

myoblast differentiation

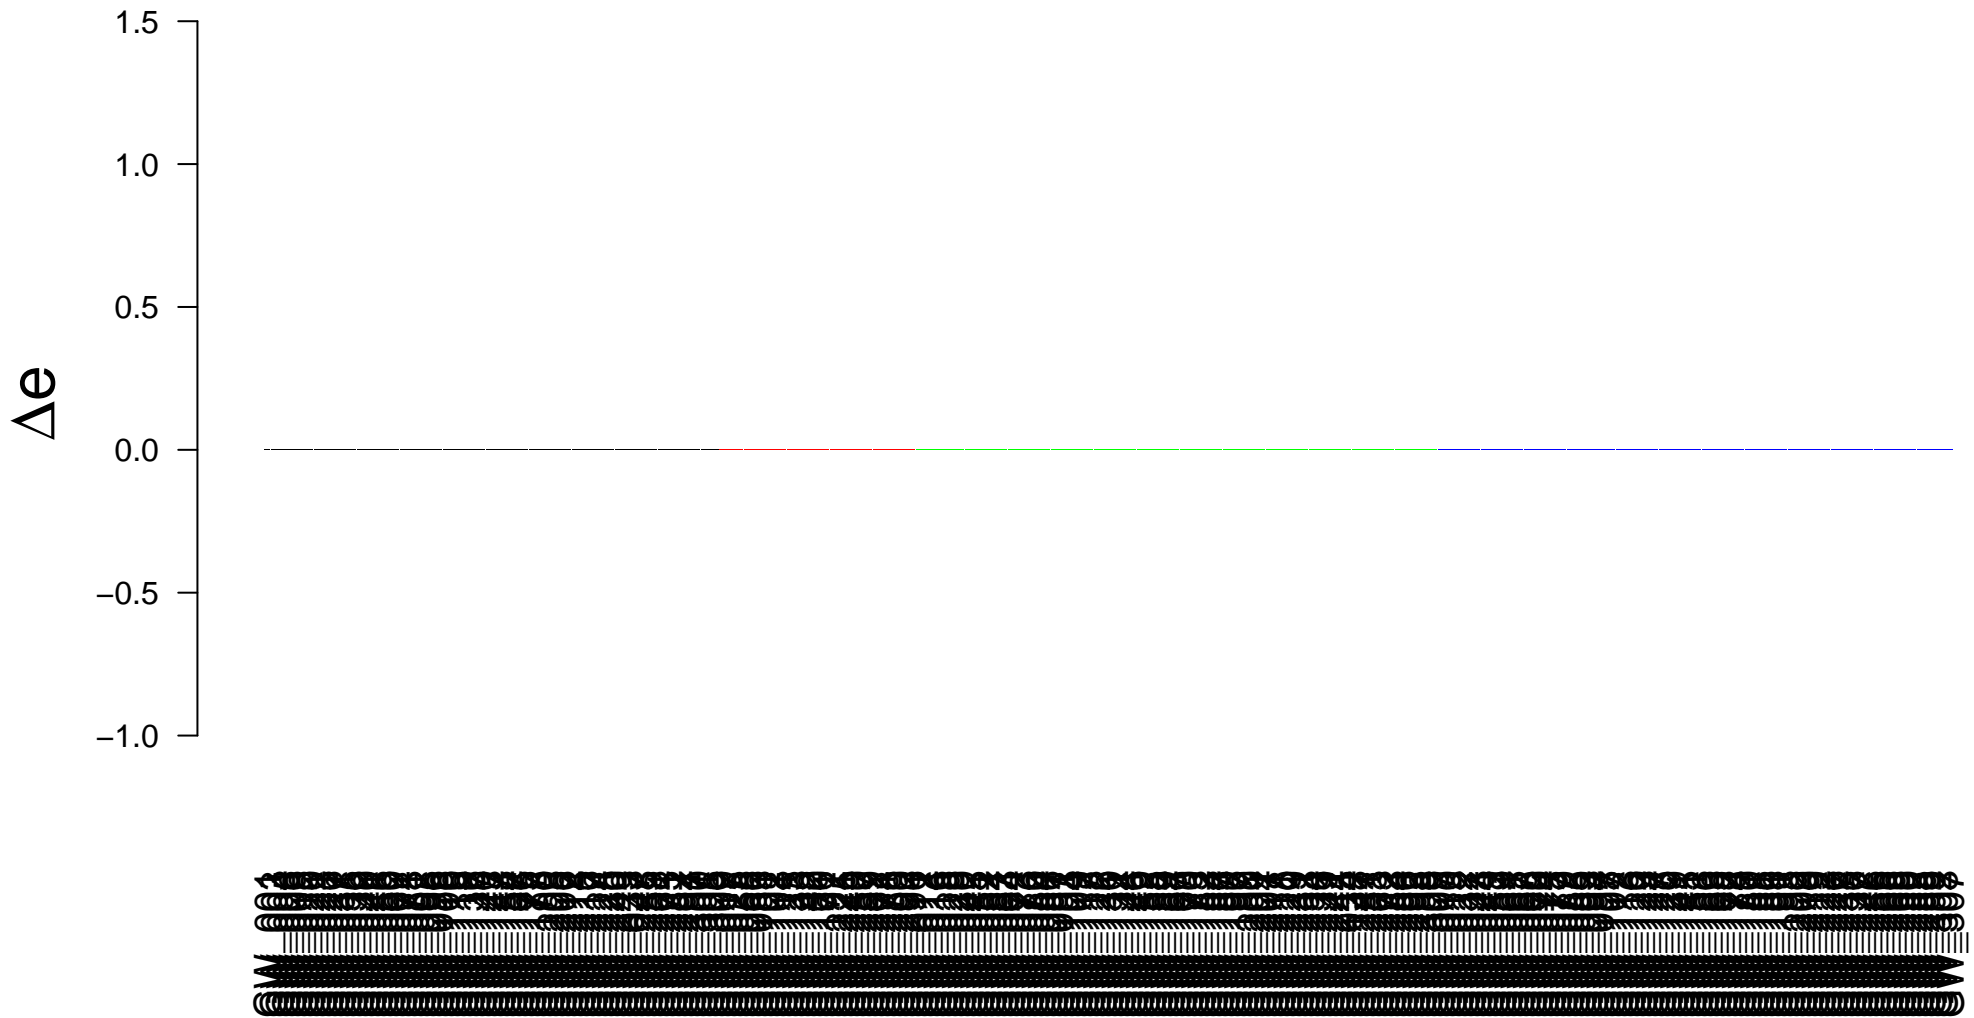

myoblast differentiation

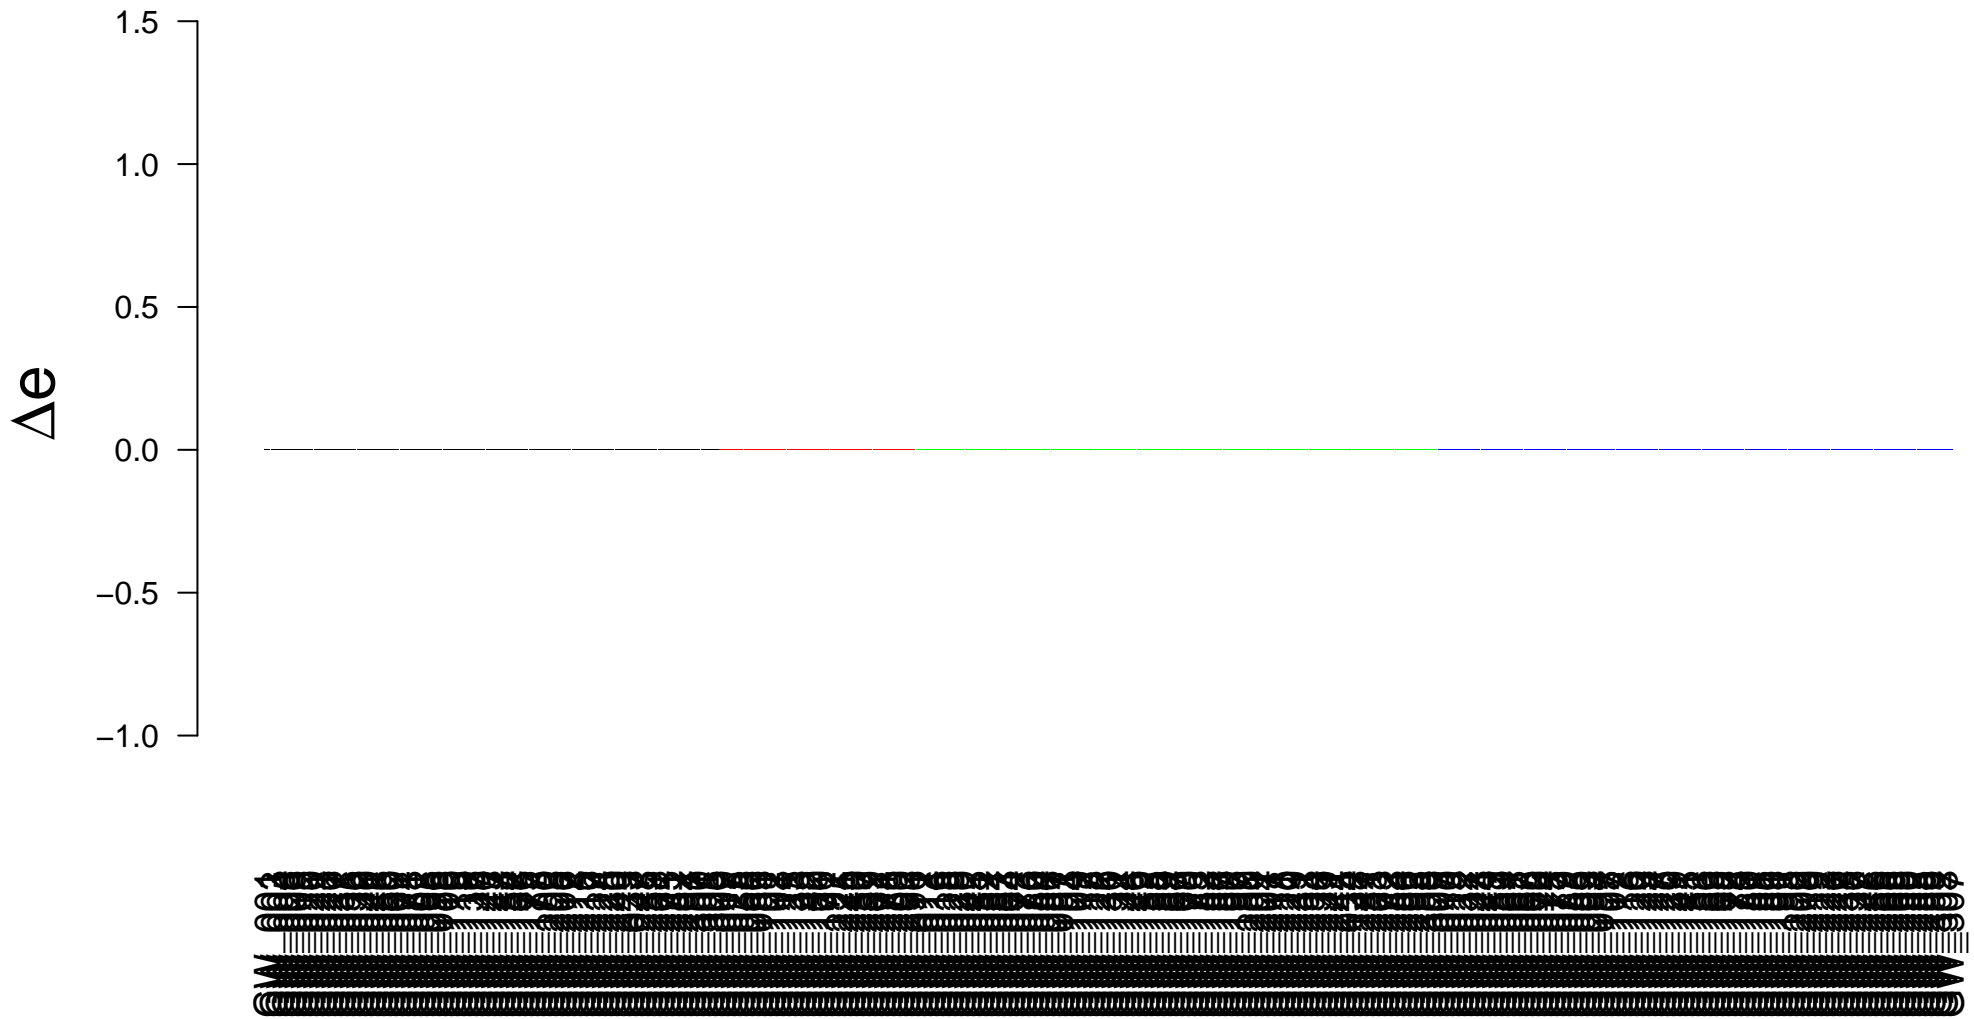

Enrichment in spots: myoblast differentiation

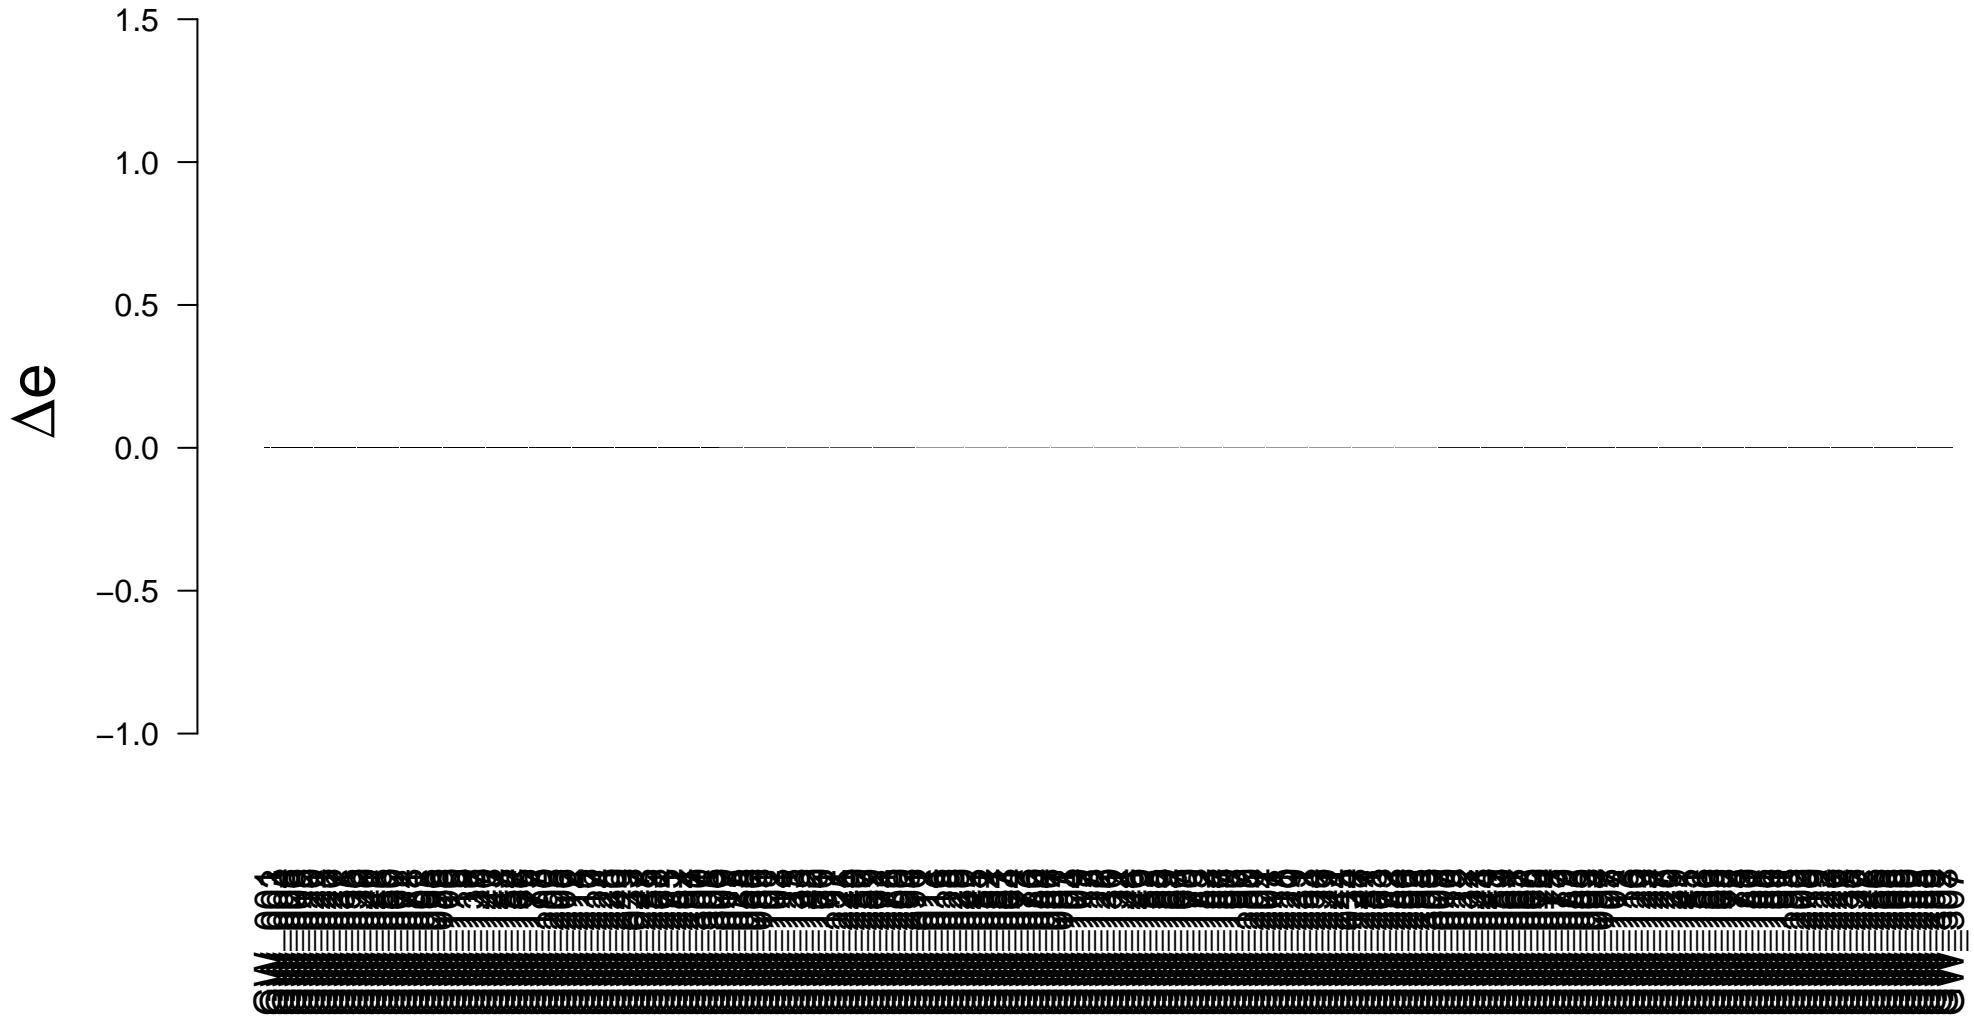

Expression of myoblast differentiation in Spot D

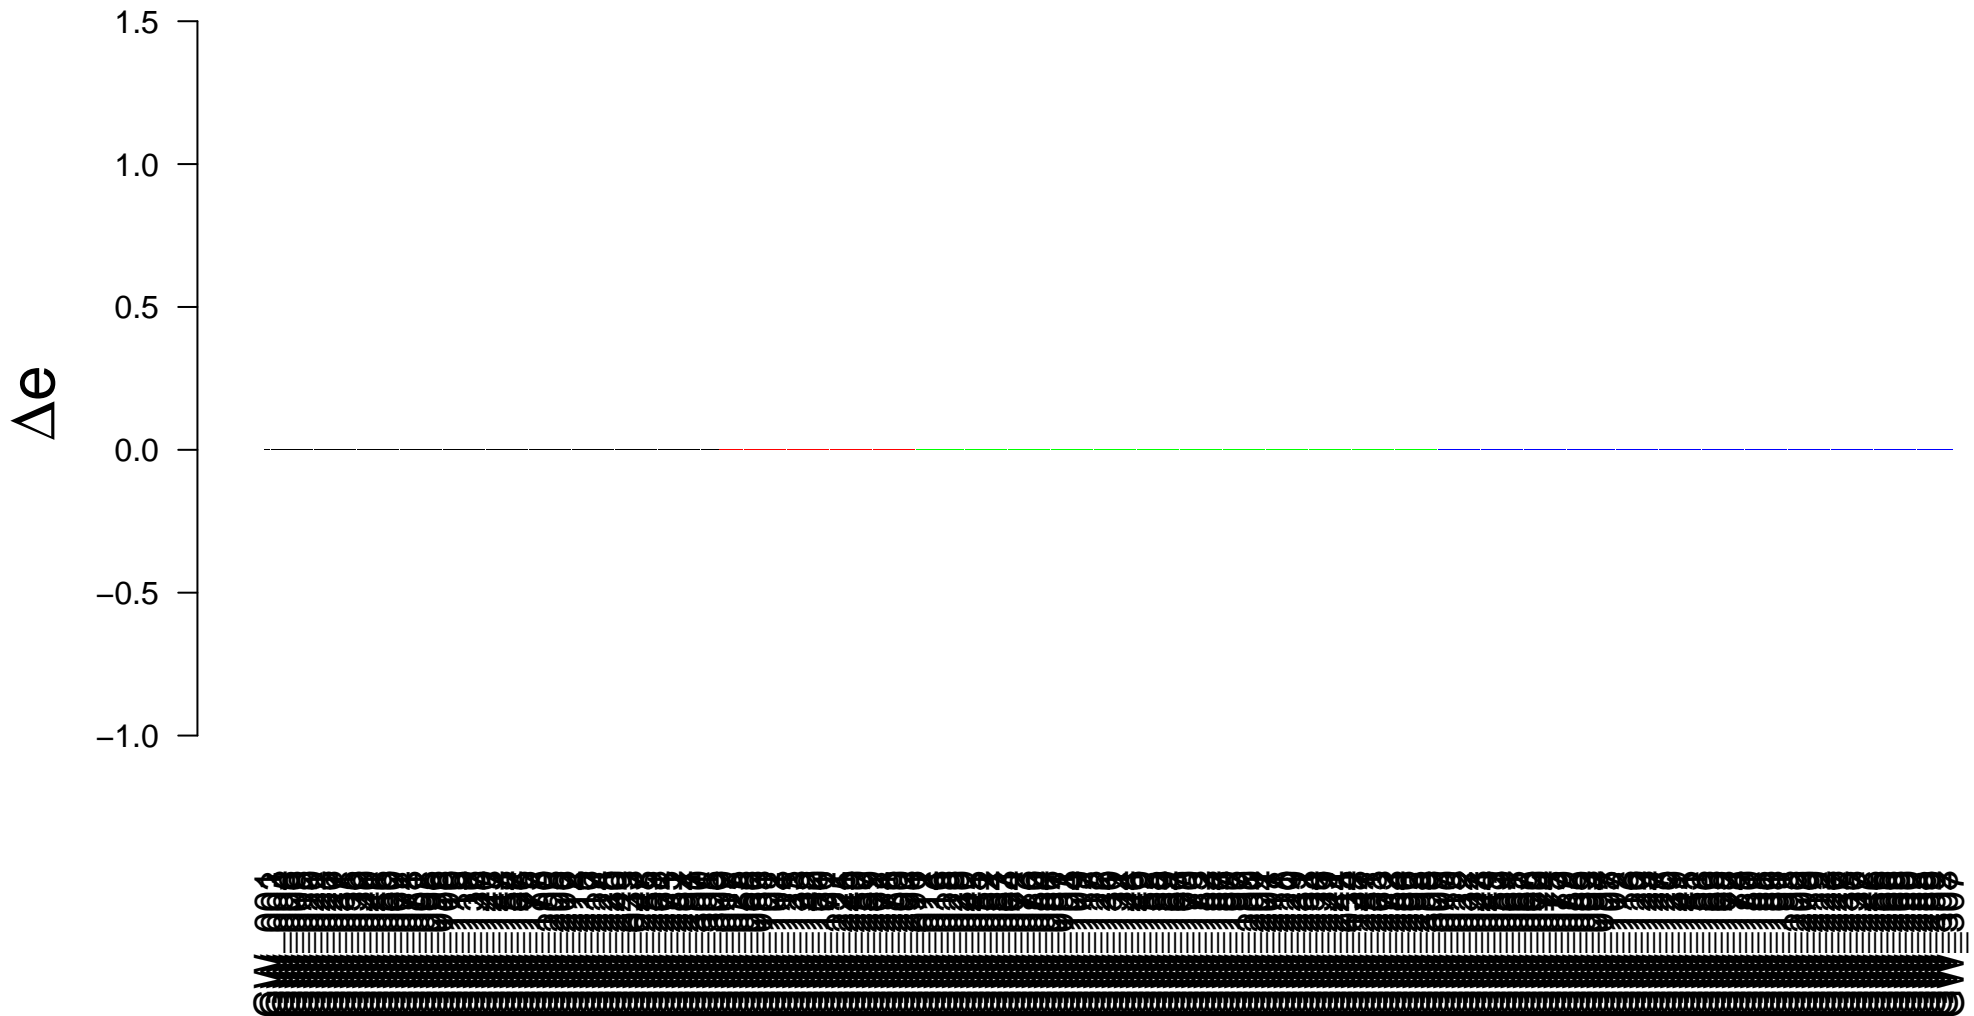

Expression of myoblast differentiation in Spot E

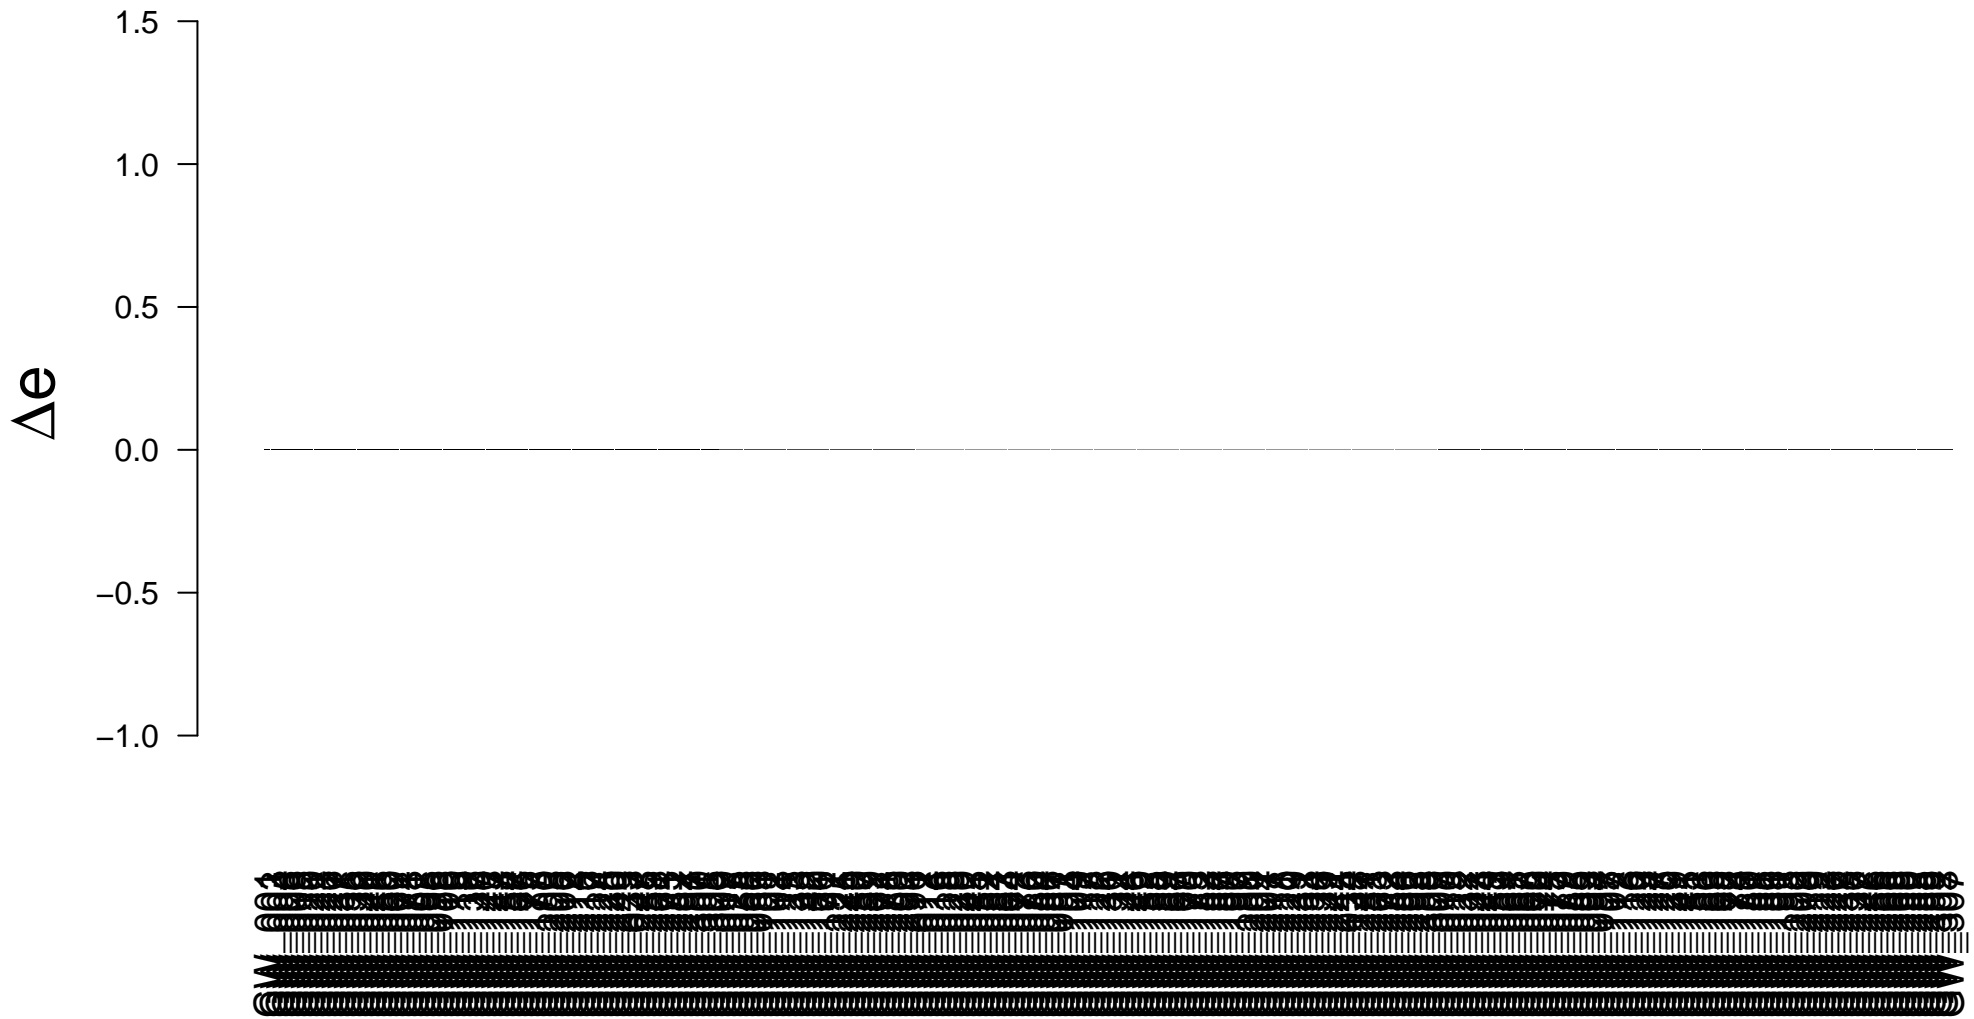

Expression of myoblast differentiation in Spot F

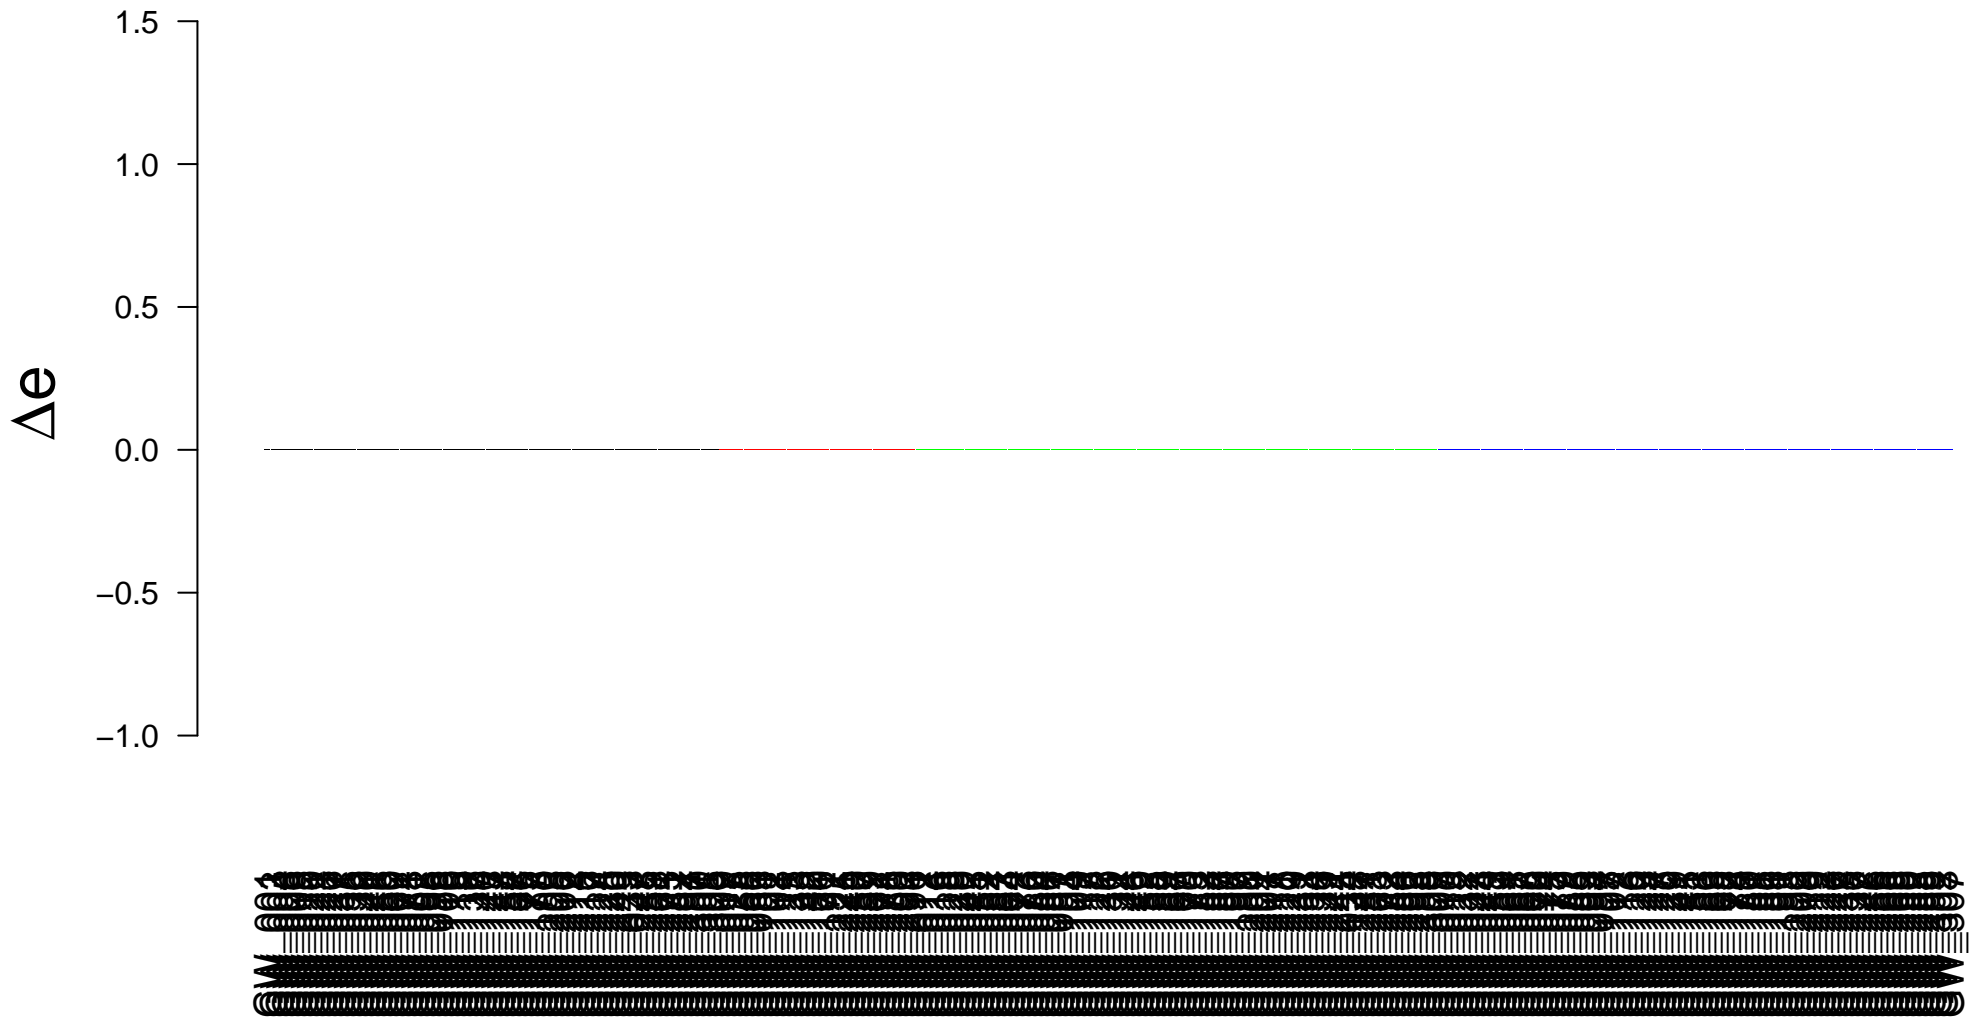

Expression of myoblast differentiation in Spot G

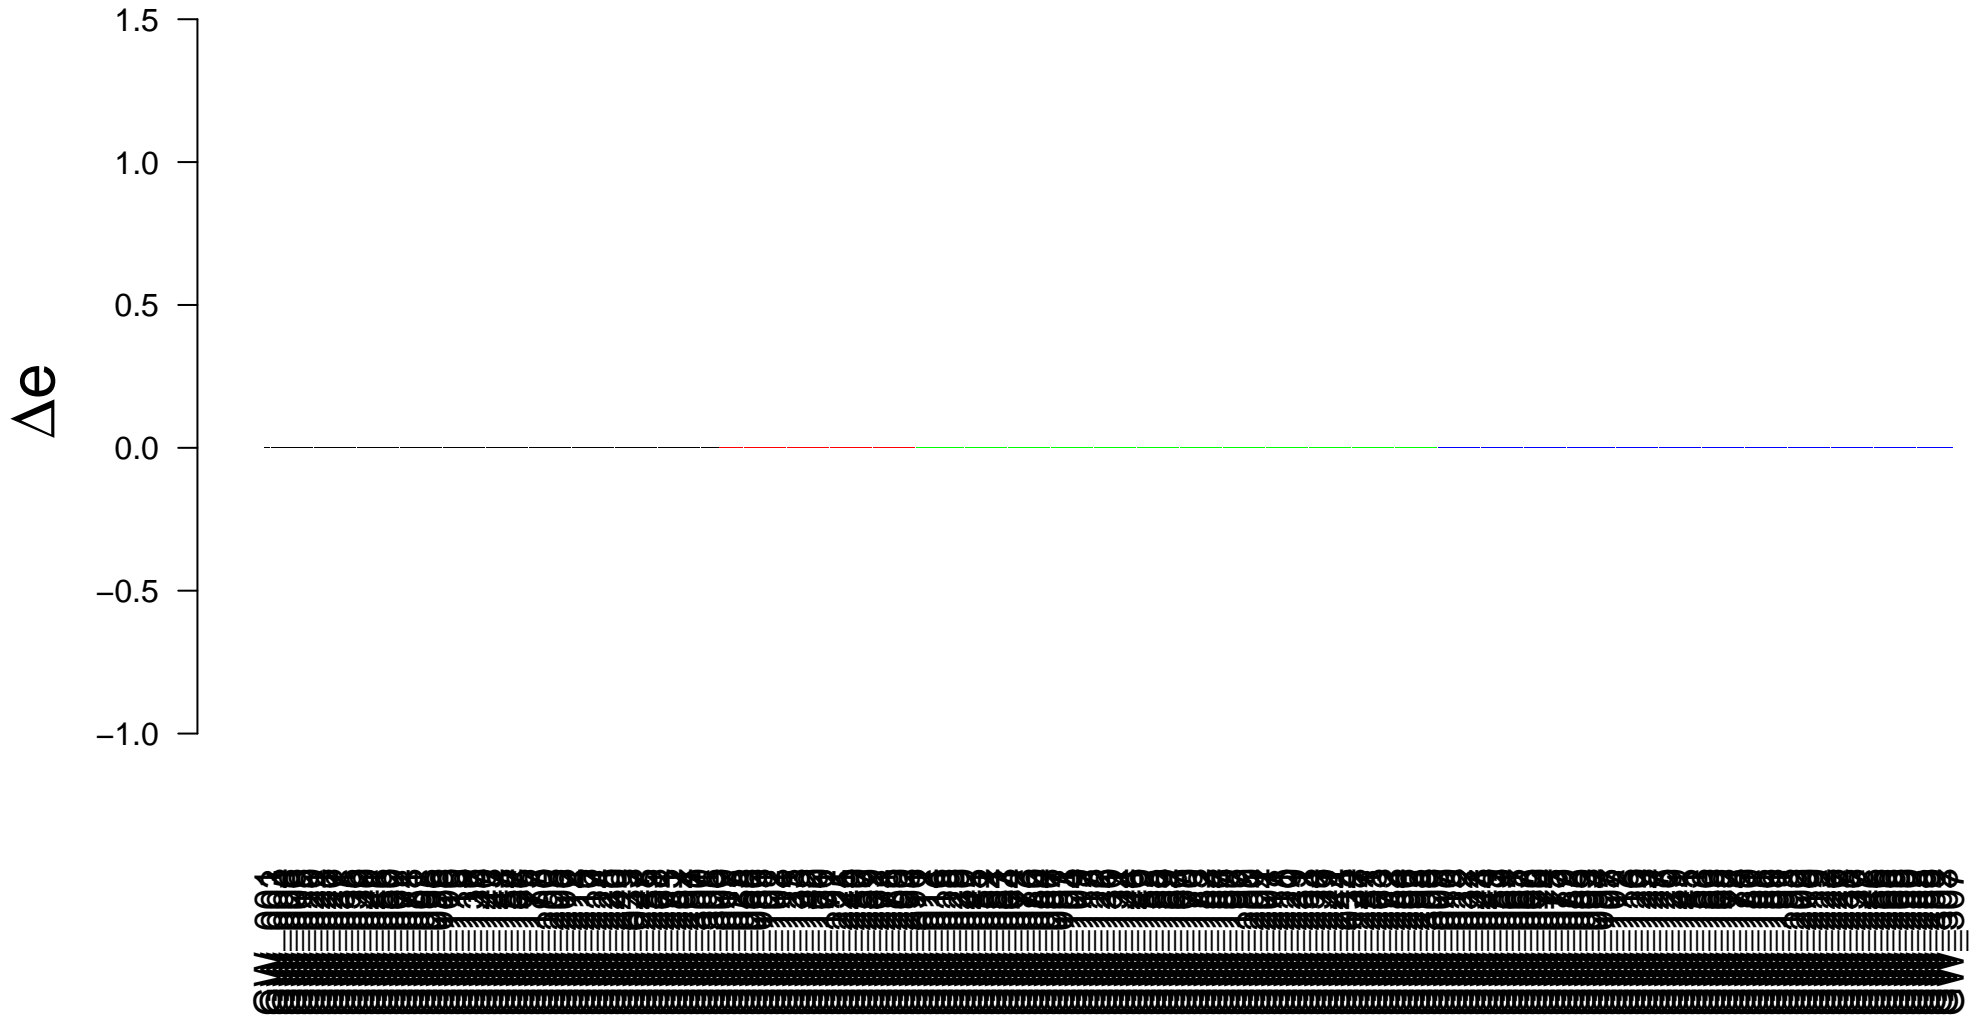

Expression of myoblast differentiation in Spot H

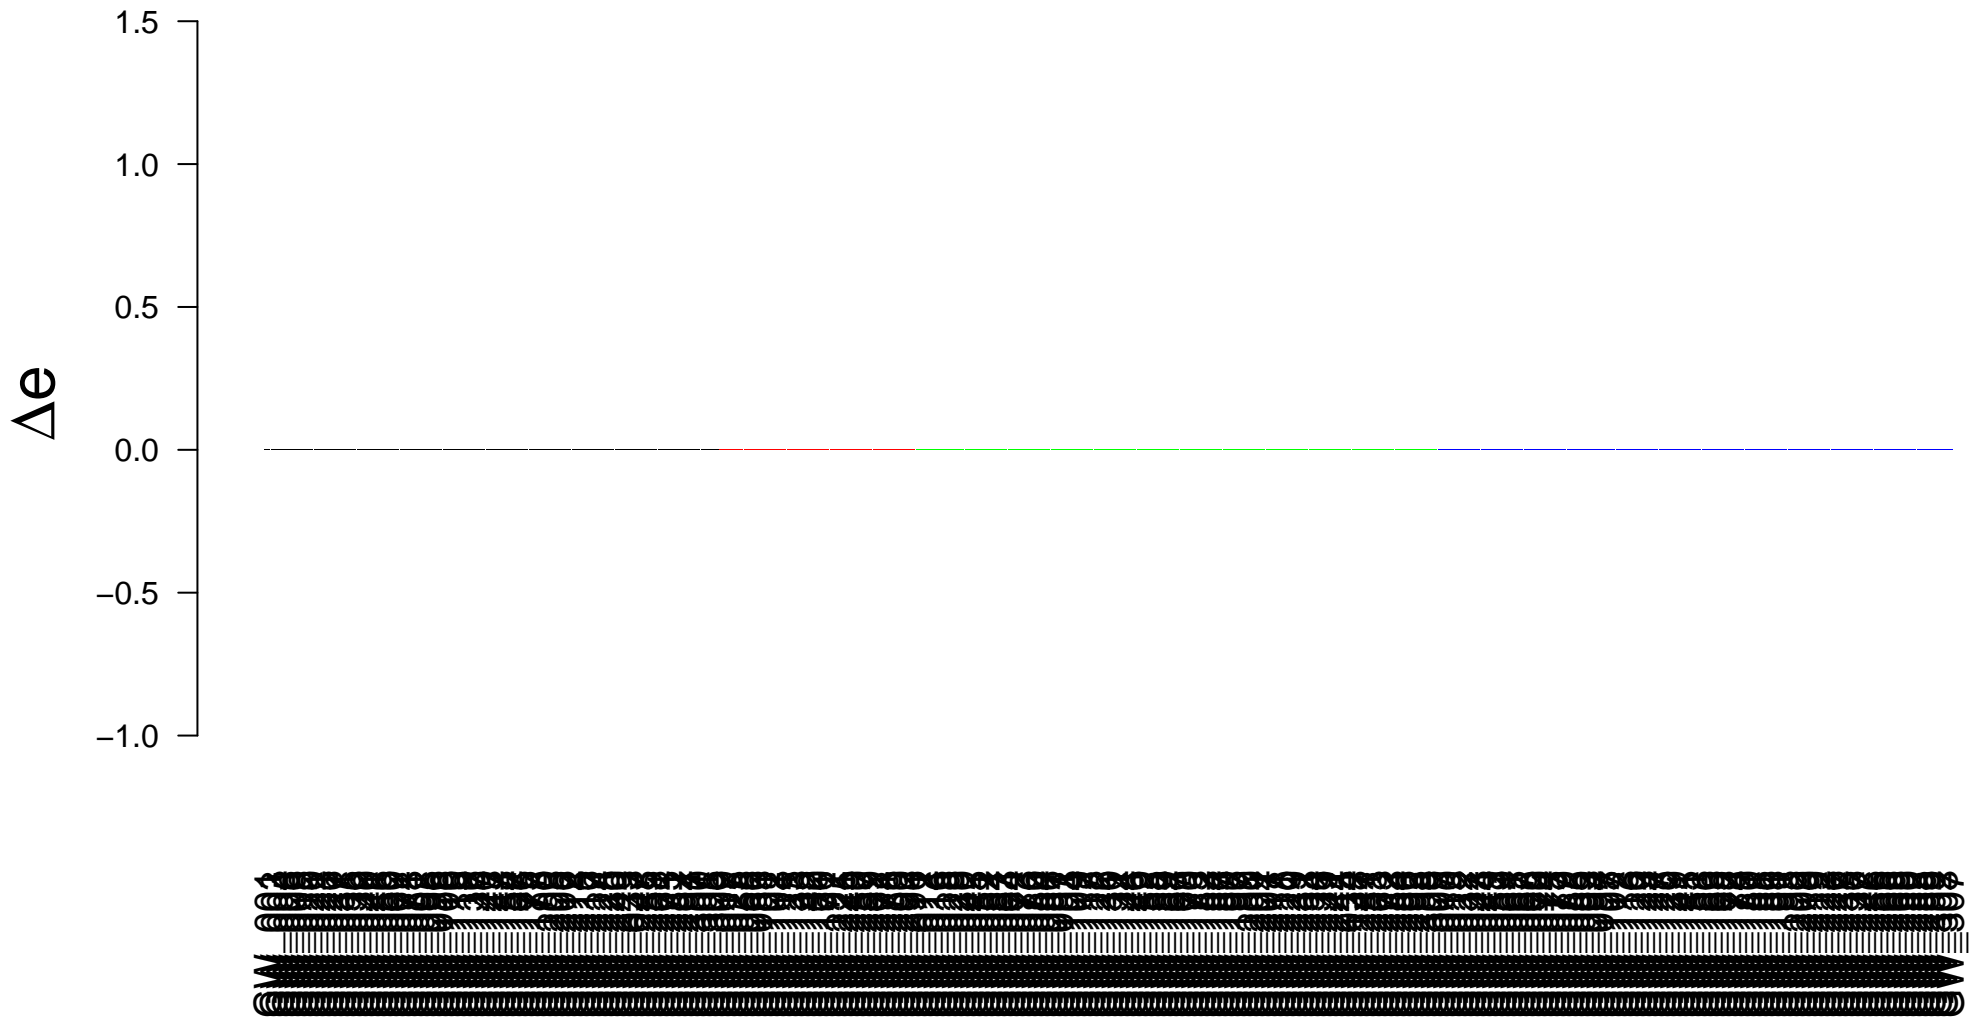

Expression of myoblast differentiation in Spot I

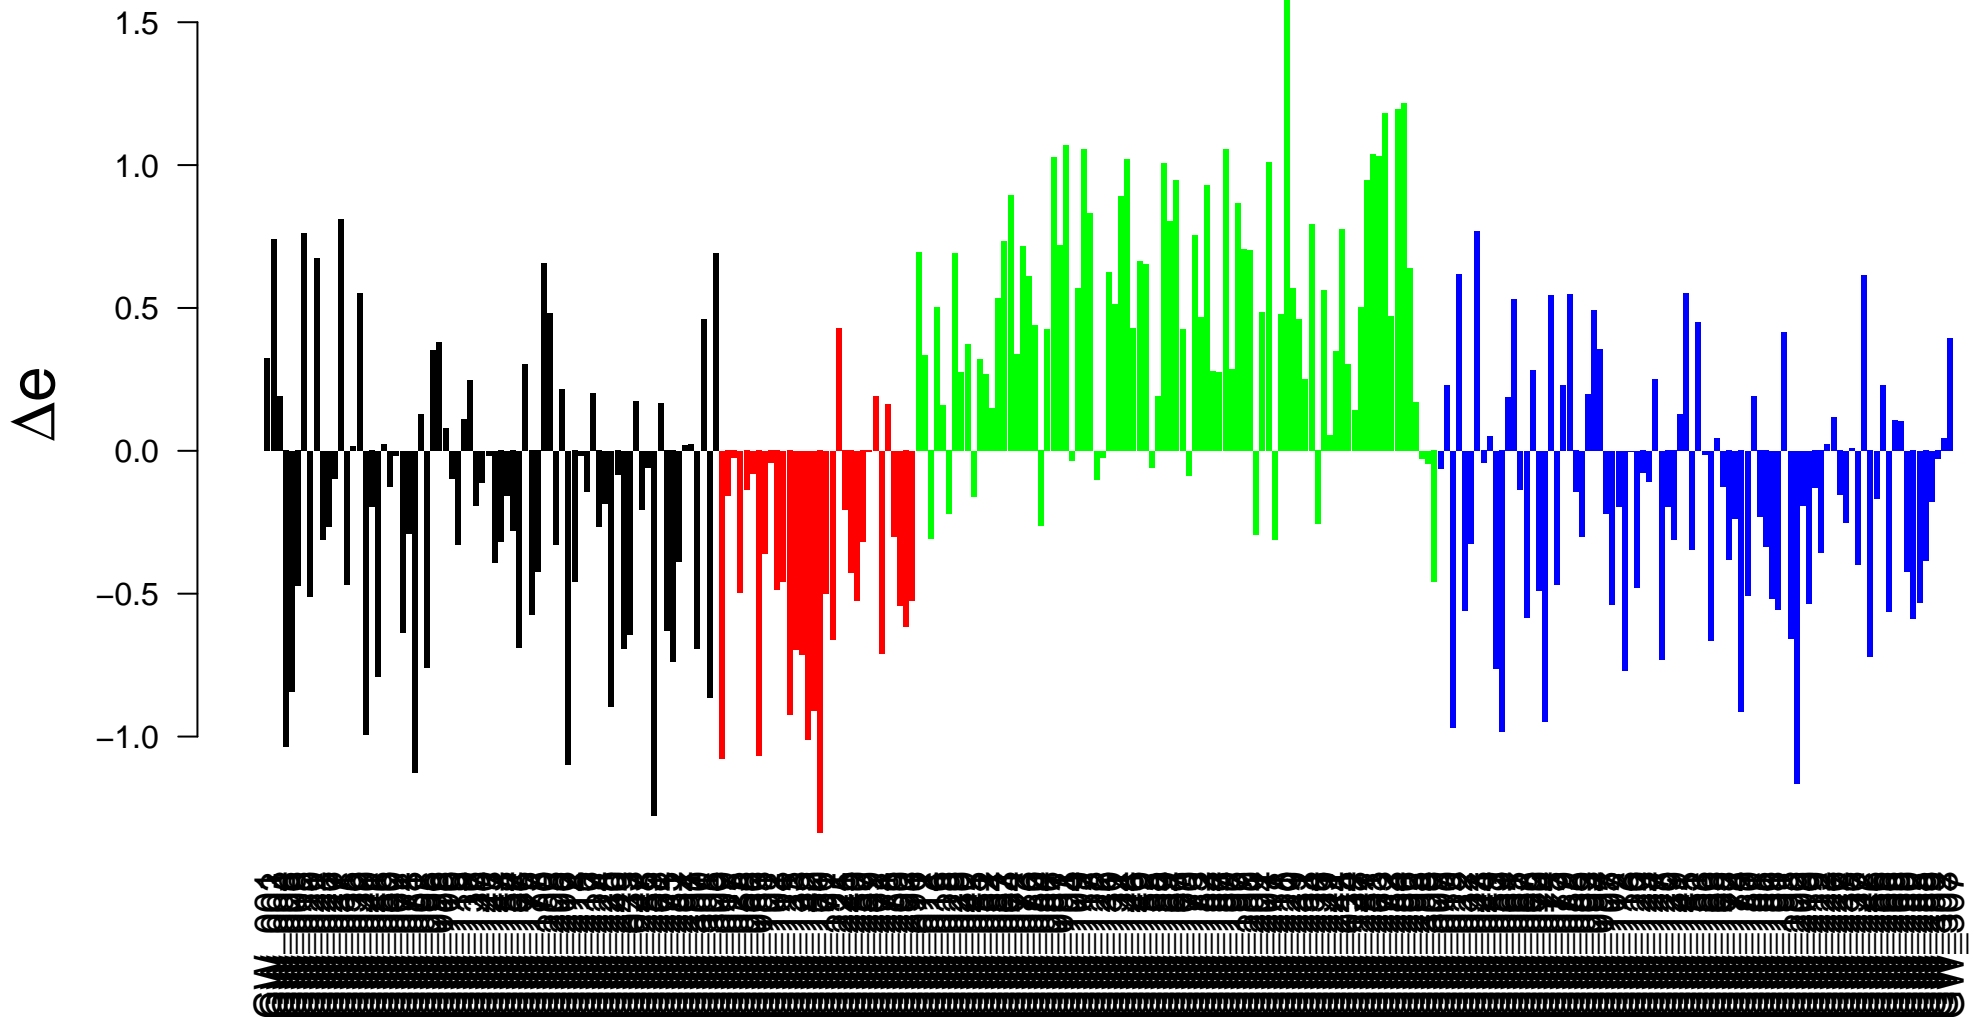

Expression of myoblast differentiation in Spot J

Expression of myoblast differentiation in Spot K

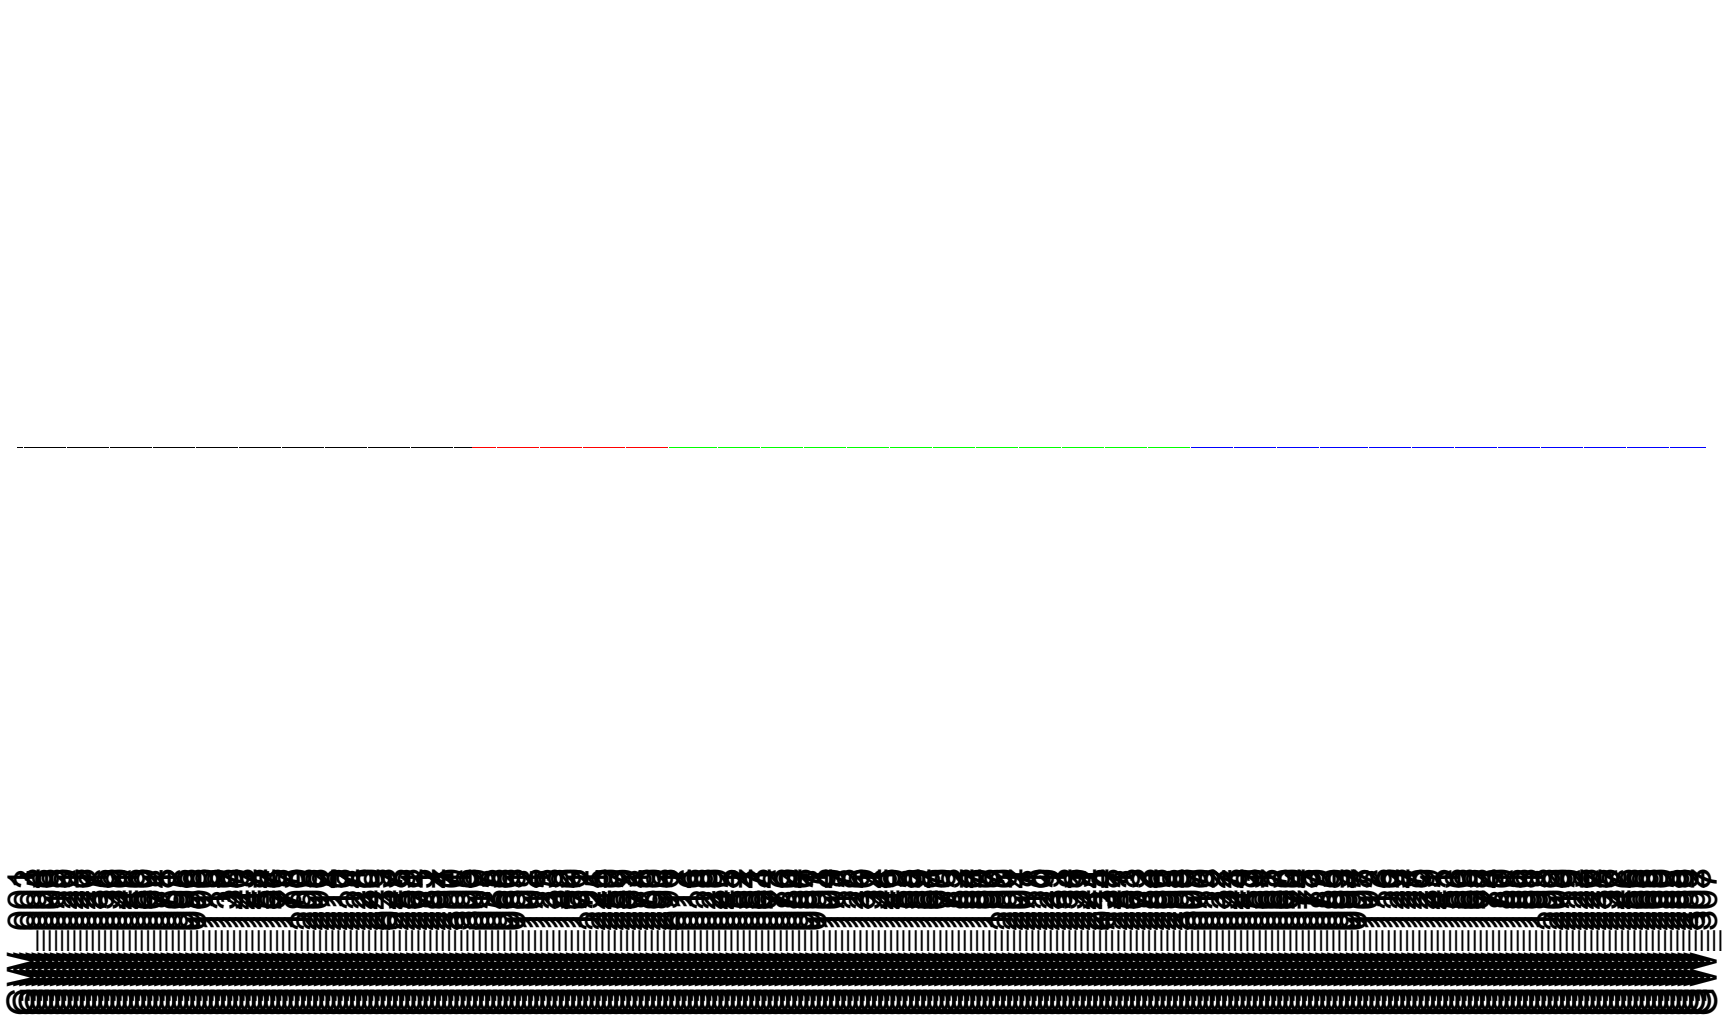

Expression of myoblast differentiation in Spot L

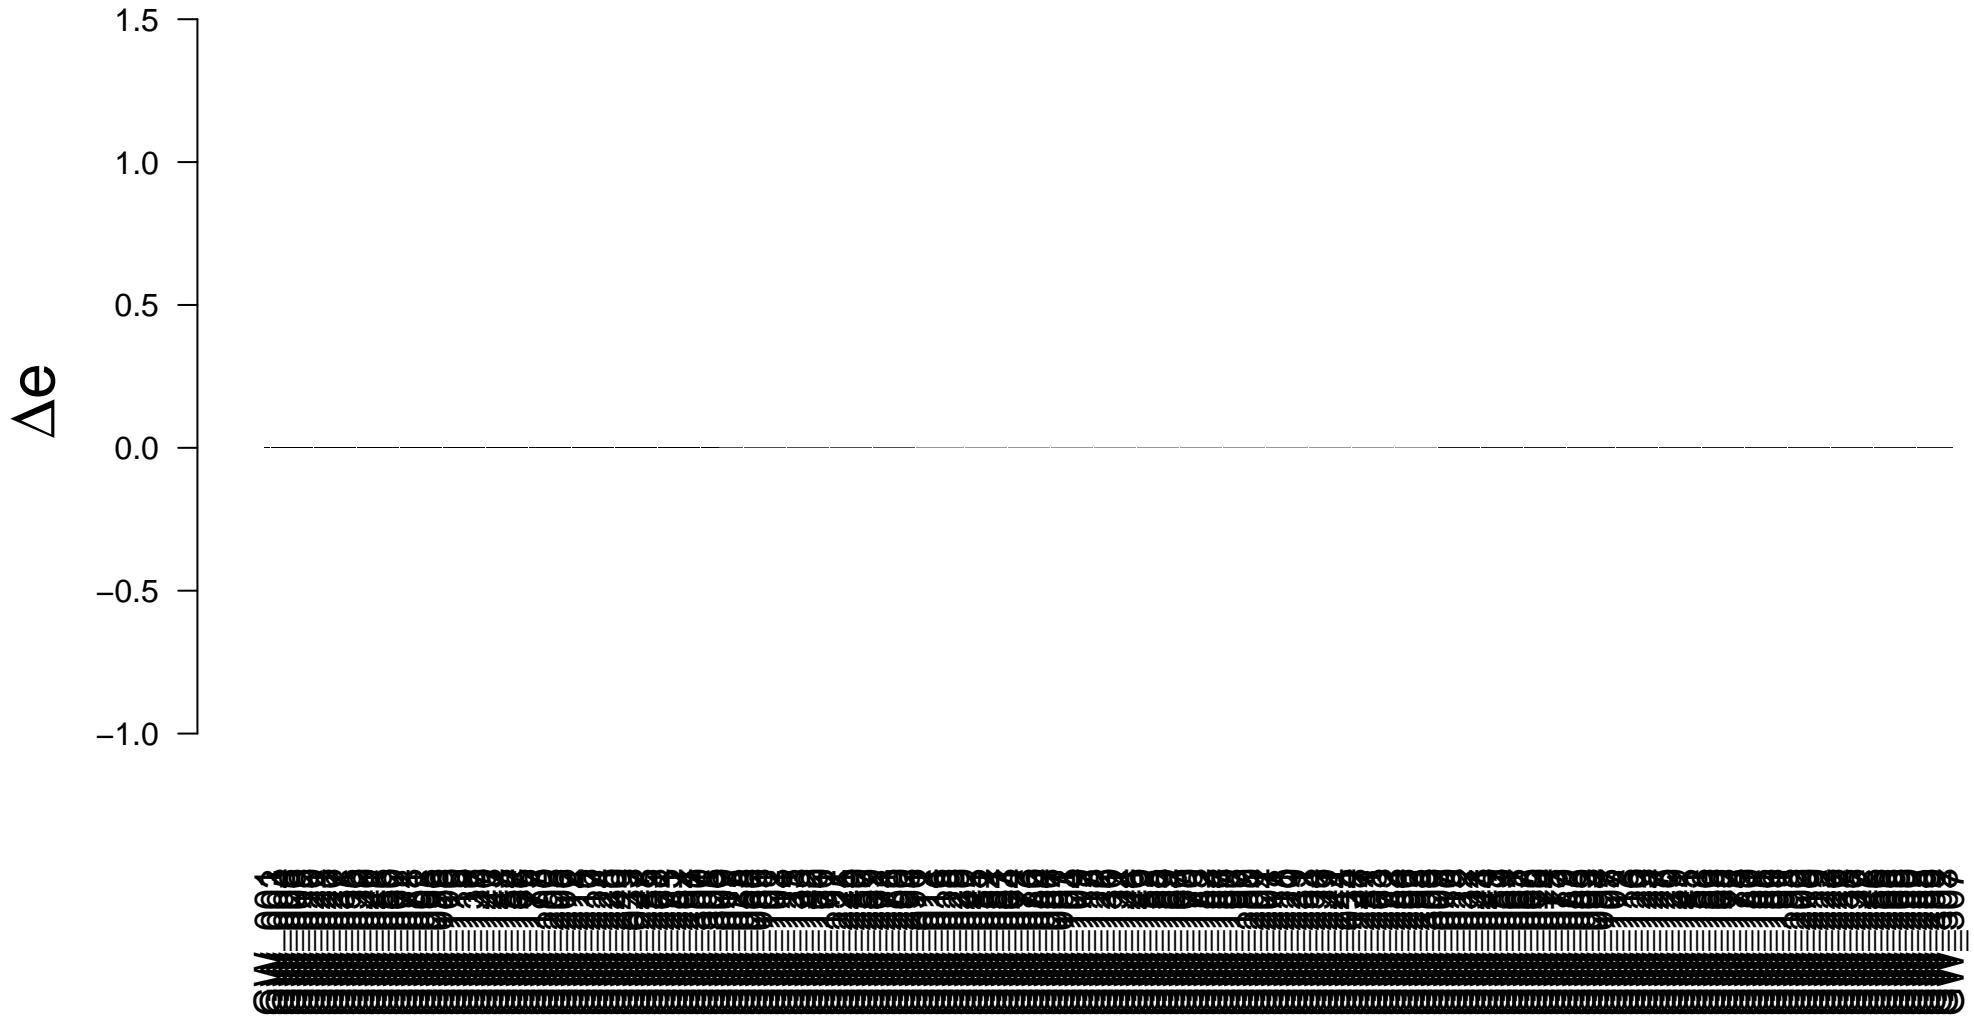

Expression of myoblast differentiation in Spot M
