

negative regulation of cyclin-dependent protein serine/threonine kinase activity

negative regulation of cyclin-dependent protein serine/threonine kinase activity

Enrichment in spots: negative regulation of cyclin-dependent protein serine/threonine kinase activity

Expression of negative regulation of cyclin-dependent protein serine/threonine kinase activity in Spot A

Expression of negative regulation of cyclin-dependent protein serine/threonine kinase activity in Spot B

Expression of negative regulation of cyclin-dependent protein serine/threonine kinase activity in Spot C

Expression of negative regulation of cyclin-dependent protein serine/threonine kinase activity in Spot D

Expression of negative regulation of cyclin-dependent protein serine/threonine kinase activity in Spot E

Expression of negative regulation of cyclin-dependent protein serine/threonine kinase activity in Spot F

Expression of negative regulation of cyclin–dependent protein serine/threonine kinase activity in Spot G

Expression of negative regulation of cyclin-dependent protein serine/threonine kinase activity in Spot H

Expression of negative regulation of cyclin-dependent protein serine/threonine kinase activity in Spot I

Expression of negative regulation of cyclin-dependent protein serine/threonine kinase activity in Spot J

Expression of negative regulation of cyclin-dependent protein serine/threonine kinase activity in Spot K

Expression of negative regulation of cyclin-dependent protein serine/threonine kinase activity in Spot L

Expression of negative regulation of cyclin-dependent protein serine/threonine kinase activity in Spot M

Expression of negative regulation of cyclin-dependent protein serine/threonine kinase activity in Spot N

Expression of negative regulation of cyclin–dependent protein serine/threonine kinase activity in Spot O

Expression of negative regulation of cyclin-dependent protein serine/threonine kinase activity in Spot P

Expression of negative regulation of cyclin–dependent protein serine/threonine kinase activity in Spot Q

Expression of negative regulation of cyclin-dependent protein serine/threonine kinase activity in Spot R
