

negative regulation of interleukin-2 production

negative regulation of interleukin-2 production

Enrichment in spots: negative regulation of interleukin-2 production

Expression of negative regulation of interleukin-2 production in Spot A

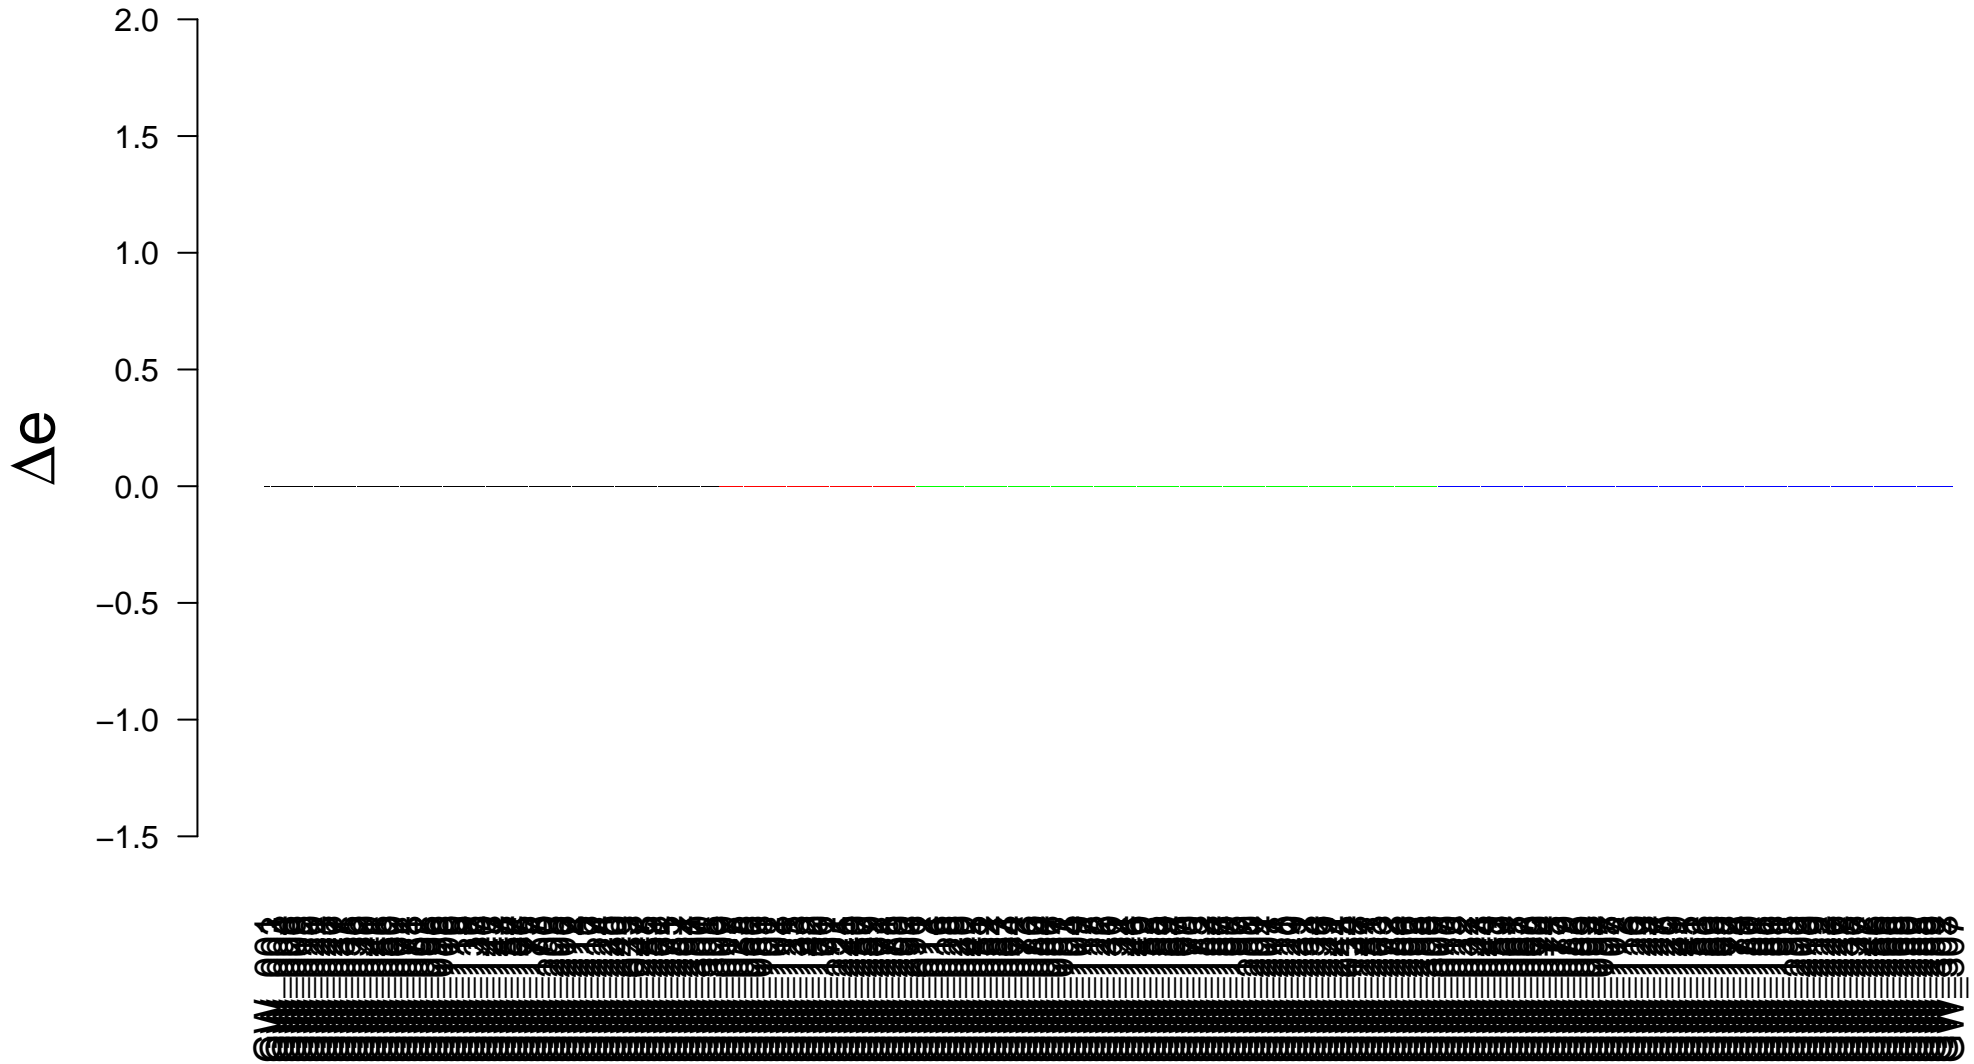

Expression of negative regulation of interleukin-2 production in Spot B

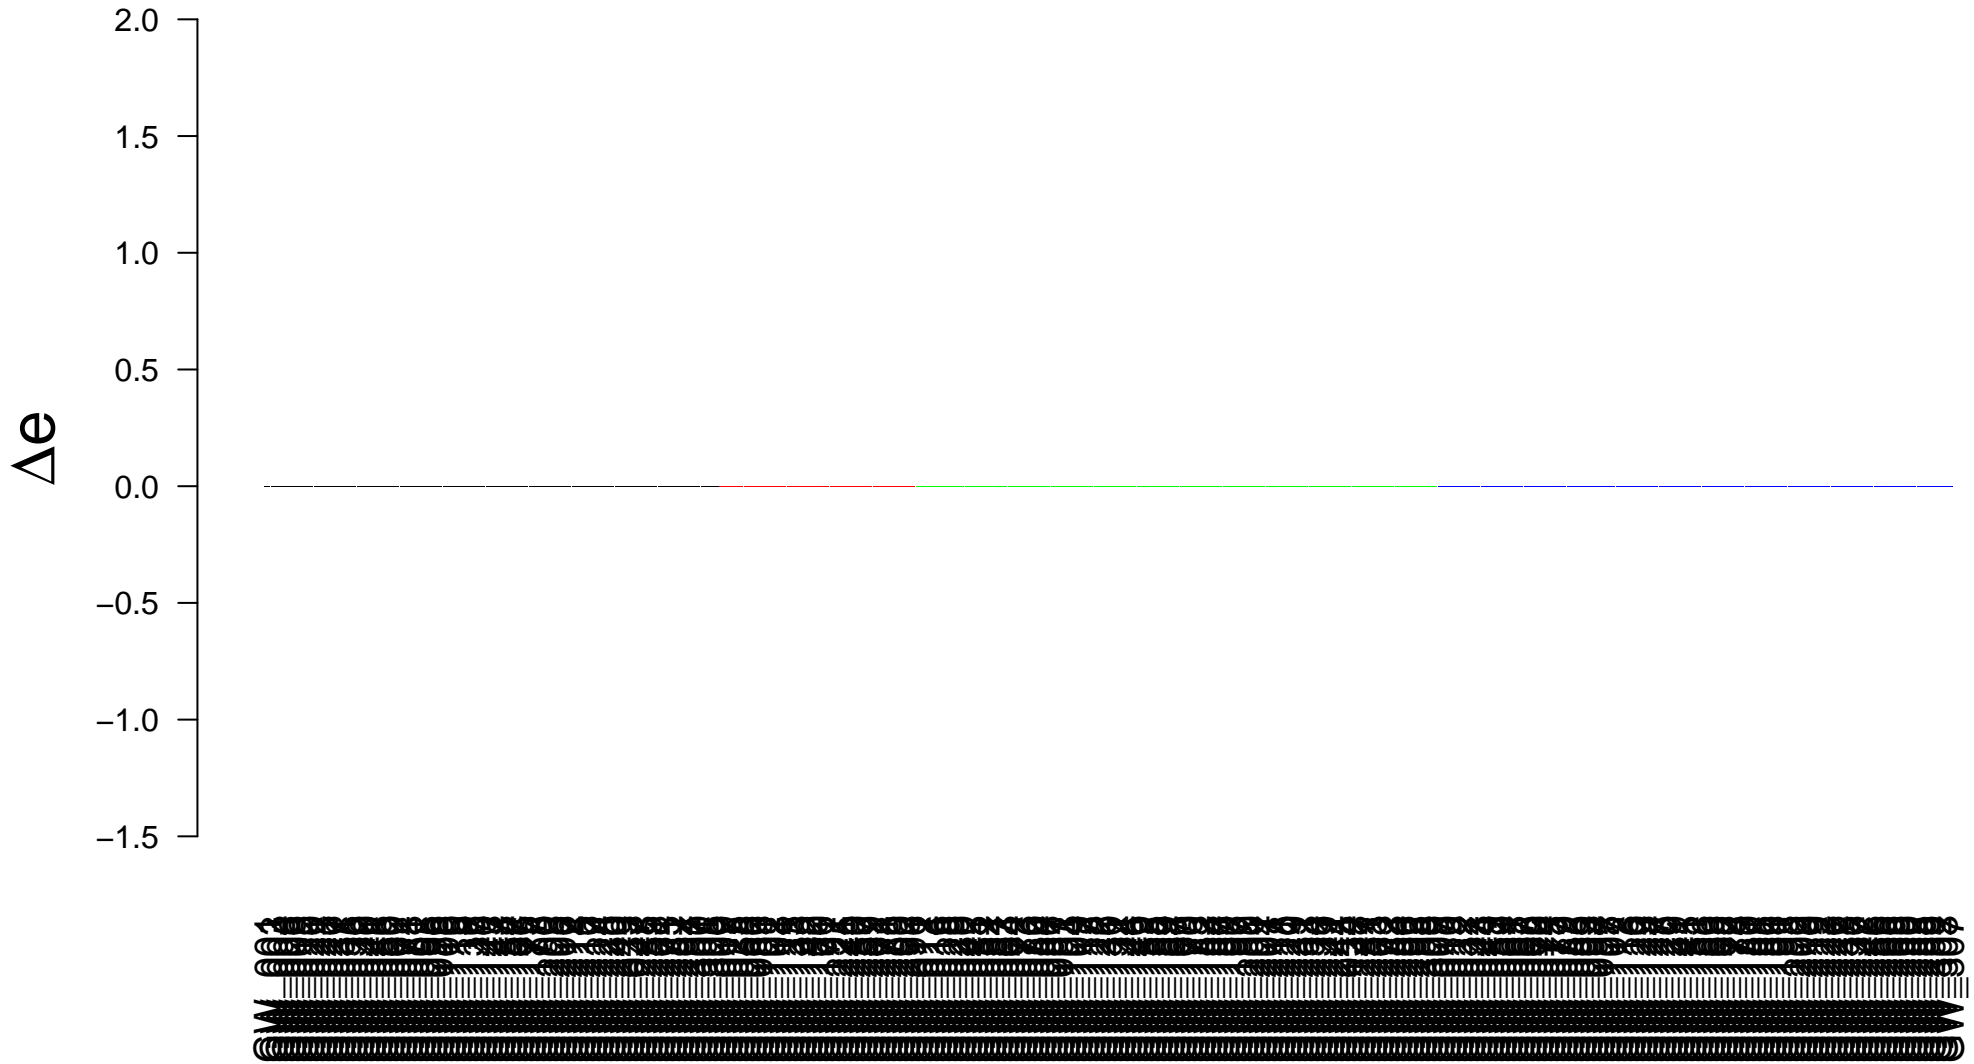

Expression of negative regulation of interleukin-2 production in Spot C

Expression of negative regulation of interleukin-2 production in Spot D

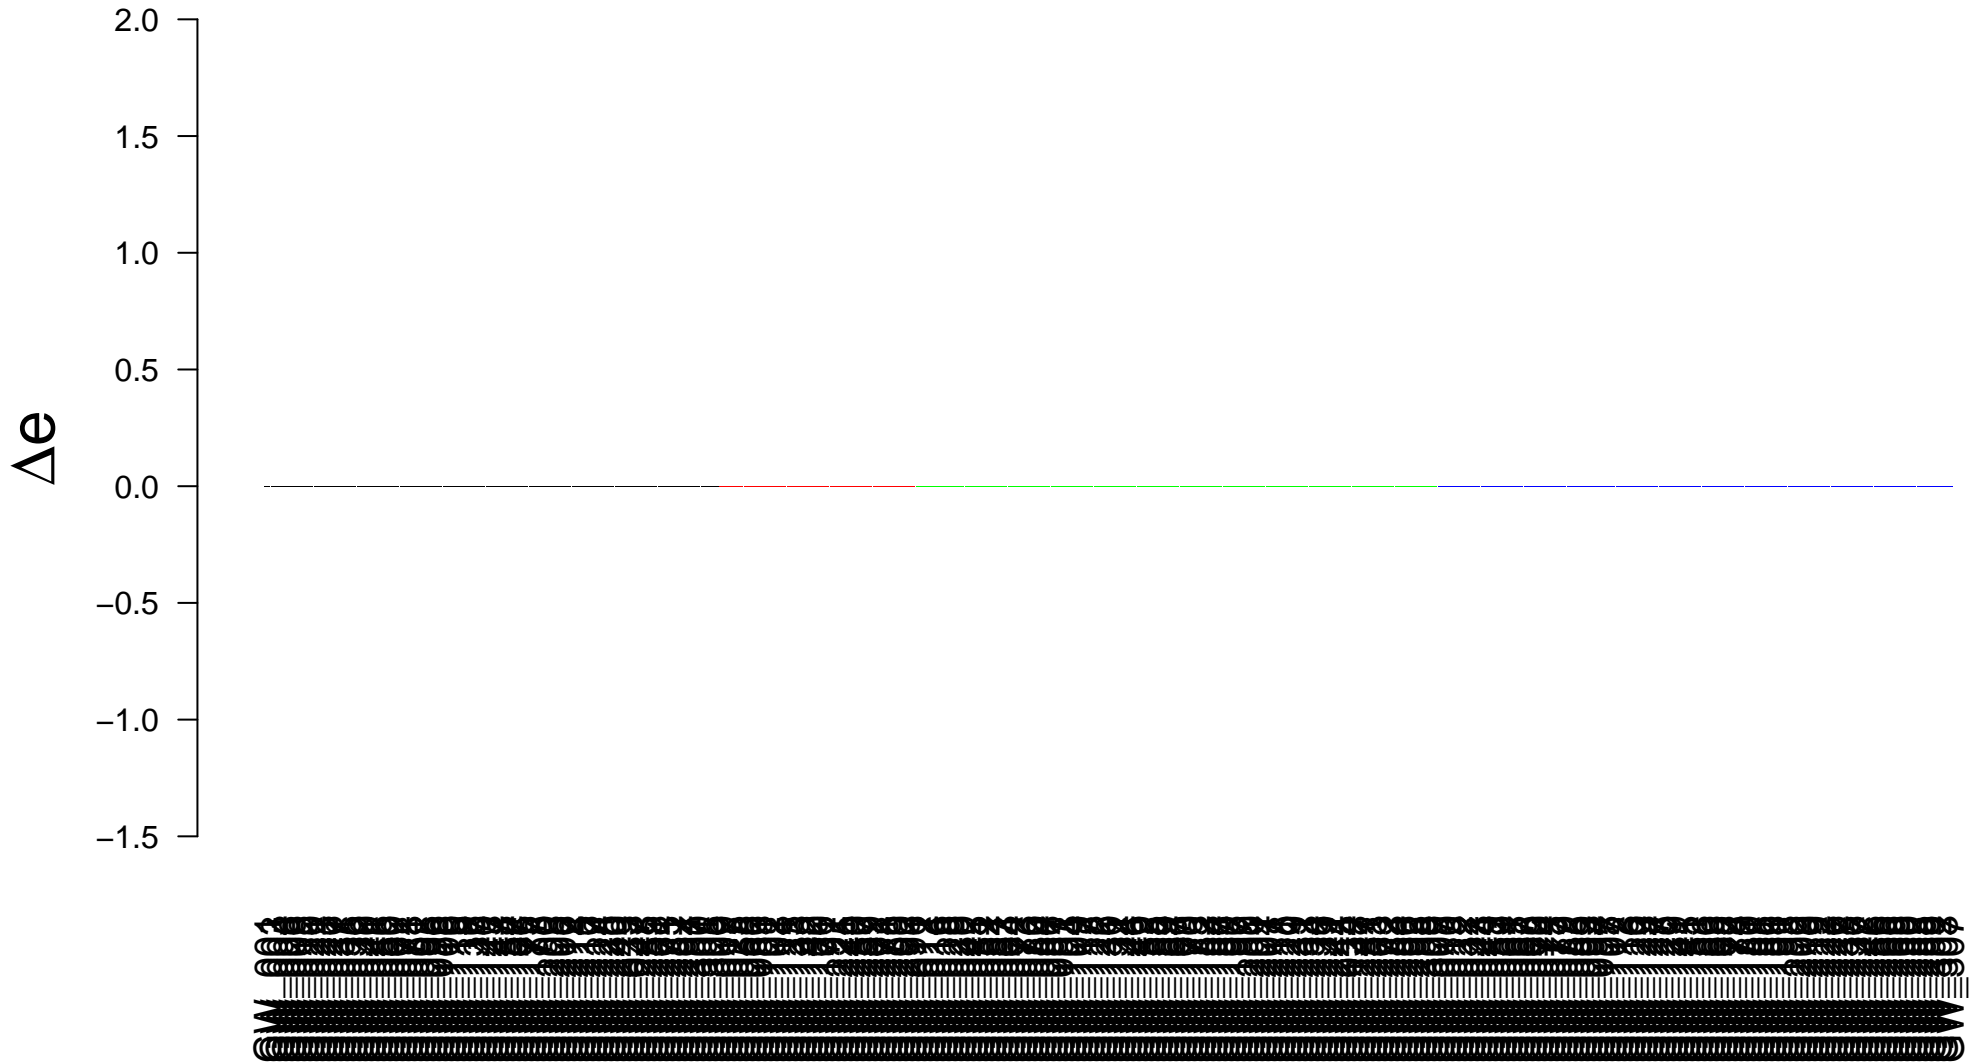

Expression of negative regulation of interleukin-2 production in Spot E

Expression of negative regulation of interleukin-2 production in Spot F

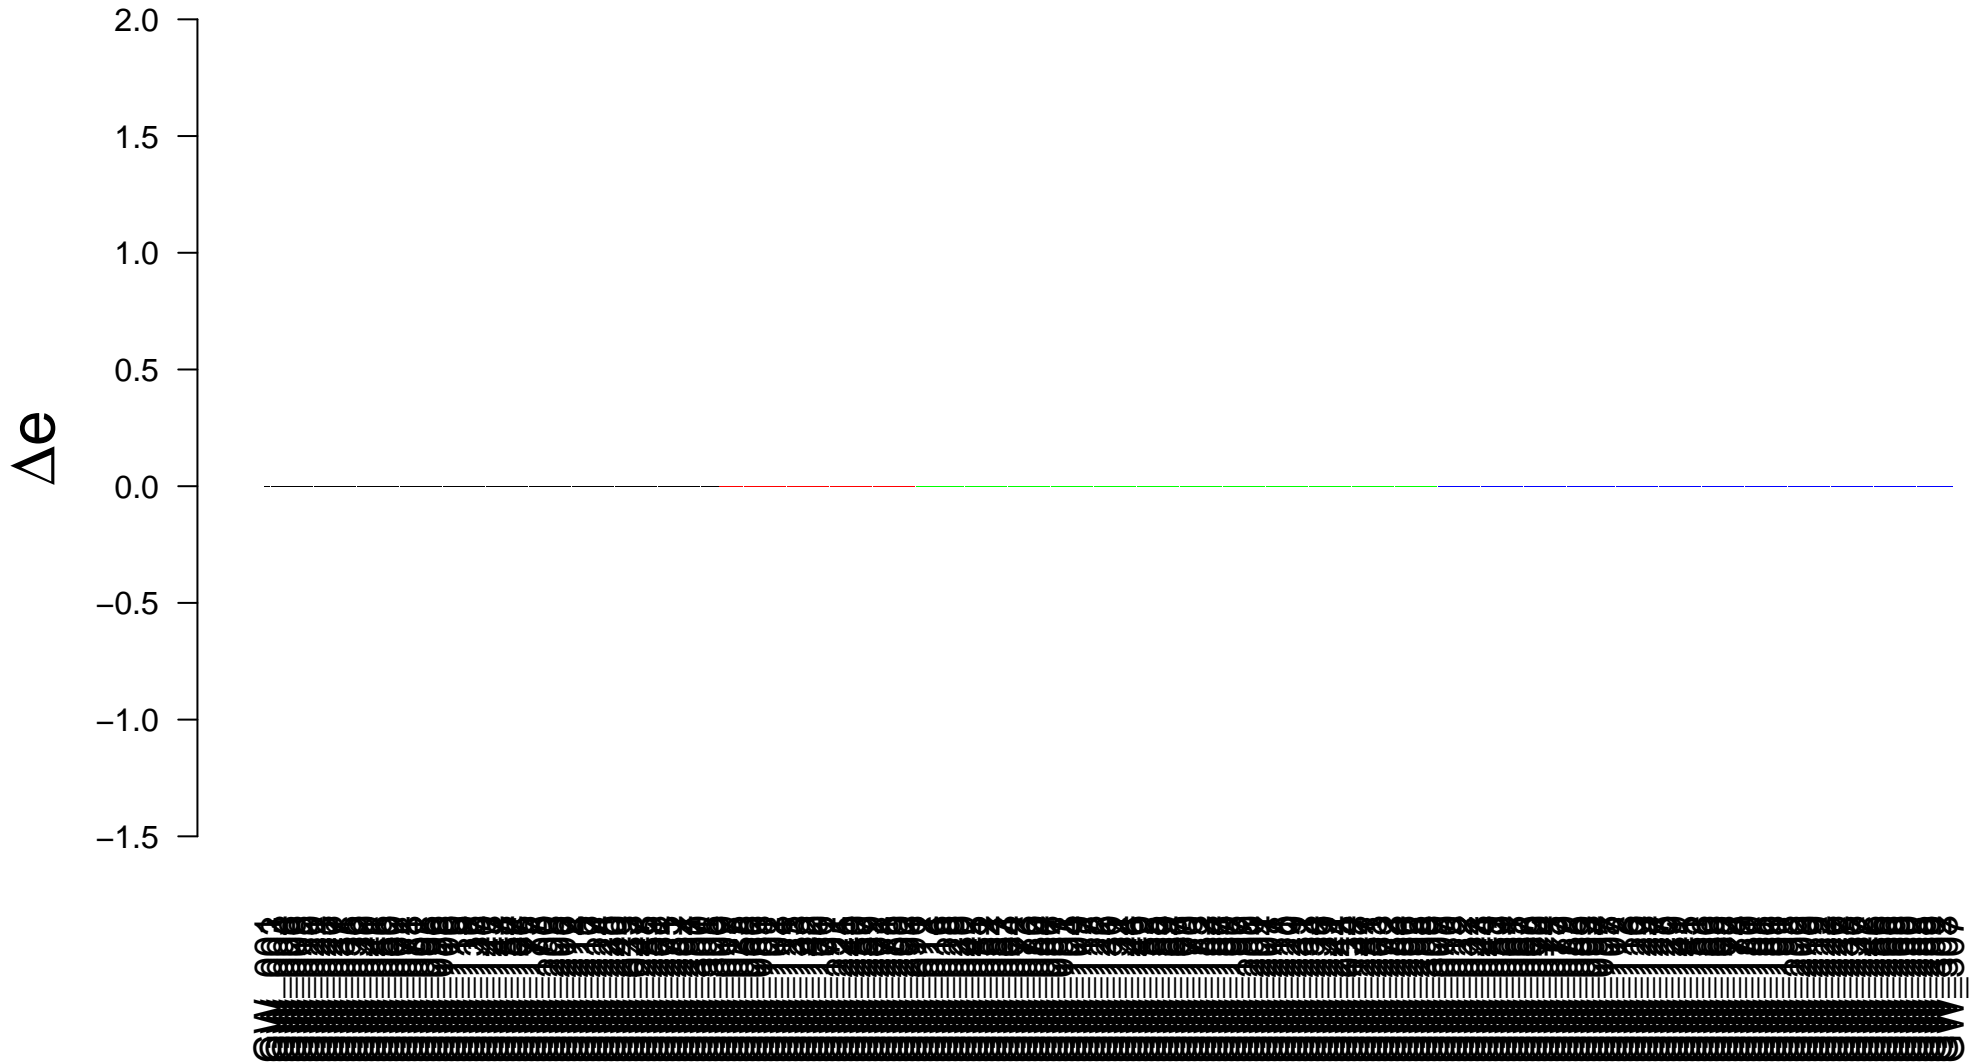

Expression of negative regulation of interleukin-2 production in Spot G

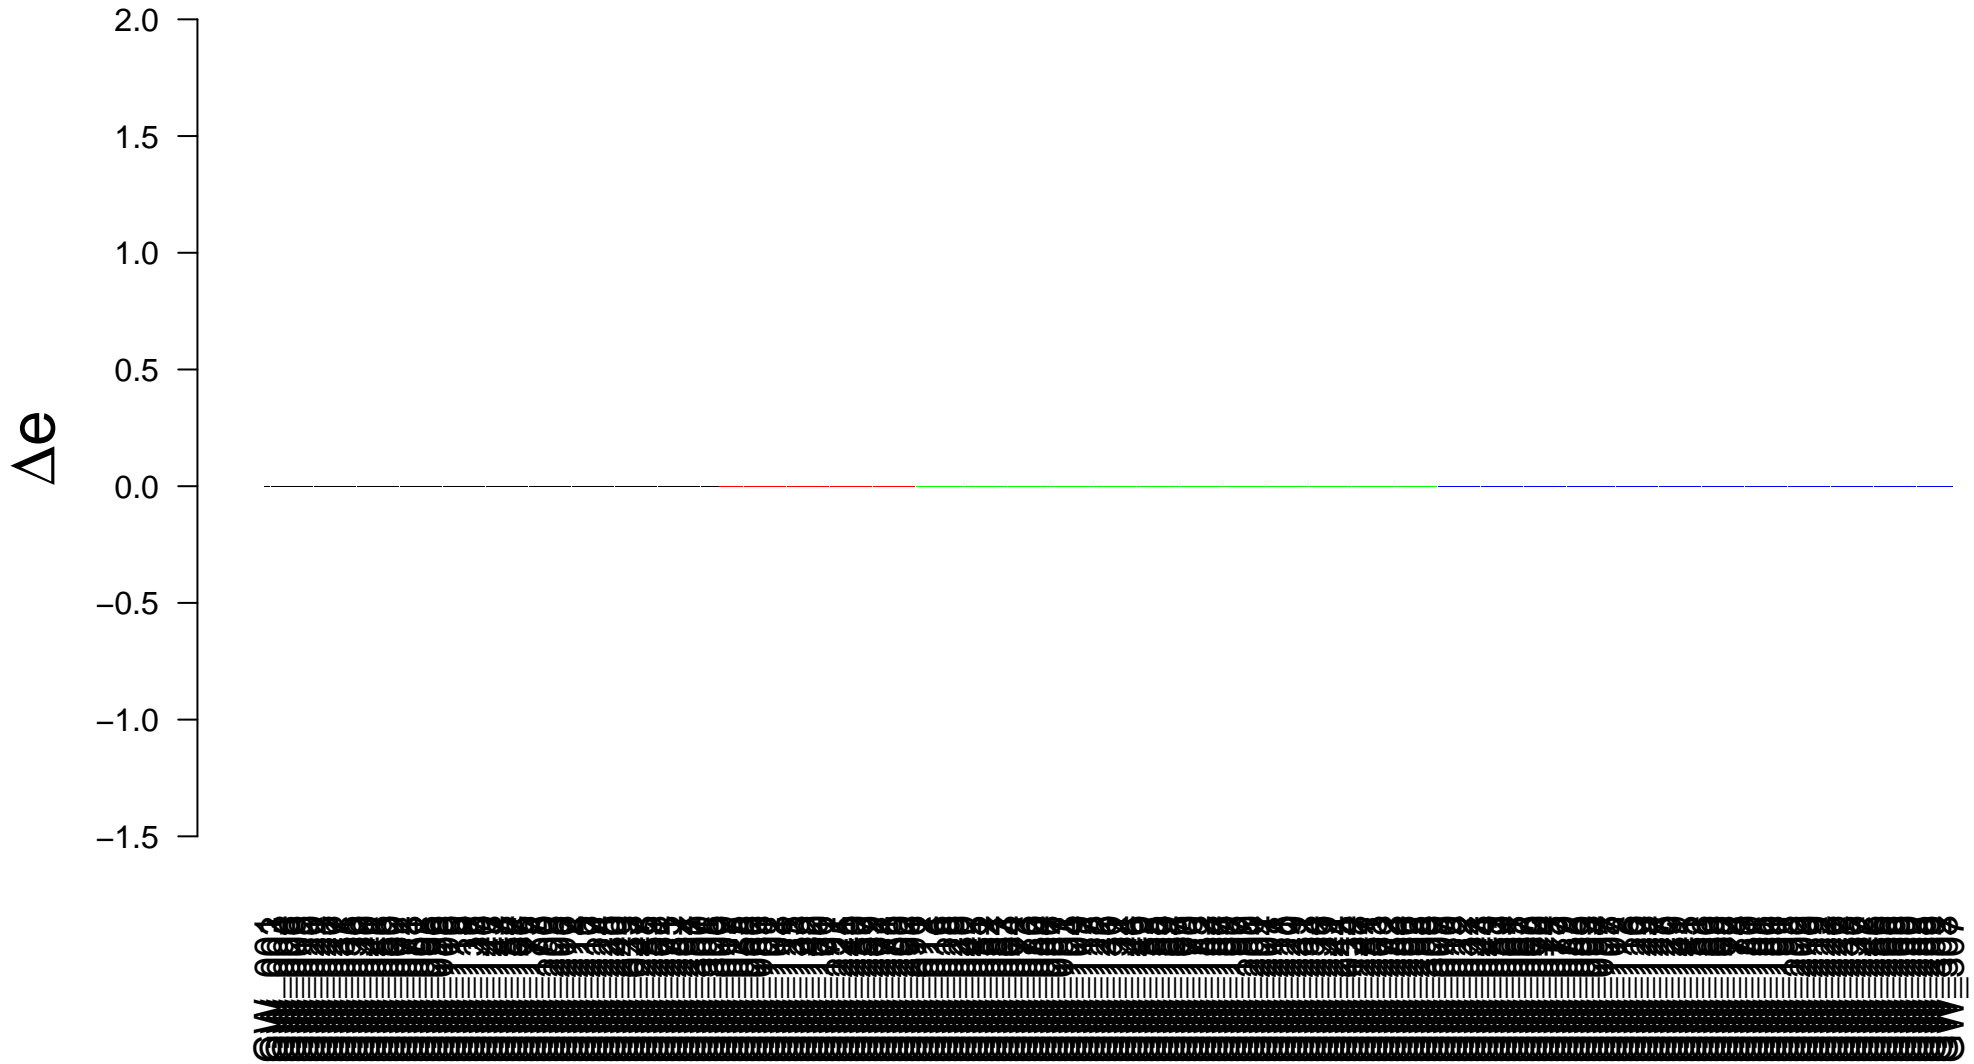

Expression of negative regulation of interleukin-2 production in Spot H

Expression of negative regulation of interleukin-2 production in Spot I

Expression of negative regulation of interleukin-2 production in Spot J

Expression of negative regulation of interleukin-2 production in Spot K

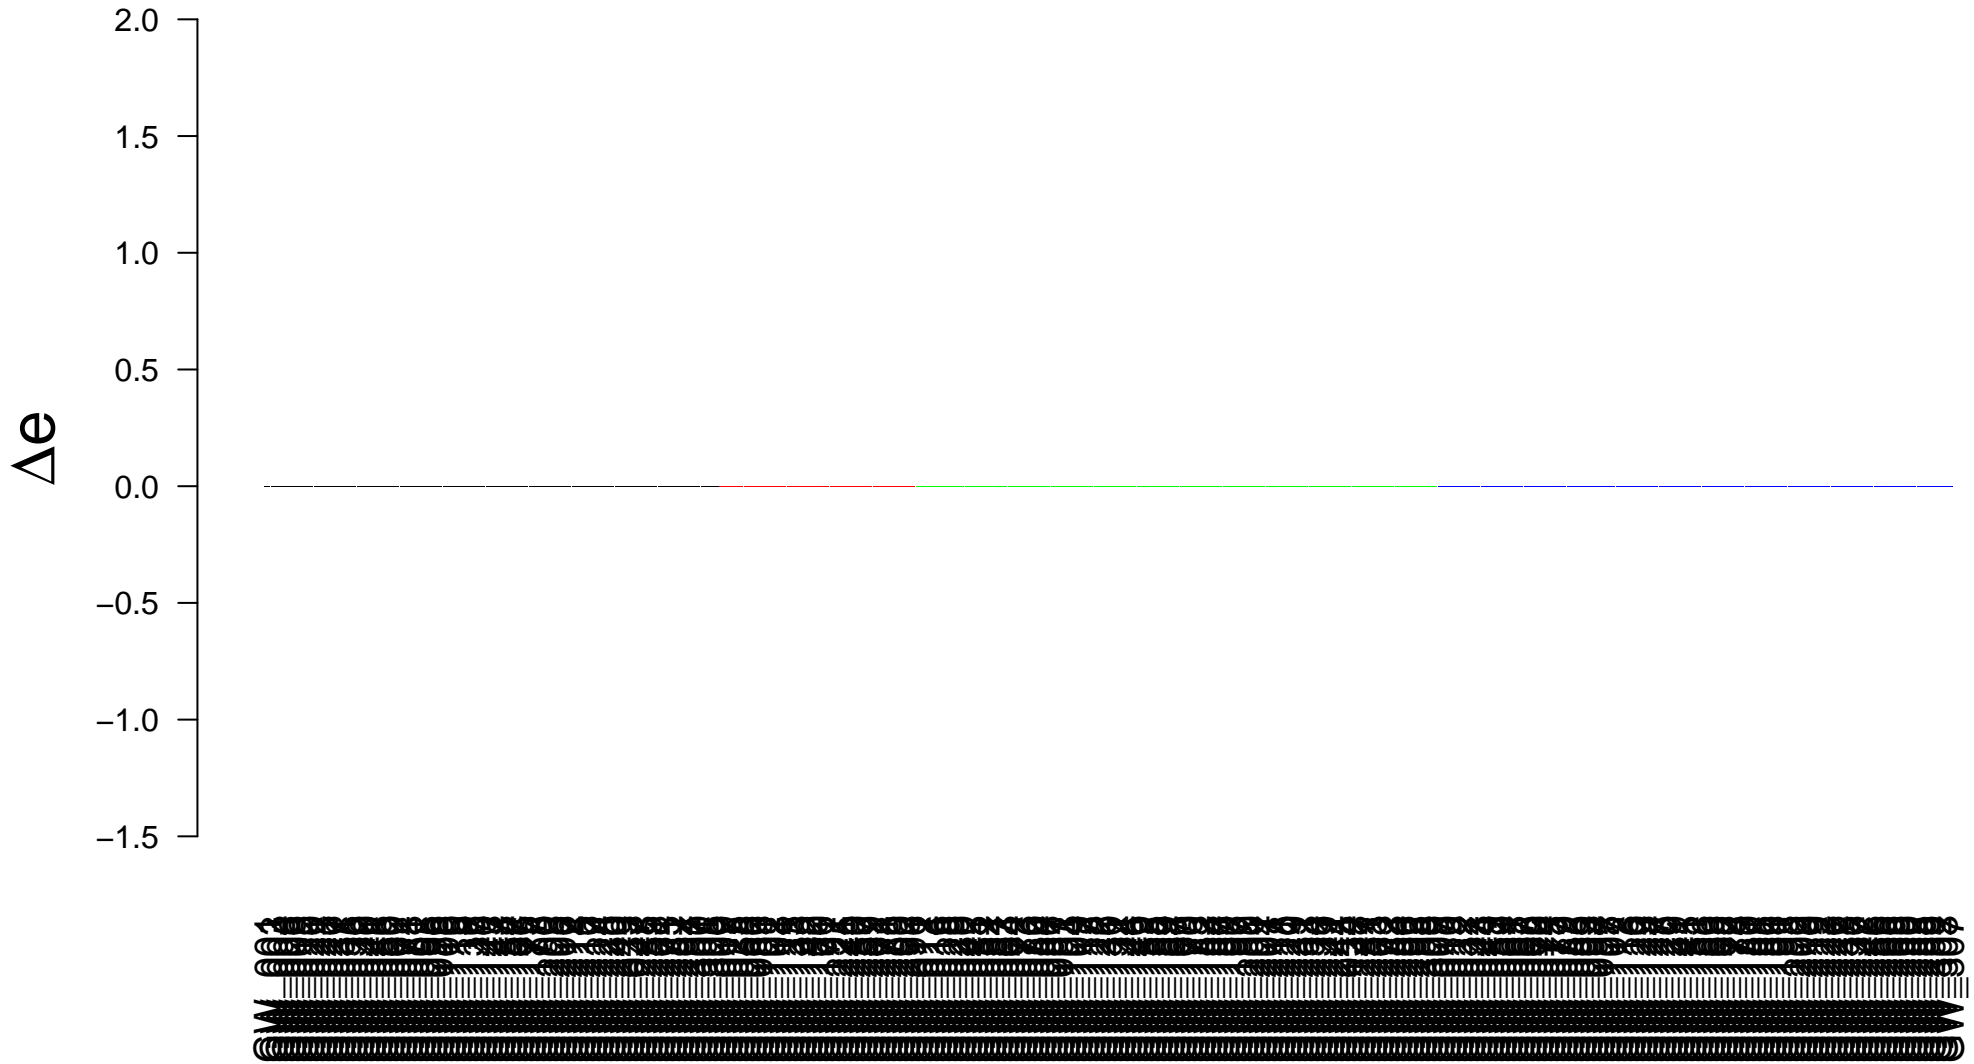

Expression of negative regulation of interleukin-2 production in Spot L

Δe

Expression of negative regulation of interleukin-2 production in Spot M

Expression of negative regulation of interleukin-2 production in Spot N

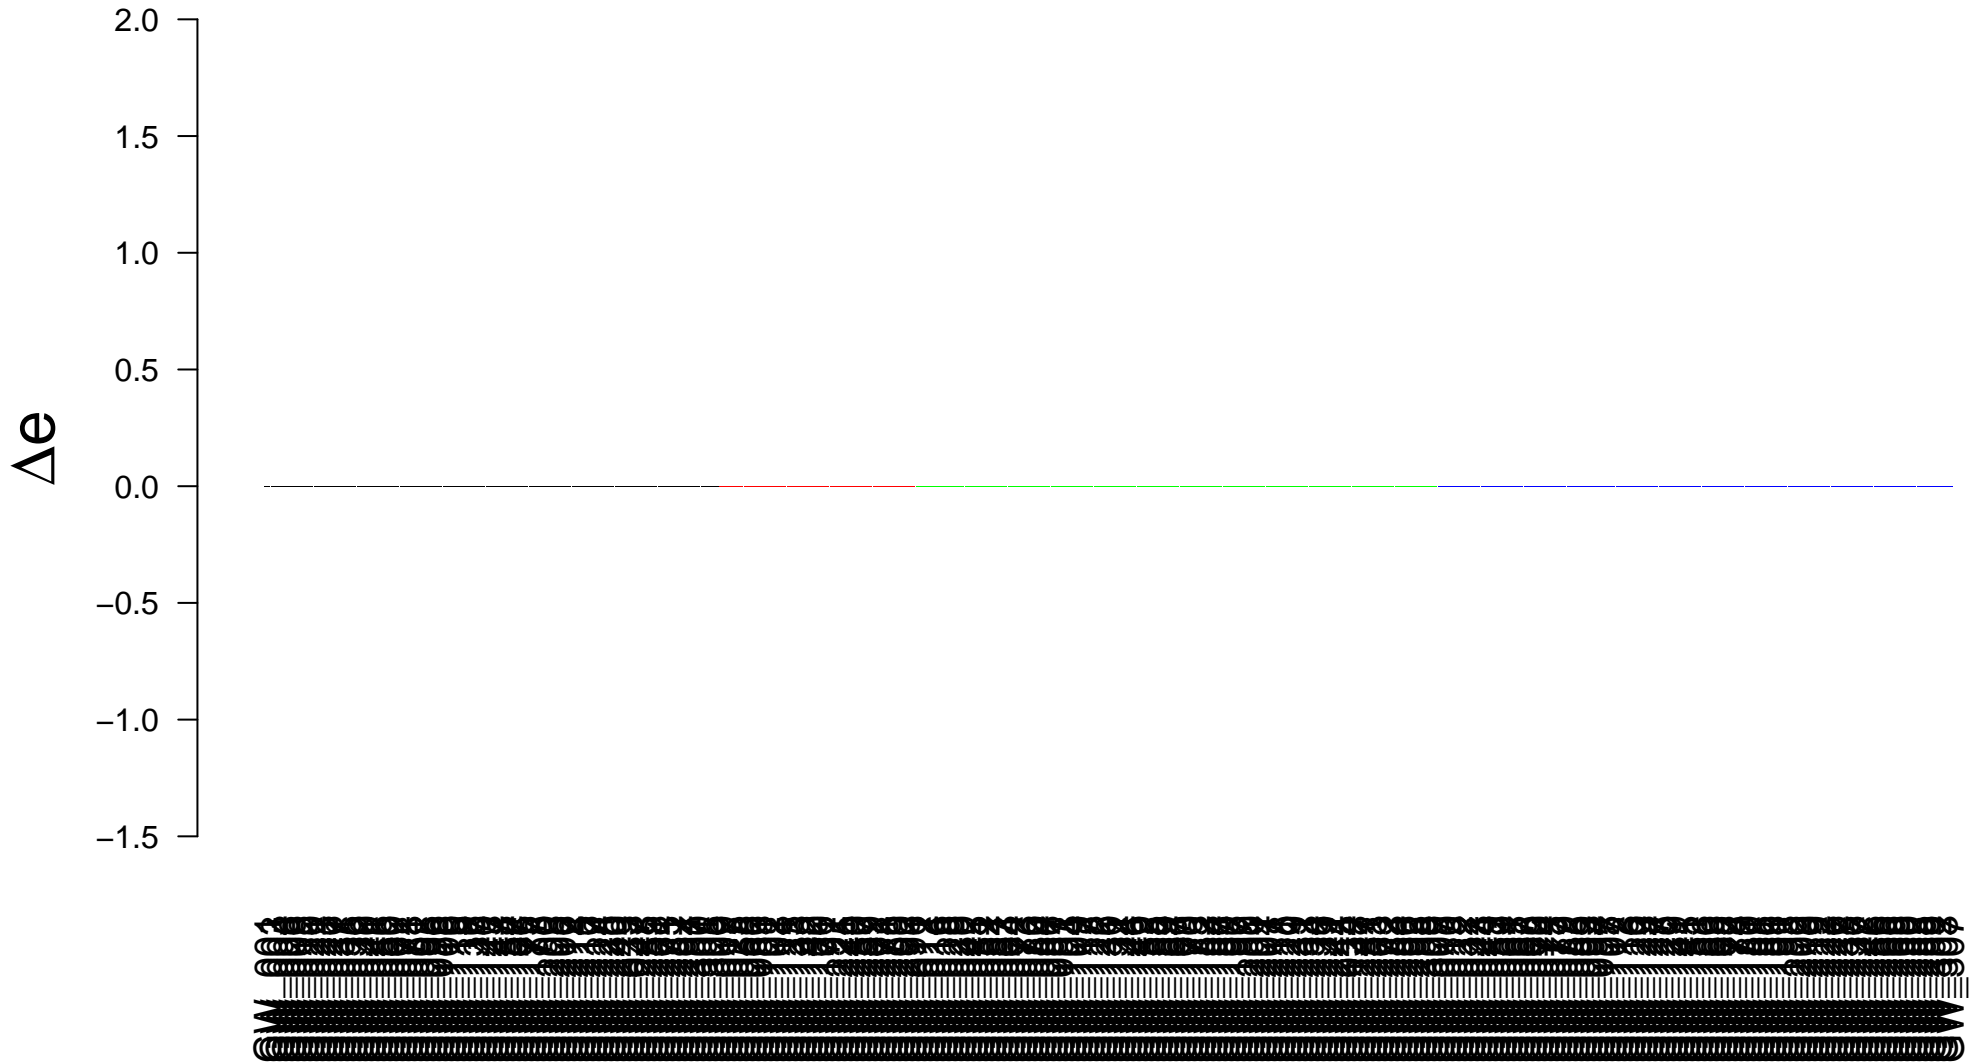

Expression of negative regulation of interleukin-2 production in Spot O
