

negative regulation of angiogenesis

negative regulation of angiogenesis

Enrichment in spots: negative regulation of angiogenesis

Expression of negative regulation of angiogenesis in Spot A

Expression of negative regulation of angiogenesis in Spot B

Expression of negative regulation of angiogenesis in Spot C

Expression of negative regulation of angiogenesis in Spot D

Expression of negative regulation of angiogenesis in Spot E

Expression of negative regulation of angiogenesis in Spot F

Expression of negative regulation of angiogenesis in Spot G

Expression of negative regulation of angiogenesis in Spot H

Expression of negative regulation of angiogenesis in Spot I

Δe

Expression of negative regulation of angiogenesis in Spot J

Expression of negative regulation of angiogenesis in Spot K

Expression of negative regulation of angiogenesis in Spot L

Expression of negative regulation of angiogenesis in Spot M

Expression of negative regulation of angiogenesis in Spot N
