

negative regulation of blood vessel endothelial cell migration

negative regulation of blood vessel endothelial cell migration

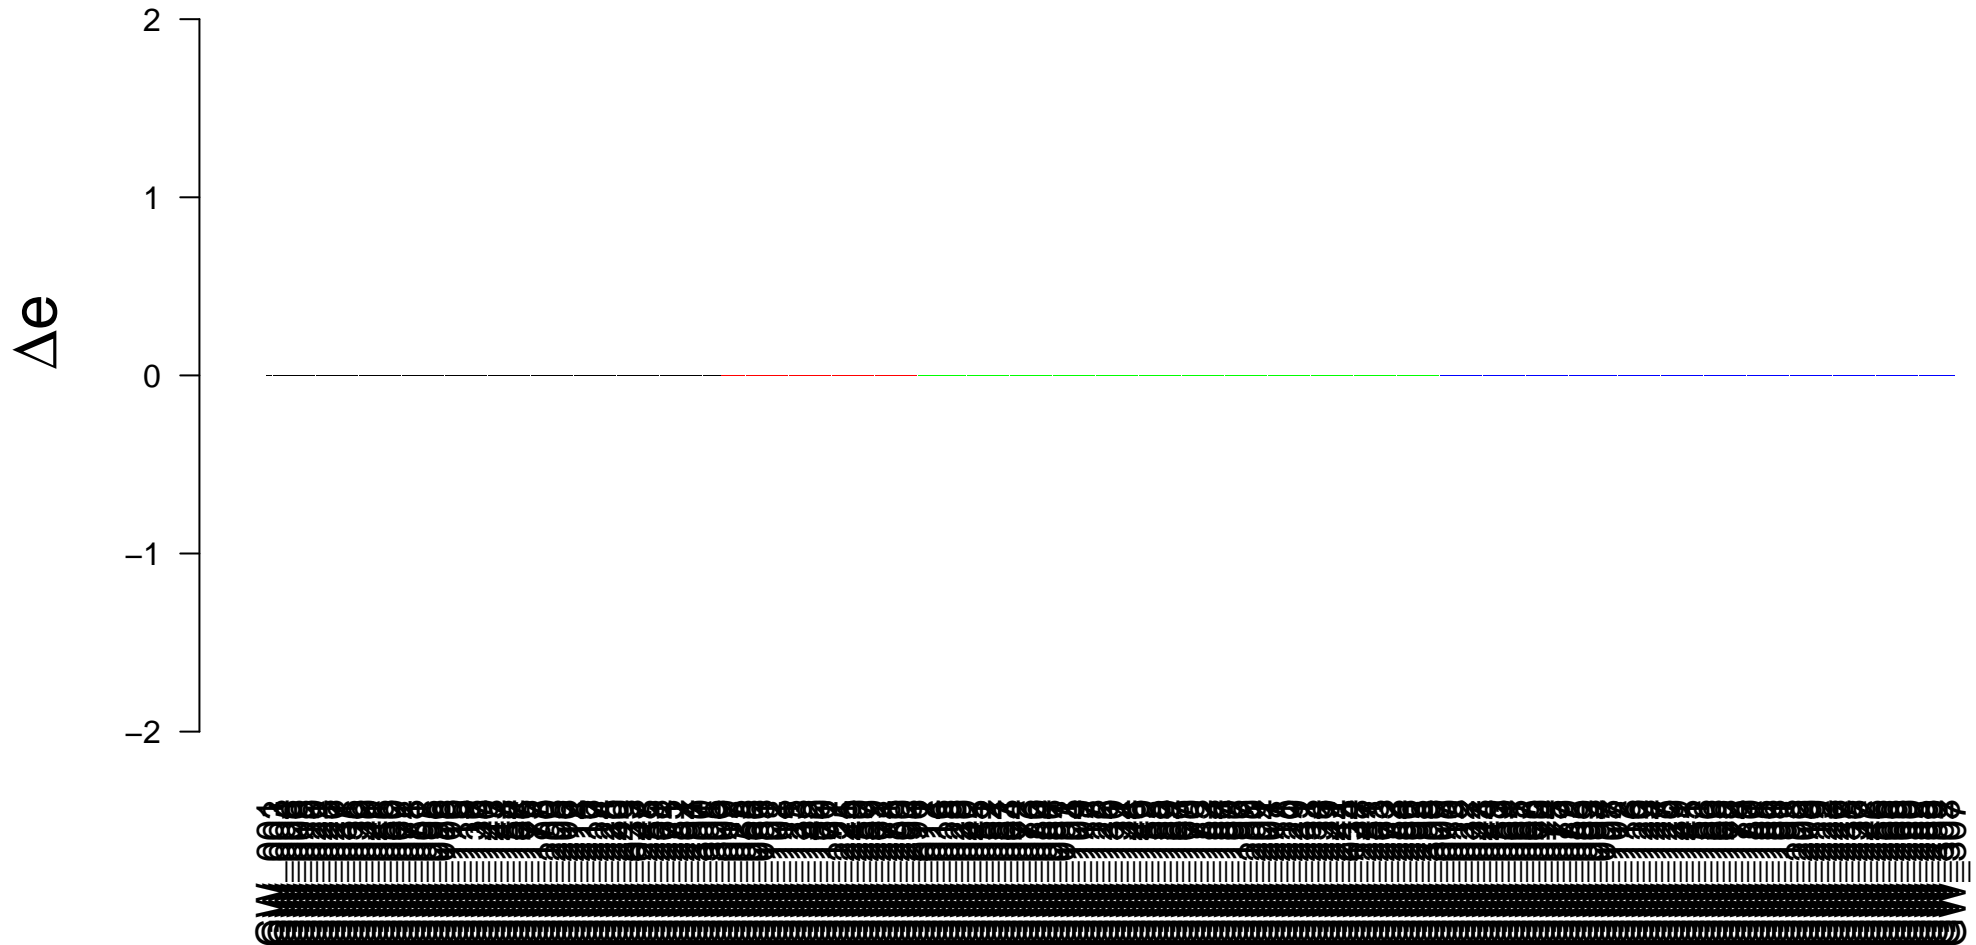

Enrichment in spots: negative regulation of blood vessel endothelial cell migration

Expression of negative regulation of blood vessel endothelial cell migration in Spot A

Expression of negative regulation of blood vessel endothelial cell migration in Spot B

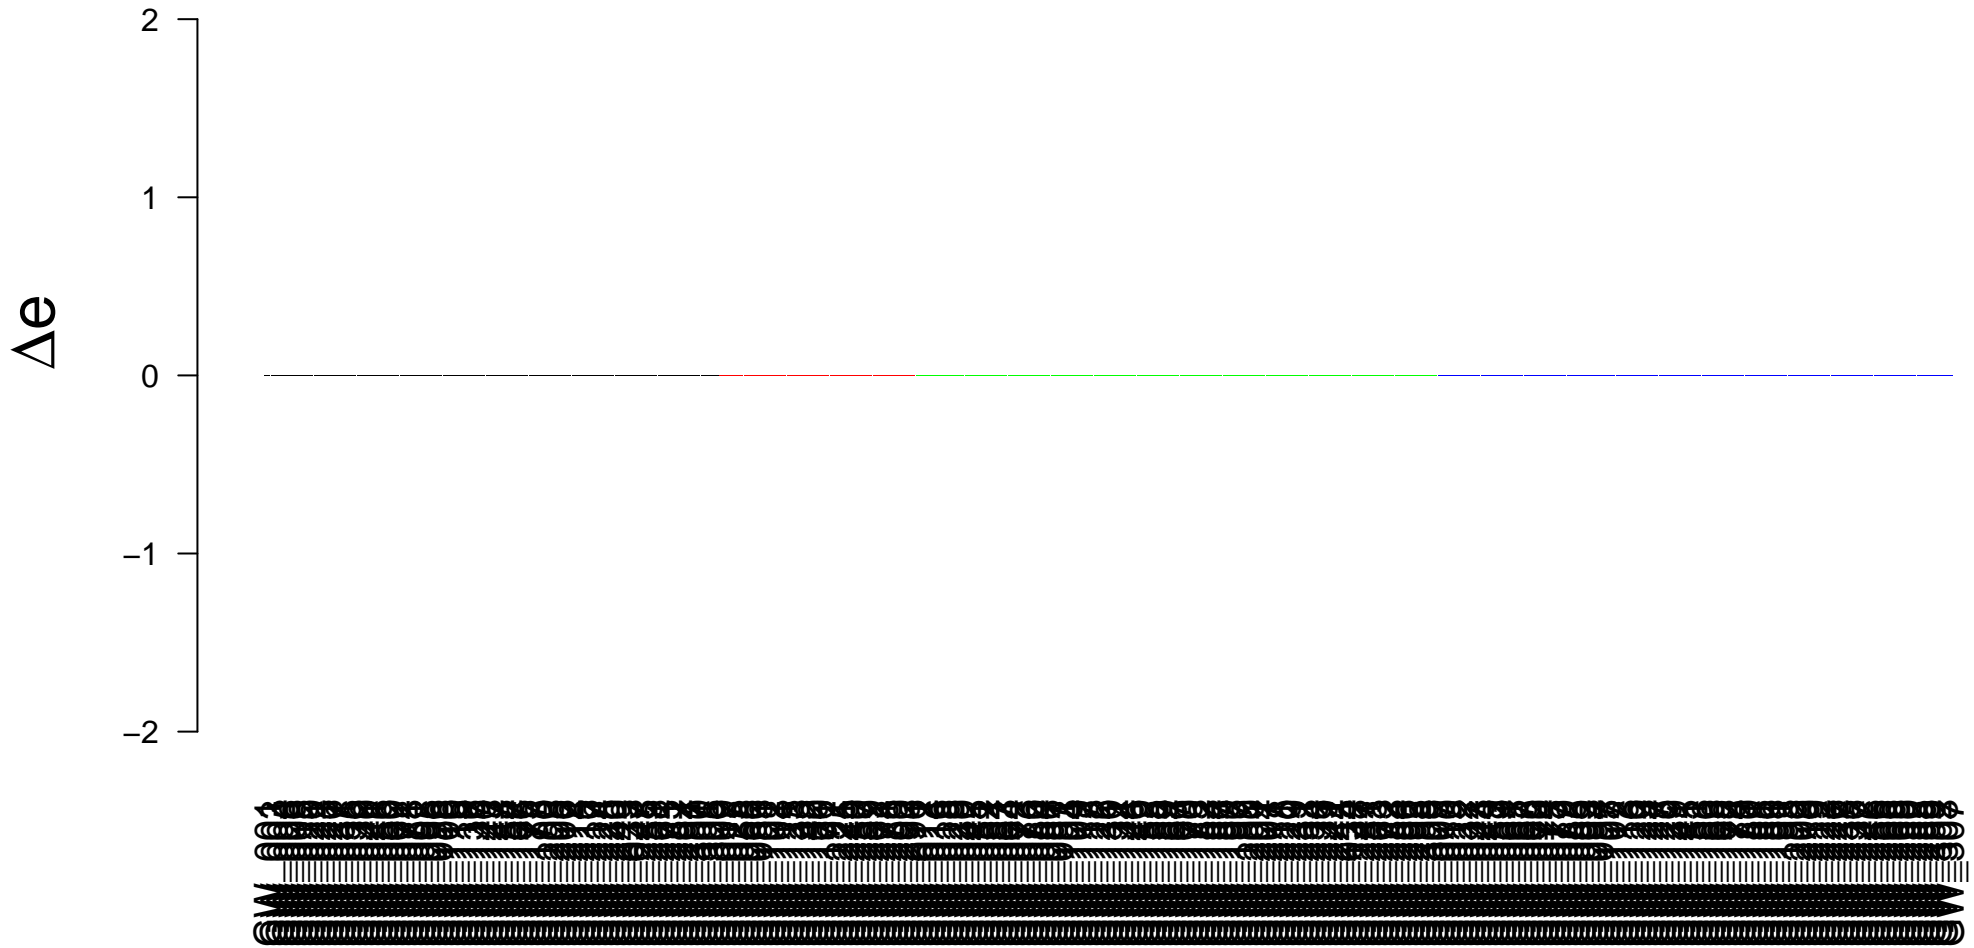

Expression of negative regulation of blood vessel endothelial cell migration in Spot C

Expression of negative regulation of blood vessel endothelial cell migration in Spot D

Expression of negative regulation of blood vessel endothelial cell migration in Spot E

Expression of negative regulation of blood vessel endothelial cell migration in Spot F

Expression of negative regulation of blood vessel endothelial cell migration in Spot G

Expression of negative regulation of blood vessel endothelial cell migration in Spot H

Expression of negative regulation of blood vessel endothelial cell migration in Spot I

Expression of negative regulation of blood vessel endothelial cell migration in Spot J

Expression of negative regulation of blood vessel endothelial cell migration in Spot K

Expression of negative regulation of blood vessel endothelial cell migration in Spot L

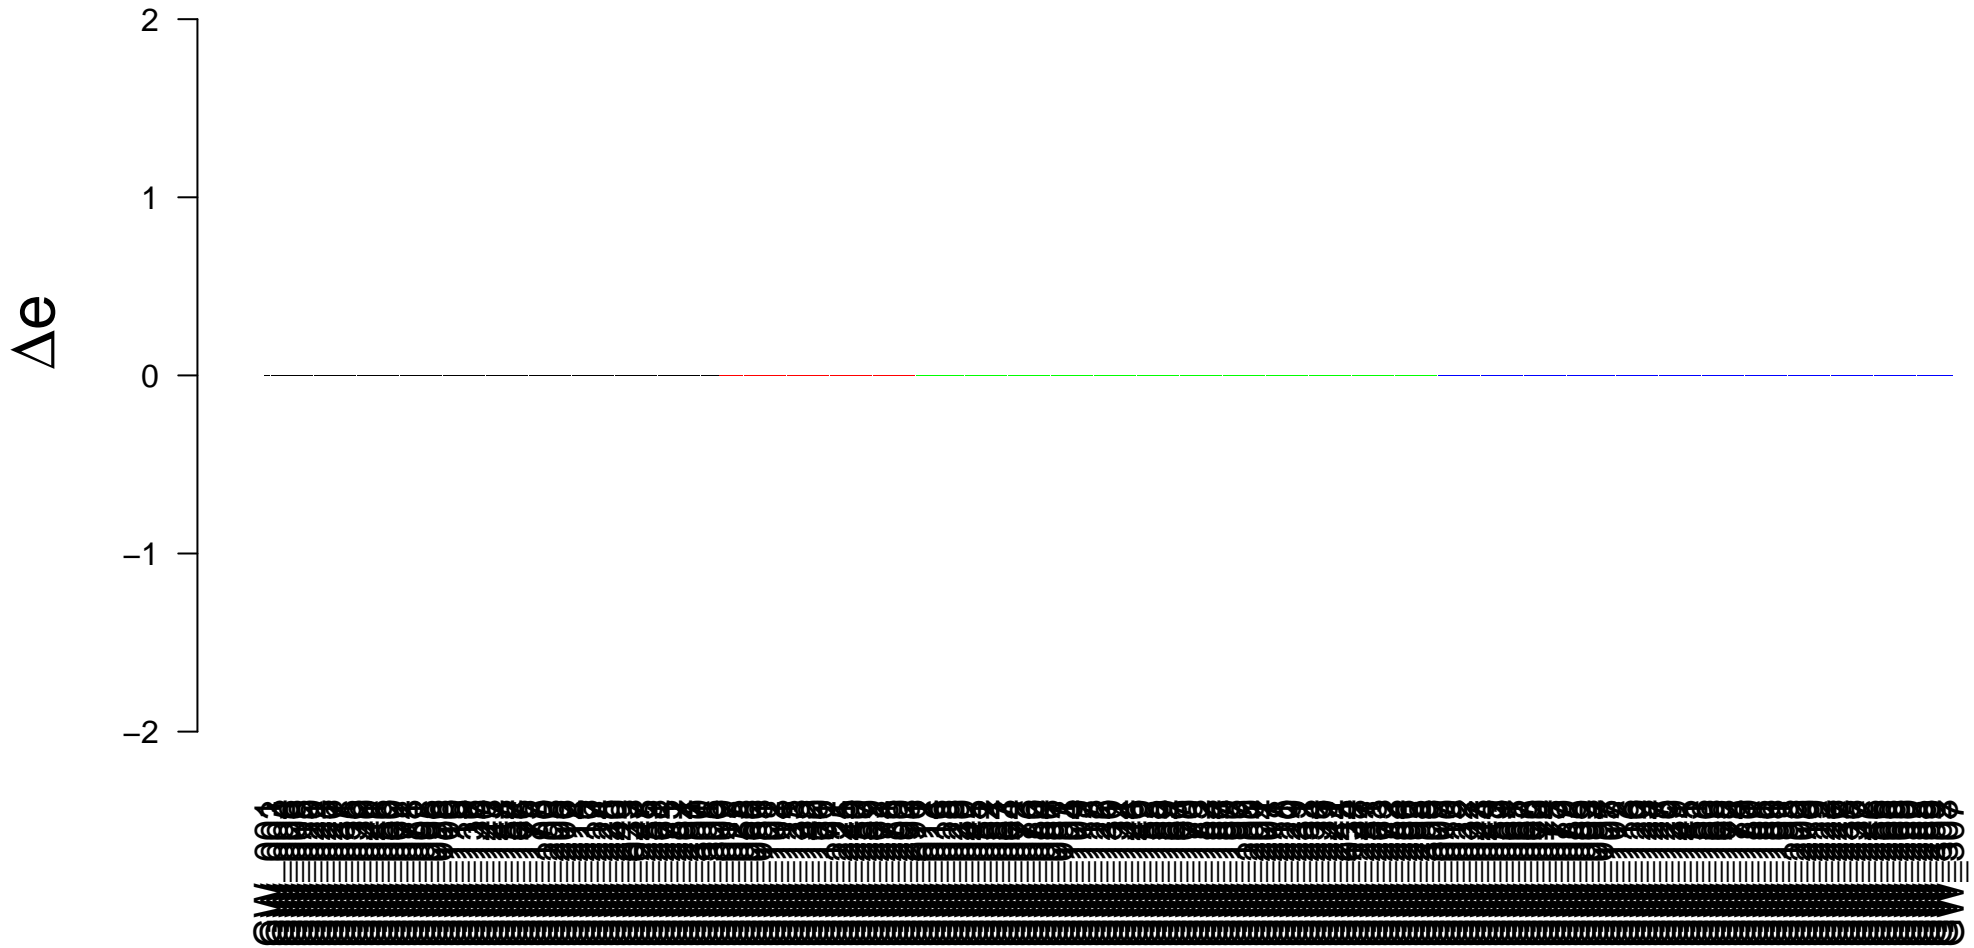

Expression of negative regulation of blood vessel endothelial cell migration in Spot M

Expression of negative regulation of blood vessel endothelial cell migration in Spot N

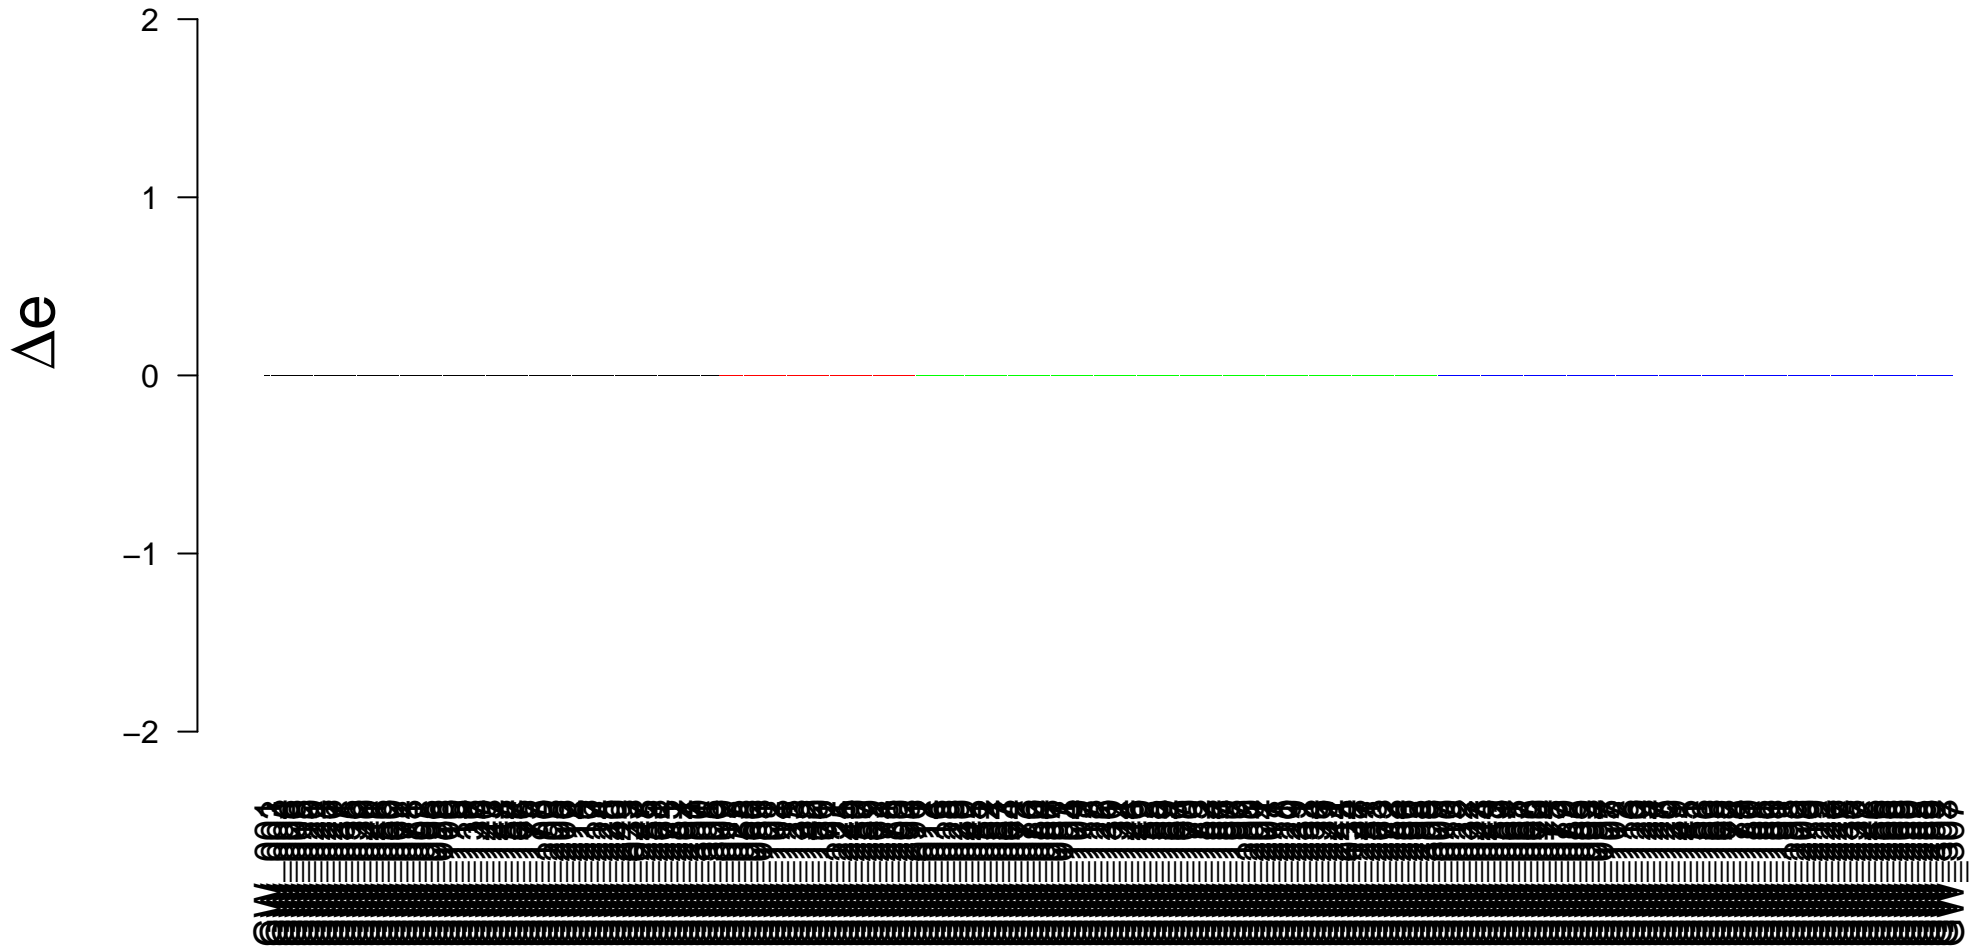

Expression of negative regulation of blood vessel endothelial cell migration in Spot O

Expression of negative regulation of blood vessel endothelial cell migration in Spot P

Expression of negative regulation of blood vessel endothelial cell migration in Spot Q

Expression of negative regulation of blood vessel endothelial cell migration in Spot R
