Expression of negative regulation of MAP kinase activity in Spot B

Expression of negative regulation of MAP kinase activity in Spot C

Expression of negative regulation of MAP kinase activity in Spot D

Expression of negative regulation of MAP kinase activity in Spot E

Expression of negative regulation of MAP kinase activity in Spot F

Expression of negative regulation of MAP kinase activity in Spot G

Expression of negative regulation of MAP kinase activity in Spot H

Expression of negative regulation of MAP kinase activity in Spot I

Expression of negative regulation of MAP kinase activity in Spot J

Expression of negative regulation of MAP kinase activity in Spot K

Expression of negative regulation of MAP kinase activity in Spot L
