

negative regulation of calcium ion transport

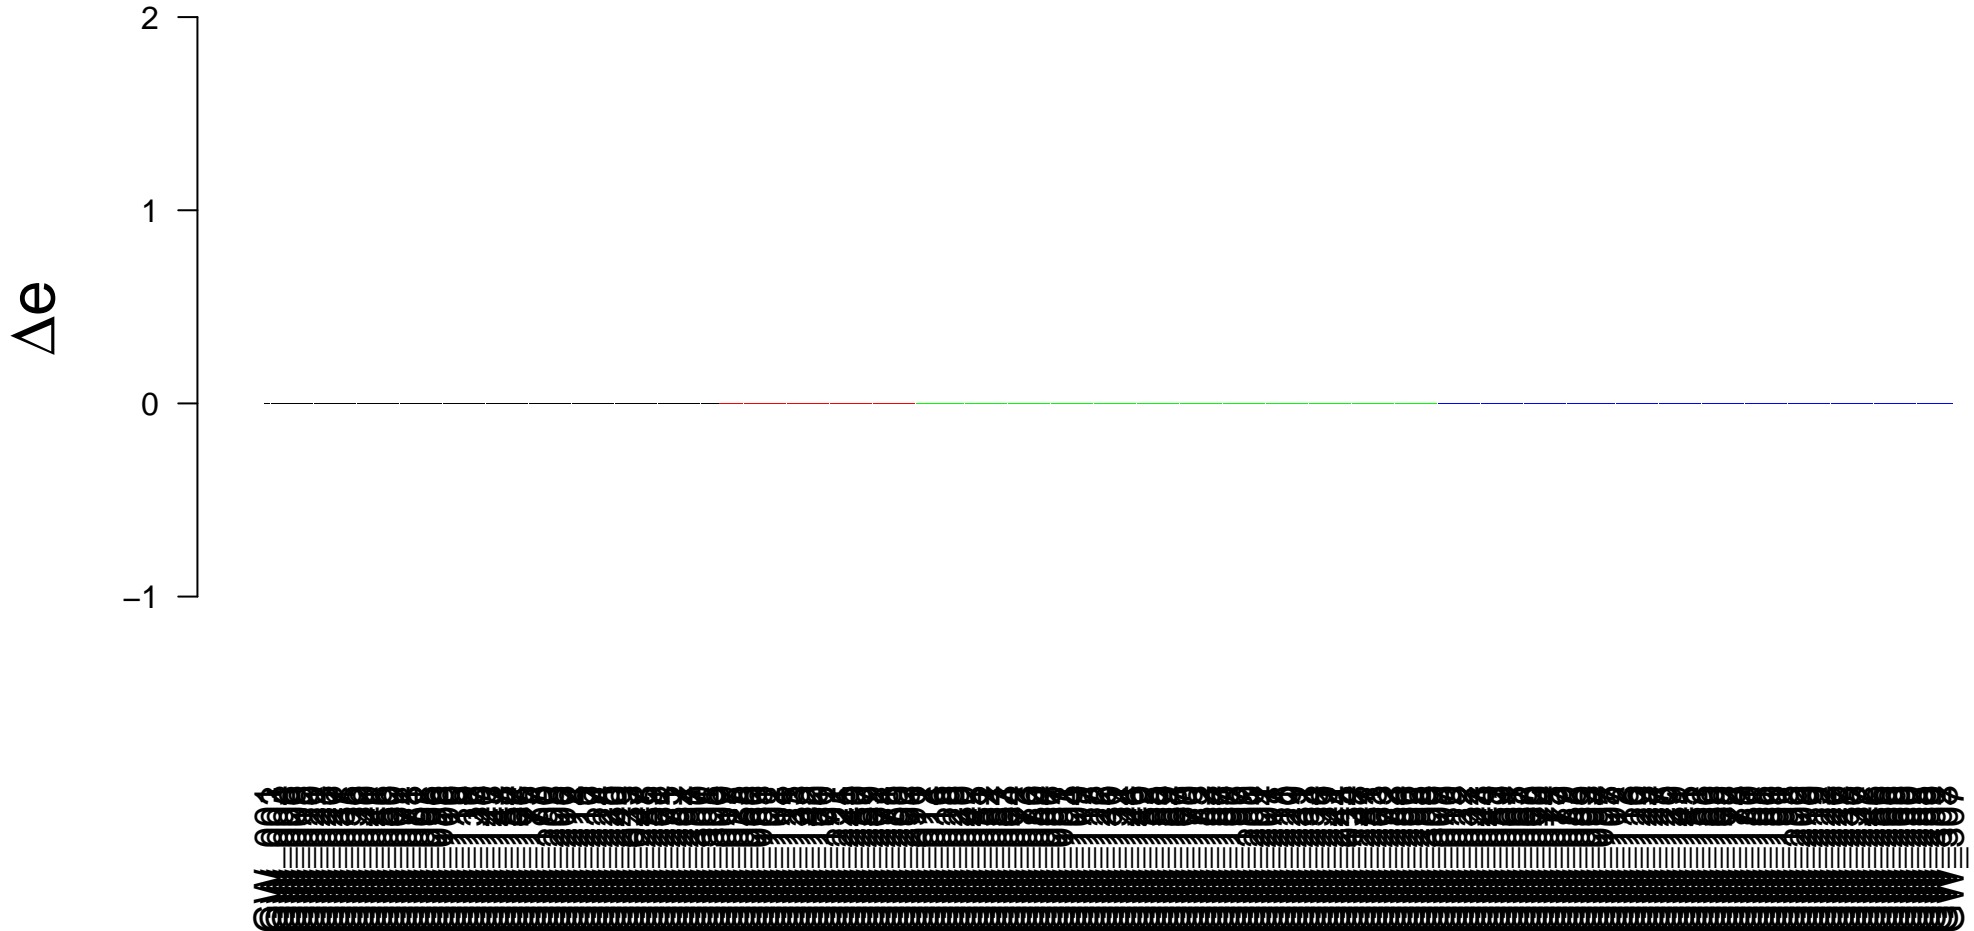

negative regulation of calcium ion transport

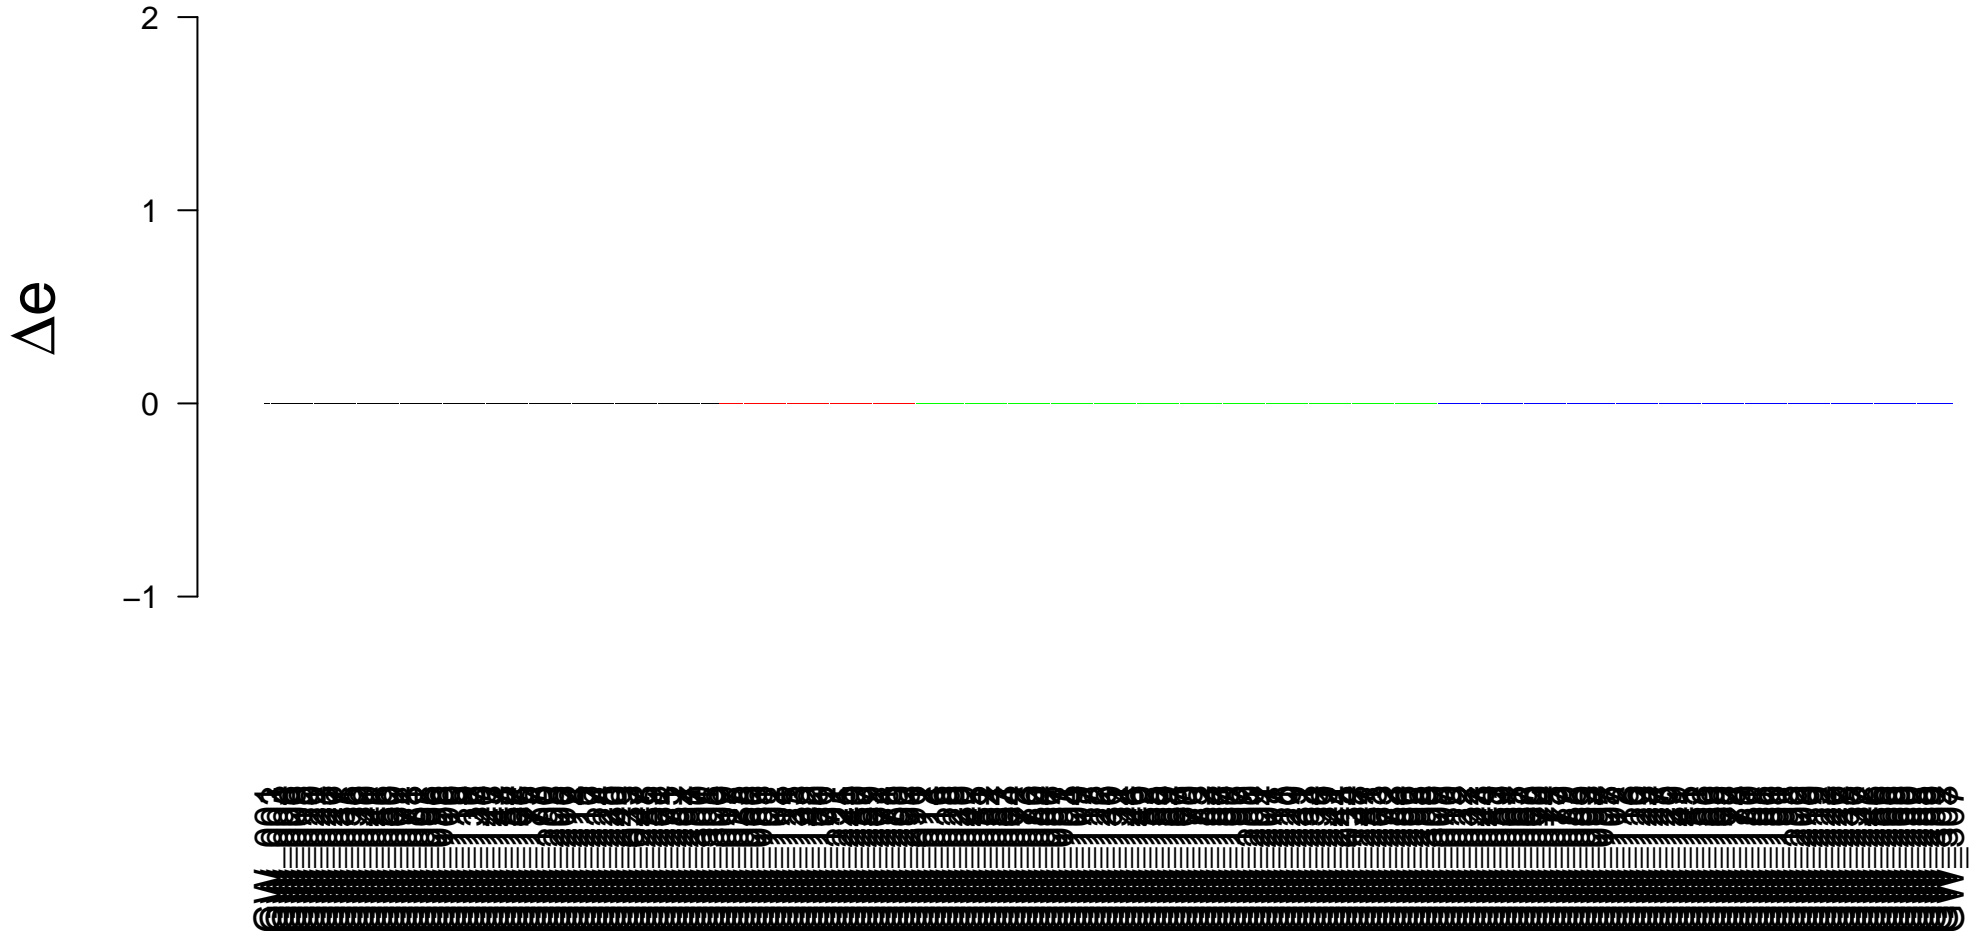

Enrichment in spots: negative regulation of calcium ion transport

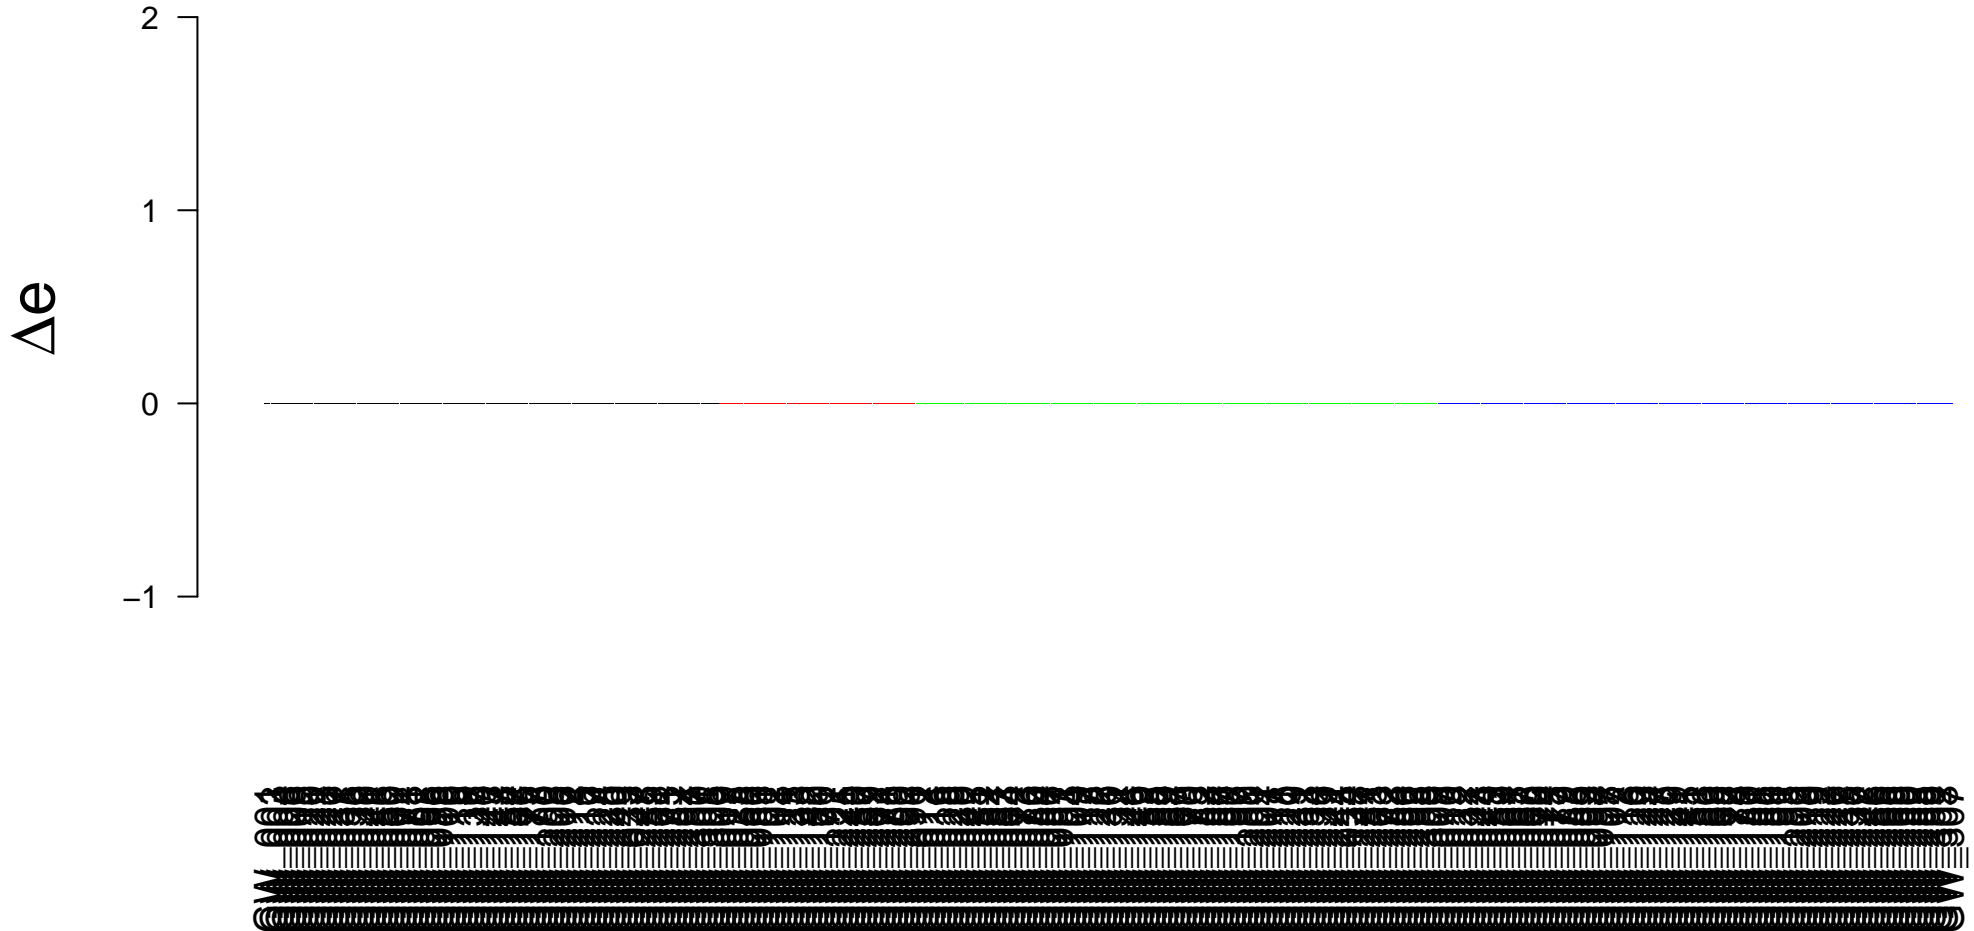

Expression of negative regulation of calcium ion transport in Spot A

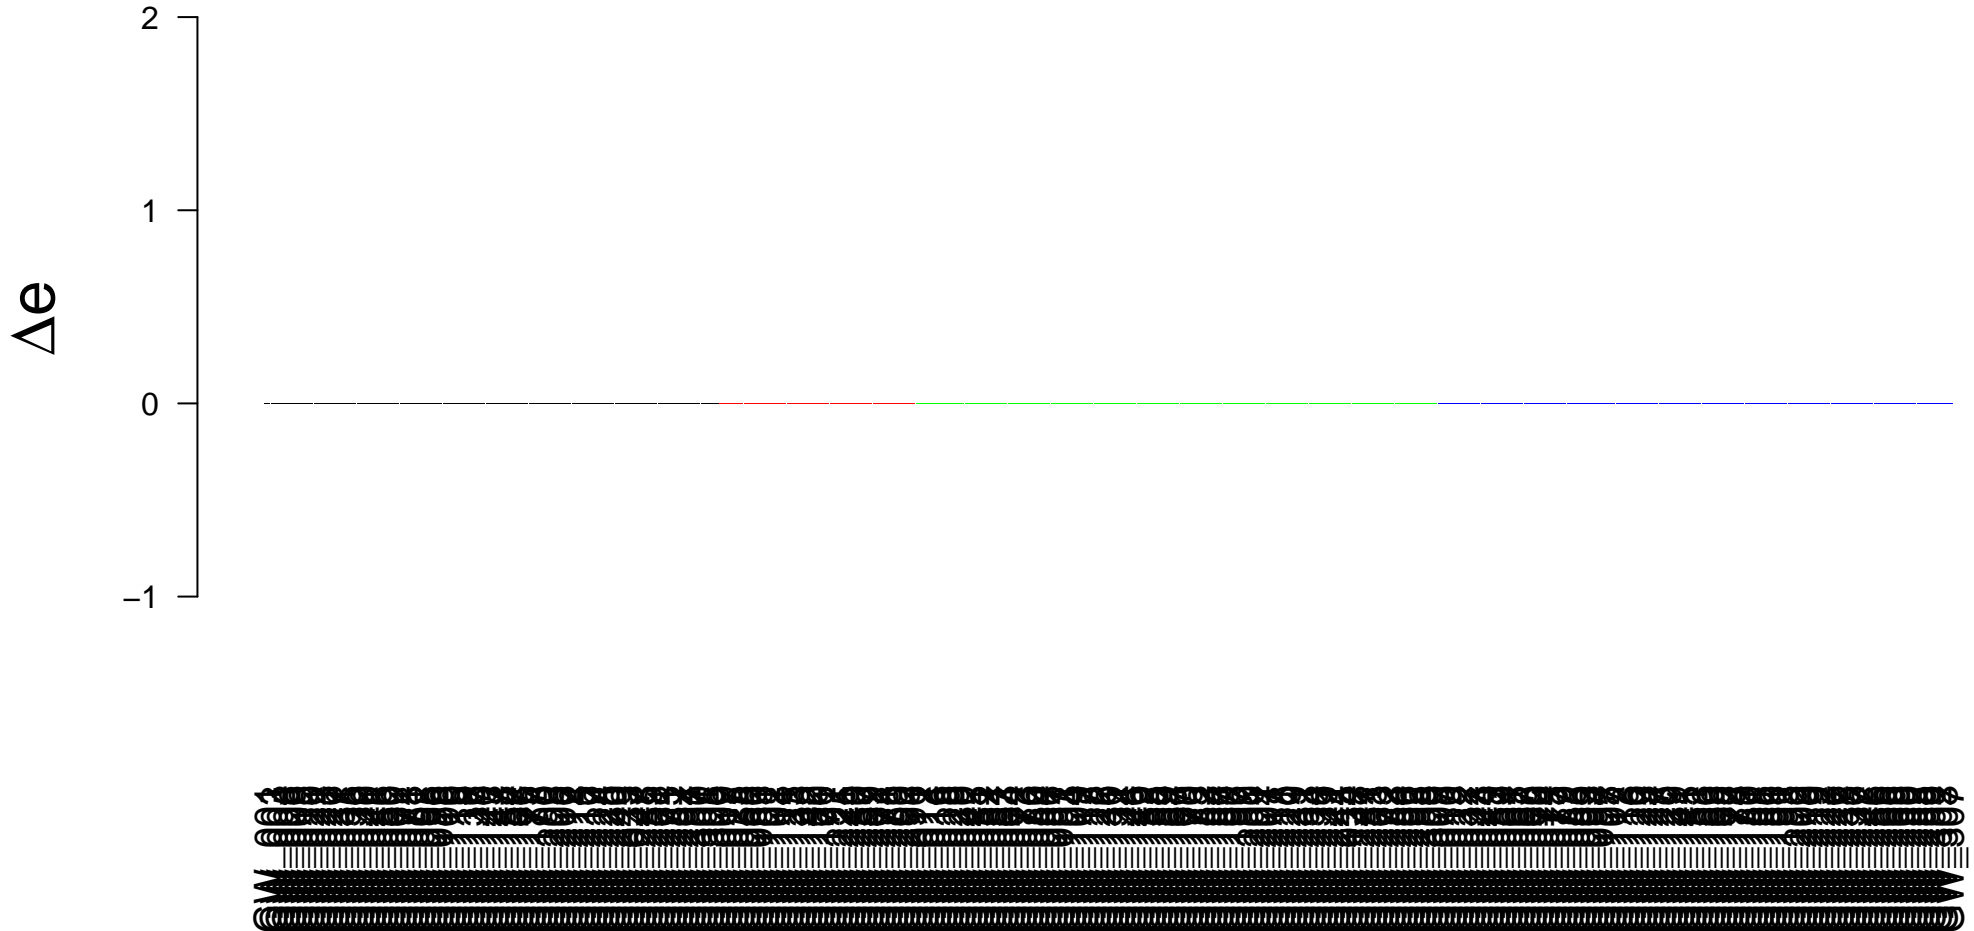

Expression of negative regulation of calcium ion transport in Spot B

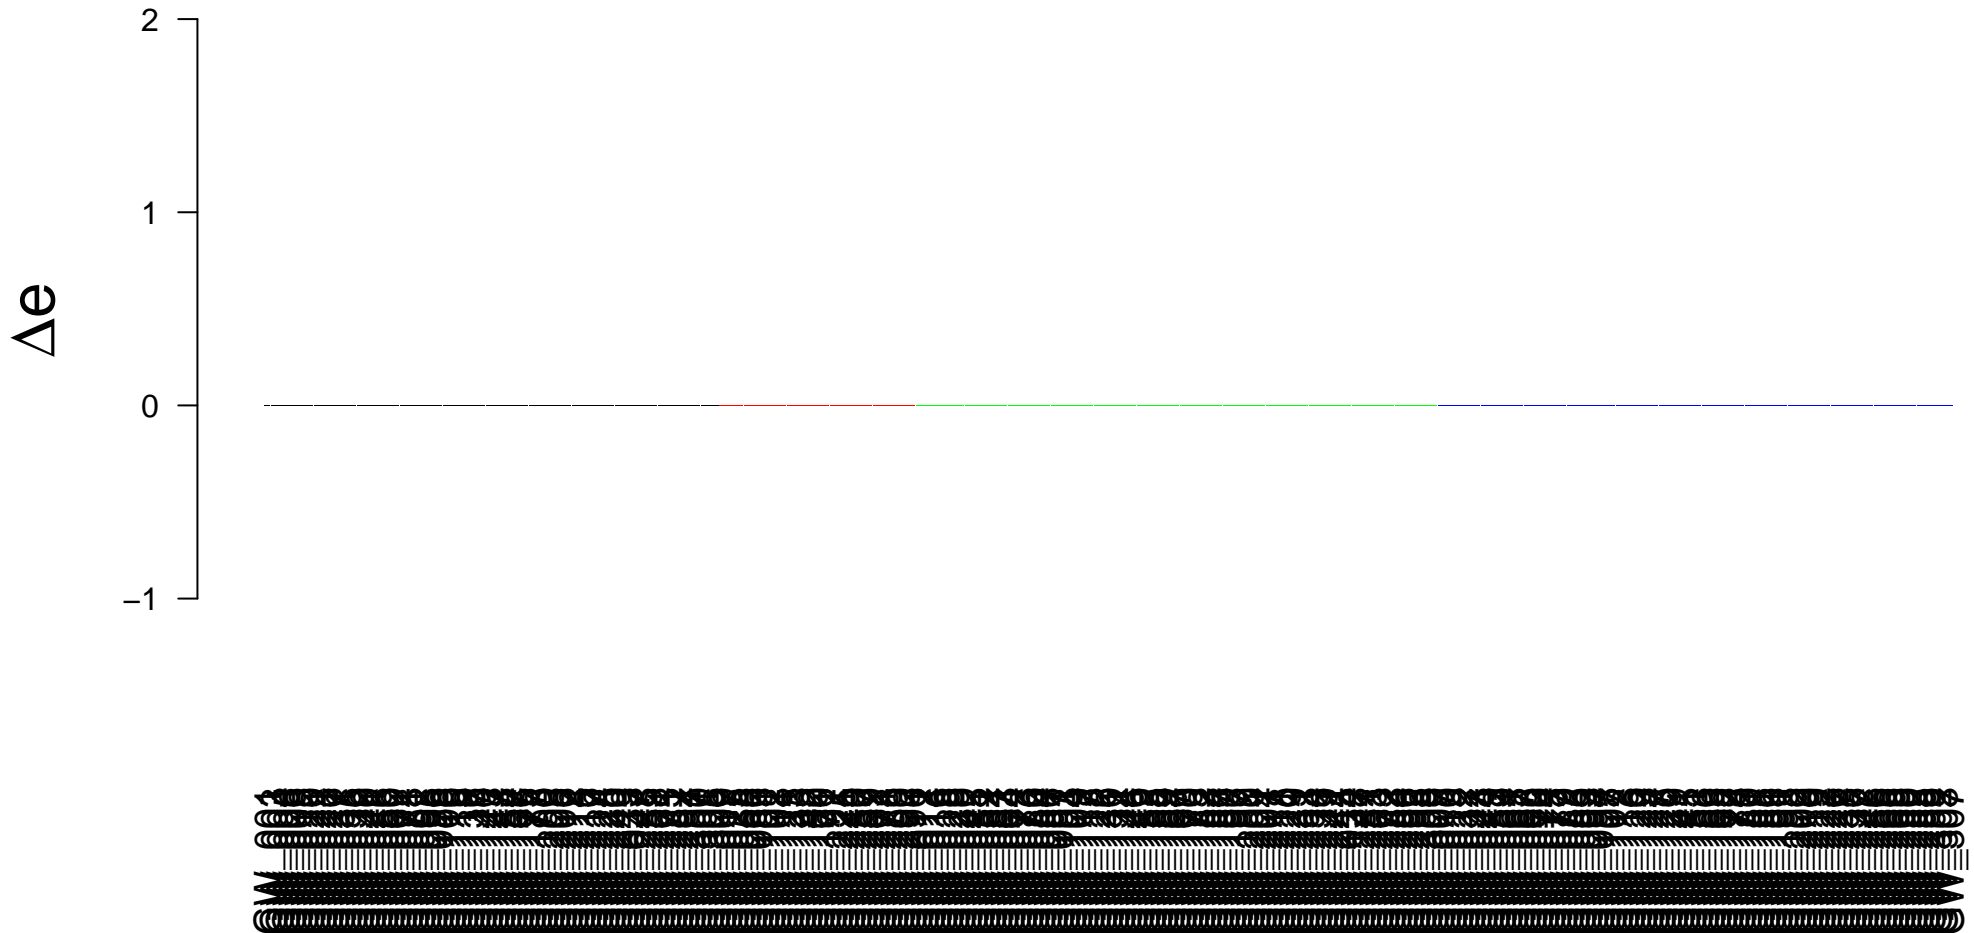

Expression of negative regulation of calcium ion transport in Spot C

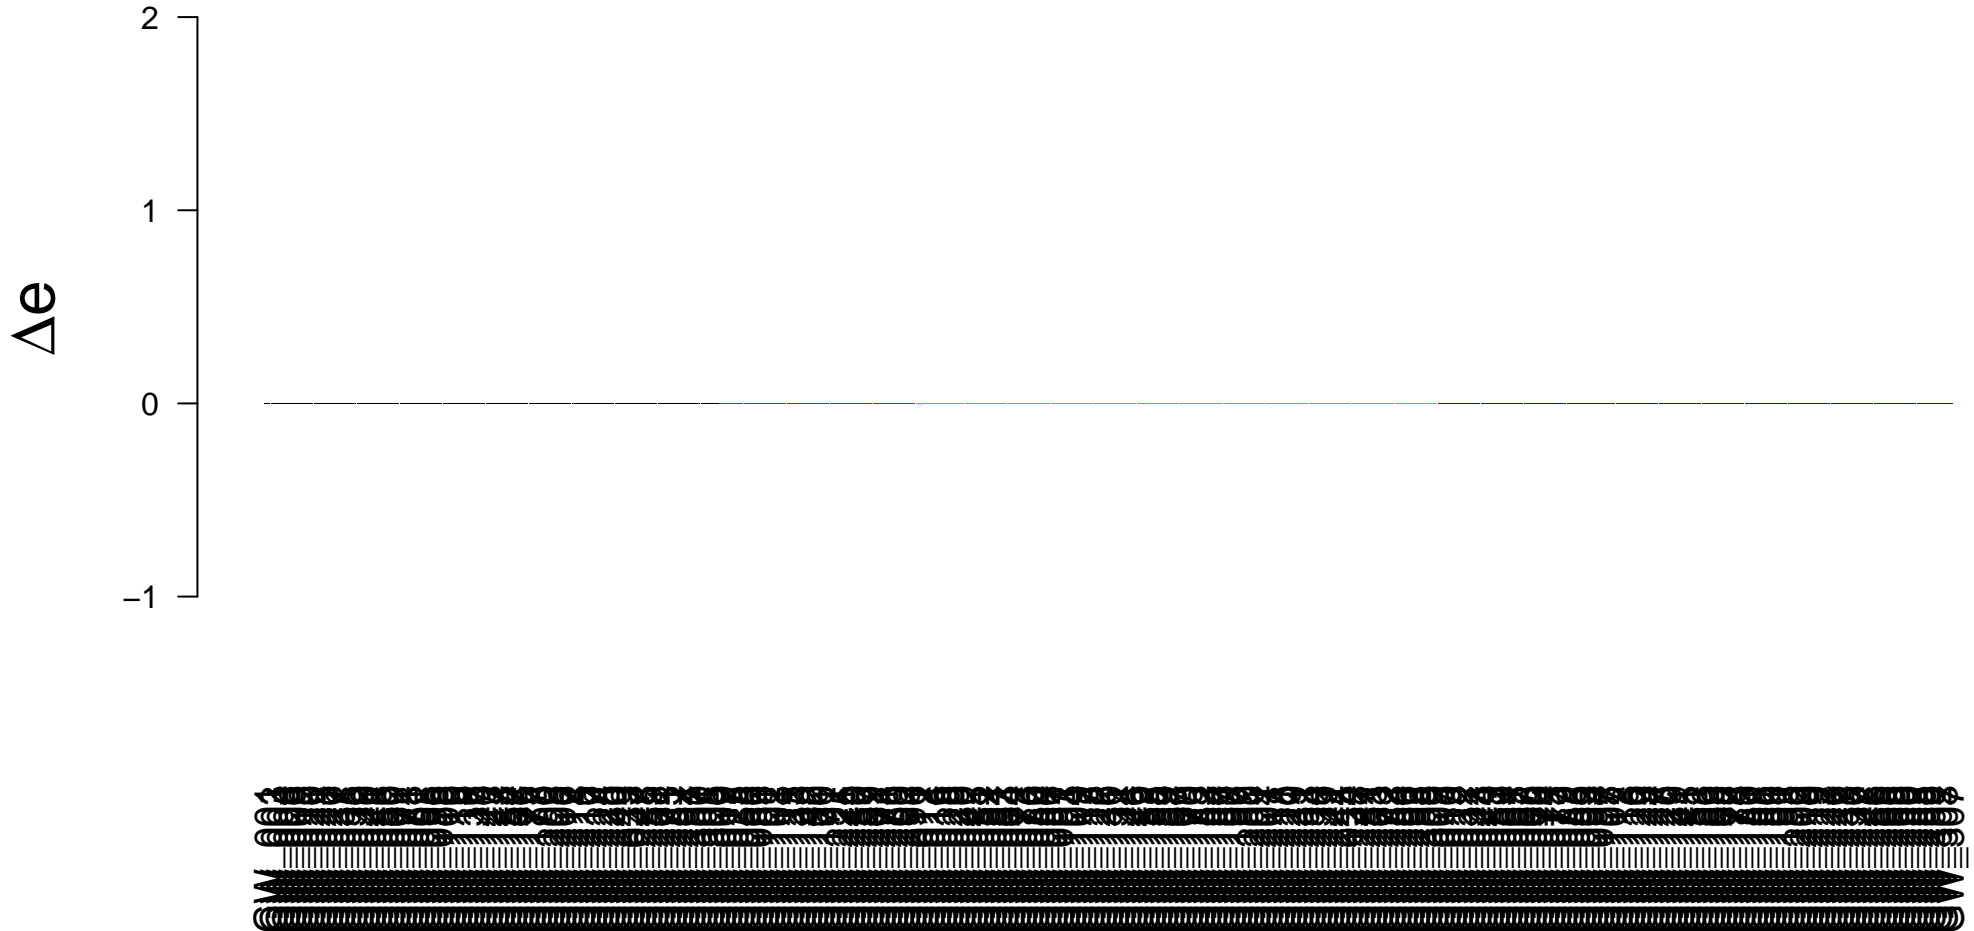

Expression of negative regulation of calcium ion transport in Spot D

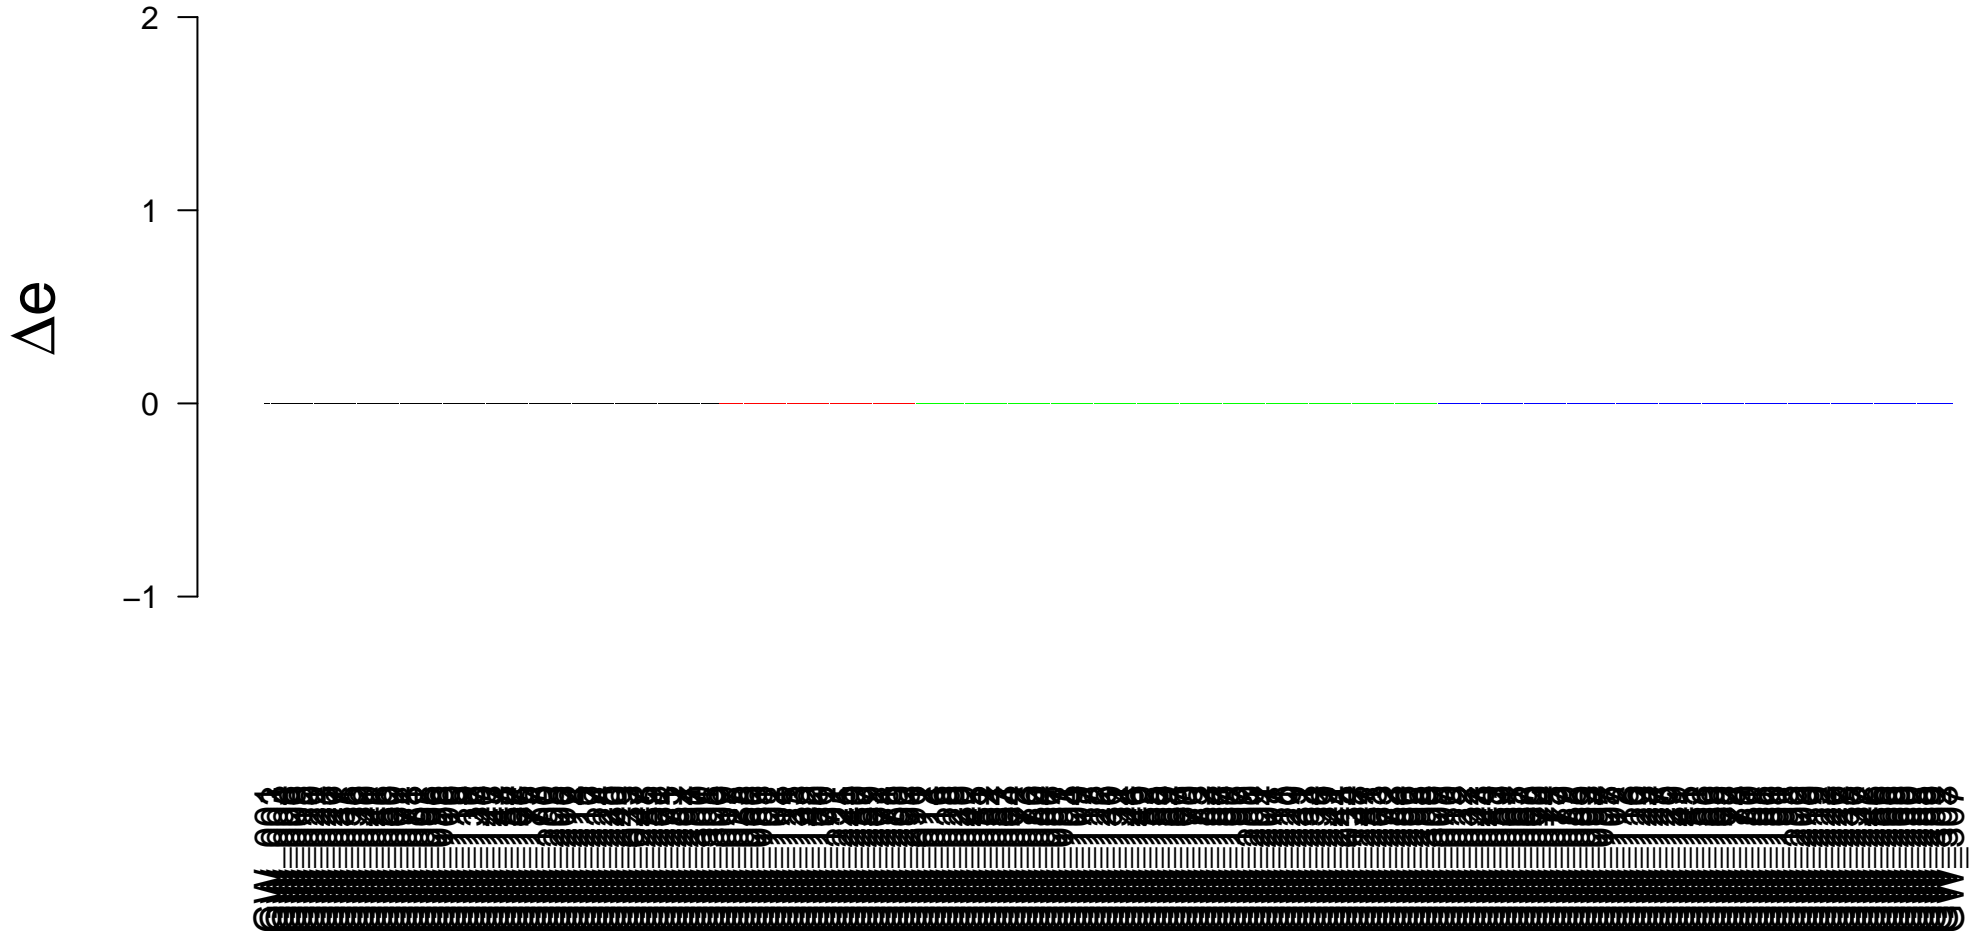

Expression of negative regulation of calcium ion transport in Spot E

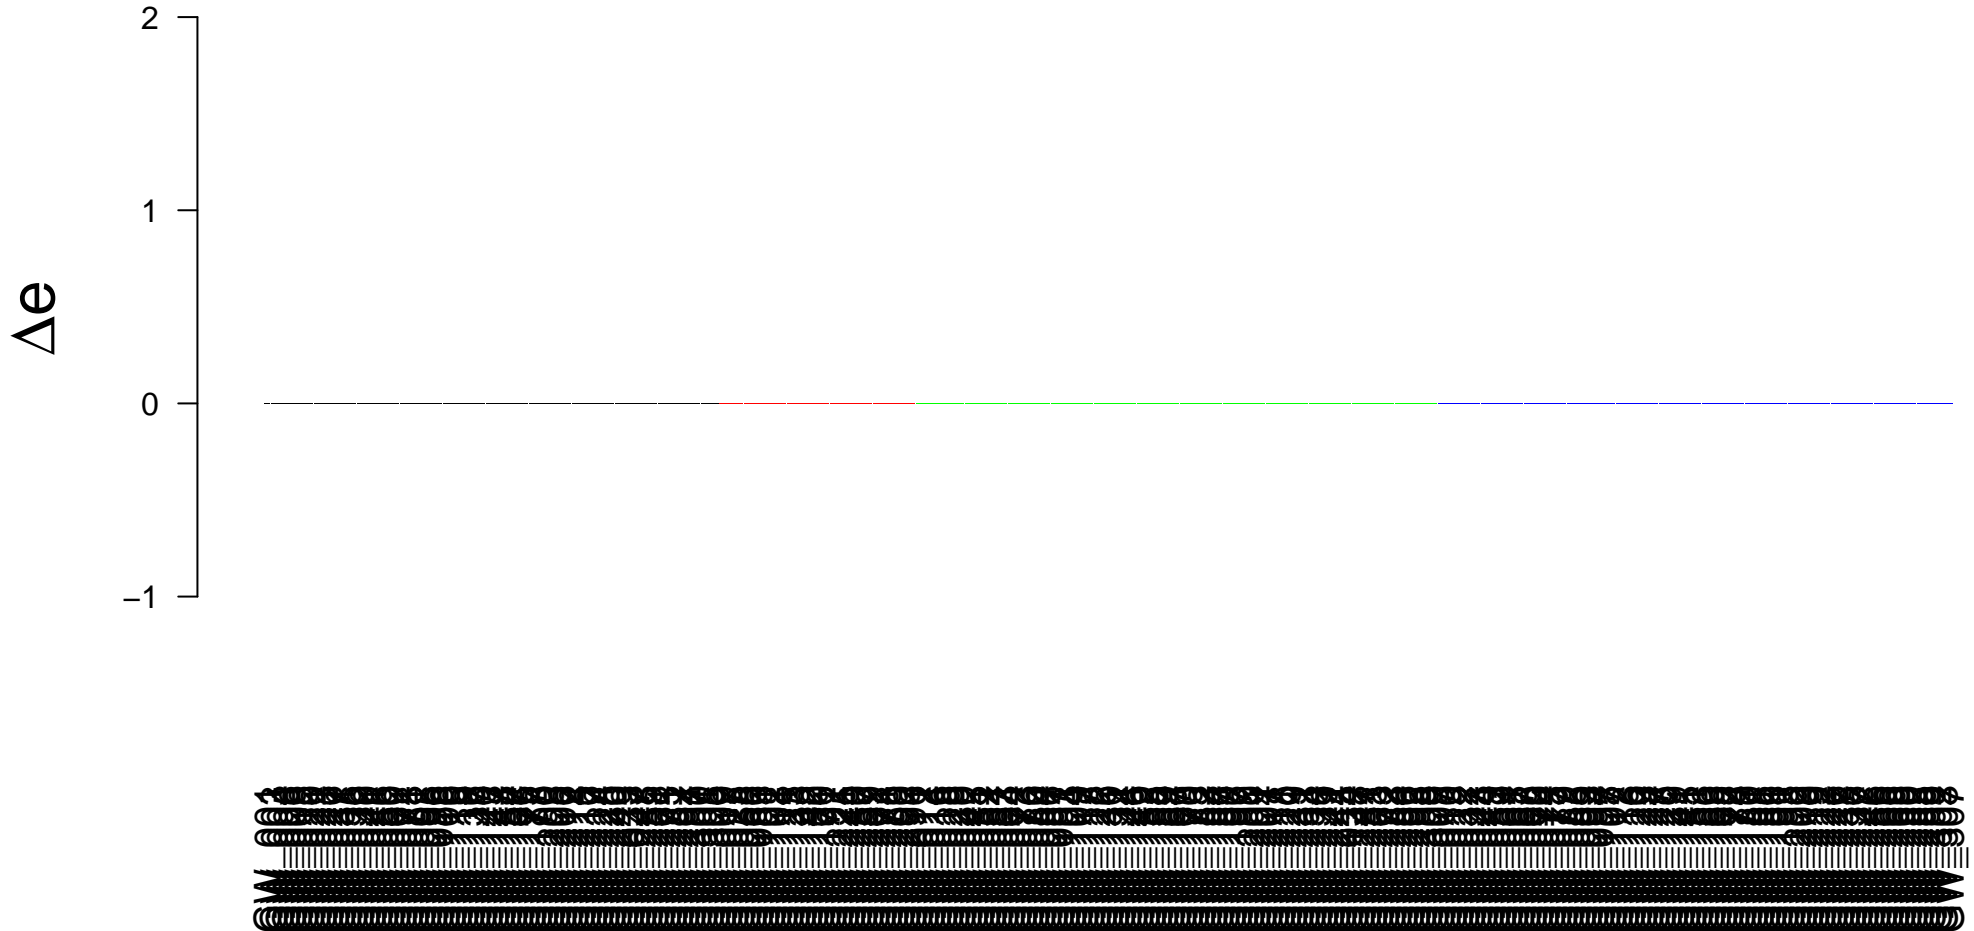

Expression of negative regulation of calcium ion transport in Spot F

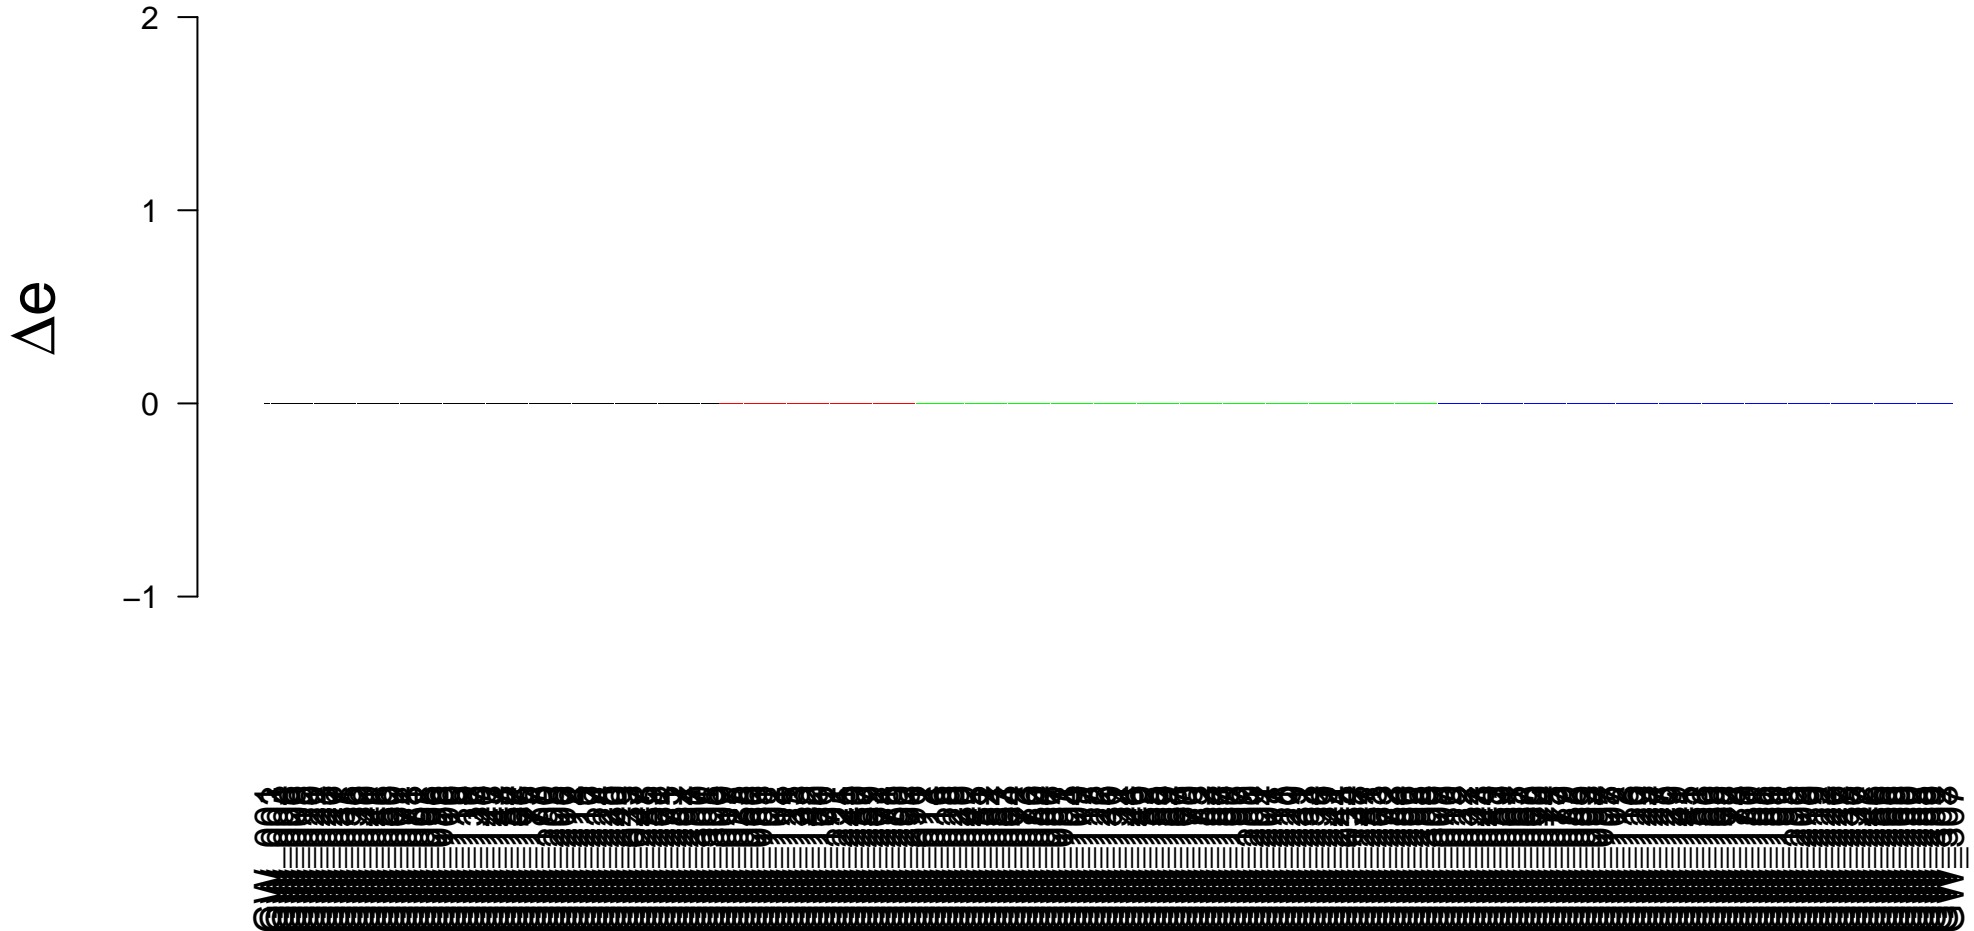

Expression of negative regulation of calcium ion transport in Spot G

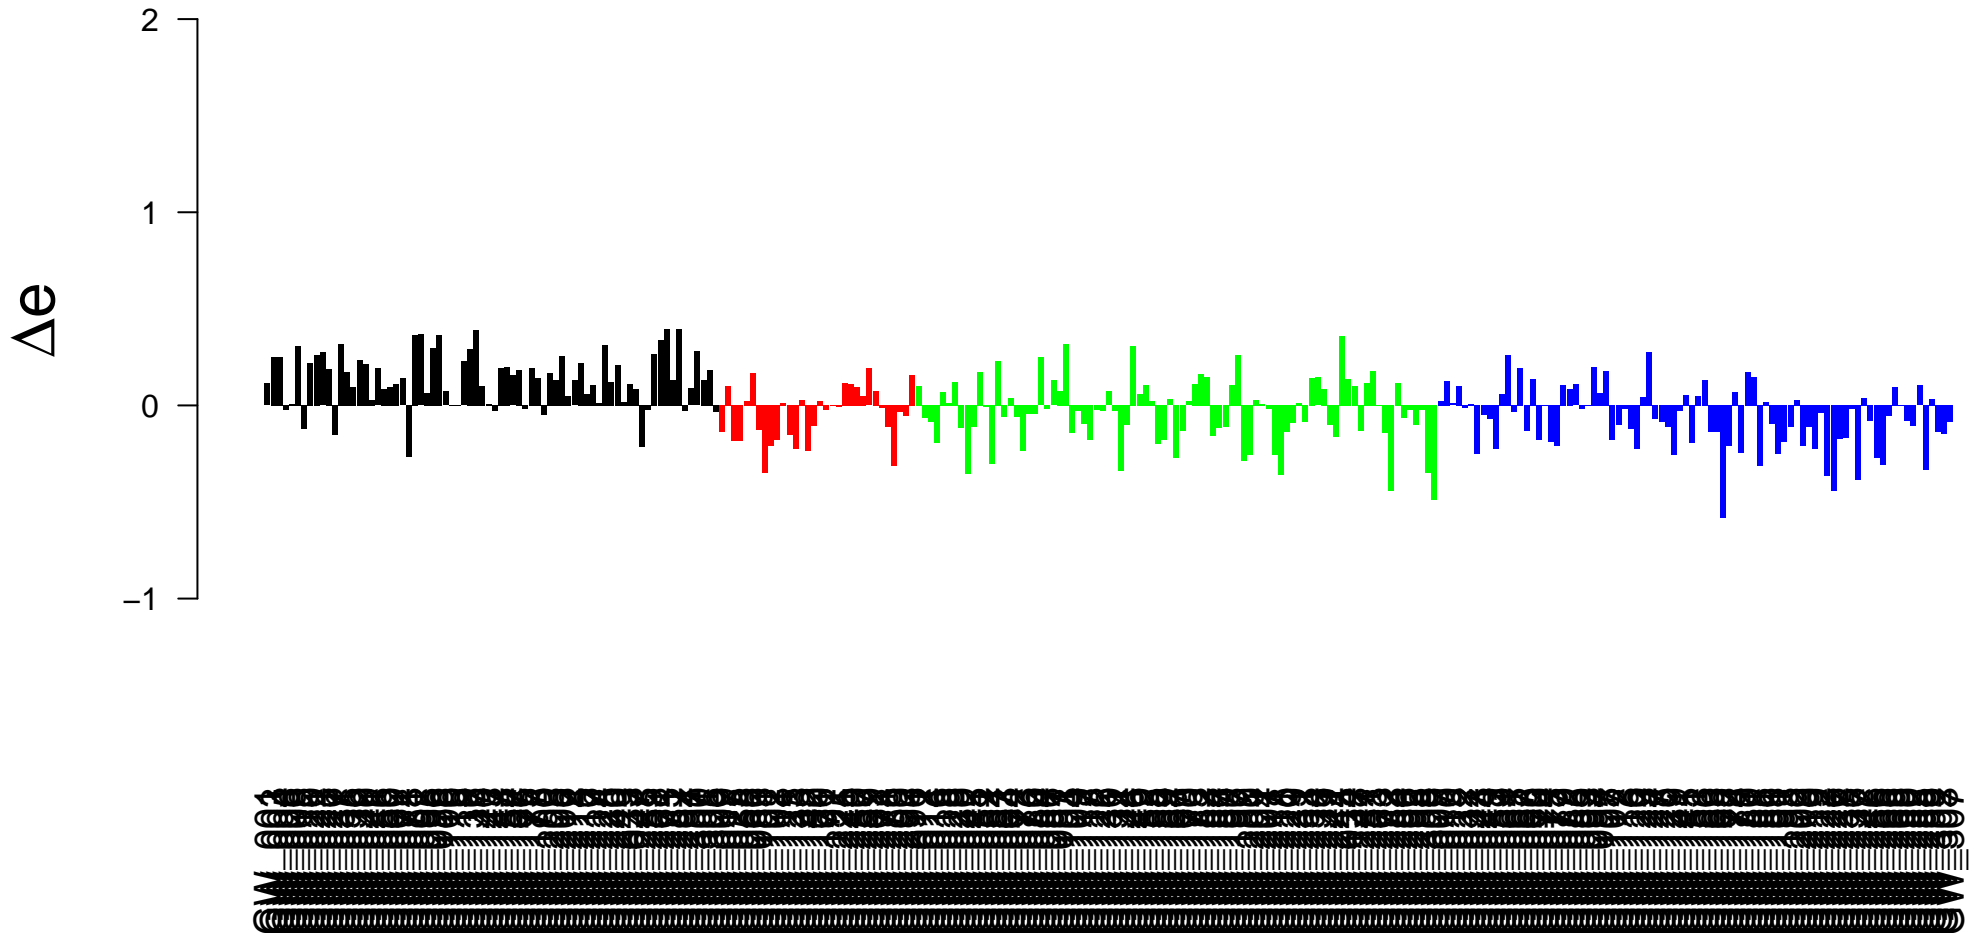

Expression of negative regulation of calcium ion transport in Spot H

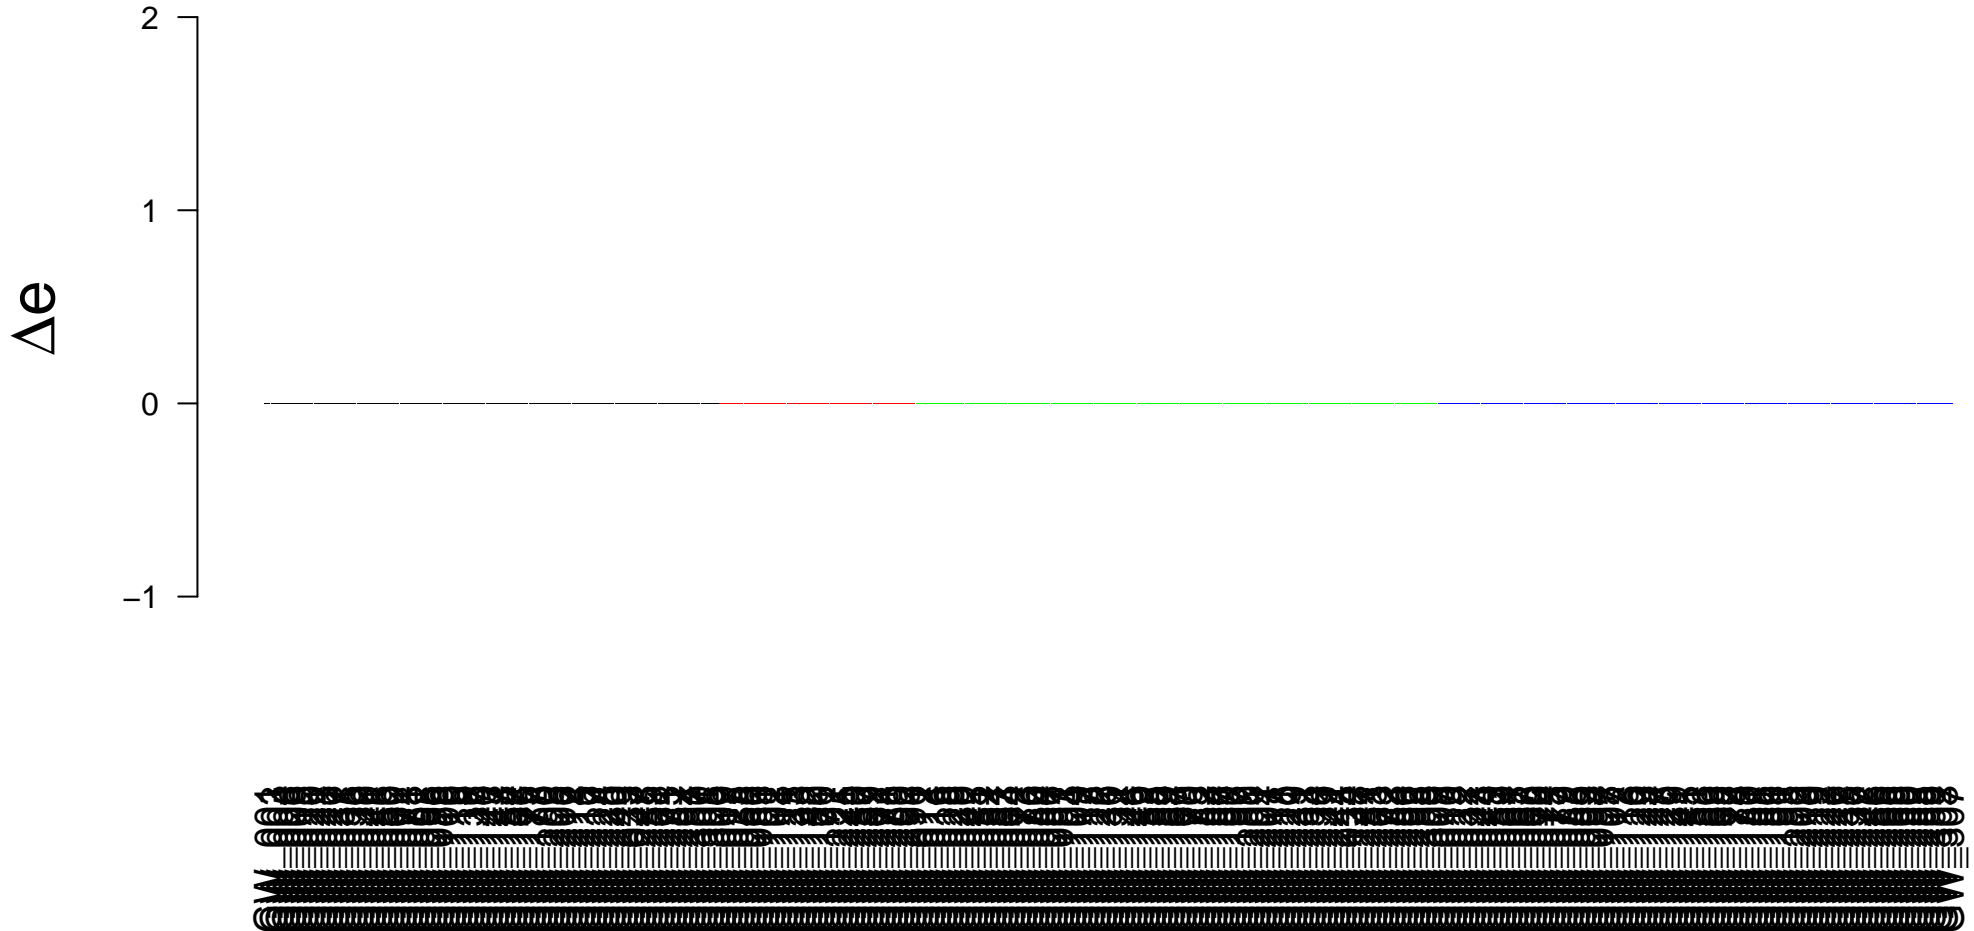

Expression of negative regulation of calcium ion transport in Spot I

Expression of negative regulation of calcium ion transport in Spot J

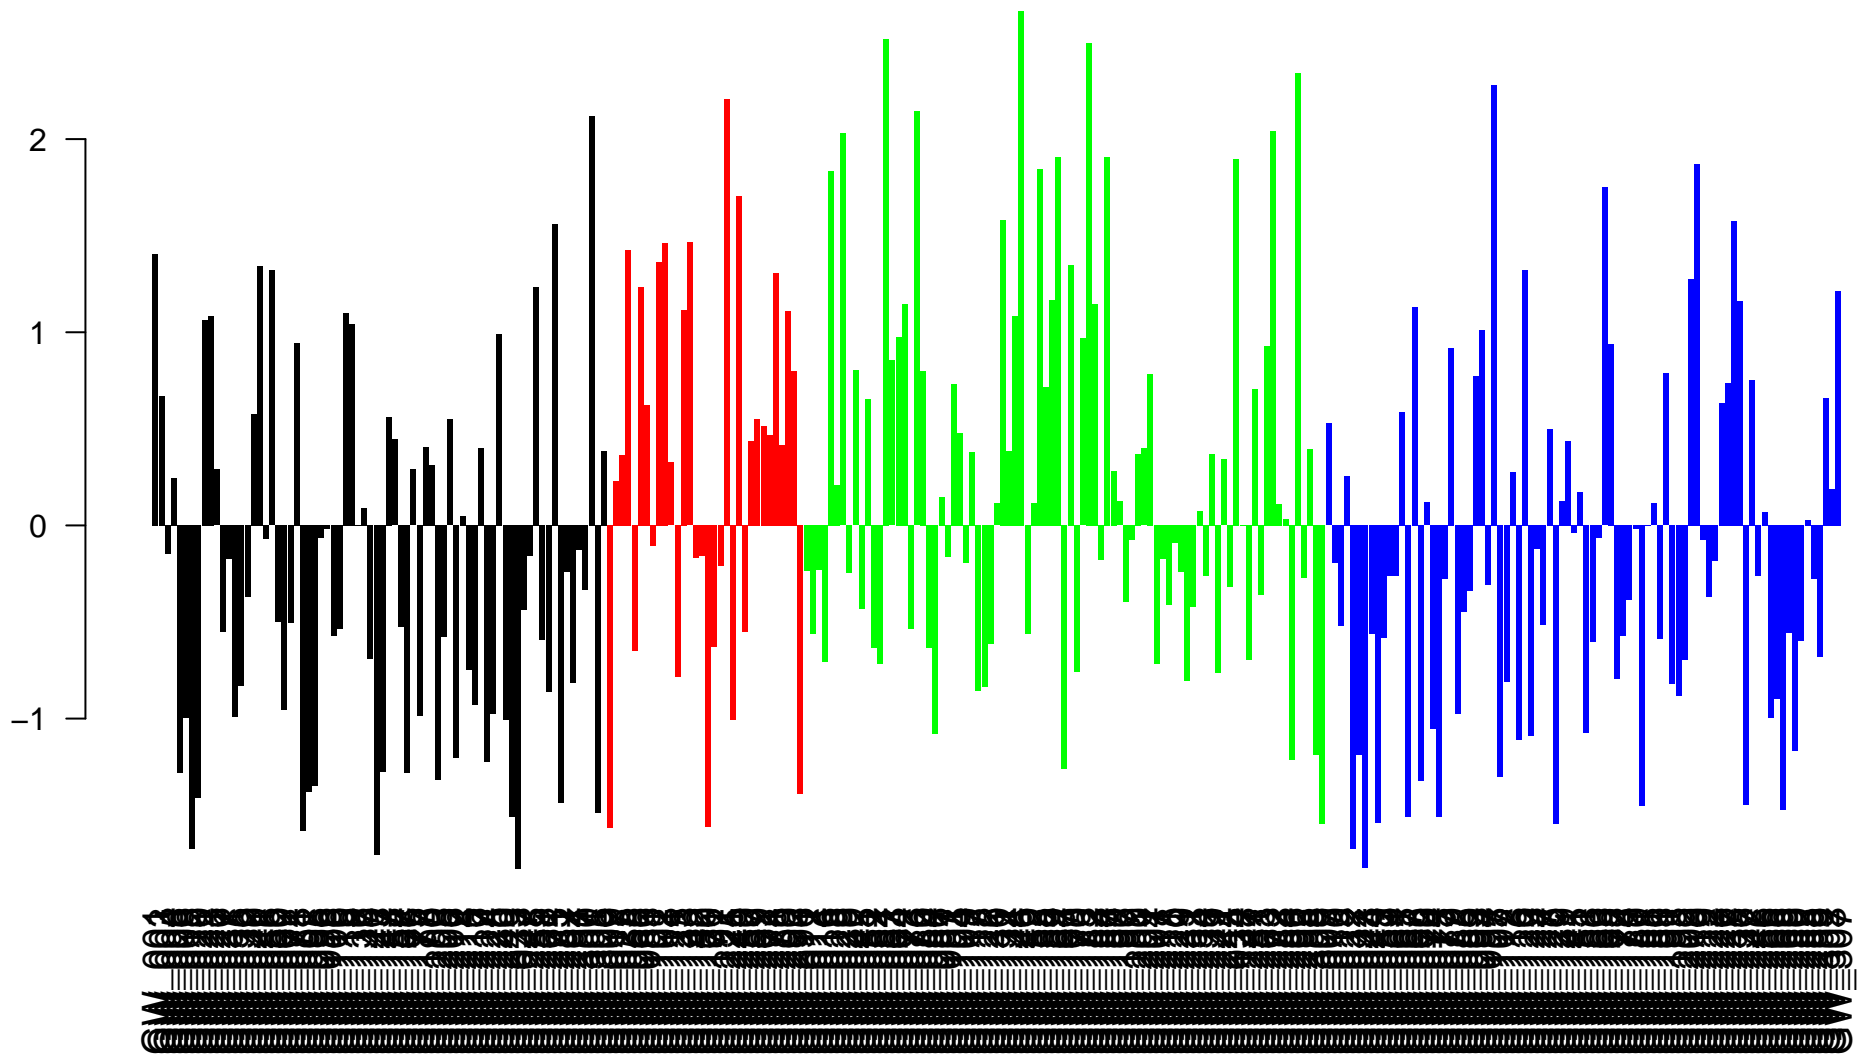

Expression of negative regulation of calcium ion transport in Spot K

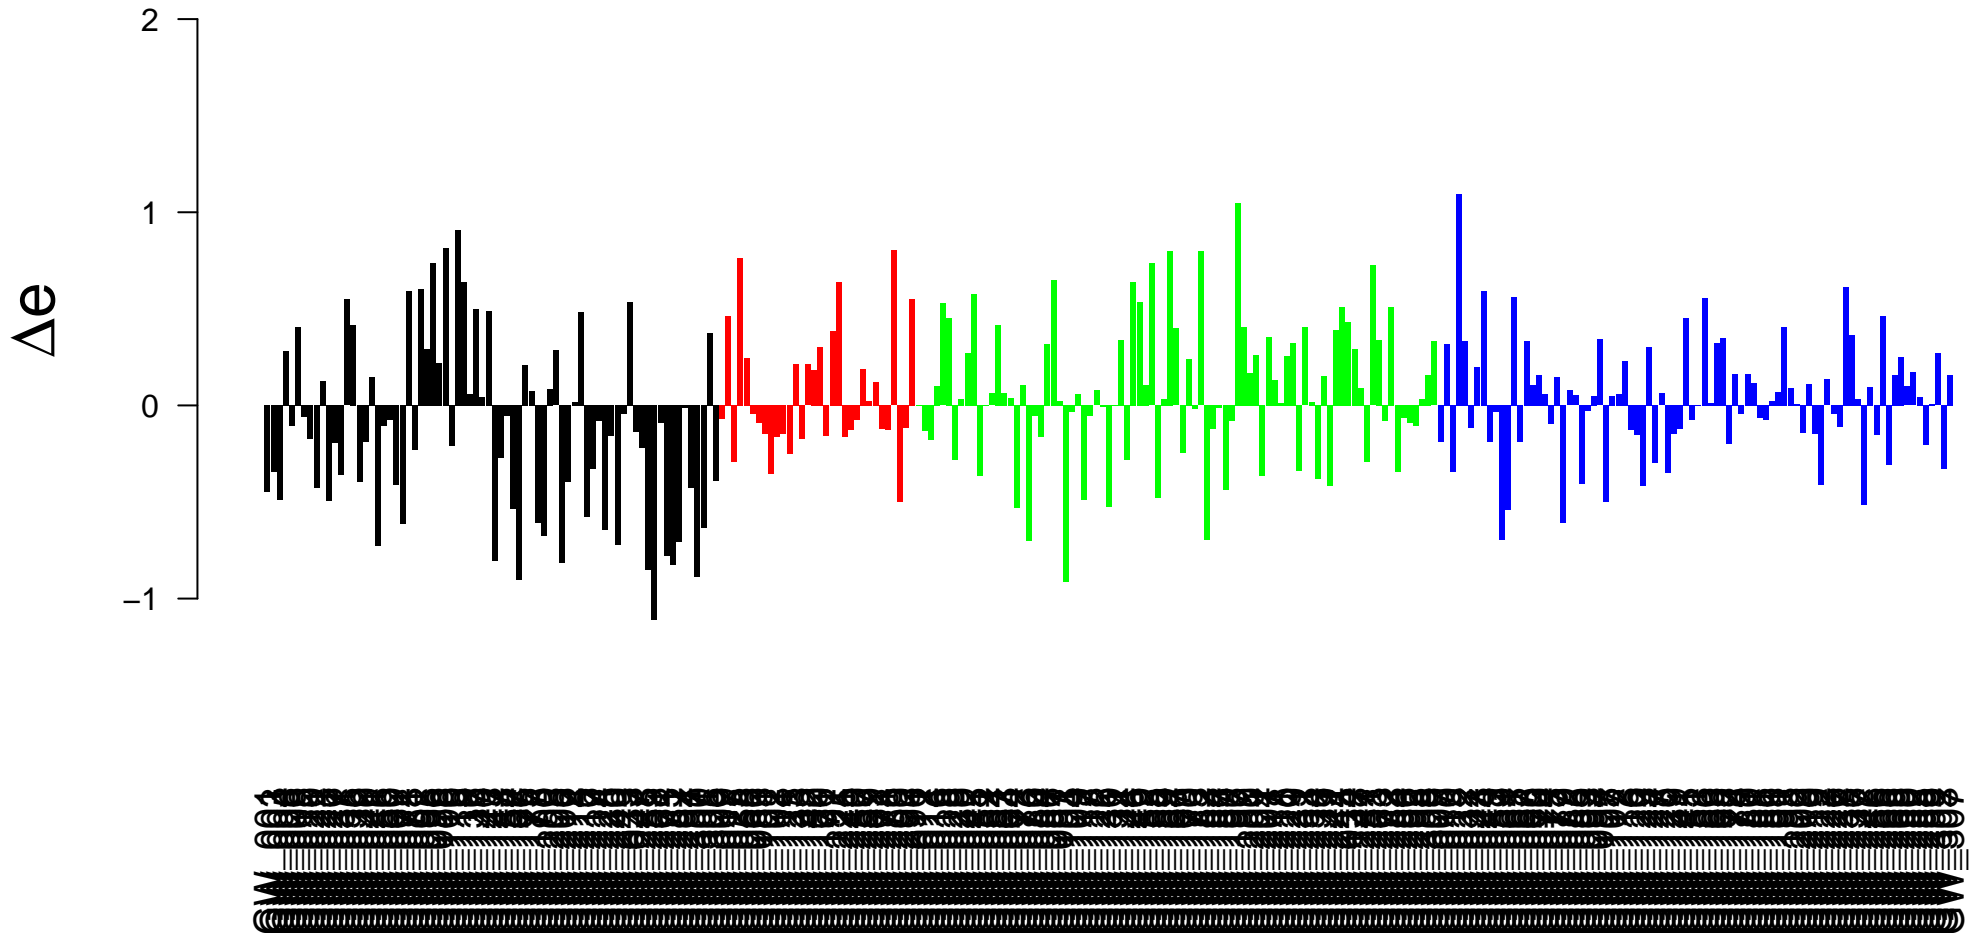

Expression of negative regulation of calcium ion transport in Spot L

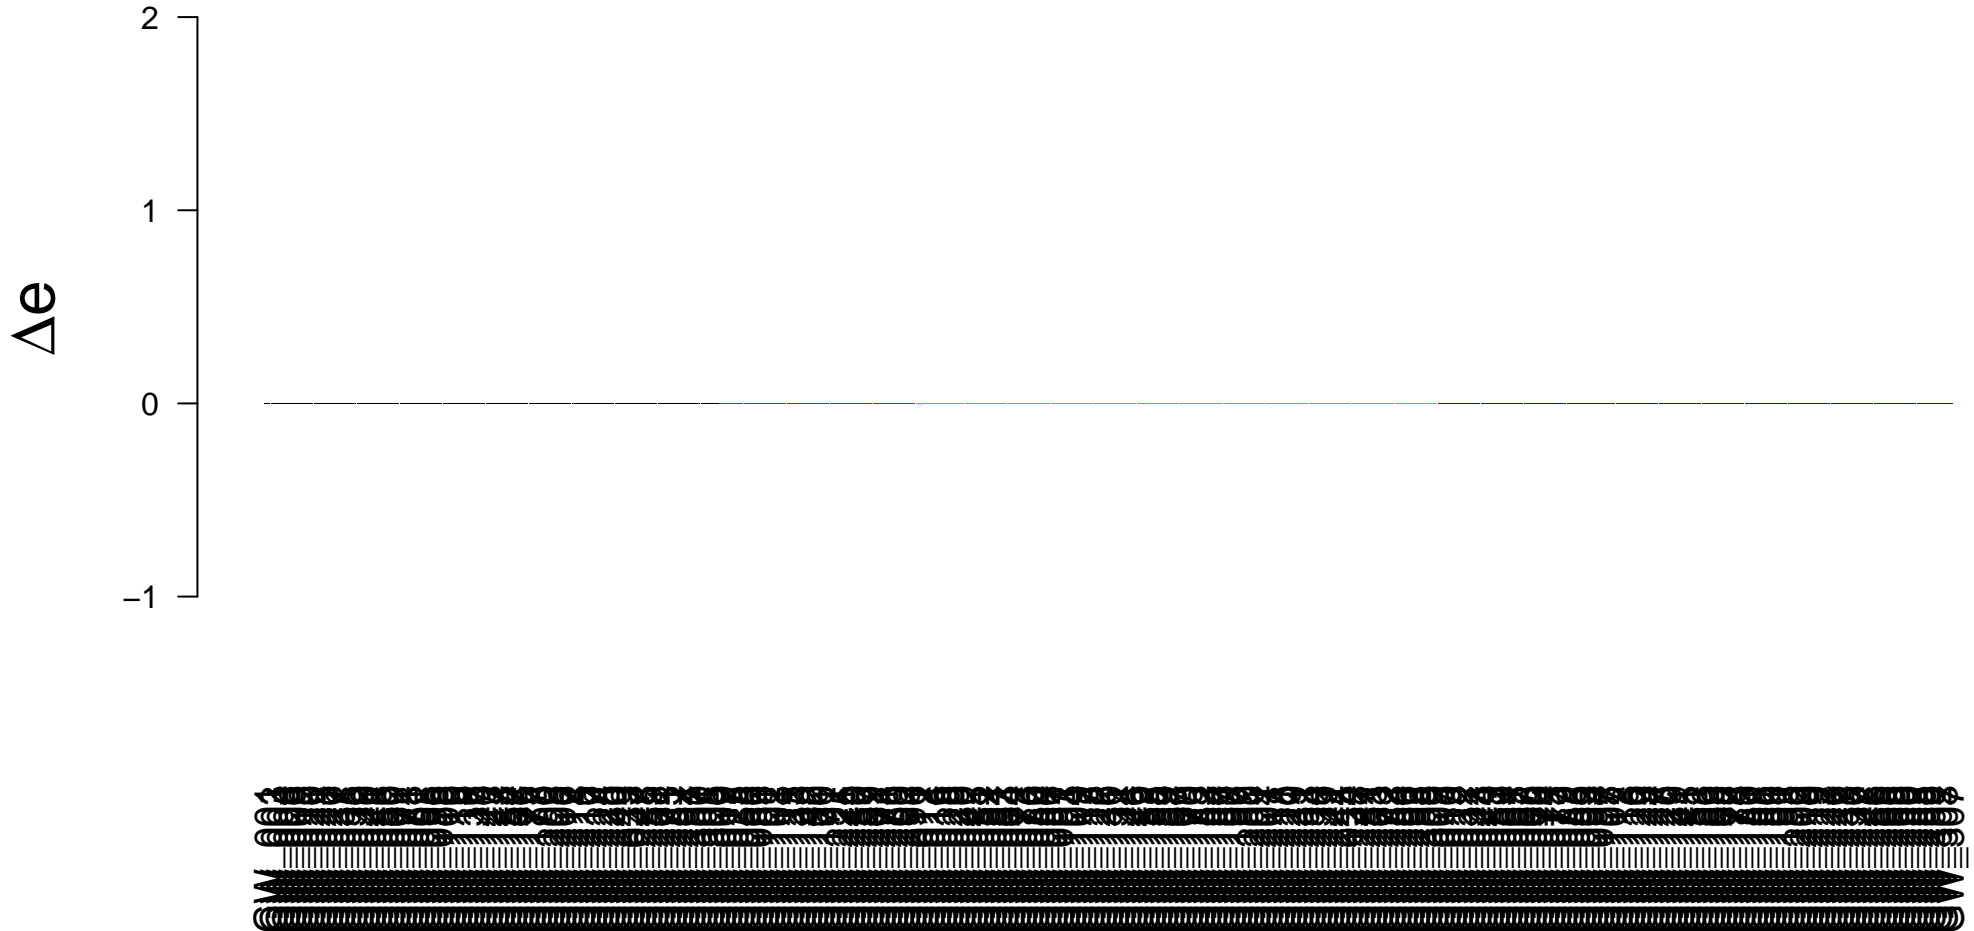

Δe

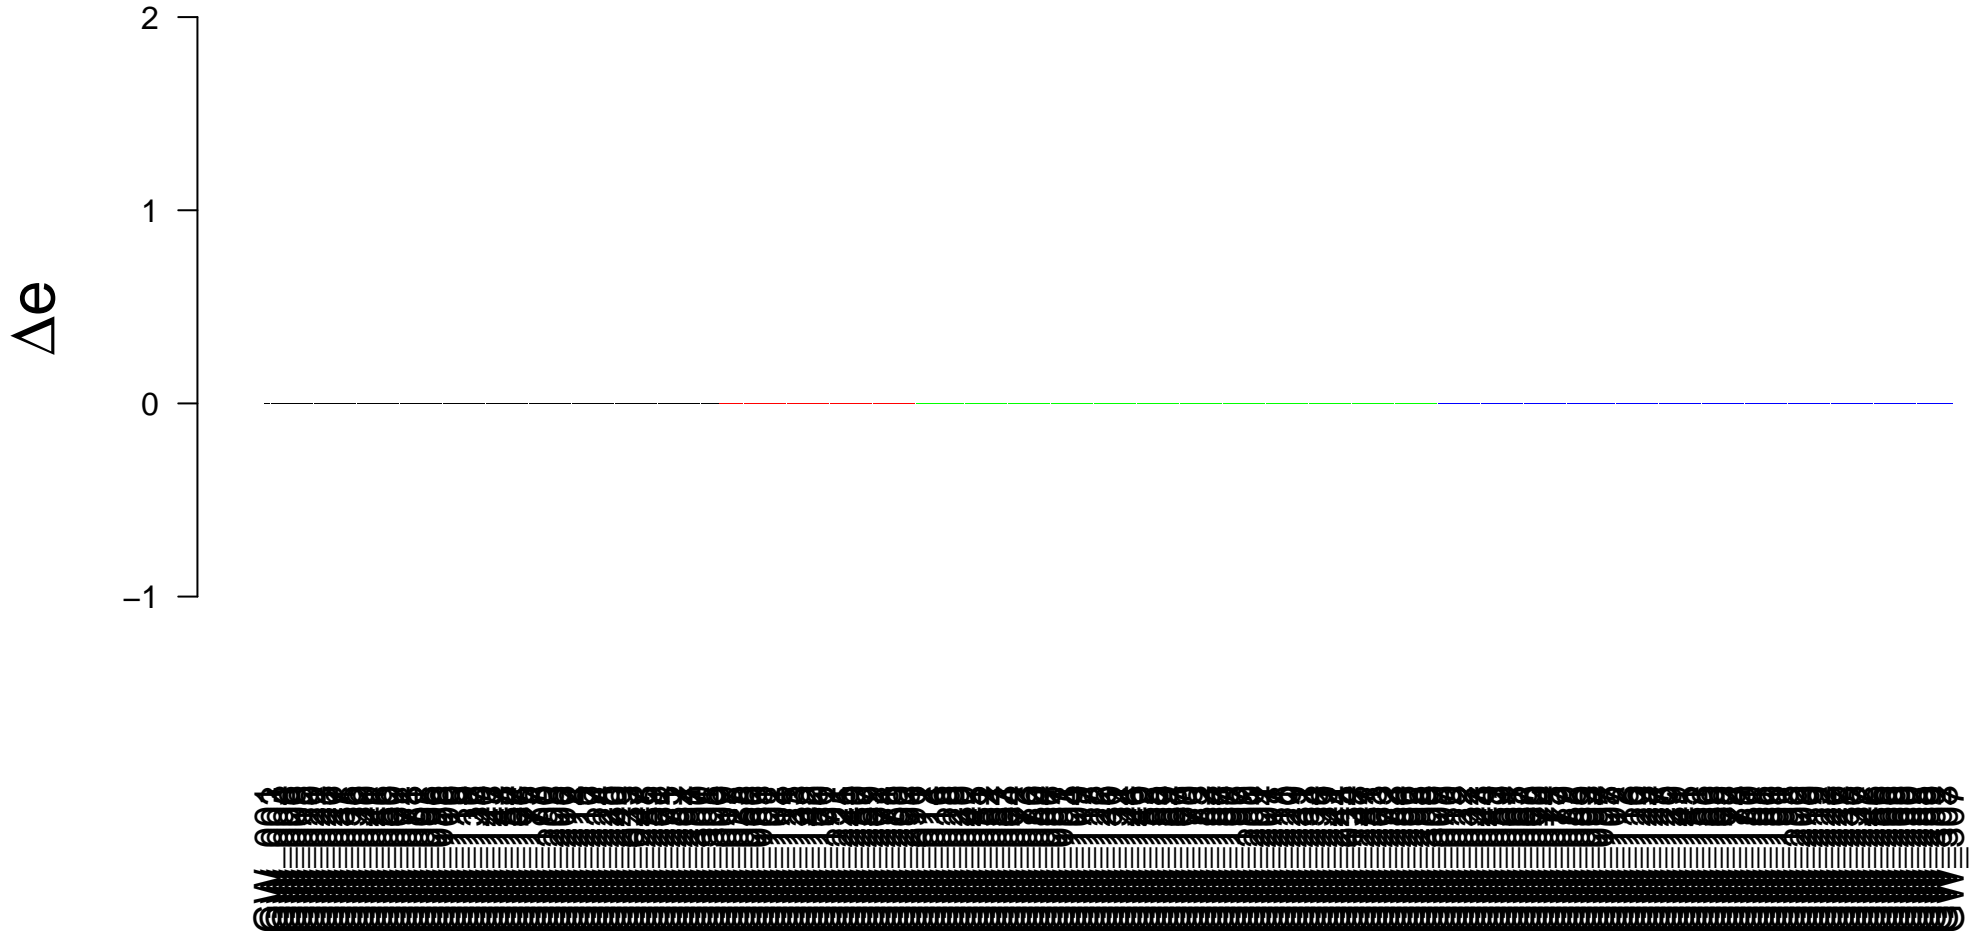

Expression of negative regulation of calcium ion transport in Spot M

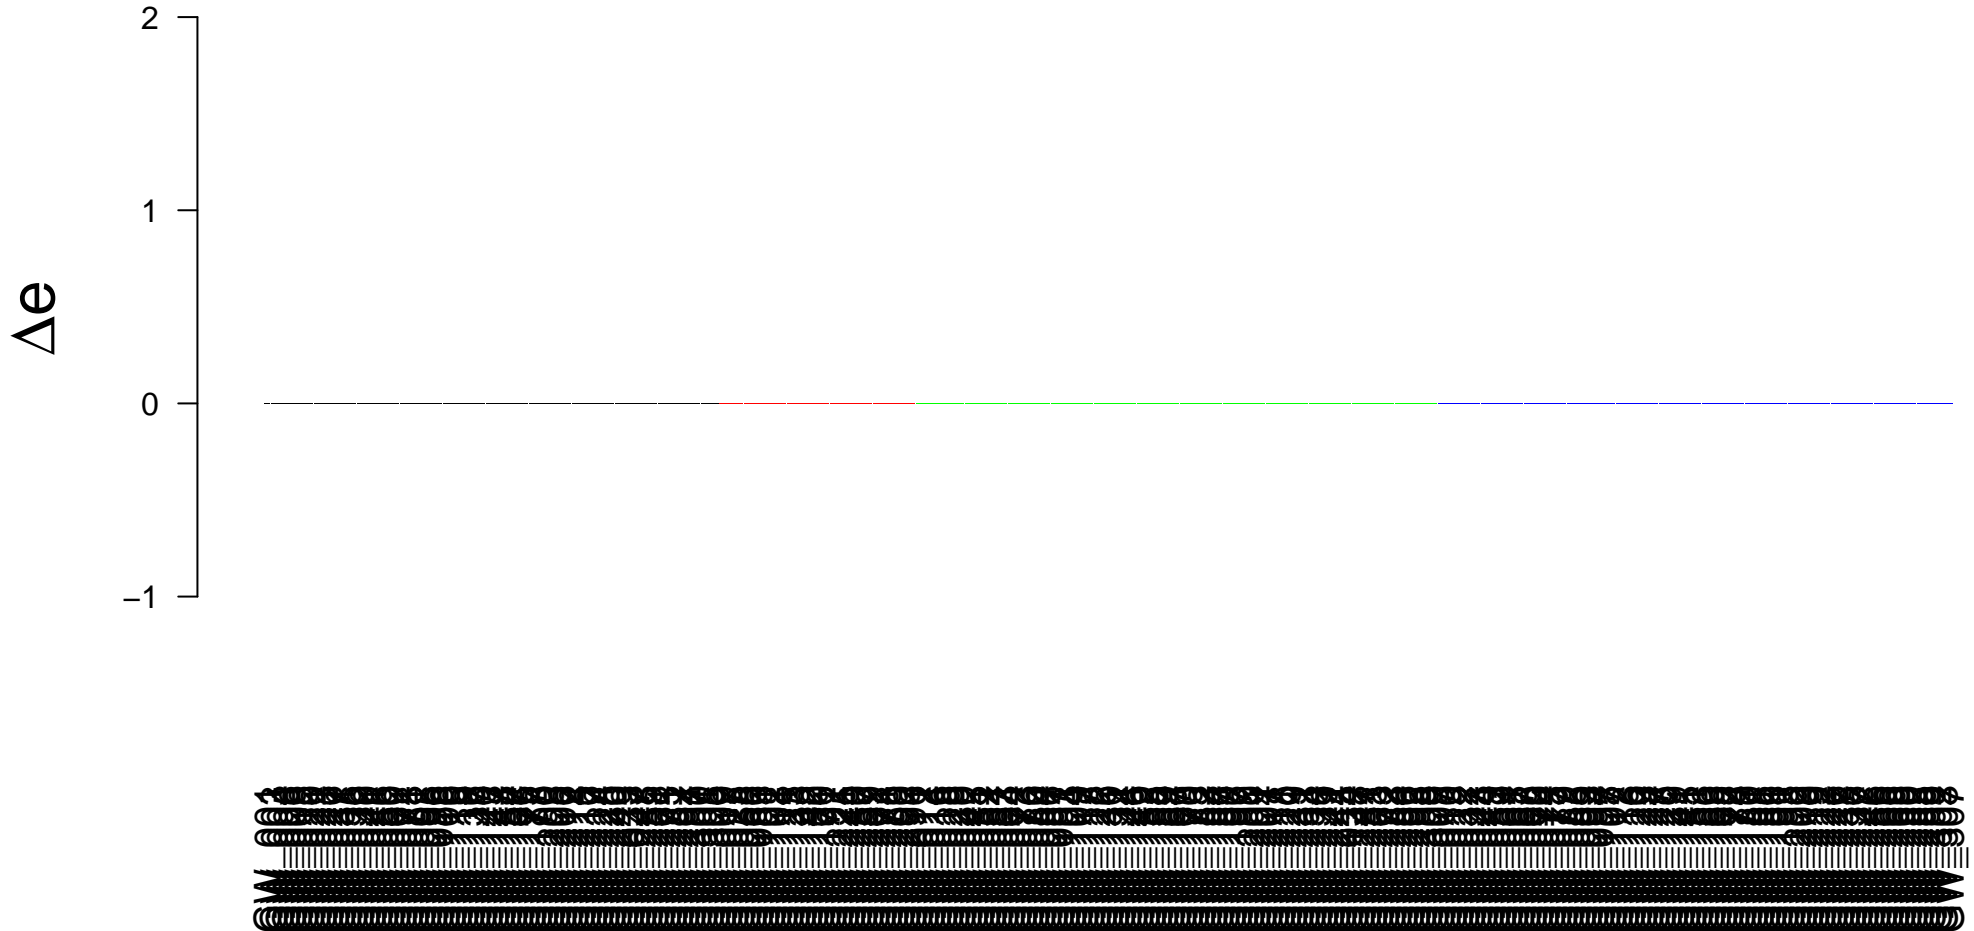

Expression of negative regulation of calcium ion transport in Spot N

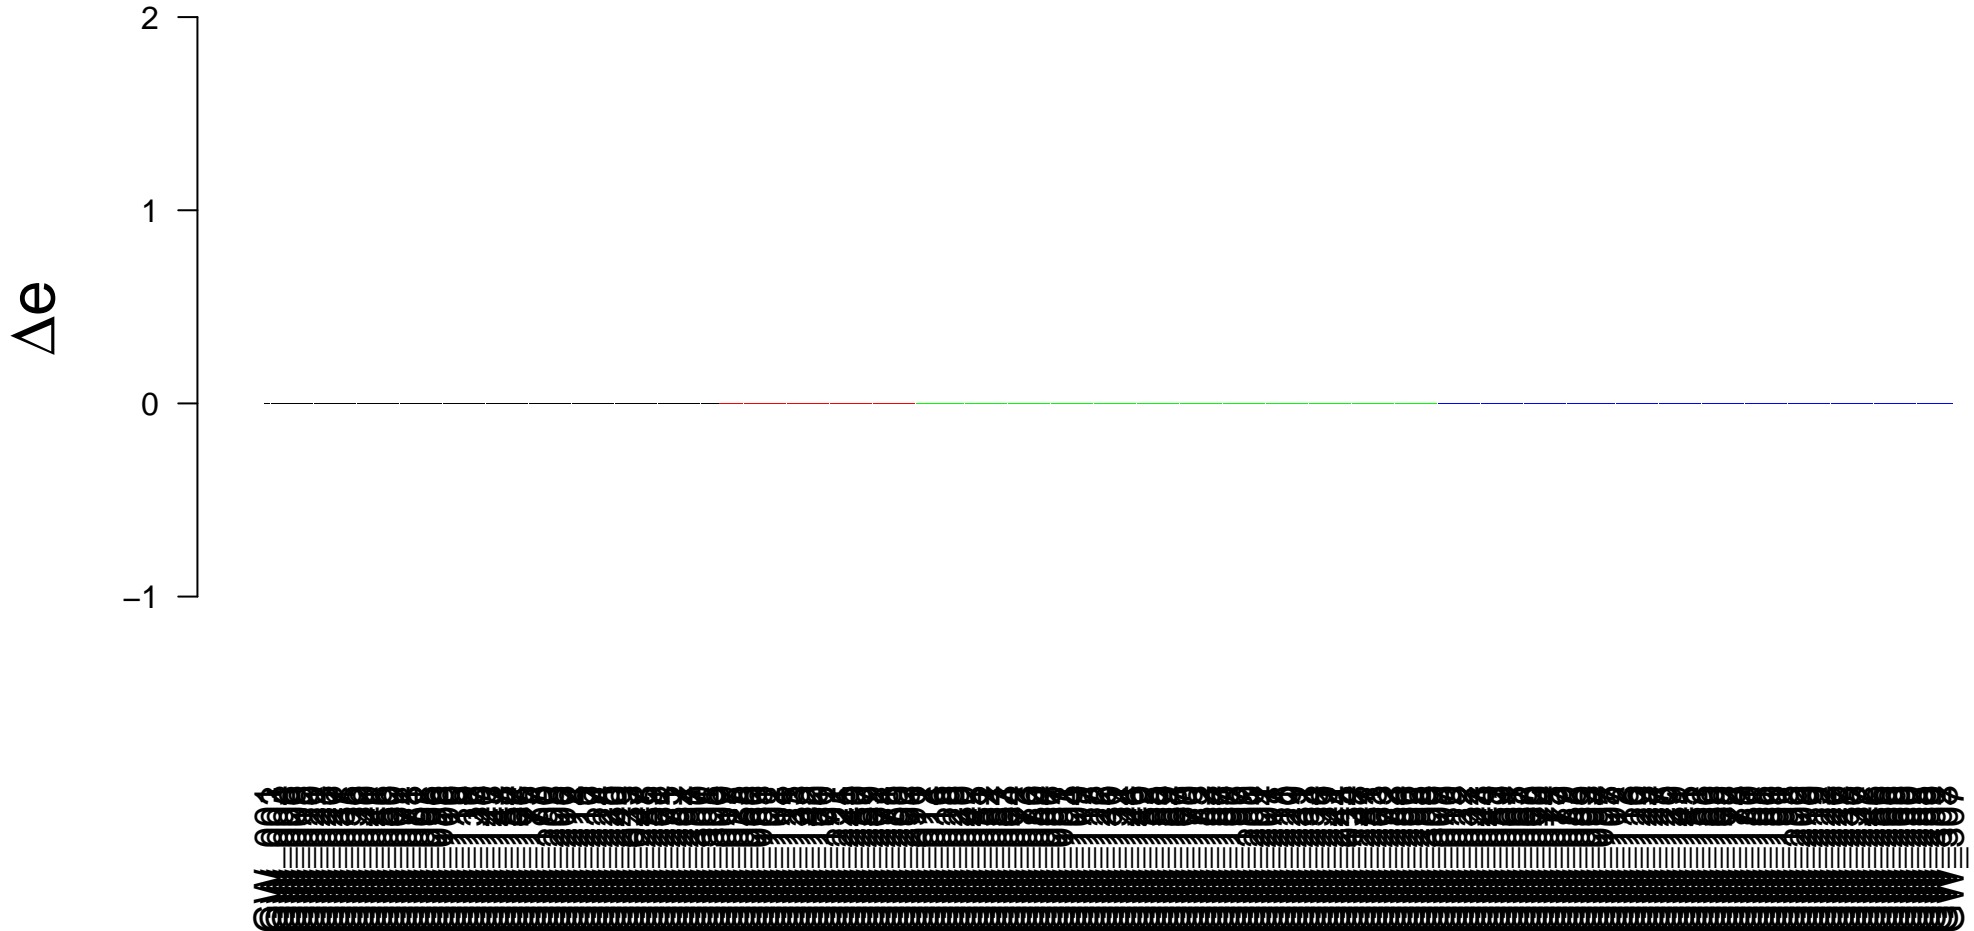

Expression of negative regulation of calcium ion transport in Spot O

Expression of negative regulation of calcium ion transport in Spot P

Expression of negative regulation of calcium ion transport in Spot Q

Expression of negative regulation of calcium ion transport in Spot R
