

negative regulation of epithelial cell proliferation

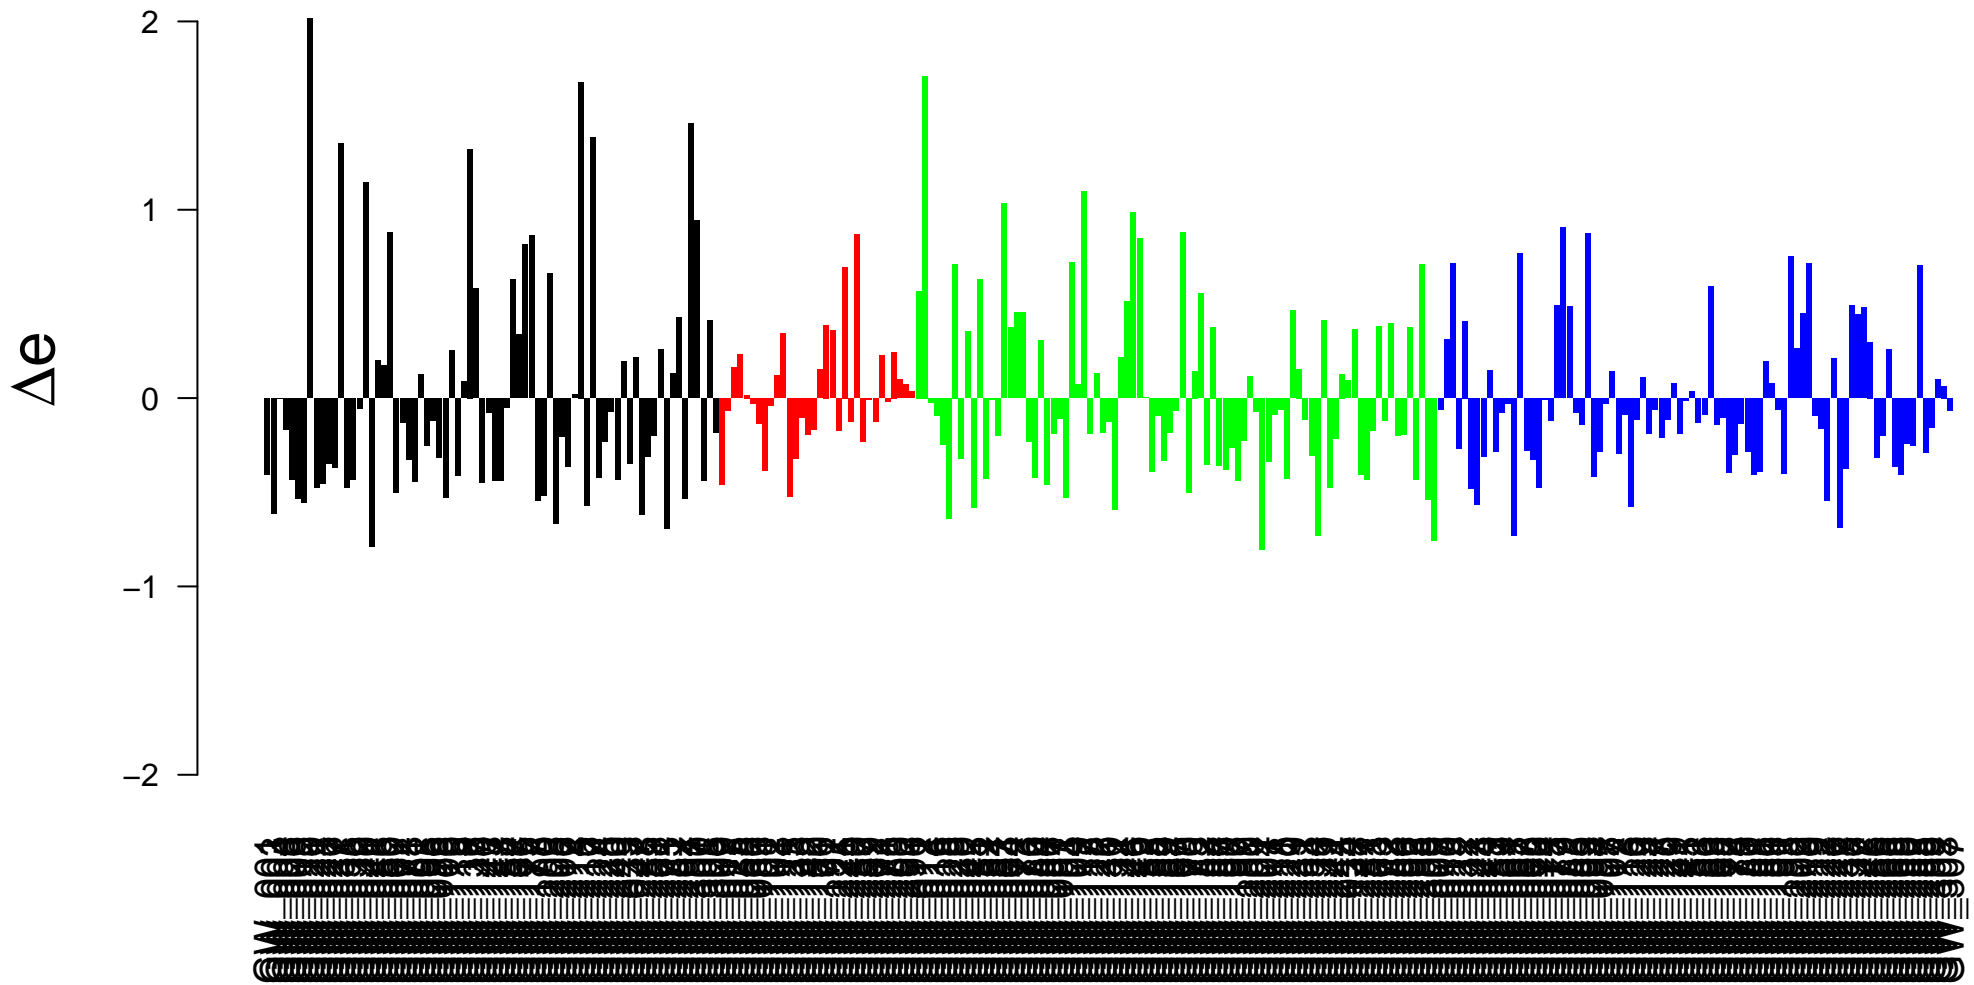

negative regulation of epithelial cell proliferation

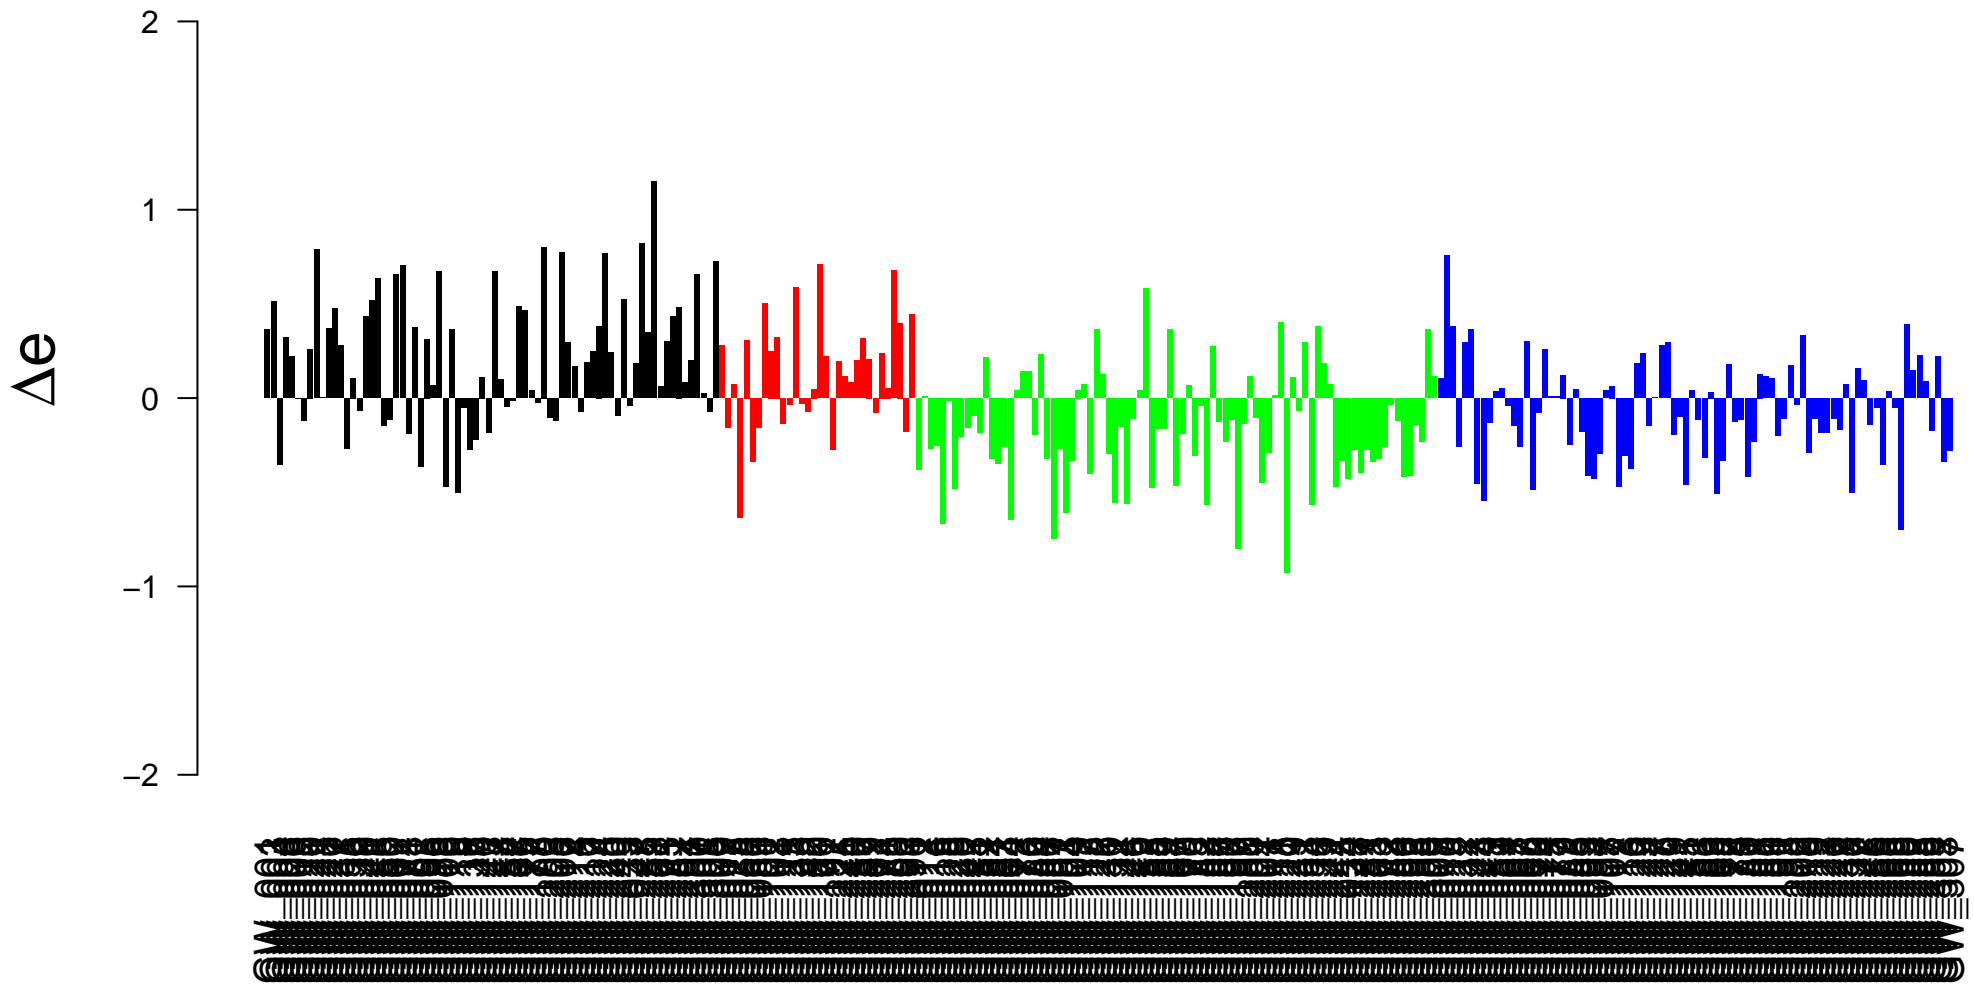

Enrichment in spots: negative regulation of epithelial cell proliferation

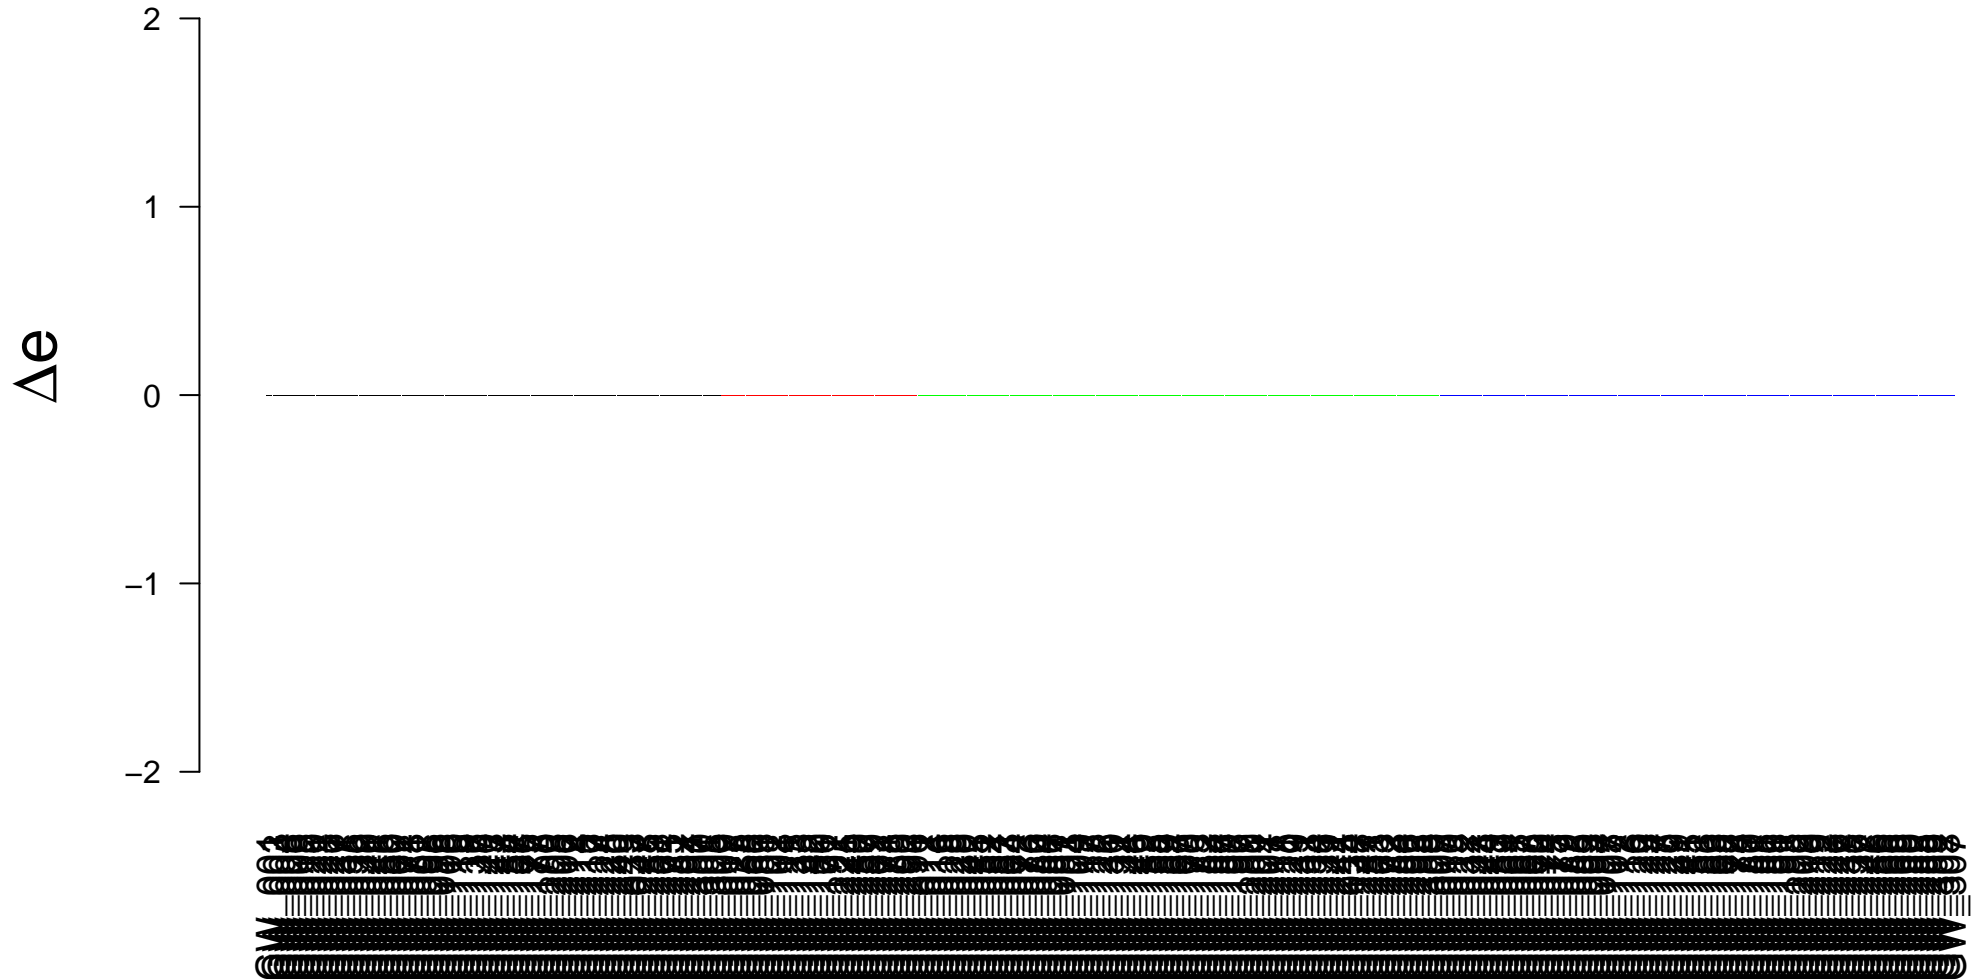

Expression of negative regulation of epithelial cell proliferation in Spot A

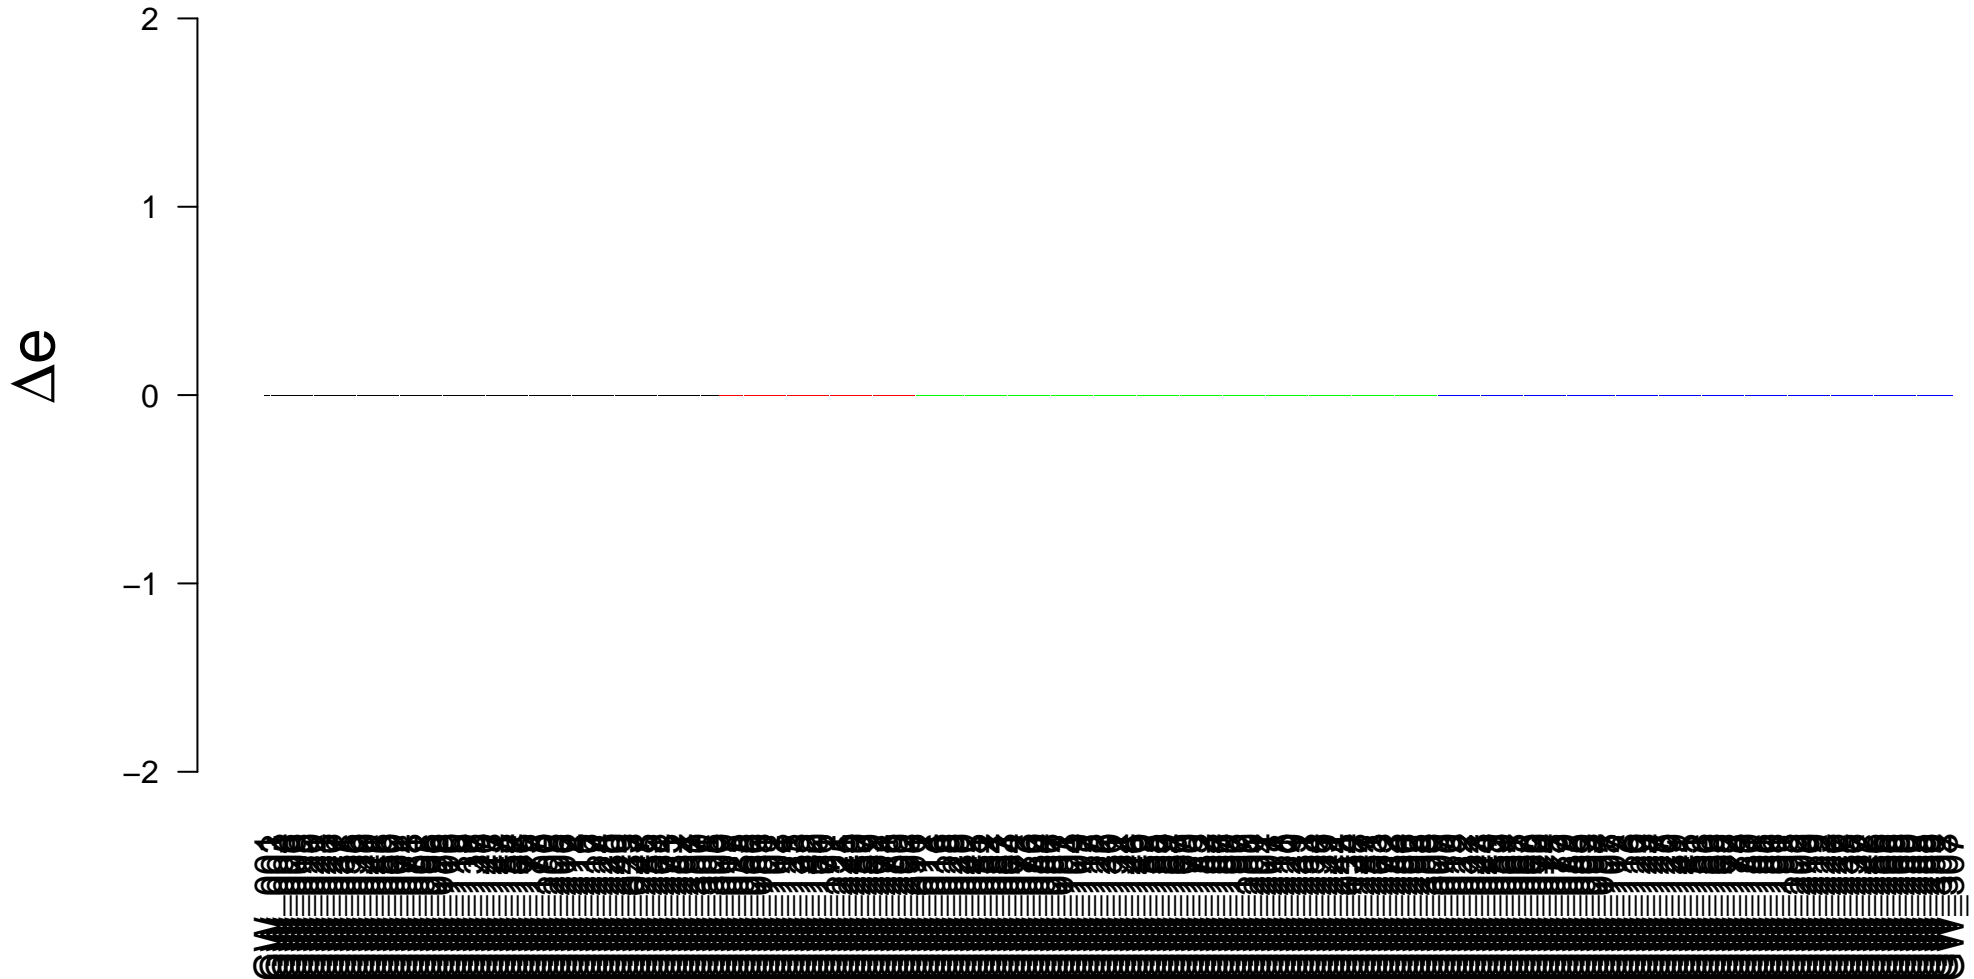

Expression of negative regulation of epithelial cell proliferation in Spot B

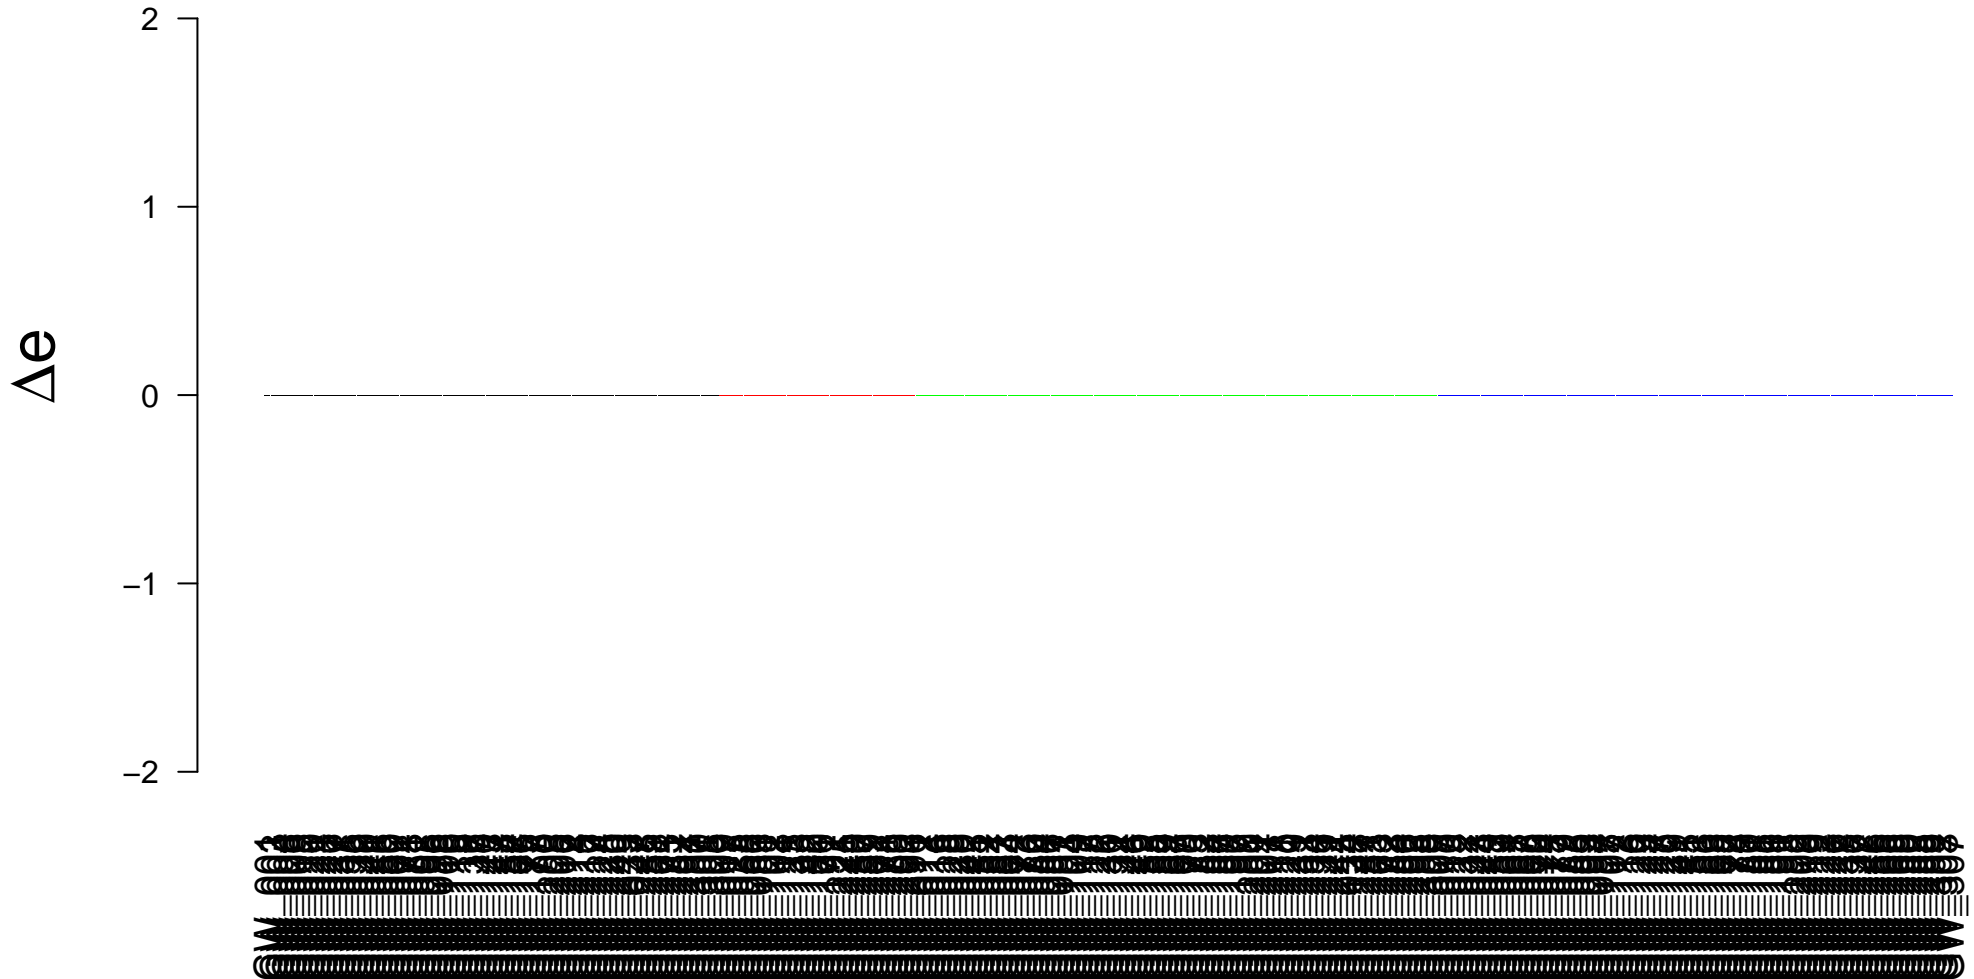

Expression of negative regulation of epithelial cell proliferation in Spot C

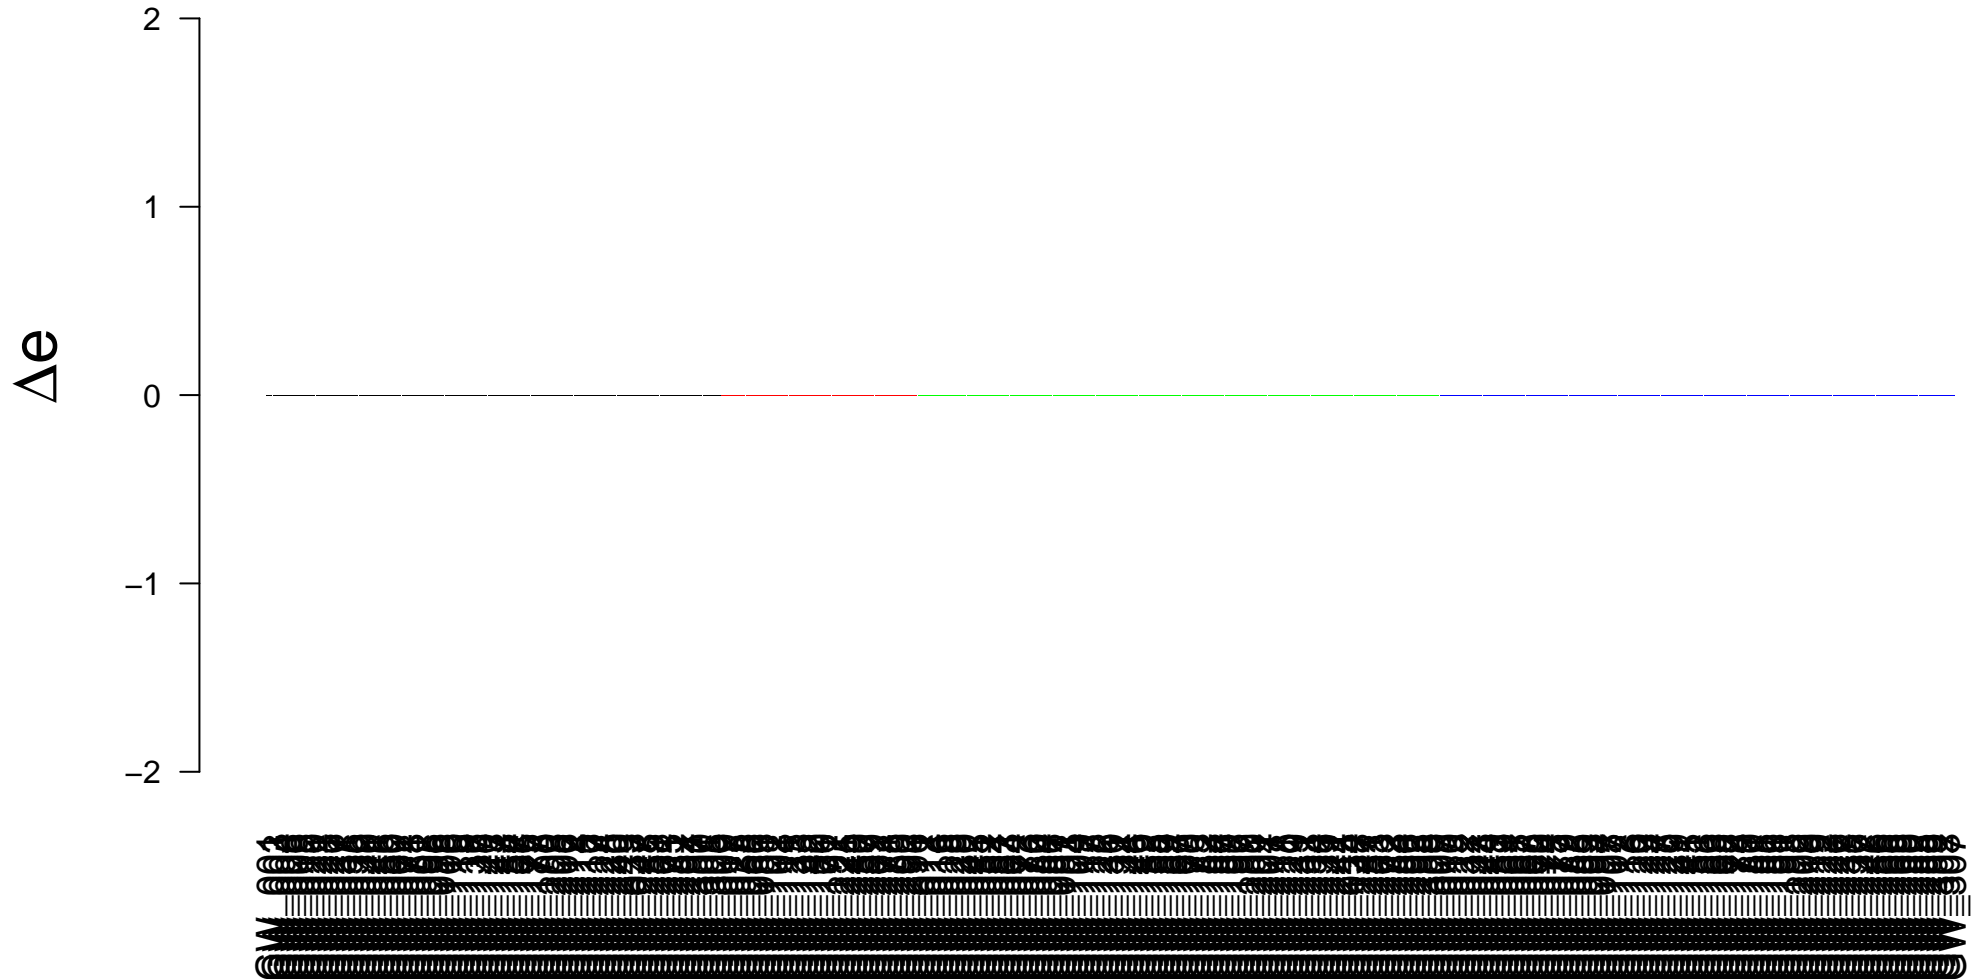

Expression of negative regulation of epithelial cell proliferation in Spot D

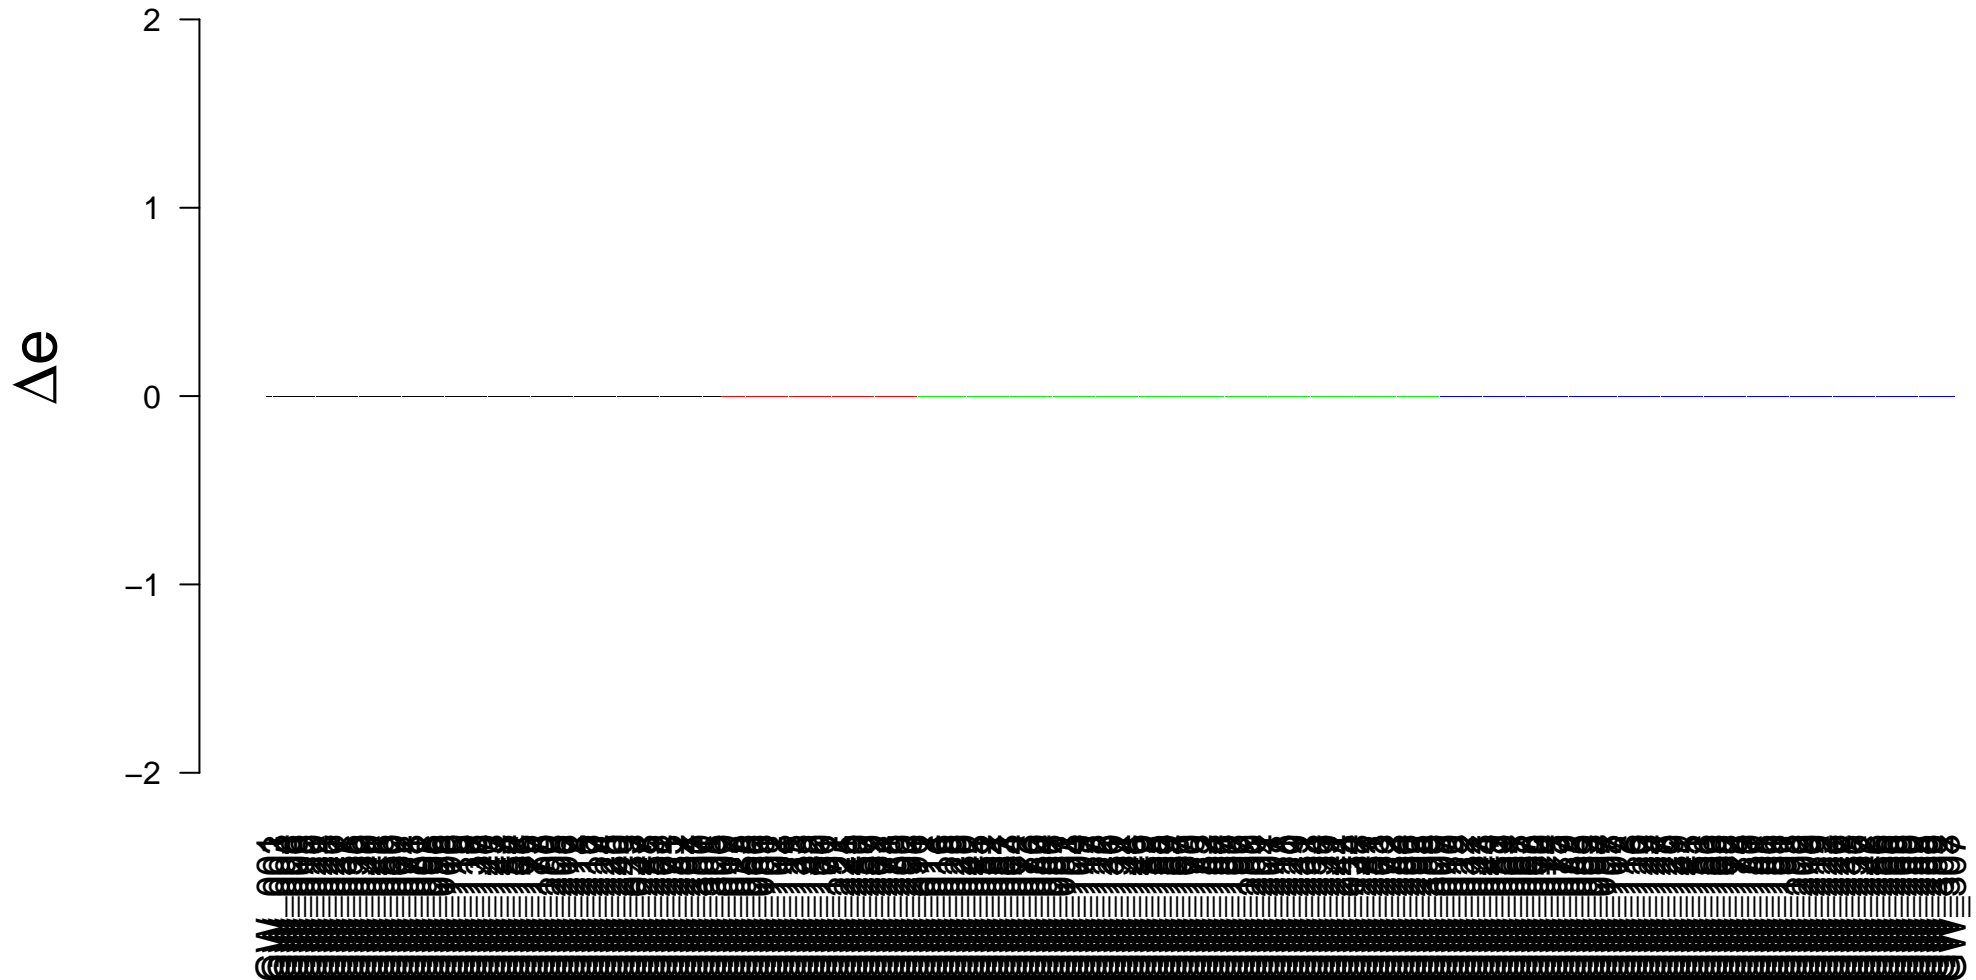

Expression of negative regulation of epithelial cell proliferation in Spot E

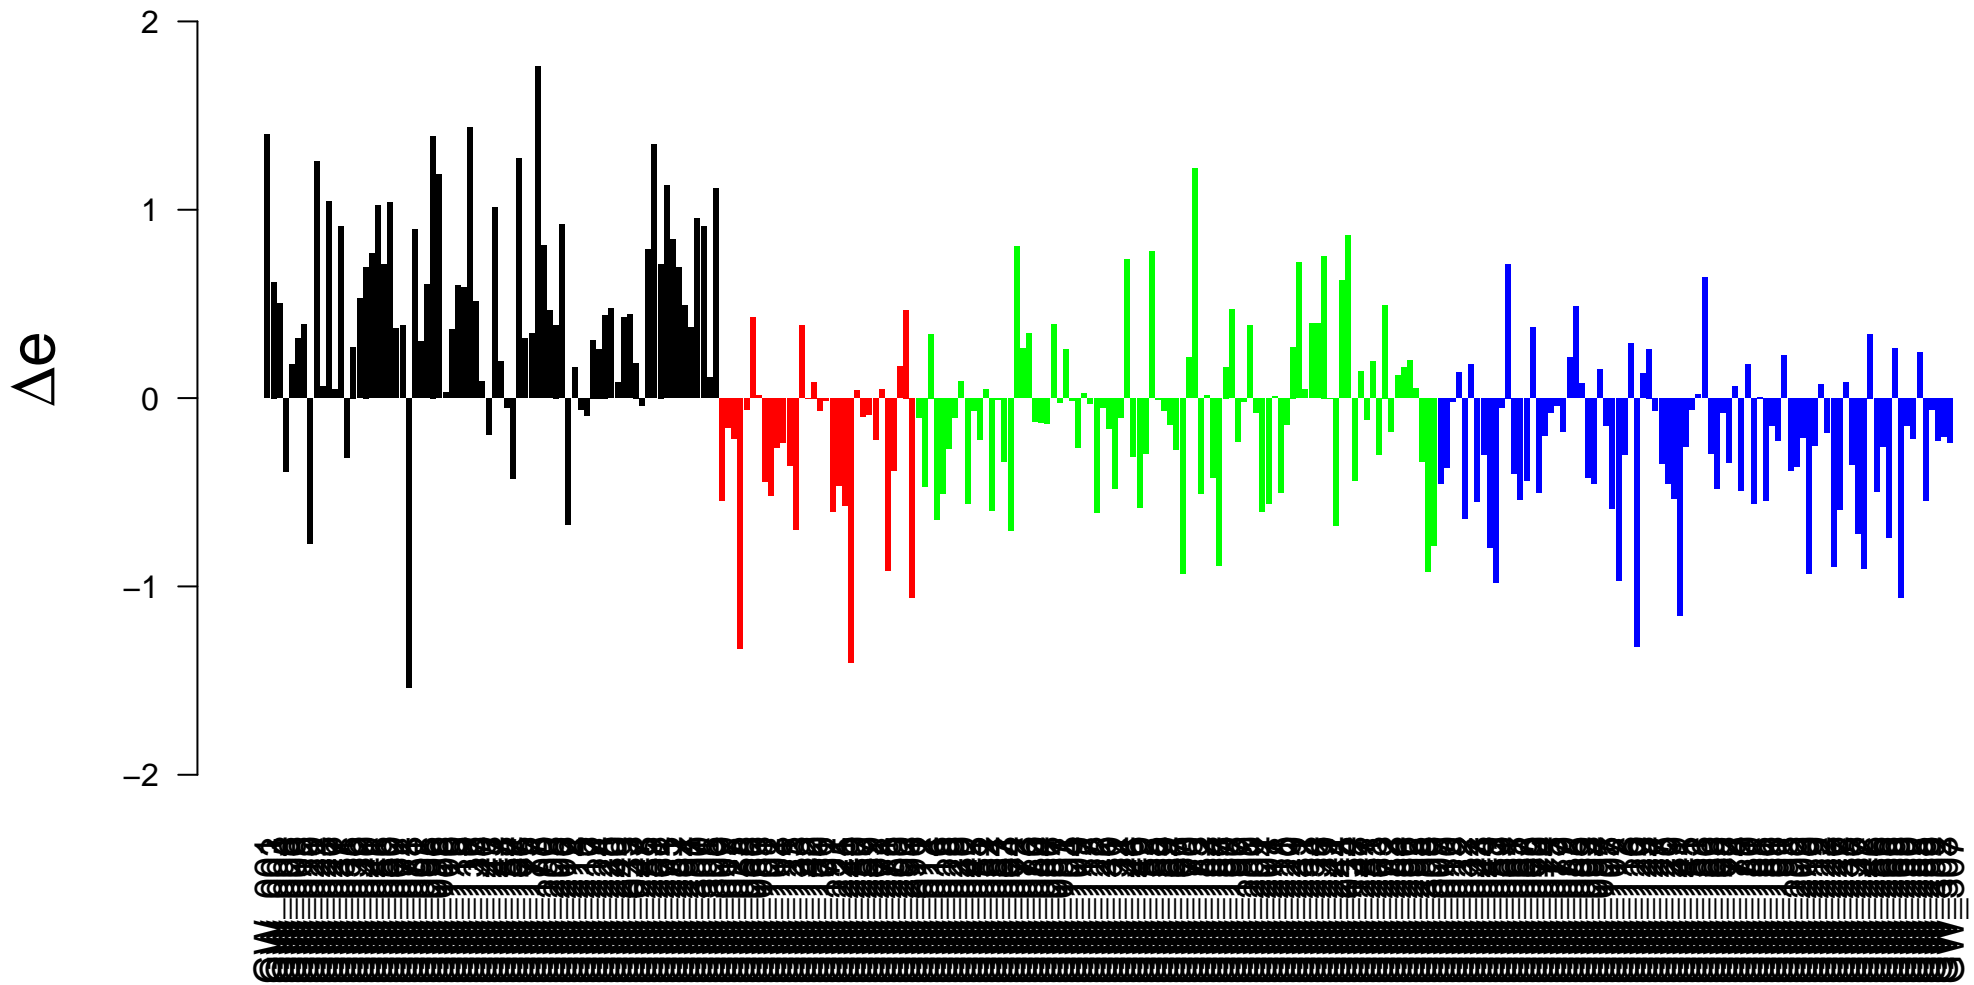

Expression of negative regulation of epithelial cell proliferation in Spot F

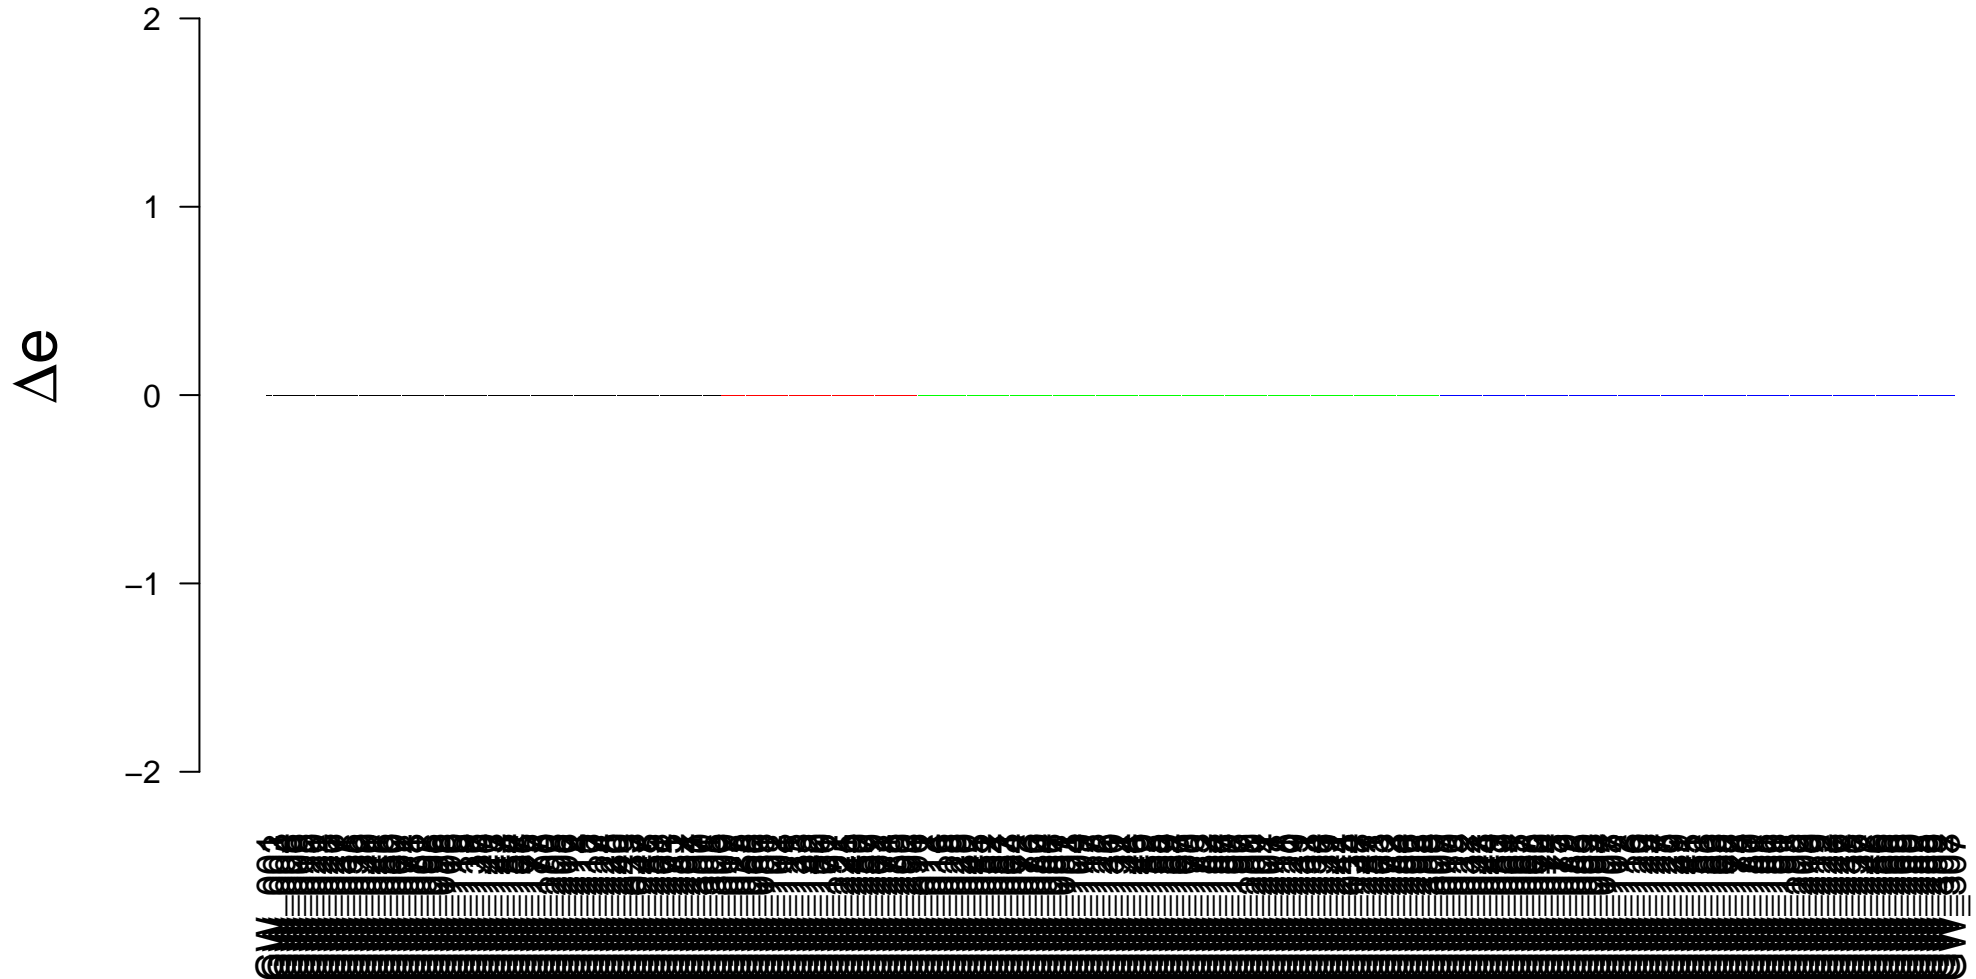

Expression of negative regulation of epithelial cell proliferation in Spot G

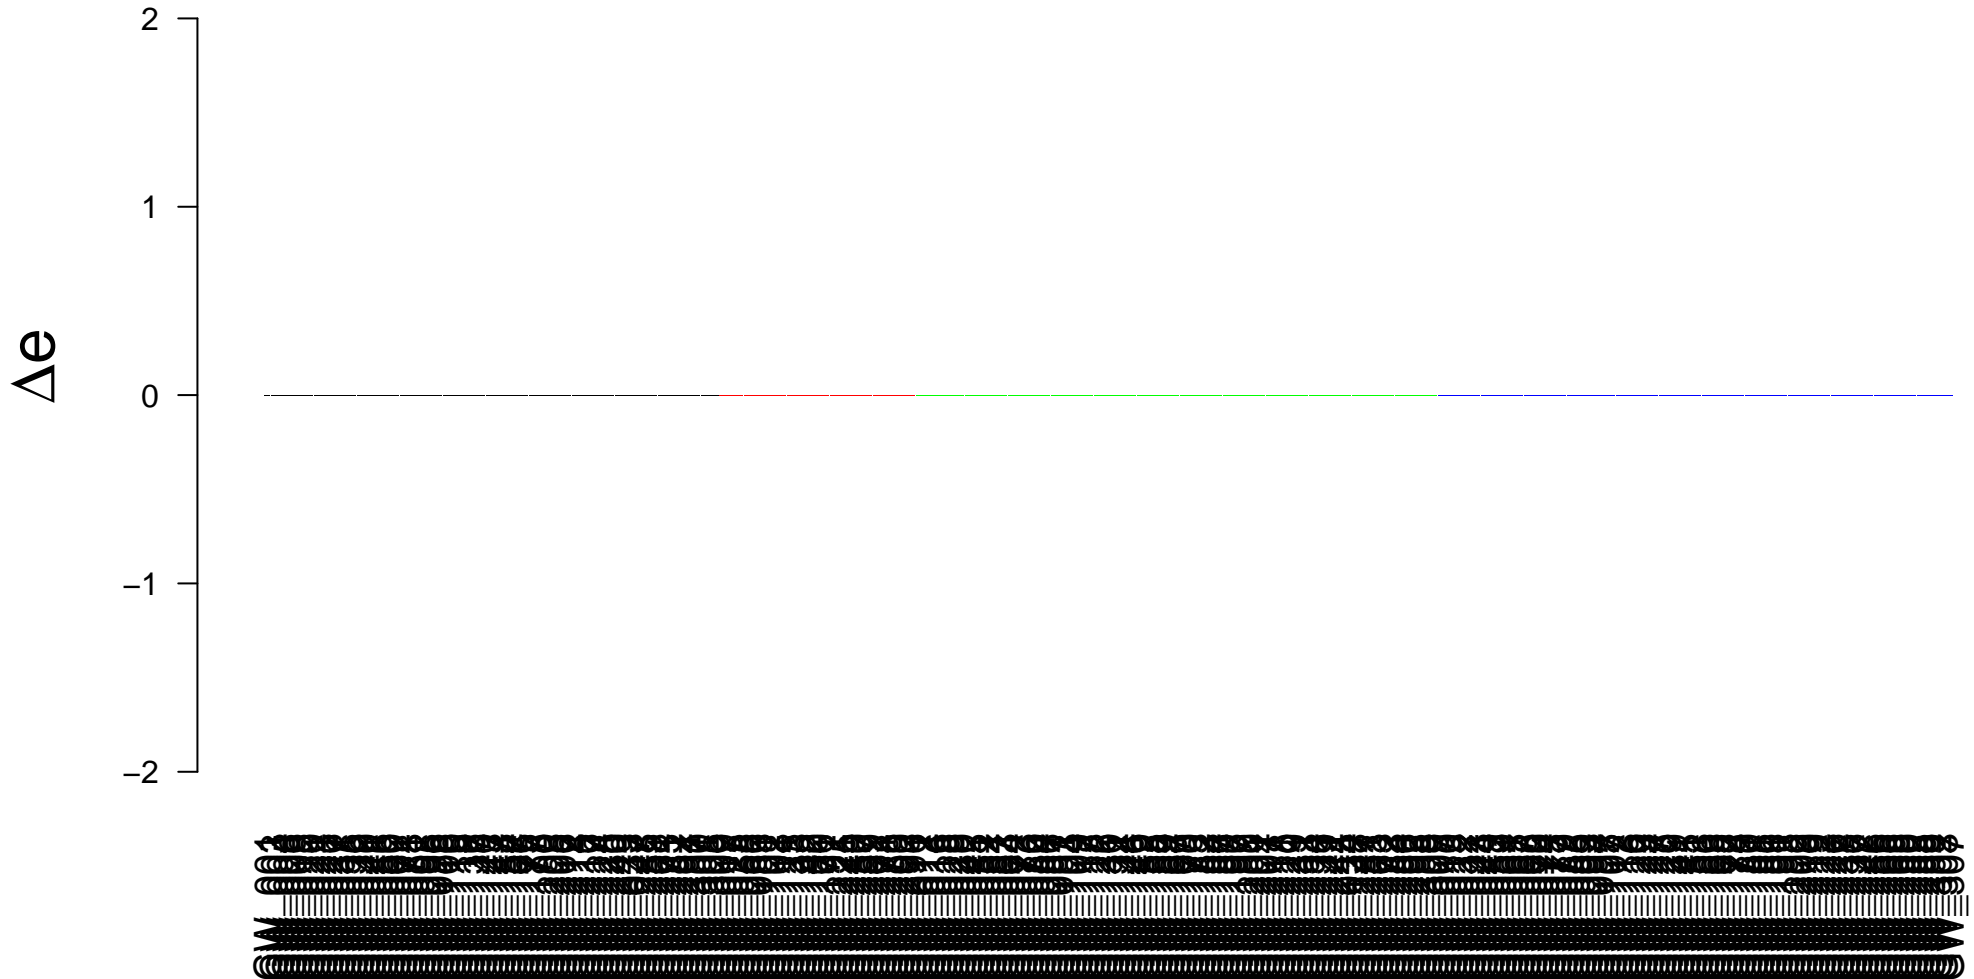

Expression of negative regulation of epithelial cell proliferation in Spot H

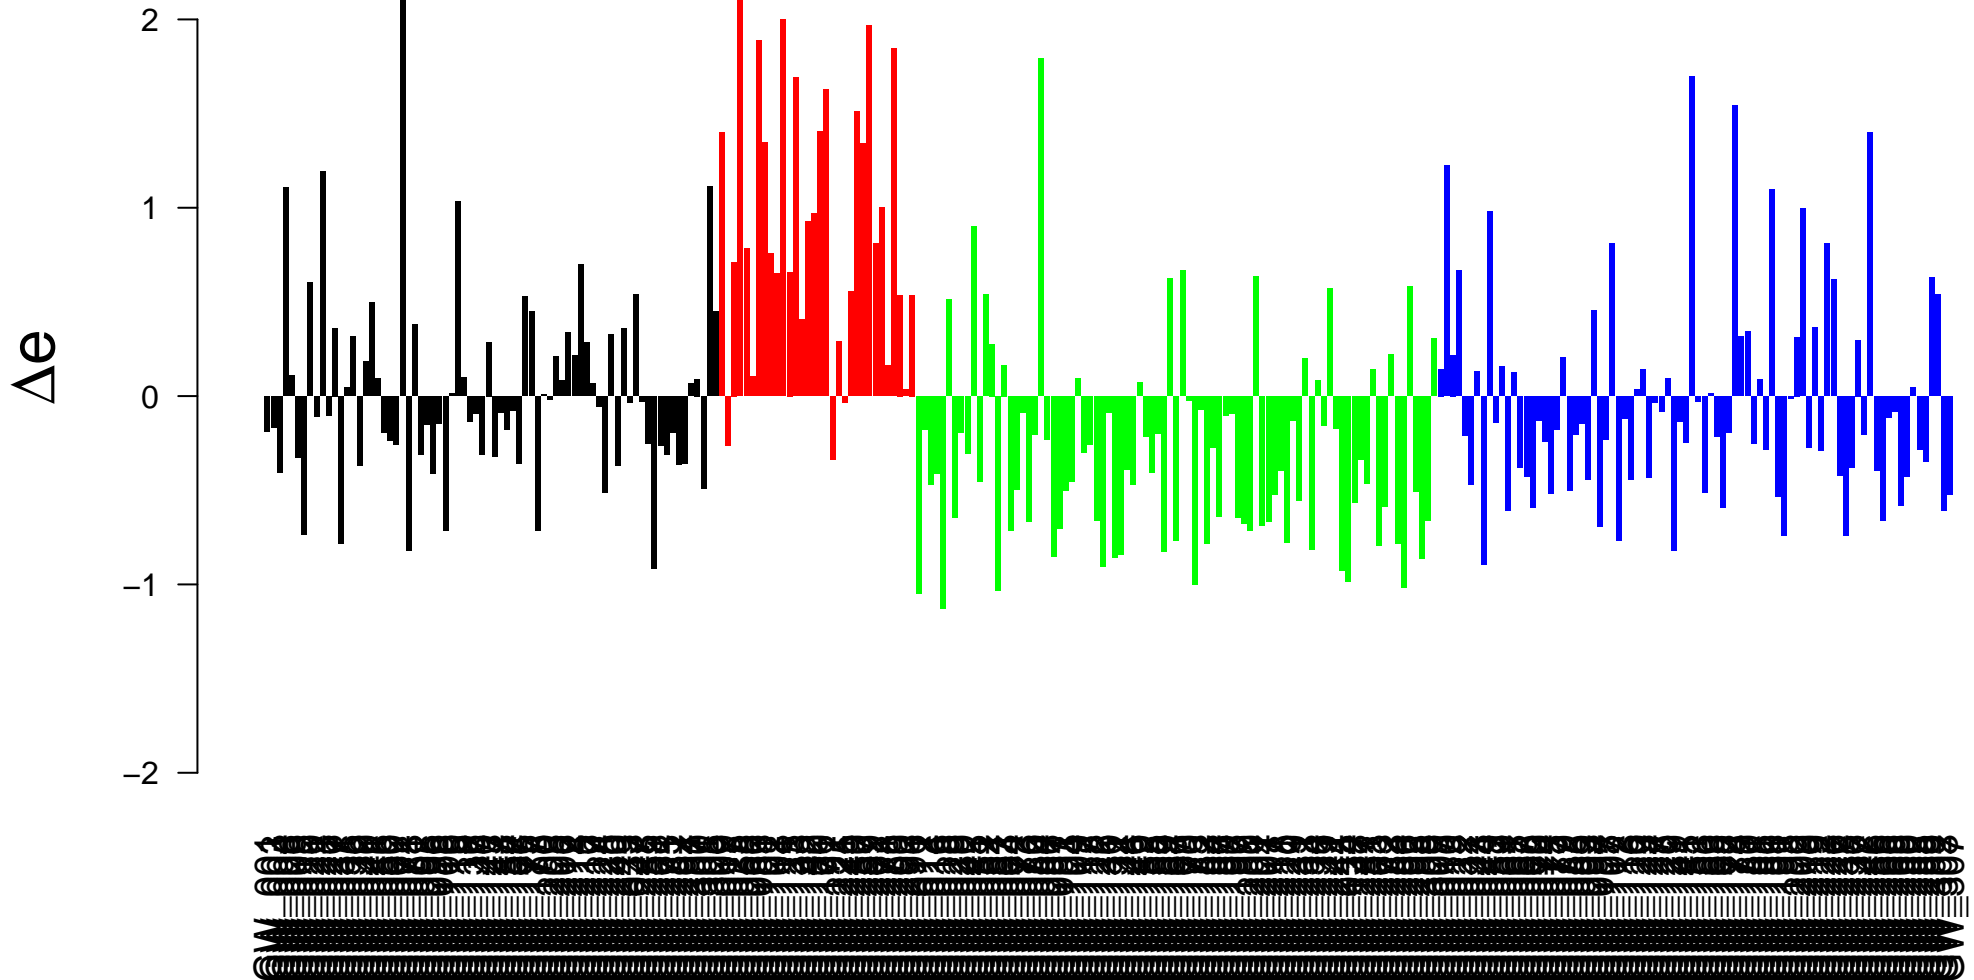

Expression of negative regulation of epithelial cell proliferation in Spot I

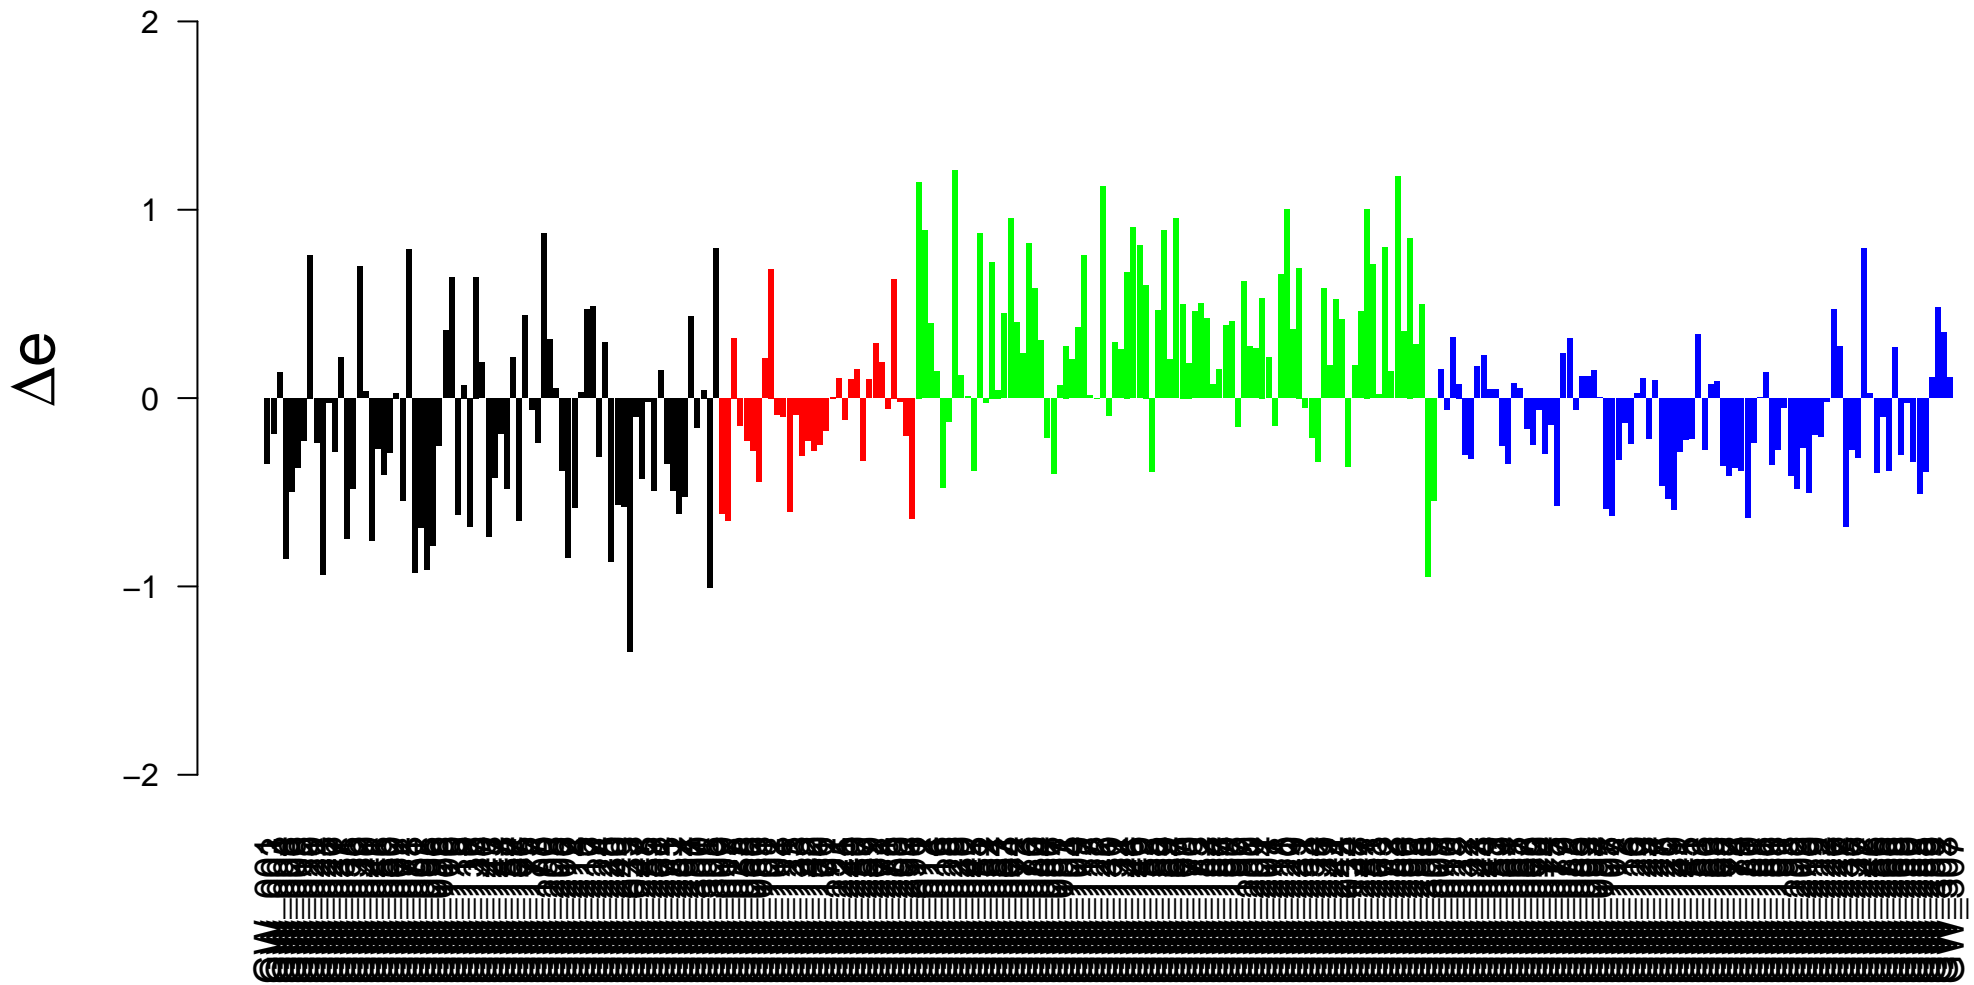

Expression of negative regulation of epithelial cell proliferation in Spot J

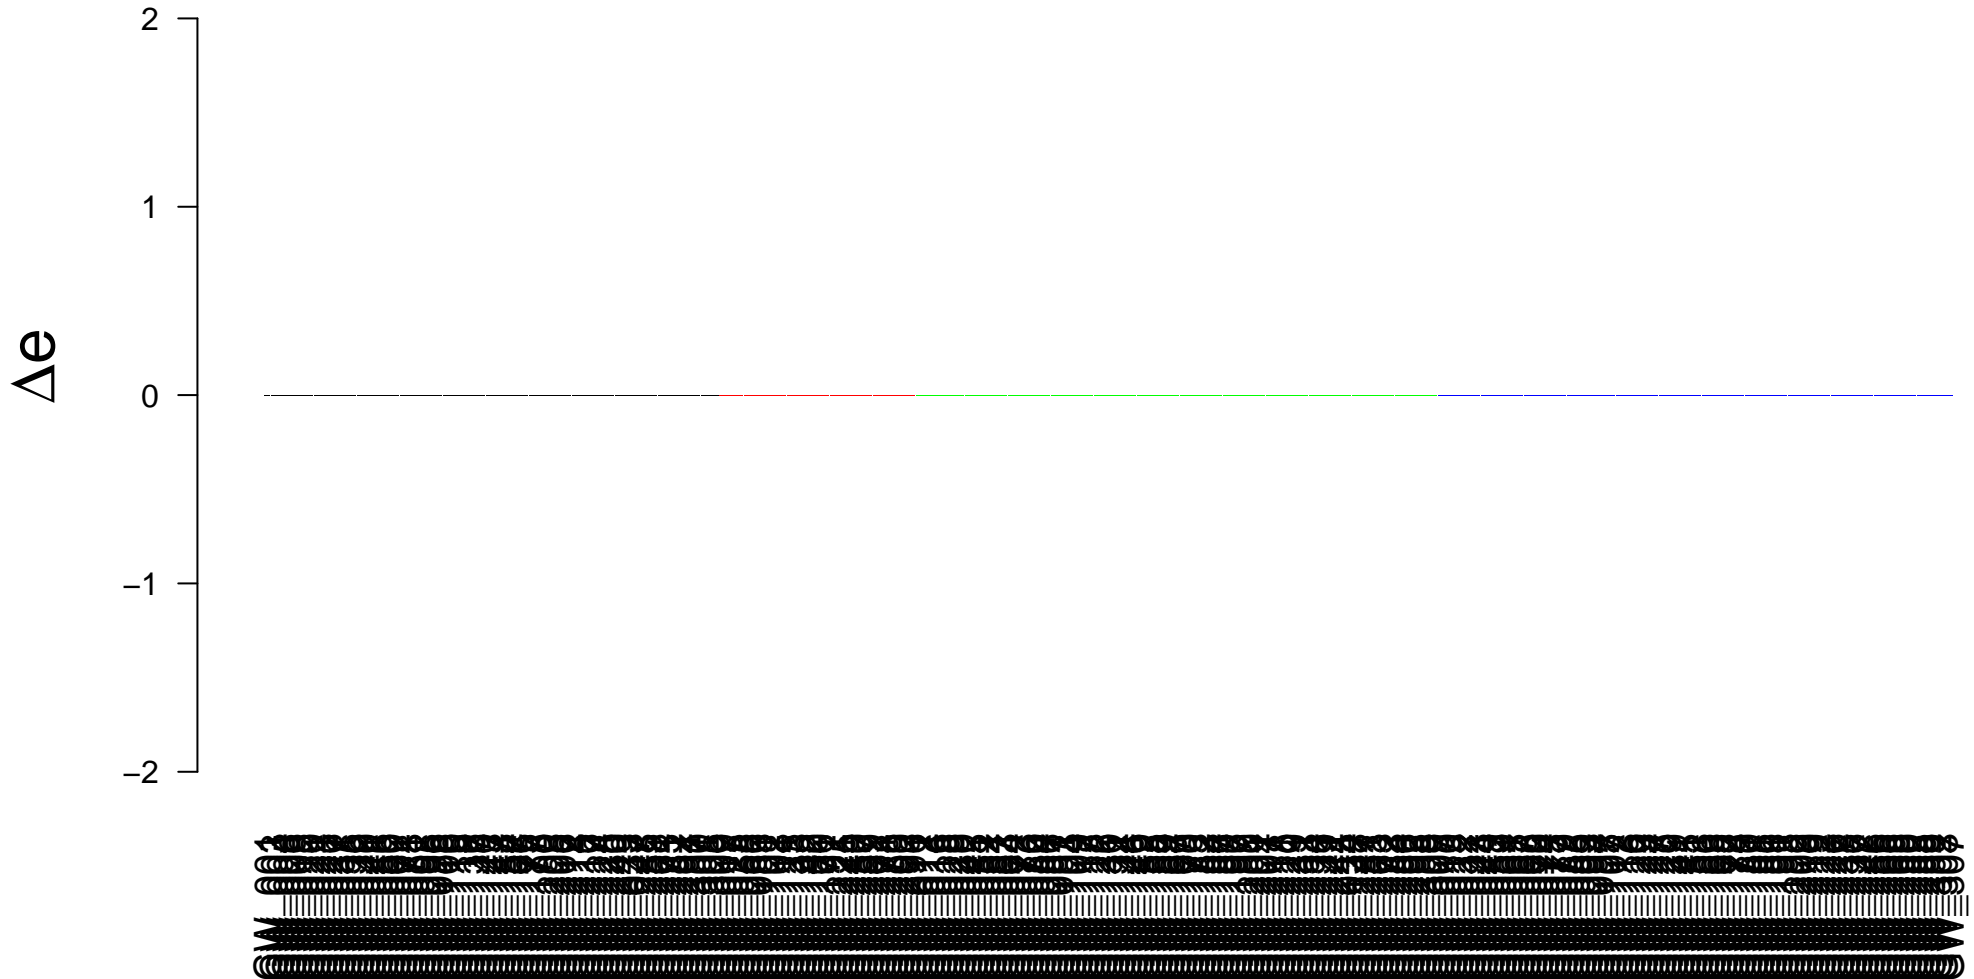

Expression of negative regulation of epithelial cell proliferation in Spot K

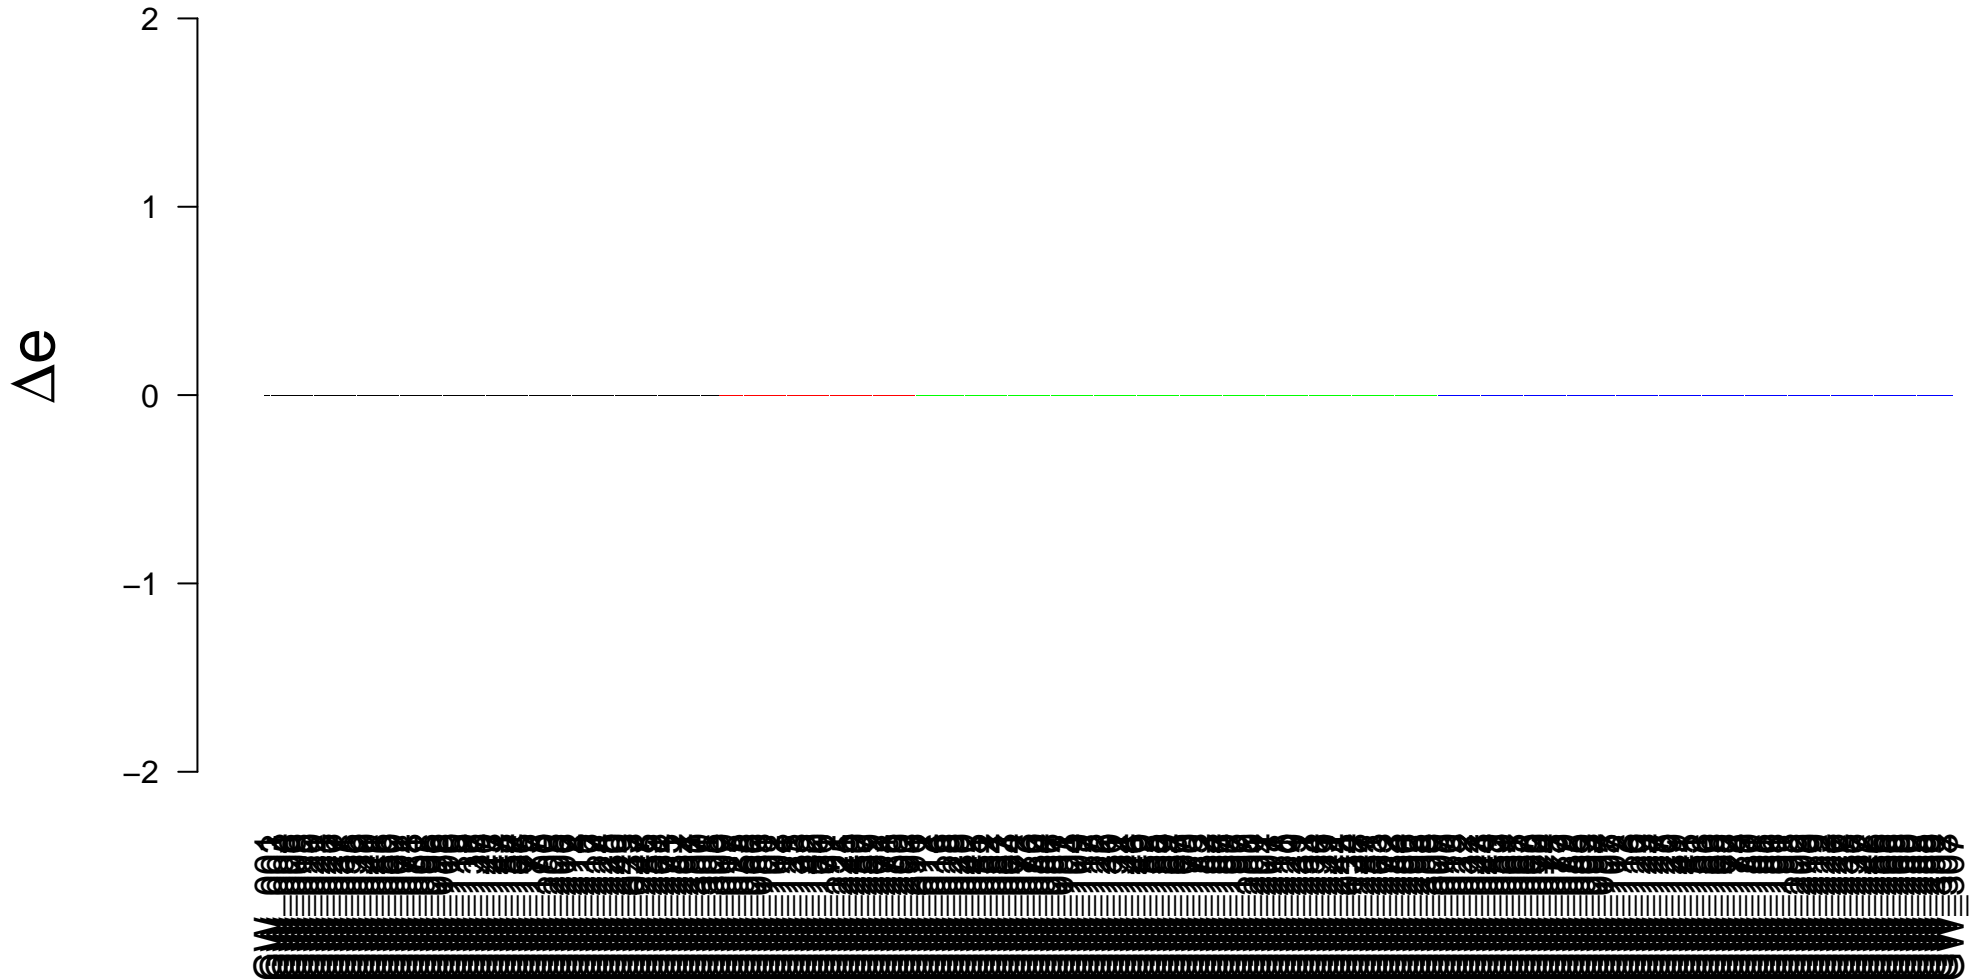

Expression of negative regulation of epithelial cell proliferation in Spot L

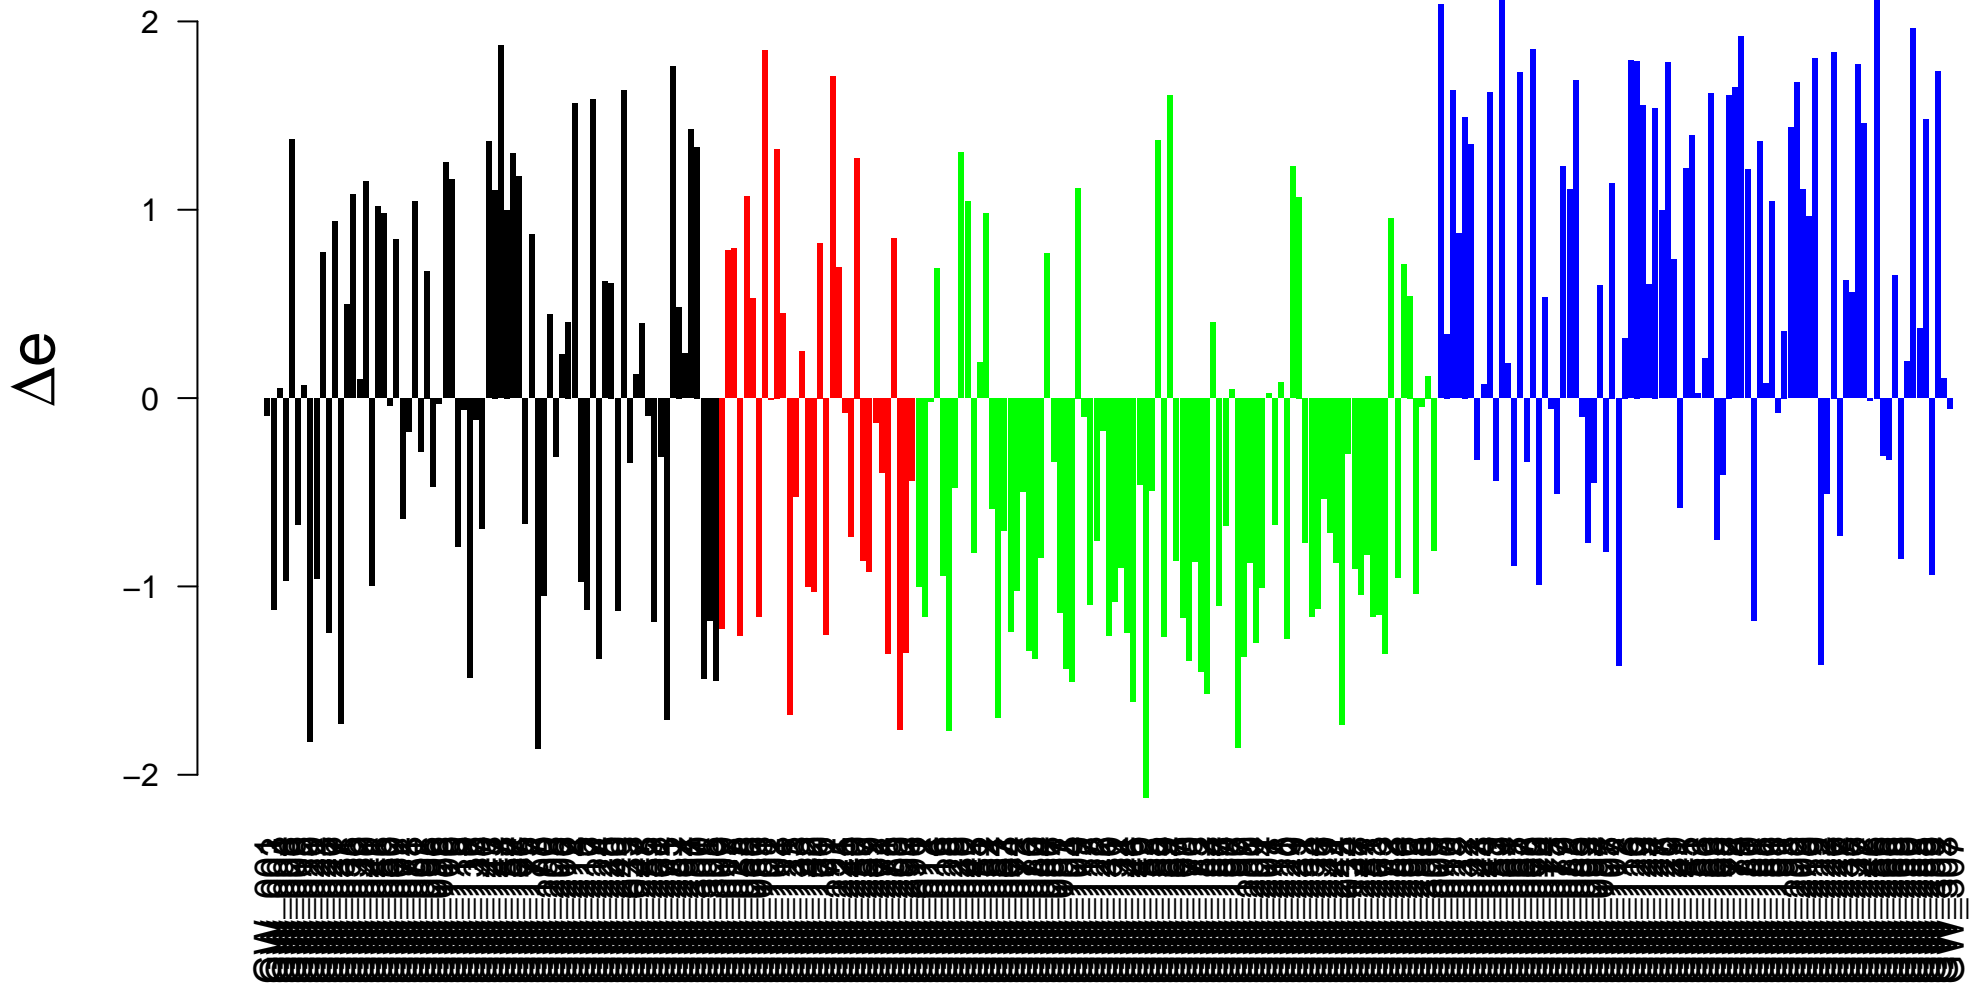

Expression of negative regulation of epithelial cell proliferation in Spot M

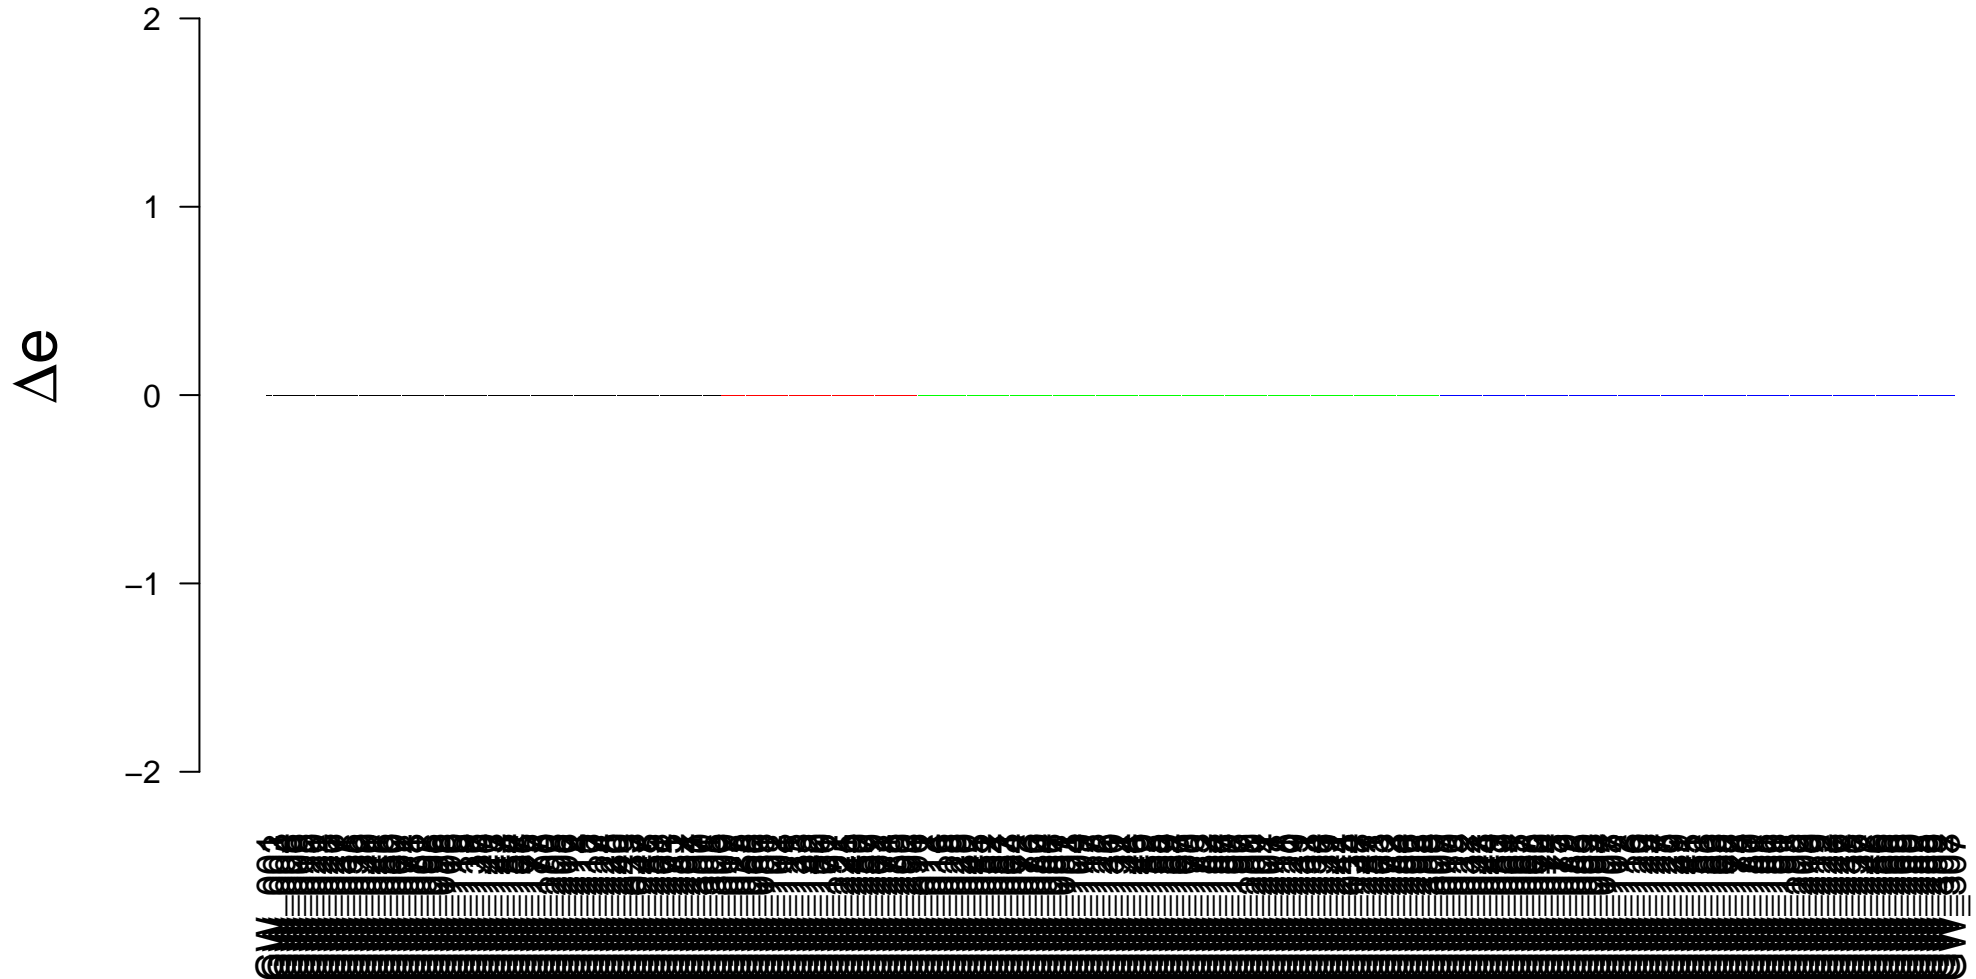

Expression of negative regulation of epithelial cell proliferation in Spot N

Expression of negative regulation of epithelial cell proliferation in Spot O

Expression of negative regulation of epithelial cell proliferation in Spot Q

Expression of negative regulation of epithelial cell proliferation in Spot R
