

negative regulation of autophagy

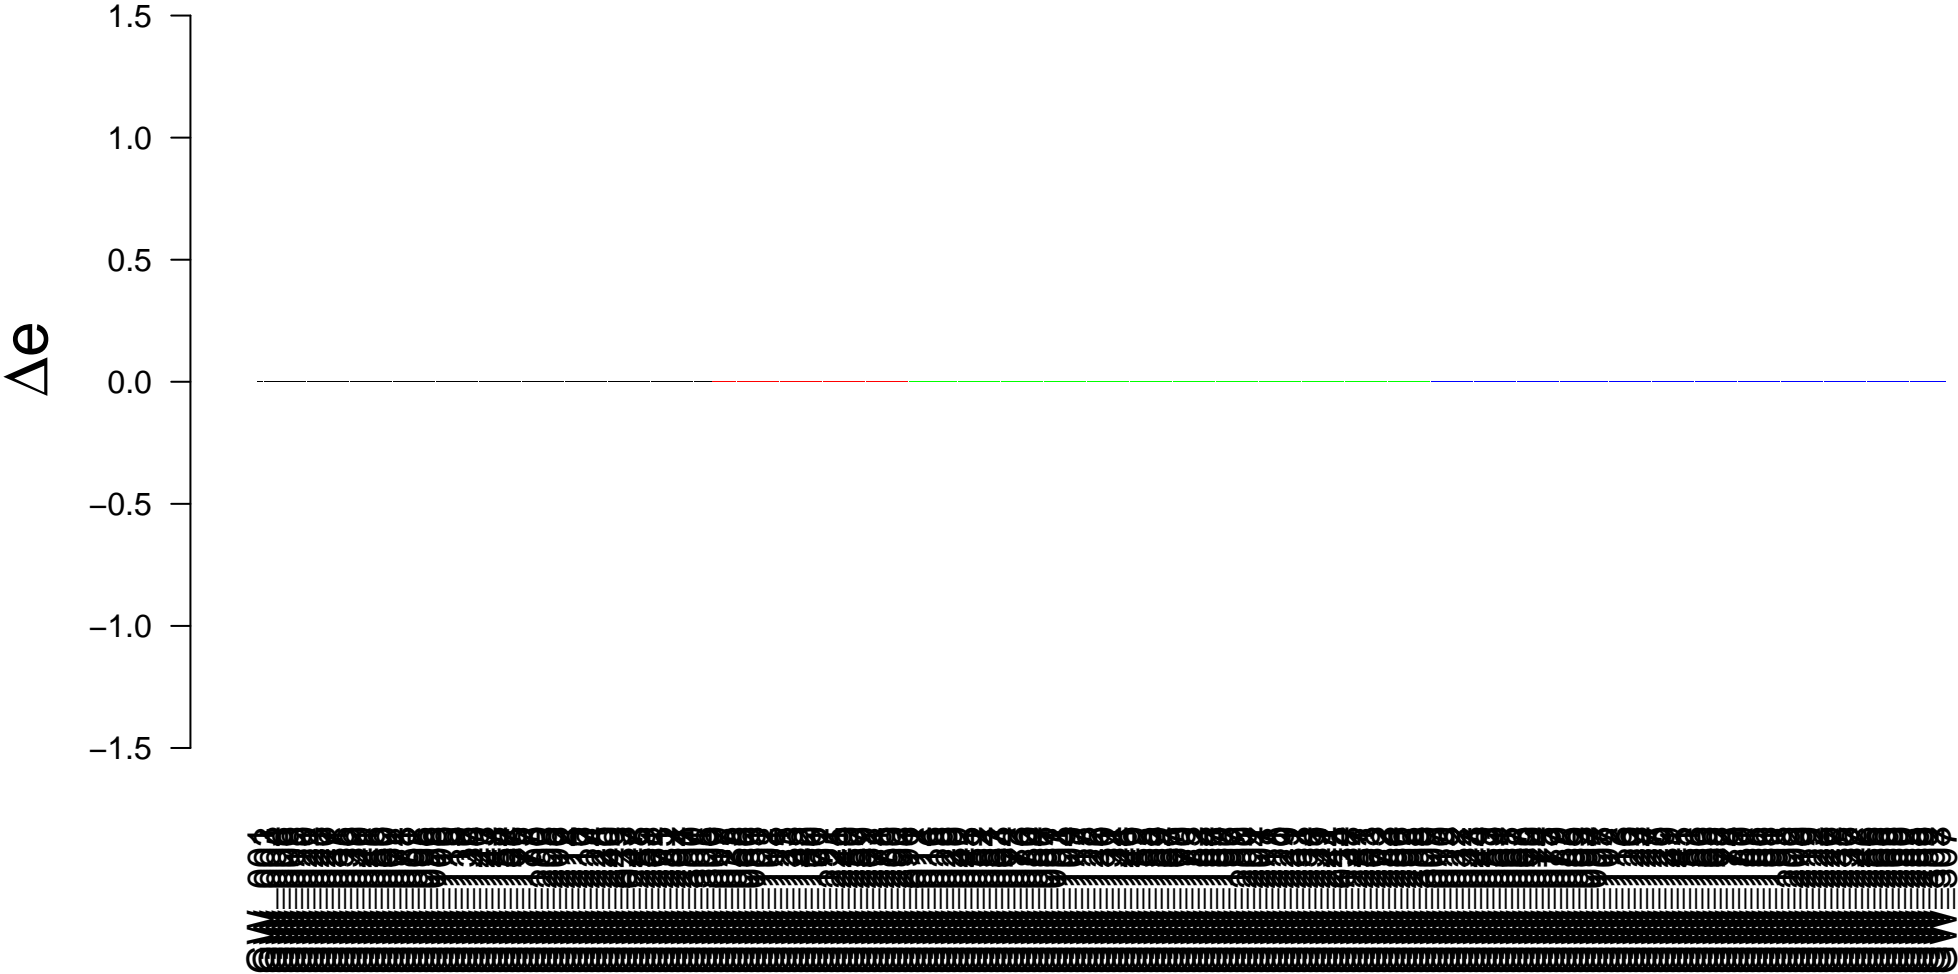

# negative regulation of autophagy

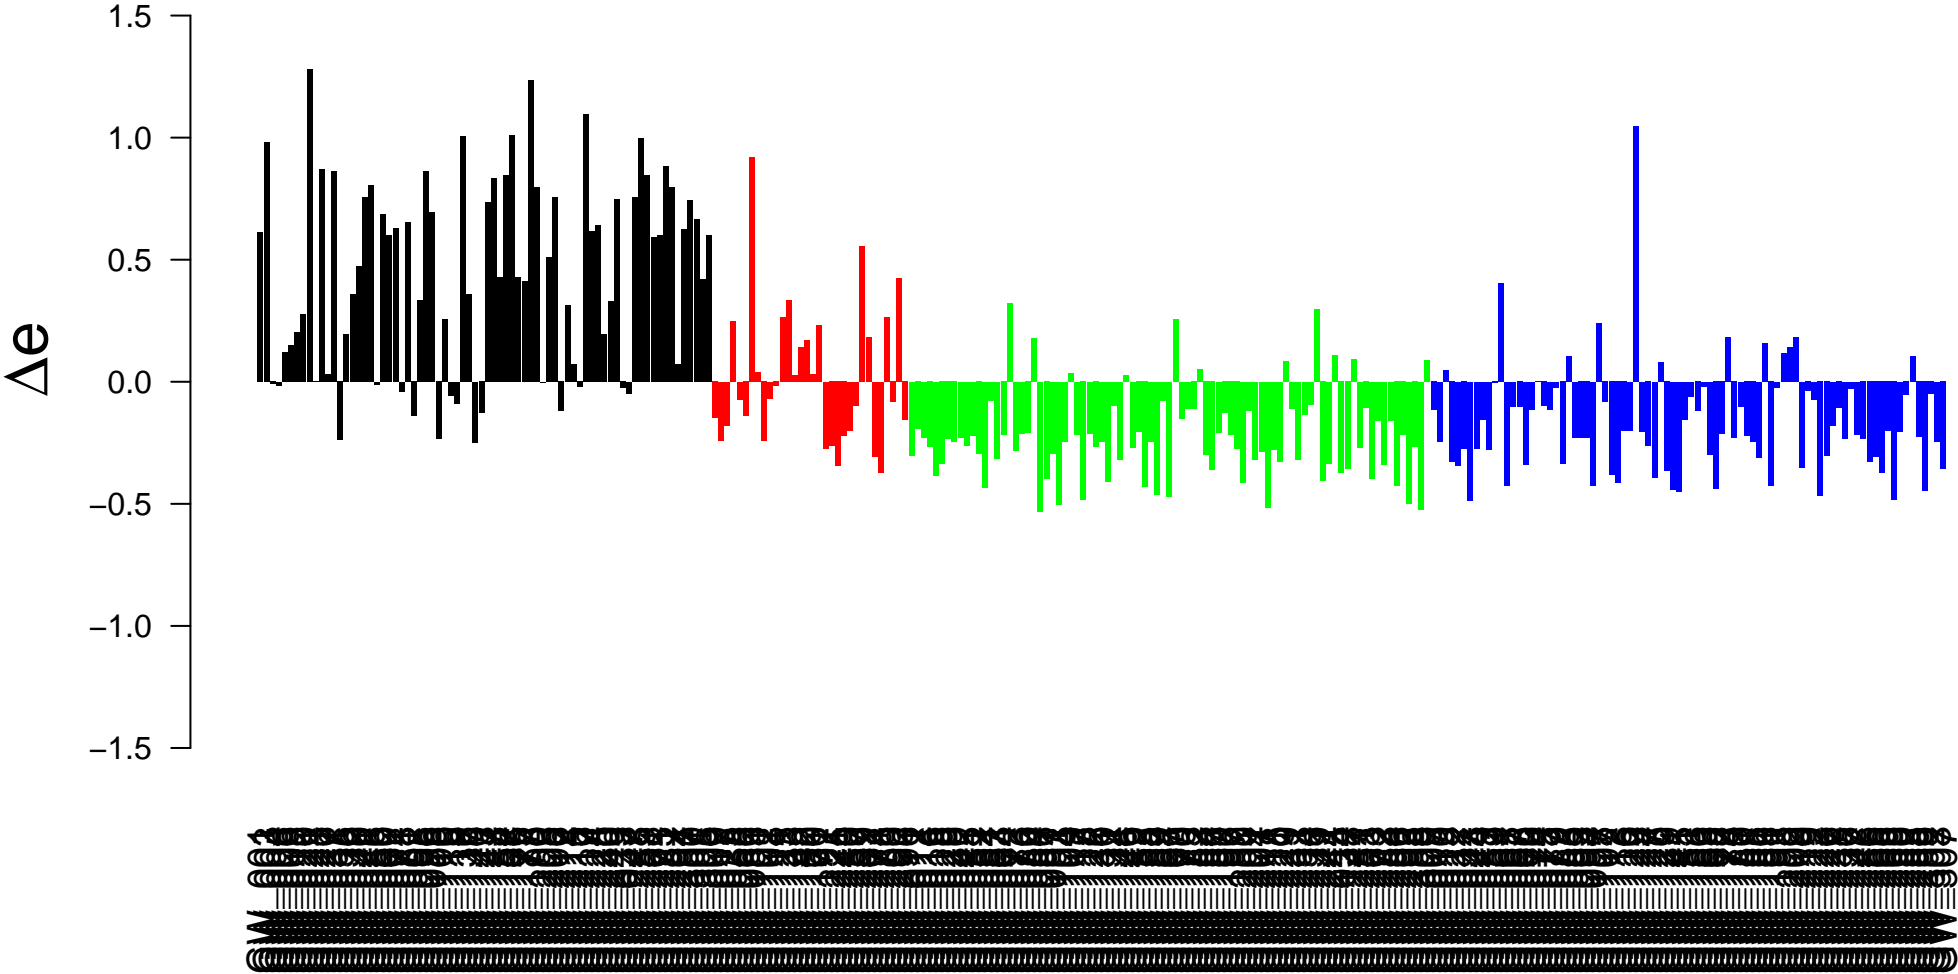

# Enrichment in spots: negative regulation of autophagy

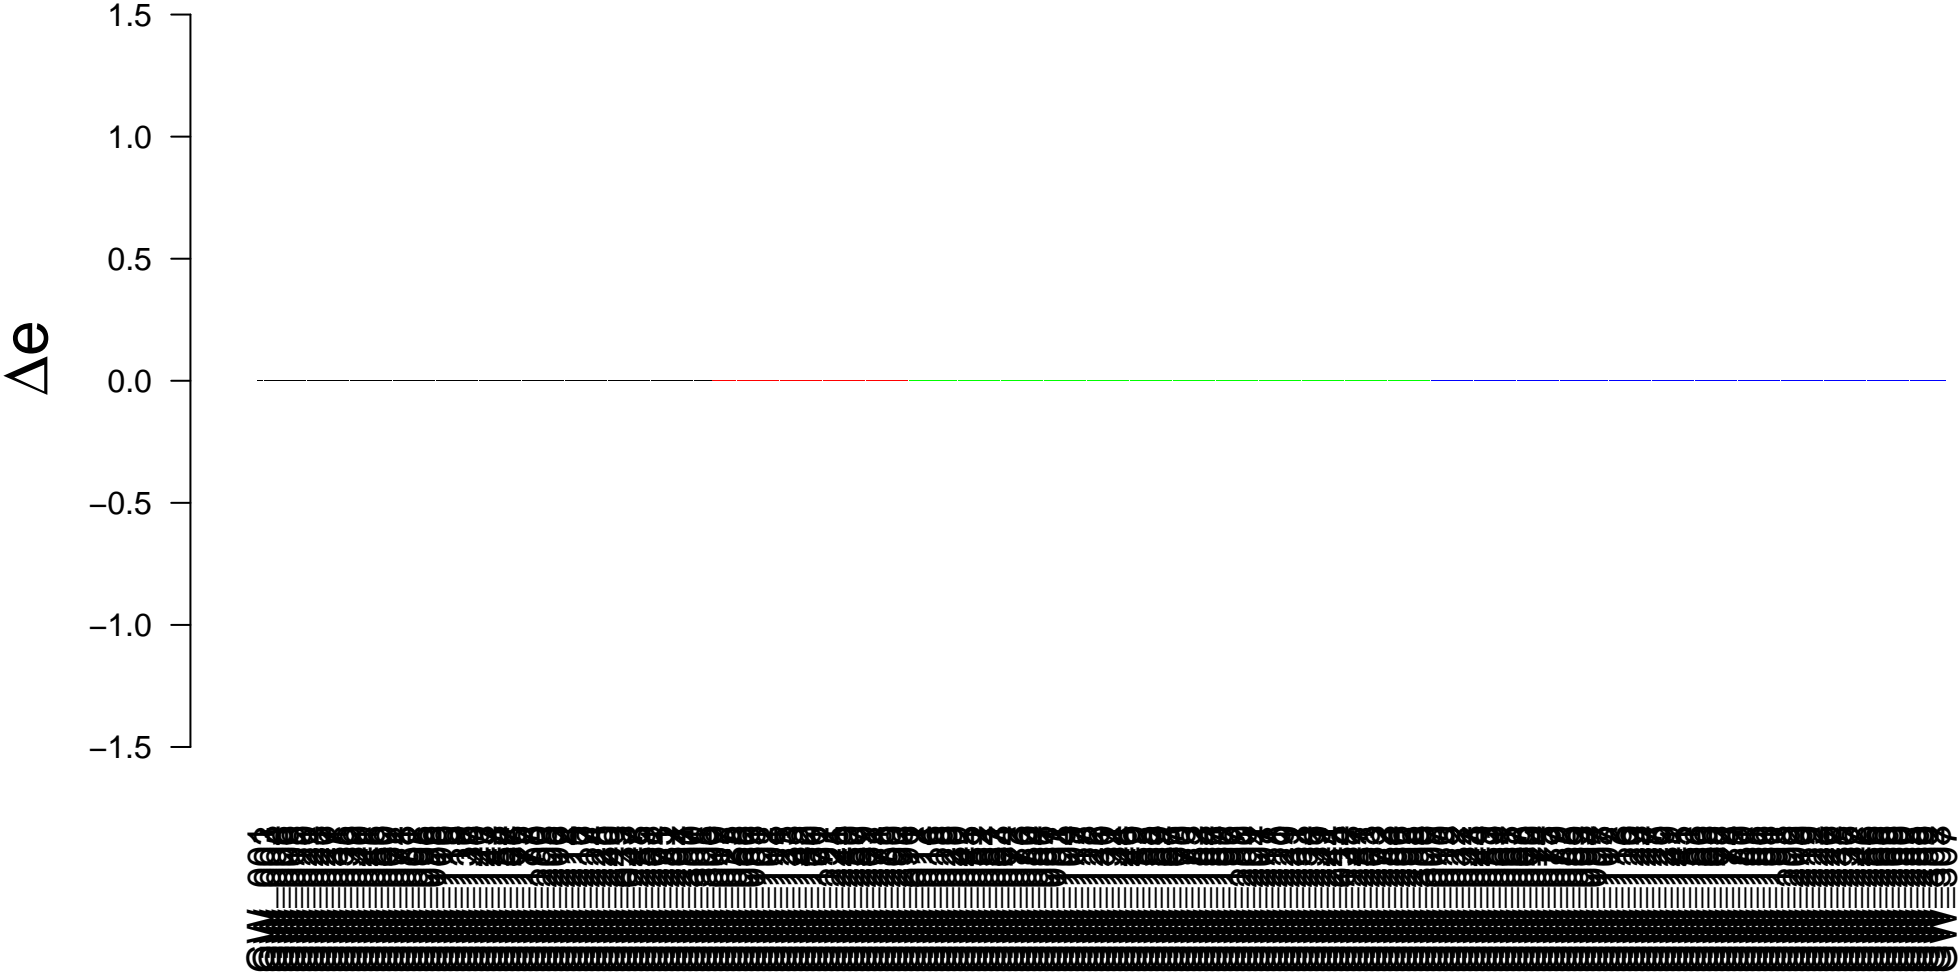

Expression of negative regulation of autophagy in Spot A

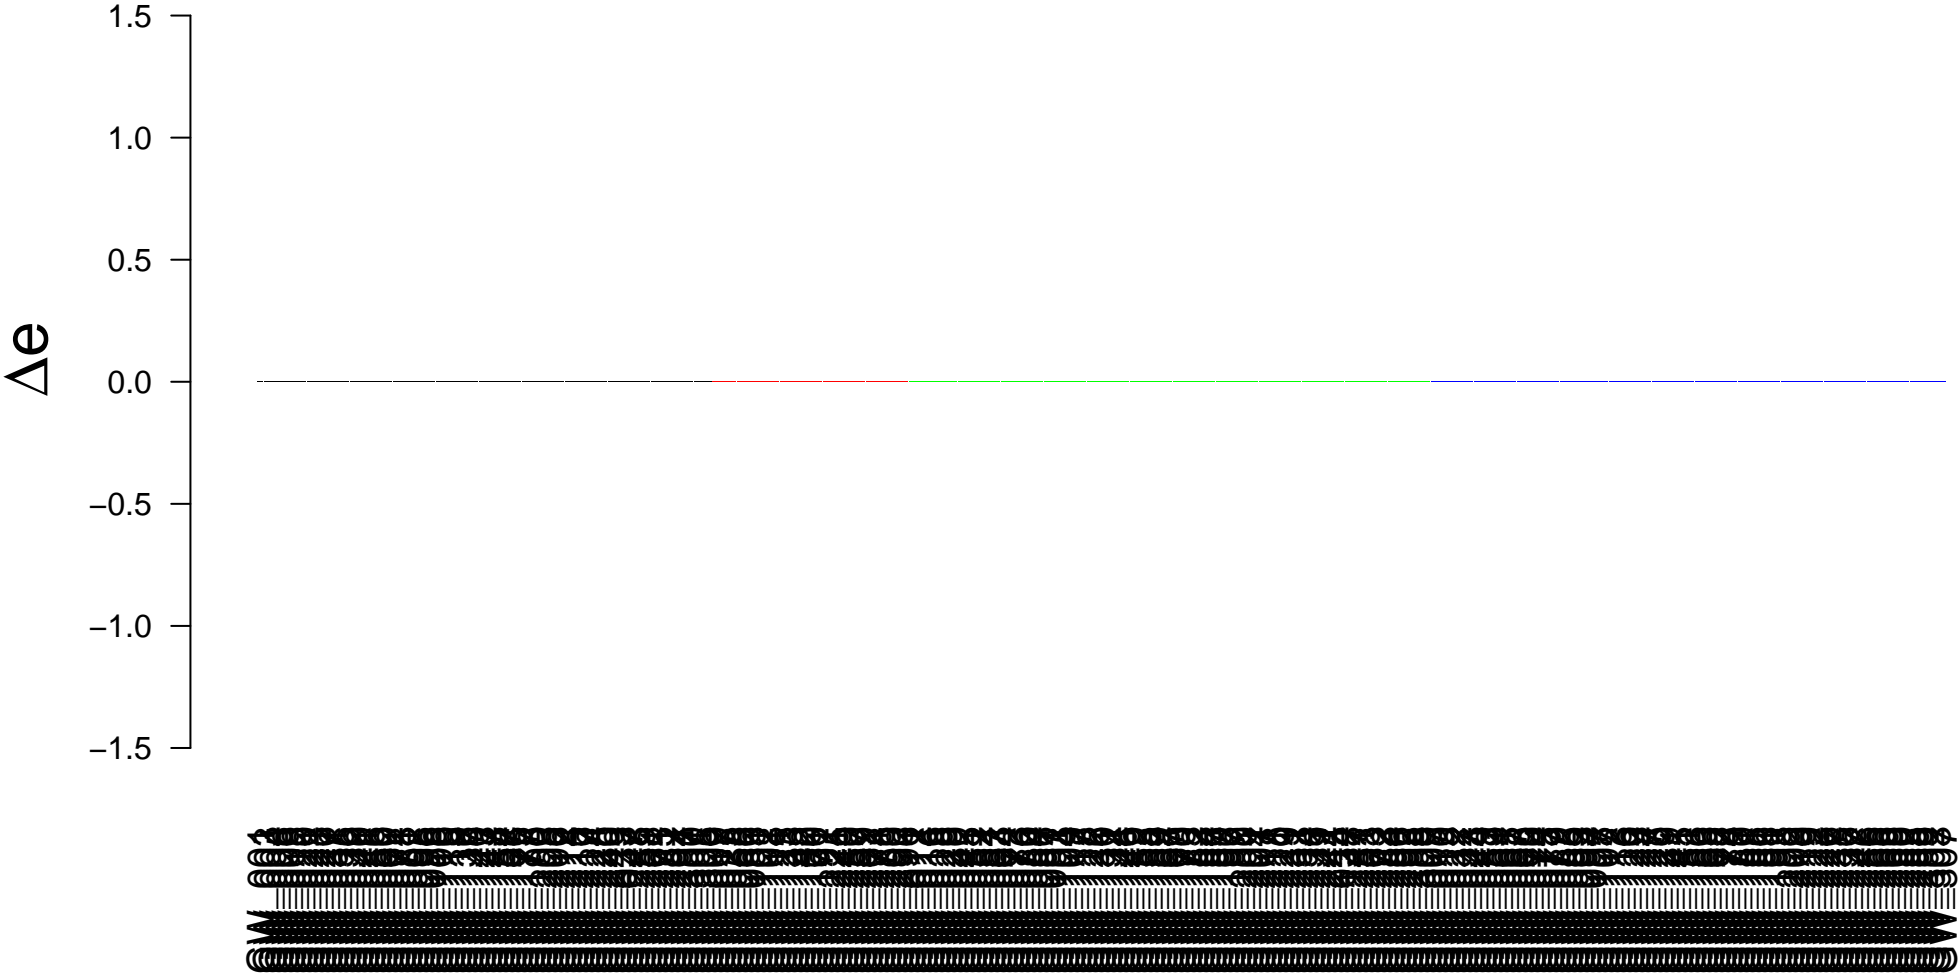

Expression of negative regulation of autophagy in Spot B

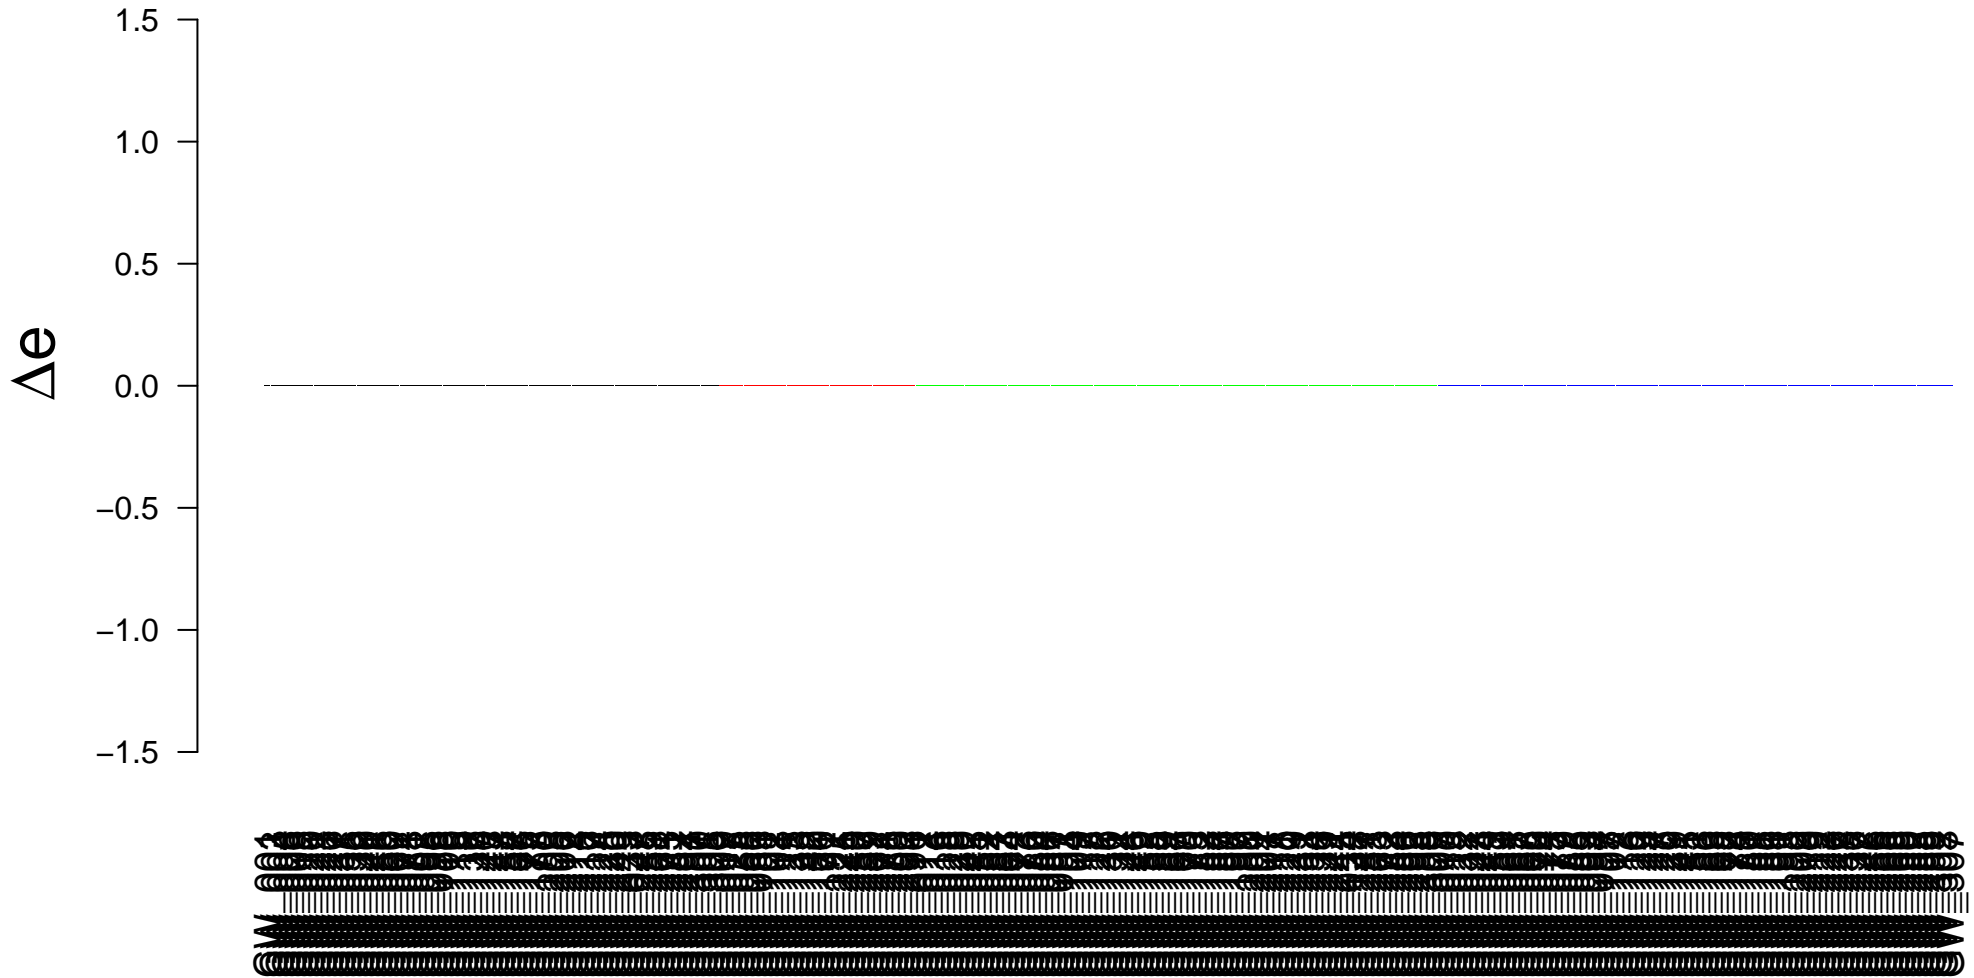

Expression of negative regulation of autophagy in Spot C

Expression of negative regulation of autophagy in Spot D

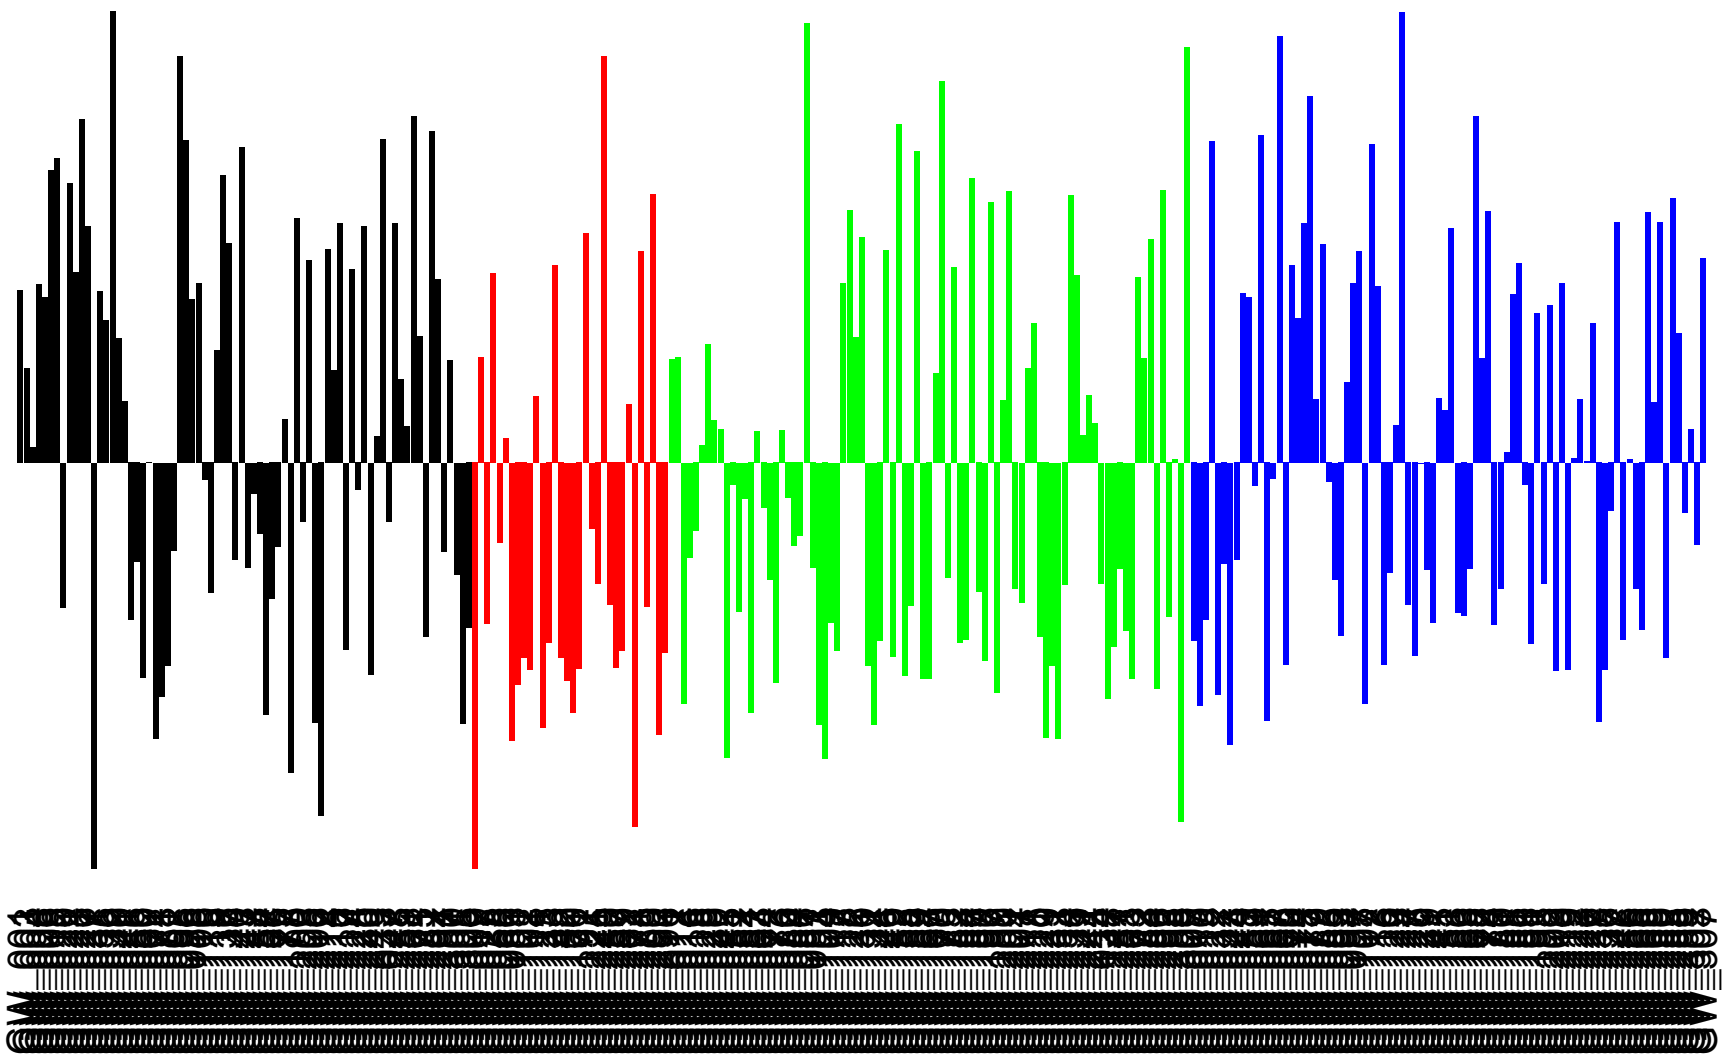

# Expression of negative regulation of autophagy in Spot E

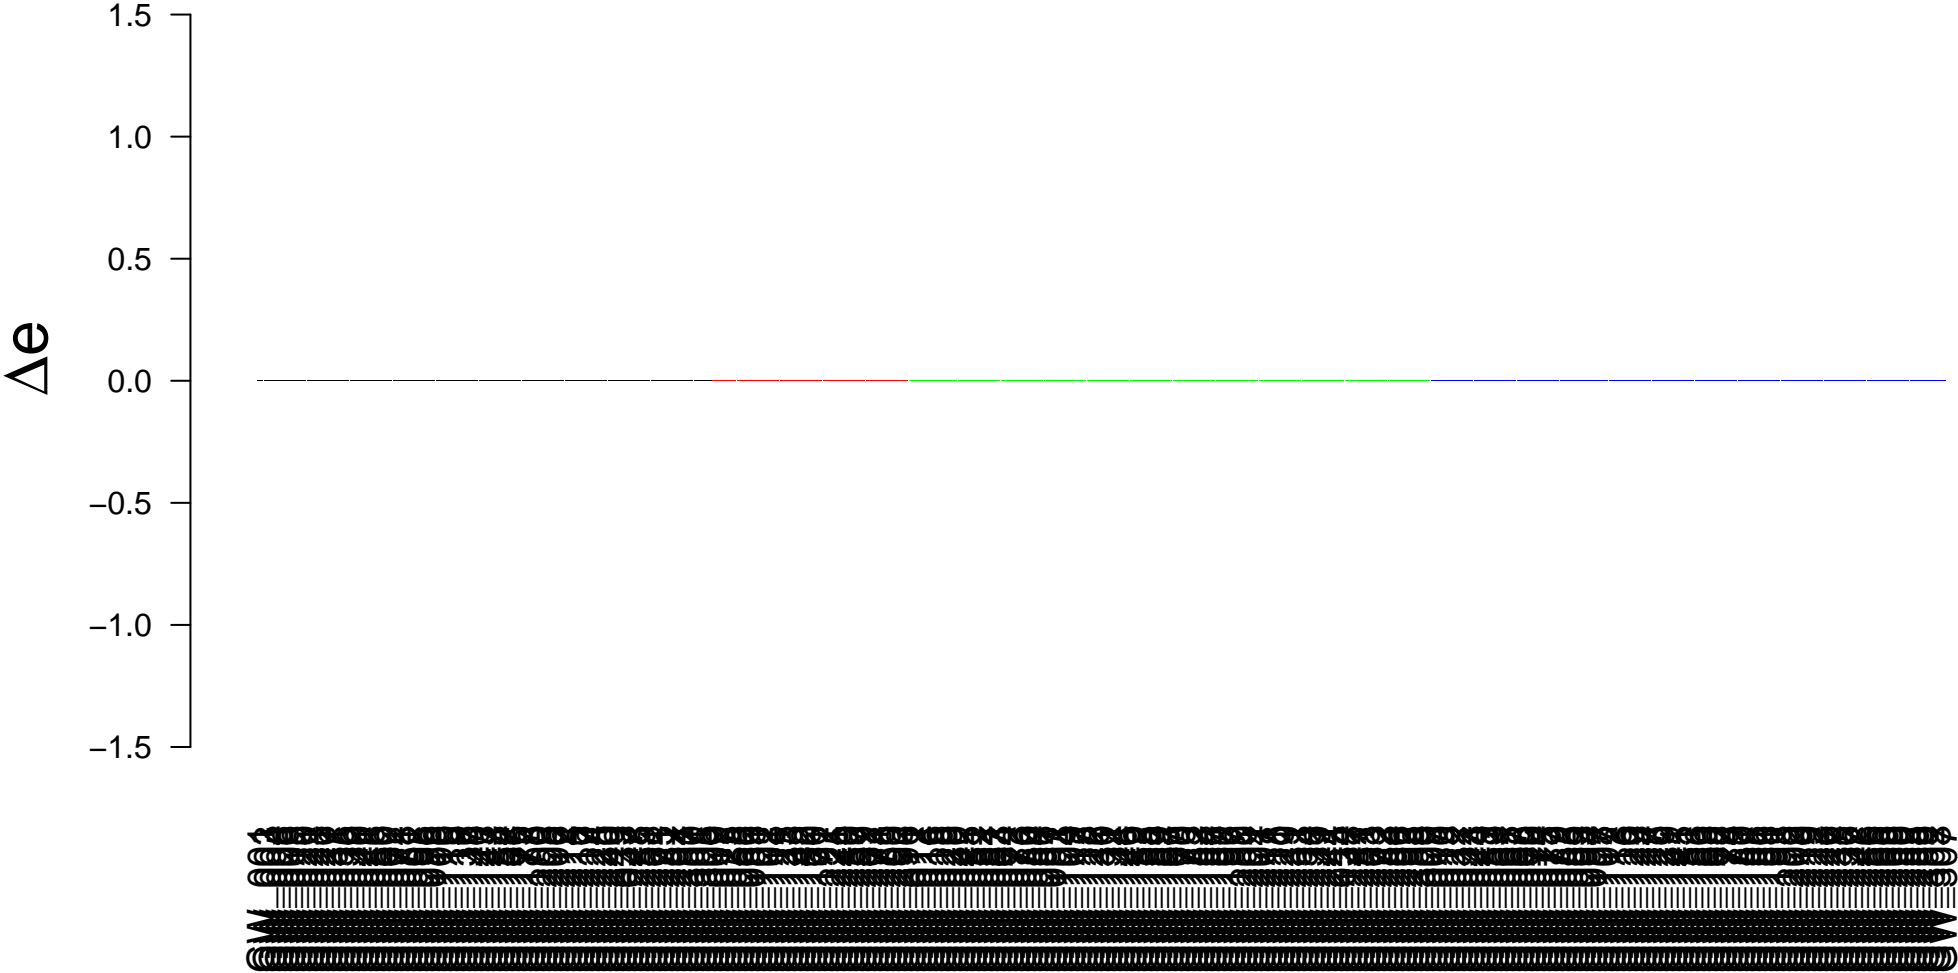

# Expression of negative regulation of autophagy in Spot F

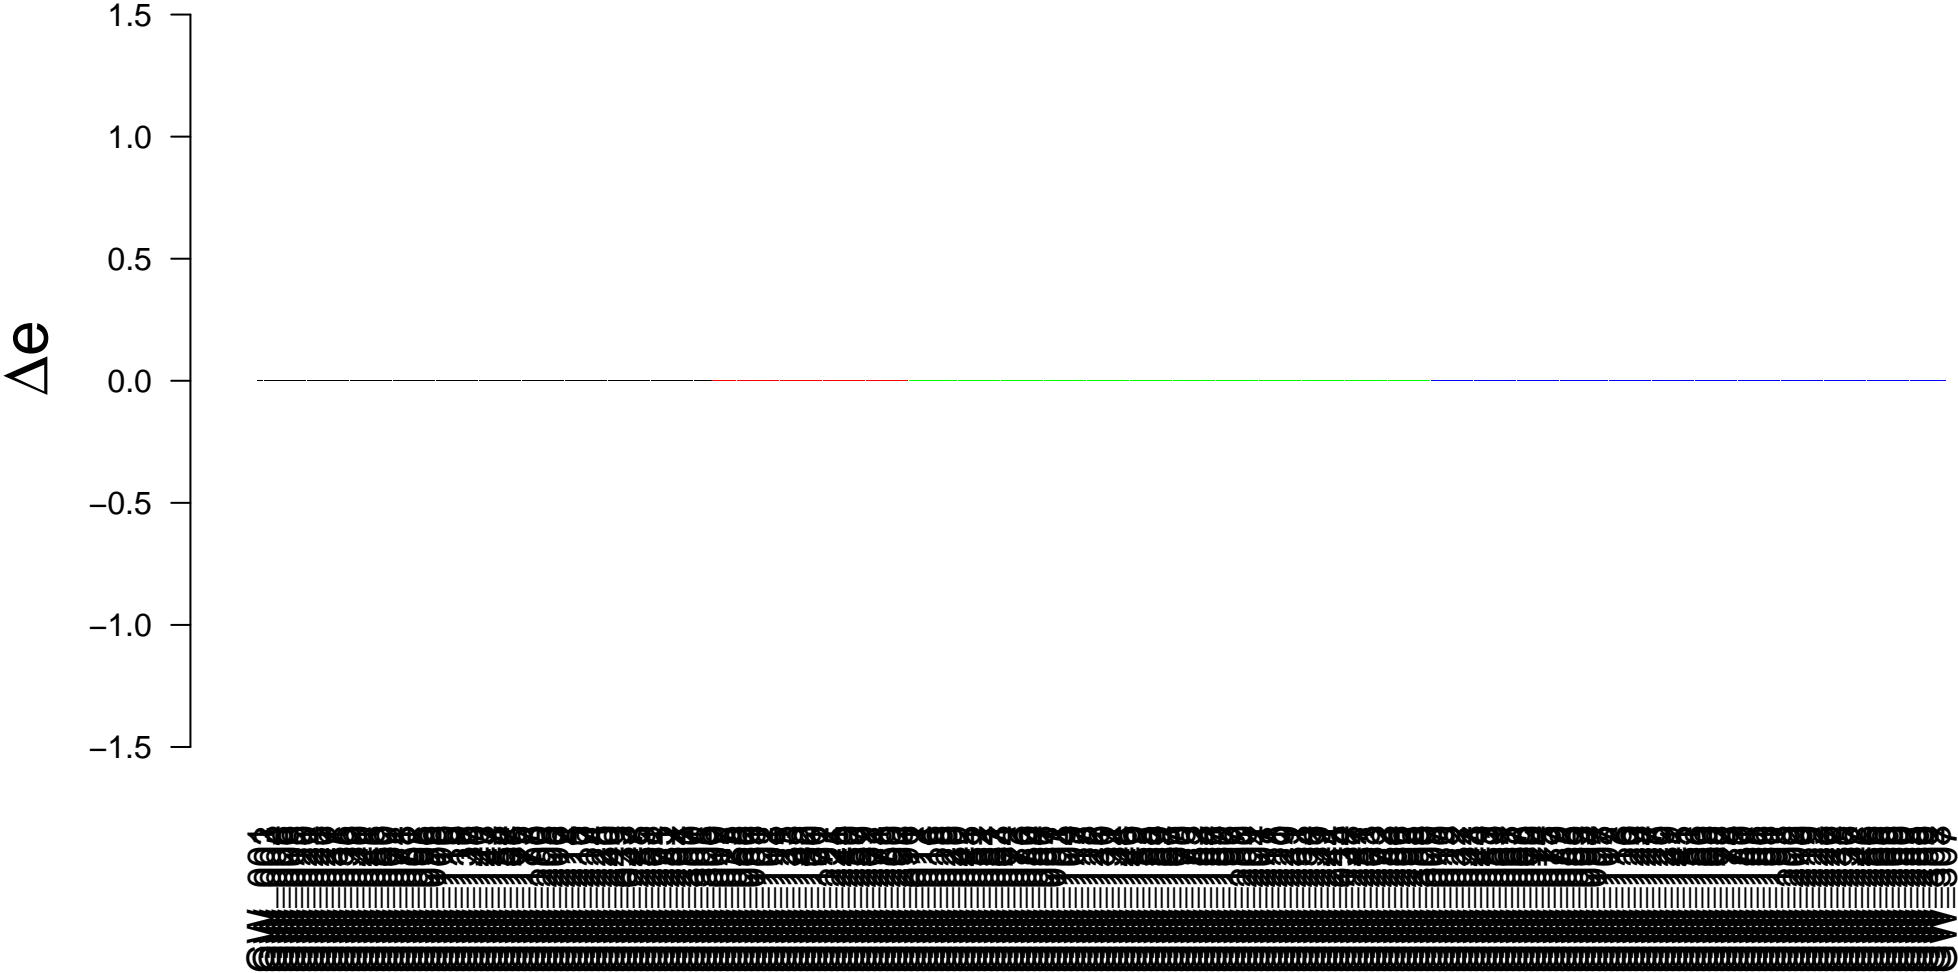

$\Delta e$

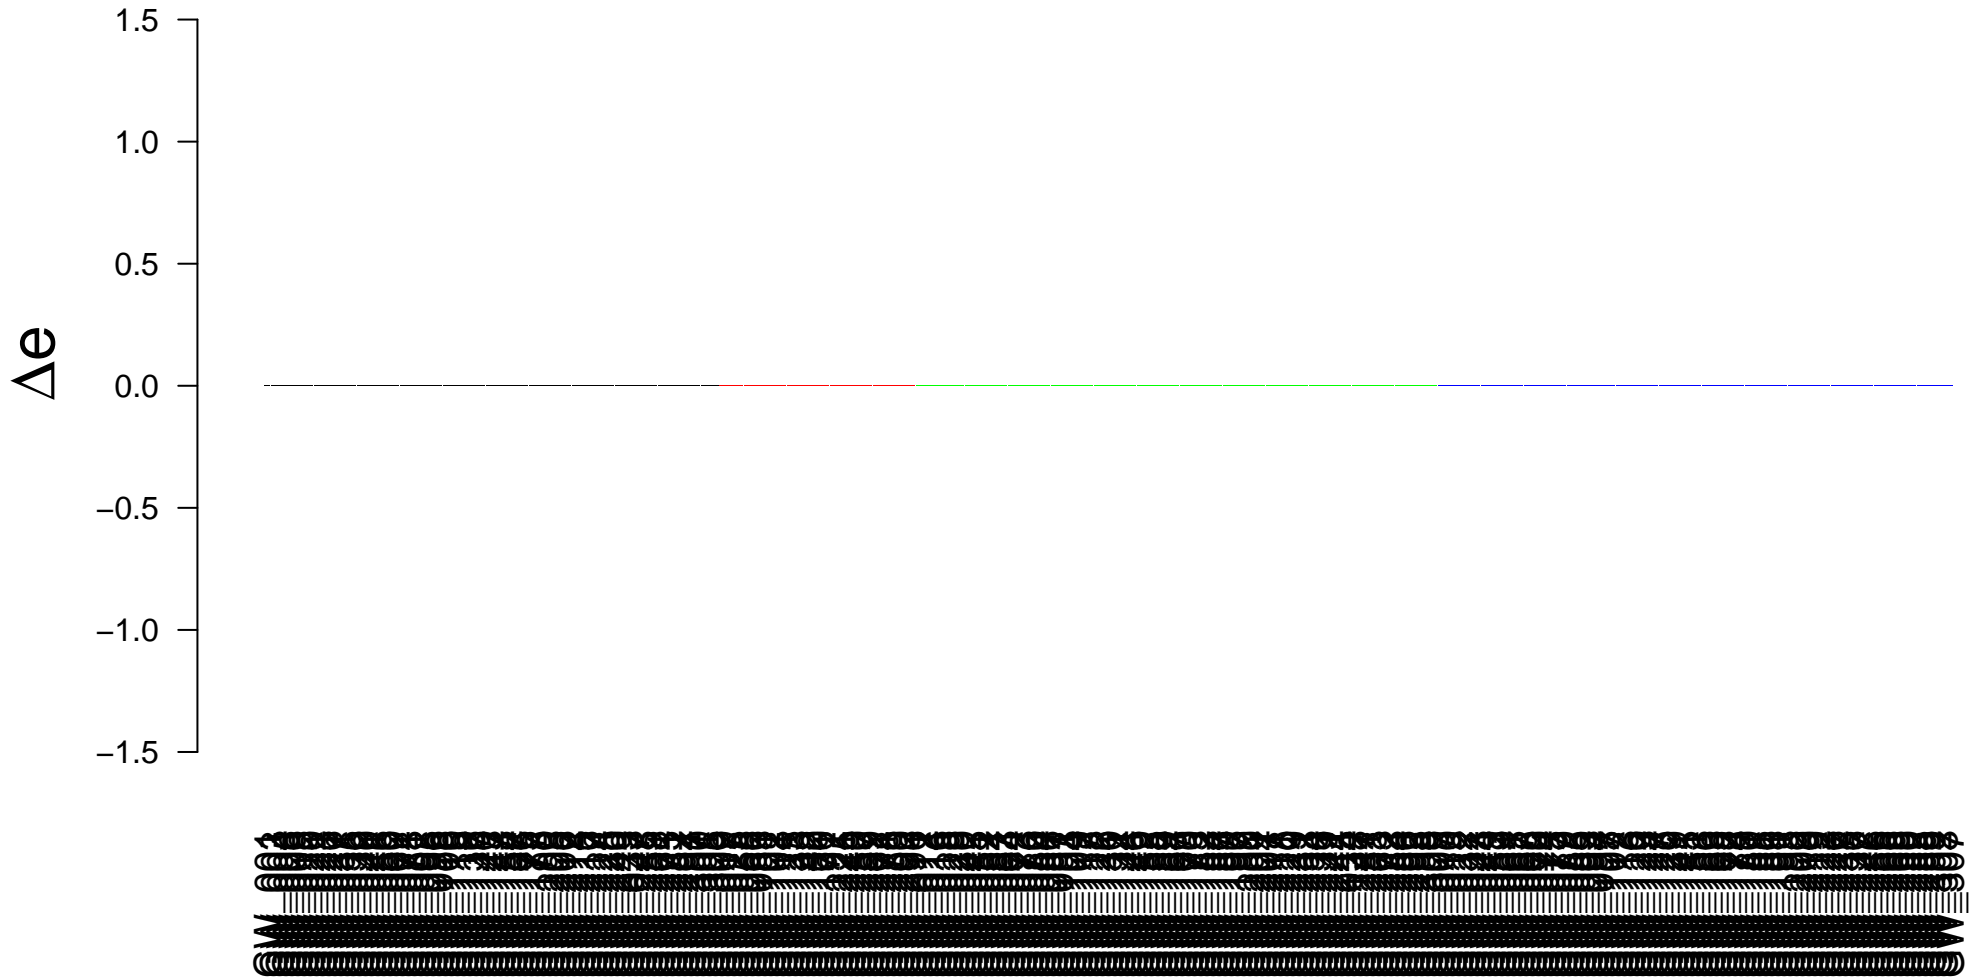

Expression of negative regulation of autophagy in Spot G

Expression of negative regulation of autophagy in Spot H

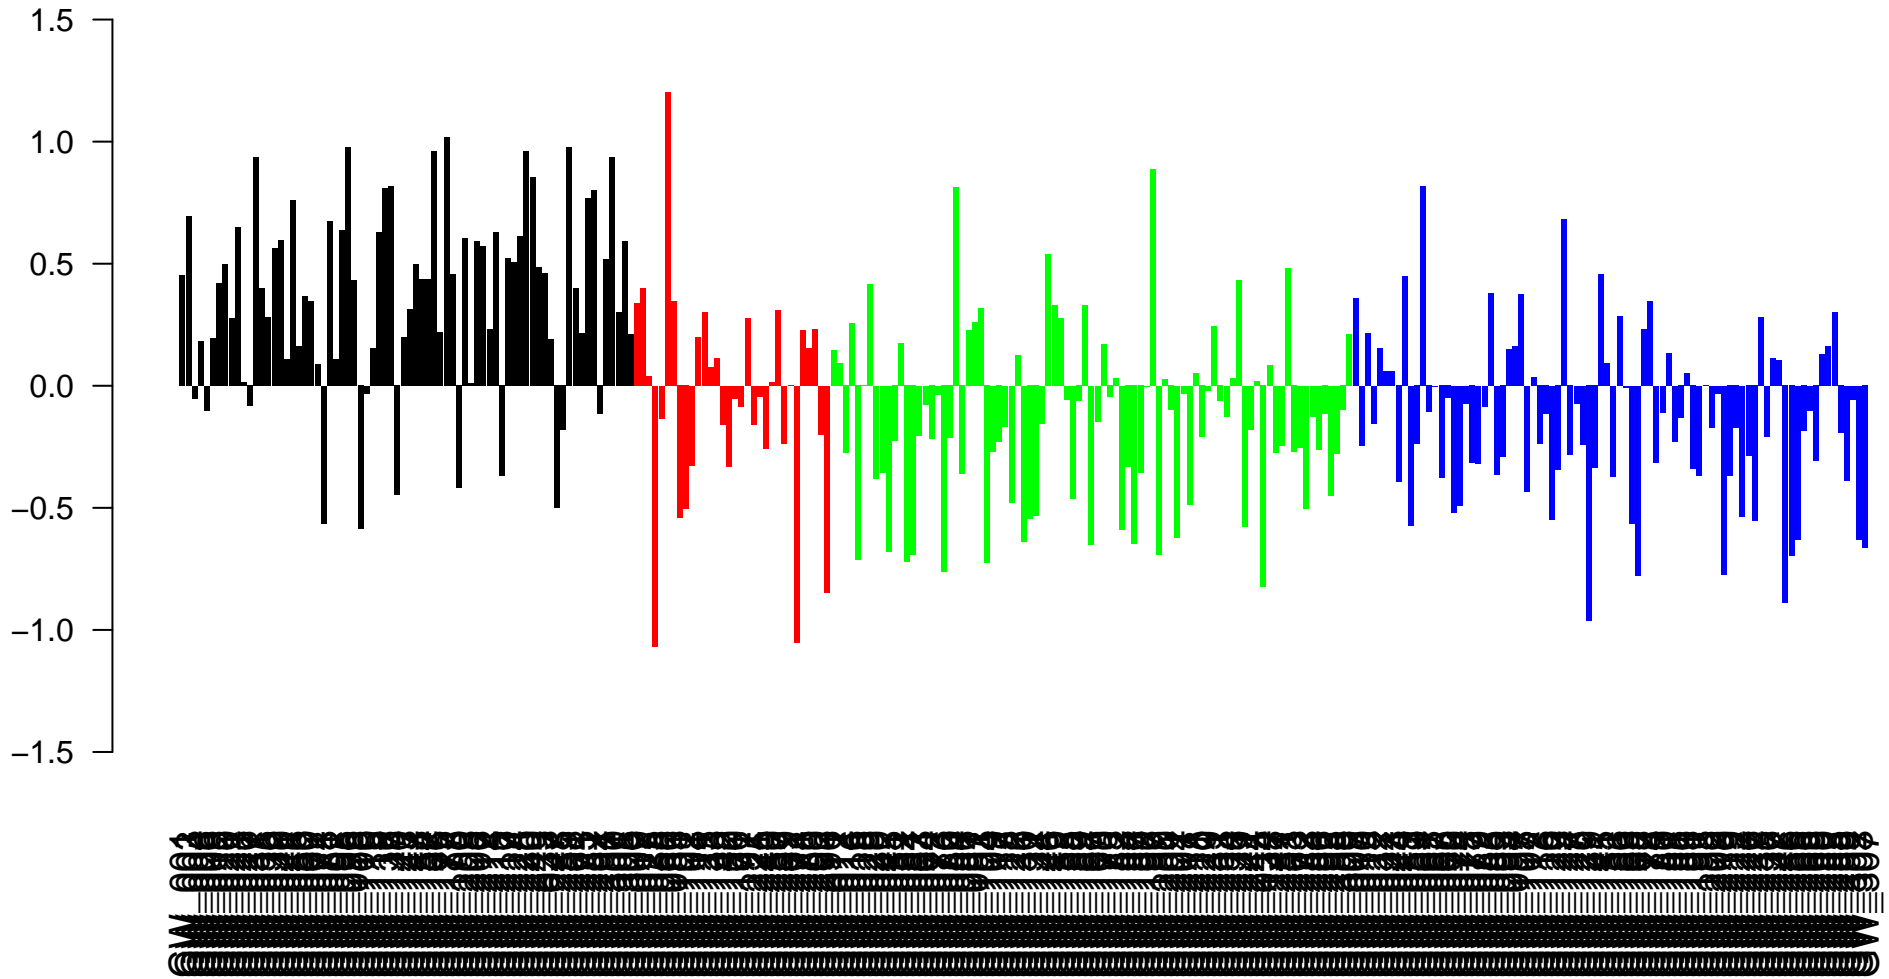

# Expression of negative regulation of autophagy in Spot I

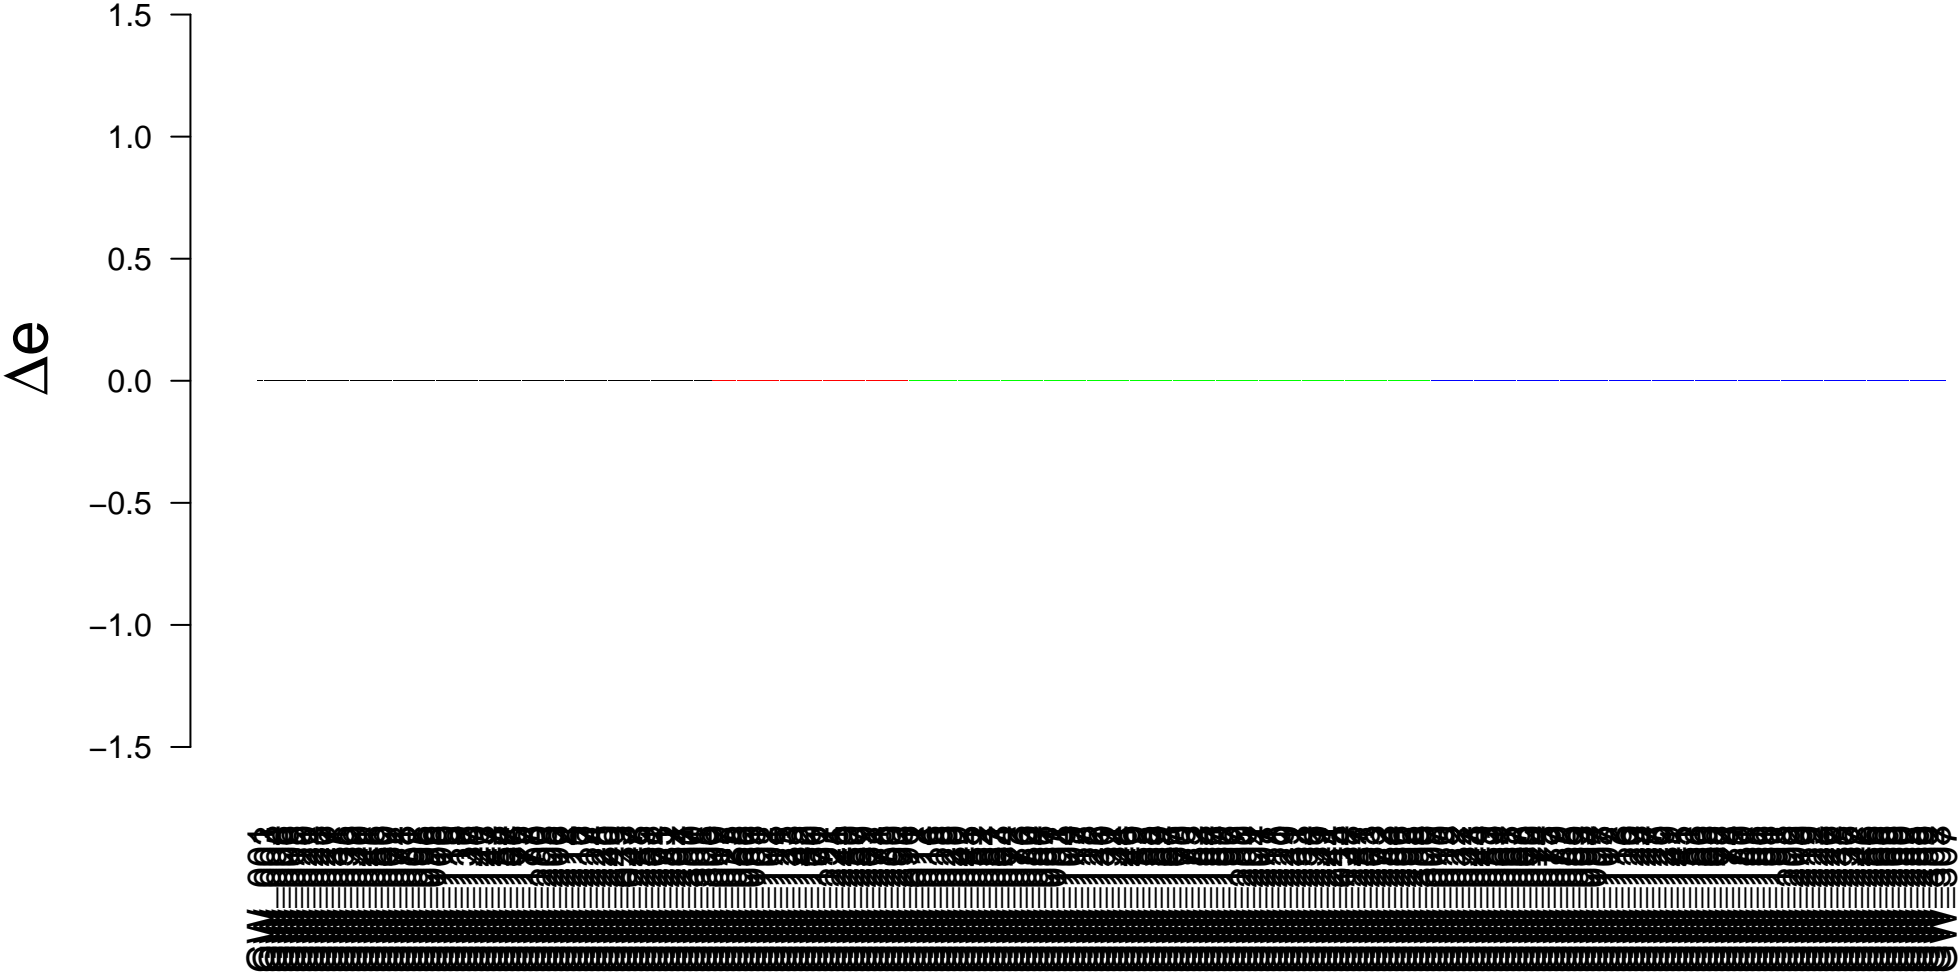

# Expression of negative regulation of autophagy in Spot J

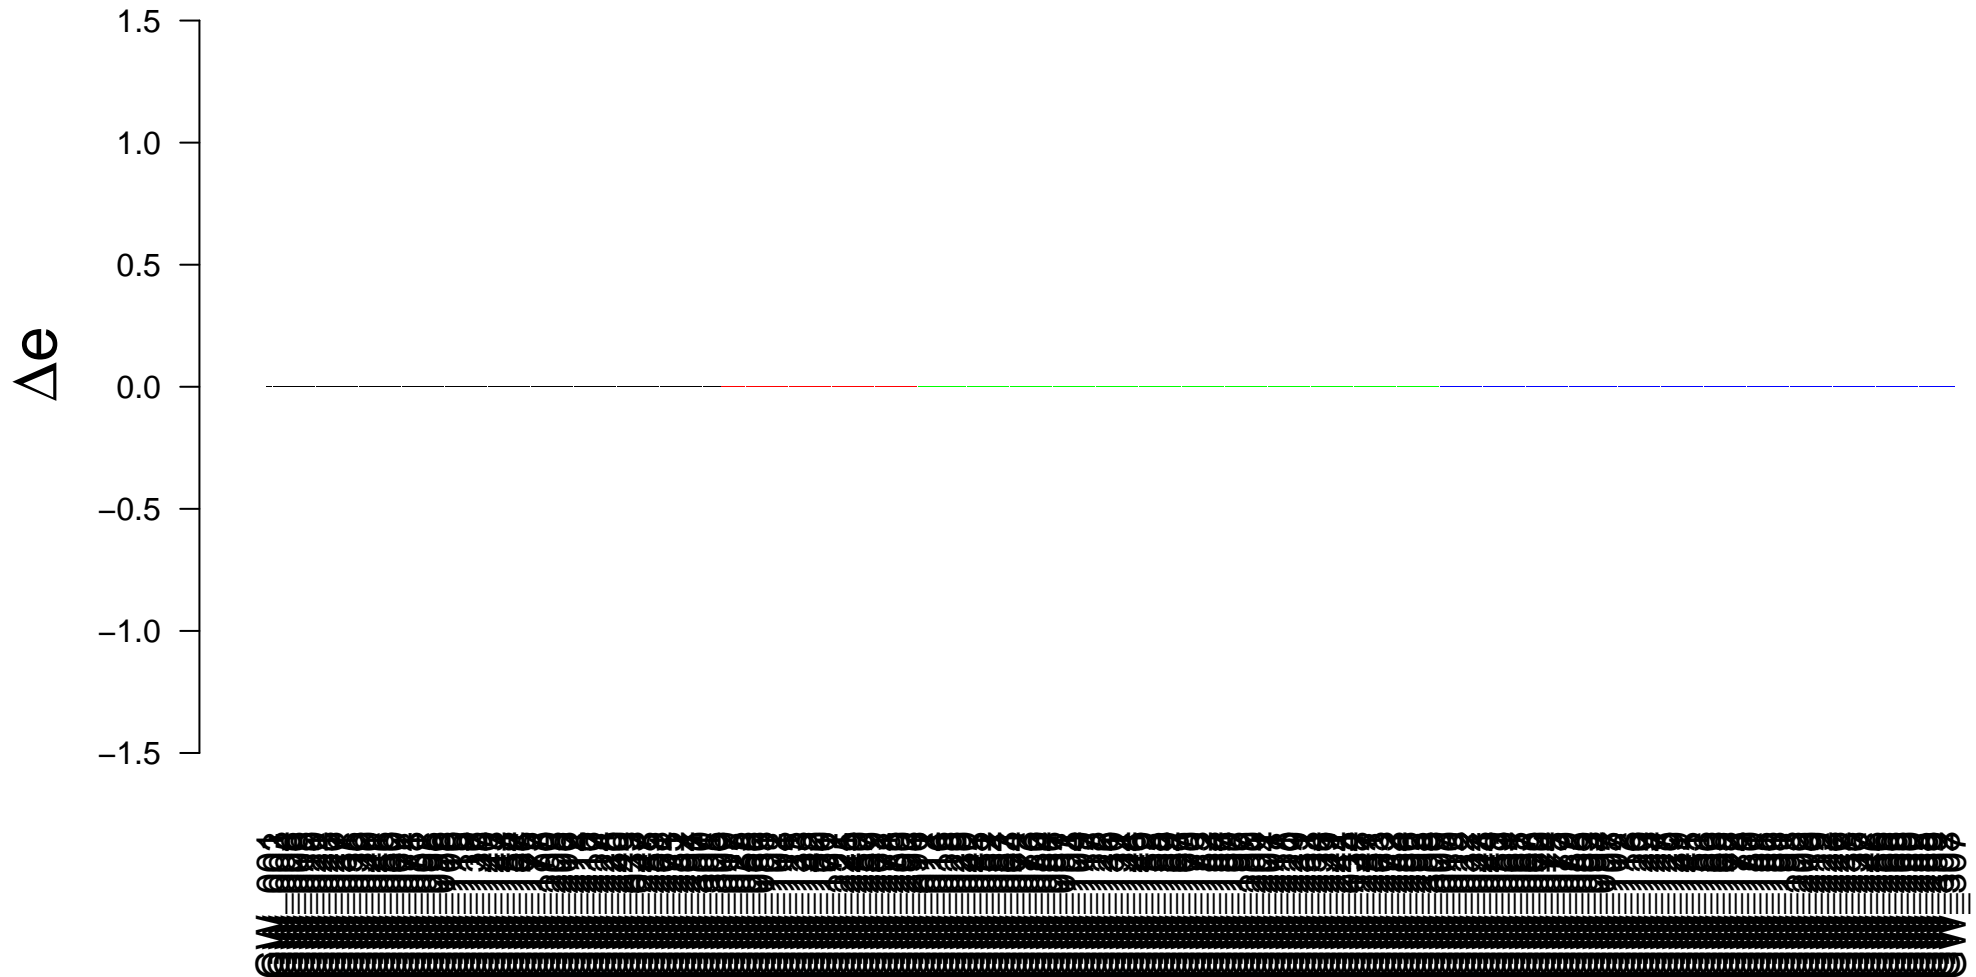

$\Delta e$

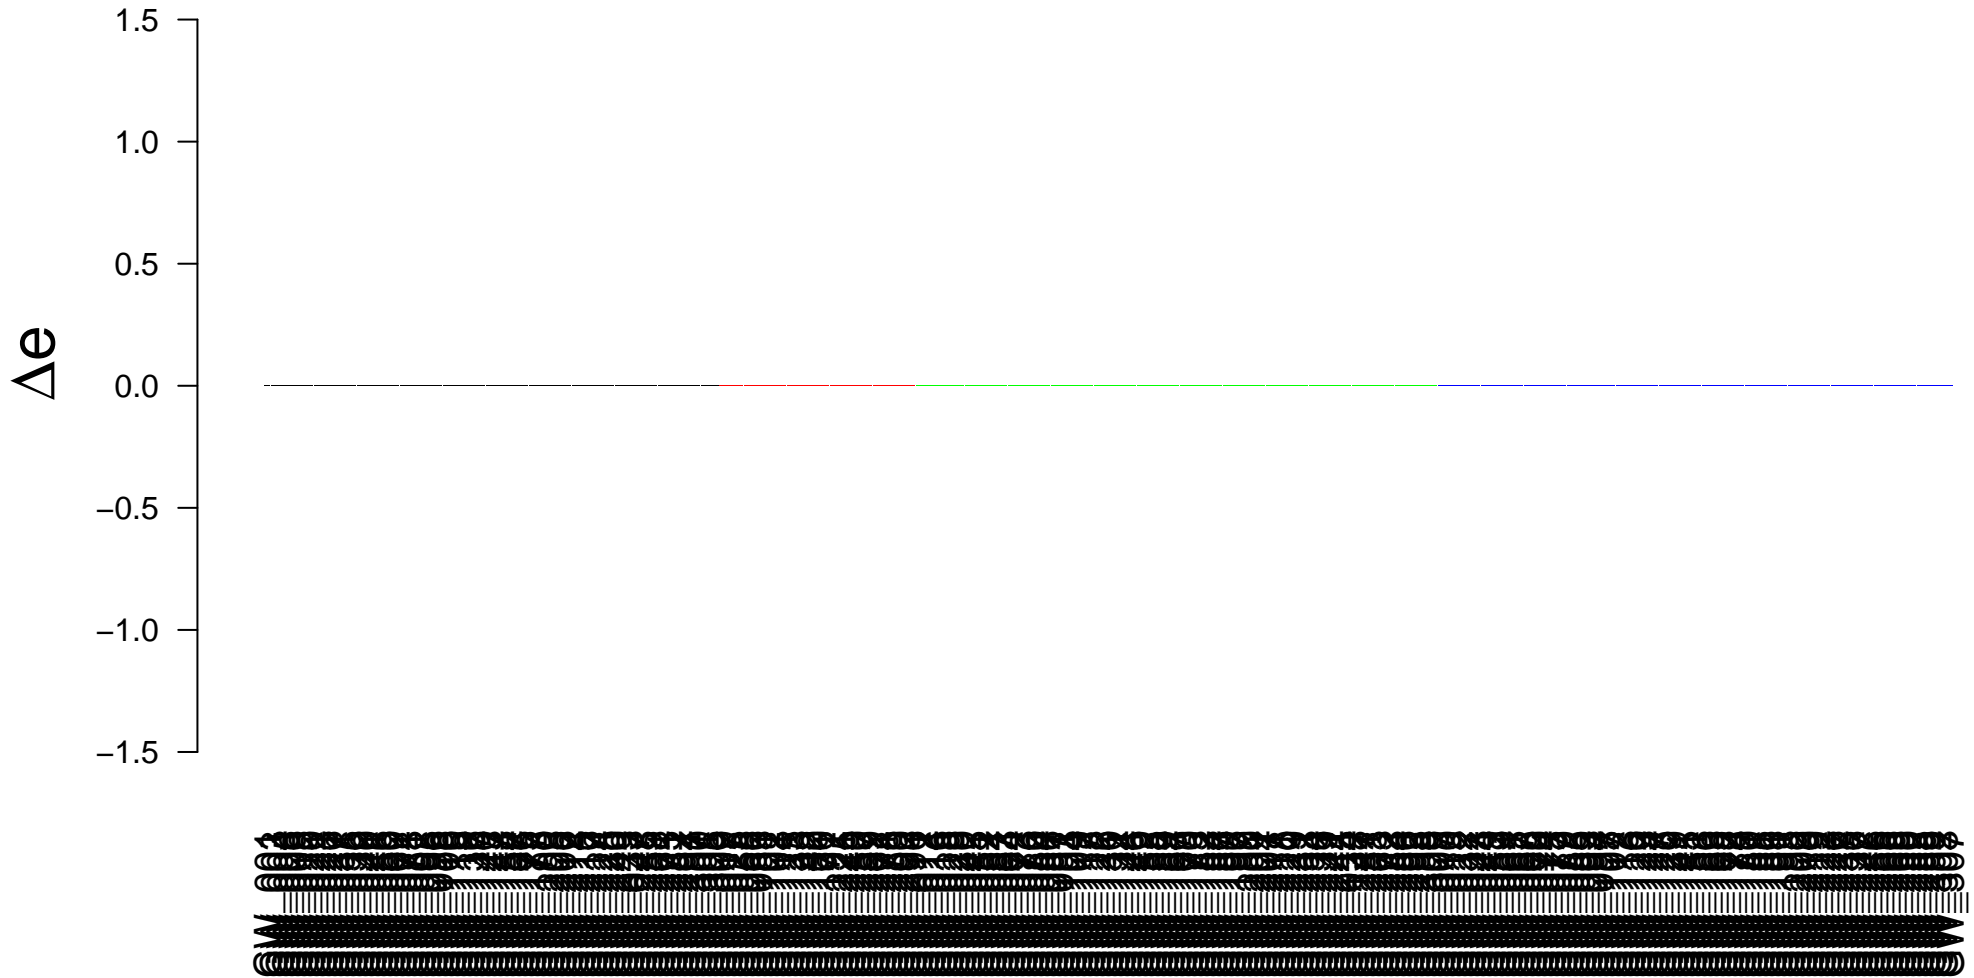

Expression of negative regulation of autophagy in Spot K

# Expression of negative regulation of autophagy in Spot L

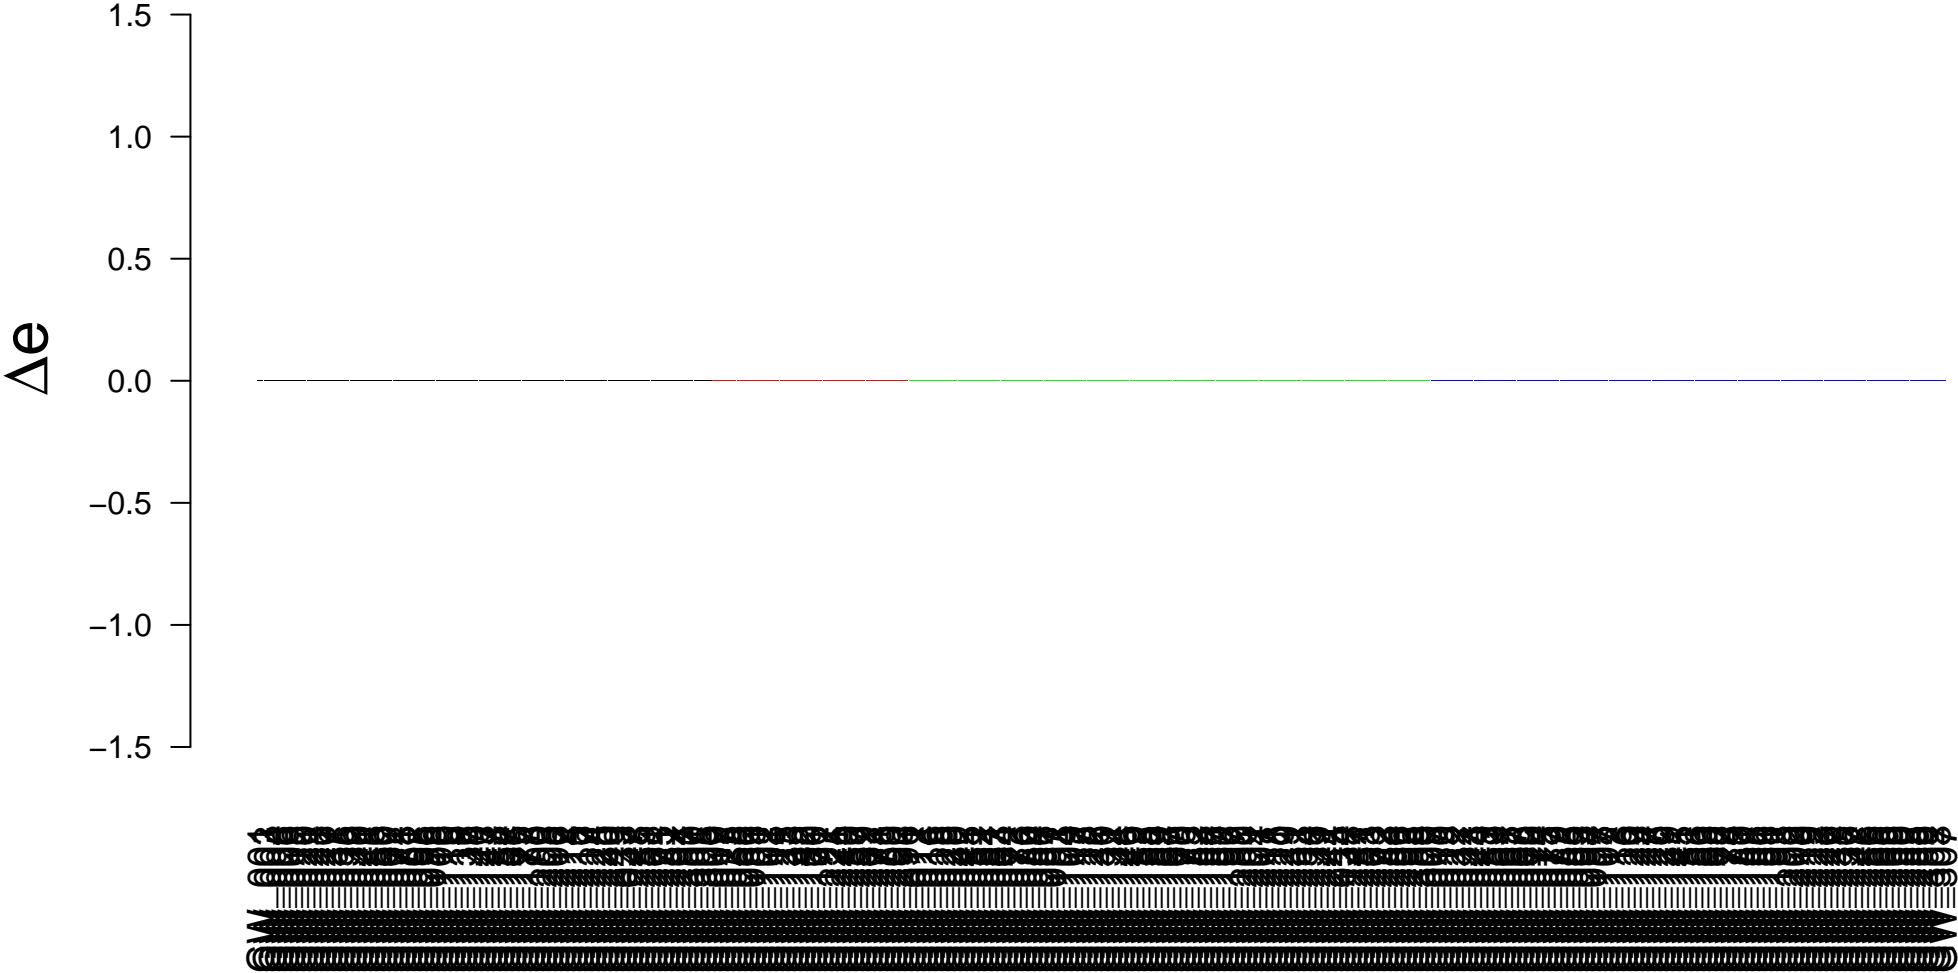

# Expression of negative regulation of autophagy in Spot M

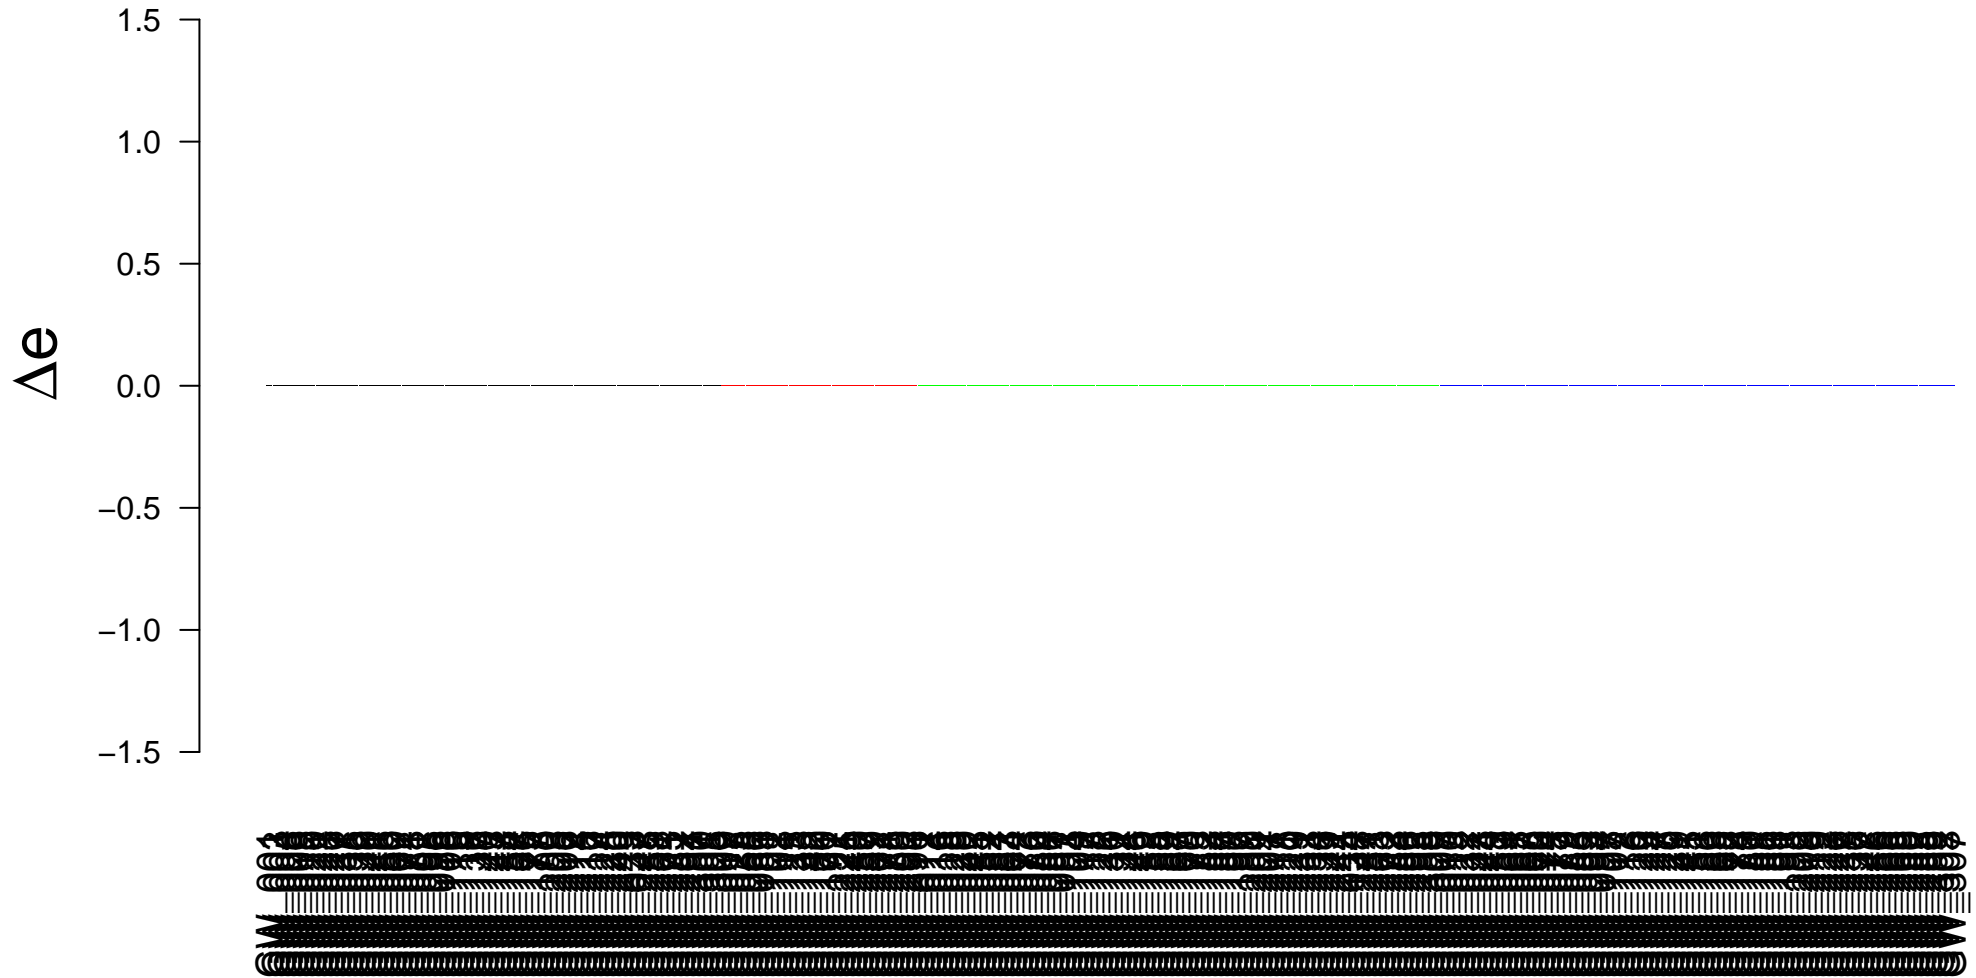

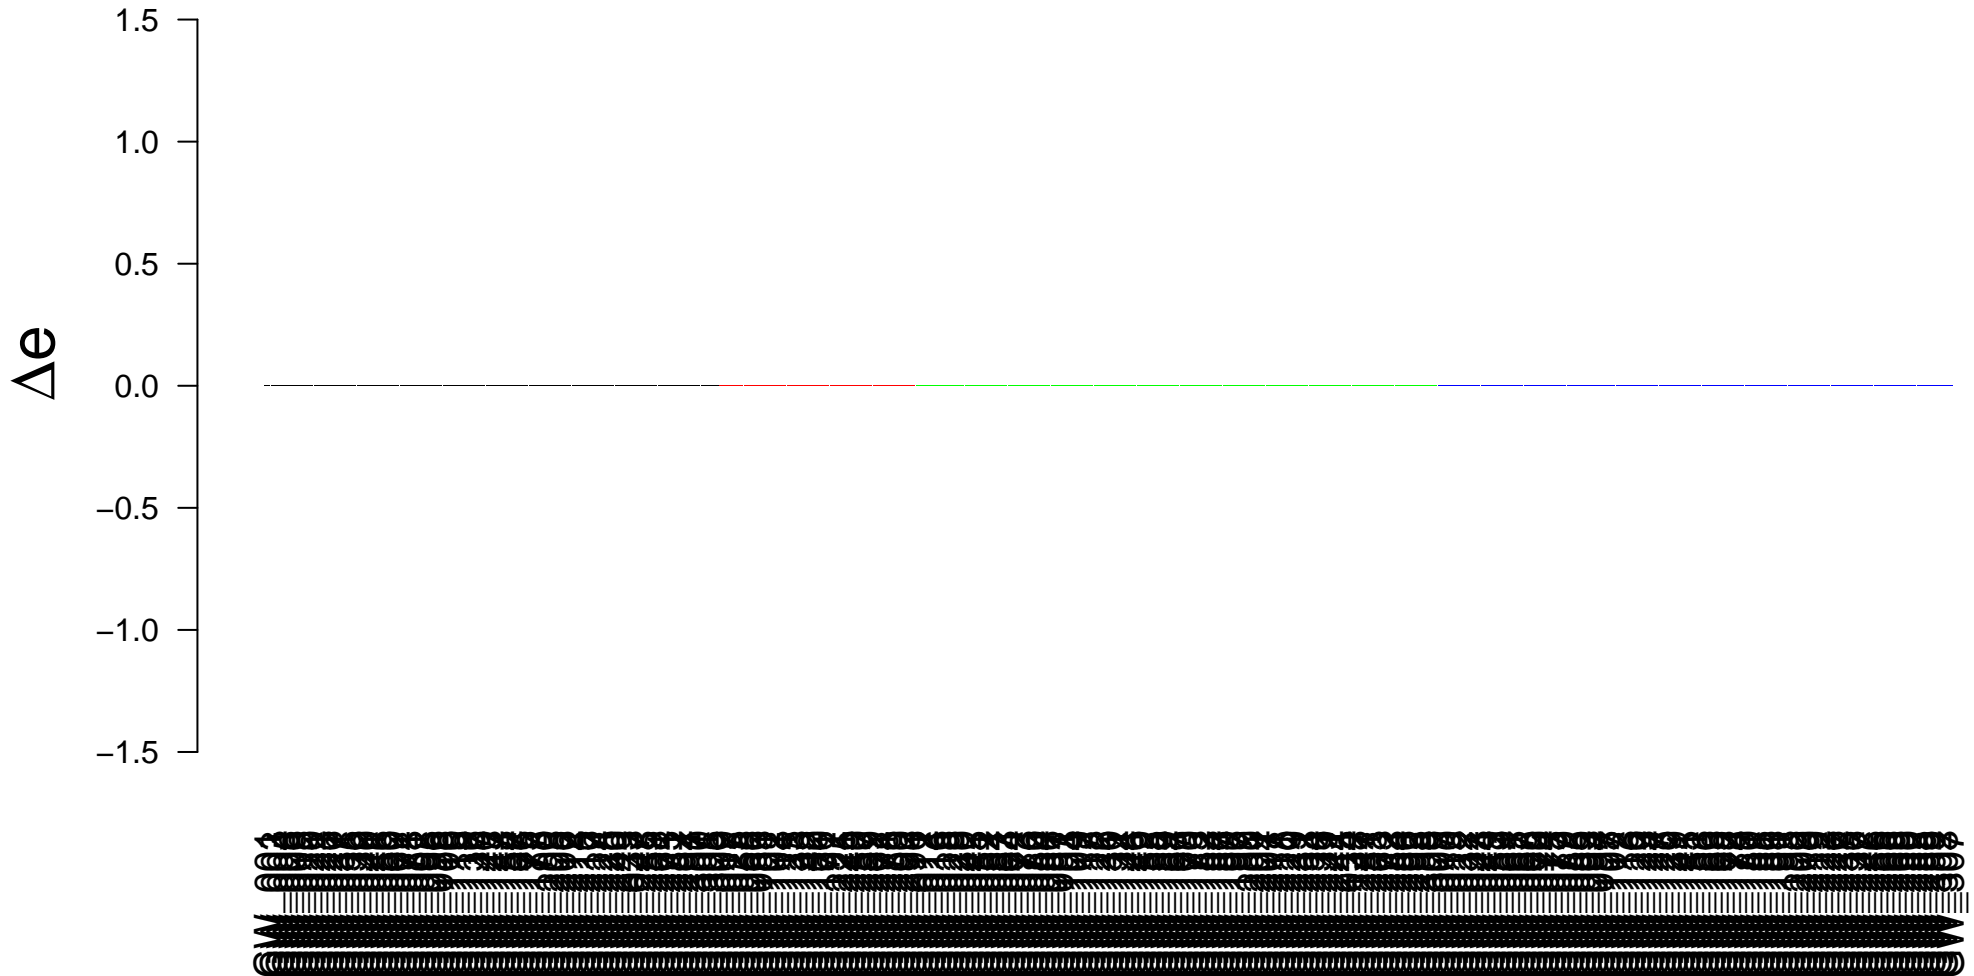

Expression of negative regulation of autophagy in Spot N

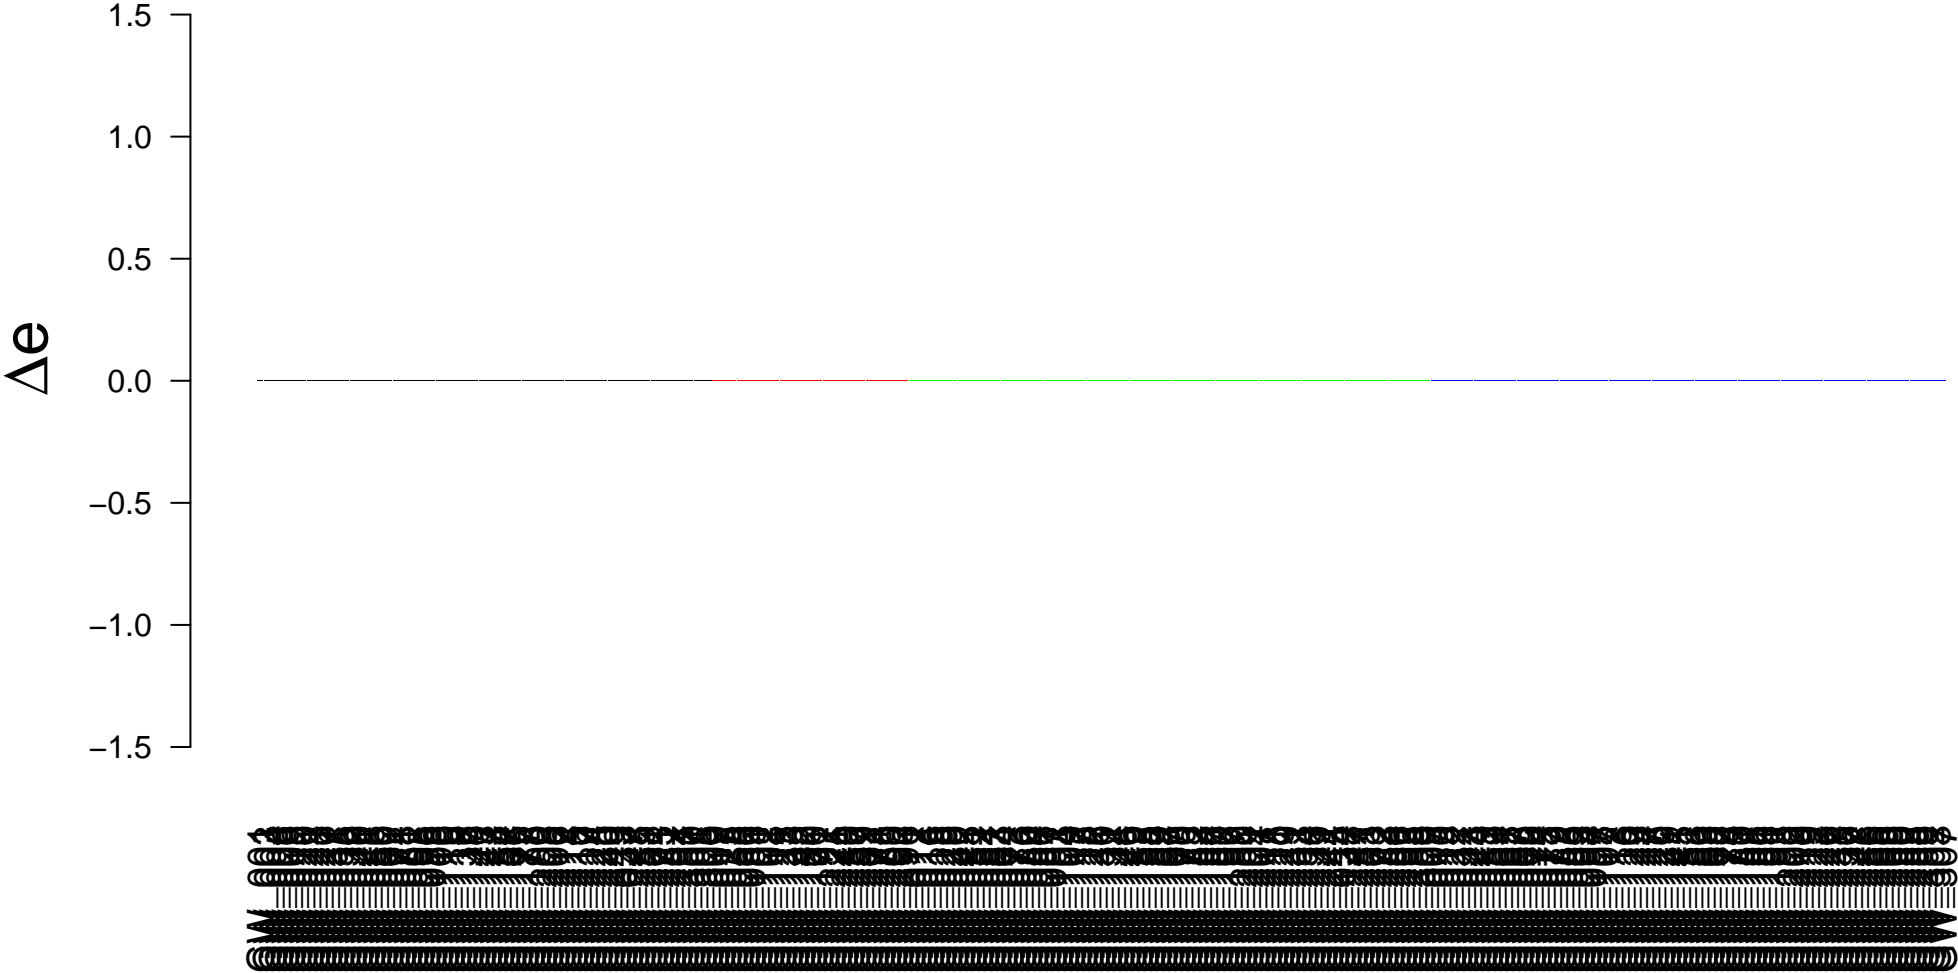

# Expression of negative regulation of autophagy in Spot O

# Expression of negative regulation of autophagy in Spot P

Expression of negative regulation of autophagy in Spot Q

Expression of negative regulation of autophagy in Spot R
