

negative regulation of cell death

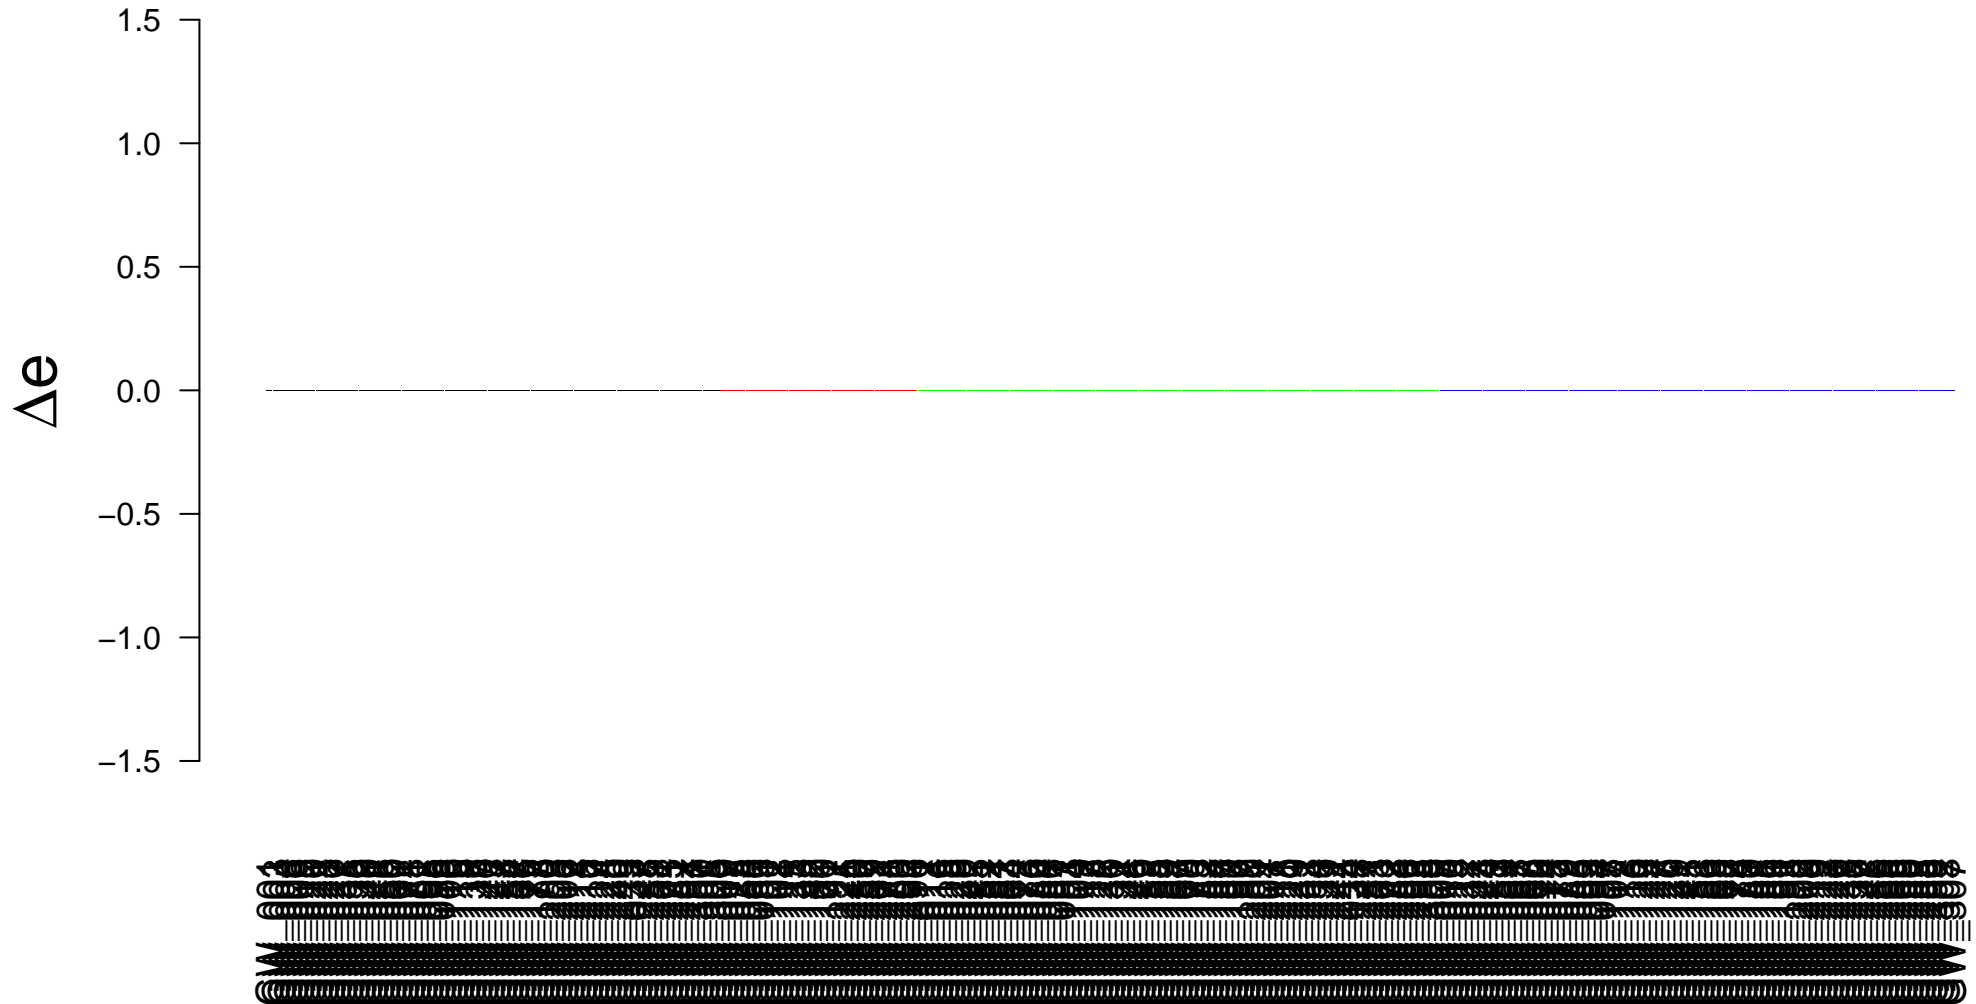

negative regulation of cell death

Enrichment in spots: negative regulation of cell death

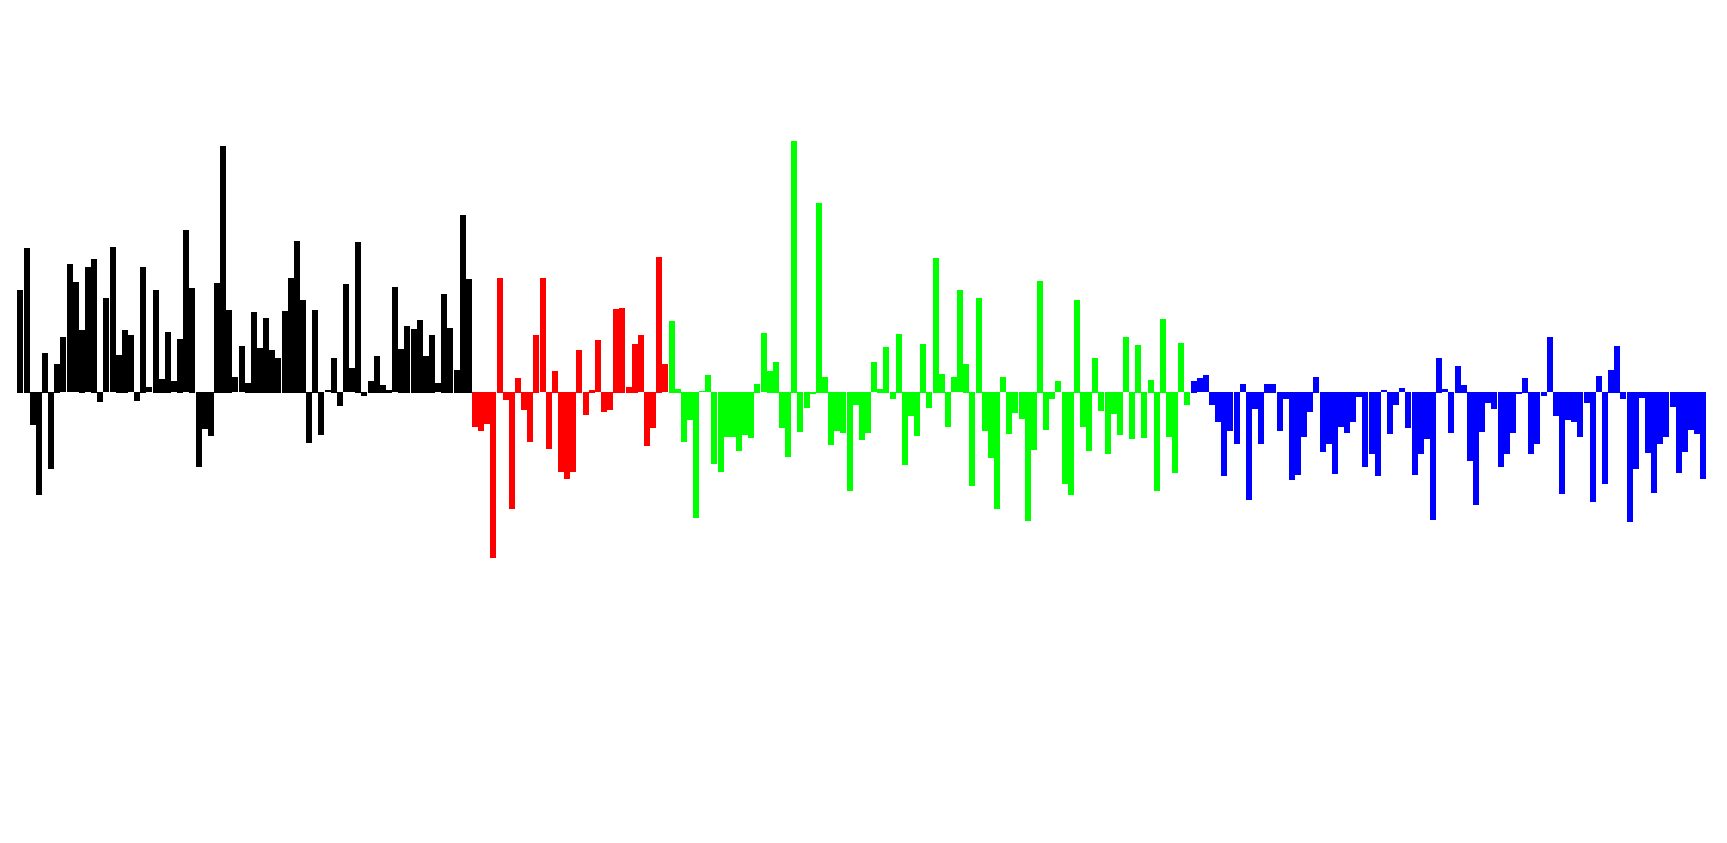

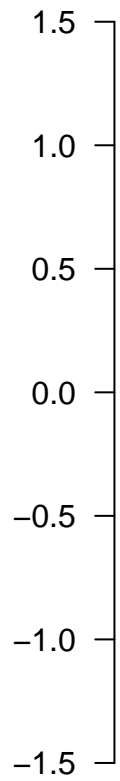

Expression of negative regulation of cell death in Spot A

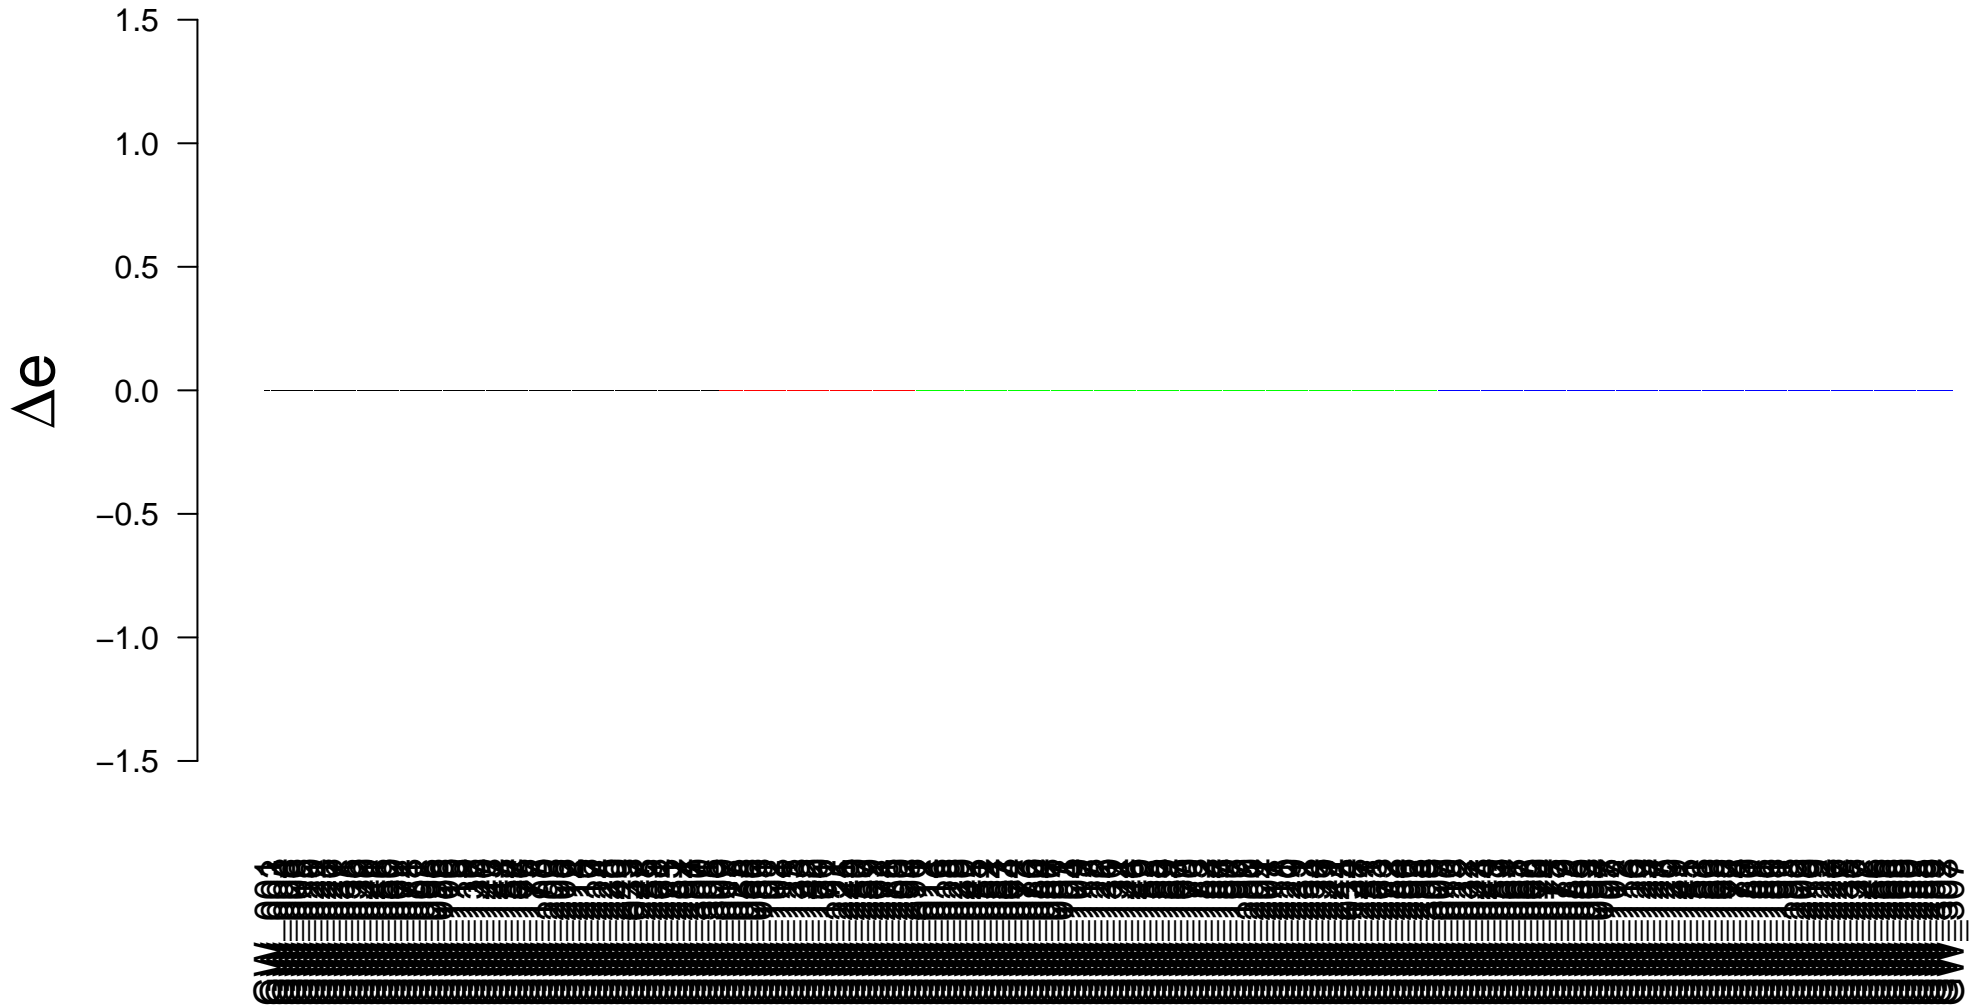

Expression of negative regulation of cell death in Spot B

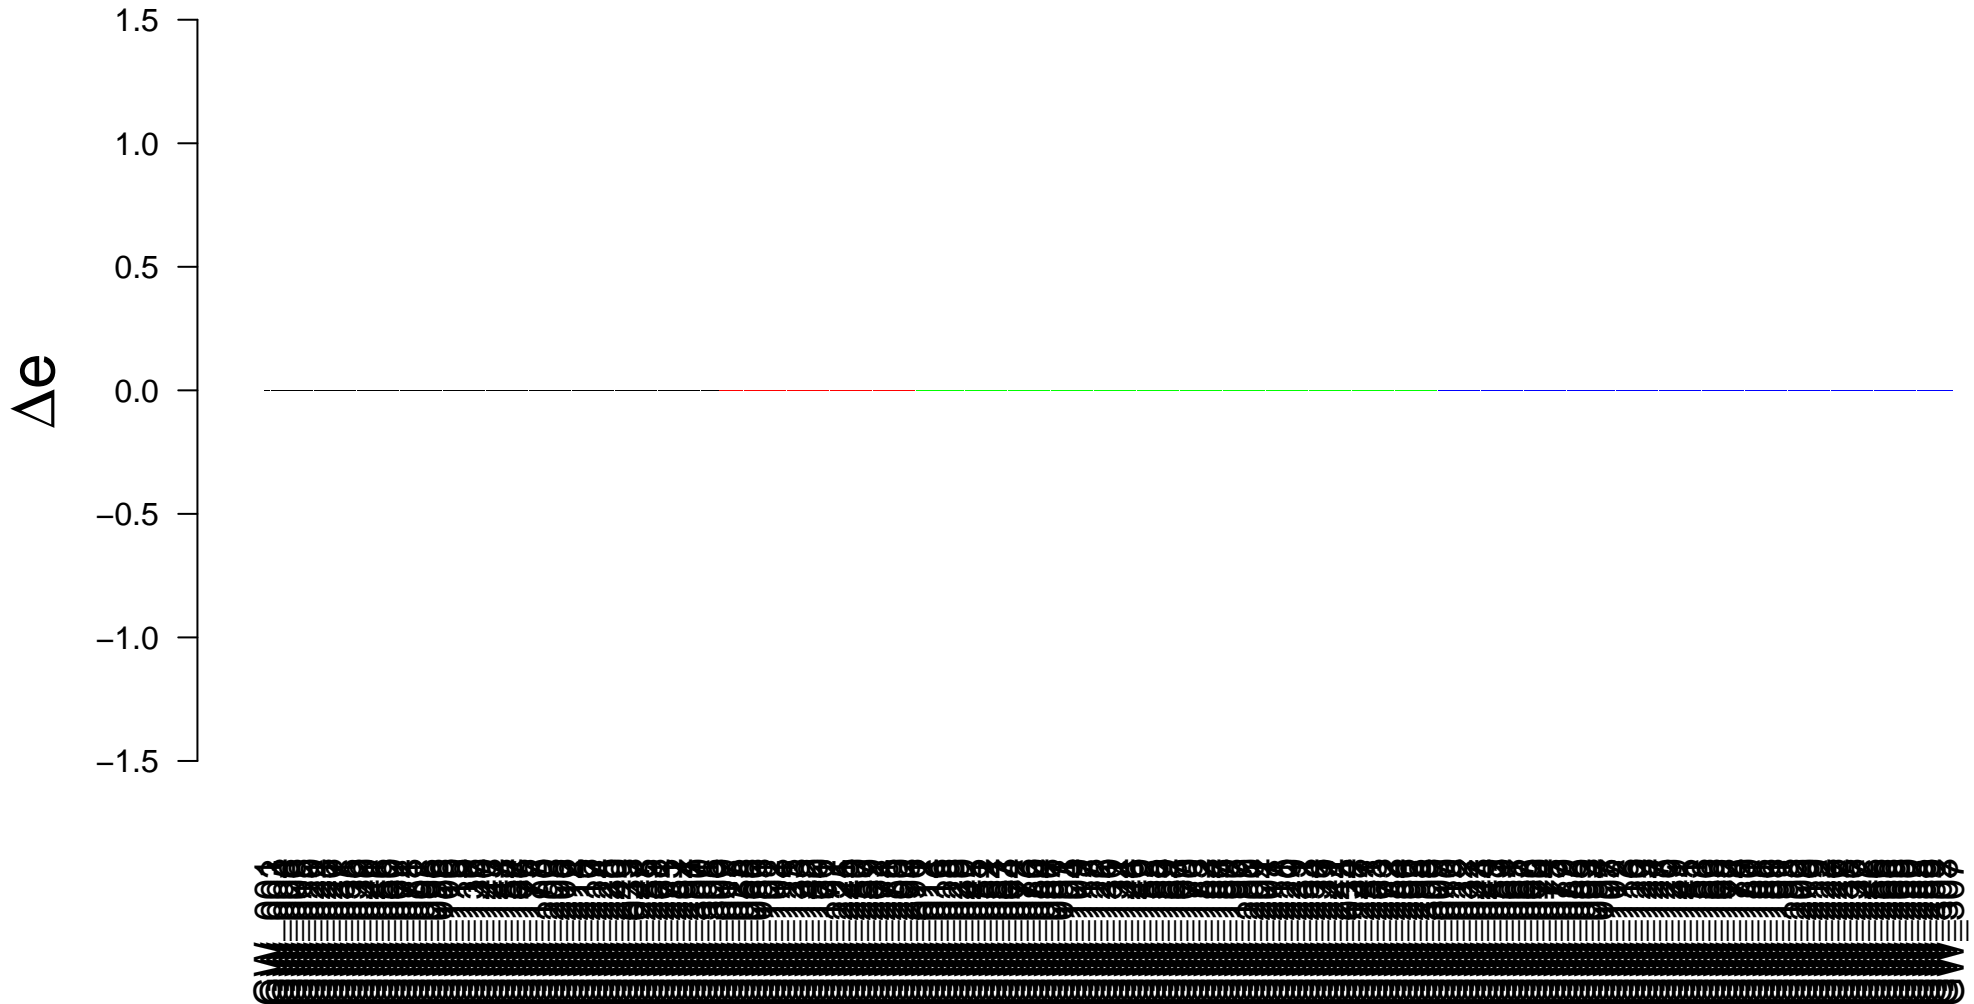

Δe

Expression of negative regulation of cell death in Spot C

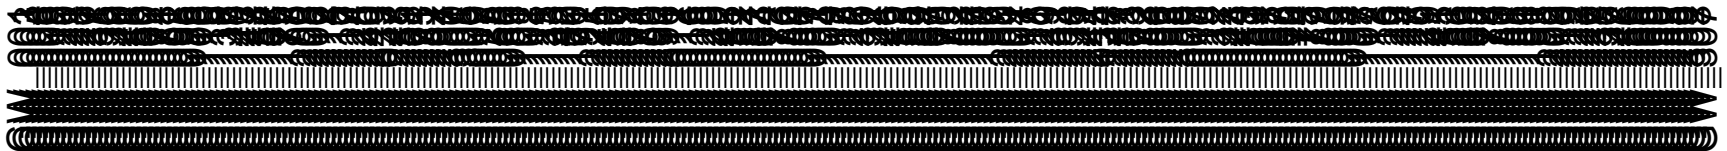

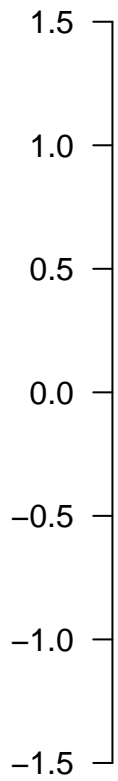

Expression of negative regulation of cell death in Spot D

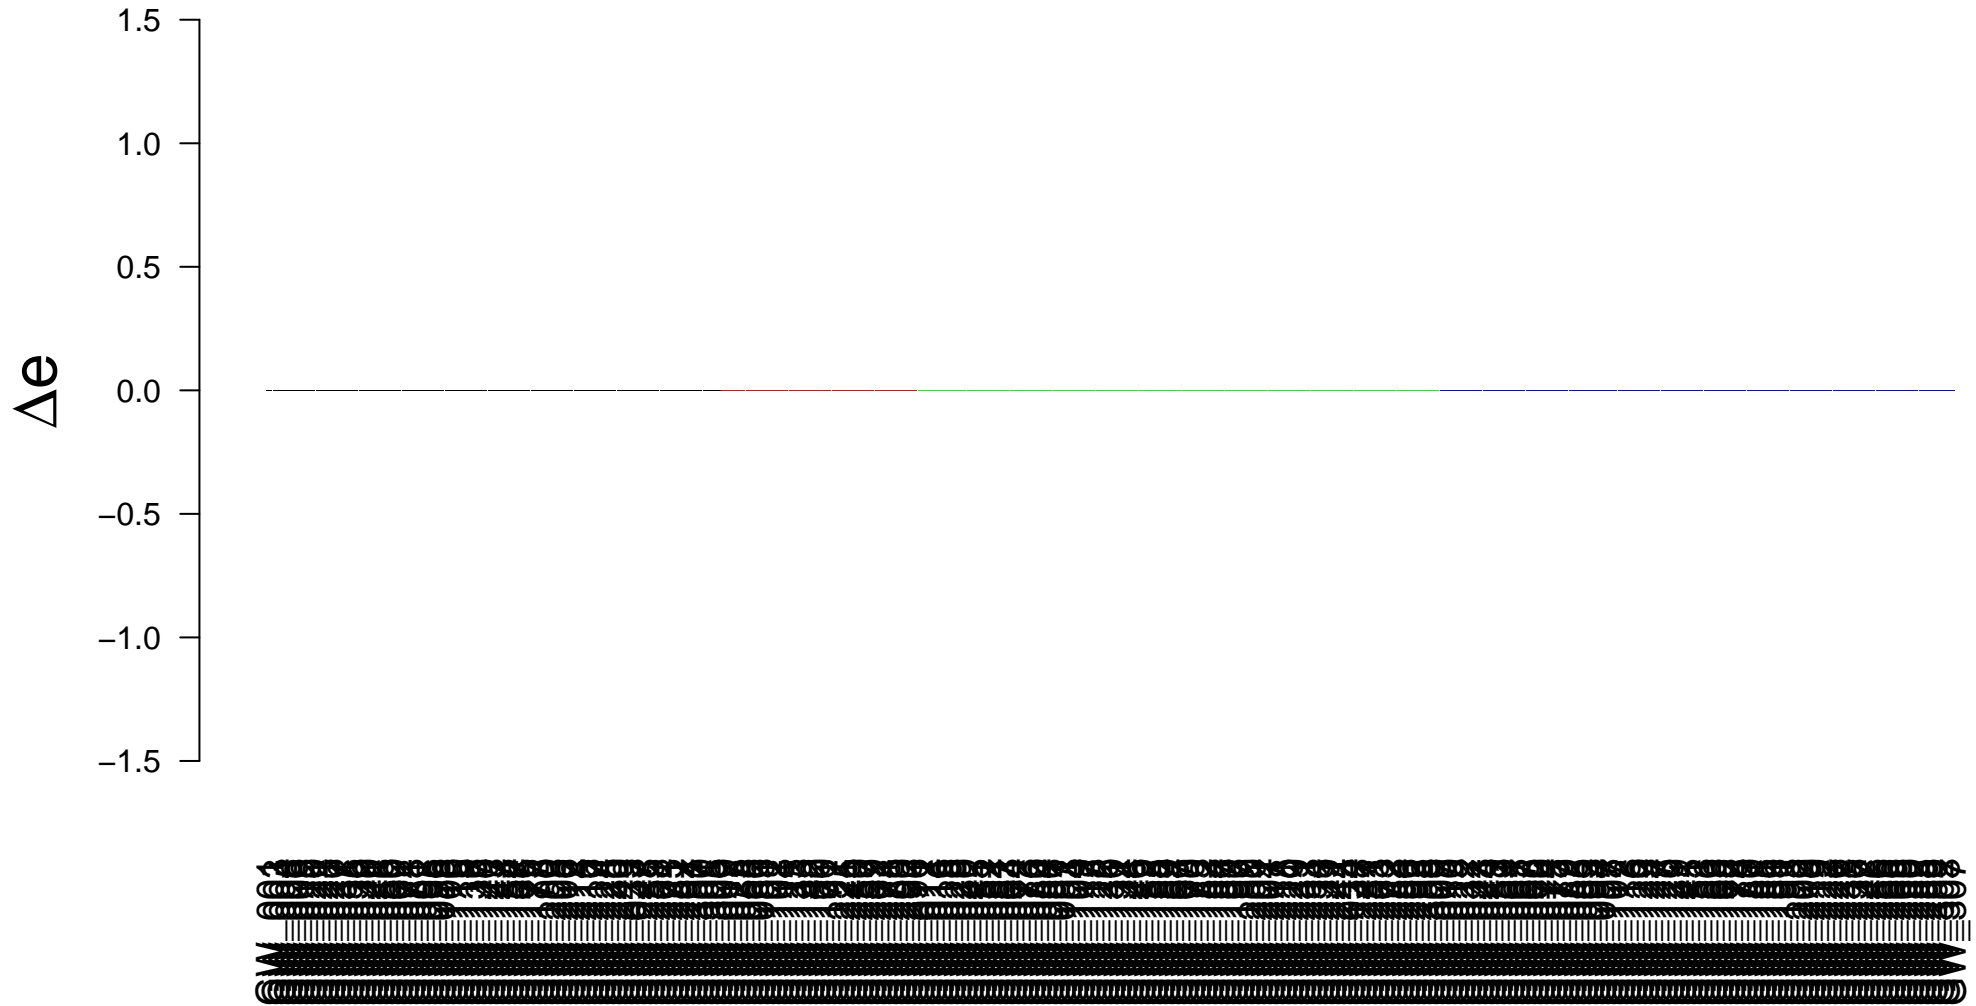

Expression of negative regulation of cell death in Spot E

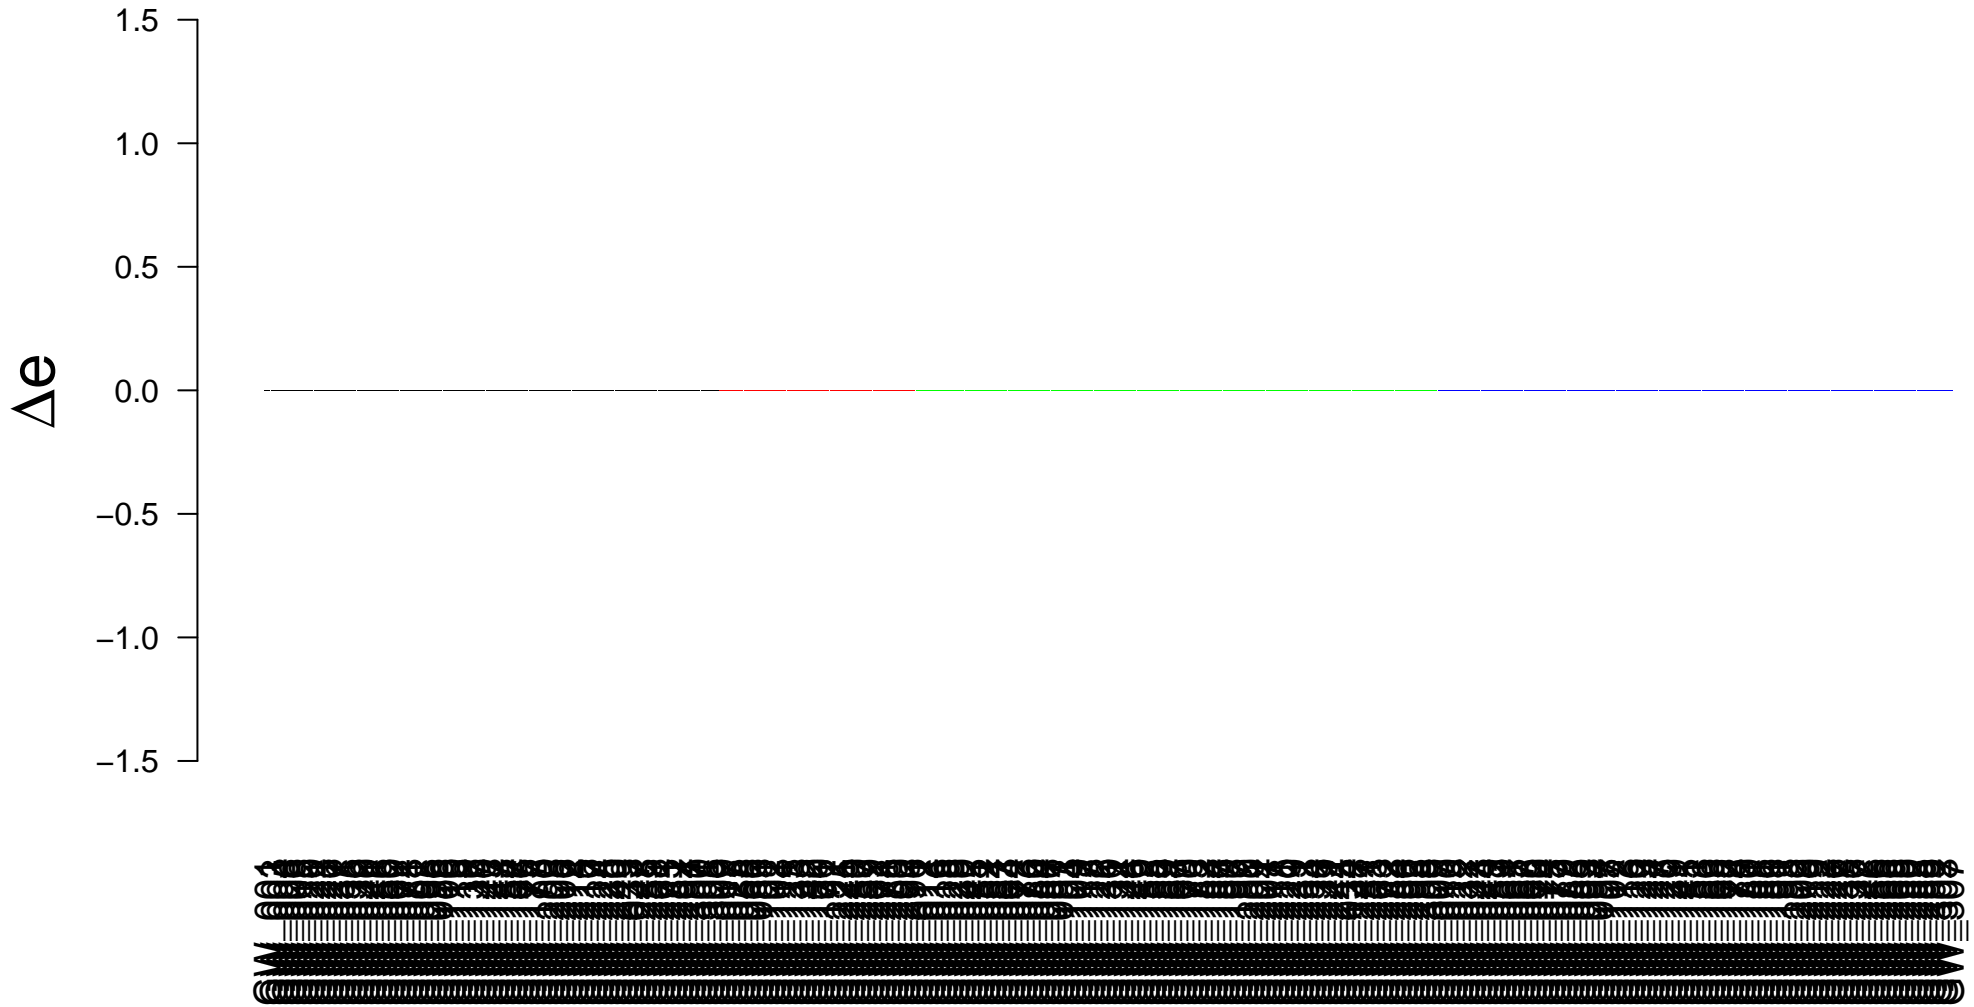

Δe

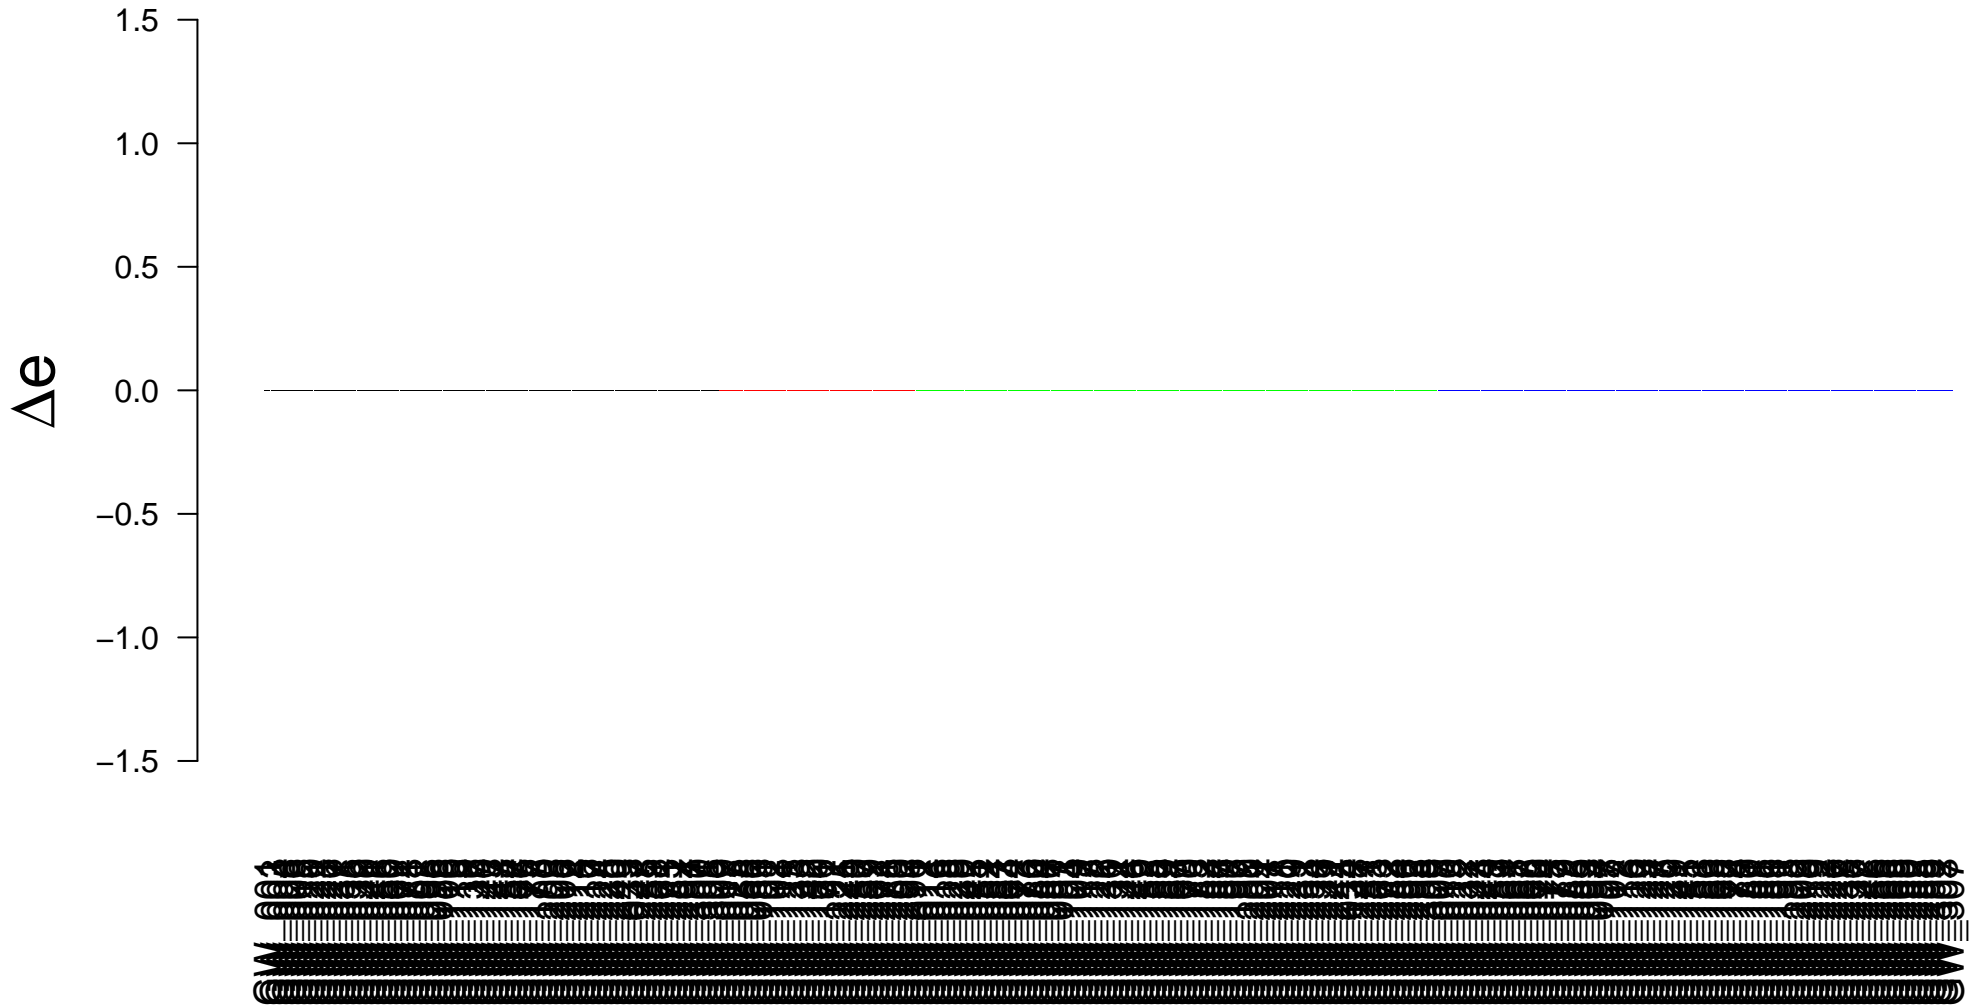

Expression of negative regulation of cell death in Spot F

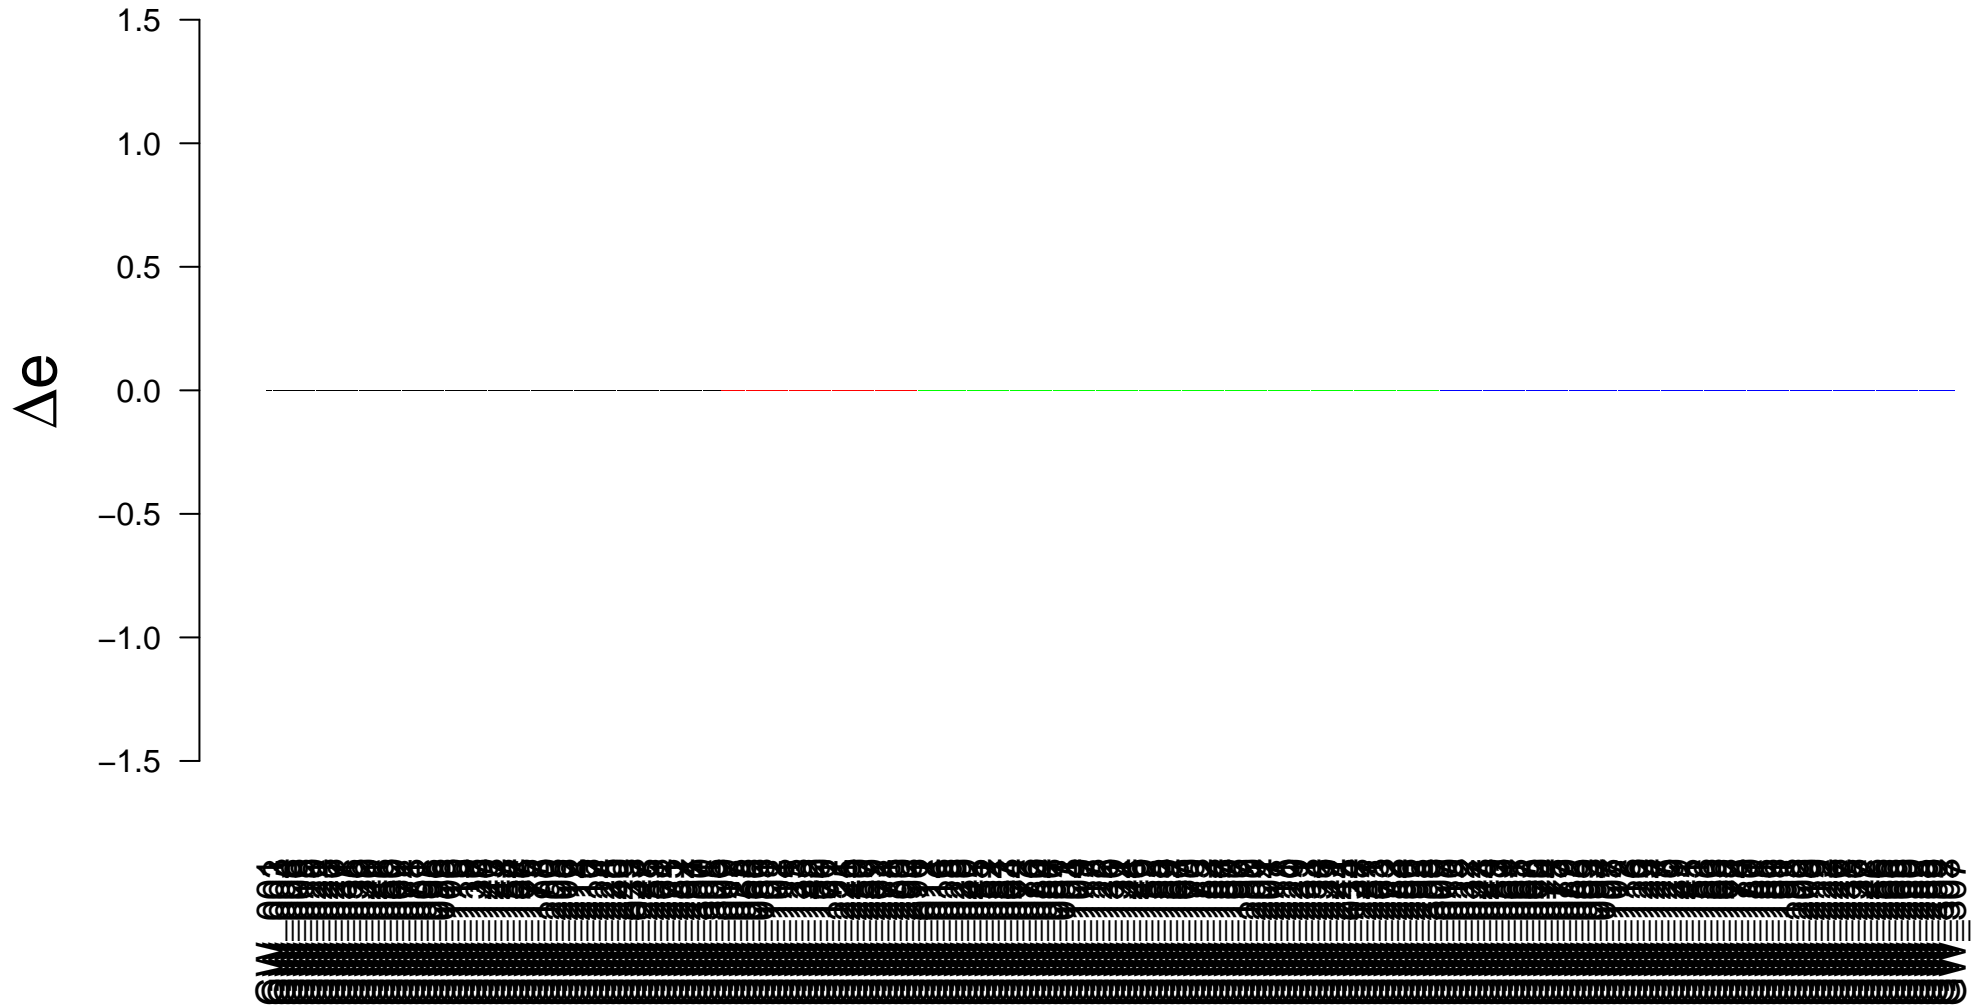

Expression of negative regulation of cell death in Spot G

Expression of negative regulation of cell death in Spot H

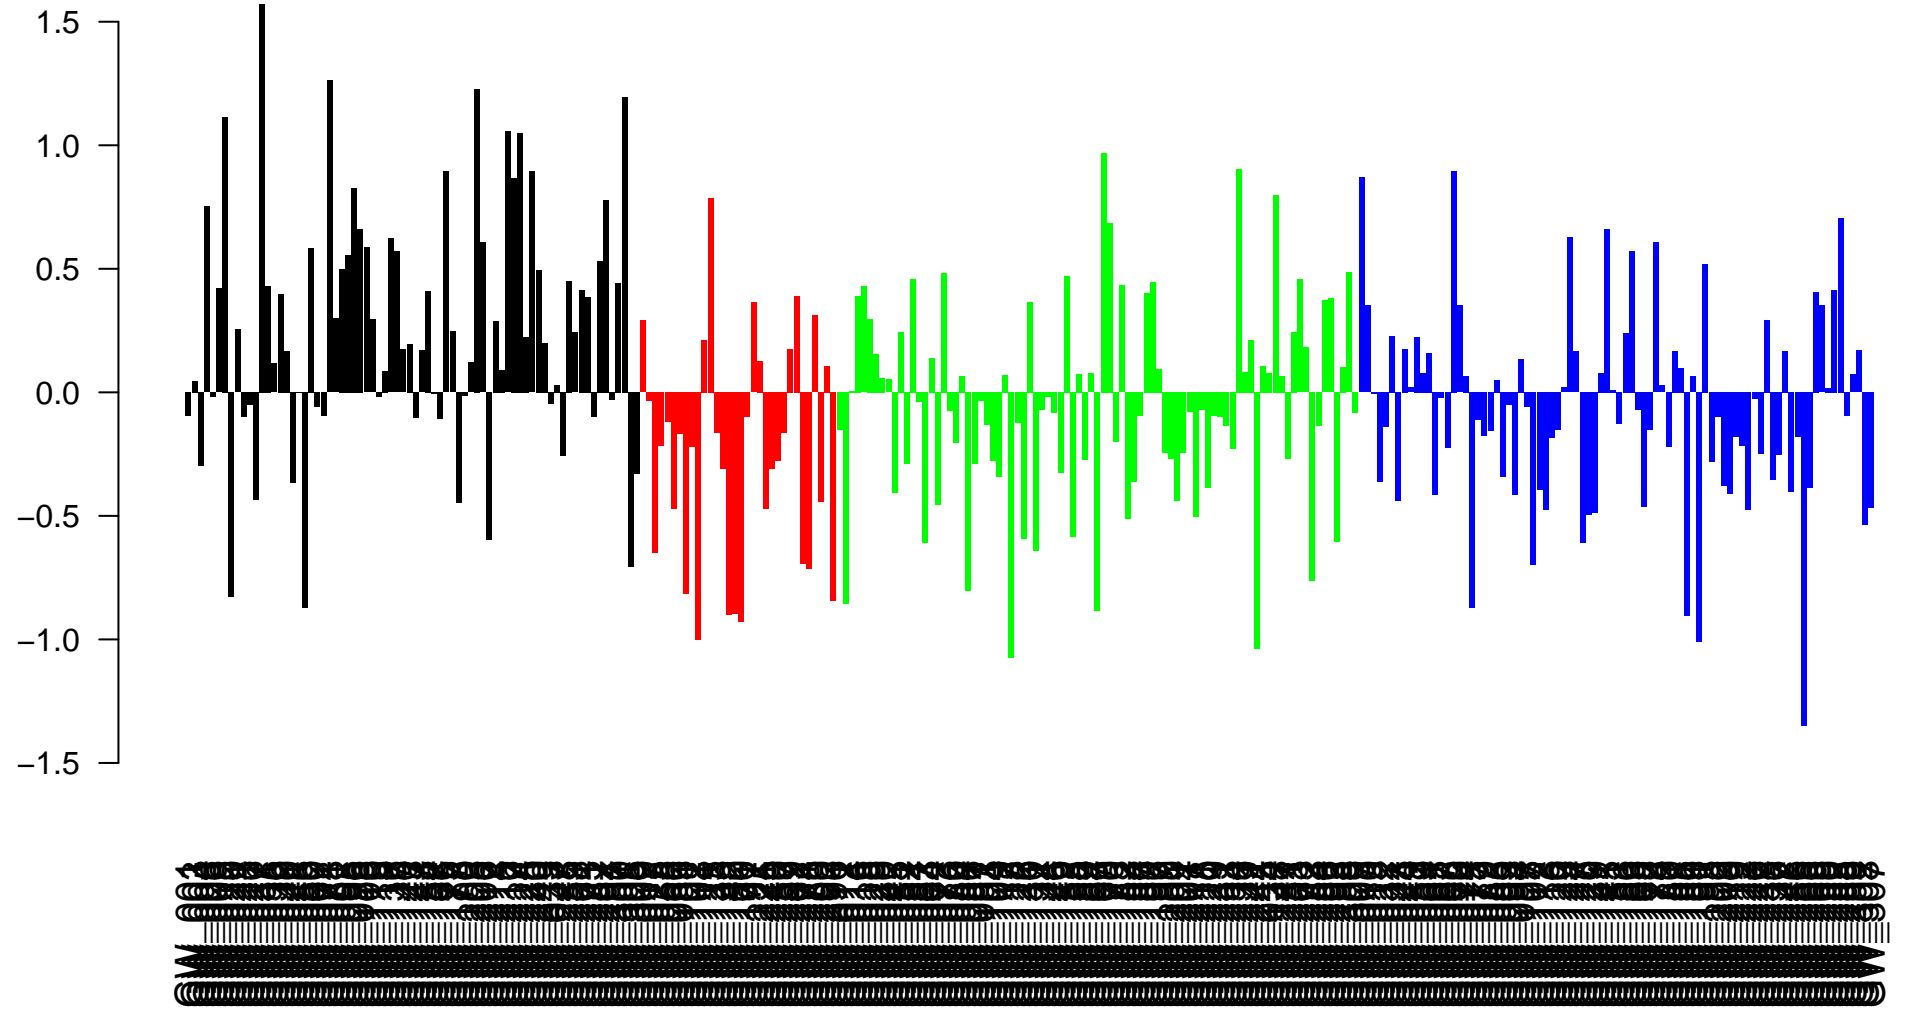

Expression of negative regulation of cell death in Spot I

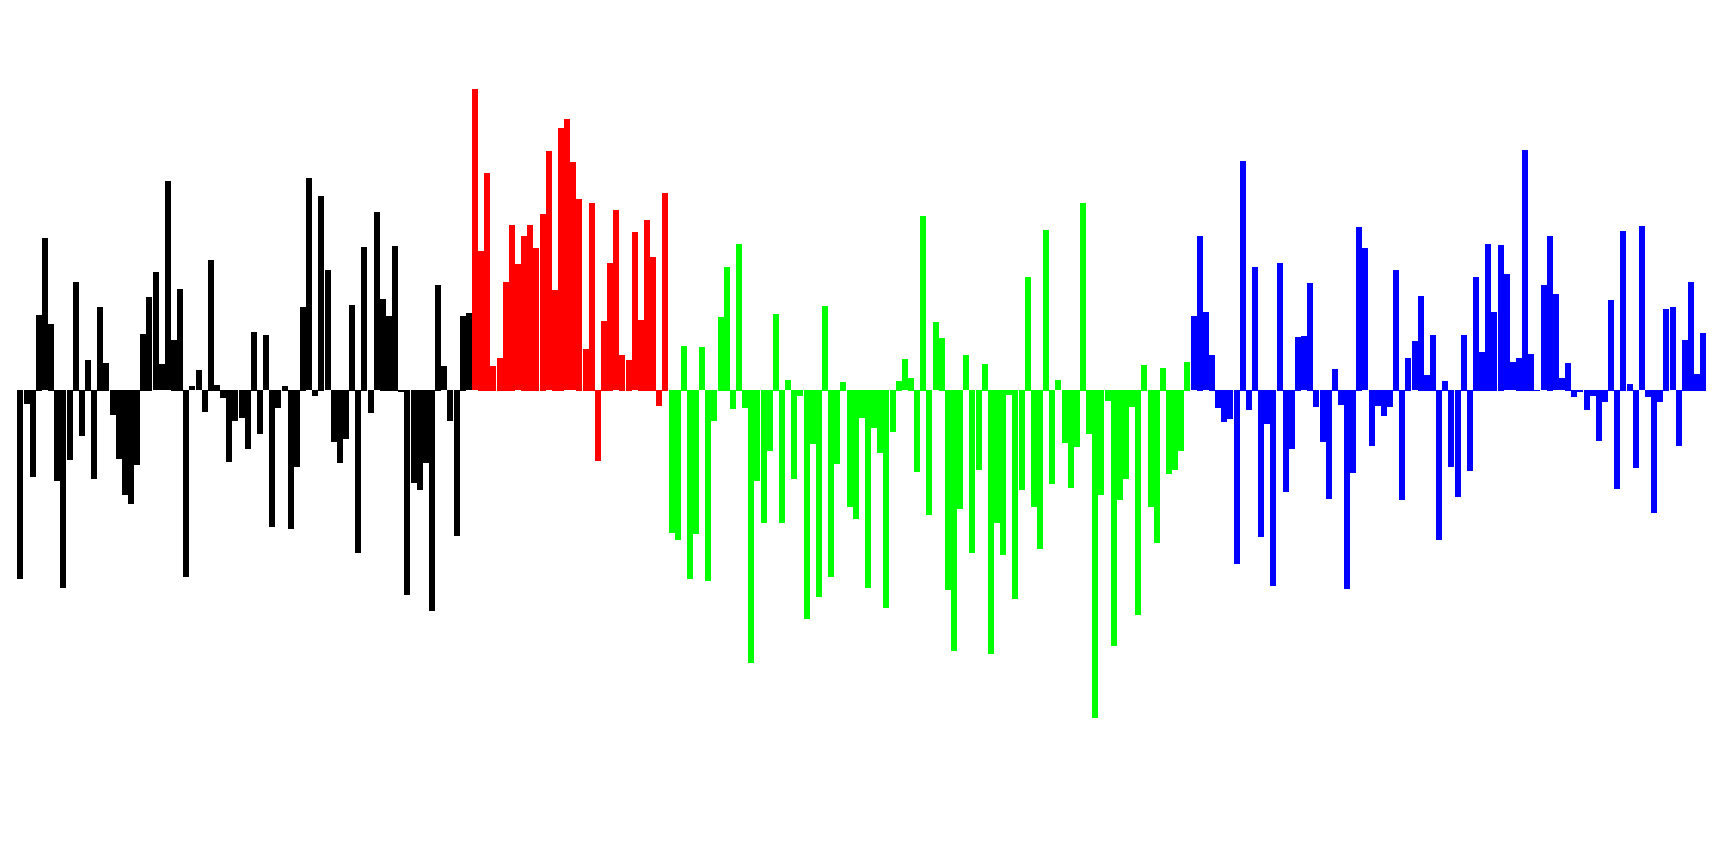

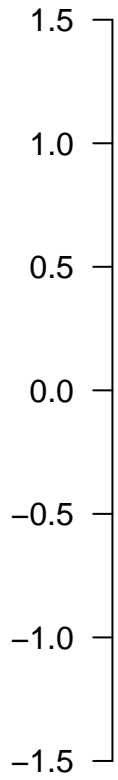

Expression of negative regulation of cell death in Spot J

Δe

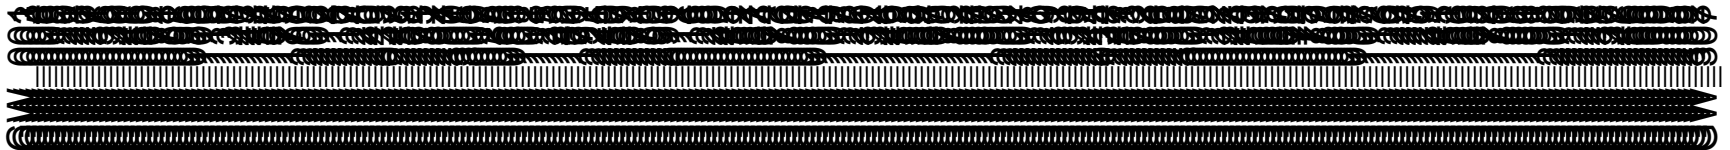

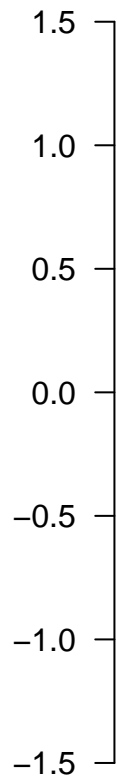

Expression of negative regulation of cell death in Spot K

Δe

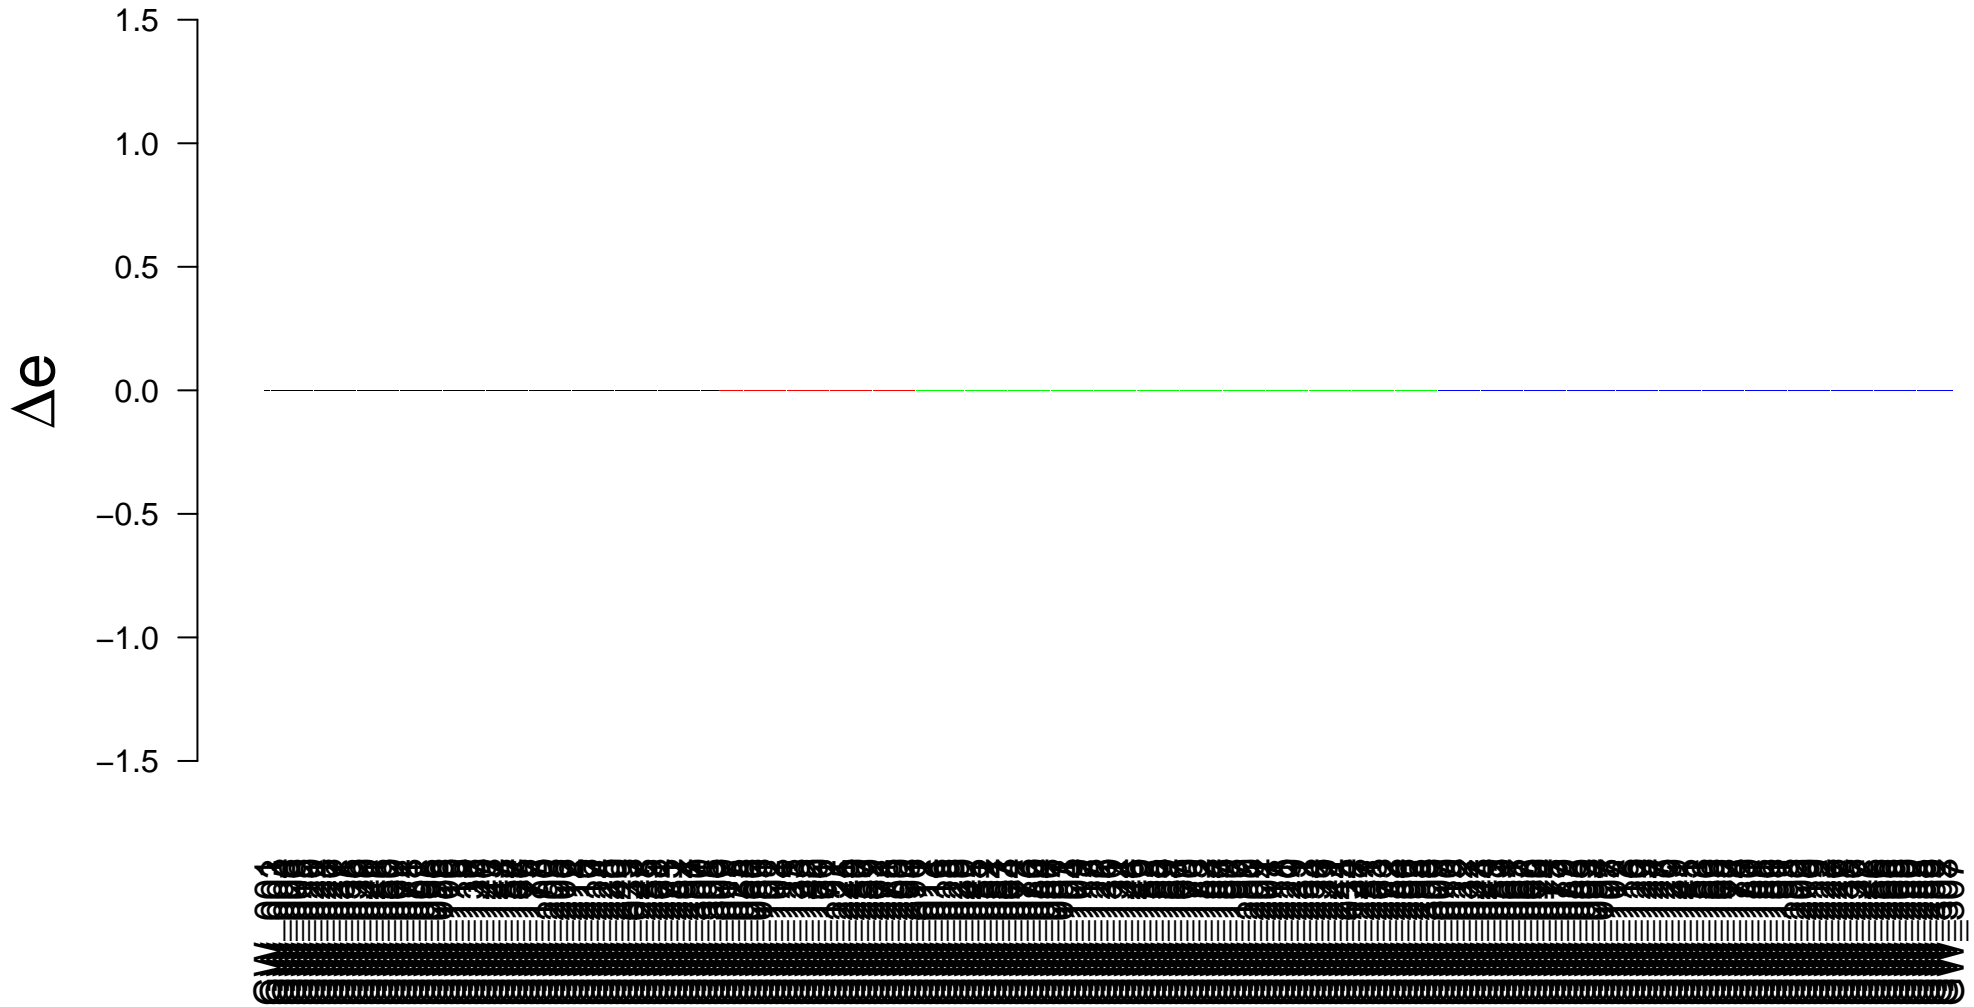

Expression of negative regulation of cell death in Spot L

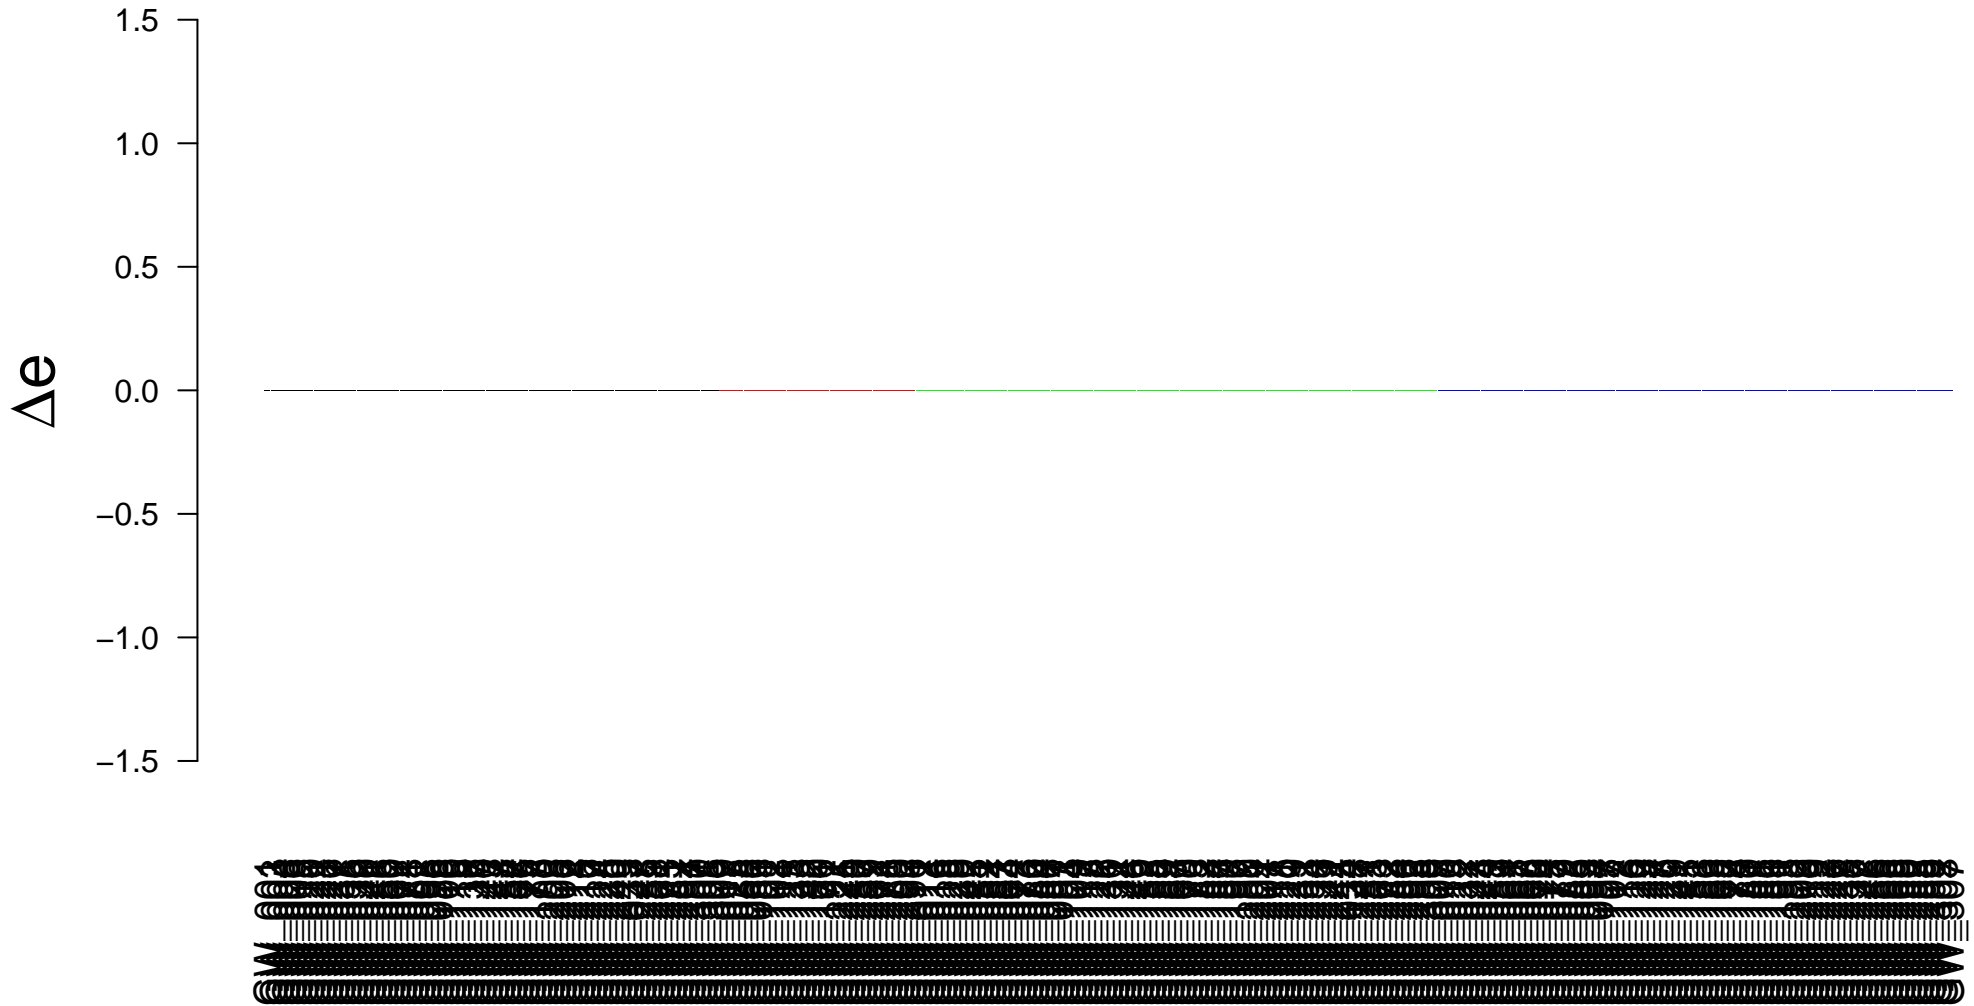

Δe

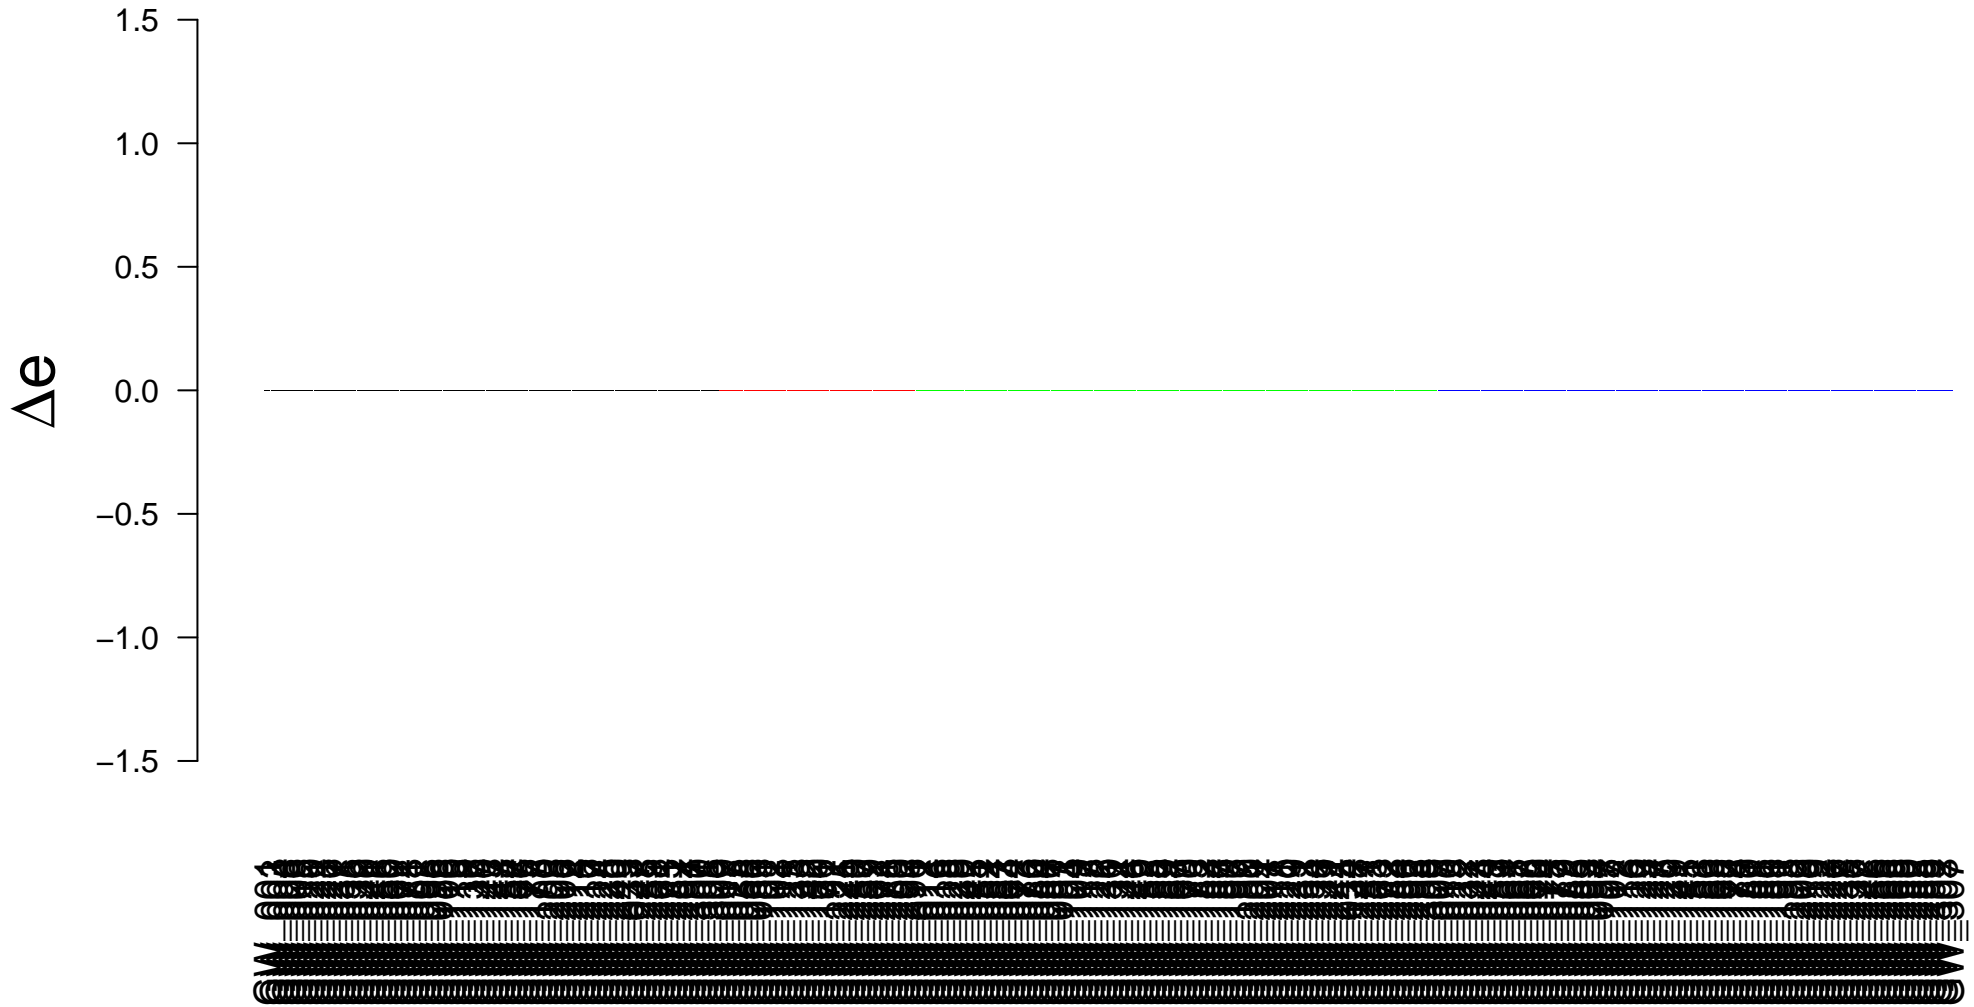

Expression of negative regulation of cell death in Spot M

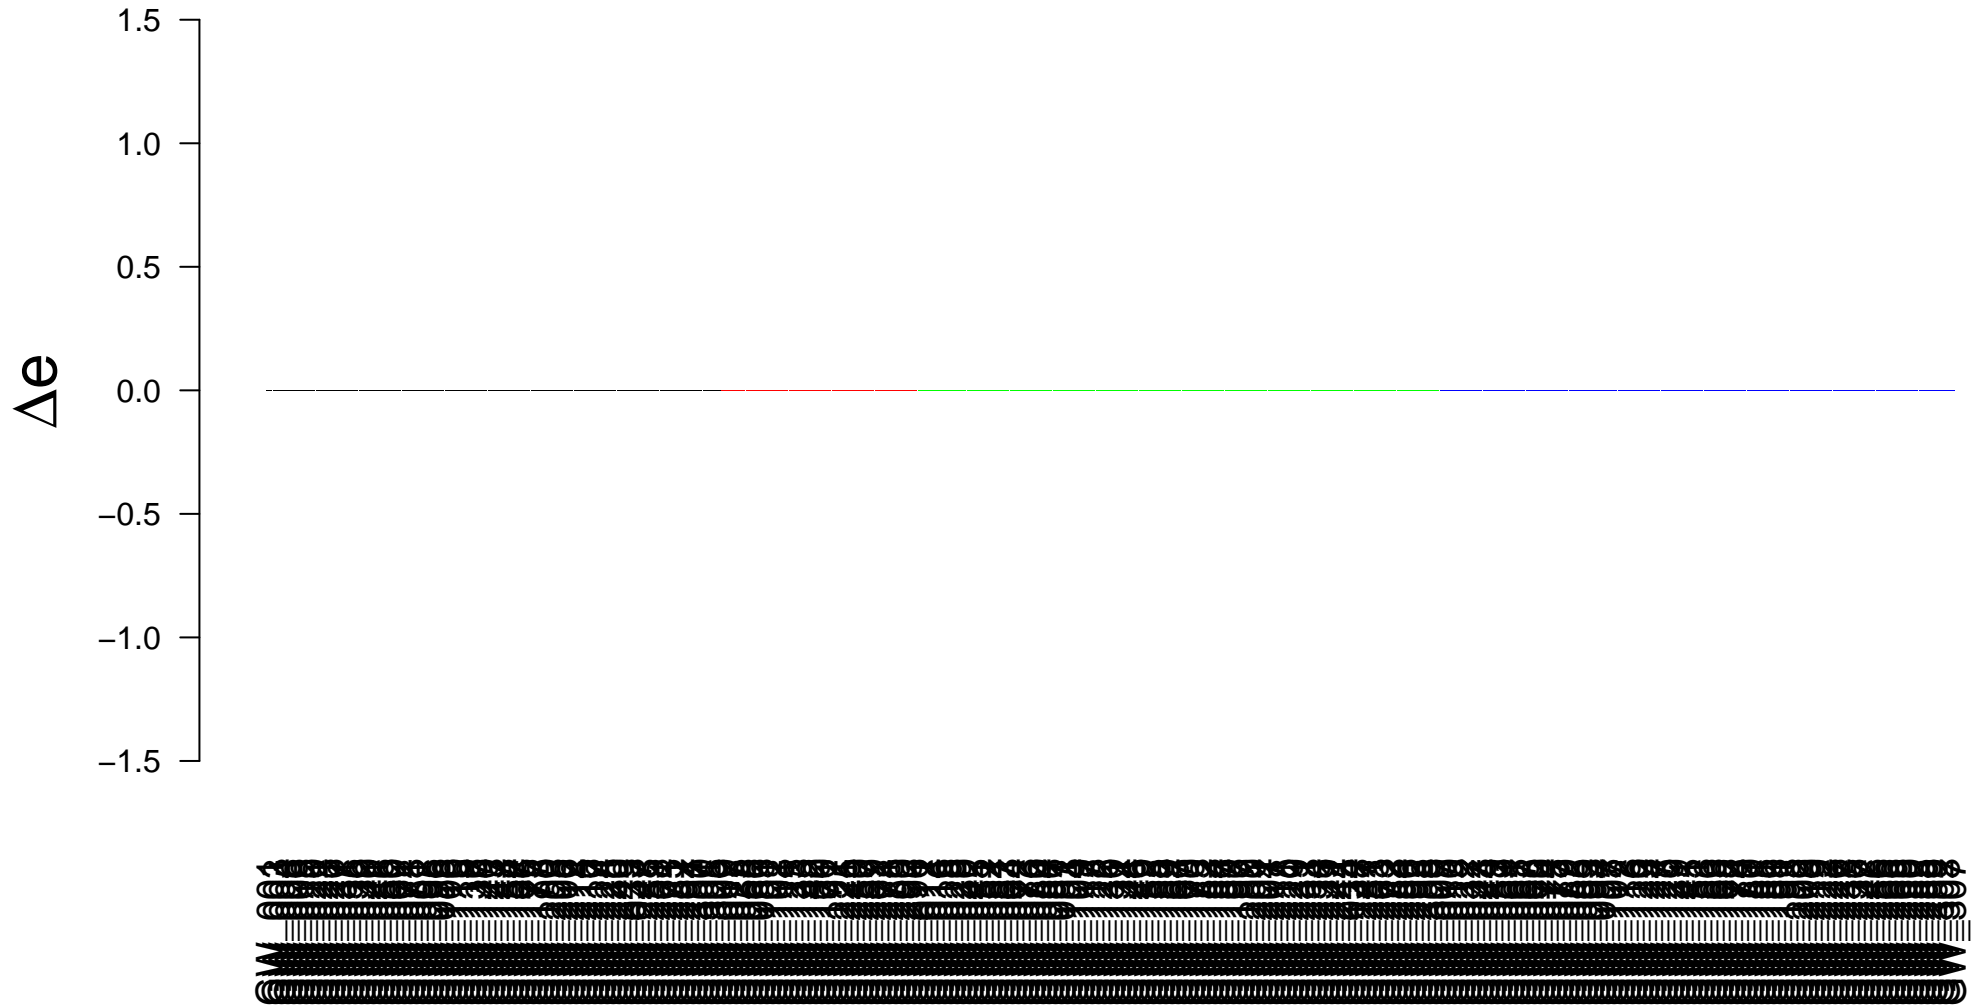

Expression of negative regulation of cell death in Spot N

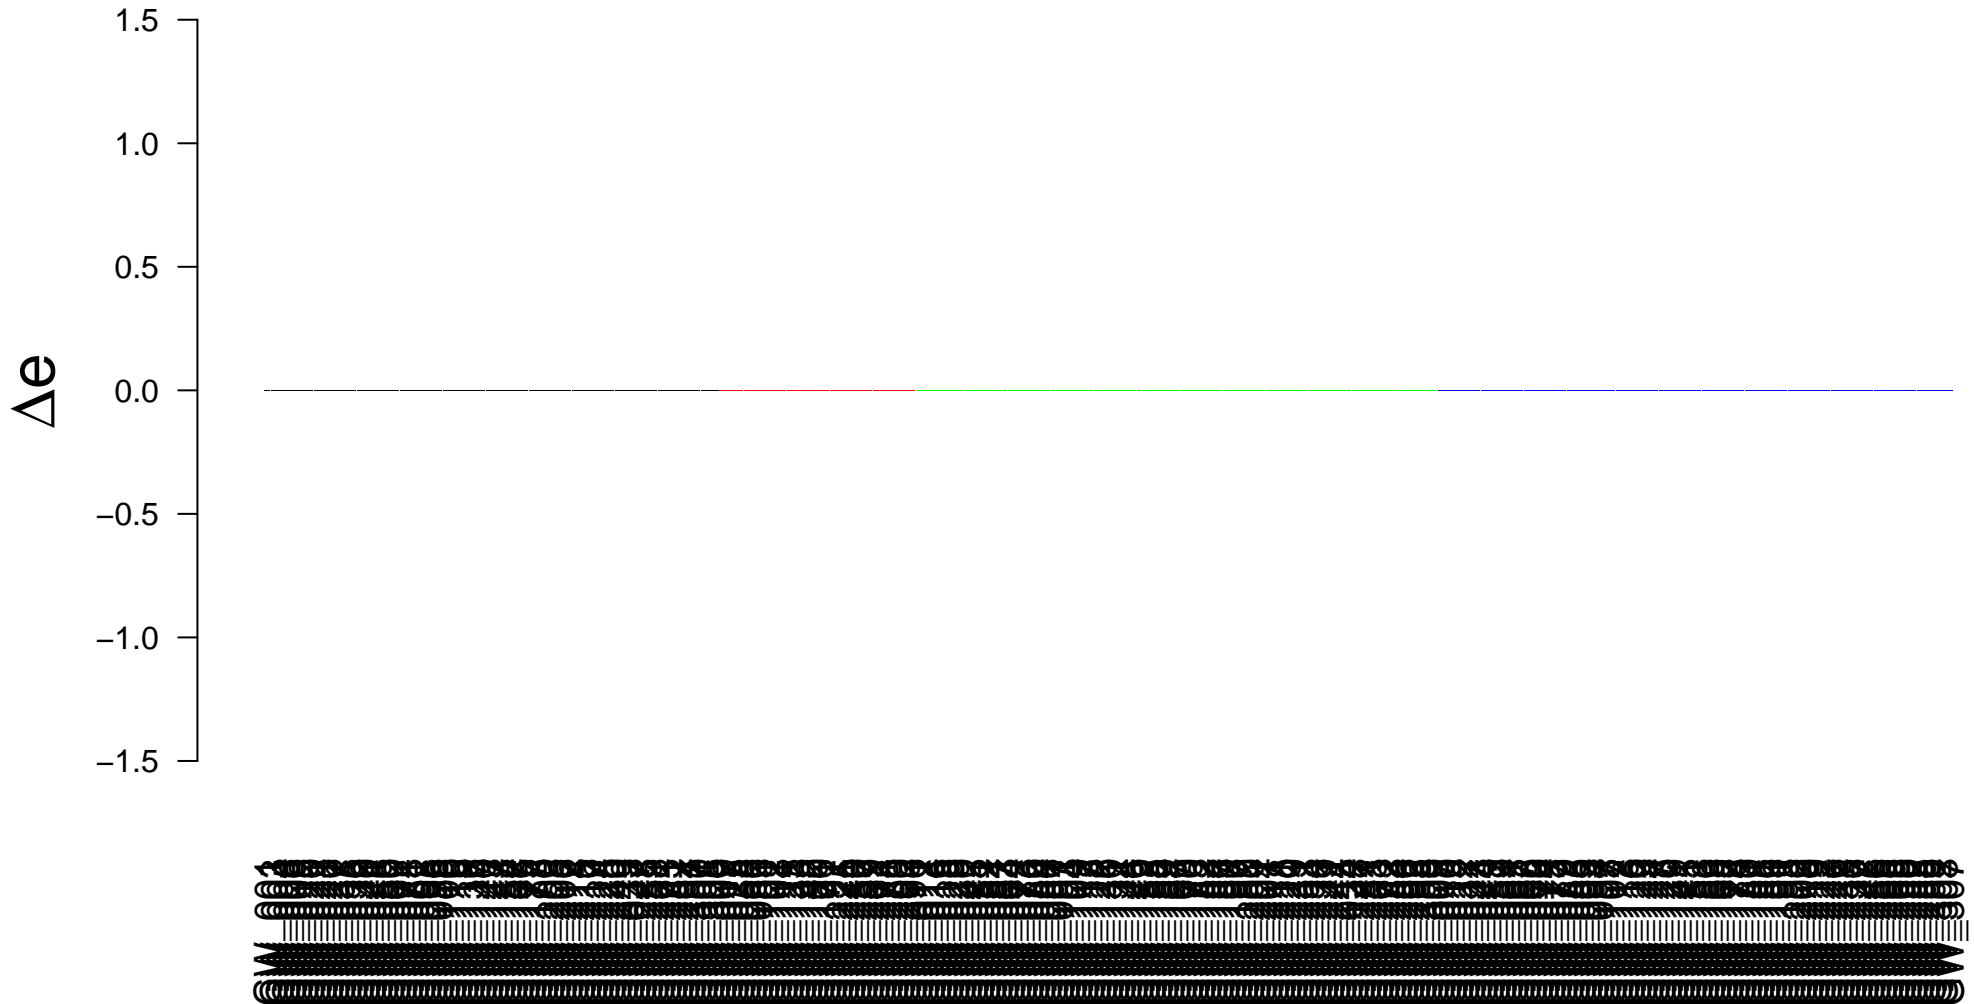

Expression of negative regulation of cell death in Spot O

Expression of negative regulation of cell death in Spot P

Expression of negative regulation of cell death in Spot Q

Expression of negative regulation of cell death in Spot R
