

negative regulation of Rho protein signal transduction

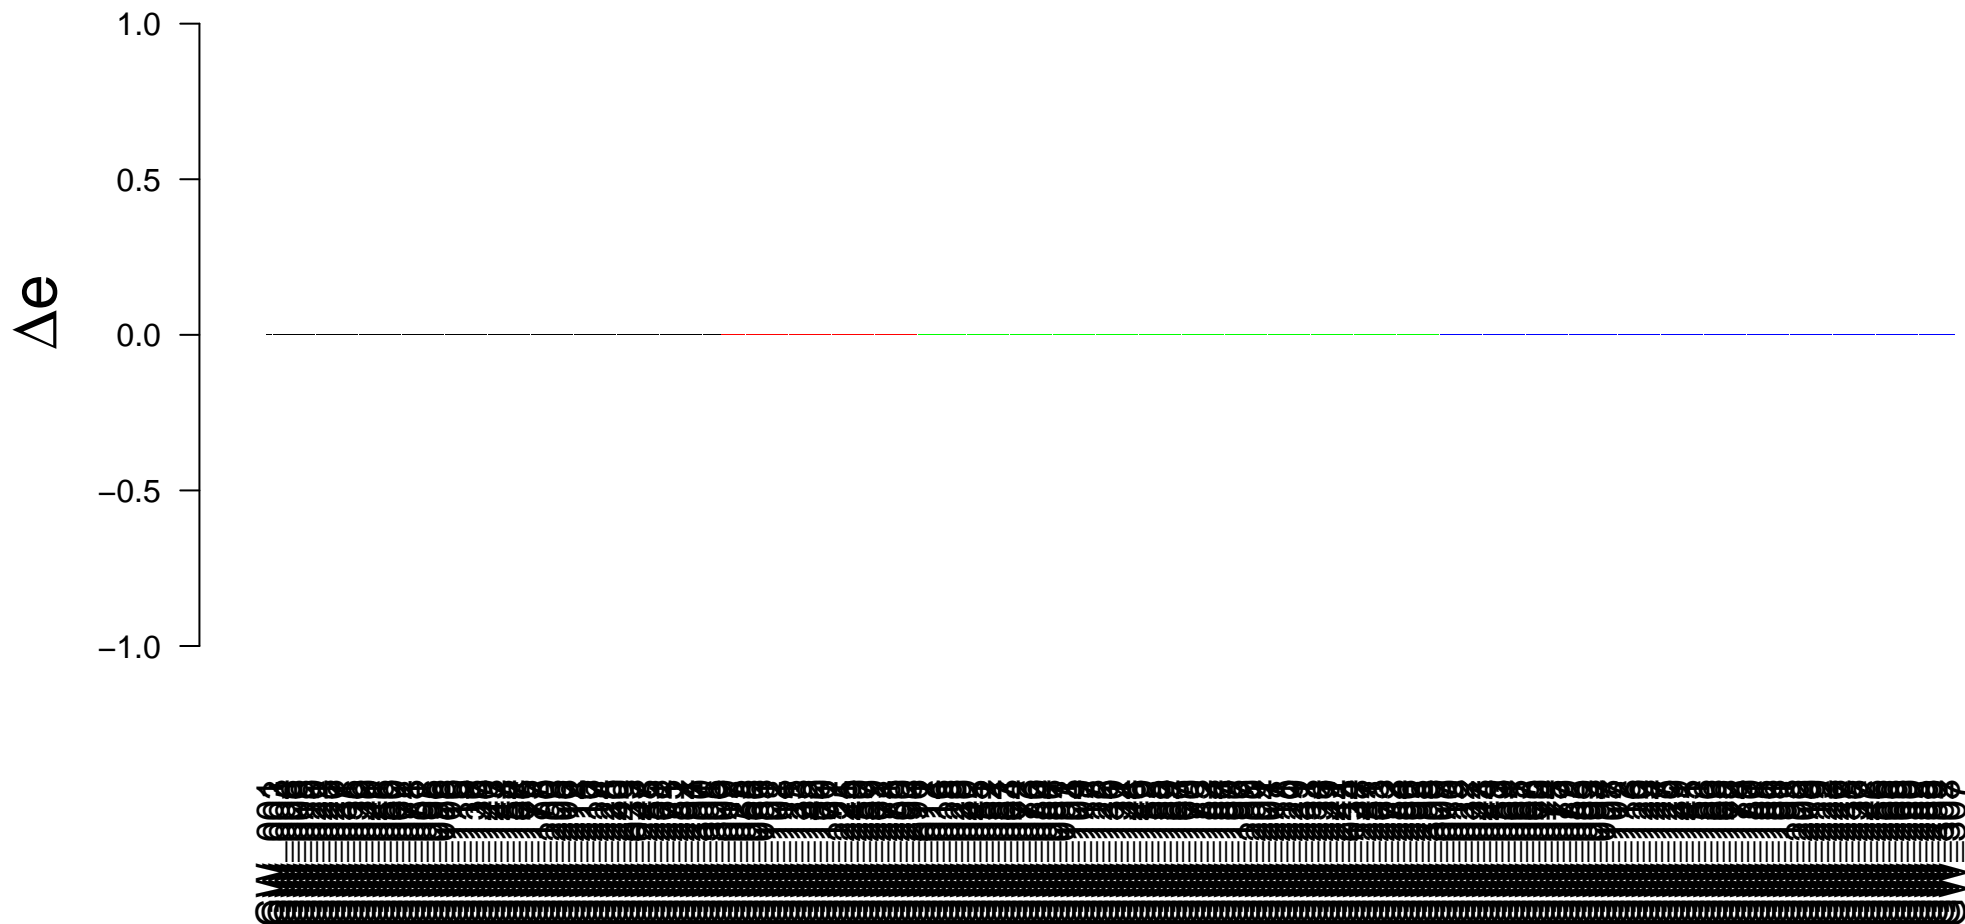

# negative regulation of Rho protein signal transduction

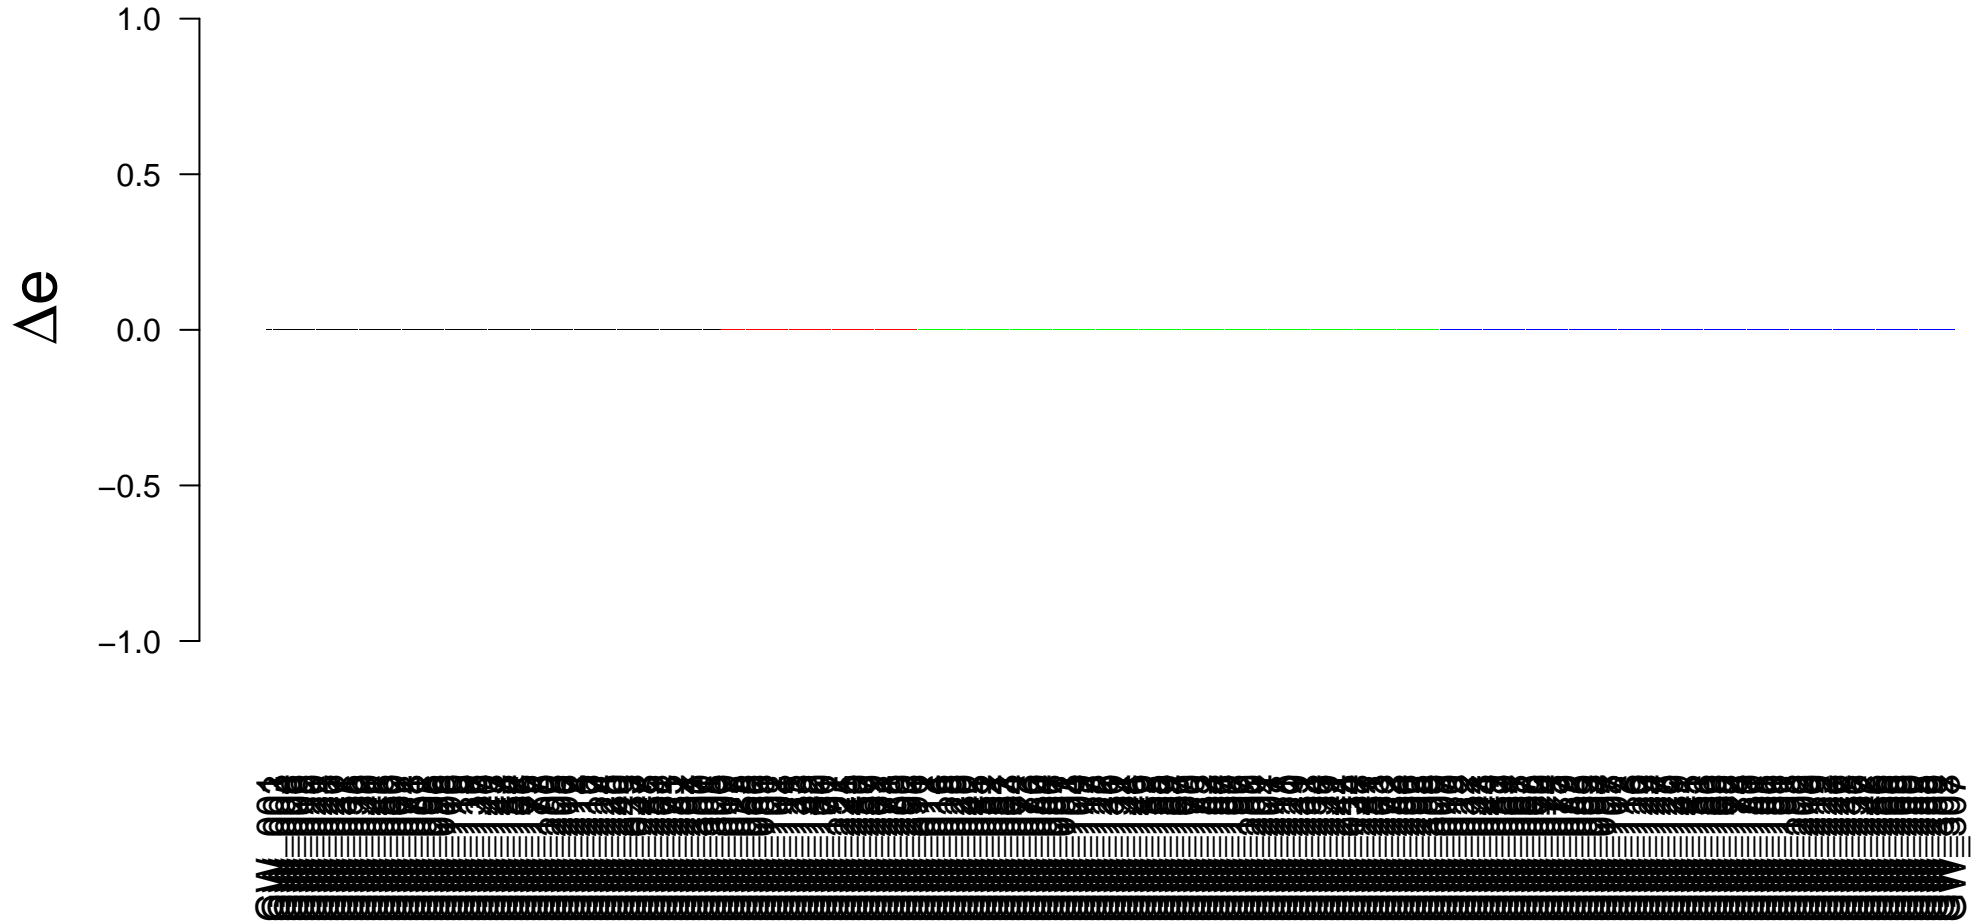

# Enrichment in spots: negative regulation of Rho protein signal transduction

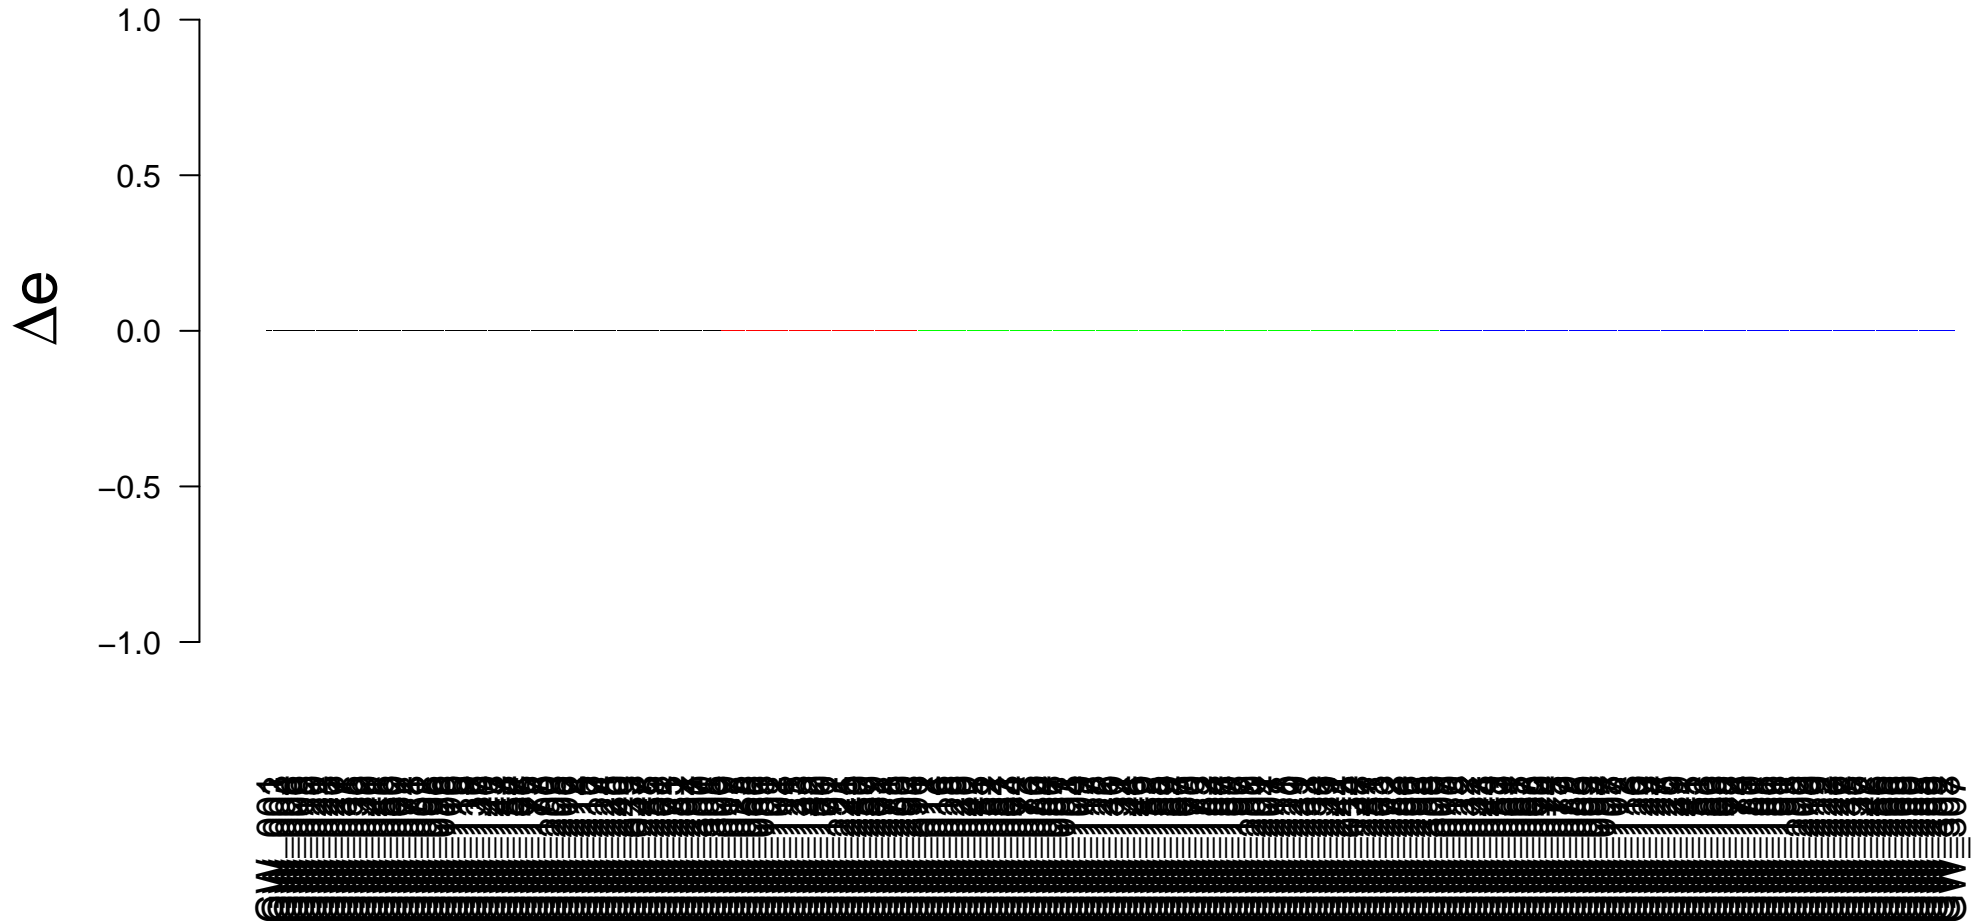

# Expression of negative regulation of Rho protein signal transduction in Spot A

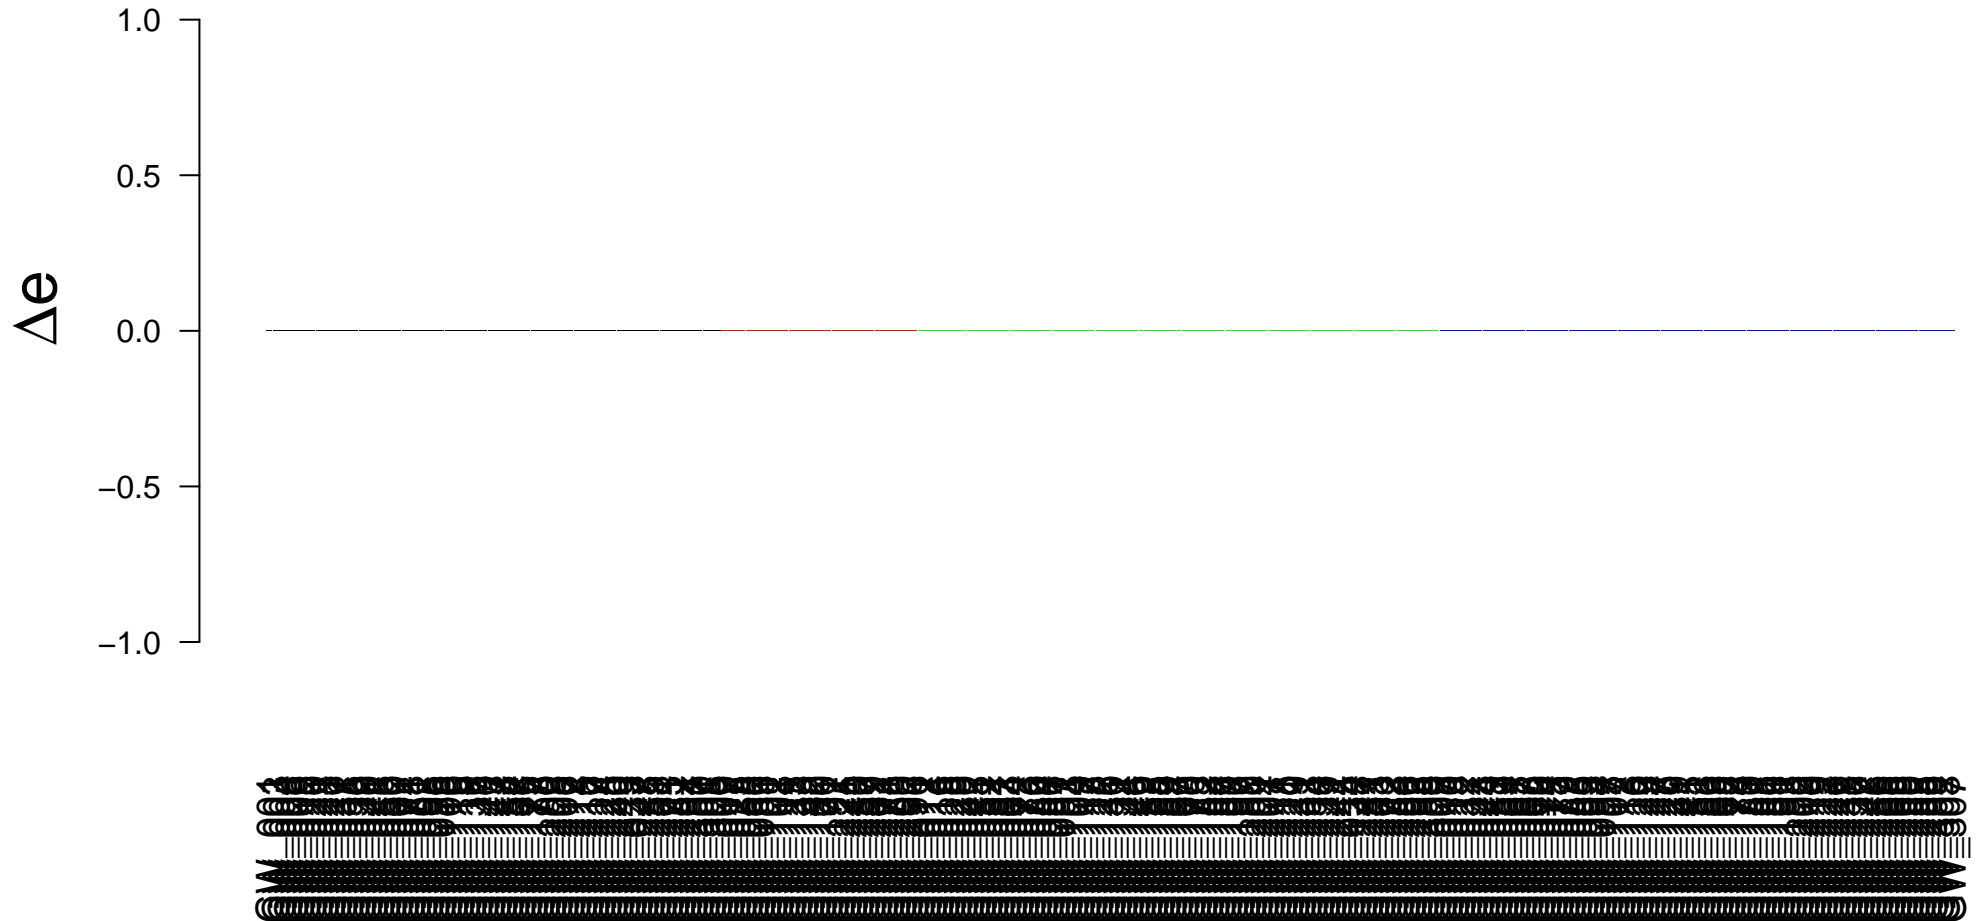

# Expression of negative regulation of Rho protein signal transduction in Spot B

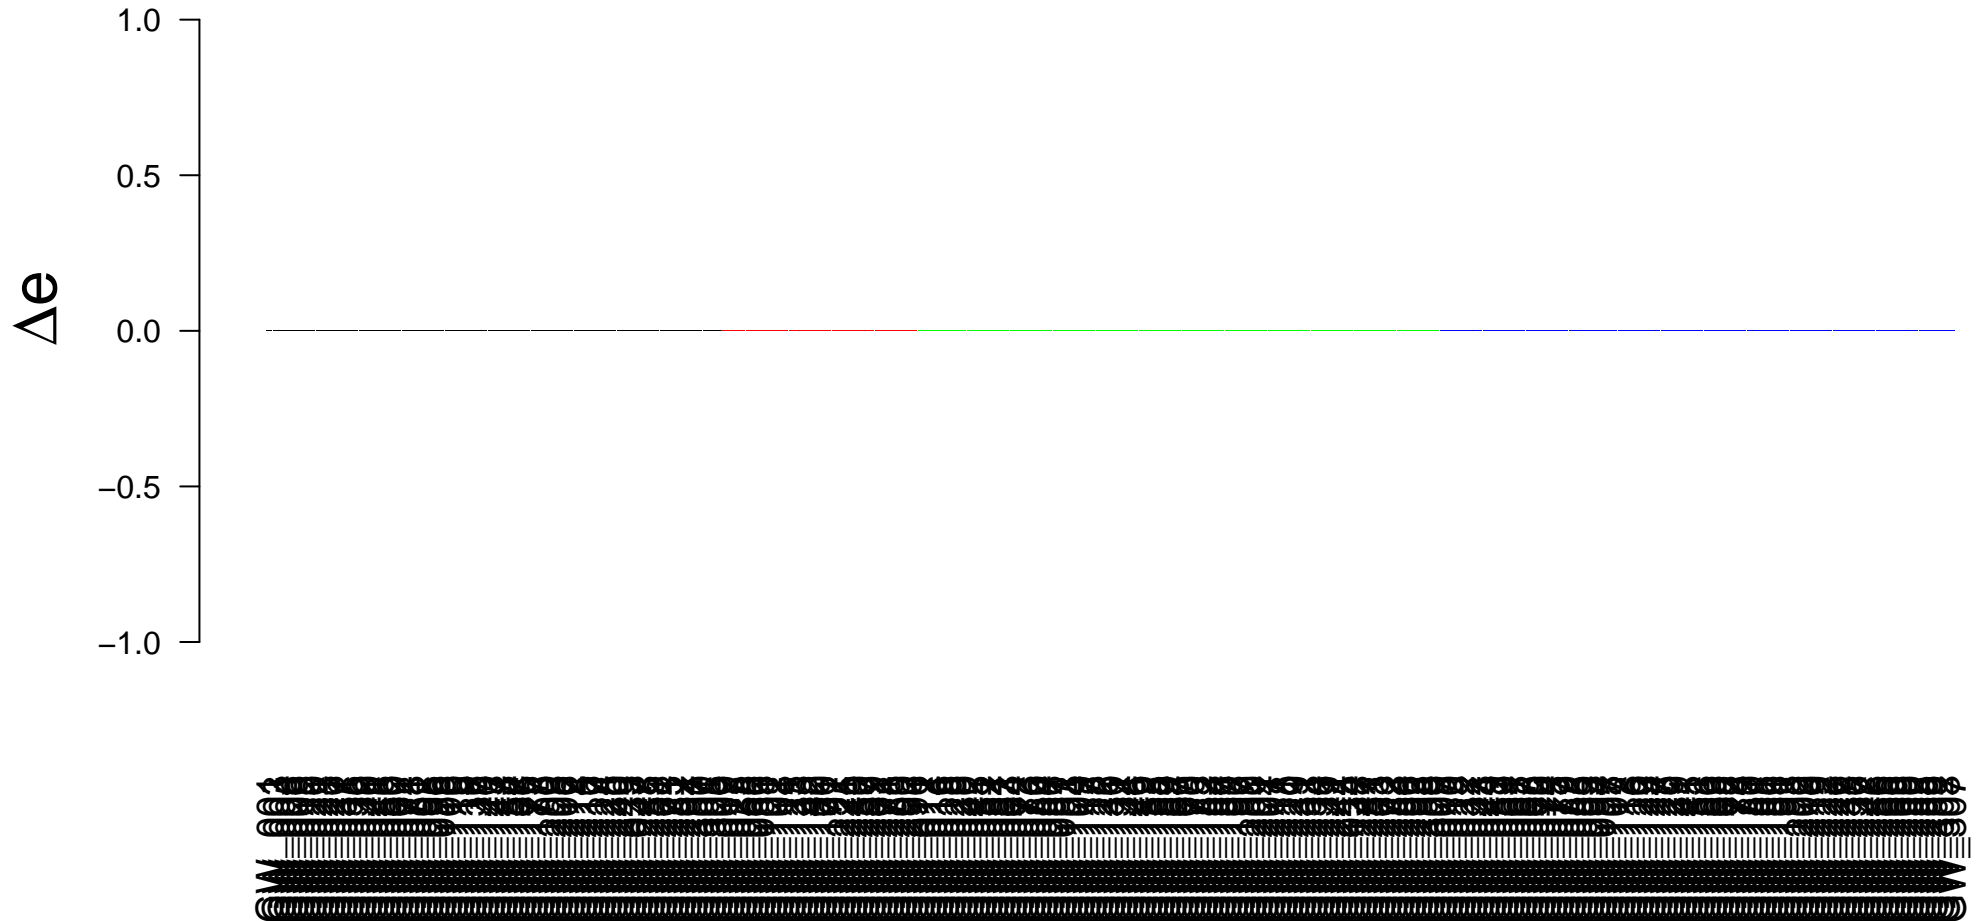

# Expression of negative regulation of Rho protein signal transduction in Spot C

# Expression of negative regulation of Rho protein signal transduction in Spot D

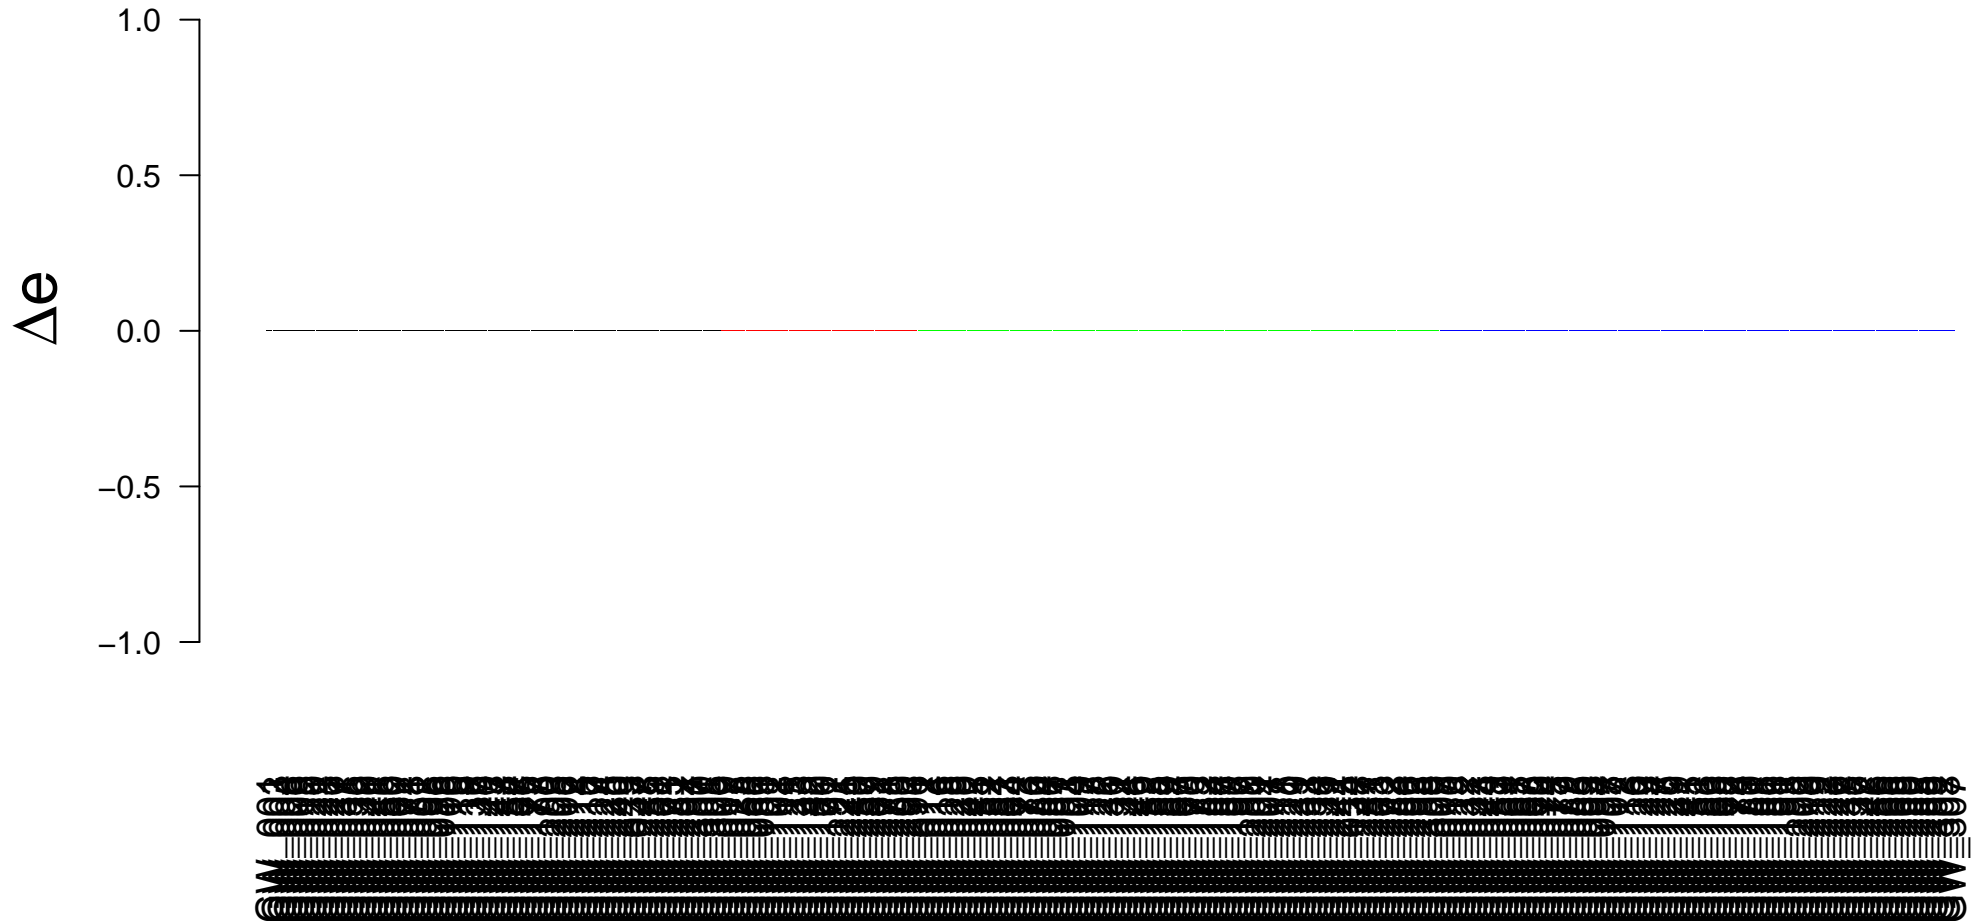

# Expression of negative regulation of Rho protein signal transduction in Spot E

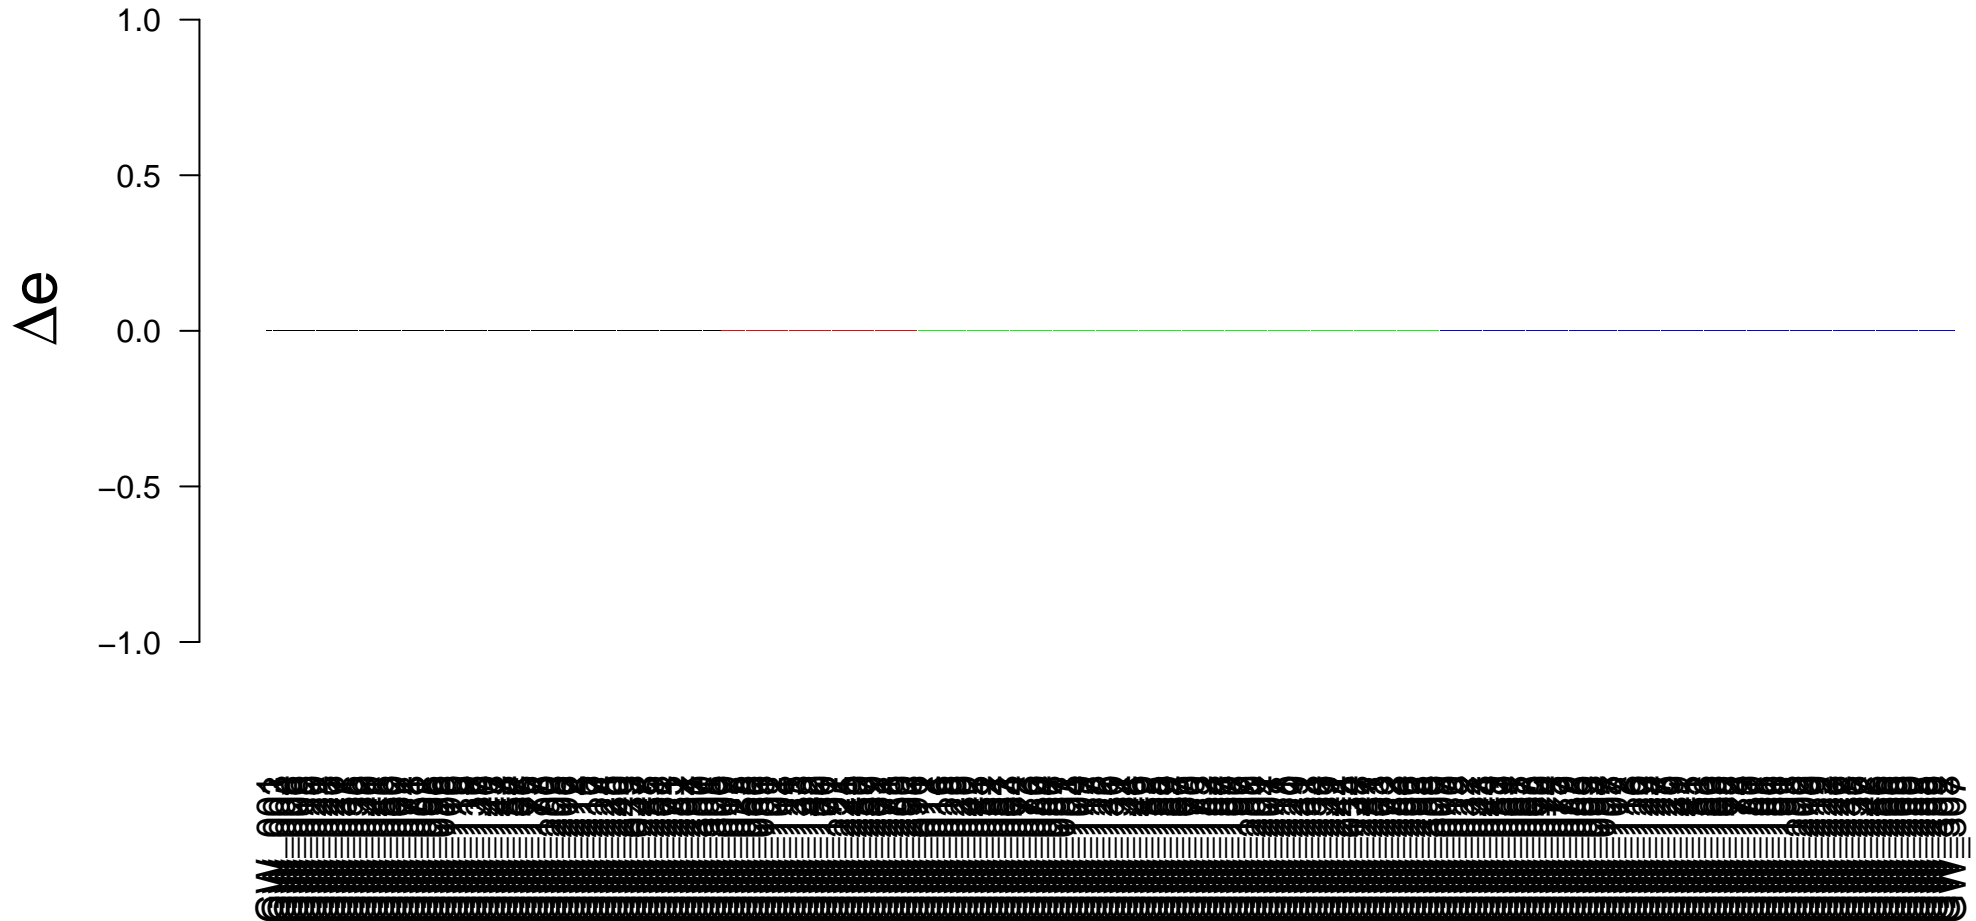

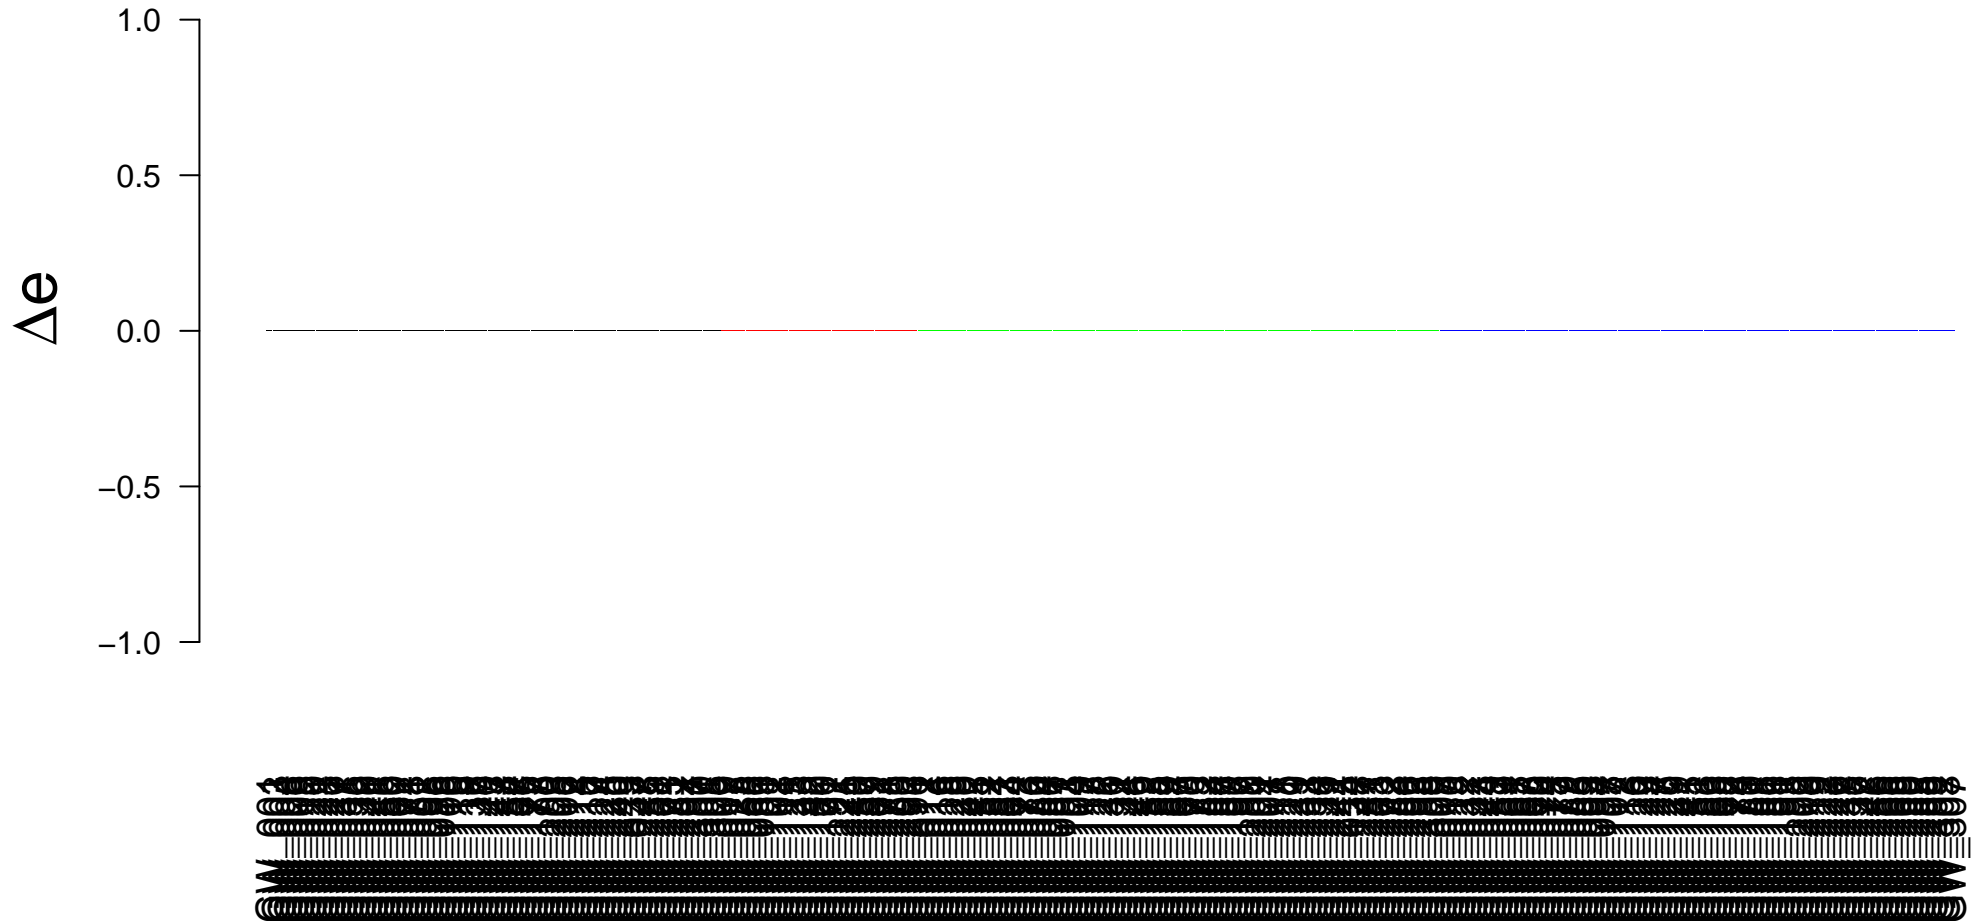

# Expression of negative regulation of Rho protein signal transduction in Spot F

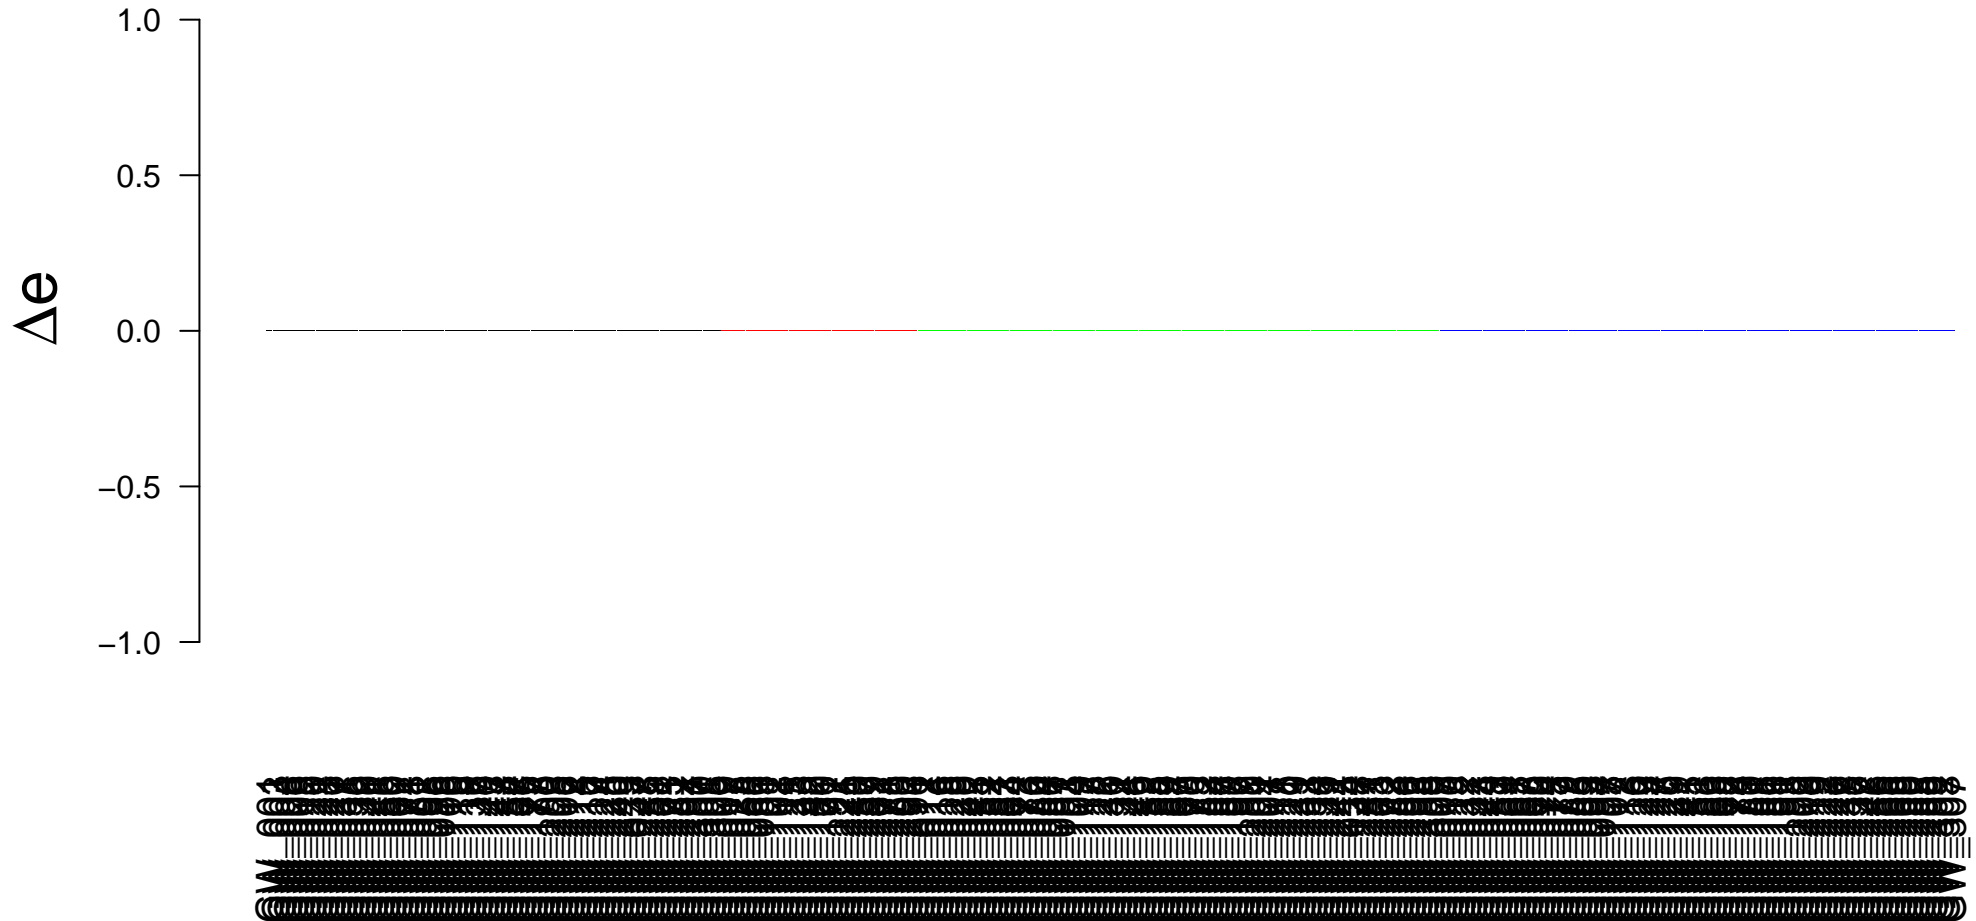

# Expression of negative regulation of Rho protein signal transduction in Spot G

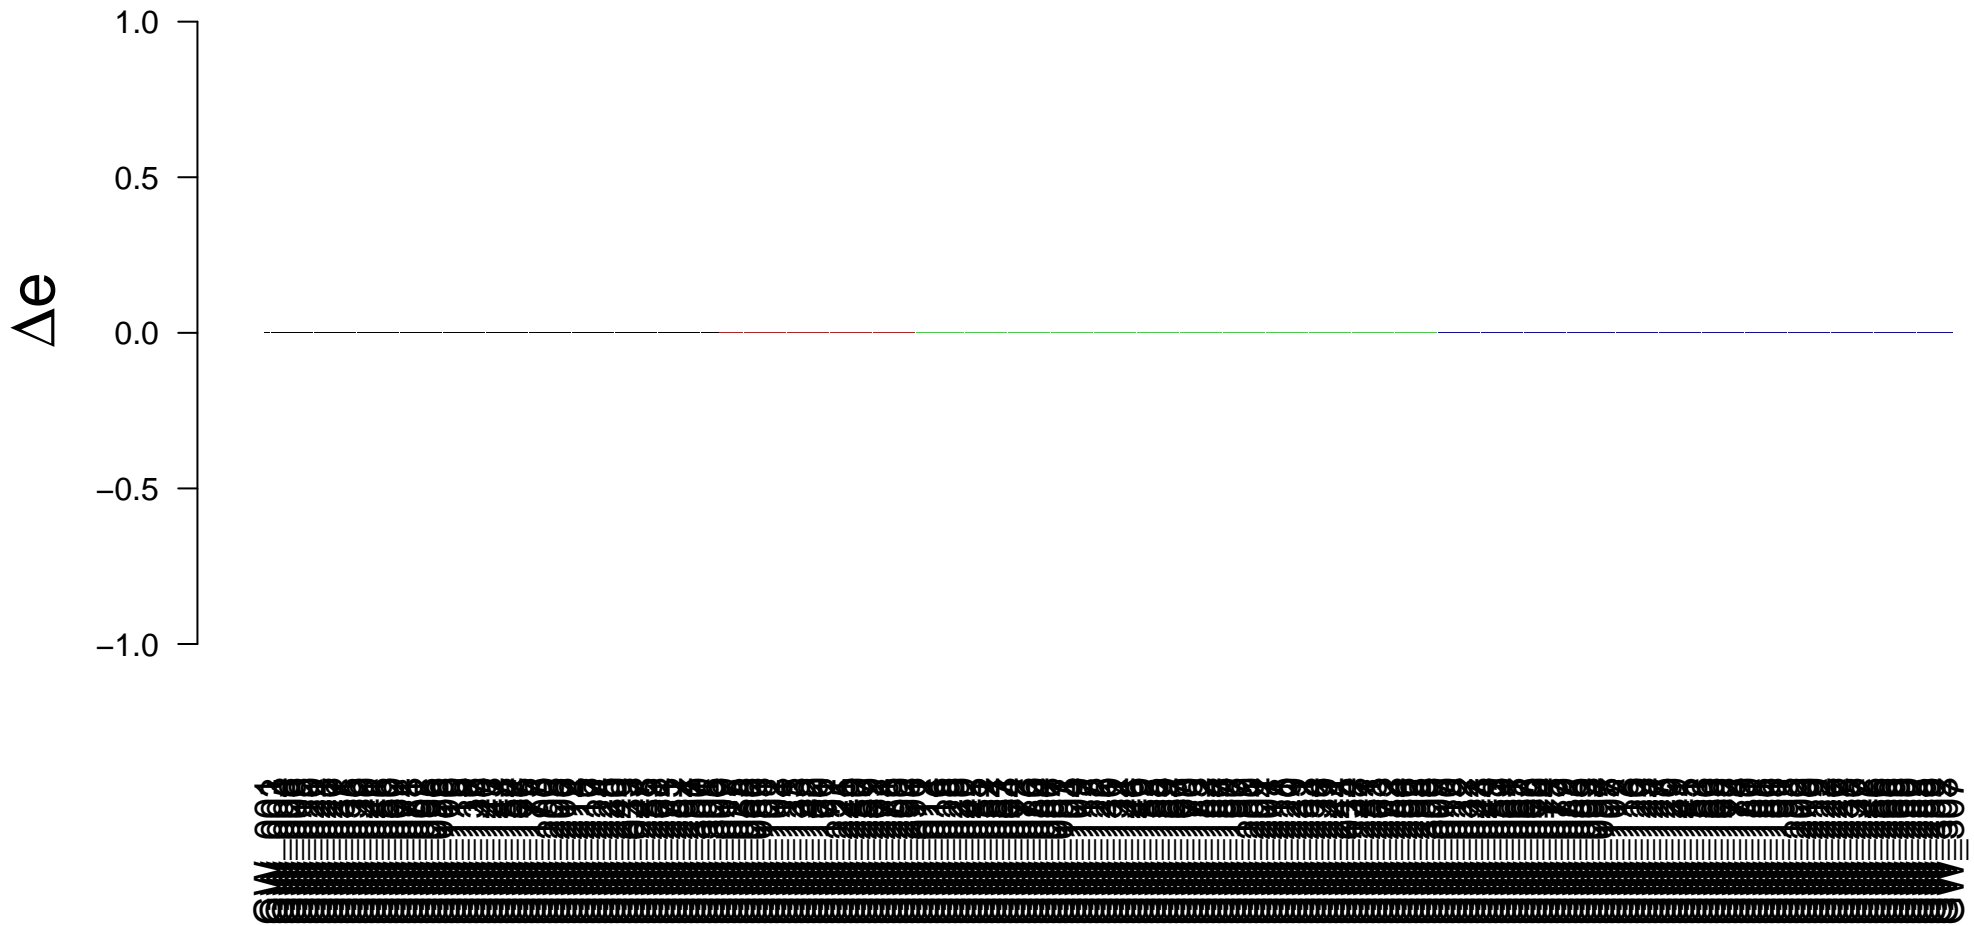

# Expression of negative regulation of Rho protein signal transduction in Spot H

# Expression of negative regulation of Rho protein signal transduction in Spot I

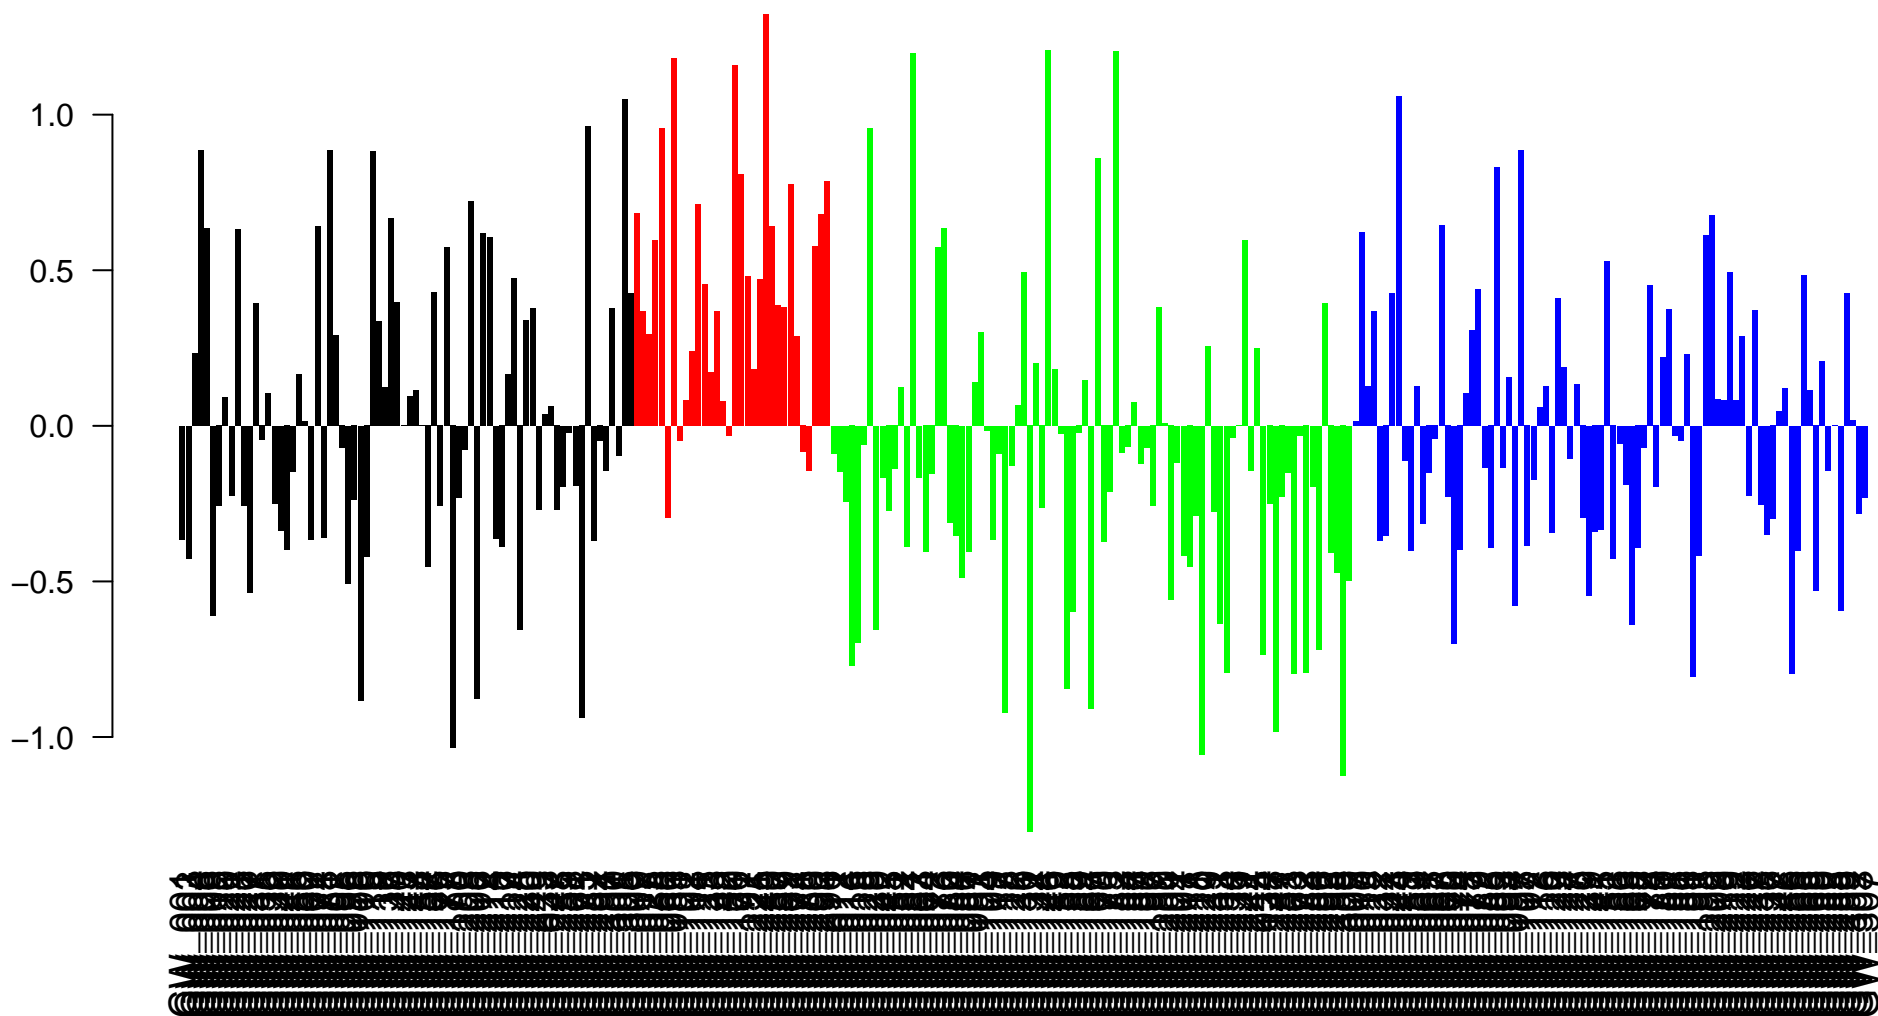

# Expression of negative regulation of Rho protein signal transduction in Spot J

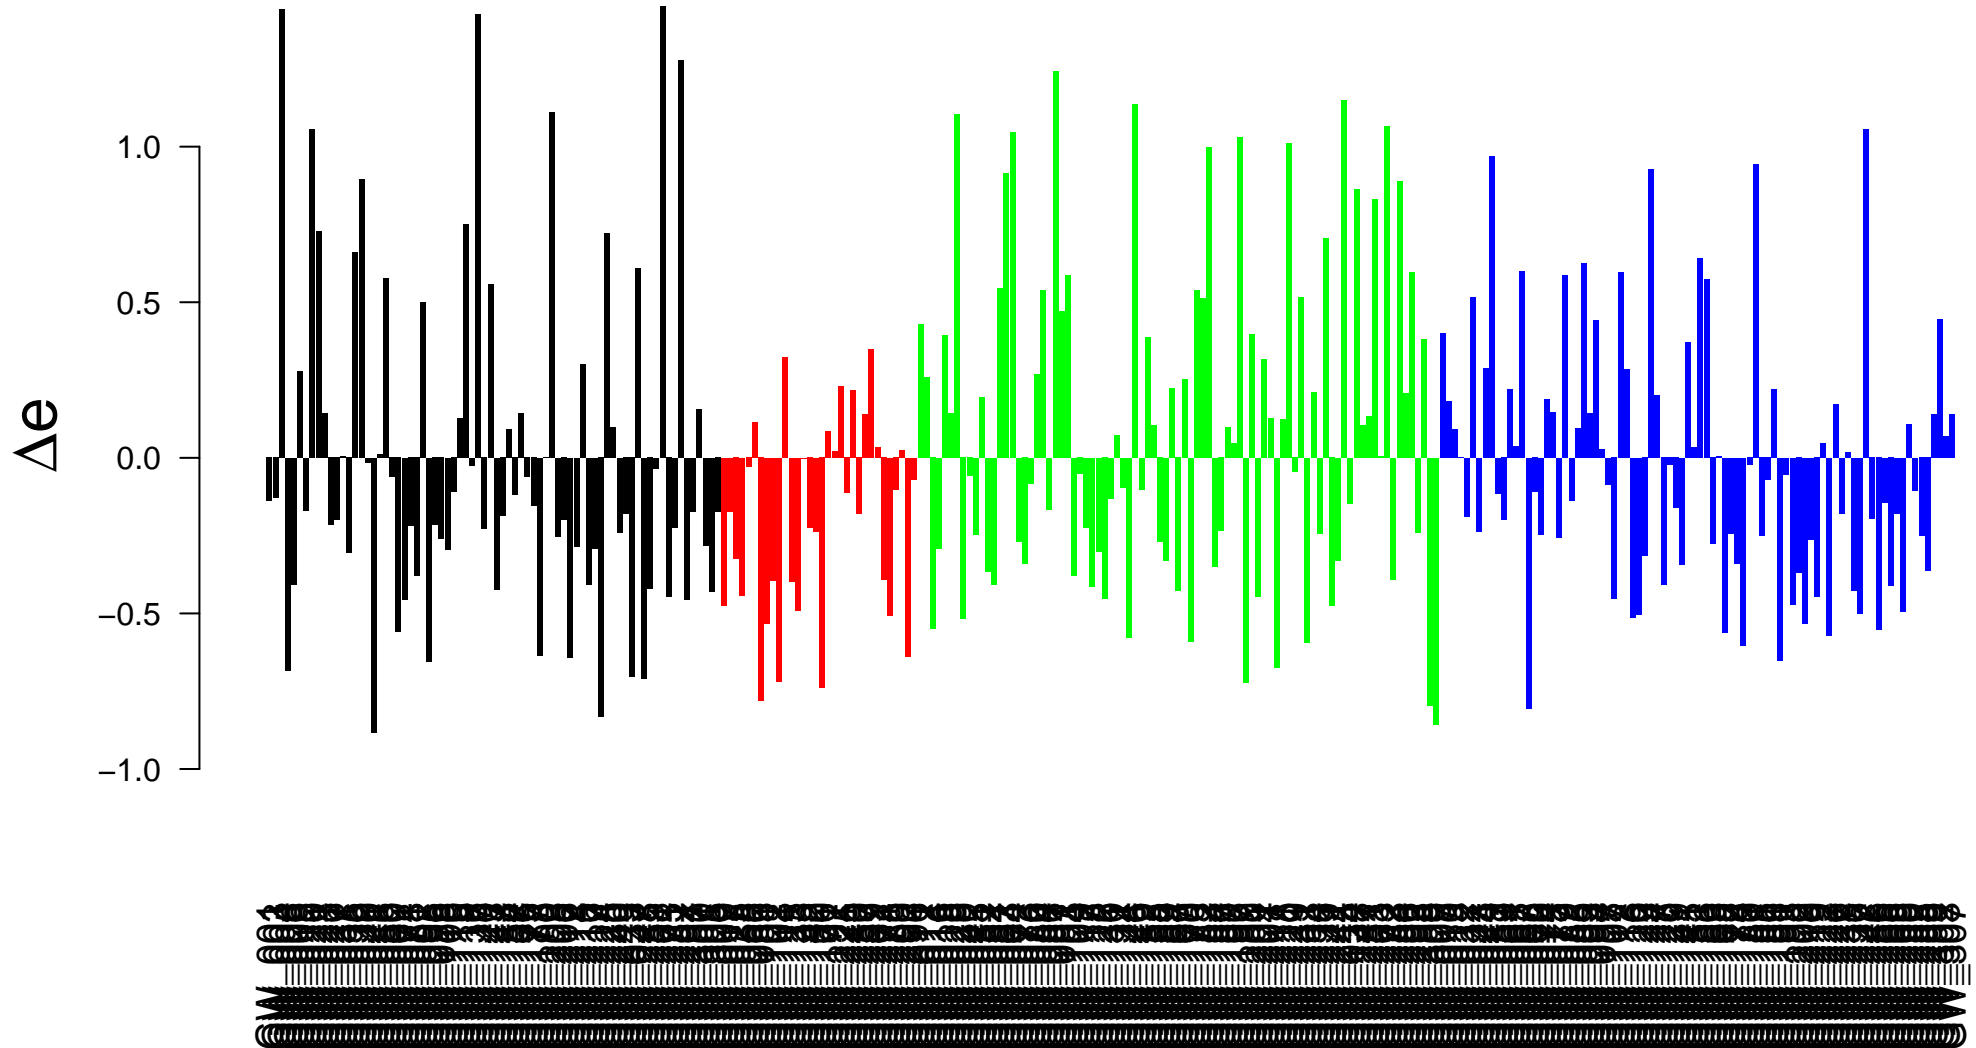

# Expression of negative regulation of Rho protein signal transduction in Spot K

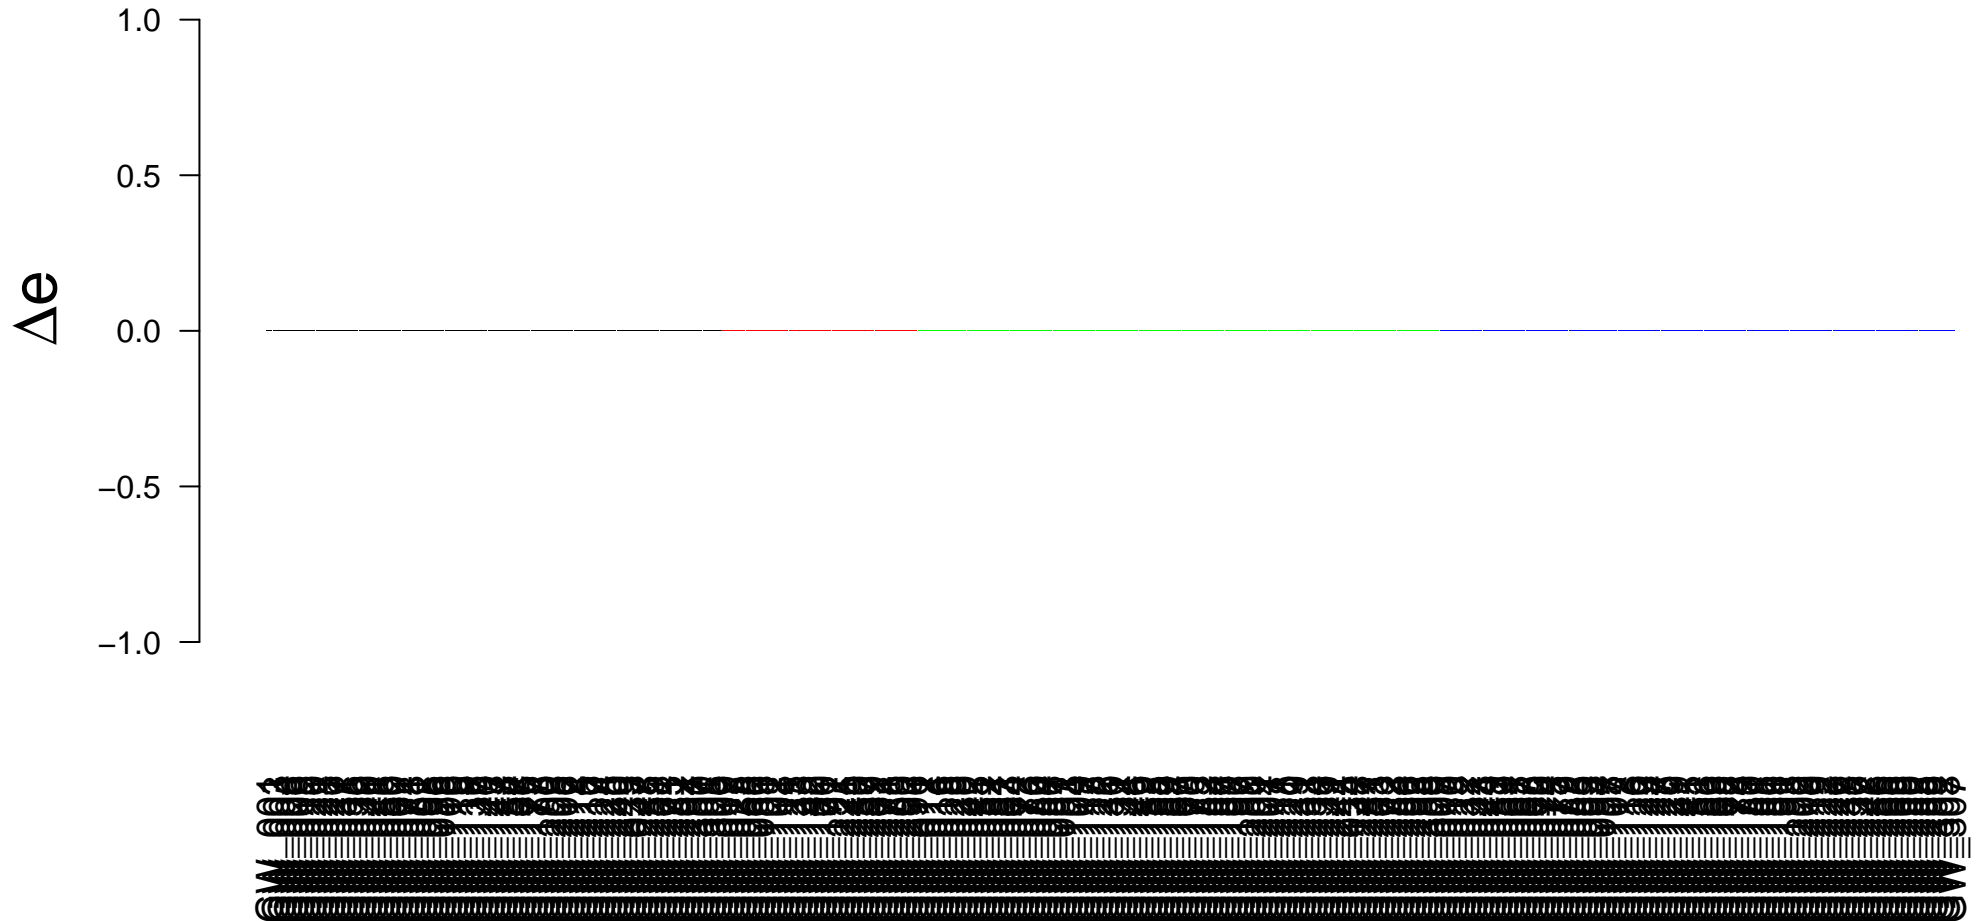

$\Delta e$

# Expression of negative regulation of Rho protein signal transduction in Spot L

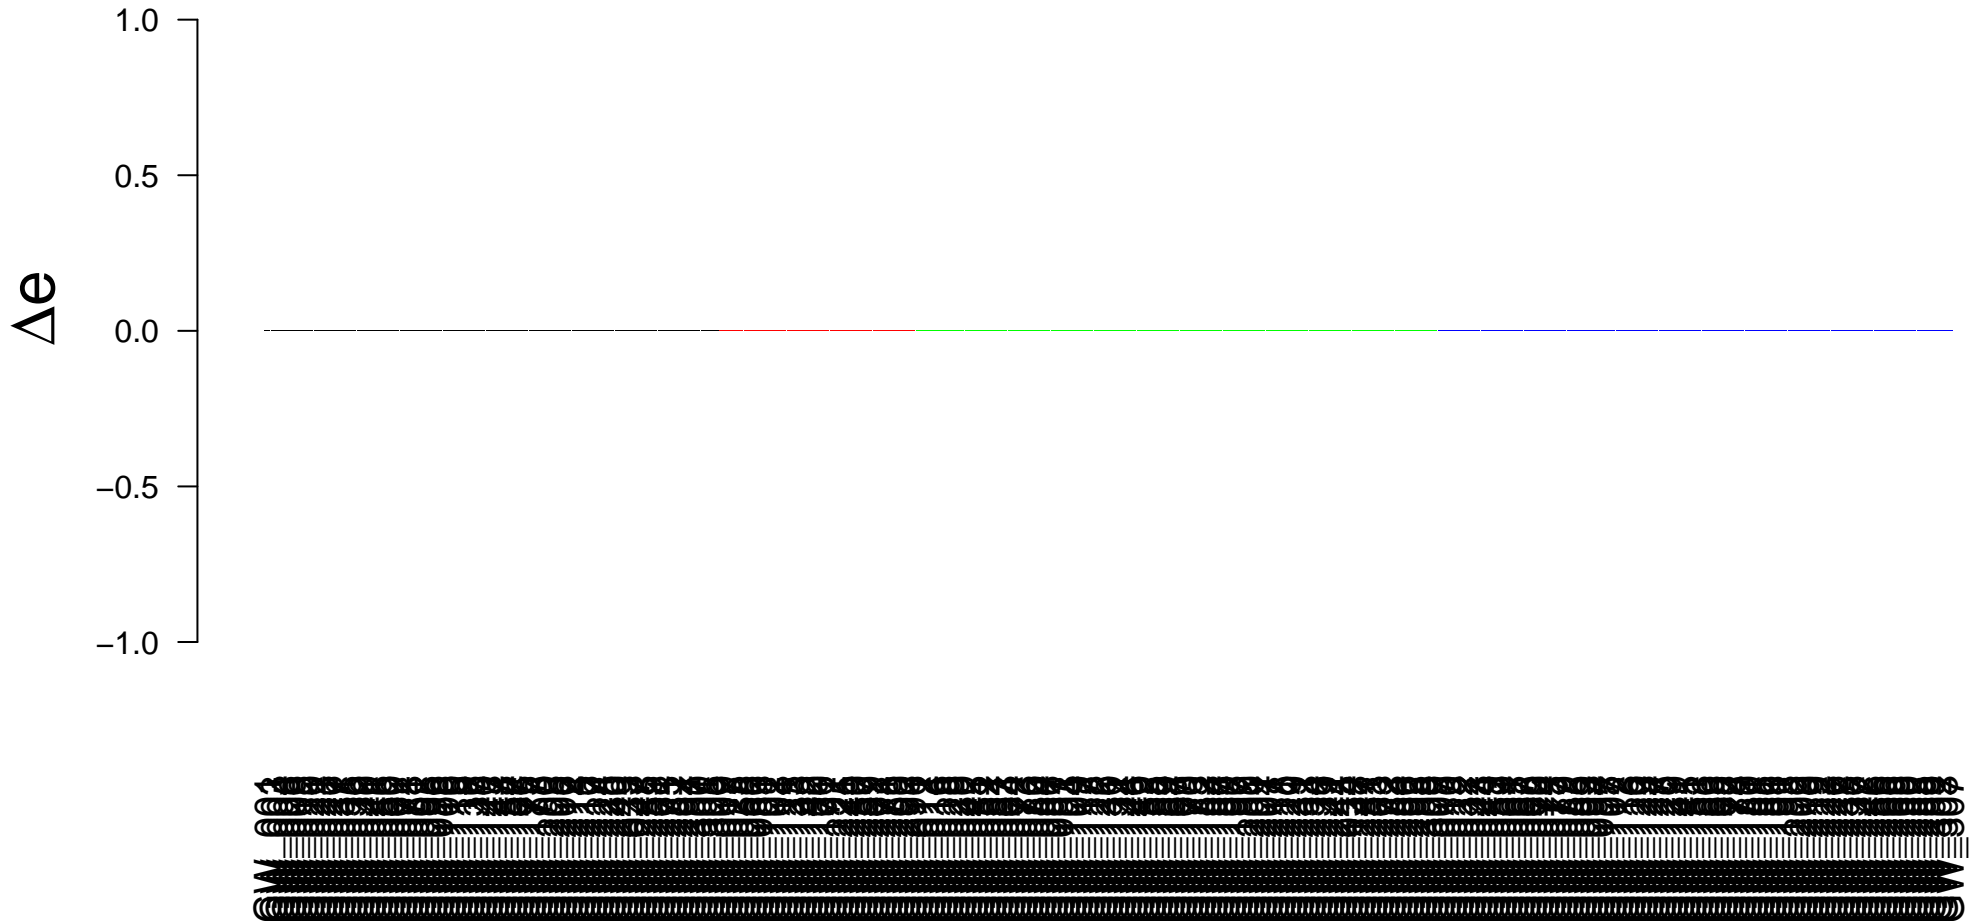

# Expression of negative regulation of Rho protein signal transduction in Spot M

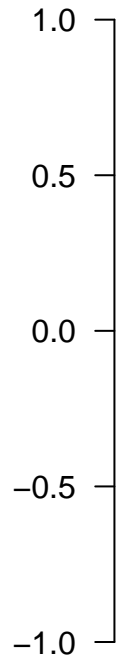

# Expression of negative regulation of Rho protein signal transduction in Spot N

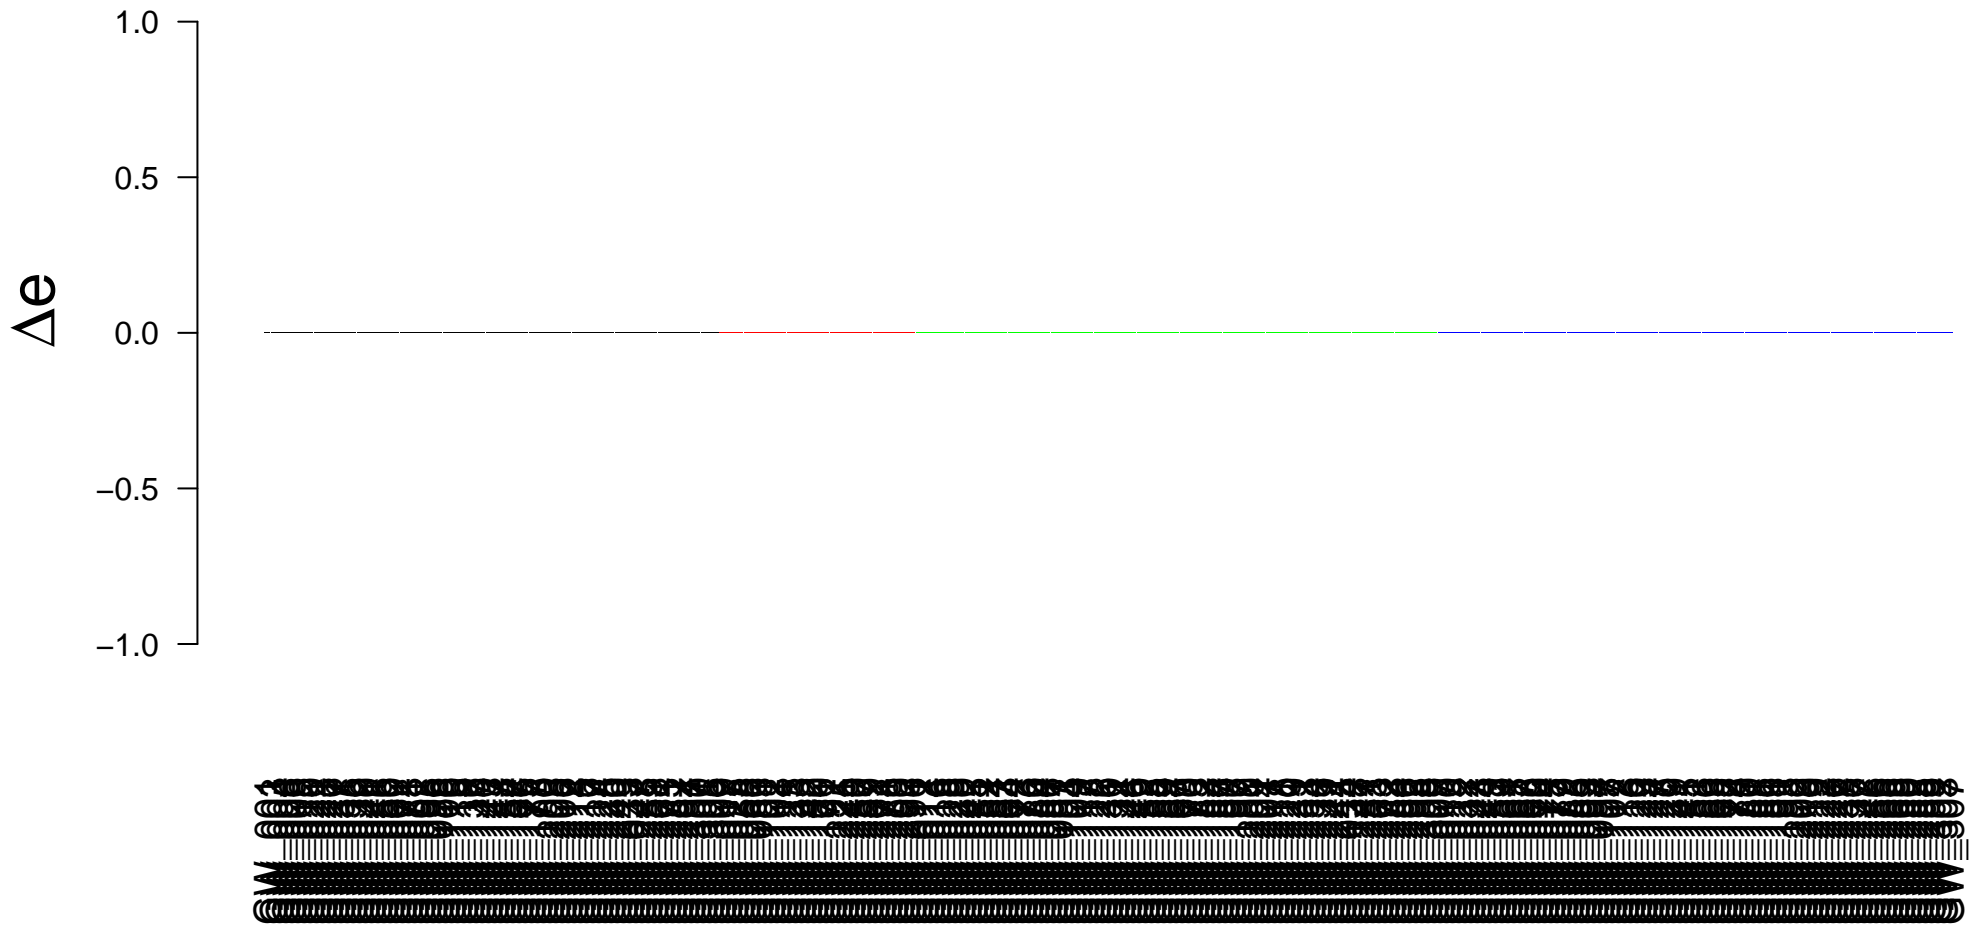

# Expression of negative regulation of Rho protein signal transduction in Spot O

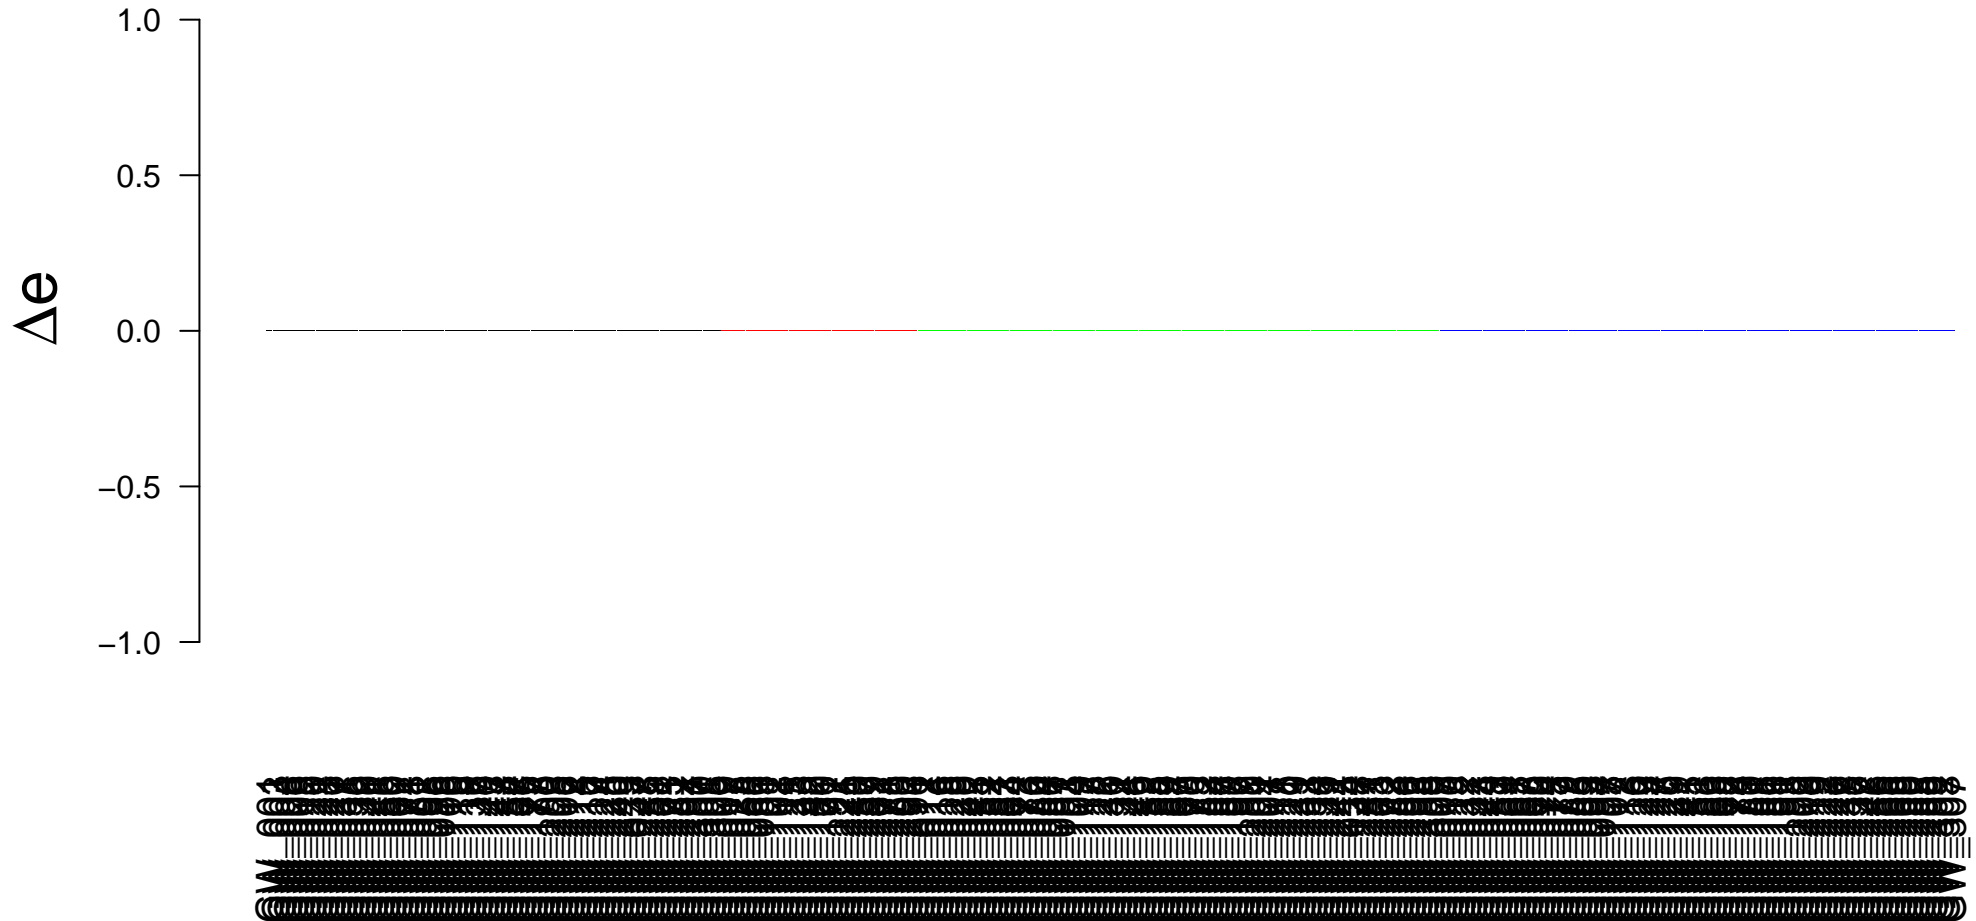

$\Delta e$

# Expression of negative regulation of Rho protein signal transduction in Spot P

# Expression of negative regulation of Rho protein signal transduction in Spot Q

# Expression of negative regulation of Rho protein signal transduction in Spot R
