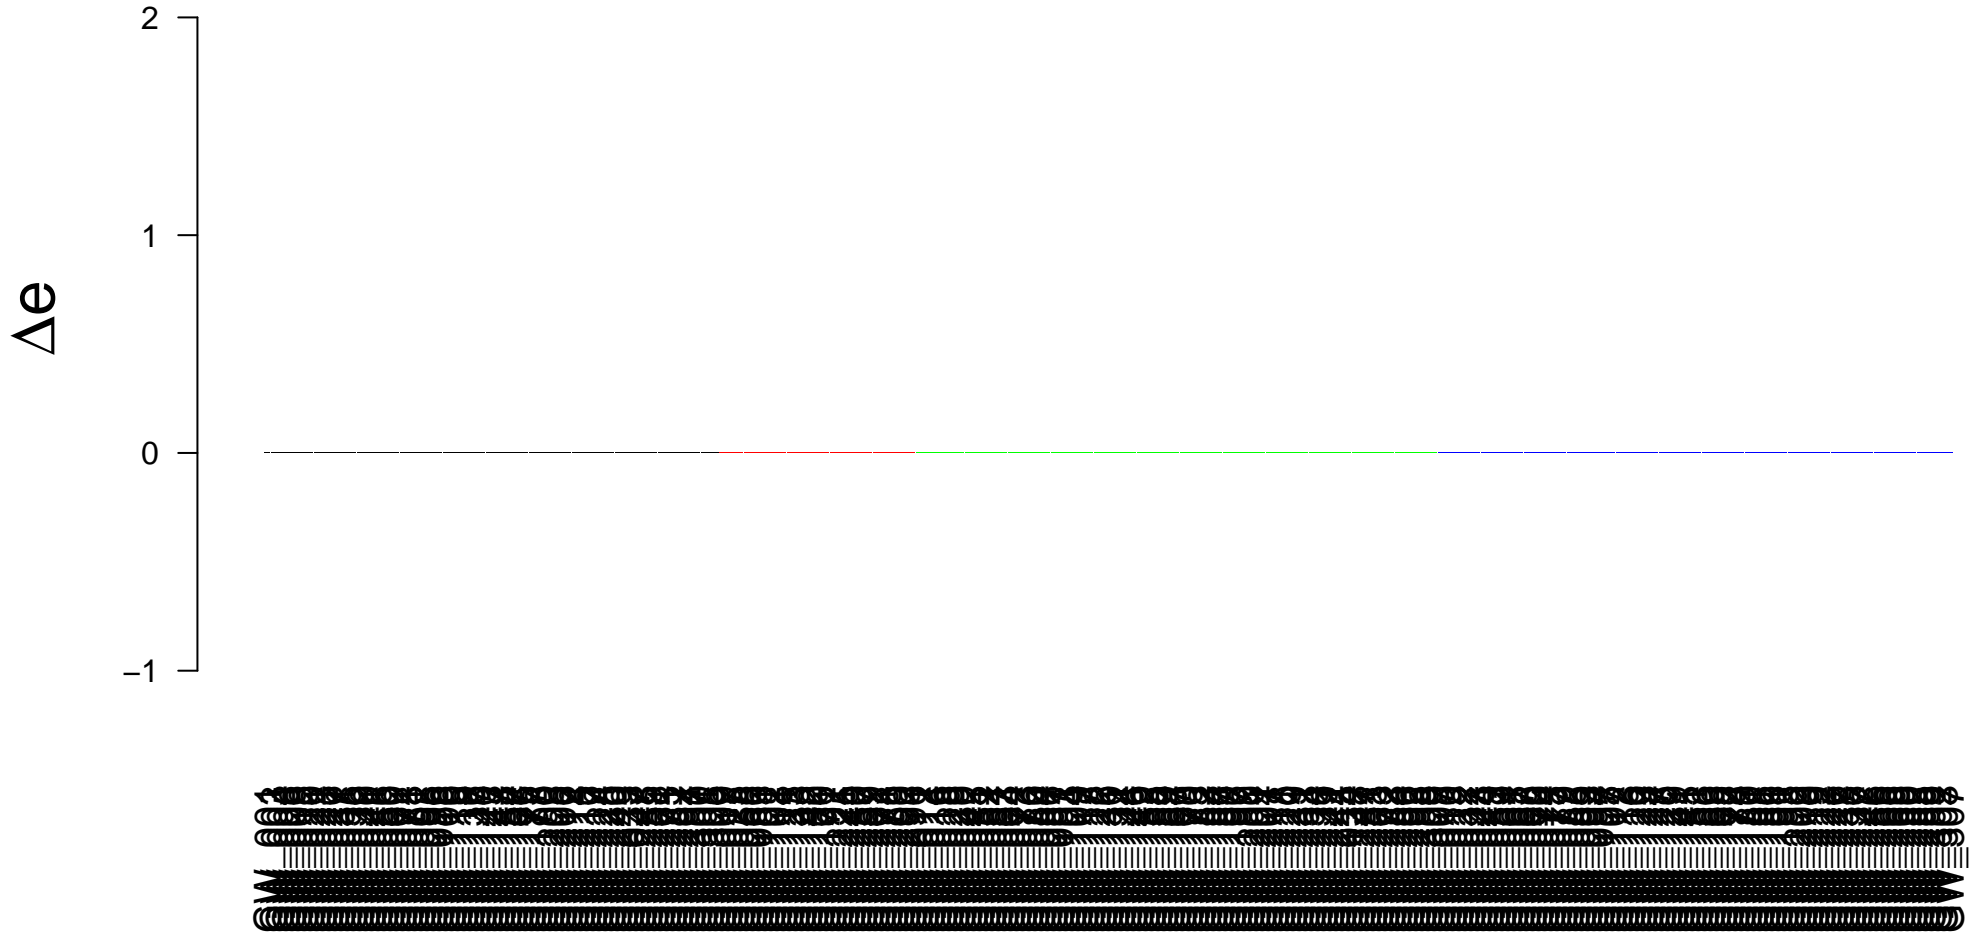

Expression of myeloid cell differentiation in Spot D

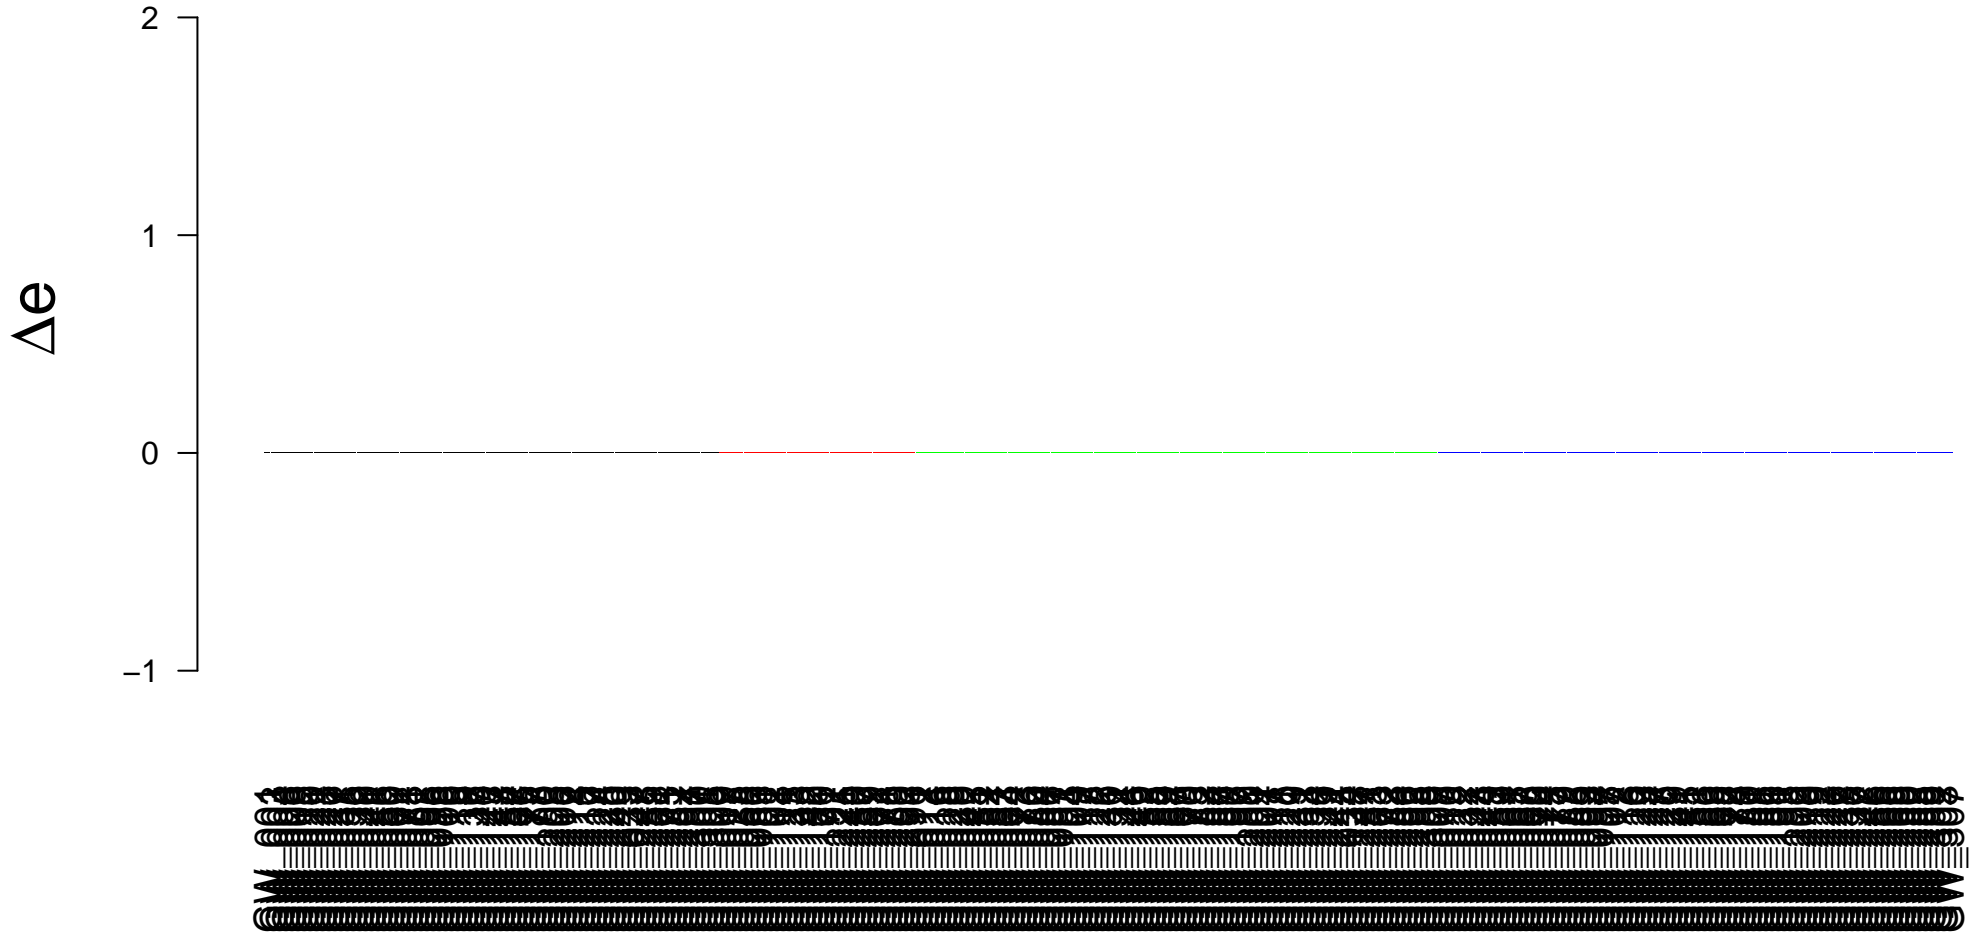

Expression of myeloid cell differentiation in Spot E

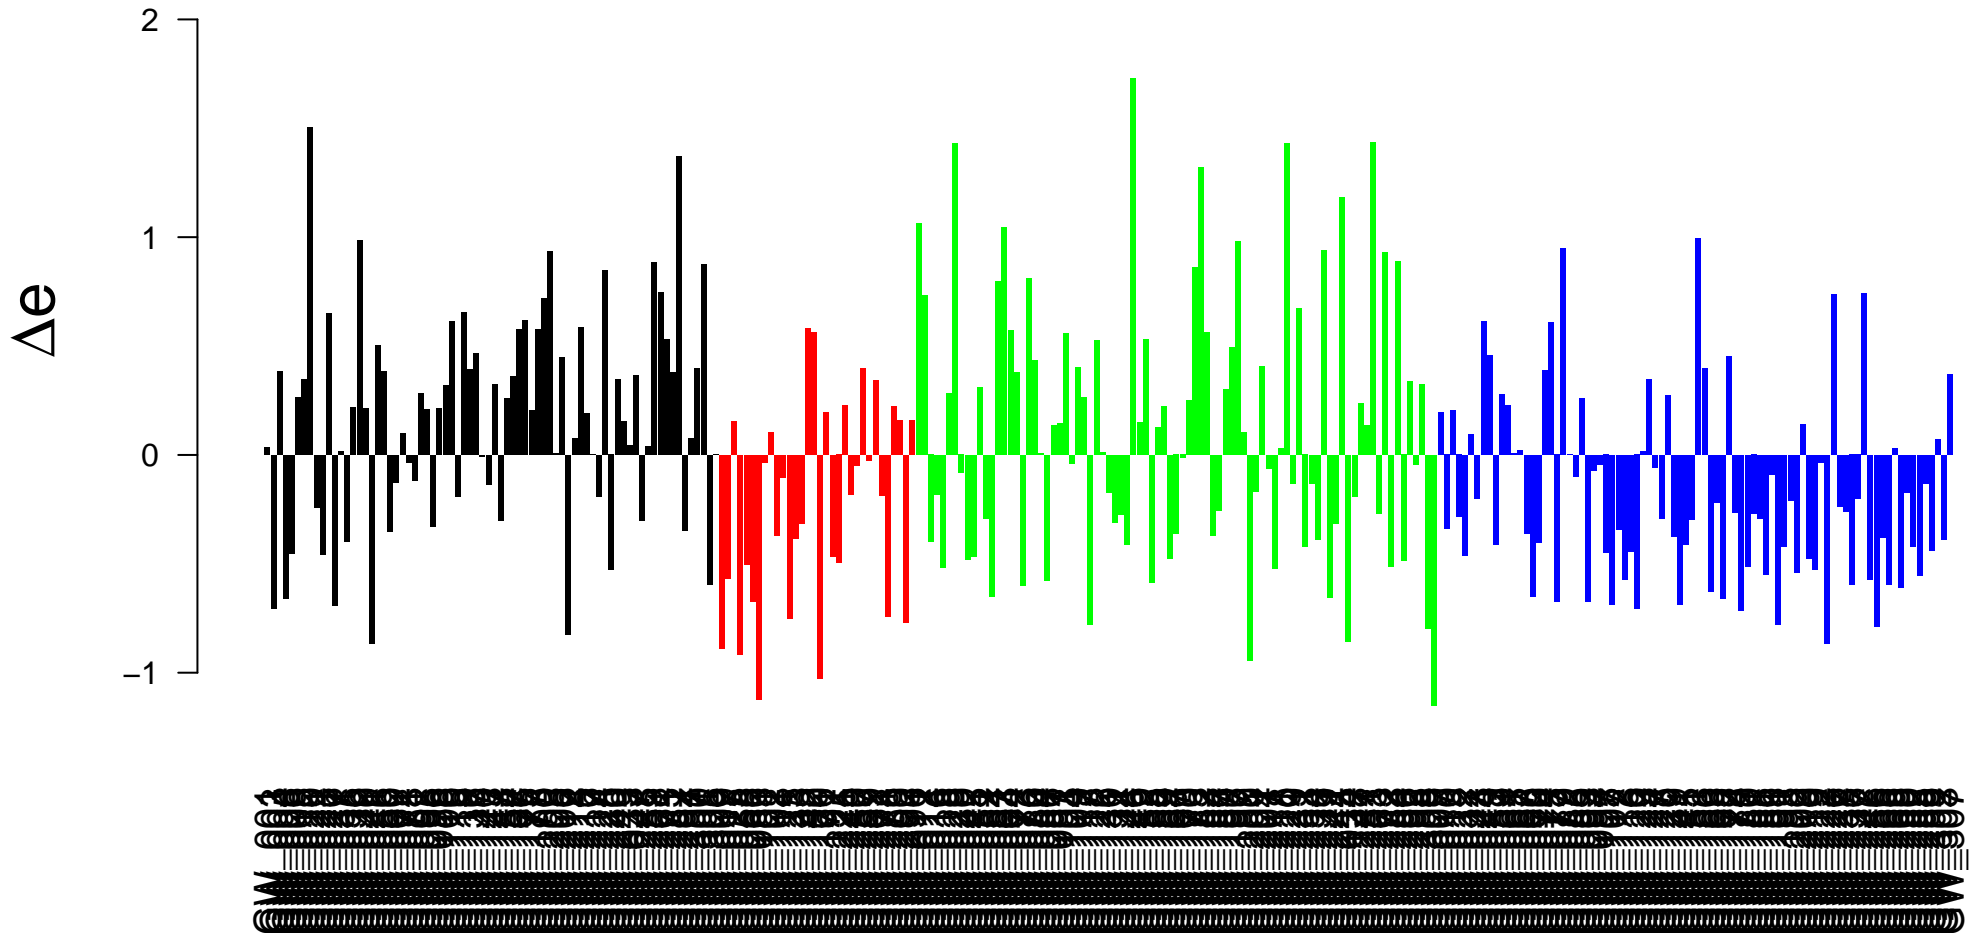

Expression of myeloid cell differentiation in Spot F

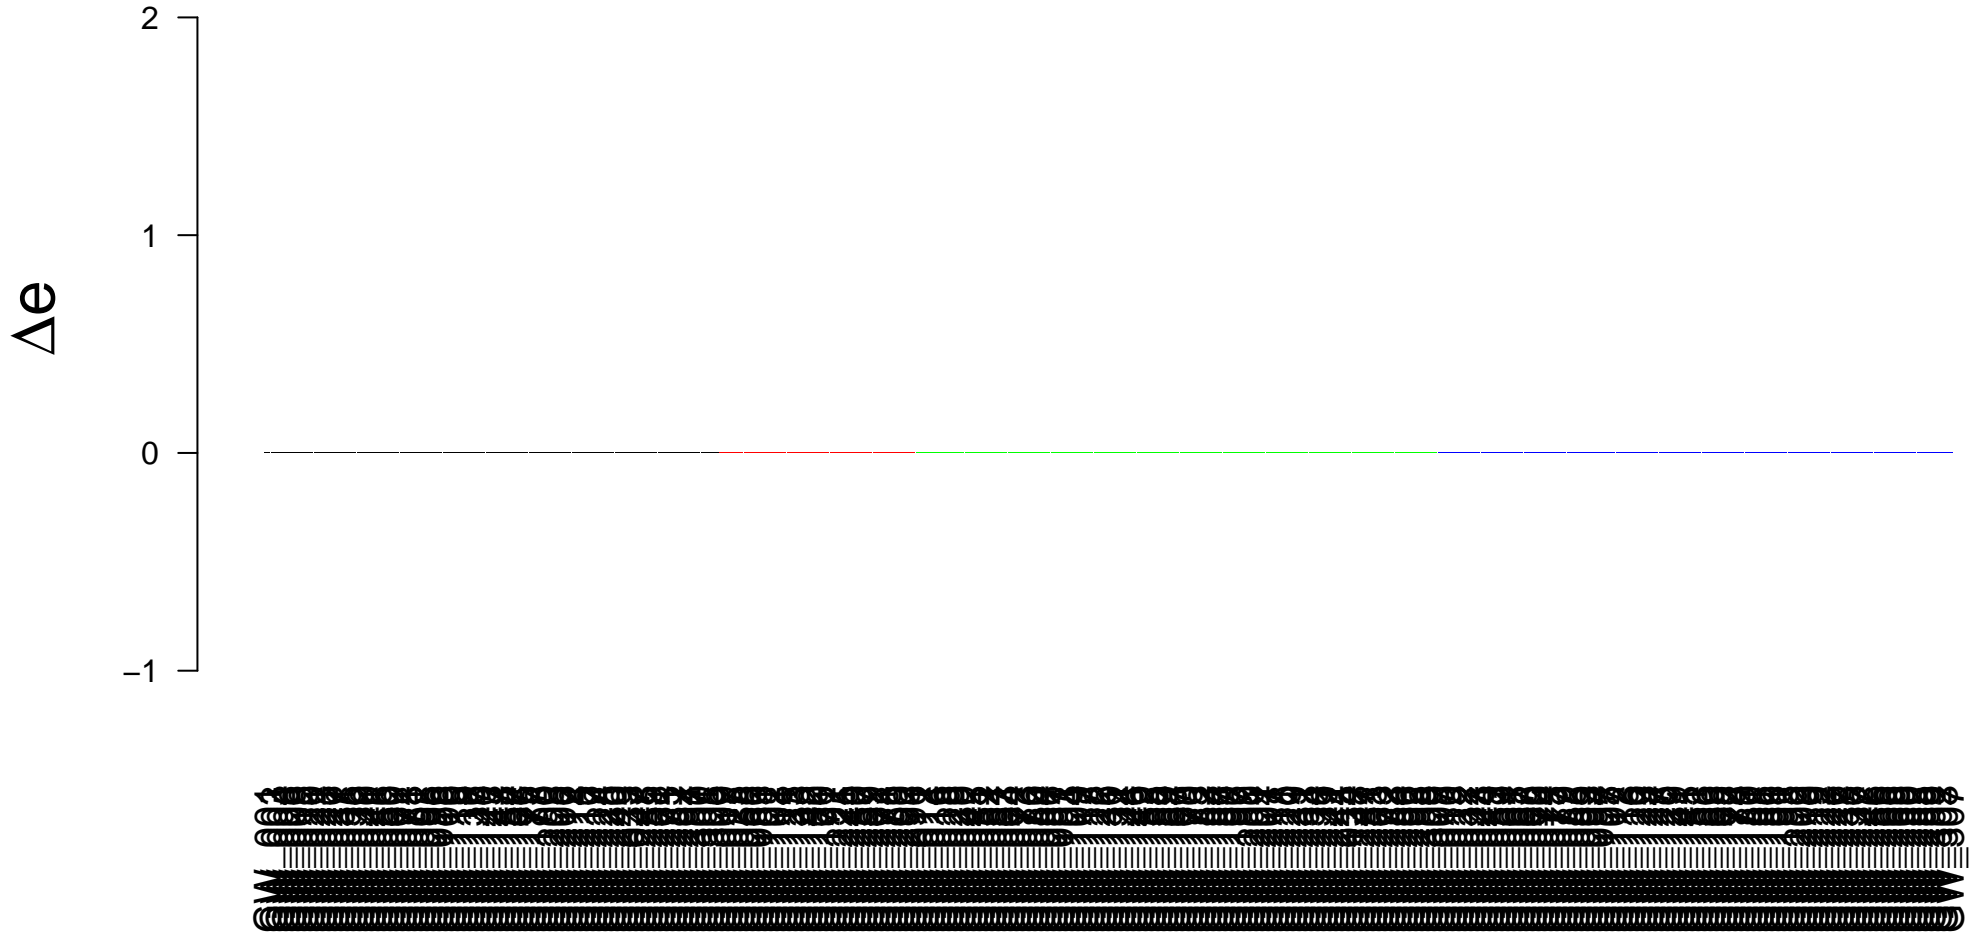

Expression of myeloid cell differentiation in Spot H

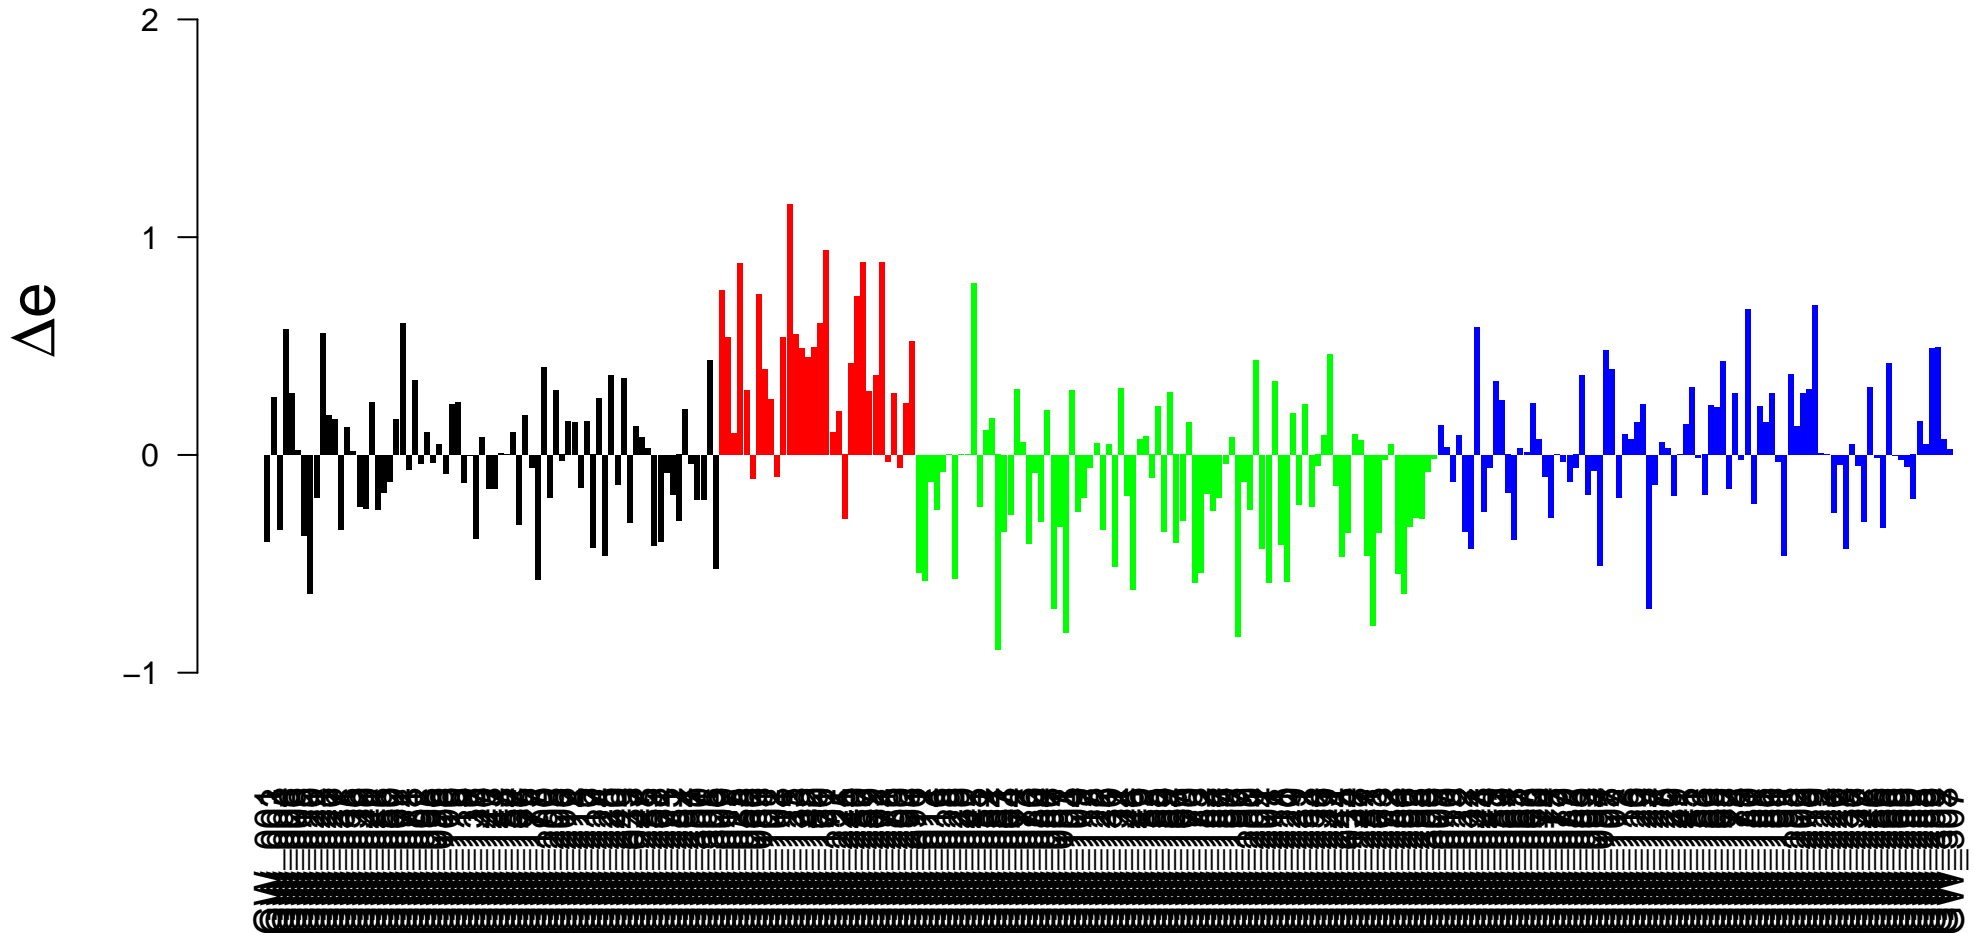

Expression of myeloid cell differentiation in Spot I

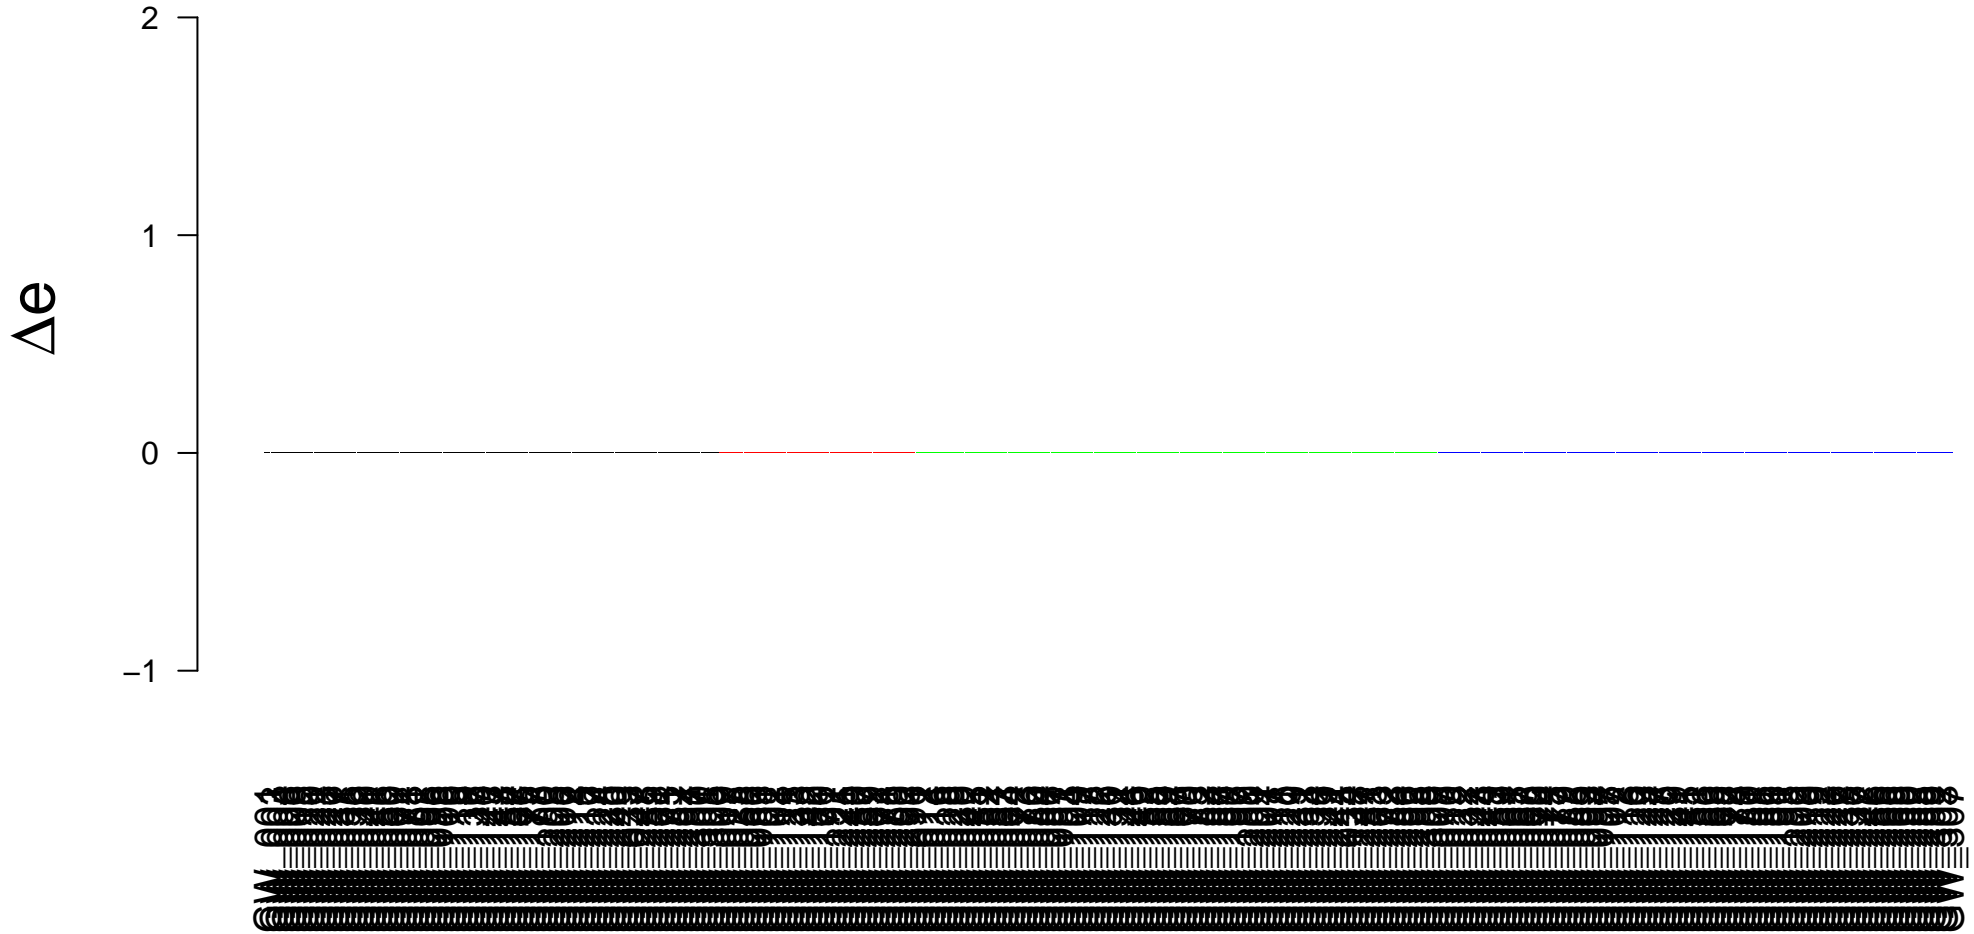

Expression of myeloid cell differentiation in Spot J

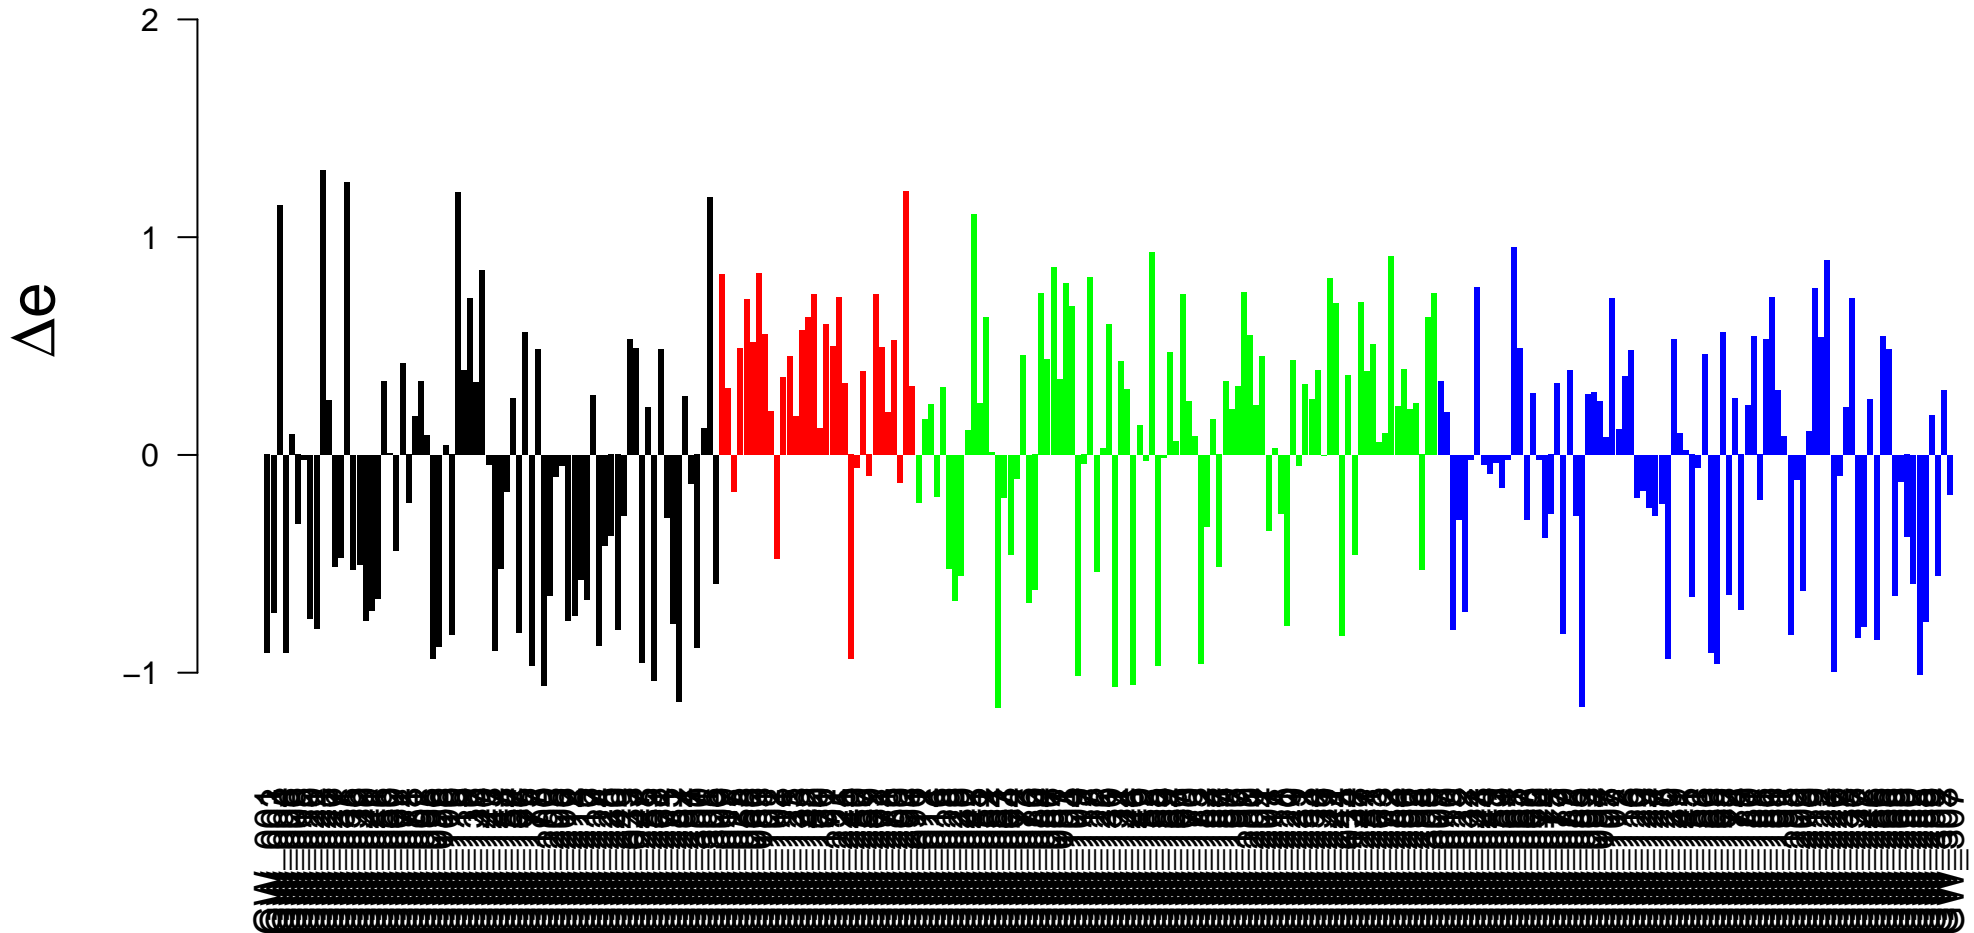

Expression of myeloid cell differentiation in Spot K

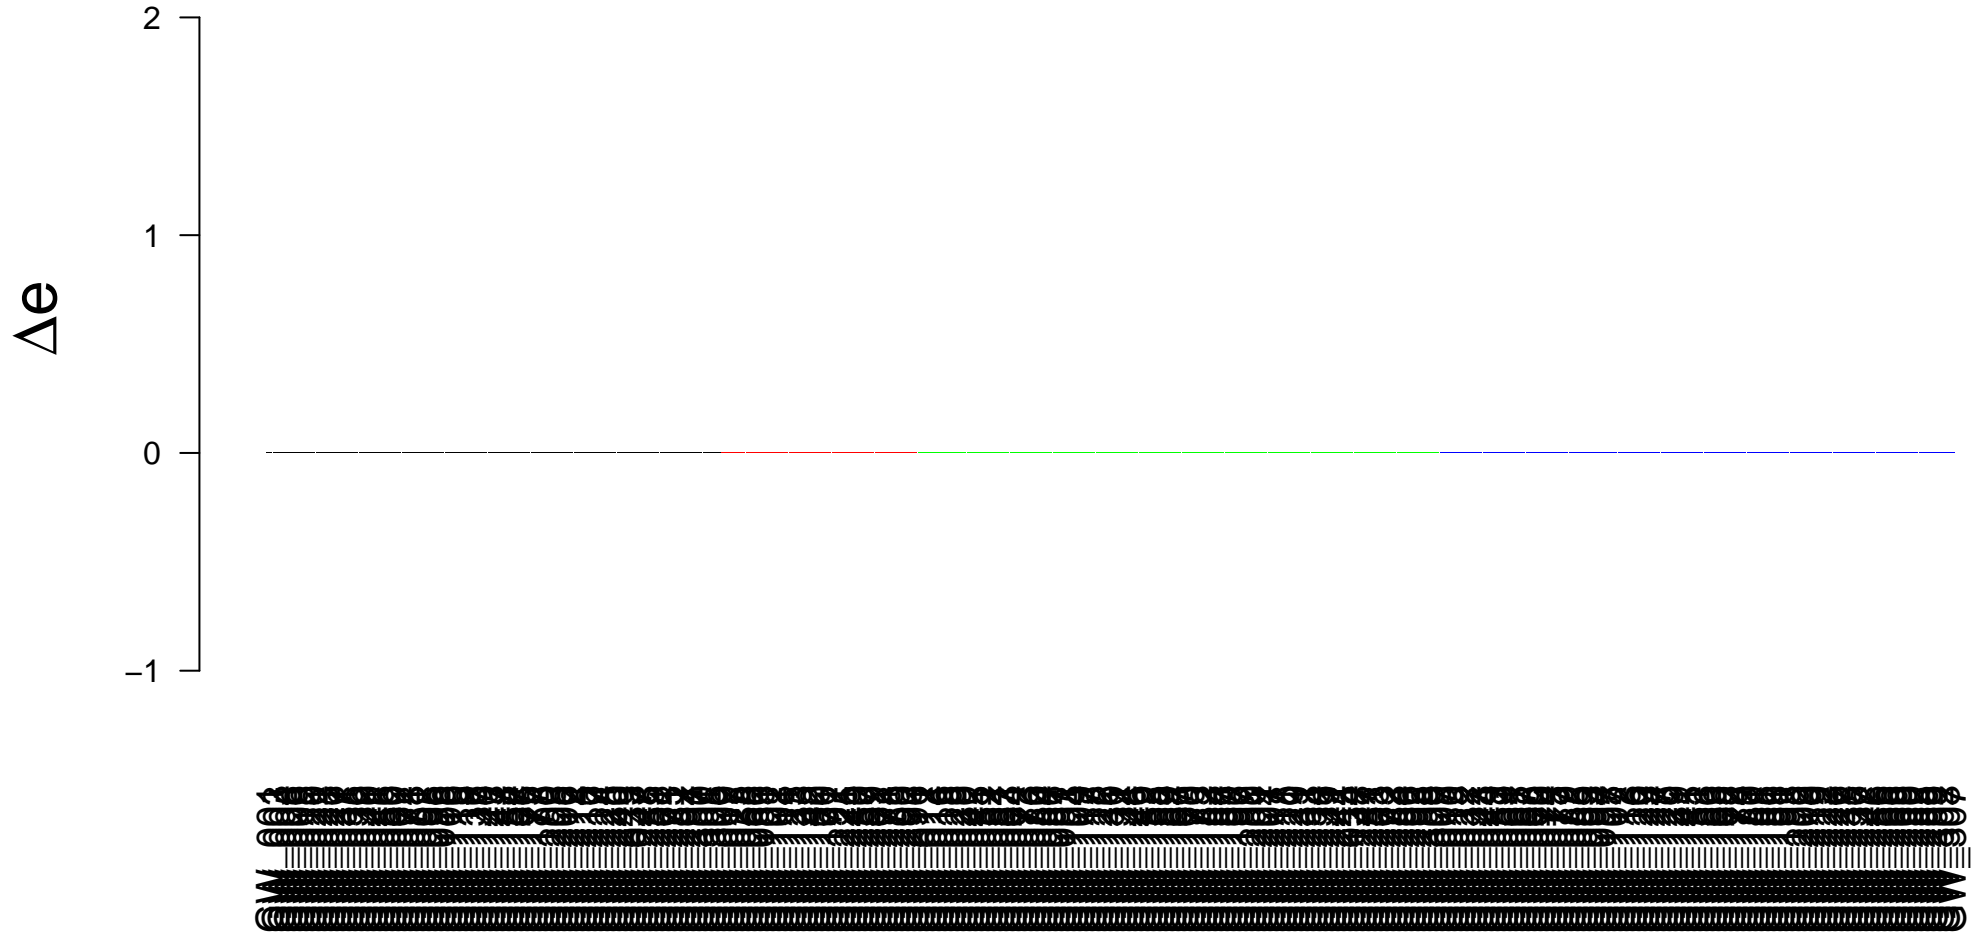

Expression of myeloid cell differentiation in Spot L

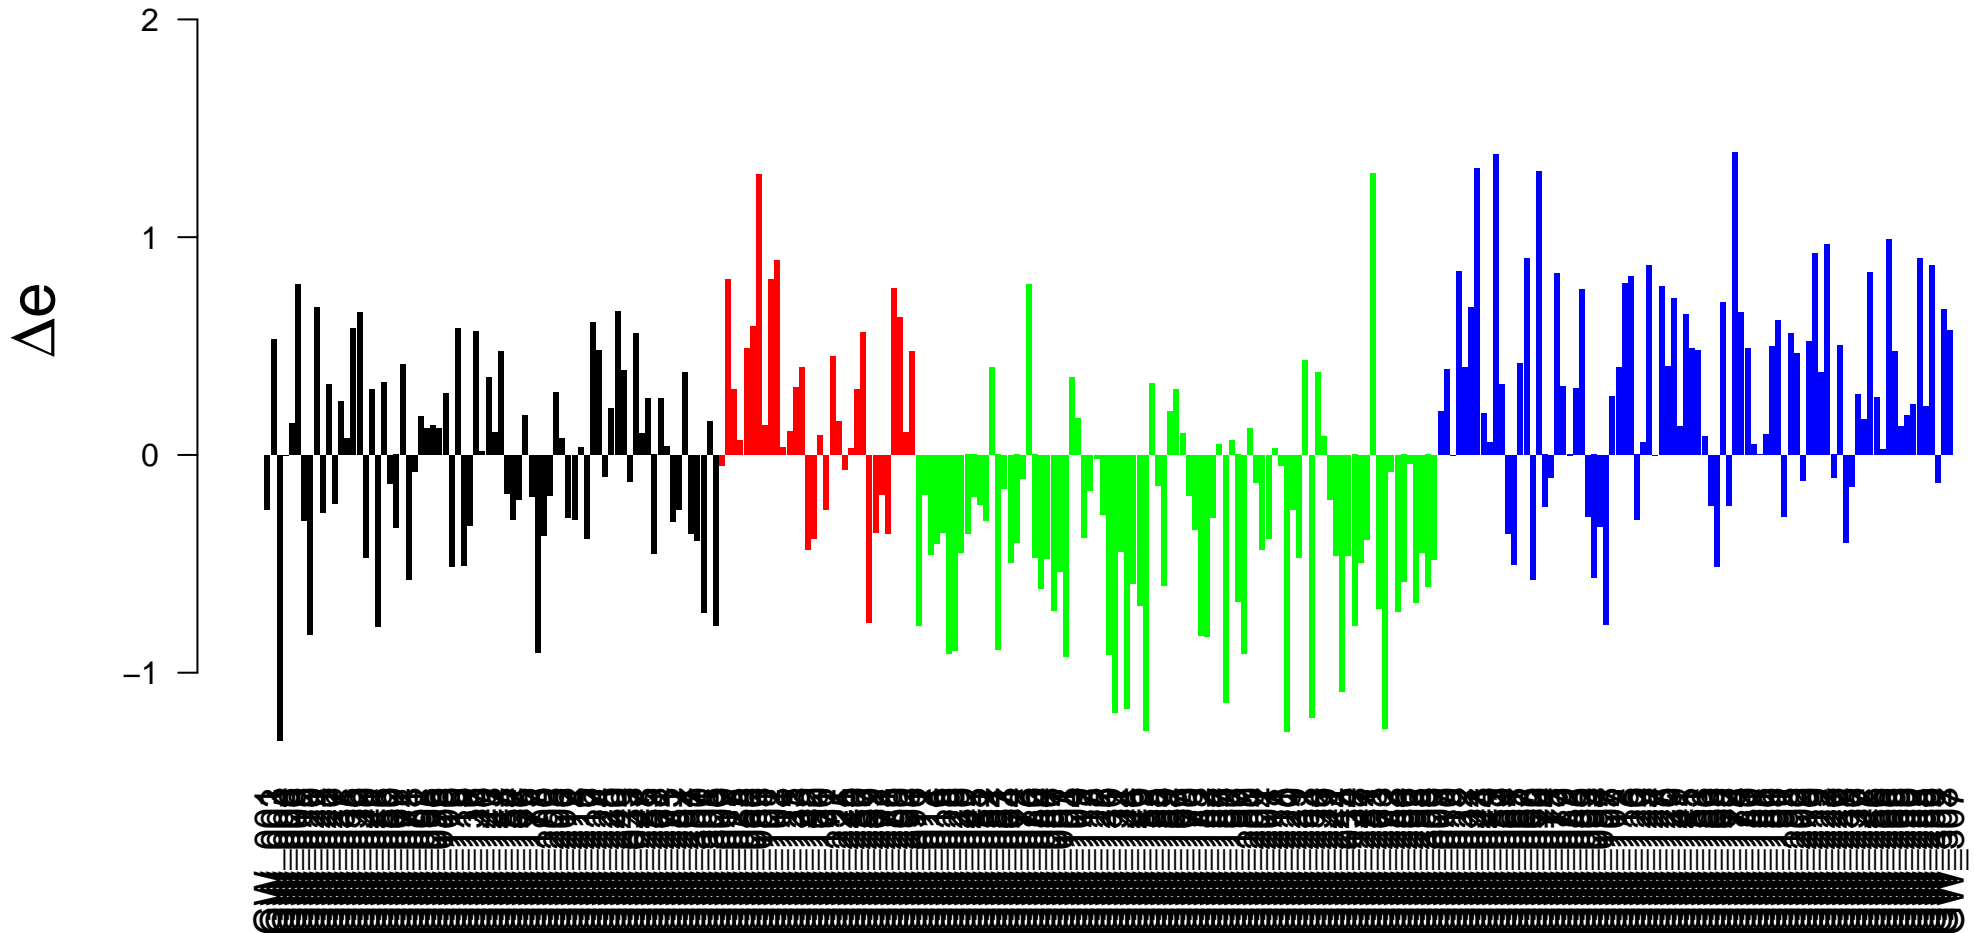

Expression of myeloid cell differentiation in Spot M

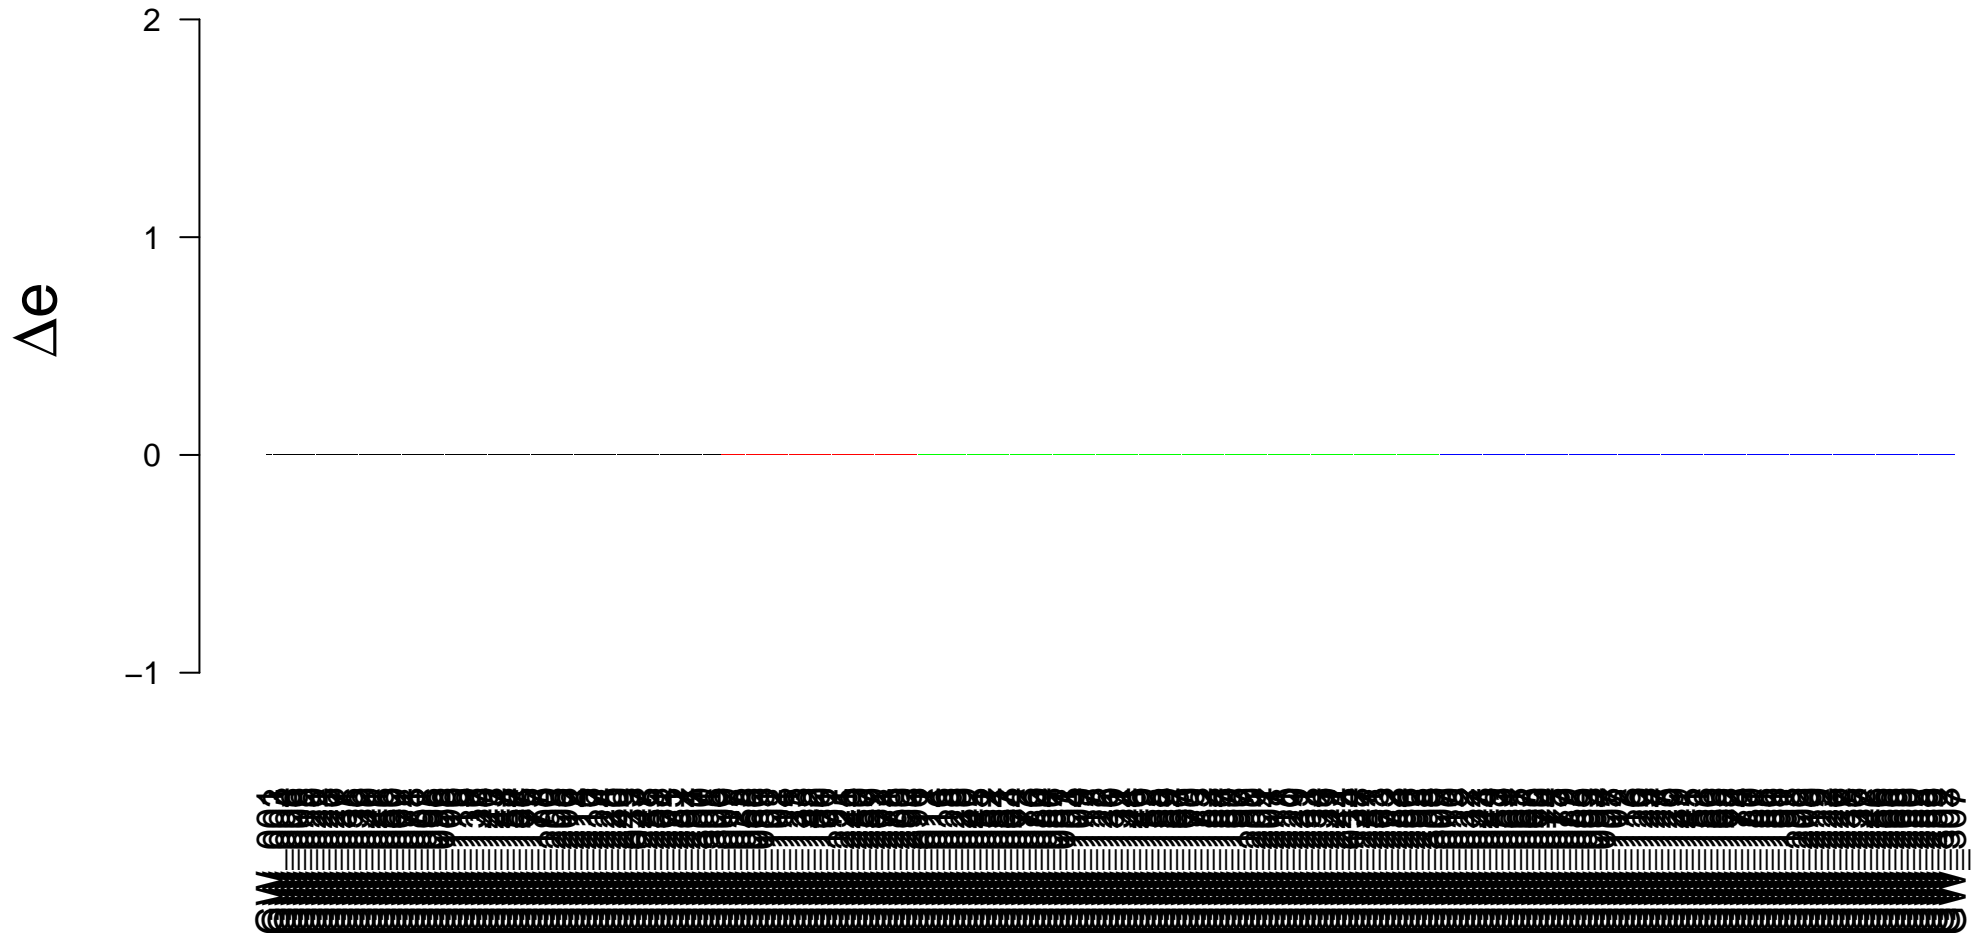

Expression of myeloid cell differentiation in Spot N

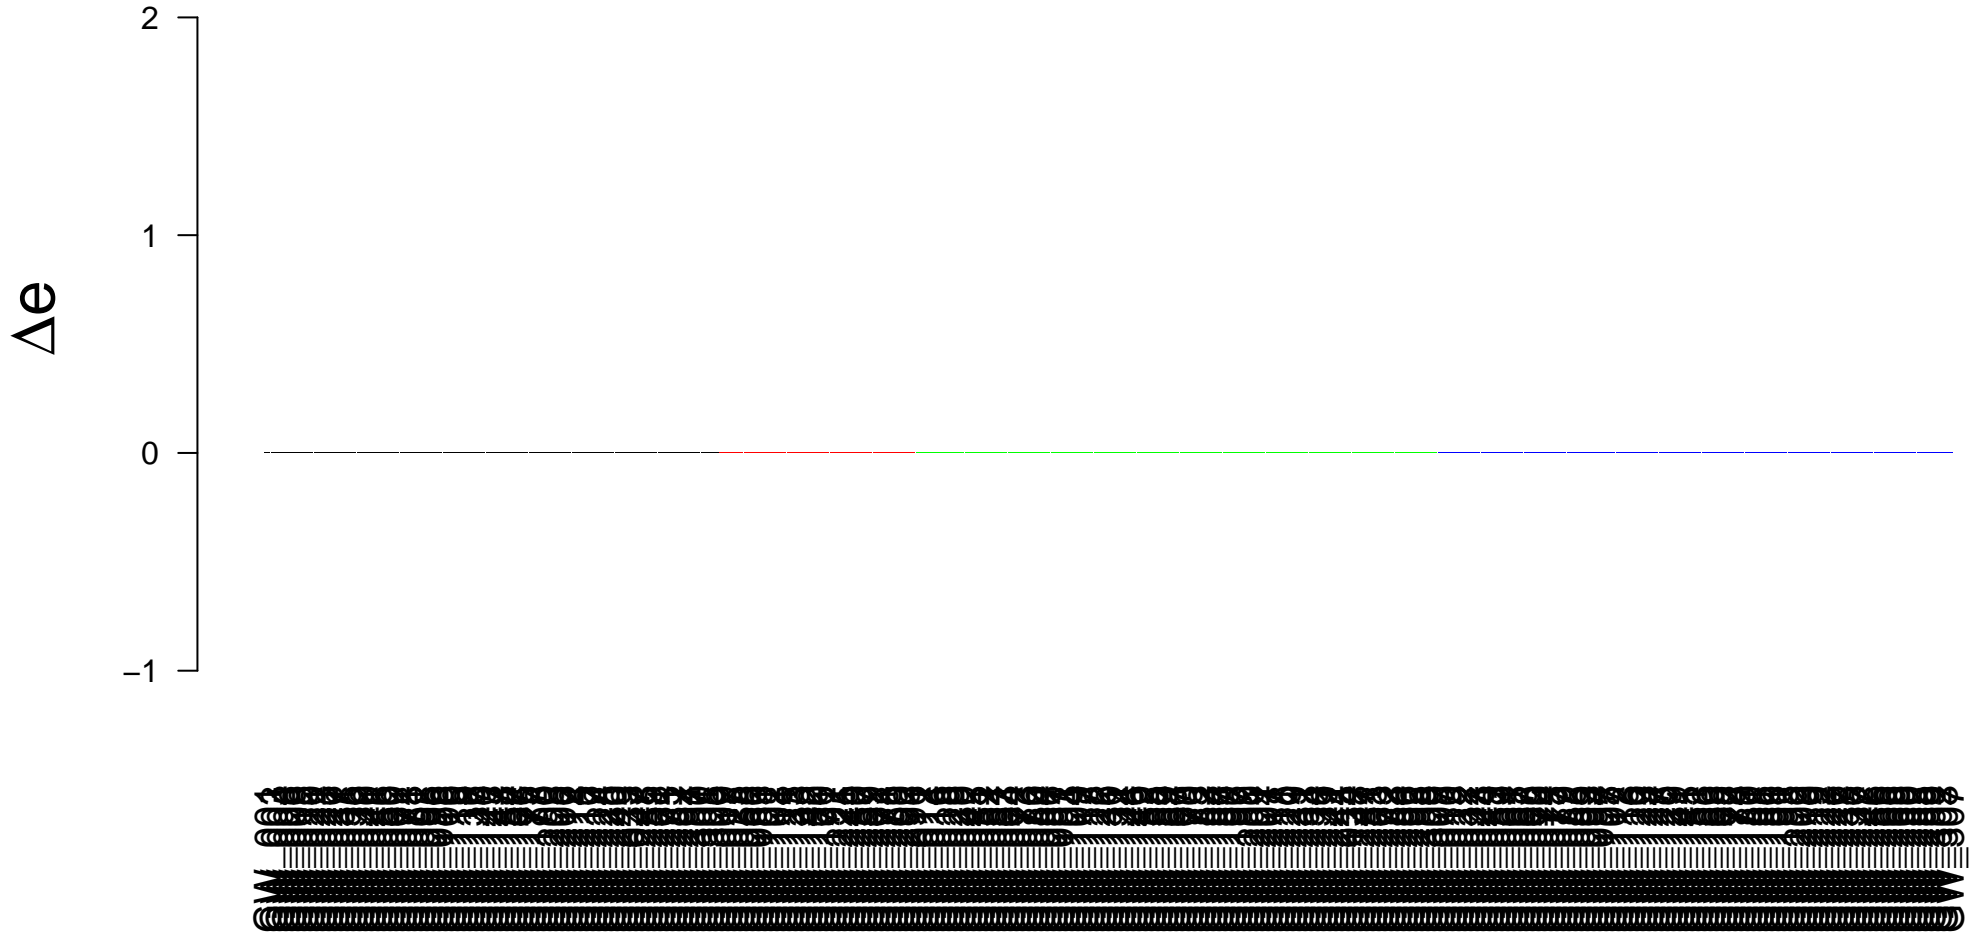

Expression of myeloid cell differentiation in Spot O

Expression of myeloid cell differentiation in Spot P

Expression of myeloid cell differentiation in Spot Q

Expression of myeloid cell differentiation in Spot R
