

negative regulation of axon extension

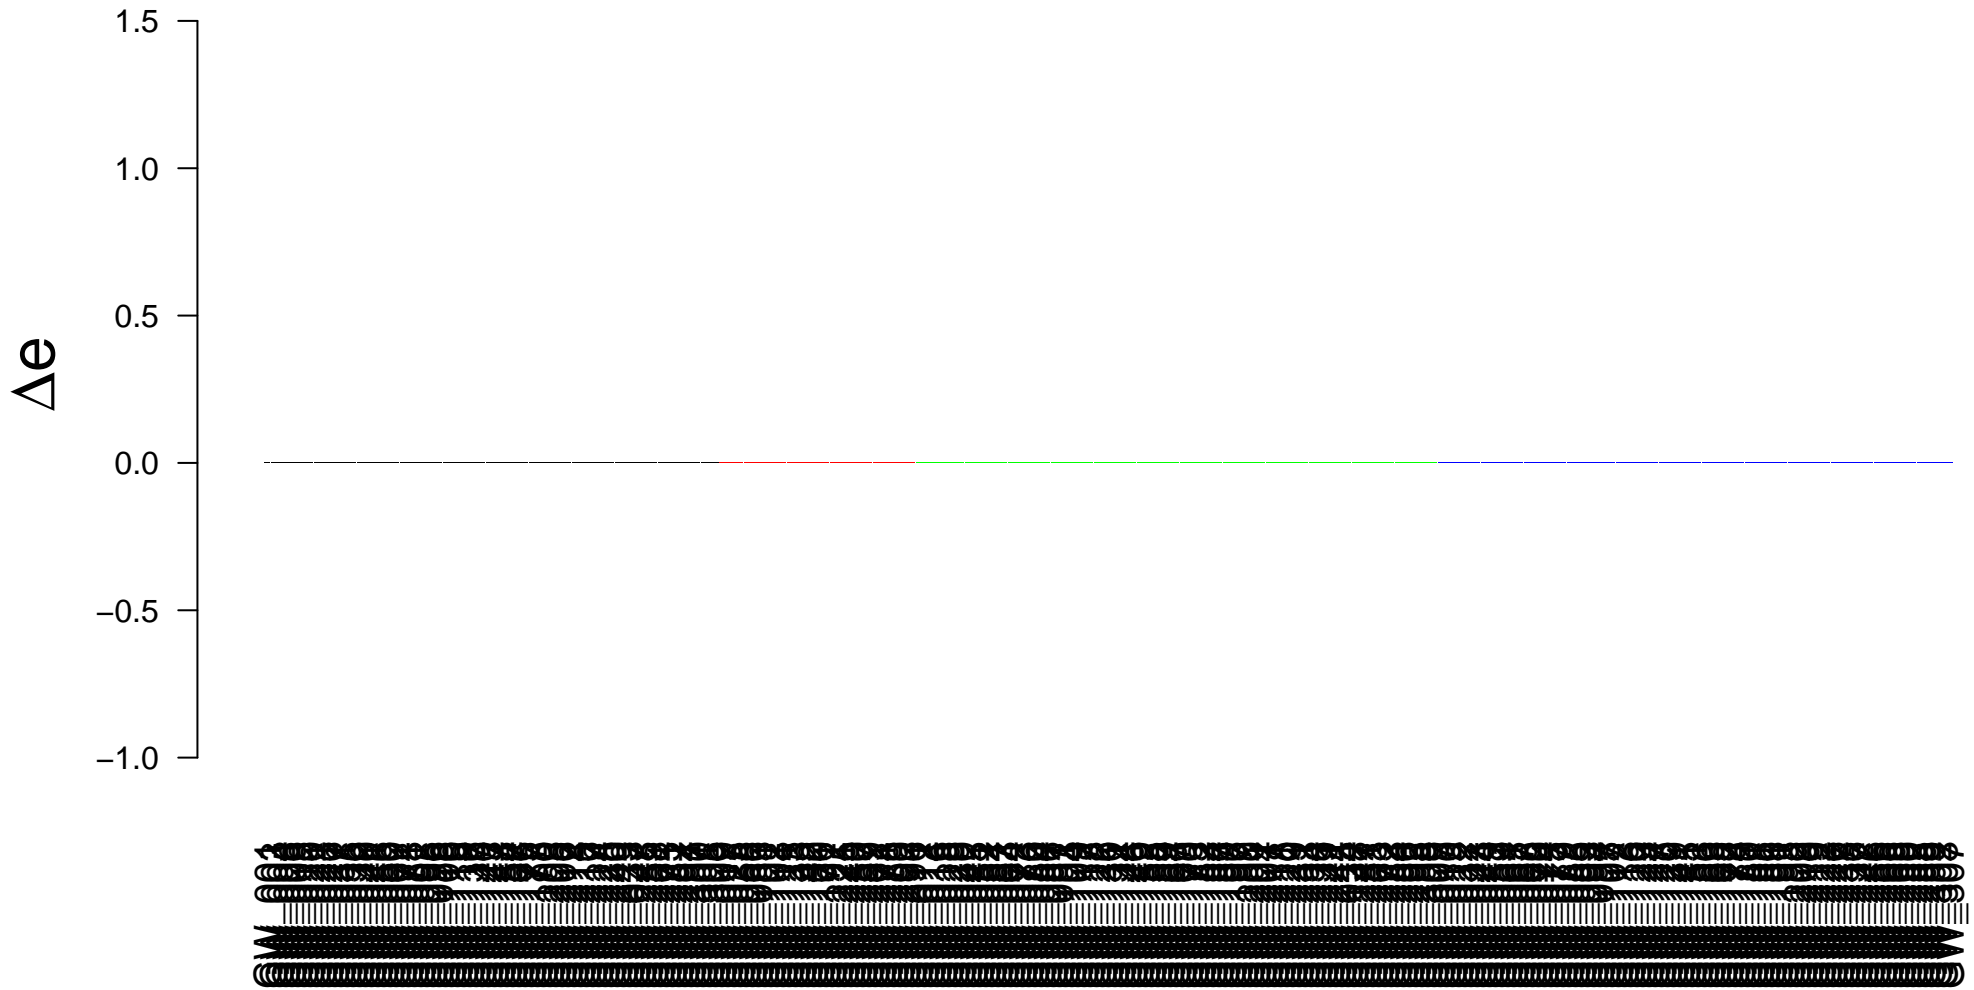

# negative regulation of axon extension

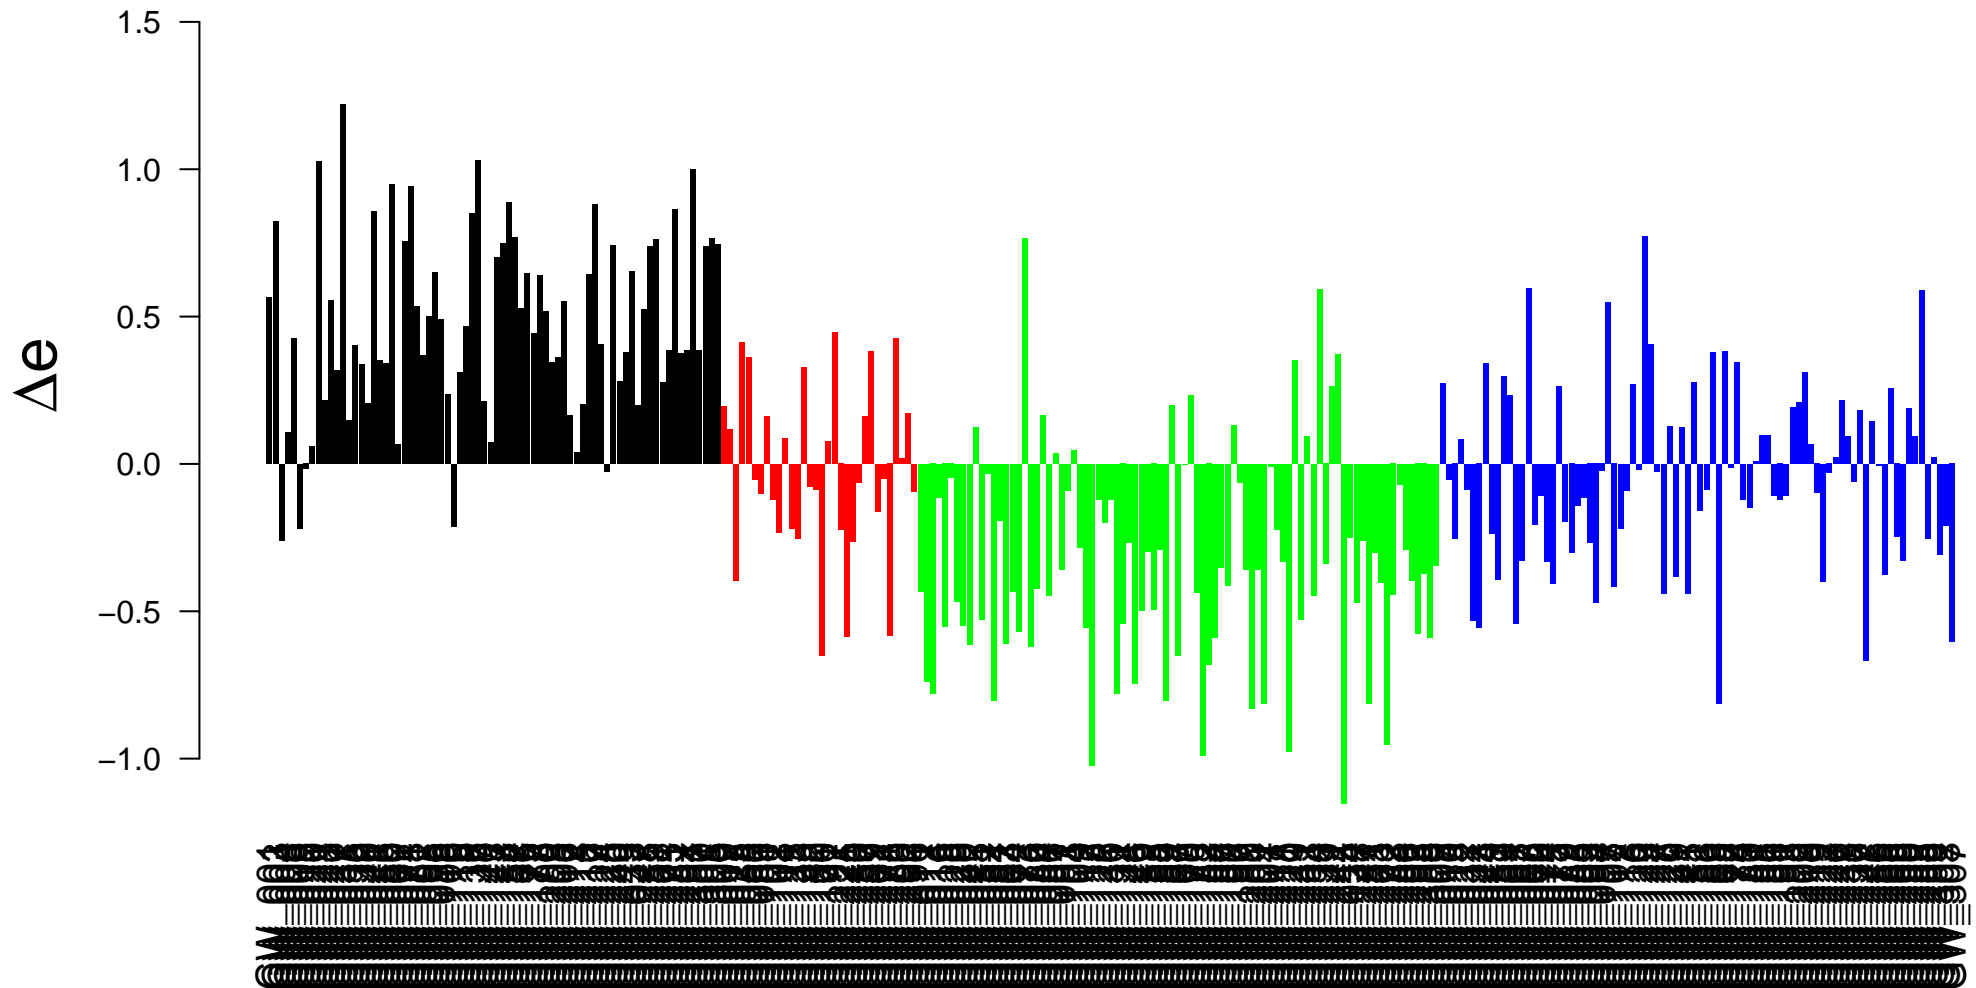

# Enrichment in spots: negative regulation of axon extension

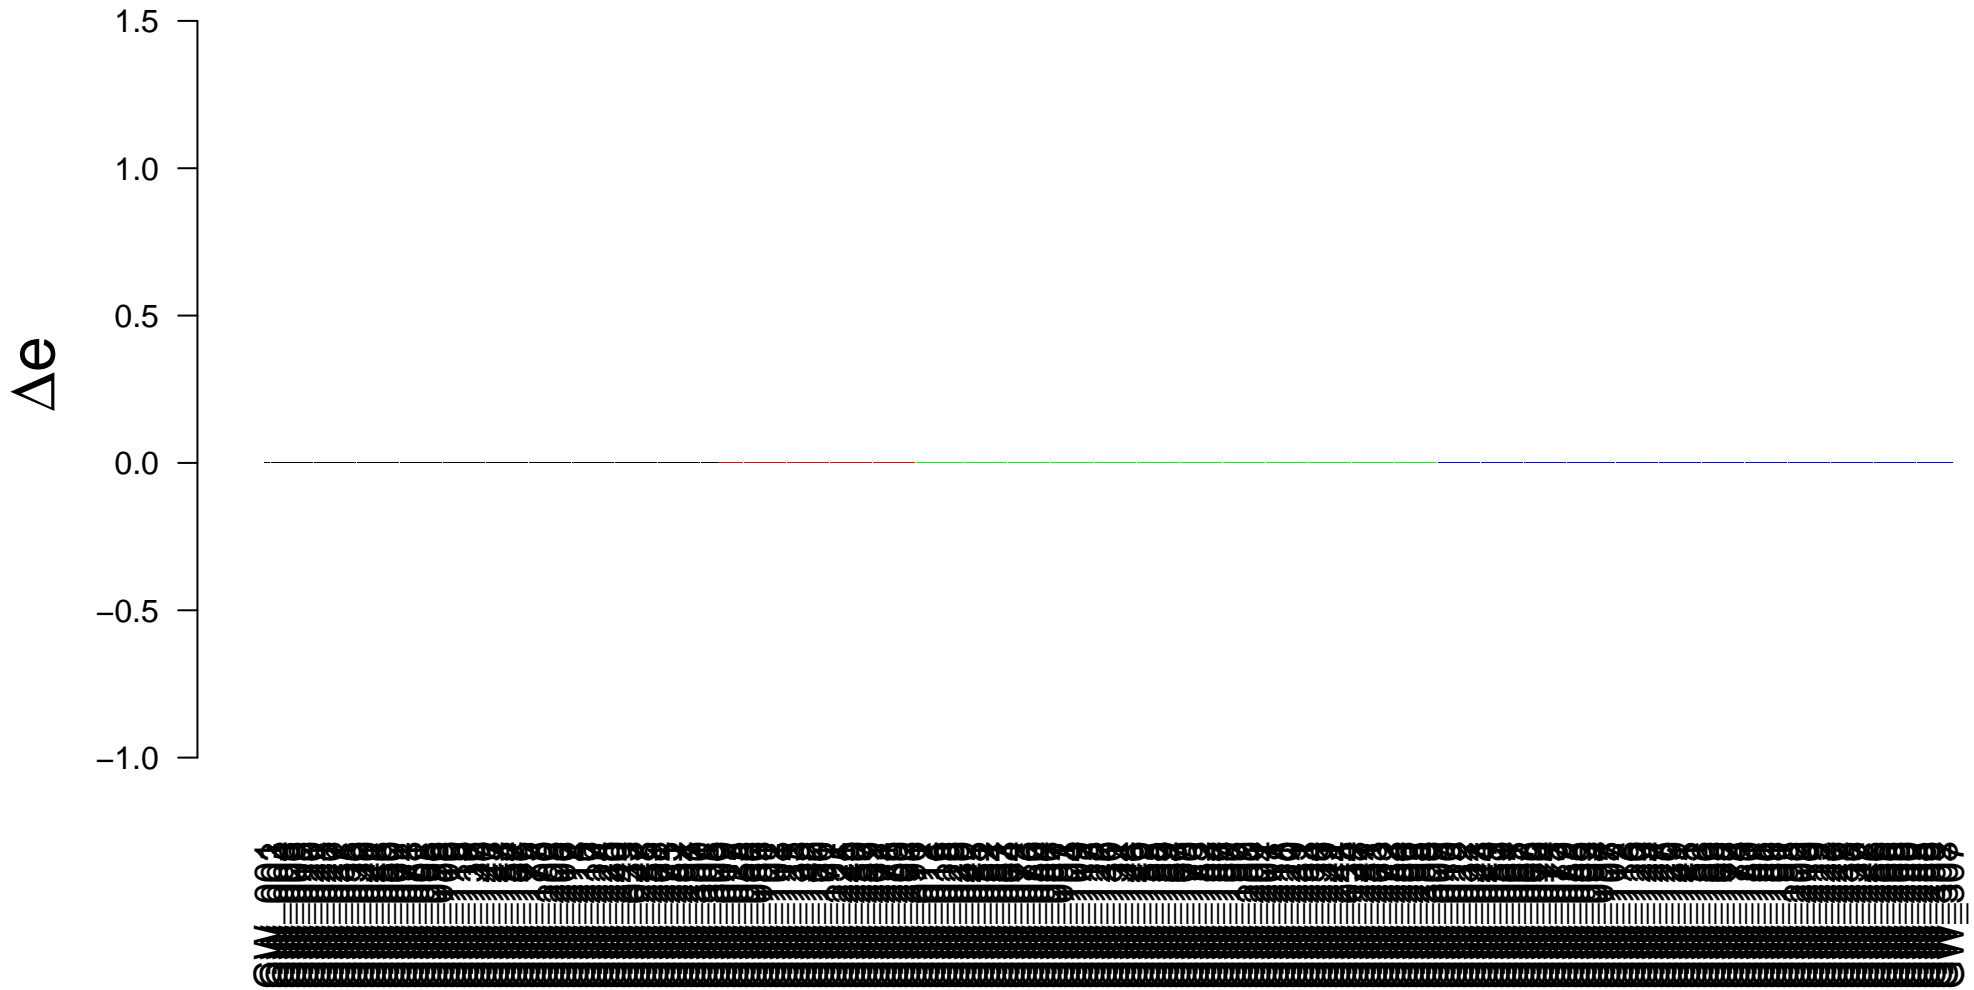

# Expression of negative regulation of axon extension in Spot A

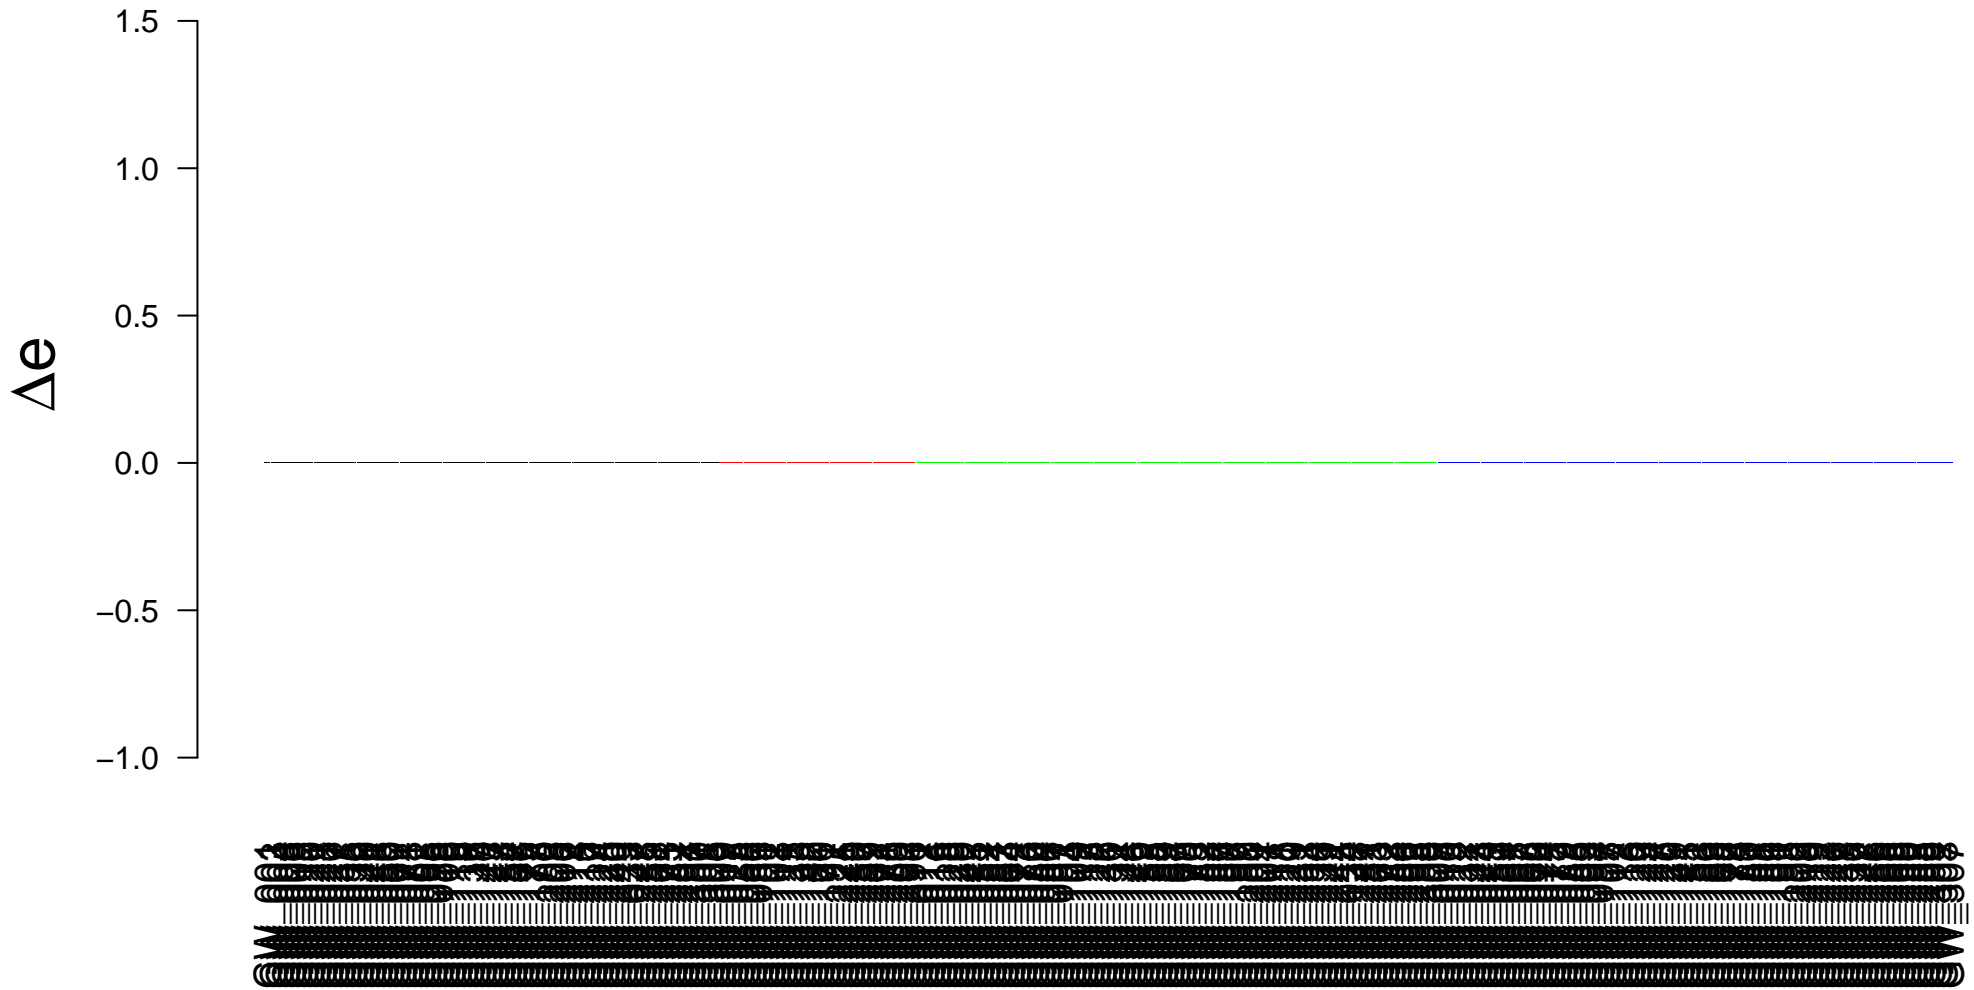

# Expression of negative regulation of axon extension in Spot B

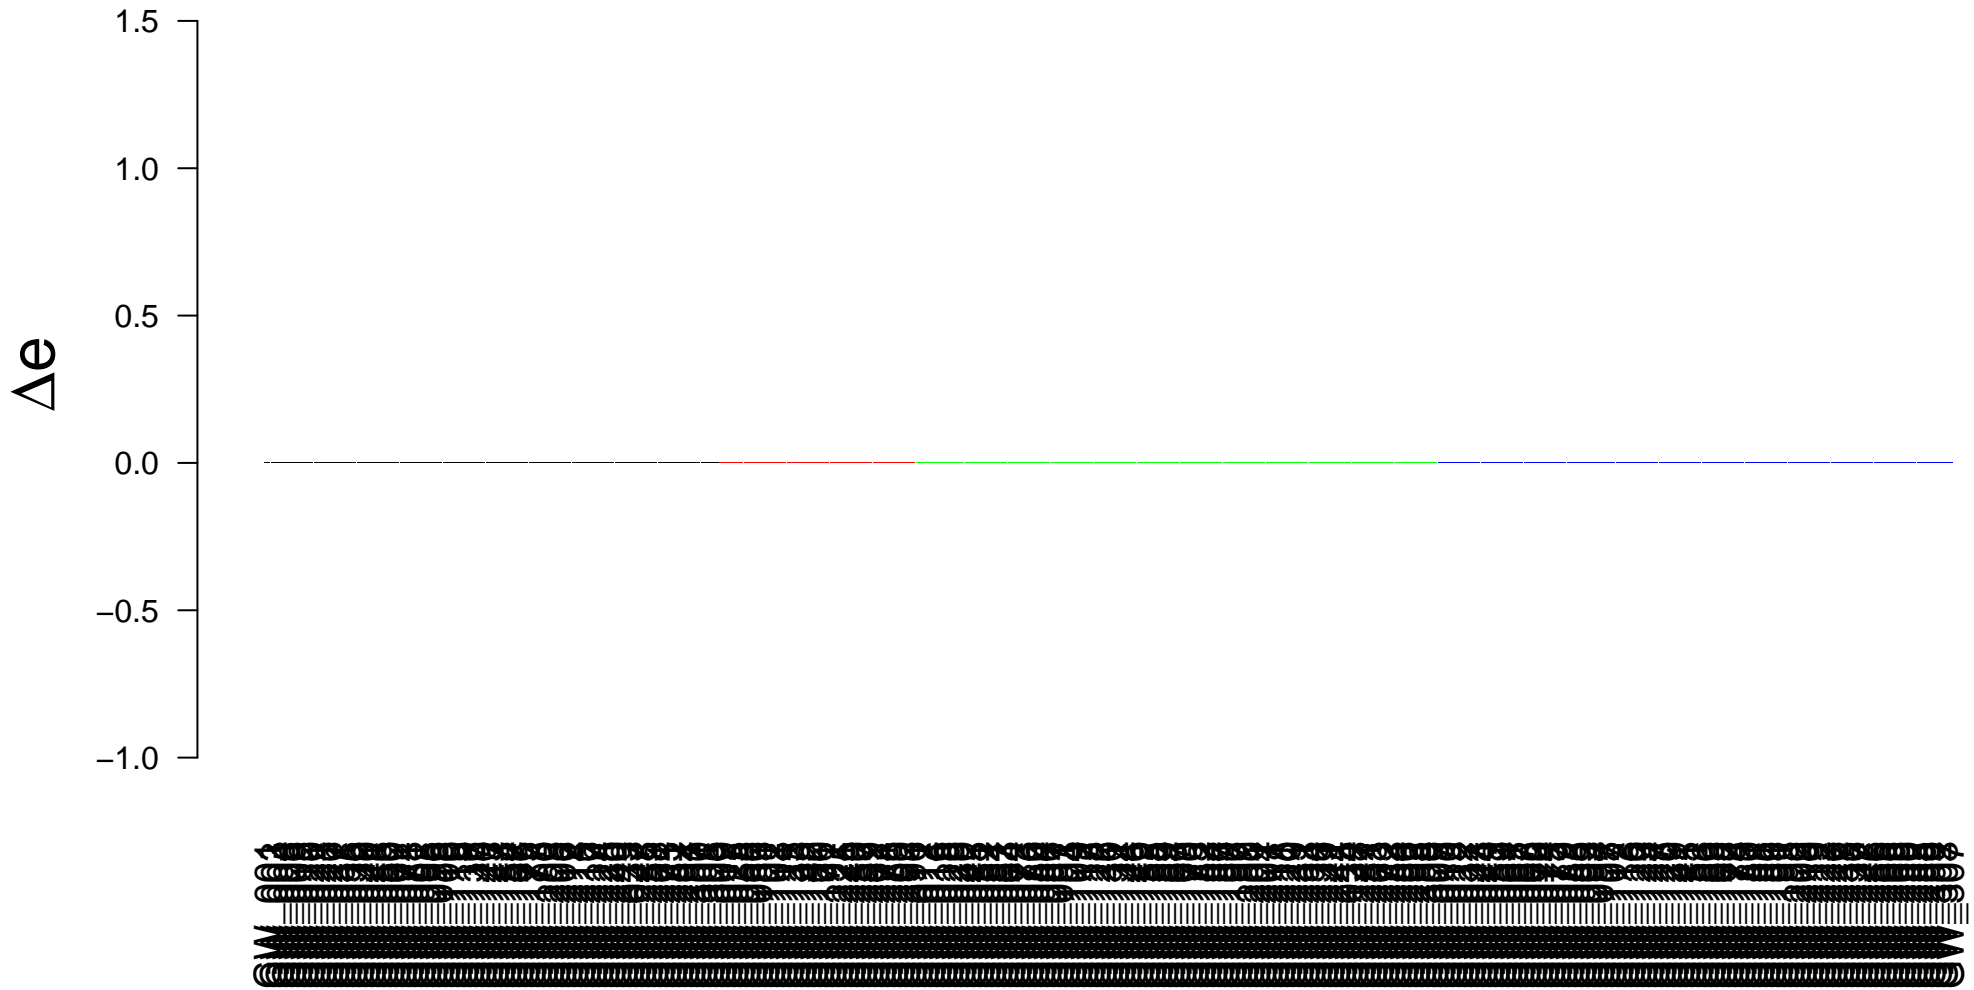

# Expression of negative regulation of axon extension in Spot C

# Expression of negative regulation of axon extension in Spot D

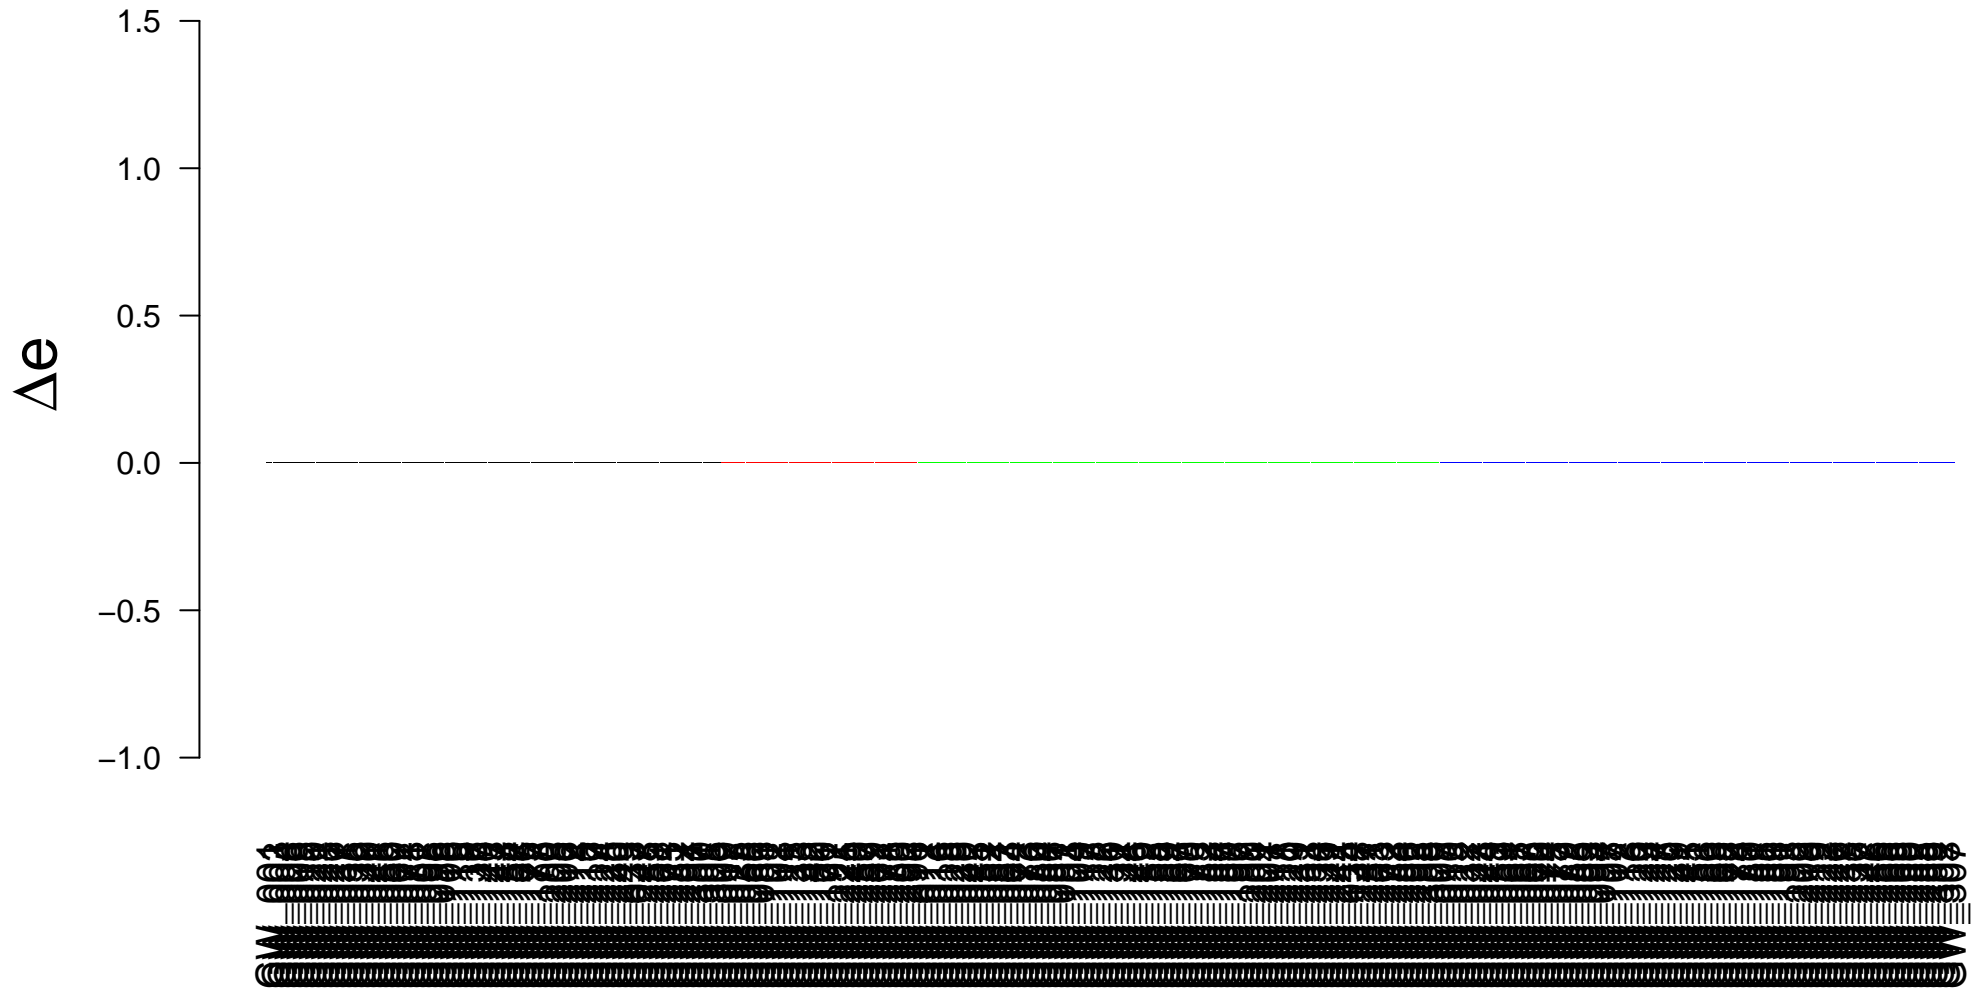

# Expression of negative regulation of axon extension in Spot E

# Expression of negative regulation of axon extension in Spot F

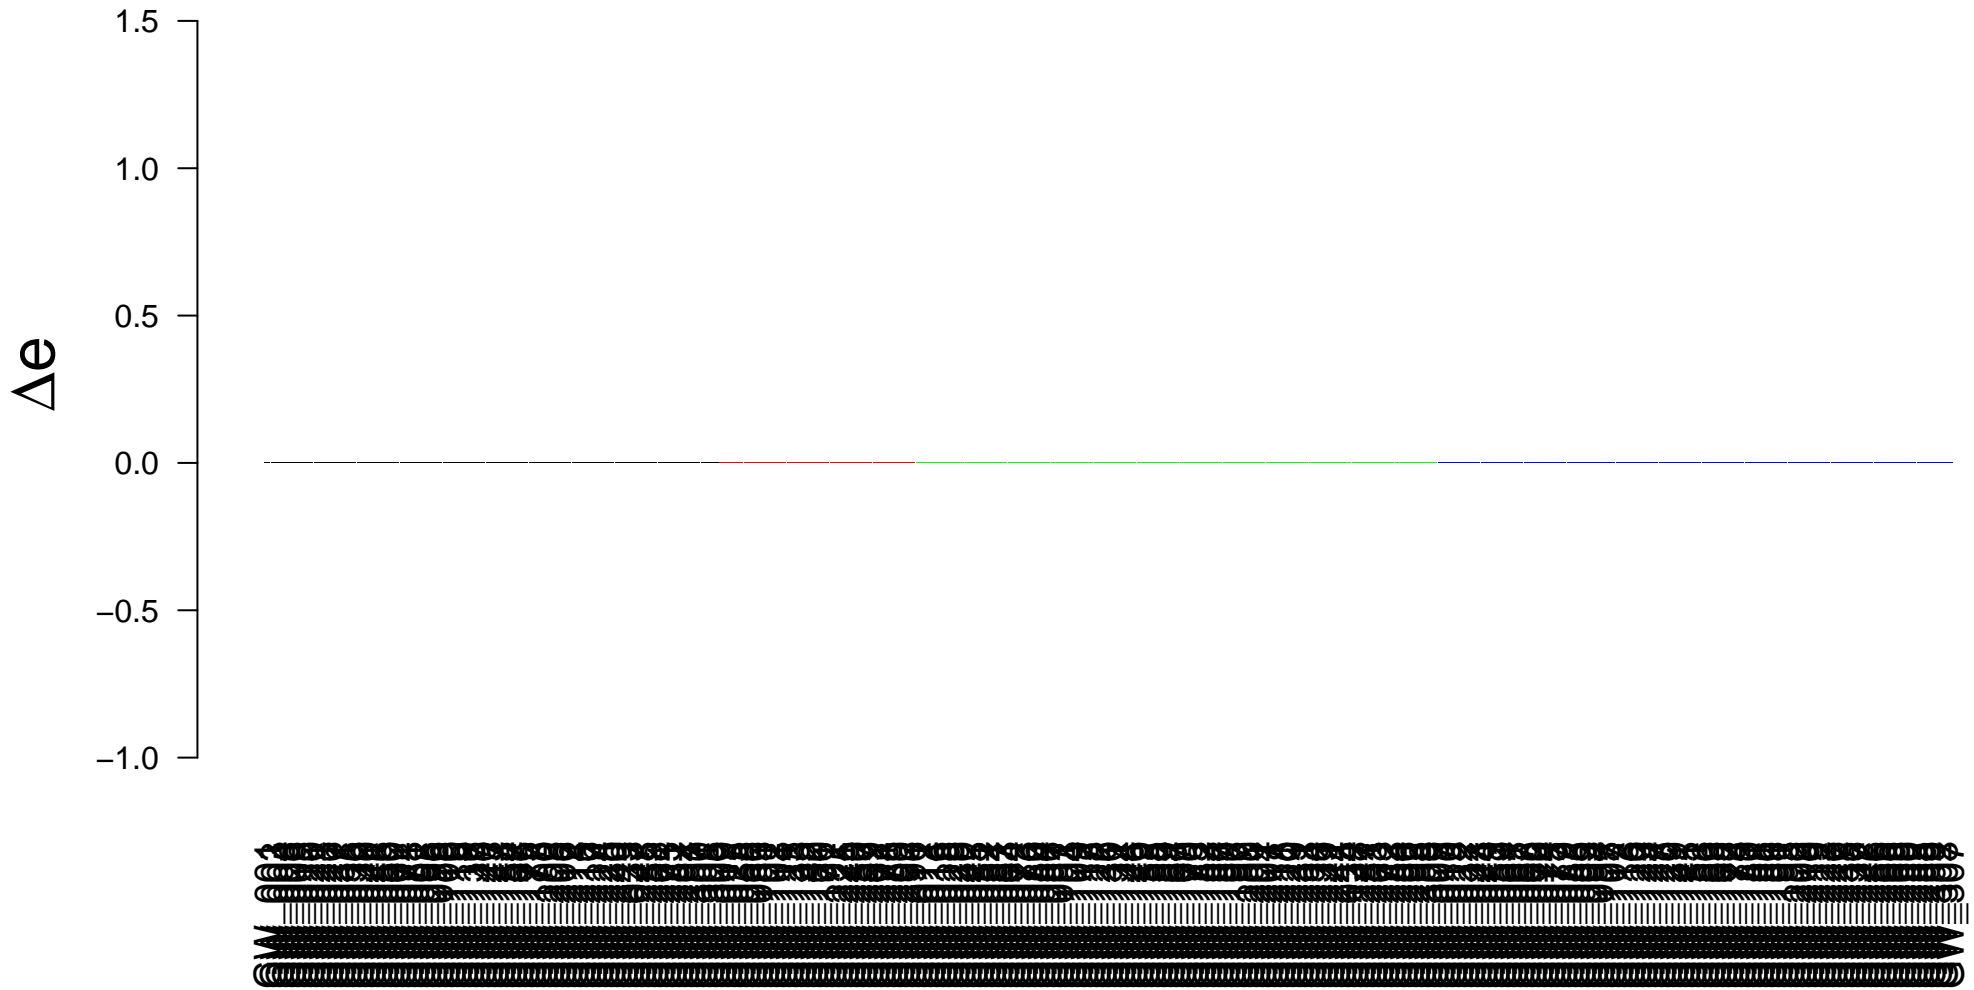

# Expression of negative regulation of axon extension in Spot G
