

# myeloid dendritic cell differentiation

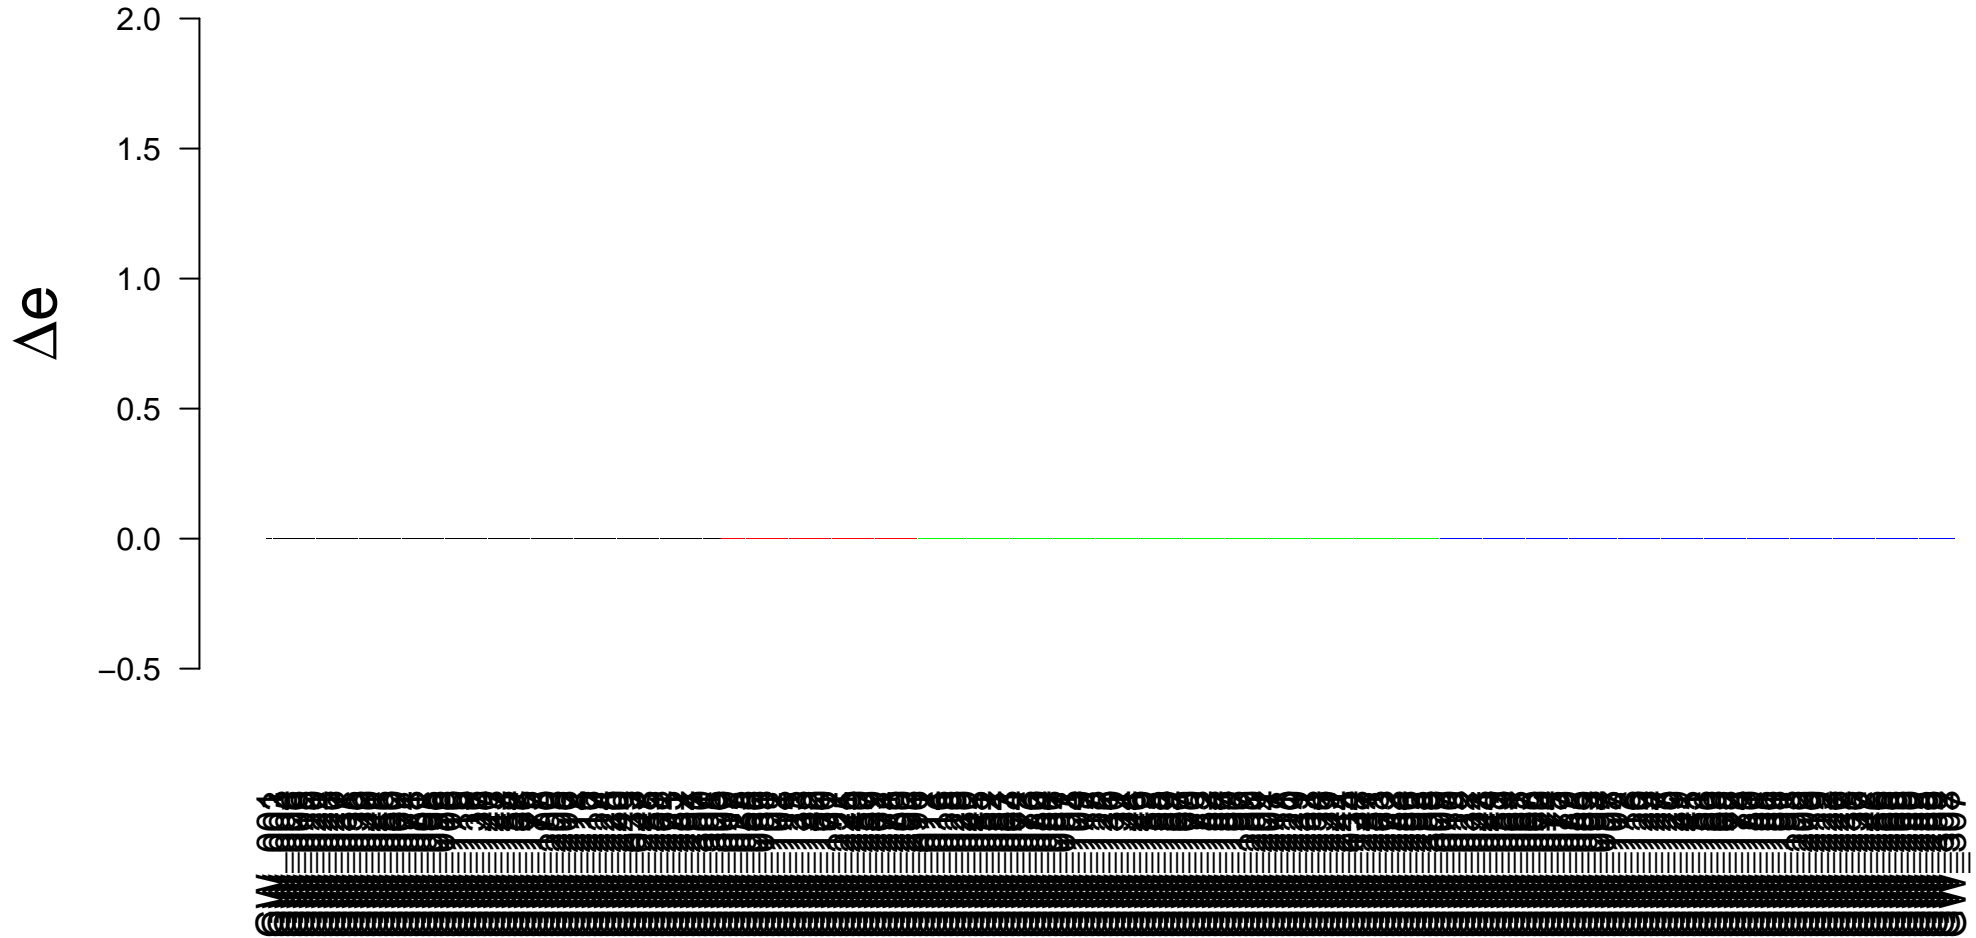

# myeloid dendritic cell differentiation

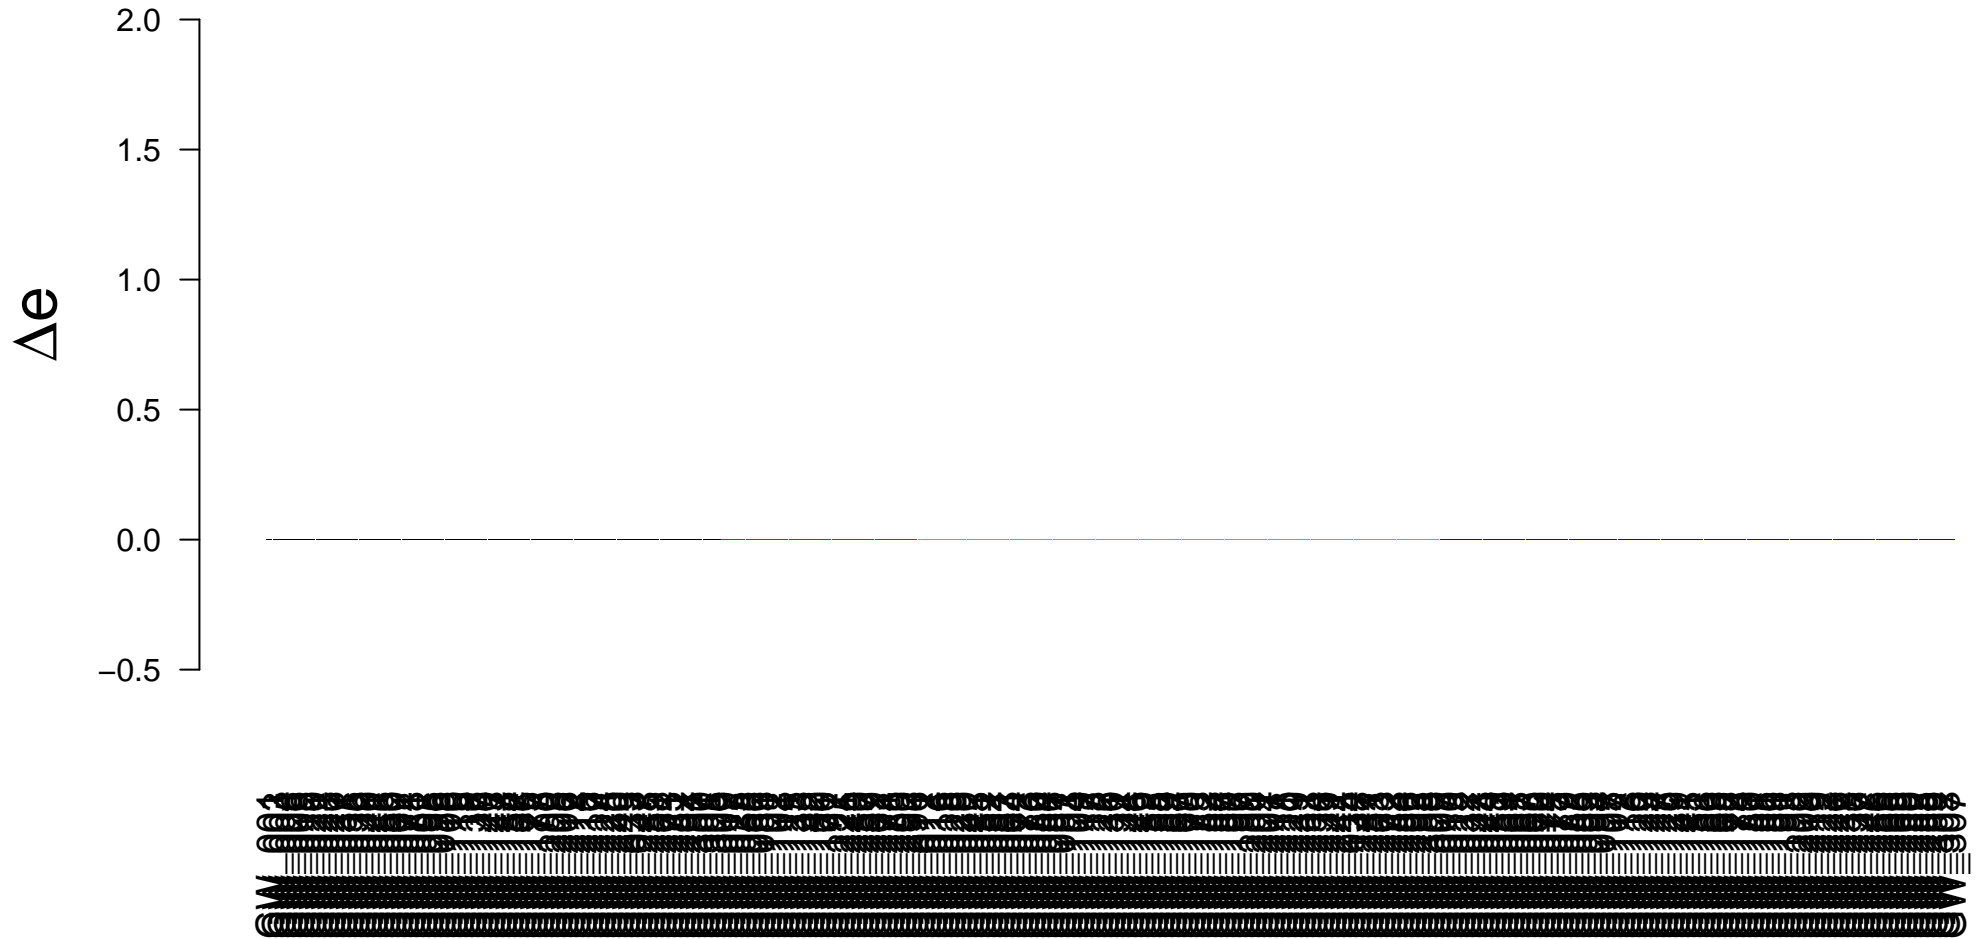

# Enrichment in spots: myeloid dendritic cell differentiation

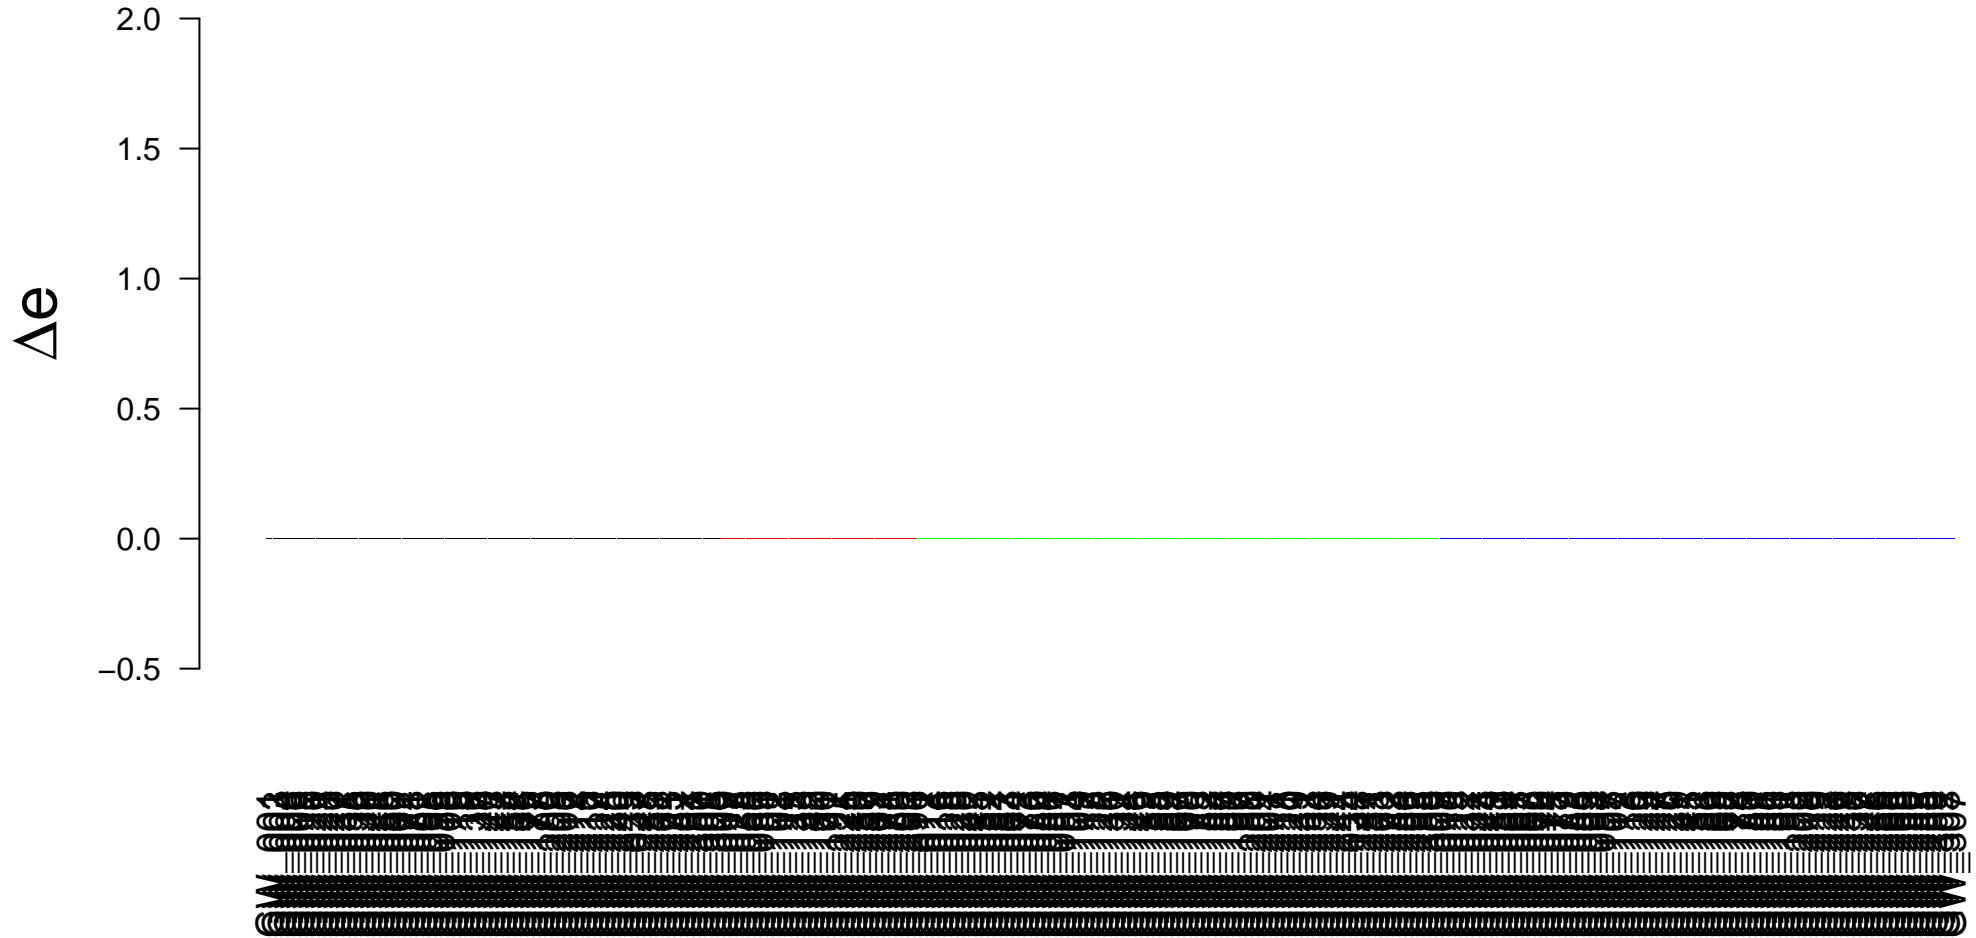

# Expression of myeloid dendritic cell differentiation in Spot A

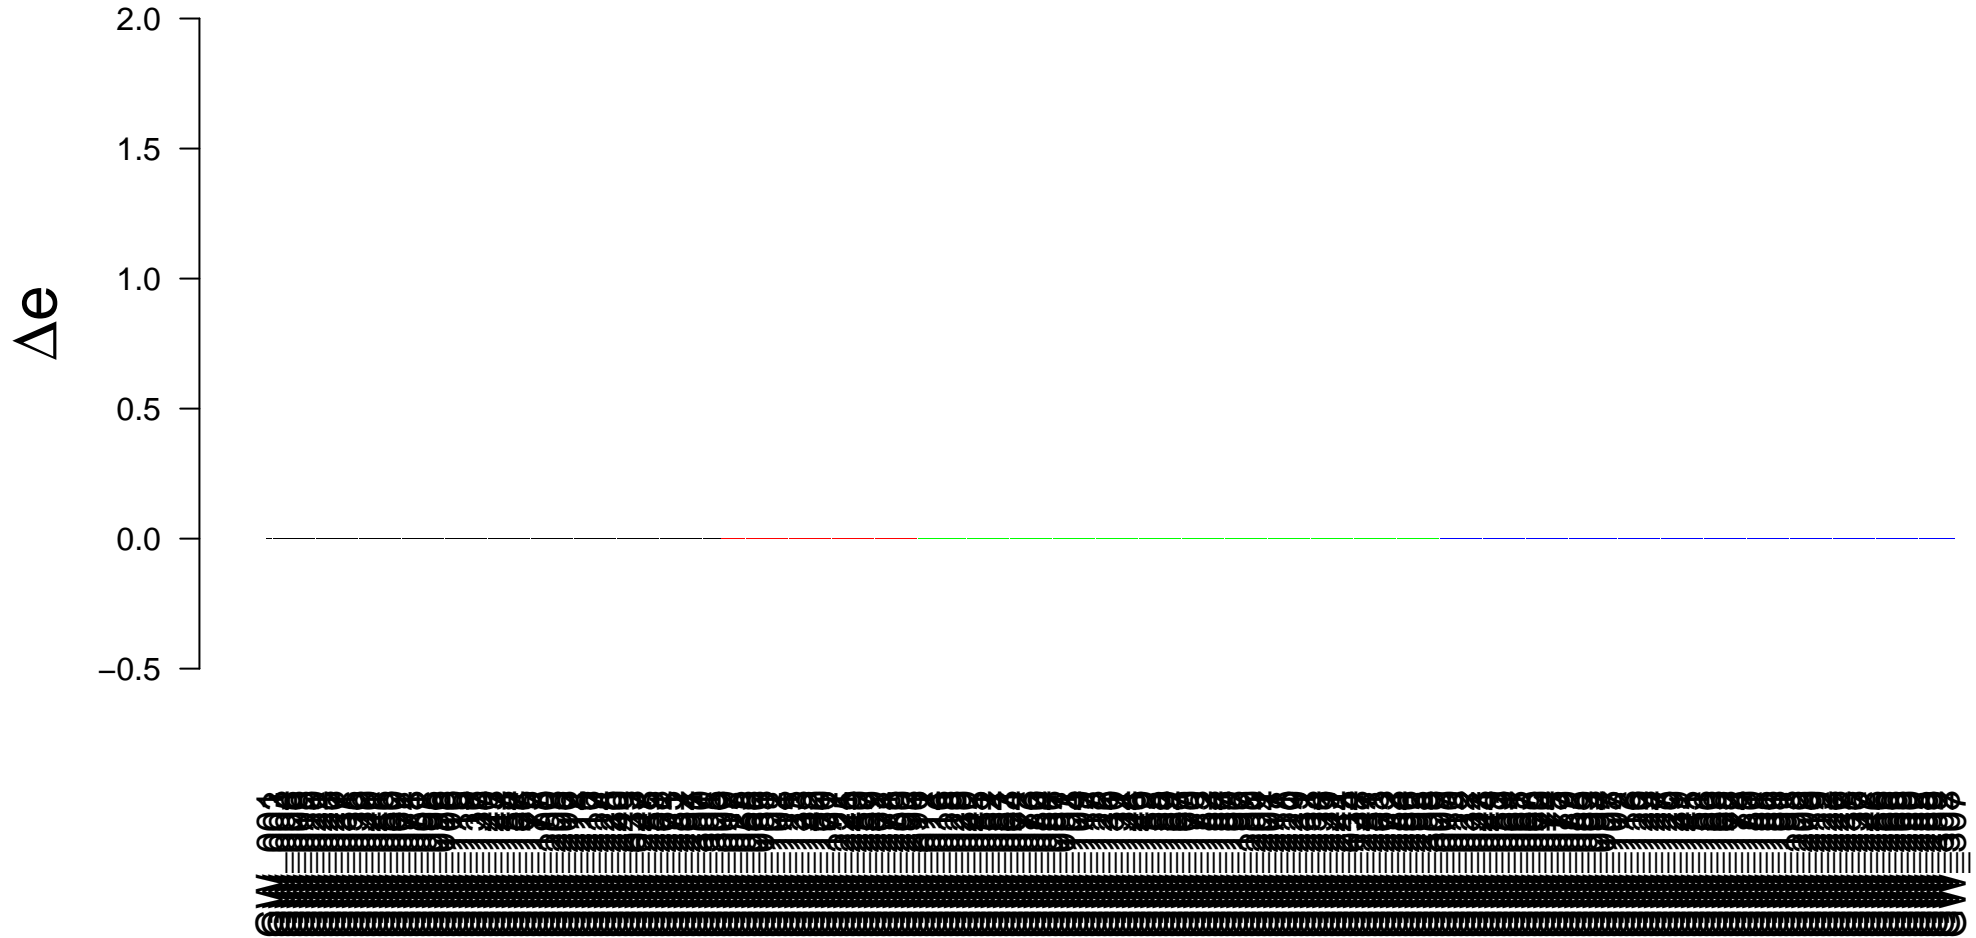

# Expression of myeloid dendritic cell differentiation in Spot B

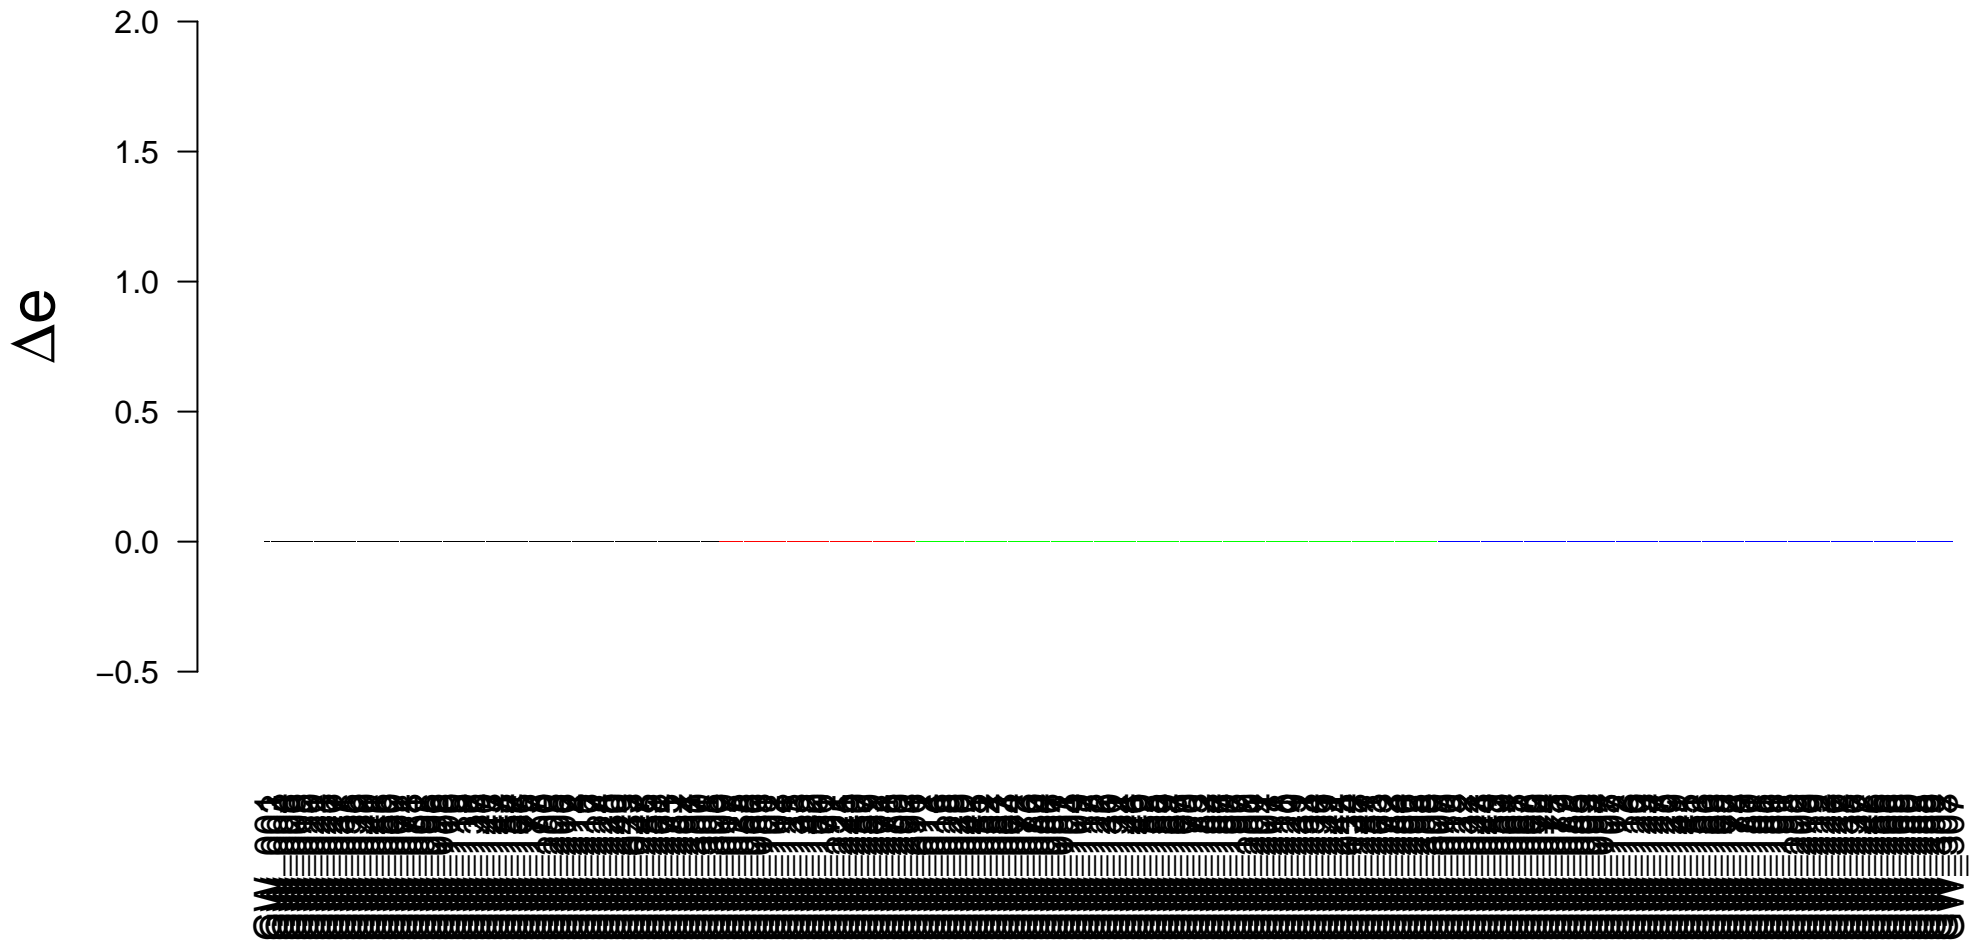

# Expression of myeloid dendritic cell differentiation in Spot C

# Expression of myeloid dendritic cell differentiation in Spot D

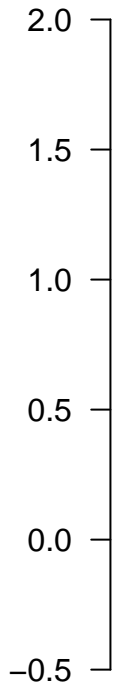

# Expression of myeloid dendritic cell differentiation in Spot E

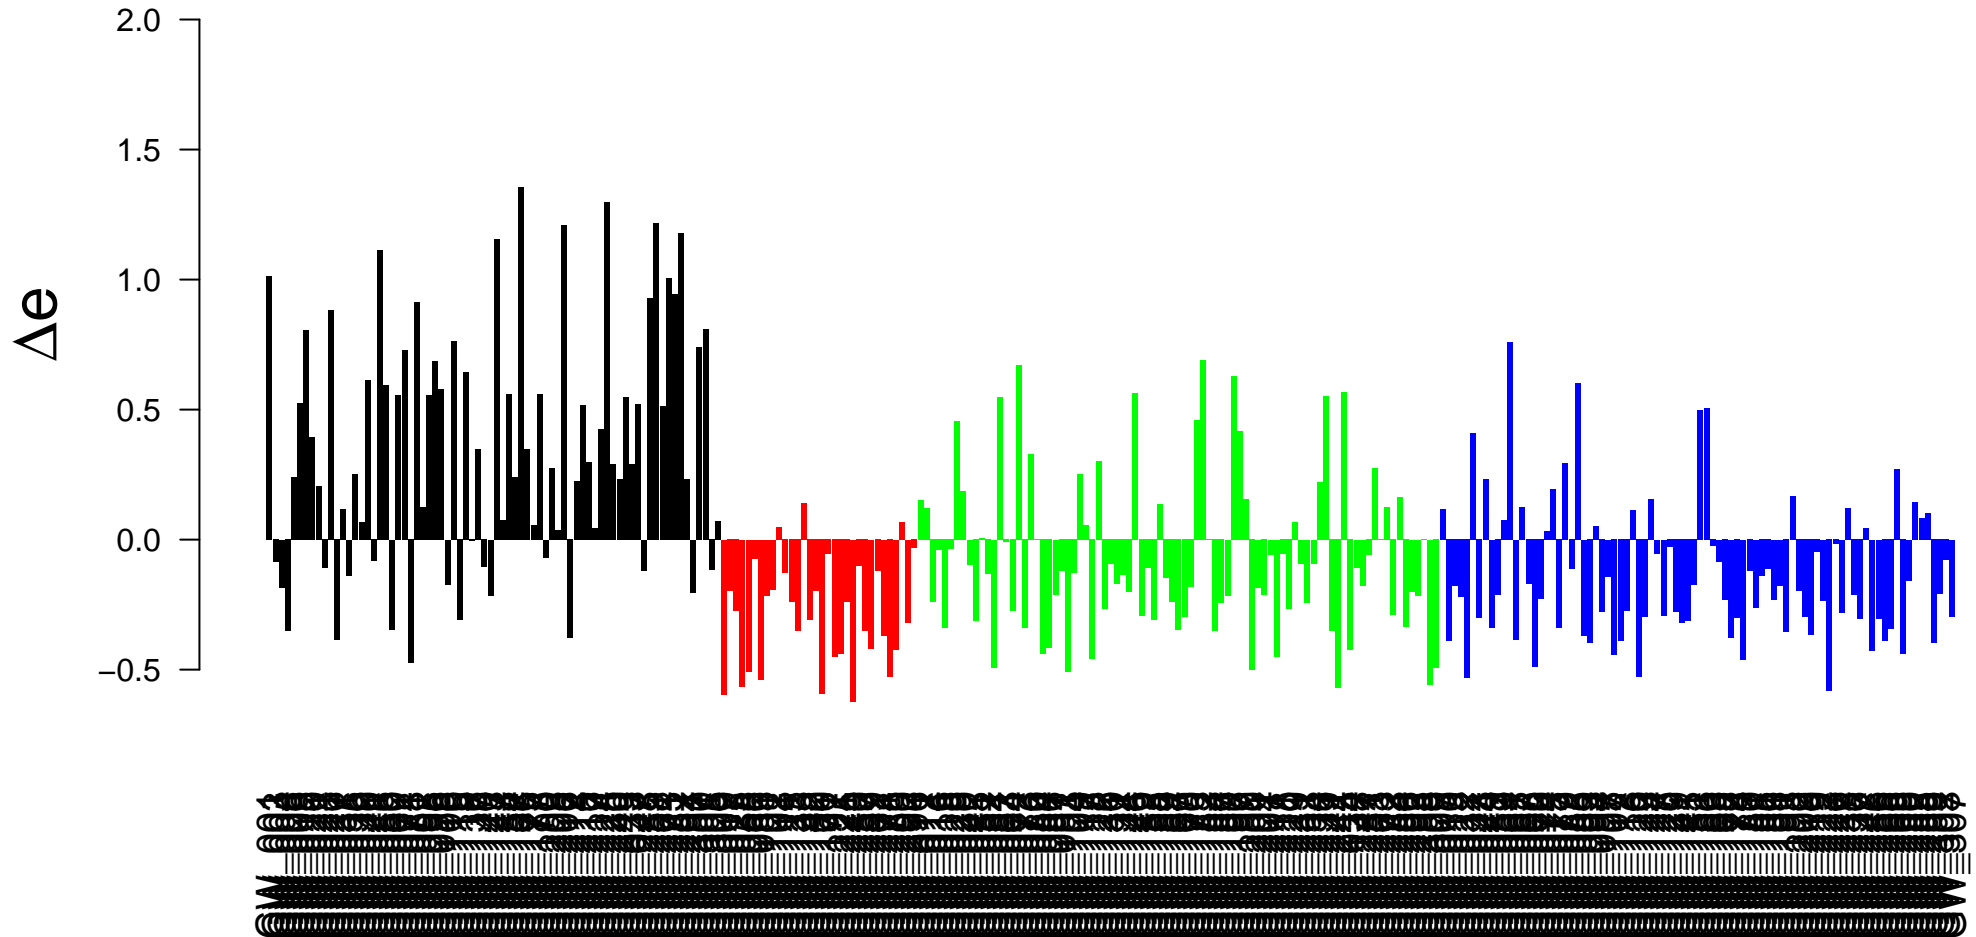

# Expression of myeloid dendritic cell differentiation in Spot F

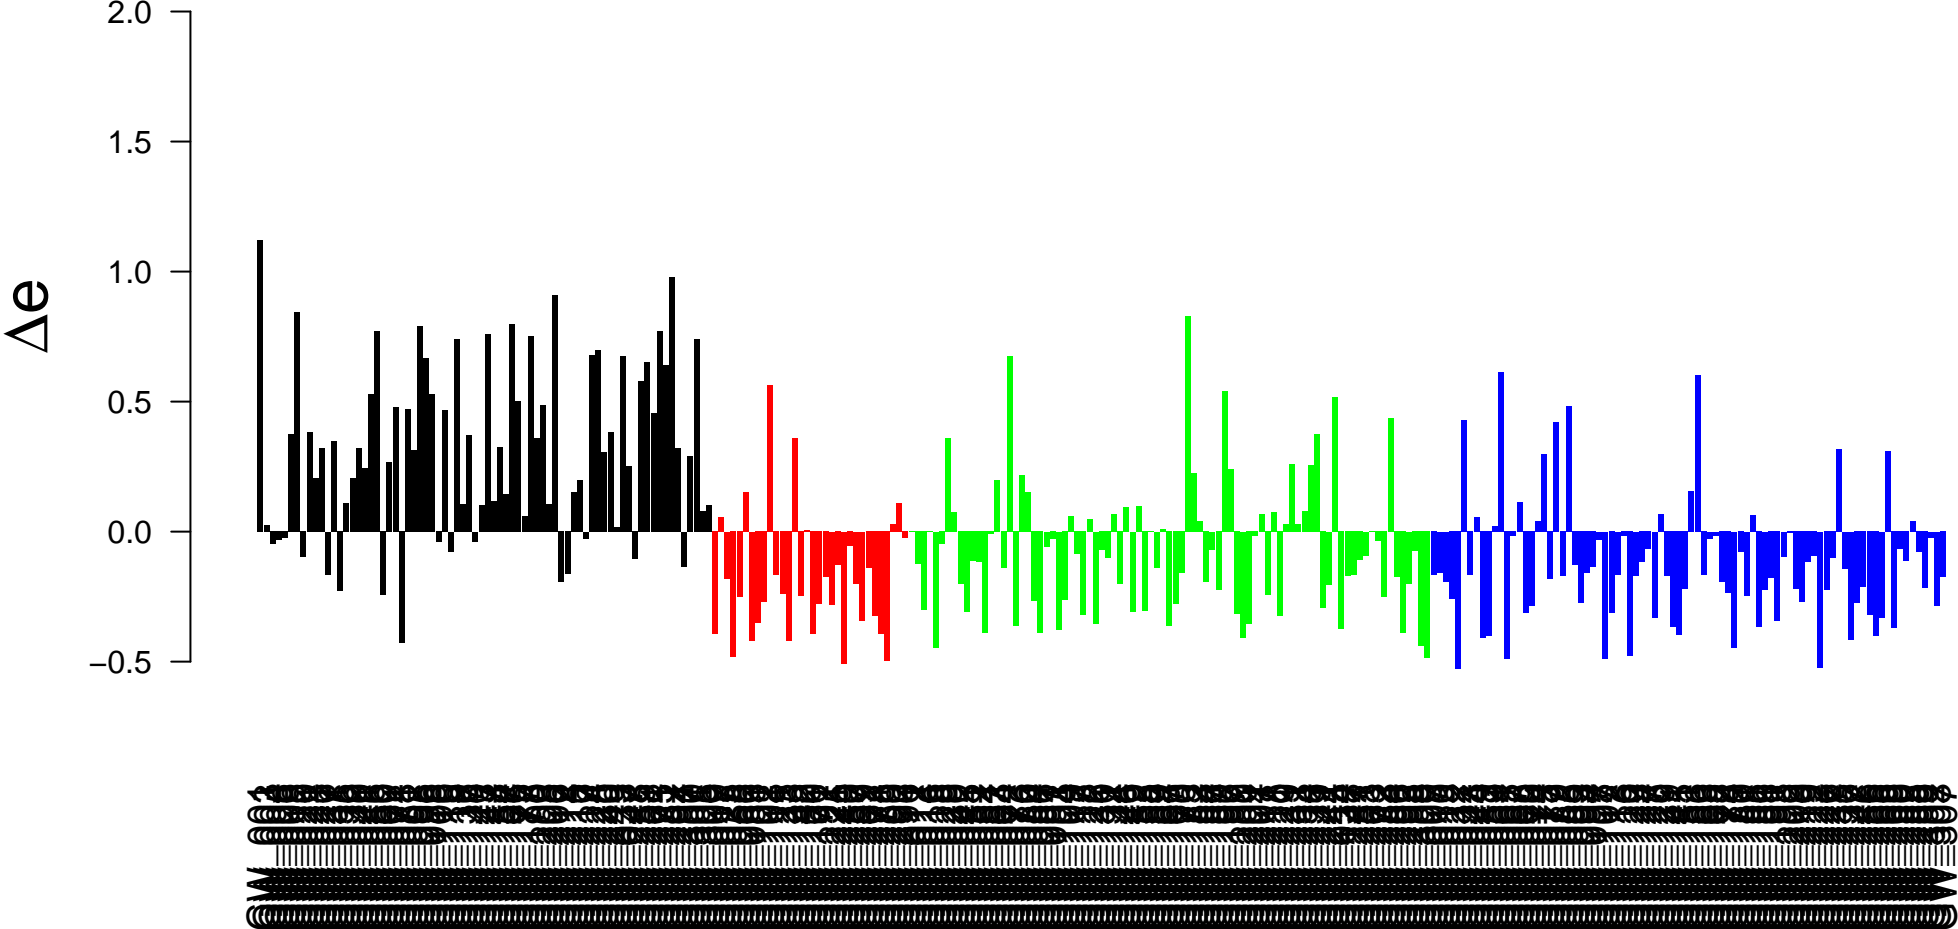

$\Delta e$

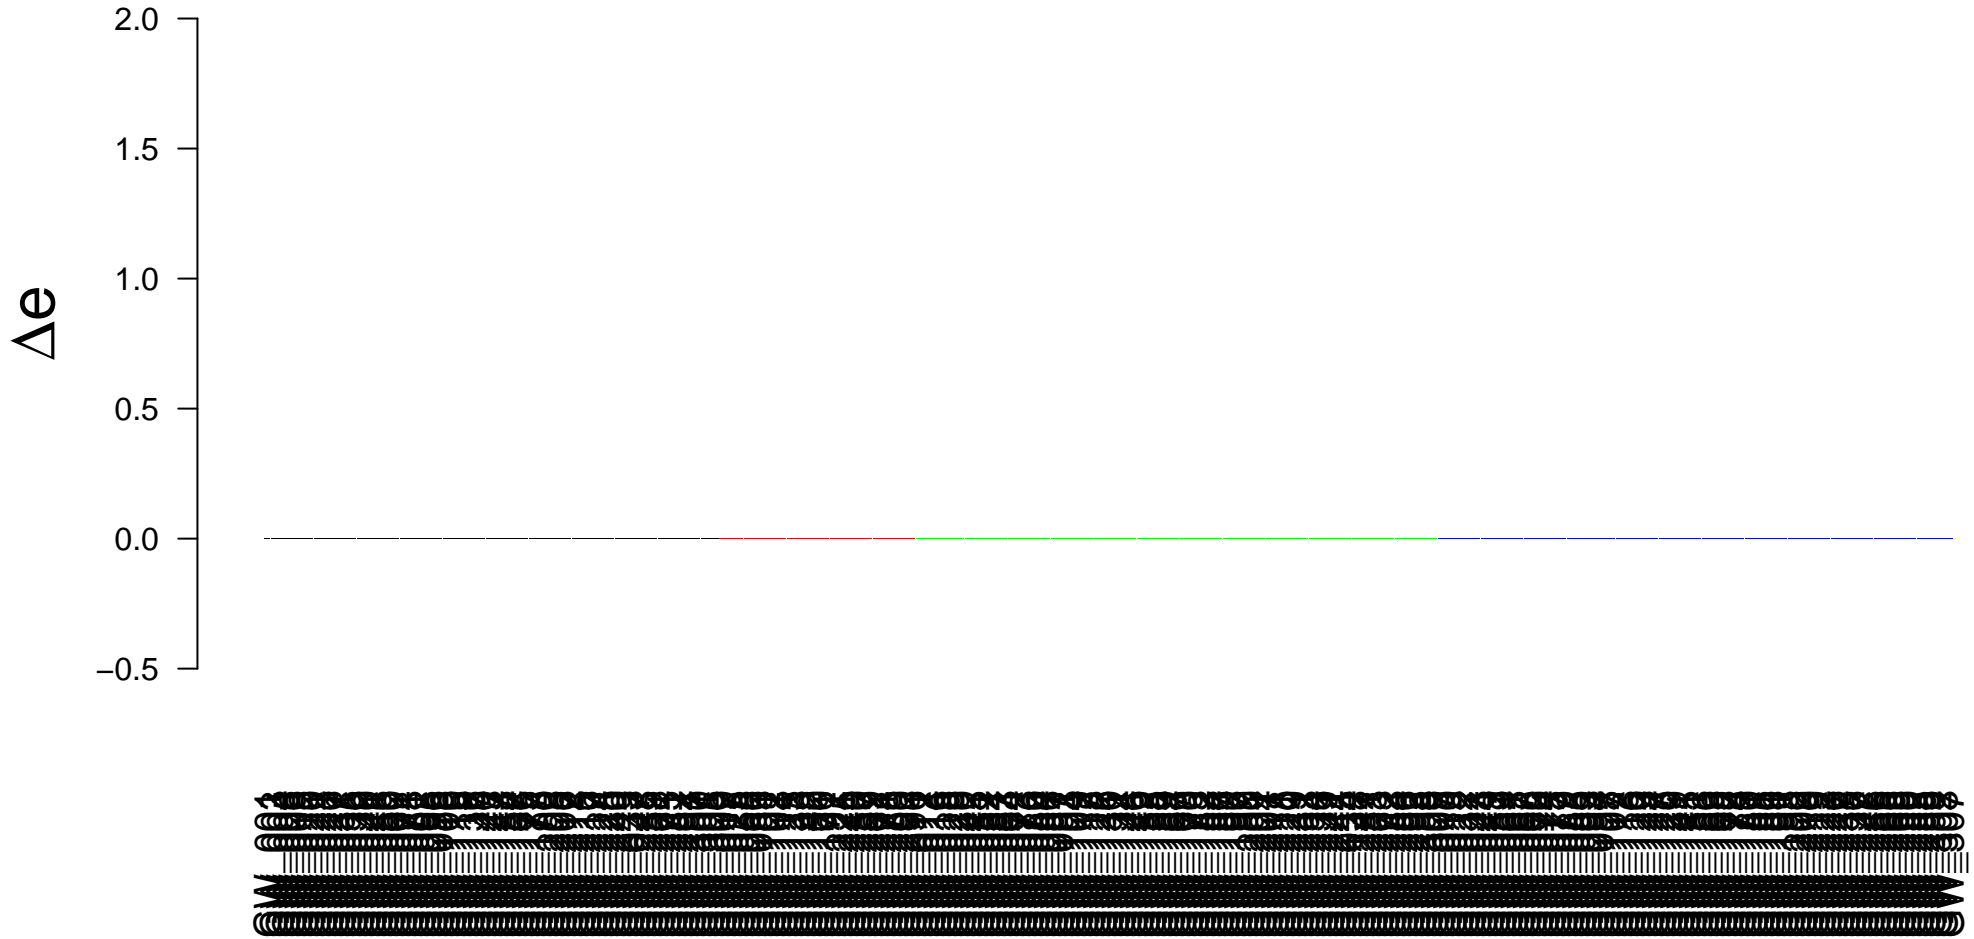

# Expression of myeloid dendritic cell differentiation in Spot G

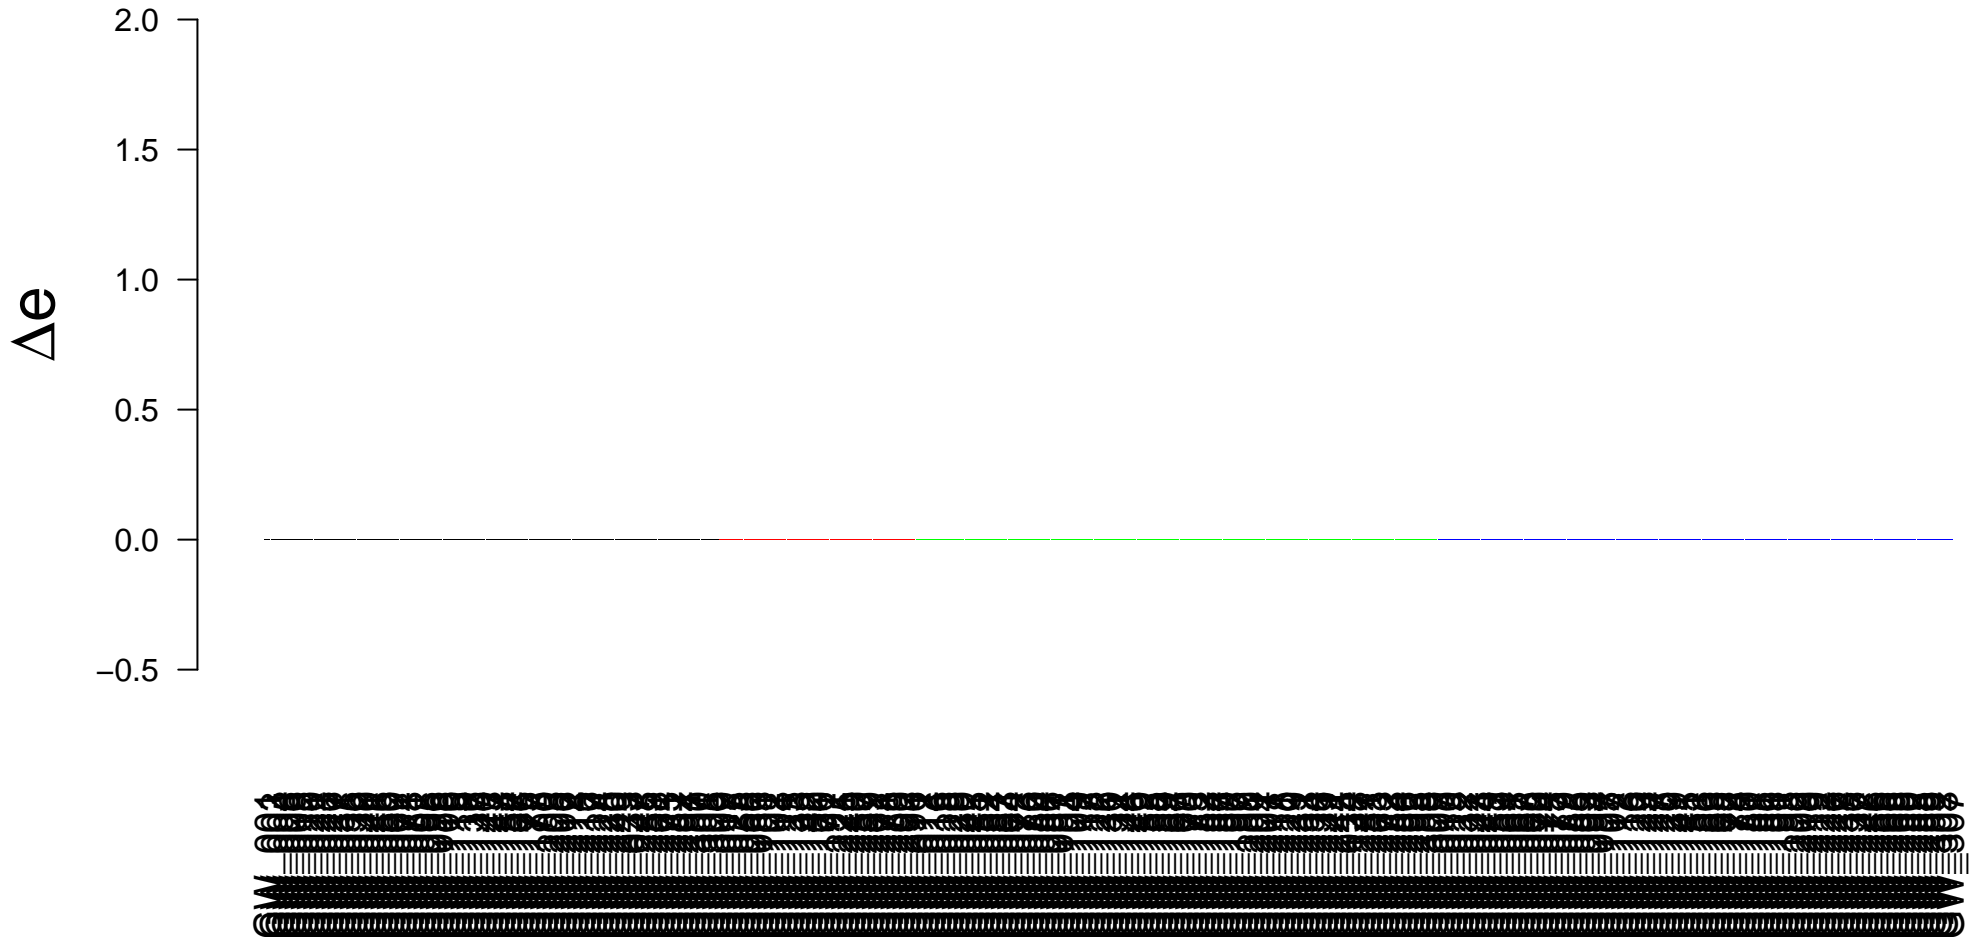

Expression of myeloid dendritic cell differentiation in Spot H

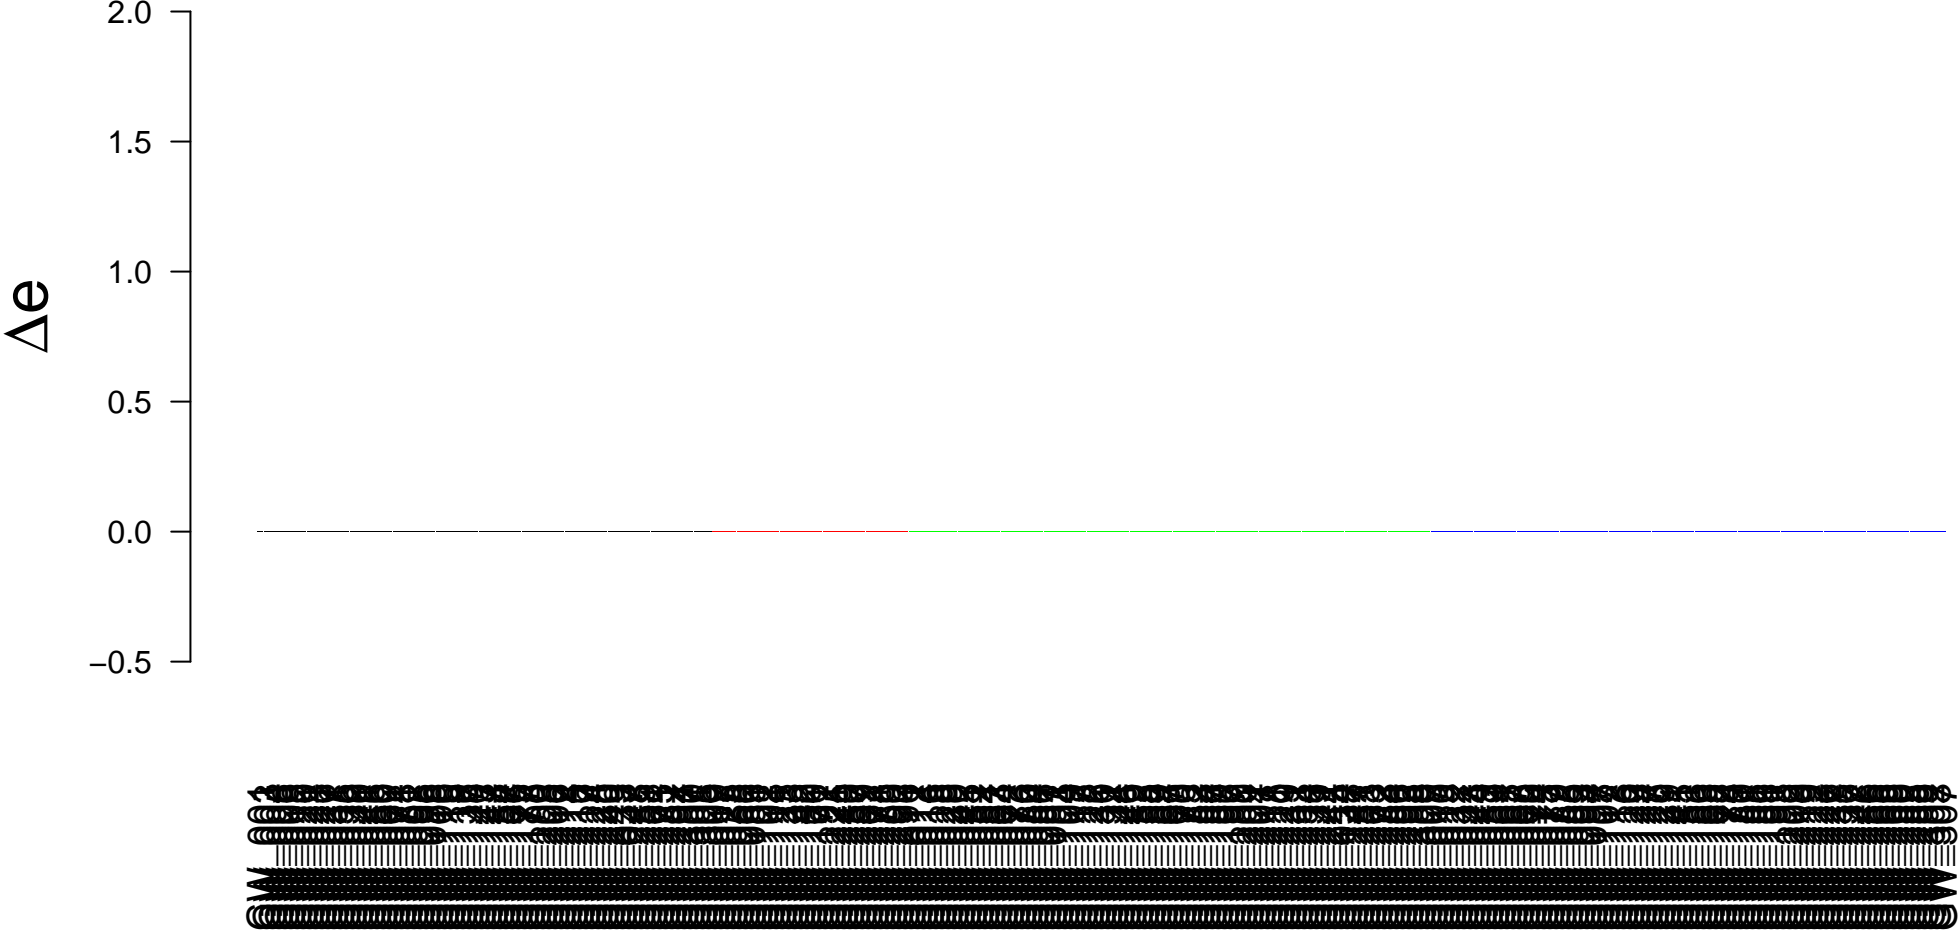

# Expression of myeloid dendritic cell differentiation in Spot I

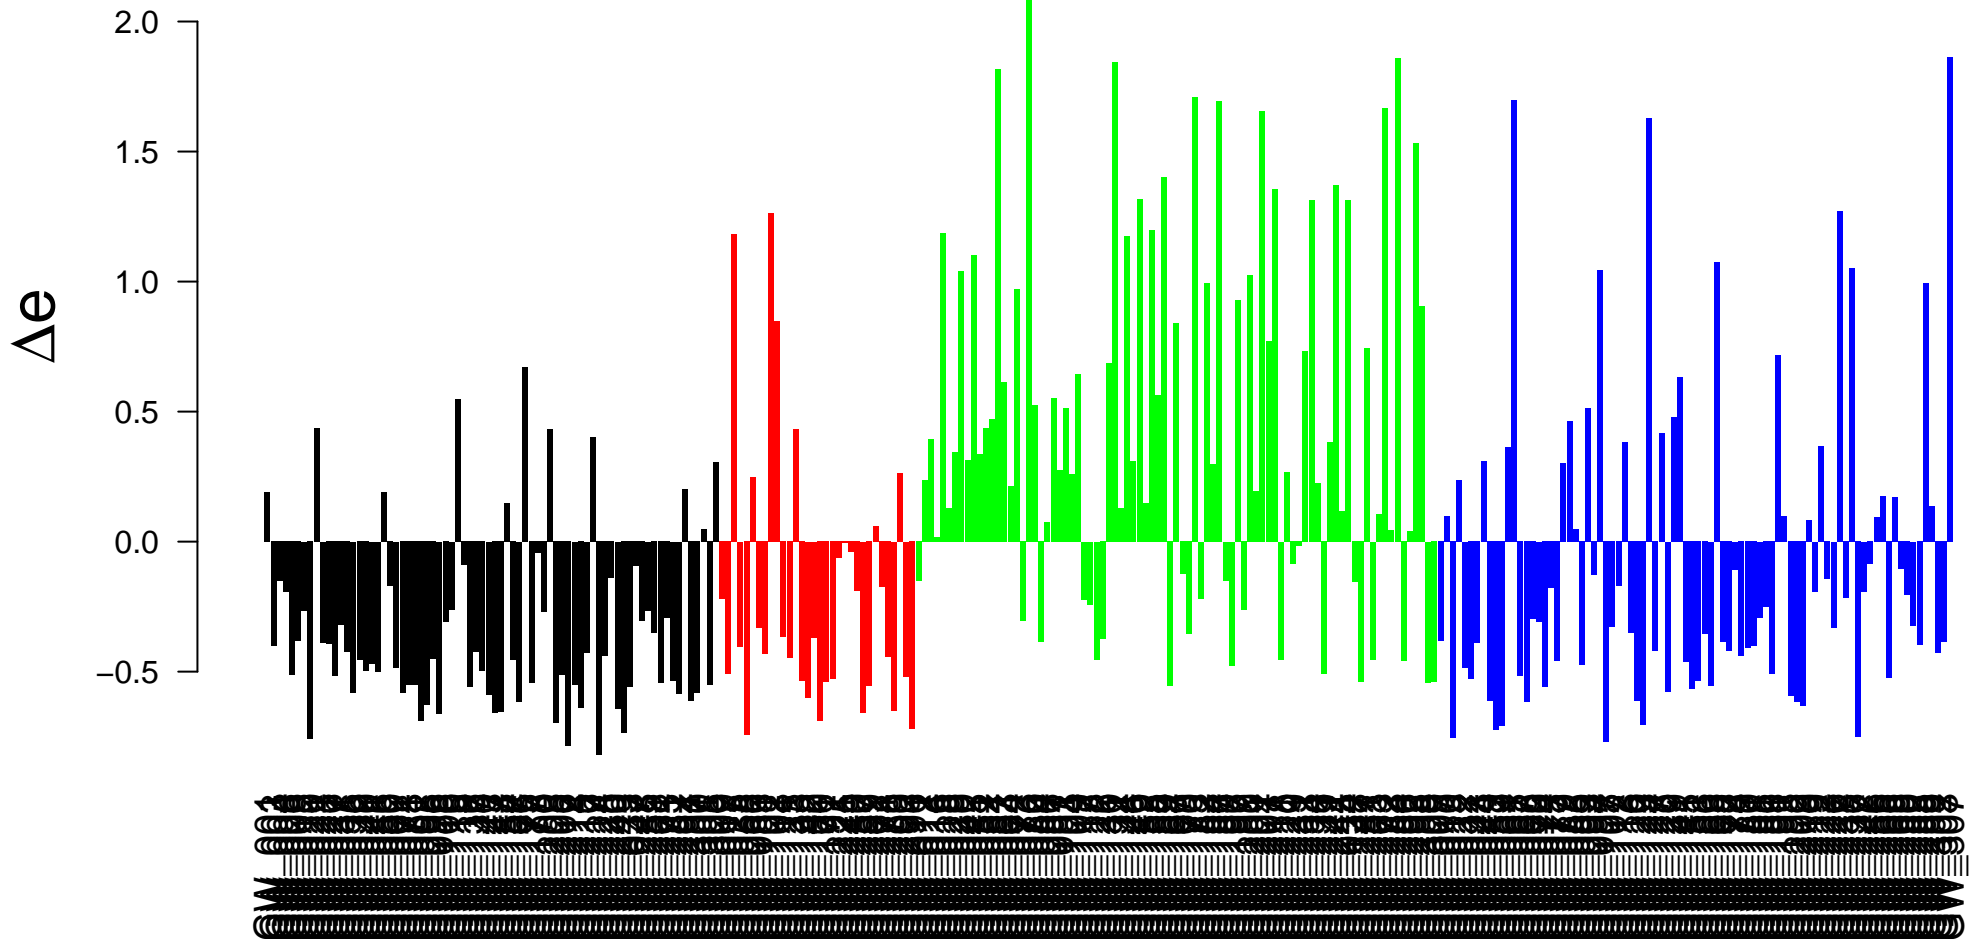

# Expression of myeloid dendritic cell differentiation in Spot J

Expression of myeloid dendritic cell differentiation in Spot K

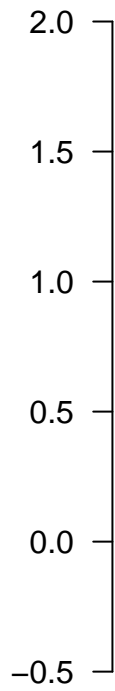

# Expression of myeloid dendritic cell differentiation in Spot L

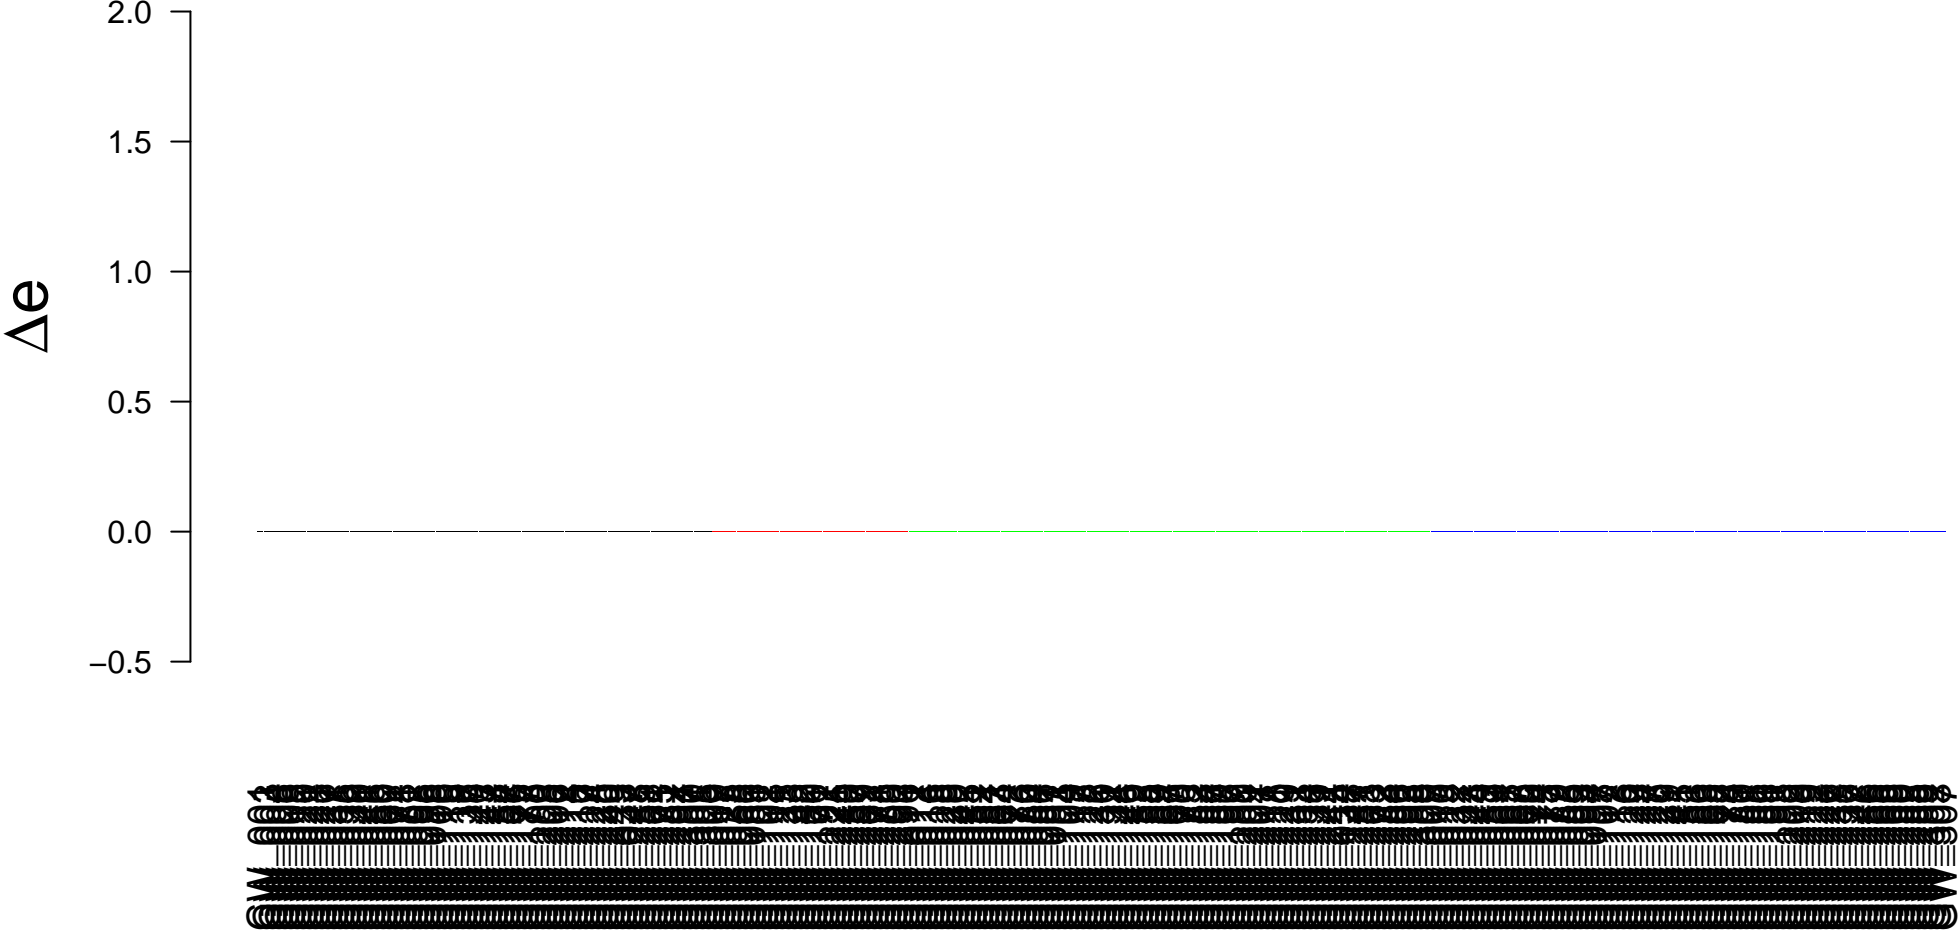

# Expression of myeloid dendritic cell differentiation in Spot M

$\Delta e$

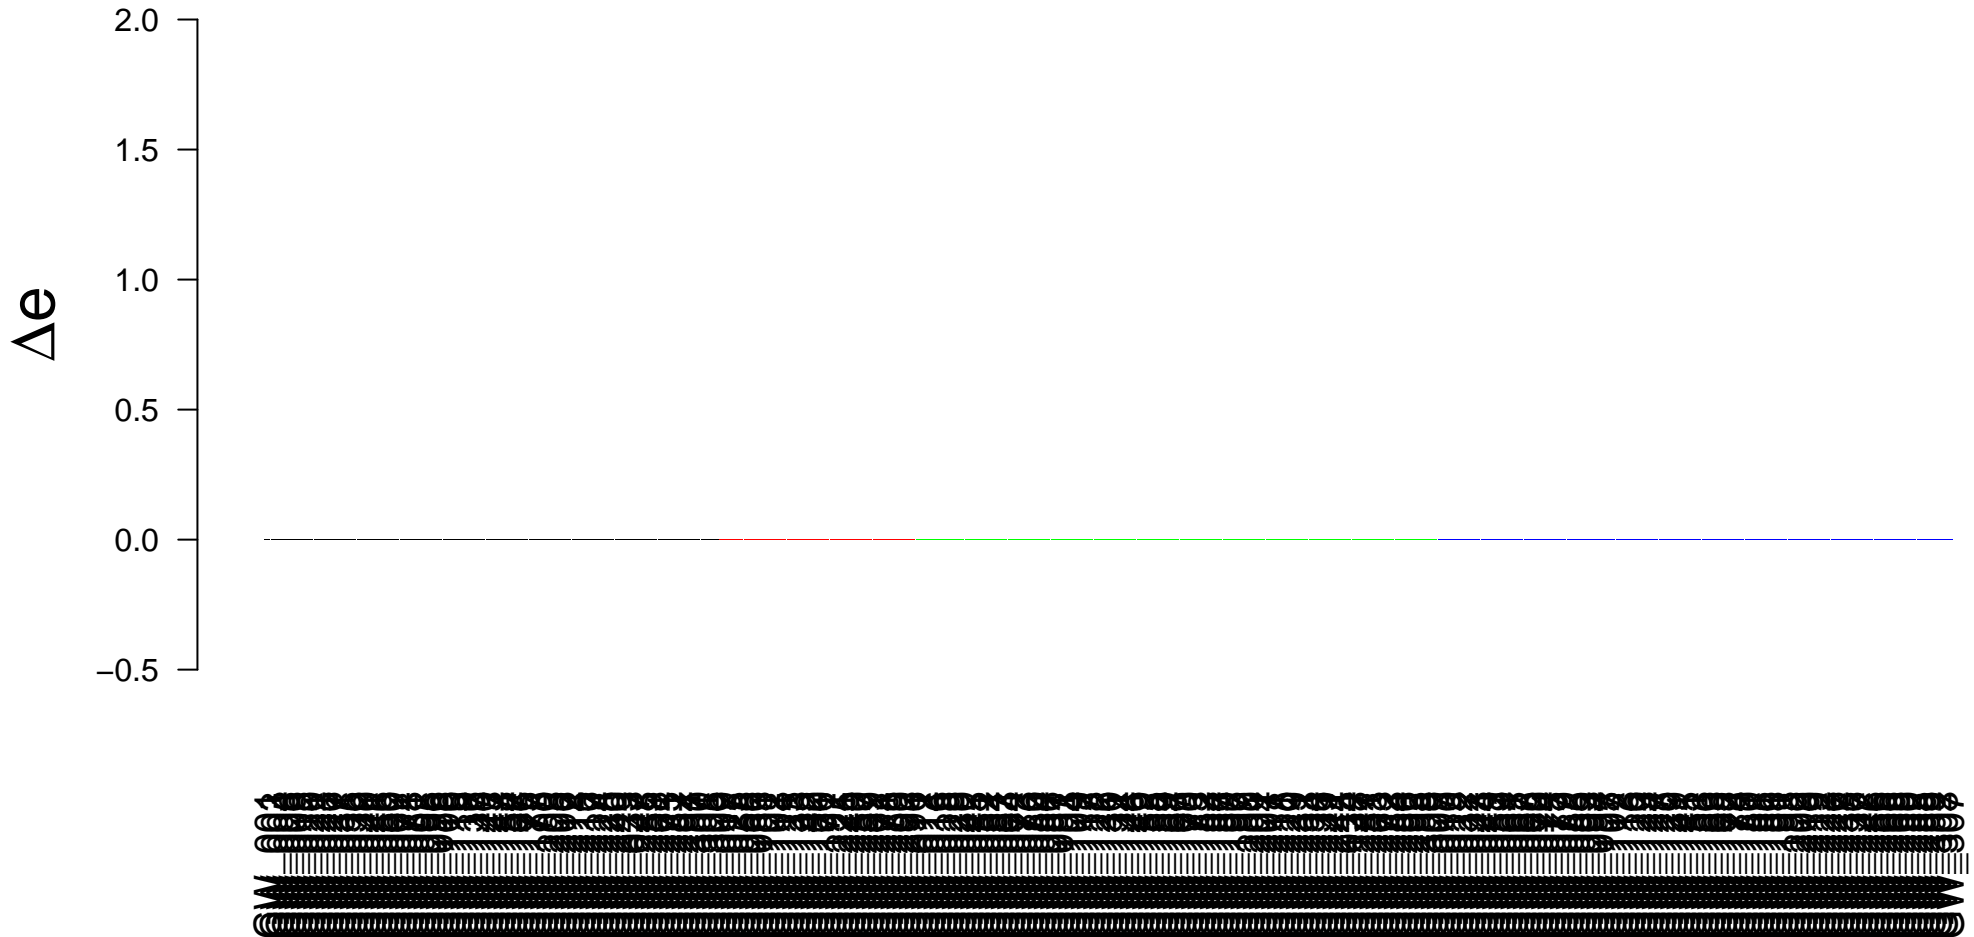

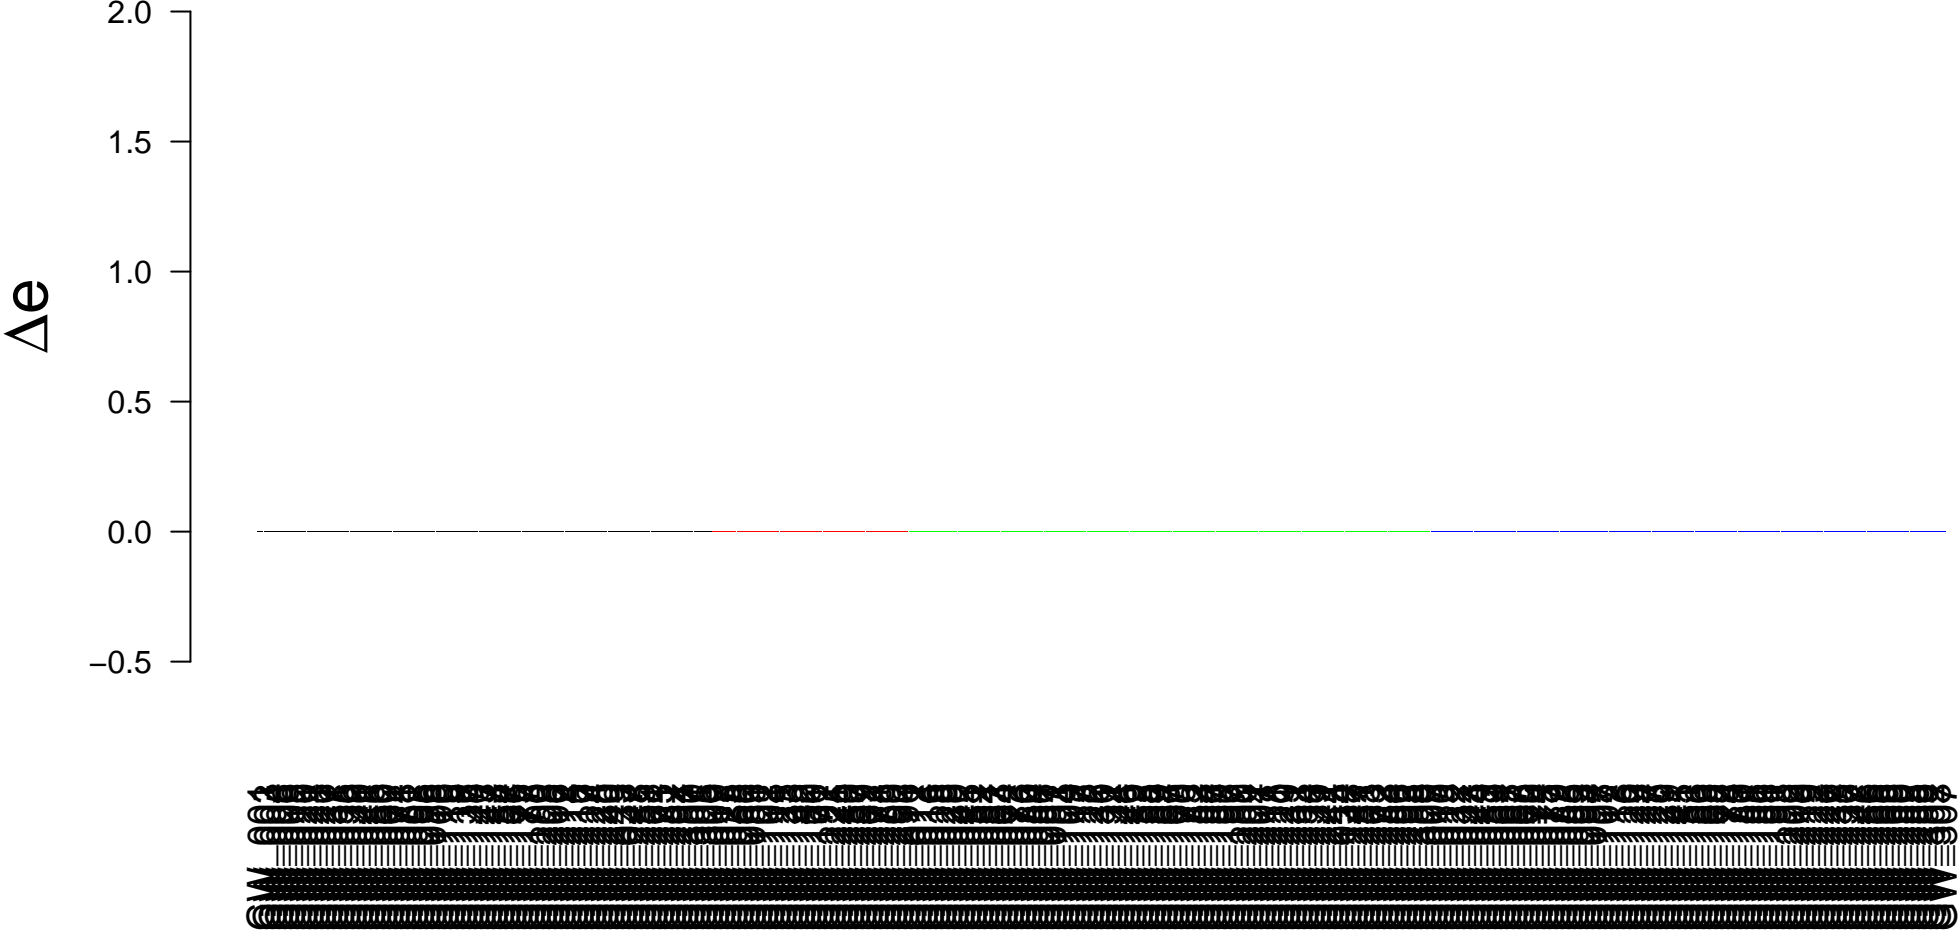

Expression of myeloid dendritic cell differentiation in Spot N

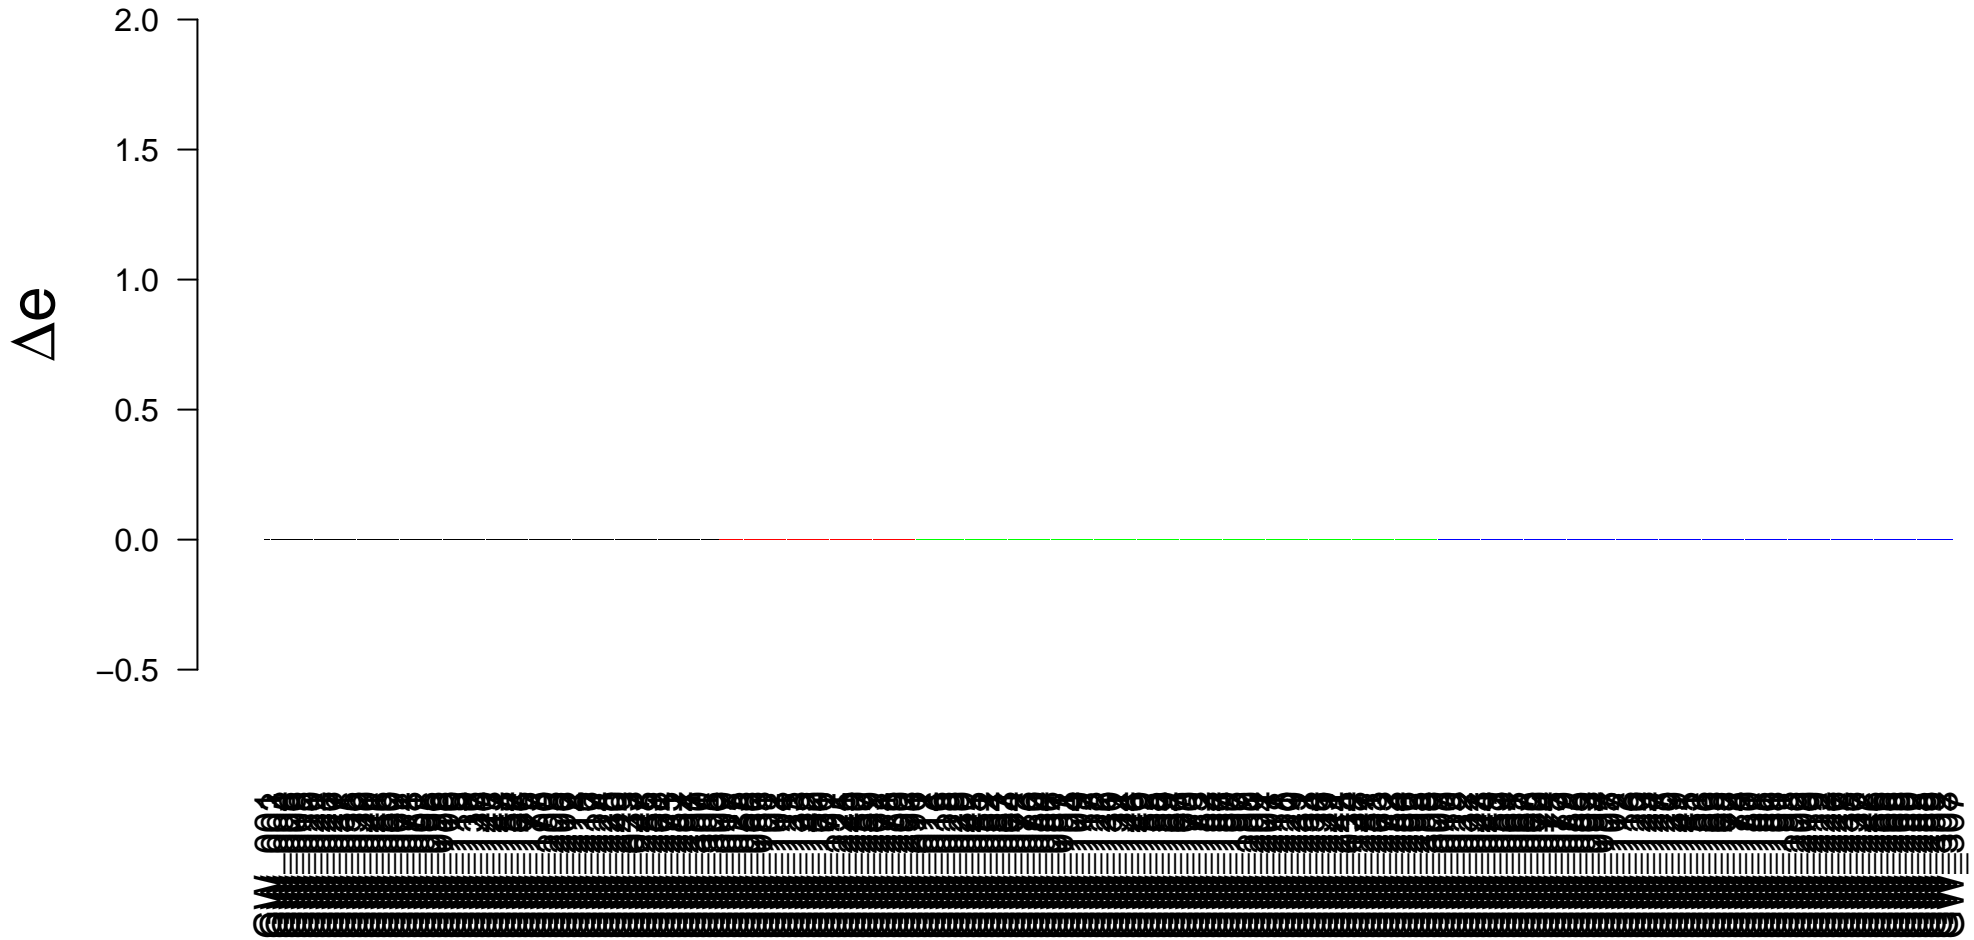

# Expression of myeloid dendritic cell differentiation in Spot O

Expression of myeloid dendritic cell differentiation in Spot P

# Expression of myeloid dendritic cell differentiation in Spot Q

# Expression of myeloid dendritic cell differentiation in Spot R
