

negative regulation of TOR signaling

negative regulation of TOR signaling

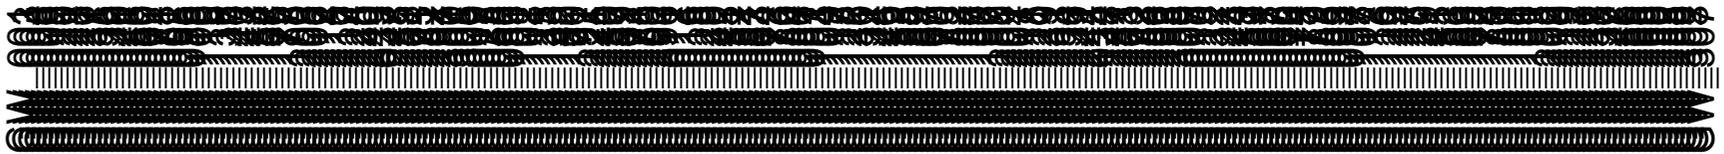

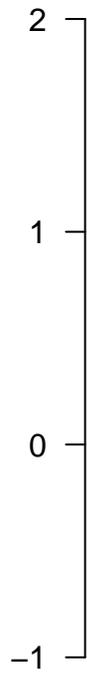

Enrichment in spots: negative regulation of TOR signaling

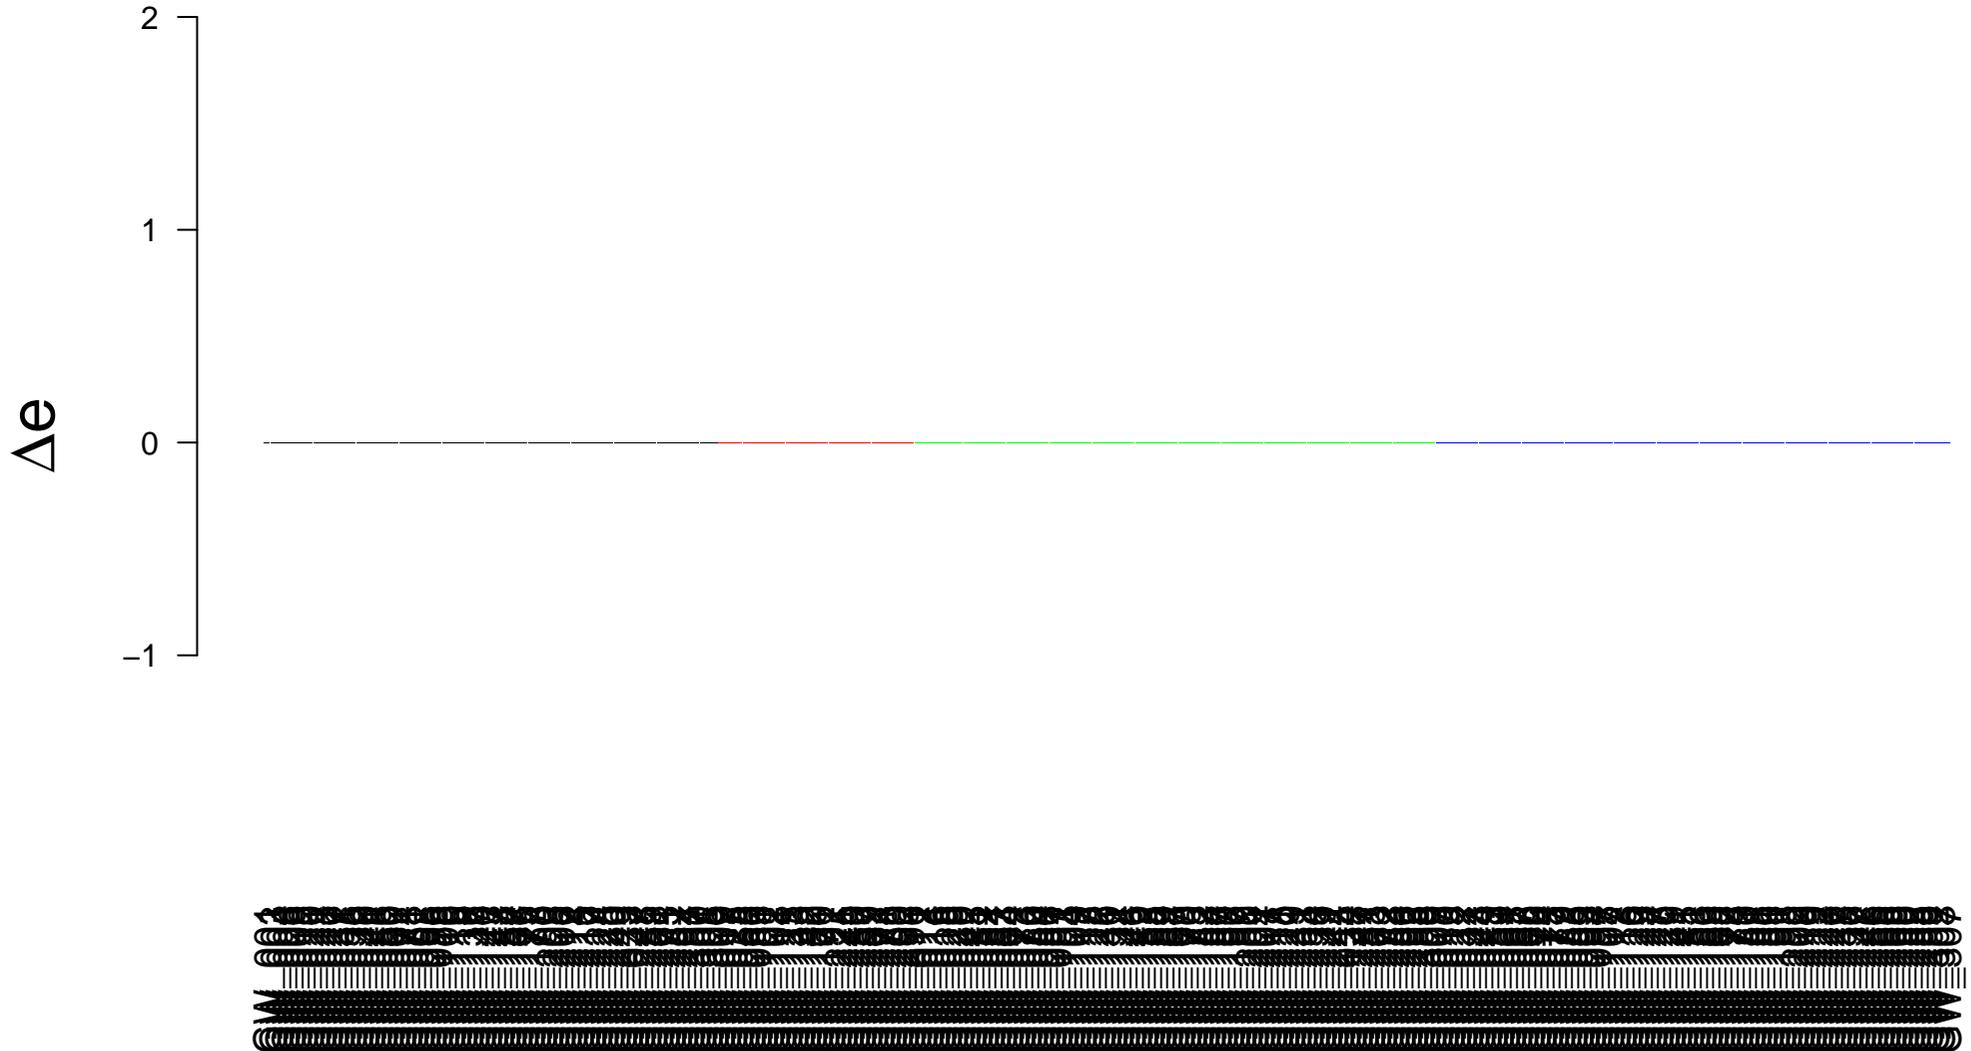

Expression of negative regulation of TOR signaling in Spot A

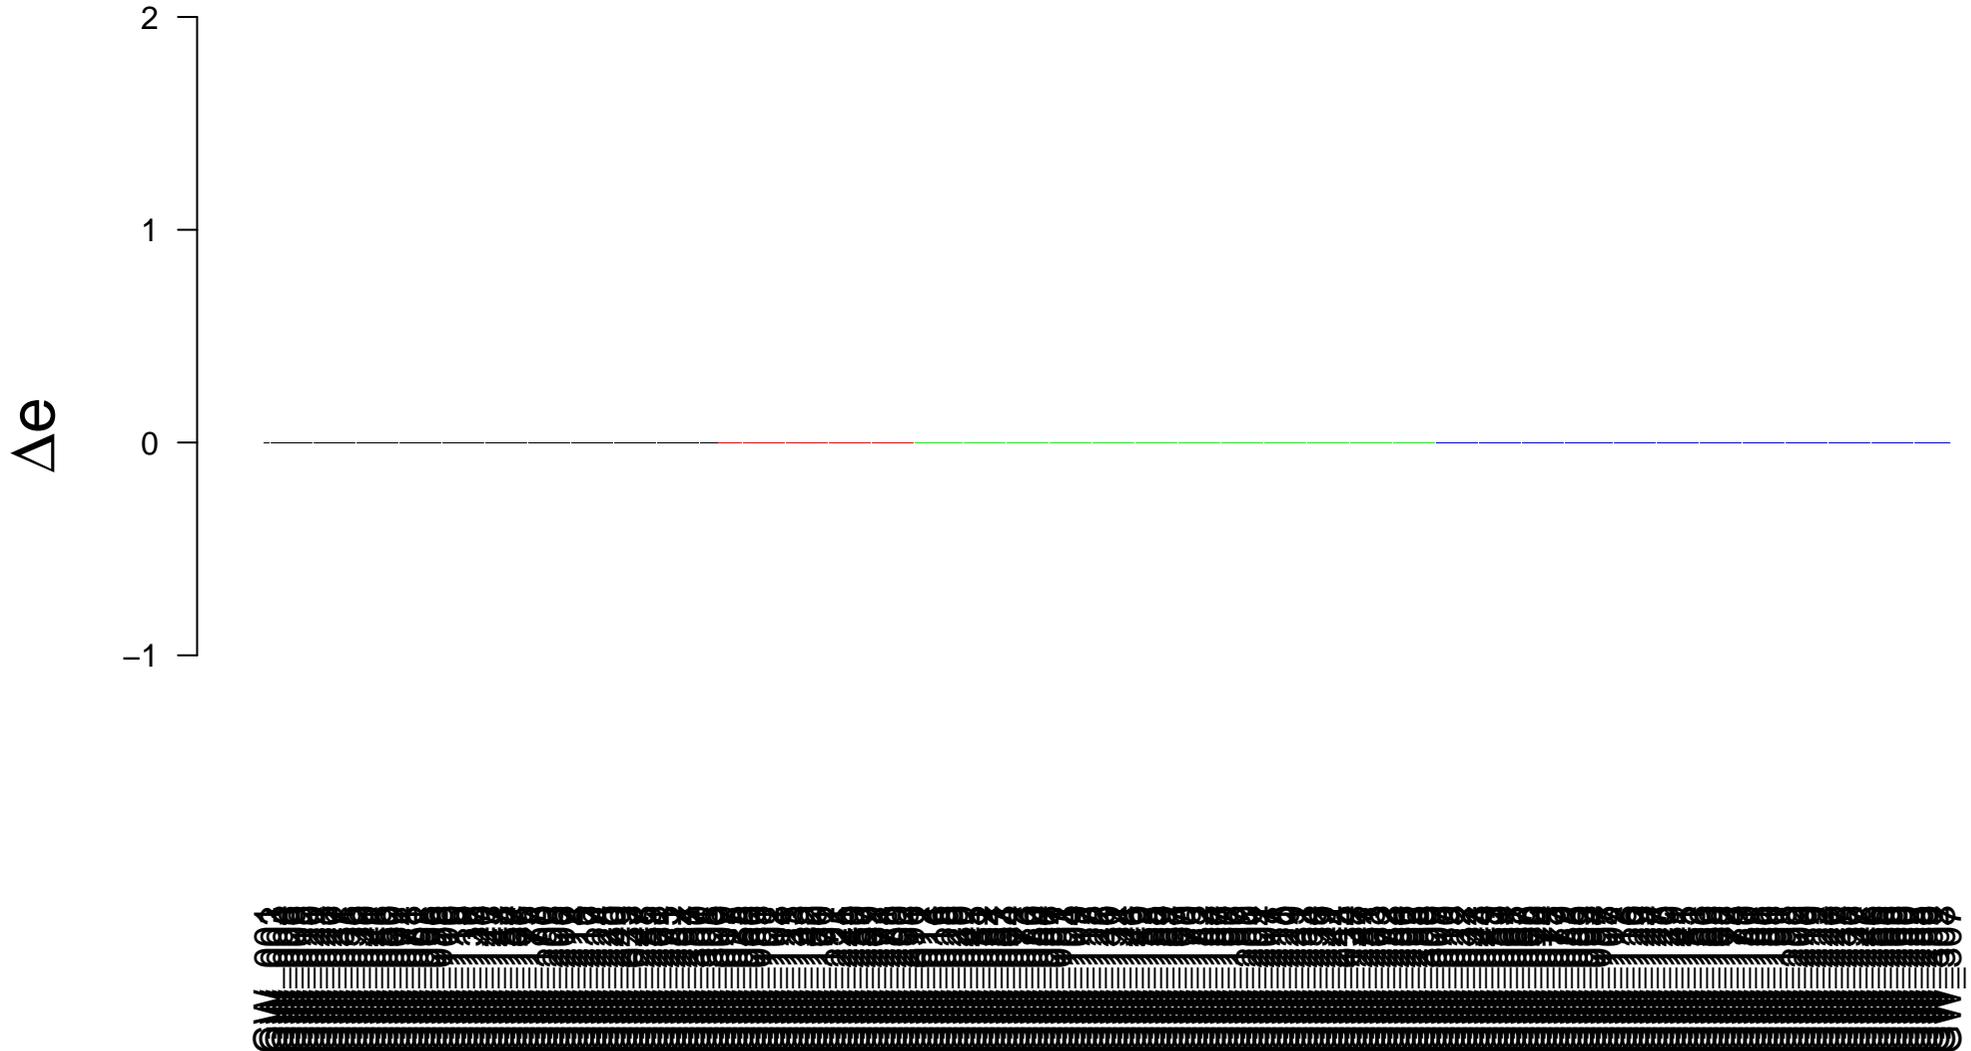

Δe

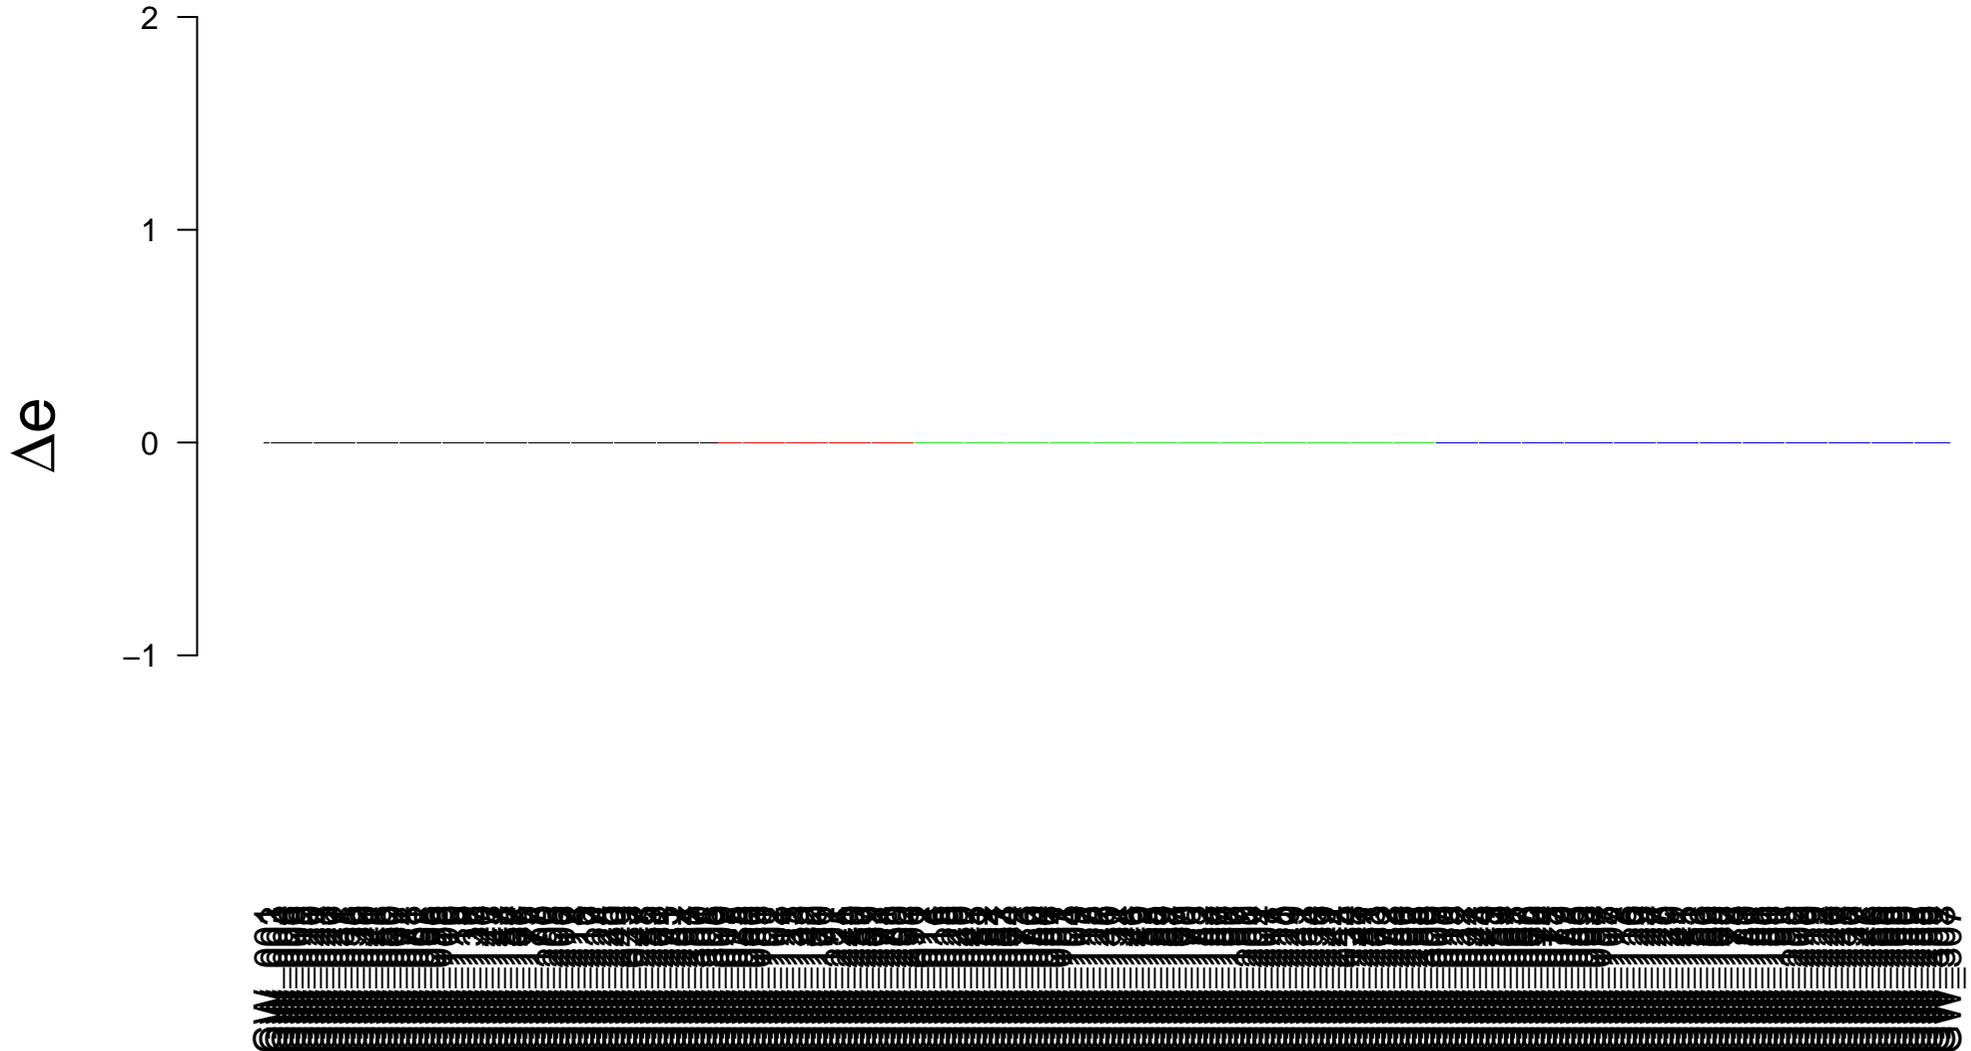

Expression of negative regulation of TOR signaling in Spot B

Expression of negative regulation of TOR signaling in Spot C

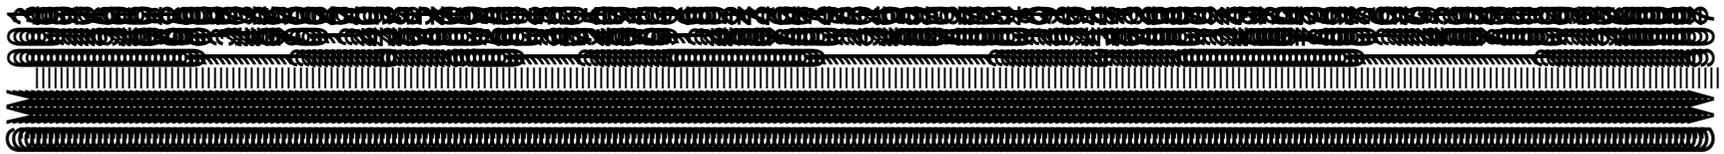

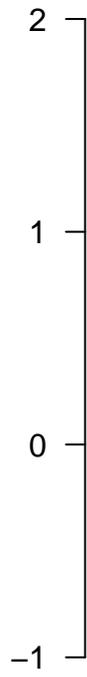

Expression of negative regulation of TOR signaling in Spot D

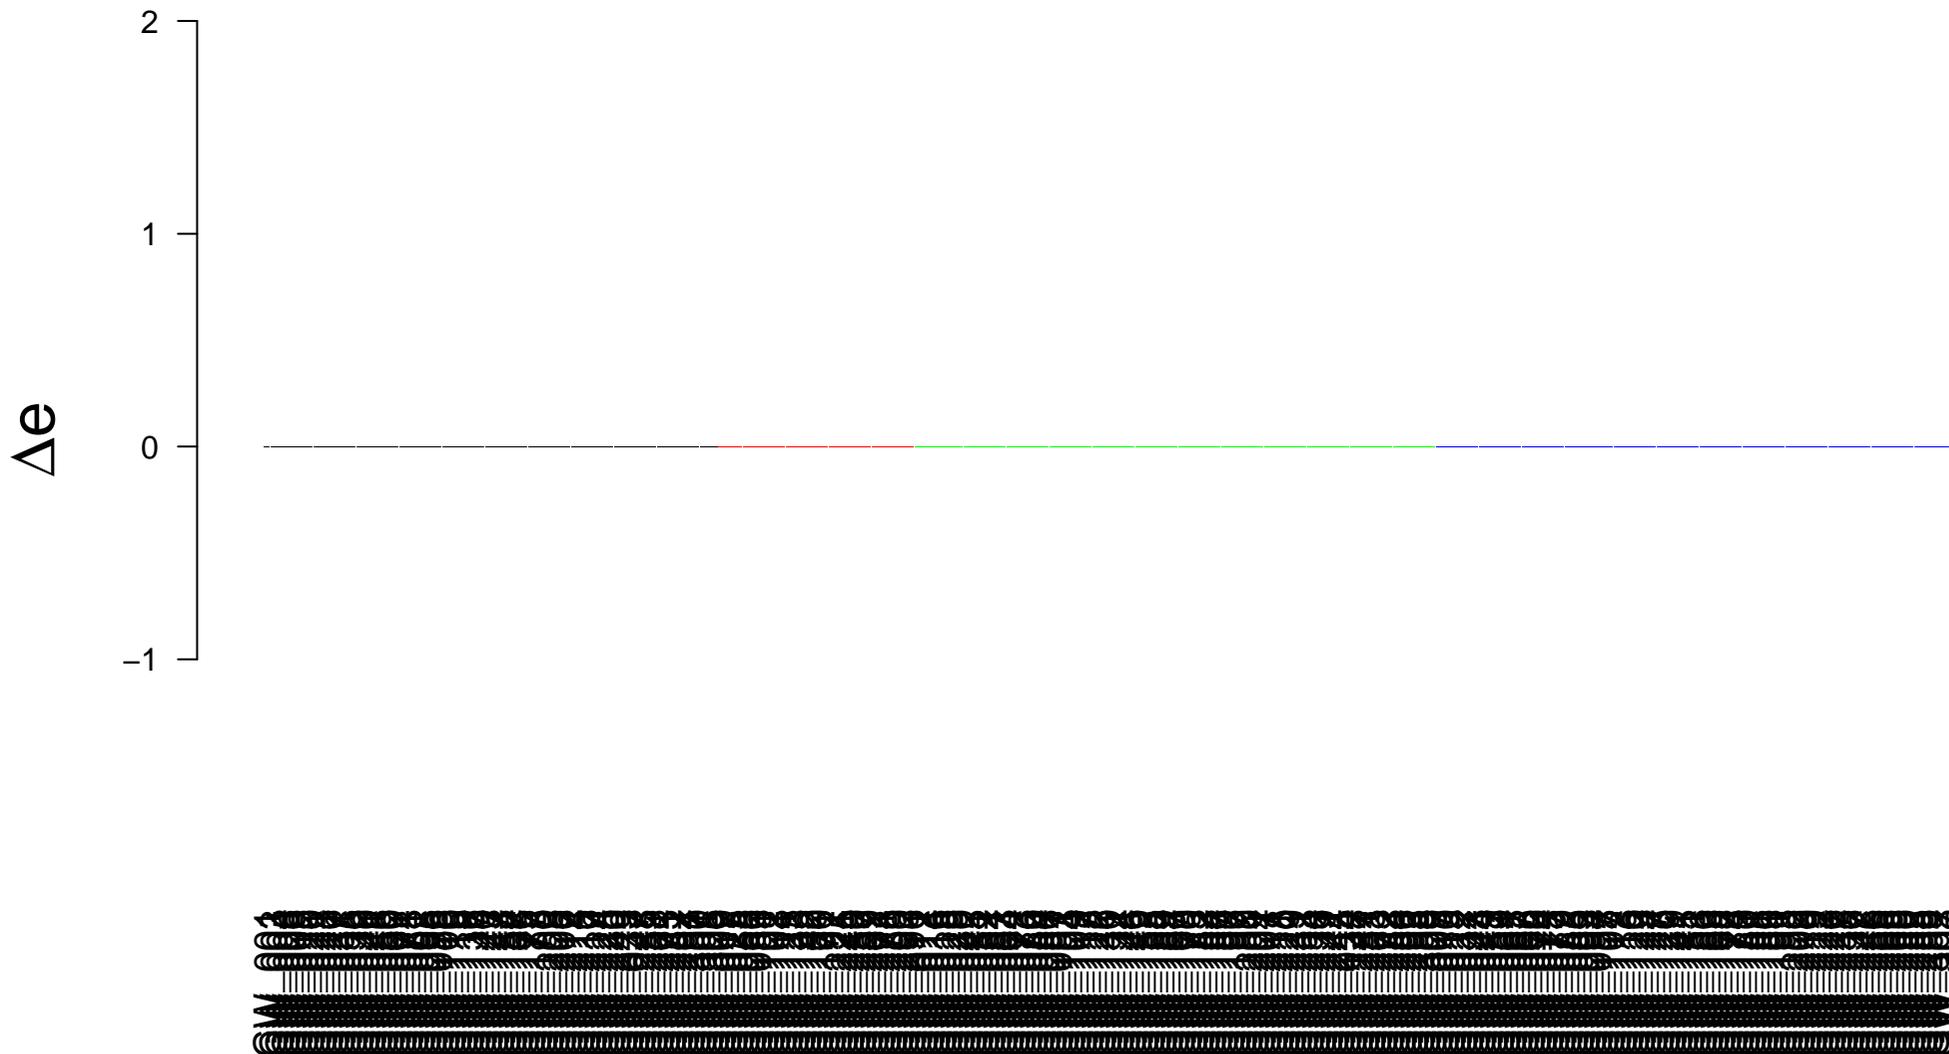

Expression of negative regulation of TOR signaling in Spot E

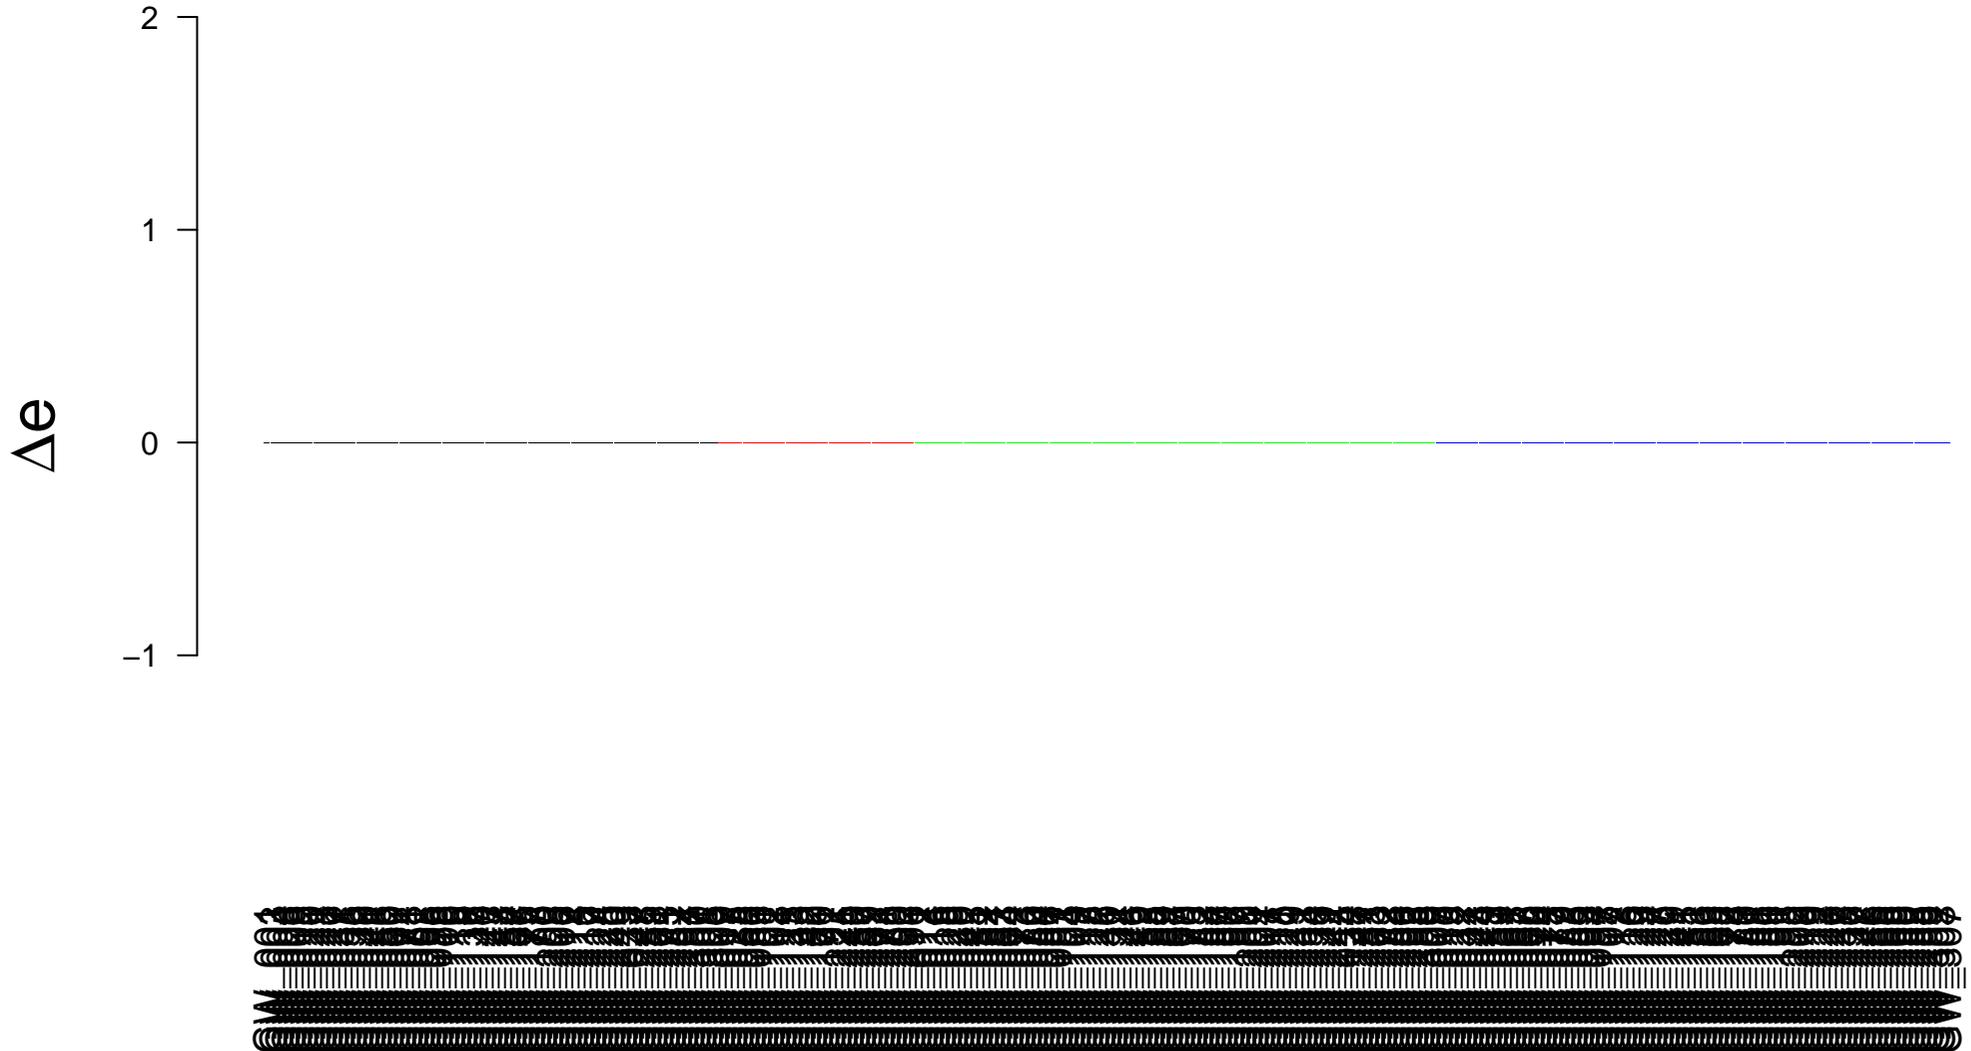

Δe

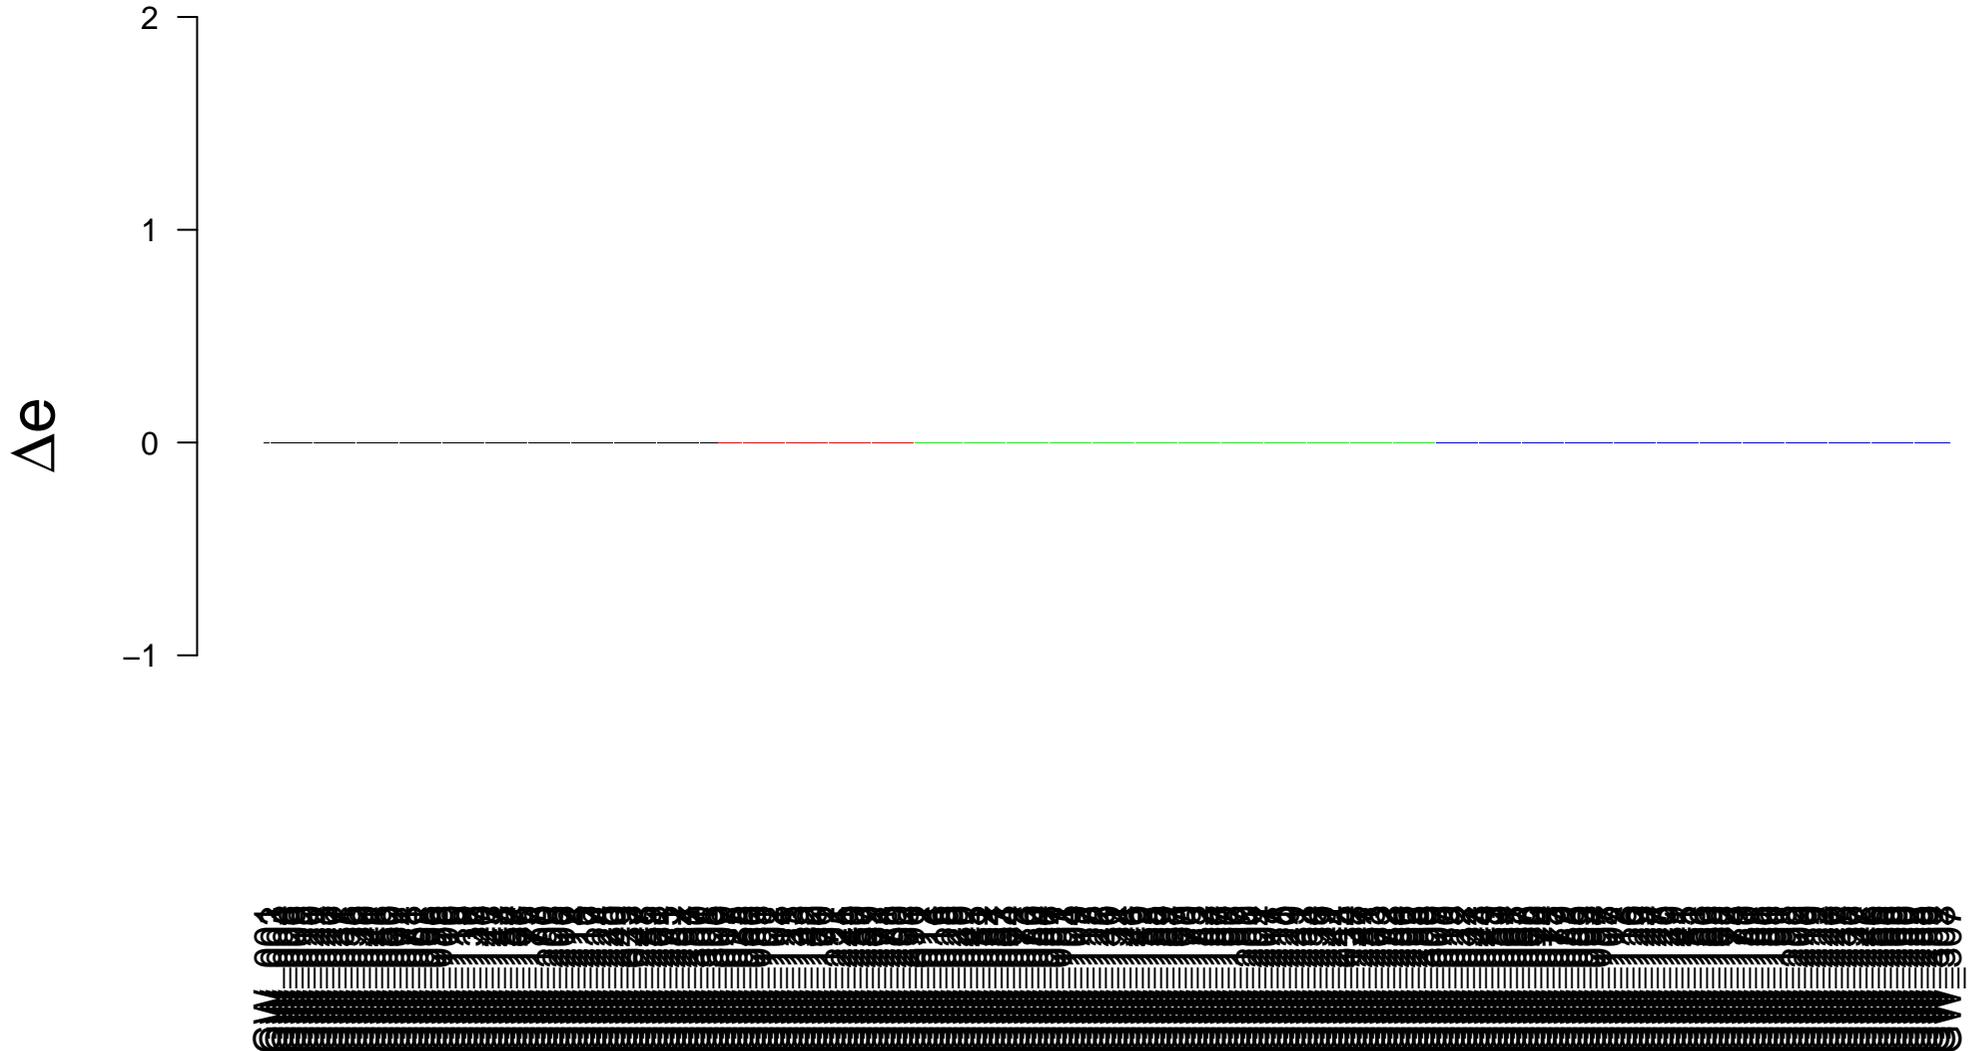

Expression of negative regulation of TOR signaling in Spot F

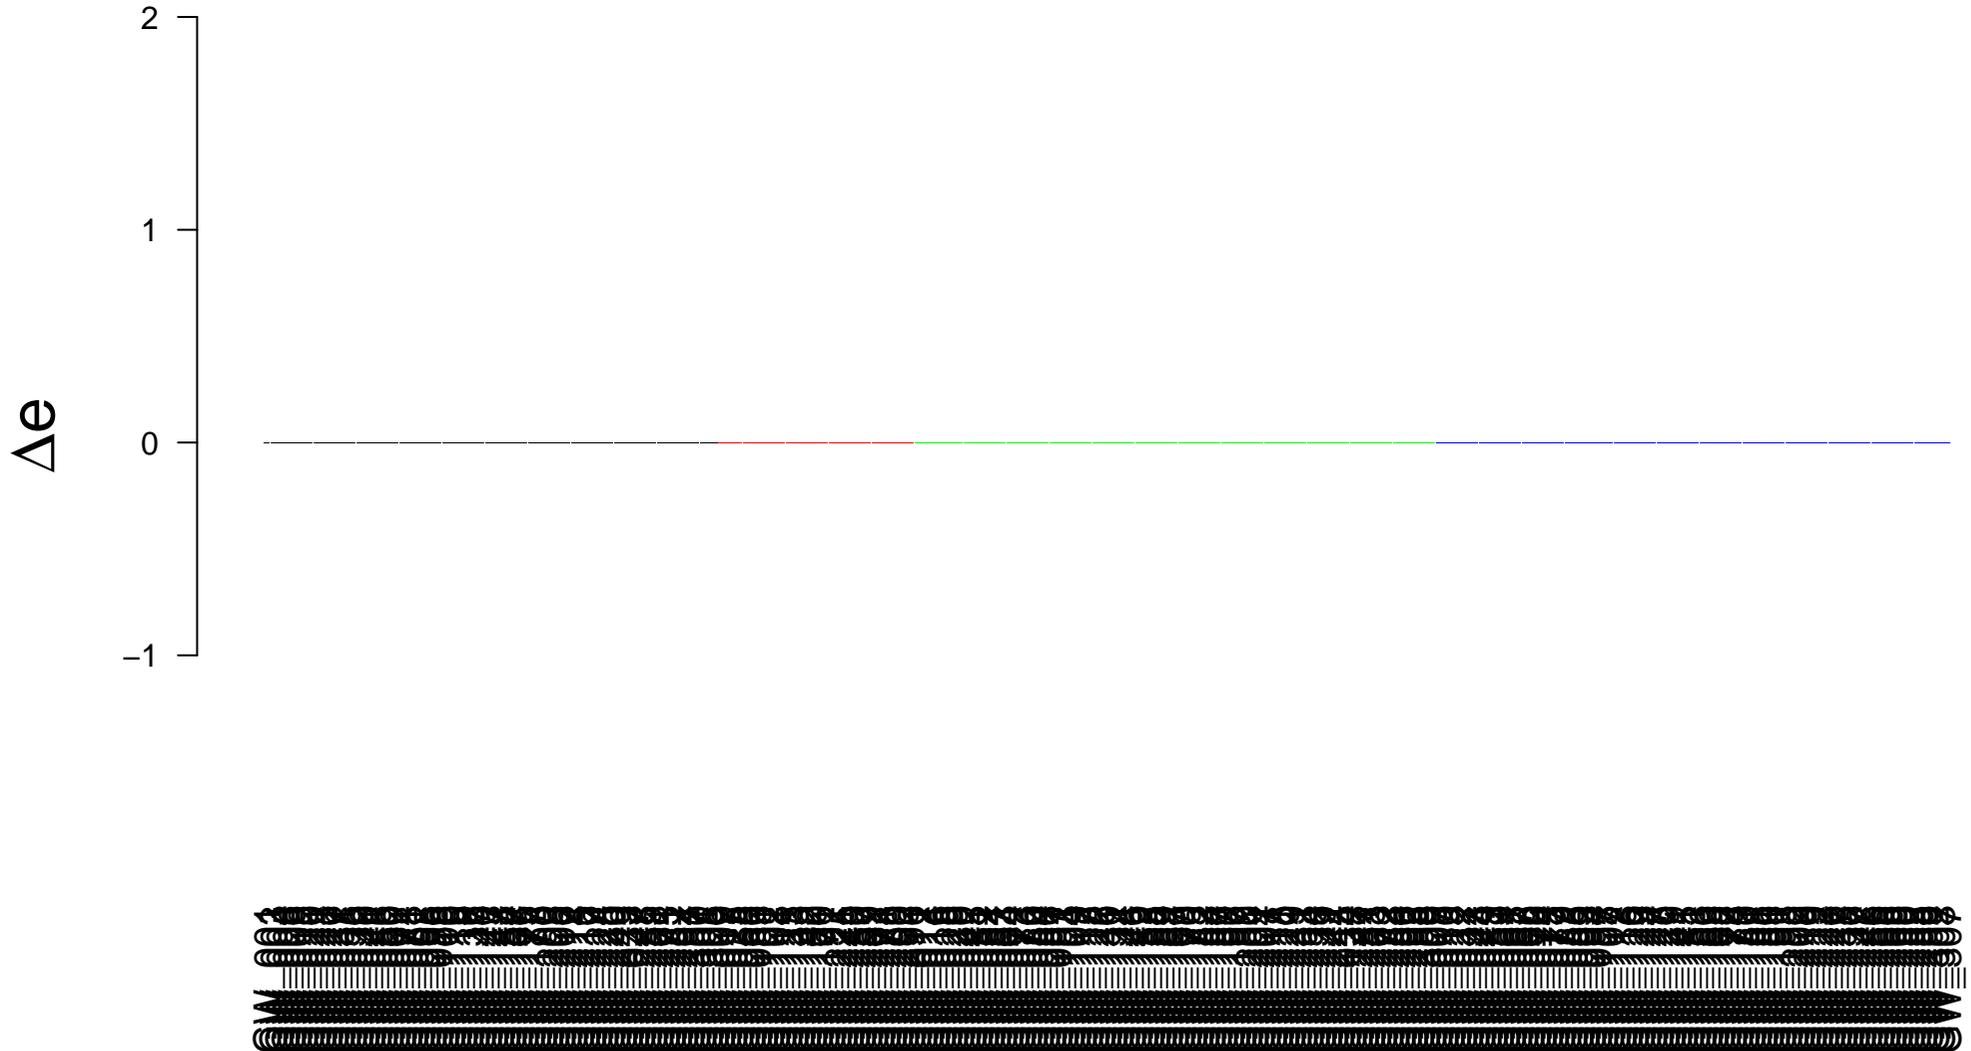

Expression of negative regulation of TOR signaling in Spot G

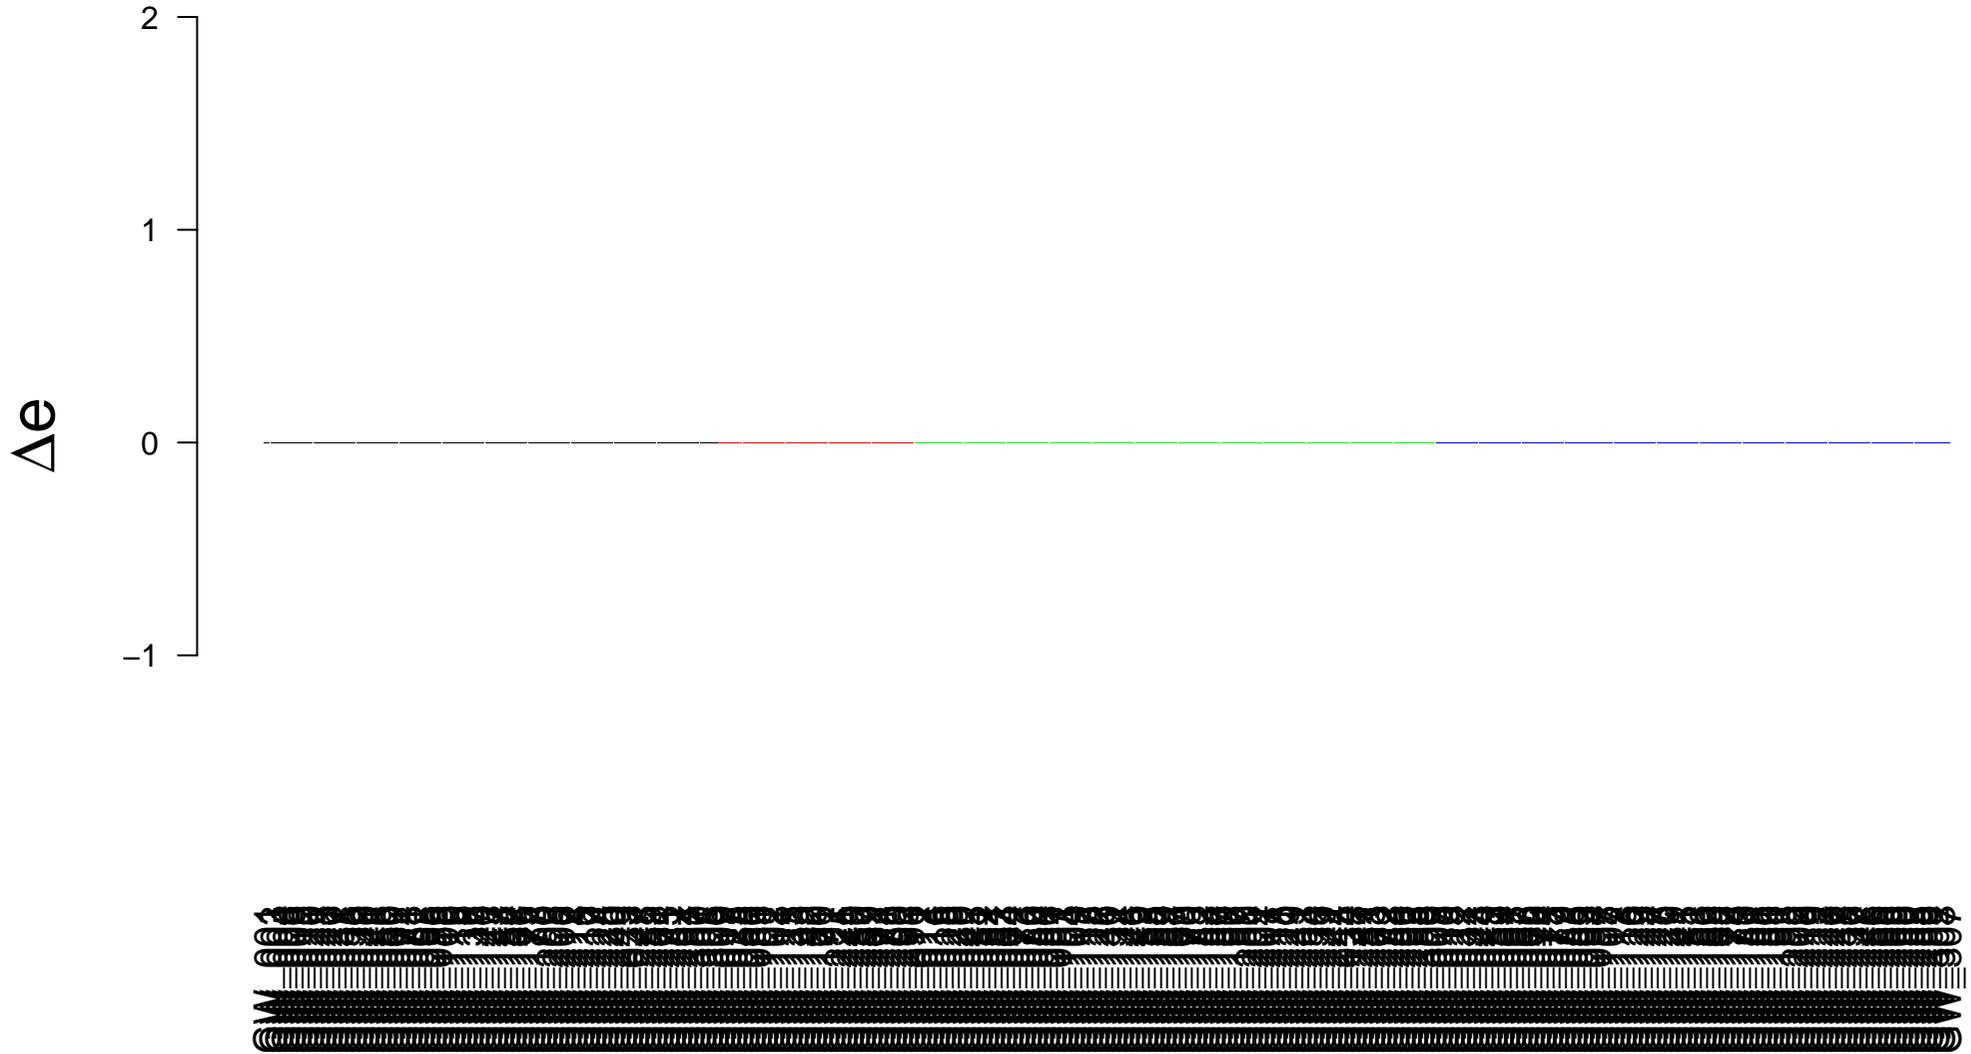

Expression of negative regulation of TOR signaling in Spot H

Expression of negative regulation of TOR signaling in Spot I

Expression of negative regulation of TOR signaling in Spot J

Expression of negative regulation of TOR signaling in Spot K

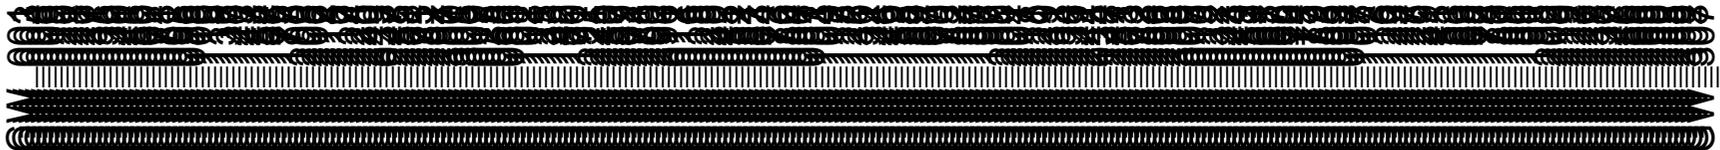

Δe

-1

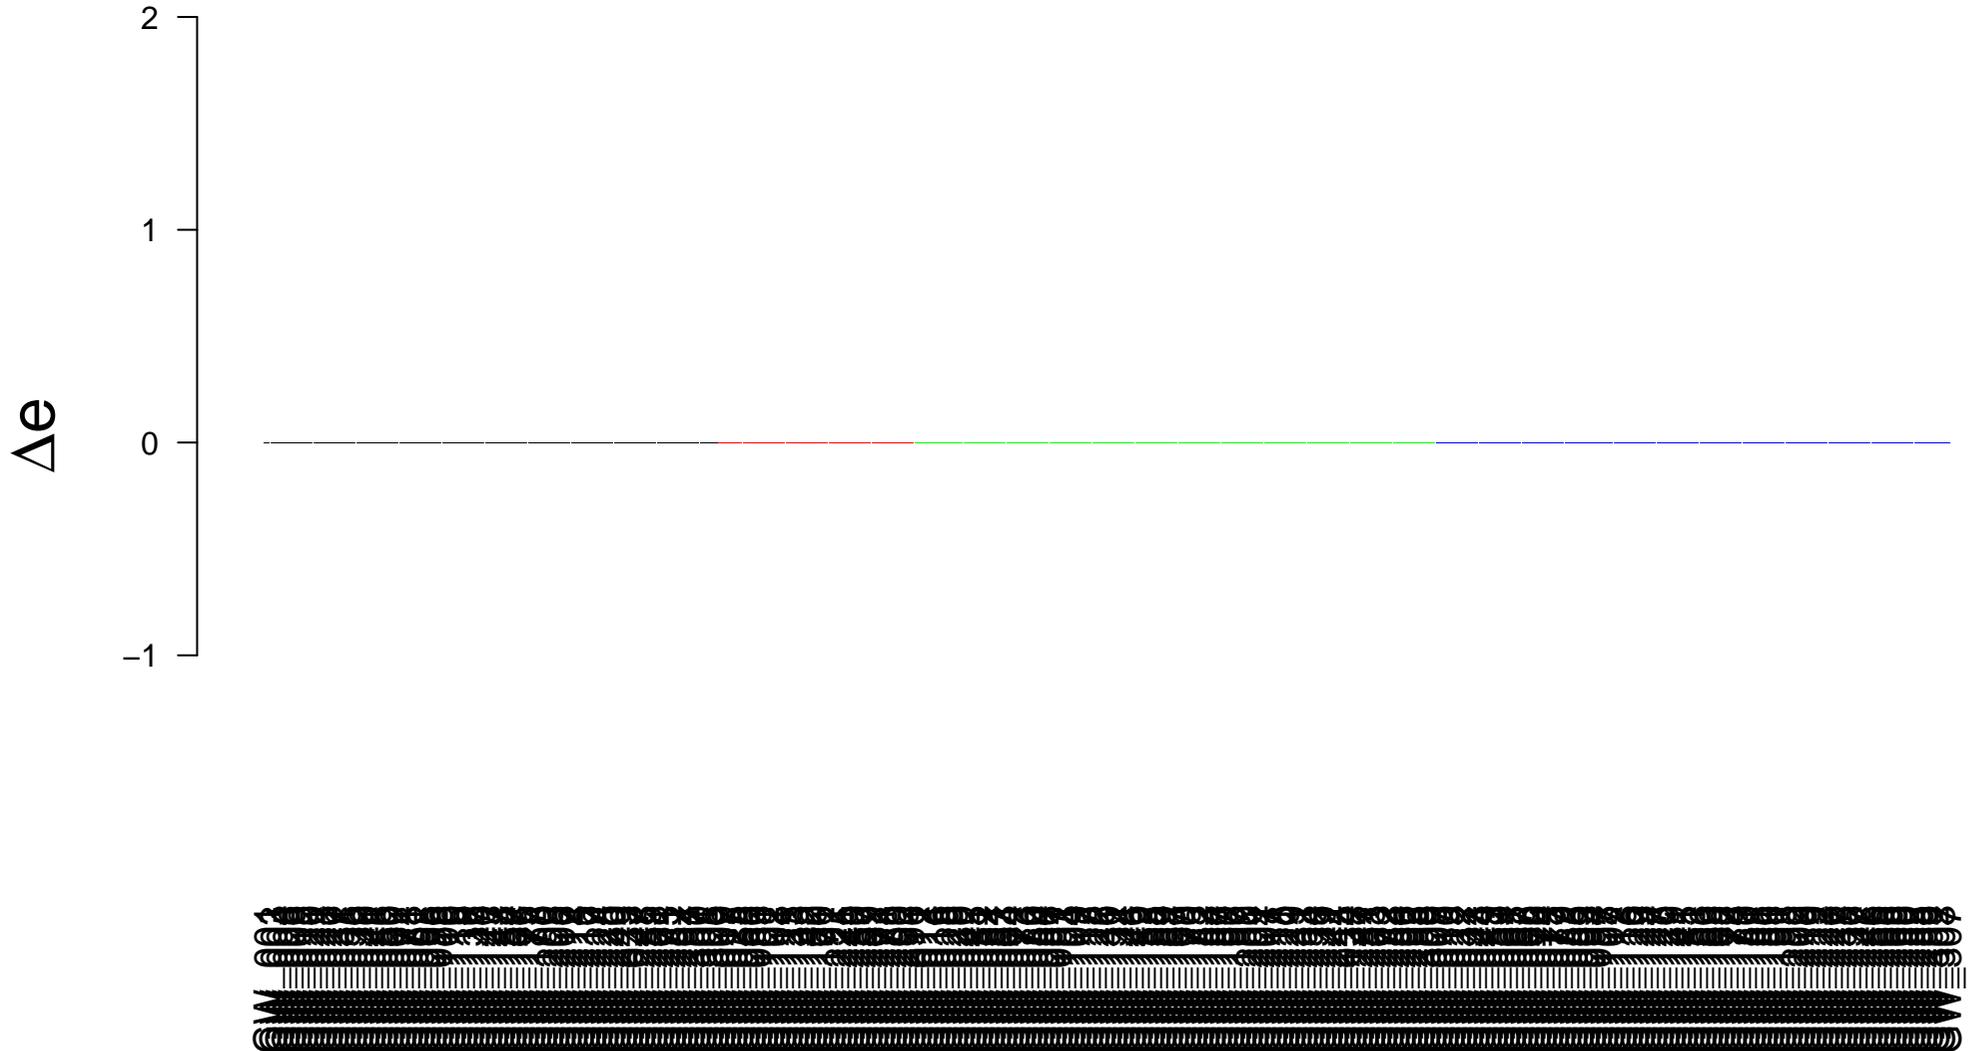

Expression of negative regulation of TOR signaling in Spot L

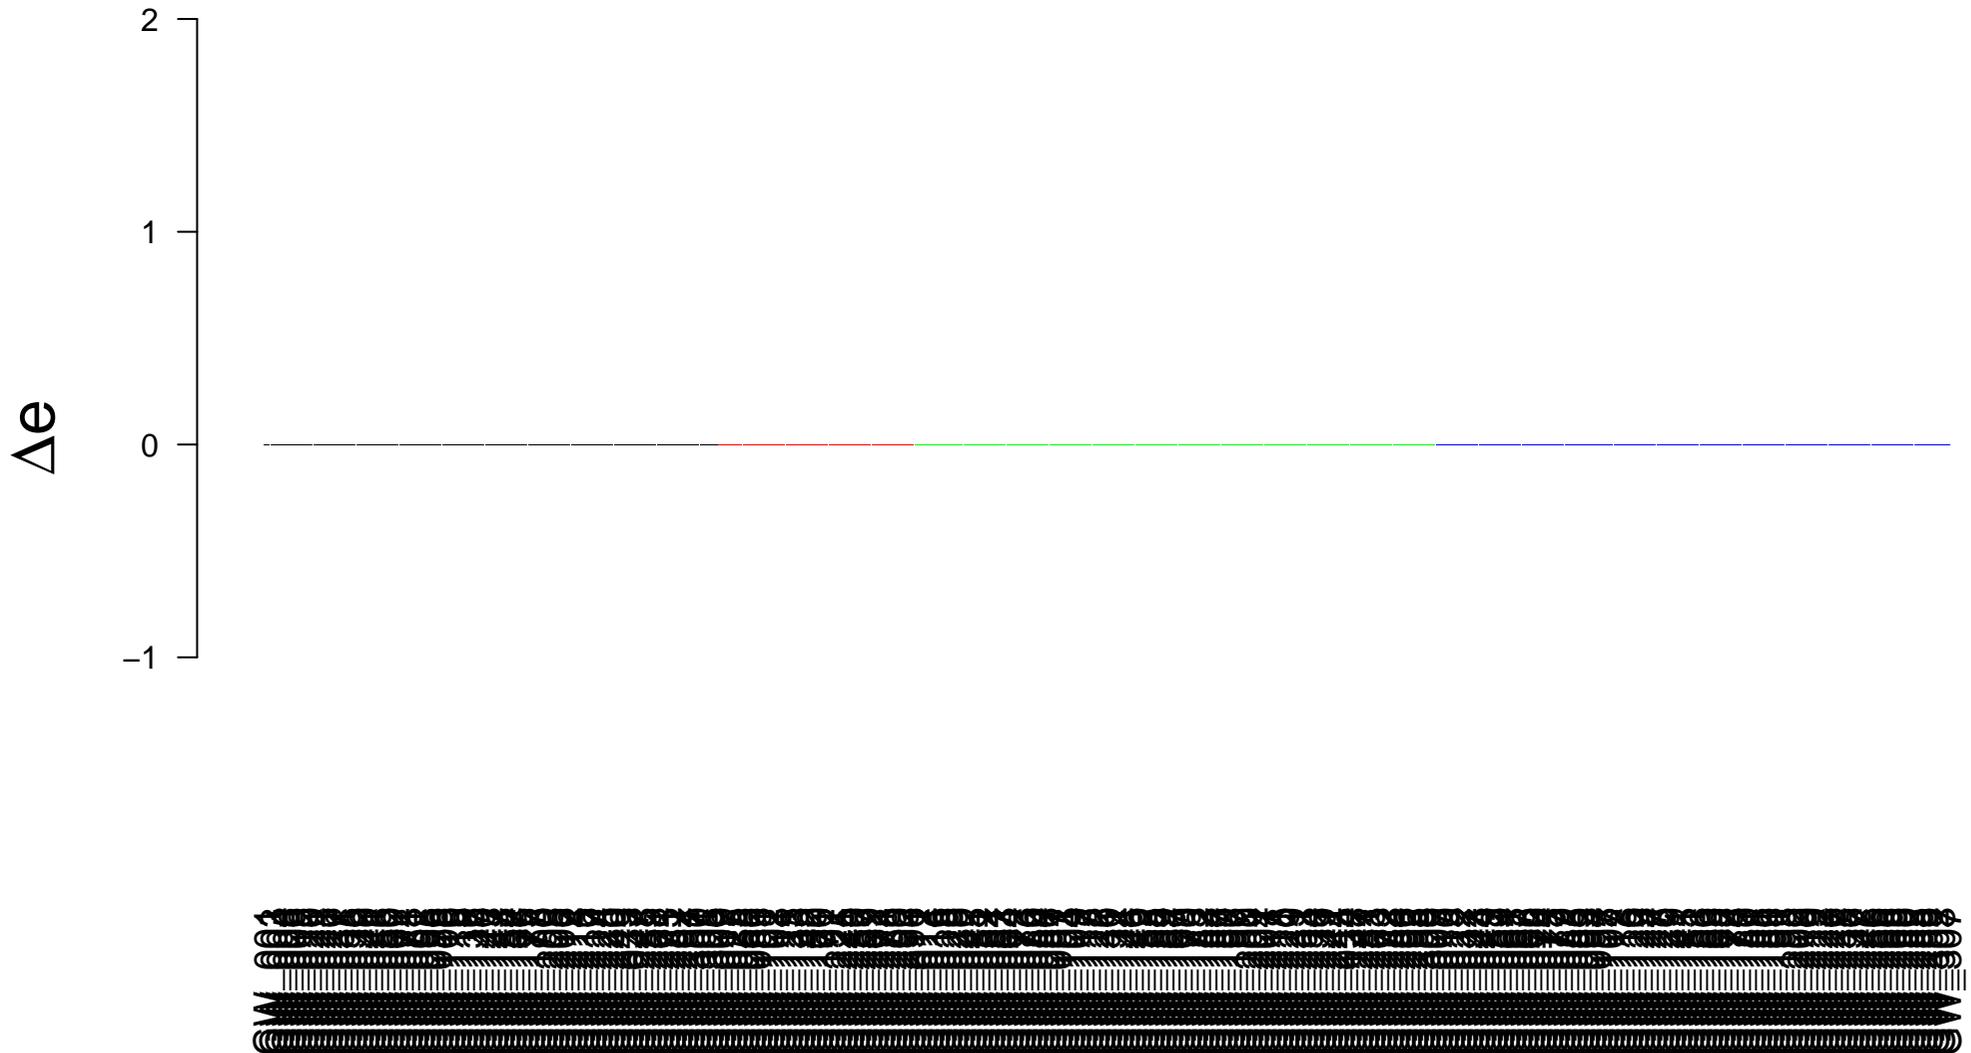

Expression of negative regulation of TOR signaling in Spot M

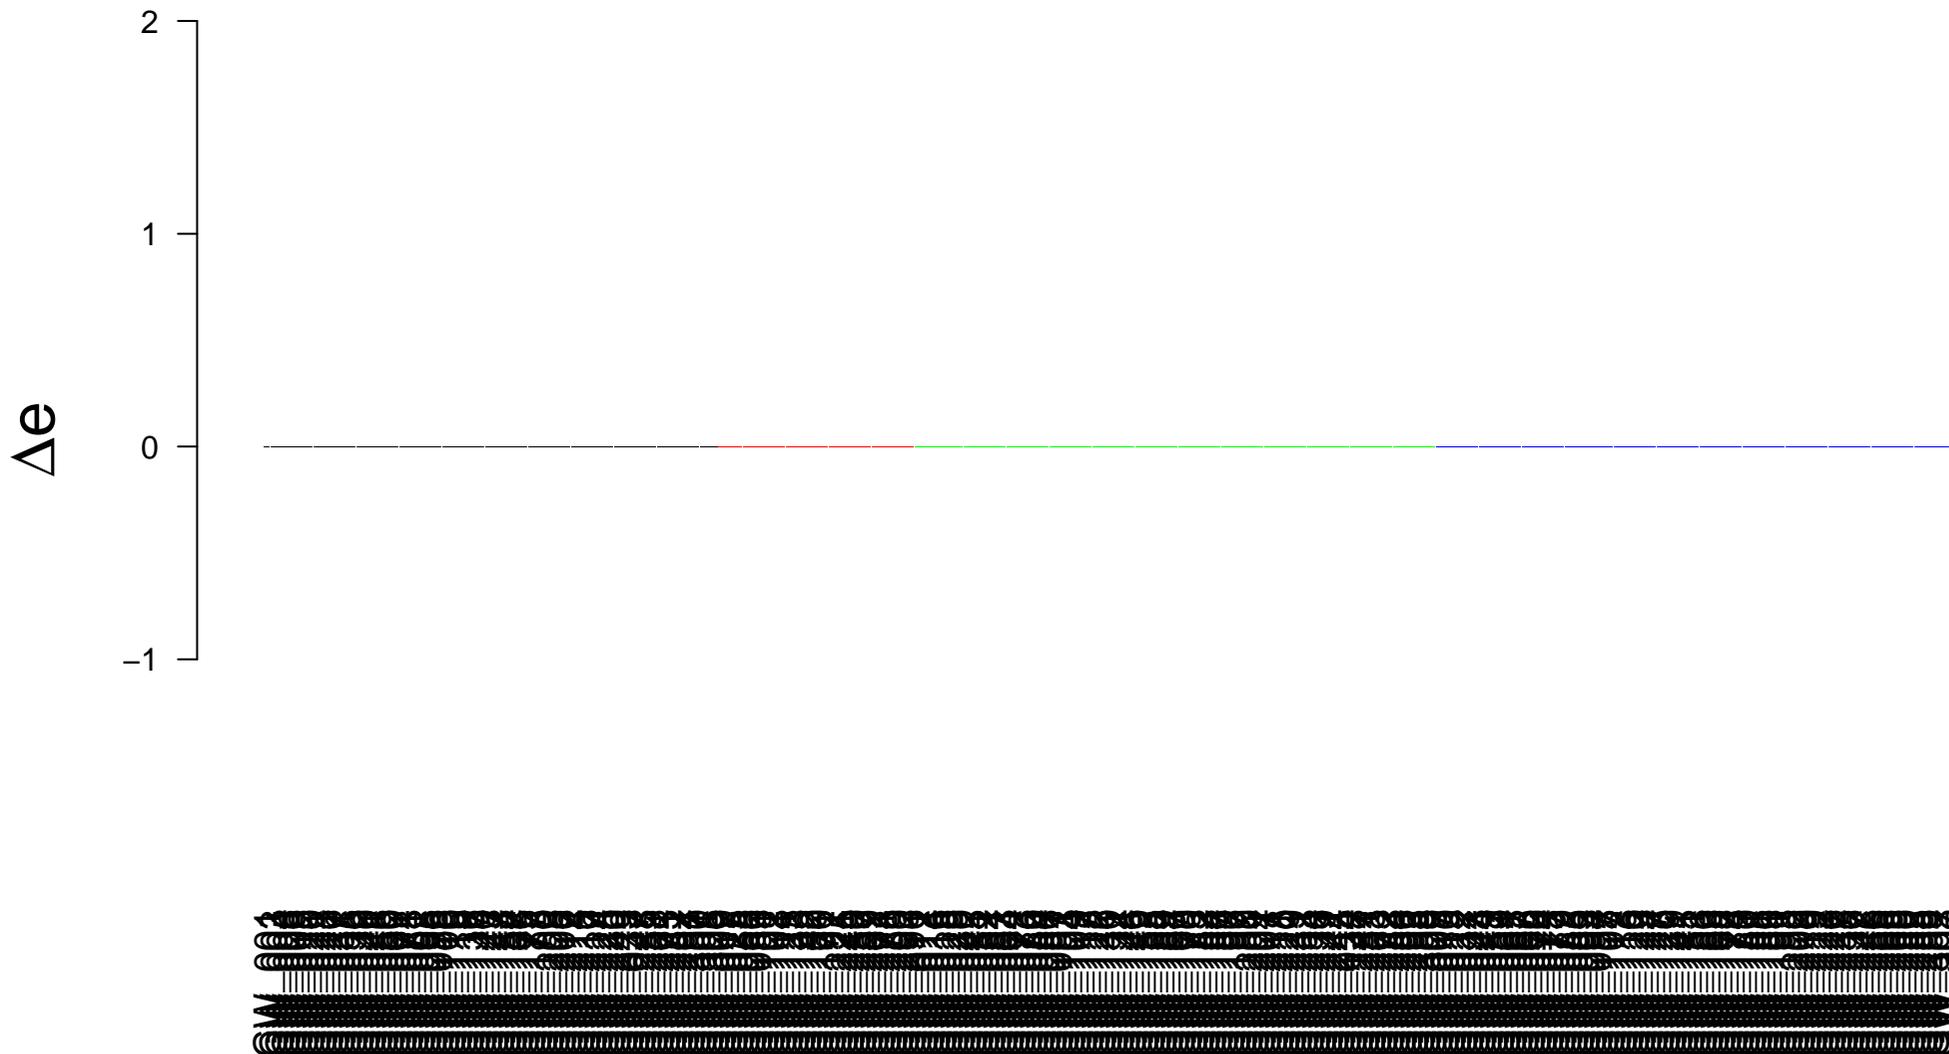

Expression of negative regulation of TOR signaling in Spot N

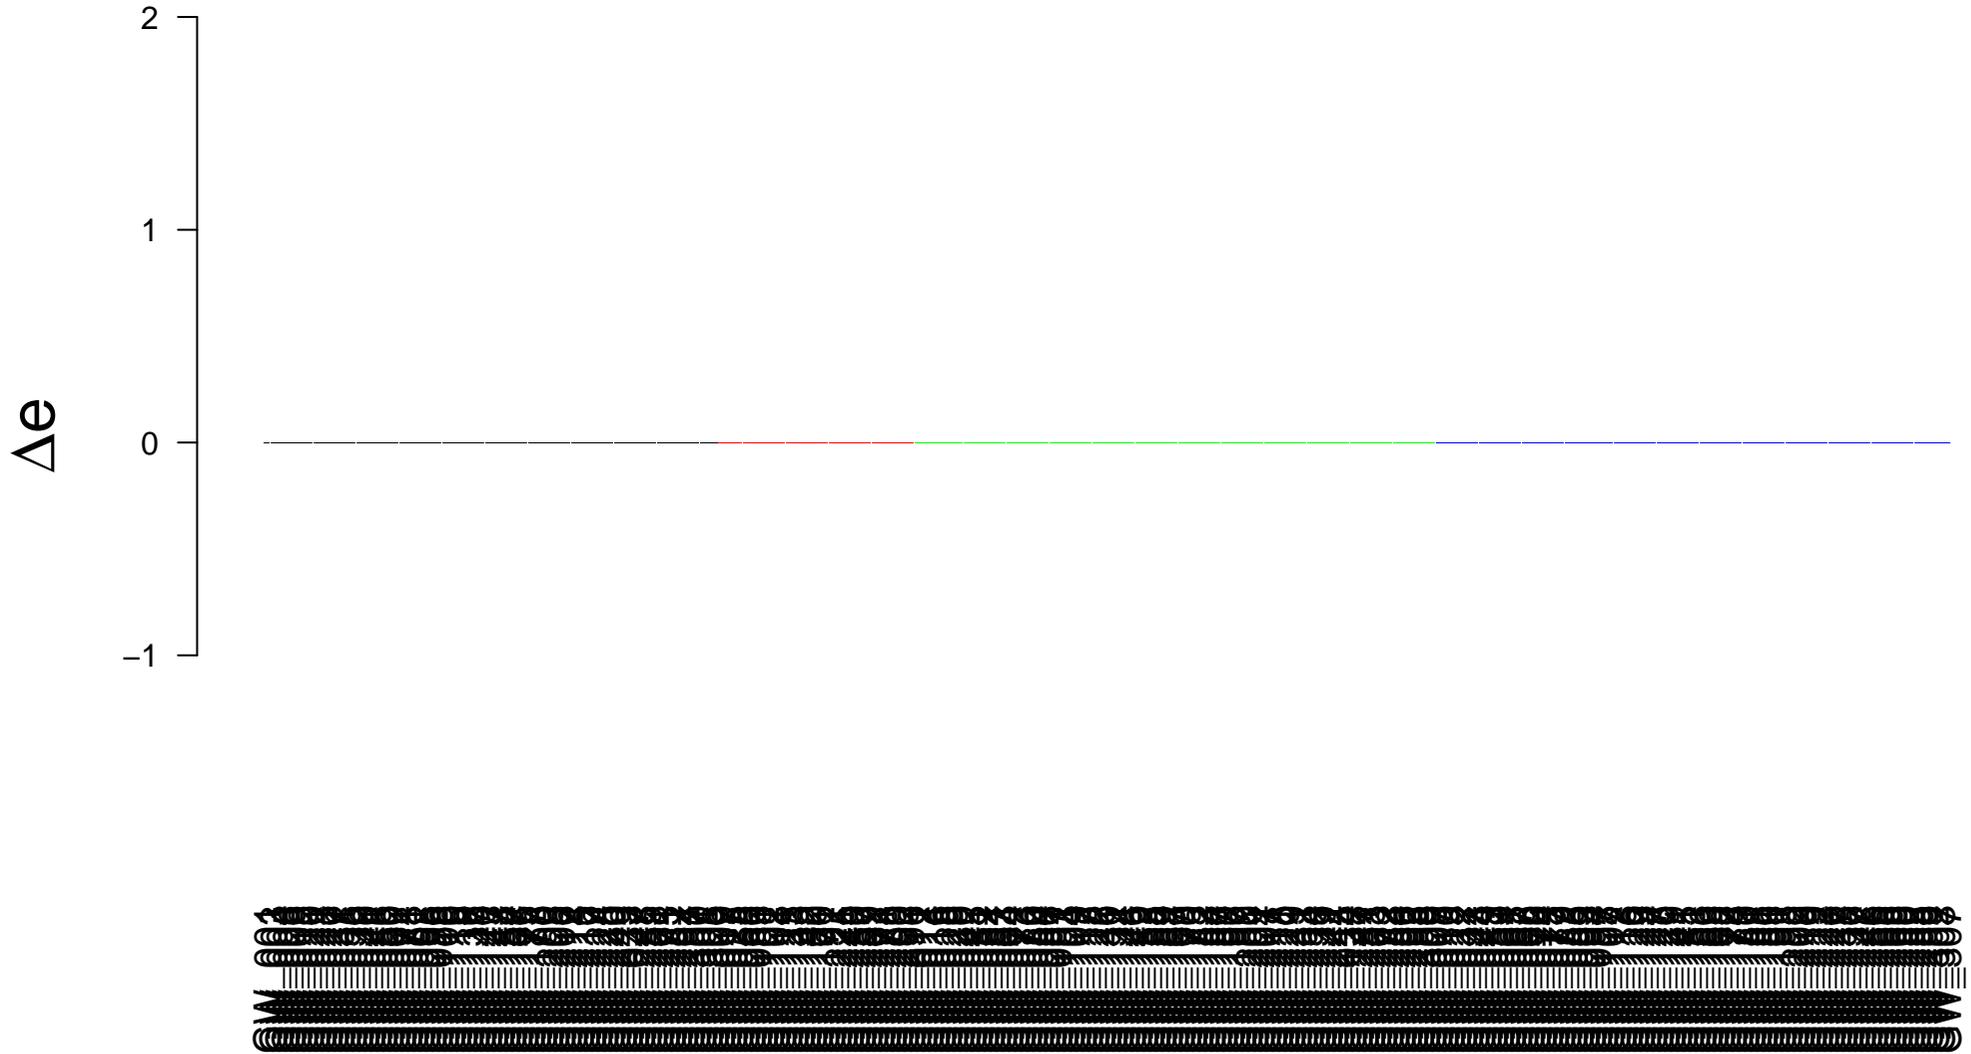

Expression of negative regulation of TOR signaling in Spot O

Expression of negative regulation of TOR signaling in Spot P

Expression of negative regulation of TOR signaling in Spot Q

Expression of negative regulation of TOR signaling in Spot R
